On or after July 1, 1992, reserve teachers meeting the definition of a teacher as defined under Minnesota Statutes, section 354A.011, subdivision 27, and providing service to special school district No. 1 must become members and contributions must be deducted as required by Minnesota Statutes, section 354A.12.

Sec. 20. [OMITTED CONTRIBUTION REIMBURSEMENT; MINNEAPOLIS TEACHERS RETIREMENT FUND ASSOCIATION AND SPECIAL SCHOOL DISTRICT NO. 1.]

Subd. 2. Subd. 3. If the individual chooses to make payment through a payroll deduction, that option must be selected within 60 days of notification. The payroll deduction period may not exceed one year. The employing unit must transmit amounts withheld through payroll deductions to the association along with normal payroll contributions.*

Subd. 4. [SCHOOL DISTRICT REIMBURSEMENT.] *On a quarterly basis, the executive director of the association will determine the amounts received by the association under subdivision 3 through direct lump-sum payments and payroll deductions. The employing unit will be notified of these amounts received by the association, and the employing unit may withhold an equivalent amount from subsequent obligations under Minnesota Statutes, section 354A.12, subdivision 2.*

Subd. 5. [EFFECT OF TEACHER NONPAYMENT.] *(a) If a teacher notified under subdivision 2 does not elect to make payments under subdivision 3, or if full payment is not received within the required time limits, the teacher is not entitled to the service credit for the period of omitted contributions identified in subdivision 1, or for any earlier period, and the teacher forfeits any option to purchase that service credit at a later date.*

(b) For individuals identified in paragraph (a), the association must determine an amount equivalent to the omitted employee contribution, without interest, for the period specified in subdivision 1. This amount must be applied by the employer against subsequent obligations under Minnesota Statutes, section 354A.12, subdivision 2.

Sec. 21. [MINNEAPOLIS TEACHERS MODIFICATION OF DISABILITY BENEFITS.]

(a) In accordance with Minnesota Statutes, section 354A.12, subdivision 4, the Minneapolis teachers retirement fund association may amend its articles of incorporation to clarify certain provisions governing disability benefits for members of the basic program and to conform certain administrative provisions to the statutory provisions applicable to disability benefits for coordinated program members, as provided in paragraphs (b) to (g).

(b) Article 5, section 5.11, may be amended to change the definition of "disability" from the "inability to render further satisfactory service as a teacher" to the "inability to engage in any substantial gainful activity" by reason of any medically determinable physical or mental impairment that can be expected to be of long continued and indefinite duration, which may not be less than one year.

(c) Article 21, section 21.3, may be amended to clarify that disability benefits accrue from the later of either 90 days following commencement of the permanent disability or the first day of the month following the date on which the written application for the disability benefit has been filed with the board.

(d) Article 21, section 21.4, may be amended to provide that basic program disability recipients submit to regular medical examinations at least once each year during the first five years of disability and at least once in every subsequent three-year period, in conformity with the requirements applicable to the coordinated program contained in Minnesota Statutes, section 354A.36, subdivision 6.

(e) Article 21, section 21.5, may be amended to provide that if a basic member disability recipient resumes gainful employment, and the earnings from that employment, together with the disability benefit payments, exceed the monthly compensation the member would have received if the member had remained in active teaching service in the position held prior to becoming disabled, the disability benefit must be reduced by the excess.

(f) Article 21 may be amended by adding a subsection to provide that a basic program disability recipient who remains disabled until normal retirement age must be transferred to retirement status. The disability benefit terminates upon the transfer, and the person is subsequently entitled to receive a retirement annuity in accordance with the optional annuity previously elected or, if the person had not elected an optional annuity, then, at the person's option, either a straight life retirement annuity in accordance with the articles of incorporation or a straight life retirement annuity equal to the disability benefit paid prior to the date on which the person attained normal retirement age, whichever is greater, or an optional annuity as provided in the articles of incorporation. If an optional annuity is elected, the election must be made prior to the person's attaining normal retirement age and takes effect on the date of the election.

(g) Paragraphs (b) to (f) apply to a basic member who applies for a

disability benefit after the effective date of the amendments. Paragraphs (c) to (f) also apply to basic program members who made application for disability benefits before the effective date of the amendments and who are currently receiving disability benefits.

If these two separate means of applying the brakes are connected in any way, they shall be so constructed that failure of any one part of the operating mechanism shall not leave the motor vehicle without brakes on at least two wheels. *The requirement in this subdivision for separate braking systems does not apply to a commercial motor vehicle described in section 169.781, subdivision 5, paragraph (d).*

The commissioners of public safety and transportation shall make decals available, at a fee of not more than $2 for each decal, to persons certified to perform inspections under subdivision 3, paragraph (b).

(b) Minnesota inspection decals may be affixed only to commercial motor vehicles bearing Minnesota-based license plates.

(c) Notwithstanding paragraph (a), a person inspecting (1) a vehicle of less than 57,000 pounds gross vehicle weight and registered as a farm truck, ~~or~~ (2) a storage semitrailer, *or (3) a building mover vehicle* must issue an inspection decal to the vehicle unless the vehicle has one or more defects that would result in the vehicle being declared out of service under the North American Uniform Driver, Vehicle, and Hazardous Materials Out-of-Service Criteria issued by the federal highway administration and the commercial motor vehicle safety alliance. A decal issued to a vehicle described in clause (1) ~~or~~, (2), *or (3)* is valid for two years from the date of issuance. birth of the applicant with pen and ink.

Each Minnesota identification card must be plainly marked "Minnesota identification card - not a driver's license."

The fee for a Minnesota identification card issued to a person who is mentally retarded, as defined in section 252A.02, subdivision 2, *or to a physically disabled person, as defined in section 169.345, subdivision 2,* is 50 cents."

"Sec. 16. [296.171] [FUEL TAX COMPACTS.]

Subdivision 1. [AUTHORITY.] *The commissioner of public safety has the powers granted to the commissioner of revenue under section 296.17. The commissioner of public safety may enter into an agreement or arrangement with the duly authorized representative of another state or make an independent declaration, granting to owners of vehicles properly registered or licensed in another state, benefits, privileges, and exemptions from paying, wholly or partially, fuel taxes, fees, or other charges imposed for operating the vehicles under the laws of Minnesota. The agreement, arrangement, or declaration may impose terms and conditions not inconsistent with Minnesota laws.*

Subd. 2. [RECIPROCAL PRIVILEGES AND TREATMENT.] *An agreement or arrangement must be in writing and provide that when a vehicle properly licensed for fuel in Minnesota is operated on highways of the other state, it must receive exemptions, benefits, and privileges of a similar kind or to a similar degree as are extended to a vehicle properly licensed for fuel in that state, when operated in Minnesota. A declaration must be in writing and must contemplate and provide for mutual benefits, reciprocal privileges, or equitable treatment of the owner of a vehicle registered for fuel in Minnesota and the other state. In the judgment of the commissioner of public safety, an agreement, arrangement, or declaration must be in the best interest of Minnesota and its citizens and must be fair and equitable regarding the benefits that the agreement brings to the economy of Minnesota.*

Subd. 3. [COMPLIANCE WITH MINNESOTA LAWS.] *Agreements, arrangements, and declarations made under authority of this section must contain a provision specifying that no fuel license, or exemption issued or accruing under the license, excuses the operator or owner of a vehicle from compliance with Minnesota laws.*

Subd. 4. [EXCHANGES OF INFORMATION.] *The commissioner of public safety may make arrangements or agreements with other states to exchange information for audit and enforcement activities in connection with fuel tax licensing. The filing of fuel tax returns under this section is subject to the rights, terms, and conditions granted or contained in the applicable agreement or arrangement made by the commissioner under the authority of this section.*

Subd. 5. [BASE STATE FUEL COMPACT.] *The commissioner of public safety may ratify and effectuate the international fuel tax agreement or other fuel tax agreement. The commissioner's authority includes, but is not limited to, collecting fuel taxes due, issuing fuel licenses, issuing refunds, conducting audits, assessing penalties and interest, issuing fuel trip permits, issuing decals, and suspending or denying licensing.*

Subd. 6. [MINNESOTA-BASED INTERSTATE CARRIERS.] *Notwithstanding the exemption contained in section 296.17, subdivision 9, as the commissioner of public safety enters into interstate fuel tax compacts requiring base state licensing and filing and eliminating filing in the nonresident compact states, the Minnesota-based motor vehicles registered under section 168.187 will be required to license under the fuel tax compact in Minnesota.*

Subd. 7. [DELINQUENT FILING OR PAYMENT.] *If a fleet owner licensed under this section is delinquent in either filing or paying the international fuel tax agreement reports for more than 30 days, or paying the international registration plan billing under section 168.187 for more than 30 days, the fleet owner, after ten days' written notice, is subject to suspension of the apportioned license plates and the international fuel tax agreement license.*

Subd. 8. [TRANSFERRING FUNDS TO PAY DELINQUENT FEES.] *If a fleet owner licensed under this section is delinquent in either filing or paying the international fuel tax agreement reports for more than 30 days, or paying the international registration plan billing under section 168.187 for more than 30 days, the commissioner may authorize any credit in either the international fuel tax agreement account or the international registration plan account to be used to offset the liability in either the international registration plan account or the international fuel tax agreement account.*

Subd. 9. [FUEL COMPACT FEES.] *License fees paid to the commissioner of public safety under the international fuel tax agreement must be deposited in the highway user tax distribution fund. The commissioner shall charge the fuel license fee of $30 established under section 296.17, subdivision 10, in annual installments of $15 and an annual application filing fee of $13 for quarterly reporting of fuel tax.*

Subd. 10. [FUEL DECAL FEES.] *The commissioner of public safety may issue and require the display of a decal or other identification to show compliance with subdivision 5. The commissioner may charge a fee to cover the cost of issuing the decal or other identification. Decal fees paid to the commissioner under this subdivision must be deposited in the highway user tax distribution fund."*

Subd. 3. [APPROVAL.] *No road authority and private operator may enter into a development agreement without the prior approval of the commissioner and the governing body of each county and municipality through which the facility is to pass. A road authority and private operator in the metropolitan area, as defined in Minnesota Statutes, section 473.121, subdivision 2, must obtain the council approval required in Minnesota Statutes, section 473.167, subdivision 1.*

Subd. 4. [DEVELOPMENT AGREEMENT.] *(a) A development agreement for toll facilities may provide for any mode of ownership or operation approved by the road authority, including ownership by the private operator without reversion of title, operation of the facilities under leases or management contracts, or BOT or BTO facilities.*

(b) A development agreement may permit the private operator to assemble funds from any available source, including federal, state, and local grants, bond proceeds, contributions, and pledges and to incorporate an existing road or highway, a bridge, and approach structures, and related improvements into the toll facility. The private operator shall pay the road authority the fair market value of any property incorporated into the facility or shall adjust toll charges to the public to reflect the value of the incorporated property.

(c) A development agreement may include grants of title, easements, rights-of-way, and leasehold estates necessary to the toll facility.

(d) A development agreement may authorize the private operator to charge variable rate tolls based on time of day, vehicle characteristics, or other factors approved by the road authority.

(e) A development agreement may include authorization by the road authority to the private operator to exercise powers possessed by the road authority with respect to similar facilities.

Subd. 5. [RIGHT-OF-WAY ACQUISITION.] *A private operator may acquire right-of-way by donation, lease, or purchase. A road authority may acquire right-of-way by eminent domain and may donate, sell, or lease a right-of-way to a private operator.*

Subd. 6. [RESTRICTION.] *No toll facility may be used for any purpose other than the transportation purposes specified in the development agreement for the term of the agreement.*

Subd. 7. [TOLL FACILITY ACQUIRED BY ROAD AUTHORITY.] *A development agreement that requires transfer or reversion of a toll facility to a road authority must provide that the transfer be at no cost to the road authority. The private operator shall establish an escrow account with sufficient funds to ensure that the facility meets applicable construction and*

maintenance standards of the road authority upon reversion.

Subd. 8. [APPLICATION OF OTHER LAW.] *A private operator must obtain all environmental, navigational, design, or safety approvals required if the toll facility were constructed or operated by a road authority.*

Sec. 7. [DEVELOPMENT AGREEMENTS; MANDATORY PROVISIONS.]

A development agreement must include the following provisions:

(a) The toll facility must meet the road authority's standards of design and construction for roads and bridges of the same functional classification and must be constructed by contractors on the department's list of eligible contractors.

(b) The commissioner must review and approve the location and design of a bridge over navigable waters as if the bridge were constructed by a road authority. This does not diminish the private operator's responsibility for bridge safety.

(c) The private operator shall manage and operate the toll facility in cooperation with the road authority and subject to the development agreement.

(d) The toll facility is subject to regular inspections by the road authority and the commissioner.

(e) The road authority shall provide maintenance, snow removal, and police services to the toll facility and the private operator shall pay the road authority the cost of services provided.

Sec. 8. [COST RECOVERY.]

Subdivision 1. [USE OF TOLL REVENUES.] *Toll revenues must be applied to repayment of indebtedness incurred for the toll facility; lease or toll concessions payments; costs of operation, administration, rehabilitation, and maintenance necessary to meet applicable standards of the commissioner; and reasonable reserves for future capital outlays. The enumeration of uses in this subdivision does not state priorities for the use of these revenues.*

Subd. 2. [RESIDUAL TOLL REVENUES.] *Residual toll revenues belong to the private operator, except for payments to a road authority under the development agreement or a related toll concession agreement.*

Subd. 3. [CONTINUATION OF TOLLS.] *After expiration of a lease for a BTO facility, or after title has reverted for a BOT facility, the road authority may continue to charge tolls for the facility.*

Subd. 4. [TOLLS PRESCRIBED.] *A road authority may prescribe tolls on a toll facility only if the road authority reasonably determines that no feasible alternative to the toll facility exists to serve the traffic that uses the facility. Tolls prescribed by a road authority for a facility must permit the operator a reasonable return on both investment and capital.*

Sec. 9. [LAW ENFORCEMENT.]

State and local law enforcement authorities have the same powers and authority on a toll facility within their respective jurisdictions as they have on any other highway, road, or street within their jurisdiction. Law enforcement officers have free access to the toll facility at any time to exercise

such powers as though it were a public right-of-way. State and local traffic and motor vehicle laws apply to persons driving or occupying motor vehicles on the toll facility.

Sec. 10. [JOINT AUTHORITY.]

(a) Two or more road authorities with jurisdiction over a toll facility may enter into a joint powers agreement under Minnesota Statutes, section 471.59, to exercise the powers, duties, and functions of the road authorities related to the toll facility, including negotiation and administration of the development agreement and related lease and toll concession agreements. If all road authorities with jurisdiction over a toll facility concur, title to or authority over the facility may be tendered to the commissioner who may accept the title or authority pursuant to the development agreement and this section.

(b) If a facility is located within the jurisdiction of more than one road authority, a road authority may prescribe tolls only under a joint agreement entered into under paragraph (a). Tolls may be prescribed under a joint agreement only if all road authorities with jurisdiction over the facility are parties to the agreement.

Sec. 11. [TOLL FACILITY REPLACEMENT PROJECTS.]

When a highway project in the metropolitan area, as defined in Minnesota Statutes, section 473.121, subdivision 2, has been scheduled in the department's six-year work program but is designated as a toll facility, the commissioner shall substitute in the work program a similar highway project in the metropolitan area.

Sec. 12. [EXPIRATION.]

Sections 5 to 11 expire July 1, 1993, unless the commissioner certifies before July 1, 1993, that a private developer and road authority have reached agreement on development of a toll facility."

The motion prevailed. So the amendment was adopted.

Mr. Terwilliger moved to amend H.F. No. 1701, the unofficial engrossment, as follows:

Page 3, after line 34, insert:

"Sec. 5. Minnesota Statutes 1990, section 270.80, subdivision 1, is amended to read:

Subdivision 1. The following words and phrases when used in Laws 1979, chapter 303, article 7, sections 1 to 13, *and section 6*, unless the context clearly indicates otherwise, shall have the meanings ascribed to them in this section.

Sec. 6. [270.871] [ALTERNATIVE VALUATION.]

Notwithstanding section 270.84, the valuation of railroad operating property located within the metropolitan area, as defined in section 473.121, subdivision 2, shall be determined according to its highest and best use. In calculating a local government's local tax rate under section 275.08, subdivision 1b, the net tax capacity based upon railroad operating property's estimated value as determined under sections 270.84 to 270.86 shall be

used. However, the resulting tax rate after adjustments under section 275.08, subdivisions 1c and 1d, shall be applied against the railroad operating property's net tax capacity as determined by using the estimated market value provided under this section. The difference between (1) the amount of tax that would have been raised if the railroad operating property's estimated market value was determined under section 270.84, and (2) the amount of tax determined under this section shall be segregated by the auditor of each metropolitan county and remitted to the regional transit board at the time of settlement under sections 276.11 and 276.111. One-half of this amount shall be used by the regional transit board for regular transit service within the metropolitan area and one-half shall be used for special transportation services under section 473.386.

Sec. 7. [REVENUE ADDITIONAL TO APPROPRIATION LIMITATION.]

Revenue derived from the method of taxation required under section 6 is in addition to any other appropriation to the regional transit board to be used to provide special transportation services, and is not subject to the limitation provided in Laws 1991, chapter 233, section 3."

Subdivision 1. [DEFINITIONS.] *The definitions in this section apply to this section.*

(a) "Commissioner" means the commissioner of the department of jobs and training.

(b) "Energy provider" means a person who provides heating fuel, including natural gas, electricity, fuel oil, propane, wood, or other form of heating fuel, to residences at retail.

(c) "Fuel fund" means a fund established by an energy provider, the state, or any other entity that collects and distributes money for low-income emergency energy assistance and meets the minimum criteria, including income eligibility criteria, for receiving money from the federal Low-Income Home Energy Assistance Program and the program's Incentive Fund for Leveraging Non-Federal Resources.

Subd. 2. [ENERGY PROVIDERS; REQUIREMENT.] *Each energy provider may solicit contributions from its energy customers for deposit in a fuel fund established by the energy provider, a fuel fund established by another energy provider or other entity, or the statewide fuel account established in subdivision 3, for the purpose of providing emergency energy assistance to low-income households that qualify under the federal eligibility criteria of the federal Low-Income Home Energy Assistance Program. Solicitation of contributions from customers may be made at least annually and may provide each customer an opportunity to contribute as part of payment of bills for provision of service or provide an alternate, convenient way for*

customers to contribute.

Subd. 3. [STATEWIDE FUEL ACCOUNT; APPROPRIATION.] *The commissioner shall establish a statewide fuel account. The commissioner may develop and implement a program to solicit contributions, manage the receipts, and distribute emergency energy assistance to low-income households, as defined in the federal Low-Income Home Energy Assistance Program, on a statewide basis. All money remitted to the commissioner for deposit in the statewide fuel account is appropriated to the commissioner for the purpose of developing and implementing the program. No more than ten percent of the money received in the first two years of the program may be used for the administrative expenses of the commissioner to implement the program and no more than five percent of the money received in any subsequent year may be used for administration of the program.*

Subd. 13. No new room air conditioner ~~or room air conditioner heat pump~~ shall be sold or installed or transported for resale into Minnesota unless it has an energy efficiency ratio ~~of 7.0 or higher. Beginning January 1, 1987, the energy efficiency ratio for room air conditioners with a 6,000 Btu per hour rating or higher must be 7.8 or higher. For purposes of this subdivision, "energy efficiency ratio" means the ratio of the cooling capacity of the air conditioner in British thermal units per hour to the electrical input in watts. The cooling capacity, electrical input, and energy efficiency ratio of room air conditioners and room air conditioning heat pumps is determined by using the standard for room air conditioners, approved by the American National Standards Institute on April 20, 1982, known as ANSI/AHAM RAC-1, with ASHRAE 58-74 used in lieu of ASHRAE 58-65. The method of sampling of room air conditioners shall be that required by the Department of Energy and found in 44 Federal Register 22410-22418 (April 13, 1979). The rules must establish minimum efficiency standards for incandescent lamps of specific lamp type and wattage where an energy-saving substitute lamp is currently produced by at least two lamp manufacturers. The rules must include, but not be limited to, the following lamps: 40-watt A17 and A19 lamps, 60-watt A17 and A19 lamps, 75-watt A17 and A19 lamps, 100-watt A17 and A19 lamps, and 150-watt A21 lamps, where each is a general-purpose incandescent lamp with rated voltage between 114 and 131 volts with diffuse coating. The minimum efficiency standard must be set to exceed the efficiency of the original lamp. For incandescent lamps for which minimum standards have been established, no lamp may be sold in Minnesota unless it meets or exceeds the minimum efficiency standards adopted under this section.*

(c) No lavatory faucet or lavatory replacement aerator may be sold or installed in Minnesota if it permits a maximum water use in excess of two gallons per minute when measured at a flowing water pressure of 80 pounds per square inch.

Sec. 10. Minnesota Statutes 1990, section 216C.19, is amended by adding a subdivision to read:

Subd. 20. [RULES.] *The commissioner shall adopt rules to implement subdivisions 13 and 16 to 19, including rules governing testing of products covered by those sections. The Honorable Dee Long
Speaker of the House of Representatives

President of the Senate

We, the undersigned conferees for H.F. No. 2800, report that we have agreed upon the items in dispute and recommend as follows:

That the Senate recede from its amendment and that H.F. No. 2800 be further amended as follows:

Delete everything after the enacting clause and insert:

"ARTICLE 1

COST CONTAINMENT

Section 1. [62J.01] [PURPOSE.]

The legislature finds that the staggering growth in health care costs is having a devastating effect on the health and cost of living of Minnesota residents. The legislature further finds that the number of uninsured and underinsured residents is growing each year and that the cost of health care coverage for our insured residents is increasing annually at a rate that far exceeds the state's overall rate of inflation.

The legislature further finds that it must enact immediate and intensive cost containment measures to limit the growth of health care expenditures, reform insurance practices, and finance a plan that offers access to affordable health care for our permanent residents by capturing dollars now lost to inefficiencies in Minnesota's health care system.

The legislature further finds that controlling costs is essential to the maintenance of the many factors contributing to the quality of life in Minnesota: our environment, education system, safe communities, affordable housing, provision of food, economic vitality, purchasing power, and stable population.

It is, therefore, the intent of the legislature to lay a new foundation for the delivery and financing of health care in Minnesota and to call this new foundation The Minnesota Health Right Act.

Sec. 2. [62J.03] [DEFINITIONS.]

Subdivision 1. [SCOPE OF DEFINITIONS.] *For purposes of this chapter, the terms defined in this section have the meanings given.*

Subd. 2. [CLINICALLY EFFECTIVE.] *"Clinically effective" means that the use of a particular medical technology improves patient clinical status, as measured by medical condition, survival rates, and other variables, and that the use of the particular technology demonstrates a clinical advantage over alternative technologies.*

Subd. 3. [COMMISSION.] *"Commission" or "state commission" means the Minnesota health care commission established in section 62J.05.*

Subd. 4. [COMMISSIONER.] *"Commissioner" means the commissioner of health.*

Subd. 5. [COST EFFECTIVE.] *"Cost effective" means that the economic costs of using a particular technology to achieve improvement in a patient's health outcome are justified given a comparison to both the economic costs and the improvement in patient health outcome resulting from the use of alternative technologies.*

Subd. 6. [GROUP PURCHASER.] *"Group purchaser" means a person or organization that purchases health care services on behalf of an identified group of persons, regardless of whether the cost of coverage or services is paid for by the purchaser or by the persons receiving coverage or services, as further defined in rules adopted by the commissioner. "Group purchaser" includes, but is not limited to, health insurance companies, health maintenance organizations and other health plan companies; employee health plans offered by self-insured employers; group health coverage offered by fraternal organizations, professional associations, or other organizations; state and federal health care programs; state and local public employee health plans; workers' compensation plans; and the medical component of automobile insurance coverage.*

Subd. 7. [IMPROVEMENT IN HEALTH OUTCOME.] *"Improvement in health outcome" means an improvement in patient clinical status, and an improvement in patient quality-of-life status, as measured by ability to function, ability to return to work, and other variables.*

Subd. 8. [PROVIDER.] *"Provider" or "health care provider" means a person or organization other than a nursing home that provides health care or medical care services within Minnesota for a fee, as further defined in rules adopted by the commissioner.*

Sec. 3. [62J.04] [CONTROLLING THE RATE OF GROWTH OF HEALTH CARE SPENDING.]

Subdivision 1. [COMPREHENSIVE BUDGET.] *The commissioner of health shall set an annual limit on the rate of growth of public and private spending on health care services for Minnesota residents. The limit on growth must be set at a level that will slow the current rate of growth by at least ten percent per year using the spending growth rate for 1991 as a base year. This limit must be achievable through good faith, cooperative efforts of health care consumers, purchasers, and providers.*

Subd. 2. [DATA COLLECTION.] *For purposes of setting limits under this section, the commissioner shall collect from all Minnesota health care providers data on patient revenues received during a time period specified by the commissioner. The commissioner shall also collect data on health care spending from all group purchasers of health care. All health care providers and group purchasers doing business in the state shall provide the data requested by the commissioner at the times and in the form specified by the commissioner. Professional licensing boards and state agencies responsible for licensing, registering, or regulating providers shall cooperate fully with the commissioner in achieving compliance with the reporting requirements. Intentional failure to provide reports requested under this section is grounds for revocation of a license or other disciplinary or regulatory action against a regulated provider. The commissioner may assess a fine against a provider who refuses to provide information required by the commissioner under this section. If a provider refuses to provide a report*

or information required under this section, the commissioner may obtain a court order requiring the provider to produce documents and allowing the commissioner to inspect the records of the provider for purposes of obtaining the information required under this section. All data received is nonpublic, trade secret information under section 13.37. The commissioner shall establish procedures and safeguards to ensure that data provided to the Minnesota health care commission is in a form that does not identify individual patients, providers, employers, purchasers, or other individuals and organizations, except with the permission of the affected individual or organization.

Subd. 3. [COST CONTAINMENT DUTIES.] *After obtaining the advice and recommendations of the Minnesota health care commission, the commissioner shall:*

(1) establish statewide and regional limits on growth in total health care spending under this section, monitor regional and statewide compliance with the spending limits, and take action to achieve compliance to the extent authorized by the legislature;

(2) divide the state into no fewer than four regions, with one of those regions being the Minneapolis/St. Paul metropolitan statistical area, for purposes of fostering the development of regional health planning and coordination of health care delivery among regional health care systems and working to achieve spending limits;

(3) provide technical assistance to regional coordinating boards;

(4) monitor the quality of health care throughout the state, conduct consumer satisfaction surveys, and take action as necessary to ensure an appropriate level of quality;

(5) develop uniform billing forms, uniform electronic billing procedures, and other uniform claims procedures for health care providers by January 1, 1993;

(6) undertake health planning responsibilities as provided in section 62J.15;

(7) monitor and promote the development and implementation of practice parameters;

(8) authorize, fund, or promote research and experimentation on new technologies and health care procedures;

(9) designate centers of excellence for specialized and high-cost procedures and treatment and establish minimum standards and requirements for particular procedures or treatment;

(10) administer or contract for statewide consumer education and wellness programs that will improve the health of Minnesotans and increase individual responsibility relating to personal health and the delivery of health care services;

(11) administer the health care analysis unit under article 7; and

(12) undertake other activities to monitor and oversee the delivery of health care services in Minnesota with the goal of improving affordability, quality, and accessibility of health care for all Minnesotans.

Subd. 4. [CONSULTATION WITH THE COMMISSION.] *Before undertaking any of the duties required under this chapter, the commissioner of health shall consult with the Minnesota health care commission and obtain*

the commission's advice and recommendations. If the commissioner intends to depart from the commission's recommendations, the commissioner shall inform the commission of the intended departure, provide a written explanation of the reasons for the departure, and give the commission an opportunity to comment on the intended departure. If, after receiving the commission's comment, the commissioner still intends to depart from the commission's recommendations, the commissioner shall notify each member of the legislative oversight commission of the commissioner's intent to depart from the recommendations of the Minnesota health care commission. The notice to the legislative oversight commission must be provided at least ten days before the commissioner takes final action. If emergency action is necessary that does not allow the commissioner to obtain the advice and recommendations of the Minnesota health care commission or to provide advance notice and an opportunity for comment as required in this subdivision, the commissioner shall provide a written notice and explanation to the Minnesota health care commission and the legislative oversight commission at the earliest possible time.

Subd. 5. [APPEALS.] *A person or organization may appeal a decision of the commissioner through a contested case proceeding under chapter 14.*

Subd. 6. [RULEMAKING.] *The commissioner shall adopt rules under chapter 14 to implement this chapter, including appeals of decisions by the Minnesota health care commission and the regional coordinating boards.*

Subd. 7. [PLAN FOR CONTROLLING GROWTH IN SPENDING.] *(a) By January 15, 1993, the Minnesota health care commission shall submit to the legislature and the governor for approval a plan, with as much detail as possible, for slowing the growth in health care spending to the growth rate identified by the commission, beginning July 1, 1993. The goal of the plan shall be to reduce the growth rate of health care spending, adjusted for population changes, so that it declines by at least ten percent per year for each of the next five years. The commission shall use the rate of spending growth in 1991 as the base year for developing its plan. The plan may include tentative targets for reducing the growth in spending for consideration by the legislature.*

(b) In developing the plan, the commission shall consider the advisability and feasibility of the following options, but is not obligated to incorporate them into the plan:

(1) data and methods that could be used to calculate regional and statewide spending limits and the various options for expressing spending limits, such as maximum percentage growth rates or actuarially adjusted average per capita rates that reflect the demographics of the state or a region of the state;

(2) methods of adjusting spending limits to account for patients who are not Minnesota residents, to reflect care provided to a person outside the person's region, and to adjust for demographic changes over time;

(3) methods that could be used to monitor compliance with the limits;

(4) criteria for exempting spending on research and experimentation on new technologies and medical practices when setting or enforcing spending limits;

(5) methods that could be used to help providers, purchasers, consumers, and communities control spending growth;

(6) methods of identifying activities of consumers, providers, or purchasers that contribute to excessive growth in spending;

(7) methods of encouraging voluntary activities that will help keep spending within the limits;

(8) methods of consulting providers and obtaining their assistance and cooperation and safeguards that are necessary to protect providers from abrupt changes in revenues or practice requirements;

(9) methods of avoiding, preventing, or recovering spending in excess of the rate of growth identified by the commission;

(10) methods of depriving those who benefit financially from overspending of the benefit of overspending, including the option of recovering the amount of the excess spending from the greater provider community or from individual providers or groups of providers through targeted assessments;

(11) methods of reallocating health care resources among provider groups to correct existing inequities, reward desirable provider activities, discourage undesirable activities, or improve the quality, affordability, and accessibility of health care services;

(12) methods of imposing mandatory requirements relating to the delivery of health care, such as practice parameters, hospital admission protocols, 24-hour emergency care screening systems, or designated specialty providers;

(13) methods of preventing unfair health care practices that give a provider or group purchaser an unfair advantage or financial benefit or that significantly circumvent, subvert, or obstruct the goals of this chapter;

(14) methods of providing incentives through special spending allowances or other means to encourage and reward special projects to improve outcomes or quality of care; and

(15) the advisability or feasibility of a system of permanent, regional coordinating boards to ensure community involvement in activities to improve affordability, accessibility, and quality of health care in each region.

Subd. 3. [ESTABLISHMENT OF REGIONAL COORDINATING ORGANIZATIONS AND STRUCTURE.] *The providers of health services in each region should begin formulating the appropriate structure for organizing the delivery networks or systems to accomplish the objectives in subdivision 1. Once a draft plan is outlined, or during the drafting process, other entities should be included as appropriate so as to ensure the comprehensiveness of the plan and the regional planning process. The ultimate structure of the regional coordinating organization may vary by region and in composition. Sec. 7. [62J.15] [HEALTH PLANNING.]

Subdivision 1. [HEALTH PLANNING ADVISORY COMMITTEE.] *The Minnesota health care commission shall convene an advisory committee to make recommendations regarding the use and distribution of new and existing health care technologies and procedures and major capital expenditures by providers. The advisory committee may include members of the state commission and other persons appointed by the commission. The advisory committee must include at least one person representing physicians, at least one person representing hospitals, and at least one person representing the health care technology industry. Health care technologies and procedures include high-cost pharmaceuticals, organ and other high-cost transplants, high-cost health care procedures and devices excluding United States Food and Drug Administration approved implantable or wearable medical devices, and expensive, large-scale technologies such as scanners and imagers.*

Subd. 2. [HEALTH PLANNING.] *In consultation with the health planning advisory committee, the Minnesota health care commission shall:*

(1) make recommendations on the types of high-cost technologies, procedures, and capital expenditures for which a plan on statewide use and distribution should be made;

(2) develop criteria for evaluating new high-cost health care technology and procedures and major capital expenditures that take into consideration the clinical effectiveness, cost effectiveness, and health outcome;

(3) recommend to the commissioner of health and the regional coordinating organizations statewide and regional goals and targets for the distribution and use of new and existing high-cost health care technologies and procedures and major capital expenditures;

(4) make recommendations to the commissioner regarding the designation of centers of excellence for transplants and other specialized medical procedures; and

(5) make recommendations to the commissioner regarding minimum volume requirements for the performance of certain procedures by hospitals and other health care facilities or providers.

Sec. 8. [62J.17] [EXPENDITURE REPORTING.]

Subdivision 1. [PURPOSE.] *To ensure access to affordable health care services for all Minnesotans it is necessary to restrain the rate of growth in health care costs. An important factor believed to contribute to escalating costs may be the purchase of costly new medical equipment, major capital expenditures, and the addition of new specialized services. After spending limits are established under section 62J.04, providers, patients, and communities will have the opportunity to decide for themselves whether they can afford capital expenditures or new equipment or specialized services within the constraints of a spending limit. In this environment, the state's role in reviewing these spending commitments can be more limited. However, during the interim period until spending targets are established, it is important to prevent unrestrained major spending commitments that will contribute further to the escalation of health care costs and make future cost containment efforts more difficult. In addition, it is essential to protect against the possibility that the legislature's expression of its attempt to control health care costs may lead a provider to make major spending commitments before targets or other cost containment constraints are fully implemented because the provider recognizes that the spending commitment may not be considered appropriate, needed, or affordable within the context of a fixed budget for health care spending. Therefore, the legislature finds that a requirement for reporting health care expenditures is necessary.*

Subd. 2. [DEFINITIONS.] *For purposes of this section, the terms defined in this subdivision have the meanings given.*

(a) [CAPITAL EXPENDITURE.] *"Capital expenditure" means an expenditure which, under generally accepted accounting principles, is not properly chargeable as an expense of operation and maintenance.*

(b) [HEALTH CARE SERVICE.] *"Health care service" means:*

(1) a service or item that would be covered by the medical assistance program under chapter 256B if provided in accordance with medical assistance requirements to an eligible medical assistance recipient; and

(2) a service or item that would be covered by medical assistance except that it is characterized as experimental, cosmetic, or voluntary.

"Health care service" does not include retail, over-the-counter sales of nonprescription drugs and other retail sales of health-related products that are not generally paid for by medical assistance and other third-party coverage.

(c) [MAJOR SPENDING COMMITMENT.] *"Major spending commitment" means:*

(1) acquisition of a unit of medical equipment;

(2) a capital expenditure for a single project for the purposes of providing health care services, other than for the acquisition of medical equipment;

(3) offering a new specialized service not offered before;

(4) planning for an activity that would qualify as a major spending commitment under this paragraph; or

(5) a project involving a combination of two or more of the activities in clauses (1) to (4).

The cost of acquisition of medical equipment, and the amount of a capital expenditure, is the total cost to the provider regardless of whether the cost is distributed over time through a lease arrangement or other financing or payment mechanism.

(d) [MEDICAL EQUIPMENT.] *"Medical equipment" means fixed and movable equipment that is used by a provider in the provision of a health care service. "Medical equipment" includes, but is not limited to, the following:*

(1) an extracorporeal shock wave lithotripter;

(2) a computerized axial tomography (CAT) scanner;

(3) a magnetic resonance imaging (MRI) unit;

(4) a positron emission tomography (PET) scanner; and

(5) emergency and nonemergency medical transportation equipment and vehicles.

(e) [NEW SPECIALIZED SERVICE.] *"New specialized service" means a specialized health care procedure or treatment regimen offered by a provider that was not previously offered by the provider, including, but not limited to:*

(1) cardiac catheterization services involving high-risk patients as defined in the Guidelines for Coronary Angiography established by the American Heart Association and the American College of Cardiology;

(2) heart, heart-lung, liver, kidney, bowel, or pancreas transplantation service, or any other service for transplantation of any other organ;

(3) megavoltage radiation therapy;

(4) open heart surgery;

(5) neonatal intensive care services; and

(6) any new medical technology for which premarket approval has been granted by the United States Food and Drug Administration, excluding

implantable and wearable devices.

(f) [PROVIDER.] *"Provider" means an individual, corporation, association, firm, partnership, or other entity that is regularly engaged in providing health care services in Minnesota.*

Subd. 3. [HOSPITAL AND NURSING HOME MORATORIA PRESERVED; NURSING HOMES EXEMPT.] *Nothing in this section supersedes or limits the applicability of section 144.551 or 144A.071. This section does not apply to major spending commitments made by nursing homes or intermediate care facilities that are related to the provision of long-term care services to residents.*

Subd. 4. [EXPENDITURE REPORTING.] *Any provider making a capital expenditure establishing a health care service or new specialized service, or making a major spending commitment after April 1, 1992, that is in excess of $500,000, shall submit notification of this expenditure to the commissioner and provide the commissioner with any relevant background or other information. The commissioner shall not have any approval or denial authority, but should use such information in the ongoing evaluation of statewide and regional progress toward cost containment and other objectives.*

Subd. 5. [RETROSPECTIVE REVIEW.] *The commissioner of health, in consultation with the Minnesota health care commission, shall retrospectively review capital expenditures and major spending commitments that are required to be reported by providers under subdivision 4. In the event that health care providers refuse to cooperate with attempts by the Minnesota health care commission and regional coordinating organizations to coordinate the use of health care technologies and procedures, and reduce the growth rate in health care expenditures; or in the event that health care providers use, purchase, or perform health care technologies and procedures that are not clinically effective and cost effective and do not improve health outcomes based on the results of medical research; or in the event providers have failed to pursue collaborative arrangements; the commissioner shall require those health care providers to follow the procedures for prospective review and approval established in subdivision 6.*

Subd. 6. [PROSPECTIVE REVIEW AND APPROVAL.] *(a)* [REQUIREMENT.] *The commissioner shall prohibit those health care providers subject to retrospective review under subdivision 5 from making future major spending commitments or capital expenditures that are required to be reported under subdivision 4 for a period of up to five years, unless: (1) the provider has filed an application to proceed with the major spending commitment or capital expenditure with the commissioner and provided supporting documentation and evidence requested by the commissioner; and (2) the commissioner determines, based upon this documentation and evidence, that the spending commitment or capital expenditure is appropriate. The commissioner shall make a decision on a completed application within 60 days after an application is submitted. The Minnesota health care commission shall convene an expert review panel made up of persons with knowledge and expertise regarding medical equipment, specialized services, and health care expenditures to review applications and make recommendations to the commissioner and the commission.*

(b) [EXCEPTIONS.] *This subdivision does not apply to:*

(1) a major spending commitment to replace existing equipment with

comparable equipment, if the old equipment will no longer be used in the state;

(2) a major spending commitment made by a research and teaching institution for purposes of conducting medical education, medical research supported or sponsored by a medical school, or by a federal or foundation grant, or clinical trials;

(3) a major spending commitment to repair, remodel, or replace existing buildings or fixtures if, in the judgment of the commissioner, the project does not involve a substantial expansion of service capacity or a substantial change in the nature of health care services provided; and

(4) mergers, acquisitions, and other changes in ownership or control that, in the judgment of the commissioner, do not involve a substantial expansion of service capacity or a substantial change in the nature of health care services provided.

(c) [APPEALS.] *A provider may appeal a decision of the commissioner under this section through a contested case proceeding under chapter 14.*

(d) [PENALTIES AND REMEDIES.] *The commissioner of health shall have the authority to issue fines, seek injunctions, and pursue other remedies as provided by law.*

Sec. 9. [62J.19] [SUBMISSION OF REGIONAL PLAN TO COMMISSIONER.]

Each regional coordinating organization shall submit its plan to the commissioner on or before June 30, 1993. In the event that any major provider, provider group or other entity within the region chooses to not participate in the regional planning process, the commissioner may require the participation of that entity in the planning process or adopt other rules or criteria for that entity. In the event that a region fails to submit a plan to the commissioner that satisfactorily promotes the objectives in section 62J.09, subdivisions 1 and 2, or where competing plans and regional coordination organizations exist, the commissioner has the authority to establish a public regional coordinating organization for purposes of establishing a regional plan which will achieve the objectives. The public regional coordinating organization shall be appointed by the commissioner and under the commissioner's direction.

Sec. 10. [62J.21] [REPORTING TO THE LEGISLATURE.]

The commissioner shall report to the legislature by January 1, 1993 regarding the process being made within each region with respect to the establishment of a regional coordinating organization and the development of a regional plan. In the event that the commissioner determines that any region is not making reasonable progress or a good-faith commitment towards establishing a regional coordinating organization and regional plan, the commissioner may establish a public regional board for this purpose. The commissioner's report should also include the issues, if any, raised during the planning process to date and request any appropriate legislate action that would facilitate the planning process.

Sec. 11. [62J.22] [PARTICIPATION OF FEDERAL PROGRAMS.]

The commissioner of health shall seek the full participation of federal health care programs under this chapter, including Medicare, medical assistance, veterans administration programs, and other federal programs. The

commissioner of human services shall under the direction of the health care commission submit waiver requests and take other action necessary to obtain federal approval to allow participation of the medical assistance program. Other state agencies shall provide assistance at the request of the commission. If federal approval is not given for one or more federal programs, data on the amount of health care spending that is collected under section 62J.04 shall be adjusted so that state and regional spending limits take into account the failure of the federal program to participate.

Sec. 12. [62J.23] [PROVIDER CONFLICTS OF INTEREST.]

Subdivision 1. [RULES PROHIBITING CONFLICTS OF INTEREST.] *The commissioner of health shall adopt rules restricting financial relationships or payment arrangements involving health care providers under which a provider benefits financially by referring a patient to another provider, recommending another provider, or furnishing or recommending an item or service. The rules must be compatible with, and no less restrictive than, the federal Medicare antikickback statute, in section 1128B(b) of the Social Security Act, United States Code, title 42, section 1320a-7b(b), and regulations adopted under it. However, the commissioner's rules may be more restrictive than the federal law and regulations and may apply to additional provider groups and business and professional arrangements. When the state rules restrict an arrangement or relationship that is permissible under federal laws and regulations, including an arrangement or relationship expressly permitted under the federal safe harbor regulations, the fact that the state requirement is more restrictive than federal requirements must be clearly stated in the rule.*

Subd. 2. [INTERIM RESTRICTIONS.] *From July 1, 1992, until rules are adopted by the commissioner under this section, the restrictions in the federal Medicare antikickback statutes in section 1128B(b) of the Social Security Act, United States Code, title 42, section 1320a-7b(b), and rules adopted under the federal statutes, apply to all health care providers in the state, regardless of whether the provider participates in any state health care program. The commissioner shall approve a transition plan submitted to the commissioner by January 1, 1993, by a provider who is in violation of this section that provides a reasonable time for the provider to modify prohibited practices or divest financial interests in other providers in order to come into compliance with this section.*

Subd. 3. [PENALTY.] *The commissioner may assess a fine against a provider who violates this section. The amount of the fine is $1,000 or 110 percent of the estimated financial benefit that the provider realized as a result of the prohibited financial arrangement or payment relationship, whichever is greater. A provider who is in compliance with a transition plan approved by the commissioner under subdivision 2, or who is making a good faith effort to obtain the commissioner's approval of a transition plan, is not in violation of this section.*

Sec. 13. [62J.25] [MANDATORY MEDICARE ASSIGNMENT.]

(a) Effective January 1, 1993, a health care provider authorized to participate in the Medicare program shall not charge to or collect from a Medicare beneficiary who is a Minnesota resident any amount in excess of 115 percent of the Medicare-approved amount for any Medicare-covered service provided.

(b) Effective January 1, 1994, a health care provider authorized to participate in the Medicare program shall not charge to or collect from a Medicare beneficiary who is a Minnesota resident any amount in excess of 110 percent of the Medicare-approved amount for any Medicare-covered service provided.

(c) Effective January 1, 1995, a health care provider authorized to participate in the Medicare program shall not charge to or collect from a Medicare beneficiary who is a Minnesota resident any amount in excess of 105 percent of the Medicare-approved amount for any Medicare-covered service provided.

(d) Effective January 1, 1996, a health care provider authorized to participate in the Medicare program shall not charge to or collect from a Medicare beneficiary who is a Minnesota resident any amount in excess of the Medicare-approved amount for any Medicare-covered service provided.

(e) This section does not apply to ambulance services as defined in section 144.801, subdivision 4.

Sec. 14. [62J.29] [ANTITRUST EXCEPTIONS.]

Subdivision 1. [PURPOSE.] *The legislature finds that the goals of controlling health care costs and improving the quality of and access to health care services will be significantly enhanced by some cooperative arrangements involving providers or purchasers that would be prohibited by state and federal antitrust laws if undertaken without governmental involvement. The purpose of this section is to create an opportunity for the state to review proposed arrangements and to substitute regulation for competition when an arrangement is likely to result in lower costs, or greater access or quality, than would otherwise occur in the competitive marketplace. The legislature intends that approval of relationships be accompanied by appropriate conditions, supervision, and regulation to protect against private abuses of economic power.*

Subd. 2. [REVIEW AND APPROVAL.] *The commissioner shall establish criteria and procedures to review and authorize contracts, business or financial arrangements, or other activities, practices, or arrangements involving providers or purchasers that might be construed to be violations of state or federal antitrust laws but which are in the best interests of the state and further the policies and goals of this chapter. The commissioner shall not approve any application unless the commissioner finds that the proposed arrangement is likely to result in lower health care costs, or greater access to or quality of health care, than would occur in the competitive marketplace. The commissioner may condition approval of a proposed arrangement on a modification of all or part of the arrangement to eliminate any restriction on competition that is not reasonably related to the goals of controlling costs or improving access or quality. The commissioner may also establish conditions for approval that are reasonably necessary to protect against any abuses of private economic power and to ensure that the arrangement is appropriately supervised and regulated by the state. The commissioner shall actively monitor and regulate arrangements approved under this section to ensure that the arrangements remain in compliance with the conditions of approval. The commissioner may revoke an approval upon a finding that the arrangement is not in substantial compliance with the terms of the application or the conditions of approval.*

Subd. 3. [APPLICATIONS.] *Applications for approval under this section*

must be filed with the commissioner. An application for approval must describe the proposed arrangement in detail. The application must include at least: the identities of all parties, the intent of the arrangement, the expected effects of the arrangement, an explanation of how the arrangement will control costs or improve access or quality, and financial statements showing how the efficiencies of operation will be passed along to patients and purchasers of health care. The commissioner may ask the attorney general to comment on an application, but the application and any information obtained by the commissioner under this section is not admissible in any proceeding brought by the attorney general based on antitrust.

Subd. 4. [STATE ANTITRUST LAW.] *Notwithstanding the Minnesota antitrust law of 1971, as amended, in Minnesota Statutes, sections 325D.49 to 325D.66, contracts, business or financial arrangements, or other activities, practices, or arrangements involving providers or purchasers that are approved by the commissioner under this section do not constitute an unlawful contract, combination, or conspiracy in unreasonable restraint of trade or commerce under Minnesota Statutes, sections 325D.49 to 325D.66. Approval by the state commission is an absolute defense against any action under state antitrust laws.*

Subd. 5. [RULEMAKING.] *The commissioner shall by January 1, 1994, adopt permanent rules to implement this section. The commissioner is exempt from rulemaking until January 1, 1994.*

Sec. 15. [HOSPITAL PLANNING TASK FORCE.]

The legislative commission on health care access shall convene a hospital health planning task force to undertake preliminary planning relating to cost containment, accessibility of health care services, and quality of care, and to develop options and recommendations to be presented to the legislative commission and to the Minnesota health care commission. The task force consists of interested representatives of Minnesota hospitals, the commissioner of health or the commissioner's representatives, and the members of the legislative commission or their representatives. The task force shall submit reports to the Minnesota health care commission by August 1, 1992, and July 1, 1993. The task force expires on August 1, 1993. The expenses and compensation of members is the responsibility of the institutions, organizations, or agencies they represent.

Sec. 16. [STUDY ON RECOVERY OF UNCOMPENSATED CARE COSTS.]

The commissioner of health shall study cost-shifting and uncompensated care costs in the health care industry. The commissioner shall recommend to the legislature by January 15, 1993, methods to recover from health care providers an amount equal to the share of uncompensated care costs shifted to other payers that are no longer incurred by the provider as uncompensated care costs, due to the availability of the health right plan.

Sec. 17. [STUDY OF HEALTH CARE MANAGEMENT COMPANIES.]

The commissioner of commerce and the commissioner of health shall study and make recommendations to the legislature regarding the regulation of health care management companies. The recommendations shall include, but are not limited to:

(1) the definition of a for-profit, and nonprofit health care management company;

(2) the scope and appropriateness of regulation of for-profit health care management companies, and of nonprofit health care management companies;

(3) the extent to which cost containment and expenditure targets can be attained or realized through regulation of health care management companies; and

(4) the relationship between health care management companies and health care providers, health care plans, health care technology entities, and other components of the health care system.

The commissioners of commerce and health shall present a joint report to the legislature on or before January 15, 1993.

Sec. 18. [STUDY OF HEALTH MAINTENANCE ORGANIZATION REGULATION.]

The commissioners of health and commerce shall jointly study the regulation of health maintenance organizations. The commissioners shall examine the level and type of regulation that is appropriate for the department of health and for the department of commerce and shall report to the legislature by January 15, 1993. The report must contain a consensus plan to transfer authority over the financial aspects of health maintenance organizations to the commissioner of commerce, while allowing the commissioner of health to retain authority over the health care quality aspects of health maintenance organizations.

Sec. 19. [STUDY OF MEDICARE ASSIGNMENT FOR HOME MEDICAL EQUIPMENT.]

The commissioner of health, in consultation with representatives of the home medical equipment industry, shall study the financial impact of the phase-in of mandatory Medicare assignment on the home medical equipment suppliers. The study must include an examination of charges for medical equipment, physician documentation of medical need for medical equipment, the appropriateness of federal guidelines regarding the treatment of assignment, and other factors related to Medicare assignment that may be unique to the home medical equipment industry. The commissioner shall present recommendations to the legislature by January 15, 1993.

Sec. 20. [EFFECTIVE DATE.]

Sections 1 to 11; 12, subdivisions 1 and 2; and 13 to 19 are effective the day following final enactment. Section 12, subdivision 3, is effective July 1, 1993.

ARTICLE 2

SMALL EMPLOYER INSURANCE REFORM

Section 1. [62L.01] [CITATION.]

Subdivision 1. [POPULAR NAME.] *Sections 62L.01 to 62L.23 may be cited as the Minnesota small employer health benefit act.*

Subd. 2. [JURISDICTION.] *Sections 62L.01 to 62L.23 apply to any health carrier that offers, issues, delivers, or renews a health benefit plan to a small employer.*

Subd. 3. [LEGISLATIVE FINDINGS AND PURPOSE.] *The legislature finds that underwriting and rating practices in the individual and small*

employer markets for health coverage create substantial hardship and unfairness, create unnecessary administrative costs, and adversely affect the health of residents of this state. The legislature finds that the premium restrictions provided by this chapter reduce but do not eliminate these harmful effects. Accordingly, the legislature declares its desire to phase out the remaining rating bands as quickly as possible, with the end result of eliminating all rating practices based on risk by July 1, 1997.

Sec. 2. [62L.02] [DEFINITIONS.]

Subdivision 1. [APPLICATION.] *The definitions in this section apply to sections 62L.01 to 62L.23.*

62A.301 and financially dependent upon the eligible employee, or dependent child of any age who is handicapped and who meets the eligibility criteria in section 62A.14, subdivision 2. For the purpose of this definition, a child may include a child for whom the employee or the employee's spouse has been appointed legal guardian.

Subd. 12. [ELIGIBLE CHARGES.] *"Eligible charges" means the actual charges submitted to a health carrier by or on behalf of a provider, eligible employee, or dependent for health services covered by the health carrier's health benefit plan. Subd. 13. [ELIGIBLE EMPLOYEE.] *"Eligible employee" means an individual employed by a small employer for at least 20 hours per week and who has satisfied all employer participation and eligibility requirements, including, but not limited to, the satisfactory completion of a probationary period of not less than 30 days but no more than 90 days. The term includes a sole proprietor, a partner of a partnership, or an independent contractor, if the sole proprietor, partner, or independent contractor is included as an employee under a health benefit plan of a small employer, but does not include employees who work on a temporary, seasonal, or substitute basis.*

Subd. 14. [FINANCIALLY IMPAIRED CONDITION.] *"Financially impaired condition" means a situation in which a health carrier is not insolvent, but (1) is considered by the commissioner to be potentially unable to fulfill its contractual obligations, or (2) is placed under an order of rehabilitation or conservation by a court of competent jurisdiction.*

Subd. 15. [HEALTH BENEFIT PLAN.] *"Health benefit plan" means a policy, contract, or certificate issued by a health carrier to a small employer for the coverage of medical and hospital benefits. (11) workers' compensation insurance.

For the purpose of this chapter, a health benefit plan issued to employees of a small employer who meets the participation requirements of section 62L.03, subdivision 3, is considered to have been issued to a small employer. A health benefit plan issued on behalf of a health carrier is considered to be issued by the health carrier.

Subd. 16. [HEALTH CARRIER.] *"Health carrier" means an insurance company licensed under chapter 60A to offer, sell, or issue a policy of accident and sickness insurance as defined in section 62A.01; a health service plan licensed under chapter 62C; a health maintenance organization licensed under chapter 62D; a fraternal benefit society operating under chapter 64B; a joint self-insurance employee health plan operating under chapter 62H; and a multiple employer welfare arrangement, as defined in United States Code, title 29, section 1002(40), as amended through December 31, 1991. For the purpose of this chapter, companies that are affiliated companies or that are eligible to file a consolidated tax return must be treated as one carrier, except that any insurance company or health service plan corporation that is an affiliate of a health maintenance organization located in Minnesota, or any health maintenance organization located in Minnesota that is an affiliate of an insurance company or health service plan corporation, or any health maintenance organization that is an affiliate of another health maintenance organization in Minnesota, may treat the health maintenance organization as a separate carrier.*

Subd. 17. [HEALTH PLAN.] *"Health plan" means a health benefit plan issued by a health carrier, except that it may be issued:*

(1) to a small employer;

(2) to an employer who does not satisfy the definition of a small employer as defined under subdivision 26; or

Subd. 18. [INDEX RATE.] *"Index rate" means as to a rating period for small employers the arithmetic average of the applicable base premium rate and the corresponding highest premium rate.*

Subd. 19. [LATE ENTRANT.] *"Late entrant" means an eligible employee or dependent who requests enrollment in a health benefit plan of a small employer following the initial enrollment period applicable to the employee or dependent under the terms of the health benefit plan, provided that the initial enrollment period must be a period of at least 30 days. However, an eligible employee or dependent must not be considered a late entrant if:*

(1) the individual was covered under qualifying existing coverage at the time the individual was eligible to enroll in the health benefit plan, declined enrollment on that basis, and presents to the carrier a certificate of termination of the qualifying prior coverage, provided that the individual maintains continuous coverage;

(2) the individual has lost coverage under another group health plan due to the expiration of benefits available under the Consolidated Omnibus Budget Reconciliation Act of 1985, Public Law Number 99-272, as amended, and any state continuation laws applicable to the employer or carrier, provided that the individual maintains continuous coverage;

(3) the individual is a new spouse of an eligible employee, provided that enrollment is requested within 30 days of becoming legally married;

(4) the individual is a new dependent child of an eligible employee, provided that enrollment is requested within 30 days of becoming a dependent;

(5) the individual is employed by an employer that offers multiple health benefit plans and the individual elects a different plan during an open enrollment period; or

(6) a court has ordered that coverage be provided for a dependent child under a covered employee's health benefit plan and request for enrollment is made within 30 days after issuance of the court order.

Subd. 20. [MCHA.] *"MCHA" means the Minnesota comprehensive health association established under section 62E.10.*

Subd. 21. [MEDICAL NECESSITY.] *"Medical necessity" means the appropriate and necessary medical and hospital services eligible for payment under a health benefit plan as determined by a health carrier.*

Subd. 22. [MEMBERS.] *"Members" means the health carriers operating in the small employer market who may participate in the association.*

Subd. 23. [PREEXISTING CONDITION.] *"Preexisting condition" means a condition manifesting in a manner that causes an ordinarily prudent person to seek medical advice, diagnosis, care, or treatment or for which medical advice, diagnosis, care, or treatment was recommended or received during the six months immediately preceding the effective date of coverage, or a pregnancy existing as of the effective date of coverage of a health benefit plan.*

Subd. 24. [QUALIFYING PRIOR COVERAGE OR QUALIFYING EXISTING COVERAGE.] *"Qualifying prior coverage" or "qualifying existing coverage" means health benefits or health coverage provided under:*

(1) a health plan, as defined in this section;

(2) Medicare;

(3) medical assistance under chapter 256B;

(4) general assistance medical care under chapter 256D;

(5) MCHA;

(6) a self-insured health plan;

(7) the health right plan established under section 256.936, subdivision 2, when the plan includes inpatient hospital services as provided in section 256.936, subdivision 2a, paragraph (c);

(8) a plan provided under section 43A.316; or

(9) a plan similar to any of the above plans provided in this state or in another state as determined by the commissioner.

Subd. 25. [RATING PERIOD.] *"Rating period" means the 12-month period for which premium rates established by a health carrier are assumed to be in effect, as determined by the health carrier. During the rating period, a health carrier may adjust the rate based on the prorated change in the index rate.*

Subd. 26. [SMALL EMPLOYER.] *"Small employer" means a person, firm, corporation, partnership, association, or other entity actively engaged in business who, on at least 50 percent of its working days during the*

preceding calendar year, employed no fewer than two nor more than 29 eligible employees, the majority of whom were employed in this state. If a small employer has only two eligible employees, one employee must not be the spouse, child, sibling, parent, or grandparent of the other, except that a small employer plan may be offered through a domiciled association to self-employed individuals and small employers who are members of the association, even if the self-employed individual or small employer has fewer than two employees or the employees are family members. Entities that are eligible to file a combined tax return for purposes of state tax laws are considered a single employer for purposes of determining the number of eligible employees. Small employer status must be determined on an annual basis as of the renewal date of the health benefit plan. The provisions of this chapter continue to apply to an employer who no longer meets the requirements of this definition until the annual renewal date of the employer's health benefit plan. Where an association, described in section 62A.10, subdivision 1, comprised of employers contracts with a health carrier to provide coverage to its members who are small employers, the association may elect to be considered to be a small employer, even though the association provides coverage to more than 29 employees of its members, so long as each employer that is provided coverage through the association qualifies as a small employer. An association's election to be considered a small employer under this section is not effective unless filed with the commissioner of commerce. The association may revoke its election at any time by filing notice of revocation with the commissioner.

Subd. 27. [SMALL EMPLOYER MARKET.] *(a) "Small employer market" means the market for health benefit plans for small employers.*

(b) A health carrier is considered to be participating in the small employer market if the carrier offers, sells, issues, or renews a health benefit plan to: (1) any small employer; or (2) the eligible employees of a small employer offering a health benefit plan if, with the knowledge of the health carrier, both of the following conditions are met:

(i) any portion of the premium or benefits is paid for or reimbursed by a small employer; and

(ii) the health benefit plan is treated by the employer or any of the eligible employees or dependents as part of a plan or program for the purposes of the Internal Revenue Code, section 106, 125, or 162.

Subd. 28. [SMALL EMPLOYER PLAN.] *"Small employer plan" means a health benefit plan issued by a health carrier to a small employer for coverage of the medical and hospital benefits described in section 62L.05.*

Sec. 3. [62L.03] [AVAILABILITY OF COVERAGE.]

Subdivision 1. [GUARANTEED ISSUE AND REISSUE.] *Every health carrier shall, as a condition of authority to transact business in this state in the small employer market, affirmatively market, offer, sell, issue, and renew any of its health benefit plans to any small employer as provided in this chapter. Every health carrier participating in the small employer market shall make available both of the plans described in section 62L.05 to small employers and shall fully comply with the underwriting and the rate restrictions specified in this chapter for all health benefit plans issued to small employers. A health carrier may cease to transact business in the small employer market as provided under section 62L.09.*

Subd. 2. [EXCEPTIONS.] *(a) No health maintenance organization is*

required to offer coverage or accept applications under subdivision 1 in the case of the following:

(1) with respect to a small employer, where the worksite of the employees of the small employer is not physically located in the health maintenance organization's approved service areas; or

(2) with respect to an employee, when the employee does not work or reside within the health maintenance organization's approved service areas.

(b) A small employer carrier shall not be required to offer coverage or accept applications pursuant to subdivision 1 where the commissioner finds that the acceptance of an application or applications would place the small employer carrier in a financially impaired condition, provided, however, that a small employer carrier that has not offered coverage or accepted applications pursuant to this paragraph shall not offer coverage or accept applications for any health benefit plan until 180 days following a determination by the commissioner that the small employer carrier has ceased to be financially impaired.

Subd. 3. [MINIMUM PARTICIPATION.] *(a) A small employer that has at least 75 percent of its eligible employees who have not waived coverage participating in a health benefit plan must be guaranteed coverage from any health carrier participating in the small employer market. The participation level of eligible employees must be determined at the initial offering of coverage and at the renewal date of coverage. A health carrier may not increase the participation requirements applicable to a small employer at any time after the small employer has been accepted for coverage. For the purposes of this subdivision, waiver of coverage includes only waivers due to coverage under another group health plan.*

(b) A health carrier may require that small employers contribute a specified minimum percentage toward the cost of the coverage of eligible employees, so long as the requirement is uniformly applied for all small employers. For the small employer plans, a health carrier must require that small employers contribute at least 50 percent of the cost of the coverage of eligible employees. The health carrier must impose this requirement on a uniform basis for both small employer plans and for all small employers.

(c) Nothing in this section obligates a health carrier to issue coverage to a small employer that currently offers coverage through a health benefit plan from another health carrier, unless the new coverage will replace the existing coverage and not serve as one of two or more health benefit plans offered by the employer.

Subd. 4. [UNDERWRITING RESTRICTIONS.] *Health carriers may apply underwriting restrictions to coverage for health benefit plans for small employers, including any preexisting condition limitations, only as expressly permitted under this chapter. Health carriers may collect information relating to the case characteristics and demographic composition of small employers, as well as health status and health history information about employees of small employers. Except as otherwise authorized for late entrants, preexisting conditions may be excluded by a health carrier for a period not to exceed 12 months from the effective date of coverage of an eligible employee or dependent. When calculating a preexisting condition limitation, a health carrier shall credit the time period an eligible employee or dependent was previously covered by qualifying prior coverage, provided that the individual maintains continuous coverage. Late entrants may be*

subject to a preexisting condition limitation not to exceed 18 months from the effective date of coverage of the late entrant. Late entrants may also be excluded from coverage for a period not to exceed 18 months, provided that if a health carrier imposes an exclusion from coverage and a preexisting condition limitation, the combined time period for both the coverage exclusion and preexisting condition limitation must not exceed 18 months.

Subd. 5. [CANCELLATIONS AND FAILURES TO RENEW.] *No health carrier shall cancel, decline to issue, or fail to renew a health benefit plan as a result of the claim experience or health status of the small employer group. A health carrier may cancel or fail to renew a health benefit plan:*

(1) for nonpayment of the required premium;

(2) for fraud or misrepresentation by the small employer, or, with respect to coverage of an individual eligible employee or dependent, fraud or misrepresentation by the eligible employee or dependent, with respect to eligibility for coverage or any other material fact;

(3) if eligible employee participation during the preceding calendar year declines to less than 75 percent, subject to the waiver of coverage provision in subdivision 3;

(4) if the employer fails to comply with the minimum contribution percentage legally required by the health carrier;

(5) if the health carrier ceases to do business in the small employer market; or

(6) for any other reasons or grounds expressly permitted by the respective licensing laws and regulations governing a health carrier, including, but not limited to, service area restrictions imposed on health maintenance organizations under section 62D.03, subdivision 4, paragraph (m), to the extent that these grounds are not expressly inconsistent with this chapter.

Subd. 6. [MCHA ENROLLEES.] *Health carriers shall offer coverage to any eligible employee or dependent enrolled in MCHA at the time of the health carrier's issuance or renewal of a health benefit plan to a small employer. The health benefit plan must require that the employer permit MCHA enrollees to enroll in the small employer's health benefit plan as of the first date of renewal of a health benefit plan occurring on or after July 1, 1993, or, in the case of a new group, as of the initial effective date of the health benefit plan. Unless otherwise permitted by this chapter, health carriers must not impose any underwriting restrictions, including any preexisting condition limitations or exclusions, on any eligible employee or dependent previously enrolled in MCHA and transferred to a health benefit plan so long as continuous coverage is maintained, provided that the health carrier may impose any unexpired portion of a preexisting condition limitation under the person's MCHA coverage. An MCHA enrollee is not a late entrant, so long as the enrollee has maintained continuous coverage.*

Sec. 4. [62L.04] [COMPLIANCE REQUIREMENTS.]

Subdivision 1. [APPLICABILITY OF CHAPTER REQUIREMENTS.] *Beginning July 1, 1993, health carriers participating in the small employer market must offer and make available any health benefit plan that they offer, including both of the small employer plans provided in section 62L.05, to all small employers who satisfy the small employer participation requirements specified in this chapter. Compliance with these requirements is required as of the first renewal date of any small employer group occurring*

after July 1, 1993. For new small employer business, compliance is required as of the first date of offering occurring after July 1, 1993.

Compliance with these requirements is required as of the first renewal date occurring after July 1, 1994, with respect to employees of a small employer who had been issued individual coverage prior to July 1, 1993, administered by the health carrier on a group basis. Notwithstanding any other law to the contrary, the health carrier shall terminate any individual coverage for employees of small employers who satisfy the small employer participation requirements specified in section 62L.03 and offer to replace it with a health benefit plan. If the employer elects not to purchase a health benefit plan, the health carrier must offer all covered employees and dependents the option of maintaining their current coverage, administered on an individual basis, or replacement individual coverage. Small employer and replacement individual coverage provided under this subdivision must be without application of underwriting restrictions, provided continuous coverage is maintained.

Subd. 2. [NEW CARRIERS.] *A health carrier entering the small employer market after July 1, 1993, shall begin complying with the requirements of this chapter as of the first date of offering of a health benefit plan to a small employer. A health carrier entering the small employer market after July 1, 1993, is considered to be a member of the health coverage reinsurance association as of the date of the health carrier's initial offer of a health benefit plan to a small employer.*

Sec. 5. [62L.05] [SMALL EMPLOYER PLAN BENEFITS.]

Subdivision 1. [TWO SMALL EMPLOYER PLANS.] *Each health carrier in the small employer market must make available to any small employer both of the small employer plans described in subdivisions 2 and 3. Under subdivisions 2 and 3, coinsurance and deductibles do not apply to child health supervision services and prenatal services, as defined by section 62A.047. The maximum out-of-pocket costs for covered services must be $3,000 per individual and $6,000 per family per year. The maximum lifetime benefit must be $500,000. The out-of-pocket cost limits and the deductible amounts provided in subdivision 2 must be adjusted on July 1 every two years, based upon changes in the consumer price index, as of the end of the previous calendar year, as determined by the commissioner of commerce. Adjustments must be in increments of $50 and must not be made unless at least that amount of adjustment is required.*

Subd. 2. [DEDUCTIBLE-TYPE SMALL EMPLOYER PLAN.] *The benefits of the deductible-type small employer plan offered by a health carrier must be equal to 80 percent of the eligible charges for health care services, supplies, or other articles covered under the small employer plan, in excess of an annual deductible which must be $500 per individual and $1,000 per family.*

Subd. 3. [COPAYMENT-TYPE SMALL EMPLOYER PLAN.] *The benefits of the copayment-type small employer plan offered by a health carrier must be equal to 80 percent of the eligible charges for health care services, supplies, or other articles covered under the small employer plan, in excess of the following copayments:*

(1) $15 per outpatient visit, other than to a hospital outpatient department or emergency room, urgent care center, or similar facility;

(2) $15 per day for the services of a home health agency or private duty

registered nurse;

(3) $50 per outpatient visit to a hospital outpatient department or emergency room, urgent care center, or similar facility; and

(4) $300 per inpatient admission to a hospital.

Subd. 4. [BENEFITS.] *The medical services and supplies listed in this subdivision are the benefits that must be covered by the small employer plans described in subdivisions 2 and 3:*

(1) inpatient and outpatient hospital services, excluding services provided for the diagnosis, care, or treatment of chemical dependency or a mental illness or condition, other than those conditions specified in clauses (10), (11), and (12);

(2) physician and nurse practitioner services for the diagnosis or treatment of illnesses, injuries, or conditions;

(3) diagnostic X-rays and laboratory tests;

(4) ground transportation provided by a licensed ambulance service to the nearest facility qualified to treat the condition, or as otherwise required by the health carrier;

(5) services of a home health agency if the services qualify as reimbursable services under Medicare and are directed by a physician or qualify as reimbursable under the health carrier's most commonly sold health plan for insured group coverage;

(6) services of a private duty registered nurse if medically necessary, as determined by the health carrier;

(7) the rental or purchase, as appropriate, of durable medical equipment, other than eyeglasses and hearing aids;

(8) child health supervision services up to age 18, as defined in section 62A.047;

(9) maternity and prenatal care services, as defined in sections 62A.041 and 62A.047;

(10) inpatient hospital and outpatient services for the diagnosis and treatment of certain mental illnesses or conditions, as defined by the International Classification of Diseases-Clinical Modification (ICD-9-CM), seventh edition (1990) and as classified as ICD-9 codes 295 to 299;

(11) ten hours per year of outpatient mental health diagnosis or treatment for illnesses or conditions not described in clause (10);

(12) 60 hours per year of outpatient treatment of chemical dependency; and

(13) 50 percent of eligible charges for prescription drugs, up to a separate annual maximum out-of-pocket expense of $1,000 per individual for prescription drugs, and 100 percent of eligible charges thereafter.

Subd. 5. [PLAN VARIATIONS.] *(a) No health carrier shall offer to a small employer a health benefit plan that differs from the two small employer plans described in subdivisions 1 to 4, unless the health benefit plan complies with all provisions of chapters 62A, 62C, 62D, 62E, 62H, and 64B that otherwise apply to the health carrier, except as expressly permitted by paragraph (b).*

(b) As an exception to paragraph (a), a health benefit plan is deemed to be a small employer plan and to be in compliance with paragraph (a) if it differs from one of the two small employer plans described in subdivisions 1 to 4 only by providing benefits in addition to those described in subdivision 4, provided that the health care benefit plan has an actuarial value that exceeds the actuarial value of the benefits described in subdivision 4 by no more than two percent. "Benefits in addition" means additional units of a benefit listed in subdivision 4 or one or more benefits not listed in subdivision 4.

Subd. 6. [CHOICE PRODUCTS EXCEPTION.] *Nothing in subdivision 1 prohibits a health carrier from offering a small employer plan which provides for different benefit coverages based on whether the benefit is provided through a primary network of providers or through a secondary network of providers so long as the benefits provided in the primary network equal the benefit requirements of the small employer plan as described in this section. For purposes of products issued under this subdivision, out-of-pocket costs in the secondary network may exceed the out-of-pocket limits described in subdivision 1.*

Subd. 7. [BENEFIT EXCLUSIONS.] *No medical, hospital, or other health care benefits, services, supplies, or articles not expressly specified in subdivision 4 are required to be included in a small employer plan. Nothing in subdivision 4 restricts the right of a health carrier to restrict coverage to those services, supplies, or articles which are medically necessary. Health carriers may exclude a benefit, service, supply, or article not expressly specified in subdivision 4 from a small employer plan.*

Subd. 8. [CONTINUATION COVERAGE.] *Small employer plans must include the continuation of coverage provisions required by the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA), Public Law Number 99-272, as amended through December 31, 1991, and by state law.*

Subd. 9. [DEPENDENT COVERAGE.] *Other state law and rules applicable to health plan coverage of newborn infants, dependent children who do not reside with the eligible employee, handicapped children and dependents, and adopted children apply to a small employer plan. Health benefit plans that provide dependent coverage must define "dependent" no more restrictively than the definition provided in section 62L.02.*

Subd. 10. [MEDICAL EXPENSE REIMBURSEMENT.] *Health carriers may reimburse or pay for medical services, supplies, or articles provided under a small employer plan in accordance with the health carrier's provider contract requirements including, but not limited to, salaried arrangements, capitation, the payment of usual and customary charges, fee schedules, discounts from fee-for-service, per diems, diagnostic-related groups (DRGs), and other payment arrangements. Nothing in this chapter requires a health carrier to develop, implement, or change its provider contract requirements for a small employer plan. Coinsurance, deductibles, out-of-pocket maximums, and maximum lifetime benefits must be calculated and determined in accordance with each health carrier's standard business practices.*

Subd. 11. [PLAN DESIGN.] *Notwithstanding any other law, regulation, or administrative interpretation to the contrary, health carriers may offer small employer plans through any provider arrangement, including, but not limited to, the use of open, closed, or limited provider networks. A health carrier may only use product and network designs currently allowed under existing statutory requirements. The provider networks offered by any health*

carrier may be specifically designed for the small employer market and may be modified at the carrier's election so long as all otherwise applicable regulatory requirements are met. Health carriers may use professionally recognized provider standards of practice when they are available, and may use utilization management practices otherwise permitted by law, including, but not limited to, second surgical opinions, prior authorization, concurrent and retrospective review, referral authorizations, case management, and discharge planning. A health carrier may contract with groups of providers with respect to health care services or benefits, and may negotiate with providers regarding the level or method of reimbursement provided for services rendered under a small employer plan.

Subd. 12. [DEMONSTRATION PROJECTS.] *Nothing in this chapter prohibits a health maintenance organization from offering a demonstration project authorized under section 62D.30. The commissioner of health may approve a demonstration project which offers benefits that do not meet the requirements of a small employer plan if the commissioner finds that the requirements of section 62D.30 are otherwise met.*

Sec. 6. [62L.06] [DISCLOSURE OF UNDERWRITING RATING PRACTICES.]

When offering or renewing a health benefit plan, health carriers shall disclose in all solicitation and sales materials:

(1) the case characteristics and other rating factors used to determine initial and renewal rates;

(2) the extent to which premium rates for a small employer are established or adjusted based upon actual or expected variation in claim experience;

(3) provisions concerning the health carrier's right to change premium rates and the factors other than claim experience that affect changes in premium rates;

(4) provisions relating to renewability of coverage;

(5) the use and effect of any preexisting condition provisions, if permitted; and

(6) the application of any provider network limitations and their effect on eligibility for benefits.

Sec. 7. [62L.07] [SMALL EMPLOYER REQUIREMENTS.]

Subdivision 1. [VERIFICATION OF ELIGIBILITY.] *Health benefit plans must require that small employers offering a health benefit plan maintain information verifying the continuing eligibility of the employer, its employees, and their dependents, and provide the information to health carriers on a quarterly basis or as reasonably requested by the health carrier.*

Subd. 2. [WAIVERS.] *Health benefit plans must require that small employers offering a health benefit plan maintain written documentation of a waiver of coverage by an eligible employee or dependent and provide the documentation to the health carrier upon reasonable request.*

Sec. 8. [62L.08] [RESTRICTIONS RELATING TO PREMIUM RATES.]

Subdivision 1. [RATE RESTRICTIONS.] *Premium rates for all health benefit plans sold or issued to small employers are subject to the restrictions specified in this section.*

Subd. 2. [GENERAL PREMIUM VARIATIONS.] *Beginning July 1, 1993, each health carrier must offer premium rates to small employers that are no more than 25 percent above and no more than 25 percent below the index rate charged to small employers for the same or similar coverage, adjusted pro rata for rating periods of less than one year. The premium variations permitted by this subdivision must be based only on health status, claims experience, industry of the employer, and duration of coverage from the date of issue. For purposes of this subdivision, health status includes refraining from tobacco use or other actuarially valid lifestyle factors associated with good health, provided that the lifestyle factor and its effect upon premium rates have been determined to be actuarially valid and approved by the commissioner.*

Subd. 3. [AGE-BASED PREMIUM VARIATIONS.] *Beginning July 1, 1993, each health carrier may offer premium rates to small employers that vary based upon the ages of the eligible employees and dependents of the small employer only as provided in this subdivision. In addition to the variation permitted by subdivision 2, each health carrier may use an additional premium variation based upon age of up to plus or minus 50 percent of the index rate.*

Subd. 4. [GEOGRAPHIC PREMIUM VARIATIONS.] *A health carrier may request approval by the commissioner to establish no more than three geographic regions and to establish separate index rates for each region, provided that the index rates do not vary between any two regions by more than twenty percent. The commissioner may grant approval if the following conditions are met:*

(1) the geographic regions must be applied uniformly by the health carrier;

(2) one geographic region must be based on the Minneapolis/St. Paul metropolitan area;

(3) if one geographic region is rural, the index rate for the rural region must not exceed the index rate for the Minneapolis/St. Paul metropolitan area;

(4) the health carrier provides actuarial justification acceptable to the commissioner for the proposed geographic variations in index rates, establishing that the variations are based upon differences in the cost to the health carrier of providing coverage.

Subd. 5. [GENDER-BASED RATES PROHIBITED.] *Beginning July 1, 1993, no health carrier may determine premium rates through a method that is in any way based upon the gender of eligible employees or dependents.*

Subd. 6. [RATE CELLS PERMITTED.] *Health carriers may use rate cells and must file with the commissioner the rate cells they use. Rate cells must be based on the number of adults and children covered under the policy and may reflect the availability of Medicare coverage.*

Subd. 7. [INDEX AND PREMIUM RATE DEVELOPMENT.] *In developing its index rates and premiums, a health carrier may take into account only the following factors:*

(1) actuarially valid differences in benefit designs of health benefit plans;

(2) actuarially valid differences in the rating factors permitted in subdivisions 2 and 3;

(3) actuarially valid geographic variations if approved by the commissioner as provided in subdivision 4.

Subd. 8. [FILING REQUIREMENT.] *No later than July 1, 1993, and each year thereafter, a health carrier that offers, sells, issues, or renews a health benefit plan for small employers shall file with the commissioner the index rates and must demonstrate that all rates shall be within the rating restrictions defined in this chapter. Such demonstration must include the allowable range of rates from the index rates and a description of how the health carrier intends to use demographic factors including case characteristics in calculating the premium rates.*

Subd. 9. [EFFECT OF ASSESSMENTS.] *Premium rates must comply with the rating requirements of this section, notwithstanding the imposition of any assessments or premiums paid by health carriers as provided under sections 62L.13 to 62L.22.*

Subd. 10. [RATING REPORT.] *Beginning January 1, 1995, and annually thereafter, the commissioners of health and commerce shall provide a joint report to the legislature on the effect of the rating restrictions required by this section and the appropriateness of proceeding with additional rate reform. Each report must include an analysis of the availability of health care coverage due to the rating reform, the equitable and appropriate distribution of risk and associated costs, the effect on the self-insurance market, and any resulting or anticipated change in health plan design and market share and availability of health carriers.*

Sec. 9. [62L.09] [CESSATION OF SMALL EMPLOYER BUSINESS.]

Subdivision 1. [NOTICE TO COMMISSIONER.] *A health carrier electing to cease doing business in the small employer market shall notify the commissioner 180 days prior to the effective date of the cessation. The cessation of business does not include the failure of a health carrier to offer or issue new business in the small employer market or continue an existing product line, provided that a health carrier does not terminate, cancel, or fail to renew its current small employer business or other product lines.*

Subd. 2. [NOTICE TO EMPLOYERS.] *A health carrier electing to cease doing business in the small employer market shall provide 120 days' written notice to each small employer covered by a health benefit plan issued by the health carrier. A health carrier that ceases to write new business in the small employer market shall continue to be governed by this chapter with respect to continuing small employer business conducted by the carrier.*

Subd. 3. [REENTRY PROHIBITION.] *A health carrier that ceases to do business in the small employer market after July 1, 1993, is prohibited from writing new business in the small employer market in this state for a period of five years from the date of notice to the commissioner. This subdivision applies to any health maintenance organization that ceases to do business in the small employer market in one service area with respect to that service area only. Nothing in this subdivision prohibits an affiliated health maintenance organization from continuing to do business in the small employer market in that same service area.*

Subd. 4. [CONTINUING ASSESSMENT LIABILITY.] *A health carrier that ceases to do business in the small employer market remains liable for assessments levied by the association as provided in section 62L.22.*

Sec. 10. [62L.10] [SUPERVISION BY COMMISSIONER.]

Subdivision 1. [REPORTS.] *A health carrier doing business in the small employer market shall file by April 1 of each year an annual actuarial opinion with the commissioner certifying that the health carrier complied with the underwriting and rating requirements of this chapter during the preceding year and that the rating methods used by the health carrier were actuarially sound. A health carrier shall retain a copy of the opinion at its principal place of business.*

Subd. 2. [RECORDS.] *A health carrier doing business in the small employer market shall maintain at its principal place of business a complete and detailed description of its rating practices and renewal underwriting practices, including information and documentation that demonstrate that its rating methods and practices are based upon commonly accepted actuarial assumptions and are in accordance with sound actuarial principles.*

Subd. 3. [SUBMISSIONS TO COMMISSIONER.] *Subsequent to the annual filing, the commissioner may request information and documentation from a health carrier describing its rating practices and renewal underwriting practices, including information and documentation that demonstrates that a health carrier's rating methods and practices are in accordance with sound actuarial principles and the requirements of this chapter. Except in cases of violations of this chapter or of another chapter, information received by the commissioner as provided under this subdivision is nonpublic.*

Subd. 4. [REVIEW OF PREMIUM RATES.] *The commissioner shall regulate premium rates charged or proposed to be charged by all health carriers in the small employer market under section 62A.02. The commissioner of health has, with respect to carriers under that commissioner's jurisdiction, all of the powers of the commissioner of commerce under that section.*

Subd. 5. [TRANSITIONAL PRACTICES.] *The commissioner shall disapprove index rates, premium variations, or other practices of a health carrier if they violate the spirit of this chapter and are the result of practices engaged in by the health carrier between the date of final enactment of this act and July 1, 1993, where the practices engaged in were carried out for the purpose of evading the spirit of this chapter. Each health carrier shall report to the commissioner, within 30 days and on a form prescribed by the commissioner, each cancellation, nonrenewal, or other termination of coverage of a small employer between the date of final enactment of this act and June 30, 1993. The health carrier shall provide any related information requested by the commissioner within the time specified in the request. Any health carrier that engages in a practice of terminating or inducing termination of coverage of small employers in order to evade the effects of this act, is guilty of an unfair method of competition and an unfair or deceptive act or practice in the business of insurance and is subject to the remedies provided in sections 72A.17 to 72A.32.*

Sec. 11. [62L.11] [PENALTIES AND ENFORCEMENT.]

Subdivision 1. [DISCIPLINARY PROCEEDINGS.] *The commissioner may, by order, suspend or revoke a health carrier's license or certificate of authority and impose a monetary penalty not to exceed $25,000 for each violation of this chapter, including the failure to pay an assessment required by section 62L.22. The notice, hearing, and appeal procedures specified in section 60A.051 or 62D.16, as appropriate, apply to the order. The order is subject to judicial review as provided under chapter 14.*

Subd. 2. [ENFORCEMENT POWERS.] *The commissioners of health and commerce each has for purposes of this chapter all of each commissioner's respective powers under other chapters that are applicable to their respective duties under this chapter.*

Sec. 12. [62L.12] [PROHIBITED PRACTICES.]

Subdivision 1. [PROHIBITION ON ISSUANCE OF INDIVIDUAL POLICIES.] *A health carrier operating in the small employer market shall not knowingly offer, issue, or renew an individual policy, subscriber contract, or certificate to an eligible employee or dependent of a small employer that meets the minimum participation requirements defined in section 62L.03, subdivision 3, except as authorized under subdivision 2.*

Subd. 2. [EXCEPTIONS.] *(a) A health carrier may sell, issue, or renew individual conversion policies to eligible employees and dependents otherwise eligible for conversion coverage under section 62D.104 as a result of leaving a health maintenance organization's service area.*

(b) A health carrier may sell, issue, or renew individual conversion policies to eligible employees and dependents otherwise eligible for conversion coverage as a result of the expiration of any continuation of group coverage required under sections 62A.146, 62A.17, 62A.21, 62C.142, 62D.101, and 62D.105.

(c) A health carrier may sell, issue, or renew conversion policies under section 62E.16 to eligible employees and dependents.

(d) A health carrier may sell, issue, or renew individual continuation policies to eligible employees and dependents as required.

(e) A health carrier may sell, issue, or renew individual coverage if the coverage is appropriate due to an unexpired preexisting condition limitation or exclusion applicable to the person under the employer's group coverage or due to the person's need for health care services not covered under the employer's group policy.

(f) A health carrier may sell, issue, or renew an individual policy, with the prior consent of the commissioner, if the individual has elected to buy the individual coverage not as part of a general plan to substitute individual coverage for group coverage nor as a result of any violation of subdivision 3 or 4.

(g) Nothing in this subdivision relieves a health carrier of any obligation to provide continuation or conversion coverage otherwise required under federal or state law.

Subd. 3. [AGENT'S LICENSURE.] *An agent licensed under chapter 60A or section 62C.17 who knowingly and willfully breaks apart a small group for the purpose of selling individual policies to eligible employees and dependents of a small employer that meets the participation requirements of section 62L.03, subdivision 3, is guilty of an unfair trade practice and subject to the revocation or suspension of license under section 60A.17, subdivision 6c, or 62C.17. The action must be by order and subject to the notice, hearing, and appeal procedures specified in section 60A.17, subdivision 6d. The action of the commissioner is subject to judicial review as provided under chapter 14.*

Subd. 4. [EMPLOYER PROHIBITION.] *A small employer shall not encourage or direct an employee or applicant to:*

(1) refrain from filing an application for health coverage when other similarly situated employees may file an application for health coverage;

(2) file an application for health coverage during initial eligibility for coverage, the acceptance of which is contingent on health status, when other similarly situated employees may apply for health coverage, the acceptance of which is not contingent on health status;

(3) seek coverage from another carrier, including, but not limited to, MCHA; or

(4) cause coverage to be issued on different terms because of the health status or claims experience of that person or the person's dependents.

Subd. 5. [SALE OF OTHER PRODUCTS.] *A health carrier shall not condition the offer, sale, issuance, or renewal of a health benefit plan on the purchase by a small employer of other insurance products offered by the health carrier or a subsidiary or affiliate of the health carrier, including, but not limited to, life, disability, property, and general liability insurance. This prohibition does not apply to insurance products offered as a supplement to a health maintenance organization plan, including, but not limited to, supplemental benefit plans under section 62D.05, subdivision 6.*

Sec. 13. [62L.13] [REINSURANCE ASSOCIATION.]

Subdivision 1. [CREATION.] *The health coverage reinsurance association is established as a nonprofit corporation. All health carriers in the small employer market shall be and remain members of the association as a condition of their authority to transact business.*

Subd. 2. [PURPOSE.] *The association is established to provide for the fair and equitable transfer of risk associated with participation by a health carrier in the small employer market to a private reinsurance pool established and maintained by the association.*

Subd. 3. [EXEMPTIONS.] *The association, its transactions, and all property owned by it are exempt from taxation under the laws of this state or any of its subdivisions, including, but not limited to, income tax, sales tax, use tax, and property tax. The association may seek exemption from payment of all fees and taxes levied by the federal government. Except as otherwise provided in this chapter, the association is not subject to the provisions of chapters 13, 14, 60A, 62A to 62H, and section 471.705. The association is not a public employer and is not subject to the provisions of chapters 179A and 353. Health carriers who are members of the association are exempt from the provisions of sections 325D.49 to 325D.66 in the performance of their duties as members of the association.*

Subd. 4. [POWERS OF ASSOCIATION.] *The association may exercise all of the powers of a corporation formed under chapter 317A, including, but not limited to, the authority to:*

(1) establish operating rules, conditions, and procedures relating to the reinsurance of members' risks;

(2) assess members in accordance with the provisions of this section and to make advance interim assessments as may be reasonable and necessary for organizational and interim operating expenses;

(3) sue and be sued, including taking any legal action necessary to recover any assessments;

(4) enter into contracts necessary to carry out the provisions of this chapter;

(5) establish operating, administrative, and accounting procedures for the operation of the association; and

(6) borrow money against the future receipt of premiums and assessments up to the amount of the previous year's assessment, with the prior approval of the commissioner.

The provisions of this chapter govern if the provisions of chapter 317A conflict with this chapter. The association shall adopt bylaws and shall be governed in accordance with this chapter and chapter 317A.

Subd. 5. [SUPERVISION BY COMMISSIONER.] *The commissioner of commerce shall supervise the association in accordance with this chapter. The commissioner of commerce may examine the association. The association's reinsurance policy forms, its contracts, its premium rates, and its assessments are subject to the approval of the commissioner of commerce. The association's policy forms, contracts, and premium rates are deemed approved if not disapproved by the commissioner of commerce within 60 days after the date of filing them with the commissioner of commerce. The association's assessments are deemed approved if not disapproved by the commissioner of commerce within 15 business days after filing them with the commissioner of commerce. The association shall notify the commissioner of all association or board meetings, and the commissioner or the commissioner's designee may attend all association or board meetings. The association shall file an annual report with the commissioner on or before July 1 of each year, beginning July 1, 1994, describing its activities during the preceding calendar year. The report must include a financial report and a summary of claims paid by the association. The annual report must be available for public inspection.*

Sec. 14. [62L.14] [BOARD OF DIRECTORS.]

Subdivision 1. [COMPOSITION OF BOARD.] *The association shall exercise its powers through a board of 13 directors. Four members must be public members appointed by the commissioner. The public members must not be employees of or otherwise affiliated with any member of the association. The nonpublic members of the board must be representative of the membership of the association and must be officers, employees, or directors of the members during their term of office. No member of the association may have more than three members of the board. Directors are automatically removed if they fail to satisfy this qualification.*

Subd. 2. [ELECTION OF BOARD.] *On or before July 1, 1992, the commissioner shall appoint an interim board of directors of the association who shall serve through the first annual meeting of the members and for the next two years. Except for the public members, the commissioner's initial appointments must be equally apportioned among the following three categories: accident and health insurance companies, nonprofit health service plan corporations, and health maintenance organizations. Thereafter, members of the association shall elect the board of directors in accordance with this chapter and the bylaws of the association, subject to approval by the commissioner. Members of the association may vote in person or by proxy. The public members shall continue to be appointed by the commissioner.*

Subd 3. [TERM OF OFFICE.] *The first annual meeting must be held by December 1, 1992. After the initial two-year period, each director shall*

serve a three-year term, except that the board shall make appropriate arrangements to stagger the terms of the board members so that approximately one-third of the terms expire each year. Each director shall hold office until expiration of the director's term or until the director's successor is duly elected or appointed and qualified, or until the director's death, resignation, or removal.

Subd. 4. [RESIGNATION AND REMOVAL.] *A director may resign at any time by giving written notice to the commissioner. The resignation takes effect at the time the resignation is received unless the resignation specifies a later date. A nonpublic director may be removed at any time, with cause, by the members.*

Subd. 5. [QUORUM.] *A majority of the members of the board of directors constitutes a quorum for the transaction of business. If a vacancy exists by reason of death, resignation, or otherwise, a majority of the remaining directors constitutes a quorum.*

Subd. 6. [DUTIES OF DIRECTORS.] *The board of directors shall adopt or amend the association's bylaws. The bylaws may contain any provision for the purpose of administering the association that is not inconsistent with this chapter. The board shall manage the association in furtherance of its purposes and as provided in its bylaws. On or before January 1, 1993, the board or the interim board shall develop a plan of operation and reasonable operating rules to assure the fair, reasonable, and equitable administration of the association. The plan of operation must include the development of procedures for selecting an administering carrier, establishment of the powers and duties of the administering carrier, and establishment of procedures for collecting assessments from members, including the imposition of interest penalties for late payments of assessments. The plan of operation must be submitted to the commissioner for review and approval and must be submitted to the members for approval at the first meeting of the members. The board of directors may subsequently amend, change, or revise the plan of operation without approval by the members.*

Subd. 7. [COMPENSATION.] *Members of the board may be reimbursed by the association for reasonable and necessary expenses incurred by them in performing their duties as directors, but shall not otherwise be compensated by the association for their services.*

Subd. 8. [OFFICERS.] *The board may elect officers and establish committees as provided in the bylaws of the association. Officers have the authority and duties in the management of the association as prescribed by the bylaws and determined by the board of directors.*

Subd. 9. [MAJORITY VOTE.] *Approval by a majority of the board members present is required for any action of the board. The majority vote must include one vote from a board member representing an accident and health insurance company, one vote from a board member representing a health service plan corporation, one vote from a board member representing a health maintenance organization, and one vote from a public member.*

Sec. 15. [62L.15] [MEMBERS.]

Subdivision 1. [ANNUAL MEETING.] *The association shall conduct an annual meeting of the members of the association for the purpose of electing directors and transacting any other appropriate business of the membership of the association. The board shall determine the date, time, and place of the annual meeting. The association shall conduct its first annual member*

meeting on or before December 1, 1992.

Subd. 2. [SPECIAL MEETINGS.] *Special meetings of the members must be held whenever called by any three of the directors. At least two categories must be represented among the directors calling a special meeting of the members. The categories are accident and health insurance companies, nonprofit health service plan corporations, and health maintenance organizations. Special meetings of the members must be held at a time and place designated in the notice of the meeting.*

Subd. 3. [MEMBER VOTING.] *Each member's vote is a weighted vote and is based on each member's total insurance premiums, subscriber contract charges, health maintenance contract payments, or other health benefit plan revenue derived from, or on behalf of, small employers during the preceding calendar year, as determined by the board and approved by the commissioner, based on annual statements and other reports considered necessary by the board of directors.*

Subd. 4. [INITIAL MEMBER MEETING.] *At least 60 days before the first annual meeting of the members, the commissioner shall give written notice to all members of the time and place of the member meeting. The members shall elect directors representing the members, approve the initial plan of operation of the association, and transact any other appropriate business of the membership of the association.*

Subd. 5. [MEMBER COMPLIANCE.] *All members shall comply with the provisions of this chapter, the association's bylaws, the plan of operation developed by the board of directors, and any other operating, administrative, or other procedures established by the board of directors for the operation of the association. The board may request the commissioner to secure compliance with this chapter through the use of any enforcement action otherwise available to the commissioner.*

Sec. 16. [62L.16] [ADMINISTRATION OF ASSOCIATION.]

Subdivision 1. [ADMINISTRATOR.] *The association shall contract with a qualified entity to operate and administer the association. If there is no available qualified entity, or in the event of a termination under subdivision 2, the association may directly operate and administer the reinsurance program. The administrator shall perform all administrative functions required by this chapter. The board of directors shall develop administrative functions required by this chapter and written criteria for the selection of an administrator. The administrator must be selected by the board of directors, subject to approval by the commissioner.*

Subd. 2. [TERM.] *The administrator shall serve for a period of three years, unless the administrator requests the termination of its contract and the termination is approved by the board of directors. The board of directors shall approve or deny a request to terminate within 90 days of its receipt after consultation with the commissioner. A failure to make a final decision on a request to terminate within 90 days is considered an approval.*

Subd. 3. [DUTIES OF ADMINISTRATOR.] *The association shall enter into a written contract with the administrator to carry out its duties and responsibilities. The administrator shall perform all administrative functions required by this chapter including the:*

(1) preparation and submission of an annual report to the commissioner;

(2) preparation and submission of monthly reports to the board of

directors;

(3) calculation of all assessments and the notification thereof of members;

(4) payment of claims to health carriers following the submission by health carriers of acceptable claim documentation; and

(5) provision of claim reports to health carriers as determined by the board of directors.

Subd. 4. [BID PROCESS.] *The association shall issue a request for proposal for administration of the reinsurance association and shall solicit responses from health carriers participating in the small employer market and from other qualified entities. Methods of compensation of the administrator must be a part of the bid process. The administrator shall substantiate its cost reports consistent with generally accepted accounting principles.*

Subd. 5. [AUDITS.] *The board of directors may conduct periodic audits to verify the accuracy of financial data and reports submitted by the administrator.*

Subd. 6. [RECORDS OF ASSOCIATION.] *The association shall maintain appropriate records and documentation relating to the activities of the association. All individual patient-identifying claims data and information are confidential and not subject to disclosure of any kind, except that a health carrier shall have access upon request to individual claims data relating to eligible employees and dependents covered by a health benefit plan issued by the health carrier. All records, documents, and work product prepared by the association or by the administrator for the association are the property of the association. The commissioner shall have access to the data for the purposes of carrying out the supervisory functions provided for in this chapter.*

Sec. 17. [62L.17] [PARTICIPATION IN THE REINSURANCE ASSOCIATION.]

Subdivision 1. [MINIMUM STANDARDS.] *The board of directors or the interim board shall establish minimum claim processing and managed care standards which must be met by a health carrier in order to reinsure business.*

Subd. 2. [PARTICIPATION.] *A health carrier may elect to not participate in the reinsurance association through transferring risk only after filing an application with the commissioner of commerce. The commissioner may approve the application after consultation with the board of directors. In determining whether to approve an application, the commissioner shall consider whether the health carrier meets the following standards:*

(1) demonstration by the health carrier of a substantial and established market presence;

(2) demonstrated experience in the small group market and history of rating and underwriting small employer groups;

(3) commitment to comply with the requirements of this chapter for small employers in the state or its service area; and

(4) financial ability to assume and manage the risk of enrolling small employer groups without the protection of the reinsurance.

Initial application for nonparticipation must be filed with the commissioner no later than February 1993. The commissioner shall make the determination and notify the carrier no later than April 15, 1993.

Subd. 3. [LENGTH OF PARTICIPATION.] *A health carrier's initial election is for a period of two years. Subsequent elections of participation are for five-year periods.*

Subd. 4. [APPEAL.] *A health carrier whose application for nonparticipation has been rejected by the commissioner may appeal the decision. The association may also appeal a decision of the commissioner, if approved by a two-thirds majority of the board. Chapter 14 applies to all appeals.*

Subd. 5. [ANNUAL CERTIFICATION.] *A health carrier that has received approval to not participate in the reinsurance association shall annually certify to the commissioner on or before December 1 that it continues to meet the standards described in subdivision 2.*

Subd. 6. [SUBSEQUENT ELECTION.] *Election to participate in the reinsurance association must occur on or before December 31 of each year. If after a period of nonparticipation, the nonparticipating health carrier subsequently elects to participate in the reinsurance association, the health carrier retains the risk it assumed when not participating in the association.*

If a participating health carrier subsequently elects to not participate in the reinsurance association, the health carrier shall cease reinsuring through the association all of its small employer business and is liable for any assessment described in section 62L.22 which has been prorated based on the business covered by the reinsurance mechanism during the year of the assessment.

Subd. 7. [ELECTION MODIFICATION.] *The commissioner, after consultation with the board, may authorize a health carrier to modify its election to not participate in the association at any time, if the risk from the carrier's existing small employer business jeopardizes the financial condition of the health carrier. If the commissioner authorizes a health carrier to participate in the association, the health carrier shall retain the risk it assumed while not participating in the association. This election option may not be exercised if the health carrier is in rehabilitation.*

Sec. 18. [62L.18] [CEDING OF RISK.]

Subdivision 1. [PROSPECTIVE CEDING.] *For health benefit plans issued on or after July 1, 1993, all health carriers participating in the association may prospectively reinsure an employee or dependent within a small employer group and entire employer groups of seven or fewer eligible employees. A health carrier must determine whether to reinsure an employee or dependent or entire group within 60 days of the commencement of the coverage of the small employer and must notify the association during that time period.*

Subd. 2. [ELIGIBILITY FOR REINSURANCE.] *A health carrier may not reinsure existing small employer business through the association. A health carrier may reinsure an employee or dependent who previously had coverage from MCHA who is now eligible for coverage through the small employer group at the time of enrollment as defined in section 62L.03, subdivision 6. A health carrier may not reinsure individuals who have existing individual health care coverage with that health carrier upon replacement of the individual coverage with group coverage as provided in*

section 62L.04, subdivision 1.

Subd. 3. [REINSURANCE TERMINATION.] *A health carrier may terminate reinsurance through the association for an employee or dependent or entire group on the anniversary date of coverage for the small employer. If the health carrier terminates the reinsurance, the health carrier may not subsequently reinsure the individual or entire group.*

Subd. 4. [CONTINUING CARRIER RESPONSIBILITY.] *A health carrier transferring risk to the association is completely responsible for administering its health benefit plans. A health carrier shall apply its case management and claim processing techniques consistently between reinsured and nonreinsured business. Small employers, eligible employees, and dependents shall not be notified that the health carrier has reinsured their coverage through the association.*

Sec. 19. [62L.19] [ALLOWED REINSURANCE BENEFITS.]

A health carrier may reinsure through the association only those benefits described in section 62L.05.

Sec. 20. [62L.20] [TRANSFER OF RISK.]

Subdivision 1. [REINSURANCE THRESHOLD.] *A health carrier participating in the association may transfer up to 90 percent of the risk above a reinsurance threshold of $5,000 of eligible charges resulting from issuance of a health benefit plan to an eligible employee or dependent of a small employer group whose risk has been prospectively ceded to the association. If the eligible charges exceed $50,000, a health carrier participating in the association may transfer 100 percent of the risk each policy year not to exceed 12 months.*

Satisfaction of the reinsurance threshold must be determined by the board of directors based on eligible charges. The board may establish an audit process to assure consistency in the submission of charge calculations by health carriers to the association.

Subd. 2. [CONVERSION FACTORS.] *The board shall establish a standardized conversion table for determining equivalent charges for health carriers that use alternative provider reimbursement methods. If a health carrier establishes to the board that the carrier's conversion factor is equivalent to the association's standardized conversion table, the association shall accept the health carrier's conversion factor.*

Subd. 3. [BOARD AUTHORITY.] *The board shall establish criteria for changing the threshold amount or retention percentage. The board shall review the criteria on an annual basis. The board shall provide the members with an opportunity to comment on the criteria at the time of the annual review.*

Subd. 4. [NOTIFICATION OF TRANSFER OF RISK.] *A participating health carrier must notify the association, within 90 days of receipt of proof of loss, of satisfaction of a reinsurance threshold. After satisfaction of the reinsurance threshold, a health carrier continues to be liable to its providers, eligible employees, and dependents for payment of claims in accordance with the health carrier's health benefit plan. Health carriers shall not pend or delay payment of otherwise valid claims due to the transfer of risk to the association.*

Subd. 5. [PERIODIC STUDIES.] *The board shall, on a biennial basis,*

prepare and submit a report to the commissioner of commerce on the effect of the reinsurance association on the small employer market. The first study must be presented to the commissioner no later than January 1, 1995, and must specifically address whether there has been disruption in the small employer market due to unnecessary churning of groups for the purpose of obtaining reinsurance and whether it is appropriate for health carriers to transfer the risk of their existing small group business to the reinsurance association. After two years of operation, the board shall study both the effect of ceding both individuals and entire small groups of seven or fewer eligible employees to the reinsurance association and the composition of the board and determine whether the initial appointments reflect the types of health carriers participating in the reinsurance association and whether the voting power of members of the association should be weighted and recommend any necessary changes.

Sec. 21. [62L.21] [REINSURANCE PREMIUMS.]

Subdivision 1. [MONTHLY PREMIUM.] *A health carrier ceding an individual to the reinsurance association shall be assessed a monthly reinsurance coverage premium that is 5.0 times the adjusted average market price. A health carrier ceding an entire group to the reinsurance association shall be assessed a monthly reinsurance coverage premium that is 1.5 times the adjusted average market price. The adjusted average market premium price must be established by the board of directors in accordance with its plan of operation. The board may consider benefit levels in establishing the reinsurance coverage premium.*

Subd. 2. [ADJUSTMENT OF PREMIUM RATES.] *The board of directors shall establish operating rules to allocate adjustments to the reinsurance premium charge of no more than minus 25 percent of the monthly reinsurance premium for health carriers that can demonstrate administrative efficiencies and cost-effective handling of equivalent risks. The adjustment must be made annually on a retrospective basis. The operating rules must establish objective and measurable criteria which must be met by a health carrier in order to be eligible for an adjustment. These criteria must include consideration of efficiency attributable to case management, but not consideration of such factors as provider discounts.*

Subd. 3. [LIABILITY FOR PREMIUM.] *A health carrier is liable for the cost of the reinsurance premium and may not directly charge the small employer for the costs. The reinsurance premium may be reflected only in the rating factors permitted in section 62L.08, as provided in section 62L.08, subdivision 10.*

Sec. 22. [62L.22] [ASSESSMENTS.]

Subdivision 1. [ASSESSMENT BY BOARD.] *For the purpose of providing the funds necessary to carry out the purposes of the association, the board of directors shall assess members as provided in subdivisions 2, 3, and 4 at the times and for the amounts the board of directors finds necessary. Assessments are due and payable on the date specified by the board of directors, but not less than 30 days after written notice to the member. Assessments accrue interest at the rate of six percent per year on or after the due date.*

Subd. 2. [INITIAL CAPITALIZATION.] *The interim board of directors shall determine the initial capital operating requirements for the association. The board shall assess each licensed health carrier $100 for the initial*

capital requirements of the association. The assessment is due and payable no later than January 1, 1993.

Subd. 3. [RETROSPECTIVE ASSESSMENT.] *On or before July 1 of each year, the administering carrier shall determine the association's net loss, if any, for the previous calendar year, the program expenses of administration, and other appropriate gains and losses. If reinsurance premium charges are not sufficient to satisfy the operating and administrative expenses incurred or estimated to be incurred by the association, the board of directors shall assess each member participating in the association in proportion to each member's respective share of the total insurance premiums, subscriber contract payments, health maintenance organization payments, and other health benefit plan revenue derived from or on behalf of small employers during the preceding calendar year. The assessments must be calculated by the board of directors based on annual statements and other reports considered necessary by the board of directors and filed by members with the association. The amount of the assessment shall not exceed four percent of the member's small group market premium. In establishing this assessment, the board shall consider a formula based on total small employer premiums earned and premiums earned from newly issued small employer plans. A member's assessment may not be reduced or increased by more than 50 percent as a result of using that formula, which includes a reasonable cap on assessments on any premium category or premium classification. The board of directors may provide for interim assessments as it considers necessary to appropriately carry out the association's responsibilities. The board of directors may establish operating rules to provide for changes in the assessment calculation.*

Subd. 4. [ADDITIONAL ASSESSMENTS.] *If the board of directors determines that the retrospective assessment formula described in subdivision 3 is insufficient to meet the obligations of the association, the board of directors shall assess each member not participating in the reinsurance association, but which is providing health plan coverage in the small employer market, in proportion to each member's respective share of the total insurance premiums, subscriber contract payments, health maintenance organization payments, and other health benefit plan revenue derived from or on behalf of small employers during the preceding calendar year. The assessment must be calculated by the board of directors based on annual statements and other reports considered necessary by the board of directors and filed by members with the association. The amount of the assessment may not exceed one percent of the member's small group market premium. Members who paid the retrospective assessment described in subdivision 3 are not subject to the additional assessment.*

If the additional assessment is insufficient to meet the obligations of the association, the board of directors may assess members participating in the association who paid the retrospective assessment described in subdivision 3 up to an additional one percent of the member's small group market premium.

Subd. 5. [ABATEMENT OR DEFERMENT.] *The association may abate or defer, in whole or in part, the retrospective assessment of a member if, in the opinion of the commissioner, payment of the assessment would endanger the ability of the member to fulfill its contractual obligations or the member is placed under an order of rehabilitation, liquidation, receivership, or conservation by a court of competent jurisdiction. In the event that a retrospective assessment against a member is abated or deferred, in whole*

or in part, the amount by which the assessment is abated or deferred may be assessed against other members in accordance with the methodology specified in subdivisions 3 and 4.

Subd. 6. [REFUND.] *The board of directors may refund to members, in proportion to their contributions, the amount by which the assets of the association exceed the amount the board of directors finds necessary to carry out its responsibilities during the next calendar year. A reasonable amount may be retained to provide funds for the continuing expenses of the association and for future losses.*

Subd. 7. [APPEALS.] *A health carrier may appeal to the commissioner of commerce within 30 days of notice of an assessment by the board of directors. A final action or order of the commissioner is subject to judicial review in the manner provided in chapter 14.*

Subd. 8. [LIABILITY FOR ASSESSMENT.] *Employer liability for other costs of a health carrier resulting from assessments made by the association under this section are limited by the rate spread restrictions specified in section 62L.08.*

Sec. 23. [62L.23] [LOSS RATIO STANDARDS.]

Notwithstanding section 62A.02, subdivision 3, relating to loss ratios, each policy or contract form used with respect to a health benefit plan offered, or issued in the small employer market, is subject, beginning July 1, 1993, to section 62A.021. The commissioner of health has, with respect to carriers under that commissioner's jurisdiction, all of the powers of the commissioner of commerce under that section.

Sec. 24. [COMMISSIONER OF COMMERCE STUDY.]

The commissioner of commerce shall study and provide a written report and recommendations to the legislature that analyze the effects of this article and future measures that the legislature could enact to achieve the purpose set forth in section 62L.01, subdivision 3. The commissioner shall study, report, and make recommendations on the following:

(1) the effects of this article on availability of coverage, average premium rates, variations in premium rates, the number of uninsured and underinsured residents of this state, the types of health benefit plans chosen by employers, and other effects on the market for health benefit plans for small employers;

(2) the desirability and feasibility of achieving the goal stated in section 62L.01, subdivision 3, in the small employer market by means of the following timetable:

(i) as of July 1, 1995, a reduction of the age rating bands to 30 percent on each side of the index rate, accompanied by a proportional reduction of the general premium rating bands to 15 percent on each side of the index rate;

(ii) as of July 1, 1996, a reduction in the bands referenced in the preceding clause to 15 percent and 7.5 percent respectively; and

(iii) as of July 1, 1997, a ban on all rating bands; and

(3) Any other aspects of the small employer market considered relevant by the commissioner.

The commissioner shall file the written report and recommendations with the legislature no later than December 1, 1994.

Sec. 25. [EFFECTIVE DATES.]

Sections 1 to 12 and 23 are effective July 1, 1993, except that section 10, subdivision 5, is effective the day following final enactment. Sections 13 to 22 are effective the day following final enactment.

ARTICLE 3

INSURANCE REFORM: INDIVIDUAL MARKET AND MISCELLANEOUS

Section 1. [43A.317] [PRIVATE EMPLOYERS INSURANCE PROGRAM.]

Subdivision 1. [INTENT.] *The legislature finds that the creation of a statewide program to provide employers with the advantages of a large pool for insurance purchasing would advance the welfare of the citizens of the state.*

Subd. 2. [DEFINITIONS.] *(a)* [SCOPE.] *For the purposes of this section, the terms defined have the meaning given them.*

(b) [COMMISSIONER.] *"Commissioner" means the commissioner of employee relations.*

(c) [ELIGIBLE EMPLOYEE.] *"Eligible employee" means an employee eligible to participate in the program under the terms described in subdivision 6.*

(d) [ELIGIBLE EMPLOYER.] *"Eligible employer" means an employer eligible to participate in the program under the terms described in subdivision 5.*

(e) [ELIGIBLE INDIVIDUAL.] *"Eligible individual" means a person eligible to participate in the program under the terms described in subdivision 6.*

(f) [EMPLOYEE.] *"Employee" means a common law employee of an eligible employer.*

(g) [EMPLOYER.] *"Employer" means a private person, firm, corporation, partnership, association, unit of local government, or other entity actively engaged in business or public services. "Employer" includes both for-profit and nonprofit entities.*

(h) [PROGRAM.] *"Program" means the private employers insurance program created by this section.*

Subd. 3. [ADMINISTRATION.] *The commissioner shall, consistent with the provisions of this section, administer the program and determine its coverage options, funding and premium arrangements, contractual arrangements, and all other matters necessary to administer the program. The commissioner's contracting authority for the program, including authority for competitive bidding and negotiations, is governed by section 43A.23.*

Subd. 4. [ADVISORY COMMITTEE.] *The commissioner shall establish a ten-member advisory committee that includes five members who represent eligible employers and five members who represent eligible individuals. The committee shall advise the commissioner on issues related to administration*

of the program. The committee is governed by sections 15.014 and 15.059, and continues to exist while the program remains in operation.

Subd. 5. [EMPLOYER ELIGIBILITY.] *(a)* [PROCEDURES.] *All employers are eligible for coverage through the program subject to the terms of this subdivision. The commissioner shall establish procedures for an employer to apply for coverage through the program.*

(b) [TERM.] *The initial term of an employer's coverage will be two years from the effective date of the employer's application. After that, coverage will be automatically renewed for additional two-year terms unless the employer gives notice of withdrawal from the program according to procedures established by the commissioner or the commissioner gives notice to the employer of the discontinuance of the program. The commissioner may establish conditions under which an employer may withdraw from the program prior to the expiration of a two-year term, including by reason of a midyear increase in health coverage premiums of 50 percent or more. An employer that withdraws from the program may not reapply for coverage for a period of two years from its date of withdrawal.*

(c) [MINNESOTA WORK FORCE.] *An employer is not eligible for coverage through the program if five percent or more of its eligible employees work primarily outside Minnesota, except that an employer may apply to the program on behalf of only those employees who work primarily in Minnesota.*

(d) [EMPLOYEE PARTICIPATION; AGGREGATION OF GROUPS.] *An employer is not eligible for coverage through the program unless its application includes all eligible employees who work primarily in Minnesota, except employees who waive coverage as permitted by subdivision 6. Private entities that are eligible to file a combined tax return for purposes of state tax laws are considered a single employer, except as otherwise approved by the commissioner.*

(e) [PRIVATE EMPLOYER.] *A private employer is not eligible for coverage unless it has two or more eligible employees in the state of Minnesota. If an employer has only two eligible employees, one employee must not be the spouse, child, sibling, parent, or grandparent of the other.*

(f) [MINIMUM PARTICIPATION.] *The commissioner must require as a condition of employer eligibility that at least 75 percent of its eligible employees who have not waived coverage participate in the program. The participation level of eligible employees must be determined at the initial offering of coverage and at the renewal date of coverage. For purposes of this section, waiver of coverage includes only waivers due to coverage under another group health benefit plan.*

(g) [EMPLOYER CONTRIBUTION.] *The commissioner must require as a condition of employer eligibility that the employer contribute at least 50 percent toward the cost of the premium of the employee and may require that the contribution toward the cost of coverage is structured in a way that promotes price competition among the coverage options available through the program.*

(h) [ENROLLMENT CAP.] *The commissioner may limit employer enrollment in the program if necessary to avoid exceeding the program's reserve capacity.*

Subd. 6. [INDIVIDUAL ELIGIBILITY.] *(a)* [PROCEDURES.] *The commissioner shall establish procedures for eligible employees and other eligible individuals to apply for coverage through the program.*

(b) [EMPLOYEES.] *An employer shall determine when it applies to the program the criteria its employees must meet to be eligible for coverage under its plan. An employer may subsequently change the criteria annually or at other times with approval of the commissioner. The criteria must provide that new employees become eligible for coverage after a probationary period of at least 30 days, but no more than 90 days.*

(c) [OTHER INDIVIDUALS.] *An employer may elect to cover under its plan:*

(1) the spouse, dependent children, and dependent grandchildren of a covered employee;

(2) a retiree who is eligible to receive a pension or annuity from the employer and a covered retiree's spouse, dependent children, and dependent grandchildren;

(3) the surviving spouse, dependent children, and dependent grandchildren of a deceased employee or retiree, if the spouse, children, or grandchildren were covered at the time of the death;

(4) a covered employee who becomes disabled, as provided in sections 62A.147 and 62A.148; or

(5) any other categories of individuals for whom group coverage is required by state or federal law.

An employer shall determine when it applies to the program the criteria individuals in these categories must meet to be eligible for coverage. An employer may subsequently change the criteria annually, or at other times with approval of the commissioner. The criteria for dependent children and dependent grandchildren may be no more inclusive than the criteria under section 43A.18, subdivision 2. This paragraph shall not be interpreted as relieving the program from compliance with any federal and state continuation of coverage requirements.

(d) [WAIVER AND LATE ENTRANCE.] *An eligible individual may waive coverage at the time the employer joins the program or when coverage first becomes available. The commissioner may establish a preexisting condition exclusion of not more than 18 months for late entrants as defined in section 62L.02, subdivision 19.*

(e) [CONTINUATION COVERAGE.] *The program shall provide all continuation coverage required by state and federal law.*

Subd. 7. [COVERAGE.] *Coverage is available through the program beginning on July 1, 1993. At least annually, the commissioner shall solicit bids from carriers regulated under chapters 62A, 62C, and 62D, to provide coverage of eligible individuals. The commissioner shall provide coverage through contracts with carriers, unless the commissioner receives no reasonable bids from carriers.*

(a) [HEALTH COVERAGE.] *Health coverage is available to all employers in the program. The commissioner shall attempt to establish health coverage options that have strong care management features to control costs and promote quality and shall attempt to make a choice of health coverage options available. Health coverage for a retiree who is eligible for the federal*

Medicare program must be administered as though the retiree is enrolled in Medicare parts A and B. To the extent feasible as determined by the commissioner and in the best interests of the program, the commissioner shall model coverage after the plan established in section 43A.18, subdivision 2. Health coverage must include at least the benefits required of a carrier regulated under chapter 62A, 62C, or 62D for comparable coverage. Coverage under this paragraph must not be provided as part of the health plans available to state employees.

(b) [OPTIONAL COVERAGES.] *In addition to offering health coverage, the commissioner may arrange to offer dental coverage through the program. Employers with health coverage may choose to offer dental coverage according to the terms established by the commissioner.*

(c) [OPEN ENROLLMENT.] *The program must meet all underwriting requirements of chapter 62L and must provide periodic open enrollments for eligible individuals for those coverages where a choice exists.*

(d) [TECHNICAL ASSISTANCE.] *The commissioner may arrange for technical assistance and referrals for eligible employers in areas such as health promotion and wellness, employee benefits structure, tax planning, and health care analysis services as described in section 62J.33.*

Subd. 8. [PREMIUMS.] *(a)* [PAYMENTS.] *Employers enrolled in the program shall pay premiums according to terms established by the commissioner. If an employer fails to make the required payments, the commissioner may cancel coverage and pursue other civil remedies.*

(b) [RATING METHOD.] *The commissioner shall determine the premium rates and rating method for the program. The rating method for eligible small employers must meet or exceed the requirements of chapter 62L. The rating methods must recover in premiums all of the ongoing costs for state administration and for maintenance of a premium stability and claim fluctuation reserve. Premiums must be established so as to recover and repay within five years after July 1, 1993, any direct appropriations received to provide start-up administrative costs. Premiums must be established so as to recover and repay within five years after July 1, 1993, any direct appropriations received to establish initial reserves.*

(c) [TAXES AND ASSESSMENTS.] *To the extent that the program operates as a self-insured group, the premiums paid to the program are not subject to the premium taxes imposed by sections 60A.15 and 60A.198, but the program is subject to a Minnesota comprehensive health association assessment under section 62E.11.*

Subd. 9. [PRIVATE EMPLOYERS INSURANCE TRUST FUND.] *(a)* [CONTENTS.] *The private employer insurance trust fund in the state treasury consists of deposits received from eligible employers and individuals, contractual settlements or rebates relating to the program, investment income or losses, and direct appropriations.*

(b) [APPROPRIATION.] *All money in the fund is appropriated to the commissioner to pay insurance premiums, approved claims, refunds, administrative costs, and other costs necessary to administer the program.*

(c) [RESERVES.] *For any coverages for which the program does not contract to transfer full financial responsibility, the commissioner shall establish and maintain reserves:*

(1) for claims in process, incomplete and unreported claims, premiums

received but not yet earned, and all other accrued liabilities; and

(2) to ensure premium stability and the timely payment of claims in the event of adverse claims experience. The reserve for premium stability and claim fluctuations must be established according to the standards of section 62C.09, subdivision 3, except that the reserve may exceed the upper limit under this standard until July 1, 1997.

(d) [INVESTMENTS.] *The state board of investment shall invest the fund's assets according to section 11A.24. Investment income and losses attributable to the fund must be credited to the fund.*

Subd. 10. [PROGRAM STATUS.] *The private employers insurance program is a state program to provide the advantages of a large pool to small employers for purchasing health coverage, other coverages, and related services from insurance companies, health maintenance organizations, and other organizations. The program is not an insurance company. Coverage under this program shall be considered a certificate of insurance or similar evidence of coverage and is subject to all applicable requirements of chapters 60A, 62A, 62C, 62E, 62H, 62L, and 72A, and is subject to regulation by the commissioner of commerce to the extent applicable. Coverage is subject to section 471.617, subdivisions 2 and 3, and the bidding requirements of section 471.6161.*

Subd. 11. [EVALUATION.] *The commissioner shall report to the legislature on December 15, 1995. The report must provide a detailed summary of all direct and indirect administrative costs associated with the program, and must include an analysis of whether the program (1) is providing coverage to persons who would otherwise be unable to purchase coverage in the private sector; (2) will provide coverage at lower premium costs without ongoing state subsidy; (3) will provide coverage to persons in geographic areas of the state where coverage options would otherwise be limited; and (4) will fulfill the intent of the legislature.*

Sec. 2. [62A.011] [DEFINITIONS.]

Subdivision 1. [APPLICABILITY.] *For purposes of this chapter, the terms defined in this section have the meanings given.*

Subd. 2. [HEALTH CARRIER.] *"Health carrier" means an insurance company licensed under chapter 60A to offer, sell, or issue a policy of accident and sickness insurance as defined in section 62A.01; a nonprofit health service plan corporation operating under chapter 62C; a health maintenance organization operating under chapter 62D; a fraternal benefit society operating under chapter 64B; or a joint self-insurance employee health plan operating under chapter 62H.*

Subd. 3. [HEALTH PLAN.] *"Health plan" means a policy or certificate of accident and sickness insurance as defined in section 62A.01 offered by an insurance company licensed under chapter 60A; a subscriber contract or certificate offered by a nonprofit health service plan corporation operating under chapter 62C; a health maintenance contract or certificate offered by a health maintenance organization operating under chapter 62D; a health benefit certificate offered by a fraternal benefit society operating under chapter 64B; or health coverage offered by a joint self-insurance employee health plan operating under chapter 62H. Health plan means individual and group coverage, unless otherwise specified.*

Sec. 3. Minnesota Statutes 1990, section 62A.02, subdivision 1, is

amended to read:

Subdivision 1. [FILING.] No ~~policy of accident and sickness insurance~~ *health plan as defined in section 62A.011* shall be issued or delivered to any person in this state, nor shall any application, rider, or endorsement be used in connection ~~therewith~~ *with the health plan*, until a copy of ~~the~~ *its* form ~~thereof~~ and of the classification of risks and the premium rates pertaining ~~thereto~~ *to the form* have been filed with the commissioner. The filing for nongroup ~~policies~~ *health plan forms* shall include a statement of actuarial reasons and data to support the ~~need for any premium~~ rate ~~increase~~. *For health benefit plans as defined in section 62L.02, and for health plans to be issued to individuals, the health carrier shall file with the commissioner the information required in section 62L.08, subdivision 8. For group health plans for which approval is sought for sales only outside of the small employer market as defined in section 62L.02, this section applies only to policies or contracts of accident and sickness insurance. All forms intended for issuance in the individual or small employer market must be accompanied by a statement as to the expected loss ratio for the form. Premium rates and forms relating to specific insureds or proposed insureds, whether individuals or groups, need not be filed, unless requested by the commissioner.*

Sec. 4. Minnesota Statutes 1990, section 62A.02, subdivision 2, is amended to read:

Subd. 2. [APPROVAL.] ~~No such policy~~ *The health plan form* shall *not* be issued, nor shall any application, rider, ~~or~~ endorsement, *or rate* be used in connection ~~therewith~~ *with it*, until the expiration of 60 days after it has been ~~so~~ filed unless the commissioner ~~shall sooner give written approval thereto~~ *approves it before that time*.

Sec. 5. Minnesota Statutes 1990, section 62A.02, subdivision 3, is amended to read:

Subd. 3. [*STANDARDS FOR* DISAPPROVAL.] The commissioner shall, within 60 days after the filing of any form *or rate*, disapprove the form *or rate*:

(1) if the benefits provided ~~therein~~ are ~~unreasonable~~ *not reasonable* in relation to the premium charged;

(2) if it contains a provision or provisions which are unjust, unfair, inequitable, misleading, deceptive or encourage misrepresentation of the ~~policy~~ *health plan form, or otherwise does not comply with this chapter, chapter 62L, or chapter 72A*; ~~or~~

(3) if the proposed premium rate is excessive ~~because the insurer has failed to exercise reasonable cost control~~ *or not adequate; or*

(4) the actuarial reasons and data submitted do not justify the rate.

The party proposing a rate has the burden of proving by a preponderance of the evidence that it does not violate this subdivision.

In determining the reasonableness of a rate, the commissioner shall also review all administrative contracts, service contracts, and other agreements to determine the reasonableness of the cost of the contracts or agreement and effect of the contracts on the rate. If the commissioner determines that a contract or agreement is not reasonable, the commissioner shall disapprove any rate that reflects any unreasonable cost arising out of the contract or

agreement. The commissioner may require any information that the commissioner deems necessary to determine the reasonableness of the cost.

For the purposes of ~~clause (1)~~ *this subdivision*, the commissioner shall establish by rule a schedule of minimum anticipated loss ratios which shall be based on (i) the type or types of coverage provided, (ii) whether the policy is for group or individual coverage, and (iii) the size of the group for group policies. Except for individual policies of disability or income protection insurance, the minimum anticipated loss ratio shall not be less than 50 percent after the first year that a policy is in force. All applicants for a policy shall be informed in writing at the time of application of the anticipated loss ratio of the policy. ~~For the purposes of this subdivision,~~ "Anticipated loss ratio" means the ratio at the time of ~~form~~ filing, *at the time of notice of withdrawal under subdivision 4a*, or at the time of subsequent rate revision of the present value of all expected future benefits, excluding dividends, to the present value of all expected future premiums. ~~Nothing in this paragraph shall prohibit the commissioner from disapproving a form which meets the requirements of this paragraph but which the commissioner determines still provides benefits which are unreasonable in relation to the premium charged.~~

If the commissioner notifies ~~an insurer which~~ *a health carrier that* has filed any form *or rate* that ~~the form~~ *it* does not comply with ~~the provisions of~~ this ~~section or sections 62A.03 to 62A.05 and 72A.20~~ *chapter, chapter 62L, or chapter 72A*, it shall be unlawful ~~thereafter~~ for the ~~insurer~~ *health carrier* to issue *or use* the form or ~~use it in connection with any policy~~ *rate*. In the notice the commissioner shall specify the reasons for disapproval and state that a hearing will be granted within 20 days after request in writing by the ~~insurer~~ *health carrier*.

The 60-day period within which the commissioner is to approve or disapprove the form or rate does not begin to run until a complete filing of all data and materials required by statute or requested by the commissioner has been submitted.

However, if the supporting data is not filed within 30 days after a request by the commissioner, the rate is not effective and is presumed to be an excessive rate.

Sec. 6. Minnesota Statutes 1990, section 62A.02, is amended by adding a subdivision to read:

Subd. 4a. [WITHDRAWAL OF APPROVAL.] *The commissioner may, at any time after a 20-day written notice has been given to the insurer, withdraw approval of any form or rate that has previously been approved on any of the grounds stated in this section. It is unlawful for the health carrier to issue a form or rate or use it in connection with any health plan after the effective date of the withdrawal of approval. The notice of withdrawal of approval must advise the health carrier of the right to a hearing under the contested case procedures of chapter 14, and must specify the matters to be considered at the hearing.*

The commissioner may request an health carrier to provide actuarial reasons and data, as well as other information, needed to determine if a previously approved rate continues to satisfy the requirements of this section. If the requested information is not provided within 30 days after request by the commissioner, the rate is presumed to be an excessive rate.

Sec. 7. Minnesota Statutes 1990, section 62A.02, is amended by adding

a subdivision to read:

Subd. 5a. [HEARING.] *The health carrier must request a hearing before the 20-day notice period has ended, or the commissioner's order is final. A request for hearing stays the commissioner's order until the commissioner notifies the health carrier of the result of the hearing. The commissioner's order may require the modification of any rate or form and may require continued coverage to persons covered under a health plan to which the disapproved form or rate applies.*

Sec. 8. [62A.021] [HEALTH CARE POLICY RATES.]

Subdivision 1. [LOSS RATIO STANDARDS.] *Notwithstanding section 62A.02, subdivision 3, relating to loss ratios, a health care policy form or certificate form shall not be delivered or issued for delivery to an individual or to a small employer as defined in section 62L.02, unless the policy form or certificate form can be expected, as estimated for the entire period for which rates are computed to provide coverage, to return to Minnesota policyholders and certificate holders in the form of aggregate benefits not including anticipated refunds or credits, provided under the policy form or certificate form, (1) at least 75 percent of the aggregate amount of premiums earned in the case of policies issued in the small employer market, as defined in section 62L.02, subdivision 27; and (2) at least 65 percent of the aggregate amount of premiums earned in the case of policies issued in the individual market, calculated on the basis of incurred claims experience or incurred health care expenses where coverage is provided by a health maintenance organization on a service rather than reimbursement basis and earned premiums for the period and according to accepted actuarial principles and practices. A health carrier shall demonstrate that the third year loss ratio is greater than or equal to the applicable percentage. Assessments by the reinsurance association created in chapter 62L and any types of taxes, surcharges, or assessments created by this act or created on or after the date of final enactment of this act are included in the calculation of incurred claims experience or incurred health care expenses. The applicable percentage for policy forms and certificate forms issued in the small employer market, as defined in section 62L.02, increases by one percentage point on July 1 of each year, until an 80 percent loss ratio is reached on July 1, 1998. The applicable percentage for policy forms and certificate forms issued in the individual market increases by one percentage point on July 1 of each year, until a 70 percent loss ratio is reached on July 1, 1998. Premiums earned and claims incurred in markets other than the small employer and individual markets are not relevant for purposes of this section.*

Notwithstanding section 645.26, any act enacted at this session that amends or repeals section 62A.135 or that otherwise changes the loss ratios provided in that section is void.

All filings of rates and rating schedules shall demonstrate that actual expected claims in relation to premiums comply with the requirements of this section when combined with actual experience to date. Filings of rate revisions shall also demonstrate that the anticipated loss ratio over the entire future period for which the revised rates are computed to provide coverage can be expected to meet the appropriate loss ratio standards, and aggregate loss ratio from inception of the policy form or certificate form shall equal or exceed the appropriate loss ratio standards.

A health carrier that issues health care policies and certificates to individuals or to small employers, as defined in section 62L.02, in this state

shall file annually its rates, rating schedule, and supporting documentation including ratios of incurred losses to earned premiums by policy form or certificate form duration for approval by the commissioner according to the filing requirements and procedures prescribed by the commissioner. The supporting documentation shall also demonstrate in accordance with actuarial standards of practice using reasonable assumptions that the appropriate loss ratio standards can be expected to be met over the entire period for which rates are computed. The demonstration shall exclude active life reserves. An expected third-year loss ratio which is greater than or equal to the applicable percentage shall be demonstrated for policy forms or certificate forms in force less than three years. If the data submitted does not confirm that the health carrier has satisfied the loss ratio requirements of this section, the commissioner shall notify the health carrier in writing of the deficiency. The health carrier shall have 30 days from the date of the commissioner's notice to file amended rates that comply with this section. If the health carrier fails to file amended rates within the prescribed time, the commissioner shall order that the health carrier's filed rates for the nonconforming policy form or certificate form be reduced to an amount that would have resulted in a loss ratio that complied with this section had it been in effect for the reporting period of the supplement. The health carrier's failure to file amended rates within the specified time or the issuance of the commissioner's order amending the rates does not preclude the health carrier from filing an amendment of its rates at a later time. The commissioner shall annually make the submitted data available to the public at a cost not to exceed the cost of copying. The data must be compiled in a form useful for consumers who wish to compare premium charges and loss ratios.

Each sale of a policy or certificate that does not comply with the loss ratio requirements of this section is an unfair or deceptive act or practice in the business of insurance and is subject to the penalties in sections 72A.17 to 72A.32.

For purposes of this section, health care policies issued as a result of solicitations of individuals through the mail or mass media advertising, including both print and broadcast advertising, shall be treated as individual policies.

For purposes of this section, (1) "health care policy" or "health care certificate" is a health plan as defined in section 62A.011; and (2) "health carrier" has the meaning given in section 62A.011 and includes all health carriers delivering or issuing for delivery health care policies or certificates in this state or offering these policies or certificates to residents of this state.

Subd. 2. [COMPLIANCE AUDIT.] *The commissioner has the authority to audit any health carrier to assure compliance with this section. Health carriers shall retain at their principal place of business information necessary for the commissioner to perform compliance audits.*

Sec. 9. [62A.302] [COVERAGE OF DEPENDENTS.]

Subdivision 1. [SCOPE OF COVERAGE.] *This section applies to all health plans as defined in section 62A.011.*

Subd. 2. [REQUIRED COVERAGE.] *Every health plan included in subdivision 1 that provides dependent coverage must define "dependent" no more restrictively than the definition provided in section 62L.02.*

Sec. 10. [62A.303] [PROHIBITION: SEVERING OF GROUPS.]

Section 62L.12, subdivisions 1, 2, 3, and 4, apply to all employer group health plans, as defined in section 62A.011, regardless of the size of the group.

Sec. 11. Minnesota Statutes 1991 Supplement, section 62A.31, subdivision 1, is amended to read:

Subdivision 1. [POLICY REQUIREMENTS.] No individual or group policy, certificate, subscriber contract *issued by a health service plan corporation regulated under chapter 62C*, or other evidence of accident and health insurance the effect or purpose of which is to supplement Medicare coverage issued or delivered in this state or offered to a resident of this state shall be sold or issued to an individual covered by Medicare unless the following requirements are met:

(a) The policy must provide a minimum of the coverage set out in subdivision 2;

(b) The policy must cover preexisting conditions during the first six months of coverage if the insured was not diagnosed or treated for the particular condition during the 90 days immediately preceding the effective date of coverage;

(c) The policy must contain a provision that the plan will not be canceled or nonrenewed on the grounds of the deterioration of health of the insured;

(d) Before the policy is sold or issued, an offer of both categories of Medicare supplement insurance has been made to the individual, together with an explanation of both coverages;

(e) An outline of coverage as provided in section 62A.39 must be delivered at the time of application and prior to payment of any premium;

(f)(1) The policy must provide that benefits and premiums under the policy shall be suspended at the request of the policyholder for the period, not to exceed 24 months, in which the policyholder has applied for and is determined to be entitled to medical assistance under title XIX of the Social Security Act, but only if the policyholder notifies the issuer of the policy within 90 days after the date the individual becomes entitled to this assistance;

(2) If suspension occurs and if the policyholder or certificate holder loses entitlement to this medical assistance, the policy shall be automatically reinstated, effective as of the date of termination of this entitlement, if the policyholder provides notice of loss of the entitlement within 90 days after the date of the loss;

(3) The policy must provide that upon reinstatement (i) there is no additional waiting period with respect to treatment of preexisting conditions, (ii) coverage is provided which is substantially equivalent to coverage in effect before the date of the suspension, and (iii) premiums are classified on terms that are at least as favorable to the policyholder or certificate holder as the premium classification terms that would have applied to the policyholder or certificate holder had coverage not been suspended;

(g) The written statement required by an application for Medicare supplement insurance pursuant to section 62A.43, subdivision 1, shall be made on a form, approved by the commissioner, that states that counseling services may be available in the state to provide advice concerning the purchase of Medicare supplement policies and enrollment under the Medicaid program;

(h) No issuer of Medicare supplement policies, *including policies that supplement Medicare issued by health maintenance organizations or those policies governed by section 1833 or 1876 of the federal Social Security Act, United States Code, title 42, section 1395, et seq.,* in this state may impose preexisting condition limitations or otherwise deny or condition the issuance or effectiveness of any Medicare supplement insurance policy form available for sale in this state, nor may it discriminate in the pricing of such a policy, because of the health status, claims experience, receipt of health care, or medical condition of an applicant where an application for such insurance is submitted during the six-month period beginning with the first month in which an individual first enrolled for benefits under Medicare Part B;

(i) If a Medicare supplement policy replaces another Medicare supplement policy, the issuer of the replacing policy shall waive any time periods applicable to preexisting conditions, waiting periods, elimination periods, and probationary periods in the new Medicare supplement policy for similar benefits to the extent the time was spent under the original policy;

(j) The policy has been filed with and approved by the department as meeting all the requirements of sections 62A.31 to 62A.44; and

(k) The policy guarantees renewability.

Only the following standards for renewability may be used in Medicare supplement insurance policy forms.

No issuer of Medicare supplement insurance policies may cancel or nonrenew a Medicare supplement policy or certificate for any reason other than nonpayment of premium or material misrepresentation.

If a group Medicare supplement insurance policy is terminated by the group policyholder and is not replaced as provided in this clause, the issuer shall offer certificate holders an individual Medicare supplement policy which, at the option of the certificate holder, provides for continuation of the benefits contained in the group policy; or provides for such benefits and benefit packages as otherwise meet the requirements of this clause.

If an individual is a certificate holder in a group Medicare supplement insurance policy and the individual terminates membership in the group, the issuer of the policy shall offer the certificate holder the conversion opportunities described in this clause; or offer the certificate holder continuation of coverage under the group policy.

(l) Each health maintenance organization, health service plan corporation, insurer, or fraternal benefit society that sells coverage that supplements Medicare coverage shall establish a separate community rate for that coverage. Beginning January 1, 1993, no coverage that supplements Medicare or that is governed by section 1833 or 1876 of the federal Social Security Act, United States Code, title 42, section 1395, et seq., may be offered, issued, sold, or renewed to a Minnesota resident, except at the community rate required by this paragraph.

For coverage that supplements Medicare and for the Part A rate calculation for plans governed by section 1833 of the federal Social Security Act, United States Code, title 42, section 1395, et seq., the community rate may take into account only the following factors:

(1) actuarially valid differences in benefit designs or provider networks;

(2) geographic variations in rates if preapproved by the commissioner of commerce; and

(3) premium reductions in recognition of healthy lifestyle behaviors, including but not limited to, refraining from the use of tobacco. Premium reductions must be actuarially valid and must relate only to those healthy lifestyle behaviors that have a proven positive impact on health. Factors used by the health carrier making this premium reduction must be filed with and approved by the commissioner.

Sec. 12. [62A.65] [INDIVIDUAL MARKET REGULATION.]

Subdivision 1. [APPLICABILITY.] *No health carrier, as defined in chapter 62L, shall offer, sell, issue, or renew any individual policy of accident and sickness coverage, as defined in section 62A.01, subdivision 1, any individual subscriber contract regulated under chapter 62C, any individual health maintenance contract regulated under chapter 62D, any individual health benefit certificate regulated under chapter 64B, or any individual health coverage provided by a multiple employer welfare arrangement, to a Minnesota resident except in compliance with this section. For purposes of this section, "health benefit plan" has the meaning given in chapter 62L, except that the term means individual coverage, including family coverage, rather than employer group coverage. This section does not apply to the comprehensive health association established in section 62E.10 or to coverage described in section 62A.31, subdivision 1, paragraph (h), or to long-term care policies as defined in section 62A.46, subdivision 2.*

Subd. 2. [GUARANTEED RENEWAL.] *No health benefit plan may be offered, sold, issued, or renewed to a Minnesota resident unless the health benefit plan provides that the plan is guaranteed renewable at a premium rate that does not take into account the claims experience or any change in the health status of any covered person that occurred after the initial issuance of the health benefit plan to the person. The premium rate upon renewal must also otherwise comply with this section. A health benefit plan may be subject to refusal to renew only under the conditions provided in chapter 62L.*

Subd. 3. [PREMIUM RATE RESTRICTIONS.] *No health benefit plan may be offered, sold, issued, or renewed to a Minnesota resident unless the premium rate charged is determined in accordance with the rating and premium restrictions provided under chapter 62L, except the minimum loss ratio applicable to individual coverage is as provided in section 62A.021. All provisions of chapter 62L apply to rating and premium restrictions in the individual market, unless clearly inapplicable to the individual market.*

Subd. 4. [GENDER RATING PROHIBITED.] *No health benefit plan offered, sold, issued, or renewed to a Minnesota resident may determine the premium rate or any other underwriting decision, including initial issuance, on the gender of any person covered or to be covered under the health benefit plan.*

Subd. 5. [PORTABILITY OF COVERAGE.] *(a) No health benefit plan may be offered, sold, issued, or renewed to a Minnesota resident that contains a preexisting condition limitation or exclusion, unless the limitation or exclusion would be permitted under chapter 62L. The individual may be treated as a late entrant, as defined in chapter 62L, unless the individual has maintained continuous coverage as defined in chapter 62L. An individual who has maintained continuous coverage may be subjected to a one-time*

preexisting condition limitation as permitted under chapter 62L for persons who are not late entrants, at the time that the individual first is covered by individual coverage. Thereafter, the person must not be subject to any preexisting condition limitation, except an unexpired portion of a limitation under prior coverage, so long as the individual maintains continuous coverage.

(b) A health carrier must offer individual coverage to any individual previously covered under a group health benefit plan issued by that health carrier, so long as the individual maintained continuous coverage as defined in chapter 62L. Coverage issued under this paragraph must not contain any preexisting condition limitation or exclusion, except for any unexpired limitation or exclusion under the previous coverage. The initial premium rate for the individual coverage must comply with subdivision 3. The premium rate upon renewal must comply with subdivision 2.

Subd. 6. [GUARANTEED ISSUE NOT REQUIRED.] *Nothing in this section requires a health carrier to initially issue a health benefit plan to a Minnesota resident, except as otherwise expressly provided in subdivision 4 or 5.*

Sec. 13. Minnesota Statutes 1990, section 62E.02, subdivision 23, is amended to read:

Subd. 23. "Contributing member" means those companies ~~operating pursuant to~~ *regulated under* chapter 62A and offering, selling, issuing, or renewing policies or contracts of accident and health insurance ~~or~~; health maintenance organizations ~~and~~ *regulated under chapter 62D;* nonprofit health service plan corporations ~~incorporated~~ *regulated* under chapter 62C ~~or~~; fraternal benefit ~~society operating~~ *societies regulated* under chapter 64B; *the private employers insurance program established in section 43A.317, effective July 1, 1993; and joint self-insurance plans regulated under chapter 62H.* For the purposes of determining liability of contributing members pursuant to section 62E.11 payments received from or on behalf of Minnesota residents for coverage by a health maintenance organization shall be considered to be accident and health insurance premiums.

Sec. 14. Minnesota Statutes 1990, section 62E.10, subdivision 1, is amended to read:

Subdivision 1. [CREATION; TAX EXEMPTION.] There is established a comprehensive health association to promote the public health and welfare of the state of Minnesota with membership consisting of all insurers~~,~~; self-insurers~~,~~; fraternals; *joint self-insurance plans regulated under chapter 62H; the private employers insurance program established in section 43A.317, effective July 1, 1993;* and health maintenance organizations licensed or authorized to do business in this state. The comprehensive health association shall be exempt from taxation under the laws of this state and all property owned by the association shall be exempt from taxation.

Sec. 15. Minnesota Statutes 1990, section 62E.11, subdivision 9, is amended to read:

Subd. 9. Each contributing member that terminates individual health coverage ~~regulated under chapter 62A, 62C, 62D, or 64B~~ for reasons other than (a) nonpayment of premium; (b) failure to make copayments; (c) enrollee moving out of the area served; or (d) a materially false statement or misrepresentation by the enrollee in the application for membership; and does not provide or arrange for replacement coverage that meets the requirements of section 62D.121; shall pay a special assessment to the state plan

based upon the number of terminated individuals who join the comprehensive health insurance plan as authorized under section 62E.14, subdivisions 1, paragraph (d), and 6. Such a contributing member shall pay the association an amount equal to the average cost of an enrollee in the state plan in the year in which the member terminated enrollees multiplied by the total number of terminated enrollees who enroll in the state plan.

The average cost of an enrollee in the state comprehensive health insurance plan shall be determined by dividing the state plan's total annual losses by the total number of enrollees from that year. This cost will be assessed to the contributing member who has terminated health coverage before the association makes the annual determination of each contributing member's liability as required under this section.

In the event that the contributing member is terminating health coverage because of a loss of health care providers, the commissioner may review whether or not the special assessment established under this subdivision will have an adverse impact on the contributing member or its enrollees or insureds, including but not limited to causing the contributing member to fall below statutory net worth requirements. If the commissioner determines that the special assessment would have an adverse impact on the contributing member or its enrollees or insureds, the commissioner may adjust the amount of the special assessment, or establish alternative payment arrangements to the state plan. For health maintenance organizations regulated under chapter 62D, the commissioner of health shall make the determination regarding any adjustment in the special assessment and shall transmit that determination to the commissioner of commerce.

Sec. 16. Minnesota Statutes 1990, section 62E.11, is amended by adding a subdivision to read:

Subd. 12. [FUNDING.] *Notwithstanding subdivision 5, the claims expenses and operating and administrative expenses of the association incurred on or after January 1, 1994 shall be paid from the health care access account established in section 16A.724, to the extent appropriated for that purpose by the legislature. Any such expenses not paid from that account shall be paid as otherwise provided in this section. All contributing members shall adjust their premium rates to fully reflect funding provided under this subdivision. The commissioner of commerce or the commissioner of health, as appropriate, shall require contributing members to prove compliance with this rate adjustment requirement.*

Sec. 17. [62E.141] [INCLUSION IN EMPLOYER-SPONSORED PLAN.]

No employee, or dependent of an employee, of an employer who offers a health benefit plan, under which the employee or dependent is eligible to enroll under chapter 62L, is eligible to enroll, or continue to be enrolled, in the comprehensive health association, except for enrollment or continued enrollment necessary to cover conditions that are subject to an unexpired preexisting condition limitation or exclusion under the employer's health benefit plan. This section does not apply to persons enrolled in the comprehensive health association as of June 30, 1993.

Sec. 18. Minnesota Statutes 1990, section 62H.01, is amended to read:

62H.01 [JOINT SELF-INSURANCE EMPLOYEE HEALTH PLAN.]

Any ~~three~~ *two* or more employers, excluding the state and its political

subdivisions as described in section 471.617, subdivision 1, who are authorized to transact business in Minnesota may jointly self-insure employee health, dental, or short-term disability benefits. Joint plans must have a minimum of 250 covered employees and meet all conditions and terms of sections 62H.01 to 62H.08. Joint plans covering employers not resident in Minnesota must meet the requirements of sections 62H.01 to 62H.08 as if the portion of the plan covering Minnesota resident employees was treated as a separate plan. A plan may cover employees resident in other states only if the plan complies with the applicable laws of that state.

A multiple employer welfare arrangement as defined in United States Code, title 29, section 1002(40)(a), is subject to this chapter to the extent authorized by the Employee Retirement Income Security Act of 1974, United States Code, title 29, sections 1001 et seq.

Sec. 19. [REQUEST FOR ERISA EXEMPTION.]

The commissioner of commerce shall request and diligently pursue an exemption from the federal preemption of state laws relating to health coverage provided under employee welfare benefit plans under the Employee Retirement Income Security Act of 1974 (ERISA), United States Code, title 29, section 1144. The scope of the exemption should permit the state to:

(1) require that employers participate in a state payroll withholding system designed to pay for health coverage for employees and dependents;

(2) regulate self-insured health plans to the same extent as insurance companies; and

(3) enact or adopt other state laws relating to health coverage that would, in the judgment of the commissioner of commerce, further the public policies of this state.

In determining the scope of the exemption request and in requesting and pursuing the exemption, the commissioner of commerce shall seek the advice and assistance of the legislative commission on health care access. The commissioner shall report in writing to that commission at least quarterly regarding the status of the exemption request.

Sec. 20. [COMMISSIONER OF COMMERCE STUDY.]

The commissioner of commerce shall study the operation of the individual market and shall file a report and recommendations with the legislature, no later than December 15, 1992. The study, report, and recommendations must:

(1) evaluate the extent to which the individual market and the state's regulation of it can achieve the goals provided in Minnesota Statutes, section 62L.01, subdivision 3;

(2) evaluate the need for and feasibility of a guaranteed issue requirement in the individual market;

(3) make recommendations regarding the future of the comprehensive health association.

Sec. 21. [REVIEW OF STANDARDIZED POLICY FORMS.]

The commissioner of commerce shall review the health care policies currently in use in the state, other than specialized and limited scope products such as dental insurance and hospital indemnity products, and make

recommendations to the legislature by February 1, 1993, relating to standardized health care policy forms to be used by all insurers, health service plans, or other entities regulated under Minnesota Statutes, chapter 62A, 62C, 62E, or 62H.

Sec. 22. [STUDY OF HEALTHY LIFESTYLE PREMIUM REDUCTIONS.]

The commissioner of commerce shall study and make recommendations to the legislature regarding whether health benefits plans, as defined in Minnesota Statutes, section 62L.02, but including both individual and group plans, should be permitted or required to offer premium discounts in recognition of and to encourage healthy lifestyle behaviors. The commissioner shall file the recommendations with the legislature on or before December 15, 1992. The commissioner shall make recommendations regarding:

(1) the types of lifestyle behaviors, including but not limited to, nonuse of tobacco, nonuse of alcohol, and regular exercise appropriate to the person's age and health status, that should be eligible for premium discounts;

(2) the level or amounts of premium discounts that should be permitted or required, including appropriateness of premium discounts of up to 25 percent of the premium;

(3) the actuarial justification that the commissioner should require for premium reductions;

(4) the extent to which health carriers can monitor compliance with promised lifestyle behaviors and whether new legislation could increase the monitoring ability or reduce its cost; and

(5) any favorable or adverse impacts on the individual or small group market. Any data on individuals collected under this section and received by the commissioner, which has not previously been public data, is private data on individuals.

This section shall not be interpreted as prohibiting any premium discounts approved under current law by the commissioner of commerce or by the commissioner of health or permitted under this act.

Sec. 23. [REPEALER.]

Minnesota Statutes 1990, sections 62A.02, subdivisions 4 and 5, are repealed.

Sec. 24. [EFFECTIVE DATE.]

Section 11 is effective July 30, 1992. Sections 1 to 10, 12, 15, 16, 17, 18, and 23 are effective July 1, 1993, except that section 1, subdivision 9, is effective the day following final enactment. Sections 19, 20, 21, and 22 are effective the day following final enactment.

ARTICLE 4

CHILDREN'S HEALTH PLAN EXPANSION

Section 1. [256.362] [REPORTS AND IMPLEMENTATION.]

Subdivision 1. [WELLNESS COMPONENT.] *The commissioners of human services and health shall recommend to the legislature, by January 1, 1993, methods to incorporate discounts for wellness factors of up to 25 percent into the health right plan premium sliding scale. Beginning October 1, 1992, the commissioner of human services shall inform health right plan*

enrollees of the future availability of the wellness discount, and shall encourage enrollees to incorporate wellness factors into their lifestyles.

Subd. 2. [FEDERAL HEALTH INSURANCE CREDIT.] *By October 1, 1992, the commissioners of human services and revenue shall apply for any federal waivers or approvals necessary to allow enrollees in state health care programs to assign the federal health insurance credit component of the earned income tax credit to the state.*

Subd. 3. [COORDINATION OF MEDICAL ASSISTANCE AND THE HEALTH RIGHT PLAN.] *The commissioner shall develop and implement a plan to combine medical assistance and health right plan application and eligibility procedures. The plan may include the following changes: (1) use of a single mail-in application; (2) elimination of the requirement for personal interviews; (3) postponing notification of paternity disclosure requirements; (4) modifying verification requirements for pregnant women and children; (5) using shorter forms for recertifying eligibility; (6) expedited and more efficient eligibility determinations for applicants; (7) expanded outreach efforts, including combined marketing of the two plans; and (8) other changes that improve access to services provided by the two programs. The plan may include seeking the following changes in federal law: (1) extension and expansion of exemptions for different eligibility groups from Medicaid quality control sanctions; (2) changing requirements for the redetermination of eligibility; (3) eliminating asset tests for all children; and (4) other changes that improve access to services provided by the two programs. The commissioner shall seek any necessary federal approvals, and any necessary changes in federal law. The commissioner shall implement each element of the plan as federal approval is received, and shall report to the legislature by January 1, 1993, on progress in implementing this plan.*

Subd. 4. [PLAN FOR MANAGED CARE.] *By January 1, 1993, the commissioner of human services shall present a plan to the legislature for providing all medical assistance and health right plan services through managed care arrangements. The commissioner shall apply to the secretary of health and human services for any necessary federal waivers or approvals, and shall begin to implement the plan for managed care upon receipt of the federal waivers or approvals.*

Subd. 5. [REPORT ON PURCHASES AT FULL COST.] *By January 1, 1994, the commissioner shall report to the legislature on the effect on average overall premium cost for the health right plan of allowing families who are not eligible for a subsidy to enroll in the health right plan at 100 percent of premium cost. By January 1, 1995, the commissioner shall report to the legislature on the effect on average overall premium cost for the health right plan of allowing individuals who are not eligible for a subsidy to enroll in the health right plan at 100 percent of premium cost. The commissioner shall recommend whether enrollment for this group should begin.*

Sec. 2. Minnesota Statutes 1990, section 256.936, subdivision 1, is amended to read:

Subdivision 1. [DEFINITIONS.] For purposes of this section the following terms shall have the meanings given them:

(a) ~~"Eligible persons" means children who are one year of age or older but less than 18 years of age who have gross family incomes that are equal to or less than 185 percent of the federal poverty guidelines and who are not~~

~~eligible for medical assistance under chapter 256B or general assistance medical care under chapter 256D and who are not otherwise insured for the covered services. The period of eligibility extends from the first day of the month in which the child's first birthday occurs to the last day of the month in which the child becomes 18 years old.~~

~~(b) "Covered services" means children's health services.~~

~~(c) "Children's health services" means the health services reimbursed under chapter 256B, with the exception of inpatient hospital services, special education services, private duty nursing services, orthodontic services, medical transportation services, personal care assistant and case management services, hospice care services, nursing home or intermediate care facilities services, inpatient mental health services, outpatient mental health services in excess of $1,000 per enrolled child per 12-month eligibility period, and chemical dependency services. Outpatient mental health services covered under the children's health plan are limited to diagnostic assessments, psychological testing, explanation of findings, and individual, family, and group psychotherapy.~~

~~(d)~~ "Eligible providers" means those health care providers who provide ~~children's~~ *covered* health services to medical assistance recipients under rules established by the commissioner for that program. Reimbursement under this section shall be at the same rates and conditions established for medical assistance.

~~(e)~~ *(b)* "Commissioner" means the commissioner of human services.

~~(f)~~ *(c)* "Gross family income" for farm and nonfarm self-employed means income calculated using as the baseline the adjusted gross income reported on the applicant's federal income tax form for the previous year and adding back in reported depreciation, carryover loss, and net operating loss amounts that apply to the business in which the family is currently engaged. Applicants shall report the most recent financial situation of the family if it has changed from the period of time covered by the federal income tax form. The report may be in the form of percentage increase or decrease.

Sec. 3. Minnesota Statutes 1990, section 256.936, subdivision 2, is amended to read:

Subd. 2. [PLAN ADMINISTRATION.] The ~~children's~~ health *right* plan is established to promote access to appropriate ~~primary~~ health care *services* to assure healthy children *and adults*. The commissioner shall establish an office for the state administration of this plan. The plan shall be used to provide ~~children's~~ *covered* health services for eligible persons. Payment for these services shall be made to all eligible providers. The commissioner ~~may~~ *shall* adopt rules to administer ~~this section~~ *the health right plan*. The commissioner shall establish marketing efforts to encourage potentially eligible persons to receive information about the program and about other medical care programs administered or supervised by the department of human services. A toll-free telephone number must be used to provide information about medical programs and to promote access to the covered services. *The commissioner shall manage spending for the health right plan in a manner that maintains a minimum reserve equal to five percent of the expected cost of state premium subsidies.* The commissioner must make a quarterly assessment of the expected expenditures for the covered services ~~and the appropriation~~ *for the remainder of the current fiscal year and for the following two fiscal years*. ~~Based on this assessment the commissioner~~

~~may limit enrollments and target former aid to families with dependent children recipients. If sufficient money is not available to cover all costs incurred in one quarter, the commissioner may seek an additional authorization for funding from the legislative advisory committee.~~ *The estimated expenditure shall be compared to an estimate of the revenues that will be deposited in the health care access fund. Based on this comparison, and after consulting with the chairs of the house appropriations committee and the senate finance committee, and the legislative commission on health care access, the commissioner shall make adjustments as necessary to ensure that expenditures remain within the limits of available revenues. The adjustments the commissioner may use must be implemented in this order: first, stop enrollment of single adults and households without children; second, upon 45 days' notice, stop coverage of single adults and households without children already enrolled in the health right plan; third, upon 90 days' notice, decrease the premium subsidy amounts by ten percent for families with gross annual income above 200 percent of the federal poverty guidelines; fourth, upon 90 days' notice, decrease the premium subsidy amounts by ten percent for families with gross annual income at or below 200 percent; and fifth, require applicants to be uninsured for at least six months prior to eligibility in the health right plan. If these measures are insufficient to limit the expenditures to the estimated amount of revenue, the commissioner may further limit enrollment or decrease premium subsidies.*

If the commissioner determines that, despite adjustments made as authorized under this subdivision, estimated costs will exceed the forecasted amount of available revenues other than the reserve, the commissioner may, with the approval of the commissioner of finance, use all or part of the reserve to cover the costs of the program.

The commissioner may adopt emergency rules to govern implementation of this section. Notwithstanding section 14.35, the emergency rules adopted under this section shall remain in effect for 720 days.

Sec. 4. Minnesota Statutes 1990, section 256.936, is amended by adding a subdivision to read:

Subd. 2a. [COVERED HEALTH SERVICES.] *(a)* [COVERED SERVICES.] *"Covered health services" means the health services reimbursed under chapter 256B, with the exception of inpatient hospital services, special education services, private duty nursing services, orthodontic services, medical transportation services, personal care assistant and case management services, hospice care services, nursing home or intermediate care facilities services, inpatient mental health services, outpatient mental health services in excess of $1,000 per adult enrollee and $2,500 per child enrollee per 12-month eligibility period, and chemical dependency services. Outpatient mental health services covered under the health right plan are limited to diagnostic assessments, psychological testing, explanation of findings, and individual, family, and group psychotherapy. Medication management by a physician is not subject to the $1,000 and $2,500 limitations on outpatient mental health services. Covered health services shall be expanded as provided in this subdivision.*

(b) [ALCOHOL AND DRUG DEPENDENCY.] *Beginning October 1, 1992, covered health services shall include up to ten hours per year of individual outpatient treatment of alcohol or drug dependency by a qualified health professional or outpatient program. Two hours of group treatment count as one hour of individual treatment.*

Persons who may need chemical dependency services under the provisions of this chapter shall be assessed by a local agency as defined under section 254B.01, and under the assessment provisions of section 254A.03, subdivision 3. Persons who are recipients of medical benefits under the provisions of this chapter and who are financially eligible for consolidated chemical dependency treatment fund services provided under the provisions of chapter 254B shall receive chemical dependency treatment services under the provisions of chapter 254B only if:

(1) they have exhausted the chemical dependency benefits offered under this chapter; or

(2) an assessment indicates that they need a level of care not provided under the provisions of this chapter.

(c) [INPATIENT HOSPITAL SERVICES.] *Beginning July 1, 1993, covered health services shall include inpatient hospital services, subject to those limitations necessary to coordinate the provision of these services with eligibility under the medical assistance spenddown. The inpatient hospital benefit for adult enrollees not eligible for medical assistance is subject to an annual benefit limit of $10,000. The commissioner shall provide enrollees with at least 60 days' notice of coverage for inpatient hospital services and any premium increase associated with the inclusion of this benefit.*

(d) [EMERGENCY MEDICAL TRANSPORTATION SERVICES.] *Beginning July 1, 1993, covered health services shall include emergency medical transportation services.*

(e) [FEDERAL WAIVERS AND APPROVALS.] *The commissioner shall coordinate the provision of hospital inpatient services under the health right plan with enrollee eligibility under the medical assistance spend-down, and shall apply to the secretary of health and human services for any necessary federal waivers or approvals.*

(f) [COPAYMENTS AND COINSURANCE.] *The health right benefit plan shall include the following copayments and coinsurance requirements:*

(1) ten percent for inpatient hospital services for adult enrollees not eligible for medical assistance, subject to an annual out-of-pocket maximum of $2,000 per individual and $3,000 per family;

(2) 50 percent for adult dental services, except for preventive services;

(3) $3 per prescription for adult enrollees; and

(4) $25 for eyeglasses for adult enrollees.

Enrollees who would be eligible for medical assistance with a spenddown must pay the coinsurance amount up to the spenddown limit or the coinsurance amount, whichever is less, in order to become eligible for the medical assistance program.

Sec. 5. Minnesota Statutes 1990, section 256.936, is amended by adding a subdivision to read:

Subd. 2b. [ELIGIBLE PERSONS.] *(a)* [CHILDREN.] *"Eligible persons" means children who are one year of age or older but less than 18 years of age who have gross family incomes that are equal to or less than 185 percent of the federal poverty guidelines and who are not eligible for medical assistance under chapter 256B and who are not otherwise insured for the covered*

services. The period of eligibility extends from the first day of the month in which the child's first birthday occurs to the last day of the month in which the child becomes 18 years old. Eligibility for the health right plan shall be expanded as provided in paragraphs (b) to (e). Under paragraphs (b) to (e), parents who enroll in the health right plan must also enroll their children and dependent siblings, if the children and their dependent siblings are eligible. Children and dependent siblings may be enrolled separately without enrollment by parents. However, if one parent in the household enrolls, both parents must enroll, unless other insurance is available. If one child from a family is enrolled, all children must be enrolled, unless other insurance is available. Families cannot choose to enroll only certain uninsured members. For purposes of this subdivision, a "dependent sibling" means an unmarried child who is a full-time student under the age of 25 years who is financially dependent upon his or her parents. Proof of school enrollment will be required.

(b) [FAMILIES WITH CHILDREN.] *Beginning October 1, 1992, "eligible persons" means children eligible under paragraph (a), and parents and dependent siblings residing in the same household as a child eligible under paragraph (a). Individuals who initially enroll in the health right plan under the eligibility criteria in this paragraph shall remain eligible for the health right plan, regardless of age, place of residence within Minnesota, or the presence or absence of children in the same household, as long as all other eligibility requirements are met and continuous enrollment in the health right plan or medical assistance is maintained.*

(c) [CONTINUATION OF ELIGIBILITY.] *Beginning October 1, 1992, individuals who initially enrolled in the health right plan under the eligibility criteria in paragraph (a) or (b) remain eligible even if their gross income after enrollment exceeds 185 percent of the federal poverty guidelines, subject to any premium required under subdivision 4a, as long as all other eligibility requirements are met and continuous enrollment in the health right plan or medical assistance is maintained.*

(d) [FAMILIES WITH CHILDREN; ELIGIBILITY BASED ON PERCENTAGE OF INCOME PAID FOR HEALTH COVERAGE.] *Beginning January 1, 1993, "eligible persons" means children, parents, and dependent siblings residing in the same household who are not eligible for medical assistance under chapter 256B. These persons are eligible for coverage through the health right plan but must pay a premium as determined under subdivisions 4a and 4b. Individuals and families whose income is greater than the limits established under subdivision 4b may not enroll in the health right plan. Individuals who initially enroll in the health right plan under the eligibility criteria in this paragraph remain eligible for the health right plan, regardless of age, place of residence within Minnesota, or the presence or absence of children in the same household, as long as all other eligibility requirements are met and continuous enrollment in the health right plan or medical assistance is maintained.*

(e) [ADDITION OF SINGLE ADULTS AND HOUSEHOLDS WITH NO CHILDREN.] *Beginning July 1, 1994, "eligible persons" means all families and individuals who are not eligible for medical assistance under chapter 256B. These persons are eligible for coverage through the health right plan but must pay a premium as determined under subdivisions 4a and 4b. Individuals and families whose income is greater than the limits established under subdivision 4b may not enroll in the health right plan.*

Sec. 6. Minnesota Statutes 1990, section 256.936, subdivision 3, is amended to read:

Subd. 3. [APPLICATION PROCEDURES.] Applications and other information must be made available to provider offices, local human services agencies, school districts, public and private elementary schools in which 25 percent or more of the students receive free or reduced price lunches, community health offices, and Women, Infants and Children (WIC) program sites. These sites may accept applications, collect the enrollment fee *or initial premium fee*, and forward the forms and fees to the commissioner. Otherwise, applicants may apply directly to the commissioner. The commissioner ~~may~~ *shall* use individuals' social security numbers as identifiers for purposes of administering the plan and conduct data matches to verify income. Applicants shall submit evidence of family income, earned and unearned, that ~~will be used~~ *is necessary* to verify income eligibility. *The commissioner shall perform random audits to verify reported income and eligibility. The commissioner may execute data sharing arrangements with the department of revenue and any other governmental agency in order to perform income verification related to eligibility and premium payment under the health right plan. The effective date of coverage is the first day of the month following the month in which a complete application is entered to the eligibility file and the first premium payment has been received. Benefits are not available until the day following discharge if an enrollee is hospitalized on the first day of coverage.* Notwithstanding any other law to the contrary, benefits under this section are secondary to a plan of insurance or benefit program under which an eligible person may have coverage *and the commissioner shall use cost avoidance techniques to ensure coordination of any other health coverage for eligible persons*. The commissioner shall identify eligible persons who may have coverage or benefits under other plans of insurance or who become eligible for medical assistance.

Sec. 7. Minnesota Statutes 1990, section 256.936, subdivision 4, is amended to read:

Subd. 4. [ENROLLMENT *AND PREMIUM* FEE.] *(a)* [ENROLLMENT FEE.] *Until October 1, 1992*, an annual enrollment fee of $25, not to exceed $150 per family, is required from eligible persons for ~~children's~~ *covered* health services.

(b) [PREMIUM PAYMENTS.] *Beginning October 1, 1992, the commissioner shall require health right plan enrollees to pay a premium based on a sliding scale, as established under subdivision 4a. Applicants who are eligible under subdivision 2b, paragraph (a), are exempt from this requirement until July 1, 1993, if the application is received by the health right plan staff on or before September 30, 1992. Before July 1, 1993, these individuals shall continue to pay the annual enrollment fee required by paragraph (a).*

(c) [ADMINISTRATION.] Enrollment *and premium* fees are dedicated to the commissioner for the ~~children's~~ health *right* plan ~~program~~. The commissioner shall make an annual redetermination of continued eligibility and identify people who may become eligible for medical assistance. *The commissioner shall develop and implement procedures to: (1) require enrollees to report changes in income; (2) adjust sliding scale premium payments, based upon changes in enrollee income; and (3) disenroll enrollees from the health right plan for failure to pay required premiums. Premiums are calculated on a calendar month basis and may be paid on a monthly or*

quarterly basis, with the first payment due upon notice from the commissioner of the premium amount required. Premium payment is required before enrollment is complete and to maintain eligibility in the health right plan. Nonpayment of the premium will result in disenrollment from the plan within one calendar month after the due date. Persons disenrolled for nonpayment may not reenroll until four calendar months have elapsed.

Sec. 8. Minnesota Statutes 1990, section 256.936, is amended by adding a subdivision to read:

Subd. 4a. [ELIGIBILITY FOR SUBSIDIZED PREMIUMS BASED ON SLIDING SCALE.] *(a)* [GENERAL REQUIREMENTS.] *Families and individuals who enroll on or after October 1, 1992, are eligible for subsidized premium payments based on a sliding scale under subdivision 4b only if the family or individual meets the requirements in paragraphs (b) to (d). Children already enrolled in the health right plan as of September 30, 1992, are eligible for subsidized premium payments without meeting these requirements, as long as they maintain continuous coverage in the health right plan or medical assistance.*

Families and individuals who initially enrolled in the health right plan under subdivision 2b, and whose income increases above the limits established in subdivision 4b, may continue enrollment and pay the full cost of coverage.

(b) [MUST NOT HAVE ACCESS TO EMPLOYER-SUBSIDIZED COVERAGE.] *To be eligible for subsidized premium payments based on a sliding scale, a family or individual must not have access to subsidized health coverage through an employer, and must not have had access to subsidized health coverage through an employer for the 18 months prior to application for subsidized coverage under the health right plan. The requirement that the family or individual must not have had access to employer-subsidized coverage during the previous 18 months does not apply if employer-subsidized coverage was lost for reasons that would not disqualify the individual for unemployment benefits under section 268.09 and the family or individual has not had access to employer-subsidized coverage since the layoff. For purposes of this requirement, subsidized health coverage means health coverage for which the employer pays at least 50 percent of the cost of coverage for the employee, excluding dependent coverage, or a higher percentage as specified by the commissioner. Children are eligible for employer-subsidized coverage through either parent, including the noncustodial parent. The commissioner must treat employer contributions to Internal Revenue Code Section 125 plans as qualified employer subsidies toward the cost of health coverage for employees for purposes of this paragraph.*

(c) [PERIOD UNINSURED.] *To be eligible for subsidized premium payments based on a sliding scale, families and individuals initially enrolled in the health right plan under subdivision 2b, paragraphs (d) and (e), must have had no health coverage for at least four months prior to application. The commissioner may change this eligibility criterion for sliding scale premiums without complying with rulemaking requirements in order to remain within the limits of available appropriations. The requirement of at least four months of no health coverage prior to application for the health right plan does not apply to families, children, and individuals who want to apply for the health right plan upon termination from the medical assistance program, general assistance medical care program, or coverage under a regional demonstration project for the uninsured funded under section*

256B.73, the Hennepin county assured care program, or the Group Health, Inc., community health plan. This paragraph does not apply to families and individuals initially enrolled under subdivision 2b, paragraphs (a) and (b).

Sec. 9. Minnesota Statutes 1990, section 256.936, is amended by adding a subdivision to read:

Subd. 4b. [PREMIUMS.] *(a) Each individual or family enrolled in the health right plan shall pay a premium determined according to a sliding fee based on the cost of coverage as a percentage of the individual's or family's gross family income.*

(b) The commissioner shall establish sliding scales to determine the percentage of gross family income that households at different income levels must pay to obtain coverage through the health right plan. The sliding scale must be based on the enrollee's gross family income, as defined in subdivision 1, paragraph (c), during the previous four months. The sliding scale must provide separate sliding scales for individuals, two-person households, and households of three or more.

(c) Beginning July 1, 1993, the sliding scales begin with a premium of 1.5 percent of gross family income for individuals with incomes below the limits for the medical assistance program set at 133-1/3 percent of the AFDC payment standard and proceed through the following evenly spaced steps: 1.8, 2.3, 3.1, 3.8, 4.8, 5.9, 7.4, and 8.8. These percentages are matched to evenly spaced income steps ranging from the medical assistance income limit to a gross monthly income of $1,600 for an individual, $2,160 for a household of two, $2,720 for a household of three, $3,280 for a household of four, $3,840 for a household of five, and $4,400 for households of six or more persons. For the period October 1, 1992 through June 30, 1993, the commissioner shall employ a sliding scale that sets required premiums at percentages of gross family income equal to two-thirds of the percentages specified in this paragraph.

(d) An individual or family whose gross monthly income is above the amount specified in paragraph (c) is not eligible for the plan.

(e) The premium for coverage under the health right plan may be collected through wage withholding with the consent of the employer and the employee.

(f) The sliding fee scale and percentages are not subject to the provisions of chapter 14.

Sec. 10. Minnesota Statutes 1990, section 256.936, is amended by adding a subdivision to read:

Subd. 4c. [RESIDENCY.] *(a) The legislature finds that the enactment of a comprehensive health plan for uninsured Minnesotans creates a risk that persons needing medical care will migrate to the state for the primary purpose of obtaining medical care subsidized by the state. The risk of migration undermines the state's ability to provide to legitimate state residents a valuable and necessary health care program which is an important component of the state's comprehensive cost containment and health care system reform plan. Intent-based residency requirements, which are expressly authorized under decisions of the United States Supreme Court, are an unenforceable and ineffective method of denying benefits to those persons the Supreme Court has stated may legitimately be denied eligibility for state programs. If the state is unable to limit eligibility to legitimate permanent residents of the state, the state faces a significant risk that it*

will be forced to reduce the eligibility and benefits it would otherwise provide to Minnesotans. The legislature finds that a durational residence requirement is a legitimate, objective, enforceable standard for determining whether a person is a permanent resident of the state. The legislature also finds low-income persons who have not lived in the state for the required time period will have access to necessary health care services through the general assistance medical care program, the medical assistance program, and public and private charity care programs.

(b) To be eligible for health coverage under the health right program, families and individuals must be permanent residents of Minnesota.

(c) For purposes of this subdivision, a permanent Minnesota resident is a person who has demonstrated, through persuasive and objective evidence, that the person is domiciled in the state and intends to live in the state permanently.

(d) To be eligible, all applicants must demonstrate the requisite intent to live in the state permanently by:

(1) showing that the applicant maintains a residence at a verified address other than a place of public accommodation, through the use of evidence of residence described in section 256D.02, subdivision 12a, clause (1);

(2) demonstrating that the applicant has been continuously domiciled in the state for no less than 180 days immediately before the application; and

(3) signing an affidavit declaring that (A) the applicant currently resides in the state and intends to reside in the state permanently; and (B) the applicant did not come to the state for the primary purpose of obtaining medical coverage or treatment.

(e) An individual or family that moved to Minnesota primarily to obtain medical treatment or health coverage for a pre-existing condition is not a permanent resident.

(f) If the 180-day requirement in paragraph (d), clause (2), is determined by a court to be unconstitutional, the commissioner of human services shall impose a 12-month pre-existing condition exclusion on coverage for persons who have been domiciled in the state for less than 180 days.

(g) If any paragraph, sentence, clause, or phrase of this subdivision is for any reason determined by a court to be unconstitutional, the decision shall not affect the validity of the remaining portions of the subdivision. The legislature declares that it would have passed each paragraph, sentence, clause, and phrase in this subdivision, irrespective of the fact that any one or more paragraphs, sentences, clauses, or phrases is declared unconstitutional.

Sec. 11. Minnesota Statutes 1991 Supplement, section 256.936, subdivision 5, is amended to read:

Subd. 5. [APPEALS.] If the commissioner suspends, reduces, or terminates eligibility for the ~~children's~~ health *right* plan, or services provided under the ~~children's~~ health *right* plan, the commissioner must provide notification according to the laws and rules governing the medical assistance program. A ~~children's~~ health *right* plan applicant or enrollee aggrieved by a determination of the commissioner has the right to appeal the determination according to section 256.045.

Sec. 12. Minnesota Statutes 1990, section 256B.057, is amended by

adding a subdivision to read:

Subd. 2a. [NO ASSET TEST FOR CHILDREN.] *Eligibility for medical assistance for a person under age 21 must be determined without regard to asset standards established in section 256B.056.*

Sec. 13. [256B.0644] [PARTICIPATION REQUIRED FOR REIMBURSEMENT UNDER OTHER STATE HEALTH CARE PROGRAMS.]

A vendor of medical care, as defined in section 256B.02, subdivision 7, and a health maintenance organization, as defined in chapter 62D, must participate as a provider or contractor in the medical assistance program, general assistance medical care program, and the health right plan as a condition of participating as a provider in health insurance plans or contractor for state employees established under section 43A.18, the public employees insurance plan under section 43A.316, the workers' compensation system under section 176.135, and insurance plans provided through the Minnesota comprehensive health association under sections 62E.01 to 62E.17. For providers other than health maintenance organizations, participation in the medical assistance program means that (1) the provider accepts new medical assistance patients or (2) at least 20 percent of the provider's patients are covered by medical assistance, general assistance medical care, or the health right plan as their primary source of coverage. The commissioner shall establish participation requirements for health maintenance organizations. The commissioner shall provide lists of participating medical assistance providers on a quarterly basis to the commissioner of employee relations, the commissioner of labor and industry, and the commissioner of commerce. Each of the commissioners shall develop and implement procedures to exclude as participating providers in the program or programs under their jurisdiction those providers who do not participate in the medical assistance program.

Sec. 14. [PROVIDER PAYMENT INCREASES.]

Subdivision 1. [HOSPITAL OUTPATIENT REIMBURSEMENT.] *For outpatient hospital facility fee payments for services rendered on or after October 1, 1992, the commissioner of human services shall pay the lower of (1) submitted charge, or (2) 32 percent above the rate in effect on June 30, 1992, except for those services for which there is a federal maximum allowable payment. Services for which there is a federal maximum allowable payment shall be paid at the lower of (1) submitted charge, or (2) the federal maximum allowable payment. Total aggregate payment for outpatient hospital facility fee services shall not exceed the Medicare upper limit. If it is determined that a provision of this section conflicts with existing or future requirements of the United States government with respect to federal financial participation in medical assistance, the federal requirements prevail. The commissioner may, in the aggregate, prospectively reduce payment rates to avoid reduced federal financial participation resulting from rates that are in excess of the Medicare upper limitations.*

Subd. 2. [PHYSICIAN AND DENTAL REIMBURSEMENT.] *(a) The physician reimbursement increase provided in Minnesota Statutes, section 256B.74, subdivision 2, shall not be implemented. Effective for services rendered on or after October 1, 1992, the commissioner shall make payments for physician services as follows:*

(1) payment for level one Health Care Finance Administration's common procedural coding system (HCPCS) codes titled "office and other outpatient

services," "preventive medicine new and established patient," "delivery, antepartum, and postpartum care," "critical care," caesarean delivery and pharmacologic management provided to psychiatric patients, and HCPCS level three codes for enhanced services for prenatal high risk, shall be paid at the lower of (i) submitted charges, or (ii) 25 percent above the rate in effect on June 30, 1992. If the rate on any procedure code within these categories is different than the rate that would have been paid under the methodology in Minnesota Statutes, section 256B.74, subdivision 2, then the larger rate shall be paid;

(2) payments for all other services shall be paid at the lower of (i) submitted charges, or (ii) 15.4 percent above the rate in effect on June 30, 1992; and

(3) all physician rates shall be converted from the 50th percentile of 1982 to the 50th percentile of 1989, less the percent in aggregate necessary to equal the above increases.

(b) The dental reimbursement increase provided in Minnesota Statutes, section 256B.74, subdivision 5, shall not be implemented. Effective for services rendered on or after October 1, 1992, the commissioner shall make payments for dental services as follows:

(1) dental services shall be paid at the lower of (i) submitted charges, or (ii) 25 percent above the rate in effect on June 30, 1992; and

(2) dental rates shall be converted from the 50th percentile of 1982 to the 50th percentile of 1989, less the percent in aggregate necessary to equal the above increases.

Subd. 3. [CONTINGENT ON ENACTMENT OF APPROPRIATIONS.] *Subdivisions 1 and 2 are effective only if money is appropriated to the commissioner of human services to cover the entire state cost of the increases.*

Sec. 15. [COORDINATION OF STATE HEALTH CARE PURCHASING.]

The commissioner of administration shall convene an interagency task force to develop a plan for coordinating the health care programs administered by state agencies and local governments in order to improve the efficiency and quality of health care delivery and make the most effective use of the state's market leverage and expertise in contracting and working with health plans and health care providers. The commissioner shall present to the legislature, by January 1, 1994, recommendations to: (1) improve the effectiveness of public health care purchasing; and (2) streamline and consolidate health care delivery, through merger, transfer, or reconfiguration of existing health care and health coverage programs. At the request of the commissioner of administration, the commissioners of other state agencies and units of local government shall provide assistance in evaluating and coordinating existing state and local health care programs.

Sec. 16. [STUDY ON PREMIUMS AND BENEFITS.]

The commissioner of human services shall study the cost of health right premiums and the level of premium subsidies in relationship to the benefits provided. This study must include a comparison of the additional enrollee premium costs associated with the provision of an inpatient hospital benefit beginning July 1, 1993. Based on this analysis, the commissioner shall report to the legislative commission on health care access by January 15, 1993, on whether the premiums and subsidy level for the health right plan

should be adjusted.

Sec. 17. [PHASE-OUT OF THE CHILDREN'S HEALTH PLAN.]

Notwithstanding contrary provisions of Minnesota Statutes, section 256.936, the commissioner shall continue to accept enrollments in the children's health plan until July 1, 1993, using the eligibility and coverage requirements in effect prior to October 1, 1992, until the commissioner projects that the total enrollment in the children's health plan will exhaust the fiscal year 1993 appropriation for the children's health plan. These enrollees pay the annual fee established in Minnesota Statutes, section 256.936, subdivision 4, until July 1, 1993.

Sec. 18. [IMPACT OF HEALTH RIGHT ON CHILDREN'S HEALTH PLAN ENROLLEE.]

The commissioner of human services shall examine the impact of health right plan premium costs on access to health care for children's health plan enrollees. The commissioner shall examine whether health right plan premiums are affordable for children's health plan enrollees, and shall examine the degree to which children's health plan enrollees fail to continue coverage through the health right plan for financial reasons. The commissioner shall present recommendations to the legislature by February 15, 1993, on methods to ensure continued access to health care coverage for children's health plan enrollees.

Sec. 19. [INSTRUCTION TO REVISOR.]

(a) The revisor of statutes is directed to change the words "children's health plan" to "health right plan" wherever they appear in the next edition of Minnesota Statutes.

(b) The revisor of statutes is directed to recodify the subdivisions of Minnesota Statutes, section 256.936 as separate sections in chapter 256, and to recodify paragraphs as subdivisions within these sections.

The commissioner shall review each proposed increase giving due consideration to salary rates paid to other persons with similar responsibilities in the state. The commissioner may not increase the limitation until the commissioner has presented the proposed increase to the legislative commission on employee relations and received the commission's recommendation on it. The recommendation is advisory only. If the commission does not give its recommendation on a proposed increase within 30 days from its receipt of the proposal, the commission is deemed to have recommended approval.

The commissioner may also take into account other relevant factors.

(f) A grant to a hospital, including hospitals that submit applications as consortia, may not exceed $50,000 a year and may not exceed a term of two years. Prior to the receipt of any grant, the hospital must certify to the commissioner that at least one-half of the amount, which may include in-kind services, is available for the same purposes from nonstate sources. A hospital receiving a grant under this section may use the grant for any expenses incurred in the development of strategic plans or the implementation of transition projects with respect to which the grant is made. fund. The fund shall be used for the general purposes of promoting systematic, cost-effective delivery of emergency medical care throughout the state; identifying common local, regional, and state emergency medical system needs and providing assistance in addressing those needs; ~~undertaking special~~ *providing discretionary grants for emergency medical service* projects ~~of statewide significance that will enhance the provision of emergency medical care in Minnesota~~ *with potential regionwide significance*; providing for public education about emergency medical care; promoting the exchange of emergency medical care information; ensuring the ongoing coordination of regional emergency medical services systems; and establishing and maintaining training standards to ensure consistent quality of emergency medical services throughout the state.

No part of a region's share of the fund may be used to directly subsidize any ambulance service operations or rescue service operations or to purchase any vehicles or parts of vehicles for an ambulance service or a rescue service.

Subd. 4. [DISTRIBUTION.] Money from the fund shall be distributed according to this subdivision. ~~Eighty~~ *Ninety-three and one-third* percent of the fund shall be distributed annually on a contract for services basis with each of the eight regional emergency medical services systems designated by the commissioner of health. The commissioner shall contract with a regional entity only if the contract proposal satisfactorily addresses proposed emergency medical services activities in the following areas: personnel training, transportation coordination, public safety agency cooperation, communications systems maintenance and development, public involvement, health care facilities involvement, and system management. If each of the regional emergency medical services systems submits a satisfactory contract proposal, then this part of the fund shall be distributed evenly among the regions. If one or more of the regions does not contract for the full amount of its even share or if its proposal is unsatisfactory, then the commissioner may reallocate the unused funds to the remaining regions on a pro rata basis. Six and two-thirds percent of the fund shall be used by the commissioner to support regionwide reporting systems and to provide other regional administration and technical assistance. ~~Thirteen and one-third percent shall be distributed by the commissioner as discretionary grants for special emergency medical services projects with potential statewide significance.~~

Sec. 15. Minnesota Statutes 1990, section 447.31, subdivision 1, is amended to read:

Subdivision 1. [RESOLUTIONS.] Any ~~four~~ *two* or more cities and towns, however organized, except cities of the first class, may create a hospital district. The resolution must name the ~~four~~ *two* or more cities or towns included in the district. The resolution must be adopted by a two-thirds majority of the members-elect of the governing body or board acting on it, or by the voters of the city or town as provided in this section.

Each resolution adopted by the governing body of a city or town must be published in its official newspaper and takes effect 40 days after publication, unless a petition for referendum on the resolution is filed with the governing body within 40 days. A petition for referendum must be signed by at least five percent of the number of voters voting at the last election of officers. If a petition is filed, the resolution does not take effect until approved by a majority of voters voting on it at a regular municipal election or a special election which the governing body may call for that purpose.

The resolution may also be initiated by petition filed with the governing body of the city or town, signed by at least ten percent of the number of voters voting at the last general election. A petition must present the text of the proposed resolution and request an election on it. If the petition is filed, the governing body shall call a special election for the purpose, to be held within 30 days after the filing of the petition, or may submit the resolution to a vote at a regular municipal election that is to be held within the 30-day period. The resolution takes effect if approved by a majority of voters voting on it at the election. Only one election shall be held within any given 12-month period upon resolutions initiated by petition. For each year that a participant serves as a physician in a designated rural area, up to a maximum of four years, the higher education coordinating board shall annually pay an amount equal to one year of qualified loans ~~and the interest accrued on these loans~~. Participants who move their practice from one designated rural area to another remain eligible for loan repayment. *In addition, if a resident participating in the loan forgiveness program serves at least four weeks during a year of residency substituting for a rural physician to temporarily relieve the rural physician of rural practice commitments to enable the rural physician to take a vacation, engage in activities outside the practice area, or otherwise be relieved of rural practice commitments, the participating resident may designate up to an additional $2,000, above the $10,000 maximum, for each year of residency during which the resident substitutes for a rural physician for four or more weeks.*

Sec. 4. [137.38] [EDUCATION AND TRAINING OF PRIMARY CARE PHYSICIANS.]

Subdivision 1. [CONDITION.] *If the board of regents accepts the funding appropriated for sections 137.38 to 137.40, it shall comply with the duties for which the appropriations are made.*

Subd. 2. [PRIMARY CARE.] *For purposes of sections 137.38 to 137.40, "primary care" means a type of medical care delivery that assumes ongoing responsibility for the patient in both health maintenance and illness treatment. It is personal care involving a unique interaction and communication between the patient and the physician. It is comprehensive in scope, and includes all the overall coordination of the care of the patient's health care problems including biological, behavioral, and social problems. The appropriate use of consultants and community resources is an important aspect of effective primary care.*

Subd. 3. [GOALS.] *The board of regents of the University of Minnesota, through the University of Minnesota medical school, is requested to implement the initiatives required by sections 137.38 to 137.40 in order to increase the number of graduates of residency programs of the medical school who practice primary care by 20 percent over an eight-year period. The initiatives must be designed to encourage newly graduated primary care physicians to establish practices in areas of rural Minnesota that are medically underserved.*

Subd. 4. [GRANTS.] *The board of regents is requested to seek grants*

from private foundations and other nonstate sources for the medical school initiatives outlined in sections 137.38 to 137.40.

Sec. 5. [137.39] [MEDICAL SCHOOL INITIATIVES.]

Subdivision 1. [MODIFIED SCHOOL INITIATIVES.] *The University of Minnesota medical school is requested to study the demographic characteristics of students that are associated with a primary care career choice. The medical school is requested to modify the selection process for medical students based on the results of this study, in order to increase the number of medical school graduates choosing careers in primary care.*

Subd. 2. [DESIGN OF CURRICULUM.] *The medical school is requested to ensure that its curriculum provides students with early exposure to primary care physicians and primary care practice. The medical school is requested to also support premedical school educational initiatives that provide students with greater exposure to primary care physicians and practices.*

Subd. 3. [CLINICAL EXPERIENCES IN PRIMARY CARE.] *The medical school, in consultation with medical school faculty at the University of Minnesota, Duluth, is requested to develop a program to provide students with clinical experiences in primary care settings in internal medicine and pediatrics. The program must provide training experiences in medical clinics in rural Minnesota communities, as well as in community clinics and health maintenance organizations in the Twin Cities metropolitan area.*

Sec. 6. [137.40] [RESIDENCY AND OTHER INITIATIVES.]

Subdivision 1. These settings must include community clinics, health maintenance organizations, and practices in rural communities.*

Subd. 2. [RURAL RESIDENCY TRAINING PROGRAM IN FAMILY PRACTICE.] *The medical school is requested to establish a rural residency training program in family practice. Subd. 3. [CONTINUING MEDICAL EDUCATION.] *The medical school is requested to develop continuing medical education programs for primary care physicians that are comprehensive, community-based, and accessible to primary care physicians in all areas of the state.*

Sec. 7. [136A.1357] [EDUCATION ACCOUNT FOR NURSES WHO AGREE TO PRACTICE IN A NURSING HOME.]

Subdivision 1. [CREATION OF THE ACCOUNT.] *An education account in the general fund is established for a loan forgiveness program for nurses who agree to practice nursing in a nursing home. The account consists of money appropriated by the legislature and repayments and penalties collected under subdivision 4. Money from the account must be used for a loan*

forgiveness program.

Subd. 2. [ELIGIBILITY.] *To be eligible to participate in the loan forgiveness program, a person planning to enroll or enrolled in a program of study designed to prepare the person to become a registered nurse or licensed practical nurse must submit a letter of interest to the board before completing the first year of study of a nursing education program. Before completing the first year of study, the applicant must sign a contract in which the applicant agrees to practice nursing for at least one of the first two years following completion of the nursing education program providing nursing services in a licensed nursing home.*

Subd. 3. [LOAN FORGIVENESS.] *The board may accept up to ten applicants a year. Applicants are responsible for securing their own loans. For each year of nursing education, for up to two years, applicants accepted into the loan forgiveness program may designate an agreed amount, not to exceed $3,000, as a qualified loan. For each year that a participant practices nursing in a nursing home, up to a maximum of two years, the board shall annually repay an amount equal to one year of qualified loans. Participants who move from one nursing home to another remain eligible for loan repayment.*

Subd. 4. [PENALTY FOR NONFULFILLMENT.] *If a participant does not fulfill the service commitment required under subdivision 3 for full repayment of all qualified loans, the commissioner shall collect from the participant 100 percent of any payments made for qualified loans and interest at a rate established according to section 270.75. The board shall deposit the collections in the general fund to be credited to the account established in subdivision 1. The board may grant a waiver of all or part of the money owed as a result of a nonfulfillment penalty if emergency circumstances prevented fulfillment of the required service commitment.*

Subd. 5. [RULES.] *The board shall adopt rules to implement this section.*

Sec. 8. [STUDY OF OBSTETRICAL ACCESS.]

The commissioner of health shall study access to obstetrical services in Minnesota and report to the legislature by January 1, 1993. The study must examine the number of physicians discontinuing obstetrical care in recent years and the effects of high malpractice costs and low government program reimbursement for obstetrical services, and must identify areas of the state where access to obstetrical services is most greatly affected. The commissioner shall recommend ways to reduce liability costs and to encourage physicians to continue to provide obstetrical services.

Sec. 9. [GRANT PROGRAM FOR MIDLEVEL PRACTITIONER TRAINING.]

The higher education coordinating board may award grants to Minnesota schools or colleges that educate, or plan to educate midlevel practitioners, in order to establish and administer midlevel practitioner training programs in areas of rural Minnesota with the greatest need for midlevel practitioners. The program must address rural health care needs, and incorporate innovative methods of bringing together faculty and students, such as the use of telecommunications, and must provide both clinical and lecture components.

Sec. 10. [GRANTS FOR CONTINUING EDUCATION.]

The higher education coordinating board shall establish a competitive

grant program for schools of nursing and other providers of continuing nurse education, in order to develop continuing education programs for nurses working in rural areas of the state. The programs must complement, and not duplicate, existing continuing education activities, and must specifically address the needs of nurses working in rural practice settings. The board shall award two grants for the fiscal year ending June 30, 1993.

ARTICLE 7

DATA COLLECTION AND RESEARCH INITIATIVES

Section 1. [62J.30] [HEALTH CARE ANALYSIS UNIT.]

Subdivision 1. [DEFINITIONS.] *For purposes of sections 62J.30 to 62J.34, the following definitions apply:*

(a) "Practice parameter" means a statement intended to guide the clinical decision making of health care providers and patients that is supported by the results of appropriately designed outcomes research studies, including those studies sponsored by the federal agency for health care policy and research, or has been adopted for use by a national medical society.

(b) "Outcomes research" means research designed to identify and analyze the outcomes and costs of alternative interventions for a given clinical condition, in order to determine the most appropriate and cost-effective means to prevent, diagnose, treat, or manage the condition, or in order to develop and test methods for reducing inappropriate or unnecessary variations in the type and frequency of interventions.

Subd. 2. [ESTABLISHMENT.] *The commissioner of health, in consultation with the Minnesota health care commission, shall establish a health care analysis unit to conduct data and research initiatives in order to improve the efficiency and effectiveness of health care in Minnesota.*

Subd. 3. [GENERAL DUTIES; IMPLEMENTATION DATE.] *The commissioner, through the health care analysis unit, shall:*

(1) conduct applied research using existing and newly established health care data bases, and promote applications based on existing research;

(2) establish the condition-specific data base required under section 62J.31;

(3) develop and implement data collection procedures to ensure a high level of cooperation from health care providers and health carriers, as defined in section 62L.02, subdivision 16;

(4) work closely with health carriers and health care providers to promote improvements in health care efficiency and effectiveness;

(5) participate as a partner or sponsor of private sector initiatives that promote publicly disseminated applied research on health care delivery, outcomes, costs, quality, and management;

(6) provide technical assistance to health plan and health care purchasers, as required by section 62J.33;

(7) develop outcome-based practice parameters as required under section 62J.34; and

(8) provide technical assistance as needed to the health planning advisory committee and the regional coordinating boards.

Subd. 4. [CRITERIA FOR UNIT INITIATIVES.] *Data and research initiatives by the health care analysis unit must:*

(1) serve the needs of the general public, public sector health care programs, employers and other purchasers of health care, health care providers, including providers serving large numbers of low-income people, and health carriers;

(2) promote a significantly accelerated pace of publicly disseminated, applied research on health care delivery, outcomes, costs, quality, and management;

(3) conduct research and promote health care applications based on scientifically sound and statistically valid methods;

(4) be statewide in scope, in order to benefit health care purchasers and providers in all parts of Minnesota and to ensure a broad and representative data base for research, comparisons, and applications;

(5) emphasize data that is useful, relevant, and nonredundant of existing data. The initiatives may duplicate existing private activities, if this is necessary to ensure that the data collected will be in the public domain;

(6) be structured to minimize the administrative burden on health carriers, health care providers, and the health care delivery system, and minimize any privacy impact on individuals; and

(7) promote continuous improvement in the efficiency and effectiveness of health care delivery.

Subd. 5. [CRITERIA FOR PUBLIC SECTOR HEALTH CARE PROGRAMS.] *Data and research initiatives related to public sector health care programs must:*

(1) assist the state's current health care financing and delivery programs to deliver and purchase health care in a manner that promotes improvements in health care efficiency and effectiveness;

(2) assist the state in its public health activities, including the analysis of disease prevalence and trends and the development of public health responses;

(3) assist the state in developing and refining its overall health policy, including policy related to health care costs, quality, and access; and

(4) provide a data source that allows the evaluation of state health care financing and delivery programs.

Subd. 6. [DATA COLLECTION PROCEDURES.] *The health care analysis unit shall collect data from health care providers, health carriers, and individuals in the most cost-effective manner, which does not unduly burden providers. The unit may require health care providers and health carriers to collect and provide patient health records, provide mailing lists of patients who have consented to release of data, and cooperate in other ways with the data collection process. For purposes of this chapter, the health care analysis unit shall assign, or require health care providers and health carriers to assign, a unique identification number to each patient to safeguard patient identity.*

Subd. 7. [DATA CLASSIFICATION.] *(a) Data collected through the large-scale data base initiatives of the health care analysis unit required by section 62J.31 that identify individuals are private data on individuals.*

Data not on individuals are nonpublic data. The commissioner may release private data on individuals and nonpublic data to researchers affiliated with university research centers or departments who are conducting research on health outcomes, practice parameters, and medical practice style; researchers working under contract with the commissioner; and individuals purchasing health care services for health carriers and groups. Prior to releasing any nonpublic or private data under this paragraph that identify or relate to a specific health carrier, medical provider, or health care facility, the commissioner shall provide at least 30 days' notice to the subject of the data, including a copy of the relevant data, and allow the subject of the data to provide a brief explanation or comment on the data which must be released with the data. To the extent reasonably possible, release of private or confidential data under this chapter shall be made without releasing data that could reveal the identity of individuals and should instead be released using the identification numbers required by subdivision 6.

(b) Summary data derived from data collected through the large-scale data base initiatives of the health care analysis unit may be provided under section 13.05, subdivision 7, and may be released in studies produced by the commissioner.

(c) The commissioner shall adopt rules to establish criteria and procedures to govern access to and the use of data collected through the initiatives of the health care analysis unit.

Subd. 8. [DATA COLLECTION ADVISORY COMMITTEE.] *The commissioner shall convene a 15-member data collection advisory committee consisting of health service researchers, health care providers, health carrier representatives, representatives of businesses that purchase health coverage, and consumers. Six members of this committee must be health care providers. The advisory committee shall evaluate methods of data collection and shall recommend to the commissioner methods of data collection that minimize administrative burdens, address data privacy concerns, and meet the needs of health service researchers. The advisory committee is governed by section 15.059.*

Subd. 9. [FEDERAL AND OTHER GRANTS.] *The commissioner shall seek federal funding, and funding from private and other nonstate sources, for the initiatives of the health care analysis unit.*

Subd. 10. [CONTRACTS AND GRANTS.] *To carry out the duties assigned in sections 62J.30 to 62J.34, the commissioner may contract with or provide grants to private sector entities. Any contract or grant must require the private sector entity to maintain the data on individuals which it receives according to the statutory provisions applicable to the data.*

Subd. 11. [RULEMAKING.] *The commissioner may adopt permanent and emergency rules to implement sections 62J.30 to 62J.34.*

Sec. 2. [62J.31] [LARGE-SCALE DATA BASE.]

Subdivision 1. [ESTABLISHMENT.] *The health care analysis unit shall establish a large-scale data base for a limited number of health conditions. This initiative must meet the requirements of this section.*

Subd. 2. [SPECIFIC HEALTH CONDITIONS.] *(a) The data must be collected for specific health conditions, rather than specific procedures, types of health care providers, or services. The health care analysis unit shall designate a limited number of specific health conditions for which*

data shall be collected during the first year of operation. For subsequent years, data may be collected for additional specific health conditions. The number of specific conditions for which data is collected is subject to the availability of appropriations.

(b) The initiative must emphasize conditions that account for significant total costs, when considering both the frequency of a condition and the unit cost of treatment. The initial emphasis must be on the study of conditions commonly treated in hospitals on an inpatient or outpatient basis, or in freestanding outpatient surgical centers. This initial emphasis may be expanded to include entire episodes of care for a given condition, whether or not treatment includes use of a hospital or a freestanding outpatient surgical center, if adequate data collection and evaluation techniques are available for that condition.

Subd. 3. [INFORMATION TO BE COLLECTED.] *The data collected must include information on health outcomes, including information on mortality, morbidity, patient functional status and quality of life, symptoms, and patient satisfaction. The data collected must include information necessary to measure and make adjustments for differences in the severity of patient condition across different health care providers, and may include data obtained directly from the patient or from patient medical records. The data must be collected in a manner that allows comparisons to be made between providers, health carriers, public programs, and other entities.*

Subd. 4. [DATA COLLECTION AND REVIEW.] *Data collection for any one condition must continue for a sufficient time to permit: adequate analysis by researchers and appropriate providers, including providers who will be impacted by the data; feedback to providers; and monitoring for changes in practice patterns. The health care analysis unit shall annually review all specific health conditions for which data is being collected, in order to determine if data collection for that condition should be continued.*

Subd. 5. [USE OF EXISTING DATA BASES.] *(a) The health care analysis unit shall negotiate with private sector organizations currently collecting data on specific health conditions of interest to the unit, in order to obtain required data in a cost-effective manner and minimize administrative costs. The unit shall attempt to establish linkages between the large scale data base established by the unit and existing private sector data bases and shall consider and implement methods to streamline data collection in order to reduce public and private sector administrative costs.*

(b) The health care analysis unit shall use existing public sector data bases, such as those existing for medical assistance and Medicare, to the greatest extent possible. The unit shall establish linkages between existing public sector data bases and consider and implement methods to streamline public sector data collection in order to reduce public and private sector administrative costs.

Sec. 3. [62J.32] [ANALYSIS AND USE OF DATA COLLECTED THROUGH THE LARGE-SCALE DATA BASE.]

Subdivision 1. [DATA ANALYSIS.] *The health care analysis unit shall analyze the data collected on specific health conditions using existing practice parameters and newly researched practice parameters, including those established through the outcomes research studies of the federal government. The unit may use the data collected to develop new practice parameters, if development and refinement is based on input from and analysis by*

practitioners, particularly those practitioners knowledgeable about and impacted by practice parameters. The unit may also refine existing practice parameters, and may encourage or coordinate private sector research efforts designed to develop or refine practice parameters.

Subd. 2. [EDUCATIONAL EFFORTS.] *The health care analysis unit shall maintain and improve the quality of health care in Minnesota by providing practitioners in the state with information about practice parameters. The unit shall promote, support, and disseminate parameters for specific, appropriate conditions, and the research findings on which these parameters are based, to all practitioners in the state who diagnose or treat the medical condition.*

Subd. 3. [PEER REVIEW.] *The unit may require peer review by the Minnesota Medical Association, Minnesota Chiropractic Association or appropriate health licensing board for specific health care conditions for which practice in all or part of the state deviates from practice parameters. The commissioner may also require peer review by the Minnesota Medical Association, Minnesota Chiropractic Association or appropriate health licensing board for specific conditions for which there are large variations in treatment method or frequency of treatment in all or part of the state. Peer review may be required for all practitioners statewide, or limited to practitioners in specific areas of the state. The peer review must determine whether the procedures conducted by practitioners are necessary and appropriate, and within acceptable and prevailing practice parameters that have been disseminated by the health care analysis unit in conjunction with the appropriate professional organizations. If a practitioner continues to perform procedures that are inappropriate, even after educational efforts by the review panel, the practitioner may be reported to the appropriate professional licensing board.*

Subd. 4. [PRACTICE PARAMETER ADVISORY COMMITTEE.] *The commissioner shall convene a 15-member practice parameter advisory committee comprised of eight health care professionals, and representatives of the research community and the medical technology industry. The committee shall present recommendations on the adoption of practice parameters to the commissioner and the Minnesota health care commission and provide technical assistance as needed to the commissioner and the commission. The advisory committee is governed by section 15.059, but does not expire.*

Sec. 4. [62J.33] [TECHNICAL ASSISTANCE FOR PURCHASERS.]

The health care analysis unit shall provide technical assistance to health plan and health care purchasers. The unit shall collect information about:

(1) premiums, benefit levels, managed care procedures, health care outcomes, and other features of popular health plans and health carriers; and

(2) prices, outcomes, provider experience, and other information for services less commonly covered by insurance or for which patients commonly face significant out-of-pocket expenses.

The commissioner shall publicize this information in an easily understandable format.

Sec. 5. [62J.34] [OUTCOME-BASED PRACTICE PARAMETERS.]

Subdivision 1. [PRACTICE PARAMETERS.] *The health care analysis unit may develop, adopt, revise, and disseminate practice parameters, and disseminate research findings, that are supported by medical literature and*

appropriately controlled studies to minimize unnecessary, unproven, or ineffective care. Among other appropriate activities relating to the development of practice parameters, the health care analysis unit shall:

(1) determine uniform specifications for the collection, transmission, and maintenance of health outcomes data; and

(2) conduct studies and research on the following subjects:

(i) new and revised practice parameters to be used in connection with state health care programs and other settings;

(ii) the comparative effectiveness of alternative modes of treatment, medical equipment, and drugs;

(iii) the relative satisfaction of participants with their care, determined with reference to both provider and mode of treatment;

(iv) the cost versus the effectiveness of health care treatments; and

(v) the impact on cost and effectiveness of health care of the management techniques and administrative interventions used in the state health care programs and other settings.

Subd. 2. [APPROVAL.] *The commissioner of health, after receiving the advice and recommendations of the Minnesota health care commission, may approve practice parameters that are endorsed, developed, or revised by the health care analysis unit. The commissioner is exempt from the rulemaking requirements of chapter 14 when approving practice parameters approved by the federal agency for health care policy and research, practice parameters adopted for use by a national medical society, or national medical specialty society. The commissioner shall use rulemaking to approve practice parameters that are newly developed or substantially revised by the health care analysis unit. Practice parameters adopted without rulemaking must be published in the State Register.*

Subd. 3. [MEDICAL MALPRACTICE CASES.] *(a) In an action against a provider for malpractice, error, mistake, or failure to cure, whether based in contract or tort, adherence to a practice parameter approved by the commissioner of health under subdivision 2 is an absolute defense against an allegation that the provider did not comply with accepted standards of practice in the community.*

(b) Evidence of a departure from a practice parameter is admissible only on the issue of whether the provider is entitled to an absolute defense under paragraph (a).

(c) Paragraphs (a) and (b) apply to claims arising on or after August 1, 1993, or 90 days after the date the commissioner approves the applicable practice parameter, whichever is later.

(d) Nothing in this section changes the standard or burden of proof in an action alleging a delay in diagnosis, a misdiagnosis, inappropriate application of a practice parameter, failure to obtain informed consent, battery or other intentional tort, breach of contract, or product liability.

Sec. 6. Minnesota Statutes 1991 Supplement, section 145.61, subdivision 5, is amended to read:

Subd. 5. "Review organization" means a nonprofit organization acting according to clause (k) or a committee whose membership is limited to professionals, administrative staff, and consumer directors, except where

otherwise provided for by state or federal law, and which is established by a hospital, by a clinic, by one or more state or local associations of professionals, by an organization of professionals from a particular area or medical institution, by a health maintenance organization as defined in chapter 62D, by a nonprofit health service plan corporation as defined in chapter 62C, by a professional standards review organization established pursuant to United States Code, title 42, section 1320c-1 et seq., or by a medical review agent established to meet the requirements of section 256B.04, subdivision 15, or 256D.03, subdivision 7, paragraph (b), or by the department of human services, to gather and review information relating to the care and treatment of patients for the purposes of:

Section 1. Minnesota Statutes 1990, section 145.682, subdivision 4, is amended to read:

Subd. 4. [IDENTIFICATION OF EXPERTS TO BE CALLED.] *(a)* The affidavit required by subdivision 2, clause (2), must be *signed* by *each expert listed in the affidavit and by* the plaintiff's attorney and state the identity of each person whom plaintiff expects to call as an expert witness at trial to testify with respect to the issues of malpractice or causation, the substance of the facts and opinions to which the expert is expected to testify, and a summary of the grounds for each opinion. Answers to interrogatories that state the information required by this subdivision satisfy the requirements of this subdivision if they are signed by the plaintiff's attorney *and by each expert listed in the answers to interrogatories* and served upon the defendant within 180 days after commencement of the suit against the defendant.

If any section, subdivision, clause, or phrase of sections 295.50 to 295.58 is for any reason held to be unconstitutional or in violation of federal law, the decision shall not affect the validity of the remaining portions of sections 295.50 to 295.58. The legislature declares that it would have passed sections 295.50 to 295.58 and each section, subdivision, sentence, clause, and phrase thereof, irrespective of the fact that any one or more sections, subdivisions, sentences, clauses, or phrases is declared unconstitutional.

Sec. 14. Minnesota Statutes 1991 Supplement, section 297.02, subdivision 1, is amended to read:

Subdivision 1. Subdivision 1. [CIGARETTES.] *A floor stocks tax is imposed on every person engaged in business in this state as a distributor, retailer, subjobber, vendor, manufacturer, or manufacturer's representative of cigarettes, on the stamped cigarettes in the person's possession or under the person's control at 12:01 a.m. on July 1, 1992. The tax is imposed at the following rates, subject to the discounts in section 297.03:*

(1) on cigarettes weighing not more than three pounds a thousand, 2.5 mills on each cigarette; and

(2) on cigarettes weighing more than three pounds a thousand, five mills on each cigarette.

Each distributor, by July 8, 1992, shall file a report with the commissioner, in the form the commissioner prescribes, showing the cigarettes on hand at 12:01 a.m. on July 1, 1992, and the amount of tax due on the cigarettes. The tax imposed by this section is due and payable by August 1, 1992, and after that date bears interest at the rate of one percent a month.

Each retailer, subjobber, vendor, manufacturer, or manufacturer's representative shall file a return with the commissioner, in the form the commissioner prescribes, showing the cigarettes on hand at 12:01 a.m. on July 1, 1992, and pay the tax due thereon by August 1, 1992. Subd. 3. [DEPOSIT OF PROCEEDS.] *The revenue from the tax imposed under this section shall be deposited by the commissioner in the state treasury and credited to the health care access fund.*

Sec. 17. [TEMPORARY DEPOSIT OF CIGARETTE TAX REVENUES.]

Notwithstanding the provisions of Minnesota Statutes, section 297.13, the revenue provided by 2.5 mills of the tax on cigarettes weighing not more than three pounds a thousand and five mills of the tax on cigarettes weighing more than three pounds a thousand must be credited to the health care access fund in the state treasury. This section applies only to revenue collected for sales after June 30, 1992, and before January 1, 1994. Revenue

includes revenue from the tax, interest, and penalties collected under the provisions of Minnesota Statutes, sections 297.01 to 297.13.

This section expires June 30, 1994.

Sec. 18. [TRANSITION PROVISION; HOSPITAL TAX.]

For gross revenues taxable under section 7, subdivision 1, for calendar year 1993, the exclusions under section 8, subdivision 1, clauses (5) and (6) do not apply.

Sec. 19. [PASSTHROUGH.]

[AUTHORITY.] *A hospital that is subject to a tax under section 7 may transfer additional expense generated by section 7 obligations on to all third-party contracts for the purchase of health care services on behalf of a patient or consumer. The expense must not exceed two percent of the gross revenues received under the third-party contract, including copayments and deductibles paid by the individual patient or consumer. The expense must not be generated on revenues derived from payments that are excluded from the tax under section 8. All third-party purchasers of health care services including, but not limited to, third-party purchasers regulated under chapters 60A, 62A, 62C, 62D, 64B, or 62H, must pay the transferred expense in addition to any payments due under existing or future contracts with the hospital or health care provider, to the extent allowed under federal law. Nothing in this subdivision limits the ability of a hospital to recover all or part of the section 7 obligation by other methods, including increasing fees or charges.*

Subd. 2. [EXPIRATION.] *This section expires January 1, 1994.*

Sec. 20. [STUDY.]

The commissioner of revenue, in consultation with the commissioner of health and the board of pharmacy, shall report to the legislature by November 1, 1992, on the expected impact of the wholesale drug distributor tax and the health care provider tax on pharmacies and pharmacists. If the commissioner determines that these taxes are not effective or equitable as applied to pharmacies and pharmacists, the commissioner shall recommend alternative methods of taxing prescription drugs.

Sec. 21. [FEDERAL WAIVER; HEALTH CARE RELATED TAX.]

The legislature finds that taxes imposed by this article are not subject to or in violation of the restrictions contained in the Social Security Act or other federal law. The tax is imposed solely to fund a state program and is not used to pay the state share of medical assistance. Nevertheless to avoid any ambiguity, the commissioner of human services shall apply to the secretary of the United States Department of Health and Human Services for a waiver to treat the tax imposed under section 7 as a broad-based health care related tax under section 1903 of the Social Security Act, 42 United States Code section 1396b.

Sec. 22. [EFFECTIVE DATE.]

Sections 1 and 16 to 21 are effective the day following final enactment. Section 4 is effective for taxable years beginning after December 31, 1992. Subd. 2. CONFERENCE COMMITTEE REPORT ON H.F. NO. 2031

A bill for an act relating to taxation; property; providing for the valuation and assessment of vacant platted property; excluding certain unimproved land sales from sales ratio studies; amending Minnesota Statutes 1990, section 124.2131, subdivision 1; Minnesota Statutes 1991 Supplement, section 273.11, subdivision 1.

April 15, 1992

The Honorable Dee Long
Speaker of the House of Representatives

The Honorable Jerome M. Hughes
President of the Senate

We, the undersigned conferees for H.F. No. 2031, report that we have agreed upon the items in dispute and recommend as follows:

That the Senate recede from its amendment and that H.F. No. 2031 be further amended as follows:

Delete everything after the enacting clause and insert:

"Section 1. Minnesota Statutes 1990, section 124.2131, subdivision 1, is amended to read:

Subdivision 1. [ADJUSTED GROSS TAX CAPACITY.] (a) [COMPUTATION.] The department of revenue shall annually conduct an assessment/sales ratio study of the taxable property in each school district in accordance with the procedures in paragraphs (b) and (c). Based upon the results of this assessment/sales ratio study, the department of revenue shall determine an aggregate equalized gross tax capacity and an aggregate equalized net tax capacity for the various classes of taxable property in each school district, which tax capacity shall be designated as the adjusted gross tax capacity and the adjusted net tax capacity, respectively. The department of revenue may incur the expense necessary to make the determinations. The commissioner of revenue may reimburse any county or governmental official for requested services performed in ascertaining the adjusted gross tax capacity and the adjusted net tax capacity. On or before March 15 annually, the department of revenue shall file with the chair of the tax committee of the house of representatives and the chair of the committee on taxes and tax laws of the senate a report of adjusted gross tax capacities and adjusted net tax capacities. On or before April 15 annually, the department of revenue shall file its final report on the adjusted gross tax capacities and adjusted net tax capacities established by the previous year's assessment with the commissioner of education and each county auditor for those school districts for which the auditor has the responsibility for determination of local tax rates. A copy of the report so filed shall be mailed to the clerk of each district involved and to the county assessor or supervisor of assessments of the county or counties in which each district is located.

(b) [METHODOLOGY.] In making its annual assessment/sales ratio studies, the department of revenue shall use a methodology consistent with the most recent Standard on Assessment Ratio Studies published by the assessment standards committee of the International Association of Assessing

Officers. The commissioner of revenue shall supplement this general methodology with specific procedures necessary for execution of the study in accordance with other Minnesota laws impacting the assessment/sales ratio study. The commissioner shall document these specific procedures in writing and shall publish the procedures in the State Register, but these procedures will not be considered "rules" pursuant to the Minnesota administrative procedure act. *For purposes of this section, section 270.12, subdivision 2, clause (8), and section 278.05, subdivision 4, the commissioner of revenue shall exclude from the assessment/sales ratio study the sale of any nonagricultural property which does not contain an improvement, if (1) the statutory basis on which the property's taxable value as most recently assessed is less than market value as defined in section 273.11, or (2) the property has undergone significant physical change or a change of use since the most recent assessment.*

(c) [AGRICULTURAL LANDS.] For purposes of determining the adjusted gross tax capacity and adjusted net tax capacity of agricultural lands for the calculation of adjusted gross tax capacities and adjusted net tax capacities, the market value of agricultural lands shall be the price for which the property would sell in an arms length transaction.

Sec. 2. Minnesota Statutes 1991 Supplement, section 273.11, subdivision 1, is amended to read:

Subdivision 1. [GENERALLY.] Except as provided in subdivisions 6, 8, 9, ~~and~~ 11, *and 12* or section 273.17, subdivision 1, all property shall be valued at its market value. The market value as determined pursuant to this section shall be stated such that any amount under $100 is rounded up to $100 and any amount exceeding $100 shall be rounded to the nearest $100. In estimating and determining such value, the assessor shall not adopt a lower or different standard of value because the same is to serve as a basis of taxation, nor shall the assessor adopt as a criterion of value the price for which such property would sell at a forced sale, or in the aggregate with all the property in the town or district; but the assessor shall value each article or description of property by itself, and at such sum or price as the assessor believes the same to be fairly worth in money. The assessor shall take into account the effect on the market value of property of environmental factors in the vicinity of the property. In assessing any tract or lot of real property, the value of the land, exclusive of structures and improvements, shall be determined, and also the value of all structures and improvements thereon, and the aggregate value of the property, including all structures and improvements, excluding the value of crops growing upon cultivated land. In valuing real property upon which there is a mine or quarry, it shall be valued at such price as such property, including the mine or quarry, would sell for a fair, voluntary sale, for cash. In valuing real property which is vacant, ~~the fact that such~~ *platted* property ~~is platted~~ shall be ~~taken into account. An individual lot of such platted property shall be assessed at its market value beginning with the first assessment following final approval of the plat~~ *assessed as provided in subdivision 12*. All property, or the use thereof, which is taxable under section 272.01, subdivision 2, or 273.19, shall be valued at the market value of such property and not at the value of a leasehold estate in such property, or at some lesser value than its market value.

Sec. 3. Minnesota Statutes 1990, section 273.11, is amended by adding a subdivision to read:

Subd. 12. [VACANT LAND PLATTED ON OR AFTER AUGUST 1, 1991.] *(a) All land platted on or after August 1, 1991, and not improved with a permanent structure, shall be assessed as provided in this subdivision. The assessor shall determine the market value of each individual lot based upon the highest and best use of the property as unplatted land. In establishing the market value of the property, the assessor shall consider the sale price of the unplatted land or comparable sales of unplatted land of similar use and similar availability of public utilities.*

(b) The market value determined in paragraph (a) shall be increased as follows for each of the three assessment years immediately following the final approval of the plat: one-third of the difference between the property's unplatted market value as determined under paragraph (a) and the market value based upon the highest and best use of the land as platted property shall be added in each of the three subsequent assessment years.

(c) Any increase in market value after the first assessment year following the plat's final approval shall be added to the property's market value in the next assessment year. Notwithstanding paragraph (b), if construction begins before the expiration of the three years in paragraph (b), that lot shall be eligible for revaluation in the next assessment year. The market value of a platted lot determined under this subdivision shall not exceed the value of that lot based upon the highest and best use of the property as platted land.

Sec. 4. Minnesota Statutes 1990, section 414.0325, is amended by adding a subdivision to read:

Subd. 1a. [ORDERLY ANNEXATION BY PETITION.] *If the board receives a petition for annexation of an area owned by a municipality or from all of the property owners in an area, and the area is within two miles of the corporate boundaries of the municipality, the petition shall confer jurisdiction on the board to consider designation of the area for orderly annexation. Upon receipt of the petition, the board shall inform the affected parties of their opportunity to request a hearing before the board on the petition, and if a hearing is requested, it must be held within 60 days of the request. Any person aggrieved by the board's designation of an area as appropriate for orderly annexation may appeal the board's order to district court in accordance with section 414.07.*

At least 30 days before a petition is filed for annexation under this subdivision or section 414.033, the petitioner must be notified by the municipality that the cost of utility service to the petitioner may change if the land is annexed to the municipality. The notice must estimate the cost impact of any change in utility services, including rate changes and assessments, resulting from the annexation.

Sec. 5. Minnesota Statutes 1990, section 414.033, subdivision 2, is amended to read:

Subd. 2. A municipal council may by ordinance declare land annexed to the municipality and any such land is deemed to be urban or suburban in character or about to become so if:

~~(a)~~ *(1)* the land is owned by the municipality; ~~or~~

~~(b)~~ *(2)* the land is completely surrounded by land within the municipal limits; *or*

(3) the land abuts the municipality and the area to be annexed is 60 acres or less, and the municipality receives a petition for annexation from all the

property owners of the land.

Sec. 6. Minnesota Statutes 1990, section 414.033, is amended by adding a subdivision to read:

Subd. 2a. [MUNICIPALITY MAY ANNEX.] *Notwithstanding the abutting requirement of subdivision 1, if land is owned by a municipality or if all of the landowners petition for annexation, and the land is within an existing orderly annexation area as provided by section 414.0325, then the municipality may declare the land annexed.*

Sec. 7. Minnesota Statutes 1990, section 414.033, subdivision 3, is amended to read:

Subd. 3. If the perimeter of the area to be annexed by a municipality is 60 percent or more bordered by the municipality and if the area to be annexed is 40 acres or less, the municipality shall serve notice of intent to annex upon the town board and the municipal board, *unless the area is appropriate for annexation by ordinance under subdivision 2, clause (3).* The town board shall have 90 days from the date of service to serve objections with the board. If no objections are forthcoming within the said 90 day period, such land may be annexed by ordinance. If objections are filed with the board, the board shall conduct hearings and issue its order as in the case of annexations under section 414.031, subdivisions 3 and 4.

Sec. 8. Minnesota Statutes 1990, section 414.033, subdivision 5, is amended to read:

Subd. 5. If the land is platted, or, if unplatted, does not exceed 200 acres, ~~the property owner or~~ a majority of the property owners in number may petition the municipal council to have such land included within the abutting municipality and, within ten days thereafter, shall file copies of the petition with the board, the town board, the county board and the municipal council of any other municipality which borders the land to be annexed. Within 90 days from the date of service, the town board or the municipal council of such abutting municipality may submit written objections to the annexation to the board and the annexing municipality. Upon receipt of such objections, the board shall proceed to hold a hearing and issue its order in accordance with section 414.031, subdivisions 3, 4, and 5. If written objections are not submitted within the time specified hereunder and if the municipal council determines that property proposed for the annexation is now or is about to become urban or suburban in character, it may by ordinance declare such land annexed to the municipality. If the petition is not signed by all the property owners of the land proposed to be annexed, the ordinance shall not be enacted until the municipal council has held a hearing on the proposed annexation after at least 30 days mailed notice to all property owners within the area to be annexed.

Sec. 9. [VACANT LAND PLATTED BEFORE AUGUST 1, 1991.]

All land platted before August 1, 1991, and not improved with a structure shall be assessed as provided in this section. In valuing real property which is vacant, the fact that such property is platted shall not be taken into account. An individual lot of such platted property shall not be assessed in excess of the valuation of the land as if it were unplatted until the lot is improved with a permanent improvement all or part of which is located on the lot, or for a period of three years after final approval of the plat, whichever is shorter. When a lot is sold or construction begun, that lot shall be eligible for revaluation.

Sec. 10. [TOWNS OF QUEEN AND EDEN; FOREST FIRE PROTECTION DISTRICTS.]

Notwithstanding Minnesota Statutes, section 88.08 or other law, the commissioner of natural resources may not create and establish forest fire protection districts, in whole or in part, within the towns of Queen and Eden in Polk county.

Sec. 11. [LOCAL APPROVAL.]

Section 10 is effective for each of the towns named in section 10 the day after the filing of a certificate of local approval by the town board of the respective town in compliance with Minnesota Statutes, section 645.021, subdivision 3.

Sec. 12. [REPEALER.]

Minnesota Statutes 1990, section 414.031, subdivision 5, is repealed.

Sec. 13. [EFFECTIVE DATE.]

Sections 1, 2, and 9 are effective the day following final enactment. Section 3 is effective for assessments in 1992 and thereafter."

Delete the title and insert:

"A bill for an act relating to taxation; property; providing for the valuation and assessment of vacant platted property; excluding certain unimproved land sales from sales ratio studies; allowing for orderly annexations by petition and by ordinance; limiting the establishment of certain fire protection district; amending Minnesota Statutes 1990, sections 124.2131, subdivision 1; 273.11, by adding a subdivision; 414.0325, by adding a subdivision; and 414.033, subdivisions 2, 3, 5, and by adding a subdivision; Minnesota Statutes 1991 Supplement, section 273.11, subdivision 1; repealing Minnesota Statutes 1990, section 414.031, subdivision 5."

Subd. 2. [APPLICATION.] Issuers ~~other than the Minnesota rural finance authority~~ may apply for an allocation under this section by submitting to the department an application on forms provided by the department accompanied by (1) a preliminary resolution, (2) a statement of bond counsel that the proposed issue of obligations requires an allocation under this chapter, (3) the type of qualified bonds to be issued, (4) an application deposit in the amount of two percent of the requested allocation, and (5) a public purpose scoring worksheet for manufacturing applications. For purposes of this subdivision, its entitlement allocation includes an amount obtained under section 474A.04, subdivision 6.

The Minnesota housing finance agency may not apply for an allocation for mortgage bonds under this section until after the last Monday in August. The Minnesota housing finance agency, *the Minnesota higher education coordinating board, and the Minnesota rural finance authority* may apply for and receive an allocation under this section without submitting an application deposit.

Sec. 9. Minnesota Statutes 1991 Supplement, section 474A.091, subdivision 3, is amended to read:

Subd. 3. [ALLOCATION PROCEDURE.] (a) The commissioner shall allocate available bonding authority under this section on the Monday of every other week beginning with the first Monday in August through and on the last Monday in November. Applications for allocations must be

received by the department by the Monday preceding the Monday on which allocations are to be made. If a Monday falls on a holiday, the allocation will be made or the applications must be received by the next business day after the holiday.

(b) On or before September 1, allocations shall be awarded from the unified pool in the following order of priority:

(1) applications for small issue bonds;

(2) applications for residential rental project bonds;

(3) applications for public facility projects funded by public facility bonds;

(4) applications for redevelopment bonds;

(5) applications for mortgage bonds; and

(6) applications for governmental bonds.

Allocations for residential rental projects may only be made during the first allocation in August. The amount of allocation provided to an issuer for a specific manufacturing project will be based on the number of points received for the proposed project under the scoring system under section 474A.045. Proposed manufacturing projects that receive 50 points or more are eligible for all of the proposed allocation. Proposed manufacturing projects that receive less than 50 points under section 474A.045 are only eligible to receive a proportionally reduced share of the proposed authority, based upon the number of points received. If there are two or more applications for manufacturing projects from the unified pool and there is insufficient bonding authority to provide allocations for all manufacturing projects in any one allocation period, the available bonding authority shall be awarded based on the number of points awarded a project under section 474A.045 with those projects receiving the greatest number of points receiving allocation first.

(c)(1) On the first Monday in August, *$5,000,000 of bonding authority is reserved within the unified pool for agricultural development bond loan projects of the Minnesota rural finance authority and* $20,000,000 of bonding authority or an amount equal to the total annual amount of bonding authority allocated to the small issue pool under section 474A.03, subdivision 1, less the amount allocated to issuers from the small issue pool for that year, whichever is less, is reserved within the unified pool for small issue bonds. On the first Monday in September, $2,500,000 of bonding authority or an amount equal to the total annual amount of bonding authority allocated to the public facilities pool under section 474A.03, subdivision 1, less the amount allocated to issuers from the public facilities pool for that year, whichever is less, is reserved within the unified pool for public facility bonds. If sufficient bonding authority is not available to reserve the required amounts for ~~both small issue bonds~~ *manufacturing projects* and ~~public facility bonds~~ *agricultural development bond loan projects*, ~~seven-eighths of~~ the remaining available bonding authority ~~is reserved for small issue bonds and one-eighth of the remaining available bonding authority is reserved for public facility bonds~~ *must be distributed between the two reservations on a pro rata basis, based upon the amounts each would have received if sufficient authority was available*.

(2) The total amount of allocations for mortgage bonds from the housing pool and the unified pool may not exceed:

(i) $10,000,000 for any one city; or

(ii) $20,000,000 for any number of cities in any one county.

An allocation for mortgage bonds may be used for mortgage credit certificates.

After September 1, allocations shall be awarded from the unified pool only for the following types of qualified bonds: small issue bonds, public facility bonds *to finance publicly owned facility projects*, and residential rental project bonds.

(d) If there is insufficient bonding authority to fund all projects within any qualified bond category, allocations shall be awarded by lot unless otherwise agreed to by the respective issuers. If an application is rejected, the commissioner must notify the applicant and return the application deposit to the applicant within 30 days unless the applicant requests in writing that the application be resubmitted. The granting of an allocation of bonding authority under this section must be evidenced by issuance of a certificate of allocation.

Sec. 10. [HIGHER EDUCATION COORDINATING BOARD.]

Subdivision 1. [1992 MANUFACTURING POOL RESERVATION.] *On the first Monday in May of 1992, $15,000,000 of bonding authority is reserved within the manufacturing pool and $5,000,000 of bonding authority is reserved within the public facilities pool for student loan bonds issued by the higher education coordinating board. On the day after the last Monday in July of 1992, any bonding authority remaining unallocated from the student loan bond reservations is transferred to the unified pool and must be reallocated as provided in Minnesota Statutes, section 474A.091. If a common pool is established as provided under section 11, any bonding authority remaining unallocated from the student loan bond reservations is transferred to the common pool on June 1, 1992.*

Subd. 2. [1992 CARRYFORWARD.] *Notwithstanding Minnesota Statutes, section 474A.091, subdivision 4, the commissioner of finance may allocate a portion of remaining available bonding authority to the higher education coordinating board for student loan bonds on December 1 of 1992.*

Subd. 3. [1993 UNIFIED POOL RESERVATION.] *On the first Monday in August of 1993, up to $10,000,000 of bonding authority is reserved within the unified pool for student loan bonds issued by the higher education coordinating board; provided that the total amount of the unified pool reservation authorized under this subdivision and the carryforward authorized under subdivision 2 may not exceed $20,000,000 of bonding authority.*

Sec. 11. [SUNSET OF QUALIFIED BONDS.]

Subdivision 1. [TRANSFER.] *Notwithstanding Minnesota Statutes, sections 474A.061 and 474A.091, if federal tax law is not amended by May 31, 1992, to permit the issuance of tax exempt mortgage bonds or small issue bonds after June 30, 1992, any bonding authority remaining in the small issue, housing, and public facilities pools is transferred on June 1, 1992, to a common pool and is available for allocation as provided in this section. The commissioner of finance shall set aside $30,000,000 of bonding authority from the common pool from June 1, 1992, to July 1, 1992. After July 1, the set-aside is available for allocation as provided under subdivision 2.*

Subd. 2. [ALLOCATION.] *For the period from June 1, 1992, through November 30, 1992, the commissioner of finance may allocate any available bonding authority in the common pool for any purpose authorized under federal tax law. The application and allocation procedures established in Minnesota Statutes, section 474A.091, and the limits on mortgage bonds established in Minnesota Statutes, section 474A.091, subdivision 3, paragraph (c)(2), apply to allocations from the common pool. The reserve and priority requirements established under Minnesota Statutes, section 474A.091, do not apply to allocations from the common pool.*

HOUSING PROGRAMS

Section 1. Minnesota Statutes 1990, section 462A.03, subdivision 7, is amended to read:

Subd. 7. "Residential housing" means a specific work or improvement within this state undertaken primarily to provide residential care facilities for mentally ill, mentally retarded, physically handicapped, and drug dependent persons licensed or potentially eligible for licensure under rules promulgated by the commissioner of human services, or to provide dwelling accommodations *or manufactured home parks* for persons and families of low and moderate income and for other persons and families when determined to be necessary in furtherance of the policy of economic integration stated in section 462A.02, subdivision 6, including land development and the acquisition, construction or rehabilitation of buildings and improvements thereto, for residential housing, and such other nonhousing facilities as may be incidental or appurtenant thereto.

Sec. 2. Minnesota Statutes 1990, section 462A.05, subdivision 14a, is amended to read:

Subd. 14a. It may make loans to persons and families of low and moderate income to rehabilitate or to assist in rehabilitating existing residential housing owned and occupied by those persons or families. No loan shall be made unless the agency determines that the loan will be used primarily for rehabilitation work necessary for health or safety, essential accessibility improvements, or to improve the energy efficiency of the dwelling. No loan for rehabilitation of owner occupied residential housing shall be denied solely because the loan will not be used for placing the residential housing in full compliance with all state, county or municipal building, housing maintenance, fire, health or similar codes and standards applicable to housing. The amount of any loan shall not exceed the lesser of (a) $9,000, or (b) the actual cost of the work performed, or (c) that portion of the cost of rehabilitation which the agency determines cannot otherwise be paid by the person or family without the expenditure of an unreasonable portion of the income of the person or family. *Loans made in whole or in part with federal funds may exceed the maximum loan amount to the extent necessary*

to comply with federal lead abatement requirements prescribed by the funding source. In making loans, the agency shall determine the circumstances under which and the terms and conditions under which all or any portion of the loan will be repaid and shall determine the appropriate security for the repayment of the loan. Loans pursuant to this subdivision may be made with or without interest or periodic payments. No loan under this subdivision shall be denied solely on the basis of the inability of the applicant to make periodic loan payments. Loans made without interest or periodic payments need not be repaid by the borrower if the property for which the loan is made has not been sold, transferred, or otherwise conveyed nor has it ceased to be the principal place of residence of the borrower, within ten years after the date of the loan.

Sec. 3. Minnesota Statutes 1991 Supplement, section 462A.05, subdivision 20a, is amended to read:

Subd. 20a. [SPECIAL NEEDS HOUSING FOR CHEMICALLY DEPENDENT ADULTS.] (a) The agency may make loans or grants to for-profit, limited-dividend, or nonprofit sponsors, as defined by the agency, for residential housing to be used to provide ~~temporary or transitional~~ housing to low- and moderate-income persons ~~and families having an immediate need for temporary or transitional housing as a result of natural disaster, resettlement, condemnation, displacement, lack of habitable housing, or other cause defined by the agency~~ *who are chronic chemically dependent adults.*

(b) ~~Loans or grants for housing for chronic chemically dependent adults may be made under this subdivision.~~ Housing for chronic chemically dependent adults must satisfy the following conditions:

(1) be certified by the department of health or the city as a board and lodging facility or single residence occupancy housing;

(2) meet all applicable health, building, fire safety, and zoning requirements;

(3) be located in an area significantly distant from the present location of county detoxification service sites;

(4) make available the services of trained personnel to appraise each client before or upon admission and to provide information about medical, job training, and chemical dependency services as necessary;

(5) provide on-site security designed to assure the health and safety of clients, staff, and neighborhood residents; and

(6) operate with the guidance of a neighborhood-based board.

Priority for loans and grants made under this paragraph must be given to proposals that address the needs of the Native American population and veterans of military services for this type of housing.

(c) Loans or grants pursuant to this subdivision must not be used for facilities that provide housing available for occupancy on less than a 24-hour continuous basis. To the extent possible, a sponsor shall combine the loan or grant with other funds obtained from public and private sources. In making loans or grants, the agency shall determine the circumstances, terms, and conditions under which all or any portion of the loan or grant will be repaid and the appropriate security should repayment be required.

Sec. 4. Minnesota Statutes 1991 Supplement, section 462A.05, subdivision 36, is amended to read:

Subd. 36. [LEASE-PURCHASE HOUSING.] The agency may make grants or loans to nonprofit organizations, local government units, Indian tribes, and Indian tribal organizations to finance the acquisition, improvement, rehabilitation, and lease-purchase of existing housing for persons of low and moderate income. A person or family is eligible to participate in a lease-purchase agreement if the person's or family's income does not exceed 60 percent of the greater of (1) state median income, or (2) area or county median income. The lease agreement must provide for a portion of the lease payment to be escrowed as a down payment on the housing. A property containing two or fewer dwelling units is eligible for financing under the lease-purchase housing program. A loan made under this subdivision must be repaid to the agency upon sale of the housing. ~~The agency may only make grants or loans under this subdivision from funds specifically appropriated by the legislature for that purpose.~~

Sec. 5. Minnesota Statutes 1991 Supplement, section 462A.05, subdivision 37, is amended to read:

Subd. 37. [BLIGHTED RESIDENTIAL PROPERTY ACQUISITION AND REHABILITATION; NEIGHBORHOOD LAND TRUST.] The agency may make grants to cities for the purpose of acquisition and demolition of blighted residential property and gap financing for the rehabilitation of blighted residential property or construction of new housing on the property. Gap financing is financing for the difference between the cost of the improvement of the blighted property, including acquisition, demolition, rehabilitation, and construction, and the market value of the property upon sale. Grants under this section must be used for households with income less than or equal to the county or area median income as determined by the United States Department of Housing and Urban Development. Cities may use the grants to establish revolving loan funds and provide loans and grants to eligible mortgagors for the acquisition, demolition, redevelopment, and rehabilitation of blighted residential property located in a neighborhood designated by the city for neighborhood preservation. The city may determine the terms and conditions of the loans and grants. ~~The agency may make grants or loans to nonprofit organizations for the purpose of organizing or funding neighborhood land trust projects. The projects must assure the long-term affordability of neighborhood housing by maintaining ownership of the land through a neighborhood land trust.~~

Sec. 6. Minnesota Statutes 1990, section 462A.05, is amended by adding a subdivision to read:

Subd. 38. [NEIGHBORHOOD LAND TRUSTS.] *The agency may make loans with or without interest for the purpose of funding neighborhood land trusts under sections 462A.30 and 462A.31 from money other than state general obligation bond proceeds. To assure the long-term affordability of housing provided by the neighborhood land trust, the neighborhood land trust must own the land acquired in whole or in part with a loan from the agency under this section under terms and conditions determined by the agency. The agency may convert the loan to a grant under circumstances approved by the agency.*

Sec. 7. Minnesota Statutes 1990, section 462A.06, subdivision 11, is amended to read:

(2) the new housing is replacing a structurally substandard structure or structures; ~~or~~

(3) the new housing is part of a housing affordability initiative, other than those financed with the proceeds from the sale of bonds, in which federal, state, or local assistance is used to substantially improve the terms of the financing or to substantially write down the purchase price of the new housing~~.~~*; or*

(4) the new housing is accessible housing and the borrower or a member of the borrower's family is a person with a disability. For the purposes of this clause, "accessible housing" means a dwelling unit with the modifications necessary to enable a person with a disability to function in a residential setting. "A person with a disability" means a person who has a permanent physical condition which is not correctable and which substantially reduces the person's ability to function in a residential setting. A person with a physical condition which does not require the use of a device to increase mobility must be deemed a person with a disability upon written certification of a licensed physician that the physical condition substantially limits the person's ability to function in a residential setting.

Upon expiration of the first ten-month period, the agency may make loans financed with the proceeds of mortgage bonds for the purchase of new and existing housing.

Sec. 9. Minnesota Statutes 1990, section 462A.202, subdivision 1, is amended to read:

Subdivision 1. [ACCOUNT.] The local government unit housing account is established as a separate account in the housing development fund. Money in the account is appropriated to the agency *for loans to cities* for the purposes specified in this section. *The agency must take steps to ensure distribution of the funds around the state.*

Sec. 10. Minnesota Statutes 1990, section 462A.202, subdivision 2, is amended to read:

Subd. 2. conditions the agency determines. Preference must be given to ~~local government units~~ *cities* that propose to acquire properties being sold by the resolution trust corporation or the department of housing and urban development. ~~The local government unit may contract with a nonprofit or for-profit organization to manage the property and to operate a transitional housing program on the property on behalf of the local government unit. on terms and conditions approved by the agency. The local government unit shall retain ownership of the property for at least 20 years. After 20 years, the sale of a property before the expiration of its useful life must be at its fair market value, and the net proceeds of sale must be used for the same purpose or repaid to the agency for deposit in the local government unit housing account.~~ *Loans under this subdivision are subject to the restrictions in section 12.*

Sec. 11. Minnesota Statutes 1990, section 462A.202, is amended by adding a subdivision to read:

If the city owns and uses the property for the purposes specified in this section for a 20-year period, the agency shall forgive the loan.

If leased, except as provided in paragraph (d), the annual rental must equal the amount of the loan attributable to the cost of the buildings, divided by the number of years of useful life of the buildings as determined in accordance with generally accepted accounting principles. For purposes of determining the required rental, the purchase price of land

PUBLIC FINANCE

Section 1. Minnesota Statutes 1990, section 176.181, subdivision 2, is amended to read:

Subd. 2. [COMPULSORY INSURANCE; SELF-INSURERS.] (1) Every employer, except the state and its municipal subdivisions, liable under this chapter to pay compensation shall insure payment of compensation with some insurance carrier authorized to insure workers' compensation liability in this state, or obtain a written order from the commissioner of commerce exempting the employer from insuring liability for compensation and permitting self-insurance of the liability. The terms, conditions and requirements governing self-insurance shall be established by the commissioner pursuant to chapter 14. The commissioner of commerce shall also adopt, pursuant to clause (2)(c), rules permitting two or more employers, whether or not they are in the same industry, to enter into agreements to pool their liabilities under this chapter for the purpose of qualifying as group self-insurers. With the approval of the commissioner of commerce, any employer may exclude medical, chiropractic and hospital benefits as required by this chapter. An employer conducting distinct operations at different locations may either insure or self-insure the other portion of operations as a distinct and separate risk. An employer desiring to be exempted from insuring liability for compensation shall make application to the commissioner of commerce, showing financial ability to pay the compensation, whereupon by written order the commissioner of commerce, on deeming it proper, may make an exemption. An employer may establish financial ability to pay compensation by: (1) providing financial statements of the employer to the commissioner of commerce; or (2) filing a surety bond or bank letter of credit with the commissioner of commerce in an amount equal to the anticipated annual compensation costs of the employer, but in no event less than $100,000. Upon ten days' written notice the commissioner of commerce may revoke the order granting an exemption, in which event the employer shall immediately insure the liability. As a condition for the granting of an exemption the commissioner of commerce may require the employer to furnish security the commissioner of commerce considers sufficient to insure payment of all claims under this chapter, *consistent with subdivision 2b.* If

the required security is in the form of currency or negotiable bonds, the commissioner of commerce shall deposit it with the state treasurer. In the event of any default upon the part of a self-insurer to abide by any final order or decision of the commissioner of labor and industry directing and awarding payment of compensation and benefits to any employee or the dependents of any deceased employee, then upon at least ten days notice to the self-insurer, the commissioner of commerce may by written order to the state treasurer require the treasurer to sell the pledged and assigned securities or a part thereof necessary to pay the full amount of any such claim or award with interest thereon. This authority to sell may be exercised from time to time to satisfy any order or award of the commissioner of labor and industry or any judgment obtained thereon. When securities are sold the money obtained shall be deposited in the state treasury to the credit of the commissioner of commerce and awards made against any such self-insurer by the commissioner of commerce shall be paid to the persons entitled thereto by the state treasurer upon warrants prepared by the commissioner of commerce and approved by the commissioner of finance out of the proceeds of the sale of securities. Where the security is in the form of a surety bond or personal guaranty the commissioner of commerce, at any time, upon at least ten days notice and opportunity to be heard, may require the surety to pay the amount of the award, the payments to be enforced in like manner as the award may be enforced.

(2)(a) No association, corporation, partnership, sole proprietorship, trust or other business entity shall provide services in the design, establishment or administration of a group self-insurance plan under rules adopted pursuant to this subdivision unless it is licensed to do so by the commissioner of commerce. An applicant for a license shall state in writing the type of activities it seeks authorization to engage in and the type of services it seeks authorization to provide. The license shall be granted only when the commissioner of commerce is satisfied that the entity possesses the necessary organization, background, expertise, and financial integrity to supply the services sought to be offered. The commissioner of commerce may issue a license subject to restrictions or limitations, including restrictions or limitations on the type of services which may be supplied or the activities which may be engaged in. The license is for a two-year period.

(b) To assure that group self-insurance plans are financially solvent, administered in a fair and capable fashion, and able to process claims and pay benefits in a prompt, fair and equitable manner, entities licensed to engage in such business are subject to supervision and examination by the commissioner of commerce.

(c) To carry out the purposes of this subdivision, the commissioner of commerce may promulgate administrative rules, including emergency rules, pursuant to sections 14.001 to 14.69. These rules may:

(i) establish reporting requirements for administrators of group self-insurance plans;

(ii) establish standards and guidelines *consistent with subdivision 2b* to assure the adequacy of the financing and administration of group self-insurance plans;

(iii) establish bonding requirements or other provisions assuring the financial integrity of entities administering group self-insurance plans;

(iv) establish standards, including but not limited to minimum terms of

membership in self-insurance plans, as necessary to provide stability for those plans;

(v) establish standards or guidelines governing the formation, operation, administration, and dissolution of self-insurance plans; and

(vi) establish other reasonable requirements to further the purposes of this subdivision.

Sec. 2. Minnesota Statutes 1990, section 176.181, is amended by adding a subdivision to read:

Subd. 2b. [ACCEPTABLE SECURITIES.] *The following are acceptable securities and surety bonds for the purpose of funding self-insurance plans and group self-insurance plans:*

Sec. 3. [RULE CHANGE.]

The commissioner of commerce shall amend Minnesota Rules, part 2780.0400, so that it is consistent with the changes in section 2.

Sec. 4. Minnesota Statutes 1990, section 429.091, subdivision 2, is amended to read:

Subd. 2. [TYPES OF OBLIGATIONS PERMITTED.] The council may by resolution adopted prior to the sale of obligations pledge the full faith, credit, and taxing power of the municipality for the payment of the principal and interest. Such obligations shall be called improvement bonds and the

council shall pay the principal and interest out of any fund of the municipality when the amount credited to the specified fund is insufficient for the purpose and shall each year levy a sufficient amount to take care of accumulated or anticipated deficiencies, which levy shall not be subject to any statutory or charter tax limitation. Obligations for the payment of which the full faith and credit of the municipality is not pledged shall be called ~~improvement warrants~~ *assessment revenue notes* or, in the case of bonds for fire protection, revenue bonds and shall contain a promise to pay solely out of the proper special fund or funds pledged to their payment. It shall be the duty of the municipal treasurer to pay maturing principal and interest on warrants or revenue bonds out of funds on hand in the proper funds and not otherwise.

(iii) the authority finds and determines that elimination of the public bidding requirements is necessary in order for the housing development project to be economical and feasible.

(b) An authority need not require a performance bond in the case of a contract described in paragraph (a), clause (1).

Sec. 6. Minnesota Statutes 1991 Supplement, section 469.155, subdivision 12, is amended to read:

(i) the informational requirements of section 60D.18, subdivision 3, paragraph (b), and the standards of section 60D.18, subdivision 4, paragraph (c), shall apply:

(iii) the commissioner may condition the approval of the merger or other acquisition on the removal of the basis of disapproval within a specified period of time;

(3) The financial condition of any acquiring party is such as might jeopardize the financial stability of the insurer, or prejudice the interest of its policyholders;

(4) The plans or proposals that the acquiring party has to liquidate the insurer, sell its assets, or consolidate or merge it with any person, or to make any other material change in its business or corporate structure or management, are unfair and unreasonable to policyholders of the insurer and not in the public interest;

(5) The competence, experience, and integrity of those persons who would control the operation of the insurer are such that it would not be in the interest of policyholders of the insurer and of the public to permit the merger or other acquisition of control; or

(b) The public hearing referred to in paragraph (a) must be held 30 days after the statement required by subdivision 1 is filed, and at least 20 days notice of it shall be given by the commissioner to the person filing the statement. Not less than seven days notice of the public hearing shall be given by the person filing the statement to the insurer and to other persons designated by the commissioner. If the commissioner determines that the special assessment would have an adverse impact on the contributing member or its enrollees or insureds, the commissioner may adjust the amount of the special assessment, or establish alternative payment arrangements to the state plan. For health maintenance organizations regulated under chapter 62D, the commissioner of health shall make the determination regarding any adjustment in the special assessment and shall transmit that determination to the commissioner of commerce.

to solicit insurance, or to write and countersign policies of insurance, or to collect premiums therefor within this state, or to exercise any or all these powers when so authorized by the insurer. The term "person" includes a natural person, a partnership, a corporation, or other entity, including an insurance agency.

Sec. 2. [60A.052] [DENIAL, REVOCATION, SUSPENSION OF CERTIFICATE OF AUTHORITY.]

Subdivision 1. [GROUNDS.] *The commissioner may by order take any or all of the following actions: (1) deny, suspend, or revoke a certificate of authority; (2) censure the insurance company; or (3) impose a civil penalty as provided for in section 45.027, subdivision 6. In order to take this action the commissioner must find that the order is in the public interest, and the insurance company:*

(1) has a board of directors or principal management that is incompetent, untrustworthy, or so lacking in insurance company managerial experience as to make its operation hazardous to policyholders, its stockholders, or to the insurance buying public;

(2) is controlled directly or indirectly through ownership, management, reinsurance transactions, or other business relations by any person or persons whose business operations are or have been marked by manipulation of any assets, reinsurance, or accounts as to create a hazard to the company's policyholders, stockholders, or the insurance buying public;

(3) is in an unsound or unsafe condition;

(4) has the actual liabilities that exceed the actual funds of the company;

(5) has filed an application for a license which is incomplete in any material respect or contains any statement which, in light of the circumstances under which it was made, contained any misrepresentation or was false, misleading, or fraudulent;

(6) has pled guilty, with or without explicitly admitting guilt, pled nolo contendere, or been convicted of a felony, gross misdemeanor, or misdemeanor involving moral turpitude, or similar conduct;

(7) is permanently or temporarily enjoined by any court of competent jurisdiction from engaging in or continuing any conduct or practice involving any aspect of the insurance business;

(8) has violated or failed to comply with any order of the insurance regulator of any other state or jurisdiction;

(10) agents, officers, or directors refuse to submit to examination or perform any related legal obligation; or

(11) has violated or failed to comply with, any of the provisions of the insurance laws including chapter 45 or chapters 60A to 72A or any rule or order under those chapters.

Subd. 2. [SUMMARY SUSPENSION OR REVOCATION OF AUTHORITY OR CENSURE.] *If the commissioner determines that one of the conditions listed in subdivision 1 exists, the commissioner may issue an order*

requiring the insurance company to show cause why any or all of the following should not occur: (1) revocation or suspension of any or all certificates of authority granted to the foreign or domestic insurance company or its agent; (2) censuring of the insurance company; or (3) the imposition of a civil penalty. The order shall be calculated to give reasonable notice of the time and place for hearing thereon, and shall state the reasons for the entry of the order. The commissioner may by order summarily suspend or revoke a certificate pending final determination of any order to show cause. If a certificate is suspended or revoked pending final determination of an order to show cause, a hearing on the merits shall be held within 30 days of the issuance of the summary order. All hearings shall be conducted in accordance with chapter 14. After the hearing, the commissioner shall enter an order disposing of the matter as the facts require. If the insurance company fails to appear at a hearing after having been duly notified of it, the company shall be considered in default, and the proceeding may be determined against the company upon consideration of the order to show cause, the allegations of which may be considered to be true.

Subd. 3. [APPLICANTS.] *Whenever it appears to the commissioner that an application for a certificate of authority should be denied pursuant to subdivision 1, the commissioner shall promptly give a written notice to the applicant of the denial. The notice must state the grounds for the denial and give reasonable notice of the rights of the applicant to request a hearing. A hearing must be held not later than 30 days after the request for hearing is received by the commissioner unless the applicant and the department of commerce agree that the hearing may be held at a later date. If no hearing is requested within 30 days of service of the notice, the denial will become final. All hearings shall be conducted in accordance with chapter 14. After the hearing, the commissioner shall enter an order disposing of the matter as the facts require. If the applicant fails to appear at a hearing after having been duly notified of it, the applicant shall be considered in default, and the proceeding may be determined against the applicant upon consideration of the notice denying the application, the allegations of which may be considered to be true.*

Subd. 4. [ACTIONS AGAINST LAPSED CERTIFICATE OF AUTHORITY.] *If a certificate of authority lapses, is surrendered, withdrawn, terminated, or otherwise becomes ineffective, the commissioner may institute a proceeding under this subdivision within two years after the certificate of authority was last effective and enter a revocation or suspension order as of the last date on which the certificate of authority was in effect, or impose a civil penalty as provided for in section 45.027, subdivision 6.*

Sec. 3. [60K.01] [DEFINITIONS.]

Unless the language or context clearly indicates that a different meaning is intended, the definitions in section 60A.01 are applicable to this chapter.

Sec. 4. [60K.02] [INSURANCE AGENTS; SOLICITORS LICENSE.]

Subdivision 1. [REQUIREMENT.] *No person shall act or assume to act as an insurance agent in the solicitation or procurement of applications for insurance, nor in the sale of insurance or policies of insurance, nor in any manner aid as an insurance agent in the negotiation of insurance by or with an insurer, including resident agents or reciprocal or interinsurance exchanges and fraternal benefit societies, until that person obtains from the commissioner a license for that purpose. The license must specifically set forth the name of the person authorized to act as an agent and the class*

or classes of insurance for which that person is authorized to solicit or countersign policies. An insurance agent may qualify for a license in the following classes: (1) life and health; and (2) property and casualty.

No insurer shall appoint or reappoint a natural person, partnership, or corporation to act as an insurance agent on its behalf until that natural person, partnership, or corporation obtains a license as an insurance agent.

Subd. 2. [PARTNERSHIPS AND CORPORATIONS.] *A license issued to a partnership or corporation must be solely in the name of the entity to which it is issued; provided that each partner, director, officer, stockholder, or employee of the licensed entity who is personally engaged in the solicitation or negotiation of a policy of insurance on behalf of the licensed entity shall be personally licensed as an insurance agent.*

Upon request by the commissioner, each partnership and corporation licensed as an insurance agent shall provide the commissioner with a list of the names of each partner, director, officer, stockholder, and employee who is required to hold a valid insurance agent's license.

Subd. 3. [TRANSITION.] *(a) Any agent who is qualified for life or accident and health as of June 1, 1981, is qualified for a life and health license under Laws 1981, chapter 307, and is appointed by an insurer which has submitted a written requisition for a license for that agent as of June 1, 1981.*

(b) Any agent who is qualified for one or more lines of insurance, excluding life or accident and health and farm property liability as of June 1, 1981, is qualified for a property and casualty license under Laws 1981, chapter 307, and is appointed by any insurer which has submitted a written requisition for a license for that agent as of June 1, 1981.

Subd. 4. [CRIMINAL PENALTIES.] *A person who acts or assumes to act as an insurance agent without a valid license issued by the commissioner is guilty of a gross misdemeanor.*

Sec. 5. [60K.03] [LICENSE APPLICATION.]

Subdivision 1. [PROCEDURE.] *An application for a license to act as an insurance agent shall be made to the commissioner by the person who seeks to be licensed. The application for license shall be accompanied by a written appointment from an admitted insurer authorizing the applicant to act as its agent under one or both classes of license. The insurer must also submit its check payable to the state treasurer for the amount of the appointment fee prescribed by section 60A.14, subdivision 1, paragraph (c), clause (9), at the time the agent becomes licensed. The application and appointment must be on forms prescribed by the commissioner.*

If the applicant is a natural person, no license shall be issued until that natural person has become qualified.

If the applicant is a partnership or corporation, no license shall be issued until at least one natural person who is a partner, director, officer, stockholder, or employee shall be licensed as an insurance agent.

Subd. 2. [RESIDENT AGENT.] *The commissioner shall issue a resident insurance agent's license to a qualified resident of this state as follows:*

(a) A person may qualify as a resident of this state if that person resides in this state or the principal place of business of that person is maintained in this state. Application for a license claiming residency in this state for

licensing purposes constitutes an election of residency in this state. A license issued upon an application claiming residency in this state is void if the licensee, while holding a resident license in this state, also holds, or makes application for, a resident license in, or thereafter claims to be a resident of, any other state or jurisdiction or if the licensee ceases to be a resident of this state; provided, however, if the applicant is a resident of a community or trade area, the border of which is contiguous with the state line of this state, the applicant may qualify for a resident license in this state and at the same time hold a resident license from the contiguous state.

(b) The commissioner shall subject each applicant who is a natural person to a written examination as to the applicant's competence to act as an insurance agent. The examination must be held at a reasonable time and place designated by the commissioner.

(c) The examination shall be approved for use by the commissioner and shall test the applicant's knowledge of the lines of insurance, policies, and transactions to be handled under the class of license applied for, of the duties and responsibilities of the licensee, and pertinent insurance laws of this state.

(d) The examination shall be given only after the applicant has completed a program of classroom studies in a school, which shall not include a school sponsored by, offered by, or affiliated with an insurance company or its agents; except that this limitation does not preclude a bona fide professional association of agents, not acting on behalf of an insurer, from offering courses. The course of study shall consist of 30 hours of classroom study devoted to the basic fundamentals of insurance for those seeking a Minnesota license for the first time, 15 hours devoted to specific life and health topics for those seeking a life and health license, and 15 hours devoted to specific property and casualty topics for those seeking a property and casualty license. The program of studies or study course shall have been approved by the commissioner in order to qualify under this clause. If the applicant has been previously licensed for the particular line of insurance in the state of Minnesota, the requirement of a program of studies or a study course shall be waived. A certification of compliance by the organization offering the course shall accompany the applicant's license application. This program of studies in a school or a study course shall not apply to farm property perils and farm liability applicants, or to agents writing such other lines of insurance as the commissioner may exempt from examination by order.

(e) The applicant must pass the examination with a grade determined by the commissioner to indicate satisfactory knowledge and understanding of the class or classes of insurance for which the applicant seeks qualification. The commissioner shall inform the applicant as to whether or not the applicant has passed.

(f) An applicant who has failed to pass an examination may take subsequent examinations. Examination fees for subsequent examinations shall not be waived.

(g) Any applicant for a license covering the same class or classes of insurance for which the applicant was licensed under a similar license in this state, other than a temporary license, within the three years preceding the date of the application shall be exempt from the requirement of a written examination, unless the previous license was revoked or suspended by the commissioner. An applicant whose license is not renewed under section 60K.12 is exempt from the requirement of a written examination.

Subd. 3. [NONRESIDENT AGENT.] *The commissioner shall issue a nonresident insurance agent's license to a qualified person who is a resident of another state or country as follows:*

(a) A person may qualify for a license under this section as a nonresident only if that person holds a license in another state, province of Canada, or other foreign country which, in the opinion of the commissioner, qualifies that person for the same activity as that for which a license is sought.

(b) The commissioner shall not issue a license to a nonresident applicant until that person files with the commissioner a designation of the commissioner and the commissioner's successors in office as the applicant's true and lawful attorney upon whom may be served all lawful process in an action, suit, or proceeding instituted by or on behalf of an interested person arising out of the applicant's insurance business in this state. This designation constitutes an agreement that this service of process is of the same legal force and validity as personal service of process in this state upon that applicant.

Service of process upon a licensee in an action or proceeding begun in a court of competent jurisdiction of this state may be made in compliance with section 45.028, subdivision 2.

(c) A nonresident license terminates automatically when the resident license for that class of license in the state, province, or foreign country in which the licensee is a resident is terminated for any reason.

Subd. 4. [TERM.] *All licenses issued pursuant to this section remain in force until voluntarily terminated by the licensee, not renewed as prescribed in section 60K.06, or until suspended or revoked by the commissioner. A voluntary termination occurs when the license is surrendered to the commissioner with the request that it be terminated or when the licensee dies, or when the licensee is dissolved or its existence is terminated. In the case of a nonresident license, a voluntary termination also occurs upon the happening of the event described in subdivision 3, paragraph (c).*

Every licensed agent shall notify the commissioner within 30 days of a change of name, address, or information contained in the application.

Subd. 5. [SUBSEQUENT APPOINTMENTS.] *A person who holds a valid agent's license from this state may solicit applications for insurance on behalf of an admitted insurer with which the licensee does not have a valid appointment on file with the commissioner; provided that the licensee has permission from the insurer to solicit insurance on its behalf and, provided further, that the insurer upon receipt of the application for insurance submits a written notice of appointment to the commissioner accompanied by its check payable to the state treasurer in the amount of the appointment fee prescribed by section 60A.14, subdivision 1, paragraph (c), clause (9). The notice of appointment must be on a form prescribed by the commissioner.*

Subd. 6. [AMENDMENT OF LICENSE.] *An application to the commissioner to amend a license to reflect a change of name, or to include an additional class of license, or for any other reason, shall be on forms provided by the commissioner and shall be accompanied by the applicant's surrendered license and a check payable to the state treasurer for the amount of fee specified in section 60A.14, subdivision 1, paragraph (c).*

An applicant who surrenders an insurance license pursuant to this subdivision retains licensed status until an amended license is received.

Subd. 7. [EXCEPTIONS.] *The following are exempt from the general licensing requirements prescribed by this section:*

(1) agents of township mutuals who are exempted pursuant to section 60K.04;

(2) fraternal benefit society representatives exempted pursuant to section 60K.05;

(3) any regular salaried officer or employee of a licensed insurer, without license or other qualification, may act on behalf of that licensed insurer in the negotiation of insurance for that insurer, provided that a licensed agent must participate in the sale of the insurance;

(4) employers and their officers or employees, and the trustees or employees of any trust plan, to the extent that the employers, officers, employees, or trustees are engaged in the administration or operation of any program of employee benefits for the employees of the employers or employees of their subsidiaries or affiliates involving the use of insurance issued by a licensed insurance company; provided that the activities of the officers, employees and trustees are incidental to clerical or administrative duties and their compensation does not vary with the volume of insurance or applications for insurance;

(5) employees of a creditor who enroll debtors for life or accident and health insurance; provided the employees receive no commission or fee for it;

(6) clerical or administrative employees of an insurance agent who take insurance applications or receive premiums in the office of their employer, if the activities are incidental to clerical or administrative duties and the employee's compensation does not vary with the volume of the applications or premiums; and

(7) rental vehicle companies and their employees in connection with the offer of rental vehicle personal accident insurance under section 72A.125.

Sec. 6. [60K.04] [TOWNSHIP MUTUAL AGENTS.]

No agent for a township mutual shall be required to take an examination to become eligible for an agent's license in farm property perils and farm liability if it is certified by one or more township mutual companies that the agent has been acting in the capacity of an agent at least since January 1, 1971, and no new examination shall be required for eligibility for a license in farm property perils and farm liability for a licensed agent in farm windstorm and hail insurance who was licensed prior to January 1, 1971.

Sec. 7. [60K.05] [FRATERNAL BENEFIT SOCIETY REPRESENTATIVES.]

Representatives of fraternal benefit societies who solicit and negotiate insurance contracts shall be deemed to be insurance agents and subject to the licensing requirements as set forth in section 60K.03 subdivision 1; provided, that no insurance agent's license shall be required of:

(1) any officer, employee, or secretary of a fraternal benefit society or of any subordinate lodge or branch who devotes substantially all of that person's time to activities other than the solicitation or negotiation of insurance contracts and who receives no commission or other compensation directly dependent upon the number or amount of contracts solicited or

negotiated; or

(2) any agent or representative of a fraternal benefit society who devotes, or intends to devote, less than 50 percent of that person's time to the solicitation and procurement of insurance contracts for that society. Any person who in the preceding calendar year has solicited and procured life insurance in excess of $50,000 face amount, or, in the case of any other kinds of insurance which the society may write, on the persons of more than 25 individuals, and who has received or will receive a commission or other compensation in the total amount of $1,000 or more, shall be presumed to be devoting, or intending to devote, 50 percent of that person's time to the solicitation or procurement of insurance contracts for that society.

Sec. 8. [60K.06] [RENEWAL FEE.]

(a) Each agent licensed pursuant to section 60K.03 shall annually pay in accordance with the procedure adopted by the commissioner a renewal fee as prescribed by section 60A.14, subdivision 1, paragraph (c), clause (10).

(b) Every agent, corporation, and partnership license expires on October 31 of the year for which period a license is issued.

(c) Persons whose applications have been properly and timely filed who have not received notice of denial of renewal are approved for renewal and may continue to transact business whether or not the renewed license has been received on or before November 1. Applications for renewal of a license are timely filed if received by the commissioner on or before October 15 of the year due, on forms duly executed and accompanied by appropriate fees. An application mailed is considered timely filed if addressed to the commissioner, with proper postage, and postmarked by October 15.

(d) The commissioner may issue licenses for agents, corporations, or partnerships for a three-year period. If three-year licenses are issued, the fee is three times the annual license fee.

Sec. 9. [60K.07] [TEMPORARY LICENSES.]

Subdivision 1. [EXAMINATION.] *The commissioner may grant a temporary insurance agent's license to a person who has successfully completed the examination, if any, required by the commissioner. The temporary license may be granted as of the date upon which the applicant receives written notice from the commissioner that the person has passed any required examination. A temporary license will permit the applicant to act as an insurance agent for the original appointing insurer for the class of business specified therein until the earlier of (1) receipt by the applicant of the resident license, or (2) the expiration of 90 days from the date on which the temporary license was granted.*

Subd. 2. [PERMISSIVE TEMPORARY LICENSE.] *The commissioner may issue a temporary license to a person to act as an insurance agent for a period not to exceed 90 days, which may be extended as determined by the commissioner, without requiring an examination if the commissioner considers a temporary license necessary for the servicing of an insurance business in the following cases:*

(1) to an agent licensed as a resident agent in another state where the commissioner determines that the foreign license is substantially the equivalent of that being applied for from the state of Minnesota and where the agent has been transferred into this state with the intention of becoming a

resident, working as an insurance agent, and obtaining a resident license from the state of Minnesota;

(2) to the surviving spouse or next of kin, or to the administrator or executor, or to an employee of a deceased licensed insurance agent, or to the spouse, next of kin, an employee, or legal guardian of a disabled licensed insurance agent;

(3) to the designee of a licensed insurance agent entering upon active service in the armed forces of the United States; or

(4) in any other circumstance where the commissioner considers that the public interest will best be served by the issuance of a temporary license.

Sec. 10. [60K.08] [BROKERAGE BUSINESS.]

Every insurance agent duly licensed to transact business in this state shall have the right to procure the insurance of risks, or parts of risks, in the class or classes of insurance for which the agent is licensed in other insurers duly authorized to transact business in this state, but the insurance shall only be consummated through a duly appointed resident agent of the insurer taking the risk. If the law of another state requires a nonresident agent who is a resident agent of Minnesota to pay a portion of the premium to or share commissions with a licensed resident agent of that state, then the licensed resident agent of Minnesota when consummating and countersigning for a licensed nonresident agent of that state shall receive five percent of the total premium or 25 percent of the commission, whichever is less.

Sec. 11. [60K.09] [UNFIT PERSON NOT TO BE EMPLOYED BY INSURER.]

No insurer, its officers, agents, or managers shall knowingly make application to the commissioner for appointment of a person as its agent where that person is known to the insurer, its officers, agents, or managers making the application, to be unfit or disqualified to be licensed as an insurance agent, and immediately upon the discovery by the insurer, its officers, agents, or managers having supervision of the agent, of the unfitness or disqualification, the insurer, or the officers agents, or managers shall forthwith inform the commissioner in writing of their decision to terminate their appointment of this agent; nor shall any insurer retain in its employ any agent known by it to be disqualified or unfit to be licensed as an insurance agent.

Sec. 12. [60K.10] [TERM OF APPOINTMENTS.]

All appointments of agents by insurers pursuant to this section shall remain in force until terminated voluntarily by the appointing insurer or the license of the agent has for any reason been terminated during the appointment. The original appointing insurer, as well as any subsequent appointing insurer, may terminate the appointment of an agent at any time by giving written notice thereof to the commissioner and by sending a copy thereof to the last known address of the agent. The effective date of the termination shall be the date of receipt of the notice by the commissioner unless another date is specified by the insurer in the notice. Within 30 days after the insurer gives notice of termination to the commissioner, the insurer shall furnish the agent with a current statement of the agent's commission account.

Accompanying the notice of a termination given to the commissioner by

the insurer shall be a statement of the specific reasons constituting the cause of termination. Any document, record, or statement relating to the agent which is disclosed or furnished to the commissioner contemporaneously with, or subsequent to, the notice of termination shall be deemed confidential by the commissioner and a privileged communication. The document, record, or statement furnished to the commissioner shall not be admissible in whole or in part for any purpose in any action or proceeding against (1) the insurer or any of its officers, employees, or representatives submitting or providing the document, record, or statement, or (2) any person, firm, or corporation furnishing in good faith to the insurer the information upon which the reasons for termination are based.

Sec. 13. [60K.11] [DENIAL, REVOCATION, SUSPENSION, AND CENSURE OF LICENSES.]

Subdivision 1. [GROUNDS.] *The commissioner may by order take any or all of the following actions:*

(1) deny, suspend, or revoke an insurance agent or agency license;

(2) censure the licensee; or

(3) impose a civil penalty as provided for in section 45.027, subdivision 6.

In order to take this action the commissioner must find that the order is in the public interest and that the applicant, licensee, or in the case of an insurance agency, partner, director, shareholder, officer, or agent of that insurance agency:

(i) does not intend to or is not in good faith carrying on the business of an insurance agent;

(ii) has filed an application for a license which is incomplete in any material respect or contains any statement which, in light of the circumstances under which it is made, contains any misrepresentation, or is false, misleading, or fraudulent;

(iii) has engaged in an act or practice, whether or not such act or practice involves the business of insurance, which demonstrates that the applicant or licensee is untrustworthy, financially irresponsible, or otherwise incompetent or unqualified to act as an insurance agent or agency;

(iv) has pled guilty, with or without explicitly admitting guilt, pled nolo contendere, or been convicted of a felony, gross misdemeanor, or misdemeanor involving moral turpitude, including, but not limited to, assault or similar conduct;

(v) has violated or failed to comply with any of the provisions of the insurance laws including chapter 45 or chapters 60A to 72A or any rule or order under those chapters;

(vi) is permanently or temporarily enjoined by any court of competent jurisdiction from engaging in or continuing any conduct or practice involving any aspect of the insurance business;

(vii) has violated or failed to comply with any order of the insurance regulator of any other state or jurisdiction;

(viii) has had an insurance agent or agency license denied, suspended, or revoked, has been censured or reprimanded, has been the subject of any other discipline imposed by, or has paid or has been required to pay a

monetary penalty or fine to, another state or jurisdiction;

(ix) has misrepresented the terms of any actual or proposed insurance contract;

(x) has engaged in any fraudulent, coercive, deceptive, or dishonest act or practice whether or not such act or practice involves the business of insurance;

(xi) has improperly withheld, misappropriated, or converted to the licensee's or applicant's own use any money belonging to a policyholder, insurer, beneficiary, or other person; or

(xii) has forged another's name to any document whether or not the document relates to an application for insurance or a policy of insurance.

Subd. 2. [LICENSEES.] *If the commissioner determines that one of the conditions listed in subdivision 1 exists, the commissioner may issue an order requiring a licensee to show cause why any or all of the following should not occur: (1) the license revocation or suspension; (2) censuring of the licensee; or (3) the imposition of a civil penalty. The order shall be calculated to give reasonable notice of the time and place for hearing on the matter, and shall state the reasons for the entry of the order. The commissioner may by order summarily suspend a license pending final determination of any order to show cause. If a license is suspended pending final determination of an order to show cause, a hearing on the merits shall be held within 30 days of the issuance of the order of suspension. All hearings shall be conducted in accordance with the provisions of chapter 14. After the hearing, the commissioner shall enter an order disposing of the matter as the facts require. If the licensee fails to appear at a hearing after having been duly notified of it, the licensee shall be considered in default, and the proceeding may be determined against the licensee upon consideration of the order to show cause, the allegations of which may be considered to be true.*

Subd. 3. [APPLICANTS.] *Whenever it appears to the commissioner that a license application should be denied pursuant to subdivision 1, the commissioner shall promptly give a written notice to the applicant of the denial. The notice must state the grounds for the denial and give reasonable notice of the rights of the applicant to request a hearing. A hearing must be held not later than 30 days after the request for the hearing is received by the commissioner unless the applicant and the department of commerce agree that the hearing may be held at a later date. If no hearing is requested within 30 days of service of the notice, the denial will become final. All hearings shall be conducted in accordance with the provisions of chapter 14. After the hearing, the commissioner shall enter an order making such disposition as the facts require. If the applicant fails to appear at a hearing after having been duly notified of it, the person shall be considered in default, and the proceeding may be determined against the applicant upon consideration of the notice denying application, the allegations of which may be considered to be true. All fees accompanying the application and appointment are considered earned and are not refundable.*

Subd. 4. [ACTIONS AGAINST LAPSED LICENSE.] *If a license lapses, is surrendered, withdrawn, terminated, or otherwise becomes ineffective, the commissioner may institute a proceeding under this subdivision within two years after the license was last effective and enter a revocation or suspension order as of the last date on which the license was in effect, or*

impose a civil penalty as provided for in section 45.027, subdivision 6.

Subd. 5. [NOTIFICATION OF ACTION TAKEN BY OTHER STATE.] *An insurance agent shall notify the commissioner within 30 days of any fine imposed on that agent by another state or of a suspension or revocation of license by the commissioner of commerce of this state or the commissioner of insurance of any other state.*

Subd. 6. [CONDITIONS FOR RELICENSURE.] *A revocation of a license shall prohibit the licensee from making a new application for a license for at least two years from the effective date of the revocation. Further, the commissioner shall, as a condition of reapplication, require the applicant to obtain a performance bond issued by an insurer authorized to transact business in this state in the amount of $20,000 or a greater amount the commissioner considers appropriate for the protection of citizens of this state in the event the commissioner grants the application. The bond shall be filed with the commissioner, with the state of Minnesota as obligee, conditioned for the prompt payment to any aggrieved person entitled to payment of any amounts received by the licensee or to protect any aggrieved person from loss resulting from fraudulent, deceptive, dishonest, or other prohibited practices arising out of any transaction when the licensee was licensed or performed acts for which a license is required under this chapter. The bond shall remain operative for as long as that licensee is licensed. The bond required by this subdivision must provide coverage for all matters arising during the period of licensure.*

Sec. 14. [60K.12] [TAX CLEARANCE CERTIFICATE.]

Subdivision 1. [REQUIREMENT FOR ISSUANCE OR RENEWAL OF LICENSE.] *In addition to the provisions of section 60K.11, the commissioner may not issue or renew a license if the commissioner of revenue notifies the commissioner and the licensee or applicant for a license that the licensee or applicant owes the state delinquent taxes in the amount of $500 or more. The commissioner may issue or renew the license only if: (1) the commissioner of revenue issues a tax clearance certificate; and (2) the commissioner of revenue or the licensee or applicant forwards a copy of the clearance certificate to the commissioner. The commissioner of revenue may issue a clearance certificate only if the licensee or applicant does not owe the state any uncontested delinquent taxes.*

Subd. 2. [DEFINITIONS.] *For purposes of this section, the following terms have the meanings given them:*

(1) "taxes" are all taxes payable to the commissioner of revenue, including penalties and interest due on those taxes; and

(2) "delinquent taxes" do not include a tax liability if (i) an administrative or court action that contests the amount or validity of the liability has been filed or served, (ii) the appeal period to contest the tax liability has not expired, or (iii) the licensee or applicant has entered into a payment agreement to pay the liability and is current with the payments.

Subd. 3. [CONTESTED CASE HEARING.] *In lieu of the notice and hearing requirements of section 60K.11, when a licensee or applicant is required to obtain a clearance certificate under this section, a contested case hearing must be held if the licensee or applicant requests a hearing in writing to the commissioner of revenue within 30 days of the date of the notice provided in subdivision 1. The hearing must be held within 45 days of the date the commissioner of revenue refers the case to the office of*

administrative hearings. Notwithstanding any law to the contrary, the licensee or applicant must be served with 20 days' notice in writing specifying the time and place of the hearing and the allegations against the licensee or applicant. The notice may be served personally or by mail.

Subd. 4. [IDENTIFICATION REQUIRED.] *The commissioner shall require all licensees or applicants to provide their social security number and Minnesota business identification number on all license applications. Upon request of the commissioner of revenue, the commissioner must provide to the commissioner of revenue a list of all licensees and applicants, including the name and address, social security number, and business identification number. The commissioner of revenue may request a list of the licensees and applicants no more than once each calendar year.*

Sec. 15. [60K.13] [SURRENDER, LOSS, OR DESTRUCTION OF LICENSE.]

Subdivision 1. [NOTIFICATION.] *The commissioner shall promptly notify the licensee and all appointing insurers, where applicable, of any suspension, revocation, or termination of the licensee's agent's license by the commissioner. Upon receipt of the notice of suspension or revocation of a license, the licensee shall immediately deliver it to the commissioner.*

Subd. 2. [RETURN OF LICENSE.] *An agent whose resident or nonresident license is terminated, as provided in section 60K.11, shall deliver the terminated license to the commissioner by personal delivery or by mail within 30 days after the date of termination.*

Subd. 3. [DUPLICATE LICENSE.] *The commissioner may issue a duplicate license for any lost, stolen, or destroyed license issued pursuant to this section upon an affidavit of the licensee concerning the facts of the loss, theft, or destruction, and the payment of a fee of $3 by money order or cashier's check payable to the state treasurer.*

Sec. 16. [60K.14] [PROHIBITED ACTS.]

Subdivision 1. [PERSONAL SOLICITATION OF INSURANCE SALES.] *(a)* [DEFINITIONS.] *For the purposes of this section, the following terms have the meanings given them:*

(1) "agent" means a person, copartnership, or corporation required to be licensed pursuant to section 60K.02; and

(2) "personal solicitation" means any contact by an agent, or any person acting on behalf of an agent, made for the purpose of selling or attempting to sell insurance, when either the agent or a person acting for the agent contacts the buyer by telephone or in person, except: (i) an attempted sale in which the buyer personally knows the identity of the agent, the name of the general agency, if any, which the agent represents, and the fact that the agent is an insurance agent; (ii) an attempted sale in which the prospective purchaser of insurance initiated the contact; or (iii) a personal contact which takes place at the agent's place of business.

(b) [DISCLOSURE REQUIREMENT.] *Before a personal solicitation, the agent or person acting for an agent shall, at the time of initial personal contact or communication with the potential buyer, clearly and expressly disclose:*

(1) the name of the person making the contact or communication;

(2) the name of the agent, general agency, or insurer that person represents; and

(3) the fact that the agent, agency, or insurer is in the business of selling insurance.

(c) [FALSE REPRESENTATION OF GOVERNMENT AFFILIATION.] *No agent or person acting for an agent shall make any communication to a potential buyer that indicates or gives the impression that the agent is acting on behalf of a government agency.*

Subd. 2. [FEES FOR SERVICES.] *No person shall charge a fee for any services rendered in connection with the solicitation, negotiation, or servicing of any insurance contract unless:*

(1) before rendering the services, a written statement is provided disclosing:

(i) the services for which fees are charged;

(ii) the amount of the fees;

(iii) that the fees are charged in addition to premiums; and

(iv) that premiums include a commission; and

(2) all fees charged are reasonable in relation to the services rendered.

Subd. 3. [COMMISSIONS OR COMPENSATION.] *No commission or other compensation shall be paid or allowed by any person, firm, or corporation to any other person, firm, or corporation acting, or assuming to act, as an insurance agent without a license therefor. A duly licensed agent may pay commissions or assign or direct that commissions be paid to a partnership of which the agent is a member, employee, or agent, or to a corporation of which the agent is an officer, employee, or agent. This subdivision does not prevent the payment or receipt of renewal or other deferred commissions to or by any person solely because the person has ceased to hold a license to act as an insurance agent.*

Subd. 4. [SUITABILITY OF INSURANCE.] *In recommending the purchase of any life, endowment, long-term care, annuity, life-endowment, or Medicare supplement insurance to a customer, an agent must have reasonable grounds for believing that the recommendation is suitable for the customer and must make reasonable inquiries to determine suitability. The suitability of a recommended purchase of insurance will be determined by reference to the totality of the particular customer's circumstances, including, but not limited to, the customer's income, the customer's need for insurance, and the values, benefits, and costs of the customer's existing insurance program, if any, when compared to the values, benefits, and costs of the recommended policy or policies.*

Subd. 5. [PREMIUMS.] *All premiums or other money received by an agent from an insured or applicant for insurance must be forthwith deposited directly in a business checking, savings, or other similar account maintained by the agent or agency, unless the money is forwarded directly to the designated insurer.*

Subd. 6. [PRIVACY OF CLIENT.] *Except as otherwise provided by law, no insurance agent may disclose nor cause to be disclosed to any other person the identity of a person insured through the agent without the consent of the insured.*

Sec. 17. [60K.15] [INSURER'S AGENT.]

Any person who solicits insurance is the agent of the insurer and not the agent of the insured.

Sec. 18. [60K.16] [LIABILITY FOR PLACING INSURANCE IN UNAUTHORIZED COMPANY.]

Any person, regardless of whether that person is required to be licensed as an insurance agent, who participates in any manner in the sale of any insurance policy or certificate, or any other contract providing benefits, for or on behalf of any company which is required to be, but which is not authorized to engage in the business of insurance in this state, other than pursuant to sections 60A.195 to 60A.209, shall be personally liable for all premiums, whether earned or unearned, paid by the insured, and the premiums may be recovered by the insured. In addition, that person shall be personally liable for any loss the insured has sustained or may sustain if the loss is one resulting from a risk or hazard covered in the issued policy, certificate, or contract or which would have been covered if the policy, certificate, or contract had been issued to the purchaser of the insurance.

Sec. 19. [60K.17] [AGENTS: VARIABLE CONTRACTS.]

Subdivision 1. [LICENSE REQUIRED.] *No person shall sell or offer for sale a contract on a variable basis unless prior to making any solicitation or sale the person has obtained from the commissioner a license therefor. The license shall only be granted, upon the written requisition of an insurer, to a qualified person who holds a current license authorizing the person to solicit and sell life insurance and annuity contracts in this state. To become qualified, a person shall complete a written application on a form prescribed by the commissioner and shall take and pass an examination prescribed by the commissioner.*

Subd. 2. [EXCEPTIONS.] *(a) Any regularly salaried officer or employee of a licensed insurer may, without license or other qualification, act on behalf of that licensed insurer in the negotiation of a contract on a variable basis, provided that a licensed agent must participate in the sale of any contract.*

(b) Any person who holds a valid license to solicit and sell life insurance and annuity contracts may solicit and sell contracts on a variable basis without acquiring a license under this subdivision if the contract is based on an account which is excluded from the definition of investment company under the Investment Company Act of 1940, United States Code, title 15, section 80a-3(11).

Subd. 3. [RULES.] *The commissioner may by rule waive or modify any of the requirements in this section or prescribe additional requirements considered necessary for the proper sale and solicitation of contracts on a variable basis.*

Sec. 20. [60K.18] [ALTERING EXISTING POLICIES; WRITTEN BINDERS REQUIRED.]

An insurance agent having express authority to bind coverage, who orally agrees on behalf of an insurer to provide insurance coverage, or to alter an existing insurance agreement, shall execute and deliver a written memorandum or binder containing the terms of the oral agreement to the insured within three business days from the time the oral agreement is entered.

Sec. 21. Minnesota Statutes 1990, section 62A.41, subdivision 4, is amended to read:

Sec. 22. Minnesota Statutes 1990, section 62C.17, subdivision 5, is amended to read:

Subd. 5. A person shall not be qualified for a license if upon examination or reexamination it is determined that the person is incompetent to act as an agent or solicitor, if the person has acted in any manner which would disqualify a person to hold a license as an insurance agent or solicitor under ~~section 60A.17, subdivision 6~~ *sections 60K.01 to 60K.18*, or if the person fails to produce documents subpoenaed by the commissioner, or fails to appear at a hearing to which the person is a party or has been subpoenaed, if the production of documents or appearance is lawfully required.

Sec. 23. Minnesota Statutes 1990, section 62D.22, subdivision 8, is amended to read:

All agents, solicitors, and brokers engaged in soliciting or dealing with enrollees or prospective enrollees of a health maintenance organization, whether employees or under contract to the health maintenance organization, shall be subject to the provisions of ~~section 60A.17~~ *sections 60K.01 to 60K.18*, concerning the licensure of health insurance agents, solicitors, and brokers, and lawful rules thereunder. Medical doctors and others who merely explain the operation of health maintenance organizations shall be exempt from the provisions of ~~section 60A.17~~ *sections 60K.01 to 60K.18*. Section ~~60A.17~~ *60K.03*, subdivision ~~1a~~ *2*, ~~paragraph (b)~~ shall not apply except as to provide for an examination of an applicant in the applicant's knowledge concerning the operations and benefits of health maintenance organizations and related insurance matters.

Sec. 25. Minnesota Statutes 1990, section 72A.07, is amended to read:

72A.07 [VIOLATIONS OF LAWS RELATING TO AGENTS, PENALTIES.]

Any person, firm, or corporation violating, or failing to comply with, any of the provisions of ~~section 60A.17~~ *sections 60K.01 to 60K.18* and any person who acts in any manner in the negotiation or transaction of unlawful insurance with an insurance company not licensed to do business in the state, or who, as principal or agent, violates any provision of law relating to the negotiation or effecting of contracts of insurance, shall be guilty of a misdemeanor. Upon the filing of a complaint by the commissioner of commerce in a court of competent jurisdiction against any person violating

any provisions of this section, the county attorney of the county in which the violation occurred shall prosecute the person. Upon the conviction of any agent of any violation of the provisions of ~~section 60A.17~~ *sections 60K.01 to 60K.18*, the commissioner shall suspend the authority of the agent to transact any insurance business within the state for a period of not less than three months. Any insurer employing an agent and failing to procure an appointment, as required by ~~section 60A.17~~ *sections 60K.01 to 60K.18*, or allowing the agent to transact business for it within the state before an appointment has been procured, shall pay the commissioner, for the use of the state, a penalty of $25 for each offense. Each sale of an insurance policy by an agent who is not appointed by an insurance company shall constitute a separate offense, but no insurer shall be required to pay more than $300 in penalties as a result of the activities of a single unappointed agent. In the event of failure to pay a penalty within ten days after notice from the commissioner, the authority of the insurer to do business in this state shall be revoked by the commissioner until the penalty is paid. No insurer whose authority is revoked shall be readmitted until it shall have complied with all the terms and conditions imposed for admission in the first instance. Any action taken by the commissioner under this section shall be subject to review by the district court of the county in which the office of the commissioner is located.

Sec. 26. Minnesota Statutes 1990, section 72A.125, subdivision 2, is amended to read:

Subd. 2. [SALE BY AUTO RENTAL COMPANIES.] An auto rental company that offers or sells rental vehicle personal accident insurance in this state in conjunction with the rental of a vehicle shall only sell these products if the forms and rates have met the relevant requirements of section 62A.02, taking into account the possible infrequency and severity of loss that may be incurred. Sections ~~60A.17 and~~ 60A.1701 *and 60K.01 to 60K.18* do not apply if the persons engaged in the sale of these products are employees of the auto rental company who do not receive commissions or other remuneration for selling the product in addition to their regular compensation. Compensation may not be determined in any part by the sale of insurance products. The auto rental company before engaging in the sale of the product must file with the commissioner the following documents:

(1) an appointment of the commissioner as agent for service of process;

(2) an agreement that the auto rental company assumes all responsibility for the authorized actions of all unlicensed employees who sell the insurance product on its behalf in conjunction with the rental of its vehicles;

(3) an agreement that the auto rental company with respect to itself and its employees will be subject to this chapter regarding the marketing of the insurance products and the conduct of those persons involved in the sale of insurance products in the same manner as if it were a licensed agent.

An auto rental company failing to file the documents in clauses (1) to (3) is guilty of an individual violation as to the unlicensed sale of insurance for each sale that occurs after August 1, 1987, until they make the required filings. Each individual sale after August 1, 1987, and prior to the filing required by this section is subject to, in addition to any other penalties allowable by law, up to a $200 per violation fine. Further, the sale of the insurance product by an auto rental company or any employee or agent of the company after August 1, 1987, without having complied with this section shall be deemed to be in acceptance of the provisions of this section.

Insurance sold pursuant to this subdivision must be limited in availability to rental vehicle customers though coverage may extend to the customer, other drivers, and passengers using or riding in the rented vehicles; and limited in duration to a period equal to and concurrent with that of the vehicle rental.

Persons purchasing rental vehicle personal accident insurance may be provided a certificate summarizing the policy provisions in lieu of a copy of the policy if a copy of the policy is available for inspection at the place of sale and a free copy of the policy may be obtained from the auto rental company's home office.

The commissioner may, after a hearing, revoke an auto rental company's right to operate under this section if the company has repeatedly violated the insurance laws of this state and the revocation is in the public interest.

No policy, *contract*, or plan of accident and health protection issued by an insurer, nonprofit health service plan corporation, or health maintenance organization, providing coverage of hospital or medical expense on either an expense incurred basis or other than an expense incurred basis which in addition to coverage of the insured, subscriber, or enrollee, also provides coverage to dependents, shall, except upon the written consent of the survivor or survivors of the deceased insured, subscriber, or enrollee, terminate, suspend, or otherwise restrict the participation in or the receipt of benefits otherwise payable under the policy, *contract*, or plan to the survivor or survivors until the earlier of the following dates:

(a) the date the surviving spouse becomes covered under another group health plan; or

(b) the date coverage would have terminated under the policy, *contract*, or plan had the insured, subscriber, or enrollee lived.

The survivor or survivors, in order to have the coverage and benefits extended, may be required to pay the entire cost of the protection on a monthly basis. *The policy, contract, or plan must require the group policyholder or contract holder to, upon request, provide the insured, subscriber, or enrollee with written verification from the insurer of the cost of this coverage promptly at the time of eligibility for this coverage and at any time during the continuation period.* In no event shall the amount of premium or fee contributions charged exceed 102 percent of the cost to the plan for such period of coverage for other similarly situated spouses and dependent children who are not the survivors of a deceased insured, without regard to whether such cost is paid by the employer or employee. Failure of the survivor to make premium or fee payments within 90 days after notice of the requirement to pay the premiums or fees shall be a basis for the termination of the coverage without written consent. In event of termination by reason of the survivor's failure to make required premium or fee contributions, written notice of cancellation must be mailed to the survivor's last known address at least 30 days before the cancellation. If the coverage is provided under a group policy, *contract*, or plan, any required premium or fee contributions for the coverage shall be paid by the survivor to the group policyholder or contract holder for remittance to the insurer, nonprofit health service plan corporation, or health maintenance organization.

Sec. 6. Minnesota Statutes 1990, section 62A.17, subdivision 2, is amended to read:

In no event shall the amount of premium charged exceed 102 percent of the cost to the plan for such period of coverage for similarly situated employees with respect to whom neither termination nor layoff has occurred, without regard to whether such cost is paid by the employer or employee. The employee shall be eligible to continue the coverage until the employee becomes covered under another group health plan, or for a period of 18 months after the termination of or lay off from employment, whichever is shorter. If the employee becomes covered under another group policy, contract, or health plan and the new group policy, contract, or health plan contains any preexisting condition limitations, the employee may, subject to the 18-month maximum continuation limit, continue coverage with the former employer until the preexisting condition limitations have been satisfied. The new policy, contract, or health plan is primary except as to the preexisting condition. In the case of a newborn child who is a dependent of the employee, the new policy, contract, or health plan is primary upon the date of birth of the child, regardless of which policy, contract, or health plan coverage is deemed primary for the mother of the child.

Sec. 7. Minnesota Statutes 1990, section 62A.21, subdivision 2a, is amended to read:

Subd. 2a. [CONTINUATION PRIVILEGE.] Every policy described in subdivision 1 shall contain a provision which permits continuation of coverage under the policy for the insured's former spouse and dependent children upon entry of a valid decree of dissolution of marriage. The coverage shall be continued until the earlier of the following dates:

(a) the date the insured's former spouse becomes covered under any other group health plan; or

(b) the date coverage would otherwise terminate under the policy.

If the coverage is provided under a group policy, any required premium contributions for the coverage shall be paid by the insured on a monthly basis to the group policyholder for remittance to the insurer. *The policy must require the group policyholder to, upon request, provide the insured with written verification from the insurer of the cost of this coverage promptly at the time of eligibility for this coverage and at any time during the continuation period.* In no event shall the amount of premium charged exceed 102 percent of the cost to the plan for such period of coverage for other similarly situated spouses and dependent children with respect to whom the marital relationship has not dissolved, without regard to whether such cost is paid by the employer or employee.

Sec. 8. [62A.285] [PROHIBITED UNDERWRITING; BREAST IMPLANTS.]

[REQUIRED COVERAGE.] *No policy, plan, certificate, or contract referred to in subdivision 1 shall be issued or renewed to provide coverage to a Minnesota resident if it provides an exclusion, reduction, or other limitation as to coverage, deductible, coinsurance, or copayment applicable solely to conditions caused by breast implants.*

Subd. 3. [REFUSAL TO ISSUE OR RENEW.] *No issuer of a policy, plan, certificate, or contract referred to in subdivision 1 shall refuse to issue or renew at standard premium rates a policy, plan, certificate, or contract referred to in subdivision 1 solely because the prospective insured or enrollee has breast implants.*

Subd. 2a. [CONTINUATION PRIVILEGE.] Every subscriber contract, other than a contract whose continuance is contingent upon continued employment or membership, shall contain a provision which permits continuation of coverage under the contract for the subscriber's former spouse and children upon entry of a valid decree of dissolution of marriage, if the decree requires the subscriber to provide continued coverage for those persons. The coverage may be continued until the earlier of the following dates:

(a) the date of remarriage of either the subscriber or the subscriber's former spouse; or

(b) the date coverage would otherwise terminate under the subscriber contract.

The contract must require the group contract holder to, upon request, provide the insured with written verification from the insurer of the cost of this coverage promptly at the time of eligibility for this coverage and at any time during the continuation period. In no event shall the amount of premium charged exceed 102 percent of the cost to the plan for such period of coverage for other similarly situated spouses and dependent children with respect to whom the marital relationship has not dissolved, without regard to whether such cost is paid by the employer or employee.

Sec. 10. Minnesota Statutes 1990, section 62D.101, subdivision 2a, is amended to read:

That the House recede from its amendment and that S.F. No. 2199 be further amended as follows:

Delete everything after the enacting clause and insert:

"ARTICLE 1

Section 1. Minnesota Statutes 1990, section 16B.121, is amended to read:

16B.121 [PURCHASE OF RECYCLED, REPAIRABLE, AND DURABLE MATERIALS.]

The commissioner shall take the recycled content and recyclability of commodities to be purchased into consideration in bid specifications. ~~The commissioner shall apply weighting factors to the recycled content and recyclability criteria in order to give a preferential treatment to those criteria. State agencies shall purchase recycled materials when specifications allow the practical use of the recycled materials and the price does not exceed the price of nonrecycled materials by more than ten percent. If possible, state agencies should purchase materials recycled from waste generated in this state.~~ *When feasible and when the price of recycled materials does not exceed the price of nonrecycled materials by more than ten percent, the commissioner, and state agencies when purchasing under delegated authority, shall purchase recycled materials. In order to maximize the quantity and quality of recycled materials purchased, the commissioner, and state agencies when purchasing under delegated authority, may also use other appropriate procedures to acquire recycled materials at the most economical cost to the state.*

When purchasing commodities and services, the commissioner, and state agencies when purchasing under delegated authority, shall apply and promote the preferred waste management practices listed in section 115A.02, with special emphasis on reduction of the quantity and toxicity of materials in waste. The commissioner, and state agencies when purchasing under

delegated authority, in developing bid specifications, shall consider the extent to which a commodity or product is durable, reusable, or recyclable and marketable through the state resource recovery program.

Sec. 2. Minnesota Statutes 1991 Supplement, section 16B.122, subdivision 2, is amended to read:

Subd. 2. [PURCHASES; PRINTING.] (a) Whenever practicable, a public entity shall:

(1) purchase uncoated office paper and printing paper;

(2) purchase recycled content paper with at least ten percent postconsumer material by weight;

(3) purchase paper which has not been dyed with colors, excluding pastel colors;

(4) purchase recycled content paper that is manufactured using little or no chlorine bleach or chlorine derivatives;

(5) use no more than two colored inks, standard or processed, except in formats where they are necessary to convey meaning;

(6) use reusable binding materials or staples and bind documents by methods that do not use glue;

(7) use soy-based inks; and

(8) produce reports, publications, and periodicals that are readily recyclable within the state ~~resources~~ *resource* recovery program.

(b) Paragraph (a), clause (1), does not apply to coated paper that is made with at least 50 percent ~~fiber that has been recycled after use by a consumer~~ *postconsumer material*.

(c) A public entity shall print documents on both sides of the paper where commonly accepted publishing practices allow.

Sec. 3. [16B.123] [PACKING MATERIALS.]

Whenever technically feasible, a public entity shall purchase and use degradable loose foam packing material manufactured from vegetable starches or other renewable resources, unless the cost of the packing material is more than ten percent greater than the cost of packing material made from nonrenewable resources. For the purposes of this section, "packing material" means loose foam material, other than an exterior packaging shell, that is used to stabilize, protect, cushion, or brace the contents of a package.

Sec. 4. Minnesota Statutes 1991 Supplement, section 115A.02, is amended to read:

115A.02 [LEGISLATIVE DECLARATION OF POLICY; PURPOSES.]

(a) It is the goal of this chapter to improve waste management in the state to serve the following purposes:

(1) Reduction in *the amount and toxicity of* waste generated;

(2) Separation and recovery of materials and energy from waste;

(3) Reduction in indiscriminate dependence on disposal of waste;

(4) Coordination of solid waste management among political subdivisions;

and

(5) Orderly and deliberate development and financial security of waste facilities including disposal facilities.

(b) The waste management goal of the state is to foster an integrated waste management system in a manner appropriate to the characteristics of the waste stream. The following waste management practices are in order of preference:

(1) waste reduction and reuse;

(2) waste recycling;

(3) composting of yard waste and food waste;

(4) resource recovery through mixed municipal solid waste composting or incineration; and

(5) land disposal.

Sec. 5. Minnesota Statutes 1990, section 115A.03, is amended by adding a subdivision to read:

Subd. 6a. [COMMISSIONER.] *"Commissioner" means the commissioner of the pollution control agency.*

Sec. 6. Minnesota Statutes 1990, section 115A.03, is amended by adding a subdivision to read:

Subd. 24b. [POSTCONSUMER MATERIAL.] *"Postconsumer material" means a finished material that would normally be discarded as a solid waste having completed its life cycle as a consumer item.*

Sec. 7. Minnesota Statutes 1990, section 115A.03, subdivision 36a, is amended to read:

Subd. 36a. [WASTE REDUCTION; *SOURCE REDUCTION.*] "Waste reduction" *or "source reduction"* means an activity that prevents generation of waste *or the inclusion of toxic materials in waste,* including*:*

(1) reusing a product in its original form~~,~~*;*

(2) increasing the life span of a product~~,~~*;*

(3) reducing material *or the toxicity of material* used in production or packaging~~,~~*;* or

(4) changing procurement, consumption, or waste generation habits to result in smaller quantities *or lower toxicity* of waste generated.

Sec. 8. [115A.034] [ENFORCEMENT.]

Chapter 115A may be enforced under section 116.072.

Sec. 9. Minnesota Statutes 1990, section 115A.07, is amended by adding a subdivision to read:

Subd. 3. [UNIFORM WASTE STATISTICS; RULES.] *The director, after consulting with the commissioner, the metropolitan council, local government units, and other interested persons, may adopt rules to establish uniform methods for collecting and reporting waste reduction, generation, collection, transportation, storage, recycling, processing, and disposal statistics necessary for proper waste management and for reporting required by law. Prior to publishing proposed rules, the director shall submit draft*

rules to the legislative commission on waste management for review and comment. Rules adopted under this subdivision apply to all persons and units of government in the state for the purpose of collecting and reporting waste-related statistics requested under or required by law.

Sec. 10. Minnesota Statutes 1991 Supplement, section 115A.15, subdivision 9, is amended to read:

Subd. 9. [RECYCLING GOAL.] By December 31, 1993, the commissioner shall recycle at least 40 percent by weight of the solid waste generated by state offices and other state operations located in the metropolitan area. By ~~August~~ *March* 1 of each year the commissioner shall report to the office and the metropolitan council the *estimated* recycling rates by county for state offices and other state operations in the metropolitan area for the previous ~~fiscal~~ *calendar* year. The office shall incorporate these figures into the reports submitted by the counties under section 115A.557, subdivision 3, to determine each county's progress toward the goal in section 115A.551, subdivision 2.

Each state agency in the metropolitan area shall work to meet the recycling goal individually. If the goal is not met by an agency, the commissioner shall notify that agency that the goal has not been met and the reasons the goal has not been met and shall provide information to the employees in the agency regarding recycling opportunities and expectations.

Sec. 11. Minnesota Statutes 1990, section 115A.32, is amended to read:

115A.32 [RULES.]

The ~~office~~ *board* shall promulgate rules pursuant to chapter 14 to govern its activities under sections 115A.32 to 115A.39. *For the purposes of sections 115A.32 to 115A.39, "board" means the environmental quality board established in section 116C.03. In all of its activities and deliberations under sections 115A.32 to 115A.39, the board shall consult with the director of the office of waste management.*

Sec. 12. Minnesota Statutes 1991 Supplement, section 115A.411, subdivision 1, is amended to read:

Subdivision 1. [AUTHORITY; PURPOSE.] The director with assistance from the commissioner shall prepare and adopt a report on solid waste management policy excluding the metropolitan area. The report must be submitted by the director to the legislative commission on waste management by ~~November 15~~ *July 1* of each even-numbered year and may include reports required under sections 115A.551, subdivision 4, and 115A.557, subdivision 4.

Sec. 13. [115A.5501] [REDUCTION OF PACKAGING IN WASTE.]

Subdivision 1. [STATEWIDE WASTE PACKAGING REDUCTION GOAL.] *It is the goal of the state that there be a minimum 25 percent statewide per capita reduction in the amount of discarded packaging delivered to solid waste composting, incineration, refuse derived fuel and disposal facilities by December 31, 1995, based on a reasonable estimate of the amount of packaging that was delivered to solid waste composting, incineration, and disposal facilities in calendar year 1992.*

Subd. 2. [MEASUREMENT; PROCEDURES.] *To measure the overall percentage of packaging in the statewide solid waste stream, the commissioner and the chair of the metropolitan council, in consultation with the*

director, shall each conduct an annual four-season solid waste composition study in the nonmetropolitan and metropolitan areas respectively or shall develop an alternative method that is as statistically reliable as a waste composition study to measure the percentage of packaging in the waste stream.

Beginning in 1993, the chair of the council shall submit the results from the metropolitan area to the commissioner by March 1 of each year. The commissioner shall average the nonmetropolitan and metropolitan results and submit the statewide percentage, along with a statistically reliable margin of error, to the director by April 1 of each year. The director shall report the information to the legislative commission on waste management by July 1 of each year.

Subd. 3. [FACILITY COOPERATION AND REPORTS.] *The owner or operator of a solid waste composting, incineration, refuse derived fuel or disposal facility shall allow access upon reasonable notice to authorized office, agency, or metropolitan council staff for the purpose of conducting waste composition studies or otherwise assessing the amount of total packaging in the waste delivered to the facility under this section.*

Beginning in 1993, by February 1 of each year the owner or operator of a facility governed by this subdivision shall submit a report to the commissioner, on a form prescribed by the commissioner, information specifying the total amount of solid waste received by the facility between January 1 and December 31 of the previous year. The commissioner shall calculate the total amount of solid waste delivered to solid waste facilities from the reports received from the facility owners or operators and shall report the aggregate amount to the director by April 1 of each year. The commissioner shall assess a nonforgivable administrative penalty under section 116.072 of $500 plus any forgivable amount necessary to enforce this subdivision on any owner or operator who fails to submit a report required by this subdivision.

Subd. 4. [REPORT.] *The director shall apply the statewide percentage determined under subdivision 2 to the aggregate amount of solid waste determined under subdivision 3 to determine the amount of packaging in the waste stream. By July 1, 1996, the director shall submit to the legislative commission on waste management an analysis of the extent to which the waste packaging reduction goal in subdivision 1 has been met. In determining whether the goal has been met, the margin of error must be applied in favor of meeting the goal.*

Sec. 14. Minnesota Statutes 1991 Supplement, section 115A.551, subdivision 2a, is amended to read:

Subd. 2a. [SUPPLEMENTARY RECYCLING GOALS.] By ~~July~~ *December* 31, 1996, each county will have as a goal to recycle the following amounts:

(1) for a county outside of the metropolitan area, 30 percent by weight of total solid waste generation;

(2) for a metropolitan county, 45 percent by weight of total solid waste generation.

Each county will develop and implement or require political subdivisions within the county to develop and implement programs, practices, or methods designed to meet its recycling goal. Nothing in this section or in any other

law may be construed to prohibit a county from establishing a higher recycling goal. For the purposes of this subdivision "*recycle*" *and* "total solid waste generation" ~~has~~ *have* the ~~meaning~~ *meanings* given ~~it~~ *them* in subdivision 1, except that ~~it does not include~~ *neither includes* yard waste.

Sec. 15. Minnesota Statutes 1991 Supplement, section 115A.551, subdivision 4, is amended to read:

Subd. 4. [INTERIM MONITORING.] The office, for counties outside of the metropolitan area, and the metropolitan council, for counties within the metropolitan area, shall monitor the progress of each county toward meeting the recycling ~~goal~~ *goals* in ~~subdivision~~ *subdivisions* 2 *and 2a* and shall report to the legislative commission on waste management on the progress of the counties by November 15 of each year. If the office or the council finds that a county is not progressing toward the ~~goal~~ *goals* in ~~subdivision~~ *subdivisions* 2 *and 2a*, it shall negotiate with the county to develop and implement solid waste management techniques designed to assist the county in meeting the ~~goal~~ *goals*, such as organized collection, curbside collection of source-separated materials, and volume-based pricing.

In even-numbered years the progress report may be included in the solid waste management policy report required under section 115A.411.

Sec. 16. Minnesota Statutes 1990, section 115A.551, subdivision 5, is amended to read:

Subd. 5. [FAILURE TO MEET GOAL.] (a) A county failing to meet the interim goals in subdivision 3 shall, as a minimum:

(1) notify county residents of the failure to achieve the goal and why the goal was not achieved; and

(2) provide county residents with information on recycling programs offered by the county.

(b) If, based on the recycling monitoring described in subdivision 4, the office or the metropolitan council finds that a county will be unable to meet the recycling ~~goal~~ *goals* established in ~~subdivision~~ *subdivisions* 2 *and 2a*, the office or council shall, after consideration of the reasons for the county's inability to meet the ~~goal~~ *goals*, recommend legislation for consideration by the legislative commission on waste management to establish mandatory recycling standards and to authorize the office or council to mandate appropriate solid waste management techniques designed to meet the standards in those counties that are unable to meet the ~~goal~~ *goals*.

Sec. 17. Minnesota Statutes 1990, section 115A.557, subdivision 3, is amended to read:

Subd. 3. [ELIGIBILITY TO RECEIVE MONEY.] (a) To be eligible to receive money distributed by the office under this section, a county shall within one year of October 4, 1989:

(1) create a separate account in its general fund to credit the money; and

(2) set up accounting procedures to ensure that money in the separate account is spent only for the purposes in subdivision 2.

(b) In each following year, each county shall also:

(1) have in place an approved solid waste management plan or master plan including a recycling implementation strategy under section 115A.551,

subdivision 7, or 473.803, subdivision 1e, and a household hazardous waste management plan under section 115A.96, subdivision 6, by the dates specified in those provisions;

(2) submit a report by ~~August~~ *March* 1 of each year to the office detailing how the money was spent and the resulting gains achieved in solid waste management practices during the previous ~~fiscal~~ *calendar* year; and

(3) provide evidence to the office that local revenue equal to 25 percent of the money sought for distribution under this section will be spent for the purposes in subdivision 2.

(c) The office shall withhold all or part of the funds to be distributed to a county under this section if the county fails to comply with this subdivision and subdivision 2.

Sec. 18. [115A.56] [RECYCLED CONTENT; LABELS.]

A person may not label or otherwise indicate on a product or package for sale or distribution that the product or package contains recycled material unless the label or other indication states the minimum percentage of postconsumer material in the product or package:

(1) by weight for a finished nonpaper product or package; and

(2) by fiber content for a finished paper product or package.

For the purposes of this section "product" includes advertising materials and campaign material as defined in section 211B.01, subdivision 2.

Sec. 19. Minnesota Statutes 1990, section 115A.63, subdivision 3, is amended to read:

Subd. 3. [RESTRICTIONS.] No waste district shall be established within the boundaries of the Western Lake Superior Sanitary District established by Laws 1971, chapter 478, as amended. No waste district shall be established wholly within one county. The ~~office~~ *director* shall not establish a waste district within or extending into the metropolitan area, nor define or alter the powers or boundaries of a district, without the approval of the metropolitan council. The council shall not approve a district unless the articles of incorporation of the district require that the district will have the same procedural and substantive responsibilities, duties, and relationship to the metropolitan agencies as a metropolitan county. ~~The office shall not establish a district unless the petitioners demonstrate that they are unable to fulfill the purposes of a district through joint action under section 471.59.~~ The ~~office~~ *director* shall require the completion of a comprehensive solid waste management plan conforming to the requirements of section 115A.46, by petitioners seeking to establish a district.

Sec. 20. Minnesota Statutes 1990, section 115A.81, subdivision 2, is amended to read:

Subd. 2. [DESIGNATION.] "Designation" means a requirement by a waste management district or county that all or any portion of the ~~mixed municipal~~ solid waste that is generated within its boundaries or any service area thereof be delivered to a processing or disposal facility identified by the district or county.

Sec. 21. Minnesota Statutes 1991 Supplement, section 115A.83, is amended to read:

115A.83 [~~EXEMPTION~~ *WASTES SUBJECT TO DESIGNATION;*

(2) other solid waste that prior to final processing or disposal:

(i) is not managed as a separate waste stream; or

(ii) is managed as a separate waste stream using a waste management practice that is ranked lower on the list of waste management practices in section 115A.02, paragraph (b), than the primary waste management practice that would be used on the waste at the designated facility.

Subd. 2. [EXEMPTION.] The designation may not apply to or include:

(1) materials that are separated from ~~mixed municipal~~ solid waste and recovered for reuse in their original form or for use in manufacturing processes;

(2) materials that are processed at a resource recovery facility at the capacity in operation at the time that the designation plan is approved by the reviewing authority; ~~or~~

(3) materials that are separated at a permitted transfer station located within the boundaries of the designating authority for the purpose of recycling the materials if: (i) the transfer station was in operation on January 1, 1991; or (ii) the materials were not being separated for recycling at the designated facility at the time the transfer station began separation of the materials; *or*

(4) recyclable materials that are being recycled, and residuals from recycling if there is at least an 85 percent volume reduction in the solid waste processed at the recycling facility and the residuals are managed as separate waste streams.

For the purposes of this section, "manufacturing processes" does not include the treatment of waste after collection for the purpose of composting.

~~The exemptions in this section apply to only those materials separated from mixed municipal solid waste that are managed in a manner that is preferred over the primary management method of the designated facility under section 115A.02, paragraph (b).~~

Sec. 22. Minnesota Statutes 1990, section 115A.87, is amended to read:

115A.87 [JUDICIAL REVIEW.]

Subd. 4. [PILOT PROJECTS.] By April 15, 1992, manufacturers whose

rechargeable batteries or products powered by ~~nonremovable~~ rechargeable batteries are sold in this state shall implement pilot projects for the collection and proper management of all rechargeable batteries and the participating manufacturers' products powered by nonremovable rechargeable batteries. Manufacturers may act as a group or through a representative organization. The pilot projects must run for a minimum of 18 months and be designed to collect sufficient statewide data for the design and implementation of permanent collection and management programs that may be reasonably expected to collect at least 90 percent of waste rechargeable batteries and the participating manufacturers' products powered by rechargeable batteries that are generated in the state.

By December 1, 1991, the manufacturers or their representative organization shall submit plans for the projects to the legislative commission. At least every six months during the pilot projects the manufacturers shall submit progress reports to the commission. The commission shall review the plans and progress reports.

By November 1, 1993, the manufacturers or their representative organization shall report to the legislative commission the final results of the projects and plans for implementation of permanent programs. The commission shall review the final results and plans.

Sec. 24. Minnesota Statutes 1991 Supplement, section 115A.9157, subdivision 5, is amended to read:

Subd. 5. [COLLECTION AND MANAGEMENT PROGRAMS.] By April 15, 1994, the manufacturers or their representative organization shall implement permanent programs, based on the results of the pilot projects required in subdivision ~~3~~ *4*, that may be reasonably expected to collect 90 percent of the waste rechargeable batteries and the participating manufacturers' products powered by rechargeable batteries that are generated in the state. The batteries and products collected must be recycled or otherwise managed or disposed of properly.

Sec. 25. Minnesota Statutes 1991 Supplement, section 115A.93, subdivision 3, is amended to read:

Subd. 3. [LICENSE REQUIREMENTS; *PRICING BASED ON VOLUME OR WEIGHT.*] (a) A licensing authority shall require ~~that~~ *licensees to impose* charges for collection of mixed municipal solid waste ~~vary~~ *that increase* with the volume or weight of the waste collected.

(b) A licensing authority may impose requirements that are consistent with the county's solid waste policies as a condition of receiving and maintaining a license.

(c) A licensing authority shall prohibit mixed municipal solid waste collectors from imposing a greater charge on residents who recycle than on residents who do not recycle.

Sec. 26. Minnesota Statutes 1990, section 115A.93, is amended by adding a subdivision to read:

Subd. 3a. [VOLUME REQUIREMENT.] *A licensing authority that requires a pricing system based on volume instead of weight under subdivision 3 shall determine a base unit size for an average small quantity household generator and establish, or require the licensee to establish, a multiple unit pricing system that ensures that amounts of waste generated in excess of the base unit amount are priced higher than the base unit price.*

Sec. 27. [115A.9301] [SOLID WASTE COLLECTION; VOLUME- OR WEIGHT-BASED PRICING.]

Subdivision 1. [REQUIREMENT.] *A local government unit that collects charges for solid waste collection directly from waste generators shall implement charges that increase as the volume or weight of the waste collected on-site from each generator's residence or place of business increases.*

Subd. 2. [VOLUME REQUIREMENT.] *If a local government unit implements a pricing system based on volume instead of weight under subdivision 1, it shall determine a base unit size for an average small quantity household generator and establish a multiple unit pricing system that ensures that amounts of waste generated in excess of the base unit amount are priced higher than the base unit price.*

Sec. 28. Minnesota Statutes 1991 Supplement, section 115A.931, is amended to read:

115A.931 [YARD WASTE PROHIBITION.]

(2) in a disposal facility; or

(3) in a resource recovery facility except for the purposes of *reuse*, composting, or co-composting.

(b) Yard waste subject to this subdivision ~~is~~ *includes* garden wastes, leaves, lawn cuttings, weeds, *shrub and tree waste*, and prunings.

Sec. 29. [115A.951] [TELEPHONE DIRECTORIES.]

[DEFINITION.] *For the purposes of this section, a "telephone directory" means a printed list of residential, governmental, or commercial telephone service subscribers or users, or a combination of subscribers or users, that contains more than 7,500 listings and is distributed to the subscribers or users.*

Subd. 2. [PROHIBITION.] *A person may not place a telephone directory:*

(1) in solid waste;

(2) in a disposal facility; or

(3) in a resource recovery facility, except a recycling facility.

Subd. 3. [RECYCLABILITY.] *A person may not distribute a telephone directory to any person in this state unless the telephone directory:*

(1) is printed on paper that is recyclable;

~~(b) The fee schedule must list~~ *of fees charged by the facility for waste management, including* all tipping fees, rates, charges, surcharges, and any other fees charged ~~by~~ *to* each classification of customer.

(b) The agency may suspend the operation of a disposal facility whose permittee fails to file the information required under this subdivision. The owner or operator of a facility may not increase fees until 30 days after the owner or operator has submitted a fee schedule amendment to the ~~agency~~ *commissioner*.

Subd. 3. [~~AGENCY~~ REPORT.] *(a)* The ~~agency~~ *commissioner* shall report to the legislative commission on waste management by July 1 of each *odd-numbered* year on the ~~viability~~ *economic status and outlook* of the state's *solid* waste ~~processing and disposal capability, the status of competitive forces in the market including recycling, composting, waste reduction and incineration,~~ *management sector including:*

(1) an estimate of the extent to which ~~existing fees~~ *prices* for ~~services are sufficient for facility development, engineering,~~ *solid waste management paid by consumers reflect costs related to* environmental and ~~safety factors, the progress of the industry in meeting the state's waste management goals,~~ *public health protection, including a discussion of how prices are publicly and privately subsidized and how identified costs of waste management are not reflected in the prices;*

(2) a discussion of how the market structure for solid waste management influences prices, considering:

(i) changes in the solid waste management market structure;

(ii) the relationship between public and private involvement in the market; and

(iii) the effect on market structures of waste management laws and rules; and

(3) any recommendations for ~~regulations~~ *strengthening or improving the market structure for solid waste management* to ensure protection of human health and the environment, *taking into account the preferred waste management practices listed in section 115A.02 and considering the experiences of other states.*

(b) In preparing the report, the ~~agency~~ *commissioner* shall*:*

(1) consult with the director; the metropolitan council; local government units; solid waste collectors, transporters, and processors; owners and operators of solid waste disposal facilities; and other interested persons;

(2) consider information received under subdivision 2*; and*

(3) analyze information gathered and comments received relating to the most recent solid waste management policy report prepared under section 115A.411.

The commissioner shall also recommend any legislation necessary to ensure adequate and reliable information needed for preparation of the report.

(c) If an action recommended by the commissioner under paragraph (a) would significantly affect the solid waste management market structure, the commissioner shall, in consultation with the entities listed in paragraph (b), clause (1), prepare and include in the report an analysis of the potential impacts and effectiveness of the action, including impacts on:

(1) the public and private waste management sectors;

(2) future innovation and responsiveness to new approaches to solid waste management; and

(3) the costs of waste management.

(d) The report must also include:

(1) statewide and facility by facility estimates of the total potential costs and liabilities associated with solid waste disposal facilities for closure and postclosure care, response costs under chapter 115B, and any other potential costs, liabilities, or financial responsibilities;

(2) statewide and facility by facility requirements for proof of financial responsibility under section 116.07, subdivision 4h; ~~and~~

~~(3) an annual update addressing how each facility is meeting its financial responsibility under section 116.07, subdivision 4h~~*, and how each facility is meeting those requirements.*

Sec. 31. Minnesota Statutes 1991 Supplement, section 116.07, subdivision 4h, is amended to read:

Subd. 4h. [FINANCIAL RESPONSIBILITY RULES.] (a) The agency shall adopt rules requiring the operator or owner of a solid waste disposal facility to submit to the agency proof of the operator's or owner's financial capability to provide reasonable and necessary response during the operating

life of the facility and for 20 years after closure, and to provide for the closure of the facility and postclosure care required under agency rules. Proof of financial responsibility is required of the operator or owner of a facility receiving an original permit or a permit for expansion after adoption of the rules. Within 180 days of the effective date of the rules or by July 1, 1987, whichever is later, proof of financial responsibility is required of an operator or owner of a facility with a remaining capacity of more than five years or 500,000 cubic yards that is in operation at the time the rules are adopted. Compliance with the rules *and the requirements of paragraph (b)* is a condition of obtaining or retaining a permit to operate the facility.

(b) ~~The agency shall amend the rules adopted under paragraph (a) to allow~~ A municipality, as defined in section 475.51, subdivision 2, including a sanitary district, that owns or operates a solid waste disposal facility that was in operation on May 15, 1989, ~~to~~ *may* meet its financial responsibility for all or a portion of the contingency action portion of the reasonable and necessary response costs at the facility ~~through its authority to issue bonds, provided that the method developed in the rules will ensure that when funds are needed for a contingency action, sufficient bonds can and will be issued by the municipality~~ *by pledging its full faith and credit* to meet its responsibility.

~~The rules must include at least~~ *The pledge must be made in accordance with the requirements in chapter 475 for issuing bonds of the municipality, and the following additional requirements*:

(1) ~~a requirement that~~ The governing body of the municipality *shall* enact an ordinance that clearly accepts responsibility for the costs of contingency action at the facility and that reserves, during the operating life of the facility and for 20 years after closure, a portion of the debt limit of the municipality, as established under section 475.53 or other law, that is equal to the total contingency action costs ~~calculated under the rules;~~.

(2) ~~a requirement that~~ The municipality ~~assure~~ *shall require* that all collectors that haul to the facility implement a plan for reducing solid waste by using volume-based pricing, recycling incentives, or other means~~;~~.

(3) ~~a requirement that~~ When a municipality opts ~~under the rules~~ to meet a portion of its financial responsibility by relying on its authority to issue bonds, it shall also begin setting aside ~~funds~~ *in a dedicated long-term care trust fund money* that will cover a portion of the potential contingency action costs at the facility, the amount to be determined by the agency for each facility based on at least the amount of waste deposited in the disposal facility each year, and the likelihood and potential timing of conditions arising at the facility that will necessitate response action~~; and~~. *The agency may not require a municipality to set aside more than five percent of the total cost in a single year.*

(4) ~~a requirement that~~ A municipality *shall* have and consistently maintain an investment grade bond rating as a condition of using bonding authority to meet financial responsibility under this section.

(5) The municipality shall file with the commissioner of revenue its consent to have the amount of its contingency action costs deducted from state aid payments otherwise due the municipality and paid instead to the environmental response, compensation, and compliance account created in section 115B.20, if the municipality fails to conduct the contingency action at the facility when ordered by the agency. If the agency notifies the commissioner

that the municipality has failed to conduct contingency action when ordered by the agency, the commissioner shall deduct the amounts indicated by the agency from the state aids in accordance with the consent filed with the commissioner.

(6) The municipality shall file with the agency written proof that it has complied with the requirements of paragraph (b).

(c) ~~Counties shall comply with existing financial responsibility rules until those rules are amended under paragraph (b), and, after that time, counties shall comply with the amended rules.~~ The method for proving financial responsibility ~~developed~~ under paragraph (b) may not be applied to a new solid waste disposal facility or to expansion of an existing facility, unless the expansion is a vertical expansion. Vertical expansions of qualifying existing facilities cannot be permitted for a duration of longer than three years.

Sec. 32. Minnesota Statutes 1990, section 116.12, subdivision 2, is amended to read:

Subd. 2. [HAZARDOUS WASTE GENERATOR FEE.] *(a)* Each generator of hazardous waste shall pay a fee on the hazardous waste generated by that generator. The agency shall compute the amount of the fee due based on the hazardous waste disclosures submitted by the generators and other information available to the agency. The agency shall annually prepare a statement of the amount of the fee due from each generator. The fee shall be paid annually commencing with the first day of the calendar quarter after the date of the statement.

(b) The agency may exempt generators of small quantities of hazardous wastes otherwise subject to the fee if it finds that the cost of administering a fee on those generators is excessive relative to the proceeds of the fee. The fee shall consist of a minimum fee for each generator not exempted by the agency and an additional fee based on the quantity of wastes generated by the generator.

(c) If any metropolitan counties recover the costs of administering county hazardous waste regulations by charging fees, the fees charged by the agency outside of those counties shall not exceed the fees charged by those counties. The agency shall not charge a fee in any metropolitan county which charges such a fee. The agency shall impose a fee calculated as a surcharge on the fees charged by the metropolitan counties and by the agency to reflect the agency's expenses in carrying out its statewide hazardous waste regulatory responsibilities. The surcharge imposed on the fees charged by the metropolitan counties shall be collected by the metropolitan counties in the manner in which the counties collect their generator fees. Metropolitan counties shall remit the proceeds of the surcharge to the agency by the last day of the month following the month in which they were collected.

(d) The agency may not impose a fee under this subdivision on material that is reused at the facility where the material is generated in a manner that the facility owner or operator can demonstrate does not increase the toxicity of, or the level of hazardous substances or pollutants or contaminants in, products that leave the facility.

Sec. 33. Minnesota Statutes 1991 Supplement, section 116.90, is amended to read:

116.90 [REFUSE DERIVED FUEL.]

(b) *"Agency" means the pollution control agency.*

(c) "Minor modification" means a physical or operational change that does not increase the rated energy production capacity of a solid fuel fired boiler and which does not involve capital costs in excess of 20 percent of a new solid fuel fired boiler having the same rated capacity.

~~(c)~~ *(d)* "Refuse derived fuel" means a product resulting from the processing of mixed municipal solid waste in a manner that reduces the quantity of noncombustible material present in the waste, reduces the size of waste components through shredding or other mechanical means, and produces a fuel suitable for combustion in existing or new solid fuel fired boilers.

~~(d)~~ *(e)* "Solid fuel fired boiler" means a device that is designed to combust solid fuel, including but not limited to: wood, coal, biomass, or lignite to produce steam or heat water.

Subd. 2. [USE OF REFUSE DERIVED FUEL.] (a) Existing or new solid fuel fired boilers may utilize refuse derived fuel in an amount up to 30 percent by weight of the fuel feed stream under the following conditions:

(1) utilization of refuse derived fuel involves no modification or only minor modification to the solid fuel fired boiler;

(2) utilization of refuse derived fuel does not cause a violation of emissions limitations or ambient air quality standards applicable to the solid fuel fired boiler;

(3) the solid fuel fired boiler has a valid permit to operate; ~~and~~

(4) the refuse derived fuel *is manufactured and sold in compliance with permits issued by the agency and:*

(i) is produced by a facility for which a permit was issued by the agency before June 1, 1991; *or*

(ii) is produced by an agency-permitted facility designed as part of a regional waste management system at which facility the waste is mechanically and hand sorted to avoid inclusion of items containing mercury or other heavy metals in the waste that is processed into refuse derived fuel, and the refuse derived fuel producer has contracted with an end user to combust the fuel; and

(5) the owner or operator of the solid fuel fired boiler gives prior written notice to the commissioner of the agency of the amount of refuse derived fuel expected to be used and the date on which the use is expected to begin.

(b) A facility that produces refuse derived fuel that is sold for use in a solid fuel fired boiler may accept waste for processing only from counties that provide for the removal of household hazardous waste from the waste.

(c) The agency may not require, as a condition of using refuse derived fuel under this section, any additional monitoring or testing of a solid fuel fired boiler's air emissions beyond the monitoring or testing required by state or federal law or by the terms of the solid fuel fired boiler's permit issued by the agency.

(b) The manufacturer of a rechargeable battery that is to be sold in this state shall ensure that each rechargeable battery is labeled to clearly identify for the final consumer of the battery the type of electrode and the name of the manufacturer. The manufacturer of a rechargeable battery shall also provide clear instructions for properly recharging the battery.

Sec. 36. [325E.39] [SALE OF PETROLEUM-BASED SWEEPING COMPOUND PRODUCTS PROHIBITED.]

It shall be the duty of the county auditor, upon order of the county board, to extend the assessments, with interest not to exceed the interest rate provided for in section 279.03, subdivision 1, upon the tax rolls of the county for the taxes of the year in which the assessment is filed. For each year ending October 15 the assessment with interest shall be carried into the tax becoming due and payable in January of the following year, and shall be enforced and collected in the

manner provided for the enforcement and collection of real property taxes in accordance with the provisions of the laws of the state. The charges, if not paid, shall become delinquent and be subject to the same penalties and the same rate of interest as the taxes under the general laws of the state.

(c) In addition to any other manner of collection that may be established under paragraph (a), a county may:

Grants and loans for planning may not exceed 50 percent of the planning costs. Grants and loans for acquisition of land and equipment and for capital improvements may not exceed 50 percent of the cost of the project. Grants and loans may be

made for public education on the need for the resource recovery projects. A grant or loan for land, equipment, or capital improvements may not be made until the metropolitan council has determined the total estimated capital cost of the project and ascertained that full financing of the project is assured. Grants and loans made to cities, counties, or solid waste management districts must be for projects that are in conformance with approved master plans. A grant or loan to a city or town must be reviewed and approved by the county for conformance with the county master plan. *The council shall require, where practical, cooperative purchase between cities, counties, and districts of capital equipment.*

more than 10,000 and less than 12,000 that, before the effective date of this section, has begun the process of organizing solid waste collection under Minnesota Statutes, section 115A.94, and that is a party to an exclusive contract for collection of solid waste that will expire before the new organized collection system will be effective, may:

(1) negotiate an extension of the existing exclusive contract to the date the new organized collection system will be effective;

(2) negotiate one or more separate waste collection contracts for the period between the expiration of the existing exclusive contract and the date the new organized collection system will be effective; or

(3) otherwise negotiate, with or without competitive bids, an interim waste collection system that may not be extended beyond the date the new organized collection system will be effective.

(b) This section does not affect the applicability of Minnesota Statutes, section 115A.94, to the city's new organized collection system.

Sec. 46. [AUTOMOBILE WASTE; STUDY AND RECOMMENDATIONS.]

The legislative commission on waste management, in consultation with the commissioner of the pollution control agency, the director of the office of waste management, and other interested persons, shall study the existing system for managing automobile-related wastes other than air emissions and, if necessary, recommend appropriate legislation for consideration during the 1993 legislative session to ensure that materials from automobiles that cause damage if released into the environment are properly removed and managed during maintenance and prior to recycling or disposal of the automobiles and to ensure that waste automobile hulks are properly recycled or disposed.

Sec. 47. [CONSTRUCTION DEBRIS AND NONHAZARDOUS INDUSTRIAL WASTE; STUDY AND RECOMMENDATIONS.]

The commissioner of the pollution control agency shall gather information about construction debris and nonhazardous industrial waste, including composition, possibilities for source reduction, recyclability and recycling rates, processibility and processing rates, and existing disposal system. The commissioner shall summarize the information and present the summary to the legislative commission on waste management by August 15, 1993, including, if the commissioner determines that legislation is necessary to adequately regulate generation and management of construction debris or nonhazardous industrial waste, recommendations for appropriate legislation.

Sec. 48. [USED MOTOR OIL; STUDY AND RECOMMENDATIONS.]

The commissioner of the pollution control agency, in consultation with the director of the office of waste management, shall identify locations for the retail sale of motor oil and locations for the deposit and collection of used motor oil across the state to determine the extent of compliance with Minnesota Statutes, section 325E.11, and to determine whether used oil is being properly managed. By August 15, 1993, the commissioner shall report to the legislative commission on waste management on compliance with the law, the general management system for used motor oil, and any appropriate recommendations for legislation to ensure that used motor oil is properly managed and that persons who generate used motor oil have reasonably

convenient opportunities for discarding the used oil.

Sec. 49. [ASSESSMENT OF REGIONAL WASTE MANAGEMENT NEEDS.]

By July 15, 1993, the director of the office of waste management, in consultation with, and after approval of metropolitan area information by, the chair of the metropolitan council, shall submit to the legislative commission on waste management a preliminary assessment of the need for additional regional solid waste management capacity in the state, including the metropolitan area. The preliminary assessment must be based on a review of existing county solid waste management plans, the current metropolitan solid waste management policy plan, and the current metropolitan counties' solid waste management master plans. The preliminary assessment of need for additional capacity must identify likely regions of the state, based on the current patterns for the flow and management of waste, within which the needs for capacity can be most efficiently and economically met. The assessment must be made in light of existing facilities and the waste management priorities and policies stated in Minnesota Statutes, section 115A.02, with strong emphasis given to the potential for significant improvements in waste reduction and recycling. The assessment must include estimates of the capital costs necessary to ensure sufficient solid waste management capacity for a period of at least 20 years, the extent to which fees and other existing financing methods can cover those costs, the extent to which those costs will need to be publicly subsidized, and the extent to which private investment is likely to occur in building and operating new capacity statewide.

Sec. 50. [DEGRADABLE LOOSE PACKING MATERIAL; STUDY.]

The director of the office of waste management, in consultation with the commissioner of agriculture, shall evaluate the relative economic, recycling, and waste management advantages and disadvantages of loose packing material manufactured from vegetable starches and loose packing material manufactured from petroleum products. The director shall report the findings of the evaluation, along with any legislative recommendations the director deems necessary, to the legislative commission on waste management by January 1, 1993.

Sec. 51. [ASSESSMENT OF LAND DISPOSAL FACILITIES.]

(a) For the purposes of this section, "facility" means a permitted mixed municipal solid waste disposal facility, as defined in Minnesota Statutes, section 115A.03.

(b) By October 9, 1994, the commissioner of the pollution control agency shall inspect all facilities and portions of facilities that have stopped accepting waste by October 9, 1993, to determine the status of closure activities and to evaluate the environmental and public health threats posed by the facility. The commissioner may undertake activities necessary to:

(1) evaluate the adequacy of final cover, slopes, vegetation, and erosion control;

(2) determine the presence and concentration of hazardous substances, pollutants or contaminants, and decomposition gases; and

(3) determine the boundaries of the fill areas.

(c) The commissioner of the pollution control agency shall identify actions

that are necessary to achieve compliance with the following closure requirements at facilities inspected under paragraph (b):

(1) for a facility or portion of a facility that stopped accepting waste before November 15, 1988, the closure requirements in rules of the pollution control agency in effect on the effective date of this section; and

(2) for a facility or portion of a facility that stopped accepting waste after November 15, 1988, the closure requirements in the facility's permit and the rules of the pollution control agency in effect on the effective date of this section.

Actions identified by the commissioner under this paragraph may include moving or consolidating waste from facilities.

(d) The commissioner of the pollution control agency shall establish a proposed priority list of the evaluated facilities based on the relative risk or danger to public health or welfare or the environment, taking into consideration to the extent possible the population at risk, the hazardous potential of substances at the facility, the potential for contamination of drinking water supplies, the potential for direct human contact, the potential for destruction of sensitive ecosystems, and other appropriate factors.

Sec. 52. [COUNTY RECYCLING; REPORT; 1991.]

For the reports due on August 1, 1992, under Minnesota Statutes, section 115A.557, subdivision 3, counties shall report recycling rates and information for calendar year 1991 rather than for the previous fiscal year.

Sec. 53. [EFFECTIVE DATE OF SECTION 325E.125.]

That the Senate recede from its amendments and that H.F. No. 2181 be further amended as follows:

Delete everything after the enacting clause and insert:

"Section 1. Minnesota Statutes 1991 Supplement, section 13.03, subdivision 3, is amended to read:

Subd. 3. [REQUEST FOR ACCESS TO DATA.] Upon request to a responsible authority or designee, a person shall be permitted to inspect and copy public government data at reasonable times and places, and, upon request, shall be informed of the data's meaning. If a person requests access for the purpose of inspection, the responsible authority may not assess a charge or require the requesting person to pay a fee to inspect data. The responsible authority or designee shall provide copies of public data upon request. If a person requests copies or electronic transmittal of the data to the person, the responsible authority may require the requesting person to pay the actual costs of searching for and retrieving government data, including the cost of employee time, and for making, certifying, compiling, and electronically transmitting the copies of the data or the data, but may not charge for separating public from not public data. ~~If the responsible authority is a state agency, the amount received is appropriated to the agency and added to the appropriations from which the costs were paid.~~ If the responsible authority or designee is not able to provide copies at the time a request is made, copies shall be supplied as soon as reasonably possible.

When a request under this subdivision involves any person's receipt of copies of public government data that has commercial value and is a substantial and discrete portion of or an entire formula, pattern, compilation, program, device, method, technique, process, data base, or system developed with a significant expenditure of public funds by the agency, the responsible authority may charge a reasonable fee for the information in addition to the costs of making, certifying, and compiling the copies. Any fee charged must be clearly demonstrated by the agency to relate to the actual development costs of the information. The responsible authority, upon the request of any person, shall provide sufficient documentation to explain and justify the fee being charged.

If the responsible authority or designee determines that the requested data is classified so as to deny the requesting person access, the responsible authority or designee shall inform the requesting person of the determination either orally at the time of the request, or in writing as soon after that time as possible, and shall cite the specific statutory section, temporary classification, or specific provision of federal law on which the determination is based. Upon the request of any person denied access to data, the responsible authority or designee shall certify in writing that the request has been

denied and cite the specific statutory section, temporary classification, or specific provision of federal law upon which the denial was based.

Sec. 2. Minnesota Statutes 1990, section 13.03, is amended by adding a subdivision to read:

Subd. 10. [COSTS FOR PROVIDING COPIES OF DATA.] *Money collected by a responsible authority in a state agency for the actual cost to the agency of providing copies or electronic transmittal of government data is appropriated to the agency and added to the appropriations from which the costs were paid.*

(d) Private data may be used by and disseminated to any person or agency if the individual subject or subjects of the data have given their informed consent. Whether a data subject has given informed consent shall be determined by rules of the commissioner. Informed consent shall not be deemed to have been given by an individual subject of the data by the signing of any statement authorizing any person or agency to disclose information about the individual to an insurer or its authorized representative, unless the statement is:

(1) in plain language;

(2) dated;

(3) specific in designating the particular persons or agencies the data subject is authorizing to disclose information about the data subject;

Section 1. Minnesota Statutes 1990, section 241.67, subdivision 3, is amended to read:

Subd. 3. [PROGRAMS FOR ADULT OFFENDERS COMMITTED TO THE COMMISSIONER.] (a) The commissioner shall provide for a range of sex offender ~~treatment~~ programs, including intensive sex offender ~~treatment~~ *programs*, within the state adult correctional facility system. Participation in any ~~treatment~~ program is ~~voluntary and is~~ subject to the rules and regulations of the department of corrections. Nothing in this section requires the commissioner to accept or retain an offender in a ~~treatment~~ program *if the offender is determined by prison professionals as unamenable to programming within the prison system or if the offender refuses or fails to comply with the program's requirements*. Nothing in this section creates a right of an offender to treatment.

(b) The commissioner shall provide for residential and outpatient sex offender ~~treatment~~ *programming* and aftercare when required for conditional release under section 609.1352 or as a condition of supervised release.

Sec. 2. Minnesota Statutes 1990, section 241.67, subdivision 6, is amended to read:

Subd. 6. [SPECIALIZED CORRECTIONS AGENTS AND PROBATION OFFICERS; SEX OFFENDER SUPERVISION.] ~~By January 1, 1990.~~ The commissioner of corrections shall develop in-service training for state and local corrections agents and probation officers who supervise adult and juvenile sex offenders on probation or supervised release. The commissioner shall make the training available to all current and future corrections agents and probation officers who supervise or will supervise sex offenders on probation or supervised release.

~~After January 1, 1991,~~ A state or local corrections agent or probation officer may not supervise adult or juvenile sex offenders on probation or supervised release unless the agent or officer has completed the in-service sex offender supervision training. The commissioner may waive this requirement if the corrections agent or probation officer has completed equivalent training as part of a post-secondary educational curriculum.

~~After January 1, 1991,~~ When an adult sex offender is placed on supervised release or is sentenced to probationary supervision, and when a juvenile offender is found delinquent by the juvenile court for a sex offense and placed on probation or is paroled from a juvenile correctional facility, a corrections agent or probation officer may not be assigned to the offender unless the agent or officer has completed the in-service sex offender supervision training.

For an inmate whose crime was committed on or after August 1, 1992, if the inmate's scheduled release date occurs*

(2) revoke the inmate's supervised release and reimprison the inmate for the appropriate period of time.

The period of time for which a supervised release may be revoked may not exceed the period of time remaining in the inmate's sentence, except that ~~for~~ *if* a sex offender *is* sentenced and conditionally released under section 609.1352, subdivision 5, the period of time for which conditional release may be revoked may not exceed the balance of the ~~original sentence imposed less good time earned under section 244.04, subdivision 1~~ *conditional release term*.

Sec. 5. Minnesota Statutes 1990, section 244.05, subdivision 4, is amended to read:

Subd. 4. [MINIMUM IMPRISONMENT, LIFE SENTENCE.] An inmate serving a mandatory life sentence under section 609.184 must not be given supervised release under this section. An inmate serving a mandatory life sentence ~~for conviction of murder in the first degree~~ under section 609.185, *clause (1), (3), (4), (5), or (6); or 609.346, subdivision 2a,* must not be given supervised release under this section without having served a minimum term of 30 years. An inmate serving a mandatory life sentence under section 609.385 must not be given supervised release under this section without having served a minimum term of imprisonment of 17 years.

Sec. 6. Minnesota Statutes 1990, section 244.05, subdivision 5, is amended to read:

Subd. 5. Sec. 7. Minnesota Statutes 1991 Supplement, section 244.05, subdivision 6, is amended to read:

Subd. 6. [INTENSIVE SUPERVISED RELEASE.] The commissioner may order that an inmate be placed on intensive supervised release for all or part of the inmate's supervised release or parole term if the commissioner determines that the action will further the goals described in section 244.14, subdivision 1, clauses (2), (3), and (4). *In addition, the commissioner may order that an inmate be placed on intensive supervised release for all of the inmate's conditional or supervised release term if the inmate was convicted of a sex offense under sections 609.342 to 609.345 or was sentenced under the provisions of section 609.1352.* The commissioner may impose

appropriate conditions of release on the inmate including but not limited to unannounced searches of the inmate's person, vehicle, or premises by an intensive supervision agent; compliance with court-ordered restitution, if any; random drug testing; house arrest; daily curfews; frequent face-to-face contacts with an assigned intensive supervision agent; work, education, or treatment requirements; and electronic surveillance. *In addition, any sex offender placed on intensive supervised release may be ordered to participate in an appropriate sex offender program as a condition of release.* If the inmate violates the conditions of the intensive supervised release, the commissioner shall impose sanctions as provided in subdivision 3 *and section 609.1352*.

(2) offenders who were committed to the commissioner's custody following a conviction for murder, manslaughter, criminal sexual conduct ~~in the first or second degree~~, or criminal vehicular homicide or operation resulting in death; and

(3) offenders whose presence in the community would present a danger to public safety.

Sec. 9. Minnesota Statutes 1990, section 260.185, subdivision 1, is amended to read:

Subdivision 1. If the court finds that the child is delinquent, it shall enter an order making any of the following dispositions of the case which are deemed necessary to the rehabilitation of the child:

(a) Counsel the child or the parents, guardian, or custodian;

(b) Place the child under the supervision of a probation officer or other suitable person in the child's own home under conditions prescribed by the court including reasonable rules for the child's conduct and the conduct of the child's parents, guardian, or custodian, designed for the physical, mental, and moral well-being and behavior of the child, or with the consent of the commissioner of corrections, in a group foster care facility which is under the management and supervision of said commissioner;

(c) Subject to the supervision of the court, transfer legal custody of the child to one of the following:

(1) a child placing agency; or

(2) the county welfare board; or

(3) a reputable individual of good moral character. No person may receive custody of two or more unrelated children unless licensed as a residential facility pursuant to sections 245A.01 to 245A.16; or

(4) a county home school, if the county maintains a home school or enters into an agreement with a county home school; or

(f) Require the child to pay a fine of up to $700; the court shall order payment of the fine in accordance with a time payment schedule which shall not impose an undue financial hardship on the child;

(g) If the child is in need of special treatment and care for reasons of physical or mental health, the court may order the child's parent, guardian, or custodian to provide it. If the parent, guardian, or custodian fails to provide this treatment or care, the court may order it provided;

(h) If the court believes that it is in the best interests of the child and of public safety that the driver's license of the child be canceled until the child's 18th birthday, the court may recommend to the commissioner of public safety the cancellation of the child's license for any period up to the child's 18th birthday, and the commissioner is hereby authorized to cancel such license without a hearing. At any time before the termination of the period of cancellation, the court may, for good cause, recommend to the commissioner of public safety that the child be authorized to apply for a new license, and the commissioner may so authorize.

If the child is petitioned and found by the court to have committed or attempted to commit an act in violation of section 609.342~~,~~; 609.343~~,~~; 609.344~~,~~ ~~or~~; 609.345~~,~~; *609.3451; 609.746, subdivision 1; 609.79; or 617.23, or another offense arising out of a delinquency petition based on one or more of those sections,* the court shall order an independent professional assessment of the child's need for sex offender treatment. An assessor providing an assessment for the court may not have any direct or shared financial interest or referral relationship resulting in shared financial gain with a treatment provider. If the assessment indicates that the child is in need of and amenable to sex offender treatment, the court shall include in its disposition order a requirement that the child undergo treatment. *Notwithstanding section 13.42, 13.85, 144.335, 260.161, or 626.556, the assessor has access to the following private or confidential data on the child if access is relevant and necessary for the assessment:*

(2) corrections and detention data under section 13.85;

(3) health records under section 144.335;

(4) juvenile court records under section 260.161; and

(5) local welfare agency records under section 626.556.

Data disclosed under this paragraph may be used only for purposes of the assessment and may not be further disclosed to any other person, except as authorized by law.

If the child is found delinquent due to the commission of an offense that would be a felony if committed by an adult, the court shall make a specific finding on the record regarding the juvenile's mental health and chemical

dependency treatment needs.

Any order for a disposition authorized under this section shall contain written findings of fact to support the disposition ordered, and shall also set forth in writing the following information:

(a) why the best interests of the child are served by the disposition ordered; and

(b) what alternative dispositions were considered by the court and why such dispositions were not appropriate in the instant case.

Sec. 10. Minnesota Statutes 1991 Supplement, section 609.135, subdivision 2, is amended to read:

Subd. 2. (a) If the conviction is for a felony the stay shall be for not more than three years or the maximum period for which the sentence of imprisonment might have been imposed, whichever is longer.

(c) If the conviction is for any misdemeanor under section 169.121; *609.746, subdivision 1; 609.79; or 617.23;* or for a misdemeanor under section 609.224, subdivision 1, in which the victim of the crime was a family or household member as defined in section 518B.01, the stay shall be for not more than two years. The court shall provide for unsupervised probation for the second year of the stay unless the court finds that the defendant needs supervised probation for all or part of the second year.

(d) If the conviction is for a misdemeanor not specified in paragraph (c), the stay shall be for not more than one year.

(e) The defendant shall be discharged when the stay expires, unless the stay has been revoked or extended under paragraph (f), or the defendant has already been discharged.

(f) Notwithstanding the maximum periods specified for stays of sentences under paragraphs (a) to (e), a court may extend a defendant's term of probation for up to one year if it finds, at a hearing conducted under subdivision 1a, that:

(1) the defendant has not paid court-ordered restitution in accordance with the payment schedule or structure; and

(2) the defendant is likely to not pay the restitution the defendant owes before the term of probation expires.

This one-year extension of probation for failure to pay restitution may be extended by the court for up to one additional year if the court finds, at another hearing conducted under subdivision 1a, that the defendant still has not paid the court-ordered restitution that the defendant owes.

Sec. 11. Minnesota Statutes 1990, section 609.1352, subdivision 1, is amended to read:

Subdivision 1. [SENTENCING AUTHORITY.] A court ~~may~~ *shall* sentence a person to a term of imprisonment of not less than double the presumptive sentence under the sentencing guidelines and not more than the statutory maximum, or if the statutory maximum is less than double the presumptive sentence, to a term of imprisonment equal to the statutory

maximum, if:

(1) the court is imposing an executed sentence, based on a sentencing guidelines presumptive imprisonment sentence or a dispositional departure for aggravating circumstances or a mandatory minimum sentence, on a person convicted of committing or attempting to commit a violation of section 609.342, 609.343, 609.344, or 609.345, or on a person convicted of committing or attempting to commit any other crime listed in subdivision 2 if it reasonably appears to the court that the crime was motivated by the offender's sexual impulses or was part of a predatory pattern of behavior that had criminal sexual conduct as its goal;

(2) the court finds that the offender is a danger to public safety; and

(3) the court finds that the offender needs long-term treatment or supervision beyond the presumptive term of imprisonment and supervised release. The finding must be based on a professional assessment by an examiner experienced in evaluating sex offenders that concludes that the offender is a patterned sex offender. The assessment must contain the facts upon which the conclusion is based, with reference to the offense history of the offender or the severity of the current offense, the social history of the offender, and the results of an examination of the offender's mental status *unless the offender refuses to be examined*. The conclusion may not be based on testing alone. A patterned sex offender is one whose criminal sexual behavior is so engrained that the risk of reoffending is great without intensive psychotherapeutic intervention or other long-term controls.

Sec. 12. Minnesota Statutes 1990, section 609.1352, subdivision 5, is amended to read:

Subd. 5. [CONDITIONAL RELEASE.] At the time of sentencing under subdivision 1, the court ~~may~~ *shall* provide that after the offender has completed ~~one-half of~~ the ~~full pronounced~~ sentence imposed, ~~without regard to~~ *less any* good time *earned by an offender whose crime was committed before August 1, 1993*, the commissioner of corrections ~~may~~ *shall* place the offender on conditional release for the remainder of the statutory maximum period or for ten years, whichever is longer~~, if the commissioner finds that:~~

~~(1) the offender is amenable to treatment and has made sufficient progress in a sex offender treatment program available in prison to be released to a sex offender treatment program operated by the department of human services or a community sex offender treatment and reentry program; and~~

~~(2) the offender has been accepted in a program approved by the commissioner that provides treatment, aftercare, and phased reentry into the community~~.

The conditions of release ~~must~~ *may* include successful completion of treatment and aftercare in a program approved by the commissioner, *satisfaction of the release conditions specified in section 244.05, subdivision 6*, and any other conditions the commissioner considers appropriate. Before the offender is released, the commissioner shall notify the sentencing court, the prosecutor in the jurisdiction where the offender was sentenced and the victim of the offender's crime, where available, of the terms of the offender's conditional release. ~~Release may be revoked and the stayed sentence executed in its entirety less good time~~ If the offender fails to meet any condition of release, *the commissioner may revoke the offender's conditional release and order that the offender serve the remaining portion of the conditional release*

term in prison. The commissioner shall not dismiss the offender from supervision before the ~~sentence~~ *conditional release term* expires.

Conditional release granted under this subdivision is governed by provisions relating to supervised release, except as otherwise provided in this subdivision, section 244.04, subdivision 1, or 244.05.

Sec. 13. Minnesota Statutes 1990, section 609.184, subdivision 2, is amended to read:

Subd. 2. [LIFE WITHOUT RELEASE.] The court shall sentence a person to life imprisonment without possibility of release ~~when~~ *under the following circumstances:*

(1) the person is convicted of first degree murder under section 609.185, *clause (2); or*

(2) the person is convicted of first degree murder under section 609.185, clause (1), (3), (4), (5), or (6), and the *court determines on the record at the time of sentencing that the* person has one or more previous convictions for a heinous crime.

244.03 [~~VOLUNTARY~~ *REHABILITATIVE* PROGRAMS.]

The commissioner shall provide appropriate mental health programs and vocational and educational programs with employment-related goals for inmates who desire to voluntarily participate in such programs *and for inmates who are required to participate in the programs under the disciplinary offense rules adopted by the commissioner under section 244.05, subdivision 1a.* The selection, design and implementation of programs under this section shall be the sole responsibility of the commissioner, acting within the limitations imposed by the funds appropriated for such programs.

No action challenging the level of expenditures for programs authorized under this section, nor any action challenging the selection, design or implementation of these programs, may be maintained by an inmate in any court in this state.

Sec. 3. Minnesota Statutes 1990, section 244.04, subdivision 1, is amended to read:

Subdivision 1. [REDUCTION OF SENTENCE.] Notwithstanding the provisions of section 609.11, subdivision 6, and section 609.346, subdivision 1, the term of imprisonment of any inmate sentenced to a presumptive fixed sentence after May 1, 1980, *and whose crime was committed before*

August 1, 1993, shall be reduced in duration by one day for each two days during which the inmate violates none of the disciplinary offense rules promulgated by the commissioner. The reduction shall accrue to the period of supervised release to be served by the inmate, except that the period of supervised release for a sex offender sentenced and conditionally released by the commissioner under section 609.1352, subdivision 5, is governed by that provision.

Except as otherwise provided in subdivision 2, if an inmate *whose crime was committed before August 1, 1993*, violates a disciplinary offense rule promulgated by the commissioner, good time earned prior to the violation may not be taken away, but the inmate may be required to serve an appropriate portion of the term of imprisonment after the violation without earning good time.

Sec. 4. Minnesota Statutes 1990, section 244.04, subdivision 3, is amended to read:

Subd. 3. The provisions of this section do not apply to an inmate serving a mandatory life sentence *or to persons whose crimes were committed on or after August 1, 1993*.

Subdivision 1. [SUPERVISED RELEASE REQUIRED.] Except as provided in subdivisions *1a*, 4, and 5, every inmate shall serve a supervised release term upon completion of the inmate's term of imprisonment as reduced by any good time earned by the inmate or extended by confinement in punitive segregation pursuant to section 244.04, subdivision 2. Except for a sex offender conditionally released under section 609.1352, subdivision 5, the supervised release term shall be equal to the period of good time the inmate has earned, and shall not exceed the length of time remaining in the inmate's sentence.

Sec. 6. Minnesota Statutes 1990, section 244.05, is amended by adding a subdivision to read:

Subd. 1a. [SUPERVISED RELEASE; OFFENDERS WHO COMMIT CRIMES ON OR AFTER AUGUST 1, 1993.] *(a) Except as provided in subdivisions 4 and 5, every inmate sentenced to prison for a felony offense committed on or after August 1, 1993, shall serve a supervised release term upon completion of the term of imprisonment pronounced by the sentencing court under section 7 and any disciplinary confinement period imposed by the commissioner due to the inmate's violation of any disciplinary offense rule adopted by the commissioner under paragraph (b). The supervised release term shall be equal in length to the amount of time remaining in the inmate's imposed sentence after the inmate has served the pronounced term of imprisonment and any disciplinary confinement period imposed by the commissioner.*

(b) By August 1, 1993, the commissioner shall modify the commissioner's existing disciplinary rules to specify disciplinary offenses which may result in imposition of a disciplinary confinement period and the length of the disciplinary confinement period for each disciplinary offense. These disciplinary offense rules may cover violation of institution rules, refusal to work, refusal to participate in treatment or other rehabilitative programs, and other matters determined by the commissioner. No inmate who violates a disciplinary rule shall be placed on supervised release until the inmate has

served the disciplinary confinement period or until the inmate is discharged or released from punitive segregation confinement, whichever is later. The imposition of a disciplinary confinement period shall be considered to be a disciplinary sanction imposed upon an inmate, and the procedure for imposing the disciplinary confinement period and the rights of the inmate in the procedure shall be those in effect for the imposition of other disciplinary sanctions at each state correctional institution.

Sec. 7. [244.101] [SENTENCING OF FELONY OFFENDERS WHO COMMIT OFFENSES ON AND AFTER AUGUST 1, 1993.]

Subdivision 1. The lengths of the term of imprisonment and the supervised release term actually served by an inmate are subject to the provisions of section 244.05, subdivision 1a.*

Subd. 2. [EXPLANATION OF SENTENCE.] *When a court pronounces sentence under this section, it shall specify the amount of time the defendant will serve in prison and the amount of time the defendant will serve on supervised release, assuming the defendant commits no disciplinary offense in prison that may result in the imposition of a disciplinary confinement period. The court shall also explain that the defendant's term of imprisonment may be extended by the commissioner if the defendant commits any disciplinary offenses in prison and that this extension could result in the defendant's serving the entire pronounced sentence in prison. The court's explanation shall be included in the sentencing order.*

Subd. 3. [NO RIGHT TO SUPERVISED RELEASE.] *Notwithstanding the court's specification of the potential length of a defendant's supervised release term in the sentencing order, the court's order creates no right of a defendant to any specific, minimum length of a supervised release term.*

Subd. 4. [APPLICATION OF STATUTORY MANDATORY MINIMUM SENTENCES.] *If the defendant is convicted of any offense for which a statute imposes a mandatory minimum sentence or term of imprisonment, the statutory mandatory minimum sentence or term governs the length of the entire sentence pronounced by the court under this section.*

Sec. 8. Minnesota Statutes 1990, section 609.15, subdivision 2, is amended to read:

Subd. 2. [LIMIT ON TERMS; MISDEMEANOR AND GROSS MISDEMEANOR.] If the court specifies that the sentence shall run consecutively~~, the total of the terms of imprisonment imposed, other than a term of imprisonment for life, shall not exceed 40 years. Sec. 9. Minnesota Statutes 1990, section 609.152, subdivision 2, is amended to read:

Subd. 2. [INCREASED SENTENCES; DANGEROUS OFFENDERS.] Whenever a person is convicted of a violent crime, and the judge is imposing

an executed sentence based on a sentencing guidelines presumptive imprisonment sentence, the judge may impose an aggravated durational departure from the presumptive imprisonment sentence up to the statutory maximum sentence if the offender was at least 18 years old at the time the felony was committed, and:

(1) *the court determines on the record at the time of sentencing that* the offender has two or more prior convictions for violent crimes; and

(2) the court finds that the offender is a danger to public safety and specifies on the record the basis for the finding, which may include:

(i) the offender's past criminal behavior, such as the offender's high frequency rate of criminal activity or juvenile adjudications, or long involvement in criminal activity including juvenile adjudications; or

(ii) the fact that the present offense of conviction involved an aggravating factor that would justify a durational departure under the sentencing guidelines.

Sec. 10. Minnesota Statutes 1990, section 609.152, subdivision 3, is amended to read:

Subd. 3. [INCREASED SENTENCES; CAREER OFFENDERS.] Whenever a person is convicted of a felony, and the judge is imposing an executed sentence based on a sentencing guidelines presumptive imprisonment sentence, the judge may impose an aggravated durational departure from the presumptive sentence up to the statutory maximum sentence if the judge finds and specifies on the record that the offender has more than four prior felony convictions and that the present offense is a felony that was committed as part of a pattern of criminal conduct ~~from which a substantial portion of the offender's income was derived~~.

Sec. 11. [TASK FORCE ON NEW FELONY SENTENCING SYSTEM.]

(2) determine whether any legislative changes to the provisions are needed to permit their effective implementation.

Subd. 3. [REPORT.] *The task force shall report the results of its study to the legislature by February 15, 1993. The report shall include the task*

force's recommendations, if any, for changing the law or the sentencing guidelines in order to effectively implement the new felony sentencing system.

Sec. 12. [SENTENCING GUIDELINES COMMISSION; STUDY.]

The sentencing guidelines commission shall study the following issues and report its findings and conclusions to the chairs of the house and senate judiciary committees by February 1, 1993:

(1) whether the crime of first degree criminal sexual conduct should be ranked, in whole or in part, in the next higher severity level of the sentencing guidelines grid;

(2) whether the current presumptive sentence for the crime of second degree intentional murder is adequately proportional to the mandatory life imprisonment penalty provided for first degree murder; and

(3) whether the sentencing guidelines should provide a presumption in favor of consecutive sentences for persons who are convicted of multiple crimes against a person in separate behavioral incidents.

Sec. 13. [SENTENCING GUIDELINES MODIFICATION.]

The sentencing guidelines commission shall modify the sentencing guidelines to provide that if an inmate of a state correctional facility is convicted of committing a felony at the facility, it is presumed that the sentence imposed for the current felony will run consecutively to the sentence for which the inmate was confined when the felony was committed. The commission shall also modify the sentencing guidelines to provide that the judge may depart from this presumption and impose a concurrent sentence based on evidence that the defendant has provided substantial and material assistance in the detection or prosecution of crime.

Sec. 14. [EFFECTIVE DATE.]

Sections 1 to 7 are effective August 1, 1993, and apply to crimes committed on or after that date. Sections 8 to 10 are effective August 1, 1992, and apply to crimes committed on or after that date.

Upon request of the county attorney, the attorney general shall appear in court in such criminal cases as the attorney general deems proper. *Upon request of a county attorney, the attorney general may assume the duties of the county attorney in psychopathic personality commitment proceedings under section 526.10.* Whenever the governor shall so request, in writing, the attorney general shall prosecute any person charged with an indictable offense, and in all such cases may attend upon the grand jury and exercise the powers of a county attorney.

An amount equal to the general fund receipts in the even-numbered year of the biennium is appropriated to the attorney general for each year of the succeeding biennium. The hearing shall be held within *the earlier of* 14 days of the court's receipt of the written treatment report, if one is filed, or within 90 days of the date of initial commitment *or admission*, ~~whichever is earlier,~~ unless otherwise agreed by the parties. If the court finds that the patient qualifies for commitment as mentally ill, but not as mentally ill and dangerous to the public, the court may commit the person as a mentally ill person and the person shall be deemed not to have been found to be dangerous to the public for the purposes of subdivisions 4 to 15. Failure of the treatment facility to

Sec. 5. Minnesota Statutes 1990, section 526.10, is amended to read:

526.10 [LAWS RELATING TO MENTALLY ILL PERSONS DANGEROUS TO THE PUBLIC TO APPLY TO PSYCHOPATHIC PERSONALITIES; TRANSFER *OR COMMITMENT* TO CORRECTIONS.]

Before such proceedings are instituted, the facts shall first be submitted to the county attorney, who, if satisfied that good cause exists therefor, shall prepare the petition to be executed by a person having knowledge of the facts and file the same with the judge of the probate court of the county in which the "patient," as defined in such statutes, has a settlement or is present. *If the patient is in the custody of the commissioner of corrections, the petition may be filed in the county where the conviction for which the person is incarcerated was entered.* The judge of probate shall thereupon follow the same procedures set forth in chapter 253B, for judicial commitment. The judge may exclude the general public from attendance at such hearing. If, upon completion of the hearing and consideration of the record, the court finds the proposed patient has a psychopathic personality, the court shall commit such person to a public hospital or a private hospital consenting to receive the person, subject to a mandatory review by the head of the hospital within 60 days from the date of the order as provided for in chapter 253B for persons found to be mentally ill and dangerous to the public. The patient shall thereupon be entitled to all of the rights provided for in chapter 253B, for persons found to be mentally ill and dangerous to the public, and all of the procedures provided for in chapter 253B, for persons found to be mentally ill and dangerous to the public shall apply to such patient except as otherwise provided in subdivision 2.

(2) the person's unwillingness or failure to follow treatment recommendations;

(3) the person's lack of progress in treatment at the public or private hospital;

(4) the danger posed by the person to other patients or staff at the public or private hospital; and

Sec. 6. [526.115] [STATEWIDE JUDICIAL PANEL; PSYCHOPATHIC PERSONALITY COMMITMENTS.]

Subdivision 1. [CREATION.] *The supreme court may establish a panel of district judges with statewide authority to preside over commitment proceedings brought under section 526.10. Only one judge of the panel is required to preside over a particular commitment proceeding. Panel members shall serve for one-year terms. One of the judges shall be designated as the chief judge of the panel, and is vested with the power to designate the presiding judge in a particular case, to set the proper venue for the proceedings, and to otherwise supervise and direct the operation of the panel. The chief judge shall designate one of the other judges to act as chief judge whenever the chief judge is unable to act.*

Subd. 2. [EFFECT OF CREATION OF PANEL.] *If the supreme court creates the judicial panel authorized by this section, all petitions for civil commitment brought under section 526.10 shall be filed with the supreme court instead of with the probate court in the county where the proposed patient is present, notwithstanding any provision of section 526.10 to the contrary. Otherwise, all of the other applicable procedures contained in section 526.10 and chapter 253B apply to commitment proceedings conducted by a judge on the panel.*

If the court determines that a petition may be appropriate, the court shall forward its preliminary determination along with supporting documentation to the county attorney. ~~If the person is subsequently committed under section 526.10, the person shall serve the sentence in a facility designated by the commissioner of corrections. After the person has served the sentence the person shall be transferred to a facility designated by the commissioner of human services.~~

Sec. 2. Minnesota Statutes 1990, section 260.155, is amended by adding a subdivision to read:

Subd. 1b. [RIGHT OF ALLEGED VICTIM TO PRESENCE OF SUPPORTIVE PERSON.] *Notwithstanding any provision of subdivision 1 to the contrary, in any delinquency proceedings in which the alleged victim of the delinquent act is testifying in court, the victim may choose to have a supportive person who is not scheduled to be a witness in the proceedings, present during the testimony of the victim.*

If the court, upon its own motion or the motion of any party, ~~determines~~ *finds in a hearing conducted outside the presence of the jury*, that the presence of the defendant during testimony taken pursuant to this subdivision would psychologically traumatize the witness so as to render the witness unavailable to testify, the court may order that the testimony be taken in a manner that:

(1) the defendant can see and hear the testimony of the child in person and communicate with counsel, but the child cannot see or hear the defendant; or

(2) the defendant ~~and child can view each other~~ *can see and hear the testimony of the child* by video or television monitor from *a* separate ~~rooms~~

In order to be considered ~~by the court, the request~~ *at the sentencing or dispositional hearing, all information regarding restitution* must be received by the court administrator of the appropriate court ~~at least three business days before the sentencing or~~

The court administrator shall provide copies of this request to the prosecutor and the offender at least 24 hours before the sentencing or dispositional hearing~~ *and must also be provided to the offender at least three business days before the sentencing or dispositional hearing. At the sentencing or dispositional hearing, the court shall give the offender an opportunity to respond to specific items of restitution and their dollar amounts.*

(b) The court may amend or issue an order of restitution after the sentencing or dispositional hearing if:

In either event, the board shall submit the claim not less than three business days before the sentencing or dispositional hearing. If the board submits the claim directly to the court administrator, it shall also provide a copy to the offender.* The filing of a claim for reparations with the court administrator shall also serve as a request for restitution by the victim. The restitution requested by the board may be considered to be both on its own behalf and on behalf of the victim. If the board has not paid reparations to the victim, restitution may be made directly to the victim. If the board has paid reparations to the victim, the court shall order restitution payments to be made directly to the board.

The clerk of court shall verify the terms of any existing order governing the parties. The court may not delay granting relief because of the existence of a pending action between the parties or the necessity of verifying the terms of an existing order. A subsequent order in a separate action under this chapter may modify only the provision of an existing order that grants relief authorized under subdivision 6, paragraph (a), clause (1). A petition for relief may be granted, regardless of whether there is a pending action between the parties.

(d) The court shall provide simplified forms and clerical assistance to help with the writing and filing of a petition under this section.

(2) exclude the abusing party from the dwelling which the parties share or from the residence of the petitioner;

The court's ~~deliberation under this subdivision~~ *decision on custody and visitation* shall in no way delay the issuance of an order for protection granting other reliefs provided for in ~~Laws 1985, chapter 195~~ *this section*;

(4) on the same basis as is provided in chapter 518, establish temporary support for minor children or a spouse, and order the withholding of support from the income of the person obligated to pay the support according to chapter 518;

(c) An order granting the relief authorized in paragraph (a), clause (1), may not be vacated or modified in a proceeding for dissolution of marriage or legal separation, except that the court may hear a motion for modification of an order for protection concurrently with a proceeding for dissolution of marriage upon notice of motion and motion. The notice required by court rule shall not be waived. If the proceedings are consolidated and the motion to modify is granted, a separate order for modification of an order for protection shall be issued.

(d) An order granting the relief authorized in paragraph (a), clause (2), is not voided by the admittance of the abusing party into the dwelling from which the abusing party is excluded.

(e) If a proceeding for dissolution of marriage or legal separation is pending between the parties, the court shall provide a copy of the order for protection to the court with jurisdiction over the dissolution or separation proceeding for inclusion in its file.

at the petitioner's place of employment.

(b) *A finding by the court that there is a basis for issuing an ex parte temporary order for protection constitutes a finding that sufficient reasons exist not to require notice under applicable court rules governing applications for ex parte temporary relief.*

(c) An ex parte temporary order for protection shall be effective for a fixed period not to exceed 14 days, except for good cause as provided under paragraph ~~(c)~~ *(d)*. A full hearing, as provided by this section, shall be set for not later than seven days from the issuance of the temporary order. The respondent shall be served forthwith a copy of the ex parte order along with a copy of the petition and notice of the date set for the hearing.

~~(c)~~ *(d)* When service is made by published notice, as provided under subdivision 5, the petitioner may apply for an extension of the period of the ex parte order at the same time the petitioner files the affidavit required under that subdivision. The court may extend the ex parte temporary order for an additional period not to exceed 14 days. The respondent shall be served forthwith a copy of the modified ex parte order along with a copy of the notice of the new date set for the hearing.

(b) If the applicant notifies the court administrator of a change in the applicant's residence so that a different local law enforcement agency has jurisdiction over the residence, the order for protection must be forwarded by the court administrator to the new law enforcement agency within 24 hours of the notice. If the applicant notifies the new law enforcement agency that an order for protection has been issued under this section and the applicant has established a new residence within that agency's jurisdiction, within 24 hours the local law enforcement agency shall request a copy of the order for protection from the court administrator in the county that issued the order.

(c) When an order for protection is granted, the applicant for an order for protection must be told by the court that:

(1) notification of a change in residence should be given immediately to the court administrator and to the local law enforcement agency having jurisdiction over the new residence of the applicant;

(2) the reason for notification of a change in residence is to forward an order for protection to the proper law enforcement agency; and

(3) the order for protection must be forwarded to the law enforcement agency having jurisdiction over the new residence within 24 hours of notification of a change in residence, whether notification is given to the court administrator or to the local law enforcement agency having jurisdiction

over the applicant's new residence.

An order for protection is enforceable even if the applicant does not notify the court administrator or the appropriate law enforcement agency of a change in residence.

Sec. 7. Minnesota Statutes 1991 Supplement, section 518B.01, subdivision 14, is amended to read:

Subd. 14. [VIOLATION OF AN ORDER FOR PROTECTION.] (a) Whenever an order for protection is granted pursuant to this section, and the respondent or person to be restrained knows of the order, violation of the order for protection is a misdemeanor. *Upon conviction, the defendant must be sentenced to a minimum of three days imprisonment and must be ordered to participate in counseling or other appropriate programs selected by the court. If the court stays imposition or execution of the jail sentence and the defendant refuses or fails to comply with the court's treatment order, the court must impose and execute the stayed jail sentence.* A person who violates this paragraph within two years after a previous conviction under this paragraph *or within two years after a previous conviction under a similar law of another state,* is guilty of a gross misdemeanor. ~~When a court sentences a person convicted of a gross misdemeanor and does not impose a period of incarceration, the court shall make findings on the record regarding the reasons for not requiring incarceration.~~ *Upon conviction, the defendant must be sentenced to a minimum of ten days imprisonment and must be ordered to participate in counseling or other appropriate programs selected by the court. Notwithstanding section 609.135, the court must impose and execute the minimum sentence provided in this paragraph for gross misdemeanor convictions.*

(b) A peace officer shall arrest without a warrant and take into custody a person whom the peace officer has probable cause to believe has violated an order granted pursuant to this section restraining the person or excluding the person from the residence or the petitioner's place of employment, even if the violation of the order did not take place in the presence of the peace officer, if the existence of the order can be verified by the officer. *The person shall be held in custody for at least 36 hours, excluding the day of arrest, Sundays, and holidays, unless the person is released earlier by a judge or judicial officer.* A peace officer acting in good faith and exercising due care in making an arrest pursuant to this paragraph is immune from civil liability that might result from the officer's actions.

(c) A violation of an order for protection shall also constitute contempt of court and be subject to the penalties therefor.

(d) If the court finds that the respondent has violated an order for protection and that there is reason to believe that the respondent will commit a further violation of the provisions of the order restraining the respondent from committing acts of domestic abuse or excluding the respondent from the petitioner's residence, the court may require the respondent to acknowledge an obligation to comply with the order on the record. The court may require a bond sufficient to deter the respondent from committing further violations of the order for protection, considering the financial resources of the respondent, and not to exceed $10,000. If the respondent refuses to comply with an order to acknowledge the obligation or post a bond under this paragraph, the court shall commit the respondent to the county jail during the term of the order for protection or until the respondent complies with the order under this paragraph. The warrant must state the cause of

commitment, with the sum and time for which any bond is required. If an order is issued under this paragraph, the court may order the costs of the contempt action, or any part of them, to be paid by the respondent. An order under this paragraph is appealable.

(e) Upon the filing of an affidavit by the petitioner, any peace officer, or an interested party designated by the court, alleging that the respondent has violated any order for protection granted pursuant to this section, the court may issue an order to the respondent, requiring the respondent to appear and show cause within 14 days why the respondent should not be found in contempt of court and punished therefor. The hearing may be held by the court in any county in which the petitioner or respondent temporarily or permanently resides at the time of the alleged violation. The court also may refer the violation of the order for protection to the appropriate prosecuting authority for possible prosecution under paragraph (a).

(f) If it is alleged that the respondent has violated an order for protection issued under subdivision 6 and the court finds that the order has expired between the time of the alleged violation and the court's hearing on the violation, the court may grant a new order for protection under subdivision 6 based solely on the respondent's alleged violation of the prior order, to be effective until the hearing on the alleged violation of the prior order. If the court finds that the respondent has violated the prior order, the relief granted in the new order for protection shall be extended for a fixed period, not to exceed one year.

(g) The admittance into petitioner's dwelling of an abusing party excluded from the dwelling under an order for protection is not a violation by the petitioner of the order for protection.

A peace officer is not liable under section 609.43, clause (1), for a failure to perform a duty required by clause (b).

DOMESTIC ABUSE VICTIMS; STANDARDS.]

Subdivision 1. [GENERALLY.] *The commissioner of corrections, after considering the recommendations of the battered women advisory council and the sexual assault advisory council, and in collaboration with the commissioner of public safety, shall adopt standards governing electronic monitoring devices used to protect victims of domestic abuse. In developing proposed standards, the commissioner shall consider the experience of the courts in the tenth judicial district in the use of the devices to protect victims of domestic abuse. These standards shall promote the safety of the victim and shall include measures to avoid the disparate use of the device with communities of color, product standards, monitoring agency standards, and victim disclosure standards.*

Subd. 2. [REPORT TO LEGISLATURE.] *By January 1, 1993, the commissioner of corrections shall report to the legislature on the proposed standards for electronic monitoring devices used to protect victims of domestic abuse.*

Subdivision 1. [GRANTS AWARDED.] The commissioner shall award grants to programs which provide emergency shelter services and support services to battered women and their children. The commissioner shall also award grants for training, technical assistance, and for the development and implementation of education programs to increase public awareness of the causes of battering, the solutions to preventing and ending domestic violence, and the problems faced by battered women. Grants shall be awarded in a manner that ensures that they are equitably distributed to programs serving metropolitan and nonmetropolitan populations. *By July 1, 1995, community-based domestic abuse advocacy and support services programs must be established in every judicial assignment district.*

Sec. 22. [629.342] [LAW ENFORCEMENT POLICIES FOR DOMESTIC ABUSE ARRESTS.]

Subd. 2. [POLICIES REQUIRED.] *(a) Each law enforcement agency shall develop, adopt, and implement a written policy regarding arrest procedures for domestic abuse incidents. In the development of a policy, each law enforcement agency shall consult with domestic abuse advocates, community organizations, and other law enforcement agencies with expertise in the recognition and handling of domestic abuse incidents. The policy shall discourage dual arrests, include consideration of whether one of the parties acted in self defense, and provide guidance to officers concerning instances in which officers should remain at the scene of a domestic abuse incident until the likelihood of further imminent violence has been eliminated.*

(b) The bureau of criminal apprehension, the board of peace officer standards and training, and the battered women's advisory council appointed by the commissioner of corrections under section 611A.34, in consultation with the Minnesota chiefs of police association, the Minnesota sheriffs association, and the Minnesota police and peace officers association, shall develop a written model policy regarding arrest procedures for domestic

abuse incidents for use by local law enforcement agencies. Each law enforcement agency may adopt the model policy in lieu of developing its own policy under the provisions of paragraph (a).

(c) Local law enforcement agencies that have already developed a written policy regarding arrest procedures for domestic abuse incidents before the effective date of this subdivision are not required to develop a new policy but must review their policies and consider the written model policy developed under paragraph (b).

Subd. 3. [ASSISTANCE TO VICTIM WHERE NO ARREST.] *If a law enforcement officer does not make an arrest when the officer has probable cause to believe that a person is committing or has committed domestic abuse or violated an order for protection, the officer shall provide immediate assistance to the victim. Sec. 23. [629.531] [ELECTRONIC MONITORING AS A CONDITION OF PRETRIAL RELEASE.]

If a court orders electronic monitoring as a condition of pretrial release, it may not use the electronic monitoring as a determining factor in deciding what the appropriate level of the defendant's money bail or appearance bond should be.

Sec. 24. Minnesota Statutes 1990, section 629.72, is amended by adding a subdivision to read:

Subd. 2a. [ELECTRONIC MONITORING AS A CONDITION OF PRETRIAL RELEASE.] *(a) Until the commissioner of corrections has adopted standards governing electronic monitoring devices used to protect victims of domestic abuse, the court, as a condition of release, may not order a person arrested for a crime described in section 609.135, subdivision 5b, paragraph (b), to use an electronic monitoring device to protect a victim's safety.*

(b) Notwithstanding paragraph (a), district courts in the tenth judicial district may order, as a condition of a release, a person arrested on a charge of a crime described in section 609.135, subdivision 5b, paragraph (b), to use an electronic monitoring device to protect the victim's safety. The courts shall make data on the use of electronic monitoring devices to protect a victim's safety in the tenth judicial district available to the commissioner of corrections to evaluate and to aid in development of standards for the use of devices to protect victims of domestic abuse.

Sec. 25. Minnesota Statutes 1990, section 630.36, subdivision 1, is amended to read:

Subdivision 1. [ORDER.] The issues on the calendar shall be disposed of in the following order, unless, upon the application of either party, for good cause, the court directs an indictment or complaint to be tried out of its order:

After a plea, the defendant shall be entitled to at least four days to prepare for trial, if the defendant requires it.

Sec. 26. Minnesota Statutes 1990, section 630.36, is amended by adding a subdivision to read:

Subd. 3. [DOMESTIC ASSAULT DEFINED.] *As used in subdivision 1, "domestic assault" means an assault committed by the actor against a family or household member, as defined in section 518B.01, subdivision 2.*

JUVENILES

Section 1. Minnesota Statutes 1990, section 260.125, subdivision 3a, is amended to read:

Subd. 3a. [PRIOR REFERENCE; EXCEPTION.] Notwithstanding the provisions of subdivisions 2 and 3, the court shall order a reference in any case where the prosecutor shows that the child has been previously referred for prosecution on a felony charge by an order of reference issued pursuant to either a hearing held under subdivision 2 or pursuant to the waiver of the right to such a hearing, other than a prior reference in the same case.

This subdivision only applies if the child is convicted of the offense or offenses for which the child was prosecuted pursuant to the order of reference or of a lesser included offense which is a felony.

This subdivision does not apply to juvenile offenders who are subject to criminal court jurisdiction under section 609.055.

Sec. 2. Minnesota Statutes 1990, section 260.151, subdivision 1, is amended to read:

Subdivision 1. Upon request of the court the county welfare board or probation officer shall investigate the personal and family history and environment of any minor coming within the jurisdiction of the court under section 260.111 and shall report its findings to the court. The court may order any minor coming within its jurisdiction to be examined by a duly

qualified physician, psychiatrist, or psychologist appointed by the court.

The court shall have a chemical use assessment conducted when a child is (1) found to be delinquent for violating a provision of chapter 152, *or for committing a felony-level violation of a provision of chapter 609 if the probation officer determines that alcohol or drug use was a contributing factor in the commission of the offense,* or (2) alleged to be delinquent for violating a provision of chapter 152, if the child is being held in custody under a detention order. The assessor's qualifications and the assessment criteria shall comply with Minnesota Rules, parts 9530.6600 to 9530.6655. If funds under chapter 254B are to be used to pay for the recommended treatment, the assessment and placement must comply with all provisions of Minnesota Rules, parts 9530.6600 to 9530.6655 and 9530.7000 to 9530.7030. The commissioner of public safety shall reimburse the court for the cost of the chemical use assessment, up to a maximum of $100.

With the consent of the commissioner of corrections and agreement of the county to pay the costs thereof, the court may, by order, place a minor coming within its jurisdiction in an institution maintained by the commissioner for the detention, diagnosis, custody and treatment of persons adjudicated to be delinquent, in order that the condition of the minor be given due consideration in the disposition of the case. Adoption investigations shall be conducted in accordance with the laws relating to adoptions. Any funds received under the provisions of this subdivision shall not cancel until the end of the fiscal year immediately following the fiscal year in which the funds were received. The funds are available for use by the commissioner of corrections during that period and are hereby appropriated annually to the commissioner of corrections as reimbursement of the costs of providing these services to the juvenile courts.

Sec. 3. Minnesota Statutes 1990, section 260.155, subdivision 1, is amended to read:

Subdivision 1. [GENERAL.] Except for hearings arising under section 260.261, hearings on any matter shall be without a jury and may be conducted in an informal manner. The rules of evidence promulgated pursuant to section 480.0591 and the law of evidence shall apply in adjudicatory proceedings involving a child alleged to be delinquent, in need of protection or services under section 260.015, subdivision 2a, clause (11) or (12), or a juvenile petty offender, and hearings conducted pursuant to section 260.125 except to the extent that the rules themselves provide that they do not apply. Except for proceedings involving a child alleged to be in need of protection or services and petitions for the termination of parental rights, hearings may be continued or adjourned from time to time. In proceedings involving a child alleged to be in need of protection or services and petitions for the termination of parental rights, hearings may not be continued or adjourned for more than one week unless the court makes specific findings that the continuance or adjournment is in the best interests of the child. *If a hearing is held on a petition involving physical or sexual abuse of a child who is alleged to be in need of protection or services or neglected and in foster care, the court shall file the decision with the court administrator as soon as possible but no later than 15 days after the matter is submitted to the court.* When a continuance or adjournment is ordered in any proceeding, the court may make any interim orders as it deems in the best interests of the minor in accordance with the provisions of sections 260.011 to 260.301. The court shall exclude the general public from these hearings and shall admit only those persons who, in the discretion of the court, have a direct

interest in the case or in the work of the court; except that, the court shall open the hearings to the public in delinquency proceedings where the child is alleged to have committed an offense or has been proven to have committed an offense that would be a felony if committed by an adult and the child was at least 16 years of age at the time of the offense. In all delinquency cases a person named in the charging clause of the petition as a person directly damaged in person or property shall be entitled, upon request, to be notified by the court administrator in writing, at the named person's last known address, of (1) the date of the reference or adjudicatory hearings, and (2) the disposition of the case. Adoption hearings shall be conducted in accordance with the provisions of laws relating to adoptions.

Sec. 4. Minnesota Statutes 1990, section 260.161, subdivision 1, is amended to read:

Subdivision 1. *(a)* The juvenile court judge shall keep such minutes and in such manner as the court deems necessary and proper. *Except as provided in paragraph (b),* the court shall keep and maintain records pertaining to delinquent adjudications until the person reaches the age of 23 years and shall release the records on an individual to a requesting adult court for purposes of sentencing, or to an adult court or juvenile court as required by the right of confrontation of either the United States Constitution or the Minnesota Constitution. The juvenile court shall provide, upon the request of any other juvenile court, copies of the records concerning adjudications involving the particular child. The court shall also keep an index in which files pertaining to juvenile matters shall be indexed under the name of the child. After the name of each file shall be shown the file number and, if ordered by the court, the book and page of the register in which the documents pertaining to such file are listed. The court shall also keep a register properly indexed in which shall be listed under the name of the child all documents filed pertaining to the child and in the order filed. The list shall show the name of the document and the date of filing thereof. The juvenile court legal records shall be deposited in files and shall include the petition, summons, notice, findings, orders, decrees, judgments, and motions and such other matters as the court deems necessary and proper. The legal records maintained in this file shall be open at all reasonable times to the inspection of any child to whom the records relate, and to the child's parent and guardian.

(b) The court shall retain records of the court finding that a juvenile committed an act that would be a violation of, or an attempt to violate, section 609.342, 609.343, 609.344, or 609.345, until the offender reaches the age of 25. If the offender commits another violation of sections 609.342 to 609.345 as an adult, the court shall retain the juvenile records for as long as the records would have been retained if the offender had been an adult at the time of the juvenile offense. This paragraph does not apply unless the juvenile was represented by an attorney when the petition was admitted or proven.

Sec. 5. Minnesota Statutes 1990, section 260.161, is amended by adding a subdivision to read:

Subd. 1a. [RECORD OF ADJUDICATIONS; NOTICE TO BUREAU OF CRIMINAL APPREHENSION.] *(a) The juvenile court shall forward to the bureau of criminal apprehension the following data on juveniles adjudicated delinquent for having committed an act described in subdivision 1, paragraph (b):*

(1) the name and birth date of the juvenile;

(2) the type of act for which the juvenile was adjudicated delinquent and date of the offense; and

(3) the date and county of the adjudication.

(b) The bureau shall retain data on a juvenile until the offender reaches the age of 25. If the offender commits another violation of sections 609.342 to 609.345 as an adult, the bureau shall retain the data for as long as the data would have been retained if the offender had been an adult at the time of the juvenile offense.

Sec. 6. Minnesota Statutes 1990, section 260.172, subdivision 1, is amended to read:

Subdivision 1. (a) If a child was taken into custody under section 260.165, subdivision 1, clause (a) or (c)(2), the court shall hold a hearing within 72 hours of the time the child was taken into custody, excluding Saturdays, Sundays, and holidays, to determine whether the child should continue in custody.

(b) In all other cases, the court shall hold a detention hearing:

(1) within 36 hours of the time the child was taken into custody, excluding Saturdays, Sundays, and holidays, if the child is being held at a juvenile secure detention facility or shelter care facility; or

(2) within 24 hours of the time the child was taken into custody, excluding Saturdays, Sundays, and holidays, if the child is being held at an adult jail or municipal lockup.

(c) Unless there is reason to believe that the child would endanger self or others, not return for a court hearing, run away from the child's parent, guardian, or custodian or otherwise not remain in the care or control of the person to whose lawful custody the child is released, or that the child's health or welfare would be immediately endangered, the child shall be released to the custody of a parent, guardian, custodian, or other suitable person, *subject to reasonable conditions of release including, but not limited to, a requirement that the child undergo a chemical use assessment as provided in section 260.151, subdivision 1.* In determining whether the child's health or welfare would be immediately endangered, the court shall consider whether the child would reside with a perpetrator of domestic child abuse. In a proceeding regarding a child in need of protection or services, the court, before determining whether a child should continue in custody, shall also make a determination, consistent with section 260.012 as to whether reasonable efforts, or in the case of an Indian child, active efforts, according to the Indian Child Welfare Act of 1978, United States Code, title 25, section 1912(d), were made to prevent placement or to reunite the child with the child's family, or that reasonable efforts were not possible. The court shall also determine whether there are available services that would prevent the need for further detention.

If the court finds the social services agency's preventive or reunification efforts have not been reasonable but further preventive or reunification efforts could not permit the child to safely remain at home, the court may nevertheless authorize or continue the removal of the child.

Sec. 7. Minnesota Statutes 1990, section 260.181, is amended by adding a subdivision to read:

Subd. 3a. Subd. 1a. [POSSESSION OF FIREARM.] *If the child is petitioned and found delinquent by the court, and the court also finds that the child was in possession of a firearm at the time of the offense, in addition to any other disposition the court shall order that the firearm be immediately seized and shall order that the child be required to serve at least 100 hours of community work service unless the child is placed in a residential treatment program or a juvenile correctional facility.*

Sec. 9. Minnesota Statutes 1990, section 260.185, subdivision 4, is amended to read:

Subd. 4. All orders for supervision under subdivision 1, clause (b) shall be for an indeterminate period unless otherwise specified by the court, and shall be reviewed by the court at least annually. All orders under subdivision 1, clause (c) shall be for a specified length of time set by the court. However, before an order has expired and upon the court's own motion or that of any interested party, the court has continuing jurisdiction to renew the order or, after notice to the parties and a hearing, make some other disposition of the case, until the individual ~~is no longer a minor~~ *becomes 19 years of age*. Any person to whom legal custody is transferred shall report to the court in writing at such periods as the court may direct.

Sec. 10. [299C.095] [SYSTEM FOR IDENTIFICATION OF ADJUDICATED JUVENILES.]

The bureau shall establish a system for recording the data on adjudicated juveniles received from the juvenile courts under section 5. The data in the system are private data as defined in section 13.02, subdivision 12, but are accessible to a person who has access to the juvenile court records as provided in section 260.161 or under court rule.

Sec. 11. Minnesota Statutes 1990, section 546.27, subdivision 1, is amended to read:

Subdivision 1. *(a)* When an issue of fact has been tried by the court, the decision shall be in writing, the facts found and the conclusion of law shall be separately stated, and judgment shall be entered accordingly. *Except as provided in paragraph (b),* all questions of fact and law, and all motions and matters submitted to a judge for a decision in trial and appellate matters, shall be disposed of and the decision filed with the court administrator within 90 days after such submission, unless sickness or casualty shall prevent, or the time be extended by written consent of the parties. No part

of the salary of any judge shall be paid unless the voucher therefor be accompanied by a certificate of the judge that there has been full compliance with the requirements of this section.

(b) If a hearing has been held on a petition under chapter 260 involving physical or sexual abuse of a child who is alleged to be in need of protection or services or neglected and in foster care, the decision must be filed within 15 days after the matter is submitted to the judge.

[COMPREHENSIVE PLAN.] *The advisory task force on mentoring and community service shall, by January 15, 1993, propose to the legislature a comprehensive plan to improve and increase opportunities for juveniles and young adults to engage in meaningful service and work that benefits communities and the state. The plan shall reflect the legislature's intent to prevent crime and to minimize the expenditure of limited corrections resources by engaging young people in constructive alternatives to criminal and other antisocial activities. The plan shall also reflect the legislature's recognition that each young person has significant strengths, and that state investment should build on these strengths rather than plan for failure. The plan must include at least the following components:*

(1) an analysis of the fiscal impact of the state's sentencing and corrections policies, including unfunded liabilities for state and local governments;

(2) policies to assure school-to-work transition for noncollege bound young adults;

(3) policies to improve community service opportunities for young people;

(4) policies to assure well-supervised summer and year-round employment opportunities that teach young people a strong work ethic;

(5) policies to improve role models for young people by increasing mentoring and tutoring opportunities; and

(6) recommendations for funding new programs, including redirecting and reprioritizing existing resources.

Subd. 2. [LEGISLATIVE MEMBERS.] *The speaker of the house and the majority leader of the senate shall each appoint three legislators to serve as nonvoting members of the advisory task force.*

Subd. 3. [CONSULTATION.] *In developing the plan required by subdivision 1, the advisory task force on mentoring and community service shall consult with the department of jobs and training, the department of natural resources, the higher education coordinating board, the office of volunteer services, the department of education, and other appropriate agencies.*

Subdivision 1. [SEX OFFENDER TREATMENT.] A sex offender treatment system is established under the administration of the commissioner of corrections to provide and finance a range of sex offender treatment programs for eligible adults and juveniles. ~~Eligible~~ Offenders *who are eligible to receive treatment, within the limits of available funding,* are:

(1) adults and juveniles committed to the custody of the commissioner;

(2) adult offenders for whom treatment is required by the court as a condition of probation; ~~and~~

(3) juvenile offenders who have been found delinquent or received a stay of adjudication, for whom the juvenile court has ordered treatment; *and*

(4) adults and juveniles who are eligible for community-based treatment under the sex offender treatment fund established in section 4.

Sec. 2. Minnesota Statutes 1990, section 241.67, subdivision 2, is amended to read:

Subd. 2. [TREATMENT PROGRAM STANDARDS.] ~~By July 1, 1991,~~ *(a)* The commissioner shall adopt rules under chapter 14 for the certification of adult and juvenile sex offender treatment programs in state and local correctional facilities. The rules shall require that sex offender treatment programs be at least four months in duration. ~~After July 1, 1991,~~ A correctional facility may not operate a sex offender treatment program unless the program has met the standards adopted by and been certified by the commissioner of corrections. As used in this subdivision, "correctional facility" has the meaning given it in section 241.021, subdivision 1, clause (5).

(b) By July 1, 1994, the commissioner shall adopt rules under chapter 14 for the certification of community-based adult and juvenile sex offender treatment programs not operated in state or local correctional facilities.

(c) In addition to other certification requirements established under paragraphs (a) and (b), rules adopted by the commissioner must require all certified programs to participate in an ongoing outcome-based evaluation

and quality management system established by the commissioner.

Sec. 3. Minnesota Statutes 1990, section 241.67, is amended by adding a subdivision to read:

Subd. 7. [FUNDING PRIORITY; PROGRAM EFFECTIVENESS.] *(a) Unless otherwise directed by the terms of a particular appropriations provision, the commissioner shall give priority to the funding of juvenile sex offender programs over the funding of adult sex offender programs.*

(b) Every county or private sex offender program that seeks new or continued state funding or reimbursement shall provide the commissioner with any information relating to the program's effectiveness that the commissioner considers necessary. The commissioner shall deny state funding or reimbursement to any county or private program that fails to provide this information or that appears to be an ineffective program.

Sec. 4. [241.671] [SEX OFFENDER TREATMENT FUND.]

Subdivision 1. [TREATMENT FUND ADMINISTRATION.] *A sex offender treatment fund is established to pay for community-based sex offender treatment for adults and juveniles. The commissioner of corrections and the commissioner of human services shall establish an interagency staff work group to coordinate agency activities relating to sex offender treatment. The commissioner of human services is responsible for administering the sex offender treatment fund, including establishing requirements for submitting claims for payment, paying vendors, and enforcing the county maintenance of effort requirement in subdivision 7. The commissioner of corrections is responsible for overseeing and coordinating a statewide sex offender treatment system under section 241.67, subdivision 1; certifying sex offender treatment providers under section 241.67, subdivision 2, paragraph (b); establishing eligibility criteria and an assessment process under subdivision 3; determining county allocations of treatment fund money under subdivision 4; and approving special project grants under subdivision 5. The county is responsible for developing and coordinating sex offender treatment services under the supervision of the commissioner of corrections, approving sex offender treatment vendors under subdivision 8, approving persons for treatment within the limits of the county's allocation of treatment fund money under subdivision 4, and selecting an eligible vendor to provide the appropriate level of treatment to each person who is eligible to receive treatment and for whom funding is available. The assessment of eligibility and treatment needs under subdivision 3 must be conducted by the agency responsible for probation services. If this agency is not a county agency, the county shall enter into an agreement with the agency that prescribes the process for county approval of treatment and treatment vendors within the limits of the county's allocation of treatment fund money. The commissioner of corrections shall adopt rules under chapter 14 governing the sex offender treatment fund. At the request of the commissioner of corrections, the commissioner of human services shall provide technical assistance relating to the duties required under this section. The commissioner of corrections and the commissioner of human services shall coordinate activities relating to the sex offender treatment fund with activities relating to the consolidated chemical dependency treatment fund.*

Subd. 2. [PERSONS ELIGIBLE TO RECEIVE TREATMENT.] *Within the limits of available funding, the sex offender treatment fund pays for sex offender treatment for sex offenders who have been ordered by the court to receive treatment and high-risk persons who seek treatment voluntarily. For*

purposes of this section, a sex offender is an adult who has been convicted under, or a juvenile who has been adjudicated to be delinquent based on a violation of, section 609.342; 609.343; 609.344; 609.345; 609.3451; 609.746, subdivision 1; 609.79; or 617.23, or another offense arising out of a charge or delinquency petition based on one or more of those sections. The treatment fund pays for treatment only to the extent that the costs of treatment cannot be met by the person's income or assets, health coverage, or other resources. Payment may be made on behalf of eligible persons only if:

(1) the person has been assessed and determined to be in need of community-based treatment under subdivision 3;

(2) the county has approved treatment and designated a treatment vendor within the limits of the county's allocation of money under subdivision 4;

(3) the person received the appropriate level of treatment as determined through the assessment process;

(4) the person received services from a vendor certified by the commissioner of corrections under section 241.67, subdivision 2, paragraph (b); and

(5) the vendor submitted a claim for payment in accordance with requirements established by the commissioner of human services.

Subd. 3. [ASSESSMENT.] *(a) The commissioner of corrections shall establish a process and criteria for assessing the eligibility and treatment needs of persons on whose behalf payment from the sex offender treatment fund is sought. The assessment determines: (1) whether the individual is eligible under subdivision 2; (2) the person's ability to contribute to the cost of treatment; (3) whether a need for treatment exists; (4) if treatment is needed, the appropriate level of treatment; and (5) if the person is seeking treatment voluntarily, whether the person represents a high risk of becoming a sex offender in the absence of intervention and treatment.*

(b) The commissioner shall develop a sliding fee scale to determine the amount of the contribution required from persons who have income or other financial resources. The fee scale must require persons whose income and assets are above the limits for the medical assistance program to contribute to the cost of the assessment and treatment and require persons whose income is above the state median income to pay the entire cost of assessment and treatment.

Subd. 4. [COUNTY ALLOCATIONS.] *(a) For the first year of the sex offender treatment fund, the money appropriated for the treatment fund must be allocated among the counties according to the following formula:*

(1) two-thirds based on the number of sex offender convictions or adjudications in the county in the previous year; and

(2) one-third based on county population.

(b) Any balance remaining in the fund at the end of the first year of the fund does not cancel and is available for the next year. Any balance remaining in subsequent years does not carry forward unless specifically authorized by the legislature.

(c) For the second year of the fund, an amount equal to the balance carried forward from the first year, plus any legislative appropriation for

special project grants, must be reserved for special projects under subdivision 5. This becomes the base funding level for special project grants. The appropriation for the treatment fund must be allocated to counties in proportion to the amount actually paid out of each county's treatment fund allocation in the previous year.

(d) For the third and subsequent years of the fund, the appropriation for the sex offender treatment fund must be allocated to counties in proportion to the previous year's allocations. Any increase or decrease in funding for the sex offender treatment fund must be allocated proportionately among counties.

(e) For the second and subsequent years of the treatment fund, a reduction in the special projects base funding and a corresponding increase in a county's sex offender treatment fund allocation may be made under subdivision 5.

(f) Money appropriated specifically for sex offender assessments must be allocated to counties based on the number of sex offender convictions and delinquency adjudications in the county in the previous year. The money must be used to pay for assessments conducted under subdivision 3.

Subd. 5. [SPECIAL PROJECT GRANTS.] *The commissioner of corrections shall approve grants to counties for special projects using the money reserved for special projects under subdivision 4, paragraph (c), and any appropriations specifically designated for sex offender treatment special projects. Special project grants may be used to develop new sex offender treatment services or providers, develop or test new treatment methods, educate courts and corrections personnel on treatment programs and methods, address special treatment needs in a particular county, or provide additional funding to counties that demonstrate that their treatment needs cannot be met within their formula allocation under subdivision 4. For the first three years of the fund, highest priority for special project grants must be given to counties that spent less than their allocation under the formula in subdivision 4, paragraph (a), during the previous year; demonstrate a significant need to increase their spending for sex offender treatment; and submit a detailed plan for improving their sex offender treatment system. For these high priority counties, upon successful completion of a special project the commissioner shall increase that county's base allocation under subdivision 4 for subsequent years by the amount of the special project grant or another amount determined by the commissioner and agreed to by the county as a condition of receiving a special project grant. The base funding level for special projects for the subsequent year must be reduced by the amount of the increase in the county's base allocation. After the third year of the treatment fund, the commissioner may allocate up to 40 percent of the special project grant money to increase the base allocation of treatment fund money for those counties that demonstrate the greatest need to increase funding for sex offender treatment. The base funding level for special projects must be reduced by the amount of the increase in counties' base allocations.*

Subd. 6. [COUNTY ADMINISTRATION.] *A county may use up to five percent of the money allocated to it under subdivision 4 for administrative costs associated with the sex offender treatment fund, including the costs of assessment and referral of persons for treatment, state administrative and reporting requirements, service development, and other activities directly related to sex offender treatment. Two or more counties may undertake any of the activities required under this section as a joint action under section 471.59. Nothing in this section requires a county to spend local*

money or commit local resources in addition to state money provided under this section, except as provided in subdivision 7.

Subd. 7. [MAINTENANCE OF EFFORT.] *As a condition of receiving an allocation of money from the sex offender treatment fund under this section, a county must agree not to reduce the level of funding provided for sex offender treatment below the average annual funding level for calendar years 1989, 1990, and 1991.*

Subd. 8. [ELIGIBILITY OF VENDORS.] *To be eligible to receive payment from the sex offender treatment fund, a vendor must be certified by the commissioner of corrections under section 241.67, subdivision 2, paragraph (b), and must comply with billing and reporting requirements established by the commissioner of human services. A county may become certified and approved as a vendor by satisfying the same requirements that apply to other vendors.*

Subd. 9. [START-UP GRANTS.] *Within the limits of appropriations made specifically for this purpose, the commissioner of corrections shall award grants to counties or providers for the initial start-up costs of establishing new certified, community-based sex offender treatment programs eligible for reimbursement under the sex offender treatment fund. In awarding the grants, the commissioner shall promote a statewide system of sex offender treatment programs that will provide reasonable geographic access to treatment throughout the state.*

Subd. 10. [COORDINATION OF FUNDING FOR SEX OFFENDER TREATMENT.] *The commissioners of corrections and human services shall identify all sources of funding for sex offender treatment in the state and develop methods of coordinating funding sources.*

Sec. 5. Minnesota Statutes 1990, section 242.195, subdivision 1, is amended to read:

Subdivision 1. [~~TREATMENT~~ *SEX OFFENDER* PROGRAMS.] The commissioner of corrections shall provide for a range of sex offender ~~treatment~~ programs, including intensive sex offender ~~treatment~~ *programs*, for juveniles within state juvenile correctional facilities and through purchase of service from county and private residential and outpatient juvenile sex offender ~~treatment~~ programs. *The commissioner shall establish and operate a juvenile sex offender program at one of the state juvenile correctional facilities.*

Sec. 6. [SEX OFFENDER TREATMENT; PILOT PROGRAM.]

The commissioner of corrections, in consultation with the commissioner of human services, shall administer a grant to create a pilot program to test the effectiveness of pharmacological agents, such as antiandrogens, in the treatment of sex offenders including psychopathic personalities.

Participation in the study must be by volunteers who meet defined criteria. The commissioner of corrections shall report to the legislature by February 1, 1993, regarding the preliminary results of the study.

Sec. 7. [REPORT ON SEX OFFENDER TREATMENT FUNDING.]

By January 1, 1993, the commissioners of corrections and human services shall submit a report to the legislature on funding for sex offender treatment, including:

(1) a summary of the sources and amounts of public and private funding

for sex offender treatment;

(2) a progress report on implementation of sections 4 to 7;

(3) methods currently being used to coordinate funding;

(4) recommendations on whether other sources of funding should be consolidated into the sex offender treatment fund;

(5) recommendations regarding medical assistance program changes or waivers that will improve the cost-effective use of medical assistance funds for sex offender treatment;

(6) recommendations on whether start-up grants are needed to promote the development of needed sex offender treatment vendors, and if so, the amount of money needed for various regions, types of vendor, and class of sex offender;

(7) an estimate of the amount of money needed to fully fund the sex offender treatment fund and information regarding the cost of an array of possible options for partial funding, including funding options that prioritize treatment needs based on the age of the offender, the level of offense, or other factors identified by the commissioner; and

(8) recommendations for other changes that will improve the effectiveness and efficiency of the sex offender treatment funding system.

Sec. 8. [EFFECTIVE DATE.]

Sections 1 to 7 are effective the day following final enactment.

Subdivision 1. [JOINDER OF DEFENDANTS.] ~~When~~ Two or more defendants ~~are~~ *may be* jointly charged with a felony~~, they may be tried separately or jointly in the discretion of the court. If the juvenile is of a minority race or minority ethnic heritage, the mental health professional must be skilled in and knowledgeable about the juvenile's racial and ethnic heritage, or must consult with a special mental health consultant who has such knowledge so that the assessment is relevant, culturally specific, and sensitive to the juvenile's cultural needs; and

(3) upon completion of the assessment, access to or provision of nonresidential mental health services identified as needed in the assessment.

Subd. 3. [SCREENING TOOL.] *The commissioner of human services and the commissioner of corrections shall jointly develop a model screening tool to screen juveniles held in juvenile detention to determine if a mental health assessment is needed. This tool must contain specific questions to identify potential mental health problems. In implementing a pilot project, a county must either use this model tool or another screening tool approved by the commissioner of human services which meets the requirements of this section.*

Subd. 4. The technical assistance shall include information about programs that have been successful in reducing recidivism by juvenile offenders.

These agreements shall include a description of each local agency's responsibilities, with a detailed assignment of the tasks necessary to implement the program. The agreement shall state how they will comply with the confidentiality requirements of the participating local agencies.*

Subd. 6. [EVALUATION.] *The commissioner of human services and the commissioner of corrections shall, in consultation with the Indian affairs council, the council on affairs of Spanish-speaking people, the council on Black Minnesotans, and the council on Asian-Pacific Minnesotans, develop systems and procedures for evaluating the pilot projects. The system must be designed to meet the information needs of the agencies involved and to provide a basis for evaluating outcome data. The system must be designed to track the mental health treatment of juveniles released from custody and to improve the planning, delivery, and evaluation of services and increase interagency collaboration. The evaluation protocol must be designed to measure the impact of the program on juvenile recidivism, school performance, and state and county budgets.*

The issuer must pay the application deposit by a check made payable to the department of finance. The Minnesota housing finance agency ~~and~~, the Minnesota rural finance authority, *and the Minnesota higher education coordinating board* may apply for and receive an allocation under this section without submitting an application deposit.

(b) An entitlement issuer may not apply for an allocation from the housing pool or from the public facilities pool unless it has either permanently issued bonds equal to the amount of its entitlement allocation for the current year plus any amount of bonding authority carried forward from previous years or returned for reallocation all of its unused entitlement allocation. For purposes of this subdivision, its entitlement allocation includes an amount obtained under section 474A.04, subdivision 6. *This paragraph does not apply to an application from the Minnesota housing finance agency for an allocation under subdivision 2a for cities who choose to have the agency issue bonds on their behalf.*

(c) If an application is rejected under this section, the commissioner must notify the applicant and return the application deposit to the applicant within 30 days unless the applicant requests in writing that the application be resubmitted. The granting of an allocation of bonding authority under this section must be evidenced by a certificate of allocation.

Sec. 7. Minnesota Statutes 1991 Supplement, section 474A.061, subdivision 3, is amended to read:

Subd. 3. [ADDITIONAL DEPOSIT.] An issuer which has received an allocation under this section may retain any unused portion of the allocation after the first Tuesday in August only if the issuer has submitted to the department before the first Tuesday in August a letter stating its intent to issue obligations pursuant to the allocation before the end of the calendar year or within the time period permitted by federal tax law and a deposit in addition to that provided under subdivision 1, equal to one percent of the amount of allocation to be retained. *Subdivision 4 applies to an allocation made under this section.* The Minnesota housing finance agency and the Minnesota rural finance authority may retain an unused portion of an allocation after the first Tuesday in August without submitting an additional deposit.

Sec. 8. Minnesota Statutes 1991 Supplement, section 474A.091, subdivision 2, is amended to read:

Subd. 2. [APPLICATION.] Issuers ~~other than the Minnesota rural finance authority~~ may apply for an allocation under this section by submitting to the department an application on forms provided by the department accompanied by (1) a preliminary resolution, (2) a statement of bond counsel that the proposed issue of obligations requires an allocation under this chapter, (3) the type of qualified bonds to be issued, (4) an application deposit in the amount of two percent of the requested allocation, and (5) a public purpose scoring worksheet for manufacturing applications. The issuer must pay the application deposit by check. An entitlement issuer may not apply for an allocation for public facility bonds, residential rental project bonds, or mortgage bonds under this section unless it has either permanently issued bonds equal to the amount of its entitlement allocation for the current year plus any amount carried forward from previous years or returned for reallocation all of its unused entitlement allocation. For purposes of this subdivision, its entitlement allocation includes an amount obtained under section 474A.04, subdivision 6.

The Minnesota housing finance agency may not apply for an allocation for mortgage bonds under this section until after the last Monday in August. Notwithstanding the restrictions imposed on unified pool allocations after September 1 under subdivision 3, paragraph (c)(2), the Minnesota housing finance agency may be awarded allocations for mortgage bonds from the

unified pool after September 1. The Minnesota housing finance agency, *the Minnesota higher education coordinating board, and the Minnesota rural finance authority* may apply for and receive an allocation under this section without submitting an application deposit.

Sec. 9. Minnesota Statutes 1991 Supplement, section 474A.091, subdivision 3, is amended to read:

Subd. 3. [ALLOCATION PROCEDURE.] (a) The commissioner shall allocate available bonding authority under this section on the Monday of every other week beginning with the first Monday in August through and on the last Monday in November. Applications for allocations must be received by the department by the Monday preceding the Monday on which allocations are to be made. If a Monday falls on a holiday, the allocation will be made or the applications must be received by the next business day after the holiday.

(b) On or before September 1, allocations shall be awarded from the unified pool in the following order of priority:

(1) applications for small issue bonds;

(2) applications for residential rental project bonds;

(3) applications for public facility projects funded by public facility bonds;

(4) applications for redevelopment bonds;

(5) applications for mortgage bonds; and

(6) applications for governmental bonds.

Allocations for residential rental projects may only be made during the first allocation in August. The amount of allocation provided to an issuer for a specific manufacturing project will be based on the number of points received for the proposed project under the scoring system under section 474A.045. Proposed manufacturing projects that receive 50 points or more are eligible for all of the proposed allocation. Proposed manufacturing projects that receive less than 50 points under section 474A.045 are only eligible to receive a proportionally reduced share of the proposed authority, based upon the number of points received. If there are two or more applications for manufacturing projects from the unified pool and there is insufficient bonding authority to provide allocations for all manufacturing projects in any one allocation period, the available bonding authority shall be awarded based on the number of points awarded a project under section 474A.045 with those projects receiving the greatest number of points receiving allocation first.

(c)(1) On the first Monday in August, *$5,000,000 of bonding authority is reserved within the unified pool for agricultural development bond loan projects of the Minnesota rural finance authority and* $20,000,000 of bonding authority or an amount equal to the total annual amount of bonding authority allocated to the small issue pool under section 474A.03, subdivision 1, less the amount allocated to issuers from the small issue pool for that year, whichever is less, is reserved within the unified pool for small issue bonds. On the first Monday in September, $2,500,000 of bonding authority or an amount equal to the total annual amount of bonding authority allocated to the public facilities pool under section 474A.03, subdivision 1, less the amount allocated to issuers from the public facilities pool for that year, whichever is less, is reserved within the unified pool for public

facility bonds. If sufficient bonding authority is not available to reserve the required amounts for ~~both small issue bonds~~ *manufacturing projects* and ~~public facility bonds~~ *agricultural development bond loan projects*, ~~seven-eighths of~~ the remaining available bonding authority ~~is reserved for small issue bonds and one-eighth of the remaining available bonding authority is reserved for public facility bonds~~ *must be distributed between the two reservations on a pro rata basis, based upon the amounts each would have received if sufficient authority was available.*

(2) The total amount of allocations for mortgage bonds from the housing pool and the unified pool may not exceed:

(i) $10,000,000 for any one city; or

(ii) $20,000,000 for any number of cities in any one county.

An allocation for mortgage bonds may be used for mortgage credit certificates.

After September 1, allocations shall be awarded from the unified pool only for the following types of qualified bonds: small issue bonds, public facility bonds *to finance publicly owned facility projects*, and residential rental project bonds.

(d) If there is insufficient bonding authority to fund all projects within any qualified bond category, allocations shall be awarded by lot unless otherwise agreed to by the respective issuers. If an application is rejected, the commissioner must notify the applicant and return the application deposit to the applicant within 30 days unless the applicant requests in writing that the application be resubmitted. The granting of an allocation of bonding authority under this section must be evidenced by issuance of a certificate of allocation.

Sec. 10. [HIGHER EDUCATION COORDINATING BOARD.]

Subdivision 1. [1992 MANUFACTURING POOL RESERVATION.] *On the first Monday in May of 1992, $15,000,000 of bonding authority is reserved within the manufacturing pool and $5,000,000 of bonding authority is reserved within the public facilities pool for student loan bonds issued by the higher education coordinating board. On the day after the last Monday in July of 1992, any bonding authority remaining unallocated from the student loan bond reservations is transferred to the unified pool and must be reallocated as provided in Minnesota Statutes, section 474A.091. If a common pool is established as provided under section 11, any bonding authority remaining unallocated from the student loan bond reservations is transferred to the common pool on June 1, 1992.*

Subd. 2. [1992 CARRYFORWARD.] *Notwithstanding Minnesota Statutes, section 474A.091, subdivision 4, the commissioner of finance may allocate a portion of remaining available bonding authority to the higher education coordinating board for student loan bonds on December 1 of 1992.*

Subd. 3. [1993 UNIFIED POOL RESERVATION.] *On the first Monday in August of 1993, up to $10,000,000 of bonding authority is reserved within the unified pool for student loan bonds issued by the higher education coordinating board; provided that the total amount of the unified pool reservation authorized under this subdivision and the carryforward authorized under subdivision 2 may not exceed $20,000,000 of bonding authority.*

Sec. 11. [SUNSET OF QUALIFIED BONDS.]

Subdivision 1. [TRANSFER.] *Notwithstanding Minnesota Statutes, sections 474A.061 and 474A.091, if federal tax law is not amended by May 31, 1992, to permit the issuance of tax exempt mortgage bonds or small issue bonds after June 30, 1992, any bonding authority remaining in the small issue, housing, and public facilities pools is transferred on June 1, 1992, to a common pool and is available for allocation as provided in this section. The commissioner of finance shall set aside $30,000,000 of bonding authority from the common pool from June 1, 1992, to July 1, 1992. After July 1, the set-aside is available for allocation as provided under subdivision 2.*

Subd. 2. [ALLOCATION.] *For the period from June 1, 1992, through November 30, 1992, the commissioner of finance may allocate any available bonding authority in the common pool for any purpose authorized under federal tax law. The application and allocation procedures established in Minnesota Statutes, section 474A.091, and the limits on mortgage bonds established in Minnesota Statutes, section 474A.091, subdivision 3, paragraph (c)(2), apply to allocations from the common pool. The reserve and priority requirements established under Minnesota Statutes, section 474A.091, do not apply to allocations from the common pool.*

Subd. 3. [CARRYFORWARD.] *Notwithstanding Minnesota Statutes, section 474A.091, on December 1, 1992, the commissioner may allocate any bonding authority remaining in the common pool to any issuer authorized by federal law to carry forward bonding authority.*

Sec. 12. [EFFECTIVE DATE.]

Sections 1 to 11 are effective the day following final enactment.

The commissioner of commerce shall also adopt, pursuant to clause (2)(c), rules permitting two or more employers, whether or not they are in the same industry, to enter into agreements to pool their liabilities under this chapter for the purpose of qualifying as group self-insurers. With the approval of the commissioner of commerce, any employer may exclude medical, chiropractic and hospital benefits as required by this chapter. An employer conducting distinct operations at different locations may either insure or self-insure the other portion of operations as a distinct and separate risk. An employer desiring to be exempted from insuring liability for compensation shall make application to the commissioner of commerce, showing financial ability to pay the compensation, whereupon by written order the commissioner of commerce, on deeming it proper, may make an exemption. An employer may establish financial ability to pay compensation by: (1) providing financial statements of the employer to the

commissioner of commerce; or (2) filing a surety bond or bank letter of credit with the commissioner of commerce in an amount equal to the anticipated annual compensation costs of the employer, but in no event less than $100,000. Upon ten days' written notice the commissioner of commerce may revoke the order granting an exemption, in which event the employer shall immediately insure the liability. As a condition for the granting of an exemption the commissioner of commerce may require the employer to furnish security the commissioner of commerce considers sufficient to insure payment of all claims under this chapter, *consistent with subdivision 2b*. If the required security is in the form of currency or negotiable bonds, the commissioner of commerce shall deposit it with the state treasurer. In the event of any default upon the part of a self-insurer to abide by any final order or decision of the commissioner of labor and industry directing and awarding payment of compensation and benefits to any employee or the dependents of any deceased employee, then upon at least ten days notice to the self-insurer, the commissioner of commerce may by written order to the state treasurer require the treasurer to sell the pledged and assigned securities or a part thereof necessary to pay the full amount of any such claim or award with interest thereon. This authority to sell may be exercised from time to time to satisfy any order or award of the commissioner of labor and industry or any judgment obtained thereon. When securities are sold the money obtained shall be deposited in the state treasury to the credit of the commissioner of commerce and awards made against any such self-insurer by the commissioner of commerce shall be paid to the persons entitled thereto by the state treasurer upon warrants prepared by the commissioner of commerce and approved by the commissioner of finance out of the proceeds of the sale of securities. Where the security is in the form of a surety bond or personal guaranty the commissioner of commerce, at any time, upon at least ten days notice and opportunity to be heard, may require the surety to pay the amount of the award, the payments to be enforced in like manner as the award may be enforced.

(2)(a) No association, corporation, partnership, sole proprietorship, trust or other business entity shall provide services in the design, establishment or administration of a group self-insurance plan under rules adopted pursuant to this subdivision unless it is licensed to do so by the commissioner of commerce. An applicant for a license shall state in writing the type of activities it seeks authorization to engage in and the type of services it seeks authorization to provide. The license shall be granted only when the commissioner of commerce is satisfied that the entity possesses the necessary organization, background, expertise, and financial integrity to supply the services sought to be offered. The commissioner of commerce may issue a license subject to restrictions or limitations, including restrictions or limitations on the type of services which may be supplied or the activities which may be engaged in. The license is for a two-year period.

(b) To assure that group self-insurance plans are financially solvent, administered in a fair and capable fashion, and able to process claims and pay benefits in a prompt, fair and equitable manner, entities licensed to engage in such business are subject to supervision and examination by the commissioner of commerce.

(c) To carry out the purposes of this subdivision, the commissioner of commerce may promulgate administrative rules, including emergency rules, pursuant to sections 14.001 to 14.69. These rules may:

(i) establish reporting requirements for administrators of group self-insurance plans;

(ii) establish standards and guidelines *consistent with subdivision 2b* to assure the adequacy of the financing and administration of group self-insurance plans;

(iii) establish bonding requirements or other provisions assuring the financial integrity of entities administering group self-insurance plans;

(iv) establish standards, including but not limited to minimum terms of membership in self-insurance plans, as necessary to provide stability for those plans;

(v) establish standards or guidelines governing the formation, operation, administration, and dissolution of self-insurance plans; and

(vi) establish other reasonable requirements to further the purposes of this subdivision.

Sec. 2. Minnesota Statutes 1990, section 176.181, is amended by adding a subdivision to read:

Subd. 2b. [ACCEPTABLE SECURITIES.] *The following are acceptable securities and surety bonds for the purpose of funding self-insurance plans and group self-insurance plans:*

Sec. 3. [RULE CHANGE.]

The commissioner of commerce shall amend Minnesota Rules, part 2780.0400, so that it is consistent with the changes in section 2.

Sec. 4. Minnesota Statutes 1990, section 429.091, subdivision 2, is amended to read:

Subd. 2. [TYPES OF OBLIGATIONS PERMITTED.] The council may by resolution adopted prior to the sale of obligations pledge the full faith, credit, and taxing power of the municipality for the payment of the principal and interest. Such obligations shall be called improvement bonds and the council shall pay the principal and interest out of any fund of the municipality when the amount credited to the specified fund is insufficient for the purpose and shall each year levy a sufficient amount to take care of accumulated or anticipated deficiencies, which levy shall not be subject to any statutory or charter tax limitation. Obligations for the payment of which the full faith and credit of the municipality is not pledged shall be called ~~improvement warrants~~ *assessment revenue notes* or, in the case of bonds for fire protection, revenue bonds and shall contain a promise to pay solely out of the proper special fund or funds pledged to their payment. It shall be the duty of the municipal treasurer to pay maturing principal and interest on warrants or revenue bonds out of funds on hand in the proper funds and not otherwise.

(iii) the authority finds and determines that elimination of the public bidding requirements is necessary in order for the housing development project to be economical and feasible.

(b) An authority need not require a performance bond in the case of a contract described in paragraph (a), clause (1).

Sec. 6. Minnesota Statutes 1991 Supplement, section 469.155, subdivision 12, is amended to read:

The average interest rate on refunding bonds issued upon the exercise of the warrants to refund fixed rate bonds shall not exceed the average interest rate on fixed rate bonds to be refunded. The municipality *or redevelopment agency* may appoint a bank or trust company to serve as agent for the warrant holders and enter into agreements deemed necessary or incidental to the issuance of the warrants.

Page 5, after line 34, insert:

"Sec. 2. Minnesota Statutes 1990, section 41.56, subdivision 3, is amended to read:

Subd. 3. [DEFAULT, FILING CLAIM.] Within 90 days of a default on a guaranteed family farm security loan, the lender shall send notice to the participant stating that the commissioner must be notified if the default continues for 180 days, and the consequences of that default. The lender and the participant may agree to take any steps reasonable to assure the fulfillment of the loan obligation.

If a participant cannot meet scheduled loan payments because of unique or temporary circumstances and the participant proves sufficiently to the commissioner that the necessary cash flow can be generated in the future,

the commissioner may use money in the special account in section 41.61, subdivision 1, to meet the participant's loan obligation for up to two consecutive years. This money must be paid back within eight years with interest at an annual percentage rate four percent below the prevailing Federal Land Bank rate.

A contract for deed participant may enter into an agreement with the commissioner whereby the outstanding principal balance of the loan is reduced by a minimum of ten percent, the loan is reamortized for the years remaining, and the commissioner agrees that the state shall pay the lender 100 percent of the sum due and payable if a default occurs during the remaining term of the reamortized loan.

After 180 days from the initial default, if the participant has not made arrangements to meet the obligation, the lender shall file a claim with the commissioner, identifying the loan and the nature of the default, and assigning to the state all of the lender's security and interest in the loan in exchange for payment according to the terms of the family farm security loan guarantee. In the case of a seller-sponsored loan, the seller may elect to pay the commissioner all sums owed the commissioner by the participant and retain title to the property in lieu of payment by the commissioner under the terms of the loan guarantee. If the commissioner determines that the terms of the family farm security loan guarantee have been met, the commissioner shall authorize payment of state funds to the lender, and shall notify the defaulting party. The state of Minnesota shall then succeed to the interest of the mortgagee or the vendor of the contract for deed. Taxes shall be levied and paid on the land as though the owner were a natural person and not a political subdivision of the state. The commissioner may, on behalf of the state, commence foreclosure or termination proceedings in the manner provided by law.

The commissioner may add any unpaid principal and interest payments on special assistance loans to the interest adjustment obligation balance provided for in section 41.57, subdivision 2. The commissioner and participant may agree to any other terms of repayment that are mutually satisfactory.

Sec. 3. Minnesota Statutes 1990, section 41.57, is amended by adding a subdivision to read:

Subd. 2a. [SETTLEMENTS BEFORE DUE DATE.] *The commissioner may settle interest adjustment payment accounts of participants before the contractual due date. These settlements may include receiving partial payments for outstanding obligations if the participant and cooperating lender agree to voluntarily withdraw from the program.*

Sec. 4. Minnesota Statutes 1990, section 41.57, is amended by adding a subdivision to read:

Subd. 2b. [DISCOUNTING USING PRESENT VALUE.] *The commissioner may settle interest adjustment payment accounts by discounting the obligation using a present value calculation. The interest rate used in this calculation must be three percent above the current Farm Credit Bank of St. Paul wholesale loan rate to the agricultural credit associations as certified each month by the commissioner.*"

And the registrar may make reasonable rules governing the use of the special license plates as will assure the full compliance by

the owner and holder of the special plates, with all existing laws governing the registration of motor vehicles, the transfer and the use thereof.

Despite any contrary provision of subdivision 1, the special license plates issued under this subdivision may be transferred to another motor vehicle upon the payment of a fee of $5. ~~The fee must be paid into the state treasury and credited to the highway user tax distribution fund.~~ The registrar must be notified of the transfer and may prescribe a form for the notification.

Subd. 7. [DELINQUENT FILING OR PAYMENT.] *If a fleet owner licensed under this section is delinquent in either filing or paying the international fuel tax agreement reports for more than 30 days, or paying the international registration plan billing under section 168.187 for more than 30 days, the fleet owner, after ten days' written notice, is subject to suspension of the apportioned license plates and the international fuel tax agreement license.*

as follows:

Page 2, after line 7, insert:

"Sec. 2. [CORRECTION 51.] Minnesota Statutes 1990, section 148B.21, subdivision 7, as added by Laws 1992, chapter 460, section 14, is amended to read:

Subd. 7. [ESTABLISHMENT OF CANDIDACY STATUS.] (a) The board may issue a practice permit to an applicant in the following situations, provided the applicant meets all other requirements for licensure:

(1) the applicant has applied to take the first examination for licensure given by the board following either graduation or anticipated graduation from an accredited program of social work; or

(2) the applicant is licensed or certified to practice social work in Minnesota or another jurisdiction, meets the requirements in section 148B.24, ~~has or~~ is intending to establish a ~~residence~~ *practice* in Minnesota before being able to take the next examination for licensure given by the board, and has applied to take the same examination.

(b) The practice permit is valid until the board takes final action on the application, which shall occur within 60 days of the board's receipt of the applicant's examination results. The board, at its discretion, may extend the practice permit if the applicant fails to pass or take the examination. If the board determines that an extension of the practice permit is not warranted, the applicant must cease practicing social work immediately.

(c) An applicant who obtains a practice permit, and who has applied for a level of licensure which requires supervision upon licensure, may practice social work only under the supervision of a licensed social worker who is eligible to provide supervision under section 148B.18, subdivision 12. The applicant's supervisor must provide evidence to the board, before the applicant is approved by the board for licensure, that the applicant has practiced social work under supervision. This supervision will not apply toward the supervision requirement required after licensure.

Sec. 3. [CORRECTION 52; EDUCATION AIDS.] 1992 H.F. No. 2121, article 8, section 33, if enacted, is amended to read:

Sec. 33. [STATE BOARD GRADUATION RULE.]

The state board of education shall report to the education committees of the legislature a progress report about the proposed high school graduation rule by February 1, 1993, and a final report about the proposed rule by January 1, 1994. Notwithstanding Minnesota Statutes, section 121.11, subdivision 12, the state board of education may continue its proceedings to adopt a graduation rule but must not take final action under Minnesota Statutes, sections 14.131 to 14.20 to adopt the rule before July 1, *1994*. The 180-day time limit in Minnesota Statutes, section 14.19, does not apply to the rule.

Sec. 4. [CORRECTION 52; EDUCATION AIDS.] Minnesota Statutes 1990, section 275.125, subdivision 6k, as added by 1992 H.F. No. 2121, article 7, section 12, is amended to read:

Subd. 6k. [HEALTH INSURANCE LEVY.] (a) A school district may levy the amount necessary to make employer contributions for insurance for retired employees under this subdivision. Notwithstanding section 121.904, 50 percent of the amount levied shall be recognized as revenue

for the fiscal year in which the levy is certified. This levy shall not be considered in computing the aid reduction under section 124.155.

(b) The school board of a joint vocational technical district formed under sections 136C.60 to 136C.69 and the school board of a school district may provide employer-paid hospital, medical, and dental benefits to a person who:

(1) is eligible for employer-paid insurance under collective bargaining agreements or personnel plans in effect on the day before the effective date of this section;

(2) has at least 25 years of service credit in the public pension plan of which the person is a member on the day before retirement or, in the case of a teacher, has a total of at least 25 years of service credit in the teachers retirement association, a first-class city teacher retirement fund, or any combination of these;

(3) upon retirement is immediately eligible for a retirement annuity;

(4) is at least 55 and not yet 65 years of age; and

(5) retires on or after May 15, 1992, and before July 21, 1992.

A school board paying insurance under this subdivision may not exclude any eligible employees.

(c) An employee who is eligible both for the health insurance benefit under this subdivision and for an early retirement incentive under a collective bargaining agreement or personnel plan established by the employer must select either the early retirement incentive provided under the collective bargaining agreement personnel plan or the incentive provided under this subdivision, but may not receive both. For purposes of this subdivision, a person retires when the person terminates active employment and applies for retirement benefits. The retired employee is eligible for single and dependent coverages and employer payments to which the person was entitled immediately before retirement, subject to any changes in coverage and employer and employee payments through collective bargaining or personnel plans, for employees in positions equivalent to the position from which the employee retired. The retired employee is not eligible for employer-paid life insurance. Eligibility ceases when the retired employee attains the age of 65, or when the employee chooses not to receive the retirement benefits for which the employee has applied, or when the employee is eligible for employer-paid health insurance from a new employer. Coverages must be coordinated with relevant health insurance benefits provided through the federally sponsored Medicare program.

(d) An employee who retires under this subdivision using the rule of 90 must not be included in the calculations required by section 356.85.

(e) Unilateral implementation of this section by a public employer is not an unfair labor practice for purposes of chapter 179A. The authority provided in this subdivision for an employer to pay health insurance costs for certain retired employees is not subject to the limits in section 179A.20, subdivision 2a.

(f) If a school district levies according to this subdivision, it may not also levy according to article 6, section 9 *13*, for eligible employees.

(b) a district qualifies for a levy under this section if:

(1) its net unappropriated operating fund balance on June 30, 1991, divided by its actual pupil units for fiscal year 1993 is less than $85;

(2) its adjusted net tax capacity used to compute fiscal year 1993 general education revenue divided by its fiscal year 1993 actual pupil units is less than $2,100; and

(3) it does not have referendum levy authority under Minnesota Statutes, section 124A.03.

Notwithstanding Minnesota Statutes, section 121.904, or H.F. No. 2121, article 12, section 25, or any other law to the contrary, the entire amount of this levy shall be recognized in the fiscal year in which the levy is certified.

school district may make a levy on all taxable property located within the school district for the purposes specified in this subdivision. The maximum amount which may be levied for all costs under this subdivision shall be equal to $1 multiplied by the population of the school district. For purposes of this subdivision, "population" of the school district means the same as contained in section 275.14. The proceeds of the levy must be used for reimbursing the cities and counties who contract with the school district for the following purposes: (1) to pay the costs incurred for the salaries, benefits, and transportation costs of peace officers and sheriffs for liaison services in the district's middle and secondary schools and (2) to pay the costs for a drug abuse prevention program as defined in *Minnesota Statutes 1991 Supplement*, section 609.101, subdivision 3, paragraph (f) in the elementary schools. The school district must initially attempt to contract for these services with the police department of each city or the sheriff's department of the county within the school district containing the school receiving the services. If a local police department or a county sheriff's department does not wish to provide the necessary services, the district may contract for these services with any other police or sheriff's department located entirely or partially within the school district's boundaries. The levy authorized under this subdivision is not included in determining the school district's levy limitations and must be disregarded in computing any overall levy limitations under sections 275.50 to 275.56 of the participating cities or counties.

The board shall not prescribe in rule or otherwise the delivery system, form of instruction, or a single statewide form of assessment that local sites must use to meet the requirements contained in the rule.
