(b) The commissioner of revenue shall prescribe the form of the notice.

(c) The notice must inform taxpayers that it contains the amount of property taxes each taxing authority other than a town proposes to collect for taxes payable the following year and, for a town, the amount of its final levy. It must clearly state that each taxing authority, including regional library districts established under section 134.201, and including the metropolitan taxing districts as defined in paragraph (i), but excluding all other special taxing districts and towns, will hold a public meeting to receive public testimony on the proposed budget and proposed or final property tax levy, or, in case of a school district, on the current budget and proposed property tax levy. It must clearly state the time and place of each taxing authority's meeting and an address where comments will be received by mail. For 1993, the notice must clearly state that each taxing authority holding a public meeting will describe the increases or decreases of the total budget, including employee and independent contractor compensation in the prior year, current year, and the proposed budget year.

(d) The notice must state for each parcel:

(1) the market value of the property as determined under section 273.11, and used for computing property taxes payable in the following year and for taxes payable in the current year; and, in the case of residential property, whether the property is classified as homestead or nonhomestead. (3) the increase or decrease in the amounts in clause (2) from taxes payable in the current year to proposed or, for a town, final taxes payable the following year, expressed as a dollar amount and as a percentage.

(e) The notice must clearly state that the proposed or final taxes do not include the following:

(1) special assessments;

(2) levies approved by the voters after the date the proposed taxes are certified, including bond referenda, school district levy referenda, and levy limit increase referenda;

(6) the contamination tax imposed on properties which received market value reductions for contamination.

(f) Except as provided in subdivision 7, failure of the county auditor to prepare or the county treasurer to deliver the notice as required in this section does not invalidate the proposed or final tax levy or the taxes payable pursuant to the tax levy.

The notice must be mailed or posted by the taxpayer by November 27 or within three days of receipt of the notice, whichever is later. A taxpayer may notify the county treasurer of the address of the taxpayer, agent, caretaker, or manager of the premises to which the notice must be mailed in order to fulfill the requirements of this paragraph.

The commissioner of finance may establish a quarterly or other schedule providing for more frequent payments to the transit assistance fund if the commissioner determines it is necessary or desirable to provide for the cash flow needs of the recipients of money from the transit assistance fund.

(b) Twenty-five percent of the money collected and received under this chapter after June 30, 1990, and before July 1, 1991, must be transferred to the highway user tax distribution fund and the transit assistance fund for apportionment as follows: 75 percent must be transferred to the highway user tax distribution fund for apportionment in the same manner and for the same purposes as other money in that fund, and the remaining 25 percent of the money must be transferred to the transit assistance fund to be appropriated to the commissioner of transportation for transit assistance within the state and to the ~~regional transit board~~ metropolitan council.

The commissioner shall then reduce the amount transferred to the highway user tax distribution fund by the amount of that estimate. The commissioner shall reduce the estimate for any six-month period by the amount by which the estimate for the previous six-month period exceeded the amount needed to fund the appropriation under section 41A.09, subdivision 1, for that previous six-month period. If at any time during a six-month period in those fiscal years the amount of reduction in the transfer to the highway user tax distribution fund is insufficient to fund the appropriation under section 41A.09, subdivision 1 for that period, the commissioner shall transfer to the general fund from the highway user tax distribution fund an additional amount sufficient to fund the appropriation for that period, but the additional amount so transferred to the general fund in a six-month period may not exceed the amount transferred to the highway user tax distribution fund for that six-month period.

employed on July 1, 1978, by a labor organization which is the exclusive bargaining agent representing employees of the transit operating division shall cease to be members of the *former* metropolitan transit commission-transit operating employees retirement fund and shall cease to have any accrual of service credit, rights, or benefits under that retirement fund. After July 1, 1978, those employees become members of the Minnesota state retirement system, are considered state employees for purposes of this chapter, unless specifically excluded by section 352.01, subdivision 2b, and shall have past service with the transit operating division of the *former* metropolitan transit commission credited by the Minnesota state retirement system in accordance with section 352.01, subdivision 11, clause (10). The required reserves for retirement annuities, disability benefits, and optional joint and survivor annuities in effect on June 30, 1978, and the required reserves for the increase in annuities and benefits provided under subdivision 6 must be determined using a five percent interest assumption and the applicable Minnesota state retirement system mortality table and shall be transferred by the Minnesota state retirement system to the Minnesota postretirement investment fund on July 1, 1978, but shall be considered transferred as of June 30, 1978. The annuity or benefit amount in effect on July 1, 1978, including the increase granted under subdivision 6, must be used for adjustments made under section 11A.18. For persons receiving benefits as survivors of deceased former retirement annuitants, the benefits must be considered as having commenced on the date on which the retirement annuitant began receiving the retirement annuity.

The deferred retirement annuity of any person to whom this subdivision applies must be augmented. The required reserves applicable to the deferred retirement annuity, determined as of the date the allowance begins to accrue using an appropriate mortality table and an interest assumption of five percent, must be augmented by interest at the rate of five percent per year compounded annually from January 1, 1978, to January 1, 1981, and three percent per year compounded annually from January 1, 1981, to the first day of the month in which the annuity begins to accrue. Upon the commencement of the retirement annuity, the required reserves for the annuity must be transferred to the Minnesota postretirement investment fund in accordance with subdivision 2 and section 352.119. On applying for a retirement annuity under this subdivision, the person is entitled to elect a joint and survivor optional annuity under section 352.116, subdivision 3.

Notwithstanding section 356.18, increases in payments under this subdivision must be made automatically unless the intended recipient files written notice with the executive director of the Minnesota state retirement system requesting that the increase not be made. If any actuarial reduction or adjustment was applied to the retirement allowance or annuity, disability benefit, survivorship annuity, or survivor of deceased active employee benefit, the increase specified in this subdivision must be similarly reduced or adjusted. Upon the death of any person receiving an annuity or benefit if the person elected a joint and survivor optional annuity the survivor is entitled to the continued receipt of the increase provided for under this subdivision, but the increase must be reduced or adjusted in accordance with the optional annuity election.

The provisions of this subdivision do not apply to the property of any common carrier railroad or common carrier railroads. The consent of the public agency in charge of such state highway or other public highway or roadway or appurtenance is not required; except that if the ~~commission~~ *council* seeks to use a designated parkway for regular route service in the city of Minneapolis, it must obtain permission from and is subject to reasonable limitations imposed by a joint board consisting of two representatives from the ~~transit commission~~ *council*, two members of the board of park commissioners, and a fifth member jointly selected by the representatives of the ~~transit commission~~ *council* and the park board.

The park board must be notified immediately by the ~~transit commission~~ *council* of any temporary route detours. If the park board objects to the temporary route detours within five days of being notified, the joint board must convene and decide whether to grant the request, otherwise the request is deemed granted. If the agency objects to the proposed use or claims reimbursement from the ~~commission~~ *council* for additional cost of maintenance, it may commence an action against the ~~commission~~ *council* in the district court of the county wherein the highway, roadway, or appurtenance, or major portion thereof, is located. The proceedings in the action must conform to the rules of civil

procedure applicable to the district courts. The court shall sit without jury. If the court determines that the use in question does not interfere unreasonably with the public use or maintenance of the roadway or appurtenance, but that it entails substantial additional maintenance costs, the court shall award judgment to the agency for the amount of the additional costs. Otherwise the court shall award judgment to the ~~commission~~ council. An aggrieved party may appeal from the judgment of the district court in the same manner as is provided for such appeals in other civil actions. The ~~commission~~ council may also use land within the right of way of any state highway or other public roadway for the erection of traffic control devices, other signs, and passenger shelters upon the conditions stated in this subdivision and subject only to the approval of the commissioner of transportation where required by statute, and subject to the express provisions of other applicable statutes and to federal requirements where necessary to qualify for federal aid.

The ~~commission~~ council and the employees, through their representatives for collective bargaining purposes, shall take whatever action may be necessary to have pension trust funds presently under the joint control of the acquired system and the participating employees through their representatives transferred to the trust fund to be established, maintained and administered jointly by the ~~commission~~ council and the participating employees through their representatives. No employee of any acquired system who is transferred to a position with the ~~commission~~ council shall by reason of such transfer be placed in any worse position with respect to workers' compensation, pension, seniority, wages, sick leave, vacation, health and welfare insurance or any other benefits than the employee enjoyed as an employee of such acquired system.

Sec. 124. Minnesota Statutes 1992, section 473.415, subdivision 2, is amended to read:

Subd. 2. For any employees of the former metropolitan transit commission who were transferred to and appointed as employees of the commission upon completion of acquisitions of transit systems which occurred prior to the effective date of Laws 1978, chapter 538, the provisions of Laws 1978, chapter 538 shall replace the provisions of subdivision 1 relating to the pension obligations which the commission is required to assume, and the pension or retirement plan and pension trust funds which the commission is

Subd. 3. For any employees of the *former metropolitan transit* commission who are transferred to and appointed as employees of the commission upon completion of acquisitions of transit systems which occur subsequent to the effective date of Laws 1978, chapter 538, those employees shall be governed by the provisions of Laws 1978, chapter 538 unless the acquisition of the transit system which employed them immediately preceding the acquisition included the acquisition of a pension trust fund under the joint control of the acquired system and the participating employees through their representatives.

Sec. 126. Minnesota Statutes 1992, section 473.416, is amended to read:

473.416 [COMMISSION; TAKING OVER PERSONNEL AND CONTRACTS OF TRANSIT SYSTEMS.]

Whenever the ~~transit commission~~ *council* directly operates any public transit system, or any part thereof, or enters into any management contract or other arrangement for the operation of a system, the ~~commission~~ *council* shall take the action necessary to extend to employees of the affected public transit systems, in accordance with seniority, the first opportunity for reasonably comparable employment in any available nonsupervisory jobs in respect to such operations for which they can qualify after a reasonable training period. The employment must not result in any worsening of the employee's position in the employee's former employment nor any loss of wages, hours, working conditions, seniority, fringe benefits, and rights and privileges pertaining thereto. The ~~commission~~ *council* may enter into an agreement specifying fair and equitable arrangements to protect the interests of employees who may be affected if the ~~commission~~ *council* should acquire any interest in or purchase any facilities or other property of a privately owned and operated transit system, or construct, improve, or reconstruct any facilities or other property acquired from any system, or provide by contract or otherwise for the operation of transportation facilities or equipment in competition with, or supplementary to, the service provided by an existing transit system. The agreement, specifying the terms and conditions of the protective arrangements, must comply with any applicable requirements of sections 473.404 to 473.449 *this chapter*, and with the requirements of any federal law or regulation if federal aid is involved. The agreement may provide for final and binding arbitration of any dispute.

The ~~commission~~, upon commencing operations under sections 473.404 to 473.449, shall, so far as deemed practicable and advisable in the discretion of the ~~commission~~ and subject to the provisions hereof, take over and employ in corresponding positions or other suitable positions the professional, technical, and other personnel employed by the existing metropolitan transit ~~commission~~, hereinafter called the joint powers transit ~~commission~~, created by the joint and cooperative agreement heretofore made between certain governmen-

Sec. 127. Minnesota Statutes, 1992, section 473.418, is amended to read:

473.418 [DISABILITY AND SURVIVORSHIP COVERAGE.]

From and after the effective date of Laws 1978, chapter 538, until the effective date of this section, the former metropolitan transit commission shall provide for all active employees of the transit operating division of the metropolitan transit commission the disability and survivorship coverage described in this section. Thereafter, the council shall provide for all active employees of the office of transit operations the disability and survivorship coverage which, when added to the disability benefit or the survivorship benefit payable from the Minnesota state retirement system pursuant to section 352.113 or 352.12, subdivision 2, will at least equal the disability benefit or the survivorship benefit which that employee at the time of disability or the employee's surviving spouse at the time of the death of the employee while on active duty would have been entitled to receive under the disability benefit or survivor of active employee deceased while on active duty benefit provisions of the metropolitan transit commission-transit operating division employees retirement fund plan document in effect on December 31, 1977. The metropolitan transit commission council shall not be required to provide any supplementary disability benefit coverage or benefit amount to replace the amount of any reduction in any disability payable from the Minnesota state retirement system due to the receipt of benefits under the workers' compensation law unless no offset of the amount of workers' compensation benefits from the amount of a disability benefit was required pursuant to the provisions of article 10 of the metropolitan transit commission-transit operating division employees retirement fund plan document in effect on December 31, 1977. The metropolitan transit commission council may elect to provide the additional disability and survivorship coverage either through contract with an insurance carrier or through self-insurance. If the commission council elects to provide the coverage through an insurance contract, the chair of the metropolitan transit commission council is authorized to request bids from, or to negotiate with, insurance carriers and to enter into contracts with carriers which in the judgment of the commission council are best qualified to underwrite and service this insurance benefit coverage. The commission council shall consider factors such as the cost of the contracts as well as the service capabilities, character, financial position and reputation with respect to carriers under consideration, as well as any other factors which the commission council deems appropriate. The disability and survivorship insurance contract with the particular insurance carrier shall be for a uniform term of at least one year, but may be made automatically renewable from term to term in absence of notice of termination by either party. The disability and survivorship insurance contract shall contain a detailed statement of benefits offered, maximums, limitations, and exclusions. A summary description of the essential terms of the contract shall be provided by the commission council to the labor organization which is the exclusive bargaining agent representing

employees of the *office of transit operating division operations* of the ~~metropolitan transit commission council~~ and to each active employee of the *office of transit operating operations division*. The determination of whether the disability or survivorship insurance coverage meets the minimum requirements of this section shall be made by the ~~commission council~~ upon consultation with the executive director of the Minnesota state retirement system. If the disability or survivorship coverage provided by the ~~metropolitan transit commission council~~ fails at any time after the effective date of Laws 1978, chapter 538, to meet the requirements of this section as to the level of disability or survivorship coverage to be provided, the deficiency in the actual benefits provided shall continue to be an obligation of the ~~commission council~~. Notwithstanding any provisions of chapter 179 to the contrary, the labor organization which is the exclusive bargaining agent representing employees of the *office of transit operating division operations* of the ~~metropolitan transit commission council~~ may meet and bargain with the ~~commission council~~ on an increase in the level of disability or survivor of active employee deceased while on active duty coverage to be provided by the ~~commission council~~ at the same time that wages and other terms and conditions of employment are considered. This section does not apply to employees hired after December 31, 1977.

Sec. 131. Minnesota Statutes 1992, section 473.436, subdivision 6, is amended to read:

Subd. 6. [TEMPORARY BORROWING.] On or after the first day of any fiscal year, the ~~commission~~ *council* may borrow money which may be used or expended by the ~~commission~~ *council* for any purpose, including but not limited to current expenses, capital expenditures and the discharge of any obligation or indebtedness of the ~~commission~~ *council*. The indebtedness must be represented by a note or notes which may be issued from time to time in any denomination and sold at public or private sale pursuant to a resolution authorizing the issuance. The resolution must set forth the form and manner of execution of the notes and shall contain other terms and conditions the ~~commission~~ *council* deems necessary or desirable to provide security for the holders of the notes. The note or notes are payable from committed or appropriated money from taxes, grants or loans of the state or federal government made to the ~~commission~~ *council*, or other revenues of the ~~commission~~ *council*, and the money may be pledged to the payment of the notes. The ~~commission~~ *council* is authorized to pledge to the payment of the note or notes taxes levied by the ~~regional transit board~~ *it* under section 473.446, subdivision 1, clause (a), and if taxes are so pledged the ~~board~~ *council* shall transfer amounts received from the levy to the ~~commission~~ *council* for payment of the note or notes. To the extent the notes are not paid from the grant or loan money pledged for the payment thereof, the principal and interest of the notes must be paid from any taxes received by the ~~transit board~~ *council* and any income and revenue received by or accrued to the ~~commission~~ *council* during the fiscal year in which the note or notes were issued, or other money of the ~~commission~~ *council* lawfully available therefor.

Sec. 132. Minnesota Statutes 1992, section 473.446, subdivision 1, is amended to read:

Subdivision 1. [TAXATION WITHIN TRANSIT TAXING DISTRICT.] For the purposes of sections 473.404 to 473.449 and the metropolitan transit system, except as otherwise provided in this subdivision, the ~~regional transit board~~ *council* shall levy each year upon all taxable property within the metropolitan transit taxing district, defined in subdivision 2, a transit tax consisting of:

(a) an amount which shall be used for payment of the expenses of operating transit and paratransit service and to provide for payment of obligations issued by the ~~commission~~ *council* under section 473.436, subdivision 6;

(b) an additional amount, if any, the ~~board~~ *council* determines to be necessary to provide for the full and timely payment of its certificates of indebtedness and other obligations outstanding on July 1, 1985, to which property taxes under this section have been pledged; and

(c) an additional amount necessary to provide full and timely payment of certificates of indebtedness, bonds, including refunding bonds or other obligations issued or to be issued under section 473.39 by the council for purposes of acquisition and betterment of property and other improvements of a capital nature and to which the council or ~~board~~ has specifically pledged tax levies under this clause.

The property tax levied by the ~~regional transit board~~ *council* for general purposes under clause (a) must not exceed the following amount for the years specified:

(1) for taxes payable in 1988 1995, the ~~product of two mills multiplied by the total assessed valuation of all taxable property located within the~~

metropolitan transit taxing district as adjusted by the provisions of Minnesota Statutes 1986, sections 272.64, 273.13, subdivision 7a, and 275.49 council's property tax levy limitation for general transit purposes is equal to the former regional transit board's property tax levy limitation for general transit purposes under this subdivision, for taxes payable in 1994, multiplied by an index for market valuation changes equal to the total market valuation of all taxable property located within the metropolitan transit taxing district for the current assessment year divided by the total market valuation of all taxable property located within the metropolitan transit taxing district for the previous assessment year; and

(2) for taxes payable in 1989, the product of (i) the regional transit board's property tax levy limitation for general purposes for the taxes payable year 1988 determined under clause (1) multiplied by (ii) an index for market valuation changes equal to the assessment year 1988 total market valuation of all taxable property located within the metropolitan transit taxing district divided by the assessment year 1987 total market valuation of all taxable property located within the metropolitan transit taxing district; and

(3) for taxes payable in 1990 1996 and subsequent years, the product of (i) the regional transit board's council's property tax levy limitation for general transit purposes for the previous year determined under this subdivision multiplied by (ii) an index for market valuation changes equal to the total market valuation of all taxable property located within the metropolitan transit taxing district for the current assessment year divided by the total market valuation of all taxable property located within the metropolitan transit taxing district for the previous assessment year.

For the purpose of determining the regional transit board's council's property tax levy limitation for general transit purposes for the taxes payable year 1988 and subsequent years under this subdivision, "total market valuation" means the total market valuation of all taxable property within the metropolitan transit taxing district without valuation adjustments for fiscal disparities (chapter 473F), tax increment financing (sections 469.174 to 469.179), and high voltage transmission lines (section 273.425).

The county auditor shall reduce the tax levied pursuant to this subdivision on all property within statutory and home rule charter cities and towns that receive full-peak service and limited off-peak service by an amount equal to the tax levy that would be produced by applying a rate of 0.510 percent of net tax capacity on the property. The county auditor shall reduce the tax levied pursuant to this subdivision on all property within statutory and home rule charter cities and towns that receive limited peak service by an amount equal to the tax levy that would be produced by applying a rate of 0.765 percent of net tax capacity on the property. The amounts so computed by the county auditor shall be submitted to the commissioner of revenue as part of the abstracts of tax lists required to be filed with the commissioner under section 275.29. Any prior year adjustments shall also be certified in the abstracts of tax lists. The commissioner shall review the certifications to determine their accuracy and may make changes in the certification as necessary or return a certification to the county auditor for corrections. There is annually appropriated from the general fund in the state treasury to the department of revenue the amounts necessary to make these payments.

For the purposes of this subdivision, "full-peak and limited off-peak service" means peak period regular route service, plus weekday midday regular route service at intervals longer than 60 minutes on the route with the greatest frequency; and "limited peak period service" means peak period regular route service only.

Sec. 133. Minnesota Statutes 1992, section 473.446, subdivision 1a, is amended to read:

The proceeds of this tax shall be used only for paratransit services or ride sharing programs designed to serve persons located within the transit area but outside of the transit taxing district.

Sec. 134. Minnesota Statutes 1992, section 473.446, subdivision 2, is amended to read:

The taxes must be levied, certified, and collected in accordance with the terms and conditions of the indebtedness. Nothing in Laws 1984, chapter 654 may impair the rights of holders of valid obligations of the ~~former metropolitan transit commission~~ to require a levy of property taxes. ~~The transit board council shall take the actions necessary to comply with the terms and conditions of the obligations, including if necessary the levy of property taxes to provide for a deficiency.~~

by subdivision 1. The commissioner shall also annually determine whether the transit tax imposed on all taxable property within the metropolitan transit area but outside of the metropolitan transit taxing district is within the levy limitation imposed by subdivision 1a. The determination must be completed prior to September 10 of each year. If current information regarding market valuation in any county is not transmitted to the commissioner in a timely manner, the commissioner may estimate the current market valuation within that county for purposes of making the calculations.

Sec. 138. Minnesota Statutes 1992, section 473.448, is amended to read:

Any local government unit and the commissioners of transportation and natural resources are authorized to convey to or permit the use of any such facilities owned or controlled by it by the council or ~~the commission~~, subject to the rights of the holders of any bonds issued with respect thereto, with or without compensation, without an election or approval by any other government agency. Except in case of property in actual public use, the ~~commission~~ *council* may take possession of any property for which condemnation proceedings have been commenced at any time after the issuance of a court order appointing commissioners for its condemnation.

Sec. 144. Minnesota Statutes 1992, section 473.504, subdivision 10, is amended to read:

Subd. 10. Such property may be sold in the manner provided by section 469.065, insofar as practical. The ~~commission~~ *council* may give

such notice of sale as it shall deem appropriate. When the ~~commission~~ council determines that any property or any interceptor or treatment works or any part thereof which has been acquired from a local government unit without compensation is no longer required, but is required as a local facility by the government unit from which it was acquired, the ~~commission~~ council may by resolution transfer it to such government unit.

Sec. 146. Minnesota Statutes 1992, section 473.504, subdivision 12, is amended to read:

The ~~commission~~ council shall assume ownership of all treatment works owned by a local government unit if any part of such treatment works will be needed for such purpose.

Sec. 148. Minnesota Statutes 1992, section 473.511, subdivision 2, is amended to read:

Subd. 2. [METHOD OF ACQUISITION; EXISTING DEBT.] The ~~com-~~ mission, with the approval of the council, may require any local government unit to transfer to the ~~commission~~ council, all of its right, title and interest in any interceptors or treatment works and all necessary appurtenances thereto owned by such local government unit which will be needed for the purpose stated in subdivision 1. Appropriate instruments of conveyance for all such property shall be executed and delivered to the ~~commission~~ council by the proper officers of each local government unit concerned. All persons regularly employed by a local government unit to operate and maintain any treatment works so transferred to the ~~commission~~ council, on the date on which the transfer becomes effective, shall be employees of the ~~commission~~ council, in the same manner and with the same options and rights as are reserved to employees of sanitary districts and joint boards under subdivision 3. The ~~commission~~ council, upon assuming ownership of any such interceptors or treatment works, shall become obligated to pay to such local government unit amounts sufficient to pay when due all remaining principal of and interest on bonds issued by such local government unit for the acquisition or betterment of the interceptors or treatment works taken over. Such amounts may be offset

against any amount to be paid to the ~~commission~~ *council* by the local government unit as provided in section 473.517.

Sec. 149. Minnesota Statutes 1992, section 473.511, subdivision 3, is amended to read:

Subd. 3. [EXISTING SANITARY DISTRICTS AND JOINT SEWER BOARDS.] Effective January 1, 1971, the corporate existence of the Minneapolis-St. Paul Sanitary District, the North Suburban Sanitary Sewer District, and any joint board created by agreement among local government units pursuant to section 471.59, to provide interceptors and treatment works for such local government units, shall terminate. All persons regularly employed by such sanitary districts and joint boards on that date or on any earlier date on which the *former* waste control commission pursuant to subdivisions 1 and 2 ~~assumes assumed~~ ownership and control of any interceptors or treatment works owned or operated by such sanitary districts and joint boards, ~~shall be and who are employees of the commission on the effective date of this section, shall be employees of the council,~~ and may at their option become members of the Minnesota state retirement system or may continue as members of a public retirement association under chapter 422A or any other law, to which they belonged before such date, and shall retain all pension rights which they may have under such latter laws, and all other rights to which they are entitled by contract or law. Members of trades who are employed by the *former* metropolitan waste control commission, who have trade union pension coverage pursuant to a collective bargaining agreement, and who elected exclusion from coverage pursuant to section 473.512, or who are first employed after July 1, 1977, shall not be covered by the Minnesota state retirement system. The ~~waste control commission~~ *council* shall make the employer's contributions to pension funds of its employees. Such employees shall perform such duties as may be prescribed by the ~~commission~~ *council*. All funds of such sanitary districts and joint boards then on hand, and all subsequent collections of taxes, special assessments or service charges levied or imposed by or for such sanitary districts or joint boards shall be transferred to the ~~waste control commission~~ *council*. The local government units otherwise entitled to such cash, taxes, assessments or service charges shall be credited with such amounts, and such credits shall be offset against any amounts to be paid by them to the ~~waste control commission~~ *council* as provided in section 473.517. The *former metropolitan* waste control commission, ~~and on the effective date of this section, the council shall succeed to and become vested by action of law with all right, title and interest in and to any property, real or personal, owned or operated by such sanitary districts and joint boards; and. Prior to that date the proper officers of such sanitary districts and joint boards, or the former metropolitan waste control commission, shall execute and deliver to the board council all deeds, conveyances, bills of sale; and other documents or instruments required to vest in the commission council good and marketable title to all such real or personal property; provided that vesting of the title shall occur by operation of law and failure to execute and deliver the documents shall not affect the vesting of title in the former metropolitan waste control commission or the council on the dates indicated in this subdivision. The waste control commission council shall become obligated to pay or assume all bonded or other debt and contract obligations incurred by the former metropolitan waste control commission, or by such sanitary districts and joint boards, or incurred by local government units for the acquisition or betterment of any interceptors or treatment works owned or operated by such sanitary districts or joint boards.~~

Sec. 150. Minnesota Statutes 1992, section 473.511, subdivision 4, is amended to read:

Subd. 4. [CURRENT VALUE OF EXISTING FACILITIES.] When the ~~commission~~ council assumes the ownership of any existing interceptors or treatment works as provided in subdivision 2 or 3, the local government unit or units which paid part or all of the cost of such facility, directly or pursuant to contracts for reimbursement of costs, shall be entitled to receive a credit against amounts to be allocated to them under section 473.517, which may be spread over such period not exceeding 30 years as the ~~commission~~ council shall determine, and an additional credit equal to interest on the unused credit balance from time to time at the rate of four percent per annum. The amount of such credit shall equal the current value of the facility computed by the ~~commission~~ council in the manner provided in this subdivision at the time the ~~commission~~ council acquires it. The original cost of a facility shall be computed as the total actual costs of constructing it, including engineering, legal, and administrative costs; less any part of it paid from federal or state funds and less the principal amount of any then outstanding bonds which were issued to finance its construction. The original cost shall be multiplied by a factor equal to a current cost index divided by the same cost index at the time of construction, to determine replacement cost. The cost indices used shall be the Engineering News Record Construction Cost Indices for facilities or parts thereof completed before 1930, and the United States Public Health Service Federal Water Pollution Control Values for Sewer and Treatment Plant Construction, as applied to facilities or parts thereof completed in or after 1930. The current value of the facility shall be the replacement cost depreciated by 2.50 percent per annum from the date of construction of treatment works and 1.25 percent per annum from the date of construction of interceptors; and decreased further by a reasonable allowance for obsolescence if the ~~board~~ council determines that the facility or any part thereof will not be useful for ~~board~~ council purposes for at least the remaining period required to depreciate it fully, assuming no salvage value. The current value of each such facility shall be credited to each local government unit in proportion to the amount of the construction cost paid by that unit, as determined by the ~~commission~~ council, taking into account reimbursements previously made under contracts between any of the local government units. The ~~commission~~ council shall prepare an itemized statement of the amount of credit each local government unit is entitled to receive under this subdivision, and the years and amounts of installments of principal and interest thereon, and shall cause it to be mailed or delivered to the governing body of each local government unit concerned. All credits allowed under this subdivision shall be used to finance current costs allocated to the local government unit by the ~~commission~~ council or for other sewer costs, and the credits shall not be considered as proceeds from the sale of municipal property so as to permit their use for other purposes.

Subdivision 1. A member of a trade who is employed by the former metropolitan waste control commission, and on the effective date of this section is employed by the council, on a permanent basis with trade union pension plan coverage pursuant to a collective bargaining agreement shall be excluded from coverage by the Minnesota state retirement system if the member was first employed on or after June 1, 1977 or, if the member was

first employed prior to June 1, 1977, has elected to be excluded from coverage by the Minnesota state retirement system pursuant to subdivision 2 and has accepted a refund of contributions pursuant to subdivision 3.

Sec. 152. Minnesota Statutes 1992, section 473.513, is amended to read:

Each such plan shall be submitted forthwith to the ~~waste control commission~~ *council* for review and shall be subject to the approval of the ~~commission~~ *council* as to those features affecting the ~~commission's~~ *council's* responsibilities as determined by the ~~commission~~ *council*. Any such features disapproved by the ~~commission~~ *council* shall be modified in accordance with the ~~commission's~~ *council's* recommendations. No construction of new sewers or other disposal facilities, and no substantial alteration or improvement of any existing sewers or other disposal facilities involving such features, shall be undertaken by any local government unit unless its governing body shall first find the same to be in accordance with its comprehensive plan and program as approved by the ~~commission~~ *council*. At the time each local government unit makes application to the Minnesota pollution control agency for a permit to alter or improve its disposal system it shall file with the ~~commission~~ *council* a copy of the application together with design data and a location map of the project.

nary treatment therefor; may prohibit the discharge into the metropolitan disposal system of any substance which it determines will or may be harmful to the system or any persons operating it; and may require any local government unit to discontinue the acquisition, betterment, or operation of any facility for its disposal system wherever and so far as adequate service is or will be provided by the metropolitan disposal system.

Sec. 156. Minnesota Statutes 1992, section 473.5155, subdivision 1, is amended to read:

Subdivision 1. Subdivision 1. [ACQUISITION AND OPERATION.] Without limiting the grant or enumeration of any of the powers conferred on the ~~council or commission~~ *council* under sections 473.501 to 473.549, the ~~commission~~ *council* shall have the specific power to acquire by purchase, lease, condemnation, gift or grant any real or personal property, positive and negative easements and water and air rights, and it may construct, enlarge, improve, replace, repair, maintain and operate waste facilities in the metropolitan area deemed to be necessary or convenient in connection with the processing or disposal of waste resulting from sewage treatment, and the ~~commission~~ *council* may contract for the maintenance and operation of such waste facilities, subject to the bidding requirements of section 473.523. The ~~commission~~ *council* may accept for processing waste derived from outside the metropolitan area in the state, as well as waste derived from within the metropolitan area, and may fix and collect fees and charges for the acceptance of waste as the ~~commission~~ *council* determines to be reasonable.

Sec. 159. Minnesota Statutes 1992, section 473.516, subdivision 2, is amended to read:

Subd. 2. [GENERAL REQUIREMENTS.] With respect to its activities under this section, the ~~commission~~ *council* shall be subject to and comply with the applicable provisions of this chapter. Any site or facility owned or operated for or by the ~~commission~~ *council* shall conform to the policy plan adopted by the council under section 473.149 and shall be authorized in accordance with the ~~commission's~~ *implementation plan* approved by the council. The ~~commission~~ *council* shall contract with private

persons for the construction, maintenance, and operation of waste facilities, subject to the bidding requirements of section 473.523, where the facilities are adequate and available for use and competitive with other means of providing the same service.

Sec. 160. Minnesota Statutes 1992, section 473.516, subdivision 3, is amended to read:

Subd. 3. [LOCAL RESTRICTIONS.] Counties and local units of government may impose conditions respecting the construction, operation, inspection, monitoring, and maintenance of a waste facility of the ~~commission~~ *council* and conditions respecting the sale, gift, delivery, storage, use, and disposal of sewage sludge of the ~~commission~~ *council* on private property as a soil conditioner or amendment, but only in the manner and only to the extent authorized and approved by the council and the *pollution control* agency as being consistent with the establishment and use of the ~~commission's council's~~ waste facilities and the disposal of the ~~commission's council's~~ sewage sludge on private property in accordance with the council's plan, adopted under section 473.153, and agency permits and rules. Counties may exercise the enforcement powers granted under section 473.811, subdivision 5c, in the manner and to the extent authorized and approved in accordance with this subdivision.

Sec. 161. Minnesota Statutes 1992, section 473.516, subdivision 4, is amended to read:

Each permit shall require a regular monitoring and testing program to be carried out by the ~~waste control commission~~ *council*. A regular inspection program shall be conducted by the agency or a county under contract to the agency. The ~~commission~~ *council* shall reimburse the agency quarterly for the cost of the program, and the amounts reimbursed are hereby appropriated to the agency for the purposes of the program. The ~~commission~~ *council* shall attempt to the greatest practical extent to provide a sludge quality that permits desired nutrient loadings and minimizes elements not essential for plant growth when sludge is disposed of on private property as a soil conditioner or amendment. The ~~commission~~ *council* shall provide recipients with information on the facility generating the sludge and the content of the sludge taken from its various treatment facilities.

Sec. 162. Minnesota Statutes 1992, section 473.516, subdivision 5, is amended to read:

Subd. 5. [SLUDGE ASH CONTRACTS.] Notwithstanding section 473.523, the ~~commission~~ *council* may enter into a negotiated contract with a private person to use the sludge ash generated by the ~~commission~~ *council* in a manufacturing process. The contract may not exceed 30 years.

Sec. 163. Minnesota Statutes 1992, section 473.517, subdivision 1, is amended to read:

Subdivision 1. [CURRENT COSTS DEFINED.] The estimated costs of operation, maintenance, and debt service of the metropolitan disposal system

to be paid by the ~~commission~~ *council* in each fiscal year, and the costs of acquisition and betterment of the system which are to be paid during the year from funds other than bond proceeds, including all expenses incurred by the council pursuant to sections 473.501 to 473.545, are referred to in this section as current costs, and shall be allocated in the budget for that year to the respective local government units in the metropolitan area as provided in subdivisions 2 to 6. The amount budgeted by the ~~commission~~ *council* for any year for a reserve or contingency fund must be treated as a current cost and allocated as a cost of operation and maintenance in accordance with this section. The reserve or contingency fund so established may not exceed an amount equal to 7.5 percent of the ~~commission's~~ *council's waste control* operating budget in total.

Sec. 164. Minnesota Statutes 1992, section 473.517, subdivision 2, is amended to read:

Subd. 2. [ALLOCATION OF METROPOLITAN TREATMENT WORKS AND INTERCEPTOR COSTS; ADJUSTED VOLUME.] Except as provided in subdivision 3, the current costs of all treatment works and interceptors in the metropolitan disposal system shall be allocated among and paid by all local government units which will discharge sewage, directly or indirectly, into the metropolitan disposal system during the budget year, in proportion to the total volume estimated to be so discharged by each local government unit, adjusted as follows:

(a) increased or decreased, as the case may be, to the extent the ~~commission~~ *council* determines, on the basis of such historical and reasonably projected data as may be available, that the sewage discharged by one unit will require more or less treatment to produce a suitable effluent than that discharged by others;

(b) decreased by any amount of surface water estimated by the ~~commission~~ *council* to be discharged by a local government unit from a combined storm and sanitary sewer system;

(c) increased by that volume of normal sanitary sewage which is equivalent for treatment purposes to the volume of surface water referred to in clause (b), as determined by the ~~commission~~ *council* from available engineering data; and

(d) increased or decreased, as the case may be, by the amount of any substantial and demonstrable error in a previous estimate.

Sec. 165. Minnesota Statutes 1992, section 473.517, subdivision 3, is amended to read:

Subd. 3. [ALLOCATION OF METROPOLITAN TREATMENT WORKS AND INTERCEPTOR COSTS; RESERVED CAPACITY.] In preparing each budget the ~~commission~~ *council* shall estimate the current costs of acquisition, betterment, and debt service, only, of the treatment works in the metropolitan disposal system which will not be used to total capacity during the budget year, and the percentage of such capacity which will not be used, and shall deduct the same percentage of such treatment works costs from the current costs allocated under subdivision 2. The ~~commission~~ *council* shall also estimate the current costs of acquisition, betterment, and debt service, only, of the interceptors in the metropolitan disposal system that will not be used to total capacity during the budget year, shall estimate the percentage of the total capacity that will not be used, and shall deduct the same percentage of

interceptor costs from the current costs allocated under subdivision 2. The total amount so deducted with respect to all treatment works and interceptors in the system shall be allocated among and paid by the respective local government units in the metropolitan area for which system capacity unused each year is reserved for future use, in proportion to the amounts of such capacity reserved for each of them.

Sec. 166. Minnesota Statutes 1992, section 473.517, subdivision 6, is amended to read:

Subd. 6. [DEFERMENT OF PAYMENTS.] The council may by resolution provide for the deferment of payment of all or part of the current costs of acquisition, betterment, and debt service of estimated unused capacity which are allocated by the ~~commission council~~ to a local government unit in any year pursuant to ~~subdivisions subdivision 3 and 4~~, repayable at such time or times as the council shall specify in the resolution, with interest at the approximate average annual rate borne by council bonds outstanding at the time of the deferment, as determined by the council. Such costs may be deferred only when the council determines that a substantial portion of the territory of a local government unit has not been connected to the metropolitan disposal system, and that the amount of such costs or some portion thereof is disproportionate to the available economic resources of the unit at the time. Such deferred costs shall be allocated to and paid by all local government units in the metropolitan area which will discharge sewage, directly or indirectly, into the metropolitan disposal system in the budget year for which the deferment is granted, in the same manner and proportions as current costs are allocated under subdivision 5 2. (c) If the council determines that a permit is in accordance with its policy plan, the council shall approve the permit. (e) A permit may not be issued in the metropolitan area for a solid waste facility used primarily for resource recovery or a transfer station serving the facility, if the facility or station is owned or operated by a public agency or if the acquisition or betterment of the facility or station is secured by public funds or obligations issued by a public agency, unless the council finds and determines that adequate markets exist for the products recovered and that establishment of the facility is consistent with the criteria and standards in the metropolitan and county plans respecting the protection of existing resource recovery facilities and transfer stations serving such facilities.

The Honorable Irv Anderson
Speaker of the House of Representatives

The Honorable Allan H. Spear
President of the Senate

We, the undersigned conferees for H.F. No. 3209, report that we have agreed upon the items in dispute and recommend as follows:

That the Senate recede from its amendments and that H.F. No. 3209 be further amended as follows:

Delete everything after the enacting clause and insert:

"ARTICLE 1

INCOME TAX AND BUSINESS TAXES

Section 1. Minnesota Statutes 1992, section 60A.02, is amended by adding a subdivision to read:

Subd. 4a. [MUTUAL PROPERTY AND CASUALTY INSURANCE COMPANY.] "Mutual property and casualty insurance company" includes a property and casualty insurance company that was converted to a stock company after December 31, 1987, and before January 1, 1994, if the company was controlled on the date of conversion by a mutual life insurance company and so long as the company continues to be controlled by a mutual life insurance company.

Sec. 2. Minnesota Statutes 1992, section 60A.15, is amended by adding a subdivision to read:

Subd. 15. [GUARANTY ASSOCIATION ASSESSMENT OFFSET.] An insurance company may offset against its premium tax liability to this state any amount paid pursuant to assessments made for insolvencies which occur after July 31, 1994, under sections 60C.01 to 60C.22, and any amount paid pursuant to assessments made after July 31, 1994, under Minnesota Statutes 1992, sections 61B.01 to 61B.16, or sections 61B.18 to 61B.32 as follows:

(a) Each such assessment shall give rise to an amount of offset equal to 20 percent of the amount of the assessment for each of the five calendar years following the year in which the assessment was paid.

(b) The amount of offset initially determined for each taxable year is the sum of the amounts determined under paragraph (a) for that taxable year.

(c) Each year the commissioner of revenue shall compare total guaranty association assessments levied over the preceding five calendar years to the sum of all premium tax and corporate franchise tax revenues collected from insurance companies, without reduction for any guaranty association assessment offset in the preceding calendar year, referred to in this subdivision as "preceding year insurance tax revenues." If total guaranty association assessments levied over the preceding five years exceed the preceding year insurance tax revenues, insurance companies shall be allowed only a proportionate part of the premium tax offset calculated under paragraph (b) for the current calendar year. The proportionate part of the premium tax offset allowed in the current calendar year is determined by multiplying the amount calculated under paragraph (b) by a fraction, the numerator of which equals the preceding year insurance tax revenues and the denominator of which equals total guaranty association assessments levied over the preceding five-year period. The proportionate part of the premium tax offset that is not allowed shall be carried forward to subsequent tax years and added to the amount of premium tax offset calculated under paragraph (b) prior to application of the limitation imposed by this paragraph. Any amount carried forward from prior years must be allowed before allowance of the offset for the current year calculated under paragraph (b). The premium tax offset limitation must be calculated separately for (1) insurance companies subject to assessment under sections 60C.01 to 60C.22, and (2) insurance companies subject to assessment under Minnesota Statutes 1992, sections 61B.01 to 61B.16, or sections 61B.18 to 61B.32. When the premium tax offset is limited by this provision, the commissioner of revenue shall notify affected insurance

companies on a timely basis for purposes of completing premium and corporate franchise tax returns. The guaranty associations created under sections 60C.01 to 60C.22, Minnesota Statutes 1992, sections 61B.01 to 61B.16, and sections 61B.18 to 61B.32, shall provide the commissioner of revenue with the necessary information on guaranty association assessments. The limitation in this paragraph is effective for offsets allowable in 1999 and thereafter.

(d) If the offset determined by the application of paragraphs (a) to (c) exceeds the greater of the insurance company's premium tax liability under this section or its corporate franchise tax liability under chapter 290 prior to allowance of the credit for premium taxes, then the insurance company may carry forward the excess, referred to in this subdivision as the "carryforward credit," to subsequent taxable years. The carryforward credit shall be allowed as an offset against premium tax liability for the first succeeding year to the extent that the premium tax liability for that year exceeds the amount of the allowable offset for the year determined under paragraphs (a) to (c). The carryforward credit shall be reduced, but not below zero, by the greater of the amount of the carryforward credit allowed as an offset against the premium tax under this paragraph or the amount of the carryforward credit allowed as an offset against the insurance company's corporate franchise tax liability under section 290.35, subdivision 6, paragraph (d). The remainder, if any, of the carryforward credit must be carried forward to succeeding taxable years until the entire carryforward credit has been credited against the insurance company's liability for premium tax under this chapter and corporate franchise tax under chapter 290 if applicable for that taxable year.

(e) A refund paid by the Minnesota life and health insurance guaranty association to member insurers under Minnesota Statutes 1992, section 61B.07, subdivision 6, or section 61B.24, subdivision 6, with respect to an assessment payment which has been offset against taxes shall reduce the carryforward credit determined under paragraph (d). If the refund exceeds the amount of the carryforward credit, it shall be repaid by the insurers to the extent of the offset to the state in the manner the commissioner of revenue requires.

Sec. 3. Minnesota Statutes 1992, section 289A.02, is amended by adding a subdivision to read:

Subd. 7. [INTERNAL REVENUE CODE.] Unless specifically defined otherwise, "Internal Revenue Code" means the Internal Revenue Code of 1986, as amended through December 31, 1993.

Sec. 4. Minnesota Statutes 1992, section 289A.25, subdivision 5, is amended to read:

Subd. 5. [AMOUNT OF REQUIRED INSTALLMENT.] The amount of any installment required to be paid shall be 25 percent of the required annual payment except as provided in clause (3). The term "required annual payment" means the lesser of

(1) 90 percent of the tax shown on the return for the taxable year or 90 percent of the tax for the year if no return is filed, or

(2) the total tax liability shown on the return of the individual taxpayer for the preceding taxable year, if a return showing a liability for the taxes was filed by the individual taxpayer for the preceding taxable year of 12 months.

If the adjusted gross income shown on the return of the taxpayer for the preceding taxable year exceeds \$150,000, this clause shall be applied by substituting "110 percent of the total tax liability" for "the total tax liability"

(i) *for an individual who is not a Minnesota resident for the entire year, the term "adjusted gross income" means the Minnesota share of that income apportioned to Minnesota under section 290.06, subdivision 2c, paragraph (e), or*

(ii) *for a trust the term "adjusted gross income" means the income assigned to Minnesota under section 290.17; or*

(3) an amount equal to the applicable percentage of the tax for the taxable year computed by placing on an annualized basis the taxable income and alternative minimum taxable income for the months in the taxable year ending before the month in which the installment is required to be paid. The applicable percentage of the tax is 22.5 percent in the case of the first installment, 45 percent for the second installment, 67.5 percent for the third installment, and 90 percent for the fourth installment. For purposes of this clause, the taxable income and alternative minimum taxable income shall be placed on an annualized basis by

(i) multiplying by 12 (or in the case of a taxable year of less than 12 months, the number of months in the taxable year) the taxable income and alternative minimum taxable income computed for the months in the taxable year ending before the month in which the installment is required to be paid; and

(ii) dividing the resulting amount by the number of months in the taxable year ending before the month in which the installment date falls.

A reduction in an installment under clause (3) must be recaptured by increasing the amount of the next required installment by the amount of the reduction.

Sec. 5. Minnesota Statutes 1993 Supplement, section 289A.26, subdivision 7, is amended to read:

Subd. 7. [REQUIRED INSTALLMENTS.] (a) Except as otherwise provided in this subdivision, the amount of a required installment is 25 percent of the required annual payment.

(b) Except as otherwise provided in this subdivision, the term "required annual payment" means the lesser of:

(1) ~~97~~ 100 percent of the tax shown on the return for the taxable year, or, if no return is filed, ~~97~~ 100 percent of the tax for that year; or

(2) 100 percent of the tax shown on the return of the entity for the preceding taxable year provided the return was for a full 12-month period, showed a liability, and was filed by the entity.

(c) Except for determining the first required installment for any taxable year, paragraph (b), clause (2), does not apply in the case of a large corporation. The term "large corporation" means a corporation or any predecessor corporation that had taxable net income of \$1,000,000 or more for any taxable year during the testing period. The term "testing period" means the three taxable years immediately preceding the taxable year involved. A reduction allowed to a large corporation for the first installment that is allowed

by applying paragraph (b), clause (2), must be recaptured by increasing the next required installment by the amount of the reduction.

(d) In the case of a required installment, if the corporation establishes that the annualized income installment is less than the amount determined in paragraph (a), the amount of the required installment is the annualized income installment and the recapture of previous quarters' reductions allowed by this paragraph must be recovered by increasing later required installments to the extent the reductions have not previously been recovered.

(e) The "annualized income installment" is the excess, if any, of:

(1) an amount equal to the applicable percentage of the tax for the taxable year computed by placing on an annualized basis the taxable income:

(i) for the first two months of the taxable year, in the case of the first required installment;

(ii) for the first two months or for the first five months of the taxable year, in the case of the second required installment;

(iii) for the first six months or for the first eight months of the taxable year, in the case of the third required installment; and

(iv) for the first nine months or for the first 11 months of the taxable year, in the case of the fourth required installment, over

(2) the aggregate amount of any prior required installments for the taxable year.

(3) For the purpose of this paragraph, the annualized income shall be computed by placing on an annualized basis the taxable income for the year up to the end of the month preceding the due date for the quarterly payment multiplied by 12 and dividing the resulting amount by the number of months in the taxable year (2, 5, 6, 8, 9, or 11 as the case may be) referred to in clause (1).

(4) The "applicable percentage" used in clause (1) is:

For the following required installments:	The applicable percentage is:
1st	24.25 25
2nd	48.5 50
3rd	72.75 75
4th	97 100

(f)(1) If this paragraph applies, the amount determined for any installment must be determined in the following manner:

(i) take the taxable income for the months during the taxable year preceding the filing month;

(ii) divide that amount by the base period percentage for the months during the taxable year preceding the filing month;

(iii) determine the tax on the amount determined under item (ii); and

(iv) multiply the tax computed under item (iii) by the base period

percentage for the filing month and the months during the taxable year preceding the filing month.

(2) For purposes of this paragraph:

(i) the "base period percentage" for a period of months is the average percent that the taxable income for the corresponding months in each of the three preceding taxable years bears to the taxable income for the three preceding taxable years;

(ii) the term "filing month" means the month in which the installment is required to be paid;

(iii) this paragraph only applies if the base period percentage for any six consecutive months of the taxable year equals or exceeds 70 percent; and

(iv) the commissioner may provide by rule for the determination of the base period percentage in the case of reorganizations, new corporations, and other similar circumstances.

(3) In the case of a required installment determined under this paragraph, if the entity determines that the installment is less than the amount determined in paragraph (a), the amount of the required installment is the amount determined under this paragraph and the recapture of previous quarters' reductions allowed by this paragraph must be recovered by increasing later required installments to the extent the reductions have not previously been recovered.

Sec. 6. Minnesota Statutes 1993 Supplement, section 290.01, subdivision 19, is amended to read:

Subd. 19. [NET INCOME.] The term "net income" means the federal taxable income, as defined in section 63 of the Internal Revenue Code of 1986, as amended through the date named in this subdivision, incorporating any elections made by the taxpayer in accordance with the Internal Revenue Code in determining federal taxable income for federal income tax purposes, and with the modifications provided in subdivisions 19a to 19f.

In the case of a regulated investment company or a fund thereof, as defined in section 851(a) or 851(h) of the Internal Revenue Code, federal taxable income means investment company taxable income as defined in section 852(b)(2) of the Internal Revenue Code, except that:

(1) the exclusion of net capital gain provided in section 852(b)(2)(A) of the Internal Revenue Code does not apply; and

(2) the deduction for dividends paid under section 852(b)(2)(D) of the Internal Revenue Code must be applied by allowing a deduction for capital gain dividends and exempt-interest dividends as defined in sections 852(b)(3)(C) and 852(b)(5) of the Internal Revenue Code.

The net income of a real estate investment trust as defined and limited by section 856(a), (b), and (c) of the Internal Revenue Code means the real estate investment trust taxable income as defined in section 857(b)(2) of the Internal Revenue Code.

(15) the amount of salary expenses not allowed for federal income tax purposes due to claiming the Indian employment credit under section 45A(a) of the Internal Revenue Code of 1986, as amended through December 31, 1993.

Sec. 9. Minnesota Statutes 1992, section 290.01, is amended by adding a subdivision to read:

Subd. 31. [INTERNAL REVENUE CODE.] Unless specifically defined otherwise, "Internal Revenue Code" means the Internal Revenue Code of 1986, as amended through December 31, 1993.

Sec. 10. Minnesota Statutes 1992, section 290.05, subdivision 3, is amended to read:

Subd. 3. (a) An organization exempt from taxation under subdivision 2 shall, nevertheless, be subject to tax under this chapter to the extent provided in the following provisions of the Internal Revenue Code:

- (i) section 527 (dealing with political organizations);
- (ii) section 528 (dealing with certain homeowners associations);
- (iii) sections 511 to 515 (dealing with unrelated business income); and
- (iv) section 521 (dealing with farmers' cooperatives); and
- (v) section 6033(e)(2) (dealing with lobbying expense); but

notwithstanding this subdivision, shall be considered an organization exempt from income tax for the purposes of any law which refers to organizations exempt from income taxes.

(b) The tax shall be imposed on the taxable income of political organizations or homeowner associations or the unrelated business taxable income, as defined in section 512 of the Internal Revenue Code, of organizations defined in section 511 of the Internal Revenue Code, provided that the tax is not imposed on:

(1) advertising revenues from a newspaper published by an organization described in section 501(c)(4) of the Internal Revenue Code; or

(2) revenues from lawful gambling authorized under chapter 349 that are expended for purposes that qualify for the deduction for charitable contributions under section 170 of the Internal Revenue Code of 1986, as amended through December 31, 1991-1993, disregarding the limitation under section 170(b)(2), but only to the extent the contributions are not deductible in computing federal taxable income.

The tax shall be at the corporate rates. The tax shall only be imposed on income and deductions assignable to this state under sections 290.17 to 290.20. To the extent deducted in computing federal taxable income, the deductions contained in section 290.21 shall not be allowed in computing Minnesota taxable net income.

(c) The tax shall be imposed on organizations subject to federal tax under section 6033(e)(2) of the Internal Revenue Code of 1986, as amended through December 31, 1993, in an amount equal to the corporate tax rate multiplied by the amount of lobbying expenses taxed under section 6033(e)(2) which are attributable to lobbying the Minnesota state government.

Sec. 11. Minnesota Statutes 1992, section 290.05, is amended by adding a subdivision to read:

Subd. 8. [AUTHORITY TO REVOKE EXEMPTION FOR FAILURE TO COMPLY WITH FEDERAL LAW.] The commissioner may examine or investigate an entity claiming exemption under this section and subpart F of the Internal Revenue Code. The commissioner may revoke the exemption under this section for violations of federal law that would permit the commissioner of internal revenue or the secretary of the treasury to revoke the exemption under federal law, regardless of whether such action has been taken under federal law. A revocation under this subdivision is subject to administrative review under section 289A.65.

Sec. 12. Minnesota Statutes 1992, section 290.06, subdivision 2c, is amended to read:

Subd. 2c. [SCHEDULES OF RATES FOR INDIVIDUALS, ESTATES, AND TRUSTS.] (a) The income taxes imposed by this chapter upon married individuals filing joint returns and surviving spouses as defined in section 2(a) of the Internal Revenue Code of 1986 as amended through December 31, 1991, must be computed by applying to their taxable net income the following schedule of rates:

- (1) On the first \$19,910, 6 percent;*
- (2) On all over \$19,910, but not over \$79,120, 8 percent;*
- (3) On all over \$79,120, 8.5 percent.*

Married individuals filing separate returns, estates, and trusts must compute their income tax by applying the above rates to their taxable income, except that the income brackets will be one-half of the above amounts.

(b) The income taxes imposed by this chapter upon unmarried individuals must be computed by applying to taxable net income the following schedule of rates:

- (1) On the first \$13,620, 6 percent;*
- (2) On all over \$13,620, but not over \$44,750, 8 percent;*

(3) On all over \$44,750, 8.5 percent.

(c) The income taxes imposed by this chapter upon unmarried individuals qualifying as a head of household as defined in section 2(b) of the Internal Revenue Code of 1986, as amended through December 31, 1991, must be computed by applying to taxable net income the following schedule of rates:

(1) On the first \$16,770, 6 percent;

(2) On all over \$16,770, but not over \$67,390, 8 percent;

(3) On all over \$67,390, 8.5 percent.

(d) In lieu of a tax computed according to the rates set forth in this subdivision, the tax of any individual taxpayer whose taxable net income for the taxable year is less than an amount determined by the commissioner must be computed in accordance with tables prepared and issued by the commissioner of revenue based on income brackets of not more than \$100. The amount of tax for each bracket shall be computed at the rates set forth in this subdivision, provided that the commissioner may disregard a fractional part of a dollar unless it amounts to 50 cents or more, in which case it may be increased to \$1.

(e) An individual who is not a Minnesota resident for the entire year must compute the individual's Minnesota income tax as provided in this subdivision. After the application of the nonrefundable credits provided in this chapter, the tax liability must then be multiplied by a fraction in which:

(1) The numerator is the individual's Minnesota source federal adjusted gross income as defined in section 62 of the Internal Revenue Code of 1986, as amended through December 31, 1991, less the deduction allowed by section 217 of the Internal Revenue Code of 1986, as amended through December 31, 1991, after applying the allocation and assignability provisions of section 290.081, clause (a), or 290.17; and

(2) the denominator is the individual's federal adjusted gross income as defined in section 62 of the Internal Revenue Code of 1986, as amended through December 31, 1991, increased by the addition required for interest income from non-Minnesota state and municipal bonds under section 290.01, subdivision 19a, clause (1).

Sec. 13. Minnesota Statutes 1992, section 290.067, subdivision 1, is amended to read:

Subdivision 1. [AMOUNT OF CREDIT.] (a) A taxpayer may take as a credit against the tax due from the taxpayer and a spouse, if any, under this chapter an amount equal to the dependent care credit for which the taxpayer is eligible pursuant to the provisions of section 21 of the Internal Revenue Code subject to the limitations provided in subdivision 2 except that in determining whether the child qualified as a dependent, income received as an aid to families with dependent children grant or allowance to or on behalf of the child must not be taken into account in determining whether the child received more than half of the child's support from the taxpayer, and the provisions of section 32(b)(1)(D) of the Internal Revenue Code of 1986, as amended through December 31, 1991, do not apply.

(b) If a child who is six years of age or less at the close of the taxable year is cared for at a licensed family day care home operated by the child's parent, the taxpayer is deemed to have paid employment-related expenses. If the child

is 16 months old or younger at the close of the taxable year, the amount of expenses deemed to have been paid equals the maximum limit for one qualified individual under section 21(c) and (d) of the Internal Revenue Code. If the child is older than 16 months of age but not older than six years of age at the close of the taxable year, the amount of expenses deemed to have been paid equals the amount the licensee would charge for the care of a child of the same age for the same number of hours of care.

(c) *If a married couple:*

(1) *has a child one year of age or less at the close of the taxable year;*

(2) *files a joint tax return for the taxable year; and*

(3) *does not participate in a dependent care assistance program as defined in section 129 of the Internal Revenue Code, in lieu of the actual employment related expenses paid for that child under paragraph (a) or the deemed amount under paragraph (b), the lesser of (i) the combined earned income of the couple or (ii) \$2,400 will be deemed to be the employment related expense paid for that child. The earned income limitation of section 21(d) of the Internal Revenue Code shall not apply to this deemed amount. These deemed amounts apply regardless of whether any employment-related expenses have been paid.*

(d) *If the taxpayer is not required and does not file a federal individual income tax return for the tax year, no credit is allowed for any amount paid to any person unless:*

(1) *the name, address, and taxpayer identification number of the person are included on the return claiming the credit; or*

(2) *if the person is an organization described in section 501(c)(3) of the Internal Revenue Code and exempt from tax under section 501(a) of the Internal Revenue Code, the name and address of the person are included on the return claiming the credit.*

In the case of a failure to provide the information required under the preceding sentence, the preceding sentence does not apply if it is shown that the taxpayer exercised due diligence in attempting to provide the information required.

In the case of a nonresident, part-year resident, or a person who has earned income not subject to tax under this chapter, the credit determined under section 21 of the Internal Revenue Code must be allocated based on the ratio by which the earned income of the claimant and the claimant's spouse from Minnesota sources bears to the total earned income of the claimant and the claimant's spouse.

Sec. 14. Minnesota Statutes 1992, section 290.068, subdivision 2, is amended to read:

Subd. 2. [DEFINITIONS.] For purposes of this section, the following terms have the meanings given.

(a) "Qualified research expenses" means (i) qualified research expenses and basic research payments as defined in section 41(b) and (e) of the Internal Revenue Code, except it does not include expenses incurred for qualified research or basic research conducted outside the state of Minnesota pursuant to section 41(d) and (e) of the Internal Revenue Code; and (ii) contributions

to a nonprofit corporation established and operated pursuant to the provisions of chapter 317A for the purpose of promoting the establishment and expansion of business in this state, provided the contributions are invested by the nonprofit corporation for the purpose of providing funds for small, technologically innovative enterprises in Minnesota during the early stages of their development.

(b) "Qualified research" means qualified research as defined in section 41(d) of the Internal Revenue Code, except that the term does not include qualified research conducted outside the state of Minnesota.

(c) "Base amount" means base amount as defined in section 41(c) of the Internal Revenue Code, except that the average annual gross receipts must be calculated using Minnesota sales or receipts under section 290.191 and the definitions contained in clauses (a) and (b) shall apply.

~~(d) "Internal Revenue Code" means the Internal Revenue Code of 1986, as amended through December 31, 1991.~~

Sec. 15. Minnesota Statutes 1992, section 290.0802, subdivision 1, is amended to read:

Subdivision 1. [DEFINITIONS.] For purposes of this section, the following terms have the meanings given.

(a) "Adjusted gross income" means federal adjusted gross income as used in section 22(d) of the Internal Revenue Code for the taxable year, plus a lump sum distribution as defined in section 402(e)(3) of the Internal Revenue Code, and less any pension, annuity, or disability benefits included in federal gross income but not subject to state taxation other than the subtraction allowed under section 290.01, subdivision 19b, clause (4).

(b) "Disability income" means disability income as defined in section 22(c)(2)(B)(iii) of the Internal Revenue Code.

(e) (d) "Qualified individual" means a qualified individual as defined in section 22(b) of the Internal Revenue Code.

(e) "Social security benefits above the second federal threshold" means the amount of social security benefits included in federal taxable income due to the provisions of section 13215 of the Omnibus Budget Reconciliation Act of 1993, Public Law Number 103-66.

Sec. 16. Minnesota Statutes 1992, section 290.0802, subdivision 2, is amended to read:

Subd. 2. [SUBTRACTION.] (a) A qualified individual is allowed a subtraction from federal taxable income for the *greater of (1) the individual's subtraction base amount or (2) the minimum amount.* The excess of the

subtraction base amount over the taxable net income computed without regard to the subtraction for the elderly or disabled under section 290.01, subdivision 19b, clause (5), may be used to reduce the amount of a lump sum distribution subject to tax under section 290.032.

(b)(1) The initial subtraction base amount equals

(i) ~~\$10,000~~ \$12,000 for a married taxpayer filing a joint return if a spouse is a qualified individual,

(ii) ~~\$8,000~~ \$9,600 for a single taxpayer, and

(iii) ~~\$5,000~~ \$6,000 for a married taxpayer filing a separate federal return.

(2) The qualified individual's initial subtraction base amount, then, must be reduced by the sum of nontaxable retirement and disability benefits and one-half of the amount of adjusted gross income in excess of the following thresholds:

(i) ~~\$15,000~~ \$18,000 for a married taxpayer filing a joint return if both spouses are qualified individuals,

(ii) ~~\$12,000~~ \$14,500 for a single taxpayer or for a married couple filing a joint return if only one spouse is a qualified individual, and

(iii) ~~\$7,500~~ \$9,000 for a married taxpayer filing a separate federal return.

(3) In the case of a qualified individual who is under the age of 65, the maximum amount of the subtraction base may not exceed the taxpayer's disability income.

(4) The resulting amount is the subtraction base amount.

(c) *Qualified individuals who must include social security benefits above the second federal threshold in federal taxable income may claim a minimum amount equal to the lesser of*

(1) the amount of social security benefits above the second federal threshold included in federal taxable income; or

(2) a minimum amount subject to an income phase-out.

For taxable years beginning after December 31, 1993, and before January 1, 1995, the minimum amount equals

(i) \$3,750 for married individuals filing a joint return if both spouses are qualified individuals,

(ii) \$3,000 for a single taxpayer or for married individuals filing a joint return if one spouse is a qualified individual, and

(iii) \$1,875 for a married individual filing a separate return.

For taxable years beginning after December 31, 1994, and before January 1, 1996, the minimum amount equals

(i) \$2,250 for married individuals filing a joint return if both spouses are qualified individuals,

(ii) \$1,800 for a single taxpayer or for married individuals filing a joint return if one spouse is a qualified individual, and

(iii) \$1,125 for married individuals filing a separate return.

For taxable years beginning after December 31, 1995, and before January 1, 1997, the minimum amount equals

- (i) \$1,000 for married individuals filing a joint return if both spouses are qualified individuals,*
- (ii) \$800 for a single taxpayer or for married individuals filing a joint return if one spouse is a qualified individual, and*
- (iii) \$500 for married individuals filing a separate return.*

For taxable years beginning after December 31, 1996, the minimum amount is zero.

The minimum amount is reduced by 20 percent for each \$1,000 of adjusted gross income above an income threshold, but in no case may the minimum amount be reduced to less than zero. The income thresholds equal

- (i) \$75,000 for married individuals filing a joint return if both spouses are qualified individuals,*
- (ii) \$60,000 for single taxpayers and for married individuals filing a joint return if only one spouse is a qualified individual, and*
- (iii) \$37,500 for married individuals filing a separate return.*

Sec. 17. Minnesota Statutes 1993 Supplement, section 290.091, subdivision 2, is amended to read:

Subd. 2. [DEFINITIONS.] For purposes of the tax imposed by this section, the following terms have the meanings given:

(a) "Alternative minimum taxable income" means the sum of the following for the taxable year:

(1) the taxpayer's federal alternative minimum taxable income as defined in section 55(b)(2) of the Internal Revenue Code;

(2) the taxpayer's itemized deductions allowed in computing federal alternative minimum taxable income, but excluding the Minnesota charitable contribution deduction and ~~non-Minnesota charitable deductions to the extent they are included in federal alternative minimum taxable income under section 57(a)(6) of the Internal Revenue Code, and~~ excluding the medical expense deduction;

(3) for depletion allowances computed under section 613A(c) of the Internal Revenue Code, with respect to each property (as defined in section 614 of the Internal Revenue Code), to the extent not included in federal alternative minimum taxable income, the excess of the deduction for depletion allowable under section 611 of the Internal Revenue Code for the taxable year over the adjusted basis of the property at the end of the taxable year (determined without regard to the depletion deduction for the taxable year);

(4) to the extent not included in federal alternative minimum taxable income, the amount of the tax preference for intangible drilling cost under section 57(a)(2) of the Internal Revenue Code determined without regard to subparagraph (E);

(5) to the extent not included in federal alternative minimum taxable income, the amount of interest income as provided by section 290.01, subdivision 19a, clause (1); less the sum of

- (i) interest income as defined in section 290.01, subdivision 19b, clause (1);
- (ii) an overpayment of state income tax as provided by section 290.01, subdivision 19b, clause (2), *to the extent included in federal alternative minimum taxable income*; and
- (iii) the amount of investment interest paid or accrued within the taxable year on indebtedness to the extent that the amount does not exceed net investment income, as defined in section 163(d)(4) of the Internal Revenue Code. Interest does not include amounts deducted in computing federal adjusted gross income.

In the case of an estate or trust, alternative minimum taxable income must be computed as provided in section 59(c) of the Internal Revenue Code.

(b) ~~“Internal Revenue Code” means the Internal Revenue Code of 1986, as amended through December 31, 1992.~~

(e) “Investment interest” means investment interest as defined in section 163(d)(3) of the Internal Revenue Code.

(d) (c) “Tentative minimum tax” equals seven percent of alternative minimum taxable income after subtracting the exemption amount determined under subdivision 3.

(e) (d) “Regular tax” means the tax that would be imposed under this chapter (without regard to this section and section 290.032), reduced by the sum of the nonrefundable credits allowed under this chapter.

(f) (e) “Net minimum tax” means the minimum tax imposed by this section.

(g) (f) “Minnesota charitable contribution deduction” means a charitable contribution deduction under section 170 of the Internal Revenue Code to or for the use of an entity described in section 290.21, subdivision 3, clauses (a) to (e).

Sec. 18. Minnesota Statutes 1992, section 290.091, subdivision 3, is amended to read:

Subd. 3. [EXEMPTION AMOUNT.] For purposes of computing the alternative minimum tax, the exemption amount is the exemption determined under section 55(d) of the Internal Revenue Code, *as amended through December 31, 1992*, except that alternative minimum taxable income as determined under this section must be substituted in the computation of the phase out under section 55(d)(3).

Sec. 19. Minnesota Statutes 1992, section 290.0921, subdivision 2, is amended to read:

Subd. 2. [DEFINITIONS.] (a) For purposes of this section, the following terms have the meanings given them.

(b) “Alternative minimum taxable net income” is alternative minimum taxable income,

(1) less the exemption amount, and

(2) apportioned or allocated to Minnesota under section 290.17, 290.191, or 290.20.

(c) The "exemption amount" is \$40,000, reduced, but not below zero, by 25 percent of the excess of alternative minimum taxable income over \$150,000.

(d) "~~Internal Revenue Code~~" means the Internal Revenue Code of 1986, as amended through December 31, 1991.

(e) "Minnesota alternative minimum taxable income" is alternative minimum taxable net income, less the deductions for alternative tax net operating loss under subdivision 4; charitable contributions under subdivision 5; and dividends received under subdivision 6. The sum of the deductions under this paragraph may not exceed 90 percent of alternative minimum taxable net income. This limitation does not apply to a deduction for dividends paid to or received from a corporation which is subject to tax under section 290.35 or 290.36 and which is a member of an affiliated group of corporations as defined by the Internal Revenue Code.

Sec. 20. Minnesota Statutes 1992, section 290.35, is amended by adding a subdivision to read:

Subd. 6. [GUARANTY ASSOCIATION ASSESSMENT OFFSET.] An insurance company may offset against its corporate franchise tax liability under this chapter any amount paid pursuant to assessments made for insolvencies which occur after July 31, 1994, under sections 60C.01 to 60C.22, and any amount paid pursuant to assessments made after July 31, 1994, under Minnesota Statutes 1992, sections 61B.01 to 61B.16, or sections 61B.18 to 61B.32, as follows:

(a) Each such assessment shall give rise to an amount of offset equal to 20 percent of the amount of the assessment for each of the five calendar years following the year in which the assessment was paid.

(b) The amount of offset initially determined for each taxable year is the sum of the amounts determined under paragraph (a) for that taxable year.

(c) Each year the commissioner of revenue shall compare total guaranty association assessments levied over the preceding five calendar years to the sum of all premium tax and corporate franchise tax revenues collected from insurance companies without reduction for any guaranty association assessment offset, in the preceding calendar year, referred to in this subdivision as "preceding year insurance tax revenues." If total guaranty association assessments levied over the preceding five years exceed the preceding year insurance tax revenues, insurance companies shall be allowed only a proportionate part of the corporate franchise tax offset calculated under paragraph (b) for the current calendar year. The proportionate part of the corporate franchise tax offset allowed in the current calendar year is determined by multiplying the amount calculated under paragraph (b) by a fraction, the numerator of which equals the preceding year insurance tax revenues and the denominator of which equals total guaranty association assessments levied over the preceding five-year period. The proportionate part of the premium tax offset that is not allowed shall be carried forward to subsequent tax years and added to the amount of corporate franchise tax offset calculated under paragraph (b) before application of the limitation imposed by this paragraph. Any amount carried forward from prior years must be allowed before allowance of the offset for the current year calculated under paragraph (b). The corporate franchise tax offset limitation must be calculated separately for (1) insurance companies subject to assessment under sections 60C.01 to 60C.22, and (2) insurance companies subject to

assessment under Minnesota Statutes 1992, sections 61B.01 to 61B.16, or sections 61B.18 to 61B.32. When the corporate franchise tax offset is limited by this provision, the commissioner of revenue will notify affected insurance companies on a timely basis for purposes of completing premium and corporate franchise tax returns. The guaranty associations created under sections 60C.01 to 60C.22, Minnesota Statutes 1992, 61B.01 to 61B.16, and sections 61B.18 to 61B.32, shall provide the commissioner of revenue with the necessary information on guaranty association assessments. The limitation in this paragraph is effective for offsets allowable in 1999 and thereafter.

(d) If the offset determined by the application of paragraphs (a) to (c) exceeds the greater of the insurance company's corporate franchise tax liability under this chapter prior to allowance of the credit provided by subdivision 3 or its premium tax liability under chapter 60A, then the insurance company may carry forward the excess, referred to in this subdivision as the "carryforward credit," to subsequent taxable years. The carryforward credit must be allowed as an offset against corporate franchise tax liability for the first succeeding year to the extent that the corporate franchise tax liability for that year exceeds the amount of the allowable offset for the year determined under paragraphs (a) to (c). The carryforward credit shall be reduced, but not below zero, by the greater of the amount of the carryforward credit allowed as an offset against the corporate franchise tax pursuant to this paragraph or the amount of the carryforward credit allowed as an offset against the insurance company's premium tax liability under chapter 60A pursuant to section 60A.15, subdivision 15, paragraph (d). The remainder, if any, of the carryforward credit must be carried forward to succeeding taxable years until the entire carryforward credit has been credited against the insurance company's liability for corporate franchise tax under this chapter and premium tax under chapter 60A.

(e) A refund paid by the Minnesota life and health insurance guaranty association to member insurers under Minnesota Statutes 1992, section 61B.07, subdivision 6, or section 61B.24, subdivision 6, with respect to an assessment payment which has been offset against taxes shall reduce the carryforward credit determined under paragraph (d) and, if the refund exceeds the amount of the carryforward credit, shall be repaid by the insurers to the extent of the offset to the state in the manner the commissioner of revenue requires.

Sec. 21. Minnesota Statutes 1992, section 297.01, is amended by adding a subdivision to read:

Subd. 17. [INTERNAL REVENUE CODE.] Unless specifically defined otherwise, "Internal Revenue Code" means the Internal Revenue Code of 1986, as amended through December 31, 1993.

Sec. 22. Minnesota Statutes 1992, section 298.017, subdivision 2, is amended to read:

Subd. 2. [DEDUCTIONS ALLOWED.] (a) In calculating the net proceeds for the purpose of determining the tax provided in section 298.015, only those expenses specifically allowed in this subdivision may be deducted from gross proceeds. The carryback or carryforward of deductions shall not be allowed.

(b) Ordinary and necessary expenses actually paid for the mining, production, processing, beneficiation, smelting, or refining of metal or mineral products for:

(1) labor, including wages, salaries, fringe benefits, unemployment and workers' compensation insurance;

(2) machinery, equipment, and supplies, including any sales and use tax paid on it, except that machinery and equipment subject to depreciation shall only be deductible under clause (b)(3);

(3) depreciation as defined and allowed by section 167 of the Internal Revenue Code of 1986, as amended through December 31, 1986 1993;

(4) administrative expenses inside Minnesota; and

(5) reclamation costs actually incurred in Minnesota and paid in a year of production, including the payment of bonds required by the provisions of an environmental permit issued by the state of Minnesota

are deductible.

(c) Ordinary and necessary expenses of transporting metal or mineral products are allowed as a deduction if the costs are included in the sale price of the products.

(d) Expenses of exploration, research, or development in this state for the mining and processing of minerals within Minnesota paid in a production year are deductible in the production year.

(e) Expenses of exploration and development in Minnesota incurred prior to production must be amortized and deducted on a straight-line basis over the first five years of production.

Sec. 24. [INSTRUCTION TO REVISOR.]

In the next edition of Minnesota Statutes, the revisor of statutes shall substitute the phrase "Internal Revenue Code" for the words "Internal Revenue Code of 1986, as amended through December 31, 1992," where the phrase occurs in chapters 289A, 290, 290A, 291, and 297, except for sections 290.01, subdivision 19; 290.091, subdivision 3; 290A.03, subdivision 15; and 291.005, subdivision 1.

In the next edition of Minnesota Statutes, the revisor of statutes shall substitute the phrase "Internal Revenue Code of 1986, as amended through December 31, 1993," for the words "Internal Revenue Code of 1986, as amended through December 31, 1992," wherever the phrase occurs in sections 290A.03, subdivision 15; 291.005, subdivision 1; 469.174, subdivision 20; and chapter 298.

Sec. 25. [REPEALER.]

(a) Minnesota Statutes 1992, sections 290.05, subdivision 6; and 290.067, subdivision 6, is repealed.

(b) Minnesota Statutes 1993 Supplement, section 289A.25, subdivision 5a, is repealed.

Sec. 26. [SEVERABILITY.]

If section 1 or 7 is for any reason found by a final nonappealable order of a court of competent jurisdiction to be unconstitutional or to have an unconstitutional effect on the application of the insurance premiums tax to other insurance companies, the legislature intends that only section 1 or section 7, as appropriate, be invalid and the otherwise applicable insurance premiums tax rates apply.

ARTICLE 2**SALES, USE, AND MOTOR VEHICLE EXCISE TAXES**

Section 1. Minnesota Statutes 1993 Supplement, section 289A.11, subdivision 1, is amended to read:

Subdivision 1. [RETURN REQUIRED:] Except as provided in section 289A.18, subdivision 4, for the month in which taxes imposed by sections 297A.01 to 297A.44 are payable, or for which a return is due, a return for the preceding reporting period must be filed with the commissioner in the form and manner the commissioner prescribes. A person making sales at retail at two or more places of business may file a consolidated return subject to rules

prescribed by the commissioner. *In computing the dollar amount of items on the return, the amounts are rounded off to the nearest whole dollar, disregarding amounts less than 50 cents and increasing amounts of 50 cents to 99 cents to the next highest dollar.*

Notwithstanding this subdivision, a person who is not required to hold a sales tax permit under chapter 297A and who makes annual purchases of less than ~~\$5,000~~ \$18,500 that are subject to the use tax imposed by section 297A.14, may file an annual use tax return on a form prescribed by the commissioner. If a person who qualifies for an annual use tax reporting period is required to obtain a sales tax permit or makes use tax purchases in excess of ~~\$5,000~~ \$18,500 during the calendar year, the reporting period must be considered ended at the end of the month in which the permit is applied for or the purchase in excess of ~~\$5,000~~ \$18,500 is made and a return must be filed for the preceding reporting period.

Sec. 2. Minnesota Statutes 1993 Supplement, section 297A.01, subdivision 16, is amended to read:

Subd. 16. [CAPITAL EQUIPMENT.] (a) Capital equipment means machinery and equipment ~~and the materials and supplies necessary to construct or install the machinery or equipment. To qualify under this definition the capital equipment must be purchased or leased for use in this state and used by the purchaser or lessee primarily for manufacturing, fabricating, mining, quarrying, or refining tangible personal property; to be sold ultimately at retail and for electronically transmitting results retrieved by a customer of an on-line computerized data retrieval system; or for the generation of electricity or steam, to be sold at retail and must be used for the establishment of a new or the physical expansion of an existing manufacturing, fabricating, mining, quarrying, or refining facility in the state. For purposes of this subdivision, "mining" includes peat mining, and "on-line computerized data retrieval system" refers to a system whose cumulation of information is equally available and accessible to all its customers.~~

(b) *Capital equipment includes all machinery and equipment that is essential to the integrated production process. Capital equipment includes, but is not limited to:*

(1) *machinery and equipment used or required to operate, control, or regulate the production equipment;*

(2) *machinery and equipment used for research and development, design, quality control, and testing activities;*

(3) *environmental control devices that are used to maintain conditions such as temperature, humidity, light, or air pressure when those conditions are essential to and are part of the production process; or*

(4) *materials and supplies necessary to construct and install machinery or equipment.*

(c) Capital equipment does not include the following:

(1) ~~machinery or equipment purchased or leased to replace machinery or equipment performing substantially the same function in an existing facility;~~

(2) ~~repair or replacement parts, including accessories, whether purchased as spare parts, repair parts, or as upgrades or modifications, and whether purchased before or after the machinery or equipment is placed into service.~~

Parts or accessories are treated as capital equipment only to the extent that they are a part of and are essential to the operation of the machinery or equipment as initially purchased;

(2) *motor vehicles taxed under chapter 297B;*

(3) machinery or equipment used to receive or store raw materials;

(4) building materials, ~~including materials used for foundations that support machinery or equipment;~~

(5) machinery or equipment used for nonproduction purposes, including, but not limited to, the following: machinery and equipment used for plant security, fire prevention, first aid, and hospital stations; machinery and equipment used in support operations or for administrative purposes; machinery and equipment used solely for pollution control, prevention, or abatement; ~~machinery and equipment used for environmental control, except that when a controlled environment is essential for the manufacture of a particular product, the machinery or equipment that controls the environment can qualify as capital equipment;~~ and machinery and equipment used in plant cleaning, disposal of scrap and waste, plant communications, *space heating*, lighting, or safety;

(6) "farm machinery" as defined by subdivision 15, ~~"special tooling" as defined by subdivision 17, and "aquaculture production equipment" as defined by subdivision 19, and "replacement capital equipment" as defined by subdivision 20;~~ or

(7) any other item that is not essential to the integrated process of manufacturing, fabricating, mining, ~~quarrying,~~ or refining.

(d) *For purposes of this subdivision:*

(1) "Equipment" means independent devices or tools separate from machinery but essential to an integrated production process, including computers and software, used in operating machinery and equipment; and any subunit or assembly comprising a component of any machinery or accessory or attachment parts of machinery, such as tools, dies, jigs, patterns, and molds.

(2) "Fabricating" means to make, build, create, produce, or assemble components or property to work in a new or different manner.

(3) "Machinery" means mechanical, electronic, or electrical devices, including computers and software, that are purchased or constructed to be used for the activities set forth in paragraph (a), beginning with the removal of raw materials from inventory through the completion of the product, including packaging of the product.

(4) "Manufacturing" means an operation or series of operations where raw materials are changed in form, composition, or condition by machinery and equipment and which results in the production of a new article of tangible personal property. For purposes of this subdivision, "manufacturing" includes the generation of electricity or steam to be sold at retail.

(5) "Mining" means the extraction of minerals, ores, stone, and peat.

(6) "On-line data retrieval system" means a system whose cumulation of information is equally available and accessible to all its customers.

(7) "Pollution control equipment" means machinery and equipment used to eliminate, prevent, or reduce pollution resulting from an activity described in paragraph (a).

(8) "Primarily" means machinery and equipment used 50 percent or more of the time in an activity described in paragraph (a).

(9) "Refining" means the process of converting a natural resource to a product, including the treatment of water to be sold at retail.

(e) (e) For purposes of this subdivision:

(1) the requirement that the machinery or equipment "must be used by the purchaser or lessee" means that the person who purchases or leases the machinery or equipment must be the one who uses it for the qualifying purpose. When a contractor buys and installs machinery or equipment as part of an improvement to real property, only the contractor is considered the purchaser;

(2) the requirement that the machinery and equipment must be used "for manufacturing, fabricating, mining, quarrying, or refining" means that the machinery or equipment must be essential to the integrated process of manufacturing, fabricating, mining, quarrying, or refining. Neither legal requirements nor practical necessity determines whether or not the equipment is essential to the integrated process;

(3) "facility" means a coordinated group of fixed assets, which may include land, buildings, machinery, and equipment that are essential to and used in an integrated manufacturing, fabricating, refining, mining, or quarrying process;

(4) "establishment of a new facility" means the construction of a facility, or the purchase by a new owner of a facility that was previously closed and not operational for a period of at least 12 consecutive months. Relocating operations from an existing facility within Minnesota to another facility within Minnesota does not constitute establishing a new facility;

(5) "physical expansion of an existing facility" means adding a new production line, adding new machinery or equipment to an existing production line, new construction which will become part of the existing facility and which is used for a qualifying activity, or conversion of an area in an existing facility from a nonqualifying activity to a qualifying activity; and

(6) performing "substantially the same function" means that the new machinery or equipment serves fundamentally or essentially the same purpose as did the old equipment or that it produces the same or similar end product, even though it may increase speed, efficiency, or production capacity.

(d) (f) Notwithstanding prior provisions of this subdivision, machinery and equipment purchased or leased to replace machinery and equipment used in the mining or production of taconite shall qualify as capital equipment regardless of whether the facility has been expanded.

Sec. 3. Minnesota Statutes 1992, section 297A.01, is amended by adding a subdivision to read:

Subd. 20. [REPLACEMENT CAPITAL EQUIPMENT.] (a) Replacement capital equipment means machinery and equipment, as defined in subdivision 16, that serves fundamentally or essentially the same purpose or function or

that produces the same or similar end product as did the old equipment, even though it may increase speed, efficiency, or production capacity.

(b) Replacement capital equipment includes:

(1) repair and replacement parts, including accessories, whether purchased as spare parts, repair parts, or as upgrades or modifications to machinery or equipment;

(2) replacement or enhanced software used or required to operate, control, or regulate machinery or equipment;

(3) materials used for foundations that support machinery or equipment or special purpose buildings used in the production process; or

(4) all machinery and equipment that is replacing an existing piece of machinery or equipment that is essential to the integrated production process.

Sec. 4. Minnesota Statutes 1992, section 297A.02, is amended to read:

297A.02 [IMPOSITION OF TAX.]

The 3.2 percent malt liquor is subject to taxation under this subdivision only when sold at an on-sale or off-sale municipal liquor store or other establishment licensed to sell any type of intoxicating liquor.

Subd. 4. [MANUFACTURED HOUSING.] Notwithstanding the provisions of subdivision 1, for sales at retail of manufactured homes used for residential purposes the excise tax is imposed upon 65 percent of the sales price of the home.

Subd. 5. [REPLACEMENT CAPITAL EQUIPMENT.] Notwithstanding the provisions of subdivision 1, the rate of excise tax imposed upon retail sales of replacement capital equipment is:

for purchases after June 30, 1994, and prior to July 1, 1995, 5.0 percent,
for purchases after June 30, 1995, and prior to July 1, 1996, 4.0 percent,

sector in this state, as determined by the commissioner of jobs and training on the preceding January 1, does not exceed by 4,500 the total employment in the manufacturing sector in the state on January 1, 1994.

Sec. 5. [297A.022] [COORDINATION OF STATE AND LOCAL SALES TAX RATES.]

In preparing and distributing a sales tax schedule for use within a local jurisdiction with a separate general sales tax, the state department of revenue shall coordinate the state, local option, and local sales tax so that a sale of \$1 reflects a tax equal to the combination of the state, local option, and local sales tax rate. The combined sales tax on other sales amounts shall also reflect the coordinated rather than the separate effects of the three sales taxes. The schedule must be coordinated as long as the local sales tax is in effect. If the sales tax percentage is changed for any of the taxes, the schedule shall be adjusted to reflect the change.

Sec. 6. Minnesota Statutes 1992, section 297A.135, subdivision 1, is amended to read:

Subdivision 1. [TAX IMPOSED.] A tax of \$7.50 is imposed on the lease or rental in this state for not more than 28 days of a passenger automobile as defined in section 168.011, subdivision 7, a van as defined in section 168.011, subdivision 28, or a pickup truck as defined in section 168.011, subdivision 29. The application must include sufficient information to permit the commissioner to verify the sales tax paid for the project. The application shall include information necessary for the commissioner initially to verify that the purchases qualified as capital equipment under section 297A.25, subdivision 42, replacement capital equipment under section 297A.01, subdivision 20, or capital equipment or construction materials and supplies under section 297A.25, subdivision 50. Sec. 2. Minnesota Statutes 1992, section 16A.711, subdivision 5, is amended to read:

Subd. 5. [ADJUSTMENTS FOR LOCAL GOVERNMENT TRUST FUND REVENUES.] (a) For the second fiscal year of each biennium, the commissioner of revenue shall make adjustments in aid amounts ~~so that the based on the difference between anticipated total obligations of the local government trust fund are equal to and anticipated total revenues of the local government trust fund.~~ *For purposes of this subdivision, obligations of the trust fund for any biennium include obligations to repay advances from the general fund in the previous biennium.*

In the event that anticipated total obligations of the trust fund exceed 102 percent of anticipated total revenues for the biennium, each jurisdiction's aid will be reduced as provided under section 477A.0132 by the amount of the expenditures over 102 percent of revenues. For fiscal year 1993 only, if reductions are necessary in an amount greater than \$6,700,000, the additional reduction for the shortfall beyond \$6,700,000 will be applied only to aids under section 477A.013.

All money available to counties pursuant to this section may be used by counties to match federal money. *It is the intention of the legislature that the aid paid to counties under this section be used to provide property tax relief within the county.*

Sec. 5. Minnesota Statutes 1993 Supplement, section 256E.06, subdivision 12, is amended to read:

For calendar year 1995 only, each county's aid will be adjusted to reflect the increase that is required to occur in the second half of the calendar year.

In fiscal year 1997 and subsequent years, the amount appropriated shall be the amount appropriated under this section in the previous year, adjusted for inflation as provided under section 477A.03, subdivision 3.

A jurisdiction's aid amount may be increased or decreased based on any prior year adjustments for homestead credit or other property tax credit or aid programs.

Sec. 9. Minnesota Statutes 1993 Supplement, section 273.166 is amended by adding a subdivision to read:

Subd. 5. [APPROPRIATION.] There is annually appropriated from the general fund to the commissioner of education a sum sufficient to pay the aids provided under this section for school districts, intermediate school districts, or any group of school districts levying as a single taxing entity. There is annually appropriated from the general fund to the commissioner of revenue a sum sufficient to pay the aids provided under this section to counties, cities, towns, and special taxing districts.

Sec. 10. Minnesota Statutes 1993 Supplement, section 275.065, subdivision 3, is amended to read:

Subd. 3. [NOTICE OF PROPOSED PROPERTY TAXES.] (a) The county auditor shall prepare and the county treasurer shall deliver after November 10 and on or before November 24 each year, by first class mail to each taxpayer at the address listed on the county's current year's assessment roll, a notice of proposed property taxes and, in the case of a town, final property taxes.

(b) The commissioner of revenue shall prescribe the form of the notice.

(c) The notice must inform taxpayers that it contains the amount of property taxes each taxing authority other than a town proposes to collect for taxes payable the following year and, for a town, the amount of its final levy. It must clearly state that each taxing authority, including regional library districts established under section 134.201, and including the metropolitan taxing districts as defined in paragraph (i), but excluding all other special taxing districts and towns, will hold a public meeting to receive public testimony on the proposed budget and proposed or final property tax levy, or, in case of a school district, on the current budget and proposed property tax levy. It must clearly state the time and place of each taxing authority's meeting and an address where comments will be received by mail. For 1993, the notice must clearly state that each taxing authority holding a public meeting will describe the increases or decreases of the total budget, including employee and independent contractor compensation in the prior year, current year, and the proposed budget year.

(d) The notice must state for each parcel:

(1) the market value of the property as determined under section 273.11, and used for computing property taxes payable in the following year and for taxes payable in the current year; and, in the case of residential property, whether the property is classified as homestead or nonhomestead. The notice must clearly inform taxpayers of the years to which the market values apply and that the values are final values;

(2) by county, city or town, school district excess referenda levy, remaining school district levy, regional library district, if in existence, the total of the metropolitan special taxing districts as defined in paragraph (i) and the sum of the remaining special taxing districts, and as a total of the taxing authorities, including all special taxing districts, the proposed or, for a town, final net tax on the property for taxes payable the following year and the actual tax for taxes payable the current year. In the case of the city of Minneapolis, the levy for the Minneapolis library board and the levy for Minneapolis park and recreation shall be listed separately from the remaining amount of the city's levy. In the case of a parcel where tax increment or the fiscal disparities areawide tax applies, the proposed tax levy on the captured value or the proposed tax levy on the tax capacity subject to the areawide tax must each be stated separately and not included in the sum of the special taxing districts; and

(3) the increase or decrease in the amounts in clause (2) from taxes payable in the current year to proposed or, for a town, final taxes payable the following year, expressed as a dollar amount and as a percentage.

(e) The notice must clearly state that the proposed or final taxes do not include the following:

(1) special assessments;

(2) levies approved by the voters after the date the proposed taxes are certified, including bond referenda, school district levy referenda, and levy limit increase referenda;

(3) amounts necessary to pay cleanup or other costs due to a natural disaster occurring after the date the proposed taxes are certified;

(4) amounts necessary to pay tort judgments against the taxing authority that become final after the date the proposed taxes are certified; *and*

(5) ~~any additional amount levied in lieu of a local sales and use tax, unless this amount is included in the proposed or final taxes; and~~

(6) ~~the contamination tax imposed on properties which received market value reductions for contamination.~~

(f) Except as provided in subdivision 7, failure of the county auditor to prepare or the county treasurer to deliver the notice as required in this section does not invalidate the proposed or final tax levy or the taxes payable pursuant to the tax levy.

(g) If the notice the taxpayer receives under this section lists the property as nonhomestead and the homeowner provides satisfactory documentation to the county assessor that the property is owned and has been used as the owner's homestead prior to June 1 of that year, the assessor shall reclassify the property to homestead for taxes payable in the following year.

(h) In the case of class 4 residential property used as a residence for lease or rental periods of 30 days or more, the taxpayer must either:

(1) mail or deliver a copy of the notice of proposed property taxes to each tenant, renter, or lessee; or

(2) post a copy of the notice in a conspicuous place on the premises of the property.

(i) For purposes of this subdivision, subdivisions 5a and 6, "metropolitan special taxing districts" means the following taxing districts in the seven-county metropolitan area that levy a property tax for any of the specified purposes listed below:

(1) metropolitan council under section 473.132, 473.167, 473.249, 473.325, 473.521, 473.547, or 473.834;

(2) metropolitan airports commission under section 473.667, 473.671, or 473.672;

(3) regional transit board under section 473.446; and

(4) metropolitan mosquito control commission under section 473.711.

For purposes of this section, any levies made by the regional rail authorities in the county of Anoka, Carver, Dakota, Hennepin, Ramsey, Scott, or Washington under chapter 398A shall be included with the appropriate county's levy and shall be discussed at that county's public hearing.

The notice must be mailed or posted by the taxpayer by November 27 or within three days of receipt of the notice, whichever is later. A taxpayer may notify the county treasurer of the address of the taxpayer, agent, caretaker, or manager of the premises to which the notice must be mailed in order to fulfill the requirements of this paragraph.

Sec. 11. Minnesota Statutes 1993 Supplement, section 290A.23, is amended by adding a subdivision to read:

Subd. 3. [ANNUAL APPROPRIATION.] For payments made after July 1, 1996, there is annually appropriated from the general fund to the commissioner of revenue the amount necessary to make the payments required under section 290A.04, subdivisions 2 and 2h.

Sec. 12. [462C.15] [MORTGAGE CREDIT CERTIFICATE AID.]

Subdivision 1. [APPLICATION.] By May 15 of each year, a city issuing mortgage credit certificates during the previous calendar year shall report to the commissioner of trade and economic development. The report shall be in a form and contain the information necessary to determine the aid amounts, as prescribed by the commissioner. The report shall contain, at least, for each mortgage loan for which a mortgage credit certificate was issued: (1) the principal amount of the loan, (2) the interest rate on the loan, (3) the term of the loan, and (4) the credit rate.

Subd. 2. [PAYMENT OF AID.] By July 15 of each year, the commissioner of trade and economic development shall pay mortgage credit certificate aid to each city issuing certificates during the previous calendar year and submitting a timely application under subdivision 1. The amount of aid to be paid to a city for a calendar year equals the sum of the aid for each mortgage credit certificate issued by the city for a mortgage loan that is outstanding

during the calendar year, assuming no prepayment of principal. The amount of mortgage credit certificate aid for each mortgage credit certificate equals eight percent multiplied by the product of the credit rate, the outstanding principal amount of the loan, and the original interest rate on the loan. For purposes of calculating the aid for a variable rate loan, the original interest rate means the interest rate that applies in the first year of the loan. For purposes of calculating the aid, the commissioner shall assume level amortization with no prepayment of principal.

Subd. 3. [USE OF AID.] The city shall transfer the aid to its housing authority to be used to provide homeownership programs to families or individuals whose incomes are at or below 80 percent of the area median income.

Subd. 4. [APPROPRIATION.] An amount sufficient to pay the aid under this section is appropriated from the general fund to the commissioner of trade and economic development.

Subd. 5. [DEFINITIONS.] The definitions in section 462C.02 apply to this section.

Sec. 13. [477A.0122] [FAMILY PRESERVATION AID.]

Subdivision 1. [PURPOSE.] The purpose of family preservation aid is to reduce the rate of increase in the costs of out-of-home placement of children and concomitant increases in county property taxes. Aids paid under this section must be used to fund family preservation programs.

Subd. 2. [DEFINITIONS.] For purposes of this section, the following definitions apply:

By July 1, 1994, the commissioner of human services shall certify to the commissioner of revenue the number of children in out-of-home placement in 1991 and 1992 for each county and the income maintenance caseload for each county for the most recent year available. By July 1 of each subsequent year, the commissioner of human services shall certify to the commissioner of revenue the income maintenance caseload for each county for the most recent calendar year available.

Subd. 3. [AID DISTRIBUTION; CALENDAR YEAR 1995.] For aid paid in calendar year 1995 only, one-half of the aid amount shall be paid to each county in the same proportion that the county's number of children in out-of-home placement is to the number of children in out-of-home placement for all counties within the state for 1991 and 1992, and one-half of the aid amount shall be paid to each county in the same proportion that the county's

income maintenance caseload is to the income maintenance caseload for all counties within the state.

Subd. 4. [AID DISTRIBUTION; CALENDAR YEAR 1996 AND THEREAFTER.] *For aid paid in calendar year 1996 and thereafter, each county shall receive the same proportion of the total aid it received in the prior year, multiplied by one plus the percentage change in the county's share of the statewide income maintenance caseload. If the amount appropriated does not equal the aid amounts calculated under this subdivision, the commissioner of revenue shall proportionately reduce or increase the aid amounts so that their sum equals the amount appropriated.*

Subd. 5. [PAYMENT.] *The commissioner of revenue shall pay the amounts determined under this section as provided in section 477A.015.*

Subd. 6. [REPORT.] *On or before March 15 of the year following the year in which the distributions under this section are received, each county shall file with the commissioner of revenue and commissioner of human services a report on prior year expenditures for out-of-home placement and family preservation, including expenditures under this section.*

In calendar years 1991 and 1992, each town that had levied for taxes payable in the prior year a local tax rate of at least .008 shall receive a distribution equal to the amount it received in the previous year under this subdivision less any permanent reductions made under section 477A.0132. In 1993, each town that had levied for taxes payable in the prior year a local tax rate of at least .008 shall receive a distribution equal to the amount it received in 1992 under this subdivision before any nonpermanent reductions made under section 477A.0132 plus \$1 per capita based on the town's population. In 1994 and thereafter each town that had levied for taxes payable in the prior year a local tax rate of at least .008 shall receive a distribution equal to the amount it received in 1993 under this section before any nonpermanent reductions made under section 477A.0132. In 1996 and subsequent years each town that had levied for taxes payable in 1993 a local tax rate of at least .008 shall receive a distribution equal to the amount it received in the previous year under this section, adjusted for inflation as provided under section 477A.03, subdivision 3.*

Sec. 15. Minnesota Statutes 1993 Supplement, section 477A.013, subdivision 8, as amended by Laws 1994, chapter 416, article 1, section 59, is amended to read:

Subd. 8. [CITY FORMULA AID INCREASE.] *(a) In calendar year 1994 and subsequent years, the formula aid increase for a city is equal to the need increase percentage multiplied by the difference between (1) the city's revenue need multiplied by its population, and (2) the city's net tax capacity*

multiplied by the tax effort rate. No city may have a formula aid amount less than zero. The need increase percentage must be the same for all cities.

Notwithstanding the prior sentence, in 1995 only, the need increase percentage for a city shall be twice the need increase percentage applicable to other cities if:

(1) the city, in 1992 or 1993, transferred an amount from governmental funds to their sewer and water fund, and

(2) the amount transferred exceeded their net levy for taxes payable in the year in which the transfer occurred.

The applicable need increase percentage must be the same for all cities and or percentages must be calculated by the department of revenue so that the total of the aid under subdivision 9 equals the total amount available for aid under section 477A.03, subdivision 1.

(b) The percentage aid increase for a first class city in calendar year 1994 must not exceed the percentage increase in the sum of calendar year 1994 city aids under this section compared to the sum of the city aid base for all cities. (c) The aid increase in calendar year 1995 and subsequent years for any city is limited to an amount such that the total aid to the city does not exceed the sum of (1) ten percent of the city's net levy for the year prior to the aid distribution plus (2) the total aid it received in the previous year.

Sec. 16. Minnesota Statutes 1993 Supplement, section 477A.013, subdivision 9, is amended to read:

Subd. 9. [CITY AID DISTRIBUTION.] (a) In calendar year 1994 and thereafter, each city shall receive an aid distribution equal to the sum of (1) the city formula aid increase under subdivision 8, and (2) its city aid base multiplied by a percentage equal to 100 minus the base reduction percentage.

(b) The percentage increase for a first class city in calendar year 1995 and thereafter shall not exceed the percentage increase in the sum of the aid to all cities under this section in the current calendar year compared to the sum of the aid to all cities in the previous year.

(c) The total aid for any city, except a first class city, shall not exceed the sum of (1) ten percent of the city's net levy for the year prior to the aid distribution plus (2) its total aid in the previous year before any increases or decreases under sections 16A.711, subdivision 5, and 477A.0132.

(d) Notwithstanding paragraph (c), in 1995 only, for cities which in 1992 or 1993 transferred an amount from governmental funds to their sewer and water fund in an amount greater than their net levy for taxes payable in the year in which the transfer occurred, the total aid shall not exceed the sum of (1) 20 percent of the city's net levy for the year prior to the aid distribution plus (2) its total aid in the previous year before any increases or decreases under sections 16A.711, subdivision 5, and 477A.0132.

No abatement of the taxes for qualifying improvements may be granted by a county board unless (1) a building permit was issued prior to commencement of the improvement if the jurisdiction requires a building permit, and (2) an application was completed on a timely basis.

The assessor shall note the qualifying value of each improvement on the property's record, and the sum of those amounts shall be subtracted from the value of the property in each year for ten years after the improvement has been made, at which time an amount equal to 20 percent of the qualifying value shall be added back in each of the five subsequent assessment years. The valuation exclusion shall terminate whenever (1) the property is sold, or (2) the property is reclassified to a class which does not qualify for treatment under this subdivision. Improvements made by an occupant who is the purchaser of the property under a conditional purchase contract do not qualify under this subdivision unless the seller of the property is a governmental entity. The qualifying value of the property shall be computed based upon the increase from that structure's market value as of January 2 preceding the acquisition of the property by the governmental entity.

The total qualifying value for a homestead may not exceed \$50,000. The total qualifying value for a homestead with a house that is less than 70 years old may not exceed \$25,000. The term "qualifying value" means the increase in estimated market value resulting from the improvement if the improvement occurs when the house is at least 70 years old, or one-half of the increase in estimated market value resulting from the improvement otherwise. The \$25,000 and \$50,000 maximum qualifying value under this ~~section~~ *subdivision* may result from up to three separate improvements to the homestead. *The application shall state, in clear language, that if more than three improvements are made to the qualifying property, a taxpayer may choose which three improvements are eligible, provided that after the taxpayer has made the choice and any valuation attributable to those improvements has been excluded from taxation, no further changes can be made by the taxpayer.*

If 50 percent or more of the square footage of a structure is voluntarily razed or removed, the valuation increase attributable to any subsequent improvements to the remaining structure does not qualify for the exclusion under this subdivision. If a structure is unintentionally or accidentally destroyed by a natural disaster, the property is eligible for an exclusion under this subdivision provided that the structure was not completely destroyed. The qualifying value on property destroyed by a natural disaster shall be computed based upon the increase from that structure's market value as determined on January 2 of the year in which the disaster occurred. A property receiving benefits under the homestead disaster provisions under section 273.123 is not disqualified from receiving an exclusion under this subdivision. If any combination of improvements made to a structure after January 1, 1993, increases the size of the structure by 100 percent or more, the valuation increase attributable to the portion of the improvement that causes the structure's size to exceed 100 percent does not qualify for exclusion under this subdivision.

Sec. 5. Minnesota Statutes 1993 Supplement, section 273.11, is amended by adding a subdivision to read:

Subd. 17. [DISCLOSURE OF VALUATION EXCLUSION.] No seller of real property shall sell or offer for sale property that, for purposes of property taxation, has an exclusion from market value for home improvements under subdivision 16, without disclosing to the buyer the existence of the excluded valuation and informing the buyer that the exclusion will end upon the sale of the property and that the property's estimated market value for property tax purposes will increase accordingly.

Sec. 6. Minnesota Statutes 1992, section 273.111, subdivision 11, is amended to read:

Subd. 11. The payment of special local assessments levied after June 1, 1967 for improvements made to any real property described in subdivision 3 together with the interest thereon shall, on timely application as provided in subdivision 8, be deferred as long as such property meets the conditions contained in subdivisions 3 and 6 or is transferred to an agricultural preserve under sections 473H.02 to 473H.17. If special assessments against the property have been deferred pursuant to this subdivision, the governmental unit shall file with the county recorder in the county in which the property is located a certificate containing the legal description of the affected property and of the amount deferred. When such property no longer qualifies under subdivisions 3 and 6, all deferred special assessments plus interest shall be

payable in equal installments spread over the time remaining until the last maturity date of the bonds issued to finance the improvement for which the assessments were levied. If the bonds have matured, the deferred special assessments plus interest shall be payable within 90 days. The provisions of section 429.061, subdivision 2, apply to the collection of these installments. Penalty shall not be levied on any such special assessments if timely paid.

Sec. 7. Minnesota Statutes 1993 Supplement, section 273.112, subdivision 3, is amended to read:

Subd. 3. Real estate shall be entitled to valuation and tax deferral under this section only if it is:

(a) actively and exclusively devoted to golf, skiing, *lawn bowling*, *croquet*, or archery or firearms range recreational use or uses and other recreational uses carried on at the establishment;

(b) five acres in size or more, except in the case of a *lawn bowling or croquet green* or an archery or firearms range;

(c)(1) operated by private individuals *or, in the case of a lawn bowling or croquet green, by private individuals or corporations*, and open to the public; or

(2) operated by firms or corporations for the benefit of employees or guests; or

(3) operated by private clubs having a membership of 50 or more *or open to the public*, provided that the club does not discriminate in membership requirements or selection on the basis of sex or marital status; and

(d) made available, in the case of real estate devoted to golf, for use without discrimination on the basis of sex during the time when the facility is open to use by the public or by members, except that use for golf may be restricted on the basis of sex no more frequently than one, or part of one, weekend each calendar month for each sex and no more than two, or part of two, weekdays each week for each sex.

If a golf club membership allows use of golf course facilities by more than one adult per membership, the use must be equally available to all adults entitled to use of the golf course under the membership, except that use may be restricted on the basis of sex as permitted in this section. Memberships that permit play during restricted times may be allowed only if the restricted times apply to all adults using the membership. A golf club may not offer a membership or golfing privileges to a spouse of a member that provides greater or less access to the golf course than is provided to that person's spouse under the same or a separate membership in that club, except that the terms of a membership may provide that one spouse may have no right to use the golf course at any time, while the other spouse may have either limited or unlimited access to the golf course.

A golf club may have or create an individual membership category which entitles a member for a reduced rate to play during restricted hours as established by the club. The club must have on record a written request by the member for such membership.

A golf club that has food or beverage facilities or services must allow equal access to those facilities and services for both men and women members in all membership categories at all times. Nothing in this paragraph shall be

construed to require service or access to facilities to persons under the age of 21 years or require any act that would violate law or ordinance regarding sale, consumption, or regulation of alcoholic beverages.

For purposes of this subdivision and subdivision 7a, discrimination means a pattern or course of conduct and not linked to an isolated incident.

Sec. 8. Minnesota Statutes 1993 Supplement, section 273.124, subdivision 1, is amended to read:

Subdivision 1. [GENERAL RULE.] (a) Residential real estate that is occupied and used for the purposes of a homestead by its owner, who must be a Minnesota resident, is a residential homestead.

Agricultural land, as defined in section 273.13, subdivision 23, that is occupied and used as a homestead by its owner, who must be a Minnesota resident, is an agricultural homestead.

Dates for establishment of a homestead and homestead treatment provided to particular types of property are as provided in this section.

Property of a trustee, beneficiary, or grantor of a trust is not disqualified from receiving homestead benefits if the homestead requirements under this chapter are satisfied.

The assessor shall require proof, as provided in subdivision 13, of the facts upon which classification as a homestead may be determined. Notwithstanding any other law, the assessor may at any time require a homestead application to be filed in order to verify that any property classified as a homestead continues to be eligible for homestead status.

When there is a name change or a transfer of homestead property, the assessor may reclassify the property in the next assessment unless a homestead application is filed to verify that the property continues to qualify for homestead classification.

(b) For purposes of this section, homestead property shall include property which is used for purposes of the homestead but is separated from the homestead by a road, street, lot, waterway, or other similar intervening property. The term "used for purposes of the homestead" shall include but not be limited to uses for gardens, garages, or other outbuildings commonly associated with a homestead, but shall not include vacant land held primarily for future development. In order to receive homestead treatment for the noncontiguous property, the owner shall apply for it to the assessor by July 1 of the year when the treatment is initially sought. After initial qualification for the homestead treatment, additional applications for subsequent years are not required.

(c) Residential real estate that is occupied and used for purposes of a homestead by a relative of the owner is a homestead but only to the extent of the homestead treatment that would be provided if the related owner occupied the property. For purposes of this paragraph, "relative" means a parent, stepparent, child, stepchild, ~~spouse~~, grandparent, grandchild, brother, sister, uncle, or aunt. This relationship may be by blood or marriage. Property that was classified as seasonal recreational residential property at the time when treatment under this paragraph would first apply shall continue to be classified as seasonal recreational residential property for the first four assessment years beginning after the date when the relative of the owner occupies the property

as a homestead; this delay also applies to property that, in the absence of this paragraph, would have been classified as seasonal recreational residential property at the time when the residence was constructed. Neither the related occupant nor the owner of the property may claim a property tax refund under chapter 290A for a homestead occupied by a relative. In the case of a residence located on agricultural land, only the house, garage, and immediately surrounding one acre of land shall be classified as a homestead under this paragraph, except as provided in paragraph (d).

(d) Agricultural property that is occupied and used for purposes of a homestead by a relative of the owner, is a homestead, only to the extent of the homestead treatment that would be provided if the related owner occupied the property, and only if all of the following criteria are met:

(1) the relative who is occupying the agricultural property is a son or daughter, father, or mother of the owner of the agricultural property or a son or daughter of the spouse of the owner of the agricultural property,

(2) the owner of the agricultural property must be a Minnesota resident,

(3) the owner of the agricultural property is not eligible to receive homestead treatment on any other agricultural property in Minnesota, and

(4) the owner of the agricultural property is limited to only one agricultural homestead per family under this paragraph.

For purposes of this paragraph, "agricultural property" means the house, garage, other farm buildings and structures, and agricultural land.

Application must be made to the assessor by the owner of the agricultural property to receive homestead benefits under this paragraph. The assessor may require the necessary proof that the requirements under this paragraph have been met.

(e) In the case of property owned by a property owner who is married, the assessor must not deny homestead treatment in whole or in part if only one of the spouses occupies the property and the other spouse is absent due to: (1) marriage dissolution proceedings, (2) legal separation, (3) employment or self-employment in another location as provided under subdivision 13, or (4) residence in a nursing home or boarding care facility.

Sec. 9. Minnesota Statutes 1993 Supplement, section 273.124, subdivision 13, is amended to read:

Subd. 13. [HOMESTEAD APPLICATION.] (a) A person who meets the homestead requirements under subdivision 1 must file a homestead application with the county assessor to initially obtain homestead classification.

(b) On or before January 2, 1993, each county assessor shall mail a homestead application to the owner of each parcel of property within the county which was classified as homestead for the 1992 assessment year. The format and contents of a uniform homestead application shall be prescribed by the commissioner of revenue. The commissioner shall consult with the chairs of the house and senate tax committees on the contents of the homestead application form. The application must clearly inform the taxpayer that this application must be signed by all owners who occupy the property or by the qualifying relative and returned to the county assessor in order for the property to continue receiving homestead treatment. The envelope containing the

homestead application shall clearly identify its contents and alert the taxpayer of its necessary immediate response.

(c) Every property owner applying for homestead classification must furnish to the county assessor the social security number of each occupant who is listed as an owner of the property on the ~~homestead application deed of record~~, and the name and address of each owner who does not occupy the property, and the name and social security number of each owner's spouse who occupies the property. The application must be signed by each owner who occupies the property and by each owner's spouse who occupies the property, or, in the case of property that qualifies as a homestead under subdivision 1, paragraph (c), by the qualifying relative.

If a property owner occupies a homestead, the property owner's spouse may not claim another property as a homestead unless the property owner and the property owner's spouse file with the assessor an affidavit or other proof required by the assessor stating that the property owner's spouse does not occupy the homestead because marriage dissolution proceedings are pending, the spouses are legally separated, or the spouse's employment or self-employment location requires the spouse to have a separate homestead. The assessor may require proof of employment or self-employment and employment or self-employment location, or proof of dissolution proceedings or legal separation.

If the social security number or affidavit or other proof is not provided, the county assessor shall classify the property as nonhomestead.

The social security numbers or affidavits or other proofs of the property owners and spouses are private data on individuals as defined by section 13.02, subdivision 12, but, notwithstanding that section, the private data may be disclosed to the commissioner of revenue.

(d) If residential real estate is occupied and used for purposes of a homestead by a relative of the owner and qualifies for a homestead under subdivision 1, paragraph (c), in order for the property to receive homestead status, a homestead application must be filed with the assessor. The social security number of each relative occupying the property and the social security number of each owner who is related to an occupant of the property shall be required on the homestead application filed under this subdivision. If a different relative of the owner subsequently occupies the property, the owner of the property must notify the assessor within 30 days of the change in occupancy. The social security number of a relative occupying the property is private data on individuals as defined by section 13.02, subdivision 12, but may be disclosed to the commissioner of revenue.

(e) The homestead application shall also notify the property owners that the application filed under this section will not be mailed annually and that if the property is granted homestead status for the 1993 assessment, or any assessment year thereafter, that same property shall remain classified as homestead until the property is sold or transferred to another person, or the owners or the relatives no longer use the property as their homestead. Upon the sale or transfer of the homestead property, a certificate of value must be timely filed with the county auditor as provided under section 272.115. Failure to notify the assessor within 30 days that the property has been sold, transferred, or that the owner or the relative is no longer occupying the property as a homestead, shall result in the penalty provided under this subdivision and the property will lose its current homestead status.

(f) If the homestead application is not returned within 30 days, the county will send a second application to the present owners of record. The notice of proposed property taxes prepared under section 275.065, subdivision 3, shall reflect the property's classification. Beginning with assessment year 1993 for all properties, if a homestead application has not been filed with the county by December 15, the assessor shall classify the property as nonhomestead for the current assessment year for taxes payable in the following year, provided that the owner may be entitled to receive the homestead classification by proper application under section 375.192.

(g) At the request of the commissioner, each county must give the commissioner a list that includes the name and social security number of each property owner *and the property owner's spouse occupying the property*, or relative of a property owner, applying for homestead classification under this subdivision. The commissioner shall use the information provided on the lists as appropriate under the law, including for the detection of improper claims by owners, or relatives of owners, under chapter 290A.

(h) If, in comparing the lists supplied by the counties, the commissioner finds that a property owner is claiming more than one homestead, the commissioner shall notify the appropriate counties. Within 90 days of the notification, the county assessor shall investigate to determine if the homestead classification was properly claimed. If the property owner does not qualify, the county assessor shall notify the county auditor who will determine the amount of homestead benefits that had been improperly allowed. For the purpose of this section, "homestead benefits" means the tax reduction resulting from the classification as a homestead under section 273.13, the taconite homestead credit under section 273.135, and the supplemental homestead credit under section 273.1391.

The county auditor shall send a notice to the owners of the affected property, demanding reimbursement of the homestead benefits plus a penalty equal to 100 percent of the homestead benefits. The property owners may appeal the county's determination by filing a notice of appeal with the Minnesota tax court within 60 days of the date of the notice from the county. If the amount of homestead benefits and penalty is not paid within 60 days, and if no appeal has been filed, the county auditor shall certify the amount of taxes and penalty to the succeeding year's tax list to be collected as part of the property taxes.

(i) Any amount of homestead benefits recovered by the county from the property owner shall be distributed to the county, city or town, and school district where the property is located in the same proportion that each taxing district's levy was to the total of the three taxing districts' levy for the current year. Any amount recovered attributable to taconite homestead credit shall be transmitted to the St. Louis county auditor to be deposited in the taconite property tax relief account. The total amount of penalty collected must be deposited in the county general fund.

(j) If a property owner has applied for more than one homestead and the county assessors cannot determine which property should be classified as homestead, the county assessors will refer the information to the commissioner. The commissioner shall make the determination and notify the counties within 60 days.

(k) In addition to lists of homestead properties, the commissioner may ask the counties to furnish lists of all properties and the record owners.

Sec. 10. Minnesota Statutes 1993 Supplement, section 273.13, subdivision 23, is amended to read:

Subd. 23. [CLASS 2.] (a) Class 2a property is agricultural land including any improvements that is homesteaded. The market value of the house and garage and immediately surrounding one acre of land has the same class rates as class 1a property under subdivision 22. The value of the remaining land including improvements up to \$115,000 has a net class rate of .45 percent of market value and a gross class rate of 1.75 percent of market value. The remaining value of class 2a property over \$115,000 of market value that does not exceed 320 acres has a net class rate of one percent of market value, and a gross class rate of 2.25 percent of market value. The remaining property over the \$115,000 market value in excess of 320 acres has a class rate of 1.5 percent of market value, and a gross class rate of 2.25 percent of market value.

(b) Class 2b property is (1) real estate, rural in character and used exclusively for growing trees for timber, lumber, and wood and wood products; (2) real estate that is not improved with a structure and is used exclusively for growing trees for timber, lumber, and wood and wood products, if the owner has participated or is participating in a cost-sharing program for afforestation, reforestation, or timber stand improvement on that particular property, administered or coordinated by the commissioner of natural resources; ~~or~~ (3) real estate that is nonhomestead agricultural land; *or* (4) *a landing area or public access area of a privately owned public use airport.* Class 2b property has a net class rate of 1.5 percent of market value, and a gross class rate of 2.25 percent of market value.

(c) Agricultural land as used in this section means contiguous acreage of ten acres or more, primarily used during the preceding year for agricultural purposes. Agricultural use may include pasture, timber, waste, unusable wild land, and land included in state or federal farm programs. "Agricultural purposes" as used in this section means the raising or cultivation of agricultural products.

(d) Real estate of less than ten acres used principally for raising or cultivating agricultural products, shall be considered as agricultural land, if it is not used primarily for residential purposes.

(e) The term "agricultural products" as used in this subdivision includes:

(1) livestock, dairy animals, dairy products, poultry and poultry products, fur-bearing animals, horticultural and nursery stock described in sections 18.44 to 18.61, fruit of all kinds, vegetables, forage, grains, bees, and apiary products by the owner;

(2) fish bred for sale and consumption if the fish breeding occurs on land zoned for agricultural use;

(3) the commercial boarding of horses if the boarding is done in conjunction with raising or cultivating agricultural products as defined in clause (1); ~~and~~

(4) property which is owned and operated by nonprofit organizations used for equestrian activities, excluding racing; *and*

(5) *game birds and waterfowl bred and raised for use on a shooting preserve licensed under section 97A.115.*

(f) If a parcel used for agricultural purposes is also used for commercial or industrial purposes, including but not limited to:

- (1) wholesale and retail sales;
- (2) processing of raw agricultural products or other goods;
- (3) warehousing or storage of processed goods; and
- (4) office facilities for the support of the activities enumerated in clauses (1), (2), and (3).

the assessor shall classify the part of the parcel used for agricultural purposes as class 1b, 2a, or 2b, whichever is appropriate, and the remainder in the class appropriate to its use. The grading, sorting, and packaging of raw agricultural products for first sale is considered an agricultural purpose. A greenhouse or other building where horticultural or nursery products are grown that is also used for the conduct of retail sales must be classified as agricultural if it is primarily used for the growing of horticultural or nursery products from seed, cuttings, or roots and occasionally as a showroom for the retail sale of those products. Use of a greenhouse or building only for the display of already grown horticultural or nursery products does not qualify as an agricultural purpose.

The assessor shall determine and list separately on the records the market value of the homestead dwelling and the one acre of land on which that dwelling is located. If any farm buildings or structures are located on this homesteaded acre of land, their market value shall not be included in this separate determination.

(g) To qualify for classification under paragraph (b), clause (4), a privately owned public use airport must be licensed as a public airport under section 360.018. For purposes of paragraph (b), clause (4), "landing area" means that part of a privately owned public use airport properly cleared, regularly maintained, and made available to the public for use by aircraft and includes runways, taxi-ways, aprons, and sites upon which are situated landing or navigational aids. A landing area also includes land underlying both the primary surface and the approach surfaces that comply with all of the following:

- (i) the land is properly cleared and regularly maintained for the primary purposes of the landing, taking off, and taxiing of aircraft; but that portion of the land that contains facilities for servicing, repair, or maintenance of aircraft is not included as a landing area;*
- (ii) the land is part of the airport property; and*
- (iii) the land is not used for commercial or residential purposes.*

The land contained in a landing area under paragraph (b), clause (4), must be described and certified by the commissioner of transportation. The certification is effective until it is modified, or until the airport or landing area no longer meets the requirements of paragraph (b), clause (4). For purposes of paragraph (b), clause (4), "public access area" means property used as an aircraft parking ramp, apron, or storage hangar, or an arrival and departure building in connection with the airport.

Sec. 11. Minnesota Statutes 1993 Supplement, section 273.13, subdivision 24, is amended to read:

Subd. 24. [CLASS 3.] (a) Commercial and industrial property and utility real and personal property, except class 5 property as identified in subdivision 31, clause (1), is class 3a. It has a class rate of three percent of the first \$100,000 of market value for taxes payable in 1993 and thereafter, and 5.06 percent of the market value over \$100,000. In the case of state-assessed commercial, industrial, and utility property owned by one person or entity, only one parcel has a reduced class rate on the first \$100,000 of market value. In the case of other commercial, industrial, and utility property owned by one person or entity, only one parcel in each county has a reduced class rate on the first \$100,000 of market value, except that:

(1) if the market value of the parcel is less than \$100,000, and additional parcels are owned by the same person or entity in the same city or town within that county, the reduced class rate shall be applied up to a combined total market value of \$100,000 for all parcels owned by the same person or entity in the same city or town within the county; ~~and~~

(2) in the case of grain, fertilizer, and feed elevator facilities, as defined in section 18C.305, subdivision 1, or 232.21; subdivision 8, the limitation to one parcel per owner per county for the reduced class rate shall not apply, but there shall be a limit of \$100,000 of preferential value per site of contiguous parcels owned by the same person or entity. Only the value of the elevator portion of each parcel shall qualify for treatment under this clause. For purposes of this subdivision, contiguous parcels include parcels separated only by a railroad or public road right-of-way; ~~and~~

(3) *in the case of property owned by a nonprofit charitable organization that qualifies for tax exemption under section 501(c)(3) of the Internal Revenue Code of 1986, as amended through December 31, 1993, if the property is used as a business incubator, the limitation to one parcel per owner per county for the reduced class rate shall not apply, provided that the reduced rate applies only to the first \$100,000 of value per parcel owned by the organization. As used in this clause, a "business incubator" is a facility used for the development of nonretail businesses, offering access to equipment, space, services, and advice to the tenant businesses, for the purpose of encouraging economic development, diversification, and job creation in the area served by the organization.*

To receive the reduced class rate on additional parcels under ~~clauses~~ clause (1) ~~and~~, (2), or (3), the taxpayer must notify the county assessor that the taxpayer owns more than one parcel that qualifies under clause (1) ~~or~~, (2), or (3).

(b) Employment property defined in section 469.166, during the period provided in section 469.170, shall constitute class 3b and has a class rate of 2.3 percent of the first \$50,000 of market value and 3.6 percent of the remainder, except that for employment property located in a border city enterprise zone designated pursuant to section 469.168, subdivision 4, paragraph (c), the class rate of the first \$100,000 of market value and the class rate of the remainder is determined under paragraph (a), unless the governing body of the city designated as an enterprise zone determines that a specific parcel shall be assessed pursuant to the first clause of this sentence. The governing body may provide for assessment under the first clause of the preceding sentence only for property which is located in an area which has been designated by the governing body for the receipt of tax reductions authorized by section 469.171, subdivision 1.

Sec. 12. Minnesota Statutes 1992, section 273.165, subdivision 1, is amended to read:

Subdivision 1. [MINERAL INTEREST.] "Mineral interest," for the purpose of this subdivision, means an interest in any minerals, including but not limited to gas, coal, oil, or other similar interest in real estate, which is owned separately and apart from the fee title to the surface of such real property. Mineral interests which are filed for record in the offices of either the county recorder or registrar of titles, whether or not filed pursuant to sections 93.52 to 93.58, are taxed as provided in this subdivision unless specifically excluded by this subdivision. A tax of ~~25~~ 40 cents per acre or portion of an acre of mineral interest is imposed and is payable annually. If an interest is a fractional undivided interest in an area, the tax due on the interest per acre or portion of an acre is equal to the product obtained by multiplying the fractional interest times ~~25~~ 40 cents, computed to the nearest cent. However, the minimum annual tax on any mineral interest is \$~~2~~ 3.20. No such tax on mineral interests is imposed on the following: (1) mineral interests valued and taxed under other laws relating to the taxation of minerals, gas, coal, oil, or other similar interests; or (2) mineral interests which are exempt from taxation pursuant to constitutional or related statutory provisions. Taxes received under this subdivision must be apportioned to the taxing districts included in the area taxed in the same proportion as the surface interest local tax rate of a taxing district bears to the total local tax rate applicable to surface interests in the area taxed. The tax imposed by this subdivision is not included within any limitations as to rate or amount of taxes which may be imposed in an area to which the tax imposed by this subdivision applies. The tax imposed by this subdivision does not cause the amount of other taxes levied or to be levied in the area, which are subject to any such limitation, to be reduced in any amount. Twenty percent of the revenues received from the tax imposed by this subdivision must be distributed under the provisions of section 116J.64.

Sec. 13. Minnesota Statutes 1993 Supplement, section 276.04, subdivision 2, is amended to read:

Subd. 2. [CONTENTS OF TAX STATEMENTS.] (a) The treasurer shall provide for the printing of the tax statements. The commissioner of revenue shall prescribe the form of the property tax statement and its contents. The statement must contain a tabulated statement of the dollar amount due to each taxing authority from the parcel of real property for which a particular tax statement is prepared. The dollar amounts due the county, township or municipality, the total of the metropolitan special taxing districts as defined in section 275.065, subdivision 3, paragraph (i), school district excess referenda levy, remaining school district levy, and the total of other voter approved referenda levies based on market value under section 275.61 must be separately stated. The amounts due all other special taxing districts, if any, may be aggregated. The amount of the tax on contamination value imposed under sections 270.91 to 270.98, if any, must also be separately stated. The dollar amounts, including the dollar amount of any special assessments, may be rounded to the nearest even whole dollar. For purposes of this section whole odd-numbered dollars may be adjusted to the next higher even-numbered dollar. *The amount of market value excluded under section 273.11, subdivision 16, if any, must also be listed on the tax statement.* The statement shall include the following sentence, printed in upper case letters in boldface print: "THE STATE OF MINNESOTA DOES NOT RECEIVE ANY PROPERTY TAX REVENUES. THE STATE OF MINNESOTA REDUCES YOUR

PROPERTY TAX BY PAYING CREDITS AND REIMBURSEMENTS TO LOCAL UNITS OF GOVERNMENT."

(b) The property tax statements for manufactured homes and sectional structures taxed as personal property shall contain the same information that is required on the tax statements for real property.

(c) Real and personal property tax statements must contain the following information in the order given in this paragraph. The information must contain the current year tax information in the right column with the corresponding information for the previous year in a column on the left:

(1) the property's estimated market value under section 273.11, subdivision 1;

(2) the property's taxable market value after reductions under sections section 273.11, subdivisions 1a and 16;

(3) the property's gross tax, calculated by multiplying the property's gross tax capacity times the total local tax rate and adding to the result the sum of the aids enumerated in clause (3);

(4) a total of the following aids:

(i) education aids payable under chapters 124 and 124A;

(ii) local government aids for cities, towns, and counties under chapter 477A; and

(iii) disparity reduction aid under section 273.1398;

(5) for homestead residential and agricultural properties, the homestead and agricultural credit aid apportioned to the property. This amount is obtained by multiplying the total local tax rate by the difference between the property's gross and net tax capacities under section 273.13. This amount must be separately stated and identified as "homestead and agricultural credit." For purposes of comparison with the previous year's amount for the statement for taxes payable in 1990, the statement must show the homestead credit for taxes payable in 1989 under section 273.13, and the agricultural credit under section 273.132 for taxes payable in 1989;

Subd. 2. [PRIMARY OBJECTIVE.] The pilot project's primary objective is to help stabilize costs for the conscientious, industrious landlord who is already providing safe, decent, and affordable housing. The property tax reduction provided by the program is intended to give an incentive to other landlords to improve their tenant-occupied property and still offer affordable housing.

Subd. 3. [PROPERTY TAX TREATMENT.] (a) Single- and two-family nonhomestead property located in the city of Saint Paul and existing on the effective date of this section, that is classified under Minnesota Statutes, section 273.13, subdivision 25, paragraph (b), clause (1), and that meets the requirements of this section, is eligible for the property tax credit under subdivision 8.

(b) The program is not a housing or building code enforcement program.

(g) Appropriate city officials must review the report and approve it or issue orders for further repair. In so doing, city staff members may make an on-site review. The landlord may withdraw from the program at any time without making required repairs except those for life or safety hazards, which may be otherwise required. Property for which the evaluator's report is approved must be certified by the appropriate city officials to the county assessor. The city must limit the number of qualifying properties so that the credit payable under subdivision 8 will not, in the city's estimate, exceed \$1,000,000.

(h) A landlord who chooses to participate must complete an application for certification by November 1, 1994.

(i) An owner may apply this program to no more than two nonhomestead, single- or two-family, tenant-occupied properties.

Subd. 7. [CITY FEES.] The landlord must pay the housing evaluator a fee, as determined by the city, for the initial inspection and necessary reinspections. The evaluator must pay a filing fee, as determined by the city, to file the evaluator's report. The evaluator may be reimbursed by the landlord for this fee. The landlord must pay the city a fee, as determined by the city, to apply for recertification. If additional inspections are required, a reinspection fee, as determined by the city, must be paid by the landlord.

Subd. 8. [CREDIT AND REIMBURSEMENT.] (a) [CREDIT PROVIDED.] Property that meets the requirements under this section is eligible for a property tax credit equal to the difference between (1) the tax on the property and (2) the tax that would be payable if the property were classified under Minnesota Statutes, section 273.13, subdivision 22, paragraph (a).

(b) [PROPERTY TAX STATEMENTS.] The property tax statement provided under Minnesota Statutes, section 276.04, to an owner of property that receives the credit under this subdivision shall include information on the amount of the credit given to the property. The Ramsey county treasurer shall notify the commissioner of revenue on how the county plans to modify the property tax statements to include the necessary information.

(c) [GENERAL FUND; REPLACEMENT OF REVENUE.] Payment from the general fund shall be made as provided in this subdivision for the purpose of replacing revenue lost as a result of the reduction of property taxes provided in this subdivision.

The Ramsey county auditor shall certify to the commissioner of revenue the amount of reduction resulting from this subdivision. This certification shall be

submitted to the commissioner of revenue as part of the abstracts of tax lists required to be filed with the commissioner under the provisions of Minnesota Statutes, section 275.29. The commissioner of revenue shall review the certification to determine its accuracy and make changes in the certification as necessary or return the certification to the county auditor for corrections.

Subd. 9. [REPORT TO THE LEGISLATURE.] By January 15, 1995, the Saint Paul city council shall provide a report to the committee on housing and the committee on taxes and tax laws of the senate and the housing committee and the tax committee of the house of representatives on the program. The report must include the program guidelines, housing costs, rents and the extent of participation in the program for the 1995 tax year.

Subd. 10. [EFFECTIVE DATE.] This section is effective the day following final enactment, upon compliance with Minnesota Statutes, section 645.021, subdivision 3, by the city of Saint Paul, and applies to property taxes payable in 1995 on nonhomestead, single- and two-family rental properties existing on the effective date.

The square footage shall be identified separately for land and for structures.

By February 15, 1995, the commissioner shall provide a report to the tax committee of the house of representatives and the committee on taxes and tax laws of the senate. Besides reporting the basic data, the report shall discuss the feasibility of developing a statewide system of property taxation in which a property's tax base would be determined by its square footage.

Sec. 29. [STUDY OF HOMESTEAD PROPERTY TAX RELIEF.]

The commissioner of revenue shall conduct a study of the methods of delivering property tax relief to homeowners. The study must specifically include an analysis of the administrative feasibility, policy implications, and state revenue impacts of proposals to:

(1) pay the additional property tax refund under Minnesota Statutes, section 290A.04, subdivision 2h, as a state paid property tax credit on the property tax statement, and

(2) pay the property tax refund under Minnesota Statutes, section 290A.04, subdivision 2, as a state paid credit on the property tax statement.

The study must also consider alternative computations of the refund amounts wherein the additional property tax refund is deducted before computation of the regular property tax refund.

The study must consider options to pay the credits as an equal deduction from both of the property tax payments on the property tax statement, and as a deduction only from the second half payment, thus requiring a second property tax statement.

The study must determine income and other data needed to implement the proposals and consider the forms, methods, and dates by which the necessary data can be made available.

The study should consider the possibility of showing the credit(s) on the property tax statement only or on both the property tax statement and the notice of proposed property taxes.

The study must also determine the changes in property tax administration that would be necessary to implement the tax credit proposals.

The study must separately estimate the costs to each county necessary to implement and administer the tax credit proposals, considering both initial start-up costs and ongoing administrative expenses, including programming, form design, data entry, and computer hardware costs, and must also estimate the costs to the department of revenue.

The commissioner shall consult with the chair of the senate committee on taxes and tax laws and with the chair of the house of representatives committee on taxes, and with their staffs, in planning and conducting the study.

On or before January 20, 1995, the commissioner of revenue shall report to the legislature on the information collected, and on the study's findings, including its policy and fiscal implications to the state. The report shall include a discussion of the proposals and any statutory changes necessary to implement them.

ARTICLE 6

MINERALS TAXATION

Section 1. [297A.2573] [MINERAL PRODUCTION FACILITIES; EXEMPTION.]

Materials, equipment, and supplies used or consumed in constructing, or incorporated into the construction of exempted facilities as defined in this section are exempt from the taxes imposed under this chapter and from any sales and use tax imposed by a local unit of government, notwithstanding any ordinance or city charter provision.

As used in this section, "exempted facilities" means:

(1) a value added iron products plant, which may be either a new plant or a facility incorporated into an existing plant that produces iron upgraded to a minimum of 75 percent iron content or any iron alloy with a total minimum metallic content of 90 percent;

(2) a facility used for the manufacture of fluxed taconite pellets as defined in section 298.24;

(3) a new capital project that has a total cost of over \$40,000,000 that is directly related to production, cost, or quality at an existing taconite facility that does not qualify under clause (1) or (2); and

(4) a new mine or minerals processing plant for any mineral subject to the net proceeds tax imposed under section 298.015.

The tax shall be imposed and collected as if the rates under sections 297A.02, subdivision 1, and 297A.021, applied, and then refunded in the manner provided in section 297A.15, subdivision 5.

Sec. 2. Minnesota Statutes 1993 Supplement, section 298.227, is amended to read:

298.227 [TACONITE ECONOMIC DEVELOPMENT FUND.]

An amount equal to that distributed pursuant to each taconite producer's taxable production and qualifying sales under section 298.28, subdivision 9a, shall be held by the iron range resources and rehabilitation board in a separate taconite economic development fund for each taconite producer. Money from the fund for each producer shall be released only on the written authorization of a joint committee consisting of an equal number of representatives of the salaried employees and the nonsalaried production and maintenance employees of that producer. The district 33 director of the United States Steelworkers of America, on advice of each local employee president, shall select the employee members. In nonorganized operations, the employee committee shall be elected by the nonsalaried production and maintenance employees. Each producer's joint committee may authorize release of the funds held pursuant to this section only for acquisition of equipment and facilities for the producer or for research and development in Minnesota on new mining, or taconite, iron, or steel production technology. Funds may be released only upon a majority vote of the representatives of the committee. *If a taconite production facility is sold after operations at the facility had ceased, any money remaining in the fund for the former producer may be released to the purchaser of the facility on the terms otherwise applicable to the former producer under this section.* Any portion of the fund which is not released by a joint committee within two years of its deposit in the fund shall be divided between the taconite environmental protection fund created in section 298.223 and the northeast Minnesota economic protection trust fund created in section 298.292 for placement in their respective special accounts. Two-thirds of the unreleased funds shall be distributed to the taconite environmental protection fund and one-third to the northeast Minnesota economic protection trust fund. This section is effective for taxes payable in 1993 and 1994.

Sec. 3. Minnesota Statutes 1992, section 298.24, subdivision 1, is amended to read:

Subdivision 1. (a) For concentrate produced in 1992 and, 1993, and 1994 there is imposed upon taconite and iron sulphides; and upon the mining and quarrying thereof, and upon the production of iron ore concentrate therefrom, and upon the concentrate so produced, a tax of \$2.054 per gross ton of merchantable iron ore concentrate produced therefrom.

(b) For concentrates produced in 1994 1995 and subsequent years, the tax rate shall be equal to the preceding year's tax rate plus an amount equal to the preceding year's tax rate multiplied by the percentage increase in the implicit price deflator from the fourth quarter of the second preceding year to the

fourth quarter of the preceding year. "Implicit price deflator" for the gross national product means the implicit price deflator prepared by the bureau of economic analysis of the United States Department of Commerce.

(c) The tax shall be imposed on the average of the production for the current year and the previous two years. The rate of the tax imposed will be the current year's tax rate. This clause shall not apply in the case of the closing of a taconite facility if the property taxes on the facility would be higher if this clause and section 298.25 were not applicable.

(d) If the tax or any part of the tax imposed by this subdivision is held to be unconstitutional, a tax of \$2.054 per gross ton of merchantable iron ore concentrate produced shall be imposed.

(e) Consistent with the intent of this subdivision to impose a tax based upon the weight of merchantable iron ore concentrate, the commissioner of revenue may indirectly determine the weight of merchantable iron ore concentrate included in fluxed pellets by subtracting the weight of the limestone, dolomite, or olivine derivatives or other basic flux additives included in the pellets from the weight of the pellets. For purposes of this paragraph, "fluxed pellets" are pellets produced in a process in which limestone, dolomite, olivine, or other basic flux additives are combined with merchantable iron ore concentrate. No subtraction from the weight of the pellets shall be allowed for binders, mineral and chemical additives other than basic flux additives, or moisture.

(f) Notwithstanding any other provision of this subdivision, for concentrates produced in 1994 through 1999, the rate of the tax on direct reduced ore is determined under this paragraph. As used in this paragraph, "direct reduced ore" is ore that results in a product that has an iron content of at least 75 percent. The rate to be applied to direct reduced ore is 25 percent of the rate otherwise determined under this subdivision for the first 500,000 of taxable tons for the production year, and 50 percent of the rate otherwise determined for any remainder. If the taxpayer had no production in the two years prior to the the current production year, the tonnage eligible to be taxed at 25 percent of the rate otherwise determined under this subdivision is the first 166,667 tons. If the taxpayer had some production in the year prior to the current production year but no production in the second prior year, the tonnage eligible to be taxed at 25 percent of the rate otherwise determined under this subdivision is the first 333,333 tons.

Sec. 4. Minnesota Statutes 1993 Supplement, section 298.28, subdivision 9a, is amended to read:

Subd. 9a. [TACONITE ECONOMIC DEVELOPMENT FUND.] (a) 10.4 cents per ton for distributions in 1993 and 15.4 cents per ton for distributions in 1994, 1995, and 1996 shall be paid to the taconite economic development fund. No distribution shall be made under this paragraph in any year in which total industry production falls below 30 million tons.

(b) An amount equal to 50 percent of the tax under section 298.24 for concentrate sold in the form of pellet chips and fines not exceeding 1/4 inch in size and not including crushed pellets shall be paid to the taconite economic development fund. The amount paid shall not exceed \$700,000 annually for all companies. If the initial amount to be paid to the fund exceeds this amount, each company's payment shall be prorated so the total does not exceed \$700,000.

Sec. 5. Minnesota Statutes 1992, section 298.28, is amended by adding a subdivision to read:

Subd. 11a. [PRORATED DISTRIBUTIONS.] For production years 1994 through 1999, distributions under this section that are based on a number of cents per ton explicitly provided in this section shall be reduced on a pro rata basis to reflect the reduction in tax proceeds as a result of the tax rate reduction applied to direct reduced ore under section 298.24, subdivision 1, paragraph (f).

Sec. 6. Minnesota Statutes 1992, section 298.296, subdivision 2, is amended to read:

Subd. 2. [EXPENDITURE OF FUNDS.] Before January 1, 2002, funds may be expended on projects and for administration of the trust fund only from the net interest, earnings, and dividends arising from the investment of the trust at any time, including net interest, earnings, and dividends that have arisen prior to July 13, 1982, plus \$10,000,000 made available for use in fiscal year 1983, except that any amount required to be paid out of the trust fund to provide the property tax relief specified in Laws 1977, chapter 423, article X, section 4, and to make school bond payments and payments to recipients of taconite production tax proceeds pursuant to section 298.225, may be taken from the corpus of the trust. Additionally, upon recommendation by the board, up to \$10,000,000 from the corpus of the trust may be made available for use as provided in subdivision 4. On and after January 1, 2002, funds may be expended on projects and for administration from any assets of the trust. Annual administrative costs, not including detailed engineering expenses for the projects, shall not exceed five percent of the net interest, dividends, and earnings arising from the trust in the preceding fiscal year.

Principal and interest received in repayment of loans made pursuant to this section, and earnings on other investments made under section 298.292, subdivision 2, clause (4), shall be deposited in the state treasury and credited to the trust. These receipts are appropriated to the board for the purposes of sections 298.291 to 298.298.

Sec. 7. Minnesota Statutes 1992, section 298.296, is amended by adding a subdivision to read:

Subd. 4. [TEMPORARY LOAN AUTHORITY.] The board may recommend that up to \$10,000,000 from the corpus of the trust may be used for loans as provided in this subdivision. The money would be available for loans for construction and equipping of facilities constituting (1) a value added iron products plant, which may be either a new plant or a facility incorporated into an existing plant that produces iron upgraded to a minimum of 75 percent iron content or any iron alloy with a total minimum metallic content of 90 percent; or (2) a new mine or minerals processing plant for any mineral subject to the net proceeds tax imposed under section 298.015. A loan under this subdivision may not exceed \$5,000,000 for any facility. The authority to make loans under this subdivision terminates December 31, 1995.

Sec. 8. [EFFECTIVE DATE.]

Section 1 is effective for sales after June 30, 1994, provided that no refunds will be paid under section 1 until after June 30, 1995.

ARTICLE 7

BUDGETING REFORM

Section 1. [16A.102] [BUDGETING REVENUES RELATIVE TO PERSONAL INCOME.]

Subdivision 1. [GOVERNOR'S RECOMMENDATION.] By the fourth Monday in January of each odd-numbered year, the governor shall submit to the legislature a recommended revenue target for the next two bienniums. The recommended revenue target must specify

(1) the maximum share of Minnesota personal income to be collected in taxes and other revenues to pay for state and local government services;

(2) the division of the share between state and local government revenues; and

(3) the appropriate mix and rates of income, sales, and other state and local taxes and other revenues, other than property taxes, and the amount of property taxes and the effect of the recommendations on the incidence of the tax burden by income class.

The recommendations must be based on the November forecast prepared under section 2.

Subd. 2. [LEGISLATIVE BUDGET RESOLUTION.] By March 15 of each odd-numbered year, the legislature shall by concurrent resolution adopt revenue targets for the next two bienniums. The resolution must specify:

(1) the maximum share of Minnesota personal income to be collected in taxes and other revenues to pay for state and local government services;

(2) the division of the share between state and local government services; and

(3) the appropriate mix and rates of income, sales, and other state and local taxes and other revenues, other than property taxes, and the amount of property taxes and the effect of the resolution on the incidence of the tax burden by income class.

The resolution must be based on the February forecast prepared under section 2 and take into consideration the revenue targets recommended by the governor under subdivision 1.

Subd. 3. [EVEN-NUMBERED YEAR AND SPECIAL SESSIONS.] The governor or the legislature may elect to modify their revenue targets in a special session or an even-numbered year regular session. The requirements of subdivisions 1 and 2 apply, except that within ten days of the start of the session, the dates provided in those subdivisions must be modified to be consistent with the planned date of adjournment.

Sec. 2. [16A.103] [FORECASTS OF REVENUE AND EXPENDITURES.]

Subdivision 1. [STATE REVENUE AND EXPENDITURES.] In February and November each year, the commissioner shall prepare and deliver to the governor and legislature a forecast of state revenue and expenditures. The forecast must assume the continuation of current laws and reasonable estimates of projected growth in the national and state economies and affected

populations. Revenue must be estimated for all sources provided for in current law. Expenditures must be estimated for all obligations imposed by law and those projected to occur as a result of inflation and variables outside the control of the legislature. In addition, the commissioner shall forecast Minnesota personal income for each of the years covered by the forecast and include these estimates in the forecast documents. A forecast prepared during the first fiscal year of a biennium must cover that biennium and the next biennium. A forecast prepared during the second fiscal year of a biennium must cover that biennium and the next two bienniums.

Subd. 2. [LOCAL REVENUE.] In February and November of each year, the commissioner of revenue shall prepare and deliver to the governor and the legislature forecasts of revenue to be received by school districts as a group, counties as a group, and the group of cities and towns that have a population of more than 2,500. The forecasts must assume the continuation of current laws, projections of valuation changes in real property, and reasonable estimates of projected growth in the national and state economies and affected populations. Revenue must be estimated for property taxes, state and federal aids, local sales taxes, if any, and a single projection for all other revenue for each group of affected local governmental units. As part of the February forecast, the commissioner of revenue shall report to the governor and legislature on which groups of local government units exceeded the revenue targets of the governor and legislature in the most recent biennium.

Subd. 3. [SEPARATE ESTIMATES OF FEE REVENUES.] In preparing the November estimates under subdivision 1, the commissioner shall separately report the amount of departmental earnings as defined in section 16A.1285. In preparing the estimates under subdivision 2, the commissioner of revenue shall separately estimate local government revenues similar to departmental earnings as defined in section 16A.1285.

Sec. 3. Minnesota Statutes 1992, section 124.196, is amended to read:

124.196 [CHANGE IN PAYMENT OF AIDS AND CREDITS.]

If the commissioner of finance determines that modifications in the payment schedule ~~are required to avoid~~ would reduce the need for state short-term borrowing, the commissioner of education shall modify payments to school districts according to this section. The modifications shall begin no sooner than September 1 of each fiscal year, and shall remain in effect until no later than May 30 of that same fiscal year. In calculating the payment to a school district pursuant to section 124.195, subdivision 3, the commissioner may subtract the sum specified in that subdivision, plus an additional amount no greater than the following:

(1) the net cash balance in the district's four operating funds on June 30 of the preceding fiscal year; minus

(2) the product of \$150 times the number of actual pupil units in the preceding fiscal year; minus

(3) the amount of payments made by the county treasurer during the preceding fiscal year, pursuant to section 276.11, which is considered revenue for the current school year. However, no additional amount shall be subtracted if the total of the net unappropriated fund balances in the district's four operating funds on June 30 of the preceding fiscal year, is less than the product of \$350 times the number of actual pupil units in the preceding fiscal year. The

net cash balance shall include all cash and investments, less certificates of indebtedness outstanding, and orders not paid for want of funds.

A district may appeal the payment schedule established by this section according to the procedures established in section 124.195, subdivision 3a.

Sec. 4. [275.064] [ESTIMATED PERSONAL INCOME INCREASE.]

By July 1 of each year, the commissioner of revenue shall estimate the percentage increase in Minnesota personal income for the next calendar year over the current calendar year, using the most recent forecast prepared by the commissioner of finance. The commissioner of revenue shall notify each local government subject to the requirements of section 275.065 of this percentage by July 15.

Sec. 5. Minnesota Statutes:1993 Supplement, section 275.065, subdivision 3, is amended to read:

Subd. 3. [NOTICE OF PROPOSED PROPERTY TAXES.] (a) The county auditor shall prepare and the county treasurer shall deliver after November 10 and on or before November 24 each year, by first class mail to each taxpayer at the address listed on the county's current year's assessment roll, a notice of proposed property taxes and, in the case of a town, final property taxes.

(b) The commissioner of revenue shall prescribe the form of the notice.

(c) The notice must inform taxpayers that it contains the amount of property taxes each taxing authority other than a town proposes to collect for taxes payable the following year and, for a town, the amount of its final levy. It must clearly state that each taxing authority, including regional library districts established under section 134.201, and including the metropolitan taxing districts as defined in paragraph (i), but excluding all other special taxing districts and towns, will hold a public meeting to receive public testimony on the proposed budget and proposed or final property tax levy, or, in case of a school district, on the current budget and proposed property tax levy. It must clearly state the time and place of each taxing authority's meeting and an address where comments will be received by mail. *The notice must include the estimated percentage increase in Minnesota personal income, provided by the commissioner of revenue under section 275.064, in a way to facilitate comparison of the proposed budget and levy increases with the increase in personal income.* For 1993, the notice must clearly state that each taxing authority holding a public meeting will describe the increases or decreases of the total budget, including employee and independent contractor compensation in the prior year, current year, and the proposed budget year.

(d) The notice must state for each parcel:

(1) the market value of the property as determined under section 273.11, and used for computing property taxes payable in the following year and for taxes payable in the current year; and, in the case of residential property, whether the property is classified as homestead or nonhomestead. The notice must clearly inform taxpayers of the years to which the market values apply and that the values are final values;

(2) by county, city or town, school district excess referenda levy, remaining school district levy, regional library district, if in existence, the total of the metropolitan special taxing districts as defined in paragraph (i) and the sum of the remaining special taxing districts, and as a total of the taxing authorities,

including all special taxing districts, the proposed or, for a town, final net tax on the property for taxes payable the following year and the actual tax for taxes payable the current year. In the case of the city of Minneapolis, the levy for the Minneapolis library board and the levy for Minneapolis park and recreation shall be listed separately from the remaining amount of the city's levy. In the case of a parcel where tax increment or the fiscal disparities areawide tax applies, the proposed tax levy on the captured value or the proposed tax levy on the tax capacity subject to the areawide tax must each be stated separately and not included in the sum of the special taxing districts; and

(3) the increase or decrease in the amounts in clause (2) from taxes payable in the current year to proposed or, for a town, final taxes payable the following year, expressed as a dollar amount and as a percentage.

(e) The notice must clearly state that the proposed or final taxes do not include the following:

(1) special assessments;

(2) levies approved by the voters after the date the proposed taxes are certified, including bond referenda, school district levy referenda, and levy limit increase referenda;

(3) amounts necessary to pay cleanup or other costs due to a natural disaster occurring after the date the proposed taxes are certified;

(4) amounts necessary to pay tort judgments against the taxing authority that become final after the date the proposed taxes are certified;

(5) any additional amount levied in lieu of a local sales and use tax, unless this amount is included in the proposed or final taxes; and

(6) the contamination tax imposed on properties which received market value reductions for contamination.

(f) Except as provided in subdivision 7, failure of the county auditor to prepare or the county treasurer to deliver the notice as required in this section does not invalidate the proposed or final tax levy or the taxes payable pursuant to the tax levy.

(g) If the notice the taxpayer receives under this section lists the property as nonhomestead and the homeowner provides satisfactory documentation to the county assessor that the property is owned and has been used as the owner's homestead prior to June 1 of that year, the assessor shall reclassify the property to homestead for taxes payable in the following year.

(h) In the case of class 4 residential property used as a residence for lease or rental periods of 30 days or more, the taxpayer must either:

(1) mail or deliver a copy of the notice of proposed property taxes to each tenant, renter, or lessee; or

(2) post a copy of the notice in a conspicuous place on the premises of the property.

(i) For purposes of this subdivision, subdivisions 5a and 6, "metropolitan special taxing districts" means the following taxing districts in the seven-county metropolitan area that levy a property tax for any of the specified purposes listed below:

(1) metropolitan council under section 473.132, 473.167, 473.249, 473.325, 473.521, 473.547, or 473.834;

(2) metropolitan airports commission under section 473.667, 473.671, or 473.672;

(3) regional transit board under section 473.446; and

(4) metropolitan mosquito control commission under section 473.711.

For purposes of this section, any levies made by the regional rail authorities in the county of Anoka, Carver, Dakota, Hennepin, Ramsey, Scott, or Washington under chapter 398A shall be included with the appropriate county's levy and shall be discussed at that county's public hearing.

The notice must be mailed or posted by the taxpayer by November 27 or within three days of receipt of the notice, whichever is later. A taxpayer may notify the county treasurer of the address of the taxpayer, agent, caretaker, or manager of the premises to which the notice must be mailed in order to fulfill the requirements of this paragraph.

Sec. 6. [EFFECTIVE DATE.]

Sections 1 to 3 are effective the day following final enactment. Sections 4 and 5 apply beginning for notices of proposed property taxes for taxes payable in 1995.

ARTICLE 8

BOARD OF GOVERNMENT INNOVATION AND COOPERATION

Section 1. Minnesota Statutes 1993 Supplement, section 465.795, subdivision 7, is amended to read:

Subd. 7. [SCOPE.] As used in sections 465.795 to 465.799 and sections ~~465.80~~ 465.801 to 465.87, the terms defined in this section have the meanings given them.

Sec. 2. Minnesota Statutes 1993 Supplement, section 465.796, subdivision 2, is amended to read:

Subd. 2. [DUTIES OF BOARD.] The board shall:

(1) accept applications from local government units for waivers of administrative rules and temporary, limited exemptions from enforcement of procedural requirements in state law as provided in section 465.797, and determine whether to approve, modify, or reject the application;

(2) accept applications for grants to local government units and related organizations proposing to design models or plans for innovative service delivery and management as provided in section 465.798 and determine whether to approve, modify, or reject the application;

(3) accept applications from local government units for financial assistance to enable them to plan for cooperative efforts as provided in section 465.799, and determine whether to approve, modify, or reject the application;

(4) accept applications from eligible local government units for service-sharing grants as provided in section ~~465.80~~ 465.801, and determine whether to approve, modify, or reject the application;

(5) accept applications from counties, cities, and towns proposing to combine under sections 465.81 to 465.87, and determine whether to approve or disapprove the application; and

(6) make recommendations to the legislature regarding the elimination of state mandates that inhibit local government efficiency, innovation, and cooperation.

The board may purchase services from the metropolitan council in reviewing requests for waivers and grant applications.

Sec. 3. Minnesota Statutes 1993 Supplement, section 465.797, subdivision 1, is amended to read:

Subdivision 1. [GENERALLY.] (a) Except as provided in paragraph (b), a local government unit may request the board of government innovation and cooperation to grant a waiver from one or more administrative rules or a temporary, limited exemption from enforcement of state procedural laws governing delivery of services by the local government unit. Two or more local government units may submit a joint application for a waiver or exemption under this section if they propose to cooperate in providing a service or program that is subject to the rule or law. Before submitting an application to the board, the governing body of the local government unit must approve, *in concept*, the *proposed* waiver or exemption ~~request by resolution~~ at a meeting required to be public under section 471.705. *A local government unit or two or more units acting jointly may apply for a waiver or exemption on behalf of a nonprofit organization providing services to clients whose costs are paid by the unit or units. A waiver or exemption granted to a nonprofit organization under this section applies to services provided to all the organization's clients.*

(b) A school district that is granted a variance from rules of the state board of education under section 121.11, subdivision 12, need not apply to the board for a waiver of those rules under this section. A school district may not seek a waiver of rules under this section if the state board of education has authority to grant a variance to the rules under section 121.11, subdivision 12. This paragraph does not preclude a school district from being included in a cooperative effort with another local government unit under this section.

Sec. 4. Minnesota Statutes 1993 Supplement, section 465.797, subdivision 2, is amended to read:

Subd. 2. [APPLICATION.] A local government unit requesting a waiver of a rule or exemption from enforcement of a law under this section shall present a written application to the board. The application must include:

(1) identification of the service or program at issue;

(2) identification of the administrative rule or the law imposing a procedural requirement with respect to which the waiver or exemption is sought; *and*

(3) a description of the improved service outcome sought, including an explanation of the effect of the waiver or exemption in accomplishing that outcome;

~~(4) a description of the means by which the attainment of the outcome will be measured; and~~

(5) if the waiver or exemption is proposed by a single local government unit, a description of the consideration given to intergovernmental cooperation in providing this service, and an explanation of why the local government unit has elected to proceed independently.

A copy of the application must be provided by the requesting local government unit to the exclusive representative of its employees as certified under section 179A.12 to represent employees who provide the service or program affected by the requested waiver or exemption.

Sec. 5. Minnesota Statutes 1993 Supplement, section 465.797, subdivision 3, is amended to read:

Subd. 3. [REVIEW PROCESS.] (a) Upon receipt of an application from a local government unit, the board shall review the application. The board shall dismiss or request modification of an application within 60 days of its receipt if it finds that (1) the application does not meet the requirements of subdivision 2, or (2) the application should not be granted because it clearly proposes a waiver of rules or exemption from enforcement of laws that would result in due process violations, violations of federal law or the state or federal constitution, or the loss of services to people who are entitled to them.

(b) The board shall determine whether a law from which an exemption for enforcement is sought is a procedural law, specifying how a local government unit is to achieve an outcome, rather than a substantive law prescribing the outcome or otherwise establishing policy. In making its determination, the board shall consider whether the law specifies such requirements as:

- (1) who must deliver a service;
- (2) where the service must be delivered;
- (3) to whom and in what form reports regarding the service must be made; and
- (4) how long or how often the service must be made available to a given recipient.

Sec. 23. [PETITION REQUIRED.]

No action may be taken under sections 24 and 25 unless owners of 25 percent or more of the housing units that would be subject to fees in the proposed housing improvement area file a petition requesting a public hearing on the proposed action with the city clerk. No action may be taken under section 25 to impose a fee unless owners of 25 percent or more of the housing units subject to the proposed fee file a petition requesting a public hearing on the proposed fee with the city clerk.

Sec. 24. [ESTABLISHMENT OF HOUSING IMPROVEMENT AREA.]

Subdivision 1. [ORDINANCE.] The governing body of the city may adopt an ordinance establishing a housing improvement area. The ordinance must specifically describe the portion of the city to be included in the area, the basis for the imposition of the fees, and the number of years the fee will be in effect. In addition, the ordinance must include findings that without the housing improvement area, the proposed improvements could not be made by the condominium associations or housing unit owners, and the designation is needed to maintain and preserve the housing units within the housing improvement area. The ordinance may not be adopted until a public hearing has been held regarding the ordinance. The ordinance may be amended by the governing body of the city, provided the governing body complies with the public hearing notice provisions of subdivision 2.

Subd. 2. [PUBLIC HEARING.] The notice of public hearing must include the time and place of hearing, a map showing the boundaries of the proposed area, and a statement that all persons owning housing units in the proposed area that would be subject to a fee for housing improvements will be given an opportunity to be heard at the hearing. Notice of the hearing must be given by publication in the official newspaper of the city. The public hearing must be held at least seven days after the publication. Not less than ten days before the hearing, notice must also be mailed to the owner of each housing unit within

the proposed area. For the purpose of giving mailed notice, owners are those shown on the records of the county auditor. Other records may be used to supply the necessary information. At the public hearing a person owning property in the proposed housing improvement area may testify on any issues relevant to the proposed area. The hearing may be adjourned from time to time. The ordinance establishing the area may be adopted at any time within six months after the date of the conclusion of the hearing by a vote of the majority of the governing body of the city.

Subd. 3. [PROPOSED HOUSING IMPROVEMENTS.] At the public hearing held under subdivision 2, the city shall provide a preliminary listing of the housing improvements to be made in the area. The listing shall identify those improvements, if any, that are proposed to be made to all or a portion of the common elements of a condominium. The listing shall also identify those housing units that have completed the proposed housing improvements and are proposed to be exempted from a portion of the fee. In preparing the list the city shall consult with the residents of the area and the condominium associations.

Subd. 4. [BENEFIT, OBJECTION.] Before the ordinance is adopted or at the hearing at which it is to be adopted, the owner of a housing unit in the proposed housing improvement area may file a written objection with the city clerk asserting that the owner's property should not be included in the area or should not be subjected to a fee and objecting to the inclusion of the housing unit in the area, for the reason that the property would not benefit from the improvements.

The governing body shall make a determination of the objection within 60 days of its filing. Pending its determination, the governing body may delay adoption of the ordinance or it may adopt the ordinance with a reservation that the landowner's property may be excluded from the housing improvement area or fee when the determination is made.

Subd. 5. [APPEAL TO DISTRICT COURT.] Within 30 days after the determination of the objection, any person aggrieved, who is not precluded by failure to object before or at the hearing, or whose failure to object is due to a reasonable cause, may appeal to the district court by serving a notice upon the mayor or city clerk. The notice shall be filed with the court administrator of the district court within ten days after its service. The city clerk shall furnish the appellant a certified copy of the findings and determination of the governing body. The court may affirm the action objected to or, if the appellant's objections have merit, modify or cancel it. If the appellant does not prevail upon the appeal, the costs incurred are taxed to the appellant by the court and judgment entered for them. All objections are deemed waived unless presented on appeal.

Sec. 25. [IMPROVEMENT FEES AUTHORITY; NOTICE AND HEARING.]

Subdivision 1. [AUTHORITY.] Fees may be imposed by the city on the housing units within the housing improvement area at a rate, term, or amount sufficient to produce revenue required to provide housing improvements in the area. The fee can be imposed on the basis of the tax capacity of the housing unit, or the total amount of square footage of the housing unit, or a method determined by the council and specified in the resolution. Before the imposition of the fees, a hearing must be held and notice must be published in the official newspaper at least seven days before the hearing and shall be

mailed at least seven days before the hearing to any housing unit owner subject to a fee. For purposes of this section, the notice must also include:

- (1) a statement that all interested persons will be given an opportunity to be heard at the hearing regarding a proposed housing improvement fee;
- (2) the estimated cost of improvements including administrative costs to be paid for in whole or in part by the fee imposed under the ordinance;
- (3) the amount to be charged against the particular property;
- (4) the right of the property owner to prepay the entire fee;
- (5) the number of years the fee will be in effect; and
- (6) a statement that the petition requirements of section 23 have either been met or do not apply to the proposed fee;

Within six months of the public hearing, the city may adopt a resolution imposing a fee within the area not exceeding the amount expressed in the notice issued under this section.

Prior to adoption of the resolution approving the fee, the condominium associations located in the housing improvement area shall submit to the city a financial plan prepared by an independent third party, acceptable to the city and associations, that provides for the associations to finance maintenance and operation of the common elements in the condominium and a long-range plan to conduct and finance capital improvements.

Subd. 2. [LEVY LIMIT.] Fees imposed under this section are not included in the calculation of levies or limits on levies imposed under any law or charter.

Sec. 26. [COLLECTION OF FEES.]

The city may provide for the collection of the housing improvement fees according to the terms of Minnesota Statutes, section 428A.05.

Sec. 27. [BONDS.]

At any time after a contract for the construction of all or part of an improvement authorized under sections 22 to 31 has been entered into or the work has been ordered, the governing body of the city may issue obligations in the amount it deems necessary to defray in whole or in part the expense incurred and estimated to be incurred in making the improvement, including every item of cost from inception to completion and all fees and expenses incurred in connection with the improvement or the financing.

The obligations are payable primarily out of the proceeds of the fees imposed under section 25, or from any other special assessments or revenues available to be pledged for their payment under charter or statutory authority, or from two or more of those sources. The governing body may, by resolution adopted prior to the sale of obligations, pledge the full faith, credit, and taxing power of the city to assure payment of the principal and interest if the proceeds of the fees in the area are insufficient to pay the principal and interest. The obligations must be issued in accordance with Minnesota Statutes, chapter 475, except that an election is not required, and the amount of the obligations are not included in determination of the net debt of the city under the provisions of any law or charter limiting debt.

Sec. 28. [ADVISORY BOARD.]

The governing body of the city may create and appoint an advisory board for the housing improvement area in the city to advise the governing body in connection with the planning and construction of housing improvements. In appointing the board, the council shall consider for membership, members of condominium associations located in the housing improvement area. The advisory board shall make recommendations to the governing body to provide improvements or impose fees within the housing improvement area. Before the adoption of a proposal by the governing body to provide improvements within the housing improvement area, the advisory board of the housing improvement area shall have an opportunity to review and comment upon the proposal.

Sec. 29. [VETO POWERS OF OWNERS.]

Subdivision 1. [NOTICE OF RIGHT TO FILE OBJECTIONS.] The effective date of any ordinance or resolution adopted under sections 24 and 25 must be at least 45 days after it is adopted. Within five days after adoption of the ordinance or resolution, a summary of the ordinance or resolution shall be mailed to the owner of each housing unit included in the housing improvement area. The mailing shall include a notice that owners subject to a fee have a right to veto the ordinance or resolution by filing the required number of objections with the city clerk before the effective date of the ordinance or resolution and that a copy of the ordinance or resolution is on file with the city clerk for public inspection.

Subd. 2. [REQUIREMENTS FOR VETO.] If owners of 35 percent or more of the housing units in the area subject to the fee file an objection to the ordinance adopted by the city under section 24 with the city clerk before the effective date of the ordinance, the ordinance does not become effective. If owners of 35 percent or more of the housing units' tax capacity subject to the fee under section 25 file an objection with the city clerk before the effective date of the resolution, the resolution does not become effective.

Sec. 30. [ANNUAL REPORTS.]

Each condominium association located within the housing improvement area must, by August 15 annually, submit a copy of its audited financial statements to the city. The city may also, as part of the enabling ordinance, require the submission of other relevant information from the associations.

Sec. 31. [SPECIAL ASSESSMENTS.]

Within a housing improvement area, the governing body of the city may, in addition to the fee authorized in section 25, special assess housing improvements to benefited property. The governing body of the city may by ordinance adopt regulations consistent with this section.

Sec. 32. [RED WING TAX INCREMENT DISTRICT.]

Notwithstanding any restrictions otherwise applicable pursuant to Minnesota Statutes, section 469.176, subdivision 1c, the duration of the two city tax increment financing districts within Development Districts I and II, located within the city of Red Wing, may be extended by resolution of the Red Wing City Council to August 1, 2009.

Sec. 33. [LOCAL APPROVAL.]

Fines collected in cases arising under this subdivision must be deposited in the treasury of the board, or may be allocated between the board and the governmental unit in which the prosecution occurs on a basis as the board and the governmental unit agree.

Subd. 5. [GIFTS, GRANTS, LOANS.] The board may accept gifts, apply for and accept grants or loans of money or other property from the United States, the state, or any person for any of its purposes, enter into any agreement required in connection with them, and hold, use, and dispose of the money or property in accordance with the terms of the gift, grant, loan, or agreement relating to it. With respect to loans or grants of funds or real or personal property or other assistance from any state or federal government or its agency or instrumentality, the board may contract to do and perform all acts and things required as a condition or consideration for the gift, grant, or loan pursuant to state or federal law or regulations, whether or not included among the powers expressly granted to the board in this article.

Subd. 6. [COOPERATIVE ACTION.] *The board may act under Minnesota Statutes, section 471.59, or any other appropriate law providing for joint or cooperative action between governmental units.*

Subd. 7. [STUDIES AND INVESTIGATIONS.] *The board may conduct research studies and programs, collect and analyze data, prepare reports, maps, charts, and tables, and conduct all necessary hearings and investigations in connection with the design, construction, and operation of the district disposal system.*

Subd. 8. [EMPLOYEES, TERMS.] *The board may employ on terms it deems advisable, persons or firms performing engineering, legal, or other services of a professional nature; require any employee to obtain and file with it an individual bond or fidelity insurance policy; and procure insurance in amounts it deems necessary against liability of the board or its officers or both, for personal injury or death and property damage or destruction, with the force and effect stated in Minnesota Statutes, chapter 466, and against risks of damage to or destruction of any of its facilities, equipment, or other property as it deems necessary.*

Subd. 9. [PROPERTY RIGHTS, POWERS.] *The board may acquire by purchase, lease, condemnation, gift, or grant, any real or personal property including positive and negative easements and water and air rights, and it may construct, enlarge, improve, replace, repair, maintain, and operate any interceptor, treatment works, or water facility determined to be necessary or convenient for the collection and disposal of sewage in the district. Any local governmental unit and the commissioners of transportation and natural resources are authorized to convey to or permit the use of any of the above-mentioned facilities owned or controlled by it, by the board, subject to the rights of the holders of any bonds issued with respect to those facilities, with or without compensation, without an election or approval by any other governmental unit or agency. All powers conferred by this subdivision may be exercised both within or without the district as may be necessary for the exercise by the board of its powers or the accomplishment of its purposes. The board may hold, lease, convey, or otherwise dispose of the above-mentioned property for its purposes upon the terms and in the manner it deems advisable. Unless otherwise provided, the right to acquire lands and property rights by condemnation may be exercised only in accordance with Minnesota Statutes, sections 117.011 to 117.232, and shall apply to any property or interest in the property owned by any local governmental unit. No property devoted to an actual public use at the time, or held to be devoted to such a use within a reasonable time, shall be so acquired unless a court of competent jurisdiction determines that the use proposed by the board is paramount to the existing use. Except in the case of property in actual public use, the board may take possession of any property on which condemnation proceedings have been commenced at any time after the issuance of a court order appointing commissioners for its condemnation.*

Subd. 10. [RELATIONSHIP TO OTHER PROPERTIES.] *The board may construct or maintain its systems or facilities in, along, on, under, over, or through public waters, streets, bridges, viaducts, and other public rights-of-way without first obtaining a franchise from a county or municipality having jurisdiction over them. However, the facilities must be constructed and maintained in accordance with the ordinances and resolutions of the county or municipality relating to constructing, installing, and maintaining similar*

facilities on public properties and must not unnecessarily obstruct the public use of those rights-of-way.

Subd. 11. [DISPOSAL OF PROPERTY.] The board may sell, lease, or otherwise dispose of any real or personal property acquired by it which is no longer required for accomplishment of its purposes. The property may be sold in the manner provided by Minnesota Statutes, section 469.065, insofar as practical. The board may give notice of sale as it deems appropriate. When the board determines that any property or any part of the district disposal system acquired from a local governmental unit without compensation is no longer required but is required as a local facility by the governmental unit from which it was acquired, the board may by resolution transfer it to that governmental unit.

Subd. 12. [AGREEMENTS WITH OTHER GOVERNMENTAL UNITS.] The board may contract with the United States or any agency thereof, any state or agency thereof, or any regional public planning body in the state with jurisdiction over any part of the district, or any other municipal or public corporation, or governmental subdivision or agency or political subdivision in any state, for the joint use of any facility owned by the board or such entity, for the operation by that entity of any system or facility of the board, or for the performance on the board's behalf of any service, including but not limited to planning, on terms as may be agreed upon by the contracting parties. Unless designated by the board as a local water and sanitary sewer facility, any treatment works or interceptor jointly used, or operated on behalf of the board, as provided in this subdivision, is deemed to be operated by the board for purposes of including those facilities in the district disposal system.

Sec. 5. [COMPREHENSIVE PLAN.]

Subdivision 1. [BOARD PLAN AND PROGRAM.] The board shall adopt a comprehensive plan for the collection, treatment, and disposal of sewage in the district for a designated period the board deems proper and reasonable. The board shall prepare and adopt subsequent comprehensive plans for the collection, treatment, and disposal of sewage in the district for each succeeding designated period as the board deems proper and reasonable. The first plan, as modified by the board, and any subsequent plan shall take into account the preservation and best and most economic use of water and other natural resources in the area; the preservation, use, and potential for use of lands adjoining waters of the state to be used for the disposal of sewage; and the impact the disposal system will have on present and future land use in the area affected. The plans shall include the general location of needed interceptors and treatment works, a description of the area that is to be served by the various interceptors and treatment works, a long-range capital improvements program, and any other details as the board deems appropriate. In developing the plans, the board shall consult with persons designated for the purpose by governing bodies of any governmental unit within the district to represent the entities and shall consider the data, resources, and input offered to the board by the entities and any planning agency acting on behalf of one or more of the entities. Each plan, when adopted, must be followed in the district and may be revised as often as the board deems necessary.

Subd. 2. [COMPREHENSIVE PLANS; HEARING.] Before adopting any subsequent comprehensive plan, the board shall hold a public hearing on the proposed plan at a time and place in the district that it selects. The hearing may be continued from time to time. Not less than 45 days before the hearing,

the board shall publish notice of the hearing in a newspaper having general circulation in the district, stating the date, time, and place of the hearing, and the place where the proposed plan may be examined by any interested person. At the hearing, all interested persons must be permitted to present their views on the plan.

Subd. 3. [GOVERNMENTAL UNIT PLANS AND PROGRAMS; COORDINATION WITH BOARD'S RESPONSIBILITIES.] *Once the board's plan is adopted, no construction project involving the construction of new sewers or other disposal facilities may be undertaken by the local governmental unit unless its governing body shall first find the project to be in accordance with the governmental unit's comprehensive plan and program as approved by the board. Before approval by the board of the comprehensive plan and program of any local governmental unit in the district, no water and sanitary sewer construction project may be undertaken by the governmental unit unless approval of the project is first secured from the board as to those features of the project affecting the board's responsibilities as determined by the board.*

Sec. 6. [POWERS TO ISSUE OBLIGATIONS AND IMPOSE SPECIAL ASSESSMENTS.]

The Cross Lake area water and sanitary sewer board, in order to implement the powers granted under this article to establish, maintain, and administer the Cross Lake area water and sanitary sewer district, may issue obligations and impose special assessments against benefited property within the limits of the district benefited by facilities constructed under this article in the manner provided for local governments by Minnesota Statutes, chapter 429.

Sec. 7. [SYSTEM EXPANSION; APPLICATION TO CITIES.]

The authority of the water and sanitary sewer board to establish water or sewer or combined water and sewer systems under this section extends to areas within the Cross Lake area water and sanitary sewer district organized into cities when requested by resolution of the governing body of the affected city or when ordered by the Minnesota pollution control agency after notice and hearing. For the purpose of any petition filed or special assessment levied with respect to any system, the entire area to be served within a city must be treated as if it were owned by a single person, and the governing body shall exercise all the rights and be subject to all the duties of an owner of the area, and shall have power to provide for the payment of all special assessments and other charges imposed upon the area with respect to the system by the appropriation of money, the collection of service charges, or the levy of taxes, which shall be subject to no limitation of rate or amount.

Sec. 8. [SEWAGE COLLECTION AND DISPOSAL; POWERS.]

Subdivision 1. [POWERS.] *In addition to all other powers conferred upon the board in this article, it has the powers specified in this section.*

Subd. 2. [DISCHARGE OF TREATED SEWAGE.] *The board may discharge the effluent from any treatment works operated by it into any waters of the state, subject to approval of the agency if required and in accordance with any effluent or water quality standards lawfully adopted by the agency, any interstate agency, or any federal agency having jurisdiction.*

Subd. 3. [UTILIZATION OF DISTRICT SYSTEM.] *The board may require any person or local governmental unit to provide for the discharge of any sewage, directly or indirectly, into the district disposal system, or to*

connect any disposal system or a part of it with the district disposal system wherever reasonable opportunity for connection is provided; may regulate the manner in which the connections are made; may require any person or local governmental unit discharging sewage into the disposal system to provide preliminary treatment for it; may prohibit the discharge into the district disposal system of any substance that it determines will or may be harmful to the system or any persons operating it; and may require any local governmental unit to discontinue the acquisition, betterment, or operation of any facility for the unit's disposal system wherever and so far as adequate service is or will be provided by the district disposal system.

Subd. 4. [SYSTEM OF COST RECOVERY TO COMPLY WITH APPLICABLE REGULATIONS.] Any charges, connection fees, or other cost-recovery techniques imposed on persons discharging sewage directly or indirectly into the district disposal system must comply with applicable state and federal law, including state and federal regulations governing grant applications.

Sec. 9. [BUDGET.]

The board shall prepare and adopt, on or before October 1 in 1995 and each year thereafter, a budget showing for the following calendar year or other fiscal year determined by the board, sometimes referred to in this article as the budget year, estimated receipts of money from all sources, including but not limited to payments by each local governmental unit, federal or state grants, taxes on property, and funds on hand at the beginning of the year, and estimated expenditures for:

(1) costs of operation, administration, and maintenance of the district disposal system;

(2) cost of acquisition and betterment of the district disposal system; and

(3) debt service, including principal and interest, on general obligation bonds and certificates issued pursuant to section 13, and any money judgments entered by a court of competent jurisdiction. Expenditures within these general categories, and any other categories as the board may from time to time determine, must be itemized in detail as the board prescribes. The board and its officers, agents, and employees shall not spend money for any purpose other than debt service without having set forth the expense in the budget nor in excess of the amount set forth in the budget for it. No obligation to make an expenditure of the above-mentioned type is enforceable except as the obligation of the person or persons incurring it. The board may amend the budget at any time by transferring from one purpose to another any sums except money for debt service and bond proceeds or by increasing expenditures in any amount by which actual cash receipts during the budget year exceed the total amounts designated in the original budget. The creation of any obligation under section 13 or the receipt of any federal or state grant is a sufficient budget designation of the proceeds for the purpose for which it is authorized, and of the tax or other revenue pledged to pay the obligation and interest on it, whether or not specifically included in any annual budget.

Sec. 10. [ALLOCATION OF COSTS.]

Subdivision 1. [DEFINITION OF CURRENT COSTS.] The estimated cost of administration, operation, maintenance, and debt service of the district disposal system to be paid by the board in each fiscal year and the estimated

costs of acquisition and betterment of the system that are to be paid during the year from funds other than state or federal grants and bond proceeds and all other previously unallocated payments made by the board pursuant to this article to be allocated in the fiscal year are referred to as current costs and must be allocated by the board as provided in subdivision 2 in the budget for that year.

Subd. 2. [METHOD OF ALLOCATION OF CURRENT COSTS.] *Current costs must be allocated in the district on an equitable basis as the board may determine by resolution to be in the best interests of the district. The adoption or revision of any method of allocation used by the board must be by the affirmative vote of at least two-thirds of the members of the board.*

Sec. 11. [TAX LEVIES.]

To accomplish any duty imposed on it the board may, in addition to the powers granted in this article and in any other law or charter, exercise the powers granted any municipality by Minnesota Statutes, chapters 117, 412, 429, 475, sections 115.46, 444.075, and 471.59, with respect to the area in the district. The board may levy taxes upon all taxable property in the district for all or a part of the amount payable to the board, pursuant to section 10, to be assessed and extended as a tax upon that taxable property by the county auditor for the next calendar year, free from any limitation of rate or amount imposed by law or charter. The tax must be collected and remitted in the same manner as other general taxes.

Sec. 12. [PUBLIC HEARING AND SPECIAL ASSESSMENTS.]

Subdivision 1. [PUBLIC HEARING REQUIREMENT ON SPECIFIC PROJECT.] *Before the board orders any project involving the acquisition or betterment of any interceptor or treatment works, all or a part of the cost of which will be allocated pursuant to section 10 as current costs, the board shall hold a public hearing on the proposed project. The hearing must be held following two publications in a newspaper having general circulation in the district, stating the time and place of the hearing, the general nature and location of the project, the estimated total cost of acquisition and betterment, that portion of costs estimated to be paid out of federal and state grants, and that portion of costs estimated to be allocated. The estimates must be best available at the time of the meeting and if costs exceed the estimate, the project cannot proceed until an additional public hearing is held, with notice as required at the initial meeting. The two publications must be a week apart and the hearing at least three days after the last publication. Not less than 45 days before the hearing, notice of the hearing must also be mailed to each clerk of all local governmental units in the district, but failure to give mailed notice or any defects in the notice does not invalidate the proceedings. The project may include all or part of one or more interceptors or treatment works. No hearing may be held on any project unless the project is within the area covered by the comprehensive plan adopted by the board pursuant to section 5 except that the hearing may be held simultaneously with a hearing on a comprehensive plan. A hearing is not required with respect to a project, no part of the costs of which are to be allocated as the current costs of acquisition, betterment, and debt service.*

Subd. 2. [NOTICE TO BENEFITED PROPERTY OWNERS.] *If the board proposes to assess against benefited property within the district all or any part of the allocable costs of the project as provided in subdivision 5, the board shall, not less than ten days before the hearing provided for in subdivision 1,*

cause mailed notice of the hearing to be given to the owner of each parcel within the area proposed to be specially assessed and shall also give one week's published notice of the hearing. The notice of hearing must contain the same information provided in the notice published by the board pursuant to subdivision 1, and a description of the area proposed to be assessed. For the purpose of giving mailed notice, owners are those shown to be on the records of the county auditor or, in any county where tax statements are mailed by the county treasurer, on the records of the county treasurer; but other appropriate records may be used for this purpose. For properties that are tax exempt or subject to taxation on a gross earnings basis and not listed on the records of the county auditor or the county treasurer, the owners must be ascertained by any practicable means and mailed notice given them as herein provided. Failure to give mailed notice or any defects in the notice does not invalidate the proceedings of the board.

Subd. 3. [BOARD PROCEEDINGS PERTAINING TO HEARING.] Before adoption of the resolution calling for a hearing under this section, the board shall secure from the district engineer or some other competent person of the board's selection a report advising it in a preliminary way as to whether the proposed project is feasible and whether it should be made as proposed or in connection with some other project and the estimated costs of the project as recommended. No error or omission in the report invalidates the proceeding. The board may also take other steps before the hearing, as will in its judgment provide helpful information in determining the desirability and feasibility of the project, including but not limited to preparation of plans and specifications and advertisement for bids on them. The hearing may be adjourned from time to time and a resolution ordering the project may be adopted at any time within six months after the date of hearing. In ordering the project the board may reduce but not increase the extent of the project as stated in the notice of hearing and shall find that the project as ordered is in accordance with the comprehensive plan and program adopted by the board pursuant to section 5.

Subd. 4. [EMERGENCY ACTION.] If the board by resolution adopted by the affirmative vote of not less than two-thirds of its members determines that an emergency exists requiring the immediate purchase of materials or supplies or the making of emergency repairs, it may order the purchase of those supplies and materials and the making of the repairs before any hearing required under this section, provided that the board shall set as early a date as practicable for the hearing at the time it declares the emergency. All other provisions of this section must be followed in giving notice of and conducting the hearing. Nothing herein may be construed as preventing the board or its agents from purchasing maintenance supplies or incurring maintenance costs without regard to the requirements of this section.

Subd. 5. [POWER OF THE BOARD TO SPECIALLY ASSESS.] The board may specially assess all or any part of the costs of acquisition and betterment as herein provided, of any project ordered pursuant to this section. The special assessments must be levied in accordance with the provisions of Minnesota Statutes, sections 429.051 to 429.081, except as otherwise provided in this subdivision. No other provisions of Minnesota Statutes, chapter 429, apply. For purposes of levying the special assessments, the hearing on the project required in subdivision 1 serves as the hearing on the making of the original improvement provided for by Minnesota Statutes, section 429.051. The area assessed may be less than but may not exceed the area proposed to be

assessed as stated in the notice of hearing on the project provided for in subdivision 2.

Sec. 13. [BONDS, CERTIFICATES, AND OTHER OBLIGATIONS.]

Subdivision 1. [BUDGET ANTICIPATION CERTIFICATES OF INDEBTEDNESS.] At any time after adoption of its annual budget and in anticipation of the collection of tax and other revenues estimated and set forth by the board in the budget, except in the case of deficiency taxes levied under this subdivision and taxes levied for the payment of certificates issued under subdivision 2, the board may, by resolution, authorize the issuance, negotiation, and sale, in accordance with subdivision 4 in the form and manner and upon terms it determines, of its negotiable general obligation certificates of indebtedness in aggregate principal amounts not exceeding 50 percent of the total amount of tax collections and other revenues, and maturing not later than three months after the close of the budget year in which issued. The proceeds of the sale of the certificates must be used solely for the purposes for which the tax collections and other revenues are to be expended pursuant to the budget.

All the tax collections and other revenues included in the budget for the budget year, after the expenditure of the tax collections and other revenues in accordance with the budget, must be irrevocably pledged and appropriated to a special fund to pay the principal and interest on the certificates when due. If for any reason the tax collections and other revenues are insufficient to pay the certificates and interest when due, the board shall levy a tax in the amount of the deficiency on all taxable property in the district and shall appropriate this amount when received to the special fund.

Subd. 2. [EMERGENCY CERTIFICATES OF INDEBTEDNESS.] If in any budget year the receipts of tax and other revenues should for some unforeseen cause become insufficient to pay the board's current expenses, or if any public emergency should subject it to the necessity of making extraordinary expenditures, the board may by resolution authorize the issuance, negotiation, and sale, in accordance with subdivision 4 in the form and manner and upon the terms and conditions it determines, of its negotiable general obligation certificates of indebtedness in an amount sufficient to meet the deficiency. The board shall levy on all taxable property in the district a tax sufficient to pay the certificates and interest on the certificates and shall appropriate all collections of the tax to a special fund created for the payment of the certificates and the interest on them. Certificates issued under this subdivision mature not later than April 1 in the year following the year in which the tax is collectible.

Subd. 3. [GENERAL OBLIGATION BONDS.] The board may by resolution authorize the issuance of general obligation bonds for the acquisition or betterment of any part of the district disposal system, including but without limitation the payment of interest during construction and for a reasonable period thereafter, or for the refunding of outstanding bonds, certificates of indebtedness, or judgments. The board shall pledge its full faith and credit and taxing power for the payment of the bonds and shall provide for the issuance and sale and for the security of the bonds in the manner provided in Minnesota Statutes, chapter 475. The board has the same powers and duties as a municipality issuing bonds under that law, except that no election is required and the debt limitations of Minnesota Statutes, chapter 475, do not apply to the bonds. The board may also pledge for the payment of the bonds and deduct

from the amount of any tax levy required under Minnesota Statutes, section 475.61, subdivision 1, and any revenues receivable under any state and federal grants anticipated by the board and may covenant to refund the bonds if and when and to the extent that for any reason the revenues, together with other funds available and appropriated for that purpose, are not sufficient to pay all principal and interest due or about to become due, provided that the revenues have not been anticipated by the issuance of certificates under subdivision 1.

Subd. 4. [MANNER OF SALE AND ISSUANCE OF CERTIFICATES.] Certificates issued under subdivisions 1 and 2 may be issued and sold by negotiation, without public sale, and may be sold at a price equal to the percentage of the par value of the certificates, plus accrued interest, and bearing interest at the rate determined by the board. No election is required to authorize the issuance of the certificates. The certificates must bear the same rate of interest after maturity as before and the full faith and credit and taxing power of the board must be pledged to the payment of the certificates.

Sec. 14. [DEPOSITORIES.]

The board shall designate one or more national or state banks, or trust companies authorized to do a banking business, as official depositories for money of the board, and shall require the treasurer to deposit all or a part of the money in those institutions. The designation must be in writing and set forth all the terms and conditions upon which the deposits are made, and must be signed by the chair and treasurer and made a part of the minutes of the board. A designated bank or trust company shall qualify as a depository by furnishing a corporate surety bond or collateral in the amounts required by Minnesota Statutes, section 118.01. No bond or collateral is required to secure any deposit insofar as it is insured under federal law.

Sec. 15. [MONEY, ACCOUNTS, AND INVESTMENTS.]

Subdivision 1. [RECEIPT AND APPLICATION.] Money received by the board must be deposited or invested by the treasurer and disposed of as the board may direct in accordance with its budget; provided that any money that has been pledged or dedicated by the board to the payment of obligations or interest on the obligations or expenses incident thereto, or for any other specific purpose authorized by law, must be paid by the treasurer into the fund to which it has been pledged.

Subd. 2. [FUNDS AND ACCOUNTS.] (a) The board's treasurer shall establish funds and accounts as may be necessary or convenient to handle the receipts and disbursements of the board in an orderly fashion.

(b) The funds and accounts must be audited annually by a certified public accountant at the expense of the district.

Subd. 3. [DEPOSIT AND INVESTMENT.] The money on hand in those funds and accounts may be deposited in the official depositories of the board or invested as provided in this subdivision. Any amount not currently needed or required by law to be kept in cash on deposit may be invested in obligations authorized for the investment of municipal sinking funds by Minnesota Statutes, section 475.66. The money may also be held under certificates of deposit issued by any official depository of the board.

Subd. 4. [BOND PROCEEDS.] The use of proceeds of all bonds issued by the board for the acquisition and betterment of the district disposal system,

and the use, other than investment, of all money on hand in any sinking fund or funds of the board, is governed by the provisions of Minnesota Statutes, chapter 475, the provisions of this article, and the provisions of resolutions authorizing the issuance of the bonds. When received, the bond proceeds must be transferred to the treasurer of the board for safekeeping, investment, and payment of the costs for which they were issued.

Subd. 5. [AUDIT.] The board shall provide for and pay the cost of an independent annual audit of its official books and records by the state auditor or a public accountant authorized to perform that function under Minnesota Statutes, chapter 6.

Sec. 16. [SERVICE CONTRACTS WITH GOVERNMENTAL ENTITIES OUTSIDE THE JURISDICTION OF THE BOARD.]

(a) The board may contract with the United States or any agency of the federal government, any state or its agency, or any municipal or public corporation, governmental subdivision or agency or political subdivision in any state, outside the jurisdiction of the board, for furnishing services to those entities, including but not limited to planning for and the acquisition, betterment, operation, administration, and maintenance of any or all interceptors, treatment works, and local water and sanitary sewer facilities. The board may include as one of the terms of the contract that the entity must pay to the board an amount agreed upon as a reasonable estimate of the proportionate share properly allocable to the entity of costs of acquisition, betterment, and debt service previously allocated in the district. When payments are made by entities to the board, they must be applied in reduction of the total amount of costs thereafter allocated in the district, on an equitable basis as the board deems to be in the best interests of the district, applying so far as practicable and appropriate the criteria set forth in section 10, subdivision 2. A municipality in the state of Minnesota may enter into a contract and perform all acts and things required as a condition or consideration therefor consistent with the purposes of this article, whether or not included among the powers otherwise granted to the municipality by law or charter.

(b) The board shall contract with the city of Pine City, or another qualified entity to make necessary inspections on the district facilities, and to otherwise process or assist in processing any of the work of the district.

Sec. 17. [CONTRACTS FOR CONSTRUCTION, MATERIALS, SUPPLIES, AND EQUIPMENT.]

Subdivision 1. [PLANS AND SPECIFICATIONS.] When the board orders a project involving the acquisition or betterment of a part of the district disposal system, it shall cause plans and specifications of the project to be made, or if previously made, to be modified, if necessary, and to be approved by the agency if required, and after any required approval by the agency, one or more contracts for work and materials called for by the plans and specification may be awarded as provided in this section.

Subd. 2. [CONTRACTS IN EXCESS OF \$5,000.] No contract for construction work, or for the purchase of materials, supplies, or equipment, estimated to cost more than \$5,000 may be made by the board without publishing once in a newspaper having general circulation in the district and once in a trade paper or legal newspaper published in any city of the first class, not less than 14 days before the last day for submission of bids, notice

that bids or proposals will be received. The notice must state the nature of the work or purchase, the terms and conditions upon which the contract is to be awarded, and the time and place where bids will be received, opened, and read publicly. After the bids have been duly received, opened, read publicly, and recorded, the board shall within a reasonable time award the contract to the lowest responsible bidder or it may reject all bids and readvertise. Each contract must be duly executed in writing and the party to whom the contract is awarded shall give sufficient bond or security to the board for the faithful performance of the contract as required by law. If the board by an affirmative vote of not less than two-thirds of its members declares that an emergency exists requiring the immediate purchase of materials or supplies or in making emergency repairs, at a cost estimated to be in excess of \$5,000, it shall not be necessary to advertise for bids.

Subd. 3. [CONTRACTS OR PURCHASES FOR \$5,000 OR LESS.] The board may, without advertising for bids, enter into any contract or purchase any materials, supplies, or equipment of the type referred to in subdivision 2, the cost of which is estimated to be \$5,000 or less, or it may authorize the executive director to enter into a contract on behalf of the board for that work or to make those purchases without prior approval of the board and without advertising for bids.

Subd. 4. [UNIFORM MUNICIPAL CONTRACTING LAW.] Except as otherwise provided in this section, Minnesota Statutes, section 471.345, shall apply.

Sec. 18. [PROPERTY EXEMPT FROM TAXATION.]

Any properties, real or personal, owned, leased, controlled, used, or occupied by the water and sanitary sewer board for any purpose under this article are declared to be acquired, owned, leased, controlled, used, and occupied for public, governmental, and municipal purposes, and are exempt from taxation by the state or any political subdivision of the state, provided that the properties are subject to special assessments levied by a political subdivision for a local improvement in amounts proportionate to and not exceeding the special benefit received by the properties from the improvement. No possible use of any properties in any manner different from their use as part of a disposal system at the time may be considered in determining the special benefit received by the properties. All assessments are subject to final approval by the board, whose determination of the benefits is conclusive upon the political subdivision levying the assessment.

Sec. 19. [RELATION TO EXISTING LAWS.]

The provisions of this article must be given full effect notwithstanding the provisions of any law or charter inconsistent with this article. The powers conferred on the board under this article do not in any way diminish or supersede the powers conferred on the agency by Minnesota Statutes, chapters 115 to 116.

Sec. 20. Laws 1993, chapter 55, section 1, is amended to read:

Section 1. [TEMPORARY RESOLUTION, EXTENSION.]

In addition to the periods allowed by Minnesota Statutes, section 394.34, the Pine county board of commissioners may by resolution extend a prior resolution on the subdivision of land by plat and by exemption certificate that was originally adopted by the board on March 13, 1991, for a one-year period,

and extended on March 11, 1992. The resolution adopted under this section may extend the prior resolution for an additional period ending not later than ~~March 13, 1994~~ April 1, 1995.

Sec. 21. [EFFECTIVE DATE.]

Subdivision 1. This article is effective the day following final enactment as to the city of Pine City when approved by the Pine City council and upon compliance with Minnesota Statutes, section 645.021.

Subd. 2. This article is effective the day following final enactment as to the towns of Pokegama, Chengwatana, and Pine City when approved by the town boards of each town and upon compliance with Minnesota Statutes, section 645.021.

Subd. 3. Section 20 is effective the day following final enactment.

ARTICLE 11

CHISHOLM/HIBBING AIRPORT

Section 1. [DEFINITIONS.]

Subdivision 1. [SCOPE.] For the purpose of this article, the words and terms defined in this section have the meanings given them.

Subd. 2. [AERONAUTICS.] "Aeronautics" means the transportation by aircraft; the operation, construction, repair, or maintenance of aircraft, air equipment, power plants, and accessories; the design, establishment, construction, operation, improvement, repair, or maintenance of airports, restricted landing areas, or other air navigation facilities and construction; and powers incidental to these activities.

Subd. 3. [AIRPORT.] (a) "Airport" means any locality of land or water, including intermediate landing fields, that is used or intended to be used for the landing and take-off of aircraft, whether or not facilities have been provided for the shelter, servicing, or repair of aircraft, or for receiving or discharging passengers or cargo. The term also includes any facility used in, available for use in, or designed for use in air navigation or to aid air navigation, including without limitation landing areas; lights; any apparatus or equipment for disseminating weather information, for signaling, for radio-directional finding, or for radio or other electrical communication; and any other structure or mechanism having a similar purpose for guiding or controlling flight in the air or for the landing or take-off of aircraft. The term also includes without limitation access roads, park areas, and those lands contiguous or not as may be required for installations necessary for safe and efficient operation, buildings, structures, hangars, shops, and any personal property usually used in connection with operating airports, including specifically, but not exclusively, snow-removal or impacting equipment, fire and ambulance equipment, motor vehicles, and equipment for buildings, structures, hangars, and shops.

Sec. 3. [DIRECTORS.]

Subdivision 1. [APPOINTMENTS; GENERAL POWERS AUTHORIZED.] The members of the authority created under this article shall consist of six directors, three of whom shall be appointed to membership in the authority by the city council of the city of Chisholm and three of whom shall be appointed to membership in the authority by the city council of the city of Hibbing. The members of the authority may exercise the powers and perform the duties set forth in this article.

Subd. 2. [TERMS; TRANSITION.] The members of the Chisholm/Hibbing airport commission as of the day before the effective date of this article shall be the original directors of the authority and shall serve until the remainder of their term and until their respective successors are appointed and qualified. Subsequent terms of directors are for three years, and all terms must expire on December 31 of the appropriate year. Directors shall serve until their respective successors are appointed and qualified.

Subd. 3. [EXPENSE REIMBURSEMENTS.] Each director may be paid a per diem for attending monthly, executive, and special meetings. Each director shall be reimbursed for reasonable and authorized out-of-pocket expenses incurred in the fulfillment of their duties.

Subd. 4. Subd. 5. [OATH.] Appointments and removals of the directors of the authority must be made by the respective city councils evidenced by resolution. An appointee who fails within ten days after notification of appointment to file with the city clerk of the appointing city the oath or affirmation to perform faithfully, honestly, and impartially the duties of office,

Upon filing the oath of office required by subdivision 5, each director assumes all the rights, privileges, and powers of a director duly appointed as provided in this article.

Subd. 7. [ORGANIZING MEETING; QUORUM; RULES AND REGULATIONS.] Within 20 days after members of the authority have qualified for office, the authority shall meet and organize. The members shall adopt, and thereafter may amend, rules and regulations for the conduct of the authority as the authority deems in the public interest and most likely to advance, enhance, foster, and promote air transportation in the airports of the city of Chisholm and the city of Hibbing. The rules and regulations must at all times be consistent with this article. At this organizing meeting, and at all subsequent meetings of the authority, four directors constitutes a quorum for the transaction of business, and the affirmative vote of the majority of the directors present is required for the passage of any measure. The quorum must be present to act on any measure.

Subd. 8. [OFFICERS.] The directors shall elect from among their members a president, a vice-president, and a treasurer. They shall also elect a secretary, who may or may not be a director. No two offices may be held by one director. The officers shall have the duties and powers usually attendant upon the holders of those offices and other duties and powers not inconsistent with this article and as may be provided by the authority.

Subd. 9. [EXECUTIVE DIRECTOR.] As soon after the organization meeting as possible, the authority shall appoint an executive director to be the executive and operating officer of the authority. The executive director shall serve at the pleasure of the authority and receive compensation as may be fixed by it. The executive director must be experienced with aviation and meet the requirement of a written, authority-approved job description kept on file with the authority. Under the supervision of the authority, the executive director is responsible for the operation, management, and promotion of all activities with which the authority is charged, together with other duties as may be prescribed by the authority. The executive director has those powers necessary and incidental to the performance of duties, and other powers as may be granted by the authority.

Sec. 4. [FINANCIAL MATTERS.]

Subdivision 1. [TREASURER; BUDGET; ACCOUNTING; FINANCIAL STATEMENT.] The treasurer shall receive and retain custody of all money of the authority. That money is deemed public funds. The authority shall prepare an annual budget before the joint meeting of the city councils to approve the levy and a copy of the annual budget must be provided to the councils at the joint meeting. The treasurer shall disburse funds only in accordance with the annual budget of the authority and only upon written orders drawn against those funds, signed by the executive director and approved by the president of the authority, or in the president's absence, the vice-president of the authority or other employee of the authority as may be authorized or directed so to do. Each order must state the name of the payee and the nature of the claim for which the order is issued. The treasurer shall keep an account of all money received, showing the source of all receipts and the nature, purpose, and

authority of all disbursements. At least four times each year, in the form to be determined by the directors, the authority shall file with the city clerks of the cities of Chisholm and Hibbing a financial statement from the authority, showing all receipts and disbursements, the nature and purposes of those receipts and disbursements, the money on hand, the credits and assets of the authority, and its outstanding liability.

Subd. 2. [SPENDING POWER.] Within the total budget approved as provided in subdivision 1, the authority has the exclusive power to receive, control, and order the expenditure of money in the control and management of the airport facilities of the authority.

Subd. 3. [AUDIT.] A complete examination and audit of all books and accounts of the authority must be done at least annually by a certified public accountant. One copy of the yearly audit must be filed with each city clerk as a public document.

Sec. 5. [POWERS.]

Subdivision 1. [SUITS; CONTRACTS; EMINENT DOMAIN; OPERATION; ACCEPT GIFTS; LEVY AND TAX.] Notwithstanding any law or charter or ordinance provision to the contrary, the following powers and duties are conferred upon the authority:

(1) to sue and be sued;

(2) to enter into and execute agreements, instruments, and other arrangements necessary, proper, and convenient to the exercise of its powers;

(3) to acquire:

(i) by purchase, lease, or gift any personal property, franchises, easements, or other rights in its own name that may be necessary or proper for the operation of the Chisholm/Hibbing airport, or any airport facilities that may be acquired in the future;

(ii) real property for use as airport terminal facilities, maintenance facilities, parking facilities, runway or taxiway facilities with approval of the city councils; and

(iii) other facilities used or useful for operating the airport;

(4) to acquire, construct, equip, improve, operate, and maintain airports and airport terminal facilities, maintenance facilities, runways and taxiways, parking areas, and other facilities useful for or related to operating an airport;

(5) to lease to or contract with any person or operator for the use of any real or personal property under the authority's control; provided, however, that the authority does not have the power to make agreements for the sale of any real estate under its control without the approval by resolution of the city councils;

(6) to accept gifts, grants, or loans of money or other property from the United States, the state, or any person or entity, and for those purposes may enter into any agreement required to do so, subject to prior notice to the city councils; and

(7) to levy a tax on all taxable property, according to the total tax capacity in each city, in the city of Chisholm and in the city of Hibbing, to provide funds

for the operation of the authority. A joint meeting of the city councils must be convened annually for the purpose of either adopting or rejecting the proposed levy. Each city council shall vote separately on the proposed levy. If the proposed levy is rejected by either city council, the authority shall revise the levy and resubmit the proposal for consideration by the city councils who shall either reject or approve the revised proposed levy. This procedure shall continue until a levy is approved by resolution of both city councils. No later than September 15 each year, the secretary of the authority shall certify to the auditor of St. Louis county the total levy approved by the city councils, accompanied by a certified copy of the resolution of each city approving the levy. The auditor shall add the total levy made by the authority to other tax levies of the county on taxable property in the cities of Chisholm and Hibbing for collection by the county auditor with other taxes. When collected, the county auditor shall make settlement of those taxes with the treasurer of the authority in the same manner as other taxes are distributed to political subdivisions.

Subd. 2. [MANAGEMENT CONTRACTS.] Notwithstanding other provisions of this article to the contrary, the authority is authorized, in lieu of directly operating the Chisholm/Hibbing airports or any part of them, to enter into management contracts with persons for managing the airports or any part of them, for a period of time, for purposes, and under any compensation and other terms and conditions as deemed advisable and proper by the authority. The agreement is subject to the approval by resolution of the city councils.

Sec. 6. [ADDITIONAL POWERS.]

The authority is authorized:

(1) when not in conflict with this article, to adopt and alter bylaws and rules and regulations that it deems necessary for conducting the business of the authority, for using and operating the Chisholm/Hibbing airports and the facilities of the authority, and for carrying out the objects of this article;

(2) to appoint the executive director, engineers and other consultants, accountants, attorneys, and other officers, agents, and employees as it deems necessary, who shall perform duties and receive compensation as the authority may determine and who are removable at the pleasure of the authority;

(3) to prescribe or provide for a policy or policies of insurance for the defense and indemnification of the cities of Chisholm and Hibbing and their officers and employees, and the authority's directors, executive director, and other employees against claims arising against them out of the performance of duty, whether the claims be groundless or otherwise, with premiums for any policies of insurance required by this article to be paid out of the funds of the authority;

(4) to authorize and direct the treasurer to invest, in the manner provided by law, any funds held in reserve, sinking funds, or any funds not required for immediate disbursement; and

(5) to fix, alter, change, and collect fees, rentals, and all other charges to be made for all services or facilities furnished by the authority to the public, to any persons, or to public or private agencies leasing any and all facilities at the Chisholm/Hibbing airports.

Sec. 7. [EXECUTIVE DIRECTOR.]

Subdivision 1. [CUSTODY OF MONEY COLLECTED DAILY.] The executive director of the authority is responsible for the custody and control of all money received and collected from the daily operations of the Chisholm/Hibbing airports until that money is delivered to the treasurer and the executive director has obtained a receipt for it, or until the money is deposited in a bank account under the control of the treasurer.

Subd. 2. [INSURANCE.] In addition to other insurance provisions of this article, the executive director shall provide for insurance on any of the Chisholm/Hibbing airports' property, rights, revenue, workers' compensation, public liability, or any other risk or hazard arising from its activities; and the premiums for that insurance must be paid for out of funds of the Chisholm/Hibbing airport authority.

Sec. 8. [TAX-EXEMPT PROPERTY.]

Notwithstanding other law to the contrary, the property, money, and other assets of the authority, or revenues or other income of the authority are exempt from all taxation, licensing, fees, or charges of any kind imposed by the state of Minnesota, or by any county, municipality, political subdivision, taxing district, or other public agency or body of the state.

Sec. 9. [REVENUE BONDS.]

Subdivision 1. [AUTHORITY TO ISSUE.] Notwithstanding any limitations imposed by law or by the charter of the city of Chisholm, the authority is authorized to issue negotiable revenue bonds for any one or more of its purposes. Revenue bonds under this section shall be issued in the amounts, times, and series to the authority determined by resolution. No election is necessary to authorize the issuance of the revenue bonds. Except as otherwise provided by this section, the maturities, any right of prior redemption, execution, paying agency, provision for interest, and other terms of the bonds, are subject to Minnesota Statutes, sections 475.54 and 475.56.

Subd. 2. [PLEGGED FROM REVENUES.] Revenue bonds issued under this section do not constitute a debt of the city of Chisholm or the city of Hibbing, and no tax levy may be compelled for their payment. The bonds are payable only from the revenues of the Chisholm/Hibbing airport pledged by the authority; to payment of principal of and interest on the bonds; and they must so recite. At or before the issuance of revenue bonds, the authority, by resolution, shall pledge and appropriate to the payment of principal and interest the net revenues of the Chisholm/Hibbing airports, or some part of those airports, after provision for reasonable and necessary expenses of operation and maintenance, as described and defined in the authorizing resolution.

Subd. 3. [RESOLUTION.] By the authorizing resolution, the authority may provide covenants for the protection of the bondholders relating to disposition of bond proceeds and revenues; their reserves and investment; construction, acquisition, repair, replacement, operation and insurance of the Chisholm/Hibbing airports facilities; accounting and reports; issuance of parity or subordinate lien bonds, rates and charges to be established or maintained; and other covenants the authority finds to be usual and reasonably necessary for the protection of the airport revenue bondholders.

Subd. 4. [DEFAULT.] The authority may also define the event or events of default and other requisites for suit by bondholders or their representatives, conditions upon which any covenant may be amended. Any terms, covenants, or conditions of revenue bonds to be provided by resolution of the authority may be set forth in a trust indenture with a corporation having trust powers appointed by the authority, to represent and act for bondholders, to hold and disburse pledged revenues, and to perform other duties as may be provided in the trust indenture. However, the trust indenture must not confer or authorize any mortgage lien on the real or operating properties or general funds of the authority.

Subd. 5. [PUBLIC INSTRUMENTALITY.] Revenue bonds of the authority are deemed and must be treated as instrumentalities of the public government agency; and as such, together with interest on the bonds, are exempt from taxation.

Sec. 10. [GENERAL OBLIGATION BONDS.]

Subdivision 1. [AUTHORITY TO ISSUE.] The authority may request the issuance of general obligation bonds to improve or construct, and equip, terminal facilities, maintenance and hangar facilities, runway or taxiway facilities, parking areas, or similar facilities used or useful in connection with the operation by the authority of the Chisholm/Hibbing airports, or any part of them.

Subd. 2. [RESOLUTION.] General obligation bonds under this section shall be issued in the amounts, at times, and in a series as the cities shall determine by joint resolution. Except as otherwise provided by this section, the maturities, any right of prior redemption, execution, paying agency, provision for interest, or other terms of the bonds, are subject to Minnesota Statutes, sections 475.54 and 475.56.

Subd. 3. [PLEGGED WITH TAXES.] General obligation bonds issued according to the total tax capacity in each city under this section constitute a debt of the city of Chisholm and the city of Hibbing for which the full faith and credit of the city is pledged. A tax levy must be compelled for their payment and the bonds must recite that.

Sec. 11. [PROPERTY TRANSACTIONS.]

Subdivision 1. [EMINENT DOMAIN.] If it becomes necessary for any of the purposes provided in this article to exercise the power of eminent domain, that power must not be exercised by the authority. However, the city of Chisholm and the city of Hibbing shall, at the request of the authority, acquire any of the properties allowed pursuant to this article and necessary for the conduct and operation of the authority, or for the purpose of acquiring any land, waters, easements, or other rights or interests in them by the exercise of the power of eminent domain, either as provided for under the home rule charter of the city of Chisholm, or under Minnesota Statutes, chapter 117. An exercise of the power of eminent domain by the cities must be at the request and expense of the authority. The fact that the property is owned by a public service corporation organized for the purpose specified in Minnesota Statutes, section 300.03, or is already devoted to a public use, or to use by a corporation, or was acquired for a public use by condemnation, does not prevent its acquisition by the cities for the authority by condemnation. The cities, on behalf of the authority, may take possession of any property for which condemnation proceedings have been commenced at any time after the

filing of the petition describing the property in the proceedings. After the condemnation is completed, the cities shall transfer the property condemned to the authority.

Subd. 2. [PROPERTY TRANSFERS.] Subject to prior notice to the city councils, any state department or other agency of the state government, or any county, municipality, or other public agency, may sell, lease, grant, transfer, or convey to the authority, with or without consideration, any facilities or any part of the facilities, or any interest in real or personal property, which may be useful to the authority for any authorized purpose.

Sec. 12. [LIMITED REGULATION BY OTHER GOVERNMENTAL UNITS.]

The exercise by the authority and the city councils of the powers provided in this article are not subject to regulation by the jurisdiction or control of any other public body or agency, whether state, county, or municipal, except as specifically provided in this article. However, the authority is subject to rules administered by the state department of public safety, division of aeronautics, and to laws of the United States or regulations of the Federal Aviation Administration of the United States Department of Transportation, as may be applicable to the operations of the Chisholm/Hibbing airports.

Sec. 13. [PROPERTY TRANSFERRED BY THIS ARTICLE.]

On the effective date of this article, the Chisholm/Hibbing airport commission is dissolved and the title to all real and personal property presently used and occupied by the Chisholm/Hibbing airport commission vests in the authority. The city of Chisholm and the city of Hibbing shall execute all deeds or other appropriate documents necessary to confirm the vesting of title in the Chisholm/Hibbing airport authority. If the authority is dissolved, the fair market value of all real estate owned by the city of Hibbing prior to the formation of the Chisholm/Hibbing joint airport commission in 1957 including improvements on that real estate prior to that time must be credited to the city of Hibbing.

Sec. 14. [EFFECTIVE DATE.]

This article is effective after its approval by a majority of the city council of the city of Chisholm and a majority of the city council of the city of Hibbing, and upon compliance with the provisions of Minnesota Statutes, section 645.021, subdivision 3.

[TRANSIT SYSTEMS AND ALTERNATIVE FUELS EXEMPT.] The provisions of subdivision 1 do not apply to (1) gasoline purchased by a transit system or transit provider receiving financial assistance or reimbursement under section 174.24, 256B.0625, subdivision 17, or 473.384 or (2) sales of compressed natural gas or propane for use in vehicles displaying a valid annual alternate fuel permit.

Sec. 8. Minnesota Statutes 1993 Supplement, section 296.025, subdivision 1a, is amended to read:

Subd. 1a. [TRANSIT SYSTEMS AND ALTERNATIVE FUELS EXEMPT.] The provisions of subdivision 1 do not apply to (1) special fuel purchased by a transit system or transit provider receiving financial assistance or reimbursement under section 174.24, 256B.0625, subdivision 17, or 473.384 or (2) sales of compressed natural gas or propane for use in vehicles displaying a valid annual alternate fuel permit.

Sec. 9. [296.0261] [PERMIT FOR ALTERNATE FUEL VEHICLE.]

Subdivision 1. [ANNUAL ALTERNATE FUEL PERMIT.] A person owning a motor vehicle propelled by compressed natural gas, propane, or any other manner except gasoline or special fuel, shall obtain an annual permit for that vehicle in accordance with subdivision 2 or 3. The period for which the alternate fuel permit is valid must coincide with the motor vehicle registration period of the vehicle. A person shall obtain all required permits within 30 days of becoming a user of compressed natural gas, propane, or any other method of propulsion except gasoline or special fuel.

Subd. 2. [PERMIT FEES FOR ALTERNATE FUEL VEHICLES.] The fees for annual alternate fuel permits are based on the vehicle's gross weight as follows:

- (1) under 6,001 pounds, \$175;*
- (2) 6,001-12,000 pounds, \$350;*
- (3) 12,001-26,000 pounds, \$390; and*
- (4) over 26,000 pounds, \$540.*

Subd. 3. [PERMIT FEES FOR DUAL FUEL VEHICLES.] The owner of a motor vehicle capable of being propelled by gasoline as well as compressed natural gas or propane shall pay a permit fee equal to one-half the fee determined under subdivision 2.

Subd. 4. [PRO RATA FEE CALCULATION.] The fee for a permit required by this section must be calculated based on the number of unexpired months remaining in the registration year of the vehicle as measured from the date of the occurrence of the event requiring the permit.

Subd. 5. [PERMIT APPLICATION; CONTENT.] A person shall apply for an annual alternate fuel permit for each motor vehicle specified in this section each time the vehicle is registered. The commissioner of public safety shall prescribe the form of the application. The form must require the applicant to provide the following information:

(1) the name and address of the owner or person licensing the vehicle;

(2) a description of the vehicle, including the make, model and year, vehicle identification number, and the type of fuel used; and

(3) other information the commissioner determines necessary for the proper implementation of this section.

A completed application must be submitted to the department of public safety. The department of public safety shall issue an alternate fuel permit and collect the fee provided in this section.

Subd. 6. [PERMIT STICKERS.] The alternate fuel permit required by this section must be a gummed sticker prepared by the department of public safety. The permit must be attached to the lower left corner of the windshield of the motor vehicle for which it was issued. The permit must provide a space to enter the license number of the motor vehicle for which the permit is issued. The permit must show the year for which it is issued and the date of expiration of the permit.

Subd. 7. [PERMIT NOT TRANSFERABLE.] An alternate fuel permit is not transferable, either to a new vehicle or to a new owner. Upon the transfer of ownership of a motor vehicle with a permit, the department of public safety shall credit the transferor with the number of unexpired months remaining in the registration period, except that when the vehicle is transferred within the same month in which acquired, no credit for the month is allowed. If a transferor acquires another motor vehicle for which an alternate fuel permit is required at the time of transfer, the credit provided by this section must be applied toward payment of the alternate fuel permit fee then due; otherwise the transferor may file a claim for the amount of the credit with the commissioner on a form prescribed by the commissioner. The department shall pay the claim from the undistributed alternate fuel permit fees.

Subd. 8. [MOTOR VEHICLE CONVERSION REPORT.] A person who installs equipment in a motor vehicle to permit it to be powered by compressed natural gas or propane shall report the installation to the department of public safety within 30 days. The report must include the name and address of the owner of the vehicle; the make, model, and identification number of the vehicle; the type of fuel that the vehicle was equipped to use before the installation; and, if the vehicle is registered, the license plate number of the vehicle.

Subd. 9. [FEES DEPOSITED IN HIGHWAY USER FUND.] The permit fees collected under subdivision 2 are in lieu of the gasoline and special fuels excise taxes imposed by sections 296.02 and 296.025. Compressed natural gas or propane sold as fuel for motor vehicles displaying valid annual alternate fuel permit stickers is not subject to any additional tax at the time of sale. All

alternate fuel permit fees collected by the department of public safety must be deposited in the state treasury and credited to the highway user tax distribution fund.

This subdivision does not apply to the lawful importation of wine and distilled spirits pursuant to section 297C.09, nor to any lawful manufacture of wine or distilled spirits within the state for personal consumption.

Sec. 12. [469.301] [DEFINITIONS.]

Sec. 13. [469.302] [DESIGNATIONS OF ENTERPRISE ZONES.]

Subdivision 1. [PROCESS.] The commissioner shall designate an area as an enterprise zone if:

(1) the application is made by the governing body of the city as prescribed by section 469.304;

(2) the area is determined by the commissioner to be eligible for designation under section 469.303.

Subd. 2. [DURATION.] *The designation of an area as an enterprise zone is effective for ten years after the date of designation.*

Subd. 3. [DATE OF DESIGNATION.] *Designation is effective immediately following approval of the enterprise zone application by the commissioner.*

Sec. 14. [469.303] [ELIGIBILITY REQUIREMENTS.]

An area within the city is eligible for designation as an enterprise zone if the area is (1) designated as a proposed federal empowerment zone or enterprise community by the city in an application to the United States Department of Housing and Urban Development under Public Law Number 103-66, provided the city can demonstrate that it can meet the maximum zone population standard under the federal empowerment zone program for cities with a population under 500,000 or (2) an area within a city of the second class that is designated as an economically depressed area by the United States Department of Commerce.

Sec. 15. [469.304] [APPLICATION FOR ENTERPRISE ZONE DESIGNATION.]

Subdivision 1. [SUBMISSION OF APPLICATIONS.] *An applicant may seek enterprise zone designation by submitting an application to the commissioner. The commissioner shall establish procedures and forms for the submission of applications for enterprise zone designation. The commissioner may promulgate rules for the administration of the program. The commissioner of revenue shall establish a schedule to determine the tax credits in section 469.305.*

Subd. 3. [CERTIFICATION.] *The governing body must certify to the commissioner that activity within the municipality's enterprise zone will not transfer existing employment from other municipalities within the state.*

Sec. 16. [469.305] [ENTERPRISE ZONE CREDITS.]

Subdivision 1. [INCOME OR FRANCHISE TAX CREDIT.] *An income or corporate franchise tax credit is available to businesses located in an enterprise zone that meet the conditions of this section. Each city designated as an enterprise zone is allocated \$3,000,000 to be used to provide credits under this section for the duration of the program. Each city of the second*

class designated as an economically depressed area by the United States Department of Commerce is allocated \$300,000 to be used to provide credits under this section for the duration of the program. For fiscal year 1998 and subsequent years, the proration in section 21 shall continue to apply until the amount designated in this subdivision is expended.

The credit is in an amount equal to 20 percent of the wages paid to an employee, not to exceed \$5,000 per employee per taxable year. The credit is available to an employer for a zone resident employed in the zone at full-time wage levels of not less than 170 percent of minimum wage. The credit is not available to workers employed in construction or employees of financial institutions, gambling enterprises, public utilities, sports, fitness, and health facilities, or racetracks. The employee must be employed at that rate at the time the business applies for a tax credit, and must have been employed for at least one year at the business. The credit applies to new jobs; for purposes of this section, a "new job" is a job that did not exist in Minnesota before the effective date of this section. The credit is applicable to the five taxable years after the application has been approved to the extent the allocation to the city remains available to fund the credit, and provided that the city certifies to the commissioner on an annual basis that the business is in compliance with the plan to recruit, hire, train, and retain zone residents.

Subd. 2. [REFUNDABLE CREDITS.] To the extent the credit provided under subdivision 1 exceeds the business' tax liability under chapter 290, the credit is refundable.

Subd. 3. [REVIEW AND ANALYSIS.] The city must submit the proposed tax credit proposal to the commissioner for approval. The proposal shall include a plan to recruit, hire, train, and retain zone residents. The tax credit proposal shall be approved unless the commissioner finds that the proposal is not in conformity with the provisions of sections 469.301 to 469.308.

If the city submits the tax credit proposal to the commissioner before the expiration of the zone designation under section 469.302, subdivision 2, the authority of the commissioner to approve the tax credit proposal continues until the commissioner acts on the proposal.

Sec. 17. [469.306] [REVOCAATION.]

The commissioner may revoke a business' tax credit if the applicant has not proceeded in good faith with its operations in a manner which is consistent with the purpose of sections 469.301 to 469.308 and is possible under circumstances reasonably within the control of the applicant.

The commissioner may reconsider the revocation of the tax credit if the business provides evidence that circumstances of its failure to proceed were beyond its control or that it did not act in bad faith.

Sec. 18. [469.307] [RECAPTURE.]

Subdivision 1. [TERMINATION OF OPERATIONS; OTHER VIOLATIONS.] Any business that receives a tax credit authorized by section 469.305 and ceases to operate or otherwise violates the criteria for obtaining the credit for its facility located within the enterprise zone within seven years after

the first receipt of a credit by the business shall repay the portion of the tax credit received as provided in the following schedule:

<i>Termination of Operations or Other Violations</i>	<i>Repayment of Portion</i>
<i>Less than two years</i>	<i>100 percent</i>
<i>Between two years and four years</i>	<i>75 percent</i>
<i>Between four years and seven years</i>	<i>50 percent</i>
<i>More than seven years</i>	<i>0 percent</i>

Subd. 2. [REPAYMENT.] The repayment must be paid to the state. The amount repaid must be credited to the amount certified as available for tax credits in the zone under section 469.305.

Subd. 3. [LIEN.] If an event occurs that creates an obligation under subdivision 1 to repay all or part of the tax credit, the repayment obligation immediately becomes a lien against the business's real and personal property located in Minnesota, including the property of subsidiaries, parents, and related corporations. A lien against real property under this subdivision has the same legal effect and must be collected in the same manner as unpaid real property taxes.

Sec. 19. [469.308] [ADMINISTRATION.]

Subdivision 1. [TECHNICAL ASSISTANCE.] The commissioner shall provide technical assistance to the city seeking an enterprise zone designation.

Subd. 2. [ADMINISTRATIVE PROCEDURE ACT.] Chapter 14 does not apply to the designation of enterprise zones.

Subd. 3. [REPORTING.] The commissioner shall require cities receiving enterprise zone designations to report to the state regarding the economic activity that has occurred in the zone following the designation.

Subd. 4. [REPORT TO THE LEGISLATURE.] The commissioner of jobs and training, in consultation with the commissioner of revenue and any cities receiving the designation, shall evaluate the enterprise zone program and assess options for expansion of the enterprise zone program to businesses throughout the metropolitan area that hire zone residents. The commissioner of jobs and training shall submit its findings in a report to the 1996 session of the legislature.

Sec. 20. [469.309] [RURAL JOB CREATION CREDIT.]

Subdivision 1. [CREDIT FOR JOB CREATION.] The commissioner of trade and economic development may approve a credit against the tax due under chapter 290 for an eligible business beginning with the first taxable year after December 31, 1994. The maximum credit available is \$5,000 per eligible employee. The actual credit is based on the following schedule:

\$2,000 for each eligible employee with wages greater than or equal to 170 percent and less than 200 percent of the minimum wage;

\$3,000 for each eligible employee with wages greater than or equal to 200 percent and less than 250 percent of the minimum wage;

\$4,000 for each eligible employee with wages greater than or equal to 250 percent and less than 300 percent of the minimum wage; and

\$5,000 for each eligible employee with wages greater than or equal to 300 percent of the minimum wage.

The total credit for an employer is equal to the actual credit multiplied by the number of employees eligible for that credit. For purposes of this section "minimum wage" means the minimum wage that is required by federal law. An eligible business may apply for a rural job creation credit only once for each new job. The credit is refundable.

Subd. 2. [ELIGIBLE BUSINESS.] An employer eligible for a job credit under this section must (1) be located outside the metropolitan area as defined under section 473.121 (2) create at least ten qualifying new jobs in a two-year period, and (3) consist of a for-profit business. For the purposes of this section, a "qualifying new job" is a job that did not exist in Minnesota before the effective date of this section.

Subd. 3. [ELIGIBLE EMPLOYEE.] To be eligible for a credit, the employee must be employed full-time by an eligible business at a wage level of not less than 170 percent of the minimum wage at the time the eligible business applies for the credit and must have been employed there at that wage level for a minimum of 12 months. The credit applies only to new jobs created at the eligible business after the effective date of this section.

Subd. 4. [RESTRICTIONS.] The tax credits provided by this section do not apply to racetracks, financial institutions, gambling enterprises, public utilities, or sports, fitness, and health facilities. An employer is not eligible for a tax credit if the commissioner determines that the position held by the employee for which the business is seeking a credit was transferred from an enterprise conducted by substantially the same business enterprise at another site in the state.

Sec. 21. [LIMIT ON TAX CREDITS.]

The maximum amount of tax credits allowable under Minnesota Statutes, sections 469.305 and 469.309 is \$900,000 for fiscal year 1997. Of that amount, one-third must be allocated to the city of Minneapolis, one-third to the city of St. Paul, and one-third to the remaining cities. Of the amounts allocated to the cities of Minneapolis and St. Paul, \$25,000 must be subtracted from each city's allocation and is appropriated to the commissioner of jobs and training for administration of this program, provided that \$25,000 of the appropriation is for fiscal year 1996 and \$25,000 is for fiscal year 1997. Of the amount allocated to the remaining cities, a minimum of \$60,000 must be allocated to the city of South St. Paul. No tax credits are allowable before fiscal year 1997. If the commissioner of revenue estimates by March 1, 1996, that tax credits for fiscal year 1997 will exceed \$900,000, the commissioner shall proportionately reduce each city's allocation to remain within the limit.

Sec. 22. [473.197] [HOUSING BOND CREDIT ENHANCEMENT PROGRAM.]

Subdivision 1. [AUTHORIZATION.] The metropolitan council may establish a housing bond credit enhancement program as provided in this section. The council may pledge its full faith and credit and taxing powers to the payment of bonds issued under section 469.034 for qualified housing

development projects in the metropolitan area, as provided in this section. A "qualified housing development project" has the meaning given that term in section 469.034, subdivision 2, paragraph (e), except that the council is substituted for "general jurisdiction governmental unit" in clause (3) and "60 percent of the median family income" is substituted for "80 percent of the median family income."

Subd. 2. [PROJECT SELECTION.] Before pledging its full faith and credit, the council must establish criteria for selecting appropriate qualified housing development projects for the credit enhancement program. The council may award preferences for qualified housing development projects that meet criteria for preferences established by the council. The council must establish the criteria in consultation with housing providers in the metropolitan area. In developing priorities for projects for the credit enhancement program, the council shall give priority to projects that develop or redevelop housing for low income households. The council shall consider the extent to which projects for the credit enhancement program are developed in collaboration with Minnesota Youth-Build under sections 268.361 to 268.367; or training for housing programs for homeless adults under Laws 1992, chapter 376, article 6; or other employment training programs.

Subd. 3. [LIMITATION.] The aggregate principal amount of bonds that may be secured by a pledge of the council's full faith and credit under this section may not exceed \$20,000,000. The bonds must be payable from revenues derived from the project or projects financed under the credit enhancement program, or from income of the authority or authorities that participate in the program, including earnings on any reserves established for the program. The council must find that the pledged revenues will equal or exceed 110 percent of the principal and interest due on the bonds.

Subd. 4. [DEBT RESERVE; LEVY.] To provide money to pay debt service on bonds issued under the credit enhancement program if pledged revenues are insufficient to pay debt service, the council must maintain a debt reserve fund in the manner and with the effect provided by section 475.66 for public debt service funds. To provide funds for the debt reserve fund, the council may use up to \$3,000,000 of the proceeds of solid waste bonds issued by the council under section 473.831 before its repeal. To provide additional funds for the debt reserve fund, the council may levy a tax on all taxable property in the metropolitan area and must levy the tax if sums in the debt reserve fund are insufficient to cure any deficiency in the debt service fund established for the bonds. The tax authorized by this section does not affect the amount or rate of taxes that may be levied by the council for other purposes and is not subject to limit as to rate or amount.

Subd. 5. [AGREEMENTS.] The council and each authority that participates in the credit enhancement program may enter into agreements they determine to be necessary to implement the credit enhancement program. The agreements may extend over any period, notwithstanding any law to the contrary.

Sec. 23. [APPROPRIATION.]

\$225,000 is appropriated from the general fund to the commissioner of revenue for the costs of administering Laws 1994, chapter 383, and the provisions of this act. This amount does not cancel and is available until July 1, 1995.

Sec. 24. [EFFECTIVE DATE.]

Section 1 is effective July 1, 1994.

Section 2 is effective July 1, 1995.

Sections 3 and 6 are effective for payments due after the date of final enactment.

Sections 4 and 5 are effective for taxes levied in 1994, payable in 1995, and thereafter.

For purposes of calculation of a debt service levy, determination of a rate of interest on a special assessment or other calculation based on the rate of interest on an obligation, a municipality which has entered into an interest rate swap agreement described in this subdivision may determine to treat the amount or rate of interest on the obligation as the net rate or amount of interest payable after giving effect to the swap agreement. (d) Private data may be used by and disseminated to any person or agency if the individual subject or subjects of the data have given their informed consent. Whether a data subject has given informed consent shall be determined by rules of the commissioner. Informed consent shall not be deemed to have been given by an individual subject of the data by the signing

The records of juvenile probation officers and county home schools are records of the court for the purposes of this subdivision. Court services data relating to delinquent acts that are contained in records of the juvenile court may be released as allowed under section 13.84, subdivision 5a. This subdivision applies to all proceedings under this chapter, including appeals from orders of the juvenile court, except that this subdivision does not apply to proceedings under section 260.255, 260.261, or 260.315 when the proceeding involves an adult defendant. The court shall maintain the confidentiality of adoption files and records in accordance with the provisions of laws relating to adoptions. The report must be made on a form provided by the department of public safety and must contain the information required under section 169.95.

Sec. 33. Minnesota Statutes 1993 Supplement, section 260.161, subdivision 3, is amended to read:

Subd. 3. [PEACE OFFICER RECORDS OF CHILDREN.] (a) Except for records relating to an offense where proceedings are public under section 260.155, subdivision 1, peace officers' records of children who are or may be delinquent or who may be engaged in criminal acts shall be kept separate from records of persons 18 years of age or older and are private data but shall be disseminated: (1) by order of the juvenile court, (2) as required by section 126.036, (3) as authorized under section 13.82, subdivision 2, (4) to the child or the child's parent or guardian unless disclosure of a record would interfere with an ongoing investigation, or (5) as otherwise provided in paragraph (d) *this subdivision*. Except as provided in paragraph (c), no photographs of a child taken into custody may be taken without the consent of the juvenile court unless the child is alleged to have violated section 169.121 or 169.129. Peace officers' records containing data about children who are victims of crimes or witnesses to crimes must be administered consistent with section 13.82, subdivisions 2, 3, 4, and 10. Any person violating any of the provisions of this subdivision shall be guilty of a misdemeanor.

In the case of computerized records maintained about juveniles by peace officers, the requirement of this subdivision that records about juveniles must be kept separate from adult records does not mean that a law enforcement agency must keep its records concerning juveniles on a separate computer system. Law enforcement agencies may keep juvenile records on the same computer as adult records and may use a common index to access both juvenile and adult records so long as the agency has in place procedures that keep juvenile records in a separate place in computer storage and that comply with the special data retention and other requirements associated with protecting data on juveniles.

(b) Nothing in this subdivision prohibits the exchange of information by law enforcement agencies if the exchanged information is pertinent and necessary to the requesting agency in initiating, furthering, or completing a criminal investigation.

(c) A photograph may be taken of a child taken into custody pursuant to section 260.165, subdivision 1, clause (b), provided that the photograph must be destroyed when the child reaches the age of 19 years. The commissioner of corrections may photograph juveniles whose legal custody is transferred to the commissioner. Photographs of juveniles authorized by this paragraph may be used only for institution management purposes, case supervision by parole agents, and to assist law enforcement agencies to apprehend juvenile offenders. The commissioner shall maintain photographs of juveniles in the same manner as juvenile court records and names under this section.

(d) Traffic investigation reports are open to inspection by a person who has sustained physical harm or economic loss as a result of the traffic accident. Identifying information on juveniles who are parties to traffic accidents may be disclosed as authorized under section 13.82, subdivision 4, and accident reports required under section 169.09 may be released under section 169.09, subdivision 13, unless the information would identify a juvenile who was taken into custody or who is suspected of committing an offense that would be a crime if committed by an adult, or would associate a juvenile with the offense, and the offense is not a minor traffic offense under section 260.193.

(e) A law enforcement agency shall notify the principal or chief administrative officer of a juvenile's school of an incident occurring within the agency's jurisdiction if:

(1) the agency has probable cause to believe that the juvenile has committed an offense that would be a crime if committed as an adult, that the victim of the offense is a student or staff member of the school, and that notice to the school is reasonably necessary for the protection of the victim; or

(2) the agency has probable cause to believe that the juvenile has committed an offense described in subdivision 1b, paragraph (a), clauses (1) to (3), that would be a crime if committed by an adult.

A law enforcement agency is not required to notify the school under this paragraph if the agency determines that notice would jeopardize an ongoing investigation. Notwithstanding section 138.17, data from a notice received from a law enforcement agency under this paragraph must be destroyed when the juvenile graduates from the school or at the end of the academic year when the juvenile reaches age 23, whichever date is earlier. For purposes of this paragraph, "school" means a public or private elementary, middle, or secondary school.

(f) In any county in which the county attorney operates or authorizes the operation of a juvenile prepetition or pretrial diversion program, a law enforcement agency or county attorney's office may provide the juvenile diversion program with data concerning a juvenile who is a participant in or is being considered for participation in the program.

(g) Upon request of a local social service agency, peace officer records of children who are or may be delinquent or who may be engaged in criminal acts may be disseminated to the agency to promote the best interests of the subject of the data.

If an action is brought claiming that public business other than discussions of labor negotiation strategies or developments or discussion and review of labor negotiation proposals was transacted at a closed meeting held pursuant to this subdivision during the time when the tape is not available to the public, the court shall review the recording of the meeting in camera. If the court ~~determines that no violation of this section is found~~ *finds that this subdivision was not violated*, the action shall be dismissed and the recording shall be *sealed and preserved* in the records of the court until otherwise made available to the public pursuant to this ~~section~~ *subdivision*. If the court ~~determines that a violation of this section is found~~ *finds that this subdivision was violated*, the recording may be introduced at trial in its entirety subject to any protective orders as requested by either party and deemed appropriate by the court.

~~The prevailing party in an action brought before or after the tape is made available to the public which establishes that a violation of this section has occurred shall recover costs and reasonable attorney's fees as determined by the court.~~

Subd. 1b. [AGENDA WRITTEN MATERIALS.] In any meeting which under subdivision 1 must be open to the public, at least one copy of any printed materials relating to the agenda items of the meeting ~~which are~~ prepared or distributed by or at the direction of the governing body or its employees and ~~which are~~:

- (1) distributed at the meeting to all members of the governing body;
- (2) distributed before the meeting to all members; or
- (3) available in the meeting room to all members;

shall be available in the meeting room for inspection by the public. ~~The materials shall be available to the public~~ while the governing body considers their subject matter. This subdivision does not apply to materials classified by law as other than public as defined in chapter 13, or to materials relating to the agenda items of a closed meeting held in accordance with the procedures in

subdivision 1a or other law permitting the closing of meetings. If a member intentionally violates the requirements of this subdivision, that member shall be subject to a civil penalty in an amount not to exceed \$100. An action to enforce this penalty may be brought by any person in any court of competent jurisdiction where the administrative office of the member is located.

Subd. 1c. [NOTICE OF MEETINGS.] (a) [REGULAR MEETINGS.] A schedule of the regular meetings of a public body shall be kept on file at its primary offices. If a public body decides to hold a regular meeting at a time or place different from the time or place stated in its schedule of regular meetings, it shall give the same notice of the meeting that is provided in this subdivision for a special meeting.

(b) [SPECIAL MEETINGS.] For a special meeting, except an emergency meeting or a special meeting for which a notice requirement is otherwise expressly established by statute, the public body shall post written notice of the date, time, place, and purpose of the meeting on the principal bulletin board of the public body, or if the public body has no principal bulletin board, on the door of its usual meeting room. The notice shall also be mailed or otherwise delivered to each person who has filed a written request for notice of special meetings with the public body. This notice shall be posted and mailed or delivered at least three days before the date of the meeting. As an alternative to mailing or otherwise delivering notice to persons who have filed a written request for notice of special meetings, the public body may publish the notice once, at least three days before the meeting, in the official newspaper of the public body or, if there is none, in a qualified newspaper of general circulation within the area of the public body's authority. A person filing a request for notice of special meetings may limit the request to notification of meetings concerning particular subjects, in which case the public body is required to send notice to that person only concerning special meetings involving those subjects. A public body may establish an expiration date for requests for notices of special meetings pursuant to this paragraph and require refiling of the request once each year. Not more than 60 days before the expiration date of a request for notice, the public body shall send notice of the refiling requirement to each person who filed during the preceding year.

(c) [EMERGENCY MEETINGS.] For an emergency meeting, the public body shall make good faith efforts to provide notice of the meeting to each news medium that has filed a written request for notice if the request includes the news medium's telephone number. Notice of the emergency meeting shall be given by telephone or by any other method used to notify the members of the public body. Notice shall be provided to each news medium which has filed a written request for notice as soon as reasonably practicable after notice has been given to the members. Notice shall include the subject of the meeting. Posted or published notice of an emergency meeting shall not be required. An "emergency" meeting is a special meeting called because of circumstances that, in the judgment of the public body, require immediate consideration by the public body. If matters not directly related to the emergency are discussed or acted upon at an emergency meeting, the minutes of the meeting shall include a specific description of the matters. *The notice requirement of this paragraph supersedes any other statutory notice requirement for a special meeting that is an emergency meeting.*

(d) [RECESSED OR CONTINUED MEETINGS.] If a meeting is a recessed or continued session of a previous meeting, and the time and place of the meeting was established during the previous meeting and recorded in

the minutes of that meeting, then no further published or mailed notice is necessary. For purposes of this clause, the term "meeting" includes a public hearing conducted pursuant to chapter 429 or any other law or charter provision requiring a public hearing by a public body.

(e) [CLOSED MEETINGS.] The notice requirements of this subdivision apply to closed meetings.

(f) [STATE AGENCIES.] For a meeting of an agency, board, commission, or department of the state, (i) the notice requirements of this subdivision apply only if a statute governing meetings of the agency, board, or commission does not contain specific reference to the method of providing notice, and (ii) all provisions of this subdivision relating to publication shall be satisfied by publication in the State Register.

(g) [ACTUAL NOTICE.] If a person receives actual notice of a meeting of a public body at least 24 hours before the meeting, all notice requirements of this subdivision are satisfied with respect to that person, regardless of the method of receipt of notice.

~~(h) [LIABILITY.] No fine or other penalty may be imposed on a member of a public body for a violation of this subdivision unless it is established that the violation was willful and deliberate by the member.~~

Subd. 1d. [TREATMENT OF DATA CLASSIFIED AS NOT PUBLIC.] (a) Except as provided in this section, meetings may not be closed to discuss data that are not public data. Data that are not public data may be discussed at a meeting subject to this section without liability or penalty, if the disclosure relates to a matter within the scope of the public body's authority, and is reasonably necessary to conduct the business or agenda item before the public body, and is without malice. ~~During an open meeting, a public body shall make reasonable efforts to protect from disclosure data that are not public data, including where practical acting by means of reference to a letter, number, or other designation that does not reveal the identity of the data subject.~~ Data discussed at an open meeting retain the data's original classification; however, a record of the meeting, regardless of form, shall be public.

(b) Any portion of a meeting must be closed if expressly required by other law or if the following types of data are discussed:

(1) data that would identify alleged victims or reporters of criminal sexual conduct, domestic abuse, or maltreatment of minors or vulnerable adults;

(2) active investigative data as defined in section 13.82, subdivision 5, or internal affairs data relating to allegations of law enforcement personnel misconduct collected or created by a state agency, statewide system, or political subdivision; or

(3) educational data, health data, medical data, welfare data, or mental health data that are not public data under section 13.32, 13.38, 13.42, or 13.46, subdivision 2 or 7.

(c) A public body shall close a ~~meeting~~ *one or more meetings* for preliminary consideration of allegations or charges against an individual subject to its authority. If the members conclude that discipline of any nature may be warranted *as a result of those specific charges or allegations*, further meetings or hearings *relating to those specific charges or allegations held*

after that conclusion is reached must be open. A meeting must also be open at the request of the individual who is the subject of the meeting.

(d) A public body may close a meeting to evaluate the performance of an individual who is subject to its authority. The public body shall identify the individual to be evaluated prior to closing a meeting. At its next open meeting, the public body shall summarize its conclusions regarding the evaluation. A meeting must be open at the request of the individual who is the subject of the meeting.

(e) Meetings may be closed if the closure is expressly authorized by statute or permitted by the attorney-client privilege.

Subd. 1e. [REASONS FOR CLOSING A MEETING.] Before closing a meeting, a public body shall state on the record the specific grounds permitting the meeting to be closed and describe the subject to be discussed.

Subd. 2. [~~VIOLATION; PENALTY~~ PENALTIES.] (a) Any person who intentionally violates ~~subdivision 1~~ this section shall be subject to personal liability in the form of a civil penalty in an amount not to exceed ~~\$100~~ \$300 for a single occurrence, which may not be paid by the public body. An action to enforce this penalty may be brought by any person in any court of competent jurisdiction where the administrative office of the governing body is located. ~~Upon a third violation by the same person connected with~~ If a person has been found to have intentionally violated this section in three or more actions brought under this section involving the same governing body, such person shall forfeit any further right to serve on such governing body or in any other capacity with such public body for a period of time equal to the term of office such person was then serving. The court determining the merits of any action in connection with any alleged third violation shall receive competent, relevant evidence in connection therewith and, upon finding as to the occurrence of a separate third violation, unrelated to the previous violations issue its order declaring the position vacant and notify the appointing authority or clerk of the governing body. As soon as practicable thereafter the appointing authority or the governing body shall fill the position as in the case of any other vacancy.

(b) In addition to other remedies, the court may award reasonable costs, disbursements, and reasonable attorney fees of up to \$13,000 to any party in an action under this section. The court may award costs and attorney fees to a defendant only if the court finds that the action under this section was frivolous and without merit. A public body may pay any costs, disbursements, or attorney fees incurred by or awarded against any of its members in an action under this section.

(c) No monetary penalties or attorney fees may be awarded against a member of a public body unless the court finds that there was a specific intent to violate this section.

Subd. 3. [POPULAR NAME CITATION.] This section may be cited as the "Minnesota open meeting law".

Sec. 40. Minnesota Statutes 1993 Supplement, section 595.02, subdivision 1, is amended to read:

Subdivision 1. [COMPETENCY OF WITNESSES.] Every person of sufficient understanding, including a party, may testify in any action or

proceeding, civil or criminal, in court or before any person who has authority to receive evidence, except as provided in this subdivision:

(a) A husband cannot be examined for or against his wife without her consent, nor a wife for or against her husband without his consent, nor can either, during the marriage or afterwards, without the consent of the other, be examined as to any communication made by one to the other during the marriage. This exception does not apply to a civil action or proceeding by one against the other, nor to a criminal action or proceeding for a crime committed by one against the other or against a child of either or against a child under the care of either spouse, nor to a criminal action or proceeding in which one is charged with homicide or an attempt to commit homicide and the date of the marriage of the defendant is subsequent to the date of the offense, nor to an action or proceeding for nonsupport, neglect, dependency, or termination of parental rights.

(b) An attorney cannot, without the consent of the attorney's client, be examined as to any communication made by the client to the attorney or the attorney's advice given thereon in the course of professional duty; nor can any employee of the attorney be examined as to the communication or advice, without the client's consent.

(c) A member of the clergy or other minister of any religion shall not, without the consent of the party making the confession, be allowed to disclose a confession made to the member of the clergy or other minister in a professional character, in the course of discipline enjoined by the rules or practice of the religious body to which the member of the clergy or other minister belongs; nor shall a member of the clergy or other minister of any religion be examined as to any communication made to the member of the clergy or other minister by any person seeking religious or spiritual advice, aid, or comfort or advice given thereon in the course of the member of the clergy's or other minister's professional character, without the consent of the person.

(d) A licensed physician or surgeon, dentist, or chiropractor shall not, without the consent of the patient, be allowed to disclose any information or any opinion based thereon which the professional acquired in attending the patient in a professional capacity, and which was necessary to enable the professional to act in that capacity; after the decease of the patient, in an action to recover insurance benefits, where the insurance has been in existence two years or more, the beneficiaries shall be deemed to be the personal representatives of the deceased person for the purpose of waiving this privilege, and no oral or written waiver of the privilege shall have any binding force or effect except when made upon the trial or examination where the evidence is offered or received.

(e) A public officer shall not be allowed to disclose communications made to the officer in official confidence when the public interest would suffer by the disclosure.

(f) Persons of unsound mind and persons intoxicated at the time of their production for examination are not competent witnesses if they lack capacity to remember or to relate truthfully facts respecting which they are examined.

(g) A registered nurse, psychologist or consulting psychologist, or licensed social worker engaged in a psychological or social assessment or treatment of an individual at the individual's request shall not, without the consent of the

professional's client, be allowed to disclose any information or opinion based thereon which the professional has acquired in attending the client in a professional capacity, and which was necessary to enable the professional to act in that capacity. *Nothing in this clause exempts licensed social workers from compliance with the provisions of sections 626.556 and 626.557.*

(h) An interpreter for a person handicapped in communication shall not, without the consent of the person, be allowed to disclose any communication if the communication would, if the interpreter were not present, be privileged. For purposes of this section, a "person handicapped in communication" means a person who, because of a hearing, speech or other communication disorder, or because of the inability to speak or comprehend the English language, is unable to understand the proceedings in which the person is required to participate. The presence of an interpreter as an aid to communication does not destroy an otherwise existing privilege.

(i) Licensed chemical dependency counselors shall not disclose information or an opinion based on the information which they acquire from persons consulting them in their professional capacities, and which was necessary to enable them to act in that capacity, except that they may do so:

(1) when informed consent has been obtained in writing, except in those circumstances in which not to do so would violate the law or would result in clear and imminent danger to the client or others;

(2) when the communications reveal the contemplation or ongoing commission of a crime; or

(3) when the consulting person waives the privilege by bringing suit or filing charges against the licensed professional whom that person consulted.

(j) A parent or the parent's minor child may not be examined as to any communication made in confidence by the minor to the minor's parent. A communication is confidential if made out of the presence of persons not members of the child's immediate family living in the same household. This exception may be waived by express consent to disclosure by a parent entitled to claim the privilege or by the child who made the communication or by failure of the child or parent to object when the contents of a communication are demanded. This exception does not apply to a civil action or proceeding by one spouse against the other or by a parent or child against the other, nor to a proceeding to commit either the child or parent to whom the communication was made or to place the person or property or either under the control of another because of an alleged mental or physical condition, nor to a criminal action or proceeding in which the parent is charged with a crime committed against the person or property of the communicating child, the parent's spouse, or a child of either the parent or the parent's spouse, or in which a child is charged with a crime or act of delinquency committed against the person or property of a parent or a child of a parent, nor to an action or proceeding for termination of parental rights, nor any other action or proceeding on a petition alleging child abuse, child neglect, abandonment or nonsupport by a parent.

(k) Sexual assault counselors may not be compelled to testify about any opinion or information received from or about the victim without the consent of the victim. However, a counselor may be compelled to identify or disclose information in investigations or proceedings related to neglect or termination of parental rights if the court determines good cause exists. In determining

whether to compel disclosure, the court shall weigh the public interest and need for disclosure against the effect on the victim, the treatment relationship, and the treatment services if disclosure occurs. Nothing in this clause exempts sexual assault counselors from compliance with the provisions of sections 626.556 and 626.557.

“Sexual assault counselor” for the purpose of this section means a person who has undergone at least 40 hours of crisis counseling training and works under the direction of a supervisor in a crisis center, whose primary purpose is to render advice, counseling, or assistance to victims of sexual assault.

(l) A person cannot be examined as to any communication or document, including worknotes, made or used in the course of or because of mediation pursuant to an agreement to mediate. This does not apply to the parties in the dispute in an application to a court by a party to have a mediated settlement agreement set aside or reformed. A communication or document otherwise not privileged does not become privileged because of this paragraph. This paragraph is not intended to limit the privilege accorded to communication during mediation by the common law.

(m) A child under ten years of age is a competent witness unless the court finds that the child lacks the capacity to remember or to relate truthfully facts respecting which the child is examined. A child describing any act or event may use language appropriate for a child of that age.

(n) A communication assistant for a telecommunications relay system for communication-impaired persons shall not, without the consent of the person making the communication, be allowed to disclose communications made to the communication assistant for the purpose of relaying.

Sec. 41. Minnesota Statutes 1993 Supplement, section 624.7131, subdivision 1, is amended to read:

As used in this paragraph, "expanded or significantly altered" means:

(1) an expansion by at least 25 percent in the amount of a particular crop grown or the number of a particular kind of animal or livestock located on an agricultural operation; or

(2) a distinct change in the kind of agricultural operation, as in changing from one kind of crop, livestock, animal, or product to another, but not merely a change from one generally accepted agricultural practice to another in producing the same crop or product.

Subd. 3. [FARMING AND OWNERSHIP OF AGRICULTURAL LAND BY CORPORATIONS RESTRICTED.] No corporation, limited liability company, pension or investment fund, or limited partnership shall engage in farming; nor shall any corporation, limited liability company, pension or investment fund, or limited partnership, directly or indirectly, own, acquire, or otherwise obtain an interest, whether legal, beneficial or otherwise, in any title to real estate used for farming or capable of being used for farming in this state. *Livestock that are delivered for slaughter or processing may be fed and cared for by a corporation up to 20 days prior to slaughter or processing.* Provided, however, that the restrictions in this subdivision do not apply to corporations or partnerships in clause (b) and do not apply to corporations, limited partnerships, and pension or investment funds that record its name and the particular exception under clauses (a) to (s) under which the agricultural land is owned or farmed, have a conservation plan prepared for the agricultural land, report as required under subdivision 4, and satisfy one of the following conditions under clauses (a) to (s):

(a) a bona fide encumbrance taken for purposes of security;

(b) a family farm corporation, an authorized farm corporation, a family farm partnership, or an authorized farm partnership as defined in subdivision 2 or a general partnership;

(c) agricultural land and land capable of being used for farming owned by a corporation as of May 20, 1973, or a pension or investment fund as of May 12, 1981, including the normal expansion of such ownership at a rate not to exceed 20 percent of the amount of land owned as of May 20, 1973, or, in the case of a pension or investment fund, as of May 12, 1981, measured in acres, in any five-year period, and including additional ownership reasonably necessary to meet the requirements of pollution control rules;

(d) agricultural land operated for research or experimental purposes with the approval of the commissioner of agriculture, provided that any commercial sales from the operation must be incidental to the research or experimental objectives of the corporation. A corporation, limited partnership, or pension or investment fund seeking to operate agricultural land for research or experimental purposes must submit to the commissioner a prospectus or proposal of the intended method of operation, containing information required by the commissioner including a copy of any operational contract with individual participants, prior to initial approval of an operation. A corporation, limited partnership, or pension or investment fund operating agricultural land for research or experimental purposes prior to May 1, 1988, must comply with all requirements of this clause except the requirement for initial approval of the project;

(e) agricultural land operated by a corporation or limited partnership for the purpose of raising breeding stock, including embryos, for resale to farmers or operated for the purpose of growing seed, wild rice, nursery plants or sod. *An entity that is organized to raise livestock other than dairy cattle under this clause that does not meet the definition requirement for an authorized farm corporation must:*

(1) *sell all castrated animals to be fed out or finished to farming operations*

that are neither directly or indirectly owned by the business entity operating the breeding stock operation; and

(2) report its total production and sales annually to the commissioner of agriculture;

(f) agricultural land and land capable of being used for farming leased by a corporation or limited partnership in an amount, measured in acres, not to exceed the acreage under lease to such corporation as of May 20, 1973, or to the limited partnership as of May 1, 1988, and the additional acreage required for normal expansion at a rate not to exceed 20 percent of the amount of land leased as of May 20, 1973, for a corporation or May 1, 1988, for a limited partnership in any five-year period, and the additional acreage reasonably necessary to meet the requirements of pollution control rules;

(g) agricultural land when acquired as a gift (either by grant or a devise) by an educational, religious, or charitable nonprofit corporation or by a pension or investment fund or limited partnership; provided that all lands so acquired by a pension or investment fund, and all lands so acquired by a corporation or limited partnership which are not operated for research or experimental purposes, or are not operated for the purpose of raising breeding stock for resale to farmers or operated for the purpose of growing seed, wild rice, nursery plants or sod must be disposed of within ten years after acquiring title thereto;

(h) agricultural land acquired by a pension or investment fund or a corporation other than a family farm corporation or authorized farm corporation, as defined in subdivision 2, or a limited partnership other than a family farm partnership or authorized farm partnership as defined in subdivision 2, for which the corporation or limited partnership has documented plans to use and subsequently uses the land within six years from the date of purchase for a specific nonfarming purpose, or if the land is zoned nonagricultural, or if the land is located within an incorporated area. A pension or investment fund or a corporation or limited partnership may hold such agricultural land in such acreage as may be necessary to its nonfarm business operation; provided, however, that pending the development of agricultural land for nonfarm purposes, such land may not be used for farming except under lease to a family farm unit, a family farm corporation, an authorized farm corporation, a family farm partnership, or an authorized farm partnership, or except when controlled through ownership, options, leaseholds, or other agreements by a corporation which has entered into an agreement with the United States of America pursuant to the New Community Act of 1968 (Title IV of the Housing and Urban Development Act of 1968, United States Code, title 42, sections 3901 to 3914) as amended, or a subsidiary or assign of such a corporation;

(i) agricultural lands acquired by a pension or investment fund or a corporation or limited partnership by process of law in the collection of debts, or by any procedure for the enforcement of a lien or claim thereon, whether created by mortgage or otherwise; provided, however, that all lands so acquired be disposed of within ten years after acquiring the title if acquired before May 1, 1988, and five years after acquiring the title if acquired on or after May 1, 1988, acquiring the title thereto, and further provided that the land so acquired shall not be used for farming during the ten-year or five-year period except under a lease to a family farm unit, a family farm corporation, an authorized farm corporation, a family farm partnership, or an authorized

farm partnership. The aforementioned ten-year or five-year limitation period shall be deemed a covenant running with the title to the land against any grantee, assignee, or successor of the pension or investment fund, corporation, or limited partnership. Notwithstanding the five-year divestiture requirement under this clause, a financial institution may continue to own the agricultural land if the agricultural land is leased to the immediately preceding former owner, but must divest of the agricultural land within the ten-year period. *Livestock acquired by a pension or investment fund, corporation, or limited partnership in the collection of debts, or by a procedure for the enforcement of lien or claim on the livestock whether created by security agreement or otherwise after the effective date of this act, must be sold or disposed of within one full production cycle for the type of livestock acquired or 18 months after the livestock is acquired, whichever is later.*

(j) agricultural land acquired by a corporation regulated under the provisions of Minnesota Statutes 1974, chapter 216B, for purposes described in that chapter or by an electric generation or transmission cooperative for use in its business, provided, however, that such land may not be used for farming except under lease to a family farm unit, a family farm corporation, or a family farm partnership;

(k) agricultural land, either leased or owned, totaling no more than 2,700 acres, acquired after May 20, 1973, for the purpose of replacing or expanding asparagus growing operations, provided that such corporation had established 2,000 acres of asparagus production;

(l) all agricultural land or land capable of being used for farming which was owned or leased by an authorized farm corporation as defined in Minnesota Statutes 1974, section 500.24, subdivision 1, clause (d), but which does not qualify as an authorized farm corporation as defined in subdivision 2, clause (d);

(m) a corporation formed primarily for religious purposes whose sole income is derived from agriculture;

(n) agricultural land owned or leased by a corporation prior to August 1, 1975, which was exempted from the restriction of this subdivision under the provisions of Laws 1973, chapter 427, including normal expansion of such ownership or leasehold interest to be exercised at a rate not to exceed 20 percent of the amount of land owned or leased on August 1, 1975, in any five-year period and the additional ownership reasonably necessary to meet requirements of pollution control rules;

(o) agricultural land owned or leased by a corporation prior to August 1, 1978, including normal expansion of such ownership or leasehold interest, to be exercised at a rate not to exceed 20 percent of the amount of land owned or leased on August 1, 1978, and the additional ownership reasonably necessary to meet requirements of pollution control rules, provided that nothing herein shall reduce any exemption contained under the provisions of Laws 1975, chapter 324, section 1, subdivision 2;

(p) an interest in the title to agricultural land acquired by a pension fund or family trust established by the owners of a family farm, authorized farm corporation or family farm corporation, but limited to the farm on which one or more of those owners or shareholders have resided or have been actively engaged in farming as required by subdivision 2, clause (b), (c), or (d);

(q) agricultural land owned by a nursing home located in a city with a population, according to the state demographer's 1985 estimate, between 900 and 1,000, in a county with a population, according to the state demographer's 1985 estimate, between 18,000 and 19,000, if the land was given to the nursing home as a gift with the expectation that it would not be sold during the donor's lifetime. This exemption is available until July 1, 1995;

(r) the acreage of agricultural land and land capable of being used for farming owned and recorded by an authorized farm corporation as defined in Minnesota Statutes 1986, section 500.24, subdivision 2, paragraph (d), or a limited partnership as of May 1, 1988, including the normal expansion of the ownership at a rate not to exceed 20 percent of the land owned and recorded as of May 1, 1988, measured in acres, in any five-year period, and including additional ownership reasonably necessary to meet the requirements of pollution control rules;

(s) agricultural land owned or leased as a necessary part of an aquatic farm as defined in section 17.47, subdivision 3.

Sec. 4. Minnesota Statutes 1992, section 561.19, subdivision 1, is amended to read:

Subdivision 1. [DEFINITIONS.] For the purposes of this section, the following terms have the meanings given them:

(a) "Agricultural operation" means a facility and its appurtenances for the production of crops, livestock, poultry, dairy products or poultry products, but not a facility primarily engaged in processing agricultural products.

(b) "Established date of operation" means the date on which the agricultural operation commenced. If the agricultural operation is subsequently expanded or significantly altered, the established date of operation for each expansion or alteration is deemed to be the date of commencement of the expanded or altered operation. *As used in this paragraph, "expanded or significantly altered" means:*

(1) *an expansion by at least 25 percent in the amount of a particular crop grown or the number of a particular kind of animal or livestock located on an agricultural operation; or*

(2) *a distinct change in the kind of agricultural operation, as in changing from one kind of crop, livestock, animal, or product to another, but not merely a change from one generally accepted agricultural practice to another in producing the same crop or product.*

(c) "Family farm" means an unincorporated farm unit owned by one or more persons or spouses of persons related to each other within the third degree of kindred according to the rules of the civil law at least one of whom is residing or actively engaged in farming on the farm unit, or a "family farm corporation," as that term is defined in section 500.24, subdivision 2.

Sec. 5. Minnesota Statutes 1992, section 561.19, subdivision 2, is amended to read:

Subd. 2. [AGRICULTURAL OPERATION NOT A NUISANCE.] (a) An agricultural operation ~~which is a part of a family farm~~ is not and shall not become a private or public nuisance after ~~six two~~ years from its established date of operation if the operation was not a nuisance at its established date of operation.

(b) An agricultural operation is operating according to generally accepted agricultural practices if it is located in an agriculturally zoned area and complies with the provisions of all applicable federal and state statutes and rules or any issued permits for the operation.

(c) The provisions of this subdivision do not apply:

(a) (1) to a condition or injury which results from the negligent or improper operation of an agricultural operation or from operations contrary to commonly accepted agricultural practices or to applicable state or local laws, ordinances, rules, or permits;

(b) (2) when an agricultural operation causes injury or direct threat of injury to the health or safety of any person;

(c) (3) to the pollution of, or change in the condition of, the waters of the state or the overflow of waters on the lands of any person;

(d) (4) to an animal feedlot facility with a swine capacity of 1,000 or more animal units as defined in the rules of the pollution control agency for control of pollution from animal feedlots, or a cattle capacity of 2,500 animals or more; or

(e) (5) to any prosecution for the crime of public nuisance as provided in section 609.74 or to an action by a public authority to abate a particular condition which is a public nuisance.

Sec. 6. [CORPORATE FARMING LAW TASK FORCE.]

Subdivision 1. [PURPOSE.] Current Minnesota law generally precludes corporations from owning farm land or operating a farming enterprise. Corporate farming law has been developed over a period of 14 decades, and the development has included numerous changes to accommodate shifting priorities in agriculture and a recognition that the economic and social climate of the state is not static. There is a concern whether current corporate farming law, especially as it relates to the breeding and raising of swine, represents the appropriate balance between protection of family farms and opportunity for creative new enterprise structures organized by multiple farmers. Farmers wish to support a corporate farming law that is in the overall best interest of production agriculture and preservation of the family farm unit as the main component of the agricultural economy in the state. The study, legislative report, and legislative recommendations authorized by this section will increase public and legislative understanding of the issues involved.

Subd. 2. [CREATION; MEMBERSHIP.] (a) There is hereby created a corporate farming law task force with ten members appointed as follows:

(1) the chairs of the agriculture policy committees of the Minnesota senate and house of representatives, or their designees;

(2) two members of the Minnesota house of representatives appointed by the speaker of the house;

(3) one member of the Minnesota house of representatives appointed by the minority leader of the house;

(4) two members of the Minnesota senate appointed by the senate committee on rules and administration;

(5) one member of the Minnesota senate appointed by the minority leader of the senate;

(6) one member with education and experience in the area of agricultural economics appointed by the governor of Minnesota; and

(7) one member who is the operator of a production agriculture farm in Minnesota appointed by the governor.

(b) Each of the appointing authorities must make their respective appointments not later than June 15, 1994.

(c) Citizen members of the task force may be reimbursed for expenses as provided in Minnesota Statutes, section 15.059, subdivision 6.

(d) The first meeting of the task force must be called and convened by the chairs of the agriculture policy committees of the senate and the house of representatives. Task force members must then elect a permanent chair from among the task force members.

Subd. 3. [CHARGE.] The task force must examine current and projected impacts of corporate, partnership, and limited liability company farming enterprises on the economic, social, and environmental conditions and structures of rural Minnesota. The study should consider probable impacts on both agriculture related and nonagriculture businesses in rural communities. Issues of nonpoint source pollution and other environmental issues must also be considered. The task force shall also examine the issue of responsibility for potential pollution damage.

Subd. 4. [RESOURCES; STAFF SUPPORT; CONTRACT SERVICES.] The commissioner of agriculture shall provide necessary resources and staff support for the meetings, hearings, activities, and report of the task force. To the extent the task force determines it appropriate to contract with nonstate providers for research or analytical services, the commissioner shall serve as the fiscal agent for the task force.

Subd. 5. [PUBLIC HEARINGS.] The task force shall hold at least four public hearings on the issue of corporate farming law and the impacts of other potential legal structures of farming operations, with specific emphasis on appropriate regulation of business structures involved in swine breeding and raising. At least three of the hearings must be held in greater Minnesota.

Subd. 6. [REPORT.] Not later than February 15, 1995, the corporate farming law task force shall report to the legislature on the findings of its study. The report must include recommendations for improvements in Minnesota Statutes that are in the best interests of production agriculture in the state and the economic, environmental, and social environment and preservation of the family farm.

Subd. 7. [EXPIRATION.] The corporate farming law task force expires 45 days after its report and recommendations are delivered to the legislature or on May 15, 1995, whichever date is earlier.

Sec. 7. [EFFECTIVE DATE.]

Section 6 is effective the day following final enactment."

Delete the title and insert:

Delete everything after the enacting clause and insert:

“ARTICLE 1

COMMUNITY INTEGRATED SERVICE NETWORKS

Section 1. [62J.016] [GOALS OF RESTRUCTURING.]

The state seeks to bring about changes in the health care delivery and financing system that will assure quality, affordable, and accessible health

care for all Minnesotans. This goal will be accomplished by restructuring the delivery system, the financial incentives, and the regulatory environment in a way that will make health care providers and health plan companies more accountable to consumers, group purchasers, and communities for their costs and quality, their effectiveness in meeting the health care needs of all of their patients and enrollees, and their contributions to improving the health of the greater community.

Sec. 2. [62J.017] [IMPLEMENTATION TIMETABLE.]

The state seeks to complete the restructuring of the health care delivery and financing system by July 1, 1997. The restructured system will have two options: (1) integrated service networks, which will be accountable for meeting state cost containment, quality, and access standards; or (2) a uniform set of price and utilization controls for all health care services for Minnesota residents not provided through an integrated service network. Both systems will operate under the state's growth limits and will be structured to promote competition in the health care marketplace.

Beginning July 1, 1994, measures will be taken to increase the public accountability of existing health plan companies, to promote the development of small, community-based integrated service networks, and to reduce administrative costs by standardizing third-party billing forms and procedures and utilization review requirements. Voluntary formation of other integrated service networks will begin after rules have been adopted, but not before July 1, 1996. Statutes and rules for the entire restructured health care financing and delivery system must be enacted or adopted by January 1, 1996, and a phase-in of the all-payer reimbursement system must begin on that date. By July 1, 1997, all health coverage must be regulated under integrated service network or community integrated service network law pursuant to chapter 62N or all-payer law pursuant to chapter 62P.

Sec. 3. Minnesota Statutes 1993 Supplement, section 62N.02, is amended by adding a subdivision to read:

Subd. 4a. [COMMUNITY INTEGRATED SERVICE NETWORK.] (a) "Community integrated service network" or "community network" means a formal arrangement licensed by the commissioner under section 62N.25 for providing prepaid health services to enrolled populations of 50,000 or fewer enrollees, including enrollees who are residents of other states.

(b) Notwithstanding paragraph (a), an organization licensed as a community network that accepts payments for health care services on a capitated basis, or under another similar risk sharing agreement, from a program of self-insurance as described in section 60A.02, subdivision 3, paragraph (b), shall not be regulated as a community network with respect to the receipt of the payments. The payments are not premium revenues for the purpose of calculating the community network's liability for otherwise applicable state taxes, assessments, or surcharges, with the exception of:

- (1) the MinnesotaCare provider tax;
- (2) the one percent premium tax imposed in section 60A.15, subdivision 1, paragraph (d); and
- (3) effective July 1, 1995, assessments by the Minnesota comprehensive health association.

This paragraph applies only where:

(1) the community network does not bear risk in excess of 110 percent of the self-insurance program's expected costs;

(2) the employer does not carry stop loss, excess loss, or similar coverage with an attachment point lower than 120 percent of the self-insurance program's expected costs;

(3) the community network and the employer comply with the data submission and administrative simplification provisions of chapter 62J;

(4) the community network and the employer comply with the provider tax pass-through provisions of section 295.582;

(5) the community network's required minimum reserves reflect the risk borne by the community network under this paragraph, with an appropriate adjustment for the 110 percent limit on risk borne by the community network;

(6) on or after July 1, 1994, but prior to January 1, 1995, the employer has at least 1,500 current employees, as defined in section 62L.02, or, on or after January 1, 1995, the employer has at least 750 current employees, as defined in section 62L.02;

(7) the employer does not exclude any eligible employees or their dependents, both as defined in section 62L.02, from coverage offered by the employer, under this paragraph or any other health coverage, insured or self-insured, offered by the employer, on the basis of the health status or health history of the person.

This paragraph expires December 31, 1997.

Sec. 4. Minnesota Statutes 1993 Supplement, section 62N.02, subdivision 8, is amended to read:

Subd. 8. [INTEGRATED SERVICE NETWORK.] (a) "Integrated service network" means a formal arrangement permitted by this chapter and licensed by the commissioner for providing health services under this chapter to enrollees for a fixed payment per time period. *Integrated service network does not include a community integrated service network.*

(b) Notwithstanding paragraph (a), an organization licensed as an integrated service network that accepts payments for health care services on a capitated basis, or under another similar risk sharing agreement, from a program of self-insurance as described in section 60A.02, subdivision 3, paragraph (b), shall not be regulated as an integrated service network with respect to the receipt of the payments. The payments are not premium revenues for the purpose of calculating the integrated service network's liability for otherwise applicable state taxes, assessments, or surcharges, with the exception of:

(1) the MinnesotaCare provider tax;

(2) the one percent premium tax imposed in section 60A.15, subdivision 1, paragraph (d); and

(3) effective July 1, 1995, assessments by the Minnesota comprehensive health association.

This paragraph applies only where:

(1) the integrated service network does not bear risk in excess of 110 percent of the self-insurance program's expected costs;

(2) the employer does not carry stop loss, excess loss, or similar coverage with an attachment point lower than 120 percent of the self-insurance program's expected costs;

(3) the integrated service network and the employer comply with the data submission and administrative simplification provisions of chapter 62J;

(4) the integrated service network and the employer comply with the provider tax pass-through provisions of section 295.582;

(5) the integrated service network's required minimum reserves reflect the risk borne by the integrated service network under this paragraph, with an appropriate adjustment for the 110 percent limit on risk borne by the integrated service network;

(6) on or after July 1, 1994, but prior to January 1, 1995, the employer has at least 1,500 current employees, as defined in section 62L.02, or, on or after January 1, 1995, the employer has at least 750 current employees, as defined in section 62L.02;

(7) the employer does not exclude any eligible employees or their dependents, both as defined in section 62L.02, from coverage offered by the employer, under this paragraph or any other health coverage, insured or self-insured, offered by the employer, on the basis of the health status or health history of the person.

This paragraph expires December 31, 1997.

Sec. 5. [62N.25] [COMMUNITY INTEGRATED SERVICE NETWORKS.]

Subdivision 1. [SCOPE OF LICENSURE.] Beginning July 1, 1994, the commissioner shall accept applications for licensure as a community integrated service network under this section. Licensed community integrated service networks may begin providing health coverage to enrollees no earlier than January 1, 1995, and may begin marketing coverage to prospective enrollees upon licensure.

Subd. 2. [LICENSURE REQUIREMENTS GENERALLY.] To be licensed and to operate as a community integrated service network, an applicant must satisfy the requirements of chapter 62D, and all other legal requirements that apply to entities licensed under chapter 62D, except as exempted or modified in this section. Community networks must, as a condition of licensure, comply with rules adopted under section 256B.0644 that apply to entities governed by chapter 62D.

Subd. 3. [REGULATION; APPLICABLE LAW.] Community integrated service networks are regulated and licensed by the commissioner under the same authority that applies to entities licensed under chapter 62D, except as exempted or modified under this section. All statutes or rules that apply to health maintenance organizations apply to community networks, unless otherwise specified. A cooperative organized under chapter 308A may establish a community integrated service network.

Subd. 4. [GOVERNING BODY.] In addition to the requirements of section 62D.06, at least 51 percent of the members of the governing body of the

community integrated service network must be residents of the community integrated service network's service area. Service area, for purposes of this subdivision, may include contiguous geographic areas outside the state of Minnesota.

Subd. 5. [BENEFITS.] Community integrated service networks must offer the health maintenance organization benefit set, as defined in chapter 62D, and other laws applicable to entities regulated under chapter 62D, except that the community integrated service network may impose a deductible, not to exceed \$1,000 per person per year, provided that out-of-pocket expenses on covered services do not exceed \$3,000 per person or \$5,000 per family per year. The deductible must not apply to preventive health services as described in Minnesota Rules, part 4685.0801, subpart 8. Community networks and chemical dependency facilities under contract with a community network shall use the assessment criteria in Minnesota Rules, parts 9530.6600 to 9530.6660, when assessing enrollees for chemical dependency treatment.

Subd. 6. [SOLVENCY.] A community integrated service network is exempt from the deposit, reserve, and solvency requirements specified in sections 62D.041, 62D.042, 62D.043, and 62D.044 and shall comply instead with sections 62N.27 to 62N.32. In applying sections 62N.27 to 62N.32, the commissioner is exempt from the rulemaking requirements of chapter 14. However, to the extent that there are analogous definitions or procedures in chapter 62D or in rules promulgated thereunder, the commissioner shall follow those existing provisions rather than adopting a contrary approach or interpretation. This rulemaking exemption shall expire on June 1, 1995.

Subd. 7. [EXEMPTIONS FROM EXISTING REQUIREMENTS.] Community integrated service networks are exempt from the following requirements applicable to health maintenance organizations:

- (1) conducting focused studies under Minnesota Rules, part 4685.1125;*
- (2) preparing and filing, as a condition of licensure, a written quality assurance plan, and annually filing such a plan and a work plan, under Minnesota Rules, parts 4685.1110 and 4685.1130;*
- (3) maintaining statistics under Minnesota Rules, part 4685.1200;*
- (4) filing provider contract forms under sections 62D.03, subdivision 4, and 62D.08, subdivision 1;*
- (5) reporting any changes in the address of a network provider or length of a provider contract or additions to the provider network to the commissioner within ten days under section 62D.08, subdivision 5. Community networks must report such information to the commissioner on a quarterly basis. Community networks that fail to make the required quarterly filing are subject to the penalties set forth in section 62D.08, subdivision 5; and*
- (6) preparing and filing, as a condition of licensure, a marketing plan, and annually filing a marketing plan, under sections 62D.03, subdivision 4, paragraph (1), and 62D.08, subdivision 1.*

Subd. 8. [PROVIDER CONTRACTS.] The provisions of section 62D.123 are implied in every provider contract or agreement between a community integrated service network and a provider, regardless of whether those provisions are expressly included in the contract. No participating provider, agent, trustee, or assignee of a participating provider has or may maintain

any cause of action against a subscriber or enrollee to collect sums owed by the community network.

Subd. 9. [EXCEPTIONS TO ENROLLMENT LIMIT.] A community integrated service network may enroll enrollees in excess of 50,000 if necessary to comply with guaranteed issue or guaranteed renewal requirements of chapter 62L or section 62A.65.

Sec. 6. [62N.255] [EXPANDED PROVIDER NETWORKS.]

Subdivision 1. [PROVIDER ACCEPTANCE REQUIRED.] Each health plan company, with the exception of any health plan company with 50,000 or fewer enrollees and health plan companies that are exempt under subdivision 6, shall establish an expanded network of allied independent health providers, in addition to a preferred network. A health plan company shall accept as a provider in the expanded network any allied independent health provider who: (1) meets the health plan company's credentialing standards; (2) agrees to the terms of the health plan company's provider contract; and (3) agrees to comply with all managed care protocols of the health plan company. A preferred network shall be considered an expanded network if all allied independent health providers who meet the requirements of clauses (1), (2), and (3), are accepted into the preferred network. A community integrated service network may offer to its enrollees an expanded network of allied independent health providers as described under this section.

Subd. 2. [MANAGED CARE.] The managed care protocols used by the health plan company may include: (1) a requirement that an enrollee obtain a referral from the health plan company before obtaining services from an allied independent health provider in the expanded network; (2) limits on the number and length of visits to allied independent health providers in the expanded network allowed by each referral, as long as the number and length of visits allowed is not less than the number and length allowed for comparable referrals to allied independent health providers in the preferred network; and (3) ongoing management and review by the health plan company of the care provided by an allied independent health provider in the expanded network after a referral is made.

Subd. 3. [MANDATORY OFFERING TO ENROLLEES.] Each health plan company shall offer to enrollees the option of receiving covered services through the expanded network of allied independent health providers established under subdivisions 1 and 2. This expanded network option may be offered as a separate health plan. The network may establish separate premium rates and cost-sharing requirements for this expanded network plan, as long as these premium rates and cost-sharing requirements are actuarially justified and approved by the commissioner. This subdivision does not apply to Medicare, medical assistance, general assistance medical care, and MinnesotaCare. This subdivision is effective January 1, 1995, and applies to health plans issued or renewed, or offers of health plans to be issued or renewed, on or after January 1, 1995, except that this subdivision is effective January 1, 1996, for collective bargaining agreements of the department of employee relations and the University of Minnesota.

Subd. 4. [PROVIDER REIMBURSEMENT.] A health plan company shall pay each allied independent health provider in the expanded network the same rate per unit of service as paid to allied independent health providers in the preferred network.

Subd. 5. [DEFINITIONS.] (a) For purposes of this section, the following definitions apply.

(b) "Allied independent health provider" means an independently enrolled audiologist, chiropractor, dietitian, home health care provider, licensed marriage and family therapist, nurse practitioner or advanced practice nurse, occupational therapist, optometrist, optician, outpatient chemical dependency counselor, pharmacist who is not employed by and based on the premises of a health plan company, physical therapist, podiatrist, licensed psychologist, psychological practitioner, licensed social worker, or speech therapist.

(c) "Home health care provider" means a provider of personal care assistance, home health aide, homemaker, respite care, adult day care, or home therapies and home health nursing services.

(d) "Independently enrolled" means that a provider can bill, and receive direct payment for services from, a third-party payer or patient.

Subd. 6. [EXEMPTION.] A health plan company, to the extent that it operates as a staff model health plan company as defined in section 295.50, subdivision 12b, by employing allied independent health care providers to deliver health care services to enrollees, is exempt from this section.

Sec. 7. [62N.26] [SHARED SERVICES COOPERATIVE.]

The commissioner of health shall establish, or assist in establishing, a shared services cooperative organized under chapter 308A to make available administrative and legal services, technical assistance, provider contracting and billing services, and other services to those community integrated service networks and integrated service networks that choose to participate in the cooperative. The commissioner shall provide, to the extent funds are appropriated, start-up loans sufficient to maintain the shared services cooperative until its operations can be maintained by fees and contributions. The cooperative must not be staffed, administered, or supervised by the commissioner of health. The cooperative shall make use of existing resources that are already available in the community, to the extent possible.

Sec. 8. [62N.27] [DEFINITIONS.]

Subdivision 1. [APPLICABILITY.] For purposes of sections 62N.27 to 62N.32, the terms defined in this section have the meanings given. Other terms used in those sections have the meanings given in sections 62D.041, 62D.042, 62D.043, and 62D.044.

Subd. 2. [NET WORTH.] "Net worth" means admitted assets as defined in subdivision 3, minus liabilities. Liabilities do not include those obligations that are subordinated in the same manner as preferred ownership claims under section 60B.44, subdivision 10. For purposes of this subdivision, preferred ownership claims under section 60B.44, subdivision 10, include promissory notes subordinated to all other liabilities of the community integrated service network.

Subd. 3. [ADMITTED ASSETS.] "Admitted assets" means admitted assets as defined in section 62D.044, except that real estate investments allowed by section 62D.045 are not admitted assets. Admitted assets include the deposit required under section 62N.32.

Subd. 4. [ACCREDITED CAPITATED PROVIDER.] "Accredited capitated provider" means a health care providing entity that:

(1) receives capitated payments from a community network under a contract to provide health services to the network's enrollees. For purposes of this section, a health care providing entity is "capitated" when its compensation arrangement with a network involves the provider's acceptance of material financial risk for the delivery of a predetermined set of services for a specified period of time;

(2) is licensed to provide and provides the contracted services, either directly or through an affiliate. For purposes of this section, an "affiliate" is any person that directly or indirectly controls, is controlled by, or is under common control with the health care providing entity, and "control" exists when any person, directly or indirectly, owns, controls, or holds the power to vote or holds proxies representing no less than 80 percent of the voting securities or governance rights of any other person;

(3) agrees to serve as an accredited capitated provider of a community network or for the purpose of reducing the network's net worth and deposit requirements under section 62N.28; and

(4) is approved by the commissioner as an accredited capitated provider for a community network in accordance with section 62N.31.

Subd. 5. [PERCENTAGE OF RISK CEDED.] "Percentage of risk ceded" means the ratio, expressed as a percentage, between capitated payments made or, in the case of a new entity, expected to be made by a community network to all accredited capitated providers during any contract year and the total premium revenue, adjusted to eliminate expected administrative costs, received for the same time period by the community network.

Subd. 6. [PROVIDER AMOUNT AT RISK.] "Provider amount at risk" means a dollar amount certified by a qualified actuary to represent the expected direct costs to an accredited capitated provider for providing the contracted, covered health care services to the enrollees of the network to which it is accredited for a period of 120 days.

Sec. 9. [62N.28] [NET WORTH REQUIREMENT.]

Subdivision 1. [REQUIREMENT.] Except as otherwise permitted by this chapter, each community network must maintain a minimum net worth equal to the greater of:

(1) \$1,000,000;

(2) two percent of the first \$150,000,000 of annual premium revenue plus one percent of annual premium revenue in excess of \$150,000,000;

(3) eight percent of the annual health services costs, except those paid on a capitated or managed hospital payment basis, plus four percent of the annual capitation and managed hospital payment costs; or

(4) four months uncovered health services costs.

Subd. 2. [DEFINITIONS.] For purposes of this section, the following terms have the meanings given:

(1) "capitated basis" means fixed per member per month payment or percentage of premium paid to a provider that assumes the full risk of the cost of contracted services without regard to the type, value, or frequency of

services provided. For purposes of this definition, capitated basis includes the cost associated with operating staff model facilities;

(2) "managed hospital payment basis" means agreements in which the financial risk is primarily related to the degree of utilization rather than to the cost of services; and

(3) "uncovered health services costs" means the cost to the community network of health services covered by the community network for which the enrollee would also be liable in the event of the community network's insolvency, and that are not guaranteed, insured, or assumed by a person other than the community network.

Subd. 3. [REINSURANCE CREDIT.] A community network may use the subtraction for premiums paid for insurance permitted under section 62D.042, subdivision 4.

Subd. 4. [PHASE-IN FOR NET WORTH REQUIREMENT.] A community network may choose to comply with the net worth requirement on a phase-in basis according to the following schedule:

(1) 50 percent of the amount required under subdivisions 1 to 3 at the time that the community network begins enrolling enrollees;

(2) 75 percent of the amount required under subdivisions 1 to 3 at the end of the first full calendar year of operation;

(3) 87.5 percent of the amount required under subdivisions 1 to 3 at the end of the second full calendar year of operation; and

(4) 100 percent of the amount required under subdivisions 1 to 3 at the end of the third full calendar year of operation.

Subd. 5. [NET WORTH CORRIDOR.] A community network shall not maintain net worth that exceeds two and one-half times the amount required of the community network under subdivision 1. Subdivision 4 is not relevant for purposes of this subdivision.

Subd. 6. [NET WORTH REDUCTION.] If a community network has contracts with accredited capitated providers, and only for so long as those contracts or successor contracts remain in force, the net worth requirement of subdivision 1 shall be reduced by the percentage of risk ceded, but in no event shall the net worth requirements be reduced by this subdivision to less than \$1,000,000. The phase-in requirements of subdivision 4 shall not be affected by this reduction.

Sec. 10. [62N.29] [GUARANTEEING ORGANIZATION.]

A community network may satisfy its net worth and deposit requirements, in whole or in part, through the use of one or more guaranteeing organizations, with the approval of the commissioner, under the conditions permitted in chapter 62D. Governmental entities, such as counties, may serve as guaranteeing organizations subject to the requirements of chapter 62D.

Sec. 11. [62N.31] [STANDARDS FOR ACCREDITED CAPITATED PROVIDER ACCREDITATION.]

Subdivision 1. [GENERAL.] Each health care providing entity seeking initial accreditation as an accredited capitated provider shall submit to the commissioner of health sufficient information to establish that the applicant

has operational capacity, facilities, personnel, and financial capability to provide the contracted covered services to the enrollees of the network for which it seeks accreditation (1) on an ongoing basis; and (2) for a period of 120 days following the insolvency of the network without receiving payment from the network. Accreditation shall continue until abandoned by the accredited capitated provider or revoked by the commissioner in accordance with subdivision 4. The applicant may establish financial capability by demonstrating that the provider amount at risk can be covered by or through any of allocated or restricted funds, a letter of credit, the taxing authority of the applicant or governmental sponsor of the applicant, an unrestricted fund balance at least two times the provider amount at risk, reinsurance, either purchased directly by the applicant or by the community network to which it will be accredited, or any other method accepted by the commissioner. Accreditation of a health care providing entity shall not in itself limit the right of the accredited capitated provider to seek payment of unpaid capitated amounts from a community network, whether the community network is solvent or insolvent; provided that, if the community network is subject to any liquidation, rehabilitation, or conservation proceedings, the accredited capitated provider shall have the status accorded creditors under chapter 60B.44, subdivision 10.

Subd. 2. [ANNUAL REPORTING PERIOD.] Each accredited capitated provider shall submit to the commissioner annually, no later than April 15, the following information for each network to which it is accredited: the provider amount at risk for that year, the number of enrollees for the network, both for the prior year and estimated for the current year, any material change in the provider's operational or financial capacity since its last report, and any other information reasonably requested by the commissioner.

Subd. 3. [ADDITIONAL REPORTING.] Each accredited capitated provider shall provide the commissioner with 60 days' advance written notice of termination of the accredited capitated provider relationship with a network.

Subd. 4. [REVOCATION OF ACCREDITATION.] The commissioner may revoke the accreditation of an accredited capitated provider if the accredited capitated provider's ongoing operational or financial capabilities fail to meet the requirements of this section. The revocation shall be handled in the same fashion as placing a health maintenance organization under administrative supervision.

Sec. 12. [62N.32] [DEPOSIT REQUIREMENT.]

A community network must satisfy the deposit requirement provided in section 62D.041. The deposit counts as an admitted asset and as part of the required net worth. The deposit requirement cannot be reduced by the alternative means that may be used to reduce the net worth requirement, other than through the use of a guaranteeing organization.

Sec. 13. [62N.33] [COVERAGE FOR ENROLLEES OF INSOLVENT NETWORKS.]

In the event of a community network insolvency, the commissioner shall determine whether one or more community networks or health plan companies are willing and able to provide replacement coverage to all of the failed community network's enrollees, and if so, the commissioner shall facilitate the provision of the replacement coverage. If such replacement coverage is not available, the commissioner shall randomly assign enrollees of the insolvent

community network to other community networks and health plan companies in the service area, in proportion to their market share, for the remaining terms of the enrollees' contracts with the insolvent network. The other community networks and health plan companies must accept the allocated enrollees under their policy or contract most similar to the enrollees' contracts with the insolvent community network. The allocation must keep groups together. Enrollees with special continuity of care needs may, in the commissioner's discretion, be given a choice of replacement coverage rather than random assignment. Individuals and groups that are assigned randomly may choose a different community network or health plan company when their contracts expire, on the same basis as any other individual or group. The replacement health plan company must comply with any guaranteed renewal or other renewal provisions of the prior coverage, including but not limited to, provisions regarding preexisting conditions and health conditions that developed during prior coverage.

Sec. 14. [62N.34] [INSOLVENCY FUNDING.]

(a) In the event of an insolvency of a community network, all other community networks and health plan companies shall be assessed a surcharge, if necessary to pay expenses and claims set forth in paragraph (b), based on average annual premiums on health plans as defined in section 62A.011. For purposes of this section, "average annual premiums" means annual premiums averaged over the three most recent calendar years for which information is available preceding the calendar year in which the community network became insolvent. The total of all such surcharges upon a community network or health plan company shall not, in any one calendar year, exceed two percent of the community network's or health plan company's average annual premium in this state on health plans as defined in section 62A.011.

(b) Money raised by the assessment shall be used to pay for the following, to the extent that they exceed the community network's deposit and other remaining assets:

- (1) expenses in connection with the insolvency and transfer of enrollees;
- (2) outstanding fee-for-service claims from nonparticipating providers, discounted by 25 percent of the claim amount. Claims incurred after the implementation of the fee schedules provided under chapter 62P will be reimbursed at the fee schedule amount discounted by 25 percent. Providers may not seek to recover the unpaid portion of their claim from enrollees; and
- (3) premiums to community networks and health plan companies that take enrollees of the insolvent community network, prorated to account for premiums already paid to the insolvent community network on behalf of those enrollees; to purchase coverage for time periods for which the insolvent community network can no longer provide coverage.

(c) In any year in which an assessment is made, the commissioner, in consultation with community networks and other health carriers, shall report to the legislature and governor on the continuing viability of the assessment approach and on the merits of potential alternative funding sources.

Sec. 15. [62N.35] [BORDER ISSUES.]

To the extent feasible and appropriate, community networks that also operate under the health maintenance organization or similar prepaid health

care law of another state must be licensed and regulated by this state in a manner that avoids unnecessary duplication and expense for the community network. The commissioner shall communicate with regulatory authorities in neighboring states to explore the feasibility of cooperative approaches to streamline regulation of border community networks, such as joint financial audits, and shall report to the legislature on any changes to Minnesota law that may be needed to implement appropriate collaborative approaches to regulation.

Sec. 16. [STUDY OF SOLVENCY REGULATION OF INTEGRATED SERVICE NETWORKS.]

The commissioners of health and commerce shall develop the solvency standards for the integrated service networks created by Minnesota Statutes, chapter 62N. The solvency standards for integrated service networks must be effective no later than January 1, 1996.

The standards may use a risk-based capital standard as an integral tool to assess solvency of the integrated service networks. The standards may require that integrated service networks file the risk based capital calculation as part of the annual financial statement. The risk-based capital standard for integrated service networks may be based upon the national association of insurance commissioners health organization risk based capital standards currently under development, with any necessary modifications to reflect the unique risk characteristics of integrated service networks. Those modifications must be based upon an actuarial analysis of the effect on risk.

Sec. 17. [MONITORING OF REINSURANCE ACCESSIBILITY FOR COMMUNITY NETWORKS.]

The commissioners of commerce and health shall monitor the private sector market for reinsurance, in order to determine whether community integrated service networks are able to purchase reinsurance at competitive rates. If the commissioners find that the private market for reinsurance is not accessible or not affordable to community integrated service networks, the commissioners shall recommend to the legislature a voluntary or mandatory reinsurance purchasing pool for community integrated service networks. The commissioners' recommendations shall address the conditions under which community networks would be permitted or required to participate in the pool and the role of the state in overseeing or administering the pool.

Sec. 18. [REVISOR INSTRUCTIONS.]

The revisor of statutes shall recode section 6 establishing an expanded provider network from Minnesota Statutes, chapter 62N to Minnesota Statutes, chapter 62Q, and change all references to that section in Minnesota Statutes accordingly.

Sec. 19. [EFFECTIVE DATE.]

Sections 1 to 18 are effective July 1, 1994.

Sec. 4. Minnesota Statutes 1993 Supplement, section 62J.45, is amended by adding a subdivision to read:

Subd. 4a. [EVALUATION OF CONSUMER SATISFACTION; PROVIDER INFORMATION PILOT STUDY.] (a) The commissioner may make a grant to the data institute to develop and implement a mechanism for collecting comparative data on consumer satisfaction through adoption of a standard consumer satisfaction survey. As a condition of receiving this grant, the data institute shall appoint a consumer advisory group which shall consist of 13 individuals, representing enrollees from public and private health plan companies and programs and two uninsured consumers, to advise the data institute on issues of concern to consumers. The advisory group must have at least one member from each regional coordinating board region of the state. The advisory group expires June 30, 1997. This survey shall include enrollees in community integrated service networks, integrated service networks, health maintenance organizations, preferred provider organizations, indemnity in-

insurance plans, public programs, and other health plan companies. The data institute shall determine a mechanism for the inclusion of the uninsured. Health plan companies and group purchasers shall provide enrollment information, including the names, addresses, and telephone numbers of enrollees and former enrollees and other data necessary for the completion of this study to the data institute. This enrollment information provided by the health plan companies and group purchasers is classified as private data on individuals, as defined in section 13.02, subdivision 12. The data institute shall provide raw unaggregated data to the data analysis unit. The data institute may analyze and prepare findings from the raw, unaggregated data, and the findings from this survey may be included in the health plan company report cards, and in other reports developed by the data analysis unit, in consultation with the data institute, to be disseminated by the information clearinghouse. The raw unaggregated data is classified as private data on individuals as defined in section 13.02, subdivision 12. The survey may include information on the following subjects:

- (1) enrollees' overall satisfaction with their health care plan;
- (2) consumers' perception of access to emergency, urgent, routine, and preventive care, including locations, hours, waiting times, and access to care when needed;

- (10) availability of information; and
- (11) paperwork.

(b) The commissioner, in consultation with the data institute, shall develop a pilot study to collect comparative data from health care providers on opportunities and barriers to the provision of quality, cost-effective health care. The provider information pilot study shall include providers in community integrated service networks, integrated service networks, health maintenance organizations, preferred provider organizations, indemnity insurance plans, public programs, and other health plan companies. Health plan companies and group purchasers shall provide to the commissioner providers' names, health plan assignment, and other appropriate data necessary for the commissioner to conduct the study. The provider information pilot study shall examine factors that increase and hinder access to the provision of quality, cost-effective health care. The study may examine:

- (1) administrative barriers and facilitators;
- (2) time spent obtaining permission for appropriate and necessary treatments;

(3) latitude to order appropriate and necessary tests, pharmaceuticals, and referrals to specialty providers;

(4) assistance available for decreasing administrative and other routine paperwork activities;

(5) continuing education opportunities provided;

(6) access to readily available information on diagnoses, diseases, outcomes, and new technologies;

(7) continuous quality improvement activities;

(8) inclusion in administrative decision-making;

(9) access to social services and other services that facilitate continuity of care;

(10) economic incentives and disincentives;

(11) peer review procedures; and

(12) the prerogative to address public health needs.

In selecting additional data for collection, the commissioner shall consider the: (1) statistical validity of the indicator; (2) public need for the information; (3) estimated expense of collecting and reporting the indicator; and (4) usefulness of the indicator to identify barriers and opportunities to improve quality care provision within health plan companies.

Sec. 5. Minnesota Statutes 1993 Supplement, section 62J.45, is amended by adding a subdivision to read:

Subd. 4b. [HOSPITAL QUALITY INDICATORS.] The commissioner, in consultation with the data institute, shall develop a system for collecting data on hospital quality. The commissioner shall require a licensed hospital to collect and report data as needed for the system. Data to be collected shall include structural characteristics including staff-mix and nurse-patient ratios. In selecting additional data for collection, the commissioner shall consider: (1) feasibility and statistical validity of the indicator; (2) purchaser and public demand for the indicator; (3) estimated expense of collecting and reporting the indicator; and (4) usefulness of the indicator for internal improvement purposes.

Sec. 6. Minnesota Statutes 1993 Supplement, section 62J.45, is amended by adding a subdivision to read:

Subd. 4c. [QUALITY REPORT CARDS.] (a) Each health plan company shall report annually by April 1 to the commissioner specific quality indicators, in the form specified by the commissioner in consultation with the data institute. The quality indicators must be reported using standard definitions and measurement processes as specified by the commissioner. Wherever possible, the commissioner's specifications must be consistent with any outlined in the health plan employer data and information set (HEDIS 2.0). The commissioner, in consultation with the data institute, may modify the quality indicators to be reported to incorporate improvements in quality measurement tools. When HEDIS 2.0 indicators or health care financing administration approved quality indicators for medical assistance and Medicare are used, the commissioner is exempt from rulemaking. For additions or modifications to the HEDIS indicators or if other quality indicators are added,

the commissioner shall proceed through rulemaking pursuant to chapter 14. The data analysis unit shall develop quality report cards, and these report cards shall be disseminated through the information clearinghouse.

(b) Data shall be collected by county and high-risk and special needs populations as well as by health plan but shall not be reported. The commissioner, in consultation with the data institute and counties, shall provide this data to a community health board as defined in section 145A.02 in a manner that would not allow the identification of individuals.

Sec. 15. [62Q.03] [PROCESS FOR DEFINING, DEVELOPING, AND IMPLEMENTING A RISK ADJUSTMENT SYSTEM.]

Subdivision 1. [PURPOSE.] Risk adjustment is a vital element of the state's strategy for achieving a more equitable, efficient system of health care delivery and financing for all state residents. Risk adjustment is needed to: remove current disincentives in the health care system to insure and serve high risk and special needs populations; promote fair competition among health plan companies on the basis of their ability to efficiently and effectively provide services rather than on the health status of those in a given insurance pool; and help assure the viability of all health plan companies, including community integrated service networks. It is the commitment of the state to develop and implement a risk adjustment system by July 1, 1997, and to continue to improve and refine risk adjustment over time. The process for designing and implementing risk adjustment shall be open, explicit, utilize resources and expertise from both the private and public sectors, and include at least the representation described in subdivision 4. The process shall take into account the formative nature of risk adjustment as an emerging science, and shall develop and implement risk adjustment to allow continual modifications, expansions, and refinements over time. The process shall have at least two stages, as described in subdivision 2 and 3.

Subd. 2. [FIRST STAGE OF RISK ADJUSTMENT DEVELOPMENT PROCESS.] The objective of the first stage is to report to the legislature by January 15, 1995, with recommendations on the process, organization, resource needs, and specific work plan to define, develop, and implement a risk adjustment mechanism by July 1, 1997, and to continually improve risk adjustment over time. The report shall address the specific issues listed in subdivision 5, and shall also identify any additional policy issues, questions and concerns that must be addressed to facilitate development and implementation of risk adjustment.

Subd. 3. [SECOND STAGE OF THE RISK ADJUSTMENT DEVELOPMENT PROCESS.] The second stage of the process, following review and any modification by the legislature of the January 15, 1995 report, shall be to carry out the work plan to develop and implement a risk adjustment mechanism by July 1, 1997, and to continue to improve and refine a risk

adjustment over time. The second stage of the process shall be carried out by the association created in subdivision 6.

Subd. 4. [EXPERT PANEL.] The commissioners of health and commerce shall convene an expert advisory panel comprised of, but not limited to, the board members of the Minnesota risk adjustment association, as described in subdivision 8, and experts from the fields of epidemiology, health services research, and health economics. The commissioners may also convene technical work groups that may include members of the expert advisory panel and other persons, all selected in the sole discretion of the commissioners. The expert advisory panel and the workgroups shall assist and advise the commissioners of health and commerce in preparing the implementation report described in subdivision 5.

Subd. 5. [IMPLEMENTATION REPORT TO THE LEGISLATURE.] The commissioners of health and commerce shall submit a report to the legislature by January 15, 1995, with recommendations on the process, organization, resource needs, and specific work plan to define, develop, and implement a risk adjustment system by July 1, 1997, and to continually improve risk adjustment over time. In developing the January 15, 1995 report, the commissioners of commerce and health must consider and describe the following:

- (1) the relationship of risk adjustment to the implementation of universal coverage and community rating;*
- (2) the role of reinsurance in the risk adjustment system, as a short-term alternative in the absence of a risk adjustment methodology;*
- (3) the relationship of the risk adjustment system to the implementation of reforms in underwriting and rating requirements;*
- (4) the potential role of the health coverage reinsurance association in the risk adjustment system;*
- (5) the need for mandatory participation of all health plan companies in the risk adjustment system;*
- (6) current and emerging applications of risk adjustment methodologies used for reimbursement purposes at the state and national level and the reliability and validity of current risk assessment and risk adjustment methodologies;*
- (7) the levels and types of risk to be distributed through the risk adjustment system;*
- (8) the extent to which prepaid contracting by public programs needs to be addressed by the risk adjustment methodology;*
- (9) a plan for testing of the risk adjustment options being proposed, including simulations using existing health plan data, and development and testing of models on simulated data to assess the feasibility and efficacy of specific methodologies;*
- (10) the appropriate role of the state in the supervision of the risk adjustment association created pursuant to subdivision 6;*
- (11) risk adjustment methodologies that take into account differences among health plan companies due to their relative efficiencies, characteris-*

tics, and relative to existing insured contracts, new business, underwriting, or rating restrictions required or permitted by law; and

(12) methods to encourage health plan companies to enroll higher risk populations.

To the extent possible, the implementation report shall identify a specific methodology or methodologies that may serve as a starting point for risk adjustment, explain the advantages and disadvantages of each such methodology, and provide a specific workplan for implementing the methodology.

Subd. 6. [CREATION OF RISK ADJUSTMENT ASSOCIATION.] The Minnesota risk adjustment association is created on July 1, 1994, and may operate as a nonprofit unincorporated association.

Subd. 7. [PURPOSE OF ASSOCIATION.] The association is established to carry out the purposes of subdivision 1, as further elaborated on by the implementation report described in subdivision 5 and by legislation enacted in 1995 or subsequently.

Subd. 8. [GOVERNANCE.] (a) The association shall be governed by an interim 19-member board as follows: one provider member appointed by the Minnesota Hospital Association; one provider member appointed by the Minnesota Medical Association; one provider member appointed by the governor; three members appointed by the Minnesota Council of HMOs to include an HMO with at least 50 percent of total membership enrolled through a public program; three members appointed by Blue Cross and Blue Shield of Minnesota, to include a member from a Blue Cross and Blue Shield of Minnesota affiliated health plan with fewer than 50,000 enrollees and located outside the Minneapolis-St. Paul metropolitan area; two members appointed by the Insurance Federation of Minnesota; one member appointed by the Minnesota Association of Counties; and three public members appointed by the governor, to include at least one representative of a public program. The commissioners of health, commerce, human services, and employee relations shall be nonvoting ex-officio members.

(b) The board may elect officers and establish committees as necessary.

(c) A majority of the members of the board constitutes a quorum for the transaction of business.

(d) Approval by a majority of the board members present is required for any action of the board.

(e) Interim board members shall be appointed by July 1, 1994, and shall serve until a new board is elected according to the plan developed by the association.

(f) A member may designate a representative to act as a member of the interim board in the member's absence.

Subd. 9. [DATA COLLECTION.] The board of the association shall consider antitrust implications and establish procedures to assure that pricing and other competitive information is appropriately shared among competitors in the health care market or members of the board. Any information shared shall be distributed only for the purposes of administering or developing any of the tasks identified in subdivisions 2 and 4. In developing these procedures, the board of the association may consider the identification of a state agency

or other appropriate third party to receive information of a confidential or competitive nature.

Subd. 10. [SUPERVISION.] The association's activities shall be supervised by the commissioners of health and commerce.

Subd 11. [REPORTING.] The board of the association shall provide a status report on its activities to the health care commission on a quarterly basis.

Sec. 16. [62Q.07] [ACTION PLANS.]

Subdivision 1. [ACTION PLANS REQUIRED.] (a) To increase public awareness and accountability of health plan companies, all health plan companies must annually file with the applicable commissioner an action plan that satisfies the requirements of this section beginning July 1, 1994, as a condition of doing business in Minnesota. Each health plan company must also file its action plan with the information clearinghouse. Action plans are required solely to provide information to consumers, purchasers, and the larger community as a first step toward greater accountability of health plan companies. The sole function of the commissioner in relation to the action plans is to ensure that each health plan company files a complete action plan, that the action plan is truthful and not misleading, and that the action plan is reviewed by appropriate community agencies.

(b) If a commissioner responsible for regulating a health plan company required to file an action plan under this section has reason to believe an action plan is false or misleading, the commissioner may conduct an investigation to determine whether the action plan is truthful and not misleading, and may require the health plan company to submit any information that the commissioner reasonably deems necessary to complete the investigation. If the commissioner determines that an action plan is false or misleading, the commissioner may require the health plan company to file an amended plan or may take any action authorized under chapter 72A.

Subd. 2. [CONTENTS OF ACTION PLANS.] (a) An action plan must include a detailed description of all of the health plan company's methods and procedures, standards, qualifications, criteria, and credentialing requirements for designating the providers who are eligible to participate in the health plan company's provider network, including any limitations on the numbers of providers to be included in the network. This description must be updated by the health plan company and filed with the applicable agency on a quarterly basis.

(b) An action plan must include the number of full-time equivalent physicians, by specialty, nonphysician providers, and allied health providers used to provide services. The action plan must also describe how the health plan company intends to encourage the use of nonphysician providers, midlevel practitioners, and allied health professionals, through at least consumer education, physician education, and referral and advisement systems. The annual action plan must also include data that is broken down by type of provider, reflecting actual utilization of midlevel practitioners and allied professionals by enrollees of the health plan company during the previous year. Until July 1, 1995, a health plan company may use estimates if actual data is not available. For purposes of this paragraph, "provider:" has the meaning given in section 62J.03, subdivision 8.

(c) An action plan must include a description of the health plan company's policy on determining the number and the type of providers that are necessary to deliver cost-effective health care to its enrollees. The action plan must also include the health plan company's strategy, including provider recruitment and retention activities, for ensuring that sufficient providers are available to its enrollees.

(d) An action plan must include a description of actions taken or planned by the health plan company to ensure that information from report cards, outcome studies, and complaints is used internally to improve quality of the services provided by the health plan company.

(e) An action plan must include a detailed description of the health plan company's policies and procedures for enrolling and serving high risk and special needs populations. This description must also include the barriers that are present for the high risk and special needs population and how the health plan company is addressing these barriers in order to provide greater access to these populations. "High risk and special needs populations" includes, but is not limited to, recipients of medical assistance, general assistance medical care, and MinnesotaCare; persons with chronic conditions or disabilities; individuals within certain racial, cultural, and ethnic communities; individuals and families with low income; adolescents; the elderly; individuals with limited or no English language proficiency; persons with high-cost preexisting conditions; homeless persons; chemically dependent persons; persons with serious and persistent mental illness and children with severe emotional disturbance; and persons who are at high-risk of requiring treatment. The action plan must also reflect actual utilization of providers by enrollees defined by this section as high risk or special needs populations during the previous year. For purposes of this paragraph, "provider" has the meaning given in section 62J.03, subdivision 8.

(f) An action plan must include a general description of any action the health plan company has taken and those it intends to take to offer health coverage options to rural communities and other communities not currently served by the health plan company.

(g) A health plan company other than a large managed care plan company may satisfy any of the requirements of the action plan in paragraphs (a) to (f) by stating that it has no policies, procedures, practices, or requirements, either written or unwritten, or formal or informal, and has undertaken no activities or plans on the issues required to be addressed in the action plan, provided that the statement is truthful and not misleading. For purposes of this paragraph, "large managed care plan company" means a health maintenance organization, integrated service network, or other health plan company that employs or contracts with health care providers, that has more than 50,000 enrollees in this state. If a health plan company employs or contracts with providers for some of its health plans and does not do so for other health plans that it offers, the health plan company is a large managed care plan company if it has more than 50,000 enrollees in this state in health plans for which it does employ or contract with providers.

Sec. 17. [62Q.09] [PROHIBITION ON EXCLUSIVE RELATIONSHIPS.]

Subdivision 1. [PROHIBITION ON EXCLUSIVE CONTRACTS.] No provider or health plan company shall restrict any person's right to provide health services or procedures to another provider or health plan company, unless the person is an employee.

Subd. 2. [PROHIBITION ON RESTRICTIVE CONTRACT TERMS.] No provider or person providing goods or health services to a provider shall enter into any contract or subcontract with any health plan company on terms that require the provider or person not to contract with any other health plan company, unless the provider or person is an employee.

Subd. 3. [ENFORCEMENT.] Either the commissioner of health or commerce shall periodically review contracts among health care providing entities and health plan companies to determine compliance with this section. Any provider may submit a contract to the commissioner for review if the provider believes this section has been violated. Any provision of a contract found to violate this section is null and void, and the commissioner may seek civil penalties in an amount not to exceed \$25,000 for each such contract.

Subd. 4. [APPLICATION; VOLUNTARY RENEWAL.] This section applies to contracts entered into on or after the effective date of this section. This section does not prohibit the voluntary renewal of exclusive contracts entered into prior to the effective date of this section.

Subd. 5. [SUNSET.] This section expires January 1, 1997.

Sec. 18. [62Q.10] [NONDISCRIMINATION.]

If a health plan company, with the exception of a community integrated service network or an indemnity insurer licensed under chapter 60A who does not offer a product through a preferred provider network, offers coverage of a health care service as part of its plan, it may not deny provider network status to a qualified health care provider type who meets the credentialing requirements of the health plan company solely because the provider is an allied independent health care provider as defined in section 62N.255.

Sec. 19. [62Q.11] [DISPUTE RESOLUTION.]

Subdivision 1. [ESTABLISHED.] The commissioners of health and commerce shall make dispute resolution processes available to encourage early settlement of disputes in order to avoid the time and cost associated with litigation and other formal adversarial hearings. For purposes of this section, "dispute resolution" means the use of negotiation, mediation, arbitration, mediation-arbitration, neutral fact finding, and minitrials. These processes shall be nonbinding unless otherwise agreed to by all parties to the dispute.

Subd. 2. [REQUIREMENTS.] (a) If an enrollee, health care provider, or applicant for network provider status chooses to use a dispute resolution process prior to the filing of a formal claim or of a lawsuit, the health plan company must participate.

(b) If an enrollee, health care provider, or applicant for network provider status chooses to use a dispute resolution process after the filing of a lawsuit, the health plan company must participate in dispute resolution, including, but not limited to, alternative dispute resolution under rule 114 of the Minnesota general rules of practice.

(c) The commissioners of health and commerce shall inform and educate health plan companies' enrollees about dispute resolution and its benefits.

(d) A health plan company may encourage but not require an enrollee to submit a complaint to alternative dispute resolution.

Sec. 20. [62Q.12] [DENIAL OF ACCESS.]

No health plan company may deny access to a covered health care service unless the denial is made by, or under the direction of, or subject to the review of a health care professional licensed to provide the service in question.

Sec. 21. [62Q.135] [CONTRACTING FOR CHEMICAL DEPENDENCY SERVICES.]

No health plan company shall contract with a chemical dependency treatment program, unless the program participates in the chemical dependency treatment accountability plan established by the commissioner of human services. The commissioner of human services shall make data on chemical dependency services and outcomes collected through this program available to health plan companies.

Sec. 22. [62Q.14] [RESTRICTIONS ON ENROLLEE SERVICES.]

No health plan company may restrict the choice of an enrollee as to where the enrollee receives services related to:

- (1) the voluntary planning of the conception and bearing of children, provided that this clause does not refer to abortion services;*
- (2) the diagnosis of infertility;*
- (3) the testing and treatment of a sexually transmitted disease; and*
- (4) the testing for AIDS or other HIV-related conditions.*

Sec. 23. [62Q.16] [MID-MONTH TERMINATION PROHIBITED.]

The termination of a person's coverage under any health plan as defined in section 62A.011, subdivision 3, with the exception of individual health plans, issued or renewed on or after January 1, 1995, must provide coverage until the end of the month in which coverage was terminated.

Sec. 24. [UTILIZATION REVIEW STUDY.]

The commissioners of health and commerce shall study means of funding the registration required by Minnesota Statutes, section 62M.03, and of monitoring and enforcing the requirements of Minnesota Statutes, chapter 62M. They shall jointly report their recommendations to the legislature by January 15, 1995.

Sec. 25. [EFFECTIVE DATE.]

Sections 1, 5, 6, 14 to 17, and 24 are effective the day following final enactment. Sections 7 to 13 and 23 are effective January 1, 1995. Section 2 to 4, and 18 to 21 are effective July 1, 1994. Section 22 is effective January 1, 1995; and applies to policies and contracts issued or renewed on or after that date.

ARTICLE 3

THE REGULATED ALL-PAYER OPTION

Section 1. Minnesota Statutes 1993 Supplement, section 62P.01, is amended to read:

62P.01 [REGULATED ALL-PAYER SYSTEM OPTION.]

The regulated all-payer system established under this chapter governs all health care services that are provided outside of an integrated service network. The regulated all-payer system is designed to control costs, prices, and utilization of all health care services not provided through an integrated service network while maintaining or improving the quality of services. The commissioner of health shall adopt rules establishing controls within the system to ensure that the rate of growth in spending in the system, after adjustments for population size and risk, remains within the limits set by the commissioner under section 62J.04. All providers that serve Minnesota residents and all health carriers that cover Minnesota residents shall comply with the requirements and rules established under this chapter for all health care services or coverage provided to Minnesota residents. The purpose of the regulated all-payer option is to provide an alternative to integrated service networks for those consumers, providers, third-party payers, and group purchasers who prefer to participate in a fee-for-service system. The initial goal of the all-payer option is to reduce administrative costs and burdens by including the all-payer option in a uniform, standardized system of billing forms and procedures and utilization review. The longer-term goal of the all-payer option is to establish a uniform reimbursement system, reimbursement and utilization controls, and quality standards and monitoring; to ensure that the annual growth in the costs for all services not provided through integrated service networks will remain within the growth limits established under section 62J.04; and to ensure that quality for these services is maintained or improved.

Sec. 2. [62P.02] [DEFINITIONS.]

(a) For purposes of this chapter, the following definitions apply:

(b) "All-payer insurer" means a health carrier as defined in section 62A.011, subdivision 2. The term does not include community integrated service networks or integrated service networks licensed under chapter 62N.

(c) "All-payer reimbursement level" means the reimbursement amount specified by the all-payer reimbursement system.

(d) "All-payer reimbursement system" means the Minnesota-specific physician and independent provider fee schedule, the Minnesota-specific hospital reimbursement system, and other provider payment methods established under this chapter or rules adopted under this chapter.

(e) "Commissioner" means the commissioner of health.

(f) "Health care provider" has the meaning given in section 62J.03, subdivision 8.

Sec. 3. Minnesota Statutes 1993 Supplement, section 62P.03, is amended to read:

62P.03 [IMPLEMENTATION.]

(a) By January 1, 1994, the commissioner of health, in consultation with the Minnesota health care commission, shall report to the legislature recommendations for the design and implementation of the all-payer system. The commissioner may use a consultant or other technical assistance to develop a design for the all-payer system. The commissioner's recommendations shall include the following:

(1) methods for controlling payments to providers such as uniform fee schedules or rate limits to be applied to all health plans and health care providers with independent billing rights;

(2) methods for controlling utilization of services such as the application of standardized utilization review criteria, incentives based on setting and achieving volume targets, recovery of excess spending due to overutilization, or required use of practice parameters;

(3) methods for monitoring quality of care and mechanisms to enforce the quality of care standards;

(4) requirements for maintaining and reporting data on costs, prices, revenues, expenditures, utilization, quality of services, and outcomes;

(5) measures to prevent or discourage adverse risk selection between the regulated all-payer system and integrated service networks;

(6) measures to coordinate the regulated all-payer system with integrated service networks to minimize or eliminate barriers to access to health care services that might otherwise result;

(7) an appeals process;

(8) measures to encourage and facilitate appropriate use of midlevel practitioners and eliminate undesirable barriers to their participation in providing services;

(9) measures to assure appropriate use of technology and to manage introduction of new technology;

(10) consequences to be imposed on providers whose expenditures have exceeded the limits established by the commissioner; and

(11) restrictions on provider conflicts of interest.

(b) On July 1, 1994, the regulated all-payer system option shall begin to be phased in with full implementation of the all-payer reimbursement system by July 1, 1996 1997. During the transition period, expenditure limits for health carriers shall be established in accordance with section 62P.04 and health care provider revenue limits shall be established in accordance with section 62P.05.

Sec. 4. Minnesota Statutes 1993 Supplement, section 62P.04, is amended to read:

62P.04 [EXPENDITURE INTERIM HEALTH PLAN COMPANY EXPENDITURE LIMITS FOR HEALTH PLAN COMPANY.]

Subdivision 1. [DEFINITIONS.] (a) For purposes of this section, the following definitions apply.

(b) "Health carrier plan company" has the definition provided in section 62A.011 62Q.01.

(d) "Total expenditures" mean incurred claims or expenditures on health care services, administrative expenses, charitable contributions, and all other payments made by health carriers out of premium revenues, except taxes and

~~assessments, and "Net expenditures" means total expenditures minus exempted taxes and assessments and payments or allocations made to establish or maintain reserves. Total expenditures are equivalent to the amount of total revenues minus taxes and assessments. Taxes and assessments~~

(f) "~~Consumer cost-sharing or subscriber liability~~" means *enrollee coinsurance, copayment, deductible payments, and amounts in excess of benefit plan maximums.*

Subd. 2. [ESTABLISHMENT.] The commissioner of health shall establish limits on the increase in ~~total~~ net expenditures by each health carrier plan company for calendar years 1994 and , 1995, 1996, and 1997. The limits must be the same as the annual rate of growth in health care spending established under section 62J.04, subdivision 1, paragraph (b). Health carriers plan companies that are affiliates may elect to meet one combined expenditure limit.

Subd. 3. [DETERMINATION OF EXPENDITURES.] Health carriers plan companies shall submit to the commissioner of health, by April 1, 1994, for calendar year 1993, and by: April 1, 1995, for calendar year 1994; April 1, 1996, for calendar year 1995; April 1, 1997, for calendar year 1996; and April 1, 1998, for calendar year 1997 all information the commissioner determines to be necessary to implement and enforce this section. The information must be submitted in the form specified by the commissioner. The information must include, but is not limited to, expenditures per member per month or cost per employee per month, and detailed information on revenues and reserves. The commissioner, to the extent possible, shall coordinate the submittal of the information required under this section with the submittal of the financial data required under chapter 62J, to minimize the administrative burden on health carriers plan companies. The commissioner may adjust final expenditure figures for demographic changes, risk selection, changes in basic benefits, and legislative initiatives that materially change health care costs, as long as these adjustments are consistent with the methodology submitted by the health carrier plan company to the commissioner, and approved by the commissioner as actuarially justified. The methodology to be used for adjustments and the election to meet one expenditure limit for affiliated health carriers plan companies must be submitted to the commissioner by ~~September 1, 1993~~ September 1, 1994. Community integrated service networks may submit the information with their application for licensure. The commissioner shall also accept changes to methodologies already submitted. The adjustment methodology submitted and approved by the commissioner must apply to the data submitted for calendar years 1994 and 1995. The commissioner may allow changes to accepted adjustment methodologies for data submitted for calendar years 1996 and 1997. Changes to the adjustment methodology must be received by September 1, 1996, and must be approved by the commissioner.

Subd. 4. [MONITORING OF RESERVES.] (a) The ~~commissioner~~ *commissioners of health and commerce* shall monitor health ~~carrier~~ *plan company* reserves and net worth as established under chapters 60A, 62C, 62D, 62H, and 64B, *with respect to the health plan companies that each commissioner respectively regulates* to ensure that savings resulting from the establishment of expenditure limits are passed on to consumers in the form of lower premium rates.

(b) Health ~~carriers~~ *plan companies* shall fully reflect in the premium rates the savings generated by the expenditure ~~limits and the health care provider revenue~~ *limits*. No premium rate ~~increase, currently reviewed by the departments of health or commerce,~~ may be approved for those health ~~carriers~~ *plan companies* unless the health ~~carrier~~ *plan company* establishes to the satisfaction of the commissioner of commerce or the commissioner of health, as appropriate, that the proposed new rate would comply with this paragraph.

(c) *Health plan companies, except those licensed under chapter 60A to sell accident and sickness insurance under chapter 62A, shall annually before the end of the fourth fiscal quarter provide to the commissioner of health or commerce, as applicable, a projection of the level of reserves the company expects to attain during each quarter of the following fiscal year. These health plan companies shall submit with required quarterly financial statements a calculation of the actual reserve level attained by the company at the end of each quarter including identification of the sources of any significant changes in the reserve level and an updated projection of the level of reserves the health plan company expects to attain by the end of the fiscal year. In cases where the health plan company has been given a certificate to operate a new health maintenance organization under chapter 62D, or been licensed as an integrated service network or community integrated service network under chapter 62N, or formed an affiliation with one of these organizations, the health plan company shall also submit with its quarterly financial statement, total enrollment at the beginning and end of the quarter and enrollment changes within each service area of the new organization. The reserve calculations shall be maintained by the commissioners as trade secret information, except to the extent that such information is also required to be filed by another provision of state law and is not treated as trade secret information under such other provisions.*

(d) *Health plan companies in paragraph (c) whose reserves are less than the required minimum or more than the required maximum at the end of the fiscal year shall submit a plan of corrective action to the commissioner of health or commerce under subdivision 7.*

(e) *The commissioner of commerce, in consultation with the commissioner of health, shall report to the legislature no later than January 15, 1995, as to whether the concept of a reserve corridor or other mechanism for purposes of monitoring reserves is adaptable for use with indemnity health insurers that do business in multiple states and that must comply with their domiciliary state's reserves requirements.*

Subd. 5. [NOTICE.] The commissioner of health shall publish in the State Register and make available to the public by July 1, 1995, a list of all health ~~carriers~~ *plan companies* that exceeded their expenditure ~~target~~ *limit* for the 1994 calendar year. The commissioner shall publish in the State Register and make available to the public by July 1, 1996, a list of all health ~~carriers~~ *plan companies* that exceeded their combined expenditure limit for calendar years

1994 and 1995. The commissioner shall notify each health ~~carrier~~ *plan company* that the commissioner has determined that the ~~carrier~~ *health plan company* exceeded its expenditure limit, at least 30 days before publishing the list, and shall provide each ~~carrier~~ *health plan company* with ten days to provide an explanation for exceeding the expenditure ~~target~~ *limit*. The commissioner shall review the explanation and may change a determination if the commissioner determines the explanation to be valid.

Subd. 6. [ASSISTANCE BY THE COMMISSIONER OF COMMERCE.] The commissioner of commerce shall provide assistance to the commissioner of health in monitoring health ~~carriers~~ *plan companies* regulated by the commissioner of commerce. The commissioner of commerce, in consultation with the commissioner of health, shall enforce compliance ~~by~~ *with expenditure limits* for those health ~~carriers~~ *plan companies*.

Subd. 7. [ENFORCEMENT.] (a) The commissioners of health and commerce shall enforce the reserve limits referenced in subdivision 4, with respect to the health ~~carriers~~ *plan companies* that each commissioner respectively regulates. Each commissioner shall require health ~~carriers~~ *plan companies* under the commissioner's jurisdiction to submit plans of corrective action when the reserve requirement is not met. ~~Each commissioner may adopt rules necessary to enforce this section. Carriers~~ *The plan of correction must address the following:*

- (1) *actuarial assumptions used in forecasting future financial results;*
- (2) *trend assumptions used in setting future premiums;*
- (3) *demographic, geographic, and private and public sector mix of the population covered by the health plan company;*
- (4) *proposed rate increases or decreases;*
- (5) *growth limits applied under section 62J.04, subdivision 1, paragraph (b); and*
- (6) *other factors deemed appropriate by the health plan company or commissioner.*

If the health plan company's reserves exceed the required maximum, the plan of correction shall address how the health plan company will come into compliance and set forth a timetable within which compliance would be achieved. The plan of correction may propose premium refunds, credits for prior premiums paid, policyholder dividends, or any combination of these or other methods which will benefit enrollees and/or Minnesota residents and are such that the reserve requirements can reasonably be expected to be met. The commissioner's evaluation of the plan of correction must consider:

- (1) *whether implementation of the plan would provide the company with an unfair advantage in the market;*
- (2) *the extent to which the reserve excess was created by any movement of enrolled persons to another organization formed by the company;*
- (3) *whether any proposed premium refund, credit, and/or dividend represents an equitable allocation to policyholders covered in prior periods as determined using sound actuarial practice; and*
- (4) *any other factors deemed appropriate by the applicable commissioner.*

(b) *The plan of correction is subject to approval by the commissioner of health or commerce, as applicable. If such a plan is not approved by the applicable commissioner, the applicable commissioner shall enter an order stating the steps that the health plan company must take to come into compliance. Within 30 days of the date of such order, the health plan company must file a notice of appeal with the applicable commissioner or comply with the commissioner's order. If an appeal is filed, such appeal is governed by chapter 14.*

(c) *Health plan companies that exceed the expenditure limits based on two-year average expenditure data or whose reserves exceed the limits referenced in subdivision 4 (1994 and 1995, 1996 and 1997) shall be required by the appropriate commissioner to pay back the amount overspent exceeding the expenditure limit through an assessment on the carrier health plan company. A health plan company may appeal the commissioner's order to pay back the amount exceeding the expenditure limit by mailing to the commissioner a written notice of appeal within 30 days from the date the commissioner's order was mailed. The contested case and judicial review provisions of chapter 14 apply to the appeal. The health plan company shall pay the amount specified by the commissioner either to the commissioner or into an escrow account until final resolution of the appeal. Notwithstanding sections 3.762 to 3.765, each party is responsible for its own fees and expenses, including attorneys fees, for the appeal. Any amount required to be paid back under this section shall be deposited in the health care access fund. The appropriate commissioner may approve a different repayment method to take into account the carrier's health plan company's financial condition. Health plan companies shall comply with the limits but shall also guarantee that their contractual obligations are met. Health plan companies are prohibited from meeting spending obligations by increasing subscriber liability, including copayments and deductibles and amounts in excess of benefit plan maximums.*

Sec. 5. Minnesota Statutes 1993 Supplement, section 62P.05, is amended to read:

62P.05 [HEALTH CARE PROVIDER REVENUE LIMITS.]

Subdivision 1. [DEFINITION.] For purposes of this section, "health care provider" has the definition given in section 62J.03, subdivision 8.

Subd. 2. [ESTABLISHMENT.] The commissioner of health shall establish limits on the increase in revenue for each health care provider, for calendar years 1994 and, 1995, 1996, and 1997. The limits must be the same as the annual rate of growth in health care spending established under section 62J.04, subdivision 1, paragraph (b). The commissioner may adjust final revenue figures for case mix complexity, inpatient to outpatient conversion, payer mix, out-of-period settlements, certain taxes and assessments including the Minnesota Care provider tax and provider surcharge, any new assessments imposed by federal or state law, research and education costs, donations, grants, and legislative initiatives that materially change health care costs revenues, as long as these adjustments are consistent with the methodology submitted by the health care provider to the commissioner, and approved by the commissioner as actuarially justified. The methodology to be used for adjustments must be submitted to the commissioner by September 1, 1993 1994. The commissioner shall also accept changes to methodologies already submitted. The adjustment methodology submitted and approved by the commissioner must apply to the data submitted for calendar years 1994 and

1995. The commissioner may allow changes to accepted adjustment methodologies for data submitted for calendar years 1996 and 1997. Changes to the adjustment methodology must be received by September 1, 1996, and must be approved by the commissioner. A health care provider's revenues for purposes of these growth limits are net of the contributions, surcharges, taxes, and assessments listed in section 62P.04, subdivision 1, that the health care provider pays.

Subd. 3. [MONITORING OF REVENUE.] The commissioner of health shall monitor health care provider revenue, to ensure that savings resulting from the establishment of revenue limits are passed on to consumers in the form of lower charges. The commissioner shall monitor hospital revenue by examining net ~~patient~~ inpatient revenue per adjusted admission and net outpatient revenue per outpatient visit. The commissioner shall monitor the revenue of physicians and other health care providers by examining revenue per patient per year or revenue per encounter. For purposes of this section, definitions related to the implementation of limits for providers other than hospitals are included in Minnesota Rules, chapter 4650, and definitions related to the implementation of limits for hospitals are included in Minnesota Rules, chapter 4651. If this information is not available, the commissioner may enforce an annual limit on the rate of growth of the provider's current fees based on the limits on the rate of growth established for calendar years 1994 and 1995.

Subd. 4. [MONITORING AND ENFORCEMENT.] Health care providers shall submit to the commissioner of health, in the form and at the times required by the commissioner, all information the commissioner determines to be necessary to implement and enforce this section. ~~Health care providers shall submit to audits conducted by the commissioner.~~ The commissioner shall regularly audit all health clinics employing or contracting with over 100 physicians. The commissioner shall also audit, at times and in a manner that does not interfere with delivery of patient care, a sample of smaller clinics, hospitals, and other health care providers. Providers that exceed revenue limits based on two-year average revenue data shall be required by the commissioner to pay back the amount ~~overspent~~ exceeding the revenue limits during the following calendar year.

Pharmacists may adjust their revenue figures for increases in drug product costs that are set by the manufacturer. The commissioner shall consult with pharmacy groups, including pharmacies, wholesalers, drug manufacturers, health plans, and other interested parties, to determine the methodology for measuring and implementing the interim growth limits while taking into account the adjustments for drug product costs.

The commissioner shall monitor providers meeting the growth limits based on their current fees on an annual basis. The fee charged for each service must be based on a weighted average across 12 months and compared to the weighted average for the previous 12-month period. The percentage increase in the average fee from 1993 to 1994, from 1994 to 1995, from 1995 to 1996, and from 1996 to 1997 is subject to the growth limits established under section 62J.04, subdivision 1, paragraph (b). The audit process may include a review of the provider's monthly fee schedule, and a random claims analysis for the provider during different parts of the year to monitor variations in fees. The commissioner shall require providers that exceed growth limits, based on annual fees, to pay back during the following calendar year the amount of fees received exceeding the limit.

The commissioner shall notify each provider that has exceeded its revenue or fee limit, at least 30 days before taking action, and shall provide each provider with ten days to provide an explanation for exceeding the revenue or fee limit. The commissioner shall review the explanation and may change a determination if the commissioner determines the explanation to be valid.

~~The commissioner may approve a different repayment schedule for a health care provider that takes into account the provider's financial condition. For those providers subject to fee limits established by the commissioner, the commissioner may adjust the percentage increase in the fee schedule to account for changes in utilization. The commissioner may adopt rules in order to enforce this section.~~

A provider may appeal the commissioner's order to pay back the amount exceeding the revenue or fee limit by mailing a written notice of appeal to the commissioner within 30 days after the commissioner's order was mailed. The contested case and judicial review provisions of chapter 14 apply to the appeal. The provider shall pay the amount specified by the commissioner either to the commissioner or into an escrow account until final resolution of the appeal. Notwithstanding sections 3.762 to 3.765, each party is responsible for its own fees and expenses, including attorneys fees, for the appeal. Any amount required to be paid back under this section shall be deposited in the health care access fund.

Sec. 6. [62P.07] [SCOPE.]

(c) *The all-payer reimbursement system must be fully implemented by July 1, 1997.*

Subd. 4. [ADVISORY COMMITTEE.] The commissioner shall convene an advisory committee made up of a broad array of health care professionals that will be affected by the fee schedule. Recommendations of this committee must be submitted to the commissioner by November 15, 1994, and may be incorporated in the implementation report due January 1, 1995.

Subd. 5. [RULEMAKING.] The commissioner shall adopt rules to establish and administer the all-payer option. The rules must include, but are not limited to: (1) the reimbursement methods used in the all-payer option reimbursement system; (2) a plan and implementation schedule to phase-in the all-payer reimbursement system, beginning January 1, 1996; and (3) mechanisms to ensure compliance by all-payer insurers, health care providers, and patients with the all-payer reimbursement system and the growth limits established under section 62J.04. The commissioner shall seek to ensure that the rules for the all-payer option are adopted by January 1, 1996. The commissioner shall comply with section 62J.07, subdivision 3, when adopting rules for the all-payer option.

Sec. 8. [62P.11] [PAYMENT TO PHYSICIANS AND INDEPENDENT PROVIDERS.]

Subdivision 1. [FEE SCHEDULE.] The commissioner shall adopt a Minnesota-specific fee schedule, based upon the Medicare resource based relative value scale, to reimburse physicians and other independent providers. The fee schedule must assign each service a relative value unit that measures the relative resources required to provide the service. Payment levels for each service must be determined by multiplying relative value units by a conversion factor that converts relative value units into monetary payment. The conversion factor used to derive the fee schedule must be set at a level that is consistent with current relevant health care spending, subject to the state's growth limits as defined in section 62J.04. The conversion factor must be set at a level that equalizes total aggregate expenditures for a given period before and after implementation of the all-payer option.

Subd. 2. [DEVELOPMENT AND MODIFICATION OF RELATIVE VALUE UNITS.] (a) When appropriate, the relative value unit for each service shall be the Medicare value adjusted to reflect Minnesota health care costs. The commissioner may assign a different relative value to a service if, in the judgment of the commissioner, the Medicare relative value unit is not accurate. The commissioner may also develop or adopt relative value units for services not covered under the Medicare resource based relative value scale. Except as provided in paragraph (b), modifications or additions to relative value units are subject to the rulemaking requirements of chapter 14.

(b) The commissioner may modify the relative value units used in the Minnesota-specific fee schedule, or change the number of services assigned relative value units, to reflect changes and improvements in the Medicare

resource based relative value scale. When adopting these federal changes, the commissioner is exempt from the rulemaking requirements of chapter 14, but shall publish a notice of modifications and additions to relative value units in the State Register 30 days before they take effect.

Subd. 3. [DEVELOPMENT OF THE CONVERSION FACTOR.] The commissioner shall develop a conversion factor using actual Minnesota claims data available to the commissioner.

Sec. 9. [62P.13] [VOLUME PERFORMANCE STANDARD FOR PHYSICIAN AND OUTPATIENT SERVICES.]

Subdivision 1. [DEVELOPMENT.] The commissioner shall establish an annual, statewide volume performance standard for physician and outpatient services. The volume performance standard shall serve as an expenditure target and must be set at a level that is consistent with achieving the growth limits pursuant to section 62J.04. The volume performance standard must combine expenditures for all services provided by physicians and other independent providers and all ambulatory care services that are not provided through an integrated service network. The statewide volume performance standard must be developed from aggregate and encounter level data reported to the state, including the claims database established under section 62J.38, when it becomes operational.

Subd. 2. [APPLICATION.] The commissioner shall compare actual expenditures for physician and outpatient services with the volume performance standard in order to keep the all-payer option expenditures within the statewide growth limits. If total expenditures during a particular year exceed the expenditure target for that year, the commissioner shall update the fee schedule rates for the second year following the year in which the target was exceeded, by adjusting the conversion factor, in order to offset this increase.

Sec. 10. [62P.15] [REIMBURSEMENT.]

The commissioner, as part of the implementation report due January 1, 1995, shall recommend to the legislature and the governor which health care professionals should be paid at the full fee schedule rate and which at a partial rate, for services covered in the fee schedule.

Sec. 11. [62P.17] [PAYMENT FOR SERVICES NOT IN THE FEE SCHEDULE.]

The commissioner shall examine options for paying for services not covered in the fee schedule and shall present recommendations to the legislature and the governor as part of the implementation report due January 1, 1995. The options examined by the commissioner must include, but are not limited to, updates and modifications to the Medicare resource based relative value scale; development of additional relative value units; development of a fee schedule based on a percentage of usual, customary, and reasonable charges; and use of rate of increase controls.

Sec. 12. [62P.19] [PAYMENT FOR URBAN AND SELECTED RURAL HOSPITALS.]

Subdivision 1. [ESTABLISHMENT OF RATE.] The commissioner shall develop a Minnesota-specific hospital reimbursement system to pay for inpatient services in those acute-care general hospitals not qualifying for reimbursement under section 62P.25. In developing this system, the commis-

sioner shall consider the all-patient refined diagnosis related groups system and other diagnosis related groups systems. Payment rates must be standardized on a statewide basis based on Minnesota specific claims level data available to the commissioner. Rates must be consistent with the overall growth limit for health care spending. Payment rates may be adjusted for area wage rates and other factors, including uncompensated care. The commissioner shall recommend any needed adjustments to the legislature and governor as part of the implementation report due January 1, 1995.

Subd. 2. [SHORT STAY AND LONG STAY OUTLIERS.] The reimbursement system must provide, on a budget neutral basis, lower charges for self-pay patients with short or low cost stays. The commissioner shall phase out this exception once universal coverage is achieved. The commissioner, as part of the implementation report due January 1, 1995, shall recommend to the legislature and the governor whether an outlier payment for long stays is needed.

Sec. 13. [62P.21] [STATEWIDE VOLUME PERFORMANCE STANDARD FOR HOSPITALS.]

Subdivision 1. [DEVELOPMENT.] The commissioner shall establish an annual, statewide volume performance standard for inpatient hospital expenditures. The volume performance standard shall serve as an expenditure target and must be set at a level that is consistent with meeting the limits on health care spending growth.

Subd. 2. [APPLICATION.] The commissioner shall compare actual inpatient hospital expenditures with the volume performance standard in order to keep all-payer option expenditures within the statewide growth limits. If aggregate inpatient hospital expenditures for a particular year exceed the volume performance standard, the commissioner shall adjust the annual increase in payment levels for the following year.

Sec. 14. [62P.23] [FLEXIBILITY IN APPLYING THE VOLUME PERFORMANCE STANDARD; REVIEW.]

Subdivision 1. [REALLOCATION.] The commissioner may reallocate spending limits between the inpatient hospital services volume performance standard and the physician and outpatient services volume performance standard, if this promotes the efficient use of health care services and does not cause total health care spending in the all-payer option to exceed the level allowed by the growth limits on health care spending.

Subd. 2. [REVIEW.] The commissioner shall review the effectiveness of the volume performance standard after the first three years of operation and shall recommend any necessary changes to the legislature and the governor.

Sec. 15. [62P.25] [REIMBURSEMENT FOR SMALL RURAL HOSPITALS.]

All-payer insurers shall pay small rural hospitals on the basis of reasonable charges, subject to a rate of increase control. For purposes of this requirement, a "small rural hospital" means a hospital with 40 or fewer licensed beds that is located at least 25 miles from another facility licensed under sections 144.50 to 144.58 and operating as an acute care community hospital. The commissioner shall recommend to the legislature and the governor a methodology for determining reasonable charges as part of the implementation report due January 1, 1995.

Sec. 16. [62P.27] [PAYMENT FOR OUTPATIENT SERVICES.]

Outpatient services provided in acute-care general hospitals and freestanding ambulatory surgery centers shall be paid on the basis of approved charges, subject to rate of increase controls. The rate of increase allowed must be consistent with the volume performance standard for physician and outpatient services.

Sec. 17. [62P.29] [OTHER INSTITUTIONAL PROVIDERS.]

Subdivision 1. [SPECIALTY HOSPITALS AND HOSPITAL UNITS.] The commissioner shall develop payment mechanisms for specialty hospitals providing pediatric and psychiatric care and distinct psychiatric and rehabilitation units in hospitals. The commissioner shall present these recommendations to the legislature and governor as part of the implementation report due January 1, 1995.

Subd. 2. [OTHER PROVIDERS.] The commissioner shall apply rate of increase limits on charges or fees to other nonhospital institutional providers. These providers include, but are not limited to, home health agencies, substance abuse treatment centers, and nursing homes, to the extent their services are included in the all-payer option. In setting rate of increase limits for institutional providers, the commissioner shall consider outcomes, comprehensiveness of services, and the special needs and severity of illness of patients treated by individual providers.

Sec. 18. [62P.31] [LIMITATIONS ON ALL-PAYER OPTION.]

Beginning July 1, 1997, all-payer insurers shall not employ or contract with health care providers, establish a network of exclusive or preferred providers, or negotiate provider payments that differ from the all-payer fee schedule. Preferred provider organizations may continue to provide care to their existing enrollees, without becoming licensed as an integrated service network, through December 31, 1997.

Sec. 19. [62P.33] [RECOMMENDATIONS FOR A USER FEE.]

The commissioner of health shall present to the legislature, as part of the implementation plan due January 1, 1996, recommendations for establishing and collecting a user fee from all-payer insurers. The user fee must be set at a level that reflects the state's investment in fee schedules, standard utilization reviews, quality monitoring, and other regulatory and administrative functions provided for the regulated all-payer option. The commissioner may consult actuaries in developing recommendations for and setting the level of the user fee. The commissioner may also present recommendations to establish additional fees and assessments if the commissioner determines they are needed to assure equal levels of accountability between the integrated service network system and the regulated all-payer option in terms of public health goals, serving high-risk and special needs populations, and other obligations imposed on the integrated service network system.

Sec. 20. Minnesota Statutes 1992, section 72A.20, is amended by adding a subdivision to read:

Subd. 30. [REASONABLE, ADEQUATE, AND NOT PREDATORY PREMIUMS.] Premiums charged by a health plan company, as defined in section 62Q.01, shall be reasonable, adequate, and not predatory in relation to the benefits, considering actuarial projection of the cost of providing or paying

for the covered health services, considering the costs of administration, and in relation to the reserves and surplus required by law.

Sec. 21. [STUDY OF STANDARD UTILIZATION REVIEW CRITERIA FOR SERVICES.]

The commissioner of health, after consulting with providers, utilization review organizations, the practice parameters advisory committee, and the health technology advisory committee, shall report to the legislature by July 1, 1995, and recommended clinical criteria for determining the necessity, appropriateness, and efficacy of five frequently used health care services for which standard criteria for utilization review would decrease providers' administrative costs.

Sec. 22. [INSTRUCTION TO THE REVISOR.]

The revisor, in the next edition of Minnesota Statutes, shall replace the term "regulated all-payer system" and similar terms with "regulated all-payer option" and similar terms in sections 62J.04, 62J.09, 62J.152, 62P.01 and 62P.03.

Sec. 23. [EFFECTIVE DATE.]

Sections 1 to 22 are effective the day following final enactment.

ARTICLE 4

FUTURE REQUIREMENTS FOR HEALTH PLAN COMPANIES

Section 1. [62J.48] [CRITERIA FOR REIMBURSEMENT.]

All ambulance services licensed under section 144.802 are eligible for reimbursement under the integrated service network system and the regulated all-payer option. The commissioner shall require community integrated service networks, integrated service networks, and all-payer insurers to adopt the following reimbursement policies.

(1) All scheduled or prearranged air and ground ambulance transports must be reimbursed if requested by an attending physician or nurse, and, if the person is an enrollee in an integrated service network or community integrated service network, if approved by a designated representative of an integrated service network or a community service network who is immediately available on a 24-hour basis. The designated representative must be a registered nurse or a physician assistant with at least three years of critical care or trauma experience, or a licensed physician.

(2) Reimbursement must be provided for all emergency ambulance calls in which a patient is transported or medical treatment rendered.

(3) Special transportation services must not be billed or reimbursed if the patient needs medical attention immediately before transportation.

Sec. 2. Minnesota Statutes 1993 Supplement, section 62N.06, subdivision 1, is amended to read:

Subdivision 1. [AUTHORIZED ENTITIES.] (a) An integrated service network may be organized as a separate nonprofit corporation under chapter 317A or as a cooperative under chapter 308A.

(b) A nonprofit health carrier, as defined in section 62A.011, may establish and operate one or more integrated service networks without forming a separate corporation or cooperative, but only if all of the following conditions are met:

(i) *an existing contract between the health carrier and a health care provider, for a term of less than seven years, that was executed before June 1, 1993, that does not explicitly mention the provider's relationship within an integrated service network, or a future integrated service network, does not bind the health carrier or provider as applied to integrated service network services, except with the mutual consent of the health carrier and provider entered into on or after June 1, 1993. This clause does not apply to contracts between a health carrier and its salaried employees;*

(ii) *the health carrier shall not apply toward the net worth, working capital, or deposit requirements of this chapter any assets used to satisfy net worth, working capital, deposit, or other financial requirements under any other chapter of Minnesota law;*

(iii) *the health carrier shall not include in its premiums for health coverage provided under any other chapter of Minnesota law, an assessment or surcharge relating to net worth, working capital, or deposit requirements imposed upon the integrated service network under this chapter; and*

(iv) *the health carrier shall not include in its premiums for integrated service network coverage under this chapter an assessment or surcharge relating to net worth working capital or deposit requirements imposed upon health coverage offered under any other chapter of Minnesota law.*

Sec. 3. [62N.14] [OFFICE OF CONSUMER SERVICES.]

Subdivision 1. [DUTIES.] Every integrated service network must have an office of consumer services which will be responsible for dealing with all enrollee complaints and inquiries. The integrated service network, through its office of consumer services, will be responsible for:

(1) *soliciting consumer comment on the quality and accessibility of services available;*

(2) *disseminating information to consumers on the integrated service network's enrollee complaint resolutions system;*

(3) *receiving unsolicited comments on and complaints about services;*

(4) *taking prompt action upon consumer complaints; and*

(5) *providing for and participating in alternative dispute resolution processes including the fact-finding and dispute resolution process established under section 62Q.30.*

Subd. 2. [CONTACT WITH COMMISSIONER.] Each integrated service network shall designate a contact person for direct communication with the commissioner. Integrated service network complaint files must be maintained by the integrated service network for seven years and must be made available upon the request of the commissioner. The commissioner shall periodically summarize the number, type, and resolution of complaints received by the health department from integrated service network enrollees, and shall make that information available through the office of consumer information. The

commissioner may at any time inspect the integrated service network's office of consumer services complaint files.

Subd. 3. [ENROLLEE MEMBERSHIP CARDS.] Integrated service networks shall issue enrollee membership cards to each enrollee of the integrated service network. The enrollee card shall contain, at minimum, the following information:

- (1) the telephone number of the integrated service network's office of consumer services;
- (2) the telephone number of the state's office of consumer information; and
- (3) the telephone number of the department of health or local ombudsman.

The membership cards shall also conform to the requirements set forth in section 62J.60.

Subd. 4. [ENROLLEE DOCUMENTS.] Each integrated service network, through its office of consumer services, is responsible for providing enrollees, upon request, with any reasonable information desired by an enrollee. This information may include duplicate copies of the evidence of coverage form required under section 62N.11; an annually updated list of addresses and telephone numbers of available integrated service network providers, including midlevel practitioners and allied professionals; and information on the enrollee complaint system of the integrated service network.

Sec. 4. [62N.38] [FEDERAL AGENCY PARTICIPATION.]

Subdivision 1. [PARTICIPATION.] An integrated service network may be organized by a department, agency, or instrumentality of the United States government.

Subd. 2. [ENROLLEES.] An integrated service network organized under subdivision 1 may limit its enrollment to those persons entitled to care under the federal program responsible for the integrated service network.

Subd. 3. [PARTICIPATION IN STATE PROGRAMS.] An integrated service network organized under subdivision 1 may request that the commissioner of health waive the requirement of section 62N.10, subdivision 4 with regard to some or all of the programs listed in that provision. The commissioner shall grant the waiver unless the commissioner determines that the applicant does not plan to provide care to low-income persons who are otherwise eligible for enrollment in the integrated service network. The integrated service network may withdraw its waiver with respect to some or all of the programs listed in section 62N.10, subdivision 4 at any time, as long as it is willing and able to enroll in the programs previously waived on the same basis as other integrated service networks.

Subd. 4. [SOLVENCY.] The commissioner shall consult with federal officials to develop procedures to allow integrated service networks organized under subdivision 1 to use the United States government as a guaranteeing organization.

Subd. 5. [VETERANS.] In developing and implementing initiatives to expand access to health care, the commissioner shall recognize the unique problems of veterans and consider methods to reach underserved portions of the veteran population.

Sec. 5. [62N.381] [AMBULANCE SERVICE RATE NEGOTIATION.]

Subdivision 1. [APPLICABILITY.] This section applies to all reimbursement rate negotiations between ambulance services and community integrated service networks or integrated service networks.

Subd. 2. [RANGE OF RATES.] The reimbursement rate negotiated for a contract period must not be more than 20 percent above or below the individual ambulance service's current customary charges, plus the rate of growth allowed under section 62J.04, subdivision 1. If the network and ambulance service cannot agree on a reimbursement rate, each party shall submit their rate proposal along with supportive data to the commissioner.

Subd. 3. [DEVELOPMENT OF CRITERIA.] The commissioner, in consultation with representatives of the Minnesota Ambulance Association, regional emergency medical services programs, community integrated service networks and integrated service networks, shall develop guidelines to use in reviewing rate proposals and making a final reimbursement rate determination.

Subd. 4. [REVIEW OF RATE PROPOSALS.] The commissioner, using the guidelines developed under subdivision 3, shall review the rate proposals of the ambulance service and community integrated service network or integrated service network and shall adopt either the network's or the ambulance service's proposal. The commissioner shall require the network and ambulance service to adhere to this reimbursement rate for the contract period.

Subd. 5. [EXPIRATION.] This section expires July 1, 1996.

Sec. 6. [62Q.19] [ESSENTIAL COMMUNITY PROVIDERS.]

Subdivision 1. [DESIGNATION.] The commissioner shall designate essential community providers. The criteria for essential community provider designation shall be the following:

(1) a demonstrated ability to integrate applicable supportive and stabilizing services with medical care for uninsured persons and high-risk and special needs populations as defined in section 62Q.07, subdivision 2, paragraph (e), underserved, and other special needs populations; and

(2) a commitment to serve low-income and underserved populations by meeting the following requirements:

(i) has nonprofit status in accordance with chapter 317A;

(ii) has tax exempt status in accordance with the Internal Revenue Service Code, section 501(c)(3);

(iii) charges for services on a sliding fee schedule based on current poverty income guidelines; and

(iv) does not restrict access or services because of a client's financial limitation; or

(3) status as a local government or community health board as defined in chapter 145A.

The commissioner may designate an eligible provider as an essential community provider for all the services offered by that provider or for specific services designated by the commissioner.

For the purpose of this subdivision, supportive and stabilizing services include at a minimum, transportation, child care, cultural, and linguistic services where appropriate.

Subd. 2. [APPLICATION.] Any provider may apply to the commissioner for designation as an essential community provider within two years after the effective date of the rules adopted by the commissioner to implement this section.

Subd. 3. [HEALTH PLAN COMPANY AFFILIATION.] A health plan company must offer a provider contract to any designated essential community provider located within the area served by the health plan company. A health plan company shall not restrict enrollee access to the essential community provider for the population that the essential community provider is certified to serve. A health plan company may also make other providers available to this same population. A health plan company may require an essential community provider to meet all data requirements, utilization review, and quality assurance requirements on the same basis as other health plan providers.

Subd. 4. [ESSENTIAL COMMUNITY PROVIDER RESPONSIBILITIES.] Essential community providers must agree to serve enrollees of all health plan companies operating in the area that the essential community provider is certified to serve.

Subd. 5. [CONTRACT PAYMENT RATES.] An essential community provider and a health plan company may negotiate the payment rate for covered services provided by the essential community provider. This rate must be competitive with rates paid to other health plan providers for the same or similar services.

Subd. 6. [TERMINATION.] The designation as an essential community provider is terminated five years after it is granted, and the former essential community provider has no rights or privileges beyond those of any other health care provider.

Subd. 7. [RECOMMENDATIONS AND RULEMAKING ON ESSENTIAL COMMUNITY PROVIDERS.] (a) As part of the implementation plan due January 1, 1995, the commissioner shall present proposed rules and any necessary recommendations for legislation for defining essential community providers, using the criteria established under subdivision 1, and defining the relationship between essential community providers and health plan companies.

(b) By January 1, 1996, the commissioner shall adopt rules for establishing essential community providers and for governing their relationship with health plan companies. The commissioner shall also identify and address any conflict of interest issues regarding essential community provider designation for local governments.

Sec. 7. [62Q.21] [UNIVERSAL STANDARD BENEFITS SET.]

Subdivision 1. [MANDATORY OFFERING.] Effective January 1, 1996, each health plan company shall offer the universal standard benefits set to its enrollees.

Subd. 2. [STANDARD BENEFIT SET.] Effective July 1, 1997, health plan companies shall offer, sell, issue, or renew only the universal standard benefits

set and the cost-sharing and supplemental coverage options established in accordance with sections 62Q.25 and 62Q.27.

Subd. 3. [GENERAL DESCRIPTION.] The universal standard benefits set must contain all appropriate and necessary health care services. Benefits necessary to meet public health goals, adequately serve high risk and special needs populations, facilitate the utilization of cost effective alternatives to traditional inpatient acute and extended health care delivery, or meet other objectives of health care reform shall be considered by the commissioner for inclusion in the universal standard benefits set. Appropriate and necessary dental services must be included.

Subd. 4. [BENEFIT SET RECOMMENDATIONS.] The commissioner of health, in consultation with the Minnesota health care commission and the commissioners of human services and commerce, shall develop the universal standard benefits set and report these recommendations to the legislature by January 1, 1995. The commissioners shall include in this report a definition for appropriate and necessary care, in terms of type, frequency, level, setting, and duration of services which address the enrollee's mental and physical condition. In developing this definition, the commissioners shall consider that a benefit set that excludes genuinely appropriate and necessary services will not reduce or contain costs, but will only transfer those costs onto individuals and the public sector. Therefore, the definition of appropriate and necessary care must be sufficiently broad to address the needs of those with chronic conditions or disabilities, including those who need health services to improve their functioning, and those for whom maintenance of health may not be possible and those for whom preventing deterioration in their health conditions might not be achievable, and meet other health care reform objectives. In developing the universal standard benefits set, the commissioners shall take into account factors including, but not limited to:

- (1) information regarding the benefits, risks, and cost-effectiveness of health care interventions;*
- (2) development of practice parameters;*
- (3) technology assessments;*
- (4) medical innovations;*
- (5) health status assessments;*
- (6) identification of unmet needs or particular barriers to access;*
- (7) public health goals;*
- (8) expenditure limits and available funding;*
- (9) cost savings resulting from the inclusion of a health care service that will decrease the utilization of other health care services in the benefit set;*
- (10) cost efficient and effective alternatives to inpatient health care services for acute or extended health care needs, such as home health care services; and*
- (11) the desirability of including coverage for all court-ordered mental health services for juveniles.*

Subd. 5. [ADVISORY COMMITTEE ON THE UNIVERSAL BENEFITS SET.] The commissioner shall appoint an advisory committee to devel

recommendations regarding the services other than dental services to be included in the universal benefits set. The committee must include representatives of health care providers, purchasers, consumers, health plan companies, and counties. The health care provider representatives must include both physicians and allied independent health care providers representing both physical and mental health conditions. The committee shall report these recommendations to the commissioner by October 1, 1994.

Subd. 6. [ADVISORY COMMITTEE ON DENTAL SERVICES.] The commissioner shall appoint an advisory committee to develop recommendations regarding the level of appropriate and necessary dental services to be included in the universal standard benefits set. The committee shall also develop recommendations on an appropriate system to deliver dental services. In its analysis the committee shall study the quality and cost-effectiveness of dental services delivered through capitated dental networks, discounted dental preferred provider organizations, and independent practice dentistry. The committee shall report these recommendations to the commissioner by October 1, 1994.

Subd. 7. [CHEMICAL DEPENDENCY SERVICES.] If chemical dependency services are included in the universal standard benefits set, the commissioner shall consider the cost effectiveness of requiring health plan companies and chemical dependency facilities to use the assessment criteria in Minnesota Rules, parts 9530.6600 to 9530.6660.

Sec. 8. [62Q.23] [GENERAL SERVICES.]

(a) Health plan companies shall comply with all continuation and conversion of coverage requirements applicable to health maintenance organizations under state or federal law.

(b) Health plan companies shall comply with sections 62A.047, 62A.27, and any other coverage required under chapter 62A of newborn infants, dependent children who do not reside with a covered person, handicapped children and dependents, and adopted children. A health plan company providing dependent coverage shall comply with section 62A.302.

(c) Health plan companies shall comply with the equal access requirements of section 62A.15.

Sec. 9. [62Q.25] [SUPPLEMENTAL COVERAGE.]

Health plan companies may choose to offer separate supplemental coverage for services not covered under the universal benefits set. Health plan companies may offer any Medicare supplement, Medicare select, or other Medicare-related product otherwise permitted for any type of health plan company in this state. Each Medicare-related product may be offered only in full compliance with the requirements in chapters 62A, 62D, and 62E that apply to that category of product.

Sec. 10. [62Q.27] [ENROLLEE COST-SHARING.]

(a) The commissioner, as part of the implementation plan due January 1, 1995, shall present to the legislature recommendations and draft legislation to establish up to five standardized benefit plans which may be offered by each health plan company. The plans must vary only on the basis of enrollee cost sharing and encompass a range of cost-sharing options from (1) lower premium costs combined with higher enrollee cost-sharing, to (2) higher

premium costs combined with lower enrollee cost-sharing. Each plan offered may include out-of-network coverage options.

(b) For purposes of this section, "enrollee cost-sharing" or "cost-sharing" means copayments, deductibles, coinsurance, and other out-of-pocket expenses paid by the individual consumer of health care services.

(c) The following principles must apply to cost-sharing:

(1) enrollees must have a choice of cost-sharing arrangements;

(2) enrollee cost-sharing must be administratively feasible and consistent with efforts to reduce the overall administrative burden on the health care system;

(3) cost-sharing for recipients of medical assistance, general assistance medical care, or the MinnesotaCare program must be determined by applicable law and rules governing these programs;

(4) cost-sharing must be capped at an annual limit determined by the commissioner to protect individuals and families from severe financial hardship and to protect individuals with substantial health care needs;

(5) cost-sharing must not be applied to preventive health services as defined in Minnesota Rules, part 4685.0801, subpart 8;

(6) the impact of enrollee cost-sharing requirements on appropriate utilization must be considered when cost-sharing requirements are developed;

(7) additional requirements may be established to assist enrollees for whom an inducement in addition to the elimination of cost-sharing is necessary in order to encourage them to use cost-effective preventive services. These requirements may include the provision of educational information, assistance or guidance, and opportunities for responsible decision making by enrollees that minimize potential out-of-pocket costs;

(8) a copayment may be no greater than 25 percent of the paid charges for the service or product;

(9) cost-sharing requirements and benefit or service limitations for outpatient mental health and outpatient chemical dependency services; except for persons placed in chemical dependency services under Minnesota Rules, parts 9530.6600 to 9530.6660, must not place a greater financial burden on the insured or enrollee, or be more restrictive than those requirements and limitations for outpatient medical services; and

(10) cost-sharing requirements and benefit or service limitations for inpatient hospital mental health and inpatient hospital and residential chemical dependency services, except for persons placed in chemical dependency services under Minnesota Rules, parts 9530.6600 to 9530.6660, must not place a greater financial burden on the insured or enrollee, or be more restrictive than those requirements and limitations for inpatient hospital medical services.

(d) The commissioner shall consider whether a health plan company may return to the enrollee all or part of an enrollee's premium as an incentive for completing preventive care, and may return all or part of an enrollee's cost-sharing for participating in health education, improving health, or reducing health risks.

Sec. 11. [62Q.29] [STATE-ADMINISTERED PUBLIC PROGRAMS.]

Public agencies, in conjunction with the department of health and the department of human services, on behalf of eligible recipients enrolled in public programs such as medical assistance, general assistance medical care, and MinnesotaCare, may contract with health plan companies to provide services included in these programs, but not included in the universal standard benefits set.

Sec. 12. [62Q.30] [EXPEDITED FACT FINDING AND DISPUTE RESOLUTION PROCESS.]

The commissioner shall establish an expedited fact finding and dispute resolution process to assist enrollees of integrated service networks and all-payer insurers with contested treatment, coverage, and service issues to be in effect July 1, 1997. The commissioner may order an integrated service network or an all-payer insurer to provide or pay for a service that is within the universal standard benefits set. If the disputed issue relates to whether a service is appropriate and necessary, the commissioner shall issue an order only after consulting with appropriate experts knowledgeable, trained, and practicing in the area in dispute, reviewing pertinent literature, and considering the availability of satisfactory alternatives. The commissioner shall take steps including but not limited to fining, suspending, or revoking the license of an integrated service network or an all-payer insurer that is the subject of repeated orders by the commissioner that suggests a pattern of inappropriate underutilization.

Sec. 13. [COMPLAINT PROCEDURE.]

The commissioners of health and commerce shall develop an internal grievance procedure and appeals process to be used by all health plan companies. The commissioner shall make a report of recommendations to the legislature by January 1, 1995. In developing the report and recommendations, the commissioner shall consider the current prepaid medical assistance and health maintenance organization internal grievance procedure as models.

Sec. 14. [EFFECTIVE DATE.]

- (a) Sections 2 and 7 are effective the day following final enactment.
- (b) Sections 1, 3, 4, 6, 10, 12, and 13 are effective July 1, 1994.
- (c) Section 5 is effective January 1, 1995.
- (d) Sections 8, 9, and 11 are effective July 1, 1997.

ARTICLE 5

IMPLEMENTATION AND TRANSITION PLANS

Section 1. [62Q.41] [ANNUAL IMPLEMENTATION REPORT.]

The commissioner of health, in consultation with the Minnesota health care commission, shall develop an annual implementation report to be submitted to the legislature each year beginning January 1, 1995, describing the progress and status of rule development and implementation of the integrated service network system and the regulated all-payer option, and providing recommendations for legislative changes that the commissioner determines may be needed.

Sec. 2. [TRANSITION PLAN.]

The commissioner of health, in consultation with the Minnesota health care commission, shall develop a plan to facilitate the transition from the existing health care delivery and financing system to the integrated service network system and the regulated all-payer option. The plan may include recommendations for integrated service network requirements or other requirements that should become applicable to some or all health plan companies prior to July 1, 1997, and recommendations for requirements that should be modified or waived during a transition period after July 1, 1997, as health plan companies convert to integrated service networks or to the regulated all-payer option. The transition plan must be submitted to the legislature by January 1, 1995.

Sec. 3. [INTEGRATED STATE ADMINISTERED PUBLIC PROGRAM.]

The commissioner of human services in consultation with representatives of counties and consumer groups shall develop an implementation plan for the integration of MinnesotaCare and general assistance medical care into a single cost effective program by July 1, 1996, adding medical assistance into this integrated program under a federal demonstration project waiver by July 1, 1997. The commissioner shall submit the plan including necessary implementation legislation to the legislature by February 1, 1995. The legislation must include:

(1) a definition of services covered by the integrated program, excluding supplemental and long-term care benefits, and supporting actuarial data;

(2) a single set of criteria to determine eligibility for the integrated program;

(3) a request to seek a federal demonstration project waiver to include medical assistance in the integrated program; and

(4) a plan to define the scope and delivery of supplemental long-term care benefits to special populations.

The commissioner will present an update and an initial budget analysis to the legislative commission on health care access no later than December 1, 1994.

Sec. 4. [STATE ADMINISTERED PUBLIC PROGRAM PHASE-IN.]

(a) The commissioner of human services shall present to the legislature and the governor, as part of the implementation report due January 1, 1996, a plan to incorporate state administered health programs into the all-payer option and the integrated service network system. The plan must identify the federal waivers and approvals required. The plan must also provide a schedule for phasing in the state administered health programs beginning July 1, 1997, and for increasing reimbursement levels in stages over the phase-in period. For purposes of this section, "state administered health programs" means the medical assistance, general assistance medical care, and MinnesotaCare programs.

(b) The commissioners of human services and employee relations shall include with the plan required under paragraph (a) recommendations, including proposed legislation, for a coordinated program for purchasing health care services for the state employees group insurance program and

recipients of state administered health programs, to be phased in beginning July 1, 1997.

(c) *The recommendations shall include a requirement that health plan companies interested in contracting to serve enrollees or recipients of the programs listed in paragraph (b) submit a bid to provide services to all enrollees and recipients of those programs residing within the plan's service area.*

(d) *The commissioners of human services and employee relations must convene an advisory task force to assist with the preparation of plans, recommendations, and legislation required by this section. The task force must include representatives of recipients of the publicly paid health care programs, providers with substantial experience in providing services to recipients of these programs, county human services, exclusive representatives of state employees, and other affected persons.*

(e) *The commissioners of human services and employee relations may begin integrating administrative functions relating to the purchase of health care prior to July 1, 1997, that do not affect eligibility or coverage policy for medical assistance, general assistance medical care, or MinnesotaCare enrollees. All integration shall be included in the report required under paragraph (a).*

Sec. 5. [RECODIFICATION AND HEALTH PLAN COMPANY REGULATORY REFORM.]

Subdivision 1. [PROPOSED LEGISLATION.] The commissioners of health and commerce, in consultation with the Minnesota health care commission and the legislative commission on health care access, shall draft proposed legislation to recodify, simplify, and standardize all statutes, rules, regulatory requirements, and procedures relating to health plan companies. The recodification and regulatory reform must become effective simultaneously with the full implementation of the integrated service network system and the regulated all-payer option on July 1, 1997. The commissioners of health and commerce shall submit to the legislature by January 1, 1996, a report on the recodification and regulatory reform with proposed legislation.

Subd. 2. [ADVISORY TASK FORCE.] The commissioner of health shall convene an advisory task force to advise the commissioner on the recodification and reform of regulatory requirements under this section. The task force must include representatives of health plan companies, consumers, counties, employers, labor unions, providers, and other affected persons.

Sec. 6. [HEALTH REFORM DEMONSTRATION MODELS.]

The commissioner of health, in consultation with appropriate state agencies, is authorized to seek federal and private foundation grants to supplement any funds appropriated under this act in order to conduct demonstration models to develop the implementation strategies for the various components of health care reform. The model projects may include the following:

- (1) risk adjustment formulas;*
- (2) integration of special needs populations into integrated service networks;*
- (3) organization of health services delivery by post-secondary educational facilities;*

(4) establishment of rural purchasing pools and cooperative service arrangements;

(5) integration of rural public health nursing agency services with rural community integrated service networks;

(6) development of appropriate access services which facilitate enrollment of low-income or special needs populations into integrated service networks;

(7) evaluation methods for the action plans prepared by health plan companies; and

(8) integration of services provided by licensed school nurses into integrated service networks.

Sec. 7. [24-HOUR COVERAGE.]

As part of the implementation report submitted on January 1, 1996, as required under Minnesota Statutes, section 62Q.41, the commissioners of health and labor and industry shall develop a 24-hour coverage plan incorporating and coordinating the health component of workers' compensation with health care coverage to be offered by an integrated service network. The commissioners shall also make recommendations of any legislative changes that may be needed to implement this plan.

Sec. 8. [AMBULANCE RATE STUDY.]

(a) The commissioner of health in consultation with the Minnesota ambulance association and the regional emergency medical services systems shall study the feasibility and desirability of establishing a system of ambulance rate regulation. The commissioner shall report findings, conclusions, and recommendations to the legislature by February 1, 1995, as part of the report on the financial condition of licensed ambulance services in Minnesota required in Laws 1993, First Special Session chapter 1, article 1, section 3, subdivision 4.

(b) If the commissioner, under paragraph (a), recommends establishing a system of ambulance rate regulation, the commissioner, in consultation with the Minnesota ambulance association and the regional emergency medical services systems, shall develop a system of ambulance rate regulations for the integrated service network and all-payer option systems. The commissioner shall present recommendations and an implementation plan for this rate regulation system to the legislature by January 1, 1996.

Sec. 9. [SINGLE PAYER STUDY.]

The legislative audit commission is requested to direct the legislative auditor to conduct an evaluation of the administrative cost of paying Minnesota health care providers through the multiple payers that currently reimburse the providers. The legislative auditor shall also analyze the administrative cost of paying Minnesota health care providers through one state government agency and, alternatively, through one private sector health carrier. "Administrative cost" includes: (1) the difference between all revenues received and all claims paid out by all publicly financed health programs and all private sector health carriers; and (2) billing costs for Minnesota health care providers. The legislative auditor shall also study the different types of administrative expenses, including costs that relate to the enhancement of quality of care. The report must, to the extent possible, rely solely on data collected from Minnesota health care providers, health

carriers, and other group purchasers. The legislative auditor shall report findings of this study to the legislature by January 15, 1995.

Sec. 10. [CONTINUED STUDY OF MEDICAL EDUCATION AND RESEARCH COSTS.]

Subdivision 1. [PURPOSE.] The legislature finds that health care research and the preparation of future health care practitioners are of great importance to the quality of health care available to the citizens of this state; that medical education and research must be designed to meet the health needs of the population and the changing needs of the health care delivery system; and that the cost of medical education and research should not place institutions engaged in these activities at a competitive disadvantage in the marketplace.

Subd. 2. [SCOPE OF STUDY.] The commissioner of health shall continue the study developed as part of Minnesota Statutes, section 62J.045, on the impact of state health care reform on the financing of medical education and research activities in the state. The study shall address issues related to the institutions engaged in these activities, including hospitals, medical centers, and health plan companies, and will report on the need for alternative funding mechanisms for medical education and research activities. The commissioner shall monitor ongoing public and private sector activities related to the study of the financing of medical education and research activities and include a description of these activities in the final report as applicable. The commissioner shall submit a report on the study findings, including recommendations on mechanisms to finance medical education and research activities, to the legislature by February 15, 1995.

Subd. 3. [RECOMMENDATIONS.] The study shall explore both private and public alternatives for funding medical education and research activities. The study shall include recommendations which, when implemented, would:

(1) help to assure the coordination between federal and state funding mechanisms;

(2) help assure adequate funding to support medical education and research activities;

(3) create alternative funding mechanisms, if necessary, to assure that medical education and research are responsive to the health needs of the population and the needs of Minnesota's health delivery system;

(4) help to assure that any changes in funding for medical education and health care research do not destabilize institutions that currently conduct, sponsor, or otherwise engage in health care research and medical education; and

(5) allocate the costs of medical education and research fairly across the health care system.

Subd. 4. [TASK FORCE.] The commissioner may appoint an advisory task force to provide expertise and advice on the study. The task force may include up to 20 members. The commissioner shall take under consideration representation of the following groups: the Minnesota association of public teaching hospitals and other nonteaching hospitals; private academic medical centers; the University of Minnesota medical school and its primary care residency programs; payer organizations including managed care, nonprofit health service plan organizations, and commercial carriers; other providers

including the Minnesota medical association, the Minnesota nurses association, and others; a representative of the health technology advisory committee; employers; consumers; and medical researchers. The task force shall include representation of rural areas in the state.

Sec. 11. [PREPAID MEDICAL ASSISTANCE PLAN STUDY.]

The commissioners of health and human services shall study the coordination between health care reform and the prepaid medical assistance plan. The study must also determine whether there have been cost savings, cost increases, or cost shifting under current implementation of the prepaid medical assistance plan. The commissioners shall jointly report their findings to the legislature by January 1, 1995.

Sec. 12. [EFFECTIVE DATE.]

Sections 1 to 11 are effective the day following final enactment.

ARTICLE 6

UNIVERSAL COVERAGE

Section 1. [62Q.16] [UNIVERSAL COVERAGE.]

It is the commitment of the state to achieve universal health coverage for all Minnesotans by July 1, 1997. In order to achieve this commitment, the following goals must be met:

(1) every Minnesotan shall have health coverage and shall contribute to the costs of coverage based on ability to pay;

(2) no Minnesotan shall be denied coverage or forced to pay more because of health status;

(3) quality health care services must be accessible to all Minnesotans;

(4) all health care purchasers must be placed on an equal footing in the health care marketplace; and

(5) a comprehensive and affordable health plan must be available to all Minnesotans.

Sec. 2. [62Q.17] [VOLUNTARY PURCHASING POOLS.]

Subdivision 1. [PERMISSION TO FORM.] Notwithstanding section 62A.10, employers, groups, and individuals may voluntarily form purchasing pools, solely for the purpose of negotiating and purchasing health plan coverage from health plan companies for members of the pool.

Subd. 2. [COMMON FACTORS.] All participants in a purchasing pool must live within a common geographic region, be employed in a similar occupation, or share some common factor as approved by the commissioner.

Subd. 3. [GOVERNING STRUCTURE.] Each pool must have a governing structure controlled by its members. The governing structure of the pool is responsible for administration of the pool. The governing structure shall review and evaluate all bids for coverage from health plan companies, shall determine criteria for joining and leaving the pool, and may design incentives for healthy lifestyles and health promotion programs. The governing structure may design uniform entrance standards for all employers, except small

employers as defined under section 62L.02. Small employers must be permitted to enter any pool if the small employer meets the pool's membership requirements. Pools must provide as much choice in health plans to members as is financially possible. The governing structure may charge all members a fee for administrative purposes.

Subd. 4. [ENROLLMENT.] Pools must have an annual open enrollment period of not less than 15 days, during which all individuals or groups that qualify for membership may enter the pool without any preexisting condition limitations or exclusions or exclusionary riders, except those permitted under chapter 62L for groups or section 62A.65 for individuals. Pools must reach and maintain an enrolled population of at least 1,000 members within six months of formation. If a pool fails to reach or maintain the minimum enrollment, all coverage subsequently purchased through the purchasing pool must be regulated through existing applicable laws and forego all advantages under this section.

Subd. 5. [MEMBERS.] The governing structure of the pool shall set a minimum time period for membership. Members must stay in the purchasing pool for the entire minimum period to avoid paying a penalty. Penalties for early withdrawal from the purchasing pool shall be established by the governing structure.

Subd. 6. [EMPLOYER-BASED PURCHASING POOLS.] Employer-based purchasing pools must, with respect to small employers as defined in section 62L.02, meet all the requirements of chapter 62L. The experience of the pool must be pooled and the rates blended across all groups. Pools may decide to create tiers within the pool, based on experience of group members. These tiers must be designed within the requirements of section 62L.08. The governing structure may establish criteria limiting movement between tiers. Tiers must be phased out within two years of the pool's creation.

Subd. 7. [INDIVIDUAL MEMBERS.] Purchasing pools that contain individual members must meet all of the underwriting and rate restrictions found in the individual health plan market.

Subd. 8. [REPORTS.] Prior to the initial effective date of coverage, and annually thereafter, each pool shall file a report with the information clearinghouse. The information clearinghouse must use the report to promote the purchasing pools. The annual report must contain the following information:

- (1) the number of lives in the pool;*
- (2) the geographic area the pool intends to cover;*
- (3) the number of health plans offered;*
- (4) a description of the benefits under each plan;*
- (5) a description of the premium structure, including any copayments or deductibles, of each plan offered;*
- (6) evidence of compliance with chapter 62L;*
- (7) a sample of marketing information, including a phone number where the pool may be contacted; and*
- (8) a list of all administrative fees charged.*

Sec. 3. [62Q.18] [UNIVERSAL COVERAGE; INSURANCE REFORMS.]

Subdivision 1. [DEFINITION.] For purposes of this section,

(1) "continuous coverage" has the meaning given in section 62L.02;

(2) "guaranteed issue" means:

(i) for individual health plans, that a health plan company shall not decline an application by an individual for any individual health plan offered by that health plan company, including coverage for a dependent of the individual to whom the health plan has been or would be issued; and

(ii) for group health plans, that a health plan company shall not decline an application by a group for any group health plan offered by that health plan company and shall not decline to cover under the group health plan any person eligible for coverage under the group's eligibility requirements, including persons who become eligible after initial issuance of the group health plan;

(3) "qualifying coverage" has the meaning given in section 62L.02; and

(4) "underwriting restrictions" has the meaning given in section 62L.03, subdivision 4.

Subd. 2. [INDIVIDUAL MANDATE.] Effective July 1, 1997, each Minnesota resident shall obtain and maintain qualifying coverage.

Subd. 3. [GUARANTEED ISSUE.] (a) Effective July 1, 1997, each health plan company shall offer, sell, issue, or renew each of its individual health plan forms on a guaranteed issue basis to any Minnesota resident.

(b) Effective July 1, 1997, each health plan company shall offer, sell, issue, or renew each of its group health plan forms to any employer that has its principal place of business in this state on a guaranteed issue basis, provided that the guaranteed issue requirement does not apply to employees, dependents, or other persons to be covered, who are not residents of this state.

Subd. 4. [UNDERWRITING RESTRICTIONS LIMITED.] Effective July 1, 1997, no health plan company shall offer, sell, issue, or renew a health plan that has underwriting restrictions that apply to a Minnesota resident, except as expressly permitted under this section.

Subd. 5. [PREEXISTING CONDITION LIMITATIONS.] Effective July 1, 1997, no health plan company shall offer, sell, issue, or renew a health plan that contains a preexisting condition limitation or exclusion or exclusionary rider that applies to a Minnesota resident, except a limitation which is no longer than 12 months and applies only to a person who has not maintained continuous coverage. An unexpired preexisting condition limitation from previous qualifying coverage may be carried over to new coverage under a health plan, if the unexpired condition is one permitted under this section. A Minnesota resident who has not maintained continuous coverage may be subjected to a new 12-month preexisting condition limitation after each break in continuous coverage.

Subd. 6. [LIMITS ON PREMIUM RATE VARIATIONS.] (a) Effective July 1, 1995, the premium rate variations permitted under sections 62A.65 and 62L.08 become:

(1) for factors other than age and geography, 12.5 percent of the index rate; and

(2) for age, 25 percent of the index rate.

(b) Effective July 1, 1996, the premium variations permitted under sections 62A.65 and 62L.08 become:

(1) for factors other than age and geography, 7.5 percent of the index rate; and

(2) for age, 15 percent of the index rate.

(c) Effective July 1, 1997, no health plan company shall offer, sell, issue, or renew a health plan, that is subject to section 62A.65 or 62L.08, for which the premium rate varies between covered persons on the basis of any factor other than:

(1) for individual health plans, differences in benefits or benefit design, and for group health plans, actuarially valid differences in benefits or benefit design;

(2) the number of persons to be covered by the health plan;

(3) actuarially valid differences in expected costs between adults and children;

(4) healthy lifestyle discounts authorized by statute; and

(5) for individual health plans, geographic variations permitted under section 62A.65, and for group health plans, geographic variations permitted under section 62L.08.

(d) All premium rate variations permitted under paragraph (c) are subject to the approval of the commissioner.

(e) Notwithstanding paragraphs (a), (b), and (c), no health plan company shall renew any individual or group health plan, except in compliance with this paragraph. No premium rate for any policy holder or contract holder shall increase or decrease upon renewal, as a result of this subdivision, by more than 15 percent per year. The increase or decrease described in this paragraph is in addition to any premium increase or decrease caused by legally permissible factors other than this subdivision. If a premium increase or decrease is constrained by this paragraph, the health plan company may implement the remaining portion of the increase or decrease at the time of subsequent annual renewals, but never to exceed 15 percent per year for paragraphs (a), (b), and (c) combined.

Subd. 7. [PORTABILITY OF COVERAGE.] (a) Effective July 1, 1997, no health plan company shall offer, sell, issue, or renew any group or individual health plan that does not provide for guaranteed issue, with full credit for previous qualifying coverage against any preexisting condition limitation that would otherwise apply under subdivision 5. No health plan shall be subject to any other type of underwriting restriction.

(b) Effective July 1, 1995, no health plan company shall offer, sell, issue, or renew any group or individual health plan that does not, with respect to individuals who maintain continuous coverage and whose immediately preceding qualifying coverage is a health plan issued by medical assistance

under chapter 256B, general assistance medical care under chapter 256D, or the MinnesotaCare plan established under section 256.9352,

- (1) make coverage available on a guaranteed issue basis; and
- (2) give full credit for previous continuous coverage against any applicable preexisting condition limitation or exclusion.

(c) Paragraph (b) applies to individuals whose immediately preceding qualifying coverage is medical assistance under chapter 256B, general assistance medical care under chapter 256D, or the MinnesotaCare plan established under section 256.9352, only if the individual has disenrolled from the public program or will disenroll upon issuance of the new coverage. Paragraph (b) does not apply if the public program uses or will use public funds to pay the premiums for an individual who remains or will remain enrolled in the public program. No public funds may be used to purchase private coverage available under this paragraph. This paragraph does not prohibit public payment of premiums to continue private sector coverage originally obtained prior to enrollment in the public program, where otherwise permitted by state or federal law. Portability coverage under this paragraph is subject to the provisions of section 62A.65, subdivision 5, clause (b).

(d) Effective July 1, 1994, no health plan company shall offer, sell, issue, or renew any group health plan that does not, with respect to individuals who maintain continuous coverage:

- (1) make coverage available on a guaranteed issue basis; and
- (2) give full credit for previous continuous coverage against any applicable preexisting condition limitation or exclusion.

To the extent that this paragraph conflicts with chapter 62L, with respect to small employers as defined in section 62L.02, chapter 62L governs.

Subd. 8. [COMPREHENSIVE HEALTH ASSOCIATION.] Effective July 1, 1997, the comprehensive health association created in section 62E.10 shall not accept new applicants for enrollment, except for medicare-related coverage described in section 62E.12 and for coverage described in section 62E.18.

Subd. 9. [CONTINGENCY; FUTURE LEGISLATION.] This section, except for subdivision 7, paragraphs (b), (c), and (d), is not intended to be implemented prior to legislation enacted to achieve the objectives of sections 1, 5, 6, and 7. Subdivision 6 is not effective until an effective date is specified in 1995 legislation.

Sec. 4. [MARKET REFORM STRATEGIES STUDY.]

The health care commission shall study and recommend to the legislature by January 1, 1995, insurance market reforms designed to promote the formation of large purchasing pools to be available to individuals and small employers by July 1, 1997. The health care commission shall study:

- (1) integrating workers' compensation and the medical component of automobile no-fault coverage with coverage purchased through a purchasing pool;

(2) *integrating public and private sector financing mechanisms to extend MinnesotaCare subsidies to employees and dependents who are eligible for employer-based coverage without eroding existing coverage;*

(3) *requiring purchasing pools to make available to consumers all plans that submit bids to the pool;*

(4) *whether some or all purchasers should be required to obtain coverage through a public or private pool;*

(5) *the impact and effectiveness of the Minnesota employees insurance program under section 43A.317 and the public employees insurance plan under section 43A.316; and*

(6) *how statewide or regional purchasing pools could be developed for all individuals and small groups that do not have access to a private purchasing pool, and for the MinnesotaCare program and other state-subsidized health care programs, by expanding the Minnesota employees insurance program currently operated by the department of employee relations or by other means.*

Sec. 5. [SURVEY OF THE UNINSURED AND EVALUATION OF EXISTING REFORMS.]

Subdivision 1. [SURVEY.] The Minnesota health care commission shall authorize a survey of Minnesota households and employers to provide current data on the uninsured population and assess the effectiveness of the existing health care reforms. As part of this survey, the commissioner of human services shall conduct a survey of the MinnesotaCare population to determine the effects of existing health care reforms on this population. Results of this survey shall be presented to the legislature by January 15, 1995.

Subd. 2. [EVALUATION.] The commissioner of health, in consultation with the health care commission and the commissioners of human services and commerce, shall evaluate the effect of existing reforms and the effect of the MinnesotaCare program on the uninsured population. Based on this evaluation, the commissioners of health, commerce, and human services shall recommend modifications to existing reforms as necessary to continue to make progress toward universal coverage by 1997 and report these modifications to the legislature by January 15, 1996.

Sec. 6. [HEALTH CARE AFFORDABILITY STUDY.]

(a) *The commissioner of health, in consultation with the commissioners of human services, commerce, and revenue, shall study and report to the Minnesota health care commission by October 1, 1994, the various factors that affect health care affordability, including out-of-pocket spending, insurance premiums, and taxes.*

(b) *Based on the study in paragraph (a), the Minnesota health care commission shall recommend to the legislature by January 15, 1995, a specific percentage of income that overall health care costs to a family or individual should not exceed.*

(c) *The recommendations in paragraph (b) must be used by the commissioners of health and human services to develop an appropriate premium subsidy and sliding fee scale for a permanent health care subsidy program.*

Sec. 7. [FINANCING STUDY.]

The Minnesota health care commission, in consultation with the commissioners of health, commerce, human services, and revenue, and representatives of county government shall report to the legislature by January 1, 1995, with an implementation schedule and plan for a stable, long-term health care funding system for all government health programs. The report must include recommendations for overhauling the current system, specific financing methods, and detailed cost estimates for an expanded, fully-funded subsidy program to guarantee universal coverage to all Minnesota residents. The report must include an inventory and analysis of the existing system of government financing of health care. It must include recommendations for capturing savings that will accrue under health care reform and reallocating them to offset additional costs of universal coverage. The commission may contract for actuarial, finance, and taxation expertise.

The study must take into account the following goals and guiding principles:

(a) To the extent possible, universal coverage should be achieved without a net increase in total health spending, taxes, or government spending by recapturing savings and reallocating resources within the system.

(b) To the extent that universal coverage will require additional funding, revenues may be raised by reducing other general fund spending or through a variety of funding options, including broad-based taxes such as income or payroll, as long as they can be adjusted to provide appropriate offsets for low-income individuals. Taxing items that are considered to be health risks and contribute to preventable illness and injury shall be considered as a possible funding source.

(c) Financing reform should ensure adequate and equitable financing of all necessary components of the health system.

(d) Activities that benefit the entire community, such as core public health activities, including collection of data on health status and community health needs, and medical education should be financed by broad-based funding sources. Funding mechanisms should promote collaboration between the public and private sectors.

(e) Personal health care services for individuals who are enrolled in a health plan should be provided or paid for by the health plan.

(f) Government subsidy programs for low-income Minnesotans should be financed by broad-based funding sources.

(g) Funding mechanisms that are inequitable or create undesirable incentives, such as the Minnesota comprehensive health association assessment, should be restructured.

Sec. 8. [PREEXISTING CONDITIONS STUDY.]

The health care commission shall study the feasibility and impact of the following:

- (1) eliminating preexisting condition limitations in steps;
- (2) standardizing preexisting condition limitations;
- (3) narrowing the preexisting condition limitation period from 12 months to six months; and

(4) requiring limited coverage of services for preexisting conditions.

The health care commission shall provide a written report to the legislature on or before December 15, 1994.

Sec. 9. [REQUIRED OFFER OF INDIVIDUAL HEALTH PLANS.]

The health care commission shall study the effects and desirability of the requirement that all health plan companies offer individual health plans. The health care commission shall provide a written report, including recommendations on implementation, to the legislature on or before December 15, 1994.

Sec. 10. [EFFECTIVE DATE.]

Sections 1 and 4 to 9 are effective the day following final enactment. Sections 2 and 3 are effective July 1, 1994.

ARTICLE 7

PUBLIC HEALTH

Section 1. [62Q.075] [LOCAL PUBLIC ACCOUNTABILITY AND COLLABORATION PLAN.]

Subdivision 1. [DEFINITION.] For purposes of this section, "managed care organization" means a health maintenance organization, community integrated service network, or integrated service network.

Subd. 2. [REQUIREMENT.] Beginning July 1, 1995, all managed care organizations shall annually file with the action plans required under section 62Q.07 a plan describing the actions the managed care organization has taken and those it intends to take to contribute to achieving public health goals for each service area in which an enrollee of the managed care organization resides. This plan must be jointly developed in collaboration with the local public health units, appropriate regional coordinating boards, and other community organizations providing health services within the same service area as the managed care organization. Local government units with responsibilities and authority defined under chapters 145A and 256E may designate individuals to participate in the collaborative planning with the managed care organization to provide expertise and represent community needs and goals as identified under chapters 145A and 256E.

Subd. 3. [CONTENTS.] The plan must address the following:

(a) specific measurement strategies and a description of any activities which contribute to public health goals and needs of high risk and special needs populations as defined and developed under chapters 145A and 256E;

(b) description of the process by which the managed care organization will coordinate its activities with the community health boards, regional coordinating boards, and other relevant community organizations servicing the same area;

(c) documentation indicating that local public health units and local government unit designees were involved in the development of the plan;

(d) documentation of compliance with the plan filed the previous year, including data on the previously identified progress measures.

Subd. 4. [REVIEW.] Upon receipt of the plan, the appropriate commissioner shall provide a copy to the regional coordinating boards, local community health boards, and other relevant community organizations within the managed care organization's service area. After reviewing the plan, these community groups may submit written comments on the plan to either the commissioner of health or commerce, as applicable, and may advise the commissioner of the managed care organization's effectiveness in assisting to achieve regional public health goals. The plan may be reviewed by the county boards, or city councils acting as a local board of health in accordance with chapter 145A, within the managed care organization's service area to determine whether the plan is consistent with the goals and objectives of the plans required under chapters 145A and 256E and whether the plan meets the needs of the community. The county board, or applicable city council, may also review and make recommendations on the availability and accessibility of services provided by the managed care organization. The county board, or applicable city council, may submit written comments to the appropriate commissioner, and may advise the commissioner of the managed care organization's effectiveness in assisting to meet the needs and goals as defined under the responsibilities of chapters 145A and 256E. Copies of these written comments must be provided to the managed care organization. The plan and any comments submitted must be filed with the information clearinghouse to be distributed to the public.

Sec. 2. [62Q.32] [LOCAL OMBUDSPERSON.]

County board or community health service agencies may establish an office of ombudsperson to provide a system of consumer advocacy for persons receiving health care services through a health plan company. The ombudsperson's functions may include, but are not limited to:

(a) mediation or advocacy on behalf of a person accessing the complaint and appeal procedures to ensure that necessary medical services are provided by the health plan company; and

(b) investigation of the quality of services provided to a person and determine the extent to which quality assurance mechanisms are needed or any other system change may be needed.

Sec. 3. [62Q.33] [LOCAL GOVERNMENT PUBLIC HEALTH FUNCTIONS.]

Subdivision 1. [FINDINGS.] The legislature finds that the local government public health functions of community assessment, policy development, and assurance of service delivery are essential elements in consumer protection and in achieving the objectives of health care reform in Minnesota. The legislature further finds that the site-based and population-based services provided by state and local health departments are a critical strategy for the long-term containment of health care costs. The legislature further finds that without adequate resources, the local government public health system will lack the capacity to fulfill these functions in a manner consistent with the needs of a reformed health care delivery system.

Subd. 4. [CAPACITY BUILDING, ACCOUNTABILITY AND FUNDING.] The recommendations required by subdivision 2 shall include:

- (1) a definition of minimum outcomes for implementing core public health functions, including a local ombudsperson under the assurance of services function;*
- (2) the identification of counties and applicable cities with public health programs that need additional assistance to meet the minimum outcomes;*
- (3) a budget for supporting all functions needed to achieve the minimum outcomes, including the local ombudsperson assurance of services function;*

(4) an analysis of the costs and benefits expected from achieving the minimum outcomes;

(5) strategies for improving local government public health functions throughout the state to meet the minimum outcomes including: (i) funding distribution for local government public health functions necessary to meet the minimum outcomes; and (ii) strategies for the financing of personal health care services within the uniform benefits set and identifying appropriate mechanisms for the delivery of these services; and

Subd. 5. [TIMELINE.] (a) By October 1, 1994, the commissioner shall submit to the legislative commission on health care access the initial report and recommendations required by subdivisions 2 to 4.

(b) By February 15, 1995, the commissioner, in cooperation with the legislative commission on health care access, shall submit a final report to the legislature, with specific recommendations for capacity building and financing to be implemented over the period from January 1, 1996, through December 31, 1997.

(b) Notwithstanding paragraph (a), capitation payments to a capitated entity by an employer that maintains a program of self-insurance described in this paragraph, do not constitute insurance with respect to the receipt of the payments. The payments are not premium revenues for the purpose of

calculating liability for otherwise applicable state taxes, assessments, or surcharges, with the exception of:

- (1) the MinnesotaCare provider tax;
- (2) the one percent premium tax imposed in section 60A.15, subdivision 1, paragraph (d); and
- (3) effective July 1, 1995, assessments by the Minnesota comprehensive health association.

This paragraph applies only where:

- (1) the capitated entity does not bear risk in excess of 110 percent of the self-insurance program's expected costs;
- (2) the employer does not carry stop loss, excess loss, or similar coverage with an attachment point lower than 120 percent of the self-insurance program's expected costs;

- (6) on or after July 1, 1994, but prior to January 1, 1995, the employer has at least 1,500 current employees, as defined in section 62L.02, or, on or after January 1, 1995, the employer has at least 750 current employees, as defined in section 62L.02;

(7) the employer does not exclude any eligible employees or their dependents, both as defined in section 62L.02, from coverage offered by the employer, under this paragraph or any other health coverage, insured or self-insured, offered by the employer, on the basis of the health status or health history of the person. For purposes of this subdivision, a capitated entity must be licensed as a health maintenance organization, integrated service network, or community integrated service network, or must be a preferred provider organization. For purposes of this section, a preferred provider organization is a health plan company that contracts with providers to provide health care to its enrollees. All other insurance as defined in paragraph (a), even if maintained by an employer that also offers programs of self-insurance, continues to be subject to all applicable state regulations.

(2) for premiums paid after December 31, 1991, one-half of one percent.

(c) Installments under paragraph (a), (b), or (e) are percentages of gross premiums less return premiums on all direct business received by the insurer in this state, or by its agents for it, in cash or otherwise, during such year.

(d) Failure of a company to make payments of at least one-third of either (1) the total tax paid during the previous calendar year or (2) 80 percent of the actual tax for the current calendar year shall subject the company to the penalty and interest provided in this section, unless the total tax for the current tax year is \$500 or less.

(e) For health maintenance organizations ~~and~~ nonprofit health services plan corporations, *integrated service networks*, and *community integrated service networks*, the installments must be based on an amount equal to one percent of premiums described in paragraph (c) that are paid after December 31, 1995.

A long-term care policy must cover prescribed long-term care in nursing facilities and at least the prescribed long-term home care services in section 62A.46, subdivision 4, clauses (1) to (5), provided by a home health agency. Coverage under a long-term care policy AA must include: a maximum lifetime benefit limit of at least \$100,000 for services, and nursing facility and home care coverages must not be subject to separate lifetime maximums. A provision that the policyholder may elect to have the premium paid in full at age 65 by payment of a higher premium up to age 65 may be offered. A provision that the premium would be waived during any period in which benefits are being paid to the insured during confinement in a nursing facility must be included. A nongroup policyholder may return a policy within 30 days of its delivery and have the premium refunded in full, less any benefits paid under the policy, if the policyholder is not satisfied for any reason.

The insured has the right to designate up to a total of three persons who are to receive the notice of cancellation, in addition to the insured. The form used for the written designation must inform the insured that designation of one person is required and that designation of up to two additional persons is optional and must provide space clearly designated for listing between one and three persons. The designation shall include each person's full name, home address, and telephone number. The limits on growth must be set at levels the commissioner determines to be realistic and achievable but that will reduce the rate of growth in health care spending by at least ten percent per year for the next five years. The commissioner shall set limits on growth based on available data on spending and growth trends, including data from group purchasers, national data on public and private sector health care spending and cost trends, and trend information from other states.

(b) The commissioner shall set the following annual limits on the rate of growth of public and private spending on health care services for Minnesota residents:

(1) for calendar year 1994, the rate of growth must not exceed the change in the regional consumer price index for urban consumers for calendar year 1993 plus 6.5 percentage points;

(2) for calendar year 1995, the rate of growth must not exceed the change in the regional consumer price index for urban consumers for calendar year 1994 plus 5.3 percentage points;

If the health care financing administration forecast for the total growth in national health expenditures for a calendar year is lower than the rate of growth for the calendar year as specified in clauses (1) to (5), the commissioner shall adopt this forecast as the growth limit for that calendar year. The commissioner shall adjust the growth limit set for calendar year 1995 to recover savings in health care spending required for the period July 1, 1993 to December 31, 1993. The commissioner shall publish:

The commissioner shall report to the legislature by January 15 of each year on differences between the projected increase in health care expenditures, the implementation of growth limits, and the reduction in the trend in the growth based on the limits imposed the actual expenditures based on data collected, and the impact and validity of growth limits within the overall health care reform strategy.

(b) The commissioner shall enforce limits on growth in spending and revenues for integrated service networks and for the regulated all-payer system option. If the commissioner determines that artificial inflation or padding of costs or prices has occurred in anticipation of the implementation of growth limits, the commissioner may adjust the base year spending totals or growth limits or take other action to reverse the effect of the artificial inflation or padding.

(c) The commissioner shall impose and enforce overall limits on growth in revenues and spending for integrated service networks, with adjustments for changes in enrollment, benefits, severity, and risks. If an integrated service network exceeds a spending limit the growth limits, the commissioner may reduce future limits on growth in aggregate premium revenues for that integrated service network by up to the amount overspent. If the integrated service network system exceeds a systemwide spending limit, the commis-

sioner may reduce future limits on growth in premium revenues for the integrated service network system by up to the amount overspent.

(d) The commissioner shall set prices, utilization controls, and other requirements for the regulated all-payer ~~system~~ option to ensure that the overall costs of this system, after adjusting for changes in population, severity, and risk, do not exceed the growth limits. If ~~spending~~ growth limits for a calendar year are exceeded, the commissioner may reduce reimbursement rates or otherwise recoup ~~overspending~~ amounts exceeding the limit for all or part of the next calendar year; ~~to recover in savings up to the amount of money overspent.~~ To the extent possible, the commissioner may reduce reimbursement rates or otherwise recoup ~~overspending~~ amounts over the limit from individual providers who exceed the ~~spending~~ growth limits.

(e) *The commissioner, in consultation with the Minnesota health care commission, shall research and make recommendations to the legislature regarding the implementation of growth limits for integrated service networks and the regulated all-payer option. The commissioner must consider both spending and revenue approaches and will report on the implementation of the interim limits as defined in sections 62P.04 and 62P.05. The commissioner must examine and make recommendations on the use of annual update factors based on volume performance standards as a mechanism for achieving controls on spending in the all-payer option. The commissioner must make recommendations regarding the enforcement mechanism and must consider mechanisms to adjust future growth limits as well as mechanisms to establish financial penalties for noncompliance. The commissioner must also address the feasibility of system-wide limits imposed on all integrated service networks.*

(f) *The commissioner shall report to the legislative commission on health care access by December 1, 1994, on trends in aggregate spending and premium revenue for health plan companies. The commissioner shall use data submitted under section 62P.04 and other available data to complete this report.*

The commission may develop criteria for selecting specific technologies, facilities, and functions for discussion and may establish procedures and ground rules for discussion and the development of recommended agreements or distribution plans. The commission may appoint advisory committees to facilitate discussion and planning and may request that regional coordinating boards serve as or convene regional public forums.

The program must: (1) include a local match requirement for state dollars received; (2) require local communities, through instrumentalities of the state of Minnesota or nonprofit boards comprised of local residents, to operate and

own their community's health care program; (3) encourage the use of midlevel practitioners; and (4) incorporate a quality assurance strategy that provides regular evaluation of clinical performance and allows peer review comparisons for rural practices. The commissioner shall report to the legislature on implementation of the program by February 15, 1994.

Subdivision 1. [COMMUNITY HEALTH CENTER.] "Community health center" means a community owned and operated primary and preventive health care practice that meets the unique, essential health care needs of a specified population.

Subd. 2. The program is not intended to duplicate the work of current health care providers.

Subd. 3. [GRANTS.] (a) The commissioner shall provide grants to communities for planning and establishing community health centers through the Minnesota community health center program. Grant recipients shall develop and implement a strategy that allows them to become self-sufficient and qualify for other supplemental funding and enhanced reimbursement. The commissioner shall coordinate the grant program with the federal rural health clinic, federally qualified health center, and migrant and community health center programs to encourage federal certification. The commissioner may award planning, project, and initial operating expense grants, as provided in paragraphs (b) to (d).

(b) Planning grants may be awarded to communities to plan and develop state funded community health centers, federally qualified health centers, or migrant and community health centers.

(c) Project grants may be awarded to communities for community health center start-up or expansion, and the conversion of existing practices to community health centers. Start-up grants may be used for facilities, capital equipment, moving expenses, initial staffing, and setup. Communities must provide reasonable assurance of their ability to obtain health care providers and effectively utilize existing health care provider resources. Funded community health center projects must become operational before funding expires. Communities may obtain funding for conversion of existing health care practices to community health centers. Communities with existing community health centers may apply for grants to add sites in underserved areas. Governing boards must include representatives of new service areas.

metropolitan area and outside of the Duluth, St. Cloud, East Grand Forks, Moorhead, Rochester, and LaCrosse census defined urbanized areas;

Applicants in the process of forming a nonprofit corporation may have a nonprofit coapplicant serve as financial agent through the remainder of the formation period. With the exception of governmental entities, all applicants must submit application for nonprofit incorporation and 501(c)(3) tax-exempt status within six months of accepting community health center grant funds;

(3) result in a locally owned and operated community health center that provides primary and preventive health care services, and incorporates quality assurance, regular reviews of clinical performance, and peer review;

(4) seek to employ midlevel professionals, where appropriate;

(5) demonstrate community and popular support and provide a 20 percent local match of state funding; and

(6) propose to serve an area that is not currently served by a federally certified medical organization.

Subd. 5. [REVIEW PROCESS, RATING CRITERIA AND POINT ALLOCATION.] (a) The commissioner shall establish grant application guidelines and procedures that allow the commissioner to assess relative need and the applicant's ability to plan and manage a health care project. Program documentation must communicate program objectives, philosophy, expectations, and other conditions of funding to potential applicants.

The commissioner shall establish an impartial review process to objectively evaluate grant applications. Proposals must be categorized, ranked, and funded using a 100-point rating scale. Fifty-two points shall be assigned to relative need and 48 points to project merit.

(b) The scoring of relative need must be based on proposed service area factors, including but not limited to:

(1) population below 200 percent of poverty;

(2) geographic barriers based on average travel time and distance to the next nearest source of primary care that is accessible to Medicaid and Medicare recipients and uninsured low-income individuals;

(3) a shortage of primary care health professionals, based on the ratio of the population in the service area to the number of full-time equivalent primary care physicians in the service area; and

(4) other community health issues including a high unemployment rate, high percentage of uninsured population, high growth rate of minority and special populations, high teenage pregnancy rate, high morbidity rates due to specific diseases, late entry into prenatal care, high percentage geriatric population, high infant mortality rate, high percentage of low birth weight, cultural and language barriers, high percentage minority population, excessive average travel time and distance to next nearest source of subsidized primary care.

(c) Project merit shall be determined based on expected benefit from the

project, organizational capability to develop and manage the project, and probability of success, including but not limited to the following factors:

- (1) proposed scope of health services;
- (2) clinical management plan;
- (3) governance;
- (4) financial and administrative management; and
- (5) community support, integration, collaboration, resources, and innovation.

The commissioner may elect not to award any of the community health center grants if applications fail to meet criteria or lack merit. The commissioner's decision on an application is final.

Subd. 6. [ELIGIBLE EXPENDITURES.] Grant recipients may use grant funds for the following types of expenditures:

- (7) facilities;
- (8) necessary consultant fees; and
- (9) reimbursement to rural-based primary care practitioners for equipment, supplies, and furnishings that are transferred to community health centers. Up to 65 percent of the grant funds may be used to reimburse owners of rural practices for the reasonable market value of usable facilities, equipment, furnishings, supplies, and other resources that the community health center chooses to purchase.

Grant funds shall not be used to reimburse applicants for preexisting debt amortization, entertainment, and lobbying expenses.

Subd. 7. [SPECIAL CONSIDERATION.] The commissioner, through the office of rural health, shall make special efforts to identify areas of the state where need is the greatest, notify representatives of those areas about grant opportunities, and encourage them to submit applications.

Subd. 8. [REQUIREMENTS.] The commissioner shall develop a list of requirements for community health centers and a tracking and reporting system to assess benefits realized from the program to ensure that projects are on schedule and effectively utilizing state funds.

The commissioner shall require community health centers established through the grant program to:

(1) abide by all federal and state laws, rules, regulations, and executive orders;

(4) establish a governing board composed of nine to 25 members who are residents of the area served and representative of the social, economic, linguistic, ethnic, and racial target population. At least 35 percent of the board must represent consumers;

(5) establish corporate bylaws that reflect all functions and responsibilities of the board;

Subd. 9. [PRECAUTIONS.] The commissioner may withhold, delay, or cancel grant funding if a grant recipient does not comply with program requirements and objectives.

Subd. 10. [TECHNICAL ASSISTANCE.] The commissioner may provide, contract for, or provide supplemental funding for technical assistance to community health centers in the areas of clinical operations, medical practice management, community development, and program management.

The commissioner may use state funds appropriated to the department of health for the provision of technical assistance for community integrated service network development as matching funds for the federal grant.

Subd. 2. [USE OF FEDERAL FUNDS.] If the department of health receives federal funding under the state rural health network reform initiative, the department shall use these funds to implement a program to provide technical assistance and grants to rural communities to establish health care networks and to develop and test a rural health network reform model.

Subd. 3. [ELIGIBLE APPLICANTS AND CRITERIA FOR AWARDING OF GRANTS TO RURAL COMMUNITIES.] (a) Funding which the department receives to award grants to rural communities to establish health care networks shall be awarded through a request for proposals process. Planning grant funds may be used for community facilitation and initial network development activities including incorporation as a nonprofit organization or cooperative, assessment of network models, and determination of the best fit for the community. Implementation grant funds can be used to enable incorporated nonprofit organizations and cooperatives to purchase technical services needed for further network development such as legal, actuarial, financial, marketing, and administrative services.

(b) In order to be eligible to apply for a planning or implementation grant under the federally funded health care network reform program, an organization must be located in a rural area of Minnesota excluding the seven-county Twin Cities metropolitan area and the census-defined urbanized areas of Duluth, Rochester, St. Cloud, and Moorhead. The proposed network organization must also meet or plan to meet the criteria for a community integrated service network.

(c) In determining which organizations will receive grants, the commissioner may consider the following factors:

(1) the applicant's description of their plans for health care network development, their need for technical assistance, and other technical assistance resources available to the applicant. The applicant must clearly describe the service area to be served by the network, how the grant funds will be used, what will be accomplished, and the expected results. The applicant should describe achievable objectives, a timetable, and roles and capabilities of responsible individuals and organizations;

(2) the extent of community support for the applicant and the health care network. The applicant should demonstrate support from private and public health care providers in the service area, local community and government

leaders, and the regional coordinating board for the area. Evidence of such support may include a commitment of financial support, in-kind services, or cash, for development of the network;

(3) the size and demographic characteristics of the population in the service area for the proposed network and the distance of the service area from the nearest metropolitan area; and

(4) the technical assistance resources available to the applicant from nonstate sources and the financial ability of the applicant to purchase technical assistance services with nonstate funds.

Sec. 42. Minnesota Statutes 1993 Supplement, section 144.335, subdivision 3a, is amended to read:

Subd. 3a. [PATIENT CONSENT TO RELEASE OF RECORDS; LIABILITY.] (a) A provider, or a person who receives health records from a provider, may not release a patient's health records to a person without a signed and dated consent from the patient or the patient's legally authorized representative authorizing the release, unless the release is specifically authorized by law. Except as provided in paragraph (c), a consent is valid for one year or for a lesser period specified in the consent or for a different period provided by law.

(b) This subdivision does not prohibit the release of health records for a medical emergency when the provider is unable to obtain the patient's consent due to the patient's condition or the nature of the medical emergency.

(c) Notwithstanding paragraph (a), if a patient explicitly gives informed consent to the release of health records for the purposes and pursuant to the restrictions in clauses (1) and (2), the consent does not expire after one year for:

(1) the release of health records to a provider who is being advised or consulted with in connection with the current treatment of the patient;

(2) the release of health records to an accident and health insurer, health service plan corporation, health maintenance organization, or third-party administrator for purposes of payment of claims, fraud investigation, or quality of care review and studies, provided that:

(i) the use or release of the records complies with sections 72A.49 to 72A.505;

(ii) further use or release of the records in individually identifiable form to a person other than the patient without the patient's consent is prohibited; and

(iii) the recipient establishes adequate safeguards to protect the records from unauthorized disclosure, including a procedure for removal or destruction of information that identifies the patient.

(d) Until June 1, 1994 1996, paragraph (a) does not prohibit the release of health records to qualified personnel solely for purposes of medical or scientific research, if the patient has not objected to a release for research purposes and the provider who releases the records makes a reasonable effort to determine that:

(i) the use or disclosure does not violate any limitations under which the record was collected;

(ii) the use or disclosure in individually identifiable form is necessary to accomplish the research or statistical purpose for which the use or disclosure is to be made;

(iii) the recipient has established and maintains adequate safeguards to protect the records from unauthorized disclosure, including a procedure for removal or destruction of information that identifies the patient; and

(iv) further use or release of the records in individually identifiable form to a person other than the patient without the patient's consent is prohibited.

(e) A person who negligently or intentionally releases a health record in violation of this subdivision, or who forges a signature on a consent form, or who obtains under false pretenses the consent form or health records of another person, or who, without the person's consent, alters a consent form, is liable to the patient for compensatory damages caused by an unauthorized release, plus costs and reasonable attorney's fees.

(f) Upon the written request of a spouse, parent, child, or sibling of a patient being evaluated for or diagnosed with mental illness, a provider shall inquire of a patient whether the patient wishes to authorize a specific individual to receive information regarding the patient's current and proposed course of treatment. If the patient so authorizes, the provider shall communicate to the designated individual the patient's current and proposed course of treatment. Paragraph (a) applies to consents given under this paragraph.

Sec. 43. Minnesota Statutes 1992, section 144.335, is amended by adding a subdivision to read:

Subd. 5a. [NOTICE OF RIGHTS; INFORMATION ON RELEASE.] A provider shall provide to patients, in a clear and conspicuous manner, a written notice concerning practices and rights with respect to access to health records. The notice must include an explanation of:

(1) disclosures of health records that may be made without the written consent of the patient, including the type of records and to whom the records may be disclosed; and

(2) the right of the patient to have access to and obtain copies of the patient's health records and other information about the patient that is maintained by the provider.

The notice requirements of this paragraph are satisfied if the notice is included with the notice and copy of the patient and resident bill of rights under section 144.652 or if it is displayed prominently in the provider's place of business. The commissioner of health shall develop the notice required in this subdivision and publish it in the State Register.

Sec. 44. Minnesota Statutes 1992, section 144.581, subdivision 2, is amended to read:

Subd. 2. [USE OF HOSPITAL FUNDS FOR CORPORATE PROJECTS.] In the event that the municipality, political subdivision, state agency, or other governmental entity provides direct financial subsidy to the hospital from tax revenue at the time an undertaking authorized under subdivision 1, *clauses (a) to (g)*, is established or funded, the hospital may not contribute funds to the undertaking for more than three years and thereafter all funds must be repaid, with interest in no more than ten years.

Sec. 45. Minnesota Statutes 1993 Supplement, section 144.802, subdivision 3b, is amended to read:

Subd. 3b. [SUMMARY APPROVAL OF PRIMARY SERVICE AREAS.] Except for submission of a written application to the commissioner on a form provided by the commissioner, an application to provide changes in a primary service area shall be exempt from subdivisions 3, paragraphs (d) to (g); and 4, if:

(2) the application requests redefinition of contiguous or overlapping primary service areas;

(3) the application shows approval from ~~all the~~ ambulance licensees whose primary service area is ~~either contiguous, overlapping, or both, with those of the current and proposed primary service area of the applicant, areas are~~ directly affected by a change in the applicant's primary service area;

(5) the application shows consideration of the factors listed in subdivision 3, paragraph (g).

Sec. 46. Minnesota Statutes 1993 Supplement, section 144A.071, subdivision 4a, as amended by 1994 H.F. No. 3210, article 3, section 4, if enacted, is amended to read:

Subd. 4a. [EXCEPTIONS FOR REPLACEMENT BEDS.] It is in the best interest of the state to ensure that nursing homes and boarding care homes continue to meet the physical plant licensing and certification requirements by permitting certain construction projects. Facilities should be maintained in condition to satisfy the physical and emotional needs of residents while allowing the state to maintain control over nursing home expenditure growth.

The commissioner of health in coordination with the commissioner of human services, may approve the renovation, replacement, upgrading, or relocation of a nursing home or boarding care home, under the following conditions:

(a) to license or certify beds in a new facility constructed to replace a facility or to make repairs in an existing facility that was destroyed or damaged after June 30, 1987, by fire, lightning, or other hazard provided:

(i) destruction was not caused by the intentional act of or at the direction of a controlling person of the facility;

(ii) at the time the facility was destroyed or damaged the controlling persons of the facility maintained insurance coverage for the type of hazard that occurred in an amount that a reasonable person would conclude was adequate;

(iii) the net proceeds from an insurance settlement for the damages caused by the hazard are applied to the cost of the new facility or repairs;

(iv) the new facility is constructed on the same site as the destroyed facility or on another site subject to the restrictions in section 144A.073, subdivision 5;

(v) the number of licensed and certified beds in the new facility does not exceed the number of licensed and certified beds in the destroyed facility; and

(vi) the commissioner determines that the replacement beds are needed to prevent an inadequate supply of beds.

Project construction costs incurred for repairs authorized under this clause shall not be considered in the dollar threshold amount defined in subdivision 2;

(b) to license or certify beds that are moved from one location to another within a nursing home facility, provided the total costs of remodeling performed in conjunction with the relocation of beds does not exceed 25 percent of the appraised value of the facility or \$500,000, whichever is less;

(c) to license or certify beds in a project recommended for approval under section 144A.073;

(d) to license or certify beds that are moved from an existing state nursing home to a different state facility, provided there is no net increase in the number of state nursing home beds;

(e) to certify and license as nursing home beds boarding care beds in a certified boarding care facility if the beds meet the standards for nursing home licensure, or in a facility that was granted an exception to the moratorium under section 144A.073, and if the cost of any remodeling of the facility does not exceed 25 percent of the appraised value of the facility or \$500,000, whichever is less. If boarding care beds are licensed as nursing home beds, the number of boarding care beds in the facility must not increase beyond the number remaining at the time of the upgrade in licensure. The provisions contained in section 144A.073 regarding the upgrading of the facilities do not apply to facilities that satisfy these requirements;

(f) to license and certify up to 40 beds transferred from an existing facility owned and operated by the Amherst H. Wilder Foundation in the city of St. Paul to a new unit at the same location as the existing facility that will serve persons with Alzheimer's disease and other related disorders. The transfer of beds may occur gradually or in stages, provided the total number of beds transferred does not exceed 40. At the time of licensure and certification of a bed or beds in the new unit, the commissioner of health shall delicense and decertify the same number of beds in the existing facility. As a condition of receiving a license or certification under this clause, the facility must make a written commitment to the commissioner of human services that it will not seek to receive an increase in its property-related payment rate as a result of the transfers allowed under this paragraph;

(g) to license and certify nursing home beds to replace currently licensed and certified boarding care beds which may be located either in a remodeled or renovated boarding care or nursing home facility or in a remodeled, renovated, newly constructed, or replacement nursing home facility within the identifiable complex of health care facilities in which the currently licensed

boarding care beds are presently located, provided that the number of boarding care beds in the facility or complex are decreased by the number to be licensed as nursing home beds and further provided that, if the total costs of new construction, replacement, remodeling, or renovation exceed ten percent of the appraised value of the facility or \$200,000, whichever is less, the facility makes a written commitment to the commissioner of human services that it will not seek to receive an increase in its property-related payment rate by reason of the new construction, replacement, remodeling, or renovation. The provisions contained in section 144A.073 regarding the upgrading of facilities do not apply to facilities that satisfy these requirements;

(h) to license as a nursing home and certify as a nursing facility a facility that is licensed as a boarding care facility but not certified under the medical assistance program, but only if the commissioner of human services certifies to the commissioner of health that licensing the facility as a nursing home and certifying the facility as a nursing facility will result in a net annual savings to the state general fund of \$200,000 or more;

(i) to certify, after September 30, 1992, and prior to July 1, 1993, existing nursing home beds in a facility that was licensed and in operation prior to January 1, 1992;

(j) to license and certify new nursing home beds to replace beds in a facility condemned as part of an economic redevelopment plan in a city of the first class, provided the new facility is located within one mile of the site of the old facility. Operating and property costs for the new facility must be determined and allowed under existing reimbursement rules;

(k) to license and certify up to 20 new nursing home beds in a community-operated hospital and attached convalescent and nursing care facility with 40 beds on April 21, 1991, that suspended operation of the hospital in April 1986. The commissioner of human services shall provide the facility with the same per diem property-related payment rate for each additional licensed and certified bed as it will receive for its existing 40 beds;

(l) to license or certify beds in renovation, replacement, or upgrading projects as defined in section 144A.073, subdivision 1, so long as the cumulative total costs of the facility's remodeling projects do not exceed 25 percent of the appraised value of the facility or \$500,000, whichever is less;

(m) to license and certify beds that are moved from one location to another for the purposes of converting up to five four-bed wards to single or double occupancy rooms in a nursing home that, as of January 1, 1993, was county-owned and had a licensed capacity of 115 beds;

(n) to allow a facility that on April 16, 1993, was a 106-bed licensed and certified nursing facility located in Minneapolis to layaway all of its licensed and certified nursing home beds. These beds may be relicensed and recertified in a newly-constructed teaching nursing home facility affiliated with a teaching hospital upon approval by the legislature. The proposal must be developed in consultation with the interagency committee on long-term care planning. The beds on layaway status shall have the same status as voluntarily delicensed and decertified beds, except that beds on layaway status remain subject to the surcharge in section 256.9657. This layaway provision expires July 1, 1995;

(o) to allow a project which will be completed in conjunction with an approved moratorium exception project for a nursing home in southern Cass county and which is directly related to that portion of the facility that must be repaired, renovated, or replaced, to correct an emergency plumbing problem for which a state correction order has been issued and which must be corrected by August 31, 1993; or

(p) to allow a facility that on April 16, 1993, was a 368-bed licensed and certified nursing facility located in Minneapolis to layaway, upon 30 days prior written notice to the commissioner, up to 30 of the facility's licensed and certified beds by converting three-bed wards to single or double occupancy. Beds on layaway status shall have the same status as voluntarily delicensed and decertified beds except that beds on layaway status remain subject to the surcharge in section 256.9657, remain subject to the license application and renewal fees under section 144A.07 and shall be subject to a \$100 per bed reactivation fee. In addition, at any time within three years of the effective date of the layaway, the beds on layaway status may be:

(1) relicensed and recertified upon relocation and reactivation of some or all of the beds to an existing licensed and certified facility or facilities located in Pine River, Brainerd, or International Falls; provided that the total project construction costs related to the relocation of beds from layaway status for any facility receiving relocated beds may not exceed the dollar threshold provided in subdivision 2 unless the construction project has been approved through the moratorium exception process under section 144A.073;:

(2) relicensed and recertified, upon reactivation of some or all of the beds within the facility which placed the beds in layaway status, if the commissioner has determined a need for the reactivation of the beds on layaway status.

The property-related payment rate of a facility placing beds on layaway status must be adjusted by the incremental change in its rental per diem after recalculating the rental per diem as provided in section 256B.431, subdivision 3a, paragraph (d). The property-related payment rate for a facility relicensing and recertifying beds from layaway status must be adjusted by the incremental change in its rental per diem after recalculating its rental per diem using the number of beds after the relicensing to establish the facility's capacity day divisor, which shall be effective the first day of the month following the month in which the relicensing and recertification became effective. Any beds remaining on layaway status more than three years after the date the layaway status became effective must be removed from layaway status and immediately delicensed and decertified;

(q) to license and certify up to 24 nursing home beds in a facility located in St. Louis county which, as of January 1, 1993, has a licensed capacity of 26 hospital beds and 24 nursing home beds under the following conditions:

(1) no more than 12 nursing home beds can be licensed and certified during fiscal year 1995; and

(2) the additional 12 nursing home beds can be licensed and certified during fiscal year 1996 only if the 1994 occupancy rate for nursing homes within a 25-mile radius of the facility exceeds 96 percent.

This facility shall not be required to comply with the new construction standards contained in the nursing home licensure rules for resident bedrooms;

(r) to license and certify up to 117 beds that are relocated from a licensed and certified 138-bed nursing facility located in St. Paul to a hospital with 130 licensed hospital beds located in South St. Paul, provided that the nursing facility and hospital are owned and operated by the same organization and that prior to the date the relocation is completed the hospital ceases operation of its inpatient hospital services at that hospital.

The total project construction cost estimate for the project must not exceed the cost estimate submitted for the replacement of the nursing facility in connection with the moratorium exception process initiated under section 144A.073 in 1993.

At the time of licensure and certification of the 117 nursing facility beds in the new location, the facility may layaway the remaining 21 nursing facility beds, which shall have the same status as voluntarily delicensed and decertified beds except that beds on layaway status remain subject to the surcharge in section 256.9657. The 21 nursing facility beds on layaway status may be relicensed and recertified within the identifiable complex of health care facilities in which the beds are currently located upon recommendation by the commissioner of human services;

(s) to license and certify a newly constructed 118-bed facility in Crow Wing county when the following conditions are met:

(1) the owner of the new facility delicenss an existing 68-bed facility located in the same county;

(2) the owner of the new facility delicenss 60 beds in three-bed rooms in other owned facilities located in the seven-county metropolitan area; and

(3) the project results in a ten-bed reduction in the number of licensed beds operated statewide by the owner of the new facility.

All beds in the newly constructed facility shall be licensed as nursing home beds regardless of the licensure of beds at the closed facility;

(t) to license and certify beds in a renovation and remodeling project to convert 13 three-bed wards into 13 two-bed rooms and 13 single-bed rooms, expand space, and add improvements in a nursing home that, as of January 1, 1994, met the following conditions: the nursing home was located in Ramsey county; was not owned by a hospital corporation; had a licensed capacity of 64 beds; and had been ranked among the top 15 applicants by the 1993 moratorium exceptions advisory review panel. The total project construction cost estimate for this project must not exceed the cost estimate submitted in connection with the 1993 moratorium exception process; or

(u) to license and certify beds in a renovation and remodeling project to convert 12 four-bed wards into 24 two-bed rooms, expand space, and add improvements in a nursing home that, as of January 1, 1994, met the following conditions: the nursing home was located in Ramsey county; had a licensed capacity of 154 beds; and had been ranked among the top 15 applicants by the 1993 moratorium exceptions advisory review panel. The total project construction cost estimate for this project must not exceed the cost estimate submitted in connection with the 1993 moratorium exception process.

The property related payment rate of a facility placing beds on layaway status must be adjusted by the incremental change in its rental per diem after recalculating the rental per diem as provided in section 256B.431, subdivision

3a, paragraph (d). The property-related payment rate for a facility relicensing and recertifying beds from layaway status must be adjusted by the incremental change in its rental per diem after recalculating its rental per diem using the number of beds after the relicensing to establish the facility's capacity day divisor, which shall be effective the first day of the month following the month in which the relicensing and recertification became effective. Any beds remaining on layaway status more than three years after the date the layaway status became effective must be removed from layaway status and immediately delicensed and decertified.

The inpatient hospital benefit for adult enrollees is subject to an annual benefit limit of \$10,000. The commissioner shall provide enrollees with at least 60 days' notice of coverage for inpatient hospital services and any premium increase associated with the inclusion of this benefit.

(b) Enrollees determined by the commissioner to have a basis of eligibility for medical assistance shall apply for and cooperate with the requirements of medical assistance by the last day of the third month following admission to an inpatient hospital. If an enrollee fails to apply for medical assistance within this time period, the enrollee and the enrollee's family shall be disenrolled from the plan within one calendar month. Sec. 52. Minnesota Statutes 1993 Supplement, section 256.9354, subdivision 1, is amended to read:

Subdivision 1. [CHILDREN; EXPANSION AND CONTINUATION OF ELIGIBILITY.] (a) [CHILDREN.] "Eligible persons" means children who are one year of age or older but less than 18 years of age who have gross family incomes that are equal to or less than 150 percent of the federal poverty guidelines and who are not eligible for medical assistance *without a spenddown* under chapter 256B and who are not otherwise insured for the covered services. The period of eligibility extends from the first day of the month in which the child's first birthday occurs to the last day of the month in which the child becomes 18 years old.

(b) [EXPANSION OF ELIGIBILITY.] Eligibility for MinnesotaCare shall be expanded as provided in subdivisions 2 to 5, except children who meet the criteria in this subdivision shall continue to be enrolled pursuant to this subdivision. The enrollment requirements in this paragraph apply to enrollment under subdivisions 1 to 5. Parents who enroll in the MinnesotaCare plan must also enroll their children and dependent siblings, if the children and their dependent siblings are eligible. Children and dependent siblings may be enrolled separately without enrollment by parents. However, if one parent in the household enrolls, both parents must enroll, unless other insurance is available. If one child from a family is enrolled, all children must be enrolled, unless other insurance is available. If one spouse in a household enrolls, the other spouse in the household must also enroll, unless other insurance is available. Families cannot choose to enroll only certain uninsured members. For purposes of this section, a "dependent sibling" means an unmarried child who is a full-time student under the age of 25 years who is financially dependent upon a parent. Proof of school enrollment will be required.

(c) [CONTINUATION OF ELIGIBILITY.] Individuals who initially enroll in the MinnesotaCare plan under the eligibility criteria in subdivisions 2 to 5 remain eligible for the MinnesotaCare plan, regardless of age, place of residence, or the presence or absence of children in the same household, as long as all other eligibility criteria are met and residence in Minnesota and continuous enrollment in the MinnesotaCare plan or medical assistance are maintained. In order for either parent or either spouse in a household to remain enrolled, both must remain enrolled, unless other insurance is available.

Sec. 53. Minnesota Statutes 1993 Supplement, section 256.9354, subdivision 4, is amended to read:

Children who meet the criteria in subdivision 1 shall continue to be enrolled pursuant to subdivision 1. Persons who are eligible under this subdivision or subdivision 2, 3, or 5 must pay a premium as determined under sections 256.9357 and 256.9358, and children eligible under subdivision 1 must pay the premium required under section 256.9356, subdivision 1. Individuals and families whose income is greater than the limits established under section 256.9358 may not enroll in MinnesotaCare.

Sec. 54. Minnesota Statutes 1993 Supplement, section 256.9354, subdivision 6, is amended to read:

Subd. 6. [APPLICANTS POTENTIALLY ELIGIBLE FOR MEDICAL ASSISTANCE.] Individuals who apply for MinnesotaCare, but who are potentially eligible for medical assistance *without a spenddown* shall be allowed to enroll in MinnesotaCare for a period of 60 days, so long as the applicant meets all other conditions of eligibility. The commissioner shall identify and refer such individuals to their county social service agency. The enrollee must cooperate with the county social service agency in determining medical assistance eligibility within the 60-day enrollment period. Enrollees who do not apply for and cooperate with medical assistance within the 60-day enrollment period, and their other family members, shall be disenrolled from the plan within one calendar month. Persons disenrolled for nonapplication for medical assistance may not reenroll until they have obtained a medical assistance eligibility determination for the family member or members who were referred to the county agency. Persons disenrolled for noncooperation with medical assistance may not reenroll until they have cooperated with the county agency and have obtained a medical assistance eligibility determination. The commissioner shall redetermine provider payments made under MinnesotaCare to the appropriate medical assistance payments for those enrollees who subsequently become eligible for medical assistance.

Sec. 55. Minnesota Statutes 1993 Supplement, section 256.9354, is amended by adding a subdivision to read:

Subd. 7. [GENERAL ASSISTANCE MEDICAL CARE.] A person cannot have coverage under both MinnesotaCare and general assistance medical care in the same month, except that a MinnesotaCare enrollee may be eligible for retroactive general assistance medical care according to section 256D.03, subdivision 3, paragraph (b).

Sec. 56. Minnesota Statutes 1993 Supplement, section 256.9357, subdivision 2, is amended to read:

Subd. 2. [MUST NOT HAVE ACCESS TO EMPLOYER-SUBSIDIZED COVERAGE.] (a) To be eligible for subsidized premium payments based on a sliding scale, a family or individual must not have access to subsidized health coverage through an employer, and must not have had access to subsidized health coverage through an employer for the 18 months prior to application for subsidized coverage under the MinnesotaCare plan. The requirement that the family or individual must not have had access to employer-subsidized coverage during the previous 18 months does not apply if employer-subsidized coverage was lost for reasons that would not disqualify

the individual for unemployment benefits under section 268.09 and the family or individual has not had access to employer-subsidized coverage since the layoff. *If employer-subsidized coverage was lost for reasons that disqualify an individual for unemployment benefits under section 268.09, children of that individual are exempt from the requirement of no access to employer subsidized coverage for the 18 months prior to application, as long as the children have not had access to employer subsidized coverage since the disqualifying event.*

(b) For purposes of this requirement, subsidized health coverage means health coverage for which the employer pays at least 50 percent of the cost of coverage for the employee, excluding dependent coverage, or a higher percentage as specified by the commissioner. Children are eligible for employer-subsidized coverage through either parent, including the noncustodial parent. The commissioner must treat employer contributions to Internal Revenue Code Section 125 plans as qualified employer subsidies toward the cost of health coverage for employees for purposes of this subdivision.

Sec. 57. Minnesota Statutes 1993 Supplement, section 256.9362, subdivision 6, is amended to read:

Subd. 6. [ENROLLEES 18 OR OLDER.] Payment by the MinnesotaCare program for inpatient hospital services provided to MinnesotaCare enrollees who are 18 years old or older on the date of admission to the inpatient hospital must be in accordance with paragraphs (a) and (b).

(a) If the medical assistance rate minus any copayment required under section 256.9353, subdivision 6, is less than or equal to the amount remaining in the enrollee's benefit limit under section 256.9353, subdivision 3, payment must be the medical assistance rate minus any copayment required under section 256.9353, subdivision 6. The hospital must not seek payment from the enrollee in addition to the copayment. The MinnesotaCare payment plus the copayment must be treated as payment in full.

(b) If the medical assistance rate minus any copayment required under section 256.9353, subdivision 6, is greater than the amount remaining in the enrollee's benefit limit under section 256.9353, subdivision 3, payment must be the lesser of:

- (1) the amount remaining in the enrollee's benefit limit; or
- (2) charges submitted for the inpatient hospital services less any copayment established under section 256.9353, subdivision 6.

The hospital may seek payment from the enrollee for the amount by which usual and customary charges exceed the payment under this paragraph. *If payment is reduced under section 256.9353, subdivision 3, paragraph (c), the hospital may not seek payment from the enrollee for the amount of the reduction.*

Sec. 58. Minnesota Statutes 1993 Supplement, section 256.9363, subdivision 6, is amended to read:

Subd. 6. [COPAYMENTS AND BENEFIT LIMITS.] Enrollees are responsible for all copayments in section 256.9353, subdivision 6, and shall pay copayments to the managed care plan or to its participating providers. The enrollee is also responsible for payment of inpatient hospital charges which

exceed the MinnesotaCare benefit limit to the managed care plan or its participating providers.

Sec. 59. Minnesota Statutes 1993 Supplement, section 256.9363, subdivision 7, is amended to read:

Subd. 7. [MANAGED CARE PLAN VENDOR REQUIREMENTS.] The following requirements apply to all counties or vendors who contract with the department of human services to serve MinnesotaCare recipients. Managed care plan contractors:

(1) shall authorize and arrange for the provision of the full range of services listed in section 256.9353 in order to ensure appropriate health care is delivered to enrollees;

(2) shall accept the prospective, per capita payment or other contractually defined payment from the commissioner in return for the provision and coordination of covered health care services for eligible individuals enrolled in the program;

(3) may contract with other health care and social service practitioners to provide services to enrollees;

(4) shall provide for an enrollee grievance process as required by the commissioner and set forth in the contract with the department;

(5) shall retain all revenue from enrollee copayments;

(6) shall accept all eligible MinnesotaCare enrollees, without regard to health status or previous utilization of health services;

(7) shall demonstrate capacity to accept financial risk according to requirements specified in the contract with the department. A health maintenance organization licensed under chapter 62D, or a nonprofit health plan licensed under chapter 62C, is not required to demonstrate financial risk capacity, beyond that which is required to comply with chapters 62C and 62D; and

(8) shall submit information as required by the commissioner, including data required for assessing enrollee satisfaction, quality of care, cost, and utilization of services; and

~~(9) shall submit to the commissioner claims in the format specified by the commissioner of human services for all hospital services provided to enrollees for the purpose of determining whether enrollees meet medical assistance spend-down requirements and shall provide to the enrollee, upon the enrollee's request, information on the cost of services provided to the enrollee by the managed care plan for the purpose of establishing whether the enrollee has met medical assistance spend-down requirements.~~

Sec. 60. Minnesota Statutes 1993 Supplement, section 256.9363, subdivision 9, is amended to read:

Subd. 9. [RATE SETTING.] Rates will be prospective, per capita, where possible. *The commissioner may allow health plans to arrange for inpatient hospital services on a risk or nonrisk basis.* The commissioner shall consult with an independent actuary to determine appropriate rates.

Sec. 61. Minnesota Statutes 1993 Supplement, section 256.9657, subdivision 3, is amended to read:

Subd. 3. [HEALTH MAINTENANCE ORGANIZATION; INTEGRATED SERVICE NETWORK SURCHARGE.] (a) Effective October 1, 1992, each health maintenance organization with a certificate of authority issued by the commissioner of health under chapter 62D and each integrated service network *and community integrated service network* licensed by the commissioner under ~~sections 62N.01 to 62N.22~~ *chapter 62N* shall pay to the commissioner of human services a surcharge equal to six-tenths of one percent of the total premium revenues of the health maintenance organization, ~~or~~ integrated service network, *or community integrated service network* as reported to the commissioner of health according to the schedule in subdivision 4.

(b) For purposes of this subdivision, total premium revenue means:

(1) premium revenue recognized on a prepaid basis from individuals and groups for provision of a specified range of health services over a defined period of time which is normally one month, excluding premiums paid to a health maintenance organization, *integrated service network, or community integrated service network* from the Federal Employees Health Benefit Program;

(2) premiums from Medicare wrap-around subscribers for health benefits which supplement Medicare coverage;

(3) Medicare revenue, as a result of an arrangement between a health maintenance organization, *an integrated service network, or a community integrated service network* and the health care financing administration of the federal Department of Health and Human Services, for services to a Medicare beneficiary; and

(4) medical assistance revenue, as a result of an arrangement between a health maintenance organization, *integrated service network, or community integrated service network* and a Medicaid state agency, for services to a medical assistance beneficiary.

If advance payments are made under clause (1) or (2) to the health maintenance organization, *integrated service network, or community integrated service network* for more than one reporting period, the portion of the payment that has not yet been earned must be treated as a liability.

Sec. 62. Minnesota Statutes 1993 Supplement, section 256.9695, subdivision 3, as amended by 1994 House File No. 3210, article 3, section 49, if enacted, is amended to read:

Subd. 3. [TRANSITION.] Except as provided in section 256.969, subdivision 8, the commissioner shall establish a transition period for the calculation of payment rates from July 1, 1989, to the implementation date of the upgrade to the Medicaid management information system or July 1, 1992, whichever is earlier.

During the transition period:

(a) Changes resulting from section 256.969, subdivisions 7, 9, 10, 11, and 13, shall not be implemented, except as provided in section 256.969, subdivisions 12 and 20.

(b) The beginning of the 1991 rate year shall be delayed and the rates notification requirement shall not be applicable.

(c) Operating payment rates shall be indexed from the hospital's most recent fiscal year ending prior to January 1, 1991, by prorating the hospital cost index methodology in effect on January 1, 1989. For payments made for admissions occurring on or after June 1, 1990, until the implementation date of the upgrade to the Medicaid management information system the hospital cost index excluding the technology factor shall not exceed five percent. This hospital cost index limitation shall not apply to hospitals that meet the requirements of section 256.969, subdivision 20, paragraphs (a) and (b).

(d) Property and pass-through payment rates shall be maintained at the most recent payment rate effective for June 1, 1990. However, all hospitals are subject to the hospital cost index limitation of subdivision 2c, for two complete fiscal years. Property and pass-through costs shall be retroactively settled through the transition period. The laws in effect on the day before July 1, 1989, apply to the retroactive settlement.

(e) If the upgrade to the Medicaid management information system has not been completed by July 1, 1992, the commissioner shall make adjustments for admissions occurring on or after that date as follows:

(1) provide a ten percent increase to hospitals that meet the requirements of section 256.969, subdivision 20, or, upon written request from the hospital to the commissioner, 50 percent of the rate change that the commissioner estimates will occur after the upgrade to the Medicaid management information system; and

(2) adjust the Minnesota and local trade area rebased payment rates that are established after the upgrade to the Medicaid management information system to compensate for a rebasing effective date of July 1, 1992. The adjustment shall be determined using claim specific payment changes that result from the rebased rates and revised methodology in effect after the systems upgrade. Any adjustment that is greater than zero shall be ratably reduced by 20 percent. In addition, every adjustment shall be reduced for payments under clause (1); and differences in the hospital cost index. Hospitals shall revise claims so that services provided by rehabilitation units of hospitals are reported separately. The adjustment shall be in effect until the amount due to or owed by the hospital is fully paid over a number of admissions that is equal to the number of admissions under adjustment multiplied by 1.5, except that a hospital with a 20 percent or greater negative adjustment that exceeds \$1,000,000 for admissions occurring from July 1, 1992, to December 31, 1992, must use a schedule that is three times the number of admissions under adjustment and the adjustment shall be in effect only over a number of admissions that is equal to the number of admissions under adjustment multiplied by 1.5. The adjustment for admissions occurring from July 1, 1992 to December 31, 1992, shall be based on claims paid as of August 1, 1993, and the adjustment shall begin with the effective date of rules governing rebasing. The adjustment for admissions occurring from January 1, 1993, to the effective date of the rules shall be based on claims paid as of February 1, 1994, and shall begin after the first adjustment period is fully paid. For purposes of appeals under subdivision 1, the adjustment shall be considered payment at the time of admission.

Sec. 63. Minnesota Statutes 1993 Supplement, section 256B.0917, subdivision 2, is amended to read:

Subd. 2. [DESIGN OF SAIL PROJECTS; LOCAL LONG-TERM CARE COORDINATING TEAM.] (a) The commissioner of human services in

conjunction with the interagency long-term care planning committee's long-range strategic plan shall contract with SAIL projects in four to six counties or groups of counties to demonstrate the feasibility and cost-effectiveness of a local long-term care strategy that is consistent with the state's long-term care goals identified in subdivision 1. The commissioner shall publish a notice in the State Register announcing the availability of project funding and giving instructions for making an application. The instructions for the application shall identify the amount of funding available for project components.

(b) To be selected for the project, a county board or boards must establish a long-term care coordinating team consisting of county social service agencies, public health nursing service agencies, local boards of health, *a representative of local nursing home providers, a representative of local home care providers*, and the area agencies on aging in a geographic area which is responsible for:

(1) developing a local long-term care strategy consistent with state goals and objectives;

(2) submitting an application to be selected as a project;

(3) coordinating planning for funds to provide services to elderly persons, including funds received under Title III of the Older Americans Act, Community Social Services Act, Title XX of the Social Security Act and the Local Public Health Act; and

(4) ensuring efficient services provision and nonduplication of funding.

(c) The board or boards shall designate a public agency to serve as the lead agency. The lead agency receives and manages the project funds from the state and is responsible for the implementation of the local strategy. If selected as a project, the local long-term care coordinating team must semiannually evaluate the progress of the local long-term care strategy in meeting state measures of performance and results as established in the contract.

(d) Each member of the local coordinating team must indicate its endorsement of the local strategy. The local long-term care coordinating team may include in its membership other units of government which provide funding for services to the frail elderly. The team must cooperate with consumers and other public and private agencies, including nursing homes, in the geographic area in order to develop and offer a variety of cost-effective services to the elderly and their caregivers.

(e) The board or boards shall apply to be selected as a project. If the project is selected, the commissioner of human services shall contract with the lead agency for the project and shall provide additional administrative funds for implementing the provisions of the contract, within the appropriation available for this purpose.

(f) Projects shall be selected according to the following conditions.

No project may be selected unless it demonstrates that:

(i) the objectives of the local project will help to achieve the state's long-term care goals as defined in subdivision 1;

(ii) in the case of a project submitted jointly by several counties, all of the participating counties are contiguous;

(iii) there is a designated local lead agency that is empowered to make contracts with the state and local vendors on behalf of all participants;

(iv) the project proposal demonstrates that the local cooperating agencies have the ability to perform the project as described and that the implementation of the project has a reasonable chance of achieving its objectives;

(v) the project will serve an area that covers at least four counties or contains at least 2,500 persons who are 85 years of age or older, according to the projections of the state demographer or the census if the data is more recent; and

(vi) the local coordinating team documents efforts of cooperation with consumers and other agencies and organizations, both public and private, in planning for service delivery.

Sec. 64. Minnesota Statutes 1993 Supplement, section 295.50, subdivision 4, is amended to read:

Subd. 4. [HEALTH CARE PROVIDER.] (a) "Health care provider" means:

(1) a person furnishing any or all of the following goods or services directly to a patient or consumer: medical, surgical, optical, visual, dental, hearing, nursing services, drugs, medical supplies, medical appliances, laboratory, diagnostic or therapeutic services, or any goods and services not listed above that qualifies for reimbursement under the medical assistance program provided under chapter 256B;

(2) a staff model health ~~carrier~~ plan company; or

(3) a licensed ambulance service.

(b) Health care provider does not include hospitals, nursing homes licensed under chapter 144A, pharmacies, and surgical centers.

Sec. 65. Minnesota Statutes 1993 Supplement, section 295.50, subdivision 12b, is amended to read:

Subd. 12b. [STAFF MODEL HEALTH CARRIER PLAN COMPANY.] "Staff model health ~~carrier~~ plan company" means a health ~~carrier~~ plan company as defined in section ~~62L.02, subdivision 4~~ 62Q.01, subdivision 4, which employs one or more types of health care provider to deliver health care services to the health ~~carrier's~~ plan company's enrollees.

Sec. 66. [317A.022] [ELECTION BY CERTAIN CHAPTER 318 ASSOCIATIONS.]

Subdivision 1. [GENERAL.] An association described in section 318.02, subdivision 5, may elect to cease to be an association subject to and governed by chapter 318 and to become subject to and governed by this chapter in the same manner and to the extent provided in this chapter as though it were a nonprofit corporation by complying with this section.

Subd. 2. [AMENDED TITLE AND OTHER CONFORMING AMENDMENTS.] The declaration of trust, as defined in section 318.02, subdivision 1, of the association must be amended to identify it as the "articles of an association electing to be treated as a nonprofit corporation." All references in this chapter to "articles" or "articles of incorporation" include the declaration of trust of an electing association. If the declaration of trust

includes a provision prohibited by this chapter for inclusion in articles of incorporation, omits a provision required by this chapter to be included in articles of incorporation, or is inconsistent with this chapter, the electing association shall amend its declaration of trust to conform to the requirements of this chapter. The appropriate provisions of the association's declaration of trust or bylaws or chapter 318 control the manner of adoption of the amendments required by this subdivision.

Subd. 3. [METHOD OF ELECTION.] An election by an association under subdivision 2 must be made by resolution approved by the affirmative vote of the trustees of the association and by the affirmative vote of the members or other persons with voting rights in the association. The affirmative vote of both the trustees of the association and of the members or other persons with voting rights, if any, in the association must be of the same proportion that is required for an amendment of the declaration of trust of the association before the election, in each case upon proper notice that a purpose of the meeting is to consider an election by the association to cease to be an association subject to and governed by chapter 318 and to become and be a nonprofit corporation subject to and governed by this chapter. The resolution and the articles of the amendment of the declaration of trust must be filed with the secretary of state and are effective upon filing, or a later date as may be set forth in the filed resolution. Upon the effective date, without any other action or filing by or on behalf of the association, the association automatically is subject to this chapter in the same manner and to the same extent as though it had been formed as a nonprofit corporation pursuant to this chapter. Upon the effective date of the election, the association is not considered to be a new entity, but is considered to be a continuation of the same entity.

Subd. 4. [EFFECTS OF ELECTION.] Upon the effective date of an association's election under subdivision 3, and consistent with the continuation of the association under this chapter:

(1) the organization has the rights, privileges, immunities, powers, and is subject to the duties and liabilities, of a corporation formed under this chapter;

(2) all real or personal property, debts, including debts arising from a subscription for membership and interests belonging to the association, continue to be the real and personal property, and debts of the organization without further action;

(3) an interest in real estate possessed by the association does not revert to the grantor, or otherwise, nor is it in any way impaired by reason of the election, and the personal property of the association does not revert by reason of the election;

(4) except where the will or other instrument provides otherwise, a devise, bequest, gift, or grant contained in a will or other instrument, in a trust or otherwise, made before or after the election has become effective, to or for the association, inures to the organization;

(5) the debts, liabilities, and obligations of the association continue to be the debts, liabilities, and obligations of the organization, just as if the debts, liabilities, and obligations had been incurred or contracted by the organization after the election;

(6) existing claims or a pending action or proceeding by or against the association may be prosecuted to judgment as though the election had not been affected;

(7) the liabilities of the trustees, members, officers, directors, or similar groups or persons, however denominated, of the association, are not affected by the election;

(8) the rights of creditors or liens upon the property of the association are not impaired by the election;

(9) an electing association may merge with one or more nonprofit corporations in accordance with the applicable provisions of this chapter, and either the association or a nonprofit corporation may be the surviving entity in the merger; and

(10) the provisions of the bylaws of the association that are consistent with this chapter remain or become effective and provisions of the bylaws that are inconsistent with this chapter are not effective.

Sec. 67. Minnesota Statutes 1992, section 318.02, is amended by adding a subdivision to read:

Subd. 5. [ELECTION TO BE GOVERNED BY CHAPTER 317A.] An association may cease to be subject to or governed by this chapter by filing an election in the manner described in section 317A.022, to be subject to and governed by chapter 317A in the same manner and to the same extent provided in chapter 317A as though it were a nonprofit corporation if:

(1) it is not formed for a purpose involving pecuniary gain to its members, other than to members that are nonprofit organizations or subdivisions, units, or agencies of the United States or a state or local government; and

(2) it does not pay dividends or other pecuniary remuneration, directly or indirectly, to its members, other than to members that are nonprofit organizations or subdivisions, units, or agencies of the United States or a state or local government.

Sec. 68. [CHISAGO COUNTY HOSPITAL PROJECT.]

(a) Notwithstanding the provisions of Minnesota Statutes, section 144.551, subdivision 1, paragraph (a), a project to replace a hospital in Chisago county may be commenced if:

(1) the new hospital is located within ten miles of the current site;

(2) the project will result in a net reduction of licensed hospital beds; and

(3) all hospitals within ten miles of the project agree to the general location criteria, or if the hospitals do not agree by July 1, 1994, the commissioner of health approves the project through the process described in paragraph (b). The hospitals may notify the commissioner and request a mutually agreed upon extension of time not to extend beyond August 15, 1994, for submission of this project to the commissioner. The commissioner shall render a decision on the project within 60 days after submission by the parties. The commissioner's decision is the final administrative decision of the agency.

(b) As expressly authorized under paragraph (a), the commissioner shall approve a project if it is determined that replacement of the existing hospital or hospitals will:

- (1) promote high quality care and services;
- (2) provide improved access to care;
- (3) not involve a substantial expansion of inpatient service capacity; and
- (4) benefit the region to be served by the new regional facility.

(c) Prior to making this determination, the commissioner shall solicit and review written comments from hospitals and community service agencies located within ten miles of the new hospital site and from the regional coordinating board.

(d) For the purposes of pursuing the process established under this section, Chisago health services and district memorial hospital may pursue discussions and work cooperatively with each other, and with another organization mutually agreed upon, to plan for a new hospital facility to serve the area presently served by the two hospitals.

Sec. 69. [STUDY OF ANESTHESIA PRACTICES.]

The commissioner of health shall study and report to the legislature by January 15, 1995, on anesthesia services provided in health care facilities of this state by nurse anesthetists and anesthesiologists. The study shall compare different third-party reimbursement practices and contractual and employment arrangements between health care facilities, nurse anesthetists, and anesthesiologists in terms of their effect on:

(1) patient outcomes in this state, including the incidence of mortality/morbidity as related to provider and practice methods in urban and rural settings as disclosed by a literature search of available retrospective or prospective studies;

(2) the cost of the service provided under each arrangement to health care facilities, third-party purchasers, and patients; and

(3) the effects on competition under each arrangement.

The report shall also include the commissioner's findings on the most appropriate methods to provide anesthesia services to ensure cost-effective delivery of quality anesthesia services.

Sec. 70. [HOSPITAL STUDIES.]

The commissioner of human services must review rebased hospital payment rates to determine whether hospitals with exceptionally high cost inpatient admissions are reimbursed at rates that are reasonable and adequate to meet the costs associated with each such high cost admission. The commissioner must report the results of this review, along with recommendations for any appropriate payment rate modifications:

The commissioners of health and human services shall also study the distribution and scope of specialized health care services for children, including the role of all children's hospitals in the context of health care reform. The commissioners shall submit a report, including recommendations, to the legislature and the governor by February 15, 1995.

Sec. 71. [HEALTH CARE ADMINISTRATION.] 1994 House File No. 3210, article 1, section 2, subdivision 3, if enacted, is amended to read:

Subd. 3. Health Care Administration

General

(37,766,000) 17,756,000

[MORATORIUM EXCEPTION PROPOSALS.] Of this appropriation, \$110,000 is appropriated to the commissioner of human services for the fiscal year ending June 30, 1995, to pay the medical assistance costs associated with exceptions to the nursing home moratorium granted under Minnesota Statutes, section 144A.073. Notwithstanding section 144A.073, the interagency long term care planning committee shall issue a request for proposals by June 6, 1994, and the commissioner of health shall make a final decision on project approvals by October 15, 1994.

[MANAGED CARE CARRYOVER.] Unexpended money appropriated for grants to counties for managed care administration in fiscal year 1994 does not cancel but is available in fiscal year 1995 for that purpose.

[HIGH COST INFANT AND YOUNG PEDIATRIC ADMISSIONS.] The appropriation to the aid to families with dependent children program in Laws 1993, First Special Session chapter 1, article 1, section 2, subdivision 5, for the fiscal year ending June 30, 1994, is reduced by \$1,165,000. The appropriation to the medical assistance program is increased by \$1,165,000 for the fiscal year ending June 30, 1995, for the purpose of (1) exceptionally high cost inpatient admissions for infants under the age of one, and for children under the age of six receiving services in a hospital that receives payment under Minnesota Statutes, section 256.969, subdivision 9 or 9a; and (2) hospitals with a 20 percent or greater negative adjustment that exceeds \$1,000,000, as the adjustment is calculated under Minnesota Statutes, section 256.9695, subdivision 3.

[INFLATION ADJUSTMENTS.] The commissioner of finance shall include, as a budget change request in the 1996-1997 biennial detailed expenditure budget submitted to the legislature under Minnesota

Statutes, section 16A.11, annual inflation adjustments in operating costs for: nursing services and home health aide services under Minnesota Statutes, section 256B.0625, subdivision 6a; nursing supervision of personal care services, under Minnesota Statutes, section 256B.0625, subdivision 19a; private duty nursing services under Minnesota Statutes, section 256B.0625, subdivision 7; home and community-based services waiver for persons with mental retardation and related conditions under Minnesota Statutes, section 256B.501; home and community-based services waiver for the elderly under Minnesota Statutes, section 256B.0915; alternative care program under Minnesota Statutes, section 256B.0913; traumatic brain injury waiver under Minnesota Statutes, section 256B.093; adult residential program grants, under rule 12, under Minnesota Rules, parts 9535.2000 to 9535.3000; adult and family community support grants, under rules 14 and 78, under Minnesota Rules, parts 9535.1700 to 9535.1760.

[HOSPITAL TECHNOLOGY FACTOR.]

For admissions occurring on or after April 1, 1994, through June 30, 1995, the hospital cost index shall be increased by 0.51 percent for technology. Notwithstanding the sunset provisions of this article, this increase shall become part of the base for the 1996-1997 biennium. For fiscal year 1995 only, the commissioner shall adjust rates paid to a health maintenance organization under medical assistance contract with the commissioner to reflect the hospital technology factor in this paragraph, and the adjustment must be made on an undiscounted basis.

[ICF/MR RECEIVERSHIP.] If an intermediate care facility for persons with mental retardation or related conditions that is in receivership under Minnesota Statutes, section 245A.12 or 245A.13, is sold to an unrelated organization: (1) the facility shall be considered a newly established facility for rate setting purposes notwithstanding any provisions to the contrary in section 256B.501, subdivision 11; and (2) the facility's historical basis

for the physical plant, land, and land improvements for each facility must not exceed the prior owner's aggregate historical basis for these same assets for each facility. The allocation of the purchase price between land, land improvements, and physical plant shall be based on the real estate appraisal using the depreciated replacement cost method.

[NEW ICF/MR.] A newly constructed or newly established intermediate care facility for persons with mental retardation or related conditions that is developed and financed during the fiscal year ending June 30, 1995, shall not be subject to the equity requirements in Minnesota Statutes, section 256B.501, subdivision 11, paragraph (d), or Minnesota Rules, part 9553.0060, subpart 3, item F, provided that the provider's interest rate does not exceed the interest rate available through state agency tax-exempt financing.

Sec. 72. [REVISOR INSTRUCTION.]

The revisor of statutes shall change the term "health right" to "MinnesotaCare," "health right plan" to "MinnesotaCare program," and "MinnesotaCare plan" to "MinnesotaCare program," wherever these terms are used in Minnesota Statutes or Minnesota Rules.

Sec. 73. [CONTINGENT REPEALER FOR MINNESOTACARE.]

Notwithstanding section 645.34, the article 13, section 2, amendment to section 256.9354, subdivision 5, and the article 13, section 5, amendment to section 256.9358, subdivision 4, are repealed July 1, 1994, and the provisions are revived as they were before the amendments, if the 1994 Legislature passes and the governor signs into law a provision that establishes and provides money for a health care access reserve account to ensure adequate funding for the MinnesotaCare program through fiscal year 1996.

Sec. 74. [REPEALER.]

Minnesota Statutes 1992, section 256.362, subdivision 5; Minnesota Statutes 1993 Supplement, sections 62J.04, subdivision 8; 62N.07; 62N.075; 62N.08; 62N.085; and 62N.16, are repealed.

ADMINISTRATIVE SIMPLIFICATION

Section 1. [62J.50] [CITATION AND PURPOSE.]

Subdivision 1. [CITATION.] Sections 62J.50 to 62J.61 may be cited as the Minnesota health care administrative simplification act of 1994.

Subd. 2. The legislature finds that initial steps have been taken at the national level by the federal health care financing administration in its implementation of nationally accepted electronic transaction sets for its medicare program. The legislature further recognizes the work done by the workgroup for electronic data interchange and the American national standards institute and its accredited standards committee X12, at the national level, and the Minnesota administrative uniformity committee, a statewide, voluntary, public-private group representing payers, hospitals, state programs, physicians, and other health care providers in their work toward administrative simplification in the health care industry.

Sec. 4. Minnesota Statutes 1992, section 62A.303, is amended to read:

62A.303 [PROHIBITION; SEVERING OF GROUPS.]

Section 62L.12, subdivisions 1, 2, 3, and 4, apply to all employer group health plans, as defined in section 62A.011, regardless of the size of the group.

Sec. 5. [62A.305] [USE OF GENDER PROHIBITED.]

Subdivision 1. [APPLICABILITY.] This section applies to all health plans as defined in section 62A.011 offered, sold, issued, or renewed, by a health carrier on or after January 1, 1995.

Subd. 2. [PROHIBITION ON USE OF GENDER.] No health plan described in subdivision 1 shall determine the premium rate or any other underwriting decision, including initial issuance, through a method that is in any way based upon the gender of any person covered or to be covered under the health plan. This subdivision prohibits use of marital status or generalized differences in expected costs between employees and spouses or between principal insureds and their spouses.

Sec. 6. Minnesota Statutes 1993 Supplement, section 62A.31, subdivision 1h, is amended to read:

Subd. 1h. [LIMITATIONS ON DENIALS, CONDITIONS, AND PRICING OF COVERAGE.] No issuer of Medicare supplement policies, including policies that supplement Medicare issued by health maintenance organizations or those policies governed by section 1833 or 1876 of the federal Social Security Act, United States Code, title 42, section 1395, et seq., in this state may impose preexisting condition limitations or otherwise deny or condition the issuance or effectiveness of any Medicare supplement insurance policy form available for sale in this state, nor may it discriminate in the pricing of such a policy, because of the health status, claims experience, receipt of health care, or medical condition of an applicant where an application for such insurance is submitted during the six-month period beginning with the first month in which an individual first enrolled for benefits under Medicare Part B. This paragraph applies regardless of whether the individual has attained the age of 65 years. *If an individual who is enrolled in Medicare Part B due to disability status is involuntarily disenrolled due to loss of disability status, the individual is eligible for the six-month enrollment period provided under this*

subdivision if the individual later becomes eligible for and enrolls again in Medicare Part B.

Sec. 7. Minnesota Statutes 1993 Supplement, section 62A.36, subdivision 1, is amended to read:

Subdivision 1. [LOSS RATIO STANDARDS.] (a) *For purposes of this section, "Medicare supplement policy or certificate" has the meaning given in section 62A.31, subdivision 3, but also includes a policy, contract, or certificate issued under a contract under section 1833 or 1876 of the federal Social Security Act, United States Code, title 42, section 1395 et seq. A Medicare supplement policy form or certificate form shall not be delivered or issued for delivery unless the policy form or certificate form can be expected, as estimated for the entire period for which rates are computed to provide coverage, to return to policyholders and certificate holders in the form of aggregate benefits, not including anticipated refunds or credits, provided under the policy form or certificate form:*

(1) at least 75 percent of the aggregate amount of premiums earned in the case of group policies, and

(2) at least 65 percent of the aggregate amount of premiums earned in the case of individual policies, calculated on the basis of incurred claims experience or incurred health care expenses where coverage is provided by a health maintenance organization on a service rather than reimbursement basis and earned premiums for the period and according to accepted actuarial principles and practices. An insurer shall demonstrate that the third year loss ratio is greater than or equal to the applicable percentage.

All filings of rates and rating schedules shall demonstrate that expected claims in relation to premiums comply with the requirements of this section when combined with actual experience to date. Filings of rate revisions shall also demonstrate that the anticipated loss ratio over the entire future period for which the revised rates are computed to provide coverage can be expected to meet the appropriate loss ratio standards, and aggregate loss ratio from inception of the policy or certificate shall equal or exceed the appropriate loss ratio standards.

An application form for a Medicare supplement policy or certificate, as defined in this section, must prominently disclose the anticipated loss ratio and explain what it means.

(b) An issuer shall collect and file with the commissioner by May 31 of each year the data contained in the National Association of Insurance Commissioners Medicare Supplement Refund Calculating form, for each type of Medicare supplement benefit plan.

If, on the basis of the experience as reported, the benchmark ratio since inception (ratio 1) exceeds the adjusted experience ratio since inception (ratio 3), then a refund or credit calculation is required. The refund calculation must be done on a statewide basis for each type in a standard Medicare supplement benefit plan. For purposes of the refund or credit calculation, experience on policies issued within the reporting year shall be excluded.

A refund or credit shall be made only when the benchmark loss ratio exceeds the adjusted experience loss ratio and the amount to be refunded or credited exceeds a de minimis level. The refund shall include interest from the end of the calendar year to the date of the refund or credit at a rate specified

by the secretary of health and human services, but in no event shall it be less than the average rate of interest for 13-week treasury bills. A refund or credit against premiums due shall be made by September 30 following the experience year on which the refund or credit is based.

(c) An issuer of Medicare supplement policies and certificates in this state shall file annually its rates, rating schedule, and supporting documentation including ratios of incurred losses to earned premiums by policy or certificate duration for approval by the commissioner according to the filing requirements and procedures prescribed by the commissioner. The supporting documentation shall also demonstrate in accordance with actuarial standards of practice using reasonable assumptions that the appropriate loss ratio standards can be expected to be met over the entire period for which rates are computed. The demonstration shall exclude active life reserves. An expected third-year loss ratio which is greater than or equal to the applicable percentage shall be demonstrated for policies or certificates in force less than three years.

As soon as practicable, but before the effective date of enhancements in Medicare benefits, every issuer of Medicare supplement policies or certificates in this state shall file with the commissioner, in accordance with the applicable filing procedures of this state:

(1) a premium adjustment that is necessary to produce an expected loss ratio under the policy or certificate that will conform with minimum loss ratio standards for Medicare supplement policies or certificates. No premium adjustment that would modify the loss ratio experience under the policy or certificate other than the adjustments described herein shall be made with respect to a policy or certificate at any time other than on its renewal date or anniversary date;

(2) if an issuer fails to make premium adjustments acceptable to the commissioner, the commissioner may order premium adjustments, refunds, or premium credits considered necessary to achieve the loss ratio required by this section;

(3) any appropriate riders, endorsements, or policy or certificate forms needed to accomplish the Medicare supplement insurance policy or certificate modifications necessary to eliminate benefit duplications with Medicare. The riders, endorsements, or policy or certificate forms shall provide a clear description of the Medicare supplement benefits provided by the policy or certificate.

(d) The commissioner may conduct a public hearing to gather information concerning a request by an issuer for an increase in a rate for a policy form or certificate form if the experience of the form for the previous reporting period is not in compliance with the applicable loss ratio standard. The determination of compliance is made without consideration of a refund or credit for the reporting period. Public notice of the hearing shall be furnished in a manner considered appropriate by the commissioner.

(e) An issuer shall not use or change premium rates for a Medicare supplement policy or certificate unless the rates, rating schedule, and supporting documentation have been filed with, and approved by, the commissioner according to the filing requirements and procedures prescribed by the commissioner.

Sec. 8. Minnesota Statutes 1993 Supplement, section 62A.65, subdivision 2, is amended to read:

Subd. 2. [GUARANTEED RENEWAL.] No individual health plan may be offered, sold, issued, or renewed to a Minnesota resident unless the health plan provides that the plan is guaranteed renewable at a premium rate that does not take into account the claims experience or any change in the health status of any covered person that occurred after the initial issuance of the health plan to the person. The premium rate upon renewal must also otherwise comply with this section. ~~A health carrier must not refuse to renew an individual health plan may be subject to refusal to renew only under the conditions provided in chapter 62L for health benefit plans prior to enrollment in Medicare Parts A and B, except for nonpayment of premiums, fraud, or misrepresentation.~~

Sec. 9. Minnesota Statutes 1993 Supplement, section 62A.65, subdivision 3, is amended to read:

Subd. 3. [PREMIUM RATE RESTRICTIONS.] No individual health plan may be offered, sold, issued, or renewed to a Minnesota resident unless the premium rate charged is determined in accordance with the ~~rating and premium restrictions provided under chapter 62L, except that the minimum loss ratio applicable to an individual health plan is as provided in section 62A.021. All rating and premium restrictions of chapter 62L apply to the individual market, unless clearly inapplicable to the individual market.~~ following requirements:

(a) *Premium rates must be no more than 25 percent above and no more than 25 percent below the index rate charged to individuals for the same or similar coverage, adjusted pro rata for rating periods of less than one year. The premium variations permitted by this paragraph must be based only upon health status, claims experience, and occupation. For purposes of this paragraph, health status includes refraining from tobacco use or other actuarially valid lifestyle factors associated with good health, provided that the lifestyle factor and its effect upon premium rates have been determined by the commissioner to be actuarially valid and have been approved by the commissioner. Variations permitted under this paragraph must not be based upon age or applied differently at different ages. This paragraph does not prohibit use of a constant percentage adjustment for factors permitted to be used under this paragraph.*

(b) *Premium rates may vary based upon the ages of covered persons only as provided in this paragraph. In addition to the variation permitted under paragraph (a), each health carrier may use an additional premium variation based upon age of up to plus or minus 50 percent of the index rate.*

(c) *A health carrier may request approval by the commissioner to establish no more than three geographic regions and to establish separate index rates for each region, provided that the index rates do not vary between any two regions by more than 20 percent. Health carriers that do not do business in the Minneapolis/St. Paul metropolitan area may request approval for no more than two geographic regions, and clauses (2) and (3) do not apply to approval of requests made by those health carriers. The commissioner may grant approval if the following conditions are met:*

(1) *the geographic regions must be applied uniformly by the health carrier;*

(2) one geographic region must be based on the Minneapolis/St. Paul metropolitan area;

(3) for each geographic region that is rural, the index rate for that region must not exceed the index rate for the Minneapolis/St. Paul metropolitan area; and

(4) the health carrier provides actuarial justification acceptable to the commissioner for the proposed geographic variations in index rates, establishing that the variations are based upon differences in the cost to the health carrier of providing coverage.

(d) Health carriers may use rate cells and must file with the commissioner the rate cells they use. Rate cells must be based upon the number of adults or children covered under the policy and may reflect the availability of medicare coverage. The rates for different rate cells must not in any way reflect generalized differences in expected costs between principal insureds and their spouses.

(e) In developing its index rates and premiums for a health plan, a health carrier shall take into account only the following factors:

(1) actuarially valid differences in rating factors permitted under paragraphs (a) and (b); and

(2) actuarially valid geographic variations if approved by the commissioner as provided in paragraph (c).

(f) All premium variations must be justified in initial rate filings and upon request of the commissioner in rate revision filings. All rate variations are subject to approval by the commissioner.

(g) The loss ratio must comply with the section 62A.021 requirements for individual health plans.

(h) The rates must not be approved, unless the commissioner has determined that the rates are reasonable. In determining reasonableness, the commissioner shall consider the growth rates applied under section 62J.04, subdivision 1, paragraph (b), to the calendar year or years that the proposed premium rate would be in effect, actuarially valid changes in risks associated with the enrollee populations, and actuarially valid changes as a result of statutory changes in Laws 1992, chapter 549.

Sec. 10. Minnesota Statutes 1993 Supplement, section 62A.65, subdivision 4, is amended to read:

Subd. 4. [GENDER RATING PROHIBITED.] No individual health plan offered, sold, issued, or renewed to a Minnesota resident may determine the premium rate or any other underwriting decision, including initial issuance, ~~on~~ through a method that is in any way based upon the gender of any person covered or to be covered under the health plan. This subdivision prohibits the use of marital status or generalized differences in expected costs between principal insureds and their spouses.

Sec. 11. Minnesota Statutes 1993 Supplement, section 62A.65, subdivision 5, is amended to read:

Subd. 5. [PORTABILITY OF COVERAGE.] (a) No individual health plan may be offered, sold, issued, or with respect to children age 18 or under

renewed, to a Minnesota resident that contains a preexisting condition limitation or exclusion or *exclusionary rider*, unless the limitation or exclusion ~~would be~~ is permitted under ~~chapter 62L~~ *this subdivision*, provided that, except for children age 18 or under, underwriting restrictions may be retained on individual contracts that are issued without evidence of insurability as a replacement for prior individual coverage that was sold before May 17, 1993. The individual may be ~~treated as a late entrant, as defined in chapter 62L~~ *subjected to an 18-month preexisting condition limitation*, unless the individual has maintained continuous coverage as defined in ~~chapter 62L~~ *section 62L.02. The individual must not be subjected to an exclusionary rider.* An individual who has maintained continuous coverage may be subjected to a one-time preexisting condition limitation ~~as permitted under chapter 62L~~ *for persons who are not late entrants, of up to 12 months, with credit for time covered under qualifying coverage as defined in section 62L.02*, at the time that the individual first is covered under an individual health plan by any health carrier. *The individual must not be subjected to an exclusionary rider.* Thereafter, the individual must not be subject to any preexisting condition limitation or exclusion or *exclusionary rider* under an individual health plan by any health carrier, except an unexpired portion of a limitation under prior coverage, so long as the individual maintains continuous coverage.

(b) A health carrier must offer an individual health plan to any individual previously covered under a group health ~~benefit~~ plan issued by that health carrier, *regardless of the size of the group*, so long as the individual maintained continuous coverage as defined in ~~chapter 62L~~ *section 62L.02. The offer must not be subject to underwriting, except as permitted under this paragraph.* A health plan issued under this paragraph must be a qualified plan and must not contain any preexisting condition limitation or exclusion or *exclusionary rider*, except for any unexpired limitation or exclusion under the previous coverage. *The individual health plan must cover pregnancy on the same basis as any other covered illness under the individual health plan.* The initial premium rate for the individual health plan must comply with subdivision 3. The premium rate upon renewal must comply with subdivision 2. In no event shall the premium rate exceed 90 percent of the premium charged for comparable individual coverage by the Minnesota comprehensive health association, *and the premium rate must be less than that amount if necessary to otherwise comply with this section. An individual health plan offered under this paragraph to a person satisfies the health carrier's obligation to offer conversion coverage under section 62E.16, with respect to that person. Section 72A.20, subdivision 28, applies to this paragraph.*

Sec. 12. Minnesota Statutes 1993 Supplement, section 62A.65, is amended by adding a subdivision to read:

A health carrier electing to cease doing business in the individual market shall notify the commissioner 180 days prior to the effective date of the cessation. The cessation of business does not include the failure of a health carrier to offer or issue new business in the individual market or continue an existing product line, provided that a health carrier does not terminate, cancel, or fail to renew its current individual business or other product lines. A health carrier electing to cease doing business in the individual market shall provide 120 days' written notice to each policyholder covered by a health plan

Sec. 28. Minnesota Statutes 1993 Supplement, section 62L.02, subdivision 26, is amended to read:

Subd. 26. [SMALL EMPLOYER.] (a) "Small employer" means a person, firm, corporation, partnership, association, or other entity actively engaged in business ~~who~~, *including a political subdivision of the state, that, on at least 50 percent of its working days during the preceding calendar year 12 months, employed no fewer than two nor more than 29 eligible, or after June 30, 1995, more than 49, current employees, the majority of whom were employed in this state. If an employer has only two eligible employees and one is the spouse, child, sibling, parent, or grandparent of the other, the employer must be a Minnesota domiciled employer and have paid social security or self-employment tax on behalf of both eligible employees. If an employer has only one eligible employee who has not waived coverage, the sale of a health plan to or for that eligible employee is not a sale to a small employer and is not subject to this chapter and may be treated as the sale of an individual health plan. A small employer plan may be offered through a domiciled association to self-employed individuals and small employers who are members of the association, even if the self-employed individual or small employer has fewer than two current employees. Entities that are eligible to file a combined tax return for purposes of state tax laws are considered a single employer for purposes of determining the number of eligible current employees. Small employer status must be determined on an annual basis as of the renewal date of the health benefit plan. The provisions of this chapter continue to apply to*

an employer who no longer meets the requirements of this definition until the annual renewal date of the employer's health benefit plan.

(b) Where an association, described in section 62A.10, subdivision 1, comprised of employers contracts with a health carrier to provide coverage to its members who are small employers, the association shall be considered to be a small employer, with respect to those employers in the association that employ no fewer than two nor more than 29 ~~eligible~~, or after June 30, 1995, more than 49, current employees, even though the association provides coverage to its members that do not qualify as small employers. An association in existence prior to July 1, 1993, is exempt from this chapter with respect to small employers that are members as of that date. However, in providing coverage to new ~~groups~~ employers after July 1, 1993, the existing association must comply with all requirements of this chapter. Existing associations must register with the commissioner of commerce prior to July 1, 1993. With respect to small employers having not fewer than 30 nor more than 49 current employees, the July 1, 1993 date in this paragraph becomes July 1, 1995, and the reference to "after" that date becomes "on or after."

(c) If an employer has employees covered under a trust ~~established~~ specified in a collective bargaining agreement under the federal Labor-Management Relations Act of 1947, United States Code, title 29, section 141, et seq., as amended, or employees whose health coverage is determined by a collective bargaining agreement and, as a result of the collective bargaining agreement, is purchased separately from the health plan provided to other employees, those employees are excluded in determining whether the employer qualifies as a small employer. Those employees are considered to be a separate small employer if they constitute a group that would qualify as a small employer in the absence of the employees who are not subject to the collective bargaining agreement.

Sec. 29. Minnesota Statutes 1992, section 62L.03, subdivision 1, is amended to read:

Subdivision 1. [GUARANTEED ISSUE AND REISSUE.] Every health carrier shall, as a condition of authority to transact business in this state in the small employer market, affirmatively market, offer, sell, issue, and renew any of its health benefit plans, on a guaranteed issue basis, to any small employer that meets the participation and contribution requirements of subdivision 3, as provided in this chapter. This requirement does not apply to a health benefit plan designed for a small employer to comply with a collective bargaining agreement, provided that the health benefit plan otherwise complies with this chapter and is not offered to other small employers, except for other small employers that need it for the same reason. Every health carrier participating in the small employer market shall make available both of the plans described in section 62L.05 to small employers and shall fully comply with the underwriting and the rate restrictions specified in this chapter for all health benefit plans issued to small employers. A health carrier may cease to transact business in the small employer market as provided under section 62L.09.

Sec. 30. Minnesota Statutes 1993 Supplement, section 62L.03, subdivision 3, is amended to read:

Subd. 3. [MINIMUM PARTICIPATION AND CONTRIBUTION.] (a) A small employer that has at least 75 percent of its eligible employees who have not waived coverage participating in a health benefit plan and that contributes at least 50 percent toward the cost of coverage of eligible employees must be

guaranteed coverage on a guaranteed issue basis from any health carrier participating in the small employer market. The participation level of eligible employees must be determined at the initial offering of coverage and at the renewal date of coverage. A health carrier ~~may~~ must not increase the participation requirements applicable to a small employer at any time after the small employer has been accepted for coverage. For the purposes of this subdivision, waiver of coverage includes only waivers due to: (1) coverage under another group health plan; (2) coverage under Medicare parts A and B; or (3) coverage under MCHA permitted under section 62E.141.

(b) If a small employer does not satisfy the contribution or participation requirements under this subdivision, a health carrier may voluntarily issue or renew individual ~~coverage health plans~~, or a health benefit plan which, ~~except for guaranteed issue~~, must fully comply with this chapter. A health carrier that provides ~~group coverage~~ a health benefit plan to a small employer that does not meet the contribution or participation requirements of this subdivision must maintain this information in its files for audit by the commissioner. A health carrier may not offer an individual ~~coverage health plan~~, purchased through an arrangement between the employer and the health carrier, to any employee unless the health carrier also offers ~~coverage the individual health plan~~, on a guaranteed issue basis, to all other employees of the same employer.

(c) Nothing in this section obligates a health carrier to issue coverage to a small employer that currently offers coverage through a health benefit plan from another health carrier, unless the new coverage will replace the existing coverage and not serve as one of two or more health benefit plans offered by the employer.

Sec. 31. Minnesota Statutes 1993 Supplement, section 62L.03, subdivision 4, is amended to read:

Subd. 4. [UNDERWRITING RESTRICTIONS.] Health carriers may apply underwriting restrictions to coverage for health benefit plans for small employers, including any preexisting condition limitations, only as expressly permitted under this chapter. For purposes of this ~~subdivision section~~, "underwriting restrictions" means any refusal of the health carrier to issue or renew coverage, any premium rate higher than the lowest rate charged by the health carrier for the same coverage, ~~or any preexisting condition limitation or exclusion, or any exclusionary rider~~. Health carriers may collect information relating to the case characteristics and demographic composition of small employers, as well as health status and health history information about employees, ~~and dependents of employees~~, of small employers. Except as otherwise authorized for late entrants, preexisting conditions may be excluded by a health carrier for a period not to exceed 12 months from the effective date of coverage of an eligible employee or dependent, ~~but exclusionary riders must not be used~~. When calculating a preexisting condition limitation, a health carrier shall credit the time period an eligible employee or dependent was previously covered by qualifying prior coverage, provided that the individual maintains continuous coverage. Late entrants may be subject to a preexisting condition limitation not to exceed 18 months from the effective date of coverage of the late entrant, ~~but must not be subject to any exclusionary rider or exclusion~~. ~~Late entrants may also be excluded from coverage for a period not to exceed 18 months, provided that if a health carrier imposes an exclusion from coverage and a preexisting condition limitation, the combined time period for both the coverage exclusion and preexisting condition limitation must not exceed 18 months~~. A health carrier shall, at the time of first issuance

or renewal of a health benefit plan on or after July 1, 1993, credit against any preexisting condition limitation or exclusion permitted under this section, the time period prior to July 1, 1993, during which an eligible employee or dependent was covered by qualifying ~~existing~~ coverage or ~~qualifying prior coverage~~, if the person has maintained continuous coverage.

Sec. 32. Minnesota Statutes 1993 Supplement, section 62L.03, subdivision 5, is amended to read:

Subd. 5. [CANCELLATIONS AND FAILURES TO RENEW.] (a) No health carrier shall cancel, decline to issue, or fail to renew a health benefit plan as a result of the claim experience or health status of the persons covered or to be covered by the health benefit plan. A health carrier may cancel or fail to renew a health benefit plan:

- (1) for nonpayment of the required premium;
- (2) for fraud or misrepresentation by the small employer, or, with respect to coverage of an individual eligible employee or dependent, fraud or misrepresentation by the eligible employee or dependent, with respect to eligibility for coverage or any other material fact;
- (3) if eligible employee participation during the preceding calendar year declines to less than 75 percent, subject to the waiver of coverage provision in subdivision 3;
- (4) if the employer fails to comply with the minimum contribution percentage ~~legally required by the health carrier under subdivision 3;~~
- (5) if the health carrier ceases to do business in the small employer market under section 62L.09; ~~or~~
- (6) *if a failure to renew is based upon the health carrier's decision to discontinue the health benefit plan form previously issued to the small employer, but only if the health carrier permits each small employer covered under the prior form to switch to its choice of any other health benefit plan offered by the health carrier, without any underwriting restrictions that would not have been permitted for renewal purposes; or*
- (7) for any other reasons or grounds expressly permitted by the respective licensing laws and regulations governing a health carrier, including, but not limited to, service area restrictions imposed on health maintenance organizations under section 62D.03, subdivision 4, paragraph (m), to the extent that these grounds are not expressly inconsistent with this chapter.

(b) A health carrier need not renew a health benefit plan, and shall not renew a small employer plan, if an employer ceases to qualify as a small employer as defined in section 62L.02. If a health benefit plan, other than a small employer plan, provides terms of renewal that do not exclude an employer that is no longer a small employer, the health benefit plan may be renewed according to its own terms. If a health carrier issues or renews a health plan to an employer that is no longer a small employer, without interruption of coverage, the health plan is subject to section 60A.082.

Sec. 33. Minnesota Statutes 1992, section 62L.03, subdivision 6, is amended to read:

Subd. 6. [MCHA ENROLLEES.] Health carriers shall offer coverage to any eligible employee or dependent enrolled in MCHA at the time of the health

carrier's issuance or renewal of a health benefit plan to a small employer. The health benefit plan must require that the employer permit MCHA enrollees to enroll in the small employer's health benefit plan as of the first date of renewal of a health benefit plan occurring on or after July 1, 1993, *and as of each date of renewal after that*, or, in the case of a new group, as of the initial effective date of the health benefit plan *and as of each date of renewal after that*. Unless otherwise permitted by this chapter, health carriers must not impose any underwriting restrictions, including any preexisting condition limitations or exclusions, on any eligible employee or dependent previously enrolled in MCHA and transferred to a health benefit plan so long as continuous coverage is maintained, provided that the health carrier may impose any unexpired portion of a preexisting condition limitation under the person's MCHA coverage. An MCHA enrollee is not a late entrant, so long as the enrollee has maintained continuous coverage.

Sec. 34. Minnesota Statutes 1993 Supplement, section 62L.04, subdivision 1, is amended to read:

Subdivision 1. [APPLICABILITY OF CHAPTER REQUIREMENTS.] (a) Beginning July 1, 1993, health carriers participating in the small employer market must offer and make available *on a guaranteed issue basis* any health benefit plan that they offer, including both of the small employer plans provided in section 62L.05, to all small employers ~~who~~ *that* satisfy the small employer participation and contribution requirements specified in this chapter. Compliance with these requirements is required as of the first renewal date of any small employer group occurring after July 1, 1993. For new small employer business, compliance is required as of the first date of offering occurring after July 1, 1993.

(b) Compliance with these requirements is required as of the first renewal date occurring after July 1, 1994, with respect to employees of a small employer who had been issued individual coverage prior to July 1, 1993, administered by the health carrier on a group basis. Notwithstanding any other law to the contrary, the health carrier shall offer to terminate any individual coverage for employees of small employers who satisfy the small employer participation *and contribution* requirements specified in section 62L.03 and offer to replace it with a health benefit plan. If the employer elects not to purchase a health benefit plan, the health carrier must offer all covered employees and dependents the option of maintaining their current coverage, administered on an individual basis, or replacement individual coverage. Small employer and replacement individual coverage provided under this subdivision must be without application of underwriting restrictions, provided continuous coverage is maintained.

(c) *With respect to small employers having no fewer than 30 nor more than 49 current employees, all dates in this subdivision become July 1, 1995, and any reference to "after" a date becomes "on or after" July 1, 1995.*

Sec. 35. Minnesota Statutes 1992, section 62L.05, subdivision 1, is amended to read:

Subdivision 1. [TWO SMALL EMPLOYER PLANS.] Each health carrier in the small employer market must make available, *on a guaranteed issue basis*, to any small employer *that satisfies the contribution and participation requirements of section 62L.03, subdivision 3*, both of the small employer plans described in subdivisions 2 and 3. Under subdivisions 2 and 3, coinsurance and deductibles do not apply to child health supervision services

and prenatal services, as defined by section 62A.047. The maximum out-of-pocket costs for covered services must be \$3,000 per individual and \$6,000 per family per year. The maximum lifetime benefit must be \$500,000. ~~The out-of-pocket cost limits and the deductible amounts provided in subdivision 2 must be adjusted on July 1 every two years, based upon changes in the consumer price index, as of the end of the previous calendar year, as determined by the commissioner of commerce. Adjustments must be in increments of \$50 and must not be made unless at least that amount of adjustment is required.~~

Sec. 36. Minnesota Statutes 1992, section 62L.05, subdivision 5, is amended to read:

Subd. 5. [PLAN VARIATIONS.] (a) No health carrier shall offer to a small employer a health benefit plan that differs from the two small employer plans described in subdivisions 1 to 4, unless the health benefit plan complies with all provisions of chapters 62A, 62C, 62D, 62E, 62H, 62N, and 64B that otherwise apply to the health carrier, except as expressly permitted by paragraph (b).

(b) As an exception to paragraph (a), a health benefit plan is deemed to be a small employer plan and to be in compliance with paragraph (a) if it differs from one of the two small employer plans described in subdivisions 1 to 4 only by providing benefits in addition to those described in subdivision 4, provided that the health care benefit plan has an actuarial value that exceeds the actuarial value of the benefits described in subdivision 4 by no more than two percent. "Benefits in addition" means additional units of a benefit listed in subdivision 4 or one or more benefits not listed in subdivision 4.

Sec. 37. Minnesota Statutes 1992, section 62L.05, subdivision 8, is amended to read:

Subd. 8. [CONTINUATION COVERAGE.] Small employer plans must include the continuation of coverage provisions required by the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA), Public Law Number 99-272, as amended ~~through December 31, 1991~~, and by state law.

Sec. 38. Minnesota Statutes 1992, section 62L.06, is amended to read:

62L.06 [DISCLOSURE OF UNDERWRITING RATING PRACTICES.]

When offering or renewing a health benefit plan, health carriers shall disclose in all solicitation and sales materials:

- (1) the case characteristics and other rating factors used to determine initial and renewal rates;
- (2) the extent to which premium rates for a small employer are established or adjusted based upon actual or expected variation in claim experience;
- (3) provisions concerning the health carrier's right to change premium rates and the factors other than claim experience that affect changes in premium rates;
- (4) provisions relating to renewability of coverage;
- (5) the use and effect of any preexisting condition provisions, if permitted;

and

(6) the application of any provider network limitations and their effect on eligibility for benefits; and

(7) *the ability of small employers to insure eligible employees and dependents currently receiving coverage from the comprehensive health association through health benefit plans.*

Sec. 39. Minnesota Statutes 1992, section 62L.07, subdivision 2, is amended to read:

Subd. 2. [WAIVERS.] Health benefit plans must require that small employers offering a health benefit plan maintain written documentation of a ~~waiver of coverage by an eligible employee or dependent and provide the documentation indicating that each eligible employee was informed of the availability of coverage through the employer and of a waiver of coverage by the eligible employee. This documentation must be provided to the health carrier upon reasonable request.~~

Sec. 40. Minnesota Statutes 1992, section 62L.08, subdivision 2, is amended to read:

Subd. 2. [GENERAL PREMIUM VARIATIONS.] Beginning July 1, 1993, each health carrier must offer premium rates to small employers that are no more than 25 percent above and no more than 25 percent below the index rate charged to small employers for the same or similar coverage, adjusted pro rata for rating periods of less than one year. The premium variations permitted by this subdivision must be based only on health status, claims experience, industry of the employer, and duration of coverage from the date of issue. For purposes of this subdivision, health status includes refraining from tobacco use or other actuarially valid lifestyle factors associated with good health, provided that the lifestyle factor and its effect upon premium rates have been determined to be actuarially valid and approved by the commissioner. *Variations permitted under this subdivision must not be based upon age or applied differently at different ages. This subdivision does not prohibit use of a constant percentage adjustment for factors permitted to be used under this subdivision.*

Sec. 41. Minnesota Statutes 1993 Supplement, section 62L.08, subdivision 4, is amended to read:

Subd. 4. [GEOGRAPHIC PREMIUM VARIATIONS.] A health carrier may request approval by the commissioner to establish no more than three geographic regions and to establish separate index rates for each region, provided that the index rates do not vary between any two regions by more than 20 percent. Health carriers that do not do business in the Minneapolis/St. Paul metropolitan area may request approval for no more than two geographic regions, and clauses (2) and (3) do not apply to approval of requests made by those health carriers: A health carrier may also request approval to establish *one or more additional geographic region regions and a one or more separate index rate rates for premiums for employees working and residing outside of Minnesota, and that index rate must not be more than 30 percent higher than the next highest index rate.* The commissioner may grant approval if the following conditions are met:

(1) the geographic regions must be applied uniformly by the health carrier;

(2) one geographic region must be based on the Minneapolis/St. Paul metropolitan area;

(3) if one geographic region is rural, the index rate for the rural region must not exceed the index rate for the Minneapolis/St. Paul metropolitan area;

(4) the health carrier provides actuarial justification acceptable to the commissioner for the proposed geographic variations in index rates, establishing that the variations are based upon differences in the cost to the health carrier of providing coverage.

Sec. 42. Minnesota Statutes 1992, section 62L.08, subdivision 5, is amended to read:

Subd. 5. [GENDER-BASED RATES PROHIBITED.] Beginning July 1, 1993, no health carrier may determine premium rates through a method that is in any way based upon the gender of eligible employees or dependents. *Rates must not in any way reflect marital status or generalized differences in expected costs between employees and spouses.*

Sec. 43. Minnesota Statutes 1992, section 62L.08, subdivision 6, is amended to read:

Subd. 6. [RATE CELLS PERMITTED.] Health carriers may use rate cells and must file with the commissioner the rate cells they use. Rate cells must be based on the number of adults and children covered under the policy and may reflect the availability of Medicare coverage. *The rates for different rate cells must not in any way reflect marital status or differences in expected costs between employees and spouses.*

Sec. 44. Minnesota Statutes 1992, section 62L.08, subdivision 7, is amended to read:

Subd. 7. [INDEX AND PREMIUM RATE DEVELOPMENT.] (a) In developing its index rates and premiums, a health carrier may take into account only the following factors:

- (1) actuarially valid differences in benefit designs of health benefit plans;
- (2) actuarially valid differences in the rating factors permitted in subdivisions 2 and 3;
- (3) actuarially valid geographic variations if approved by the commissioner as provided in subdivision 4.

(b) All premium variations permitted under this section must be based upon actuarially valid differences in expected cost to the health carrier of providing coverage. The variation must be justified in initial rate filings and upon request of the commissioner in rate revision filings. All premium variations are subject to approval by the commissioner.

Sec. 45. Minnesota Statutes 1992, section 62L.08, is amended by adding a subdivision to read:

Subd. 7a. [PARTIAL EXEMPTION; POLITICAL SUBDIVISIONS.] (a) *Health coverage provided by a political subdivision of the state to its employees, officers, retirees, and their dependents, by participation in group purchasing of health plan coverage by or through an association of political subdivisions or by or through an educational cooperative service unit created under section 123.58 or by participating in a joint self-insurance pool authorized under section 471.617, subdivision 2, is subject to this subdivision. Coverage that is subject to this subdivision may have separate index rates and*

separate premium rates, based upon data specific to the association, educational cooperative service unit, or pool, so long as the rates, including the rating bands, otherwise comply with this chapter. The association, educational cooperative service unit, or pool is not required to offer the small employer plans described in section 62L.05 and is not required to comply with this chapter for employers that are not small employers or that are not eligible for coverage through the association, educational cooperative service unit, or pool. A health carrier that offers a health plan only under this subdivision need not offer that health plan to other small employers on a guaranteed issue basis.

(b) An association, educational cooperative service unit, or pool described in paragraph (a) may elect to be treated under paragraph (a) by filing a notice of the election with the commissioner of commerce no later than January 1, 1995. The election remains in effect for three years and applies to all health coverage provided to members of the group. It may be renewed for subsequent three-year periods. An entity eligible for treatment under paragraph (a) that forms after January 1, 1995, must make the election prior to provision of coverage, and the election remains in effect until January 1, 1998, or if filed after that date, until the next regular renewal date.

Sec. 46. Minnesota Statutes 1993 Supplement, section 62L.08, subdivision 8, is amended to read:

Subd. 8. [FILING REQUIREMENT.] No later than July 1, 1993, and each year thereafter, a health carrier that offers, sells, issues, or renews a health benefit plan for small employers shall file with the commissioner the index rates and must demonstrate that all rates shall be within the rating restrictions defined in this chapter. Such demonstration must include the allowable range of rates from the index rates and a description of how the health carrier intends to use demographic factors including case characteristics in calculating the premium rates. The rates shall not be approved, unless the commissioner has determined that the rates are reasonable. In determining reasonableness, the commissioner shall consider the growth rates applied under section 62J.04, subdivision 1, paragraph (b), to the calendar year or years that the proposed premium rate would be in effect, actuarially valid changes in risk associated with the enrollee population, and actuarially valid changes as a result of statutory changes in Laws 1992, chapter 549. For premium rates proposed to go into effect between July 1, 1993 and December 31, 1993, the pertinent growth rate is the growth rate applied under section 62J.04, subdivision 1, paragraph (b), to calendar year 1994. As provided in section 62A.65, subdivision 3, this subdivision applies to the individual market, as well as to the small employer market.

Sec. 47. Minnesota Statutes 1992, section 62L.12, is amended to read:

62L.12 [PROHIBITED PRACTICES.]

Subdivision 1. [PROHIBITION ON ISSUANCE OF INDIVIDUAL POLICIES.] A health carrier operating in the small employer market shall not knowingly offer, issue, or renew an individual policy, subscriber contract, or certificate health plan to an eligible employee or dependent of a small employer that meets the minimum participation and contribution requirements defined in under section 62L.03, subdivision 3, except as authorized under subdivision 2.

Subd. 2. [EXCEPTIONS.] (a) A health carrier may sell, issue, or renew individual conversion policies to eligible employees and dependents otherwise eligible for conversion coverage under section 62D.104 as a result of leaving a health maintenance organization's service area.

(b) A health carrier may sell, issue, or renew individual conversion policies to eligible employees and dependents otherwise eligible for conversion coverage as a result of the expiration of any continuation of group coverage required under sections 62A.146, 62A.17, 62A.21, 62C.142, 62D.101, and 62D.105.

(c) A health carrier may sell, issue, or renew conversion policies under section 62E.16 to eligible employees and dependents.

(d) A health carrier may sell, issue, or renew individual continuation policies to eligible employees and dependents as required.

(e) A health carrier may sell, issue, or renew individual ~~coverage health plans~~ if the coverage is appropriate due to an unexpired preexisting condition limitation or exclusion applicable to the person under the employer's group ~~coverage health plan~~ or due to the person's need for health care services not covered under the employer's ~~group policy group health plan~~.

(f) A health carrier may sell, issue, or renew an individual ~~policy, with the prior consent of the commissioner,~~ health plan, if the individual has elected to buy the individual ~~coverage health plan~~ not as part of a general plan to substitute individual ~~coverage health plans~~ for a group ~~coverage health plan~~ nor as a result of any violation of subdivision 3 or 4.

(g) Nothing in this subdivision relieves a health carrier of any obligation to provide continuation or conversion coverage otherwise required under federal or state law.

(h) *Nothing in this chapter restricts the offer, sale, issuance, or renewal of coverage issued as a supplement to Medicare under sections 62A.31 to 62A.44, or policies or contracts that supplement Medicare issued by health maintenance organizations, or those contracts governed by section 1833 or 1876 of the federal Social Security Act, United States Code, title 42, section 1395 et. seq., as amended.*

(i) *Nothing in this chapter restricts the offer, sale, issuance, or renewal of individual health plans necessary to comply with a court order.*

Subd. 3. [AGENT'S LICENSURE.] An agent licensed under chapter ~~60A~~ 60K or section 62C.17 who knowingly and willfully breaks apart a small group for the purpose of selling individual ~~policies health plans~~ to eligible employees and dependents of a small employer that meets the participation and contribution requirements of section 62L.03, subdivision 3, is guilty of an unfair trade practice and subject to *disciplinary action, including the revocation or suspension of license, under section ~~60A.17, subdivision 6e,~~ 60K.11 or 62C.17.* The action must be by order and subject to the notice, hearing, and appeal procedures specified in section ~~60A.17, subdivision 6d,~~ 60K.11. The action of the commissioner is subject to judicial review as provided under chapter 14.

Subd. 4. [EMPLOYER PROHIBITION.] A small employer shall not encourage or direct an employee or applicant to:

(1) refrain from filing an application for health coverage when other similarly situated employees may file an application for health coverage;

(2) file an application for health coverage during initial eligibility for coverage, the acceptance of which is contingent on health status, when other similarly situated employees may apply for health coverage, the acceptance of which is not contingent on health status;

(3) seek coverage from another *health* carrier, including, but not limited to, MCHA; or

(4) cause coverage to be issued on different terms because of the health status or claims experience of that person or the person's dependents.

Subd. 5. [SALE OF OTHER PRODUCTS.] A health carrier shall not condition the offer, sale, issuance, or renewal of a health benefit plan on the purchase by a small employer of other insurance products offered by the health carrier or a subsidiary or affiliate of the health carrier, including, but not limited to, life, disability, property, and general liability insurance. This prohibition does not apply to insurance products offered as a supplement to a health maintenance organization plan, including, but not limited to, supplemental benefit plans under section 62D.05, subdivision 6.

Sec. 48. Minnesota Statutes 1992, section 62L.21, subdivision 2, is amended to read:

Subd. 2. [ADJUSTMENT OF PREMIUM RATES.] The board of directors shall establish operating rules to allocate adjustments to the reinsurance premium charge of no more than minus 25 percent of the monthly reinsurance premium for health carriers that can demonstrate administrative efficiencies and cost-effective handling of equivalent risks. The adjustment must be made ~~annually on a retrospective basis~~ *monthly, unless the board provides for a different interval in its operating rules.* The operating rules must establish objective and measurable criteria which must be met by a health carrier in order to be eligible for an adjustment. These criteria must include consideration of efficiency attributable to case management, but not consideration of such factors as provider discounts.

Sec. 49. [REPEALER.]

(a) *Minnesota Statutes 1992, sections 62E.51, 62E.52, 62E.53, 62E.531, 62E.54, and 62E.55 are repealed.*

(b) *Minnesota Statutes 1992, section 62A.02, subdivision 5, is repealed.*

Sec. 50. [REVISOR INSTRUCTIONS.]

(a) *The revisor of statutes shall change the name of the private employers insurance program established in Minnesota Statutes, section 43A.317 to the Minnesota employees insurance program, and the private employers insurance trust fund to the Minnesota employees insurance trust fund, wherever either term occurs in Minnesota Statutes or Minnesota Rules.*

(b) *The revisor of statutes shall renumber Minnesota Statutes 1992, section 62L.23, as section 62L.08, subdivision 11, and shall change all references to that section in Minnesota Statutes or Minnesota Rules accordingly.*

Sec. 51. [EFFECTIVE DATES.]

Sections 1, 3, 4, 6, 8, 10, 16 to 27, 29, 30, 32, 34 to 37, 40 to 45, and 47 to 50 are effective the day following final enactment. Sections 2, 12, 13, 33, 38, and 39 are effective July 1, 1994. Sections 5, 7, 9, 11, 14, 15, 28, 31, and 46 are effective January 1, 1995.

ARTICLE 11

HEALTH CARE COOPERATIVES

Section 1. [62R.01] [STATEMENT OF LEGISLATIVE PURPOSE AND INTENT.]

The legislature finds that the goals of containing health care costs, improving the quality of health care, and increasing the access of Minnesota citizens to health care services reflected under chapters 62J and 62N may be further enhanced through the promotion of health care cooperatives. The legislature further finds that locally based and controlled efforts among health care providers, local businesses, units of local government, and health care consumers, can promote the attainment of the legislature's goals of health care reform, and takes notice of the long history of successful operations of cooperative organizations in this state. Therefore, in order to encourage cooperative efforts which are consistent with the goals of health care reform, including efforts among health care providers as sellers of health care services and efforts of consumers as buyers of health care services and health plan coverage, and to encourage the formation of and increase the competition among health plans in Minnesota, the legislature enacts the Minnesota health care cooperative act.

Sec. 2. [62R.02] [CITATION.]

This chapter may be cited as the "Minnesota health care cooperative act."

Sec. 3. [62R.03] [APPLICABILITY OF OTHER LAWS.]

295.582 [AUTHORITY.]

(a) A hospital, surgical center, pharmacy, or health care provider that is subject to a tax under section 295.52, *or a pharmacy that has paid additional expense transferred under this section by a wholesale drug distributor, may transfer additional expense generated by section 295.52 obligations on to all third-party contracts for the purchase of health care services on behalf of a patient or consumer. The expense must not exceed two percent of the gross revenues received under the third-party contract, including plus two percent of copayments and deductibles paid by the individual patient or consumer. The expense must not be generated on revenues derived from payments that are excluded from the tax under section 295.53. All third-party purchasers of health care services including, but not limited to, third-party purchasers regulated under chapter 60A, 62A, 62C, 62D, 62H, 62N, 64B, ~~or 62H,~~ 65A, 65B, 79, or 79A, or under section 471.61 or 471.617, must pay the transferred expense in addition to any payments due under existing ~~or future~~ contracts with the hospital, surgical center, pharmacy, or health care provider, to the extent allowed under federal law. A third-party purchaser of health care services includes, but is not limited to, a health carrier, integrated service network, or community integrated service network that pays for health care services on behalf of patients or that reimburses, indemnifies, compensates, or otherwise insures patients for health care services. A third-party purchaser shall comply with this section regardless of whether the third-party purchaser is a for-profit, not-for-profit, or nonprofit entity. A wholesale drug distributor may transfer additional expense generated by section 295.52 obligations to entities that purchase from the wholesaler, and the entities must pay the additional expense. Nothing in this subdivision section limits the ability of a hospital, surgical center, pharmacy, wholesale drug distributor, or health care provider to recover all or part of the section 295.52 obligation by other methods, including increasing fees or charges.*

(b) *Each third-party purchaser regulated under any chapter cited in paragraph (a) shall include with its annual renewal for certification of authority or licensure documentation indicating compliance with paragraph (a). If the commissioner responsible for regulating the third-party purchaser finds at any time that the third-party purchaser has not complied with paragraph (a) the commissioner may by order fine or censure the third-party purchaser or revoke or suspend the certificate of authority or license of the third-party purchaser to do business in this state. The third-party purchaser*

may appeal the commissioner's order through a contested case hearing in accordance with chapter 14.

Sec. 19. Laws 1992, chapter 549, article 9, section 22, is amended to read:

Sec. 22. [GROSS RECEIPTS TAX; EFFECTIVE DATE.]

Sections 1 and 16 to 21 are effective the day following final enactment. Section 4 is effective for taxable years beginning after December 31, 1992. Section 7, subdivision 1, is effective for gross revenues generated by services performed and goods sold after December 31, 1992. Section 7, subdivisions 2 to 4, are effective for gross revenues generated by services performed and goods sold after December 31, 1993. *Section 8 is effective for hospitals and surgical centers for gross revenues generated by services performed and goods sold after December 31, 1992, except the exclusion under subdivision 1, clause (6) applies to payments for prescription drug purchases made after December 31, 1993. Section 8 is effective for health care providers for gross revenues generated by services performed and goods sold after December 31, 1993, except the exclusion under subdivision 1, clause (6) applies to payments for prescription drug purchases made after December 31, 1993.* Sections 14 and 15 are effective July 1, 1992.

Sec. 20. [STATEMENT OF INTENT.]

The amendment in section 19 clarifies an effective date in the 1992 legislation enacting the gross receipts tax on hospitals and health care providers. This legislation imposed a gross receipts tax on hospitals effective January 1, 1993, and on health care providers and wholesale drug distributors effective January 1, 1994. To avoid double taxation or pyramiding of the tax burden, hospitals and health care providers were allowed an exclusion for amounts paid to wholesale drug distributors for prescription drugs. These amounts would already be taxed to the wholesale drug distributors. The section creating this exclusion did not contain an effective date. As a result, under Minnesota Statutes, section 645.02, the law may permit hospitals to deduct these amounts for prescription drugs purchased during 1993, even though no tax was imposed on the wholesale drug distributor and no double taxation or pyramiding of the tax could occur. Section 19 clarifies that the exclusion applies only after the wholesale drug distributor tax goes into effect.

Sec. 21. [EFFECTIVE DATE.]

Sections 1, 2, 5, 12, 15 to 17, 19, and 20 are effective the day following final enactment.

Sections 3 and 4 are effective July 1, 1994.

Sections 6 to 11, 13, 14, and 18 are retroactively effective from January 1, 1994.
