If a local police department or a county sheriff's department does not wish to provide the necessary services, the district may contract for these services with any other police or sheriff's department located entirely or partially within the school district's boundaries. The levy authorized under this subdivision is not included in determining the school district's levy limitations and must be disregarded in computing any overall levy limitations under sections 275.50 to 275.56 of the participating cities or counties.

For purposes of this subdivision, a person retires when the person terminates active employment and applies for retirement benefits. The retired employee is eligible for single and dependent coverages and employer payments to which the person was entitled immediately before retirement, subject to any changes in coverage and employer and employee payments through collective bargaining or personnel plans, for employees in positions equivalent to the position from which the employee retired. The retired employee is not eligible for employer-paid life insurance. Eligibility ceases when the retired employee attains the age of 65, or when the employee chooses not to receive the retirement benefits for which the employee has applied, or when the employee is eligible for employer-paid health insurance from a new employer. Coverages must be coordinated with relevant health insurance benefits provided through the federally sponsored Medicare program.

(d) An employee who retires under this subdivision using the rule of 90 must not be included in the calculations required by section 356.85.

(e) Unilateral implementation of this section by a public employer is not an unfair labor practice for purposes of chapter 179A. If a youth advisory council is established, the board shall meet with council members at least three times per year to discuss education matters and board actions affecting the district student population.

Neither the student member nor youth advisory council members may participate in any closed discussion concerning the negotiation or implementation of a collective bargaining agreement and must not be present at a closed meeting permitted under section 471.705, subdivision 1a or 1d.

Sec. 6. Minnesota Statutes 1991 Supplement, section 124.646, subdivision 4, is amended to read:

Subd. 4. [SCHOOL FOOD SERVICE FUND.] (a) The expenses described in this subdivision must be recorded as provided in this subdivision.

(b) In each school district, the expenses for a school food service program for pupils must be attributed to a school food service fund. Under a food service program, the school food service may prepare or serve milk, meals, or snacks in connection with school or community service activities.

(c) Revenues and expenditures for food service activities must be recorded in the food service fund. The costs of processing applications, accounting for meals, preparing and serving food, providing kitchen custodial services, and other expenses involving the preparing of meals or the kitchen section of the lunchroom may be charged to the food service fund or to the general fund of the district. The costs of lunchroom supervision, lunchroom custodial services, lunchroom utilities, and other administrative costs of the food service program~~, including the costs attributable to the superintendent and the financial manager~~ must be charged to the general fund.

That portion of superintendent and fiscal manager costs that can be documented as attributable to the food service program may be charged to the food service fund provided that the school district does not employ or contract with a food service director or other individual who manages the food service program, or food service management company. If the cost of the superintendent or fiscal manager is charged to the food service fund, the charge must be at a wage rate not to exceed the statewide average for food service directors as determined by the department of education.

(d) Capital expenditures for the purchase of food service equipment must be made from the capital fund and not the food service fund, unless two conditions apply:

(1) the unreserved balance in the food service fund at the end of the last fiscal year is greater than the cost of the equipment to be purchased; and

(2) the department of education has approved the purchase of the equipment.

(e) If the two conditions set out in paragraph (d) apply, the equipment may be purchased from the food service fund.

(f) If a deficit in the food service fund exists at the end of a fiscal year, and the deficit is not eliminated by revenues from food service operations in the next fiscal year, then the deficit must be eliminated by a permanent fund transfer from the general fund at the end of that second fiscal year. *However, if a district contracts with a food service management company during the period in which the deficit has accrued, the deficit must be*

eliminated by a payment from the food service management company.

(g) Notwithstanding paragraph (f), a district may incur a deficit in the food service fund for up to three years without making the permanent transfer if the district submits to the commissioner by January 1 of the second fiscal year a plan for eliminating that deficit at the end of the third fiscal year.

(h) If a surplus in the food service fund exists at the end of a fiscal year for three successive years, a district may recode for that fiscal year the costs of lunchroom supervision, lunchroom custodial services, lunchroom utilities, and other administrative costs of the food service program charged to the general fund according to paragraph (c) and charge those costs to the food service fund in a total amount not to exceed the amount of surplus in the food service fund.

Subd. 4. [SCHOOL DISTRICTS.] (a) 27.5 cents per taxable ton plus the increase provided in paragraph (d) must be allocated to qualifying school districts to be distributed, based upon the certification of the commissioner of revenue, under paragraphs (b) and (c).

(b) 5.5 cents per taxable ton must be distributed to the school districts in which the lands from which taconite was mined or quarried were located or within which the concentrate was produced. The distribution must be based on the apportionment formula prescribed in subdivision 2.

(c)(i) 22 cents per taxable ton, less any amount distributed under paragraph (e), shall be distributed to a group of school districts comprised of those school districts in which the taconite was mined or quarried or the concentrate produced or in which there is a qualifying municipality as defined by section 273.134 in direct proportion to school district indexes as follows: for each school district, its pupil units determined under section 124.17 for the prior school year shall be multiplied by the ratio of the average adjusted net tax capacity per pupil unit for school districts receiving aid under this clause as calculated pursuant to chapter 124A for the school year ending prior to distribution to the adjusted net tax capacity per pupil unit of the district. Each district shall receive that portion of the distribution which its index bears to the sum of the indices for all school districts that receive the distributions.

(ii) Notwithstanding clause (i), each school district that receives a distribution under sections 298.018; 298.23 to 298.28, exclusive of any amount received under this clause; 298.34 to 298.39; 298.391 to 298.396; 298.405; or any law imposing a tax on severed mineral values that is less than the amount of its levy reduction under section 275.125, subdivision 9, for the second year prior to the year of the distribution shall receive a distribution equal to the difference; the amount necessary to make this payment shall be derived from proportionate reductions in the initial distribution to other school districts under clause (i).

(d) On July 15, in years prior to 1988, an amount equal to the increase derived by increasing the amount determined by paragraph (c) in the same proportion as the increase in the steel mill products index over the base year of 1977 as provided in section 298.24, subdivision 1, clause (a), shall be distributed to any school district described in paragraph (c) where a levy increase pursuant to section 124A.03, subdivision 2, is authorized by referendum, according to the following formula. On July 15, 1988, the increase over the amount established for 1987 shall be determined as if there had been an increase in the tax rate under section 298.24, subdivision 1, paragraph (b), according to the increase in the implicit price deflator. On July 15, 1989, 1990, and 1991, the increase over the amount established for the prior year shall be determined according to the increase in the implicit price deflator as provided in section 298.24, subdivision 1, paragraph (a). In 1994, the amount distributed per ton shall be equal to the amount per ton distributed in 1991 increased in the same proportion as the increase between the fourth quarter of 1988 and the fourth quarter of 1992 in the implicit price deflator as defined in section 298.24, subdivision 1. On July 15, 1995, and subsequent years, the increase

If the total amount provided by paragraph (d) is insufficient to make the payments herein required then the entitlement of $175 per pupil unit shall be reduced uniformly so as not to exceed the funds available. Any amounts received by a qualifying school district in any fiscal year pursuant to paragraph (d) shall not be applied to reduce general education aid which the district receives pursuant to section 124A.23 or the permissible levies of the district. Any amount remaining after the payments provided in this paragraph shall be paid to the commissioner of iron range resources and rehabilitation who shall deposit the same in the taconite environmental protection fund and the northeast Minnesota economic protection trust fund as provided in subdivision 11.

Determination of a grant under paragraph (b) shall be based on the most recent calendar year for which data are available.

(a) The legal residence of the child shall be the school district in which the child's parent or guardian resides.

(b) When it is determined pursuant to section 128A.05, subdivision 1 or 2, that the child is entitled to attend either school, the state board shall provide the appropriate educational program for the child. The state board shall make a tuition charge to the child's district of residence for the cost of providing the program. The amount of tuition charged shall not exceed the basic revenue of the district for that child, for the amount of time the child is in the program. For purposes of this subdivision, "basic revenue" has the meaning given it in section 124A.22, subdivision 2. The district of the child's residence shall pay the tuition and may claim general education aid for the child. The district of the child's residence shall not receive aid pursuant to section 124.32, subdivision 5, for tuition paid pursuant to this

subdivision. Tuition received by the state board, except for tuition received under clause (c), shall be deposited in the state treasury as provided in clause (g).

(c) In addition to the tuition charge allowed in clause (b), the academies may charge the child's district of residence for the academy's unreimbursed cost of providing an instructional aide assigned to that child, if that aide is required by the child's individual education plan. Tuition received under this clause must be used by the academies to provide the required service.

(d) When it is determined that the child can benefit from public school enrollment but that the child should also remain in attendance at the applicable school, the school district where the institution is located shall provide an appropriate educational program for the child and shall make a tuition charge to the state board for the actual cost of providing the program, less any amount of aid received pursuant to section 124.32. The state board shall pay the tuition and other program costs including the unreimbursed transportation costs. Aids for handicapped children shall be paid to the district providing the special instruction and services. Special transportation shall be provided by the district providing the educational program and the state shall reimburse such district within the limits provided by law.

(e) Notwithstanding the provisions of clauses (b) and (d), the state board may agree to make a tuition charge for less than the amount specified in clause (b) for pupils attending the applicable school who are residents of the district where the institution is located and who do not board at the institution, if that district agrees to make a tuition charge to the state board for less than the amount specified in clause (d) for providing appropriate educational programs to pupils attending the applicable school.

(f) Notwithstanding the provisions of clauses (b) and (d), the state board may agree to supply staff from the Minnesota state academy for the deaf and the Minnesota state academy for the blind to participate in the programs provided by the district where the institutions are located when the programs are provided to students in attendance at the state schools.

(g) On May 1 of each year, the state board shall count the actual number of Minnesota resident *kindergarten and* elementary students and the actual number of Minnesota resident secondary students enrolled and receiving education services at the Minnesota state academy for the deaf and the Minnesota state academy for the blind. The state board shall deposit in the state treasury an amount equal to all tuition received less:

(1) the total number of students on May 1 less 175, times the ratio of the number of *kindergarten and* elementary students to the total number of students on May 1, times the general education formula allowance; plus

(2) the total number of students on May 1 less 175, times the ratio of the number of secondary students on May 1 to the total number of students on May 1, times 1.3, times the general education formula allowance.

(h) The sum provided by the calculation in clause (g), subclauses (1) and (2), must be deposited in the state treasury and credited to the general operation account of the academy for the deaf and the academy for the blind.

(i) There is annually appropriated to the department of education for the Faribault academies the tuition amounts received and credited to the general operation account of the academies under this section. *A balance in an*

The affidavit must state the terms and conditions under which the sponsor would authorize an outcome-based school. The state board must approve or disapprove the sponsor's proposed authorization within 30 days of receipt of the affidavit. Failure to obtain state board approval precludes a sponsor from authorizing the outcome-based school that was the subject of the affidavit.

(c) The teachers authorized to organize and operate a school shall hold an election for members of the school's board of directors. All staff members employed at the school and all parents of children enrolled in the school may participate in the election. (a) If the plan for consolidation so provides, the bonded debt of all component districts shall be paid according to levies previously made for that debt under chapter 475. In this case, the obligation of the taxable property in the component districts with reference to the payment of such bonded debt is not affected by the consolidation.

(b) If the plan for consolidation makes no provision for the disposition of bonded debt, all the taxable property in the newly created district is taxable for the payment of any bonded debt incurred by any component district in the proportion which the net tax capacity of that part of a preexisting district which is included in the newly created district bears to the net tax capacity of the entire preexisting district as of the time of the consolidation.

(c) If the plan for consolidation so provides, all the taxable property in the newly created district will be taxable for a portion of the bonded debt incurred by any component district prior to the consolidation.

Subdivision 1. [REFERENDUM ~~LEVIES~~ *REVENUES.*] The referendum ~~levy~~ *revenue* authorization of the combined district shall be one of the methods set forth in section 122.531, subdivision 2a, 2b, or 2c, and must be consistent with the plan adopted according to section 122.242, and any subsequent modifications.

Any agreement, part of an agreement, or other type of requirement to the contrary is void.*

(b) This subdivision shall not affect the continued liability of a school district for its share of bonded indebtedness or other debt incurred as a result of any agreement before July 1, 1993. The school district is liable only until the obligation or debt is discharged and only according to the payment schedule in effect on July 1, 1993, except that the payment schedule may be altered for the purpose of restructuring debt or refunding bonds outstanding on July 1, 1993, if the annual payments of the school district are not increased and if the total obligation of the school district for its share of outstanding bonds or other debt is not increased.

The cessation or withdrawal shall be effective June 30 of the same year or, at the option of the school board, June 30 of the following fiscal year.

(d) Before issuing bonds or incurring other debt, the governing body responsible for implementing the agreement shall adopt a resolution proposing to issue bonds or incur other debt and the proposed financial effect of the bonds or other debt upon each participating district. A school board adopting a resolution according to clause (1) is liable for its share of bonded indebtedness or other debt as proposed by the governing body implementing the agreement. A school board adopting a resolution according to clause (2) is not liable for the bonded indebtedness or other debt, as proposed by the governing body, related to the services or activities in which the district ceases participating or providing financial support. A

school board adopting a resolution according to clause (3) is not liable for the bonded indebtedness or other debt proposed by the governing body implementing the agreement.

(e) After July 1, 1993, a district is liable according to paragraph (d) for its share of bonded indebtedness or other debt incurred by the governing body implementing the agreement to the extent that the bonds or other debt are directly related to the services or activities in which the district participates or for which the district provides financial support. The district has continued liability only until the obligation or debt is discharged and only according to the payment schedule in effect at the time the governing body implementing the agreement provides notice to the school board, except that the payment schedule may be altered for the purpose of refunding the outstanding bonds or restructuring other debt if the annual payments of the district are not increased and if the total obligation of the district for the outstanding bonds or other debt is not increased.

Sec. 10. Minnesota Statutes 1991 Supplement, section 124.19, subdivision 1, is amended to read:

Subdivision 1. [INSTRUCTIONAL TIME.] Every district shall maintain school in session or provide instruction in other districts for at least *170 days through the 1994-1995 school year and* the number of days required in *section 120.101*, subdivision ~~1b~~ *5b thereafter*, not including summer school, or the equivalent in a district operating a flexible school year program. A district that holds school for the required minimum number of days and is otherwise qualified is entitled to state aid as provided by law. If school is not held for the required minimum number of days, state aid shall be reduced by the ratio that the difference between the required number of days and the number of days school is held bears to the required number of days, multiplied by 60 percent of the basic revenue, as defined in section 124A.22, subdivision 2, of the district for that year. However, districts maintaining school for fewer than the required minimum number of days do not lose state aid (1) if the circumstances causing loss of school days below the required minimum number of days are beyond the control of the board, (2) if proper evidence is submitted, and (3) if a good faith attempt made to make up time lost due to these circumstances. The loss of school days resulting from a lawful employee strike shall not be considered a circumstance beyond the control of the board. Days devoted to meetings authorized or called by the commissioner may not be included as part of the required minimum number of days of school. For grades 1 to 12, days devoted to parent-teacher conferences, teachers' workshops, or other staff development opportunities as part of the required minimum number of days must not exceed *five days through the 1994-1995 school year and for subsequent school years* the difference between the number of days required in subdivision 1b and the number of instructional days required in subdivision ~~1b~~ *5b*. For kindergarten, days devoted to parent-teacher conferences, teachers' workshops, or other staff development opportunities as part of the required minimum number of days must not exceed twice the number of days for grades 1 to 12.

Sec. 11. Minnesota Statutes 1991 Supplement, section 124.214, subdivision 2, is amended to read:

Subd. 2. [ABATEMENTS.] Whenever by virtue of chapter 278, sections 270.07, 375.192, or otherwise, the net tax capacity of any school district for any taxable year is changed after the taxes for that year have been spread by the county auditor and the local tax rate as determined by the county auditor based upon the original net tax capacity is applied upon the changed net tax capacities, the county auditor shall, prior to February 1 of each year, certify to the commissioner of education the amount of any resulting net revenue loss that accrued to the school district during the preceding year. Each year, the

commissioner shall pay an abatement adjustment to the district in an amount calculated according to the provisions of this subdivision. This amount shall be deducted from the amount of the levy authorized by section 275.48. The amount of the abatement adjustment shall be the product of:

(1) the net revenue loss as certified by the county auditor, times

(2) the ratio of:

(a) the sum of the amounts of the district's certified levy in the preceding year according to the following:

(i) section 124A.23 if the district receives general education aid according to that section, or section 124B.20, if the education district of which the district is a member receives general education aid according to that section;

(v) section 124.83, if the district receives health and safety aid according to that section;

(vi) sections 124.2713, 124.2714, and 124.2715, if the district receives aid for community education programs according to any of those sections; ~~and~~

(vii) section 275.125, subdivision 8b, if the district receives early childhood family education aid according to section 124.2711;

(b) to the total amount of the district's certified levy in the preceding October, plus or minus auditor's adjustments.

Sec. 12. Minnesota Statutes 1991 Supplement, section 124.214, subdivision 3, is amended to read:

Subd. 3. [EXCESS TAX INCREMENT.] If a return of excess tax increment is made to a school district pursuant to section 469.176, subdivision 2, or upon decertification of a tax increment district, the school district's aid and levy limitations must be adjusted for the fiscal year in which the excess tax increment is paid under the provisions of this subdivision.

(a) An amount must be subtracted from the school district's aid for the current fiscal year equal to the product of:

(1) the amount of the payment of excess tax increment to the school district, times

(2) the ratio of:

(A) the sum of the amounts of the school district's certified levy for the fiscal year in which the excess tax increment is paid according to the following:

(x) section 124A.22, subdivision 4a, if the district receives training and experience aid according to that section;

(B) to the total amount of the school district's certified levy for the fiscal year, plus or minus auditor's adjustments.

(b) An amount must be subtracted from the school district's levy limitation for the next levy certified equal to the difference between:

(1) the amount of the distribution of excess increment, and

(2) the amount subtracted from aid pursuant to clause (a).

If the aid and levy reductions required by this subdivision cannot be made to the aid for the fiscal year specified or to the levy specified, the reductions must be made from aid for subsequent fiscal years, and from subsequent levies. The school district shall use the payment of excess tax increment to replace the aid and levy revenue reduced under this subdivision.

This subdivision applies only to the total amount of excess increments received by a school district for a calendar year that exceeds $25,000.

CONFERENCE COMMITTEE REPORT ON S.F. NO. 1938

A bill for an act relating to landlords and tenants; providing for assignment to the county attorney of the landlord's right to evict for breach of the covenant not to sell drugs or permit their sale; clarifying the law on forfeiture of real estate interests related to contraband or controlled substance seizures; amending Minnesota Statutes 1990, sections 504.181, subdivision 2; and 609.5317, subdivision 1.

April 14, 1992

The Honorable Jerome M. Hughes
President of the Senate

The Honorable Dee Long
Speaker of the House of Representatives

We, the undersigned conferees for S.F. No. 1938, report that we have agreed upon the items in dispute and recommend as follows:

That the House recede from its amendments and that S.F. No. 1938 be further amended as follows:

Delete everything after the enacting clause and insert:

"Section 1. Minnesota Statutes 1990, section 504.181, subdivision 2, is amended to read:

Subd. 2. [BREACH VOIDS RIGHT TO POSSESSION.] A breach of the covenant created by subdivision 1 voids the lessee's or licensee's right to possession of the residential premises. All other provisions of the lease or license, including but not limited to the obligation to pay rent, remain in effect until the lease is terminated by the terms of the lease or operation of law.

If the lessor or licensee breaches the covenant created by subdivision 1, the landlord may bring, or assign to the county attorney of the county in which the residential premises are located, the right to bring an unlawful detainer action against the lessee or licensee. The assignment must be in writing on a form provided by the county attorney, and the county attorney may determine whether to accept the assignment. If the county attorney accepts the assignment of the landlord's right to bring an unlawful detainer action:

(1) any court filing fee that would otherwise be required in an unlawful detainer action is waived; and

(2) the landlord retains all the rights and duties, including removal of the lessee's or licensee's personal property, following issuance of the writ of restitution and delivery of the writ to the sheriff for execution.

Sec. 2. Minnesota Statutes 1990, section 609.5311, subdivision 3, is amended to read:

Subd. 3. [LIMITATIONS ON FORFEITURE OF CERTAIN PROPERTY ASSOCIATED WITH CONTROLLED SUBSTANCES.] (a) A conveyance device is subject to forfeiture under this section only if the retail value of the controlled substance is $25 or more and the conveyance device is associated with a felony-level controlled substance crime.

(b) Real property is subject to forfeiture under this section only if the retail value of the controlled substance or contraband is $1,000 or more.

(c) Property used by any person as a common carrier in the transaction of business as a common carrier is subject to forfeiture under this section only if the owner of the property is a consenting party to, or is privy to, the use or intended use of the property as described in subdivision 2.

(d) Property is subject to forfeiture under this section only if its owner was privy to the use or intended use described in subdivision 2, or the unlawful use or intended use of the property otherwise occurred with the owner's knowledge or consent.

(e) Forfeiture under this section of a conveyance device or real property encumbered by a bona fide security interest is subject to the interest of the secured party unless the secured party had knowledge of or consented to the act or omission upon which the forfeiture is based. A person claiming a security interest bears the burden of establishing that interest by clear and convincing evidence.

(f) Notwithstanding paragraphs (d) and (e), property is not subject to forfeiture based solely on the owner's or secured party's knowledge of the unlawful use or intended use of the property: *(1)* if the owner or secured party took reasonable steps to terminate use of the property by the offender; *or (2) the property is real property owned by the parent of the offender, unless the parent actively participated in, or knowingly acquiesced to, a violation of chapter 152, or the real property constitutes proceeds derived from or traceable to a use described in subdivision 2.*

Sec. 3. Minnesota Statutes 1990, section 609.5317, subdivision 1, is amended to read:

Subdivision 1. [RENTAL PROPERTY.] (a) When contraband or a controlled substance manufactured, distributed, or acquired in violation of chapter 152 is seized on residential rental property incident to a lawful search or arrest, the county attorney shall give the notice required by this subdivision to (1) the landlord of the property or the fee owner identified in the records of the county assessor, and (2) the agent authorized by the owner to accept service pursuant to section 504.22. The notice is not required during an ongoing investigation. The notice shall state what has been seized and specify the applicable duties and penalties under this subdivision. The notice shall state that the landlord who chooses to assign the right to bring an unlawful detainer action retains all rights and duties, including removal of a tenant's personal property following issuance of the writ of restitution

and delivery of the writ to the sheriff for execution. The notice shall also state that the landlord may contact the county attorney if threatened by the tenant. Notice shall be sent by certified letter, return receipt requested, within 30 days of the seizure. If receipt is not returned, notice shall be given in the manner provided by law for service of summons in a civil action.

(b) Within 15 days after notice of the first occurrence, the landlord shall bring, or assign to the county attorney of the county in which the real property is located, the right to bring an unlawful detainer action against the tenant. The assignment must be in writing on a form prepared by the county attorney. Should the landlord choose to assign the right to bring an unlawful detainer action, the assignment shall be limited to those rights and duties up to and including delivery of the writ of restitution to the sheriff for execution.

(c) Upon notice of a second occurrence *on any residential rental property owned by the same landlord in the same county and* involving the same tenant, *and within one year after notice of the first occurrence*, the property is subject to forfeiture under sections 609.531, 609.5311, 609.5313, and 609.5315, unless an unlawful detainer action has been commenced as provided in paragraph (b) or the right to bring an unlawful detainer action was assigned to the county attorney as provided in paragraph (b). If the right has been assigned and not previously exercised, or if the county attorney requests an assignment and the landlord makes an assignment, the county attorney may bring an unlawful detainer action rather than an action for forfeiture.

Sec. 4. [EFFECTIVE DATE; APPLICATION.]

Section 1 is effective August 1, 1992, and applies to breaches of the covenant occurring on or after that date.

Section 2 is effective the day after final enactment and applies to forfeiture proceedings commenced or pending on or after that date. Section 3 is effective August 1, 1992, and applies to second occurrences on or after that date."

Delete the title and insert:

"A bill for an act relating to landlords and tenants; providing for assignment to the county attorney of the landlord's right to evict for breach of the covenant not to sell drugs or permit their sale; clarifying the law on forfeiture of real estate interests related to contraband or controlled substance seizures; amending Minnesota Statutes 1990, sections 504.181, subdivision 2; 609.5311, subdivision 3; and 609.5317, subdivision 1."

Residents must be allowed to return to the residence or dwelling after completion of abatement. *A board of health shall use grant funds under section 144.872, subdivision 3, in cooperation with local housing agencies, to pay for moving costs for any low income resident temporarily relocated during lead abatement, not to exceed $250 per household.*

Sec. 19. Minnesota Statutes 1991 Supplement, section 144.874, subdivision 12, is amended to read:

Subd. 12. [ENFORCEMENT *AND STATUS* REPORT.] The commissioner shall examine compliance with Minnesota's existing lead standards and rules and report to the legislature ~~by January 15, 1992, on~~ *biennially, beginning February 15, 1993, including* an evaluation of current ~~levels of compliance~~ *lead program activities by the state and boards of health*, the need for any additional enforcement procedures, recommendations on developing a method to enforce compliance with lead standards and cost estimates for any proposed enforcement procedure. *The report must also include a geographic analysis of all blood lead assays showing incidence data and environmental analyses reported or collected by the commissioner.*

Sec. 20. Minnesota Statutes 1990, section 144.876, is amended to read:

144.876 [REGISTRATION *AND LICENSING* OF ABATEMENT CONTRACTORS *AND CERTIFICATION OF EMPLOYEES*.]

Subdivision 1. [LICENSING AND CERTIFICATION.] Abatement contractors must ~~register with~~, *within 180 days after rules are adopted under section 144.878, subdivision 5, obtain a license from* the commissioner according to forms and procedures prescribed by the commissioner. *Employees of abatement contractors must obtain certification from the commissioner. The commissioner shall specify training and testing requirements for licensure and certification and shall charge a fee for the cost of issuing a license or certificate and for training provided by the commissioner. The commissioner shall provide the contractor with a written violation notice, and may revoke the license of an abatement contractor, or the certificate of an employee, upon finding that the contractor or employee has violated the rules adopted under section 144.878 in a manner that poses unreasonable risk to public health.*

Fees collected under this subdivision must be set in amounts to be determined by the commissioner to cover but not exceed the costs of adopting rules under section 144.878, subdivision 5, the costs of licensure, certification, and training, and the costs of enforcing licenses and certificates under this subdivision. All fees received must be paid into the state treasury and credited to the lead abatement licensing and certification account and are appropriated to the commissioner to cover costs incurred under this subdivision and section 144.878, subdivision 5.

Subd. 2. [LICENSED BUILDING CONTRACTOR; INFORMATION.] *The commissioner shall provide health and safety information on lead abatement to all residential building contractors licensed under section 326.84. Sec. 21. Minnesota Statutes 1990, section 144.878, subdivision 2, is amended to read:

Subd. 2. [LEAD STANDARDS AND ABATEMENT METHODS.] (a) ~~By January 31, 1991,~~ The commissioner shall adopt rules establishing standards and abatement methods for lead in paint, dust, and drinking water in a manner that protects public health and the environment for all residences, including residences also used for a commercial purpose. *The commissioner*

shall adopt priorities for providing abatement services to areas defined to be at high risk for toxic lead exposure. In adopting priorities, the commission shall consider the number of children and pregnant women diagnosed with elevated blood lead levels and the median concentration of lead in the soil. The commissioner shall give priority to: areas having the largest population of children and pregnant women having elevated blood lead levels; areas with the highest median soil lead concentration; and areas where it has been determined that there are large numbers of residences that have deteriorating paint. The commissioner shall differentiate between intact paint and deteriorating paint. The commissioner and political subdivisions shall require abatement of intact paint only if the commissioner or political subdivision finds that intact paint is ~~accessible to children as~~ a chewable or lead-dust producing surface ~~and~~ *that* is a *known* source of actual lead exposure *to a specific person*. In adopting rules under this subdivision, the commissioner shall require the best available technology for abatement methods, paint stabilization, and repainting.

(b) ~~By January 31, 1991,~~ The commissioner of ~~the pollution control agency~~ *health* shall adopt standards and abatement methods for lead in bare soil on playgrounds and residential property in a manner to protect public health and the environment.

(d) All standards adopted under this subdivision must provide adequate margins of safety that are consistent with a detailed review of scientific evidence and an emphasis on overprotection rather than underprotection when the scientific evidence is ambiguous. The rules must apply to any individual performing or ordering the performance of lead abatement.

Sec. 22. Minnesota Statutes 1990, section 144.878, is amended by adding a subdivision to read:

Subd. 5. [LEAD ABATEMENT CONTRACTORS AND EMPLOYEES.] *The commissioner shall adopt rules to license abatement contractors; to certify employees of lead abatement contractors who perform abatement; and to certify lead abatement trainers who provide lead abatement training for contractors, employees, or other lead abatement trainers. The rules must include standards and procedures for on-the-job training for swab teams. All lead abatement training must include a hands-on component and instruction on the health effects of lead exposure, the use of personal protective equipment, workplace hazards and safety problems, abatement methods and work practices, decontamination procedures, cleanup and waste disposal procedures, lead monitoring and testing methods, and legal rights and responsibilities. At least 30 days before publishing initial notice of proposed rules under this subdivision on the licensing of lead abatement contractors, the commissioner shall submit the rules to the chairs of the health and human services committees in the house of representatives and the senate, and to any legislative committee on licensing created by the legislature.*

Sec. 23. Minnesota Statutes 1991 Supplement, section 326.87, subdivision 1, is amended to read:

Subdivision 1. [STANDARDS.] The commissioner, in consultation with

the council, may adopt standards for continuing education requirements and course approval. Priority for funding swab teams shall be given to contractors who hire residents from neighborhoods where the contractor is providing lead abatement services.

To the extent practicable under federal guidelines, the commissioner of health may use federal funding for local boards of health for lead screening, lead assessment, and lead abatement only to the extent that the federal funds do not replace existing funding for these lead services.

Sec. 35. [REVISOR INSTRUCTION.]

In Minnesota Statutes and Minnesota Rules, the revisor shall recodify Minnesota Statutes, section 116.53, subdivision 2, as part of Minnesota Statutes, chapter 144, and shall change the terms "commissioner of the pollution control agency," "pollution control agency," and similar terms to "commissioner of health," "department of health," and similar terms."

CONFERENCE COMMITTEE REPORT ON S.F. NO. 2514

April 10, 1992

The Honorable Jerome M. Hughes
President of the Senate

The Honorable Dee Long
Speaker of the House of Representatives

We, the undersigned conferees for S.F. No. 2514, report that we have

agreed upon the items in dispute and recommend as follows:

That the House recede from its amendments and that S.F. No. 2514 be further amended as follows:

Delete everything after the enacting clause and insert:

"Section 1. Laws 1963, chapter 276, section 2, subdivision 2, is amended to read:

Subd. 2. One third of the members of the first hospital board shall be appointed for a term to expire one year from December 31 next following such appointment, one third for a term to expire two years from such date, and one third for a term to expire three years from such date. Successors to the original board members shall each be elected for terms of three years, and all members shall hold office until their successors are elected and qualify. Terms of all members shall expire on December 31. In case of a vacancy on the hospital board, whether due to death, removal from the district, inability to serve, resignation, or other cause the majority of the remaining members of the hospital board, at its next regular or special meeting, shall make an appointment to fill such vacancy for the then unexpired term. The election of successors to the original board members shall be elected by popular vote of the qualified voters in the hospital district. ~~Such elections and any special elections shall be called and conducted in accordance with the provisions of Minnesota Statutes, Section 447.32, Subdivisions 1, 2, 3, and 4 insofar as the same is applicable.~~

Sec. 2. Laws 1963, chapter 276, section 2, is amended by adding a subdivision to read:

Subd. 2a. The hospital board shall, by resolution, fix a date for an election, not later than December 7 just before the expiration of board members' terms. It shall establish the whole district as a single election precinct and shall designate the polling place. Special elections may be called at any time by the hospital board to vote on any matter required by law to be submitted to the voters. Special elections must be held within the same election precinct and at the same polling place as regular elections. Advisory ballots may be submitted by the hospital board on any question it wishes concerning the affairs of the district, but only at a regular election or at a special election required for another purpose.

Sec. 3. Laws 1963, chapter 276, section 2, is amended by adding a subdivision to read:

Subd. 2b. At least two weeks before the first day to file affidavits of candidacy, the clerk of the district shall publish a notice stating the first and last day on which affidavits of candidacy may be filed, the places for filing the affidavits, and the closing time of the last day for filing. The clerk shall post a similar notice. At least two weeks before the election the clerk of the district shall publish a notice of the election, and at least ten days before the election the clerk shall post a notice of the election. A notice required to be published under this subdivision must be published in the official newspaper of the district, or, if a paper has not been designated, in a legal newspaper having general circulation within the district. A notice required to be posted under this subdivision shall be posted in at least one public and conspicuous place within each city and town included in the district. Failure to give notice does not invalidate the election of an officer of the district. A voter may contest a hospital district election in accordance with Minnesota Statutes, chapter 209.

Sec. 4. Laws 1963, chapter 276, section 2, is amended by adding a subdivision to read:

Subd. 2c. (a) A candidate for the hospital board shall file an affidavit of candidacy for the election either as a member at large or as a member representing the city or town where the candidate resides. The affidavit of candidacy must be filed with the city or town clerk not more than ten weeks nor less than eight weeks before the election. The city or town clerk must forward the affidavits of candidacy to the clerk of the hospital district immediately after the last day of the filing period. A candidate may withdraw from the election by filing an affidavit of withdrawal with the clerk of the district no later than 12:00 p.m. on the day after the last day to file affidavits of candidacy.

(b) Voting must be by secret ballot. The clerk shall prepare, at the expense of the district, necessary ballots for the election of officers. Ballots must contain the names of the proposed candidates for each office, the length of the term of each office, and an additional blank space for the insertion of another name by the voter. The ballots must be marked and initialed by at least two judges as official ballots and used exclusively at the election. Any proposition to be voted on may be printed on the ballot provided for the election of officers or on a different ballot. The hospital board may also authorize the use of voting machines subject to Minnesota Statutes, chapter 206. At least two election judges shall be appointed to receive the votes. They may be paid by the district at a rate set by the board. The election judges shall act as clerks of election, count the ballots cast, and submit them to the board for canvass.

(c) After canvassing the election, the board shall issue a certificate of election to the candidate who received the largest number of votes cast for each office. The clerk shall deliver the certificate to the person entitled to it in person or by certified mail. Each person certified shall file an acceptance and oath of office in writing with the clerk within 30 days after the date of delivery or mailing of the certificate. If the person elected fails to qualify within 30 days, a majority of the remaining members of the board may appoint a successor, but qualification is effective if made before the board acts to fill the vacancy.

Sec. 5. Laws 1963, chapter 276, section 4, is amended to read:

Sec. 4. [MEETINGS OF THE BOARD.] Regular meetings of the hospital board shall be held at least ~~once a month~~ *annually, and may meet more frequently*, at ~~such time~~ *times* and ~~place~~ *places* as the board shall by resolution determine. Special meetings may be held at any time upon the call of the chairman or of any two other members, upon written notice mailed to each member three days prior to the meeting, or upon such other notice as the board, by resolution, may provide, or without notice, if each member is present or files with the secretary a written consent to the holding of the meeting, which consent may be filed before or after the meeting. Any action within the authority of the board may be taken by the vote of a majority of the members present at a regular or adjourned meeting or at a duly called special meeting if a quorum is present. A majority of all the members of the board shall constitute a quorum, but a lesser number may meet and adjourn from time to time.

Sec. 6. [COUNTY OF SWIFT; CITY OF BENSON: REORGANIZATION OF JOINT POWERS HOSPITAL.]

Subdivision 1. [AUTHORIZATION.] *Any hospital organized and operating under a joint powers agreement between the county of Swift and the city of Benson may be reorganized and operate pursuant to the provisions of sections 6 to 20, upon compliance with subdivision 2.*

Subd. 2. [REORGANIZATION.] *In order to effect a reorganization, the existing governing body of the hospital shall file its request for reorganization with the county board of the county of Swift and the city council of the city of Benson and the county board and city council shall then at their next regular meetings consider the establishment of a hospital district under sections 6 to 20. Upon the adoption of resolutions by each political subdivision stating that the reorganization is effective and assigning a name to the hospital district the creation of the hospital district shall be effected.*

Subd. 3. [REORGANIZATION; DISSOLUTION.] *After a hospital district is organized under sections 6 to 20, upon approval by the city and the county, it may reorganize and operate under and pursuant to Minnesota Statutes, sections 447.31 to 447.50; or it may be dissolved in accordance with Minnesota Statutes, section 447.38, provided that in that event the county and the city shall be deemed to be the governmental subdivisions that may petition for dissolution and upon dissolution one-third of the assets of the district shall be conveyed to the city and two-thirds shall be conveyed to the county.*

Subd. 4. [POLITICAL SUBDIVISION.] *For the purpose of laws applicable to political subdivisions the hospital district shall be a political subdivision but shall not have taxing authority.*

Sec. 7. [HOSPITAL BOARD; APPOINTMENT; TERMS.]

Subdivision 1. [GOVERNING BOARD.] *The hospital district shall be governed by a board of directors of at least nine and not more than 12 voting members, elected as provided in subdivision 2. All members of the hospital board at the time the hospital district is organized shall continue in office until the members of the first board of the hospital district are elected and qualify.*

Subd. 2. [ELECTION.] *Three directors shall be elected by the city council and six directors shall be elected by the county board. Up to three additional voting members and additional nonvoting members may be provided for in bylaws adopted pursuant to section 5, subdivision 5. As nearly as possible, one-third of the members of the first board of directors shall be elected for a term to expire one year from the next December 31 following that election, one-third for a term to expire two years from that date, and one-third for a term to expire three years from that date. Each of the political subdivisions electing directors shall assign terms of office to each director according to these staggered terms. Successors to the first board members shall each be elected for terms of three years, and all members shall hold office until their successors are elected and qualify. Terms of office shall expire on December 31. In case of vacancy on the board of directors, whether due to death, removal from the district, inability to serve, resignation, removal by the entity that elected the director, or other cause, the majority of the governing body of the entity that elected the director whose position is vacant shall elect a director to fill such vacancy for the then unexpired term.*

Subd. 3. [COMPENSATION.] *The members of the board of directors may receive compensation for their services as such and may be reimbursed for reasonable expenses necessarily incurred in the performance of their duties*

to the extent provided for in bylaws adopted pursuant to section 5, subdivision 5.

Subd. 4. [IMMUNITY FROM LIABILITY.] *Except as otherwise provided in this subdivision, no person who serves without compensation as a member of the board of directors shall be held civilly liable for an act or omission by that person if the act or omission was in good faith, was within the scope of the person's responsibilities as a member of the board, and did not constitute willful or reckless misconduct. This subdivision does not apply to:*

(1) an action or proceeding brought by the attorney general for a breach of a fiduciary duty as a director;

(2) a cause of action to the extent it is based on federal law; or

(3) a cause of action based on the board member's express contractual obligation.

Nothing in this subdivision shall be construed to limit the liability of a member of the board for physical injury to the person of another or for wrongful death which is personally and directly caused by the board member.

For purposes of this subdivision, the term "compensation" means any thing of value received for services rendered, except:

(1) reimbursement for expenses actually incurred;

(2) a per diem in an amount not to exceed the per diem authorized for state advisory councils and committees pursuant to Minnesota Statutes, section 15.059, subdivision 3; or

(3) payment by the hospital district of insurance premiums on behalf of a member of the board.

Sec. 8. [OFFICERS OF THE BOARD.]

Subdivision 1. [OFFICES; ELECTION.] *At the first meeting of the board of directors of the hospital district, and at each first regular meeting after December 31, the board shall elect, from their number, a chair, a vice-chair, a secretary, and a treasurer. Each officer elected at the first regular meeting after December 31 shall hold office for one year, and until the officer's successor has been duly elected and qualified. In case of vacancy in any office the chair shall appoint a member to fill the vacancy until the next regular election of officers.*

Subd. 2. [DUTIES.] *The officers shall have the duties specified in this subdivision and additional duties as set forth in bylaws adopted in accordance with section 5, subdivision 5. The chair shall preside at all meetings of the board of directors and shall perform all duties usually incumbent upon such an officer. The vice-chair shall preside in the absence of the chair. The secretary shall record the minutes of all meetings of the board and be the custodian of all books and records of the district. The treasurer shall be the custodian of money received by the district and shall see that they are properly accounted for. The board may appoint deputies who shall perform any functions and duties of any officer, subject to the supervision and control of the officer.*

Sec. 9. [MEETINGS OF THE BOARD.]

Regular meetings of the board of directors shall be held at least quarterly and more frequently as provided in bylaws of the hospital district, at the

time and place as the board shall by resolution determine. The meetings may be held at any time upon the call of the chair or of any two other members, upon written notice mailed to each member three days prior to the meeting, or upon other notice as the board, by resolution or according to bylaws adopted by the board of directors, may provide, or without notice, if each member is present or files with the secretary a written consent to the holding of the meeting, which consent may be filed before or after the meeting. Any action within the authority of the board may be taken by the vote of a majority of the members present at a regular or adjourned meeting or at a duly called special meeting if a quorum is present. A majority of all the members of the board shall constitute a quorum, but a lesser number may meet and adjourn from time to time.

Sec. 10. [THE HOSPITAL DISTRICT AND ITS POWERS.]

Subdivision 1. [AUTHORITY; STATUS; PREEXISTING OBLIGATION.] *The hospital district shall have perpetual succession, may contract and be contracted with, may sue and be sued, may, but shall not be required to, use a corporate seal, may acquire real and personal property as it may require, within or without the district, by purchase, gift, devise, lease, condemnation, or otherwise, and may hold, manage, control, sell, convey, or otherwise dispose of such property as its interests require. All of the assets, real and personal, of the preexisting hospital organization owned by the county and the city, doing business as Swift County-Benson Hospital, shall pass to the hospital district in fee title or by lease, and all legally valid and enforceable claims and contract obligations of the preexisting hospital organization shall be assumed by the district. All taxable property in the city of Benson and the county of Swift shall continue to be taxable for the payment of any bonded debt previously incurred by the preexisting hospital or by the city of Benson or the county of Swift on behalf of the preexisting hospital. Any properties, real, personal, or mixed, which are acquired, owned, leased, controlled, used, or occupied by the district shall be exempt from general property taxation by the state or any of its political subdivisions, but nothing in sections 6 to 20, shall prevent the levy of special assessments for public improvements benefiting the property.*

Subd. 2. [BUDGET.] *The board of directors shall adopt a budget for each ensuing year and shall provide the budget to the city council and the county board prior to the beginning of the year to which the budget applies. The city council and county board may consider the budget and provide their comments and recommendations to the board of directors.*

Subd. 3. [POWERS.] *(a) The hospital district shall have all the powers necessary and convenient to provide for the acquisition, betterment, operation, maintenance, and administration for the hospital, including nursing home, other facilities for the residential occupancy of ambulatory elderly citizens who do not require nursing home or general hospital care and related programs, as the board of directors shall determine to be necessary and expedient. The enumeration of specific powers herein does not restrict the power of the board to take any lawful action which, in the reasonable exercise of its discretion, it deems necessary or convenient for the furtherance of the purpose for which the district exists, whether or not the power to take the action is implied from any of the powers expressly granted. These powers shall include, but not be limited to, the power to:*

(1) employ management, administrative, nursing, and other personnel,

legal counsel, engineers, architects, accountants, and other qualified persons, who may be paid for their services by monthly salaries, hourly wages, and pension benefits, or by fees as may be agreed on;

(2) cause reports, plans, studies, and recommendations to be prepared;

(3) when acquiring real and personal property as authorized in subdivision 1, contract for the acquisition by option, contract for deed, conditional sales contract, or otherwise;

(4) construct, equip, and furnish necessary buildings and grounds and maintain the same;

(5) adopt bylaws and rules and regulations to govern the operation and administration of any and all hospital, nursing home, and other facilities under its control, and for the admission of persons thereto;

(6) impose and collect charges for all services and facilities provided and made available by it;

(7) borrow money and issue bonds as prescribed in sections 6 to 20;

(8) procure insurance against liability of the district or its officers and employees, or both, for torts committed within the scope of their official duties, whether governmental or proprietary, or for errors and omissions, and against damage to or destruction of any of its facilities, equipment or other property;

(9) subject to subdivision 4, sell or lease any of its facilities or equipment as may be expedient;

(10) cause annual audits to be made of its accounts, books, vouchers, and funds by competent public accountants; this provision shall be construed to be mandatory;

(11) require a corporate surety bond from officers and employees of the district, and in the amount the board shall determine, and authorize payment of the premiums therefor; or

(12) provide loans to students as provided in Minnesota Statutes, section 447.331.

(b) If the Swift county or Benson hospital is sold or leased to a private organization, the successor employer shall provide hospital employees who were members of the public employees retirement association immediately before the lease or sale a pension program and benefits comparable to those provided by the public employees retirement association.

Subd. 4. [APPROVAL FOR SALE OR LEASE.] *Nothing contained in section 5 shall be construed to authorize the district or its board of directors to at any time sell, lease, or otherwise transfer the management, control or operation of the hospital, including nursing home or other facilities, except upon approval by a majority vote of the county board and the city council.*

Subd. 5. [BYLAWS.] *Bylaws shall be adopted to further govern the operation of the hospital district. Bylaws or any amendment or repeal of them, shall first be adopted by the board of directors, but shall not take effect until approved by the county board and the city council. Bylaws may address any subject matter pertinent to the organization and operation of the hospital district consistent with sections 6 to 20, and other applicable laws.*

Sec. 11. [PAYMENT OF EXPENSES.]

Expenses of acquisition, betterment, administration, operation, and maintenance of the hospital district shall be paid from the revenue derived therefrom and, to the extent authorized by sections 6 to 20, from the proceeds of debt incurred for the benefit of the district, and to the extent determined from time to time by the county board or the city council, from appropriations made by the county board or the city council. Money appropriated by the board of county commissioners and the city council to acquire or improve facilities of the hospital district may be transferred in the discretion of the board of directors to a sinking fund for bonds issued for that purpose. The hospital board may agree to repay to the county and the city any sums appropriated by the county board or the city council for this purpose, out of the net revenues to be derived from operation of its facilities, and subject to the terms agreed on.

Sec. 12. [TEMPORARY BORROWING AUTHORITY.]

Subdivision 1. [CERTIFICATES OF INDEBTEDNESS.] *Subject to the approval of the city and the county, the hospital district may borrow money by issuing certificates of indebtedness in anticipation of revenues and federal aids. Total indebtedness for the certificates must not exceed $50,000. The proceeds must be used for expenses of administration, operation, and maintenance of the district's hospital, nursing home, or other facilities. The approval of the city and county shall be effected by an affirmative vote of their respective governing bodies.*

Subd. 2. [RESOLUTION.] *The district may authorize and borrow and issue the certificates of indebtedness on passage of a resolution specifying the amount and reasons for borrowing. The resolution must be adopted by a vote of at least two-thirds of its board members, excluding board members who may not vote. The board shall fix the amount, date, maturity, form, denomination, and other details of the certificates and the date and place for receipt of bids for their purchase. The board shall direct the secretary to give notice of the date and place fixed.*

Subd. 3. [TERMS OF CERTIFICATES.] *Certificates must become due and payable no later than two years from the date of issuance. Certificates must be negotiable and payable to the order of the payee and have a definite due date but may be payable on or before the due date. Certificates must be sold for at least par and accrued interest and must bear interest at not more than eight percent a year. Interest must be payable at maturity or earlier as the board determines. The proceeds of current county or city appropriations, revenues derived from the facilities of the district and future federal aids, and any other district funds that become available must be applied to the extent necessary to repay the certificates.*

Sec. 13. [HOSPITALS, NURSING HOMES, AND OTHER FACILITIES; FINANCING AND LEASING.]

Subdivision 1. [FINANCING.] *Subject to the approval of the city and the county, the hospital district may issue revenue bonds by resolution of its governing body to finance the acquisition and betterment of hospital, nursing home, and other facilities. This power is in addition to other powers granted by law and includes, but is not limited to, the payment of interest during construction and for a reasonable period after construction and the establishment of reserves for bond payment and for working capital. The approval of the city and county shall be effected by an affirmative vote of*

their respective governing bodies. In connection with the acquisition of any existing hospital or nursing home facilities, the city, county, or district may retire outstanding indebtedness incurred to finance the construction of the existing facilities.

Subd. 2. [PLEDGE OF REVENUE.] *The hospital district may pledge and appropriate the revenues to be derived from its operation of the facilities to pay the principal and interest on the bonds when due and to create and maintain reserves for that purpose, as a first and prior lien on the revenues or, if so provided in the bond resolution, as a lien on the revenues subordinate to the current payment of a fixed amount or percentage or all of the costs of running the facilities.*

Sec. 14. [SECURITY FOR BONDS; PLEDGE OF CREDIT FOR BONDS.]

In the issuance of bonds the revenues or rentals must be pledged and appropriated by resolution for the use and benefit of bondholders generally, or may be pledged by the execution of an indenture or other appropriate instrument to a trustee for the bondholders. The site and facilities, or any part of them, may be mortgaged to the trustee. The governing body may enter into any covenants with the bondholders or trustee that it finds necessary and proper to assure the marketability of the bonds, the completion of the facilities, the segregation of the revenues or rentals and other funds pledged, and the sufficiency of funds for prompt and full payment of bonds and interest. The bonds shall be deemed to be payable wholly from the income of a revenue-producing convenience within the meaning of Minnesota Statutes, section 475.58, unless the appropriate governing body also pledges to their payment the full faith and credit of the county or city. In this event, notice of the intent to issue bonds with a pledge of the full faith and credit of the county or city specifying the maximum amount and the purpose of the bond issue shall be published and if, within ten days of the date of publication, a petition asking for an election on the proposition signed by voters equal to ten percent of the number of voters at the last regular election is filed with the secretary, the bonds may not be issued unless approved by a majority of the electors voting on the question at a legal election.

Sec. 15. [MISCELLANEOUS PROVISIONS.]

Bonds issued under sections 8 to 13 must be issued and sold as provided in Minnesota Statutes, chapter 475. If the bonds do not pledge the credit of the hospital district as provided in section 10, the governing body may negotiate their sale without advertisement for bids. They shall not be included in the net debt of any municipality or county, and are not subject to interest rate limitations, as defined or referred to in Minnesota Statutes, sections 475.51 and 475.55.

Sec. 16. [LEASE OF FACILITIES TO NONPROFIT OR PUBLIC CORPORATION.]

Subject to section 5, subdivision 4, the hospital district may lease hospital, nursing home, or other facilities to be run by a nonprofit or public corporation as community facilities. The facilities must be open to all residents of the community on equal terms. The district may lease related medical facilities to any person, firm, association, or corporation, at rent and on conditions agreed. The term of the lease must not exceed 30 years. The lessee may be granted an option to renew the lease for an additional term or to purchase the facilities. The terms of renewal or purchase must be

provided for in the lease. The hospital district may by resolution of its governing body agree to pay to the lessee annually, and to include in each annual budget for hospital and nursing home purposes, a fixed compensation for services agreed to be performed by the lessee in running the hospital, nursing home, or other facilities as a community facility; for any investment by the lessee of its own funds or funds granted or contributed to it in the construction or equipment of the hospital, nursing home, or other facilities; and for any auxiliary services to be provided or made available by the lessee through other facilities owned or operated by it. Services other than those provided for in the lease agreement may be compensated at rates agreed upon later. The lease agreement must, however, require the lessee to pay a net rental not less than the amount required to pay the principal and interest when due on all revenue bonds issued by the hospital district to acquire, improve, and refinance the leased facilities, and to maintain the agreed revenue bond reserve. The lease agreement must not grant the lessee an option to purchase the facilities at a price less than the amount of the bonds issued and interest accrued on them, except bonds and accrued interest paid from the net rentals before the option is exercised.

To the extent that the facilities are leased under this section for use by persons in private medical or dental or similar practice or other private business, a tax on that use must be imposed just as though the user were the owner of the space. It must be collected as provided in Minnesota Statutes, section 272.01, subdivision 2.

Sec. 17. [REFUNDING BONDS.]

The county, city, or hospital district may issue bonds by resolution of its governing body to refund bonds issued for the purposes stated in sections 6 to 20.

Sec. 18. [SWIFT COUNTY.]

The county of Swift may make appropriations in whatever amount it deems appropriate for capital acquisition, capital improvements, maintenance, and operating subsidy for a hospital district created under sections 6 to 20, and any other hospital in the county notwithstanding Minnesota Statutes, sections 376.08 and 376.09 or any other limiting statutes or laws otherwise applicable to the county. The county may also guarantee any indebtedness incurred by or on behalf of the hospital and pledge its full faith and credit in support of it.

Sec. 19. [CITY OF BENSON.]

The city of Benson may make appropriations in whatever amount it deems appropriate for the purposes of capital acquisition, capital improvements, maintenance, and operating subsidy for a hospital district created under sections 6 to 20, notwithstanding any limiting statutes or laws otherwise applicable to the city. The city may also guarantee any indebtedness incurred by or on behalf of the hospital and pledge its full faith and credit in support of it.

Sec. 20. [POWERS SUPPLEMENTARY.]

The powers granted in sections 6 to 20 are supplementary to and not in substitution for any other powers possessed by political subdivisions in connection with the acquisition, betterment, administration, operation, and maintenance of hospitals, nursing homes, and related facilities and programs or the creation of hospital districts.

Sec. 21. [EFFECTIVE DATE.]

Sections 1 to 5 are effective the day after compliance with Minnesota Statutes, section 645.021, subdivision 3, by the governing body of the Yellow Medicine county hospital district.

Sections 6 to 20 are effective upon approval by majority of the county board of the county of Swift and by a majority of the city council of the city of Benson and upon compliance with all other provisions of Minnesota Statutes, section 645.021."

"Sec. 12. [296.171] [FUEL TAX COMPACTS.]

Subdivision 1. [AUTHORITY.] *The commissioner of public safety has the powers granted to the commissioner of revenue under section 296.17. The commissioner of public safety may enter into an agreement or arrangement with the duly authorized representative of another state or make an*

independent declaration, granting to owners of vehicles properly registered or licensed in another state, benefits, privileges, and exemptions from paying, wholly or partially, fuel taxes, fees, or other charges imposed for operating the vehicles under the laws of Minnesota. The agreement, arrangement, or declaration may impose terms and conditions not inconsistent with Minnesota laws.

Subd. 2. [RECIPROCAL PRIVILEGES AND TREATMENT.] *An agreement or arrangement must be in writing and provide that when a vehicle properly licensed for fuel in Minnesota is operated on highways of the other state, it must receive exemptions, benefits, and privileges of a similar kind or to a similar degree as are extended to a vehicle properly licensed for fuel in that state, when operated in Minnesota. A declaration must be in writing and must contemplate and provide for mutual benefits, reciprocal privileges, or equitable treatment of the owner of a vehicle registered for fuel in Minnesota and the other state. In the judgment of the commissioner of public safety, an agreement, arrangement, or declaration must be in the best interest of Minnesota and its citizens and must be fair and equitable regarding the benefits that the agreement brings to the economy of Minnesota.*

Subd. 3. [COMPLIANCE WITH MINNESOTA LAWS.] *Agreements, arrangements, and declarations made under authority of this section must contain a provision specifying that no fuel license, or exemption issued or accruing under the license, excuses the operator or owner of a vehicle from compliance with Minnesota laws.*

Subd. 4. [EXCHANGES OF INFORMATION.] *The commissioner of public safety may make arrangements or agreements with other states to exchange information for audit and enforcement activities in connection with fuel tax licensing. The filing of fuel tax returns under this section is subject to the rights, terms, and conditions granted or contained in the applicable agreement or arrangement made by the commissioner under the authority of this section.*

Subd. 5. [BASE STATE FUEL COMPACT.] *The commissioner of public safety may ratify and effectuate the international fuel tax agreement or other fuel tax agreement. The commissioner's authority includes, but is not limited to, collecting fuel taxes due, issuing fuel licenses, issuing refunds, conducting audits, assessing penalties and interest, issuing fuel trip permits, issuing decals, and suspending or denying licensing.*

Subd. 6. [MINNESOTA-BASED INTERSTATE CARRIERS.] *Notwithstanding the exemption contained in section 296.17, subdivision 9, as the commissioner of public safety enters into interstate fuel tax compacts requiring base state licensing and filing and eliminating filing in the nonresident compact states, the Minnesota-based motor vehicles registered under section 168.187 will be required to license under the fuel tax compact in Minnesota.*

Subd. 7. [DELINQUENT FILING OR PAYMENT.] *If a fleet owner licensed under this section is delinquent in either filing or paying the international fuel tax agreement reports for more than 30 days, or paying the international registration plan billing under section 168.187 for more than 30 days, the fleet owner, after ten days' written notice, is subject to suspension of the apportioned license plates and the international fuel tax agreement license.*

Subd. 8. [TRANSFERRING FUNDS TO PAY DELINQUENT FEES.]

If a fleet owner licensed under this section is delinquent in either filing or paying the international fuel tax agreement reports for more than 30 days, or paying the international registration plan billing under section 168.187 for more than 30 days, the commissioner may authorize any credit in either the international fuel tax agreement account or the international registration plan account to be used to offset the liability in either the international registration plan account or the international fuel tax agreement account.

Subd. 9. [FUEL COMPACT FEES.] *License fees paid to the commissioner of public safety under the international fuel tax agreement must be deposited in the highway user tax distribution fund. The commissioner shall charge the fuel license fee of $30 established under section 296.17, subdivision 10, in annual installments of $15 and an annual application filing fee of $13 for quarterly reporting of fuel tax.*

Subd. 10. [FUEL DECAL FEES.] *The commissioner of public safety may issue and require the display of a decal or other identification to show compliance with subdivision 5. The commissioner may charge a fee to cover the cost of issuing the decal or other identification. Decal fees paid to the commissioner under this subdivision must be deposited in the highway user tax distribution fund.*

Sec. 13. [REPEALER.]

Minnesota Statutes 1990, section 296.17, subdivision 9a, is repealed."

An order must be issued as provided in this section.

Sec. 13. Minnesota Statutes 1990, section 221.041, is amended to read:

221.041 [RATE-MAKING POWERS.]

Subdivision 1. [CONSIDERATIONS; PROCEDURES.] The board shall fix and establish just, reasonable, and nondiscriminatory rates, fares, charges, and the rules and classifications incident to tariffs for ~~regular route common carriers and petroleum~~ *certificated* carriers. In prescribing rates, fares, charges, classifications, and rules for the carrying of freight, persons, or property, the board shall take into consideration the effect of the proposed rates or fares upon the users of the service and upon competitive carriers by motor vehicle and rail and, insofar as possible, avoid rates and fares

which will result in unreasonable and destructive competition. In making its determination, the board shall consider, among other things, the cost of the service rendered by the carrier, including an adequate sum for maintenance and depreciation, and an adequate operating ratio under honest, economical, and efficient management. No rate or fares may be put into effect or changed or altered except upon hearing duly had and an order therefor by the board, or except as herein otherwise provided. The board may authorize rate changes ex parte which, in its opinion, are not of sufficient import to require a hearing. In an emergency, the board may order a change in existing rates or fares without a hearing. In instances of ex parte or emergency orders, the board shall, within five days, serve a copy of its order granting the change in rates upon parties which the board deems interested in the matter, including competing carriers. An interested party shall have 30 days from the date of the issuance of the order to object to the order. If objection is made, the board shall determine whether a hearing is necessary for resolution of the material issues relating to the proposed change in rates. On finding that a hearing is unnecessary for this purpose, the board, no sooner than 30 days after issuing its initial order granting the change in rates, may enter an order finally disposing of the rate change application. On determining otherwise, the board may take final action on the rate change application and the objections to it only after a contested case hearing has been conducted under chapter 14.

Subd. 2. [FILING.] A ~~regular route common carrier and a petroleum~~ *certificated* carrier, upon approval by the board of its rates, fares, charges, and rules and classifications incident to tariffs shall file its rates, fares, charges, and tariffs with the commissioner. Filings must be prepared and filed in the manner prescribed by the commissioner. The commissioner may not accept for filing rates, fares, charges, and tariffs which have not been approved by the board.

Subd. 3. [PROHIBITIONS; COMPENSATION AND TIME SCHEDULES.] No ~~regular route common carrier or petroleum~~ *certificated* carrier may charge or receive a greater or less or different compensation for the transportation of passengers or property or for service in connection therewith than the rates, fares, and charges and the rules and classifications governing the same which have been duly approved therefor by order of the board; ~~nor may~~. A ~~regular route common carrier or petroleum~~ *certificated* carrier *may not* refund or remit in any manner or by any device a portion of those rates, fares, and charges required to be collected under the board's order; nor extend to a shipper or person a privilege or facilities in connection with the transportation of passengers or property except as are authorized under the order of the board. No passenger-carrying regular route common carrier may alter or change its time schedules except upon order of the board. The order may be issued ex parte unless the board decides that the public interest requires that a hearing be ~~had thereon~~ *held*.

Subd. 4. [NONAPPLICABILITY.] This section does not apply to any regular-route passenger transportation being performed with operating assistance provided by the regional transit board.

Sec. 14. Minnesota Statutes 1990, section 221.051, is amended to read:

221.051 [ABANDONMENT OR DISCONTINUANCE OF SERVICE.]

No regular route common carrier ~~shall~~ *of passengers or class I carrier may* abandon or discontinue any service required under its certificate without an order of the board therefor, except in cases of emergency or conditions

beyond its control.

A passenger regular route common carrier may depart from the route over which it is authorized to operate for the purpose of transporting chartered or excursion parties to any point in the state of Minnesota on such terms and conditions as the board may prescribe.

Sec. 15. Minnesota Statutes 1990, section 221.061, is amended to read:

221.061 [OPERATION CERTIFICATE FOR REGULAR ROUTE COMMON CARRIER OR PETROLEUM CARRIER.]

A person desiring a certificate authorizing operation as a regular route common carrier *of passengers, a class I carrier,* or petroleum carrier, or an extension of or amendment to that certificate, shall file a petition with the commissioner which must contain information as the board and commissioner, by rule may prescribe.

Upon the filing of a petition for a certificate, the petitioner shall pay to the commissioner as a fee for issuing the certificate the sum of $300 and for a transfer or lease of the certificate the sum of $300.

The petition must be processed as any other petition. The board shall cause a copy and a notice of hearing thereon to be served upon a competing carrier operating into a city located on the proposed route of the petitioner and to other persons or bodies politic which the board deems interested in the petition. A competing carrier and other persons or bodies politic are hereby declared to be interested parties to the proceedings.

If, during the hearing, an amendment to the petition is proposed which appears to be in the public interest, the board may allow it when the issues and the territory are not unduly broadened by the amendment.

Sec. 16. Minnesota Statutes 1990, section 221.071, subdivision 1, is amended to read:

Subdivision 1. [CONSIDERATIONS; TEMPORARY CERTIFICATES; AMENDING.] If the board finds from the evidence that the petitioner is fit and able to properly perform the services proposed and that public convenience and necessity require the granting of the petition or a part of the petition, it shall issue a certificate of public convenience and necessity to the petitioner. In determining whether a certificate should be issued, the board shall give primary consideration to the interests of the public that might be affected, to the transportation service being furnished by a railroad which may be affected by the granting of the certificate, and to the effect which the granting of the certificate will have upon other transportation service essential to the communities which might be affected by the granting of the certificate. The board may issue a certificate as applied for or issue it for a part only of the authority sought and may attach to the authority granted terms and conditions as in its judgment public convenience and necessity may require. If the petitioner is seeking authority to operate regular-route transit service wholly within the seven-county metropolitan area with operating assistance provided by the regional transit board, the board shall consider only whether the petitioner is fit and able to perform the proposed service. The operating authority granted to such a petitioner must be the operating authority for which the petitioner is receiving operating assistance from the regional transit board. A carrier receiving operating assistance from the regional transit board may amend the certificate to provide for additional routes by filing a copy of the amendment with the

board, and approval of the amendment by the board is not required if the additional service is provided with operating assistance from the regional transit board.

The board may grant a temporary certificate, ex parte, valid for a period not exceeding 180 days, upon a showing that no regular route common carrier or petroleum carrier is then authorized to serve on the route sought, that no other petition is on file with the board covering the route, and that a need for the proposed service exists.

A certificate ~~issued to a regular route common carrier or petroleum carrier~~ may be amended by the board on ex parte petition and payment of a $25 fee to the commissioner, to grant an additional or alternate route if there is no other means of transportation over the proposed additional route or between its termini, and the proposed additional route does not exceed ten miles in length.

Sec. 17. [221.072] [CLASS 1 CARRIERS.]

Subdivision 1. [AUTHORITY.] *The board may issue a class I certificate only to a motor carrier who owns, leases, or otherwise controls more than one terminal. Except as provided in subdivision 2, a motor carrier may not own, operate, or otherwise control more than one terminal without having obtained a class I certificate from the board. For purposes of this section, utilization of a local cartage carrier by a class I carrier constitutes ownership, lease, or control of a terminal.*

Subd. 2. [EXCEPTIONS.] *This section does not apply to any carrier listed in section 221.111, clauses (3) to (9).*

Subd. 3. [OPERATION.] *A class I certificate authorizes the certificate holder to transport both truckload and less-than-truckload freight to and from points named in the certificate, over routes described in the certificate. A holder of a class I certificate may transfer freight to and from another class I carrier.*

Sec. 18. Minnesota Statutes 1990, section 221.081, is amended to read:

221.081 [SALE OR LEASE OF CERTIFICATE OF REGULAR ROUTE COMMON CARRIER OR PETROLEUM CARRIER.]

(a) Except as provided in paragraph (b), certificates ~~authorizing operations as a regular route common carrier or as a petroleum carrier~~ may be sold or leased but only upon order of the board approving the same. The proposed seller and buyer or lessor and lessee of a certificate shall file a joint petition with the commissioner, setting forth the names and addresses of the parties, the identifying number of the certificate and the description of the authority which the parties seek to sell or lease, a short statement of the reasons for the proposed sale or lease, a short statement of the buyer or lessee's present operating authority, if any, a statement of all outstanding claims of creditors which are directly attributable to the operations conducted under said certificate, a copy of the contract of sale or lease and a financial statement with balance sheet and income statement, if existent, of the buyer. If it appears to the board from the contents of the petition and from the department's records, files and investigation of the petition that the approval of the sale or lease of the certificate will not adversely affect the rights of the users of the service and will not have an adverse effect on any other motor carrier, the board may make an ex parte order granting the same. When the proposed sale or lease is between persons who are direct competitors to a

material degree, the petition shall be set down for hearing with notice to the communities which may be affected by the proposed merger and to any other persons the board or department deems to be interested parties.

(b) Nothing in this section authorizes the lease of a class I certificate.

Sec. 19. Minnesota Statutes 1990, section 221.111, is amended to read:

221.111 [PERMITS TO OTHER MOTOR CARRIERS.]

Motor carriers other than ~~regular route common carriers, petroleum~~ *certificated* carriers~~,~~ and local cartage carriers~~,~~ shall obtain a permit in accordance with section 221.121~~,~~ ~~including irregular route carriers, livestock carriers, contract carriers, charter carriers, and courier service carriers~~. *The board shall issue only the following kinds of permits:*

(1) class II-T permits;

(2) class II-L permits;

(3) livestock carrier permits;

(4) contract carrier permits;

(5) charter carrier permits;

(6) courier service carrier permits;

(7) local cartage carrier permits;

(8) household goods mover permits; and

(9) temperature-controlled commodities permits.

Sec. 20. Minnesota Statutes 1990, section 221.121, subdivision 1, is amended to read:

Subdivision 1. [PERMIT CARRIERS.] *(a)* A person desiring to operate as a permit carrier, except as ~~a livestock carrier, or a local cartage carrier~~ *provided in subdivision 5 or section 221.296*, shall file a petition with the commissioner specifying the kind of permit desired, the name and address of the petitioner and the names and addresses of the officers, if a corporation, and other information as the board and commissioner may require. The board, after notice to interested parties and a hearing, shall issue the permit upon compliance with the laws and rules relating to it, if it finds that petitioner is fit and able to conduct the proposed operations, that petitioner's vehicles meet the safety standards established by the department, that the area to be served has a need for the transportation services requested in the petition, and that existing permit and certificated carriers in the area to be served have failed to demonstrate that they offer sufficient transportation services to meet fully and adequately those needs, provided that no person who holds a permit at the time sections 221.011 to 221.291 take effect may be denied a renewal of the permit upon compliance with other provisions of sections 221.011 to 221.291. A permit once granted continues in full force and effect until abandoned or unless suspended or revoked, subject to compliance by the permit holder with the applicable provisions of law and the rules of the commissioner or board governing permit carriers. No permit may be issued to a common carrier by rail permitting the common carrier to operate trucks for hire within this state, nor may a common carrier by rail be permitted to own, lease, operate, control, or have an interest in a permit carrier by truck, either by stock ownership or otherwise, directly, indirectly, through a holding company, or by stockholders or directors in

common, or in any other manner. Nothing in sections 221.011 to 221.291 prevents the board from issuing a permit to a common carrier by rail authorizing the carrier to operate trucks wholly within the limits of a municipality or within adjacent or contiguous municipalities or a common rate point served by the railroad and only as a service supplementary to the rail service now established by the carriers.

Sec. 21. Minnesota Statutes 1990, section 221.121, subdivision 4, is amended to read:

Subd. 4. [EXTENSIONS OF AUTHORITY.] The board may grant extensions of authority ex parte after due notice of a petition has been published. A party desiring to protest the petition shall file its protest by mail or in person within 20 days of the date of notice, *except that no protest may be filed against an application submitted under subdivision 6f.* If a timely filed protest is received, the matter must be placed on the calendar for hearing. If a timely protest is not received, the board may issue its order ex parte.

Sec. 22. Minnesota Statutes 1990, section 221.121, subdivision 6a, is amended to read:

Subd. 6a. [HOUSEHOLD GOODS CARRIER.] A person who desires to hold out or to operate as a carrier of household goods shall follow the procedure established in subdivision 1, and shall specifically request ~~an irregular route common carrier~~ *a household goods mover* permit ~~with authority to transport household goods~~. The permit granted by the board to a person who meets the criteria established in this subdivision and subdivision 1 shall authorize the person to hold out and to operate as ~~an irregular route common carrier of~~ *a* household goods *mover*. A person who provides or offers to provide household goods packing services and who makes any arrangement directly or indirectly by lease, rental, referral, or by other means to provide or to obtain drivers, vehicles, or transportation service for moving household goods, must have ~~an irregular route common carrier permit with authority to transport~~ *a* household goods *mover permit*.

Sec. 23. Minnesota Statutes 1990, section 221.121, is amended by adding a subdivision to read:

Subd. 6c. [CLASS II CARRIERS.] *A person desiring to operate as a permit carrier, other than as a carrier listed in section 221.111, clauses (3) to (9), shall follow the procedure established in subdivision 1 and shall specify in the petition whether the person is seeking a class II-T or class II-L permit. If the person meets the criteria established in subdivision 1, the board shall grant the class II-T or class II-L permit or both. A class II permit holder may not own, lease, or otherwise control more than one terminal. The board may not issue a class II permit to a motor carrier who owns, leases, or otherwise controls more than one terminal. For purposes of this section: (1) utilization of a local cartage carrier by a class II carrier constitutes ownership, lease, or control of a terminal; and (2) "terminal" does not include a terminal used by a permit holder who also holds a class I certificate, household goods permit, or temperature-controlled commodities permit for the unloading, docking, handling, and storage of freight transported under the certificate, household goods permit, or temperature-controlled commodities permit.*

Sec. 24. Minnesota Statutes 1990, section 221.121, is amended by adding a subdivision to read:

Subd. 6d. [TEMPERATURE-CONTROLLED COMMODITIES CARRIERS.] *A person who desires to hold out or to operate as a carrier of temperature-controlled commodities shall follow the procedure established in subdivision 1 and shall specifically request a temperature-controlled commodities permit. The permit granted by the board to a person who meets the criteria established in subdivision 1 shall authorize the person to hold out and to operate as a carrier of temperature-controlled commodities.*

Sec. 25. Minnesota Statutes 1990, section 221.121, is amended by adding a subdivision to read:

Subd. 6e. [CLASS II-T PERMITS.] *A holder of a class II-T permit may transport truckload freight to and from any point named in the permit without restriction as to routes, schedules, or frequency of service.*

Sec. 26. Minnesota Statutes 1990, section 221.121, is amended by adding a subdivision to read:

Subd. 6f. [CLASS II-L PERMITS.] *(a) A motor carrier with a class II-L permit may transport less-than-truckload freight as provided in this subdivision.*

(b) A motor carrier with a class II-L permit may transport less-than-truckload freight to and from any point named in the permit, without restriction as to routes, schedules, or frequency of service.

(c) A motor carrier with a class II-L permit may transport less-than-truckload freight to and from points within the geographic area the carrier was authorized to serve on December 31, 1992, that were not listed in the carrier's permit. Service by a carrier under this paragraph may be provided no more often than on 24 days in a 12-month period.

(d) A motor carrier described in paragraph (c) may amend the carrier's permit to add points within the geographic area the carrier was authorized to serve on December 31, 1992. The carrier must submit to the commissioner an application on a form provided by the commissioner; the application must name the points proposed to be served and include evidence of need for the proposed service. The commissioner shall transmit the application to the board. The board shall publish notice of the application in the board's weekly calendar. Failure by the board to deny the application within ten days after the date of publication in the calendar constitutes approval of the application.

Sec. 27. Minnesota Statutes 1990, section 221.131, subdivision 2, is amended to read:

Subd. 2. [PERMIT CARRIERS; ANNUAL VEHICLE REGISTRATION.] The permit holder shall pay an annual registration fee of ~~$20~~ *$40* on each vehicle, including pickup and delivery vehicles, operated by the holder under authority of the permit during the 12-month period or fraction of the 12-month period. Trailers and semitrailers used by a permit holder in combination with power units may not be counted as vehicles in the computation of fees under this section if the permit holder pays the fees for power units. The commissioner shall furnish a distinguishing annual identification card for each vehicle or power unit for which a fee has been paid. The identification card must at all times be carried in the vehicle or power unit to which it has been assigned. An identification card may be reassigned to another vehicle or power unit upon application of the permit holder and a transfer fee of $10. An identification card issued under the

provisions of this section is valid only for the period for which the permit is effective. The name and residence of the permit holder must be stenciled or otherwise shown on the outside of both doors of each registered vehicle operated under the permit. A fee of $10 is charged for the replacement of an unexpired identification card that has been lost or damaged. *The total annual registration fee per vehicle for class II-T, class II-L, household goods mover, and temperature controlled commodities permit holders, or any combination thereof, shall not exceed $40 per vehicle.*

Sec. 28. Minnesota Statutes 1990, section 221.131, subdivision 3, is amended to read:

Subd. 3. [CERTIFICATE CARRIERS; ANNUAL VEHICLE REGISTRATION.] ~~Regular route common carriers and petroleum~~ *Certificated* carriers~~, operating under sections 221.011 to 221.291,~~ shall ~~annually~~ pay ~~into the treasury of the state of Minnesota~~ an annual registration fee of ~~$20~~ *$40* for each vehicle, including pickup and delivery vehicles, operated during a calendar year. The commissioner shall issue distinguishing identification cards as provided in subdivision 2.

Sec. 29. Minnesota Statutes 1990, section 221.141, subdivision 4, is amended to read:

Subd. 4. [~~IRREGULAR ROUTE CARRIERS OF~~ HOUSEHOLD GOODS *MOVERS*.] ~~An irregular route common carrier of~~ *A* household goods *mover* shall maintain in effect cargo insurance or cargo bond in the amount of $50,000 and shall file with the commissioner a cargo certificate of insurance or cargo bond. A cargo certificate of insurance must conform to Form H, Uniform Motor Cargo Certificate of Insurance, described in Code of Federal Regulations, title 49, part 1023. A cargo bond must conform to Form J, described in Code of Federal Regulations, title 49, part 1023. Both Form H and Form J are incorporated by reference. The cargo certificate of insurance or cargo bond must be issued in the full and correct name of the person, corporation, or partnership to whom the ~~irregular route common carrier of~~ household goods *mover* permit was issued and whose operations are being insured. ~~A carrier that was issued a permit as an irregular route common carrier of household goods before August 1, 1989, shall obtain and file a cargo certificate of insurance or bond within 90 days of August 1, 1989.~~

Sec. 30. Minnesota Statutes 1990, section 221.151, subdivision 1, is amended to read:

Subdivision 1. [PETITION.] Permits, except livestock permits, issued under section 221.121 may be assigned or transferred but only upon the order of the board approving the transfer or assignment after notice and hearing.

The proposed seller and buyer or lessor and lessee of a permit, except for livestock carrier permits, shall file a joint notarized petition with the commissioner setting forth the name and address of the parties, the identifying number of the permit, and the description of the authority which the parties seek to sell or lease, a short statement of the reasons for the proposed sale or lease, a statement of outstanding claims of creditors which are directly attributable to the operation to be conducted under the permit, a copy of the contract of sale or lease, and a financial statement with a balance sheet and an income statement, if existent, of the buyer or lessee. If it appears to the board, after notice to interested parties and a hearing, from the contents of the petition, from the evidence produced at the hearing,

and from the department's records, files, and investigation that the approval of the sale or lease of the permit will not adversely affect the rights of the users of the service and will not have an adverse effect upon other competing carriers, the board may make an order granting the sale or lease. Provided, however, that the board shall make no order granting the sale or lease of a permit to a person or corporation or association which holds a certificate or permit other than local cartage carrier permit from the board under this chapter or to a common carrier by rail.

Provided further that the board shall make no order approving the sale or lease of a permit if the board finds that the price paid for the sale or lease of a permit is disproportionate to the reasonable value of the permit considering the assets and goodwill involved. The board shall approve the sale or lease of a permit only after a finding that the transferee is fit and able to conduct the operations authorized under the permit and that the vehicles the transferee proposes to use in conducting the operations meet the safety standards of the commissioner. In determining the extent of the operating authority to be conducted by the transferee under the sale or lease of the permit, the past operations of the transferor within the two-year period immediately preceding the transfer must be considered. Only such operating authority may be granted to the transferee as was actually exercised by the transferor under the transferor's authority within the two-year period immediately preceding the transfer as evidenced by bills of lading, company records, operation records, or other relevant evidence. For purposes of determining the two-year period, the date of divesting of interest or control is the date of the sale. The board shall look to the substance of the transaction rather than the form. An agreement for the transfer or sale of a permit must be reported and filed with the board within 30 days of the agreement.

If an authority to operate as a permit carrier is held by a corporation, a sale, assignment, pledge, or other transfer of the stock interest in the corporation which will accomplish a substantial or material change or transfer of the majority ownership of the corporation, as exercised through its stockholders, must be reported in the manner prescribed in the rules of the board within 30 days after the sale, assignment, pledge, or other transfer of stock. The board shall then make a finding whether or not the stock transfer does, in fact, constitute a sale, lease, or other transfer of the permit of the corporation to a new party or parties and, if they so find, then the continuance of the permit issued to the corporation may only be upon the corporation's complying with the standards and procedures otherwise imposed by this section.

Nothing in this section authorizes the lease of a class II permit.

Sec. 31. Minnesota Statutes 1990, section 221.151, is amended by adding a subdivision to read:

Subd. 3. [TRANSFER OF CERTAIN AUTHORITY.] *Operating authority described in section 26, paragraph (c), that has not been added to the motor carrier's permit under section 26, paragraph (d), may not be transferred to any person except a member of the transferor's immediate family as defined in subdivision 2.*

Sec. 32. [221.152] [CONVERSION OF PERMITS.]

Subdivision 1. [EXPIRATION OF OPERATING AUTHORITY.] *Except as provided in subdivision 3, paragraph (c), the following certificates and permits in effect on January 1, 1993, and all operating authority granted*

by those certificates and permits, expire on January 1, 1993:

(1) all certificates authorizing operation as a regular route common carrier of property, other than petroleum carrier certificates; and

(2) all permits authorizing operation as an irregular route common carrier, except those carriers listed in section 221.111, clauses (3) to (9).

Subd. 2. [CONVERSION.] *All holders of certificates and permits that expire on January 1, 1993, under subdivision 1, who wish to continue providing the service authorized by those certificates and permits, must convert the certificates and permits into class I or class II certificates or permits by that date.*

Subd. 3. [ISSUANCE OF NEW CERTIFICATES AND PERMITS.] *(a) By September 1, 1992, a motor carrier described in subdivision 2 must submit to the commissioner an application for conversion. The application must be on a form prescribed by the commissioner and must be accompanied by an application fee of $50. The application must state: (1) the name and address of the applicant; (2) the identifying number of the expiring certificates or permits the applicant wishes to convert; and (3) other information the commissioner deems necessary. An applicant for a class II-L permit must also submit a statement of the extent of operating authority that the applicant holds under the applicant's existing permit or permits and wishes to include in the new permit or permits, and evidence of the operating authority actually exercised as described in section 221.151, subdivision 1.*

(b) The commissioner shall transmit to the board all applications that meet the requirements of paragraph (a). The board shall develop an expedited process for hearing and ruling on applications submitted under this subdivision. Within 60 days after receiving an application under this subdivision, the board shall issue an order approving or denying the issuance of a new certificate or permit. The board shall issue the certificate or permit requested in the application if it finds that the issuance is authorized under this section. An application submitted to the commissioner under this subdivision by September 1, 1992, is deemed approved by the board unless by November 1, 1992, or a later date determined under paragraph (c), the board has issued an order denying the application.

(c) If the board determines that a conversion of a certificate or permit under this subdivision requires a longer period of deliberation than that provided in paragraph (b), the board may prescribe a date: (1) on which a class I certificate or class II permit becomes effective; (2) on which the application for conversion becomes effective unless denied by the board; and (3) on which the certificate or permit being converted expires. The board may not prescribe a date under clauses (1) to (3) that is later than June 30, 1993.

Subd. 4. [AUTHORITY CONVERTED.] *(a) The board shall not issue any certificate or permit under this subdivision that authorizes the carrier to serve any geographic area or transport any commodities that the carrier was not authorized to serve or transport under the expiring certificate or permit.*

(b) Notwithstanding paragraph (a), the board shall not grant a class II-L permit to an applicant under this subdivision that names points that the permit holder did not serve at any time in the two years before the effective date of this section.

(c) When a person who had been issued before January 1, 1993, an irregular route common carrier permit with authority to transport household goods applies for conversion of that permit to a class II permit under subdivision 3, the board shall issue the applicant, along with a class II permit, a household goods mover permit with the same operating authority to transport household goods as was granted under the person's irregular route common carrier permit.

(d) When a person who, before January 1, 1993, held an irregular route common carrier permit under which the person transported temperature-controlled commodities applies for conversion of that permit to a class II permit under subdivision 3, the board shall issue the applicant a temperature-controlled commodities permit with authority to operate in the same geographic area authorized under the person's irregular route common carrier permit and a class II permit.

Sec. 33. [TRANSITION.]

By August 1, 1992, the commissioner shall send a notice by certified mail, return receipt requested, to all holders of certificates and permits that expire January 1, 1993, under this act. The notice must summarize the requirements for conversion of the certificates and permits and include an application form for conversion. By August 18, 1992, the commissioner shall send a second notice by certified mail, return receipt requested, to all certificate and permit holders who have not submitted an application for conversion.

Sec. 34. [CERTAIN LEASE AGREEMENTS NOT AFFECTED.]

Nothing in this act may be construed to affect the validity of an agreement entered into before January 1, 1993, for the lease of a certificate or permit to operate as a motor carrier.

Sec. 35. [APPROPRIATION.]

$332,000 is appropriated from the trunk highway fund for the fiscal year ending June 30, 1993, for the purpose of implementing sections 1 to 34. This appropriation is available during the fiscal year ending June 30, 1992. Of this amount, $307,000 is appropriated to the commissioner of transportation and $25,000 is appropriated to the transportation regulation board. The complement of the department of transportation is increased by seven positions.

Sec. 36. [REPEALER.]

Minnesota Statutes 1990, section 221.011, subdivision 11, is repealed.

Sec. 37. [EFFECTIVE DATE.]

Sections 1 to 31 and 36 are effective January 1, 1993. Sections 32 and 33 are effective the day following final enactment. Sections 34 and 35 are effective July 1, 1992."

President of the Senate

We, the undersigned conferees for H.F. No. 2940, report that we have agreed upon the items in dispute and recommend as follows:

That the Senate recede from its amendments and that H.F. No. 2940 be further amended as follows:

"ARTICLE 1

AIDS TO LOCAL GOVERNMENTS

Section 1. Minnesota Statutes 1991 Supplement, section 16A.711, subdivision 4, is amended to read:

Subd. 4. [GENERAL FUND ADVANCES.] If the money in the trust fund is insufficient to make payments on the dates provided by law, but the commissioner estimates receipts for the ~~fiscal year~~ *biennium* will be sufficient, the commissioner shall advance money from the general fund to the trust fund necessary to make the payments. On or before the close of the biennium the trust shall repay the advances ~~with interest, calculated at the rate of earnings on invested treasurer's cash,~~ to the general fund.

Sec. 2. Minnesota Statutes 1991 Supplement, section 16A.711, is amended by adding a subdivision to read:

Subd. 5. [ADJUSTMENTS FOR LOCAL GOVERNMENT TRUST FUND REVENUES.] *For the second fiscal year of each biennium, the commissioner of revenue shall make adjustments in aid amounts so that the anticipated total obligations of the local government trust fund are equal to anticipated total revenues.*

In the event that anticipated total obligations of the trust fund exceed anticipated total revenues, each jurisdiction's aid will be reduced as provided under section 477A.0132. For fiscal year 1993 only, if reductions are necessary in an amount greater than $6,700,000, the additional reduction for the shortfall beyond $6,700,000 will be applied only to aids under section 477A.013.

In the event that anticipated total obligations of the trust fund are less than anticipated total revenues, aid amounts for the following programs will be proportionately increased to bring anticipated total expenditures

into conformance with anticipated total revenues:

(1) local government aid and equalization aid under section 477A.013;

(2) community social services aid under section 256E.06; and

(3) county criminal justice aid under section 477A.0121.

If the commissioner estimates further aid adjustments are necessary after aid amounts have already been certified, but before all aid amounts have been paid, all remaining aid payments will be increased or decreased proportionately.

Sec. 3. [16A.712] [LOCAL GOVERNMENT TRUST; APPROPRIATIONS IN FISCAL YEAR 1993 AND SUBSEQUENT YEARS.]

(a) The amounts necessary to make the following payments in fiscal year 1993 and subsequent years are appropriated from the local government trust fund to the commissioner of revenue unless otherwise specified:

(1) attached machinery aid to counties under section 273.138;

(2) in fiscal year 1993 only, supplemental homestead credit under section 273.1391. The school district's supplemental homestead credit shall be appropriated to the commissioner of education;

(3) $560,000 in fiscal year 1993 and $300,000 annually in fiscal years 1994 and 1995 for tax administration;

(4) $105,000 annually to the commissioner of finance in fiscal years 1993, 1994, and 1995 to administer the trust fund;

(5) $25,000 annually to the advisory commission on intergovernmental relations in fiscal years 1993, 1994, and 1995 to pay nonlegislative members' per diem expenses and such other expenses as the commission deems appropriate;

(6) $350,000 in fiscal year 1993 and $1,200,000 annually in fiscal years 1994 and 1995 to the intergovernmental information systems advisory council to develop a local government financial reporting system, with the participation and ongoing oversight of the legislative commission on planning and fiscal policy; and

(7) in fiscal year 1993 only, the transition credit under section 273.1398, subdivision 5, and the disparity reduction credit under section 273.1398, subdivision 4, for school districts. The school districts' transition credit and disparity reduction credit shall be appropriated to the commissioner of education.

(b) In addition, the legislature shall appropriate the rest of the trust fund receipts for fiscal year 1993 and subsequent years to finance intergovernmental aid formulas or programs prescribed by law.

Sec. 4. [207A.10] [REIMBURSEMENT OF ELECTION EXPENSES.]

Subdivision 1. [DUTIES OF SECRETARY OF STATE.] *The secretary of state shall reimburse the counties and municipalities for expenses incurred in the administration of the presidential primary from the funds appropriated by the legislature for this purpose, as provided in this section. Up to $7,500 of the appropriation for reimbursement of election expenses may be retained by the secretary of state to administer the reimbursement program.*

Subd. 2. [REIMBURSABLE EXPENSES.] *The following expenses are*

eligible for reimbursement: salaries of election judges; postage for absentee ballots; preparation of polling places, in an amount not to exceed $25 per polling place; preparation of electronic voting systems or lever voting machines, in an amount not to exceed $50 per precinct; compensation of county canvassing board members; and compensation for temporary staff or overtime payments.

Subd. 3. [CERTIFICATION OF COSTS.] *The county auditor shall certify to the secretary of state the costs incurred by the county for the presidential primary. The municipal clerk shall certify to the secretary of state the costs incurred by the municipality for the presidential primary. If the total amount certified by all units for temporary staff and overtime payments exceeds $480,000, the secretary of state shall reduce those amounts so that they do not exceed $480,000. The secretary of state shall provide each county and municipality with the appropriate forms for this certification. The secretary of state may require that the county auditor or municipal clerk provide documentation of actual expenditures made for the presidential primary. The certification of costs must be submitted to the secretary of state no later than 60 days after the presidential primary. No reimbursement of expenses must be made unless the certification of costs has been submitted as provided in this subdivision.*

Subd. 4. [APPORTIONMENT OF REIMBURSEMENTS.] *If the total amount of requests for reimbursement of expenses exceeds the total amount appropriated to the secretary of state for this purpose, the secretary of state shall proportionately reduce the reimbursements so that they do not exceed the amount appropriated.*

Sec. 5. Minnesota Statutes 1991 Supplement, section 256.025, subdivision 3, is amended to read:

Subd. 3. [PAYMENT METHODS.] (a) Beginning July 1, 1991, the state will reimburse counties for the county share of county agency expenditures for benefits and services distributed under subdivision 2 and funded by the human services account established under section 273.1392~~, except as follows:~~

Notwithstanding subdivisions 1 and 2, the increased appropriation available in fiscal year 1994 and thereafter shall be used to increase each county's aid proportionately over the aid*

received in calendar year 1992. For calendar year 1993 only, each county's aid will be adjusted appropriately to reflect the increase that is dictated to occur in the second half of the calendar year.

Sec. 8. Minnesota Statutes 1991 Supplement, section 273.1398, subdivision 5, is amended to read:

Subd. 5. [~~ADDITIONAL HOMESTEAD AND AGRICULTURAL~~ *TRANSITION* CREDIT ~~GUARANTEE~~.] Beginning with taxes payable in 1990, each unique taxing jurisdiction may receive ~~additional homestead and agricultural~~ *transition* credit ~~guarantee~~ payments.

Each year, the commissioner shall determine the total education aids paid under chapters 124 and 124A, homestead and agricultural credit aid and disparity reduction aid paid under this section, local government aid to cities, counties, and towns paid under chapter 477A, and human services aids, including, for aids paid in 1991 and thereafter, the amount paid under subdivision 5b, paid to counties for each taxing jurisdiction. The commissioner shall apportion each governmental unit's aids to each school district portion of each city and town based upon the proportion that each school district portion of each city and town's tax capacity bears to the total tax capacity of the local governmental unit. For purposes of this subdivision, "governmental unit" includes counties, cities, towns, and school districts, and excludes special taxing districts.

If the amount determined is less than the amount of homestead credit and agricultural credit received by all properties for taxes payable in 1989 in the school district portion of each city or town, the difference will be ~~additional homestead and agricultural~~ *transition* credit ~~guarantee~~ payments for that school district portion of the city or town in the following taxes payable year. The additional credit amount shall proportionately reduce the local tax rates of all governmental units levying taxes within that school district portion of the city or town in the following year. The commissioner shall certify the amounts of additional credits determined under this subdivision to the county auditor at the time provided in subdivision 6. For aid payable in 1992 and subsequent years, the aid payable under this subdivision shall be reduced by any reductions required in the current year and permanent reductions required in previous years under section 477A.0132.

Sec. 9. Minnesota Statutes 1991 Supplement, section 273.1398, subdivision 7, is amended to read:

An amount sufficient to pay the aids and credits provided under this section for counties, cities, towns, and special taxing districts, except as provided under paragraph (b), is annually appropriated from the local government trust fund to the commissioner of revenue. A jurisdiction's aid amount may be increased or decreased based on any prior year adjustments for homestead credit or other property tax credit or aid programs.*

(b) An amount sufficient to pay the aid provided under subdivision 5a is appropriated four percent from the local government trust fund and 96 percent from the general fund in fiscal year 1993 and entirely from the

Sec. 10. Minnesota Statutes 1990, section 274.20, subdivision 4, is amended to read:

Subd. 4. [APPROPRIATION.] There is annually appropriated from the general fund to the commissioner of ~~revenue~~ *education* a sum sufficient to pay the aids provided under this section *for school districts, intermediate school districts, or any group of school districts levying as a single taxing entity. There is annually appropriated from the local government trust fund to the commissioner of revenue a sum sufficient to pay the aids provided under this section to counties, cities, towns, and special taxing districts.*

Sec. 11. Minnesota Statutes 1990, section 290A.23, is amended to read:

290A.23 [APPROPRIATION.]

(d) One-half of the amount computed under paragraphs (b) and (c) for each county shall be deducted from each local government aid payment to the county under section 477A.015 in 1992 and each subsequent year. If the amount computed under paragraph (b) exceeds the amount payable to a county under subdivision 1, the excess shall be deducted from the aid payable to the county under section 273.1398, subdivision 2, and then, if necessary, from the disparity reduction aid under section 273.1398, subdivision 3. *No payments shall be made from the local government trust fund to the general fund for county aid reductions under subdivisions 3, 4, and 6.*

Sec. 14. [477A.0121] [COUNTY CRIMINAL JUSTICE AID.]

Subd. 4. [PUBLIC DEFENDER COSTS.] *Each calendar year, four percent of the total appropriation for this section shall be retained by the commissioner of revenue to make reimbursements to the commissioner of finance for payments made under section 611.27. The reimbursements shall be to defray the additional costs associated with court-ordered counsel under section 611.27. Sec. 16. Minnesota Statutes 1991 Supplement, section 477A.013, subdivision 3, is amended to read:

Subd. 3. [CITY AID DISTRIBUTION.] In 1989, a city whose initial aid is greater than $0 will receive the following aid increases in addition to an amount equal to the local government aid it received in 1988 under Minnesota Statutes 1987 Supplement, section 477A.013:

(10) for a city whose expenditure/unlimited aid ratio is less than .75, nine percent of city revenue.

In 1990, a city whose initial aid is greater than $0 will receive an amount

equal to the aid it received under this section in the year prior to that for which aids are being calculated plus an aid increase equal to 50 percent of the rates listed in clauses (1) to (10) multiplied by city revenue.

In 1991 and ~~subsequent years~~ *1992*, a city will receive an amount equal to the local government aid it received under this section in the previous year, less any permanent reductions made under section 477A.0132.

In 1993 and thereafter, a city will receive an amount equal to 103 percent of the local government aid it received under this section in 1992 before any nonpermanent reductions made under section 477A.0132.

For aids payable in 1990, a city's aid increase under this subdivision is limited to the lesser of (1) 20 percent of its levy for taxes payable in the year prior to that for which aids are being calculated, or (2) its initial aid amount, or (3) 15 percent of the total local government aid amount received under this section in the previous year, provided that no city will receive an increase that is less than two percent of its 1989 local government aid for aids payable in 1990.

A city whose initial aid is $0 will receive in 1990 an amount equal to 102 percent of the local government aid it received in 1989 under Minnesota Statutes 1988, section 477A.013. For purposes of this subdivision, the term "local government aid" does not include equalization aid amounts under subdivision 5.

Sec. 17. Minnesota Statutes 1990, section 477A.013, subdivision 5, is amended to read:

Subd. 5. The equalization aid increase under this section is limited to 12 percent of the total aid the city received under this section in the prior year. The aid under this section cannot be less than zero. For the purposes of this subdivision, "levy" includes a city's levy on fiscal disparities distribution under section 473F.08, subdivision 3, paragraph (a).

If the amount ~~allocated under section 477A.03, subdivision 1,~~ *appropriated* is insufficient to pay the aid amounts calculated under this subdivision, the commissioner of revenue shall first proportionately reduce the equalization aid increase for each city so that the sum of the equalization aid amounts paid under this subdivision equals the amount ~~allocated in section 477A.03, subdivision 1~~ *appropriated*. If the equalization aid increase is reduced to zero and the amount ~~allocated under section 477A.03, subdivision 1,~~ *appropriated* is still insufficient to pay the aid amounts under this subdivision, the remaining amount of equalization aid for each city will be reduced proportionately so that the sum of the aid paid under this subdivision equals the amount ~~allocated in section 477A.03, subdivision 1~~ *appropriated*.

Subd. 2. [CALCULATION OF AID REDUCTION.] The aid reduction to each local government as provided under subdivision 1 will be equal to the product of the reduction percentage and its reduction base. The reduction base is defined as the following:

These amounts reimburse the city for state aid decreases attributable to an error in the city's 1990 levy, payable in 1991.

If local government aid provisions are enacted in 1992 or thereafter which do not use the city's 1990 levy as a base year to determine local government aids, this section does not apply to those aids.

The commissioner of revenue shall pay the local government aid under this section from the amounts appropriated to the commissioner by law from the local government trust fund for payment of local government aid. For purposes of any proportional increases or decreases in local government aid under Minnesota Statutes, section 16A.711, due to the amount of funds in the local government trust fund, payments under this section must be included in local government aid payable to the city of Alden.

In the next edition of Minnesota Statutes, the revisor of statutes shall change references to the homestead and agricultural credit guarantee to transition credit wherever the terms appear in Minnesota Statutes.

Neither the related occupant nor the owner of the property may claim a property tax refund under chapter 290A for a homestead occupied by a relative. Homestead treatment must be afforded to units occupied by members of the cooperative association and the units must be assessed as provided in subdivision 3, provided that any unit not so occupied shall be classified

Sec. 15. Minnesota Statutes 1991 Supplement, section 273.124, subdivision 9, is amended to read:

Subd. 9. [HOMESTEAD ESTABLISHED AFTER ASSESSMENT DATE.] Any property that was not used for the purpose of a homestead on the assessment date, but which was used for the purpose of a homestead by June 1 of a year, constitutes class 1 or class 2a.

Any taxpayer meeting the requirements of this subdivision must notify the county assessor, or the assessor who has the powers of the county assessor ~~pursuant to~~ *under* section 273.063, in writing, prior to June 15 of the year of occupancy in order to qualify under this subdivision. The assessor must not deny full homestead treatment to a property that is partially homesteaded on January 2 but occupied for the purpose of a full homestead by June 1 of a year.

The county assessor and the county auditor may make the necessary changes on their assessment and tax records to provide for proper homestead classification as provided in this subdivision.

If homestead classification has not been requested as of December 15, the assessor will classify the property as nonhomestead for the current assessment year for taxes payable in the following year, provided that the owner of any property qualifying under this subdivision, which has not been accorded the benefits of this subdivision, ~~regardless of whether or not the notification has been timely filed,~~ may be entitled to receive homestead classification by proper application as provided in section ~~270.07 or~~ 375.192.

The county assessor shall publish in a newspaper of general circulation within the county no later than June 1 of each year a notice informing the public of the requirement to file an application for homestead prior to June 15.

Sec. 16. Minnesota Statutes 1991 Supplement, section 273.124, subdivision 13, is amended to read:

Subd. 13. [~~SOCIAL SECURITY NUMBER REQUIRED FOR~~ HOMESTEAD APPLICATION.] *On or before January 2, 1993, each county assessor shall mail a homestead application to the owner of each parcel of property within the county which was classified as homestead for the 1992 assessment year. The format and contents of a uniform homestead application shall be prescribed by the commissioner of revenue. The commissioner shall consult with the chairs of the house and senate tax committees on the contents of the homestead application form. The application must clearly inform the taxpayer that this application must be signed by all owners of the property and returned to the county assessor in order for the property to continue receiving homestead treatment. The envelope containing the homestead application shall clearly identify its contents and alert the taxpayer of its necessary immediate response.*

Every four years after the initial homestead application has been filed under this subdivision, a county shall mail a homestead application to the owner of each parcel of property to verify the continued eligibility for homestead status for all properties classified as homestead within the county in the prior year's assessment. The homestead application and procedures

shall be done in the same manner as contained in this subdivision for the 1993 homestead application.

On the homestead application each owner shall disclose the location of any other residential property in the state in which the owner holds full or partial ownership and for which homestead status has been granted or has been applied for at the time of the application. Each owner must also disclose the name and social security number of any relative occupying a property qualifying as a homestead under section 273.124, subdivision 1, paragraph (c). Failure to disclose the information required under this paragraph may result in the imposition of the penalty provided under this subdivision.

Every property owner applying for homestead classification must furnish to the county assessor ~~that owner's~~ *the* social security number *of each person who is listed as an owner of the property listed on the homestead application.* If the social security number is not provided, the county assessor shall classify the property as nonhomestead. The social security numbers of the property owners are private data on individuals as defined by section 13.02, subdivision 12, but, notwithstanding that section, the private data may be disclosed to the commissioner of revenue.

If residential real estate is occupied and used for purposes of a homestead by a relative of the owner and qualifies for a homestead under section 273.124, subdivision 1, paragraph (c), in order for the property to receive homestead status, a homestead application must be filed with the assessor. The social security number of each relative occupying the property and the social security number of each owner of the property shall be required on the homestead application filed under this subdivision. If a different relative of the owner subsequently occupies the property, the owner of the property must notify the assessor within 30 days of the change in occupancy.

The homestead application shall also notify the property owners that the application filed under this section will not be mailed annually and that if the property is granted homestead status for the 1993 assessment, that same property shall remain classified as homestead until the property is sold or transferred to another person, or the owners or the relatives no longer use the property as their homestead. Upon the sale or transfer of the homestead property, a certificate of value must be timely filed with the county auditor as provided under section 272.115. Failure to notify the county within 30 days that the property has been sold, transferred, or that the owner or the relative is no longer occupying the property as a homestead, shall result in the penalty provided under this subdivision and the property will lose its current homestead status.

If the initial homestead application is not returned within 30 days, the county will send a second application to the present owners of record. The notice of proposed property taxes prepared under section 275.065, subdivision 3, shall reflect the property's classification. If a homestead application has not been filed with the county by December 15, the assessor shall classify the property as nonhomestead for the current assessment year for taxes payable in the following year, provided that the owner may be entitled to receive the homestead classification by proper application under section 375.192.

At the request of the commissioner, each county must give the commissioner a list that includes the name and social security number of each property owner applying for homestead classification *under this subdivision.*

If, in comparing the lists supplied by the counties, the commissioner finds that a property owner is claiming more than one homestead, the commissioner shall notify the appropriate counties. Within 90 days of the notification, the county assessor shall investigate to determine if the homestead classification was properly claimed. If the property owner does not qualify, the county assessor shall notify the county auditor who will determine the amount of homestead benefits that had been improperly allowed. For the purpose of this section, "homestead benefits" means the tax reduction resulting from the classification as a homestead under section 273.13, the taconite homestead credit under section 273.135, and the supplemental homestead credit under section 273.1391. The county auditor shall send a notice to the owners of the affected property, demanding reimbursement of the homestead benefits plus a penalty equal to ~~50~~ *100* percent of the homestead benefits. The property owners may appeal the county's determination by filing a notice of appeal with the Minnesota tax court within 60 days of the date of the notice from the county.

If the amount of homestead benefits and penalty is not paid within 60 days, and if no appeal has been filed, the county auditor shall certify the amount *of taxes and penalty* to the succeeding year's tax list to be collected as part of the property taxes.

Any amount of homestead benefits recovered *by the county* from the property owner ~~must be transmitted to the commissioner by the end of each calendar quarter~~ *shall be distributed to the county, city or town, and school district where the property is located in the same proportion that each taxing district's levy was to the total of the three taxing districts' levy for the current year*. Any amount recovered attributable to taconite homestead credit shall be transmitted to the St. Louis county auditor to be deposited in the taconite property tax relief account. The *total* amount of penalty collected must be deposited in the county general fund.

~~The commissioner will provide suggested homestead applications to each county.~~ If a property owner has applied for more than one homestead and the county assessors cannot determine which property should be classified as homestead, the county assessors will refer the information to the commissioner. The commissioner shall make the determination and notify the counties within 60 days.

In addition to lists of homestead properties, the commissioner may ask the counties to furnish lists of all properties and the record owners.

Thereafter, for nonhomestead property, on the first day of November and December following,

an additional penalty of four percent for each month shall accrue and be charged on all such unpaid taxes. If one-half of such taxes shall not be paid prior to May 16 or 21 days after the postmark date on the envelope containing the property tax statement, whichever is later, the same may be paid at any time prior to October 16, with accrued penalties to the date of payment added, and thereupon no penalty shall attach to the remaining one-half until October 16 following.

This section applies to payment of personal property taxes assessed against improvements to leased property, except as provided by section 277.01, subdivision 3.

A county may provide by resolution that in the case of a property owner that has multiple tracts or parcels with aggregate taxes exceeding $50, payments may be made in installments as provided in this subdivision.

The county treasurer may accept payments of more or less than the exact amount of a tax installment due. If the accepted payment is less than the amount due, payments must be applied first to the penalty accrued for the year the payment is made. Acceptance of partial payment of tax does not constitute a waiver of the minimum payment required as a condition for filing an appeal under section 278.03 or any other law, nor does it affect the order of payment of delinquent taxes under section 280.39.

Sec. 26. Minnesota Statutes 1991 Supplement, section 281.17, is amended to read:

281.17 [PERIOD FOR REDEMPTION.]

The period of redemption for all lands sold to the state at a tax judgment sale shall be three years from the date of sale to the state of Minnesota if the land is within an incorporated area unless it is: (a) nonagricultural homesteaded land as defined in section 273.13, subdivision 22; (b) homesteaded agricultural land as defined in section 273.13, subdivision 23, paragraph (a); or (c) seasonal recreational land as defined in section 273.13, subdivision 22, paragraph (c), 23, paragraph (c), or 25, paragraph (c), clause (5), for which the period of redemption is five years from the date of sale to the state of Minnesota.

The period of redemption for homesteaded lands as defined in section 273.13, subdivision 22, located in a targeted neighborhood as defined in Laws 1987, chapter 386, article 6, section 4, and sold to the state at a tax judgment sale is three years from the date of sale. The period of redemption for all lands located in a targeted neighborhood as defined in Laws 1987, chapter 386, article 6, section 4, except *(1)* homesteaded lands as defined in section 273.13, subdivision 22, *and (2) for periods of redemption beginning after June 30, 1991, but before July 1, 1996, lands located in the Loring Park targeted neighborhood on which a notice of lis pendens has been served*, and sold to the state at a tax judgment sale is one year from the date of sale.

The period of redemption for all other lands sold to the state at a tax judgment sale shall be five years from the date of sale, except that the period of redemption for nonhomesteaded agricultural land as defined in section 273.13, subdivision 23, paragraph (b), shall be two years from the date of sale if at that time that property is owned by a person who owns one or more parcels of property on which taxes are delinquent, and (1) the aggregate tax capacity of that property exceeds five percent of the total tax capacity of the school district in which the property is located, or (2) the

delinquent taxes are more than 25 percent of the prior year's school district levy.

Sec. 27. Minnesota Statutes 1990, section 282.01, subdivision 7, is amended to read:

Subd. 7. [SALES, WHEN COMMENCED, HOW LAND OFFERED FOR SALE.] The sale herein provided for shall commence at such time as the county board of the county wherein such parcels lie, shall direct. The county auditor shall offer the parcels of land in order in which they appear in the notice of sale, and shall sell them to the highest bidder, but not for a less sum than the appraised value, until all of the parcels of land shall have been offered, and thereafter shall sell any remaining parcels to anyone offering to pay the appraised value thereof, *except that if the person could have repurchased a parcel of property under section 282.012 or 282.241, that person shall not be allowed to purchase that same parcel of property at the sale under this subdivision unless approved by the county board.* Said sale shall continue until all such parcels are sold or until the county board shall order a reappraisal or shall withdraw any or all such parcels from sale. Such list of lands may be added to and the added lands may be sold at any time by publishing the descriptions and appraised values of such parcels of land as shall have become forfeited and classified as nonconservation since the commencement of any prior sale or such parcels as shall have been reappraised, or such parcels as shall have been reclassified as nonconservation or such other parcels as are subject to sale but were omitted from the existing list for any reason in the same manner as hereinafter provided for the publication of the original list, provided that any parcels added to such list shall first be offered for sale to the highest bidder before they are sold at appraised value. All parcels of land not offered for immediate sale, as well as parcels of such lands as are offered and not immediately sold shall continue to be held in trust by the state for the taxing districts interested in each of said parcels, under the supervision of the county board, and such parcels may be used for public purposes until sold, as the county board may direct.

Sec. 28. Minnesota Statutes 1990, section 282.012, is amended to read:

282.012 [PRIOR OWNER MAY PURCHASE; CONDITIONS.]

At ~~any time not less than~~ *least* one week ~~prior to~~ *before* the date of ~~such~~ sale, the person who was the owner of any included parcel ~~at the time~~ when it forfeited to the state for nonpayment of taxes, or the person's heirs, successors or assigns or any person to whom the right to pay taxes on such lands was given by statute, mortgage, or other agreement, may purchase ~~such~~ *the* parcel ~~at~~. *The purchase price is the greater of (1)* the appraised value ~~thereof,~~ *of the parcel, or (2) the sum of all delinquent taxes and assessments, computed under section 282.251, together with penalties, interest, and costs, that accrued or would have accrued if the parcel had not forfeited to the state.* The purchaser's title and right ~~to be~~ *is* conditioned upon the primary use as designated by the resolution of the county board. The right of ~~such~~ *the* purchaser to purchase shall be evidenced by the purchaser's duly verified written application showing *the* qualifications ~~as hereinabove prescribed~~ *required by this section* and filed with the county auditor.

Sec. 29. Minnesota Statutes 1990, section 282.241, is amended to read:

282.241 [REPURCHASE AFTER FORFEITURE FOR TAXES.]

The owner at the time of forfeiture, or the owner's heirs, devisees, or representatives, or any person to whom the right to pay taxes was given by statute, mortgage, or other agreement, may repurchase any parcel of land claimed by the state to be forfeited to the state for taxes unless ~~prior to~~ *before* the time repurchase is made ~~such~~ *the* parcel ~~shall have been~~ *is* sold under installment payments, or otherwise, by the state as provided by law, or is under mineral prospecting permit or lease, or proceedings have been commenced by the state or any of its political subdivisions or by the United States to condemn such parcel of land. ~~Said~~ *The* parcel of land may be repurchased ~~for a sum equal to the aggregate~~. *The repurchase price is the greater of (1) the appraised value of the parcel, or (2) the sum* of all delinquent taxes and assessments computed ~~as provided by~~ *under* section 282.251, together with penalties, interest, and costs, ~~which did~~ *that accrued* or would have accrued if ~~such~~ *the* parcel of land had not forfeited to the state. Except for property which was homesteaded on the date of forfeiture, such repurchase shall be permitted during one year only from the date of forfeiture, and in any case only after the adoption of a resolution by the board of county commissioners determining that thereby undue hardship or injustice resulting from the forfeiture will be corrected, or that permitting such repurchase will promote the use of such lands that will best serve the public interest. If the county board has good cause to believe that a repurchase installment payment plan for a particular parcel is unnecessary and not in the public interest, the county board may require as a condition of repurchase that the entire repurchase price be paid at the time of repurchase. A repurchase shall be subject to any easement, lease, or other encumbrance granted by the state prior thereto, and if said land is located within a restricted area established by any county under Laws 1939, chapter 340, such repurchase shall not be permitted unless said resolution with respect thereto is adopted by the unanimous vote of the board of county commissioners.

Sec. 30. Minnesota Statutes 1991 Supplement, section 290A.04, subdivision 2h, is amended to read:

Subd. 2h. (a) If the gross property taxes payable on a homestead increase more than ~~ten~~ *12* percent over the net property taxes payable in the prior year on the same property that is owned by the same owner in both years, and the amount of that increase is ~~$40 or more for taxes payable in 1990 and 1991, $60 or more for taxes payable in 1992,~~ $80 or more for taxes payable in 1993, and $100 or more for taxes payable in 1994, a claimant who is a homeowner shall be allowed an additional refund equal to ~~the sum of (1) 75 percent of the first $250 of the amount of the increase over ten percent for taxes payable in 1990 and 1991, 75 percent of the first $275 of the amount of the increase over ten percent for taxes payable in 1992,~~ 75 percent of the ~~first $300 of the~~ amount of the increase over ~~ten~~ *the greater of 12* percent *of the prior year's net property taxes payable or $80* for taxes payable in 1993, and 75 percent ~~of the first $325~~ of the amount of the increase over ~~ten percent~~ *the greater of 12 percent of the prior year's net property taxes payable or $100* for taxes payable in 1994~~, and (2) 90 percent of the amount of the increase over ten percent plus $250 for taxes payable in 1990 and 1991, 90 percent of the amount of the increase over ten percent plus $275 for taxes payable in 1992, 90 percent of the amount of the increase over ten percent plus $300 for taxes payable in 1993, and 90 percent of the amount of the increase over ten percent plus $325 for taxes payable in 1994~~. This subdivision shall not apply to any increase in the gross property taxes

payable attributable to improvements made to the homestead after the assessment date for the prior year's taxes.

In the case of refunds for property taxes payable in 1993 and thereafter, the maximum refund allowed under this subdivision is $1,500.

(b) For purposes of this subdivision, the following terms have the meanings given:

(1) "Net property taxes payable" means property taxes payable after reductions made under sections 273.13, subdivisions 22 and 23; 273.135; 273.1391; and 273.42, subdivision 2, and any other state paid property tax credits and after the deduction of tax refund amounts for which the claimant qualifies pursuant to subdivision 2 and this subdivision.

(2) "Gross property taxes" means net property taxes payable determined without regard to the refund allowed under this subdivision.

(c) In addition to the other proofs required by this chapter, each claimant under this subdivision shall file with the property tax refund return a copy of the property tax statement for taxes payable in the preceding year or other documents required by the commissioner.

On or before December 1, ~~1990, and December 1 of each of the following three years~~ *1993*, the commissioner shall estimate the cost of making the payments provided by this subdivision for taxes payable in the following year. Notwithstanding the open appropriation provision of section 290A.23, if the estimated total refund claims for taxes payable in ~~1991, 1993, or~~ 1994 exceed ~~the following amounts for the taxes payable year designated~~ *$5,500,000*, the commissioner shall increase the ~~dollar~~ *$100* amount of tax increase which must occur before a taxpayer qualifies for a refund, *and increase by an equal amount the $100 threshold used in determining the amount of the refund*, so that the estimated total refund claims do not exceed ~~the appropriation limit~~ *$5,500,000*.

~~Taxes payable in:~~	~~Appropriation limit~~
~~1991~~	~~$13,000,000~~
~~1993~~	~~$6,000,000~~
~~1994~~	~~$5,500,000~~

The determinations of the revised thresholds by the commissioner are not rules subject to chapter 14.

Sec. 31. [290A.25] [VERIFICATION OF SOCIAL SECURITY NUMBERS.]

Annually, the commissioner of revenue shall furnish a list to the county assessor containing the names and social security numbers of persons who have applied for both homestead classification under section 273.13 and a property tax refund as a renter under this chapter.

Within 90 days of the notification, the county assessor shall investigate to determine if the homestead classification was improperly claimed. If the property owner does not qualify, the county assessor shall notify the county auditor who will determine the amount of homestead benefits that has been improperly allowed. For the purpose of this section, "homestead benefits" means the tax reduction resulting from the classification as a homestead under section 273.13, and the taconite homestead credit under section 273.1391. The county auditor shall send a notice to the owners of the

property, demanding reimbursement of the homestead benefits plus a penalty equal to 100 percent of the homestead benefits. The property owners may appeal the county's determination by filing a notice of appeal with the Minnesota tax court within 60 days of the date of the notice from the county.

If the amount of homestead benefits and penalty is not paid within 60 days, and if no appeal has been filed, the county auditor shall certify the amount of taxes and penalty to the succeeding year's tax list to be collected as part of the property taxes.

Any amount of homestead benefits recovered by the county from the property owner shall be distributed to the county, city or town, and school district where the property is located in the same proportion that each taxing district's levy was to the total of the three taxing districts' levy for the current year. Any amount recovered attributable to taconite homestead credit shall be transmitted to the St. Louis county auditor to be deposited in the taconite property tax relief account. The total amount of penalty collected must be deposited in the county general fund.

Sec. 32. Minnesota Statutes 1990, section 327C.01, is amended by adding a subdivision to read:

Subd. 9a. [RESIDENT ASSOCIATION.] *"Resident association" means an organization that has the written permission of the owners of at least 51 percent of the manufactured homes in the park to represent them, and which is organized for the purpose of resolving matters relating to living conditions in the manufactured home park.*

Sec. 33. Minnesota Statutes 1990, section 327C.12, is amended to read:

327C.12 [RETALIATORY CONDUCT PROHIBITED.]

A park owner may not increase rent, decrease services, alter an existing rental agreement or seek to recover possession or threaten such action in whole or in part as a penalty for a resident's:

(a) good faith complaint to the park owner or to a government agency or official; ~~or~~

(b) good faith attempt to exercise rights or remedies pursuant to state or federal law. In any proceeding in which retaliatory conduct is alleged, the burden of proving otherwise shall be on the park owner if the owner's challenged action began within 90 days after the resident engaged in any of the activities protected by this section. If the challenged action began more than 90 days after the resident engaged in the protected activity, the party claiming retaliation must make a prima facie case. The park owner must then prove otherwise*; or*

(c) joining and participating in the activities of a resident association as defined under section 327C.01, subdivision 9a.

Sec. 34. Minnesota Statutes 1991 Supplement, section 375.192, subdivision 2, is amended to read:

Subd. 2. Upon written application by the owner of the property, the county board may grant the reduction or abatement of estimated market valuation or taxes and of any costs, penalties, or interest on them as the board deems just and equitable and order the refund in whole or part of any taxes, costs, penalties, or interest which have been erroneously or unjustly paid. The county board may also grant the abatement of penalties for taxes paid within 30 days of the due date, regardless of the classification

of the property. The application must include the social security number of the applicant. The social security number is private data on individuals as defined by section 13.02, subdivision 12. The application must be approved by the county assessor, or, if the property is located in a city of the first or second class having a city assessor, by the city assessor, and by the county auditor before consideration by the county board. If the application is for abatement of penalty or interest, the application must be approved by the county treasurer and county auditor. No reduction, abatement, or refund of any special assessments made or levied by any municipality for local improvements shall be made unless it is also approved by the board of review or similar taxing authority of the municipality. Before taking action on any reduction or abatement where the reduction of taxes, costs, penalties, and interest exceed $10,000, the county board shall give 20 days' notice to the school board and the municipality in which the property is located. The notice must describe the property involved, the actual amount of the reduction being sought, and the reason for the reduction. If the school board or the municipality object to the granting of the reduction or abatement, the county board must refer the abatement or reduction to the commissioner of revenue with its recommendation. The commissioner shall consider the abatement or reduction under section 270.07, subdivision 1.

An appeal may not be taken to the tax court from any order of the county board made in the exercise of the discretionary authority granted in this section.

The county auditor shall notify the commissioner of revenue of all abatements resulting from the erroneous classification of real property, for tax purposes, as nonhomestead property. For the abatements relating to the current year's tax processed through June 30, the auditor shall notify the commissioner on or before July 31 of that same year of all abatement applications granted. For the abatements relating to the current year's tax processed after June 30 through the balance of the year, the auditor shall notify the commissioner on or before the following January 31 of all applications granted. The county auditor shall submit a form containing the social security number of the applicant and such other information the commissioner prescribes.

Sec. 35. Minnesota Statutes 1990, section 381.12, subdivision 2, is amended to read:

Subd. 2. [EXPENSE, TAX LEVY.] ~~For the purpose of defraying the expense incurred, or to be incurred in the preservation and restoration of monuments under this section,~~ The county board of any county may levy a tax upon all the taxable property in the county *for the purpose of defraying the expense incurred, or to be incurred for:*

(1) the preservation and restoration of monuments under this section;

(2) the preservation or establishment of control monuments for mapping activities;

(3) the modernization of county land records through the use of parcel-based land management systems; or

(4) the establishment of geographic (GIS), land (LIS), management (MIS) information systems.

Sec. 36. Minnesota Statutes 1990, section 473.388, subdivision 4, is amended to read:

Subd. 4. [FINANCIAL ASSISTANCE.] The board may grant the requested financial assistance if it determines that the proposed service is consistent with the approved implementation plan and is intended to replace the service to the applying city or town or combination thereof by the transit commission and that the proposed service will meet the needs of the applicant at least as efficiently and effectively as the existing service.

The amount of assistance which the board may provide under this section may not exceed the sum of:

(a) the portion of the available local transit funds which the applicant proposes to use to subsidize the proposed service; and

(b) an amount of financial assistance bearing an identical proportional relationship to the amount under clause (a) as the total amount of financial assistance to the transit commission bears to the total amount of taxes collected by the board under section 473.446. The board shall pay the amount to be provided to the recipient from the assistance the board would otherwise pay to the transit commission.

For purposes of this section "available local transit funds" means 90 percent of the tax revenues which would accrue to the board from the tax it levies under section 473.446 in the applicant city or town or combination thereof.

For purposes of this section, "tax revenues" in the city or town means the sum of the following:

(1) the nondebt spread levy, which is the total of the taxes extended by application of the local tax rate for nondebt purposes on the taxable net tax capacity;

(2) the portion of the fiscal disparity distribution levy under section 473F.08, subdivision 3, attributable to nondebt purposes; and

(3) the portion of the homestead credit and agricultural credit aid and disparity reduction aid amounts under section 273.1398, subdivisions 2 and 3, attributable to nondebt purposes.

Tax revenues do not include the state feathering reimbursement under section 473.446.

Sec. 37. Minnesota Statutes 1990, section 473.711, subdivision 2, is amended to read:

Subd. 2. The metropolitan mosquito control commission shall prepare an annual budget. The budget may provide for expenditures in an amount not exceeding the property tax levy limitation determined in this subdivision. The commission may levy a tax on all taxable property in the district as defined in section 473.702 to provide funds for the purposes of sections 473.701 to 473.716. The tax shall not exceed the property tax levy limitation determined in this subdivision. A participating county may agree to levy an additional tax to be used by the commission for the purposes of sections 473.701 to 473.716 but the sum of the county's and commission's taxes may not exceed the county's proportionate share of the property tax levy limitation determined under this subdivision based on the ratio of its total net tax capacity to the total net tax capacity of the entire district as adjusted by section 270.12, subdivision 3. The auditor of each county in the district shall add the amount of the levy made by the district to other taxes of the

county for collection by the county treasurer with other taxes. When collected, the county treasurer shall make settlement of the tax with the district in the same manner as other taxes are distributed to political subdivisions. No county shall levy any tax for mosquito, disease vectoring tick, and black gnat (Simuliidae) control except under sections 473.701 to 473.716. The levy shall be in addition to other taxes authorized by law and shall be disregarded in the calculation of limits on taxes imposed by chapter 275.

The property tax levied by the metropolitan mosquito control commission shall not exceed the following amount for the years specified:

(a) for taxes payable in 1988, the product of six-tenths on one mill multiplied by the total assessed valuation of all taxable property located within the district as adjusted by the provisions of Minnesota Statutes 1986, sections 272.64; 273.13, subdivision 7a; and 275.49;

(b) for taxes payable in 1989, the product of (1) the commission's property tax levy limitation for the taxes payable year 1988 determined under clause (a) multiplied by (2) an index for market valuation changes equal to the assessment year 1988 total market valuation of all taxable property located within the district divided by the assessment year 1987 total market valuation of all taxable property located within the district; ~~and~~

(c) for taxes payable in 1990, *1991*, and ~~subsequent years~~ *1992*, the product of (1) the commission's property tax levy limitation for the previous year determined under this subdivision multiplied by (2) an index for market valuation changes equal to the total market valuation of all taxable property located within the district for the current assessment year divided by the total market valuation of all taxable property located within the district for the previous assessment year;

(d) for taxes payable in 1993, the product of (1) the commission's certified property tax levy for the previous year determined under this subdivision multiplied by (2) an index for market valuation changes equal to the total market valuation of all taxable property located within the district for the current assessment year divided by the total market valuation of all taxable property located within the district for the previous assessment year; and

(e) for taxes payable in 1994 and subsequent years, the product of (1) the commission's property tax levy limitation for the previous year determined under this subdivision multiplied by (2) an index for market valuation changes equal to the total market valuation of all taxable property located within the district for the current assessment year divided by the total market valuation of all taxable property located within the district for the previous assessment year.

For the purpose of determining the commission's property tax levy limitation for the taxes payable year 1988 and subsequent years under this subdivision, "total market valuation" means the total market valuation of all taxable property within the district without valuation adjustments for fiscal disparities (chapter 473F), tax increment financing (sections 469.174 to 469.179), and high voltage transmission lines (section 273.425).

Sec. 38. Minnesota Statutes 1990, section 473.714, is amended to read:

473.714 [COMPENSATION OF COMMISSIONERS.]

Subdivision 1. [COMPENSATION.] *Except as provided in subdivision 2,* each commissioner, including the officers of the commission shall be reimbursed for actual and necessary expenses incurred in the performance of

duties. The chair shall be paid a per diem for attending meetings, monthly, executive, and special, and each commissioner shall be paid a per diem for attending meetings, monthly, executive, and special, which per diem shall be established by the commission~~, such expense reimbursement and per diem notwithstanding any other funds which such commissioners may receive from any other public body~~. *A commissioner who receives a per diem from the commissioner's county shall not be paid a per diem for the same day by the commission for attending meetings of the commission.* The annual budget of the commission shall provide as a separate account anticipated expenditures for per diem, travel and associated expenses for the chair and members, and compensation or reimbursement shall be made to the chair or members only when budgeted.

Subd. 2. [CERTAIN COMMISSIONERS.] *A commissioner whose annual public salary is $25,000 or more shall only be reimbursed for expenses related to travel.*

Sec. 39. [473F.001] [CITATION.]

This chapter shall be cited as the "Charles R. Weaver metropolitan revenue distribution act."

Sec. 40. Minnesota Statutes 1990, section 473H.10, subdivision 3, is amended to read:

Subd. 3. [COMPUTATION OF TAX; STATE REIMBURSEMENT.] (a) After having determined the market value of all land valued according to subdivision 2, the assessor shall compute the ~~gross~~ *net* tax capacity of those properties by applying the appropriate class rates. When computing the rate of tax pursuant to section 275.08, the county auditor shall include the ~~gross~~ *net* tax capacity of land as provided in this clause.

(b) The county auditor shall compute the tax on lands valued according to subdivision 2 and nonresidential buildings by multiplying the ~~gross~~ *net* tax capacity times the total local tax rate for all purposes as provided in clause (a).

(c) *The county auditor shall then compute the tax on lands valued according to subdivision 2 and nonresidential buildings by multiplying the net tax capacity times the total local tax rate for all purposes as provided in clause (a), subtracting $1.50 per acre of land in the preserve.*

(d) The county auditor shall then compute the maximum ad valorem property tax on lands valued according to subdivision 2 and nonresidential buildings by multiplying the ~~gross~~ *net* tax capacity times 105 percent of the previous year's statewide average local tax rate levied on property located within townships for all purposes.

~~(d)~~ *(e)* The tax due and payable by the owner of preserve land valued according to subdivision 2 and nonresidential buildings will be the amount determined in clause ~~(b) or~~ (c) *or (d)*, whichever is less. ~~If the gross tax in clause (c) is less than the gross tax in clause (b),~~ The state shall reimburse the taxing jurisdictions for the amount of *the* difference *between the net tax determined under this clause and the gross tax in clause (b).* Residential buildings shall continue to be valued and classified according to the provisions of sections 273.11 and 273.13, as they would be in the absence of this section, and the tax on those buildings shall not be subject to the limitation contained in this clause.

The county may transfer money from the county conservation account

created in section 40A.152 to the county revenue fund to reimburse the fund for the tax lost as a result of this subdivision or to pay taxing jurisdictions within the county for the tax lost. The county auditor shall certify to the commissioner of revenue on or before June 1 the total amount of tax lost to the county and taxing jurisdictions located within the county as a result of this subdivision and the extent that the tax lost exceeds funds available in the county conservation account. Payment shall be made by the state on December 15 to each of the affected taxing jurisdictions, other than school districts, in the same proportion that the ad valorem tax is distributed if the county conservation account is insufficient to make the reimbursement. There is annually appropriated from the Minnesota conservation fund under section 40A.151 to the commissioner of revenue an amount sufficient to make the reimbursement provided in this subdivision. If the amount available in the Minnesota conservation fund is insufficient, the balance that is needed is appropriated from the general fund.

Sec. 41. Minnesota Statutes 1990, section 488A.20, subdivision 4, is amended to read:

Subd. 4. The administrator shall deduct the fees from any fine collected for the state of Minnesota or a governmental subdivision other than a city or town within Ramsey County and transmit the balance in accordance with the law, and the deduction of the total of the fees each month from the total of all the fines collected is hereby expressly made an appropriation of funds for payment of the fees:

PROPOSED AND FINAL TAX NOTICES

Section 1. Minnesota Statutes 1991 Supplement, section 273.1398, subdivision 6, is amended to read:

Subd. 6. [PAYMENT.] The commissioner shall certify the aids provided in subdivisions 2, 2b, 3, and 5 before ~~December~~ *September* 1, ~~1989, and~~

~~October 1 thereafter~~ of the year preceding the distribution year to the county auditor of the affected local government. The aids provided in subdivisions 2, 2b, 3, and 5 must be paid to local governments other than school districts at the times provided in section 477A.015 for payment of local government aid to taxing jurisdictions, except that the first one-half payment of disparity reduction aid provided in subdivision 3 must be paid on or before August 31. The disparity reduction credit provided in subdivision 4 must be paid to taxing jurisdictions other than school districts at the time provided in section 473H.10, subdivision 3. Aids and credit reimbursements to school districts must be certified to the commissioner of education and paid under section 273.1392. Except for education districts and secondary cooperatives that receive revenue according to section 124.2721 or 124.575, payment shall not be made to any taxing jurisdiction that has ceased to levy a property tax.

Sec. 2. Minnesota Statutes 1991 Supplement, section 275.065, subdivision 1, is amended to read:

Subdivision 1. [PROPOSED LEVY.] Notwithstanding any law or charter to the contrary, on or before September ~~1~~ *15*, each taxing authority, other than a school district, shall adopt a proposed budget and each taxing authority shall certify to the county auditor the proposed or, in the case of a town, the final property tax levy for taxes payable in the following year. If the board of estimate and taxation or any similar board that establishes maximum tax levies for taxing jurisdictions within a first class city certifies the maximum property tax levies for funds under its jurisdiction by charter to the county auditor by September ~~1~~ *15*, the city shall be deemed to have certified its levies for those taxing jurisdictions. For purposes of this section, "taxing authority" includes all home rule and statutory cities, towns, counties, school districts, and special taxing districts. The commissioner of revenue shall determine what constitutes a special taxing district for purposes of this section. Intermediate school districts that levy a tax under chapter 136D, joint powers boards established under sections 124.491 to 124.495, and common school districts No. 323, Franconia, and No. 815, Prinsburg, are special taxing districts for purposes of this section.

Sec. 3. Minnesota Statutes 1990, section 275.065, subdivision 1a, is amended to read:

Subd. 1a. [OVERLAPPING JURISDICTIONS.] In the case of a taxing authority lying in two or more counties, the home county auditor shall certify the proposed levy *and the proposed local tax rate* to the other county auditor by September 20 ~~for taxes levied in 1990, and thereafter, and the proposed local tax rate by September 5 for taxes levied in 1991, and thereafter, for counties containing a city of the first class~~. The home county auditor must estimate the levy or rate in preparing the notices required in subdivision 3, if the other county has not certified the appropriate information. If requested by the home county auditor, the other county auditor must furnish an estimate to the home county auditor.

Sec. 4. Minnesota Statutes 1991 Supplement, section 275.065, subdivision 3, is amended to read:

Subd. 3. [NOTICE OF PROPOSED PROPERTY TAXES.] (a) The county auditor shall prepare and the county treasurer shall deliver ~~on or before~~ *after* November 10 *and on or before November 24* each year, by first class mail to each taxpayer at the address listed on the county's current year's assessment roll, a notice of proposed property taxes and, in the case of a town,

final property taxes.

(b) The commissioner of revenue shall prescribe the form of the notice.

(c) The notice must inform taxpayers that it contains the amount of property taxes each taxing authority other than a town proposes to collect for taxes payable the following year ~~as required in paragraph (d) or (e)~~ and, for a town, the amount of its final levy. It must clearly state that each taxing authority, other than a town or special taxing district, will hold a public meeting to receive public testimony on the proposed budget and proposed or final property tax levy, or, in case of a school district, on the current budget and proposed property tax levy. It must clearly state the time and place of each taxing authority's meeting and an address where comments will be received by mail.

(d) ~~Except as provided in paragraph (e), for taxes levied in 1990 and 1991, the notice must state by county, city or town, and school district:~~

~~(1) the total proposed or, for a town, final property tax levy for taxes payable the following year after reduction for state aid;~~

~~(2) the percentage increase or decrease from the actual property tax levy for taxes payable in the current year; and~~

~~(3) for counties, cities, and towns, the increase or decrease in population from the second previous calendar year to the immediately prior calendar year, and for school districts, the increase or decrease in the number of pupils in average daily membership from the current school year to the immediately following school year as determined by the commissioner of education. The data used to determine the increase or decrease in population under this clause must be the data used for purposes of the population adjustment to the levy limit base of the county, city, or town under section 275.51, subdivision 6.~~

~~For notices which are not parcel specific, the notice must also state a total percentage increase or decrease in the proposed levy, relative to the actual property tax levy for taxes payable in the current year for the county, city or town, and school district. The county auditor shall compute the total percentage increase or decrease as an average percentage change weighted in proportion to each taxing jurisdiction's proportion of the total levy.~~

~~For purposes of this paragraph, "proposed property taxes after reduction for state aid" means the taxing authority's levy certified under section 275.07, subdivision 1.~~

~~(e) In the case of a county containing a city of the first class, or taxing authority lying wholly within a county or counties containing a city of the first class, for taxes levied in 1991, and thereafter, and for all counties for taxes levied in 1992 and thereafter.~~ The notice must state for each parcel:

(1) the market value of the property as defined under section 272.03, subdivision 8, for property taxes payable in the following year and for taxes payable the current year; *and, in the case of residential property, whether the property is classified as homestead or nonhomestead. The notice must clearly inform taxpayers of the years to which the market values apply and that the values are final values;*

(2) by county, city or town, school district, the sum of the special taxing districts, and as a total of the taxing authorities, including special taxing districts, the proposed or, for a town, final net tax on the property for taxes payable the following year and the actual tax for taxes payable the current

year. In the case of a parcel where tax increment or the fiscal disparities areawide tax applies, the proposed tax levy on the captured value or the proposed tax levy on the tax capacity subject to the areawide tax must each be stated separately and not included in the sum of the special taxing districts; and

(3) the increase or decrease in the amounts in clause (2) from taxes payable in the current year to proposed or, for a town, final taxes payable the following year, expressed as a dollar amount and as a percentage.

~~(f)~~ *(e)* The notice must clearly state that the proposed or final taxes do not include the following:

(1) special assessments;

(2) levies approved by the voters after the date the proposed taxes are certified, including bond referenda, school district levy referenda, and levy limit increase referenda;

(3) amounts necessary to pay cleanup or other costs due to a natural disaster occurring after the date the proposed taxes are certified;

(4) amounts necessary to pay tort judgments against the taxing authority that become final after the date the proposed taxes are certified; and

(5) any additional amount levied in lieu of a local sales and use tax, unless this amount is included in the proposed or final taxes.

~~(g)~~ *(f)* Except as provided in subdivision 7, failure of the county auditor to prepare or the county treasurer to deliver the notice as required in this section does not invalidate the proposed or final tax levy or the taxes payable pursuant to the tax levy.

(g) If the notice the taxpayer receives under this section lists the property as nonhomestead and the homeowner provides satisfactory documentation to the county assessor that the property is owned and has been used as the owner's homestead prior to June 1 of that year, the assessor shall reclassify the property to homestead for taxes payable in the following year.

(h) In the case of class 4 residential property used as a residence for lease or rental periods of 30 days or more, the taxpayer must either:

(1) mail or deliver a copy of the notice of proposed property taxes to each tenant, renter, or lessee; or

(2) post a copy of the notice in a conspicuous place on the premises of the property.

The notice must be mailed or posted by the taxpayer by November ~~13~~ 27 or within three days of receipt of the notice, whichever is later. For purposes of this clause, "revenue-producing activities" shall include but not be limited

to property or that portion of the property that is used as an on-sale intoxicating liquor or nonintoxicating malt liquor establishment licensed under chapter 340A, a restaurant open to the public, bowling alley, a retail store, gambling conducted by organizations licensed under chapter 349, an insurance business, or office or other space leased or rented to a lessee who conducts a for-profit enterprise on the premises. The application must be accompanied by an affidavit or other proof required by the assessor to determine qualification under this clause.

(3) For taxes payable in 1992, 1993 and 1994, only, federally acquired buildings under four units and appurtenances, together with the land upon which they are located that is leased to a nonprofit corporation organized under chapter 317A that qualifies for tax exempt status under United States Code, title 26, section 501(c), or a housing and redevelopment authority authorized under sections 469.001 to 469.047; the purpose of the lease must be to allow the nonprofit corporation to provide transitional housing for homeless persons under the program established in ~~Code of Federal Regulations, title 55, section~~ *55 Federal Register* 49489. As used in this clause, "transitional housing" has the meaning given in section 268.38, subdivision 1, except that the two-year restriction does not apply. If the property is purchased from the federal government by the nonprofit corporation for the purpose of continuing to provide transitional housing after the expiration of the lease, the property shall continue to be eligible for this classification. To qualify under this clause, the taxpayer must apply to the county assessor by May 30 of each year. The application must be accompanied by an affidavit or other proof required by the county assessor to determine qualification under this clause. Property qualifying under this clause in 1992, 1993, or 1994 continues to receive a two percent class rate until the five-year lease has expired provided that the property continues to be used for the purposes as described in this clause.

(b) Real property that is not improved with a structure and is in commercial, industrial, or agricultural use under section 273.13, must be classified according to its actual use.

Sec. 6. Minnesota Statutes 1990, section 273.135, subdivision 2, is amended to read:

In no case will the reduction for each homestead resulting from this credit be less than $10.

(b) In the case of property located within the boundaries of a school district which qualifies as a tax relief area but which is outside the boundaries of a municipality which meets the qualifications prescribed in section 273.134, 57 percent of the tax, provided that the reduction shall not exceed the maximum amounts specified in clause (c), and shall not exceed an amount sufficient to reduce the effective tax rate on each parcel of property to the product of 95 percent of the base year effective tax rate multiplied by the ratio of the current year's tax rate to the payable 1989 tax rate. In no case will the reduction for each homestead resulting from this credit be less than $10.

(c) The maximum reduction of the tax is $225.40 on property described in clause (a) and $200.10 on property described in clause (b), for taxes payable in 1985. These maximum amounts shall increase by $15 times the quantity one minus the homestead credit equivalency percentage per year for taxes payable in 1986 and subsequent years.

tax on qualified property located in the school district that does not meet the qualifications of section 273.134, provided that the amount of said reduction shall not exceed the maximum amounts specified in clause (c), and shall not exceed an amount sufficient to reduce the effective tax rate on each parcel of property to the product of 95 percent of the base year effective tax rate multiplied by the ratio of the current year's tax rate to the payable 1989 tax rate. In no case will the reduction for each homestead resulting from this credit be less than $10. The reduction provided by this clause shall only be applicable to property located within the boundaries of the county described therein.

(b) In the case of property located within a school district which does not meet the qualifications of section 273.134 as a tax relief area, but which is located in a school district in a county containing a city of the first class and a qualifying municipality, but not in a school district containing a city of the first class or adjacent to a school district containing a city of the first class unless the school district so adjacent contains a qualifying municipality, 57 percent of the tax, but not to exceed the maximums specified in clause (c), and shall not exceed an amount sufficient to reduce the effective tax rate on each parcel of property to the product of 95 percent of the base year effective tax rate multiplied by the ratio of the current year's tax rate to the payable 1989 tax rate. In no case will the reduction for each homestead resulting from this credit be less than $10.

(c) The maximum reduction of the tax is $200.10 for taxes payable in 1985. This maximum amount shall increase by $15 multiplied by the quantity one minus the homestead credit equivalency percentage per year for taxes payable in 1986 and subsequent years.

For the purposes of this subdivision, "homestead credit equivalency percentage" means one minus the ratio of the net class rate to the gross class rate applicable to the first ~~$68,000~~ *$72,000* of the market value of residential homesteads, and "effective tax rate" means tax divided by the market value of a property, and the "base year effective tax rate" means the payable 1988 tax on a property with an identical market value to that of the property receiving the credit in the current year after application of the credits payable under Minnesota Statutes 1988, section 273.13, subdivisions 22 and 23, and this section, divided by the market value of the property.

Sec. 8. Minnesota Statutes 1991 Supplement, section 273.1398, subdivision 7, is amended to read:

Subd. 7. (1) the captured *net* tax capacity of a new or the expanded part of an

existing economic development or soils condition tax increment financing district, other than a qualified manufacturing district, for which certification was requested after April 30, 1990;

(2) the captured *net* tax capacity of a qualified manufacturing district, multiplied by the following percentage based on the number of years that have elapsed since the ~~district was first certified (measured from January 2 immediately preceding certification~~ *assessment year* of the original *net* tax capacity~~)~~. In no case may the final amounts be less than zero or greater than the total captured *net* tax capacity of the district:

Number of Years	Percentage

6 or more	100;

(3) the captured *net* tax capacity of a new or the expanded part of an existing tax increment financing district, other than an economic development or soils condition district, for which certification was requested after April 30, 1990, multiplied by the following percentage based on the number of years that have elapsed since the ~~district was first certified (measured from January 2 immediately preceding certification~~ *assessment year* of the original *net* tax capacity~~)~~. In no case may the final amounts be less than zero or greater than the total captured *net* tax capacity of the district.

18	100	81.25
19	100	87.5
20	100	93.75
21 or more	100	100

In the case of a hazardous substance subdistrict, the number of years must be measured from the date of certification of the subdistrict for purposes of the additional captured *net* tax capacity resulting from the reduction in the subdistrict's or site's original *net* tax capacity.

(b) The terms defined in section 469.174 have the meanings given in that section.

(c) "Qualified manufacturing district" means an economic development

district that qualifies under section 469.176, subdivision 4c, paragraph (a), without regard to clauses (2) and (4), for which certification was requested after June 30, 1991, located in a home rule charter or statutory city that (1) has a population under 10,000 according to the last federal census and (2) is wholly located outside of a metropolitan statistical area as determined by the United States Office of Management and Budget.

Subd. 2. [REPORTING.] The county auditor shall calculate the qualifying captured *net* tax capacity amount for each municipal part of each school district in the county and report the amounts to the commissioner of revenue at the time and in the manner prescribed by the commissioner.

Subd. 3. [CALCULATION OF EDUCATION AIDS.] For each school district containing qualifying captured *net* tax capacity, the commissioner of education shall compute a hypothetical state aid amount that would be paid to the school district if the qualifying captured *net* tax capacity were divided by the sales ratio and included in the school district's adjusted tax capacity for purposes of calculating equalized levies as defined in section 273.1398, subdivision 2a, and associated state aids. The commissioner of education shall notify the commissioner of revenue of the difference between the actual aid paid and the hypothetical aid amounts calculated for each school district, broken down by the municipality that approved the tax increment financing district containing the qualifying captured *net* tax capacity. The resulting amount is the reduction in state tax increment financing aid.

Subd. 4. [EQUALIZATION FACTOR.] The amount of the reduction in state tax increment financing aid equals the amount determined under subdivision 3 less

(1) 75 percent of the excess, if any, of the amount determined under subdivision 3, over

(2) .05 times the municipality's *net* tax capacity, divided by the sales ratio.

Subd. 5. [LOCAL GOVERNMENT AIDS; HOMESTEAD AND AGRICULTURAL AID CALCULATIONS.] (a) The reduction in state tax increment financing aid for a municipality must be deducted first from the local government aids to be paid to the municipality. If the deduction exceeds the amount of the local government aid, the rest must be deducted from the homestead and agricultural credit aid to be paid to the municipality.

(b) The amount of qualifying captured *net* tax capacity must be included in adjusted *net* tax capacity for purposes of computing the local government aid of the municipality that approved the tax increment financing district.

~~(b) "Local tax rate" means the total local tax rate for taxes payable in 1989 within a unique taxing jurisdiction.~~

~~(c) "Total net tax capacity" means the net tax capacities as defined in section 273.1398 of all manufactured homes assessed pursuant to section 274.19 except the market value used shall be for the assessment one year prior to that in which aid is payable.~~

~~(d) "Subtraction factor" means the product of (i) a unique taxing jurisdiction's local tax rate; (ii) its total net tax capacity; and (iii) 0.9767.~~ *"Current local tax rate" has the meaning given in section 273.1398, subdivision 1.*

(b) "Growth adjustment factor" means the growth adjustment factor used in the calculation of homestead and agricultural credit aid for the payable year in which the manufactured home homestead and agricultural credit aid is payable.

(c) "Net tax capacity" means the product of (1) the appropriate net class rates for the year in which the aid is payable, except that for aids payable in 1993 the class rate applicable to class 4a shall be 3.5 percent; and the class rate applicable to class 4b shall be 3.5 percent; and for aid payable in 1994 the class rate applicable to class 4b shall be 2.4 percent, and (2) estimated market values of manufactured homes assessed under section 274.19 for the assessment one year prior to that in which the aid is payable. "Total net tax capacity" means the net tax capacities for all manufactured homes within the taxing district assessed under section 274.19. Net tax capacity cannot be less than zero.

(e) "Previous net tax capacity" means the product of the appropriate net class rates for the year previous to the year in which the aid is payable, and estimated market values of manufactured homes assessed under section 274.19 for the assessment one year prior to that in which the aid is payable. "Total previous net tax capacity" means the previous net tax capacities for all manufactured homes within the taxing district assessed under section 274.19. The commissioner of ~~revenue~~ *education* shall establish the basic transportation tax rate ~~and certify it to the commissioner of education~~ by July 1 of each year for levies payable in the following year. The basic transportation tax rate shall be a rate, rounded up to the nearest hundredth of a percent, that, when applied to the adjusted net tax capacity of taxable property for all districts, raises the amount specified in this subdivision. The basic transportation tax rate for transportation shall be the rate that raises $64,300,000 for fiscal year 1993 and $68,000,000 for fiscal year 1994 and subsequent fiscal years. The basic transportation tax rate certified by the commissioner of ~~revenue~~ *education* must not be changed due to changes or corrections made to a district's adjusted net tax capacity after the tax rate has been certified.

The original local tax rate is the sum of all the local tax rates that apply to a property in the district. The local tax rate to be certified is the rate in effect for the same taxes payable year applicable to the tax capacity values certified as the district's original tax capacity. ~~If the total local tax rate applicable to properties in the tax increment financing district varies, the local tax rate must be computed by determining the average total local tax rate in the district, weighted on the basis of net tax capacity.~~ The resulting tax capacity rate is the original local tax rate for the life of the district.

Sec. 25. Minnesota Statutes 1990, section 473.446, subdivision 1, is amended to read:

Subdivision 1. [TAXATION WITHIN TRANSIT TAXING DISTRICT.] For the purposes of sections 473.404 to 473.449 and the metropolitan transit system, except as otherwise provided in this subdivision, the regional transit board shall levy each year upon all taxable property within the metropolitan transit taxing district, defined in subdivision 2, a transit tax consisting of:

(a) an amount which shall be used for payment of the expenses of operating transit and paratransit service and to provide for payment of obligations issued by the commission under section 473.436, subdivision 6;

(b) an additional amount, if any, the board determines to be necessary to provide for the full and timely payment of its certificates of indebtedness and other obligations outstanding on July 1, 1985, to which property taxes under this section have been pledged; and

(c) an additional amount necessary to provide full and timely payment of certificates of indebtedness, bonds, including refunding bonds or other obligations issued or to be issued under section 473.39 by the council for purposes of acquisition and betterment of property and other improvements of a capital nature and to which the council or board has specifically pledged tax levies under this clause.

The property tax levied by the regional transit board for general purposes under clause (a) must not exceed the following amount for the years specified:

(1) for taxes payable in 1988, the product of two mills multiplied by the total assessed valuation of all taxable property located within the metropolitan transit taxing district as adjusted by the provisions of Minnesota Statutes 1986, sections 272.64; 273.13, subdivision 7a; and 275.49;

(2) for taxes payable in 1989, the product of (i) the regional transit board's property tax levy limitation for general purposes for the taxes payable year

1988 determined under clause (1) multiplied by (ii) an index for market valuation changes equal to the assessment year 1988 total market valuation of all taxable property located within the metropolitan transit taxing district divided by the assessment year 1987 total market valuation of all taxable property located within the metropolitan transit taxing district; and

(3) for taxes payable in 1990 and subsequent years, the product of (i) the regional transit board's property tax levy limitation for general purposes for the previous year determined under this subdivision multiplied by (ii) an index for market valuation changes equal to the total market valuation of all taxable property located within the metropolitan transit taxing district for the current assessment year divided by the total market valuation of all taxable property located within the metropolitan transit taxing district for the previous assessment year.

For the purpose of determining the regional transit board's property tax levy limitation for general purposes for the taxes payable year 1988 and subsequent years under this subdivision, "total market valuation" means the total market valuation of all taxable property within the metropolitan transit taxing district without valuation adjustments for fiscal disparities (chapter 473F), tax increment financing (sections 469.174 to 469.179), and high voltage transmission lines (section 273.425).

The county auditor shall reduce the tax levied pursuant to this subdivision on all property within statutory and home rule charter cities and towns that receive full-peak service and limited off-peak service by an amount equal to the tax levy that would be produced by applying a rate of ~~0.01209~~ *0.510* percent of ~~market value~~ *net tax capacity* on the property. The county auditor shall reduce the tax levied pursuant to this subdivision on all property within statutory and home rule charter cities and towns that receive limited peak service by an amount equal to the tax levy that would be produced by applying a rate of ~~0.01813~~ *0.765* percent of ~~market value~~ *net tax capacity* on the property. The amounts so computed by the county auditor shall be submitted to the commissioner of revenue as part of the abstracts of tax lists required to be filed with the commissioner under section 275.29. Any prior year adjustments shall also be certified in the abstracts of tax lists. The commissioner shall review the certifications to determine their accuracy and may make changes in the certification as necessary or return a certification to the county auditor for corrections. The commissioner shall pay to the regional transit board the amounts certified by the county auditors on the dates provided in section 273.1398. There is annually appropriated from the general fund in the state treasury to the department of revenue the amounts necessary to make these payments.

For the purposes of this subdivision, "full-peak and limited off-peak service" means peak period regular route service, plus weekday midday regular route service at intervals longer than 60 minutes on the route with the greatest frequency; and "limited peak period service" means peak period regular route service only.

Sec. 26. [1989 POPULATION AND NUMBER OF HOUSEHOLDS DATA USED IN 1992 AID CALCULATIONS.]

Notwithstanding any law to the contrary, for the calculation of payable 1992 homestead and agricultural credit aid under Minnesota Statutes, section 273.1398, the 1989 population and number of households figure for governmental subdivisions not having annual estimates prepared by the metropolitan council is equal to the local unit's 1988 population or number

of households figure as prepared by the state demographer, plus one-half the increase or minus one-half the decrease when compared to the corresponding figures according to the 1990 federal census.

Sec. 27. [INSTRUCTION TO REVISOR.]

At the hearing, the taxing authority, other than a school district, may amend the proposed budget and property tax levy and must adopt a final budget and property tax levy, and the school district may amend the proposed property tax levy and must adopt a final property tax levy.

The property tax levy certified under section 275.07 by a city, county, or school district must not exceed the proposed levy determined under subdivision 1, except by an amount up to the sum of the following amounts:

(1) the amount of a school district levy whose voters approved a referendum to increase taxes under section 124.82, subdivision 3, 124A.03, subdivision 2, or 124B.03, subdivision 2, after the proposed levy was certified;

At the hearing the percentage increase in property taxes proposed by the taxing authority, if any, and the specific purposes for which property tax revenues are being increased must be discussed. During the discussion, the governing body shall hear comments regarding a proposed increase and explain the reasons for the proposed increase. The public shall be allowed to speak and to ask questions prior to adoption of any measures by the governing body. The governing body, other than the governing body of a school district, shall adopt its final property tax levy prior to adopting its final budget.

If the hearing is not completed on its scheduled date, the taxing authority must announce, prior to adjournment of the hearing, the date, time, and

place for the continuation of the hearing. The continued hearing must be held at least five business days but no more than 14 business days after the original hearing.

The maximum amount which may be levied for all costs under this subdivision shall be equal to $1 multiplied by the population of the school district. For purposes of this subdivision, "population" of the school district means the same as contained in section 275.14. The proceeds of the levy must be used for reimbursing the cities and counties who contract with the school district for the following purposes: (1) to pay the costs incurred for the salaries, benefits, and transportation costs of peace officers and sheriffs for liaison services in the district's middle and secondary schools, (2) to teach drug abuse resistance education curricula in the elementary schools, and (3) to pay the costs incurred for the salaries and benefits of peace officers and sheriffs whose primary responsibilities are to investigate controlled substance crimes under chapter 152. The school district must initially attempt to contract for these services with the police department of each city or the sheriff's department of the county within the school district containing the school receiving the services. If a local police department or a county sheriff's department does not wish to provide the necessary services, the district may contract for these services with any other police or sheriff's department located entirely or partially within the school district's boundaries. The city must then publish the resolution together with a notice of public hearing on the resolution for two successive weeks in its official newspaper or if none exists in a newspaper of general circulation in the city. The hearing must be held two to four weeks after the first publication. After the hearing, the city council may decide to take no action or may adopt a resolution authorizing the proposed increase or a lesser increase. A resolution authorizing an increase must be published in the city's official newspaper or if none exists in a newspaper of general circulation in the city. The resolution is not effective if a petition requesting a referendum on the resolution is filed with the city clerk within 30 days of publication of the resolution. The petition must be signed by voters equaling five percent of the votes cast in the city in the last general election. The election must be held ~~pursuant to the procedure specified in section 275.58~~ *at a general or special election. Notice of the election must be given in the manner required by law. amended to read:

Subd. 2. The metropolitan mosquito control commission shall prepare an annual budget. The budget may provide for expenditures in an amount not exceeding the property tax levy limitation determined in this subdivision. The commission may levy a tax on all taxable property in the district as defined in section 473.702 to provide funds for the purposes of sections 473.701 to 473.716. The tax shall not exceed the property tax levy limitation determined in this subdivision. A participating county may agree to levy an additional tax to be used by the commission for the purposes of sections 473.701 to 473.716 but the sum of the county's and commission's taxes may not exceed the county's proportionate share of the property tax levy limitation determined under this subdivision based on the ratio of its total net tax capacity to the total net tax capacity of the entire district as adjusted by section 270.12, subdivision 3. The auditor of each county in the district shall add the amount of the levy made by the district to other taxes of the county for collection by the county treasurer with other taxes. When collected, the county treasurer shall make settlement of the tax with the district in the same manner as other taxes are distributed to political subdivisions. No county shall levy any tax for mosquito, disease vectoring tick, and black gnat (Simuliidae) control except under sections 473.701 to 473.716. (b) for taxes payable in 1989, the product of (1) the commission's property tax levy limitation for the taxes payable year 1988 determined under clause (a) multiplied by (2) an index for market valuation changes equal to the assessment year 1988 total market valuation of all taxable property located within the district divided by the assessment year 1987 total market valuation of all taxable property located within the district; and

(c) for taxes payable in 1990 and subsequent years, the product of (1) the commission's property tax levy limitation for the previous year determined under this subdivision multiplied by (2) an index for market valuation changes equal to the total market valuation of all taxable property located within the district for the current assessment year divided by the total market valuation of all taxable property located within the district for the previous assessment year.

For the purpose of determining the commission's property tax levy limitation for the taxes payable year 1988 and subsequent years under this subdivision, "total market valuation" means the total market valuation of all taxable property within the district without valuation adjustments for fiscal disparities (chapter 473F), tax increment financing (sections 469.174 to 469.179), and high voltage transmission lines (section 273.425).

Sec. 17. Minnesota Statutes 1991 Supplement, section 477A.011, subdivision 29, is amended to read:

Subd. 29. [ADJUSTED REVENUE BASE.] "Adjusted revenue base" means revenue base as defined in subdivision 27 less the ~~special~~ levy *reported* under section ~~275.50~~ *275.60*, subdivision ~~5~~ *1*, clause ~~(a)~~ *(2)*.

Sec. 18. [REPEALER.]

Minnesota Statutes 1990, section 134.342, subdivisions 2 and 4, are repealed.

(d) Failure of a company to make payments of at least one-third of either (1) the total tax paid during the previous calendar year or (2) 80 percent

of the actual tax for the current calendar year shall subject the company to the penalty and interest provided in this section, unless the total tax for the current tax year is $500 or less.

Sec. 2. [60A.152] [INSURANCE PREMIUM TAX EQUIVALENT PAYMENT BY AUTOMOBILE RISK SELF-INSURERS.]

Subdivision 1. [DEFINITIONS.] *(a)* [APPLICATION.] *For purposes of this section, the definitions in paragraphs (b) to (f) apply.*

(b) [AUTOMOBILE RISKS.] *"Automobile risks" means the risk of providing no-fault insurance under sections 65B.41 to 65B.71.*

(c) [MOTOR VEHICLE.] *"Motor vehicle" has the meaning given in section 65B.43, subdivision 2.*

(d) [PERSON.] *"Person" means an owner, as defined in section 65B.43, subdivision 4, but does not include the state or a political subdivision as defined in section 65B.43, subdivision 20.*

(e) [SELF-INSURANCE.] *"Self-insurance" means the condition of qualifying as a self-insurer by complying with section 65B.48, subdivisions 3 and 3a.*

(f) [SELF-INSURER.] *"Self-insurer" means a person who has arranged self-insurance for the automobile risks associated with the person's motor vehicle.*

Subd. 2. [PREMIUM TAX AMOUNT.] *Every self-insurer who owns, leases, or operates a motor vehicle required to be registered or licensed in this state or principally garaged in this state for at least two months in the applicable calendar year shall pay an annual amount for each vehicle of:*

(1) $15 for a private passenger vehicle as defined in section 65B.001, subdivision 3, or a utility vehicle as defined in section 65B.001, subdivision 4, not including a taxi; or

(2) $25 for a taxi or any other self-insured vehicle not covered by clause (1).

The amount required under this subdivision is payable no later than July 1, annually, to the commissioner of revenue. A late payment penalty of $10 a vehicle is assessed if the amount is not paid on or before July 1, and an additional amount equal to the original payment amount if the total amount is not paid until after December 1 of the same year. A self-insurer who is more than six months delinquent in paying the amount due must be referred to the commissioner of commerce for action, which may include revocation of the self-insured's self-insurer status.

Subd. 3. [DEPOSIT OF PAYMENT AMOUNT.] *The amounts paid under subdivision 2 must be deposited in the general fund to the credit of the account from which the police state aid provided for in sections 69.011 to 69.051 is payable.*

Sec. 3. Minnesota Statutes 1990, section 289A.25, is amended by adding a subdivision to read:

Subd. 5a. [MODIFICATION TO INDIVIDUAL ESTIMATED TAX

REQUIREMENTS.] *(a) If an individual meets the requirements of section 6654(d)(1)(C) to (F), of the Internal Revenue Code, the amount of the required installments under subdivision 5 must be computed as provided in this subdivision. In determining the amount of the required installment, the following requirement is substituted for subdivision 5, clauses (2) and (3): "(2) the greater of (i) 100 percent of the tax shown on the return of the individual for the preceding taxable year, or (ii) 90 percent of the tax shown on the return for the current year, determined by taking into account the adjustments under section 6654(d)(1)(D) of the Internal Revenue Code."*

(b) Paragraph (a) does not apply for purposes of determining the amount of the first required installment in any taxable year under subdivision 3, paragraph (b). A reduction in an installment under this paragraph must be recaptured by increasing the amount of the first succeeding required installment by the amount of the reduction, unless the individual meets the requirements of paragraph (c).

(c) This subdivision does not apply to any required installment if the individual qualifies for an annualization exception as computed under section 6654(d)(1)(C)(iv) of the Internal Revenue Code. A reduction in an installment under this paragraph must be recaptured by increasing the amount of the first succeeding required installment (with respect to which the requirements of section 6654(d)(1)(C)(iv) are not met) by the amount of the reduction.

(d) All references to the Internal Revenue Code in this section are to the Internal Revenue Code of 1986, as amended through December 31, 1991. For purposes of meeting the requirements of or making adjustments under section 6654 of the Internal Revenue Code in this subdivision:

(1) for an individual who is not a Minnesota resident for the entire year, the terms "adjusted gross income" and "modified adjusted gross income" mean the Minnesota share of that income apportioned to Minnesota under section 290.06, subdivision 2c, paragraph (e); and

(2) "tax" means the sum of the taxes imposed by chapter 290 for a taxable year.

(e) This subdivision does not apply to individuals who compute and pay estimated taxes under subdivision 10.

(f) This subdivision does not apply to any taxable year beginning after December 31, 1996.

Sec. 4. Minnesota Statutes 1991 Supplement, section 289A.26, subdivision 1, is amended to read:

Subdivision 1. [MINIMUM LIABILITY.] A corporation, *partnership, or trust* subject to taxation under chapter 290 (excluding section 290.92) or an entity subject to taxation under section 290.05, subdivision 3, must make payment of estimated tax for the taxable year if its tax liability so computed can reasonably be expected to exceed $500, or in accordance with rules prescribed by the commissioner for an affiliated group of corporations electing to file one return as permitted under section 289A.08, subdivision 3.

Sec. 5. Minnesota Statutes 1990, section 289A.26, subdivision 3, is amended to read:

Subd. 3. [SHORT TAXABLE YEAR.] (a) ~~A corporation~~ *An entity* with

a short taxable year of less than 12 months, but at least four months, must pay estimated tax in equal installments on or before the 15th day of the third, sixth, ninth, and final month of the short taxable year, to the extent applicable based on the number of months in the short taxable year.

(b) ~~A corporation~~ *An entity* is not required to make estimated tax payments for a short taxable year unless its tax liability before the first day of the last month of the taxable year can reasonably be expected to exceed $500.

(c) No payment is required for a short taxable year of less than four months.

Sec. 6. Minnesota Statutes 1990, section 289A.26, subdivision 4, is amended to read:

Subd. 4. [UNDERPAYMENT OF ESTIMATED TAX.] If there is an underpayment of estimated tax by a corporation, *partnership, or trust,* there shall be added to the tax for the taxable year an amount determined at the rate in section 270.75 on the amount of the underpayment, determined under subdivision 5, for the period of the underpayment determined under subdivision 6. This subdivision does not apply in the first taxable year that a corporation is subject to the tax imposed under section 290.02.

Sec. 7. Minnesota Statutes 1991 Supplement, section 289A.26, subdivision 6, is amended to read:

Subd. 6. [PERIOD OF UNDERPAYMENT.] The period of the underpayment runs from the date the installment was required to be paid to the earlier of the following dates:

(1) the 15th day of the third month following the close of the taxable year for corporations, *the 15th day of the fourth month following the close of the taxable year for partnerships or trusts,* and the 15th day of the fifth month following the close of the taxable year for entities subject to tax under section 290.05, subdivision 3; or

(2) with respect to any part of the underpayment, the date on which that part is paid. For purposes of this clause, a payment of estimated tax shall be credited against unpaid required installments in the order in which those installments are required to be paid.

Sec. 8. Minnesota Statutes 1990, section 289A.26, subdivision 7, is amended to read:

Subd. 7. [REQUIRED INSTALLMENTS.] (a) Except as otherwise provided in this subdivision, the amount of a required installment is 25 percent of the required annual payment.

(b) Except as otherwise provided in this subdivision, the term "required annual payment" means the lesser of:

(1) ~~90~~ *(i) for tax years beginning in calendar year 1992, 93* percent of the tax shown on the return for the taxable year, or if no return is filed, ~~90~~ *93* percent of the tax for that year; ~~or~~

(ii) for tax years beginning after December 31, 1992, 95 percent of the tax shown on the return for the taxable year, or if no return is filed 95 percent of the tax for that year; or

(2) 100 percent of the tax shown on the return of the ~~corporation~~ *entity* for the preceding taxable year provided the return was for a full 12-month period, showed a liability, and was filed by the ~~corporation~~ *entity*.

(c) Except for determining the first required installment for any taxable year, paragraph (b), clause (2), does not apply in the case of a large corporation. The term "large corporation" means a corporation or any predecessor corporation that had taxable net income of $1,000,000 or more for any taxable year during the testing period. The term "testing period" means the three taxable years immediately preceding the taxable year involved. A reduction allowed to a large corporation for the first installment that is allowed by applying paragraph (b), clause (2), must be recaptured by increasing the next required installment by the amount of the reduction.

(d) In the case of a required installment, if the corporation establishes that the annualized income installment is less than the amount determined in paragraph (a), the amount of the required installment is the annualized income installment and the recapture of previous quarters' reductions allowed by this paragraph must be recovered by increasing later required installments to the extent the reductions have not previously been recovered.

(e) The "annualized income installment" is the excess, if any, of:

(1) an amount equal to the applicable percentage of the tax for the taxable year computed by placing on an annualized basis the taxable income:

(i) for the first two months of the taxable year, in the case of the first required installment;

(ii) for the first two months or for the first five months of the taxable year, in the case of the second required installment;

(iii) for the first six months or for the first eight months of the taxable year, in the case of the third required installment; and

(iv) for the first nine months or for the first 11 months of the taxable year, in the case of the fourth required installment, over

(2) the aggregate amount of any prior required installments for the taxable year.

(3) For the purpose of this paragraph, the annualized income shall be computed by placing on an annualized basis the taxable income for the year up to the end of the month preceding the due date for the quarterly payment multiplied by 12 and dividing the resulting amount by the number of months in the taxable year (2, 5, 6, 8, 9, or 11 as the case may be) referred to in clause (1).

(4) The "applicable percentage" used in clause (1) is:

For the following required installments:	The applicable percentage is:	
	for tax years beginning in 1992	*for tax years beginning after December 31, 1992*
1st	~~22.5~~ *23.25*	*23.75*
2nd	~~45~~ *46.5*	*47.5*
3rd	~~67.5~~ *69.75*	*71.25*
4th	~~90~~ *93*	*95*

(f)(1) If this paragraph applies, the amount determined for any installment must be determined in the following manner:

(i) take the taxable income for the months during the taxable year preceding the filing month;

(ii) divide that amount by the base period percentage for the months during the taxable year preceding the filing month;

(iii) determine the tax on the amount determined under item (ii); and

(iv) multiply the tax computed under item (iii) by the base period percentage for the filing month and the months during the taxable year preceding the filing month.

(2) For purposes of this paragraph:

(i) the "base period percentage" for a period of months is the average percent that the taxable income for the corresponding months in each of the three preceding taxable years bears to the taxable income for the three preceding taxable years;

(ii) the term "filing month" means the month in which the installment is required to be paid;

(iii) this paragraph only applies if the base period percentage for any six consecutive months of the taxable year equals or exceeds 70 percent; and

(iv) the commissioner may provide by rule for the determination of the base period percentage in the case of reorganizations, new corporations, and other similar circumstances.

(3) In the case of a required installment determined under this paragraph, if the ~~corporation~~ *entity* determines that the installment is less than the amount determined in paragraph (a), the amount of the required installment is the amount determined under this paragraph and the recapture of previous quarters' reductions allowed by this paragraph must be recovered by increasing later required installments to the extent the reductions have not previously been recovered.

Sec. 9. Minnesota Statutes 1990, section 289A.26, subdivision 9, is amended to read:

Subd. 9. [FAILURE TO FILE AN ESTIMATE.] In the case of ~~a corporation~~ *an entity* that fails to file an estimated tax for a taxable year when one is required, the period of the underpayment runs from the four installment dates in subdivision 2 or 3, whichever applies, to the earlier of the periods in subdivision 6, clauses (1) and (2).

Sec. 10. Minnesota Statutes 1991 Supplement, section 289A.37, subdivision 1, is amended to read:

Subdivision 1. [ORDER OF ASSESSMENT; NOTICE AND DEMAND TO TAXPAYER.] (a) When a return has been filed and the commissioner determines that the tax disclosed by the return is different than the tax determined by the examination, the commissioner shall send an order of assessment to the taxpayer. When no return has been filed, the commissioner may make a return for the taxpayer under section 289A.35 or may send an order of assessment under this subdivision. The order must explain the basis for the assessment and must explain the taxpayer's appeal rights. An order of assessment is final when made but may be reconsidered by the commissioner under section 289A.65.

(b) ~~An~~ *The penalty under section 289A.60, subdivision 1, is not imposed if the* amount ~~of unpaid tax~~ shown on the order ~~must be~~ *is* paid to the

commissioner: (1) within 60 days after notice of the amount and demand for its payment have been mailed to the taxpayer by the commissioner; or (2) if an administrative appeal is filed under section 289A.65 *or a tax court appeal is filed under chapter 271*, within 60 days following ~~the~~ *final* determination of the appeal.

Sec. 11. Minnesota Statutes 1991 Supplement, section 290.01, subdivision 19, is amended to read:

Subd. 19. [NET INCOME.] The term "net income" means the federal taxable income, as defined in section 63 of the Internal Revenue Code of 1986, as amended through the date named in this subdivision, incorporating any elections made by the taxpayer in accordance with the Internal Revenue Code in determining federal taxable income for federal income tax purposes, and with the modifications provided in subdivisions 19a to 19f.

In the case of a regulated investment company or a fund thereof, as defined in section 851(a) or 851(h) of the Internal Revenue Code, federal taxable income means investment company taxable income as defined in section 852(b)(2) of the Internal Revenue Code, except that:

(1) the exclusion of net capital gain provided in section 852(b)(2)(A) of the Internal Revenue Code does not apply; and

(2) the deduction for dividends paid under section 852(b)(2)(D) of the Internal Revenue Code must be applied by allowing a deduction for capital gain dividends and exempt-interest dividends as defined in sections 852(b)(3)(C) and 852(b)(5) of the Internal Revenue Code.

In the case of a mutual company or reciprocal exchange the dividends or savings paid or credited to members in this state shall be construed to be return premiums. The money so received into the state treasury shall be credited to the general fund. Sec. 12. Minnesota Statutes 1990, section 289A.50, subdivision 5, is amended to read:

Subd. 5. [WITHHOLDING OF REFUNDS FROM CHILD SUPPORT DEBTORS.] (a) If a court of this state finds that a person obligated to pay child support is delinquent in making payments, the amount of child support unpaid and owing, including attorney fees and costs incurred in ascertaining or collecting child support, must be withheld from a refund due the person under chapter 290. The public agency responsible for child support enforcement or the parent or guardian of a child for whom the support, attorney fees, and costs are owed may petition the district or county court for an order providing for the withholding of the amount of child support, attorney fees, and costs unpaid and owing as determined by court order. The person from whom the refund may be withheld must be notified of the petition under the rules of civil procedure before the issuance of an order under this subdivision. The order may be granted on a showing to the court that required support payments, attorney fees, and costs have not been paid when they were due.

(b) On order of the court ~~and on payment of $3 to the commissioner~~, the commissioner shall withhold the money from the refund due to the person obligated to pay the child support. The amount withheld shall be remitted to the public agency responsible for child support enforcement or to the

parent or guardian petitioning on behalf of the child, after any delinquent tax obligations of the taxpayer owed to the revenue department have been satisfied *and after deduction of the fee prescribed in section 270A.07, subdivision 1*. An amount received by the responsible public agency or the petitioning parent or guardian in excess of the amount of public assistance spent for the benefit of the child to be supported, or the amount of any support, attorney fees, and costs that had been the subject of the claim under this subdivision that has been paid by the taxpayer before the diversion of the refund, must be paid to the person entitled to the money. If the refund is based on a joint return, the part of the refund that must be paid to the petitioner is the proportion of the total refund that equals the proportion of the total federal adjusted gross income of the spouses that is the federal adjusted gross income of the spouse who is delinquent in making the child support payments.

(c) A petition filed under this subdivision remains in effect with respect to any refunds due under this section until the support money, attorney fees, and costs have been paid in full or the court orders the commissioner to discontinue withholding the money from the refund due the person obligated to pay the support, attorney fees, and costs. If a petition is filed under this subdivision and a claim is made under chapter 270A with respect to the individual's refund and notices of both are received before the time when payment of the refund is made on either claim, the claim relating to the liability that accrued first in time must be paid first. The amount of the refund remaining must then be applied to the other claim.

Sec. 13. Minnesota Statutes 1990, section 290.05, subdivision 4, is amended to read:

Subd. 4. (a) ~~Corporations, individuals, estates, trusts or organizations claiming exemption under subdivision 2 shall furnish information concerning their exempt status under the Internal Revenue Code.~~

~~(b) Corporations, individuals, estates, trusts, and organizations shall file with the commissioner of revenue a copy of an annual report that is required to be filed with the Internal Revenue Service, no later than ten days after filing it with the Internal Revenue Service. An annual report required of a pension plan under sections 6057 to 6059 of the Internal Revenue Code of 1954, does not need to be filed with the commissioner.~~

~~(c)~~ If the Internal Revenue Service revokes, cancels or suspends, in whole or part, the exempt status of any corporation, individual, estate, trust or organization ~~referred to in paragraph (a)~~, or if the amount of gross income, deductions, credits, items of tax preference or taxable income is changed or corrected by either the taxpayer or the Internal Revenue Service, or if the taxpayer consents to any extension of time for assessment of federal income taxes, the corporation, individual, estate, trust or organization shall notify the commissioner in writing of the action within 90 days after that date.

~~(d)~~ *(b)* The periods of limitations contained in section 289A.42, subdivision 2, apply when there has been any action referred to in paragraph ~~(c)~~ *(a)*, notwithstanding any period of limitations to the contrary.

The credit allowable in a taxable year equals the lesser of

(1) the excess of the qualified regular tax for the taxable year over the amount computed under subdivision 1, ~~paragraph (a),~~ clause (1), for the taxable year or

(2) the carryover credit to the taxable year.

(b) For purposes of this subdivision, the following terms have the meanings given.

No credit may be carried to a taxable year in which alternative minimum tax was paid.

(d) An acquiring corporation may carry over this credit from a transferor or distributor corporation in a corporate acquisition. The provisions of section 381 of the Internal Revenue Code apply in determining the amount of the carryover, if any.

Subd. 8. [CLAIMANT.] (a) "Claimant" means a person, other than a dependent, who filed a claim authorized by this chapter and who was a resident of this state as provided in chapter 290 during the calendar year for which the claim for relief was filed.

(b) In the case of a claim relating to rent constituting property taxes, the claimant shall have resided in a rented or leased unit on which ad valorem taxes or payments made in lieu of ad valorem taxes, including payments of special assessments imposed in lieu of ad valorem taxes, are payable at some time during the calendar year covered by the claim.

(c) "Claimant" shall not include a resident of a nursing home, intermediate care facility, or long-term residential facility whose rent constituting property taxes is paid pursuant to the supplemental security income program under title XVI of the Social Security Act, the Minnesota supplemental aid program under sections 256D.35 to 256D.41, the medical assistance program pursuant to title XIX of the Social Security Act, or the general assistance medical care program pursuant to section 256D.03, subdivision 3. If only a portion of the rent constituting property taxes is paid by these programs, the resident shall be a claimant for purposes of this chapter, but the refund calculated pursuant to section 290A.04 shall be multiplied by a fraction, the numerator of which is income as defined in subdivision 3, *paragraphs (1) and (2)*, reduced by the total amount of income from the above sources other than vendor payments under the medical assistance program or the general assistance medical care program and the denominator of which is income as defined in subdivision 3, *paragraphs (1) and (2)*, plus vendor payments under the medical assistance program or the general assistance medical care program, to determine the allowable refund pursuant to this chapter.

(d) Notwithstanding paragraph (c), if the claimant was a resident of the nursing home, intermediate care facility or long-term residential facility for only a portion of the calendar year covered by the claim, the claimant may compute rent constituting property taxes by disregarding the rent constituting property taxes from the nursing home, intermediate care facility, or long-term residential facility and use only that amount of rent constituting property taxes or property taxes payable relating to that portion of the year

when the claimant was not in the facility. The claimant's household income is the income for the entire calendar year covered by the claim.

(e) In the case of a claim for rent constituting property taxes of a part-year Minnesota resident, the income and rental reflected in this computation shall be for the period of Minnesota residency only. Any rental expenses paid which may be reflected in arriving at federal adjusted gross income cannot be utilized for this computation. When two individuals of a household are able to meet the qualifications for a claimant, they may determine among them as to who the claimant shall be. If they are unable to agree, the matter shall be referred to the commissioner of revenue whose decision shall be final. If a homestead property owner was a part-year Minnesota resident, the income reflected in the computation made pursuant to section 290A.04 shall be for the entire calendar year, including income not assignable to Minnesota.

(f) If a homestead is occupied by two or more renters, who are not husband and wife, the rent shall be deemed to be paid equally by each, and separate claims shall be filed by each. The income of each shall be each renter's household income for purposes of computing the amount of credit to be allowed.

Sec. 20. Minnesota Statutes 1990, section 290A.19, is amended to read:

290A.19 [OWNER OR MANAGING AGENT TO FURNISH RENT CERTIFICATE.]

(a) The owner or managing agent of any property for which rent is paid for occupancy as a homestead must furnish a certificate of rent constituting property tax to a person who is a renter on December 31, in the form prescribed by the commissioner. If the renter moves before December 31, the owner or managing agent may give the certificate to the renter at the time of moving, or mail the certificate to the forwarding address if an address has been provided by the renter. The certificate must be made available to the renter before February 1 of the year following the year in which the rent was paid. The owner or managing agent must retain a duplicate of each certificate or an equivalent record showing the same information for a period of three years. The duplicate or other record must be made available to the commissioner upon request.

(b) The certificate of rent constituting property taxes must include the address of the property, including the county, and the property tax parcel identification number and any additional information that the commissioner determines is appropriate.

(c) If the owner or managing agent fails to provide the renter with a certificate of rent constituting property taxes, the commissioner shall allocate the net tax on the building to the unit on a square footage basis or other appropriate basis as the commissioner determines. The renter shall supply the commissioner with a statement from the county treasurer that gives the amount of property tax on the parcel, the address and property tax parcel identification number of the property, and the number of units in the building.

(d) By ~~June 30, for taxes payable in 1990 and May 30 for taxes payable in 1991 and thereafter~~ *January 31 of the year following the year in which the rent was collected*, each owner or managing agent shall report to the commissioner on a form prescribed by the commissioner the net tax pertaining to the rental residential part of the property, the total scheduled

rent, and the fraction computed under section 290A.03, subdivision 11. A copy of the property tax statement for taxes payable in that year must be attached.

The clerk shall, within 10 days after such amendment, make like examination of the amended petition, and if his certificate shall show the same to be insufficient it shall be returned to the person filing the same, without prejudice, however, to the filing of a new petition to the same effect. If the petition is deemed sufficient, the clerk shall submit the same to the council without delay. Within 10 days thereafter, the council shall provide for the submission to the electorate at the next general or special election held not less than 45 days thereafter of the question of repeal of the ordinance described in the petition. The question of repeal or amendment of said ordinance shall be submitted upon a separate ballot which shall summarize the substance of the ordinance proposed to be repealed or amended. If the majority of the electors voting upon the question vote in favor of the repeal of the ordinance, it shall be repealed or amended thereby effective on January 1 of the year next following. Such repeal shall not affect any right accrued, any duty imposed, any penalty incurred, or any proceeding commenced under or by virtue of the ordinance repealed. *If taxes levied under this section are pledged to or for the benefit of any bonds issued before January 1, 1993, then no pledge, mortgage, covenant, or agreement securing the bonds may be impaired, revoked, or amended by repeal or amendment of the ordinance under this subdivision, except in accordance with the terms of the resolution*

The commissioner of finance shall transfer from the budget and cash flow reserve account the amount necessary to bring the total amount, including any existing balance in the account on ~~June 30, 1991~~ *July 1, 1992*, to ~~$400,000,000~~ *$240,000,000*. The amounts restricted shall remain in the account until drawn down under subdivision 1 or increased under section 16A.1541.

Sec. 2. Minnesota Statutes 1991 Supplement, section 69.021, subdivision 5, is amended to read:

Subd. 5. [CALCULATION OF STATE AID.] *(a)* The amount of *fire* state aid available for apportionment shall be two percent of the fire, lightning, sprinkler leakage, and extended coverage premiums reported to the commissioner by insurers on the Minnesota Firetown Premium Report ~~and two percent of the premiums reported to the commissioner by insurers on the Minnesota Aid to Police Premium Report~~. This amount shall be reduced by the amount required to pay the state auditor's costs and expenses of the audits or exams of the firefighters relief associations.

(b) The total amount for apportionment in respect to ~~police~~ *peace officer* state aid ~~shall not be greater or lesser than~~ *is* the amount of premium taxes paid to the state upon the premiums reported to the commissioner by insurers on the Minnesota Aid to Police Premium Report ~~after subtracting~~, *plus the payment amounts received under section 60A.152 since the last aid apportionment, and reduced by* the amount required to pay the state auditor's costs and expenses of the audits or exams of the police relief associations. The total amount for apportionment in respect to firefighters state aid shall not be greater or lesser than the amount of premium taxes paid to the state upon the premiums reported to the commissioner by insurers on the Minnesota Firetown Premium Report after subtracting the amount required to pay the state auditor's costs and expenses of the audits or exams of the firefighters relief associations. ~~The amount for apportionment in respect to police state aid shall be distributed to the municipalities maintaining police departments and to the county on the basis of the number of active peace officers, as certified pursuant to section 69.011, subdivision 2, clause (b).~~ The commissioner shall calculate the percentage of increase or decrease reflected in the apportionment over or under the previous year's available state aid using the same premiums as a basis for comparison.

Sec. 3. Minnesota Statutes 1991 Supplement, section 69.021, subdivision 6, is amended to read:

Subd. 6. [CALCULATION OF APPORTIONMENT OF STATE PEACE OFFICERS AID TO COUNTIES.] The *peace officers* state aid available ~~in respect to peace officers shall not exceed the amount of tax collected and~~ shall be distributed to the counties in proportion to the total number of active peace officers, as defined in section 69.011, subdivision 1, clause (g), in each county who are employed either by municipalities maintaining

Subd. 3. Notwithstanding any other provision of law the commissioner of revenue may,

(a) based upon the administrative costs of processing, determine minimum standards for the determination of additional tax for which an order shall be issued, and

(b) based upon collection costs as compared to the amount of tax involved, determine minimum standards of collection, and

(c) based upon the administrative costs of processing, determine the minimum amount of refunds for which an order shall be issued and refund made where no claim therefor has been filed, and

(d) ~~may~~ cancel any amounts below these minimum standards determined under (a) and (b) hereof~~.~~, *and*

(e) based upon the inability of a taxpayer to pay a delinquent tax liability, abate the liability if the taxpayer agrees to perform uncompensated public service work for a state agency, a political subdivision or public corporation of this state, or a nonprofit educational, medical, or social service agency. The department of corrections shall administer the work program. No benefits under chapter 176 or 268 shall be available, but a claim authorized under section 3:739 may be made by the taxpayer. The state may not enter into any agreement that has the purpose of or results in the displacement of public employees by a delinquent taxpayer under this section. The state must certify to the appropriate bargaining agent or employees, as applicable, that the work performed by a delinquent taxpayer will not result in the displacement of currently employed workers or layoff from a substantially equivalent position, including partial displacement such as reduction in hours of nonovertime work, wages, or other employment benefits. The program authorized under this paragraph terminates June 30, 1993.

Sec. 5. Minnesota Statutes 1990, section 270.69, is amended by adding a subdivision to read:

Subd. 14. [REGISTERED LAND.] *When a lien is filed with a county recorder under subdivision 2, the county recorder shall search the registered land records in that county and cause the lien to be memorialized on every certificate of title or certificate of possessory title of registered land in that county which can be reasonably identified as owned by the taxpayer who is named on the lien. The fees for memorializing the lien shall be paid in the manner prescribed by subdivision 2, paragraph (c). The county recorders, and their employees and agents, shall not be liable for any loss or damages arising from failure to identify a parcel of registered land owned by the taxpayer who is named on the lien.*

Sec. 6. Minnesota Statutes 1990, section 282.016, is amended to read:

282.016 [PROHIBITED PURCHASERS.]

No county auditor, county treasurer, court administrator of the district court, or county assessor or supervisor of assessments, or deputy or clerk or employee of such officer, and no commissioner for tax-forfeited lands or assistant to such commissioner may become a purchaser of the properties

offered for sale under the provisions of this chapter, either personally, or as agent or attorney for any other person, except that such officer, deputy, court administrator, employee or commissioner for tax-forfeited lands or assistant to such commissioner may *(1)* purchase lands owned by that official at the time the state became the absolute owner thereof *or (2) bid upon and purchase forfeited property offered for sale under the alternate sale procedure described in section 282.01, subdivision 7a.*

Sec. 7. [290.069] [DESIGNATED COUNTIES JOB CREATION CREDIT.]

Subdivision 1. [DESIGNATION OF COUNTIES.] *The commissioner of trade and economic development shall certify counties as designated counties. A county is a designated county if:*

(1) the county has had a decline in population of ten percent or more from 1980 to 1990, as determined by the 1990 federal decennial census;

(2) the county has adopted a county-wide economic development plan;

(3) the county has been designated a star county by the department of trade and economic development; and

(4) each statutory and home rule charter city in the county has established an economic development authority under sections 469.090 to 469.108.

For purposes of this section, "designated county" means a county designated by the commissioner of trade and economic development as provided under this section or a city of the second class that is designated as an economically depressed area by the United States Department of Commerce.

Subd. 2. [CREDIT FOR JOB CREATION.] *A business with operations located in a designated county may take a credit against the tax due under chapter 290 for its first taxable year beginning after December 31, 1992, and before January 1, 1994. For purposes of this section, "business" means a business entity organized for profit, including a sole proprietorship, partnership, or corporation, and "eligible employees" are determined as the number of persons paid an annual wage of at least $15,000 and employed by the business within the designated county on a full-time basis on the last day of the taxable year, not to exceed the number of persons paid an annual wage of at least $15,000 and employed by the business on a full-time basis within the designated county on the date 90 days before the last day of the taxable year. A credit is provided only for the number of eligible employees that exceeds the number of such persons so employed on the last day of the preceding taxable year. A person is not an eligible employee if the commissioner of trade and economic development determines that the position held by that employee in the business was transferred from an enterprise conducted by substantially the same business enterprise at another site in the state. The credit is equal to $2,000 multiplied by the number of eligible employees. The credit is not refundable.*

Subd. 3. [LIMITATION.] *Tax credits provided under this section may not exceed $200,000. If by April 15, 1994, the commissioner of revenue determines that the estimated total amount of credits claimed under this section exceeds $200,000, the commissioner shall reduce the credit granted for each eligible employee proportionately.*

Sec. 8. [298.227] [TACONITE ECONOMIC DEVELOPMENT FUND.]

An amount equal to 10.4 cents per taxable ton distributed pursuant to

each taconite producer's taxable production under section 298.28, subdivision 9a, for production years 1992 and 1993 shall be held by the iron range resources and rehabilitation board in a separate taconite economic development fund for each taconite producer. Money from the fund for each producer shall be released only on the written authorization of a joint committee consisting of an equal number of representatives of the salaried employees and the nonsalaried production and maintenance employees of that producer. The district 33 director of the United States Steelworkers of America, on advice of each local employee president, shall select the employee members. In nonorganized operations, the employee committee shall be elected by the nonsalaried production and maintenance employees. Each producer's joint committee may authorize release of the funds held pursuant to this section only for acquisition of equipment and facilities for the producer or for research and development in Minnesota on new mining, or taconite, iron, or steel production technology. Funds may be released only upon a majority vote of the representatives of the committee. Any portion of the fund which is not released by a joint committee within two years of its deposit in the fund shall be divided between the taconite environmental protection fund created in section 298.223 and the northeast Minnesota economic protection trust fund created in section 298.292 for placement in their respective special accounts. Two-thirds of the unreleased funds shall be distributed to the taconite environmental protection fund and one-third to the northeast Minnesota economic protection trust fund. This section is effective for taxes payable in 1993 and 1994.

Sec. 9. Minnesota Statutes 1990, section 298.24, subdivision 1, is amended to read:

Subdivision 1. (a) For concentrate produced in ~~1990~~ *1992 and 1993* there is ~~hereby~~ imposed upon taconite and iron sulphides, and upon the mining and quarrying thereof, and upon the production of iron ore concentrate therefrom, and upon the concentrate so produced, a tax of ~~$1.975~~ *$2.054* per gross ton of merchantable iron ore concentrate produced therefrom.

(b) For concentrates produced in ~~1991~~ *1994* and subsequent years, the tax rate shall be equal to the preceding year's tax rate plus an amount equal to the preceding year's tax rate multiplied by the percentage increase in the implicit price deflator from the fourth quarter of the second preceding year to the fourth quarter of the preceding year. "Implicit price deflator" for the gross national product means the implicit price deflator prepared by the bureau of economic analysis of the United States Department of Commerce.

(c) The tax shall be imposed on the average of the production for the current year and the previous two years. The rate of the tax imposed will be the current year's tax rate. This clause shall not apply in the case of the closing of a taconite facility if the property taxes on the facility would be higher if this clause and section 298.25 were not applicable.

(d) If the tax or any part of the tax imposed by this subdivision is held to be unconstitutional, a tax of ~~$1.975~~ *$2.054* per gross ton of merchantable iron ore concentrate produced shall be imposed.

(e) Consistent with the intent of this subdivision to impose a tax based upon the weight of merchantable iron ore concentrate, the commissioner of revenue may indirectly determine the weight of merchantable iron ore concentrate included in fluxed pellets by subtracting the weight of the limestone, dolomite, or olivine derivatives or other basic flux additives included in the pellets from the weight of the pellets. For purposes of this paragraph,

"fluxed pellets" are pellets produced in a process in which limestone, dolomite, olivine, or other basic flux additives are combined with merchantable iron ore concentrate. No subtraction from the weight of the pellets shall be allowed for binders, mineral and chemical additives other than basic flux additives, or moisture.

Sec. 10. Minnesota Statutes 1990, section 298.28, is amended by adding a subdivision to read:

Subd. 9a. [TACONITE ECONOMIC DEVELOPMENT FUND.] *10.4 cents per ton for distributions in 1993 and 1994 shall be paid to the taconite economic development fund. No distribution shall be made under this subdivision in any year in which total industry production falls below 30 million tons.*

Sec. 11. Minnesota Statutes 1990, section 373.40, subdivision 7, is amended to read:

Subd. 7. [REPEALER.] This section is repealed effective for bonds issued after July 1, ~~1993~~ *1998*, but continues to apply to bonds issued before that date.

Sec. 12. Minnesota Statutes 1990, section 383.06, is amended to read:

383.06 [PAYMENT OF WARRANTS; ACCOUNTS; HOW KEPT; CERTIFICATES OF INDEBTEDNESS TO RETIRE OUTSTANDING WARRANTS.]

Subdivision 1. [PAYMENT OF WARRANTS.] The county treasurer shall pay warrants only from the fund from which they are legally payable. Payments under any special contract shall be kept separate under the name of such contract, and under the general title of the fund from which such payment may be legally made. The treasurer need not keep a specific appropriations account separately, but shall keep a general appropriations account.

Subd. 2. [TAX ANTICIPATION CERTIFICATES.] The county board may, by resolution, issue and sell as many certificates of indebtedness as may be needed in anticipation of the collection of taxes levied for any fund named in the tax levy for the purpose of raising money for such fund, but the certificates outstanding for any such separate funds shall not at any time exceed 50 percent of the amount of taxes previously levied for such fund remaining uncollected~~, and~~. No certificate shall be issued to become due and payable later than ~~December 31 of the year succeeding the year in which the tax levy was made~~ *15 months after the deadline for the certification of the property tax levy under section 275.07, subdivision 1*, and the certificates shall not be sold for less than par and accrued interest. ~~No such certificates shall be issued prior to the beginning of the fiscal year for which the taxes so anticipated were intended, except that when taxes shall have been levied for the purpose of paying a deficit in any such fund carried over from any previous year or years~~ *The* certificates of indebtedness ~~in anticipation of collection of the taxes levied for such deficit~~ may be issued at any time after ~~such~~ *the* levy ~~shall have~~ *has* been finally made and certified to the county auditor. Each certificate shall state upon its face for which fund the proceeds thereof shall be used, the total amount of certificates so issued, and the whole amount embraced in the levy for that particular purpose. They shall be numbered consecutively, be in denominations of $100 or a multiple thereof, may have interest coupons attached, shall be otherwise of such form and terms, and may be made payable at such place, as will best aid in their negotiation, and the proceeds of the tax assessed and collected on

account of the fund and the full faith and credit of the county shall be irrevocably pledged for the redemption and payment of the certificates so issued. Such certificates shall be payable primarily from the moneys derived from the levy for the years against which such certificates were issued, but shall constitute unlimited general obligations of the county. Money derived from the sale of such certificates shall be credited to the fund or funds the taxes for which are so anticipated.

Sec. 13. Minnesota Statutes 1990, section 401.02, subdivision 3, is amended to read:

Subd. 3. [ESTABLISHMENT AND REORGANIZATION OF ADMINISTRATIVE STRUCTURE.] Any county or group of counties which have qualified for participation in the community corrections subsidy program provided by this chapter may~~, after consultation with the judges of the district court, county court, municipal court, probate court and juvenile court having jurisdiction in the county or group of counties~~ establish, organize, and reorganize an administrative structure and provide for the budgeting, staffing and operation of court services and probation, *construction or improvement to* juvenile detention and juvenile correctional facilities *and adult detention and correctional facilities*, and other activities required to conform to the purposes of this chapter. No contrary general or special statute divests any county or group of counties of the authority granted by this subdivision. ~~This subdivision does not apply to Ramsey County or Hennepin County or to the counties in the Arrowhead region. In Hennepin County and Ramsey County the county board and the judges of the district court, county court, municipal court, probate court and juvenile court shall prepare and implement a joint plan for reorganization of correctional services in the county providing for the administrative structure and providing for the budgeting, staffing and operation of court services and probation, juvenile detention and juvenile correctional facilities, and other activities required to conform to the purposes of this chapter. The joint plan shall be subject to the approval of the commissioner of corrections and submitted to the legislature on or before January 15, 1983.~~

Sec. 14. Minnesota Statutes 1990, section 401.05, is amended to read:

401.05 [FISCAL POWERS.]

Subdivision 1. [AUTHORIZATION TO USE AND ACCEPT FUNDS.] Any county or group of counties electing to come within the provisions of sections 401.01 to 401.16, may, through their governing bodies, use unexpended funds, accept gifts, grants and subsidies from any lawful source, and apply for and accept federal funds.

Subd. 2. [CAPITAL IMPROVEMENTS; BONDS; LEASES.] *(a) A county or group of counties which acquires facilities under section 401.04 or constructs the facilities may finance the acquisition or construction and the equipping and subsequent improvement of the facilities in whole or in part by:*

(1) the issuance of general obligation bonds of the county or group of counties in the manner provided in chapter 475; or

(2) the issuance of revenue bonds, secured by a lease agreement as provided in subdivision 3 and sections 469.152 to 469.165, by a city situated in any of the counties or a county housing and redevelopment authority established pursuant to chapter 469 or special law.

Proceedings for the issuance of general obligation bonds shall be instituted by the board of county commissioners of the county or boards of the group of counties.

(b) If counties have combined as authorized in section 401.02, the joint powers board created under section 471.59 shall, with the approval of the county board of each county which is a party:

(1) fix the total amount necessary for the construction or acquisition and the equipping and subsequent improvement of the facilities; and

(2) apportion to each county its share of this amount or of the annual debt service or lease rentals required to pay this amount with interest, as provided in subdivision 4.

Subd. 3. [LEASING.] *(a) A county or joint powers board of a group of counties which acquires or constructs and equips or improves facilities under this chapter may, with the approval of the board of county commissioners of each county, enter into a lease agreement with a city situated within any of the counties, or a county housing and redevelopment authority established under chapter 469 or any special law. Under the lease agreement, the city or county housing and redevelopment authority shall:*

(1) construct or acquire and equip or improve a facility in accordance with plans prepared by or at the request of a county or joint powers board of the group of counties and approved by the commissioner of corrections; and

(2) finance the facility by the issuance of revenue bonds.

(b) The county or joint powers board of a group of counties may lease the facility site, improvements, and equipment for a term upon rental sufficient to produce revenue for the prompt payment of the revenue bonds and all interest accruing on them. Upon completion of payment, the lessee shall acquire title. The real and personal property acquired for the facility constitutes a project and the lease agreement constitutes a revenue agreement as provided in sections 469.152 to 469.165. All proceedings by the city or county housing and redevelopment authority and the county or joint powers board shall be as provided in sections 469.152 to 469.165, with the following adjustments:

(1) no tax may be imposed upon the property;

(2) the approval of the project by the commissioner of trade and economic development is not required;

(3) the department of corrections shall be furnished and shall record information concerning each project as it may prescribe, in lieu of reports required on other projects to the commissioner of trade and economic development or the energy and economic development authority;

(4) the rentals required to be paid under the lease agreement shall not exceed in any year one-tenth of one percent of the market value of property within the county or group of counties as last equalized before the execution of the lease agreement;

(5) the county or group of counties shall provide for payment of all rentals due during the term of the lease agreement in the manner required in subdivision 4;

(6) no mortgage on the facilities shall be granted for the security of the

bonds, but compliance with clause (5) may be enforced as a nondiscretionary duty of the county or group of counties; and

(7) the county or the joint powers board of the group of counties may sublease any part of the facilities for purposes consistent with their maintenance and operation.

Subd. 4. [TAX LEVIES; APPORTIONMENT OF COSTS.] *The county or each county of the group of counties shall annually levy a tax in an amount necessary to defray its proportion of the net costs of maintenance and operation of the facilities, and shall levy a tax to pay the cost of construction or acquisition, equipping, and any subsequent improvement to the facilities or the retirement of any bonds or required lease payments for these purposes. Each county may levy these taxes without limitation on the rate or amount. This levy shall not cause the amount of other taxes levied or to be levied by the county, which are subject to any limitation, to be reduced in any amount. A joint powers board of the group of counties shall apportion the costs of maintenance and operation, construction or acquisition, equipping, and subsequent improvement of the facilities to each of the counties according to a formula in the agreement entered into by the counties.*

Subd. 5. [CORRECTIONAL FACILITIES FUND.] *All money received for the operation and maintenance, payment of indebtedness or lease payments, and construction or acquisition, equipping, and subsequent improvement of the facilities must be deposited in a correctional facilities fund maintained in the treasury of the county in which the facilities are located or any county treasury of the group of counties as designated by the joint powers board. The bonds may be the type the authority determines, including bonds on which the principal and interest are payable exclusively from the income and revenues of the project financed with the proceeds of the bonds, or exclusively from the income and revenues of certain designated projects, whether or not they are financed in whole or in part with the proceeds of the bonds. The bonds may be additionally secured by (1) a pledge of any grant or contributions from the federal government or other source, or (2) a pledge of any income or revenues of the authority from the project for which the proceeds of the bonds are to be used, or (3) a mortgage of any project or other property of the authority.

Subd. 2. [GENERAL OBLIGATION REVENUE BONDS.] *(a) An authority may pledge the general obligation of the general jurisdiction governmental unit as additional security for bonds payable from income or revenues of the project or the authority. The authority must find that the pledged revenues will equal or exceed 110 percent of the principal and interest due on the bonds for each year. The proceeds of the bonds must be used for a qualified housing development project or projects. The obligations must be issued and sold in the manner and following the procedures provided by chapter 475, except the obligations are not subject to approval by the electors. The authority is the municipality for purposes of chapter 475.*

(b) The principal amount of the issue must be approved by the governing body of the general jurisdiction governmental unit whose general obligation is pledged. Public hearings must be held on issuance of the obligations by both the authority and the general jurisdiction governmental unit. The hearings must be held at least 15 days, but not more than 120 days, before the sale of the obligations.

(c) The maximum amount of general obligation bonds that may be issued and outstanding under this section equals the greater of (1) one-half of one percent of the taxable market value of the general jurisdiction governmental unit whose general obligation which includes a tax on property is pledged, or (2) $3,000,000. In the case of county or multicounty general obligation bonds, the outstanding general obligation bonds of all cities in the county or counties issued under this subdivision must be added in calculating the limit under clause (1).

(d) "General jurisdiction governmental unit" means the city in which the

housing development project is located. In the case of a county or multicounty authority, the county or counties may act as the general jurisdiction governmental unit. In the case of a multicounty authority, the pledge of the general obligation is a pledge of a tax on the taxable property in each of the counties.

(e) "Qualified housing development project" means a housing development project providing housing either for the elderly or for individuals and families with incomes not greater than 80 percent of the median family income as estimated by the United States Department of Housing and Urban Development for the standard metropolitan statistical area or the nonmetropolitan county in which the project is located. A qualified housing development project may admit nonelderly individuals and families with higher incomes if:

(1) three years have passed since initial occupancy;

(2) the authority finds the project is experiencing unanticipated vacancies resulting in insufficient revenues, because of changes in population or other unforeseen circumstances that occurred after the initial finding of adequate revenues; and

(3) the authority finds a tax levy or payment from general assets of the general jurisdiction governmental unit will be necessary to pay debt service on the bonds if higher income individuals or families are not admitted.

Subd. 3. [REVENUE FROM OTHER PROJECTS.] No proceeds of bonds issued for or revenue authorized for or derived from any redevelopment project or area shall be used to pay the bonds or costs of, or make contributions or loans to, any public housing project. The proceeds of bonds issued for or revenues authorized for or derived from any one public housing project shall not be used to pay the bonds or costs of, or make contributions or loans to any other public housing project until the bonds and costs of the public housing project for which those bonds were issued or from which those revenues were derived or for which they were authorized shall be fully paid.

Subd. 4. [BOND TERMS.] Neither the commissioners of an authority nor any person executing the bonds shall be liable personally on the bonds by reason of the issuance thereof. *Except as provided in subdivision 2*, the bonds of an authority shall not be a debt of the city, the state, or any political subdivision, and neither the city nor the state or any political subdivision shall be liable on them, nor shall the bonds be payable out of any funds or properties other than those of the authority; the bonds shall state this on their face. The bonds shall not constitute an indebtedness within the meaning of any constitutional or statutory debt limitation or restriction, *except as provided in subdivision 2*. Bonds of an authority are declared to be issued for an essential public and governmental purpose and to be public instrumentalities.

Subd. 5. [TAX EXEMPTION.] The provisions of sections 469.001 to 469.047 exempting from taxation authorities, their properties and income, shall be considered additional security for the repayment of bonds and shall constitute, by virtue of sections 469.001 to 469.047 and without the same being restated in the bonds, a contract between the (1) bondholders and each of them, including all transferees of the bonds, and (2) the respective authorities issuing the bonds and the state. An authority may by covenant confer upon the holder of the bonds the rights and remedies it deems

necessary or advisable, including the right in the event of default to have a receiver appointed to take possession of and operate the project. When the obligations issued by an authority to assist in financing the development of a project have been retired and federal contributions have been discontinued, the exemptions from taxes and special assessments for that project shall terminate.

Subd. 5. [STATE AID REDUCTIONS.] *The state aid reductions under Minnesota Statutes 1990, section 273.1399, do not apply to the subdistrict, if the city elects to pay and pays 25 percent of the remediation costs and deposits to the indemnification fund out of its general fund, a property tax levy for that purpose, or other unrestricted city money (other than tax increments). The city must elect this option at the time of certification of the district and must notify the commissioner of revenue of its election. The election is irrevocable.*

Subd. 6. The request for certification of the subdistrict must be filed with the county auditor before December 1, 1995. The city may defer receipt of the first increment from a subdistrict for up to three years following certification. Minnesota Statutes, sections 469.174, subdivision 7, paragraph (c); and 469.176, subdivisions 1, paragraph (d); 4e; 6; and 7, do not apply to a subdistrict. Nothing in this section affects the liability of persons for costs or damages associated with the release of hazardous substances, the city's right to pursue responsible parties or reimbursement under applicable insurance contracts, or the city's liability under Minnesota Statutes, section 115B.04, subdivision 4. The powers granted are in addition to other powers of the city.*

Subd. 4. [LIMITS ON SPENDING INCREMENTS; POOLING RULES.] *The provisions of Minnesota Statutes 1990, section 469.1763, do not apply to the subdistrict created under this section. Revenues derived from tax increments from the subdistrict may be spent only on:*

"ARTICLE 1
COMPUTATION AND ENFORCEMENT OF SUPPORT

Section 1. Minnesota Statutes 1991 Supplement, section 214.101, subdivision 1, is amended to read:

Subdivision 1. [COURT ORDER; HEARING ON SUSPENSION.] *(a) For purposes of this section, "licensing board" means a licensing board or other state agency that issues an occupational license.*

(b) If a licensing board receives an order from a court under section 518.551, subdivision 12, dealing with suspension of a license of a person found by the court to be in arrears in child support payments, the board shall, within 30 days of receipt of the court order, provide notice to the licensee and hold a hearing. If the board finds that the person is licensed by the board and evidence of full payment of arrearages found to be due by the court is not presented at the hearing, the board shall suspend the license unless it determines that probation is appropriate under subdivision 2. The only issues to be determined by the board are whether the person named in the court order is a licensee, whether the arrearages have been paid, and whether suspension or probation is appropriate. The board may not consider evidence with respect to the appropriateness of the court order or the ability of the person to comply with the order. The board may not lift the suspension until the licensee files with the board proof showing that the licensee is current in child support payments.

Sec. 2. Minnesota Statutes 1990, section 257.67, subdivision 3, is amended to read:

Subd. 3. Willful failure to obey the judgment or order of the court is a ~~civil~~ contempt of the court. All remedies for the enforcement of judgments apply including those available under *chapters 518 and 518C and* sections ~~518C.01 to 518C.36 and~~ 256.871 to 256.878.

Sec. 3. Minnesota Statutes 1990, section 518.14, is amended to read:

518.14 [COSTS AND DISBURSEMENTS AND ATTORNEY FEES.]

In a proceeding under this chapter, the court shall award attorney fees, costs, and disbursements in an amount necessary to enable a party to carry on or contest the proceeding, provided it finds:

(1) that the fees are necessary for the good-faith assertion of the party's rights in the proceeding and will not contribute unnecessarily to the length and expense of the proceeding;

(2) that the party from whom fees, costs, and disbursements are sought has the means to pay them; and

(3) that the party to whom fees, costs, and disbursements are awarded does not have the means to pay them.

Nothing in this section precludes the court from awarding, in its discretion, additional fees, costs, and disbursements against a party who unreasonably contributes to the length or expense of the proceeding. Fees, costs, and

disbursements provided for in this section may be awarded at any point in the proceeding, *including a modification proceeding under sections 518.18 and 518.64*. The court may adjudge costs and disbursements against either party. The court may authorize the collection of money awarded by execution, or out of property sequestered, or in any other manner within the power of the court. An award of attorney's fees made by the court during the pendency of the proceeding or in the final judgment survives the proceeding and if not paid by the party directed to pay the same may be enforced as above provided or by a separate civil action brought in the attorney's own name. If the proceeding is dismissed or abandoned prior to determination and award of attorney's fees, the court may nevertheless award attorney's fees upon the attorney's motion. The award shall also survive the proceeding and may be enforced in the same manner as last above provided.

Sec. 4. Minnesota Statutes 1990, section 518.171, subdivision 4, is amended to read:

Subd. 4. [EFFECT OF ORDER.] The order is binding on the employer or union and the health and dental insurance plan when service under subdivision 3 has been made. Upon receipt of the order, or upon application of the obligor pursuant to the order, the employer or union and its health and dental insurance plan shall enroll the minor child as a beneficiary in the group insurance plan and withhold any required premium from the obligor's income or wages. If more than one plan is offered by the employer or union, the child shall be enrolled in the insurance plan in which the obligor is enrolled or the least costly plan otherwise available to the obligor that is comparable to a number two qualified plan. *An employer or union that fails to comply with the order is liable for any health or dental expenses incurred by a parent for the child that would have been covered, had the plan been in effect, and any other premium costs incurred because the employer failed to comply with the order. An employer or union that fails to comply with the order is subject to contempt of court.* Failure of the obligor to execute any documents necessary to enroll the dependent in the group health and dental insurance plan will not affect the obligation of the employer or union and group health and dental insurance plan to enroll the dependent in a plan for which other eligibility requirements are met. Information and authorization provided by the public authority responsible for child support enforcement, or by the custodial parent or guardian, is valid for the purposes of meeting enrollment requirements of the health plan. The insurance coverage for a child eligible under subdivision 5 shall not be terminated except as authorized in subdivision 5.

Sec. 5. Minnesota Statutes 1990, section 518.171, subdivision 6, is amended to read:

Subd. 6. [INSURER *REIMBURSEMENT; CORRESPONDENCE AND* NOTICE.] *(a)* The signature of the custodial parent of the insured dependent is a valid authorization to the insurer for purposes of processing an insurance reimbursement payment to the provider of the medical services. *If a parent makes a payment for medical services for which reimbursement is required, the insurer shall pay the reimbursement directly to the parent who made the payment.*

(b) The insurer shall send copies of all correspondence regarding the insurance coverage to both parents. When an order for dependent insurance coverage is in effect and the obligor's employment is terminated, or the insurance coverage is terminated, the insurer shall notify the obligee within

ten days of the termination date with notice of conversion privileges.

Sec. 6. Minnesota Statutes 1990, section 518.175, subdivision 1, is amended to read:

Subdivision 1. In all proceedings for dissolution or legal separation, subsequent to the commencement of the proceeding and continuing thereafter during the minority of the child, the court shall, upon the request of either parent, grant such rights of visitation on behalf of ~~the~~ *each* child and noncustodial parent as will enable the child and the noncustodial parent to maintain a child to parent relationship that will be in the best interests of the child. *In particular, the court shall consider the need of each child to spend time alone with each parent.* If the court finds, after a hearing, that visitation is likely to endanger ~~the~~ *any* child's physical or emotional health or impair ~~the~~ *any* child's emotional development, the court shall restrict visitation by the noncustodial parent *with that child* as to time, place, duration, or supervision and may deny visitation entirely, as the circumstances warrant. The court shall consider the age of ~~the~~ *each* child and ~~the~~ *each* child's relationship with the noncustodial parent prior to the commencement of the proceeding. A parent's failure to pay support because of the parent's inability to do so shall not be sufficient cause for denial of visitation.

Sec. 7. Minnesota Statutes 1990, section 518.24, is amended to read:

518.24 [SECURITY; SEQUESTRATION; CONTEMPT.]

In all cases when maintenance or support payments are ordered, the court may require sufficient security to be given for the payment of them according to the terms of the order. Upon neglect or refusal to give security, or upon failure to pay the maintenance or support, the court may sequester the obligor's personal estate and the rents and profits of real estate of the obligor, and appoint a receiver of them. The court may cause the personal estate and the rents and profits of the real estate to be applied according to the terms of the order. The obligor is presumed to have an income from a source sufficient to pay the maintenance or support order. *A child support order constitutes a finding by the court that the obligor has the ability to pay the award.* If the obligor disobeys the order, it is prima facie evidence of contempt.

Sec. 8. Minnesota Statutes 1990, section 518.54, subdivision 4, is amended to read:

Subd. 4. [SUPPORT MONEY; *CHILD SUPPORT.*] "Support money" *or "child support"* means:

(1) an award in a dissolution, legal separation, ~~or~~ annulment, *or parentage* proceeding for the care, support and education of any child of the marriage or of the parties to the ~~annulment~~ proceeding; *or*

(2) a contribution by parents ordered under section 256.87.

"Support money" or "child support" includes interest on arrearages under section 548.091, subdivision 1a.

Sec. 9. Minnesota Statutes 1990, section 518.551, subdivision 1, is amended to read:

Subdivision 1. [*SCOPE;* PAYMENT TO PUBLIC AGENCY.] *(a) This section applies to all proceedings involving an award of child support.*

(b) The court shall direct that all payments ordered for maintenance and support be made to the public agency responsible for child support enforcement so long as the obligee is receiving or has applied for public assistance, or has applied for child support and maintenance collection services. Public authorities responsible for child support enforcement may act on behalf of other public authorities responsible for child support enforcement. This includes the authority to represent the legal interests of or execute documents on behalf of the other public authority in connection with the establishment, enforcement, and collection of child support, maintenance, or medical support, and collection on judgments. Amounts received by the public agency responsible for child support enforcement greater than the amount granted to the obligee shall be remitted to the obligee.

Sec. 10. Minnesota Statutes 1991 Supplement, section 518.551, subdivision 5, is amended to read:

Subd. 5. [NOTICE TO PUBLIC AUTHORITY; GUIDELINES.] (a) The petitioner shall notify the public authority of all proceedings for dissolution, legal separation, determination of parentage or for the custody of a child, if either party is receiving aid to families with dependent children or applies for it subsequent to the commencement of the proceeding. After receipt of the notice, the court shall set child support as provided in this subdivision. The court may order either or both parents owing a duty of support to a child of the marriage to pay an amount reasonable or necessary for the child's support, without regard to marital misconduct.

The court shall approve a child support stipulation of the parties if each party is represented by independent counsel, unless the stipulation does not meet the conditions of paragraph (h). In other cases the court shall determine and order child support in a specific dollar amount in accordance with the guidelines and the other factors set forth in paragraph (b) and any departure therefrom.

The court may also order the obligor to pay child support in the form of a percentage share of the obligor's net bonuses, commissions, or other forms of compensation, in addition to, or if the obligor receives no base pay, in lieu of, an order for a specific dollar amount.

(b) The court shall derive a specific dollar amount *for child support* by multiplying the obligor's net income by the percentage indicated by the following guidelines:

Net Income Per Month of Obligor	Number of Children						
	1	2	3	4	5	6	7 or more

Guidelines for support for an obligor with a monthly income ~~of $4,001 or more~~ *in excess of the income limit currently in effect* shall be the same dollar amounts as provided for in the guidelines for an obligor with a monthly income ~~of $4,000~~ *equal to the limit.*

Net Income defined as:

Total monthly income less

*(i) Federal Income Tax
*(ii) State Income Tax
(iii) Social Security Deductions
(iv) ~~Reasonable~~ Pension Deductions *Not to Exceed Five Percent of Gross Income*
(v) Union Dues
(vi) Cost of Dependent Health Insurance Coverage *That the Obligor is Required to Provide*
(vii) Cost of Individual or Group Health/ Hospitalization Coverage or an Amount for Actual Medical Expenses
(viii) A Child Support or Maintenance Order that is Currently Being Paid.

*Standard Deductions apply- use of tax tables recommended

"Net income" does not include:

(1) the income of the obligor's spouse, but does include in-kind payments received by the obligor in the course of employment, self-employment, or operation of a business if the payments reduce the obligor's living expenses; or

(2) compensation received by a party for employment in excess of a 40-hour work week, provided that:

(i) support is nonetheless ordered in an amount at least equal to the guidelines amount based on income not excluded under this clause; and

(ii) the party demonstrates, and the court finds, that:

(A) the excess employment began after the filing of the petition for dissolution;

(B) the excess employment reflects an increase in the work schedule or hours worked over that of the two years immediately preceding the filing of the petition;

(C) the excess employment is voluntary and not a condition of employment;

(D) the excess employment is in the nature of additional, part-time or overtime employment compensable by the hour or fraction of an hour; and

(E) the party's compensation structure has not been changed for the purpose of affecting a support or maintenance obligation.

The court shall review work-related child care expenses of the custodial parent and shall increase the amount of the child support award by an additional amount deemed reasonable and necessary for child care costs, considering the financial circumstances and needs of the parties. The court may allow the noncustodial parent to care for the child while the custodial parent is working if this arrangement is reasonable and in the best interests of the child.

If the parties have joint physical or split physical custody of a child, the court shall compute the guideline amount owed by each party based on the percentage of time that the other party has physical custody and then adjust the guideline amount to take into account the duplicative costs inherent in maintaining two full households for the child.

~~(b)~~ *(c)* In addition to the child support guidelines, the court shall take into consideration the following factors in setting or modifying child support:

(1) all earnings, income, and resources of the parents, including real and personal property, but excluding income from excess employment of the obligor or obligee that meets the criteria of paragraph ~~(a)~~ *(b)*, clause (2)(ii);

(2) the financial needs and resources, physical and emotional condition, and educational needs of the child or children to be supported;

(3) the standards of living the child would have enjoyed had the marriage not been dissolved, but recognizing that the parents now have separate households;

~~(4) the amount of the aid to families with dependent children grant for the child or children;~~

~~(5)~~ *(4)* which parent receives the income taxation dependency exemption and what financial benefit the parent receives from it; ~~and~~

~~(6)~~ *(5)* the parents' debts as provided in paragraph ~~(c)~~ *(d); and*

(6) existing or anticipated extraordinary medical expenses of the child not apportioned between the parties.

~~(c)~~ *(d)* In establishing or modifying a support obligation, the court may consider debts owed to private creditors, but only if:

(1) the right to support has not been assigned under section 256.74;

(2) the court determines that the debt was reasonably incurred for necessary support of the child or parent or for the necessary generation of

income. If the debt was incurred for the necessary generation of income, the court shall consider only the amount of debt that is essential to the continuing generation of income; and

(3) the party requesting a departure produces a sworn schedule of the debts, with supporting documentation, showing goods or services purchased, the recipient of them, the amount of the original debt, the outstanding balance, the monthly payment, and the number of months until the debt will be fully paid.

~~(d)~~ *(e)* Any schedule prepared under paragraph ~~(c)~~ *(d)*, clause (3), shall contain a statement that the debt will be fully paid after the number of months shown in the schedule, barring emergencies beyond the party's control.

~~(e)~~ *(f)* Any further departure below the guidelines that is based on a consideration of debts owed to private creditors shall not exceed 18 months in duration, after which the support shall increase automatically to the level ordered by the court. Nothing in this section shall be construed to prohibit one or more step increases in support to reflect debt retirement during the 18-month period.

~~(f) Where~~ *(g) If* payment of debt is ordered pursuant to this section, the payment shall be ordered to be in the nature of child support.

~~(g)~~ *(h)* Nothing shall preclude the court from receiving evidence on the above factors to determine if the guidelines should be exceeded or modified in a particular case.

~~(h)~~ *(i)* The guidelines in this subdivision are a rebuttable presumption and shall be used in all cases when establishing or modifying child support. If the court does not deviate from the guidelines, the court shall make written findings concerning the amount of the obligor's income used as the basis for the guidelines calculation and any other significant evidentiary factors affecting the determination of child support. If the court deviates from the guidelines, the court shall make written findings giving the reasons for the deviation and shall specifically address the criteria in paragraph ~~(b)~~ *(c)* and how the deviation serves the best interest of the child. The provisions of this paragraph apply whether or not the parties are each represented by independent counsel and have entered into a written agreement. The court shall review stipulations presented to it for conformity to the guidelines and the court is not required to conduct a hearing, but the parties shall provide the documentation of earnings required under subdivision 5b.

(j) If the child support payments are assigned to the public agency under section 256.74, the court may not deviate downward from the child support guidelines unless the court specifically finds that the failure to deviate downward would impose an extreme hardship on the obligor.

(k) The dollar amount of the income limit for application of the guidelines must be adjusted on July 1 of every even-numbered year to reflect cost-of-living changes. The supreme court shall select the index for the adjustment from the indices listed in section 518.641. The state court administrator shall make the changes in the dollar amount required by this paragraph available to courts and the public on or before April 30 of the year in which the amount is to change.

Sec. 11. Minnesota Statutes 1991 Supplement, section 518.551, subdivision 5b, is amended to read:

Subd. 5b. [DETERMINATION OF INCOME.] (a) The parties shall timely serve and file documentation of earnings and income. When there is a prehearing conference, the court must receive the documentation of income at least ten days prior to the prehearing conference. Documentation of earnings and income also includes, but is not limited to, pay stubs for the most recent three months, employer statements, or statement of receipts and expenses if self-employed. Documentation of earnings and income also includes copies of each parent's most recent federal tax returns, including W-2 forms, 1099 forms, unemployment compensation statements, workers' compensation statements, and all other documents evidencing income as received that provide verification of income over a longer period.

(b) *In addition to the requirements of paragraph (a), at any time after an action seeking child support has been commenced or when a child support order is in effect, a party or the public authority may require the other party to give them their most recent federal tax returns. The party shall provide a copy of the tax returns within 30 days of receipt of the request. Failure of a party, without leave of the court, to provide the tax return as required under this paragraph is contempt of court.*

(c) If a parent under the jurisdiction of the court does not appear at a court hearing after proper notice of the time and place of the hearing, the court shall set income for that parent based on credible evidence before the court or in accordance with paragraph ~~(c)~~ *(d)*. Credible evidence may include documentation of current or recent income, testimony of the other parent concerning recent earnings and income levels, and the parent's wage reports filed with the Minnesota department of jobs and training under section 268.121.

~~(c)~~ *(d)* If the court finds that a parent is voluntarily unemployed or underemployed, child support shall be calculated based on a determination of imputed income. A parent is not considered voluntarily unemployed or underemployed upon a showing by the parent that the unemployment or underemployment: (1) is temporary and will ultimately lead to an increase in income; or (2) represents a bona fide career change that outweighs the adverse effect of that parent's diminished income on the child. Imputed income means the estimated earning ability of a parent based on the parent's prior earnings history, education, and job skills, and on availability of jobs within the community for an individual with the parent's qualifications. If the court is unable to determine or estimate the earning ability of a parent, the court may calculate child support based on full-time employment of 40 hours per week at the federal minimum wage or the Minnesota minimum wage, whichever is higher. If a parent *is a recipient of public assistance under sections 256.72 to 256.87 or chapter 256D, or* is physically or mentally incapacitated, it shall be presumed that the parent is not voluntarily unemployed or underemployed.

Sec. 12. Minnesota Statutes 1990, section 518.551, subdivision 10, is amended to read:

Subd. 10. [ADMINISTRATIVE PROCESS FOR CHILD AND MEDICAL SUPPORT ORDERS.] An administrative process is established to obtain, modify, and enforce child and medical support orders and maintenance.

The commissioner of human services may designate counties to participate in the administrative process established by this section. All proceedings for obtaining, modifying, or enforcing child and medical support

orders and maintenance and adjudicating uncontested parentage proceedings, required to be conducted in counties designated by the commissioner of human services in which the county human services agency is a party or represents a party to the action must be conducted by an administrative law judge from the office of administrative hearings, except for the following proceedings:

(1) adjudication of contested parentage;

(2) motions to set aside a paternity adjudication or declaration of parentage;

(3) evidentiary hearing on contempt motions; ~~and~~

(4) motions to sentence or to revoke the stay of a jail sentence in contempt proceedings; *and*

(5) motions described in this clause. If a motion to obtain, modify, or enforce child support is filed in the district court before a proceeding is commenced with an administrative law judge, it must be decided by the district court. If a petition for marriage dissolution, legal separation, annulment, or determination of parentage is pending in the district court and the parties have minor children, issues relating to obtaining, modifying, and enforcing child support that arise during the pendency of the proceeding, if a hearing is requested, must be decided by the district court. If during the pendency of a motion or proceeding described in this clause, the county human services agency becomes a party to, or commences representation of a party in, a matter involving the support of a child whose support is also at issue in the motion or proceeding pending before the district court, the county human services agency may intervene in the district court. However, the county human services agency shall not commence proceedings concerning the support of that child before an administrative law judge, until after the district court has decided the motion or entered judgment in the proceeding pending before it.

An administrative law judge may hear a stipulation reached on a contempt motion, but any stipulation that involves a finding of contempt and a jail sentence, whether stayed or imposed, shall require the review and signature of a district judge.

For the purpose of this process, all powers, duties, and responsibilities conferred on judges of the district court to obtain and enforce child and medical support obligations, subject to the limitation set forth herein, are conferred on the administrative law judge conducting the proceedings, including the power to issue orders to show cause and to issue bench warrants for failure to appear.

Before implementing the process in a county, the chief administrative law judge, the commissioner of human services, the director of the county human services agency, the county attorney, and the county court administrator shall jointly establish procedures and the county shall provide hearing facilities for implementing this process in a county.

Nonattorney employees of the public agency responsible for child support in the counties designated by the commissioner, acting at the direction of the county attorney, may prepare, sign, serve, and file complaints and motions for obtaining, modifying, or enforcing child and medical support orders and maintenance and related documents, appear at prehearing conferences, and participate in proceedings before an administrative law judge.

This activity shall not be considered to be the unauthorized practice of law.

The hearings shall be conducted under the rules of the office of administrative hearings, Minnesota Rules, parts 1400.7100 to 1400.7500, 1400.7700, and 1400.7800, as adopted by the chief administrative law judge. All other aspects of the case, including, but not limited to, pleadings, discovery, and motions, shall be conducted under the rules of family court, the rules of civil procedure, and chapter 518. The administrative law judge shall make findings of fact, conclusions, and a final decision and issue an order. Orders issued by an administrative law judge are enforceable by the contempt powers of the county and district courts.

The decision and order of the administrative law judge is appealable to the court of appeals in the same manner as a decision of the district court.

Sec. 13. Minnesota Statutes 1991 Supplement, section 518.551, subdivision 12, is amended to read:

Subd. 12. [~~OCCUPATIONAL~~ LICENSE SUSPENSION.] Upon petition of an obligee or public agency responsible for child support enforcement, if the court finds that the obligor is *in arrears in court-ordered child support payments, the court may provide for suspension of licenses as provided in this subdivision. If the court finds that the obligor is* or may be licensed by a licensing board listed in section 214.01 ~~and the obligor is in arrears in court-ordered child support payments~~ *or by any other state agency that issues an occupational license*, the court may direct the licensing board *or other licensing agency* to conduct a hearing under section 214.101 concerning suspension of the obligor's license. If the obligor is a licensed attorney, the court may report the matter to the lawyers professional responsibility board for appropriate action in accordance with the rules of professional conduct.

The remedy under this subdivision is in addition to any other enforcement remedy available to the court.

Sec. 14. Minnesota Statutes 1990, section 518.57, subdivision 1, is amended to read:

Subdivision 1. [ORDER.] Upon a decree of dissolution, legal separation, or annulment, the court shall make a further order which is just and proper concerning the maintenance of the minor children as provided by section 518.551, and for the maintenance of any child of the parties as defined in section 518.54, as support money~~, and~~. *The court* may make ~~the same~~ *any child support order* a lien or charge upon the property of the ~~parties to the proceeding, or either of them~~ *obligor*, either at the time of the entry of the judgment or by subsequent order upon proper application.

Sec. 15. Minnesota Statutes 1990, section 518.57, is amended by adding a subdivision to read:

Subd. 4. [OTHER CUSTODIANS.] *If a child resides with a person other than a parent and the court approves of the custody arrangement, the court may order child support payments to be made to the custodian regardless of whether the person has legal custody.*

Sec. 16. [518.585] [NOTICE OF INTEREST ON LATE CHILD SUPPORT.]

Any judgment or decree of dissolution or legal separation containing a requirement of child support and any determination of parentage, order under chapter 518C, order under section 256.87, or order under section

260.251 must include a notice to the parties that section 548.091, subdivision 1a, provides for interest to begin accruing on a payment or installment of child support whenever the unpaid amount due is greater than the current support due.

Sec. 17. Minnesota Statutes 1990, section 518.611, subdivision 4, is amended to read:

Subd. 4. [EFFECT OF ORDER.] *(a)* Notwithstanding any law to the contrary, the order is binding on the employer, trustee, payor of the funds, or financial institution when service under subdivision 2 has been made. Withholding must begin no later than the first pay period that occurs after 14 days following the date of the notice. In the case of a financial institution, preauthorized transfers must occur in accordance with a court-ordered payment schedule. An employer, payor of funds, or financial institution in this state is required to withhold income according to court orders for withholding issued by other states or territories. The payor shall withhold from the income payable to the obligor the amount specified in the order and amounts required under subdivision 2 and section 518.613 and shall remit, within ten days of the date the obligor is paid the remainder of the income, the amounts withheld to the public authority. The payor shall identify on the remittance information the date the obligor is paid the remainder of the income. *The obligor is deemed to have paid the amount withheld as of the date the obligor received the remainder of the income.* The financial institution shall execute preauthorized transfers from the deposit accounts of the obligor in the amount specified in the order and amounts required under subdivision 2 as directed by the public authority responsible for child support enforcement.

(b) Employers may combine all amounts withheld from one pay period into one payment to each public authority, but shall separately identify each obligor making payment. Amounts received by the public authority which are in excess of public assistance expended for the party or for a child shall be remitted to the party.

(c) An employer shall not discharge, or refuse to hire, or otherwise discipline an employee as a result of a wage or salary withholding authorized by this section. The employer or other payor of funds shall be liable to the obligee for any amounts required to be withheld. A financial institution is liable to the obligee if funds in any of the obligor's deposit accounts identified in the court order equal the amount stated in the preauthorization agreement but are not transferred by the financial institution in accordance with the agreement. *An employer or other payor of funds that fails to withhold or transfer funds in accordance with this section is also liable to the obligee for interest on the funds at the rate applicable to judgments under section 549.09, computed from the date the funds were required to be withheld or transferred. An employer or other payor of funds is liable for reasonable attorney fees of the obligee or public authority incurred in enforcing the liability under this paragraph. An employer or other payor of funds that has failed to comply with the requirements of this section is subject to contempt of court.*

Sec. 18. Minnesota Statutes 1991 Supplement, section 518.64, subdivision 1, is amended to read:

Subdivision 1. [MODIFICATION; CONTEMPT.] After an order for maintenance or support money, temporary or permanent, or for the appointment of trustees to receive property awarded as maintenance or support money,

the court may from time to time, on motion of either of the parties, a copy of which is served on the public authority responsible for child support enforcement if payments are made through it, or on motion of the public authority responsible for support enforcement, modify the order respecting the amount of maintenance or support money, and the payment of it, and also respecting the appropriation and payment of the principal and income of property held in trust, and may make an order respecting these matters which it might have made in the original proceeding, except as herein otherwise provided. *A party or the public authority also may bring a motion for contempt of court if the obligor is in arrears in support or maintenance payments.*

Sec. 19. Minnesota Statutes 1991 Supplement, section 518.64, subdivision 2, is amended to read:

Subd. 2. [MODIFICATION.] (a) The terms of an order respecting maintenance or support may be modified upon a showing of one or more of the following: (1) substantially increased or decreased earnings of a party; (2) substantially increased or decreased need of a party or the child or children that are the subject of these proceedings; (3) receipt of assistance under sections 256.72 to 256.87; ~~or~~ (4) a change in the cost of living for either party as measured by the federal bureau of statistics, any of which makes the terms unreasonable and unfair; *or (5) extraordinary medical expenses of the child. In determining whether a child's needs have increased, the court may consider anticipated expenses for post-secondary education.*

The terms of a current support order shall be rebuttably presumed to be unreasonable and unfair if the application of the child support guidelines in section 518.551, subdivision 5, to the current circumstances of the parties results in a calculated court order that is at least 20 percent and at least $50 per month higher or lower than the current support order.

(b) On a motion for modification of maintenance, including a motion for the extension of the duration of a maintenance award, the court shall apply, in addition to all other relevant factors, the factors for an award of maintenance under section 518.552 that exist at the time of the motion. On a motion for modification of support, the court:

(1) shall apply section 518.551, subdivision 5, and shall not consider the financial circumstances of each party's spouse, if any; and

(2) shall not consider compensation received by a party for employment in excess of a 40-hour work week, provided that the party demonstrates, and the court finds, that:

(i) the excess employment began after entry of the existing support order;

(ii) the excess employment is voluntary and not a condition of employment;

(iii) the excess employment is in the nature of additional, part-time employment, or overtime employment compensable by the hour or fractions of an hour;

(iv) the party's compensation structure has not been changed for the purpose of affecting a support or maintenance obligation;

(v) in the case of an obligor, current child support payments are at least equal to the guidelines amount based on income not excluded under this clause; and

(vi) in the case of an obligor who is in arrears in child support payments

to the obligee, any net income from excess employment must be used to pay the arrearages until the arrearages are paid in full.

(c) A modification of support or maintenance may be made retroactive only with respect to any period during which the petitioning party has pending a motion for modification but only from the date of service of notice of the motion on the responding party and on the public authority if public assistance is being furnished or the county attorney is the attorney of record. However, modification may be applied to an earlier period if the court makes express findings that the party seeking modification was precluded from serving a motion by reason of a significant physical or mental disability, a material misrepresentation of another party, or fraud upon the court and that the party seeking modification, when no longer precluded, promptly served a motion.

(d) Except for an award of the right of occupancy of the homestead, provided in section 518.63, all divisions of real and personal property provided by section 518.58 shall be final, and may be revoked or modified only where the court finds the existence of conditions that justify reopening a judgment under the laws of this state, including motions under section 518.145, subdivision 2. The court may impose a lien or charge on the divided property at any time while the property, or subsequently acquired property, is owned by the parties or either of them, for the payment of maintenance or support money, or may sequester the property as is provided by section 518.24.

(e) The court need not hold an evidentiary hearing on a motion for modification of maintenance or support.

(f) Section 518.14 shall govern the award of attorney fees for motions brought under this subdivision.

Sec. 20. Minnesota Statutes 1991 Supplement, section 518.64, subdivision 5, is amended to read:

Subd. 5. [FORM.] The department of human services shall prepare and make available to courts, obligors and persons to whom child support is owed a form to be submitted by the obligor or the person to whom child support is owed in support of a motion for a modification of an order for support or maintenance *or for contempt of court*. The rulemaking provisions of chapter 14 shall not apply to the preparation of the form.

Sec. 21. Minnesota Statutes 1990, section 548.091, subdivision 1a, is amended to read:

Subd. 1a. [CHILD SUPPORT JUDGMENT BY OPERATION OF LAW.] Any payment or installment of support required by a judgment or decree of dissolution or legal separation, determination of parentage, an order under chapter 518C, an order under section 256.87, or an order under section 260.251, that is not paid or withheld from the obligor's income as required under section 518.611 or 518.613, is a judgment by operation of law on and after the date it is due and is entitled to full faith and credit in this state and any other state. Interest accrues from the date the ~~judgment on the payment or installment is entered and docketed under subdivision 3a,~~ *unpaid amount due is greater than the current support due* at the annual rate provided in section 549.09, subdivision 1. A payment or installment of support that becomes a judgment by operation of law between the date on which a party served notice of a motion for modification under section 518.64, subdivision 2, and the date of the court's order on modification

may be modified under that subdivision.

Sec. 22. Minnesota Statutes 1990, section 588.20, is amended to read:

Sec. 25. [INCOME WITHHOLDING; SINGLE CHECK SYSTEM.]

The commissioner of human services, in consultation with county child support enforcement agencies, shall study and make recommendations on the feasibility of establishing a single check system under which employers

who are implementing income withholding may make one combined payment for payments due to public authorities to one public authority or to the commissioner of human services. The commissioner shall estimate the cost of the single check system and the level of fees that would be necessary to make the system self-supporting. The commissioner shall report to the legislature by January 15, 1994.

Sec. 26. [JOINT AND SPLIT CUSTODY CHILD SUPPORT.]

The defendant or other adverse or intervening party, or any one or more of several defendants or other adverse or intervening parties appearing separately from the others, shall pay, when the first paper is filed for that party in said action, a fee of $85.

The party requesting a trial by jury shall pay $30.

The fees above stated shall be the full trial fee chargeable to said parties irrespective of whether trial be to the court alone, to the court and jury, or disposed of without trial, and shall include the entry of judgment in the action, but does not include copies or certified copies of any papers so filed or proceedings under chapter 103E, except the provisions therein as to appeals.

Sec. 3. Minnesota Statutes 1990, section 518.551, subdivision 7, is amended to read:

Subd. 7. [SERVICE FEE.] *(a)* When the public agency responsible for child support enforcement provides child support collection services either to a public assistance recipient or to a party who does not receive public assistance, the public agency may upon written notice to the obligor charge a monthly collection fee equivalent to the full monthly cost to the county of providing collection services, in addition to the amount of the child support which was ordered by the court. The fee shall be deposited in the county general fund. The service fee assessed is limited to ten percent of the monthly court ordered child support and shall not be assessed to obligors who are current in payment of the monthly court ordered child support. An application fee not to exceed ~~$5~~ *$25* shall be paid by the person who applies for child support and maintenance collection services, except persons who transfer from public assistance to nonpublic assistance status. *The fee may be deducted from the next child support payment for the obligee collected by the public agency if the obligee is unable to pay the fee at the time of the application.* Fees assessed by state and federal tax agencies for collection of overdue support owed to or on behalf of a person not receiving public assistance must be imposed on the person for whom these services are provided.

(b) If the support payment for the current month is not paid when due, the public agency may impose a late payment penalty of six percent of the support payment amount.

~~However,~~ *(c)* The limitations of this subdivision on the assessment of fees shall not apply to the extent inconsistent with the requirements of federal law for receiving funds for the programs under Title IV-A and Title IV-D of the Social Security Act, United States Code, title 42, sections 601 to 613 and United States Code, title 42, sections 651 to 662.

(2) motions to set aside a paternity adjudication or declaration of parentage;

(3) evidentiary hearing on contempt motions; and

(4) motions to sentence or to revoke the stay of a jail sentence in contempt proceedings.

(b) An administrative law judge may hear a stipulation reached on a contempt motion, but any stipulation that involves a finding of contempt and a jail sentence, whether stayed or imposed, shall require the review and signature of a district judge.

(c) For the purpose of this process, all powers, duties, and responsibilities conferred on judges of the district court to obtain and enforce child and medical support obligations, subject to the limitation set forth herein, are conferred on the administrative law judge conducting the proceedings, including the power to issue orders to show cause and to issue bench warrants for failure to appear.

(d) Before implementing the process in a county, the chief administrative law judge, the commissioner of human services, the director of the county human services agency, the county attorney, and the county court administrator shall jointly establish procedures and the county shall provide hearing facilities for implementing this process in a county.

(e) Nonattorney employees of the public agency responsible for child support in the counties designated by the commissioner, acting at the direction of the county attorney, may prepare, sign, serve, and file complaints and motions for obtaining, modifying, or enforcing child and medical support orders and maintenance and related documents, appear at prehearing conferences, and participate in proceedings before an administrative law judge. This activity shall not be considered to be the unauthorized practice of law.

(f) The hearings shall be conducted under the rules of the office of administrative hearings, Minnesota Rules, parts 1400.7100 to 1400.7500, 1400.7700, and 1400.7800, as adopted by the chief administrative law judge. (g) The decision and order of the administrative law judge is appealable to the court of appeals in the same manner as a decision of the district court.

(h) The commissioner shall distribute money for this purpose to counties to cover the costs of the administrative process, including costs of administrative law judges. If available appropriations are insufficient to cover the costs, the commissioner shall prorate the amount among the counties.

Sec. 5. Minnesota Statutes 1990, section 518.551, is amended by adding a subdivision to read:

Subd. 13. Sec. 6. [CHILD SUPPORT COMPUTER SYSTEM.]

The commissioner of human services, in consultation with county child support enforcement agencies, shall take appropriate action to ensure that the statewide computer system for the collection and enforcement of child support is operating effectively and efficiently as soon as possible. The commissioner shall report to the chairs of the committees on health and human services and judiciary in the senate and the house of representatives by January 15, 1993, concerning the status of the computer system, any problems in the functioning of the system statewide, and plans for correcting outstanding problems in the system by January 1, 1994.

Sec. 7. [SAVINGS DESIGNATED FOR COUNTY ADMINISTRATION.]

The commissioner of human services and the commissioner of finance shall estimate the savings to the state that will result from limiting downward deviations from the child support guidelines in AFDC cases. Before the end of fiscal year 1993, the amount of the estimated savings for fiscal year 1993 must be transferred from the appropriation for AFDC to the appropriation for county child support enforcement incentive grants in Laws 1991, chapter 292, article 1, section 2, subdivision 4, to be allocated to counties in the same manner as the original appropriation for fiscal year 1993. For purposes of the governor's 1994-1995 biennial budget recommendations, the amount transferred during fiscal year 1993 and any additional savings projected for the biennium as a result of limiting downward deviations in AFDC cases must be added to the direct legislative appropriations and considered part of the base level funding for county child support enforcement incentives.

Sec. 8. [EFFECTIVE DATE.]

The late fee penalty under section 3 is effective January 1, 1994.

ARTICLE 3

CUSTODY AND VISITATION

Section 1. Minnesota Statutes 1990, section 257.022, subdivision 2, is amended to read:

Subd. 2. [FAMILY COURT PROCEEDINGS.] In all proceedings for

dissolution, custody, legal separation, annulment, or parentage subsequent to the commencement of the proceeding *or at any time after completion of the proceeding*, and continuing thereafter during the minority of the child, the court may, upon the request of the parent or grandparent of a party, grant reasonable visitation rights to the unmarried minor child, after dissolution of marriage, legal separation, annulment, or determination of parentage during minority if it finds that visitation rights would be in the best interests of the child and would not interfere with the parent child relationship. The court shall consider the amount of personal contact between the parents or grandparents of the party and the child prior to the application.

Sec. 2. Minnesota Statutes 1990, section 257.022, is amended by adding a subdivision to read:

Subd. 4. [ESTABLISHMENT OF INTERFERENCE WITH PARENT AND CHILD RELATIONSHIP.] *The court may not deny visitation rights under this section based on allegations that the visitation rights would interfere with the relationship between the custodial parent and the child unless the truth of the allegations is established by a preponderance of the evidence after a hearing."*

Page 2, after line 5, insert:

"Sec. 4. Minnesota Statutes 1990, section 518.175, subdivision 3, is amended to read:

Subd. 3. The custodial parent shall not move the residence of the child to another state except upon order of the court or with the consent of the noncustodial parent, when the noncustodial parent has been given visitation rights by the decree. If the purpose of the move is to interfere with visitation rights given to the noncustodial parent by the decree, *or if the custodial parent fails to show that the reasons for the proposed move are compelling and that the move is in the best interests of the child*, the court shall not permit the child's residence to be moved to another state.

Sec. 5. Minnesota Statutes 1990, section 518.175, subdivision 6, is amended to read:

Subd. 6. [COMPENSATORY VISITATION; *DAMAGES.*] *(a)* If the court finds that the noncustodial parent has been wrongfully deprived of the duly established right to visitation, the court shall order the custodial parent to permit additional visits to compensate for the visitation of which the noncustodial parent was deprived *and may award damages or costs under paragraph (b) or (c)*. Additional visits must be:

(1) of the same type and duration as the wrongfully denied visit;

(2) taken within one year after the wrongfully denied visit; and

(3) at a time acceptable to the noncustodial parent.

(b) If a parent is willfully deprived of visitation rights without just cause or if a parent is damaged because the other parent willfully fails to exercise scheduled visitation rights without just cause, the court may award damages to the parent based on actual expenses incurred by the parent in connection with the visitation.

(c) The court may award costs and attorney fees to a parent in an action under this subdivision.

Sec. 6. Minnesota Statutes 1990, section 518.175, subdivision 7, is

amended to read:

Subd. 7. [GRANDPARENT VISITATION.] In all proceedings for dissolution or legal separation, *subsequent to the commencement of the proceeding or at any time after completion of the proceeding, and continuing during the minority of the child,* the court may make an order granting visitation rights to grandparents under section 257.022, subdivision 2.

Sec. 7. Minnesota Statutes 1991 Supplement, section 518.18, is amended to read:

518.18 [MODIFICATION OF ORDER.]

(a) Unless agreed to in writing by the parties, no motion to modify a custody order may be made earlier than one year after the date of the entry of a decree of dissolution or legal separation containing a provision dealing with custody, except in accordance with paragraph (c).

(b) If a motion for modification has been heard, whether or not it was granted, unless agreed to in writing by the parties no subsequent motion may be filed within two years after disposition of the prior motion on its merits, except in accordance with paragraph (c).

(c) The time limitations prescribed in paragraphs (a) and (b) shall not prohibit a motion to modify a custody order if the court finds that there is persistent and willful denial or interference with visitation, ~~or~~ *if the court* has reason to believe that the child's present environment may endanger the child's physical or emotional health or impair the child's emotional development, *or if the court finds that a party with joint physical custody of the child has failed to provide physical custody in accordance with the custody order.*

(d) If the court has jurisdiction to determine child custody matters, the court shall not modify a prior custody order unless it finds, upon the basis of facts that have arisen since the prior order or that were unknown to the court at the time of the prior order, that a change has occurred in the circumstances of the child or the parties and that the modification is necessary to serve the best interests of the child. In applying these standards the court shall retain the custody arrangement established by the prior order unless:

(i) both parties agree to the modification;

(ii) the child has been integrated into the family of the petitioner with the consent of the other party; ~~or~~

(iii) the child's present environment endangers the child's physical or emotional health or impairs the child's emotional development and the harm likely to be caused by a change of environment is outweighed by the advantage of a change to the child; *or*

(iv) a party with joint physical custody of the child has failed to provide physical custody in accordance with the custody order.

In addition, a court may modify a custody order under section 631.52.

(e) In deciding whether to modify a prior joint custody order, the court shall apply the standards set forth in paragraph (d) unless: (1) the parties agree in writing to the application of a different standard, or (2) the party seeking the modification is asking the court for permission to move the residence of the child to another state."

(c) Section 3 is effective August 1, 1992, for visitation, petitions or motions pending or filed on or after that date."

Sec. 46. Minnesota Statutes 1991 Supplement, section 240.13, subdivision 5, is amended to read:

Subd. 5. [PURSES.] (a) From the amounts deducted from all pari-mutuel pools by a licensee, an amount equal to not less than the following percentages of all money in all pools must be set aside by the licensee and used for purses for races conducted by the licensee, provided that a licensee may agree by contract with an organization representing a majority of the horsepersons racing the breed involved to set aside amounts in addition to the following percentages:

(1) for live races conducted at a class A facility, and for races that are part of full racing card simulcasting or full racing card telerace simulcasting that takes place within the time period of the live races, 8.4 percent;

(2) for simulcasts and telerace simulcasts conducted during the racing season other than as provided for in clause (1), 50 percent of the takeout remaining after deduction for taxes on pari-mutuel pools, payment to the breeders fund, and payment to the sending out-of-state racetrack for receipt of the signal; and

(3) for simulcasts and telerace simulcasts conducted outside of the racing season, 25 percent of the takeout remaining after deduction for the state pari-mutuel tax, payment to the breeders fund, payment to the sending out-of-state racetrack for receipt of the signal and, before January 1, 2005, a further deduction of eight percent of all money in all pools; provided, however, that in the event that wagering on simulcasts and telerace simulcasts outside of the racing season exceeds $125 million in any calendar year, the amount set aside for purses by this formula is increased to 30 percent on amounts between $125,000,000 and $150,000,000 wagered; 40 percent on amounts between $150,000,000 and $175,000,000 wagered; and 50 percent on amounts in excess of $175,000,000 wagered. In lieu of the eight percent deduction, a deduction as agreed to between the licensee and the horsepersons' organization representing the majority of horsepersons racing at the licensee's class A facility during the preceding 12 months, is allowed after December 31, 2004.

The commission may by rule provide for the administration and enforcement of this subdivision. The deductions for payment to the sending out-of-state racetrack must be actual, except that when there exists any overlap of ownership, control, or interest between the sending out-of-state racetrack and the receiving licensee, the deduction must not be greater than three percent unless agreed to between the licensee and the horsepersons' organization representing the majority of horsepersons racing the breed racing the majority of races during the existing racing meeting or, if outside of the racing season, during the most recent racing meeting.

In lieu of the amount the licensee must pay to the commission for deposit in the Minnesota breeders fund under section 240.15, subdivision 1, the licensee shall pay 5-1/2 percent of the takeout from all pari-mutuel pools generated by wagering at the licensee's facility on full racing card simulcasts and full racing card telerace simulcasts of races not conducted in this state.

(b) From the money set aside for purses, the licensee shall pay to the horseperson's organization representing the majority of the horsepersons racing the breed involved and contracting with the licensee with respect to purses and the conduct of the racing meetings and providing representation, benevolent programs, benefits, and services for horsepersons and their on-track employees, an amount, sufficient to perform these services, as may be determined by agreement by the licensee and the horseperson's organization. The amount paid may be deducted only from the money set aside for purses to be paid in races for the breed represented by the horseperson's organization. With respect to racing meetings where more than one breed is racing, the licensee may contract independently with the horseperson's organization representing each breed racing.

(c) Notwithstanding sections 325D.49 to 325D.66, a horseperson's organization representing the majority of the horsepersons racing a breed at a meeting, and the members thereof, may agree to withhold horses during a meeting.

(d) Money set aside for purses from wagering, during the racing season, on simulcasts and telerace simulcasts must be used for purses for live races conducted at the licensee's class A facility during the same racing season, over and above the 8.4 percent purse requirement or any higher requirement to which the parties agree, for races conducted in this state. Money set aside for purses from wagering, outside of the racing season, on simulcasts and telerace simulcasts must be for purses for live races conducted at the licensee's class A facility during the next racing season, over and above the 8.4 percent purse requirement or any higher requirement to which the parties agree, for races conducted in this state.

(e) Money set aside for purses from wagering on simulcasts and telerace simulcasts must be used for purses for live races involving the same breed involved in the simulcast or telerace simulcast except that money set aside for purses and payments to the breeders fund from wagering on full racing card simulcasts and full racing card telerace simulcasts of races not conducted in this state, occurring during a live mixed meet, must be allotted to the purses and breeders fund for each breed participating in the mixed meet in the same proportion that the number of live races run by each breed bears to the total number of live races conducted during the period of the mixed meet.

(f) The allocation of money set aside for purses to particular racing meets may be adjusted, relative to overpayments and underpayments, by contract

between the licensee and the horsepersons' organization representing the majority of horsepersons racing the breed involved at the licensee's facility.

(g) Subject to the provisions of this chapter, money set aside from pari-mutuel pools for purses must be for the breed involved in the race that generated the pool, except that if the breed involved in the race generating the pari-mutuel pool is not racing in the current racing meeting, or has not raced within the preceding 12 months at the licensee's class A facility, money set aside for purses ~~must~~ *may* be distributed proportionately to those breeds that have run during the preceding 12 months *or paid to the commission and used for purses or to promote racing for the breed involved in the race generating the pari-mutuel pool, or both, in a manner prescribed by the commission.*

Sec. 47. Minnesota Statutes 1991 Supplement, section 240.13, subdivision 6, is amended to read:

Subd. 6. [SIMULCASTING.] The commission may permit an authorized licensee to conduct simulcasting or telerace simulcasting at the licensee's facility on any day authorized by the commission. All simulcasts and telerace simulcasts must comply with the Interstate Horse Racing Act of 1978, United States Code, title 15, sections 3001 to 3007. In addition to teleracing programs featuring live racing conducted at the licensee's class A facility, the class E licensee may conduct not more than seven teleracing programs per week during the racing season, unless additional telerace simulcasting is authorized by the director and approved by the horsepersons' organization representing the majority of horsepersons racing the breed racing the majority of races at the licensee's class A facility during the preceding 12 months. The commission may not authorize any day for simulcasting at a class A facility during the racing season, and a licensee may not be allowed to transmit out-of-state telecasts of races the licensee conducts, unless the licensee has obtained the approval of the horsepersons' organization representing the majority of the horsepersons racing the breed involved at the licensed racetrack during the preceding 12 months. The licensee may pay fees and costs to an entity transmitting a telecast of a race to the licensee for purposes of conducting pari-mutuel wagering on the race. The licensee may deduct fees and costs related to the receipt of televised transmissions from a pari-mutuel pool on the televised race, provided that one-half of any amount recouped in this manner must be added to the amounts required to be set aside for purses.

With the approval of the commission and subject to the provisions of this subdivision, a licensee may transmit telecasts of races it conducts, for wagering purposes, to locations outside the state, and the commission may allow this to be done on a commingled pool basis.

Except as otherwise provided in this section, simulcasting and telerace simulcasting may be conducted on a separate pool basis or, with the approval of the commission, on a commingled pool basis. All provisions of law governing pari-mutuel betting apply to simulcasting and telerace simulcasting except as otherwise provided in this subdivision or in the commission's rules. If pools are commingled, wagering at the licensed facility must be on equipment electronically linked with the equipment at the licensee's class A facility or with the sending racetrack via the totalizator computer at the licensee's class A facility. Subject to the approval of the commission, the types of betting, takeout, and distribution of winnings on commingled pari-mutuel pools are those in effect at the sending racetrack. Breakage for

pari-mutuel pools on a televised race must be calculated in accordance with the law or rules governing the sending racetrack for these pools, and must be distributed in a manner agreed to between the licensee and the sending racetrack. Notwithstanding subdivision 7 and section 240.15, subdivision 5, the commission may approve procedures governing the definition and disposition of unclaimed tickets that are consistent with the law and rules governing unclaimed tickets at the sending racetrack. For the purposes of this section, "sending racetrack" is either the racetrack outside of this state where the horse race is conducted or, with the consent of the racetrack, an alternative facility that serves as the racetrack for the purpose of commingling pools.

If there is more than one class B licensee conducting racing within the seven-county metropolitan area, simulcasting and telerace simulcasting may be conducted only on races run by a breed that ran at the licensee's class A facility within the 12 months preceding the event. ~~That portion of the takeout allocated for purses from pari-mutuel pools generated by wagering on standardbreds must be set aside and must be paid to the racing commission and used for purses as otherwise provided by this section or to promote standardbred racing or both, in a manner prescribed by the commission. In the event that a licensee conducts live standardbred racing, pools generated by live, simulcast, or telerace simulcasting at the licensee's facilities on standardbred racing are subject to the purse set-aside requirements otherwise provided by law.~~

Contractual agreements between licensees and horsepersons' organizations entered into before June 5, 1991, regarding money to be set aside for purses from pools generated by simulcasts at a class A facility, are controlling regarding purse requirements through the end of the 1992 racing season.

Sec. 48. Minnesota Statutes 1990, section 240.14, subdivision 3, is amended to read:

Subd. 3. [COUNTY FAIR RACING DAYS.] The commission may assign to a class D licensee the following racing days:

(1) those racing days, not to exceed ten racing days, that coincide with the days on which the licensee's county fair is running; and

(2) additional racing days. ~~not to exceed ten racing days, immediately before or after the days on which the licensee's county fair is running.~~

~~In no event shall the number of racing days assigned by the commission exceed 20 days.~~

~~The commission may not assign any days before July 1, 1989, as racing days to a class D licensee~~.

Sec. 49. Minnesota Statutes 1991 Supplement, section 240.15, subdivision 6, is amended to read:

Revenue from an admissions tax imposed under subdivision

1 must be paid to the local unit of government at whose request it was imposed, at times and in a manner the commission determines. All other revenues received under this section by the commission, and all license fees, fines, and other revenue it receives, must be paid to the state treasurer for deposit in the general fund.

(b) Notwithstanding section 7.09, merchandise may be accepted by the commissioner of the iron range resources and rehabilitation board for payment of advertising contracts if the commissioner determines that the merchandise can be used for special event prizes or mementos at facilities operated by the board. Nothing in this paragraph authorizes the commissioner or a member of the board to receive merchandise for personal use.

Deposits to this account shall be transferred to the appropriate funds in proportion to the claims savings attributable. The commissioner shall provide staff to administer a return-to-work unit within the health, safety, and workers' compensation program to enhance procedures and agency personnel practices in order to facilitate the return of claimants to suitable state employment. It is estimated that the general fund savings attributable to this program will yield a net savings to the general fund of $222,000 in fiscal year 1992 and $1,350,000 in fiscal year 1993. Three new positions are to staff and implement a return-to-work unit which will manage internal file review and reduce costs.

The savings that accrue to agencies' budgets shall be accounted for, unallotted, and canceled to the appropriate funds according to the procedures and dates specified by the commissioner of finance. It is expected that savings to the general fund resulting from the actions required under this section will be $576,000 in fiscal year 1993.

holidays in the basic life and dental insurance plans in the health and benefits program within the current biennium. The commissioner of finance shall reduce agency allotments and cancel to the respective funds savings accruing to agency budgets as a result of premium holidays or reductions made effective by the commissioner of employee relations. Subd. 8. MSRS

The commissioner of finance shall reduce agencies' fiscal year 1993 annual spending plans by the amount of the savings attributable to reductions to the employer retirement contribution rate to the state employees retirement fund. The general fund appropriation reductions to an agency in this article may be taken by the agency in either year of the biennium, except that an agency in the executive branch, other than a constitutional officer, must obtain the advance approval of the commissioner of finance before moving a reduction to a different fiscal year. Moving a reduction out of fiscal year 1993 does not increase the agency's appropriation base for the 1994-1995 biennium.

Sec. 58. [FINDINGS.]

The legislature finds that the state of Minnesota faces immediate and serious financial problems. As a result, public employers may have insufficient resources to maintain their work forces at the current level. The legislature determines that the public interest is best served if public employers' budgets can be balanced without layoffs of public employees. This section and section 59 are enacted as a temporary measure to help solve the financial crisis facing units of state and local government, while minimizing layoffs of public employees.

Sec. 59. [EMPLOYER-PAID HEALTH INSURANCE.]

Subdivision 1. [STATE EMPLOYEES.] *A state employee, as defined in Minnesota Statutes, section 43A.02, subdivision 21, or an employee of the state university system, community college system, higher education board, Minnesota state retirement system, the teachers retirement association, or*

the public employees retirement association, is eligible for state-paid hospital, medical, and dental benefits if the person:

(1) is eligible for state-paid insurance under Minnesota Statutes, section 43A.18, or other law;

(2) (i) has at least 25 years of service in the state civil service as defined in Minnesota Statutes, section 43A.02, subdivision 10; or (ii) has at least 25 years of service as an employee of the Minnesota state retirement system, the teachers retirement association, or the public employees retirement association; or (iii) has at least 25 years of service credit in the public pension plan that the person is a member of on the day before retirement;

(3) upon retirement is immediately eligible for a retirement annuity;

(4) is at least 55 and not yet 65 years of age; and

(5) retires on or after July 1, 1992, and before October 1, 1992.

During the biennium ending June 30, 1993, an executive branch state agency may not hire a replacement for a person who retires under this subdivision, except under conditions specified by the commissioners of finance and employee relations.

Subd. 2. [OTHER PUBLIC EMPLOYEES.] *The University of Minnesota or the governing body of a city, county, school district, joint vocational technical district formed under Minnesota Statutes, sections 136C.60 to 136C.69, or other political subdivision of the state may provide employer-paid hospital, medical, and dental benefits to a person who:*

(1) is eligible for employer-paid insurance under collective bargaining agreements or personnel plans in effect on the day before the effective date of this section;

(2) has at least 25 years of service credit in the public pension plan that the person is a member of on the day before retirement; or in the case of a teacher has a total of at least 25 years of service credit in the teachers retirement association, a first-class city teacher retirement fund, or any combination of these groups;

(3) upon retirement is immediately eligible for a retirement annuity;

(4) is at least 55 and not yet 65 years of age; and

(5) in the case of a school district employee, retires on or after May 15, 1992, and before July 21, 1992; and in the case of an employee of another employer in this subdivision, retires on or after July 1, 1992, and before October 1, 1992.

An employer that pays for insurance under this subdivision may not exclude any eligible employees.

Subd. 3. [CONDITIONS; COVERAGE.] *An employee who is eligible both for the health insurance benefit under this section and for an early retirement incentive under a collective bargaining agreement or personnel plan established by the employer must select either the early retirement incentive in the collective bargaining agreement, personnel plan, or the incentive provided under this section, but may not receive both. For purposes of this section, a person retires when the person terminates active employment and applies for retirement benefits. The retired employee is eligible for single and dependent coverages and employer payments to which the person was entitled immediately before retirement, subject to any changes*

in coverage and employer and employee payments through collective bargaining or personnel plans, for employees in positions equivalent to the position from which the employee retired. The retired employee is not eligible for employer-paid life insurance. Eligibility ceases when the retired employee attains the age of 65, or when the employee chooses not to receive the retirement benefits for which the employee has applied, or when the employee is eligible for employer-paid health insurance from a new employer. Coverages must be coordinated with relevant health insurance benefits provided through the federally sponsored Medicare program. Nothing in this section obligates, limits, or otherwise affects the right of the University of Minnesota to provide employer-paid hospital, medical, dental benefits, and life insurance to any person.

Subd. 4. [RULE OF 90.] *An employee who retires under this section using the rule of 90 must not be included in the calculations required by Minnesota Statutes, section 356.85.*

Subd. 5. [APPLICATION OF OTHER LAWS.] *Unilateral implementation of this section by a public employer is not an unfair labor practice for purposes of Minnesota Statutes, chapter 179A. The authority provided in this section for an employer to pay health insurance costs for certain retired employees is not subject to the limits in Minnesota Statutes, section 179A.20, subdivision 2a.*

Sec. 60. [REPEALER.]

Minnesota Statutes 1990, section 41A.051, is repealed. Minnesota Statutes 1990, section 270.185, is repealed effective January 1, 1993. On that date, any balance in the reassessment account of the special revenue fund is transferred to the general fund. The repeal of Minnesota Statutes 1991 Supplement, section 326.991, provided for in Laws 1991, chapter 306, section 26, is postponed until July 31, 1994.

Sec. 61. [LAYOFFS.]

It is the policy of the legislature to maximize the delivery of services to the public. If layoffs of state employees as defined in Minnesota Statutes, chapter 43A, are necessary in an agency with 50 or more employees, the agency shall make an effort to reduce at least the same percentage of management and supervisory personnel as line and support personnel for the biennium ending June 30, 1993. This section does not modify any employee rights contained in any other law or collective bargaining agreement under Minnesota Statutes, chapter 179A.

Sec. 62. [LEGISLATIVE INTENT.]

The amendments in this article to Minnesota Statutes, sections 3.736, 16B.85, and 466.06, are intended to clarify, rather than to change, the original intent of the statutes amended.

Sec. 63. [EFFECTIVE DATE.]

This article is effective the day following final enactment, except that sections 36, 37, 42, 43, 46, and 47, are effective July 1, 1992.

Sec. 2. HUMAN SERVICES		
Subdivision 1. Total General Fund Appropriation	1,639,000	(2,497,000)
This appropriation is added to the appropriation in Laws 1991, chapter 292, article 1, section 2.		
For the fiscal year ending June 30, 1993, total state spending is offset by $65,000,000 in provider payments deposited in the general fund under the broad-based health care provider tax program.		
The commissioner of finance shall prepare a biennial budget for fiscal years 1994-1995 that does not include revenues from the provider surcharge that exceed the estimated cost associated with the Healthright program. The commissioner of finance shall also prepare a plan to phase out the non-Healthright provider surcharges by June 30, 1995.		
Subd. 2. Human Services Administration	(2,150,000)	(3,939,000)
Up to $500,000 may be transferred within the department as the commissioner considers necessary, with the advance approval of the commissioner of finance.		

$75,000 is appropriated to the commissioner for a cooperative project with Alexandria technical college regarding MAXIS data. If the commissioner and the college jointly develop a feasible project, the commissioner may transfer the $75,000 to the college and may transfer summary data from the MAXIS data system to the college for the purpose of developing graphic representation of the data for legislative and executive branch use, as requested, utilizing geographic information systems. For purposes of this section, summary data has the meaning given it in Minnesota Statutes, section 13.02, subdivision 19.		
Subd. 3. Finance and Management Administration	.,-0-, . . .	(180,000)

Subd. 5. Services to Special Needs Adults	(2,803,000)	(2,227,000)
Subd. 6. Economic Support and Transition Services for Families and Individuals	(12,989,000)	(11,611,000)
Unexpended fiscal year 1991 start work grant funds may be used to pay fiscal year 1991 work readiness services obligations.		
For the biennium ending June 30, 1993, general assistance grant funds are appropriated to the commissioner of human services to cover the costs of the refugee cash assistance and refugee medical		

assistance programs that exceed the federal fiscal year 1992 appropriation for those programs. Federal funds received on or after September 30, 1992, as reimbursement for the federal fiscal year 1992 refugee cash assistance and refugee medical assistance costs must be deposited in the general assistance grant account and are appropriated for general assistance grants.

The commissioner shall transfer up to $2,800,000 of state funds from the basic sliding fee program to the AFDC child care program to establish the base for the non-STRIDE AFDC child care program. The department shall make the transfer over the biennium ending June 30, 1993. The amount of federal child care and development block grant funds committed to the basic sliding fee program must be increased by an amount equivalent to the transfer. The state funds transferred to the AFDC child care program will provide state matching funds for additional federal funds earned by the department pursuant to Public Law Number 100-485.

Money appropriated for fiscal year 1992 for paying contract institutions fees for cashing public assistance warrants under Laws 1991, chapter 292, article 1, section 2, subdivision 4, does not cancel, but is available for that purpose in fiscal year 1993.

Any unexpended balance of the $50,000 appropriation in Laws 1991, chapter 292, article 1, section 2, subdivision 5, in fiscal year 1992 for modifications to adult foster care homes under provisions of Minnesota Statutes 1991 Supplement, section 256B.0917, does not cancel and is available for these purposes for fiscal year 1993.

Subd. 7. Health Care for Families and Individuals	23,026,000	24,108,000

A nursing facility downsized under Minnesota Statutes, section 256B.431, subdivision 2m, and ineligible for the OBRA adjustments in Minnesota Statutes, section 256B.431, subdivision 7, shall receive a one-time state grant of $50,600 to cover the up-front costs of meeting OBRA requirements.

The commissioner of human services shall submit a plan to the legislature to downsize an existing 48 bed intermediate care facility for persons with mental retardation or related conditions located in Dakota county. The plan must include the projected costs of the facility's rate adjustment and the alternative services for the residents being relocated, and the impact of the downsizing of the facility on the quality of care for clients.

For fiscal year 1993, the commissioner may transfer up to $250,000 from the Minnesota supplemental aid grants account to the medical assistance grants account to reimburse the medical assistance account for nursing facility receivership costs incurred by counties. These transfers must be made from the account of the county of financial responsibility for particular receivership costs and in the amount of individual county cost.

For the fiscal year ending June 30, 1993, $390,000 is transferred from Minnesota supplemental aid group residential housing grants to Rule 14 supported housing grants. This amount represents Minnesota supplemental aid payments for 170 unlicensed supported housing beds which are permanently removed from the group residential housing census. These beds must not be replaced by other group residential housing agreements.

Up to $30,000 of the appropriation for preadmission screening alternative care for fiscal year 1992 contained in Laws 1991, chapter 292, article 1, section 2, subdivision 6, may be transferred to the health care administration account to pay the state's share of county claims for conducting nursing home assessments for persons with mental illness or mental retardation as required by Public Law Number 100-203.

For the fiscal year ending June 30, 1993, a newly constructed or newly established intermediate care facility for the mentally retarded that is developed and financed during that period shall not be subject to the equity requirements in Minnesota Statutes, section 256B.501, subdivision 11, paragraph (d), or Minnesota Rules, part 9553.0060, subpart 3,

item F, provided that the provider's interest rate does not exceed the interest rate available through state agency tax exempt financing.

The paragraph in Laws 1991, chapter 292, article 1, section 2, subdivision 9, providing for the implementation of a reduced reimbursement rate for therapy services provided by a physical or occupational therapy assistant is repealed. Services provided by a physical therapy assistant shall be reimbursed at the same rate as services performed by a physical therapist when the services of the physical therapy assistant are provided under the direction of a physical therapist who is on the premises. Services provided by a physical therapy assistant that are provided under the direction of a physical therapist who is not on the premises shall be reimbursed at 65 percent of the physical therapist rate. Services provided by an occupational therapy assistant shall be reimbursed at the same rate as services performed by an occupational therapist when the services of the occupational therapy assistant are provided under the direction of the occupational therapist who is on the premises. Services provided by an occupational therapy assistant that are not provided under the direction of an occupational therapist who is not on the premises shall be reimbursed at 65 percent of the occupational therapist rate.

During the biennium ending June 30, 1993, the commissioner shall identify long-term care providers with high mortgage rates on existing debt and work with them and their mortgagees or other lenders to negotiate debt refinancing at lower interest rates that produce annual interest expense savings under existing laws.

Effective for the biennium beginning July 1, 1993, the commissioner shall allocate sufficient home- and community-based waivered service openings and money to serve persons who are being relocated from existing intermediate care facilities for the mentally retarded that are projected to close and who otherwise would have been required to be relocated into

newly developed intermediate care facilities for the mentally retarded.

In the event that a large community-based facility licensed under Minnesota Rules, parts 9525.0215 to 9525.0355, for more than 16 beds but not certified as an intermediate care facility for persons with mental retardation or related conditions closes and alternative services for the residents are necessary, the commissioner may transfer on a quarterly basis to the medical assistance state account from each affected county's community social service allocation an amount equal to the state share of medical assistance reimbursement for residential and day habilitation services funded by medical assistance and provided to clients for whom the county is financially responsible.

For the fiscal year ending June 30, 1993, if a facility which is in receivership under Minnesota Statutes, section 245A.12 or 245A.13, is sold to an unrelated organization: (a) the facility shall be considered a newly established facility for rate setting purposes notwithstanding any provisions to the contrary in Minnesota Statutes, section 256B.501, subdivision 11; and (b) the facility's historical basis for the physical plant, land, and land improvements for each facility must not exceed the prior owner's aggregate historical basis for these same assets for each facility. The allocation of the purchase price between land, land improvements, and physical plant shall be based on the real estate appraisal using the depreciated replacement cost method.

The number of home- and community-based waiver openings used for persons with mental retardation or related conditions who are being discharged from nursing homes shall not exceed 50 openings in fiscal year 1992 and 80 openings in fiscal year 1993.

The commissioner shall not spend money to study and shall not implement a system to pay hospitals under the medical assistance and general assistance medical care programs on a peer grouping basis during the biennium ending June 30, 1993.

The money appropriated to health care management to increase federal medical assistance reimbursement may not be included in the base for the biennium beginning July 1, 1993. The commissioner shall request continued funding based upon the results of the increased effort to maximize federal funding and shall include an evaluation of those results when requesting additional funding.

Before implementing the managed care initiatives for people with developmental disabilities or mental illness, the commissioner shall report to the chair of the house of representatives human resources division of the appropriations committee and the chair of the senate human resources division of the finance committee regarding the proposed program. The report should include the number of people likely to be affected by the program and the effects of the proposal on the services they receive. Fiscal information should be provided, including the projected costs and savings under the proposal for the biennium ending June 30, 1995.

Effective January 1, 1993, and contingent upon federal approval of adding preplacement case management activities for persons with mental retardation or a related condition to the state Medicaid plan under title XIX of the Social Security Act, the commissioner shall transfer $600,000 of Community Social Services Act funds, appropriated for grants for case management established under Minnesota Statutes, section 256E.14, to the state medical assistance account. This transfer is for the purpose of providing funding through June 30, 1993, for the state match necessary for preplacement activity.

The commissioner of human services may implement demonstration projects designed to create alternative delivery systems for acute and long-term care services to elderly and disabled persons which provide increased coordination, improve access to quality services, and mitigate future cost increases. Before

implementing the projects, the commissioner must provide to the legislature information regarding the projects, as part of the department's fiscal year 1994-1995 biennial budget request. Demonstrations affecting elderly persons must be integrated with the provisions of Minnesota Statutes 1991 Supplement, section 256B.0917. The report must address the feasibility of and time lines for expansion of the projects or similar projects as part of a long-range strategy for reforming the long-term care delivery system.

Subd. 8. State Operated Residential Care for Special Needs Populations (3,445,000) (8,616,000)

For the fiscal year ending June 30, 1993, money collected as rent under Minnesota Statutes, section 16B.24, subdivision 5, for state property at any of the regional treatment centers or state nursing homes administered by the commissioner of human services is dedicated to the facility generating the rental income and is appropriated for the express purpose of maintaining the property. Any balance remaining at the end of the fiscal year shall not cancel and is available until expended.

Notwithstanding Laws 1991, chapter 292, article 1, section 2, subdivision 8, the language contained in that subdivision providing that receipts received for the state-operated community services program are appropriated to the commissioner for that purpose is of no effect. These receipts are deposited and appropriated to the commissioner as provided under Minnesota Statutes, section 246.18.

Of the $700,000 reduction in regional treatment center salary accounts, $600,000 must be taken from the regional treatment center appropriation for central office administrative costs.

Notwithstanding Laws 1991, chapter 292, article 1, section 2, subdivision 8, regarding the transfer of facilities at Faribault regional treatment center, the commissioner of human services may transfer the Birch facility to the commissioner of corrections on July 1, 1992, the Willow facility on December 1, 1992, and the

The commissioner shall continue utilizing the Brainerd regional laundry to provide laundry services for the regional treatment centers at Brainerd, Cambridge, Fergus Falls, and Moose Lake and the state nursing home at Ah-Gwah-Ching unless an alternative method is specifically authorized by law. The commissioner shall not contract with a private entity for laundry services for any of these facilities unless specifically authorized by the legislature.

The commissioners of human services and corrections and the veterans nursing homes board shall continue utilizing the Faribault regional laundry to provide laundry services for the Faribault regional treatment center, the Anoka-metro regional treatment center, the Minnesota correctional facility at Faribault, and the veterans homes at Minneapolis and Hastings unless an alternative option is specifically authorized by law. Any other state agencies utilizing the Faribault laundry shall also continue to do so unless an alternative option is authorized by law. The state agencies named or referred to in this paragraph shall not contract with a private entity for laundry services for any of these facilities unless specifically authorized by the legislature.

The commissioner of human services may not limit admissions to any regional treatment center or state-operated nursing home, except as provided by law.

The commissioner shall use the fiscal year 1993 appropriation for regional treatment center programs to offset any regional treatment center operating deficit and to assure maintenance of regional treatment center chemical dependency programs, including specialized chemical dependency programs.

For the fiscal year ending June 30, 1992, the commissioner of finance is authorized to transfer $4,100,000 from the regional treatment centers chemical dependency treatment enterprise fund

account to the general fund. Any remaining unspent money in the account does not cancel but is available for the fiscal year ending June 30, 1993.

There shall be at least one complement position in the department of human services to provide staff support to the state advisory council on mental health in order to coordinate activities with and provide technical assistance to the local advisory councils on mental health.

The commissioner of finance shall transfer up to $1,750,000 annually from the general fund to the enterprise fund for the specific purpose of providing for the cash flow requirements of the chemical dependency programs operated by the regional treatment centers. All transfers are subject to the commissioner's assessment of the amount of funding needed for cash flow needs, equivalent to two months of account receivables and the ability of the programs to repay the advances from earnings. The chemical dependency programs at the regional treatment centers must repay any advances from the general fund. The commissioner shall report to the legislature by January 1, 1993, regarding the financial status of the chemical dependency programs operated by the regional treatment centers.

The expiration dates of the various licenses, permits, registrations, and certifications as prescribed by the rules shall be plainly marked thereon. Fees may include application and examination fees and a penalty fee for renewal applications submitted after the expiration date of the previously issued permit, license, registration, and certification. The commissioner may also prescribe, by rule, reduced fees for permits, licenses, registrations, and certifications when the application therefor is submitted during the last three months of the permit, license, registration, or certification period. Fees proposed to be prescribed in the rules shall be first approved by the department of finance. All fees proposed to be prescribed in rules shall be reasonable. The fees shall be in an amount so that the total fees collected by the commissioner will, where practical, approximate the cost to the commissioner in administering the program. All fees collected shall be deposited in the state treasury and credited to the general fund unless otherwise specifically appropriated by law for specific purposes.

(b) The commissioner may charge a fee for voluntary certification of medical laboratories and environmental laboratories, and for environmental and medical laboratory services provided by the department, without complying with paragraph (a) or chapter 14. Fees charged for environment and

Sec. 9. Minnesota Statutes 1990, section 144A.46, subdivision 5, is amended to read:

Subd. 5. [PRIOR CRIMINAL CONVICTIONS.] ~~An applicant for a home care provider license shall disclose to the commissioner all criminal convictions of persons involved in the management, operation, or control of the provider. A home care provider shall require employees of the provider and applicants for employment in positions that involve contact with recipients of home care services to disclose all criminal convictions.~~ *(a) All persons who have or will have direct contact with clients, including the home care provider, employees of the provider, and applicants for employment shall be required to disclose all criminal convictions.* The commissioner may adopt rules that may require a person who must disclose criminal convictions under this subdivision to provide fingerprints and releases that authorize law enforcement agencies, including the bureau of criminal apprehension and the federal bureau of investigation, to release information about the person's criminal convictions to the commissioner and home care providers. The bureau of criminal apprehension, county sheriffs, and local chiefs of police shall, if requested, provide the commissioner with criminal conviction data available from local,

state, and national criminal record repositories, including the criminal justice data communications network. No person may be employed by a home care provider in a position that involves contact with recipients of home care services nor may any person be involved in the management, operation, or control of a provider, if the person has been convicted of a crime that relates to the provision of home care services or to the position, duties, or responsibilities undertaken by that person in the operation of the home care provider, unless the person can provide sufficient evidence of rehabilitation. The commissioner shall adopt rules for determining what types of employment positions, including volunteer positions, involve contact with recipients of home care services, and whether a crime relates to home care services and what constitutes sufficient evidence of rehabilitation. The rules must require consideration of the nature and seriousness of the crime; the relationship of the crime to the purposes of home care licensure and regulation; the relationship of the crime to the ability, capacity, and fitness required to perform the duties and discharge the responsibilities of the person's position; mitigating circumstances or social conditions surrounding the commission of the crime; the length of time elapsed since the crime was committed; the seriousness of the risk to the home care client's person or property; and other factors the commissioner considers appropriate. Data collected under this subdivision shall be classified as private data under section 13.02, subdivision 12.

(b) Termination of an employee in good faith reliance on information or records obtained under paragraph (a) regarding a confirmed conviction does not subject the home care provider to civil liability or liability for unemployment compensation benefits.

Sec. 10. [144A.461] [REGISTRATION.]

A person or organization that provides only home management services defined as home care services under section 144A.43, subdivision 3, clause (8), may not operate in the state without a current certificate of registration issued by the commissioner of health. To obtain a certificate of registration, the person or organization must annually submit to the commissioner the name, address, and telephone number of the person or organization and a signed statement declaring that the person or organization is aware that the home care bill of rights applies to their clients and that the person or organization will comply with the bill of rights provisions contained in section 144A.44. A person who provides home management services under this section must, within 120 days after beginning to provide services, attend an orientation session approved by the commissioner that provides training on the bill of rights and an orientation on the aging process and the needs and concerns of elderly and disabled persons. An organization applying for a certificate must also provide the name, business address, and telephone number of each of the individuals responsible for the management or direction of the organization. The commissioner shall charge an annual registration fee of $20 for individuals and $50 for organizations. A home care provider that provides home management services and other home care services must be licensed, but licensure requirements other than the home care bill of rights do not apply to those employees or volunteers who provide only home management services to clients who do not receive any other home care services from the provider. A licensed home care provider need not be registered as a home management service provider, but must provide an orientation on the home care bill of rights to its employees or volunteers who provide home management services. The commissioner may suspend

or revoke a provider's certificate of registration or assess fines for violation of the home care bill of rights. Any fine assessed for a violation of the bill of rights by a provider registered under this section shall be in the amount established in the licensure rules for home care providers. As a condition of registration, a provider must cooperate fully with any investigation conducted by the commissioner, including providing specific information requested by the commissioner on clients served and the employees and volunteers who provide services. The commissioner may use any of the powers granted in sections 144A.43 to 144A.49 to administer the registration system and enforce the home care bill of rights under this section.

Sec. 11. Minnesota Statutes 1991 Supplement, section 144A.49, is amended to read:

144A.49 [TEMPORARY PROCEDURES.]

For purposes of this section, "home care providers" shall mean the providers described in section 144A.43, subdivision 4, including hospice programs described in section 144A.48. Home care providers are exempt from the licensure requirement in section 144A.46, subdivision 1, until 90 days after the effective date of the licensure rules. Beginning July 1, 1987, no home care provider, as defined in section 144A.43, subdivision 4, except a provider exempt from licensure under section 144A.46, subdivision 2, may provide home care services in this state without registering with the commissioner. A home care provider is registered with the commissioner when the commissioner has received in writing the provider's name; the name of its parent corporation or sponsoring organization, if any; the street address and telephone number of its principal place of business; the street address and telephone number of its principal place of business in Minnesota; the counties in Minnesota in which it may render services; the street address and telephone number of all other offices in Minnesota; and the name, educational background, and ten-year employment history of the person responsible for the management of the agency. A registration fee must be submitted with the application for registration~~, except that the commissioner shall not collect a registration fee from a home care provider operated by a statutory or home rule charter city, county, town, or other governmental entity~~. The fee must be established pursuant to section 144.122 and must be based on a consideration of the following factors: the number of clients served by the home care provider, the number of employees, the number of services offered, and annual revenues of the provider. The registration is effective until 90 days after licensure rules are effective. In order to maintain its registration and provide services in Minnesota, a home care provider must comply with section 144A.44 and comply with requests for information under section 144A.47. A registered home care provider is subject to sections 144A.51 to 144A.54. Registration under this section does not exempt a home care provider from the licensure and other requirements later adopted by the commissioner.

Within 90 days after the effective date of the licensure rules under section 144A.45, the commissioner of health shall issue provisional licenses to all home care providers registered with the department as of that date. The provisional license shall be valid until superseded by a license issued under section 144A.46 or for a period of one year, whichever is shorter. Applications for licensure as a home care provider received on or after the effective date of the home care licensure rules, shall be issued under section 144A.46, subdivision 1.

Sec. 32. Minnesota Statutes 1991 Supplement, section 148.925, subdivision 2, is amended to read:

Subd. 2. [SUPERVISORY CONSULTATION.] (a) Supervisory consultation between a supervising licensed psychologist and a supervised psychological practitioner must occur on a one-to-one basis at a ratio of at least one hour of supervision for the initial 20 or fewer hours of psychological services delivered per month and no less than one hour a month. Sec. 34. [CONSOLIDATION OF REGULATION OF HOME CARE SERVICES AND RESIDENTIAL CARE HOMES.]

The commissioner of health, in consultation with the commissioner of human services, shall submit a report to the legislature by November 1, 1992, on the advisability and feasibility of consolidating licensure and regulation of home care services and residential care homes into one activity with the goal of avoiding contradictory or duplicative regulation and allowing flexibility for creative service development by regulating services rather than institutions. If the commissioner determines that consolidation of the two systems is feasible and desirable, the commissioner shall submit recommendations for changes in laws and regulations that are necessary to consolidate the systems. In developing the report and recommendations, the commissioner shall consider methods of enforcing physical plant and fire safety standards that are appropriate to congregate living settings and that reflect the needs and characteristics of different populations served in residential care homes. The commissioner shall also consider the need to modify home care rules to allow a social model for providing services as an alternative to a medical model for certain supportive services provided in residential care homes and home care settings. The commissioner of health shall consult with the commissioner of human services regarding the impact of changes on costs and payment mechanisms.

Sec. 35. [EFFECTIVE DATES.]

Sections 1, 2, and 3 are effective July 1, 1993. The remaining sections are effective the day following final enactment.

ARTICLE 7
MEDICAL PROGRAMS

Section 1. [144.0505] [COOPERATION WITH COMMISSIONER OF HUMAN SERVICES.]

The commissioner shall promptly provide to the commissioner of human services upon request information on hospital revenues, nursing home licensure, and health maintenance organization revenues specifically required by the commissioner of human services to operate the provider surcharge program.

Sec. 2. Minnesota Statutes 1990, section 144A.071, subdivision 2, is amended to read:

Subd. 2. [MORATORIUM.] The commissioner of health, in coordination with the commissioner of human services, shall deny each request by a nursing home or boarding care home, except an intermediate care facility for the mentally retarded, for addition of new certified beds or for a change or changes in the certification status of existing beds except as provided in subdivision 3. The total number of certified beds in the state shall remain at or decrease from the number of beds certified on May 23, 1983, except as allowed under subdivision 3. "Certified bed" means a nursing home bed or a boarding care bed certified by the commissioner of health for the purposes of the medical assistance program, under United States Code, title 42, sections 1396 et seq.

The commissioner of human services, in coordination with the commissioner of health, shall deny any request to issue a license under sections 245A.01 to 245A.16 and 252.28 to a nursing home or boarding care home, if that license would result in an increase in the medical assistance reimbursement amount. The commissioner of health shall deny each request for licensure of nursing home beds except as provided in subdivision 3.

In addition, the commissioner of health must not approve any construction project whose cost exceeds $500,000, or 25 percent of the facility's appraised value, whichever is less, unless the project:

(1) has been approved through the process described in section 144A.073;

(2) meets an exception in subdivision 3;

(3) is necessary to correct violations of state or federal law issued by the commissioner of health;

(4) is necessary to repair or replace a portion of the facility that was destroyed by fire, lightning, or other hazards provided that the provisions of subdivision 3, clause (g), are met; or

(5) as of May 1, 1992, the facility has submitted to the commissioner of health written documentation evidencing that the facility meets the "commenced construction" definition as specified in subdivision 3, clause (b), or that substantial steps have been taken prior to April 1, 1992, relating to the construction project. "Substantial steps" require that the facility has made arrangements with outside parties relating to the construction project and include the hiring of an architect or construction firm, submission of preliminary plans to the department of health or documentation from a financial institution that financing arrangements for the construction project have been made.

Prior to the approval of any construction project, the commissioner of health shall be provided with an itemized cost estimate for the construction project. If a construction project is anticipated to be completed in phases, the total estimated cost of all phases of the project shall be submitted to the commissioner and shall be considered as one construction project. Once the construction project is completed and prior to the final clearance by the commissioner, the total actual costs for the construction project shall be submitted to the commissioner. If the final construction cost exceeds the threshold in this subdivision, the commissioner of human services shall not recognize any of the construction costs or the related financing costs in excess of this threshold in establishing the facility's property-related payment rate.

The commissioner of health shall adopt emergency or permanent rules to implement this section or to amend the emergency rules for granting exceptions to the moratorium on nursing homes under section 144A.073. The authority to adopt emergency rules continues to December 30, 1992.

Sec. 3. Minnesota Statutes 1991 Supplement, section 144A.071, subdivision 3, is amended to read:

Subd. 3. [EXCEPTIONS.] The commissioner of health, in coordination with the commissioner of human services, may approve the addition of a new certified bed or the addition of a new licensed nursing home bed, under the following conditions:

(a) to replace a bed decertified after May 23, 1983, or to address an extreme hardship situation, in a particular county that, together with all contiguous Minnesota counties, has fewer nursing home beds per 1,000 elderly than the number that is ten percent higher than the national average of nursing home beds per 1,000 elderly individuals. For the purposes of this section, the national average of nursing home beds shall be the most recent figure that can be supplied by the federal health care financing administration and the number of elderly in the county or the nation shall

be determined by the most recent federal census or the most recent estimate of the state demographer as of July 1, of each year of persons age 65 and older, whichever is the most recent at the time of the request for replacement. In allowing replacement of a decertified bed, the commissioners shall ensure that the number of added or recertified beds does not exceed the total number of decertified beds in the state in that level of care. An extreme hardship situation can only be found after the county documents the existence of unmet medical needs that cannot be addressed by any other alternatives;

(b) to certify a new bed in a facility that commenced construction before May 23, 1983. For the purposes of this section, "commenced construction" means that all of the following conditions were met: the final working drawings and specifications were approved by the commissioner of health; the construction contracts were let; a timely construction schedule was developed, stipulating dates for beginning, achieving various stages, and completing construction; and all zoning and building permits were secured;

(c) to certify beds in a new nursing home that is needed in order to meet the special dietary needs of its residents, if: the nursing home proves to the commissioner's satisfaction that the needs of its residents cannot otherwise be met; elements of the special diet are not available through most food distributors; and proper preparation of the special diet requires incurring various operating expenses, including extra food preparation or serving items, not incurred to a similar extent by most nursing homes;

(d) to license a new nursing home bed in a facility that meets one of the exceptions contained in clauses (a) to (c);

(e) to license nursing home beds in a facility that has submitted either a completed licensure application or a written request for licensure to the commissioner before March 1, 1985, and has either commenced any required construction as defined in clause (b) before May 1, 1985, or has, before May 1, 1985, received from the commissioner approval of plans for phased-in construction and written authorization to begin construction on a phased-in basis. For the purpose of this clause, "construction" means any erection, building, alteration, reconstruction, modernization, or improvement necessary to comply with the nursing home licensure rules;

(f) to certify or license new beds in a new facility that is to be operated by the commissioner of veterans' affairs or when the costs of constructing and operating the new beds are to be reimbursed by the commissioner of veterans' affairs or the United States Veterans Administration;

(g) to license or certify beds in a new facility constructed to replace a facility that was destroyed after June 30, 1987, by fire, lightning, or other hazard provided:

(1) destruction was not caused by the intentional act of or at the direction of a controlling person of the facility;

(2) at the time the facility was destroyed the controlling persons of the facility maintained insurance coverage for the type of hazard that occurred in an amount that a reasonable person would conclude was adequate;

(3) the net proceeds from an insurance settlement for the damages caused by the hazard are applied to the cost of the new facility;

(4) the new facility is constructed on the same site as the destroyed facility or on another site subject to the restrictions in section 144A.073,

subdivision 5; and

(5) the number of licensed and certified beds in the new facility does not exceed the number of licensed and certified beds in the destroyed facility;

(h) to license or certify beds that are moved from one location to another within a nursing home facility, provided the total costs of remodeling performed in conjunction with the relocation of beds does not exceed ~~ten~~ *25* percent of the appraised value of the facility or ~~$200,000~~ *$500,000*, whichever is less, or to license or certify beds in a facility for which the total costs of remodeling or renovation exceed ~~ten~~ *25* percent of the appraised value of the facility or ~~$200,000~~ *$500,000*, whichever is less, if the facility makes a written commitment to the commissioner of human services that it will not seek to receive an increase in its property-related payment rate by reason of the remodeling or renovation;

(i) to license or certify beds in a facility that has been involuntarily delicensed or decertified for participation in the medical assistance program, provided that an application for relicensure or recertification is submitted to the commissioner within 120 days after delicensure or decertification;

(j) to license or certify beds in a project recommended for approval by the interagency board for quality assurance under section 144A.073;

(k) to license nursing home beds in a hospital facility that are relocated from a different hospital facility under common ownership or affiliation, provided:

(1) the nursing home beds are not certified for participation in the medical assistance program; and

(2) the relocation of nursing home beds under this clause should not exceed a radius of six miles;

(l) to license or certify beds that are moved from one location to another within an existing identifiable complex of hospital buildings, from a hospital-attached nursing home to the hospital building, or from a separate nursing home to a building formerly used as a hospital, provided the original nursing home building will no longer be operated as a nursing home and the building to which the beds are moved will no longer be operated as a hospital. As a condition of receiving a license or certification under this clause, the facility must make a written commitment to the commissioner of human services that it will not seek to receive an increase in its property-related payment rate as a result of the relocation. At the time of the licensure and certification of the nursing home beds, the commissioner of health shall delicense the same number of acute care beds within the existing complex of hospital buildings or building. Relocation of nursing home beds under this clause is subject to the limitations in section 144A.073, subdivision 5;

(m) to license or certify beds that are moved from an existing state nursing home to a different state facility, provided there is no net increase in the number of state nursing home beds. The relocated beds need not be licensed and certified at the new location simultaneously with the delicensing and decertification of the old beds and may be licensed and certified at any time after the old beds are delicensed and decertified;

(n) to license new nursing home beds in a continuing care retirement community affiliated with a national referral center engaged in substantial programs of patient care, medical research, and medical education meeting state and national needs that receives more than 40 percent of its residents

from outside the state for the purpose of meeting contractual obligations to residents of the retirement community, provided the facility makes a written commitment to the commissioner of human services that it will not seek medical assistance certification for the new beds;

(o) to certify or license new beds in a new facility on the Red Lake Indian Reservation for which payments will be made under the Indian Health Care Improvement Act, Public Law Number 94-437, at the rates specified in United States Code, title 42, section 1396d(b);

(p) to certify and license as nursing home beds boarding care beds in a certified boarding care facility if the beds meet the standards for nursing home licensure, *or in a facility that was granted an exception to the moratorium under section 144A.073*, and if the cost of any remodeling of the facility does not exceed ~~ten~~ *25* percent of the appraised value of the facility or ~~$200,000~~ *$500,000*, whichever is less; or to license as nursing home beds boarding care beds in a facility with an addendum to its provider agreement effective beginning July 1, 1983, if the boarding care beds to be upgraded meet the standards for nursing home licensure. If boarding care beds are licensed as nursing home beds, the number of boarding care beds in the facility must not increase in the future. The provisions contained in section 144A.073 regarding the upgrading of the facilities do not apply to facilities that satisfy these requirements;

(q) to license and certify up to 40 beds transferred from an existing facility owned and operated by the Amherst H. Wilder Foundation in the city of Saint Paul to a new unit at the same location as the existing facility that will serve persons with Alzheimer's disease and other related disorders. The transfer of beds may occur gradually or in stages, provided the total number of beds transferred does not exceed 40. At the time of licensure and certification of a bed or beds in the new unit, the commissioner of health shall delicense and decertify the same number of beds in the existing facility. As a condition of receiving a license or certification under this clause, the facility must make a written commitment to the commissioner of human services that it will not seek to receive an increase in its property-related payment rate as a result of the transfers allowed under this clause;

(r) to license and certify nursing home beds to replace currently licensed and certified boarding care beds which may be located either in a remodeled or renovated boarding care or nursing home facility or in a remodeled, renovated, newly constructed, or replacement nursing home facility within the identifiable complex of health care facilities in which the currently licensed boarding care beds are presently located, provided that the number of boarding care beds in the facility or complex are decreased by the number to be licensed as nursing home beds and further provided that, if the total costs of new construction, replacement, remodeling, or renovation exceed ten percent of the appraised value of the facility or $200,000, whichever is less, the facility makes a written commitment to the commissioner of human services that it will not seek to receive an increase in its property-related payment rate by reason of the new construction, replacement, remodeling, or renovation. The provisions contained in section 144A.073 regarding the upgrading of facilities do not apply to facilities that satisfy these requirements;

(s) to license or certify beds that are moved from a nursing home to a separate facility under common ownership or control that was formerly licensed as a hospital and is currently licensed as a nursing facility and that

is located within eight miles of the original facility, provided the original nursing home building will no longer be operated as a nursing home. As a condition of receiving a license or certification under this clause, the facility must make a written commitment to the commissioner of human services that it will not seek to receive an increase in its property-related payment rate as a result of the relocation; ~~or~~

(t) to license as a nursing home and certify as a nursing facility a facility that is licensed as a boarding care facility but not certified under the medical assistance program, but only if the commissioner of human services certifies to the commissioner of health that licensing the facility as a nursing home and certifying the facility as a nursing facility will result in a net annual savings to the state general fund of $200,000 or more;

(u) to certify, after September 30, 1992, and prior to July 1, 1993, existing nursing home beds in a facility that was licensed and in operation prior to January 1, 1992;

(v) to license and certify new nursing home beds to replace beds in a facility condemned as part of an economic redevelopment plan in a city of the first class, provided the new facility is located within one mile of the site of the old facility. (w) to license and certify up to 20 new nursing home beds in a community-operated hospital and attached convalescent and nursing care facility with 40 beds on April 21, 1991, that suspended operation of the hospital in April 1986. The commissioner of human services shall provide the facility with the same per diem property-related payment rate for each additional licensed and certified bed as it will receive for its existing 40 beds.

Sec. 4. Minnesota Statutes 1990, section 144A.073, subdivision 3, is amended to read:

Subd. 3. [REVIEW AND APPROVAL OF PROPOSALS.] Within the limits of money specifically appropriated to the medical assistance program for this purpose, the interagency board for quality assurance may recommend that the commissioner of health grant exceptions to the nursing home licensure or certification moratorium for proposals that satisfy the requirements of this section. The interagency board shall appoint an advisory review panel composed of representatives of consumers and providers to review proposals and provide comments and recommendations to the board. The commissioners of human services and health shall provide staff and technical assistance to the board for the review and analysis of proposals. The interagency board shall hold a public hearing before submitting recommendations to the commissioner of health on project requests. The board shall submit recommendations within 150 days of the date of the publication of the notice, based on a comparison and ranking of proposals using the criteria in subdivision 4. The commissioner of health shall approve or disapprove a project within 30 days after receiving the board's recommendations. The cost to the medical assistance program of the proposals approved must be within the limits of the appropriations specifically made for this purpose. Approval of a proposal expires ~~12~~ *18* months after approval by the commissioner of health unless the facility has commenced construction as defined in section 144A.071, subdivision 3, paragraph (b). The board's report to the legislature, as required under section 144A.31, must include the projects approved, the criteria used to recommend proposals for approval, and the estimated costs of the projects, including the costs of

initial construction and remodeling, and the estimated operating costs during the first two years after the project is completed.

Sec. 5. Minnesota Statutes 1990, section 144A.073, subdivision 3a, is amended to read:

Subd. 3a. [EXTENSION OF APPROVAL OF A PROJECT REQUIRING AN EXCEPTION TO THE NURSING HOME MORATORIUM.] Notwithstanding subdivision 3, a construction project that was approved by the commissioner under the moratorium exception approval process in this section prior to ~~February 1, 1990~~ *July 1, 1992*, may be commenced more than ~~12~~ *18* months after the date of the commissioner's approval but no later than July 1, ~~1992~~ *1994, or 12 months after the effective date of a nursing home property-related payment system enacted to replace the current rate freeze in section 256B.431, subdivision 12, whichever is later.*

Sec. 6. Minnesota Statutes 1990, section 144A.073, subdivision 5, is amended to read:

(b) Facilities located in a metropolitan statistical area other than the Minneapolis-St. Paul seven-county metropolitan area may relocate to a site within the same census tract or a contiguous census tract.

(c) Facilities located in the Minneapolis-St. Paul seven-county metropolitan area may relocate to a site within the same or contiguous health planning area as adopted in March 1982 by the metropolitan council.

(1) a copy of the order or determination that cites the deficiency or need; and

(2) the commissioner's recommendation for additional staff and additional annual hours by type of employee and additional consultants, services, supplies, equipment, or repairs necessary to satisfy the need or deficiency.

The medical assistance payment rates must be based on methods and standards that the commissioner finds are adequate to provide for the costs that must be incurred for the care of recipients in efficiently and economically operated hospitals. Services must meet the requirements of section 256B.04, subdivision 15, or 256D.03, subdivision 7, paragraph (b), to be eligible for

payment *except the commissioner may establish exemptions to specific requirements based on diagnosis, procedure, or service after notice in the State Register and a 30-day comment period. The commissioner may establish an administrative reconsideration process for appeals of inpatient hospital services determined to be medically unnecessary. The reconsideration process shall take place prior to the contested case procedures of chapter 14 and shall be conducted by physicians that are independent of the case under reconsideration. A majority decision by the physicians is necessary to make a determination that the services were not medically necessary. The index shall reflect Minnesota cost category weights. Individual indices shall be specific to Minnesota if the commissioner determines that sufficient accuracy of the hospital cost index is achieved. The hospital cost index ~~shall~~ *may* be used to adjust the base year operating payment rate through the rate year on an annually compounded basis. Notwithstanding section 256.9695, subdivision 3, paragraph (c), the hospital cost index shall not be effective under the general assistance medical care program for admissions occurring during the biennium ending June 30, 1993, *and the hospital cost index under medical assistance, excluding general assistance medical care, shall be increased by one percentage point to reflect changes in technology for admissions occurring after September 30, 1992.*

Subd. 2. [DIAGNOSTIC CATEGORIES.] The commissioner shall use to the extent possible existing diagnostic classification systems, including the system used by the Medicare program to determine the relative values of inpatient services and case mix indices. The commissioner may combine diagnostic classifications into diagnostic categories and may establish separate categories and numbers of categories based on program eligibility or hospital peer group. Relative values shall be recalculated when the base year is changed. Relative value determinations shall include paid claims for admissions during each hospital's base year. The commissioner may

extend the time period forward to obtain sufficiently valid information to establish relative values. Relative value determinations shall not include property cost data, Medicare crossover data, and data on admissions that are paid a per day transfer rate under subdivision ~~13~~ *14*. The computation of the base year cost per admission must include identified outlier cases and their weighted costs up to the point that they become outlier cases, but must exclude costs recognized in outlier payments beyond that point. The commissioner may recategorize the diagnostic classifications and recalculate relative values and case mix indices to reflect actual hospital practices, the specific character of specialty hospitals, or to reduce variances within the diagnostic categories after notice in the State Register and a 30-day comment period.

Sec. 25. Minnesota Statutes 1991 Supplement, section 256.969, subdivision 9, is amended to read:

(2) for a hospital with a medical assistance inpatient utilization rate above one standard deviation above the mean, the adjustment must be determined by multiplying the adjustment that would be determined under clause (1) for that hospital by 1.1. If federal matching funds are not available for all adjustments under this subdivision, the commissioner shall reduce payments on a pro rata basis so that all adjustments qualify for federal match. The commissioner may establish a separate disproportionate population operating payment rate adjustment under the general assistance medical care program. *For purposes of this subdivision medical assistance does not include general assistance medical care. The commissioner shall report annually on the number of hospitals likely to receive the adjustment authorized by this section. The commissioner shall specifically report on the adjustments received by public hospitals and public hospital corporations located in cities of the first class.*

~~(e)~~ *(b)* Capital and operating assets of a trade or business that the local agency determines are necessary to the person's ability to earn an income are not considered.

~~(g) One motor vehicle that is licensed pursuant to chapter 168 and defined as: (1) passenger automobile, (2) station wagon, (3) motorcycle, (4) motorized bicycle or (5) truck of the weight found in categories A to E, of section 168.013, subdivision 1e, and that is used primarily for the person's benefit is not considered.~~

~~To be excluded, the vehicle must have a market value of less than $4,500; be necessary to obtain medically necessary health services; be necessary for employment; be modified for operation by or transportation of a handicapped person; or be necessary to perform essential daily tasks because of climate, terrain, distance, or similar factors. The equity value of other motor vehicles is counted against the asset limit.~~

~~(h) Life insurance policies and assets designated as burial expenses, according to the standards and restrictions of the supplemental security income (SSI) program.~~

~~(i) Other items excluded by federal law are not considered.~~

(c) Motor vehicles are excluded to the same extent excluded by the supplemental security income program.

Sec. 37. Minnesota Statutes 1990, section 256B.056, subdivision 5, is amended to read:

Subd. 5. [EXCESS INCOME.] A person who has excess income is eligible for medical assistance if the person has expenses for medical care that are more than the amount of the person's excess income, computed by deducting incurred medical expenses from the excess income to reduce the excess to the income standard specified in subdivision 4. The person shall elect to have the medical expenses deducted at the beginning of a one-month budget period or at the beginning of a six-month budget period. *Until June 30, 1993, or the date the Medicaid Management Information System (MMIS) upgrade is implemented, whichever occurs last,* the commissioner shall ~~seek applicable waivers from the Secretary of Health and Human Services to~~ allow persons eligible for assistance on a *one-month* spend-down basis under this subdivision to elect to pay the monthly spend-down amount *in advance of the month of eligibility* to the local agency in order to maintain eligibility on a continuous basis ~~for medical assistance and to simplify payment to health~~

~~care providers~~. If the ~~local agency has not received payment of the spend-down amount by the 15th day of the month~~ *recipient does not pay the spend-down amount on or before the 20th of the month*, the recipient is ineligible for this option for the following month. ~~The commissioner may seek a waiver of the requirement of the Social Security Act that all requirements be uniform statewide, to phase in this option over a six-month period.~~ *The local agency must deposit spend-down payments into its treasury and issue a monthly payment to the state agency with the necessary individual account information. The local agency shall code the client eligibility system to indicate that the spend-down obligation has been satisfied for the month paid. The state agency shall convey this information to providers through eligibility cards which list no remaining spend-down obligation. After the implementation of the MMIS upgrade, the recipient may elect to pay the state agency the monthly spend-down amount. The recipient must make the payment on or before the 20th of the month in order to be eligible for this option in the following month.*

Sec. 38. Minnesota Statutes 1990, section 256B.056, is amended by adding a subdivision to read:

Subd. 8. [COOPERATION.] *To be eligible for medical assistance, applicants and recipients must cooperate with the state and local agency to identify potentially liable third-party payers and assist the state in obtaining third party payments, unless good cause for noncooperation is determined according to Code of Federal Regulations, title 42, part 433.147. "Cooperation" includes identifying any third party who may be liable for care and services provided under this chapter to the applicant, recipient, or any other family member for whom application is made and providing relevant information to assist the state in pursuing a potentially liable third party. Cooperation also includes providing information about a group health plan for which the person may be eligible and if the plan is determined cost-effective by the state agency and premiums are paid by the local agency or there is no cost to the recipient, they must enroll or remain enrolled with the group. Cost-effective insurance premiums approved for payment by the state agency and paid by the local agency are eligible for reimbursement according to section 256B.19.*

Sec. 39. Minnesota Statutes 1990, section 256B.057, is amended by adding a subdivision to read:

Subd. 3a. [ELIGIBILITY FOR PAYMENT OF MEDICARE PART B PREMIUMS.] *A person who would otherwise be eligible as a qualified Medicare beneficiary under subdivision 3, except the person's income is in excess of the limit, is eligible for medical assistance reimbursement of Medicare part B premiums if the person's income is less than 110 percent of the official federal poverty guidelines for the applicable family size. The income limit shall increase to 120 percent of the official federal poverty guidelines for the applicable family size on January 1, 1995.*

Sec. 40. Minnesota Statutes 1990, section 256B.059, subdivision 2, is amended to read:

Subd. 2. [ASSESSMENT OF SPOUSAL SHARE.] At the beginning of a continuous period of institutionalization of a person, at the request of either the institutionalized spouse or the community spouse, or upon application for medical assistance, the total value of assets in which either the institutionalized spouse or the community spouse had an interest at the time of *the first period of* institutionalization *of 30 days or more* shall be assessed

and documented and the spousal share shall be assessed and documented.

Sec. 41. Minnesota Statutes 1990, section 256B.059, subdivision 5, is amended to read:

Subd. 5. [ASSET AVAILABILITY.] (a) At the time of application for medical assistance benefits, assets considered available to the institutionalized spouse shall be the total value of all assets in which either spouse has an ownership interest, reduced by the greater of:

(1) $12,000; or

(2) the lesser of the spousal share or $60,000; or

(3) the amount required by court order to be paid to the community spouse. If the community spouse asset allowance has been increased under subdivision 4, then the assets considered available to the institutionalized spouse under this subdivision shall be further reduced by the value of additional amounts allowed under subdivision 4.

(b) An institutionalized spouse may be found eligible for medical assistance even though assets in excess of the allowable amount are found to be available under paragraph (a) if the assets are owned jointly or individually by the community spouse, and the institutionalized spouse cannot use those assets to pay for the cost of care without the consent of the community spouse, and if: (i) the institutionalized spouse assigns to the commissioner the right to support from the community spouse under section 256B.14, subdivision 2; (ii) the institutionalized spouse lacks the ability to execute an assignment due to a physical or mental impairment; or (iii) the denial of eligibility would cause an imminent threat to the institutionalized spouse's health and well-being.

(c) After the month in which the institutionalized spouse is determined eligible for medical assistance, during the continuous period of institutionalization, no assets of the community spouse are considered available to the institutionalized spouse, unless the institutionalized spouse has been found eligible under clause (b).

(d) *Assets determined to be available to the institutionalized spouse under this section must be used for the health care or personal needs of the institutionalized spouse.*

(e) For purposes of this section, assets do not include assets excluded under section 256B.056, without regard to the limitations on total value in that section.

Sec. 42. Minnesota Statutes 1990, section 256B.0595, subdivision 1, is amended to read:

Subdivision 1. [PROHIBITED TRANSFERS.] *(a)* If a person or the person's spouse has given away, sold, or disposed of, for less than fair market value, any asset or interest therein, except assets other than the homestead that are excluded under section 256B.056, subdivision 3, within 30 months before or any time after the date of institutionalization if the person has been determined eligible for medical assistance, or within 30 months before or any time after the date of the first approved application for medical assistance if the person has not yet been determined eligible for medical assistance, the person is ineligible for long-term care services for the period of time determined under subdivision 2.

(b) This section applies to transfers, for less than fair market value, of

income or assets that are considered income in the month received, such as inheritances, court settlements, and retroactive benefit payments.

(c) This section applies to payments for care or personal services provided by a relative, unless the compensation was stipulated in a notarized, written agreement which was in existence when the service was performed, the care or services directly benefited the person, and the payments made represented reasonable compensation for the care or services provided. A notarized written agreement is not required if payment for the services was made within 60 days after the service was provided.

(d) This section applies to the portion of any asset or interest that a person or a person's spouse transfers to an irrevocable trust, annuity, or other instrument, that exceeds the value of the benefit likely to be returned to the person or spouse during his or her lifetime, based on his or her estimated life expectancy using the life expectancy tables employed by the supplemental security income program to determine the value of an agreement for services for life. The commissioner may adopt rules reducing life expectancies based on the need for long-term care.

(e) For purposes of this section, long-term care services include nursing facility services, and ~~home~~ *home-* and community-based services provided pursuant to section 256B.491. For purposes of this subdivision and subdivisions 2, 3, and 4, "institutionalized person" includes a person who is an inpatient in a nursing facility, or who is receiving ~~home~~ *home-* and community-based services under section 256B.491.

Sec. 43. Minnesota Statutes 1991 Supplement, section 256B.0625, subdivision 2, is amended to read:

Subd. 2. [SKILLED AND INTERMEDIATE NURSING CARE.] Medical assistance covers skilled nursing home services and services of intermediate care facilities, including training and habilitation services, as defined in section 252.41, subdivision 3, for persons with mental retardation or related conditions who are residing in intermediate care facilities for persons with mental retardation or related conditions. Medical assistance must not be used to pay the costs of nursing care provided to a patient in a swing bed as defined in section 144.562, unless (a) the facility in which the swing bed is located is eligible as a sole community provider, as defined in Code of Federal Regulations, title 42, section 412.92, or the facility is a public hospital owned by a governmental entity with 15 or fewer licensed acute care beds; (b) the health care financing administration approves the necessary state plan amendments; (c) the patient was screened as provided by law; (d) the patient no longer requires acute care services; and (e) no nursing home beds are available within 25 miles of the facility. *Medical assistance also covers up to ten days of nursing care provided to a patient in a swing bed if: (1) the patient's physician certifies that the patient has a terminal illness or condition that is likely to result in death within 30 days and that moving the patient would not be in the best interests of the patient and patient's family; (2) no open nursing home beds are available within 25 miles of the facility; and (3) no open beds are available in any Medicare hospice program within 50 miles of the facility.* The daily medical assistance payment for nursing care for the patient in the swing bed is the statewide average medical assistance skilled nursing care per diem as computed annually by the commissioner on July 1 of each year.

Sec. 44. Minnesota Statutes 1991 Supplement, section 256B.0625, subdivision 13, is amended to read:

Subd. 13. [DRUGS.] (a) Medical assistance covers drugs if prescribed by a licensed practitioner and dispensed by a licensed pharmacist, or by a physician enrolled in the medical assistance program as a dispensing physician. The commissioner, *after receiving recommendations from the Minnesota medical association and the Minnesota pharmacists association*, shall designate a formulary committee to advise the commissioner on the names of drugs for which payment is made, recommend a system for reimbursing providers on a set fee or charge basis rather than the present system, and develop methods encouraging use of generic drugs when they are less expensive and equally effective as trademark drugs. The commissioner shall appoint the formulary committee members no later than 30 days following July 1, 1981. The formulary committee shall consist of nine members, four of whom shall be physicians who are not employed by the department of human services, and a majority of whose practice is for persons paying privately or through health insurance, three of whom shall be pharmacists who are not employed by the department of human services, and a majority of whose practice is for persons paying privately or through health insurance, a consumer representative, and a nursing home representative. Committee members shall serve two-year terms and shall serve without compensation. The commissioner shall establish a drug formulary. Its establishment and publication shall not be subject to the requirements of the administrative procedure act, but the formulary committee shall review and comment on the formulary contents. The formulary committee shall review and recommend drugs which require prior authorization. *The formulary committee may recommend drugs for prior authorization directly to the commissioner, as long as opportunity for public input is provided. Prior authorization may be requested by the commissioner based on medical and clinical criteria before certain drugs are eligible for payment. Before a drug may be considered for prior authorization at the request of the commissioner:*

(1) the drug formulary committee must develop criteria to be used for identifying drugs; the development of these criteria is not subject to the requirements of chapter 14, but the formulary committee shall provide opportunity for public input in developing criteria;

(2) the drug formulary committee must hold a public forum and receive public comment for an additional 15 days; and

(3) the commissioner must provide information to the formulary committee on the impact that placing the drug on prior authorization will have on the quality of patient care and information regarding whether the drug is subject to clinical abuse or misuse. Prior authorization may be required by the commissioner before certain formulary drugs are eligible for payment. The formulary shall not include: drugs or products for which there is no federal funding; over-the-counter drugs, except for antacids, acetaminophen, family planning products, aspirin, insulin, products for the treatment of lice, and vitamins for children under the age of seven and pregnant or nursing women; or any other over-the-counter drug identified by the commissioner, in consultation with the drug formulary committee as necessary, appropriate and cost effective for the treatment of certain specified chronic diseases, conditions or disorders, and this determination shall not be subject to the requirements of chapter 14, the administrative procedure act; nutritional products, except for those products needed for treatment of phenylketonuria, hyperlysinemia, maple syrup urine disease, a combined allergy to human milk, cow milk, and soy formula, or any other childhood or adult diseases,

conditions, or disorders identified by the commissioner as requiring a similarly necessary nutritional product; anorectics; and drugs for which medical value has not been established. *Nutritional products needed for the treatment of a combined allergy to human milk, cow's milk, and soy formula require prior authorization.* Separate payment shall not be made for nutritional products for residents of long-term care facilities; payment for dietary requirements is a component of the per diem rate paid to these facilities. Payment to drug vendors shall not be modified before the formulary is established except that the commissioner shall not permit payment for any drugs which may not by law be included in the formulary, and the commissioner's determination shall not be subject to chapter 14, the administrative procedure act. The commissioner shall publish conditions for prohibiting payment for specific drugs after considering the formulary committee's recommendations.

(b) The basis for determining the amount of payment shall be the lower of the actual acquisition costs of the drugs plus a fixed dispensing fee established by the commissioner, the maximum allowable cost set by the federal government or by the commissioner plus the fixed dispensing fee or the usual and customary price charged to the public. Actual acquisition cost includes quantity and other special discounts except time and cash discounts. The actual acquisition cost of a drug may be estimated by the commissioner. The maximum allowable cost of a multisource drug may be set by the commissioner and it shall be comparable to, but no higher than, the maximum amount paid by other third party payors in this state who have maximum allowable cost programs. Establishment of the amount of payment for drugs shall not be subject to the requirements of the administrative procedure act. An additional dispensing fee of $.30 may be added to the dispensing fee paid to pharmacists for legend drug prescriptions dispensed to residents of long-term care facilities when a unit dose blister card system, approved by the department, is used. Under this type of dispensing system, the pharmacist must dispense a 30-day supply of drug. The National Drug Code (NDC) from the drug container used to fill the blister card must be identified on the claim to the department. The unit dose blister card containing the drug must meet the packaging standards set forth in Minnesota Rules, part 6800.2700, that govern the return of unused drugs to the pharmacy for reuse. The pharmacy provider will be required to credit the department for the actual acquisition cost of all unused drugs that are eligible for reuse. Over-the-counter medications must be dispensed in the manufacturer's unopened package. The commissioner may permit the drug clozapine to be dispensed in a quantity that is less than a 30-day supply. Whenever a generically equivalent product is available, payment shall be on the basis of the actual acquisition cost of the generic drug, unless the prescriber specifically indicates "dispense as written - brand necessary" on the prescription as required by section 151.21, subdivision 2. Implementation of any change in the fixed dispensing fee that has not been subject to the administrative procedure act is limited to not more than 180 days, unless, during that time, the commissioner initiates rulemaking through the administrative procedure act.

(c) Until January 4, 1993, or the date the Medicaid Management Information System (MMIS) upgrade is implemented, whichever occurs last, a pharmacy provider may require individuals who seek to become eligible for medical assistance under a one-month spend-down, as provided in section 256B.056, subdivision 5, to pay for services to the extent of the spend-down amount at the time the services are provided. A pharmacy provider

choosing this option shall file a medical assistance claim for the pharmacy services provided. If medical assistance reimbursement is received for this claim, the pharmacy provider shall return to the individual the total amount paid by the individual for the pharmacy services reimbursed by the medical assistance program. If the claim is not eligible for medical assistance reimbursement because of the provider's failure to comply with the provisions of the medical assistance program, the pharmacy provider shall refund to the individual the total amount paid by the individual. Pharmacy providers may choose this option only if they apply similar credit restrictions to private pay or privately insured individuals. A pharmacy provider choosing this option must inform individuals who seek to become eligible for medical assistance under a one-month spend-down of (1) their right to appeal the denial of services on the grounds that they have satisfied the spend-down requirement, and (2) their potential eligibility for the health right program or the children's health plan.

Sec. 45. Minnesota Statutes 1990, section 256B.0625, is amended by adding a subdivision to read:

Subd. 13a. [DRUG UTILIZATION REVIEW BOARD.] *A 12-member drug utilization review board is established. The board is comprised of six licensed physicians actively engaged in the practice of medicine in Minnesota; five licensed pharmacists actively engaged in the practice of pharmacy in Minnesota; and one consumer representative. The board shall be staffed by an employee of the department who shall serve as an ex officio nonvoting member of the board. The members of the board shall be appointed by the commissioner and shall serve three-year terms. The physician members shall be selected from a list submitted by the Minnesota medical association. The pharmacist members shall be selected from a list submitted by the Minnesota pharmacist association. The commissioner shall appoint the initial members of the board for terms expiring as follows: four members for terms expiring June 30, 1995; four members for terms expiring June 30, 1994; and four members for terms expiring June 30, 1993. Members may be reappointed once. The board shall annually elect a chair from among the members.*

The commissioner shall, with the advice of the board:

(1) implement a medical assistance retrospective and prospective drug utilization review program as required by United States Code, title 42, section 1396r-8(g)(3);

(2) develop and implement the predetermined criteria and practice parameters for appropriate prescribing to be used in retrospective and prospective drug utilization review;

(3) develop, select, implement, and assess interventions for physicians, pharmacists, and patients that are educational and not punitive in nature;

(4) establish a grievance and appeals process for physicians and pharmacists under this section;

(5) publish and disseminate educational information to physicians and pharmacists regarding the board and the review program;

(6) adopt and implement procedures designed to ensure the confidentiality of any information collected, stored, retrieved, assessed, or analyzed by the board, staff to the board, or contractors to the review program that identifies individual physicians, pharmacists, or recipients;

(7) establish and implement an ongoing process to (i) receive public comment regarding drug utilization review criteria and standards, and (ii) consider the comments along with other scientific and clinical information in order to revise criteria and standards on a timely basis; and

(8) adopt any rules necessary to carry out this section.

The board may establish advisory committees. The commissioner may contract with appropriate organizations to assist the board in carrying out the board's duties. The commissioner may enter into contracts for services to develop and implement a retrospective and prospective review program.

The board shall report to the commissioner annually on December 1. The commissioner shall make the report available to the public upon request. The report must include information on the activities of the board and the program; the effectiveness of implemented interventions; administrative costs; and any fiscal impact resulting from the program.

Sec. 46. Minnesota Statutes 1991 Supplement, section 256B.0625, subdivision 17, is amended to read:

Subd. 17. [TRANSPORTATION COSTS.] (a) Medical assistance covers transportation costs incurred solely for obtaining emergency medical care or transportation costs incurred by nonambulatory persons in obtaining emergency or nonemergency medical care when paid directly to an ambulance company, common carrier, or other recognized providers of transportation services. For the purpose of this subdivision, a person who is incapable of transport by taxicab or bus shall be considered to be nonambulatory.

(b) Medical assistance covers special transportation, as defined in Minnesota Rules, part 9505.0315, subpart 1, item F, if the provider receives and maintains a current physician's order by the recipient's attending physician. The commissioner shall establish maximum medical assistance reimbursement rates for special transportation services for persons who need a wheelchair lift van or stretcher-equipped vehicle and for those who do not need a wheelchair lift van or stretcher-equipped vehicle. The average of these two rates must not exceed ~~$12.50~~ *$13* for the base rate and $1 per mile. Special transportation provided to nonambulatory persons who do not need a wheelchair lift van or stretcher-equipped vehicle, may be reimbursed at a lower rate than special transportation provided to persons who need a wheelchair lift van or stretcher-equipped vehicle.

Sec. 47. Minnesota Statutes 1990, section 256B.0625, is amended by adding a subdivision to read:

Subd. 19b. [NO AUTOMATIC ADJUSTMENT.] *For fiscal years beginning on or after July 1, 1993, the commissioner of human services shall not provide automatic annual inflation adjustments for home care services. The commissioner of finance shall include as a budget change request in each biennial detailed expenditure budget submitted to the legislature under section 16A.11 annual adjustments in reimbursement rates for home care services.*

Sec. 48. Minnesota Statutes 1990, section 256B.0625, is amended by adding a subdivision to read:

Subd. 19c. [PERSONAL CARE.] *Medical assistance covers personal care services provided by an individual who is qualified to provide the services according to subdivision 19a and section 256B.0627, where the*

services are prescribed by a physician in accordance with a plan of treatment and are supervised by a registered nurse.

Sec. 49. Minnesota Statutes 1990, section 256B.0625, is amended by adding a subdivision to read:

Subd. 31. [MEDICAL SUPPLIES AND EQUIPMENT.] *Medical assistance covers medical supplies and equipment. Separate payment outside of the facility's payment rate shall be made for wheelchairs and wheelchair accessories for recipients who are residents of intermediate care facilities for the mentally retarded. Reimbursement for wheelchairs and wheelchair accessories for ICF/MR recipients shall be subject to the same conditions and limitations as coverage for recipients who do not reside in institutions. A wheelchair purchased outside of the facility's payment rate is the property of the recipient.*

Sec. 50. Minnesota Statutes 1991 Supplement, section 256B.0627, subdivision 5, as amended by Laws 1992, chapter 391, section 5, is amended to read:

Subd. 5. [LIMITATION ON PAYMENTS.] Medical assistance payments for home care services shall be limited according to this subdivision.

(a) [EXEMPTION FROM PAYMENT LIMITATIONS.] The level, or the number of hours or visits of a specific service, of home care services to a recipient that began before and is continued without increase on or after December 1987, shall be exempt from the payment limitations of this section, as long as the services are medically necessary.

(b) [LIMITS ON SERVICES WITHOUT PRIOR AUTHORIZATION.] A recipient may receive the following amounts of home care services during a calendar year:

(1) a total of 40 home health aide visits~~,~~ *or* skilled nurse visits~~, health promotions, or health assessments~~ under section 256B.0625, subdivision 6a; and

(2) a total of ten hours of nursing supervision under section 256B.0625, subdivision 7 or 19a.

(c) [PRIOR AUTHORIZATION; EXCEPTIONS.] All home care services above the limits in paragraph (b) must receive the commissioner's prior authorization, except when:

(1) the home care services were required to treat an emergency medical condition that if not immediately treated could cause a recipient serious physical or mental disability, continuation of severe pain, or death. The provider must request retroactive authorization no later than five working days after giving the initial service. The provider must be able to substantiate the emergency by documentation such as reports, notes, and admission or discharge histories;

(2) the home care services were provided on or after the date on which the recipient's eligibility began, but before the date on which the recipient was notified that the case was opened. Authorization will be considered if the request is submitted by the provider within 20 working days of the date the recipient was notified that the case was opened; or

(3) a third party payor for home care services has denied or adjusted a payment. Authorization requests must be submitted by the provider within 20 working days of the notice of denial or adjustment. A copy of the notice

must be included with the request.

(d) [RETROACTIVE AUTHORIZATION.] A request for retroactive authorization under paragraph (c) will be evaluated according to the same criteria applied to prior authorization requests. Implementation of this provision shall begin no later than October 1, 1991, except that recipients who are currently receiving medically necessary services above the limits established under this subdivision may have a reasonable amount of time to arrange for waivered services under section 256B.49 or to establish an alternative living arrangement. All current recipients shall be phased down to the limits established under paragraph (b) on or before April 1, 1992.

(e) [ASSESSMENT AND CARE PLAN.] The home care provider shall conduct an assessment and complete a care plan using forms specified by the commissioner. For the recipient to receive, or continue to receive, home care services, the provider must submit evidence necessary for the commissioner to determine the medical necessity of the home care services. The provider shall submit to the commissioner the assessment, the care plan, and other information necessary to determine medical necessity such as diagnostic or testing information, social or medical histories, and hospital or facility discharge summaries.

(f) [PRIOR AUTHORIZATION.] The commissioner, or the commissioner's designee, shall review the assessment, the care plan, and any additional information that is submitted. The commissioner shall, within 30 days after receiving a *complete* request ~~for prior authorization~~, *assessment, and care plan*, authorize home care services as follows:

(1) [HOME HEALTH SERVICES.] All home health services provided by a nurse or a home health aide that exceed the limits established in paragraph (b) must be prior authorized by the commissioner or the commissioner's designee. Prior authorization must be based on medical necessity and cost-effectiveness when compared with other care options.

(2) [PERSONAL CARE SERVICES.] (i) All personal care services must be prior authorized by the commissioner or the commissioner's designee except for the limits on supervision established in paragraph (b). The amount of personal care services authorized must be based on the recipient's case mix classification according to section 256B.0911, except that a child may not be found to be dependent in an activity of daily living if because of the child's age an adult would either perform the activity for the child or assist the child with the activity and the amount of assistance needed is similar to the assistance appropriate for a typical child of the same age. Based on medical necessity, the commissioner may authorize:

(A) up to two times the average number of direct care hours provided in nursing facilities for the recipient's *comparable* case mix level;

(B) up to three times the average number of direct care hours provided in nursing facilities for recipients who have complex medical needs;

(C) up to 60 percent of the average reimbursement rate, as of July 1, 1991, for care provided in a regional treatment center for recipients who have complex behaviors;

(D) up to the amount the commissioner would pay, as of July 1, 1991, for care provided in a regional treatment center for recipients referred to the commissioner by a regional treatment center preadmission evaluation team. For purposes of this clause, home care services means all services

provided in the home or community that would be included in the payment to a regional treatment center; or

(E) up to the amount medical assistance would reimburse for facility care for recipients referred to the commissioner by a preadmission screening team established under section 256B.091 or 256B.092.

(ii) The number of direct care hours shall be determined according to annual cost reports which are submitted to the department by nursing facilities each year. The average number of direct care hours, as established by May 1, shall be *calculated and* incorporated into the home care limits on July 1 each year. *These limits shall be calculated to the nearest quarter hour.*

(iii) The case mix level shall be determined by the commissioner or the commissioner's designee based on information submitted to the commissioner by the personal care provider on forms specified by the commissioner. The forms shall be a combination of current assessment tools developed under sections 256B.0911 and 256B.501 with an addition for seizure activity that will assess the frequency and severity of seizure activity and with adjustments, additions, and clarifications that are necessary to reflect the needs and conditions of children and nonelderly adults who need home care. The commissioner shall establish these forms and protocols under this section and shall use the advisory group established in section 256B.04, subdivision 16, for consultation in establishing the forms and protocols by October 1, 1991.

(iv) A recipient shall qualify as having complex medical needs if they require:

(A) daily tube feedings;

(B) daily parenteral therapy;

(C) wound or decubiti care;

(D) postural drainage, percussion, nebulizer treatments, suctioning, tracheotomy care, oxygen, mechanical ventilation;

(E) catheterization;

(F) ostomy care; or

(G) other comparable medical conditions or treatments the commissioner determines would otherwise require institutional care.

(v) A recipient shall qualify as having complex behavior if the recipient exhibits on a daily basis the following:

(A) self-injurious behavior;

(B) unusual or repetitive habits;

(C) withdrawal behavior;

(D) hurtful behavior to others;

(E) socially ~~or~~ offensive behavior;

(F) destruction of property; or

(G) a need for constant one-to-one supervision for self-preservation.

(vi) The complex behaviors in clauses (A) to (G) have the meanings developed under section 256B.501.

(3) [PRIVATE DUTY NURSING SERVICES.] All private duty nursing services shall be prior authorized by the commissioner or the commissioner's designee. Prior authorization for private duty nursing services shall be based on medical necessity and cost-effectiveness when compared with alternative care options. The commissioner may authorize medically necessary private duty nursing services *in quarter-hour units* when:

(i) the recipient requires more individual and continuous care than can be provided during a nurse visit; or

(ii) the cares are outside of the scope of services that can be provided by a home health aide or personal care assistant.

The commissioner may authorize up to 16 hours per day of private duty nursing services or up to 24 hours per day of private duty nursing services until such time as the commissioner is able to make a determination of eligibility for recipients who are *cooperatively* applying for home care services under the community alternative care program developed under section 256B.49, or until it is determined *by the appropriate regulatory agency* that a health benefit plan is *or is not* required to pay for *appropriate* medically necessary ~~nursing~~ *health care* services. *Recipients or their representatives must cooperatively assist the commissioner in obtaining this determination.* Recipients who are eligible for the community alternative care program may not receive more hours of nursing under this section than would otherwise be authorized under section 256B.49.

(4) [VENTILATOR-DEPENDENT RECIPIENTS.] If the recipient is ventilator-dependent, the monthly medical assistance authorization for home care services shall not exceed what the commissioner would pay for care at the highest cost hospital designated as a long-term hospital under the Medicare program. For purposes of this clause, home care services means all services provided in the home that would be included in the payment for care at the long-term hospital. "Ventilator-dependent" means an individual who receives mechanical ventilation for life support at least six hours per day and is expected to be or has been dependent for at least 30 consecutive days.

(g) [PRIOR AUTHORIZATION; TIME LIMITS.] The commissioner or the commissioner's designee shall determine the time period for which a prior authorization shall remain valid. If the recipient continues to require home care services beyond the duration of the prior authorization, the home care provider must request a new prior authorization through the process described above. Under no circumstances shall a prior authorization be valid for more than 12 months.

(h) [APPROVAL OF HOME CARE SERVICES.] The commissioner or the commissioner's designee shall determine the medical necessity of home care services, the level of caregiver according to subdivision 2, and the institutional comparison according to this subdivision, and the amount, scope, and duration of home care services reimbursable by medical assistance, based on the assessment, the care plan, the recipient's age, the recipient's medical condition, and diagnosis or disability. The commissioner may publish additional criteria for determining medical necessity according to section 256B.04.

(i) [PRIOR AUTHORIZATION REQUESTS; TEMPORARY SERVICES.] The department has 30 days from receipt of the request to complete the prior authorization, during which time it may approve a temporary level

of home care service. Authorization under this authority for a temporary level of home care services is limited to the time specified by the commissioner.

(j) [PRIOR AUTHORIZATION REQUIRED IN FOSTER CARE SETTING.] Home care services provided in an adult or child foster care setting must receive prior authorization by the department according to the limits established in paragraph (b).

The commissioner may not authorize:

(1) home care services that are the responsibility of the foster care provider under the terms of the foster care placement agreement and administrative rules;

(2) personal care services when the foster care license holder is also the personal care provider or personal care assistant unless the recipient can direct the recipient's own care, or the recipient is referred to the commissioner by a regional treatment center preadmission evaluation team;

(3) personal care services when the responsible party is an employee of, or under contract with, or has any direct or indirect financial relationship with the personal care provider or personal care assistant, unless the recipient is referred to the commissioner by a regional treatment center preadmission evaluation team;

(4) home care services when the number of foster care residents is greater than four; or

(5) home care services when combined with foster care payments, less the base rate, that exceed the total amount that public funds would pay for the recipient's care in a medical institution.

Sec. 51. Minnesota Statutes 1990, section 256B.064, is amended by adding a subdivision to read:

Subd. 1d. [INVESTIGATIVE COSTS.] *The commissioner may seek recovery of investigative costs from any vendor of medical care or services who willfully submits a claim for reimbursement for services the vendor knows, or reasonably should have known, is a false representation and which results in the payment of public funds for which the vendor is ineligible. Billing errors deemed to be unintentional, but which result in overcharges, shall not be considered for investigative cost recoupment.*

Sec. 52. Minnesota Statutes 1991 Supplement, section 256B.064, subdivision 2, is amended to read:

Subd. 2. The commissioner shall determine monetary amounts to be recovered and the sanction to be imposed upon a vendor of medical care for conduct described by subdivision 1a. *Except in the case of a conviction for conduct described in subdivision 1a,* neither a monetary recovery nor a sanction will be sought by the commissioner without prior notice and an opportunity for a hearing, pursuant to chapter 14, on the commissioner's proposed action, provided that the commissioner may suspend or reduce payment to a vendor of medical care, except a nursing home or convalescent care facility, prior to the hearing if in the commissioner's opinion that action is necessary to protect the public welfare and the interests of the program.

Upon receipt of a notice that a monetary recovery or sanction is to be imposed, a vendor may request a contested case, as defined in section 14.02, subdivision 3, by filing with the commissioner a written request of

appeal. The appeal request must be received by the commissioner no later than 30 days after the date the notification of monetary recovery or sanction was mailed to the vendor. The appeal request must specify:

(1) each disputed item, the reason for the dispute, and an estimate of the dollar amount involved for each disputed item;

(2) the computation that the vendor believes is correct;

(3) the authority in statute or rule upon which the vendor relies for each disputed item;

(4) the name and address of the person or entity with whom contacts may be made regarding the appeal; and

(5) other information required by the commissioner.

Sec. 53. Minnesota Statutes 1991 Supplement, section 256B.0911, subdivision 3, is amended to read:

Subd. 3. [PERSONS RESPONSIBLE FOR CONDUCTING THE PREADMISSION SCREENING.] (a) A local screening team shall be established by the county agency and the county public health nursing service of the local board of health. Each local screening team shall be composed of a social worker and a public health nurse from their respective county agencies. *If a county does not have a public health nurse available, it may request approval from the commissioner to assign a county registered nurse with at least one year experience in home care to participate on the team.* Two or more counties may collaborate to establish a joint local screening team or teams.

(b) Both members of the team must conduct the screening. However, individuals who are being transferred from an acute care facility to a certified nursing facility *and individuals who are admitted to a certified nursing facility on an emergency basis* may be screened by only one member of the screening team in consultation with the other member.

(c) In assessing a person's needs, each screening team shall have a physician available for consultation and shall consider the assessment of the individual's attending physician, if any. The individual's physician shall be included on the screening team if the physician chooses to participate. Other personnel may be included on the team as deemed appropriate by the county agencies.

(d) If a person who has been screened must be reassessed to assign a case mix classification because admission to a nursing facility occurs later than the time allowed by rule following the initial screening and assessment, the reassessment may be completed by the public health nurse member of the screening team.

Sec. 54. Minnesota Statutes 1991 Supplement, section 256B.0911, is amended by adding a subdivision to read:

Subd. 7a. [CASE MIX ASSESSMENTS.] *The nursing facility is authorized to conduct all case mix assessments for persons who have been admitted to the facility prior to a preadmission screening. The county shall conduct the case mix assessment for all persons screened within ten working days prior to admission. The county retains the responsibility of distributing appropriate case mix forms to the nursing facility.*

Sec. 55. Minnesota Statutes 1991 Supplement, section 256B.0911, subdivision 8, is amended to read:

Subd. 8. [ADVISORY COMMITTEE.] The commissioner shall appoint an advisory committee to advise the commissioner on the preadmission screening program, the alternative care program under section 256B.0913, and the home- and community-based services waiver programs for the elderly and the disabled. The advisory committee shall review policies and procedures and provide advice and technical assistance to the commissioner regarding the effectiveness and the efficient administration of the programs. The advisory committee must consist of not more than ~~20~~ 22 people appointed by the commissioner and must be comprised of representatives from public agencies, public and private service providers, *two representatives of nursing home associations*, and consumers from all areas of the state. Members of the advisory committee must not be compensated for service.

Sec. 56. Minnesota Statutes 1991 Supplement, section 256B.0913, subdivision 4, is amended to read:

Subd. 4. [ELIGIBILITY FOR FUNDING FOR SERVICES FOR NONMEDICAL ASSISTANCE RECIPIENTS.] (a) Funding for services under the alternative care program is available to persons who meet the following criteria:

(1) the person has been screened by the county screening team or, if previously screened and served under the alternative care program, assessed by the local county social worker or public health nurse;

(2) the person is age 65 or older;

(3) the person would be eligible for medical assistance within 180 days of admission to a nursing facility;

(4) the screening team would recommend nursing facility admission or continued stay for the person if alternative care services were not available;

(5) the person needs services that are not available at that time in the county through other county, state, or federal funding sources; and

(6) the monthly cost of the alternative care services funded by the program for this person does not exceed 75 percent of the statewide average monthly medical assistance payment for nursing facility care at the individual's case mix classification to which the individual would be assigned under Minnesota Rules, parts 9549.0050 to 9549.0059.

(b) Individuals who meet the criteria in paragraph (a) and who have been approved for alternative care funding are called 180-day eligible clients.

(c) The statewide average payment for nursing facility care is the statewide average monthly nursing facility rate in effect on July 1 of the fiscal year in which the cost is incurred, less the statewide average monthly income of nursing facility residents who are age 65 or older and who are medical assistance recipients in the month of March of the previous fiscal year. This monthly limit does not prohibit the 180-day eligible client from paying for additional services needed or desired.

(d) In determining the total costs of alternative care services for one month, the costs of all services funded by the alternative care program, including supplies and equipment, must be included.

(e) Alternative care funding under this subdivision is not available for a person who is a medical assistance recipient or who would be eligible for medical assistance without a spend-down if the person applied, unless authorized by the commissioner. *The commissioner may authorize alternative care money to be used to meet a portion of a medical assistance income spend-down for persons residing in adult foster care who would otherwise be served under the alternative care program. The alternative care payment is limited to the difference between the recipient's negotiated foster care room and board rate and the medical assistance income standard for one elderly person plus the medical assistance personal needs allowance for a person residing in a long-term care facility. A person whose application for medical assistance is being processed may be served under the alternative care program for a period up to 60 days. If the individual is found to be eligible for medical assistance, the county must bill medical assistance retroactive to the date of eligibility for the services provided that are reimbursable under the elderly waiver program.*

(f) Alternative care funding is not available for a person who resides in a licensed nursing home or boarding care home, except for case management services which are being provided in support of the discharge planning process.

Sec. 57. Minnesota Statutes 1991 Supplement, section 256B.0913, subdivision 5, is amended to read:

Subd. 5. [SERVICES COVERED UNDER ALTERNATIVE CARE.] (a) Alternative care funding may be used for payment of costs of:

(1) adult foster care;

(2) adult day care;

(3) home health aide;

(4) homemaker services;

(5) personal care;

(6) case management;

(7) respite care;

(8) assisted living; and

(9) care-related supplies and equipment.

(b) The county agency may use up to ten percent of the annual allocation of alternative care funding for payment of costs of meals delivered to the home, transportation, skilled nursing, chore services, companion services, nutrition services, and training for direct informal caregivers. The commissioner shall determine the impact on alternative care costs of allowing these additional services to be provided and shall report the findings to the legislature by February 15, 1993, including any recommendations regarding provision of the additional services.

(c) The county agency must ensure that the funds are used only to supplement and not supplant services available through other public assistance or services programs.

(d) These services must be provided by a licensed provider, a home health agency certified for reimbursement under Titles XVIII and XIX of the Social Security Act, or by persons or agencies employed by or contracted with

the county agency or the public health nursing agency of the local board of health.

(e) The adult foster care rate shall be considered a difficulty of care payment and shall not include room and board. *The adult foster care daily rate shall be negotiated between the county agency and the foster care provider. The rate established under this section shall not exceed 75 percent of the state average monthly nursing home payment for the case mix classification to which the individual receiving foster care is assigned, and it must allow for other alternative care services to be authorized by the case manager.*

(f) Personal care services may be provided by a personal care provider organization. A county agency may contract with a relative of the client to provide personal care services, but must ensure nursing supervision. Covered personal care services defined in section 256B.0627, subdivision 4, must meet applicable standards in Minnesota Rules, part 9505.0335.

(g) Costs for supplies and equipment that exceed $150 per item per month must have prior approval from the commissioner. *A county may use alternative care funds to purchase supplies and equipment from a non-Medicaid certified vendor if the cost for the items is less than that of a Medicaid vendor.*

(h) For the purposes of this section, "assisted living" refers to supportive services provided by a single vendor to two or more alternative care ~~grant~~ clients who reside in the same apartment building of ten or more units. These services may include care coordination, the costs of preparing one or more nutritionally balanced meals per day, general oversight, and other supportive services which the vendor is licensed to provide according to sections 144A.43 to 144A.49, and which would otherwise be available to individual alternative care ~~grant~~ clients. Reimbursement from the lead agency shall be made to the vendor as a monthly capitated rate negotiated with the county agency. The capitated rate shall not exceed the state share of the *greater of either the statewide or any of the geographic groups' weighted* average monthly medical assistance nursing facility payment rate of the case mix resident class to which the 180-day eligible client would be assigned under Minnesota Rules, parts 9549.0050 to 9549.0059. The capitated rate may not cover rent and direct food costs. A person's eligibility to reside in the building must not be contingent on the person's acceptance or use of the assisted living services. Assisted living services as defined in this section shall not be authorized in boarding and lodging establishments licensed according to sections 157.01 to 157.031.

(i) For purposes of this section, companion services are defined as nonmedical care, supervision and oversight, provided to a functionally impaired adult. Companions may assist the individual with such tasks as meal preparation, laundry and shopping, but do not perform these activities as discrete services. The provision of companion services does not entail hands-on medical care. Providers may also perform light housekeeping tasks which are incidental to the care and supervision of the recipient. This service must be approved by the case manager as part of the care plan. Companion services must be provided by individuals or nonprofit organizations who are under contract with the local agency to provide the service. Any person related to the waiver recipient by blood, marriage or adoption cannot be reimbursed under this service. Persons providing companion services will be monitored by the case manager.

(j) For purposes of this section, training for direct informal caregivers is defined as a classroom or home course of instruction which may include: transfer and lifting skills, nutrition, personal and physical cares, home safety in a home environment, stress reduction and management, behavioral management, long-term care decision making, care coordination and family dynamics. The training is provided to an informal unpaid caregiver of a 180-day eligible client which enables the caregiver to deliver care in a home setting with high levels of quality. The training must be approved by the case manager as part of the individual care plan. Individuals, agencies, and educational facilities which provide caregiver training and education will be monitored by the case manager.

Sec. 58. Minnesota Statutes 1991 Supplement, section 256B.0913, subdivision 8, is amended to read:

Subd. 8. [REQUIREMENTS FOR INDIVIDUAL CARE PLAN.] The case manager shall implement the plan of care for each 180-day eligible client and ensure that a client's service needs and eligibility are reassessed at least every six months. The plan shall include any services prescribed by the individual's attending physician as necessary to allow the individual to remain in a community setting. In developing the individual's care plan, the case manager should include the use of volunteers from families and neighbors, religious organizations, social clubs, and civic and service organizations to support the formal home care services. The county shall be held harmless for damages or injuries sustained through the use of volunteers under this subdivision including workers' compensation liability. The lead agency shall provide documentation to the commissioner verifying that the individual's alternative care is not available at that time through any other public assistance or service program. The lead agency shall provide documentation in each individual's plan of care and to the commissioner that the most cost-effective alternatives available have been offered to the individual and that the individual was free to choose among available qualified providers, both public and private. *The case manager must give the individual a ten-day written notice of any decrease in or termination of alternative care services.*

Sec. 59. Minnesota Statutes 1991 Supplement, section 256B.0913, subdivision 11, is amended to read:

Subd. 11. [TARGETED FUNDING.] (a) The purpose of targeted funding is to make additional money available to counties with the greatest need. Targeted funds are not intended to be distributed equitably among all counties, but rather, allocated to those with long-term care strategies that meet state goals.

(b) The funds available for targeted funding shall be the total appropriation for each fiscal year minus county allocations determined under subdivision 10 as adjusted for any inflation increases provided in appropriations for the biennium.

(c) The commissioner shall allocate targeted funds to counties that demonstrate to the satisfaction of the commissioner that they have developed feasible plans to increase alternative care ~~grant~~ spending. In making targeted funding allocations, the commissioner shall use the following priorities:

(1) counties that received a lower allocation in fiscal year 1991 than in fiscal year 1990. Counties remain in this priority until they have been restored to their fiscal year 1990 level plus inflation;

(2) counties that sustain a base allocation reduction for failure to spend 95 percent of the allocation if they demonstrate that the base reduction should be restored;

(3) counties that propose projects to divert community residents from nursing home placement or convert nursing home residents to community living; and

(4) counties that can otherwise justify program growth by demonstrating the existence of waiting lists, demographically justified needs, or other unmet needs.

(d) Counties that would receive targeted funds according to paragraph (c) must demonstrate to the commissioner's satisfaction that the funds would be appropriately spent by showing how the funds would be used to further the state's alternative care goals as described in subdivision 1, and that the county has the administrative and service delivery capability to use them.

(e) The commissioner shall request applications by June 1 each year, for county agencies to apply for targeted funds. The counties selected for targeted funds shall be notified of the amount of their additional funding by August 1 of each year. Targeted funds allocated to a county agency in one year shall be treated as part of the county's base allocation for that year in determining allocations for subsequent years. No reallocations between counties shall be made.

(f) The allocation for each year after fiscal year 1992 shall be determined using the previous fiscal year's allocation, including any targeted funds, as the base and then applying the criteria under subdivision 10, paragraphs (c), (d), and (f), to the current year's expenditures.

Sec. 60. Minnesota Statutes 1991 Supplement, section 256B.0913, subdivision 12, is amended to read:

Subd. 12. [CLIENT PREMIUMS.] (a) A premium is required for all 180-day eligible clients to help pay for the cost of participating in the program. *The amount of the premium for the alternative care client shall be determined as follows:*

(1) when the alternative care client's gross income is greater than the medical assistance income standard but less than 150 percent of the federal poverty guideline, and total assets are less than $6,000, the fee is zero;

(2) when the alternative care client's gross income is greater than 150 percent of the federal poverty guideline and total assets are less than $6,000, the fee is 25 percent of the cost of alternative care services or the difference between 150 percent of the federal poverty guideline and the client's gross income, whichever is less; and

(3) when the alternative care client's total assets are greater than $6,000, the fee is 25 percent of the cost of alternative care services.

For married persons, total assets are defined as the total marital assets less the estimated community spouse asset allowance, under section 256B.059, if applicable.

All alternative care services except case management shall be included in the estimated costs for the purpose of determining 25 percent of the costs.

The monthly premium shall be calculated and be payable in the month in which the alternative care services begin and shall continue unaltered

for six months until the semiannual reassessment unless the actual cost of services falls below the fee.

(b) *The fee shall be waived by the commissioner when:*

(1) a person who is residing in a nursing facility is receiving case management only;

(2) a person is applying for medical assistance;

(3) a married couple is requesting an asset assessment under the spousal impoverishment provisions;

(4) a person is a medical assistance recipient, but has been approved for alternative care-funded assisted living services;

(5) a person is found eligible for alternative care, but is not yet receiving alternative care services;

(6) a person is an adult foster care resident for whom alternative care funds are being used to meet a portion of the person's medical assistance spend-down, as authorized in subdivision 4; and

(7) a person's fee under paragraph (a) is less than $25.

(c) The county agency must collect the premium from the client and forward the amounts collected to the commissioner in the manner and at the times prescribed by the commissioner. Money collected must be deposited in the general fund and is appropriated to the commissioner for the alternative care program. The client must supply the county with the client's social security number at the time of application. If a client fails or refuses to pay the premium due, the county shall supply the commissioner with the client's social security number and other information the commissioner requires to collect the premium from the client. The commissioner shall collect unpaid premiums using the revenue recapture act in chapter 270A and other methods available to the commissioner. The commissioner may require counties to inform clients of the collection procedures that may be used by the state if a premium is not paid.

~~(c) The commissioner shall establish a premium schedule ranging from $25 to $75 per month based on the client's income and assets. The schedule is not subject to chapter 14, but the commissioner shall publish the schedule and any later changes in the State Register and allow a period of 20 working days from the publication date for interested persons to comment before adopting the schedule in final form.~~ *(d)* The commissioner shall begin to adopt emergency or permanent rules governing client premiums within 30 days after July 1, 1991, including criteria for determining when services to a client must be terminated due to failure to pay a premium. ~~Emergency or permanent rules governing client premiums supersede any schedule adopted under the exemption from chapter 14 in this section.~~

Sec. 61. Minnesota Statutes 1991 Supplement, section 256B.0913, subdivision 14, is amended to read:

Subd. 14. [REIMBURSEMENT AND RATE ADJUSTMENTS.] (a) Reimbursement for expenditures for the alternative care services shall be through the invoice processing procedures of the department's Medicaid management information system (MMIS), only with the approval of the client's case manager. To receive reimbursement, the county or vendor must submit invoices within 120 days following the month of service. The county agency and its vendors under contract shall not be reimbursed for services

which exceed the county allocation.

(b) If a county collects less than 50 percent of the client premiums due under subdivision 12, the commissioner may withhold up to three percent of the county's final alternative care program allocation determined under subdivisions 10 and 11.

(c) Beginning July 1, 1991, the state will reimburse counties, up to the limits of state appropriations, according to the payment schedule in section 256.025 for the county share of costs incurred under this subdivision on or after January 1, 1991, for individuals who would be eligible for medical assistance within 180 days of admission to a nursing home.

(d) ~~Annually on July 1, the commissioner must adjust the rates allowed for alternative care services by~~ *For fiscal years beginning on or after July 1, 1993, the commissioner of human services shall not provide automatic annual inflation adjustments for alternative care services. The commissioner of finance shall include as a budget change request in each biennial detailed expenditure budget submitted to the legislature under section 16A.11 annual adjustments in reimbursement rates for alternative care services based on* the forecasted percentage change in the Home Health Agency Market Basket of Operating Costs, for the fiscal year beginning July 1, compared to the previous fiscal year, unless otherwise adjusted by statute. The Home Health Agency Market Basket of Operating Costs is published by Data Resources, Inc. The forecast to be used is the one published for the calendar quarter beginning January 1, six months prior to the beginning of the fiscal year for which rates are set.

Sec. 62. Minnesota Statutes 1991 Supplement, section 256B.0915, subdivision 3, is amended to read:

Subd. 3. [LIMITS OF CASES, RATES, REIMBURSEMENT, AND FORECASTING.] (a) The number of medical assistance waiver recipients that a county may serve must be allocated according to the number of medical assistance waiver cases open on July 1 of each fiscal year. Additional recipients may be served with the approval of the commissioner.

(b) The monthly limit for the cost of waivered services to an individual waiver client shall be the statewide average payment rate of the case mix resident class to which the waiver client would be assigned under medical assistance case mix reimbursement system. The statewide average payment rate is calculated by determining the statewide average monthly nursing home rate effective July 1 of the fiscal year in which the cost is incurred, less the statewide average monthly income of nursing home residents who are age 65 or older, and who are medical assistance recipients in the month of March of the previous state fiscal year. The following costs must be included in determining the total monthly costs for the waiver client:

(1) cost of all waivered services, including extended medical supplies and equipment; and

(2) cost of skilled nursing, home health aide, and personal care services reimbursable by medical assistance.

(c) Medical assistance funding for skilled nursing services, home health aide, and personal care services for waiver recipients must be approved by the case manager and included in the individual care plan.

(d) Expenditures for extended medical supplies and equipment that cost over $150 per month *for both the elderly waiver and the disabled waiver*

must have the commissioner's prior approval.

(e) ~~Annually on July 1, the commissioner must adjust the rates allowed for services by~~ *For the fiscal year beginning on July 1, 1993, and for subsequent fiscal years, the commissioner of human services shall not provide automatic annual inflation adjustments for home- and community-based waivered services. The commissioner of finance shall include as a budget change request in each biennial detailed expenditure budget submitted to the legislature under section 16A.11 annual adjustments in reimbursement rates for home- and community-based waivered services, based on* the forecasted percentage change in the Home Health Agency Market Basket of Operating Costs, for the fiscal year beginning July 1, compared to the previous fiscal year, unless otherwise adjusted by statute. The Home Health Agency Market Basket of Operating Costs is published by Data Resources, Inc. The forecast to be used is the one published for the calendar quarter beginning January 1, six months prior to the beginning of the fiscal year for which rates are set. *The adult foster care rate shall be considered a difficulty of care payment and shall not include room and board.*

The adult foster care daily rate for the elderly and disabled waivers shall be negotiated between the county agency and the foster care provider. The rate established under this section shall not exceed the state average monthly nursing home payment for the case mix classification to which the individual receiving foster care is assigned, and it must allow for other waiver and medical assistance home care services to be authorized by the case manager.

(f) Reimbursement for the medical assistance recipients under the approved waiver shall be made from the medical assistance account through the invoice processing procedures of the department's Medicaid management information system (MMIS), only with the approval of the client's case manager. The budget for the state share of the Medicaid expenditures shall be forecasted with the medical assistance budget, and shall be consistent with the approved waiver.

(g) Beginning July 1, 1991, the state shall reimburse counties according to the payment schedule in section 256.025 for the county share of costs incurred under this subdivision on or after January 1, 1991, for individuals who are receiving medical assistance.

Sec. 63. Minnesota Statutes 1991 Supplement, section 256B.0915, is amended by adding a subdivision to read:

Subd. 4. [TERMINATION NOTICE.] *The case manager must give the individual a ten-day written notice of any decrease in or termination of waivered services.*

Sec. 64. Minnesota Statutes 1991 Supplement, section 256B.0915, is amended by adding a subdivision to read:

Subd. 5. [REASSESSMENTS FOR WAIVER CLIENTS.] *A reassessment of a client served under the elderly or disabled waiver must be conducted at least every six months and at other times when the case manager determines that there has been significant change in the client's functioning. This may include instances where the client is discharged from the hospital.*

Sec. 65. Minnesota Statutes 1991 Supplement, section 256B.0917, subdivision 2, is amended to read:

Subd. 2. [DESIGN OF SAIL PROJECTS; LOCAL LONG-TERM CARE COORDINATING TEAM.] (a) The commissioner of human services shall

establish SAIL projects in four to six counties or groups of counties to demonstrate the feasibility and cost-effectiveness of a local long-term care strategy that is consistent with the state's long-term care goals identified in subdivision 1. The commissioner shall publish a notice in the State Register announcing the availability of project funding and giving instructions for making an application. The instructions for the application shall identify the amount of funding available for project components.

(b) To be selected for the project, a county board~~,~~ or boards ~~under a joint powers agreement,~~ must establish a long-term care coordinating team consisting of county social service agencies, public health nursing service agencies, local boards of health, and the area agencies on aging in a geographic area which is responsible for:

(1) developing a local long-term care strategy consistent with state goals and objectives;

(2) submitting an application to be selected as a project;

(3) coordinating planning for funds to provide services to elderly persons, including funds received under Title III of the Older Americans Act, Community Social Services Act, Title XX of the Social Security Act and the Local Public Health Act; and

(4) ensuring efficient services provision and nonduplication of funding.

(c) The board~~,~~ or boards ~~under a joint powers agreement,~~ shall designate a public agency to serve as the lead agency. The lead agency receives and manages the project funds from the state and is responsible for the implementation of the local strategy. If selected as a project, the local long-term care coordinating team must semiannually evaluate the progress of the local long-term care strategy in meeting state measures of performance and results as established in the contract.

(d) Each member of the local coordinating team must indicate its endorsement of the local strategy. The local long-term care coordinating team may include in its membership other units of government which provide funding for services to the frail elderly. The team must cooperate with consumers and other public and private agencies, including nursing homes, in the geographic area in order to develop and offer a variety of cost-effective services to the elderly and their caregivers.

(e) The board~~,~~ or boards ~~under a joint powers agreement,~~ shall apply to be selected as a project. If the project is selected, the commissioner of human services shall contract with the lead agency for the project and shall provide additional administrative funds for implementing the provisions of the contract, within the appropriation available for this purpose.

(f) Projects shall be selected according to the following conditions:

(1) No project may be selected unless it demonstrates that:

(i) the objectives of the local project will help to achieve the state's long-term care goals as defined in subdivision 1;

(ii) in the case of a project submitted jointly by several counties, all of the participating counties are contiguous;

(iii) there is a designated local lead agency that is empowered to make contracts with the state and local vendors on behalf of all participants;

(iv) the project proposal demonstrates that the local cooperating agencies

have the ability to perform the project as described and that the implementation of the project has a reasonable chance of achieving its objectives;

(v) the project will serve an area that covers at least four counties or contains at least 2,500 persons who are 85 years of age or older, according to the projections of the state demographer or the census if the data is more recent; and

(vi) the local coordinating team documents efforts of cooperation with consumers and other agencies and organizations, both public and private, in planning for service delivery.

(2) If only two projects are selected, at least one of them must be from a metropolitan statistical area as determined by the United States Census Bureau; if three or four projects are selected, at least one but not more than two projects must be from a metropolitan statistical area; and if more than four projects are selected, at least two but not more than three projects must be from a metropolitan statistical area.

(3) Counties or groups of counties that submit a proposal for a project shall be assigned to types defined by institutional utilization rate and population growth rate in the following manner:

(i) Each county or group of counties shall be measured by the utilization rate of nursing homes and boarding care homes and by the projected growth rate of its population aged 85 and over between 1990 and 2000. For the purposes of this section, "utilization rate" means the proportion of the seniors aged 65 or older in the county or group of counties who reside in a licensed nursing home or boarding care home as determined by the most recent census of residents available from the department of health and the population estimates of the state demographer or the census, whichever is more recent. The "projected growth rate" is the rate of change in the county or group of counties of the population group aged 85 or older between 1990 and 2000 according to the projections of the state demographer.

(ii) The institutional utilization rate of a county or group of counties shall be converted to a category by assigning a "high utilization" category if the rate is above the median rate of all counties, and a "low utilization" category otherwise. The projected growth rate of a county or group of counties shall be converted to a category by assigning a score of "high growth" category if the rate is above the median rate of all counties, and a "low growth" category otherwise.

(iii) Types of areas shall be defined by the four combinations of the scores defined in item (ii): type 1 is low utilization - high growth, type 2 is high utilization - high growth, type 3 is high utilization - low growth, and type 4 is low utilization - low growth. Each county or group of counties making a proposal shall be assigned to one of these types.

(4) Projects shall be selected from each of the types in the order that the types are listed in paragraph (3), item (iii), with available funding allocated to projects until it is exhausted, with no more than 30 percent of available funding allocated to any one project. Available funding includes state administrative funds which have been appropriated for screening functions in subdivision 4, paragraph (b), clause (3), and for service developers and incentive grants in subdivision 5.

(5) If more than one county or group of counties within one of the types defined by paragraph (3) proposes a special project that meets all of the

other conditions in paragraphs (1) and (2), the project that demonstrates the most cost-effective proposals in terms of the number of nursing home placements that can be expected to be diverted or converted to alternative care services per unit of cost shall be selected.

(6) If more than one county applies for a specific project under this subdivision, all participating county boards must indicate intent to work cooperatively through individual board resolutions or a joint powers agreement.

Sec. 66. Minnesota Statutes 1991 Supplement, section 256B.0917, subdivision 3, is amended to read:

Subd. 3. [LOCAL LONG-TERM CARE STRATEGY.] The local long-term care strategy must list performance outcomes and indicators which meet the state's objectives. The local strategy must provide for:

(1) accessible information, assessment, and preadmission screening activities as described in subdivision 4;

(2) an application for expansion of alternative care targeted funds under section 256B.0913, for serving 180-day eligible clients, including those who are relocated from nursing homes; *and*

(3) the development of additional services such as adult family foster care homes; family adult day care; assisted living projects and congregate housing service projects in apartment buildings; expanded home care services for evenings and weekends; expanded volunteer services; and caregiver support and respite care projects; ~~and~~

~~(4) development and implementation of strategies for advocating, promoting, and developing long-term care insurance and encouraging insurance companies to offer long-term care insurance policies that are affordable and offer a wide range of benefits~~.

The county or groups of counties selected for the projects shall be required to comply with federal regulations, alternative care funding policies in section 256B.0913, and the federal waiver programs' policies in section 256B.0915. The requirements for preadmission screening as defined in section 256B.0911, subdivisions 1 to 6, are waived for those counties selected as part of a long-term care strategy project. For persons who are eligible for medical assistance or who are 180-day eligible clients and who are screened after nursing facility admission, the nursing facility must include a screener in the discharge planning process for those individuals who the screener has determined have discharge potential. The agency responsible for the screening function in subdivision 4 must ensure a smooth transition and follow-up for the individual's return to the community. Requirements for an access, screening, and assessment function replace the preadmission screening requirements and are defined in subdivision 4. Requirements for the service development and service provision are defined in subdivision 5.

Sec. 67. Minnesota Statutes 1991 Supplement, section 256B.0917, subdivision 4, is amended to read:

Subd. 4. [ACCESSIBLE INFORMATION, SCREENING, AND ASSESSMENT FUNCTION.] (a) The projects selected by and under contract with the commissioner shall establish an accessible information, screening, and assessment function for persons who need assistance and

information regarding long-term care. This accessible information, screening, and assessment activity shall include information and referral, early intervention, follow-up contacts, telephone triage as defined in paragraph (f), home visits, assessments, preadmission screening, and relocation case management for the frail elderly and their caregivers in the area served by the county or counties. The purpose is to ensure that information and help is provided to elderly persons and their families in a timely fashion, when they are making decisions about long-term care. These functions may be split among various agencies, but must be coordinated by the local long-term care coordinating team.

(b) Accessible information, screening, and assessment functions shall be reimbursed as follows:

(1) The screenings of all persons entering nursing homes shall be reimbursed by the nursing homes in the counties of the project, through the same policy that is in place in fiscal year 1992 as established in section 256B.0911. The amount a nursing home pays to the county agency is that amount identified and approved in the February 15, 1991, estimated number of screenings and associated expenditures. This amount remains the same for fiscal year 1993;

(2) The level I screenings and the level II assessments required by Public Law Numbers 100-203 and 101-508 (OBRA) for persons with mental illness, mental retardation, or related conditions, are reimbursed through administrative funds with 75 percent federal funds and 25 percent state funds, as allowed by federal regulations and established in the contract; and

(3) Additional state administrative funds shall be available for the access, screening, and assessment activities that are not reimbursed under clauses (1) and (2). This amount shall not exceed the amount authorized in the guidelines and in instructions for the application and must be within the amount appropriated for this activity.

(c) The amounts available under paragraph (b) are available to the county or counties involved in the project to cover staff salaries and expenses to provide the services in this subdivision. The lead agency shall employ, or contract with other agencies to employ, within the limits of available funding, sufficient personnel to provide the services listed in this subdivision.

(d) Any information and referral functions funded by other sources, such as Title III of the Older Americans Act and Title XX of the Social Security Act and the Community Social Services Act, shall be considered by the local long-term care coordinating team in establishing this function to avoid duplication and to ensure access to information for persons needing help and information regarding long-term care.

(e) The staffing for the screening and assessment function must include, but is not limited to, a county social worker and a county public health nurse. The social worker and public health nurse are responsible for all assessments that are required to be completed by a professional. However, only one of these professionals is required to be present for the assessment. *If a county does not have a public health nurse available, it may request approval from the commissioner to assign a county registered nurse with at least one year of experience in home care to conduct the assessment.*

(f) All persons entering a Medicaid certified nursing home or boarding care home must be screened through an assessment process, although the decision to conduct a face-to-face interview is left with the county social

worker and the county public health nurse. All applicants to nursing homes must be screened and approved for admission by the county social worker or the county public health nurse named by the lead agency or the agencies which are under contract with the lead agency to manage the access, screening, and assessment functions. For applicants who have a diagnosis of mental illness, mental retardation, or a related condition, and are subject to the provisions of Public Law Numbers 100-203 and 101-508, their admission must be approved by the local mental health authority or the local developmental disabilities case manager.

The commissioner shall develop instructions and assessment forms for telephone triage and on-site screenings to ensure that federal regulations and waiver provisions are met.

For purposes of this section, the term "telephone triage" refers to a telephone or face-to-face consultation between health care and social service professionals during which the clients' circumstances are reviewed and the county agency professional sorts the individual into categories: (1) needs no screening, (2) needs an immediate screening, or (3) needs a screening after admission to a nursing home or after a return home. The county agency professional shall authorize admission to a nursing home according to the provisions in section 256B.0911, subdivision 7.

(g) The requirements for case mix assessments by a preadmission screening team may be waived and the nursing home shall complete the case mix assessments which are not conducted by the county public health nurse according to the procedures established under Minnesota Rules, part 9549.0059. The appropriate county or the lead agency is responsible for distributing the quality assurance and review form for all new applicants to nursing homes.

(h) The lead agency or the agencies under contract with the lead agency which are responsible for the accessible information, screening, and assessment function must complete the forms and reports required by the commissioner as specified in the contract.

Sec. 68. Minnesota Statutes 1991 Supplement, section 256B.0917, subdivision 5, is amended to read:

Subd. 5. [SERVICE DEVELOPMENT AND SERVICE DELIVERY.] (a) In addition to the access, screening, and assessment activity, each local strategy may include provisions for the following:

(1) expansion of alternative care to serve an increased caseload, over the fiscal year 1991 average caseload, of at least 100 persons each year who are assessed prior to nursing home admission and persons who are relocated from nursing homes, which results in a reduction of the medical assistance nursing home caseload;

(2) the addition of a full-time staff person who is responsible to develop the following services and recruit providers as established in the contract:

(i) additional adult family foster care homes;

(ii) family adult day care providers as defined in section 256B.0919, subdivision 2;

(iii) an assisted living program in an apartment;

(iv) a congregate housing service project in a subsidized housing project; and

(v) the expansion of evening and weekend coverage of home care services as deemed necessary by the local strategic plan;

(3) small incentive grants to new adult family care providers for renovations needed to meet licensure requirements;

(4) a plan to apply for a congregate housing service project as identified in section 256.9751, authorized by the Minnesota board on aging, to the extent that funds are available;

(5) a plan to divert new applicants to nursing homes and to relocate a targeted population from nursing homes, using the individual's own resources or the funding available for services;

(6) one or more caregiver support and respite care projects, as described in subdivision 6; and

(7) one or more living-at-home/block nurse projects, as described in subdivisions 7 to 10.

(b) The expansion of alternative care clients under paragraph (a) shall be accomplished with the funds provided under section 256B.0913, and includes the allocation of targeted funds. The funding for all participating counties must be coordinated by the local long-term care coordinating team and must be part of the local long-term care strategy. *Targeted alternative care funds received through the SAIL project approval process may be transferred from one SAIL county to another within a designated SAIL project area during a fiscal year as authorized by the local long-term care coordinating team and approved by the commissioner. The base allocation used for a future year shall reflect the final transfer.* Each county retains responsibility for reimbursement as defined in section 256B.0913, subdivision 12. All other requirements for the alternative care program must be met unless an exception is provided in this section. The commissioner may establish by contract a reimbursement mechanism for alternative care that does not require invoice processing through the medical assistance management information system (MMIS). The commissioner and local agencies must assure that the same client and reimbursement data is obtained as is available under MMIS.

(c) The administration of these components is the responsibility of the agencies selected by the local coordinating team and under contract with the local lead agency. However, administrative funds for paragraph (a), clauses (2) to (5), and grant funds for paragraph (a), clauses (6) and (7), shall be granted to the local lead agency. The funding available for each component is based on the plan submitted and the amount negotiated in the contract.

Sec. 69. Minnesota Statutes 1991 Supplement, section 256B.0917, subdivision 6, is amended to read:

A county agency may, alone or in combination with other county agencies, apply for caregiver support and respite care project funds. A public or nonprofit agency *within a designated SAIL project area* may apply for project funds if the agency has a letter of agreement with the county or counties in which services will be developed, stating the intention of the county or counties to coordinate their activities with the agency requesting a grant.

and in their communities. ~~Up to~~ *At least* seven of the programs must be in counties outside the seven-county metropolitan area. The living-at-home/block nurse program funds shall be available to the four to six SAIL projects established under this section. Nonprofit organizations and units of local government are eligible to apply for grants to establish the community organizations that will implement living-at-home/block nurse programs. For specifically identified former residents of regional treatment centers and nursing facilities, the commissioner shall be responsible for authorizing payments and payment limits under the appropriate home- and community-based service program. Sec. 77. Minnesota Statutes 1991 Supplement, section 256B.093, subdivision 2, is amended to read:

Subd. 2. [ELIGIBILITY.] ~~The commissioner may contract with qualified agencies or employ staff to provide statewide case management services to medical assistance recipients who are at risk of institutionalization and who~~ *Persons eligible for traumatic brain injury administrative case management must be eligible medical assistance recipients who* have traumatic brain injury *and:*

Sec. 79. Minnesota Statutes 1990, section 256B.14, subdivision 2, is amended to read:

Subd. 2. [ACTIONS TO OBTAIN PAYMENT.] The state agency shall promulgate rules to determine the ability of responsible relatives to contribute partial or complete payment or repayment of medical assistance furnished to recipients for whom they are responsible. These rules shall not

require payment or repayment when payment would cause undue hardship to the responsible relative or that relative's immediate family. These rules shall be consistent with the requirements of section 252.27 for parents of children whose eligibility for medical assistance was determined without deeming of the parents' resources and income. ~~For parents of children receiving services under a federal medical assistance waiver or under section 134 of the Tax Equity and Fiscal Responsibility Act of 1982, United States Code, title 42, section 1396a(e)(3), while living in their natural home, including in-home family support services, respite care, homemaker services, and minor adaptations to the home, the state agency shall take into account the room, board, and services provided by the parents in determining the parental contribution to the cost of care.~~ The county agency shall give the responsible relative notice of the amount of the payment or repayment. If the state agency or county agency finds that notice of the payment obligation was given to the responsible relative, but that the relative failed or refused to pay, a cause of action exists against the responsible relative for that portion of medical assistance granted after notice was given to the responsible relative, which the relative was determined to be able to pay.

The action may be brought by the state agency or the county agency in the county where assistance was granted, for the assistance, together with the costs of disbursements incurred due to the action.

In addition to granting the county or state agency a money judgment, the court may, upon a motion or order to show cause, order continuing contributions by a responsible relative found able to repay the county or state agency. The order shall be effective only for the period of time during which the recipient receives medical assistance from the county or state agency.

Sec. 80. Minnesota Statutes 1990, section 256B.15, subdivision 1, is amended to read:

Subdivision 1. [DEFINITION.] *For purposes of this section, "medical assistance" includes the medical assistance program under chapter 256B and the general assistance medical care program under chapter 256D, but does not include the alternative care program under chapter 256B.*

Subd. 1a. [ESTATES SUBJECT TO CLAIMS.] If a person receives any medical assistance hereunder, on the person's death, if single, or on the death of the survivor of a married couple, either or both of whom received medical assistance, the total amount paid for medical assistance rendered for the person and spouse shall be filed as a claim against the estate of the person or the estate of the surviving spouse in the court having jurisdiction to probate the estate.

A claim shall be filed if medical assistance was rendered for either or both persons under one of the following circumstances:

(a) the person was over 65 years of age, *and received services under chapter 256B, excluding alternative care*; ~~or~~

(b) the person resided in a medical institution for six months or longer, *received services under chapter 256B excluding alternative care*, and, at the time of institutionalization or application for medical assistance, whichever is later, the person could not have reasonably been expected to be discharged and returned home, as certified in writing by the person's treating physician. For purposes of this section only, a "medical institution" means a skilled nursing facility, intermediate care facility, intermediate care facility

for persons with mental retardation, nursing facility, or inpatient hospital; *or*

(c) the person received general assistance medical care services under chapter 256D.

The claim shall be considered an expense of the last illness of the decedent for the purpose of section 524.3-805. Any statute of limitations that purports to limit any county agency or the state agency, or both, to recover for medical assistance granted hereunder shall not apply to any claim made hereunder for reimbursement for any medical assistance granted hereunder. Counties are entitled to one-half of the nonfederal share of medical assistance collections from estates that are directly attributable to county effort.

Sec. 81. Minnesota Statutes 1990, section 256B.15, subdivision 2, is amended to read:

Subd. 2. [LIMITATIONS ON CLAIMS.] The claim shall include only the total amount of medical assistance rendered after age 65 or during a period of institutionalization described in subdivision 1, clause (b), *and the total amount of general assistance medical care rendered*, and shall not include interest. *Claims that have been allowed but not paid shall bear interest according to section 524.3-806, paragraph (d).* A claim against the estate of a surviving spouse who did not receive medical assistance, for medical assistance rendered for the predeceased spouse, is limited to the value of the assets of the estate that were marital property or jointly owned property at any time during the marriage.

Sec. 82. Minnesota Statutes 1990, section 256B.19, is amended by adding a subdivision to read:

For purposes of this subdivision, a nursing home specializes in the treatment of Huntington's

disease if more than 25 percent of its licensed capacity is used for residents with Huntington's disease.

The nursing home continues to receive this rate even if the home's average length of stay is more than 180 days in the rate ~~year~~ *years* subsequent to the rate year beginning July 1, 1991.

Sec. 92. Minnesota Statutes 1991 Supplement, section 256B.431, subdivision 3f, is amended to read:

Subd. 3f. [PROPERTY COSTS AFTER JULY 1, 1988.] (a) [INVESTMENT PER BED LIMIT.] For the rate year beginning July 1, 1988, the replacement-cost-new per bed limit must be $32,571 per licensed bed in multiple bedrooms and $48,857 per licensed bed in a single bedroom. For the rate year beginning July 1, 1989, the replacement-cost-new per bed limit for a single bedroom must be $49,907 adjusted according to Minnesota Rules, part 9549.0060, subpart 4, item A, subitem (1). Beginning January 1, 1990, the replacement-cost-new per bed limits must be adjusted annually as specified in Minnesota Rules, part 9549.0060, subpart 4, item A, subitem (1). Beginning January 1, 1991, the replacement-cost-new per bed limits will be adjusted annually as specified in Minnesota Rules, part 9549.0060, subpart 4, item A, subitem (1), except that the index utilized will be the Bureau of the Census: Composite fixed-weighted price index as published in the Survey of Current Business.

(b) [RENTAL FACTOR.] For the rate year beginning July 1, 1988, the commissioner shall increase the rental factor as established in Minnesota Rules, part 9549.0060, subpart 8, item A, by 6.2 percent rounded to the nearest 100th percent for the purpose of reimbursing nursing homes for soft costs and entrepreneurial profits not included in the cost valuation services used by the state's contracted appraisers. For rate years beginning on or after July 1, 1989, the rental factor is the amount determined under this paragraph for the rate year beginning July 1, 1988.

(c) [OCCUPANCY FACTOR.] For rate years beginning on or after July 1, 1988, in order to determine property-related payment rates under Minnesota Rules, part 9549.0060, for all nursing homes except those whose average length of stay in a skilled level of care within a nursing home is 180 days or less, the commissioner shall use 95 percent of capacity days. For a nursing home whose average length of stay in a skilled level of care within a nursing home is 180 days or less, the commissioner shall use the greater of resident days or 80 percent of capacity days but in no event shall the divisor exceed 95 percent of capacity days.

(d) [EQUIPMENT ALLOWANCE.] For rate years beginning on July 1, 1988, and July 1, 1989, the commissioner shall add ten cents per resident per day to each nursing home's property-related payment rate. The ten-cent property-related payment rate increase is not cumulative from rate year to

rate year. For the rate year beginning July 1, 1990, the commissioner shall increase each nursing home's equipment allowance as established in Minnesota Rules, part 9549.0060, subpart 10, by ten cents per resident per day. For rate years beginning on or after July 1, 1991, the adjusted equipment allowance must be adjusted annually for inflation as in Minnesota Rules, part 9549.0060, subpart 10, item E. *For the rate period beginning October 1, 1992, the equipment allowance for each nursing facility shall be increased by 28 percent. For rate years beginning after June 30, 1993, the allowance must be adjusted annually for inflation.*

If the debt was incurred due to a sale between family members, the nursing home must also demonstrate that the seller no longer participates in the management or operation of the nursing home. Debts meeting the conditions of this paragraph are subject to all other provisions of Minnesota Rules, parts 9549.0010 to 9549.0080.

(f) [BUILDING CAPITAL ALLOWANCE FOR NURSING HOMES WITH OPERATING LEASES.] For rate years beginning on or after July 1, 1990, a nursing home with operating lease costs incurred for the nursing home's buildings shall receive its building capital allowance computed in accordance with Minnesota Rules, part 9549.0060, subpart 8.

Sec. 93. Minnesota Statutes 1990, section 256B.431, subdivision 4, is amended to read:

Subd. 4. [SPECIAL RATES.] (a) For the rate years beginning July 1, 1983, and July 1, 1984, a newly constructed nursing home or one with a capacity increase of 50 percent or more may, upon written application to the commissioner, receive an interim payment rate for reimbursement for property-related costs calculated pursuant to the statutes and rules in effect on May 1, 1983, and for operating costs negotiated by the commissioner based upon the 60th percentile established for the appropriate group under subdivision 2a, to be effective from the first day a medical assistance recipient resides in the home or for the added beds. For newly constructed nursing homes which are not included in the calculation of the 60th percentile for any group, subdivision 2f, the commissioner shall establish by rule procedures for determining interim operating cost payment rates and interim property-related cost payment rates. The interim payment rate shall not be in effect for more than 17 months. The commissioner shall establish, by emergency and permanent rules, procedures for determining the interim rate and for making a retroactive cost settle-up after the first year of operation; the cost settled operating cost per diem shall not exceed 110 percent of the 60th percentile established for the appropriate group. Until procedures determining operating cost payment rates according to mix of resident needs are established, the commissioner shall establish by rule procedures for determining payment rates for nursing homes which provide care under a lesser care level than the level for which the nursing home is certified.

(b) For the rate years beginning on or after July 1, 1985, a newly constructed nursing home or one with a capacity increase of 50 percent or more may, upon written application to the commissioner, receive an interim payment rate for reimbursement for property related costs, operating costs, and real estate taxes and special assessments calculated under rules promulgated by the commissioner.

(c) For rate years beginning on or after July 1, 1983, the commissioner may exclude from a provision of 12 MCAR S 2.050 any facility that is licensed by the commissioner of health only as a boarding care home, certified by the commissioner of health as an intermediate care facility, is licensed by the commissioner of human services under Minnesota Rules, parts 9520.0500 to 9520.0690, and has less than five percent of its licensed boarding care capacity reimbursed by the medical assistance program. Until a permanent rule to establish the payment rates for facilities meeting these criteria is promulgated, the commissioner shall establish the medical assistance payment rate as follows:

(1) The desk audited payment rate in effect on June 30, 1983, remains in effect until the end of the facility's fiscal year. The commissioner shall not allow any amendments to the cost report on which this desk audited payment rate is based.

(2) For each fiscal year beginning between July 1, 1983, and June 30, 1985, the facility's payment rate shall be established by increasing the desk audited operating cost payment rate determined in clause (1) at an annual rate of five percent.

(3) For fiscal years beginning on or after July 1, 1985, but before January 1, 1988, the facility's payment rate shall be established by increasing the facility's payment rate in the facility's prior fiscal year by the increase indicated by the consumer price index for Minneapolis and St. Paul.

(4) For the fiscal year beginning on January 1, 1988, the facility's payment rate must be established using the following method: The commissioner shall divide the real estate taxes and special assessments payable as stated in the facility's current property tax statement by actual resident days to compute a real estate tax and special assessment per diem. Next, the prior year's payment rate must be adjusted by the higher of (1) the percentage change in the consumer price index (CPI-U U.S. city average) as published by the Bureau of Labor Statistics between the previous two Septembers, new series index (1967-100), or (2) 2.5 percent, to determine an adjusted payment rate. The facility's payment rate is the adjusted prior year's payment rate plus the real estate tax and special assessment per diem.

(5) For fiscal years beginning on or after January 1, 1989, the facility's payment rate must be established using the following method: The commissioner shall divide the real estate taxes and special assessments payable as stated in the facility's current property tax statement by actual resident days to compute a real estate tax and special assessment per diem. Next, the prior year's payment rate less the real estate tax and special assessment per diem must be adjusted by the higher of (1) the percentage change in the consumer price index (CPI-U U.S. city average) as published by the Bureau of Labor Statistics between the previous two Septembers, new series index (1967-100), or (2) 2.5 percent, to determine an adjusted payment rate. The facility's payment rate is the adjusted payment rate plus the real estate tax and special assessment per diem.

(6) For the purpose of establishing payment rates under this paragraph, the facility's rate and reporting years coincide with the facility's fiscal year.

(d) A facility that meets the criteria of paragraph (c) shall submit annual cost reports on forms prescribed by the commissioner.

(e) For the rate year beginning July 1, 1985, each nursing home total payment rate must be effective two calendar months from the first day of the month after the commissioner issues the rate notice to the nursing home. From July 1, 1985, until the total payment rate becomes effective, the commissioner shall make payments to each nursing home at a temporary rate that is the prior rate year's operating cost payment rate increased by 2.6 percent plus the prior rate year's property-related payment rate and the prior rate year's real estate taxes and special assessments payment rate. The commissioner shall retroactively adjust the property-related payment rate and the real estate taxes and special assessments payment rate to July 1, 1985, but must not retroactively adjust the operating cost payment rate.

(f) For the purposes of Minnesota Rules, part 9549.0060, subpart 13, item F, the following types of transactions shall not be considered a sale or reorganization of a provider entity:

(1) the sale or transfer of a nursing home upon death of an owner;

(2) the sale or transfer of a nursing home due to serious illness or disability of an owner as defined under the social security act;

(3) the sale or transfer of the nursing home upon retirement of an owner at 62 years of age or older;

(4) any transaction in which a partner, owner, or shareholder acquires an interest or share of another partner, owner, or shareholder in a nursing home business provided the acquiring partner, owner, or shareholder has less than 50 percent ownership after the acquisition;

(5) a sale and leaseback to the same licensee which does not constitute a change in facility license;

(6) a transfer of an interest to a trust;

(7) gifts or other transfers for no consideration;

(8) a merger of two or more related organizations;

(9) a transfer of interest in a facility held in receivership;

(10) a change in the legal form of doing business other than a publicly held organization which becomes privately held or vice versa;

(11) the addition of a new partner, owner, or shareholder who owns less than 20 percent of the nursing home or the issuance of stock; or

(12) an involuntary transfer including foreclosure, bankruptcy, or assignment for the benefit of creditors.

Any increase in allowable debt or allowable interest expense or other cost incurred as a result of the foregoing transactions shall be a nonallowable cost for purposes of reimbursement under Minnesota Rules, parts 9549.0010 to 9549.0080.

~~(g) Upon receiving a recommendation from the commissioner of health for a review of rates under section 144A.15, subdivision 6, the commissioner~~

~~may grant an adjustment to the nursing home's payment rate. The commissioner shall review the recommendation of the commissioner of health, together with the nursing home's cost report to determine whether or not the deficiency or need can be corrected or met by reallocating nursing home staff, costs, revenues, or other resources including any investments, efficiency incentives, or allowances. If the commissioner determines that the deficiency cannot be corrected or the need cannot be met, the commissioner shall determine the payment rate adjustment by dividing the additional annual costs established during the commissioner's review by the nursing home's actual resident days from the most recent desk-audited cost report. The payment rate adjustment must meet the conditions in section 256B.47, subdivision 2, and shall remain in effect until the receivership under section 144A.15 ends, or until another date the commissioner sets.~

~~Upon the subsequent sale or transfer of the nursing home, the commissioner may recover amounts paid through payment rate adjustments under this paragraph. The buyer or transferee shall repay this amount to the commissioner within 60 days after the commissioner notifies the buyer or transferee of the obligation to repay. The buyer or transferee must also repay the private-pay resident the amount the private-pay resident paid through payment rate adjustment.~

Sec. 94. Minnesota Statutes 1990, section 256B.431, is amended by adding a subdivision to read:

Subd. 9a. [ONE-TIME ADJUSTMENT FOR 21-MONTH FACTOR.] *For the rate period beginning October 1, 1992, the 21-month inflation factor for operating costs shall be increased by seven-tenths of one percent.*

Sec. 95. Minnesota Statutes 1990, section 256B.431, is amended by adding a subdivision to read:

(b) Except as provided in this subdivision, for rate periods beginning on October 1, 1992, and for rate years beginning after June 30, 1993, the property-related rate for a nursing facility shall be the greater of $4 or the property-related payment rate in effect on September 30, 1992. In addition, the incremental increase in the nursing facility's rental rate will be determined under Minnesota Rules, parts 9549.0010 to 9549.0080, and this section.

(c) Notwithstanding Minnesota Rules, part 9549.0060, subpart 13, item F, a nursing facility that has a sale permitted under subdivision 14 after June 30, 1992, shall receive the property-related payment rate in effect at the time of the sale or reorganization. For rate periods beginning after October 1, 1992, and for rate years beginning after June 30, 1993, a nursing facility shall receive, in addition to its property-related payment rate in effect at the time of the sale, the incremental increase allowed under subdivision 14.

Sec. 96. Minnesota Statutes 1990, section 256B.431, is amended by adding a subdivision to read:

Subd. 14. [LIMITATIONS ON SALES OF NURSING FACILITIES.] *(a) For rate periods beginning on October 1, 1992, and for rate years beginning after June 30, 1993, a nursing facility's property-related payment rate as*

established under subdivision 13 shall be adjusted by either paragraph (b) or (c) for the sale of the nursing facility, including sales occurring after June 30, 1992, as provided in this subdivision.

(b) If the nursing facility's property-related payment rate under subdivision 13 prior to sale is greater than the nursing facility's rental rate under Minnesota Rules, parts 9549.0010 to 9549.0080, and this section prior to sale, the nursing facility's property-related payment rate after sale shall be the greater of its property-related payment rate under subdivision 13 prior to sale or its rental rate under Minnesota Rules, parts 9549.0010 to 9549.0080, and this section calculated after sale.

(c) If the nursing facility's property-related payment rate under subdivision 13 prior to sale is equal to or less than the nursing facility's rental rate under Minnesota Rules, parts 9549.0010 to 9549.0080, and this section prior to sale, the nursing facility's property-related payment rate after sale shall be the nursing facility's property-related payment rate under subdivision 13 plus the difference between its rental rate calculated under Minnesota Rules, parts 9549.0010 to 9549.0080, and this section prior to sale and its rental rate calculated under Minnesota Rules, parts 9549.0010 to 9549.0080, and this section calculated after sale.

(d) For purposes of this subdivision, "sale" means the purchase of a nursing facility's capital assets with cash or debt. The term sale does not include a stock purchase of a nursing facility or any of the following transactions:

(7) a sale, merger, reorganization, or any other transfer of interest between related organizations other than those permitted in this section.

(e) For purposes of this subdivision, "effective date of sale" means the later of either the date on which legal title to the capital assets is transferred or the date on which closing for the sale occurred.

(f) The effective day for the property-related payment rate determined under this subdivision shall be the first day of the month following the month in which the effective date of sale occurs or October 1, 1992, whichever is later, provided that the notice requirements under section 256B.47, subdivision 2, have been met.

(g) Notwithstanding Minnesota Rules, part 9549.0060, subpart 5, item A, subitems (3) and (4), and subpart 7, items E and F, the commissioner shall limit the total allowable debt and related interest for sales occurring after June 30, 1992, to the sum of clauses (1) to (3):

(1) the historical cost of capital assets, as of the nursing facility's most recent previous effective date of sale or, if there has been no previous sale,

the nursing facility's initial historical cost of constructing capital assets;

(2) the average annual capital asset additions after deduction for capital asset deletions, not including depreciations; and

(3) one-half of the allowed inflation on the nursing facility's capital assets. The commissioner shall compute the allowed inflation as described in paragraph (h).

(h) For purposes of computing the amount of allowed inflation, the commissioner must apply the following principles:

(1) the lesser of the Consumer Price Index for all urban consumers or the Dodge Construction Systems Costs for Nursing Homes for any time periods during which both are available must be used. If the Dodge Construction Systems Costs for Nursing Homes becomes unavailable, the commissioner shall substitute the index in section 256B.431, subdivision 3f, or such other index as the secretary of the health care financing administration may designate;

(2) the amount of allowed inflation to be applied to the capital assets in paragraph (g), clauses (1) and (2), must be computed separately;

(3) the amount of allowed inflation must be determined on an annual basis, prorated on a monthly basis for partial years and if the initial month of use is not determinable for a capital asset, then one-half of that calendar year shall be used for purposes of prorating;

(4) the amount of allowed inflation to be applied to the capital assets in paragraph (g), clauses (1) and (2), must not exceed 300 percent of the total capital assets in any one of those clauses; and

(5) the allowed inflation must be computed starting with the month following the nursing facility's most recent previous effective date of sale or, if there has been no previous sale, the month following the date of the nursing facility's initial occupancy, and ending with the month preceding the effective date of sale.

(i) If the historical cost of a capital asset is not readily available for the date of the nursing facility's most recent previous sale or if there has been no previous sale for the date of the nursing facility's initial occupancy, then the commissioner shall limit the total allowable debt and related interest after sale to the extent recognized by the Medicare intermediary after the sale. For a nursing facility that has no historical capital asset cost data available and does not have allowable debt and interest calculated by the Medicare intermediary, the commissioner shall use the historical cost of capital asset data from the point in time for which capital asset data is recorded in the nursing facility's audited financial statements.

(j) The limitations in this subdivision apply only to debt resulting from a sale of a nursing facility occurring after June 30, 1992, including debt assumed by the purchaser of the nursing facility.

Sec. 97. Minnesota Statutes 1990, section 256B.431, is amended by adding a subdivision to read:

Subd. 15. [CAPITAL REPAIR AND REPLACEMENT COST REPORTING AND RATE CALCULATION.] *For rate years beginning after June 30, 1993, a nursing facility's capital repair and replacement payment rate shall be established annually as provided in paragraphs (a) to (d).*

(a) Notwithstanding Minnesota Rules, part 9549.0060, subpart 12, the costs of acquiring the following items, including cash payment for equity investment and principal and interest expense for debt financing, shall be reported in the capital repair and replacement cost category:

(1) wall coverings;

(2) paint;

(3) floor coverings;

(4) window coverings;

(5) roof repair;

(6) heating or cooling system repair or replacement;

(7) window repair or replacement;

(8) initiatives designed to reduce energy usage by the facility if accompanied by an energy audit prepared by a professional engineer or architect registered in Minnesota, or by an auditor certified under Minnesota Rules, part 7635.0130, to do energy audits and the energy audit identifies the initiative as a conservation measure; and

(9) capitalized repair or replacement of capital assets not included in the equity incentive computations under subdivision 16.

(b) To compute the capital repair and replacement payment rate, the allowable annual repair and replacement costs for the reporting year must be divided by actual resident days for the reporting year. The annual allowable capital repair and replacement costs shall not exceed $150 per licensed bed. The excess of the allowed capital repair and replacement costs over the capital repair and replacement limit shall be a cost carryover to succeeding cost reporting periods, except that sale of a facility, under subdivision 14, shall terminate the carryover of all costs except those incurred in the most recent cost reporting year. The termination of the carryover shall have effect on the capital repair and replacement rate on the same date as provided in subdivision 14, paragraph (f), for the sale. For rate years beginning after June 30, 1994, the capital repair and replacement limit shall be subject to the index provided in subdivision 3f, paragraph (a). For purposes of this subdivision, the number of licensed beds shall be the number used to calculate the nursing facility's capacity days. The capital repair and replacement rate must be added to the nursing facility's total payment rate.

(c) Capital repair and replacement costs under this subdivision shall not be counted as either care-related or other operating costs, nor subject to care-related or other operating limits.

(d) If costs otherwise allowable under this subdivision are incurred as the result of a project approved under the moratorium exception process in section 144A.073, or in connection with an addition to or replacement of buildings, attached fixtures, or land improvements for which the total historical cost of these assets exceeds the lesser of $150,000 or ten percent of the nursing facility's appraised value, these costs must be claimed under subdivisions 16 or 17, as appropriate.

Sec. 98. Minnesota Statutes 1990, section 256B.431, is amended by adding a subdivision to read:

Subd. 16. [MAJOR ADDITIONS AND REPLACEMENTS; EQUITY

INCENTIVE.] *For rate years beginning after June 30, 1993, if a nursing facility acquires capital assets in connection with a project approved under the moratorium exception process in section 144A.073 or in connection with an addition to or replacement of buildings, attached fixtures, or land improvements for which the total historical cost of those capital asset additions exceeds the lesser of $150,000 or ten percent of the most recent appraised value, the nursing facility shall be eligible for an equity incentive payment rate as in paragraphs (a) to (d). This computation is separate from the determination of the nursing facility's rental rate. An equity incentive payment rate as computed under this subdivision is limited to one in a 12-month period.*

(a) An eligible nursing facility shall receive an equity incentive payment rate equal to the allowable historical cost of the capital asset acquired, minus the allowable debt directly identified to that capital asset, multiplied by the equity incentive factor as described in paragraphs (b) and (c), and divided by the nursing facility's occupancy factor under subdivision 3f, paragraph (c). This amount shall be added to the nursing facility's total payment rate and shall be effective the same day as the incremental increase in paragraph (d) or subdivision 17. The allowable historical cost of the capital assets and the allowable debt shall be determined as provided in Minnesota Rules, parts 9549.0010 to 9549.0080, and this section.

(b) The equity incentive factor shall be determined under clauses (1) to (4):

(1) divide the initial allowable debt in paragraph (a) by the initial historical cost of the capital asset additions referred to in paragraph (a), then cube the quotient,

(2) subtract the amount calculated in clause (1) from the number one,

(3) determine the difference between the rental factor and the lesser of two percentage points above the posted yield for standard conventional fixed rate mortgages of the Federal Home Loan Mortgage Corporation as published in the Wall Street Journal and in effect on the first day of the month the debt or cost is incurred, or 16 percent,

(4) multiply the amount calculated in clause (2) by the amount calculated in clause (3).

(c) The equity incentive payment rate shall be limited to the term of the allowable debt in paragraph (a), not greater than 20 years nor less than ten years. If no debt is incurred in acquiring the capital asset, the equity incentive payment rate shall be paid for ten years. The sale of a nursing facility under subdivision 14 shall terminate application of the equity incentive payment rate effective on the date provided in subdivision 4, paragraph (f), for the sale.

(d) A nursing facility with an addition to or a renovation of its buildings, attached fixtures, or land improvements meeting the criteria in this subdivision and not receiving the property-related payment rate adjustment in subdivision 17, shall receive the incremental increase in the nursing facility's rental rate as determined under Minnesota Rules, parts 9549.0010 to 9549.0080, and this section. The incremental increase shall be added to the nursing facility's property-related payment rate. The effective date of this incremental increase shall be the first day of the month following the month in which the addition or replacement is completed.

Sec. 99. Minnesota Statutes 1990, section 256B.431, is amended by adding a subdivision to read:

Subd. 17. [SPECIAL PROVISIONS FOR MORATORIUM EXCEPTIONS.] *(a) Notwithstanding Minnesota Rules, part 9549.0060, subpart 3, for rate periods beginning on October 1, 1992, and for rate years beginning after June 30, 1993, a nursing facility that has completed a renovation, replacement, or upgrading project approved under the moratorium exception process in section 144A.073 shall be reimbursed for costs directly identified to that project as provided in subdivision 16 and this subdivision.*

(b) Notwithstanding Minnesota Rules, part 9549.0060, subpart 5, item A, subitems (1) and (3), and subpart 7, item D, allowable interest expense on debt shall include:

(1) interest expense on debt related to the cost of purchasing or replacing depreciable equipment, excluding vehicles, not to exceed six percent of the total historical cost of the project; and

(2) interest expense on debt related to financing or refinancing costs, including costs related to points, loan origination fees, financing charges, legal fees, and title searches; and issuance costs including bond discounts, bond counsel, underwriter's counsel, corporate counsel, printing, and financial forecasts. Allowable debt related to items in this clause shall not exceed seven percent of the total historical cost of the project. To the extent these costs are financed, the straight-line amortization of the costs in this clause is not an allowable cost; and

(3) interest on debt incurred for the establishment of a debt reserve fund, net of the interest earned on the debt reserve fund.

(c) Debt incurred for costs under paragraph (b) is not subject to Minnesota Rules, part 9549.0060, subpart 5, item A, subitem (5) or (6).

(d) The incremental increase in a nursing facility's rental rate, determined under Minnesota Rules, parts 9549.0010 to 9549.0080, and this section, resulting from the acquisition of allowable capital assets, and allowable debt and interest expense under this subdivision shall be added to its property-related payment rate and shall be effective on the first day of the month following the month in which the moratorium project was completed.

(e) Notwithstanding subdivision 3f, paragraph (a), for rate periods beginning on October 1, 1992, and for rate years beginning after June 30, 1993, the replacement-costs-new per bed limit to be used in Minnesota Rules, part 9549.0060, subpart 4, item B, for a nursing facility that has completed a renovation, replacement, or upgrading project that has been approved under the moratorium exception process in section 144A.073, or that has completed an addition to or replacement of buildings, attached fixtures, or land improvements for which the total historical cost exceeds the lesser of $150,000 or ten percent of the most recent appraised value, must be $47,500 per licensed bed in multiple-bed rooms and $71,250 per licensed bed in a single-bed room. These amounts must be adjusted annually as specified in subdivision 3f, paragraph (a), beginning January 1, 1993.

Sec. 100. Minnesota Statutes 1990, section 256B.431, is amended by adding a subdivision to read:

Subd. 18. [APPRAISALS; UPDATING APPRAISALS, ADDITIONS, AND REPLACEMENTS.] *(a) Notwithstanding Minnesota Rules, part 9549.0060, subparts 1 to 3, the appraised value, routine updating of the*

appraised value, and special reappraisals are subject to this subdivision.

(1) For rate years beginning after June 30, 1993, the commissioner shall permit a nursing facility to appeal its appraisal according to the procedures provided in section 256B.50, subdivision 2. Any reappraisals conducted in connection with that appeal must utilize the comparative-unit method as described in the Marshall Valuation Service published by Marshall-Swift in establishing the nursing facility's depreciated replacement cost.

Nursing facilities electing to appeal their appraised value shall file written notice of appeal with the commissioner of human services before December 30, 1992. The cost of the reappraisal, if any, shall be considered an allowable cost under Minnesota Rules, parts 9549.0040, subpart 9, and 9549.0061.

(2) The redetermination of a nursing facility's appraised value under this paragraph shall have no impact on the rental payment rate determined under subdivision 13 but shall only be used for calculating the nursing facility's rental rate under Minnesota Rules, parts 9549.0010 to 9549.0080, and this section for rate years beginning after June 30, 1993.

(3) For all rate years after June 30, 1993, the commissioner shall no longer conduct any appraisals under Minnesota Rules, part 9549.0060, for the purpose of determining property-related payment rates.

(b) Notwithstanding Minnesota Rules, part 9549.0060, subpart 2, for rate years beginning after June 30, 1993, the commissioner shall routinely update the appraised value of each nursing facility by adding the cost of capital asset acquisitions to its allowable appraised value.

The commissioner shall also annually index each nursing facility's allowable appraised value by the inflation index referenced in subdivision 3f, paragraph (a), for the purpose of computing the nursing facility's annual rental rate. In annually adjusting the nursing facility's appraised value, the commissioner must not include the historical cost of capital assets acquired during the reporting year in the nursing facility's appraised value.

In addition, the nursing facility's appraised value must be reduced by the historical cost of capital asset disposals or applicable credits such as public grants and insurance proceeds. Capital asset additions and disposals must be reported on the nursing facility's annual cost report in the reporting year of acquisition or disposal. The incremental increase in the nursing facility's rental rate resulting from this annual adjustment as determined under Minnesota Rules, parts 9549.0010 to 9549.0080, and this section shall be added to the nursing facility's property-related payment rate for the rate year following the reporting year.

Sec. 101. Minnesota Statutes 1990, section 256B.431, is amended by adding a subdivision to read:

Subd. 19. [REFINANCING INCENTIVE.] *(a) A nursing facility that refinances debt after May 30, 1992, in order to save in interest expense payments as determined in clauses (1) to (5) may be eligible for the refinancing incentive under this subdivision. To be eligible for the refinancing incentive, a nursing facility must notify the commissioner in writing of such a refinancing within 60 days following the date on which the refinancing occurs. If the nursing facility meets these conditions, the commissioner shall determine the refinancing incentive as in clauses (1) to (5).*

(1) Compute the aggregate amount of interest expense, including amortized issuance and financing costs, remaining on the debt to be refinanced,

and divide this amount by the number of years remaining for the term of that debt.

(2) Compute the aggregate amount of interest expense, including amortized issuance and financing costs, for the new debt, and divide this amount by the number of years for the term of that debt.

(3) Subtract the amount in clause (2) from the amount in clause (1), and multiply the amount, if positive, by .5.

(4) The amount in clause (3) shall be divided by the nursing facility's occupancy factor under subdivision 3f, paragraph (c).

(5) The per diem amount in clause (4) shall be deducted from the nursing facility's property-related payment rate for three full rate years following the rate year in which the refinancing occurs. For the fourth full rate year following the rate year in which the refinancing occurs, and each rate year thereafter, the per diem amount in clause (4) shall again be deducted from the nursing facility's property-related payment rate.

(b) An increase in a nursing facility's debt for costs in subdivision 17, paragraph (b), clause (2), including the cost of refinancing the issuance or financing costs of the debt refinanced resulting from refinancing that meets the conditions of this section shall be allowed, notwithstanding Minnesota Rules, part 9549.0060, subpart 5, item A, subitem (6).

(c) The proceeds of refinancing may not be used for the purpose of withdrawing equity from the nursing facility.

(d) Sale of a nursing facility under subdivision 14 shall terminate the payment of the incentive payments under this subdivision effective the date provided in subdivision 14, paragraph (f), for the sale, and the full amount of the refinancing incentive in paragraph (a) shall be implemented.

(e) If a nursing facility eligible under this subdivision fails to notify the commissioner as required, the commissioner shall determine the full amount of the refinancing incentive in paragraph (a), and shall deduct one-half that amount from the nursing facility's property-related payment rate effective the first day of the month following the month in which the refinancing is completed. For the next three full rate years, the commissioner shall deduct one-half the amount in paragraph (a), clause (5). The remaining per diem amount shall be deducted in each rate year thereafter.

(f) The commissioner shall reestablish the nursing facility's rental rate under Minnesota Rules, parts 9549.0010 to 9549.0080, and this section following the refinancing using the new debt and interest expense information for the purpose of measuring future incremental rental increases.

Sec. 102. Minnesota Statutes 1990, section 256B.431, is amended by adding a subdivision to read:

Subd. 20. [SPECIAL PROPERTY RATE SETTING.] *For rate periods beginning on October 1, 1992, and for rate years beginning after June 30, 1993, the property-related payment rate for a nursing facility approved for total replacement under the moratorium exception process in section 144A.073 through an addition to another nursing facility shall have its property-related rate under subdivision 13 recalculated using the greater of actual resident days or 80 percent of capacity days. This rate shall apply until the nursing facility is replaced or until the moratorium exception authority lapses, whichever is sooner.*

Sec. 103. Minnesota Statutes 1990, section 256B.431, is amended by adding a subdivision to read:

Subd. 21. [INDEXING THRESHHOLDS.] *Beginning January 1, 1993, and each January 1 thereafter, the commissioner shall annually update the dollar threshholds in subdivision 15, paragraph (d), subdivisions 16 and 17, and in section 144A.071, subdivision 2, and subdivision 3, clauses (h) and (p), by the inflation index referenced in subdivision 3f, paragraph (a).*

Sec. 104. Minnesota Statutes 1990, section 256B.432, is amended by adding a subdivision to read:

Subd. 7. [RECEIVERSHIPS.] *This section does not apply to payment rates determined under sections 245A.12, 245A.13, and 256B.495, except that any additional directly identified costs associated with the department of human services' or the department of health's managing agent under a receivership agreement must be allocated to the facility under receivership, and are nonallowable costs to the managing agent on the facility's cost reports.*

Sec. 105. Minnesota Statutes 1990, section 256B.433, subdivision 1, is amended to read:

Subdivision 1. [SETTING PAYMENT; MONITORING USE OF THERAPY SERVICES.] The commissioner shall promulgate rules pursuant to the administrative procedure act to set the amount and method of payment for ancillary materials and services provided to recipients residing in nursing homes. Payment for materials and services may be made to either the nursing home in the operating cost per diem, to the vendor of ancillary services pursuant to Minnesota Rules, parts ~~9500.0750 to 9500.1080~~ *9505.0170 to 9505.0475* or to a nursing home pursuant to Minnesota Rules, parts ~~9500.0750 to 9500.1080~~ *9505.0170 to 9505.0475*. Payment for the same or similar service to a recipient shall not be made to both the nursing home and the vendor. The commissioner shall ensure the avoidance of double payments through audits and adjustments to the nursing home's annual cost report as required by section 256B.47, and that charges and arrangements for ancillary materials and services are cost effective and as would be incurred by a prudent and cost-conscious buyer. Therapy services provided to a recipient must be medically necessary and appropriate to the medical condition of the recipient. If the vendor, nursing home, or ordering physician cannot provide adequate medical necessity justification, as determined by the commissioner, in consultation with an advisory task force that meets the requirements of section 256B.064, subdivision 1a, the commissioner may recover or disallow the payment for the services and may require prior authorization for therapy services as a condition of payment or may impose administrative sanctions to limit the vendor, nursing home, or ordering physician's participation in the medical assistance program. If the provider number of a nursing home is used to bill services provided by a vendor of therapy services that is not related to the nursing home by ownership, control, affiliation, or employment status, no withholding of payment shall be imposed against the nursing home for services not medically necessary except for funds due the unrelated vendor of therapy services as provided in subdivision 3, paragraph (c). For the purpose of this subdivision, no monetary recovery may be imposed against the nursing home for funds paid to the unrelated vendor of therapy services as provided in subdivision 3, paragraph (c), for services not medically necessary. *For purposes of this*

section and section 256B.47, therapy includes physical therapy, occupational therapy, speech therapy, audiology, and mental health services that are covered services according to Minnesota Rules, parts 9505.0170 to 9505.0475, and that could be reimbursed separately from the nursing home per diem.

Sec. 106. Minnesota Statutes 1990, section 256B.433, subdivision 2, is amended to read:

Subd. 2. [CERTIFICATION THAT TREATMENT IS APPROPRIATE.] The physical therapist, occupational therapist, speech therapist, *mental health professional,* or audiologist who provides or supervises the provision of therapy services, other than an initial evaluation, to a medical assistance recipient must certify in writing that the therapy's nature, scope, duration, and intensity are appropriate to the medical condition of the recipient every 30 days. The therapist's statement of certification must be maintained in the recipient's medical record together with the specific orders by the physician and the treatment plan. If the recipient's medical record does not include these documents, the commissioner may recover or disallow the payment for such services. If the therapist determines that the therapy's nature, scope, duration, or intensity is not appropriate to the medical condition of the recipient, the therapist must provide a statement to that effect in writing to the nursing home for inclusion in the recipient's medical record. The commissioner shall utilize a peer review program that meets the requirements of section 256B.064, subdivision 1a, to make recommendations regarding the medical necessity of services provided.

Sec. 107. Minnesota Statutes 1990, section 256B.433, subdivision 3, is amended to read:

Subd. 3. [SEPARATE BILLINGS FOR THERAPY SERVICES.] Until new procedures are developed under subdivision 4, payment for therapy services provided to nursing home residents that are billed separate from nursing home's payment rate or according to Minnesota Rules, parts ~~9500.0750 to 9500.1080~~ *9505.0170 to 9505.0475*, shall be subject to the following requirements:

(a) The practitioner invoice must include, in a format specified by the commissioner, the provider number of the nursing home where the medical assistance recipient resides regardless of the service setting.

(b) Nursing homes that are related by ownership, control, affiliation, or employment status to the vendor of therapy services shall report, in a format specified by the commissioner, the revenues received during the reporting year for therapy services provided to residents of the nursing home. For rate years beginning on or after July 1, 1988, the commissioner shall offset the revenues received during the reporting year for therapy services provided to residents of the nursing home to the total payment rate of the nursing home by dividing the amount of offset by the nursing home's actual resident days. Except as specified in paragraphs (d) and (f), the amount of offset shall be the revenue in excess of 108 percent of the cost removed from the cost report resulting from the requirement of the commissioner to ensure the avoidance of double payments as determined by section 256B.47. *Therapy revenues that are specific to mental health services shall be subject to this paragraph for rate years beginning after June 30, 1993.* In establishing a new base period for the purpose of setting operating cost payment rate limits and rates, the commissioner shall not include the revenues offset in accordance with this section.

(c) For rate years beginning on or after July 1, 1987, nursing homes shall limit charges in total to vendors of therapy services for renting space, equipment, or obtaining other services during the rate year to 108 percent of the annualized cost removed from the reporting year cost report resulting from the requirement of the commissioner to ensure the avoidance of double payments as determined by section 256B.47. If the arrangement for therapy services is changed so that a nursing home is subject to this paragraph instead of paragraph (b), the cost that is used to determine rent must be adjusted to exclude the annualized costs for therapy services that are not provided in the rate year. The maximum charges to the vendors shall be based on the commissioner's determination of annualized cost and may be subsequently adjusted upon resolution of appeals. *Mental health services shall be subject to this paragraph for rate years beginning after June 30, 1993.*

(d) The commissioner shall require reporting of all revenues relating to the provision of therapy services and shall establish a therapy cost, as determined by section 256B.47, to revenue ratio for the reporting year ending in 1986. For subsequent reporting years, the ratio may increase five percentage points in total until a new base year is established under paragraph (e). Increases in excess of five percentage points may be allowed if adequate justification is provided to and accepted by the commissioner. Unless an exception is allowed by the commissioner, the amount of offset in paragraph (b) is the greater of the amount determined in paragraph (b) or the amount of offset that is imputed based on one minus the lesser of (1) the actual reporting year ratio or (2) the base reporting year ratio increased by five percentage points, multiplied by the revenues.

(e) The commissioner may establish a new reporting year base for determining the cost to revenue ratio.

(f) If the arrangement for therapy services is changed so that a nursing home is subject to the provisions of paragraph (b) instead of paragraph (c), an average cost to revenue ratio based on the ratios of nursing homes that are subject to the provisions of paragraph (b) shall be imputed for paragraph (d).

(g) This section does not allow unrelated nursing homes to reorganize related organization therapy services and provide services among themselves to avoid offsetting revenues. Nursing homes that are found to be in violation of this provision shall be subject to the penalty requirements of section 256B.48, subdivision 1, paragraph (f).

Sec. 108. Minnesota Statutes 1990, section 256B.48, subdivision 1b, is amended to read:

Subd. 1b. [EXCEPTION.] Notwithstanding any agreement between a nursing home and the department of human services or the provisions of this section or section 256B.411, other than subdivision 1a, the commissioner may authorize continued medical assistance payments to a nursing home which ceased intake of medical assistance recipients prior to July 1, 1983, and which charges private paying residents rates that exceed those permitted by subdivision 1, paragraph (a), for (i) residents who resided in the nursing home before July 1, 1983, or (ii) residents for whom the commissioner or any predecessors of the commissioner granted a permanent individual waiver prior to October 1, 1983. Nursing homes seeking continued medical assistance payments under this subdivision shall make the reports required under subdivision 2, except that on or after December 31,

1985, the financial statements required need not be audited by or contain the opinion of a certified public accountant or licensed public accountant, but need only be reviewed by a certified public accountant or licensed public accountant. In the event that the state is determined by the federal government to be no longer eligible for the federal share of medical assistance payments made to a nursing home under this subdivision, the commissioner may cease medical assistance payments, under this subdivision, to that nursing home. *Between October 1, 1992, and July 1, 1993, a facility governed by this subdivision may elect to resume full participation in the medical assistance program by agreeing to comply with all of the requirements of the medical assistance program, including the rate equalization law in subdivision 1, paragraph (a), and all other requirements established in law or rule, and to resume intake of new medical assistance recipients.*

Sec. 109. Minnesota Statutes 1990, section 256B.48, subdivision 2, is amended to read:

Subd. 2. [REPORTING REQUIREMENTS.] No later than December 31 of each year, a skilled nursing facility or intermediate care facility, including boarding care facilities, which receives medical assistance payments or other reimbursements from the state agency shall:

(a) Provide the state agency with a copy of its audited financial statements. The audited financial statements must include a balance sheet, income statement, statement of the rate or rates charged to private paying residents, statement of retained earnings, statement of cash flows, notes to the financial statements, audited applicable supplemental information, and the certified public accountant's or licensed public accountant's opinion. The examination by the certified public accountant or licensed public accountant shall be conducted in accordance with generally accepted auditing standards as promulgated and adopted by the American Institute of Certified Public Accountants;

(b) Provide the state agency with a statement of ownership for the facility;

(c) Provide the state agency with separate, audited financial statements as specified in clause (a) for every other facility owned in whole or part by an individual or entity which has an ownership interest in the facility;

(d) Upon request, provide the state agency with separate, audited financial statements as specified in clause (a) for every organization with which the facility conducts business and which is owned in whole or in part by an individual or entity which has an ownership interest in the facility;

(e) Provide the state agency with copies of leases, purchase agreements, and other documents related to the lease or purchase of the nursing facility;

(f) Upon request, provide the state agency with copies of leases, purchase agreements, and other documents related to the acquisition of equipment, goods, and services which are claimed as allowable costs; and

(g) Permit access by the state agency to the certified public accountant's and licensed public accountant's audit workpapers which support the audited financial statements required in clauses (a), (c), and (d).

Documents or information provided to the state agency pursuant to this subdivision shall be public. If the requirements of clauses (a) to (g) are not met, the reimbursement rate may be reduced to 80 percent of the rate in effect on the first day of the fourth calendar month after the close of the reporting year, and the reduction shall continue until the requirements are

met.

Both nursing facilities and intermediate care facilities for the mentally retarded must maintain statistical and accounting records in sufficient detail to support information contained in the facility's cost report for at least five years, including the year following the submission of the cost report. For computerized accounting systems, the records must include copies of electronically generated media such as magnetic discs and tapes.

Sec. 110. Minnesota Statutes 1990, section 256B.48, subdivision 3, is amended to read:

Subd. 3. [INCOMPLETE OR INACCURATE REPORTS.] The commissioner may reject any annual cost report filed by a nursing home pursuant to this chapter if the commissioner determines that the report or the information required in subdivision 2, clause (a) has been filed in a form that is incomplete or inaccurate. In the event that a report is rejected pursuant to this subdivision, the commissioner shall reduce the reimbursement rate to a nursing home to 80 percent of its most recently established rate until the information is completely and accurately filed. *The reinstatement of the total reimbursement rate is retroactive.*

Sec. 111. Minnesota Statutes 1990, section 256B.48, is amended by adding a subdivision to read:

Subd. 3a. [AUDIT ADJUSTMENTS.] *If the commissioner requests supporting documentation during a field audit for an item of cost reported by a long-term care facility, and the long-term care facility's response does not adequately document the item of cost, the commissioner may make reasoned assumptions considered appropriate in the absence of the requested documentation to reasonably establish a payment rate rather than disallow the entire item of cost. This provision shall not diminish the long-term care facility's appeal rights.*

Sec. 112. Minnesota Statutes 1990, section 256B.48, subdivision 4, is amended to read:

Subd. 4. [EXTENSIONS.] The commissioner may grant *up to* a 15-day extension of the reporting deadline to a nursing home for good cause. To receive such an extension, a nursing home shall submit a written request by December 1. The commissioner will notify the nursing home of the decision by December 15. *Between December 1 and December 31, the nursing facility may request a reporting extension for good cause by telephone and followed by a written request.*

Sec. 113. Minnesota Statutes 1990, section 256B.48, is amended by adding a subdivision to read:

Subd. 9. [MEDICAL ASSISTANCE PARTICIPATION FOR CERTAIN FACILITIES.] *An agreement entered into between a nursing facility and the commissioner of human services that limits the number of residents that will be reimbursed under the medical assistance program as a condition of allowing additional beds to be certified under section 144A.071, subdivision 3a, terminates effective October 1, 1992.*

Sec. 114. Minnesota Statutes 1991 Supplement, section 256B.49, subdivision 4, is amended to read:

Subd. 4. [INFLATION ADJUSTMENT.] For the biennium ending June 30, 1993, the commissioner of human services shall not provide an annual

inflation adjustment for home and community-based waivered services, except as provided in section 256B.491, subdivision 3, and except that the commissioner shall provide an inflation adjustment for the community alternatives for disabled individuals (CADI) and community alternative care (CAC) waivered services programs for the fiscal year beginning July 1, 1991. *For fiscal years beginning after June 30, 1993, the commissioner of human services shall not provide automatic annual inflation adjustments for home- and community-based waivered services. The commissioner of finance shall include, as a budget change request in each biennial detailed expenditure budget submitted to the legislature under section 16A.11, annual adjustments in reimbursement rates for each home- and community-based waivered service program.*

Sec. 115. Minnesota Statutes 1990, section 256B.495, subdivision 1, is amended to read:

Subdivision 1. [PAYMENT OF RECEIVERSHIP FEES.] The commissioner in consultation with the commissioner of health may establish a receivership fee ~~payment~~ that exceeds a ~~long-term care~~ *nursing* facility payment rate when the commissioner of health determines a ~~long-term care~~ *nursing* facility is subject to the receivership provisions under section 144A.14 or 144A.15 ~~or the commissioner of human services determines that a facility is subject to the receivership under section 245A.12 or 245A.13~~. In establishing the receivership fee ~~payment~~, the commissioner must reduce the receiver's requested receivership fee by amounts that the commissioner determines are included in the ~~long-term care~~ *nursing* facility's payment rate and that can be used to cover part or all of the receivership fee. Amounts that can be used to reduce the receivership fee shall be determined by reallocating facility staff or costs that were formerly paid by the ~~long-term care~~ *nursing* facility before the receivership and are no longer required to be paid. The amounts may include any efficiency incentive, allowance, and other amounts not specifically required to be paid for expenditures of the ~~long-term care~~ *nursing* facility.

If the receivership fee cannot be covered by amounts in the ~~long-term care~~ *nursing* facility's payment rate, a receivership fee ~~payment~~ shall be set according to paragraphs (a) and (b) and payment shall be according to paragraphs (c) to (e).

(a) The receivership fee per diem shall be determined by dividing the annual receivership fee ~~payment~~ by the ~~long-term care~~ *nursing* facility's resident days from the most recent cost report for which the commissioner has established a payment rate or the estimated resident days in the projected receivership fee period.

(b) The receivership fee per diem shall be added to the ~~long-term care~~ *nursing* facility's payment rate.

(c) Notification of the payment rate increase must meet the requirements of section 256B.47, subdivision 2.

(d) The payment rate in paragraph (b) for a nursing ~~home~~ *facility* shall be effective the first day of the month following the receiver's compliance with the notice conditions in paragraph (c). ~~The payment rate in paragraph (b) for an intermediate care facility for the mentally retarded shall be effective on the first day of the rate year in which the receivership fee per diem is determined.~~

(e) The commissioner may elect to make a lump sum payment of a portion

of the receivership fee to the receiver or managing agent. In this case, the commissioner and the receiver or managing agent shall agree to a repayment plan. Regardless of whether the commissioner makes a lump sum payment under this paragraph, the provisions of paragraphs (a) to (d) and subdivision 2 also apply.

Sec. 116. Minnesota Statutes 1990, section 256B.495, is amended by adding a subdivision to read:

Subd. 1a. [RECEIVERSHIP PAYMENT RATE ADJUSTMENT.] *Upon receiving a recommendation from the commissioner of health for a review of rates under section 144A.154, the commissioner may grant an adjustment to the nursing home's payment rate. The commissioner shall review the recommendation of the commissioner of health, together with the nursing home's cost report to determine whether or not the deficiency or need can be corrected or met by reallocating nursing home staff, costs, revenues, or other resources including any investments, efficiency incentives, or allowances. If the commissioner determines that the deficiency cannot be corrected or the need cannot be met, the commissioner shall determine the payment rate adjustment by dividing the additional annual costs established during the commissioner's review by the nursing home's actual resident days from the most recent desk-audited cost report.*

Sec. 117. Minnesota Statutes 1990, section 256B.495, subdivision 2, is amended to read:

Subd. 2. [DEDUCTION OF *ADDITIONAL* RECEIVERSHIP ~~FEE~~ PAYMENTS UPON TERMINATION OF RECEIVERSHIP.] If the commissioner has established a receivership fee per diem for a ~~long-term care~~ *nursing* facility in receivership *under subdivision 1 or a payment rate adjustment under subdivision 1a*, the commissioner must deduct ~~the~~ *these* receivership ~~fee~~ payments according to paragraphs (a) to (c).

(a) The total receivership fee payments shall be the receivership ~~fee~~ per diem *plus the payment rate adjustment* multiplied by the number of resident days for the period of the receivership ~~fee payments~~. If actual resident days for the receivership ~~fee payment~~ period are not made available within two weeks of the commissioner's written request, the commissioner shall compute the resident days by prorating the facility's resident days based on the number of calendar days from each portion of the ~~long-term care~~ *nursing* facility's reporting years covered by the receivership period.

(b) The amount determined in paragraph (a) must be divided by the ~~long-term care~~ *nursing* facility's resident days for the reporting year in which the receivership period ends.

(c) The per diem amount in paragraph (b) shall be subtracted from the ~~long-term care~~ *nursing* facility's operating cost payment rate for the rate year following the reporting year in which the receivership period ends. *This provision applies whether or not there is a sale or transfer of the nursing facility, unless the provisions of subdivision 5 apply.*

Sec. 118. Minnesota Statutes 1990, section 256B.495, is amended by adding a subdivision to read:

Subd. 4. [DOWNSIZING AND CLOSING NURSING FACILITIES.] *(a) If the nursing facility is subject to a downsizing to closure process during the period of receivership, the commissioner may reestablish the nursing facility's payment rate. The payment rate shall be established based on the*

nursing facility's budgeted operating costs, the receivership property related costs, and the management fee costs for the receivership period divided by the facility's estimated resident days for the same period. The commissioner of health and the commissioner shall make every effort to first facilitate the transfer of private paying residents to alternate service sites prior to the effective date of the payment rate. The cost limits and the case mix provisions in the rate setting system shall not apply during the portion of the receivership period over which the nursing facility downsizes to closure.

(b) Any payment rate adjustment under this subdivision must meet the conditions in section 256B.47, subdivision 2, and shall remain in effect until the receivership ends, or until another date the commissioner sets.

Sec. 119. Minnesota Statutes 1990, section 256B.495, is amended by adding a subdivision to read:

Subd. 5. [SALE OR TRANSFER OF A NURSING FACILITY IN RECEIVERSHIP AFTER CLOSURE.] *(a) Upon the subsequent sale or transfer of a nursing facility in receivership, the commissioner must recover any amounts paid through payment rate adjustments under subdivision 4 which exceed the normal cost of operating the nursing facility. Examples of costs in excess of the normal cost of operating the nursing facility include the managing agent's fee, directly identifiable costs of the managing agent, bonuses paid to employees for their continued employment during the downsizing to closure of the nursing facility, prereceivership expenditures paid by the receiver, additional professional services such as accountants, psychologists, and dietitians, and other similar costs incurred by the receiver to complete receivership. The buyer or transferee shall repay this amount to the commissioner within 60 days after the commissioner notifies the buyer or transferee of the obligation to repay. The buyer or transferee must also repay the private-pay resident the amount the private-pay resident paid through payment rate adjustment.*

(b) If a nursing facility with payment rates subject to subdivision 4, paragraph (a), is later sold while the nursing facility is in receivership, the payment rates in effect prior to the receivership shall be the new owner's payment rates. Those payment rates shall continue to be in effect until the rate year following the reporting period ending on September 30 for the new owner. The reporting period shall, whenever possible, be at least five consecutive months. If the reporting period is less than five months but more than three months, the nursing facility's resident days for the last two months of the reporting period must be annualized over the reporting period for the purpose of computing the payment rate for the rate year following the reporting period.

Sec. 120. Minnesota Statutes 1990, section 256B.50, subdivision 1b, is amended to read:

Subd. 1b. [FILING AN APPEAL.] To appeal, the provider shall file with the commissioner a written notice of appeal; the appeal must be *postmarked or* received by the commissioner within 60 days of the date the determination of the payment rate was mailed. The notice of appeal must specify each disputed item; the reason for the dispute; the total dollar amount in dispute for each separate disallowance, allocation, or adjustment of each cost item or part of a cost item; the computation that the provider believes is correct; the authority in statute or rule upon which the provider relies for each disputed item; the name and address of the person or firm with whom contacts may be made regarding the appeal; and other information required

by the commissioner. *The commissioner shall review an appeal by a nursing facility, if the appeal was sent by certified mail and postmarked prior to August 1, 1991, and would have been received by the commissioner within the 60-day deadline if it had not been delayed due to an error by the postal service.*

Sec. 121. Minnesota Statutes 1990, section 256B.50, subdivision 2, is amended to read:

Subd. 2. [APPRAISED VALUE.] (a) A nursing home may appeal the determination of its appraised value, as determined by the commissioner pursuant to section 256B.431 and rules established thereunder. A written notice of appeal concerning the appraised value of a nursing home's real estate as established by an appraisal conducted after July 1, 1986, must be filed with the commissioner within 60 days of the date the determination was made and shall state the appraised value the nursing home believes is correct for the building, land improvements, and attached equipment and the name and address of the firm with whom contacts may be made regarding the appeal. The appeal request shall include a separate appraisal report prepared by an independent appraiser of real estate which supports the total appraised value claimed by the nursing home. The appraisal report shall be based on an on-site inspection of the nursing home's real estate using the depreciated replacement cost method, must be in a form comparable to that used in the commissioner's appraisal, and must pertain to the same time period covered by the appealed appraisal. The appraisal report shall include information related to the training, experience, and qualifications of the appraiser who conducted and prepared the appraisal report for the nursing home. *An appeal request shall be deemed timely if it is postmarked or received by the commissioner within the time limits established for filing such appeal requests.*

(b) A nursing home which has filed an appeal request prior to the effective date of Laws 1987, chapter 403, concerning the appraised value of its real estate as established by an appraisal conducted before July 1, 1986, must submit to the commissioner the information described under paragraph (a) within 60 days of the effective date of Laws 1987, chapter 403, in order to preserve the appeal.

(c) An appeal request which has been filed pursuant to the provisions of paragraph (a) or (b) shall be finally resolved through an agreement entered into by and between the commissioner and the nursing home or by the determination of an independent appraiser based upon an on-site inspection of the nursing home's real estate using the depreciated replacement cost method, in a form comparable to that used in the commissioner's appraisal, and pertaining to the same time period covered by the appealed appraisal. The appraiser shall be selected by the commissioner and the nursing home by alternately striking names from a list of appraisers approved for state contracts by the commissioner of administration. The appraiser shall make assurances to the satisfaction of the commissioner and the nursing home that the appraiser is experienced in the use of the depreciated cost method of appraisals and that the appraiser is free of any personal, political, or economic conflict of interest that may impair the ability to function in a fair and objective manner. The commissioner shall pay costs of the appraiser through a negotiated rate for services of the appraiser.

(d) The decision of the appraiser is final and is not appealable. Exclusive jurisdiction for appeals of the appraised value of nursing homes lies with

the procedures set out in this subdivision. No court of law shall possess subject matter jurisdiction to hear appeals of appraised value determinations of nursing homes.

Sec. 122. Minnesota Statutes 1990, section 256B.501, subdivision 3c, is amended to read:

Subd. 3c. [COMPOSITE FORECASTED INDEX.] For rate years beginning on or after October 1, 1988, the commissioner shall establish a statewide composite forecasted index to take into account economic trends and conditions between the midpoint of the facility's reporting year and the midpoint of the rate year following the reporting year. The statewide composite index must incorporate the forecast by Data Resources, Inc. of increases in the average hourly earnings of nursing and personal care workers indexed in Standard Industrial Code 805 in "Employment and Earnings," published by the Bureau of Labor Statistics, United States Department of Labor. This portion of the index must be weighted annually by the proportion of total allowable salaries and wages to the total allowable operating costs in the program, maintenance, and administrative operating cost categories for all facilities.

For adjustments to the other operating costs in the program, maintenance, and administrative operating cost categories, the statewide index must incorporate the Data Resources, Inc. forecast for increases in the national CPI-U. This portion of the index must be weighted annually by the proportion of total allowable other operating costs to the total allowable operating costs in the program, maintenance, and administrative operating cost categories for all facilities. The commissioner shall use the indices as forecasted by Data Resources, Inc., in the fourth quarter of the reporting year.

For rate years beginning on or after October 1, 1990, the commissioner shall index a facility's allowable operating costs in the program, maintenance, and administrative operating cost categories by using Data Resources, Inc., forecast for change in the Consumer Price Index-All Items (U.S. city average) (CPI-U). The commissioner shall use the indices as forecasted by Data Resources, Inc., in the first quarter of the calendar year in which the rate year begins. *For fiscal years beginning after June 30, 1993, the commissioner shall not provide automatic inflation adjustments for intermediate care facilities for persons with mental retardation. The commissioner of finance shall include annual inflation adjustments in operating costs for intermediate care facilities for persons with mental retardation and related conditions as a budget change request in each biennial detailed expenditure budget submitted to the legislature under section 16A.11.*

Sec. 123. Minnesota Statutes 1991 Supplement, section 256B.74, subdivision 1, is amended to read:

Subdivision 1. [HOSPITAL REIMBURSEMENT.] ~~(a) Effective for admissions occurring on or after July 1, 1991, the commissioner shall make an indigent care payment to Minnesota and local trade area hospitals except facilities of the federal Indian Health Service and regional treatment centers, in addition to all other payment to hospitals for inpatient services. The indigent care payment shall be ten percent of the amount of medical assistance payments issued to that provider for inpatient services in a given calendar quarter or month, excluding indigent care payments paid under this section, divided by the number of related admissions, or patient days if applicable, and multiplying~~

~~the result by 111 percent. The indigent care payment is added to each admission, or patient day if applicable, occurring (1) in the second calendar quarter beginning after the quarter on which the September 15, 1991, indigent care payment amount is based and (2) in the month beginning six months after the month on which the subsequent monthly indigent care payment amount is based. Medicare crossovers are excluded from indigent care payments and from the payments and admissions on which the indigent care payment is based. The commissioner may issue indigent care payments as disproportionate population adjustments for eligible hospitals.~~

~~(b)~~ Effective for services rendered on or after July 1, 1991, the commissioner shall reimburse outpatient hospital facility fees at 80 percent of calendar year 1990 submitted charges, not to exceed the Medicare upper payment limit. Services excepted from this payment methodology are emergency room facility fees, clinic facility fees, and those services for which there is a federal maximum allowable payment.

Sec. 124. Minnesota Statutes 1991 Supplement, section 256B.74, subdivision 3, is amended to read:

Subd. 3. [NURSING FACILITY REIMBURSEMENT.] For rate years beginning on or after July 1, 1991, ~~the commissioner shall reimburse nursing facilities participating in the medical assistance program as follows:~~

~~(1) a capital allowance of $1.44 per resident day shall be paid. For a licensed provider with an operating lease on the nursing facility, the capital equipment allowance shall not be the property of the lessor but shall be the property of the licensed provider for the duration of the operating lease or any renewal or extension of the operating lease; and~~

~~(2)~~ the maximum efficiency incentive per diem payment established annually under section 256B.431, subdivision 2b, paragraph (d), shall be increased to $2.10 effective July 1, 1991, and $2.20 effective July 1, 1992, *and shall be indexed for inflation annually beginning July 1, 1993, using Data Resources, Inc., forecast for change in the nursing home market basket.*

Sec. 125. Minnesota Statutes 1990, section 256D.02, is amended by adding a subdivision to read:

Subd. 18. [GROUP HEALTH PLAN.] *"Group health plan" means any plan of, or contributed to by, an employer, including a self-insured plan, which provides health care directly or otherwise to the employer's employees, former employees, or the families of the employees or former employees, and includes continuation coverage pursuant to title XXII of the Public Health Service Act, section 4980B of the Internal Revenue Code of 1986, or title VI of the Employee Retirement Income Security Act of 1974.*

Sec. 126. Minnesota Statutes 1990, section 256D.02, is amended by adding a subdivision to read:

Subd. 19. [COST-EFFECTIVE.] *"Cost-effective" means that the amount paid by the state for premiums, coinsurance, deductibles, other cost-sharing obligations under a health insurance plan, and other administrative costs is likely to be less than the amount paid for an equivalent set of services by general assistance medical care.*

Sec. 127. Minnesota Statutes 1991 Supplement, section 256D.03, subdivision 3, is amended to read:

Subd. 3. [GENERAL ASSISTANCE MEDICAL CARE; ELIGIBILITY.]

(a) General assistance medical care may be paid for any person ~~who is age 18 or older and~~ who is not eligible for medical assistance under chapter 256B, including eligibility for medical assistance based on a spend-down of excess income according to section 256B.056, subdivision 5, and:

(1) who is receiving assistance under section 256D.05 or 256D.051; or

(2)(i) who is a resident of Minnesota; and whose equity in assets is not in excess of $1,000 per assistance unit. Exempt assets, the reduction of excess assets, and the waiver of excess assets must conform to the medical assistance program in chapter 256B, *with the following exception: the maximum amount of undistributed funds in a trust that could be distributed to or on behalf of the beneficiary by the trustee, assuming the full exercise of the trustee's discretion under the terms of the trust, must be applied toward the asset maximum*; and

(ii) who has countable income not in excess of the assistance standards established in section 256B.056, subdivision 4, or whose excess income is spent down pursuant to section 256B.056, subdivision 5, using a six-month budget period, except that a one-month budget period must be used for recipients residing in a long-term care facility. The method for calculating earned income disregards and deductions for a person who resides with a dependent child under age 21 shall be as specified in section 256.74, subdivision 1. However, if a disregard of $30 and one-third of the remainder described in section 256.74, subdivision 1, clause (4), has been applied to the wage earner's income, the disregard shall not be applied again until the wage earner's income has not been considered in an eligibility determination for general assistance, general assistance medical care, medical assistance, or aid to families with dependent children for 12 consecutive months. The earned income and work expense deductions for a person who does not reside with a dependent child under age 21 shall be the same as the method used to determine eligibility for a person under section 256D.06, subdivision 1, except the disregard of the first $50 of earned income is not allowed; or

(3) who would be eligible for medical assistance except that the person resides in a facility that is determined by the commissioner or the federal health care financing administration to be an institution for mental diseases.

(b) Eligibility is available for the month of application, and for three months prior to application if the person was eligible in those prior months. A redetermination of eligibility must occur every 12 months.

(c) General assistance medical care is not available for a person in a correctional facility unless the person is detained by law for less than one year in a county correctional or detention facility as a person accused or convicted of a crime, or admitted as an inpatient to a hospital on a criminal hold order, and the person is a recipient of general assistance medical care at the time the person is detained by law or admitted on a criminal hold order and as long as the person continues to meet other eligibility requirements of this subdivision.

(d) General assistance medical care is not available for applicants or recipients who do not cooperate with the county agency to meet the requirements of medical assistance.

(e) In determining the amount of assets of an individual, there shall be included any asset or interest in an asset, including an asset excluded under paragraph (a), that was given away, sold, or disposed of for less than fair

market value within the 30 months preceding application for general assistance medical care or during the period of eligibility. Any transfer described in this paragraph shall be presumed to have been for the purpose of establishing eligibility for general assistance medical care, unless the individual furnishes convincing evidence to establish that the transaction was exclusively for another purpose. For purposes of this paragraph, the value of the asset or interest shall be the fair market value at the time it was given away, sold, or disposed of, less the amount of compensation received. For any uncompensated transfer, the number of months of ineligibility, including partial months, shall be calculated by dividing the uncompensated transfer amount by the average monthly per person payment made by the medical assistance program to skilled nursing facilities for the previous calendar year. The individual shall remain ineligible until this fixed period has expired. The period of ineligibility may exceed 30 months, and a reapplication for benefits after 30 months from the date of the transfer shall not result in eligibility unless and until the period of ineligibility has expired. The period of ineligibility begins in the month the transfer was reported to the county agency, or if the transfer was not reported, the month in which the county agency discovered the transfer, whichever comes first. For applicants, the period of ineligibility begins on the date of the first approved application.

Sec. 128. Minnesota Statutes 1990, section 256D.03, is amended by adding a subdivision to read:

Subd. 3b. [COOPERATION.] *General assistance medical care applicants and recipients must cooperate by providing information about any group health plan in which they may be eligible to enroll. They must cooperate with the state and local agency in determining if the plan is cost-effective. If the plan is determined cost-effective and the premium will be paid by the state or local agency or is available at no cost to the person, they must enroll or remain enrolled in the group health plan. Cost-effective insurance premiums approved for payment by the state agency and paid by the local agency are eligible for reimbursement according to subdivision 6.*

Sec. 129. [501B.90] [EXCULPATORY CLAUSES LINKED TO PUBLIC ASSISTANCE ELIGIBILITY UNENFORCEABLE.]

A provision in a trust created after July 1, 1992, purporting to make assets or income unavailable to a beneficiary if the beneficiary applies for or is determined eligible for public assistance or a public health care program is unenforceable.

Sec. 130. [HOSPITAL OUTPATIENT REIMBURSEMENT.]

For outpatient hospital facility fee payments for services rendered on or after October 1, 1992, the commissioner of human services shall pay the lower of (1) submitted charge, or (2) 32 percent above the rate in effect on June 30, 1992, except for those services for which there is a federal maximum allowable payment. Services for which there is a federal maximum allowable payment shall be paid at the lower of (1) submitted charge, or (2) the federal maximum allowable payment. Total aggregate payment for outpatient hospital facility fee services shall not exceed the Medicare upper limit. If it is determined that a provision of this section conflicts with existing or future requirements of the United States government with respect to federal financial participation in medical assistance, the federal requirements prevail. The commissioner may, in the aggregate, prospectively reduce payment rates to avoid reduced federal financial participation resulting from rates that

are in excess of the Medicare upper limitations.

Sec. 131. [PHYSICIAN AND DENTAL REIMBURSEMENT.]

(a) The physician reimbursement increase provided in Minnesota Statutes, section 256B.74, subdivision 2, shall not be implemented. Effective for services rendered on or after October 1, 1992, the commissioner shall make payments for physician services as follows:

(1) payment for level one Health Care Finance Administration's common procedural coding system (HCPCS) codes titled "office and other outpatient services," "preventive medicine new and established patient," "delivery, antepartum, and postpartum care," "critical care," caesarean delivery and pharmacologic management provided to psychiatric patients, and HCPCS level three codes for enhanced services for prenatal high risk, shall be paid at the lower of (i) submitted charges, or (ii) 25 percent above the rate in effect on June 30, 1992. If the rate on any procedure code within these categories is different than the rate that would have been paid under the methodology in Minnesota Statutes, section 256B.74, subdivision 2, then the larger rate shall be paid;

(2) payments for all other services shall be paid at the lower of (i) submitted charges, or (ii) 15.4 percent above the rate in effect on June 30, 1992; and

(3) all physician rates shall be converted from the 50th percentile of 1982 to the 50th percentile of 1989, less the percent in aggregate necessary to equal the above increases.

(b) The dental reimbursement increase provided in Minnesota Statutes, section 256B.74, subdivision 5, shall not be implemented. Effective for services rendered on or after October 1, 1992, the commissioner shall make payments for dental services as follows:

(1) dental services shall be paid at the lower of (i) submitted charges, or (ii) 25 percent above the rate in effect on June 30, 1992; and

(2) dental rates shall be converted from the 50th percentile of 1982 to the 50th percentile of 1989, less the percent in aggregate necessary to equal the above increases.

Sec. 132. [HEALTH MAINTENANCE ORGANIZATION REIMBURSEMENT.]

Effective October 1, 1992, the commissioner shall adjust rates paid to a health maintenance organization under contract with the commissioner to reflect rate increases provided in Minnesota Statutes, section 256.969, subdivisions 1, 9, and 20, and sections 130 and 131. The adjustment to reflect increases under section 256.969, subdivision 9, must be made on a nondiscounted basis.

Sec. 133. [COMMISSIONER'S DUTIES.]

The commissioner of human services shall report to the legislature quarterly on the first day of January, April, July, and October regarding the provider surcharge program. The report shall include information on total billings, total collections, and administrative expenditures. The report on January 1, 1993, shall include information on all surcharge billings, collections, federal matching payments received, efforts to collect unpaid amounts, and administrative costs pertaining to the surcharge program in effect from July 1, 1991, to September 30, 1992. The surcharge shall be

adjusted by inflationary and caseload changes in future bienniums to maintain reimbursement of health care providers in accordance with the requirements of the state and federal laws governing the medical assistance program, including the requirements of the Medicaid moratorium amendments of 1991 found in Public Law No. 102-234. The commissioner shall request the Minnesota congressional delegation to support a change in federal law that would prohibit federal disallowances for any state that makes a good faith effort to comply with Public Law Number 102-234 by enacting conforming legislation prior to the issuance of federal implementing regulations.

Sec. 134. [NURSING FACILITY PLANT STUDY.]

The commissioner of health shall study the physical condition of all Minnesota nursing facilities. This study shall include an individual assessment of each facility to be performed after September 30, 1993, by one of the architectural firms authorized by the commissioner of health to conduct assessments. To qualify for authorization, an architectural firm must have actual experience and prior involvement with nursing home construction or remodeling projects. The commissioner shall select one or more architectural firms to conduct the individual facility assessment. The cost of the assessment shall be paid by the nursing facility and shall be considered an allowable cost under Minnesota Rules, parts 9549.0040, subpart 9, and 9549.0061, for rate years beginning after June 30, 1995. Prior to beginning the individual assessments, the commissioner shall convene a special task force to develop recommendations for the commissioner concerning the standards and criteria by which the individual assessments must be conducted. The recommendation shall be provided to the commissioner by the task force by July 1, 1993. The criteria and standards for the study shall be established by the commissioner by September 30, 1993.

Sec. 135. [REPEALER; ASSET LIMITATIONS FOR VETERANS.]

Minnesota Statutes 1990, section 256B.056, subdivision 3a, is repealed.

Minnesota Statutes 1991 Supplement, sections 144A.071, subdivision 3a; 256.9657, subdivision 5; 256.969, subdivision 7; and 256B.74, subdivisions 8 and 9; and Laws 1991, chapter 292, article 4, section 77, excluding subdivision 9, are repealed effective October 1, 1992. Laws 1991, chapter 292, article 4, section 77, subdivision 9, is repealed the day following final enactment.

Sec. 136. [REVISOR'S INSTRUCTIONS.]

The revisor of statutes shall change the headnote in Minnesota Statutes, section 256B.495, from "LONG-TERM CARE RECEIVERSHIP FEES" to "NURSING FACILITY RECEIVERSHIP FEES." The revisor shall change the term "nursing home" and similar terms to "nursing facility" and similar terms in Minnesota Statutes, sections 256B.41, 256B.411, 256B.421, 256B.431, 256B.432, 256B.433, 256B.47, 256B.48, and 256B.50.

Sec. 137. [EFFECTIVE DATES.]

Section 39 is effective January 1, 1993.

Section 60 is effective the day following final enactment.

Sections 9, 15, 16, 18 to 21, 25, 27, 46, 82, 123, and 124 are effective October 1, 1992.

Sec. 2. Minnesota Statutes 1991 Supplement, section 256.031, subdivision 3, is amended to read:

Subd. 3. [AUTHORIZATION FOR THE DEMONSTRATION.] (a) The commissioner of human services, in consultation with the commissioners of education, finance, jobs and training, health, and planning, and the director of the higher education coordinating board, is authorized to proceed with the planning and designing of the Minnesota family investment plan and to implement the plan to test policies, methods, and cost impact on an experimental basis by using field trials. The commissioner, under the authority in section 256.01, subdivision 2, shall implement the plan according to sections 256.031 to 256.0361 and Public Law Numbers 101-202 and 101-239, section 8015, as amended. If major and unpredicted costs to the program occur, the commissioner may take corrective action consistent with Public Law Numbers 101-202 and 101-239, which may include termination of the program. Before taking such corrective action, the commissioner shall consult with the chairs of the senate health and human services committee, the house health and human services committee, the health and human services division of the senate finance committee and the human resources division of the house appropriations committee, or, if the legislature is not in session, consult with the legislative advisory commission.

(b) The field trials shall be conducted as permitted under federal law, for as many years as necessary, and in different geographical settings, to provide reliable instruction about the desirability of expanding the program statewide.

(c) The commissioner shall select the counties which shall serve as field trial or ~~control~~ *comparison* sites based on criteria which ensure reliable evaluation of the program.

(d) The commissioner is authorized to determine the number of families and characteristics of subgroups to be included in the evaluation.

(i) A family that applies for or is currently receiving financial assistance from aid to families with dependent children; family general assistance or work readiness; or food stamps *may be tested for eligibility for aid to families with dependent children or family general assistance and* may be assigned by the commissioner to ~~an experimental~~ *a test* or a ~~control~~ *comparison* group for the purposes of evaluating the family investment plan. *A family found not eligible for aid to families with dependent children or family general assistance will be tested for eligibility for the food stamp program. If found eligible for the food stamp program, the commissioner may randomly assign the family to a test group, comparison group, or neither group.* Families assigned to ~~an experimental~~ *a test* group receive benefits and services through the family investment plan. Families assigned to a ~~control~~ *comparison* group receive benefits and services through existing programs. A family may not select the group to which it is assigned. Once assigned to a group, ~~a~~ *an eligible* family must remain in that group for the duration of the project.

(ii) To evaluate the effectiveness of the family investment plan, the commissioner may designate a subgroup of families from the ~~experimental~~ *test* group who shall be exempt from section 256.035, subdivision 1, and shall not receive case management services under section 256.035, subdivision 6a. Families are eligible for services under section 256.736 to the same extent as families receiving AFDC.

Sec. 3. Minnesota Statutes 1991 Supplement, section 256.033, subdivision 1, is amended to read:

Subdivision 1. [ELIGIBILITY CONDITIONS.] (a) A family is entitled to assistance under the Minnesota family investment plan if *the family is assigned to a test group in the evaluation as provided in section 256.031, subdivision 3, paragraph (d), and*:

(b) A family is eligible for the family investment plan if the net income is less than the transitional standard as defined in section 256.032, subdivision 13, for that size and composition of family. In determining available net income, the provisions in subdivision 2 shall apply.

(c) Upon application, a family is initially eligible for the family investment plan if the family's gross income does not exceed the applicable transitional standard of assistance for that family as defined under section 256.032, subdivision 13, after deducting:

(1) 18 percent to cover taxes;

(ii) an amount for the support of ~~the~~ *any* stepparent *or any parent of a minor caregiver* and any other individuals whom the stepparent *or parent of the minor caregiver* claims as dependents for determining federal personal income tax liability and who live in the same household but whose needs are not considered in determining eligibility for assistance under sections 256.031 to 256.033. The amount equals the transitional standard in section 256.032, subdivision 13, for a family of the same size and composition;

(iii) amounts the stepparent *or parent of the minor caregiver* actually paid to individuals not living in the same household but whom the stepparent claims as dependents for determining federal personal income tax liability; and

Sec. 5. Minnesota Statutes 1991 Supplement, section 256.033, subdivision 3, is amended to read:

Sec. 7. Minnesota Statutes 1991 Supplement, section 256.034, subdivision 3, is amended to read:

Subd. 3. [MODIFICATION OF ELIGIBILITY TESTS.] (a) A needy family is eligible and entitled to receive assistance under the program *if the family is assigned to a test group in the evaluation as provided in section 256.031, subdivision 3, paragraph (d),* even if its children are not found to be deprived of parental support or care by reason of death, continued absence from the home, physical or mental incapacity of a parent, or unemployment of a parent, provided the family's income and resources do not exceed the eligibility requirements in section 256.033. In addition, a caregiver who is in the assistance unit who is physically and mentally fit, who is between the ages of 18 and 60 years, who is enrolled at least half time in an institution of higher education, and whose family income and resources do not exceed the eligibility requirements in section 256.033, is eligible for assistance under the Minnesota family investment plan *if the family is assigned to a test group in the evaluation as provided in section 256.031, subdivision 3, paragraph (d),* even if the conditions for eligibility as prescribed under the federal Food Stamp Act of 1977, as amended, are not met.

(b) An applicant for, or a person receiving, assistance under the Minnesota family investment plan is considered to have assigned to the public agency responsible for child support enforcement at the time of application all rights to child support, health care benefits coverage, and maintenance from any other person the applicant may have in the applicant's own behalf or on behalf of any other family member for whom application is made under the Minnesota family investment plan. The provisions of section 256.74, subdivision 5, govern the assignment. An applicant for, or a person receiving, assistance under the Minnesota family investment plan shall cooperate with the efforts of the county agency to collect child and spousal support. The county agency is entitled to any child support and maintenance received

by or on behalf of the person receiving assistance or another member of the family for which the person receiving assistance is responsible. Failure by an applicant or a person receiving assistance to cooperate with the efforts of the county agency to collect child and spousal support without good cause must be sanctioned according to section 256.035, subdivision 3.

(c) An applicant for, or a person receiving, assistance under the Minnesota family investment plan is not required to comply with the employment and training requirements prescribed under sections 256.736, subdivisions 3, 3a, and 14; and 256D.05, subdivision 1; section 402(a)(19) of the Social Security Act; the federal Food Stamp Act of 1977, as amended; Public Law Number 100-485; or any other state or federal employment and training program, unless and to the extent compliance is specifically required in a family support agreement with the county agency or its designee.

Sec. 8. Minnesota Statutes 1991 Supplement, section 256.035, subdivision 1, is amended to read:

Subdivision 1. [EXPECTATIONS.] All families eligible for assistance under the family investment plan *who are assigned to a test group in the evaluation as provided in section 256.031, subdivision 3, paragraph (d),* are expected to be in transitional status as defined in section 256.032, subdivision 12. To be considered in transitional status, families must meet the following expectations:

(a) For a family headed by a single adult parental caregiver, the expectation is that the parental caregiver will independently pursue self-sufficiency until the family has received assistance for 24 months within the preceding 36 months. Beginning with the 25th month of assistance, the parent must be developing or complying with the terms of the family support agreement.

(b) For a family with a minor parental caregiver or a family whose parental caregiver is 18 or 19 years of age and does not have a high school diploma or its equivalent, the expectation is that, concurrent with the receipt of assistance, the parental caregiver must be developing or complying with a family support agreement. The terms of the family support agreement must include compliance with section 256.736, subdivision 3b. However, if the assistance unit does not comply with section 256.736, subdivision 3b, the sanctions in subdivision 3 apply.

(c) For a family with two adult parental caregivers, the expectation is that at least one parent will independently pursue self-sufficiency until the family has received assistance for six months within the preceding 12 months. Beginning with the seventh month of assistance, one parent must be developing or complying with the terms of the family support agreement.

Sec. 9. Minnesota Statutes 1991 Supplement, section 256.0361, subdivision 2, is amended to read:

Subd. 2. [FINANCIAL REIMBURSEMENT.] (a) Up to the limit of the state appropriation, a county selected by the commissioner to serve as a field trial or a ~~control~~ *comparison* site for the Minnesota family investment plan shall be reimbursed by the state for the nonfederal share of administrative costs that were incurred during the development, implementation, and operation of the program and that exceed the administrative costs that would have been incurred in the absence of the program.

(b) Minnesota family investment plan assistance is included as covered programs and services under section 256.025, subdivision 2.

Sec. 10. [256.046] [ADMINISTRATIVE FRAUD DISQUALIFICATION HEARINGS.]

Subdivision 1. [HEARING AUTHORITY.] *A local agency may initiate an administrative fraud disqualification hearing for individuals accused of wrongfully obtaining assistance or intentional program violations in the aid to families with dependent children or food stamp programs. The hearing is subject to the requirements of section 256.045 and the requirements in Code of Federal Regulations, title 7, section 273.16, for the food stamp program and title 45, section 235.112, for the aid to families with dependent children program.*

Subd. 2. [COMBINED HEARING.] *The referee may combine a fair hearing and administrative fraud disqualification hearing into a single hearing if the factual issues arise out of the same, or related, circumstances and the individual receives prior notice that the hearings will be combined. If the administrative fraud disqualification hearing and fair hearing are combined, the time frames for administrative fraud disqualification hearings set forth in Code of Federal Regulations, title 7, section 273.16, and title 45, section 235.112, apply. If the individual accused of wrongfully obtaining assistance is charged under section 256.98 for the same act or acts which are the subject of the hearing, the individual may request that the hearing be delayed until the criminal charge is decided by the court or withdrawn.*

Sec. 11. Minnesota Statutes 1990, section 256.12, is amended by adding a subdivision to read:

Subd. 23. [IN-KIND INCOME.] *"In-kind income," as used in sections 256.72 to 256.87, means income, benefits, or payments provided in a form other than money or liquid assets. In-kind income includes goods, produce, services, privileges, or payments on behalf of a person by a third party. Retirement Survivors and Disability Insurance (RSDI) benefits of an applicant or recipient, paid to a representative payee, and spent on behalf of the applicant or recipient, are not in-kind income, but are considered available income of the applicant or recipient.*

Sec. 12. Minnesota Statutes 1990, section 256.81, is amended to read:

256.81 [COUNTY AGENCY, DUTIES.]

(1) The county agency shall keep such records, accounts, and statistics in relation to aid to families with dependent children as the state agency shall prescribe.

(2) Each grant of aid to families with dependent children shall be paid to the recipient by the county agency unless paid by the state agency. Payment must be by check or electronic means except in those instances in which the county agency, subject to the rules of the state agency, determines that payments for care shall be made to an individual other than the parent or relative with whom the dependent child is living or to vendors of goods and services for the benefit of the child because such parent or relative is unable to properly manage the funds in the best interests and welfare of the child. At the request of a recipient, the state or county may make payments directly to vendors of goods and services, but only for goods and services appropriate to maintain the health and safety of the child, as determined by the county.

(3) The state or county may ask the recipient to give written consent authorizing the state or county to provide advance notice to a vendor before

vendor payments of rent are reduced or terminated. Whenever possible under state and federal laws and regulations and if the recipient consents, the state or county shall provide at least 30 days notice to vendors before vendor payments of rent are reduced or terminated. If 30 days notice cannot be given, the state or county shall notify the vendor within three working days after the date the state or county becomes aware that vendor payments of rent will be reduced or terminated. When the county notifies a vendor that vendor payments of rent will be reduced or terminated, the county shall include in the notice that it is illegal to discriminate on the grounds that a person is receiving public assistance and the penalties for violation. The county shall also notify the recipient that it is illegal to discriminate on the grounds that a person is receiving public assistance and the procedures for filing a complaint. The county agency may develop procedures, including using the MAXIS system, to implement vendor notice and may charge vendors a fee not exceeding $5 to cover notification costs.

(4) A vendor payment arrangement is not a guarantee that a vendor will be paid by the state or county for rent, goods, or services furnished to a recipient, and the state and county are not liable for any damages claimed by a vendor due to failure of the state or county to pay or to notify the vendor on behalf of a recipient, except under a specific written agreement between the state or county and the vendor or when the state or county has provided a voucher guaranteeing payment under certain conditions.

~~(3)~~ *(5)* The county shall be paid from state and federal funds available therefor the amount provided for in section 256.82.

~~(4)~~ *(6)* Federal funds available for administrative purposes shall be distributed between the state and the counties in the same proportion that expenditures were made except as provided for in section 256.017.

Sec. 13. Minnesota Statutes 1991 Supplement, section 256.935, subdivision 1, is amended to read:

Subdivision 1. On the death of any person receiving public assistance through aid to dependent children, the county agency shall pay an amount for funeral expenses not exceeding ~~$370 and~~ *the amount paid for comparable services under section 261.035 plus* actual cemetery charges. No funeral expenses shall be paid if the estate of the deceased is sufficient to pay such expenses or if the ~~children, or~~ spouse, who ~~were~~ *was* legally responsible for the support of the deceased while living, ~~are~~ *is* able to pay such expenses; provided, that the additional payment or donation of the cost of cemetery lot, interment, religious service, or for the transportation of the body into or out of the community in which the deceased resided, shall not limit payment by the county agency as herein authorized. Freedom of choice in the selection of a funeral director shall be granted to persons lawfully authorized to make arrangements for the burial of any such deceased recipient. In determining the sufficiency of such estate, due regard shall be had for the nature and marketability of the assets of the estate. The county agency may grant funeral expenses where the sale would cause undue loss to the estate. Any amount paid for funeral expenses shall be a prior claim against the estate, as provided in section 524.3-805, and any amount recovered shall be reimbursed to the agency which paid the expenses. The commissioner shall specify requirements for reports, including fiscal reports, according to section 256.01, subdivision 2, paragraph (17). The state share of county agency expenditures shall be 50 percent and the county share shall be 50 percent. Benefits shall be issued to recipients by the state or

county and funded according to section 256.025, subdivision 3, subject to provisions of section 256.017.

Beginning July 1, 1991, the state will reimburse counties according to the payment schedule set forth in section 256.025 for the county share of county agency expenditures made under this subdivision from January 1, 1991, on. Payment under this subdivision is subject to the provisions of section 256.017.

Sec. 14. Minnesota Statutes 1991 Supplement, section 256.98, subdivision 8, is amended to read:

Subd. 8. [DISQUALIFICATION FROM PROGRAM.] Any person found to be guilty of wrongfully obtaining assistance by a federal or state court *or by an administrative hearing determination*, in either the aid to families with dependent children program or the food stamp program, shall be disqualified from that program. The needs of that individual shall not be taken into consideration in determining the grant level for that assistance unit:

(1) for six months after the first ~~conviction~~ *offense*;

(2) for 12 months after the second ~~conviction~~ *offense*; and

(3) permanently after the third or subsequent ~~conviction~~ *offense*.

Any period for which sanctions are imposed is effective, without possibility of administrative stay, until the findings upon which the sanctions were imposed are reversed by a court of competent jurisdiction. The period for which sanctions are imposed is not subject to review. The sanctions provided under this subdivision are in addition to, and not in substitution for, any other sanctions that may be provided for by law for the offense involved. ~~When the disqualified individual is a caretaker relative, the remainder of the aid to families with dependent children grant payable to the other eligible assistance unit members must be provided in the form of protective payments. These payments may be made to the disqualified individual only if, after reasonable efforts, the county agency documents that it cannot locate an appropriate protective payee. Protective payments must continue until the disqualification period ends.~~

Sec. 17. Minnesota Statutes 1991 Supplement, section 256D.03, subdivision 4, is amended to read:

(7) hearing aids;

(8) prosthetic devices;

(9) laboratory and X-ray services;

(10) physician's services;

(c) In order to contain costs, the commissioner of human services shall select vendors of medical care who can provide the most economical care consistent with high medical standards and shall where possible contract with organizations on a prepaid capitation basis to provide these services. The commissioner shall consider proposals by counties and vendors for prepaid health plans, competitive bidding programs, block grants, or other vendor payment mechanisms designed to provide services in an economical manner or to control utilization, with safeguards to ensure that necessary

services are provided. Before implementing prepaid programs in counties with a county operated or affiliated public teaching hospital or a hospital or clinic operated by the University of Minnesota, the commissioner shall consider the risks the prepaid program creates for the hospital and allow the county or hospital the opportunity to participate in the program in a manner that reflects the risk of adverse selection and the nature of the patients served by the hospital, provided the terms of participation in the program are competitive with the terms of other participants considering the nature of the population served. Payment for services provided pursuant to this subdivision shall be as provided to medical assistance vendors of these services under sections 256B.02, subdivision 8, and 256B.0625. For payments made during fiscal year 1990 and later years, the commissioner shall consult with an independent actuary in establishing prepayment rates, but shall retain final control over the rate methodology.

(d) The commissioner of human services may reduce payments provided under sections 256D.01 to 256D.21 and 261.23 in order to remain within the amount appropriated for general assistance medical care, within the following restrictions.

For the period July 1, 1985, to December 31, 1985, reductions below the cost per service unit allowable under section 256.966, are permitted only as follows: payments for inpatient and outpatient hospital care provided in response to a primary diagnosis of chemical dependency or mental illness may be reduced no more than 30 percent; payments for all other inpatient hospital care may be reduced no more than 20 percent. Reductions below the payments allowable under general assistance medical care for the remaining general assistance medical care services allowable under this subdivision may be reduced no more than ten percent.

For the period January 1, 1986, to December 31, 1986, reductions below the cost per service unit allowable under section 256.966 are permitted only as follows: payments for inpatient and outpatient hospital care provided in response to a primary diagnosis of chemical dependency or mental illness may be reduced no more than 20 percent; payments for all other inpatient hospital care may be reduced no more than 15 percent. Reductions below the payments allowable under general assistance medical care for the remaining general assistance medical care services allowable under this subdivision may be reduced no more than five percent.

For the period January 1, 1987, to June 30, 1987, reductions below the cost per service unit allowable under section 256.966 are permitted only as follows: payments for inpatient and outpatient hospital care provided in response to a primary diagnosis of chemical dependency or mental illness may be reduced no more than 15 percent; payments for all other inpatient hospital care may be reduced no more than ten percent. For the period July 1, 1988, to June 30, 1989, reductions below the cost per service unit allowable under section 256.966 are permitted only as follows: payments for inpatient and outpatient hospital care provided in response to a primary diagnosis of chemical dependency or mental illness may be reduced no more than 15 percent; payments for all other inpatient hospital care may not be reduced. Reductions below the payments allowable under medical assistance for the remaining general assistance medical care services allowable under this subdivision may be reduced no more than five percent.

There shall be no copayment required of any recipient of benefits for any services provided under this subdivision. A hospital receiving a reduced payment as a result of this section may apply the unpaid balance toward satisfaction of the hospital's bad debts.

(e) Any county may, from its own resources, provide medical payments for which state payments are not made.

(f) Chemical dependency services that are reimbursed under chapter 254B must not be reimbursed under general assistance medical care.

(g) The maximum payment for new vendors enrolled in the general assistance medical care program after the base year shall be determined from the average usual and customary charge of the same vendor type enrolled in the base year.

(h) The conditions of payment for services under this subdivision are the same as the conditions specified in rules adopted under chapter 256B governing the medical assistance program, unless otherwise provided by statute or rule.

Sec. 18. Minnesota Statutes 1991 Supplement, section 256D.05, subdivision 1, is amended to read:

Subdivision 1. [ELIGIBILITY.] (a) Each person or family whose income and resources are less than the standard of assistance established by the commissioner and who is a resident of the state shall be eligible for and entitled to general assistance if the person or family is:

(1) a person who is suffering from a professionally certified permanent or temporary illness, injury, or incapacity which is expected to continue for more than 30 days and which prevents the person from obtaining or retaining employment;

(2) a person whose presence in the home on a substantially continuous basis is required because of the professionally certified illness, injury, incapacity, or the age of another member of the household;

(3) a person who has been placed in, and is residing in, a licensed or certified facility for purposes of physical or mental health or rehabilitation, or in an approved chemical dependency domiciliary facility, if the placement is based on illness or incapacity and is pursuant to a plan developed or approved by the county agency through its director or designated representative;

(4) a person who resides in a shelter facility described in subdivision 3;

(5) a person not described in clause (1) or (3) who is diagnosed by a

licensed physician, licensed psychologist, or other qualified professional, as mentally retarded or mentally ill, and that condition prevents the person from obtaining or retaining employment;

(6) a person who has an application pending for, or is appealing termination of benefits from, the social security disability program or the program of supplemental security income for the aged, blind, and disabled, provided the person has a professionally certified permanent or temporary illness, injury, or incapacity which is expected to continue for more than 30 days and which prevents the person from obtaining or retaining employment;

(7) a person who is unable to obtain or retain employment because advanced age significantly affects the person's ability to seek or engage in substantial work;

(8) a person who, following participation in the work readiness program, completion of an individualized employability assessment by the work readiness service provider, and consultation between the county agency and the work readiness service provider, the ~~county agency~~ *work readiness service provider* determines is not employable. For purposes of this item, a person is considered employable if the county agency determines that there exist positions of employment in the local labor market, regardless of the current availability of openings for those positions, that the person is capable of performing. Eligibility under this category must be reassessed at least annually by the county agency and must be based upon the results of a new individualized employability assessment completed by the work readiness service provider. The recipient shall, if otherwise eligible, continue to receive general assistance while the annual individualized employability assessment is completed by the work readiness service provider, rather than receive work readiness payments under section 256D.051. Subsequent eligibility for general assistance is dependent upon the county agency determining, following consultation with the work readiness service provider, that the person is not employable, or the person meeting the requirements of another general assistance category of eligibility;

(9) a person who is determined by the county agency, in accordance with emergency and permanent rules adopted by the commissioner, to be learning disabled, provided that if a rehabilitation plan for the person is developed or approved by the county agency, the person is following the plan;

(10) a child under the age of 18 who is not living with a parent, stepparent, or legal custodian, but only if: the child is legally emancipated or living with an adult with the consent of an agency acting as a legal custodian; the child is at least 16 years of age and the general assistance grant is approved by the director of the county agency or a designated representative as a component of a social services case plan for the child; or the child is living with an adult with the consent of the child's legal custodian and the county agency. For purposes of this clause, "legally emancipated" means a person under the age of 18 years who: (i) has been married; (ii) is on active duty in the uniformed services of the United States; (iii) has been emancipated by a court of competent jurisdiction; or (iv) is otherwise considered emancipated under Minnesota law, and for whom county social services has not determined that a social services case plan is necessary, for reasons other than that the child has failed or refuses to cooperate with the county agency in developing the plan;

(11) a woman in the last trimester of pregnancy who does not qualify for aid to families with dependent children. A woman who is in the last

trimester of pregnancy who is currently receiving aid to families with dependent children may be granted emergency general assistance to meet emergency needs;

(12) a person who is eligible for displaced homemaker services, programs, or assistance under section 268.96, but only if that person is enrolled as a full-time student;

(13) a person who lives more than two hours round-trip traveling time from any potential suitable employment; ~~and~~

(14) a person who is involved with protective or court-ordered services that prevent the applicant or recipient from working at least four hours per day; ~~and~~

(15) a family as defined in section 256D.02, subdivision 5, which is ineligible for the aid to families with dependent children program. If all children in the family are six years of age or older, or if suitable child care is available for children under age six at no cost to the family, all the adult members of the family must register for and cooperate in the work readiness program under section 256D.051. If one or more of the children is under the age of six and suitable child care is not available without cost to the family, all the adult members except one adult member must register for and cooperate with the work readiness program under section 256D.051. The adult member who must participate in the work readiness program is the one having earned the greater of the incomes, excluding in-kind income, during the 24-month period immediately preceding the month of application for assistance. When there are no earnings or when earnings are identical for each adult, the applicant must designate the adult who must participate in work readiness and that designation must not be transferred or changed after program eligibility is determined as long as program eligibility continues without an interruption of 30 days or more. The adult members required to register for and cooperate with the work readiness program are not eligible for financial assistance under section 256D.051, except as provided in section 256D.051, subdivision 6, and shall be included in the general assistance grant. If an adult member fails to cooperate with requirements of section 256D.051, the local agency shall not take that member's needs into account in making the grant determination as provided by the termination provisions of section 256D.051, subdivision 1a, paragraph (b). The time limits of section 256D.051, subdivision 1, do not apply to persons eligible under this clause; *or*

(16) a person over age 18 whose primary language is not English and who is attending high school at least half time.

(b) Persons or families who are not state residents but who are otherwise eligible for general assistance may receive emergency general assistance to meet emergency needs.

(c) As a condition of eligibility under paragraph (a), clauses (1), (3), (5), (8), and (9), the recipient must complete an interim assistance agreement and must apply for other maintenance benefits as specified in section 256D.06, subdivision 5, and must comply with efforts to determine the recipient's eligibility for those other maintenance benefits.

(d) The burden of providing documentation for a county agency to use to verify eligibility for general assistance or work readiness is upon the applicant or recipient. The county agency shall use documents already in its possession to verify eligibility, and shall help the applicant or recipient

obtain other existing verification necessary to determine eligibility which the applicant or recipient does not have and is unable to obtain.

Sec. 19. Minnesota Statutes 1991 Supplement, section 256D.051, subdivision 1, is amended to read:

Subdivision 1. [WORK REGISTRATION.] (a) Except as provided in this subdivision, persons who are residents of the state and whose income and resources are less than the standard of assistance established by the commissioner, but who are not categorically eligible under section 256D.05, subdivision 1, are eligible for the work readiness program for a maximum period of ~~five consecutive~~ *six* calendar months during any 12 consecutive calendar month period, subject to the provisions of paragraph (d), subdivision 3, and section 256D.052, subdivision 4. The person's ~~five-month~~ eligibility period begins on the first day of the calendar month following the date of application for assistance or following the date all eligibility factors are met, whichever is later~~, and ends on the last day of the fifth consecutive calendar month, whether or not the person has received benefits for all five months. The person is not eligible to receive work readiness benefits during the seven calendar months immediately following the five-month eligibility period~~; however, the person may voluntarily continue to participate in work readiness services for up to three additional consecutive months immediately following the last month of benefits to complete the provisions of the person's employability development plan. *After July 1, 1992, if orientation is available within three weeks after the date eligibility is determined, initial payment will not be made until the registrant attends orientation to the work readiness program.* Prior to terminating work readiness assistance the county agency must provide advice on the person's eligibility for general assistance medical care and must assess the person's eligibility for general assistance under section 256D.05 to the extent possible, using information in the case file, and determine the person's eligibility for general assistance. A determination that the person is not eligible for general assistance must be stated in the notice of termination of work readiness benefits.

(b) Persons, families, and married couples who are not state residents but who are otherwise eligible for work readiness assistance may receive emergency assistance to meet emergency needs.

(c) Except for family members who must participate in work readiness services under the provisions of section 256D.05, subdivision 1, clause (14), any person who would be defined for purposes of the food stamp program as being enrolled at least half-time in an institution of higher education is ineligible for the work readiness program.

(d) Notwithstanding the provisions of sections 256.045 and 256D.10, during the pendency of an appeal, work readiness payments and services shall not continue to a person who appeals the termination of benefits due to exhaustion of the period of eligibility specified in paragraph (a) or (d).

Sec. 20. Minnesota Statutes 1990, section 256D.051, is amended by adding a subdivision to read:

Subd. 17. [START WORK GRANTS.] *Within the limit of available appropriations, the county agency may make grants necessary to enable work readiness recipients to accept bona fide offers of employment. The grants may be made for costs directly related to starting employment, including transportation costs, clothing, tools and equipment, license or other fees,*

and relocation. Start work grants are available once in any 12-month period to a recipient. The commissioner shall allocate money appropriated for start work grants to counties based on each county's work readiness caseload in the 12 months ending in March for each following state fiscal year and may reallocate any unspent amounts.

Sec. 21. Minnesota Statutes 1990, section 256D.06, subdivision 5, is amended to read:

Subd. 5. Any applicant, otherwise eligible for general assistance and possibly eligible for maintenance benefits from any other source shall (a) make application for those benefits within 30 days of the general assistance application; and (b) execute an interim assistance authorization agreement on a form as directed by the commissioner. If found eligible for benefits from other sources, and a payment received from another source relates to the period during which general assistance was also being received, the recipient shall be required to reimburse the county agency for the interim assistance paid. Reimbursement shall not exceed the amount of general assistance paid during the time period to which the other maintenance benefits apply and shall not exceed the state standard applicable to that time period. The commissioner shall adopt rules, and may adopt emergency rules, authorizing county agencies *or other client representatives* to retain from the amount recovered under an interim assistance agreement 25 percent plus actual reasonable fees, costs, and disbursements of appeals and litigation, of providing special assistance to the recipient in processing the recipient's claim for maintenance benefits from another source. The money retained under this section shall be from the state share of the recovery. The *commissioner or the* county agency may contract with qualified persons to provide the special assistance. The rules adopted by the commissioner shall include the methods by which county agencies shall identify, refer, and assist recipients who may be eligible for benefits under federal programs for the disabled. This subdivision does not require repayment of per diem payments made to shelters for battered women pursuant to section 256D.05, subdivision 3.

Sec. 22. Minnesota Statutes 1990, section 256D.06, is amended by adding a subdivision to read:

Subd. 5a. The commissioner shall ensure that money owing to the state under interim assistance agreements is collected.*

(b) [BACK CLAIMS FOR FEDERAL HEALTH CARE BENEFITS.] *The commissioner shall also directly or through contract implement procedures for collecting federal Medicare and medical assistance funds for which clients converted to SSI are retroactively eligible.*

(c) [ADDITIONAL REQUIREMENTS.] *The commissioner shall begin contracting with agencies to ensure implementation of this section within 14 days after enactment of this section. County contracts with providers for residential services shall include the requirement that providers screen*

residents who may be eligible for federal benefits and provide that information to the local agency. The commissioner shall modify the MAXIS computer system to provide information on clients who have been on general assistance for two years or longer. The list of clients shall be provided to local services for screening under this section.

(d) [REPORT.] *The commissioner shall report to the legislature by January 15, 1993, on the implementation of this section. The report shall contain information on the following:*

(1) the number of clients converted from general assistance to SSI, by county;

(2) information on the organizations involved;

(3) the amount of money collected through interim assistance agreements;

(4) the amount of money collected in federal Medicare or Medicaid funds;

(5) problems encountered in processing conversions and back claims; and

Sec. 23. [256D.091] [GRANT DIVERSION.]

Subdivision 1. [DEFINITIONS.] *(a) "Diverted grant" means the amount of the general assistance grant or work readiness assistance payment, not exceeding the standard of assistance for one person, that is available for a wage subsidy.*

Planning for the specialized facility must have been initiated before July 1, 1991, in anticipation of receiving a grant from the housing finance agency under section 462A.05, subdivision 20a, paragraph (b).*

Sec. 38. Minnesota Statutes 1990, section 256I.05, subdivision 1, is amended to read:

Subdivision 1. [MONTHLY RATES.] Monthly payments for rates negotiated by a county agency, *or set by the department under rules developed pursuant to subdivision 6,* on behalf of a recipient living in a ~~negotiated rate~~ *group* residence ~~may~~ *must* be paid at the rates in effect on ~~March 1, 1985~~ *June 30, 1991*, not to exceed ~~$919.80 in 1989. The maximum negotiated rate must be increased annually according to subdivision 7. The county agency may provide an annual increase in the March 1, 1985, payment rate using the formula in subdivision 7, provided the resulting rate does not exceed the maximum negotiated rate~~ *$966.37 for a group residence that entered into an initial group residential housing agreement with a county agency before June 1, 1989*. The county agency may at any time negotiate a lower payment rate than the rate that would otherwise be paid under this subdivision ~~and subdivision 7~~.

Sec. 39. Minnesota Statutes 1991 Supplement, section 256I.05, subdivision 1a, is amended to read:

Subd. 1a. [LOWER MAXIMUM ~~RATE~~ *RATES.*] *(a)* The maximum monthly rate for a general assistance or Minnesota supplemental aid ~~negotiated rate~~ *group* residence that enters into an initial ~~negotiated rate~~ *group residential housing* agreement with a county agency on or after June 1, 1989, may not exceed 90 percent of the maximum rate established under subdivision 1. This is effective until June 30, 1993, or until the statewide system authorized under subdivision 6 is established, whichever occurs first.

(b) The maximum monthly rate for a general assistance or Minnesota supplemental aid group residence that is neither licensed by nor registered

with the Minnesota department of health, or licensed by the department of human services, to provide programs or services in addition to room and board is an amount equal to the total of:

(1) the combined maximum shelter and basic needs standards for Minnesota supplemental aid recipients living alone specified in section 256D.44, subdivisions 2, paragraph (a), and 3, paragraph (a); plus

(2) for persons who are not eligible to receive food stamps due to living arrangements, the maximum allotment authorized by the federal food stamp program for a single individual which is in effect on the first day of July each year; less

(3) the personal needs allowance authorized for medical assistance recipients under section 256B.35.

Sec. 40. Minnesota Statutes 1991 Supplement, section 256I.05, subdivision 1b, is amended to read:

Subd. 1b. [RATES FOR UNCERTIFIED BOARDING CARE HOMES.] Effective July 1, 1992, the maximum rate ~~for a boarding care home not certified to receive medical assistance is equal to 65 percent of the average nursing home level "A" rate in effect for the geographic area in which the boarding care home is located, except that a facility's rate must not be reduced by more than ten percent for the year ending June 30, 1992. This is effective until June 30, 1993. A noncertified boarding care home licensed under Minnesota Rules, parts 9520.0500 to 9520.0690, is exempt from this rate limit. The commissioner shall study the numbers of facilities and residents that will be affected by the limit in this subdivision, the number of facilities likely to close because of the limit, the available alternatives for affected residents, methods of relocating or securing alternative placements for residents, and other effects of the limit. The commissioner shall provide a report to the legislature by January 1, 1992, on the commissioner's findings and recommendations relating to the rate limit~~ *specified in subdivision 1 does not apply to a facility which was licensed by the Minnesota department of health as a boarding care home before March 1, 1985, and which is not certified to receive medical assistance.*

Sec. 41. Minnesota Statutes 1991 Supplement, section 256I.05, subdivision 2, is amended to read:

Subd. 2. [MONTHLY RATES; EXEMPTIONS.] (a) The maximum ~~negotiated~~ *group residential housing* rate does not apply to a residence that on August 1, 1984, was licensed by the commissioner of health only as a boarding care home, certified by the commissioner of health as an intermediate care facility, and licensed by the commissioner of human services under Minnesota Rules, parts 9520.0500 to 9520.0690. ~~For residences in this clause that have less than five percent of their licensed boarding care capacity reimbursed by the medical assistance program, rate increases shall be provided according to section 256B.431, subdivision 4, paragraph (c).~~

(b) The maximum ~~negotiated~~ *group residential housing* rate does not apply to a residence that on August 1, 1984, was licensed by the commissioner of human services under Minnesota Rules, parts 9525.0520 to 9525.0660, but funded as a ~~negotiated rate~~ *group* residence under general assistance or Minnesota supplemental aid. ~~Rate increases for these residences are subject to the provisions of subdivision 7.~~

~~(c) The maximum negotiated rate does not apply to a residence certified~~

~~to participate in the medical assistance program, licensed as a boarding care facility or a nursing home, and declared to be an institution for mental disease by January 1, 1989. Effective January 1, 1989, the rate for these residences is the individual's appropriate medical assistance case mix rate. The exclusion from the rate limit for residences under this clause continues until June 30, 1992. The commissioner of human services, in consultation with the counties in which these residences are located, shall review the status of each certified nursing home and board and care facility declared to be an institution for mental disease. This review shall include the cost effectiveness of continued payment for residents through general assistance or Minnesota supplemental aid; the appropriateness of placement of general assistance or supplemental aid clients in these facilities; the effects of Public Law Number 100-203 on these facilities; and the role of these facilities in the mental health service delivery system. The commissioner shall make recommendations to the legislature by January 1, 1990, regarding the need to continue the exclusion of these facilities from the negotiated rate maximum and the future role of these facilities in serving persons with mental illness.~~

~~(d) The commissioner of human services shall take the following action in relation to certified boarding care facilities and nursing homes that have been declared institutions for mental diseases, excluding those facilities exempt under paragraph (a):~~

~~(1) All mental health and placement screenings and diagnostic assessments required under the federal Omnibus Budget Reconciliation Act (OBRA) must be completed by July 1, 1991, for all residents in institutions for mental diseases admitted before June 1, 1991. Residents determined to need relocation under the preadmission screening and annual resident review must be relocated to a more appropriate placement in accordance with the timelines established in the state's alternative disposition plan.~~

~~(2) By October 1, 1991, all institutions for mental diseases must be reviewed again by the commissioner to determine if they are still institutions for mental diseases, and the commissioner shall immediately revoke a declaration that a facility is an institution for mental diseases if the commissioner determines that the facility is not an institution for mental diseases.~~

~~(3) The commissioner shall provide to institutions for mental diseases training in the criteria used in assessing residents for determination of institutions for mental diseases status and the numbers of residents in each category.~~

~~(4) For facilities whose status as an institution for mental diseases is not revoked by the commissioner by October 1, 1991, a facility-specific plan must be developed by the commissioner and the facility, in consultation with the appropriate consumer groups, to offer alternative services to enough residents by July 1, 1992, to allow the commissioner to revoke the facility's status as an institution for mental diseases.~~

Sec. 42. Minnesota Statutes 1990, section 256I.05, subdivision 3, is amended to read:

Subd. 3. [LIMITS ON RATES.] When a ~~negotiated~~ *group residential housing* rate is used to pay for an individual's room and board, the rate payable to the residence must not exceed the rate paid by an individual not receiving a ~~negotiated~~ *group residential housing* rate under this chapter.

Sec. 43. Minnesota Statutes 1990, section 256I.05, subdivision 6, is amended to read:

Subd. 6. [STATEWIDE RATE SETTING SYSTEM.] The commissioner shall establish a comprehensive statewide system of rates and payments for recipients who reside in ~~residences with negotiated rates~~ *group residential housing* to be effective ~~January 1, 1992, or~~ as soon as possible ~~after that date~~. The commissioner may adopt rules to establish this rate setting system.

Sec. 44. Minnesota Statutes 1990, section 256I.05, is amended by adding a subdivision to read:

Subd. 7b. [COMMISSIONER'S DUTIES.] *The commissioner shall not provide automatic annual inflation adjustments for group residential housing rates for the fiscal year beginning on July 1, 1993, and for subsequent fiscal years. The commissioner of finance shall include as a budget change request annual adjustments in reimbursement rates for group residential housing in each biennial detailed expenditure budget submitted to the legislature under section 16A.11.*

Sec. 45. Minnesota Statutes 1990, section 256I.05, subdivision 8, is amended to read:

Subd. 8. [STATE PARTICIPATION.] For a resident of a ~~negotiated rate~~ *group* residence who is eligible for general assistance under sections 256D.01 to 256D.21, state participation in the ~~negotiated~~ *group residential housing* rate is determined according to section 256D.03, subdivision 2. For a resident of a ~~negotiated rate facility~~ *group residence* who is eligible under sections 256D.33 to 256D.54, state participation in the ~~negotiated~~ *group residential housing* rate is determined according to section 256D.36.

Sec. 46. Minnesota Statutes 1990, section 256I.05, subdivision 9, is amended to read:

Subd. 9. [PERSONAL NEEDS ALLOWANCE.] In addition to the ~~negotiated~~ *group residential housing* rate paid for the room and board costs, a person residing in a ~~negotiated rate~~ *group* residence shall receive an allowance for clothing and personal needs. The allowance shall not be less than that authorized for a medical assistance recipient in section 256B.35.

Sec. 47. Minnesota Statutes 1991 Supplement, section 256I.05, subdivision 10, is amended to read:

Subd. 10. [FOSTER CARE.] *In keeping with the definition of "group residential housing rate" established in section 256I.03, subdivision 2,* beginning July 1, 1992, the ~~negotiated~~ *group residential housing* rate of a *group* residence licensed as a foster home is limited to the rate set for room and board ~~costs~~ *payments* provided the foster home is not the license holder's primary residence, or the license holder is not the primary caregiver to persons receiving services in the ~~negotiated rate~~ *group* residence~~,~~ and ~~federal funding is available to pay for~~ *so long as* the cost of other necessary services *meets the definition of services or costs eligible for payment under the state's Medicaid program under title XIX of the Social Security Act and the persons receiving services in the group residence also receive title XIX home- and community-based waiver services for persons with mental retardation or a related condition, or persons with traumatic or acquired brain injury*. For the ~~purpose~~ *purposes* of this section, *the July 1, 1992, rate set for* room and board ~~costs mean costs of providing food and shelter for eligible persons, and includes~~ *payments must not exceed the group residential housing rate effective June 30, 1992, minus the additional rate to be paid under title XIX of the Social Security Act. The only exception to this limitation is a rate adjustment for the payment of the additional room and board costs of*

serving additional persons in the group residence. Until a statewide rate setting system is developed in accordance with subdivision 6, "room and board payments" referenced in this section means the ~~directly identifiable~~ *payments for the usual* costs of:

(1) normal and special diet, food preparation and food services;

(2) providing linen, bedding, laundering, and laundry supplies;

(3) housekeeping, including cleaning and lavatory supplies;

(4) maintenance and operation of the residence and grounds, including fuel, utilities, supplies, and equipment;

(5) the allocation of salaries related to these areas; and

(6) the lease or mortgage payment, property tax and insurance, furnishings and appliances.

For purposes of this section, room and board payments do not include payments for the costs of modifications and adaptations of the group residence required to ensure the health and safety of the resident or to meet the requirements of the applicable life safety code when those costs meet the definition of services and costs eligible for payment under the state's Medicaid program under title XIX of the Social Security Act. The group residences identified in this section shall be subject to a statewide rate setting system identified in subdivision 6 once the rate setting system has been developed. Any amount of payment made by counties prior to July 1, 1992, that exceeds the rate caps established in subdivisions 1 and 2 is not considered part of the group residential housing rate under this section and may not be considered as part of the group residential housing rate set as of July 1, 1992, nor shall that amount be considered eligible for payment under title XIX of the Social Security Act.

Sec. 48. [256I.051] [RATE LIMITATION; WAIVERED SERVICES ELIGIBILITY.]

(a) If a group residential housing rate for an adult foster care or board and lodging placement is for an individual who would be or is eligible for the elderly waiver, the community alternatives for disabled individuals program, or the community alternative care program, the group residential housing rate must include only the room and board portion of the rate. This paragraph applies only to the extent that there are waiver funds available.

(b) The room and board portion of the group residential housing rate is an amount equal to the total of:

(1) the combined maximum shelter and basic needs standards for Minnesota supplemental aid recipients living alone, specified in section 256D.44, subdivisions 2, paragraph (a), and 3, paragraph (a); plus

(2) the maximum allotment authorized by the federal food stamp program for a single individual in effect on the first day of July each year to be applied to persons who are not eligible to receive food stamps due to living arrangement; and less

(3) the personal needs allowance authorized for medical assistance recipients under section 256B.35.

Sec. 49. Minnesota Statutes 1990, section 256I.06, is amended to read:

256I.06 [PAYMENT METHODS.]

When a ~~negotiated~~ *group residential housing* rate is used to pay the room and board costs of a person eligible under sections 256D.01 to 256D.21, the monthly payment may be issued as a voucher or vendor payment. When a ~~negotiated~~ *group residential housing* rate is used to pay the room and board costs of a person eligible under sections 256D.33 to 256D.54, payments must be made to the recipient. If a recipient is not able to manage the recipient's finances, a representative payee must be appointed.

Sec. 50. Minnesota Statutes 1991 Supplement, section 261.035, is amended to read:

261.035 [~~BURIAL~~ *FUNERALS* AT EXPENSE OF COUNTY.]

When a person dies in any county without apparent means to provide for ~~burial and without relatives of sufficient ability to procure the burial~~ *that person's funeral or final disposition*, the county board shall first investigate to determine whether ~~the~~ *that* person ~~who has died has~~ *had* contracted for any prepaid ~~burial~~ *funeral* arrangements. If ~~such~~ arrangements have been made, the county shall authorize ~~burial~~ *arrangements to be implemented* in accord with the ~~written~~ instructions of the deceased. If it is determined that the person did not leave sufficient means to defray the necessary expenses of ~~burial~~ *a funeral and final disposition*, nor any ~~relatives therein~~ *spouse* of sufficient ability to procure the burial, the county board shall ~~cause~~ *provide for* a ~~decent burial or cremation~~ *funeral and final disposition* of the person's remains to be made at the expense of the county. ~~Cremation shall not be used for persons who are known to be opposed to cremation because of religious affiliation or belief.~~ *Any funeral and final disposition provided at the expense of the county shall be in accordance with religious and moral beliefs of the decedent or the decedent's spouse or the decedent's next of kin. If the wishes of the decedent are not known and the county has no information about the existence of or location of any next of kin, the county may determine the method of final disposition.*

Sec. 51. Minnesota Statutes 1990, section 357.021, subdivision 1a, is amended to read:

Subd. 1a. (b) In a county which has a screener-collector position, fees paid by a county pursuant to this subdivision shall be transmitted monthly to the county treasurer, who shall apply the fees first to reimburse the county for the amount of the salary paid for the screener-collector position. The balance of the fees collected shall then be forwarded to the state treasurer for deposit in the state treasury and credited to the general fund. A screener-collector position for purposes of this paragraph is an employee whose function is to increase the collection of fines and to review the incomes of potential clients of the public defender, in order to verify eligibility for that service.

(c) No fee is required under this section from the public authority or the party the public authority represents in an action for:

(1) child support enforcement *or modification*, medical assistance enforcement, or establishment of parentage in the district court, or child or medical

(7) recovery of amounts issued by political subdivisions or public institutions under sections 246.52, 252.27, 256.045, 256.25, 256.87, 256B.042, 256B.14, 256B.15, 256B.37, and 260.251, or other sections referring to other forms of public assistance; or

(8) restitution under section 611A.04.

(d) The fees collected for child support modifications under subdivision 2, clause (11), must be transmitted to the county treasurer for deposit in the county general fund. The fees must be used by the county to pay for child support enforcement efforts by county attorneys.

Sec. 52. Minnesota Statutes 1991 Supplement, section 357.021, subdivision 2, is amended to read:

Subd. 2. [FEE AMOUNTS.] The fees to be charged and collected by the court administrator shall be as follows:

The defendant or other adverse or intervening party, or any one or more of several defendants or other adverse or intervening parties appearing separately from the others, shall pay, when the first paper is filed for that party in said action, a fee of $85.

The party requesting a trial by jury shall pay $30.

The fees above stated shall be the full trial fee chargeable to said parties irrespective of whether trial be to the court alone, to the court and jury, or disposed of without trial, and shall include the entry of judgment in the action, but does not include copies or certified copies of any papers so filed or proceedings under chapter 103E, except the provisions therein as to appeals.

(10) For the deposit of a will, $5.

(11) *Filing a motion or response to a motion for modification of child support, a fee fixed by rule or order of the supreme court.*

(12) All other services required by law for which no fee is provided, such fee as compares favorably with those herein provided, or such as may be fixed by rule or order of the court.

Sec. 53. Minnesota Statutes 1990, section 518.551, subdivision 7, is amended to read:

Subd. 7. [SERVICE FEE.] *(a)* When the public agency responsible for child support enforcement provides child support collection services either to a public assistance recipient or to a party who does not receive public assistance, the public agency may upon written notice to the obligor charge a monthly collection fee equivalent to the full monthly cost to the county of providing collection services, in addition to the amount of the child support which was ordered by the court. The fee shall be deposited in the county general fund. The service fee assessed is limited to ten percent of the monthly court ordered child support and shall not be assessed to obligors who are current in payment of the monthly court ordered child support. An application fee not to exceed ~~$5~~ *$25* shall be paid by the person who applies for child support and maintenance collection services, except persons who transfer from public assistance to nonpublic assistance status. Sec. 54. Minnesota Statutes 1990, section 518.551, subdivision 10, is amended to read:

Subd. 10. [ADMINISTRATIVE PROCESS FOR CHILD AND MEDICAL SUPPORT ORDERS.] *(a)* An administrative process is established to obtain, modify, and enforce child and medical support orders and maintenance.

The commissioner of human services may designate counties to participate in the administrative process established by this section. All proceedings for obtaining, modifying, or enforcing child and medical support orders and maintenance and adjudicating uncontested parentage proceedings, required to be conducted in counties designated by the commissioner

of human services in which the county human services agency is a party or represents a party to the action must be conducted by an administrative law judge from the office of administrative hearings, except for the following proceedings:

(1) adjudication of contested parentage;

(2) motions to set aside a paternity adjudication or declaration of parentage;

(3) evidentiary hearing on contempt motions; and

(4) motions to sentence or to revoke the stay of a jail sentence in contempt proceedings.

(b) An administrative law judge may hear a stipulation reached on a contempt motion, but any stipulation that involves a finding of contempt and a jail sentence, whether stayed or imposed, shall require the review and signature of a district judge.

(c) For the purpose of this process, all powers, duties, and responsibilities conferred on judges of the district court to obtain and enforce child and medical support obligations, subject to the limitation set forth herein, are conferred on the administrative law judge conducting the proceedings, including the power to issue orders to show cause and to issue bench warrants for failure to appear.

(d) Before implementing the process in a county, the chief administrative law judge, the commissioner of human services, the director of the county human services agency, the county attorney, and the county court administrator shall jointly establish procedures and the county shall provide hearing facilities for implementing this process in a county.

(e) Nonattorney employees of the public agency responsible for child support in the counties designated by the commissioner, acting at the direction of the county attorney, may prepare, sign, serve, and file complaints and motions for obtaining, modifying, or enforcing child and medical support orders and maintenance and related documents, appear at prehearing conferences, and participate in proceedings before an administrative law judge. This activity shall not be considered to be the unauthorized practice of law.

(f) The hearings shall be conducted under the rules of the office of administrative hearings, Minnesota Rules, parts 1400.7100 to 1400.7500, 1400.7700, and 1400.7800, as adopted by the chief administrative law judge. Within available appropriations, the commissioner of human services shall establish a shared housing demonstration project for mentally ill persons receiving assistance under the Minnesota supplemental aid (MSA) program established by Minnesota Statutes, sections 256D.33 to 256D.54. Persons selected for the project shall be MSA recipients who are mentally ill and who are certified by a physician as needing shared housing for medical reasons. These individuals shall be permitted to reside with other individuals while still receiving the full MSA shelter allowance and full basic needs allowance under Minnesota Statutes, section 256D.44. The purpose of the project is to demonstrate that allowing full MSA grants for certain persons with mental illness who share housing can be effective in helping those individuals avoid costly mental health treatment including repeated hospitalizations. The study must be conducted in conformity with federal requirements on studies using human subjects for research.

As part of the demonstration project, the commissioner shall conduct a survey of mental health professionals and county case managers and shall analyze the MSA caseload figures maintained by the department of human services. The purpose of the survey and analysis is to determine the likely number of individuals that would be impacted by an increase in the standard of assistance under Minnesota Statutes, section 256D.44, for mentally ill persons in shared housing situations. The commissioner shall consult with mental health advocacy and other public interest groups in preparing and carrying out the survey. The commissioner shall report to the legislature by January 15, 1994, on the results of the survey and demonstration project. For purposes of this demonstration project, eligible individuals shall be limited to Hennepin county on a first-come, first-served basis, subject to approval of the county board.

Sec. 56. [COLLECTIONS AND COST RECOVERY.]

The commissioner of human services shall consult with representatives of the office of child support enforcement, local social service agencies, the department of revenue, and legislative staff to make recommendations for a process to increase the collection of child support arrearages and to institute cost recovery in child support enforcement. The commissioner of human services and the commissioner of revenue shall report the recommendations to the chairs of the committees on health and human services and judiciary in the senate and the house of representatives by January 15, 1993.

Sec. 57. [CHILD SUPPORT COMPUTER SYSTEM.]

The commissioner of human services shall take appropriate action to ensure that the statewide computer system for the collection and enforcement of child support is operating effectively and efficiently as soon as possible. The commissioner shall report to the chairs of the committees on health and human services and judiciary in the senate and the house of representatives by January 15, 1993, concerning the status of the computer system and any problems in the functioning of the system.

Sec. 58. [IMPLEMENTATION.]

Notwithstanding the second sentence of Laws 1991, chapter 292, article 5, section 85, subdivision 1, the commissioner shall implement the Minnesota

family investment plan field trials beginning April 1, 1994.

Sec. 59. [REPEALER.]

Minnesota Statutes 1990, sections 144A.15, subdivision 6; 256B.495, subdivision 3; 256D.09, subdivision 3; and 256I.05, subdivision 7; and Minnesota Statutes 1991 Supplement, section 256I.05, subdivision 7a, are repealed.

Sec. 60. [EFFECTIVE DATE.]

Sections 26 to 32 are effective the day following final enactment. Section 37, subdivision 3, clause (4), is effective July 1, 1993.

Section 19 is effective January 1, 1993, except for the provision in subdivision 1, paragraph (a), referring to orientation which is effective immediately upon final enactment.

Sec. 2. Minnesota Statutes 1990, section 43A.191, subdivision 2, is amended to read:

Subd. 2. [AGENCY AFFIRMATIVE ACTION PLANS.] (a) The head of each agency in the executive branch shall prepare and implement an agency affirmative action plan consistent with this section and rules issued under section 43A.04, subdivision 3.

(b) The agency plan must include a plan for the provision of reasonable accommodation in the hiring and promotion of qualified disabled persons. The reasonable accommodation plan must consist of at least the following:

(1) procedures for compliance with section 363.03 and, where appropriate, regulations implementing United States Code, title 29, section 794, as amended through December 31, 1984, which is section 504 of the Rehabilitation Act of 1973, as amended;

Sec. 35. Minnesota Statutes 1990, section 363.14, subdivision 2, is amended to read:

Sec. 37. [SPECIAL RATE AND LICENSING EXCEPTION.]

This exemption from other rate-setting regulations or restrictions continues as long as the proportion of the facility's residents who are chronically, severely impaired, mentally ill individuals who were transferred to the facility from a regional treatment center remains at or above 75 percent.

Sec. 38. [WAIVERED SERVICES RATE STRUCTURE.]

The commissioner of human services shall report to the legislature by January 15, 1993, with plans to implement on July 1, 1993, a rate structure for home- and community-based services under title XIX of the Social Security Act which bases funding on assessed needs of persons with mental retardation or related conditions.

(b) The pilot project shall be established to design and plan an improved mental health services delivery system for adults with serious and persistent mental illness that would: (1) enhance consumer choice and flexibility; (2) maximize local community-based alternatives; (3) support persons in independent living arrangements; (4) enhance the person's ability to work; (5) ensure the person a place in the community; and (6) enhance the development of a strong community-based psychiatric program.

(c) By January 1, 1993, the pilot program shall develop a comprehensive proposal for integrated program funding which would permit flexibility in expenditures based on local needs with local control. The planning process shall include, but not be limited to, mental health consumers, health advocacy groups, Dakota county, and the department of human services.

The integrated funding proposal shall be presented to the state legislature for approval prior to implementation on July 1, 1993.

(d) The pilot project may include, but not be limited to, issues in the service delivery system relating to:

(1) financial assistance from the state and the ability to use existing funds flexibly to downsize residential facilities for persons with mental illness governed by Minnesota Rules, parts 9520.0500 to 9520.0690;

(2) joint collaboration or program development projects between counties to enhance efficiency and expand program opportunities in such areas as mental illness and chemical dependency, downsizing of residential facilities

for persons with mental illness, and residential or supported living arrangements for mothers with mental illness and their children;

(3) integrated program funding to permit flexibility in expenditures based on local needs with local control;

(4) flexibility in the delivery of case management services;

(5) waiver or removal of the rate cap and moratorium on negotiated rate facilities;

(6) broader usage and additional services to be covered under the medical assistance state plan rehabilitation option;

(7) prepaid managed health care programs; and

(8) commitment of persons under Minnesota Statutes, chapter 253B, to community facilities and programs.

(e) The integrated funding may include current mental health expenditures, including maintenance costs, from the following sources:

(1) general assistance medical care;

(2) general assistance;

(3) medical assistance;

(4) Minnesota supplemental aid;

(5) grants for residential services for adults with mental illness;

(6) grants for community support services programs for persons with serious and persistent mental illness; and

(7) mental health special project grants.

(f) The pilot project shall establish an opportunity to expand educational opportunities in the area of community-based psychiatry. The pilot project shall develop and may implement a psychiatric residency program at the Dakota Mental Health Center, Inc. The program may train at least one psychiatric resident per year. The program may contract with a psychiatric faculty member from a Minnesota medical school who will supervise the resident and assist in the development of a strong community-based psychiatric program.

(g) For purposes of the pilot project, for those persons committed under Minnesota Statutes, chapter 253B, and awaiting transfer to a regional treatment center, postcommitment costs of care will be added to the cost of care as provided for in Minnesota Statutes, sections 246.50, subdivision 5, and 246.54.

(h) An intergovernmental agreement or contract may be developed between the county and state to specify the terms of the pilot.

(i) Evaluation of the pilot project will be based on outcome evaluation criteria negotiated with the county prior to implementation of the pilot project.

(j) The pilot project shall be implemented after July 1, 1992.

(k) The pilot project shall be completed by July 1, 1997.

(l) A report on the pilot project must be completed by January 1, 1998, and a report presented to the commissioner.

Subd. 2. [DUTIES OF THE COMMISSIONER.] *For purposes of the pilot project, the commissioner:*

(1) shall combine all mental health program and funding plans into one comprehensive plan unless otherwise required by federal law. Any mental health expenditures from regional treatment center appropriations or any share of expenditures from mental health funding used for commitment to or treatment in a regional treatment center shall not become part of any comprehensive fund or plan;

(2) may waive administrative rule requirements for the duration of the pilot project status;

(3) may exempt the participating county from fiscal sanctions for non-compliance with social services requirements in laws and rules; and

(4) shall recommend legislative changes in the biennial state plan if the results of the pilot project indicate the need for legislative change.

Sec. 40. [PILOT PROJECT FOR CRISIS SERVICES.]

The commissioner may authorize a pilot project to provide community-based crisis services for persons with mental retardation or related conditions who would otherwise be admitted to or are at risk of being admitted to an acute care hospital for psychological care. To make available the facility capacity for the pilot project, the commissioner may authorize relocation of and alternative services for up to 15 residents of an existing intermediate care facility for persons with mental retardation or related conditions. The medical assistance costs of the alternative services must not exceed the medical assistance costs of services, including day training and habilitation services, for the residents at the intermediate care facility who are relocated. The commissioner may adjust the program operating costs rate of the facility under Minnesota Rules, part 9553.0050, subpart 3, as necessary to implement the pilot project. The project shall serve persons who are the responsibility of Hennepin and Carver counties and other counties as determined by the commissioner.

By January 15, 1994, the commissioner shall report to the legislature on the cost effectiveness of the pilot project.

Sec. 41. [ALTERNATIVE SERVICES PILOT PROJECTS.]

Subdivision 1. [ELIGIBLE PERSON.] *"Eligible person" means a person with mental retardation or related conditions who is 65 years of age or older. An eligible person may be under 65 years of age if authorized by the commissioner to receive alternative services for health or medical reasons.*

Subd. 2. [ALTERNATIVE SERVICES AUTHORIZED.] *Notwithstanding other law to the contrary, the commissioner may develop pilot projects that provide alternatives to day training and habilitation services for persons with mental retardation or related conditions who are 65 years of age or older. Before implementing the pilot projects, the commissioner shall consult with the board on aging; providers of day training and habilitation programs, residential programs, state-operated community-based programs, and other alternative services for persons with mental retardation or related conditions; and other interested persons including parents, advocates, and persons who may be considered for alternative services. The commissioner shall select as pilot project vendors only current providers of day training and habilitation programs, residential programs, state-operated community-based programs, or other alternative programs.*

Subd. 3. [ALTERNATIVE SERVICES PARTICIPATION.] *No more than 30 persons may receive alternative services under the pilot projects, and participants must be selected as follows: no more than seven persons from day training and habilitation programs; no more than seven persons from state-operated community-based programs; no more than seven persons from residential programs; and no more than nine persons from other community-integrated programs. Alternative services may be provided by a person's residential program provider only after other alternative services have been considered and determined not to meet the person's needs.*

Subd. 4. [ADVISORY COMMITTEE.] *The commissioner shall convene an advisory committee consisting of persons concerned with and affected by the alternative services pilot projects and the effect of the projects on existing services to evaluate the alternative services pilot projects. The commissioner shall report the advisory committee's evaluation to the legislature by February 1, 1994.*

Subd. 5. [RIGHTS AND PROTECTIONS.] *(a) The commissioner shall notify eligible persons or their legal representatives, in writing, when alternative services pilot projects have been authorized in the county. Eligible persons or their legal representatives may choose to participate in the alternative services pilot project that best serves the person's individual needs.*

(b) Persons participating in alternative services must continue to receive active treatment as provided in a person's individual service plan to ensure compliance with applicable federal regulations.

(c) The county must inform persons participating in alternative services when any part of Minnesota Rules is waived. No rights or procedural protections under sections 256.045, subdivision 4a, or 256B.092, may be waived.

Subd. 6. [PAYMENT FOR ALTERNATIVE SERVICES.] *(a) Payment for alternative services shall be made to approved vendors under the conditions of existing contracts with the host county, except for intermediate care facilities for persons with mental retardation or a related condition reimbursed through Minnesota Rules, parts 9553.0010 to 9553.0080. When alternative services under this section are provided by an intermediate care facility for persons with mental retardation or related conditions, the following reimbursement and reporting procedures will be applied.*

(b) Effective upon date of enactment, the commissioner shall, for a facility determined to be eligible under this section, negotiate an adjustment to the payment rate. The negotiated adjustment must reflect only the actual programmatic costs of meeting the alternative day training and habilitation needs of persons participating in service alternatives under this section. Additional programmatic costs must not include administrative and property-related costs. The additional programmatic costs shall be limited to:

(1) program salaries, payroll taxes, and fringe benefits of facility employees providing direct care services;

(2) costs of program consultants providing direct care services;

(3) training costs of facility employees providing direct care services;

(4) costs of program supplies; and

(5) additional operating costs related to transporting persons to community activities which have not been included in the facility's payment rate.

The additional programmatic costs must be reported on the facility's annual cost report in the program operating cost category. A facility receiving a negotiated adjustment to its payment rate must agree to report these payments on an accrual basis as an applicable credit in the program operating cost category on its annual cost report for each reporting year in which a negotiated adjustment is in effect. The maximum amount of the negotiated adjustment shall not exceed the cost of the day training and habilitation service provided to a person just prior to entering alternative services.

(c) The negotiated per diem adjustment to the facility's payment rate shall be equal to the sum of the negotiated programmatic costs divided by the facility's resident days for the reporting year used to establish the payment rate being adjusted. The adjusted payment rate shall be effective the first day of the month following the month when a person ceases receiving day training and habilitation services. The negotiated per diem adjustment may be subject to renegotiation on October 1 of each subsequent rate year. The negotiated per diem adjustment shall terminate upon discharge of the person from the facility, or at such time when the person is determined by the commissioner to no longer require service alternatives.

(d) Upon statewide implementation of a residential client-based reimbursement system for ICF/MR facilities, parts or all of this subdivision shall be subject to amendment, if no longer applicable, as determined by the commissioner.

Sec. 42. [SOCIAL SERVICE PILOT PROJECT; INTERGOVERNMENTAL AGREEMENTS.]

Subdivision 1. [PILOT PROJECTS.] *The commissioner of human services may approve up to six counties to participate in a pilot project to demonstrate the use of intergovernmental contracts between the state and counties to fund, administer, and regulate the delivery of programs under Minnesota Statutes, sections 245.461 to 245.4861 and 245.487 to 245.4887, and Minnesota Statutes, chapter 256E. The commissioner shall consider statewide distribution and county population in selecting counties for the pilot project. Counties may also develop integrated plans for any social service and community health programs which shall be accepted by the commissioners of health and human services in lieu of plans required in statute or rule. Two or more counties may submit joint proposals under the pilot project. The pilot projects shall expire after June 30, 1997.*

Subd. 2. [PURPOSE OF PILOT PROJECTS.] *Purposes of the social service contract pilot projects include:*

(a) Improving the quality of social services provided to persons by county human service agencies.

Counties providing services under the pilot project shall continue mandated services. Program funds may be consolidated to permit the greatest flexibility in the delivery of services. Each intergovernmental agreement shall specify a limited and reasonable number of measurable objectives based on the county's community social services plan which will be used by the state to determine compliance. Counties participating in pilot projects will be required to provide mandated services to all eligible persons but will have flexibility in the delivery of services and use of funds. The county shall review pilot projects proposed under subdivisions 1 to 5 with all county social services and mental health advisory committees and councils.*

Subd. 4. [MONITORING AND ENFORCEMENT.] *The commissioner of human services shall monitor the pilot projects to determine compliance with the terms of the intergovernmental contracts and to assure that social services are delivered according to the county community social services act plan. The commissioner may rescind approval for the pilot project if the county fails to comply with the terms of the intergovernmental contract. If approval is withdrawn, the county will immediately be subject to all the requirements of the administrative rules governing programs covered under the intergovernmental contract.*

Subd. 5. [DISPUTE RESOLUTION.] *Nothing in this section shall alter the due process rights available to persons under state and federal law. Disputes which arise between the state and county in the development of contracts authorized in this section shall be resolved through mediation. The state and county shall select a mediator acceptable to both parties for the purpose of resolving disputes.*

April 15, 1992

The Honorable Jerome M. Hughes
President of the Senate

The Honorable Dee Long
Speaker of the House of Representatives

We, the undersigned conferees for S.F. No. 1619, report that we have agreed upon the items in dispute and recommend as follows:

That the House recede from its amendment and that S.F. No. 1619 be further amended as follows:

Delete everything after the enacting clause and insert:

"Section 1. Minnesota Statutes 1990, section 609.224, subdivision 2, is amended to read:

Subd. 2. [GROSS MISDEMEANOR.] (a) Whoever violates the provisions of subdivision 1 against the same victim within five years of a previous conviction under subdivision 1 or sections 609.221 to 609.2231 may be sentenced to imprisonment for not more than one year or to a payment of a fine of not more than $3,000, or both. *Whoever violates the provisions of subdivision 1 against a family or household member as defined in section 518B.01, subdivision 2, within five years of a previous conviction under subdivision 1 or sections 609.221 to 609.2231 against a family or household member, may be sentenced to imprisonment for not more than one year or to payment of a fine of not more than $3,000, or both.*

(b) Whoever violates the provisions of subdivision 1 within two years of a previous conviction under subdivision 1 or sections 609.221 to 609.2231 may be sentenced to imprisonment for not more than one year or to payment of a fine of not more than $3,000, or both.

Sec. 2. Minnesota Statutes 1990, section 609.224, is amended by adding a subdivision to read:

Subd. 3. [DOMESTIC ASSAULTS; FIREARMS.] *(a) When a person is convicted of a violation of this section, the court shall determine and make written findings on the record as to whether:*

(1) the assault was a family or household member, as defined in section 518B.01, subdivision 2;

(2) the defendant owns or possesses a firearm; and

(3) the firearm was used in any way during the commission of the assault.

(b) If the court determines that the assault was of a family or household member, and that the offender owns or possesses a firearm and used it in any way during the commission of the assault, it shall order the defendant to relinquish possession of the firearm and give it to the local law enforcement agency. Notwithstanding section 609.531, subdivision 1, paragraph (f), clause (1), the court shall determine whether the firearm shall be forfeited under section 609.5316, subdivision 3, or retained by the local law enforcement agency for a period of three years. If the owner has not been convicted of any crime of violence as defined in section 624.712, subdivision 5, or 609.224 against a family or household member within that period, the law enforcement agency shall return the firearm.

(c) When a person is convicted of a violation of this section and the court determines that the victim was a family or household member, the court shall inform the defendant that the defendant is prohibited from possessing a pistol for a period of three years from the date of conviction and that it is a gross misdemeanor offense to violate this prohibition. The failure of the court to provide this information to a defendant does not affect the applicability of the pistol possession prohibition or the gross misdemeanor penalty to that defendant.

(d) A person is not entitled to possess a pistol if:

(1) the person has been convicted after August 1, 1992 of assault in the fifth degree if the offense was committed within three years of a previous conviction under sections 609.221 to 609.224; or

(2) the person has been convicted after August 1, 1992 of assault in the fifth degree under section 609.224 and the assault victim was a family or household member as defined in section 518B.01, subdivision 2, unless three years have elapsed from the date of conviction and, during that time, the person has not been convicted of any other violation of section 609.224. Property rights may not be abated but access may be restricted by the courts. A person who possesses a pistol in violation of this subdivision is guilty of a gross misdemeanor.

Sec. 3. Minnesota Statutes 1990, section 624.713, is amended by adding a subdivision to read:

Subd. 3. [NOTICE TO CONVICTED PERSONS.] *When a person is convicted of a crime of violence as defined in section 624.712, subdivision 5, the court shall inform the defendant that the defendant is prohibited from*

possessing a pistol for a period of ten years after the person was restored to civil rights or since the sentence has expired, whichever occurs first, and that it is a felony offense to violate this prohibition. The failure of the court to provide this information to a defendant does not affect the applicability of the pistol possession prohibition or the felony penalty to that defendant.

Sec. 4. [EFFECTIVE DATE.]

Sections 1 to 3 are effective August 1, 1992, and apply to crimes committed on or after that date."

Delete the title and insert:

"A bill for an act relating to crimes; enhancing penalties for an assault against a family or household member; requiring courts to take possession of any firearm used in the commission of such an assault; disqualifying persons convicted of fifth degree domestic assault from possessing a pistol under certain circumstances; requiring persons convicted of crimes of violence to be notified that they are prohibited from possessing pistols for ten years after restored to civil rights; amending Minnesota Statutes 1990, sections 609.224, subdivision 2, and by adding a subdivision; and 624.713, by adding a subdivision."

We request adoption of this report and repassage of the bill.

Subdivision 1. [CERTIFICATION OF TAX LIENS.] The county auditor, upon written application of any person, shall make search of the records of the auditor's office, and ascertain the existence of all tax liens and tax sales as to any lands described in the application, and certify the result of such search under the auditor's hand and official seal, giving the description of the land and all tax liens and tax sales shown by such records, and the amount thereof, the year of tax covered by such lien, the date of tax sale, and the name of the purchaser at such tax sale.

For such service the county auditor shall charge a fee ~~not to exceed $5~~ for each lot or tract of land described in the certificate. The amount of the fee will be established by the county board on or before July 1 of each year. Any number of contiguous tracts of land not exceeding one section, assessed as broad acres, or adjoining lots in the same block, in the city, shall be considered as one lot or parcel within the meaning of this section. This section shall not authorize such treasurer to charge any amount for certifying to taxes on a deed to be recorded or for information with reference to the current tax on any subdivision of land in the county, where no certificate thereof is necessary or required. The provisions of this section shall not apply to counties having a population of more than 200,000.

Sec. 4. Minnesota Statutes 1990, section 279.09, is amended to read:

The county auditor shall act in accordance with the notice. Publication charges for the second publication may not exceed the publication charges for the first publication.* The auditor shall deliver such list to the publisher of the newspaper designated, at least 20 days before the date upon which the list shall be published for the first time.

In the case of land held in joint tenancy the notice shall be served upon each joint tenant. If one or more of the persons to whom the notice is directed cannot be found in the county, and there is no one in possession of the land, of each of which facts the return of the sheriff so specifying shall be prima facie evidence, service shall be made upon those persons that can be found and service shall also be made by ~~three~~ *two* weeks' published notice, proof of which publication shall be filed with the auditor.

When the records in the office of the county recorder show that any lot or tract of land is encumbered by an unsatisfied mortgage or other lien, and show the post office address of the mortgagee or lienee, or if the same has been assigned, the post office address of the assignee, the person holding such tax certificate shall serve a copy of such notice upon such mortgagee, lienee, or assignee by certified mail addressed to such mortgagee, lienee, or assignee at the post office address of the mortgagee, lienee, or assignee as disclosed by the records in the office of the county recorder, at least 60 days prior to the time when the redemption period will expire.

Subd. 2. [PLEDGE OF REVENUE.] *The hospital district may pledge and appropriate the revenues to be derived from its operation of the facilities to pay the principal and interest on the bonds when due and to create and maintain reserves for that purpose, as a first and prior lien on the revenues or, if so provided in the bond resolution, as a lien on the revenues subordinate to the current payment of a fixed amount or percentage or all of the costs of running the facilities.*

The governing body may enter into any covenants with the bondholders or trustee that it finds necessary and proper to assure the marketability of the bonds, the completion of the facilities, the segregation of the revenues or rentals and other funds pledged, and the sufficiency of funds for prompt and full payment of bonds and interest. The bonds shall be deemed to be payable wholly from the income of a revenue-producing convenience within the meaning of Minnesota Statutes, section 475.58, unless the appropriate governing body also pledges to their payment the full faith and credit of the county or city. In this event, notice of the intent to issue bonds with a pledge of the full faith and credit of the county or city specifying the maximum amount and the purpose of the bond issue shall be published and if, within ten days of the date of publication, a petition asking for an election on the proposition signed by voters equal to ten percent of the number of voters at the last regular election is filed with the secretary, the bonds may not be issued unless approved by a majority of the electors voting on the question at a legal election.

Sec. 35. [MISCELLANEOUS PROVISIONS.]

Bonds issued under sections 26 to 39 must be issued and sold as provided in Minnesota Statutes, chapter 475. If the bonds do not pledge the credit of the hospital district as provided in section 34, the governing body may negotiate their sale without advertisement for bids. They shall not be included in the net debt of any municipality or county, and are not subject to interest rate

limitations, as defined or referred to in Minnesota Statutes, sections 475.51 and 475.55.

Sec. 36. [LEASE OF FACILITIES TO NONPROFIT OR PUBLIC CORPORATION.]

Subject to section 30, subdivision 4, the hospital district may lease hospital, nursing home, or other facilities to be run by a nonprofit or public corporation as community facilities. The facilities must be open to all residents of the community on equal terms. The district may lease related medical facilities to any person, firm, association, or corporation, at rent and on conditions agreed. The term of the lease must not exceed 30 years. The lessee may be granted an option to renew the lease for an additional term or to purchase the facilities. The terms of renewal or purchase must be provided for in the lease. The hospital district may by resolution of its governing body agree to pay to the lessee annually, and to include in each annual budget for hospital and nursing home purposes, a fixed compensation for services agreed to be performed by the lessee in running the hospital, nursing home, or other facilities as a community facility; for any investment by the lessee of its own funds or funds granted or contributed to it in the construction or equipment of the hospital, nursing home, or other facilities; and for any auxiliary services to be provided or made available by the lessee through other facilities owned or operated by it. Services other than those provided for in the lease agreement may be compensated at rates agreed upon later. The lease agreement must, however, require the lessee to pay a net rental not less than the amount required to pay the principal and interest when due on all revenue bonds issued by the hospital district to acquire, improve, and refinance the leased facilities, and to maintain the agreed revenue bond reserve. The lease agreement must not grant the lessee an option to purchase the facilities at a price less than the amount of the bonds issued and interest accrued on them, except bonds and accrued interest paid from the net rentals before the option is exercised.

To the extent that the facilities are leased under this section for use by persons in private medical or dental or similar practice or other private business, a tax on that use must be imposed just as though the user were the owner of the space. It must be collected as provided in Minnesota Statutes, section 272.01, subdivision 2.

Sec. 37. [REFUNDING BONDS.]

The county, city, or hospital district may issue bonds by resolution of its governing body to refund bonds issued for the purposes stated in sections 26 to 39.

Sec. 38. [SWIFT COUNTY.]

The county of Swift may make appropriations in whatever amount it deems appropriate for capital acquisition, capital improvements, maintenance, and operating subsidy for a hospital district created under sections 26 to 39 and any other hospital in the county notwithstanding Minnesota Statutes, sections 376.08 and 376.09 or any other limiting statutes or laws otherwise applicable to the county. The county may also guarantee any indebtedness incurred by or on behalf of the hospital and pledge its full faith and credit in support of it.

Sec. 39. [CITY OF BENSON.]

The city of Benson may make appropriations in whatever amount it deems

appropriate for the purposes of capital acquisition, capital improvements, maintenance, and operating subsidy for a hospital district created under sections 26 to 39 notwithstanding any limiting statutes or laws otherwise applicable to the city. The city may also guarantee any indebtedness incurred by or on behalf of the hospital and pledge its full faith and credit in support of it.
