“Sec. 5. [115A.5502] [PACKAGING PRACTICES; PREFERENCES; GOALS.]

Packaging forms a substantial portion of solid waste and contributes to environmental degradation and the costs of managing solid waste. It is imperative to reduce the amount and toxicity of packaging that must be managed as solid waste. In order to achieve significant reduction of packaging in solid waste and to assist packagers and others to meet the packaging reduction goal in section 115A.5501, the goal of the state is that items be distributed without any packaging where feasible and, only when necessary to protect health and safety or product integrity, with the minimal amount of packaging possible. The following categories of packaging are listed in order of preference for use by all persons who find it necessary to package items for distribution or use in the state:

(1) minimal packaging that contains no intentionally introduced toxic materials and that is designed to be and actually is reused for its original purpose at least five times;

(2) minimal packaging that contains no intentionally introduced toxic materials and that consists of at least 50 percent postconsumer material as defined in section 115A.03, subdivision 24b;

(3) minimal packaging that contains no intentionally introduced toxic materials, that is recyclable, and is regularly collected through recycling collection programs available to at least 75 percent of the residents of the state;

(4) minimal packaging that does not comply with clauses (1) to (3) because it is required under federal or state law and for which there does not exist a commercially feasible alternative that does comply with clauses (1) to (3);

(5) packaging that contains no intentionally introduced toxic materials but does not comply with clauses (1) to (4); and

(6) all other packaging.

It is the further goal of this chapter that the packaging described in clauses (5) and (6) no longer be in use for any purpose after December 31, 1999."

(b) Except for a prepaid health plan, a vendor of medical care as defined in section 256B.02, subdivision 7, or a vendor under contract with a county agency to provide social services under section 256E.08, subdivision 4, is not a party and may not request a hearing under this section, *except if assisting a recipient as provided in subdivision 4.*

The hearing shall not be held earlier than five days after filing of the required notice with the county or state agency. The state human services referee shall notify all interested persons of the time, date, and location of the hearing at least five days before the date of the hearing. Interested persons may be represented by legal counsel or other representative of their choice at the hearing and may appear personally, testify and offer evidence, and examine and cross-examine witnesses. Any order of the commissioner issued under this subdivision shall be conclusive upon the parties unless appeal is taken in the manner provided by subdivision 7. Any order of the commissioner is binding on the parties and must be implemented by the state agency or a county agency until the order is reversed by the district court, or unless the commissioner or a district court orders monthly assistance or aid or services paid or provided under subdivision 10.

Sec. 11. Minnesota Statutes 1993 Supplement, section 124A.03, subdivision 3b, is amended to read:

Subd. 3b. [REFERENDUM ALLOWANCE REDUCTION.] A district's referendum allowance under subdivision 1c is reduced by the amounts calculated in paragraphs (a), (b), ~~and~~ (c), and (d).

(a) The referendum allowance reduction equals the amount by which a district's supplemental revenue reduction exceeds the district's supplemental revenue allowance for fiscal year 1993.

(c) Notwithstanding paragraph (a) or (b), a school district's referendum allowance reduction equals (1) an amount equal to \$100, times (2) one minus the ratio of 20 percent of the formula allowance minus the district's initial referendum allowance limit to 20 percent of the formula allowance for that year if:

(i) the district's adjusted net tax capacity for assessment year 1992 per actual pupil unit for fiscal year 1995 is less than \$3,000;

(iv) the district's initial referendum revenue authority for the current year divided by the district's net tax capacity for assessment year 1992 is greater than ten percent.

(d) Notwithstanding paragraph (a), (b), or (c), the referendum revenue reduction for a newly consolidated district is computed as follows:

(1) for a newly reorganized district created effective July 1, 1994, the referendum revenue reduction equals either the lesser of the amount calculated for the reorganized district under paragraph (a), (b), or (c), or the sum of the amounts by which each of the reorganizing district's supplemental revenue reduction exceeds its respective supplemental revenue allowances calculated for the districts as if they were still in existence for fiscal year 1995; or

(2) for a newly reorganized district created after July 1, 1994, the referendum revenue reduction equals either the lesser of the amount calculated for the reorganized district under paragraph (a), (b), or (c), or the sum of the amounts by which each of the reorganizing district's supplemental revenue reduction exceeds its respective supplemental revenue allowances calculated for the year preceding the year of reorganization.

Sec. 12. Minnesota Statutes, 1993 Supplement, section 124A.22, subdivision 5, is amended to read:

Subd. 5. [DEFINITIONS.] The definitions in this subdivision apply only to subdivisions 6 and 6a.

the school is at least 19 miles from the next nearest school, the commissioner shall designate one school in the district as a high school for the purposes of this section.

(b) "Secondary average daily membership" means, for a district that has only one high school, the average daily membership of resident pupils in grades 7 through 12. For a district that has more than one high school, "secondary average daily membership" for each high school means the product of the average daily membership of resident pupils in grades 7 through 12 in the high school, times the ratio of six to the number of grades in the high school.

(c) "Attendance area" means the total surface area of the district, in square miles, divided by the number of high schools in the district. For a district that does not operate a high school and is less than 19 miles from the nearest operating high school, the attendance area equals zero.

(d) "Isolation index" for a high school means the square root of one-half the attendance area plus the distance in miles, according to the usually traveled routes, between the high school and the nearest high school. *For a district in which there is located land defined in section 84A.01, 84A.20, or 84A.31, the distance in miles is the sum of:*

- (1) *the square root of one-half of the attendance area; and*
- (2) *the distance from the border of the district to the nearest high school.*

(e) "Qualifying high school" means a high school that has an isolation index greater than 23 and that has secondary average daily membership of less than 400.

(f) "Qualifying elementary school" means an elementary school that is located 19 miles or more from the nearest elementary school or from the nearest elementary school within the district and, in either case, has an elementary average daily membership of an average of 20 or fewer per grade.

(g) "Elementary average daily membership" means, for a district that has only one elementary school, the average daily membership of resident pupils in kindergarten through grade 6. For a district that has more than one elementary school, "average daily membership" for each school means the average daily membership of kindergarten through grade 6 multiplied by the ratio of seven to the number of grades in the elementary school. *For a building in a district where the nearest elementary school is at least 65 miles distant, pupils served shall be used to determine average daily membership.*

Sec. 13. Minnesota Statutes 1993 Supplement, section 124A.22, subdivision 9, is amended to read:

Subd. 9. [SUPPLEMENTAL REVENUE REDUCTION.] A district's supplemental revenue allowance is reduced by the sum of:

(1) the sum of one-fourth of the difference of:

(i) the sum of the district's training and experience revenue and compensatory revenue per actual pupil unit for that fiscal year, and

(ii) the sum of district's training and experience revenue and compensatory revenue per actual pupil unit for fiscal year 1994; and

(2) the difference between the formula allowance for the current fiscal year and \$3,050.

For fiscal year 1995 only if a district's ratio of adjusted net tax capacity divided by actual pupil units to the equalizing factor is less than or equal to .25 then the difference is equal to \$50.

A district's supplemental revenue allowance may not be less than zero.

Sec. 14. Minnesota Statutes 1993 Supplement, section 124A.225, subdivision 1, is amended to read:

Subdivision 1. [REVENUE.] (a) Of a district's general education revenue an amount equal to the sum of the number of elementary ~~pupil units~~ *pupils in average daily membership* defined in section 124.17, subdivision 1, clause (f) and *one-half of the number of kindergarten pupil units in average daily membership* as defined in section 124.17, subdivision 1, clause (e), times .03 for fiscal year 1994 and .06 for fiscal year 1995 and thereafter times the formula allowance must be reserved according to this section.

(b) For fiscal year 1995, a district must reserve an additional amount equal to the greater of

(i) \$0, or

(ii) \$100 minus the sum of the reduction for supplemental revenue under section 124A.22, subdivision 9, and the reduction for referendum revenue under section 124A.03, subdivision 3b, times the district's actual pupil units times the ratio of the district's elementary average daily membership to the district's average daily membership according to this section. The revenue must be placed in a learning and development reserved account and may only be used according to this section.

(c) The ratio in paragraph (a) for fiscal year 1995 is adjusted by adding an amount equal to the ratio of the difference between the formula allowance for fiscal year 1995 minus 3,150 to 10,000.

Sec. 15. Minnesota Statutes 1993 Supplement, section 124A.23, subdivision 1, is amended to read:

Subdivision 1. [GENERAL EDUCATION TAX RATE.] The commissioner shall establish the general education tax rate by July 1 of each year for levies payable in the following year. The general education tax capacity rate shall be a rate, rounded up to the nearest tenth of a percent, that, when applied to the adjusted net tax capacity for all districts, raises the amount specified in this subdivision. The general education tax rate shall be the rate that raises ~~\$969,800,000 for fiscal year 1994~~, \$1,044,000,000 for fiscal year 1995 and ~~\$1,075,000,000 for fiscal year 1996~~ and later fiscal years. The general education tax rate may not be changed due to changes or corrections made to a district's adjusted net tax capacity after the tax rate has been established.

Sec. 16. Minnesota Statutes 1992, section 124A.26, is amended by adding a subdivision to read:

Subd. 5. [ALLOCATION AMONG ACCOUNTS.] The district must apportion any fund balance reduction under this section among all reserved and unreserved fund balance accounts included in the net unappropriated operating fund balance in the proportion that each account bears to the total.

Sec. 17. Minnesota Statutes 1992, section 124A.28, is amended by adding a subdivision to read:

Subd. 1a. [BUILDING ALLOCATION.] A district must allocate, to the greatest extent possible, compensatory revenue to the buildings in the district with the highest concentration of children from low-income families.

Sec. 18. Laws 1993, chapter 224, article 1, section 38, is amended to read:

Sec. 38. [TAX CREDIT ADJUSTMENT.]

Prior to the computation of homestead and agricultural aid for taxes payable in 1994, the commissioner of revenue shall reduce a school district's homestead and agricultural aid by an amount equal to the homestead and agricultural aid for calendar year 1993 times the ratio of referendum levy certified for 1993 to the certified unequalized levies for 1993. The department of education shall determine the change in referendum levies payable in 1994 attributable to *this section* and the increase in equalization under sections 8 and 9. Notwithstanding any law to the contrary, a district may recognize revenue equal to ~~one-half~~ *37.4 percent for fiscal year 1994 and 31.0 percent for fiscal year 1995 and thereafter* of the levy reduction in the fiscal year the levy is certified and each year thereafter.

(c) *For the purposes of this section, pursuant to Minnesota Statutes, section 124.17, subdivision 3, a pupil who is in grades 1 to 6 is counted as 1.03 pupil units for fiscal year 1993.*

The mediation process may not be used to delay a parent's right to a due process hearing. The resolution of the mediation is not binding on any party.

(b) The local primary agency may request mediation on behalf of involved agencies when there are disputes between agencies regarding responsibilities to coordinate, provide, pay for, or facilitate payment for early intervention services.

(c) Written and signed disputes shall be filed with the local primary agency.

(d) The local primary agency shall have attempted to resolve the matter with the involved school board and county board and may request mediation from the commissioner of the state lead agency for this purpose.

(e) When interagency disputes have not been resolved within 30 calendar days, the local primary agency shall request the commissioner of the state lead agency to review the matter with the commissioners of health and human services and make a decision. The commissioner shall provide a consistent process for reviewing these procedures. The commissioner's decision is binding subject to the right of the aggrieved party to an appeal.

(f) The local primary agency shall ensure that eligible children and their families receive early intervention services during resolution of a dispute. While a local dispute is pending, the local primary agency shall either assign financial responsibility to an agency or pay for the service from the early intervention account under subdivision 9. If in resolving the dispute, it is determined that the assignment of financial responsibility was inappropriate, the responsibility for payment must be reassigned to the appropriate agency and the responsible agency shall make arrangements for reimbursing any expenditures incurred by the agency originally assigned financial responsibility.

Subd. 20. [DUE PROCESS HEARINGS.] By July 1, 1994, the departments of education, health, and human services shall develop procedures for hearings.

The school district and cooperative unit may mutually agree, through a board resolution by each, to terms and conditions of the distribution of assets purchased with the proceeds of bonds, assignment of liabilities for outstanding bond obligations, and the distribution of detached equipment. If the cooperative unit and the school district cannot agree on the terms and conditions, the commissioner of education shall resolve the dispute.

(e) Two or more identified ECSU units may, upon approval by a majority of school boards of participating school districts in each affected ECSU, be combined and administered as a single ECSU unit but state assistance shall be allocated on the basis of two or more ECSU units.

(2) the difference between the total amount of community education revenue under section 124.2713 available to the districts involved in the reorganization in the fiscal year prior to the reorganization and the maximum amount of community education revenue available to the reorganized district in the current year.

If a local police department or a county sheriff's department does not wish to provide the necessary services, the district may contract for these services with any other police or sheriff's department located entirely or partially within the school district's boundaries. The levy authorized under this subdivision is not included in determining the school district's levy limitations.

Subd. 9. [ABATEMENT LEVY.] Each year, a school district may levy an amount to replace the net revenue lost to abatements that have occurred under chapter 278, section 270.07, 375.192, or otherwise. The maximum abatement levy is the sum of:

(1) the amount of the net revenue loss determined under section 124.214, subdivision 2, that is not paid in state aid including any prorated aid amounts;

(2) the difference of (i) the amount of any abatements that have been reported by the county auditor for the first six months of the calendar year during which the abatement levy is certified that the district chooses to levy, (ii) less any amount actually levied under this clause that was certified in the previous calendar year for the first six months of the previous calendar year; and

(3) an amount equal to any interest paid on abatement refunds. A district may spread this levy over a period not to exceed three years.

By July 15, the county auditor shall separately report the abatements that have occurred during the first six calendar months of that year to the commissioner of education and each school district located within the county.

Sec. 13. Minnesota Statutes 1992, section 124.914, subdivision 1, is amended to read:

Subdivision 1. [1977 STATUTORY OPERATING DEBT.] (1) In each year in which so required by this subdivision, a district shall make an additional levy to eliminate its statutory operating debt, determined as of June 30, 1977, and certified and adjusted by the commissioner. This levy shall not be made in more than ~~20~~ 30 successive years and each year before it is made, it must be approved by the commissioner and the approval shall specify its amount. This levy shall be an amount which is equal to the amount raised by a levy of a net tax rate of 1.66 percent times the adjusted net tax capacity of the district for the preceding year for taxes payable in 1991 and thereafter; provided that in the last year in which the district is required to make this levy, it shall levy an amount not to exceed the amount raised by a levy of a net tax rate of 1.66 percent times the adjusted net tax capacity of the district for the preceding year for taxes payable in 1991 and thereafter. When the sum of the cumulative levies made pursuant to this subdivision and transfers made according to section 121.912, subdivision 4, equals an amount equal to the statutory operating debt of the district, the levy shall be discontinued.

(2) The district shall establish a special account in the general fund which shall be designated "appropriated fund balance reserve account for purposes of reducing statutory operating debt" on its books and records. This account shall reflect the levy authorized pursuant to this subdivision. The proceeds of this levy shall be used only for cash flow requirements and shall not be used to supplement district revenues or income for the purposes of increasing the district's expenditures or budgets.

(3) Any district which is required to levy pursuant to this subdivision shall certify the maximum levy allowable under section 124A.23, subdivision 2, in that same year.

(4) Each district shall make permanent fund balance transfers so that the total statutory operating debt of the district is reflected in the general fund as of June 30, 1977.

Sec. 14. Minnesota Statutes 1993 Supplement, section 124.914, subdivision 4, is amended to read:

Subd. 4. [1992 OPERATING DEBT.] (a) ~~Each year~~ For taxes payable for calendar year 2003 and earlier, a district that has filed a plan pursuant to section 121.917, subdivision 4, may levy, with the approval of the commissioner, to eliminate a deficit in the net unappropriated balance in the operating funds of the district, determined as of June 30, 1992, and certified and adjusted by the commissioner. Each year this levy may be an amount not to exceed the lesser of:

(1) an amount raised by a levy of a net tax rate of one percent times the adjusted net tax capacity; or

(2) \$100,000.

This amount shall be reduced by referendum revenue authorized under section 124A.03 pursuant to the plan filed under section 121.917. However, the total amount of this levy for all years it is made shall not exceed the amount of the deficit in the net unappropriated balance in the operating funds of the district as of June 30, 1992. When the cumulative levies made pursuant to this subdivision equal the total amount permitted by this subdivision, the levy shall be discontinued.

(b) A district, if eligible, may levy under this subdivision or subdivision 2 or 3, or under section 122.531, subdivision 4a, or Laws 1992, chapter 499, article 7, sections 16 or 17, but not under more than one.

(c) The proceeds of this levy shall be used only for cash flow requirements and shall not be used to supplement district revenues or income for the purposes of increasing the district's expenditures or budgets.

(b) Revenue shall be used to reduce and maintain the district's instructor to learner ratios in kindergarten through grade 6 to a level of 1 to 17 on average. The district must prioritize the use of the revenue to attain this level initially in kindergarten and grade 1 and then through the subsequent grades as revenue is available.

(c) *Notwithstanding paragraph (b), a district with exceptional need as defined in subdivision 6, may use the revenue to reduce and maintain the district's instructor-to-learner ratios in kindergarten through grade 6 to a level that is at least 2.0 less than the district's adopted staffing ratio, if the remaining learning and development revenue is used to continue or initiate staffing patterns that meet the needs of a diverse student population. Programs to meet the needs of a diverse student population may include programs for at-risk pupils and learning enrichment programs.*

(d) The revenue may be used to prepare and use an individualized learning plan for each learner. A district must not increase the district wide instructor-learner ratios in other grades as a result of reducing instructor-learner ratios in kindergarten through grade 6. Revenue may not be used to provide instructor preparation time or to provide the district's share of revenue required under section 124.311. Revenue may be used to continue employment for nonlicensed staff employed in the district on the effective date of Laws 1993, chapter 224, under Minnesota Statutes 1992, section 124.331, subdivision 2.

When transportation is provided, scheduling of routes, establishment of the location of bus stops, manner and method of transportation, control and discipline of

school children and any other matter relating thereto shall be within the sole discretion, control, and management of the school board. The district may provide for the transportation of pupils or expend a reasonable amount for room and board of pupils whose attendance at school can more economically and conveniently be provided for by that means or who attend school in a building rented or leased by a district within the confines of an adjacent district.

Sec. 2. Minnesota Statutes 1992, section 123.78, is amended by adding a subdivision to read:

Subd. 3. [RULES.] The state board of education may amend rules relating to equal transportation.

Sec. 3. [123.799] [STUDENT TRANSPORTATION SAFETY.]

Subdivision 1. [RESERVED REVENUE USE.] A district shall use the student transportation safety reserved revenue under section 124.225, subdivision 7f, for providing student transportation safety programs to enhance student conduct and safety on the bus or when boarding and exiting the bus. A district's student transportation policy must specify the student transportation safety activities to be carried out under this section. A district's student transportation safety reserved revenue may only be used for the following purposes:

- (1) to provide paid adult bus monitors, including training and salary costs;*
- (2) to provide a volunteer bus monitor program, including training costs and the cost of a program coordinator;*
- (3) to purchase or lease optional external public address systems or video recording cameras for use on buses; and*
- (4) other activities or equipment that have been reviewed by the state school bus safety advisory committee and approved by the commissioner of public safety.*

Subd. 2. [REPORTING.] Districts shall annually report expenditures from the student transportation safety reserved revenue to the commissioner of education, who shall provide the information to the school bus safety advisory committee.

Sec. 4. [123.7991] [SCHOOL BUS SAFETY TRAINING.]

Subdivision 1. [SCHOOL BUS SAFETY WEEK.] The first week of school is designated as school bus safety week.

A school board may designate one day of school bus safety week as school bus driver day.

Subd. 2. [STUDENT TRAINING.] (a) Each school district shall provide pupils enrolled in grades kindergarten through 12 with school bus safety training. The training shall be results-oriented and shall consist of both classroom instruction and practical training using a school bus. Upon completing the training, a student shall be able to demonstrate knowledge and understanding of at least the following competencies and concepts:

- (1) transportation by school bus is a privilege not a right;*
- (2) district policies for student conduct and school bus safety;*

- (3) *appropriate conduct while on the bus;*
- (4) *the danger zones surrounding a school bus;*
- (5) *procedures for safely boarding and leaving a school bus;*
- (6) *procedures for safe vehicle lane crossing; and*

Students who enroll in a school after the first week of school and are transported by school bus shall undergo school bus safety training and demonstrate achievement of the school bus safety competencies within three weeks of the first day of attendance. The pupil transportation safety director in each district must certify to the commissioner of education annually by October 15 that all students transported by bus have satisfactorily demonstrated knowledge and understanding of the school bus safety competencies according to this section or provide an explanation for a student's failure to demonstrate the competencies.*

Subd. 3. [MODEL TRAINING PROGRAM.] The commissioner of education shall develop a comprehensive model school bus safety training program for pupils who ride the bus that includes bus safety curriculum for both classroom and practical instruction, methods for assessing attainment of school bus safety competencies, and age-appropriate instructional materials.

Sec. 5. [123.801] [BUS TRANSPORTATION A PRIVILEGE, NOT A RIGHT.]

Transportation by school bus is a privilege not a right for an eligible student. A student's eligibility to ride a school bus may be revoked for a violation of school bus safety or conduct policies, or for violation of any other law governing student conduct on a school bus, pursuant to a written school district discipline policy. Revocation of a student's bus riding privilege is not an exclusion, expulsion, or suspension under the pupil fair dismissal act of 1974. Revocation procedures for a student who is an individual with a disability under the Individuals with Disabilities Education Act, United States Code, title 20, section 1400 et seq., section 504 of the Rehabilitation Act of 1973, United States Code, title 29, section 794, and the Americans with Disabilities Act, Public Law Number 101-336, are governed by these provisions.

The department of public safety has no rulemaking authority to alter the standards upon which school buses are inspected.

Subd. 4. [VARIANCES.] The commissioner of public safety, after consulting with the school bus safety advisory committee, may grant a variance to any of the standards to accommodate testing of new equipment related to school buses. The variance must not conflict with Minnesota Statutes, federal laws, or federal motor vehicle safety standards. A variance from the standards must be for the sole purpose of testing and evaluating for increased safety, efficiency, and economy of pupil transportation. The variance expires 12 months from the date of its granting by the commissioner unless the commissioner specifies an earlier expiration date. The commissioner upon granting a variance must furnish the advisory committee and the requesting operator with a written copy of the variance specifying the conditions imposed on the testing. The commissioner shall also provide a copy of the variance in writing to all contract operators and school districts. The commissioner may grant up to one 12-month extension on a variance. The department of public safety shall develop uniform definitions of a school bus accident, an incident of serious misconduct, and an incident that results in personal injury or death. The department shall determine what type of information on school bus accidents and incidents, including criminal conduct, and bus driver dismissals for cause should be collected and develop a uniform accident and incident reporting form to collect those data, including data relating to type III vehicles, statewide. Data collected with this reporting form shall be analyzed to help develop accident, crime, and misconduct prevention programs.

The printing must be in a color giving a marked contrast with that of the part of the vehicle on which it is placed.

The sign must have provisions for being covered, or be of a removable or fold-down type.

Subd. 7. [LAMPS AND SIGNALS.] Installation and use of the eight-lamp warning system is prohibited.

All lamps on the exterior of the vehicle must conform with and be installed as required by federal motor vehicle safety standard 108, Code of Federal Regulations, title 49, part 571.

Two exterior clear rearview mirrors must be provided, one to the left and one to the right of the driver. Each mirror must be firmly supported and adjustable to give the driver clear view past the left rear and the right rear of the bus.

Subd. 10. [WARNING DEVICE.] A type III bus must contain at least three red reflectorized triangle road warning devices. Liquid burning "pot type" flares are not allowed.

Subd. 11. [EMERGENCY DOORS.] The doors on type III buses must remain unlocked when carrying passengers.

Sec. 22. Minnesota Statutes 1992, section 169.64, subdivision 8, is amended to read:

Subd. 8. [WHITE STROBE LAMPS.] Notwithstanding sections 169.55, subdivision 1, 169.57, subdivision 3, clause (b), or any other law to the contrary, a vehicle may be equipped with a 360-degree flashing strobe lamp that emits a white light with a flash rate of 60 to 120 flashes a minute, and the lamp may be used as provided in this subdivision, if the vehicle is:

(1) a school bus that is subject to and complies with the color and equipment requirements of sections 169.441, ~~subdivisions subdivision 1 and 2,~~ and 169.442, subdivision 1. The lamp shall be permanently mounted on the longitudinal center line of the bus roof not less than five feet nor more than seven feet forward of the rear roof edge. It shall operate from a separate switch containing an indicator lamp to show when the strobe lamp is in use. The strobe lamp may be lighted only when atmospheric conditions or terrain restrict the visibility of school bus lamps and signals so as to require use of the bright strobe lamp to alert motorists to the presence of the school bus. A strobe lamp may not be lighted unless the school bus is actually being used as a school bus; or

(2) a road maintenance vehicle owned or under contract to the department of transportation or a road authority of a county, home rule or statutory city, or town, but the strobe lamp may only be operated while the vehicle is actually engaged in snow removal during daylight hours.

The strobe lamp shall be of a double flash type certified to the commissioner of public safety by the manufacturer as being weatherproof and having a minimum effective light output of 200 candelas as measured by the Blondel-Rey formula.

Sec. 23. Minnesota Statutes 1993 Supplement, section 171.321, subdivision 2, is amended to read:

Subd. 2. [RULES; QUALIFICATIONS AND TRAINING.] (a) The commissioner of public safety shall prescribe rules governing the ~~qualifications of individuals to drive school buses~~ *physical qualifications of school bus drivers and tests required to obtain a school bus endorsement*. The rules must provide that an applicant for a school bus endorsement or renewal is exempt from the physical qualifications and medical examination required to operate a school bus upon providing evidence of being medically examined and certified within the preceding 24 months as physically qualified to operate a commercial motor vehicle, pursuant to Code of Federal Regulations, title 49, part 391, subpart E, or rules of the commissioner of transportation incorporating those federal regulations.

(b) The commissioner of public safety, in conjunction with the commissioner of education, shall adopt a training program for school bus drivers. ~~Adoption of the program is not subject to chapter 14. The program must provide for initial classroom and behind-the-wheel training, and annual in-service training. The program must provide training in defensive driving, human relations, emergency and accident procedures, vehicle maintenance, traffic laws, and use of safety equipment. The program must provide that the training will be conducted by the contract operator for a school district, the school district, the commissioner of education, a licensed driver training school, or by another person or entity approved by both commissioners.~~

Sec. 24. Minnesota Statutes 1992, section 171.321, subdivision 3, is amended to read:

Subd. 3. [STUDY OF APPLICANT.] Before issuing or renewing a school bus endorsement, the commissioner shall conduct a criminal *and driver's license* records check of the applicant. The commissioner may also conduct the check at any time while a person is so licensed. The check shall consist of a criminal records check of the state criminal records repository *and a check of the driver's license records system*. If the applicant has resided in Minnesota for less than five years, the check shall also include a criminal records check of information from the state law enforcement agencies in the states where the person resided during the five years before moving to Minnesota, and of the national criminal records repository including the criminal justice data communications network. The applicant's failure to cooperate with the commissioner in conducting the records check is reasonable cause to deny an application or cancel a school bus endorsement. The commissioner may not release the results of the records check to any person except the applicant.

Sec. 25. Minnesota Statutes 1992, section 171.321, is amended by adding a subdivision to read:

Subd. 4. [TRAINING.] *No person shall drive a class A, B, C, or D school bus when transporting school children to or from school or upon a school-related trip or activity without having demonstrated sufficient skills and knowledge to transport students in a safe and legal manner. (2) *understand student behavior, including issues relating to students with disabilities;*

(3) ensure orderly conduct of students on the bus and handle incidents of misconduct appropriately;

(4) know and understand relevant laws, rules of the road, and local school bus safety policies;

(5) handle emergency situations;

(6) safely load and unload students; and

(7) demonstrate proficiency in first aid and cardiopulmonary resuscitation procedures.

The commissioner of public safety, in conjunction with the commissioner of education, shall develop a comprehensive model school bus driver training program and model assessments for school bus driver training competencies, which are not subject to chapter 14. A school district may use alternative assessments for bus driver training competencies with the approval of the commissioner of public safety.

Sec. 26. Minnesota Statutes 1992, section 171.321, is amended by adding a subdivision to read:

Subd. 5. [ANNUAL EVALUATION.] A school district, nonpublic school, or private contractor shall evaluate each bus driver annually and provide in-service training necessary to assure that, at minimum, each driver continues to meet school bus driver training competencies under subdivision 4. Sec. 30. [ADDITIONAL MINNESOTA SCHOOL BUS CHASSIS STANDARDS.]

Subdivision 1. [RELATION TO NATIONAL STANDARDS.] The bus chassis standards contained in this section are required in addition to those required by Minnesota Statutes, section 169.4501. When a Minnesota standard contained in this section conflicts with a national standard adopted in Minnesota Statutes, section 169.4501, the Minnesota standard contained in this section is controlling.

Subd. 2. [BRAKES.] The braking system must include an emergency brake. The braking system must meet federal motor vehicle safety standards in effect at the time of manufacture. All buses manufactured with air brakes after January 1, 1995, shall have automatic slack adjusters.

Subd. 3. [CERTIFICATION.] A chassis manufacturer shall certify that the product meets Minnesota standards. All buses with a certified manufacturing date prior to April 1, 1977, shall not be recertified as a school bus after January 1, 1996.

Subd. 4. [COLOR.] Fenders may be painted black. The hood may be

painted nonreflective black or nonreflective yellow. The grill may be manufacturer's standard color.

Subd. 5. [ELECTRICAL SYSTEM; BATTERY.] (a) The storage battery, as established by the manufacturer's rating, must be of sufficient capacity to care for starting, lighting, signal devices, heating, and other electrical equipment. In a bus with a gas-powered chassis, the battery or batteries must provide a minimum of 800 cold cranking amperes. In a bus with a diesel-powered chassis, the battery or batteries must provide a minimum of 1050 cold cranking amperes.

(b) In a type B bus with a gross vehicle weight rating of 15,000 pounds or more, and type C and D buses, the battery shall be temporarily mounted on the chassis frame. The final location of the battery and the appropriate cable lengths in these buses must comply with the SBMI design objectives booklet.

(c) All batteries shall be mounted according to chassis manufacturers' recommendations.

(d) In a type C bus, other than are powered by diesel fuel, a battery providing at least 550 cold cranking amperes may be installed in the engine compartment only if used in combination with a generator or alternator of at least 120 amperes.

(e) A bus with a gross vehicle weight rating of 15,000 pounds or less may be equipped with a battery to provide a minimum of 550 cold cranking amperes only if used in combination with an alternator of at least 80 amperes. This paragraph does not apply to those buses with wheel chair lifts or diesel engines.

Subd. 6. [ELECTRICAL SYSTEM; ALTERNATOR.] A bus must be capable of providing enough current at 1400 rpms to provide a positive charge to the battery with 80 percent of maximum load with all lights and accessories on. A type B bus with a gross vehicle weight rating of up to 15,000 pounds equipped with an electrical power lift must have a minimum 100 ampere per hour alternator. If not protected by a grommet, wiring passing through holes must be encased in an abrasive-resistant protective covering.

Subd. 7. [ENGINES.] All new type B buses with a gross vehicle weight rating that exceeds 15,000 pounds and type C and type D buses purchased after January 1, 1995, shall be equipped with diesel or other alternate fuel engines.

Subd. 8. [EXHAUST SYSTEM.] The tailpipe must:

(1) extend to but not more than one inch beyond the bumper and be mounted outside of the chassis frame rail; or

(2) extend to but not more than one inch beyond the left side of the bus, behind the driver's compartment. A type A bus and a type B bus with a gross vehicle weight rating under 15,000 pounds, shall comply with the manufacturer's standard. No exhaust pipe may exit beneath an emergency exit, or, on a type C or type D bus, under the fuel fill location. No exhaust pipe shall be reduced in size beyond the muffler.

Subd. 9. [FRAME.] Installation of a trailer hitch is permitted. A hitch shall be flush mounted.

Subd. 10. [FUEL TANK.] If mounted behind the rear wheels, the fuel tank on a vehicle constructed with a power lift unit shall be between the frame rails. Fuel tanks for a type A bus and for a type B bus with a gross vehicle weight rating under 15,000 pounds may be manufacturer standard and must conform with federal motor vehicle safety standard number 301, Code of Federal Regulations, title 49, part 571.

Subd. 11. [HORN.] A bus shall be equipped with a horn in good working order and capable of emitting sound audible under normal conditions from a distance of not less than 200 feet.

Subd. 12. [TIRES AND RIMS.] Radial and bias ply tires shall not be used on the same axle. Front tire tread depth shall not be less than 4/32 inch in any major tire tread groove. Rear tire tread shall not be less than 2/32 inch. Tires must be measured in three locations around the tire, in two adjoining grooves. No recapped tires shall be used on the front wheels. Recapped tires are permitted on the rear wheels.

Subd. 13. [TRANSMISSION.] The transmission shifting pattern must be permanently displayed in the driver's full view.

Sec. 31. [ADDITIONAL MINNESOTA SCHOOL BUS BODY STANDARDS.]

Subdivision 1. [RELATION TO NATIONAL STANDARDS.] The bus body standards contained in this section are required in addition to those required by Minnesota Statutes, section 169.450, and section 30. When a Minnesota standard contained in this section conflicts with a national standard adopted in Minnesota Statutes, section 169.450, the Minnesota standard contained in this section is controlling.

Subd. 2. [BACKUP WARNING ALARM.] A spring-loaded button in the driver's compartment that will temporarily disable the backup alarm is allowed for usage in school bus overnight parking lots and repair facilities.

"ARTICLE 1

INCOME TAX AND BUSINESS TAXES

Section 1. Minnesota Statutes 1992, section 60A.15, is amended by adding a subdivision to read:

Subd. 15. [GUARANTY ASSOCIATION ASSESSMENT OFFSET.] An insurance company may offset against its premium tax liability to this state any amount paid pursuant to assessments made for insolvencies which occur on or after August 1, 1994, under sections 60C.01 to 60C.22, and any amount paid pursuant to assessments made on or after August 1, 1994, under sections 61B.01 to 61B.16, or sections 61B.18 to 61B.32. The amount of the offset may not exceed 20 percent of the amount of the assessment for each of the five calendar years following the year in which the assessment was paid. If the offset exceeds both the insurance company's premium tax liability under this section and tax liability under chapter 290, then the insurance company may carry forward the excess credit to subsequent taxable years. In the event an insurer ceases doing business, all uncredited assessments may be credited against premium tax liability for the year it ceases doing business. Any refund paid by the Minnesota life and health insurance guaranty association to member insurers pursuant to section 61B.07, subdivision 6, or section 61B.24, subdivision 6, in respect of an assessment payment which has been offset against taxes shall be repaid by the insurers to the extent of the offset to the state in the manner the commissioner of revenue requires.

Sec. 2. Minnesota Statutes 1993 Supplement, section 270.78, is amended to read:

270.78 [PENALTY FOR FAILURE TO MAKE PAYMENT BY ELECTRONIC FUNDS TRANSFER.]

(a) In addition to other applicable penalties imposed by law, after notification from the commissioner of revenue to the taxpayer that payments for a tax administered by the commissioner are required to be made by means of electronic funds transfer, and the payments are remitted by some other means, there is a penalty in the amount of five percent of each payment that should have been remitted electronically. The penalty can be abated under the abatement procedures prescribed in section 270.07, subdivision 6, if the failure to remit the payment electronically is due to reasonable cause.

(b) *The penalty under paragraph (a) does not apply if the taxpayer pays by other means the amount due at least three business days before the date the payment is due. This paragraph does not apply after December 31, 1997.*

Sec. 3. Minnesota Statutes 1992, section 289A.02, is amended by adding a subdivision to read:

Subd. 7. [INTERNAL REVENUE CODE.] Unless specifically defined otherwise, "Internal Revenue Code" means the Internal Revenue Code of 1986, as amended through December 31, 1993.

Sec. 4. Minnesota Statutes 1992, section 289A.25, subdivision 5, is amended to read:

Subd. 5. [AMOUNT OF REQUIRED INSTALLMENT.] The amount of any installment required to be paid shall be 25 percent of the required annual payment except as provided in clause (3). The term "required annual payment" means the lesser of

(1) 90 percent of the tax shown on the return for the taxable year or 90 percent of the tax for the year if no return is filed, or

(2) the total tax liability shown on the return of the ~~individual~~ taxpayer for the preceding taxable year, if a return showing a liability for the taxes was filed by the ~~individual~~ taxpayer for the preceding taxable year of 12 months. *If the adjusted gross income shown on the return of the taxpayer for the preceding taxable year exceeds \$150,000, this clause shall be applied by substituting "110 percent of the total tax liability" for "the total tax liability"*

(i) for an individual who is not a Minnesota resident for the entire year, the term "adjusted gross income" means the Minnesota share of that income apportioned to Minnesota under section 290.06, subdivision 2c, paragraph (e), or

(ii) for a trust the term "adjusted gross income" means the income assigned to Minnesota under section 290.17; or

(3) an amount equal to the applicable percentage of the tax for the taxable year computed by placing on an annualized basis the taxable income and alternative minimum taxable income for the months in the taxable year ending before the month in which the installment is required to be paid. The applicable percentage of the tax is 22.5 percent in the case of the first installment, 45 percent for the second installment, 67.5 percent for the third installment, and 90 percent for the fourth installment. For purposes of this clause, the taxable income and alternative minimum taxable income shall be placed on an annualized basis by

(i) multiplying by 12 (or in the case of a taxable year of less than 12 months, the number of months in the taxable year) the taxable income and alternative minimum taxable income computed for the months in the taxable year ending before the month in which the installment is required to be paid; and

(ii) dividing the resulting amount by the number of months in the taxable year ending before the month in which the installment date falls.

A reduction in an installment under clause (3) must be recaptured by increasing the amount of the next required installment by the amount of the reduction.

Sec. 5. Minnesota Statutes 1993 Supplement, section 289A.26, subdivision 7, is amended to read:

Subd. 7. [REQUIRED INSTALLMENTS.] (a) Except as otherwise provided in this subdivision, the amount of a required installment is 25 percent of the required annual payment.

(b) Except as otherwise provided in this subdivision, the term "required annual payment" means the lesser of:

(1) ~~97~~ 100 percent of the tax shown on the return for the taxable year, or, if no return is filed, ~~97~~ 100 percent of the tax for that year; or

(2) 100 percent of the tax shown on the return of the entity for the preceding taxable year provided the return was for a full 12-month period, showed a liability, and was filed by the entity.

(c) Except for determining the first required installment for any taxable year, paragraph (b), clause (2), does not apply in the case of a large corporation. The term "large corporation" means a corporation or any predecessor corporation that had taxable net income of \$1,000,000 or more for any taxable year during the testing period. The term "testing period" means the three taxable years immediately preceding the taxable year involved. A reduction allowed to a large corporation for the first installment that is allowed by applying paragraph (b), clause (2), must be recaptured by increasing the next required installment by the amount of the reduction.

(d) In the case of a required installment, if the corporation establishes that the annualized income installment is less than the amount determined in paragraph (a), the amount of the required installment is the annualized income installment and the recapture of previous quarters' reductions allowed by this paragraph must be recovered by increasing later required installments to the extent the reductions have not previously been recovered.

(e) The "annualized income installment" is the excess, if any, of:

(1) an amount equal to the applicable percentage of the tax for the taxable year computed by placing on an annualized basis the taxable income:

(i) for the first two months of the taxable year, in the case of the first required installment;

(ii) for the first two months or for the first five months of the taxable year, in the case of the second required installment;

(iii) for the first six months or for the first eight months of the taxable year, in the case of the third required installment; and

(iv) for the first nine months or for the first 11 months of the taxable year, in the case of the fourth required installment, over

(2) the aggregate amount of any prior required installments for the taxable year.

(3) For the purpose of this paragraph, the annualized income shall be computed by placing on an annualized basis the taxable income for the year up to the end of the month preceding the due date for the quarterly payment multiplied by 12 and dividing the resulting amount by the number of months in the taxable year (2, 5, 6, 8, 9, or 11 as the case may be) referred to in clause (1).

(4) The "applicable percentage" used in clause (1) is:

For the following required installments:	The applicable percentage is:
1st	24.25 25
2nd	48.5 50
3rd	72.75 75
4th	97 100

(f)(1) If this paragraph applies, the amount determined for any installment must be determined in the following manner:

- (i) take the taxable income for the months during the taxable year preceding the filing month;
- (ii) divide that amount by the base period percentage for the months during the taxable year preceding the filing month;
- (iii) determine the tax on the amount determined under item (ii); and
- (iv) multiply the tax computed under item (iii) by the base period percentage for the filing month and the months during the taxable year preceding the filing month.

(2) For purposes of this paragraph:

- (i) the "base period percentage" for a period of months is the average percent that the taxable income for the corresponding months in each of the three preceding taxable years bears to the taxable income for the three preceding taxable years;
- (ii) the term "filing month" means the month in which the installment is required to be paid;
- (iii) this paragraph only applies if the base period percentage for any six consecutive months of the taxable year equals or exceeds 70 percent; and
- (iv) the commissioner may provide by rule for the determination of the base period percentage in the case of reorganizations, new corporations, and other similar circumstances.

(3) In the case of a required installment determined under this paragraph, if the entity determines that the installment is less than the amount determined in paragraph (a), the amount of the required installment is the amount determined under this paragraph and the recapture of previous quarters' reductions allowed by this paragraph must be recovered by increasing later required installments to the extent the reductions have not previously been recovered.

Sec. 6. Minnesota Statutes 1993 Supplement, section 289A.60, subdivision 21, is amended to read:

Subd. 21. [PENALTY FOR FAILURE TO MAKE PAYMENT BY ELECTRONIC FUNDS TRANSFER.] (a) In addition to other applicable penalties imposed by this section, after notification from the commissioner to the taxpayer that payments are required to be made by means of electronic funds transfer under section 289A.20, subdivision 2, paragraph (e), or 4, paragraph (d), or 289A.26, subdivision 2a, and the payments are remitted by some other

means, there is a penalty in the amount of five percent of each payment that should have been remitted electronically. The penalty can be abated under the abatement procedures prescribed in section 270.07, subdivision 6, if the failure to remit the payment electronically is due to reasonable cause.

(b) The penalty under paragraph (a) does not apply if the taxpayer pays by other means the amount due at least three business days before the date the payment is due. The provisions of this paragraph do not apply after December 31, 1997.

Sec. 7. Minnesota Statutes 1993 Supplement, section 290.01, subdivision 19, is amended to read:

In the case of a regulated investment company or a fund thereof, as defined in section 851(a) or 851(h) of the Internal Revenue Code, federal taxable income means investment company taxable income as defined in section 852(b)(2) of the Internal Revenue Code, except that:

(1) the exclusion of net capital gain provided in section 852(b)(2)(A) of the Internal Revenue Code does not apply; and

(2) the deduction for dividends paid under section 852(b)(2)(D) of the Internal Revenue Code must be applied by allowing a deduction for capital gain dividends and exempt-interest dividends as defined in sections 852(b)(3)(C) and 852(b)(5) of the Internal Revenue Code.

The net income of a real estate investment trust as defined and limited by section 856(a), (b), and (c) of the Internal Revenue Code means the real estate investment trust taxable income as defined in section 857(b)(2) of the Internal Revenue Code.

Subd. 19b. [SUBTRACTIONS FROM FEDERAL TAXABLE INCOME.] For individuals, estates, and trusts, there shall be subtracted from federal taxable income:

(1) interest income on obligations of any authority, commission, or instrumentality of the United States to the extent includable in taxable income for federal income tax purposes but exempt from state income tax under the laws of the United States;

(2) if included in federal taxable income, the amount of any overpayment of income tax to Minnesota or to any other state, for any previous taxable year, whether the amount is received as a refund or as a credit to another taxable year's income tax liability;

(3) the amount paid to others not to exceed \$650 for each dependent in grades kindergarten to 6 and \$1,000 for each dependent in grades 7 to 12, for tuition, textbooks, and transportation of each dependent in attending an elementary or secondary school situated in Minnesota, North Dakota, South Dakota, Iowa, or Wisconsin, wherein a resident of this state may legally fulfill the state's compulsory attendance laws, which is not operated for profit, and which adheres to the provisions of the Civil Rights Act of 1964 and chapter 363. As used in this clause, "textbooks" includes books and other instructional materials and equipment used in elementary and secondary schools in teaching only those subjects legally and commonly taught in public elementary and secondary schools in this state. "Textbooks" does not include instructional books and materials used in the teaching of religious tenets, doctrines, or worship, the purpose of which is to instill such tenets, doctrines, or worship, nor does it include books or materials for, or transportation to, extracurricular activities including sporting events, musical or dramatic events, speech activities, driver's education, or similar programs. In order to qualify for the subtraction under this clause the taxpayer must elect to itemize deductions under section 63(e) of the Internal Revenue Code;

(4) to the extent included in federal taxable income, distributions from a qualified governmental pension plan, an individual retirement account, simplified employee pension, or qualified plan covering a self-employed person that represent a return of contributions that were included in Minnesota gross income in the taxable year for which the contributions were made but were deducted or were not included in the computation of federal adjusted gross income. The distribution shall be allocated first to return of contributions until the contributions included in Minnesota gross income have been exhausted. This subtraction applies only to contributions made in a taxable year prior to 1985;

(5) income as provided under section 290.0802;

(6) the amount of unrecovered accelerated cost recovery system deductions allowed under subdivision 19g;

Sec. 3. Minnesota Statutes 1993 Supplement, section 297A.01, subdivision 16, is amended to read:

Subd. 16. [CAPITAL EQUIPMENT.] (a) Capital equipment means machinery and equipment and the materials and supplies necessary to construct or install the machinery or equipment. To qualify under this definition the capital equipment must be purchased or leased for use in this state and used by the purchaser or lessee primarily for manufacturing, fabricating, mining, quarrying, or refining tangible personal property; to be sold ultimately at retail and for electronically transmitting results retrieved by a customer of an on-line computerized data retrieval system; or for the generation of electricity or steam; to be sold at retail and must be used for the establishment of a new or the physical expansion of an existing manufacturing, fabricating, mining, quarrying, or refining facility in the state. For purposes of this subdivision, "mining" includes peat mining, and "on-line computerized data retrieval system" refers to a system whose cumulation of information is equally available and accessible to all its customers.

(b) Capital equipment includes all machinery and equipment that is essential to the integrated production process. Capital equipment includes; but is not limited to:

(1) machinery and equipment used or required to operate, control, or regulate the production equipment;

(2) machinery and equipment used for research and development, design, quality control, and testing activities;

(3) environmental control devices that are used to maintain conditions such as temperature, humidity, light, or air pressure when those conditions are essential to and are part of the production process; or

(4) materials and supplies necessary to construct and install machinery or equipment.

(c) Capital equipment does not include the following:

(1) machinery or equipment purchased or leased to replace machinery or equipment performing substantially the same function in an existing facility;

(2) repair or replacement parts, including accessories, whether purchased as spare parts, repair parts, or as upgrades or modifications, and whether purchased before or after the machinery or equipment is placed into service. Parts or accessories are treated as capital equipment only to the extent that they are a part of and are essential to the operation of the machinery or equipment as initially purchased;

(2) motor vehicles taxed under chapter 297B;

(3) machinery or equipment used to receive or store raw materials;

(4) building materials, including materials used for foundations that support machinery or equipment;

(5) machinery or equipment used for nonproduction purposes, including, but not limited to, the following: machinery and equipment used for plant security, fire prevention, first aid, and hospital stations; machinery and equipment used in support operations or for administrative purposes; machinery and equipment used solely for pollution control, prevention, or abatement; machinery and equipment used for environmental control, except that when a controlled environment is essential for the manufacture of a particular product, the machinery or equipment that controls the environment can

qualify as capital equipment; and machinery and equipment used in plant cleaning, disposal of scrap and waste, plant communications, space heating, lighting, or safety;

(6) "farm machinery" as defined by subdivision 15, ~~"special tooling"~~ as defined by subdivision 17, and "aquaculture production equipment" as defined by subdivision 19, and "replacement capital equipment" as defined by subdivision 20; or

(7) any other item that is not essential to the integrated process of manufacturing, fabricating, mining, ~~quarrying~~, or refining.

(d) For purposes of this subdivision:

(1) "Equipment" means independent devices or tools separate from machinery but essential to an integrated production process, including computers and software, used in operating exempt machinery and equipment; and any subunit or assembly comprising a component of any machinery or accessory or attachment parts of machinery, such as tools, dies, jigs, patterns, and molds.

(2) "Fabricating" means to make, build, create, produce, or assemble components or property to work in a new or different manner.

(3) "Machinery" means mechanical, electronic, or electrical devices, including computers and software, that are purchased or constructed to be used for the activities set forth in paragraph (a), beginning with the removal of raw materials from inventory through the completion of the product, including packaging of the product.

(4) "Manufacturing" means an operation or series of operations where raw materials are changed in form, composition, or condition by machinery and equipment and which results in the production of a new article of tangible personal property. For purposes of this subdivision, "manufacturing" includes the generation of electricity or steam to be sold at retail.

(5) "Mining" means the extraction of minerals, ores, stone, and peat.

(6) "On-line data retrieval system" means a system whose cumulation of information is equally available and accessible to all its customers.

(7) "Pollution control equipment" means machinery and equipment used to eliminate, prevent, or reduce pollution resulting from an activity described in paragraph (a).

(8) "Primarily" means machinery and equipment used 50 percent or more of the time in an activity described in paragraph (a).

(9) "Refining" means the process of converting a natural resource to a product, including the treatment of water to be sold at retail.

(e) For purposes of this subdivision:

(1) the requirement that the machinery or equipment "must be used by the purchaser or lessee" means that the person who purchases or leases the machinery or equipment must be the one who uses it for the qualifying purpose. When a contractor buys and installs machinery or equipment as part of an improvement to real property, only the contractor is considered the purchaser;

(2) the requirement that the machinery and equipment must be used "for manufacturing, fabricating, mining, quarrying, or refining" means that the machinery or equipment must be essential to the integrated process of manufacturing, fabricating, mining, quarrying, or refining. Neither legal requirements nor practical necessity determines whether or not the equipment is essential to the integrated process;

(3) "facility" means a coordinated group of fixed assets, which may include land, buildings, machinery, and equipment that are essential to and used in an integrated manufacturing, fabricating, refining, mining, or quarrying process;

(4) "establishment of a new facility" means the construction of a facility, or the purchase by a new owner of a facility that was previously closed and not operational for a period of at least 12 consecutive months. Relocating operations from an existing facility within Minnesota to another facility within Minnesota does not constitute establishing a new facility;

(5) "physical expansion of an existing facility" means adding a new production line, adding new machinery or equipment to an existing production line, new construction which will become part of the existing facility and which is used for a qualifying activity, or conversion of an area in an existing facility from a nonqualifying activity to a qualifying activity; and

(6) performing "substantially the same function" means that the new machinery or equipment serves fundamentally or essentially the same purpose as did the old equipment or that it produces the same or similar end product, even though it may increase speed, efficiency, or production capacity.

(d) (f) Notwithstanding prior provisions of this subdivision, machinery and equipment purchased or leased to replace machinery and equipment used in the mining or production of taconite shall qualify as capital equipment regardless of whether the facility has been expanded.

Sec. 4. Minnesota Statutes 1992, section 297A.01, is amended by adding a subdivision to read:

Subd. 20. [REPLACEMENT CAPITAL EQUIPMENT.] (a) Replacement capital equipment means machinery and equipment, as defined in subdivision 16, that serves fundamentally or essentially the same purpose or function or that produces the same or similar end product as did the old equipment, even though it may increase speed, efficiency, or production capacity.

(b) Replacement capital equipment includes:

(1) repair and replacement parts, including accessories, whether purchased as spare parts, repair parts, or as upgrades or modifications to machinery and equipment;

(2) replacement or enhanced software used or required to operate, control, or regulate machinery and equipment;

(3) materials used for foundations that support machinery or equipment or special purpose buildings used in the production process; or

(4) all machinery and equipment that is replacing an existing piece of machinery or equipment that is essential to the integrated production process.

Sec. 5. Minnesota Statutes 1992, section 297A.02, subdivision 2, is amended to read:

Subd. 2. [MACHINERY AND EQUIPMENT.] Notwithstanding the provisions of subdivision 1, the rate of the excise tax imposed upon sales of ~~special tooling is four percent and upon sales of farm machinery and aquaculture production equipment is two percent.~~

Sec. 6. Minnesota Statutes 1992, section 297A.02, is amended by adding a subdivision to read:

for purchases after June 30, 1996, and prior to July 1, 1997, 3.3 percent,
and*

for purchases after June 30, 1997, 2.5 percent.

This subdivision shall cease to be operative on July 1, 2001, or on July 1 of the earliest year thereafter, if the total employment in the manufacturing sector in this state, as determined by the commissioner of jobs and training on the preceding January 1, does not exceed by 4,500 the total employment in the manufacturing sector in the state on January 1, 1994.

Sec. 7. Minnesota Statutes 1992, section 297A.135, subdivision 1, is amended to read:

In the case of building materials qualifying under section 297A.25, subdivision 50, where the tax was paid by a contractor, application must be made by the owner for the sales tax paid by all the contractors, subcontractors, and builders for the project. The application must include sufficient information to permit the commissioner to verify the sales tax paid for the project. The application shall include information necessary for the commissioner initially to verify that the purchases qualified as capital equipment under section 297A.25, subdivision 42, *replacement capital*

equipment under section 297A.01, subdivision 20, or capital equipment or construction materials and supplies under section 297A.25, subdivision 50. No more than two applications for refunds may be filed under this subdivision in a calendar year. No owner may apply for a refund based on the exemption under section 297A.25, subdivision 50, before July 1, 1993. In preparing and distributing sales tax schedules for political subdivisions that have local sales taxes collected and administered by the state, the department of revenue shall coordinate the state and local sales taxes so that the schedules show a combined sales tax rate on sale amounts and reflect the coordinated, rather than the separate, effect of the two tax rates. If either the local sales tax rate or the state sales tax rate is changed, the schedule must be adjusted to reflect the change.

Sec. 17. [INSTRUCTION TO THE REVISOR.]

In the 1994 and subsequent editions of the Minnesota Statutes, the revisor shall substitute the term "sales tax on motor vehicles" for "motor vehicle excise tax" wherever it appears.

Sec. 2. Minnesota Statutes 1993 Supplement, section 298.227, is amended to read:

298.227 [TACONITE ECONOMIC DEVELOPMENT FUND.]

An amount equal to that distributed pursuant to each taconite producer's taxable production and qualifying sales under section 298.28, subdivision 9a, shall be held by the iron range resources and rehabilitation board in a separate taconite economic development fund for each taconite producer. Money from the fund for each producer shall be released only on the written authorization of a joint committee consisting of an equal number of representatives of the salaried employees and the nonsalaried production and maintenance employees of that producer. The district 33 director of the United States Steelworkers of America, on advice of each local employee president, shall select the employee members. In nonorganized operations, the employee committee shall be elected by the nonsalaried production and maintenance employees. Each producer's joint committee may authorize release of the funds held pursuant to this section only for acquisition of equipment and facilities for the producer or for research and development in Minnesota on new mining, or taconite, iron, or steel production technology. Funds may be released only upon a majority vote of the representatives of the committee. *If a taconite production facility is sold after operations at the facility had ceased, any money remaining in the fund for the former producer may be released to the purchaser of the facility on the terms otherwise applicable to the former producer under this section.* Any portion of the fund which is not released by a joint committee within two years of its deposit in the fund shall be divided between the taconite environmental protection fund created in section 298.223 and the northeast Minnesota economic protection trust fund created in section 298.292 for placement in their respective special accounts. Two-thirds of the unreleased funds shall be distributed to the taconite environmental protection fund and one-third to the northeast Minnesota economic protection trust fund. This section is effective for taxes payable in 1993 and 1994.

Sec. 3. Minnesota Statutes 1992, section 298.24, subdivision 1, is amended to read:

Subdivision 1. (a) For concentrate produced in 1992 and, 1993, and 1994 there is imposed upon taconite and iron sulphides, and upon the mining and quarrying thereof, and upon the production of iron ore concentrate therefrom, and upon the concentrate so produced, a tax of \$2.054 per gross ton of merchantable iron ore concentrate produced therefrom.

(b) For concentrates produced in 1994 1995 and subsequent years, the tax rate shall be equal to the preceding year's tax rate plus an amount equal to the

preceding year's tax rate multiplied by the percentage increase in the implicit price deflator from the fourth quarter of the second preceding year to the fourth quarter of the preceding year. "Implicit price deflator" for the gross national product means the implicit price deflator prepared by the bureau of economic analysis of the United States Department of Commerce.

(c) The tax shall be imposed on the average of the production for the current year and the previous two years. The rate of the tax imposed will be the current year's tax rate. This clause shall not apply in the case of the closing of a taconite facility if the property taxes on the facility would be higher if this clause and section 298.25 were not applicable.

(d) If the tax or any part of the tax imposed by this subdivision is held to be unconstitutional, a tax of \$2.054 per gross ton of merchantable iron ore concentrate produced shall be imposed.

(e) Consistent with the intent of this subdivision to impose a tax based upon the weight of merchantable iron ore concentrate, the commissioner of revenue may indirectly determine the weight of merchantable iron ore concentrate included in fluxed pellets by subtracting the weight of the limestone, dolomite, or olivine derivatives or other basic flux additives included in the pellets from the weight of the pellets. For purposes of this paragraph, "fluxed pellets" are pellets produced in a process in which limestone, dolomite, olivine, or other basic flux additives are combined with merchantable iron ore concentrate. No subtraction from the weight of the pellets shall be allowed for binders, mineral and chemical additives other than basic flux additives, or moisture.

(f) Notwithstanding any other provision of this subdivision, for concentrates produced in 1994 through 1999, the rate of the tax on direct reduced ore is determined under this paragraph. As used in this paragraph, "direct reduced ore" is ore that results in a product that has an iron content of at least 75 percent. The rate to be applied to direct reduced ore is 25 percent of the rate otherwise determined under this subdivision for the first 500,000 of taxable tons for the production year, and 50 percent of the rate otherwise determined for any remainder. If the taxpayer had no production in the two years prior to the current production year, the tonnage eligible to be taxed at 25 percent of the rate otherwise determined under this subdivision is the first 166,667 tons. If the taxpayer had some production in the year prior to the current production year but no production in the second prior year, the tonnage eligible to be taxed at 25 percent of the rate otherwise determined under this subdivision is the first 333,333 tons.

Sec. 4. Minnesota Statutes 1993 Supplement, section 298.28, subdivision 9a, is amended to read:

Subd. 9a. [TACONITE ECONOMIC DEVELOPMENT FUND.] (a) 10.4 cents per ton for distributions in 1993 and 15.4 cents per ton for distributions in 1994, 1995, and 1996 shall be paid to the taconite economic development fund. No distribution shall be made under this paragraph in any year in which total industry production falls below 30 million tons.

(b) An amount equal to 50 percent of the tax under section 298.24 for concentrate sold in the form of pellet chips and fines not exceeding 1/4 inch in size and not including crushed pellets shall be paid to the taconite economic development fund. The amount paid shall not exceed \$700,000 annually for all companies. If the initial amount to be paid to the fund exceeds this amount,

each company's payment shall be prorated so the total does not exceed \$700,000.

Sec. 5. Minnesota Statutes 1992, section 298.28, is amended by adding a subdivision to read:

Subd. 11a. [PRORATED DISTRIBUTIONS.] For production years 1994 through 1999, distributions under this section that are based on a number of cents per ton explicitly provided in this section shall be reduced on a pro rata basis to reflect the reduction in tax proceeds as a result of the tax rate reduction applied to direct reduced ore under section 298.24, subdivision 1, paragraph (f).

Sec. 6. Minnesota Statutes 1992, section 298.296, subdivision 2, is amended to read:

Subd. 2. [EXPENDITURE OF FUNDS.] Before January 1, 2002, funds may be expended on projects and for administration of the trust fund only from the net interest, earnings, and dividends arising from the investment of the trust at any time, including net interest, earnings, and dividends that have arisen prior to July 13, 1982, plus \$10,000,000 made available for use in fiscal year 1983, except that any amount required to be paid out of the trust fund to provide the property tax relief specified in Laws 1977, chapter 423, article X, section 4, and to make school bond payments and payments to recipients of taconite production tax proceeds pursuant to section 298.225, may be taken from the corpus of the trust. Additionally, upon recommendation by the board, up to \$10,000,000 from the corpus of the trust may be made available for use as provided in subdivision 4. On and after January 1, 2002, funds may be expended on projects and for administration from any assets of the trust. Annual administrative costs, not including detailed engineering expenses for the projects, shall not exceed five percent of the net interest, dividends, and earnings arising from the trust in the preceding fiscal year.

Principal and interest received in repayment of loans made pursuant to this section, and earnings on other investments made under section 298.292, subdivision 2, clause (4), shall be deposited in the state treasury and credited to the trust. These receipts are appropriated to the board for the purposes of sections 298.291 to 298.298.

Sec. 7. Minnesota Statutes 1992, section 298.296, is amended by adding a subdivision to read:

Subd. 4. [TEMPORARY LOAN AUTHORITY.] The board may recommend that up to \$10,000,000 from the corpus of the trust may be used for loans as provided in this subdivision. The money would be available for loans for construction and equipping of facilities constituting (1) a value added iron products plant, which may be either a new plant or a facility incorporated into an existing plant that produces iron upgraded to a minimum of 75 percent iron content or any iron alloy with a total minimum metallic content of 90 percent; or (2) a new mine or minerals processing plant for any mineral subject to the net proceeds tax imposed under section 298.015. A loan under this subdivision may not exceed \$5,000,000 for any facility. The authority to make loans under this subdivision terminates December 31, 1995.

Sec. 8. [EFFECTIVE DATE.]

Section 1 is effective for sales after June 30, 1994, provided that no refunds will be paid under section 1 until after June 30, 1995.

ARTICLE 4

BOARD OF GOVERNMENT INNOVATION AND COOPERATION

Section 1. Minnesota Statutes 1993 Supplement, section 465.795, subdivision 7, is amended to read:

Subd. 7. [SCOPE.] As used in sections 465.795 to 465.799 and sections ~~465.80~~ 465.801 to 465.87, the terms defined in this section have the meanings given them.

Sec. 2. Minnesota Statutes 1993 Supplement, section 465.796, subdivision 2, is amended to read:

Subd. 2. [DUTIES OF BOARD.] The board shall:

(1) accept applications from local government units for waivers of administrative rules and temporary, limited exemptions from enforcement of procedural requirements in state law as provided in section 465.797, and determine whether to approve, modify, or reject the application;

(2) accept applications for grants to local government units and related organizations proposing to design models or plans for innovative service delivery and management as provided in section 465.798 and determine whether to approve, modify, or reject the application;

(3) accept applications from local government units for financial assistance to enable them to plan for cooperative efforts as provided in section 465.799, and determine whether to approve, modify, or reject the application;

(4) accept applications from eligible local government units for service-sharing grants as provided in section ~~465.80~~ 465.801, and determine whether to approve, modify, or reject the application;

(5) accept applications from counties, cities, and towns proposing to combine under sections 465.81 to 465.87, and determine whether to approve or disapprove the application; and

(6) make recommendations to the legislature regarding the elimination of state mandates that inhibit local government efficiency, innovation, and cooperation.

The board may purchase services from the metropolitan council in reviewing requests for waivers and grant applications.

Sec. 3. Minnesota Statutes 1993 Supplement, section 465.797, subdivision 1, is amended to read:

Subdivision 1. [GENERALLY.] (a) Except as provided in paragraph (b), a local government unit may request the board of government innovation and cooperation to grant a waiver from one or more administrative rules or a temporary, limited exemption from enforcement of state procedural laws governing delivery of services by the local government unit. Two or more local government units may submit a joint application for a waiver or exemption under this section if they propose to cooperate in providing a service or program that is subject to the rule or law. ~~Before submitting an application to the board, the governing body of the local government unit must approve the waiver or exemption request by resolution at a meeting required to be public under section 471.705. A local government unit or two or more~~

units acting jointly may apply for a waiver or exemption on behalf of a nonprofit organization providing services to clients whose costs are paid by the unit or units. A waiver or exemption granted to a nonprofit organization under this section applies to services provided to all the organization's clients.

(b) A school district that is granted a variance from rules of the state board of education under section 121.11, subdivision 12, need not apply to the board for a waiver of those rules under this section. A school district may not seek a waiver of rules under this section if the state board of education has authority to grant a variance to the rules under section 121.11, subdivision 12. This paragraph does not preclude a school district from being included in a cooperative effort with another local government unit under this section.

Sec. 4. Minnesota Statutes 1993 Supplement, section 465.797, subdivision 2, is amended to read:

Subd. 2. [APPLICATION.] A local government unit requesting a waiver of a rule or exemption from enforcement of a law under this section shall present a written application to the board. The application must include:

- (1) identification of the service or program at issue;
- (2) identification of the administrative rule or the law imposing a procedural requirement with respect to which the waiver or exemption is sought; *and*
- (3) a description of the improved service outcome sought, including an explanation of the effect of the waiver or exemption in accomplishing that outcome;
- (4) a description of the means by which the attainment of the outcome will be measured; *and*
- (5) ~~if the waiver or exemption is proposed by a single local government unit, a description of the consideration given to intergovernmental cooperation in providing this service, and an explanation of why the local government unit has elected to proceed independently.~~

A copy of the application must be provided by the requesting local government unit to the exclusive representative of its employees as certified under section 179A.12 *to represent employees who provide the service or program affected by the requested waiver or exemption.*

Sec. 5. Minnesota Statutes 1993 Supplement, section 465.797, subdivision 3, is amended to read:

Subd. 3. [REVIEW PROCESS.] (a) Upon receipt of an application from a local government unit, the board shall review the application. The board shall ~~dismiss or request modification of an application within 60 days of its receipt if it finds that (1) the application does not meet the requirements of subdivision 2, or (2) the application should not be granted because it clearly~~ proposes a waiver of rules or exemption from enforcement of laws that would result in due process violations, violations of federal law or the state or federal constitution, or the loss of services to people who are entitled to them.

(b) *The board shall determine whether a law from which an exemption for enforcement is sought is a procedural law, specifying how a local government unit is to achieve an outcome, rather than a substantive law prescribing the outcome or otherwise establishing policy. In making its determination, the board shall consider whether the law specifies such requirements as:*

(1) *who must deliver a service;*

(2) *where the service must be delivered;*

(3) *to whom and in what form reports regarding the service must be made;*
and

(4) *how long or how often the service must be made available to a given recipient.*

(c) If the commissioner of finance, the commissioner of administration, or the state auditor has jurisdiction over a rule or law affected by an application, the chief administrative law judge, as soon as practicable after receipt of the application, shall designate a third administrative law judge to serve as a member of the board in place of that official while the board is deciding whether to grant the waiver or exemption.

*(d) If the application is submitted by a local government unit in the metropolitan area or the unit requests a waiver of a rule or temporary, limited exemptions from enforcement of a procedural law over which the metropolitan council or a metropolitan agency has jurisdiction, the board shall also transmit a copy of the application to the council for review and comment. The council shall report its comments to the board within 60 days of the date the application was transmitted to the council. The council may point out any resources or technical assistance it may be able to provide a local government submitting a request under this section. **If it does not dismiss***

*(e) Within 15 days after receipt of the application, the board shall transmit a copy of it to the commissioner of each agency having jurisdiction over a rule or law from which a waiver or exemption is sought. The agency may mail a notice that it has received an application for a waiver or exemption to all persons who have registered with the agency under section 14.14, subdivision 1a, identifying the rule or law from which a waiver or exemption is requested. If no agency has jurisdiction over the rule or law, the board shall transmit a copy of the application to the attorney general. ~~If the commissioner of finance, the commissioner of administration, or the state auditor has jurisdiction over the rule or law, the chief administrative law judge shall appoint a second administrative law judge to serve as a member of the board in the place of that official for purposes of determining whether to grant the waiver or exemption.~~ The agency shall inform the board of its agreement with or objection to and grounds for objection to the waiver or exemption request within 60 days of the date when the application was transmitted to it. *An agency's failure to do so is considered agreement to the waiver or exemption. The board shall decide whether to grant a waiver or exemption at its next regularly scheduled meeting following its receipt of an agency's response or the end of the 60-day response period. If consideration of an application is not concluded at that meeting, the matter may be carried over to the next meeting of the board.* Interested persons may submit written comments to the board on the waiver or exemption request ~~within 60 days of the board's receipt of up to the time of its vote on the application. If the agency fails to inform the board of its conclusion with respect to the application within 60 days of its receipt, the agency is deemed to have agreed to the waiver or exemption.~~*

(f) If the exclusive representative of the affected employees of the requesting local government unit objects to the waiver or exemption request it may inform the board of the objection to and the grounds for the objection

to the waiver or exemption request within 60 days of the receipt of the application.

Sec. 6. Minnesota Statutes 1993 Supplement, section 465.797, subdivision 4, is amended to read:

Subd. 4. [HEARING.] If the agency or the exclusive representative does not agree with the waiver or exemption request, the board shall set a date for a hearing on the application, ~~which may be no earlier than 90 days after the date when the application was transmitted to the agency.~~ The hearing must be conducted informally at a meeting of the board. Persons representing the local government unit shall present their case for the waiver or exemption, and persons representing the agency shall explain the agency's objection to it. Members of the board may request additional information from either party. The board may also request, either before or at the hearing, information or comments from representatives of business, labor, local governments, state agencies, consultants, and members of the public. If necessary, the hearing may be continued at a subsequent board meeting. A waiver or exemption must be granted by a vote of a majority of the board members. The board may modify the terms of the waiver or exemption request in arriving at the agreement required under subdivision 5.

Sec. 7. Minnesota Statutes 1993 Supplement, section 465.797, subdivision 5, is amended to read:

Subd. 5. [CONDITIONS OF AGREEMENTS.] If the board grants a request for a waiver or exemption, the board and the local government unit shall enter into an agreement providing for the delivery of the service or program that is the subject of the application. The agreement must specify desired outcomes and the means of measurement by which the board will determine whether the outcomes specified in the agreement have been met. The agreement must specify the duration of the waiver or exemption, which may be for no less than two years and no more than four years, subject to renewal if both parties agree. *The board may reconsider or renegotiate the agreement if the rule or law affected by the waiver or exemption is amended or repealed during the term of the original agreement.* A waiver of a rule under this section has the effect of a variance granted by an agency under section 14.05, subdivision 4. A local unit of government that is granted an exemption from enforcement of a procedural requirement in state law under this section is exempt from that law for the duration of the exemption. The board may require periodic reports from the local government unit, or conduct investigations of the service or program.

Sec. 8. Minnesota Statutes 1993 Supplement, section 465.798, is amended to read:

465.798 [SERVICE BUDGET MANAGEMENT MODEL GRANTS.]

One or more local units of governments, an association of local governments, the metropolitan council, ~~or an organization a local unit of government~~ acting in conjunction with ~~a local unit of government~~ *an organization or a state agency, or an organization established by two or more local units of government under a joint powers agreement* may apply to the board of government innovation and management for a grant to be used to develop models for innovative service budget management. *A copy of the application must be provided by the units to the exclusive representatives certified under*

section 179A.12 to represent employees who provide the service or program affected by the application.

Proposed models may provide options to local governments, neighborhood or community organizations, or individuals for managing budgets for service delivery. A copy of the work product for which the grant was provided must be furnished to the board upon completion, and the board may disseminate it to other local units of government or interested groups. If the board finds that the model was not completed or implemented according to the terms of the grant agreement, it may require the grantee to repay all or a portion of the grant. *The board shall award grants on the basis of each qualified applicant's score under a scoring system devised by the board.* The amount of a grant under this section ~~shall~~ may not exceed \$50,000.

Sec. 9. Minnesota Statutes 1993 Supplement, section 465.799, is amended to read:

465.799 [COOPERATION PLANNING GRANTS.]

Two or more local government units; *an association of local governments; a local unit of government acting in conjunction with the metropolitan council, an organization, or a state agency; or an organization formed by two or more local units of government under a joint powers agreement* may apply to the board of government innovation and cooperation for a grant to be used to develop a plan for intergovernmental cooperation in providing services. **The grant application must include the following information:**

(1) **the identity of the local government units proposing to enter into the planning process;**

(2) **a description of the services to be studied and the outcomes sought from the cooperative venture; and**

(3) **a description of the proposed planning process, including an estimate of its costs, identification of the individuals or entities who will participate in the planning process, and an explanation of the need for a grant to the extent that the cost cannot be paid out of the existing resources of the local government unit. A copy of the application must be submitted by the applicants to the exclusive representatives certified under section 179A.12 to represent employees who provide the service or program affected by the application.**

The plan may include model contracts or agreements to be used to implement the plan. A copy of the work product for which the grant was provided must be furnished to the board upon completion, *and the board may disseminate it to other local units of government or interested groups.* If the board finds that the grantee has failed to implement the plan *according to the terms of the agreement,* it may require the grantee to repay all or a portion of the grant. *The board shall award grants on the basis of each qualified applicant's score under a scoring system devised by the board.* The amount of a grant under this section ~~shall~~ may not exceed \$50,000.

Sec. 10. [465.801] [SERVICE SHARING GRANTS.]

Two or more local units of government; an association of local governments; a local unit of government acting in conjunction with the metropolitan council, an organization, or a state agency; or an organization established by two or more local units of government under a joint powers agreement may apply to the board of government innovation and cooperation for a grant to

be used to meet the start-up costs of providing shared services or functions. Agreements solely to make joint purchases are not sufficient to qualify under this section. A copy of the application must be provided by the applicants to the exclusive representatives certified under section 179A.12 to represent employees who provide the service or program affected by the application.

The proposal must include plans fully to integrate a service or function provided by two or more local government units. A copy of the work product for which the grant was provided must be furnished to the board upon completion, and the board may disseminate it to other local units of government or interested groups. If the board finds that the grantee has failed to implement the plan according to the terms of the agreement, it may require the grantee to repay all or a portion of the grant. The board shall award grants on the basis of each qualified applicant's score under a scoring system devised by the board. The amount of a grant under this section may not exceed \$50,000.

Sec. 11. [465.802] [GRANT CRITERIA.]

In deciding whether to award a grant under section 465.798, 465.799, or 465.801, the board shall consider such criteria as:

- (1) the uniqueness of the proposal;*
- (2) the number of local units of government or other organizations directly participating in the proposal and the potential of the proposal to benefit other local units of government interested in replicating the proposed project;*
- (3) the amount of resources dedicated to the proposal by the applicant, including in-kind contributions of resources, with due consideration for the relative ability of each applicant to use its own resources;*
- (4) the demonstrated level of commitment of the applicant to ensuring the success of the proposal;*
- (5) the degree of risk the applicant is willing to assume in implementing the proposal;*
- (6) a cost-benefit analysis of the proposal; and*
- (7) the involvement of the clients of the affected services in the planning process.*

Sec. 12. [APPROPRIATION.]

\$2,300,000 is appropriated to the board of government innovation and cooperation to implement and administer the programs of the board in fiscal year 1995.

Sec. 13. [REPEALER.]

Minnesota Statutes 1992, section 465.80, subdivision 3, is repealed. Minnesota Statutes 1993 Supplement, section 465.80, subdivisions 1, 2, 4, and 5, are repealed.

PROPERTY TAX

Section 1. [17.4999] [STORAGE, HANDLING, AND DISPOSAL OF FISH MANURE.]

Fish manure from aquatic farm operations:

(1) *is subject to the same requirements under state law and rules as other animal manures; and*

(2) *if managed in a pond system, may be applied as a manipulated manure under chapter 18C if certified by the commissioner.*

Sec. 2. Minnesota Statutes 1992, section 97A.135, subdivision 3, is amended to read:

Subd. 3. [COOPERATIVE FARMING AGREEMENTS.] On any public hunting, game refuge, ~~or~~ wildlife management area, *or scientific and natural area lands*, the commissioner may enter into written cooperative farming agreements ~~with nearby farmers~~ on a sharecrop basis, without competitive bidding, for the purpose of ~~establishing or maintaining wildlife food or cover for habitat purposes and plant management.~~ *Cooperative farming agreements may also be used to allow pasturing of livestock.* The agreements may provide for the bartering of a share of any crop, ~~not exceeding \$1,500 in value and produced from these lands, for services such as weed control, planting, cultivation, or other wildlife habitat practices or products that will enhance or benefit the management of state lands for plant and animal species.~~ *Cooperative farming agreements pursuant to this section shall not be considered leases for tax purposes under section 272.01, subdivision 2, or 273.19.*

Sec. 3. Minnesota Statutes 1992, section 271.06, subdivision 7, is amended to read:

Subd. 7. [RULES.] ~~(a)~~ *Except as provided in section 278.05, subdivision 6,* the rules of evidence and civil procedure for the district court of Minnesota shall govern the procedures in the tax court, where practicable. The tax court may adopt rules under chapter 14. The rules in effect on January 1, 1989, apply until superseded.

~~(b) Notwithstanding paragraph (a), information, including income and expense figures, verified net rentable areas, and anticipated income and expenses, for income-producing property which is not provided to the county assessor at least 45 days before any hearing under this chapter, is not admissible except if necessary to prevent undue hardship or when the failure to provide it was due to the unavailability of the evidence at that time.~~

~~(c) Notwithstanding paragraph (a) and provided that the information as contained in paragraph (b) is timely submitted to the county assessor, the county assessor shall furnish the petitioner at least five days before the hearing under this chapter with the property's appraisal, if any, which will be presented to the court at the hearing. An appraisal of the petitioner's property done by or for the county or by or for the petitioner shall not be admissible as evidence if the provisions within this paragraph are not met.~~

Sec. 4. Minnesota Statutes 1993 Supplement, section 273.11, subdivision 16, is amended to read:

Subd. 16. [VALUATION EXCLUSION FOR CERTAIN IMPROVEMENTS.] Improvements to homestead property made before January 2, 2003, shall be fully or partially excluded from the value of the property for

assessment purposes provided that the house is at least 35 years old at the time of the improvement. *The age of a residence is the number of years that the residence has existed at its present site.* In the case of an owner-occupied duplex or triplex, the improvement is eligible regardless of which portion of the property was improved.

If the property lies in a jurisdiction which is subject to a building permit process, a building permit must have been issued ~~covering~~ *prior to commencement of the improvement.* If the property lies in a jurisdiction which is not subject to a building permit process, ~~the~~ *an application must be made to the assessor prior to commencement of the improvement.* Any improvement must add at least \$1,000 to the value of the property *to be eligible for exclusion under this subdivision.* Only improvements to the structure which is the residence of the qualifying homesteader or ~~the~~ *construction of or improvements to no more than one two-car garage per residence* qualify for the provisions of this subdivision. *If an improvement was begun between January 2, 1992, and January 2, 1993, any value added from that improvement for the January 1994 and subsequent assessments shall qualify for exclusion under this subdivision provided that a building permit was obtained for the improvement between January 2, 1992, and January 2, 1993.* Whenever a building permit is issued for property currently classified as homestead, the issuing jurisdiction shall notify the assessor of the possibility of valuation exclusion under this subdivision. The assessor may require an application process and documentation of the age of the house from the owner, if unknown. *If an application is required by the county or the local taxing jurisdiction in which the property is located, the application may be filed subsequent to the date of the building permit provided that the application is filed prior to the next assessment date.* *After the adjournment of the 1994 county board of equalization meetings, no exclusion may be granted for an improvement by a local board of review or county board of equalization unless a building permit was issued or application was completed prior to the commencement of the improvement. No abatement of the taxes for qualifying improvements may be granted by a county board unless a building permit was issued or application completed prior to commencement of the improvement.*

The assessor shall note the qualifying value of each improvement on the property's record, and the sum of those amounts shall be subtracted from the value of the property in each year for ten years after the improvement has been made, at which time an amount equal to 20 percent of the qualifying value shall be added back in each of the five subsequent assessment years. The valuation exclusion shall terminate whenever (1) the property is sold, or (2) the property is reclassified to a class which does not qualify for treatment under this subdivision. *Improvements made by an occupant who is the purchaser of the property under a conditional purchase contract do not qualify under this subdivision unless the seller of the property is a governmental entity. The qualifying value of the property shall be computed based upon the increase from that structure's market value as of January 2 preceding the acquisition of the property by the governmental entity.*

The total qualifying value for a homestead may not exceed \$50,000. The total qualifying value for a homestead with a house that is less than 70 years old may not exceed \$25,000. The term "qualifying value" means the increase in estimated market value resulting from the improvement if the improvement occurs when the house is at least 70 years old, or one-half of the increase in estimated market value resulting from the improvement otherwise. The

\$25,000 and \$50,000 maximum qualifying value under this section subdivision may result from up to three separate improvements to the homestead. *If more than three improvements are made to the qualifying property, the taxpayer may choose which three improvements are eligible, provided that after the choice has been made and valuation attributable to the improvement has been excluded from taxation, no change can be made.*

If 50 percent or more of the square footage of a structure is voluntarily razed or removed, the valuation increase attributable to any subsequent improvements to the remaining structure does not qualify for the exclusion under this subdivision. If a structure is unintentionally or accidentally destroyed by a natural disaster, the property is eligible for an exclusion under this subdivision provided that the structure was not completely destroyed. The qualifying value on property destroyed by a natural disaster shall be computed based upon the increase from that structure's market value as determined on January 2 of the year in which the disaster occurred. A property receiving benefits under the homestead disaster provisions under section 273.123 is not disqualified from receiving an exclusion under this subdivision. If any combination of improvements made to a structure after January 1, 1993, increase the size of the structure by 100 percent or more, the valuation increase attributable to the portion of the improvement that causes the structure's size to exceed 100 percent does not qualify for exclusion under this subdivision.

Sec. 5. Minnesota Statutes 1992, section 273.11, is amended by adding a subdivision to read:

Subd. 18. [DISCLOSURE OF VALUATION EXCLUSION.] No seller of real property shall sell or offer for sale property that, for purposes of property taxation, has an exclusion from market value for home improvements under section 273.11, subdivision 16, without disclosing to the buyer the existence of the excluded valuation and informing the buyer that the exclusion will end upon the sale of the property and that the property's estimated market value for property tax purposes will increase accordingly.

Sec. 6. Minnesota Statutes 1993 Supplement, section 273.124, subdivision 1, is amended to read:

Subdivision 1. [GENERAL RULE.] (a) Residential real estate that is occupied and used for the purposes of a homestead by its owner, who must be a Minnesota resident, is a residential homestead.

Agricultural land, as defined in section 273.13, subdivision 23, that is occupied and used as a homestead by its owner, who must be a Minnesota resident, is an agricultural homestead.

Dates for establishment of a homestead and homestead treatment provided to particular types of property are as provided in this section.

Property of a trustee, beneficiary, or grantor of a trust is not disqualified from receiving homestead benefits if the homestead requirements under this chapter are satisfied.

The assessor shall require proof, as provided in subdivision 13, of the facts upon which classification as a homestead may be determined. Notwithstanding any other law, the assessor may at any time require a homestead application to be filed in order to verify that any property classified as a homestead continues to be eligible for homestead status.

When there is a name change or a transfer of homestead property, the assessor may reclassify the property in the next assessment unless a homestead application is filed to verify that the property continues to qualify for homestead classification.

(b) For purposes of this section, homestead property shall include property which is used for purposes of the homestead but is separated from the homestead by a road, street, lot, waterway, or other similar intervening property. The term "used for purposes of the homestead" shall include but not be limited to uses for gardens, garages, or other outbuildings commonly associated with a homestead, but shall not include vacant land held primarily for future development. In order to receive homestead treatment for the noncontiguous property, the owner shall apply for it to the assessor by July 1 of the year when the treatment is initially sought. After initial qualification for the homestead treatment, additional applications for subsequent years are not required.

(c) Residential real estate that is occupied and used for purposes of a homestead by a relative of the owner is a homestead but only to the extent of the homestead treatment that would be provided if the related owner occupied the property. For purposes of this paragraph, "relative" means a parent, stepparent, child, stepchild, spouse, grandparent, grandchild, brother, sister, uncle, or aunt. This relationship may be by blood or marriage. Property that was classified as seasonal recreational residential property at the time when treatment under this paragraph would first apply shall continue to be classified as seasonal recreational residential property for the first four assessment years beginning after the date when the relative of the owner occupies the property as a homestead; this delay also applies to property that, in the absence of this paragraph, would have been classified as seasonal recreational residential property at the time when the residence was constructed. Neither the related occupant nor the owner of the property may claim a property tax refund under chapter 290A for a homestead occupied by a relative. In the case of a residence located on agricultural land, only the house, garage, and immediately surrounding one acre of land shall be classified as a homestead under this paragraph, except as provided in paragraph (d).

(d) Agricultural property that is occupied and used for purposes of a homestead by a relative of the owner, is a homestead, only to the extent of the homestead treatment that would be provided if the related owner occupied the property, and only if all of the following criteria are met:

(1) the relative who is occupying the agricultural property is a son or daughter, *father, or mother* of the owner of the agricultural property *or a son or daughter of the spouse of the owner of the agricultural property,*

(2) the owner of the agricultural property must be a Minnesota resident,

(3) the owner of the agricultural property is not eligible to receive homestead treatment on any other agricultural property in Minnesota, and

(4) the owner of the agricultural property is limited to only one agricultural homestead per family under this paragraph.

For purposes of this paragraph, "agricultural property" means the house, garage, other farm buildings and structures, and agricultural land.

Application must be made to the assessor by the owner of the agricultural property to receive homestead benefits under this paragraph. The assessor may

require the necessary proof that the requirements under this paragraph have been met.

Sec. 7. Minnesota Statutes 1993 Supplement, section 273.13, subdivision 23, is amended to read:

Subd. 23. [CLASS 2.] (a) Class 2a property is agricultural land including any improvements that is homesteaded. The market value of the house and garage and immediately surrounding one acre of land has the same class rates as class 1a property under subdivision 22. The value of the remaining land including improvements up to \$115,000 has a net class rate of .45 percent of market value and a gross class rate of 1.75 percent of market value. The remaining value of class 2a property over \$115,000 of market value that does not exceed 320 acres has a net class rate of one percent of market value, and a gross class rate of 2.25 percent of market value. The remaining property over the \$115,000 market value in excess of 320 acres has a class rate of 1.5 percent of market value, and a gross class rate of 2.25 percent of market value.

(b) Class 2b property is (1) real estate, rural in character and used exclusively for growing trees for timber, lumber, and wood and wood products; (2) real estate that is not improved with a structure and is used exclusively for growing trees for timber, lumber, and wood and wood products, if the owner has participated or is participating in a cost-sharing program for afforestation, reforestation, or timber stand improvement on that particular property, administered or coordinated by the commissioner of natural resources; ~~or~~ (3) real estate that is nonhomestead agricultural land; *or* (4) *a landing area or public access area of a privately owned public use airport*. Class 2b property has a net class rate of 1.5 percent of market value, and a gross class rate of 2.25 percent of market value.

(c) Agricultural land as used in this section means contiguous acreage of ten acres or more, primarily used during the preceding year for agricultural purposes. Agricultural use may include pasture, timber, waste, unusable wild land, and land included in state or federal farm programs. "Agricultural purposes" as used in this section means the raising or cultivation of agricultural products.

(d) Real estate of less than ten acres used principally for raising or cultivating agricultural products, shall be considered as agricultural land, if it is not used primarily for residential purposes.

(e) The term "agricultural products" as used in this subdivision includes:

(1) livestock, dairy animals, dairy products, poultry and poultry products, fur-bearing animals, horticultural and nursery stock described in sections 18.44 to 18.61, fruit of all kinds, vegetables, forage, grains, bees, and apiary products by the owner;

(2) fish bred for sale and consumption if the fish breeding occurs on land zoned for agricultural use;

(3) the commercial boarding of horses if the boarding is done in conjunction with raising or cultivating agricultural products as defined in clause (1); and

(4) property which is owned and operated by nonprofit organizations used for equestrian activities, excluding racing.

(f) If a parcel used for agricultural purposes is also used for commercial or industrial purposes, including but not limited to:

- (1) wholesale and retail sales;
- (2) processing of raw agricultural products or other goods;
- (3) warehousing or storage of processed goods; and
- (4) office facilities for the support of the activities enumerated in clauses (1), (2), and (3),

the assessor shall classify the part of the parcel used for agricultural purposes as class 1b, 2a, or 2b, whichever is appropriate, and the remainder in the class appropriate to its use. The grading, sorting, and packaging of raw agricultural products for first sale is considered an agricultural purpose. A greenhouse or other building where horticultural or nursery products are grown that is also used for the conduct of retail sales must be classified as agricultural if it is primarily used for the growing of horticultural or nursery products from seed, cuttings, or roots and occasionally as a showroom for the retail sale of those products. Use of a greenhouse or building only for the display of already grown horticultural or nursery products does not qualify as an agricultural purpose.

The assessor shall determine and list separately on the records the market value of the homestead dwelling and the one acre of land on which that dwelling is located. If any farm buildings or structures are located on this homesteaded acre of land, their market value shall not be included in this separate determination.

(g) To qualify for classification under paragraph (b), clause (4), a privately owned public use airport must be licensed as a public airport under section 360.018. For purposes of paragraph (b), clause (4), "landing area" means that part of a privately owned public use airport properly cleared, regularly maintained, and made available to the public for use by aircraft and includes runways, taxi-ways, aprons, and sites upon which are situated landing or navigational aids. A landing area also includes land underlying both the primary surface and the approach surfaces that comply with all of the following:

(i) the land is properly cleared and regularly maintained for the primary purposes of the landing, taking off, and taxiing of aircraft; but that portion of the land that contains facilities for servicing, repair, or maintenance of aircraft is not included as a landing area;

(ii) the land is part of the airport property; and

(iii) the land is not used for commercial or residential purposes.

The land contained in a landing area under paragraph (b), clause (4), must be described and certified by the commissioner of transportation. The certification is effective until it is modified, or until the airport or landing area no longer meets the requirements of paragraph (b), clause (4). For purposes of paragraph (b), clause (4), "public access area" means property used as an aircraft parking ramp, apron, or storage hangar, or an arrival and departure building in connection with the airport.

Sec. 8. Minnesota Statutes 1993 Supplement, section 278.01, subdivision 1, is amended to read:

Subdivision 1. [DETERMINATION OF VALIDITY.] Any person having personal property, or any estate, right, title, or interest in or lien upon any parcel of land, who claims that such property has been partially, unfairly, or unequally assessed in comparison with other property in the (1) city, or (2) county, or (3) in the case of a county containing a city of the first class, the portion of the county excluding the first class city, or that the parcel has been assessed at a valuation greater than its real or actual value, or that the tax levied against the same is illegal, in whole or in part, or has been paid, or that the property is exempt from the tax so levied, may have the validity of the claim, defense, or objection determined by the district court of the county in which the tax is levied or by the tax court by serving one copy of a petition for such determination upon the county auditor, one copy on the county attorney, one copy on the county treasurer, and three copies on the county assessor. The county assessor shall immediately forward one copy of the petition to the appropriate governmental authority in a home rule charter or statutory city or town in which the property is located if that city or town employs its own certified assessor. A copy of the petition shall also be forwarded by the assessor to the school board of the school district in which the property is located.

In counties where the office of county treasurer has been combined with the office of county auditor, the county may elect to require the petitioner to serve the number of copies as determined by the county. The county assessor shall immediately forward one copy of the petition to the appropriate governmental authority in a home rule charter or statutory city or town in which the property is located if that city or town employs its own certified assessor. A list of petitioned properties, including the name of the petitioner, the identification number of the property, and the estimated market value, shall be sent on or before the first day of July by the county auditor/treasurer to the school board of the school district in which the property is located.

For all counties, the petitioner must file the copies with proof of service, in the office of the court administrator of the district court before ~~the 16th day of May~~ *March 15* of the year in which the tax becomes payable. A petition for determination under this section may be transferred by the district court to the tax court. An appeal may also be taken to the tax court under chapter 271 at any time following receipt of the valuation notice required by section 273.121 but prior to ~~May 16~~ *March 15* of the year in which the taxes are payable.

Sec. 9. Minnesota Statutes 1992, section 278.05, subdivision 6, is amended to read:

Subd. 6. Failure to provide the information required in this paragraph shall result in the dismissal of the petition, unless the failure to provide it was due to the unavailability of the evidence at that time.~~

(b) Provided that the information as contained in paragraph (a) is timely submitted to the county assessor, the county assessor shall furnish the petitioner at least five days before the hearing under this chapter with the property's appraisal, if any, which will be presented to the court at the hearing.

The petitioner shall furnish to the county assessor at least five days before the hearing under this chapter with the property's appraisal, if any, which will be presented to the court at the hearing. An appraisal of the petitioner's property done by or for the county ~~or by or for the petitioner~~ shall not be admissible as evidence if the *county assessor does not comply with the provisions within in this paragraph are not met*. *The petition shall be dismissed if the petitioner does not comply with the provisions in this paragraph.*

Sec. 10. Minnesota Statutes 1993 Supplement, section 383A.75, subdivision 3, is amended to read:

Subd. 3. [DUTIES.] The committee is authorized to and shall meet from time to time to make appropriate recommendations for the efficient and effective use of property tax dollars raised by the jurisdictions for programs, buildings, and operations. In addition, the committee shall:

(1) identify trends and factors likely to be driving budget outcomes over the next five years with recommendations for how the jurisdictions should manage those trends and factors to increase efficiency and effectiveness;

(2) agree, by ~~August~~ *September 1* of each year, on the appropriate level of overall property tax levy for the three jurisdictions and publicly report such to the governing bodies of each jurisdiction for ratification or modification by resolution;

The agreement may be by resolution of a governing body or town board or by a joint powers agreement pursuant to section 471.59. If levied, the tax is in addition to all other taxes on the property subject to it permitted to be levied for park and recreation purposes by the cities and towns other than for the support of the joint recreation board. It shall be disregarded in the calculation of all other mill rate or per capita tax levy limitations imposed by law or charter upon them. A city or town may withdraw its agreement to future taxes by notice to the recreation board and the county auditor unless provided otherwise by a joint powers agreement. The tax shall be collected by the Itasca county auditor and treasurer and paid directly to the Greenway joint recreation board.

Sec. 12. [ITASCA COUNTY TOWNS; CEMETERY ASSOCIATION.]

Notwithstanding Minnesota Statutes, section 471.24, each town which is a member of the Lakeview Cemetery Association, operated by the town of Iron Range, is authorized to levy a tax and make an appropriation not to exceed \$15,000 annually to the association for cemetery purposes.

The primary purpose is to collect, by legal classification of real property, information on the total square footage of land and structures within the respective counties by taxing jurisdiction. The square footage shall be identified separately for land and for structures.

By February 15, 1995, the commissioner shall provide a report to the tax committee of the house of representatives and the committee on taxes and tax laws of the senate. ARTICLE 6

PROPERTY TAX REFUND

Section 1. Minnesota Statutes 1992, section 270B.12, is amended by adding a subdivision to read:

Subd. 10. [PROPERTY TAX REFUNDS.] The commissioner may disclose to a county auditor and treasurer, and to their designated agents or employees, the property tax refund amounts for each parcel of homestead property in the county as determined by the commissioner under chapter 290A.

Sec. 2. Minnesota Statutes 1992, section 270B.12, is amended by adding a subdivision to read:

Subd. 11. [SOCIAL SECURITY NUMBERS.] For purposes of determining and administering homestead status and property tax refunds, the commissioner may disclose to a county auditor, county treasurer, county assessor, the county recorder or registrar of deeds and their designated agents or employees, and those officials may disclose to each other and to the

commissioner, the parcel identification number and the names and social security numbers of the owners of homestead property and their spouses.

Sec. 3. Minnesota Statutes 1993 Supplement, section 273.124, subdivision 1, is amended to read:

Subdivision 1. [GENERAL RULE.] (a) Residential real estate that is occupied and used for the purposes of a homestead by its owner, who must be a Minnesota resident, is a residential homestead.

Agricultural land, as defined in section 273.13, subdivision 23, that is occupied and used as a homestead by its owner, who must be a Minnesota resident, is an agricultural homestead.

Dates for establishment of a homestead and homestead treatment provided to particular types of property are as provided in this section.

The assessor shall require proof, as provided in subdivision 13, of the facts upon which classification as a homestead may be determined. Notwithstanding any other law, the assessor may at any time require a homestead application to be filed in order to verify that any property classified as a homestead continues to be eligible for homestead status.

When there is a name change or a transfer of homestead property, the assessor may reclassify the property in the next assessment unless a homestead application is filed to verify that the property continues to qualify for homestead classification.

(b) For purposes of this section, homestead property shall include property which is used for purposes of the homestead but is separated from the homestead by a road, street, lot, waterway, or other similar intervening property. The term "used for purposes of the homestead" shall include but not be limited to uses for gardens, garages, or other outbuildings commonly associated with a homestead, but shall not include vacant land held primarily for future development. In order to receive homestead treatment for the noncontiguous property, the owner shall apply for it to the assessor by July 1 of the year when the treatment is initially sought. After initial qualification for the homestead treatment, additional applications for subsequent years are not required.

(c) Residential real estate that is occupied and used for purposes of a homestead by a relative of the owner is a homestead but only to the extent of the homestead treatment that would be provided if the related owner occupied the property. For purposes of this paragraph, "relative" means a parent, stepparent, child, stepchild, spouse, grandparent, grandchild, brother, sister, uncle, or aunt. This relationship may be by blood or marriage. Property that was classified as seasonal recreational residential property at the time when treatment under this paragraph would first apply shall continue to be classified as seasonal recreational residential property for the first four assessment years beginning after the date when the relative of the owner occupies the property as a homestead; this delay also applies to property that, in the absence of this paragraph, would have been classified as seasonal recreational residential property at the time when the residence was constructed. Neither the related occupant nor the owner of the property may claim a property tax refund under chapter 290A for a homestead occupied by a relative. In the case of a residence located on agricultural land, only the house, garage, and immedi-

ately surrounding one acre of land shall be classified as a homestead under this paragraph, except as provided in paragraph (d).

(d) Agricultural property that is occupied and used for purposes of a homestead by a relative of the owner, is a homestead, only to the extent of the homestead treatment that would be provided if the related owner occupied the property, and only if all of the following criteria are met:

(1) the relative who is occupying the agricultural property is a son or daughter of the owner of the agricultural property,

(2) the owner of the agricultural property must be a Minnesota resident,

(3) the owner of the agricultural property is not eligible to receive homestead treatment on any other agricultural property in Minnesota, and

(4) the owner of the agricultural property is limited to only one agricultural homestead per family under this paragraph.

For purposes of this paragraph, "agricultural property" means the house, garage, other farm buildings and structures, and agricultural land.

Application must be made to the assessor by the owner of the agricultural property to receive homestead benefits under this paragraph. The assessor may require the necessary proof that the requirements under this paragraph have been met.

(e) In the case of property owned by a property owner who is married, the assessor must not deny homestead treatment in whole or in part if only one of the spouses occupies the property and the other spouse is absent due to: (1) marriage dissolution proceedings, (2) legal separation, (3) employment or self-employment in another location as provided under subdivision 13, or (4) residence in a nursing home or boarding care facility.

Sec. 4. Minnesota Statutes 1993 Supplement, section 273.124, subdivision 13, is amended to read:

Subd. 13. [HOMESTEAD APPLICATION.] (a) A person who meets the homestead requirements under subdivision 1 must file a homestead application with the county assessor to initially obtain homestead classification.

(b) On or before January 2, ~~1993~~ 1995, each county assessor shall mail a homestead application to the owner of each parcel of property within the county which was classified as homestead for the ~~1992~~ 1994 assessment year. The format and contents of a uniform homestead application shall be prescribed by the commissioner of revenue. The commissioner shall consult with the chairs of the house and senate tax committees on the contents of the homestead application form. The application must clearly inform the taxpayer that this application must be signed by all owners who occupy the property, *by all the owners' spouses if the spouses occupy the property*, or by the qualifying relative, and returned to the county assessor in order for the property to continue receiving homestead treatment. The envelope containing the homestead application shall clearly identify its contents and alert the taxpayer of its necessary immediate response.

(c) Every property owner applying for homestead classification must furnish to the county assessor the social security number of each occupant who is listed as an owner of the property on the ~~homestead application deed of record~~, and the name and address of each owner who does not occupy the

property, and the name and social security number of each owner's spouse who occupies the property. If a property owner occupies a homestead property owner's spouse may not claim another property as a homestead unless the property owner and the property owner's spouse file with the assessor an affidavit or other proof required by the assessor stating that the property owner's spouse does not occupy the homestead because marriage dissolution proceedings are pending, the spouses are legally separated, or the spouse's employment or self-employment location requires the spouse to have a separate homestead. The assessor may require proof of employment or self-employment and employment or self-employment location, or proof of dissolution proceedings or legal separation.

If the social security number or affidavit or other proof is not provided, the county assessor shall classify the property as nonhomestead.

The social security numbers or affidavits or other proofs of the property owners and spouses are private data on individuals as defined by section 13.02, subdivision 12, but, notwithstanding that section, the private data may be disclosed to the commissioner of revenue.

(d) If residential real estate is occupied and used for purposes of a homestead by a relative of the owner and qualifies for a homestead under subdivision 1, paragraph (c), in order for the property to receive homestead status, a homestead application must be filed with the assessor. The social security number of each relative occupying the property and the social security number of each owner who is related to an occupant of the property shall be required on the homestead application filed under this subdivision. If a different relative of the owner subsequently occupies the property, the owner of the property must notify the assessor within 30 days of the change in occupancy. The social security number of a relative occupying the property is private data on individuals as defined by section 13.02, subdivision 12, but may be disclosed to the commissioner of revenue.

(e) The homestead application shall also notify the property owners that the application filed under this section will not be mailed annually and that if the property is granted homestead status for the 1993 1995 assessment, or any assessment year thereafter, that same property shall remain classified as homestead until the property is sold or transferred to another person, or the owners or the relatives no longer use the property as their homestead. Upon the sale or transfer of the homestead property, a certificate of value must be timely filed with the county auditor as provided under section 272.115. Failure to notify the assessor within 30 days that the property has been sold, transferred, or that the owner or the relative is no longer occupying the property as a homestead, shall result in the penalty provided under this subdivision and the property will lose its current homestead status.

(f) If the homestead application is not returned within 30 days, the county will send a second application to the present owners of record. The notice of proposed property taxes prepared under section 275.065, subdivision 3, shall reflect the property's classification. ~~Beginning with assessment year 1993 for all properties,~~ If a homestead application has not been filed with the county by December 15, the assessor shall classify the property as nonhomestead for the current assessment year for taxes payable in the following year, provided that the owner may be entitled to receive the homestead classification by proper application under section 375.192.

(g) At the request of the commissioner, each county must give the commissioner a list that includes the name and social security number of each property owner *and the property owner's spouse occupying the property*, or relative of a property owner, applying for homestead classification under this subdivision. The commissioner shall use the information provided on the lists as appropriate under the law, including for the detection of improper claims by owners, or relatives of owners, under chapter 290A.

(h) If, in comparing the lists supplied by the counties, the commissioner finds that a property owner is claiming more than one homestead, the commissioner shall notify the appropriate counties. Within 90 days of the notification, the county assessor shall investigate to determine if the homestead classification was properly claimed. If the property owner does not qualify, the county assessor shall notify the county auditor who will determine the amount of homestead benefits that had been improperly allowed. For the purpose of this section, "homestead benefits" means the tax reduction resulting from the classification as a homestead under section 273.13, the taconite homestead credit under section 273.135, *and the supplemental homestead credit under section 273.1391, and the property tax refunds deducted on the property tax statement under chapter 290A.*

The county auditor shall send a notice to the owners of the affected property, demanding reimbursement of the homestead benefits plus a penalty equal to 100 percent of the homestead benefits. The property owners may appeal the county's determination by filing a notice of appeal with the Minnesota tax court within 60 days of the date of the notice from the county. If the amount of homestead benefits and penalty is not paid within 60 days, and if no appeal has been filed, the county auditor shall certify the amount of taxes and penalty to the succeeding year's tax list to be collected as part of the property taxes.

(i) Any amount of homestead benefits recovered by the county from the property owner shall be distributed to the county, city or town, and school district where the property is located in the same proportion that each taxing district's levy was to the total of the three taxing districts' levy for the current year. *Any amount recovered attributable to property tax refunds reimbursed to the county by the state shall be paid to the commissioner of revenue for deposit in the fund from which it was paid.* Any amount recovered attributable to taconite homestead credit shall be transmitted to the St. Louis county auditor to be deposited in the taconite property tax relief account. The total amount of penalty collected must be deposited in the county general fund.

(j) If a property owner has applied for more than one homestead and the county assessors cannot determine which property should be classified as homestead, the county assessors will refer the information to the commissioner. The commissioner shall make the determination and notify the counties within 60 days.

(k) In addition to lists of homestead properties, the commissioner may ask the counties to furnish lists of all properties and the record owners.

Sec. 5. Minnesota Statutes 1993 Supplement, section 275.065, subdivision 3, is amended to read:

Subd. 3. [NOTICE OF PROPOSED PROPERTY TAXES.] (a) The county auditor shall prepare and the county treasurer shall deliver after November 10 and on or before November 24 each year, by first class mail to each taxpayer

at the address listed on the county's current year's assessment roll, a notice of proposed property taxes and, in the case of a town, final property taxes.

(b) The commissioner of revenue shall prescribe the form of the notice.

(c) The notice must inform taxpayers that it contains the amount of property taxes each taxing authority other than a town proposes to collect for taxes payable the following year and, for a town, the amount of its final levy. It must clearly state that each taxing authority, including regional library districts established under section 134.201, and including the metropolitan taxing districts as defined in paragraph (i), but excluding all other special taxing districts and towns, will hold a public meeting to receive public testimony on the proposed budget and proposed or final property tax levy, or, in case of a school district, on the current budget and proposed property tax levy. It must clearly state the time and place of each taxing authority's meeting and an address where comments will be received by mail. For 1993, the notice must clearly state that each taxing authority holding a public meeting will describe the increases or decreases of the total budget, including employee and independent contractor compensation in the prior year, current year, and the proposed budget year.

(d) The notice must state for each parcel:

(1) the market value of the property as determined under section 273.11, and used for computing property taxes payable in the following year and for taxes payable in the current year; and, in the case of residential property, whether the property is classified as homestead or nonhomestead. The notice must clearly inform taxpayers of the years to which the market values apply and that the values are final values;

(2) by county, city or town, school district excess referenda levy, remaining school district levy, regional library district, if in existence, the total of the metropolitan special taxing districts as defined in paragraph (i) and the sum of the remaining all special taxing districts, and as a total of the taxing authorities, including all special taxing districts, the proposed or, for a town, final net tax on the property for taxes payable the following year, *not including the property tax refunds under chapter 290A*, and the actual tax for taxes payable the current year, *not including the property tax refunds under chapter 290A*. *In the case of the city of Minneapolis, the levy for the Minneapolis library board and the levy for Minneapolis park and recreation shall be listed separately from the remaining amount of the city's levy.* In the case of a parcel where tax increment or the fiscal disparities areawide tax applies, the proposed tax levy on the captured value or the proposed tax levy on the tax capacity subject to the areawide tax must each be stated separately and not included in the sum of the special taxing districts; and

(3) the increase or decrease in the amounts in clause (2) from taxes payable in the current year to proposed or, for a town, final taxes payable the following year, expressed as a dollar amount and as a percentage.

(e) *For homesteads, other than manufactured homes described in section 273.125, subdivision 8, paragraph (c), the notice must clearly state that the final tax for taxes payable in the current year and the proposed tax for taxes payable the following year do not include the property tax refunds under chapter 290A for which the owner was or may be eligible. It must state that, if the property owner is eligible for the property tax refunds, the property tax refunds will be computed for taxes payable the following year, that the refunds*

will be shown as a deduction on the property tax statement for the second payment, and that the refunds will reduce the proposed tax shown on the notice.

The notice must clearly state that the proposed or final taxes do not include the following *and that these items may increase the proposed tax shown on the notice:*

 - (2) levies approved by the voters after the date the proposed taxes are certified, including bond referenda, school district levy referenda, and levy limit increase referenda;
 - (3) amounts necessary to pay cleanup or other costs due to a natural disaster occurring after the date the proposed taxes are certified;
 - (4) amounts necessary to pay tort judgments against the taxing authority that become final after the date the proposed taxes are certified;
 - (5) any additional amount levied in lieu of a local sales and use tax, unless this amount is included in the proposed or final taxes; and
 - (6) the contamination tax imposed on properties which received market value reductions for contamination.
- (f) Except as provided in subdivision 7, failure of the county auditor to prepare or the county treasurer to deliver the notice as required in this section does not invalidate the proposed or final tax levy or the taxes payable pursuant to the tax levy.

(g) If the notice the taxpayer receives under this section lists the property as nonhomestead and the homeowner provides satisfactory documentation to the county assessor that the property is owned and has been used as the owner's homestead prior to June 1 of that year, the assessor shall reclassify the property to homestead for taxes payable in the following year.

(h) In the case of class 4 residential property used as a residence for lease or rental periods of 30 days or more, the taxpayer must either:

- (1) mail or deliver a copy of the notice of proposed property taxes to each tenant, renter, or lessee; or
- (2) post a copy of the notice in a conspicuous place on the premises of the property.

(i) For purposes of this subdivision, subdivisions 5a and 6, "metropolitan special taxing districts" means the following taxing districts in the seven-county metropolitan area that levy a property tax for any of the specified purposes listed below:

- (1) metropolitan council under section 473.132, 473.167, 473.249, 473.325, 473.521, 473.547, or 473.834;

For purposes of this section, any levies made by the regional rail authorities in the county of Anoka, Carver, Dakota, Hennepin, Ramsey, Scott, or Washington under chapter 398A shall be included with the appropriate county's levy and shall be discussed at that county's public hearing.

The notice must be mailed or posted by the taxpayer by November 27 or within three days of receipt of the notice, whichever is later. A taxpayer may notify the county treasurer of the address of the taxpayer, agent, caretaker, or manager of the premises to which the notice must be mailed in order to fulfill the requirements of this paragraph.

Sec. 6. [276.012] [ADMINISTRATION OF PROPERTY TAX REFUND.]

On or before July 1 each year, the commissioner of revenue shall give the county auditor the property tax refund amount for each parcel of homestead property that qualifies for a refund on the property tax statement for taxes payable in the current year. The county auditor shall certify these amounts to the county treasurer who shall reflect the amounts as a property tax deduction on the property tax statements for the second half payment under section 276.04. The deduction is the sum of the amounts for which the property qualifies under section 290A.04, subdivisions 2 and 2h.

Sec. 7. Minnesota Statutes 1993 Supplement, section 276.04, subdivision 2, is amended to read:

Subd. 2. [CONTENTS OF TAX STATEMENTS.] (a) The treasurer shall provide for the printing of the tax statements. The commissioner of revenue shall prescribe the form of the property tax statement and its contents. *For homestead property, the statement must contain the parcel identification number.* The statement must contain a tabulated statement of the dollar amount due to each taxing authority from the parcel of real property for which a particular tax statement is prepared. The dollar amounts due the county, township or municipality, ~~the total of the metropolitan special taxing districts as defined in section 275.065, subdivision 3, paragraph (i),~~ school district excess referenda levy, remaining school district levy, and the total of other voter approved referenda levies based on market value under section 275.61 must be separately stated. The amounts due all ~~other~~ special taxing districts, if any, may be aggregated. The amount of the tax on contamination value imposed under sections 270.91 to 270.98, if any, must also be separately stated. The dollar amounts, including the dollar amount of any special assessments, may be rounded to the nearest even whole dollar. For purposes of this section whole odd-numbered dollars may be adjusted to the next higher even-numbered dollar. The statement shall include the following sentence, printed in upper case letters in boldface print: "THE STATE OF MINNESOTA DOES NOT RECEIVE ANY PROPERTY TAX REVENUES. THE STATE OF MINNESOTA REDUCES YOUR PROPERTY TAX BY PAYING CREDITS AND REIMBURSEMENTS TO LOCAL UNITS OF GOVERNMENT."

For homestead property other than manufactured homes described in section 273.125, subdivision 8, paragraph (c), a property tax statement shall be mailed separately for each payment. The tax statement for the first half payment must state that one-half of the tax shown is due on or before May 15. It must state that a statement for the rest of the tax due will be mailed by August 31 and that payment will be due on or before October 15. It must state that the second half statement will show the property tax refunds under chapter 290A as a deduction for the second half tax, if the taxpayer is eligible

for property tax refunds, and that the payment due on or before October 15 will be equal to or less than the May 15 payment.

(b) The property tax statements for manufactured homes and sectional structures taxed as personal property shall contain the same information that is required on the tax statements for real property.

(c) Real and personal property tax statements must contain the following information in the order given in this paragraph. The information must contain the current year tax information in the right column with the corresponding information for the previous year in a column on the left:

(2) the property's taxable market value after reductions under sections 273.11, subdivisions 1a and 16;

(3) the property's gross tax, calculated by multiplying the property's gross tax capacity times the total local tax rate and adding to the result the sum of the aids enumerated in clause (3);

(4) a total of the following aids:

(i) education aids payable under chapters 124 and 124A;

(ii) local government aids for cities, towns, and counties under chapter 477A; and

(iii) disparity reduction aid under section 273.1398;

(5) for homestead residential and agricultural properties, the homestead and agricultural credit aid apportioned to the property. This amount is obtained by multiplying the total local tax rate by the difference between the property's gross and net tax capacities under section 273.13. This amount must be separately stated and identified as "homestead and agricultural credit." For purposes of comparison with the previous year's amount for the statement for taxes payable in 1990, the statement must show the homestead credit for taxes payable in 1989 under section 273.13, and the agricultural credit under section 273.132 for taxes payable in 1989;

(6) any credits received under sections 273.119; 273.123; 273.135; 273.1391; 273.1398, subdivision 4; 469.171; and 473H.10, except that the amount of credit received under section 273.135 must be separately stated and identified as "taconite tax relief"; and

(7) *for the second half statement for eligible homestead properties, the property tax refunds for which the taxpayer qualifies under chapter 290A shown as a deduction on the statement; and*

(8) the net tax payable in the manner required in paragraph (a).

(d) The commissioner of revenue shall certify to the county auditor the actual or estimated aids enumerated in clauses (3) and (4) that local governments will receive in the following year. ~~In the case of a county containing a city of the first class, for taxes levied in 1991, and for all counties for taxes levied in 1992 and thereafter,~~ The commissioner must certify this amount by September 1.

For all other real property, statements of the real property taxes due must be mailed by March 31.

The county auditor shall, within 30 days after the settlement, send an abstract of it to the state auditor in the form prescribed by the state auditor. At the settlement the treasurer shall make complete returns of the receipts on the current tax list, showing the amount collected on account of the several funds included in the list.

Settlement of receipts from the later of May 20 or the actual settlement date to December 31 of each year must be made as provided in section 276.111.

For purposes of this section, "receipts" includes all tax payments received by the county treasurer on or before the settlement date and all property tax refunds paid to the county treasurer under chapter 290A.

Sec. 10. Minnesota Statutes 1992, section 276.10, is amended to read:

276.10 [APPORTIONMENT AND DISTRIBUTION OF FUNDS.]

The funds must be apportioned as provided by law, and credited to the state, town, city, school district, special district and each county fund. Within 20 days after the distribution is completed, the county auditor shall report to the state auditor in the form prescribed by the state auditor. The county auditor shall issue a

The county auditor may apply the local tax rate from the year before the year of distribution when apportioning and distributing delinquent tax proceeds, if the composition of the previous year's local tax rate between taxing districts is not significantly different from the local tax rate that existed for the year of the delinquency.

Sec. 11. Minnesota Statutes 1992, section 276.111, is amended to read:

After subtracting any tax distributions that have been made to the taxing districts in October and November, the treasurer shall pay to each of the taxing districts on or before January 25, the balance of the tax amounts *and property tax refund receipts* collected on behalf of each taxing district. Interest accrues at an annual rate of eight percent and must be paid to the taxing district if this final settlement amount is not paid by January 25. Subd. 2h. (a) If the gross property taxes payable on a homestead increase more than 12 percent over the net property taxes payable in the prior year on the same property that is owned and occupied by the same owner on January 2 of both years, and the amount of that increase is \$80 or more for taxes payable in 1993, and \$100 or more for taxes payable in 1994, 1995, and 1996, a claimant who is a homeowner shall be allowed an additional refund equal to 75 percent of the amount of the increase over the greater of 12 percent of the prior year's net property taxes payable or \$80 for taxes payable in 1993, and 75 percent of the amount of the increase over the greater of 12 percent of the prior year's net property taxes payable or \$100 for taxes payable in 1994, 1995, and 1996. This subdivision shall not apply to any increase in the gross property taxes payable attributable to improvements made to the homestead after the assessment date for the prior year's taxes.

The maximum refund allowed under this subdivision is \$1,500 for taxes payable in 1994 and \$750 for taxes payable in 1995 and 1996.

(b) For purposes of this subdivision, the following terms have the meanings given:

Notwithstanding the open appropriation provision of section 290A.23, if the estimated total refund claims for taxes payable in 1994, 1995, and 1996 exceed \$5,500,000, for each of the three years the commissioner shall increase the \$100 amount of tax increase which must occur before a taxpayer qualifies for a refund, and increase by an equal amount the \$100 threshold used in determining the amount of the refund, so that the estimated total refund claims do not exceed \$5,500,000 for taxes payable in 1994, for taxes payable in 1995, or for taxes payable in 1996.

The determinations of the revised thresholds by the commissioner are not rules subject to chapter 14.

Sec. 16. [1994 PROPOSED PROPERTY TAX NOTICE.]

The notice of proposed property taxes mailed to taxpayers in 1994, for taxes payable in 1995, under Minnesota Statutes, section 275.065, subdivision 3, must notify property owners that the social security numbers of both spouses, if both spouses occupy the property, must be furnished to the county assessor in order to receive homestead benefits under Minnesota Statutes, section 273.13, subdivision 22 or 23. The notice must state that all property owners must submit a new homestead application in 1995 that includes the social security number of the spouse, or the affidavit or proof required under Minnesota Statutes, section 273.124, subdivision 1, paragraph (e). The notice required by this section may be contained in a separate insert.

Sec. 17. [SOCIAL SECURITY INFORMATION FURNISHED TO COUNTY ASSESSORS.]

On or before July 1, 1994, the department of revenue shall furnish county assessors a list of the social security numbers of all owners and the owners' spouses for each parcel of homestead property in the county. A social security number provided under this section is private data on individuals as defined by Minnesota Statutes, section 13.02, subdivision 12, but, notwithstanding that section, the private data may be disclosed as provided in Minnesota Statutes, section 270B.12, subdivision 11.

The commissioner shall review the cost estimates and may correct them, return them to the county for changes, or request additional information or documentation. The grants must be awarded by the commissioner to each county in proportion to the county's expenses as finally determined by the commissioner.

Sec. 19. [EFFECTIVE DATE.]

Sections 1 and 2 are effective the day following final enactment. Sections 3 to 11, 14, and 15 are effective for property taxes levied in 1995, payable in 1996, and thereafter. Sections 12 and 13 are effective for taxes payable in 1995.

ARTICLE 7

LOCAL GOVERNMENT AIDS

Section 1. [LOCAL GOVERNMENT AID; STATEMENT OF PURPOSE.]

The purpose of local government aid is to provide property tax relief, and to reduce disparities among cities in property tax burdens that are due to differences in taxable property wealth and municipal overburden. Because some cities have property tax bases that are insufficient to meet the needs of their citizens for police, fire, and other basic city services, local government aid is needed so that adequate levels of needed city services can be provided by all cities at reasonable tax rates.

Sec. 2. Minnesota Statutes 1992, section 256E.06, subdivision 5, is amended to read:

Subd. 5. [COMMUNITY SOCIAL SERVICE LEVY.] In each calendar year, for taxes payable the following year, a county board shall levy upon all taxable property in the county a tax for community social services at least equal to the amount determined in subdivisions 1 and 2. Money for community social services provided to a county by a municipal levy may, for the purposes of this section, be counted as partial fulfillment of the local levy requirement. All money available to counties pursuant to this section may be used by counties to match federal money. *It is the intention of the legislature that the aid paid to counties under this section be used to provide property tax relief within the county.*

Sec. 3. Minnesota Statutes 1992, section 256E.06, is amended by adding a subdivision to read:

Subd. 13. [APPROPRIATION.] *In fiscal years 1996 and thereafter, there is appropriated from the general fund to the commissioner of human services for payment of aid under this section the amount appropriated in the previous year before any increases under section 16A.711, subdivision 5, multiplied by the greater of one or one plus the percentage increase of the implicit price deflator for state and local government purchases of goods and services prepared by the bureau of economic analysis of the United States Department of Commerce for the 12-month period ending March 31 of the previous year; provided that the percentage increase used in this subdivision shall be no less than three percent and no greater than five percent.*

Notwithstanding subdivisions 1 and 2, the increased appropriation available in fiscal year 1996 and thereafter must be used to increase each county's aid proportionately over the aid received in calendar year 1994. For calendar year 1995 only, each county's aid will be adjusted to reflect the increase that is required to occur in the second half of the calendar year.

The amount appropriated for aid to be paid under this section is considered to be held in trust for the recipients.

Sec. 4. Minnesota Statutes 1992, section 273.138, is amended by adding a subdivision to read:

Subd. 7. [ANNUAL APPROPRIATION.] A sum sufficient to make the payments required by this section to school districts is annually appropriated from the general fund to the commissioner of education. A sum sufficient to make the payments required by this section to counties is annually appropriated from the general fund to the commissioner of revenue.

Sec. 5. Minnesota Statutes 1992, section 273.1398, is amended by adding a subdivision to read:

Subd. 8. [APPROPRIATION.] An amount sufficient to pay the aids and credits provided under this section for school districts, intermediate school districts, or any group of school districts levying as a single taxing entity, is annually appropriated from the general fund to the commissioner of education. An amount sufficient to pay the aids and credits provided under this section for counties, cities, towns, and special taxing districts is annually appropriated from the general fund to the commissioner of revenue. A jurisdiction's aid amount may be increased or decreased based on any prior year adjustments for homestead credit or other property tax credit or aid programs.

The amount appropriated for aid to be paid under this section is considered to be held in trust for the recipients.

Sec. 6. Minnesota Statutes 1993 Supplement, section 273.166 is amended by adding a subdivision to read:

Subd. 5. [APPROPRIATION.] There is annually appropriated from the general fund to the commissioner of education a sum sufficient to pay the aids provided under this section for school districts, intermediate school districts, or any group of school districts levying as a single taxing entity. There is annually appropriated from the general fund to the commissioner of revenue a sum sufficient to pay the aids provided under this section to counties, cities, towns, and special taxing districts.

Sec. 7. Minnesota Statutes 1993 Supplement, section 275.065, subdivision 3, is amended to read:

Subd. 3. [NOTICE OF PROPOSED PROPERTY TAXES.] (a) The county auditor shall prepare and the county treasurer shall deliver after November 10 and on or before November 24 each year, by first class mail to each taxpayer at the address listed on the county's current year's assessment roll, a notice of proposed property taxes and, in the case of a town, final property taxes.

(b) The commissioner of revenue shall prescribe the form of the notice.

(c) The notice must inform taxpayers that it contains the amount of property taxes each taxing authority other than a town proposes to collect for taxes payable the following year and, for a town, the amount of its final levy. It must clearly state that each taxing authority, including regional library districts established under section 134.201, and including the metropolitan taxing districts as defined in paragraph (i), but excluding all other special taxing districts and towns, will hold a public meeting to receive public testimony on the proposed budget and proposed or final property tax levy, or, in case of a school district, on the current budget and proposed property tax levy. It must clearly state the time and place of each taxing authority's meeting and an

address where comments will be received by mail. For 1993, the notice must clearly state that each taxing authority holding a public meeting will describe the increases or decreases of the total budget, including employee and independent contractor compensation in the prior year, current year, and the proposed budget year.

(d) The notice must state for each parcel:

(1) the market value of the property as determined under section 273.11, and used for computing property taxes payable in the following year and for taxes payable in the current year; and, in the case of residential property, whether the property is classified as homestead or nonhomestead. The notice must clearly inform taxpayers of the years to which the market values apply and that the values are final values;

(2) by county, city or town, school district excess referenda levy, remaining school district levy, regional library district, if in existence, the total of the metropolitan special taxing districts as defined in paragraph (i) and the sum of the remaining special taxing districts, and as a total of the taxing authorities, including all special taxing districts, the proposed or, for a town, final net tax on the property for taxes payable the following year and the actual tax for taxes payable the current year. In the case of the city of Minneapolis, the levy for the Minneapolis library board and the levy for Minneapolis park and recreation shall be listed separately from the remaining amount of the city's levy. In the case of a parcel where tax increment or the fiscal disparities areawide tax applies, the proposed tax levy on the captured value or the proposed tax levy on the tax capacity subject to the areawide tax must each be stated separately and not included in the sum of the special taxing districts; and

(3) the increase or decrease in the amounts in clause (2) from taxes payable in the current year to proposed or, for a town, final taxes payable the following year, expressed as a dollar amount and as a percentage.

(e) The notice must clearly state that the proposed or final taxes do not include the following:

(1) special assessments;

(2) levies approved by the voters after the date the proposed taxes are certified, including bond referenda, school district levy referenda, and levy limit increase referenda;

(3) amounts necessary to pay cleanup or other costs due to a natural disaster occurring after the date the proposed taxes are certified;

(4) amounts necessary to pay tort judgments against the taxing authority that become final after the date the proposed taxes are certified; *and*

(5) ~~any additional amount levied in lieu of a local sales and use tax, unless this amount is included in the proposed or final taxes; and~~

~~(6) the contamination tax imposed on properties which received market value reductions for contamination.~~

(f) Except as provided in subdivision 7, failure of the county auditor to prepare or the county treasurer to deliver the notice as required in this section does not invalidate the proposed or final tax levy or the taxes payable pursuant to the tax levy.

(g) If the notice the taxpayer receives under this section lists the property as nonhomestead and the homeowner provides satisfactory documentation to the county assessor that the property is owned and has been used as the owner's homestead prior to June 1 of that year, the assessor shall reclassify the property to homestead for taxes payable in the following year.

(h) In the case of class 4 residential property used as a residence for lease or rental periods of 30 days or more, the taxpayer must either:

(1) mail or deliver a copy of the notice of proposed property taxes to each tenant, renter, or lessee; or

(2) post a copy of the notice in a conspicuous place on the premises of the property.

(i) For purposes of this subdivision, subdivisions 5a and 6, "metropolitan special taxing districts" means the following taxing districts in the seven-county metropolitan area that levy a property tax for any of the specified purposes listed below:

(1) metropolitan council under section 473.132, 473.167, 473.249, 473.325, 473.521, 473.547, or 473.834;

(2) metropolitan airports commission under section 473.667, 473.671, or 473.672;

(3) regional transit board under section 473.446; and

(4) metropolitan mosquito control commission under section 473.711.

For purposes of this section, any levies made by the regional rail authorities in the county of Anoka, Carver, Dakota, Hennepin, Ramsey, Scott, or Washington under chapter 398A shall be included with the appropriate county's levy and shall be discussed at that county's public hearing.

The notice must be mailed or posted by the taxpayer by November 27 or within three days of receipt of the notice, whichever is later. A taxpayer may notify the county treasurer of the address of the taxpayer, agent, caretaker, or manager of the premises to which the notice must be mailed in order to fulfill the requirements of this paragraph.

Sec. 8. Minnesota Statutes 1993 Supplement, section 290A.04, subdivision 2h, is amended to read:

Subd. 2h. (a) If the gross property taxes payable on a homestead increase more than 12 percent over the net property taxes payable in the prior year on the same property that is owned and occupied by the same owner on January 2 of both years, and the amount of that increase is \$80 or more for taxes payable in 1993, and \$100 or more for taxes payable in 1994, 1995, and 1996, a claimant who is a homeowner shall be allowed an additional refund equal to 75 percent of the amount of the increase over the greater of 12 percent of the prior year's net property taxes payable or \$80 for taxes payable in 1993, and 75 percent of the amount of the increase over the greater of 12 percent of the prior year's net property taxes payable or \$100 for taxes payable in 1994, 1995, and 1996. This subdivision shall not apply to any increase in the gross property taxes payable attributable to improvements made to the homestead after the assessment date for the prior year's taxes.

The maximum refund allowed under this subdivision is \$1,500.

(b) For purposes of this subdivision, the following terms have the meanings given:

(1) "Net property taxes payable" means property taxes payable minus refund amounts for which the claimant qualifies pursuant to subdivision 2 and this subdivision.

(2) "Gross property taxes" means net property taxes payable determined without regard to the refund allowed under this subdivision.

(c) In addition to the other proofs required by this chapter, each claimant under this subdivision shall file with the property tax refund return a copy of the property tax statement for taxes payable in the preceding year or other documents required by the commissioner.

On or before December 1, 1993, 1994, and 1995, the commissioner shall estimate the cost of making the payments provided by this subdivision for taxes payable in the following year. Notwithstanding the open appropriation provision of section ~~290A.23~~ 290A.231, if the estimated total refund claims for taxes payable in 1994, 1995, and 1996 exceed \$5,500,000, for each of the three years the commissioner shall increase the \$100 amount of tax increase which must occur before a taxpayer qualifies for a refund, and increase by an equal amount the \$100 threshold used in determining the amount of the refund, so that the estimated total refund claims do not exceed \$5,500,000 for taxes payable in 1994, for taxes payable in 1995, or for taxes payable in 1996.

The determinations of the revised thresholds by the commissioner are not rules subject to chapter 14.

Sec. 9. [290A.231] [ANNUAL APPROPRIATION.]

There is annually appropriated from the general fund to the commissioner of revenue the amount necessary to make the payments required by this chapter.

Sec. 10. Minnesota Statutes 1992, section 297A.02, is amended to read:

297A.02 [IMPOSITION OF TAX.]

Subdivision 1. [GENERALLY.] Except as otherwise provided in this chapter, there is imposed an excise tax of ~~six~~ 6.5 percent of the gross receipts from sales at retail made by any person in this state.

Subd. 2. [MACHINERY AND EQUIPMENT.] Notwithstanding the provisions of subdivision 1, the rate of the excise tax imposed upon sales of special tooling is ~~four~~ 4.5 percent and upon sales of farm machinery and aquaculture production equipment is ~~two~~ 2.5 percent.

Subd. 3. [LIQUOR AND BEER SALES.] Notwithstanding the provisions of subdivision 1, the rate of the excise tax imposed upon sales of intoxicating liquor, as defined in section 340A.101, subdivision 14, and 3.2 percent malt liquor, as defined in section 340A.101, subdivision 19, shall be ~~8.5~~ nine percent. The 3.2 percent malt liquor is subject to taxation under this subdivision only when sold at an on-sale or off-sale municipal liquor store or other establishment licensed to sell any type of intoxicating liquor.

Subd. 4. [MANUFACTURED HOUSING.] Notwithstanding the provisions of subdivision 1, for sales at retail of manufactured homes used for residential

purposes the excise tax is imposed upon 65 percent of the sales price of the home.

Sec. 11. Minnesota Statutes 1992, section 297A.44, subdivision 1, is amended to read:

Subdivision 1. (a) Except as provided in paragraphs (b), (c), and (d), ~~and subdivision 4~~, all revenues, including interest and penalties, derived from the excise and use taxes imposed by sections 297A.01 to 297A.44 shall be deposited by the commissioner in the state treasury and credited to the general fund.

(b) All excise and use taxes derived from sales and use of property and services purchased for the construction and operation of an agricultural resource project, from and after the date on which a conditional commitment for a loan guaranty for the project is made pursuant to section 41A.04, subdivision 3, shall be deposited in the Minnesota agricultural and economic account in the special revenue fund. The commissioner of finance shall certify to the commissioner the date on which the project received the conditional commitment. The amount deposited in the loan guaranty account shall be reduced by any refunds and by the costs incurred by the department of revenue to administer and enforce the assessment and collection of the taxes.

(c) All revenues, including interest and penalties, derived from the excise and use taxes imposed on sales and purchases included in section 297A.01, subdivision 3, paragraphs (d) and (l), clauses (1) and (2), must be deposited by the commissioner in the state treasury, and credited as follows:

(1) first to the general obligation special tax bond debt service account in each fiscal year the amount required by section 16A.661, subdivision 3, paragraph (b); and

(2) after the requirements of clause (1) have been met, the balance must be credited to the general fund.

(d) The revenues, including interest and penalties, derived from the taxes imposed on solid waste collection services as described in section 297A.45, except for the tax imposed under section 297A.021, shall be deposited by the commissioner in the state treasury and credited to the general fund to be used for funding solid waste reduction and recycling programs.

Sec. 12. Minnesota Statutes 1992, section 477A.012, subdivision 6, is amended to read:

Subd. 6. [AID OFFSET FOR 1992 COURT AND PUBLIC DEFENDER COSTS.] (a) There shall be deducted from the payment to a county under this section an amount equal to the cost of jury fees and, in the case of a county located in the third or sixth judicial district, of public defense services in juvenile and misdemeanor cases, to the extent those costs are assumed by the state for the fiscal year beginning on July 1, 1992. The amount of the deduction is computed as provided in this subdivision.

(b) By June 30, 1991, the supreme court shall determine and certify to the department of revenue for each county, except counties located in the eighth judicial district, the cost for each county of jury fees during the fiscal year beginning on July 1, 1992.

(c) By June 30, 1991, the board of public defense shall determine and certify to the department of revenue the pro rata share for each county in the

third or sixth judicial district of the cost of the state-financed public defense services in juvenile and misdemeanor cases in the third or sixth judicial district during the fiscal year beginning on July 1, 1992.

(d) One-half of the amount computed under paragraphs (b) and (c) for each county shall be deducted from each local government aid payment to the county under section 477A.015 in 1992 and each subsequent year. If the amount computed under paragraph (b) exceeds the amount payable to a county under subdivision 1, the excess shall be deducted from the aid payable to the county under section 273.1398, subdivision 2, and then, if necessary, from the disparity reduction aid under section 273.1398, subdivision 3. ~~No payments shall be made from the local government trust fund to the general fund for county aid reductions under subdivisions 3, 4, and 6.~~

Sec. 13. [477A.0122] [FAMILY PRESERVATION AID.]

Subdivision 1. [PURPOSE.] The purpose of family preservation aid is to reduce the rate of increase in the costs of out-of-home placement of children and concomitant increases in county property taxes. Funds appropriated under this section must be used to fund family preservation programs.

Subd. 2. [DEFINITIONS.] For purposes of this section, the following definitions apply:

(a) "Children in out-of-home placement" means the total unduplicated number of children in out-of-home care as reported pursuant to section 275.0725.

(b) "Family preservation programs" means family-based services, families first services, parent and child education programs, and day treatment services provided in cooperation with a school district or other programs as defined by the commissioner of human services.

(c) "Income maintenance caseload" means average monthly number of AFDC cases for the year.

By July 1, 1994, the commissioner of human services shall certify to the commissioner of revenue the number of children in out-of-home placement in 1991 and 1992 for each county and the income maintenance caseload for each county for the most recent year available. By July 1 of each subsequent year, the commissioner of human services shall certify to the commissioner of revenue the income maintenance caseload for each county for the most recent year available.

Subd. 3. [AID DISTRIBUTION; CALENDAR YEAR 1995.] For aid paid in calendar year 1995 only, one-half of the aid amount shall be paid to each county in the same proportion that the county's number of children in out-of-home placement is to the number of children in out-of-home placement for all counties within the state for 1991 and 1992, and one-half of the aid amount shall be paid to each county in the same proportion that the county's income maintenance caseload is to the income maintenance caseload for all counties within the state.

Subd. 4. [AID DISTRIBUTION; CALENDAR YEAR 1996 AND THEREAFTER.] For aid paid in calendar year 1996 and thereafter, each county shall receive the same proportion of the total aid it received in the prior year, multiplied by one plus the percentage change in the county's share of the statewide income maintenance caseload.

Subd. 5. [PAYMENT.] The commissioner of revenue shall pay the amounts determined under this section as provided in section 477A.015.

Subd. 6. [REPORT.] On or before March 15 of the year following the year in which the distributions under this section are received, each county shall file with the commissioner of revenue and commissioner of human services a report on prior year expenditures for out-of-home placement and family preservation, including expenditures under this section.

Sec. 14. Minnesota Statutes 1993 Supplement, section 477A.013, subdivision 8, is amended to read:

Subd. 8. [CITY AID INCREASE.] (a) In calendar year 1994 and subsequent years, the aid increase for a city is equal to the need increase percentage multiplied by the difference between (1) the city's revenue need multiplied by its population, and (2) the city's net tax capacity multiplied by the tax effort rate. The need increase percentage must be the same for all cities and must be calculated by the department of revenue so that the total of the aid under subdivision 9 equals the total amount available for aid under section 477A.03, subdivision 1a. Notwithstanding the prior sentence, in 1995 only for cities which in 1992 or 1993 transferred an amount from governmental funds to their sewer and water fund in an amount greater than their net levy for taxes payable in the year in which the transfer occurred, their need increase percentage shall be double that applicable to other cities. The applicable need increase percentages must be calculated by the department of revenue so the total of the aid under subdivision 9 equals the total amount available for aid under section 477A.03, subdivision 1a.

(b) The percentage aid increase for a first class city in calendar year 1994 and thereafter must not exceed the percentage increase in the sum of that calendar year 1994 year's city aids under this section compared to the sum of the city aid base for all cities in the previous calendar year. The aid increase for any other city in 1994 must not exceed five percent of the city's net levy for taxes payable in 1993.

(c) The aid increase in calendar year 1995 and subsequent years for any city except a first-class city must not exceed the sum of (1) ten percent of the city's net levy for the year prior to the aid distribution plus (2) its city aid base multiplied by the base reduction percentage, provided that in 1995 only for cities which in 1992 or 1993 transferred an amount for governmental funds to their sewer and water fund in an amount greater than their net levy for taxes payable in the year in which the transfer occurred, the aid increase must not exceed 20 percent of the city's net levy for the year prior to the aid distribution.

Sec. 15. Minnesota Statutes 1993 Supplement, section 477A.013, subdivision 9, is amended to read:

Subd. 9. [CITY AID DISTRIBUTION.] In calendar year 1994 1995 and thereafter, each city shall receive an aid distribution equal to the sum of (1) the city aid increase under subdivision 8, and (2) its city aid base multiplied by a percentage equal to 100 minus the base reduction percentage for the year prior to the aid distribution as certified under section 477A.014, subdivision 1.

Sec. 16. Minnesota Statutes 1992, section 477A.014, subdivision 5, is amended to read:

Subd. 5. [DEDUCTION FROM AID PAYMENTS.] The commissioner of revenue shall deduct the amounts certified under subdivision 4 from the aid payments to be made to appropriate local units of government in the next aid payment year. ~~Amounts must be transferred from the local government trust fund to the general fund.~~

Sec. 17. Minnesota Statutes 1993 Supplement, section 477A.03, is amended by adding a subdivision to read:

Subd. 1a. [ANNUAL APPROPRIATION.] A sum sufficient to discharge the duties imposed by sections 477A.011 to 477A.014 is annually appropriated from the general fund to the commissioner of revenue. For aid payable in 1995 and thereafter, the total aid paid to cities under section 477A.013, subdivision 9, is the amount paid in the previous year before any increases or reductions under sections 16A.711, subdivision 5, and 477A.0132 multiplied by the greater of one or one plus the percentage increase of the implicit price deflator for state and local government purchases of goods and services prepared by the bureau of economic analysis of the United States Department of Commerce for the 12-month period ending March 31 of the previous year; provided that the percentage increase used in this subdivision shall be no less than three percent and no greater than five percent. For aid payable in 1995, the total aid paid to counties under section 477A.0121 is \$9,701,000. For 1996 and subsequent years, the amount for payments under section 477A.0121 is the amount paid in the previous year multiplied by the greater of one or one plus the percentage increase of the implicit price deflator for state and local government purchases of goods and services prepared by the bureau of economic analysis of the United States Department of Commerce for the 12-month period ending March 31 of the previous year; provided that the percentage increase used in this subdivision shall be no less than three percent and no greater than five percent. For aid payable in 1995, the total aid paid to counties under section 477A.0122 is \$1,500,000. For 1996 and subsequent years, the amount for payments under section 477A.0122 is the amount paid in the previous year multiplied by the greater of one or one plus the percentage increase of the implicit price deflator for state and local government purchases of goods and services prepared by the bureau of economic analysis of the United States Department of Commerce for the 12-month period ending March 31 of the previous year; provided that the percentage increase used in this subdivision shall be no less than three percent and no greater than five percent.

The amount appropriated for aid to be paid under this section is considered to be held in trust for the recipients.

Sec. 18. [ELIMINATION OF LOCAL GOVERNMENT TRUST FUND.]

The local government trust fund is eliminated as a separate fund in the state treasury as of July 1, 1995. Any money in the local government trust fund on that date is transferred to the general fund.

Sec. 19. [APPROPRIATION; LOCAL GOVERNMENT TRUST FUND-DEFICIENCY.]

A sum sufficient to eliminate any deficit in the local government trust fund for the biennium ending June 30, 1995, which absent this appropriation would require an aid reduction under Minnesota Statutes, section 16A.711, subdivision 5, is appropriated from the general fund to the local government trust fund. The appropriation cannot exceed \$29,455,000.

Sec. 20. [REPEALER.]

Minnesota Statutes 1992, sections 3.862; 16A.711; 273.1381; 273.1398, subdivision 7; 297A.021; 297A.44, subdivision 4; 297B.09, subdivision 3; and 477A.0132; Minnesota Statutes 1993 Supplement, sections 16A.712; 256E.06, subdivision 12; 273.166, subdivision 4; 290A.23; and 477A.03, subdivision 1; Laws 1973, chapter 650, article 24, section 6, are repealed.

Sec. 21. [EFFECTIVE DATE.]

Section 19 is effective July 1, 1994. The remainder of this article is effective July 1, 1995, provided that sections 10, 11, 18, and 20 are effective only upon enactment of sections 3 to 6, 8, 9, and 17.

ARTICLE 8

TAX INCREMENT FINANCING; LOCAL ECONOMIC
DEVELOPMENT

Section 1. Minnesota Statutes 1993 Supplement, section 116J.556, is amended to read:

116J.556 [LOCAL MATCH REQUIREMENT.]

(a) In order to qualify for a grant under sections 116J.551 to 116J.557, the municipality must pay for at least one-half of the project costs as a local match. The municipality shall pay an amount of the project costs equal to at least 18 percent of the cleanup costs from the municipality's general fund, a property tax levy for that purpose, or other unrestricted money available to the municipality (excluding tax increments). These unrestricted moneys may be spent for project costs, other than cleanup costs, and qualify for the local match payment equal to 18 percent of cleanup costs. The rest of the local match may be paid with tax increments or any other money available to the municipality.

(b) If the development authority establishes a tax increment financing district or hazardous substance subdistrict on the site to pay for part of the local match requirement, the district or subdistrict is not subject to the state aid reductions under section 273.1399. In order to qualify for the exemption from the state aid reductions, the municipality must elect, by resolution, on or before the request for certification is filed that all tax increments from the district or subdistrict will be used exclusively to pay (1) for project costs for the site and (2) administrative costs for the district or subdistrict. The district or subdistrict must be decertified when an amount of tax increments equal to no more than three times the costs of implementing the response action plan for the site and the administrative costs for the district or subdistrict have been received, after deducting the amount of the state grant.

Sec. 2. Minnesota Statutes 1993 Supplement, section 270.91, subdivision 4, is amended to read:

Subd. 4. [TAX RATES AFTER PLAN APPROVAL.] (a) The tax imposed under this subdivision applies for the first assessment year that begins after one of the following occurs:

(1) a response action plan for the property has been approved by the commissioner of the pollution control agency or by the commissioner of

agriculture for an agricultural chemical release or incident subject to chapter 18D and work under the plan has begun; or

(2) the contaminants are asbestos and the property owner has in place an abatement plan for enclosure, removal, or encapsulation of the asbestos ~~or a proactive, in-place management program pursuant to the rules, requirements, and formal policies of the United States environmental protection agency.~~ To qualify under this clause, the property owner must (1) have entered into a binding contract with a licensed contractor for completion of the work, *or* (2) have obtained a license from the commissioner of health and begun the work, *or* (3) ~~implemented a proactive, in-place management program pursuant to the rules, requirements, and formal policies of the United States environmental protection agency.~~ An abatement plan must provide for completion of the work within a reasonable time period, as determined by the assessors. ~~An asbestos management program must cover a period of time and require such proactive practices as are required by the rules, requirements, and formal policies of the United States environmental protection agency.~~

(b) To qualify under paragraph (a), the property owner must provide the assessor with a copy of: (1) the approved response action plan; *or* (2) a copy of the asbestos abatement plan and contract for completion of the work or the owner's license to perform the work; *or* (3) ~~a copy of the approved asbestos management program.~~ The property owner also must file with the assessor an affidavit indicating when work under the response action plan or asbestos abatement plan began.

(c) The tax imposed under this subdivision equals 50 percent of the class rate for the property under section 273.13, multiplied by the contamination value of the property.

(d) The tax imposed under this subdivision equals 12.5 percent of the class rate for the property under section 273.13, multiplied by the contamination value of the property. The tax under this paragraph applies if one of the following conditions is satisfied:

(1) the contaminants are subject to chapter 115B and neither the owner nor the operator of the taxable real property in the assessment year is a responsible person under chapter 115B;

(2) the contaminants are subject to chapter 18D and neither the owner nor the operator of the taxable real property in the assessment year is a responsible party under chapter 18D;

(3) ~~the contaminants are asbestos and neither the owner nor the operator of the taxable real property in the assessment year is required to undertake asbestos-related work, but is implementing a proactive in-place management program.~~

Sec. 3. Minnesota Statutes 1993 Supplement, section 270.94, is amended to read:

270.94 [EXEMPTIONS.]

(a) The tax imposed by sections 270.91 to 270.98 does not apply to the contamination value of a parcel of property attributable to contaminants that were addressed by a response action plan for the property, if the commissioner of the pollution control agency, or the commissioner of agriculture for a release subject to chapter 18D, has determined that all the requirements of the

plan have been satisfied. This exemption applies beginning for the first assessment year after the commissioner of the pollution control agency, or the commissioner of agriculture determines that the implementation of a response action plan has been completed. To qualify under this paragraph, the property owner must provide the assessor with a copy of the determination by the commissioner of the pollution control agency or the commissioner of agriculture of the completion of the response action plan.

(b) The tax imposed by sections 270.91 to 270.98 does not apply to the contamination value of a parcel that is attributable to asbestos, if:

(1) the work has been completed under an asbestos abatement plan or the property owner is implementing a proactive in-place asbestos management program consistent with the rules, requirements, and formal policies of the United States Environmental Protection Agency; and

(2) the property owner provides the assessor with an affidavit stating the work under the abatement plan has been completed, or the asbestos management plan is being implemented, and any other evidence or information the assessor requests.

No action may be taken under section 28 to impose a fee unless owners of 25 percent or more of the housing units subject to the proposed fee file a petition requesting a public hearing on the proposed fee with the city clerk.

Sec. 27. [ESTABLISHMENT OF HOUSING IMPROVEMENT AREA.]

Subdivision 1. [ORDINANCE.] The governing body of the city may adopt an ordinance establishing a housing improvement area. The ordinance must specifically describe the portion of the city to be included in the area, the basis for the imposition of the fees, and the number of years the fee will be in effect. In addition, the ordinance must include findings that without the housing improvement area, the proposed improvements could not be made by the condominium associations or housing unit owners, and the designation is needed to maintain and preserve the housing units within the housing improvement area. The ordinance may not be adopted until a public hearing has been held regarding the ordinance. The ordinance may be amended by the governing body of the city, provided the governing body complies with the public hearing notice provisions of subdivision 2.

Subd. 2. [PUBLIC HEARING.] The notice of public hearing must include the time and place of hearing, a map showing the boundaries of the proposed area, and a statement that all persons owning housing units in the proposed area that would be subject to a fee for housing improvements will be given an opportunity to be heard at the hearing. Notice of the hearing must be given by

publication in the official newspaper of the city. The public hearing must be held at least seven days after the publication. Not less than ten days before the hearing, notice must also be mailed to the owner of each housing unit within the proposed area. For the purpose of giving mailed notice, owners are those shown on the records of the county auditor. Other records may be used to supply the necessary information. At the public hearing a person owning property in the proposed housing improvement area may testify on any issues relevant to the proposed area. The hearing may be adjourned from time to time. The ordinance establishing the area may be adopted at any time within six months after the date of the conclusion of the hearing by a vote of the majority of the governing body of the city.

Subd. 3. [PROPOSED HOUSING IMPROVEMENTS.] At the public hearing held under subdivision 2, the city shall provide a preliminary listing of the housing improvements to be made in the area. The listing shall identify those improvements, if any, that are proposed to be made to all or a portion of the common elements of a condominium. The listing shall also identify those housing units that have completed the proposed housing improvements and are proposed to be exempted from a portion of the fee. In preparing the list the city shall consult with the residents of the area and the condominium associations.

Subd. 4. [BENEFIT; OBJECTION.] Before the ordinance is adopted or at the hearing at which it is to be adopted, the owner of a housing unit in the proposed housing improvement area may file a written objection with the city clerk asserting that the owner's property should not be included in the area or should not be subjected to a fee and objecting to the inclusion of the housing unit in the area, for the reason that the property would not benefit from the improvements.

The governing body shall make a determination of the objection within 60 days of its filing. Pending its determination, the governing body may delay adoption of the ordinance or it may adopt the ordinance with a reservation that the landowner's property may be excluded from the housing improvement area or fee when the determination is made.

Subd. 5. [APPEAL TO DISTRICT COURT.] Within 30 days after the determination of the objection, any person aggrieved, who is not precluded by failure to object before or at the hearing, or whose failure to object is due to a reasonable cause, may appeal to the district court by serving a notice upon the mayor or city clerk. The notice shall be filed with the court administrator of the district court within ten days after its service. The city clerk shall furnish the appellant a certified copy of the findings and determination of the governing body. The court may affirm the action objected to or, if the appellant's objections have merit, modify or cancel it. If the appellant does not prevail upon the appeal, the costs incurred are taxed to the appellant by the court and judgment entered for them. All objections are deemed waived unless presented on appeal.

Sec. 28. [IMPROVEMENT FEES AUTHORITY; NOTICE AND HEARING.]

Subdivision 1. [AUTHORITY.] Fees may be imposed by the city on the housing units within the housing improvement area at a rate, term, or amount sufficient to produce revenue required to provide housing improvements in the area. The fee can be imposed on the basis of the tax capacity of the housing unit; or the total amount of square footage of the housing unit, or a method

determined by the council and specified in the resolution. Before the imposition of the fees, a hearing must be held and notice must be published in the official newspaper at least seven days before the hearing and shall be mailed at least seven days before the hearing to any housing unit owner subject to a fee. For purposes of this section, the notice must also include:

- (1) a statement that all interested persons will be given an opportunity to be heard at the hearing regarding a proposed housing improvement fee;
- (2) the estimated cost of improvements including administrative costs to be paid for in whole or in part by the fee imposed under the ordinance;
- (3) the amount to be charged against the particular property;
- (4) the right of the property owner to prepay the entire fee;
- (5) the number of years the fee will be in effect; and
- (6) a statement that the petition requirements of section 26 have either been met or do not apply to the proposed fee;

Within six months of the public hearing, the city may adopt a resolution imposing a fee within the area not exceeding the amount expressed in the notice issued under this section.

Prior to adoption of the resolution approving the fee, the condominium associations located in the housing improvement area shall submit to the city a financial plan prepared by an independent third party, acceptable to the city and associations, that provides for the associations to finance maintenance and operation of the common elements in the condominium and a long-range plan to conduct and finance capital improvements.

Subd. 2. [LEVY LIMIT.] Fees imposed under this section are not included in the calculation of levies or limits on levies imposed under any law or charter.

Sec. 29. [COLLECTION OF FEES.]

The city may provide for the collection of the housing improvement fees according to the terms of Minnesota Statutes, section 428A.05.

Sec. 30. [BONDS.]

At any time after a contract for the construction of all or part of an improvement authorized under sections 25 to 34 has been entered into or the work has been ordered, the governing body of the city may issue obligations in the amount it deems necessary to defray in whole or in part the expense incurred and estimated to be incurred in making the improvement, including every item of cost from inception to completion and all fees and expenses incurred in connection with the improvement or the financing.

The obligations are payable primarily out of the proceeds of the fees imposed under section 28, or from any other special assessments or revenues available to be pledged for their payment under charter or statutory authority, or from two or more of those sources. The governing body may, by resolution adopted prior to the sale of obligations, pledge the full faith, credit, and taxing power of the city to assure payment of the principal and interest if the proceeds of the fees in the area are insufficient to pay the principal and interest. The obligations must be issued in accordance with Minnesota Statutes, chapter 475, except that an election is not required, and the amount

of the obligations are not included in determination of the net debt of the city under the provisions of any law or charter limiting debt.

Sec. 31. [ADVISORY BOARD.]

The governing body of the city may create and appoint an advisory board for the housing improvement area in the city to advise the governing body in connection with the planning and construction of housing improvements. In appointing the board, the council shall consider for membership, members of condominium associations located in the housing improvement area. The advisory board shall make recommendations to the governing body to provide improvements or impose fees within the housing improvement area. Before the adoption of a proposal by the governing body to provide improvements within the housing improvement area, the advisory board of the housing improvement area shall have an opportunity to review and comment upon the proposal.

Sec. 32. [VETO POWERS OF OWNERS.]

Subdivision 1. [NOTICE OF RIGHT TO FILE OBJECTIONS.] The effective date of any ordinance or resolution adopted under sections 27 and 28 must be at least 45 days after it is adopted. Within five days after adoption of the ordinance or resolution, a summary of the ordinance or resolution shall be mailed to the owner of each housing unit included in the housing improvement area. The mailing shall include a notice that owners subject to a fee have a right to veto the ordinance or resolution by filing the required number of objections with the city clerk before the effective date of the ordinance or resolution and that a copy of the ordinance or resolution is on file with the city clerk for public inspection.

Subd. 2. [REQUIREMENTS FOR VETO.] If owners of 35 percent or more of the housing units in the area subject to the fee file an objection to the ordinance adopted by the city under section 27 with the city clerk before the effective date of the ordinance, the ordinance does not become effective. If owners of 35 percent or more of the housing units' tax capacity subject to the fee under section 28 file an objection with the city clerk before the effective date of the resolution, the resolution does not become effective.

Sec. 33. [ANNUAL REPORTS.]

Each condominium association located within the housing improvement area must, by August 15 annually, submit a copy of its audited financial statements to the city. The city may also, as part of the enabling ordinance, require the submission of other relevant information from the associations.

Sec. 34. [SPECIAL ASSESSMENTS.]

Within a housing improvement area, the governing body of the city may, in addition to the fee authorized in section 28, special assess housing improvements to benefited property. The governing body of the city may by ordinance adopt regulations consistent with this section.

Sec. 35. [MAHNOMEN COUNTY BONDING.]

Subdivision 1. [AUTHORIZATION; PURPOSES.] The county of Mahnomen may issue its general obligation bonds in a principal amount not to exceed \$800,000 to (1) fund or refund certain existing warrants and loans of the county incurred in connection with its ownership and operation of the Mahnomen County and Village Hospital, Nursing Home, and Clinic, and (2)

provide working capital for the Mahnommen County and Village Hospital, Nursing Home, and Clinic.

Subd. 2. [EXISTING LAW.] The bonds shall be issued according to Minnesota Statutes; chapter 475, except that (1) the bonds shall not constitute net debt within the meaning of Minnesota Statutes, section 475.53, or a debt of the county within the meaning of any other statutory provision, and (2) Minnesota Statutes, section 475.58, does not apply.

Subd. 3. [EFFECTIVE DATE.] This section is effective the day following final enactment, upon compliance by the Mahnommen county board with Minnesota Statutes, section 645.021.

Sec. 36. [METROPOLITAN COUNCIL HOUSING BOND CREDIT ENHANCEMENT PROGRAM; FINDINGS.]

The legislature finds that public ownership of qualified housing development projects can be beneficial, because lower debt service and operating costs tend to result in more affordable rents for the elderly and low- or moderate-income households. The legislature finds that local governmental units often face financial challenges in attempting to meet their citizens' housing needs and that the financial responsibility for providing safe, quality, affordable housing to the elderly and low- or moderate-income households should be shared by the entire metropolitan area. The legislature has determined that the establishment of a housing bond credit enhancement program administered by the metropolitan council will provide an incentive for all metropolitan area local government units to promote and provide appropriate affordable housing opportunities to the elderly and low- or moderate-income households.

Sec. 37. [473.197] [HOUSING BOND CREDIT ENHANCEMENT PROGRAM.]

Subdivision 1. [AUTHORIZATION.] The metropolitan council may establish a housing bond credit enhancement program as provided in this section. The council may pledge its full faith and credit and taxing powers to the payment of bonds issued under section 469.034 for qualified housing development projects in the metropolitan area, as provided in this section. A "qualified housing development project" has the meaning given in section 469.034, subdivision 2, paragraph (e), except that the metropolitan council is substituted for "general jurisdiction governmental unit" in clause (3).

Subd. 2. [PROJECT SELECTION.] Before pledging its full faith and credit, the council must establish criteria for selecting qualified housing development projects for the credit enhancement program. The council may award preferences for qualified housing development projects that meet criteria for preferences established by the council. The council must establish the criteria in consultation with housing providers in the metropolitan area. The council shall consider the extent to which projects for the credit enhancement program are developed in collaboration with Minnesota Youth-Build under sections 268.361 to 268.367; or training for housing programs for homeless adults under Laws 1992, chapter 376, article 6; or other employment training programs.

Subd. 3. [LIMITATION.] The aggregate principal amount of bonds that may be secured by a pledge of the council's full faith and credit under this section may not exceed \$20,000,000. The bonds must be payable from

revenues derived from the project or projects financed under the credit enhancement program, or from income of the authority or authorities that participate in the program, including earnings on any reserves established for the program. The council must find that the pledged revenues will equal or exceed 110 percent of the principal and interest due on the bonds.

Subd. 4. [DEBT RESERVE; LEVY.] To provide money to pay debt service on bonds issued under the credit enhancement program if pledged revenues are insufficient to pay debt service, the council must maintain a debt reserve fund in the manner and with the effect provided by section 475.66 for public debt service funds. To provide funds for the debt reserve fund, the council may use up to \$3,000,000 of the proceeds of solid waste bonds issued by the council under Minnesota Statutes 1990, section 473.831. To provide additional funds for the debt reserve fund, the council may levy a tax on all taxable property in the metropolitan area. The council must levy the tax if the amount in the debt reserve fund is insufficient to cure any deficiency in the debt service fund established for the bonds. The tax authorized by this section does not affect the amount or rate of taxes that may be levied by the council for other purposes and is not subject to limit as to rate or amount.

Subd. 5. [AGREEMENTS.] The council and each authority that participates in the credit enhancement program may enter into agreements they determine to be necessary to implement the credit enhancement program. The agreements may extend over any period, notwithstanding any law to the contrary.

Subd. 6. [APPLICATION.] This section applies to the counties of Anoka, Carver, Dakota, Hennepin, Ramsey, Scott, and Washington.

Sec. 38. [TWO HARBORS LODGING TAX.]

Notwithstanding Minnesota Statutes, section 477A.016, or other law, in addition to a tax authorized in Minnesota Statutes, section 469.190, the city of Two Harbors may impose, by ordinance, a tax of up to one percent on the gross receipts subject to the lodging tax under Minnesota Statutes, section 469.190. The proceeds of the tax shall be dedicated and used to provide preservation, display, and interpretation of the tug boat Edna G. The total tax imposed by the city under this section and under Minnesota Statutes, section 469.190, shall not exceed three percent.

Sec. 39. [RED WING TAX INCREMENT DISTRICT.]

Notwithstanding any restrictions otherwise applicable pursuant to Minnesota Statutes, section 469.176, subdivision 1c, the duration of the two city tax increment financing districts within Development Districts I and II, located within the city of Red Wing, may be extended by resolution of the Red Wing City Council to August 1, 2009.

Sec. 40. [REPEALER.]

Minnesota Statutes 1993 Supplement, section 469.175, subdivision 7a, is repealed.

Sec. 41. [EFFECTIVE DATE.]

Section 1 is effective for grants requested after June 30, 1994.

Sections 2 and 3 are effective for taxes levied in 1994, payable in 1995, and thereafter.

Sections 9 and 13 are effective for districts for which certification is requested after June 30, 1994.

Section 17 is effective the day following final enactment and applies to agricultural processing facilities for which construction is commenced after that date.

Sections 18 and 19 are each effective the day after the governing body of the city of Minneapolis complies with Minnesota Statutes, section 645.021, subdivision 3, for that provision.

Sections 11, 21, and 25 to 38 are effective the day following final enactment.

The water and sewer district is under the control and management of the Cross Lake area water and sanitary sewer board. The board is established as a public corporation and political subdivision of the state with perpetual succession and all the rights, powers, privileges, immunities, and duties that may be validly granted to or imposed upon a municipal corporation, as provided in this article.

Subd. 2. [MEMBERS AND SELECTION.] The board is composed of seven members selected as follows: the town boards of the governmental units each shall meet to appoint two members of the water and sanitary sewer board and each board member has one vote. One member must be selected by the city of Pine City. The first terms must be as follows: two for one year, two for two years, and three for three years, fixed by lot at the district's first meeting. Thereafter, all terms are for three years.

The certificates, with the approval appended by other authority, if required, must be filed with the secretary of state. Counterparts thereof must be furnished to the board member and the secretary of the board. Each member shall qualify by taking and subscribing the oath of office prescribed by the Minnesota Constitution, article 5, section 8. All members of the board must be reimbursed for all reasonable and necessary expenses actually incurred in the performance of duties.

Sec. 3. [GENERAL PROVISIONS FOR ORGANIZATION AND OPERATION OF BOARD.]

Subdivision 1. [ORGANIZATION; OFFICERS; MEETINGS; SEAL.] After the selection and qualification of all board members, they shall meet to organize the board at the call of any two board members, upon seven days' notice by registered mail to the remaining board members, at a time and place within the district specified in the notice. A majority of the members shall constitute a quorum at that meeting and all other meetings of the board, but a lesser number may meet and adjourn from time to time and compel the attendance of absent members. At the first meeting the board shall select its officers and conduct other organizational business as may be necessary. Thereafter the board shall meet regularly at the time and place that the board designates by resolution. Special meetings may be held at any time upon call of the chair or any two members, upon written notice sent by mail to each member at least three days before the meeting, or upon other notice as the board by resolution may provide, or without notice if each member is present or files with the secretary a written consent to the meeting either before or after the meeting. Except as otherwise provided in this article, any action within the authority of the board may be taken by the affirmative vote of a majority of the board and may be taken by regular or adjourned regular meeting or at a duly held special meeting, but in any case only if a quorum is present. Meetings of the board must be open to the public. The board may adopt a seal, which must be officially and judicially noticed, to authenticate

instruments executed by its authority, but omission of the seal does not affect the validity of any instrument.

Subd. 2. [CHAIR.] The board shall elect a chair from its membership. The term of the first chair of the board shall expire on January 1, 1996, and the terms of successor chairs expire on January 1 of each succeeding year. The chair shall preside at all meetings of the board, if present, and shall perform all other duties and functions usually incumbent upon such an officer, and all administrative functions assigned to the chair by the board. The board shall elect a vice-chair from its membership to act for the chair during temporary absence or disability.

Subd. 3. [SECRETARY AND TREASURER.] The board shall select a person or persons who may, but need not be, a member or members of the board, to act as its secretary and treasurer. The secretary and treasurer shall hold office at the pleasure of the board, subject to the terms of any contract of employment that the board may enter into with the secretary or treasurer. The secretary shall record the minutes of all meetings of the board, and be the custodian of all books and records of the board except those that the board entrusts to the custody of a designated employee. The treasurer is the custodian of all money received by the board except as the board otherwise entrusts to the custody of a designated employee. The board may appoint a deputy to perform any and all functions of either the secretary or the treasurer. No secretary or treasurer who is not a member of the board or a deputy of either shall have any right to vote.

Subd. 4. [EXECUTIVE DIRECTOR.] The board shall appoint an executive director, selected solely upon the basis of training, experience, and other qualifications and who shall serve at the pleasure of the board and at a compensation to be determined by the board. The executive director need not be a resident of the district. The executive director may also be selected by the board to serve as either secretary or treasurer, or both, of the board. The executive director shall attend all meetings of the board, but shall not vote, and shall have the following powers and duties:

(1) to see that all resolutions, rules, regulations, or orders of the board are enforced;

(2) to appoint and remove, upon the basis of merit and fitness, all subordinate officers and regular employees of the board except the secretary and the treasurer and their deputies;

(3) to present to the board plans, studies, and other reports prepared for board purposes and recommend to the board for adoption the measures the executive director deems necessary to enforce or carry out the powers and the duties of the board, or the efficient administration of the affairs of the board;

(4) to keep the board fully advised as to its financial condition, and to prepare and submit to the board and to the governing bodies of the local governmental units, the board's annual budget and other financial information the board may request;

(5) to recommend to the board for adoption rules and regulations the executive director deems necessary for the efficient operation of the district disposal system; and

(6) to perform other duties prescribed by the board.

Subd. 5. [PUBLIC EMPLOYEES.] The executive director and other persons employed by the district are public employees and have all the rights and duties conferred on public employees under Minnesota Statutes, sections 179A.01 to 179A.25. The board may elect to have employees become members of either the public employees retirement association or the Minnesota state retirement system. The compensation and conditions of employment of the employees must be governed by rules applicable to state employees in the classified service and to the provisions of Minnesota Statutes, chapter 15A.

Subd. 6. [PROCEDURES.] The board shall adopt resolutions or bylaws establishing procedures for board action, personnel administration, keeping records, approving claims, authorizing or making disbursements, safekeeping funds, and auditing all financial operations of the board.

Subd. 7. [SURETY BONDS AND INSURANCE.] The board may procure surety bonds for its officers and employees, in amounts deemed necessary to ensure proper performance of their duties and proper accounting for funds in their custody. It may procure insurance against risks to property and liability of the board and its officers, agents, and employees for personal injuries or death and property damage and destruction, in amounts deemed necessary or desirable, with the force and effect stated in Minnesota Statutes, chapter 466.

Sec. 4. [GENERAL POWERS OF BOARD.]

Subdivision 1. [SCOPE.] The board has all powers necessary or convenient to discharge the duties imposed upon it by law. The powers include those specified in this section, but the express grant or enumeration of powers does not limit the generality or scope of the grant of powers contained in this subdivision.

Subd. 2. [SUIT.] The board may sue or be sued.

Subd. 3. [CONTRACT.] The board may enter into any contract necessary or proper for the exercise of its powers or the accomplishment of its purposes.

Subd. 4. [RULEMAKING.] The board may adopt rules relating to its responsibilities and may provide penalties for their violation, not exceeding the maximum that may be specified for a misdemeanor, and the cost of prosecution may be added to the penalties imposed. Any rule prescribing a penalty for violation must be published at least once in a newspaper having general circulation in the district. The violations may be prosecuted before any court in the district having jurisdiction of misdemeanors, and every court having misdemeanor jurisdiction has jurisdiction of the violations. Any constable or other peace officer of any governmental unit in the district may make arrests for violations committed anywhere in the district in like manner and with like effect as for violations of city ordinances or for statutory misdemeanors. Fines collected in cases arising under this subdivision must be deposited in the treasury of the board, or may be allocated between the board and the governmental unit in which the prosecution occurs on a basis as the board and the governmental unit agree.

Subd. 5. [GIFTS, GRANTS, LOANS.] The board may accept gifts, apply for and accept grants or loans of money or other property from the United States, the state, or any person for any of its purposes, enter into any agreement required in connection with them, and hold, use, and dispose of the money or property in accordance with the terms of the gift, grant, loan, or agreement relating to it. With respect to loans or grants of funds or real or

personal property or other assistance from any state or federal government or its agency or instrumentality, the board may contract to do and perform all acts and things required as a condition or consideration for the gift, grant, or loan pursuant to state or federal law or regulations, whether or not included among the powers expressly granted to the board in this article.

Subd. 6. [COOPERATIVE ACTION.] The board may act under Minnesota Statutes, section 471.59, or any other appropriate law providing for joint or cooperative action between governmental units.

Subd. 7. [STUDIES AND INVESTIGATIONS.] The board may conduct research studies and programs, collect and analyze data, prepare reports, maps, charts, and tables, and conduct all necessary hearings and investigations in connection with the design, construction, and operation of the district disposal system.

Subd. 8. [EMPLOYEES, TERMS.] The board may employ on terms it deems advisable, persons or firms performing engineering, legal, or other services of a professional nature; require any employee to obtain and file with it an individual bond or fidelity insurance policy; and procure insurance in amounts it deems necessary against liability of the board or its officers or both, for personal injury or death and property damage or destruction, with the force and effect stated in Minnesota Statutes, chapter 466, and against risks of damage to or destruction of any of its facilities, equipment, or other property as it deems necessary.

Subd. 9. [PROPERTY RIGHTS, POWERS.] The board may acquire by purchase, lease, condemnation, gift, or grant, any real or personal property including positive and negative easements and water and air rights, and it may construct, enlarge, improve, replace, repair, maintain, and operate any interceptor, treatment works, or water facility determined to be necessary or convenient for the collection and disposal of sewage in the district. Any local governmental unit and the commissioners of transportation and natural resources are authorized to convey to or permit the use of any of the above-mentioned facilities owned or controlled by it, by the board, subject to the rights of the holders of any bonds issued with respect to those facilities, with or without compensation, without an election or approval by any other governmental unit or agency. All powers conferred by this subdivision may be exercised both within or without the district as may be necessary for the exercise by the board of its powers or the accomplishment of its purposes. The board may hold, lease, convey, or otherwise dispose of the above-mentioned property for its purposes upon the terms and in the manner it deems advisable. Unless otherwise provided, the right to acquire lands and property rights by condemnation may be exercised only in accordance with Minnesota Statutes, sections 171.011 to 171.232, and shall apply to any property or interest in the property owned by any local governmental unit. No property devoted to an actual public use at the time, or held to be devoted to such a use within a reasonable time, shall be so acquired unless a court of competent jurisdiction determines that the use proposed by the board is paramount to the existing use. Except in the case of property in actual public use, the board may take possession of any property on which condemnation proceedings have been commenced at any time after the issuance of a court order appointing commissioners for its condemnation.

Subd. 10. [RELATIONSHIP TO OTHER PROPERTIES.] The board may construct or maintain its systems or facilities in, along, on, under, over, or

through public waters, streets, bridges, viaducts, and other public rights-of-way without first obtaining a franchise from a county or municipality having jurisdiction over them. However, the facilities must be constructed and maintained in accordance with the ordinances and resolutions of the county or municipality relating to constructing, installing, and maintaining similar facilities on public properties and must not unnecessarily obstruct the public use of those rights-of-way.

Subd. 11. [DISPOSAL OF PROPERTY.] The board may sell, lease, or otherwise dispose of any real or personal property acquired by it which is no longer required for accomplishment of its purposes. The property may be sold in the manner provided by Minnesota Statutes, section 469.065, insofar as practical. The board may give notice of sale as it deems appropriate. When the board determines that any property or any part of the district disposal system acquired from a local governmental unit without compensation is no longer required but is required as a local facility by the governmental unit from which it was acquired, the board may by resolution transfer it to that governmental unit.

Subd. 12. [AGREEMENTS WITH OTHER GOVERNMENTAL UNITS.] The board may contract with the United States or any agency thereof, any state or agency thereof, or any regional public planning body in the state with jurisdiction over any part of the district, or any other municipal or public corporation, or governmental subdivision or agency or political subdivision in any state, for the joint use of any facility owned by the board or such entity, for the operation by that entity of any system or facility of the board, or for the performance on the board's behalf of any service, including but not limited to planning, on terms as may be agreed upon by the contracting parties. Unless designated by the board as a local water and sanitary sewer facility, any treatment works or interceptor jointly used, or operated on behalf of the board, as provided in this subdivision, is deemed to be operated by the board for purposes of including those facilities in the district disposal system.

Sec. 5. [COMPREHENSIVE PLAN.]

Subdivision 1. [BOARD PLAN AND PROGRAM.] The board shall adopt a comprehensive plan for the collection, treatment, and disposal of sewage in the district for a designated period the board deems proper and reasonable. The board shall prepare and adopt subsequent comprehensive plans for the collection, treatment, and disposal of sewage in the district for each succeeding designated period as the board deems proper and reasonable. The first plan, as modified by the board, and any subsequent plan shall take into account the preservation and best and most economic use of water and other natural resources in the area; the preservation, use, and potential for use of lands adjoining waters of the state to be used for the disposal of sewage; and the impact the disposal system will have on present and future land use in the area affected. The plans shall include the general location of needed interceptors and treatment works, a description of the area that is to be served by the various interceptors and treatment works, a long-range capital improvements program and any other details as the board deems appropriate. In developing the plans, the board shall consult with persons designated for the purpose by governing bodies of any governmental unit within the district to represent the entities and shall consider the data, resources, and input offered to the board by the entities and any planning agency acting on behalf of one or more of the entities. Each plan, when adopted, must be followed in the district and may be revised as often as the board deems necessary.

Subd. 2. [COMPREHENSIVE PLANS; HEARING.] Before adopting any subsequent comprehensive plan, the board shall hold a public hearing on the proposed plan at a time and place in the district that it selects. The hearing may be continued from time to time. Not less than 45 days before the hearing, the board shall publish notice of the hearing in a newspaper having general circulation in the district, stating the date, time, and place of the hearing, and the place where the proposed plan may be examined by any interested person. At the hearing, all interested persons must be permitted to present their views on the plan.

Subd. 3. [GOVERNMENTAL UNIT PLANS AND PROGRAMS; COORDINATION WITH BOARD'S RESPONSIBILITIES.] Once the board's plan is adopted, no construction project involving the construction of new sewers or other disposal facilities may be undertaken by the local governmental unit unless its governing body shall first find the project to be in accordance with the governmental unit's comprehensive plan and program as approved by the board. Before approval by the board of the comprehensive plan and program of any local governmental unit in the district, no water and sanitary sewer construction project may be undertaken by the governmental unit unless approval of the project is first secured from the board as to those features of the project affecting the board's responsibilities as determined by the board.

Sec. 6. [POWERS TO ISSUE OBLIGATIONS AND IMPOSE SPECIAL ASSESSMENTS.]

The Cross Lake area water and sanitary sewer board, in order to implement the powers granted under this article to establish, maintain, and administer the Cross Lake area water and sanitary sewer district, may issue obligations and impose special assessments against benefited property within the limits of the district benefited by facilities constructed under this article in the manner provided for local governments by Minnesota Statutes, chapter 429.

Sec. 7. [SYSTEM EXPANSION; APPLICATION TO CITIES.]

The authority of the water and sanitary sewer board to establish water or sewer or combined water and sewer systems under this section extends to areas within the Cross Lake area water and sanitary sewer district organized into cities when requested by resolution of the governing body of the affected city or when ordered by the Minnesota pollution control agency after notice and hearing. For the purpose of any petition filed or special assessment levied with respect to any system, the entire area to be served within a city must be treated as if it were owned by a single person, and the governing body shall exercise all the rights and be subject to all the duties of an owner of the area, and shall have power to provide for the payment of all special assessments and other charges imposed upon the area with respect to the system by the appropriation of money, the collection of service charges, or the levy of taxes, which shall be subject to no limitation of rate or amount.

Sec. 8. [SEWAGE COLLECTION AND DISPOSAL; POWERS.]

Subdivision 1. [POWERS.] In addition to all other powers conferred upon the board in this article, it has the powers specified in this section.

Subd. 2. [DISCHARGE OF TREATED SEWAGE.] The board may discharge the effluent from any treatment works operated by it into any waters of the state, subject to approval of the agency if required and in accordance

with any effluent or water quality standards lawfully adopted by the agency, any interstate agency, or any federal agency having jurisdiction.

Subd. 3. [UTILIZATION OF DISTRICT SYSTEM.] *The board may require any person or local governmental unit to provide for the discharge of any sewage, directly or indirectly, into the district disposal system, or to connect any disposal system or a part of it with the district disposal system wherever reasonable opportunity for connection is provided; may regulate the manner in which the connections are made; may require any person or local governmental unit discharging sewage into the disposal system to provide preliminary treatment for it; may prohibit the discharge into the district disposal system of any substance that it determines will or may be harmful to the system or any persons operating it; and may require any local governmental unit to discontinue the acquisition, betterment, or operation of any facility for the unit's disposal system wherever and so far as adequate service is or will be provided by the district disposal system.*

Subd. 4. [SYSTEM OF COST RECOVERY TO COMPLY WITH APPLICABLE REGULATIONS.] *Any charges, connection fees, or other cost-recovery techniques imposed on persons discharging sewage directly or indirectly into the district disposal system must comply with applicable state and federal law, including state and federal regulations governing grant applications.*

Sec. 9. [BUDGET.]

The board shall prepare and adopt, on or before October 1 in 1995 and each year thereafter, a budget showing for the following calendar year or other fiscal year determined by the board, sometimes referred to in this article as the budget year, estimated receipts of money from all sources, including but not limited to payments by each local governmental unit, federal or state grants, taxes on property, and funds on hand at the beginning of the year, and estimated expenditures for:

(1) *costs of operation, administration, and maintenance of the district disposal system;*

(2) *cost of acquisition and betterment of the district disposal system; and*

(3) *debt service, including principal and interest, on general obligation bonds and certificates issued pursuant to section 13, and any money judgments entered by a court of competent jurisdiction. Expenditures within these general categories, and any other categories as the board may from time to time determine, must be itemized in detail as the board prescribes. The board and its officers, agents, and employees shall not spend money for any purpose other than debt service without having set forth the expense in the budget nor in excess of the amount set forth in the budget for it. No obligation to make an expenditure of the above-mentioned type is enforceable except as the obligation of the person or persons incurring it. The board may amend the budget at any time by transferring from one purpose to another any sums except money for debt service and bond proceeds or by increasing expenditures in any amount by which actual cash receipts during the budget year exceed the total amounts designated in the original budget. The creation of any obligation under section 13 or the receipt of any federal or state grant is a sufficient budget designation of the proceeds for the purpose for which it is authorized, and of the tax or other revenue pledged to pay the obligation and interest on it, whether or not specifically included in any annual budget.*

Sec. 10. [ALLOCATION OF COSTS.]

Subdivision 1. [DEFINITION OF CURRENT COSTS.] *The estimated cost of administration, operation, maintenance, and debt service of the district disposal system to be paid by the board in each fiscal year and the estimated costs of acquisition and betterment of the system that are to be paid during the year from funds other than state or federal grants and bond proceeds and all other previously unallocated payments made by the board pursuant to this article to be allocated in the fiscal year are referred to as current costs and must be allocated by the board as provided in subdivision 2 in the budget for that year.*

Subd. 2. [METHOD OF ALLOCATION OF CURRENT COSTS.] *Current costs must be allocated in the district on an equitable basis as the board may determine by resolution to be in the best interests of the district. The adoption or revision of any method of allocation used by the board must be by the affirmative vote of at least two-thirds of the members of the board.*

Sec. 11. [TAX LEVIES.]

To accomplish any duty imposed on it the board may, in addition to the powers granted in this article and in any other law or charter, exercise the powers granted any municipality by Minnesota Statutes, chapters 117, 412, 429, 475, sections 115.46, 444.075, and 471.59, with respect to the area in the district. The board may levy taxes upon all taxable property in the district for all or a part of the amount payable to the board, pursuant to section 10, to be assessed and extended as a tax upon that taxable property by the county auditor for the next calendar year, free from any limitation of rate or amount imposed by law or charter. The tax must be collected and remitted in the same manner as other general taxes.

Sec. 12. [PUBLIC HEARING AND SPECIAL ASSESSMENTS.]

Subdivision 1. [PUBLIC HEARING REQUIREMENT ON SPECIFIC PROJECT.] *Before the board orders any project involving the acquisition or betterment of any interceptor or treatment works, all or a part of the cost of which will be allocated pursuant to section 10 as current costs, the board shall hold a public hearing on the proposed project. The hearing must be held following two publications in a newspaper having general circulation in the district, stating the time and place of the hearing, the general nature and location of the project, the estimated total cost of acquisition and betterment, that portion of costs estimated to be paid out of federal and state grants, and that portion of costs estimated to be allocated. The estimates must be best available at the time of the meeting and if costs exceed the estimate, the project cannot proceed until an additional public hearing is held, with notice as required at the initial meeting. The two publications must be a week apart and the hearing at least three days after the last publication. Not less than 45 days before the hearing, notice of the hearing must also be mailed to each clerk of all local governmental units in the district, but failure to give mailed notice or any defects in the notice does not invalidate the proceedings. The project may include all or part of one or more interceptors or treatment works. No hearing may be held on any project unless the project is within the area covered by the comprehensive plan adopted by the board pursuant to section 5 except that the hearing may be held simultaneously with a hearing on a comprehensive plan. A hearing is not required with respect to a project, no part of the costs of which are to be allocated as the current costs of acquisition, betterment, and debt service.*

Subd. 2. [NOTICE TO BENEFITED PROPERTY OWNERS.] If the board proposes to assess against benefited property within the district all or any part of the allocable costs of the project as provided in subdivision 5, the board shall, not less than ten days before the hearing provided for in subdivision 1, cause mailed notice of the hearing to be given to the owner of each parcel within the area proposed to be specially assessed and shall also give one week's published notice of the hearing. The notice of hearing must contain the same information provided in the notice published by the board pursuant to subdivision 1, and a description of the area proposed to be assessed. For the purpose of giving mailed notice, owners are those shown to be on the records of the county auditor or, in any county where tax statements are mailed by the county treasurer, on the records of the county treasurer; but other appropriate records may be used for this purpose. For properties that are tax exempt or subject to taxation on a gross earnings basis and not listed on the records of the county auditor or the county treasurer, the owners must be ascertained by any practicable means and mailed notice given them as herein provided. Failure to give mailed notice or any defects in the notice does not invalidate the proceedings of the board.

Subd. 3. [BOARD PROCEEDINGS PERTAINING TO HEARING.] Before adoption of the resolution calling for a hearing under this section, the board shall secure from the district engineer or some other competent person of the board's selection a report advising it in a preliminary way as to whether the proposed project is feasible and whether it should be made as proposed or in connection with some other project and the estimated costs of the project as recommended. No error or omission in the report invalidates the proceeding. The board may also take other steps before the hearing, as will in its judgment provide helpful information in determining the desirability and feasibility of the project, including but not limited to preparation of plans and specifications and advertisement for bids on them. The hearing may be adjourned from time to time and a resolution ordering the project may be adopted at any time within six months after the date of hearing. In ordering the project the board may reduce but not increase the extent of the project as stated in the notice of hearing and shall find that the project as ordered is in accordance with the comprehensive plan and program adopted by the board pursuant to section 5.

Subd. 4. [EMERGENCY ACTION.] If the board by resolution adopted by the affirmative vote of not less than two-thirds of its members determines that an emergency exists requiring the immediate purchase of materials or supplies or the making of emergency repairs, it may order the purchase of those supplies and materials and the making of the repairs before any hearing required under this section, provided that the board shall set as early a date as practicable for the hearing at the time it declares the emergency. All other provisions of this section must be followed in giving notice of and conducting the hearing. Nothing herein may be construed as preventing the board or its agents from purchasing maintenance supplies or incurring maintenance costs without regard to the requirements of this section.

Subd 5. [POWER OF THE BOARD TO SPECIALLY ASSESS.] The board may specially assess all or any part of the costs of acquisition and betterment as herein provided, of any project ordered pursuant to this section. The special assessments must be levied in accordance with the provisions of Minnesota Statutes, sections 429.051 to 429.081, except as otherwise provided in this subdivision. No other provisions of Minnesota Statutes, chapter 429, apply. For purposes of levying the special assessments, the hearing on the project

required in subdivision 1 serves as the hearing on the making of the original improvement provided for by Minnesota Statutes, section 429.051. The area assessed may be less than but may not exceed the area proposed to be assessed as stated in the notice of hearing on the project provided for in subdivision 2.

Sec. 13. [BONDS, CERTIFICATES, AND OTHER OBLIGATIONS.]

Subdivision 1. [BUDGET ANTICIPATION CERTIFICATES OF INDEBTEDNESS.] At any time after adoption of its annual budget and in anticipation of the collection of tax and other revenues estimated and set forth by the board in the budget, except in the case of deficiency taxes levied under this subdivision and taxes levied for the payment of certificates issued under subdivision 2, the board may, by resolution, authorize the issuance, negotiation, and sale, in accordance with subdivision 4 in the form and manner and upon terms it determines, of its negotiable general obligation certificates of indebtedness in aggregate principal amounts not exceeding 50 percent of the total amount of tax collections and other revenues, and maturing not later than three months after the close of the budget year in which issued. The proceeds of the sale of the certificates must be used solely for the purposes for which the tax collections and other revenues are to be expended pursuant to the budget.

All the tax collections and other revenues included in the budget for the budget year, after the expenditure of the tax collections and other revenues in accordance with the budget, must be irrevocably pledged and appropriated to a special fund to pay the principal and interest on the certificates when due. If for any reason the tax collections and other revenues are insufficient to pay the certificates and interest when due, the board shall levy a tax in the amount of the deficiency on all taxable property in the district and shall appropriate this amount when received to the special fund.

Subd. 2. [EMERGENCY CERTIFICATES OF INDEBTEDNESS.] If in any budget year the receipts of tax and other revenues should for some unforeseen cause become insufficient to pay the board's current expenses, or if any public emergency should subject it to the necessity of making extraordinary expenditures, the board may by resolution authorize the issuance, negotiation, and sale, in accordance with subdivision 4 in the form and manner and upon the terms and conditions it determines, of its negotiable general obligation certificates of indebtedness in an amount sufficient to meet the the deficiency. The board shall levy on all taxable property in the district a tax sufficient to pay the certificates and interest on the certificates and shall appropriate all collections of the tax to a special fund created for the payment of the certificates and the interest on them. Certificates issued under this subdivision mature not later than April 1 in the year following the year in which the tax is collectible.

Subd. 3. [GENERAL OBLIGATION BONDS.] The board may by resolution authorize the issuance of general obligation bonds for the acquisition or betterment of any part of the district disposal system, including but without limitation the payment of interest during construction and for a reasonable period thereafter, or for the refunding of outstanding bonds, certificates of indebtedness, or judgments. The board shall pledge its full faith and credit and taxing power for the payment of the bonds and shall provide for the issuance and sale and for the security of the bonds in the manner provided in Minnesota Statutes, chapter 475. The board has the same powers and duties as a

municipality issuing bonds under that law, except that no election is required and the debt limitations of Minnesota Statutes, chapter 475, do not apply to the bonds. The board may also pledge for the payment of the bonds and deduct from the amount of any tax levy required under Minnesota Statutes, section 475.61, subdivision 1, and any revenues receivable under any state and federal grants anticipated by the board and may covenant to refund the bonds if and when and to the extent that for any reason the revenues, together with other funds available and appropriated for that purpose, are not sufficient to pay all principal and interest due or about to become due, provided that the revenues have not been anticipated by the issuance of certificates under subdivision 1.

Subd. 4. [MANNER OF SALE AND ISSUANCE OF CERTIFICATES.] Certificates issued under subdivisions 1 and 2 may be issued and sold by negotiation, without public sale, and may be sold at a price equal to the percentage of the par value of the certificates, plus accrued interest, and bearing interest at the rate determined by the board. No election is required to authorize the issuance of the certificates. The certificates must bear the same rate of interest after maturity as before and the full faith and credit and taxing power of the board must be pledged to the payment of the certificates.

Sec. 14. [DEPOSITORIES.]

The board shall designate one or more national or state banks, or trust companies authorized to do a banking business, as official depositories for money of the board, and shall require the treasurer to deposit all or a part of the money in those institutions. The designation must be in writing and set forth all the terms and conditions upon which the deposits are made, and must be signed by the chair and treasurer and made a part of the minutes of the board. A designated bank or trust company shall qualify as a depository by furnishing a corporate surety bond or collateral in the amounts required by Minnesota Statutes, section 118.01. No bond or collateral is required to secure any deposit insofar as it is insured under federal law.

Sec. 15. [MONEY, ACCOUNTS, AND INVESTMENTS.]

Subdivision 1. [RECEIPT AND APPLICATION.] Money received by the board must be deposited or invested by the treasurer and disposed of as the board may direct in accordance with its budget; provided that any money that has been pledged or dedicated by the board to the payment of obligations or interest on the obligations or expenses incident thereto, or for any other specific purpose authorized by law, must be paid by the treasurer into the fund to which it has been pledged.

Subd. 2. [FUNDS AND ACCOUNTS.] (a) The board's treasurer shall establish funds and accounts as may be necessary or convenient to handle the receipts and disbursements of the board in an orderly fashion.

(b) The funds and accounts must be audited annually by a certified public accountant at the expense of the district.

Subd. 3. [DEPOSIT AND INVESTMENT.] The money on hand in those funds and accounts may be deposited in the official depositories of the board or invested as provided in this subdivision. Any amount not currently needed or required by law to be kept in cash on deposit may be invested in obligations authorized for the investment of municipal sinking funds by Minnesota

Statutes, section 475.66. The money may also be held under certificates of deposit issued by any official depository of the board.

Subd. 4. [BOND PROCEEDS.] The use of proceeds of all bonds issued by the board for the acquisition and betterment of the district disposal system, and the use, other than investment, of all money on hand in any sinking fund or funds of the board, is governed by the provisions of Minnesota Statutes, chapter 475, the provisions of this article, and the provisions of resolutions authorizing the issuance of the bonds. When received, the bond proceeds must be transferred to the treasurer of the board for safekeeping, investment, and payment of the costs for which they were issued.

Subd. 5. [AUDIT.] The board shall provide for and pay the cost of an independent annual audit of its official books and records by the state auditor or a public accountant authorized to perform that function under Minnesota Statutes, chapter 6.

Sec. 16. [SERVICE CONTRACTS WITH GOVERNMENTAL ENTITIES OUTSIDE THE JURISDICTION OF THE BOARD.]

(a) The board may contract with the United States or any agency of the federal government, any state or its agency, or any municipal or public corporation, governmental subdivision or agency or political subdivision in any state, outside the jurisdiction of the board, for furnishing services to those entities, including but not limited to planning for and the acquisition, betterment, operation, administration, and maintenance of any or all interceptors, treatment works, and local water and sanitary sewer facilities. The board may include as one of the terms of the contract that the entity must pay to the board an amount agreed upon as a reasonable estimate of the proportionate share properly allocable to the entity of costs of acquisition, betterment, and debt service previously allocated in the district. When payments are made by entities to the board, they must be applied in reduction of the total amount of costs thereafter allocated in the district, on an equitable basis as the board deems to be in the best interests of the district, applying so far as practicable and appropriate the criteria set forth in section 10, subdivision 2. A municipality in the state of Minnesota may enter into a contract and perform all acts and things required as a condition or consideration therefor consistent with the purposes of this article, whether or not included among the powers otherwise granted to the municipality by law or charter.

(b) The board shall contract with the city of Pine City, or another qualified entity to make necessary inspections on the district facilities, and to otherwise process or assist in processing any of the work of the district.

Sec. 17. [CONTRACTS FOR CONSTRUCTION, MATERIALS, SUPPLIES, AND EQUIPMENT.]

Subdivision 1. [PLANS AND SPECIFICATIONS.] When the board orders a project involving the acquisition or betterment of a part of the district disposal system, it shall cause plans and specifications of the project to be made, or if previously made, to be modified, if necessary, and to be approved by the agency if required, and after any required approval by the agency, one or more contracts for work and materials called for by the plans and specification may be awarded as provided in this section.

Subd. 2. [CONTRACTS IN EXCESS OF \$5,000.] No contract for construction work, or for the purchase of materials, supplies, or equipment, estimated to cost more than \$5,000 may be made by the board without publishing once in a newspaper having general circulation in the district and once in a trade paper or legal newspaper published in any city of the first class, not less than 14 days before the last day for submission of bids, notice that bids or proposals will be received. The notice must state the nature of the work or purchase, the terms and conditions upon which the contract is to be awarded, and the time and place where bids will be received, opened, and read publicly. After the bids have been duly received, opened, read publicly, and recorded, the board shall within a reasonable time award the contract to the lowest responsible bidder or it may reject all bids and readvertise. Each contract must be duly executed in writing and the party to whom the contract is awarded shall give sufficient bond or security to the board for the faithful performance of the contract as required by law. If the board by an affirmative vote of not less than two-thirds of its members declares that an emergency exists requiring the immediate purchase of materials or supplies or in making emergency repairs, at a cost estimated to be in excess of \$5,000, it shall not be necessary to advertise for bids.

Subd. 3. [CONTRACTS OR PURCHASES FOR \$5,000 OR LESS.] The board may, without advertising for bids, enter into any contract or purchase any materials, supplies, or equipment of the type referred to in subdivision 2, the cost of which is estimated to be \$5,000 or less, or it may authorize the executive director to enter into a contract on behalf of the board for that work or to make those purchases without prior approval of the board and without advertising for bids.

Subd. 4. [UNIFORM MUNICIPAL CONTRACTING LAW.] Except as otherwise provided in this section, Minnesota Statutes, section 471.345, shall apply.

Sec. 18. [PROPERTY EXEMPT FROM TAXATION.]

Any properties, real or personal; owned, leased, controlled, used, or occupied by the water and sanitary sewer board for any purpose under this article are declared to be acquired, owned, leased, controlled, used, and occupied for public, governmental, and municipal purposes, and are exempt from taxation by the state or any political subdivision of the state, provided that the properties are subject to special assessments levied by a political subdivision for a local improvement in amounts proportionate to and not exceeding the special benefit received by the properties from the improvement. No possible use of any properties in any manner different from their use as part of a disposal system at the time may be considered in determining the special benefit received by the properties. All assessments are subject to final approval by the board, whose determination of the benefits is conclusive upon the political subdivision levying the assessment. All bonds, certificates of indebtedness, or other obligations of the board, and the interest on them, are exempt from taxation by the state or any political subdivision of the state.

Sec. 19. [RELATION TO EXISTING LAWS.]

The provisions of this article must be given full effect notwithstanding the provisions of any law or charter inconsistent with this article. The powers conferred on the board under this article do not in any way diminish or supersede the powers conferred on the agency by Minnesota Statutes, chapters 115 to 116.

Sec. 20. [EFFECTIVE DATE.]

Subdivision 1. This article is effective as to the city of Pine City when approved by the Pine City council and upon compliance with Minnesota Statutes, section 645.021.

Subd. 2. This article is effective as to the towns of Pokegama, Chengwata, and Pine City when approved by the town boards of each town and upon compliance with Minnesota Statutes, section 645.021.

Each order must state the name of the payee and the nature of the claim for which the order is issued. Subdivision 1. [SUITS; CONTRACTS; EMINENT DOMAIN; OPERATION; ACCEPT GIFTS; LEVY AND TAX.] *Notwithstanding any law or charter or ordinance provision to the contrary, the following powers and duties are conferred upon the authority:*

- (1) *to sue and be sued;*
- (2) *to enter into and execute agreements, instruments, and other arrangements necessary, proper, and convenient to the exercise of its powers;*
- (3) *to acquire:*
 - (i) *by purchase, lease, or gift any personal property, franchises, easements, or other rights in its own name that may be necessary or proper for the operation of the Chisholm/Hibbing airport, or any airport facilities that may be acquired in the future;*
 - (ii) *real property for use as airport terminal facilities, maintenance facilities, parking facilities, runway or taxiway facilities with approval of the city councils; and*
 - (iii) *other facilities used or useful for operating the airport;*
- (4) *to acquire, construct, equip, improve, operate, and maintain airports and airport terminal facilities, maintenance facilities, runways and taxiways, parking areas, and other facilities useful for or related to operating an airport;*
- (5) *to lease to or contract with any person or operator for the use of any real or personal property under the authority's control; provided, however, that the authority does not have the power to make agreements for the sale of any real estate under its control without the approval by resolution of the city councils;*

A joint meeting of the city councils must be convened annually for the purpose of either adopting or rejecting the proposed levy. Each city council shall vote separately on the proposed levy. If the proposed levy is rejected by either city council, the authority shall revise*

the levy and resubmit the proposal for consideration by the city councils who shall either reject or approve the revised proposed levy. This procedure shall continue until a levy is approved by resolution of both city councils. No later than October 1 each year, the secretary of the authority shall certify to the auditor of St. Louis county the total levy approved by the city councils, accompanied by a certified copy of the resolution of each city approving the levy. The auditor shall add the total levy made by the authority to other tax levies of the county on taxable property in the cities of Chisholm and Hibbing for collection by the county auditor with other taxes. When collected, the county auditor shall make settlement of those taxes with the treasurer of the authority in the same manner as other taxes are distributed to political subdivisions.

Subd. 2. [MANAGEMENT CONTRACTS.] Notwithstanding other provisions of this article to the contrary, the authority is authorized, in lieu of directly operating the Chisholm/Hibbing airports or any part of them, to enter into management contracts with persons for managing the airports or any part of them, for a period of time, for purposes, and under any compensation and other terms and conditions as deemed advisable and proper by the authority. The agreement is subject to the approval by resolution of the city councils.

Sec. 6. [ADDITIONAL POWERS.]

The authority is authorized:

(1) when not in conflict with this article, to adopt and alter bylaws and rules and regulations that it deems necessary for conducting the business of the authority, for using and operating the Chisholm/Hibbing airports and the facilities of the authority, and for carrying out the objects of this article;

(2) to appoint the executive director, engineers and other consultants, accountants, attorneys, and other officers, agents, and employees as it deems necessary, who shall perform duties and receive compensation as the authority may determine and who are removable at the pleasure of the authority;

(3) to prescribe or provide for a policy or policies of insurance for the defense and indemnification of the cities of Chisholm and Hibbing and their officers and employees, and the authority's directors, executive director, and other employees against claims arising against them out of the performance of duty, whether the claims be groundless or otherwise, with premiums for any policies of insurance required by this article to be paid out of the funds of the authority;

(4) to authorize and direct the treasurer to invest, in the manner provided by law, any funds held in reserve, sinking funds, or any funds not required for immediate disbursement; and

(5) to fix, alter, change, and collect fees, rentals, and all other charges to be made for all services or facilities furnished by the authority to the public, to any persons, or to public or private agencies leasing any and all facilities at the Chisholm/Hibbing airports.

Sec. 7. [EXECUTIVE DIRECTOR.]

Subdivision 1. [CUSTODY OF MONEY COLLECTED DAILY.] The executive director of the authority is responsible for the custody and control

of all money received and collected from the daily operations of the Chisholm/Hibbing airports until that money is delivered to the treasurer and the executive director has obtained a receipt for it, or until the money is deposited in a bank account under the control of the treasurer.

Subd. 2. [INSURANCE.] In addition to other insurance provisions of this article, the executive director shall provide for insurance on any of the Chisholm/Hibbing airports' property, rights, revenue, workers' compensation, public liability, or any other risk or hazard arising from its activities; and the premiums for that insurance must be paid for out of funds of the Chisholm/Hibbing airport authority.

Sec. 8. [TAX-EXEMPT PROPERTY.]

Notwithstanding other law to the contrary, the property, money, and other assets of the authority, or revenues or other income of the authority, and all bonds or other obligations issued by the authority, with the approval of the city councils, and the interest on them, are exempt from all taxation, licensing, fees, or charges of any kind imposed by the state of Minnesota, or by any county, municipality, political subdivision, taxing district, or other public agency or body of the state.

Sec. 9. [REVENUE BONDS.]

Subdivision 1. [AUTHORITY TO ISSUE.] Notwithstanding any limitations imposed by law or by the charter of the city of Chisholm, the authority is authorized to issue negotiable revenue bonds for any one or more of its purposes. Revenue bonds under this section shall be issued in the amounts, times, and series to the authority determined by resolution. No election is necessary to authorize the issuance of the revenue bonds. Except as otherwise provided by this section, the maturities, any right of prior redemption, execution, paying agency, provision for interest, and other terms of the bonds, are subject to Minnesota Statutes, sections 475.54 and 475.56.

Subd. 2. [PLEGGED FROM REVENUES.] Revenue bonds issued under this section do not constitute a debt of the city of Chisholm or the city of Hibbing, and no tax levy may be compelled for their payment. The bonds are payable only from the revenues of the Chisholm/Hibbing airport pledged by the authority; to payment of principal of and interest on the bonds; and they must so recite. At or before the issuance of revenue bonds, the authority, by resolution, shall pledge and appropriate to the payment of principal and interest the net revenues of the Chisholm/Hibbing airports, or some part of those airports, after provision for reasonable and necessary expenses of operation and maintenance, as described and defined in the authorizing resolution.

Subd. 3. [RESOLUTION.] By the authorizing resolution, the authority may provide covenants for the protection of the bondholders relating to disposition of bond proceeds and revenues; their reserves and investment; construction, acquisition, repair, replacement, operation and insurance of the Chisholm/Hibbing airports facilities; accounting and reports; issuance of parity or subordinate lien bonds, rates and charges to be established or maintained; and other covenants the authority finds to be usual and reasonably necessary for the protection of the airport revenue bondholders.

Subd. 4. [DEFAULT.] The authority may also define the event or events of default and other requisites for suit by bondholders or their representatives,

conditions upon which any covenant may be amended. Any terms, covenants, or conditions of revenue bonds to be provided by resolution of the authority may be set forth in a trust indenture with a corporation having trust powers appointed by the authority, to represent and act for bondholders, to hold and disburse pledged revenues, and to perform other duties as may be provided in the trust indenture. However, the trust indenture must not confer or authorize any mortgage lien on the real or operating properties or general funds of the authority.

Subd. 5. [PUBLIC INSTRUMENTALITY.] Revenue bonds of the authority are deemed and must be treated as instrumentalities of the public government, agency; and as such, together with interest on the bonds, are exempt from taxation.

Sec. 10. [GENERAL OBLIGATION BONDS.]

Subdivision 1. [AUTHORITY TO ISSUE.] The authority may request the issuance of general obligation bonds to improve or construct, and equip, terminal facilities, maintenance and hangar facilities, runway or taxiway facilities, parking areas, or similar facilities used or useful in connection with the operation by the authority of the Chisholm/Hibbing airports, or any part of them.

Subd. 2. [RESOLUTION.] General obligation bonds under this section shall be issued in the amounts, at times, and in a series as the cities shall determine by joint resolution. Except as otherwise provided by this section, the maturities, any right of prior redemption, execution, paying agency, provision for interest, or other terms of the bonds, are subject to Minnesota Statutes, sections 475.54 and 475.56.

Subd. 3. [PLEGGED WITH TAXES.] General obligation bonds issued according to the total tax capacity in each city under this section constitute a debt of the city of Chisholm and the city of Hibbing for which the full faith and credit of the city is pledged. A tax levy must be compelled for their payment and the bonds must recite that.

Sec. 11. [PROPERTY TRANSACTIONS.]

Subdivision 1. [EMINENT DOMAIN.] If it becomes necessary for any of the purposes provided in this article to exercise the power of eminent domain, that power must not be exercised by the authority. However, the city of Chisholm and the city of Hibbing shall, at the request of the authority, acquire any of the properties allowed pursuant to this article and necessary for the conduct and operation of the authority, or for the purpose of acquiring any land, waters, easements, or other rights or interests in them by the exercise of the power of eminent domain, either as provided for under the home rule charter of the city of Chisholm, or under Minnesota Statutes, chapter 117. An exercise of the power of eminent domain by the cities must be at the request and expense of the authority. The fact that the property is owned by a public service corporation organized for the purpose specified in Minnesota Statutes, section 300.03, or is already devoted to a public use, or to use by a corporation, or was acquired for a public use by condemnation, does not prevent its acquisition by the cities for the authority by condemnation. The cities, on behalf of the authority, may take possession of any property for which condemnation proceedings have been commenced at any time after the filing of the petition describing the property in the proceedings. After the

condemnation is completed, the cities shall transfer the property condemned to the authority.

Subd. 2. [PROPERTY TRANSFERS.] Subject to prior notice to the city councils, any state department or other agency of the state government, or any county, municipality, or other public agency, may sell, lease, grant, transfer, or convey to the authority, with or without consideration, any facilities or any part of the facilities, or any interest in real or personal property, which may be useful to the authority for any authorized purpose.

Sec. 12. [LIMITED REGULATION BY OTHER GOVERNMENTAL UNITS.]

The exercise by the authority and the city councils of the powers provided in this article are not subject to regulation by the jurisdiction or control of any other public body or agency, whether state, county, or municipal, except as specifically provided in this article. However, the authority is subject to rules administered by the state department of public safety, division of aeronautics, and to laws of the United States or regulations of the Federal Aviation Administration of the United States Department of Transportation, as may be applicable to the operations of the Chisholm/Hibbing airports.

Sec. 13. [PROPERTY TRANSFERRED BY THIS ARTICLE.]

On the effective date of this article, the Chisholm/Hibbing airport commission is dissolved and the title to all real and personal property presently used and occupied by the Chisholm/Hibbing airport commission vests in the authority. The city of Chisholm and the city of Hibbing shall execute all deeds or other appropriate documents necessary to confirm the vesting of title in the Chisholm/Hibbing airport authority. If the authority is dissolved, the fair market value of all real estate owned by the city of Hibbing prior to the formation of the Chisholm/Hibbing joint airport commission in 1957 including improvements on that real estate prior to that time must be credited to the city of Hibbing.

Sec. 14. [EFFECTIVE DATE.]

This article is effective after its approval by a majority of the city council of the city of Chisholm and a majority of the city council of the city of Hibbing, and upon compliance with the provisions of Minnesota Statutes, section 645.021, subdivision 3."

Reports the same back with the recommendation that the bill be amended as follows:

Delete everything after the enacting clause and insert:

"Section 1. Minnesota Statutes 1993 Supplement, section 256B.0911, subdivision 2, is amended to read:

Subd. 2. [PERSONS REQUIRED TO BE SCREENED; EXEMPTIONS.] All applicants to Medicaid certified nursing facilities must be screened prior to admission, regardless of income, assets, or funding sources, except the following:

(1) patients who, having entered acute care facilities from certified nursing facilities, are returning to a certified nursing facility;

(2) residents transferred from other certified nursing facilities *located within the state of Minnesota*;

(3) individuals who have a contractual right to have their nursing facility care paid for indefinitely by the veteran's administration; or

(4) individuals who are enrolled in the Ebenezer/Group Health social health maintenance organization project at the time of application to a nursing home; or

(5) individuals previously screened and currently being served under the alternative care or waiver programs.

Regardless of the exemptions in clauses (2) to (4), persons who have a diagnosis or possible diagnosis of mental illness, mental retardation, or a related condition must be screened before admission unless the admission prior to screening is authorized by the local mental health authority or the local developmental disabilities case manager, or unless authorized by the county agency according to Public Law Number 101-508.

Before admission to a Medicaid certified nursing home or boarding care home, all persons must be screened and approved for admission through an assessment process. The nursing facility is authorized to conduct case mix assessments which are not conducted by the county public health nurse under Minnesota Rules, part 9549.0059. The designated county agency is responsible for distributing the quality assurance and review form for all new applicants to nursing homes.

Other persons who are not applicants to nursing facilities must be screened if a request is made for a screening.

Sec. 2. Minnesota Statutes 1993 Supplement, section 256B.0911, subdivision 7, is amended to read:

Subd. 7. [REIMBURSEMENT FOR CERTIFIED NURSING FACILITIES.] (a) Medical assistance reimbursement for nursing facilities shall be authorized for a medical assistance recipient only if a preadmission screening has been conducted prior to admission or the local county agency has authorized an exemption. Medical assistance reimbursement for nursing facilities shall not be provided for any recipient who the local screener has determined does not meet the level of care criteria for nursing facility placement or, if indicated, has not had a level II PASARR evaluation completed unless an admission for a recipient with mental illness is approved by the local mental health authority or an admission for a recipient with mental retardation or related condition is approved by the state mental retardation authority. The commissioner shall make a request to the health care financing administration for a waiver allowing screening team approval of Medicaid payments for certified nursing facility care. An individual has a choice and makes the final decision between nursing facility placement and community placement after the screening team's recommendation, except as provided in paragraphs (b) and (c).

(b) The local county mental health authority or the state mental retardation authority under Public Law Numbers 100-203 and 101-508 may prohibit admission to a nursing facility, if the individual does not meet the nursing facility level of care criteria or needs specialized services as defined in Public Law Numbers 100-203 and 101-508. For purposes of this section, "specialized services" for a person with mental retardation or a related condition means "active treatment" as that term is defined in Code of Federal Regulations, title 42, section 483.440(a)(1).

(c) Upon the receipt by the commissioner of approval by the Secretary of Health and Human Services of the waiver requested under paragraph (a), the local screener shall deny medical assistance reimbursement for nursing facility care for an individual:

(i) whose long-term care needs can be met in a community-based setting and whose cost of community-based home care services is less than 75 percent of the average payment for nursing facility care for that individual's case mix classification; ~~and who is either;~~

(ii) *who is being screened for nursing facility admission;*

(iii) *who meets a nursing facility level of care; and*

(iv) *who is either:*

(i) (A) a current medical assistance recipient ~~being screened for admission to a nursing facility;~~ or

(ii) (B) an individual who would be eligible for medical assistance within 180 days of entering a nursing facility ~~and who meets a nursing facility level of care.~~

(d) Appeals from the screening team's recommendation or the county agency's final decision shall be made according to section 256.045, subdivision 3.

The county shall be held harmless if the recommendation of the screening team is community placement. In cases where a care plan and resources need to be developed before services can be delivered to the applicant, the screener may authorize nursing facility admission and Medicaid payment for a limited period of time sufficient to coordinate any needed community services.

Sec. 3. Minnesota Statutes 1993 Supplement, section 256B.0913, subdivision 5, is amended to read:

Subd. 5. [SERVICES COVERED UNDER ALTERNATIVE CARE.] (a) Alternative care funding may be used for payment of costs of:

- (1) adult foster care;
- (2) adult day care;
- (3) home health aide;
- (4) homemaker services;
- (5) personal care;
- (6) case management;
- (7) respite care;
- (8) assisted living;
- (9) residential care services;
- (10) care-related supplies and equipment;
- (11) meals delivered to the home;
- (12) transportation;

- (13) skilled nursing;
- (14) chore services;
- (15) companion services;
- (16) nutrition services; and
- (17) training for direct informal caregivers.

(b) The county agency must ensure that the funds are used only to supplement and not supplant services available through other public assistance or services programs.

(c) Unless specified in statute, the service standards for alternative care services shall be the same as the service standards defined in the elderly waiver. Persons or agencies must be employed by or under a contract with the county agency or the public health nursing agency of the local board of health in order to receive funding under the alternative care program.

(d) The adult foster care rate shall be considered a difficulty of care payment and shall not include room and board. The adult foster care daily rate shall be negotiated between the county agency and the foster care provider. The rate established under this section shall not exceed 75 percent of the state average monthly nursing home payment for the case mix classification to which the individual receiving foster care is assigned, and it must allow for other alternative care services to be authorized by the case manager.

(e) Personal care services may be provided by a personal care provider organization. A county agency may contract with a relative of the client to provide personal care services, but must ensure nursing supervision. Covered personal care services defined in section 256B.0627, subdivision 4, must meet applicable standards in Minnesota Rules, part 9505.0335.

(f) Costs for supplies and equipment that exceed \$150 per item per month must have prior approval from the commissioner. A county may use alternative care funds to purchase supplies and equipment from a non-Medicaid certified vendor if the cost for the items is less than that of a Medicaid vendor. *A county is not required to contract with a provider of supplies and equipment if the monthly cost of the supplies or equipment is less than \$250.*

(g) For purposes of this section, residential care services are services which are provided to individuals living in residential care homes. Residential care homes are currently licensed as board and lodging establishments and are registered with the department of health as providing special services. Residential care services are defined as "supportive services" and "health-related services." "Supportive services" means the provision of up to 24-hour supervision and oversight. Supportive services includes: (1) transportation, when provided by the residential care center only; (2) socialization, when socialization is part of the plan of care, has specific goals and outcomes established, and is not diversional or recreational in nature; (3) assisting clients in setting up meetings and appointments; (4) assisting clients in setting up medical and social services; (5) providing assistance with personal laundry, such as carrying the client's laundry to the laundry room. Assistance with personal laundry does not include any laundry, such as bed linen, that is included in the room and board rate. Health-related services are limited to minimal assistance with dressing, grooming, and bathing and providing

reminders to residents to take medications that are self-administered or providing storage for medications, if requested. Individuals receiving residential care services cannot receive both personal care services and residential care services.

(h) For the purposes of this section, "assisted living" refers to supportive services provided by a single vendor to clients who reside in the same apartment building of three or more units. Assisted living services are defined as up to 24-hour supervision, and oversight, supportive services as defined in clause (1), individualized home care aide tasks as defined in clause (2), and individualized home management tasks as defined in clause (3) provided to residents of a residential center living in their units or apartments with a full kitchen and bathroom. A full kitchen includes a stove, oven, refrigerator, food preparation counter space, and a kitchen utensil storage compartment. Assisted living services must be provided by the management of the residential center or by providers under contract with the management or with the county.

(1) Supportive services include:

(i) socialization, when socialization is part of the plan of care, has specific goals and outcomes established, and is not diversional or recreational in nature;

(ii) assisting clients in setting up meetings and appointments; and

(iii) providing transportation, when provided by the residential center only.

Individuals receiving assisted living services will not receive both assisted living services and homemaking or personal care services. Individualized means services are chosen and designed specifically for each resident's needs, rather than provided or offered to all residents regardless of their illnesses, disabilities, or physical conditions.

(2) Home care aide tasks means:

(i) preparing modified diets, such as diabetic or low sodium diets;

(ii) reminding residents to take regularly scheduled medications or to perform exercises;

(iii) household chores in the presence of technically sophisticated medical equipment or episodes of acute illness or infectious disease;

(iv) household chores when the resident's care requires the prevention of exposure to infectious disease or containment of infectious disease; and

(v) assisting with dressing, oral hygiene, hair care, grooming, and bathing, if the resident is ambulatory, and if the resident has no serious acute illness or infectious disease. Oral hygiene means care of teeth, gums, and oral prosthetic devices.

(3) Home management tasks means:

(i) housekeeping;

(ii) laundry;

(iii) preparation of regular snacks and meals; and

(iv) shopping.

A person's eligibility to reside in the building must not be contingent on the person's acceptance or use of the assisted living services. Assisted living services as defined in this section shall not be authorized in boarding and lodging establishments licensed according to sections 157.01 to 157.031.

Reimbursement for assisted living services and residential care services shall be made by the lead agency to the vendor as a monthly rate negotiated with the county agency. The rate shall not exceed the nonfederal share of the greater of either the statewide or any of the geographic groups' weighted average monthly medical assistance nursing facility payment rate of the case mix resident class to which the 180-day eligible client would be assigned under Minnesota Rules, parts 9549.0050 to 9549.0059, except for alternative care assisted living projects established under Laws 1988, chapter 689, article 2, section 256, whose rates may not exceed 65 percent of either the statewide or any of the geographic groups' weighted average monthly medical assistance nursing facility payment rate of the case mix resident class to which the 180-day eligible client would be assigned under Minnesota Rules, parts 9549.0050 to 9549.0059. The rate may not cover rent and direct food costs.

(i) For purposes of this section, companion services are defined as nonmedical care, supervision and oversight, provided to a functionally impaired adult. Companions may assist the individual with such tasks as meal preparation, laundry and shopping, but do not perform these activities as discrete services. The provision of companion services does not entail hands-on medical care. Providers may also perform light housekeeping tasks which are incidental to the care and supervision of the recipient. This service must be approved by the case manager as part of the care plan. Companion services must be provided by individuals or nonprofit organizations who are under contract with the local agency to provide the service. Any person related to the waiver recipient by blood, marriage or adoption cannot be reimbursed under this service. Persons providing companion services will be monitored by the case manager.

(j) For purposes of this section, training for direct informal caregivers is defined as a classroom or home course of instruction which may include: transfer and lifting skills, nutrition, personal and physical cares, home safety in a home environment, stress reduction and management, behavioral management, long-term care decision making, care coordination and family dynamics. The training is provided to an informal unpaid caregiver of a 180-day eligible client which enables the caregiver to deliver care in a home setting with high levels of quality. The training must be approved by the case manager as part of the individual care plan. Individuals, agencies, and educational facilities which provide caregiver training and education will be monitored by the case manager.

Sec. 4. Minnesota Statutes 1992, section 256B.0913, subdivision 8, is amended to read:

Subd. 8. [REQUIREMENTS FOR INDIVIDUAL CARE PLAN.] The case manager shall implement the plan of care for each 180-day eligible client and ensure that a client's service needs and eligibility are reassessed at least every ~~six~~ 12 months. The plan shall include any services prescribed by the individual's attending physician as necessary to allow the individual to remain in a community setting. In developing the individual's care plan, the case manager should include the use of volunteers from families and neighbors, religious organizations, social clubs, and civic and service organizations to

support the formal home care services. The county shall be held harmless for damages or injuries sustained through the use of volunteers under this subdivision including workers' compensation liability. The lead agency shall provide documentation to the commissioner verifying that the individual's alternative care is not available at that time through any other public assistance or service program. The lead agency shall provide documentation in each individual's plan of care and to the commissioner that the most cost-effective alternatives available have been offered to the individual and that the individual was free to choose among available qualified providers, both public and private. The case manager must give the individual a ten-day written notice of any decrease in or termination of alternative care services.

Sec. 5. Minnesota Statutes 1993 Supplement, section 256B.0913, subdivision 12, is amended to read:

Subd. 12. [CLIENT PREMIUMS.] (a) A premium is required for all 180-day eligible clients to help pay for the cost of participating in the program. The amount of the premium for the alternative care client shall be determined as follows:

(1) when the alternative care client's income less recurring and predictable medical expenses is greater than the medical assistance income standard but less than 150 percent of the federal poverty guideline, and total assets are less than \$6,000, the fee is zero;

(2) when the alternative care client's income less recurring and predictable medical expenses is greater than 150 percent of the federal poverty guideline and total assets are less than \$6,000, the fee is 25 percent of the cost of alternative care services or the difference between 150 percent of the federal poverty guideline and the client's income less recurring and predictable medical expenses, whichever is less; and

(3) when the alternative care client's total assets are greater than \$6,000, the fee is 25 percent of the cost of alternative care services.

For married persons, total assets are defined as the total marital assets less the estimated community spouse asset allowance, under section 256B.059, if applicable. For married persons, total income is defined as the client's income less the monthly spousal allotment, under section 256B.058.

All alternative care services except case management shall be included in the estimated costs for the purpose of determining 25 percent of the costs.

The monthly premium shall be calculated ~~and be payable in the~~ based on the cost of the first full month in which the of alternative care services begin and shall continue unaltered for six months until the semiannual reassessment unless the actual cost of services falls below the fee until the next reassessment is completed or at the end of 12 months whichever comes first. Premiums are due and payable each month alternative care services are received unless the actual cost of the services is less than the premium.

(b) The fee shall be waived by the commissioner when:

(1) a person who is residing in a nursing facility is receiving case management only;

(2) a person is applying for medical assistance;

(3) a married couple is requesting an asset assessment under the spousal impoverishment provisions;

(4) a person is a medical assistance recipient, but has been approved for alternative care-funded assisted living services;

(5) a person is found eligible for alternative care, but is not yet receiving alternative care services; or

(6) a person is an adult foster care resident for whom alternative care funds are being used to meet a portion of the person's medical assistance spend-down, as authorized in subdivision 4; and

(7) a person's fee under paragraph (a) is less than \$25.

(c) The county agency must collect the premium from the client and forward the amounts collected to the commissioner in the manner and at the times prescribed by the commissioner. Money collected must be deposited in the general fund and is appropriated to the commissioner for the alternative care program. The client must supply the county with the client's social security number at the time of application. If a client fails or refuses to pay the premium due, the county shall supply the commissioner with the client's social security number and other information the commissioner requires to collect the premium from the client. The commissioner shall collect unpaid premiums using the revenue recapture act in chapter 270A and other methods available to the commissioner. The commissioner may require counties to inform clients of the collection procedures that may be used by the state if a premium is not paid.

(d) The commissioner shall begin to adopt emergency or permanent rules governing client premiums within 30 days after July 1, 1991, including criteria for determining when services to a client must be terminated due to failure to pay a premium.

Sec. 6. Minnesota Statutes 1993 Supplement, section 256B.0915, subdivision 1, is amended to read:

Subdivision 1. [AUTHORITY.] The commissioner is authorized to apply for a home and community-based services waiver for the elderly, authorized under section 1915(c) of the Social Security Act, in order to obtain federal financial participation to expand the availability of services for persons who are eligible for medical assistance. The commissioner may apply for additional waivers or pursue other federal financial participation which is advantageous to the state for funding home care services for the frail elderly who are eligible for medical assistance. The provision of waived services to elderly and disabled medical assistance recipients must comply with the criteria approved in the waiver.

Home and community-based services provided under the elderly and disabled waivers are available to individuals who, but for the provisions of such services, would require a nursing facility level of care, the cost of which could be reimbursed under the approved Medicaid state plan. A preadmission screening must be done in accordance with section 256B.0911, except for subdivision 7, to establish that an individual would require a nursing facility level of care.

Sec. 7. Minnesota Statutes 1993 Supplement, section 256B.0915, subdivision 3, is amended to read:

Subd. 3. [LIMITS OF CASES, RATES, REIMBURSEMENT, AND FORECASTING.] (a) The number of medical assistance waiver recipients that a county may serve must be allocated according to the number of medical assistance waiver cases open on July 1 of each fiscal year. Additional recipients may be served with the approval of the commissioner.

(b) The monthly limit for the cost of waived services to an individual waiver client shall be the statewide average payment rate of the case mix resident class to which the waiver client would be assigned under medical assistance case mix reimbursement system. The statewide average payment rate is calculated by determining the statewide average monthly nursing home rate effective July 1 of the fiscal year in which the cost is incurred, less the statewide average monthly income of nursing home residents who are age 65 or older, and who are medical assistance recipients in the month of March of the previous state fiscal year. The following costs must be included in determining the total monthly costs for the waiver client:

(1) cost of all waived services, including extended medical supplies and equipment; and

(2) cost of skilled nursing, home health aide, and personal care services reimbursable by medical assistance.

(c) Medical assistance funding for skilled nursing services, home health aide, and personal care services for waiver recipients must be approved by the case manager and included in the individual care plan.

(d) Expenditures for extended medical supplies and equipment that cost over \$150 per month for both the elderly waiver and the disabled waiver must have the commissioner's prior approval. *A county is not required to contract with a provider of supplies and equipment if the monthly cost of the supplies or equipment is less than \$250.*

(e) For the fiscal year beginning on July 1, 1993, and for subsequent fiscal years, the commissioner of human services shall not provide automatic annual inflation adjustments for home and community-based waived services. The commissioner of finance shall include as a budget change request in each biennial detailed expenditure budget submitted to the legislature under section 16A.11 annual adjustments in reimbursement rates for home and community-based waived services, based on the forecasted percentage change in the Home Health Agency Market Basket of Operating Costs, for the fiscal year beginning July 1, compared to the previous fiscal year, unless otherwise adjusted by statute. The Home Health Agency Market Basket of Operating Costs is published by Data Resources, Inc. The forecast to be used is the one published for the calendar quarter beginning January 1, six months prior to the beginning of the fiscal year for which rates are set. The adult foster care rate shall be considered a difficulty of care payment and shall not include room and board.

(f) The adult foster care daily rate for the elderly and disabled waivers shall be negotiated between the county agency and the foster care provider. The rate established under this section shall not exceed the state average monthly nursing home payment for the case mix classification to which the individual receiving foster care is assigned, and it must allow for other waiver and medical assistance home care services to be authorized by the case manager.

(g) The assisted living and residential care service rates for elderly and disabled waivers shall be made to the vendor as a monthly rate negotiated with the county agency. The rate shall not exceed the nonfederal share of the greater of either the statewide or any of the geographic groups' weighted average monthly medical assistance nursing facility payment rate of the case mix resident class to which the elderly or disabled client would be assigned under Minnesota Rules, parts 9549.0050 to 9549.0059, except for alternative care assisted living projects established under Laws 1988, chapter 689, article 2, section 256, whose rates may not exceed 65 percent of the greater of either the statewide or any of the geographic groups' weighted average monthly medical assistance nursing facility payment rate for the case mix resident class to which the elderly or disabled client would be assigned under Minnesota Rules, parts 9549.0050 to 9549.0059. The rate may not cover direct rent or food costs.

(h) The county shall negotiate individual rates with vendors and may be reimbursed for actual costs up to the greater of the county's current approved rate or 60 percent of the maximum rate in fiscal year 1994 and 65 percent of the maximum rate in fiscal year 1995 for each service within each program.

(i) On July 1, 1993, the commissioner shall increase the maximum rate for home-delivered meals to \$4.50 per meal.

(j) Reimbursement for the medical assistance recipients under the approved waiver shall be made from the medical assistance account through the invoice processing procedures of the department's Medicaid Management Information System (MMIS), only with the approval of the client's case manager. The budget for the state share of the Medicaid expenditures shall be forecasted with the medical assistance budget, and shall be consistent with the approved waiver.

(k) Beginning July 1, 1991, the state shall reimburse counties according to the payment schedule in section 256.025 for the county share of costs incurred under this subdivision on or after January 1, 1991, for individuals who are receiving medical assistance.

Sec. 8. Minnesota Statutes 1992, section 256B.0915, subdivision 5, is amended to read:

Subd. 5. [REASSESSMENTS FOR WAIVER CLIENTS.] A reassessment of a client served under the elderly or disabled waiver must be conducted at least every ~~six~~ 12 months and at other times when the case manager determines that there has been significant change in the client's functioning. This may include instances where the client is discharged from the hospital.

Sec. 9. Minnesota Statutes 1993 Supplement, section 256B.0917, subdivision 2, is amended to read:

Subd. 2. [DESIGN OF SAIL PROJECTS; LOCAL LONG-TERM CARE COORDINATING TEAM.] (a) The commissioner of human services in conjunction with the interagency long-term care planning committee's long-range strategic plan shall contract with SAIL projects in four to six counties or groups of counties to demonstrate the feasibility and cost-effectiveness of a local long-term care strategy that is consistent with the state's long-term care goals identified in subdivision 1. The commissioner shall publish a notice in the State Register announcing the availability of project funding and giving

instructions for making an application. The instructions for the application shall identify the amount of funding available for project components.

(b) To be selected for the project, a county board or boards must establish a long-term care coordinating team consisting of county social service agencies, public health nursing service agencies, local boards of health, *a representative of local nursing home providers, a representative of local home care providers*, and the area agencies on aging in a geographic area which is responsible for:

(1) developing a local long-term care strategy consistent with state goals and objectives;

(2) submitting an application to be selected as a project;

(3) coordinating planning for funds to provide services to elderly persons, including funds received under Title III of the Older Americans Act, Community Social Services Act, Title XX of the Social Security Act and the Local Public Health Act; and

(4) ensuring efficient services provision and nonduplication of funding.

(c) The board or boards shall designate a public agency to serve as the lead agency. The lead agency receives and manages the project funds from the state and is responsible for the implementation of the local strategy. If selected as a project, the local long-term care coordinating team must semiannually evaluate the progress of the local long-term care strategy in meeting state measures of performance and results as established in the contract.

(d) Each member of the local coordinating team must indicate its endorsement of the local strategy. The local long-term care coordinating team may include in its membership other units of government which provide funding for services to the frail elderly. The team must cooperate with consumers and other public and private agencies, including nursing homes, in the geographic area in order to develop and offer a variety of cost-effective services to the elderly and their caregivers.

(e) The board or boards shall apply to be selected as a project. If the project is selected, the commissioner of human services shall contract with the lead agency for the project and shall provide additional administrative funds for implementing the provisions of the contract, within the appropriation available for this purpose.

(f) Projects shall be selected according to the following conditions.

No project may be selected unless it demonstrates that:

(i) the objectives of the local project will help to achieve the state's long-term care goals as defined in subdivision 1;

(ii) in the case of a project submitted jointly by several counties, all of the participating counties are contiguous;

(iii) there is a designated local lead agency that is empowered to make contracts with the state and local vendors on behalf of all participants;

(iv) the project proposal demonstrates that the local cooperating agencies have the ability to perform the project as described and that the implementation of the project has a reasonable chance of achieving its objectives;

(v) the project will serve an area that covers at least four counties or contains at least 2,500 persons who are 85 years of age or older, according to the projections of the state demographer or the census if the data is more recent; and

(vi) the local coordinating team documents efforts of cooperation with consumers and other agencies and organizations, both public and private, in planning for service delivery.

Sec. 10. Minnesota Statutes 1992, section 256B.432, subdivision 1, is amended to read:

"Day-to-day operational control" means that the central, affiliated, or corporate office has the authority to require, mandate, direct, or compel the employees of the ~~long-term care~~ *nursing* facility to perform or refrain from performing certain acts, or to supplant or take the place of the top management of the ~~long-term care~~ *nursing* facility. "Day-to-day operational control" includes the authority to hire or terminate employees or to provide an employee of the central, affiliated, or corporate office to serve as administrator of the ~~long-term care~~ *nursing* facility;

(2) the central, affiliated, or corporate office performs or is authorized to perform two or more of the following: the execution of contracts; authorization of purchase orders; signature authority for checks, notes, or other financial instruments; requiring the ~~long-term care~~ *nursing* facility to use the group or volume purchasing services of the central, affiliated, or corporate office; or the authority to make annual capital expenditures for the ~~long-term care~~ *nursing* facility exceeding \$50,000, or \$500 per licensed bed, whichever is less, without first securing the approval of the ~~long-term care~~ *nursing* facility board of directors;

(3) the central, affiliated, or corporate office becomes or is required to become the licensee under applicable state law;

(4) the agreement provides that the compensation for services provided under the agreement is directly related to any profits made by the ~~long-term care~~ *nursing* facility; or

(5) the ~~long-term care~~ *nursing* facility entering into the agreement is governed by a governing body that meets fewer than four times a year, that does not publish notice of its meetings, or that does not keep formal records of its proceedings.

(b) "Consulting agreement" means any agreement the purpose of which is for a central, affiliated, or corporate office to advise, counsel, recommend, or suggest to the owner or operator of the nonrelated ~~long-term care~~ *nursing* facility measures and methods for improving the operations of the ~~long-term care~~ *nursing* facility.

(c) "~~Long term care Nursing facility~~" means a nursing facility whose medical assistance rates are determined according to section 256B.431 ~~or an intermediate care facility for persons with mental retardation and related conditions whose medical assistance rates are determined according to section 256B.501.~~

Sec. 11. Minnesota Statutes 1992, section 256B.432, subdivision 2, is amended to read:

Subd. 2. [EFFECTIVE DATE.] For rate years beginning on or after July 1, 1990, the central, affiliated, or corporate office cost allocations in subdivisions 3 to 6 must be used when determining medical assistance rates under sections 256B.431 and ~~256B.501~~ 256B.50.

Sec. 12. Minnesota Statutes 1992, section 256B.432, subdivision 3, is amended to read:

Subd. 3. [ALLOCATION; DIRECT IDENTIFICATION OF COSTS OF ~~LONG TERM CARE NURSING FACILITIES; MANAGEMENT AGREEMENT.~~] All costs that can be directly identified with a specific ~~long term care nursing~~ facility that is a related organization to the central, affiliated, or corporate office, or that is controlled by the central, affiliated, or corporate office under a management agreement, must be allocated to that ~~long term care nursing~~ facility.

Sec. 13. Minnesota Statutes 1993 Supplement, section 256B.432, subdivision 5, is amended to read:

Subd. 5. [ALLOCATION OF REMAINING COSTS; ALLOCATION RATIO.] (a) After the costs that can be directly identified according to subdivisions 3 and 4 have been allocated, the remaining central, affiliated, or corporate office costs must be allocated between the ~~long term care nursing~~ facility operations and the other activities or facilities unrelated to the ~~long term care nursing~~ facility operations based on the ratio of total operating costs.

(b) For purposes of allocating these remaining central, affiliated, or corporate office costs, the numerator for the allocation ratio shall be determined as follows:

(1) for ~~long term care nursing~~ facilities that are related organizations or are controlled by a central, affiliated, or corporate office under a management agreement, the numerator of the allocation ratio shall be equal to the sum of the total operating costs incurred by each related organization or controlled ~~long term care nursing~~ facility;

(2) for a central, affiliated, or corporate office providing goods or services to related organizations that are not ~~long term care nursing~~ facilities, the numerator of the allocation ratio shall be equal to the sum of the total operating costs incurred by the ~~non-long term care non-nursing facility~~ related organizations;

Sec. 14. Minnesota Statutes 1992, section 256B.432, subdivision 6, is amended to read:

Subd. 6. [~~COST ALLOCATION BETWEEN LONG TERM CARE NURSING FACILITIES.~~] (a) Those ~~long term care nursing~~ operations that have long-term care facilities both in Minnesota and outside of Minnesota must allocate the ~~long term care nursing~~ operation's central, affiliated, or corporate office costs identified in subdivision 5 to Minnesota based on the ratio of total resident days in Minnesota ~~long term care nursing~~ facilities to the total resident days in all facilities.

(b) The Minnesota ~~long term care nursing~~ operation's central, affiliated, or corporate office costs identified in paragraph (a) must be allocated to each Minnesota ~~long term care nursing~~ facility on the basis of resident days.

Sec. 15. Minnesota Statutes 1992, section 256B.501, subdivision 1, is amended to read:

Sec. 16. Minnesota Statutes 1992, section 256B.501, subdivision 3, is amended to read:

Subd. 3. [RATES FOR INTERMEDIATE CARE FACILITIES FOR PERSONS WITH MENTAL RETARDATION OR RELATED CONDITIONS.] The commissioner shall establish, by rule, procedures for determining rates for care of residents of intermediate care facilities for persons with mental retardation or related conditions. ~~The procedures shall be based on methods and standards that the commissioner finds are adequate to provide for the costs that must be incurred for the care of residents in efficiently and economically operated facilities.~~ In developing the procedures, the commissioner shall include:

(a) cost containment measures that assure efficient and prudent management of capital assets and operating cost increases which do not exceed increases in other sections of the economy;

The commissioner may differentiate in the application of these limits between high and very high cost facilities. The limits, once established, shall be indexed for inflation and may be rebased by the commissioner; and~~

(7) ~~develop cost allocation principles which are based on facility expenses; and~~

Sec. 17. Minnesota Statutes 1992, section 256B.501, subdivision 3c, is amended to read:

Subd. 3c. [COMPOSITE FORECASTED INDEX.] For rate years beginning on or after October 1, 1988, the commissioner shall establish a statewide composite forecasted index to take into account economic trends and conditions between the midpoint of the facility's reporting year and the midpoint of the rate year following the reporting year. The statewide composite index must incorporate the forecast by Data Resources, Inc., of increases in the average hourly earnings of nursing and personal care workers indexed in Standard Industrial Code 805 in "Employment and Earnings," published by the Bureau of Labor Statistics, United States Department of Labor. This portion of the index must be weighted annually by the proportion of total allowable salaries and wages to the total allowable operating costs in the program, maintenance, and administrative operating cost categories for all facilities.

For adjustments to the other operating costs in the program, maintenance, and administrative operating cost categories, the statewide index must incorporate the Data Resources, Inc. forecast for increases in the national CPI-U. This portion of the index must be weighted annually by the proportion of total allowable other operating costs to the total allowable operating costs in the program, maintenance, and administrative operating cost categories for all facilities. The commissioner shall use the indices as forecasted by Data Resources, Inc., in the fourth quarter of the reporting year.

For rate years beginning on or after October 1, 1990, the commissioner shall index a facility's allowable operating costs in the program, maintenance, and administrative operating cost categories by using Data Resources, Inc., forecast for change in the Consumer Price Index-All Items (U.S. city average) (CPI-U). The commissioner shall use the indices as forecasted by Data Resources, Inc., in the first quarter of the calendar year in which the rate year begins. For fiscal years beginning after June 30, 1993, the commissioner shall not provide automatic inflation adjustments for intermediate care facilities for persons with mental retardation. The commissioner of finance shall include annual inflation adjustments in operating costs for intermediate care facilities for persons with mental retardation and related conditions as a budget change request in each biennial detailed expenditure budget submitted to the legislature under section 16A.11.

Sec. 18. Minnesota Statutes 1993 Supplement, section 256B.501, subdivision 3g, is amended to read:

Subd. 3g. [ASSESSMENT OF RESIDENTS CLIENTS.] To establish the service characteristics of residents clients, the quality assurance and review teams in the department of health shall assess all residents clients annually beginning January 1, 1989, using a uniform assessment instrument developed by the commissioner. This instrument shall include assessment of the services identified as needed and provided to each client to address behavioral needs, integration into the community, ability to perform activities of daily living, medical and therapeutic needs, and other relevant factors determined by the

commissioner. By January 30, 1994, the commissioner shall report to the legislature on:

- (1) the assessment process and scoring system utilized;
- (2) possible utilization of assessment information by facilities for management purposes; and
- (3) possible application of the assessment for purposes of adjusting the operating cost rates of facilities based on a comparison of client services characteristics, resource needs, and costs. *For clients newly admitted to the facility, the interdisciplinary team shall complete an assessment of the client, using the uniform assessment instrument developed by the commissioner, within 30 days of the client's admission to the facility. The facility's qualified mental retardation professional shall complete and submit the assessment form to the department of health, quality assurance and review section, within ten working days following the 30-day interdisciplinary team meeting. Clients admitted to the facility for temporary care shall not be assessed using the uniform instrument, unless the clients' length of stay in the facility exceeds 30 days.*

Sec. 19. Minnesota Statutes 1993 Supplement, section 256B.501, subdivision 8, is amended to read:

Subd. 8. [PAYMENT FOR PERSONS WITH SPECIAL NEEDS.] The commissioner shall establish by December 31, 1983, procedures to be followed by the counties to seek authorization from the commissioner for medical assistance reimbursement for very dependent persons with special needs in an amount in excess of the rates allowed pursuant to subdivision subdivisions 2 and 8a, including rates established under section 252.46 when they apply to services provided to residents of intermediate care facilities for persons with mental retardation or related conditions, and procedures to be followed for rate limitation exemptions for intermediate care facilities for persons with mental retardation or related conditions. No excess payment approved by the commissioner after June 30, 1991, shall be authorized unless:

- (1) the need for specific level of service is documented in the individual service plan of the person to be served;
- (2) the level of service needed can be provided within the rates established under section 252.46 and Minnesota Rules, parts 9553.0010 to 9553.0080, without a rate exception within 12 months;
- (3) staff hours beyond those available under the rates established under section 252.46 and Minnesota Rules, parts 9553.0010 to 9553.0080, necessary to deliver services do not exceed 1,440 hours within 12 months;
- (4) there is a basis for the estimated cost of services;
- (5) the provider requesting the exception documents that current per diem rates are insufficient to support needed services;
- (6) estimated costs, when added to the costs of current medical assistance-funded residential and day training and habilitation services and calculated as a per diem, do not exceed the per diem established for the regional treatment centers for persons with mental retardation and related conditions on July 1, 1990, indexed annually by the urban consumer price index, all items, as forecasted by Data Resources Inc., for the next fiscal year over the current fiscal year;

(7) any contingencies for an approval as outlined in writing by the commissioner are met; and

(8) any commissioner orders for use of preferred providers are met.

The commissioner shall evaluate the services provided pursuant to this subdivision through program and fiscal audits.

The commissioner may terminate the rate exception at any time under any of the conditions outlined in Minnesota Rules, part 9510.1120, subpart 3, for county termination, or by reason of information obtained through program and fiscal audits which indicate the criteria outlined in this subdivision have not been, or are no longer being, met.

The commissioner may approve no more than one rate exception, up to 12 months duration, for an eligible client.

Sec. 20. Minnesota Statutes 1992, section 256B.501, is amended by adding a subdivision to read:

Subd. 8a. [PAYMENT FOR PERSONS WITH SPECIAL NEEDS FOR CRISIS INTERVENTION SERVICES.] State-operated, community-based crisis services provided in accordance with section 252.50, subdivision 7, to a resident of an intermediate care facility for persons with mental retardation (ICF/MR) reimbursed under this section shall be paid by medical assistance in accordance with the paragraphs in this subdivision.

(a) "Crisis services" means the specialized services listed in clauses (1) to (3) provided to prevent the recipient from requiring placement in a more restrictive institutional setting such as an inpatient hospital or regional treatment center and to maintain the recipient in his or her present community setting.

(1) The crisis services provider shall assess the recipient's behavior and environment to identify factors contributing to the crisis.

(2) The crisis services provider shall develop a recipient-specific intervention plan in coordination with the service planning team and provide recommendations for revisions to the individual service plan if necessary to prevent or minimize the likelihood of future crisis situations. The intervention plan shall include a transition plan to aid the recipient in returning to the community-based ICF/MR if the recipient is receiving residential crisis services.

(3) The crisis services provider shall consult with and provide training and ongoing technical assistance to the recipient's service providers to aid in the implementation of the intervention plan and revisions to the individual service plan.

(b) "Residential crisis services" means crisis services that are provided to a recipient admitted to the crisis services foster care setting because the ICF/MR receiving reimbursement under this section is not able, as determined by the commissioner, to provide the intervention and protection of the recipient and others living with the recipient that is necessary to prevent the recipient from requiring placement in a more restrictive institutional setting.

(c) Crisis services providers must be licensed by the commissioner under section 245A.03 to provide foster care, must exclusively provide short-term crisis intervention, and must not be located in a private residence.

(d) Payment rates are determined annually for each crisis services provider based on cost of care for each provider as defined in section 246.50. Interim payment rates are calculated on a per diem basis by dividing the projected cost of providing care by the projected number of contact days for the fiscal year, as estimated by the commissioner. Final payment rates are calculated by dividing the actual cost of providing care by the actual number of contact days in the applicable fiscal year.

(e) Payment shall be made for each contact day. "Contact day" means any day in which the crisis services provider has face-to-face contact with the recipient or any of the recipient's medical assistance service providers for the purpose of providing crisis services as defined in paragraph (c).

(f) Payment for residential crisis services is limited to 21 days, unless an additional period is authorized by the commissioner. The additional period may not exceed 21 days.

(g) Payment for crisis services shall be made only for services provided while the ICF/MR receiving reimbursement under this section: (1) has a shared services agreement with the crisis services provider in effect in accordance with section 246.57; (2) has reassigned payment for the provision of the crisis services under this subdivision to the commissioner in accordance with Code of Federal Regulations, title 42, section 447.10(e); and (3) has executed a cooperative agreement with the crisis services provider to implement the intervention plan and revisions to the individual service plan as necessary to prevent or minimize the likelihood of future crisis situations, to maintain the recipient in his or her present community setting, and to prevent the recipient from requiring a more restrictive institutional setting.

(h) Payment to the ICF/MR receiving reimbursement under this section shall be made for each therapeutic leave day during which the recipient is receiving residential crisis services, if the ICF/MR is otherwise eligible to receive payment for a therapeutic leave day under Minnesota Rules, part 9505.0415. Payment under this paragraph shall be terminated if the commissioner determines that the ICF/MR is not meeting the terms of the cooperative agreement under paragraph (g) or that the recipient will not return to the ICF/MR.

Sec. 21. Minnesota Statutes 1993 Supplement, section 256I.06, subdivision 1, is amended to read:

Subdivision 1. [MONTHLY PAYMENTS.] Monthly payments made ~~on an individual's behalf~~ for group residential housing must be issued as a voucher ~~or vendor payment~~ directly to a recipient of group residential housing. In the event that the federal Health Care Financing Administration approves vendor payments on an individual's behalf as optional state supplements to the Supplemental Security Income program, group residential housing payments made on an individual's behalf must be made by voucher or vendor payment.

Sec. 22. [CRISIS SERVICES STUDY.]

The commissioner shall study and explore various methods of funding crisis services for persons with mental retardation or related conditions. The commissioner shall seek advice from affected parties in completing this study, and report the findings to the 1995 legislature.

Sec. 23. [RULES.]

For rate years beginning as soon as practical after September 30, 1995, the commissioner shall revise Minnesota Rules, parts 9553.0010 to 9553.0080, to incorporate changes made to Minnesota Statutes, section 256B.501.

Sec. 24. [ICF/MR RULE REVISION.]

The commissioner shall consider various time record and time distribution record keeping requirements when developing rule revisions for cost allocation regarding intermediate care facilities for persons with mental retardation or related conditions. The commissioner shall consider information from the public, including providers, provider associations, advocates, and counties when developing rule amendments in the area of cost allocation.

From July 1, 1994, until December 31, 1994, all employees and consultants of ICFs/MR, including any individual for whom any portion of that individual's compensation is reported for reimbursement under Minnesota Rules, parts 9553.0010 to 9553.0080, shall document their service to all sites according to paragraphs (a) to (c). For this purpose, and for paragraphs (a) to (c), employee means an individual who is compensated by a facility or provider group for necessary services on any hourly or salaried basis. Employees and consultants for whom no portion of that individual's total compensation is reported for reimbursement in Minnesota Rules, parts 9553.0010 to 9553.0080, are exempt from the record keeping requirements set forth in paragraphs (a) to (c).

(a) Time and attendance records are required for all employees and consultants as set forth in Minnesota Statutes, section 256B.432, subdivision 8.

(b) Employees and consultants shall keep time records on a daily basis showing the actual time spent on various activities, as required by Minnesota Rules, part 9553.0030, except that employees with multiple duties must not use a sampling method.

(c) All employees and consultants who work for the benefit of more than one site shall keep a record of where work is performed. This record must specify the time in which work performed at a site solely benefits that site. The amount of time reported for work performed at a site for the sole benefit of that site does not need to be adjusted for brief, infrequent telephone interruptions, time spent away from the site when accompanying clients from that site, and time away from the site for shopping or errands if the shopping or errands benefit solely that site.

For record keeping purposes, site means a Minnesota ICF/MR, waived services location, semi-independent living service arrangement, day training and habilitation operation, or similar out-of-state service operation for persons with developmental disabilities. Site also means any nondevelopmental disability service location or any business operation owned or operated by a provider group, either in or outside of Minnesota, whether or not that operation provides a service to persons with developmental disabilities.

Sec. 25. [REPEALER.]

After the revisions required by section 23 to Minnesota Rules, parts 9553.0010 to 9553.0080, have been adopted and filed with the secretary of state, so as to have the force and effect of law under Minnesota Statutes, section 14.38, the following subdivisions of Minnesota Statutes 1992, section 256B.501, are repealed: subdivisions 3d, 3e, and 3f.

Sec. 26. [EFFECTIVE DATE.]

Subdivision 1. Except as provided in subdivisions 2 and 3, sections 1 to 25 are effective August 1, 1994.

Subd. 2. The amendment in section 16 to Minnesota Statutes, section 256B.501, subdivision 3, creating clause (7) in paragraph (e), is effective the day after final enactment. Sections 19 and 20 are effective October 1, 1994. However, if any required federal approval has not been received before that date, the amendments made by sections 19 and 20 may not be implemented until federal approval is received.

Subd. 3. Sections 10 and 12 to 14 are effective after the revisions required by section 23 to Minnesota Rules, parts 9553.0010 to 9553.0080, have been adopted and filed with the secretary of state and have the force and effect of law."

The

commissioner shall consider proposals by counties and vendors for prepaid health plans, competitive bidding programs, block grants, or other vendor payment mechanisms designed to provide services in an economical manner or to control utilization, with safeguards to ensure that necessary services are provided. Before implementing prepaid programs in counties with a county operated or affiliated public teaching hospital or a hospital or clinic operated by the University of Minnesota, the commissioner shall consider the risks the prepaid program creates for the hospital and allow the county or hospital the opportunity to participate in the program in a manner that reflects the risk of adverse selection and the nature of the patients served by the hospital, provided the terms of participation in the program are competitive with the terms of other participants considering the nature of the population served. Payment for services provided pursuant to this subdivision shall be as provided to medical assistance vendors of these services under sections 256B.02, subdivision 8, and 256B.0625. For payments made during fiscal year 1990 and later years, the commissioner shall consult with an independent actuary in establishing prepayment rates, but shall retain final control over the rate methodology.

Once each quarter the department of human services shall publish at government bid rates in the newspaper of widest circulation in each county a list of name and last known address of each person who (1) is a child support obligor, (2) resides in the county, (3) is at least \$3,000 in arrears, and (4) has made only partial child support payments that total less than 25 percent of the amount of child support owed for the last 12 months including any payments made through the interception of federal or state taxes. An obligor's name may not be published if the obligor claims in writing, and the department of human services determines, there is good cause for the nonpayment of child support. The list must be based on the best information available to the state at the time of publication.

Before publishing the name of the obligor, the department of human services shall send a notice to the obligor's last known address which states the department's intention to publish the obligor's name and the amount of child support the obligor owes. The notice must also provide an opportunity

to have the obligor's name removed from the list by paying the arrearage or by entering into an agreement to pay the arrearage, and the final date when the payment or agreement can be accepted."

(c) "Spousal share" means one-half of the total value of all assets, to the extent that either the institutionalized spouse or the community spouse had an ownership interest at the time of institutionalization.

(d) "Assets otherwise available to the community spouse" means assets individually or jointly owned by the community spouse, other than assets excluded by subdivision 5, paragraph (c).

(e) "Community spouse asset allowance" is the value of assets that can be transferred under subdivision 3.

(f) "Institutionalized spouse" means a person who is: (i) in a hospital, nursing facility, intermediate care facility for persons with mental retardation, or is receiving home- and community-based services under section 256B.0915, and is expected to remain in such facility or institution or receive such home- and community-based services for at least 30 consecutive days; and (ii) married to a person who is not in a hospital, nursing facility, or intermediate care facility for persons with mental retardation, and is not receiving home- and community-based services under section 256B.0915.

Sec. 25. Minnesota Statutes 1993 Supplement, section 256B.059, subdivision 3, is amended to read:

Subd. 3. [COMMUNITY SPOUSE ASSET ALLOWANCE.] An institutionalized spouse may transfer assets to the community spouse solely for the benefit of the community spouse. Except for increased amounts allowable under subdivision 4, the maximum amount of assets allowed to be transferred is the amount which, when added to the assets otherwise available to the community spouse, is as follows:

If the assets available to the community spouse are already at the limit permissible under this section, or the higher limit attributable to increases under subdivision 4, no assets may be transferred from the institutionalized spouse to the community spouse. The transfer must be made as soon as practicable after the date the institutionalized spouse is determined eligible for medical assistance, or within the amount of time needed for any court order required for the transfer. On January 1, 1994, and every January 1 thereafter, the limits in this subdivision shall be adjusted by the same percentage change

in the consumer price index for all urban consumers (all items; United States city average) between the two previous Septembers. These adjustments shall also be applied to the limits in subdivision 5.

(iii) the amount required by court order to be paid to the community spouse. If the community spouse asset allowance has been increased under subdivision 4, then the assets considered available to the institutionalized spouse under this subdivision shall be further reduced by the value of additional amounts allowed under subdivision 4.

(b) An institutionalized spouse may be found eligible for medical assistance even though assets in excess of the allowable amount are found to be available under paragraph (a) if the assets are owned jointly or individually by the community spouse, and the institutionalized spouse cannot use those assets to pay for the cost of care without the consent of the community spouse, and if: (i) the institutionalized spouse assigns to the commissioner the right to support from the community spouse under section 256B.14, subdivision 3; (ii) the institutionalized spouse lacks the ability to execute an assignment due to a physical or mental impairment; or (iii) the denial of eligibility would cause an imminent threat to the institutionalized spouse's health and well-being.

(c) After the month in which the institutionalized spouse is determined eligible for medical assistance, during the continuous period of institutionalization, no assets of the community spouse are considered available to the institutionalized spouse, unless the institutionalized spouse has been found eligible under clause (b).

(d) Assets determined to be available to the institutionalized spouse under this section must be used for the health care or personal needs of the institutionalized spouse.

(e) For purposes of this section, assets do not include assets excluded under ~~section 256B.056, without regard to the limitations on total value in that section~~ *the supplemental security income program.*

Sec. 27. Minnesota Statutes 1993 Supplement, section 256B.0595, subdivision 1, is amended to read:

Subdivision 1. [PROHIBITED TRANSFERS.] (a) *For transfers of assets made on or before August 10, 1993, if a person or the person's spouse has given away, sold, or disposed of, for less than fair market value, any asset or interest therein, except assets other than the homestead that are excluded under section 256B.056, subdivision 3 the supplemental security program, within 30 months before or any time after the date of institutionalization if the person has been determined eligible for medical assistance, or within 30 months before or any time after the date of the first approved application for medical assistance if the person has not yet been determined eligible for medical assistance, the person is ineligible for long-term care services for the period of time determined under subdivision 2.*

(b) ~~Effective for transfers made on or after July 1, 1993, or upon federal approval, whichever is later August 10, 1993, (i) a person, a person's spouse, or a person's authorized representative any person, court, or administrative body with legal authority to act in place of, on behalf of, at the direction of, or upon the request of the person or person's spouse, (ii) may not give away, sell, or dispose of, for less than fair market value, any asset or interest therein, except assets other than the homestead that are excluded under the supplemental security income program, for the purpose of establishing or maintaining medical assistance eligibility. For purposes of determining eligibility for medical assistance long-term care services, any transfer of an asset such assets within 60 36 months preceding application before or any time after the time an institutionalized person applies for medical assistance or during the period of medical assistance eligibility, including assets excluded under section 256B.056, subdivision 3, or 36 months before or any time after a medical assistance recipient becomes institutionalized, for less than fair market value may be considered. Any such transfer for less than fair market value made within 60 months preceding application for medical assistance or during the period of medical assistance eligibility is presumed to have been made for the purpose of establishing or maintaining medical assistance eligibility and the person is ineligible for medical assistance long-term care services for the period of time determined under subdivision 2, unless the person furnishes convincing evidence to establish that the transaction was exclusively for another purpose, or unless the transfer is permitted under subdivisions 3 or 4. Notwithstanding the provisions of this paragraph, in the case of payments from a trust or portions of a trust that are considered transfers of assets under federal law, any transfers made within 60 months before or any time after an institutionalized person applies for medical assistance and within 60 months before or any time after a medical assistance recipient becomes institutionalized, may be considered.~~

(c) *This section applies to transfers, for less than fair market value, of income or assets, including assets that are considered income in the month received, such as inheritances, court settlements, and retroactive benefit payments or income which the person or the person's spouse is entitled to but does not receive due to action by the person, the person's spouse, or any person, court, or administrative body with legal authority to act in place of, on behalf of, at the direction of, or upon the request of the person or the person's spouse.*

(d) *This section applies to payments for care or personal services provided by a relative, unless the compensation was stipulated in a notarized, written*

agreement which was in existence when the service was performed, the care or services directly benefited the person, and the payments made represented reasonable compensation for the care or services provided. A notarized written agreement is not required if payment for the services was made within 60 days after the service was provided.

(e) This section applies to the portion of any asset or interest that a person ~~or~~, a person's spouse, or any person, court, or administrative body with legal authority to act in place of, on behalf of, at the direction of, or upon the request of the person or the person's spouse, transfers to an irrevocable any trust, annuity, or other instrument, that exceeds the value of the benefit likely to be returned to the person or spouse while alive, based on estimated life expectancy using the life expectancy tables employed by the supplemental security income program to determine the value of an agreement for services for life. The commissioner may adopt rules reducing life expectancies based on the need for long-term care.

(f) For purposes of this section, long-term care services include services in a nursing facility, services that are eligible for payment according to section 256B.0625, subdivision 2, because they are provided in a swing bed, intermediate care facility for persons with mental retardation, and home home- and community-based services provided pursuant to section 256B.491 sections 256B.0915, 256B.092, and 256B.49. For purposes of this subdivision and subdivisions 2, 3, and 4, "institutionalized person" includes a person who is an inpatient in a nursing facility, or in a swing bed, or intermediate care facility for persons with mental retardation or who is receiving home home- and community-based services under section 256B.491 sections 256B.0915, 256B.092, and 256B.49.

Sec. 28. Minnesota Statutes 1993 Supplement, section 256B.0595, subdivision 2, is amended to read:

Subd. 2. [PERIOD OF INELIGIBILITY.] (a) For any uncompensated transfer occurring on or before August 10, 1993, the number of months of ineligibility for long-term care services shall be the lesser of 30 months, or the uncompensated transfer amount divided by the average medical assistance rate for nursing facility services in the state in effect on the date of application. The amount used to calculate the average medical assistance payment rate shall be adjusted each July 1 to reflect payment rates for the previous calendar year. The period of ineligibility begins with the month in which the assets were transferred. If the transfer was not reported to the local agency at the time of application, and the applicant received long-term care services during what would have been the period of ineligibility if the transfer had been reported, a cause of action exists against the transferee for the cost of long-term care services provided during the period of ineligibility, or for the uncompensated amount of the transfer, whichever is less. The action may be brought by the state or the local agency responsible for providing medical assistance under chapter 256G. The uncompensated transfer amount is the fair market value of the asset at the time it was given away, sold, or disposed of, less the amount of compensation received.

(b) For uncompensated transfers made on or after July 4 August 10, 1993, or upon federal approval, whichever is later, the number of months of ineligibility, including partial months, for medical assistance long-term care services shall be the total uncompensated value of the resources transferred divided by the average medical assistance rate for nursing facility services in

the state in effect on the date of application. If a calculation of a penalty period results in a partial month, payments for medical assistance services will be reduced in an amount equal to the fraction, except that in calculating the value of uncompensated transfers, uncompensated transfers not to exceed \$1,000 in total value per month shall be disregarded for each month prior to the month of application for medical assistance. The amount used to calculate the average medical assistance payment rate shall be adjusted each July 1 to reflect payment rates for the previous calendar year. The period of ineligibility begins with the month in which the assets were transferred except that if one or more uncompensated transfers are made during a period of ineligibility, the total assets transferred during the ineligibility period shall be combined and a penalty period calculated to begin in the month the first uncompensated transfer was made. The penalty in this paragraph shall not apply to uncompensated transfers of assets not to exceed a total of \$1,000 per month during a medical assistance eligibility certification period. If the transfer was not reported to the local agency at the time of application, and the applicant received medical assistance services during what would have been the period of ineligibility if the transfer had been reported, a cause of action exists against the transferee for the cost of medical assistance services provided during the period of ineligibility, or for the uncompensated amount of the transfer, whichever is less. The action may be brought by the state or the local agency responsible for providing medical assistance under chapter 256G. The uncompensated transfer amount is the fair market value of the asset at the time it was given away, sold, or disposed of, less the amount of compensation received.

(c) *If the total value of all uncompensated transfers made in a month exceeds \$1,000, the disregards allowed under paragraph (b) do not apply. Effective 60 days following published notice of receipt of federal approval, if a calculation of a penalty period results in a partial month, payments for long-term care services will be reduced in an amount equal to the fraction, except that in calculating the value of uncompensated transfers, if the total value of all uncompensated transfers made in a month do not exceed \$1,000 in total value, then such transfers shall be disregarded for each month prior to the month of application for or during receipt of medical assistance. Notice of federal approval shall be published in the State Register.*

Sec. 29. Minnesota Statutes 1993 Supplement, section 256B.0595, subdivision 3, is amended to read:

Subd. 3. [HOMESTEAD EXCEPTION TO TRANSFER PROHIBITION.]

(a) An institutionalized person is not ineligible for long-term care services due to a transfer of assets for less than fair market value if the asset transferred was a homestead and:

(I) title to the homestead was transferred to the individual's

(i) spouse;

(ii) child who is under age 21;

(iii) blind or permanently and totally disabled child as defined in the supplemental security income program;

(iv) sibling who has equity interest in the home and who was residing in the home for a period of at least one year immediately before the date of the individual's admission to the facility; or

(v) son or daughter who was residing in the individual's home for a period of at least two years immediately before the date of the individual's admission to the facility, and who provided care to the individual that permitted the individual to reside at home rather than in an institution or facility;

(2) a satisfactory showing is made that the individual intended to dispose of the homestead at fair market value or for other valuable consideration; or

(3) the local agency grants a waiver of the excess resources created by the uncompensated transfer because denial of eligibility would cause undue hardship for the individual, based on imminent threat to the individual's health and well-being.

(b) When a waiver is granted under paragraph (a), clause (3), a cause of action exists against the person to whom the homestead was transferred for that portion of long-term care services granted within:

(i) 30 months of ~~the~~ a transfer made on or before August 10, 1993;

(ii) 60 months if the homestead was transferred after August 10, 1993, to a trust or portion of a trust that is considered a transfer of assets under federal law; or

(iii) 36 months if transferred in any other manner after August 10, 1993,

or the amount of the uncompensated transfer, whichever is less, together with the costs incurred due to the action. The action may be brought by the state or the local agency responsible for providing medical assistance under chapter 256G.

(c) Effective for transfers made on or after July 1, 1993, or Upon federal approval, whichever is later, an institutionalized person is not ineligible for medical assistance services due to a transfer of assets for less than fair market value if the asset transferred was a homestead and:

(1) title to the homestead was transferred to the individual's

(i) spouse;

(ii) child who is under age 21;

(iii) blind or permanently and totally disabled child as defined in the supplemental security income program;

(iv) sibling who has equity interest in the home and who was residing in the home for a period of at least one year immediately before the date of the individual's admission to the facility; or

(v) son or daughter who was residing in the individual's home for a period of at least two years immediately before the date of the individual's admission to the facility, and who provided care to the individual that permitted the individual to reside at home rather than in an institution or facility;

(2) a satisfactory showing is made that the individual intended to dispose of the homestead at fair market value or for other valuable consideration; or

(3) the local agency grants a waiver of the excess resources created by the uncompensated transfer because denial of eligibility would cause undue hardship for the individual, based on imminent threat to the individual's health and well-being.

(d) When a waiver is granted under paragraph (c), clause (3), a cause of action exists against the person to whom the homestead was transferred for that portion of medical assistance services granted during the period of ineligibility under subdivision 2, or the amount of the uncompensated transfer, whichever is less, together with the costs incurred due to the action. The action may be brought by the state or the local agency responsible for providing medical assistance under chapter 256G.

Sec. 30. Minnesota Statutes 1993 Supplement, section 256B.0595, subdivision 4, is amended to read:

Subd. 4. [OTHER EXCEPTIONS TO TRANSFER PROHIBITION.] (a) An institutionalized person who has made, or whose spouse has made a transfer prohibited by subdivision 1, is not ineligible for long-term care services if one of the following conditions applies:

(1) the assets were transferred to the ~~community~~ individual's spouse, as defined in section 256B.059 or to another for the sole benefit of the spouse; or

(2) the institutionalized spouse, prior to being institutionalized, transferred assets to a spouse, provided that the spouse to whom the assets were transferred does not then transfer those assets to another person for less than fair market value. (At the time when one spouse is institutionalized, assets must be allocated between the spouses as provided under section 256B.059); or

(3) the assets were transferred to the individual's child who is blind or permanently and totally disabled as determined in the supplemental security income program; or

(4) a satisfactory showing is made that the individual intended to dispose of the assets either at fair market value or for other valuable consideration; or

(5) the local agency determines that denial of eligibility for long-term care services would work an undue hardship and grants a waiver of excess assets. When a waiver is granted, a cause of action exists against the person to whom the assets were transferred for that portion of long-term care services granted within 30 months of the transfer, or the amount of the uncompensated transfer, whichever is less, together with the costs incurred due to the action. The action may be brought by the state or the local agency responsible for providing medical assistance under this chapter; or

(6) for transfers occurring after August 10, 1993, the assets were transferred by the person or person's spouse: (i) into a trust established solely for the benefit of a son or daughter of any age who is blind or disabled as defined by the supplemental security income program; or (ii) into a trust established solely for the benefit of an individual who is under 65 years of age who is disabled as defined by the supplemental security income program.

(b) Effective for transfers made on or after July 1, 1993, or Upon federal approval, whichever is later, an institutionalized person who has made, or whose spouse has made a transfer prohibited by subdivision 1, is not ineligible for medical assistance services if one of the following conditions applies:

(1) the assets were transferred to the community spouse, as defined in section 256B.059; or

(2) the institutionalized spouse, prior to being institutionalized, transferred assets to a spouse, provided that the spouse to whom the assets were transferred does not then transfer those assets to another person for less than fair market value. (At the time when one spouse is institutionalized, assets must be allocated between the spouses as provided under section 256B.059); or

(3) the assets were transferred to the individual's child who is blind or permanently and totally disabled as determined in the supplemental security income program; or

(4) a satisfactory showing is made that the individual intended to dispose of the assets either at fair market value or for other valuable consideration; or

(5) the local agency determines that denial of eligibility for medical assistance services would work an undue hardship and grants a waiver of excess assets. When a waiver is granted, a cause of action exists against the person to whom the assets were transferred for that portion of medical assistance services granted during the period of ineligibility determined under subdivision 2 or the amount of the uncompensated transfer, whichever is less, together with the costs incurred due to the action. The action may be brought by the state or the local agency responsible for providing medical assistance under this chapter.

Sec. 31. Minnesota Statutes 1992, section 256B.06, subdivision 4, is amended to read:

Subd. 4. [CITIZENSHIP REQUIREMENTS.] Eligibility for medical assistance is limited to citizens of the United States and aliens lawfully admitted for permanent residence or otherwise permanently residing in the United States under the color of law. Aliens who are seeking legalization under the Immigration Reform and Control Act of 1986, Public Law Number 99-603, who are under age 18, over age 65, blind, disabled, or Cuban or Haitian, and who meet the eligibility requirements of medical assistance under subdivision 1 and sections 256B.055 to 256B.062 are eligible to receive medical assistance. Pregnant women who are aliens seeking legalization under the Immigration Reform and Control Act of 1986, Public Law Number 99-603, and who meet the eligibility requirements of medical assistance under subdivision 1 are eligible for payment of care and services through the period of pregnancy and six weeks postpartum. Payment shall also be made for care and services that are furnished to an alien, regardless of immigration status, who otherwise meets the eligibility requirements of this section if such care and services are necessary for the treatment of an emergency medical condition, *except for organ transplants and related care and services*. For purposes of this subdivision, the term "emergency medical condition" means a medical condition, including labor and delivery, that if not immediately treated could cause a person physical or mental disability, continuation of severe pain, or death.

Sec. 32. Minnesota Statutes 1993 Supplement, section 256B.0625, subdivision 20, is amended to read:

Subd. 20. [MENTAL ILLNESS CASE MANAGEMENT.] (a) To the extent authorized by rule of the state agency, medical assistance covers case management services to persons with serious and persistent mental illness or subject to federal approval, children with severe emotional disturbance. Entities meeting program standards set out in rules governing family

community support services as defined in section 245.4871, subdivision 17, are eligible for medical assistance reimbursement for case management services for children with severe emotional disturbance when these services meet the program standards in Minnesota Rules, parts 9520.0900 to 9520.0926 and 9505.0322, excluding subpart 6.

(b) In counties where fewer than 50 percent of children estimated to be eligible under medical assistance to receive case management services for children with severe emotional disturbance actually receive these services in state fiscal year 1995, community mental health centers serving those counties, entities meeting program standards in Minnesota Rules, parts 9520.0570 to 9520.0870, and other entities authorized by the commissioner are eligible for medical assistance reimbursement for case management services for children with severe emotional disturbance when these services meet the program standards in Minnesota Rules, parts 9520.0900 to 9520.0926 and 9505.0322, excluding subpart 6.

(c) *Until legislation is enacted to implement the report required under section 245.494, the rate for medical assistance case management for children with severe emotional disturbance shall be \$45 per hour.*

Sec. 33. Minnesota Statutes, 1993 Supplement, section 256B.0625, subdivision 37, is amended to read:

Subd. 37. [~~WRAPAROUND INDIVIDUALIZED REHABILITATION SERVICES.~~] Medical assistance covers ~~wraparound individualized rehabilitation services as defined in section 245.492, subdivision 20, that are provided through a local children's mental health collaborative, as that entity is defined in section 245.492, subdivision 11 23, that are provided by a county or an entity under contract with the county through an integrated service system, as described in section 245.4931, that is approved by the state coordinating council, subject to federal approval.~~

Sec. 34. Minnesota Statutes 1992, section 256B.15, subdivision 1a, is amended to read:

Subd. 1a. [ESTATES SUBJECT TO CLAIMS.] If a person receives any medical assistance hereunder, on the person's death, if single, or on the death of the survivor of a married couple, either or both of whom received medical assistance, the total amount paid for medical assistance rendered for the person and spouse shall be filed as a claim against the estate of the person or the estate of the surviving spouse in the court having jurisdiction to probate the estate.

A claim shall be filed if medical assistance was rendered for either or both persons under one of the following circumstances:

(a) the person was over ~~65~~ 55 years of age, and received services under this chapter, excluding alternative care;

(b) the person resided in a medical institution for six months or longer, received services under this chapter excluding alternative care, and, at the time of institutionalization or application for medical assistance, whichever is later, the person could not have reasonably been expected to be discharged and returned home, as certified in writing by the person's treating physician. For purposes of this section only, a "medical institution" means a skilled nursing facility, intermediate care facility, intermediate care facility for persons with mental retardation, nursing facility, or inpatient hospital; or

(c) the person received general assistance medical care services under chapter 256D.

The claim shall be considered an expense of the last illness of the decedent for the purpose of section 524.3-805. Any statute of limitations that purports to limit any county agency or the state agency, or both, to recover for medical assistance granted hereunder shall not apply to any claim made hereunder for reimbursement for any medical assistance granted hereunder. Counties are entitled to one-half of the nonfederal share of medical assistance collections from estates that are directly attributable to county effort.

Sec. 35. Minnesota Statutes 1993 Supplement, section 256B.15, subdivision 2, is amended to read:

Subd. 2. [LIMITATIONS ON CLAIMS.] The claim shall include only the total amount of medical assistance rendered after age 65 or during a period of institutionalization described in subdivision 1a, clause (b), and the total amount of general assistance medical care rendered, and shall not include interest. Claims that have been allowed but not paid shall bear interest according to section 524.3-806, paragraph (d). A claim against the estate of a surviving spouse who did not receive medical assistance, for medical assistance rendered for the predeceased spouse, is limited to the value of the assets of the estate that were marital property or jointly owned property at any time during the marriage.

Any claim under this section will be limited, or waived, in the event that evidence of undue hardship upon financially dependent family members or other documented dependents of the deceased medical assistance recipient is shown. Undue hardship exists when application of probate laws regarding medical assistance would deprive financially dependent family members, or other documented dependents of the deceased medical assistance recipient of food, clothing, shelter, or other necessities of life. Undue hardship does not exist where application of probate laws regarding medical assistance merely causes the deceased medical assistance recipient's family members or other persons inconvenience, or might restrict the lifestyle, but would not cause the risk of serious deprivation of food, clothing, shelter, or other necessities of life. Undue hardship does not exist where the waiver or limitation of a claim under this section will not result in the distribution of the estate to the person claiming undue hardship.

Sec. 36. Minnesota Statutes 1992, section 256B.69, subdivision 4, is amended to read:

Subd. 4. [LIMITATION OF CHOICE.] The commissioner shall develop criteria to determine when limitation of choice may be implemented in the experimental counties. The criteria shall ensure that all eligible individuals in the county have continuing access to the full range of medical assistance services as specified in subdivision 6. The commissioner shall exempt the following persons from participation in the project, in addition to those who do not meet the criteria for limitation of choice: (1) persons eligible for medical assistance according to section 256B.055, subdivision 1, or who are in foster placement; (2) persons eligible for medical assistance due to blindness or disability as determined by the social security administration or the state medical review team, unless they are 65 years of age or older; (3) recipients who currently have private coverage through a health maintenance organization; and (4) recipients who are eligible for medical assistance by spending down excess income for medical expenses other than the nursing

facility per diem expense. *The commissioner may allow persons with a one month spend-down, who are otherwise eligible to enroll, to voluntarily enroll or remain enrolled if they elect to prepay their monthly spend-down to the state.* Before limitation of choice is implemented, eligible individuals shall be notified and after notification, shall be allowed to choose only among demonstration providers. After initially choosing a provider, the recipient is allowed to change that choice only at specified times as allowed by the commissioner. If a demonstration provider ends participation in the project for any reason, a recipient enrolled with that provider must select a new provider but may change providers without cause once more within the first 60 days after enrollment with the second provider.

Sec. 37. Minnesota Statutes 1992, section 256B.69, is amended by adding a subdivision to read:

Subd. 18. [ALTERNATIVE INTEGRATED LONG-TERM CARE SERVICES; ELDERLY AND DISABLED PERSONS.] The commissioner may implement demonstration projects to create alternative integrated delivery systems for acute and long-term care services to elderly and disabled persons that provide increased coordination, improve access to quality services, and mitigate future cost increases. The commissioner may seek federal authority to combine Medicare and Medicaid capitation payments for the purpose of such demonstrations. Medicare funds and services shall be administered according to the terms and conditions of the federal waiver and demonstration provisions. For the purpose of administering medical assistance funds, demonstrations under this subdivision are subject to subdivisions 1 to 17. The provisions of Minnesota Rules, parts 9500.1450 to 9500.1464, apply to these demonstrations, with the exceptions of parts 9500.1452, subpart 2, item B; and 9500.1457, subpart 1, items B and C, which do not apply to elderly persons enrolling in demonstrations under this section. Persons who disenroll from demonstrations under this subdivision remain subject to Minnesota Rules, parts 9500.1450 to 9500.1464. When a person is enrolled in a health plan under this demonstration and the health plan's participation is subsequently terminated for any reason, the person shall be provided an opportunity to select a new health plan and shall have the right to change health plans within the first 60 days of enrollment in the second health plan. Persons required to participate in health plans under section 256B.69 who fail to make a choice of health plan will not be randomly assigned to health plans under this demonstration. Notwithstanding Minnesota Statutes 1993 Supplement, section 256.9363, subdivision 5, and Minnesota Rules, part 9505.5220, subpart 1a, if adopted, for the purpose of demonstrations under this subdivision, the commissioner may contract with managed care organizations to serve only elderly persons eligible for medical assistance, or both elderly and disabled persons. Before implementation of a demonstration project for disabled persons, the commissioner must provide information to appropriate committees of the senate and house of representatives and must involve representatives of affected disability groups in the design of the project.

Sec. 38. Minnesota Statutes 1993 Supplement, section 256D.03, subdivision 3, is amended to read:

Subd. 3. [GENERAL ASSISTANCE MEDICAL CARE; ELIGIBILITY.] (a) General assistance medical care may be paid for any person who is not eligible for medical assistance under chapter 256B, including eligibility for medical assistance based on a spend-down of excess income according to section 256B.056, subdivision 5, and:

(1) who is receiving assistance under section 256D.05 or 256D.051, or who is having a payment made on the person's behalf under sections 256L.01 to 256L.06; or

(2)(i) who is a resident of Minnesota; and whose equity in assets is not in excess of \$1,000 per assistance unit. No asset test shall be applied to children and their parents living in the same household. Exempt assets, the reduction of excess assets, and the waiver of excess assets must conform to the medical assistance program in chapter 256B, with the following exception: the maximum amount of undistributed funds in a trust that could be distributed to or on behalf of the beneficiary by the trustee, assuming the full exercise of the trustee's discretion under the terms of the trust, must be applied toward the asset maximum; and

(ii) who has countable income not in excess of the assistance standards established in section 256B.056, subdivision 4, or whose excess income is spent down pursuant to section 256B.056, subdivision 5, using a six-month budget period, except that a one-month budget period must be used for recipients residing in a long-term care facility. The method for calculating earned income disregards and deductions for a person who resides with a dependent child under age 21 shall be as specified in section 256.74, subdivision 1. However, if a disregard of \$30 and one-third of the remainder described in section 256.74, subdivision 1, clause (4), has been applied to the wage earner's income, the disregard shall not be applied again until the wage earner's income has not been considered in an eligibility determination for general assistance, general assistance medical care, medical assistance, or aid to families with dependent children for 12 consecutive months. The earned income and work expense deductions for a person who does not reside with a dependent child under age 21 shall be the same as the method used to determine eligibility for a person under section 256D.06, subdivision 1, except the disregard of the first \$50 of earned income is not allowed; or

(3) who would be eligible for medical assistance except that the person resides in a facility that is determined by the commissioner or the federal health care financing administration to be an institution for mental diseases.

(b) Eligibility is available for the month of application, and for three months prior to application if the person was eligible in those prior months. A redetermination of eligibility must occur every 12 months.

(c) General assistance medical care is not available for a person in a correctional facility unless the person is detained by law for less than one year in a county correctional or detention facility as a person accused or convicted of a crime, or admitted as an inpatient to a hospital on a criminal hold order, and the person is a recipient of general assistance medical care at the time the person is detained by law or admitted on a criminal hold order and as long as the person continues to meet other eligibility requirements of this subdivision.

(d) General assistance medical care is not available for applicants or recipients who do not cooperate with the county agency to meet the requirements of medical assistance.

(e) In determining the amount of assets of an individual, there shall be included any asset or interest in an asset, including an asset excluded under paragraph (a), that was given away, sold, or disposed of for less than fair market value within the 30 60 months preceding application for general assistance medical care or during the period of eligibility. Any transfer

described in this paragraph shall be presumed to have been for the purpose of establishing eligibility for general assistance medical care, unless the individual furnishes convincing evidence to establish that the transaction was exclusively for another purpose. For purposes of this paragraph, the value of the asset or interest shall be the fair market value at the time it was given away, sold, or disposed of, less the amount of compensation received. For any uncompensated transfer, the number of months of ineligibility, including partial months, shall be calculated by dividing the uncompensated transfer amount by the average monthly per person payment made by the medical assistance program to skilled nursing facilities for the previous calendar year. The individual shall remain ineligible until this fixed period has expired. The period of ineligibility may exceed 30 months, and a reapplication for benefits after 30 months from the date of the transfer shall not result in eligibility unless and until the period of ineligibility has expired. The period of ineligibility begins in the month the transfer was reported to the county agency, or if the transfer was not reported, the month in which the county agency discovered the transfer, whichever comes first. For applicants, the period of ineligibility begins on the date of the first approved application.

(f)(1) Beginning October 1, 1993, an undocumented alien or a nonimmigrant is ineligible for general assistance medical care other than emergency services. For purposes of this subdivision, a nonimmigrant is an individual in one or more of the classes listed in United States Code, title 8, section 1101(a)(15), and an undocumented alien is an individual who resides in the United States without the approval or acquiescence of the Immigration and Naturalization Service.

By signing an application for general assistance *or general assistance medical care*, a person assigns to the department of human services all rights to medical support or payments for medical expenses from another person or entity on their own or their dependent's behalf and agrees to cooperate with the state in establishing paternity and obtaining third party payments. The application shall contain a statement explaining the assignment. Any rights or amounts assigned shall be applied against the cost of medical care paid for under this chapter. An assignment is effective on the date general assistance medical care eligibility takes effect. The assignment shall not affect benefits paid or provided under automobile accident coverage and private health care coverage until the person or organization providing the benefits has received notice of the assignment.

Sec. 40. Minnesota Statutes 1992, section 256D.03, subdivision 3b, is amended to read:

Subd. 3b. [COOPERATION.] *General assistance or general assistance medical care, applicants and recipients must cooperate with the state and local agency to identify potentially liable third party payers and assist the state in obtaining third party payments. Cooperation includes identifying any third party who may be liable for care and services provided under this chapter to the applicant, recipient, or any other family member for whom application is made and providing relevant information to assist the state in pursuing a potentially liable third party.* General assistance medical care applicants and recipients must cooperate by providing information about any group health plan in which they may be eligible to enroll. They must cooperate with the state and local agency in determining if the plan is cost-effective. If the plan is determined cost-effective and the premium will be paid by the state or local agency or is available at no cost to the person, they must enroll or remain enrolled in the group health plan. Cost-effective insurance premiums approved for payment by the state agency and paid by the local agency are eligible for reimbursement according to subdivision 6.

Sec. 41. Minnesota Statutes 1993 Supplement, section 256D.03, subdivision 4, is amended to read:

Subd. 4. [GENERAL ASSISTANCE MEDICAL CARE; SERVICES.] (a) For a person who is eligible under subdivision 3, paragraph (a), clause (3), general assistance medical care covers:

- (1) inpatient hospital services;
- (2) outpatient hospital services;
- (3) services provided by Medicare certified rehabilitation agencies;
- (4) prescription drugs and other products recommended through the process established in section 256B.0625, subdivision 13;
- (5) equipment necessary to administer insulin and diagnostic supplies and equipment for diabetics to monitor blood sugar level;
- (6) eyeglasses and eye examinations provided by a physician or optometrist;
- (7) hearing aids;
- (8) prosthetic devices;
- (9) laboratory and X-ray services;
- (10) physician's services;
- (11) medical transportation;
- (12) chiropractic services as covered under the medical assistance program;
- (13) podiatric services;
- (14) dental services;
- (15) outpatient services provided by a mental health center or clinic that is under contract with the county board and is established under section 245.62;

(16) day treatment services for mental illness provided under contract with the county board;

(17) prescribed medications for persons who have been diagnosed as mentally ill as necessary to prevent more restrictive institutionalization;

(18) case management services for a person with serious and persistent mental illness who would be eligible for medical assistance except that the person resides in an institution for mental diseases;

(19) psychological services, medical supplies and equipment, and Medicare premiums, coinsurance and deductible payments;

(20) medical equipment not specifically listed in this paragraph when the use of the equipment will prevent the need for costlier services that are reimbursable under this subdivision; and

(21) services performed by a certified pediatric nurse practitioner, a certified family nurse practitioner, a certified adult nurse practitioner, a certified obstetric/gynecological nurse practitioner, or a certified geriatric nurse practitioner in independent practice, if the services are otherwise covered under this chapter as a physician service, and if the service is within the scope of practice of the nurse practitioner's license as a registered nurse, as defined in section 148.171; and

(22) services of a certified public health nurse practicing in a public health nursing clinic that is a department of, or that operates under the direct authority of, a unit of government, if the service is within the scope of practice of the public health nurse's license as a registered nurse, as defined in section 148.171.

(b) For a recipient who is eligible under subdivision 3, paragraph (a), clause (1) or (2), general assistance medical care covers the services listed in paragraph (a) with the exception of special transportation services.

(c) In order to contain costs, the commissioner of human services shall select vendors of medical care who can provide the most economical care consistent with high medical standards and shall where possible contract with organizations on a prepaid capitation basis to provide these services. The commissioner shall consider proposals by counties and vendors for prepaid health plans, competitive bidding programs, block grants, or other vendor payment mechanisms designed to provide services in an economical manner or to control utilization, with safeguards to ensure that necessary services are provided. Before implementing prepaid programs in counties with a county operated or affiliated public teaching hospital or a hospital or clinic operated by the University of Minnesota, the commissioner shall consider the risks the prepaid program creates for the hospital and allow the county or hospital the opportunity to participate in the program in a manner that reflects the risk of adverse selection and the nature of the patients served by the hospital, provided the terms of participation in the program are competitive with the terms of other participants considering the nature of the population served. Payment for services provided pursuant to this subdivision shall be as provided to medical assistance vendors of these services under sections 256B.02, subdivision 8, and 256B.0625. For payments made during fiscal year 1990 and later years, the commissioner shall consult with an independent actuary in establishing prepayment rates, but shall retain final control over the rate methodology.

(d) The commissioner of human services may reduce payments provided under sections 256D.01 to 256D.21 and 261.23 in order to remain within the amount appropriated for general assistance medical care, within the following restrictions.

For the period July 1, 1985 to December 31, 1985, reductions below the cost per service unit allowable under section 256.966, are permitted only as follows: payments for inpatient and outpatient hospital care provided in response to a primary diagnosis of chemical dependency or mental illness may be reduced no more than 30 percent; payments for all other inpatient hospital care may be reduced no more than 20 percent. Reductions below the payments allowable under general assistance medical care for the remaining general assistance medical care services allowable under this subdivision may be reduced no more than ten percent.

For the period January 1, 1986 to December 31, 1986, reductions below the cost per service unit allowable under section 256.966 are permitted only as follows: payments for inpatient and outpatient hospital care provided in response to a primary diagnosis of chemical dependency or mental illness may be reduced no more than 20 percent; payments for all other inpatient hospital care may be reduced no more than 15 percent. Reductions below the payments allowable under general assistance medical care for the remaining general assistance medical care services allowable under this subdivision may be reduced no more than five percent.

For the period January 1, 1987 to June 30, 1987, reductions below the cost per service unit allowable under section 256.966 are permitted only as follows: payments for inpatient and outpatient hospital care provided in response to a primary diagnosis of chemical dependency or mental illness may be reduced no more than 15 percent; payments for all other inpatient hospital care may be reduced no more than ten percent. Reductions below the payments allowable under medical assistance for the remaining general assistance medical care services allowable under this subdivision may be reduced no more than five percent.

For the period July 1, 1987 to June 30, 1988, reductions below the cost per service unit allowable under section 256.966 are permitted only as follows: payments for inpatient and outpatient hospital care provided in response to a primary diagnosis of chemical dependency or mental illness may be reduced no more than 15 percent; payments for all other inpatient hospital care may be reduced no more than five percent. Reductions below the payments allowable under medical assistance for the remaining general assistance medical care services allowable under this subdivision may be reduced no more than five percent.

For the period July 1, 1988 to June 30, 1989, reductions below the cost per service unit allowable under section 256.966 are permitted only as follows: payments for inpatient and outpatient hospital care provided in response to a primary diagnosis of chemical dependency or mental illness may be reduced no more than 15 percent; payments for all other inpatient hospital care may not be reduced. Reductions below the payments allowable under medical assistance for the remaining general assistance medical care services allowable under this subdivision may be reduced no more than five percent.

There shall be no copayment required of any recipient of benefits for any services provided under this subdivision. A hospital receiving a reduced

payment as a result of this section may apply the unpaid balance toward satisfaction of the hospital's bad debts.

(e) Any county may, from its own resources, provide medical payments for which state payments are not made.

(f) Chemical dependency services that are reimbursed under chapter 254B must not be reimbursed under general assistance medical care.

(g) The maximum payment for new vendors enrolled in the general assistance medical care program after the base year shall be determined from the average usual and customary charge of the same vendor type enrolled in the base year.

(h) The conditions of payment for services under this subdivision are the same as the conditions specified in rules adopted under chapter 256B governing the medical assistance program, unless otherwise provided by statute or rule.

Sec. 42. Minnesota Statutes 1992, section 256D.425, is amended by adding a subdivision to read:

[COOPERATION.] To be eligible for the Minnesota supplemental aid program, applicants and recipients must cooperate with the state and local agency to identify potentially liable third party payers and assist the state in obtaining third party payments. Cooperation includes identifying any third party who may be liable for benefits provided under chapter 256D, to the applicant, recipient, or any other family member for whom application is made, and providing relevant information to assist the state in pursuing a potentially liable third party.

Subd. 4. [NO CREDITS; STUDENT COSTS.] (a) A post-secondary institution providing remedial instruction under this section must not award credit to a student toward a degree or program completion for remedial instruction provided under this section.

(b) The institution may charge the student for the actual incremental costs of the remedial instruction less the amount charged back to the student's high school.

Subd. 5. [JUST CLAIM.] A valid charge back for remedial instruction to a student under this section is, under section 123.40, subdivision 1, a just claim against the school district that includes the student's high school."

Subd. 3. [ELIGIBILITY.] The commissioner shall issue a retail firearms dealers license, valid for three years, to any applicant who has complied with

subdivision 2. The license shall be issued not later than 30 business days after the application is delivered to the commissioner unless the commissioner has determined that the applicant is not eligible under this subdivision. The license shall specify the premises for which the license is effective. The commissioner may not issue, transfer, or renew a license if the investigation under subdivision 5 establishes that the applicant:

(1) is not eligible to possess a handgun or semiautomatic military-style assault weapon under section 624.713;

(2) has had a license revoked under this section within five years of the license application; or

(3) has been convicted within ten years of the license application of a violation of a federal or state law involving the illegal use or possession of a firearm or ammunition other than a crime of violence as defined in section 624.712, subdivision 5, or has been convicted within five years of the license application of any felony.

Subd. 2c. [SCHEDULES OF RATES FOR INDIVIDUALS, ESTATES, AND TRUSTS.] (a) The income taxes imposed by this chapter upon married individuals filing joint returns and surviving spouses as defined in section 2(a) of the Internal Revenue Code of 1986 as amended through December 31, 1991, must be computed by applying to their taxable net income the following schedule of rates:

(1) On the first ~~\$19,910~~ \$22,880, 6 percent;

(2) On all over ~~\$19,910~~ \$22,880, but not over ~~\$79,120~~ \$75,000, 8 percent;

(3) On all over ~~\$79,120, 8.5~~ \$75,000, 9.7 percent.

Married individuals filing separate returns, estates, and trusts must compute their income tax by applying the above rates to their taxable income, except that the income brackets will be one-half of the above amounts.

(b) The income taxes imposed by this chapter upon unmarried individuals must be computed by applying to taxable net income the following schedule of rates:

(1) On the first ~~\$13,620~~ \$15,650, 6 percent;

(2) On all over ~~\$13,620~~ \$15,650, but not over ~~\$44,750~~ \$42,420, 8 percent;

(3) On all over ~~\$44,750, 8.5~~ \$42,420, 9.7 percent.

(d) In lieu of a tax computed according to the rates set forth in this subdivision, the tax of any individual taxpayer whose taxable net income for the taxable year is less than an amount determined by the commissioner must be computed in accordance with tables prepared and issued by the commissioner of revenue based on income brackets of not more than \$100. The amount of tax for each bracket shall be computed at the rates set forth in this subdivision, provided that the commissioner may disregard a fractional part of a dollar unless it amounts to 50 cents or more, in which case it may be increased to \$1.

(e) An individual who is not a Minnesota resident for the entire year must compute the individual's Minnesota income tax as provided in this subdivision. After the application of the nonrefundable credits provided in this chapter, the tax liability must then be multiplied by a fraction in which:

(1) The numerator is the individual's Minnesota source federal adjusted gross income as defined in section 62 of the Internal Revenue Code of 1986, as amended through December 31, 1991, less the deduction allowed by section 217 of the Internal Revenue Code of 1986, as amended through December 31, 1991, after applying the allocation and assignability provisions of section 290.081, clause (a), or 290.17; and

Subd. 2d. [INFLATION ADJUSTMENT OF BRACKETS.] (a) For taxable years beginning after December 31, 1991, the minimum and maximum dollar amounts for each rate bracket for which a tax is imposed in subdivision 2c shall be adjusted for inflation by the percentage determined under paragraph (b). For the purpose of making the adjustment as provided in this subdivision all of the rate brackets provided in subdivision 2c shall be the rate brackets as they existed for taxable years beginning after December 31, 1990, and before January 1, 1992, *except that the minimum and maximum dollar amounts for each rate bracket as amended in section 2 shall be adjusted according to this subdivision for taxable years beginning after December 31, 1995.* The rate applicable to any rate bracket must not be changed. The dollar amounts setting forth the tax shall be adjusted to reflect the changes in the rate brackets. The rate brackets as adjusted must be rounded to the nearest \$10 amount. If the rate bracket ends in \$5, it must be rounded up to the nearest \$10 amount.

(b) The commissioner shall adjust the rate brackets and by the percentage determined pursuant to the provisions of section 1(f) of the Internal Revenue Code of 1986, as amended through December 31, 1991, except that in section 1(f)(3)(B) the word "1990" shall be substituted for the word "1987." For 1991, the commissioner shall then determine the percent change from the 12 months ending on August 31, 1990, to the 12 months ending on August 31, 1991, and in each subsequent year, from the 12 months ending on August 31, 1990, to the 12 months ending on August 31 of the year preceding the taxable year. *For taxable years beginning after December 31, 1995, the rate brackets amended in section 2 shall be adjusted according to the percentage change from the 12 months ending on August 31, 1994, to the 12 months ending on August 31 of the year preceding the taxable year.* The determination of the commissioner pursuant to this subdivision shall not be considered a "rule" and shall not be subject to the administrative procedure act contained in chapter 14.

No later than December 15 of each year, the commissioner shall announce the specific percentage that will be used to adjust the tax rate brackets.

Sec. 4. Minnesota Statutes 1992, section 290.62, is amended to read:

290.62 [DISTRIBUTION OF REVENUES.]

Subd. 1a. [TEACHERS.] (a) For contracts between exclusive representatives of teachers and public employers of teachers other than the state, procedures for negotiation of agreements, mediation and interest arbitration must be as otherwise provided in this chapter until September 1 of the odd-numbered year. If either the public employer or the exclusive representative of the teachers requests interest arbitration after September 1 of the odd-numbered year, the commissioner shall request necessary information from the parties, shall determine the matters not agreed upon based on the efforts to mediate the dispute and the positions submitted by the parties during negotiations or mediation, and shall prepare a list of the items to be decided by an arbitration panel. The commissioner shall submit the list of items to be decided by an arbitration panel to the parties. Within 15 days of its receipt of the list of items to be decided by an arbitration panel, the public employer shall notify the commissioner whether it agrees to submission of those items to interest arbitration.

A golf club may not offer a membership or golfing privileges to a spouse of a member that provides greater or less access to the golf course than is provided to that person's

spouse under the same or a separate membership in that club, except that the terms of a membership may provide that one spouse may have no right to use the golf course at any time while the other spouse may have either limited or unlimited access to the golf course.

A golf club may have or create an individual membership category which entitles a member for a reduced rate to play during restricted hours as established by the club. The club must have on record a written request by the member for such membership.

A golf club that has food or beverage facilities or services must allow equal access to those facilities and services for both men and women members in all membership categories at all times. Nothing in this paragraph shall be construed to require service or access to facilities to persons under the age of 21 years or require any act that would violate law or ordinance regarding sale, consumption, or regulation of alcoholic beverages.

For purposes of this subdivision and subdivision 7a, discrimination means a pattern or course of conduct and not linked to an isolated incident."

340A.311 [BRAND REGISTRATION.]

(a) A brand of intoxicating liquor or 3.2 percent malt liquor may not be manufactured, imported into, or sold in the state unless the brand label has been registered with and approved by the commissioner. A brand registration must be renewed every three years in order to remain in effect. The fee for an initial brand registration is \$30. The fee for brand registration renewal is \$20. (c) The label of any brand of wine or intoxicating or nonintoxicating malt beverage may be registered only by the brand owner or authorized agent. No such brand may be imported into the state for sale without the consent of the brand owner or authorized agent. This section does not limit the provisions of section 340A.307.

(d) The commissioner shall refuse to register a malt liquor brand label, and shall revoke the registration of a malt liquor brand label already registered,

if the brand label states or implies in a false or misleading manner a connection with an actual living or dead American Indian leader. This paragraph does not apply to a brand label registered for the first time in Minnesota before January 1, 1992."

GUARDIANSHIPS AND CONSERVATORSHIPS

Section 1. Minnesota Statutes 1992, section 525.539, subdivision 7, is amended to read:

Subd. 7. [BEST INTERESTS OF THE WARD OR CONSERVATEE.]

“Best interests of the ward or conservatee” means all relevant factors to be considered or evaluated by the court in nominating a guardian or conservator, including but not limited to:

(1) the reasonable preference of the ward or conservatee, if the court determines the ward or conservatee has sufficient capacity to express a preference;

(2) the interaction between the proposed guardian or conservator and the ward or conservatee; and

(3) the interest and commitment of the proposed guardian or conservator in promoting the welfare of the ward or conservatee and the proposed guardian’s or conservator’s ability to maintain a current understanding of the ward’s or conservatee’s physical and mental status and needs. In the case of a ward or a conservatorship of the person, welfare includes:

(i) food, clothing, shelter, and appropriate medical care;

(ii) social, emotional, religious, and recreational requirements; and

(iii) training, education, and rehabilitation; and

(4) the ability of the proposed guardian or conservator to manage the financial affairs of the proposed ward or conservatee, in the case of a guardianship or conservatorship of the estate.

Kinship is not a conclusive factor in determining the best interests of the ward or conservatee but should be considered to the extent that it is relevant to the other factors contained in this subdivision.

Sec. 2. Minnesota Statutes 1992, section 525.55, subdivision 2, is amended to read:

Subd. 2. [FORM; SERVICE.] (a) The notice shall be written in language which can be easily understood. Included with the notice shall be a copy of the petition. The notice shall contain information regarding the nature, purpose and legal effects of the guardianship or conservatorship proceedings on the proposed ward or conservatee. The notice shall state that the person may be adjudged incapable of self care for person or property, and by reason thereof, a guardian or conservator may be appointed, and that the adjudication may transfer to the appointed guardian or conservator certain rights, including the right to manage and control property, to enter into contracts and to determine residence.

(b) The notice shall further contain information regarding the rights of the proposed ward or conservatee in the proceeding, including the right to attend the hearing, to be represented by an attorney, to oppose the proceeding, and to present evidence. The notice shall state that if the proposed ward or conservatee wishes to exercise the right to be represented by an attorney, that person must either obtain counsel of choice, or ask the court to appoint an attorney to represent that person, and that the county shall pay a reasonable attorney’s fee if that person is indigent. The procedure for requesting a court appointed attorney shall be described in the notice.

(c) The process server shall inquire whether the proposed ward or conservatee desires the notice and petition to be read to that person, and shall read the notice and petition if requested to do so. In place of a process server,

the court may appoint a visitor to deliver the notice and petition and explain them to the proposed ward or conservatee.

(d) The notice must inform family members that they may be represented by an attorney if they choose to retain one in order to represent their rights and interests.

Sec. 3. Minnesota Statutes 1992, section 525.551, subdivision 5, is amended to read:

Subd. 5. [FINDINGS.] In all cases the court shall make specific written findings of fact, state separately its conclusions of law, and direct the entry of an appropriate judgment or order.

If upon completion of the hearing and consideration of the record the court finds: (a) that the requirements for the voluntary appointment of a conservator or guardian have been met, or (b)(1) that the proposed ward or conservatee is incapacitated as defined in section 525.54; and (2) in need of the supervision and protection of a guardian or conservator; and (3) that no appropriate alternatives to the guardianship or conservatorship exist which are less restrictive of the person's civil rights and liberties, such as those set forth in section 525.54, subdivision 7; it shall enter its order or judgment granting all of the powers set out in section 525.56, subdivision 3, in the case of a guardian of the person, and section 525.56, subdivision 4, in the case of a guardian of the estate, or specifying the powers of the conservator pursuant to section 525.56. The court shall make a finding that appointment of the person chosen as guardian or conservator is in the best interests of the ward or conservatee *and shall address its reasons for not appointing a family member as a guardian or conservator, if one is available.* Except as provided in section 525.544, subdivision 1, if more than one person has petitioned the court to serve as guardian or conservator, or if the petition is contested, the court shall make a finding that the person to be appointed as guardian or conservator is the most suitable and best qualified person among those who are available before making the appointment. The court's finding as to the best available guardian must specifically address the reasons for the court's determination that the appointment of that person is in the best interests of the ward or conservatee.

The court may enumerate in its findings which legal rights the proposed ward or conservatee is incapable of exercising.

Sec. 4. Minnesota Statutes 1992, section 525.56, subdivision 3, is amended to read:

Subd. 3. The court may appoint a guardian of the person if it determines that all the powers and duties listed in this subdivision are needed to provide for the needs of the incapacitated person. The court may appoint a conservator of the person if it determines that a conservator is needed to provide for the needs of the incapacitated person through the exercise of some, but not all, of the powers and duties listed in this subdivision. The duties and powers of a guardian or those which the court may grant to a conservator of the person include, but are not limited to:

(1) The power to have custody of the ward or conservatee and the power to establish a place of abode within or without the state, except as otherwise provided in this clause. The ward or conservatee or any person interested in the ward's or conservatee's welfare may petition the court to prevent or to

initiate a change in abode. *The guardian or conservator must give notice in the manner required and to those persons specified in section 525.55 at least 14 days before making a change in the place of abode of the ward or conservatee. The notice must inform the person of the right to petition the court to prevent or to initiate a change in abode.* A ward or conservatee may not be admitted to a regional treatment center by the guardian or conservator except (1) after a hearing pursuant to chapter 253B; (2) for outpatient services; or (3) for the purpose of receiving temporary care for a specific period of time not to exceed 90 days in any calendar year.

(2) The duty to provide for the ward's or conservatee's care, comfort and maintenance needs, including food, clothing, shelter, health care, social and recreational requirements, and, whenever appropriate, training, education, and habilitation or rehabilitation. The guardian or conservator has no duty to pay for these requirements out of personal funds. Whenever possible and appropriate, the guardian or conservator should meet these requirements through governmental benefits or services to which the ward or conservatee is entitled, rather than from the ward's or conservatee's estate. Failure to satisfy the needs and requirements of this clause shall be grounds for removal of a private guardian or conservator, but the guardian or conservator shall have no personal or monetary liability.

(3) The duty to take reasonable care of the ward's or conservatee's clothing, furniture, vehicles, and other personal effects, and, if other property requires protection, the power to seek appointment of a guardian or conservator of the estate. The guardian or conservator must give notice in the manner required and to those persons specified in section 525.55 prior to the disposition of the ward's or conservatee's clothing, furniture, vehicles, or other personal effects. The notice must inform the person of the right to object to the disposition of the property within ten days and to petition the court for a review of the guardian's or conservator's proposed actions. Notice of the objection must be served by mail or personal service on the guardian or conservator and the ward or conservatee unless the ward or conservatee be the objector. The guardian or conservator served with notice of an objection to the disposition of the property may not dispose of the property unless the court approves the disposition after a hearing.

(4)(a) The power to give any necessary consent to enable the ward or conservatee to receive necessary medical or other professional care, counsel, treatment or service, except that no guardian or conservator may give consent for psychosurgery, electroshock, sterilization, or experimental treatment of any kind unless the procedure is first approved by order of the court as provided in this clause. The guardian or conservator shall not consent to any medical care for the ward or conservatee which violates the known conscientious, religious, or moral belief of the ward or conservatee.

(b) A guardian or conservator who believes a procedure described in clause (4)(a) requiring prior court approval to be necessary for the proper care of the ward or conservatee shall petition the court for an order and, in the case of a public guardianship or conservatorship under chapter 252A, obtain the written recommendation of the commissioner of human services. The court shall fix the time and place for the hearing and shall give notice to the ward or conservatee and to the other persons specified in section 525.55, subdivision 1. The notice shall comply with the requirements of, and be served in the manner provided in section 525.55, subdivision 2. The court shall appoint an attorney to represent the ward or conservatee who is not represented by

counsel. In every case the court shall determine if the procedure is in the best interests of the ward or conservatee. In making its determination, the court shall consider a written medical report which specifically considers the medical risks of the procedure, whether alternative, less restrictive methods of treatment could be used to protect the best interests of the ward or conservatee, and any recommendation of the commissioner of human services for a public ward or conservatee. The standard of proof is that of clear and convincing evidence.

(c) In the case of a petition for sterilization of a mentally retarded ward or conservatee, the court shall appoint a licensed physician, a psychologist who is qualified in the diagnosis and treatment of mental retardation, and a social worker who is familiar with the ward's or conservatee's social history and adjustment or the case manager for the ward or conservatee to examine or evaluate the ward or conservatee and to provide written reports to the court. The reports shall indicate why sterilization is being proposed, whether sterilization is necessary and is the least intrusive method for alleviating the problem presented, and whether it is in the best interests of the ward or conservatee. The medical report shall specifically consider the medical risks of sterilization, the consequences of not performing the sterilization, and whether alternative methods of contraception could be used to protect the best interests of the ward or conservatee.

(d) Any conservatee whose right to consent to a sterilization has not been restricted under this section or section 252A.101, may be sterilized only if the conservatee consents in writing or there is a sworn acknowledgment by an interested person of a nonwritten consent by the conservatee. The consent must certify that the conservatee has received a full explanation from a physician or registered nurse of the nature and irreversible consequences of the sterilization operation.

(e) A guardian or conservator or the public guardian's designee who acts within the scope of authority conferred by letters of guardianship under section 252A.101, subdivision 7, and according to the standards established in this chapter or in chapter 252A shall not be civilly or criminally liable for the provision of any necessary medical care, including but not limited to, the administration of psychotropic medication or the implementation of aversive and deprivation procedures to which the guardian or conservator or the public guardian's designee has consented.

(5) The power to approve or withhold approval of any contract, except for necessities, which the ward or conservatee may make or wish to make.

(6) The duty and power to exercise supervisory authority over the ward or conservatee in a manner which limits civil rights and restricts personal freedom only to the extent necessary to provide needed care and services.

Sec. 5. Minnesota Statutes 1992, section 525.56, subdivision 4, is amended to read:

Subd. 4. [DUTIES OF GUARDIAN OR CONSERVATOR OF THE ESTATE.] The court may appoint a guardian of the estate if it determines that all the powers and duties listed in this subdivision are needed to provide for the needs of the incapacitated person. The court may appoint a conservator of the estate if it determines that a conservator is necessary to provide for the needs of the incapacitated person through the exercise of some, but not all, of the powers and duties listed in this subdivision. The duties and powers of a

guardian or those which the court may grant to a conservator include, but are not limited to:

(1) The duty to pay the reasonable charges for the support, maintenance, and education of the ward or conservatee in a manner suitable to the ward's or conservatee's station in life and the value of estate. Nothing herein contained shall release parents from obligations imposed by law for the support, maintenance, and education of their children. The guardian or conservator has no duty to pay for these requirements out of personal funds. Wherever possible and appropriate, the guardian or conservator should meet these requirements through governmental benefits or services to which the ward or conservatee is entitled, rather than from the ward's or conservatee's estate. Failure to satisfy the needs and requirements of this clause shall be grounds for removal, but the guardian or conservator shall have no personal or monetary liability;

(2) The duty to pay out of the ward's or conservatee's estate all just and lawful debts of the ward or conservatee and the reasonable charges incurred for the support, maintenance, and education of the ward's or conservatee's spouse and dependent children and, upon order of the court, pay such sum as the court may fix as reasonable for the support of any person unable to earn a livelihood who is legally entitled to support from the ward or conservatee;

(3) The duty to possess and manage the estate, collect all debts and claims in favor of the ward or conservatee, or, with the approval of the court, compromise them, institute suit on behalf of the ward or conservatee and represent the ward or conservatee in any court proceedings, and invest all funds not currently needed for the debts and charges named in clauses (1) and (2) and the management of the estate, in accordance with the provisions of sections 48.84 and 501B.10, subdivision 1, or as otherwise ordered by the court. The standard of a fiduciary shall be applicable to all investments by a guardian or conservator. A guardian or conservator shall also have the power to purchase certain contracts of insurance as provided in section 50.14, subdivision 14, clause (b). *The court may require a guardian or conservator to consult with a financial advisor or family members before taking certain investment actions or disposing of funds;*

(4) *The duty to maintain any real estate owned by the ward or conservatee.* Where a ward or conservatee has inherited an undivided interest in real estate, the court, on a showing that it is for the best interest of the ward or conservatee, may authorize an exchange or sale of the ward's or conservatee's interest or a purchase by the ward or conservatee of any interest other heirs may have in the real estate.

Sec. 6. Minnesota Statutes 1992, section 525.58, subdivision 1, is amended to read:

Subdivision 1. [ANNUAL ACCOUNT.] (a) Except where expressly waived or modified by the court, every guardian or conservator of the estate annually shall file with the court within 30 days of the anniversary date of the guardian's or conservator's appointment a verified account covering the period from the date of appointment or the last account. *The court may not waive the accounting requirements or require less than an annual account over the objection of a family member entitled to notice under section 525.55.* The guardian or conservator of the estate shall give a copy of the annual account to:

(1) the ward or conservatee, except where expressly waived by the court after a finding that the ward or conservatee is so incapacitated as to be unable to understand the account or there is a serious likelihood of harm to the ward or conservatee; and

(2) to a family member entitled to notice under section 525.55 who has requested a copy of the account.

(b) The court or its designee shall annually review the court file to insure that the account has been filed and that the account contains the information required by this section. If an account has not been filed or if the account does not contain the information required by this section the court shall order the guardian or conservator to file an appropriate account. The examination and acceptance shall not constitute an adjudication or determination of the merits of the account filed nor shall it constitute the court's approval of the account.

(c) At the termination of the guardianship or conservatorship, or upon the guardian's or conservator's removal or resignation, the guardian or conservator or the surety, or in the event of death or disability, the guardian's or conservator's representative or surety shall file a verified final account with a petition for the settlement and allowance thereof.

(d) Every account shall show in detail all property received and disbursed, the property on hand, the present address of the ward or conservatee and of the guardian or conservator, and unless the guardian or conservator be a corporation, the amount of the bond, the names and addresses of all sureties thereon, that each unincorporated surety is a resident of this state, is not under disability, and is worth the amount in which the surety justified.

Sec. 7. Minnesota Statutes 1992, section 525.64, is amended to read:

525.64 [PETITION, NOTICE, HEARING.]

A guardian or conservator may file a petition to sell, mortgage, or lease alleging briefly the facts constituting the reasons for the application and describing the real estate involved therein. The petition may include all the real estate of the ward or conservatee or any part or parts thereof. It may apply for different authority as to separate parcels. It may apply in the alternative for authority to sell, mortgage, or lease. Upon the filing of such petition, the court shall fix the time and place for the hearing thereof. Notice of the hearing shall state briefly the nature of the application made by the petition and shall be given pursuant to section 525.83 except that no publication is required unless otherwise ordered. *Notice must also be given to the family members specified in section 525.55.* Upon the hearing, the court shall have full power to direct the sale, mortgage, or lease of all the real estate described in the petition, or to direct the sale, mortgage, or lease of any one or more parcels thereof, provided that any such direction shall be within the terms of the application made by the petition.

Sec. 8. Minnesota Statutes 1993 Supplement, section 525.703, subdivision 3, is amended to read:

Subd. 3. [GUARDIAN OR CONSERVATOR.] (a) When the court determines that a guardian or conservator of the person or the estate has rendered necessary services or has incurred necessary expenses for the benefit of the ward or conservatee, the court may order reimbursement or reasonable compensation to be paid from the estate of the ward or conservatee or from the county having jurisdiction over the guardianship or conservatorship if the

ward or conservatee is indigent. *The guardian or conservator shall provide an itemization of the services or expenses for which reimbursement is sought and the basis for the charges.* The court may not deny an award of fees solely because the ward or conservatee is a recipient of medical assistance. In determining reasonable compensation for a guardian or conservator of an indigent person, the court shall consider a fee schedule recommended by the board of county commissioners. The fee schedule may also include a maximum compensation based on the living arrangements of the ward or conservatee. If these services are provided by a public or private agency, the county may contract on a fee for service basis with that agency. *In other cases, the court shall consider the expertise and training of the guardian or conservator and the nature of the services provided in determining reasonable compensation.*

(b) The court shall order reimbursement or reasonable compensation if the guardian or conservator requests payment and the guardian or conservator was nominated by the court or by the county adult protection unit because no suitable relative or other person was available to provide guardianship or conservatorship services necessary to prevent abuse or neglect of a vulnerable adult, as defined in section 626.557. In determining reasonable compensation for a guardian or conservator of an indigent person, the court shall consider a fee schedule recommended by the board of county commissioners. The fee schedule may also include a maximum compensation based on the living arrangements of the ward or conservatee. If these services are provided by a public or private agency, the county may contract on a fee for service basis with that agency.

(c) When a county employee serves as a guardian or conservator as part of employment duties, the court shall order reasonable compensation if the guardian or conservator performs necessary services that are not compensated by the county. The court may order reimbursement to the county from the ward's or conservatee's estate for reasonable compensation paid by the county for services rendered by a guardian or conservator who is a county employee but only if the county shows that after a diligent effort it was unable to arrange for an independent guardian or conservator."

Sec. 26. Minnesota Statutes 1992, section 62A.047, is amended to read:

62A.047 [CHILDREN'S HEALTH SUPERVISION SERVICES AND PRENATAL CARE SERVICES.]

A policy of individual or group health and accident insurance regulated under this chapter, or individual or group subscriber contract regulated under chapter 62C, health maintenance contract regulated under chapter 62D, or health benefit certificate regulated under chapter 64B, issued, renewed, or continued to provide coverage to a Minnesota resident, must provide coverage for child health supervision services and prenatal care services. The policy, contract, or certificate must specifically exempt reasonable and customary charges for child health supervision services and prenatal care services from a deductible, copayment, or other coinsurance or dollar limitation requirement. ~~For individual policies,~~ This section does not prohibit the use of *policy* waiting periods or preexisting condition limitations for these services. Minimum benefits may be limited to one visit payable to one provider for all of the services provided at each visit cited in this section subject to the schedule set forth in this section. Nothing in this section applies to a commercial health insurance policy issued as a companion to a health maintenance organization contract, a policy designed primarily to provide coverage payable on a per diem, fixed indemnity, or nonexpense incurred basis, or a policy that provides only accident coverage.

"Child health supervision services" means pediatric preventive services, appropriate immunizations, developmental assessments, and laboratory services appropriate to the age of a child from birth to age six as defined by Standards of Child Health Care issued by the American Academy of Pediatrics. Reimbursement must be made for at least five child health supervision visits from birth to 12 months, three child health supervision visits from 12 months to 24 months, once a year from 24 months to 72 months.

"Prenatal care services" means the comprehensive package of medical and psychosocial support provided throughout the pregnancy, including risk assessment, serial surveillance, prenatal education, and use of specialized skills and technology, when needed, as defined by Standards for Obstetric-Gynecologic Services issued by the American College of Obstetricians and Gynecologists.

Sec. 27. [62A.105] [COVERAGES; TRANSFERS TO SUBSTANTIALLY SIMILAR PRODUCTS.]

Subdivision 1. [SCOPE.] No individual policy of accident and sickness regulated under this chapter or subscriber contract regulated under chapter 62C shall be issued, renewed, or continued to provide coverage to a Minnesota resident unless it satisfies the requirements of subdivision 2.

Subd. 2. [REQUIREMENT.] If an issuer of policies or plans referred to in subdivision 1 ceases to offer a particular policy or subscriber contract to the general public or otherwise stops adding new insureds to the group of covered persons, the issuer shall allow any covered person to transfer to another substantially similar policy or contract currently being sold by the issuer. The issuer shall permit the transfer without any preexisting condition limitation, waiting period, or other restriction of any type other than those which applied to the insured under the prior policy or contract. This section does not apply to persons who were covered under an individual policy or contract prior to July 1, 1994.

Sec. 28. [62A.136] [DENTAL AND VISION PLANS.]

The following provisions do not apply to health plans providing dental or vision coverage only: sections 62A.041, 62A.047, 62A.149, 62A.151, 62A.152, 62A.154, 62A.155, 62A.26, 62A.28, and 62A.30.

Sec. 29. Minnesota Statutes 1992, section 62A.148, is amended to read:

62A.148 [GROUP INSURANCE; PROVISION OF BENEFITS FOR DISABLED EMPLOYEES.]

No employer or insurer of that employer shall terminate, suspend or otherwise restrict the participation in or the receipt of benefits otherwise payable under any program or policy of group insurance to any covered employee who becomes totally disabled while employed by the employer solely on account of absence caused by such total disability. *This includes coverage of dependents of the employee.* If the employee is required to pay all or any part of the premium for the extension of coverage, payment shall be made to the employer, by the employee.

Sec. 30. Minnesota Statutes 1992, section 62A.153, is amended to read:

62A.153 [~~FREE STANDING AMBULATORY SURGICAL CENTERS~~ OUTPATIENT MEDICAL AND SURGICAL SERVICES.]

No policy or plan of health, medical, hospitalization, or accident and sickness insurance regulated under this chapter, or subscriber contract provided by a nonprofit health service plan corporation regulated under chapter 62C *that provides coverage for services in a hospital* shall be issued, renewed, continued, delivered, issued for delivery or executed in this state, or approved for issuance or renewal in this state by the commissioner of commerce unless the policy, plan or contract specifically provides coverage for a health care treatment or ~~service rendered by a free standing ambulatory surgical center or facilities offering ambulatory medical service 24 hours a day seven days a week, which are not part of a hospital, but have been reviewed and approved by the state commissioner of health to provide the treatment or service, surgery on an outpatient basis at a facility equipped to perform these services, whether or not the facility is part of a hospital.~~ Coverage shall be on the same basis as coverage provided for the same health care treatment or service ~~rendered by~~ in a hospital.

Sec. 31. Minnesota Statutes 1992, section 62A.43, subdivision 4, is amended to read:

Subd. 4. [OTHER POLICIES NOT PROHIBITED.] The prohibition in this section or the requirements of section 62A.31, subdivision 1, against the sale of duplicate Medicare supplement coverage does do not preclude the sale of insurance coverage, such as travel, accident and sickness coverage, the effect or purpose of which is not to supplement Medicare coverage. Notwithstanding this provision, if the commissioner determines that the coverage being sold is in fact Medicare supplement insurance, the commissioner shall notify the insurer in writing of the determination. If the insurer does not thereafter comply with sections 62A.31 to 62A.44, the commissioner may, pursuant to chapter 14, revoke or suspend the insurer's authority to sell accident and health insurance in this state or impose a civil penalty not to exceed \$10,000, or both.

Sec. 32. [62A.49] [HOME CARE SERVICES COVERAGE.]

Subdivision 1. [GENERALLY.] Section 62A.48 does not prohibit the sale of policies, certificates, subscriber contracts, or other evidences of coverage that provide home care services only. This does not, however, remove the requirement that home care service benefits must be provided as part of a long-term care policy pursuant to that section. Home care services only policies may be sold, provided that they meet the requirements set forth in sections 62A.46 to 62A.56, except that they do not have to meet those conditions that relate to long-term care in nursing facilities. Disclosures and representations regarding these policies must be adjusted accordingly to remove references to coverage for nursing home care.

Subd. 2. [PROVIDER NETWORKS AND MANAGED CARE.] Home health care services issued pursuant to this section may be provided through a limited provider network and may employ managed care practices. If these methods are used, they must be adequately disclosed within the policy and any advertisements or representations regarding coverage. Policies may not be sold in areas where there are not sufficient providers to meet the needs of the policyholders located in that area.

Sec. 33. [62A.615] [PREEXISTING CONDITIONS; LIMITATIONS ON CANCELLATIONS, RESCISSIONS, OR RESTRICTIONS ON COVERAGE.]

No insurer may cancel or rescind a health insurance policy for a preexisting condition of which the application or other information provided by the insured reasonably gave the insurer notice. No insurer may restrict coverage for a preexisting condition of which the application or other information provided by the insured reasonably gave the insurer notice unless the coverage is restricted at the time the policy is issued and the restriction is disclosed in writing to the insured at the time the policy is issued.

Sec. 34. Minnesota Statutes 1992, section 62E.05, is amended to read:

62E.05 [CERTIFICATION OF QUALIFIED PLANS.]

Upon application by an insurer, fraternal, or employer for certification of a plan of health coverage as a qualified plan or a qualified medicare supplement plan for the purposes of sections 62E.01 to 62E.16, the commissioner shall make a determination within 90 days as to whether the plan is qualified. All plans of health coverage, *except Medicare supplement policies*, shall be

labeled as "qualified" or "nonqualified" on the front of the policy or evidence of insurance. All qualified plans shall indicate whether they are number one, two, or three coverage plans.

Sec. 35. Minnesota Statutes 1992, section 62E.19, subdivision 1, is amended to read:

Subdivision 1. [EMPLOYER LIABILITY.] An employer is liable to the association for the costs of any preexisting conditions of the employer's former employees or their dependents during the first six months of coverage under the state comprehensive health insurance plan under the following conditions:

(1)(i) the employer has terminated or laid off employees and is required to meet the notice requirements under section 268.976, subdivision 3;

(2)(ii) the employer has failed to provide, arrange for, or make available continuation health insurance coverage required to be provided under federal or state law to employees or their dependents; and

(3)(iii) the employer's former employees or their dependents enroll in the state comprehensive health insurance plan with a waiver of the preexisting condition limitation under section 62E.14, subdivision 4a or 5; or

(4)(2)(i) the employer has terminated or allowed the employer's plan of health insurance coverage to lapse within 90 days prior to the date of termination or layoff of an employee; and

(5)(ii) the employer's former employees or their dependents enroll in the state comprehensive health insurance plan with a waiver of the preexisting condition limitation under section 62E.14, subdivision 4a or 5.

The employer shall pay a special assessment to the association for the costs of the preexisting conditions. The special assessment may be assessed before the association makes the annual determination of each contributing member's liability as required under this chapter. The association may enforce the obligation to pay the special assessment by action, as a claim in an insolvency proceeding, or by any other method not prohibited by law.

If the association makes the special assessment permitted by this subdivision, the association may also make any assessment of contributing members otherwise permitted by law, without regard to the special assessment permitted by this subdivision. Contributing members must pay the assessment, subject to refund or adjustment in the event of receipt by the association of any portion of the special assessment.

Sec. 36. Minnesota Statutes 1992, section 62H.01, is amended to read:

62H.01 [JOINT SELF-INSURANCE EMPLOYEE HEALTH PLAN.]

Any two or more employers, excluding the state and its political subdivisions as described in section 471.617, subdivision 1, who are authorized to transact business in Minnesota may jointly self-insure employee health, dental, or short-term disability benefits, or other benefits permitted under the *Employee Retirement Income Security Act of 1974, United States Code, title 29, sections 1001 et seq.* Joint plans must have a minimum of 100 covered employees and meet all conditions and terms of sections 62H.01 to 62H.08. Joint plans covering employers not resident in Minnesota must meet the requirements of sections 62H.01 to 62H.08 as if the portion of the plan

covering Minnesota resident employees was treated as a separate plan. A plan may cover employees resident in other states only if the plan complies with the applicable laws of that state.

A multiple employer welfare arrangement as defined in United States Code, title 29, section 1002(40)(a), is subject to this chapter to the extent authorized by the Employee Retirement Income Security Act of 1974, United States Code, title 29, sections 1001 et seq.

(a) No agent or broker may solicit, advertise, or market in this state health benefits or coverage from, or accept an application for, or place coverage for a person who resides in this state with, a reportable MEWA unless the agent or broker first files with the commissioner the information required under section 62H.16.

Sec. 45. Minnesota Statutes 1992, section 62I.02, is amended to read:

62I.02 [MINNESOTA JOINT UNDERWRITING ASSOCIATION.]

Subdivision 1. [CREATION.] *The Minnesota joint underwriting association is created to provide insurance coverage to any person or entity unable to obtain insurance through ordinary methods if the insurance is required by*

statute, ordinance, or otherwise required by law, or is necessary to earn a livelihood or conduct a business and serves a public purpose, *including, but not limited to, liquor liability*. Prudent business practice or mere desire to have insurance coverage is not a sufficient standard for the association to offer insurance coverage to a person or entity. For purposes of this subdivision, directors' and officers' liability insurance is considered to be a business necessity and not merely a prudent business practice. The association shall be specifically authorized to provide insurance coverage to day care providers, foster parents, foster homes, developmental achievement centers, group homes, and rehabilitation facilities for mentally, emotionally, or physically handicapped persons, and citizen participation groups established pursuant to the housing and community redevelopment act of 1974, Public Law Number 93-383. Because the activities of certain persons or entities present a risk that is so great, the association shall not offer insurance coverage to any person or entity the board of directors of the association determines is outside the intended scope and purpose of the association because of the gravity of the risk of offering insurance coverage. The association shall not offer environmental impairment liability or product liability insurance. The association shall not offer coverage for activities that are conducted substantially outside the state of Minnesota unless the insurance is required by statute, ordinance, or otherwise required by law. Every insurer authorized to write property and casualty insurance *and personal injury liability insurance* in this state shall be a member of the association as a condition to obtaining and retaining a license to write insurance in this state.

Subd. 2. [DIRECTOR.] The association shall have a board of directors composed of 11 persons chosen as follows: five persons elected by members of the association at a meeting called by the commissioner; three public members, as defined in section 214.02, appointed by the commissioner; and three members, appointed by the commissioner representing groups to whom coverage has been extended by the association. The terms of the members shall be four years. Terms may be staggered so that no more than six members are appointed or elected every two years. Members may serve until their successors are appointed or elected. If at any time no coverage is currently extended by the association, then either additional public members may be appointed to fill these three positions or, at the option of the commissioner, representatives from groups who had previously been covered by the association may serve as directors.

Subd. 3. [REAUTHORIZATION.] The authorization to issue insurance to day care providers, foster parents, foster homes, developmental activity centers, group homes, and rehabilitation facilities for mentally, emotionally, or physically handicapped persons, and citizen participation groups established pursuant to the housing and community redevelopment act of 1974, Public Law Number 93-383, is valid for a period of two years from the date it was made. The commissioner may reauthorize the issuance of insurance for these groups and other classes of business for additional two-year periods pursuant to sections 621.21 and 621.22. This subdivision is not a limitation on the number of times the commissioner may reauthorize the issuance of insurance.

Subd. 4. [LIQUOR LIABILITY.] *Policies and contracts of coverage issued under this section for the purposes of providing liquor liability insurance must contain the usual and customary provisions of liability insurance policies, and must contain at least the minimum coverage required by section 340A.409, subdivision 1, or the local governing unit.*

Subd. 5. [ACCOUNTS.] For the purposes of administration and assessment, the association shall be divided into two separate accounts: (1) the property and casualty insurance account; and (2) the personal injury liability insurance account.

Sec. 46. Minnesota Statutes 1992, section 62I.03, is amended to read:

62I.03 [DEFINITION.]

Subdivision 1. [SCOPE.] As used in sections 62I.01 to 62I.22 the following terms have the meanings given them in this section.

Subd. 2. [ASSOCIATION.] "Association" means the Minnesota joint underwriting association.

Subd. 3. [COMMISSIONER.] "Commissioner" means the commissioner of commerce.

Subd. 4. [DIRECT WRITTEN PREMIUMS.] "Direct written premiums" means that amount at column (2), lines 5, 8, 9, 17, 21.2, 22, 23, 24, 25, 26, and 27, page 14, of the annual statement filed annually with the department of commerce pursuant to section 60A.13.

Subd. 5. [DEFICIT.] "Deficit" means, for a particular policy year, that amount by which total paid and outstanding losses and loss adjustment expenses exceed premium revenue, including retrospective premium revenue.

Subd. 6. [NET DIRECT PREMIUMS.] For purposes of liquor liability insurance, "net direct premiums" means gross direct premiums written on personal injury liability insurance, including the liability component of multiple peril package policies as computed by the commissioner, less return premiums for the unused or unabsorbed portions of premium deposits.

Subd. 7. [PERSONAL INJURY LIABILITY INSURANCE.] "Personal injury liability insurance" means insurance described in section 60A.06, subdivision 1, clause (13).

Sec. 47. Minnesota Statutes 1992, section 62I.07, is amended to read:

62I.07 [MEMBERSHIP ASSESSMENTS.]

Subdivision 1. [GENERAL ASSESSMENT.] Each member of the association that is authorized to write property and casualty insurance in the state shall participate in its losses and expenses in the proportion that the direct written premiums of the member on the kinds of insurance in that account bears to the total aggregate direct written premiums written in this state by all members on the kinds of insurance in that account. The members' participation in the association shall be determined annually on the direct written premiums written during the preceding calendar year as reported on the annual statements and other reports filed by the member with the commissioner.

Subd. 2. [PERSONAL INJURY LIABILITY INSURANCE ASSESSMENT.] A member of the association shall participate in its writings, expenses, servicing allowance, management fees, and losses in the proportion that the net direct premiums of the member, excluding that portion of premiums attributable to the operation of the association, written during the preceding calendar year on the kinds of insurance in that account bears to the aggregate net direct premiums written in this state by all members on the kinds of insurance in that account. The member's participation in the association

shall be determined annually on the basis of net direct premiums written during the preceding calendar year, as reported in the annual statements and other reports filed by the member with the commissioner.

Sec. 48. Minnesota Statutes 1992, section 62I.13, subdivision 1, is amended to read:

Subdivision 1. [GENERALLY.] *To be eligible to participate in the association, an applicant must apply for coverage through the market assistance program, as required by section 62I.08. Except as provided by subdivision 4, the market assistance program has 30 days from the receipt of the application to secure an offer of coverage for the applicant. If the market assistance program is able to secure an offer of coverage for the applicant and if the offer of coverage would not be considered a refusal for purposes of the association, then coverage may not be extended by the association. Eligibility for coverage by the association is also subject to the terms and conditions of subdivisions 2 and 3.*

Sec. 49. Minnesota Statutes 1992, section 62I.13; subdivision 2, is amended to read:

Subd. 2. [MINIMUM OF QUALIFICATIONS.] Anyone who is unable to obtain insurance in the private market and who so certifies to the association in the application is eligible to make written application to the association for coverage. Payment of the applicable premium or required portion of it must be paid prior to coverage by the association. An offer of coverage at a rate in excess of the rate that would be charged by the association for similar coverage and risk shall be deemed to be a refusal of coverage for purposes of eligibility for participation in the association. It shall not be deemed to be a written notice of refusal if the rate for coverage offered is less than five percent in excess of the joint underwriting association rates for similar coverage and risk or 20 percent in excess of the joint underwriting association rates for liquor liability coverages. However, the offered rate must also be the rate that the insurer has filed with the department of commerce if the insurer is required to file its rates with the department. If the insurer is not required to file its rates with the department, the offered rate must be the rate generally charged by the insurer for similar coverage and risk.

Sec. 50. Minnesota Statutes 1992, section 62I.20, is amended to read:

62I.20 [MERGER OF OTHER PLANS.]

Upon application by the governing body of ~~the liquor liability assigned risk plan authorized by section 340A.409~~ or the joint underwriting association authorized by chapter 62F to be merged with the association, the commissioner shall, if the commissioner deems it appropriate, hold a public hearing in regard to the merger. The commissioner upon motion or upon the motion of any insured under plans shall hold a hearing. Unless it can be shown that the rights of the insured would be adversely affected by the merger or that it would be less efficient or more costly to merge the plans, the commissioner shall consent to the merger. The commissioner shall also consent to the merger at any time there are less than ten insureds in any plan.

Sec. 51. Minnesota Statutes 1992, section 65A.01, subdivision 1, is amended to read:

Subdivision 1. [DESIGNATION AND SCOPE.] The printed form of a policy of fire insurance, as set forth in subdivisions 3 and 3a, shall be known

and designated as the "Minnesota standard fire insurance policy" to be used in the state of Minnesota. No policy or contract of fire insurance shall be made, issued or delivered by any insurer including reciprocals or interinsurance exchanges or any agent or representative thereof, on any property in this state, unless it shall provide the specified coverage and conform as to all provisions, stipulations, and conditions, with such form of policy, except as provided in ~~section~~ sections 60A.08, subdivision 9; 60A.30 to 60A.35; 65A.06; 65A.29; 72A.20, subdivision 17; and other statutes containing specific requirements that are inconsistent with the form of this policy. Any policy or contract otherwise subject to the provisions of this subdivision, subdivisions 3 and 3a which includes either on an unspecified basis as to coverage or for a single premium, coverage against the peril of fire and coverage against other perils may be issued without incorporating the exact language of the Minnesota standard fire insurance policy, provided: Such policy or contract shall, with respect to the peril of fire, afford the insured all the rights and benefits of the Minnesota standard fire insurance policy and such additional benefits as the policy provides; the provisions in relation to mortgagee interests and obligations in said Minnesota standard fire insurance policy shall be incorporated therein without change; such policy or contract is complete as to its terms of coverage; and, the commissioner is satisfied that such policy or contract complies with the provisions hereof.

Sec. 52. Minnesota Statutes 1992, section 65A.29, subdivision 7, is amended to read:

Subd. 7. [RENEWAL; NOTICE REQUIREMENT.] No insurer shall refuse to renew, or reduce limits of coverage, or eliminate any coverage in a homeowner's insurance policy unless it mails or delivers to the insured, at the address shown in the policy, at least 60 days advance notice of its intention. The notice must contain the specific underwriting or other reason or reasons for the indicated action.

Proof of mailing this notice to the insured at the address shown in the policy is sufficient proof that the notice required by this section has been given.

Sec. 53. Minnesota Statutes 1992, section 65B.49, subdivision 3, is amended to read:

Subd. 3. [RESIDUAL LIABILITY INSURANCE.] (1) Each plan of reparation security shall also contain stated limits of liability, exclusive of interest and costs, with respect to each vehicle for which coverage is thereby granted, of not less than \$30,000 because of bodily injury to one person in any one accident and, subject to said limit for one person, of not less than \$60,000 because of injury to two or more persons in any one accident, and, if the accident has resulted in injury to or destruction of property, of not less than \$10,000 because of such injury to or destruction of property of others in any one accident.

(2) Under residual liability insurance the reparation obligor shall be liable to pay, on behalf of the insured, sums which the insured is legally obligated to pay as damages because of bodily injury and property damage arising out of the ownership, maintenance or use of a motor vehicle if the injury or damage occurs within this state, the United States of America, its territories or possessions, or Canada. A reparation obligor shall also be liable to pay sums which another reparation obligor is entitled to recover under the indemnity provisions of section 65B.53, subdivision 1.

(3) Every plan of reparation security shall be subject to the following provisions which need not be contained therein:

(a) The liability of the reparation obligor with respect to the residual liability coverage required by this clause shall become absolute whenever injury or damage occurs; such liability may not be canceled or annulled by any agreement between the reparation obligor and the insured after the occurrence of the injury or damage; no statement made by the insured or on the insured's behalf and no violation of said policy shall defeat or void said policy.

(b) The satisfaction by the insured of a judgment for such injury or damage shall not be a condition precedent to the right or duty of the reparation obligor to make payment on account of such injury or damage.

(c) The reparation obligor shall have the right to settle any claim covered by the residual liability insurance policy, and if such settlement is made in good faith, the amount thereof shall be deductible from the limits of liability for the accident out of which such claim arose.

(d) Except as provided in subdivision 5a, a residual liability insurance policy shall be excess of a nonowned vehicle policy whether the nonowned vehicle is borrowed or rented, or used for business or pleasure. A nonowned vehicle is one not used or provided on a regular basis.

Sec. 54. Minnesota Statutes 1992, section 72A.20, subdivision 29; is amended to read:

Subd. 29. [HIV TESTS; CRIME VICTIMS.] No insurer regulated under chapter 61A or 62B, or providing health, medical, hospitalization, or accident and sickness insurance regulated under chapter 62A, or nonprofit health services corporation regulated under chapter 62C, health maintenance organization regulated under chapter 62D, or fraternal benefit society regulated under chapter 64B, may:

(1) obtain or use the performance of or the results of a test to determine the presence of the human immune deficiency virus (HIV) antibody performed on an offender under section 611A.19 or performed on a crime victim who was exposed to or had contact with an offender's bodily fluids during commission of a crime that was reported to law enforcement officials, in order to make an underwriting decision, cancel, fail to renew, or take any other action with respect to a policy, plan, certificate, or contract; or

(2) ask an applicant for coverage or a person already covered whether the person has: *(i) had a test performed for the reason set forth in clause (1); or (ii) been the victim of an assault or any other crime which involves bodily contact with the offender.*

A question that purports to require an answer that would provide information regarding a test performed for the reason set forth in clause (1) may be interpreted as excluding this test. An answer that does not mention the test is considered to be a truthful answer for all purposes. An authorization for the release of medical records for insurance purposes must specifically exclude any test performed for the purpose set forth in clause (1) and must be read as providing this exclusion regardless of whether the exclusion is expressly stated. This subdivision does not affect tests conducted for purposes other than those described in clause (1), *including any test to determine the presence of the human deficiency virus (HIV) antibody if such test was performed at the insurer's direction as part of the insurer's normal underwriting requirements.*

Sec. 55. Minnesota Statutes 1992, section 72A.20, is amended by adding a subdivision to read:

Subd. 30. [RECORDS RETENTION.] An insurer shall retain copies of all underwriting documents, policy forms, and applications for three years from the effective date of the policy. This subdivision does not relieve the insurer of its obligation to produce these documents to the department after the retention period has expired in connection with an enforcement action or administrative proceeding against the insurer from whom the documents are requested, if the insurer has retained the documents. Records required to be retained by this section may be retained in paper, photograph, microprocess, magnetic, mechanical, or electronic media, or by any process which accurately reproduces or forms a durable medium for the reproduction of a record.

Sec. 56. Minnesota Statutes 1992, section 72A.201, subdivision 9, is amended to read:

Subd. 9. [STANDARDS FOR COMMUNICATIONS WITH THE DEPARTMENT.] In addition to the acts specified elsewhere in this section and section 72A.20, the following acts by an insurer, adjuster, or a self-insured or self-insurance administrator constitute unfair settlement practices:

(1) failure to respond, within 15 working days after receipt of an inquiry from the commissioner, about a claim, to the commissioner;

(2) failure, upon request by the commissioner, to make specific claim files available to the commissioner;

(3) failure to include in the claim file all written communications and transactions emanating from, or received by, the insurer, as well as all notes and work papers relating to the claim. All written communications and notes referring to verbal communications must be dated by the insurer;

(4) failure to submit to the commissioner, when requested, any summary of complaint data reasonably required;

(5) failure to compile and maintain a file on all complaints. If the complaint deals with a loss, the file must contain adequate information so as to permit easy retrieval of the entire file. If the complaint alleges that the company, or agent of the company, or any agent producing business written by the company is engaged in any unfair, false, misleading, dishonest, fraudulent, untrustworthy, coercive, or financially irresponsible practice, or has violated any insurance law or rule, the file must indicate what investigation or action was taken by the company. The complaint file must be maintained for at least four years after the date of the complaint.

For purposes of clause (1) the term insurer includes an agent of the insurer. The insurer must have been sent a copy of any communication to an agent to be held in violation of this provision.

Sec. 57. Minnesota Statutes 1992, section 72A.41, subdivision 1, is amended to read:

Subdivision 1. It is unlawful for any company to enter into a contract of insurance as an insurer or to transact insurance business in this state, as set forth in subdivision 2, without a certificate of authority from the commissioner; provided that this subdivision does not apply to: (a) contracts of insurance procured by agents under the authority of sections 60A.195 to 60A.209; (b) contracts of reinsurance and contracts of ocean or wet marine

and transportation insurance; (c) transactions in this state involving a policy lawfully solicited, written and delivered outside of this state covering only subjects of insurance not resident, located, or expressly to be performed in this state at the time of issuance and which transactions are subsequent to the issuance of the policy; (d) ~~transactions in this state involving group or blanket insurance and group annuities where the master policy of such groups was lawfully issued and delivered in a state in which the company was authorized to do an insurance business where, except for group annuities, the insurer complies with section 72A.13. The commissioner may require the insurer which has issued such master policy to submit any information as the commissioner reasonably requires in order to determine if probable cause exists to convene a hearing to determine whether the total charges for the insurance to the persons insured are unreasonable in relation to the benefits provided under the policy;~~ (e) transactions in this state involving a policy of insurance or annuity issued prior to July 1, 1967; or ~~(f)~~ (e) contract of insurance procured under the authority of section 60A.19, subdivision 8; or ~~(g)~~ (f) transactions in this state involving contracts of insurance covering property or risks not located in this state.

Sec. 58. Minnesota Statutes 1992, section 72B.03, subdivision 1, is amended to read:

Subdivision 1. [REQUIREMENT; EXCEPTIONS.] Except as otherwise provided, no person shall act as an independent adjuster, public adjuster, or public adjuster solicitor for money, a commission, or any other thing of value, unless such person shall first obtain from the commissioner a license. No license shall be required for a person:

(a) Undergoing a training or education program under the guidance of a licensed adjuster and who is registered with the commissioner for a one year temporary permit;

(b) (1) a person acting in a catastrophe or emergency situation, and who has registered with the commissioner for that purpose;

(c) (2) a nonresident adjuster who occasionally is in this state to adjust a single loss; provided, however, that if a nonresident adjusts more than six losses in this state in one year the adjuster must qualify for and receive a nonresident's license as provided in sections 72B.01 to 72B.14, and provided the adjuster's domiciliary state affords a like privilege.

Sec. 59. Minnesota Statutes 1992, section 72B.04, subdivision 2, is amended to read:

Subd. 2. [QUALIFICATIONS.] An applicant for licensing as an adjuster under sections 72B.01 to 72B.14 shall be at least 18 years of age, and shall have one year's training and experience in adjusting insurance claims for damage or loss from risks in the field stated in the application. The applicant shall be competent and trustworthy and shall not have been engaged in any practice which would be grounds for suspension or revocation of a license under sections 72B.01 to 72B.14 within the three years next preceding the date of the application.

An applicant for licensing as a public adjuster solicitor under sections 72B.01 to 72B.14 shall be at least 18 years of age, shall be competent and trustworthy, and shall not have been engaged in any practice which would be

grounds for suspension or revocation of a license under sections 72B.01 to 72B.14 within the three years next preceding the date of the application.

In the case of any applicant who has been convicted of a felony within the ten years next preceding the date of the application, and who in the judgment of the commissioner, meets the other qualifications, the commissioner may impose the additional requirement of the filing of a bond in accordance with the requirements of section 72B.08, subdivision 8.

Sec. 60. Minnesota Statutes 1992, section 176.181, subdivision 2, is amended to read:

Subd. 2. [COMPULSORY INSURANCE; SELF-INSURERS.] (1) Every employer, except the state and its municipal subdivisions, liable under this chapter to pay compensation shall insure payment of compensation with some insurance carrier authorized to insure workers' compensation liability in this state, or obtain a written order from the commissioner of commerce exempting the employer from insuring liability for compensation and permitting self-insurance of the liability. The terms, conditions and requirements governing self-insurance shall be established by the commissioner pursuant to chapter 14. The commissioner of commerce shall also adopt, pursuant to clause (2)(c), rules permitting two or more employers, whether or not they are in the same industry, to enter into agreements to pool their liabilities under this chapter for the purpose of qualifying as group self-insurers. With the approval of the commissioner of commerce, any employer may exclude medical, chiropractic and hospital benefits as required by this chapter. An employer conducting distinct operations at different locations may either insure or self-insure the other portion of operations as a distinct and separate risk. An employer desiring to be exempted from insuring liability for compensation shall make application to the commissioner of commerce, showing financial ability to pay the compensation, whereupon by written order the commissioner of commerce, on deeming it proper, may make an exemption. An employer may establish financial ability to pay compensation by: (1) providing financial statements of the employer to the commissioner of commerce; or (2) filing a surety bond or bank letter of credit with the commissioner of commerce in an amount equal to the anticipated annual compensation costs of the employer, but in no event less than \$100,000. Upon ten days' written notice the commissioner of commerce may revoke the order granting an exemption, in which event the employer shall immediately insure the liability. As a condition for the granting of an exemption the commissioner of commerce may require the employer to furnish security the commissioner of commerce considers sufficient to insure payment of all claims under this chapter, consistent with subdivision 2b. If the required security is in the form of currency or negotiable bonds, the commissioner of commerce shall deposit it with the state treasurer. In the event of any default upon the part of a self-insurer to abide by any final order or decision of the commissioner of labor and industry directing and awarding payment of compensation and benefits to any employee or the dependents of any deceased employee, then upon at least ten days notice to the self-insurer, the commissioner of commerce may by written order to the state treasurer require the treasurer to sell the pledged and assigned securities or a part thereof necessary to pay the full amount of any such claim or award with interest thereon. This authority to sell may be exercised from time to time to satisfy any order or award of the commissioner of labor and industry or any judgment obtained thereon. When securities are sold the money obtained shall be deposited in the state treasury.

to the credit of the commissioner of commerce and awards made against any such self-insurer by the commissioner of commerce shall be paid to the persons entitled thereto by the state treasurer upon warrants prepared by the commissioner of commerce and approved by the commissioner of finance out of the proceeds of the sale of securities. Where the security is in the form of a surety bond or personal guaranty the commissioner of commerce, at any time, upon at least ten days notice and opportunity to be heard, may require the surety to pay the amount of the award, the payments to be enforced in like manner as the award may be enforced.

(2)(a) No association, corporation, partnership, sole proprietorship, trust or other business entity shall provide services in the design, establishment or administration of a group self-insurance plan under rules adopted pursuant to this subdivision unless it is licensed, *or exempt from licensure, pursuant to section 60A.23, subdivision 8*, to do so by the commissioner of commerce. An applicant for a license shall state in writing the type of activities it seeks authorization to engage in and the type of services it seeks authorization to provide. The license shall be granted only when the commissioner of commerce is satisfied that the entity possesses the necessary organization, background, expertise, and financial integrity to supply the services sought to be offered. The commissioner of commerce may issue a license subject to restrictions or limitations, including restrictions or limitations on the type of services which may be supplied or the activities which may be engaged in. The license is for a two-year period.

(b) To assure that group self-insurance plans are financially solvent, administered in a fair and capable fashion, and able to process claims and pay benefits in a prompt, fair and equitable manner, entities licensed to engage in such business are subject to supervision and examination by the commissioner of commerce.

(c) To carry out the purposes of this subdivision, the commissioner of commerce may promulgate administrative rules, including emergency rules, pursuant to sections 14.001 to 14.69. These rules may:

(i) establish reporting requirements for administrators of group self-insurance plans;

(ii) establish standards and guidelines consistent with subdivision 2b to assure the adequacy of the financing and administration of group self-insurance plans;

(iii) establish bonding requirements or other provisions assuring the financial integrity of entities administering group self-insurance plans;

(iv) establish standards, including but not limited to minimum terms of membership in self-insurance plans, as necessary to provide stability for those plans;

(v) establish standards or guidelines governing the formation, operation, administration, and dissolution of self-insurance plans; and

(vi) establish other reasonable requirements to further the purposes of this subdivision. *The rules may not require excessive cash payments to a common claims fund by group self-insurers. However, a level of funding in the common claims fund must always be maintained at not less than one year's claim losses paid in the most recent year.*

Sec. 61. Minnesota Statutes 1992, section 340A.409, subdivision 2, is amended to read:

Subd. 2. [MARKET ASSISTANCE.] The commissioner of commerce shall advise licensees and municipalities subject to the financial responsibility requirements of subdivision 1 of those persons offering insurance coverage. The commissioner of commerce shall establish a program to assist licensees in obtaining insurance coverage. The program shall include a committee appointed by the commissioner of commerce that is representative of insurance carriers and producers, liquor vendors, and the public. No less than one-half of the committee members shall represent casualty insurers and surplus lines agents or brokers. The commissioner of commerce or the commissioner's designated representative shall serve as an ex officio member of the committee. The committee shall review and act upon all properly executed applications. If the committee finds that it cannot assist in securing insurance coverage, it shall notify the applicant in writing with a full explanation and recommendation for enhancing its ability to secure insurance. The commissioner of commerce shall, if necessary, establish an assigned risk plan pursuant to subdivision 3. *The market assistance plan of the Minnesota joint underwriting association shall assist licensees in obtaining insurance coverage.*

Sec. 62. Minnesota Statutes 1992, section 340A.409, subdivision 3, is amended to read:

Subd. 3. [ASSIGNED RISK PLAN MINNESOTA JOINT UNDERWRITING ASSOCIATION.] (a) The purpose of the assigned risk plan is to *Minnesota joint underwriting association shall* provide coverage required by subdivision 1 to persons rejected under this subdivision.

(b) An insurer who offers liquor liability insurance that refuses to write the coverage required by subdivision 1 shall furnish the applicant with a written notice of refusal. The rejected applicant shall file a copy of the notice of refusal with the commissioner of public safety at the time of application for coverage to the assigned risk plan and the market assistance program.

A written notice of refusal must be provided to any applicant who has requested only liquor liability insurance if the insurer chooses to only offer liquor liability insurance in combination with other types of insurance.

A written notice of refusal must be provided by an insurer to any applicant who receives an offer of coverage from that insurer that is in excess of the rate charged by the assigned risk plan for similar coverage and risk. A notice is not required if the rate for the coverage offered is less than 20 percent in excess of the assigned risk plan rates, provided that the offered rate is the rate that the insurer has filed with the commissioner of commerce if the insurer is required to file its rates with the commissioner. If the insurer is not required to file its rates with the commissioner, the offered rate must be the rate generally charged by the insurer for similar coverage and risk.

A notice of refusal is not required to be filed if there is not an insurer offering liquor liability insurance in the state.

To be eligible to participate in the assigned risk plan an applicant must apply for coverage through the market assistance program. Application to the market assistance program must be made no later than the time of application

to the assigned risk plan. If the market assistance program is unable to secure coverage then coverage may be extended by the assigned risk plan.

(e) The commissioner of commerce may enter into service contracts as necessary or beneficial to accomplish the purposes of the assigned risk plan including servicing of policies or contracts of coverage, data management, and assessment collections. Services related to the administration of policies or contracts of coverages must be performed by one or more qualified insurance companies licensed pursuant to section 60A-06, subdivision 1, clause (13), or a qualified vendor of risk management services. A qualified insurer or vendor of risk management services must possess sufficient financial, professional, administrative, and personnel resources to provide the services required for operation of the plan. The cost of all services contracted for are an obligation of the assigned risk plan.

(4) The commissioner of commerce may assess all insurers licensed under section 60A-06, subdivision 1, clause (13), an amount sufficient to fully fund the obligations of the assigned risk plan if the commissioner determines that the assets of the assigned risk plan are insufficient to meet its obligations. The assessment of each insurer must be in a proportion equal to the proportion which the amount of insurance written as reported on page 14 of the annual statement under line 5, commercial multiperil, and line 17, other liability, during the preceding calendar year by that insurer bears to the total written by all such entities for such lines.

(e) Policies and contracts of coverage issued under this subdivision must contain the usual and customary provisions of liability insurance policies, and must contain at least the minimum coverage required by subdivision 1 or the local governing unit.

(4) Assigned risk policies and contracts of coverage are subject to premium tax pursuant to section 60A-15.

(g) Insureds served by the assigned risk plan must be charged premiums based upon a rating plan approved by the commissioner of commerce. Assigned risk premiums must be on an actuarially sound basis. The rating plan approved by the commissioner shall provide for surcharge factors based upon claims reported and losses paid. The commissioner of commerce shall fix the compensation received by the agent of record.

(h) The rating plan may be amended by rule pursuant to chapter 14 or by the following expedited procedure:

(1) Any person may, by written petition served upon the commissioner, request that a hearing be held to amend the rating plan.

(2) The commissioner shall forward a copy of the petition to the chief administrative law judge within three business days of its receipt. The chief administrative law judge shall, within three business days of receipt of the copy of the petition or a request for a hearing by the commissioner, set a hearing date, assign an administrative law judge to hear the matter and notify the commissioner of the hearing date and the administrative law judge assigned to hear the matter. The hearing date must be set no less than 60 days nor more than 90 days from the date of receipt of the petition by the commissioner.

(3) The commissioner of commerce shall publish a notice of the hearing in the State Register at least 30 days before the hearing date. The notice should

be similar to that used for rulemaking under the administrative procedure act. Approval by the administrative law judge of the notice prior to publication is not required.

(4) The hearing and all matters taking place after the hearing are a contested case under chapter 14. Within 45 days from the commencement of the hearing and within 15 days of the completion of the hearing the administrative law judge shall submit a report to the commissioner of commerce. The parties, or the administrative law judge, if the parties cannot agree, shall adjust all time requirements under the contested case procedure to conform with the 45-day requirement.

(5) The commissioner shall render a decision within ten business days of the receipt of the administrative law judge's report.

(6) If all parties to the proceeding agree, any of the previous requirements may be waived or modified.

(7) A petition for a hearing to amend the rating plan received by the commissioner within 180 days of the date of the commissioner's decision in a prior proceeding to amend the rating plan is invalid and requires no action:

(a) A liquor vendor shall be denied or terminated from coverage through the assigned risk plan *Minnesota joint underwriting association* if the liquor vendor disregards safety standards, laws, rules, or ordinances pertaining to the offer, sale, or other distribution of liquor.

The commissioner may by rule establish other conditions for denial or termination from coverage through the assigned risk plan.

(b) The commissioner of commerce shall adopt rules needed to implement this subdivision. The rules may include:

(1) appeal procedures from actions of the assigned risk plan;

(2) formation of an advisory committee composed of insurers, vendors of risk management services and licensees, to advise the commissioner of commerce regarding operation of the plan; and

(3) applicable rating plans and rating standards.

Sec. 63. [LIQUOR LIABILITY ASSIGNED RISK PLAN OBLIGATIONS AND LIABILITIES.]

The Minnesota joint underwriting association shall assume the obligations of existing contracts and existing liabilities of the liquor liability assigned risk plan.

(a) *The revisor shall recodify Minnesota Statutes, section 72A.20, subdivision 4a, as section 72A.201, subdivision 4a.*

(b) *The revisor shall recodify Minnesota Statutes, section 60A.30 as section 60A.351 and section 60A.31 as section 60A.352 and correct internal references in Minnesota Statutes and Minnesota Rules.*

(7) receives an annual volume of waste disposal that does not exceed 1993 levels by more than five percent or serves only the host county.

Subd. 3. [DEFINITION; UNPROCESSED.] (a) For the purpose of this section, waste is "unprocessed" if it has not, after collection and before disposal, undergone separation of materials for resource recovery through recycling, incineration for energy production, production and use of refuse-derived fuel, composting, or any combination of these processes so that the percentage, by weight, of the collected waste that must be disposed of in a

mixed municipal solid waste disposal facility, on an annual average, is not more than:

If an animal is maintained in an outdoor confinement area, that space must contain a shelter that complies with section 343.40. If an animal is maintained in a confinement area within a housing facility used primarily to house animals, the confinement area must provide sufficient space to allow each animal to turn around freely and to easily stand, sit, and lie in a normal position. Each confined animal must be provided a minimum square footage of floor space as measured from the tip of its nose to the base of its tail, plus 25 percent, expressed in square feet. The formula for computing minimum square footage is: (length of animal in inches plus 25 percent) times (length of animal in inches plus 25 percent) divided by 144.

Subd. 5. [CONFINEMENT AND EXERCISE AREA SURFACES.] The interior surfaces of all indoor confinement and exercise areas, including crates or containers, must be constructed and maintained so that they are impermeable and may be readily cleaned. Confinement area flooring must be constructed of nonabrasive wire of ten gauge or larger or smooth, durable, impermeable material suitable for animals. Sufficient space or barrier must be provided between confinement areas to ensure that no liquid or solid waste, water, or food passes from one confinement area to the other. Confinement areas must be ventilated sufficiently to allow for the free movement of air in and around the confinement area. Confinement areas must protect the animal from injury and be kept in good repair. All outdoor confinement area flooring must be impermeable material or well drained aggregate. Each animal must be provided with a raised solid resting surface of appropriate size to allow the animal to lie down comfortably.

Subd. 6. [EXERCISE.] All animals must be provided the opportunity for exercise at least twice per day. An indoor or outdoor exercise area of at least 72 square feet must be provided. If more than three animals use an area simultaneously, space must be increased to allow sufficient room for each animal to exercise freely. A shaded area must be provided sufficient to protect the animal from the direct rays of the sun at all times during the months of May to October.

Subd. 7. [GROUP HOUSING AND BREEDING.] Animals housed together must be kept in compatible groups. Animals must not be bred so as to endanger their health. Health is endangered if a female is bred more than three times in two years. A female animal younger than 18 months may not be bred. A female animal over eight years old may not be bred unless individually authorized in writing by a veterinarian.

Subd. 8. [TEMPERATURE.] Indoor housing facilities for animals must be maintained at an ambient temperature of not less than 50 degrees Fahrenheit at floor level. Heating and cooling units must be of a type and installation approved by applicable building or safety codes. Infrared heating devices may not be used as a primary heating source.

Subd. 9. [VENTILATION.] Housing facilities must be ventilated. Auxiliary ventilation, such as exhaust fans, vents, air conditioning, or a combination of them, must be used when the ambient temperature exceeds 85 degrees Fahrenheit at floor level. Facilities used primarily to house animals must be equipped with an air exchange or air purification system that fully exchanges or purifies the air at least four times per hour. This system must be of a type and installation approved by applicable building or safety codes.

Subd. 10. [LIGHTING.] Housing facilities must have at least eight hours of illumination at a minimum of 25 foot candles 30 inches above floor level. Ample lighting, by natural or artificial means must be uniformly distributed. The lighting must be provided in a regular diurnal cycle. Confinement areas must be placed to avoid exposure of animals to excessive light.

Subd. 11. [DRAINAGE.] A suitable method must be used to eliminate excess fluids from confinement areas. All feces must be removed and disposed of daily. All waste drainage and waste material must be disposed of using a method prescribed by applicable building or health codes.

Subd. 12. [SANITATION.] Food and water receptacles must be accessible to each animal and located so as to prevent contamination by excreta. Opened food bags must be stored in plastic or metal cans with tight fitting lids. Feeding and water receptacles must be kept free of contaminants. Disposable foods receptacles must be discarded when soiled.

Confinement areas must be thoroughly cleaned daily and impervious surfaces treated with disinfectant at least once per week. Animals must be removed from an area while the area is being treated with disinfectant and animals must not be returned to that area until the area is dry.

Animals with infectious or contagious diseases must be isolated from healthy animals. Caretakers must disinfect their hands and shoes after handling animals with infectious or contagious diseases.

Bedding, if used, must be kept clean and dry. Outdoor confinement and exercise areas must be kept clean and base material replaced as necessary.

Each cat confinement area must be provided with a container for elimination. This container must be constructed so it is impervious to moisture and may be readily cleaned. The container must contain absorbent material suitable for use by cats. The container must be cleaned daily and absorbent material removed and replaced at least once per week.

Subd. 13. [FEMALES AND LITTERS.] Females and litters must be provided a separate confinement area of a size that complies with this section. Healthy litters must remain with their mother at least five weeks, unless rejected or endangered by their mother or the mother's health is endangered by its litter. No animal may be sold or given away before the age of eight weeks, except the entire litter and the mother may be sold or given away together before the litter is eight weeks old.

The ambient temperature of the confinement area must be maintained at a minimum of 70 degrees Fahrenheit at floor level and a maximum of 90 degrees Fahrenheit for animals under seven weeks of age unless authorized in writing by a veterinarian. The litter must be provided fresh, clean water at all times and fresh food in amounts and at frequency appropriate for age and species.

Litters must be provided socialization and exercise. Socialization must include physical contact with other animals of like species and human beings.

No pet dealer who is not the breeder of the animal may be in possession of an animal that is under the age of eight weeks.

Subd. 14. [TRANSPORTATION AND SHIPMENT.] An animal may not be delivered or held for transport in commerce more than four hours before the scheduled departure time of the primary conveyance on which the animal is to be transported. No animal may be shipped on consignment. Shippers must provide the carriers or intermediate handlers with the name, address, and telephone number of the receiver, shipper's name, address, telephone number, tag or tattoo number of the animals, and time and date the animal was last fed and watered. All shippers must securely attach to the outside of the shipping container written instructions for the in-transit food and water requirements.

No one may transport or cause to be transported into, out of, or within the state for purposes of resale any animal under eight weeks of age, unless the entire litter and the mother are being transported together for resale.

If animals are transported in containers, the containers must be constructed of nonabrasive wire or a smooth, durable material suitable for animals. Floors must be smooth, impermeable material with grating of smooth wire of ten gauge or larger. Containers must be provided with barriers so as to ensure that no liquid or solid waste, water, or food passes from one confinement area to another. Containers must be clean, adequately ventilated, contain sufficient space to allow the animals to stand up, lie down, and turn around and provide maximum safety and protection to the animals. If more than a single animal is transported in one container, each animal must be provided sufficient space to stand up, lie down, and turn around.

Animals must be maintained in compatible groups. No more than two animals may be transported in the same container. Female animals in estrus may not be transported in the same container with any male.

Food and water receptacles must be securely attached inside the container and placed so that the receptacle can be filled from outside the container without opening the door. Animals over the age of 20 weeks must be offered food at least once every 24 hours. Animals under the age of 20 weeks must be offered food at least once every 12 hours. Each animal must be offered clean, fresh, potable water, provided in a sanitary manner, at least once every eight hours.

Exercise must be provided at least once every eight hours, or at suitable intervals in relation to food and water consumption.

Subd. 15. [FIRE SAFETY.] Smoke detectors must be installed in a housing facility at a frequency prescribed by applicable fire code. Fire extinguishers containing substances nontoxic to animals must be readily available.

Subd. 16. [PENALTIES.] A violation of this section is a misdemeanor. A violation of each subdivision is a separate violation. Before prosecution of a violation of subdivision 5, 8, 9, 10, 11, 12, or 15 may be initiated, an animal control officer or peace officer must give written notice to a breeder, owner, or pet dealer that a probable violation exists, and that the probable violation must be corrected within seven days or the probable violation will be referred to the appropriate prosecuting authority. Prosecution may be initiated by the prosecuting authority for a violation of subdivision 5, 8, 9, 10, 11, 12, or 15

if the violation continues more than seven days after receipt of the notice of probable violation.

Subd. 17. [ENFORCEMENT.] The enforcement provisions in chapter 343 also apply to sections 2 and 3.

Sec. 4. [EFFECTIVE DATE.]

Sections 2 and 3 are effective 180 days following final enactment."

A health plan company may appeal a denial of its proposed premium rate by mailing to the commissioner of health or the commissioner of commerce, as applicable, a written notice of appeal within 30 days from the date that the denial was mailed. The contested case and judicial review provisions of chapter 14 apply to the appeal.

(d) Health plan companies, except those licensed under chapter 60A to sell accident and sickness insurance under chapter 62A, shall annually before the end of the fourth fiscal quarter provide to the commissioner of health or commerce, as applicable, a projection of the level of reserves the company expects to attain during each quarter of the following fiscal year. These health plan companies shall submit with required quarterly financial statements a calculation of the actual reserve level attained by the company at the end of each quarter including identification of the sources of any significant changes in the reserve level and an updated projection of the level of reserves the health plan company expects to attain by the end of the fiscal year. In cases where the health plan company has been given a certificate to operate a new health maintenance organization under chapter 62D, or been licensed as an integrated service network or community integrated service network under chapter 62N, or formed an affiliation with one of these organizations, the health plan company shall also submit with its quarterly financial statement, total enrollment at the beginning and end of the quarter and enrollment changes within each service area of the new organization. The reserve calculations shall be maintained by the commissioners as trade secret information, except to the extent that such information is also required to be filed by another provision of state law and is not treated as trade secret information under such other provisions.

(e) Health plan companies in paragraph (d) whose reserves are less than the required minimum or more than the required maximum at the end of the fiscal year shall submit a plan of corrective action to the commissioner of health or commerce under subdivision 7.

(f) The commissioner of commerce, in consultation with the commissioner of health, shall report to the legislature no later than January 15, 1995, as to whether the concept of a reserve corridor or other mechanism for purposes of monitoring reserves is adaptable for use with indemnity health insurers that do business in multiple states and that must comply with their domiciliary state's reserves requirements."

The plan of correction may propose premium refunds, credits for prior premiums paid, policyholder dividends, or any combination of these or other methods which will benefit enrollees and/or Minnesota residents and are such that the reserve requirements can reasonably be expected to be met. The commissioner's evaluation of the plan of correction must consider:

If such a plan is not approved by the applicable commissioner, the applicable commissioner shall enter an order stating the steps that the health plan company must take to come into compliance. Within 30 days of the date of such order, the health plan company must file a notice of appeal with the applicable commissioner or comply with the commissioner's order. If an appeal is filed, such appeal is governed by chapter 14.

"Sec. 39. [97A.0451] [AUTHORITY FOR USE OF EMERGENCY RULES PROCEDURE; EXPIRATION OF AUTHORITY.]

Subdivision 1. [WHEN TO USE EMERGENCY RULEMAKING.] When the commissioner is directed by statute, federal law, or court order to adopt, amend, suspend, or repeal a rule in a manner that does not allow for compliance with sections 14.14 to 14.28, or if the commissioner is expressly required or authorized by statute to adopt emergency rules, the commissioner shall adopt emergency rules in accordance with sections 97A.0451 to 97A.0459.

Subd. 2. [180-DAY TIME LIMIT.] Unless the commissioner is directed by federal law or court order to adopt, amend, suspend, or repeal a rule in a manner that does not allow for compliance with sections 97A.0451 to 97A.0459, the commissioner may not adopt an emergency rule later than 180 days after the effective date of the statutory authority, except as provided in section 84.027, subdivision 12. If emergency rules are not adopted within the time allowed, the authority for the rules expires. The time limit of this section does not include any days used for review by the attorney general. If the 180-day period expires while the attorney general is reviewing the rule and the attorney general disapproves the rule, the commissioner may resubmit the rule to the attorney general after taking corrective action. The resubmission must occur within five working days after the commissioner receives written notice of disapproval. If the rule is again disapproved by the attorney general, it is withdrawn.

Sec. 40. [97A.0452] [NOTICE OF PROPOSED ADOPTION OF EMERGENCY RULE.]

The proposed emergency rule must be published with a notice of intent to adopt emergency rules in the State Register, and the same notice must be mailed to all persons registered with the commissioner to receive notice of any rulemaking proceedings. The notice must include a statement advising the public that a free copy of the proposed rule is available on request from the commissioner and that notice of the date of submission of the proposed emergency rule to the attorney general will be mailed to any person requesting to receive the notice. For at least 25 days after publication the commissioner shall afford all interested persons an opportunity to submit data and views on the proposed emergency rule in writing. The notice must also include the date on which the 25-day comment period ends.

Sec. 41. [97A.0453] [NOTICE TO COMMITTEES FOR FEES FIXED BY RULE.]

Before the commissioner submits notice to the State Register of intent to adopt emergency rules that establish or adjust fees, the commissioner shall comply with section 16A.128, subdivision 2a.

Sec. 42. [97A.0454] [MODIFICATIONS OF PROPOSED EMERGENCY RULE.]

The proposed emergency rule may be modified if the modifications are supported by the data and views submitted to the commissioner.

Sec. 43. [97A.0455] [SUBMISSION OF PROPOSED EMERGENCY RULE TO ATTORNEY GENERAL.]

Subdivision 1. [SUBMISSION.] The commissioner shall submit to the attorney general the proposed emergency rule as published, with any modifications. On the same day that it is submitted, the commissioner shall mail notice of the submission to all persons who requested to be informed that the proposed emergency rule has been submitted to the attorney general. If the proposed emergency rule has been modified, the notice must state that fact, and must state that a free copy of the proposed emergency rule, as modified, is available upon request from the commissioner.

Subd. 2. [REVIEW.] The attorney general shall review the proposed emergency rule as to its legality, review its form to the extent the form relates to legality, and shall approve or disapprove the proposed emergency rule and any modifications on the tenth working day following the date of receipt of the proposed emergency rule from the commissioner. The attorney general shall send a statement of reasons for disapproval of the rule to the commissioner, the chief administrative law judge, the legislative commission to review administrative rules, and to the revisor of statutes.

The attorney general shall disregard any error or defect in the proceeding due to the commissioner's failure to satisfy any procedural requirement imposed by law or rule if the attorney general finds:

(1) that the failure did not deprive any person or entity of an opportunity to participate meaningfully in the rulemaking process; or

(2) that the commissioner has taken corrective action to cure the error or defect so that the failure did not deprive any person or entity of an opportunity to participate meaningfully in the rulemaking process.

Subd. 3. [COSTS.] The attorney general shall assess the commissioner for the actual cost of processing rules under this section. The commissioner shall include in the department's budget money to pay the attorney general's assessment. Receipts from the assessment must be deposited in the state treasury and credited to the general fund.

Sec. 44. [97A.0456] [EFFECTIVE DATE OF EMERGENCY RULE.]

The emergency rule takes effect five working days after approval by the attorney general. The attorney general shall file two copies of the approved emergency rule with the secretary of state. The secretary of state shall forward one copy of each approved and filed emergency rule to the revisor of statutes. Failure of the attorney general to approve or disapprove a proposed emergency rule within ten working days is approval.

Sec. 45. [97A.0457] [PUBLICATION OF APPROVAL.]

As soon as practicable, notice of the attorney general's decision must be published in the State Register and the adopted rule must be published in the manner as provided for adopted rules in section 14.18.

Sec. 46. [97A.0458] [EFFECTIVE PERIOD OF EMERGENCY RULE.]

Emergency rules adopted under sections 97A.0451 to 97A.0459 shall be effective for the period stated in the notice of intent to adopt emergency rules which may not be longer than 180 days. The emergency rules may be continued in effect for an additional period of up to 180 days if the commissioner gives notice of continuation by publishing notice in the State Register and mailing the same notice to all persons registered with the commissioner to receive notice of any rulemaking proceedings. The continuation is not effective until these notices have been mailed. No emergency rule may remain in effect on a date 361 days after its original effective date. The emergency rules may not be continued in effect after 360 days without following the procedure of sections 14.14 to 14.28.

Sec. 47. [97A.0459] [APPROVAL OF FORM OF EMERGENCY RULE.]

No approved emergency rule shall be filed with the secretary of state or published in the State Register unless the revisor of statutes has certified that the emergency rule's form is approved."

If the decedent is not known, the examiner shall establish a means of identifying the property of the decedent with the unknown decedent and shall deposit the net proceeds of the sale with the county administrator, or a designee, so, that, if the unknown decedent's identity is established within six years, the proceeds can be properly distributed. Section 1. Minnesota Statutes 1993 Supplement, section 260.221, subdivision 1, is amended to read:

Subdivision 1. [VOLUNTARY AND INVOLUNTARY.] The juvenile court may upon petition, terminate all rights of a parent to a child in the following cases:

(a) With the written consent of a parent who for good cause desires to terminate parental rights; or

(b) If it finds that one or more of the following conditions exist:

(1) That the parent has abandoned the child. Abandonment is presumed when:

(i) the parent has had no contact with the child on a regular basis and no demonstrated, consistent interest in the child's well-being for six months; and

(ii) the social service agency has made reasonable efforts to facilitate contact, unless the parent establishes that an extreme financial or physical hardship or treatment for mental disability or chemical dependency or other good cause prevented the parent from making contact with the child. This presumption does not apply to children whose custody has been determined under chapter 257 or 518. The court is not prohibited from finding abandonment in the absence of this presumption; ~~or~~

(2) That the parent has substantially, continuously, or repeatedly refused or neglected to comply with the duties imposed upon that parent by the parent

and child relationship, including but not limited to providing the child with necessary food, clothing, shelter, education, and other care and control necessary for the child's physical, mental, or emotional health and development, if the parent is physically and financially able, and reasonable efforts by the social service agency have failed to correct the conditions that formed the basis of the petition; or

(3) That a parent has been ordered to contribute to the support of the child or financially aid in the child's birth and has continuously failed to do so without good cause. This clause shall not be construed to state a grounds for termination of parental rights of a noncustodial parent if that parent has not been ordered to or cannot financially contribute to the support of the child or aid in the child's birth; or

(4) That a parent is palpably unfit to be a party to the parent and child relationship because of a consistent pattern of specific conduct before the child or of specific conditions directly relating to the parent and child relationship either of which are determined by the court to be of a duration or nature that renders the parent unable, for the reasonably foreseeable future, to care appropriately for the ongoing physical, mental, or emotional needs of the child. It is presumed that a parent is palpably unfit to be a party to the parent and child relationship upon a showing that:

(i) the child was adjudicated in need of protection or services due to circumstances described in section 260.015, subdivision 2a, clause (1), (2), (3), (5), or (8); and

(ii) within the three-year period immediately prior to that adjudication, the parent's parental rights to one or more other children were involuntarily terminated under clause (1), (2), (4), or (7) of this paragraph, or under clause (5) of this paragraph if the child was initially determined to be in need of protection or services due to circumstances described in section 260.015, subdivision 2a, clause (1), (2), (3), (5), or (8); or

(5) That following upon a determination of neglect or dependency, or of a child's need for protection or services, reasonable efforts, under the direction of the court, have failed to correct the conditions leading to the determination. It is presumed that reasonable efforts under this clause have failed upon a showing that:

(i) a child under the age of 12 has resided out of the parental home under court order for more than one year following an adjudication of dependency, neglect, need for protection or services under section 260.015, subdivision 2a, clause (1), (2), (6), (8), or (9), or neglected and in foster care, and an order for disposition under section 260.191, including adoption of the case plan required by section 257.071;

(ii) conditions leading to the determination will not be corrected within the reasonably foreseeable future; and

(iii) reasonable efforts have been made by the social service agency to rehabilitate the parent and reunite the family.

This clause does not prohibit the termination of parental rights prior to one year after a child has been placed out of the home.

It is also presumed that reasonable efforts have failed under this clause upon a showing that:

(i) the parent has been diagnosed as chemically dependent by a professional certified to make the diagnosis;

(ii) the parent has been required by a case plan to participate in a chemical dependency treatment program;

(iii) the treatment programs offered to the parent were culturally, linguistically, and clinically appropriate;

(iv) the parent has either failed two or more times to successfully complete a treatment program or has refused at two or more separate meetings with a caseworker to participate in a treatment program; and

(v) the parent continues to abuse chemicals.

Provided, that this presumption applies only to parents required by a case plan to participate in a chemical dependency treatment program on or after July 1, 1990; ~~or~~

The term includes devices that produce a chemical reaction that produces gas capable of bursting its container and producing destructive effects.

The term does not include a manufactured device or article in common use by the general public that is designed to produce combustion for a lawful purpose, including but not limited to matches, lighters, flares, or devices commercially manufactured primarily for the purpose of illumination, heating, or cooking.

Subdivision 1. [SUPERVISION OVER CORRECTIONAL INSTITUTIONS.] (1) The commissioner of corrections shall inspect and license all correctional facilities throughout the state, whether public or private, established and operated for the detention and confinement of persons detained or

confined therein according to law except to the extent that they are inspected or licensed by other state regulating agencies. The commissioner shall promulgate pursuant to chapter 14, rules establishing minimum standards for these facilities with respect to their management, operation, physical condition, and the security, safety, health, treatment, and discipline of persons detained or confined therein. Commencing September 1, 1980, no individual, corporation, partnership, voluntary association, or other private organization legally responsible for the operation of a correctional facility may operate the facility unless licensed by the commissioner of corrections. The commissioner shall ~~annually~~ review the correctional facilities described in this subdivision *at least once every biennium*, except as otherwise provided herein, to determine compliance with the minimum standards established pursuant to this subdivision. The commissioner shall grant a license to any facility found to conform to minimum standards or to any facility which, in the commissioner's judgment, is making satisfactory progress toward substantial conformity and the interests and well-being of the persons detained or confined therein are protected. *The commissioner may grant licensure up to two years.* The commissioner shall have access to the buildings, grounds, books, records, staff, and to persons detained or confined in these facilities. The commissioner may require the officers in charge of these facilities to furnish all information and statistics the commissioner deems necessary, at a time and place designated by the commissioner. The commissioner may require that any or all such information be provided through the department of corrections detention information system.

(2) Any state agency which regulates, inspects, or licenses certain aspects of correctional facilities shall, insofar as is possible, ensure that the minimum standards it requires are substantially the same as those required by other state agencies which regulate, inspect, or license the same aspects of similar types of correctional facilities, although at different correctional facilities.

(3) Nothing in this section shall be construed to limit the commissioner of corrections' authority to promulgate rules establishing standards of eligibility for counties to receive funds under sections 401.01 to 401.16, or to require counties to comply with operating standards the commissioner establishes as a condition precedent for counties to receive that funding.

(4) When the commissioner finds that any facility described in clause (1), except foster care facilities for delinquent children and youth as provided in subdivision 2, does not substantially conform to the minimum standards established by the commissioner and is not making satisfactory progress toward substantial conformance, the commissioner shall promptly notify the chief executive officer and the governing board of the facility of the deficiencies and order that they be remedied within a reasonable period of time. The commissioner may by written order restrict the use of any facility which does not substantially conform to minimum standards to prohibit the detention of any person therein for more than 72 hours at one time. When, after due notice and hearing, the commissioner finds that any facility described in this subdivision, except county jails and lockups as provided in sections 641.26, 642.10, and 642.11, does not conform to minimum standards, or is not making satisfactory progress toward substantial compliance therewith, the commissioner may issue an order revoking the license of that facility. After revocation of its license, that facility shall not be used until its license is renewed. When the commissioner is satisfied that satisfactory progress towards substantial compliance with minimum standard is being made, the

commissioner may, at the request of the appropriate officials of the affected facility supported by a written schedule for compliance, grant an extension of time for a period not to exceed one year.

(5) As used in this subdivision, "correctional facility" means any facility, including a group home, having a residential component, the primary purpose of which is to serve persons placed therein by a court, court services department, parole authority, or other correctional agency having dispositional power over persons charged with, convicted, or adjudicated to be guilty or delinquent.

The commissioner may grant licensure up to two years.~~ Each such facility shall cooperate with the commissioner to make available all facts regarding its operation and services as the commissioner requires to determine its conformance to standards and its competence to give the services needed and which purports to give.
