The Honorable Robert Vanasek
Speaker of the House of Representatives

The Honorable Jerome M. Hughes

President of the Senate

We, the undersigned conferees for H.F. No. 693, report that we have agreed upon the items in dispute and recommend as follows:

That the Senate recede from its amendments and that H.F. No. 693 be further amended as follows:

Delete everything after the enacting clause and insert:

"Section 1. Minnesota Statutes 1990, section 13.01, is amended by adding a subdivision to read:

Subd. 3. [SCOPE.] *This chapter regulates the collection, creation, storage, maintenance, dissemination, and access to government data in state agencies, statewide systems, and political subdivisions. It establishes a presumption that government data are public and are accessible by the public for both inspection and copying unless there is federal law, a state statute, or a temporary classification of data that provides that certain data are not public.*

Sec. 2. Minnesota Statutes 1990, section 13.03, is amended by adding a subdivision to read:

Subd. 9. [EFFECT OF CHANGES IN CLASSIFICATION OF DATA.] *Unless otherwise expressly provided by a particular statute, the classification of data is determined by the law applicable to the data at the time a request for access to the data is made, regardless of the data's classification at the time it was collected, created, or received.*

Sec. 3. Minnesota Statutes 1990, section 13.40, is amended to read:

13.40 [LIBRARY *AND HISTORICAL* DATA.]

Subdivision 1. [RECORDS SUBJECT TO THIS CHAPTER.] *(a) For purposes of this section, "historical records repository" means an archives or manuscript repository operated by any state agency, statewide system, or political subdivision whose purpose is to collect and maintain data to further the history of a geographic or subject area. The term does not include the state archives as defined in section 138.17, subdivision 1, clause (5).*

~~All records~~ *(b) Data* collected, maintained, used, or disseminated by a library *or historical records repository* operated by any state agency, political subdivision, or statewide system shall be administered in accordance with the provisions of this chapter.

Subd. 2. [PRIVATE DATA; RECORDS OF BORROWING.] That portion of ~~records~~ *data* maintained by a library which links a library patron's name with materials requested or borrowed by the patron or which links a patron's name with a specific subject about which the patron has requested information or materials is classified as private, ~~pursuant to~~ *under* section 13.02, subdivision 12, and shall not be disclosed except pursuant to a valid court order.

Subd. 3. [NONGOVERNMENTAL DATA.] *Data held in the custody of a historical records repository that were not originally created, received, maintained, or disseminated by a state agency, statewide system, or political subdivision are not government data. These data are accessible to the public unless:*

(1) the data are contributed by private persons under an agreement that restricts access, to the extent of any lawful limitation; or

(2) access would significantly endanger the physical or organizational integrity of the data.

Sec. 4. Minnesota Statutes 1990, section 13.43, subdivision 1, is amended to read:

Subdivision 1. [DEFINITION.] As used in this section, "personnel data" means data on individuals collected because the individual is or was an employee of or an applicant for employment by, performs services on a voluntary basis for, or acts as an independent contractor with a state agency, statewide system or political subdivision or is a member of *or an applicant for* an advisory board or commission.

Sec. 5. Minnesota Statutes 1990, section 13.43, subdivision 2, is amended to read:

Subd. 2. [PUBLIC DATA.] (a) Except for employees described in subdivision 5, the following personnel data on current and former employees, volunteers, and independent contractors of a state agency, statewide system, or political subdivision and members of advisory boards or commissions is public: name; actual gross salary; salary range; contract fees; actual gross pension; the value and nature of employer paid fringe benefits; the basis for and the amount of any added remuneration, including expense reimbursement, in addition to salary; job title; job description; education and training background; previous work experience; date of first and last employment; the existence and status of any complaints or charges against the employee, whether or not the complaint or charge resulted in a disciplinary action; the final disposition of any disciplinary action together with the specific reasons for the action and data documenting the basis of the action, excluding data that would identify confidential sources who are employees of the public body; the terms of any agreement settling administrative or judicial proceedings; work location; a work telephone number; badge number; honors and awards received; payroll time sheets or other comparable data that are only used to account for employee's work time for payroll purposes, except to the extent that release of time sheet data would reveal the employee's reasons for the use of sick or other medical leave or other not public data; and city and county of residence.

(b) For purposes of this subdivision, a final disposition occurs when the state agency, statewide system, or political subdivision makes its final decision about the disciplinary action, regardless of the possibility of any later proceedings or court proceedings. In the case of arbitration proceedings arising under collective bargaining agreements, a final disposition occurs at the conclusion of the arbitration proceedings. Final disposition includes a resignation by an individual when the resignation occurs after the final decision of the state agency, statewide system, political subdivision, or arbitrator.

(c) The state agency, statewide system, or political subdivision may display a photograph of a current or former employee to a prospective witness as part of the state agency's, statewide system's, or political subdivision's investigation of any complaint or charge against the employee.

Sec. 6. Minnesota Statutes 1990, section 13.43, subdivision 3, is amended to read:

Subd. 3. [PUBLIC EMPLOYMENT.] Except for applicants described in subdivision 5, the following personnel data on current and former applicants for employment by a state agency, statewide system or political subdivision

or appointment to an advisory board or commission is public: veteran status; relevant test scores; rank on eligible list; job history; education and training; and work availability. Names of applicants shall be private data except when certified as eligible for appointment to a vacancy or when applicants are considered by the appointing authority to be finalists for a position in public employment. For purposes of this subdivision, "finalist" means an individual who is selected to be interviewed by the appointing authority prior to selection. *Names and home addresses of applicants for appointment to and members of an advisory board or commission are public.*

Sec. 7. [13.48] [AWARD DATA.]

Financial data on business entities submitted to a state agency, statewide system, or political subdivision for the purpose of presenting awards to business entities for achievements in business development or performance are private data on individuals or nonpublic data.

Subd. 4. [RESPONSE OR INCIDENT DATA.] The following data created or collected by law enforcement agencies which documents the agency's

(c) When access to the data would reveal the identity of a paid or unpaid informant being used by the agency if the agency reasonably determines that revealing the identity of the informant would threaten the personal safety of the informant;

(d) When access to the data would reveal the identity of a victim of or witness to a crime if the victim or witness specifically requests not to be identified publicly, and the agency reasonably determines that revealing the identity of the victim or witness would threaten the personal safety or property of the individual; ~~or~~

If there is an active law enforcement investigation of a possible homicide, the data remain confidential or protected nonpublic. However, upon review by the county attorney of the jurisdiction in which the law enforcement investigation is active, the data may be released to persons described in subdivision 8 if the county attorney determines release would not impede the ongoing investigation. When the law enforcement investigation becomes inactive, the data shall become private or nonpublic data.* Nothing in this subdivision shall be construed to make not public the data elements identified in subdivision 2 at any point in the investigation or thereafter.

Sec. 12. Minnesota Statutes 1990, section 13.83, subdivision 8, is amended to read:

Subd. 8. [ACCESS TO NONPUBLIC DATA.] The data made nonpublic by this section are accessible to *the physician who attended the decedent at the time of death*, the legal representative of the decedent's estate and to the decedent's surviving spouse, parents, children, and siblings and their legal representatives.

Sec. 15. Minnesota Statutes 1990, section 144.335, is amended by adding a subdivision to read:

Subd. 3a. [PATIENT CONSENT TO RELEASE OF RECORDS; LIABILITY.] *(a) A provider, or a person who receives health records from a provider, may not release a patient's health records to a person without a signed and dated consent from the patient or the patient's legally authorized representative authorizing the release, unless the release is specifically authorized by law. A consent is valid for one year or for a lesser period specified in the consent or for a different period provided by law.*

(b) This subdivision does not prohibit the release of health records for a medical emergency when the provider is unable to obtain the patient's consent due to the patient's condition or the nature of the medical emergency.

(c) A person who negligently or intentionally releases a health record in violation of this subdivision, or who forges a signature on a consent form, or who obtains under false pretenses the consent form or health records of another person, or who, without the person's consent, alters a consent form, is liable to the patient for compensatory damages caused by an unauthorized release, plus costs and reasonable attorney's fees.

(d) A patient's consent to the release of data on the date and type of immunizations administered to the patient is effective until the patient directs otherwise, if the consent was executed before August 1, 1991.

Sec. 16. Minnesota Statutes 1990, section 169.09, subdivision 13, is amended to read:

Subd. 13. [ACCIDENT REPORTS CONFIDENTIAL.] All written reports and supplemental reports required under this section to be provided to the department of public safety shall be without prejudice to the individual so reporting and shall be for the confidential use of the department of public safety and other appropriate state, federal, county, and municipal governmental agencies for accident analysis purposes, except that the department of public safety or any law enforcement department of any municipality or county in this state shall, upon written request of any person involved in an accident or upon written request of the representative of the person's estate, surviving spouse, or one or more surviving next of kin, or a trustee appointed pursuant to section 573.02, disclose to the requester, the requester's legal counsel or a representative of the requester's insurer any information contained therein except the parties' version of the accident as set out in the written report filed by the parties or may disclose identity of a person involved in an accident when the identity is not otherwise known or when the person denies presence at the accident. No report shall be used as evidence in any trial, civil or criminal, arising out of an accident, except that the department of public safety shall furnish upon the demand of any person who has, or claims to have, made a report, or, upon demand of any court, a certificate showing that a specified accident report has or has not been made to the department of public safety solely to prove a compliance

or a failure to comply with the requirements that the report be made to the department of public safety. Disclosing any information contained in any accident report, except as provided herein, is unlawful and a misdemeanor.

Nothing herein shall be construed to prevent any person who has made a report pursuant to this chapter from providing information to any persons involved in an accident or their representatives or from testifying in any trial, civil or criminal, arising out of an accident, as to facts within the person's knowledge. It is intended by this subdivision to render privileged the reports required but it is not intended to prohibit proof of the facts to which the reports relate. ~~Legally qualified newspaper publications and licensed radio and television stations shall upon request to a law enforcement agency be given an oral statement covering only the time and place of the accident, the names, addresses, and dates of birth of the parties involved, whether a citation was issued, and if so, what it was for, and whether the parties involved were wearing seat belts, and a general statement as to how the accident happened without attempting to fix liability upon anyone, but said legally qualified newspaper publications and licensed radio and television stations shall not be given access to the hereinbefore mentioned confidential reports, nor shall any such statements or information so orally given be used as evidence in any court proceeding, but shall merely be used for the purpose of a proper publication or broadcast of the news.~~ *Response or incident data may be released pursuant to section 13.82, subdivision 4.*

When these reports are released for accident analysis purposes the identity of any involved person shall not be revealed. Data contained in these reports shall only be used for accident analysis purposes, except as otherwise provided by this subdivision. Accident reports and data contained therein which may be in the possession or control of departments or agencies other than the department of public safety shall not be discoverable under any provision of law or rule of court.

Notwithstanding other provisions of this subdivision to the contrary, the commissioner of public safety shall give to the commissioner of transportation the name and address of a carrier subject to section 221.031 that is named in an accident report filed under subdivision 7 or 8. The commissioner of transportation may not release the name and address to any person. The commissioner shall use this information to enforce accident report requirements under chapter 221. In addition the commissioner of public safety may give to the United States Department of Transportation commercial vehicle accident information in connection with federal grant programs relating to safety.

The department may charge authorized persons a $5 fee for a copy of an accident report.

Sec. 17. Minnesota Statutes 1990, section 260.161, subdivision 3, is amended to read:

Subd. 3. (a) *Except for records relating to an offense where proceedings are public under section 260.155, subdivision 1,* peace officers' records of children shall be kept separate from records of persons 18 years of age or older and shall not be open to public inspection or their contents disclosed to the public except (1) by order of the juvenile court, (2) as required by section 126.036, (3) as authorized under section 13.82, subdivision 2, ~~or~~ (4) to the child's parent or guardian unless disclosure of a record would interfere with an ongoing investigation; ~~except that traffic investigation reports may be open to inspection by a person who has sustained physical~~

~~harm or economic loss as a result of the traffic accident~~, *or (5) as provided in paragraph (d)*. Except as provided in paragraph (c), no photographs of a child taken into custody may be taken without the consent of the juvenile court unless the child is alleged to have violated section 169.121 or 169.129. Any person violating any of the provisions of this subdivision shall be guilty of a misdemeanor.

(b) Nothing in this subdivision prohibits the exchange of information by law enforcement agencies if the exchanged information is pertinent and necessary to the requesting agency in initiating, furthering, or completing a criminal investigation.

(c) The commissioner of corrections may photograph juveniles whose legal custody is transferred to the commissioner. Photographs of juveniles authorized by this paragraph may be used only for institution management purposes and to assist law enforcement agencies to apprehend juvenile offenders. The commissioner shall maintain photographs of juveniles in the same manner as juvenile court records and names under this section.

(d) Traffic investigation reports are open to inspection by a person who has sustained physical harm or economic loss as a result of the traffic accident. Identifying information on juveniles who are parties to traffic accidents may be disclosed as authorized under section 13.82, subdivision 4, unless the information would identify a juvenile who was taken into custody or who is suspected of committing an offense that would be a crime if committed by an adult, or would associate a juvenile with the offense, and the offense is not a minor traffic offense under section 260.193.

Sec. 18. Minnesota Statutes 1990, section 383B.225, subdivision 6, is amended to read:

Subd. 6. [INVESTIGATION PROCEDURE.] *(a)* Upon notification of the death of any person, as provided in subdivision 5, the county medical examiner or a designee may proceed to the body, take charge of it, and order, when necessary, that there be no interference with the body or the scene of death. Any person violating the order of the examiner is guilty of a misdemeanor. The examiner or the examiner's designee shall make inquiry regarding the cause and manner of death and prepare written findings together with the report of death and its circumstances, which shall be filed in the office of the examiner. When it appears that death may have resulted from a criminal act and that further investigation is advisable, a copy of the report shall be transmitted to the county attorney. The examiner may take possession of all property of the deceased, mark it for identification, and make an inventory. The examiner shall take possession of all articles useful in establishing the cause of death, mark them for identification and retain them securely until they are no longer needed for evidence or investigation. The examiner shall release any property or articles needed for any criminal investigation to law enforcement officers conducting the investigation. When a reasonable basis exists for not releasing property or articles to law enforcement officers, the examiner shall consult with the county attorney. If the county attorney determines that a reasonable basis exists for not releasing the property or articles, the examiner may retain them. The property or articles shall be returned immediately upon completion of the investigation. When the property or articles are no longer needed for the investigation or as evidence, the examiner shall release the property or articles to the person or persons entitled to them. Notwithstanding any other law to the contrary, when personal property of a decedent has come into

the possession of the examiner, and is not used for a criminal investigation or as evidence, and has not been otherwise released as provided in this subdivision, the name of the decedent shall be filed with the probate court, together with a copy of the inventory of the decedent's property. At that time, an examination of the records of the probate court shall be made to determine whether a will has been admitted to probate or an administration has been commenced. Property of a nominal value, including wearing apparel, may be released to the spouse or any blood relative of the decedent or to the person accepting financial responsibility for burial of the decedent. If property has not been released by the examiner and no will has been admitted to probate or administration commenced within six months after death, the examiner shall sell the property at a public auction upon notice and in a manner as the probate court may direct. If the name of the decedent is not known, the examiner shall inventory the property of the decedent and after six months may sell the property at a public auction. The examiner shall be allowed reasonable expenses for the care and sale of the property and shall deposit the net proceeds of the sale with the county administrator, or the administrator's designee, in the name of the decedent, if known. If the decedent is not known, the examiner shall establish a means of identifying the property of the decedent with the unknown decedent and shall deposit the net proceeds of the sale with the county administrator, or a designee, so, that, if the unknown decedent's identity is established within six years, the proceeds can be properly distributed. In either case, duplicate receipts shall be provided to the examiner, one of which shall be filed with the court, the other of which shall be retained in the office of the examiner. If a representative shall qualify within six years from the time of deposit, the county administrator, or a designee, shall pay the amount of the deposit to the representative upon order of the court. If no order is made within six years, the proceeds of the sale shall become a part of the general revenue of the county.

(b) For the purposes of this section, health-related records or data on a decedent, except health data defined in section 13.38, whose death is being investigated under this section, whether the records or data are recorded or unrecorded, including but not limited to those concerning medical, surgical, psychiatric, psychological, or any other consultation, diagnosis, or treatment, including medical imaging, shall be made promptly available to the medical examiner, upon the medical examiner's written request, by a person having custody of, possession of, access to, or knowledge of the records or data. The medical examiner shall pay the reasonable costs of copies of records or data provided to the medical examiner under this section. Data collected or created pursuant to this subdivision relating to any psychiatric, psychological, or mental health consultation with, diagnosis of, or treatment of the decedent whose death is being investigated shall remain confidential or protected nonpublic data, except that the medical examiner's report may contain a summary of such data.

Sec. 19. Minnesota Statutes 1990, section 390.11, subdivision 7, is amended to read:

Subd. 7. [REPORTS.] *(a)* Deaths of the types described in this section must be promptly reported for investigation to the coroner by the law enforcement officer, attending physician, mortician, person in charge of the public institutions referred to in subdivision 1, or other person with knowledge of the death.

(b) For the purposes of this section, health-related records or data on a

decedent, except health data defined in section 13.38, whose death is being investigated under this section, whether the records or data are recorded or unrecorded, including but not limited to those concerning medical, surgical, psychiatric, psychological, or any other consultation, diagnosis, or treatment, including medical imaging, shall be made promptly available to the coroner, upon the coroner's written request, by a person having custody of, possession of, access to, or knowledge of the records or data. The coroner shall pay the reasonable costs of copies of records or data provided to the coroner under this section. The Honorable Robert Vanasek
Speaker of the House of Representatives

The Honorable Jerome M. Hughes
President of the Senate

We, the undersigned conferees for H.F. No. 1142, report that we have agreed upon the items in dispute and recommend as follows:

That the Senate recede from its amendments and that H.F. No. 1142 be further amended as follows:

Delete everything after the enacting clause and insert:

"Section 1. Minnesota Statutes 1990, section 65B.525, subdivision 1, is amended to read:

Subdivision 1. Except as otherwise provided in section 72A.327, the supreme court and the several courts of general trial jurisdiction of this state shall by rules of court or other constitutionally allowable device, provide for the mandatory submission to binding arbitration of all cases at issue where the claim at the commencement of arbitration is in an amount of ~~$5,000~~ *$10,000* or less against any insured's reparation obligor for no-fault benefits or comprehensive or collision damage coverage.

Sec. 2. Minnesota Statutes 1990, section 169.121, subdivision 6, is amended to read:

Subd. 6. [PRELIMINARY SCREENING TEST.] When a peace officer has reason to believe from the manner in which a person is driving, operating, controlling, or acting upon departure from a motor vehicle, or has driven, operated, or controlled a motor vehicle, that the driver may be violating or has violated subdivision 1, the officer may require the driver to provide a sample of the driver's breath for a preliminary screening test using a device approved by the commissioner of public safety for this purpose. The results of this preliminary screening test shall be used for the purpose of deciding whether an arrest should be made and whether to require the tests authorized in section 169.123, but shall not be used in any court action except *(1)* to prove that a test was properly required of a person pursuant to section 169.123, subdivision 2*; or (2) in a civil action arising out of the operation or use of the motor vehicle*. Following the screening test additional tests may be required of the driver pursuant to the provisions of section 169.123.

The driver who refuses to furnish a sample of the driver's breath is subject to the provisions of section 169.123 unless, in compliance with section 169.123, the driver submits to a blood, breath or urine test to determine the presence of alcohol or a controlled substance.

Sec. 3. Minnesota Statutes 1990, section 169.121, is amended by adding a subdivision to read:

Subd. 10a. [CIVIL ACTION; PUNITIVE DAMAGES.] *In a civil action involving a motor vehicle accident, evidence that the accident was caused by a driver (1) with a blood alcohol concentration of .10 or more, (2) who was under the influence of a controlled substance, or (3) who was under the influence of alcohol and refused to take a test required under section 169.123, subdivision 2, is sufficient for the trier of fact to consider an award of punitive damages. A criminal charge or conviction is not a prerequisite to consideration of punitive damages under this subdivision. At the trial in an action where the trier of fact will consider an award of punitive damages, evidence that the driver has been convicted of violating section 169.121, 169.129, or 609.21 is admissible into evidence.*

Sec. 4. [484.76] [ALTERNATIVE DISPUTE RESOLUTION PROGRAM.]

Subdivision 1. [GENERAL.] *The supreme court shall establish a statewide alternative dispute resolution program for the resolution of civil cases filed with the courts. The supreme court shall adopt rules governing practice, procedure, and jurisdiction for alternative dispute resolution programs established under this section. The rules must provide an equitable means for the payment of fees and expenses for the use of alternative dispute resolution processes.*

Subd. 2. [SCOPE.] *Alternative dispute resolution methods provided for under the rules must include arbitration, private trials, neutral expert fact-finding, mediation, minitrials, consensual special magistrates including retired judges and qualified attorneys to serve as special magistrates for binding proceedings with a right of appeal, and any other methods developed by the supreme court. The methods provided must be nonbinding unless otherwise agreed to in a valid agreement between the parties. Alternative dispute resolution may not be required in guardianship, conservatorship, or civil commitment matters; proceedings in the juvenile court under chapter 260; or in matters arising under section 144.651, 144.652, 518B.01, or 626.557.*

Sec. 5. Minnesota Statutes 1990, section 494.015, is amended to read:

494.015 [~~TRAINING AND~~ PROGRAM ~~CERTIFICATION~~ *AND TRAINING* GUIDELINES; *CERTIFICATION.*]

Subdivision 1. [GUIDELINES.] The state court administrator shall adopt guidelines for use by community dispute resolution programs and training programs for mediators and arbitrators for the community dispute resolution programs. The guidelines must include provisions to ensure that participation in dispute resolution is voluntary, procedures for case processing, and program certification criteria that must be met to receive court referrals. *The guidelines must include:*

(1) standards for training mediators and arbitrators to recognize matters involving violence against a person; and

(2) training in family law matters that must be completed by mediators

before acceptance of post-dissolution property distribution matters and post-dissolution visitation matters.

Subd. 2. [CERTIFICATION.] The state court administrator shall certify programs that meet the requirements for certification set under subdivision 1.

Sec. 6. Minnesota Statutes 1990, section 494.03, is amended to read:

494.03 [EXCLUSIONS.]

The guidelines shall exclude:

(1) any dispute involving violence against persons, including incidents arising out of situations that would support charges under sections 609.342 to 609.345, or 609.365;

(2) any matter involving a person who has been adjudicated incompetent or relating to guardianship, conservatorship, or civil commitment;

(3) any matter involving neglect or dependency, or involving termination of parental rights arising under sections 260.221 to 260.245; and

(4) any matter arising under section 626.557 or sections 144.651 to 144.652, or any dispute subject to chapters 518, 518A, 518B, and 518C, whether or not an action is pending, *except for post-dissolution property distribution matters and post-dissolution visitation matters*. This shall not restrict the present authority of the court or departments of the court from accepting for resolution a dispute arising under chapters 518, 518A, and 518C, or from referring disputes arising under chapters 518, and 518A to for-profit mediation.

Sec. 7. Minnesota Statutes 1990, section 549.09, is amended to read:

549.09 [INTEREST ON VERDICTS, *AWARDS,* AND JUDGMENTS.]

Subdivision 1. [WHEN OWED; RATE.] (a) When ~~the~~ *a* judgment *or award* is for the recovery of money, including a judgment for the recovery of taxes, interest from the time of the verdict, *award,* or report until judgment is finally entered shall be computed by the court administrator *or arbitrator* as provided in clause (c) and added to the judgment *or award.*

(b) Except as otherwise provided by contract or allowed by law, preverdict, *preaward,* or prereport interest on pecuniary damages shall be computed as provided in clause (c) from the time of the commencement of the action *or a demand for arbitration*, or the time of a written ~~settlement demand~~ *notice of claim*, whichever occurs first, except as provided herein. The action must be commenced within ~~60 days~~ *two years* of a written ~~settlement demand~~ *notice of claim* for interest to begin to accrue from the time of the ~~demand~~ *notice of claim*. If either party serves a written offer of settlement, the other party may serve a written acceptance or a written counteroffer within ~~60~~ *30* days. After that time, interest on the judgment *or award* shall be calculated by the judge *or arbitrator* in the following manner. The prevailing party shall receive interest on any judgment *or award* from the time *of commencement of* the action ~~was commenced~~ or a *demand for arbitration, or the time of a* written ~~settlement demand was made~~ *notice of claim*, or as to special damages from the time when special damages were incurred, if later, until the time of verdict, *award,* or report only if the amount of its offer is closer to the judgment *or award* than the amount of the opposing party's offer. If the amount of the losing party's offer was

closer to the judgment *or award* than the prevailing party's offer, the prevailing party shall receive interest only on the amount of the settlement offer or the judgment *or award*, whichever is less, and only from the time *of commencement of* the action ~~was commenced~~ or a *demand for arbitration, or the time of a* written ~~settlement demand was made~~ *notice of claim*, or as to special damages from when the special damages were incurred, if later, until the time the settlement offer was made. Subsequent offers and counteroffers supersede the legal effect of earlier offers and counteroffers. For the purposes of clause (3), the amount of settlement offer must be allocated between past and future damages in the same proportion as determined by the trier of fact. Except as otherwise provided by contract or allowed by law, preverdict, *preaward*, or prereport interest shall not be awarded on the following:

(1) judgments, awards, or benefits in workers' compensation cases, but not including third-party actions;

(2) judgments, *awards*, decrees, or orders in dissolution, annulment, or legal separation actions;

(3) judgments *or awards* for future damages;

(4) punitive damages, fines, or other damages that are noncompensatory in nature;

(5) judgments *or awards* not in excess of the amount specified in section 487.30; and

(6) that portion of any verdict, *award*, or report which is founded upon interest, or costs, disbursements, attorney fees, or other similar items added by the court *or arbitrator*.

(c) The interest shall be computed as simple interest per annum. The rate of interest shall be based on the secondary market yield of one year United States treasury bills, calculated on a bank discount basis as provided in this section.

On or before the 20th day of December of each year the state court administrator shall determine the rate from the secondary market yield on one year United States treasury bills for the most recent calendar month, reported on a monthly basis in the latest statistical release of the board of governors of the federal reserve system. This yield, rounded to the nearest one percent, shall be the annual interest rate during the succeeding calendar year. The state court administrator shall communicate the interest rates to the court administrators and sheriffs for use in computing the interest on verdicts *and shall make the interest rates available to arbitrators*.

When a judgment creditor, or the judgment creditor's attorney or agent, has received a payment after entry of judgment, whether the payment is made voluntarily by or on behalf of the judgment debtor, or is collected by legal process other than execution levy where a proper return has been filed with the court administrator, the judgment creditor, or the judgment creditor's attorney, before applying to the court administrator for an execution shall file with the court administrator an affidavit of partial satisfaction. The affidavit must state the dates and amounts of payments made upon the judgment after the most recent affidavit of partial satisfaction filed, if any; the part of each payment that is applied to taxable disbursements and to accrued interest and to the unpaid principal balance of the judgment; and the accrued, but the unpaid interest owing, if any, after application of each

payment.

(d) This section does not apply to arbitrations between employers and employees under chapter 179 or 179A. An arbitrator is neither required to nor prohibited from awarding interest under chapter 179 or under section 179A.16 for essential employees.

Subd. 2. [ACCRUAL OF INTEREST.] During each calendar year, interest shall accrue on the unpaid balance of the judgment *or award* from the time that it is entered *or made* until it is paid, at the annual rate provided in subdivision 1. The court administrator shall compute and add the accrued interest to the total amount to be collected when the execution is issued and compute the amount of daily interest accruing during the calendar year. The person authorized by statute to make the levy shall compute and add interest from the date that the writ of execution was issued to the date of service of the writ of execution and shall direct the daily interest to be computed and added from the date of service until any money is collected as a result of the levy.

Subd. 3. [DEDUCTIONS.] If an affidavit is filed pursuant to subdivision 4, a judgment creditor, or the judgment creditor's attorney or agent, is entitled to deduct from any payment made upon a judgment, whether the payment is made voluntarily by or on behalf of the judgment debtor, or is collected by legal process, all disbursements that are made taxable by statute or by rule of court, that have been paid or incurred by the judgment creditor or the judgment creditor's attorney, after the entry of judgment. Any remaining portion of the payment must be applied to the interest that has accrued upon the unpaid principal balance of the judgment before any remaining part is applied to reduce the unpaid principal balance of the judgment.

Subd. 4. [AFFIDAVIT.] A judgment creditor, or the judgment creditor's attorney, may file an affidavit specifying the nature and amount of taxable disbursements paid or incurred by the judgment creditor, or the judgment creditor's attorney, after the entry of judgment. An execution issued by the court administrator must include increased disbursements as are included in the affidavit filed with the court administrator.

Sec. 8. Minnesota Statutes 1990, section 572.10, is amended to read:

572.10 [APPOINTMENT OF ARBITRATORS ~~BY COURT~~; *DISCLOSURE REQUIRED.*]

Subdivision 1. [APPOINTMENT BY THE COURT.] If the arbitration agreement provides a method of appointment of arbitrators, this method shall be followed. In the absence thereof, or if the agreed method fails or for any reason cannot be followed, or when an arbitrator appointed fails or is unable to act and a successor has not been duly appointed, the court on application of a party shall appoint one or more arbitrators. An arbitrator so appointed has all the powers of one specifically named in the agreement.

Subd. 2. [DISCLOSURE BY A NEUTRAL ARBITRATOR.] *(a) A "neutral arbitrator" is the only arbitrator in a case or is one appointed by the court, by the other arbitrators, or by all parties together in agreement. A neutral arbitrator does not include one selected by fewer than all parties even though no other party objects.*

(b) Except for arbitrations under the American Arbitration Association, prior to selection, a neutral arbitrator shall disclose any relationships the person has with any of the parties, their counsel, insurers, or representatives

and any conflict of interest, or potential conflict of interest, the person may have.

(c) In all arbitrations:

(1) after a neutral arbitrator has been selected, any relationship, conflict of interest, or potential conflict of interest that arises must be immediately disclosed by the arbitrator in writing to all parties, and a party may move the district court or the arbitration tribunal for removal of the neutral arbitrator;

(2) the disclosure required under this section is in addition to that which may be required by applicable rules of law, ethics, or procedure; and

(3) if the neutral arbitrator fails to disclose a conflict of interest or material relationship, it is grounds for vacating an award for fraud as provided in section 572.19.

Sec. 9. Minnesota Statutes 1990, section 572.15, is amended to read:

572.15 [AWARD.]

(a) The award shall be in writing and signed by the arbitrators joining in the award. *The award must include interest, except this does not apply to arbitrations between employers and employees under chapter 179 or 179A. An arbitrator is neither required to nor prohibited from awarding interest under chapter 179 or under section 179A.16 for essential employees.* The arbitrators shall deliver a copy to each party personally or by certified mail, or as provided in the agreement.

(b) An award shall be made within the time fixed therefor by the agreement or, if not so fixed, within such time as the court orders on application of a party. The parties may extend the time in writing either before or after the expiration thereof. A party waives the objection that an award was not made within the time required unless the party notifies the arbitrators of an objection prior to the delivery of the award to the party.

Sec. 10. Minnesota Statutes 1990, section 572.16, is amended to read:

572.16 [CHANGE OF AWARD BY ARBITRATORS.]

Subdivision 1. [APPLICATION OF PARTY.] *On application of a party, the arbitrator may modify or correct the award:*

(1) upon the grounds stated in section 572.20, subdivision 1;

(2) for the purpose of clarifying the award; or

(3) where the award is based on an error of law.

Subd. 2. [SUBMISSION BY COURT.] ~~On application of a party or,~~ If an application to the court is pending under section 572.18, 572.19, or 572.20, on submission to the arbitrators by the court under such conditions as the court may order, the arbitrators may modify or correct the award upon the grounds stated in ~~clauses (1) and (3) of subdivision 1,~~ section 572.20, *subdivision 1*, or for the purpose of clarifying the award.

Subd. 3. [PROCEDURE.] *For purposes of subdivision 1 or 2*, the application shall be made within 20 days after delivery of the award to the applicant. Written notice thereof shall be given forthwith to the opposing party, stating that the opposing party must serve objections thereto, if any, within ten days from the notice. The award so modified or corrected is subject to the provisions of sections 572.18, 572.19 and 572.20.

Sec. 11. [REPEALER.]

Minnesota Statutes 1990, section 494.01, subdivisions 3 and 5, are repealed.

Sec. 12. [EFFECTIVE DATE.]

Sections 2 and 3 are effective August 1, 1991, and apply to convictions entered and civil actions commenced on or after that date. Sections 4 to 6 and 11 are effective the day following final enactment. Sections 7 and 9 are effective July 1, 1991, and apply to proceedings pending on or commenced on or after that date, except that the reduction in the time when a party may serve a written acceptance or written counteroffer under section 7, paragraph (b), from 60 to 30 days only applies if the written offer of settlement is made on or after July 1, 1991."

Subd. 6. [FOREIGN.] "Foreign," when used without limitations, shall designate those companies incorporated *or organized* in any other state or country.

Subd. 26. [UNITED STATES BRANCH.] *"United States branch" means the business unit through which business is transacted within the United States by an alien insurer.*

Sec. 10. Minnesota Statutes 1990, section 60A.09, subdivision 5, is amended to read:

(2) ~~[CONDITIONS AND REQUIREMENTS.] Every insurer authorized to issue policies in this state may reinsure in any other insurer any part or all of any risk or risks assumed by it; but such reinsurance, unless effected (1) with an insurer authorized to issue policies in this state, or (2) with an insurer similarly authorized in another state, territory, or district of the United States, and showing the same standards of solvency and meeting the same statutory and departmental rules which would be required of or prescribed for such insurer were it at the time of such reinsurance authorized in this state to issue policies covering risks of the same kind or kinds as those reinsured, shall not reduce the reserve or other liability to be charged to the ceding insurer; provided, that nothing in this subdivision shall be construed to permit to a ceding insurer any reduction of reserve or liability through reinsurance effected with an unauthorized insurer. In case such reinsurance effected with an insurer so authorized or so recognized for reinsurance in this state, the ceding insurer shall thereafter be charged on the gross premium basis with an unearned premium liability representing the proportion of such obligation retained by it, and the insurer to which the business is ceded shall be charged with an unearned premium liability representing the proportion of such obligation ceded to it, calculated in the same way. The two parties to the transaction shall together carry the same reserve as the ceding insurer would have carried had it retained the risk.~~

~~(3)~~ [REINSURANCE OF MORE THAN ~~75~~ *50* PERCENT OF INSURANCE LIABILITIES.] Any contract of reinsurance whereby an insurer cedes more than ~~75~~ *50* percent of the total of its outstanding insurance liabilities shall, if such insurer is incorporated by or, if an insurer of a foreign country, has its principal office in this state, be subject to the approval, in writing, by the commissioner.

~~(4)~~ *(3)* ACTUAL UNEARNED PREMIUM RESERVE TO BE CARRIED AS LIABILITY.] Nothing in this subdivision shall be deemed to permit the ceding insurer to receive, through the cession of the whole of any risk or risks, any advantage in respect to its unearned premium reserve that would reduce the same below the actual amount thereof.

~~(5)~~ *(4)* (AIRCRAFT RISKS.] An insurer authorized to transact the business specified in section 60A.06, subdivision 1, clauses (4) and (5)(a), may through reinsurance assume any risk arising from, related to, or incident to the manufacture, ownership, or operation of aircraft and may retrocede any portion thereof; provided, however, that no insurer may undertake any such reinsurance business without the prior approval of the commissioner and such reinsurance business shall be subject to any regulations which may be promulgated by the commissioner. Any such reinsurance business may be provided through pooling arrangements with other insurers for purposes of spreading the insurance risk.

Sec. 11. [60A.091] [QUALIFIED UNITED STATES FINANCIAL INSTITUTION.]

For purposes of sections 12 and 13, "qualified United States financial institution" means an institution that:

(1) is organized or, in the case of a United States office of a foreign

banking organization, licensed, under the laws of the United States or any state;

(2) is regulated, supervised, and examined by federal or state authorities having regulatory authority over banks and trust companies; and

Subdivision 1. [CREDIT ALLOWED.] *Credit for reinsurance shall be allowed a domestic ceding insurer as either an asset or a deduction from liability on account of reinsurance ceded only when the reinsurance is ceded to an assuming insurer which meets the requirements specified under this section.*

Subd. 2. [LICENSED ASSUMING INSURER.] *Reinsurance is ceded to an assuming insurer if the assuming insurer is licensed to transact insurance or reinsurance in this state.*

Subd. 3. [ACCREDITED ASSUMING INSURER.] *(a) Reinsurance is ceded to an assuming insurer if the assuming insurer is accredited as a reinsurer in this state. An accredited reinsurer is one which:*

(1) files with the commissioner evidence of its submission to this state's jurisdiction;

(2) submits to this state's authority to examine its books and records;

(3) is licensed to transact insurance or reinsurance in at least one state, or in the case of a United States branch of an alien assuming insurer is entered through and licensed to transact insurance or reinsurance in at least one state;

(4) files annually with the commissioner a copy of its annual statement filed with the insurance department of its state of domicile and a copy of its most recent audited financial statement; and

(5)(i) maintains a surplus as regards policyholders in an amount not less than $20,000,000 and whose accreditation has not been denied by the commissioner within 90 days of its submission, or maintains a surplus as regards policyholders in an amount less than $20,000,000 and whose accreditation has been approved by the commissioner; or

(ii) maintains a surplus as regards policyholders in an amount not less than $50,000,000 for long-tail casualty reinsurers. For purposes of this section, "long-tail casualty reinsurance" means insurance for medical or legal malpractice, pollution liability, directors and officers liability, and products liability. The commissioner may determine that an assuming insurer that maintains a surplus as regards policyholders in an amount not less than $20,000,000 is accredited as a reinsurer if there is no detriment to policyholders and the interest of the public, and to not allow accrediting would be a hardship or detriment to the reinsurer. The commissioner shall report to the legislature on any determination to allow accrediting to a long-term casualty reinsurer maintaining a surplus in an amount less than $50,000,000.

Clause (5) does not apply to reinsurance ceded and assumed pursuant to pooling arrangements among insurers in the same holding company

system.

(b) No credit shall be allowed or continue to be allowed a domestic ceding insurer if the assuming insurer's accreditation has been revoked by the commissioner after receipt of a cease and desist order pursuant to section 45.027, subdivision 5.

Subd. 4. [SIMILAR STATE STANDARDS.] *Reinsurance is ceded to an assuming insurer if the assuming insurer is domiciled and licensed in, or in the case of a United States branch of an alien assuming insurer is entered through, a state which employs standards regarding credit for reinsurance substantially similar to those applicable under this chapter and the assuming insurer or United States branch of an alien assuming insurer (1) maintains a surplus as regards policyholders in an amount not less than $20,000,000 or maintains a surplus as regards policyholders in an amount not less than $50,000,000 for long-tail casualty reinsurers as provided under subdivision 3, paragraph (a), clause (5), and (2) submits to the authority of this state to examine its books and records.*

Clause (1) does not apply to reinsurance ceded and assumed pursuant to pooling arrangements among insurers in the same holding company system.

Subd. 5. [TRUST FUND MAINTAINED.] *The reinsurance is ceded to an assuming insurer if the assuming insurer maintains a trust fund in a qualified United States financial institution for the payment of the valid claims, as determined by the commissioner for the purpose of determining the sufficiency of the trust fund, of its United States policyholders and ceding insurers, their assigns and successors in interest. The assuming insurer shall report annually to the commissioner information substantially the same as that required to be reported on the National Association of Insurance Commissioners annual statement form by licensed insurers to enable the commissioner to determine the sufficiency of the trust fund.*

Subd. 6. [SINGLE ASSUMING INSURER; TRUST FUND REQUIREMENTS.] *In the case of a single assuming insurer, the trust shall consist of a trusteed account representing the assuming insurer's liabilities attributable to business written in the United States and, in addition, the assuming insurer shall maintain a trusteed surplus of not less than $20,000,000 or maintain a surplus as regards policyholders in an amount not less than $50,000,000 for long-tail casualty reinsurers as provided under subdivision 3, paragraph (a), clause (5).*

Subd. 7. [INDIVIDUAL UNINCORPORATED UNDERWRITERS GROUP; TRUST FUND REQUIREMENTS.] *In the case of a group of individual unincorporated underwriters, the trust shall consist of a trusteed account representing the group's liabilities attributable to business written in the United States. The group shall maintain a trusteed surplus of which $100,000,000 shall be held jointly for the benefit of United States ceding insurers of any member of the group. The group shall make available to the commissioner an annual certification by the group's domiciliary regulator and its independent public accountants of the solvency of each underwriter.*

Subd. 8. [INCORPORATED INSURERS GROUP; TRUST FUND REQUIREMENTS.] *A group of incorporated insurers under common administration must:*

(1) comply with the filing requirements specified in subdivision 7;

(2) be under the supervision of the Department of Trade and Industry of the United Kingdom;

(3) submit to this state's authority to examine its books and records;

(4) bear the expense of the examination;

(5) maintain an aggregate policyholders' surplus of $10,000,000,000;

(6) maintain the trust in an amount equal to the group's several liabilities attributable to business written in the United States; and

(7) maintain a joint trusteed surplus of which $100,000,000 must be held jointly for the benefit of United States ceding insurers of any member of the group.

Each member of the group shall make available to the commissioner an annual certification by the member's domiciliary regulator and its independent accountant of the member's solvency.

Subd. 9. |TRUST FUND GENERAL REQUIREMENTS.| *(a) The trust must be established in a form approved by the commissioner of commerce. The trust instrument shall provide that contested claims shall be valid and enforceable upon the final order of any court of competent jurisdiction in the United States. The trust shall vest legal title to its assets in the trustees of the trust for its United States policyholders and ceding insurers, their assigns and successors in interest. The trust and the assuming insurer shall be subject to examination as determined by the commissioner. The trust must remain in effect for as long as the assuming insurer shall have outstanding obligations due under the reinsurance agreements subject to the trust.*

(b) No later than February 28 of each year the trustees of the trust shall report to the commissioner in writing setting forth the balance of the trust and listing the trust's investments at the preceding year end and shall certify the date of termination of the trust, if so planned, or certify that the trust shall not expire prior to the next following December 31.

Subd. 10. |OTHER JURISDICTIONS.| *The reinsurance is ceded to an assuming insurer not meeting the requirements of subdivision 2, 3, 4, or 5, but only with respect to the insurance of risks located in jurisdictions where the reinsurance is required by applicable law or regulation of that jurisdiction.*

Subd. 11. |REINSURANCE AGREEMENT REQUIREMENTS.| *(a) If the assuming insurer is not licensed or accredited to transact insurance or reinsurance in this state, the credit authorized under subdivisions 4 and 5 shall not be allowed unless the assuming insurer agrees in the reinsurance agreements:*

(1) that in the event of the failure of the assuming insurer to perform its obligations under the terms of the reinsurance agreement, the assuming insurer shall submit to the jurisdiction of any court of competent jurisdiction in any state of the United States, comply with all requirements necessary to give the court jurisdiction, and abide by the final decision of the court or of any appellate court in the event of an appeal; and

(2) to designate the commissioner or a designated attorney as its true and lawful attorney upon whom may be served any lawful process in any action, suit, or proceeding instituted by or on behalf of the ceding company.

(b) Paragraph (a) is not intended to conflict with or override the obligation of the parties to a reinsurance agreement to arbitrate their disputes, if an obligation to do so is created in the agreement.

Sec. 13. [60A.093] [REDUCTION FROM LIABILITY FOR REINSURANCE CEDED BY A DOMESTIC INSURER TO AN ASSUMING INSURER.]

Subdivision 1. [REDUCTION ALLOWED.] *A reduction from liability for reinsurance ceded by a domestic insurer to an assuming insurer not meeting the requirements of section 12 shall be allowed in an amount not exceeding the liabilities carried by the ceding insurer. Such reduction shall be in the amount of funds held by or on behalf of the ceding insurer, including funds held in trust for the ceding insurer, as security for the payment of obligations under the reinsurance contract with the assuming insurer. Such security must be held in the United States subject to withdrawal solely by, and under the exclusive control of, the ceding insurer; or, in the case of a trust, held in a qualified United States financial institution. The funds held as security may be in any form of security acceptable to the commissioner or in the form of:*

(1) cash;

(2) securities listed by the securities valuation office of the National Association of Insurance Commissioners and qualifying as admitted assets and, with the exception of United States treasury notes, readily marketable over a national exchange or NASDAQ with maturity dates within one year; or

The financial institution must meet the standards of financial condition and standing considered necessary and appropriate to regulate the quality of financial institutions as determined by either the commissioner or the securities valuation office of the National Association of Insurance Commissioners, and the financial institution's letters of credit must be acceptable to the commissioner.

Subd. 2. [LETTERS OF CREDIT CONTINUED ACCEPTANCE.] *Letters of credit meeting applicable standards of issuer acceptability as of the dates of their issuance or confirmation must, notwithstanding the issuing or confirming institution's subsequent failure to meet applicable standards of issuer acceptability, continue to be acceptable as security until their expiration, extension, renewal, modification, or amendment, whichever comes first, unless the issuing or confirming institution fails the following standards:*

Subd. 3. [REQUIREMENT COMPLIANCE.] *If placed under administrative supervision, the insurer shall have 60 days, or another period of time as designated by the commissioner, to comply with the requirements of the commissioner as provided under this chapter. If it is determined after notice and hearing that the insurer has not complied with the requirements of the commissioner at the end of the supervision period, the commissioner may extend the period. If the insurer complies with the requirements of the commissioner, the commissioner shall release the insurer from supervision.*

Sec. 3. [60G.03] [CONFIDENTIALITY OF CERTAIN PROCEEDINGS AND RECORDS.]

Subdivision 1. [CONFIDENTIALITY.] *Notwithstanding any other provision of law and except as provided in this section, proceedings, hearings, notices, correspondence, reports, records, and other information in the possession of the commissioner or the department relating to the supervision of any insurer are confidential.*

Subd. 2. [ACCESS.] *The personnel of the department shall have access to these proceedings, hearings, notices, correspondence, reports, records, or information as permitted by the commissioner.*

Subd. 3. [OPEN HEARINGS; DISCLOSURE.] *The commissioner may open the proceedings or hearings or disclose the notices, correspondence, reports, records, or information to a department, agency, or instrumentality of this or another state or the United States if the commissioner determines that the disclosure is necessary or proper for the enforcement of the laws of this or another state or the United States.*

Subd. 4. [PUBLIC DISCLOSURE.] *The commissioner may open the proceedings or hearings or make public the notices, correspondence, reports, records, or other information if the commissioner determines that it is in the best interest of the public or in the best interest of the insurer, its insureds, creditors, or the general public.*

Subd. 5. [EXEMPTION.] *This section does not apply to hearings, notices, correspondence, reports, records, or other information obtained upon the appointment of a receiver for the insurer by a court of competent jurisdiction.*

Sec. 4. [60G.04] [PROHIBITED ACTS DURING PERIOD OF SUPERVISION.]

During the period of supervision, the commissioner shall serve as the administrative supervisor. The commissioner may require that the insurer shall not do any of the following things during the period of supervision without the prior approval of the commissioner:

Sec. 6. [60G.06] [ADMINISTRATIVE ELECTION OF PROCEEDINGS.]

Nothing contained in this chapter precludes the commissioner from initiating judicial proceedings to place an insurer in rehabilitation or liquidation proceedings under the laws of this state, regardless of whether the commissioner has previously initiated administrative supervision proceedings under this chapter against the insurer.

The commissioner may adopt rules necessary for the implementation of this chapter.

Sec. 8. [60G.08] [IMMUNITY.]

ARTICLE 3

STANDARDS AND COMMISSIONER'S AUTHORITY

FOR COMPANIES CONSIDERED TO BE IN

HAZARDOUS FINANCIAL CONDITION

Section 1. [60G.20] [STANDARDS.]

Subdivision 1. [HAZARDOUS CONSIDERATION.] *The following standards, either singly or a combination of two or more, may be considered by the commissioner to determine whether the continued operation of any insurer, whether domestic, foreign, or alien, transacting an insurance business in this state may be considered hazardous to the policyholders, creditors or the general public. The commissioner may consider:*

(1) an adverse finding reported in financial condition and market conduct examination reports;

(2) the National Association of Insurance Commissioners insurance regulatory information system and its related reports;

(3) the ratios of commission expense, general insurance expense, policy benefits, and reserve increases as to annual premium and net investment income which may lead to an impairment of capital and surplus;

(4) whether the insurer's asset portfolio when viewed in light of current economic conditions is not of sufficient value, liquidity, or diversity to assure the company's ability to meet its outstanding obligations as they mature;

(5) the ability of an assuming reinsurer to perform and whether the insurer's reinsurance program provides sufficient protection for the company's remaining surplus after taking into account the insurer's cash flow and the classes of business written as well as the financial condition of the assuming reinsurer;

(6) whether the insurer's operating loss in the last 12-month period or any shorter period of time, including, but not limited to, net capital gain or loss, change in nonadmitted assets, and cash dividends paid to shareholders, is greater than 50 percent of the insurer's remaining surplus as regards policyholders in excess of the minimum required;

(7) whether any affiliate, subsidiary, or reinsurer is insolvent, threatened with insolvency, or delinquent in payment of its monetary or other obligations;

(8) contingent liabilities, pledges, or guaranties which either individually or collectively involve a total amount which in the opinion of the commissioner may affect the solvency of the insurer;

(9) whether any "controlling person" of an insurer is delinquent in the transmitting to, or payment of, net premiums to the insurer;

(10) the age and collectability of receivables;

(11) whether the management of an insurer, including officers, directors, or any other person who directly or indirectly controls the operation of the insurer, fails to possess and demonstrate the competence, fitness, and reputation necessary to serve the insurer in the position;

(12) whether management of an insurer has failed to respond to inquiries relative to the condition of the insurer or has furnished false and misleading information concerning an inquiry;

(13) whether management of an insurer either has filed a false or misleading sworn financial statement, or has released a false or misleading financial statement to lending institutions or to the general public, or has made a false or misleading entry, or has omitted an entry of material amount in the books of the insurer;

(14) whether the insurer has grown so rapidly and to such an extent that it lacks adequate financial and administrative capacity to meet its obligations in a timely manner; or

(15) whether the company has experienced or will experience in the foreseeable future cash flow or liquidity problems.

Subd. 2. [COMMISSIONER'S AUTHORITY.] *For the purposes of making a determination of an insurer's financial condition under subdivision 1, the commissioner may:*

(1) disregard any credit or amount receivable resulting from transactions with a reinsurer which is insolvent, impaired, or otherwise subject to a delinquency proceeding;

(2) make appropriate adjustments to asset values attributable to investments in or transactions with the corporation's parents, subsidiaries, or affiliates;

(3) refuse to recognize the stated value of accounts receivable if the ability to collect receivables is highly speculative in view of the age of the account or the financial condition of the debtor; or

(4) increase the insurer's liability in an amount equal to any contingent liability, pledge, or guarantee not otherwise included if there is a substantial risk that the insurer will be called upon to meet the obligation undertaken within the next 12-month period.

Sec. 2. [60G.21] [COMMISSIONER'S ORDER.]

Subdivision 1. [AUTHORIZATION.] *If the commissioner determines that the continued operation of the insurer licensed to transact business in this state may be hazardous to the policyholders or the general public, then the commissioner may, upon the commissioner's determination, issue an order requiring the insurer to:*

(1) reduce the total amount of present and potential liability for policy benefits by reinsurance;

(2) reduce, suspend, or limit the volume of business being accepted or renewed;

(3) reduce general insurance and commission expenses by methods specified by the commissioner;

(4) increase the insurer's capital and surplus;

(5) suspend or limit the declaration and payment of dividend by an insurer to its stockholders or to its policyholders;

(6) file reports in a form acceptable to the commissioner concerning the market value of an insurer's assets;

(7) limit or withdraw from certain investments or discontinue certain investment practices to the extent the commissioner considers necessary;

(8) document the adequacy of premium rates in relation to the risks insured; or

(9) file, in addition to regular annual statements, interim financial reports on the form adopted by the National Association of Insurance Commissioners or in the format adopted by the commissioner.

Subd. 2. [REVIEW.] *An insurer subject to an order under subdivision 1 may request, within 30 days of issuance of the order, a hearing as provided under chapter 14 to review that order. All hearings conducted under this section are closed and private.*

Sec. 3. [60G.22] [JUDICIAL REVIEW.]

Any order or decision of the commissioner is subject to review as provided under chapter 14 at the request of a party whose interests are substantially affected by the order or decision.

ARTICLE 4

Subd. 5. [UNDERWRITE.] *"Underwrite" means the authority to accept or reject risk on behalf of the insurer.*

Sec. 3. [60H.03] [LICENSURE.]

Subdivision 1. [RISKS LOCATED IN STATE.] *A managing general agent representing an insurer licensed in this state with respect to risks located in this state must be licensed in this state.*

Subd. 2. [RISKS LOCATED OUTSIDE OF STATE.] *A managing general agent representing an insurer domiciled in this state with respect to risks located outside this state must be licensed in this state as a managing general agent. The license may be a nonresident license.*

Subd. 3. [REQUIREMENTS.] *The commissioner may require a bond in an amount acceptable for the protection of the insurer. The commissioner may require the managing general agent to maintain an errors and omissions policy.*

Sec. 4. [60H.04] [REQUIRED CONTRACT PROVISIONS.]

No person, firm, association, or corporation acting in the capacity of a managing general agent shall place business with an insurer unless there is in force a written contract between the parties. The contract must specify the responsibilities of each party and, where both parties share responsibility for a particular function, must specify the division of the responsibilities. The contract must include the following minimum provisions:

(a) The insurer may terminate the contract for cause upon written notice to the managing general agent. The insurer may suspend the underwriting authority of the managing general agent during the pendency of any dispute regarding the cause for termination.

(b) The managing general agent must give accounts to the insurer detailing all transactions and remit all funds due under the contract to the insurer on not less than a monthly basis.

(c) All funds collected for the account of an insurer must be held by the managing general agent in the name of the insurer in a fiduciary capacity in a bank which is a member of the Federal Reserve System. This account must be used for all payments on behalf of the insurer. The managing general agent may retain no more than three months' estimated claims payments and allocated loss adjustment expenses. A managing general agent shall deposit only trust funds in a trust account and shall not commingle personal funds or other funds in a trust account, except that a managing general agent may deposit and maintain a sum in a trust account from personal funds, which sum shall be specifically identified and used to pay service charges or satisfy the minimum balance requirements relating to the trust account.

(d) Separate records of business written by the managing general agent must be maintained. The insurer shall have access to and the right to copy all accounts and records related to its business in a form usable by the insurer, and the commissioner shall have access to all books, bank accounts, and records of the managing general agent in a form usable to the commissioner. The records shall be retained on a basis acceptable to the commissioner.

(e) The contract may not be assigned in whole or part by the managing general agent.

(f) Appropriate underwriting guidelines, including:

(1) the maximum annual premium volume;

(2) the basis of the rates to be charged;

(3) the types of risks which may be written;

(4) maximum limits of liability;

(5) applicable exclusions;

(6) territorial limitations;

(7) policy cancellation provisions; and

(8) the maximum policy period.

The insurer shall have the right to cancel or nonrenew any policy of insurance subject to the applicable laws and regulations concerning the cancellation and nonrenewal of insurance policies.

(g) If the contract permits the managing general agent to settle claims

on behalf of the insurer:

(1) All claims must be reported to the insurer in a timely manner.

(2) A copy of the claim file must be sent to the insurer at its request or as soon as it becomes known that the claim:

(i) has the potential to exceed an amount determined by the commissioner or exceeds the limit set by the insurer, whichever is less;

(ii) involves a coverage dispute;

(iii) may exceed the managing general agent's claim settlement authority;

(iv) is open for more than six months; or

(v) is closed by payment of an amount set by the commissioner or an amount set by the insurer, whichever is less.

(3) All claim files are the joint property of the insurer and managing general agent. However, upon an order of liquidation of the insurer the files become the sole property of the insurer or its estate. The managing general agent shall have reasonable access to and the right to copy the files on a timely basis.

(4) Any settlement authority granted to the managing general agent may be terminated for cause upon the insurer's written notice to the managing general agent or upon the termination of the contract. The insurer may suspend the settlement authority during the pendency of any dispute regarding the cause for termination.

(h) Where electronic claims files are in existence, the contract must address the timely transmission of the data.

(i) If the contract provides for a sharing of interim profits by the managing general agent, and the managing general agent has the authority to determine the amount of the interim profits by establishing loss reserves or controlling claim payments, or in any other manner, interim profits will not be paid to the managing general agent until one year after they are earned for property insurance business and five years after they are earned on casualty business and not until the profits have been verified as provided under section 5.

(j) The managing general agent shall not:

(1) bind reinsurance or retrocessions on behalf of the insurer, except that the managing general agent may bind facultative reinsurance contracts pursuant to obligatory facultative agreements if the contract with the insurer contains reinsurance underwriting guidelines including, for both reinsurance assumed and ceded, a list of reinsurers with which the automatic agreements are in effect, the coverage and amounts or percentages that may be reinsured, and commission schedules;

(2) commit the insurer to participate in insurance or reinsurance syndicates;

(3) appoint an agent without assuring that the agent is lawfully licensed to transact the type of insurance for which that person is appointed;

(4) without prior approval of the insurer, pay or commit the insurer to pay a claim over a specified amount, net of reinsurance, which shall not exceed one percent of the insurer's policyholder's surplus as of December 31 of the last completed calendar year;

(5) collect any payment from a reinsurer or commit the insurer to any claim settlement with a reinsurer, without prior approval of the insurer. If prior approval is given, a report must be promptly forwarded to the insurer;

(6) permit its subagent to serve on the insurer's board of directors;

(7) jointly employ an individual who is employed with the insurer; or

(8) appoint a submanaging general agent.

(k) The contract term may not be for an unreasonable period of time, but in no circumstance may the term exceed five years.

(l) The insurer may not authorize the managing general agent to establish the amount of the loss reserves.

Sec. 5. [60H.05] [DUTIES OF INSURERS.]

Subdivision 1. [INDEPENDENT FINANCIAL EXAMINATION.] *The insurer shall have on file an independent financial examination, in a form acceptable to the commissioner, of each managing general agent with which it has done business.*

Subd. 2. [ON-SITE REVIEW.] *The insurer shall periodically, at least semiannually, conduct an on-site review of the underwriting and claims processing operation of the managing general agent and maintain on its records the results of that review.*

Subd. 3. [OFFICER OF INSURER.] *Except as authorized under section 4, paragraph (j), clause (1), binding authority for all reinsurance contracts or participation in insurance or reinsurance syndicates shall rest with an officer of the insurer not affiliated with the managing general agent.*

Subd. 4. [WRITTEN NOTIFICATION.] *Within 30 days of entering into or termination of a contract with a managing general agent, the insurer shall provide written notification of the appointment or termination to the commissioner. Notices of appointment of a managing general agent must include a statement of duties which the managing general agent is expected to perform on behalf of the insurer, the lines of insurance for which the managing general agent is to be authorized to act, and any other information the commissioner may request.*

Subd. 5. [REVIEW OF BOOKS AND RECORDS.] *An insurer shall review its books and records each quarter to determine if a licensed agent has become a managing general agent as defined in section 2, subdivision 4. If the insurer determines that an agent has become a managing general agent, the insurer shall promptly notify the agent and the commissioner of the determination and the insurer and agent must fully comply with this chapter within 30 days.*

Subd. 6. [PROHIBITED APPOINTMENTS.] *An insurer shall not appoint to its board of directors an officer, director, employee, subagent, or controlling shareholder of its managing general agents. This section does not apply to relationships governed by the Insurance Holding Company Act, chapter 60D, or, if applicable, the Producer Controlled Insurer Act.*

Sec. 6. [60H.06] [EXAMINATION AUTHORITY.]

A managing general agent may be examined as if it were the insurer.

Sec. 7. [60H.07] [ACTS OF MANAGING GENERAL AGENT.]

The acts of the managing general agent are considered to be the acts of

the insurer on whose behalf it is acting.

Sec. 8. [60H.08] [PENALTIES AND LIABILITIES.]

Subdivision 1. [COMMISSIONER'S AUTHORITY.] *If the commissioner finds pursuant to the procedural requirements of section 45.027 that a person has violated a provision of this chapter, the commissioner may take any action authorized under that section.*

Subd. 2. [ADDITIONAL PENALTY.] *In addition to authority granted by section 45.027 for each separate violation, the commissioner may impose a penalty of up to $10,000 for each day the violation continues and order the managing general agent to reimburse the insurer, rehabilitator, or liquidator of the insurer for any losses incurred by the insurer caused by a violation of this chapter committed by the managing general agent.*

Subd. 3. [JUDICIAL REVIEW.] *The decision, determination, or order of the commissioner under subdivision 1 is subject to judicial review as provided under chapter 14.*

Subd. 4. [IMPOSITION OF OTHER PENALTIES.] *Nothing contained in this section shall affect the right of the commissioner to impose any other penalties provided for by law.*

Subd. 5. [POLICYHOLDER RIGHTS.] *Nothing contained in this chapter is intended to or shall in any manner limit or restrict the rights of policyholders, claimants, and auditors.*

Sec. 9. [60H.09] [RULES.]

The commissioner of commerce may adopt rules for the implementation and administration of this chapter.

Sec. 10. [REPEALER.]

Minnesota Statutes 1990, section 60A.076, is repealed.

Sec. 11. [EFFECTIVE DATE.]

This article is effective August 1, 1991. No insurer may continue to utilize the services of a managing general agent on and after that date unless the utilization is in compliance with this chapter.

ARTICLE 5

LIFE AND HEALTH GUARANTY ASSOCIATION

Section 1. Minnesota Statutes 1990, section 60B.25, is amended to read:

60B.25 [POWERS OF LIQUIDATOR.]

The liquidator shall report to the court monthly, or at other intervals specified by the court, on the progress of the liquidation in whatever detail the court orders. The liquidator shall coordinate *activities with those of each guaranty association* having an interest in the liquidation and shall submit a report detailing how coordination will be achieved to the court for its approval within 30 days following appointment, or within the time which the court, in its discretion, may establish. Subject to the court's control, the liquidator may:

(1) Appoint a special deputy to act under sections 60B.01 to 60B.61 and determine the deputy's compensation. The special deputy shall have all powers of the liquidator granted by this section. The special deputy shall serve at the pleasure of the liquidator.

(2) Appoint or engage employees and agents, actuaries, accountants, appraisers, consultants, and other personnel deemed necessary to assist in the liquidation without regard to chapter 14.

(3) Fix the compensation of persons under clause (2), subject to the control of the court.

(4) Defray all expenses of taking possession of, conserving, conducting, liquidating, disposing of, or otherwise dealing with the business and property of the insurer. If the property of the insurer does not contain sufficient cash or liquid assets to defray the costs incurred, the liquidator may advance the costs so incurred out of the appropriation made to the department of commerce. Any amounts so paid shall be deemed expense of administration and shall be repaid for the credit of the department of commerce out of the first available money of the insurer.

(5) Hold hearings, subpoena witnesses and compel their attendance, administer oaths, examine any person under oath and compel any person to subscribe to testimony after it has been correctly reduced to writing, and in connection therewith require the production of any books, papers, records, or other documents which the liquidator deems relevant to the inquiry.

(6) Collect all debts and money due and claims belonging to the insurer, wherever located, and for this purpose institute timely action in other jurisdictions, in order to forestall garnishment and attachment proceedings against such debts; do such other acts as are necessary or expedient to collect, conserve, or protect its assets or property, including sell, compound, compromise, or assign for purposes of collection, upon such terms and conditions as the liquidator deems best, any bad or doubtful debts; and pursue any creditor's remedies available to enforce claims.

(7) Conduct public and private sales of the property of the insurer in a manner prescribed by the court.

(8) Use assets of the estate to transfer coverage obligations to a solvent assuming insurer, if the transfer can be arranged without prejudice to applicable priorities under section 60B.44.

(9) Acquire, hypothecate, encumber, lease, improve, sell, transfer, abandon, or otherwise dispose of or deal with any property of the insurer at its market value or upon such terms and conditions as are fair and reasonable, except that no transaction involving property the market value of which exceeds $10,000 shall be concluded without express permission of the court. The liquidator may also execute, acknowledge, and deliver any deeds, assignments, releases, and other instruments necessary or proper to effectuate any sale of property or other transaction in connection with the liquidation. In cases where real property sold by the liquidator is located other than in the county where the liquidation is pending, the liquidator shall cause to be filed with the county recorder for the county in which the property is located a certified copy of the order of appointment.

(10) Borrow money on the security of the insurer's assets or without security and execute and deliver all documents necessary to that transaction for the purpose of facilitating the liquidation.

(11) Enter into such contracts as are necessary to carry out the order to liquidate, and affirm or disallow any contracts to which the insurer is a party.

(12) Continue to prosecute and institute in the name of the insurer or in

the liquidator's own name any suits and other legal proceedings, in this state or elsewhere, and abandon the prosecution of claims the liquidator deems unprofitable to pursue further. If the insurer is dissolved under section 60B.23, the liquidator may apply to any court in this state or elsewhere for leave to be substituted for the insurer as plaintiff.

(13) Prosecute any action which may exist in behalf of the creditors, members, policyholders, or shareholders of the insurer against any officer of the insurer, or any other person.

(14) Remove any records and property of the insurer to the offices of the commissioner or to such other place as is convenient for the purposes of efficient and orderly execution of the liquidation.

(15) Deposit in one or more banks in this state such sums as are required for meeting current administration expenses and dividend distributions.

(16) Deposit with the state board of investment for investment pursuant to section 11A.24, all sums not currently needed, unless the court orders otherwise.

(17) File any necessary documents for record in the office of any county recorder or record office in this state or elsewhere where property of the insurer is located.

(18) Assert all defenses available to the insurer as against third persons, including statutes of limitations, statutes of frauds, and the defense of usury. A waiver of any defense by the insurer after a petition for liquidation has been filed shall not bind the liquidator.

(19) Exercise and enforce all the rights, remedies, and powers of any creditor, shareholder, policyholder, or member, including any power to avoid any transfer or lien that may be given by law and that is not included within sections 60B.30 and 60B.32.

(20) Intervene in any proceeding wherever instituted that might lead to the appointment of a receiver or trustee, and act as the receiver or trustee whenever the appointment is offered.

(21) Enter into agreements with any receiver or commissioner of any other state relating to the rehabilitation, liquidation, conservation, or dissolution of an insurer doing business in both states.

(22) Exercise all powers now held or hereafter conferred upon receivers by the laws of this state not inconsistent with sections 60B.01 to 60B.61.

(23) The enumeration in this section of the powers and authority of the liquidator is not a limitation, nor does it exclude the right to do such other acts not herein specifically enumerated or otherwise provided for as are necessary or expedient for the accomplishment of or in aid of the purpose of liquidation.

(24) The power of the liquidator of a health maintenance organization includes the power to transfer coverage obligations to a solvent and voluntary health maintenance organization, insurer, or nonprofit health service plan, and to assign provider contracts of the insolvent health maintenance organization to an assuming health maintenance organization, insurer, or nonprofit health service plan permitted to enter into such agreements. The liquidator is not required to meet the notice requirements of section 62D.121. Transferees of coverage obligations or provider contracts shall have no liability to creditors or obligees of the health maintenance organization

except those liabilities expressly assumed.

Sec. 2. Minnesota Statutes 1990, section 61B.06, is amended by adding a subdivision to read:

Subd. 8a. [ADJUSTMENT OF LIABILITY LIMITS.] *To the extent there are any limits for particular policies covered under this act, the dollar amounts stated in subdivision 8 shall be adjusted for inflation based upon the implicit price deflator for the gross national product compiled by the United States Department of Commerce and hereafter referred to as the index. The dollar amounts stated in subdivision 8 are based upon the value of the index for January 1990, which is the reference base index for purposes of this subdivision. The dollar amounts in subdivision 8 shall change on October 1 of each year after 1992, based upon the percentage difference between the index for January of the preceding year and the reference base index, calculated to the nearest whole percentage point. The commissioner shall announce and publish, on or before April 30 of each year, the changes in the dollar amounts required by this clause to take effect on October 1 of that year.*

Sec. 3. Minnesota Statutes 1990, section 61B.06, subdivision 9, is amended to read:

Subd. 9. [POWERS OF ASSOCIATION.] *(a)* The association may:

~~(a)~~ *(1)* enter into contracts necessary or proper to carry out the provisions of sections 61B.01 to 61B.16 and their purpose;

~~(b)~~ *(2)* sue or be sued, including the taking of legal actions necessary or proper for recovery of unpaid assessments under section 61B.07;

~~(c)~~ *(3)* borrow money to effect the purposes of sections 61B.01 to 61B.16. Any notes or other evidence of indebtedness of the association not in default shall be legal investments for domestic insurers and may be carried as admitted assets;

~~(d)~~ *(4)* employ or retain persons necessary to handle the financial transactions of the association, and perform other necessary or proper functions;

~~(e)~~ *(5)* negotiate and contract with any liquidator, rehabilitator, conservator, or ancillary receiver to carry out the powers and duties of the association;

~~(f)~~ *(6)* take legal action as may be necessary to avoid payment of improper claims; *and*

~~(g)~~ *(7)* exercise, for the purposes of sections 61B.01 to 61B.16 and to the extent approved by the commissioner, the powers of a domestic life or health insurer, but in no case may the association issue insurance policies or annuity contracts other than those issued to perform the contractual obligations of an impaired insurer.

(b) The association must borrow any money necessary to effect the purposes of sections 61B.01 to 61B.16. Any notes or other evidence of indebtedness of the association not in default are legal investments for domestic insurers and may be carried as admitted assets.

Sec. 4. Minnesota Statutes 1990, section 61B.12, is amended by adding a subdivision to read:

Subd. 6. [NOTICE CONCERNING LIMITATIONS AND EXCLUSIONS.] *On and after January 1, 1992, no person, including an insurer,*

agent, or affiliate of an insurer or agent, shall offer for sale in this state a covered life insurance, annuity, or health insurance policy or contract without delivering at the time of application for that policy or contract a separate notice in the form the commissioner from time to time may approve for use in this state relating to coverage provided by the Minnesota Life and Health Insurance Guaranty Association. The notice must be signed by the applicant and kept on file by the person offering the policy or contract for sale. A copy of the signed notice must be given to the applicant.

Sec. 5. Minnesota Statutes 1990, section 61B.12, is amended by adding a subdivision to read:

Subd. 7. [EFFECT OF NOTICE.] *The distribution, delivery, or contents or interpretation of the notice described in subdivision 6 shall not mean that either the policy or contract, or the owner or holder thereof, would be covered in the event of the impairment of a member insurer if coverage is not otherwise provided by this chapter. Failure to receive the notice does not give the policyholder, contract holder, certificate holder, insured, owner, beneficiaries, assignees, or payees any greater rights than those provided by this chapter.*

Sec. 6. [EFFECTIVE DATE.]

Sections 2 and 3 are effective August 1, 1992.

STANDARD VALUATION LAW

Section 1. Minnesota Statutes 1990, section 61A.25, is amended by adding a subdivision to read:

Subd. 2a. [ACTUARIAL OPINION OF RESERVES; GENERAL.] *(a) Every life insurance company doing business in this state shall annually submit the opinion of a qualified actuary as to whether the reserves and related actuarial items held in support of the policies and contracts specified by the commissioner by rule are computed appropriately, are based on assumptions which satisfy contractual provisions, are consistent with prior reported amounts, and comply with applicable laws of this state. The commissioner may by rule define the specifics of this opinion and add any other items considered to be necessary to its scope. The opinion must be included in the company's annual statement.*

(b) The requirement to annually submit the opinion of a qualified actuary applies to service plan corporations licensed under chapter 62C, to legal service plans licensed under chapter 62G, and to all fraternal benefit societies except those societies paying only sick benefits not exceeding $250 in any one year, or paying funeral benefits of not more than $350, or aiding those dependent on a member not more than $350, nor any subordinate lodge or council which is, or whose members are, assessed for benefits which are payable by a grand body.

(c) The opinion applies to all business in force, including individual and group health insurance plans, and must be based on standards adopted by the Actuarial Standards Board. The opinion must be acceptable to the commissioner in both form and substance.

(d) In the case of an opinion required to be submitted by a foreign or alien company, the commissioner may accept the opinion filed by that company with the insurance supervisory official of another state if the commissioner determines that the opinion reasonably meets the requirements applicable to a company domiciled in this state.

(e) For the purposes of this section, "qualified actuary" means a member in good standing of the American Academy of Actuaries who meets the requirements specified in the regulations.

(f) The board of directors of every insurer subject to this section shall appoint a qualified actuary to sign its actuarial opinion. The appointment of the qualified actuary shall be approved by the commissioner. The qualified actuary so appointed may be an employee of the insurer. Notice of the appointment, including a copy of the board of directors' resolution, and the date of appointment shall be filed with the commissioner. The notice may be filed before or at the time the actuarial opinion is submitted. The notice shall state the qualifications of the actuary. If the board appoints a new actuary to sign actuarial opinions during the year, the commissioner shall be notified of the new appointment and the reason for change.

(g) Except in cases of fraud or willful misconduct, the qualified actuary is not liable for damages to any person, other than the insurance company and the commissioner, for any act, error, omission, decision, or conduct with respect to the actuary's opinion.

(h) A memorandum, in form and substance acceptable to the commissioner based on standards adopted by the Actuarial Standards Board and on additional standards as the commissioner may by rule prescribe, must be prepared to support each actuarial opinion.

(i) If the insurance company fails to provide a supporting memorandum at the request of the commissioner within a period specified by the commissioner, or the commissioner determines that the supporting memorandum provided by the insurance company fails to meet the standards based on standards adopted by the Actuarial Standards Board and on additional standards as the commissioner may by rule prescribe or is otherwise unacceptable to the commissioner, the commissioner may engage a qualified actuary at the expense of the company to review the opinion and the basis for the opinion and prepare the required supporting memorandum.

(j) Any memorandum in support of the opinion, and any other material provided by the company to the commissioner in connection with the memorandum, must be kept confidential by the commissioner and must not be made public and is not subject to subpoena, other than for the purpose of

defending an action seeking damages from any person by reason of any action required by this section or by rules promulgated under this section. The memorandum or other material may otherwise be released by the commissioner (1) with the written consent of the company or (2) to the American Academy of Actuaries upon request stating that the memorandum or other material is required for the purpose of professional disciplinary proceedings and setting forth procedures satisfactory to the commissioner for preserving the confidentiality of the memorandum or other material. Once any portion of the confidential memorandum is cited by the company in its marketing or is cited before any governmental agency other than a state insurance department or is released by the company to the news media, all portions of the confidential memorandum are no longer confidential.

Sec. 2. Minnesota Statutes 1990, section 61A.25, is amended by adding a subdivision to read:

Subd. 2b. [ACTUARIAL ANALYSIS.] *(a) Every life insurance company, except as exempted by or pursuant to regulation, shall also annually include in the opinion required under subdivision 2a, paragraph (a), an opinion of the same qualified actuary as to whether the reserves and related actuarial items, including page 3, line 10, of the annual statement, held in support of the policies and contracts specified by the commissioner, when considered in light of the assets held by the company with respect to the reserves and related actuarial items, including but not limited to the investment earnings on the assets and the considerations anticipated to be received and retained under the policies and contracts, make adequate provision for the company's obligations under the policies and contracts, including but not limited to the benefits under and expenses associated with the policies and contracts.*

(b) The commissioner may provide by rule for a transition period for establishing any higher reserves which the qualified actuary may consider necessary in order to give the opinion required under section 1.

Sec. 3. Minnesota Statutes 1990, section 61A.25, subdivision 5, is amended to read:

Subd. 5. [MINIMUM AGGREGATE RESERVES.] A company's aggregate reserves for all life insurance policies, excluding disability and accidental death benefits, issued on or after the operative date of Laws 1947, chapter 182, shall not be less than the aggregate reserves calculated in accordance with the methods set forth in subdivisions 4, 4a, 7, and 8, and the mortality table or tables and rate or rates of interest used in calculating nonforfeiture benefits for the policies.

In no event shall the aggregate reserves for all policies, contracts, and benefits be less than the aggregate reserves determined by the qualified actuary to be necessary to render the opinion required under section 1.

Sec. 4. Minnesota Statutes 1990, section 61A.25, subdivision 6, is amended to read:

Subd. 6. [CALCULATION OF RESERVES.] (1) Reserves for all policies and contracts issued prior to the operative date of Laws 1947, chapter 182, may be calculated, at the option of the company, according to any standards which produce greater aggregate reserves for all such policies and contracts than the minimum reserves required by the laws in effect immediately prior to such date.

(2) Reserves for any category of policies, contracts or benefits as established by the commissioner, issued on or after the operative date of Laws 1947, chapter 182, may be calculated, at the option of the company, according to any standards which produce greater aggregate reserves for such category than those calculated according to the minimum standard herein provided, but the rate or rates of interest used for policies and contracts, other than annuity and pure endowment contracts, shall not be higher than the corresponding rate or rates of interest used in calculating any nonforfeiture benefits provided for therein.

(3) Any such company which at any time shall have adopted any standard of valuation producing greater aggregate reserves than those calculated according to the minimum standard herein provided may, with the approval of the commissioner, adopt any lower standard of valuation, but not lower than the minimum herein provided. *For purposes of this section, the holding of additional reserves previously determined by a qualified actuary to be necessary to give the opinion required under section 1 shall not be considered the adoption of a higher standard of valuation.*

Sec. 5. Minnesota Statutes 1990, section 61A.25, is amended by adding a subdivision to read:

Subd. 9. [MINIMUM STANDARDS FOR HEALTH, DISABILITY, ACCIDENT, AND SICKNESS PLANS.] *The commissioner may adopt a rule containing the minimum standards applicable to the valuation of health, disability, accident, and sickness plans.*

Sec. 6. [REPORT.]

The commissioner of commerce shall review the standards for the appointment of qualified actuaries under sections 1 and 2 and submit a report to the legislature relating to the effectiveness of the standards by January 1, 1994.

Sec. 7. [COMPLEMENT.]

The complement of the department of commerce is increased by one position in the classified service for the purpose of reviewing actuarial opinions and analysis submitted under sections 1 and 2.

Sec. 8. [EFFECTIVE DATE.]

Sections 1 to 5 are effective for reports submitted for 1992 as required under section 60A.13.

In calculating the ratio of the amount of the loan to the value of the property, no part of the amount of any loan is to be included which the Dominion of Canada or any agency or instrumentality thereof has insured or guaranteed or made a commitment to insure or guarantee; provided in no event may the loan exceed the market value of the property. Also loans secured by mortgage, on real estate in the United States which may be unimproved provided there exists a definite plan for commencement of development for commercial purposes within not more than five years where the amount of the loan does not exceed 80 percent of the market value of the unimproved real estate at the time of the loan and the loan is to be fully amortized by installment payments of principal, which may begin up to five years from the date of the loan, and interest at least annually over a period of not to exceed 40 years. Also loans secured by second mortgage on improved or unimproved real estate used, or to be used, for commercial purposes; provided, that if unimproved real estate there exists a definite plan for commencement of development within not more than five years, in the United States or the Dominion of Canada under the following conditions: (a) the amount of the loan secured by the second mortgage is equal to the sum of the amount disbursed by the company and the then outstanding indebtedness under the first mortgage loan; and (b) the company has control over the payments under the first mortgage indebtedness; and (c) the total amount of the loan does not exceed 66-2/3 percent of the market value of the real estate at the date of the loan or, when the note or bond is to be fully amortized by installment payments of principal, beginning not more than five years from the date of the loan, and interest at least annually over a period of not to exceed 40 years, the amount of the loan does not exceed 80 percent of the market value of the real estate at the date of the loan.

A company may not invest in a mortgage loan authorized under this subdivision, if the investment causes the company's aggregate investments in mortgages secured by a single property to exceed one percent of its admitted assets.

For purposes of this subdivision, improved real estate includes real estate improved with permanent buildings, used for agriculture or pasture, or income producing real estate, including but not limited to, parking lots and leases, royalty or other mineral interests in properties producing oil, gas,

or other minerals and interests in properties for the harvesting of forest products.

A loan or obligation otherwise permitted under this subdivision must be permitted notwithstanding the fact that it provides for a payment of the principal balance prior to the end of the period of amortization of the loan.

The vendor's equity in a contract for deed qualifies as a loan secured by mortgage for the purposes of this subdivision.

~~A mortgage participation certificate evidencing an interest in a loan secured by mortgage or pools of the same qualifies under this subdivision, if the loan secured by mortgage, and in the case of pools of the same that each loan, would otherwise qualify under this subdivision.~~

~~(d)~~ *(c)* Warrants, options, and rights to purchase stock if the stock, at the time of the acquisition of the warrant, option, or right to purchase, would qualify as an investment under paragraph (a)~~,~~ *or* (b)~~, or (c)~~, whichever is applicable. In addition, the company may transfer assets into one or more of its separate accounts for the purpose of establishing, or supporting its contractual obligations under, the accounts in accordance with the provisions of sections 61A.13 to 61A.21. *A company may not invest in a security authorized under this paragraph if the investment causes the company's aggregate investments in the securities to exceed five percent of its total admitted assets, except that for a health service plan corporation operating under chapter 62C, and for a health maintenance organization operating under chapter 62D, the company's aggregate investments may not exceed 20 percent of its total admitted assets. No more than five percent of the allowed investment by health service plan corporations or health maintenance organizations may be invested in funds that invest in assets not backed by the federal government. (f) Noninvestment grade obligations: A company may acquire noninvestment grade obligations as defined in subclause (i) (hereinafter noninvestment grade obligations) which meet the earnings test set forth in subclause (ii). A company may not acquire a noninvestment grade obligation if the acquisition will cause the company to exceed the limitations set forth in subclause (iii).

(i) A noninvestment grade obligation is an obligation of a business entity, organized under the laws of the United States or any state thereof, or the Dominion of Canada or any province thereof, that is not rated in one of the four highest rating categories by at least one nationally recognized statistical rating organization, or is not rated in one of the two highest categories established by the securities valuation office of the National Association of Insurance Commissioners.

(ii) Noninvestment grade obligations authorized by this subdivision may be acquired by a company if the business entity issuing or assuming the obligation, or the business entity securing or guaranteeing the obligation, has had net earnings after the elimination of extraordinary nonrecurring items of income and expense and before income taxes and fixed charges over the five immediately preceding completed fiscal years, or its period of existence of less than five years, has averaged not less than 1-1/4 times its average annual fixed charges applicable to the period; provided, however, that if a business entity issuing or assuming the obligation, or the business entity securing or guaranteeing the obligation, has undergone an acquisition, recapitalization, or reorganization within the immediately preceding 12 months, or will use the proceeds of the obligation for an acquisition, recapitalization, or reorganization, then such business entity shall also have, on a pro forma basis, for the next succeeding 12 months, net earnings averaging 1-1/4 times its average annual fixed charges applicable to such period after elimination of extraordinary nonrecurring items of income and expense and before taxes and fixed charges; no investment may be made under this section upon which any interest obligation is in default.

(iii) Limitation on aggregate interest in noninvestment grade obligations. A company may not invest in a noninvestment grade obligation if the investment will cause the company's aggregate investments in noninvestment grade obligations to exceed the applicable percentage of admitted assets set forth in the following table:

Effective Date	*Percentage of Admitted Assets*
January 1, 1992	*20*
January 1, 1993	*17.5*

(h) A company may sell exchange-traded call options against stocks or other securities owned by the company and may purchase exchange-traded call options in a closing transaction against a call option previously written by the company. In addition to the authority granted by paragraph ~~(d)~~ *(c)*, to the extent and on the terms and conditions the commissioner determines to be consistent with the purposes of this chapter, a company may purchase or sell other exchange-traded call options, and may sell or purchase exchange-traded put options.

(i) A company may not invest in a security or other obligation authorized under this subdivision if the investment, valued at cost at the date of purchase, causes the company's aggregate investment in any one business entity to exceed two percent of the company's admitted assets.

(j) For nonprofit health service plan corporations regulated under chapter 62C, and for health maintenance organizations regulated under chapter 62D, a company may invest in commercial paper rated in one of the two highest rating categories by at least one nationally recognized statistical rating organization, or rated in one of the two highest categories established by the securities valuation office of the National Association of Insurance Commissioners, if the investment, valued at cost at the date of purchase, does not cause the company's aggregate investment in any one business entity to exceed six percent of the company's admitted assets.

Sec. 5. Minnesota Statutes 1990, section 61A.28, subdivision 8, is

amended to read:

Subd. 8. [~~PROMISSORY NOTES SECURED BY WAREHOUSE RECEIPTS~~ *ASSET BACKED ARRANGEMENTS.*] ~~Promissory notes maturing within six months, secured by the pledge of registered terminal warehouse receipts issued against grain deposited in terminal warehouses, as defined in section 233.01. At the time of investing in these notes, the market value of the grain shall exceed the indebtedness secured thereby, and the note or pledge agreement shall provide that the holder may call for additional like security or sell the grain without notice upon depreciation of the security; the insurance company may accept, in lieu of the deposit with it of the warehouse receipts, a trustee certificate issued by any national or state bank at a terminal point, certifying that the warehouse receipts have been deposited with it and are held as security for the notes; and the amount invested in the securities mentioned in this subdivision shall not, at any time, exceed 25 percent of the unassigned surplus and capital of the company.~~ *Investments in asset backed arrangements that meet the definitions and credit criteria provided in this subdivision. For purposes of this subdivision, "asset backed arrangement" means a loan participation or loan to or equity investment in a business entity that has as its primary business activity the acquisition and holding of financial assets for the benefit of its debt and equity holders.*

In order to qualify for investment under this subdivision:

Examples of asset-backed arrangements authorized by this subdivision include, but are not limited to: general and limited partnership interests; participations under unit investment trusts such as collateralized mortgage obligations and collateralized bond obligations; shares in, or obligations of, corporations formed for holding investment assets, and contractual participation interests in a loan or group of loans.

A company may not invest in an asset backed arrangement if the investment causes the company's aggregate investment in the financial assets held under the asset backed arrangement to exceed any of the concentration limits contained in this section.

Sec. 6. Minnesota Statutes 1990, section 61A.28, is amended by adding a subdivision to read:

Subd. 9a. In addition to the investments authorized by this subdivision, a domestic life insurance company may make qualified investments in any additional securities or property of the type authorized by subdivision 6, paragraph *(e)*, (f), *or (g)*, with the written order of the commissioner. The investments of these corporations are subject to the same restrictions and requirements as apply to domestic life insurance companies, including the applicable percentage limitations for investments in individual properties and entities and limitations on the aggregate amount to be invested in any investment category. For the purposes of calculating the amount of an investment held by the life insurance company, investments in the same property, entity, or investment category that are owned by the company and all corporations qualifying under this subdivision must be aggregated.*

Any domestic life insurance company, after having secured approval of the commissioner of commerce therefor, may also acquire and hold real estate for the sole purpose of providing necessary homes and living quarters for its employees. Such real estate shall never exceed three percent of the company's cash assets as shown by its annual statement last filed with the commissioner of commerce. All real property which shall not be necessary for its accommodation in the convenient transaction of its business, or the housing of its employees, shall be sold and disposed of within five years after the same shall have ceased to be necessary for the accommodation of its business, or the housing of its employees, and it shall not hold this property for a longer period unless, (a) it shall procure a certificate from the commissioner of commerce that its interest will suffer materially by the forced sale thereof, in which event the time for sale may be extended to such time as the commissioner shall direct in the certificate, or (b) such real property qualifies as an investment under the terms of subdivision 3 in which event the company may, at its option consider such real property as held under the provisions of said subdivision, subject to the conditions, standards, or other limitations of said subdivision as though it had been originally acquired thereunder.~~ *A company may acquire and hold real estate for the convenience and accommodation of its business. Without the prior approval of the department of commerce, a company may not invest in real estate authorized under this subdivision if the investment causes the company's aggregate investments under this subdivision to exceed five percent of its total admitted assets, except that a health service plan corporation operating under chapter 62C may not invest in real estate authorized under this subdivision if the investment causes the company's aggregate investments under this subdivision to exceed 25 percent of its total admitted assets.*

Sec. 3. Minnesota Statutes 1990, section 60A.031, is amended to read:

60A.031 [EXAMINATIONS.]

Subdivision 1. [POWER TO EXAMINE.] (1) [INSURERS AND OTHER LICENSEES.] At any time and for any reason related to the enforcement of the insurance laws, *or to ensure that companies are being operated in a safe and sound manner and to protect the public interest*, the commissioner may examine the affairs and conditions of any foreign or domestic insurance *or reinsurance* company, including reciprocals and fraternals, licensee or applicant for a license under the insurance laws, or any other person or organization of persons doing or in the process of organizing to do any insurance business in this state, and of any licensed advisory organization serving any of the foregoing in this state.

The commissioner shall examine the affairs and conditions of every domestic insurance company at least once every five years.

(2) [WHO MAY BE EXAMINED.] The commissioner in making any examination of an insurance company as authorized by this section may, if in the commissioner's discretion, there is cause to believe the commissioner is unable to obtain relevant information from such insurance company *or that the examination or investigation is, in the discretion of the commissioner, necessary or material to the examination of the company*, examine any person, association, or corporation:

(a) transacting, having transacted, or being organized to transact the business of insurance in this state;

(b) engaged in or proposing to be engaged in the organization, promotion, or solicitation of shares or capital contributions to or aiding in the formation of a domestic insurance company;

(c) holding shares of capital stock of an insurance company for the purpose of controlling the management thereof as voting trustee or otherwise;

(d) having a contract, written or oral, pertaining to the management or control of an insurance company as general agent, managing agent, attorney-in-fact, or otherwise;

(e) which has substantial control directly or indirectly over an insurance company whether by ownership of its stock or otherwise, or owning stock in any domestic insurance company, which stock constitutes a substantial

proportion of either the stock of the domestic insurance company or of the assets of the owner thereof;

(f) which is a subsidiary or affiliate of an insurance company;

(g) which is a licensed agent or solicitor or has made application for the licenses;

(h) engaged in the business of adjusting losses or financing premiums.

Nothing contained in this clause (2) shall authorize the commissioner to examine any person, association, or corporation which is subject to regular examination by another division of the commerce department of this state. The commissioner shall notify the other division when an examination is deemed advisable.

Subd. 2a. [PURPOSE, SCOPE, AND NOTICE OF EXAMINATION.] An examination may, but need not, cover comprehensively all aspects of the examinee's affairs, practices, and conditions. The commissioner shall determine the nature and scope of each examination and in doing so shall take into account all available relevant factors concerning the financial and business affairs, practices and conditions of the examinee. For examinations undertaken pursuant to this section, the commissioner shall issue an order stating the scope of the examination and designating the person responsible for conducting the examination. A copy of the order shall be provided to the examinee.

In conducting the examination, the examiner shall observe the guidelines and procedures in the examiner's handbook adopted by the National Association of Insurance Commissioners. The commissioner may also employ other guidelines or procedures that the commissioner may consider appropriate.

Subd. 3. [ACCESS TO EXAMINEE.] *(a)* The commissioner, or the designated person, shall have *timely, convenient, and* free access ~~during normal business~~ *at all reasonable* hours to all books, records, securities, *accounts,* documents, and any or all *computer or other records and* papers relating to the property, assets, business, and affairs of any company, applicant, association, or person which may be examined pursuant to this act for the purpose of ascertaining, appraising, and evaluating the assets, conditions, affairs, operations, ability to fulfill obligations, and compliance with all the provisions of law of the company or person insofar as any of the above pertain to the business of insurance of a person, organization, or corporation transacting, having transacted, or being organized to transact business in this state. Every company or person being examined, its officers, directors, and agents, shall provide to the commissioner or the designated person *timely,* convenient, and free access at all reasonable hours at its office to all its books, records, *accounts, papers,* securities, documents, any or all ~~papers~~ *computer or other records* relating to the property, assets, business, and affairs of the company or person. The officers, directors, and agents of the company or person shall facilitate the examination and aid in the examination so far as it is in their power to do so.

The refusal of a company, by its officers, directors, employees, or agents, to submit to examination or to comply with a reasonable request of the examiners is grounds for suspension or refusal of, or nonrenewal of, a license or authority held by the company to engage in an insurance or other business subject to the commissioner's jurisdiction. The proceedings for suspension, revocation, or refusal of a license or authority must be conducted as provided

in section 45.027.

(b) The commissioner or any examiners may issue subpoenas, administer oaths, and examine under oath any person as to any matter pertinent to the examination. If a person fails or refuses to obey a subpoena, the commissioner may petition a court of competent jurisdiction, and upon proper showing, the court may enter an order compelling the witness to appear and testify or produce documentary evidence. Failure to obey the court order is punishable as contempt of court.

(c) When making an examination or audit under this section, the commissioner may retain attorneys, appraisers, independent actuaries, independent certified public accountants, or other professionals and specialists as examiners, the cost of which must be paid by the company that is the subject of the examination or audit.

(d) This section does not limit the commissioner's authority to terminate or suspend any examination in order to pursue other legal or regulatory action pursuant to the insurance laws of this state. Findings of fact and conclusions made pursuant to an examination are prima facie evidence in a legal or regulatory action.

(e) Nothing contained in this section shall be construed to limit the commissioner's authority to use as evidence a final or preliminary examination report, examiner or company workpapers or other documents, or other information discovered or developed during the course of an examination in the furtherance of a legal or administrative action which the commissioner may, in the commissioner's sole discretion, consider appropriate.

Subd. 4. [EXAMINATION REPORT; FOREIGN AND DOMESTIC COMPANIES.] *(a)* The commissioner shall make a full and true report of every examination conducted pursuant to this chapter, which shall include (1) a statement of findings of fact relating to the financial status and other matters ascertained from the books, papers, records, documents, and other evidence obtained by investigation and examination or ascertained from the testimony of officers, agents, or other persons examined under oath concerning the business, affairs, assets, obligations, ability to fulfill obligations, and compliance with all the provisions of the law of the company, applicant, organization, or person subject to this chapter and (2) a summary of important points noted in the report, conclusions, recommendations and suggestions as may reasonably be warranted from the facts so ascertained in the examinations. The report of examination shall be verified by the oath of the examiner in charge thereof, and shall be prima facie evidence in any action or proceedings in the name of the state against the company, applicant, organization, or person upon the facts stated therein.

(b) No later than 60 days following completion of the examination, the examiner in charge shall file with the department a verified written report of examination under oath. Upon receipt of the verified report, the department shall transmit the report to the company examined, together with a notice which provides the company examined with a reasonable opportunity of not more than 30 days to make a written submission or rebuttal with respect to matters contained in the examination report.

(c) Within 30 days of the end of the period allowed for the receipt of written submissions or rebuttals, the commissioner shall fully consider and review the report, together with the written submissions or rebuttals and

the relevant portions of the examiner's workpapers and enter an order:

(1) adopting the examination report as filed or with modification or corrections. If the examination report reveals that the company is operating in violation of any law, rule, or prior order of the commissioner, the commissioner may order the company to take any action the commissioner considers necessary and appropriate to cure the violation;

(2) rejecting the examination report with directions to the examiners to reopen the examination for purposes of obtaining additional data, documentation, or information, and refiling the report as required under paragraph (b); or

(3) calling for an investigatory hearing with no less than 20 days' notice to the company for purposes of obtaining additional documentation, data, information, and testimony.

(d)(1) All orders entered under paragraph (c), clause (1), must be accompanied by findings and conclusions resulting from the commissioner's consideration and review of the examination report, relevant examiner workpapers, and any written submissions or rebuttals. The order is a final administrative decision and may be appealed as provided under chapter 14. The order must be served upon the company by certified mail, together with a copy of the adopted examination report. Within 30 days of the issuance of the adopted report, the company shall file affidavits executed by each of its directors stating under oath that they have received a copy of the adopted report and related orders.

(2) A hearing conducted under paragraph (c), clause (3), by the commissioner or authorized representative, must be conducted as a nonadversarial confidential investigatory proceeding as necessary for the resolution of inconsistencies, discrepancies, or disputed issues apparent upon the face of the filed examination report or raised by or as a result of the commissioner's review of relevant workpapers or by the written submission or rebuttal of the company. Within 20 days of the conclusion of the hearing, the commissioner shall enter an order as required under paragraph (c), clause (1).

(3) The commissioner shall not appoint an examiner as an authorized representative to conduct the hearing. The hearing must proceed expeditiously. Discovery by the company is limited to the examiner's workpapers which tend to substantiate assertions in a written submission or rebuttal. The commissioner or the commissioner's representative may issue subpoenas for the attendance of witnesses or the production of documents considered relevant to the investigation whether under the control of the department, the company, or other persons. The documents produced must be included in the record. Testimony taken by the commissioner or the commissioner's representative must be under oath and preserved for the record.

This section does not require the department to disclose information or records which would indicate or show the existence or content of an investigation or activity of a criminal justice agency.

(4) The hearing must proceed with the commissioner or the commissioner's representative posing questions to the persons subpoenaed. Thereafter, the company and the department may present testimony relevant to the investigation. Cross-examination may be conducted only by the commissioner or the commissioner's representative. The company and the department shall be permitted to make closing statements and may be represented by counsel

of their choice.

(e)(1) Upon the adoption of the examination report under paragraph (c), clause (1), the commissioner shall continue to hold the content of the examination report as private and confidential information for a period of 30 days except as otherwise provided in paragraph (b). Thereafter, the commissioner may open the report for public inspection if a court of competent jurisdiction has not stayed its publication.

(2) Nothing contained in this subdivision prevents or shall be construed as prohibiting the commissioner from disclosing the content of an examination report, preliminary examination report or results, or any matter relating to the reports, to the commerce department or the insurance department of another state or country, or to law enforcement officials of this or another state or agency of the federal government at any time, if the agency or office receiving the report or matters relating to the report agrees in writing to hold it confidential and in a manner consistent with this subdivision.

(3) If the commissioner determines that regulatory action is appropriate as a result of an examination, the commissioner may initiate proceedings or actions as provided by law.

(f) All working papers, recorded information, documents and copies thereof produced by, obtained by, or disclosed to the commissioner or any other person in the course of an examination made under this subdivision must be given confidential treatment and are not subject to subpoena and may not be made public by the commissioner or any other person, except to the extent provided in paragraph (e). Access may also be granted to the National Association of Insurance Commissioners. The parties must agree in writing prior to receiving the information to provide to it the same confidential treatment as required by this section, unless the prior written consent of the company to which it pertains has been obtained.

Subd. 5. [ORDER; FOREIGN AND DOMESTIC COMPANIES.] Within a reasonable time of receipt of an examination report the commissioner may issue an order to the examinee directing compliance within a time specified in the order or by law with one or more of the following:

(a) to restore within the time and extent prescribed by law or the commissioner's order any deficiency, whenever its capital, reserves or surplus have become impaired,

(b) to cease and desist from transaction of any business or from any business practice which if transacted or continued might result in the examinee's condition or further transaction of business being hazardous to its policyholders, its creditors, or the public,

(c) to cease and desist from any other violation of its charter or any law of the state.

Subd. 6. [PENALTY.] Notwithstanding section 72A.05, any person who violates or aids and abets any violation of a written order issued pursuant to this section may be fined not more than $10,000 *for each day the violation continues* for each violation of the order in an action commenced in Ramsey county by the attorney general on behalf of the state of Minnesota and the money so recovered shall be paid into the general fund.

Subd. 7. [ALTERNATIVES TO EXAMINATIONS.] ~~(1) [AUDITS OR ACTUARIAL EVALUATIONS.]~~ In lieu of ~~all or part of an examination~~

~~under this chapter, or in addition to it, the commissioner may require an independent audit by certified public accountants approved by the commissioner or an actuarial evaluation by actuaries approved by the commissioner of any persons subject to the examination requirement of subdivision 1.~~

~~(2) [REPORTS.] In lieu of all or part of an examination under this section, the commissioner may accept the report of an audit made by certified public accountants approved by the commissioner or actuarial evaluation by actuaries approved by the commissioner or the report of an examination made by the insurance department of another state, of the examination made by another government agency in this state, the federal government or another state.~~ *an examination under this section of a foreign or an alien insurer licensed in this state, the commissioner may accept an examination report on the company as prepared by the insurance department for the company's state of domicile or port of entry state until January 1, 1994. After January 1, 1994, the reports may only be accepted if:*

(1) the insurance department is accredited under the National Association of Insurance Commissioners Financial Regulation Standards and Accreditation Program at the time of the examination; or

(2) the examination is performed under the supervision of an accredited insurance department or with the participation of one or more examiners who are employed by an accredited state insurance department and who, after a review of the examination workpapers and report, state under oath that the examination was performed in a manner consistent with the standards and procedures required by their insurance department.

Subd. 7a. [CONFLICT OF INTEREST.] *The department shall establish reasonable procedures so that no examiner, either directly or indirectly, has a conflict of interest or is affiliated with the management of or owns a pecuniary interest in a person subject to examination under this chapter. This section shall not be construed to automatically preclude an examiner from being:*

(1) a policyholder or claimant under an insurance policy;

(2) a grantor of a mortgage or similar instrument on the examiner's residence to a regulated entity if done under customary terms and in the ordinary course of business;

(3) an investment owner in shares of regulated diversified investment companies; or

(4) a settlor or beneficiary of a "blind trust" into which any otherwise impermissible holdings have been placed.

Notwithstanding the requirements of this section, the commissioner may retain from time to time, on an individual basis, qualified actuaries, certified public accountants, or other similar individuals who are independently practicing their professions, even though the persons may from time to time be similarly employed or retained by persons subject to examination under this chapter.

Subd. 8. [POWER TO MAKE RULES.] The commissioner may promulgate any rules which may be necessary to the administration of subdivisions 1 to ~~7~~ 9.

Subd. 9. [IMMUNITY FROM LIABILITY.] *(a) No cause of action shall*

arise nor shall liability be imposed against the commissioner, the commissioner's authorized representatives, or an examiner appointed by the commissioner for statements made or conduct performed in good faith while carrying out the provisions of this section.

(b) No cause of action shall arise, nor shall liability be imposed against a person for the act of communicating or delivering information or data to the commissioner or the commissioner's authorized representative or examiner pursuant to an examination made under this section, if the act of communication or delivery is performed in good faith and without fraudulent intent or the intent to deceive.

(c) This section does not abrogate or modify a common law or statutory privilege or immunity enjoyed by a person identified in paragraph (a).

(d) A person identified in paragraph (a) may be awarded attorney fees and costs if the person is the prevailing party in a civil cause of action for libel, slander, or other relevant tort arising out of activities in carrying out the provisions of this section, and the party bringing the action was not substantially justified in doing so. For purposes of this section, a proceeding is "substantially justified" if it had a reasonable basis in law or fact at the time that it was initiated.

Sec. 4. Minnesota Statutes 1990, section 60A.07, is amended by adding a subdivision to read:

Subd. 5f. [CAPITAL AND SURPLUS REQUIREMENTS.] *(a) Capital and surplus requirements apply to all types of insurance transacted by the insurer, whether or not only a portion of the types of insurance are transacted in this state. The commissioner may for the protection of the public require an insurer to maintain funds in excess of the amounts required under this section, due to the amount, kind, or combination of types of insurance transacted by the insurer. Failure of an insurer to maintain funds as ordered by the commissioner is grounds for suspension or revocation of the insurer's certificate of authority.*

(b) After June 30, 1991, an insurer may not renew and continue its certificate of authority unless the insurer possesses at least the basic capital and surplus, and additional surplus required by the commissioner under this section.

Subd. 2a. [SPECIAL DEPOSITS.] The commissioner may require a special deposit of an individual foreign insurer for the protection of its Minnesota policyholders or claimants. ~~The special deposit may be required, to a maximum amount of $500,000.~~ In the event of the filing of a delinquency petition against the insurer in Minnesota, the deposit is subject to chapters 60B, 60C, ~~and~~ 61A, *and 61B*.

Sec. 6. Minnesota Statutes 1990, section 60A.11, subdivision 9, is amended to read:

Subd. 9. [GENERAL CONSIDERATIONS.] The following considerations apply in the interpretation of this section:

(a) This section applies to the investments of insurance companies other than life insurance companies;

(b) The purpose of this section is to protect and further the interests of

policyholders, claimants, creditors and the public by providing standards for the development and administration of programs for the investment of the assets of domestic companies. These standards and the investment programs developed by companies must take into account the safety of company's principal, investment yield and growth, stability in the value of the investment, the liquidity necessary to meet the company's expected business needs, and investment diversification;

(c) All financial terms relating to insurance companies have the meanings assigned to them under statutory accounting methods. All financial terms relating to noninsurance companies have the meanings assigned to them under generally accepted accounting principles;

(d) Investments must be valued in accordance with the valuation procedures established by the National Association of Insurance Commissioners, unless the commissioner requires or finds another method of valuation reasonable under the circumstances. *Other invested assets must be valued according to the procedures promulgated by the National Association of Insurance Commissioners', if not addressed in another section, unless the commissioner requires or finds another method of valuation reasonable under the circumstances*;

(e) A company may elect to hold an investment which qualifies under more than one subdivision, under the subdivision of its choice. Nothing herein prevents a company from electing to hold an investment under a subdivision different from the one in which it previously held the investment; and

The statement may be limited to the insurer's business and condition in the United States unless the commissioner finds that the business conducted outside the United States may detrimentally affect the interests of policyholders in this state. The statements shall also contain a verified schedule showing all details required by law for assessment and taxation. The statement or schedules shall be in the form and shall contain all matters the commissioner may prescribe, and it may be varied as to different types of insurers so as to elicit a true exhibit of the condition of each insurer.

Sec. 3. [60J.03] [LIMITATION ON BUSINESS PLACED WITH CONTROLLED INSURER.]

Subdivision 1. [PRODUCER LIMITATION.] *No producer that has control of a licensed property/casualty insurer may directly or indirectly place business with the insurer in any transaction in which the producer, at the time the business is placed, is acting as such on behalf of the insured for any compensation, commission, or other thing of value, unless:*

(1) there is a written contract between the controlling producer and the insurer, which contract has been approved by the board of directors of the insurer;

(2) the producer, before the effective date of the policy, shall deliver written notice to the prospective insured disclosing the relationship between the producer and the controlled insurer. The disclosure, signed by the insured, must be retained in the underwriting file until the filing of the report on examination covering the period in which the coverage is in effect. Except that, if the business is placed through a subproducer who is not a

controlling producer, the controlling producer shall retain in the producer's records a signed commitment from the subproducer that the subproducer is aware of the relationship between the insurer and the producer and that the subproducer has or will notify the insured;

(3) all funds collected for the account of the insurer by the controlling producer must be paid, net of commissions, cancellations, and other adjustments, to the insurer no less often that quarterly;

(4) in addition to any other required loss reserve certification, the controlled insurer shall annually, on April 1 of each year, file with the commissioner an opinion of an independent casualty actuary, or other independent loss reserve specialist acceptable to the commissioner, reporting loss ratios for each line of business written and attesting to the adequacy of loss reserves established for losses incurred and outstanding as of year-end, including incurred but not reported, on business placed by the producer;

(5) the controlled insurer shall annually report to the commissioner the amount of commissions paid to the producer, the percentage the amount represents of the net premiums written and comparable amounts and percentage paid to noncontrolling producers for placements of the same kinds of insurance; and

(6) every controlled insurer shall have an audit committee of the board of directors composed of independent directors. Before approval of the annual financial statement, the audit committee shall meet with management, the insurer's independent certified public accountants, and an independent casualty actuary, or other independent loss reserve specialist acceptable to the commissioner, to review the adequacy of the insurer's loss reserves.

Subd. 2. [REINSURANCE INTERMEDIARY LIMITATION.] *No reinsurance intermediary that has control of an assuming insurer may directly or indirectly place business with the insurer in any transaction in which the reinsurance intermediary is acting as a broker on behalf of the ceding insurer. No reinsurance intermediary that has control of a ceding insurer may directly or indirectly accept business from the insurer in any transaction in which the reinsurance intermediary is acting as a producer on behalf of the assuming insurer. The prohibitions in this subdivision do not apply to a reinsurance intermediary that makes a full and complete written disclosure to the parties of its relationship with the assuming or ceding insurer before completion of the transaction.*

Sec. 4. [60J.04] [LIABILITY OF CONTROLLING PRODUCER IN THE EVENT OF INSOLVENCY OF CONTROLLED INSURER.]

Subdivision 1. [INITIATION OF ACTION.] *If the commissioner has reason to believe that a controlling producer has committed or is committing an act that could be determined to be a violation of sections 60J.01 to 60J.05, the commissioner shall serve upon the controlling producer, in the manner provided by chapter 14, a statement of the charges and notice of a hearing to be conducted in accordance with chapter 14, at a time not less than 30 days after the service of the notice and at a place fixed in the notice.*

Subd. 2. [HEARING.] *At the hearing, the commissioner shall establish that the controlling producer engaged in a violation of sections 60J.01 to 60J.05. The controlling producer shall have an opportunity to be heard and to present evidence rebutting the charges and to establish that the insolvency of the controlled insurer arose out of events not attributable to the violation.*

The decision, determination, or order of the commissioner is subject to judicial review pursuant to chapter 14.

Subd. 3. [PENALTY.] *Upon finding that the controlling producer committed a violation, and the controlling producer failed to establish that the violation did not substantially contribute to the insolvency, the controlling producer shall reimburse the state guaranty funds for all payments made for losses, loss adjustment, and administrative expenses on the business placed by the producer in excess of gross earned premiums and investment income earned on premiums and loss reserves for the business.*

Subd. 4. [OTHER PENALTIES.] *Nothing contained in this section affects the right of the commissioner to impose any other penalties provided for in the insurance laws.*

Sec. 5. [60J.05] [SCOPE.]

Nothing contained in sections 60J.01 to 60J.05 is intended to or in any manner alters or affects the rights of policyholders, claimants, creditors, or other third parties.

Sec. 6. [EFFECTIVE DATE.]

This article is effective August 1, 1992.

ARTICLE 14

INSURANCE HOLDING COMPANY SYSTEMS

Section 1. Minnesota Statutes 1990, section 60A.07, subdivision 5d, is amended to read:

Subd. 5d. [APPLICATION.] All insurance companies shall meet the requirements of subdivisions 5a to 5d, except as provided in this subdivision. Any company authorized to transact a particular kind of insurance as specified in section 60A.06, subdivision 1, on April 9, 1976 may continue until January 1, 1983 to conduct the same kind of insurance by meeting and maintaining the applicable capital, surplus, and guaranty fund requirements which were in effect immediately prior to April 9, 1976. On and after January 1, 1983, all companies shall be required to meet the applicable capital, constantly maintained surplus, and guaranty fund requirements of subdivisions 5a, 5b, and 5c.

Notwithstanding the foregoing provisions of this subdivision with respect to the deferred date of compliance, after April 9, 1976:

(1) Any insurance company which seeks authority to transact an additional kind of insurance shall, as a condition to the granting of the authority, immediately comply with the applicable capital, constantly maintained surplus, and guaranty fund requirements of subdivisions 5a, 5b, and 5c for all of its authorized kinds of business.

(2) If any person acquires control of an insurance company, the insurance company shall as of the date of the acquisition of control comply with the applicable capital, constantly maintained surplus, and guaranty fund requirements of subdivisions 5a, 5b, and 5c for all of its authorized kinds of business. For purposes of this clause, the term "control" shall be defined as provided in section ~~60D.01~~ *60D.15*, subdivision 4, and the term "person" shall be defined as provided in section ~~60D.01~~ *60D.15*, subdivision 7.

Sec. 2. [60D.15] [DEFINITIONS.]

Subdivision 1. [TERMS.] *For purposes of this article, the terms in subdivisions 2 to 10 have the meanings given them, unless the context otherwise requires.*

Subd. 2. [AFFILIATE.] *An "affiliate" of, or person "affiliated" with, a specific person, is a person that directly, or indirectly through one or more intermediaries, controls, or is controlled by, or is under common control with, the person specified.*

Subd. 3. [COMMISSIONER.] *The term "commissioner" means the commissioner of commerce, the commissioner's deputies, or the commerce department, as appropriate.*

Subd. 4. [CONTROL.] *The term "control," including the terms "controlling," "controlled by," and "under common control with," means the possession, direct or indirect, of the power to direct or cause the direction of the management and policies of a person, whether through the ownership of voting securities, by contract other than a commercial contract for goods or nonmanagement services, or otherwise, unless the power is the result of an official position with or corporate office held by the person. Control is be presumed to exist if any person, directly or indirectly, owns, controls, holds with the power to vote, or holds proxies representing, ten percent or more of the voting securities of any other person. This presumption may be rebutted by a showing made in the manner provided by section 6, subdivision 11, that control does not exist in fact. The commissioner may determine, after furnishing all persons in interest notice and opportunity to be heard and making specific findings of fact to support such determination, that control exists in fact, notwithstanding the absence of a presumption to that effect.*

Subd. 5. [INSURANCE HOLDING COMPANY SYSTEM.] *An "insurance holding company system" consists of two or more affiliated persons, one or more of which is an insurer.*

Subd. 6. [INSURER.] *The term "insurer" means a company qualified and licensed by the commissioner to transact the business of insurance, but does not include an insurance solicitor, agent, or agency. The term also does not include:*

(1) agencies, authorities, or instrumentalities of the United States, its possessions and territories, the commonwealth of Puerto Rico, the District of Columbia, or a state or political subdivision of a state; or

(2) nonprofit medical and hospital service associations.

Subd. 7. [PERSON.] *A "person" is an individual, a corporation, a partnership, an association, a joint stock company, a trust, an unincorporated organization, any similar entity or any combination of the foregoing acting in concert, but does not include any joint venture partnership exclusively engaged in owning, managing, leasing, or developing real or tangible personal property.*

Subd. 8. [SECURITY HOLDER.] *A "security holder" of a specified person is one who owns any security of the person, including common stock, preferred stock, debt obligations, and any other security convertible into or evidencing the right to acquire any security of the person.*

Subd. 9. [SUBSIDIARY.] *A "subsidiary" of a specified person is an affiliate controlled by the person directly or indirectly through one or more intermediaries.*

Subd. 10. [VOTING SECURITY.] *The term "voting security" includes any security convertible into or evidencing a right to acquire a voting security.*

Sec. 3. [60D.16] [SUBSIDIARIES OF INSURERS.]

Subdivision 1. [AUTHORIZATION.] *A domestic insurer, either by itself or in cooperation with one or more persons, may organize or acquire one or more subsidiaries engaged in the following kinds of business:*

(1) any kind of insurance business authorized by the jurisdiction in which it is incorporated;

(2) acting as an insurance broker or as an insurance agent for its parent or for any of its parent's insurer subsidiaries;

(3) investing, reinvesting, or trading in securities for its own account, that of its parent, any subsidiary of its parent, or any affiliate or subsidiary;

(4) management of any investment company subject to or registered pursuant to the Investment Company Act of 1940, as amended, including related sales and services;

(5) acting as a broker-dealer subject to or registered pursuant to the Securities Exchange Act of 1934, as amended;

(6) rendering investment advice to governments, government agencies, corporations, or other organizations or groups;

(7) rendering other services related to the operations of an insurance business including, but not limited to, actuarial, loss prevention, safety engineering, data processing, accounting, claims, appraisal, and collection services;

(8) ownership and management of assets that the parent corporation could itself own or manage;

(9) acting as administrative agent for a governmental instrumentality which is performing an insurance function;

(10) financing of insurance premiums, agents, and other forms of consumer financing;

(11) any other business activity determined by the commissioner to be reasonably ancillary to an insurance business; and

(12) owning a corporation or corporations engaged or organized to engage exclusively in one or more of the businesses specified in this section.

Subd. 2. [ADDITIONAL INVESTMENT AUTHORITY.] *In addition to investments in common stock, preferred stock, debt obligations, and other securities otherwise permitted, a domestic insurer may also:*

(a) Invest, in common stock, preferred stock, debt obligations, and other securities of one or more subsidiaries, amounts that do not exceed the lesser of ten percent of the insurer's assets or 50 percent of the insurer's surplus as regards policyholders, provided that after the investments, the insurer's surplus as regards policyholders will be reasonable in relation to the insurer's outstanding liabilities and adequate to its financial needs. In calculating the amount of these investments, investments in domestic or foreign insurance subsidiaries must be excluded, and there must be included:

(1) total net money or other consideration expended and obligations

assumed in the acquisition or formation of a subsidiary, including all organizational expenses and contributions to capital and surplus of the subsidiary whether or not represented by the purchase of capital stock or issuance of other securities; and

(2) all amounts expended in acquiring additional common stock, preferred stock, debt obligations, and other securities and all contributions to the capital or surplus, of a subsidiary subsequent to its acquisition or formation.

(b) Invest any amount in common stock, preferred stock, debt obligations, and other securities of one or more subsidiaries engaged or organized to engage exclusively in the ownership and management of assets authorized as investments for the insurer provided that the subsidiary agrees to limit its investments in any asset so that the investments will not cause the amount of the total investment of the insurer to exceed any of the investment limitations specified in paragraph (a) or other statutes applicable to the insurer. For the purpose of this paragraph, "the total investment of the insurer" includes:

(1) any direct investment by the insurer in an asset; and

(2) the insurer's proportionate share of any investment in an asset by any subsidiary of the insurer, which must be calculated by multiplying the amount of the subsidiary's investment by the percentage of the ownership of the subsidiary.

(c) With the approval of the commissioner, invest any greater amount in common stock, preferred stock, debt obligations, or other securities of one or more subsidiaries, if after the investment the insurer's surplus as regards policyholders will be reasonable in relation to the insurer's outstanding liabilities and adequate to its financial needs.

Subd. 3. [EXEMPTION FROM INVESTMENT RESTRICTIONS.] *Investments in common stock, preferred stock, debt obligations, or other securities of subsidiaries made pursuant to subdivision 2 are not subject to any of the otherwise applicable restrictions or prohibitions applicable to these investments of insurers.*

Subd. 4. [QUALIFICATION OF INVESTMENT; WHEN DETERMINED.] *Whether any investment pursuant to subdivision 2 meets the applicable requirements is to be determined before the investment is made, by calculating the applicable investment limitations as though the investment had already been made, taking into account the then outstanding principal balance on all previous investments in debt obligations, and the value of all previous investments in equity securities as of the day they were made, net of any return of capital invested, not including dividends.*

Subd. 5. [CESSATION OF CONTROL.] *If an insurer ceases to control a subsidiary, it shall dispose of any investment in it made pursuant to this section within three years from the time of the cessation of control or within any further time the commissioner prescribes, unless at any time after the investment has been made, the investment meets the requirements for investment under any other provision of law, and the insurer has notified the commissioner of this fact.*

Sec. 4. [60D.17] [ACQUISITION OF CONTROL OF OR MERGER WITH DOMESTIC INSURER.]

Subdivision 1. [FILING REQUIREMENTS.] *No person other than the issuer shall make a tender offer for or a request or invitation for tenders*

of, or enter into any agreement to exchange securities or, seek to acquire, or acquire, in the open market or otherwise, any voting security of a domestic insurer if, after the consummation thereof, the person would, directly or indirectly, or by conversion or by exercise of any right to acquire, be in control of the insurer. No person shall enter into an agreement to merge with or otherwise to acquire control of a domestic insurer or any person controlling a domestic insurer unless, at the time the offer, request, or invitation is made or the agreement is entered into, or before the acquisition of the securities if no offer or agreement is involved, the person has filed with the commissioner and has sent to the insurer, a statement containing the information required by this section and the offer, request, invitation, agreement, or acquisition has been approved by the commissioner in the manner prescribed in this section.

For purposes of this section, a domestic insurer includes a person controlling a domestic insurer unless the person as determined by the commissioner is either directly or through its affiliates primarily engaged in business other than the business of insurance. However, the person shall file a preacquisition notification with the commissioner containing the information set forth in section 5, subdivision 3, paragraph (b), 30 days before the proposed effective date of the acquisition. Failure to file is subject to section 5, subdivision 5. For the purposes of this section, "person" does not include any securities broker holding, in the usual and customary brokers function, less than 20 percent of the voting securities of an insurance company or of any person that controls an insurance company.

Subd. 2. [CONTENT OF STATEMENT.] *The statement to be filed with the commissioner shall be made under oath or affirmation and shall contain the following information:*

(a) The name and address of each person by whom or on whose behalf the merger or other acquisition of control referred to in subdivision 1 is to be effected, hereinafter called "acquiring party"; and

(1) if the person is an individual, the principal occupation and all offices and positions held during the past five years, and any conviction of crimes other than minor traffic violations during the past ten years; and

(2) if the person is not an individual, a report of the nature of its business operations during the past five years or for a lesser period as the person and any predecessors have been in existence; an informative description of the business intended to be done by the person and the person's subsidiaries; and a list of all individuals who are or who have been selected to become directors or executive officers of such person, or who perform or will perform functions appropriate to such positions. The list must include for each individual the information required by clause (1).

(b) The source, nature, and amount of the consideration used or to be used in effecting the merger or other acquisition of control, a description of any transaction in which funds were or are to be obtained for this purpose, including any pledge of the insurer's stock, or the stock of any of its subsidiaries or controlling affiliates, and the identity of persons furnishing the consideration, provided, however, that where a source of the consideration is a loan made in the lender's ordinary course of business, the identity of the lender shall remain confidential, if the person filing the statement so requests.

(c) Fully audited financial information as to the earnings and financial

condition of each acquiring party for the preceding five fiscal years of each acquiring party, or for a lesser period as the acquiring party and any predecessors have been in existence, and similar unaudited information as of a date not earlier than 90 days before the filing of the statement.

(d) Any plans or proposals that each acquiring party may have to liquidate the insurer, to sell its assets or merge or consolidate it with any person, or to make any other material change in its business or corporate structure or management.

(e) The number of shares of any security referred to in subdivision 1 that each acquiring party proposes to acquire, and the terms of the offer, request, invitation, agreement, or acquisition referred to in subdivision 1.

(f) The amount of each class of any security referred to in subdivision 1 that is beneficially owned or concerning which there is a right to acquire beneficial ownership by each acquiring party.

(g) A full description of any contracts, arrangements, or understandings with respect to any security referred to in subdivision 1 in which any acquiring party is involved, including but not limited to, transfer of any of the securities, joint ventures, loan or option arrangements, puts or calls, guarantees of loans, guarantees against loss or guarantees of profits, division of losses or profits, or the giving or withholding of proxies. The description must identify the persons with whom the contracts, arrangements, or understandings have been entered into.

(h) A description of the purchase of any security referred to in subdivision 1 during the 12 calendar months preceding the filing of the statement, by any acquiring party, including the dates of purchase, names of the purchasers, and consideration paid or agreed to be paid for it.

(i) A description of any recommendations to purchase any security referred to in subdivision 1 made during the 12 calendar months preceding the filing of the statement, by any acquiring party, or by anyone based upon interviews or at the suggestion of the acquiring party.

(j) Copies of all tender offers for, requests, or invitations for tenders of, exchange offers for, and agreements to acquire or exchange any securities referred to in subdivision 1 and, if distributed, of additional soliciting material relating to them.

(k) The term of any agreement, contract, or understanding made with or proposed to be made with any broker-dealer as to solicitation of securities referred to in subdivision 1 for tender, and the amount of any fees, commissions, or other compensation to be paid to broker-dealers with regard to it.

(l) Additional information the commissioner may by rule prescribe as necessary or appropriate for the protection of policyholders of the insurer or in the public interest.

If the person required to file the statement referred to in subdivision 1 is a partnership, limited partnership, syndicate, or other group, the commissioner may require that the information called for by paragraphs (a) to (l) must be given with respect to each partner of the partnership or limited partnership, each member of the syndicate or group, and each person who controls the partner or member. If a partner, member, or person is a corporation, or the person required to file the statement referred to in subdivision 1 is a corporation the commissioner may require that the information

called for by paragraphs (a) to (l) be given with respect to the corporation, each officer and director of the corporation, and each person who is directly or indirectly the beneficial owner of more than ten percent of the outstanding voting securities of the corporation.

If any material change occurs in the facts set forth in the statement filed with the commissioner and sent to the insurer pursuant to this section, an amendment setting forth the change, together with copies of all documents and other material relevant to the change, must be filed with the commissioner and sent to the insurer within two business days after the person learns of the change.

Subd. 3. [ALTERNATIVE FILING MATERIALS.] *If any offer, request, invitation, agreement, or acquisition referred to in subdivision 1 is proposed to be made by means of a registration statement under the Securities Act of 1933, or in circumstances requiring the disclosure of similar information under the Securities Exchange Act of 1934, or under a state law requiring similar registration or disclosure, the person required to file the statement referred to in subdivision 1 may utilize these documents in furnishing the information called for by that statement.*

Subd. 4. [APPROVAL BY COMMISSIONER; HEARINGS.] *(a) The commissioner shall approve any merger or other acquisition of control referred to in subdivision 1 unless, after a public hearing, the commissioner finds that:*

(1) After the change of control, the domestic insurer referred to in subdivision 1 would not be able to satisfy the requirements for the issuance of a license to write the line or lines of insurance for which it is presently licensed;

(2) The effect of the merger or other acquisition of control would be substantially to lessen competition in insurance in this state or tend to create a monopoly therein in applying the competitive standard in this subdivision:

(i) the informational requirements of section 5, subdivision 3, paragraph (b), and the standards of section 5, subdivision 4, paragraph (c), shall apply;

(ii) the merger or other acquisition shall not be disapproved if the commissioner finds that any of the situations meeting the criteria provided by section 5, subdivision 4, paragraph (c), exist; and

(iii) the commissioner may condition the approval of the merger or other acquisition on the removal of the basis of disapproval within a specified period of time;

(3) The financial condition of any acquiring party is such as might jeopardize the financial stability of the insurer, or prejudice the interest of its policyholders;

(4) The plans or proposals that the acquiring party has to liquidate the insurer, sell its assets, or consolidate or merge it with any person, or to make any other material change in its business or corporate structure or management, are unfair and unreasonable to policyholders of the insurer and not in the public interest;

(5) The competence, experience, and integrity of those persons who would control the operation of the insurer are such that it would not be in the interest of policyholders of the insurer and of the public to permit the merger

or other acquisition of control; or

(6) The acquisition is likely to be hazardous or prejudicial to the insurance buying public.

(b) The public hearing referred to in paragraph (a) must be held 30 days after the statement required by subdivision 1 is filed, and at least 20 days notice of it shall be given by the commissioner to the person filing the statement. Not less than seven days notice of the public hearing shall be given by the person filing the statement to the insurer and to other persons designated by the commissioner. The commissioner shall make a determination within 30 days after the conclusion of the hearing. At the hearing, the person filing the statement, the insurer, any person to whom notice of hearing was sent, and any other person whose interest may be affected by it may present evidence, examine and cross-examine witnesses, and offer oral and written arguments and may conduct discovery proceedings in the same manner as is presently allowed in the district courts of this state. All discovery proceedings must be concluded not later than three days before the start of the public hearing.

(c) The commissioner may retain at the acquiring person's expense any attorneys, actuaries, accountants, and other experts not otherwise a part of the commissioner's staff as may be reasonably necessary to assist the commissioner in reviewing the proposed acquisition of control.

Subd. 5. [EXEMPTIONS.] *This section does not apply to:*

(1) Any transaction that is subject to section 60A.16, dealing with the merger or consolidation of two or more insurers.

(2) Any offer, request, invitation, agreement, or acquisition that the commissioner by order exempts from this section as (i) not having been made or entered into for the purpose and not having the effect of changing or influencing the control of a domestic insurer, or (ii) as otherwise not comprehended within the purposes of this section.

Subd. 6. [VIOLATIONS.] *The following are violations of this section:*

(1) the failure to file any statement, amendment, or other material required to be filed pursuant to subdivision 1 or 2; or

(2) the effectuation or any attempt to effectuate an acquisition of control of, or merger with, a domestic insurer unless the commissioner has approved it.

Subd. 7. [JURISDICTION, CONSENT TO SERVICE OF PROCESS.] *The courts of this state have jurisdiction over every person not resident, domiciled, or authorized to do business in this state who files a statement with the commissioner under this section, and overall actions involving the person arising out of violations of this section, and the person is deemed to have performed acts equivalent to and constituting an appointment by the person of the commissioner to be the person's true and lawful attorney upon whom may be served all lawful process in any action, suit, or proceeding arising out of violations of this section. Copies of all lawful process shall be served on the commissioner and transmitted by registered or certified mail by the commissioner to the person at the person's last known address.*

Sec. 5. [60D.18] [ACQUISITIONS INVOLVING INSURERS NOT OTHERWISE COVERED.]

Subdivision 1. [DEFINITIONS.] *The following definitions apply for the*

purposes of this section only:

(a) "Acquisition" means an agreement, arrangement, or activity the consummation of which results in a person acquiring directly or indirectly the control of another person, and includes, but is not limited to, the acquisition of voting securities, the acquisition of assets, bulk reinsurance, and mergers.

(b) An "involved insurer" includes an insurer that either acquires or is acquired, is affiliated with an acquirer or acquired, or is the result of a merger.

Subd. 2. [SCOPE.] *(a) Except as exempted in paragraph (b), this section applies to any acquisition in which there is a change in control of an insurer authorized to do business in this state.*

(b) This section does not apply to the following:

(1) an acquisition subject to approval or disapproval by the commissioner pursuant to section 4;

(2) a purchase of securities solely for investment purposes so long as such securities are not used by voting or otherwise to cause or attempt to cause the substantial lessening of competition in any insurance market in this state. If a purchase of securities results in a presumption of control under section 2, subdivision 4, it is not solely for investment purposes unless the commissioner of the insurer's state of domicile accepts a disclaimer of control or affirmatively finds that control does not exist and such disclaimer action or affirmative finding is communicated by the domiciliary commissioner to the commissioner of this state;

(3) the acquisition of a person by another person when both persons are neither directly nor through affiliates primarily engaged in the business of insurance, if preacquisition notification is filed with the commissioner in accordance with subdivision 3, paragraph (a), 30 days before the proposed effective date of the acquisition. However, the preacquisition notification is not required for exclusion from this section, if the acquisition would otherwise be excluded from this section by any other clause of this paragraph;

(4) the acquisition of already affiliated persons;

(5) an acquisition if, as an immediate result of the acquisition;

(i) in no market would the combined market share of the involved insurers exceed five percent of the total market;

(ii) there would be no increase in any market share; or

(iii) in no market would the combined market share of the involved insurers exceeds 12 percent of the total market; and the market share increases by more than two percent of the total market.

For the purpose of this clause, a market means direct written insurance premium in this state for a line of business as contained in the annual statement required to be filed by insurers licensed to do business in this state;

(6) an acquisition for which a preacquisition notification would be required pursuant to this section due solely to the resulting effect on the ocean marine insurance line of business; and

(7) an acquisition of an insurer whose domiciliary commissioner affirmatively finds that the insurer is in failing condition; there is a lack of

feasible alternative to improving the condition; the public benefits of improving the insurer's condition through the acquisition exceed the public benefits that would arise from not lessening competition; and the findings are communicated by the domiciliary commissioner to the commissioner of this state.

Subd. 3. [PREACQUISITION NOTIFICATION; WAITING PERIOD.] *(a) An acquisition covered by subdivision 2 may be subject to an order pursuant to subdivision 4 unless the acquiring person files a preacquisition notification and the waiting period has expired. The acquired person may file a preacquisition notification. The commissioner shall give confidential treatment to information submitted under this section in the same manner as provided in section 9.*

(b) The preacquisition notification must be in the form and contain the information as prescribed by the National Association of Insurance Commissioners relating to those markets that, under subdivision 2, paragraph (b), clause (5), cause the acquisition not to be exempted from the provisions of this section. The commissioner may require the additional material and information as the commissioner deems necessary to determine whether the proposed acquisition, if consummated, would violate the competitive standard of subdivision 4. The required information may include an opinion of an economist as to the competitive impact of the acquisition in this state accompanied by a summary of the education and experience of the person indicating that person's ability to render an informed opinion.

(c) The waiting period required begins on the date of receipt of the commissioner of a preacquisition notification and ends on the earlier of the 30th day after the date of its receipt, or termination of the waiting period by the commissioner. Before the end of the waiting period, the commissioner on a one-time basis may require the submission of additional needed information relevant to the proposed acquisition, in which event the waiting period shall end on the earlier of the 30th day after receipt of the additional information by the commissioner or termination of the waiting period by the commissioner.

Subd. 4. [COMPETITIVE STANDARD.] *(a) The commissioner may enter an order under subdivision 5 with respect to an acquisition if there is substantial evidence that the effect of the acquisition may be substantially to lessen competition in any line of insurance in this state or tend to create a monopoly therein or if the insurer fails to file adequate information in compliance with subdivision 3.*

(b) In determining whether a proposed acquisition would violate the competitive standard of paragraph (a), the commissioner shall consider the following:

(1) any acquisition covered under subdivision 2 involving two or more insurers competing in the same market is prima facie evidence of violation of the competitive standards:

(i) if the market is highly concentrated and the involved insurers possess the following shares of the market:

INSURER A	*INSURER B*
4 percent	*4 percent or more*
10 percent	*2 percent or more*
15 percent	*1 percent or more*

(ii) or, if the market is not highly concentrated and the involved insurers possess the following shares of the market:

INSURER A	*INSURER B*
5 percent	*5 percent or more*
10 percent	*4 percent or more*
15 percent	*3 percent or more*
19 percent	*1 percent or more*

A highly concentrated market is one in which the share of the four largest insurers is 75 percent or more of the market. Percentages not shown in the tables are interpolated proportionately to the percentages that are shown. If more than two insurers are involved, exceeding the total of the two columns in the table is prima facie evidence of violation of the competitive standard in paragraph (a). For the purpose of this clause, the insurer with the largest share of the market shall be deemed to be insurer A.

(2) There is a significant trend toward increased concentration when the aggregate market share of any grouping of the largest insurers in the market, from the two largest to the eight largest, has increased by seven percent or more of the market over a period of time extending from any base year five to ten years prior to the acquisition up to the time of the acquisition. Any acquisition or merger covered under subdivision 2 involving two or more insurers competing in the same market is prima facie evidence of violation of the competitive standard in clause (1) if:

(i) there is a significant trend toward increased concentration in the market;

(ii) one of the insurers involved is one of the insurers in a grouping of such large insurers showing the requisite increase in the market share; and

(iii) another involved insurer's market is two percent or more.

(3) For the purposes of paragraph (b):

(i) The term "insurer" includes any company or group of companies under common management, ownership, or control.

(ii) The term "market" means the relevant product and geographical markets. In determining the relevant product and geographical markets, the commissioner shall give due consideration to, among other things, the definitions or guidelines, if any, promulgated by the National Association of Insurance Commissioners and to information, if any, submitted by parties to the acquisition. In the absence of sufficient information to the contrary, the relevant product market is assumed to be the direct written insurance premium for a line of business, the line being that used in the annual statement required to be filed by insurers doing business in this state, and the relevant geographical market is assumed to be this state.

(iii) The burden of showing prima facie evidence of violation of the competitive standard rests upon the commissioner.

(iv) Even though an acquisition is not prima facie violative of the competitive standard under paragraph (b), clauses (1) and (2), the commissioner may establish the requisite anticompetitive effect based upon other substantial evidence. Even though an acquisition is prima facie violative of the competitive standard under paragraph (b), clauses (1) and (2), a party may establish the absence of the requisite anticompetitive effect based upon other substantial evidence. Relevant factors in making a determination under this

paragraph include, but are not limited to, the following: market shares, volatility of ranking of market leaders, number of competitors, concentration, trend of concentration in the industry, and ease of entry and exit into the market.

(c) An order may not be entered under subdivision 5 if:

(1) the acquisition will yield substantial economies of scale or economies in resource utilization that cannot be feasibly achieved in any other way, and the public benefits which would arise from such economies exceed the public benefits which would arise from not lessening competition; or

(2) the acquisition will substantially increase the availability of insurance, and the public benefits of such increase exceed the public benefits which would arise from not lessening competition.

Subd. 5. [ORDERS AND PENALTIES.] *If an acquisition violates the standards of this section, the commissioner may enter an order:*

(1) requiring an involved insurer to cease and desist from doing business in this state with respect to the line or lines of insurance involved in the violation; or

(2) denying the application of an acquired or acquiring insurer for a license to do business in this state.

The order must not be entered unless there is a hearing, the notice of the hearing is issued before the end of the waiting period and not less than 15 days before the hearing, and the hearing is concluded and the order is issued no later than 60 days after the end of the waiting period. Every order must be accompanied by a written decision of the commissioner setting forth findings of fact and conclusions of law.

An order entered under this paragraph shall not become final earlier than 30 days after it is issued, during which time the involved insurer may submit a plan to remedy the anticompetitive impact of the acquisition within a reasonable time. Based upon the plan or other information, the commissioner shall specify the conditions, if any, under the time period during which the aspects of the acquisition causing a violation of the standards of this section would be remedied and the order vacated or modified.

An order pursuant to this subdivision does not apply if the acquisition is not consummated.

Any person who violates a cease and desist order of the commissioner and while the order is in effect, may after notice and hearing and upon order of the commissioner, be subject at the discretion of the commissioner to any one or more of the following:

(1) a monetary penalty of not more than $10,000 for every day of violation;

(2) suspension or revocation of the person's license.

Any insurer or other person who fails to make any filing required by this section and who also fails to demonstrate a good faith effort to comply with the filing requirement, is be subject to a fine of not more than $50,000.

Subd. 6. [INAPPLICABLE PROVISIONS.] *Sections 11, paragraphs (b) and (c); and 13 do not apply to acquisitions covered under section 5, subdivision 2.*

Sec. 6. [60D.19] [REGISTRATION OF INSURERS.]

Subdivision 1. [REGISTRATION.] *Every insurer that is authorized to do business in this state and that is a member of an insurance holding company system shall register with the commissioner, except a foreign insurer subject to registration requirements and standards adopted by statute or regulation in the jurisdiction of its domicile that are substantially similar to those contained in:*

(1) this section;

(2) section 7, subdivisions 1, paragraph (a), 2, and 4; and

(3) either section 7, subdivision 1, paragraph (b), or a provision such as the following: Each registered insurer shall keep current the information required to be disclosed in its registration statement by reporting all material changes or additions within 15 days after the end of the month in which it learns of each such change or addition.

Any insurer that is subject to registration under this section shall register within 15 days after it becomes subject to registration, and annually thereafter by March 1 of each year for the previous calendar year, unless the commissioner for good cause shown extends the time for registration, and then within such extended time. The commissioner may require any insurer authorized to do business in the state that is a member of a holding company system, and that is not subject to registration under this section, to furnish a copy of the registration statement, the summary specified in subdivision 3 or other information filed by the insurance company with the insurance regulatory authority of domiciliary jurisdiction.

Subd. 2. [INFORMATION AND FORM REQUIRED.] *Every insurer subject to registration shall file the registration statement on a form prescribed by the National Association of Insurance Commissioners, which shall contain the following current information:*

(1) the capital structure, general financial condition, ownership, and management of the insurer and any person controlling the insurer;

(2) the identity and relationship of every member of the insurance holding company system;

(3) the following agreements in force, and transactions currently outstanding or that have occurred during the last calendar year between the insurer and its affiliates:

(i) loans, other investments, or purchases, sales, or exchanges of securities of the affiliates by the insurer or of the insurer by its affiliates;

(ii) purchases, sales, or exchange of assets;

(iii) transactions not in the ordinary course of business;

(iv) guarantees or undertakings for the benefit of an affiliate which result in an actual contingent exposure of the insurer's assets to liability, other than insurance contracts entered into in the ordinary course of the insurer's business;

(v) all management agreements, service contracts, and all cost-sharing arrangements;

(vi) reinsurance agreements;

(vii) dividends and other distributions to shareholders; and

(viii) consolidated tax allocation agreements;

(4) any pledge of the insurer's stock, including stock of any subsidiary or controlling affiliate, for a loan made to any member of the insurance holding company system; and

(5) other matters concerning transactions between registered insurers and any affiliates as may be included from time to time in any registration forms adopted or approved by the commissioner.

Subd. 3. [SUMMARY OF REGISTRATION STATEMENT.] *All registration statements must contain a summary outlining all items in the current registration statement representing changes from the prior registration statement.*

Subd. 4. [MATERIALITY.] *No information need be disclosed on the registration statement filed pursuant to subdivision 2 if the information is not material for the purposes of this section. Unless the commissioner by rule or order provides otherwise; sales, purchases, exchanges, loans or extensions of credit, investments, or guarantees involving one-half of one percent or less of an insurer's admitted assets as of the 31st day of December next preceding shall not be deemed material for purposes of this section.*

Subd. 5. [REPORTING OF DIVIDENDS TO SHAREHOLDERS.] *Subject to section 6, subdivision 2, each registered insurer shall report to the commissioner all dividends and other distributions to shareholders within 15 business days following the declaration thereof.*

Subd. 6. [INFORMATION OF INSURERS.] *Any person within an insurance holding company system subject to registration shall be required to provide complete and accurate information to an insurer where such information is reasonably necessary to enable the insurer to comply with the provisions of this article.*

Subd. 7. [TERMINATION OF REGISTRATION.] *The commissioner shall terminate the registration of any insurer which demonstrates that it no longer is a member of an insurance holding company system.*

Subd. 8. [CONSOLIDATED FILING.] *The commissioner may require or allow two or more affiliated insurers subject to registration to file a consolidated registration statement.*

Subd. 9. [ALTERNATIVE REGISTRATION.] *The commissioner may allow an insurer that is authorized to do business in this state and that is part of an insurance holding company system to register on behalf of any affiliated insurer that is required to register under subdivision 1 and to file all information and material required to be filed under this section.*

Subd. 10. [EXEMPTIONS.] *The provisions of this section do not apply to any insurer, information, or transaction if and to the extent that the commissioner by rule or order shall exempt the same from the provisions of this section.*

Subd. 11. [DISCLAIMER.] *Any person may file with the commissioner a disclaimer of affiliation with any authorized insurer or the disclaimer may be filed by the insurer or any member of an insurance holding company system. The disclaimer shall fully disclose all material relationships and bases for affiliation between the person and the insurer as well as the basis for disclaiming the affiliation. After a disclaimer has been filed, the insurer shall be relieved of any duty to register or report under this section that may arise out of the insurer's relationship with the person unless and until the commissioner disallows the disclaimer. The commissioner shall disallow*

the disclaimer only after furnishing all parties in interest with notice and opportunity to be heard and after making specific findings of fact to support the disallowance.

Subd. 12. [VIOLATIONS.] *The failure to file a registration statement or any summary of the registration statement required by this section within the time specified for the filing is a violation of this section.*

Sec. 7. [60D.20] [STANDARDS AND MANAGEMENT OF AN INSURER WITHIN A HOLDING COMPANY SYSTEM.]

Subdivision 1. [TRANSACTIONS WITHIN A HOLDING COMPANY SYSTEM.] *(a) Transactions within a holding company system to which an insurer subject to registration is a party is subject to the following standards:*

(1) the terms shall be fair and reasonable;

(2) charges or fees for services performed shall be reasonable;

(3) expenses incurred and payment received shall be allocated to the insurer in conformity with customary insurance accounting practices consistently applied;

(4) the books, accounts, and records of each party to all such transactions shall be so maintained as to clearly and accurately disclose the nature and details of the transactions including this accounting information as is necessary to support the reasonableness of the charges or fees to the respective parties; and

(5) the insurer's surplus as regards policyholders following any dividends or distributions to shareholder affiliates shall be reasonable in relation to the insurer's outstanding liabilities and adequate to its financial needs.

(b) The following transactions involving a domestic insurer and any person in its holding company system may not be entered into unless the insurer has notified the commissioner in writing of its intention to enter into the transaction at least 30 days prior thereto, or a shorter period the commissioner permits, and the commissioner has not disapproved it within this period.

(1) sales, purchases, exchanges, loans or extensions of credit, guarantees, or investments provided the transactions are equal to or exceed: (i) with respect to nonlife insurers, the lesser of three percent of the insurer's admitted assets, or 25 percent of surplus as regards policyholders; (ii) with respect to life insurers, three percent of the insurer's admitted assets; each as of the 31st day of December next preceding;

(2) loans or extensions of credit to any person who is not an affiliate, where the insurer makes the loans or extensions of credit with the agreement or understanding that the proceeds of the transactions, in whole or in substantial part, are to be used to make loans or extensions of credit to, to purchase assets of, or to make investments in, any affiliate of the insurer making such loans or extensions of credit provided the transactions are equal to or exceed: (i) with respect to nonlife insurers, the lesser of three percent of the insurer's admitted assets or 25 percent of surplus as regards policyholders; (ii) with respect to life insurers, three percent of the insurer's admitted assets; each as of the 31st day of December next preceding;

(3) reinsurance agreements or modifications to those agreements in which the reinsurance premium or a change in the insurer's liabilities equals or exceeds five percent of the insurer's surplus as regards policyholders, as of

the 31st day of December next preceding, including those agreements which may require as consideration the transfer of assets from an insurer to a nonaffiliate, if an agreement or understanding exists between the insurer and nonaffiliate that any portion of such assets will be transferred to one or more affiliates of the insurer;

(4) all management agreements, service contracts and all cost-sharing arrangements; and

(5) any material transactions, specified by regulation, which the commissioner determines may adversely affect the interests of the insurer's policyholders.

Nothing contained in this section authorizes or permits any transactions that, in the case of an insurer not a member of the same holding company system, would be otherwise contrary to law.

(c) A domestic insurer may not enter into transactions which are part of a plan or series of like transactions with persons within the holding company system if the purpose of those separate transactions is to avoid the statutory threshold amount and thus avoid the review that would occur otherwise. If the commissioner determines that the separate transactions were entered into over any 12-month period for the purpose, the commissioner may exercise the authority under section 12.

(d) The commissioner, in reviewing transactions pursuant to paragraph (b), shall consider whether the transactions comply with the standards set forth in paragraph (a), and whether they may adversely affect the interests of policyholders.

(e) The commissioner shall be notified within 30 days of any investment of the domestic insurer in any one corporation if the total investment in the corporation by the insurance holding company system exceeds ten percent of the corporation's voting securities.

Subd. 2. [DIVIDENDS AND OTHER DISTRIBUTIONS.] *(a) No domestic insurer shall pay any extraordinary dividend or make any other extraordinary distribution to its shareholders until: (1) 30 days after the commissioner has received notice of the declaration of it and has not within the period disapproved the payment; or (2) the commissioner has approved the payment within the 30-day period.*

(b) For purposes of this section, an extraordinary dividend or distribution includes any dividend or distribution of cash or other property, whose fair market value together with that of other dividends or distributions made within the preceding 12 months exceeds the greater of (1) ten percent of the insurer's surplus as regards policyholders as of the 31st day of December next preceding; or (2) the net gain from operations of the insurer, if the insurer is a life insurer, or the net income, if the insurer is not a life insurer, not including realized capital gains, for the 12-month period ending the 31st day of December next preceding, but does not include pro rata distributions of any class of the insurer's own securities. In determining whether a dividend or distribution is extraordinary, an insurer other than a life insurer may carry forward net income from the previous two calendar years that has not already been paid out as dividends. This carry-forward is computed by taking the net income from the second and third preceding calendar years, not including realized capital gains, less dividends paid in the second and immediate preceding calendar years.

(c) Notwithstanding any other provision of law, an insurer may declare an extraordinary dividend or distribution that is conditional upon the commissioner's approval, and the declaration shall confer no rights upon shareholders until: (1) the commissioner has approved the payment of such a dividend or distribution; or (2) the commissioner has not disapproved the payment within the 30-day period referred to above.

Subd. 3. [MANAGEMENT OF DOMESTIC INSURERS SUBJECT TO REGISTRATION.] *(a) Notwithstanding the control of a domestic insurer by any person, the officers and directors of the insurer shall not thereby be relieved of any obligation or liability to which they would otherwise be subject by law, and the insurer shall be managed so as to assure its separate operating identity consistent with this article.*

(b) Nothing in this article precludes a domestic insurer from having or sharing a common management use of personnel, property, or services with one or more other persons under arrangements meeting the standards of section 7, paragraph (a), clause (1).

(c) Not less than one-third of the directors of a publicly traded domestic insurer, and not less than one-third of the members of each committee of the board of directors of any publicly traded domestic insurer shall be persons who are not officers or employees of the insurer or of any entity controlling, controlled by, or under common control with the insurer and who are not beneficial owners of a controlling interest in the voting stock of the insurer or any such entity. At least one such person must be included in any quorum for the transaction of business at any meeting of the board of directors or any committee of the board.

(d) The board of directors of a publicly traded domestic insurer shall establish an audit committee having a majority of directors who are not officers or employees of the insurer or of any entity controlling, controlled by, or under common control with the insurer and who are not beneficial owners of a controlling interest in the voting stock of the insurer or any such entity. The committee shall have responsibility for selecting independent certified public accountants and reviewing the scope and results of the independent audit and any internal audit.

(e) Paragraphs (c) and (d) do not apply to a domestic insurer if the person controlling the insurer is an insurer, or a general business corporation the principal business of which is insurance, having a board of directors and committees of the board that meet the requirements of paragraphs (c) and (d).

Subd. 4. [ADEQUACY OF SURPLUS.] *For purposes of this article, in determining whether an insurer's surplus as regards policyholders is reasonable in relation to the insurer's outstanding liabilities and adequate to its financial needs, the following factors, among others, must be considered:*

(1) the size of the insurer as measured by its assets, capital and surplus, reserves, premium writings, insurance in force and other appropriate criteria;

(2) the extent to which the insurer's business is diversified among the several lines of insurance;

(3) the number and size of risks insured in each line of business;

(4) the extent of the geographical dispersion of the insurer's insured risks;

(5) the nature and extent of the insurer's reinsurance program;

(6) the quality, diversification and liquidity of the insurer's investment portfolio;

(7) the recent past and projected future trend in the size of the insurer's investment portfolio;

(8) the surplus as regards policyholders maintained by other comparable insurers;

(9) the adequacy of the insurer's reserves; and

(10) the quality and liquidity of investments in affiliates. The commissioner may treat any such investment as a disallowed asset for purposes of determining the adequacy of surplus as regards policyholders whenever in the commissioner's judgment the investment so warrants.

Sec. 8. [60D.21] [EXAMINATION.]

Subdivision 1. [POWER OF COMMISSIONER.] *Subject to the limitation contained in this section and in addition to the powers that the commissioner has under chapter 60A relating to the examination of insurers, the commissioner shall also have the power to order any insurer registered under section 60D.19 to produce records, books, or other information papers in the possession of the insurer or its affiliates as are reasonably necessary to ascertain the financial condition of the insurer or to determine compliance with this article. In the event the insurer fails to comply with the order, the commissioner shall have the power to examine the affiliates to obtain the information.*

Subd. 2. [USE OF CONSULTANTS.] *The commissioner may retain at the registered insurer's expense the attorneys, actuaries, accountants, and other experts not otherwise a part of the commissioner's staff that are reasonably necessary to assist in the conduct of the examination under subdivision 1. Any person so retained shall be under the direction and control of the commissioner and shall act in a purely advisory capacity.*

Subd. 3. [EXPENSES.] *Each registered insurer producing for examination records, books, and papers pursuant to subdivision 1 is liable for and shall pay the expense of the examination in accordance with section 60A.03.*

Sec. 9. [60D.22] [CONFIDENTIAL TREATMENT.]

All information, documents, and copies of them obtained by or disclosed to the commissioner or any other person in the course of an examination or investigation made pursuant to section 7 and all information reported pursuant to sections 5 and 6, shall be given confidential treatment and shall not be subject to subpoena and shall not be made public by the commissioner, the National Association of Insurance Commissioners, or any other person, except to insurance departments of other states, without the prior written consent of the insurer to which it pertains unless the commissioner, after giving the insurer and its affiliates who would be affected, notice and opportunity to be heard, determines that the interest of policyholders or the public will be served by the publication, in which event the commissioner may publish all or any part in the manner the commissioner considers appropriate.

Sec. 10. [60D.23] [RULES.]

The commissioner may adopt the rules and orders that are necessary to carry out the provisions of this article.

Sec. 11. [60D.24] [INJUNCTIONS, PROHIBITIONS AGAINST VOTING SECURITIES, SEQUESTRATION OF VOTING SECURITIES.]

Subdivision 1. [INJUNCTIONS.] *Whenever it appears to the commissioner that any insurer or any director, officer, employee, or agent of the insurer has committed or is about to commit a violation of this article or of any rule or order issued by the commissioner, the commissioner may apply to the district court for the county in which the principal office of the insurer is located or if the insurer has no such office in this state then to the district court for Ramsey county for an order enjoining the insurer or the director, officer, employee, or agent of the insurer from violating or continuing to violate this article or any rule or order, and for other equitable relief as the nature of the case and the interest of the insurer's policyholders or the public requires.*

Subd. 2. [VOTING OF SECURITIES; WHEN PROHIBITED.] *No security that is the subject of any agreement or arrangement regarding acquisition, or that is acquired or to be acquired, in contravention of the provisions of this article or of any rule or order issued by the commissioner may be voted at any shareholder's meeting, or may be counted for quorum purposes, and any action of shareholders requiring the affirmative vote of a percentage of shares may be taken as though the securities were not issued and outstanding. No action taken at the meeting shall be invalidated by the voting of the securities, unless the action would materially affect control of the insurer or unless the courts of this state have so ordered. If an insurer or the commissioner has reason to believe that any security of the insurer has been or is about to be acquired in contravention of the provisions of this article or of any rule or order issued by the commissioner, the insurer or the commissioner may apply to the district court for the county in which the insurer has its principal place of business to enjoin any offer, request, invitation, agreement, or acquisition made in contravention of section 3 or any rule or order issued by the commissioner to enjoin the voting of any security so acquired, to void any vote of the security already cast at any meeting of shareholders and for other equitable relief as the nature of the case and the interest of the insurer's policyholders or the public requires.*

Subd. 3. [SEQUESTRATION OF VOTING SECURITIES.] *In any case where a person has acquired or is proposing to acquire any voting securities in violation of this article or any rule or order issued by the commissioner, the district court for Ramsey county or the district court for the county in which the insurer has its principal place of business may, on such notice as the court considers appropriate, upon the application of the insurer or the commissioner seize or sequester any voting securities of the insurer owned directly or indirectly by the person, and issue any order with respect thereto as may be appropriate to effectuate the provisions of this article.*

Notwithstanding any other provisions of law, for the purposes of this article the sites of the ownership of the securities of domestic insurers shall be considered to be in this state.

Sec. 12. [60D.25] [RECEIVERSHIP.]

Whenever it appears to the commissioner that any person has committed a violation of this article that so impairs the financial condition of a domestic insurer as to threaten insolvency or make the further transaction of business

by it hazardous to its policyholders or the public, then the commissioner may proceed as provided in chapter 60B to take possessions of the property of the domestic insurer and to conduct the business of that insurer.

Sec. 13. [60D.26] [RECOVERY.]

(a) If an order for liquidation or rehabilitation of a domestic insurer has been entered, the receiver appointed under the order shall have a right to recover on behalf of the insurer, (1) from any parent corporation or holding company or person or affiliate who otherwise controlled the insurer, the amount of distributions, other than distributions of shares of the same class of stock, paid by the insurer on its capital stock, or (2) any payment in the form of a bonus, termination settlement or extraordinary lump sum salary adjustment made by the insurer or its subsidiary(s) to a director, officer, or employee, where the distribution or payment pursuant to clause (1) or (2) is made at any time during the one year preceding the petition for liquidation, conservation, or rehabilitation, as the case may be, subject to the limitations of paragraphs (b), (c), and (d).

(b) No such distribution shall be recoverable if the parent or affiliate shows that when paid the distribution was lawful and reasonable, and that the insurer did not know and could not reasonably have known that the distribution might adversely affect the ability of the insurer to fulfill its contractual obligations.

(c) Any person who was a parent corporation or holding company or a person who otherwise controlled the insurer or affiliate at the time such distributions were paid shall be liable up to the amount of distributions or payments under paragraph (a), the person received. Any person who otherwise controlled the insurer at the time the distributions were declared is liable up to the amount of distributions the person would have received if they had been paid immediately. If two or more persons are liable with respect to the same distributions, they are jointly and severally liable.

(d) The maximum amount recoverable under this subsection shall be the amount needed in excess of all other available assets of the impaired or insolvent insurer to pay the contractual obligations of the impaired or insolvent insurer and to reimburse any guaranty funds.

(e) To the extent that any person liable under paragraph (c) is insolvent or otherwise fails to pay claims due from it pursuant to this paragraph, its parent corporation or holding company or person who otherwise controlled it at the time the distribution was paid, is jointly and severally liable for any resulting deficiency in the amount recovered from the parent corporation or holding company or person who otherwise controlled it.

Sec. 14. [60D.27] [REVOCATION, SUSPENSION, OR NONRENEWAL OF INSURER'S LICENSE.]

Whenever it appears to the commissioner that any person has committed a violation of this article that makes the continued operation of an insurer contrary to the interests of policyholders or the public, the commissioner may, after giving notice and an opportunity to be heard, determine to suspend, revoke, or refuse to renew the insurer's license or authority to do business in this state for the period the commissioner finds is required for the protection of policyholders or the public. The determination must be accompanied by specific findings of fact and conclusions of law.

Sec. 15. [60D.28] [JUDICIAL REVIEW, MANDAMUS.]

(a) Any person aggrieved by any act, determination, rule or order, or any other action of the commissioner pursuant to this article may appeal therefrom to the district court for Ramsey county. The court shall conduct its review without a jury and by trial de novo, except that if all parties, including the commissioner, so stipulate, the review shall be confined to the record. Portions of the record may be introduced by stipulation into evidence in a trial de novo as to those parties so stipulated.

(b) The filing of an appeal pursuant to this section shall stay the application of the rule, order, or other action of the commissioner to the appealing party unless the court, after giving the party notice and an opportunity to be heard, determines that the stay would be detrimental to the interest of policyholders or the public.

(c) Any person aggrieved by any failure of the commissioner to act or make a determination required by this article may petition the district court for Ramsey county for a writ in the nature of a mandamus or a peremptory mandamus directing the commissioner to act or make this determination immediately.

Sec. 16. [60D.29] [CONFLICT WITH OTHER LAWS.]

All laws and parts of laws of this state inconsistent with this article are superseded with respect to matters covered by this article.

Sec. 17. Minnesota Statutes 1990, section 79.34, subdivision 1, is amended to read:

Subdivision 1. [CONDITIONS REQUIRING MEMBERSHIP.] The nonprofit association known as the workers' compensation reinsurance association may be incorporated under chapter 317A with all the powers of a corporation formed under that chapter, except that if the provisions of that chapter are inconsistent with sections 79.34 to 79.40, sections 79.34 to 79.40 govern. Each insurer as defined by section 79.01, subdivision 2, shall, as a condition of its authority to transact workers' compensation insurance in this state, be a member of the reinsurance association and is bound by the plan of operation of the reinsurance association; provided, that all affiliated insurers within a holding company system as defined in ~~sections 60D.01 to 60D.13~~ *chapter 60D* are considered a single entity for purposes of the exercise of all rights and duties of membership in the reinsurance association. Each self-insurer approved under section 176.181 and each political subdivision that self-insures shall, as a condition of its authority to self-insure workers' compensation liability in this state, be a member of the reinsurance association and is bound by its plan of operation; provided that:

(1) all affiliated companies within a holding company system, as determined by the commissioner in a manner consistent with the standards and definitions in ~~sections 60D.01 to 60D.13~~ *chapter 60D*, are considered a single entity for purposes of the exercise of all rights and duties of membership in the reinsurance association; and

(2) all group self-insurers granted authority to self-insure pursuant to section 176.181 are considered single entities for purposes of the exercise of all the rights and duties of membership in the reinsurance association. As a condition of its authority to self-insure workers' compensation liability, and for losses incurred after December 31, 1983, the state is a member of the reinsurance association and is bound by its plan of operation. The commissioner of employee relations represents the state in the exercise of

all the rights and duties of membership in the reinsurance association. The state treasurer shall pay the premium to the reinsurance association from the state compensation revolving fund upon warrants of the commissioner of employee relations. For the purposes of this section, "state" means the administrative branch of state government, the legislative branch, the judicial branch, the University of Minnesota, and any other entity whose workers' compensation liability is paid from the state revolving fund. The commissioner of finance may calculate, prorate, and charge a department or agency the portion of premiums paid to the reinsurance association for employees who are paid wholly or in part by federal funds, dedicated funds, or special revenue funds. The reinsurance association is not a state agency. Actions of the reinsurance association and its board of directors and actions of the commissioner of labor and industry with respect to the reinsurance association are not subject to chapters 13, 14, and 15. All property owned by the association is exempt from taxation. The reinsurance association is not obligated to make any payments or pay any assessments to any funds or pools established pursuant to this chapter or chapter 176 or any other law.

ARTICLE 15

LIFE REINSURANCE AGREEMENTS

Section 1. [60A.80] [ACCOUNTING REQUIREMENTS.]

Subdivision 1. [STANDARDS.] *No life insurer subject to this article shall, for reinsurance ceded, reduce any liability or establish any asset in any financial statement filed with the department if, by the terms of the reinsurance agreement, in substance or effect, any of the following conditions exist:*

(1) the primary effect of the reinsurance agreement is to transfer deficiency reserves or excess interest reserves to the books of the reinsurer for a "risk charge" and the agreement does not provide for significant participation by the reinsurer in one or more of the following risks: mortality, morbidity, investment, or surrender benefit;

(2) the reserve credit taken by the ceding insurer is not in compliance with the insurance law or rules, including actuarial interpretations or standards adopted by the department;

(3) the reserve credit taken by the ceding insurer is greater than the underlying reserve of the ceding company supporting the policy obligations transferred under the reinsurance agreement;

(4) the ceding insurer is required to reimburse the reinsurer for negative experience under the reinsurance agreement, except that neither offsetting experience refunds against prior years' losses nor payment by the ceding insurer of an amount equal to prior years' losses upon voluntary termination of in-force reinsurance by that ceding insurer shall be considered such a

reimbursement to the reinsurer for negative experience;

(5) the ceding insurer can be deprived of surplus at the reinsurer's option or automatically upon the occurrence of some event, such as the insolvency of the ceding insurer, except that termination of the reinsurance agreement by the reinsurer for nonpayment of reinsurance premiums shall not be considered to be such a deprivation of surplus;

(6) the ceding insurer must, at specific points in time scheduled in the agreement, terminate or automatically recapture all or part of the reinsurance ceded;

(7) no cash payment is due from the reinsurer, throughout the lifetime of the reinsurance agreement, with all settlements prior to the termination date of the agreement made only in a "reinsurance account," and no funds in such account are available for the payment of benefits; or

(8) the reinsurance agreement involves the possible payment by the ceding insurer to the reinsurer of amounts other than from income reasonably expected from the reinsured policies.

Subd. 2. [EXCEPTION.] *Notwithstanding subdivision 1, a life insurer subject to this article may, with the prior approval of the commissioner of commerce take such reserve credit as the commissioner considers consistent with the insurance law or rules adopted under it, including actuarial interpretations or standards adopted by the department.*

Sec. 2. [60A.801] [WRITTEN AGREEMENTS.]

Subdivision 1. [REINSURANCE AGREEMENTS AND AMENDMENTS.] *No reinsurance agreement or amendment to any agreement may be used to reduce any liability or to establish any asset in any financial statement filed with the department, unless the agreement, amendment, or a letter of intent has been duly executed by both parties no later than the "as of date" of the financial statement.*

Subd. 2. [LETTERS OF INTENT.] *In the case of a letter of intent, a reinsurance agreement, or an amendment to a reinsurance agreement must be executed within a reasonable period of time, not exceeding 90 days from the execution date of the letter of intent, in order for credit to be granted for the reinsurance ceded.*

Sec. 3. [60A.802] [EXISTING AGREEMENTS.]

Life insurers subject to this article may continue to reduce liabilities or establish assets in financial statements filed with the department for reinsurance ceded under types of reinsurance agreements that would violate section 60A.13, subdivision 1, relating to financial statements of insurers, thus, resulting in distorted financial statements which do not properly reflect the financial condition of the ceding life insurer; section 60A.09, relating to reinsurance reserve credits, thus, resulting in a ceding insurer improperly reducing liabilities or establishing assets for reinsurance ceded; and article 3, relating to creating a situation that may be hazardous to policyholders and the people of this state provided that:

(1) the agreements were executed and in force before the effective date of this article;

(2) no new business is ceded under the agreements after the effective date of this article;

(3) the reduction of the liability or the asset established for the reinsurance ceded is reduced to zero by December 31, 1992, or a later date approved by the commissioner of commerce as a result of an application made by the ceding insurer prior to December 31 of the year in which this article becomes effective;

(4) the reduction of the liability or the establishment of the asset is otherwise permissible under all other applicable provisions of the insurance law or rules adopted under it, including actuarial interpretations or standards adopted by the department; and

(5) the department is notified, within 90 days after the effective date of this chapter, of the existence of these reinsurance agreements and all corresponding credits taken in the ceding insurer's 1990 annual statement.

This article is effective January 1, 1992.

(3) the value of guarantees or other credit enhancements related to the loan.

(b) The insurer may determine the carrying value of its distressed mortgage loans through either an evaluation of each specific distressed mortgage loan or by a sampling methodology. The insurer shall make an evaluation of the appropriate carrying value for each sample loan. (b) The insurer shall either take a charge against its surplus or establish a reserve for the difference between the carrying value and the amortized acquisition cost of its restructured mortgage loans.

Sec. 4. [60A.124] [INDEPENDENT AUDIT.]

The audit report of the independent certified public accountant which prepares the audit of an insurer's annual statement as required under section 60A.13, subdivision 3, paragraph (a), must contain findings by the auditor that:

(1) the insurer has adopted valuation procedures meeting the minimum standards required in section 60A.123;

(2) the procedures adopted by the board of directors have been uniformly applied by the insurer in conformance with this section; and

(3) the management of the insurer has an adequate system of internal controls.

Sec. 5. [60A.125] [APPRAISAL BY INDEPENDENT APPRAISER.]

Subdivision 1. [MORTGAGE LOANS IN THE PROCESS OF FORECLOSURE.] *An insurer may rely upon an appraisal by an independent appraiser to determine the carrying value of mortgage loans in the process of foreclosure only if the date of the appraisal is within six months of the date the foreclosure procedure is begun. If no appraisal exists, the insurer shall acquire an appraisal within six months after title to the property is acquired.*

Subd. 3. [CHARGE TAKEN.] *An insurer shall take a charge against the surplus for mortgage loans in the process of foreclosure and real estate owned in the first calendar year in which it holds a current appraisal made by an independent appraiser as provided in this section.*

Sec. 6. [60A.126] [BOARD REPORT.]

The management of the insurer shall make periodic reports, at least annually, to its board of directors, or an appropriate committee of the board, as to the application of the insurer's valuation procedures adopted under sections 60A.121 to 60A.127.

Sec. 7. [60A.127] [INDEPENDENT APPRAISALS OF CERTAIN PROPERTIES.]

Subdivision 1. [RANDOM SAMPLE APPRAISAL REQUIREMENT.] *Each domestic insurer that does not obtain independent appraisals of all distressed, delinquent, and restructured mortgage loans and use such appraisals to determine the carrying values for its annual statement shall obtain independent appraisals of a random sample of those loans for which it did not obtain and use such appraisals. The independent appraisals must be obtained by the insurer no later than 60 days after the filing of the insurer's annual statement. The loans to be sampled do not include loans for which the insurer determined the carrying value on the basis of guarantees or other credit enhancements.*

Subd. 2. [SAMPLING PROCEDURE; RULES.] *The commissioner may adopt rules specifying the percentage of distressed, delinquent, and restructured loans for which the insurer must obtain an independent appraisal. The percentage may vary between insurers or types of loans and may apply to the number of loans, the dollar value of loans, or both. The rules may also specify a procedure for determining how to identify the specific loans for which an appraisal is required. The commissioner may adopt under this subdivision only rules that would require sampling no less extensive than that required by subdivision 3.*

Subd. 3. [STATUTORY SAMPLING PROCEDURE.] *(a) Unless and until rules authorized by subdivision 2 are adopted, each domestic insurer must:*

(1) obtain an independent appraisal of five percent of its distressed, delinquent, or restructured loans required to be sampled under subdivision 1; and

(2) establish a uniform system of assigning sequential numbers to its distressed, delinquent, or restructured loans based upon the date on which

a loan first enters one of those categories, and then obtain an independent appraisal of every twentieth loan required to be sampled under subdivision 1, beginning with the tenth loan or with the loan having another number that the commissioner may announce on or within five business days after the due date for filing of the annual statement.

(b) A domestic insurer may use a sampling procedure different from that described in paragraph (a) with the prior approval of the commissioner. The commissioner may grant such approval only if the different procedure would result in a sampling that is at least as accurate and as extensive under the circumstances as the method required by paragraph (a).

Subd. 4. [RECORDKEEPING; REPORTING.] *The independent appraisals must be kept in the insurer's records and must be available to the commissioner upon request. Each insurer must file with the commissioner an annual report listing each mortgage loan for which the insurer obtained an independent appraisal under this section and showing for each of those loans the appraisal value, the carrying value determined by the insurer, and other information required by the commissioner. The report must be filed with the commissioner no later than 120 days after the filing of the annual report.*

Subd. 5. [ADDITIONAL REQUIREMENTS.] *If the commissioner determines, on the basis of the report of independent appraisals required by subdivision 4, that the carrying values shown on the annual statement, determined by methods other than an independent appraisal, overstate the market value of the loans required to be sampled, the commissioner may require any of the following procedures:*

(1) independent appraisals of additional loans from the loans required to be sampled;

(2) filing of a supplement to, or a revision of, the annual statement, showing revised carrying values for all or any appropriate portion of the loans required to be sampled; and

(3) a second independent appraisal for any loan for which an independent appraisal was obtained under this section.

Subd. 6. [SELECTION OF INDEPENDENT APPRAISER.] *The insurer shall not obtain more than one-third of the independent appraisals required under this section from any one appraiser or from any one firm.*

Subd. 7. [POWERS IN THIS SECTION NOT LIMITING.] *This section does not limit any powers otherwise available to the commissioner.*

Sec. 8. [60A.128] [RESERVE ACCOUNT.]

In computing reserves required to be held by an insurer under the provisions of section 3, subdivisions 3, 4, and 5, the commissioner may allow an insurer to take credit for any reserves held by the insurer attributable to the assets as an "asset valuation reserve" pursuant to the accounting and reserving requirements of the National Association of Insurance Commissioners. Any charges against surplus taken under section 3, subdivisions 3, 4, 5, 6, or 7, may be taken against the asset valuation reserve to the extent the asset valuation reserve is sufficient and the charge is permitted by the NAIC. To the extent the asset valuation reserve is not sufficient, or if the change is not permitted by the NAIC, the insurer shall take a charge against its surplus.

ASSUMPTION TRANSACTIONS

Section 1. Minnesota Statutes 1990, section 60A.09, is amended by adding a subdivision to read:

Subd. 4a. [ASSUMPTION TRANSACTIONS REGULATED.] *No life company, whether domestic, foreign, or alien, shall perform an assumption transaction, including an assumption reinsurance agreement, with respect to a policy issued to a Minnesota resident, unless:*

(1) the assumption agreement has been filed with the commissioner;

(2) the assumption agreement specifically provides that the original insurer remains liable to the insured in the event the assuming insurer is unable to fulfill its obligations or the original insurer acknowledges in writing to the commissioner that it remains liable to the insured in the event the assuming insurer is unable to fulfill its obligations;

(3) the proposed certificate of assumption to be provided to the policyholder has been filed with the commissioner for review and approval as provided in section 61A.02; and

(4) the proposed certificate of assumption contains, in bold face type, the following language:

"Policyholder: Please be advised that you retain all rights with respect to your policy against your original insurer in the event the assuming insurer is unable to fulfill its obligations. In such event, your original insurer remains liable to you notwithstanding the terms of its assumption agreement."

With respect to residents of Minnesota, the notice to policyholders shall also include a statement as to the effect on guaranty fund coverage, if any, that will result from the transfer.

Clauses (2) and (4) above do not apply if the policyholder consents in a signed writing to a release of the original insurer from liability and to a waiver of the protections provided in clauses (2) and (4) after being informed in writing by the insurer of the circumstances relating to and the effect of the assumption, provided that the consent form signed by the policyholder has been filed with and approved by the commissioner.

If a company is deemed by the commissioner to be in a hazardous condition or is under a court ordered supervision, rehabilitation, liquidation, conservation or receivership, and the transfer of policies is in the best interest of the policyholders, as determined by the commissioner, a transfer may be effected notwithstanding the provisions in this subdivision by using a different form of consent by policyholders. This may include a form of implied consent and adequate notification to the policyholder of the circumstances requiring the transfer as approved by the commissioner. This paragraph does not apply when a policy is transferred to the Minnesota life and health guaranty association.

[AUTHORITY.] *The authority may issue its negotiable bonds in principal amounts which, in the opinion of the authority, are necessary to provide sufficient funds for achievement of its corporate purposes, the payment of interest on its bonds, the establishment of reserves to secure its bonds, and all other expenditures of the authority incident to and necessary or convenient to carry out its purposes and powers. The bonds are investment securities and negotiable instruments within the meaning of and for all purposes of the Uniform Commercial Code.*

Subd. 2. [PAYMENT OF BONDS.] *Bonds are payable solely and only out of the money, assets, or revenues of the authority and as provided in the agreement with bondholders pledging any particular money, assets, or revenues. Bonds are not an obligation of this state or any political subdivision of this state other than the authority within the meaning of any constitutional or statutory debt limitations, but are special obligations of the authority payable solely and only from the sources provided in this chapter, and the authority shall not pledge the credit or taxing power of this state or any political subdivision of this state other than the authority or make its debts payable out of any money except that of the authority.*

Subd. 3. [RESOLUTION OF AUTHORITY.] *Bonds must be authorized by a resolution of the authority. However, a resolution authorizing the issuance of bonds may delegate to an officer of the authority the power to negotiate and fix the details of an issue of bonds by an appropriate certificate of the authorized officer.*

(1) state the date and series of the issue, be consecutively numbered and state on their face that they are payable both as to principal and interest solely out of the assets of the authority and do not constitute an indebtedness of this state or any political subdivision of this state other than the authority within the meaning of any constitutional or statutory debt limit; and

(2) be either registered, registered as to principal only, issued in denominations as the authority prescribes, fully negotiable instruments under the laws of this state, signed on behalf of the authority with the manual or facsimile signature of the chair or vice-chair, attested by the manual or facsimile signature of the secretary, have impressed or imprinted on them the seal of the authority or a facsimile of it, be payable as to interest at rates and at times as the authority determines, be payable as to principal at times over a period not to exceed 50 years from the date of issuance, at places and with reserved rights of prior redemption as the authority prescribes, be sold at prices, at public or private sale, and in a manner as the authority prescribes, and the authority may pay all expenses, premiums, and commissions that it considers necessary or advantageous in connection with the issuance and sale, and be issued under and subject to the terms, conditions, and covenants providing for the payment of the principal, redemption premiums, if any, interest and other terms, conditions, covenants, and protective provisions safeguarding payment, not inconsistent with this chapter, as are found to be necessary by the authority for the most advantageous sale.

Subd. 5. [REFUNDING.] *The authority may issue its bonds for the purpose of refunding any bonds of the authority then outstanding, including the payment of any redemption premiums and any interest accrued or to accrue to the date of redemption of the outstanding bonds. Until the proceeds of bonds issued for the purpose of refunding outstanding bonds are applied to the purchase or retirement of outstanding bonds or the redemption of outstanding bonds, the proceeds may be placed in escrow and be invested and reinvested in accordance with the provisions of this chapter. The interest, income, and profits earned or realized on an investment may also be applied to the payment of the outstanding bonds to be refunded by purchase, retirement, or redemption. After the terms of the escrow have been fully satisfied and carried out, any balance of proceeds and interest earned or realized on the investments may be returned to the authority for use by it in any*

lawful manner. All refunding bonds shall be issued and secured and are subject to the provisions of this chapter in the same manner and to the same extent as other bonds.

Subd. 6. [ANTICIPATION NOTES.] *The authority may issue negotiable bond anticipation notes and may renew them from time to time, but the maximum maturity of the notes, including renewals, must not exceed ten years from the date of issue of the original notes. Notes are payable from any available money of the authority not otherwise pledged or from the proceeds of the sale of bonds in anticipation of which the notes were issued. Notes may be issued for any corporate purpose of the authority. Notes must be issued in the same manner as bonds and notes and the resolution authorizing them may contain any provisions, conditions, or limitations, not inconsistent with the provisions of this subdivision, which the bonds or a bond resolution of the authority may contain. Notes may be sold at public or private sale. In case of default on its notes or violation of any obligations of the authority to the noteholders, the noteholders have all the remedies provided in this chapter for bondholders. Notes are as fully negotiable as bonds of the authority.*

Subd. 7. [FILING.] *A copy of each pledge agreement by or to the authority, including without limitation each bond resolution, indenture of trust or similar agreement, or any revisions or supplements to it must be filed with the secretary of state and no further filing or other action under article 9 of the Uniform Commercial Code or any other law of the state is required to perfect the security interest in the collateral or any additions to it or substitutions for it and the lien and trust so created are binding from and after the time made against all parties having claims of any kind in tort, contract, or otherwise against the pledgor.*

Subd. 8. [PERSONAL LIABILITY LIMITED.] *Members of the authority and any person executing its bonds are not liable personally on the bonds or subject to personal liability or accountability by reason of the issuance of the authority's bonds.*

Subd. 9. [NOTICE.] *The authority shall publish a notice of intention to issue bonds in a newspaper published and of general circulation in the state. The notice shall include a statement of the maximum amount of bonds proposed to be issued and, in general, what net revenues will be pledged to pay the bonds and interest on them. An action may not be brought questioning the legality of the bonds or the power of the authority to issue the bonds or the legality of any proceedings in connection with the authorization or issuance of the bonds after 60 days from the date of publication of the notice.*

Sec. 13. [41C.08] [RESERVE FUNDS AND APPROPRIATIONS.]

Subdivision 1. [AUTHORITY.] *The authority may create and establish one or more special funds, each to be known as a "bond reserve fund" and shall pay into each bond reserve fund any money appropriated and made available by the state for the purpose of the fund, any proceeds of sale of bonds to the extent provided in the resolutions of the authority authorizing their issuance, and any other money that is available to the authority for the purpose of the fund from any other sources. Money held in a bond reserve fund, except as otherwise provided in this chapter, must be used as required solely for the payment of the principal of bonds secured in whole or in part by the fund or of the sinking fund payments with respect to the bonds, the purchase or redemption of the bonds, the payment of interest on the bonds,*

or the payments of any redemption premium required to be paid when the bonds are redeemed prior to maturity.

Subd. 2. [WITHDRAWALS.] *Money in a bond reserve fund may not be withdrawn from it in an amount that will reduce the amount of the fund to less than the bond reserve fund requirement established for the fund, as provided in this section, except for the purpose of making payment when due of principal, interest, redemption premiums, and the sinking fund payments with respect to the bonds for the payment of which other money of the authority is not available. Any income or interest earned by, or incremental to, a bond reserve fund due to the investment of it may be transferred by the authority to other funds or accounts of the authority to the extent the transfer does not reduce the amount of that bond reserve fund below the bond reserve fund requirement for it.*

Subd. 3. [ISSUANCE OF SECURED BONDS.] *The authority may not at any time issue bonds, secured in whole or in part by a bond reserve fund if, upon the issuance of the bonds, the amount in the bond reserve fund will be less than the bond reserve fund requirement for the fund, unless the authority at the time of issuance of the bonds deposits in the fund from the proceeds of the bonds issued or from other sources an amount which, together with the amount then in the fund will not be less than the bond reserve fund requirement for the fund. For the purposes of this section, the term "bond reserve fund requirement" means, as of any particular date of computation, an amount of money required to be on deposit therein in the bond reserve fund, as provided in the resolutions of the authority authorizing the bonds with respect to which the fund is established.*

Subd. 4. [REPAYMENT.] *Amounts paid over to the authority by the state under this section constitute and must be accounted for as advances by the state to the authority and, subject to the rights of the holders of any bonds of the authority, must be repaid to the state without interest from all available operating revenues of the authority in excess of amounts required for the payment of bonds, the bond reserve fund, and operating expenses.*

Subd. 5. [ANNUAL REPORT.] *The authority shall cause to be delivered to the finance committees in the legislature within 90 days of the close of its fiscal year its annual report certified by an independent certified public accountant, who may be the accountant or a member of the firm of accountants who regularly audits the books and accounts of the authority selected by the authority. In the event that the principal amount of any bonds deposited in a bond reserve fund is withdrawn for payment of principal or interest thereby reducing the amount of that fund to less than the bond reserve fund requirement, the authority shall immediately notify the legislature of this event and take steps to restore the fund to its bond reserve fund requirement from any amounts available, other than principal of a bond issue, that are not pledged to the payment of other bonds.*

Sec. 14. [41C.09] [REMEDIES OF BONDHOLDERS.]

Subdivision 1. [DEFAULT.] *If the authority defaults in the payment of principal or interest on an issue of bonds at maturity or upon call for redemption and the default continues for a period of 30 days or if the authority fails or refuses to comply with the provisions of this chapter, or defaults in an agreement made with the holders of an issue of bonds, the holders of 25 percent in aggregate principal amount of bonds of the issue then outstanding, by instrument filed in the office of the clerk of the county in which the principal office of the authority is located and proved or acknowledged in*

the same manner as a deed to be recorded, may appoint a trustee to represent the holders of the bonds for the purposes provided in this section.

Subd. 2. [ACTIONS.] *The authority or any trustee appointed under the indenture under which the bonds are issued may, but upon written request of the holders of 25 percent in aggregate principal amount of the issue of bonds then outstanding shall:*

(1) enforce all rights of the bondholders including the right to require the authority to carry out its agreements with the holders and to perform its duties under this chapter;

(2) bring suit upon the bonds;

(3) by action require the authority to account as if it were the trustee of an express trust for the holders;

(4) by action enjoin any acts or things which are unlawful or in violation of the rights of the holders; and

(5) declare all the bonds due and payable and, if all defaults are made good, with the consent of the holders of 25 percent of the aggregate principal amount of the issue of bonds then outstanding, annul the declaration and its consequences.

Subd. 3. [TRUSTEE'S POWERS.] *The trustees may exercise functions specifically set forth or incident to the general representation of bondholders in the enforcement and protection of their rights.*

Subd. 4. [NOTICE.] *Before declaring the principal of bonds due and payable, the trustee shall first give 30 days' notice in writing to the governor, to the authority, and to the attorney general of the state.*

Subd. 5. [JURISDICTION.] *The district court has jurisdiction of any action by the trustee on behalf of bondholders. The venue of the action is in the county in which the principal office of the authority is located.*

The bondholders may, to the extent provided in the resolution to which the bonds were issued or in its agreement with the authority, enforce any of the remedies in subdivision 2, clauses (1) to (5), or the remedies provided in the proceedings or agreements for and on their own behalf.

Sec. 15. [41C.10] [BONDS AS LEGAL INVESTMENTS.]

Bonds are securities in which public officers, state departments and agencies, political subdivisions, insurance companies, and other persons carrying on an insurance business, banks, trust companies, savings and loan associations, investment companies, and other persons carrying on a banking business, administrators, executors, guardians, conservators, trustees, and other fiduciaries and other persons authorized to invest in bonds or other obligations of this state may properly and legally invest funds including capital in their control or belonging to them. The bonds are also securities which may be deposited with and may be received by public officers, state departments and agencies, and political subdivisions for any purpose for which the deposit of bonds or other obligations of this state is authorized.

Sec. 16. [41C.11] [CONFLICTS OF INTEREST.]

Subdivision 1. [DISCLOSURE; PROHIBITIONS.] *If a member or employee of the authority has an interest, either direct or indirect, in a contract to which the authority is or is to be a party or in a mortgage lender*

requesting a loan from or offering to sell mortgage or secured loans to the authority, the interest must be disclosed to the authority in writing and must be set forth in the minutes of the authority. The member or employee having the interest may not participate in action by the authority with respect to that contract or mortgage lender.

Subd. 2. [CERTAIN INTERESTS.] *This section does not limit the right of a member, officer, or employee of the authority to acquire an interest in bonds or notes or to limit the right of a member or employee other than the executive director to have an interest in a bank or other financial institution in which the funds of the authority are deposited or which is acting as trustee or paying agent under a trust indenture to which the authority is a party.*

Subd. 3. [EXECUTIVE DIRECTOR'S INTEREST.] *The executive director may not have an interest in a bank or other financial institution in which the funds of the authority are deposited or which is acting as trustee or paying agent under a trust indenture to which the authority is a party. The executive director may not receive, in addition to fixed salary or compensation, any money or valuable thing, either directly or indirectly, or through any substantial interest in any other corporation or business unit, for negotiating, procuring, recommending, or aiding in any purchase or sale of property or loan made by the authority, nor shall the executive director be pecuniarily interested, either as principal, co-principal, agent, or beneficiary, either directly, indirectly, or through any substantial interest in any other corporation or business unit, in any purchase, sale, or loan.*

The fees must be deposited in the state treasury and credited to the general fund.

(2) $46,000,000 to the housing pool;

(3) $10,000,000 to the public facilities pool; and

If the annual volume cap is greater or less than the amount of bonding authority allocated under clauses (1) to (4) and subdivision 2a, paragraph (a), clauses (1) to (3), the allocation must be adjusted so that each adjusted allocation is the same percentage of the annual volume cap as each original allocation is of the total bonding authority originally allocated.

Sec. 22. Minnesota Statutes 1990, section 474A.061, subdivision 1, is amended to read:

Subdivision 1. [APPLICATION.] (a) An issuer may apply for an allocation under this section by submitting to the department an application on forms provided by the department, accompanied by (1) a preliminary resolution, (2) a statement of bond counsel that the proposed issue of obligations requires an allocation under this chapter, (3) the type of qualified bonds to be issued, (4) an application deposit in the amount of one percent of the requested allocation before the last Monday in August, or in the amount of two percent of the requested allocation on or after the last Monday in August, and (5) a public purpose scoring worksheet for ~~small issue~~ *manufacturing project* applications. The amount of allocation provided to an issuer for a specific manufacturing project will be based on the number of points received for the proposed project under the scoring system under section 474A.045. Proposed projects that receive 50 points or more are eligible for all of the proposed allocation. Proposed projects that receive less than 50 points are eligible to receive a proportionally reduced share of the proposed authority.

If there are two or more applications for manufacturing projects from the ~~manufacturing~~ *small issue* pool and there is insufficient bonding authority to provide allocations for all projects in any one week after all eligible bonding authority has been transferred as provided in section 474A.081, the available bonding authority shall be awarded by lot unless otherwise agreed to by the respective issuers.

Sec. 24. Minnesota Statutes 1990, section 474A.061, subdivision 3, is amended to read:

Subd. 3. [ADDITIONAL DEPOSIT.] An issuer which has received an allocation under this section may retain any unused portion of the allocation after the first Tuesday in September only if the issuer has submitted to the department before the first Tuesday in September a letter stating its intent to issue obligations pursuant to the allocation before the end of the calendar year or within the time period permitted by federal tax law and a deposit in addition to that provided under subdivision 1, equal to one percent of the amount of allocation to be retained. The Minnesota housing finance agency *and the Minnesota rural finance authority* may retain an unused portion of an allocation after the first Tuesday in September without submitting an additional deposit.

Sec. 25. Minnesota Statutes 1990, section 474A.061, subdivision 4, is amended to read:

Subd. 4. [RETURN OF ALLOCATION; DEPOSIT REFUND.] (a) If an issuer that receives an allocation under this section determines that it will not issue obligations equal to all or a portion of the allocation received

under this section within 90 days of allocation or within the time period permitted by federal tax law, whichever is less, the issuer must notify the department. If the issuer notifies the department or the 90-day period since allocation has expired prior to the last Monday in August, the amount of allocation is canceled and returned for reallocation through the pool from which it was originally allocated. If the issuer notifies the department or the 90-day period since allocation has expired on or after the last Monday in August, the amount of allocation is canceled and returned for reallocation through the unified pool. If the issuer notifies the department after the last Monday in November, the amount of allocation is canceled and returned for reallocation to the Minnesota housing finance agency.

(b) An issuer that returns for reallocation all or a portion of an allocation received under this section within 90 days of allocation shall receive within 30 days a refund equal to:

(1) one-half of the application deposit for the amount of bonding authority returned within 30 days of receiving allocation;

(2) one-fourth of the application deposit for the amount of bonding authority returned between 31 and 60 days of receiving allocation; and

(3) one-eighth of the application deposit for the amount of bonding authority returned between 61 and 90 days of receiving allocation.

No refund shall be available for allocations returned 90 or more days after receiving the allocation. This subdivision does not apply to the Minnesota housing finance agency *or the Minnesota rural finance authority*.

Sec. 26. Minnesota Statutes 1990, section 474A.091, is amended to read:

474A.091 [ALLOCATION OF UNIFIED POOL.]

Subdivision 1. [UNIFIED POOL AMOUNT.] On the day after the last Monday in August any bonding authority remaining unallocated from the ~~manufacturing~~ *small issue* pool, the housing pool, and the public facilities pool is transferred to the unified pool and must be reallocated as provided in this section.

Subd. 2. [APPLICATION.] ~~An issuer~~ *Issuers other than the Minnesota rural finance authority* may apply for an allocation under this section by submitting to the department an application on forms provided by the department accompanied by (1) a preliminary resolution, (2) a statement of bond counsel that the proposed issue of obligations requires an allocation under this chapter, (3) the type of qualified bonds to be issued, (4) an application deposit in the amount of two percent of the requested allocation, and (5) a public purpose scoring worksheet for ~~small issue~~ *manufacturing* applications. The issuer must pay the application deposit by check. An entitlement issuer may not apply for an allocation for public facility bonds, residential rental project bonds, or mortgage bonds under this section unless it has either permanently issued bonds equal to the amount of its entitlement allocation for the current year plus any amount carried forward from previous years or returned for reallocation all of its unused entitlement allocation. For purposes of this subdivision, its entitlement allocation includes an amount obtained under section 474A.04, subdivision 6.

The Minnesota housing finance agency may not apply for an allocation for mortgage bonds under this section until after the last Monday in September. Notwithstanding the restrictions imposed on unified pool allocations after October 1 under subdivision 3, paragraph (c)(2), the Minnesota housing

finance agency may be awarded allocations for mortgage bonds from the unified pool after October 1. The Minnesota housing finance agency may apply for and receive an allocation under this section without submitting an application deposit.

Subd. 3. [ALLOCATION PROCEDURE.] (a) The commissioner shall allocate available bonding authority under this section on the Monday of every other week beginning with the first Monday in September through and on the last Monday in November. Applications for allocations must be received by the department by the Monday preceding the Monday on which allocations are to be made. If a Monday falls on a holiday, the allocation will be made or the applications must be received by the next business day after the holiday.

(b) On or before October 1, allocations shall be awarded from the unified pool in the following order of priority:

(1) applications for small issue bonds;

(2) applications for residential rental project bonds;

(3) applications for public facility projects funded by public facility bonds;

(4) applications for redevelopment bonds;

(5) applications for mortgage bonds; and

(6) applications for governmental bonds.

Allocations for residential rental projects may only be made during the first allocation in September. The amount of allocation provided to an issuer for a specific manufacturing project will be based on the number of points received for the proposed project under the scoring system under section 474A.045. Proposed manufacturing projects that receive 50 points or more are eligible for all of the proposed allocation. Proposed manufacturing projects that receive less than 50 points under section 474A.045 are only eligible to receive a proportionally reduced share of the proposed authority. If there are two or more applications for manufacturing projects from the unified pool and there is insufficient bonding authority to provide allocations for all manufacturing projects in any one allocation period, the available bonding authority shall be awarded based on the number of points awarded a project under section 474A.045 with those projects receiving the greatest number of points receiving allocation first.

(c)(1) On the first Monday in October, $20,000,000 of bonding authority or an amount equal to the total annual amount of bonding authority allocated to the ~~manufacturing~~ *small issue* pool under section 474A.03, subdivision 1, less the amount allocated to issuers from the ~~manufacturing~~ *small issue* pool for that year, whichever is less, is reserved within the unified pool for small issue bonds. On the first Monday in October, $2,500,000 of bonding authority or an amount equal to the total annual amount of bonding authority allocated to the public facilities pool under section 474A.03, subdivision 1, less the amount allocated to issuers from the public facilities pool for that year, whichever is less, is reserved within the unified pool for public facility bonds. If sufficient bonding authority is not available to reserve the required amounts for both small issue bonds and public facility bonds, seven-eighths of the remaining available bonding authority is reserved for small issue bonds and one-eighth of the remaining available bonding authority is reserved for public facility bonds.

(2) The total amount of allocations for mortgage bonds from the housing pool and the unified pool may not exceed:

(i) $10,000,000 for any one city; or

(ii) $20,000,000 for any number of cities in any one county.

An allocation for mortgage bonds may be used for mortgage credit certificates.

After October 1, allocations shall be awarded from the unified pool only for the following types of qualified bonds: small issue bonds, public facility bonds, and residential rental project bonds.

(d) If there is insufficient bonding authority to fund all projects within any qualified bond category, allocations shall be awarded by lot unless otherwise agreed to by the respective issuers. If an application is rejected, the commissioner must notify the applicant and return the application deposit to the applicant within 30 days unless the applicant requests in writing that the application be resubmitted. The granting of an allocation of bonding authority under this section must be evidenced by issuance of a certificate of allocation.

Subd. 4. [MORTGAGE BONDS.] All remaining bonding authority available for allocation under this section on December 1, is allocated to the Minnesota housing finance agency.

Subd. 5. [RETURN OF ALLOCATION; DEPOSIT REFUND.] (a) If an issuer that receives an allocation under this section determines that it will not issue obligations equal to all or a portion of the allocation received under this section within 90 days of the allocation or within the time period permitted by federal tax law, whichever is less, the issuer must notify the department. If the issuer notifies the department or the 90-day period since allocation has expired prior to the last Monday in November, the amount of allocation is canceled and returned for reallocation through the unified pool.

(b) An issuer that returns for reallocation all or a portion of an allocation received under this section within 90 days of the allocation shall receive within 30 days a refund equal to:

(1) one-half of the application deposit for the amount of bonding authority returned within 30 days of receiving the allocation;

(2) one-fourth of the application deposit for the amount of bonding authority returned between 31 and 60 days of receiving the allocation; and

(3) one-eighth of the application deposit for the amount of bonding authority returned between 61 and 90 days of receiving the allocation.

No refund of the application deposit shall be available for allocations returned on or after the last Monday in November. This subdivision does not apply to the Minnesota housing finance agency, *or the Minnesota rural finance authority*.

Subd. 6. [FINAL ALLOCATION; CARRYFORWARD.] Any bonding authority remaining unissued by the Minnesota housing finance agency after the last Monday in December is allocated to the department of finance for reallocation for qualified bonds eligible to be carried forward under federal tax law.

Sec. 27. Minnesota Statutes 1990, section 474A.14, is amended to read:

474A.14 [NOTICE OF AVAILABLE AUTHORITY.]

The department shall publish in the State Register a notice of the amount of bonding authority in the housing, ~~manufacturing~~ *small issue*, and public facilities pools as soon after January 1 as possible. The department shall publish in the State Register a notice of the amount of bonding authority available for allocation in the unified pool as soon after September 1 as possible.

Sec. 28. [APPROPRIATION.]

Subdivision 1. [1991 UNIFIED POOL RESERVATION.] *Notwithstanding Minnesota Statutes, section 474A.091, for calendar year 1991, $5,000,000 must be reserved upon creation of the unified pool for use by the Minnesota rural finance authority for the agricultural development bond beginning farmer and agricultural business enterprise loan program. This reservation remains in effect until the last Monday in November.*

(2) transfer all recyclable materials collected to a recycler.

Sec. 13. [115A.31] [LOCAL GOVERNMENT DECISIONS; TIMELINES.]

If a county applies for or requests approval of establishment of a solid waste facility within the boundaries of a local government unit, the local government unit shall approve or disapprove the application or request within 120 days following the delivery by the county to the local government unit of the application or request completed in accordance with the requirements of applicable local ordinances.

If the proposed facility is one for which an environmental impact statement or environmental assessment worksheet is required under section 116D.04,

the local government unit shall approve or disapprove the application or request within 90 days after the final determination of adequacy of the environmental impact statement or environmental assessment worksheet.

Sec. 14. Minnesota Statutes 1990, section 115A.411, subdivision 1, is amended to read:

Subdivision 1. Sec. 16. Minnesota Statutes 1990, section 115A.46, is amended by adding a subdivision to read:

Subd. 5. [JURISDICTION OF PLAN.] *(a) After a county plan has been submitted for approval under subdivision 1, a political subdivision within the county may not enter into a binding agreement governing a solid waste management activity that is inconsistent with the county plan without the consent of the county.*

(b) After a county plan has been approved under subdivision 1, the plan governs all solid waste management in the county and a political subdivision within the county may not develop or implement a solid waste management activity, other than an activity to reduce waste generation or reuse waste materials, that is inconsistent with the county plan that the county is actively implementing without the consent of the county.

Sec. 17. Minnesota Statutes 1990, section 115A.49, is amended to read:

115A.49 [ESTABLISHMENT; PURPOSES AND PRIORITIES.]

There is established a program to encourage and assist cities, counties, solid waste management districts, and sanitary districts in the development and implementation of solid waste management projects and to transfer the knowledge and experience gained from such projects to other communities in the state. The program must be administered to encourage local communities to develop feasible and prudent alternatives to disposal, including waste reduction; waste separation by generators, collectors, and other persons; and waste processing. The *director shall administer the* program ~~must be administered by the office~~ in accordance with the requirements of sections 115A.49 to 115A.54 and rules promulgated ~~by the office pursuant to~~ *under* chapter 14. In administering the program, the ~~office~~ *director* shall give priority to *projects in the order of preference of the waste management practices listed in section 115A.02. The director shall give special consideration to* areas where natural geologic and soil conditions are especially unsuitable for land disposal of solid waste; areas where the capacity of existing solid waste disposal facilities is determined by the ~~office~~ *director* to be less than five years; and projects serving more than one local government unit.

Sec. 18. Minnesota Statutes 1990, section 115A.53, is amended to read:

115A.53 [WASTE ~~REDUCTION AND~~ SEPARATION PROJECTS.]

The ~~office~~ *director* shall provide grants to develop and implement projects for ~~waste reduction;~~ waste separation by generators, collectors, and other persons; and collection systems for separated waste. Activities eligible for assistance under this section include legal, financial, economic, educational, marketing, social, governmental, and administrative activities related to the development and implementation of the project. Preliminary planning and development, feasibility study, and conceptual design costs are eligible activities, but no more than 20 percent of program funds shall be used to fund those activities. Projects may include the management of household hazardous waste, as defined in section 115A.96. *The director shall give priority to innovative methods for waste separation for reuse and recycling.* The ~~rules of the office~~ *director* shall prescribe *by rule* the level or levels of local funding required for grants under this section.

Sec. 19. Minnesota Statutes 1990, section 115A.551, subdivision 1, is amended to read:

Subdivision 1. [DEFINITION.] (a) For the purposes of this section, "recycling" means, in addition to the meaning given in section 115A.03,

subdivision 25b, yard waste composting, and recycling that occurs through mechanical or hand separation of materials that are then delivered for reuse in their original form or for use in manufacturing processes that do not cause the destruction of recyclable materials in a manner that precludes further use.

(b) For the purposes of this section, "total solid waste generation" means the total by weight of:

(1) materials separated for recycling;

(2) materials separated for yard waste composting; ~~and~~

(3) mixed municipal solid waste plus yard waste, used oil, tires, lead acid batteries, and major appliances; *and*

(4) residential waste materials that would be mixed municipal solid waste but for the fact that they are not collected as such.

Sec. 20. Minnesota Statutes 1990, section 115A.551, is amended by adding a subdivision to read:

Subd. 2a. [SUPPLEMENTARY RECYCLING GOALS.] *By July 31, 1996, each county will have as a goal to recycle the following amounts:*

(1) for a county outside of the metropolitan area, 30 percent by weight of total solid waste generation;

(2) for a metropolitan county, 45 percent by weight of total solid waste generation.

Each county will develop and implement or require political subdivisions within the county to develop and implement programs, practices, or methods designed to meet its recycling goal. Nothing in this section or in any other law may be construed to prohibit a county from establishing a higher recycling goal. For the purposes of this subdivision "total solid waste generation" has the meaning given it in subdivision 1, except that it does not include yard waste.

Sec. 21. Minnesota Statutes 1990, section 115A.551, subdivision 4, is amended to read:

Subd. 4. [INTERIM MONITORING.] The office, for counties outside of the metropolitan area, and the metropolitan council, for counties within the metropolitan area, shall monitor the progress of each county toward meeting the recycling goal in subdivision 2 and shall report to the legislative commission on waste management on the progress of the counties by November ~~1~~ *15* of each year. If the office or the council finds that a county is not progressing toward the goal in subdivision 2, it shall negotiate with the county to develop and implement solid waste management techniques designed to assist the county in meeting the goal, such as organized collection, curbside collection of source-separated materials, and volume-based pricing.

In even-numbered years the progress report may be included in the solid waste management policy report required under section 115A.411.

Sec. 22. Minnesota Statutes 1990, section 115A.552, subdivision 1, is amended to read:

Subdivision 1. [COUNTY REQUIREMENT.] Counties shall ensure that residents, *including residents of single and multifamily dwellings,* have an

opportunity to recycle. At least one recycling center shall be available in each county. Opportunity to recycle means availability of recycling and curbside pickup or collection centers for recyclable materials at sites that are convenient for persons to use. Counties shall also provide for the recycling of problem materials and major appliances. Counties shall assess the operation of existing and proposed recycling centers and shall give due consideration to those centers in ensuring the opportunity to recycle. *To the extent practicable, the costs incurred by a county for collection, storage, transportation, and recycling of major appliances must be collected from persons who discard the major appliances.*

Sec. 23. Minnesota Statutes 1990, section 115A.552, subdivision 2, is amended to read:

Subd. 2. [RECYCLING OPPORTUNITIES.] An opportunity to recycle must include:

(1) a local recycling center in the county and sites for collecting recyclable materials that are located in areas convenient for persons to use them;

(2) curbside pickup, centralized drop-off, or a local recycling center for at least four ~~kinds~~ *broad types* of recyclable materials in cities with a population of 5,000 or more persons; and

(3) monthly pickup of at least four *broad types of* recyclable materials in cities of the first and second class and cities with 5,000 or more population in the metropolitan area.

Sec. 24. Minnesota Statutes 1990, section 115A.552, is amended by adding a subdivision to read:

Subd. 4. [NONRESIDENTIAL RECYCLING.] *Each county shall encourage building owners and managers, business owners and managers, and collectors of commercial mixed municipal solid waste to provide appropriate recycling services and opportunities to generators of commercial, industrial, and institutional solid waste in the county.*

Sec. 25. Minnesota Statutes 1990, section 115A.554, is amended to read:

115A.554 [AUTHORITY OF SANITARY DISTRICTS.]

Sec. 26. Minnesota Statutes 1990, section 115A.557, subdivision 4, is amended to read:

Subd. 4. [REPORT.] By November + *15* of each year, the office shall report on how the money was spent and the resulting statewide improvements in solid waste management to the house of representatives and senate appropriations and finance committees and the legislative commission on waste management. *In even-numbered years the report may be included in the solid waste management policy report required under section 115A.411.*

Sec. 27. Minnesota Statutes 1990, section 115A.64, subdivision 2, is amended to read:

Subd. 2. [PETITION CONTENTS.] *(a)* A petition requesting establishment or alteration of a waste district ~~shall~~ *must* contain the information the

~~office~~ *director* may require, including at least the following:

~~(a)~~ *(1)* the name of the proposed district;

~~(b)~~ *(2)* a description of the territory and political subdivisions within and the boundaries of the proposed district or alteration thereto, along with a map showing the district or alteration;

(ii) provisions for representation and election of the board of directors of the district.

(b) After the petition has been filed, no petitioner may withdraw from it except with the written consent of all other petitioners ~~filed with the office~~ *for the district.*

Sec. 28. Minnesota Statutes 1990, section 115A.67, is amended to read:

115A.67 [ORGANIZATION OF DISTRICT.]

~~The governing body of each county wholly or partly within the district shall appoint two persons to serve on the first board of directors of the district, except that in the case of a district having territory within only two counties each county may appoint three persons. At least one person appointed by each county shall be an elected official of a local government unit having territory within the district. The first chair of the board of directors shall be appointed from outside the first board of directors by the director of the office of waste management. The first chair shall serve for a term of two years. Thereafter~~

Subdivision 1. [BOARD.] The chair shall be elected from outside the board of directors by majority vote of the board of directors. *The first chair shall serve for a term of two years.* Members of the board of directors shall be residents of the district.

Subd. 2. [FIRST MEETING.] The first meeting of the board of directors shall be held at the call of the chair, after notice, for the purpose of proposing the bylaws, electing officers and for any other business that comes before the meeting. The bylaws of the district, and amendments thereto, shall be adopted by a majority vote of the board of directors unless the certificate of incorporation requires a greater vote.

Subd. 3. [BYLAWS.] The bylaws shall state:

(a) the manner and time of calling regular meetings of the representatives and the board of directors, not less than once annually;

Sec. 29. [115A.715] [SOLID WASTE AUTHORITY.]

A district has all the authority of a county for solid waste management purposes that is given to counties under this chapter and chapters 400 and 473, except the authority to issue general obligation bonds or to levy property taxes. A district has the authority of a county to issue general obligation bonds and to levy property taxes only if and only to the extent that the governing body of each county that is a member of the district agrees to delegate the authority to the district. The delegation of the authority is irrevocable unless the governing body of each county that is a member of the district agrees to the revocation.

Sec. 30. Minnesota Statutes 1990, section 115A.83, is amended to read:

115A.83 [EXEMPTION.]

The designation may not apply to or include:

(1) materials that are separated from *mixed municipal* solid waste and recovered for reuse in their original form or for use in manufacturing processes; ~~or~~

(2) materials that are processed at a resource recovery facility at the capacity in operation at the time that the designation plan is approved by the reviewing authority*; or*

(3) materials that are separated at a permitted transfer station located within the boundaries of the designating authority for the purpose of recycling the materials if: (i) the transfer station was in operation on January 1, 1991; or (ii) the materials were not being separated for recycling at the designated facility at the time the transfer station began separation of the materials.

For the purposes of this section, "manufacturing processes" does not include the treatment of waste after collection for the purpose of composting.

The exemptions in this section apply to only those materials separated from mixed municipal solid waste that are managed in a manner that is preferred over the primary management method of the designated facility under section 115A.02, paragraph (b).

Sec. 31. Minnesota Statutes 1990, section 115A.84, subdivision 2, is amended to read:

Subd. 2. [DESIGNATION; PLAN CONTENTS.] (a) The designation plan must evaluate:

(1) the benefits of the designation, including the public purposes achieved by the conservation and recovery of resources, the furtherance of local and any district or regional waste management plans and policies, and the furtherance of the state policies and purposes expressed in section 115A.02; and

(2) the estimated costs of the designation, including the direct capital, operating, and maintenance costs of the facility designated, the indirect costs, and the long-term effects of the designation.

(b) In particular the designation plan must evaluate:

(1) whether the designation will result in the recovery of resources or energy from materials which would otherwise be wasted;

(2) whether the designation will lessen the demand for and use of indiscriminate land disposal;

(3) whether the designation is necessary for the financial support of the facility;

(4) whether less restrictive methods for ensuring an adequate solid waste supply are available;

(5) other feasible and prudent waste management alternatives for accomplishing the purposes of the proposed designation, the direct and indirect costs of the alternatives, including capital and operating costs, and the effects of the alternatives on the cost to generators; and

(6) whether the designation takes into account and promotes local, regional, and state waste management goals.

(c) When the plan proposes designation to disposal facilities, the designation plan must also evaluate:

(1) whether the disposal facility is part of an integrated waste management system involving a processing facility and the designation is necessary for the financial support of the processing facility;

(2) whether the designation will better serve to protect public health and safety;

(3) the impacts on other disposal facilities inside and outside the area;

(4) whether the designation is necessary to promote regional waste management programs and cooperation; and

(5) the extent to which the design and operation of the disposal facility protects the environment including whether it is permitted under current agency rules and whether any portion of the facility's site is listed under section 115B.17, subdivision 13.

(d) When the plan proposes designation to a disposal facility, mixed municipal solid waste that is subject to a contract between a hauler and a different facility that is in effect on the date notice is given under section 115A.85, subdivision 2, is not subject to the designation during the contract period *or for one year after the date notice is given, whichever period is shorter.*

Sec. 32. Minnesota Statutes 1990, section 115A.84, is amended by adding a subdivision to read:

Subd. 5. [EXCLUSION OF MATERIALS SEPARATED AT CERTAIN

FACILITIES.] *(a) A county or district shall exclude from the designation, subject to approval by the reviewing authority, materials that the county or district determines will be separated for recycling at a transfer station located outside of the area subject to designation if:*

(1) the residual materials left after separation of the recyclable materials are delivered to a facility designated by the county or district;

(2) each waste collector who would otherwise be subject to the designation ordinance and who delivers waste to the transfer station has not been found in violation of the designation ordinance in the six months prior to filing for an exclusion;

(3) the materials separated at the transfer station are delivered to a recycler and are actually recycled; and

(4) the owner or operator of the transfer station agrees to report and actually reports to the county or district the quantities of materials, by categories to be specified by the county or district, that are recycled by the facility that otherwise would have been subject to designation.

(b) In order to qualify for the exclusion in this subdivision, the owner of a transfer station shall file with the county or district a written description of the transfer station, its operation, location, and waste supply sources, the quantity of waste delivered to the transfer station by the owner of the transfer station, the market for the materials separated for recycling, where the recyclable materials are delivered for recycling, and other information the county or district may reasonably require. Information received by the county or district is nonpublic data as defined in section 13.02, subdivision 9.

(c) A county or district that grants an exclusion under this subdivision may revoke the exclusion if any of the conditions of paragraph (a) are not being met.

Sec. 33. Minnesota Statutes 1990, section 115A.86, subdivision 5, is amended to read:

Subd. 5. [AMENDMENTS.] (a) *Except for an amendment authorized under section 115A.86, subdivision 6,* amendments to a designation ordinance must be submitted to the reviewing authority for approval. The reviewing authority shall approve the amendment if the amendment is in the public interest and in furtherance of the state policies and purposes expressed in section 115A.02. If the reviewing authority finds that the proposed amendment is a substantive change from the existing designation plan, the reviewing authority may require that the county or solid waste management district submit a revised designation plan to the reviewing authority for approval. After receiving approval for the designation plan amendment from the reviewing authority, the county or district shall follow the procedure outlined in section 115A.85 prior to submitting the amended designation ordinance to the reviewing authority for approval. If the reviewing authority does not act within 90 days after receiving the proposed amendment to the designation ordinance, the amendment is approved.

(b) *Except for an amendment authorized under section 115A.86, subdivision 6,* prior to amending an ordinance to designate solid waste to a disposal facility, a county or district shall submit an amended designation plan to the reviewing authority for approval, and shall follow the procedures outlined in section 115A.85.

Sec. 34. Minnesota Statutes 1990, section 115A.86, is amended by adding a subdivision to read:

Subd. 6. [PENALTIES.] *(a) A county may include in its designation ordinance civil and misdemeanor penalties for violation of the ordinance. Subdivision 5 does not govern a designation ordinance amendment adopted under this paragraph.*

(b) A county may by ordinance impose civil and misdemeanor penalties for delivery of mixed municipal solid waste to a processing or disposal facility in the county that is not a facility designated to receive the waste under a designation ordinance adopted by another county under this section.

(c) A civil penalty adopted under paragraph (a) or (b) must be payable to the county and may not exceed a fine of $10,000 per day of violation plus the cost of mitigating any damages caused by the violation and the attorney fees and court costs incurred by the county to enforce the ordinance.

Sec. 35. Minnesota Statutes 1990, section 115A.882, is amended to read:

115A.882 [~~INSPECTION OF~~ RECORDS; *INSPECTION.*]

Subdivision 1. [DEFINITIONS.] *For the purposes of this section:*

(1) "origin" means a general geographical description that at a minimum names the local governmental unit within a county from which waste was collected; and

(2) "type" means a best estimate of the percentage of each truck load that consists of residential, commercial, industrial, construction, or any other general type of waste.

Subd. 2. [RECORDS; COLLECTORS; FACILITIES.] *Each person who collects solid waste in a county in which a designation ordinance is in effect shall maintain records regarding the volume or weight, type, and origin of waste collected. Each day, a record of the origin, type, and weight of the waste collected that day and the identity of the waste facility at which that day's collected waste is deposited must be kept on the waste collection vehicle. If the waste is measured by volume at the waste facility at which it is deposited, the record may show the volume rather than the weight of the waste.*

The owner or operator of a solid waste facility shall maintain records regarding the weight of the waste, or the volume of the waste if the waste is measured by volume; the general type or types of waste; the origin of the waste delivered to the facility; the date and time of delivery; and the name of the waste collector that delivered the waste to the facility.

Subd. 3. [INSPECTION.] A person authorized by a county in which a designation *ordinance* is effective may, ~~upon presentation of identification and without a search warrant, inspect or copy records of an owner or operator of any waste facility in the state that contain information regarding the volume, type, origin, and weight of the waste received by the facility, and the date and time of weighing. A person who fails to open for inspection and copying the records referred to in this section is guilty of a misdemeanor.~~ *anywhere in the state:*

(1) upon presentation of identification and without a search warrant, inspect or copy the records required to be kept on a waste collection vehicle under subdivision 2 and inspect the waste on the vehicle at the time of deposit of the waste at a facility;

(2) upon presentation of identification and without a search warrant, inspect or copy the records of an owner or operator of a solid waste facility that are required to be maintained under subdivision 2;

(3) request, in writing, copies of records of a solid waste collector that indicate the type, origin, and weight or, if applicable, the volume of waste collected, the identity of the facility at which the waste was deposited, and the date of deposit at the facility; and

(4) upon presentation of identification and without a search warrant, inspect or copy that portion of the business records of a waste collector necessary to comply with clause (3) at the central record keeping location of the waste collector only if the collector fails to provide copies of the records within 15 days of receipt of a written request for them.

Records or information received, inspected, or copied by a county under this section are classified as nonpublic data as defined in section 13.02, subdivision 9, and may be used by the county solely for enforcement of a designation ordinance. A waste collector or the owner or operator of a waste facility shall maintain business records needed to comply with this section for two years.

Sec. 36. Minnesota Statutes 1990, section 115A.9162, subdivision 2, is amended to read:

Subd. 2. [GRANTS.] The office may make grants to ~~counties~~ *local government units* for installation of storage tanks to collect used oil. To be eligible for a grant, ~~a county~~ *an applicant* must obtain approval from the commissioner of the agency for the type of tank to be used, the location and installation of the tank, and the proposed ongoing maintenance and monitoring of the collection site. A tank may be located on public or private property and must be made available to the public for used oil disposal. A grant for a single tank may not exceed $2,500 and a ~~county~~ *local government unit* may not receive more than $5,000 in grants for storage tanks.

Sec. 37. Minnesota Statutes 1990, section 115A.919, is amended to read:

115A.919 [COUNTY FEE AUTHORITY.]

Subdivision 1. [FEE.] *(a)* A county may impose a fee, by cubic yard of waste or its equivalent, on operators of facilities for the disposal of mixed municipal solid waste *or construction debris* located within the county. The revenue from the fees shall be credited to the county general fund and shall be used only for landfill abatement purposes, or costs of closure, postclosure care, and response actions or for purposes of mitigating and compensating for the local risks, costs, and other adverse effects of facilities.

(b) Fees for construction debris facilities may not exceed 50 cents per cubic yard. Revenues from the fees must offset any financial assurances required by the county for a construction debris facility. The maximum revenue that may be collected for a construction debris facility must be determined by multiplying the total permitted capacity of the facility by 15 cents per cubic yard. Once the maximum revenue has been collected for a facility, the fee may no longer be imposed. The limitation on the fees in this paragraph and in section 115A.921, subdivision 2, are not intended to alter the liability of the facility operator or the authority of the agency to impose financial assurance requirements.

Subd. 2. [ADDITIONAL FEE.] *A county may impose a fee, by cubic yard or the equivalent of waste collected outside the county, in addition to*

a fee imposed under subdivision 1, on operators of mixed municipal solid waste disposal facilities located within the county. The fee may not exceed $7.50 per cubic yard or the equivalent. A person licensed to collect solid waste in a county that designates the waste under sections 115A.80 to 115A.893 who is referred to a disposal facility outside the county due to temporary closure of the designated facility is exempt from the additional fee; the designated facility is responsible for the fee. Revenue generated from the additional fee must be credited to the county general fund and may be used only for the purposes listed in subdivision 1.

Subd. 3. [EXEMPTIONS.] *(a)* Waste residue from recycling facilities at which recyclable materials are separated or processed for the purpose of recycling, or from energy and resource recovery facilities at which solid waste is processed for the purpose of extracting, reducing, converting to energy, or otherwise separating and preparing solid waste for reuse shall be exempt from ~~the~~ *any* fee imposed by a county under this section if there is at least an 85 percent volume reduction in the solid waste processed. Before any fee is reduced, the verification procedures of section 473.843, subdivision 1, paragraph (c), must be followed and submitted to the appropriate county.

(b) A facility permitted for the disposal of construction debris is exempt from 25 percent of a fee imposed under subdivision 1 if the facility has implemented a recycling program approved by the county and 25 percent if the facility contains a liner and leachate collection system approved by the agency.

Sec. 38. Minnesota Statutes 1990, section 115A.921, is amended to read:

115A.921 [CITY OR TOWN FEE AUTHORITY.]

Subdivision 1. [MIXED MUNICIPAL SOLID WASTE.] A city or town may impose a fee, not to exceed $1 per cubic yard of waste, or its equivalent, on operators of facilities for the disposal of mixed municipal solid waste located within the city or town. The revenue from the fees must be credited to the city or town general fund. Revenue produced by 25 cents of the fee must be used only for purposes of landfill abatement or for purposes of mitigating and compensating for the local risks, costs, and other adverse effects of facilities. Revenue produced by the balance of the fee may be used for any general fund purpose.

Waste residue from recycling facilities at which recyclable materials are separated or processed for the purpose of recycling, or from energy and resource recovery facilities at which solid waste is processed for the purpose of extracting, reducing, converting to energy, or otherwise separating and preparing solid waste for reuse shall be exempt from the fee imposed by a city or town under this section if there is at least an 85 percent volume reduction in the solid waste processed. Before any fee is reduced, the verification procedures of section 473.843, subdivision 1, paragraph (c), must be followed and submitted to the appropriate city or town.

Subd. 2. [CONSTRUCTION DEBRIS.] *(a) A city or town may impose a fee, not to exceed 50 cents per cubic yard of waste, or its equivalent, on operators of facilities for the disposal of construction debris located within the city or town. The revenue from the fees must be credited to the city or town general fund. Two-thirds of the revenue must be used only for purposes of landfill abatement or for purposes of mitigating and compensating for the local risks, costs, and other adverse effects resulting from the facilities.*

(b) A facility permitted for the disposal of construction debris is exempt from 25 percent of a fee imposed under this subdivision if the facility has implemented a recycling program that has been approved by the county and 25 percent if the facility contains a liner and leachate collection system approved by the agency.

(c) Two-thirds of the revenue from fees collected under this subdivision must offset any financial assurances required by the city or town for a construction debris facility.

(d) The maximum revenue that may be collected under this subdivision must be determined by multiplying the total permitted capacity of a facility by 15 cents per cubic yard. Once the maximum revenue has been collected for a facility, the fees in this subdivision may no longer be imposed.

Sec. 39. Minnesota Statutes 1990, section 115A.923, subdivision 1, is amended to read:

Subdivision 1. [AMOUNT OF FEE.] (a) The operator of a mixed municipal solid waste disposal facility outside of the metropolitan area shall ~~pay~~ *charge* a fee on solid waste accepted and disposed of at the facility as follows:

(1) a facility that weighs the waste that it accepts must ~~pay~~ *charge* a fee of $2 per cubic yard based on equivalent cubic yards of waste accepted at the entrance of the facility;

(2) a facility that does not weigh the waste but that measures the volume of the waste that it accepts must ~~pay~~ *charge* a fee of $2 per cubic yard of waste accepted at the entrance of the facility; and

(3) waste residue from recycling facilities at which recyclable materials are separated or processed for the purpose of recycling, or from energy and resource recovery facilities at which solid waste is processed for the purpose of extracting, reducing, converting to energy, or otherwise separating and preparing solid waste for reuse is exempt from the fee imposed by this subdivision if there is at least an 85 percent volume reduction in the solid waste processed.

(b) To qualify for exemption under paragraph (a), clause (3), waste residue must be brought to a disposal facility separately. The commissioner of revenue, with the advice and assistance of the agency, shall prescribe procedures for determining the amount of waste residue qualifying for exemption.

Sec. 40. Minnesota Statutes 1990, section 115A.923, subdivision 1a, is amended to read:

Subd. 1a. [PAYMENT OF THE GREATER MINNESOTA LANDFILL CLEANUP FEE.] The operator of a disposal facility in greater Minnesota shall ~~pay~~ *remit* the ~~fee required~~ *fees collected* under subdivision 1 to the county or sanitary district where the facility is located, except that the operator of a facility that is owned by a statutory or home rule city shall ~~pay~~ *remit* the ~~fee~~ *fees* to the city that owns the facility. The county, city, or sanitary district may use the revenue from the ~~fee~~ *fees* only for the purposes specified in section 115A.919.

Sec. 41. [115A.929] [FEES; ACCOUNTING.]

Each local government unit that collects a fee under section 115A.919, 115A.921, or 115A.923 shall account for all revenue collected from the fee,

together with interest earned on the revenue from the fee, separately from other revenue collected by the local government unit and shall report revenue collected from the fee and use of the revenue separately from other revenue and use of revenue in any required financial report or audit.

Sec. 42. Minnesota Statutes 1990, section 115A.93, subdivision 3, is amended to read:

Subd. 3. [LICENSE REQUIREMENTS.] (a) A licensing authority shall require ~~to the extent possible~~ that charges for collection of mixed municipal solid waste vary with the volume or weight of the waste collected.

(b) A licensing authority may impose requirements that are consistent with the county's solid waste policies as a condition of receiving and maintaining a license.

(c) A licensing authority shall prohibit mixed municipal solid waste collectors from imposing a greater charge on residents who recycle than on residents who do not recycle.

Sec. 43. Minnesota Statutes 1990, section 115A.93, is amended by adding a subdivision to read:

Subd. 4. [DATE CERTAIN.] *By January 1, 1993, each county shall ensure that each city or town within the county requires each mixed municipal solid waste collector that provides curbside collection service in the city or town to obtain a license under this section or the county shall directly require and issue the licenses. No person may collect mixed municipal solid waste after January 1, 1993, without a license.*

Sec. 44. Minnesota Statutes 1990, section 115A.931, is amended to read:

115A.931 [~~LAND DISPOSAL OF~~ YARD WASTE *PROHIBITION*.]

(a) Except as authorized by the agency, in the metropolitan area after January 1, 1990, and outside the metropolitan area after January 1, 1992, a person may not ~~dispose of~~ *place* yard waste:

(1) in mixed municipal solid waste;

(2) in a disposal facility; or

(3) in a resource recovery facility except for the purposes of composting or co-composting.

(b) Yard waste subject to this subdivision is garden wastes, leaves, lawn cuttings, weeds, and prunings.

Sec. 45. [115A.935] [SOLID WASTE GENERATED OUTSIDE OF MINNESOTA.]

No person shall transport into or deposit in this state, for the purpose of processing or disposal, solid waste that was generated in another state, unless the waste:

(1) meets all the solid waste management regulations of the state in which it was generated; and

(2) contains none of the items specifically banned from mixed municipal solid waste in this state, including waste tires, used motor oil, waste lead acid batteries, yard waste, major appliances, and any other item specifically banned from the waste stream under this chapter.

Sec. 46. Minnesota Statutes 1990, section 115A.94, subdivision 4, is

amended to read:

Subd. 4. [CITIES AND TOWNS; NOTICE; PLANNING.] (a) At least 180 days before implementing an ordinance, franchise, license, contract or other means of organizing collection, a city or town, by resolution of the governing body, shall announce its intent to organize collection and invite the participation of interested persons, including persons licensed to operate solid waste collection services, in planning and establishing the organized collection system.

(b) The resolution of intent must be adopted after a public hearing. The hearing must be held at least two weeks after public notice and mailed notice to persons known by the city or town to be operating solid waste collection services in the city or town. The failure to give mailed notice to persons or defect in the notice does not invalidate the proceedings, provided a bona fide effort to comply with notice requirements has been made.

(c) During a 90-day period following the resolution of intent, the city or town shall develop or supervise the development of plans or proposals for organized collection. During this 90-day planning period, the city or town shall invite and employ the assistance of persons licensed as of the date of the resolution of intent to operate solid waste collection services in the city or town. Failure of a licensed collector to participate in the 90-day planning period, when the city or town has made a bona fide effort to provide the person the opportunity to participate, does not invalidate the planning process.

(d) For 90 days after the date ending the planning period required under paragraph (c), the city or town shall discuss possible organized collection arrangements with all licensed collectors operating in the city or town who have expressed interest. If the city or town is unable to agree on an organized collection arrangement with a majority of the licensed collectors who have expressed interest, or upon expiration of the 90 days, the city or town may propose implementation of an alternate method of organizing collection as authorized in subdivision 3.

(e) The city or town shall make specific findings that:

(1) describe in detail the procedures it used to plan and to attempt implementation of organized collection through an arrangement with collectors who expressed interest; and

(2) evaluate the proposed organized collection method in light of at least the following standards: achieving the stated organized collection goals of the city or town; minimizing displacement of collectors; ensuring participation of all interested parties in the decision-making process; and maximizing efficiency in solid waste collection.

(f) Upon request, the city or town shall provide mailed notice of all proceedings on the organization of collection in the city or town.

(g) If the city or town and all the persons licensed to operate mixed municipal solid waste collection services and doing business in the city or town agree on the plan, the city or town may implement the plan without regard to the 180-day period specified in paragraph (a).

Sec. 47. [115A.941] [SOLID WASTE; REQUIRED COLLECTION.]

(a) Except as provided in paragraph (b), each city and town with a population of 5,000 or more shall ensure that every residential household

and business in the city or town has solid waste collection service. To comply with this section, a city or town may organize collection, provide collection, or require by ordinance that every household and business has a contract for collection services. An ordinance adopted under this section must provide for enforcement.

(b) A city or town with a population of 5,000 or more may exempt a residential household or business in the city or town from the requirement to have solid waste collection service if the household or business ensures that an environmentally sound alternative is used.

(c) To the extent practicable, the costs incurred by a city or town under this section must be incorporated into the collection system or the enforcement mechanisms adopted under this section by the city or town.

Sec. 48. Minnesota Statutes 1990, section 115A.9561, is amended to read:

115A.9561 [MAJOR APPLIANCES.]

Subd. 2. [RECYCLING REQUIRED.] *Major appliances must be recycled or reused. Each county shall ensure that its residents have the opportunity to recycle used major appliances. For the purposes of this section, recycling includes:*

(1) the removal of capacitors that may contain PCBs;

(2) the removal of ballasts that may contain PCBs;

(3) the removal of chlorofluorocarbon refrigerant gas; and

(4) the recycling or reuse of the metals.

Sec. 49. Minnesota Statutes 1990, section 115A.96, subdivision 6, is amended to read:

(1) include a broad based public education component;

(2) include a strategy for reduction of household hazardous waste; and

(3) address separation of household hazardous waste from mixed municipal solid waste and the collection, storage, and disposal of that waste.

(b) Each county required to submit its plan to the office under section 115A.46 shall amend its plan to comply with this subdivision within one year after October 4, 1989.

(c) Each county in the state shall implement its household hazardous waste management plan by June 30, 1992.

(d) The office shall review the plans submitted under this subdivision in

cooperation with the agency.

Sec. 50. [115A.965] [PROHIBITIONS ON SELECTED TOXICS IN PACKAGING.]

Subdivision 1. [PACKAGING.] *(a) As soon as feasible but not later than August 1, 1993, no manufacturer or distributor may sell or offer for sale or for promotional purposes in this state packaging or a product that is contained in packaging if the packaging itself, or any inks, dyes, pigments, adhesives, stabilizers, or any other additives to the packaging contain any lead, cadmium, mercury, or hexavalent chromium that has been intentionally introduced as an element during manufacture or distribution of the packaging. Intentional introduction does not include the incidental presence of any of the prohibited elements.*

(b) For the purposes of this section, "distributor" means a person who imports packaging or causes packaging to be imported into the state.

Subd. 2. [TOTAL TOXICS CONCENTRATION LEVELS.] *The total concentration level of lead, cadmium, mercury, and hexavalent chromium added together in any packaging must not exceed the following amounts:*

(1) 600 parts per million by weight by August 1, 1993;

(2) 250 parts per million by weight by August 1, 1994; and

(3) 100 parts per million by weight by August 1, 1995.

Subd. 3. [EXEMPTIONS.] *(a) The following packaging is exempt from the requirements of subdivisions 1 and 2:*

(1) packaging that has been delivered to a manufacturer or distributor prior to August 1, 1993, or packaging that contains a code or other indication of the date of manufacture and that was manufactured prior to August 1, 1993; and

(2) until August 1, 1997, packaging that would not exceed the total toxics concentration levels under subdivision 2 but for the addition in the packaging of materials that have fulfilled their intended use and have been discarded by consumers.

(b) Packaging to which lead, cadmium, mercury, or hexavalent chromium has been intentionally introduced in the manufacturing process may be exempted from the requirements of subdivisions 1 and 2 by the commissioner of the pollution control agency if:

(1) the use of the toxic element in the packaging is required by federal or state health or safety laws; or

(2) there is no feasible alternative for the packaging because the toxic element used is essential to the protection, safe handling, or function of the contents of the package.

The commissioner may grant an exemption under this paragraph for a period not to exceed two years upon application by the packaging manufacturer that includes documentation showing that the criteria for an exemption are met. Exemptions granted by the commissioner may be renewed upon reapplication every two years.

Subd. 4. [CERTIFICATE OF COMPLIANCE.] *(a) Beginning August 1, 1993, each manufacturer and distributor of packaging for sale or other distribution in this state shall certify to each of their purchasers or receivers*

that the packaging purchased or received complies with this section. The certificate of compliance must be in writing and must be signed by an official of the manufacturer or distributor. For packaging that has received an exemption under subdivision 3, the certificate of compliance must list the amount of total toxics concentration in the packaging, the specific toxics present, and the basis for the exemption.

(b) The manufacturer or distributor shall keep on file a copy of the certificate of compliance for each type of packaging manufactured or distributed and shall make copies available to the commissioner of the pollution control agency or the attorney general on request, or to any member of the public within 60 days of receipt of a written request that specifies the type of packaging for which the information is requested.

(c) Each purchaser or receiver, except a retailer, of packaging shall retain the certificate of compliance for as long as the packaging is in use.

(d) If a manufacturer or distributor of packaging reformulates the packaging or creates new packaging, the manufacturer or distributor shall provide an amended or new certificate of compliance to purchasers and receivers for the reformulated or new packaging.

Subd. 5. [ENFORCEMENT.] *This section may be enforced under sections 115.071 and 116.072. A person who fails to comply with this section is subject to a civil fine of up to $5,000 per day of violation, court costs and attorney fees, and all costs associated with the separate collection, storage, transfer, and appropriate processing or disposal of nonconforming packaging, to be determined by the true cost of those activities per ton times the approximate actual tonnage of nonconforming packaging sold or otherwise distributed in the state.*

Subd. 6. [RULES.] *The commissioner of the pollution control agency, in consultation with the director of the office of waste management, shall adopt rules to implement this section.*

Sec. 51. [115A.9651] [TOXICS IN PACKAGING AND PRODUCTS; ENFORCEMENT.]

After July 1, 1994, no person may deliberately introduce lead, cadmium, mercury, or hexavalent chromium into any dye, paint, or fungicide that is intended for use or for sale in this state. This section does not apply to art supplies.

This section may be enforced under sections 115.071 and 116.072. The attorney general or the commissioner of the agency shall coordinate enforcement of this section with the director of the office.

Sec. 52. Minnesota Statutes 1990, section 115A.97, subdivision 4, is amended to read:

Subd. 4. [INTERIM PROGRAM.] (a) Incinerator ash is considered special waste for an interim period which expires on the occurrence of the earliest of the following events:

(1) The United States Environmental Protection Agency establishes testing and disposal requirements for incinerator ash;

(2) The agency adopts the rules required in subdivision 3; or

(3) June 30, ~~1991~~ *1992*.

(b) As a special waste, incinerator ash must be stored separately from

mixed municipal solid waste with adequate controls to protect the environment as provided in agency permits. For the interim period, the agency, in cooperation with generators of incinerator ash and other interested parties, shall establish a temporary program to test, monitor, and store incinerator ash. The program must include separate testing of fly ash, bottom ash, and combined ash unless the agency determines that because of physical constraints at the facility separate samples of fly ash and bottom ash cannot be reasonably obtained in which case only combined ash must be tested. Incinerator ash stored during the interim is subject to the rules adopted pursuant to subdivision 3 and to the provisions of chapter 115B.

Sec. 53. Minnesota Statutes 1990, section 115B.04, subdivision 4, is amended to read:

Subd. 4. [LIABILITY OF POLITICAL SUBDIVISIONS.] (a) The liability of a political subdivision under this section is subject to the limits imposed under section 466.04, subdivision 1, except when the political subdivision is liable under this section as the owner or operator of a disposal facility as defined in section 115A.03, subdivision 10.

(b) When a political subdivision is liable as an owner or operator of a disposal facility, the liability of each political subdivision is limited to $400,000 at each facility unless the facility was owned or operated under a valid joint powers agreement by three or more political subdivisions, in which case the aggregate liability of all political subdivisions that are parties to the joint powers agreement is limited to $1,200,000.

(c) The limits on the liability of a political subdivision for ownership or operation of a disposal facility apply to the costs of ~~remedial~~ *response* action incurred between the date a request for response action is issued by the agency and the date one year after the construction certificate of completion is approved by the commissioner, excluding *the* costs ~~incurred during~~ *of* negotiation of a consent order agreement.

(d) When a political subdivision takes ~~remedial~~ *response* action as the owner or operator of a disposal facility between the dates in paragraph (c), it may receive, after approval by the agency, reimbursement of any amount spent pursuant to an approved work plan that exceeds the applicable liability limit specified in this subdivision.

Sec. 54. Minnesota Statutes 1990, section 115B.22, subdivision 8, is amended to read:

Subd. 8. [REVIEW OF TAX BY LCWM.] ~~After the office of waste management submits the plan required under section 115A.11 to the legislative commission on waste management,~~ The ~~commission shall~~ *legislative commission on waste management shall periodically* review the taxes and tax rates imposed under this section ~~in light of the objectives and recommendations of the plan,~~ and shall recommend to the standing tax committees of both houses of the legislature any changes in the taxes or tax rates which are needed to assist or encourage implementation of the strategies adopted by the state for management of hazardous waste.

Sec. 55. Minnesota Statutes 1990, section 116.07, subdivision 4j, is amended to read:

Subd. 4j. [PERMITS; SOLID WASTE FACILITIES.] (a) The agency may not issue a permit for new or additional capacity for a mixed municipal solid waste resource recovery or disposal facility as defined in section

115A.03 unless each county projected in the permit to use the facility has in place a solid waste management plan approved under section 115A.46 or 473.803. The agency shall issue the permit only if the capacity of the facility is consistent with the needs for resource recovery or disposal capacity identified in the approved plan or plans. Consistency must be determined by the metropolitan council for counties in the metropolitan area and by the agency for counties outside the metropolitan area. Plans approved before January 1, 1990, need not be revised if the capacity sought in the permit is consistent with the approved plan or plans.

(b) The agency shall require as part of the permit application for a waste incineration facility identification of preliminary plans for ash management and ash leachate treatment or ash utilization. The permit issued by the agency must include requirements for ash management and ash leachate treatment.

(c) Within 30 days of receipt by the agency of a permit application for a solid waste facility, the commissioner shall notify the applicant in writing whether the application is complete and if not, what items are needed to make it complete, and shall give an estimate of the time it will take to process the application. Within 180 days of receipt of a completed application, the agency shall approve, disapprove, or delay decision on the application, with reasons for the delay, in writing.

(c) "Refuse derived fuel" means a product resulting from the processing of mixed municipal solid waste in a manner that reduces the quantity of noncombustible material present in the waste, reduces the size of waste components through shredding or other mechanical means, and produces a fuel suitable for combustion in existing or new solid fuel fired boilers.

(d) "Solid fuel fired boiler" means a device that is designed to combust solid fuel, including but not limited to: wood, coal, biomass, or lignite to produce steam or heat water.

Subd. 2. [USE OF REFUSE DERIVED FUEL.] *(a) Existing or new solid fuel fired boilers may utilize refuse derived fuel in an amount up to 30 percent by weight of the fuel feed stream under the following conditions:*

(1) utilization of refuse derived fuel involves no modification or only minor modification to the solid fuel fired boiler;

(2) utilization of refuse derived fuel does not cause a violation of emissions limitations or ambient air quality standards applicable to the solid fuel fired boiler;

(3) the solid fuel fired boiler has a valid permit to operate; and

(4) the refuse derived fuel is produced by a facility for which a permit was issued by the agency before June 1, 1991.

(b) A facility that produces refuse derived fuel that is sold for use in a

solid fuel fired boiler may accept waste for processing only from counties that provide for the removal of household hazardous waste from the waste.

(b) The notice must be at least 8-1/2 inches by 11 inches and contain the universal recycling symbol and state:

"NOTICE: USED BATTERIES

This retailer is required to accept your used lead acid batteries, EVEN IF YOU DO NOT PURCHASE A BATTERY. When you purchase a new battery, you will be charged an additional $5 unless you return a used battery within 30 days.

~~Improper disposal of a lead acid battery~~ *It* is a crime *to put a motor vehicle battery in the garbage.*"

Sec. 60. Minnesota Statutes 1990, section 400.08, subdivision 1, is amended to read:

Subdivision 1. [DEFINITION.] For purposes of this section, "solid waste management services" includes *recycling and waste reduction services,* collection, processing, and disposal of solid waste, closure and postclosure care of a solid waste facility, and response, as defined in section 115B.02,

Subd. 5. [~~REGULATION OF~~ COLLECTION PROCESS.] Nothing contained in this chapter shall be construed to permit the district to engage in the collection of solid waste. ~~Carlton county and St. Louis county or the local units of government designated by such counties shall continue to have the authority to regulate the collection of solid waste, and nothing in this chapter shall be construed to permit the district to regulate the collection of solid waste, unless such counties or local units of government or any of them shall adopt a resolution authorizing the district to adopt such regulations to be effective within the territory of such county or local governmental units.~~

Sec. 62. Minnesota Statutes 1990, section 458D.07, is amended by adding a subdivision to read:

(b) The council shall adopt a schedule of disposal capacity to be developed ~~in each county~~ within the metropolitan area in five-year increments for a period of at least 20 years from adoption of development schedule revisions. The schedule may not allow capacity in excess of the council's reduced estimate of the disposal capacity needed because of the council's land disposal abatement plan~~, except as the council deems necessary to allow reallocation of capacity as required by this subdivision~~.

(c) The council shall make the implementation of elements of the schedule~~, including the disposal capacity allocated to each county,~~ contingent on actions of each county in adopting and implementing abatement plans pursuant to section 473.803, subdivision 1b. The council may review the development schedule every year and revise the development schedule ~~and the allocation of disposal capacity required for each county~~ based on the progress made ~~in that county~~ in the implementation of the council's abatement plans and achievement of metropolitan and local abatement objectives. The council shall review and revise, by resolution following public hearing, the development schedule ~~and the allocation of disposal capacity required~~ based on significant changes in the landfill capacity of the metropolitan area. The schedule must include procedures and criteria for making revisions. ~~A site for which an environmental impact statement was being prepared as of January 1, 1989, under section 473.833, subdivision 2a, and that is not selected under section 473.833, subdivision 3, must be eliminated from the inventory of solid waste disposal sites established under section 473.149, subdivision 2b, and may not be considered as a waste disposal site in the future.~~

The council shall provide information and technical assistance to the agencies and the district to implement effective recycling programs.

By August 1 of each year, the council, each agency, and the district shall submit to the office of waste management a report for the previous fiscal year describing recycling rates, specified by the county in which the agency or operation is located, and progress toward meeting the recycling goal. The office shall incorporate the recycling rates reported in the respective county's recycling rates for the previous fiscal year.

If the goal is not met, the council, agency, or district must include in its 1994 report reasons for not meeting the goal and a plan for meeting it in the future.

Sec. 66. Minnesota Statutes 1990, section 473.803, subdivision 2, is

amended to read:

Subd. 2. [COUNCIL REVIEW.] The council shall review each master plan or revision thereof to determine whether it is consistent with the council's policy plan. If it is not consistent, the council shall disapprove and return the plan with its comments to the county for revision and resubmittal. The county shall have 90 days to revise and resubmit the plan for council approval. Any county solid waste plan or report approved by the council prior to April 9, 1976, shall remain in effect until a new master plan is submitted to and approved by the council in accordance with this section.

The council shall review the household hazardous waste management portion of each county's plan in cooperation with the agency.

Sec. 67. Minnesota Statutes 1990, section 473.803, subdivision 4, is amended to read:

Subd. 4. [ADVISORY COMMITTEE.] By July 1, 1984, each county shall establish a solid waste management advisory committee to aid in the preparation of the county master plan, any revisions thereof, and such additional matters as the county deems appropriate. The committee must consist of citizen representatives, representatives from towns and cities within the county, and representatives from private waste management firms. The committee must include residents of towns or cities within the county containing solid waste disposal facilities ~~and eligible solid waste disposal sites included in the council's disposal site inventory~~. Members of the council's solid waste advisory committee who reside in the county are ex officio members of the county advisory committee. A representative of the metropolitan council is an ex officio member of the committee.

Sec. 68. Minnesota Statutes 1990, section 473.811, subdivision 1, is amended to read:

Subdivision 1. [COUNTY ACQUISITION OF FACILITIES.] To accomplish the purpose specified in section 473.803, each metropolitan county may acquire by purchase, lease, gift or condemnation as provided by law, upon such terms and conditions as it shall determine, including contracts for deed and conditional sales contracts, solid waste facilities or properties or easements ~~or development rights, as defined in section 473.833,~~ for solid waste facilities which are in accordance with rules adopted by the agency, the policy plan adopted by the council and the county master plan as approved by the council, and may improve or construct improvements on any property or facility so acquired. No metropolitan city, county or town shall own or operate a hazardous waste facility, *except a facility to manage household hazardous waste*. Each metropolitan county is authorized to levy a tax in anticipation of need for expenditure for the acquisition and betterment of solid waste facilities. If a tax is levied in anticipation of need, the purpose must be specified in a resolution of the county directing that the levy and the proceeds of the tax may be used only for that purpose. Until so used, the proceeds shall be retained in a separate fund or invested in the same manner as surplus in a sinking fund may be invested under section 475.66. The right of condemnation shall be exercised in accordance with chapter 117.

For the purposes of this section "solid waste facility" includes a facility to manage household hazardous waste.

Sec. 69. Minnesota Statutes 1990, section 473.811, subdivision 1a, is

amended to read:

Subd. 1a. [RIGHT OF ACCESS.] Whenever the county ~~or county site selection authority~~ deems it necessary to the evaluation of a waste facility for enforcement purposes ~~or to the evaluation of a site or buffer area for inclusion in the inventory of disposal sites pursuant to section 473.149, subdivision 2b, and section 473.803, subdivision 1a, or for selection or final acquisition under section 473.833,~~ or for the accomplishment of any ~~other~~ purpose under sections 473.149, 473.153, and 473.801 to 473.834, the county, ~~county site selection authority~~ or any ~~member,~~ employee~~,~~ or agent thereof~~,~~ when authorized by it, may enter upon any property, public or private, for the purpose of obtaining information or conducting surveys or investigations, provided that the entrance and activity is undertaken after reasonable notice and during normal business hours and provided that compensation is made for any damage to the property caused by the entrance and activity.

Sec. 70. Minnesota Statutes 1990, section 473.811, subdivision 3, is amended to read:

Subd. 3. [COUNTY OPERATION OF FACILITIES.] Each metropolitan county may operate and maintain solid waste facilities, and for this purpose may employ all necessary personnel, may adopt regulations governing operation, and may establish and collect reasonable, nondiscriminatory rates and charges, *except as authorized under section 115A.919*, for the use of the facilities by any local government unit or person, estimated to be sufficient, with any other moneys appropriated for the purpose, to pay all costs of acquisition, operation and maintenance. Each metropolitan county may use itself or sell all or any part of materials or energy recovered from solid waste to private interests or public agencies for consumption or reuse by them. Section 471.345 and Laws 1951, chapter 556, as amended shall not apply to the sale of the materials or energy.

Sec. 71. Minnesota Statutes 1990, section 473.811, subdivision 4a, is amended to read:

Subd. 4a. [ORDINANCES; GENERAL CONDITIONS; RESTRICTIONS; APPLICATION.] Ordinances of counties and local government units related to or affecting waste management shall embody plans, policies, rules, standards and requirements adopted by any state agency authorized to manage or plan for or regulate the management of waste and the waste management plans adopted by the council and shall be consistent with county master plans approved by the council. Except as provided in this subdivision, ~~a metropolitan county may acquire a site and buffer area for a solid waste disposal facility anywhere within the county without complying with local ordinances, if the action is approved by the council as being taken pursuant to the policy plan and the development schedule adopted under section 473.149, subdivision 2e, and the provisions of section 473.833, and the~~ *a* county may establish and operate or contract for the establishment or operation of a *solid waste* disposal facility ~~at the site~~ without complying with local ordinances~~,~~ if the council certifies need under section 473.823, subdivision 6. With the approval of the council, local government units may impose and enforce reasonable conditions respecting the construction, operation, inspection, monitoring, and maintenance of the disposal facilities. No local government unit shall prevent the establishment or operation of any solid waste facility in accordance with the council's decision under section 473.823, subdivision 5, except that, with the approval of the council,

the local government unit may impose reasonable conditions respecting the construction, inspection, monitoring, and maintenance of a facility.

Sec. 72. Minnesota Statutes 1990, section 473.811, subdivision 5, is amended to read:

Subd. 5. [ORDINANCES; SOLID WASTE COLLECTION AND TRANSPORTATION.] Each metropolitan county may adopt ordinances governing the collection of solid waste. A county may adopt, but may not be required to adopt, an ordinance that requires the separation from mixed municipal waste, by generators before collection, of materials that can readily be separated for use or reuse as substitutes for raw materials or for transformation into a usable soil amendment. Each local unit of government within the metropolitan area shall adopt an ordinance governing the collection of solid waste within its boundaries. If the county within which it is located has adopted a collection ordinance, the local unit shall adopt either the county ordinance by reference or a more strict ordinance. If the county within which it is located has adopted a separation ordinance, the ordinance applies in all local units within the county that have failed to meet the local abatement performance standards, as stated in the most recent annual county report. Ordinances of counties and local government units may establish reasonable conditions respecting but shall not prevent the transportation of solid waste by a licensed collector through and between counties and local units, except as required for the enforcement of any designation of a facility by ~~the council pursuant to section 473.827~~ *a county under chapter 115A*. A licensed collector or a metropolitan county or local government unit may request review by the council of an ordinance adopted under this subdivision. The council shall approve or disapprove the ordinance within 60 days of the submission of a request for review. The ordinance shall remain in effect unless it is disapproved. Ordinances of counties and local units of government shall provide for the enforcement of any designation of facilities by the ~~council under section 473.827~~ *counties under chapter 115A*. Nothing in this subdivision shall be construed to limit the authority of the local government unit to regulate and license collectors of solid waste or to require review or approval by the council for ordinances regulating collection.

Sec. 73. Minnesota Statutes 1990, section 473.811, subdivision 6, is amended to read:

Subd. 6. [GRANTS AND LOANS TO COUNTIES.] Each metropolitan county may accept gifts, may apply for and accept grants or loans of money or other property from the United States, the state, the metropolitan council, any local government unit, or any person, to accomplish the purposes specified in sections 473.149, 473.151, 473.801 to 473.823, 473.831, ~~473.833,~~ and 473.834, may enter into any agreement required in connection therewith, and may hold, use, and dispose of the money or property in accordance with the terms of the gift, grant, loan or agreement relating thereto.

Sec. 74. Minnesota Statutes 1990, section 473.811, subdivision 7, is amended to read:

Subd. 7. [JOINT ACTION.] Any local governmental unit or metropolitan agency may act together with any county, city, or town within or without the metropolitan area, or with the pollution control agency or the office of waste management under the provisions of section 471.59 or any other

appropriate law providing for joint or cooperative action between government units, to accomplish any purpose specified in sections 473.149, 473.151, 473.801 to 473.823, 473.831, ~~473.833,~~ 473.834, 116.05 and 115A.06.

Any agreement regarding data processing services relating to the generation, management, identification, labeling, classification, storage, collection, treatment, transportation, processing or disposal of waste and entered into pursuant to section 471.59, or other law authorizing joint or cooperative action may provide that any party to the agreement may agree to defend, indemnify and hold harmless any other party to the agreement providing the services, including its employees, officers or volunteers, against any judgments, expenses, reasonable attorney's fees and amounts paid in settlement actually and reasonably incurred in connection with any third party claim or demand arising out of an alleged act or omission by a party to the agreement, its employees, officers or volunteers occurring in connection with any exchange, retention, storage or processing of data, information or records required by the agreement. Any liability incurred by a party to an agreement under this subdivision shall be subject to the limitations set forth in section 3.736 or 466.04.

Sec. 75. Minnesota Statutes 1990, section 473.811, subdivision 8, is amended to read:

Subd. 8. [COUNTY SALE OR LEASE.] Each metropolitan county may sell or lease any facilities or property or property rights previously used or acquired to accomplish the purposes specified by sections 473.149, 473.151, 473.801 to 473.823, 473.831, ~~473.833,~~ and 473.834. Such property may be sold in the manner provided by section 469.065, or may be sold in the manner and on the terms and conditions determined by the county board. Each metropolitan county may convey to or permit the use of any such property by a local government unit, with or without compensation, without submitting the matter to the voters of the county. No real property or property rights acquired pursuant to this section, may be disposed of in any manner unless and until the county shall have submitted to the agency and the metropolitan council for review and comment the terms on and the use for which the property will be disposed of. The agency and the council shall review and comment on the proposed disposition within 60 days after each has received the data relating thereto from the county.

Sec. 76. Minnesota Statutes 1990, section 473.811, subdivision 9, is amended to read:

Subd. 9. [SOLID AND HAZARDOUS WASTE FUND.] All money received by any metropolitan county from any source specified in sections 473.149, 473.151, 473.801 to 473.823, 473.831, ~~473.833,~~ and 473.834 shall be paid into the county treasury, placed in a special fund designated as the county solid and hazardous waste fund, and used only for the purposes authorized in those sections, as appropriated by the county board, subject to any lawful restrictions, conditions, or pledges applicable thereto.

Sec. 77. Minnesota Statutes 1990, section 473.823, subdivision 5, is amended to read:

Subd. 5. [REVIEW OF WASTE PROCESSING FACILITIES.] *(a)* A metropolitan county may establish a waste processing facility within the county without complying with local ordinances, if the action is approved by the council in accordance with the review process established by this

subdivision. A county requesting review by the council shall show that:

(1) the required permits for the proposed facility have been or will be issued by the agency~~, that~~;

(2) the facility is consistent with the council's policy plan and the approved county master plan; and ~~that~~

(3) a local government unit has refused to approve the establishment or operation of the facility, *has failed to deny or approve establishment or operation of the facility within the time period required in section 115A.31, or has approved the application or request with conditions that are unreasonable or impossible for the county to meet.*

(b) The council shall meet to commence the review within 90 days of the submission of a request determined by the council to satisfy the requirements for review under this subdivision. At the meeting commencing the review the chair shall recommend and the council establish a scope and procedure, *including criteria*, for its review and final decision on the proposed facility. The procedure shall require the council to make a final decision on the proposed facility within 120 days following the commencement of review. *For facilities other than waste incineration and mixed municipal solid waste composting facilities, the council shall meet to commence the review within 45 days of submission of the request and shall make a final decision within 75 days following commencement of review.*

(c) The council shall conduct at least one public hearing in the city or town within which the proposed facility would be located. Notice of the hearing shall be published in a newspaper or newspapers of general circulation in the area for two successive weeks ending at least 15 days before the date of the hearing. The notice shall describe the proposed facility, its location, the proposed permits, and the council's scope ~~and~~, procedure, *and criteria* for review. The notice shall identify a location or locations within the local government unit and county where the permit applications and the council's scope ~~and~~, procedure, *and criteria* for review are available for review and where copies may be obtained.

(d) In its review and final decision on the proposed facility, the council shall consider at least the following matters:

~~(a)~~ *(1)* the risk and effect of the proposed facility on local residents, units of government, and the local public health, safety, and welfare, and the degree to which the risk or effect may be alleviated;

~~(b)~~ *(2)* the consistency of the proposed facility with, and its effect on, existing and planned local land use and development; local laws, ordinances, and permits; and local public facilities and services;

~~(c)~~ *(3)* the adverse effects of the facility on agriculture and natural resources and opportunities to mitigate or eliminate such adverse effects by additional stipulations, conditions, and requirements respecting the design and operation of the proposed facility at the proposed site;

~~(d)~~ *(4)* the need for the proposed facility and the availability of alternative sites;

~~(e)~~ *(5)* the consistency of the proposed facility with the county master plan adopted pursuant to section 473.803 and the council's policy plan adopted pursuant to section 473.149; *and*

~~(f)~~ *(6)* transportation facilities and distance to points of waste generation.

(e) In its final decision in the review, the council may either approve or disapprove the proposed facility at the proposed site. The council's approval shall embody all terms, conditions, and requirements of the permitting state agencies, provided that the council may require more stringent permit terms, conditions, and requirements respecting the design, construction, operation, inspection, monitoring, and maintenance of the proposed facility at the proposed site.

Sec. 78. Minnesota Statutes 1990, section 473.823, subdivision 6, is amended to read:

Subd. 6. [COUNCIL; CERTIFICATION OF NEED.] No new mixed municipal solid waste disposal facility or capacity shall be permitted in the metropolitan area without a certificate of need issued by the council indicating the council's determination that the additional disposal capacity planned for the facility is needed in the metropolitan area. The council shall amend its policy plan, adopted pursuant to section 473.149, to include standards and procedures for certifying need that conform to the certification standards stated in this subdivision. The standards and procedures shall be based on the council's disposal abatement plan adopted pursuant to section 473.149, subdivision 2d, the council's solid waste disposal facilities development schedule adopted under section 473.149, subdivision 2e, and the provisions of any master plans of counties that have been approved by the council under section 473.803, subdivision 2, and that are consistent with the council's abatement plan and development schedule. The council shall certify need only to the extent that there are no feasible and prudent alternatives to the disposal facility, including waste reduction, source separation and resource recovery which would minimize adverse impact upon natural resources. Alternatives that are speculative or conjectural shall not be deemed to be feasible and prudent. Economic considerations alone shall not justify the certification of need or the rejection of alternatives. ~~In its certification the council shall not consider alternatives which have been eliminated from consideration by the adoption of the inventory pursuant to section 473.149, subdivision 2b, or the selection of sites under section 473.833, subdivision 3.~~

Sec. 79. Minnesota Statutes 1990, section 473.845, subdivision 3, is amended to read:

Subd. 3. [EXPENDITURES FROM THE FUND.] Money in the fund may only be appropriated to the agency for expenditure for:

(1) reasonable and necessary expenses for closure and postclosure care of a mixed municipal solid waste disposal facility in the metropolitan area for a 20-year period after closure, if the agency determines that the operator or owner will not take the necessary actions requested by the agency for closure and postclosure in the manner and within the time requested; *and*

(2) reasonable and necessary response and postclosure costs at a mixed municipal solid waste disposal facility in the metropolitan area that has been closed for 20 years in compliance with the closure and postclosure rules of the agency; ~~or~~

~~(3) reasonable and necessary response costs resulting from county actions required under section 473.833, subdivision 2a, when those actions are done under the supervision of the agency~~.

Sec. 80. Minnesota Statutes 1990, section 473.845, subdivision 4, is

amended to read:

Subd. 4. [EXPENDITURE NOTIFICATION ~~AND COMMISSION RECOMMENDATION~~.] ~~(a)~~ The commissioner shall notify the chair and the director of the legislative commission on waste management before making expenditures from the fund.

~~(b) The legislative commission on waste management shall make recommendations to the standing legislative committees on finance and appropriations about appropriations from the fund.~~

Sec. 81. Minnesota Statutes 1990, section 473.848, subdivision 2, is amended to read:

Subd. 2. [COUNTY CERTIFICATION; COUNCIL APPROVAL.] (a) Each county ~~that has not implemented designation of all or a portion of its mixed municipal solid waste to a resource recovery facility~~ shall submit a semiannual certification report to the council detailing:

(1) the quantity of waste generated in the county that was not processed prior to transfer to a disposal facility during the six months preceding the report;

(2) the reasons the waste was not processed;

(3) a strategy for development of techniques to ensure processing of waste including a specific timeline for implementation of those techniques; and

(4) any progress made by the county in reducing the amount of unprocessed waste.

(b) The council shall approve a county's report if it determines that the county is reducing and will continue to reduce the amount of unprocessed waste, based on the report and the county's progress in development and implementation of techniques to reduce the amount of unprocessed waste transferred to disposal facilities. If the council does not approve a county's report, it shall negotiate with the county to develop and implement specific techniques to reduce unprocessed waste. If the council does not approve three or more consecutive reports from any one county, the council shall develop specific reduction techniques that are designed for the particular needs of the county. The county shall implement those techniques by specific dates to be determined by the council.

Sec. 82. Minnesota Statutes 1990, section 473.848, is amended by adding a subdivision to read:

Subd. 5. [DEFINITION.] *For the purpose of this section, waste is "unprocessed" if it has not, after collection and before disposal, undergone at least one process, as defined in section 115A.03, subdivision 25, excluding storage, exchange, and transfer of the waste.*

Sec. 83. [473.849] [PROHIBITION; SOLID WASTE DISPOSAL.]

No person may place processed or unprocessed mixed municipal solid waste that is generated in the metropolitan area in a disposal facility that does not comply with the minimum requirements for design, construction, and operation of a new mixed municipal solid waste disposal facility under Minnesota Rules in effect on January 1, 1991. Each metropolitan county shall, and each county in which is located a disposal facility may, enforce this prohibition and may impose penalties and recover attorney fees and court costs to the same extent as for enforcement of a designation ordinance

under section 115A.86, subdivision 6. The commissioner of the pollution control agency may enforce this section under section 115.071 or 116.072.

Sec. 84. [METROPOLITAN DISPOSAL SITES; MORATORIUM; REPLACEMENT SITING PROCESS; DISPOSAL PROHIBITION ENFORCEMENT PLAN; STATEWIDE FACILITY SITING PROCEDURES.]

Subdivision 1. [MORATORIUM.] *The metropolitan council and each of the metropolitan counties shall discontinue all activities under Minnesota Statutes, sections 473.149, subdivision 2b; 473.803, subdivision 1a; 473.806; 473.831; 473.833; and 473.840 related to the siting of mixed municipal solid waste disposal facilities, except activities governed by sections 85 to 87.*

Subd. 2. [REPLACEMENT SITING PROCESS.] *The seven metropolitan counties, in consultation with the metropolitan council and the office of waste management, shall develop a specific process for siting and developing a disposal facility within the metropolitan area to accommodate all of the ash produced or projected to be produced by facilities in operation or planned to be in operation by August 1, 1996 that process or will process mixed municipal solid waste generated in the metropolitan area, and for siting and developing a mixed municipal solid waste disposal facility within the metropolitan area unless each county and the council agrees that a mixed municipal solid waste facility will not be needed within the next 15 years to adequately manage metropolitan waste. The counties shall design the siting process to avoid siting facilities where those facilities could have relatively strong negative impacts on aquifers. The counties shall report the proposed process to the legislative commission on waste management by December 1, 1991, including any necessary recommendations for legislation to implement the process. The report shall also include descriptions of how the counties will share the costs and liabilities of new and existing waste facilities and how the counties intend to share the waste stream to ensure that each portion of the waste is most appropriately managed. The report must also include a detailed description of how each county plans to enforce the disposal prohibition in section 83, with copies of any enforcement ordinances adopted.*

Subd. 3. [STATEWIDE WASTE FACILITY SITING PROCEDURES.] *The legislative commission on waste management shall study statewide solid waste management facility siting procedures and shall recommend legislation by January 1, 1992, to ensure that environmental and public review of potential sites and technologies occur early enough in the process to adequately address environmental and social concerns related to siting and operation of the facilities.*

Subd. 4. [COMMISSION RECOMMENDATION.] *After hearing the report and plans required under subdivision 2, the legislative commission on waste management shall make a formal recommendation to either allow the repeal of the existing metropolitan landfill siting process to take effect as scheduled or to reinstate that process. The commission shall recommend allowing the repeal to take effect if it finds that:*

(1) the metropolitan counties have designed a workable replacement process that includes adequate sharing of costs, liabilities, and waste streams;

(2) each county has an adequate plan and has adopted adequate ordinances to enforce the disposal prohibition in section 83; and

(3) each county has implemented a household hazardous waste collection program required under Minnesota Statutes, section 473.804, notwithstanding the effective date in that section.

The commission shall also work with the metropolitan counties, the metropolitan council, and the office of waste management to recommend legislation to implement a replacement process for siting and developing facilities in the metropolitan area for the disposal of mixed municipal solid waste and ash produced by that waste. The recommended replacement siting process must be designed to avoid, to the greatest extent possible, siting facilities in locations where the facilities could have relatively strong negative impacts on aquifers.

Sec. 85. [TEMPORARY DEVELOPMENT RIGHTS.]

If temporary development rights have been purchased by a county under Minnesota Statutes, section 473.806, subdivision 2, the landowner may elect to repurchase the development rights from the county for a price equal to the compensation paid by the county prorated over the remaining period of the development rights.

Sec. 86. [CONTINUED LEVY AUTHORITY OF METROPOLITAN COUNCIL.]

The metropolitan council may continue to levy ad valorem taxes for debt service of the council's solid waste bonds issued before the effective date of section 90, paragraph (b), in accordance with Minnesota Statutes 1990, section 473.831, subdivision 1.

Sec. 87. [USE OF BOND PROCEEDS.]

Until December 1, 1992, with the approval of the metropolitan council, counties engaged in environmental analysis of solid waste disposal sites as of January 1, 1989, under Minnesota Statutes, section 473.833, subdivision 2a, may use proceeds of the council's solid waste bonds issued before the effective date of section 90, paragraph (b), for sealing of monitoring wells and other measures to restore the candidate sites for productive use.

Sec. 88. [ADDITION TO REPORT.]

The director of the office of waste management shall include in the 1992 solid waste management policy report required under Minnesota Statutes, section 115A.411, an analysis of progress made toward the implementation of nationwide labeling of products and packaging to address environmental concerns. Unless implementation of a nationwide uniform labeling system is imminent at that time, the director shall recommend a statewide product and packaging environmental labeling system that is as consistent as possible with proposed or existing labeling programs in other states.

Sec. 89. [AIR QUALITY ADVISORY TASK FORCE.]

Subdivision 1. [CREATION.] *(a) The air quality advisory task force consists of 24 members. The speaker of the house of representatives and the majority leader of the senate shall each appoint four members from their respective bodies. The commissioner of the pollution control agency shall serve as the chair of the task force. The governor shall appoint the 15 other members as follows:*

(1) a representative of a major industrial facility holding an air emission permit issued by the pollution control agency;

(2) a representative of a mining facility holding an air emission permit issued by the pollution control agency;

(3) a representative of a petroleum refining facility holding an air emission permit issued by the pollution control agency;

(4) a representative of a manufacturing facility holding an air emission permit issued by the pollution control agency;

(5) a representative of a fossil fuel combustion facility holding an air emission permit issued by the pollution control agency;

(11) the commissioner of the department of natural resources or the commissioner's designee.

(b) The task force terminates on January 1, 1993.

Subd. 2. [DUTIES.] *(a) The task force shall conduct a comprehensive review of the state's air quality. In conducting the review the task force shall:*

(1) identify the air pollution issues of importance to the state; the past, present, and projected changes in pollution levels by source category; and the results of existing pollution prevention and control programs; and

(2) examine all federal and state laws and regulations related to the identified air quality issues, including the state's strategies to implement the federal Clean Air Act, the Minnesota acid deposition control act, the Minnesota toxic pollution prevention act, and other relevant laws and regulations, and resources required to implement these programs.

(b) The task force shall report to the legislature on the results of the review required in paragraph (a) and shall include recommendations on how best to address the identified air quality issues, including ways to improve implementation of existing programs. The recommendations must be based on sound scientific principles and cost-effective approaches to pollution prevention and reduction.

(c) The task force shall submit an interim report to the legislature by January 31, 1992, and a final report by January 1, 1993. The commissioner shall ensure that staff resources devoted to the task force do not impair the permitting, enforcement, or rulemaking activities of the air quality division of the agency.

Sec. 90. [REPEALER.]

(a) Minnesota Statutes 1990, sections 16B.125; 115A.953; 325E.045; and 473.844, subdivision 3, are repealed. Laws 1989, chapter 325, section 71, subdivision 2, is repealed.

These offices will be referred to as treasurer/auditor and property records.

Subd. 2. As provided by a resolution by the Dakota county board of commissioners and subject to subdivisions 3 and 4, the duties of the elected county treasurer and county auditor required by statute shall be combined and performed by one elected official to be referred to as the county treasurer/auditor. The resolution may be implemented without the submission of the question to the voters of the county, unless within 21 days after the second publication of the resolution a petition requesting a referendum, signed by at least 15 percent of the voters in the county voting in the last general election, is filed with the county auditor. If a petition is filed, the resolution may be implemented unless disapproved by a majority of the voters of the county, voting on the question at a regular or special election."

The advisory committee shall solicit the comments, advice, and participation from communities with an interest in accessible, affordable health care. The commissioner shall submit a report on the recommendations of the advisory committee to the legislature by January 1, 1993.*

Subd. 2. [HEALTH PLAN REGULATION.] *The commissioner of health and the commissioner of commerce shall develop a plan for the functional division of regulatory authority over health plans. This plan must be presented to the legislature by January 1, 1992. The plan must allow each commissioner to exercise independent authority to the greatest extent possible and must minimize jurisdictional overlaps. The plan must provide the commissioner of commerce with primary authority for regulating the financial integrity and corporate structure of health plans and must provide the commissioner of health with primary authority for regulating health care delivery and health care quality.*

Subd. 3. [STANDARD CLAIM FORMS AND UTILIZATION REVIEW PROCEDURES.] *The commissioner shall recommend to the legislature a standard claim form for ambulatory care by January 1, 1994, and standards for certain types of utilization review procedures by January 1, 1994. These recommendations must not have the effect of limiting innovation and improvement in health care delivery management, or compromising the purposes for which information is collected.*

Sec. 9. [EFFECTIVE DATES.]

Section 1 is effective July 1, 1996, and applies to contracts entered into or renewed, or goods or services provided, after that date. Section 4, creating the bureau of health care access, is effective July 1, 1991. Sections 5 and 6 are effective January 1, 1992.

ARTICLE 2

MINNESOTANS' HEALTH CARE PLAN

Section 1. [62J.07] [CREATION.]

The Minnesotans' health care plan is created to provide health coverage to individuals, families, and employers who do not have access to other affordable health coverage.

Sec. 2. [62J.08] [COVERAGE REQUIRED FOR MINNESOTA RESIDENTS.]

(a) *All Minnesota residents must obtain health coverage equal to or greater than the universal basic benefit set or the minimum insurance benefit set. Coverage may be obtained through the state plan, an employer, an individual policy with a private health plan company, or any other source of coverage. Minnesota residents must provide proof of coverage in the manner required by the commissioner of health care access.*

(b) Paragraph (a) is effective only if, and only as long as, the Minnesotans health care plan is funded at a level that is sufficient to provide subsidized coverage to all eligible persons who seek it.

Sec. 3. [62J.09] [ELIGIBILITY OF INDIVIDUALS AND FAMILIES.]

To be eligible to obtain coverage through the state plan, individuals and families must be Minnesota residents and have no other health coverage or must have coverage that primarily supplements, rather than duplicates, the intermediate benefit set. A Minnesota resident individual or family may switch from private health coverage to the state plan provided the transfer does not result in simultaneous coverage under both the state plan and another health care plan. The individual or family must contribute to the cost of health coverage as provided in section 4.

Sec. 4. [62J.10] [INDIVIDUAL AND FAMILY PREMIUMS.]

Subdivision 1. [SLIDING SCALE AND ENROLLEE PREMIUMS.] *Each individual and family enrolled in the state plan shall pay a premium set in relation to income and family size. The commissioner shall establish a sliding scale to determine the amount of the premium each individual or family must pay to obtain health coverage through the state plan. The sliding scale must use the federal poverty guidelines as the primary unit of measurement, and must be based on an individual's or family's income, as defined in section 290A.03, subdivision 3, clauses (1) and (2). The commissioner shall determine income on the basis of a period of time, such as the prior four months, which takes into account an applicant's current financial status. The sliding scale must be designed so that individuals and families with incomes less than 25 percent of the federal poverty level pay 0.75 percent of their income, and those with incomes between 250 percent and 275 percent of the federal poverty level pay 4.5 percent of their income. Individuals and families with incomes over 275 percent of the federal poverty guideline or $40,000, whichever is less, are not eligible for a subsidized premium and must pay 100 percent of the cost of coverage through the state plan. In addition to payments under the sliding scale, enrollees may be required to make greater payments depending on the health plan chosen. The commissioner shall pass on differences in premiums between health plans to enrollees, except that the commissioner may limit differences in charges to enrollees if necessary to prevent enrollment that exceeds the capacity of certain plans.*

Subd. 2. [ADJUSTMENTS TO THE INCOME LIMIT AND SLIDING SCALE.] *The commissioner shall adjust the sliding scale and the maximum income limit for subsidized coverage to reflect changes in prevailing income levels, health coverage costs, and benefit levels.*

Subd. 3. [MUST NOT HAVE ACCESS TO EMPLOYER-SUBSIDIZED COVERAGE.] *To be eligible for subsidized coverage, an individual or family must not have access to subsidized health coverage through an employer, unless the amount of employer subsidy toward the cost of coverage is less than an amount determined by the commissioner of health. Children are eligible for employer-subsidized coverage through either parent, including the noncustodial parent. The commissioner must treat employer contributions to Internal Revenue Code Section 125 plans as qualified employer subsidies toward the cost of health coverage for employees for purposes of this section.*

Subd. 4. [NO SUBSIDY AVAILABLE FOR MEDICARE SUPPLEMENT COVERAGE.] *An individual eligible for Medicare benefits must pay 100 percent of the cost of obtaining Medicare supplement coverage through the state plan, regardless of income.*

Subd. 5. [STATE FUNDS MAY NOT BE USED FOR ABORTION.] *State funds must not be used to pay for an abortion and abortion related services, except as allowed under section 256B.0625, subdivision 16.*

Subd. 6. [COVERAGE MUST NOT DISPLACE FEDERALLY SUBSIDIZED HEALTH COVERAGE.] *Subsidized state plan coverage must not displace subsidized health coverage through a federally supported health program, such as medical assistance, for which an individual, child, or family is eligible. The commissioner shall establish procedures and requirements to allow coordinated, limited, or supplemental participation in the Minnesotans' health care plan, including limited subsidies, of participants in federally supported health programs to the extent necessary to provide*

coverage comparable to coverage provided to other state plan enrollees without displacing federal benefits.

Subd. 7. [MUST BE A PERMANENT MINNESOTA RESIDENT.] *To be eligible for a subsidy, individuals and families must be permanent residents of Minnesota. A permanent Minnesota resident is a Minnesota resident who considers Minnesota to be the person's principal place of residence and intends to remain in the state permanently or for a long period of time and not as a temporary or short-term resident. An individual or family that moved to Minnesota primarily to obtain medical treatment or health coverage for a preexisting condition is not a permanent resident and is not entitled to subsidized coverage through the state plan.*

Subd. 8. [PERIOD UNINSURED.] *To be eligible for a subsidy, individuals must have had no health coverage for at least four months prior to application. The commissioner may change this eligibility criterion for subsidized coverage without complying with rulemaking requirements in order to remain within the limits of available appropriations.*

Subd. 9. [STUDY OF ASSET LIMITATIONS AND TRANSFER PROHIBITIONS.] *The commissioner shall study asset limitations and transfer prohibitions to be applied in determining an individual's or family's eligibility for a subsidy. By January 1, 1992, the commissioner shall submit to the legislature in a report, recommendations for asset limitations, transfer prohibitions, and random verification.*

Sec. 5. [62J.11] [SUBSIDIZED COVERAGE.]

From October 1, 1992 through June 30, 1997, the intermediate benefit set, part A, shall be provided on a subsidized basis through the state plan to qualified individuals and families. Effective July 1, 1997, the universal basic benefit set shall be provided on a subsidized basis through the state plan if funding is provided to cover the costs of converting to the universal basic benefit set. The provision of, and terms of eligibility for, subsidized health coverage are subject to the limits of available appropriations. The commissioner shall make a quarterly assessment of the expected expenditures for the covered services for the remainder of the fiscal year and the amount of the appropriation remaining to cover the expenditures. Based on this assessment, the commissioner shall limit enrollments or adjust the uninsured period that is required for eligibility, or both, as necessary to remain within the limits of available appropriations. The commissioner has the authority to adopt permanent rules and emergency rules related to modifying the terms of provision of, and terms of eligibility for, the receipt of subsidized coverage.

Sec. 6. [62J.12] [ELIGIBILITY OF EMPLOYERS.]

Subdivision 1. [GROUP COVERAGE.] *An employer is eligible to enroll its employees in the state plan as a group in order to offer its employees health coverage under the Minnesotans' health care plan. To be eligible to participate, an employer must pay Minnesota unemployment insurance premiums and have two or more covered employees, including the owner, or, if a sole proprietor, have at least one employee covered by unemployment insurance and include himself or herself in the group for purposes of health coverage. A self-employed person with no employees may not participate as an employer but may participate as an individual or family. The employer*

must collect employees' share of premiums and remit them to the commissioner along with the employer's contribution. Sliding scale premium subsidies as described in section 3 do not apply to group coverage. The commissioner shall establish conditions for enrollment of employer groups. Conditions may include, but are not limited to, minimum employer contributions toward coverage for employees and their families, minimum standards for employee eligibility, and eligibility waiting periods for new employees. The commissioner may establish special conditions and procedures for employers who are health care providers participating in state health care programs after considering the impact of article 1, section 1, and of different levels of employer contributions toward employee health coverage, on state health care program reimbursement rates and obligations. The commissioner shall make use of administrative systems for group coverage for employers that will identify and enroll enrollees in a manner comparable to individual, nongroup enrollment in order to enhance the portability of coverage to an individual policy or to another employer covered through the state plan, and to minimize administrative costs associated with frequent reissuing of policies.

Subd. 2. [COVERAGE OF PART-TIME AND SEASONAL EMPLOYEES.] *The commissioner shall establish conditions, procedures, and a special accounting mechanism to allow employers to defray the cost of coverage for part-time and seasonal employees through the state plan without including these employees in the employer's health benefits program. This is the only circumstance under which an employer subsidy toward the cost of employee health coverage and a state subsidy for health coverage through the state plan may be combined. Employers that have terminated health benefits for part-time or seasonal employees within the three years before application are not eligible to participate in the part-time or seasonal employee enrollment system. Part-time or seasonal employees on whose behalf employer contributions have been submitted must obtain coverage through the state plan as individuals or families rather than as an employee group. The employer contributions must be used to reduce the premium that the employee would otherwise have owed, and will be in addition to any individual premium subsidy to which the employee would otherwise be entitled. The commissioner shall establish definitions and standards for part-time and seasonal employees as necessary to implement this subdivision.*

PROGRAM ADMINISTRATION

Sec. 7. [62J.13] [PROVISION OF HEALTH CARE SERVICES; MANAGED CARE.]

In areas of the state where managed care health plans operate, the commissioner must deliver health care through contracts with managed care health plans. The commissioner may require contractors to provide all services under the intermediate benefit set, or may contract separately for certain services if the commissioner determines this to be in the best interests of the state plan. In order to qualify for participation in the state plan, a managed care health plan must meet the specifications in this section.

(a) The health plan must demonstrate to the satisfaction of the commissioner that it is financially responsible and may reasonably be expected to meet its obligations to enrollees and prospective enrollees.

(b) The health plan must have sufficient provider network capacity to adequately serve enrollees and prospective enrollees.

(c) The health plan must have established procedures adequate to manage the delivery of health care. The procedures must incorporate clear standards of practice or protocols where they exist. The procedures must also require enrollees to register with a specific primary care clinic which will coordinate referrals, hospitalizations, and other health care delivery. A plan that has not established these procedures may participate in the program if the plan demonstrates to the satisfaction of the commissioner that an alternative, comparably effective system of case management has been established. A managed care health plan that has not established procedures satisfactory to the commissioner may participate in the program if the plan agrees to implement satisfactory procedures within three years from the date it is accepted for participation by the commissioner.

(d) The health plan must demonstrate a long-term commitment to improving the quality and efficiency of health care.

(e) The health plan must have established programs to educate enrollees about appropriate use of the health care system. The programs may include self-care education, telephone nurse access, encouragement of healthy lifestyles, and encouragement of conformance to prescribed courses of treatment.

(f) Health plans must notify enrollees by mail when coverage limits under the intermediate benefit set have been reached and explain that payment for future services in excess of the coverage limits are the responsibility of the patient.

(g) The health plan must include appropriate use of nonphysician providers within its overall framework of managed care. Nothing in this section is intended to limit direct access to chiropractic care under article 3, section 3, subdivision 2, subject to reasonable managed care protocols and criteria for determining appropriate use of chiropractic care.

Sec. 8. [62J.14] [AREAS WITHOUT SATISFACTORY MANAGED CARE HEALTH PLANS.]

In areas of the state where the commissioner determines satisfactory managed care health plans are not available, the commissioner shall make health care available using one or more of the options specified in this section.

(a) The commissioner may recruit or encourage managed care health plans to serve the area.

(b) The commissioner may establish managed care health plans through direct contracts with existing clinics or other health care providers in the area consistent with the specifications and objectives of the state plan.

(c) The commissioner may pay providers on a fee-for-service basis, using managed care procedures, and may contract with the department of human services for claims processing and health care utilization review. When developing the payment system, the commissioner shall investigate the proposed Medicare resource-based relative value scale as the basis for a new fee schedule and the possibility of collective bargaining with health care providers. Participating providers must be required to operate under the department's managed care standards and procedures. Providers must be required to accept program enrollees as a condition of serving patients covered by any health coverage program financed by state or local government, including public employee health benefit programs. Providers must

be prohibited from billing enrollees for any portion of health care charges not reimbursed by the commissioner, except to collect copayments and deductibles or to charge for services that exceed coverage limits, to the extent these are specified in the state plan.

Sec. 9. [62J.15] [ENCOURAGEMENT OF PARTICIPATION OF PROVIDERS SERVING LOW-INCOME PERSONS.]

The commissioner shall encourage expansion or development of health plans that include providers currently serving low-income, uninsured state residents, including nonprofit community clinics, public health departments, and public hospitals. The commissioner's managed care specifications must apply to these providers when serving program enrollees.

Sec. 10. [62J.16] [HEALTH PLAN COMPENSATION; RESERVE FUND; PREMIUM DETERMINATION.]

Subdivision 1. [HEALTH PLAN COMPENSATION.] *The commissioner shall establish health plan payment arrangements in order to create financial incentives to improve the effectiveness and efficiency of health care delivery. Health plan companies under contract with the state plan may not vary the benefits included in the intermediate benefit set in order to reduce the cost of premiums. Participating health plan companies must assume responsibility for health care delivery and must assume financial risk, subject to the limits established through the reinsurance pool. To prevent uncertainty regarding the mix and cost of enrollees from resulting in higher charges in the state plan during the plan's first three years of operation, the commissioner may share risk above or below the health plan company's expected costs for state plan enrollees, to the extent that such risk sharing would reduce charges in the state plan. The risk sharing must not alter the community-rated basis, or limited rate variations, required under other laws. The commissioner is responsible for collecting premium payments from individuals, families, and employers, and health plan reimbursement may not be linked to collection of premium payments.*

Subd. 2. [RESERVE FUND.] *The commissioner shall establish a reserve fund to ensure that state funding will be available to fully satisfy the state's payment and risk-sharing obligations in the event the costs of coverage through the state plan are higher than expected. The reserve fund shall be established as an account within the general fund, and shall not exceed 8.33 percent of estimated total premiums for state plan coverage in the current fiscal year. The reserve fund shall include funds appropriated for this purpose, and any excess of state plan revenues more than expenses. The reserve fund shall remain available from year to year and does not cancel, except for funds in excess of the designated limit at the end of each fiscal year.*

Subd. 3. [PREMIUM DETERMINATION.] *The commissioner shall establish the premium rates charged in the state plan. In establishing premium rates the commissioner shall take into account differences in administrative costs for different classes of enrollment, and the need to maintain rates in the state plan that are competitive with the private market. The premium rates shall include: (1) an amount for health care delivery and health plan administration determined for each health plan company through bids or negotiations; (2) an amount for state plan administrative services provided by the department or other state agencies, not to exceed five percent of total premium; and (3) any additional amount determined to be necessary by the commissioner to ensure that funds will be available to fully satisfy*

the state's payment and risk-sharing obligations.

Sec. 11. [62J.17] [OUTREACH ACTIVITIES.]

Subdivision 1. [OUTREACH TO INDIVIDUALS.] *The commissioner shall establish outreach activities to inform state residents about public and private sources of health coverage and to assist them in obtaining coverage. Outreach activities must include the following:*

(1) health coverage information and counseling services provided throughout the state and through a toll-free telephone number; and

(2) ongoing publicity and advertising activities.

Subd. 2. [OUTREACH TO EMPLOYERS.] *The commissioner shall establish outreach activities to inform employers about the Minnesotans' health care plan and other sources of health care coverage and to assist them to obtain or expand coverage for their employees. Outreach activities must be directed at the types of employers determined by the commissioner to be most interested in joining the state plan.*

Sec. 12. [62J.18] [ENROLLMENT EDUCATION AND ASSISTANCE.]

The commissioner shall provide enrollment education and assistance to state residents. The assistance may include written materials, workshops, and individual assistance. Educational programs and assistance must be designed to serve persons who are not proficient in English or who have special communication needs. The program must provide information on the following topics in addition to information provided at the discretion of the commissioner:

(1) basic and supplemental coverage offered by the state plan;

(2) features of specific health plans offered by the state plan, including information on obtaining health care within health plans and descriptions of provider networks;

(3) differences between individual and group coverage;

(4) premiums associated with each plan and premium payment procedures and obligations; and

(5) actions enrollees must take if eligibility status changes.

Sec. 13. [62J.19] [APPLICATION FORMS AND PROCEDURES.]

Subdivision 1. [PROCEDURES.] *The commissioner shall accept application forms submitted by mail or in person. Applicants must include payment equal to one month of premium costs with the completed application. Applicants who are employed full-time by an employer who participates in the state plan must apply through the employer. Part-time and seasonal employees of an employer who participates in the state plan may participate on an individual basis as provided in section 6, subdivision 2.*

Subd. 2. [FORMS.] *Application must be made on forms supplied by the commissioner. The commissioner shall design the form in order to collect the minimum amount of information necessary to administer the program. A more detailed form may be designed for use by applicants potentially eligible for federally subsidized health care programs and other state programs.*

Subd. 3. [AVAILABILITY OF FORMS.] *The commissioner shall make application forms available throughout Minnesota at state government*

offices; at hospitals, clinics, and other health care provider offices, especially where large numbers of low-income persons are served; with individual income tax forms; with applications for a driver's license, state identification card, or motor vehicle registration; with school and college registration materials; at food shelves; at the offices of insurers, health maintenance organizations, and other health plan companies; at school district offices; at public and private elementary schools; at community health offices; and at women, infants, and children (WIC) program sites.

Sec. 14. [62J.20] [ELIGIBILITY DETERMINATION.]

Subdivision 1. [ELIGIBILITY VERIFICATION.] *Confirmation of income and other information provided by the applicant shall occur primarily through use of personal data that the state gathers, such as income tax and property tax records, for other purposes. The commissioner may use individuals' social security numbers as identifiers for purposes of administering the plan. At the request of the commissioner, a health plan shall provide a list of all persons covered by the health plan at any time during the 12 months preceding the request. To the extent possible, the commissioner shall allow health plans to provide the information in a manner or form that is convenient and efficient for the health plan. The commissioner shall require applicants for subsidized coverage to provide, as a condition of receiving subsidized coverage, a signed consent form authorizing health plans to release information indicating whether the applicant was covered by the health plan at any time during the six months preceding the date of application, the benefits and scope of coverage, the premium for coverage, the amount of any employer contribution, and other information identified by the commissioner that is necessary to determine or verify an applicant's eligibility for subsidized coverage. At the request of the commissioner and upon receiving a signed consent form, a health plan shall verify whether coverage was provided by the health plan to an individual identified by the commissioner during a period specified by the commissioner. If coverage was provided, the health plan shall also provide the information requested by the commissioner for which consent was granted. Data received by the commissioner are private data on individuals. The commissioner shall request lists of enrollees and verify coverage or a random check or special case basis.*

Subd. 2. [APPLICANT INFORMATION.] *Applicants shall submit evidence of family income, earned and unearned, for use in determining the amount of the premium and eligibility for a subsidy. Enrollees shall report changes in eligibility status as they occur.*

Subd. 3. [FRAUD.] *If an enrollee in the state plan is found to have provided false information or failed to update required information, the commissioner shall disenroll the enrollee. In all cases, the commissioner may recover premiums not paid due to fraud.*

Subd. 4. [REVERIFICATION.] *Eligibility for the state plan must be redetermined annually. The commissioner must use mail and other, simple means of obtaining information from enrollees, then engage in random checkups of the accuracy of information provided.*

Sec. 15. [62J.21] [ENROLLMENT.]

Subdivision 1. [COVERAGE EFFECTIVE DATE.] *Coverage becomes effective on the next first or 15th of a month, whichever comes first, after the commissioner transfers enrollment information to the health plan selected*

by the applicant. The transfer to the health plan must occur no later than two weeks after the commissioner receives a completed application and payment of one month of premium costs.

Subd. 2. [ENROLLMENT CONFIRMATION.] *No more than two weeks shall elapse between the time the commissioner receives a completed application and the applicant is notified of acceptance, rejection, or unusual delay and the reasons why. Refusal to provide a health history will not disqualify an applicant from the state plan. The commissioner shall operate a toll-free telephone service to confirm individual enrollment in the state plan. The service must be available to assist enrollees, health plans, and providers.*

Sec. 16. [62J.22] [OPEN ENROLLMENT.]

The commissioner shall establish an annual open enrollment period during which enrollees must be allowed to transfer between health plans. Enrollees may not transfer between plans during other periods unless their place of residence changes and their current plan does not provide coverage in the new location.

Sec. 17. [62J.23] [PREMIUM PAYMENTS; APPLICATION.]

The premium payment procedures established in sections 18 and 19 apply to coverage purchased through the Minnesotans' health care plan by an individual or an employer. Until universal health coverage is required, failure by individuals to pay premiums shall result in cancellation of state plan coverage.

Sec. 18. [62J.24] [PAYMENTS FROM INDIVIDUALS.]

Subdivision 1. [AUTOMATIC PAYMENTS.] *The commissioner shall establish an automatic premium payment system and shall require enrollees not receiving group coverage through an employer to make payments through the automatic system whenever practical. The system may include automatic payment through:*

(1) automatic bank account debiting;

(2) automatic income withholding for employees, modeled after the system used for child support enforcement;

(3) automatic collections through the state income tax system, including automatic deductions for employees and estimated payments for self-employed enrollees;

(4) automatic deductions from unemployment compensation benefits; or

(5) other methods developed by the commissioner.

Subd. 2. [MANUAL PAYMENTS.] *The commissioner may allow manual payments directly from enrollees to the commissioner for enrollees:*

(1) making their initial premium payment with their application form;

(2) expected to remain on the program for a short period of time; or

(3) for whom automatic payments are impractical.

Subd. 3. [PAYMENT PERIODS.] *Premiums shall be paid on a monthly basis. The commissioner shall encourage enrollees to make premium payments covering longer periods of time whenever practical.*

Sec. 19. [62J.25] [EMPLOYER ENROLLMENT.]

Subdivision 1. [ENROLLMENT OF EMPLOYEES.] *Employers seeking to participate in the state plan must apply to the commissioner to enroll their employees. A person enrolled under this method ceases to be covered as a member of the employer's group when employment with the employer is discontinued. The commissioner shall establish procedures to convert enrollees from group coverage to individual coverage when they cease employment with an employer who participates in the program unless the enrollee can provide evidence of coverage through a new employer or through some other plan.*

Subd. 2. [COLLECTION OF PREMIUMS.] *The commissioner shall require employers participating in the state plan to collect the employees' share of premiums and pay the employees' share and the employers' share directly to the commissioner.*

Subd. 3. [TECHNICAL ASSISTANCE TO EMPLOYERS.] *The commissioner must provide technical assistance to employers participating in the state plan. Technical assistance must be targeted to employers who do not currently offer employee health benefits or for whom technical assistance services are not readily available. The assistance must be provided at cost and may include assistance on the following:*

(1) designing and establishing a health benefit program;

(2) administering state and federal continuation coverage requirements; and

(3) establishing tax-sheltered premium accounts for employees.

Sec. 20. [62J.26] [ENFORCEMENT PROCEDURES.]

Subdivision 1. [EVIDENCE OF COVERAGE REQUIRED.] *The commissioner shall enforce the requirement that all state residents must maintain and show evidence of health insurance coverage.*

Subd. 2. [RESTRICTION ON TERMINATING COVERAGE.] *The commissioner shall prohibit an enrollee from terminating coverage in the Minnesotans' health care plan except when the enrollee provides evidence of alternative coverage.*

Subd. 3. [NONPAYMENT OF PREMIUM.] *(a) Prior to July 1, 1997, the commissioner may cancel an enrollee's participation in the state plan for failure to pay premiums.*

(b) Beginning July 1, 1997, the commissioner may not cancel an enrollee's participation in the state plan for failure to pay premiums. The commissioner shall attempt to collect unpaid premiums through the following methods:

(1) automatic income withholding, modeled after the child support enforcement system;

(2) automatic payroll deductions; or

(3) other methods identified or developed by the commissioner.

Subd. 4. [IDENTIFICATION OF UNINSURED PERSONS.] *The commissioner shall develop and implement a system to identify state residents who have not obtained health care coverage. The system may include a survey question added to driver's license applications, income tax forms, school registration forms, and other similar forms. The system may include additional methods developed by the commissioner.*

Subd. 5. [PROVISION OF COVERAGE.] *The commissioner shall enroll state residents identified under subdivision 4 in the state plan and collect the appropriate premium from them.*

Subd. 6. [IMPLEMENTATION.] *In developing procedures to implement this section, the commissioner shall consult with the attorney general.*

Sec. 21. [EFFECTIVE DATES.]

Sections 2 and 20, relating to mandatory universal coverage, are effective July 1, 1997.

ARTICLE 3

Health plan companies participating in the state plan are authorized to offer, sell, issue, and renew the intermediate

benefit set, parts A and B, and the supplemental benefit set subject to the terms established by the commissioner, notwithstanding any contrary provisions of chapter 62A, 62C, 62D, 62E, 62J, or other laws governing health coverage.

~~(i) provide funds of up to $50,000 per year per individual for a maximum of two years to supplement the incomes of family practice physicians, up to a maximum of $100,000 in annual income, if the hospital or hospital district has at least $250,000 in reserve and depreciation funds at the time of payment, and these reserve and depreciation funds were obtained solely from the operating revenues of the hospital or hospital district.~~ *expend funds, including public funds in any form, or devote the resources of the hospital or hospital district, to recruit or retain physicians whose services are necessary or desirable for meeting the health care needs of the population, and for successful performance of the hospital or hospital district's public purpose of the promotion of health. Allowable uses of funds and resources include the retirement of medical education debt, payment of one time amounts in consideration of services rendered or to be rendered, payment of recruitment expenses, payment of moving expenses, and the provision of other financial assistance necessary for the recruitment and retention of physicians, provided that the expenditures in whatever form are reasonable under the facts and circumstances of the situation.*

Sec. 5. Minnesota Statutes 1990, section 144.581, is amended by adding a subdivision to read:

Subd. 6. [WORKERS' COMPENSATION POOLS.] *Notwithstanding section 144.581, subdivision 2, and any other law to the contrary, public hospitals or organizations established under this section, and nursing homes, including those owned and operated by the state, a county, a municipality, or other governmental entity, may join with one another and with private hospitals or nursing homes to form and operate a group workers' compensation self-insured pool. A group self-insured pool that includes both governmental and private employers as authorized by this section is deemed to be organized and under the authority of sections 176.181 and 79A.03 and the administrative rules relating to private self-insured employers and groups. In the case of governmental employers, the joint and several liability of the employers shall be limited to the earned revenue and assets of the hospital or nursing home and shall not to any greater extent be a liability of the governmental entity or subject to its full faith and credit. In the event of the financial inability of the self-insured group to pay its claims, claims attributable to private hospital or nursing home employers shall be covered by the self-insurers' security fund and claims attributable to governmental hospital or nursing home employers shall be covered by the special compensation fund. Only private employers covered by this section shall be subject to assessment by the self-insurers' security fund.*

Sec. 6. Minnesota Statutes 1990, section 144.8093, is amended to read:

144.8093 [EMERGENCY MEDICAL SERVICES FUND.]

Subdivision 1. [CITATION.] This section is the "Minnesota emergency medical services system support act."

Subd. 2. [ESTABLISHMENT AND PURPOSE.] In order to develop, maintain, and improve regional emergency medical services systems, the department of health shall establish an emergency medical services system fund. The fund shall be used for the general purposes of promoting systematic, cost-effective delivery of emergency medical care throughout the state; identifying common local, regional, and state emergency medical

system needs and providing assistance in addressing those needs; ~~undertaking special projects of statewide significance that will enhance the provision of emergency medical care in Minnesota~~ *providing discretionary grants for emergency medical service projects with potential regionwide significance*; providing for public education about emergency medical care; promoting the exchange of emergency medical care information; ensuring the ongoing coordination of regional emergency medical services systems; and establishing and maintaining training standards to ensure consistent quality of emergency medical services throughout the state.

Subd. 3. [USE AND RESTRICTIONS.] Designated regional emergency medical services systems may use emergency medical services system funds to support local and regional emergency medical services as determined within the region, with particular emphasis given to supporting and improving emergency trauma and cardiac care and training. No part of a region's share of the fund may be used to directly subsidize any ambulance service operations or rescue service operations or to purchase any vehicles or parts of vehicles for an ambulance service or a rescue service.

Subd. 4. [DISTRIBUTION.] Money from the fund shall be distributed according to this subdivision. ~~Eighty~~ *Ninety-three and one-third* percent of the fund shall be distributed annually on a contract for services basis with each of the eight regional emergency medical services systems designated by the commissioner of health. The systems shall be governed by a body consisting of appointed representatives from each of the counties in that region and shall also include representatives from emergency medical services organizations. The commissioner shall contract with a regional entity only if the contract proposal satisfactorily addresses proposed emergency medical services activities in the following areas: personnel training, transportation coordination, public safety agency cooperation, communications systems maintenance and development, public involvement, health care facilities involvement, and system management. If each of the regional emergency medical services systems submits a satisfactory contract proposal, then this part of the fund shall be distributed evenly among the regions. If one or more of the regions does not contract for the full amount of its even share or if its proposal is unsatisfactory, then the commissioner may reallocate the unused funds to the remaining regions on a pro rata basis. Six and two-thirds percent of the fund shall be used by the commissioner to support regionwide reporting systems and to provide other regional administration and technical assistance. ~~Thirteen and one-third percent shall be distributed by the commissioner as discretionary grants for special emergency medical services projects with potential statewide significance.~~

Sec. 8. Minnesota Statutes 1990, section 256.969, subdivision 6a, is amended to read:

Subd. 6a. [SPECIAL CONSIDERATIONS.] (a) In determining the payment rates, the commissioner shall consider whether the following circumstances exist:

(1) [MINIMAL MEDICAL ASSISTANCE USE.] Minnesota hospitals with 30 or fewer annualized admissions of Minnesota medical assistance recipients in the base year, excluding Medicare crossover admissions, may have the base year operating rates, as adjusted by the case mix index, and property payment rates established at the 70th percentile of hospitals in the peer group in effect during the base year as established by the Minnesota department of health for use by the rate review program. Rates within a peer group shall be adjusted for differences in fiscal years and outlier percentage payments before establishing the 70th percentile. The operating payment rate portion of the 70th percentile shall be adjusted by the hospital cost index. To have rates established under this paragraph, the hospital must notify the commissioner in writing by November 1 of the year preceding the rate year. This paragraph shall be applied to all payment rates of the affected hospital.

(2) [UNUSUAL COST OR LENGTH OF STAY EXPERIENCE.] The commissioner shall establish day and cost outlier thresholds for each diagnostic category established under subdivision 2 at two standard deviations beyond the geometric mean length of stay or allowable cost. Payment for the days and cost beyond the outlier threshold shall be in addition to the operating and property payment rates per admission established under subdivisions 2, 2b, and 2c. Payment for outliers shall be at 70 percent of the allowable operating cost calculated by dividing the operating payment rate per admission, after adjustment by the case mix index, hospital cost index, relative values and the disproportionate population adjustment, by the arithmetic mean length of stay for the diagnostic category. The outlier threshold for neonatal and burn diagnostic categories shall be established at one

standard deviation beyond the geometric mean length of stay or allowable cost, and payment shall be at 90 percent of allowable operating cost calculated in the same manner as other outliers. A hospital may choose an alternative percentage outlier payment to a minimum of 60 percent and a maximum of 80 percent if the commissioner is notified in writing of the request by October 1 of the year preceding the rate year. The chosen percentage applies to all diagnostic categories except burns and neonates. The percentage of allowable cost that is unrecognized by the outlier payment shall be added back to the base year operating payment rate per admission. Cost outliers shall be calculated using hospital specific allowable cost data. If a stay is both a day and a cost outlier, outlier payments shall be based on the higher outlier payment.

(3) [DISPROPORTIONATE NUMBERS OF LOW-INCOME PATIENTS SERVED.] For admissions occurring on or after July 1, 1989, the medical assistance disproportionate population adjustment shall comply with federal law at fully implemented rates. The commissioner may establish a separate disproportionate population operating payment rate adjustment under the general assistance medical care program. For admissions occurring on or after the rate year beginning January 1, 1991, the disproportionate population adjustment shall be derived from base year Medicare cost report data and may be adjusted by data reflecting actual claims paid by the department.

(4) [SEPARATE BILLING BY CERTIFIED REGISTERED NURSE ANESTHETISTS.] Hospitals may exclude certified registered nurse anesthetist costs from the operating payment rate as allowed by section 256B.0625, subdivision 11. To be eligible, a hospital must notify the commissioner in writing by October 1 of the year preceding the rate year of the request to exclude certified registered nurse anesthetist costs. The hospital must agree that all hospital claims for the cost and charges of certified registered nurse anesthetist services will not be included as part of the rates for inpatient services provided during the rate year. In this case, the operating payment rate shall be adjusted to exclude the cost of certified registered nurse anesthetist services. Payments made through separate claims for certified registered nurse anesthetist services shall not be paid directly through the hospital provider number or indirectly by the certified registered nurse anesthetist to the hospital or related organizations.

(5) [SPECIAL RATES.] The commissioner may establish special rate-setting methodologies, including a per day operating and property payment system, for hospice, ventilator dependent, and other services on a hospital and recipient specific basis taking into consideration such variables as federal designation, program size, and admission from a medical assistance waiver or home care program. The data and rate calculation method shall conform to the requirements of paragraph (7), except that hospice rates shall not exceed the amount allowed under federal law and payment shall be secondary to any other medical assistance hospice program. Rates and payments established under this paragraph must meet the requirements of section 256.9685, subdivisions 1 and 2, and must not exceed payments that would otherwise be made to a hospital in total for rate year admissions under subdivisions 2, 2b, 2c, 3, 4, 5, and 6. The cost and charges used to establish rates shall only reflect inpatient medical assistance covered services. Hospital and claims data that are used to establish rates under this paragraph shall not be used to establish payments or relative values under subdivisions 2, 2b, 2c, 3, 4, 5, and 6.

(6) [REHABILITATION DISTINCT PARTS.] Units of hospitals that are

recognized as rehabilitation distinct parts by the Medicare program shall have separate provider numbers under the medical assistance program for rate establishment and billing purposes only. These units shall also have operating and property payment rates and the disproportionate population adjustment established separately from other inpatient hospital services, based on the methods of subdivisions 2, 2b, 2c, 3, 4, 5, and 6. The commissioner may establish separate relative values under subdivision 2 for rehabilitation hospitals and distinct parts as defined by the Medicare program. For individual hospitals that did not have separate medical assistance rehabilitation provider numbers or rehabilitation distinct parts in the base year, hospitals shall provide the information needed to separate rehabilitation distinct part cost and claims data from other inpatient service data.

(7) [NEONATAL TRANSFERS.] For admissions occurring on or after July 1, 1989, neonatal diagnostic category transfers shall have operating and property payment rates established at receiving hospitals which have neonatal intensive care units on a per day payment system that is based on the cost finding methods and allowable costs of the Medicare program during the base year. Other neonatal diagnostic category transfers shall have rates established according to paragraph (8). The rate per day for the neonatal service setting within the hospital shall be determined by dividing base year neonatal allowable costs by neonatal patient days. The operating payment rate portion of the rate shall be adjusted by the hospital cost index and the disproportionate population adjustment. The cost and charges used to establish rates shall only reflect inpatient services covered by medical assistance. Hospital and claims data used to establish rates under this paragraph shall not be used to establish payments or relative values under subdivisions 2, 2b, 2c, 3, 4, 5, and 6.

(8) [TRANSFERS.] Except as provided in paragraphs (5) and (7), operating and property payment rates for admissions that result in transfers and transfers shall be established on a per day payment system. The per day payment rate shall be the sum of the adjusted operating and property payment rates determined in subdivisions 2b and 2c, divided by the arithmetic mean length of stay for the diagnostic category. Each admission that results in a transfer and each transfer is considered a separate admission to each hospital, and the total of the admission and transfer payments to each hospital must not exceed the total per admission payment that would otherwise be made to each hospital under paragraph (2) and subdivisions 2b and 2c.

(b) The computation of each hospital's payment rate and the relative values of the diagnostic categories are not subject to the routine service cost limitation imposed under the Medicare program.

(c) Indian health service facilities are exempt from the rate establishment methods required by this section and shall be reimbursed at the facility's usual and customary charges to the general public. This exemption is not effective for payments under general assistance medical care.

(d) Except as provided in paragraph (a), clauses (1) and (3), out-of-state hospitals that are located within a Minnesota local trade area shall have rates established using the same procedures and methods that apply to Minnesota hospitals. Hospitals that are not required by law to file information in a format necessary to establish rates shall have rates established based on the commissioner's estimates of the information. Relative values of the diagnostic categories shall not be redetermined under this paragraph until required by rule. Hospitals affected by this paragraph shall then be

included in determining relative values. However, hospitals that have rates established based upon the commissioner's estimates of information shall not be included in determining relative values. This paragraph is effective for hospital fiscal years beginning on or after July 1, 1988. A hospital shall provide the information necessary to establish rates under this paragraph at least 90 days before the start of the hospital's fiscal year.

(e) Hospitals that are not located within Minnesota or a Minnesota local trade area shall have operating and property rates established at the average of statewide and local trade area rates or, at the commissioner's discretion, at an amount negotiated by the commissioner. Relative values shall not include data from hospitals that have rates established under this paragraph. Payments, including third party liability, established under this paragraph may not exceed the charges on a claim specific basis for inpatient services that are covered by medical assistance.

(f) Medical assistance inpatient payment rates must include the cost incurred by hospitals to pay the department of health for metabolic disorder testing of newborns who are medical assistance recipients, if the cost is not recognized by another payment source.

(g) Medical assistance inpatient payments shall increase 20 percent for inpatient hospital originally paid admissions, excluding Medicare crossovers, that occurred between July 1, 1988, and December 31, 1990, if: (i) the hospital had 100 or fewer Minnesota medical assistance annualized paid admissions, excluding Medicare crossovers, that were paid by March 1, 1988, for the period January 1, 1987, to June 30, 1987; (ii) the hospital had 100 or fewer licensed beds on March 1, 1988; (iii) the hospital is located in Minnesota; and (iv) the hospital is not located in a city of the first class as defined in section 410.01. For this paragraph, medical assistance does not include general assistance medical care.

(h) Medical assistance inpatient payments shall increase 15 percent for inpatient hospital originally paid admissions, excluding Medicare crossovers, that occurred between July 1, 1988, and December 31, 1990, if: (i) the hospital had more than 100 but fewer than 250 Minnesota medical assistance annualized paid admissions, excluding Medicare crossovers, that were paid by March 1, 1988, for the period January 1, 1987, to June 30, 1987; (ii) the hospital had 100 or fewer licensed beds on March 1, 1988; (iii) the hospital is located in Minnesota; and (iv) the hospital is not located in a city of the first class as defined in section 410.01. For this paragraph, medical assistance does not include general assistance medical care.

(i) Medical assistance inpatient payments shall increase 7.25 percent for inpatient hospital originally paid admissions, excluding Medicare crossovers, that occurred between April 1, 1991, and the implementation date of the upgrade to the Medicaid management information system, if: (i) the hospital had 100 or fewer Minnesota medical assistance annualized paid admissions, excluding Medicare crossovers, that were paid by March 1, 1988, for the period January 1, 1987, to June 30, 1987; (ii) the hospital had 100 or fewer licensed beds on March 1, 1988; (iii) the hospital is located in Minnesota; and (iv) the hospital is not located in a city of the first class as defined in section 410.01. For this paragraph, medical assistance does not include general assistance medical care.

(j) Medical assistance inpatient payments shall increase 4.4 percent for inpatient hospital originally paid admissions, excluding Medicare crossovers, that occurred between April 1, 1991, and the implementation date

of the upgrade to the Medicaid management information system, if: (i) the hospital had more than 100 but fewer than 250 Minnesota medical assistance annualized paid admissions, excluding Medicare crossovers, that were paid by March 1, 1988, for the period January 1, 1987, to June 30, 1987; (ii) the hospital had 100 or fewer licensed beds on March 1, 1988; (iii) the hospital is located in Minnesota; and (iv) the hospital is not located in a city of the first class as defined in section 410.01. For this paragraph, medical assistance does not include general assistance medical care.

~~(i)~~ *(k)* Admissions occurring on or after July 1, 1990, that are classified to a diagnostic category of mental health or chemical dependency shall have rates established according to the methods of paragraph (a), clause (8), except the per day rate shall be multiplied by a factor of 2, provided that the total of the per day rates shall not exceed the per admission rate. This methodology shall also apply when a hold or commitment is ordered by the court for the days that inpatient hospital services are medically necessary. Stays which are medically necessary for inpatient hospital services and covered by medical assistance shall not be billable to any other governmental entity. Medical necessity shall be determined under criteria established to meet the requirements of section 256B.04, subdivision 15, or 256D.03, subdivision 7, paragraph (b).

Sec. 9. Minnesota Statutes 1990, section 447.31, subdivision 1, is amended to read:

Subdivision 1. [RESOLUTIONS.] Any ~~four~~ *two* or more cities and towns, however organized, except cities of the first class, may create a hospital district. They must do so by resolutions adopted by their respective governing bodies or electors. A hospital district may be reorganized according to sections 447.31 to 447.37. Reorganization must be by resolutions adopted by the district's hospital board and the governing body or voters of each city and town in the district.

Sec. 10. Minnesota Statutes 1990, section 447.31, subdivision 3, is amended to read:

Subd. 3. [CONTENTS OF RESOLUTION.] A resolution under subdivision 1 must state that a hospital district is authorized to be created under sections 447.31 to 447.37, or that an existing hospital district is authorized to be reorganized under sections 447.31 to 447.37, in order to acquire, improve, and run hospital and nursing home facilities that the hospital board decides are necessary and expedient in accordance with sections 447.31 to 447.37. The resolution must name the ~~four~~ *two* or more cities or towns included in the district. The resolution must be adopted by a two-thirds majority of the members-elect of the governing body or board acting on it, or by the voters of the city or town as provided in this section.

Each resolution adopted by the governing body of a city or town must be published in its official newspaper and takes effect 40 days after publication, unless a petition for referendum on the resolution is filed with the governing body within 40 days. A petition for referendum must be signed by at least five percent of the number of voters voting at the last election of officers. If a petition is filed, the resolution does not take effect until approved by a majority of voters voting on it at a regular municipal election or a special election which the governing body may call for that purpose.

The resolution may also be initiated by petition filed with the governing body of the city or town, signed by at least ten percent of the number of

voters voting at the last general election. A petition must present the text of the proposed resolution and request an election on it. If the petition is filed, the governing body shall call a special election for the purpose, to be held within 30 days after the filing of the petition, or may submit the resolution to a vote at a regular municipal election that is to be held within the 30-day period. The resolution takes effect if approved by a majority of voters voting on it at the election. Only one election shall be held within any given 12-month period upon resolutions initiated by petition. The notice of the election and the ballot used must contain the text of the resolution, followed by the question: "Shall the above resolution be approved?"

Sec. 11. [STUDY OF BASIC AND ADVANCED LIFE SUPPORT REIMBURSEMENT.]

The commissioner of human services, in consultation with the commissioner of health, shall study the mechanisms and rates of reimbursement for advanced and basic life support ambulance and special transportation service calls under medical assistance and general assistance medical care. The study shall examine methods of simplifying the claims process, interpretation of the "medically necessary" criteria and prior approval in light of the statutory mandate that ambulance service may not be denied, as well as other issues that create impediments to reasonable and fair reimbursement. The commissioner shall report findings and offer recommendations to the legislature by February 1, 1992, on means of maximizing potential reimbursement levels.

Sec. 12. [STUDY OF AMBULANCE SUBSCRIPTION PLANS.]

The commissioner of commerce and the commissioner of health shall study prepaid ambulance service plans that allow a person to prepay for ambulance services on a yearly basis. The commissioners shall study plans offered in other states and shall study the cost effectiveness and feasibility of offering these plans in Minnesota. The commissioners shall study methods of funding the plans. The commissioners shall also address the issue of whether these plans should be regulated as insurance, health maintenance organizations, or as another type of entity. The commissioners shall conduct the study in conjunction with the attorney general. The commissioners shall report the findings of the study to the legislature by January 1, 1992.

Sec. 13. [EFFECTIVE DATE.]

Section 1 is effective for the department of human services July 1, 1992 or on the implementation date of the upgrade to the Medicaid management information system, whichever is later.

Subd. 2. [GENERAL DUTIES; IMPLEMENTATION DATE.] *The commissioner, through the health care analysis unit, shall:*

(1) conduct applied research using existing and newly established health care data bases, and promote applications based on existing research;

(2) establish the condition-specific data base required under section 2;

(3) develop and implement data collection procedures to ensure a high level of cooperation from health care providers and health plans;

(4) work closely with health plans and health care providers under contract with the commissioner of health care access to promote improvements in health care efficiency and effectiveness;

(5) periodically evaluate the state's existing health care financing and delivery programs, and the health programs created or administered by the commissioner;

(6) regularly prepare estimates, specific to Minnesota, of total health service expenditures and sources of payment;

(8) conduct periodic surveys, including those required by section 5;

(9) provide technical assistance to health plan and health care purchasers, as required by section 6;

(10) develop outcome-based practice parameters as required under section 7; and

(11) provide technical assistance as needed to the department of health.

The commissioner shall begin implementation of these data collection and research initiatives by July 1, 1992.

Subd. 3. [CRITERIA FOR UNIT INITIATIVES.] *Data and research initiatives by the health care analysis unit must:*

(1) serve the needs of the general public, public sector health care programs, employers and other purchasers of health care, health care providers, including providers serving large numbers of low-income people, and health plan companies;

(2) promote a significantly accelerated pace of publicly disseminated, applied research on health care delivery, outcomes, costs, quality, and management;

(3) conduct research and promote health care applications based on scientifically sound and statistically valid methods;

(4) be statewide in scope, in order to benefit health care purchasers and providers in all parts of Minnesota and to ensure a broad and representative data base for research, comparisons, and applications;

(6) be structured to minimize the administrative burden on health plans, health care providers, and the health care delivery system; and

(7) promote continuous improvement in the efficiency and effectiveness of health care delivery.

Subd. 4. [CRITERIA FOR PUBLIC SECTOR HEALTH CARE PROGRAMS.] *Data and research initiatives related to public sector health care*

programs must:

(2) assist the state in its public health activities, including the analysis of disease prevalence and trends and the development of public health responses;

(3) assist the state in developing and refining its overall health policy, including policy related to health care costs, quality, and access; and

(4) provide a data source that allows the evaluation of state health care financing and delivery programs.

Subd. 5. [DATA COLLECTION PROCEDURES.] *The health care analysis unit shall collect data from health care providers, health plan companies, and individuals in the most cost-effective manner, which does not unduly burden providers. The unit may require health care providers and health plan companies to collect and provide patient health data, provide mailing lists of patients who have consented to the data request, and cooperate in other ways with the data collection process. All patient-identifying information is classified as private data. For purposes of this section, the health care analysis unit shall assign, or require health care providers and health plan companies to assign, a unique identification number to each patient to safeguard patient identity.*

Subd. 6. [DATA CLASSIFICATION.] *(a) Data collected through the large-scale data base initiatives of the health care analysis unit required by section 62J.45 that identify individuals are private data on individuals. Data not on individuals are nonpublic data. The commissioner may release private data on individuals and nonpublic data to researchers affiliated with university research centers or departments who are conducting research on health outcomes, practice parameters, and medical practice style; researchers working under contract with the bureau of health care access; and individuals purchasing health care services for health plan companies and groups. Prior to releasing any nonpublic data under this paragraph that identify or relate to a specific health plan, medical provider, or health care facility, the commissioner shall provide at least 30 days' notice to the subject of the data, including a copy of the relevant data, and allow the subject of the data to provide a brief explanation or comment on the data which must be released with the data.*

(b) Data collected through the survey research initiatives of the health care analysis unit required by section 4 are classified as public data under section 13.03, except that any patient or enrollee identifying information is private data.

(c) Summary data derived from data collected through the large-scale data base and survey research initiatives of the health care analysis unit may be provided under section 13.05, subdivision 7, and may be released in studies produced by the bureau of health care access.

(d) The commissioner shall adopt rules to establish criteria and procedures to govern access to and the use of data collected through the initiatives of the health care analysis unit.

Subd. 7. [DATA COLLECTION ADVISORY COMMITTEE.] *The commissioner shall convene a 15 member data collection advisory committee*

consisting of health service researchers, health care providers, health plan company representatives, representatives of businesses that purchase health coverage, and consumers. The advisory committee shall evaluate methods of data collection and shall recommend to the commissioner methods of data collection that minimize administrative burdens, address data privacy concerns, and meet the needs of health service researchers. The advisory committee is governed by section 15.059.

Subd. 8. |FEDERAL AND OTHER GRANTS.| *The commissioner of health shall seek federal funding, and funding from private and other nonstate sources, for the initiatives of the health care analysis unit.*

Sec. 2. |62J.43| |LARGE-SCALE DATA BASE.|

Subdivision 1. |ESTABLISHMENT.| *The health care analysis unit shall establish a large-scale data base for a limited number of health conditions. This initiative must meet the requirements of this section.*

Subd. 2. |SPECIFIC HEALTH CONDITIONS.| *(a) The data must be collected for specific health conditions, rather than specific procedures, types of health care providers, or services. The health care analysis unit shall designate a limited number of specific health conditions for which data shall be collected during the first year of operation. For subsequent years, data may be collected for additional specific health conditions. The number of specific conditions for which data is collected is subject to the availability of appropriations.*

(b) The initiative must emphasize conditions that account for significant total costs, when considering both the frequency of a condition and the unit cost of treatment. The initial emphasis must be on the study of conditions commonly treated in hospitals on an inpatient or outpatient basis, or in freestanding outpatient surgical centers. As improved data collection and evaluation techniques are incorporated, this emphasis shall be expanded to include entire episodes of care for a given condition, whether or not treatment includes use of a hospital or a freestanding outpatient surgical center.

Subd. 3. |INFORMATION TO BE COLLECTED.| *The data collected must include information on health outcomes, including information on mortality, morbidity, patient functional status and quality of life, symptoms, and patient satisfaction. The data collected must include information necessary to measure and make adjustments for differences in the severity of patient condition across different health care providers, and may include data obtained directly from the patient or from patient medical records. The data must be collected in a manner that allows comparisons to be made between providers, health plan companies, public programs, and other entities.*

Subd. 4. |DATA COLLECTION AND REVIEW.| *Data collection for any one condition must continue for a sufficient time to permit: adequate analysis by researchers and appropriate providers, including providers who will be impacted by the data; feedback to providers; and monitoring for changes in practice patterns. The health care analysis unit shall annually review all specific health conditions for which data is being collected, in order to determine if data collection for that condition should be continued.*

Subd. 5. |USE OF EXISTING DATA BASES.| *(a) The health care analysis unit shall negotiate with private sector organizations currently collecting data on specific health conditions of interest to the unit, in order to obtain*

required data in a cost-effective manner and minimize administrative costs. The unit shall attempt to establish linkages between the large scale data base established by the unit and existing private sector data bases and shall consider and implement methods to streamline data collection in order to reduce public and private sector administrative costs.

(b) The health care analysis unit shall use existing public sector data bases, such as those existing for medical assistance and Medicare, to the greatest extent possible. The unit shall establish linkages between existing public sector data bases and consider and implement methods to streamline public sector data collection in order to reduce public and private sector administrative costs.

Sec. 3. [62J.44] [ANALYSIS AND USE OF DATA COLLECTED THROUGH THE LARGE-SCALE DATA BASE.]

Subdivision 1. [DATA ANALYSIS.] *The health care analysis unit shall analyze the data collected on specific health conditions using existing practice parameters and newly researched practice parameters, including those established through the medical effectiveness studies of the federal government. The unit may use the data collected to develop new practice parameters, if development and refinement is based upon input from and analysis by practitioners, particularly those practitioners knowledgeable about and impacted by practice parameters. The unit may also refine existing practice parameters, and may encourage or coordinate private sector research efforts designed to develop or refine practice parameters.*

Subd. 2. [EDUCATIONAL EFFORTS.] *The health care analysis unit shall maintain and improve the quality of health care in Minnesota by providing practitioners in the state with information about practice parameters. The unit shall promote, support, and disseminate parameters for specific, appropriate conditions, and the research findings on which these parameters are based, to all practitioners in the state who diagnose or treat the medical condition.*

Subd. 3. [PEER REVIEWS.] *The unit may require peer reviews for specific medical conditions for which medical practice in all or part of the state deviates from practice parameters. The unit may also require peer reviews for specific medical conditions for which there are large variations in treatment method or frequency of treatment in all or part of the state. Peer reviews may be required for all medical practitioners statewide, or limited to medical practitioners in specific areas of the state. The peer reviews shall determine if the procedures conducted by medical practitioners are medically necessary and appropriate, and within acceptable and prevailing practice parameters that have been disseminated by the health care analysis unit in conjunction with the appropriate professional organizations. If a medical practitioner's practice style does not change and the practitioner continues to perform procedures that are medically inappropriate, even after educational efforts by the review panel, the practitioner may be reported to the appropriate professional licensing board.*

Subd. 4. [PEER REVIEW ADVISORY COMMITTEE.] *The commissioner shall convene a 15 member peer review advisory committee comprised of representatives of health care professional organizations, health licensing boards, and organizations such as the Foundation for Health Care Evaluation that conduct peer reviews. The advisory committee shall present recommendations for legislation to the health care analysis unit by January 1,*

1992. These recommendations must address issues related to the establishment and composition of peer review panels, and the procedures to be followed by peer review panels. The advisory committee is governed by section 15.059.

Sec. 4. [62J.45] [SURVEY RESEARCH.]

The health care analysis unit shall conduct periodic surveys to accomplish the data and research goals listed in section 1. These surveys shall include, but are not limited to:

(1) surveys of enrollee satisfaction with health plans and health care providers;

(2) surveys to monitor changes over time in financial and geographic access and sources of health coverage;

(3) surveys of health service prices, especially for services less commonly covered by health insurance, or for which patients commonly face significant out-of-pocket expenses;

(4) surveys of health plan prices, especially for health plans sold on a community-rated or table-rated basis; and

(5) surveys of new procedures and treatments performed by health care providers, as a basis for considering changes in the benefits provided by state health coverage programs.

Sec. 5. [62J.46] [TECHNICAL ASSISTANCE FOR PURCHASERS.]

The health care analysis unit shall provide technical assistance to health plan and health care purchasers. The unit shall collect information about:

(1) premiums, benefit levels, managed care procedures, health care outcomes, and other features of popular health plans and health plan companies; and

(2) prices, outcomes, provider experience, and other information for services less commonly covered by insurance or for which patients commonly face significant out-of-pocket expenses.

The commissioner shall publicize this information in an easily understandable format.

Sec. 6. [62J.481] [OUTCOME-BASED PRACTICE STANDARDS.]

The health care analysis unit may develop, revise, and disseminate practice parameters, and disseminate research findings, that are supported by medical literature and appropriately controlled studies to minimize unnecessary, unproven, or ineffective care. Among other appropriate activities relating to the development of practice guidelines, the health care analysis unit shall:

(1) determine uniform specifications for the collection, transmission, and maintenance of health outcomes data; and

(2) conduct studies and research on the following subjects:

(i) new and revised practice guidelines to be used in connection with the Minnesotans' health care plan and other settings;

(ii) the comparative effectiveness of alternative modes of treatment, medical equipment, and drugs;

(iii) the relative satisfaction of participants with their care, determined with reference to both provider and mode of treatment;

(iv) the cost versus the effectiveness of health care treatments; and

(v) the impact on cost and effectiveness of health care of the management techniques and administrative interventions used in the Minnesotans' health care plan and other settings.

Sec. 7. Minnesota Statutes 1990, section 145.61, subdivision 5, is amended to read:

Subd. 5. "Review organization" means a nonprofit organization acting according to clause (k) or a committee whose membership is limited to professionals and administrative staff, except where otherwise provided for by state or federal law, and which is established by a hospital, by a clinic, by one or more state or local associations of professionals, by an organization of professionals from a particular area or medical institution, by a health maintenance organization as defined in chapter 62D, by a nonprofit health service plan corporation as defined in chapter 62C, by a professional standards review organization established pursuant to United States Code, title 42, section 1320c-1 et seq., or by a medical review agent established to meet the requirements of section 256B.04, subdivision 15, or 256D.03, subdivision 7, paragraph (b), or by the department of human services, to gather and review information relating to the care and treatment of patients for the purposes of:

(m) reviewing a provider's professional practice as requested by the health care analysis unit under section 3.

Sec. 8. Minnesota Statutes 1990, section 145.64, is amended to read:

145.64 [CONFIDENTIALITY OF RECORDS OF REVIEW ORGANIZATION.]

Subdivision 1. [DATA AND INFORMATION.] All data and information acquired by a review organization, in the exercise of its duties and functions, shall be held in confidence, shall not be disclosed to anyone except to the extent necessary to carry out one or more of the purposes of the review organization, and shall not be subject to subpoena or discovery. No person described in section 145.63 shall disclose what transpired at a meeting of a review organization except to the extent necessary to carry out one or more of the purposes of a review organization. The proceedings and records of a review organization shall not be subject to discovery or introduction into evidence in any civil action against a professional arising out of the matter or matters which are the subject of consideration by the review organization. Information, documents or records otherwise available from original sources shall not be immune from discovery or use in any civil action merely because they were presented during proceedings of a review organization, nor shall any person who testified before a review organization or who is a member of it be prevented from testifying as to matters within the person's knowledge, but a witness cannot be asked about the witness' testimony before a review organization or opinions formed by the witness as a result of its hearings. ~~The provisions of this section shall not apply to a review organization of the type described in section 145.61, subdivision 5, clause (h).~~

Subd. 2. However, any data so disclosed in such proceedings shall not be admissible in any other judicial proceeding.*

Sec. 9. [STUDY OF ADMINISTRATIVE COSTS.]

The health care analysis unit shall study costs and requirements incurred by health plan companies and health care providers that are related to the collection and submission of information to the state and federal government.

insurers, and other third parties. The unit shall recommend to the commissioner by January 1, 1993, any reforms that may reduce these costs without compromising the purposes for which the information is collected.

ARTICLE 7

HEALTH INSURANCE REFORM

Section 1. [62A.135] [NONCOMPREHENSIVE POLICIES; MINIMUM LOSS RATIOS.]

(a) This section applies to individual or group policies, certificates, or other evidence of coverage designed primarily to provide coverage for hospital or medical expenses on a per diem, fixed indemnity, or nonexpense incurred basis offered, issued, or renewed, to provide coverage to a Minnesota resident.

(b) Notwithstanding section 62A.02, subdivision 3, relating to loss ratios, policies must return to Minnesota policyholders in the form of aggregate benefits under the policy, for each year, on the basis of incurred claims experience and earned premiums in Minnesota and in accordance with accepted actuarial principles and practices:

(1) at least 75 percent of the aggregate amount of premiums earned in the case of group policies; and

(2) at least 65 percent of the aggregate amount of premiums earned in the case of individual policies.

(c) An insurer may only issue or renew an individual policy on a guaranteed renewable or noncancelable basis.

(d) Noncomprehensive policies, certificates, or other evidence of coverage subject to the provisions of this section are also subject to the requirements, penalties, and remedies applicable to medicare supplement policies, as set forth in section 62A.36, subdivisions 1a, 1b, and 2.

The first supplement to the annual statement required to be filed pursuant to this paragraph must be for the annual statement required to be submitted on or after January 1, 1993.

Sec. 2. [62J.51] [PROVISION OF COVERAGE.]

Subdivision 1. [SMALL GROUPS.] *No health plan company may deny an application for health coverage submitted to it by a small group, if the health plan company offers, sells, issues, or renews health coverage to other small groups.*

Subd. 2. [INDIVIDUALS.] *No health plan company may deny an application for health care coverage submitted to it by an individual based on that individual's occupation, geographic location, marital status, age, sex, national origin, religion, employment status, the results of any genetic testing, status as a tenant, race, parentage, or family medical history other than the medical history of persons to be covered by the health coverage.*

Subd. 3. [MEDICARE SUPPLEMENT.] *When a health plan company has denied an application for coverage, the health plan company must inform the applicant of the specific reason for the denial. The state plan shall not deny an application from an individual for health coverage for any reason if the applicant qualifies for a premium subsidy. This section does not apply to Medicare supplemental coverage.*

Sec. 3. [62J.52] [CANCELLATION.]

No health plan company may cancel or fail to renew health coverage that it provides to an individual, small group, or except for nonpayment of a legally permitted premium or copayment, fraud or misrepresentation, noncompliance with plan provisions, or failure to maintain legally permitted participation requirements. This section does not apply to Medicare supplemental coverage.

Sec. 4. [62J.53] [PREEXISTING CONDITIONS.]

Subdivision 1. [SMALL GROUP COVERAGE.] *No health plan company may limit health coverage provided to a small group on the basis of the past or present health status of any person, except as allowed by this section. On and after July 1, 1997, a health plan company may not exclude or limit health coverage for pre-existing conditions for small groups. Prior to July 1, 1997, a health plan company may not exclude but may limit health coverage of pre-existing conditions for small groups to a total benefit of $1,500 per person for outpatient services for the first 12 months of coverage. This total benefit of $1,500 is based upon coverage providing benefits equivalent to those commonly included in group health coverage offered by health maintenance organizations operating under chapter 62D. The commissioner of commerce shall adopt rules specifying an actuarially equivalent total benefit limitation that may be used with other levels of health coverage. A health plan company may not apply a pre-existing condition limitation if the person enrolled in new health coverage after having other health coverage, including medical assistance under chapter 256B or general assistance medical care under chapter 256D, that would have covered the condition, so long as coverage for the condition was continuous. An unexpired pre-existing condition limitation period under previous coverage may be applied under the person's new health coverage until it would have expired if the person had not switched coverage.*

Subd. 2. [INDIVIDUAL COVERAGE.] *For coverage provided to an individual, a preexisting condition may be excluded by a health plan company for a period not to exceed six months from the effective date of coverage for that individual.*

Subd. 3. [MEDICARE SUPPLEMENTAL COVERAGE; NONAPPLICABILITY.] *This section does not apply to Medicare supplemental coverage.*

Sec. 5. [62J.54] [LEVEL COMMISSIONS.]

No health plan company may pay commissions or other compensation to an agent or broker, with respect to the sale of health coverage, unless payment of the commissions is spread evenly over a period of at least five years from the date of purchase of the coverage.

Sec. 6. [62J.55] [COMMUNITY RATING REQUIRED.]

Subdivision 1. [COMMUNITY RATING.] *No health plan company may offer, sell, issue, or renew health coverage to any individual or small group, unless the premium charged for the coverage is community rated. If the health plan company participates in the state plan, the community rate charged in the private market for a plan with the same set of benefits must equal the rate charged in the state plan. Health plan companies must use the following rate cells only: (1) one person; (2) a two-person family; and (3) a family of three or more persons, and health plan companies may charge*

a different rate for each cell and may charge a different rate reflecting whether any person of a cell smokes, as defined in section 144.413, subdivision 4.

Subd. 2. [LIMITATIONS.] *Under community rating, the rate charged may not take into account the age, sex, health status, disability, occupation, geographical location, or any other factor except the following:*

(1) actuarially valid differences in benefit levels, assuming average utilization rates;

(2) differences in family size, except that family members in excess of three must be disregarded;

(3) actual differences in acquisition and administration costs between individuals as a whole and small groups as a whole; and

(4) premium reductions of no more than four percent for individuals or small groups that engage in activities or practices intended to promote the health of the covered persons.

Subd. 3. [FILING REQUIREMENT.] *No later than July 1, 1992, for small groups and October 1, 1992, for individuals, each health plan company that offers, sells, issues, or renews health coverage for individuals or small groups in this state must determine and file with the commissioner of commerce a single base community rate. This rate may include adjustments permitted by subdivisions 1 and 2. This rate adjustment may be changed by the health plan company at any time except as otherwise limited by the commissioner of commerce. Changes in the base community rate must be filed with the commissioner of commerce.*

Subd. 4. [PHASE-IN PERIOD.] *From July 1, 1992 until June 30, 1994, each health plan company may offer premium rates to small groups that are no more than 30 percent above and no more than 30 percent below the base community rate, as adjusted as permitted in subdivisions 1 and 2. Beginning July 1, 1994, the maximum permitted percentage deviation from the base community rate as adjusted is 20 percent. Beginning July 1, 1995, the maximum permitted percentage deviation from the base community rate as adjusted is ten percent. Beginning July 1, 1996, no deviation from the base community rate as adjusted is permitted. Coverage purchased at a premium rate permitted on the date of purchase, but subsequently no longer permitted under this section, may remain in effect at that premium rate for a period not to exceed one year from date of purchase.*

Subd. 5. [INDIVIDUAL COVERAGE.] *From October 1, 1992, until September 30, 1994, each health plan company may offer premium rates to individuals that are no more than 30 percent above and no more than 30 percent below the base community rate, as adjusted, as permitted in subdivisions 1 and 2. Beginning October 1, 1994, the maximum permitted percentage deviation from the base community rate as adjusted is 20 percent. Beginning October 1, 1995, the maximum permitted percentage deviation from the base community rate as adjusted is ten percent. Beginning October 1, 1996, no deviation from the base community rate as adjusted is permitted. Coverage purchased at a premium rate permitted on the date of purchase but subsequently no longer permitted under this section, may remain in effect at that premium rate for a period not to exceed one year from the date of purchase. By January 1, 1992, the commissioner of commerce shall prepare a report to the legislature regarding the potential impact on rates and effect on the individual market of the community rating required by*

this section.

Subd. 6. |MEDICARE SUPPLEMENTAL COVERAGE.| *This section does not apply to Medicare supplemental coverage, except as provided in section 8.*

Sec. 7. |62J.56| |COMPENSATION OF AGENTS.|

Subdivision 1. |COMPENSATION; PRIVATE MARKET.| *No health plan company shall, with respect to health coverage provided in the private market:*

(1) make the amount of its compensation of an agent, broker, or employee depend in any way, directly or indirectly, upon the loss ratio or any other underwriting performance of health coverage written through the agent, broker, or employee; or

(2) cancel, terminate, or fail to renew an agency, brokerage, or employment contract or arrangement, or reduce or restrict underwriting authority on the basis of the loss ratio, or any other underwriting performance of health coverage written through an agent, broker, or employee.

Subd. 2. |COMPENSATION; STATE PLAN.| *No health plan company shall, with respect to health coverage provided through the state plan, pay agent commissions. The commissioner may contract with insurance agents and brokers for outreach and enrollment services to the new state plan for set fees.*

Sec. 8. |62J.57| |MEDICARE SUPPLEMENTAL COVERAGE.|

Subdivision 1. |COMMUNITY RATING.| *Health plan companies that sell Medicare supplemental coverage must establish a separate community rate, as described in section 6, for that coverage. The community rate must be the same in the private market as in the state plan, for health plan companies that sell that coverage through the state plan. Beginning January 1, 1993, no Medicare supplemental coverage may be offered, issued, or sold to a Minnesota resident except at the community rate required by this section.*

Subd. 2. |OPEN ENROLLMENT.| *Health plan companies offering Medicare supplement coverage through either the private market or the state plan, or both, must offer such coverage on an open enrollment basis without requiring health screening or other measures of insurability, to any individual applying for coverage within six months of initial eligibility for Medicare Part B.*

Subd. 3. |OTHER REGULATION.| *The requirements of this section are in addition to any requirements applicable to Medicare supplemental plans contained in chapter 62A.*

Sec. 9. |62J.58| |BIASED SELECTION ADJUSTMENT.|

Each health plan company that participates in the individual or small group market whether in the state plan or in the private market must participate in the biased selection adjustment mechanism. Each company must pay an assessment or receive a reimbursement, based upon the extent to which that company's age-sex distribution of covered persons differs from the statewide average for the individual and small group market. The specific operation of the biased selection adjustment mechanism shall be determined after completion of the task force study required by article 8, section 10.

Sec. 10. [62J.60] [MINIMUM LOSS RATIOS.]

All health coverage sold by health plan companies in this state must have loss ratios no lower than those to be specified by rule by the commissioner of health for health plan companies operating under chapter 62D and by the commissioner of commerce for all other health plan companies. The minimum loss ratios may differ between the individual, small group, medium-sized group, and large group market. The commissioners shall adopt rules to establish the minimum loss ratios. This section does not apply to types of coverage for which minimum loss ratios are established by statute.

Sec. 11. [62J.62] [REINSURANCE POOL.]

A reinsurance pool shall be established for individuals, small groups, and enrollees in the Minnesotans' health plan. The task force established in article 8, section 10, shall make recommendations regarding the operation of this reinsurance pool assessments for transfer of risk and the relationship to any other reinsurance mechanisms.

Sec. 12. [62J.66] [ENFORCEMENT AUTHORITY.]

The commissioner of commerce and commissioner of health have the responsibility and authority to enforce sections 1 to 11 and 13 with respect to the health plan companies that they respectively regulate, and have all of the powers otherwise granted to them by statute for use in carrying out their respective responsibilities under this chapter.

Sec. 13. [DEPARTMENT OF COMMERCE STUDY.]

The department of commerce shall review the adequacy of reserves of companies selling noncomprehensive policies subject to Minnesota Statutes, section 62A.135 and the earnings generated from the investment of the premium dollars paid for these policies. The reviews under this section shall be treated as an examination for purposes of applying the requirements of Minnesota Statutes, section 60A.031.

The department shall report the results of its review to the chairs of the house financial institutions and insurance committee and the senate commerce committee by January 1, 1992.

Sec. 14. [MEDICARE SUPPLEMENTAL COMMUNITY RATING STUDY.]

The department of commerce shall study the possible effects of community rating on Medicare supplemental coverage enrollees and shall report its findings and any recommendations, no later than January 1, 1992, to the chairs of the house committee on financial institutions and insurance and of the senate commerce committee. The study and report must consider the effects on premiums charged to different types of enrollees, the effects on enrollment, and the effects on average premium levels.

Sec. 15. [EFFECTIVE DATE.]

Section 1 is effective for policies, certificates, or other evidence of coverage issued or offered to a Minnesota resident on or after August 1, 1991. Sections 2 to 12 are effective July 1, 1992, except that all rulemaking authority granted in this article is effective the day following final enactment. Sections 13 and 14 are effective the day following final enactment.

Subd. 30. [RATING PERIOD.] *"Rating period" means the 12 month or prorated calendar period for which premium rates established by a health carrier are assumed to be in effect, as determined by the health carrier.*

Subd. 31. [SMALL EMPLOYER.] *"Small employer" means a person, firm, corporation, partnership, association, or other entity actively engaged in business who, on at least 50 percent of its working days during the preceding calendar year, employed no less than two nor more than 29 eligible employees. If a small employer has only two eligible employees, one employee must not be the spouse, child, sibling, parent, or grandparent of the other, except that a small employer plan may be offered through a domiciled association to self-employed individuals and small employers who are members of the association, even if the self-employed individual or small employer has fewer than two employees or the employees are family members. Entities which are eligible to file a combined tax return for purposes of state tax laws are considered a single employer for purposes of determining the number of eligible employees. Small employer status must be determined on an annual basis as of the renewal date of the health benefit plan. The provisions of this chapter continue to apply to an employer who no longer meets the requirements of this definition until the annual renewal date of the employer's health benefit plan.*

Subd. 32. [SMALL EMPLOYER MARKET.] *"Small employer market" means the market for group health benefit plans for small employers. A health carrier shall be considered to be participating in the small employer market if the health carrier offers, sells, issues, or renews a health plan to any small employer or the eligible employees of a small employer offering a group health benefit plan.*

Subd. 33. [SMALL EMPLOYER PLAN.] *"Small employer plan" means a health benefit plan issued by a health carrier to a small employer for coverage of the medical and hospital benefits described in section 62K.05.*

Subd. 34. [TRANSITION PERIOD.] *"Transition period" means July 1, 1992, through June 30, 1993.*

Sec. 3. [62K.03] [PARTICIPATION REQUIREMENTS.]

Subdivision 1. [CARRIER PARTICIPATION.] *Every health carrier shall, as a condition of authority to transact business in this state in the small*

employer market, offer, sell, issue, and renew any health benefit plan to small employers in accordance with this chapter. Beginning with the transition period, every health carrier participating in the small employer market shall make available a health benefit plan to small employers and shall fully comply with the underwriting and rate restrictions specified in this chapter. A health carrier may cease to transact business in the small employer market as provided under section 8.

Subd. 2. [EXCEPTION TO CARRIER PARTICIPATION.] *A health carrier transacting business in the small employer market shall not be required to offer a health benefit plan to small employers pursuant to this chapter if the commissioner finds that such offer would place the health carrier in a financially impaired condition. A health carrier which does not offer a health benefit plan to small employers pursuant to this subdivision shall not offer a health benefit plan to small employers for 180 days following a determination by the commissioner that the health carrier has ceased to be in a financially impaired condition.*

Subd. 3. [EMPLOYER PARTICIPATION.] *Health carriers shall require that:*

(1) 75 percent of a small employer's eligible employees who have not waived coverage participate in any health benefit plan offered, sold, issued, or renewed by the health carrier; and

(2) small employers contribute a minimum of 50 percent of the premium charged by the health carrier for coverage of an eligible employee.

Subd. 4. [UNDERWRITING RESTRICTIONS.] *Health carriers may apply underwriting restrictions to coverage for health benefit plans for small employers, including any preexisting condition limitations, only as expressly permitted by this chapter. Health carriers may collect information relating to the case characteristics and demographic composition of small employers, as well as health status and health history information about employees of small employers. Except as hereinafter permitted with respect to late entrants, preexisting conditions may be excluded by a health carrier for a period not to exceed 12 months from the effective date of coverage of an eligible employee's or dependent's health benefit plan. When calculating a preexisting condition limitation, a health carrier shall credit the time period an eligible employee or dependent was previously covered by another health benefit plan, provided that the individual maintains continuous coverage. Late entrants may be subject to a preexisting condition limitation not to exceed 18 months from the effective date of coverage of the late entrant. Late entrants may also be excluded from coverage for a period not to exceed 18 months, provided that if a health carrier imposes an exclusion from coverage and a preexisting condition limitation, the combined time period for both the coverage exclusion and preexisting condition limitation shall not exceed 18 months.*

Subd. 5. [CANCELLATIONS.] *No health carrier shall cancel, decline to issue, or fail to renew a health benefit plan as a result of the claim experience or health status of the small employer group; provided, however, that a health carrier may cancel, decline to issue, or fail to renew a health benefit plan:*

(1) for nonpayment of the required premium or contributions toward premiums by the small employer or eligible employee;

(2) for fraud or misrepresentation by the small employer, eligible employee,

or dependent with respect to their eligibility for coverage or any other material fact;

(3) if eligible employee participation during the preceding calendar year declines to less than 75 percent;

(4) for failure of an employer to comply with the health carrier's premium contribution requirements;

(5) if a health carrier ceases to do business in the small employer market pursuant to section 62K.09;

(6) for any other reasons or grounds expressly permitted by the respective licensing laws and regulations governing a health carrier, including but not limited to any service area restrictions imposed on health maintenance organizations pursuant to section 62D.03, subdivision 4, paragraph (m), and insufficient provider network capacity, as determined by the commissioner, to the extent that these grounds are not expressly inconsistent with this chapter.

Subd. 6. [MCHA ENROLLEES.] *Health carriers shall offer coverage to any eligible employee or dependent enrolled in MCHA at the time of the health carrier's issuance of a health benefit plan to a small employer. The health benefit plan must require that the employer offer MCHA enrollees the option: (a) to be enrolled in the small employer's health benefit plan as of the first date of renewal of a health benefit plan occurring on or after July 1, 1992, or, in the case of a new group, as of the initial effective date of the health benefit plan; or (b) to continue to be enrolled in MCHA. The offer of continued enrollment in MCHA must provide that the the employer must (a) pay the difference between the deductible paid by other employees for the group coverage and the deductible paid by the MCHA enrollee for the comprehensive health insurance plan; (b) pay the difference between the coinsurance paid by other employees under the group health plan and the MCHA enrollee under the comprehensive insurance plan; and (c) ensure that the MCHA enrollee does not pay more in premium contribution and out-of-pocket maximums for coverage under the MCHA coverage than the largest contribution toward premium and out-of-pocket maximums paid by any other employee receiving health care coverage through the same employer. Unless otherwise permitted by this act, health carriers shall not impose any underwriting restrictions, including any preexisting condition limitations on any eligible employee or dependent previously enrolled in MCHA and transferred to a health benefit plan so long as continuous coverage is maintained.*

Subd. 7. [MINIMUM ANTICIPATED LOSS RATIO.] *After January 1, 1993, no health plan company may offer a small employer plan based on a minimum anticipated loss ratio of less than 75 percent. The commissioner of commerce shall prepare a report to the appropriate committee chairs regarding the appropriateness of this minimum loss ratio. The report is due by January 1, 1992.*

Sec. 4. [62K.04] [TRANSITION PERIOD.]

Subdivision 1. [APPLICABILITY OF CHAPTER REQUIREMENTS.] *Beginning with the transition period, health carriers participating in the small employer market shall offer and make available a health benefit plan to small employers who satisfy the small employer participation requirements specified in section 2, subdivision 3, and shall comply with the underwriting, rating, and other requirements specified in sections 2 to 8. Compliance with*

these requirements is required as of the first renewal date of any small employer group occurring during the transition period. For new small employer business, compliance is required as of the first date of offering occurring during the transition period.

Subd. 2. [NEW CARRIERS.] *A health carrier entering the small employer market after the transition period shall begin complying with the requirements of this chapter as of the first date of offering of a health benefit plan to a small employer. A health carrier entering the small employer market after the transition period is considered to be a member of the small employer reinsurance association as of the date of the health carrier's initial offer of a health benefit plan to a small employer.*

Sec. 5. [62K.05] [SMALL EMPLOYER PLAN BENEFITS.]

Subdivision 1. [BENEFIT DESIGN.] *The minimum benefits of a small employer plan offered by a health carrier shall be equal to 80 percent of the cost of health care services covered under the small employer plan, in excess of an annual deductible which shall not exceed $500 per individual and $1,000 per family. Each small employer offered a small employer plan must be offered a plan that has an annual deductible of $100 per individual and a plan that has an annual deductible of $250 per individual. Coinsurance and deductibles shall not apply to child health supervision services and prenatal services, as defined by section 62A.047.*

Out-of-pocket costs for covered services shall not exceed $3,000 per individual and $6,000 per family per year. The maximum lifetime benefit shall not be less than $500,000.

Subd. 2. [MINIMUM BENEFITS.] *The medical services and supplies listed in this subdivision are the minimum benefits that must be covered by a small employer plan:*

(1) inpatient and outpatient hospital services, excluding services provided for the diagnosis, care or treatment of chemical dependency or a mental illness or condition, other than those conditions specified in clauses (10), (11), and (12);

(2) physician and nurse practitioner services for the diagnosis or treatment of illnesses, injuries, or conditions;

(3) diagnostic X rays and laboratory tests;

(4) ground transportation provided by a licensed ambulance service to the nearest facility qualified to treat the condition, or as otherwise required by the health carrier;

(5) services of a home health agency if the services qualify as reimbursable services under Medicare and are directed by a physician or qualify as reimbursable under the health carrier's most commonly sold health plan for insured group coverage;

(6) services of a private duty registered nurse if medically necessary, as determined by the health carrier;

(7) the rental or purchase, as appropriate, of durable medical equipment, other than eyeglasses and hearing aids;

(8) child health supervision services up to age 18, as defined in section 62A.047;

(9) maternity and prenatal care services as defined in section 62A.047;

(10) inpatient hospital and outpatient services for the diagnosis and treatment of certain mental illnesses or conditions, as defined by the International Classification of Diseases-Clinical Modification (ICD-9-CM), seventh edition (1990) and as classified as ICD-9 codes 295 to 299;

(11) up to ten hours per year of outpatient mental health diagnosis or treatment for illnesses or conditions not described in clause (10);

(12) up to 60 hours per year of outpatient treatment of chemical dependency; and

(13) 50 percent of the cost of prescription drugs, up to a separate annual maximum out-of-pocket expense of $1,000 per individual for prescription drugs, and 100 percent of the cost thereafter.

Subd. 3. [ADDITIONAL BENEFITS.] *Health carriers may offer small employers additional benefits not listed in this section, so long as all requirements of this chapter are met.*

Subd. 4. [BENEFIT EXCLUSIONS.] *No medical, hospital, or other health care benefits, services, supplies, or articles not expressly specified in subdivision 2 are required to be included in a health benefit plan. Nothing in subdivision 2 restricts the right of a health carrier to restrict coverage to those services, supplies, or articles which are medically necessary. Health carriers may exclude a benefit, service, supply, or article not expressly specified in subdivision 2 from a health benefit plan.*

Subd. 5. [CONTINUATION COVERAGE.] *Health benefit plans must include only the continuation of coverage provisions required by the Consolidated Omnibus Reconciliation Act of 1981 (COBRA), Public Law Number 99-272, as amended.*

Subd. 6. [DEPENDENT COVERAGE.] *Other state law and rules applicable to health plan coverage of newborn infants, dependent children who do not reside with the eligible employee, handicapped children, and dependents and adopted children apply to a health benefit plan.*

Subd. 7. [MEDICAL EXPENSE REIMBURSEMENT.] *Health carriers may reimburse or pay for medical services provided pursuant to a health benefit plan in accordance with the health carrier's provided contract requirements including but not limited to salaried arrangements, capitation, the payment of usual and customary charges, fee schedules, discounts from fee-for-service, per diems, diagnostic-related groups (DRGs), and other payment arrangements. Nothing in this chapter requires a health carrier to develop, implement, or change its provider contract requirements for a health benefit plan. Coinsurance, deductibles, out-of-pocket maximums, and maximum lifetime benefits must be calculated and determined in accordance with each health carrier's standard business practices.*

Subd. 8. [PLAN DESIGN.] *Notwithstanding any other law, regulation, or administrative interpretation to the contrary, health carriers may offer a health benefit plan through any provider arrangement, including but not limited to the use of open, closed, or limited provider networks. The provider networks offered by any health carrier may be specifically designed for the small employer market and may be modified at the carrier's election so long as any necessary regulatory requirements are met. Health carriers shall use professionally recognized provider standards of practice when they are available, and may use utilization management practices otherwise permitted by law, including but not limited to second surgical opinions, prior*

authorization, concurrent and retrospective review, referral authorizations, case management, and discharge planning. A health carrier may contract with groups of providers with respect to health care services or benefits, and may negotiate with providers regarding the level or method of reimbursement provided for services rendered under a health benefit plan. The plan required under article 5, section 1, must include specific recommendations regarding the regulation of comparable products and network designs without regard to the statutory requirements of the health carrier.

Subd. 9. [ACTUARIALLY EQUIVALENT HMO PLAN PERMITTED.] *Health maintenance organizations regulated under chapter 62D may offer and make available a small employer plan that differs from the plan set forth in subdivisions 1 and 2. This alternative small employer plan must be actuarially equivalent to the minimum benefits set forth in subdivisions 1 and 2, but must be more similar to the structure of benefits customarily provided by health maintenance organizations. The commissioner of health shall adopt rules specifying the minimum set of benefits required by this subdivision.*

Sec. 6. [62K.06] [DISCLOSURE OF UNDERWRITING RATING PRACTICES.]

When offering or renewing a health benefit plan, health carriers shall disclose in all solicitation and sales materials:

(1) the case characteristic factors used to determine initial and renewal rates;

(2) the extent to which premium rates for a small employer are established or adjusted based upon actual or expected variation in claim experience;

(3) provisions concerning the health carrier's right to change premium rates and the factors other than claim experience that affect changes in premium rates;

(4) a description of the class of business in which a small employer is or will be included, including the applicable grouping of plan;

(5) provisions relating to renewability of coverage;

(6) the use and effect of any preexisting condition provisions, if permitted; and

(7) the use of any provider network arrangements and effect on eligibility for benefits.

Sec. 7. [62K.07] [SMALL EMPLOYER REQUIREMENTS.]

Subdivision 1. [VERIFICATION OF ELIGIBILITY.] *A small employer purchasing a health benefit plan shall maintain information verifying the continuing eligibility of the employer, its employees, and their dependents and shall provide such information to its health carrier on a quarterly basis or as reasonably requested by the health carrier.*

Subd. 2. [WAIVERS.] *A small employer participating in a health benefit plan shall maintain written documentation of a waiver of coverage by an eligible employee or dependent and shall provide such documentation to the health carrier upon reasonable request.*

Sec. 8. [62K.08] [RESTRICTIONS RELATING TO PREMIUM RATES.]

Subdivision 1. [RATE RESTRICTIONS.] *Premium rates for all health benefit plans sold or issued to small employers are subject to the restrictions specified in subdivisions 2 to 4.*

Subd. 2. [INDEX RATE.] *Between classes of business, the index rate for a rating period for any class of business must not exceed the index rate for any other class of business by more than 20 percent, adjusted pro rata for periods less than one year. In the case of health benefit plans issued prior to the effective date of this act, which meet the definition of section 62K.01, subdivision 8, clause (4), a premium rate for a rating period, adjusted pro rata for rating periods of less than a year, may exceed the ranges set forth in section 8 for a period of five years following the effective date of this act.*

Subd. 3. [PREMIUM VARIATIONS.] *Within a class of business, the premium rates charged during a rating period to small employers with similar case characteristics for the same or similar coverage, or the rates which could be charged to the employers under the rating system for that class of business, are limited to the index rate, plus or minus 30 percent of the index rate, adjusted pro rata for rating periods of less than one year.*

Subd. 4. [ANNUAL PREMIUM INCREASE.] *The percentage increases in the premium rate charged to a small employer for a new rating period may not exceed the sum of the following:*

(1) the percentage change in the index rate measured from the first day of the prior rating period to the first day of the new rating period;

(2) an adjustment, not to exceed 15 percent annually and adjusted pro rata for rating periods of less than one year, due to the claims experience, health status, or duration of issue of the eligible employees or dependents of the small employer as determined from the health carrier's rate manual for the class of business; and

(3) any adjustment due to change in coverage, demographic composition, or change in the case characteristics of the small employer as determined from the health carrier's rate manual for the class of business.

Subd. 5. [INVOLUNTARY TRANSFERS PROHIBITED.] *A health carrier shall not involuntarily transfer a small employer into or out of a class of business. A health carrier shall not offer to transfer a small employer into or out of a class of business unless such offer is made to transfer all small employers in the class of business without regard to case characteristics, age, sex, claim experience, health status, industry of the employer, or duration of issue.*

Subd. 6. [REPORT.] *The commissioners of health and commerce shall prepare a joint report to the legislature on the effect of the rating restrictions required by this section. Such report must include an analysis of the availability of health coverage due to the rating reform as well as any recommendations for additional necessary reform of rating practices in the small employer market. The report must be issued no later than January 1, 1994.*

Sec. 9. [62K.09] [CESSATION OF SMALL EMPLOYER BUSINESS.]

Subdivision 1. [NOTICE TO COMMISSIONER.] *A health carrier electing to cease doing business in the small employer market shall notify the commissioner 180 days prior to the effective date of the cessation. The cessation of business does not include the following activities:*

(1) the elimination of a class of business by a health carrier so long as other classes of business are maintained;

(2) the failure of a health carrier to offer or issue new business in the small employer market or continue an existing product line, provided that a health carrier does not terminate, cancel, or fail to renew its current small employer business or other product lines; and

(3) the inability of any health carrier to offer or renew a health benefit plan because it has given notice to the commissioner that it will not have the capacity within a specific provider site under contract to or owned by the health carrier to adequately deliver services to the enrollees, insureds or subscribers of health benefit plans. Any health carrier which ceases to offer a particular provider site to the small employer market must also cease to offer that provider site to new groups other than small employers for any of its products.

Subd. 2. [NOTICE TO EMPLOYERS.] *A health carrier electing to cease doing business in the small employer market shall provide 120 days' written notice to each small employer covered by a health benefit plan issued by the health carrier. Any health carrier that ceases to write new business in the small employer market shall continue to be governed by this act with respect to continuing small employer business conducted by the carrier.*

Subd. 3. [REENTRY PROHIBITION.] *A health carrier that ceases to do business in the small employer market after the effective date of this act shall be prohibited from writing new business in the small employer market in this state for a period of five years from the date of notice to the commissioner. This subdivision shall apply to any health maintenance organization that ceases to do business in the small employer market in one service area with respect to that service area only.*

Sec. 10. [62K.10] [REINSURANCE ASSOCIATION.]

Subdivision 1. [NONPROFIT CORPORATION.] *The small employer reinsurance association is a nonprofit corporation.*

Subd. 2. [PURPOSE.] *The association is established to provide for the fair and equitable transfer of risk associated with participation by a health carrier in the small employer market to a private reinsurance pool created and maintained by the association. The participation by a health carrier in the reinsurance pool is voluntary.*

Subd. 3. [TASK FORCE.] *The commissioner of commerce shall establish a 15 member task force to develop the rules of participation in, and operating guidelines for, the reinsurance pool. Nine members shall represent health carriers. The commissioner shall appoint these nine members as follows: three members must be representatives of insurance companies licensed under chapter 60A to offer, sell or issue a policy of accident and sickness insurance; three members must be representatives of nonprofit health service plan corporations regulated under chapter 62C; and three members must be representatives of health maintenance organizations regulated under chapter 62D. The other six members shall be persons knowledgeable in insurance or other subject areas relevant to the task force's duties. The commissioners of commerce and health shall serve as ex officio members of the task force.*

Subd. 4. [APPOINTMENT.] *The commissioner of commerce shall appoint the members of the task force no later than June 15, 1991.*

Subd. 5. [REPORT.] *(a) The task force shall report to the appropriate committee chairs on its recommendations for operation of the reinsurance association no later than January 15, 1992. The report must include recommendations regarding the transfer of risk to the association, assessments, board composition, and operation of the association. The report must include recommendations regarding statutory changes necessary for implementation of the reinsurance association by July 1, 1992.*

(b) The task force shall report to the appropriate committee chairs, no later than January 15, 1992, on its recommendations for operation of a reinsurance mechanism for the Minnesotan's health care plan and for the private health coverage market, including individuals, small groups, and medium-sized groups.

(c) The task force shall report to the appropriate committee chairs, no later than January 15, 1992, on its recommendations regarding the nature and operation of the biased selection adjustment mechanism established in article 7, section 9.

Subdivision 1. [REPORTS.] *Health carriers doing business in the small employer market shall file by April 1 of each year an annual actuarial opinion with the commissioner certifying that the health carrier is in compliance with the underwriting and rating requirements of this chapter and that the rating methods used by the carrier are actuarially sound. Health carriers shall retain a copy of such opinion at their principal place of business.*

Subd. 2. [RECORDS.] *Health carriers doing business in the small employer market shall maintain at their principal place of business a complete and detailed description of their rating practices, including information and documentation which demonstrate that a health carrier's rating methods and practices are based upon commonly accepted actuarial assumptions and are in accordance with sound actuarial principles.*

Subd. 3. [SUBMISSIONS TO COMMISSIONER.] *The commissioner may request information and documentation from a health carrier describing its rating practices and renewal underwriting practices, including information and documentation that demonstrates that a health carrier's rating methods and practices are in accordance with sound actuarial principles. Any information received by the commissioner pursuant to this subdivision is nonpublic data pursuant to section 13.37.*

Subd. 4. [COMMISSIONERS' ANNUAL REPORT.] *On December 1 of each year, the commissioners of commerce and health, using a common format and after an opportunity to review and comment is given to health carriers, shall provide the legislature with a joint report describing the effects of the provisions of chapter 62K upon the following:*

(1) the number of eligible employees and their dependents in the state covered by a health benefit plan;

(2) the number of health carriers issuing health benefit plans in the state, and their respective market shares; and

(3) the number of eligible employees in the state not covered by a health benefit plan.

In developing this joint report, the commissioners shall make use of data already available from existing sources. They may also develop rules enabling the collection of reasonably relevant and nonduplicative data from health carriers. The names of health carriers reported along with their respective market shares under clause (2) are trade secret information pursuant to section 13.37, subdivision 1, clause (b).

Sec. 12. [62K.12] [PENALTIES AND ENFORCEMENT.]

The commissioner may suspend or revoke a health carrier's license or certificate of authority or impose a civil penalty not to exceed $25,000 for each violation of this chapter. The action must be by order and subject to the notice, hearing, and appeal procedures specified in section 60A.051. The action of the commissioner is subject to judicial review as provided under chapter 14.

Sec. 13. [62K.13] [PROHIBITED PRACTICES.]

Subdivision 1. Subd. 3. Labor Relations

517,000 528,000

During the biennium ending June 30, 1993, a state agency may not pay relocation expenses to an employee without the express approval of the commissioner of employee relations, unless otherwise provided in a collective bargaining agreement entered into under Minnesota Statutes, chapter 179A.

Subd. 4. Staffing and Compensation

3,052,000 3,058,000

$56,000 the first year and $55,000 the second year must be subtracted from the amount that would otherwise be payable as local government aid under Minnesota Statutes, chapter 477A, to offset the cost of the local government pay equity function of the department.

By February 1, 1992, the commissioner of employee relations shall issue a comprehensive report assessing the impact of budget cuts on personnel in all executive branch agencies and

boards, including the state university, technical colleges, and community college systems. The report shall include the number of complement, vacancies, and full and part-time personnel working in each agency and board on July 1, 1991, and on December 31, 1991. It must include a breakdown by job class and bargaining unit in each agency of positions that were eliminated in this period. It must also include a breakdown of student worker and temporary employee positions eliminated in each agency in this period. The commissioner must report on February 1, 1993, presenting the same information for the time period January 1, 1992 to December 31, 1992. The reports must be made to the chairs of the senate finance and house appropriations committees.

It is the policy of the legislature to maximize the delivery of services to the public. If layoffs of state employees are necessary, the employer must make an effort to reduce proportionally based upon the percentage of total management, supervisory, line, and support personnel to the total number of employees for the biennium ending June 30, 1993. This paragraph does not modify any employee rights contained in any other law or collective bargaining agreement under Minnesota Statutes, chapter 179A.

During the biennium ending June 30, 1993, a state agency may not fill a vacant management position or create a new management position without the express approval of the commissioner of finance.

It is the policy of the legislature, in order to ensure efficient restructuring and smooth and harmonious labor relations, that any studies for restructuring of executive branch agencies should be accomplished with the cooperation of existing labor-management committees established through collective bargaining agreements. Every effort should be made to include departmental and agency employees in the restructuring process through their collective bargaining agents.

State agencies must demonstrate that they cannot use available staff before hiring outside consultants or services. Where outside consultants and services are necessary, agencies are encouraged to negotiate contracts that will involve permanent staff so as to upgrade and maximize training of state personnel. Money spent on outside consultants must be reported on an annual basis to the senate finance and

house appropriations committees.

By February 1, 1992, the state auditor, with the cooperation of the commissioner of employee relations, shall report to the legislature on the salaries of the positions subject to the political subdivision salary limit in Minnesota Statutes, section 43A.17, subdivision 9. This report shall include analysis of total salaries, highest salaries, comparisons with other states and public and private sectors, and any other information the state auditor considers appropriate regarding salaries and other potential efficiencies and cost savings in political subdivisions. Political subdivisions shall cooperate with the state auditor in providing the information necessary for this report.

Sec. 111. [FINDINGS.]

The legislature finds that the state of Minnesota faces immediate and serious financial problems. As a result, public employers may have insufficient resources to maintain their work forces at the current level. The legislature determines that the public interest is best served if public employers' budgets can be balanced without layoffs of public employees. Section 112 is enacted as a temporary measure to help solve the financial crisis facing units of state and local government, while minimizing layoffs of public employees.

Sec. 112. [EMPLOYER-PAID HEALTH INSURANCE.]

Subdivision 1. [STATE EMPLOYEES.] *A state employee, as defined in Minnesota Statutes, section 43A.02, subdivision 21, or an employee of the state university system, community college system, Minnesota state retirement system, the teachers retirement association, or the public employees retirement association, is eligible for state-paid hospital, medical, and dental benefits if the person:*

(4) is at least 55 and not yet 65 years of age; and

(5) retires on or after July 1, 1991, and before October 1, 1991.

In addition to those eligible under clause (5), a person defined in Minnesota Statutes, section 43A.02, subdivision 27, who meets the requirements of clauses (1) to (4) and who has more than 30 years of service in the state civil service is eligible under this subdivision if the person retires after January 1, 1991, and before May 20, 1991.

Subd. 2. [OTHER PUBLIC EMPLOYEES.] *The University of Minnesota or the governing body of a city, county, or other political subdivision of the state may provide employer-paid hospital, medical, and dental benefits to a person who:*

(2) has at least 25 years of service with the employer who will pay for the benefits after retirement;

(3) upon retirement is immediately eligible for a retirement annuity;

(4) is at least 55 and not yet 65 years of age; and

Subd. 3. [CONDITIONS; COVERAGE.] *An employee who is eligible both for the health insurance benefit under this section and for an early retirement incentive under a collective bargaining agreement or personnel plan established by the employer must select either the early retirement incentive in the collective bargaining agreement, personnel plan, or the incentive provided under this section, but may not receive both. For purposes of this section, a person retires when the person terminates active employment and applies for retirement benefits. The retired employee is eligible for single and dependent coverages and employer payments to which the person was entitled immediately before retirement, subject to any changes in coverage and employer and employee payments through collective bargaining or personnel plans, for employees in positions equivalent to the position from which the employee retired. The retired employee is not eligible for employer-paid life insurance. Eligibility ceases when the retired employee attains the age of 65, or when the employee chooses not to receive the retirement benefits for which the employee has applied, or when the employee is eligible for employer-paid health insurance from a new employer. Coverages must be coordinated with relevant health insurance benefits provided through the federally sponsored Medicare program. Nothing in this section obligates, limits, or otherwise affects the right of the University of Minnesota to provide employer-paid hospital, medical, and dental benefits and life insurance to any person.*

Subd. 4. [RULE OF 90.] *An employee who retires under this section using the rule of 90 must not be included in the calculations required by Minnesota Statutes, section 356.85.*

Subd. 5. [APPLICATION OF OTHER LAWS.] *Unilateral implementation of this section by a public employer is not an unfair labor practice for purposes of chapter 179A. The authority provided in this section for an employer to pay health insurance costs for certain retired employees is not subject to the limits in section 179A.20, subdivision 2a.*

Sec. 114. [PREEMPTION; FEDERAL PERMIT.]

Sec. 115. [VOLUNTARY UNPAID LEAVE OF ABSENCE.]

Appointing authorities in the executive branch of state government may

allow each employee to take an unpaid leave of absence under the terms of this section for up to 160 hours during the period ending June 30, 1993. Each appointing authority approving such a leave shall allow the employee to continue accruing vacation and sick leave, be eligible for paid holidays and insurance benefits, accrue seniority, and accrue service credit in state retirement plans permitting service credits for authorized leaves of absence as if the employee had actually been employed during the time of the leave. If the leave of absence is for one full pay period or longer, any holiday pay shall be included in the first payroll warrant after return from the leave of absence. The appointing authority shall attempt to grant requests for unpaid leaves of absence consistent with the need to continue efficient operation of the agency. However, each appointing authority shall retain discretion to grant or refuse to grant requests for leaves of absence and to schedule and cancel leaves, subject to applicable provisions of collective bargaining agreements and compensation plans. Approval of leave under this section must be given by the appointing authority in writing, with a copy to the commissioner of finance.

Sec. 116. [RADIO STUDY.]

The metropolitan council shall study and report to the legislature by December 31, 1992, on the need for and the feasibility of a regional 800 MHz trunked radio system that could include police, fire, emergency medical, metropolitan 911, public works services, metropolitan agencies, school districts, and special districts. The level percent additional contribution shall be calculated assuming annual payroll growth of 6.5 percent. For all other funds, the additional annual contribution shall be calculated on a level annual dollar amount basis.

If, for any fund other than the Minneapolis employees retirement fund, after the first actuarial valuation date occurring after June 1, 1989, there has not been a change in the actuarial assumptions used for calculating the actuarial accrued liability of the fund, a change in the benefit plan governing annuities and benefits payable from the fund, a change in the actuarial cost method used in calculating the actuarial accrued liability of all or a portion of the fund, or a combination of the three, which change or changes by themselves without inclusion of any other items of increase or decrease produce a net increase in the unfunded actuarial accrued liability of the fund, the established date for full funding for the first actuarial valuation made after June 1, 1989, and each successive actuarial valuation shall be the first actuarial valuation date which occurs after June 1, 2020.

If, for any fund or plan other than the Minneapolis employees retirement fund, after the first actuarial valuation date occurring after June 1, 1989, there has been a change in any or all of the actuarial assumptions used for calculating the actuarial accrued liability of the fund, a change in the benefit plan governing annuities and benefits payable from the fund, a change in the actuarial cost method used in calculating the actuarial accrued liability of all or a portion of the fund, or a combination of the three, and the change or changes, by themselves and without inclusion of any other items of increase or decrease, produce a net increase in the unfunded actuarial accrued liability in the fund, the established date for full funding shall be determined using the following procedure:

(i) the unfunded actuarial accrued liability of the fund shall be determined in accordance with the plan provisions governing annuities and retirement benefits and the actuarial assumptions in effect before an applicable change;

(ii) the level annual dollar contribution or level percentage, whichever is applicable, which is needed to amortize the unfunded actuarial accrued liability amount determined pursuant to subclause (i) by the established date for full funding in effect prior to the change shall be calculated using

the interest assumption specified in subdivision 4d in effect before the change;

(iii) the unfunded actuarial accrued liability of the fund shall be determined in accordance with any new plan provisions governing annuities and benefits payable from the fund and any new actuarial assumptions and the remaining plan provisions governing annuities and benefits payable from the fund and actuarial assumptions in effect before the change;

(iv) the level annual dollar contribution or level percentage, whichever is applicable, which is needed to amortize the difference between the unfunded actuarial accrued liability amount calculated pursuant to subclause (i) and the unfunded actuarial accrued liability amount calculated pursuant to subclause (iii) over a period of 30 years from the end of the plan year in which the applicable change is effective shall be calculated using the applicable interest assumption specified in subdivision 4d in effect after any applicable change;

(v) the level annual dollar or level percentage amortization contribution pursuant to subclause (iv) shall be added to the level annual dollar amortization contribution or level percentage calculated pursuant to subclause (ii);

(vi) the period in which the unfunded actuarial accrued liability amount determined in subclause (iii) will be amortized by the total level annual dollar or level percentage amortization contribution computed pursuant to subclause (v) shall be calculated using the interest assumption specified in subdivision 4d in effect after any applicable change, rounded to the nearest integral number of years, but which shall not exceed a period of 30 years from the end of the plan year in which the determination of the established date for full funding using the procedure set forth in this clause is made and which shall not be less than the period of years beginning in the plan year in which the determination of the established date for full funding using the procedure set forth in this clause is made and ending by the date for full funding in effect before the change; and

(vii) the period determined pursuant to subclause (vi) shall be added to the date as of which the actuarial valuation was prepared and the date obtained shall be the new established date for full funding.

For the Minneapolis employees retirement fund, the established date for full funding shall be June 30, ~~2017~~ *2020*.

Sec. 5. [356.865] [SUPPLEMENTAL BENEFIT; LUMP SUM PAYMENTS; MINNEAPOLIS EMPLOYEES RETIREMENT FUND.]

Subdivision 1. [ENTITLEMENT.] *Any person who is receiving either an annuity that was computed under the laws in effect before March 5, 1974, or a "$2 bill and annuity" annuity from the Minneapolis employees retirement fund is entitled to receive a supplemental benefit lump sum payment from the retirement fund in the amount specified in subdivision 2.*

Subd. 2. [AMOUNT OF PAYMENT.] *(a) For any person receiving an annuity or benefit on November 30, 1991, and entitled to receive a supplemental benefit lump sum payment under subdivision 1, the payment is $28 for each full year of allowable service credited to the person by the retirement fund.*

In 1992 and each following year, each eligible benefit recipient shall receive the amount received in the preceding year increased by the same

percentage applied on the most recent January 1 to regular annuities paid from the Minneapolis employees retirement fund.

(b) The payment provided for in this section is payable on December 1, 1991, to those persons receiving an annuity or benefit on November 30, 1991. In subsequent years, the payment must be made on December 1 to those persons receiving an annuity or benefit on the preceding November 30. This section does not authorize payment to an estate if the annuity or benefit recipient dies before the November 30 eligibility date. Notwithstanding section 356.18, the payment provided for in this section must be paid automatically unless the intended recipient files a written notice with the retirement fund requesting that it not be paid.

Subd. 3. [COST.] *The cost of the payments made under this section is the responsibility of the state. The annual amortization amount must be added to the annual state contribution amount determined under section 422A.101, subdivision 3, effective July 1, 1991.*

Sec. 6. Minnesota Statutes 1990, section 422A.05, is amended by adding a subdivision to read:

Subd. 2e. [STANDING; PARTIES.] *In addition to other parties with claims under statute or the common law, the state and a political subdivision that helps to finance a plan have standing to sue on behalf of all taxpayers and the plan beneficiaries for an alleged breach of fiduciary duty. If a suit is brought by the state or a political subdivision under this subdivision, no separate suit regarding the same claims on behalf of taxpayers of the state or a political subdivision or of beneficiaries may be allowed, and any suit then pending on behalf of taxpayers of the state or a political subdivision or of beneficiaries must be dismissed unless the court determines that its dismissal would prejudice or limit the rights or claims of the taxpayers or beneficiaries. Nothing in this subdivision precludes suits by both the state and an affected political subdivision or suits by the retirement board on behalf of one or more of the funds.*

Sec. 7. Minnesota Statutes 1990, section 422A.05, is amended by adding a subdivision to read:

Subd. 2f. [ATTORNEY FEES.] *The court shall award reasonable attorney fees and costs of litigation, in addition to damages and other relief, in a suit where a breach of fiduciary duty is found under subdivision 2a or chapter 356A.*

Sec. 10. Minnesota Statutes 1990, section 422A.101, is amended to read:

422A.101 [PREPARATION OF FINANCIAL REQUIREMENTS OF FUND; EMPLOYER CONTRIBUTIONS.]

Subdivision 1. [FINANCIAL REQUIREMENTS OF FUND.] Prior to August 31 annually, the retirement board, in consultation with the commission-retained actuary, shall prepare an itemized statement of the financial requirements of the fund for the succeeding fiscal year. A copy of the statement shall be submitted to the city council, the board of estimate and taxation of the city, the managing board or chief administrative officer of each city owned public utility, improvement project or municipal activity supported in whole or in part by revenues other than real estate taxes, public corporation, or unit of metropolitan government employing members of the fund, the board of special school district No. 1, and the state commissioner of finance prior to September 15 annually. The statement shall be itemized and shall include the following:

(1) an estimate of the administrative expenses of the fund for the following year, which shall be determined by multiplying the figure for administrative expenses as reported in the most recent actuarial valuation prepared by the commission-retained actuary, *including any amounts related to investment activities of the deposit accumulation fund other than actual investment transaction amounts*, by the factor of 1.035;

(2) an estimate of the normal cost of the fund expressed as a dollar amount, which shall be determined by applying the normal cost of the fund as reported in the most recent actuarial valuation prepared by the commission-retained actuary and expressed as a percentage of covered payroll to the estimated total covered payroll of all employees covered by the fund for the following year;

(3) an estimate of the contribution required to amortize on a level annual dollar basis the unfunded actuarial accrued liability of the fund by June 30, ~~2017~~ *2020*, using an interest rate of ~~five~~ *six* percent compounded annually as reported in the most recent actuarial valuation, prepared by the commission-retained actuary expressed as a dollar amount. In determining the amount of the unfunded actuarial accrued liability of the fund, all assets other than the assets of the retirement benefit fund shall be valued as current assets as defined under section 356.215, subdivision 1, clause ~~(5)~~ *(6)*, and the assets of the retirement benefit fund shall be valued equal to the actuarially determined required reserves for benefits payable from that fund;

(4) the amount of any deficiency in the actual amount of any employer contribution provided for in this section when compared to the required contribution amount certified for the previous year, plus interest on the amount at the rate of six percent per annum.

Subd. 1a. [CITY CONTRIBUTIONS.] Prior to August 31 of each year, the retirement board shall prepare an itemized statement of the financial requirements of the fund payable by the city for the succeeding fiscal year, and a copy of the statement shall be submitted to the board of estimate and taxation and to the city council by September 15. The financial requirements of the fund payable by the city shall be calculated as follows:

(a) a regular employer contribution of an amount equal to the percentage rounded to the nearest two decimal places of the salaries and wages of all employees covered by the retirement fund which equals the difference between the level normal cost plus administrative cost as reported in the annual actuarial valuation prepared by the commission-retained actuary and the employee contributions provided for in section 422A.10 less any amounts contributed toward the payment of the balance of the normal cost not paid by employee contributions by any city owned public utility, improvement project, other municipal activities supported in whole or in part by revenues other than real estate taxes, any public corporation, any employing unit of metropolitan government, or by special school district No. 1 pursuant to subdivision 2;

(b) an additional employer contribution of an amount equal to the percent specified in section 353.27, subdivision 3a, clause (a), multiplied by the salaries and wages of all employees covered by the retirement fund less any amounts contributed toward amortization of the unfunded actuarial accrued liability by June 30, ~~2017~~ *2020*, attributable to their respective covered employees by any city owned public utility, improvement project, other municipal activities supported in whole or in part by revenues other than real estate taxes, any public corporation, any employing unit of metropolitan government, or by special school district No. 1 pursuant to subdivision 2; and

(c) a proportional share of an additional employer amortization contribution of an amount equal to $3,900,000 annually until June 30, ~~2017~~ *2020*, based upon the share of the fund's unfunded actuarial accrued liability attributed to the city as disclosed in the annual actuarial valuation prepared by the commission-retained actuary.

The city council shall, in addition to other taxes levied by the city, annually levy a tax equal to the amount of the financial requirements of the fund which are payable by the city. The tax, when levied, shall be extended upon the county lists and shall be collected and enforced in the same manner as other taxes levied by the city. If the city does not levy a tax sufficient to meet the requirements of this subdivision, the retirement board shall submit the tax levy statement directly to the county auditor, who shall levy the tax. The tax, when levied, shall be extended upon the county lists and shall be collected and paid into the city treasury to the credit of the retirement fund. Any amount to the credit of the retirement fund shall constitute a special fund and shall be used only for the payment of obligations authorized pursuant to this chapter.

Subd. 2. [CONTRIBUTIONS BY OR FOR CITY-OWNED PUBLIC UTILITIES, IMPROVEMENTS, OR MUNICIPAL ACTIVITIES.] Contributions by or for any city-owned public utility, improvement project, and

other municipal activities supported in whole or in part by revenues other than real estate taxes, any public corporation, any employing unit of metropolitan government, special school district No. 1, or Hennepin county, on account of any employee covered by the fund, shall be calculated as follows:

(a) a regular employer contribution of an amount equal to the percentage rounded to the nearest two decimal places of the salaries and wages of all employees of the employing unit covered by the retirement fund which equals the difference between the level normal cost plus administrative cost reported in the annual actuarial valuation prepared by the commission-retained actuary and the employee contributions provided for in section 422A.10;

(b) an additional employer contribution of an amount equal to the percent specified in section 353.27, subdivision 3a, clause (a), multiplied by the salaries and wages of all employees of the employing unit covered by the retirement fund;

(c) a proportional share of an additional employer amortization contribution of an amount equal to $3,900,000 annually until June 30, ~~2017~~ *2020*, based upon the share of the fund's unfunded actuarial accrued liability attributed to the employer as disclosed in the annual actuarial valuation prepared by the commission-retained actuary.

The city council or any board or commission may, by proper action, provide for the inclusion of the cost of the retirement contributions for employees of any city-owned public utility or for persons employed in any improvement project or other municipal activity supported in whole or in part by revenues other than taxes who are covered by the retirement fund in the cost of operating the utility, improvement project, or municipal activity. The cost of retirement contributions for these employees shall be determined by the retirement board and the respective governing bodies having jurisdiction over the financing of these operating costs.

The cost of the employer contributions on behalf of employees of special school district No. 1 who are covered by the retirement fund shall be the obligation of the school district. Contributions by the school district to the retirement fund or any other public pension or retirement fund of which its employees are members must be remitted to the fund each month. An amount due and not transmitted begins to accrue interest at the rate of six percent compounded annually 15 days after the date due. The retirement board shall prepare an itemized statement of the financial requirements of the fund payable by the school district, which shall be submitted prior to September 15. Contributions by the school district shall be made at times designated by the retirement board. The school district may levy for its contribution to the retirement fund only to the extent permitted pursuant to section 275.125, subdivision 6a.

The cost of the employer contributions on behalf of elective officers or other employees of Hennepin county who are covered by the retirement fund pursuant to section 422A.09, subdivision 3, clause (2), 422A.22, subdivision 2, or 488A.115, or Laws 1973, chapter 380, section 3, Laws 1975, chapter 402, section 2, or any other applicable law shall be the obligation of Hennepin county. The retirement board shall prepare an itemized statement of the financial requirements of the fund payable by Hennepin county, which shall be submitted prior to September 15. Contributions by Hennepin county shall be made at times designated by the retirement board.

Hennepin county may levy for its contribution to the retirement fund.

Subd. 2a. [CONTRIBUTIONS BY METROPOLITAN AIRPORT COMMISSION AND METROPOLITAN WASTE CONTROL COMMISSION.] The metropolitan airport commission and the waste control commission shall pay to the Minneapolis employees retirement fund annually in installments as specified in subdivision 3 the share of the additional support rate required for full amortization of the unfunded actuarial accrued liabilities by June 30, ~~2017~~ *2020*, that is attributable to airport commission or waste control commission employees who are members of the fund. The amount of the payment shall be determined ~~utilizing the most~~ *as if the airport and waste control commissions' employer contributions determined under subdivision 2 had also included a proportionate share of a $1,000,000 annual employer amortization contribution. The amount of this $1,000,000 annual employer amortization contribution that would have been allocated to each commission would have been based on the share of the fund's unfunded actuarial accrued liability attributed to each commission compared to the total unfunded actuarial accrued liability attributed to all employers under subdivisions 1a and 2. The determinations required under this subdivision must be based on the most* recent actuarial valuation prepared by the actuary retained by the legislative commission on pensions and retirement.

Subd. 3. [STATE CONTRIBUTIONS.] *(a)* The state shall pay to the Minneapolis employees retirement fund annually an amount equal to the financial requirements of the Minneapolis employees retirement fund reported in the actuarial valuation of the fund prepared by the commission-retained actuary pursuant to section 356.215 for the most recent year but based on a target date for full amortization of the unfunded actuarial accrued liabilities by June 30, ~~2017~~ *2020*, less the amount of employee contributions required pursuant to section 422A.10, and the amount of employer contributions required pursuant to subdivisions 1a, 2, and 2a. Payments shall be made in four equal installments, occurring on March 15, July 15, September 15, and November 15 annually. *The annual state contribution under this subdivision may not exceed $10,455,000 plus the cost of the annual supplemental benefit determined under section 356.865.*

(b) If the amount determined under paragraph (a) exceeds the limitation on the state payment in paragraph (a), the excess must be allocated to and paid to the fund by the employers identified in subdivisions 1a and 2, other than units of metropolitan government. Each employer's share of the excess is proportionate to the employer's share of the fund's unfunded actuarial accrued liability as disclosed in the annual actuarial valuation prepared by the actuary retained by the legislative commission on pensions and retirement compared to the total unfunded actuarial accrued liability attributed to all employers identified in subdivisions 1a and 2, other than units of metropolitan government. Payments must be made in equal installments as set forth in paragraph (a).

Subd. 4. [ADDITIONAL EMPLOYER CONTRIBUTION IN CERTAIN INSTANCES.] *If assets in the deposit accumulation fund are insufficient to make a transfer to the retirement benefit fund, the city of Minneapolis shall pay the amount of that insufficiency to the retirement benefit fund within three days of certification of the insufficiency by the executive director of the fund. The city of Minneapolis may bill any other participating employing unit other than the state for its proportion of the amount paid.*

Sec. 11. Minnesota Statutes 1990, section 422A.17, is amended to read:

422A.17 [RETIREMENT ALLOWANCE; OPTIONS.]

At retirement, any employee who is eligible to receive a service allowance may elect to receive benefits in a retirement allowance payable throughout life or may on retirement elect to receive the actuarial equivalent at that time of annuity, pension, or retirement allowance in a lesser annuity, or a lesser pension, or a lesser retirement allowance, payable throughout life, with the provisions that:

Option I. If the benefit recipient dies before receiving in payments an amount equal to the present value of the benefit recipient's annuity, pension, or retirement allowance, as of the date of the benefit recipient's retirement, the balance shall be paid to the benefit recipient's legal representatives or to such person, having an insurable interest in the benefit recipient's life, as the benefit recipient shall nominate by written designation duly acknowledged and filed with the retirement board as of the date of retirement, or

Option II. Upon the death of the benefit recipient, the benefit recipient's annuity, pension, or retirement allowance shall be continued throughout the life of and paid to the person, having an insurable interest in the benefit recipient's life, as the benefit recipient shall nominate by written designation duly acknowledged and filed with the retirement board as of the date of retirement, or

Option III. Upon death of the benefit recipient, one-half of the benefit recipient's annuity, pension, or retirement allowance shall be continued throughout the life of and paid to the person, having an insurable interest in the benefit recipient's life, as the benefit recipient shall nominate by written designation duly acknowledged and filed with the retirement board as of the date of retirement, or

Option IV. Other optional retirement allowance forms, *including a joint and survivor option under which the benefit recipient receives a normal single-life annuity if the designated optional annuity beneficiary dies before the benefit recipient,* shall be paid to the benefit recipient or other person or persons the benefit recipient nominates, provided that the optional annuity is of equivalent actuarial value to the applicable single life annuity calculated under section 422A.15 and is approved by the retirement board.

Any optional retirement allowance shall be computed and determined under a procedure specified by the commission-retained actuary utilizing the appropriate mortality table established by the board of trustees based on the experience of the fund as recommended by the commission-retained actuary and using the applicable postretirement interest rate assumption specified in section 356.215, subdivision 4d.

In adopting optional annuity forms, the board of trustees shall obtain the written recommendation of the commission-retained actuary. The recommendations shall be a part of the permanent records of the board of trustees.

Sec. 12. Minnesota Statutes 1990, section 422A.23, subdivision 2, is amended to read:

Subd. 2. Upon the death of a contributing member after having been in the city service not less than 18 months but before the effective date of retirement, the board shall in lieu of the settlement hereinbefore provided pay to the surviving spouse and/or children of the member under the age of 18, or under the age of 22 if a full-time student at an accredited school, college or university, and single, the following monthly benefit:

(a) Surviving spouse $325 per month, except for benefits beginning after July 1, 1983, which shall be 30 percent of member's average salary in effect over the last six months of allowable service preceding the month in which the death occurred.

(b) Each surviving child $150 per month, except for benefits beginning after July 1, 1983, which shall be ten percent of the member's average salary in effect over the last six months of allowable service preceding the month in which the death occurred. Payments for the benefit of any child under the age of 18 years shall be made to the surviving parent, or if there be none, to the legal guardian of such child. The maximum monthly benefit shall not exceed a total of $750.

(c) Effective for payments made after June 30, 1991, surviving spouse and surviving child benefits under paragraphs (a) and (b) beginning on or before July 1, 1983, are increased to $500 per month and $225 per month, respectively. The maximum monthly payment under paragraph (b) is increased to $900. The increased cost resulting from the benefit increases in this paragraph must be allocated to each employing unit listed in section 422A.101, subdivisions 1a, 2, and 2a, on the basis of the additional accrued liability resulting from increased benefits paid to the survivors of employees from that unit.

Sec. 13. [TEMPORARY OPTION.]

Notwithstanding any law to the contrary, a retired member of the Minneapolis employees retirement fund with a living designated optional annuity recipient may select a joint and survivor option under which the retired member will receive a normal single-life annuity if the designated recipient dies before the retired member. This optional annuity must be the actuarial equivalent of the joint and survivor annuity option existing at the time this option is selected. This option must be exercised before July 1, 1992, according to procedures specified by the board of the Minneapolis employees retirement fund.

Sec. 14. [CITY OF MINNEAPOLIS; SPECIAL LEVY.]

For taxes levied in 1991, payable in 1992, the city of Minneapolis may levy an amount equal to the amount required to be paid by the city for contributions to the Minneapolis employees retirement fund as a result of the maximum dollar amount limitation on state contributions to the fund imposed under Minnesota Statutes, section 422A.101, subdivision 3. The levy under this section shall not exceed the most recent amount certified by the board of the Minneapolis employees retirement fund as the city's share of the contribution requirement in excess of the maximum state contribution under Minnesota Statutes, section 422A.101, subdivision 3.

Sec. 15. [EFFECTIVE DATE.]

Section 12, if approved, applies to all benefit payments made after the effective date, including payments to persons who became surviving spouses or surviving children before that date. Section 6 is effective the day following final enactment and applies to all claims pending on that date or filed on or after that date. Sections 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, and 13 are effective on approval by the Minneapolis city council and compliance with Minnesota Statutes, section 645.021."

In making a final decision on the permit, the agency shall consider the permit applicant's response prior to making a final decision on the permit.*

(2) time elapsed since the last violation;

(3) number of previous violations; and

(4) response of the person to the most *recent* previous violation identified.

(d) If the administrative law judge makes a finding that the hearing was requested solely for purposes of delay or that the hearing request was frivolous, the commissioner may add to the amount of the penalty the costs charged to the agency by the office of administrative hearings for the hearing.

(e) If a hearing has been held, the commissioner may not issue a final order until at least five days after receipt of the report of the administrative law judge. The person to whom an order is issued may, within those five days, comment to the commissioner on the recommendations and the commissioner will consider the comments. The final order may be appealed in the manner provided in sections 14.63 to 14.69.

Sec. 14. [PLAN FOR USE OF ADMINISTRATIVE PENALTY ORDERS.]

The commissioner of the pollution control agency shall prepare a plan for using the administrative penalty authority in Minnesota Statutes, section 116.072. Sec. 2. Minnesota Statutes 1990, section 504.02, is amended to read:

504.02 [CANCELLATION OF LEASES IN CERTAIN CASES; ABANDONMENT OR SURRENDER OF POSSESSION.]

Subdivision 1. [ACTION TO RECOVER.] *(a)* In case of a lease of real property, when the landlord has a subsisting right of reentry for the failure of the tenant to pay rent the landlord may bring an action to recover possession of the property and such action is equivalent to a demand for the rent and a reentry upon the property; but if, at any time before possession has been delivered to the plaintiff on recovery in the action, the lessee or a successor in interest as to the whole or any part of the property pays to the plaintiff or brings into court the amount of the rent then in arrears, with interest and costs of the action, and an attorney's fee not exceeding $5, and performs the other covenants on the part of the lessee, the lessee or successor may be restored to the possession and hold the property according to the terms of the original lease.

(b) If the tenant has paid to the plaintiff or brought into court the amount of rent in arrears but is unable to pay the interest, costs of the action, and attorney fees required by this subdivision, the court may permit the defendant to pay these amounts into court and be restored to possession within the same period of time, if any, which the court stays the issuance of the writ of restitution pursuant to section 566.09.

(c) Prior to or after commencement of an action to recover possession for nonpayment of rent, the parties may agree only in writing that partial payment of rent in arrears which is accepted by the landlord prior to issuance of the order granting restitution of the premises pursuant to section 566.09 may be applied to the balance due and does not waive the landlord's action to recover possession of the premises for nonpayment of rent.

(d) Rental payments under this subdivision must first be applied to rent claimed as due in the complaint from prior rental periods before applying any payment toward rent claimed in the complaint for the current rental period, unless the court finds that under the circumstances the claim for rent from prior rental periods has been waived.

Subd. 2. [LEASE GREATER THAN 20 YEARS.] *(a)* If the lease under which the right of reentry is claimed is a lease for a term of more than 20 years, reentry cannot be made into the land or such action commenced by the landlord unless, after default, the landlord shall serve upon the tenant, also upon all creditors having a lien of record legal or equitable upon the leased premises or any part thereof, a written notice that the lease will be canceled and terminated unless the payment or payments in default shall be made and the covenants in default shall be performed within 30 days after the service of such notice, or within such greater period as the lessor shall specify in the notice, and if such default shall not be removed within the period specified within the notice, then the right of reentry shall be complete at the expiration of the period and may be exercised as provided by law. If any such lease shall provide that the landlord, after default, shall give more then 30 days' notice in writing to the tenant of the landlord intention to terminate the tenancy by reason of default in terms thereof, then the length of the notice to terminate shall be the same as provided for

and required by the lease.

(b) As to such leases for a term of more than 20 years, if at any time before the expiration of six months after possession obtained by the plaintiff by abandonment or surrender of possession by the tenant or on recovery in the action, the lessee or a successor in interest as to the whole or part of the property, or any creditor having a lien legal or equitable upon the leased premises or any part thereof, pays to the plaintiff, or brings into court, the amount of rent then in arrears, with interest and the costs of the action, and performs the other covenants on the part of the lessee, the lessee or successor may be restored to the possession and hold the property according to the terms of the original lease. The provisions of this section shall not apply to any action or proceeding now pending in any of the courts of this state.

Subd. 3. [JUDGMENT TO BE RECORDED.] Upon recovery of possession by the landlord in the action a certified copy of the judgment shall be recorded in the office of the county recorder of the county where the land is situated if unregistered land or in the office of the registrar of titles of such county if registered land and upon recovery of possession by the landlord by abandonment or surrender by the tenant an affidavit by the landlord or the landlord's attorney setting forth such fact shall be recorded in a like manner and such recorded certified copy of such judgment or such recorded affidavit shall be prima facie evidence of the facts stated therein in reference to the recovery of possession by such landlord.

Sec. 3. Minnesota Statutes 1990, section 504.18, subdivision 1, is amended to read:

Subdivision 1. In every lease or license of residential premises, whether in writing or parol, the lessor or licensor covenants:

(a) That the premises and all common areas are fit for the use intended by the parties.

(b) To keep the premises in reasonable repair during the term of the lease or license, except when the disrepair has been caused by the willful, malicious, or irresponsible conduct of the lessee or licensee or a person under the direction or control of the lessee or licensee.

(c) To maintain the premises in compliance with the applicable health and safety laws of the state, *including the weatherstripping, caulking, storm window, and storm door energy efficiency standards for renter-occupied residences prescribed by section 216C.27, subdivisions 1 and 3,* and of the local units of government where the premises are located during the term of the lease or license, except when violation of the health and safety laws has been caused by the willful, malicious, or irresponsible conduct of the lessee or licensee or a person under the direction or control of the lessee or licensee.

The parties to a lease or license of residential premises may not waive or modify the covenants imposed by this section.

Sec. 4. Minnesota Statutes 1990, section 504.185, subdivision 2, is amended to read:

Subd. 2. [PROCEDURE.] When a municipality, utility company, or other company supplying home heating oil, propane, natural gas, electricity, or water to a building has *issued a final notice or has posted the building proposing to disconnect or* discontinued the service to the building because

an owner who has contracted for the service has failed to pay for it *or because an owner is required by law or contract to pay for the service and fails to do so*, a tenant or group of tenants may pay to have the service *continued or* reconnected as provided under this section. Before paying for the service, the tenant or group of tenants shall give oral or written notice to the owner of the tenant's intention to pay after 48 hours, or a shorter period that is reasonable under the circumstances, if the owner has not already paid for the service. In the case of oral notification, written notice shall be mailed or delivered to the owner within 24 hours after oral notice is given.

(a) In the case of natural gas, electricity, or water, if the owner has not yet paid the bill by the time of the tenant's intended payment, or if the service remains discontinued, the tenant or tenants may pay the outstanding bill for the most recent billing period, if the utility company or municipality will restore the service for at least one billing period.

(b) In the case of home heating oil or propane, if the owner has not yet paid the bill by the time of the tenant's intended payment, or if the service remains discontinued, the tenant or tenants may order and pay for one month's supply of the proper grade and quality of oil or propane.

After submitting receipts for the payment to the owner, a tenant may deduct the amount of the tenant's payment from the rental payment next paid to the owner. Any amount paid to the municipality, utility company, or other company by a tenant under this subdivision is considered payment of rent to the owner for purposes of section 504.02.

Sec. 5. Minnesota Statutes 1990, section 504.20, subdivision 3, is amended to read:

Subd. 3. Every landlord shall, within three weeks after termination of the tenancy *or within five days of the date when the tenant leaves the building or dwelling due to the legal condemnation of the building or dwelling in which the tenant lives for reasons not due to willful, malicious, or irresponsible conduct of the tenant,* and *after* receipt of the tenant's mailing address or delivery instructions, return the deposit to the tenant, with interest thereon as above provided, or furnish to the tenant a written statement showing the specific reason for the withholding of the deposit or any portion thereof. It shall be sufficient compliance with the time requirement of this subdivision if the deposit or written statement required by this subdivision is placed in the United States mail as first class mail, postage prepaid, in an envelope with a proper return address, correctly addressed according to the mailing address or delivery instructions furnished by the tenant, within the time required by this subdivision. The landlord may withhold from the deposit only amounts reasonably necessary:

(a) To remedy tenant defaults in the payment of rent or of other funds due to the landlord pursuant to an agreement; or

(b) To restore the premises to their condition at the commencement of the tenancy, ordinary wear and tear excepted.

In any action concerning the deposit, the burden of proving, by a fair preponderance of the evidence, the reason for withholding all or any portion of the deposit shall be on the landlord.

Sec. 6. Minnesota Statutes 1990, section 504.20, subdivision 4, is amended to read:

Subd. 4. Any landlord who fails to provide a written statement within three weeks of termination of the tenancy *or within five days of the date when the tenant leaves the building or dwelling due to the legal condemnation of the building or dwelling in which the tenant lives for reasons not due to willful, malicious, or irresponsible conduct of the tenant,* and *after* receipt of the tenant's mailing address or delivery instructions, as required in subdivision 3, shall be liable to the tenant for damages in an amount equal to the portion of the deposit withheld by the landlord and interest thereon as provided in subdivision 2, as a penalty, in addition to the portion of the deposit wrongfully withheld by the landlord and interest thereon.

Sec. 7. Minnesota Statutes 1990, section 504.27, is amended to read:

504.27 [REMEDIES ARE ADDITIONAL.]

The remedies provided in sections 504.24 to 504.26 are in addition to and shall not limit other rights or remedies available to landlords and tenants. Any provision, whether oral or written, of any lease or other agreement, whereby any provision of sections 504.24 to 504.27 is waived by a tenant is contrary to public policy and void. The provisions of sections 504.24 to 504.27 shall apply only to tenants as that term is defined in section 566.18, subdivision 2, and buildings as that term is defined in section 566.18, subdivision 7. *The provisions of sections 504.24, 504.25, 504.255, and 504.26 apply to occupants and owners of residential real property which is the subject of a mortgage foreclosure or contract for deed cancellation and as to which the period for redemption or reinstatement of the contract has expired.*

The holder of the assignment shall apply the rents and profits received in accordance with the terms of the assignment, and, if the assignment so provides, for the entire redemption period from any foreclosure sale. A holder of an assignment who enforces it in accordance with this clause shall not be deemed to be a mortgagee in possession with attendant liability.

Nothing contained herein shall prohibit the right to reinstate the mortgage debt granted pursuant to section 580.30, nor the right to redeem granted pursuant to sections 580.23 and 581.10, and any excess cash, as that term is used herein, collected by the receiver under clause (a), or any rents and profits taken by the holder of the assignment under clause (b), shall be credited to the amount required to be paid to effect a reinstatement or redemption.

Sec. 5. Minnesota Statutes 1990, section 576.01, subdivision 2, is amended to read:

Subd. 2. A receiver shall be appointed in the following case:

After the first publication of notice of sale for the foreclosure of a mortgage pursuant to chapter 580, or with the commencement of an action to foreclose a mortgage pursuant to chapter 581, and during the period of redemption, if the mortgage being foreclosed secured an original principal amount of ~~$500,000~~ *$100,000* or more *or is a lien upon residential real estate containing more than four dwelling units* and was not a lien upon property which was entirely homesteaded, *residential real estate containing four or less dwelling units where at least one unit is homesteaded,* or agricultural property, the foreclosing mortgagee or the purchaser at foreclosure sale may at any time bring an action in the district court of the county in which the mortgaged premises or any part thereof is located for the appointment of a receiver; provided, however, if the foreclosure is by action under chapter 581, a separate action need not be filed. Pending trial of the action on the merits, the court may make a temporary appointment of a receiver following the procedures applicable to temporary injunctions under the rules of civil procedure. If the motion for temporary appointment of a receiver is denied, the trial of the action on the merits shall be held as early as practicable, but not to exceed 30 days after the motion for temporary appointment of a

receiver is heard. The court shall appoint a receiver upon a showing that the mortgagor has breached a covenant contained in the mortgage relating to any of the following:

(1) Application of tenant security deposits as required by section 504.20;

(2) Payment when due of prior or current real estate taxes or special assessments with respect to the mortgaged premises, or the periodic escrow for the payment of the taxes or special assessments;

(3) Payment when due of premiums for insurance of the type required by the mortgage, or the periodic escrow for the payment of the premiums;

(4) Keeping of the covenants required of a lessor or licensor pursuant to section 504.18, subdivision 1.

The receiver shall be an experienced property manager. The court shall determine the amount of the bond to be posted by the receiver.

The receiver shall collect the rents, profits and all other income of any kind, manage the mortgaged premises so to prevent waste, execute leases within or beyond the period of the receivership if approved by the court, pay the expenses listed in clauses (1), (2), and (3) in the priority as numbered, pay all expenses for normal maintenance of the mortgaged premises and perform the terms of any assignment of rents which complies with section 559.17, subdivision 2. Reasonable fees to the receiver shall be paid prior thereto. The receiver shall file periodic accountings as the court determines are necessary and a final accounting at the time of discharge.

The purchaser at foreclosure sale shall have the right, at any time and without limitation as provided in section 582.03, to advance money to the receiver to pay any or all of the expenses which the receiver should otherwise pay if cash were available from the mortgaged premises. Sums so advanced, with interest, shall be a part of the sum required to be paid to redeem from the sale. The sums shall be proved by the affidavit of the purchaser, an agent or attorney, stating the expenses and describing the mortgaged premises. The affidavit must be filed for record with the county recorder or the registrar of titles, and a copy thereof shall be furnished to the sheriff and the receiver at least ten days before the expiration of the period of redemption.

Any sums collected which remain in the possession of the receiver at termination of the receivership shall, in the event the termination of the receivership is due to the reinstatement of the mortgage debt or redemption of the mortgaged premises by the mortgagor, be paid to the mortgagor; and in the event termination of the receivership occurs at the end of the period of redemption without redemption by the mortgagor or any other party entitled to redeem, interest accrued upon the sale price pursuant to section 580.23 or section 581.10 shall be paid to the purchaser at foreclosure sale. Any net sum remaining shall be paid to the mortgagor, except if the receiver was enforcing an assignment of rents which complies with section 559.17, subdivision 2, in which case any net sum remaining shall be paid pursuant to the terms of the assignment.

This subdivision shall apply to all mortgages executed on or after August 1, 1977, and to amendments or modifications of such mortgages, and to amendments or modifications made on or after August 1, 1977, to mortgages executed before August 1, 1977, if the amendment or modification is duly recorded and is for the principal purpose of curing a default.

The governing body shall agree on behalf of all the applicable governing bodies affected that local cooperation as required by the federal government shall be provided by the local governing body or bodies in whose jurisdiction the project is to be located, at no cost or at no greater cost than the same public services and facilities furnished to other residents;

(11) to cooperate with or act as agent for the federal government, the state or any state public body, or any agency or instrumentality of the foregoing, in carrying out any of the provisions of sections 469.001 to 469.047 or of any other related federal, state, or local legislation; and upon the consent of the governing body of the city to purchase, lease, manage, or otherwise take over any housing project already owned and operated by the federal government;

ARTICLE 7

PARK AND RECREATION BOARDS.

Section 1. [PARK AND RECREATION BOARD DISTRICTS.]

Notwithstanding chapter 1, section 3, of the home rule charter of the city of Minneapolis, the Minneapolis park and recreation board may appoint two members to serve on the Minneapolis reapportionment commission to replace the two members of the commission appointed by the majority and minority caucuses of the city council for the purpose of determining the reapportionment of Minneapolis park and recreation districts.

The two members appointed by the park and recreation board shall participate with the other appointed members of the reapportionment commission to determine the reapportionment of park board districts. Park board commission appointees shall not sit in considering the reapportionment of

city council ward boundaries. City council appointees shall not sit in considering the reapportionment of park district boundaries. The reapportionment commission may adopt necessary procedures to ensure full participation by park and recreation board appointees in its process.

Sec. 2. [STANDARDS.]

Within the time specified in chapter 1, section 3, and chapter 16, section 1, of the home rule charter of the city of Minneapolis, the reapportionment commission shall set the boundaries of the park districts in accordance with the following standards:

(1) The ideal population for each district shall be determined by dividing the total population of the city by six. In no case shall any district, when readjusted, have a population more than five percent over or under the ideal population.

(2) Each district shall consist of a contiguous territory not more than twice as long as it is wide. The existence of a lake within a district shall not be contrary to this provision. Whenever possible, district boundary lines shall follow the center line of streets, avenues, alleys and boulevards and as nearly as practicable, shall run due east and west or north and south.

(3) To the extent possible, each newly drawn district shall retain the same numerical designation as the previously existing district from which the newly drawn ward received the largest portion of its population.

(4) The districts must not dilute the voting strength of racial or language minority populations. Where a concentration of a racial or language minority makes it possible, the districts must increase the probability that members of the minority will be elected.

(5) The districts should attempt to preserve communities of interest where that can be done in compliance with the preceding standards.

(6) Population shall be determined by use of the official population, as stated by census tracts and blocks in the official United States Census. Whenever it is necessary to modify census data in fixing a district boundary, the reapportionment commission may compute the population of any part by use of other pertinent data or may have a special enumeration made of any block or blocks using the standards of the United States Census. If the population of any block or blocks is so determined, the reapportionment commission may assume that the remainder of the census tract has the remaining population shown by the census. In every such case, the determination of the reapportionment commission as to population shall be conclusive, unless clearly contrary to the census.

Sec. 3. [EFFECTIVE DATE.]

Sections 1 and 2 are effective the day after compliance with Minnesota Statutes, section 645.021, subdivision 3, by a majority of the Minneapolis park and recreation board.

(ii) located in a municipality of less than 10,000 population; and

(iii) financed by a direct loan or insured loan from the Farmers Home Administration. Property is classified under this clause for 15 years from the date of the completion of the original construction or for the original term of the loan.

The class rates in paragraph (c), clauses (1), (2), and (3) and this clause apply to the properties described in them, only in proportion to occupancy of the structure by elderly or handicapped persons or low and moderate income families as defined in the applicable laws unless construction of the structure had been commenced prior to January 1, 1984; or the project had been approved by the governing body of the municipality in which it is located prior to June 30, 1983; or financing of the project had been approved by a federal or state agency prior to June 30, 1983. Classification under this clause is only available to property of a nonprofit or limited dividend entity.

(2) For taxes payable in 1992, 1993 and 1994, only, buildings and appurtenances, together with the land upon which they are located, leased by the occupant under the community lending model lease-purchase mortgage loan program administered by the Federal National Mortgage Association, provided the occupant's income is no greater than 60 percent of the county or area median income, adjusted for family size and the building consists of existing single family or duplex housing. The lease agreement must provide for a portion of the lease payment to be escrowed as a nonrefundable down payment on the housing. To qualify under this clause, the taxpayer must apply to the county assessor by May 30 of each year. The application must be accompanied by an affidavit or other proof required by the assessor to determine qualification under this clause.

(3) For taxes payable in 1992, 1993 and 1994, only, federally acquired buildings under four units and appurtenances, together with the land upon which they are located that is leased to a nonprofit corporation organized under chapter 317A that qualifies for tax exempt status under United States Code, title 26, section 501(c), or a housing and redevelopment authority authorized under sections 469.001 to 469.047; the purpose of the lease must be to allow the nonprofit corporation to provide transitional housing for homeless persons under the program established in Code of Federal Regulations, title 55, section 49489. As used in this clause, "transitional housing" has the meaning given in section 268.38, subdivision 1, except that the two-year restriction does not apply. If the property is purchased from the federal government by the nonprofit corporation for the purpose of continuing to provide transitional housing after the expiration of the lease, the property shall continue to be eligible for this classification. To qualify under this clause, the taxpayer must apply to the county assessor by May 30 of each year. The application must be accompanied by an affidavit or other proof required by the county assessor to determine qualification under this clause. Property qualifying under this clause in 1992, 1993, or 1994 continues to receive a two percent class rate until the five-year lease

has expired provided that the property continues to be used for the purposes as described in this clause.

Class 4d property has a class rate of two percent of market value.

(e) Residential rental property that would otherwise be assessed as class 4 property under paragraph (a); paragraph (b), clauses (1) and (3); paragraph (c), clause (1), (2), (3), or (4), is assessed at the class rate applicable to it under Minnesota Statutes 1988, section 273.13, if it is found to be a substandard building under section 273.1316. Residential rental property that would otherwise be assessed as class 4 property under paragraph (d) is assessed at 2.3 percent of market value if it is found to be a substandard building under section 273.1316.

Subd. 2. [EFFECTIVE DATE.] Subdivision 1 is effective for taxes levied in 1991, payable in 1992, and thereafter.

Sec. 9. [CORRECTION 8]

Subdivision 1. 1991 H.F. No. 2, article 2, section 7, if enacted, is amended to read:

Sec. 7. [62J.13] [PROVISION OF HEALTH CARE SERVICES; MANAGED CARE.]

In areas of the state where managed care health plans operate, the commissioner must deliver health care through contracts with managed care health plans. *The commissioner may solicit bids and contract separately for dental care services, which may be provided by the same health plan that provides other services. Health plans may bid and contract to provide only dental care services or to provide only nondental services.* The commissioner may require contractors to provide all services under the intermediate benefit set, or may contract separately for certain services if the commissioner determines this to be in the best interests of the state plan. In order to qualify for participation in the state plan, a managed care health plan must meet the specifications in this section.

(a) The health plan must demonstrate to the satisfaction of the commissioner that it is financially responsible and may reasonably be expected to meet its obligations to enrollees and prospective enrollees.

(b) The health plan must have sufficient provider network capacity to adequately serve enrollees and prospective enrollees.

(c) The health plan must have established procedures adequate to manage the delivery of health care. The procedures must incorporate clear standards of practice or protocols where they exist. The procedures must also require enrollees to register with a specific primary care clinic which will coordinate referrals, hospitalizations, and other health care delivery. A plan that has not established these procedures may participate in the program if the plan demonstrates to the satisfaction of the commissioner that an alternative, comparably effective system of case management has been established. A managed care health plan that has not established procedures satisfactory to the commissioner may participate in the program if the plan agrees to implement satisfactory procedures within three years from the date it is accepted for participation by the commissioner.

(d) The health plan must demonstrate a long-term commitment to improving the quality and efficiency of health care.

(e) The health plan must have established programs to educate enrollees

about appropriate use of the health care system. The programs may include self-care education, telephone nurse access, encouragement of healthy lifestyles, and encouragement of conformance to prescribed courses of treatment.

(f) Health plans must notify enrollees by mail when coverage limits under the intermediate benefit set have been reached and explain that payment for future services in excess of the coverage limits are the responsibility of the patient.

(g) The health plan must include appropriate use of nonphysician providers within its overall framework of managed care. Nothing in this section is intended to limit direct access to chiropractic care under article 3, section 3, subdivision 2, subject to reasonable managed care protocols and criteria for determining appropriate use of chiropractic care.

The lease may be canceled by the commissioner 90 days after giving the person leasing the land written notice of violation of lease conditions. The lease rate shall be based on the appraised value of leased land as determined by the commissioner of natural resources and shall be adjusted by the commissioner at the fifth, tenth, and 15th anniversary of the lease, if the appraised value has increased or decreased. For leases that are renewed in 1991 and following years, the lease rate shall be five percent of the appraised value of the leased land. The appraised value shall be the value of the leased land without any private improvements and must be comparable to similar land without any improvements within the same county. The minimum appraised value that the commissioner assigns to the leased land must be substantially equal to the county assessor's estimated market value of similar land adjusted by the assessment/sales ratio as determined by the department of revenue.

(c) By July 1, 1986, the commissioner of natural resources shall adopt rules under chapter 14 to establish procedures for leasing land under this section. The rules shall be subject to review and approval by the commissioners of revenue and administration prior to the initial publication pursuant to chapter 14 and prior to their final adoption. The rules must address at least the following:

(1) method of appraising the property; and

(2) an appeal procedure for both the appraised values and lease rates.

(d) All money received from these leases must be credited to the fund to which the proceeds of the land belong.

Notwithstanding section 16A.125 or any other law to the contrary, 50 percent of the money received from the lease of permanent school fund lands leased pursuant to this subdivision shall be deposited into the permanent school trust fund. However, in fiscal years 1987, 1988, 1989, 1990, 1991, ~~and~~ 1992, *1993, and 1994*, the money received from the lease of permanent school fund lands that would otherwise be deposited into the permanent school fund is hereby appropriated to survey, appraise, and pay associated selling costs of lots as required in section 92.67, subdivision 3. The money appropriated may not be used to pay the cost of surveying lots not scheduled for sale. Any money designated for deposit in the permanent school fund that is not needed to survey, appraise, and pay associated selling costs of lots, as required in section 92.67, shall be deposited in the permanent school fund. The commissioner shall add to the appraised value of any lot offered for sale the costs of surveying, appraising, and selling the lot, and shall first deposit into the permanent school fund an amount equal to the costs of surveying, appraising, and selling any lot paid out of the permanent school fund. Any remaining money shall be deposited into any other contributing funds in proportion to the contribution from each fund. In no case may the commissioner add to the appraised value of any lot offered for sale an amount more than $700 for the costs of surveying and appraising the lot."

Amend the title accordingly

The motion prevailed. So the amendment was adopted.

Mr. Spear then moved to amend S.F. No. 1562, as amended, as follows:

Sec. 3. [CORRECTION CC.] Minnesota Statutes 1990, section 136D.90, subdivision 2, as added by 1991 H.F. No. 700, article 6, section 55, if enacted, is repealed.

Sec. 4. [CORRECTION EE.] Minnesota Statutes 1990, section 123.3514,

subdivision 6, as amended by 1991 H.F. No. 700, article 9, section 37, if enacted, is amended to read:

Subd. 6. [FINANCIAL ARRANGEMENTS.] At the end of each school year, the department of education shall pay the tuition reimbursement amount within 30 days to the post-secondary institutions for courses that were taken for secondary credit. The amount of tuition reimbursement shall equal the lesser of:

(1) the actual costs of tuition, textbooks, materials, and fees directly related to the course taken by the secondary pupil; or

(2) an amount equal to the difference between the basic revenue of the district for that pupil and an amount computed by multiplying the basic revenue of the district for that pupil by a ratio. The ratio to be used is the total number of hours that the pupil is enrolled in courses in the secondary school during the regular school year over the total number of secondary instructional hours per pupil in that pupil's resident district.

For fiscal year 1992, for a pupil attending a post-secondary institution under this section, whether the pupil is enrolled in the post-secondary institution for secondary credit, post-secondary credit, or a combination of both, a school district shall receive aid equal to the sum of:

(1) 12 percent of the formula allowance, according to section 124.22, subdivision 2, times 1.3; plus

(2) for a pupil who attends a secondary school part time, the formula allowance, according to section 124.22, subdivision 2, times 1.3, times the ratio of the total number of hours the pupil is in membership for courses taken by the pupil for credit, to 1020 hours.

If a pupil is enrolled in a course for post-secondary credit, the school district shall include the pupil in the average daily membership only for the portion of time during which the pupil is enrolled in courses at the secondary school and enrolled in courses at a post-secondary institution for secondary credit.

The department shall not pay any tuition reimbursement or other costs of a course taken for post-secondary credit only.

For fiscal year 1993 and thereafter, a post-secondary institution shall be reimbursed according to the following:

(1) for an institution granting quarter credit, the reimbursement per credit hour shall be an amount equal to 88 percent of the product of the formula allowance, multiplied by 1.3, and divided by 45; or

(2) for an institution granting semester credit, the reimbursement per credit hour shall be an amount equal to 88 percent of the product of the general revenue formula allowance, multiplied by 1.3, and divided by 30.

For fiscal year 1993 and thereafter, a school district shall receive:

(1) for a pupil who is not enrolled in classes at a secondary school, 12 percent of the formula allowance, according to section 124.22, subdivision 2, times 1.3; or

(2) for a pupil who attends a secondary school part time, 88 percent of the product of the formula allowance, according to section 124.22, subdivision 2, times 1.3, times the ratio of the total number of hours the pupil is in membership for courses taken by the pupil for credit, to 1020 hours.

The department of education shall pay to each public post-secondary system or institution, as determined by the system, and to each private institution 100 percent of the amount due within 30 days of receiving enrollment information each quarter or semester. The department may not require any enrollment information except the total number of credits taken by pupils under this section and, for a private institution, the names of courses taken by pupils under this section. Changes in enrollment during a quarter or semester may be reported by the post-secondary system or institution at the time the enrollment information for the succeeding quarter or semester is submitted. At any time the department of education notifies a post-secondary system or institution that an overpayment has been made, the system or institution shall promptly remit the amount due.

Sec. 5. [CORRECTION EE.] Minnesota Statutes 1990, section 124A.03, subdivision 2, as amended by 1991 H.F. No. 700, article 1, section 10, subdivision 2, if enacted, is amended to read:

Subd. 2. [REFERENDUM REVENUE.] (a) The revenue authorized by section 124A.22, subdivision 1, may be increased in the amount approved by the voters of the district at a referendum called for the purpose. The referendum may be called by the school board or shall be called by the school board upon written petition of qualified voters of the district. The referendum must be held on the first Tuesday after the first Monday in November. The ballot shall state the maximum amount of the increased revenue per actual pupil unit, *the total amount that will be raised in the first year it is to be levied*, the estimated net tax capacity rate in the first year it is to be levied, and that the revenue shall be used to finance school operations. The ballot shall designate the specific number of years, not to exceed five, for which the referendum authorization shall apply. The ballot may contain a textual portion with the information required in this subdivision and a question stating substantially the following:

"Shall the increase in the revenue proposed by (petition to) the board of . . . . . , School District No. . . . . , be approved?"

If approved, an amount equal to the approved revenue per actual pupil unit times the actual pupil units for the school year beginning in the year after the levy is certified shall be authorized for certification for the number of years approved, if applicable, or until revoked or reduced by the voters of the district at a subsequent referendum.

(b) The school board shall prepare and deliver by first class mail at least 15 days but no more than 30 days prior to the day of the referendum to each taxpayer at the address listed on the school district's current year's assessment roll, a notice of the referendum and the proposed revenue increase. For the purpose of giving mailed notice under this subdivision, owners shall be those shown to be owners on the records of the county auditor or, in any county where tax statements are mailed by the county treasurer, on the records of the county treasurer. Every property owner whose name does not appear on the records of the county auditor or the county treasurer shall be deemed to have waived this mailed notice unless the owner has requested in writing that the county auditor or county treasurer, as the case may be, include the name on the records for this purpose. The notice must project the anticipated amount of tax increase in annual dollars and annual percentage for typical residential homesteads, agricultural homesteads, apartments, and commercial-industrial property within the school district.

The notice must include the following statement: "Passage of this referendum will result in an increase in your property taxes."

(c) A referendum on the question of revoking or reducing the increased revenue amount authorized pursuant to paragraph (a) may be called by the school board and shall be called by the school board upon the written petition of qualified voters of the district. A referendum to revoke or reduce the levy amount must be based upon the dollar amount, local tax rate, or amount per actual pupil unit, that was stated to be the basis for the initial authorization. Revenue approved by the voters of the district pursuant to paragraph (a) must be received at least once before it is subject to a referendum on its revocation or reduction for subsequent years. Only one revocation or reduction referendum may be held to revoke or reduce referendum revenue for any specific year and for years thereafter.

(d) A petition authorized by paragraph (a) or (c) shall be effective if signed by a number of qualified voters in excess of 15 percent of the registered voters of the school district on the day the petition is filed with the school board. A referendum invoked by petition shall be held on the date specified in paragraph (a).

(e) The approval of 50 percent plus one of those voting on the question is required to pass a referendum authorized by this subdivision.

(f) At least 15 days prior to the day of the referendum, the district shall submit a copy of the notice required under paragraph (b) to the commissioner of education. Within 15 days after the results of the referendum have been certified by the school board, or in the case of a recount, the certification of the results of the recount by the canvassing board, the district shall notify the commissioner of education of the results of the referendum.

(d) The commissioner shall prioritize applications and grant authority to hold an election to districts in the following order:

(1) districts that ~~are in statutory operating debt and have an approved plan or have received an extension from the department to file a plan to eliminate the statutory operating debt~~ *submitted a special operating plan between July 1, 1990, and May 1, 1991, as required by Minnesota Statutes, section 121.917, subdivision 4, for a net negative undesignated operating fund balance as of June 30, 1990;*

Sec. 13. [CORRECTION MM.] 1991 H.F. No. 700, article 9, section 33, subdivision 5, if enacted, is amended to read:

Subd. 5. [RIGHTS OF OTHER TEACHERS UPON DISSOLUTION.] (a) This subdivision applies to a teacher who:

(1) has a continuing contract with the cooperative; and

(2) either did not have a continuing contract with any member district or does not return to a member district according to the procedures set forth in subdivision 4, paragraph (b).

(b) By May 10 of the school year in which the cooperative provides the notice required by subdivision 3, clause (1), the cooperative shall provide to each teacher described in subdivision 4 and this subdivision a written notice of available teaching positions in any member district to which the cooperative was providing services at the time of dissolution. Available teaching positions are all teaching positions that, during the school year following dissolution:

(1) are positions for which the teacher is licensed; and

(2) are not assigned to a continuing contract teacher employed by a member school district after any reasonable realignments which may be necessary under the applicable provisions of section 125.12, subdivision 6a or 6b, to accommodate the seniority rights of teachers employed by the member district.

(c) On or before June 1 of the school year in which the cooperative provides the notice required by subdivision 3, clause (1), any teacher wishing to do so must file with the school board a written notice of the teacher's intention to exercise the teacher's rights to an available teaching position. Available teaching positions shall be offered to teachers in order of their seniority within the dissolved cooperative.

(d) Paragraph (e) applies to:

(1) a district that was a member of a dissolved cooperative; or

(2) any other district that, except as a result of open enrollment according to section 120.062, provides essentially the same instruction provided by the dissolved cooperative to pupils enrolled in a former member district.

(e) For five years following dissolution of a cooperative, a district to which this ~~subdivision~~ *paragraph* applies may not appoint a new teacher or assign a probationary or provisionally licensed teacher to any position requiring licensure in a field in which the dissolved cooperative provided instruction until the following conditions are met:

(2) no teacher holding the requisite license has filed a written request to

be appointed to the position with the school board within 30 days of receiving the notice.

If no teacher files a request according to clause (2), the district may fill the position as it sees fit. During any part of the school year in which dissolution occurs and the first school year following dissolution, a teacher may file a request for an appointment according to this paragraph regardless of prior contractual commitments with other member districts. Available teaching positions shall be offered to teachers in order of their seniority on a combined seniority list of the teachers employed by the cooperative and the appointing district.

(f) A teacher appointed according to this subdivision is not required to serve a probationary period. The teacher shall receive credit on the appointing district's salary schedule for the teacher's years of continuous service under contract with the cooperative and the member district and the teacher's educational attainment at the time of appointment or shall receive a comparable salary, whichever is less. The teacher shall receive credit for accumulations of sick leave and rights to severance benefits as if the teacher had been employed by the member district during the teacher's years of employment by the cooperative.

The Honorable Jerome M. Hughes
President of the Senate

We, the undersigned conferees for H.F. No. 1, report that we have agreed upon the items in dispute and recommend as follows:

"ARTICLE 1

POLICY

Section 1. [CITATION.]

This act may be cited as the "wetland conservation act of 1991."

Sec. 2. Minnesota Statutes 1990, section 103A.201, is amended to read:

103A.201 [REGULATORY POLICY.]

Subdivision 1. [POLICY.] To conserve and use water resources of the state in the best interests of its people, and to promote the public health, safety, and welfare, it is the policy of the state that:

(1) subject to existing rights, public waters are subject to the control of the state;

(2) the state, to the extent provided by law, shall control the appropriation and use of waters of the state; and

(3) the state shall control and supervise activity that changes or will change the course, current, or cross section of public waters, including the construction, reconstruction, repair, removal, abandonment, alteration, or the transfer of ownership of dams, reservoirs, control structures, and waterway obstructions in public waters.

Subd. 2. [WETLANDS FINDINGS; PUBLIC INTEREST.] *(a) Wetlands identified in the state under article 6, section 6, do not:*

(1) grant the public additional or greater right of access to the wetlands;

(2) diminish the right of ownership or usage of the beds underlying the wetlands, except as otherwise provided by law;

(3) affect state law forbidding trespass on private lands; and

(4) require the commissioner to acquire access to the wetlands.

(b) The legislature finds that the wetlands of Minnesota provide public value by conserving surface waters, maintaining and improving water quality, preserving wildlife habitat, providing recreational opportunities, reducing runoff, providing for floodwater retention, reducing stream sedimentation, contributing to improved subsurface moisture, helping moderate climatic change, and enhancing the natural beauty of the landscape, and are important to comprehensive water management, and that it is in the public interest to:

(1) achieve no net loss in the quantity, quality, and biological diversity of Minnesota's existing wetlands;

(2) increase the quantity, quality, and biological diversity of Minnesota's wetlands by restoring or enhancing diminished or drained wetlands;

(3) avoid direct or indirect impacts from activities that destroy or diminish the quantity, quality, and biological diversity of wetlands; and

(4) replace wetland values where avoidance of activity is not feasible and prudent.

PUBLIC VALUE OF WETLANDS

Sec. 4. [103B.3355] [PUBLIC VALUE CRITERIA FOR WETLANDS.]

(a) The board of water and soil resources, in consultation with the commissioner of natural resources, shall adopt rules establishing criteria to determine the public value of wetlands. The rules must consider the public benefit and use of the wetlands and include:

(1) criteria to determine the benefits of wetlands for water quality, including filtering of pollutants to surface and groundwater, utilization of nutrients that would otherwise pollute public waters, trapping of sediments, and utilization of the wetland as a recharge area for groundwater;

(2) criteria to determine the benefits of wetlands for floodwater retention, including the potential for flooding in the watershed, the value of property subject to flooding, and the reduction in potential flooding by the wetland;

(3) criteria to determine the benefits of wetlands for public recreation, including wildlife habitat, hunting and fishing areas, wildlife breeding areas, wildlife viewing areas, aesthetically enhanced areas, and nature areas;

(4) criteria to determine the benefits of wetlands for commercial uses, including wild rice growing and harvesting and aquaculture; and

(5) criteria to determine the benefits of wetlands for other public uses.

(b) The criteria established under this subdivision must be used to determine the public value of wetlands in the state. The board of water and soil resources, in consultation with the commissioner of natural resources, shall

also use the criteria in identifying regions of the state where preservation, enhancement, restoration, and establishment of wetlands would have high public value. Before the criteria are adopted, the board, in consultation with the commissioner, may identify high priority wetland regions using available information relating to the factors listed in paragraph (a). The board shall notify local units of government with water planning authority of these high priority regions.

ARTICLE 3

(b) A permanent easement may include four adjacent upland acres of land for each acre of wetland included.

(c) The easement must require that the landowner control noxious weeds in accordance with sections 18.171 to 18.317.

(d) The permanent easement must be conveyed to the state in recordable form free of any prior title, lien, or encumbrance and must provide for a right of entry by the state for inspection and correction of violations.

Subd. 3. [PAYMENT.] *(a) Payment for the conservation easement may be made in ten equal annual payments or, at the option of the land owner, in a lump sum at:*

(1) 50 percent of the township average equalized estimated market value of agricultural property as established by the commissioner of revenue at the time of easement application for wetlands located outside of the metropolitan counties, as defined in section 473.121, subdivision 4, and wetlands located on agricultural lands within a metropolitan county; or

(2) for wetlands located on nonagricultural land within the metropolitan county, 20 percent of the township average equalized estimated market value of agricultural property as established by the commissioner of revenue at the time of easement application.

(b) Payment for adjacent upland acreage of cropped and noncropped land under subdivision 2, paragraph (b), must be made at 90 percent and 60 percent, respectively, of the township average equalized market value of agricultural land as established by the commissioner of revenue at the time of easement application.

[APPLICATION.] *(a) A wetland owner may apply to the county where a wetland is located for designation of a wetland preservation area in a high priority wetland area identified in a comprehensive local water plan, as defined in section 103B.3363, subdivision 3, and located within a high priority wetland region designated by the board of water and soil resources. The application must be made on forms provided by the board. If a wetland is located in more than one county, the application must be submitted to the county where the majority of the wetland is located.*

(b) The application must contain at least the following information and other information the board of soil and water resources requires:

(1) legal description of the area to be approved, which must include an upland strip at least 16-1/2 feet in width around the perimeter of wetlands within the area and may include total upland area of up to four acres for each acre of wetland;

(2) parcel identification numbers where designated by the county auditor;

(3) name and address of the owner;

(4) a witnessed signature of the owner covenanting that the land will be preserved as a wetland and will only be used in accordance with conditions prescribed by the board of water and soil resources; and

(5) a statement that the restrictive covenant will be binding on the owner and the owner's successors or assigns, and will run with the land.

(c) The upland strip required in paragraph (b), clause (1), must be planted with permanent vegetation other than a noxious weed.

(d) For registered property, the owner shall submit the owner's duplicate certificate of title with the application.

Subd. 3. [REVIEW AND NOTICE.] *Upon receipt of an application, the county shall determine if all material required by subdivision 2 has been submitted and, if so, shall determine that the application is complete. The term "date of application" means the date the application is determined to be complete by the county. The county shall send a copy of the application to the county assessor, the regional development commission, where applicable, the board of water and soil resources, and the soil and water conservation district where the land is located. The soil and water conservation district shall prepare an advisory statement of existing and potential preservation problems or conflicts and send the statement to the owner of record and to the county.*

Subd. 4. [RECORDING.] *Within five days of the date of application, the county shall forward the application to the county recorder, with the owner's duplicate certificate of title in the case of registered property. The county recorder shall record the restrictive covenant and return it to the applicant. In the case of registered property, the recorder shall memorialize the restrictive covenant upon the certificate of title and the owner's duplicate certificate*

of title. The recorder shall notify the county that the covenant has been recorded or memorialized.

Subd. 5. [COMMENCEMENT OF WETLAND PRESERVATION AREA.] *The wetland is a wetland preservation area commencing 30 days from the date the county determines the application is complete under subdivision 3.*

Subd. 2. [TERMINATION BY OWNER.] *The owner may initiate expiration of a wetland preservation area by notifying the county on a form prepared by the board of water and soil resources and made available in each county. The notice must describe the property involved and must state the date of expiration. The notice may be rescinded by the owner during the first two years following notice.*

Subd. 3. [NOTICE AND RECORDING; TERMINATION.] *When the county receives notice under subdivision 2, the county shall forward the original notice to the county recorder for recording and shall notify the regional development commission, where applicable, the board of water and soil resources, and the county soil and water conservation district of the date of expiration. The benefits and limitations of the wetland preservation area and the restrictive covenant filed with the application cease on the date of expiration. For registered property, the county recorder shall cancel the restrictive covenant upon the certificate of title and the owner's duplicate certificate of title on the effective date of the expiration.*

Subd. 4. [EARLY EXPIRATION.] *A wetland preservation area may be terminated earlier than as provided in this section only in the event of a public emergency upon petition from the owner or county to the governor. The determination of a public emergency must be made by the governor through executive order under section 4.035 and chapter 12. The executive order must identify the wetland preservation area, the reasons requiring the action, and the date of expiration.*

Sec. 3. [103F.6114] [EMINENT DOMAIN ACTIONS.]

(1) acquiring land or an easement in land with a total area over ten acres within a wetland preservation area; or

(2) advancing a grant, loan, interest subsidy, or other funds for the construction of dwellings, commercial or industrial facilities, or water or sewer facilities that could be used to serve structures in areas that are not for agricultural use, that require an acquisition of land or an easement in a wetland preservation area.

Subd. 2. [NOTICE OF INTENT.] *At least 60 days before an action described in subdivision 1, notice of intent must be filed with the environmental quality board containing information and in the manner and form required by the environmental quality board. The notice of intent must contain a report justifying the proposed action, including an evaluation of alternatives that would not affect land within a wetland preservation area.*

Subd. 3. [REVIEW AND ORDER.] *The environmental quality board, in consultation with affected local governments, shall review the proposed action to determine its effect on the preservation and enhancement of wetlands and the relationship to local and regional comprehensive plans. If the environmental quality board finds that the proposed action might have an unreasonable effect on a wetland preservation area, the environmental quality board shall issue an order within the 60-day period under subdivision 2 for the party to refrain from the proposed action for an additional 60 days.*

Subd. 4. [PUBLIC HEARING.] *During the additional 60 days, the environmental quality board shall hold a public hearing concerning the proposed action at a place within the affected wetland preservation area or easily accessible to the wetland preservation area. Notice of the hearing must be published in a newspaper having a general circulation within the area. Individual written notice must be given to the local governments with jurisdiction over the wetland preservation area, the agency, corporation or government proposing to take the action, the owner of land in the wetland preservation area, and any public agency having the power of review or approval of the action.*

Subd. 5. [JOINT REVIEW.] *The review process required in this section may be conducted jointly with any other environmental impact review by the environmental quality board.*

Subd. 6. [SUSPENSION OF ACTION.] *The environmental quality board may suspend an eminent domain action for up to one year if it determines that the action is contrary to wetland preservation and that there are feasible and prudent alternatives that may have a less negative impact on the wetland preservation area.*

Subd. 7. [TERMINATION OF WETLAND PRESERVATION AREA.] *The benefits and limitations of a wetland preservation area, including the restrictive covenant for the portion of the wetland preservation area taken, end on the date title and possession of the property is obtained.*

Subd. 8. [ACTION BY ATTORNEY GENERAL.] *The environmental quality board may request the attorney general to bring an action to enjoin an agency, corporation, or government from violating this section.*

Subd. 9. [EXCEPTION.] *This section does not apply to an emergency project that is immediately necessary for the protection of life and property.*

Sec. 4. [103F.6115] [LIMITATION ON CERTAIN PUBLIC PROJECTS.]

Land in a wetland preservation area may not be assessed for public projects built in the vicinity of the wetland preservation area.*

Subd. 2. [EXCEPTION; OWNER OPTION.] *Subdivision 1 does not apply to public projects if the owner of the wetland preservation area elects to use and benefit from a public project.*

Sec. 5. [103F.6116] [SOIL CONSERVATION PRACTICES.]

An owner of a wetland preservation area shall manage the area and surrounding upland areas with sound soil conservation practices that prevent excessive soil loss according to the model ordinance adopted by the board of water and soil resources. The model ordinance and soil loss provisions under sections 103F.401 to 103F.455 relating to soil loss apply to all upland areas within a wetland preservation area and to surrounding upland areas. Pasture land used for livestock grazing purposes shall not be considered native prairie for the purposes of this clause. Upon receipt of an application for the exemption provided in this clause for lands for which the assessor has no determination from the commissioner of natural resources, the assessor shall refer the application to the commissioner of natural resources who shall determine within 30 days whether the land is native prairie and notify the county assessor of the decision. Exemption of native prairie pursuant to this clause shall not grant the public any additional or greater right of access to the native prairie or diminish any right of

ownership to it.

The amount of revenue lost as a result of the exemption must be computed each year by applying the current tax rates of the taxing jurisdictions in which the wetlands are located to the assessed valuation of the wetlands. Payment to the county for lost revenue must not be less than the revenue that would have been received in taxes if the wetlands had an assessed value of $5 per acre. The commissioner of revenue shall review the certification for accuracy and may make necessary changes or return the certification to the county auditor for corrections.*

Subd. 2. [PAYMENT.] *Based on current year tax data reported in the abstracts of tax lists, the commissioner of revenue shall annually determine the taxing district distribution of the amounts certified under subdivision 1. The commissioner shall pay to each taxing district, other than school districts, its total payment for the year in equal installments on or before*

July 15 and December 15 of each year.

ARTICLE 6

REGULATION OF WETLAND ACTIVITIES

Section 1. Minnesota Statutes 1990, section 103G.005, is amended by adding a subdivision to read:

Subd. 6a. [BOARD.] *"Board" means the board of water and soil resources.*

Sec. 2. Minnesota Statutes 1990, section 103G.005, is amended by adding a subdivision to read:

Subd. 10a. [LOCAL GOVERNMENT UNIT.] *"Local government unit" means:*

(1) outside of the seven-county metropolitan area, a city council or county board of commissioners; and

(2) in the seven-county metropolitan area, a city council, a town board under section 368.01, or a watershed management organization under section 103B.211.

Sec. 3. Minnesota Statutes 1990, section 103G.005, subdivision 15, is amended to read:

Subd. 15. [PUBLIC WATERS.] (a) "Public waters" means:

(1) waterbasins assigned a shoreland management classification by the commissioner under sections 103F.201 to 103F.221, except wetlands less than 80 acres in size that are classified as natural environment lakes;

(2) waters of the state that have been finally determined to be public waters or navigable waters by a court of competent jurisdiction;

(3) meandered lakes, excluding lakes that have been legally drained;

(4) waterbasins previously designated by the commissioner for management for a specific purpose such as trout lakes and game lakes pursuant to applicable laws;

(5) waterbasins designated as scientific and natural areas under section 84.033;

(6) waterbasins located within and totally surrounded by publicly owned lands;

(7) waterbasins where the state of Minnesota or the federal government holds title to any of the beds or shores, unless the owner declares that the water is not necessary for the purposes of the public ownership;

(8) waterbasins where there is a publicly owned and controlled access that is intended to provide for public access to the waterbasin;

(9) natural and altered watercourses with a total drainage area greater than two square miles;

(10) natural and altered watercourses designated by the commissioner as trout streams; and

(11) *public waters* wetlands, unless the statute expressly states otherwise.

(b) Public waters are not determined exclusively by the proprietorship of the underlying, overlying, or surrounding land or by whether it is a body or stream of water that was navigable in fact or susceptible of being used as a highway for commerce at the time this state was admitted to the union.

Sec. 4. Minnesota Statutes 1990, section 103G.005, is amended by adding a subdivision to read:

Subd. 17a. [WATERSHED.] *"Watershed" means the 81 major watershed units delineated by the map, "State of Minnesota Watershed Boundaries - 1979".*

Sec. 5. Minnesota Statutes 1990, section 103G.005, subdivision 18, is amended to read:

Subd. 18. [*PUBLIC WATERS* WETLANDS.] "*Public waters* wetlands" means all types 3, 4, and 5 wetlands, as defined in United States Fish and Wildlife Service Circular No. 39 (1971 edition), not included within the definition of public waters, that are ten or more acres in size in unincorporated areas or 2-1/2 or more acres in incorporated areas.

Sec. 6. Minnesota Statutes 1990, section 103G.005, is amended by adding a subdivision to read:

Subd. 19. [WETLANDS.] *(a) "Wetlands" means lands transitional between terrestrial and aquatic systems where the water table is usually at or near the surface or the land is covered by shallow water. For purposes of this definition, wetlands must have the following three attributes:*

(1) have a predominance of hydric soils;

(2) are inundated or saturated by surface or ground water at a frequency and duration sufficient to support a prevalence of hydrophytic vegetation typically adapted for life in saturated soil conditions; and

(3) under normal circumstances support a prevalence of such vegetation.

(b) Wetlands does not include public waters wetlands as defined in subdivision 18.

Sec. 7. Minnesota Statutes 1990, section 103G.221, is amended to read:

103G.221 [DRAINAGE OF *PUBLIC WATERS* WETLANDS.]

Subdivision 1. [DRAINAGE OF *PUBLIC WATERS* WETLANDS GENERALLY PROHIBITED WITHOUT REPLACEMENT.] Except as provided in subdivisions 2 and 3, *public waters* wetlands may not be drained, and a permit authorizing drainage of *public waters* wetlands may not be issued, unless the *public waters* wetlands to be drained are replaced by wetlands that will have equal or greater public value.

Subd. 2. [DRAINAGE OF *PUBLIC WATERS* WETLANDS FOR CROPLAND.] (a) *Public waters* wetlands that are lawful, feasible, and practical to drain and if drained would provide high quality cropland and that is the projected land use, as determined by the commissioner, may be drained without a permit and without replacement ~~of~~ *by* wetlands of equal or greater public value if the commissioner does not choose, within 60 days of receiving an application for a permit to drain the *public waters* wetlands to:

(1) place the *public waters* wetlands in the state water bank program under section 103F.601; or

(2) acquire them in fee under section 97A.145.

(b) If the commissioner does not make the offer under paragraph (a), clause (1) or (2), to a person applying for a permit, the *public waters* wetlands may be drained without a permit.

Subd. 3. [PERMIT TO DRAIN *PUBLIC WATERS* WETLANDS TEN YEARS AFTER PUBLIC WATERS DESIGNATION.] (a) The owner of property underneath *public waters* wetlands on privately owned property may apply to the commissioner for a permit to drain the *public waters* wetlands after ten years from their original designation as public waters. After receiving the application, the commissioner shall review the status of the *public waters* wetlands and current conditions.

(b) If the commissioner finds that the status of the *public waters* wetlands and the current conditions make it likely that the economic or other benefits from agricultural use to the owner from drainage would exceed the public benefits of maintaining the *public waters* wetlands, the commissioner shall grant the application and issue a drainage permit.

(c) If the application is denied, the owner may not apply again for another ten years.

Sec. 8. [103G.222] [REPLACEMENT OF WETLANDS.]

(a) After the effective date of the rules adopted under section 11 or article 2, section 4, whichever is later, wetlands must not be drained or filled, wholly or partially, unless replaced by restoring or creating wetland areas of at least equal public value under either a replacement plan approved as provided in section 11 or, if a permit to mine is required under section 93.481, under a mining reclamation plan approved by the commissioner under the permit to mine. Mining reclamation plans shall apply the same principles and standards for replacing wetlands by restoration or creation of wetland areas that are applicable to mitigation plans approved as provided in section 11.

(b) Replacement must be guided by the following principles in descending order of priority:

(1) avoiding the direct or indirect impact of the activity that may destroy or diminish the wetland;

(2) minimizing the impact by limiting the degree or magnitude of the wetland activity and its implementation;

(3) rectifying the impact by repairing, rehabilitating, or restoring the affected wetland environment;

(4) reducing or eliminating the impact over time by preservation and maintenance operations during the life of the activity; and

(5) compensating for the impact by replacing or providing substitute wetland resources or environments.

(c) If a wetland is located in a cultivated field, then replacement must be accomplished through restoration only without regard to the priority order in paragraph (b), provided that a deed restriction is placed on the altered wetland prohibiting nonagricultural use for at least ten years.

(d) Restoration and replacement of wetlands must be accomplished in accordance with the ecology of the landscape area affected.

(e) Replacement shall be within the same watershed or county as the impacted wetlands, as based on the wetland evaluation in section 11, subdivision 2, except that counties or watersheds in which 80 percent or more of the presettlement wetland acreage is intact may accomplish replacement in counties or watersheds in which 50 percent or more of the presettlement wetland acreage has been filled, drained, or otherwise degraded. Wetlands impacted by public transportation projects may be replaced statewide, provided they are approved by the commissioner under an established wetland banking system, or under the rules for wetland banking as provided for under section 11.

(f) For a wetland located on nonagricultural land, replacement must be in the ratio of two acres of replaced wetland for each acre of drained or filled wetland.

(g) For a wetland located on agricultural land, replacement must be in the ratio of one acre of replaced wetland for each acre of drained or filled wetland.

(h) Wetlands that are restored or created as a result of an approved replacement plan are subject to the provisions of this section for any subsequent drainage or filling.

Sec. 9. [103G.223] [CALCAREOUS FENS.]

Calcareous fens, as identified by the commissioner, may not be filled, drained, or otherwise degraded, wholly or partially, by any activity, unless the commissioner, under an approved management plan, decides some alteration is necessary.

Sec. 10. [103G.2241] [EXEMPTIONS.]

Subdivision 1. [EXEMPTIONS.] *(a) Subject to the conditions in paragraph (b), a replacement plan for wetlands is not required for:*

(1) activities in a wetland that was planted with annually seeded crops, was in a crop rotation seeding of pasture grasses or legumes, or was required to be set aside to receive price support or other payments under United States Code, title 7, sections 1421 to 1469, in six of the last ten years prior

to January 1, 1991;

(5) activities exempted from federal regulation under United States Code, title 33, section 1344(f);

(6) activities authorized under, and conducted in accordance with, an applicable general permit issued by the United States Army Corps of Engineers under section 404 of the federal Clean Water Act, United States Code, title 33, section 1344, except the nationwide permit in Code of Federal Regulations, title 33, section 330.5, paragraph (a), clause (14), limited to when a new road crosses a wetland, and all of clause (26);

(ii) the proposed project significantly modifies or alters less than one-half acre of wetlands;

(12) activities associated with routine maintenance of utility and pipeline rights-of-way, provided the activities do not result in additional intrusion into the wetland;

(13) alteration of a wetland associated with the operation, maintenance, or repair of an interstate pipeline;

(14) temporarily crossing or entering a wetland to perform silvicultural activities, including timber harvest as part of a forest management activity, so long as the activity limits the impact on the hydrologic and biologic characteristics of the wetland; the activities do not result in the construction of dikes, drainage ditches, tile lines, or buildings; and the timber harvesting and other silvicultural practices do not result in the drainage of the wetland or public waters;

(15) permanent access for forest roads across wetlands so long as the activity limits the impact on the hydrologic and biologic characteristics of the wetland; the construction activities do not result in the access becoming a dike, drainage ditch or tile line; with filling avoided wherever possible; and there is no drainage of the wetland or public waters;

(24) development projects and ditch improvement projects in the state that have received preliminary or final plat approval, or infrastructure that has been installed, or having local site plan approval, conditional use permits, or similar official approval by a governing body or government agency, within five years before the effective date of this article. In the seven-county metropolitan area and in cities of the first and second class, plat approval must be preliminary as approved by the appropriate governing body.

(b) A person conducting an activity in a wetland under an exemption in paragraph (a) shall ensure that:

(1) appropriate erosion control measures are taken to prevent sedimentation of the water;

(2) the activity does not block fish passage in a watercourse; and

Sec. 11. [103G.2242] [WETLAND VALUE REPLACEMENT PLANS.]

Subdivision 1. [RULES.] *(a) By July 1, 1993, the board, in consultation with the commissioner, shall adopt rules governing the approval of wetland value replacement plans under this section. These rules must address the criteria, procedure, timing, and location of acceptable replacement of wetland values; may address the state establishment and administration of a wetland banking program for public and private projects, which may include provisions allowing monetary payment to the wetland banking program for alteration of wetlands on agricultural land; the methodology to be used in identifying and evaluating wetland functions; the administrative, monitoring, and enforcement procedures to be used; and a procedure for the review and appeal of decisions under this section. In the case of peatlands, the replacement plan rules must consider the impact on carbon balance described in the report required by Laws 1990, chapter 587, and include the planting of trees or shrubs.*

(b) After the adoption of the rules, a replacement plan must be approved by a resolution of the governing body of the local government unit, consistent with the provisions of the rules.

(c) If the local government unit fails to apply the rules, the government unit is subject to penalty as determined by the board.

Subd. 2. [EVALUATION.] *Questions concerning the public value, location, size, or type of a wetland shall be submitted to and determined by a technical evaluation panel after an on-site inspection. The technical evaluation panel shall be composed of a technical professional employee of the board, a technical professional employee of the local soil and water conservation district or districts, and an engineer for the local government unit. The panel shall use the "Federal Manual for Identifying and Delineating Jurisdictional Wetlands" (January 1989). The panel shall provide the wetland determination to the local government unit that must approve a replacement plan under this section, and may recommend approval or denial*

of the plan. The authority must consider and include the decision of the technical evaluation panel in their approval or denial of a plan.

Subd. 3. [REPLACEMENT COMPLETION.] *Replacement of wetland values must be completed prior to or concurrent with the actual draining or filling of a wetland, or an irrevocable bank letter of credit or other security acceptable to the local government unit must be given to the local government unit to guarantee the successful completion of the replacement.*

Subd. 4. [DECISION.] *Upon receiving and considering all required data, the local government unit approving a replacement plan must act on all applications for plan approval within 60 days.*

Subd. 5. [PROCESSING FEE.] *The local government unit may charge a processing fee of up to $75.*

Subd. 6. [NOTICE OF APPLICATION.] *Within ten days of receiving an application for approval of a replacement plan under this section, a copy of the application must be submitted to the board for publication in the Environmental Quality Board Monitor and separate copies mailed to individual members of the public who request a copy, the board of supervisors of the soil and water conservation district, the managers of the watershed district, the board of county commissioners, the commissioner of agriculture, and the mayors of the cities within the area watershed. At the same time, the local government unit must give general notice to the public in a general circulation newspaper within the area affected.*

Subd. 7. [NOTICE OF DECISION.] *At least 30 days prior to the effective date of the approval or denial of a replacement plan under this section, a copy of the approval or denial must be submitted for publication in the Environmental Quality Board Monitor and separate copies mailed to the applicant, the board, individual members of the public who request a copy, the board of supervisors of the soil and water conservation district, the managers of the watershed district, the board of county commissioners, the commissioner of agriculture, and the mayors of the cities within the area watershed.*

Subd. 8. [PUBLIC COMMENT PERIOD.] *Before approval or denial of a replacement plan under this section, comments may be made by the public to the local government unit for a period of 30 days.*

Subd. 9. [APPEAL.] *Appeal of the decision may be obtained by mailing a notice of appeal to the board within 30 days after the postmarked date of the mailing specified in subdivision 7. If appeal is not sought within 30 days, the decision becomes final. Appeal may be made by the wetland owner, by any of those to whom notice is required to be mailed under subdivision 7, or by 100 residents of the county in which a majority of the wetland is located. All appeals must be heard by the committee for dispute resolution of the board, and a decision made within 60 days of the appeal. The decision must be served by mail on the parties to the appeal, and is not subject to the provisions of chapter 14. The decision must be considered the decision of an agency in a contested case for purposes of judicial review under sections 14.63 to 14.69.*

Subd. 10. [LOCAL REQUIREMENTS.] *The rules adopted under subdivision 1 shall allow for local government units to use their own notice and public comment procedures so long as the requirements of this section are satisfied.*

Subd. 11. [WETLAND HERITAGE ADVISORY COMMITTEE.] *The governor shall establish a wetland heritage advisory committee consisting of a balanced diversity of interests including agriculture, environmental, and sporting organizations, land development organizations, local government organizations, and other agencies. The committee must consist of nine members including the commissioner of agriculture, or a designee of the commissioner, the commissioner of natural resources, and seven members appointed by the governor. The governor's appointees must include one county commissioner, one representative each from a statewide sporting organization, a statewide conservation organization, an agricultural commodity group, one faculty member of an institution of higher education with expertise in the natural sciences, and one member each from two statewide farm organizations. The committee shall advise the board on the development of rules under this section and, after rule adoption, shall meet twice a year to review implementation of the program, to identify strengths and weaknesses, and to recommend changes to the rules and the law to improve the program.*

Subd. 12. [REPLACEMENT CREDITS.] *No public or private wetland restoration, enhancement, or construction may be allowed for replacement unless specifically designated for replacement and paid for by the individual or organization performing the wetland restoration, enhancement, or construction, and is completed prior to any draining or filling of the wetland.*

This subdivision does not apply to a wetland whose owner has paid back with interest the individual or organization restoring, enhancing, or constructing the wetland.

Subd. 13. [REPLACEMENT WETLAND ELIGIBLE FOR RIM.] *A wetland replaced under this section, in which the replacement is located on the wetland owner's land, is eligible for enrollment under section 103F.515 one year after the completion of replacement.*

Sec. 12. Minnesota Statutes 1990, section 103G.225, is amended to read:

103G.225 [STATE WETLANDS AND PUBLIC DRAINAGE SYSTEMS.]

If the state owns *public waters* wetlands on or adjacent to existing public drainage systems, the state shall consider the use of the *public waters* wetlands as part of the drainage system. If the *public waters* wetlands interfere with or prevent the authorized functioning of the public drainage system, the state shall provide for necessary work to allow proper use and maintenance of the drainage system while still preserving the *public waters* wetlands.

Sec. 13. Minnesota Statutes 1990, section 103G.231, is amended to read:

103G.231 [PROPERTY OWNER'S USE OF *PUBLIC WATERS* WETLANDS.]

Subdivision 1. [AGRICULTURAL USE DURING DROUGHT.] A property owner may use the bed of *public waters* wetlands for pasture or cropland during periods of drought if:

(1) dikes, ditches, tile lines, or buildings are not constructed; and

(2) the agricultural use does not result in the drainage of the *public waters* wetlands.

Subd. 2. [FILLING *PUBLIC WATERS* WETLANDS FOR IRRIGATION

BOOMS.] A landowner may fill a *public waters* wetland to accommodate wheeled booms on irrigation devices if the fill does not impede normal drainage.

Sec. 14. Minnesota Statutes 1990, section 103G.235, is amended to read:

103G.235 [RESTRICTIONS ON ACCESS TO *PUBLIC WATERS* WETLANDS.]

To protect the public health or safety, local units of government may by ordinance restrict public access to *public waters* wetlands from municipality, county, or township roads that abut *public waters* wetlands.

Sec. 15. [103G.2364] [PROPERTY OWNER'S USE OF WETLANDS.]

(a) A property owner may use the bed of wetlands for pasture or cropland during periods of drought if:

(1) dikes, ditches, tile lines, or buildings are not constructed; and

(2) the agricultural use does not result in the drainage of the wetlands.

(b) A landowner may fill a wetland to accommodate wheeled booms on irrigation devices if the fill does not impede normal drainage.

Sec. 16. [103G.2365] [CONTROL OF NOXIOUS WEEDS.]

Noxious weeds, as defined in section 18.171, subdivision 5, must be controlled on wetlands as required in section 18.191.

Sec. 17. [103G.237] [COMPENSATION FOR LOSS OF PRIVATE USE.]

Subdivision 1. [GENERAL.] *A person whose replacement plan is not approved must be compensated as provided in this section. The person may drain or fill the wetland without an approved replacement plan if the person:*

(1) is eligible for compensation under subdivision 2;

(2) applies for compensation in accordance with subdivision 3; and

(3) does not receive the compensation required in subdivision 4 within 90 days after the application for compensation is received by the board.

Subd. 2. [ELIGIBILITY.] *A person is eligible for compensation if:*

(1) the person applies for replacement plan approval under section 11;

(2) the replacement plan is not approved or the plan conditions make the proposed use unworkable or not feasible;

(3) the person appeals the disapproval of the plan;

(4) the proposed use would otherwise be allowed under federal, state, and local laws, rules, ordinances, and other legal requirements;

(5) the person has suffered or will suffer damages;

(6) disallowing the proposed use will enhance the public value of the wetland; and

(7) the person applies to the board for compensation.

Subd. 3. [APPLICATION.] *An application for compensation must be made on forms prescribed by the board and include:*

(1) the location and public value of the wetland where the use was proposed;

(2) a description and reason for the proposed wetland use; and

(3) the objection to the replacement plan, if any.

Subd. 4. [COMPENSATION.] *The board shall award compensation in an amount equal to 50 percent of the average equalized estimated market value of agricultural property in the township as established by the commissioner of revenue at the time application for compensation is made.*

Sec. 18. [103G.2372] [ENFORCEMENT.]

Subdivision 1. [COMMISSIONER OF NATURAL RESOURCES.] *The commissioner of natural resources, conservation officers, and peace officers shall enforce laws preserving and protecting wetlands. The commissioner of natural resources, a conservation officer, or a peace officer may issue a cease and desist order to stop any illegal activity adversely affecting a wetland. In the order, or by separate order, the commissioner, conservation officer, or peace officer may require restoration or replacement of the wetland, as determined by the local soil and water conservation district.*

Subd. 2. [MISDEMEANOR.] *A violation of an order issued under subdivision 1 is a misdemeanor and must be prosecuted by the county attorney where the wetland is located or the illegal activity occurred.*

Subd. 3. [RESTITUTION.] *The court may, as part of sentencing, require a person convicted under subdivision 2 to restore or replace the wetland, as determined by the local soil and water conservation district.*

Sec. 19. Minnesota Statutes 1990, section 645.44, subdivision 8a, is amended to read:

Subd. 8a. [PUBLIC WATERS.] "Public waters" means public waters as defined in section 103G.005, subdivision 15, and includes "*public waters* wetlands" as defined in section 103G.005, subdivision 18.

Sec. 20. [REGULATORY SIMPLIFICATION REPORT.]

The board of water and soil resources and the commissioner of the department of natural resources, in consultation with the appropriate federal agencies, shall jointly develop a plan to simplify and coordinate state and federal regulatory procedures related to wetland use and shall report on the plan to the legislature by January 1, 1992.

Sec. 21. [AVAILABILITY OF NATIONAL WETLANDS INVENTORY MAPS.]

By February 1, 1993, the commissioner of natural resources shall file with each soil and water conservation district copies of the national wetlands inventory maps covering the district and shall publish notice of the availability of the maps in an official newspaper of general circulation in each county.

For purposes of this paragraph, "notice" means the following information in 8-point or larger type:

"NOTICE OF AVAILABILITY OF NATIONAL WETLANDS INVENTORY MAPS

National wetlands inventory maps for (name of county) county are available from the Minnesota Department of Natural Resources. The national wetlands inventory maps are for general informational use only, and should

not be relied upon in determining the exact location or boundaries of wetlands. Persons wishing to obtain further information regarding the maps should contact (name, address, and telephone number of regional contact person at the department) or their local soil and water conservation district office. WETLANDS ARE SUBJECT TO REGULATION BY THE STATE AND ACTIVITIES AFFECTING WETLANDS MAY BE RESTRICTED OR PROHIBITED UNDER RULES TO BE ADOPTED BY THE BOARD OF WATER AND SOIL RESOURCES AND THE DEPARTMENT OF NATURAL RESOURCES. Persons wishing to participate in the rulemaking process should contact (name, address, and telephone number of contact person at the board) or (name, address, and telephone number of contact person at the department).

THE NATIONAL WETLANDS INVENTORY MAPS, MAPS PREPARED BY THE UNITED STATES SOIL CONSERVATION SERVICE, AND OTHER AVAILABLE MAPS MAY PROVIDE USEFUL INFORMATION, BUT PERSONS PLANNING TO CONDUCT ACTIVITIES THAT MAY AFFECT WETLANDS SHOULD FIRST CONSULT THEIR LOCAL SOIL AND WATER CONSERVATION DISTRICT OFFICE."

Sec. 22. [LEGISLATIVE REVIEW OF RULES.]

Section 1. [103G.2369] [INTERIM.]

Subdivision 1. [DELINEATION.] *The "Federal Manual for Identifying and Delineating Jurisdictional Wetlands" (January 1989) must be used in identifying and delineating wetlands.*

Subd. 2. [PROHIBITED ACTIVITIES.] *(a) Except as provided in subdivision 3, until July 1, 1993, a person may not drain, burn, or fill a wetland.*

(b) Except as provided in subdivision 3, until July 1, 1993, a state agency or local unit of government may not issue a permit for an activity prohibited in paragraph (a) or for an activity that would include an activity prohibited in paragraph (a).

Subd. 3. [EXEMPTIONS.] *The prohibitions in subdivision 2 do not apply to:*

(1) activities exempted under, and conducted in accordance with, article 6, section 10;

(2) development projects and drainage system improvement projects that have received preliminary or final plat approval or for which infrastructure has been installed, or that have received site plan approval or a conditional use permit, within five years before the effective date of this section;

(3) activities for which the local soil and water conservation district or other local permitting authority certifies that any loss of wetland area

resulting from the activity will be replaced; and

(4) a person who is enrolled or participating in a program listed in United States Code, title 16, section 3821, subsection (a), clauses (1) to (3).

Subd. 4. [CERTIFICATION FEE.] *A soil and water conservation district or other local permitting authority may charge a fee of up to $75 for a certification under subdivision 3, clause (3).*

ARTICLE 8

PEATLAND PROTECTION

Section 1. [84.034] [PEATLAND PROTECTION.]

Subdivision 1. [CITATION.] *Sections 1 and 2 may be cited as the "Minnesota peatland protection act."*

Subd. 2. [FINDINGS.] *The legislature finds that certain Minnesota peatlands possess unique scientific, aesthetic, vegetative, hydrologic, geologic, wildlife, wilderness, and educational values and represent the various peatland ecological types in the state. The legislature finds that it is desirable and appropriate to protect and preserve these patterned peatlands as a peatland management system through establishment and designation of certain peatland core areas as scientific and natural areas.*

Subd. 3. [DEFINITIONS.] *Unless language or context clearly indicates that a different meaning is intended, the following terms, for the purposes of sections 1 and 2, have the meanings given to them.*

(a) "Winter road" means an access route which may be used by vehicles only when the substrate is frozen, except as provided in subdivision 5, paragraph (b), clause (3).

(b) "Corridors of disturbance" means rights of way which are in existence on the effective date of this act, such as ditches, ditch banks, transmission lines, pipelines, permanent roads, winter roads, and recreational trails. The existence, on the effective date of this act, of a corridor of disturbance may be demonstrated by physical evidence, document recorded in the office of county recorder or other public official, aerial survey, or other evidence similar to the above.

(c) "State land" means land owned by the state of Minnesota and administered by the commissioner.

Subd. 4. [DESIGNATION OF PEATLAND SCIENTIFIC AND NATURAL AREAS.] *Within the peatland areas described in section 2, state lands are hereby established and designated as scientific and natural areas to be preserved and managed by the commissioner in accordance with subdivision 5 and section 86A.05, subdivision 5.*

Subd. 5. [ACTIVITIES IN PEATLAND SCIENTIFIC AND NATURAL AREAS.] *Areas designated in subdivision 4 as peatland scientific and natural areas are subject to the following conditions:*

(a) Except as provided in paragraph (b), all restrictions otherwise applicable to scientific and natural areas designated under section 86A.05, subdivision 5, apply to the surface use and to any use of the mineral estate which would significantly modify or alter the peatland water levels or flows, peatland water chemistry, plant or animal species or communities, or other natural features of the peatland scientific and natural areas, including, but not limited to, the following prohibitions:

(1) construction of any new public drainage systems after the effective date of this act or improvement or repair to a public drainage system in existence on the effective date of this act, under authority of chapter 103E, or any other alteration of surface water or ground water levels or flows unless specifically permitted under paragraph (b), clause (5) or (6);

(2) removal of peat, sand, gravel, or other industrial minerals;

(3) exploratory boring or other exploration or removal of oil, natural gas, radioactive materials or metallic minerals which would significantly modify or alter the peatland water levels or flows, peatland water chemistry, plant or animal species or communities, or natural features of the peatland scientific and natural areas, except in the event of a national emergency declared by Congress;

(4) commercial timber harvesting;

(5) construction of new corridors of disturbance, of the kind defined in subdivision 3, after the effective date of this article; and

(6) ditching, draining, filling, or any other activities which modify or alter the peatland water levels or flows, peatland water chemistry, plant or animal species or communities, or other natural features of the peatland scientific and natural areas.

(b) The following activities are allowed:

(1) recreational activities, including hunting, fishing, trapping, cross-country skiing, snowshoeing, nature observation, or other recreational activities permitted in the management plan approved by the commissioner;

(2) scientific and educational work and research;

(3) maintenance of corridors of disturbance, including survey lines and preparation of winter roads, consistent with protection of the peatland ecosystem;

(4) use of corridors of disturbance unless limited by a management plan adopted by the commissioner under subdivision 6;

(5) improvements to a public drainage system in existence on the effective date of this act only when it is for the protection and maintenance of the ecological integrity of the peatland scientific and natural area and when included in a management plan adopted by the commissioner under subdivision 6;

(6) repairs to a public drainage system in existence on the effective date of this act which crosses a peatland scientific and natural area and is used for the purposes of providing a drainage outlet for lands outside of the peatland scientific and natural area, provided that there are no other feasible and prudent alternative means of providing the drainage outlet. The commissioner shall cooperate with the ditch authority in the determination of any feasible and prudent alternatives. No repairs which would significantly

modify or alter the peatland water levels or flows, peatland water chemistry, plant or animal species or communities, or other natural features of the peatland scientific and natural areas shall be made unless approved by the commissioner;

(7) motorized uses that are engaged in, on corridors of disturbance, on or before the effective date of this act;

(8) control of forest insects, disease, and wildfires, as described in a management plan adopted by the commissioner under subdivision 6; and

(9) geological and geophysical surveys which would not significantly modify or alter the peatland water levels or flows, peatland water chemistry, plant or animal species or communities, or other natural features of the peatland scientific and natural areas.

Subd. 6. [MANAGEMENT PLANS.] *The commissioner shall develop a management plan for each peatland scientific and natural area designated under section 2 in a manner prescribed by section 86A.09.*

Subd. 7. [ESTABLISHING BASELINE ECOLOGICAL DATA.] *The commissioner shall establish baseline data on the ecology and biological diversity of peatland scientific and natural areas and provide for ongoing, long-term ecological monitoring to determine whether changes are occurring in the peatland scientific and natural areas. This research is intended to identify any changes occurring in peatland scientific and natural areas as a result of any permitted activities outside the peatland scientific and natural areas. This baseline data may include, but is not limited to, the history of the peatlands and their geologic origins, plant and animal communities, hydrology, water chemistry, and contaminants introduced from remote sources of atmospheric deposition.*

Subd. 8. [DITCH ABANDONMENTS.] *In order to eliminate repairs or improvements to any public drainage system that crosses a peatland scientific and natural area in those instances where the repair or improvement adversely affects an area, the commissioner may petition for the abandonment of parts of the public drainage system under section 106A.811. If the public drainage system is necessary as a drainage outlet for lands outside of the peatland scientific and natural area, the commissioner will cooperate with the ditch authority in the development of feasible and prudent alternative means of providing a drainage outlet which avoids the crossing of and damage to the peatland scientific and natural area. In so doing, the commissioner shall grant flowage easements to the ditch authority for disposal of the outlet water on other state lands. The ditch authority shall approve the abandonment of parts of any public drainage system crossing a peatland scientific and natural area if the public drainage system crossing of those areas is not necessary as a drainage outlet for lands outside of the areas or if there are feasible and prudent alternative means of providing a drainage outlet without crossing such areas. In any abandonment under this subdivision the commissioner may enter into an agreement with the ditch authority regarding apportionment of costs and, contingent upon appropriations of money for that purpose, may agree to pay a reasonable share of the cost of abandonment.*

Subd. 9. [COMPENSATION FOR TRUST FUND LANDS.] *The commissioner shall acquire by exchange or eminent domain the surface interests, including peat, on trust fund lands contained in peatland scientific and natural areas established in subdivision 4.*

Subd. 10. [ACQUISITION OF PEATLAND SCIENTIFIC AND NATURAL AREAS.] *The commissioner may acquire by purchase the surface interests, including peat, of lands within the boundaries of the peatland areas described in section 2, that are owned, or that hereafter become owned, by the state and administered by the local county board.*

The commissioner shall designate any land acquired under this subdivision as peatland scientific and natural area and preserve and administer any land so acquired and designated in accordance with subdivision 5 and section 86A.05.

Sec. 2. [84.035] [PEATLAND SCIENTIFIC AND NATURAL AREAS; DESIGNATION.]

The following scientific and natural areas are established and are composed of all of the core peatland areas identified on maps in the 1984 commissioner of natural resources report, "Recommendations for the Protection of Ecologically Significant Peatlands in Minnesota" and maps on file at the department of natural resources:

ARTICLE 9

SECTION 404 PROGRAM

Section 1. [103G.127] [PERMIT PROGRAM UNDER SECTION 404 OF THE FEDERAL CLEAN WATER ACT.]

Notwithstanding any other law to the contrary, the commissioner may adopt rules establishing a permit program for regulating the discharge of dredged and fill material into the waters of the state as necessary to obtain approval from the United States Environmental Protection Agency to administer the permit program under section 404 of the federal Clean Water Act, United States Code, title 33, section 1344. The rules may not be more restrictive than the program under section 404, or state law, if it is more restrictive than the federal program.

Sec. 2. Minnesota Statutes 1990, section 103G.141, is amended to read:

103G.141 [PENALTIES.]

Subdivision 1. [MISDEMEANORS.] *Except as provided in subdivision 2,* a person is guilty of a misdemeanor who:

(1) undertakes or procures another to undertake an alteration in the course, current, or cross section of public waters or appropriates waters of the state without previously obtaining a permit from the commissioner, regardless of whether the commissioner would have granted a permit had an application been filed;

(2) undertakes or procures another to undertake an alteration in the course, current, or cross section of public waters or appropriates waters of the state in violation of or in excess of authority granted under a permit issued by the commissioner, regardless of whether an application had been filed for permission to perform the act involved or whether the act involved would have been permitted had a proper application been filed;

(3) undertakes or procures another to undertake an alteration in the course, current, or cross section of public waters or appropriates waters of the state after a permit to undertake the project has been denied by the commissioner; or

(4) violates a provision of this chapter.

Subd. 2. [VIOLATION OF SECTION 404 PERMITS.] *(a) Whenever the commissioner finds that a person is in violation of a condition or limitation set forth in a permit issued under the rules adopted by the commissioner under section 1, the commissioner shall issue an order requiring the person to comply with the condition or limitation, or the commissioner shall bring a civil action in accordance with paragraph (b).*

(b) The commissioner may commence a civil action for appropriate relief in district court, including a permanent or temporary injunction, for a violation for which the commissioner is authorized to issue a compliance order under paragraph (a). The court may restrain the violation and require compliance.

(c) A person who violates a condition or limitation in a permit issued by

the commissioner under section 1, and a person who violates an order issued by the commissioner under paragraph (a), is subject to a civil penalty not to exceed $25,000 per day for each violation. In determining the amount of a civil penalty the court shall consider the seriousness of the violation or violations, the economic benefit, if any, resulting from the violation, any history of violations, any good faith efforts to comply with the applicable requirements, the economic impact of the penalty on the violator, and other matters justice may require.

Sec. 3. [SECTION 404 PROGRAM SUBMISSION.]

Subdivision 1. [DEFINITION.] *For purposes of this section, "section 404 program" means the permit program under section 404 of the federal Clean Water Act, United States Code, title 33, section 1344.*

Subd. 2. [INTENT.] *The legislature intends that as expeditiously as possible the state obtain approval from the administrator of the United States Environmental Protection Agency to administer the section 404 program in this state.*

Subd. 3. [REQUIREMENTS.] *(a) By February 1, 1993, the commissioner of natural resources shall:*

(1) adopt rules under section 1 that provide adequate authority for administering the section 404 program; and

(2) after consulting with the attorney general, report to the environment and natural resources committees of the legislature on existing laws that are inconsistent with the authority necessary for administering the section 404 program.

(b) By March 1, 1993, the governor shall make the submission to the administrator of the United States Environmental Protection Agency required in United States Code, title 33, section 1344(g), to obtain authority to administer the section 404 program.

Subd. 13a. [ONCE-THROUGH SYSTEM.] "Once-through system" means a space heating, ventilating, air conditioning (HVAC), or refrigeration system used for any type of temperature or humidity control application, utilizing groundwater, that circulates through the system and is then discharged without ~~recirculating the majority of the water in the system components or~~ reusing it for ~~another~~ *a higher priority* purpose.

Sec. 5. Minnesota Statutes 1990, section 103G.271, subdivision 6, is amended to read:

Subd. 6. [WATER USE PERMIT PROCESSING FEE.] (a) Except as described in paragraphs (b) to ~~(e)~~ *(f)*, a water use permit processing fee must be prescribed by the commissioner in accordance with the following schedule of fees for each water use permit in force at any time during the year:

(1) 0.05 cents per 1,000 gallons for the first 50,000,000 gallons per year;

(2) 0.10 cents per 1,000 gallons for amounts greater than 50,000,000 gallons but less than 100,000,000 gallons per year;

(1) for nonprofit corporations and school districts:

(i) 5.0 cents per 1,000 gallons until December 31, 1991;

(ii) 10.0 cents per 1,000 gallons from January 1, 1992, until December 31, 1996; and

(iii) 15.0 cents per 1,000 gallons after January 1, 1997; and

(g) For once-through systems fees payable after July 1, 1993, at least 50 percent of the fee deposited in the general fund shall be used for grants, loans, or other financial assistance as appropriated by the legislature to

assist in financing retrofitting of permitted once-through systems until December 31, 1999. The commissioner shall adopt rules for determining eligibility and criteria for the issuance of grants, loans, or other financial assistance for retrofitting according to chapter 14, by July 1, 1993.

~~(g) This subdivision applies to permits issued or effective on or after January 1, 1990.~~

Sec. 6. [103G.2373] [ANNUAL WETLANDS REPORT.]

By January 1 of each year, the commissioner of natural resources and the board of water and soil resources shall jointly report to the committees of the legislature with jurisdiction over matters relating to agriculture, the environment, and natural resources on:

(1) the status of implementation of state laws and programs relating to wetlands;

(2) the quantity, quality, acreage, types, and public value of wetlands in the state; and

(3) changes in the items in clause (2).

Sec. 7. Minnesota Statutes 1990, section 273.11, subdivision 1, is amended to read:

Subdivision 1. [GENERALLY.] Except as provided in subdivisions 6, 8, ~~and~~ 9, *and 11* or section 273.17, subdivision 1, all property shall be valued at its market value. The market value as determined pursuant to this section shall be stated such that any amount under $100 is rounded up to $100 and any amount exceeding $100 shall be rounded to the nearest $100. In estimating and determining such value, the assessor shall not adopt a lower or different standard of value because the same is to serve as a basis of taxation, nor shall the assessor adopt as a criterion of value the price for which such property would sell at a forced sale, or in the aggregate with all the property in the town or district; but the assessor shall value each article or description of property by itself, and at such sum or price as the assessor believes the same to be fairly worth in money. The assessor shall take into account the effect on the market value of property of environmental factors in the vicinity of the property. In assessing any tract or lot of real property, the value of the land, exclusive of structures and improvements, shall be determined, and also the value of all structures and improvements thereon, and the aggregate value of the property, including all structures and improvements, excluding the value of crops growing upon cultivated land. In valuing real property upon which there is a mine or quarry, it shall be valued at such price as such property, including the mine or quarry, would sell for a fair, voluntary sale, for cash. In valuing real property which is vacant, the fact that such property is platted shall not be taken into account. An individual lot of such platted property shall not be assessed in excess of the valuation of the land as if it were unplatted until the lot is improved with a permanent improvement all or a portion of which is located upon the lot, or for a period of three years after final approval of said plat whichever is shorter. When a lot is sold or construction begun, that lot or any single contiguous lot fronting on the same street shall be eligible for revaluation. All property, or the use thereof, which is taxable under section 272.01, subdivision 2, or 273.19, shall be valued at the market value of such property and not at the value of a leasehold estate in such property, or at some lesser value than its market value.

Sec. 8. Minnesota Statutes 1990, section 273.11, is amended by adding a subdivision to read:

Subd. 11. [VALUATION OF RESTORED OR PRESERVED WETLAND.] *Wetlands restored by the federal, state, or local government, or by a nonprofit organization, or preserved under the terms of a temporary or perpetual easement by the federal or state government, must be valued by assessors at their wetland value. "Wetland value" in this subdivision means the market value of wetlands in any potential use in which the wetland character is not permanently altered. Wetland value shall not reflect potential uses of the wetland that would violate the terms of any existing conservation easement, or any one-time payment received by the wetland owner under the terms of a state or federal conservation easement. Wetland value shall reflect any potential income consistent with a property's wetland character, including but not limited to lease payments for hunting or other recreational uses. The commissioner of revenue shall issue a bulletin advising assessors of the provisions of this section by October 1, 1991.*

For purposes of this subdivision, "wetlands" means lands transitional between terrestrial and aquatic systems where the water table is usually at or near the surface or the land is covered by shallow water. For purposes of this definition, wetlands must have the following three attributes:

(1) have a predominance of hydric soils;

(2) are inundated or saturated by surface or ground water at a frequency and duration sufficient to support a prevalence of hydrophytic vegetation typically adapted for life in saturated soil conditions; and

(3) under normal circumstances support a prevalence of such vegetation.

Sec. 9. Minnesota Statutes 1990, section 282.018, subdivision 2, is amended to read:

Subd. 2. [MARGINAL LAND AND WETLANDS.] Nonforested marginal land and wetlands on land that is property of the state as a result of forfeiture to the state for nonpayment of taxes is withdrawn from sale as provided in section 103F.535 unless ~~restricted by a conservation easement as provided in section 103F.535~~:

(1) notice of the existence of the nonforested marginal land or wetlands, in a form prescribed by the board of water and soil resources, is provided to prospective purchasers; and

(2) the deed contains a restrictive covenant, in a form prescribed by the board of water and soil resources, that precludes enrollment of the land in a state-funded program providing compensation for conservation of marginal land or wetlands.

Sec. 10. Minnesota Statutes 1990, section 446A.12, subdivision 1, is amended to read:

Subdivision 1. [BONDING AUTHORITY.] The authority may issue negotiable bonds in a principal amount that the authority determines necessary to provide sufficient funds for achieving its purposes, including the making of loans and purchase of securities, the payment of interest on bonds of the authority, the establishment of reserves to secure its bonds, the payment of fees to a third party providing credit enhancement, and the payment of all other expenditures of the authority incident to and necessary or convenient to carry out its corporate purposes and powers, but not including the making

of grants. Bonds of the authority may be issued as bonds or notes or in any other form authorized by law. The principal amount of bonds issued and outstanding under this section at any time may not exceed ~~$150,000,000~~ *$250,000,000*.

Sec. 11. [STUDY OF FARMLAND VALUATION.]

(a) The commissioner of revenue shall appoint a five-member farmland assessment technical advisory board, consisting of technical experts from the schools of agriculture of the University of Minnesota and the state university system and from state and federal agricultural agencies, to advise in and provide technical information regarding the method of valuing farmland according to productivity factors as described in this section. The department of revenue shall determine the following data on a per acre basis by soil productivity index, based on moving averages for the most recent five-year period for which statistics are available:

(1) gross income, estimated by using yields per acre as assigned to soil productivity indices, the crop mix for each soil productivity index as determined by the Minnesota extension service, and average prices received by farmers for principal crops as published by the Minnesota crop reporting service;

(2) production costs, other than land costs, provided by the Minnesota extension service; and

(3) net return to land, which is the difference between clauses (1) and (2).

(b) The department of revenue shall certify a proposed agricultural economic value per acre for each soil productivity index, determined by dividing the net return to land as calculated in paragraph (a), clause (3), by the moving average of the federal land bank farmland mortgage interest rate for the same five-year period used in calculating the net return to land.

(c) If the crop equivalency rating is not available in a county, the department of revenue shall use rentals or yield records of the United States Department of Agriculture Agricultural Stabilization and Conservation Service in determining the net income. The rentals or yield records must be capitalized in the same manner to determine the valuation of the tillable agricultural land. The commissioner shall provide a report to the legislature on the results of the study by December 1, 1991, that includes a plan for implementation of this method of valuing farmland and an analysis of the impacts on assessments of implementing it.

(2) constructing, repairing, and sealing drive point wells or dug wells;

(3) installing well pumps or pumping equipment;

(4) sealing wells; or

(5) constructing, repairing, or sealing dewatering wells.

(d) Notwithstanding other provisions of this chapter requiring a license *or registration*, a license *or registration* is not required for a person who complies with the other provisions of this chapter if the person is:

If the property owner refuses to sign the agreement, the *intended* well ~~owner~~ *user* may, in lieu of a written agreement, state in writing to the commissioner that the well ~~owner~~ *user* will be responsible for obtaining ~~maintenance~~ permits, *filing notification, paying applicable fees,* and sealing the well. Nothing in this subdivision eliminates the responsibilities of the property owner under this chapter, or allows a person to construct a well on the property of another without consent or other legal authority.

Sec. 23. Minnesota Statutes 1990, section 103I.205, subdivision 9, is amended to read:

Subd. 9. [REPORT OF WORK.] ~~(a)~~ Within 30 days after completion or sealing of a well *or boring*, the person doing the work must submit a verified report to the commissioner ~~on forms provided by the commissioner~~ *containing the information specified by rules adopted under this chapter.*

May 20, 1991

The Honorable Jerome M. Hughes
President of the Senate

The Honorable Robert Vanasek
Speaker of the House of Representatives

We, the undersigned conferees for S.F. No. 764, report that we have agreed upon the items in dispute and recommend as follows:

That the Senate concur in the House amendment and that S.F. No. 764 be further amended as follows:

Delete everything after the enacting clause and insert:

"Section 1. [184B.01] [DEFINITIONS.]

Subdivision 1. [SCOPE.] *For the purposes of this chapter, the terms*

defined in this section have the meanings given them.

Subd. 2. [AMUSEMENT RIDE.] *"Amusement ride" means a mechanical device that carries or conveys passengers along, around, or over a fixed or restricted route or course for the purpose of giving its passengers amusement, pleasure, thrills, or excitement.*

"Amusement ride" does not include:

(1) a coin-operated ride that is manually, mechanically, or electrically operated and customarily placed in a public location and that does not normally require the supervision or services of an operator; or

(2) nonmechanized playground equipment, including but not limited to swings, seesaws, stationary spring-mounted animal features, rider-propelled merry-go-rounds, climbers, playground slides, trampolines, and physical fitness devices.

Subd. 3. [COMMISSIONER.] *"Commissioner" means the commissioner of labor and industry.*

Subd. 4. [OPERATOR.] *"Operator" means a person, who owns an amusement ride.*

Sec. 2. [184B.02] [INSURANCE REQUIREMENTS.]

An operator must have an insurance policy in force written by an insurance company authorized to do business in this state, in an amount of not less than $1,000,000 per occurrence, insuring the operator against liability for injury to persons arising out of the use of an amusement ride.

Sec. 3. [184B.03] [INSPECTION.]

(a) An amusement ride must be inspected at least once annually by an insurer or a person with whom the insurer has contracted. If an inspection reveals that an amusement ride does not meet the insurer's underwriting standards, the insurer must notify the operator. An operator must not operate an amusement ride until the ride passes an insurer's inspection for all items related to safe operation of the amusement ride.

(b) The inspection required under this section must include testing consistent with current American Society for Testing and Material standards and specifications for amusement rides and devices. The inspection required by this section is in addition to any other inspection required or permitted by law.

(c) An operator must permit reasonable inspection of an amusement ride by the insurance company that insures the ride.

(d) Paragraphs (a) and (b) do not apply to amusement rides permanently located in an amusement park where the owner has a rehabilitative and preventative ride maintenance program that includes daily ride inspections for the protection of the general public and a full-time, permanent maintenance staff and has an insurance policy in force written by an insurance company authorized to do business in this state, in an amount of not less than $50,000,000, insuring the operator against liability for injury to persons arising out of the use of an amusement ride.

Sec. 4. [184B.04] [FILING.]

An operator must file with each sponsor, lessor, landowner, or other person responsible for an amusement ride being offered for use by the public:

(1) a certificate stating that the insurance required by section 2 is in effect; and

(2) an affidavit attesting that the inspection required by section 3 has been performed.

Sec. 5. [184B.05] [COMMISSIONER INFORMATION REQUESTS.]

The commissioner may request from the sponsor, lessor, landowner, or other person responsible for an amusement ride being offered for use by the public, whether or not the person is the operator, information concerning whether the insurance required by section 2 is in effect on the amusement ride, and whether the inspection required by section 3 has occurred. The person to whom the information request is made must respond to the commissioner within 15 days after the request is made.

Sec. 6. [184B.06] [CIVIL PENALTY.]

A person that violates sections 1 to 5 is subject to a fine of up to $2,000 for each day the violation exists. A county attorney in a county in which an amusement ride is operated in violation of this chapter may enforce this section by action in district court.

Sec. 7. [184B.07] [INJUNCTIONS.]

A county attorney in a county in which an amusement ride is operated or, on request of the commissioner, the attorney general, may obtain an injunction or other equitable relief against an actual or threatened violation of this chapter.

Sec. 8. [EFFECTIVE DATE.]

Sections 1 to 7 are effective August 1, 1991."

May 24, 1991

The Honorable Jerome M. Hughes
President of the Senate

Dear President Hughes:

Today I have signed into law Chapter 178, Senate File 269/House File 382, a bill requiring the posting of warning signs on any premises licensed for retail sale of alcoholic beverages. The signs are intended to warn patrons of the maximum penalty for driving when under the influence of alcohol and the prohibition imposed on license holders from serving anyone under age of 21 or anyone obviously intoxicated.

Additionally, Chapter 178 carries a $50,000 General Fund appropriation for the City of St. Paul and the Dayton's Bluff Historic Association to purchase and partially rehabilitate the Warren Burger home. This appropriation I have line-item vetoed, pursuant to the powers vested in me by Article IV, Section 23 of the Minnesota Constitution.

Recognizing the national prominence that is likely to accrue to this residence and its restoration, the decision not to allow State funding is a difficult one. I personally support this restoration project. However, the Legislature's proposed budget is not in balance and, therefore, funds are not available for this type of expenditure.

Sincerely,
Arne H. Carlson, Governor

Pursuant to Joint Rule 3.02, (c), the foregoing message was laid on the table.

May 24, 1991

The Honorable Jerome M. Hughes
President of the Senate

Dear President Hughes:

Today I have signed into law Chapter 179, Senate File 510/House File 1340, a bill relating to agriculture, specifically egg handlers and the proper preparation of eggs for retail sale.

Additionally, Chapter 179 carries a $10,000 General Fund appropriation and directive to the Department of Agriculture to conduct a survey of meat handlers to determine their interest in starting a state meat inspection program. This appropriation, contained in Section 17 of the bill, along with Section 16 which describes the survey, I have line-item vetoed.

With the Legislature's proposed budget not in balance, funds are not available for this type of expenditure. If the Department of Agriculture considers this a necessary and critical project, it will have to be funded within the existing base budget.

Sincerely,
Arne H. Carlson, Governor

Pursuant to Joint Rule 3.02, (c), the foregoing message was laid on the table.

The Honorable Jerome M. Hughes
President of the Senate

Dear President Hughes:

I have vetoed and am returning to you Chapter 213, Senate File 971/House file 929, which extends the ban on Bovine Somatotropin (BST), a laboratory copy of a naturally occurring hormone used to increase milk production. If signed into law, Chapter 213 would allow the ban to continue until June 1992, or until the prohibition is lifted in our neighboring State of Wisconsin.

The U.S. Food and Drug Administration has determined BST is safe for commercial use. Counsel has advised us that a Minnesota ban after federal approval would be unconstitutional and, therefore, would likely be preempted.

More importantly, I believe any attempt by Minnesota to ban BST would interfere with interstate trade of milk and dairy products. Milk and milk products consumed in this State come from both Minnesota and non-Minnesota processors. Accordingly, prohibiting the use of BST in Minnesota would not stop the sale of milk from BST supplemented cows within our borders.

Minnesotans, along with Wisconsin residents, are very proud of the national recognition we have long received as the "dairy states." In recent years,

however, our share of national milk production has declined, partly because we have been slower in adapting to new technologies and production methods. This moratorium would worsen our competitive position.

Published scientific research demonstrates that when BST is administered to cows, it works with natural biological functions to produce more milk. Milk produced by cows injected with BST is identical to other milk. No scientific evidence exists to suggest adverse human health effects from consuming milk from cows that have received supplemental BST.

Taking into thoughtful consideration the assurances of public health protection and the competitive edge BST allows our farmers, it is critical that Minnesota not raise a barrier to the opportunity this technological tool offers.

Sincerely,
Arne H. Carlson, Governor

While the Governor attempted to veto this Chapter, the Secretary of the Senate filed the bill with the Secretary of State.

The Honorable Jerome M. Hughes
President of the Senate

Dear President Hughes:

I have vetoed and am returning to you Chapter 216, Senate File 820/House File 883, a bill relating to the maintenance and renovation of State Fair buildings. The major policy change in this bill is the exemption of these buildings from governance by the Minnesota Department of Administration for any maintenance or renovation activity.

With the exemption proposed in this bill, no jurisdiction may impose even a minimum level of life safety in State Fair buildings. The Department of Administration points out, and rightly so, that sleeping occupancies are especially vulnerable to loss of life in case of fire or other emergencies.

In the past a State Fair 4-H renovation project converted the third floor of a highly combustible structure to a dormitory for 900 juveniles. The dormitory was equipped with only one means of exit and no fire fighting capabilities. Other incidents that call into question whether an exemption of this kind is in order include the structural collapse of the State Fair education building and the erection of a "fun house" with seriously inadequate fire and life safety capabilities.

State Fair buildings are public structures which house tens of thousands of people annually. Accordingly, the State must take every precaution to ensure some reasonable level of public safety. Legislation that weakens our jurisdiction in this area cannot be signed into law.

Sincerely,
Arne H. Carlson, Governor

Pursuant to Joint Rule 3.02, (c), Senate File No. 820 was laid on the table.

May 28, 1991

The Honorable Jerome M. Hughes
President of the Senate

Dear President Hughes:

I have vetoed and am returning to you Chapter 218, Senate File 268/House file 1170, a bill relating to human rights. This legislation would extend the time period from one year to two years within which to file a complaint under the Human Rights Act.

Present law is consistent with policy throughout the nation. Only North Dakota has a statute of limitations on filing human rights' claims that is longer than Minnesota's one year limitation. Most state statutes of limitation are 300 days or less.

The intent of the one year statute is to promptly identify and remedy discriminatory practices. There is no evidence that doubling the time period will enhance this process. Rather, it will contribute to bringing of stale claims which are harder to investigate, more difficult to prove and harder to settle. Stale claims will strain limited Human Rights Department resources that should be applied to the promptly-brought claims.

Vindication of discrimination complaints remains an important priority with me. Continuing the one year statute of limitations will not harm this worthwhile goal.

Sincerely,
Arne H. Carlson, Governor

Pursuant to Joint Rule 3.02, (c), Senate File No. 268 was laid on the table.

May 28, 1991

The Honorable Jerome M. Hughes

President of the Senate

Dear President Hughes:

I have vetoed and am returning to you Chapter 222, Senate File 449/House file 684 relating to retirement. The legislation at Sections 1 and 2 provides that the Saint Paul and Duluth teachers' retirement funds may calculate and pay lump sum post-retirement adjustments which do not depend on investment performance.

Each fund already has legal authority to award lump sum post-retirement adjustments based on investment performance. To expand this authority for a pension fund with a large unfunded liability is not sound pension policy. The Saint Paul Teacher's Retirement fund alone has a contribution deficiency of $3 million annually.

I have always advocated secure pensions for public employees but pension funds must be managed with prudence. Without a funding mechanism this bill increases the burdens on the retirement funds and passes them on to presently employed teachers and taxpayers. Under these circumstances, it is not in the best interest of future retirees or taxpayers that this legislation be signed into law.

Sincerely,
Arne H. Carlson, Governor

Pursuant to Joint Rule 3.02, (c), Senate File No. 449 was laid on the table.

May 28, 1991

The Honorable Jerome M. Hughes
President of the Senate

Dear President Hughes:

I have vetoed and am returning to you Chapter 246, Senate File 1571/House File 1699, a bill changing the boundaries of State legislative districts. This legislation would provide new State Senate and House of Representative districts for the next 10 years.

Recently I appointed a bi-partisan Reapportionment Advisory Committee to give me their recommendations on criteria that should be considered in any legislative redistricting plan. The Committee consisted of people from all walks of life. Some members had been involved with the League of Women Voters, Common Cause, and the University of Minnesota. Other members had served as local government officials and one was a former legislator.

I have applied their standards to Chapter 246 and find that the legislation does not meet these standards.

The bi-partisan Committee found that, in upholding constitutional principles, legislative districts must be contiguous and adhere to the one person,

one vote principle. To accomplish this, the Committee recommended a maximum deviation of one percent from the ideal population. The vetoed bill, which permits two percent deviation, has 63 house districts with a deviation of one percent or more.

The Committee also listed three policy priorities for a redistricting plan in this order: (a) to enhance the interests of minority groups as counted in the census, (b) to maintain as far as possible the boundaries of existing political subdivisions such as municipalities and counties, and, (c) to develop geographically and geometrically compact and convenient districts.

The proposed redistricting plan falls short of attaining the first priority. Instead of reflecting changes in Minnesota's population, it preserves the status quo - one minority district in the House and none in the Senate. Minnesota's largest minority group, its African American community, is no more than 29 percent of any Senate district. The plan also makes the assumption that all persons of color have common interests and should be grouped together. Even with this insensitive assumption, no Senate district has 50 percent minorities. I believe Minnesota can do better than that. The way to do better is to draw the minority districts first.

The bill puts two northwestern Minnesota Native American reservations into one Senate district and a third into a different district. Consistent with the Committee's interest in consolidating minority voting power, these three reservations ought to be in the same Senate district.

Chapter 246 is also contrary to the Committee's recommendation respecting political lines, as far as possible. The cutting of county lines is severe. From all appearances, this plan fractures counties more than the 1981 redistricting plan. For example, Stearns County has nearly enough population for two Senate districts, yet it is divided into five Senate districts, none of them entirely within the county. Twelve greater Minnesota counties with populations small enough to fit into one Senate district are split into three, including Pope County with fewer than 11,000 people.

Among the 63 counties with populations small enough to fit into a House district, only 24 are undivided, including 15 of the 18 with the smallest populations. Twenty-five of the 63 are split two ways, nine are split three ways, and five are split four ways.

Political boundaries receive no more respect in the metropolitan area. Hennepin County suburbs, which have enough population for 10 Senate districts, have only seven. The 200,000 plus people in the rest of the Hennepin suburbs are scattered into five districts extending into six other counties and Minneapolis. Although Ramsey County suburbs have enough population to have three Senate Districts, they have none entirely within the county. Instead, the population is spread across six districts extending into three other counties. Carver County is broken into three Senate districts and Scott County into four. District 53, a particularly bad example of fragmentation, contains six cities, parts of four other cities and a part of a township, and is in two counties. District 48 has two cities and parts of five other cities, and is in three counties. District 41 has one city in Scott County, a part of a city in Dakota County and parts of two cities in Hennepin County.

Finally, Chapter 246 violates the Committee's third priority that districts be geographically and geometrically compact and convenient. The metro district boundaries are very confusing and not compact. For example, district 67A is shaped like a "T" lying on its side, 66A and 61B also are "T" shaped districts standing upright, 41B is a fat upside-down "T" and 40B meanders all over Bloomington. In greater Minnesota, District 13A dips down into 13B which could have squared off its corners near the Dakota border.

It is also important to point out that our reviews of the bill turned up a significant number of errors in the boundary lines of the metropolitan districts. We are informed that these errors were corrected in the Revisor's Bill passed in the Senate, but the clock ran out before the House could act on the Revisor's Bill.

The abundance of errors is a reflection of the haste in which the redistricting bill was written, and the flawed process by which it was advanced. Because this is very important legislation which will affect Minnesota for the next 10 years, I believe the Legislature should reconsider both the issue and the process when it reconvenes in January 1992. Further, it is my hope that DFL and IR legislators will work with the bi-partisan Committee to develop a plan that will meet that group's criteria.

Sincerely,
Arne H. Carlson, Governor

While the Governor attempted to veto this Chapter, the Secretary of the Senate filed the bill with the Secretary of State and the Ramsey County District Court found the attempted veto to be invalid.

President of the Senate

Dear Senator Hughes:

It is my honor to inform you that I have received, approved, signed and deposited in the Office of the Secretary of State, S.F. Nos. 432, 526, 793, 880 and 919.

The Honorable Jerome M. Hughes

President of the Senate

Dear President Hughes:

I have vetoed and am returning to you Chapter 255, Senate File 300/House File 313 relating to the licensing of psychologists. This bill would require that a person have a doctoral degree in psychology in order to be a licensed psychologist. Professionals below the doctoral level would be licensed as "psychological practitioners," and would be barred from independent practice.

According to information provided to my office, this bill would increase the costs of the Board of Psychology by about $400,000 for fiscal years 1992-93. The Board notified the Legislature of this cost, but no appropriation was put into the bill.

Because of insufficient funds, portions of the bill would be difficult to execute. Specifically, the Board of Psychology has stated that it could not comply with the requirement to certify psychologists by specialty as of January 1, 1992.

I am also troubled by the license and title structure that would be created under the legislation. The bill allows all current sub-doctoral licensed psychologists to continue holding licenses with the same title. The "practitioner" title would be imposed only on new persons entering the field. Anyone who enrolls in a psychology course before November 1, 1991, would be covered by the old standards, provided he or she graduated by 1997. While the purpose of this differentiation is unclear, it appears that these "grandparent" features were added to diminish opposition from licensed psychologists with Master's degrees. What is clear is that this compromise is a recognition of the fact that persons who lack doctoral degrees can successfully provide psychological services. There is no apparent reason why the passage of seven years would alter this fact.

Protection of the public from the practice of psychology by unqualified persons is an important function of state government. This bill, however, has too many troubling features for us to be confident that it would enhance protection of the public.

My administration is committed to working with professionals and consumers to make sure that the highest standards are upheld for this profession and stands ready to help make this happen in the next legislative session.

Sincerely,
Arne H. Carlson, Governor

While the Governor attempted to veto this Chapter, the Secretary of the Senate filed the bill with the Secretary of State and the Ramsey County District Court found the attempted veto to be invalid.

Dear Senator Hughes:

It is my honor to inform you that I have received, approved, signed and deposited in the Office of the Secretary of State, S.F. Nos. 109, 205, 371, 652, 774 (with the exception of Section 19), 780, 906, 1284, 1317, 1440 and 1474.

The Honorable Jerome M. Hughes
President of the Senate

Dear President Hughes:

Today I have signed into law Chapter 286, Senate File 774/House File 1243, a bill relating to residential chemical dependency programs and nursing home transfers and discharges.

Additionally, Chapter 286 carries a $130,000 General Fund appropriation in Section 19 to continue a health screening and intervention program for herbicide and fumigant application. This appropriation, which is directed to the Commissioner of Health for pass through to the University of Minnesota, I have line-item vetoed.

The Department of Health has stated that this program and the appropriation are not a priority. With this understanding and the knowledge that the Legislature's proposed budget is not in balance, it is not appropriate to proceed with this type of expenditure.

Sincerely,
Arne H. Carlson, Governor

Pursuant to Joint Rule 3.02, (c), the foregoing message was laid on the table.

Ms. Joan Anderson Growe
Secretary of State

Dear Secretary of State Growe:

This is to inform you that I have allowed Chapter 279, Senate File 525/House File 1621, an expansive bill relating primarily to controlled substance crimes and gang activity, to become law without my signature.

With this correspondence, Chapter 279 is submitted to you for official filing.

Sincerely,
Arne H. Carlson, Governor

The Honorable Jerome M. Hughes
President of the Senate

Dear President Hughes:

I have vetoed Chapter 284, Senate File 1152/House File 1199, a bill that creates a new system of limousine regulation within the Department of Transportation.

It has been brought to my attention that the limousine law was appended to a bill allowing group registration of motor vehicles. From the information we received with Chapter 284, the new limousine provisions were a product of a conference committee.

The work of conference committees is sometimes hard to comprehend. After every session, eagle-eyed reporters, staff, lobbyists, and even legislators, discover little pieces of laws favoring some group or person, hidden in apparently innocuous bills. Chapter 284 is a good example of this practice.

I have no objection to establishing new regulatory programs, and investing financially in those programs, if the public safety is at stake and we can make a significant difference in ensuring public safety. My problem with this proposal lies in the difficulty in determining exactly what it is that the bill accomplishes. The system it establishes is expensive, cumbersome, and easily evaded. Its few beneficial provisions, like the slightly higher insurance and annual inspections, could be accomplished simply by amending current insurance statutes, and bear no relationship to the need for a regulatory system.

There are only a few hundred limousines in the state of Minnesota, and virtually all of those limousines are in the Twin Cities area. A case has not been made that abuses exist in this industry which would justify state preemption of local regulatory authority. Until presented with more compelling need, I believe it would be far better for us to continue to leave this issue in the hands of the localities, who apparently have not deemed limousine use serious enough to warrant special regulation.

Sincerely,
Arne H. Carlson, Governor

While the Governor attempted to veto this Chapter, the Secretary of the Senate filed the bill with the Secretary of State and the Ramsey County District Court found the attempted veto to be invalid.

June 3, 1991

The Honorable Jerome M. Hughes
President of the Senate

Dear President Hughes:

Today I have signed into law Chapter 298, Senate File 598/House File 723, a bill which relates to railroad grade crossing safety and a natural preservation highway program.

Additionally, Chapter 298 carries an appropriation of $290,000 from the transportation services fund to continue the activities of the Transportation Study Board. The Transportation Study Board has been in existence for two years and its contribution to the state's long-range transportation policy are unquestionable.

The Board, however, has completed its mission. Its chair, vice chair, and executive director affirmed that fact in the cover memorandum which was part of their January 15, 1991, final report. That memorandum stated that "...the Transportation Study Board has completed its study of Minnesota surface transportation needs and adopted a program that will meet the state's transportation needs into the 21st century."

The Board's work now completed, I have line-item vetoed the two $145,000 fiscal year 1992-93 appropriations contained in Article 5, Section 7, on page 23, lines 8 and 9.

Sincerely,
Arne H. Carlson, Governor

Pursuant to Joint Rule 3.02, (c), the foregoing message was laid on the table.

June 3, 1991

The Honorable Jerome M. Hughes
President of the Senate

Dear President Hughes:

Today I have signed into law Chapter 302, Senate File 559/House File 552, a bill which provides financial incentives for ethanol production and a mandate for use of the product by 1995.

Chapter 302 also contains two General Fund appropriations which total $240,000 for fiscal years 1992-93 which I have line-item vetoed. These appropriations for promotion and marketing of ethanol are on page 2, lines 26 through 36, and on page 3, lines 1 through 8.

In presenting my budget to the Legislature, I recommended elimination of this funding. It is unclear to me why we would need to promote and market a product where the State mandates its use. With this understanding, and the knowledge that the Legislature's proposed budget is not in balance, it is not appropriate to proceed with this type of expenditure.

Sincerely,
Arne H. Carlson, Governor

Pursuant to Joint Rule 3.02, (c), the foregoing message was laid on the table.

June 3, 1991

The Honorable Jerome M. Hughes
President of the Senate

Dear President Hughes:

I have vetoed and am returning to you Chapter 303, Senate File 931/House File 1635, a bill which is intended to strengthen policy planning on problem materials and household hazardous waste. Chapter 303 also requires a comprehensive study on energy and environmental strategy.

It is with deep regret that I am compelled to veto environmental legislation, particularly when the original bill mandated sound public policy planning for certain toxic materials. However, Sections 6 and 7, major policy initiatives, were a House proposal with no Senate companion, and were added during the conference committee.

Sections 6 and 7 require an intensely detailed state energy and environmental policy study that must incorporate national security strategies of the federal government and coordinate with international policies. These sections also mandate the size of the sheets of paper to be used to report the study, the number of sheets that can be used by the various departments participating in the study, and how the document is to be formatted. Even though a comprehensive study of this magnitude will consume a significant amount of the state's resources, a fiscal note was never prepared. Clearly, the research required for this study would put an enormous strain on both human and financial resources of the seven state agencies required to participate in its development. This kind of unnecessary micro-management, I believe, is a detriment to fulfilling the important and worthy duties the Legislature intended the state agencies to accomplish.

Unfortunately, the action I am forced to take on this bill also will adversely impact the City of South Saint Paul. The federal Mississippi National River Critical Area is contained in this legislation and its special preservation status would have benefited the city in land and water planning. Perhaps it is time the Legislature reminded itself of Article IV, Section 17 of the State Constitution.

Sincerely,
Arne H. Carlson, Governor

While the Governor attempted to veto this Chapter, the Secretary of the Senate filed the bill with the Secretary of State and the Ramsey County

District Court found the attempted veto to be invalid.

June 3, 1991

The Honorable Jerome M. Hughes
President of the Senate

Dear President Hughes:

I have vetoed and am returning Chapter 307, Senate File 505/House File 530, a bill relating to a private sale of public land and a state-county land exchange. The land exchange, involving Itasca State Park, is a sensible policy, but the bill is deficient on constitutional grounds.

The Constitution specifies that exchanges of state lands are to be approved by the Land Exchange Board. This bill does not provide for involvement of the Board in the exchange. I have vetoed two land exchanges already in this session for the same reason.

The land exchange in this bill would solve a problem which the Legislature created in 1985 by drawing the boundaries of Itasca State Park around 120 acres of land owned by Clearwater County. The Legislature declared that ownership of the land would remain with the County until an exchange for state land of equal value. The County objected to this act, and it took five years to reach this compromise. Unfortunately, the Legislature will have to try again to set this matter straight.

Sincerely,
Arne H. Carlson, Governor

While the Governor attempted to veto this Chapter, the Secretary of the Senate filed the bill with the Secretary of State and the Ramsey County District Court found the attempted veto to be invalid.

The following letter from the Governor was an attachment to the preceding letter from the Secretary of State.

June 4, 1991

The Honorable Robert E. Vanasek
Speaker of the House of Representatives

The Honorable Jerome M. Hughes
President of the Senate

Dear Speaker Vanasek and President Hughes:

I have signed into law the major appropriations bills approved by the 1991 Legislature:

Education Aids, Chapter 265, House File 700/Senate File 467

Higher Education, Chapter 356, Senate File 1535

Human Services, Chapter 292, House File 719/Senate File 1550

Environment and Natural Resources, Chapter 254, Senate File 1533/ House File 493

Transportation and Semi-States, Chapter 233, House File 53/Senate File 1530

State Departments, Chapter 345, House File 1631

I sign these laws with major misgivings because they continue a troubling pattern of overspending.

First of all, the fiscal year 1992-93 budget passed by the Legislature is $32 million out of balance. I believe it was caused in part by the last minute rush to complete business by the required adjournment date. This type of eleventh hour chaos is not new. Regrettably it has become characteristic of the way the Legislature chooses to operate. An example of this disconcerting process is the State Departments Bill which was developed and written well into the early morning hours just before the close of the session and passed just one day later.

But what concerns me more is that again the Legislature has mortgaged the state's future by not exercising spending restraint. Many of the bills passed this year start spending programs which cost small amounts of money today, but which compound into major spending in 1994 and 1995. We cannot continue to write checks when there is not enough money in the bank.

I also think that it is important to recount the events which resulted in the 1991 budget crisis. It began with the over-spending that took place during the 1989 legislative session. In looking back, we learned that on July 1, 1989, which was the start of the current biennium, the state had a healthy beginning balance forward of $946 million. The 1989 Legislature, rather than adopting the prudent course, chose to spend all of the $946 million balance, and then kept on spending. When the numbers were all added up, the 1989 Legislature's spending exceeded revenue by over $500 million for fiscal years 1990-91. Their decisions, together with their spending tails, have contributed heavily to our current budget difficulties.

When I took office on January 7, 1991, Minnesota faced a $1.9 billion deficit. Working with the Legislature, in a bipartisan manner, $194 million was cut from the current budget so that we would end fiscal year 1991 (June 30, 1991) in the black. Even with that budget adjustment, Minnesota still faced a $1.7 billion shortage going into fiscal years 1992 and 1993.

To address the $1.7 billion problem which I inherited, I asked all state departments to make major cuts in the budgets they had proposed for the next two years. The cuts included:

1. All proposed salary increases for state employees.
2. All inflation costs for rent, equipment, etc.
3. All new programs.

Through this process we cut nearly $600 million from the 1992-1993 fiscal year budgets. Now we had a $1.1 billion deficit.

I again went to all state agencies and had them cut another $250 million from their budgets. I proposed a fiscal year 1992-93 reduction of a like amount ($250 million) in aids to local governments. Additionally, I recommended $276 million in tax increases and proposed other revenue changes of $183 million. These changes, together with a $150 million use of the reserve fund, balanced the budget.

In February I presented my balanced budget to the Legislature. I stated that Minnesota must get its spending under control and that a reserve fund must remain intact to finance major and unexpected economic changes. The Legislature rejected my balanced budget and ignored the budgetary guidelines I laid out.

In these guidelines, I stated that there must be money available for program commitments and increased demand for services in 1994 and 1995 so that we do not simply move from one financial crisis into another. We must look farther down the road. Our Finance Commissioner estimates we need $500 to $600 million for this purpose.

In rejecting my budget, the Legislature continued its past practice, the same bad habit displayed in 1989. They spent money they did not have. Recognizing that the Legislature is not able to exercise restraint and get serious about how it spends taxpayer's dollars, I directed my staff, the Department of Finance, and appropriate agency commissioners to analyze each bill in order to limit spending to essential programs and services.

To accomplish this, I have had to make adjustments that affect many programs. Some are new programs that are of questionable need with long-term cost implications; some are local government programs that the state has funded in the past, but which should rightly be the responsibility of the local government and local taxpayers; some are mandated studies which are either unnecessary or duplicative.

It is very difficult to cut new, possibly needed programs, and programs of long standing, but we cannot keep spending and raising taxes. For those of you who are frustrated and displeased with these line-item vetoes, I can appreciate your displeasure. We do not like these cuts either. We would love to spend money on new programs - but - where will the money come from? It takes no skill to make promises to spend money you do not have. It however takes enormous skill to set priorities and engage in judicious decision-making.

So that the Legislature would not be caught off guard, I shared with legislative leaders on April 29, 1991, "Principles Governing Legislation Presented for Signature". I also stated publicly at many press conferences that Minnesota will not mortgage its future while I am here to provide leadership.

The people of Minnesota want smarter state government spending and we must provide it. In many of the major spending bills, the Legislature has tried to take away the Governor's constitutional right to line-item veto by aggregating questionable programs with vital services. Therefore, some of the cuts are not necessarily those we would have made if we had access to the entire budget. Unfortunately, these were the only options the Legislature

allowed.

I was not willing to let this kind of clever packaging interfere with this sacred constitutional authority, so I have exercised my veto right, pursuant to the powers vested in me by Article IV, Section 23 of the Minnesota Constitution, extensively but judiciously.

Minnesotans, I am sure, when informed will be surprised at the way the legislative leaders tried to hide their spending from the Governor and from many of their own members. The process has become so convoluted that when legislators voted on some bills, they were unaware of the line-item expenditures because the specific provisions were hidden in so-called "working papers". Minnesotans should not and cannot tolerate this abuse of legislative power.

Accordingly, I have exercised the line-item veto power and in doing so have generated more than $115 million in savings for fiscal years 1992-93. For the next biennium, fiscal years 1994-95, this figure will be in excess of $182 million. The total impact of these veto decisions is to reduce spending by $297 million over the next four years.

Even with the cuts achieved through this line-item veto process, we still have unfunded spending commitments after inflation in excess of $302 million going into fiscal years 1994-95. To further ratchet down this over commitment, I will look to CORE - the Commission on Reform and Efficiency. CORE will be operational within the next two months and has been established to undertake a comprehensive examination of our state government structure. CORE will be the first serious effort in decades to streamline state government, improve efficiency, reduce costs and increase accountability over the long-term. It is my hope that CORE's first progress report in January 1992 will give us a good forecast on the savings we can realistically book for the 1994-95 biennium.

For all of the reasons I have cited, I have made line-item vetoes in each of the major appropriations bills. In reviewing this legislation, which contains long-term policy initiatives and funding for on-going basic programs, we used the thorough analysis that has been applied for all bills presented to me for signature. In particular, I have attempted to balance the need for essential programs and services with the non-negotiable mandate that we end the 1991-93 biennium with a balanced budget and start the next two-year cycle with equally prudent planning.

In Chapter 265, the Education Aids bill, the line-item vetoes are:

Article 1, Section 21, page 20, lines 24 and 25, deletion of an open and standing appropriation.

Article 5, Section 9, page 115, lines 29 through 33, deletion of an open end standing appropriation.

Article 5, Section 24, page 124, line 32, deletion of $4,950,000 appropriation.

Article 6, Section 66, page 183, line 31, deletion of FY93 $1,895,000 appropriation.

Article 6, Section 66, page 184, line 13, deletion of FY93 $138,000 appropriation.

Article 7, Section 42, page 213, line 14 and lines 24 through 25, deletion of a FY93 $20,000,000 appropriation.

Article 7, Section 42, page 213, line 30, deletion of $100,000 appropriation.

Article 8, Section 19, page 233, line 24, deletion of $750,000 appropriation.

Article 8, Section 19, page 234, lines 12, 17, 23, and 35, deletion of $25,000 appropriation, deletion of two $70,000 appropriations, deletion of the $250,000 appropriation, and deletion of the $25,000 appropriation.

Article 8, Section 19, page 235, line 10, deletion of the two $20,000 appropriations.

Article 8, Section 19, page 236, line 1, deletion of the $20,000 appropriation.

The Education Aids line-item vetoes are necessary to maintain a fiscally prudent budget but will still allow us to focus state resources on basic programs that are essential for the education of Minnesota's children. It is also important to point out that no appropriations cuts affect existing classroom instructional programs.

With regard to primary budget considerations, the Education Aids bill passed by the Legislature exceeds my recommendations for FY92-93 by nearly $5.0 million and creates spending obligations in excess of $71 million for the FY94-95 biennium. The aggregate impact of these line-item vetoes for FY92-93 is a savings of $28 million. For FY94-95 the savings is projected to be $62 million.

In Chapter 356, the Higher Education bill, the line-item vetoes are:

Article 1, Section 3, page 6, line 46, deletion of $1,546,000 appropriation.

Article 1, Section 4, page 8, lines 33 through 35, includes deletion of two $50,000 appropriations.

Article 1, Section 4, page 8, line 41, deletion of $14,585,000 appropriation.

Article 1, Section 5, page 9, line 30, deletion of $14,359,000 appropriation.

Article 1, Section 6, page 12, line 37, deletion of $3,650,000 FY93 appropriation.

Article 1, Section 6, page 12, line 47, deletion of FY93 $19,602,000 appropriation.

Article 1, Section 9, page 14, line 21, deletion of $1,000,000 appropriation.

Article 4, Section 5, page 32, lines 16 through 22, an appropriation to a commissioner.

Article 5, Section 1, page 33, lines 19 through 24, deletion of a $25,000 appropriation.

The Higher Education line-item vetoes are difficult ones, and, because of the complicated appropriations process employed by the Legislature, the changes cannot be equitably allocated among the individual systems. Nevertheless, the changes are necessary in order to bring the higher education budget closer to my original recommendation.

With regard to budget specifics, the Higher Education bill passed by the Legislature exceeds my recommendation by $70.0 million for the FY92-93 biennium and by more than $76 million for the FY94-95 biennium. The aggregate impact of these line-item vetoes is a savings of more than $55 million for FY92-93 and for FY94-95 a projected savings of $54 million.

In Chapter 292, the Human Services bill, the line-item vetoes are:

Article 1, Section 2, page 10, lines 28 through 39, deletion of a transfer of funds.

Article 1, Section 2, page 14, lines 59 through 67, and page 15, lines 1 through 9, deletion of a $250,000 appropriation.

Article 1, Section 2, page 18, lines 48 through 56, deletion of $80,000 appropriation.

Article 1, Section 5, page 21, lines 31 through 55, deletion of the $300,000 and $100,000 appropriations.

Article 6, Section 56, page 394, lines 32 through 36, and page 395, lines 1 through 21, deletion of $75,000 appropriation.

Article 8, Section 23, pages 498 through 500, deletion of $50,000 appropriation.

The Human Services line-item vetoes, while certainly sensitive, still assure delivery of essential services for the state residents who are most "at risk". With regard to budget specifics, the Human Services adjustments are necessary in order to bring the budget more in line with my recommendations.

Left untouched, the Human Services bill passed by the Legislature would exceed my budget recommendation for the FY92-93 biennium by more than $131 million (includes federal reimbursement for medicaid provider surcharge) and would create unfunded future spending obligations in excess of $136 million (assumes federal reimbursement for medicaid provider surcharge) for the FY94-95 biennium. The aggregate impact of these line-item vetoes is a savings of approximately $1 million for the FY92-93 biennium and a projected savings of $400,000 for the FY94-95 biennium.

In Chapter 254, the Environment and Natural Resources bill, the line-item vetoes are:

Section 5, page 7, lines 48 and 49, deletion of $10,000 appropriation.

Section 5, page 8, lines 50 through 52, deletion of $50,000 appropriation.

Section 7, page 16, lines 38 through 56, deletion of $200,000 appropriation.

The Environment and Natural Resources line-item vetoes are targeted and consistent with the immediate need to assure taxpayers that we will have a balanced budget for the FY92-93 biennium. The aggregate impact of these line-item vetoes is a savings of $260,000 for the FY92-93 biennium and a projected savings of $50,000 for the FY94-95 biennium.

In Chapter 233, the Transportation and Semi-states bill, the line-item vetos are:

Section 2, page 8, lines 22 through 26, deletion of $35,000 appropriation.

Section 6, page 14, lines 59, 60, page 15, lines 1, 2, deletion of $1,000,000 appropriation.

Section 18, page 19, lines 7 through 17, deletion of $446,000 appropriation.

Section 18, page 19, lines 41 through 48, page 20, lines 4 through 15, lines 21 through 31, deletion of $40,000 appropriation, deletion of two $25,000 appropriations, and deletion of $50,000 appropriation.

Section 20, page 21, lines 4 through 13, deletion of $25,000 appropriation.

Section 21, page 21, lines 16 through 25, deletion of $1,000,000 appropriation as contained in item two of the working paper referenced in the bill and filed with the Secretary of State.

Section 28, page 24, lines 18 through 24, deletion of $250,000 appropriation.

Section 94, page 58, lines 13 through 24, 35, 36; page 59, lines 1 through 25.

The Transportation and Semi-States line-item vetoes are directed at non-essential programs which for the most part go beyond the target set in my budget. Broad-based programs of major statewide significance are preserved. The aggregate impact of these line-item vetoes is a savings of $2.6 million for the FY92-93 biennium and a projected savings of $39 million for the FY94-95 biennium.

In Chapter 345, the State Departments bill, the line-item vetoes are:

Article 1, Section 2, page 4, lines 24 through 29, deletion of FY91 $600,000 appropriation carryforward.

Article 1, Section 2, page 4, lines 46 through 48, and page 5, line 1, deletion of FY91 $300,000 appropriation carryforward.

Article 1, Section 5, page 8, lines 13 through 18, deletion of $70,000 appropriation.

Article 1, Section 12, page 10, lines 50 through 56, deletion of $200,000 appropriation.

Article 1, Section 17, page 15, lines 53 through 55, deletion of a $10,000 appropriation and lines 56 through 58, deletion of a $480,000 appropriation.

Article 1, Section 17, page 16, lines 2 through 7, deletion of a $1,680,000 appropriation, and lines 16 through 22, deletion of a $264,000 appropriation, and lines 23 through 29, deletion of a $180,000 appropriation.

Article 1, Section 19, page 18, line 23, deletion of FY93 $2,500,000 appropriation.

Article 1, Section 21, page 21, line 40, deletion of $178,000 appropriation.

Article 1, Section 23, page 24, lines 6 through 10, deletion of $754,000 appropriation.

Article 1, Section 23, page 24, lines 25 through 28, deletion of $11,808,000 appropriation.

Article 1, Section 23, page 24, line 37, deletion of FY93 $2,791,000 appropriation.

Article 1, Section 23, page 24, lines 53 through 63, and page 25, lines 1 through 3, deletion of $4,012,000 appropriation.

Article 1, Section 23, page 25, lines 4 through 8, deletion of $118,000 appropriation.

Article 1, Section 23, page 25, lines 12 through 14, deletion of $75,000 appropriation.

Article 1, Section 23, page 25, lines 61 and 62, and page 26, lines 1 through 7, deletion of $500,000 appropriation.

Article 1, Section 23, page 26, lines 43 through 46, deletion of $120,000 appropriation.

Article 1, Section 23, page 27, lines 23 through 30, deletion of $150,000 appropriation.

Article 1, Section 23, page 28, lines 33 through 36, and lines 43 through 45, deletion of the $400,000 and $100,000 appropriations.

Article 1, Section 23, page 28, lines 53 through 55, deletion of FY93 $500,000 appropriation.

Article 1, Section 24, page 29, lines 30 through 34, deletion of $97,000 appropriation.

The State Departments line-item vetoes in general are grant funds for numerous local initiatives that represent duplicative services, or services with only limited geographic significance. With regard to many of these programs, it is questionable whether the state should maintain any level of involvement, regardless of budget constraints. If allowed to proceed, the State Departments budget passed by the Legislature would exceed my recommended budget by $49 million for the FY92-93 biennium. The aggregate impact of these line-item vetoes is a savings of $28 million for the FY92-93 biennium and a projected savings of $26 million for the FY94-95 biennium.

By eliminating all of these spending items, we have reduced total state spending by $115 million for the next two-year budget period, fiscal years 1992-93. Further, these cuts mean savings in the 1994-1995 biennium of $182 million resulting in a total impact of $297 million over the next four years.

Sincerely,
Arne H. Carlson, Governor
