Subd. 35. [TRANSITION SERVICES.] "Transition services" means mental health services, designed within an outcome oriented process that promotes movement from school to postschool activities, including post-secondary education, vocational training, integrated employment including supported employment, continuing and adult education, adult mental health and social services, other adult services, independent living, or community participation.

Sec. 2. Minnesota Statutes 1994, section 245.4875, is amended by adding a subdivision to read:

Subd. 8. [TRANSITION SERVICES.] The county board may continue to provide mental health services as defined in sections 245.487 to 245.4888 to persons over 18 years of age, but under 21 years of age, if the person was receiving case management or family community support services prior to age 18, and if one of the following conditions is met:

- (2) it is in the best interest of the person to continue services defined in sections 245.487 to 245.4888.

Sec. 3. Minnesota Statutes 1994, section 245.4882, subdivision 5, is amended to read:

Subd. 5. [SPECIALIZED RESIDENTIAL TREATMENT SERVICES.] The commissioner of human services shall continue efforts to further interagency collaboration to develop a comprehensive system of services, including family community support and specialized residential treatment services for children. The services shall be designed for children with emotional disturbance who exhibit violent or destructive behavior and for whom local treatment services are not feasible due to the small number of children statewide who need the services and the specialized nature of the services required. The services shall be located in community settings. If no appropriate services are available in Minnesota or within the geographical area in which the residents of the county normally do business, the commissioner is responsible, effective July 1, 1995 1997, for 50 percent of the nonfederal costs of out-of-state treatment of children for whom no appropriate resources are available in Minnesota. Counties are eligible to receive enhanced state funding under this section only if they have established juvenile screening teams under section 260.151, subdivision 3, and if the out-of-state treatment has been approved by the commissioner. By January 1, 1995, the commissioners of human services and corrections shall jointly develop a plan, including a financing strategy, for increasing the in-state availability of treatment within a secure setting. By July 1, 1994, the commissioner of human services shall also:

Sec. 4. Minnesota Statutes 1994, section 245.4886, is amended by adding a subdivision to read:

Subd. 3. [GRANTS FOR ADOLESCENT SERVICES.] The commissioner may make grants for community-based services for adolescents who have serious emotional disturbance and exhibit violent behavior. The commissioner may administer these grants as a supplement to the grants for children's community-based mental health services under subdivision 1. The same administrative requirements shall apply to these grants as the grants under subdivision 1, except that these grants:

- (1) shall be primarily for areas with the greatest need for services;
- (2) may be used for assessment, treatment, placement assistance, specialized adolescent community-based residential treatment, and community transition services for adolescents who have serious emotional disturbance and exhibit violent behavior;
- (3) must, wherever possible, be administered under the auspices of a children's mental health collaborative established under section 245.491 if the collaborative chooses to serve this target population;

(4) must be used for mental health services that are integrated with other services whenever possible; and

(5) must be based on a proposal submitted to the commissioner by a children's mental health collaborative or a county board based on guidelines published by the commissioner.

Sec. 5. Minnesota Statutes 1994, section 245.4886, is amended by adding a subdivision to read:

Subd. 4. [FUNDING FOR TRANSITION SERVICES.] The county board may use funding provided under this section to provide transition services for persons age 18 to 21 according to sections 245.4871, subdivision 35, and 245.4875, subdivision 8.

Sec. 6. Minnesota Statutes 1994, section 256F.09, is amended to read:

256F.09 [GRANTS FOR ~~CHILDREN'S~~ FAMILY SAFETY CENTERS.]

[PURPOSE.] The commissioner shall issue a request for proposals from existing local nonprofit, nongovernmental organizations, to use existing local facilities as ~~pilot children's family~~ safety centers. The commissioner shall award grants in amounts up to \$50,000 for the purpose of creating ~~children's~~ or maintaining family safety centers to reduce children's vulnerability to violence and trauma related to family visitation, where there has been a history of domestic violence or abuse within the family. At least one of the pilot projects shall be located in the seven-county metropolitan area and at least one of the projects shall be located outside the seven-county metropolitan area, and the commissioner shall award the grants to provide the greatest possible number of safety centers and to locate them to provide for the broadest possible geographic distribution of the centers throughout the state.

Each ~~children's~~ family safety center must use existing local facilities to provide a healthy interactive environment for parents who are separated or divorced and for parents with children in foster homes to visit with their children. The centers must be available for use by district courts who may order visitation to occur at a safety center. The centers may also be used as drop-off sites, so that parents who are under court order to have no contact with each other can exchange children for visitation at a neutral site. Each center must provide sufficient security to ensure a safe visitation environment for children and their parents. A grantee must demonstrate the ability to provide a local match, which may include in-kind contributions.

Subd. 2. [PRIORITIES.] In awarding grants under the program, the commissioner shall give priority to:

- (1) areas of the state where no ~~children's~~ other family safety center or similar facility exists;
- (2) applicants who demonstrate that private funding for the center is available and will continue; and
- (3) facilities that are adapted for use to care for children, such as day care centers, religious institutions, community centers, schools, technical colleges, parenting resource centers, and child care referral services.

Subd. 3. [ADDITIONAL SERVICES.] Each center may provide parenting and child development classes, and offer support groups to participating custodial parents and hold regular classes designed to assist children who have experienced domestic violence and abuse.

Subd. 4. [REPORT.] The commissioner shall evaluate the operation of the ~~pilot children's~~ family safety centers and report to the legislature by February 1, 1994, with recommendations.

When a minor parent or parents and his, her, or their child or children are living with other relatives, and the minor parent or parents apply for a child care subsidy, "family" means only

the minor parent or parents and the child or children. An adult may be considered a dependent member of the family unit if 50 percent of the adult's support is being provided by the parents, stepparents, guardians and their spouses, or eligible relative caretakers and their spouses, residing in the same household. An adult age 18 who is a full-time high school student and can reasonably be expected to graduate before age 19 may be considered a dependent member of the family unit.

Sec. 8. Minnesota Statutes 1994, section 256H.01, subdivision 12, is amended to read:

Within the limits of available appropriations, the commissioner shall distribute money to counties to reduce the costs of child care for eligible families. The commissioner shall adopt rules to govern the program in accordance with this section. The rules must establish a sliding schedule of fees for parents receiving child care services. In the rules adopted under this section, county and human services boards shall be authorized to establish policies for payment of child care spaces for absent children, when the payment is required by the child's regular provider. The rules shall not set a maximum number of days for which absence payments can be made, but instead shall direct the county agency to set limits and pay for absences according to the prevailing market practice in the county. County policies for payment of absences shall be subject to the approval of the commissioner. The commissioner shall maximize the use of federal money ~~under the AFDC employment special needs program~~ in section 256.736, subdivision 8, and other programs that provide federal reimbursement for child care services for recipients of aid to families with dependent children who are in education, training, job search, or other activities allowed under those programs. Money appropriated under this section must be coordinated with the ~~AFDC employment special needs program and other~~ programs that provide federal reimbursement for child care services to accomplish this purpose. Federal reimbursement obtained must be allocated to the county that spent money for child care that is federally reimbursable under programs that provide federal reimbursement for child care services. The counties shall use the federal money to expand child care services. The commissioner may adopt rules under chapter 14 to implement and coordinate federal program requirements.

Sec. 10. Minnesota Statutes 1994, section 256H.03, subdivision 1, is amended to read:

Sec. 11. Minnesota Statutes 1994, section 256H.03, subdivision 2a, is amended to read:

Subd. 2a. [ELIGIBLE RECIPIENTS.] Families that meet the eligibility requirements under sections 256H.10, except AFDC recipients, MFIP recipients, and transition year families, and 256H.11 are eligible for child care assistance under the basic sliding fee program. ~~From July 1, 1990, to June 30, 1991, a county may not accept new applications for the basic sliding fee program unless the county can demonstrate that its state money expenditures for the basic sliding fee program for this period will not exceed 95 percent of the county's allocation of state money for the~~

~~fiscal year ending June 30, 1990. As basic sliding fee program money becomes available to serve new families, eligible families whose benefits were terminated during the fiscal year ending June 30, 1990, for reasons other than loss of eligibility shall be reinstated. Families enrolled in the basic sliding fee program as of July 1, 1990, shall be continued until they are no longer eligible. Counties shall make vendor payments to the child care provider or pay the parent directly for eligible child care expenses on a reimbursement basis. Child care assistance provided through the child care fund is considered assistance to the parent.~~

(b) ~~One-fourth~~ One-third of the funds shall be allocated based on the number of children under age 13 in each county who are enrolled in general assistance medical care, medical assistance, and ~~the children's health plan on July 1, of each year~~ MinnesotaCare on December 31 of the most recent calendar year completed at the time of the notice of allocation.

(c) ~~One-fourth~~ One-third of the funds shall be allocated based on the number of children under age 13 who reside in each county, from the most recent estimates of the state demographer.

Sec. 13. Minnesota Statutes 1994, section 256H.03, is amended by adding a subdivision to read:

Subd. 4a. [SIX-MONTH ALLOCATION.] For the period from July 1, 1995, to December 31, 1995, every county shall receive an allocation at least equal and proportionate to one-half of its original allocation in state fiscal year 1995. Sec. 14. Minnesota Statutes 1994, section 256H.03, subdivision 6, is amended to read:

For purposes of this clause, "state and federal earnings" means the reported direct child care expenditures adjusted for the administrative allowance and 15 percent required county match. Beginning January 1, 1996, each county's guaranteed floor shall equal 90 percent of the allocation received in the preceding calendar year. For the calendar year 1996 allocation, the preceding calendar year shall be considered to be double the six-month allocation as provided for in subdivision 4a.~~

(b) When the amount of funds available for allocation is less than the amount available in the previous year, each county's previous year allocation shall be reduced in proportion to the reduction in the statewide funding, for the purpose of establishing the guaranteed floor.

Sec. 15. Minnesota Statutes 1994, section 256H.05, subdivision 6, is amended to read:

Subd. 6. [~~NON STRIDE AFDC CHILD CARE PROGRAM~~ ACCESS CHILD CARE PROGRAM.] Starting one month after April 30, 1992, the ~~department of human services commissioner~~ shall reimburse eligible expenditures for 2,000 family slots for AFDC caretakers not eligible for services under section 256.736, who are engaged in an authorized educational or job search program. Each county will receive a number of family slots based on the county's proportion of the AFDC caseload. A county must receive at least two family slots. Eligibility and

reimbursement are limited to the number of family slots allocated to each county. County agencies shall authorize an educational plan for each student and may prioritize families eligible for this program in their child care fund plan upon approval of the commissioner of ~~human services~~.

(a) Persons eligible for but unable to participate in the JOBS (STRIDE) program because of a waiting list may be accepted as a new participant, or continue to participate in the ACCESS child care program if a slot is available as long as all other eligibility factors are met. Child care assistance must continue under the ACCESS child care program until the participant loses eligibility or is enrolled in project STRIDE.

(b)(1) Effective July 1, 1995, the commissioner shall reclaim 90 percent of the vacant slots in each county and distribute those slots to counties with waiting lists of persons eligible for the ACCESS child care program. The slots must be distributed to eligible families based on the July 1, 1995, waiting list placement date, first-come, first-served basis.

(2) ACCESS child care slots remaining after the waiting list under clause (1) has been eliminated must be distributed to eligible families on a first-come, first-served basis, based on the client's date of request.

(3) The county must notify the commissioner when an ACCESS slot in the county becomes available. Notification by the county must be within five calendar days of the effective date of the termination of the ACCESS child care services. The resulting vacant slot must be returned to the department of human services. The slot must then be redistributed under clause (2).

(4) The commissioner shall consult with the task force on child care and make recommendations to the 1996 legislature for future distribution of the ACCESS slots under this paragraph.

Sec. 16. Minnesota Statutes 1994, section 256H.08, is amended to read:

**256H.08 [USE OF MONEY.]**

Money for persons listed in sections 256H.03, subdivision 2a, and 256H.05, subdivision 1b, shall be used to reduce the costs of child care for students, including the costs of child care for students while employed if enrolled in an eligible education program at the same time and making satisfactory progress towards completion of the program. Counties may not limit the duration of child care subsidies for a person in an employment or educational program, except when the person is found to be ineligible under the child care fund eligibility standards. Any limitation must be based on a person's employability plan in the case of an AFDC recipient, and county policies included in the child care allocation plan. Time limitations for child care assistance, as specified in Minnesota Rules, parts 9565.5000 to 9565.5200, do not apply to basic or remedial educational programs needed to prepare for post-secondary education or employment. These programs include: high school, general equivalency diploma, and English as a second language. Programs exempt from this time limit must not run concurrently with a post-secondary program. High school students who are participating in a post-secondary options program and who receive a high school diploma issued by the school district are exempt from the time limitations while pursuing a high school diploma. Financially eligible students who have received child care assistance for one academic year shall be provided child care assistance in the following academic year if funds allocated under sections 256H.03 and 256H.05 are available. If an AFDC recipient who is receiving AFDC child care assistance under this chapter moves to another county, continues to participate in educational or training programs authorized in their employability development plans, and continues to be eligible for AFDC child care assistance under this chapter, the AFDC caretaker must receive continued child care assistance from the county responsible for their current employability development plan, without interruption.

Sec. 17. Minnesota Statutes 1994, section 256H.11, subdivision 1, is amended to read:

**Subdivision 1. [ASSISTANCE FOR PERSONS SEEKING AND RETAINING EMPLOYMENT.]** Persons who are seeking employment and who are eligible for assistance under this section are eligible to receive the equivalent of up to one month of child care up to 240 hours of child care assistance per calendar year. Employed persons who work at least an average of ten hours a week and receive at least a minimum wage for all hours worked are eligible for continued child care assistance.

The commissioner shall recover funds from the county as necessary to bring county expenditures into compliance with this subdivision.

Sec. 19. Minnesota Statutes 1994, section 256H.12, is amended by adding a subdivision to read:

Subd. 1a. [LOCAL MATCH PERCENTAGE.] The local match percentage shall equal the lesser of either 15 percent of the cost of the basic sliding fee program or the statewide required local match in state fiscal year 1995, divided by the sum of the current year's basic sliding fee allocation, plus the statewide required local match in state fiscal year 1995 provided that the local match on any funding above the base year allocation shall be at least five percent. For purposes of this computation, the statewide required local match in state fiscal year 1995 shall be equal to the initial state fiscal year 1995 basic sliding fee allocation, divided by 85 percent, and then multiplied by 15 percent. The calendar year 1996 local match percentage shall be in effect for the six-month allocation period defined in section 256H.03.

If the county has not set a maximum provider rate and the provider rate is greater than 125 percent of the median provider rate in the county, the county shall pay the amount in excess of 125 percent of the median provider rate from county funding sources. The county shall pay the provider's full charges for every child in care up to the maximum established. The commissioner shall determine the maximum rate for each type of care, including special needs and handicapped care.~~

~~(b) Effective July 1, 1991, the maximum rate paid for child care assistance under the child care fund is the maximum rate eligible for federal reimbursement except that a provider receiving reimbursement under paragraph (a) as of January 1, 1991, shall be paid at a rate no less than the rate of reimbursement received under that paragraph. A rate which includes a provider bonus paid under subdivision 2 or a special needs rate paid under subdivision 3 may be in excess of the maximum rate allowed under this subdivision. The department of human services shall monitor the effect of this paragraph on provider rates. The county shall pay the provider's full charges for every child in care up to the maximum established. The commissioner shall determine the maximum rate for each type of care, including special needs and handicapped care.~~

~~(c) When the provider charge is greater than the maximum provider rate allowed, the parent is responsible for payment of the difference in the rates in addition to any family copayment fee.~~

The commissioner shall consider proposals by counties and vendors for prepaid health plans, competitive bidding programs, block grants, or other vendor payment mechanisms designed to provide services in an economical manner or to control utilization, with safeguards to ensure that necessary services are provided. Before implementing prepaid programs in counties with a county operated or affiliated public teaching hospital or a hospital or clinic operated by the University of Minnesota, the commissioner shall consider the risks the prepaid program creates for the hospital and allow the county or hospital the opportunity to participate in the program in a manner that reflects the risk of adverse selection and the nature of the patients served by the hospital, provided the terms of participation in the program are competitive with the terms of other participants considering the nature of the population served. Payment for services provided pursuant to this subdivision shall be as provided to medical assistance vendors of these services

under sections 256B.02, subdivision 8, and 256B.0625. For payments made during fiscal year 1990 and later years, the commissioner shall consult with an independent actuary in establishing prepayment rates, but shall retain final control over the rate methodology.

Reductions below the payments allowable under medical assistance for the remaining general assistance medical care services allowable under this subdivision may be reduced no more than five percent.

There shall be no copayment required of any recipient of benefits for any services provided under this subdivision. A hospital receiving a reduced payment as a result of this section may apply the unpaid balance toward satisfaction of the hospital's bad debts.

~~(e)~~ (f) Any county may, from its own resources, provide medical payments for which state payments are not made.

~~(f)~~ (g) Chemical dependency services that are reimbursed under chapter 254B must not be reimbursed under general assistance medical care.

Net tax capacity cannot be less than zero.

The total previous net tax capacity shall be reduced by the sum of (1) the unique taxing jurisdiction's previous net tax capacity of commercial-industrial property as defined in section 473F.02, subdivision 3, multiplied by the ratio determined pursuant to section 473F.08, subdivision 6, for the municipality, as defined in section 473F.02, subdivision 8, in which the unique taxing jurisdiction is located, (2) the previous net tax capacity of the captured value of tax increment financing districts as defined in section 469.177, subdivision 2, and of empowerment zones as defined in section 469.314, subdivision 2, and (3) the previous net tax capacity of transmission lines deducted from a local government's total net tax capacity under section 273.425. (h) For purposes of calculating and allocating homestead and agricultural credit aid authorized pursuant to subdivision 2 and the disparity reduction aid authorized in subdivision 3, "gross taxes levied on all properties," "gross taxes," or "taxes levied" means the total net tax capacity based taxes levied on all properties except that levied on the captured value of tax increment districts as defined in section 469.177, subdivision 2, and that levied on the portion of commercial industrial properties' assessed value or gross tax capacity, as defined in section 473F.02, subdivision 3, subject to the areawide tax as provided in section 473F.08, subdivision 6, in a unique taxing jurisdiction. (k) "Growth adjustment factor" means the household adjustment factor in the case of counties. In the case of cities, towns, school districts, and special taxing districts, the growth adjustment factor equals one. The growth adjustment factor cannot be less than one.

(l) For aid payable in 1992 and subsequent years, "homestead and agricultural credit base" means the previous year's certified homestead and agricultural credit aid determined under subdivision 2 less any permanent aid reduction in the previous year to homestead and agricultural credit aid under section 477A.0132, plus, for aid payable in 1992, fiscal disparity homestead and agricultural credit aid under subdivision 2b.

(m) "Net tax capacity adjustment" means (1) the total previous net tax capacity minus the total net tax capacity, multiplied by (2) the unique taxing jurisdiction's current local tax rate. The net tax capacity adjustment cannot be less than zero.

(n) "Fiscal disparity adjustment" means the difference between (1) a taxing jurisdiction's fiscal disparity distribution levy under section 473F.08, subdivision 3, clause (a), for taxes payable in the year prior to that for which aids are being calculated, and (2) the same distribution levy multiplied by the ratio of the highest class rate for class 3 property for taxes payable in the year prior to that for which aids are being calculated to the highest class rate for class 3 property for taxes payable in the second prior year to that for which aids are being calculated. In the case of school districts, the fiscal disparity distribution levy shall exclude that part of the levy attributable to equalized school levies.

Sec. 34. Minnesota Statutes 1994, section 275.011, subdivision 1, is amended to read:

Subdivision 1. The property tax levied for any purpose under a special law that is not codified in Minnesota Statutes or a city charter provision and that is subject to a mill rate limitation imposed by the special law or city charter provision, excluding levies subject to mill rate limitations that use adjusted assessed values determined by the commissioner of revenue under section 124.2131, must not exceed the following amount for the years specified:

(a) for taxes payable in 1988, the product of the applicable mill rate limitation imposed by

~~special law or city charter provision multiplied by the total assessed valuation of all taxable property subject to the tax as adjusted by the provisions of Minnesota Statutes 1986, sections 272.64; 273.13, subdivision 7a; and 275.49;~~

~~(b) for taxes payable in 1989, the product of (1) the property tax levy limitation for the taxes payable year 1988 determined under clause (a) multiplied by (2) an index for market valuation changes equal to the assessment year 1988 total market valuation of all taxable property subject to the tax divided by the assessment year 1987 total market valuation of all taxable property subject to the tax; and~~

~~(c) for taxes payable in 1990 and subsequent years, the product of (1) the property tax levy limitation for the previous year determined pursuant to this subdivision multiplied by (2) an index for market valuation changes equal to the total market valuation of all taxable property subject to the tax for the current assessment year divided by the total market valuation of all taxable property subject to the tax for the previous assessment year.~~

~~For the purpose of determining the property tax levy limitation for the taxes payable year 1988 and subsequent years under this subdivision, "total market valuation" means the total market valuation of all taxable property subject to the tax without valuation adjustments for fiscal disparities (chapter 473F), tax increment financing (sections 469.174 to 469.179), empowerment zones (sections 469.311 to 469.314), and high voltage transmission lines (section 273.425).~~

Sec. 35. Minnesota Statutes 1994, section 428A.03, subdivision 1, is amended to read:

Subdivision 1. [HEARING.] Service charges may be imposed by the city within the special service district at a rate or amount sufficient to produce the revenues required to provide special services in the district. To determine the appropriate rate for a service charge based on net tax capacity, taxable property or net tax capacity must be determined without regard to captured or original net tax capacity under section 469.177 or 469.314 or to the distribution or contribution value under section 473F.08. Service charges may not be imposed to finance a special service if the service is ordinarily provided by the city from its general fund revenues unless the service is provided in the district at an increased level. In that case, a service charge may be imposed only in the amount needed to pay for the increased level of service. A service charge may not be imposed on the receipts from the sale of intoxicating liquor, food, or lodging. Before the imposition of service charges in a district, for each calendar year, a hearing must be held under section 428A.02 and notice must be given and must be mailed to any individual or business organization subject to a service charge. For purposes of this section, the notice shall also include:

(1) a statement that all interested persons will be given an opportunity to be heard at the hearing regarding a proposed service charge;

(2) the estimated cost of improvements to be paid for in whole or in part by service charges imposed under this section, the estimated cost of operating and maintaining the improvements during the first year and upon completion of the improvements, the proposed method and source of financing the improvements, and the annual cost of operating and maintaining the improvements;

(3) the proposed rate or amount of the proposed service charge to be imposed in the district during the calendar year and the nature and character of special services to be rendered in the district during the calendar year in which the service charge is to be collected; and

(4) a statement that the petition requirements of section 428A.08 have either been met or do not apply to the proposed service charge.

Within six months of the public hearing, the city may adopt a resolution imposing a service charge within the district not exceeding the amount or rate expressed in the notice issued under this section.

Sec. 36. Minnesota Statutes 1994, section 428A.05, is amended to read:

428A.05 [COLLECTION OF SERVICE CHARGES.]

Service charges may be imposed on the basis of the net tax capacity of the property on which

the service charge is imposed but must be spread only upon the net tax capacity of the taxable property located in the geographic area described in the ordinance. Service charges based on net tax capacity may be payable and collected at the same time and in the same manner as provided for payment and collection of ad valorem taxes. Other service charges imposed must be collected as provided by ordinance. Service charges based on net tax capacity collected under sections 428A.01 to 428A.10 are not included in computations under section 469.177, 469.314, chapter 473F, or any other law that applies to general ad valorem levies.

Sec. 37. [469.311] [DEFINITIONS.]

Subdivision 1. [CAPTURED NET TAX CAPACITY.] "Captured net tax capacity" means 75 percent of the amount by which the current net tax capacity of an empowerment zone exceeds the original net tax capacity, including the value of property normally taxable as personal property by reason of its location on or over property owned by a tax-exempt entity.

Subd. 2. [ORIGINAL NET TAX CAPACITY.] "Original net tax capacity" means the tax capacity of all taxable real property within an empowerment zone as certified by the commissioner of revenue for the previous assessment year, provided that the request by a county for certification of a new empowerment zone has been made to the county auditor by June 30. The original tax capacity of zones for which requests are filed after June 30 has an original tax capacity based on the current assessment year. In any case, the original tax capacity must be determined together with subsequent adjustments as set forth in section 469.314, subdivisions 1 and 4. In determining the original net tax capacity, the net tax capacity of real property exempt from taxation at the time of the request shall be zero, except for real property which is tax exempt by reason of public ownership by the requesting county and which has been publicly owned for less than one year prior to the date of the request for certification, in which event the net tax capacity of the property shall be the net tax capacity as most recently determined by the commissioner of revenue.

Subd. 3. [PARCEL.] "Parcel" means a tract or plat of land established prior to the certification of the zone as a single unit for purposes of assessment.

Sec. 38. [469.312] [ESTABLISHING; MODIFYING EMPOWERMENT ZONE; ANNUAL ACCOUNTS.]

Subdivision 1. [EMPOWERMENT ZONE PLAN.] To establish an empowerment zone under sections 469.311 to 469.314, a county shall develop an empowerment zone plan which shall contain:

(1) a statement of the objectives and a description of the projects proposed by the county for the empowerment zone to accomplish the zone's purposes as stated in section 39, subdivision 2;

(2) a statement as to the program for the zone including a plan designed to secure development of private commercial or industrial enterprises within the zone. In addition, the public infrastructure improvements to be undertaken in the empowerment zone must be public infrastructure improvements that will maximize the development of private commercial or industrial enterprises within the empowerment zone;

(3) estimates of the following:

(i) cost of the program, including administration expenses;

(ii) sources of revenue to finance or otherwise pay public costs;

(iii) the most recent net tax capacity of taxable real property within the empowerment zone; and

(iv) the estimated captured net tax capacity of the empowerment zone at completion;

(4) statements of the county's alternate estimates of the impact of the empowerment zone on the net tax capacities of all taxing jurisdictions in which the empowerment zone is located in whole or in part. For purposes of one statement, the county shall assume that the estimated captured net tax capacity would be available to the taxing jurisdictions without creation of the zone, and for purposes of the second statement, the county shall assume that none of the estimated captured net tax capacity would be available to the taxing jurisdictions without creation of the zone; and

(5) identification of all parcels to be included in the zone, including verification that the total market value of all the parcels as most recently determined by the assessor at the time of the request for certification is no greater than the market value of those parcels as determined by the assessor as of the date four years prior to the request.

Subd. 2. [CITY, SCHOOL BOARD, AND PARK BOARD APPROVAL.] The city council of each city in which any portion of the proposed zone is located, the school board of each school district in which any portion of the proposed zone is located, and the board of the park district in which any portion of the proposed zone is located, if any, must approve the creation of an empowerment zone. The county shall present to the city council and the boards its estimate of the fiscal and economic implications of the proposed empowerment zone.

Subd. 3. [COUNTY APPROVAL; HEARING.] The county shall approve the empowerment zone plan only after a public hearing thereon after published notice in a newspaper of general circulation in the county at least once not less than ten days nor more than 30 days prior to the date of the hearing. The published notice must include a map of the area of the zone from which increments may be collected. Before or at the time of approval of the empowerment zone plan, the county shall make the following findings, and shall set forth in writing the reasons and supporting facts for each determination:

(1) that the public benefits proposed to accrue through the plan, in the opinion of the county, would not reasonably be expected to occur solely through private investment within the reasonably foreseeable future and therefore the creation of the empowerment zone is deemed necessary;

(2) that the empowerment zone plan will afford maximum opportunity, consistent with the sound needs of the county as a whole, for the development or redevelopment of the empowerment zone by private enterprise; and

(3) that the county elects the method of tax increment computation set forth in section 469.314, subdivision 3, paragraph (b), if applicable.

Subd. 4. [EFFECT OF APPROVAL.] Upon adoption of the empowerment zone plan, the authority shall file a copy of the plan with the commissioner of revenue.

Once approved, the determination of the county to create the empowerment zone and the resolution of the county board of commissioners shall be conclusive of the findings therein and of the public need for creation of the empowerment zone.

#### Sec. 39. [469.313] [LIMITATIONS.]

Subdivision 1. [DURATION LIMITS; TERMS.] No empowerment zone taxes shall be paid to the county after five years from date of receipt by the county of the first empowerment zone tax receipts.

Subd. 2. [LIMITATION ON USE OF EMPOWERMENT ZONE TAX RECEIPTS; GENERAL RULE.] All revenues derived from the empowerment zone tax shall be used in accordance with the empowerment zone plan. The revenues shall be used solely to pay the costs of capital improvements relating to public infrastructure, natural systems, and housing. The expenditures for these purposes must be planned in a manner that is most likely to accomplish the following goals:

(1) to reduce crime;

(2) to implement strategies for job skill enhancement; or

(3) to improve the local tax base.

#### Sec. 40. [469.314] [COMPUTATION OF EMPOWERMENT ZONE TAX.]

Subdivision 1. [ORIGINAL NET TAX CAPACITY.] (a) Upon or after adoption of an empowerment zone plan, the auditor of the county in which the zone is situated shall, upon request of the county, certify the original net tax capacity of the empowerment zone as described in the

empowerment zone plan and shall certify in each year thereafter the amount by which the original net tax capacity has increased or decreased as a result of a change in tax exempt status of property within the zone or changes pursuant to subdivision 4.

(b) If the classification under section 273.13 of property located in a zone changes to a classification that has a different assessment ratio, the original net tax capacity of that property must be redetermined at the time when its use is changed as if the property had originally been classified in the same class in which it is classified after its use is changed.

(c) The amount to be added to the original net tax capacity of the zone as a result of previously tax exempt real property within the zone becoming taxable equals the net tax capacity of the real property as most recently assessed pursuant to section 273.18 or, if that assessment was made more than one year prior to the date of title transfer rendering the property taxable, the net tax capacity assessed by the assessor at the time of the transfer. If substantial taxable improvements were made to a parcel after certification of the zone and if the property later becomes tax exempt, in whole or part, as a result of the county acquiring the property through foreclosure or exercise of remedies under a lease or other revenue agreement or as a result of tax forfeiture, the amount to be added to the original net tax capacity of the zone as a result of the property again becoming taxable is the amount of the parcel's value that was included in original net tax capacity when the parcel was first certified.

(d) If the net tax capacity of a property increases because the property no longer qualifies under the Minnesota agricultural property tax law, section 273.111; the Minnesota open space property tax law, section 273.112; or the metropolitan agricultural preserves act, chapter 473H, or because platted, unimproved property is improved or three years pass after approval of the plat under section 273.11, subdivision 1, the increase in net tax capacity must be added to the original net tax capacity.

(e) The amount to be subtracted from the original net tax capacity of the zone as a result of previously taxable real property within the zone becoming tax exempt shall be the amount of original net tax capacity initially attributed to the property becoming tax exempt. If the net tax capacity of property located within the empowerment zone is reduced by reason of a court-ordered abatement, stipulation agreement, voluntary abatement made by the assessor or auditor, or by order of the commissioner of revenue, the reduction shall be applied to the original net tax capacity of the zone when the property upon which the abatement is made has not been improved since the date of certification of the zone and to the captured net tax capacity of the zone in each year thereafter when the abatement relates to improvements made after the date of certification. The county auditor may specify reasonable form and content of the request for certification of the county.

Subd. 2. [CAPTURED NET TAX CAPACITY.] The county auditor shall certify the amount of the captured net tax capacity to the county each year, together with the proportion that the captured net tax capacity bears to the total net tax capacity of the real property within the tax increment financing zone for that year.

Subd. 3. [EMPOWERMENT ZONE TAX; RELATIONSHIP TO CHAPTER 473F.] (a) Unless the county board of commissioner elects, pursuant to paragraph (b) the following method of computation shall apply:

(1) the original net tax capacity and the current net tax capacity shall be determined before the application of the fiscal disparity provisions of chapter 473F. Where the original net tax capacity is equal to or greater than the current net tax capacity, there is no captured net tax capacity and no tax increment determination. Where the original net tax capacity is less than the current net tax capacity, 75 percent of the difference between the original net tax capacity and the current net tax capacity is the captured net tax capacity. This amount is the captured net tax capacity of the county; and

(2) the county auditor shall exclude the captured net tax capacity of the county from the net tax capacity of the local taxing districts in determining local taxing district tax rates. The local tax rates so determined are to be extended against the captured net tax capacity of the county as well as the net tax capacity of the local taxing districts. The tax generated by the extension of the local taxing district tax rates to the captured net tax capacity of the county is the empowerment zone tax of the county.

(b) The county may, by resolution approving the empowerment zone financing plan pursuant to section 469.312, subdivision 3, elect the following method of computation:

(1) the original net tax capacity shall be determined before the application of the fiscal disparity provisions of chapter 473F. The current net tax capacity shall exclude any fiscal disparity commercial-industrial net tax capacity increase between the original year and the current year multiplied by the fiscal disparity ratio determined pursuant to section 473F.08, subdivision 6. Where the original net tax capacity is equal to or greater than the current net tax capacity, there is no captured net tax capacity and no empowerment zone tax determination. Where the original net tax capacity is less than the current net tax capacity, 75 percent of the difference between the original net tax capacity and the current net tax capacity is the captured net tax capacity. This amount is the captured net tax capacity of the county;

(2) the county auditor shall exclude the captured net tax capacity of the county from the net tax capacity of the local taxing districts in determining local taxing district tax rates. The local tax rates so determined are to be extended against the captured net tax capacity of the county as well as the net tax capacity of the local taxing districts. The tax generated by the extension of the local taxing zone tax rates to the captured net tax capacity of the county is the empowerment zone tax of the county; and

(3) an election by the county pursuant to paragraph (b) shall be submitted to the county auditor by the county at the time of the request for certification pursuant to subdivision 1.

(c) The method of computation of empowerment zone tax applied to a zone pursuant to paragraph (a) or (b) shall remain the same for the duration of the zone, except that the county board of commissioners may elect to change its election from the method of computation in paragraph (a) to the method in paragraph (b).

Subd. 4. [PRIOR PLANNED IMPROVEMENTS.] The county shall, after diligent search, accompany its request for certification to the county auditor pursuant to subdivision 1 with a listing of all properties within the empowerment zone for which building permits have been issued during the 18 months immediately preceding approval of the empowerment plan by the county pursuant to section 469.312, subdivision 3. The county auditor shall increase the original net tax capacity of the zone by the net tax capacity of each improvement for which a building permit was issued.

Subd. 5. [EMPOWERMENT ZONE TAX RECEIPTS ACCOUNT.] The empowerment zone tax receipts received with respect to any zone shall be segregated by the county in a special account or accounts on its official books and records or as otherwise established by resolution of the county to be held by a trustee or trustees for the benefit of holders of the bonds.

Subd. 6. [REQUEST FOR CERTIFICATION OF NEW EMPOWERMENT ZONE.] A request for certification of a new empowerment zone pursuant to subdivision 1 received by the county auditor on or before July 1 shall be recognized by the county auditor in determining local tax rates for the current and subsequent levy years. Requests received by the county auditor after July 1 shall not be recognized by the county auditor in determining local tax rates for the current levy year but shall be recognized by the county auditor in determining local tax rates for subsequent levy years.

Subd. 7. [PROPERTY CLASSIFICATION CHANGES.] When any law governing the classification of real property and determining the percentage of market value to be assessed for ad valorem taxation purposes is amended, the increase or decrease in net tax capacity resulting therefrom shall be applied proportionately to original net tax capacity and captured net tax capacity of any empowerment zone in each year thereafter.

Sec. 41. Minnesota Statutes 1994, section 473.167, subdivision 3, is amended to read:

Subd. 3. [TAX.] The council may levy a tax on all taxable property in the metropolitan area, as defined in section 473.121, to provide funds for loans made pursuant to subdivisions 2 and 2a. This tax for the right-of-way acquisition loan fund shall be certified by the council, levied, and collected in the manner provided by section 473.13. The tax shall be in addition to that authorized by section 473.249 and any other law and shall not affect the amount or rate of taxes which may

be levied by the council or any metropolitan agency or local governmental unit. The amount of the levy shall be as determined and certified by the council, except as otherwise provided in this subdivision.

The property tax levied by the metropolitan council for the right-of-way acquisition loan fund shall not exceed the following amount for the years specified:

~~(a) for taxes payable in 1988, the product of 5/100 of one mill multiplied by the total assessed valuation of all taxable property located within the metropolitan area as adjusted by the provisions of Minnesota Statutes 1986, sections 272.64; 273.13, subdivision 7a; and 275.49;~~

~~(b) for taxes payable in 1989, except as provided in section 473.249, subdivision 3, the product of (1) the metropolitan council's property tax levy limitation for the right-of-way acquisition loan fund for the taxes payable year 1988 determined under clause (a) multiplied by (2) an index for market valuation changes equal to the assessment year 1988 total market valuation of all taxable property located within the metropolitan area divided by the assessment year 1987 total market valuation of all taxable property located within the metropolitan area;~~

~~(c) for taxes payable in 1990, an amount not to exceed \$2,700,000; and~~

~~(d) for taxes payable in 1991 and subsequent years, the product of (1) the metropolitan council's property tax levy limitation for the right-of-way acquisition loan fund for the taxes payable in 1988 determined under clause (a) multiplied by (2) an index for market valuation changes equal to the total market valuation of all taxable property located within the metropolitan area for the current taxes payable year divided by the total market valuation of all taxable property located within the metropolitan area for taxes payable in 1988.~~

For the purpose of determining the metropolitan council's property tax levy limitation for the right-of-way acquisition loan fund for the taxes payable year 1988 and subsequent years under this subdivision, "total market valuation" means the total market valuation of all taxable property within the metropolitan area without valuation adjustments for fiscal disparities (chapter 473F), tax increment financing (sections 469.174 to 469.179), empowerment zones (sections 469.311 to 469.314), and high voltage transmission lines (section 273.425).

The property tax levied under this subdivision for taxes payable in 1988 and subsequent years shall not be levied at a rate higher than that determined by the metropolitan council to be sufficient, considering the other anticipated revenues of and disbursements from the right-of-way acquisition loan fund, to produce a balance in the loan fund at the end of the next calendar year equal to twice the amount of the property tax levy limitation for taxes payable in the next calendar year determined under this section.

Sec. 42. Minnesota Statutes 1994, section 473.249, subdivision 1, is amended to read:

Subdivision 1. The metropolitan council may levy a tax on all taxable property in the metropolitan area defined in section 473.121 to provide funds for the purposes of sections 473.121 to 473.249 and for the purpose of carrying out other responsibilities of the council as provided by law. This tax for general purposes shall be levied and collected in the manner provided by section 473.13.

The property tax levied by the metropolitan council for general purposes shall not exceed the following amount for the years specified:

~~(a) for taxes payable in 1988, the product of 8/30 of one mill multiplied by the total assessed valuation of all taxable property located within the metropolitan area as adjusted by the provisions of Minnesota Statutes 1986, sections 272.64; 273.13, subdivision 7a; and 275.49;~~

~~(b) for taxes payable in 1989, the product of (1) the metropolitan council's property tax levy limitation for general purposes for the taxes payable year 1988 determined under clause (a) multiplied by (2) an index for market valuation changes equal to the assessment year 1988 total market valuation of all taxable property located within the metropolitan area divided by the assessment year 1987 total market valuation of all taxable property located within the metropolitan area; and~~

~~(e) for taxes payable in 1990 and subsequent years~~, the product of (1) the metropolitan council's property tax levy limitation for general purposes for the previous year determined under this subdivision multiplied by (2) the lesser of

(i) an index for market valuation changes equal to the total market valuation of all taxable property located within the metropolitan area for the current taxes payable year divided by the total market valuation of all taxable property located within the metropolitan area for the previous taxes payable year;

(ii) an index equal to the implicit price deflator for state and local government purchases of goods and services for the most recent month for which data are available divided by the implicit price deflator for state and local government purchases of goods and services for the same month of the previous year; or

(iii) 103 percent.

For the purpose of determining the metropolitan council's property tax levy limitation for general purposes ~~for the taxes payable year 1988 and subsequent years~~ under this subdivision, "total market valuation" means the total market valuation of all taxable property within the metropolitan area without valuation adjustments for fiscal disparities (chapter 473F), tax increment financing (sections 469.174 to 469.179), empowerment zones (sections 469.311 to 469.314), and high voltage transmission lines (section 273.425).

Sec. 43. Minnesota Statutes 1994, section 473.446, subdivision 1, is amended to read:

Subdivision 1. [TAXATION WITHIN TRANSIT TAXING DISTRICT.] For the purposes of sections 473.404 to 473.449 and the metropolitan transit system, except as otherwise provided in this subdivision, the council shall levy each year upon all taxable property within the metropolitan transit taxing district, defined in subdivision 2, a transit tax consisting of:

(a) an amount which shall be used for payment of the expenses of operating transit and paratransit service and to provide for payment of obligations issued by the council under section 473.436, subdivision 6;

(b) an additional amount, if any, the council determines to be necessary to provide for the full and timely payment of its certificates of indebtedness and other obligations outstanding on July 1, 1985, to which property taxes under this section have been pledged; and

(c) an additional amount necessary to provide full and timely payment of certificates of indebtedness, bonds, including refunding bonds or other obligations issued or to be issued under section 473.39 by the council for purposes of acquisition and betterment of property and other improvements of a capital nature and to which the council has specifically pledged tax levies under this clause.

The property tax levied by the council for general purposes under clause (a) must not exceed the following amount for the years specified:

(1) for taxes payable in 1995, the council's property tax levy limitation for general transit purposes is equal to the former regional transit board's property tax levy limitation for general transit purposes under this subdivision, for taxes payable in 1994, multiplied by an index for market valuation changes equal to the total market valuation of all taxable property located within the metropolitan transit taxing district for the current assessment year divided by the total market valuation of all taxable property located within the metropolitan transit taxing district for the previous assessment year; and

(2) for taxes payable in 1996 and subsequent years, the product of (i) the council's property tax levy limitation for general transit purposes for the previous year determined under this subdivision multiplied by (ii) an index for market valuation changes equal to the total market valuation of all taxable property located within the metropolitan transit taxing district for the current taxes payable year divided by the total market valuation of all taxable property located within the metropolitan transit taxing district for the previous taxes payable year. For the taxes payable year 1995, the index for market valuation changes shall be multiplied by an amount equal to the sum of the regional transit board's property tax levy limitation for the taxes payable year 1994 and \$160,665.

The \$160,665 increase shall be a permanent adjustment to the levy limit base used in determining the regional transit board's property tax levy limitation for general purposes for subsequent taxes payable years.

For the purpose of determining the council's property tax levy limitation for general transit purposes under this subdivision, "total market valuation" means the total market valuation of all taxable property within the metropolitan transit taxing district without valuation adjustments for fiscal disparities (chapter 473F), tax increment financing (sections 469.174 to 469.179), empowerment zones (sections 469.311 to 469.314), and high voltage transmission lines (section 273.425).

The county auditor shall reduce the tax levied pursuant to this subdivision on all property within statutory and home rule charter cities and towns that receive full-peak service and limited off-peak service by an amount equal to the tax levy that would be produced by applying a rate of 0.510 percent of net tax capacity on the property. The county auditor shall reduce the tax levied pursuant to this subdivision on all property within statutory and home rule charter cities and towns that receive limited peak service by an amount equal to the tax levy that would be produced by applying a rate of 0.765 percent of net tax capacity on the property. The amounts so computed by the county auditor shall be submitted to the commissioner of revenue as part of the abstracts of tax lists required to be filed with the commissioner under section 275.29. Any prior year adjustments shall also be certified in the abstracts of tax lists. The commissioner shall review the certifications to determine their accuracy and may make changes in the certification as necessary or return a certification to the county auditor for corrections. The commissioner shall pay to the council the amounts certified by the county auditors on the dates provided in section 273.1398. There is annually appropriated from the general fund in the state treasury to the department of revenue the amounts necessary to make these payments.

For the purposes of this subdivision, "full-peak and limited off-peak service" means peak period regular route service, plus weekday midday regular route service at intervals longer than 60 minutes on the route with the greatest frequency; and "limited peak period service" means peak period regular route service only.

Sec. 44. Minnesota Statutes 1994, section 473.711, subdivision 2, is amended to read:

Subd. 2. [BUDGET; TAX LEVY.] The metropolitan mosquito control commission shall prepare an annual budget. The budget may provide for expenditures in an amount not exceeding the property tax levy limitation determined in this subdivision. The commission may levy a tax on all taxable property in the district as defined in section 473.702 to provide funds for the purposes of sections 473.701 to 473.716. The tax shall not exceed the property tax levy limitation determined in this subdivision. A participating county may agree to levy an additional tax to be used by the commission for the purposes of sections 473.701 to 473.716 but the sum of the county's and commission's taxes may not exceed the county's proportionate share of the property tax levy limitation determined under this subdivision based on the ratio of its total net tax capacity to the total net tax capacity of the entire district as adjusted by section 270.12, subdivision 3. The auditor of each county in the district shall add the amount of the levy made by the district to other taxes of the county for collection by the county treasurer with other taxes. When collected, the county treasurer shall make settlement of the tax with the district in the same manner as other taxes are distributed to political subdivisions. No county shall levy any tax for mosquito, disease vectoring tick, and black gnat (*Simuliidae*) control except under sections 473.701 to 473.716. The levy shall be in addition to other taxes authorized by law.

The property tax levied by the metropolitan mosquito control commission shall not exceed the product of (1) the commission's property tax levy limitation for the previous year determined under this subdivision multiplied by (2) an index for market valuation changes equal to the total market valuation of all taxable property located within the district for the current assessment year divided by the total market valuation of all taxable property located within the district for the previous assessment year.

For the purpose of determining the commission's property tax levy limitation under this subdivision, "total market valuation" means the total market valuation of all taxable property within the district without valuation adjustments for fiscal disparities (chapter 473F), tax

increment financing (sections 469.174 to 469.179), empowerment zones (sections 469.311 to 469.314), and high voltage transmission lines (section 273.425).

Sec. 45. Minnesota Statutes 1994, section 473F.08, subdivision 4, is amended to read:

Subd. 4. [TAX RATE; NONCOMMERCIAL PROPERTY.] In 1972 and subsequent years, the county auditor shall divide that portion of the levy determined pursuant to subdivision 3, clause (b), by the net tax capacity of the governmental unit, taking ~~section~~ sections 469.177, subdivision 3, and 469.314, subdivision 3, into account, less that portion subtracted from net tax capacity pursuant to subdivision 2, clause (a). The resulting tax rate shall apply to all taxable property except commercial-industrial property, which shall be taxed in accordance with subdivision 6.

Sec. 46. Minnesota Statutes 1994, section 477A.011, subdivision 20, is amended to read:

Subd. 20. [CITY NET TAX CAPACITY.] "City net tax capacity" means (1) the net tax capacity computed using the net tax capacity rates in section 273.13, and the market values for taxes payable in the year prior to the aid distribution plus (2) a city's fiscal disparities distribution tax capacity under section 473F.08, subdivision 2, paragraph (b), for taxes payable in the year prior to that for which aids are being calculated. The market value utilized in computing city net tax capacity shall be reduced by the sum of (1) a city's market value of commercial industrial property as defined in section 473F.02, subdivision 3, multiplied by the ratio determined pursuant to section 473F.08, subdivision 2, paragraph (a), (2) the market value of the captured value of tax increment financing districts as defined in section 469.177, subdivision 2, and the captured net tax capacity of empowerment zones as defined in section 469.314, subdivision 2, and (3) the market value of transmission lines deducted from a city's total net tax capacity under section 273.425. The city net tax capacity will be computed using equalized market values.

Sec. 47. [EMPOWERMENT ZONES; ADMINISTRATIVE SIMPLIFICATION OF WELFARE LAWS.]

(a) The commissioner of human services shall make recommendations to effectuate the changes in federal laws and regulations, state laws and rules, and the state plan to improve the administrative efficiency of the aid to families with dependent children, general assistance, work readiness, family general assistance, medical assistance, general assistance medical care, and food stamp programs. At a minimum, the following administrative standards and procedures must be changed.

The commissioner shall:

(1) require income or eligibility reviews no more frequently than annually for cases in which income is normally invariant, as in aid to families with dependent children cases where the only source of household income is Supplemental Social Security Income;

(2) permit households to report income annually when the source of income is excluded, such as a minor's earnings;

(3) require income or eligibility reviews no more frequently than annually for extended medical assistance cases;

(4) require income or eligibility reviews no more frequently than annually for a medical assistance postpartum client, where the client previously had eligibility under a different basis prior to pregnancy or if other household members have eligibility with the same income/basis that applies to the client;

(5) permit all income or eligibility reviews for foster care medical assistance cases to use the short application form;

(6) make dependent care expenses declaratory for medical assistance; and

(7) permit households to only report gifts worth \$100 or more per month.

(b) The county's administrative savings resulting from these changes may be allocated to fund the empowerment zones initiative or be used for any other lawful purpose.

(c) The recommendations must be provided in a report to the chairs of the appropriate legislative committees by August 1, 1995. The recommendations must include a list of the administrative standards and procedures that require approval by the federal government before implementation, and also which administrative simplification standards and procedures may be implemented by a county prior to receiving a federal waiver.

(d) The commissioner shall seek the necessary waivers from the federal government as soon as possible to implement the administrative simplification standards and procedures.

Sec. 48. [EMPOWERMENT ZONES.]

The commissioner of human services, and certain county agencies shall develop, by December 1, 1995, a plan to improve the employment opportunities available to economic assistance recipients. The employment activities shall be focused on improving public infrastructure, enhancing the local tax base, improving the quality of available housing, reducing crime, designing strategies for job skill enhancement, strengthening communities, and maintaining and improving natural systems. The county is authorized to retain 75 percent of the increased valuation of the property included in the empowerment zone for five years. This money must be placed into a pool and used for funding of empowerment zones. The plan shall include input and support from city council, county board, park board, and school board. The plan shall coordinate existing funding streams and target them to mutually agreed upon projects. Organized labor shall be consulted in the development of the plan and implementation of any work activities. Participating jurisdictions shall report back to the legislature by August 1, 1995, with a plan for the projects to be located in pockets of poverty, as identified by the city council, county board, park board, and school board.

The commissioner of human services is authorized to permit counties to use the savings that have been identified as resulting from the administrative simplification of welfare laws to fund the empowerment zone initiative."

Subd. 4. [GENERAL ASSISTANCE MEDICAL CARE; SERVICES.] (a) For a person who is eligible under subdivision 3, paragraph (a), clause (3), general assistance medical care covers, except as provided in paragraph (c):

- (1) inpatient hospital services;
- (2) outpatient hospital services;
- (3) services provided by Medicare certified rehabilitation agencies;
- (4) prescription drugs and other products recommended through the process established in section 256B.0625, subdivision 13;
- (5) equipment necessary to administer insulin and diagnostic supplies and equipment for diabetics to monitor blood sugar level;
- (6) eyeglasses and eye examinations provided by a physician or optometrist;

- (7) hearing aids;
  - (8) prosthetic devices;
  - (9) laboratory and X-ray services;
  - (10) physician's services;
  - (11) medical transportation;
  - (12) chiropractic services as covered under the medical assistance program;
  - (13) podiatric services;
  - (14) dental services;
  - (15) outpatient services provided by a mental health center or clinic that is under contract with the county board and is established under section 245.62;
  - (16) day treatment services for mental illness provided under contract with the county board;
  - (17) prescribed medications for persons who have been diagnosed as mentally ill as necessary to prevent more restrictive institutionalization;
  - (18) case management services for a person with serious and persistent mental illness who would be eligible for medical assistance except that the person resides in an institution for mental diseases;
  - (19) psychological services, medical supplies and equipment, and Medicare premiums, coinsurance and deductible payments;
  - (20) medical equipment not specifically listed in this paragraph when the use of the equipment will prevent the need for costlier services that are reimbursable under this subdivision; and
  - (21) services performed by a certified pediatric nurse practitioner, a certified family nurse practitioner, a certified adult nurse practitioner, a certified obstetric/gynecological nurse practitioner, or a certified geriatric nurse practitioner in independent practice, if the services are otherwise covered under this chapter as a physician service, and if the service is within the scope of practice of the nurse practitioner's license as a registered nurse, as defined in section 148.171.

- (d) In order to contain costs, the commissioner of human services shall select vendors of medical care who can provide the most economical care consistent with high medical standards and shall where possible contract with organizations on a prepaid capitation basis to provide these services. The commissioner shall consider proposals by counties and vendors for prepaid health plans, competitive bidding programs, block grants, or other vendor payment mechanisms designed to provide services in an economical manner or to control utilization, with safeguards to ensure that necessary services are provided. Before implementing prepaid programs in counties with a county operated or affiliated public teaching hospital or a hospital or clinic operated by the University of Minnesota, the commissioner shall consider the risks the prepaid program creates for the hospital and allow the county or hospital the opportunity to participate in the program in a manner that reflects the risk of adverse selection and the nature of the patients served by the hospital, provided the terms of participation in the program are competitive with the terms of other participants considering the nature of the population served. Payment for services provided pursuant to this subdivision shall be as provided to medical assistance vendors of these services under sections 256B.02, subdivision 8, and 256B.0625. For payments made during fiscal year 1990 and later years, the commissioner shall consult with an independent actuary in establishing prepayment rates, but shall retain final control over the rate methodology.

(d) (e) The commissioner of human services may reduce payments provided under sections 256D.01 to 256D.21 and 261.23 in order to remain within the amount appropriated for general assistance medical care, within the following restrictions.

For the period July 1, 1985 to December 31, 1985, reductions below the cost per service unit allowable under section 256.966, are permitted only as follows: payments for inpatient and outpatient hospital care provided in response to a primary diagnosis of chemical dependency or mental illness may be reduced no more than 30 percent; payments for all other inpatient hospital care may be reduced no more than 20 percent. Reductions below the payments allowable under general assistance medical care for the remaining general assistance medical care services allowable under this subdivision may be reduced no more than ten percent.

For the period January 1, 1986 to December 31, 1986, reductions below the cost per service unit allowable under section 256.966 are permitted only as follows: payments for inpatient and outpatient hospital care provided in response to a primary diagnosis of chemical dependency or mental illness may be reduced no more than 20 percent; payments for all other inpatient hospital care may be reduced no more than 15 percent. Reductions below the payments allowable under general assistance medical care for the remaining general assistance medical care services allowable under this subdivision may be reduced no more than five percent.

For the period January 1, 1987 to June 30, 1987, reductions below the cost per service unit allowable under section 256.966 are permitted only as follows: payments for inpatient and outpatient hospital care provided in response to a primary diagnosis of chemical dependency or mental illness may be reduced no more than 15 percent; payments for all other inpatient hospital care may be reduced no more than ten percent. Reductions below the payments allowable under medical assistance for the remaining general assistance medical care services allowable under this subdivision may be reduced no more than five percent.

For the period July 1, 1987 to June 30, 1988, reductions below the cost per service unit allowable under section 256.966 are permitted only as follows: payments for inpatient and outpatient hospital care provided in response to a primary diagnosis of chemical dependency or mental illness may be reduced no more than 15 percent; payments for all other inpatient hospital care may be reduced no more than five percent. Reductions below the payments allowable under medical assistance for the remaining general assistance medical care services allowable under this subdivision may be reduced no more than five percent.

For the period July 1, 1988 to June 30, 1989, reductions below the cost per service unit allowable under section 256.966 are permitted only as follows: payments for inpatient and outpatient hospital care provided in response to a primary diagnosis of chemical dependency or mental illness may be reduced no more than 15 percent; payments for all other inpatient hospital care may not be reduced. Reductions below the payments allowable under medical assistance for the remaining general assistance medical care services allowable under this subdivision may be reduced no more than five percent.

There shall be no copayment required of any recipient of benefits for any services provided under this subdivision. A hospital receiving a reduced payment as a result of this section may apply the unpaid balance toward satisfaction of the hospital's bad debts.

(e) (f) Any county may, from its own resources, provide medical payments for which state payments are not made.

(f) (g) Chemical dependency services that are reimbursed under chapter 254B must not be reimbursed under general assistance medical care.

(g) (h) The maximum payment for new vendors enrolled in the general assistance medical care program after the base year shall be determined from the average usual and customary charge of the same vendor type enrolled in the base year.

(h) (i) The conditions of payment for services under this subdivision are the same as the conditions specified in rules adopted under chapter 256B governing the medical assistance program, unless otherwise provided by statute or rule."

Mr. Chandler questioned whether the amendment was germane.

The President ruled that the amendment was not germane.

Mr. Scheevel moved to amend H.F. No. 5, the unofficial engrossment, as follows:

Page 41, after line 10, insert:

"Sec. 25. Minnesota Statutes 1994, section 256B.0625, subdivision 13, is amended to read:

Subd. 13. [DRUGS.] (a) Medical assistance covers drugs, except for fertility drugs when specifically used to enhance fertility, if prescribed by a licensed practitioner and dispensed by a licensed pharmacist, or by a physician enrolled in the medical assistance program as a dispensing physician. The commissioner, after receiving recommendations from professional medical associations and professional pharmacist associations, shall designate a formulary committee to advise the commissioner on the names of drugs for which payment is made, recommend a system for reimbursing providers on a set fee or charge basis rather than the present system, and develop methods encouraging use of generic drugs when they are less expensive and equally effective as trademark drugs. The formulary committee shall consist of nine members, four of whom shall be physicians who are not employed by the department of human services, and a majority of whose practice is for persons paying privately or through health insurance, three of whom shall be pharmacists who are not employed by the department of human services, and a majority of whose practice is for persons paying privately or through health insurance, a consumer representative, and a nursing home representative. Committee members shall serve three-year terms and shall serve without compensation. Members may be reappointed once.

(b) The commissioner shall establish a drug formulary. Its establishment and publication shall not be subject to the requirements of the administrative procedure act, but the formulary committee shall review and comment on the formulary contents. The formulary committee shall review and recommend drugs which require prior authorization. The formulary committee may recommend drugs for prior authorization directly to the commissioner, as long as opportunity for public input is provided. Prior authorization may be requested by the commissioner based on medical and clinical criteria before certain drugs are eligible for payment. Before a drug may be considered for prior authorization at the request of the commissioner:

(1) the drug formulary committee must develop criteria to be used for identifying drugs; the development of these criteria is not subject to the requirements of chapter 14, but the formulary committee shall provide opportunity for public input in developing criteria;

(2) the drug formulary committee must hold a public forum and receive public comment for an additional 15 days; and

(3) the commissioner must provide information to the formulary committee on the impact that placing the drug on prior authorization will have on the quality of patient care and information regarding whether the drug is subject to clinical abuse or misuse. Prior authorization may be required by the commissioner before certain formulary drugs are eligible for payment. The formulary shall not include:

(i) drugs or products for which there is no federal funding;

(ii) over-the-counter drugs, except for antacids, acetaminophen, family planning products, aspirin, insulin, products for the treatment of lice, vitamins for adults with documented vitamin deficiencies, and vitamins for children under the age of seven and pregnant or nursing women;

(iii) any other over-the-counter drug identified by the commissioner, in consultation with the drug formulary committee, as necessary, appropriate, and cost-effective for the treatment of certain specified chronic diseases, conditions or disorders, and this determination shall not be subject to the requirements of chapter 14;

- (iv) anorectics; and
- (v) drugs for which medical value has not been established.

The commissioner shall publish conditions for prohibiting payment for specific drugs after considering the formulary committee's recommendations.

(c) The basis for determining the amount of payment shall be the lower of the actual acquisition costs of the drugs plus a fixed dispensing fee established by the commissioner, the maximum allowable cost set by the federal government or by the commissioner plus the fixed dispensing fee or the usual and customary price charged to the public. Actual acquisition cost includes quantity and other special discounts except time and cash discounts. The actual acquisition cost of a drug shall be estimated by the commissioner, at average wholesale price minus 7.6 percent effective January 1, 1994. The maximum allowable cost of a multisource drug may be set by the commissioner and it shall be comparable to, but no higher than, the maximum amount paid by other third-party payors in this state who have maximum allowable cost programs. Establishment of the amount of payment for drugs shall not be subject to the requirements of the administrative procedure act. An additional dispensing fee of \$.30 may be added to the dispensing fee paid to pharmacists for legend drug prescriptions dispensed to residents of long-term care facilities when a unit dose blister card system, approved by the department, is used. Under this type of dispensing system, the pharmacist must dispense a 30-day supply of drug. The National Drug Code (NDC) from the drug container used to fill the blister card must be identified on the claim to the department. The unit dose blister card containing the drug must meet the packaging standards set forth in Minnesota Rules, part 6800.2700, that govern the return of unused drugs to the pharmacy for reuse. The pharmacy provider will be required to credit the department for the actual acquisition cost of all unused drugs that are eligible for reuse. Over-the-counter medications must be dispensed in the manufacturer's unopened package. The commissioner may permit the drug clozapine to be dispensed in a quantity that is less than a 30-day supply. Whenever a generically equivalent product is available, payment shall be on the basis of the actual acquisition cost of the generic drug, unless the prescriber specifically indicates "dispense as written - brand necessary" on the prescription as required by section 151.21, subdivision 2. Implementation of any change in the fixed dispensing fee that has not been subject to the administrative procedure act is limited to not more than 180 days, unless, during that time, the commissioner initiates rulemaking through the administrative procedure act.

(d) Until the date the on-line, real-time Medicaid Management Information System (MMIS) upgrade is successfully implemented, as determined by the commissioner of administration, a pharmacy provider may require individuals who seek to become eligible for medical assistance under a one-month spenddown, as provided in section 256B.056, subdivision 5, to pay for services to the extent of the spenddown amount at the time the services are provided. A pharmacy provider choosing this option shall file a medical assistance claim for the pharmacy services provided. If medical assistance reimbursement is received for this claim, the pharmacy provider shall return to the individual the total amount paid by the individual for the pharmacy services reimbursed by the medical assistance program. If the claim is not eligible for medical assistance reimbursement because of the provider's failure to comply with the provisions of the medical assistance program, the pharmacy provider shall refund to the individual the total amount paid by the individual. Pharmacy providers may choose this option only if they apply similar credit restrictions to private pay or privately insured individuals. A pharmacy provider choosing this option must inform individuals who seek to become eligible for medical assistance under a one-month spenddown of (1) their right to appeal the denial of services on the grounds that they have satisfied the spenddown requirement, and (2) their potential eligibility for the MinnesotaCare program or the children's health plan."

The purpose of the program is to:

- (1) ensure that the participant is working as early as possible;
- (2) promote greater opportunity for economic self-support, participation, and mobility in the work force; and
- (3) minimize the risk for long-term welfare dependency.

Subd. 4. [PROGRAM ADMINISTRATION.] The program must be administered in a way that, in addition to the county agency, other sectors in the community such as employers from the public and private sectors, not-for-profit organizations, educational and social service agencies, labor unions, and neighborhood associations are involved. To the extent possible, program operation shall be advised and supported by a voluntary local entity organized specifically for the program.

Subd. 5. [PROGRAM DESIGN.] The program shall meet the following principles:

- (4) maximum use is made of tax credits to supplement income.

Subd. 6. [WAIVER REQUESTS.] The department shall request all waivers as soon as possible to implement the program by July 1, 1996, or as soon as possible thereafter, provided that all conditions are met under section 256.01, subdivision 2, clause (12). - (1) request all waivers to implement the program by July 1, 1996, or as soon as possible thereafter;
- (2) establish the program according to sections 256.7341 to 256.7349 and allocate money to pilot counties participating in the program;

If there is a dispute between an exclusive bargaining representative and a county or public work employer over whether or not job duties are covered under a collective bargaining agreement, the exclusive bargaining representative, the county, or the public works employer may petition the bureau of mediation services, who shall determine if the job duties are covered by a collective bargaining agreement.

Subd. 10. [DUTIES OF PARTICIPANT.] The participant must cooperate with the county agency, the provider, and the participant's employer in all aspects of the program to be eligible for AFDC or FGA.

Sec. 11. [256.7342] [PROGRAM PARTICIPANTS.]

An applicant who has never received an AFDC or FGA grant through the MAXIS computer system as a caretaker, or whose AFDC or FGA application was denied or grant terminated due to noncompliance with the work first requirements, must meet the requirements under the work first program. If eligible, the payments for rent and utilities up to the AFDC or FGA benefits to which the assistance unit is entitled will be vendor paid for as many months as the recipient is eligible or six months, whichever comes first. The residual amount after vendor payment, if any, will be paid to the AFDC or FGA recipient, unless it is used as a wage subsidy under section 256.7344, subdivision 2. This provision shall apply to all applicants including those meeting the exemption categories under section 256.7343, subdivision 1, or the deferral categories under section 256.7343, subdivision 9.

Sec. 12. [256.7343] [PROGRAM REQUIREMENTS.]

Subdivision 1. [EXEMPTION CATEGORIES.] The applicant or recipient will be exempted from conducting job search and working in temporary public service job and development of JSP or EDP, if the applicant or recipient belongs to any of the following groups:

(1) caretakers under age 20 who have not completed a high school education and are attending high school on a full-time basis;

(2) individuals who are age 60 or older;

(3) individuals who are suffering from a professionally certified permanent or temporary illness, injury, or incapacity which is expected to continue for more than 30 days and which prevents the person from obtaining or retaining employment;

(4) caretakers whose presence in the home is needed because of illness or incapacity of another member in the household;

(5) women who are pregnant, if it has been medically verified that the child is expected to be born within the next six months;

(6) caretakers or other caretaker relatives of a child under the age of three who personally provide full-time care for the child;

(7) individuals employed at least 30 hours per week;

(8) individuals for whom participation would require a round trip commuting time by available transportation of more than two hours, excluding transporting of children for child care; and

(9) individuals in need of refresher courses for purposes of obtaining professional certification or licensure.

Subd. 2. [AFDC-UP APPLICANTS AND RECIPIENTS.] All applicants or recipients under the AFDC-UP program are required to participate in the community work experience program under section 256.737, instead of the program established in this section, subdivisions 5 to 12.

Subd. 2a. [DESIGNATED PARTICIPANT IN FGA FAMILIES.] Unless all adult members of a FGA family are exempt under section 256.7343, subdivision 1, one adult in the family must be designated to participate in all the requirements under this section. If the household contains more than one nonexempt adult, the adults may determine which adult must participate. If no designation is made or if the adults cannot agree, the county shall designate the adult having earned the greater income, including in-kind income, during the 24-month period immediately preceding the month of application for general assistance, as the adult that must participate. When there are no earnings or when earnings are identical for each adult, the county agency shall designate which adult must participate.

Subd. 3. [NOTIFICATION OF PROGRAM REQUIREMENTS.] Except for the provisions in this section, the provisions for AFDC and FGA application process shall be followed. Within two days after the receipt of a completed combined application form, the county agency must notify the applicant who meets the definitions under section 256.7342, in writing of the program including the following provisions:

(1) notification that, as part of the application process, applicants are required to attend program orientation within 14 days from the date of application;

(2) the program provider, the date, time, and location of the scheduled program orientation;

(3) the immediate availability of supportive services, including, but not limited to, child care, transportation, medical assistance, and other work-related aid; and

(4) the rights, responsibilities, and obligations of participants in the program, including, but not limited to, the grounds for exemptions and deferrals, the consequences for refusing or failing to participate fully, and the appeal process.

Subd. 4. [PROGRAM ORIENTATION; EMPLOYMENT ADVISOR.] The provider must give a face-to-face orientation regarding the program to the applicant within 14 days after the date of application. The provider must assign an employment advisor to the nonexempt applicant at the end of orientation. The orientation must be designed to inform the applicants of:

(1) the importance of locating and obtaining a job as soon as possible;

(2) the benefits that will be provided to support work;

(3) the manner by which benefits shall be paid;

(4) how other supportive services such as medical assistance, child care, transportation, and other work-related aid shall be available to support job search and work;

(5) the consequences for failure without good cause to comply with program requirements; and

(6) the appeal process.

Subd. 5. [JOB SEARCH PLAN.] Within seven days from the date of issuance of the initial payment, the participant must meet with the employment advisor. With advice from the employment advisor, the participant must develop a job search plan (JSP) based on existing job markets, prior employment, work experience, and transferable work skills. A job search must be planned and conducted for a period of up to eight consecutive weeks from the date of eligibility and for at least 32 hours per week. The types of and target number of job openings to be pursued per week must be written in the job search plan. The following activities may be included in the job search plan:

(1) motivational counseling;

- (2) job networking or training on how to locate job openings;
- (3) development of a personal resume; and
- (4) information on how to conduct job interviews and establish a personal job network.

Following the development of the JSP or the employability development plan (EDP) under subdivision 8, the employment advisor must assist the participant to obtain benefits under sections 256.7346 and 256.7347 to support the job search or employability development plan. The provider must attach to the appropriate plan the summary of the necessary enabling services and benefits to be furnished by the provider. The provider or its representative and the participant must sign the plan, with its attachment, to indicate a self-sufficiency agreement between the provider and the participant.

Subd. 6. [IMMEDIATE JOB SEARCH.] A participant must be required to begin job search within seven days after the date of issuance of initial payment for at least 32 hours per week for up to eight weeks, unless exempted under subdivision 1 or deferred under subdivision 8. Within the first five days of job search, the participant is required to initiate informational contacts with prospective employers, generate additional job leads from the job network, review references and experiences from previous employment, and carry out the other activities under the job search plan developed under subdivision 5.

Subd. 7. [JOB SEARCH STATUS REPORT.] The participant must submit a completed JSP status report form to the employment advisor every two weeks during the job search process.

Subd. 8. [EMPLOYABILITY DEVELOPMENT PLAN.] At the discretion and approval of the employment advisor, the participant may be deferred from the requirement to conduct at least 32 hours of job search per week for up to eight consecutive weeks, if during the development of the job search plan, the participant is determined to:

(1) not have worked within the past 12 months and not have a high school or a general equivalency diploma provided the participant agrees to develop and carry out an EDP instead of job search plan, and concurrently work for at least 16 hours per week in a temporary public service job. The EDP must include the employment goals and specific outcomes the participant must achieve;

(2) potentially have a difficulty in obtaining and retaining a job due to lack of proficiency in the English language, provided that the participant is attending an intensive program designed to remedy the language deficiency, agrees to develop an EDP instead of a job search plan and concurrently work for at least 16 hours per week in a temporary service job; or

(3) be within six months of completing any post-secondary training program, provided that the participant agrees to develop and carry out an EDP instead of a job search plan, and concurrently work for a minimum number of hours per week in a temporary public service job. The EDP must include the employment goal and specific outcomes that the participant must achieve. The participant that is deferred under this subdivision may choose to work in a job other than a public service job for a minimum number of hours per week rather than in a temporary public service job. For individuals who are participating in an educational program under this paragraph and who are attending school full time as determined by the institution there is no work requirement.

For individuals participating in an educational program on a part-time basis as determined by the institution, the minimum number of hours that a participant must work shall be increased in inverse proportion to the number of credit hours being taken, up to a maximum of eight hours weekly work.

During vacation periods of one month or more, a 16-hour per week minimum work requirement shall apply.

The participant may be deferred for up to six months. At the end of the deferment period, the participant must develop a job search plan and conduct at least 32 hours of job search per week for up to eight consecutive weeks, and submit reports as required under subdivisions 6 and 7.

Subd. 9. [EDP STATUS REPORT.] The participant who is deferred from job search under

subdivision 8 must submit a completed EDP status report form to the employment advisor every 14 days as long as the participant continues to be deferred.

Subd. 10. [JOB OFFER.] The participant must not refuse any job offer, provided that the job is within the participant's physical and mental abilities, pays hourly gross wages of not less than the applicable state or federal minimum wage, and meets health and safety standards set by federal, state, and local agencies. If a job is offered, the participant must inform the county and provider immediately to redetermine eligibility for and extent of benefits and services to support work. To enhance job retention, the provider may provide services such as motivational counseling or on-site problem solving for up to six months. The participant who has completed at least six months of work in a nonsubsidized job shall be encouraged to participate in a training program that would improve the participant's ability to obtain a job that pays a higher wage.

Subd. 11. [DUTY TO REPORT.] The participant must immediately inform the county and provider regarding any changes related to the participant's employment status.

Subd. 12. [REQUIREMENT TO WORK IN A TEMPORARY PUBLIC SERVICE JOB.] (a) If after the completion of the maximum eight weeks of job search the participant has failed to secure a nonsubsidized or a subsidized job for at least 32 hours per week, or does not earn a net income from self-employment that is equal to at least the AFDC or FGA monthly grant to which the recipient is entitled, whichever is applicable, the participant is required to work in a temporary public service job for up to 67 working days for (1) at least 32 hours per week, or (2) a period equivalent to the result of dividing the AFDC or FGA grant to which the recipient is entitled, whichever is applicable, by the federal hourly minimum wage, or applicable hourly state minimum wage, or the hourly rate of pay for individuals employed in the same occupation at the site, whichever is highest. If the result is more than 128 hours per month, the participant's requirement to work in a temporary public service job shall not be more than 32 hours per week.

(b) Within seven days from the date of issuance of the initial payment, the participant that is deferred under subdivision 8, clause (1), clause (2), or clause (3), and is participating in an educational program or part-time basis must work in a temporary public service job as required.

(c) The provider shall strive to match the profile of the participant with the needs of the employers that are participating in a temporary jobs program under section 256.7345.

Subd. 13. [TERMINATION OF WORK ASSIGNMENT.] If after 67 working days in a temporary public service job, under subdivision 12, paragraph (a), the participant has not secured a nonsubsidized job, the employer must terminate the work assignment and inform the county or the provider. The county or provider must briefly assess the participant's status and refer the participant to other work and training programs.

#### Sec. 13. [256.7344] [JOB DEVELOPMENT AND SUBSIDY.]

Subdivision 1. [JOB INVENTORY.] The provider must develop an inventory of job openings including full-time, part-time, permanent, temporary or seasonal, and training positions, in partnership with private and public employers, local industry councils, and employment agencies. To the extent possible, the inventory must include specific information regarding job openings, must be updated on a weekly basis, and must be available to all participants on a daily basis.

Subd. 2. [JOB SUBSIDY.] The county may use all or part of an AFDC or FGA benefit as a subsidy to employers for the purpose of providing work experience or training to the participant who has completed the job search plan, provided that (1) the job to be subsidized is permanent and full time, and pays an hourly rate of at least \$6 per hour; (2) the employer agrees to retain the participant after satisfactory completion of the work experience or training period; and (3) the participant has first tried to secure a nonsubsidized job by following the job search plan. The subsidy may be available for up to six months.

#### Sec. 14. [256.7345] [TEMPORARY JOBS PROGRAM.]

Subdivision 1. [PROGRAM ESTABLISHED.] The provider must establish and operate a program to provide temporary jobs to participants who, after eight weeks of job search, are not hired into a nonsubsidized or a subsidized job, or are deferred under section 256.7343, subdivision

8. The temporary jobs to be created under this section must be public service jobs that serve a useful public service such as: health, social service, environmental protection, education, urban and rural development and redevelopment, welfare, recreation, public facilities, public safety, community service, services to the aged or disabled citizens, and child care.

Subd. 2. [ASSIGNMENT TO TEMPORARY PUBLIC SERVICE JOBS.] The provider must assign the participant that is within completion of the required eight weeks of job search and has failed to secure a nonsubsidized or a subsidized job for at least 32 hours per week, or does not earn a net income from self-employment that is equal to at least the AFDC or FGA monthly grant to which the recipient is entitled, whichever is applicable, to a temporary public service job. The assignment must be made seven days before the end of the job search and be based on section 256.7343, subdivision 12. The participant that is deferred under section 256.7343, subdivision 8, will be assigned by the provider to a temporary public service job within seven days of the date of issuance of the initial payment.

Subd. 3. [PARTICIPANT'S STATUS.] The participant who is working in a temporary public service job under this section is not considered an employee for the purposes of unemployment insurance compensation, retirement, or civil service laws, and shall not perform work ordinarily performed by a public employee.

Subd. 4. [CONTINUOUS JOB SEARCH REQUIREMENT.] At the discretion of the employer or the provider, the participant who is working in a temporary public service job under section 256.7343, subdivision 12, may be required to continue to look for a job for up to eight hours per week.

Subd. 5. [EXCUSED ABSENCES.] The participant who is working in a temporary public service job may be allowed excused absences from the assigned temporary job site up to eight hours per month. For the purposes of this subdivision, "excused absence" means absence due to temporary illness or injury of the caretaker or a member of the caretaker's family, the unavailability of licensed child care or unavailability of transportation needed to go to and from the work site, or a nonmedical emergency. For the purposes of this subdivision, "emergency" means a sudden, unexpected occurrence or situation of a serious or urgent nature that requires action.

Subd. 6. [MOVE TO A DIFFERENT COUNTY.] If the applicant or recipient who is required under the work first program moves to a different county in Minnesota, the benefits and enabling services as agreed upon in the self-sufficiency agreement shall be provided by the pilot county where the applicant or recipient originated as long as the move was included in the job search or employability development plan. If the applicant or recipient is moving to a different county for failure to comply with the requirements of the work first program, the applicant or recipient will not be eligible for AFDC or FGA in Minnesota for at least six months from the date of the move.

**Sec. 15. [256.7346] [TRANSITIONAL BENEFITS TO SUPPORT WORK; RENT AND UTILITIES VENDOR PAYMENT.]**

Payments for rent and utilities up to the amount of the AFDC or FGA benefits to which the assistance unit is entitled shall be provided in the form of vendor payments for as many months as the recipient is eligible or six months, whichever comes first. The residual amount after vendor payment, if any, will be paid to the AFDC or FGA recipient, unless it is used as a wage subsidy under section 256.7344, subdivision 2. This provision shall apply to all applicants including those meeting the exemption categories under section 256.7343, subdivision 1, or the deferral categories under section 256.7343, subdivision 8. To the extent needed, a job search allowance shall be provided for up to eight weeks to cover expenses related to the job search. Before the job search allowance is issued, it must be approved by the employment advisor and clearly described in the job search plan.

**Sec. 16. [256.7347] [ELIGIBILITY FOR FOOD STAMPS, MEDICAL ASSISTANCE, AND CHILD CARE.]**

The participant shall be treated as an AFDC or FGA recipient for food stamps, medical assistance, and child care eligibility purposes. As with an AFDC recipient, the participant who leaves the program as a result of increased earnings from employment shall be eligible for transitional medical assistance and child care.

Sec. 17. [256.7348] [SANCTIONS AND APPEAL PROCESS.]

Subdivision 1. [GOOD CAUSE.] (a) For the purpose of this subdivision, "good cause" means absence due to: temporary illness or injury of the participant or a member of the participant's family; the unavailability of licensed child care or the unavailability of transportation needed to attend orientation or conduct job search; or an emergency as defined under section 256.7345, subdivision 5.

(b) An applicant who is required, but fails, without good cause, to participate in program orientation under section 256.7343, subdivision 4, shall be denied AFDC and FGA benefits. The applicant will not be eligible for AFDC or FGA in Minnesota for the next six months.

(c) Applicants and recipients in AFDC-UP cases who are subject to the vendor payment provisions of section 256.7346 and required to attend program orientation under section 256.7343, subdivision 4, are subject to the job search, work experience, and sanction provisions of sections 256.736, subdivision 14, and 256.737 and not the job search and work provisions under work first program.

(d) If, after receiving a written warning from the county, the participant fails without good cause to conduct at least 32 hours of job search per week in any given two-week period, the participant is required to immediately begin work for at least 16 hours per week in a temporary public service job. The required 32 hours per week of job search will be reduced to 16 hours.

(e) If the participant who is deferred under section 256.7343, subdivision 8, fails without good cause to comply with the activities described in the EDP, the participant will lose the deferment status, provided that the participant has received at least two written warnings from the provider.

(f) If the participant refuses to work in a temporary public service job or is terminated from a temporary public service job for failure to work, benefits to the assistance unit shall be terminated and the participant is not eligible for aid under the AFDC or FGA program for at least six months from the date of refusal or termination. If the participant, before completing at least three consecutive months of employment, voluntarily quits a nonsubsidized or a subsidized job, or is terminated, the participant shall immediately be assigned to work in a temporary public service job for at least 32 hours per week for at least 67 working days, unless the participant is hired or rehired into a nonsubsidized or subsidized job.

Subd. 2. [NOTICE OF SANCTIONS.] If the county determines that the participant has failed or refused without good cause, as defined in subdivision 1, to cooperate with the program requirements, the county shall inform the participant in writing of the county's intent to impose an applicable sanction under subdivision 1, and the participant's opportunity to have a conciliation conference, upon request, within five days of receipt of the notice, before sanction is imposed.

Sec. 18. [256.7349] [FUNDING.]

Subdivision 1. [BLOCK GRANT.] A block grant to fund the entire program including, but not limited to, the costs for program administration and provision of cash benefits and program services including the entire costs of vendor payments made on behalf of clients and the entire cost of the temporary jobs program, will be paid to the county agency or provider participating in the work first program. Counties may request additional funds if there are unexpected increases in caseload.

Subd. 2. [LEVERAGING GRANT AMOUNT TO SECURE OTHER FUNDS.] The county agency or the provider in cooperation with the department may leverage the grant amount to secure other funds from employers, foundations, and the community for the purpose of developing additional components to benefit children and improve the program.

Subd. 3. [EMPLOYER REIMBURSEMENT.] The employer shall be reimbursed for wages paid to participants under section 256.7344, subdivision 2."

The person's eligibility under this category must be reassessed at least annually by the county agency and must be based upon the results of a new individualized employability assessment completed by the work readiness service provider. The recipient shall, if otherwise eligible, continue to receive general assistance while the annual individualized employability assessment is completed by the work readiness service provider, rather than receive work readiness payments under section 256D.051. The county agency must provide notice to the person not later than 30 days before annual eligibility under this item ends, informing the person of the date annual eligibility will end and the need for vocational assessment if the person wishes to continue eligibility under this clause. approved by the director of the county agency or a designated representative as a component of a social services case plan for the child; or the child is living with an adult with the consent of the child's legal custodian and the county agency. For purposes of this clause, "legally emancipated" means a person under the age of 18 years who: (i) has been married; (ii) is on active duty in the uniformed services of the United States; (iii) has been emancipated by a court of competent jurisdiction; or (iv) is otherwise considered emancipated under Minnesota law, and for whom county social services has not determined that a social services case plan is necessary, for reasons other than that the child has failed or refuses to cooperate with the county agency in developing the plan;

The designation may be changed once annually at the annual redetermination of eligibility. If no designation is made or if the adults cannot agree, the county agency shall designate the adult having earned the greater of the incomes, including in-kind income, during the 24-month period immediately preceding the month of application for general assistance, as the adult that must participate. To the extent of available resources, and with the county agency's consent, the recipient may voluntarily continue to participate in food stamp employment and training services for up to three additional consecutive months immediately following termination of general assistance benefits in order to complete the provisions of the recipient's employability development plan. If the adult member fails without~~

Subd. 2. [TIME LIMIT OF 24 MONTHS IMPLEMENTATION.] The waiver request authorized by this section shall be submitted by the commissioner of human services and evaluated as part of the AFDC waiver package authorized by the 1995 legislature. The waiver authorized by this section shall become effective on the first day of the first month after receipt of federal approval. All families receiving AFDC benefits on that date may continue to receive benefits for no more than 24 additional consecutive months. All households that become eligible on or after that date may receive benefits for no more than 24 months out of a 48-month period. Households who lose eligibility for benefits because of the time limits imposed under this waiver are eligible to apply after 36 months have elapsed since losing eligibility due to the time limits for an additional 24 months of benefits out of another 48-month period.

After receiving federal approval for the waiver, and after its implementation under the following subdivision, the commissioner of finance, with the assistance of the commissioner of human services, must estimate the savings resulting from implementation of the waiver request by January 1, 1998, and by each January 1 thereafter, and must transfer this amount to an account in the general fund to be known as the "welfare dependency education account." Money in this account shall not cancel and shall be appropriated by the legislature for education purposes.

Subd. 3. [CONTINUED ELIGIBILITY FOR MEDICAL ASSISTANCE.] Subject to federal approval and contingent on federal financial participation, recipients that lose AFDC eligibility due to the time limits imposed under this section, but who otherwise would be eligible for medical assistance, must be provided continuing categorical eligibility for medical assistance during the 36-month period. The 36-month period begins to run on the first day of the month subsequent to the month in which the household loses benefits due to the time limit.

Subd. 4. [CONTINUED ELIGIBILITY FOR CHILD CARE ASSISTANCE.] As part of this waiver request, the commissioner shall seek federal approval to provide 12 months of child care assistance with federal financial participation to families otherwise eligible for AFDC who lose benefits because of the time limits imposed by this section. The 12-month period begins to run on the first day of the first month subsequent to the month in which the household loses benefits due to the time limit. If the waiver request authorized by this section is not granted, the commissioner shall seek legislation to make families who lose AFDC eligibility because of the time limits, a priority under Minnesota Statutes, section 256H.03.

Subd. 5. [CONTINUED ELIGIBILITY FOR EMPLOYMENT AND TRAINING SERVICES.] As part of the waiver request authorized by this section, the commissioner shall seek federal approval and federal financial participation to provide 12 months of employment and training services to families who lose benefits because of the time limits imposed by this section. The 12-month period begins to run on the first day of the first month subsequent to the month in which the household loses benefits due to the time limit.

Subd. 6. [EXTENSION OF BENEFITS BEYOND 24 MONTHS.] The waiver request must provide for an extension of the eligibility period beyond 24 months for families who meet certain conditions. In each month after the 24-month time limit expires that each person in the assistance household meets at least one of the following conditions, the household may receive AFDC benefit payments:

- (1) the person receives a supplemental security income payment;
- (2) the person is the head of the household, is not a legally responsible relative of a dependent child in the household, and is not included in determining the amount of the household's benefit;
- (3) the person is under 18 years of age;
- (4) the person is incapacitated or is needed in the home to care for another member of the household who is incapacitated;
- (5) the person is needed in the home to care for a child who is under the age of three; or
- (6) the county agency determines, in accordance with rules promulgated by the commissioner, that unusual circumstances exist that warrant an additional month of benefit payments and an extension of the benefit period.

Subd. 7. [COORDINATION WITH OTHER PROGRAMS.] (a) Families who lose eligibility for AFDC because of the time limits are not eligible for general assistance under Minnesota Statutes, section 256D.05, subdivision 1, paragraph (a), clause (15), during their period of ineligibility for AFDC because of the time limits.

(b) In setting up the waiver, the commissioner shall exempt families participating in the Minnesota family investment plan under Minnesota Statutes, sections 256.031 to 256.0361, who are headed by a single parent and are in the first 24 months of their transitional status under Minnesota Statutes, section 256.035.

(c) The commissioner shall coordinate the design and implementation of the waiver with operation of the STRIDE program under Minnesota Statutes, section 256.736."

"Sec. 28. Minnesota Statutes 1994, section 256D.09, subdivision 2a, is amended to read:

Subd. 2a. ~~[REPRESENTATIVE PAYEE VENDOR PAYMENTS FOR DRUG DEPENDENT PERSONS.] Notwithstanding subdivision 1, the commissioner shall adopt rules, and may adopt emergency rules, governing the assignment of a representative payee and management of the general assistance or work readiness assistance grant of a drug dependent person as defined in section 254A.02, subdivision 5. The representative payee is responsible for deciding how the drug dependent person's benefits can best be used to meet that person's needs. The determination of drug dependency must be made by an assessor qualified under Minnesota Rules, part 9530.6615, subpart 2, to perform an assessment of chemical use. Upon receipt of the assessor's determination of drug dependency, the county shall determine whether a representative payee will be assigned to manage the person's benefits. The chemical use assessment, the decision to refer a person for the assessment, and the county determination of whether a representative payee will be assigned are subject to the administrative and judicial review provisions of section 256.045. However, notwithstanding any provision of section 256.045 to the contrary, an applicant or recipient who is referred for an assessment and is otherwise eligible to receive a general assistance or work readiness benefit, may only be provided with emergency general assistance or vendor payments pending the outcome of an administrative or judicial review. If, at the time of application or at any other time, there is a reasonable basis for questioning whether a person applying for or receiving financial assistance or a work readiness assistance grant is drug dependent, as defined in section 254A.02, subdivision 5, the person may shall be referred for a chemical health assessment, and only emergency assistance payments or general assistance vendor payments may be provided until the assessment is complete and the results of the assessment made available to the county agency. A reasonable basis for questioning whether a person is drug dependent referring an individual for an assessment exists when:~~

- (1) the person has required detoxification two or more times in the past 12 months;
- (2) the person appears intoxicated at the county agency as indicated by two or more of the following:
  - (i) the odor of alcohol;
  - (ii) slurred speech;
  - (iii) disconjugate gaze;
  - (iv) impaired balance;
  - (v) difficulty remaining awake;
  - (vi) consumption of alcohol;
  - (vii) responding to sights or sounds that are not actually present;
  - (viii) extreme restlessness, fast speech, or unusual belligerence;
- (3) the person has been involuntarily committed for drug dependency at least once in the past 12 months; or
- (4) the person has received treatment, including domiciliary care, for drug abuse or dependency at least twice in the past 12 months.

~~The assignment to representative payee status must be reviewed at least every 12 months. The county agency shall designate the representative payee after consultation with the recipient. The county agency shall select the representative payee from appropriate individuals, or public or nonprofit agencies, including those suggested by the recipient, but the county agency's designation of representative payee prevails, subject to the administrative and judicial review provisions of section 256.045.~~

The assessment and determination of drug dependency, if any, must be made by an assessor qualified under Minnesota Rules, part 9530.6615, subpart 2, to perform an assessment of chemical use. The county shall only provide emergency general assistance or vendor payments to an otherwise eligible applicant or recipient who is determined to be drug dependent, except up to 15 percent of the grant amount the person would otherwise receive may be paid in cash. Notwithstanding subdivision 1, the commissioner of human services shall also require county agencies to provide assistance only in the form of vendor payments to all eligible recipients who assert chemical dependency as a basis for eligibility under section 256D.05, subdivision 1, paragraph (a), clauses (1) and (6).

The determination of drug dependency shall be reviewed at least every 12 months. If the county determines a recipient is no longer drug dependent, the county may cease vendor payments and provide the recipient payments in cash.

INTERSTATE COMPACT

Section 1. Minnesota Statutes 1994, section 16B.75, is amended to read:

16B.75 [INTERSTATE COMPACT ON INDUSTRIALIZED/MODULAR BUILDINGS.]

The state of Minnesota ratifies and approves the following compact:

INTERSTATE COMPACT ON INDUSTRIALIZED/MODULAR BUILDINGS

ARTICLE I

FINDINGS AND DECLARATIONS OF POLICY

(1) The compacting states find that:

(a) Industrialized/modular buildings are constructed in factories in the various states and are a growing segment of the nation's affordable housing and commercial building stock.

(b) The regulation of industrialized/modular buildings varies from state to state and locality to locality, which creates confusion and burdens state and local building officials and the industrialized/modular building industry.

(c) Regulation by multiple jurisdictions imposes additional costs, which are ultimately borne by the owners and users of industrialized/modular buildings, restricts market access and discourages the development and incorporation of new technologies.

(2) It is the policy of each of the compacting states to:

(a) Provide the states which regulate the design and construction of industrialized/modular buildings with a program to coordinate and uniformly adopt and administer the states' rules and regulations for such buildings, all in a manner to assure interstate reciprocity.

(b) Provide to the United States Congress assurances that would preclude the need for a voluntary preemptive federal regulatory system for modular housing, as outlined in Section 572 of the Housing and Community Development Act of 1987, including development of model standards for modular housing construction, such that design and performance will insure quality, durability and safety; will be in accordance with life-cycle cost-effective energy conservation standards; all to promote the lowest total construction and operating costs over the life of such housing.

## ARTICLE II DEFINITIONS

As used in this compact, unless the context clearly requires otherwise:

(1) "Commission" means the interstate industrialized/modular buildings commission.

(2) "Industrialized/modular building" means any building which is of closed construction, i.e. constructed in such a manner that concealed parts or processes of manufacture cannot be inspected at the site, without disassembly, damage or destruction, and which is made or assembled in manufacturing facilities, off the building site, for installation, or assembly and installation, on the building site. "Industrialized/modular building" includes, but is not limited to, modular housing which is factory-built single-family and multifamily housing (including closed wall panelized housing) and other modular, nonresidential buildings. "Industrialized/modular building" does not include any structure subject to the requirements of the National Manufactured Home Construction and Safety Standards Act of 1974.

(3) "Interim reciprocal agreement" means a formal reciprocity agreement between a noncompacting state wherein the noncompacting state agrees that labels evidencing compliance with the model rules and regulations for industrialized/modular buildings, as authorized in Article VIII, section (9), shall be accepted by the state and its subdivisions to permit installation and use of industrialized/modular buildings. Further, the noncompacting state agrees that by legislation or regulation, and appropriate enforcement by uniform administrative procedures, the noncompacting state requires all industrialized/modular building manufacturers within that state to comply with the model rules and regulations for industrialized/modular buildings.

(4) "State" means a state of the United States, territory or possession of the United States, the District of Columbia, or the Commonwealth of Puerto Rico.

(5) "Uniform administrative procedures" means the procedures adopted by the commission (after consideration of any recommendations from the rules development committee) which state and local officials, and other parties, in one state, will utilize to assure state and local officials, and other parties, in other states, of the substantial compliance of industrialized/modular building construction with the construction standard of requirements of such other states; to assess the adequacy of building systems; and to verify and assure the competency and performance of evaluation and inspection agencies.

(6) "Model rules and regulations for industrialized/modular buildings" means the construction standards adopted by the commission (after consideration of any recommendations from the rules development committee) which govern the design, manufacture, handling, storage, delivery and installation of industrialized/modular buildings and building components. The construction standards and any amendments thereof shall conform insofar as practicable to model building codes and referenced standards generally accepted and in use throughout the United States.

## ARTICLE III CREATION OF COMMISSION

The compacting states hereby create the Interstate Industrialized/Modular Buildings Commission, hereinafter called commission. Said commission shall be a body corporate of each compacting state and an agency thereof. The commission shall have all the powers and duties set forth herein and such additional powers as may be conferred upon it by subsequent action of the respective legislatures of the compacting states.

The commissioner shall be selected by the governor of the compacting state, being designated from the state agency charged with regulating industrialized/modular buildings or, if such state agency does not exist, being designated from among those building officials with the most appropriate responsibilities in the state. The

commissioner may designate another official as an alternate to act on behalf of the commissioner at commission meetings which the commissioner is unable to attend.

Each state commissioner shall be appointed, suspended, or removed and shall serve subject to and in accordance with the laws of the state which said commissioner represents; and each vacancy occurring shall be filled in accordance with the laws of the state wherein the vacancy exists.

~~When For every three state commissioners that have been appointed in the manner described, those state commissioners shall select one additional commissioner who shall be a representative of manufacturers of industrial- residential- or commercial-use industrialized/modular buildings. When For every six state commissioners that have been appointed in the manner described, the state commissioners shall select a second one additional commissioner who shall be a representative of consumers of industrialized/modular buildings. With each addition of three state commissioners, the state commissioners shall appoint one additional representative commissioner, alternating between a representative of manufacturers of industrialized/modular buildings and consumers of industrialized/modular buildings. The ratio between state commissioners and representative commissioners shall be three to one.~~ In the event states withdraw from the compact or, for any other reason, the number of state commissioners is reduced, the state commissioners shall remove the last added representative commissioner as necessary to maintain a the ratio of state commissioners to representative commissioners of three to one described herein.

Upon a majority vote of the state commissioners, the state commissioners may remove, fill a vacancy created by, or replace any representative commissioner, provided that any replacement is made from the same representative group and ~~a three to one ratio~~ the ratio described herein is maintained. Unless provided otherwise, the representative commissioners have the same authority and responsibility as the state commissioners.

In addition, the commission may have as a member one commissioner representing the United States government if federal law authorizes such representation. This committee may recommend procedures which state and local officials, and other parties, in one state, may utilize to assure state and local officials, and other parties, in other states, of the substantial compliance of industrialized/modular building construction with the construction standard requirements of such other states; to assess the adequacy of building systems; and to verify and assure the competency and performance of evaluation and inspection agencies. This committee may also recommend construction standards for the design, manufacture, handling, storage, delivery and installation of industrialized/modular buildings and building components. The committee will submit its recommendations to the commission, for the commission's consideration in adopting and amending the uniform administrative procedures and the model rules and regulations for industrialized/modular buildings. The committee may also review the regulatory programs of the compacting states to determine whether those programs are consistent with the uniform administrative procedures or the model rules and regulations for industrialized/modular buildings and may make recommendations concerning the states' programs to the commission. (10) Assist and support compacting states' investigations into and resolutions of consumer complaints which relate to industrialized/modular buildings constructed in one compacting state and sited in another compacting state.

(11) Borrow, accept or contract for the services of personnel from any state or the United States or any subdivision or agency thereof, from any interstate agency, or from any institution, association, person, firm or corporation.

(12) Accept for any of its purposes and functions under this compact any and all donations, and grants of money, equipment, supplies, materials and services (conditional or otherwise) from any state or the United States or any subdivision or agency thereof, from any interstate agency, or from any institution, person, firm or corporation, and may receive, utilize and dispose of the same.

The total amount of appropriations requested under any such budget shall be apportioned among the compacting states as follows: one-half in equal shares; one-fourth among the compacting states in accordance with the ratio of their populations to the total population of the compacting states, based on the last decimal federal census; and one-fourth among the compacting states in accordance with the ratio of industrialized/modular building units manufactured in each state to the total of all units manufactured in all of the compacting states.

The commission shall not pledge the credit of any compacting state. The commission may meet any of its obligations in whole or in part with funds available to it by donations, grants, or sale of labels: provided that the commission takes specific action setting aside such funds prior to incurring any obligation to be met in whole or in part in such manner. Except where the commission makes use of funds available to it by donations, grants or sale of labels, the commission shall not incur any obligation prior to the allotment of funds by the compacting states adequate to meet the same.

"Manager" does not include a person who is hired on a casual basis and not in the ongoing course of the business of the owner.

Subd. 5. [OWNER.] "Owner" has the meaning given in section 566.18, subdivision 3. However, "owner" does not include a person who owns, operates, or is in control of a health care facility or a home health agency licensed by the commissioner of health or human services under chapter 144, 144A, or 245A.

Subd. 6. [SUPERINTENDENT.] "Superintendent" means the superintendent of the bureau of criminal apprehension.

Subd. 7. [TENANT.] "Tenant" has the meaning given in section 566.18, subdivision 2.

Sec. 3. [299C.68] [BACKGROUND CHECKS ON MANAGERS.]

Subdivision 1. [WHEN REQUIRED.] Before hiring a manager, an owner shall request the superintendent to conduct a background check under this section. An owner may employ a manager after requesting a background check under this section before receipt of the background check report, provided that the owner complies with section 299C.69. An owner may request a background check for a currently employed manager under this section. By August 1, 1996, an owner shall request the superintendent to conduct a background check under this section for managers hired before August 1, 1995, who are currently employed.

Subd. 2. [PROCEDURES.] The superintendent shall develop procedures to enable an owner to request a background check to determine whether a manager is the subject of a reported conviction for a background check crime. The superintendent shall perform the background check by retrieving and reviewing data on background check crimes maintained in the CJIS computers. If the manager has resided in Minnesota for less than five years or upon request of the owner, the superintendent shall also conduct a search of the national criminal records repository, including the criminal justice data communications network. The superintendent is authorized to exchange fingerprints with the Federal Bureau of Investigation for purposes of the criminal history check. The superintendent shall recover the cost of a background check through a fee charged to the owner.

Subd. 3. [FORM.] The superintendent shall develop a standardized form to be used for requesting a background check, which must include:

(1) a notification to the manager that the owner will request the superintendent to perform a background check under this section;

(2) a notification to the manager of the manager's rights under subdivision 4; and

(3) a signed consent by the manager to conduct the background check.

If the manager has resided in Minnesota for less than five years, or if the owner is requesting a search of the national criminal records repository, the form must be accompanied by the fingerprints of the manager on whom the background check is to be performed.

Subd. 4. [MANAGER'S RIGHTS.] (a) The owner shall notify the manager of the manager's rights under paragraph (b).

(b) A manager who is the subject of a background check request has the following rights:

(1) the right to be informed that the owner will request a background check on the manager to determine whether the manager has been convicted of a crime specified in section 299C.67, subdivision 2;

(2) the right to be informed by the owner of the superintendent's response to the background check and to obtain from the owner a copy of the background check report;

(3) the right to obtain from the superintendent any record that forms the basis for the report;

(4) the right to challenge the accuracy and completeness of information contained in the report or record under section 13.04, subdivision 4; and

(5) the right to be informed by the owner if the manager's application to be employed by the owner or to continue as an employee has been denied because of the result of the background check.

Subd. 5. [RESPONSE OF BUREAU.] The superintendent shall respond to a background check request within a reasonable time not to exceed ten working days after receiving the signed form under subdivision 3. If a search is being done of the national criminal records repository and that portion of the background check is not completed, the superintendent shall notify the owner that the background check is not complete and shall provide that portion of the background check to

the owner as soon as it is available. The superintendent's response must indicate whether the manager has ever been convicted of a background check crime and, if so, a description of the crime, date and jurisdiction of conviction, and date of discharge of the sentence.

Subd. 6. [EQUIVALENT BACKGROUND CHECK.] (a) An owner may satisfy the requirements of this section by obtaining a background check from a private business or a local law enforcement agency rather than the superintendent if the scope of the background check provided by the private business or local law enforcement agency is at least as broad as that of a background check performed by the superintendent and the response to the background check request occurs within a reasonable time not to exceed ten working days after receiving the signed form described in subdivision 3. Local law enforcement agencies may access the criminal justice data network to perform the background check.

(b) A private business or local law enforcement agency providing a background check under this section must use a notification form similar to the form described in subdivision 3, except that the notification form must indicate that the background check will be performed by the private business or local law enforcement agency using records of the superintendent and other data sources.

Sec. 4. [299C.69] [OWNER DUTIES IF MANAGER CONVICTED OF BACKGROUND CHECK CRIME.]

(a) If the superintendent's response indicates that the manager has been convicted of a background check crime defined in section 299C.67, subdivision 2, paragraph (a), the owner may not hire the manager or, if the manager was hired pending completion of the background check, shall terminate the manager's employment. Except as provided in paragraph (c), if an owner otherwise knows that a manager has been convicted of a background check crime defined in section 299C.67, subdivision 2, paragraph (a), the owner shall terminate the manager's employment.

(b) If the superintendent's response indicates that the manager has been convicted of a background check crime defined in section 299C.67, subdivision 2, paragraph (b), the owner may not hire the manager unless more than ten years have elapsed since the date of discharge of the sentence. If the manager was hired pending completion of the background check, the owner shall terminate the manager's employment unless more than ten years have elapsed since the date of discharge of the sentence. Except as provided in paragraph (c), if an owner otherwise knows that a manager has been convicted of a background check crime defined in section 299C.67, subdivision 2, paragraph (b), the owner shall terminate the manager's employment unless more than ten years have elapsed since the date of discharge of the sentence.

(c) If an owner knows that a manager hired before August 1, 1995, was convicted of a background check crime for an offense committed before August 1, 1995, the owner may continue to employ the manager. However, the owner shall notify all tenants and prospective tenants whose dwelling units would be accessible to the manager of the crime for which the manager has been convicted and of the right of a current tenant to terminate the tenancy under this paragraph, if the manager was convicted of a background check crime defined in:

(1) section 299C.67, subdivision 2, paragraph (a); or

(2) section 299C.67, subdivision 2, paragraph (b), unless more than ten years have elapsed since the sentence was discharged.

Notwithstanding a lease provision to the contrary, a current tenant who receives a notice under this paragraph may terminate the tenancy within 60 days of receipt of the notice by giving the owner at least 14 days' advance notice of the termination date.

(d) The owner shall notify the manager of any action taken under this subdivision.

Sec. 5. [299C.70] [PENALTY.]

An owner who knowingly fails to comply with the requirements of section 299C.68 or 299C.69 is guilty of a misdemeanor.

Sec. 6. [299C.71] [BUREAU OF CRIMINAL APPREHENSION IMMUNITY.]

The bureau of criminal apprehension is immune from any civil or criminal liability that might otherwise arise under section 299C.68, based on the accuracy or completeness of records it receives from the Federal Bureau of Investigation, if the bureau acts in good faith.

Sec. 7. [504.183] [TENANT'S RIGHT TO PRIVACY.]

Subdivision 1. [DEFINITIONS.] For purposes of this section, the following terms have the meanings given them.

(a) "Building" has the meaning given in section 566.18, subdivision 7.

(b) "Landlord" means the owner as defined in section 566.18, subdivision 3, the owner's agent, or other person acting under the owner's direction and control.

(c) "Tenant" has the meaning given in section 566.18, subdivision 2.

Subd. 2. [ENTRY BY LANDLORD.] A landlord may not enter the premises rented by a tenant except:

(1) if specifically requested by the tenant;

(2) for a reasonable business purpose and after giving the tenant reasonable notice under the circumstances of the intent to enter; or

(3) as provided in subdivision 4.

A tenant may not waive and the landlord may not require the tenant to waive the tenant's right to prior notice of entry under this section as a condition of entering into or maintaining the lease.

Subd. 3. [REASONABLE PURPOSE.] For purposes of subdivision 2, a reasonable business purpose includes:

(1) showing the unit to prospective tenants after the current tenant has given notice to move to the owner or owner's agent;

(2) performing maintenance work; and

(3) allowing inspections by state, county, or city officials charged in the enforcement of health, housing, building, fire prevention, or housing maintenance codes.

Subd. 4. [EXCEPTION TO NOTICE REQUIREMENT.] (a) Notwithstanding subdivision 2, a landlord may enter the premises rented by a tenant without prior notice to the tenant if the landlord reasonably believes that:

(1) immediate entry is necessary to prevent injury to persons or property because of emergencies relating to maintenance or building security;

(2) immediate entry is requested by a peace officer; or

(3) immediate entry is necessary to determine a tenant's safety when requested to do so by a member of the tenant's family or a friend of the tenant or if the tenant has requested the landlord to monitor the tenant's safety.

(b) If the landlord enters the premises under this subdivision when the tenant is not present, the landlord shall disclose the entry by placing a written disclosure of the entry in a conspicuous place in the premises.

Subd. 5. [PENALTY.] If a landlord violates this section, the tenant is entitled to rescission of the lease, recovery of any damage deposit less any proven damages to the rental property, and a \$100 civil penalty for each violation. A tenant shall follow the procedures in sections 566.18 to 566.33 to enforce the provisions of this section."

(2) after June 30, 1997, \$1.

The additional fee collected under this paragraph must be deposited in the transportation services fund and credited to the state patrol motor vehicle account established in section 299D.10.

Sec. 10. [171.186] [SUSPENSION; NONPAYMENT OF SUPPORT.]

Subdivision 1. [SUSPENSION.] The commissioner shall suspend a person's driver's license or operating privileges without a hearing upon receipt of a court order or notice from a public authority responsible for child support enforcement that states that the driver is in arrears in court-ordered child support or maintenance payments, or both, in an amount equal to or greater than four times the obligor's total monthly support and maintenance payments, and is not in compliance with a written payment agreement regarding both current support and arrearages approved by the public authority responsible for child support enforcement, in accordance with section 518.551, subdivision 13.

Subd. 2. [NOTICE.] Upon suspending a driver's license or operating privileges under this section, the department shall immediately notify the licensee, in writing, by mailing a notice addressed to the licensee at the licensee's last known address.

Subd. 3. [DURATION.] A license or operating privilege must remain suspended and may not be reinstated, nor may a license be subsequently issued to the person, until the commissioner receives notice from the court or public authority responsible for child support enforcement that the person is in compliance with all current orders of support or written payment agreements regarding both current support and arrearages. A fee may not be assessed for reinstatement of a license under this section.

Sec. 11. Minnesota Statutes 1994, section 214.101, subdivision 1, is amended to read:

Subdivision 1. [COURT ORDER; HEARING ON SUSPENSION.] (a) For purposes of this section, "licensing board" means a licensing board or other state agency that issues an occupational license.

(b) If a licensing board receives an order from a court or a notice from a public authority responsible for child support enforcement agency under section 518.551, subdivision 12, dealing with suspension of a license of a person found by the court or the public agency authority to be in

arrears in child support or maintenance payments, or both, the board shall, within 30 days of receipt of the court order or public agency authority notice, ~~provide notice to the licensee and hold a hearing. If the board finds that the person is licensed by the board and evidence of full payment of arrearages found to be due by the court or the public agency is not presented at the hearing, the board shall suspend the license unless it determines that probation is appropriate under subdivision 2. The only issues to be determined by the board are whether the person named in the court order or public agency notice is a licensee, whether the arrearages have been paid, and whether suspension or probation is appropriate. The board may not consider evidence with respect to the appropriateness of the underlying child support order or the ability of the person to comply with the order. The board may not lift the suspension until the licensee files with the board proof showing that the licensee is current in child support payments and maintenance~~ suspend the license as directed by the order or notice.

Sec. 12. Minnesota Statutes 1994, section 214.101, subdivision 4, is amended to read:

Subd. 4. [VERIFICATION OF PAYMENTS.] ~~Before A board may terminate probation, remove a suspension, not issue, reinstate, or renew a license of a person who has been suspended or placed on probation or is the subject of an order or notice under this section, it shall contact until it receives notification from the court or public agency authority that referred the matter to the board to determine confirming that the applicant is not in arrears for in either child support or maintenance or both payments, or confirming that the person is in compliance with a written payment plan regarding both current support and arrearages. The board may not issue or renew a license until the applicant proves to the board's satisfaction that the applicant is current in support payments and maintenance.~~

Sec. 13. [256.996] [COOPERATION FOR THE CHILDREN PROGRAM.]

Subdivision 1. [ESTABLISHMENT.] The commissioner of human services, in consultation with a representative from the office of administrative hearings and the office of the attorney general and with input from community groups, shall develop and implement the cooperation for the children program as an effort to promote parental relationships with children. The program must be designed with three distinct components:

- (1) addressing the needs of parents for educational services pertaining to issues of child custody and visitation arrangements;
- (2) providing a nonjudicial forum to aid in the resolution of custody and visitation issues through facilitation of written agreements; and
- (3) providing mediation services to resolve conflicts related to custody and visitation issues, when appropriate.

Subd. 2. [PROGRAM DESIGN.] (a) The cooperation for the children program must be administered by the office of administrative hearings and, by contract, implemented in selected counties. The program may accept referrals from the district court, the child support administrative process, or self-referral by individuals. The program must be designed to provide services to individuals who are parents by virtue of birth or adoption of a child, individuals adjudicated as parents through a paternity action or through the recognition of parentage process, or individuals who have experienced a marriage dissolution. The program must be designed to screen all referrals for domestic abuse. The program must coordinate with existing agencies, such as court services, to provide program services to parents. If a participating county operates a parenting education program, a nonjudicial conflict resolution program, or a mediation program, the cooperation for the children program must utilize the existing programs to the greatest extent possible in an effort to minimize costs.

(b) The voluntary issue resolution component of the cooperation for the children program must facilitate the parents' discussion of custody and visitation issues in dispute. If there are allegations or indications of domestic abuse, the program shall allow the parents to attend separate sessions with the program facilitator. If agreement of both parties is reached to the disputed issues through the program and the agreement contains a sufficient factual basis to support a finding that the terms are in the best interests of the children, the agreement may be incorporated into a proposed order by program counsel for submission to an administrative law judge or district court judge for execution as a court order.

(c) The mediation component of the program must utilize certified mediators who are competent in recognizing the dynamics of domestic abuse and sensitive to the cultural issues of the participants. Relationships that involve allegations or indications of domestic abuse are not appropriate for mediation services through the cooperation for the children program.

(d) In cases where no agreement is voluntarily reached through the program, both parents must be provided with forms sufficient to allow them access to the district court to seek formal adjudication of the dispute.

Subd. 3. [DEMONSTRATION.] The commissioner shall contract with the office of administrative hearings and any county to administer and operate a demonstration project of the cooperation for the children program.

Subd. 4. [EVALUATION.] By January 15, 1997, and every two years after that, the office of administrative hearings shall submit a report to the legislature that identifies the following information relevant to the implementation of this section:

(1) the number of citizens offered and provided services by the program;

(2) the circumstances in which the program provided services, whether in paternity adjudications, situations involving recognition of parentage executions, dissolutions, or postdecree matters;

(3) the reduction in court actions and the increase in family stability resulting from the use of the program; and

(4) the cost of implementation and operation of the program in the participating counties.

Sec. 14. [256.997] [CHILD SUPPORT OBLIGOR COMMUNITY SERVICE WORK EXPERIENCE PROGRAM.]

Subdivision 1. [AUTHORIZATION.] The commissioner of human services may contract with a county that operates a community work experience program or a judicial district department of corrections that operates a community work experience program to include child support obligors who are physically able to work and fail to pay child support as participants in the community work experience program.

Subd. 2. [LIMITATIONS.] (a) Except as provided in paragraph (f), a person ordered to participate in a work program under section 518.617 shall do so if services are available.

(b) A person may not be required to participate for more than 32 hours per week in the program under this section.

(c) A person may not be required to participate for more than six weeks for each finding of contempt.

(d) If a person is required by a governmental entity to participate in another work or training program, the person may not be required to participate in a program under this section in a week for more than 32 hours minus the number of hours the person is required to participate in the other work or training program in that week.

(e) If a person is employed, the person may not be required to participate in a program under this section in a week for more than 80 percent of the difference between 40 hours and the number of hours actually worked in the unsubsidized job during that week, to a maximum of 32 hours.

(f) A person who works an average of 32 hours or more per week in an unsubsidized job is not required to participate in a program under this section.

Subd. 3. [NOTICE TO COURT.] If a person completes six weeks of participation in a program under this section, the county operating the program shall inform the court administrator, by affidavit, of that completion.

Subd. 4. [INJURY PROTECTION FOR WORK EXPERIENCE PARTICIPANTS.] (a) This subdivision applies to payment of any claims resulting from an alleged injury or death of a

participant in a community work experience program established and operated by a county or a judicial district department of corrections under this section.

(b) Claims of \$1,000 or less that are subject to this section must be investigated by the county agency responsible for supervising the work to determine if the claim is valid and if the loss is covered by the claimant's insurance. The investigating county agency shall submit all valid claims to the commissioner of human services. The commissioner shall pay the portion of an approved claim that is not covered by the claimant's insurance within three months of the date of submission. On or before February 1 of each year, the commissioner shall submit to the appropriate committees of the senate and the house of representatives a list of claims paid during the preceding calendar year that are to be reimbursed by legislative appropriation for claims that exceed the original appropriation provided to the commissioner to operate this program. Unspent money from this appropriation carries over to the second year of the biennium, and any unspent money remaining at the end of the second year must be returned to the general fund. A claim in excess of \$1,000 and a claim that was not paid by the commissioner may be presented to, heard, and determined by the appropriate committees of the senate and house of representatives and, if approved, paid under the legislative claims procedure.

(c) Claims for worksite injuries not otherwise covered by this section must be referred to the commissioner of labor and industry for assessment. The commissioner of labor and industry shall verify the validity of the claim and recommend compensation. The compensation recommended must afford the same protection for on-site injuries at the same level and to the same extent as provided in chapter 176.

(d) Compensation paid under this section is limited to reimbursement for medical expenses and compensation for disability as impairment compensation or death. Compensation may not be paid under this section for pain and suffering or lost wages. Payments made under this section must be reduced by any proceeds received by the claimant from any insurance policy covering the loss. For the purposes of this section, "insurance policy" does not include the medical assistance program authorized under chapter 256B or the general assistance medical care program authorized under chapter 256D.

(e) The procedure established by this section is exclusive of all other legal, equitable, and statutory remedies against the state, its political subdivisions, or employees of the state or its political subdivisions. The claimant may not seek damages from any state or county insurance policy or self-insurance program.

(f) A claim is not valid for purposes of this subdivision if the local agency responsible for supervising the work cannot verify:

(1) that appropriate safety training and information is provided to all persons being supervised by the agency under this subdivision; and

(2) that all programs involving work by those persons comply with federal Occupational Safety and Health Administration and state department of labor and industry safety standards.

A claim that is not valid because of failure to verify safety training or compliance with safety standards may not be paid by the commissioner of human services or through the legislative claims process and must be heard, decided, and paid, if appropriate, by the local government unit responsible for supervising the work of the claimant.

Subd. 5. [TRANSPORTATION EXPENSES.] A county shall reimburse a person for reasonable transportation costs incurred because of participation in a program under this section, up to a maximum of \$25 per month.

Subd. 6. [PAYMENT TO COUNTY.] The commissioner shall pay a county \$200 for each person who participates in the program under this section in that county. The county is responsible for any additional costs of the program.

Subd. 3. [DUTY TO REPORT.] Employers doing business in this state shall report to the commissioner of human services the hiring of any worker who resides or works in this state to whom the employer anticipates paying earnings. Employers shall submit reports required under this subdivision within 15 calendar days of the date of hiring of the worker.

Subd. 4. [MEANS TO REPORT.] Employers may report by delivering, mailing, or telefaxing a copy of the worker's federal W-4 form or W-9 form or any other document that contains the required information, submitting electronic media in a compatible format, toll-free telecommunication, or other means authorized by the commissioner of human services that will result in timely reporting. The commissioner shall provide employers with appropriately marked or addressed envelopes or other documents to facilitate the required reporting.

Subd. 5. [REPORT CONTENTS.] Reports required under this section must contain:

An employer who has received a notice of noncompliance and later incurs a second violation is subject to a civil penalty of \$50 for each intentionally unreported worker. An employer who has received a notice of noncompliance and later incurs a third or subsequent violation is subject to a civil penalty of \$500 for each intentionally unreported worker. These penalties may be imposed and collected by the commissioner of human services.

Subd. 7. [ACCESS TO DATA.] The commissioner of human services shall retain the information reported to the employment registry for a period of six months. Data in the employment registry may be disclosed to federal agencies, local agencies of this state, and state and local agencies of other states for the purposes of enforcing state and federal laws governing child support.

The commissioner of human services shall charge a state or federal department or agency accessing the information contained in the employment registry the proportionate costs of gathering and furnishing information under this subdivision.

Subd. 2a. Sec. 17. Minnesota Statutes 1994, section 518.24, is amended to read:

518.24 [SECURITY; SEQUESTRATION; CONTEMPT.]

In all cases when maintenance or support payments are ordered, the court may require sufficient security to be given for the payment of them according to the terms of the order. Upon neglect or refusal to give security, or upon failure to pay the maintenance or support, the court may sequester the obligor's personal estate and the rents and profits of real estate of the obligor, and appoint a receiver of them. The court may cause the personal estate and the rents and profits of the real estate to be applied according to the terms of the order. The obligor is presumed to have an income from a source sufficient to pay the maintenance or support order. A child support or maintenance order constitutes prima facie evidence that the obligor has the ability to pay the award. If the obligor disobeys the order, it is prima facie evidence of contempt. The court may cite the obligor for contempt under this section, section 518.617, or chapter 588.

Sec. 18. Minnesota Statutes 1994, section 518.551, subdivision 12, is amended to read:

Subd. 12. [OCCUPATIONAL LICENSE SUSPENSION.] (a) Upon petition of an obligee, if the court finds that the obligor is or may be licensed by a licensing board listed in section 214.01 or other state agency or board that issues an occupational license and the obligor is in arrears in court-ordered child support or maintenance payments or both in an amount equal to or greater than four times the obligor's total monthly support and maintenance payments, and is not in compliance with a written payment agreement regarding both current support and arrearages approved by the court, an administrative law judge, or the public authority, the court may direct the licensing board or other licensing agency to conduct a hearing suspend the license under section 214.101 concerning suspension of the obligor's license. If the obligor is a licensed attorney, the court may report the matter to the lawyers professional responsibility board for appropriate action in accordance with the rules of professional conduct. The remedy under this subdivision is in addition to any other enforcement remedy available to the court.

(b) If a public agency authority responsible for child support enforcement finds that the obligor is or may be licensed by a licensing board listed in section 214.01 or other state agency or board that issues an occupational license and the obligor is in arrears in court-ordered child support or maintenance payments or both in an amount equal to or greater than four times the obligor's total monthly support and maintenance payments, and is not in compliance with a written payment agreement regarding both current support and arrearages approved by the court, an administrative law judge, or the public authority, the public agency authority may direct the licensing board or other licensing agency to conduct a hearing suspend the license under section 214.101 concerning suspension of the obligor's license. If the obligor is a licensed attorney, the public agency authority may report the matter to the lawyers professional responsibility board for appropriate action in accordance with the rules of professional conduct. The remedy under this subdivision is in addition to any other enforcement remedy available to the public agency authority.

(c) At least 30 days before notifying a licensing authority under paragraph (b), the public authority shall mail a written notice to the license holder addressed to the license holder's last known address that the public authority intends to seek license suspension under this subdivision

and that the license holder must request a hearing within 30 days in order to contest the suspension. If the license holder makes a written request for a hearing within 30 days of the date of the notice, either a court hearing or a contested administrative proceeding must be held under section 518.5511, subdivision 4. Notwithstanding any law to the contrary, the license holder must be served with 14 days' notice in writing specifying the time and place of the hearing and the allegations against the license holder. The notice may be served personally or by mail.

(d) The administrative law judge, on behalf of the public authority, or the court shall order the licensing board or licensing agency to suspend the license if the judge finds that:

(1) the person is licensed by a licensing board or other state agency that issues an occupational license; and

(2) the person has not made full payment of arrearages found to be due by the public authority or has not executed or is not in compliance with a payment plan approved by the court, an administrative law judge, or the public authority.

(e) Within 30 days of the date on which the obligor either makes full payment of arrearages found to be due by the court or public authority or executes and initiates good faith compliance with a written payment plan approved by the court, an administrative law judge, or the public authority, the court or public authority responsible for child support enforcement shall notify the licensing board or licensing agency that the obligor is no longer ineligible for license issuance, reinstatement, or renewal under this subdivision.

Sec. 19. Minnesota Statutes 1994, section 518.551, is amended by adding a subdivision to read:

Subd. 13. [DRIVER'S LICENSE SUSPENSION.] (a) Upon motion of an obligee, if a court finds that the obligor has been or may be issued a driver's license by the commissioner of public safety and the obligor is in arrears in court-ordered child support or maintenance payments, or both, in an amount equal to or greater than four times the obligor's total monthly support and maintenance payments, and is not in compliance with a written payment agreement regarding both current support and arrearages approved by the court, an administrative law judge, or the public authority, the court shall order the commissioner of public safety to suspend the obligor's driver's license. The court's order must be stayed for 90 days in order to allow the obligor to execute a written payment agreement regarding both current support and arrearages, which payment agreement must be approved by either the court or the public authority responsible for child support enforcement. If the obligor has not executed or is not in compliance with a written payment agreement regarding both current support and arrearages after the 90 days expires, the court's order becomes effective and the commissioner of public safety shall suspend the obligor's driver's license. The remedy under this subdivision is in addition to any other enforcement remedy available to the court. An obligee may not bring a motion under this paragraph within 12 months of a denial of a previous motion under this paragraph.

(b) If a public authority responsible for child support enforcement determines that the obligor has been or may be issued a driver's license by the commissioner of public safety and the obligor is in arrears in court-ordered child support or maintenance payments or both in the amount equal to or greater than four times the obligor's total monthly support and maintenance payments, and not in compliance with a written payment agreement regarding both current support and arrearages approved by the court, an administrative law judge, or the public authority, the public authority shall direct the commissioner of public safety to suspend the obligor's driver's license. The remedy under this subdivision is in addition to any other enforcement remedy available to the public authority.

(c) At least 90 days prior to notifying the commissioner of public safety pursuant to paragraph (b), the public authority must mail a written notice to the obligor at the obligor's last known address, that it intends to seek suspension of the obligor's driver's license and that the obligor must request a hearing within 30 days in order to contest the suspension. If the obligor makes a written request for a hearing within 30 days of the date of the notice, either a court hearing or a contested administrative proceeding must be held under section 518.5511, subdivision 4. Notwithstanding any law to the contrary, the obligor must be served with 14 days' notice in writing specifying the time and place of the hearing and the allegations against the obligor. The notice may be served personally or by mail. If the public authority does not receive a request for a

hearing within 30 days of the date of the notice, and the obligor does not execute a written payment agreement regarding both current support and arrearages approved by the court, an administrative law judge, or the public authority within 90 days of the date of the notice, the public authority shall direct the commissioner of public safety to suspend the obligor's driver's license under paragraph (b).

(d) At a hearing requested by the obligor under paragraph (c), and on finding that the obligor is in arrears in court-ordered child support or maintenance payments or both in the amount equal to or greater than four times the obligor's total monthly support and maintenance payments, the district court or the administrative law judge shall order the commissioner of public safety to suspend the obligor's driver's license or operating privileges unless the court or administrative law judge determines that the obligor has executed and is in compliance with a written payment agreement regarding both current support and arrearages approved by the court, an administrative law judge, or the public authority.

(e) An obligor whose driver's license or operating privileges are suspended may provide proof to the court or the public authority responsible for child support enforcement that the obligor is in compliance with all written payment agreements regarding both current support and arrearages. Within 15 days of the receipt of that proof, the court or public authority shall inform the commissioner of public safety that the obligor's driver's license or operating privileges should no longer be suspended.

(f) On January 1, 1997, and every two years after that, the commissioner of human services shall submit a report to the legislature that identifies the following information relevant to the implementation of this section:

- (1) the number of child support obligors notified of an intent to suspend a driver's license;
- (2) the amount collected in payments from the child support obligors notified of an intent to suspend a driver's license;
- (3) the number of payment agreements executed in response to notification of an intent to suspend a driver's license;
- (4) the number of drivers' licenses suspended; and

Sec. 20. Minnesota Statutes 1994, section 518.551, is amended by adding a subdivision to read:

Subd. 14. [MOTOR VEHICLE LIEN.] (a) Upon motion of an obligee, if a court finds that the obligor is the registered owner of a motor vehicle and the obligor is a debtor for a judgment debt resulting from nonpayment of court-ordered child support or maintenance payments, or both, in an amount equal to or greater than four times the obligor's total monthly support and maintenance payments, the court shall order the commissioner of public safety to enter a lien in the name of the obligee or in the name of the state of Minnesota, as appropriate, in accordance with section 168A.05, subdivision 8, unless the court finds that the obligor is in compliance with a written payment agreement regarding both current support and arrearages approved by the court, an administrative law judge, or the public authority or that the obligor's interest in the motor vehicle is valued at less than \$4,500. The court's order must be stayed for 90 days in order to allow the obligor to either execute a written payment agreement regarding both current support and arrearages, which agreement shall be approved by either the court or the public authority responsible for child support enforcement, or to allow the obligor to demonstrate that the ownership interest in the motor vehicle is valued at less than \$4,500. If the obligor has not executed or is not in compliance with a written payment agreement regarding both current support and arrearages approved by the court, an administrative law judge, or the public authority or has not demonstrated that the ownership interest in the motor vehicle is valued at less than \$4,500 after the 90 days expires, the court's order becomes effective and the commissioner of public safety shall record the lien. The remedy under this subdivision is in addition to any other enforcement remedy available to the court.

(b) If a public authority responsible for child support enforcement determines that the obligor is

the registered owner of a motor vehicle and the obligor is a debtor for judgment debt resulting from nonpayment of court-ordered child support or maintenance payments, or both, in the amount equal to or greater than four times the obligor's total monthly support and maintenance payments, the public authority shall direct the commissioner of public safety to enter a lien in the name of the obligee or in the name of the state of Minnesota, as appropriate, under section 168A.05, subdivision 8, unless the public authority determines that the obligor is in compliance with a written payment agreement regarding both current support and arrearages approved by the court, an administrative law judge, or the public authority or that the obligor's ownership interest in the motor vehicle is valued at less than \$4,500. The remedy under this subdivision is in addition to any other enforcement remedy available to the public agency.

(c) At least 90 days prior to notifying the commissioner of public safety pursuant to paragraph (b), the public authority must mail a written notice to the obligor at the obligor's last known address, that it intends to record a lien on the obligor's motor vehicle certificate of title and that the obligor must request a hearing within 30 days in order to contest the action. If the obligor makes a written request for a hearing within 30 days of the date of the notice, either a court hearing or a contested administrative proceeding must be held under section 518.5511, subdivision 4. Notwithstanding any law to the contrary, the obligor must be served with 14 days' notice in writing specifying the time and place of the hearing and the allegations against the obligor. The notice may be served personally or by mail. If the public authority does not receive a request for a hearing within 30 days of the date of the notice and the obligor does not execute a written payment agreement regarding both current support and arrearages approved by the court, an administrative law judge, or the public authority or demonstrate to the public authority that the obligor's ownership interest in the motor vehicle is valued at less than \$4,500 within 90 days of the date of the notice, the public authority shall direct the commissioner of public safety to record the lien under paragraph (b).

(d) At a hearing requested by the obligor under paragraph (c), and on finding that the obligor is in arrears in court-ordered child support or maintenance payments or both in the amount equal to or greater than four times the obligor's total monthly support and maintenance payments, the district court or the administrative law judge shall order the commissioner of public safety to record the lien unless the court or administrative law judge determines that:

(1) the obligor has executed and is in compliance with a written payment agreement regarding both current support and arrearages determined to be acceptable by the court, an administrative law judge, or the public authority; or

(2) the obligor has demonstrated that the ownership interest in the motor vehicle is valued at less than \$4,500.

(e) An obligor who has had a lien recorded against a motor vehicle certificate of title may provide proof to the court or the public authority responsible for child support enforcement that the obligor is in compliance with all written payment agreements regarding both current support and arrearages. Within 15 days of the receipt of that proof, the court or public authority shall execute a release of security interest under section 168A.20, subdivision 4, and mail or deliver the release to the owner or other authorized person.

#### **Sec. 21. [518.553] [PAYMENT AGREEMENTS.]**

In proposing or approving proposed written payment agreements for purposes of section 518.551, the court, an administrative law judge, or the public authority shall take into consideration the amount of the arrearages, the amount of the current support order, the pendency of a request for modification, and the earnings of the obligor.

#### **Sec. 22. [518.616] [ADMINISTRATIVE SEEK EMPLOYMENT ORDERS.]**

Subdivision 1. [COURT ORDER.] For any support order being enforced by the public authority, the public authority may seek a court order requiring the obligor to seek employment if employment of the obligor cannot be verified and if the obligor is in arrears in court-ordered child support or maintenance payments, or both, in an amount equal to or greater than three times the obligor's total monthly support and maintenance payments and is not in compliance with a written payment plan. Upon proper notice being given to the obligor, the court shall enter a seek

employment order if it finds that the obligor has not provided proof of gainful employment and has not consented to an order for income withholding under section 518.611 or 518.613 or entered into a written payment plan approved by the court, an administrative law judge, or the public authority.

Subd. 2. [CONTENTS OF ORDER.] The order to seek employment shall:

(2) order that the obligor file with the public authority on a weekly basis a report of at least five new attempts to find employment or of having found employment, which report must include the names, addresses, and telephone numbers of any employers or businesses with whom the obligor attempted to seek employment and the name of the individual contact to whom the obligor made application for employment or to whom an inquiry was directed;

(3) notify the obligor that failure to comply with the order is evidence of a willful failure to pay support under section 518.617;

(4) order that the obligor provide the public authority with verification of any reason for noncompliance with the order; and

(5) specify the duration of the order, not to exceed three months.

Sec. 23. [518.617] [CONTEMPT PROCEEDINGS FOR NONPAYMENT OF SUPPORT.]

Subdivision 1. [GROUNDS.] If a person against whom an order or decree for support has been entered under this chapter, chapter 256, or a comparable law from another jurisdiction, is in arrears in court-ordered child support or maintenance payments in an amount equal to or greater than three times the obligor's total monthly support and maintenance payments and is not in compliance with a written payment plan approved by the court, an administrative law judge, or the public authority, the person may be cited and punished by the court for contempt under section 518.64, chapter 588, or this section. Failure to comply with a seek employment order entered under section 518.616 is evidence of willful failure to pay support.

Subd. 2. [COURT OPTIONS.] (a) If a court cites a person for contempt under this section, and the obligor lives in a county that contracts with the commissioner of human services under section 256.997, the court may order the performance of community service work up to 32 hours per week for six weeks for each finding of contempt if the obligor:

An obligor is presumed to be able to work full time. The obligor has the burden of proving inability to work full time.

(b) A person ordered to do community service work under paragraph (a) may, during the six-week period, apply to the court to be released from the community service work requirement if the person:

(1) provides proof to the court that the person is gainfully employed and submits to an order for income withholding under section 518.611 or 518.613;

(2) enters into a written payment plan regarding both current support and arrearages approved by the court, an administrative law judge, or the public authority; or

(3) provides proof to the court that, subsequent to entry of the order, the person's circumstances have so changed that the person is no longer able to fulfill the terms of the community service order.

Subd. 3. [CONTINUING OBLIGATIONS.] The performance of community service work does not relieve a child support obligor of any unpaid accrued or accruing support obligation.

Sec. 24. [CHILD SUPPORT ASSURANCE WAIVER.]

The commissioner of human services shall seek a waiver from the secretary of the United States Department of Health and Human Services to enable the department of human services to operate a demonstration project of child support assurance. In reviewing a disqualification, the commissioner shall give preeminent weight to the safety of each person to be served by the license holder or applicant over the interests of the license holder or applicant.

(c) Unless the information the commissioner relied on in disqualifying an individual is incorrect, the commissioner may not set aside the disqualification of an individual in connection with a license to provide family day care for children, foster care for children in the provider's own home, or foster care or day care services for adults in the provider's own home if:

(1) less than ten years have passed since the discharge of the sentence imposed for the offense; and the individual has been convicted of a violation of any offense listed in section 609.20 (manslaughter in the first degree), 609.205 (manslaughter in the second degree), 609.21 (criminal vehicular homicide), 609.215 (aiding suicide or aiding attempted suicide), 609.221 to 609.2231 (felony violations of assault in the first, second, third, or fourth degree), 609.713 (terroristic threats), 609.235 (use of drugs to injure or to facilitate crime), 609.24 (simple robbery), 609.245 (aggravated robbery), 609.25 (kidnapping), 609.255 (false imprisonment), 609.561 or 609.562 (arson in the first or second degree), 609.71 (riot), 609.582 (burglary in the first or second degree), 609.66 (reckless use of a gun or dangerous weapon or intentionally pointing a gun at or towards a human being), 609.665 (setting a spring gun), 609.67 (unlawfully owning, possessing, or operating a machine gun), 152.021 or 152.022 (controlled substance crime in the first or second degree), 152.023, subdivision 1, clause (3) or (4), or subdivision 2, clause (4) (controlled substance crime in the third degree), 152.024, subdivision 1, clause (2), (3), or (4) (controlled substance crime in the fourth degree), 609.224, subdivision 2, paragraph (c) (fifth degree assault by a caregiver against a vulnerable adult), 609.228 (great bodily harm caused by distribution of drugs), ~~609.23 (mistreatment of persons confined), 609.231 (mistreatment of residents or patients)~~ 609.2325 (criminal abuse of a vulnerable adult), 609.233 (criminal neglect of a vulnerable adult), 609.2335 (financial exploitation of a vulnerable adult), 609.265 (abduction), 609.2664 to 609.2665 (manslaughter of an unborn child in the first or second degree), 609.267 to 609.2672 (assault of an unborn child in the first, second, or third degree), 609.268 (injury or death of an unborn child in the commission of a crime), 617.293 (disseminating or displaying harmful material to minors), 609.378 (neglect or endangerment of a child), 609.377 (a gross misdemeanor offense of malicious punishment of a child), 609.72, subdivision 3 (disorderly conduct against a vulnerable adult); or an attempt or conspiracy to commit any of these offenses, as each of these offenses is defined in Minnesota Statutes; or an offense in any other state, the elements of which are substantially similar to the elements of any of the foregoing offenses;

(2) regardless of how much time has passed since the discharge of the sentence imposed for the offense, the individual was convicted of a violation of any offense listed in sections 609.185 to 609.195 (murder in the first, second, or third degree), 609.2661 to 609.2663 (murder of an unborn child in the first, second, or third degree), 609.377 (a felony offense of malicious punishment of a child), 609.322 (soliciting, inducement, or promotion of prostitution), 609.323 (receiving profit derived from prostitution), 609.342 to 609.345 (criminal sexual conduct in the first, second, third, or fourth degree), 609.352 (solicitation of children to engage in sexual conduct), 617.246 (use of minors in a sexual performance), 617.247 (possession of pictorial representations of a minor), 609.365 (incest), or an offense in any other state, the elements of which are substantially similar to any of the foregoing offenses;

(3) within the seven years preceding the study, the individual committed an act that constitutes maltreatment of a child under section 626.556, subdivision 10e, and that resulted in substantial bodily harm as defined in section 609.02, subdivision 7a, or substantial mental or emotional harm as supported by competent psychological or psychiatric evidence; or

(4) within the seven years preceding the study, the individual was determined under section 626.557 to be the perpetrator of a substantiated incident of abuse of a vulnerable adult that resulted in substantial bodily harm as defined in section 609.02, subdivision 7a, or substantial mental or emotional harm as supported by competent psychological or psychiatric evidence.

In the case of any ground for disqualification under clauses (1) to (4), if the act was committed by an individual other than the applicant or license holder residing in the applicant's or license holder's home, the applicant or license holder may seek reconsideration when the individual who committed the act no longer resides in the home.

The disqualification periods provided under clauses (1), (3), and (4) are the minimum applicable disqualification periods. The commissioner may determine that an individual should continue to be disqualified from licensure because the license holder or applicant poses a risk of harm to a person served by that individual after the minimum disqualification period has passed.

(d) The commissioner shall respond in writing to all reconsideration requests within 15 working days after receiving the request for reconsideration. If the disqualification is set aside, the commissioner shall notify the applicant or license holder in writing of the decision.

(e) Except as provided in subdivision 3c, the commissioner's decision to grant or deny a reconsideration of disqualification under this subdivision, or to set aside or uphold the results of the study under subdivision 3, is the final administrative agency action.

**Mr. Lessard from the Committee on Environment and Natural Resources, to which was referred**

**S.F. No. 483:** A bill for an act relating to natural resources; modifying provisions relating to wetlands; amending Minnesota Statutes 1994, sections 103G.222; 103G.2241; 103G.2242, subdivisions 1, 2, 6, 7, 9, 12, and by adding a subdivision; 103G.237, subdivision 4, and by adding a subdivision; and 103G.2372, subdivision 1.

Reports the same back with the recommendation that the bill be amended as follows:

Delete everything after the enacting clause and insert:

"Section 1. Minnesota Statutes 1994, section 103G.222, is amended to read:

103G.222 [REPLACEMENT OF WETLANDS.]

(a) After the effective date of the rules adopted under section 103B.3355 or 103G.2242, whichever is later, wetlands must not be drained or filled, wholly or partially, unless replaced by restoring or creating wetland areas of at least equal public value under a replacement plan approved as provided in section 103G.2242, a replacement plan under a local governmental unit's comprehensive wetland protection and management plan ~~approved by the board~~ adopted under section 103G.2242, subdivision 1, ~~paragraph (e)~~ 1a, or, if a permit to mine is required under section 93.481, under a mining reclamation plan approved by the commissioner under the permit to mine. Mining reclamation plans shall apply the same principles and standards for replacing wetlands by restoration or creation of wetland areas that are applicable to mitigation plans approved as provided in section 103G.2242.

(b) Except as provided in paragraph (l), replacement must be guided by the following principles in descending order of priority:

(1) avoiding the direct or indirect impact of the activity that may destroy or diminish the wetland;

(2) minimizing the impact by limiting the degree or magnitude of the wetland activity and its implementation;

(3) rectifying the impact by repairing, rehabilitating, or restoring the affected wetland environment;

(4) reducing or eliminating the impact over time by preservation and maintenance operations during the life of the activity; and

(5) compensating for the impact by replacing or providing substitute wetland resources or environments.

(c) If a wetland is located in a cultivated field, then replacement must be accomplished through restoration only without regard to the priority order in paragraph (b), provided that a deed restriction is placed on the altered wetland prohibiting nonagricultural use for at least ten years.

(d) Restoration and replacement of wetlands must be accomplished in accordance with the ecology of the landscape area affected.

(e) Replacement shall be within the same watershed or county as the impacted wetlands, as based on the wetland evaluation in section 103G.2242, subdivision 2, except that counties or watersheds in which 80 percent or more of the presettlement wetland acreage is intact may accomplish replacement in counties or watersheds in which 50 percent or more of the presettlement wetland acreage has been filled, drained, or otherwise degraded. Wetlands impacted by public transportation projects may be replaced statewide, provided they are approved by the commissioner under an established wetland banking system, or under the rules for wetland banking as provided for under section 103G.2242.

(f) Except as provided in paragraph (g), for a wetland located on nonagricultural land, replacement must be in the ratio of two acres of replaced wetland for each acre of drained or filled wetland.

(g) For a wetland located on agricultural land or in counties or watersheds in which 80 percent or more of the presettlement wetland acreage exists, replacement must be in the ratio of one acre of replaced wetland for each acre of drained or filled wetland.

(h) Wetlands that are restored or created as a result of an approved replacement plan are subject to the provisions of this section for any subsequent drainage or filling.

(i) Except in counties or watersheds where 80 percent or more of the presettlement wetlands are intact, only wetlands that have been restored from previously drained or filled wetlands, wetlands created by excavation in nonwetlands, wetlands created by dikes or dams along public or private drainage ditches, or wetlands created by dikes or dams associated with the restoration of previously drained or filled wetlands may be used in a statewide banking program established in rules adopted under section 103G.2242, subdivision 1. Modification or conversion of nondegraded naturally occurring wetlands from one type to another are not eligible for enrollment in a statewide wetlands bank.

(j) The technical evaluation panel established under section 103G.2242, subdivision 2, shall ensure that sufficient time has occurred for the wetland to develop wetland characteristics of soils, vegetation, and hydrology before recommending that the wetland be deposited in the statewide wetland bank. If the technical evaluation panel has reason to believe that the wetland characteristics may change substantially, the panel shall postpone its recommendation until the wetland has stabilized.

(k) This section and sections 103G.223 to 103G.2242, 103G.2364, and 103G.2365 apply to the state and its departments and agencies.

(l) A local government unit may make a sequencing determination and, after consideration, deviate from the provisions of paragraph (b), without a written alternatives analysis from the applicant, for projects involving the draining or filling of less than:

(1) 2,000 square feet of wetlands in the building setback of shoreland areas in all counties;

(2) 10,000 square feet of wetlands in counties with 80 percent or less of their presettlement wetlands remaining; and

(3) 20,000 square feet of wetlands in counties with more than 80 percent of their presettlement wetlands remaining.

(m) For projects involving draining or filling of wetlands outside of the building setback of shoreland areas, a person may satisfy replacement requirements under this section by paying an

amount equal to the fair market value of the upland created by the draining or filling activity, as determined by a licensed appraiser. The payment must be made to the board or to the local government unit if it has established a wetland bank that is approved by the board. The commissioner of commerce shall devise a seal for official use as the seal of the department of commerce. The seal must be capable of being legibly reproduced under photographic methods. A description of the seal, and a copy of it, must be filed in the office of the secretary of state.

Sec. 2. Minnesota Statutes 1994, section 46.04, subdivision 1, is amended to read:

Subdivision 1. The commissioner of commerce, referred to in chapters 46 to 59 59A, and sections 332.12 to 332.29, as the commissioner, is vested with all the powers, authority, and privileges which, prior to the enactment of Laws 1909, chapter 201, were conferred by law upon the public examiner, and shall take over all duties in relation to state banks, savings banks, trust companies, savings associations, and other financial institutions within the state which, prior to the enactment of chapter 201, were imposed upon the public examiner. The commissioner of commerce shall exercise a constant supervision, either personally or through the examiners herein provided for, over the books and affairs of all state banks, savings banks, trust companies, savings associations, credit unions, industrial loan and thrift companies, and other financial institutions doing business within this state; and shall, through examiners, examine each financial institution at least once every 18 calendar months. In satisfying this examination requirement, the commissioner may accept reports of examination prepared by a federal agency having comparable supervisory powers and examination procedures. With the exception of industrial loan and thrift companies which do not have deposit liabilities and licensed regulated lenders, it shall be the principal purpose of these examinations to inspect and verify the assets and liabilities of each and so far investigate the character and value of the assets of each institution as to determine with reasonable certainty that the values are correctly carried on its books. Assets and liabilities shall be verified in accordance with methods of procedure which the commissioner may determine to be adequate to carry out the intentions of this section. It shall be the further purpose of these examinations to assess the adequacy of capital protection and the capacity of the institution to meet usual and reasonably anticipated deposit withdrawals and other cash commitments without resorting to excessive borrowing or sale of assets at a significant loss, and to investigate each institution's compliance with applicable laws and rules. Based on the examination findings, the commissioner shall make a determination as to whether the institution is being operated in a safe and sound manner. None of the above provisions limits the commissioner in making additional examinations as deemed necessary or advisable. The commissioner shall investigate the methods of operation and conduct of these institutions and their systems of accounting, to ascertain whether these methods and systems are in accordance with law and sound banking principles. The commissioner may make requirements as to records as deemed necessary to facilitate the carrying out of the commissioner's duties and to properly protect the public interest. The commissioner may examine,

or cause to be examined by these examiners, on oath, any officer, director, trustee, owner, agent, clerk, customer, or depositor of any financial institution touching the affairs and business thereof, and may issue, or cause to be issued by the examiners, subpoenas, and administer, or cause to be administered by the examiners, oaths. In case of any refusal to obey any subpoena issued under the commissioner's direction, the refusal may at once be reported to the district court of the district in which the bank or other financial institution is located, and this court shall enforce obedience to these subpoenas in the manner provided by law for enforcing obedience to subpoenas of the court. In all matters relating to official duties, the commissioner of commerce has the power possessed by courts of law to issue subpoenas and cause them to be served and enforced, and all officers, directors, trustees, and employees of state banks, savings banks, trust companies, savings associations, and other financial institutions within the state, and all persons having dealings with or knowledge of the affairs or methods of these institutions, shall afford reasonable facilities for these examinations, make returns and reports to the commissioner of commerce as the commissioner may require; attend and answer, under oath, the commissioner's lawful inquiries; produce and exhibit any books, accounts, documents, and property as the commissioner may desire to inspect, and in all things aid the commissioner in the performance of duties.

A notice of the hearing must be published by the applicant in the form prescribed by the commissioner in a newspaper published in the municipality in which the proposed bank is to be located, and if there is no such newspaper, then ~~at the county seat of the county~~ in a qualified newspaper likely to give notice in the municipality in which the bank is proposed to be located. Sec. 17. Minnesota Statutes 1994, section 53.09, subdivision 2, is amended to read:

Subd. 2. [REPORT TO COMMISSIONER.] (1) Each industrial loan and thrift company shall annually on or before the first day of ~~February~~ March file a report with the commissioner stating in detail, under appropriate heads, its assets and liabilities at the close of business on the last day of the preceding calendar year. This report shall be made under oath in the form prescribed by the commissioner.

(2) Each industrial loan and thrift company which holds authority to accept accounts pursuant to section 53.04, subdivision 5, shall in place of the requirement in clause (1) submit the reports and make the publication required of state banks pursuant to section 48.48.

(3) Within 30 days following a change in controlling ownership of the capital stock of an industrial loan and thrift company, it shall file a written report with the commissioner stating in detail the nature of such change in ownership.

Sec. 18. Minnesota Statutes 1994, section 53.09, is amended by adding a subdivision to read:

Subd. 2a. [COMPLIANCE EXAMINATIONS.] For the purpose of discovering violations of this chapter or securing information lawfully required by the commissioner under this chapter, the commissioner may, at any time, either personally or by a person or persons duly designated, investigate the loans and business, and examine the books, accounts, records, and files used in the business, of every licensee and of every person engaged in the business whether or not the person acts or claims to act as principal or agent, or under the authority of this chapter. For the purposes of this subdivision, the commissioner and duly designated representatives have free access to the offices and places of business, books, accounts, papers, records, files, safes, and vaults of all these persons. The commissioner and all persons duly designated may require the attendance of and examine, under oath, all persons whose testimony the commissioner may require relative to the loans or business or to the subject matter of an examination, investigation, or hearing.

Each licensee shall pay to the commissioner the amount required under section 46.131, and the commissioner may maintain an action for the recovery of the costs in a court of competent jurisdiction.

Sec. 19. Minnesota Statutes 1994, section 56.11, is amended to read:

#### 56.11 [BOOKS OF ACCOUNT; ANNUAL REPORT.]

The licensee shall keep and use in the licensee's business such books, accounts, and records as will enable the commissioner to determine whether the licensee is complying with the provisions of this chapter and with the rules lawfully made by the commissioner hereunder. Every licensee shall preserve such books, accounts, and records, including cards used in the card system, if any, for at least two years after making the final entry on any loan recorded therein. Accounting systems maintained in whole or in part by mechanical or electronic data processing methods which provide information equivalent to that otherwise required are acceptable for this purpose.

Each licensee shall annually on or before the ~~fifteenth day of March, except in odd-numbered years and then on or before the seventh~~ first day of ~~February~~ March, file a report with the commissioner giving such relevant information as the commissioner reasonably may require concerning the business and operations during the preceding calendar year of each licensed place

of business, conducted by such licensee within the state. Such report shall be made under oath and shall be in the form prescribed by the commissioner, who shall make and publish annually an analysis and recapitulation of such reports.

Sec. 20. Minnesota Statutes 1994, section 56.12, is amended to read:

**56.12 [ADVERTISING; TAKING OF SECURITY; PLACE OF BUSINESS.]**

No licensee shall advertise, print, display, publish, distribute, or broadcast, or cause or permit to be advertised, printed, displayed, published, distributed, or broadcast, in any manner any statement or representation with regard to the rates, terms, or conditions for the lending of money, credit, goods, or things in action which is false, misleading, or deceptive. The commissioner may order any licensee to desist from any conduct which the commissioner shall find to be a violation of the foregoing provisions.

The commissioner may require that rates of charge, if stated by a licensee, be stated fully and clearly in such manner as the commissioner may deem necessary to prevent misunderstanding thereof by prospective borrowers. In lieu of the disclosure requirements of this section and section 56.14, a licensee may give the disclosures required by the federal Truth-in-Lending Act.

A licensee may take a lien upon real estate as security for any loan exceeding ~~\$2,700~~ \$4,320 in principal amount made under this chapter. The provisions of sections 47.20 and 47.21 do not apply to loans made under this chapter, except as provided in this section. No loan secured by a first lien on a borrower's primary residence shall be made pursuant to this section if the proceeds of the loan are used to finance the purchase of the borrower's primary residence, unless:

- (1) the proceeds of the loan are used to finance the purchase of a manufactured home or a prefabricated building; or
- (2) the proceeds of the loan are used in whole or in part to satisfy the balance owed on a contract for deed.

If the proceeds of the loan are used to finance the purchase of the borrower's primary residence, the licensee shall consent to the subsequent transfer of the real estate if the existing borrower continues after transfer to be obligated for repayment of the entire remaining indebtedness. The licensee shall release the existing borrower from all obligations under the loan instruments, if the transferee (1) meets the standards of credit worthiness normally used by persons in the business of making loans, including but not limited to the ability of the transferee to make the loan payments and satisfactorily maintain the property used as collateral, and (2) executes an agreement in writing with the licensee whereby the transferee assumes the obligations of the existing borrower under the loan instruments. Any such agreement shall not affect the priority, validity or enforceability of any loan instrument. A licensee may charge a fee not in excess of one-tenth of one percent of the remaining unpaid principal balance in the event the loan is assumed by the transferee and the existing borrower continues after the transfer to be obligated for repayment of the entire assumed indebtedness. A licensee may charge a fee not in excess of one percent of the remaining unpaid principal balance in the event the remaining indebtedness is assumed by the transferee and the existing borrower is released from all obligations under the loan instruments, but in no event shall the fee exceed ~~\$150~~ \$240.

A licensee making a loan under this chapter secured by a lien on real estate shall comply with the requirements of section 47.20, subdivision 8.

No licensee shall conduct the business of making loans under this chapter within any office, room, or place of business in which any other business is solicited or engaged in, or in association or conjunction therewith, if the commissioner finds that the character of the other business is such that it would facilitate evasions of this chapter or of the rules lawfully made hereunder. The commissioner may promulgate rules dealing with such other businesses.

No licensee shall transact the business or make any loan provided for by this chapter under any other name or at any other place of business than that named in the license. No licensee shall take any confession of judgment or any power of attorney. No licensee shall take any note or promise to pay that does not accurately disclose the principal amount of the loan, the time for which it is

made, and the agreed rate or amount of charge, nor any instrument in which blanks are left to be filled in after execution. Nothing herein is deemed to prohibit the making of loans by mail or arranging for settlement and closing of real estate secured loans by an unrelated qualified closing agent at a location other than the licensed location.

Sec. 21. Minnesota Statutes 1994, section 56.125, subdivision 2, is amended to read:

Subd. 2. [REAL ESTATE AS SECURITY.] A licensee may take a lien upon real estate as security for any open-end loan at or after such time as the outstanding balance first exceeds ~~\$2,700~~ \$4,320. A subsequent reduction in the balance below ~~\$2,700~~ \$4,320 has no effect on the lien. A licensee may retain the security interest until it terminates the open-end account. If there is no outstanding balance in the account and there is no commitment by the licensee to a line of credit in excess of ~~\$2,700~~ \$4,320, the licensee shall, within 20 days following written demand by the borrower, deliver to the borrower a release of the mortgage on any real property taken as security for the open-end loan agreement. A real estate mortgage authorized for a financial institution secures all advances and obligations thereunder from the date of recording.

Sec. 22. Minnesota Statutes 1994, section 56.131, subdivision 1, is amended to read:

Subdivision 1. [INTEREST RATES AND CHARGES.] (a) On any loan in a principal amount not exceeding ~~\$35,000~~ \$56,000 or 15 percent of a Minnesota corporate licensee's capital stock and surplus as defined in section 53.015, if greater, a licensee may contract for and receive interest, calculated according to the actuarial method, not exceeding the equivalent of the greater of any of the following:

(1) the total of: (i) 33 percent per year on that part of the unpaid balance of the principal amount not exceeding \$750; and (ii) 19 percent per year on that part of the unpaid balance of the principal amount exceeding \$750; or

(2) 21.75 percent per year on the unpaid balance of the principal amount.

(b) On any loan where interest has been calculated according to the method provided for in paragraph (a), clause (1), interest must be contracted for and earned as provided in that provision or at the single annual percentage rate computed to the nearest 1/100 of one percent that would earn the same total interest at maturity of the contract as would be earned by the application of the graduated rates provided in paragraph (a), clause (1), when the debt is paid according to the agreed terms and the calculations are made according to the actuarial method.

(c) Loans may be interest-bearing or precomputed.

(d) To compute time on interest-bearing and precomputed loans, including, but not limited to the calculation of interest, a day is considered 1/30 of a month when calculation is made for a fraction of a calendar month. A year is 12 calendar months. A calendar month is that period from a given date in one month to the same numbered date in the following month, and if there is no same numbered date, to the last day of the following month. When a period of time includes a whole month and a fraction of a month, the fraction of a month is considered to follow the whole month.

In the alternative, for interest-bearing loans, a licensee may charge interest at the rate of 1/365 of the agreed annual rate for each actual day elapsed.

(e) With respect to interest-bearing loans:

(1) Interest must be computed on unpaid principal balances outstanding from time to time, for the time outstanding. Each payment must be applied first to the accumulated interest and the remainder of the payment applied to the unpaid principal balance; provided however, that if the amount of the payment is insufficient to pay the accumulated interest, the unpaid interest continues to accumulate to be paid from the proceeds of subsequent payments and is not added to the principal balance.

(2) Interest must not be payable in advance or compounded. However, if part or all of the consideration for a new loan contract is the unpaid principal balance of a prior loan, then the principal amount payable under the new loan contract may include any unpaid interest which has accrued. The unpaid principal balance of a precomputed loan is the balance due after refund or

credit of unearned interest as provided in paragraph (f), clause (3). The resulting loan contract is deemed a new and separate loan transaction for all purposes.

(f) With respect to precomputed loans:

(1) Loans must be repayable in substantially equal and consecutive monthly installments of principal and interest combined, except that the first installment period may be more or less than one month by not more than 15 days, and the first installment payment amount may be larger than the remaining payments by the amount of interest charged for the extra days and must be reduced by the amount of interest for the number of days less than one month to the first installment payment; and monthly installment payment dates may be omitted to accommodate borrowers with seasonal income.

(2) Payments may be applied to the combined total of principal and precomputed interest until the loan is fully paid. Payments must be applied in the order in which they become due.

(3) When any loan contract is paid in full by cash, renewal or refinancing, or a new loan, one month or more before the final installment due date, a licensee shall refund or credit the borrower with the total of the applicable charges for all fully unexpired installment periods, as originally scheduled or as deferred, which follow the day of prepayment; if the prepayment is made other than on a scheduled payment date, the nearest scheduled installment payment date must be used in the computation; provided further, if the prepayment occurs prior to the first installment due date, the licensee may retain 1/30 of the applicable charge for a first installment period of one month for each day from the date of the loan to the date of prepayment, and shall refund or credit the borrower with the balance of the total interest contracted for. If the maturity of the loan is accelerated for any reason and judgment is entered, the licensee shall credit the borrower with the same refund as if prepayment in full had been made on the date the judgment is entered.

(4) If an installment, other than the final installment, is not paid in full within ten days of its scheduled due date, a licensee may contract for and receive a default charge not exceeding five percent of the amount of the installment, but not less than \$4 ~~\$5.20~~.

A default charge under this subdivision may not be collected on an installment paid in full within ten days of its scheduled due date, or deferred installment due date with respect to deferred installments, even though a default or deferral charge on an earlier installment has not been paid in full. A default charge may be collected at the time it accrues or at any time thereafter.

(5) If the parties agree in writing, either in the loan contract or in a subsequent agreement, to a deferment of wholly unpaid installments, a licensee may grant a deferment and may collect a deferment charge as provided in this section. A deferment postpones the scheduled due date of the earliest unpaid installment and all subsequent installments as originally scheduled, or as previously deferred, for a period equal to the deferment period. The deferment period is that period during which no installment is scheduled to be paid by reason of the deferment. The deferment charge for a one-month period may not exceed the applicable charge for the installment period immediately following the due date of the last undeferred payment. A proportionate charge may be made for deferment for periods of more or less than one month. A deferment charge is earned pro rata during the deferment period and is fully earned on the last day of the deferment period. Should a loan be prepaid in full during a deferment period, the licensee shall make or credit to the borrower a refund of the unearned deferment charge in addition to any other refund or credit made for prepayment of the loan in full.

(6) If two or more installments are delinquent one full month or more on any due date, and if the contract so provides, the licensee may reduce the unpaid balance by the refund credit which would be required for prepayment in full on the due date of the most recent maturing installment in default. Thereafter, and in lieu of any other default or deferment charges, the single annual percentage rate permitted by this subdivision may be charged on the unpaid balance until fully paid.

(7) Following the final installment as originally scheduled or deferred, the licensee, for any loan contract which has not previously been converted to interest-bearing under clause (6), may charge interest on any balance remaining unpaid, including unpaid default or deferment charges, at the single annual percentage rate permitted by this subdivision until fully paid.

(8) With respect to a loan secured by an interest in real estate, and having a maturity of more than 60 months, the original schedule of installment payments must fully amortize the principal and interest on the loan. The original schedule of installment payments for any other loan secured by an interest in real estate must provide for payment amounts that are sufficient to pay all interest scheduled to be due on the loan.

Sec. 23. Minnesota Statutes 1994, section 56.131, subdivision 2, is amended to read:

Subd. 2. [ADDITIONAL CHARGES.] In addition to the charges provided for by this section and section 56.155, no further or other amount whatsoever, shall be directly or indirectly charged, contracted for, or received for the loan made, except actual out of pocket expenses of the licensee to realize on a security after default, and except for the following additional charges which may be included in the principal amount of the loan:

(a) lawful fees and taxes paid to any public officer to record, file, or release security;

(b) with respect to a loan secured by an interest in real estate, the following closing costs, if they are bona fide, reasonable in amount, and not for the purpose of circumvention or evasion of this section; provided the costs do not exceed one percent of the principal amount or \$250 \$400, whichever is greater:

(1) fees or premiums for title examination, abstract of title, title insurance, surveys, or similar purposes;

(2) fees, if not paid to the licensee, an employee of the licensee, or a person related to the licensee, for preparation of a mortgage, settlement statement, or other documents, fees for notarizing mortgages and other documents, and appraisal fees;

(c) the premium for insurance in lieu of perfecting and releasing a security interest to the extent that the premium does not exceed the fees described in paragraph (a);

(d) discount points and appraisal fees may not be included in the principal amount of a loan secured by an interest in real estate when the loan is a refinancing for the purpose of bringing the refinanced loan current and is made within 24 months of the original date of the refinanced loan. For purposes of this paragraph, a refinancing is not considered to be for the purpose of bringing the refinanced loan current if new funds advanced to the customer, not including closing costs or delinquent installments, exceed \$1,000.

Sec. 24. Minnesota Statutes 1994, section 56.131, subdivision 4, is amended to read:

Subd. 4. [ADJUSTMENT OF DOLLAR AMOUNTS.] (a) The dollar amounts in this section, sections 53.04, subdivision 3a, paragraph (c), 56.01, 56.12, and 56.125 shall change periodically, as provided in this section, according to and to the extent of changes in the implicit price deflator for the gross national domestic product, 1972 1987 = 100, compiled by the United States Department of Commerce, and hereafter referred to as the index. The index for December 1980 1991 is the reference base index for adjustments of dollar amounts, ~~except that the index for December 1984 is the reference base index for the minimum default charge of \$4. The reference base index for subdivision 1, paragraph (a), clause (1), and subdivision 2, paragraph (d), is December 1990.~~

(b) The designated dollar amounts shall change on July 1 of each even-numbered year if the percentage of change, calculated to the nearest whole percentage point, between the index for December of the preceding year and the reference base index is ten percent or more, but;

(1) the portion of the percentage change in the index in excess of a multiple of ten percent shall be disregarded and the dollar amounts shall change only in multiples of ten percent of the amounts appearing in Laws 1981, chapter 258 this act, on the date of enactment; and

(2) the dollar amounts shall not change if the amounts required by this section are those currently in effect pursuant to Laws 1981, chapter 258 this act, as a result of earlier application of this section.

(c) If the index is revised, the percentage of change pursuant to this section shall be calculated

on the basis of the revised index. If a revision of the index changes the reference base index, a revised reference base index shall be determined by multiplying the reference base index then applicable by the rebasing factor furnished by the department of commerce. If the index is superseded, the index referred to in this section is the one represented by the department of commerce as reflecting most accurately changes in the purchasing power of the dollar for consumers.

(d) The commissioner shall announce and publish:

(1) on or before April 30 of each year in which dollar amounts are to change, the changes in dollar amounts required by paragraph (b); and

(2) promptly after the changes occur, changes in the index required by paragraph (c) including, if applicable, the numerical equivalent of the reference base index under a revised reference base index and the designation or title of any index superseding the index.

(e) A person does not violate this chapter with respect to a transaction otherwise complying with this chapter if that person relies on dollar amounts either determined according to paragraph (b), clause (2) or appearing in the last publication of the commissioner announcing the then current dollar amounts.

(f) The adjustments provided in this section shall not be affected unless explicitly provided otherwise by law.

Sec. 25. Minnesota Statutes 1994, section 56.131, subdivision 6, is amended to read:

Subd. 6. [DISCOUNT POINTS.] A loan made under this section that is secured by real estate and that is in a principal amount of ~~\$7,500~~ \$12,000 or more and has a maturity of 60 months or more may contain a provision permitting discount points, if the loan does not provide a loan yield in excess of the maximum rate of interest permitted by this section. Loan yield means the annual rate of return obtained by a licensee computed as the annual percentage rate is computed under Federal Regulation Z. If the loan is prepaid in full, the licensee must make a refund to the borrower to the extent that the loan yield will exceed the maximum rate of interest provided by this section when the prepayment is taken into account.

Sec. 26. Minnesota Statutes 1994, section 56.17, is amended to read:

56.17 [LIMITATION; ASSIGNMENT OF WAGES; SECURITY AGREEMENT.]

No assignment of, or order for payment of, any salary, wages, commissions, or other compensation for services earned or to be earned, given to secure any loan made by any licensee under this chapter, shall be valid unless the principal amount of the loan is ~~\$1,200 or less and is paid to the borrower simultaneously with its execution;~~ nor shall any assignment or order, or any security agreement or other lien on household furniture then in the possession and use of the borrower, be valid unless it is in writing, signed in person by the borrower, ~~nor if the borrower is married, unless it is signed in person by both husband and wife; provided, that written assent of a spouse shall not be required when husband and wife have been living separate and apart for a period of at least five months prior to the making of the assignment, order, security agreement, or lien.~~

Under any assignment or order for the payment of future salary, wages, commissions, or other compensation for services, given as security for a loan made by any licensee under this chapter, a sum not to exceed ten percent of the borrower's salary, wages, commissions, or other compensation for services shall be collectible from the employer of the borrower by the licensee at the time for each payment to the borrower of salary, wages, commissions, or other compensation for services, from the time that a copy of the assignment, verified by the oath of the licensee or the licensee's agent, together with a similarly verified statement of the amount unpaid upon the loan and a printed copy of this section is served upon the employer; provided, that this section shall not be construed as giving the assignee any greater rights than those under section 181.05.

This section shall control, with respect to licensees, notwithstanding anything in section 47.59, subdivision 12, clause (c), to the contrary.

## Sec. 27. [REVISOR INSTRUCTION.]

The revisor of statutes shall change the term "building and loan association" or "savings, building and loan association" or similar term to "savings association" or similar term in Minnesota Statutes and Minnesota Rules.

## Sec. 28. [REPEALER.]

Minnesota Statutes 1994, sections 46.03; 48.611; and 48.97, subdivisions 2, 3, and 4, are repealed.

## Sec. 29. [EFFECTIVE DATE.]

Sections 1 to 16, 18 to 21, and 23 to 26 are effective the day after final enactment.

## ARTICLE 2

## REGULATORY IMPROVEMENT

Section 1. Minnesota Statutes 1994, section 46.04, is amended by adding a subdivision to read:

Subd. 3. [FINANCIAL INSTITUTIONS AND LICENSEE RECORDS.] For purposes of examination and regulation of those entities referred to in subdivisions 1 and 2, records may be maintained on optical image storage systems acceptable to the commissioner. Electronically maintained and stored records must meet the following minimum standards:

(1) a document or record may be transferred to and stored on a nonerasable imaging system and retained only in that format if all documents and records preserved on nonerasable optical imaging systems meet nationally recognized standards for permanent records and are available for retrieval for as long as applicable law requires;

(2) a backup copy of the record is created and stored at a site other than the site where the original is kept. The backup copy must be preserved either: (i) on a nonerasable optical imaging system; or (ii) by another reproduction method approved by the commissioner; and

(3) all contracts for third-party maintenance and storage of those records must include assurance of access by the commissioner consistent with the purposes of this section.

Sec. 2. Minnesota Statutes 1994, section 46.041, subdivision 1, is amended to read:

Subdivision 1. [FILING; FEE; PUBLIC INSPECTION.] The incorporators of a bank proposed to be organized under the laws of this state shall execute and acknowledge a written application in the form prescribed by the commissioner of commerce. The application must be signed by two or more of the incorporators and request a certificate authorizing the proposed bank to transact business at the place and in the name stated in the application. The applicant shall file the application with the department with a \$1,000 filing fee and a \$500 investigation fee. The fees must be turned over by the commissioner to the state treasurer and credited to the general fund. The application file must be public, with the exception of financial data on individuals which is private under the Minnesota government data practices act and data defined as trade secret information under section 13.37, subdivision 1, paragraph (b), which must be given nonpublic classification upon written request by the applicant.

Sec. 3. Minnesota Statutes 1994, section 47.10, subdivision 3, is amended to read:

Subd. 3. [LEASEHOLD PLACE OF BUSINESS; APPROVAL OF CERTAIN LEASE AGREEMENTS.] No bank, trust company, savings bank, or ~~building and loan savings~~ association may acquire real property and improvements of any nature to it for its place of business by lease agreement if the lessor has an existing direct or indirect interest in the management or ownership of the bank, trust company, savings bank, or ~~building and loan savings~~ association without prior written approval by the commissioner. This includes subsequent amendments and associated leasehold improvements. A lessee's expenditures to maintain the leasehold premises consistent with ordinary business conditions and within the preapproved lease agreement does not constitute an amendment requiring prior written approval.

Sec. 4. Minnesota Statutes 1994, section 47.20, subdivision 5, is amended to read:

Subd. 5. [PREPAYMENT PENALTY.] (a) Unless the mortgagor waives its right to prepay the mortgage without penalty, in a uniform written disclosure waiver approved by the commissioner and signed by the mortgagor, no conventional loan or loan authorized in subdivision 1 made on or after the effective date of Laws 1977, chapter 350 shall contain a provision requiring or permitting the imposition of a penalty in the event the loan or advance of credit is prepaid. The prepayment penalty shall be the lesser of two percent of the unpaid principal balance or 60 days interest on the unpaid principal balance. A lender that offers a mortgage loan with a prepayment penalty shall also offer a mortgage loan without a prepayment penalty.

This section does not permit the imposition of a prepayment penalty in the event that the property securing the mortgage is sold or the mortgage is prepaid in part. No prepayment penalty may be enforced after 42 months from the date of the mortgage.

(b) A precomputed conventional loan or precomputed loan authorized in subdivision 1 shall provide for a refund of the precomputed finance charge according to the actuarial method if the loan is paid in full by cash, renewal or refinancing, or a new loan, one month or more before the final installment due date. The actuarial method for the purpose of this section is the amount of interest attributable to each fully unexpired monthly installment period of the loan contract following the date of prepayment in full, calculated as if the loan was made on an interest-bearing basis at the rate of interest provided for in the note based on the assumption that all payments were made according to schedule. A precomputed loan for the purpose of this section means a loan for which the debt is expressed as a sum comprised of the principal amount and the amount of interest for the entire term of the loan computed actuarially in advance on the assumption that all scheduled payments will be made when due, and does not include a loan for which interest is computed from time to time by application of a rate to the unpaid principal balance, interest-bearing loans, or simple-interest loans. For the purpose of calculating a refund for precomputed loans under this section, any portion of the finance charge for extending the first payment period beyond one month may be ignored. Nothing in this section shall be considered a limitation on discount points or other finance charges charged or collected in advance, and nothing in this section shall require a refund of the charges in the event of prepayment. Nothing in this section shall be considered to supersede section 47.204.

Sec. 5. Minnesota Statutes 1994, section 47.20, subdivision 10, is amended to read:

Subd. 10. [WAIVER.] Notwithstanding any other law Except as provided in subdivision 5, the provisions of this section may not be waived by any oral or written agreement executed by any person.

Sec. 6. Minnesota Statutes 1994, section 47.52, is amended to read:

#### 47.52 [AUTHORIZATION.]

(a) With the prior approval of the commissioner, any bank doing business in this state may establish and maintain not more than five detached facilities provided the facilities are located within the municipality in which the principal office of the applicant bank is located; or within 5,000 feet of its principal office measured in a straight line from the closest points of the closest structures involved; or within 100 miles of its principal office measured in a straight line from the closest points of the closest structures involved, if the detached facility is within any municipality in which no bank is located at the time of application or if the detached facility is in a municipality having a population of more than 10,000, or if the detached facility is located in a municipality having a population of 10,000 or less, as determined by the commissioner from the latest available data from the state demographer, or for municipalities located in the seven-county metropolitan area from the metropolitan council, and all the banks having a principal office in the municipality have consented in writing to the establishment of the facility.

(b) A detached facility shall not be closer than 50 feet to a detached facility operated by any other bank and shall not be closer than 100 feet to the principal office of any other bank, the measurement to be made in the same manner as provided above. This paragraph shall not be applicable if the proximity to the facility or the bank is waived in writing by the other bank and filed with the application to establish a detached facility.

(c) Any bank is allowed, in addition to other facilities, one drive-in or walk-up facility located between 150 to 1,500 feet of the main banking house or within 1,500 feet from a detached facility. The drive-in or walk-up facility permitted by this clause is subject to paragraph (b) and section 47.53.

(d) A bank is allowed, in addition to other facilities, part-time deposit-taking locations at elementary and secondary schools located within the municipality if they are established in connection with student education programs approved by the school administration and consistent with safe, sound banking practices.

Sec. 7. Minnesota Statutes 1994, section 47.56, is amended to read:

47.56 [TRANSFER OF LOCATION.]

The location of a detached facility ~~may be transferred to another location;~~ outside of a radius of three miles measured in a straight line is subject to the same procedures and approval as required hereunder for establishing a new detached facility, except that the relocation of a detached facility within a municipality of 10,000 or less population shall not require consent of other banks required in section 47.52.

Sec. 8. Minnesota Statutes 1994, section 47.61, subdivision 3, is amended to read:

Subd. 3. "Electronic financial terminal" means an electronic information processing device, other than a telephone or an electronic information processing device that is used internally by a financial institution to conduct the business activities of the institution, or an electronic point-of-sale terminal owned or operated by a merchant that is used to process payments for the retail purchase of goods and services by consumers through the use of debit cards, and which payment transactions are subject to the Electronic Fund Transfer Act, United States Code, title 12, section 1693, and Regulation E of the Federal Reserve Board, Code of Federal Regulations, title 12, part 205.2, and, notwithstanding this section, are subject to liability under section 47.69, subdivision 3, that is established to do either or both of the following:

- (a) capture the data necessary to initiate financial transactions; or
- (b) through its attendant support system, store or initiate the transmission of the information necessary to consummate a financial transaction.

Sec. 9. Minnesota Statutes 1994, section 47.62, subdivision 2, is amended to read:

Subd. 2. No electronic financial terminal shall be established by a person other than a state or federal savings and loan association, state or federal savings bank, state or federal credit union, or state bank or national banking association unless the commissioner has approved the establishment of the terminal.

Sec. 10. Minnesota Statutes 1994, section 47.62, is amended by adding a subdivision to read:

Subd. 5. A bank, savings bank, savings association, or credit union organized under the laws of this state may, after completing the notification procedure required by this subdivision, establish and maintain one or more electronic financial terminals. The filing must be on forms provided by the commissioner. (6) the creation of debt pursuant to open-end credit.

"Loan" does not include the forbearance of debt arising from a sale or lease, a credit sale

contract, or an overdraft from a person's deposit account with a financial institution which is not pursuant to a written agreement to pay overdrafts with the right to defer repayment thereof.

(m) "Official fees" means:

(1) fees and charges which actually are or will be paid to public officials for determining the existence of or for perfecting, releasing, terminating, or satisfying a security interest or mortgage relating to a loan or credit sale, and any separate fees or charges which actually are or will be paid to public officials for recording a notice described in section 580.032, subdivision 1; and

(2) premiums payable for insurance in lieu of perfecting a security interest or mortgage otherwise required by a financial institution in connection with a loan or credit sale, if the premium does not exceed the fees and charges described in clause (1), which would otherwise be payable.

(n) "Organization" means a corporation, government, or government subdivision or agency, trust, estate, partnership, joint venture, cooperative, limited liability company, limited liability partnership, or association.

(o) "Person" means a natural person or an organization.

(p) "Principal" means the total of:

(1) the amount paid to, received by or paid or repayable for the account of the borrower; and

(2) to the extent that payment is deferred:

(i) the amount actually paid or to be paid by the financial institution for additional charges permitted under this section; and

(ii) prepaid finance charges.

Subd. 2. [APPLICATION.] This section does not apply to loans and other direct advances of credit made by financial institutions as lender or creditor under sections 47.20, 47.21, 47.201, 47.204, 47.58, 47.60, 48.185, 48.195, 59A.01, 334.01, 334.011, 334.012, 334.06, and 334.061 to 334.19.

Subd. 3. [FINANCE CHARGE FOR LOANS.] (a) With respect to a loan, including a loan pursuant to open-end credit but excluding open-end credit pursuant to a credit card, a financial institution may contract for and receive a finance charge on the unpaid balance of the principal amount not to exceed the greater of:

(1) an annual percentage rate not exceeding 21.75 percent; or

(2) the total of:

(i) 33 percent per year on that part of the unpaid balance of the principal amount not exceeding \$750; and

(ii) 19 percent per year on that part of the unpaid balance of the principal amount exceeding \$750.

With respect to open-end credit pursuant to a credit card, the financial institution may contract for and receive a finance charge on the unpaid balance of the principal amount at an annual percentage rate not exceeding 18 percent per year.

(b) On a loan where the finance charge is calculated according to the method provided for in paragraph (a), clause (2), the finance charge must be contracted for and earned as provided in that provision or at the single annual percentage rate computed to the nearest .001 of one percent that would earn the same total finance charge at maturity of the contract as would be earned by the application of the graduated rates provided in paragraph (a), clause (2), when the debt is paid according to the agreed terms and the calculations are made according to the actuarial method.

(c) With respect to a loan, the finance charge must be considered not to exceed the maximum

annual percentage rate permitted under this section if the finance charge contracted for and received does not exceed the equivalent of the maximum annual percentage rate calculated in accordance with Code of Federal Regulations, title 12, part 226, except that the following will not in any event be considered a finance charge:

(1) a charge as a result of default or delinquency under subdivision 6 if made for actual unanticipated late payment, delinquency, default, or other similar occurrence, and a charge made for an extension or deferment under subdivision 5, unless the parties agree that these charges are finance charges;

(2) an additional charge under subdivision 6; or

(3) a discount, if a financial institution purchases a loan at less than the face amount of the obligation or purchases or satisfies obligations of a cardholder pursuant to a credit card and the purchase or satisfaction is made at less than the face amount of the obligation.

(d) This subdivision does not limit or restrict the manner of calculating the finance charge, whether by way of add-on, discount, discount points, precomputed charges, single annual percentage rate, variable rate, interest in advance, compounding, average daily balance method, or otherwise, if the annual percentage rate does not exceed that permitted by this section.

(e) With respect to a loan secured by real estate, if a finance charge is calculated or collected in advance, or included in the principal amount of the loan, and the borrower prepays the loan in full, the financial institution shall credit the borrower with a refund of the charge to the extent that the annual percentage rate yield on the loan would exceed the maximum rate permitted under paragraph (a), taking into account the prepayment.

(f) With respect to all other loans, if the finance charge is calculated or collected in advance, or included in the principal amount of the loan, and the borrower prepays the loan in full, the financial institution shall credit the borrower with a refund of the charge to the extent the annual percentage rate yield on the loan would exceed the annual percentage rate on the loan as originally determined under paragraph (a) and taking into account the prepayment.

(g) For the purpose of calculating the refund under this subdivision, the financial institution may assume that the contract was paid before the date of prepayment according to the schedule of payments under the loan and that all payments were paid on their due dates.

(h) For loans repayable in substantially equal successive monthly installments, the financial institution may calculate the refund under paragraph (f) of this subdivision as the portion of the finance charge allocable on an actuarial basis to all wholly unexpired payment periods following the date of prepayment, based on the annual percentage rate on the loan as originally determined under paragraph (a), and for the purpose of calculating the refund may assume that all payments are made on the due date.

(i) The dollar amounts in this subdivision and subdivision 6, clause (4), shall change periodically, as provided in this section, according to and to the extent of changes in the implicit price deflator for the gross domestic product, 1987 = 100, compiled by the United States Department of Commerce, and hereafter referred to as the index. The index for December 1991 is the reference base index for adjustments of dollar amounts.

(j) The designated dollar amounts shall change on July 1 of each even-numbered year if the percentage of change, calculated to the nearest whole percentage point, between the index for December of the preceding year and the reference base index is ten percent or more; but

(1) the portion of the percentage change in the index in excess of a multiple of ten percent shall be disregarded and the dollar amounts shall change only in multiples of ten percent of the amounts appearing in this act, on the date of enactment; and

(2) the dollar amounts shall not change if the amounts required by this section are those currently in effect pursuant to this act, as a result of earlier application of this section.

(k) If the index is revised, the percentage of change pursuant to this section shall be calculated on the basis of the revised index. If a revision of the index changes the reference base index, a

revised reference base index shall be determined by multiplying the reference base index then applicable by the rebasing factor furnished by the department of commerce. If the index is superseded, the index referred to in this section is the one represented by the department of commerce as reflecting most accurately changes in the purchasing power of the dollar for consumers.

(l) The commissioner shall announce and publish:

(1) on or before April 30 of each year in which dollar amounts are to change, the changes in dollar amounts required by paragraph (j); and

(2) promptly after the changes occur, changes in the index required by paragraph (k) including, if applicable, the numerical equivalent of the reference base index under a revised reference base index and the designation or title of any index superseding the index.

(m) A person does not violate this chapter with respect to a transaction otherwise complying with this chapter if that person relies on dollar amounts either determined according to paragraph (j), clause (2), or appearing in the last publication of the commissioner announcing the then current dollar amounts.

(n) The adjustments provided in this section shall not be affected unless explicitly provided otherwise by law.

Subd. 4. [FINANCE CHARGE FOR CREDIT SALES MADE BY A THIRD PARTY.] (a) A person may enter into a credit sale contract for sale to a financial institution and a financial institution may purchase and enforce the contract, if the annual percentage rate provided for in the contract does not exceed that permitted in this section, or, in the case of contracts governed by sections 168.66 to 168.77, the rates permitted by those sections.

(b) The annual percentage rate may not exceed the equivalent of the greater of either of the following:

(1) the total of:

(i) 36 percent per year on that part of the unpaid balances of the amount financed that is \$300 or less;

(ii) 21 percent per year on that part of the unpaid balances of the amount financed which exceeds \$300 but does not exceed \$1,000; and

(iii) 15 percent per year on that part of the unpaid balances of the amount financed which exceeds \$1,000; or

(2) 19 percent per year on the unpaid balances of the amount financed.

(c) This subdivision does not limit or restrict the manner of calculating the finance charge whether by way of add-on, discount, discount points, single annual percentage rate, precomputed charges, variable rate, interest in advance, compounding, or otherwise, if the annual percentage rate calculated under paragraph (d) does not exceed that permitted by this section. The finance charge may be contracted for and earned at the single annual percentage rate that would earn the same finance charge as the graduated rates when the debt is paid according to the agreed terms and the finance charge is calculated under paragraph (d). If the finance charge is calculated and collected in advance, or included in the principal amount of the contract, and the borrower prepays the contract in full, the financial institution shall credit the borrower with a refund of the charge to the extent the annual percentage rate yield on the contract would exceed the annual percentage rate on the contract as originally determined under paragraph (d) and taking into account the prepayment. For the purpose of calculating the refund under this subdivision, the financial institution may assume that the contract was paid before the date of prepayment according to the schedule of payments under the contract and that all payments were paid on their due dates. For contracts repayable in substantially equal successive monthly installments, the financial institution may calculate the refund as the portion of the finance charge allocable on an actuarial basis to all wholly unexpired payment periods following the date of prepayment, based on the annual percentage rate on the contract as originally determined under paragraph (d), and for the purpose of calculating the refund may assume that all payments are made on the due date.

(d) The annual percentage rate must be calculated in accordance with Code of Federal Regulations, title 12, part 226, except that the following will not in any event be considered a finance charge:

(1) a charge as a result of delinquency or default under subdivision 6 if made for actual unanticipated late payment, delinquency, default, or other similar occurrence, and a charge made for an extension or deferment under subdivision 5, unless the parties agree that these charges are finance charges;

(2) an additional charge under subdivision 6; or

(3) a discount, if a financial institution purchases a contract evidencing a credit sale at less than the face amount of the obligation or purchases or satisfies obligations of a cardholder according to a credit card and the purchase or satisfaction is made at less than the face amount of the obligation.

Subd. 5. [EXTENSIONS AND DEFERMENTS.] The parties may agree in writing, either in the loan contract or credit sale contract or in a subsequent agreement, to a deferment of wholly unpaid installments. For precomputed loans and credit sale contracts, the manner of deferment charge shall be determined as provided for in this section. A deferment postpones the scheduled due date of the earliest unpaid installment and all subsequent installments as originally scheduled, or as previously deferred, for a period equal to the deferment period. The deferment period is that period during which no installment is scheduled to be paid by reason of the deferment. The deferment charge for a one-month period may not exceed the applicable charge for the installment period immediately following the due date of the last undeferred payment. A proportionate charge may be made for deferment periods of more or less than one month. A deferment charge is earned pro rata during the deferment period and is fully earned on the last day of the deferment period. If a loan or credit sale is prepaid in full during a deferment period, the financial institution shall make or credit to the borrower a refund of the unearned deferment charge in addition to any other refund or credit made for prepayment of the loan or credit sale in full.

For the purpose of this subdivision, "applicable charge" means the amount of finance charge attributable to each monthly installment period for the loan or credit sale contract. The applicable charge is computed as if each installment period were one month and any charge for extending the first installment period beyond the one month, or reduction in charge for a first installment less than one month, is ignored. The applicable charge for any installment period is that which would have been made for the period had the loan been made on an interest-bearing basis at the single annual percentage rate provided for in the contract based upon the assumption that all payments were made according to schedule. For convenience in computation, the financial institution may round the single annual rate to the nearest one quarter of one percent.

Subd. 6. [ADDITIONAL CHARGES.] (a) In addition to the finance charges permitted by this section, a financial institution may contract for and receive the following additional charges that may be included in the amount financed:

(1) official fees and taxes;

(2) charges for insurance as described in paragraph (b);

(3) with respect to a loan or credit sale contract secured by real estate, the following "closing costs," if they are bona fide, reasonable in amount, and not for the purpose of circumvention or evasion of this section:

(i) fees or premiums for title examination, abstract of title, title insurance, surveys, or similar purposes;

(ii) fees for preparation of a deed, mortgage, settlement statement, or other documents, if not paid to the financial institution;

(iii) escrows for future payments of taxes, including assessments for improvements, insurance, and water, sewer, and land rents;

(iv) fees for notarizing deeds and other documents; and

(v) appraisal and credit report fees;

(4) a delinquency charge on a payment, including the minimum payment due in connection with the open-end credit, not paid in full on or before the tenth day after its due date in an amount not to exceed five percent of the amount of the payment or \$5.20, whichever is greater;

(5) for a returned check or returned automatic payment withdrawal request, an amount not in excess of the service charge limitation in section 332.50; and

(6) charges for other benefits, including insurance, conferred on the borrower that are of a type that is not for credit.

(b) An additional charge may be made for insurance written in connection with the loan or credit sale contract, which may be included in the amount financed:

(1) with respect to insurance against loss of or damage to property, or against liability arising out of the ownership or use of property, if the financial institution furnishes a clear, conspicuous, and specific statement in writing to the borrower setting forth the cost of the insurance if obtained from or through the financial institution and stating that the borrower may choose the person through whom the insurance is to be obtained;

(2) with respect to credit insurance providing life, accident, health, or unemployment coverage, if the insurance coverage is not required by the financial institution, and this fact is clearly and conspicuously disclosed in writing to the borrower, and the borrower gives specific, dated, and separately signed affirmative written indication of the borrower's desire to do so after written disclosure to the borrower of the cost of the insurance; and

(3) with respect to the vendor's single interest insurance, but only (i) to the extent that the insurer has no right of subrogation against the borrower; and (ii) to the extent that the insurance does not duplicate the coverage of other insurance under which loss is payable to the financial institution as its interest may appear, against loss of or damage to property for which a separate charge is made to the borrower according to clause (1); and (iii) if a clear, conspicuous, and specific statement in writing is furnished by the financial institution to the borrower setting forth the cost of the insurance if obtained from or through the financial institution and stating that the borrower may choose the person through whom the insurance is to be obtained.

(c) In addition to the finance charges and other additional charges permitted by this section, a financial institution may contract for and receive the following additional charges in connection with open-end credit, which may be included in the amount financed or balance upon which the finance charge is computed:

(1) annual charges, not to exceed \$50 per annum, payable in advance, for the privilege of opening and maintaining open-end credit;

(2) charges for the use of an automated teller machine;

(3) charges for any monthly or other periodic payment period in which the borrower has exceeded or, except for the financial institution's dishonor would have exceeded, the maximum approved credit limit, in an amount not in excess of the service charge permitted in section 332.50;

(4) charges for obtaining a cash advance in an amount not to exceed the service charge permitted in section 332.50; and

(5) charges for check and draft copies and for the replacement of lost or stolen credit cards.

Subd. 7. [ADVANCES TO PERFORM COVENANTS OF BORROWER OR PURCHASER.]

(a) If the agreement with respect to a loan or credit sale contract contains covenants by the borrower or purchaser to perform certain duties pertaining to insuring or preserving collateral and the financial institution according to the agreement pays for performance of the duties on behalf of the borrower or purchaser, the financial institution may add to the debt or contract balance the amounts so advanced. Before or within a reasonable time not less than 30 days after advancing any sums, the financial institution shall state to the borrower or purchaser in writing the amount of sums advanced or to be advanced, any charges with respect to this amount, and any revised

payment schedule and, if the duties of the borrower or purchaser performed by the financial institution pertain to insurance, a brief description of the insurance paid for or to be paid for by the financial institution including the type and amount of coverages. Additional information need not be given. The actions of the financial institution pursuant to this subdivision shall not be deemed to cure the borrower's failure to perform covenants in the loan or credit sale contract, unless the loan or credit sale contract expressly provides otherwise.

(b) A finance charge equal to that specified in the loan agreement or credit sale contract may be made for sums advanced under paragraph (a).

Subd. 8. [ATTORNEY FEES.] With respect to a loan or credit sale, the agreement may provide for payment by the borrower of the attorney fees and court costs incurred in connection with collection or foreclosure. This subdivision is not a limitation on attorney fees that may be charged to an organization.

Subd. 9. [RIGHT TO PREPAY.] The borrower or purchaser may prepay in full the unpaid balance of a consumer loan or credit sale contract, at any time without penalty.

Subd. 10. [CREDIT INSURANCE.] (a) The sale of credit insurance is subject to chapter 62B and the rules adopted under that chapter, but the term of the insurance may exceed 60 months if the loan or credit sale contract exceeds 60 months and the insurance will nevertheless be subject to chapter 62B and the rules adopted under that chapter. In case there are multiple consumers obligated under a transaction subject to this chapter, no policy or certificate or insurance providing credit life insurance may be procured by or through a financial institution or person described in subdivision 2 upon more than two of the consumers, in which case they may be insured jointly.

(b) A financial institution that provides credit insurance in relation to open-end credit may calculate the charge to the borrower in each billing cycle by applying the current premium rate to the balance in the manner permitted with respect to finance charges by the provisions on finance charge in this section.

(c) Upon prepayment in full of a consumer loan or credit sale contract by the proceeds of credit insurance, the consumer or the consumer's estate is entitled to a refund of any portion of a separate charge for insurance that by reason of prepayment is retained by the financial institution or returned to it by the insurer, unless the charge was computed from time to time on the basis of the balances of the consumer's loan or credit sale contract.

(d) This section does not require a financial institution to grant a refund to the consumer if all refunds due to the consumer under paragraph (c) amount to less than \$5 and, except as provided in paragraph (c), does not require the financial institution to account to the consumer for any portion of a separate charge for insurance because:

(1) the insurance is terminated by performance of the insurer's obligation;

(2) the financial institution pays or accounts for premiums to the insurer in amounts and at times determined by the agreement between them; or

(3) the financial institution receives directly or indirectly under a policy of insurance a gain or advantage not prohibited by law.

(e) Except as provided in paragraph (d), the financial institution shall promptly make or cause to be made an appropriate refund to the consumer with respect to a separate charge made to the consumer for insurance if:

(1) the insurance is not provided or is provided for a shorter term than for which the charge to the borrower for insurance was computed; or

(2) the insurance terminates before the end of the term for which it was written because of prepayment in full or otherwise.

(f) If a financial institution requires insurance, upon notice to the borrower, the borrower has the option of providing the required insurance through an existing policy of insurance owned or controlled by the borrower, or through a policy to be obtained and paid for by the borrower, but the financial institution for reasonable cause may decline the insurance provided by the borrower.

Subd. 11. [PROPERTY AND LIABILITY INSURANCE.] (a) Except as otherwise provided in this section and subject to the provisions on additional charges and maximum finance charges in this section, a financial institution may agree to sell, as an agent, property and liability insurance, and may contract for and receive a charge for this insurance separate from and in addition to other charges. A financial institution need not make a separate charge for the insurance provided or required by it. This section does not authorize the issuance of the insurance prohibited under any statute or rule governing the business of insurance nor does it authorize a financial institution to underwrite insurance.

(b) This section does not apply to an insurance premium loan. A financial institution may request cancellation of a policy of property or liability insurance only after the borrower's default or in accordance with a written authorization by the borrower. In either case, the cancellation does not take effect until written notice is delivered to the borrower or mailed to the borrower at the borrower's address as stated by the borrower. The notice must state that the policy may be canceled on a date not less than ten days after the notice is delivered, or, if the notice is mailed, not less than 13 days after it is mailed. A cancellation may not take effect until those notice periods expire.

Subd. 12. [CONSUMER PROTECTIONS.] (a) Financial institutions shall comply with the requirements of the federal Truth in Lending Act, United States Code, title 15, sections 1601 to 1693, in connection with a consumer loan or credit sale for a consumer purpose where the federal Truth in Lending Act is applicable.

(b) Financial institutions shall comply with the following consumer protection provisions in connection with a consumer loan or credit sale for a consumer purpose: sections 325G.02 to 325G.05; 325G.06 to 325G.11; 325G.15 to 325G.22; and 325G.29 to 325G.36, and Code of Federal Regulations, title 12, part 535, where those statutes or regulations are applicable.

(c) An assignment of a consumer's earnings by the consumer to a financial institution as payment or as security for payment of a debt arising out of a consumer loan or consumer credit sale is unenforceable by the financial institution and revocable by the consumer.

Subd. 13. [LOANS AND CONTRACTS OTHER THAN CONSUMER LOANS AND CONTRACTS.] Loans and credit sale contracts other than consumer loans and consumer credit sale contracts are not subject to the provisions and limitations of subdivisions 9, 10, 11, paragraph (b), and 12, and this section.

Subd. 14. [EFFECT OF VIOLATIONS ON RIGHTS OF PARTIES.] (a) If a financial institution has violated any provision of this section applying to collection of finance or other charges, the borrower or purchaser under a credit sale contract may recover damages and a penalty from the financial institution in an amount determined by the court but not less than \$100 nor more than \$1,000. With respect to violations arising from other than open-end credit transactions, no action may be brought according to this paragraph and no set-off or recoupment may be asserted according to this paragraph more than one year after the making of the debt.

(b) A borrower or purchaser under a credit sale contract is not obligated to pay a charge in excess of that allowed by this section and has a right of refund of any excess charge paid. A refund may not be made by reducing the borrower's or purchaser's obligation by the amount of the excess charge, unless the financial institution has notified the borrower or purchaser that the borrower or purchaser may request a refund and the borrower or purchaser has not so requested within 30 days thereafter. If the borrower or purchaser has paid an amount in excess of the lawful obligation under the agreement, the borrower or purchaser may recover the excess amount from the financial institution who made the excess charge or from an assignee of the financial institution's rights who undertakes direct collection of payments from or enforcement of rights against borrowers or purchasers arising from the debt.

(c) If a financial institution has contracted for or received a charge in excess of that allowed by this section, or if a borrower or purchaser under a credit sale contract is entitled to a refund and a person liable to the borrower or purchaser refuses to make a refund within a reasonable time after demand, the borrower or purchaser may recover from the financial institution or the person liable in an action other than a class action a penalty in an amount determined by the court but not less than \$100 nor more than \$1,000. With respect to excess charges arising from other than open-end

credit transactions, no action according to this paragraph may be brought more than one year after the making of the debt. For purposes of this paragraph, a reasonable time is presumed to be 30 days.

(d) A violation of this section does not impair rights on a debt.

(e) A financial institution is not liable for a penalty under paragraph (a) or (c) if it notifies the borrower or purchaser under a credit sale contract of a violation before the financial institution receives from the borrower or purchaser written notice of the violation or the borrower or purchaser has brought an action under this section, and the financial institution corrects the violation within 45 days after notifying the borrower or purchaser. If the violation consists of a prohibited agreement, giving the borrower or purchaser a corrected copy of the writing containing the violation is sufficient notification and correction. If the violation consists of an excess charge, correction must be made by an adjustment or refund.

(f) A financial institution may not be held liable in an action brought under this section for a violation of this section if the financial institution shows by a preponderance of evidence that the violation was not intentional and resulted from a bona fide error notwithstanding the maintenance of procedures reasonably adopted to avoid the error.

(g) In an action in which it is found that a financial institution has violated this section, the court shall award to the borrower or the purchaser under a credit sale contract the costs of the action and to the borrower's or purchaser's attorneys their reasonable fees.

## Sec. 2. [47.60] [CONSUMER SMALL LOANS.]

Subdivision 1. [DEFINITIONS.] For purposes of this section, the terms defined have the meanings given them:

(a) "Consumer small loan" is a loan transaction in which cash is advanced to a borrower for the borrower's own personal, family, or household purpose. A consumer small loan is a short-term, unsecured loan to be repaid in a single installment. The cash advance of a consumer small loan is equal to or less than \$350.

A consumer small loan includes an indebtedness evidenced by but not limited to a promissory note or agreement to defer the presentation of a personal check for a fee.

(b) "Consumer small loan lender" is a financial institution as defined in section 47.59 or a person registered with the commissioner and engaged in the business of making consumer small loans.

Subd. 2. [AUTHORIZATION, TERMS, CONDITIONS, AND PROHIBITIONS.] (a) In lieu of the interest, finance charges, or fees in any other law, a consumer small loan lender may charge the following:

(i) on any amount up to and including \$50, a charge of \$5.50 may be added;

(ii) on amounts in excess of \$50, but not more than \$100, a charge may be added equal to ten percent of the loan proceeds plus a \$5 administrative fee;

(iii) on amounts in excess of \$100, but not more than \$250, a charge may be added equal to seven percent of the loan proceeds with a minimum of \$10 plus a \$5 administrative fee;

(iv) for amounts in excess of \$250 and not greater than the maximum in subdivision 1, paragraph (a), a charge may be added equal to six percent of the loan proceeds with a minimum of \$17.50 plus a \$5 administrative fee.

(b) The term of a loan made under this section shall be 30 days.

(c) After maturity, the contract rate must not exceed 2.75 percent per month of the remaining loan proceeds after the maturity date calculated at a rate of 1/30 of the monthly rate in the contract for each calendar day the balance is outstanding.

(d) No insurance charges or other charges must be permitted to be charged, collected, or imposed on a consumer small loan except as authorized in this section.

(e) On a loan transaction in which cash is advanced in exchange for a personal check, a return check charge may be charged as authorized by section 332.50, subdivision 2, paragraph (d).

(f) A loan made under this section must not be repaid by the proceeds of another loan made under this section by the same lender or related interest. The proceeds from a loan made under this section must not be applied to another loan from the same lender or related interest. No loan to a single borrower made pursuant to this section shall be split or divided and no single borrower shall have outstanding more than one loan with the result of collecting a higher charge than permitted by this section or in an aggregate amount of principal exceed at any one time the maximum of \$350.

Subd. 3. [FILING.] Before a person other than a financial institution as defined by section 47.59 engages in the business of making consumer small loans, the person shall file with the commissioner as a consumer small loan lender. The filing must be on a form prescribed by the commissioner together with a fee of \$150 for each place of business and contain the following information in addition to the information required by the commissioner:

(1) evidence that the filer has available for the operation of the business at the location specified, liquid assets of at least \$50,000; and

(2) a biographical statement on the principal person responsible for the operation and management of the business to be certified.

Revocation of the filing and the right to engage in the business of a consumer small loan lender is the same as in the case of a regulated lender license in section 56.09.

Subd. 4. [BOOKS OF ACCOUNT; ANNUAL REPORT; SCHEDULE OF CHARGES; DISCLOSURES.] (a) A lender filing under subdivision 3 shall keep and use in the business books, accounts, and records as will enable the commissioner to determine whether the filer is complying with this section.

(b) A lender filing under subdivision 3 shall annually on or before March 15 file a report to the commissioner giving the information the commissioner reasonably requires concerning the business and operations during the preceding calendar year.

(c) A lender filing under subdivision 3 shall display prominently in each place of business a full and accurate schedule, to be approved by the commissioner, of the charges to be made and the method of computing those charges; furnish a copy of the contract of loan to a person obligated on it or who may become obligated on it at any time upon the request of that person. This is in addition to any disclosures required by the federal Truth in Lending Act, United States Code, title 15.

(d) Upon repayment of the loan in full, mark indelibly every obligation signed by the borrower with the word "Paid" or "Canceled" within 20 days after repayment.

Subd. 5. [COMPLAINTS ALLEGING VIOLATION.] A person obligated to or having been obligated to a consumer small loan lender filing under subdivision 3 and having reason to believe that this section has been violated may file with the commissioner a written complaint setting forth the details of the alleged violation. The commissioner, upon receipt of the complaint, may inspect the pertinent books, records, letters, and contracts of the lender and borrower involved. The commissioner may assess against the lender a fee covering the necessary costs of an investigation under this section. The commissioner may maintain an action for the recovery of the costs in a court of competent jurisdiction.

Subd. 6. [PENALTIES FOR VIOLATION.] A person or the person's members, officers, directors, agents, and employees who violate or participate in the violation of any of the provisions of this section may be liable in the same manner as in section 56.19.

Sec. 3. Minnesota Statutes 1994, section 48.194, is amended to read:

48.194 [INSTALLMENT SALES CONTRACTS; LOANS.]

A person may enter into a credit sale or service contract for sale to a state or national bank

doing business in this state, and a bank may purchase and enforce the contract under the terms and conditions set forth in section ~~51A.385, subdivisions 2 and 5 to 13~~ 47.59, subdivisions 2 and 4 to 14. A state bank or national bank may extend credit pursuant to the terms and conditions set forth in section ~~51A.385~~ 47.59.

Sec. 4. Minnesota Statutes 1994, section 51A.02, subdivision 6, is amended to read:

Subd. 6. [ANNUAL PERCENTAGE RATE.] "Annual percentage rate" has the meaning given the term in the Code of Federal Regulations, title 12, part 226, but using the definition of "finance charge" used in this section.

(2) any additional charge under section ~~51A.385~~ 47.59, subdivision ~~5~~ 6; or

(3) a discount, if an association purchases a contract evidencing a contract sale or loan at less than the face amount of the obligation or purchases or satisfies obligations of a cardholder pursuant to a credit card and the purchase or satisfaction is made at less than the face amount of the obligation.

Sec. 6. Minnesota Statutes 1994, section 51A.02, subdivision 40, is amended to read:

Subd. 40. [OFFICIAL FEES.] "Official fees" means:

Subd. 3. [FINANCE CHARGE FOR LOANS.] An association may make loans and extend credit at the rates and on the terms provided for in section 47.59.

Except for extensions of credit the association elects to make under section 334.01; 334.011; or 334.012, the provisions of chapter 334 do not apply to extensions of credit made according to this section or the sections mentioned in this subdivision.

Subd. 5. Sec. 9. Minnesota Statutes 1994, section 51A.50, is amended to read:

51A.50 [FEDERAL ASSOCIATIONS.]

The following sections apply to federal associations, except to the extent they are inconsistent with federal law or regulations: sections 47.59; 51A.01; 51A.02; 51A.065; 51A.15, subdivision 6; 51A.21, subdivisions 6a, 15, 16, 22, 25, 27, and 28; 51A.23, subdivision 1; 51A.24; 51A.251; 51A.261; 51A.262; 51A.27; 51A.28; 51A.29; 51A.30; 51A.31; 51A.37, subdivisions 1, 2, 3, paragraphs (a), (c), (d), 4, 5, 6, 7, 8, 9, 10, 11, and 12; 51A.38; ~~51A.385~~ 51A.386; 51A.40; 51A.50; 51A.52; 51A.56; and 51A.57.

Sec. 10. Minnesota Statutes 1994, section 52.04, subdivision 2a, is amended to read:

Subd. 2a. A person may enter into a credit sale or service contract for sale to a state or federal credit union doing business in this state, and a credit union may purchase and enforce the contract under the terms and conditions set forth in section ~~51A.385~~ 47.59, subdivisions ~~2~~ 4 and ~~5~~ 6 to 13 14.

Sec. 11. Minnesota Statutes 1994, section 53.04, subdivision 3a, is amended to read:

Subd. 3a. (a) ~~The right to make loans, secured or unsecured, at the rates and on the terms and other conditions permitted licensees under chapter 56. Loans made under the authority of section 56.125 in section 47.59. Loans made under this authority must be in amounts in compliance with section 53.05, clause (7). All other loans made under the authority of chapter 56 must be in amounts in compliance with section 53.05, clause (7), or 56.131, subdivision 1, paragraph (a), whichever is less. The right to extend credit or lend money and to collect and receive charges therefor as provided by chapter 334, or in lieu thereof to charge, collect, and receive interest at the rate of 21.75 percent per annum, including the right to contract for, charge, and collect all other charges including discount points, fees, late payment charges, and insurance premiums on the loans to the same extent permitted on loans made under the authority of chapter 56, regardless of the amount of the loan. The provisions of sections 47.20 and 47.21 do not apply to loans made under this subdivision, except as specifically provided in this subdivision. Nothing in this subdivision is deemed to supersede, repeal, or amend any provision of section 53.05. A licensee making a loan under this chapter secured by a lien on real estate shall comply with the requirements of section 47.20, subdivision 8.~~

(b) Loans made under this subdivision at a rate of interest not in excess of that provided for in paragraph (a) may be secured by real or personal property, or both. If the proceeds of a loan secured by a first lien on the borrower's primary residence are used to finance the purchase of the borrower's primary residence, the loan must comply with the provisions of section 47.20.

(c) A loan made under this subdivision that is secured by real estate and that is in a principal amount of \$7,500 or more and a maturity of 60 months or more may contain a provision

permitting discount points, if the loan does not provide a loan yield in excess of the maximum rate of interest permitted by this subdivision. ~~Loan yield means the annual rate of return obtained by a licensee computed as the annual percentage rate is computed under Federal Regulation Z. If the loan is prepaid in full, the licensee must make a refund to the borrower to the extent that the loan yield will exceed the maximum rate of interest provided by this subdivision when the prepayment is taken into account.~~

(d) An agency or instrumentality of the United States government or a corporation otherwise created by an act of the United States Congress or a lender approved or certified by the secretary of housing and urban development, or approved or certified by the administrator of veterans affairs, or approved or certified by the administrator of the farmers home administration, or approved or certified by the federal home loan mortgage corporation, or approved or certified by the federal national mortgage association, that engages in the business of purchasing or taking assignments of mortgage loans and undertakes direct collection of payments from or enforcement of rights against borrowers arising from mortgage loans, is not required to obtain a certificate of authorization under this chapter in order to purchase or take assignments of mortgage loans from persons holding a certificate of authorization under this chapter.

Sec. 12. Minnesota Statutes 1994, section 53.04, subdivision 3c, is amended to read:

Subd. 3c. The right to extend credit and make loans under ~~chapter 51A~~ sections 47.59 and 47.60 on the same terms and subject to the same conditions as apply to other lenders under ~~that chapter~~ those sections. This subdivision does not authorize an industrial loan and thrift company to make loans under a credit card or an overdraft checking plan.

Sec. 13. Minnesota Statutes 1994, section 53.04, subdivision 4a, is amended to read:

Subd. 4a. [DISCLOSURE, AUTHORIZED INTEREST, AND OTHER CHARGES.] The documentation of loans made pursuant to this section must include in the promissory note clear reference to the provisions of Minnesota Statutes under which the rate of interest and other charges are authorized. The references must be to the ~~chapter number in the case of this chapter or chapter 56, or to the particular section or sections in the case of chapter 47 or 334. On loans made under the authority of subdivision 3a and not under the authority of chapter 334, other charges including discount points, fees, late payment charges, and insurance premiums not specifically authorized by this chapter or any other state statute are controlled by chapter 56.~~

Sec. 14. Minnesota Statutes 1994, section 53.04, subdivision 5a, is amended to read:

Subd. 5a. A person may enter into a credit sale or service contract for sale to an industrial loan and thrift company operating under this chapter in this state, and an industrial loan and thrift company may purchase and enforce the contract under the terms and conditions set forth in section ~~51A.385, subdivisions 2 and 5 to 13~~ 47.59, subdivisions 2 and 4 to 14.

Sec. 15. Minnesota Statutes 1994, section 56.125, subdivision 1, is amended to read:

Subdivision 1. [AUTHORIZATION.] A licensee may make open-end loans under this chapter other than loans under a credit card or an overdraft checking plan and may charge a daily, monthly, or other periodic rate of finance charge on unpaid balances not in excess of the maximum rate of interest permitted by section 56.131, subdivision 1, paragraph (a), ~~clause (2)~~ under section 47.59, subdivision 3, paragraph (a), clause (1). For purposes of this section "open-end loan" means an agreement whereby: (1) the licensee pursuant to written agreement permits the borrower to obtain advances of money from the licensee from time to time or the licensee advances money on behalf of the borrower from time to time as directed by the borrower; (2) the borrower has the option of paying the balance in full at any time without penalty; (3) the amount of each advance and permitted charges and costs are debited to the borrower's account and payments and other credits are credited to the same account; and (4) the charges are computed on the unpaid principal balance of the account from time to time. A finance charge imposed on a transaction subject to this section must be computed on: (1) the previous balance after deducting all payments on accounts received by the licensee during the cycle and all credits to the account during the cycle applicable to any transaction reflected in the previous balance; (2) the average daily balance determined by adding the daily balances on the account for each day in the billing cycle and dividing the total by the number of days in the billing cycle; or (3) daily balances. The

daily balance is figured by taking the beginning balance of the account each day, adding any new advances, subtracting any principal payments or credits, and any unpaid interest. The average daily balance is calculated by adding together all of the daily balances for the billing cycle, and the sum is then divided by the total number of days in the billing cycle. A billing cycle is considered to be monthly if the billing dates are on the same day of each month or do not vary by more than four days from that day. If a licensee makes loans under a credit card plan, it may do so only on the same terms and subject to the same conditions as apply to lenders under section 47.59.

Sec. 16. Minnesota Statutes 1994, section 56.125, subdivision 3, is amended to read:

Subd. 3. [CHARGES.] In addition to the charges authorized in subdivision 1, a licensee may contract for and receive in connection with an open-end loan agreement the additional charges, fees, costs, and expenses with respect to the line of credit limit permitted by sections 47.59, subdivisions 5 and 6, paragraph (a), clause (4); 56.131, subdivisions 1, paragraph (f), clauses (4) and (5); 2, 5, and 6; and 56.155 with respect to other loans, with the following variations:

(1) If credit life, disability, or involuntary unemployment insurance is provided and if the insured dies, becomes disabled, or becomes involuntarily unemployed when there is an outstanding open-end loan indebtedness, the amount of the insurance may not exceed the total balance of the loan due on the date of the borrower's death or on the date of the last billing statement in the case of credit life insurance, or all minimum payments which become due on the loan during the covered period of disability in the case of credit disability insurance, or during the covered period of involuntary unemployment in the case of credit involuntary unemployment insurance. The additional charge for credit life insurance, credit disability insurance, or credit involuntary unemployment insurance must be calculated in each billing cycle by applying the current monthly premium rate for the insurance to the unpaid balances in the borrower's account.

(2) The amount, terms, and conditions of any credit insurance against loss or damage to property must be reasonable in relation to the character and value of the property insured.

Sec. 17. Minnesota Statutes 1994, section 56.131, subdivision 1, is amended to read:

Subdivision 1. [INTEREST RATES AND CHARGES.] (a) On any loan in a principal amount not exceeding ~~\$35,000~~ \$56,000 or 15 percent of a Minnesota corporate licensee's capital stock and surplus as defined in section 53.015, if greater, a licensee may contract for and receive interest, ~~calculated according to the actuarial method, not exceeding the equivalent of the greater of any of the following:~~

~~(1) the total of: (i) 33 percent per year on that part of the unpaid balance of the principal amount not exceeding \$750; and (ii) 19 percent per year on that part of the unpaid balance of the principal amount exceeding \$750; or~~

~~(2) 21.75 percent per year on the unpaid balance of the principal amount finance charges, and other charges as provided in section 47.59.~~

~~(b) On any loan where interest has been calculated according to the method provided for in paragraph (a), clause (1), interest must be contracted for and earned as provided in that provision or at the single annual percentage rate computed to the nearest 1/100 of one percent that would earn the same total interest at maturity of the contract as would be earned by the application of the graduated rates provided in paragraph (a), clause (1), when the debt is paid according to the agreed terms and the calculations are made according to the actuarial method.~~

~~(e) (b) Loans may be interest-bearing or precomputed.~~

~~(d) (c) Notwithstanding section 47.59 to the contrary, to compute time on interest-bearing and precomputed loans, including, but not limited to the calculation of interest, a day is considered 1/30 of a month when calculation is made for a fraction of a calendar month. A year is 12 calendar months. A calendar month is that period from a given date in one month to the same numbered date in the following month, and if there is no same numbered date, to the last day of the following month. When a period of time includes a whole month and a fraction of a month, the fraction of a month is considered to follow the whole month.~~

In the alternative, for interest-bearing loans, a licensee may charge interest at the rate of 1/365 of the agreed annual rate for each actual day elapsed.

(e) (d) With respect to interest-bearing loans and notwithstanding section 47.59:

(1) Interest must be computed on unpaid principal balances outstanding from time to time, for the time outstanding. Each payment must be applied first to the accumulated interest and the remainder of the payment applied to the unpaid principal balance; provided however, that if the amount of the payment is insufficient to pay the accumulated interest, the unpaid interest continues to accumulate to be paid from the proceeds of subsequent payments and is not added to the principal balance.

(2) Interest must not be payable in advance or compounded. However, if part or all of the consideration for a new loan contract is the unpaid principal balance of a prior loan, then the principal amount payable under the new loan contract may include any unpaid interest which has accrued. The unpaid principal balance of a precomputed loan is the balance due after refund or credit of unearned interest as provided in paragraph (f) (e), clause (3). The resulting loan contract is deemed a new and separate loan transaction for all purposes.

(f) (e) With respect to precomputed loans and notwithstanding section 47.59 to the contrary:

(1) Loans must be repayable in substantially equal and consecutive monthly installments of principal and interest combined, except that the first installment period may be more or less than one month by not more than 15 days, and the first installment payment amount may be larger than the remaining payments by the amount of interest charged for the extra days and must be reduced by the amount of interest for the number of days less than one month to the first installment payment; and monthly installment payment dates may be omitted to accommodate borrowers with seasonal income.

(2) Payments may be applied to the combined total of principal and precomputed interest until the loan is fully paid. Payments must be applied in the order in which they become due.

~~(3) When any loan contract is paid in full by cash, renewal or refinancing, or a new loan, one month or more before the final installment due date, a licensee shall refund or credit the borrower with the total of the applicable charges for all fully unexpired installment periods, as originally scheduled or as deferred, which follow the day of prepayment; if the prepayment is made other than on a scheduled payment date, the nearest scheduled installment payment date must be used in the computation; provided further, if the prepayment occurs prior to the first installment due date, the licensee may retain 1/30 of the applicable charge for a first installment period of one month for each day from the date of the loan to the date of prepayment, and shall refund or credit the borrower with the balance of the total interest contracted for. If the maturity of the loan is accelerated for any reason and judgment is entered, the licensee shall credit the borrower with the same refund as if prepayment in full had been made on the date the judgment is entered.~~

~~(4) If an installment, other than the final installment, is not paid in full within ten days of its scheduled due date, a licensee may contract for and receive a default charge not exceeding five percent of the amount of the installment, but not less than \$4.~~

~~A default charge under this subdivision may not be collected on an installment paid in full within ten days of its scheduled due date, or deferred installment due date with respect to deferred installments, even though a default or deferral charge on an earlier installment has not been paid in full. A default charge may be collected at the time it accrues or at any time thereafter.~~

~~(5) If the parties agree in writing, either in the loan contract or in a subsequent agreement, to a deferment of wholly unpaid installments, a licensee may grant a deferment and may collect a deferment charge as provided in this section. A deferment postpones the scheduled due date of the earliest unpaid installment and all subsequent installments as originally scheduled, or as previously deferred, for a period equal to the deferment period. The deferment period is that period during which no installment is scheduled to be paid by reason of the deferment. The deferment charge for a one month period may not exceed the applicable charge for the installment period immediately following the due date of the last undeferred payment. A proportionate charge may be made for deferment for periods of more or less than one month. A deferment charge is earned pro rata during the deferment period and is fully earned on the last day of the deferment period. Should a loan be prepaid in full during a deferment period, the licensee shall make or credit to the borrower a refund of the unearned deferment charge in addition to any other refund or credit made for prepayment of the loan in full.~~

(6) (4) If two or more installments are delinquent one full month or more on any due date, and if the contract so provides, the licensee may reduce the unpaid balance by the refund credit which would be required for prepayment in full on the due date of the most recent maturing installment in default. Thereafter, and in lieu of any other default or deferment charges, the single annual percentage rate permitted by this subdivision may be charged on the unpaid balance until fully paid.

(7) (5) Following the final installment as originally scheduled or deferred, the licensee, for any loan contract which has not previously been converted to interest-bearing under clause (6) (4), may charge interest on any balance remaining unpaid, including unpaid default or deferment charges, at the single annual percentage rate permitted by this subdivision until fully paid.

(8) (6) With respect to a loan secured by an interest in real estate, and having a maturity of more than 60 months, the original schedule of installment payments must fully amortize the principal and interest on the loan. The original schedule of installment payments for any other loan secured by an interest in real estate must provide for payment amounts that are sufficient to pay all interest scheduled to be due on the loan.

Sec. 18. Minnesota Statutes 1994, section 56.131, subdivision 2, is amended to read:

Subd. 2. [ADDITIONAL CHARGES.] In addition to the charges provided for by this section and section 56.155, and notwithstanding section 47.59, subdivision 5, to the contrary, no further or other amount whatsoever, shall be directly or indirectly charged, contracted for, or received for the loan made, except actual out of pocket expenses of the licensee to realize on a security after default, and except for the following additional charges which may be included in the principal amount of the loan:

- (a) lawful fees and taxes paid to any public officer to record, file, or release security;
- (b) with respect to a loan secured by an interest in real estate, the following closing costs, if they are bona fide, reasonable in amount, and not for the purpose of circumvention or evasion of this section; provided the costs do not exceed one percent of the principal amount or ~~\$250~~ \$400, whichever is greater:
  - (1) fees or premiums for title examination, abstract of title, title insurance, surveys, or similar purposes;
  - (2) fees, if not paid to the licensee, an employee of the licensee, or a person related to the licensee, for preparation of a mortgage, settlement statement, or other documents, fees for notarizing mortgages and other documents, and appraisal fees;
  - (c) the premium for insurance in lieu of perfecting and releasing a security interest to the extent that the premium does not exceed the fees described in paragraph (a);
  - (d) discount points and appraisal fees may not be included in the principal amount of a loan secured by an interest in real estate when the loan is a refinancing for the purpose of bringing the refinanced loan current and is made within 24 months of the original date of the refinanced loan. For purposes of this paragraph, a refinancing is not considered to be for the purpose of bringing the refinanced loan current if new funds advanced to the customer, not including closing costs or delinquent installments, exceed \$1,000.

Sec. 19. Minnesota Statutes 1994, section 56.132, is amended to read:

56.132 [INSTALLMENT SALES CONTRACTS.]

A person may enter into a credit sale or service contract for sale to a licensee under this chapter doing business in this state, and a licensee may purchase and enforce the contract under the terms and conditions set forth in section ~~51A.385, subdivisions 2 and 5 to 13~~ 47.59, subdivisions 2 and 4 to 14.

Sec. 20. Minnesota Statutes 1994, section 56.155, subdivision 1, is amended to read:

Subdivision 1. [AUTHORIZATION.] Notwithstanding section 47.59 to the contrary, no

licensee shall, directly or indirectly, sell or offer for sale any insurance in connection with any loan made under this chapter except as and to the extent authorized by this section. The sale of credit life, credit accident and health, and credit involuntary unemployment insurance is subject to the provisions of chapter 62B, except that the term of the insurance may exceed 60 months if the term of the loan exceeds 60 months. Life, accident, health, and involuntary unemployment insurance, or any of them, may be written upon or in connection with any loan but must not be required as additional security for the indebtedness. If the debtor chooses to procure credit life insurance, credit accident and health insurance, or credit involuntary unemployment insurance as security for the indebtedness, the debtor shall have the option of furnishing this security through existing policies of insurance that the debtor owns or controls, or of furnishing the coverage through any insurer authorized to transact business in this state. A statement in substantially the following form must be made orally, except for loans by mail pursuant to section 56.12, and provided in writing in bold face type of a minimum size of 12 points to the borrower before the transaction is completed for each credit life, accident and health, and involuntary unemployment insurance coverage sold:

**CREDIT LIFE INSURANCE, CREDIT DISABILITY INSURANCE, AND CREDIT INVOLUNTARY UNEMPLOYMENT INSURANCE ARE NOT REQUIRED TO OBTAIN CREDIT. YOU MAY BUY ANY INSURANCE FROM ANYONE YOU CHOOSE OR YOU MAY USE EXISTING INSURANCE.**

The licensee shall disclose whether or not the benefits commence as of the first day of disability or involuntary unemployment and shall further disclose the number of days that an insured obligor must be disabled or involuntarily unemployed, as defined in the policy, before benefits, whether retroactive or nonretroactive, commence. In case there are multiple obligors under a transaction subject to this chapter, no policy or certificate of insurance providing credit unemployment benefits may be procured by or through a licensee upon more than one of the obligors. In case there are multiple obligors under a transaction subject to this chapter, no policy or certificate of insurance providing credit accident and health or credit life insurance may be procured by or through a licensee upon more than two of the obligors in which case they shall be insured jointly. The premium or identifiable charge for the insurance must not exceed that filed by the insurer with the department of commerce. The charge, computed at the time the loan is made for a period not to exceed the full term of the loan contract on an amount not to exceed the total amount required to pay principal and charges, may be deducted from the proceeds or may be included as part of the principal of any loan. If a borrower procures insurance by or through a licensee, the statement required by section 56.14 must disclose the cost to the borrower and the type of insurance, and the licensee shall cause to be delivered to the borrower a copy of the policy, certificate, or other evidence thereof, within a reasonable time. No licensee shall decline new or existing insurance which meets the standards set out in this section nor prevent any obligor from obtaining this insurance coverage from other sources. Notwithstanding any other provision of this chapter, any gain or advantage to the licensee or to any employee, affiliate, or associate of the licensee from this insurance or the sale or provision thereof is not an additional or further charge in connection with the loan; nor are any of the provisions pertaining to insurance contained in this section prohibited by any other provision of this chapter.

Sec. 21. Minnesota Statutes 1994, section 61A.09, subdivision 3, is amended to read:

Subd. 3. Group life insurance policies may be issued to cover groups of not less than ten debtors of a creditor written under a master policy issued to a creditor to insure its debtors in connection with real estate mortgage loans, in an amount not to exceed the actual or scheduled amount of their indebtedness except that section 62B.04, subdivision 1, clause (2), may be applied. Each application for group mortgage insurance offered prior to or at the time of loan closing shall contain a clear and conspicuous notice that the insurance is optional and is not a condition for obtaining the loan. Each person insured under a group insurance policy issued under this subdivision shall be furnished a certificate of insurance which conforms to the requirements of section 62B.06, subdivision 2, and which includes a conversion privilege permitting an insured debtor to convert, without evidence of insurability, to an individual policy of decreasing term insurance within 30 days of the date the insured debtor's group coverage is terminated for any reason other than the nonpayment of premiums. The initial amount of coverage under the individual policy shall be an amount equal to the amount of coverage terminated under the group policy and shall decrease over a term not to exceed the term that corresponds with the scheduled term of the insured debtor's mortgage loan. The premium for the individual policy shall be the

same premium the insured debtor was paying under the group policy. If the mortgage loan provides for a variable rate of finance charge or interest, the initial rate shall be used in determining the scheduled amount of indebtedness.

Sec. 22. Minnesota Statutes 1994, section 325F.91, subdivision 2, is amended to read:

Subd. 2. [CASH PRICE LIMITS—RULES, DECEPTIVE TRADE PRACTICE.] The commissioner of commerce shall adopt rules governing cash price limits for rental-purchase agreements. Notwithstanding section 14.18, the rules are effective 45 working days after the notice of adoption is published in the State Register. (a) It is an unlawful and deceptive trade practice for a lessor to disclose as the "cash price" of the merchandise under section 325F.86, paragraph (k), an amount that is 150 percent or more of the fair market value of the goods.

Disclosure of the cash price stated in a rental-purchase agreement materially fails to be the equivalent of the fair market value of the goods offered and is considered to be a deceptive trade practice if:

(1) the personal property that is the subject of a rental-purchase agreement with terms providing for the acquisition of ownership of the property by the lessee is available for retail sale on a cash basis at locations within 50 miles of the lessor location at which the agreement was entered into;

(2) the personal property available for retail sale under clause (1) is substantially the same in terms of model equipment and the same manufacturer at the date of the agreement or no more than 60 days after that date; and

(3) the personal property was generally advertised to the public at retail cash price of less than 50 percent of the cash price in the agreement.

(b) A person violating this subdivision is subject to the penalties and remedies in section 325F.97 and the 60 days prescribed in paragraph (a), clause (2), do not limit the time within which a claim or action may be brought to an agreement under generally applicable law.

Sec. 23. [334.171] [DELINQUENCY AND COLLECTION CHARGE.]

Section 1. Minnesota Statutes 1994, section 46.048, subdivision 1, is amended to read:

Subdivision 1. [REQUIREMENT.] Whenever a change in the outstanding voting stock of a banking institution will result in control or in a change in the control of the banking institution, the person acquiring control of the banking institution, including an out-of-state bank holding company, shall file notice of the proposed acquisition of control with the commissioner of commerce at least 60 days before the actual effective date of the change, except that the commissioner may extend the 30-day period an additional 30 days if in the commissioner's judgment any material information submitted is substantially inaccurate or the acquiring party has

not furnished all the information required. As used in this section, the term "control" means the power to directly or indirectly direct or cause the direction of the management or policies of the banking institution. A change in ownership of capital stock that would result in direct or indirect ownership by a stockholder or an affiliated group of stockholders of less than 25 percent of the outstanding capital stock is not considered a change of control. If there is any doubt as to whether a change in the outstanding voting stock is sufficient to result in control or to effect a change in the control, the doubt shall be resolved in favor of reporting the facts to the commissioner. The commissioner shall use the criteria established by the Financial Institution Regulatory and Interest Rate Control Act of 1978, United States Code, title 12, section 1817(j), and the regulations adopted under it, when reviewing the acquisition and determining if the acquisition should or should not be disapproved. Within three days after making the decision to disapprove a proposed acquisition, the commissioner shall notify the acquiring party in writing of the disapproval. The notice must provide a statement of the basis for the disapproval.

Sec. 2. Minnesota Statutes 1994, section 46.048, is amended by adding a subdivision to read:

(5) any plans or proposals that an acquiring party making the acquisition may have to liquidate the bank, to sell its assets or merge it, or make any other major change in its business or corporate structure or management;

(6) the identification of any person employed, retained, or to be compensated by the acquiring party, or by any person on the acquiring party's behalf, to make solicitations or recommendations to stockholders for the purpose of assisting in the acquisition, and a brief description of the terms of the employment, retainer, or arrangement for compensation;

Sec. 4. Minnesota Statutes 1994, section 46.048, is amended by adding a subdivision to read:

Subd. 3a. [HEARINGS.] Within ten days of receipt of notice of disapproval according to subdivision 1, the acquiring party may request an agency hearing on the proposed acquisition. At the hearing, all issues must be determined on the record according to chapter 14 and the rules issued by the department. At the conclusion of the hearing, the commissioner shall by order approve or disapprove the proposed acquisition on the basis of the record made at the hearing.

Upon a determination that it is not feasible to organize because the number of potential members is too small, the applicants will be certified by the commissioner as eligible to petition for membership in an existing credit union capable of serving the group. If the credit union so petitioned resolves to accept the group into membership, it shall follow the bylaw amendment and approval procedure set forth in section 52.02.

The commissioner shall adopt rules to implement this subdivision. These rules must provide that:

- (1) for the purpose of this subdivision, groups with a potential membership of less than 1,500 will be considered too small to be feasible as a separate credit union, unless there are compelling reasons to the contrary, relevant to the objectives of this subdivision;

Subd. 7. Subd. 10. [LIEN.] A pawnbroker shall have a lien on the pledged goods pawned for the money advanced and the pawnshop charge owed, but not for other debts due to the pawnbroker. A pawnbroker shall retain possession of the pledged goods, except as otherwise provided in this section, until the lien is satisfied.

Subd. 11. [MUNICIPAL REGULATION.] For the purpose of promoting the public health, safety, morals, and welfare, a municipality may by ordinance regulate pawn transactions. Any ordinance regulating pawn transactions must contain the following minimum provisions:

- (1) A person may not engage in business as a pawnbroker or otherwise portray the person as a pawnbroker unless the person has a valid license authorizing engagement in the business. A separate license is required for each place of business regulated by local ordinance. The municipality in which the pawnshop is located may issue more than one license to a person if that person complies with this act for each license.
- (2) When a licensee wishes to move a pawnshop to another location, the licensee shall give 30 days' prior written notice to the municipality, which shall amend the license accordingly.
- (3) Each license shall remain in full force and effect until relinquished, suspended, revoked, or expired.
- (4) Notwithstanding any other provision of this section, the municipality may issue a temporary license authorizing the operator of a pawnshop on the receipt of an application to transfer a license from one person to another or on the receipt of an application for a license involving principals and owners that are subsequently identical to those of an existing licensed pawnshop. The temporary license is effective until the permanent license is issued or denied. The permanent license shall be issued or denied within 60 days of application.

(5) Notwithstanding other provisions of this section, neither a new license nor an application to transfer an existing license shall be required upon any change, directly or beneficially, in the ownership of any licensed pawnshop incorporated under the laws of this state or any other state so long as the licensee continues to operate as a corporation doing a pawnshop business under the license.

(6) To be eligible for a pawnbroker license, an applicant shall:

(i) operate lawfully and fairly within the purposes of this section;

(ii) not have been convicted of a felony in the last ten years or be active as a beneficial owner for someone who has been convicted of a felony in the last ten years; and

(iii) submit a set of fingerprints from any local law enforcement agency.

(7) Any licensee may surrender any license by delivering it to the municipality with written notice of its surrender, but such surrender shall not affect the licensee's civil or criminal liability for acts committed prior to the surrender.

(8) No revocation, suspension, or surrender of any license shall impair or affect the obligation of any pre-existing lawful contract between the licensee and any pledgor. Any pawn transaction made without benefit of a license is void.

(9) The municipality may reinstate suspended licenses or issue new licenses to a person whose license or licenses have been revoked if no fact or condition then exists which clearly would have justified the municipality in refusing originally to issue a license under this section.

(10) The appropriate local law enforcement agency shall be notified by the municipality of any licensee who has his license suspended or revoked as provided by this section.

Subd. 12. [LAW ENFORCEMENT.] (a) Pledged or purchased goods may be confiscated only under the following conditions, except as otherwise permitted by law:

(1) a police report being made in a timely manner;

(2) a warrant sworn out for the person who pledged or sold the goods to the pawnbroker; and

(3) a theft report identifying the merchandise to be confiscated along with a request for restitution, pursuant to law.

(b) Pledged or purchased goods may be put on a one-time 60-day hold by the authorized law enforcement authorities.

(c) Confiscated merchandise must be returned to the pawnbroker by the law enforcement authorities as soon as possible following completion of any police investigation related to the merchandise.

Subd. 13. [RIGHTFUL OWNER LIABLE TO PAWNBROKER.] If any pledged goods from a pawn transaction are found to be stolen goods and are returned to the rightful owner by the licensee and if the licensee who accepted such pledged goods has complied with all of the duties and responsibilities specified in this section during the transaction, then the rightful owner of the pledged goods shall be liable to the licensee for the pledged amount if the rightful owner fails to prosecute or cooperate in the criminal prosecution related to the pawn transaction.

Subd. 14. [SEVERABILITY.] The provisions of this section are severable. If any part of this section is declared invalid or unconstitutional, the declaration shall not affect the parts that remain.

Subd. 15. [TRANSITION.] In municipalities that adopt an ordinance under this section, pawnbrokers operating pawnshops in business as of July 1, 1995, shall have until January 1, 1996, to apply for a license under this section and to pay the required fee, and upon the application and payment of the required fee, shall be granted a license under this section.

Subd. 16. [FORMS.] The municipality shall develop and provide any necessary forms to carry out this section."

Reports the same back with the recommendation that the bill be amended as follows:

Delete everything after the enacting clause and insert:

"Section 1. Minnesota Statutes 1994, section 221.0355, subdivision 3, is amended to read:

Subd. 3. [GENERAL REQUIREMENTS.] Except as provided in subdivision 17, after October 1, 1994:

(a) No carrier, other than a public entity, may transport a hazardous material by motor vehicle in Minnesota unless it has complied with subdivision 4.

(b) No carrier, other than a public entity, may transport a hazardous waste in Minnesota unless it has complied with subdivisions 4 and 5.

(c) No shipper may offer a designated hazardous material for shipment or cause a designated hazardous material to be transported or shipped in Minnesota unless it has complied with subdivision 7.

(d) No carrier, other than a public entity, may transport a designated hazardous material by rail or water in Minnesota unless it has complied with subdivision 7a.

(e) No public entity may transport a hazardous material or hazardous waste by motor vehicle in Minnesota unless it has complied with subdivision 8.

Sec. 2. Minnesota Statutes 1994, section 221.0355, subdivision 5, is amended to read:

Subd. 5. [HAZARDOUS WASTE TRANSPORTERS.] (a) A carrier with its principal place of business in Minnesota or who designates Minnesota as its base state shall file a disclosure statement with and obtain a permit from the commissioner that specifically authorizes the transportation of hazardous waste before transporting a hazardous waste in Minnesota. A carrier that designates another participating state as its base state shall file a disclosure statement with and obtain a permit from that state that specifically authorizes the transportation of hazardous waste before transporting a hazardous waste in Minnesota. A registration is valid for one year from the date a notice of registration form is issued and a permit is valid for three years from the date issued or until a carrier fails to renew its registration, whichever occurs first.

(b) A disclosure statement must include the information contained in part III of the uniform application. A person who has direct management responsibility for a carrier's hazardous waste

transportation operations shall submit a full set of the person's fingerprints, with the carrier's disclosure statement, for identification purposes and to enable the commissioner to determine whether the person has a criminal record. The commissioner shall send the person's fingerprints to the Federal Bureau of Investigation and shall request the bureau to conduct a check of the person's criminal record. The commissioner shall not issue a notice of registration or permit to a hazardous waste transporter who has not made a full and accurate disclosure of the required information or paid the fees required by this subdivision. Making a materially false or misleading statement in a disclosure statement is prohibited.

(c) The commissioner shall assess a carrier the actual costs ~~charged~~ incurred by the commissioner ~~by a person~~ for conducting the uniform program's required investigation of the information contained in a disclosure statement.

(d) A permit under this subdivision becomes a license under section 221.035, subdivision 1, on August 1, 1996, and is subject to the provisions of section 221.035 until it expires.

Sec. 3. Minnesota Statutes 1994, section 221.0355, subdivision 6, is amended to read:

Subd. 6. [APPORTIONED VEHICLE REGISTRATION FEE CALCULATION.] (a) An apportioned vehicle registration fee shall be equal to the percentage of Minnesota transportation multiplied by the percentage of hazardous material transportation multiplied by the total number of vehicles the carrier operates multiplied by a per-vehicle fee of \$30.

(b) A carrier shall calculate its percentage of Minnesota transportation and its percentage of hazardous material transportation as follows:

(1) A carrier shall determine its percentage of Minnesota transportation by dividing the number of miles it traveled in Minnesota under the international registration plan, pursuant to section 168.187, during the previous year, by the number of miles it traveled ~~nationwide in the United States and Canada~~ under the international registration plan during the previous year. ~~If a carrier operated only in Minnesota, it must use 100 percent of the miles traveled as its percentage of Minnesota transportation. If a carrier does not register its vehicles through the international registration plan, it must calculate the number of miles traveled in the manner required under the international registration plan. If a carrier operates more than one fleet under the international registration plan the carrier must add all miles traveled by all vehicles in all fleets to calculate its mileage. A Minnesota carrier who operates in an adjacent state under a reciprocal agreement with that state must include the miles operated under the agreement as miles traveled in Minnesota in calculating mileage under this clause.~~

(2) A carrier shall determine its percentage of hazardous material transportation as follows:

(i) for less-than-truckload shipments, it must divide the weight of the carrier's hazardous material and hazardous waste shipments transported during the previous year by the total weight of all shipments transported during the previous year; or

(ii) for truckload shipments, it must divide the number of shipments transported during the previous year for which placarding, marking, or manifesting, was required by Code of Federal Regulations, title 49, part 172, by the total number of all shipments transported during the previous year.

(c) A carrier that transports both truckload and less-than-truckload shipments of hazardous material or hazardous waste must determine its percentage of hazardous material transportation by calculating the absolute percentage of business that is hazardous material transportation on a proportional basis with the percentage of business that is not hazardous material transportation. ~~If a method of determining a carrier's percentage of hazardous material transportation based on general percentage ranges, instead of actual percentages, becomes allowed under the uniform program, a carrier shall use that method to determine its percentage of hazardous material transportation or by calculating its percentage within the ranges allowed following procedures under the uniform program.~~

(d) ~~The definitions of "truckload freight" and "less than truckload freight" in section 221.011, do not apply to this subdivision.~~

(e) A carrier may use data from its most recent complete fiscal year or the most recent complete calendar year in calculating the percentages required in this subdivision for transportation conducted during the previous year.

Sec. 4. Minnesota Statutes 1994, section 221.0355, subdivision 12, is amended to read:

Subd. 12. [SUSPENSION, REVOCATION, AND DENIAL.] (a) The commissioner may suspend or revoke a ~~registration and~~ permit issued under this section or order the suspension of the transportation of hazardous material or hazardous waste in Minnesota by a carrier who has obtained a ~~notice of registration and~~ permit from another participating state under the uniform program if the commissioner determines that a carrier ~~made a materially false or misleading statement in a uniform application or that a carrier's conduct constitutes a serious or repeated violation of statutes or rules governing the transportation of hazardous material or hazardous waste.:~~

(1) committed a violation of Code of Federal Regulations, title 49, parts 100 to 180, 383, 387, or 390 to 397, while engaging in hazardous materials transportation if the violation posed an imminent hazard to the public or the environment;

(2) made a knowing falsification of a material fact in a uniform application;

(3) has received an unsatisfactory safety rating from the state or the United States Department of Transportation; or

(4) has exhibited reckless disregard for the public and the environment.

(b) In determining if a carrier has exhibited reckless disregard for the public and the environment in violation of paragraph (a), clause (4), the commissioner shall consider:

(1) whether the carrier has engaged in a pattern of violations of Code of Federal Regulations, title 49, parts 100 to 180, 383, 387, or 390 to 397, or regulations governing the management of hazardous waste, while engaging in hazardous materials transportation, when the violations are viewed in relation to the number of truck-miles of hazardous material transportation and the number of vehicles in the carrier's fleet;

(2) the actual or potential level of environmental damage resulting from an incident or a violation of the federal regulations described in paragraph (a), clause (1);

(3) the response by the carrier to an incident or a violation of the federal regulations described in paragraph (a), clause (1);

(4) the carrier's history of violations for the past three years;

(5) any mitigating factors; and

(6) other factors as justice requires, if the commissioner specifically identifies the additional factors in the order of suspension or revocation.

(c) The commissioner may not issue a ~~notice of registration and~~ permit to a carrier if the commissioner determines that a carrier's conduct would constitute grounds for suspension or revocation under this subdivision. A carrier who wishes to contest a denial, suspension, or revocation is entitled to a hearing under chapter 14.

Sec. 5. Minnesota Statutes 1994, section 221.0355, subdivision 15, is amended to read:

Subd. 15. [HAZARDOUS WASTE LICENSES.] (a) From October 1, 1994, until August 1, 1996, the commissioner shall not register hazardous material transporters under section 221.0335 or license hazardous waste transporters under section 221.035. A person who is licensed under section 221.035 need not obtain a permit under subdivision 4 or 5 for the transportation of hazardous waste in Minnesota, until the person's license has expired. A carrier wishing to transport hazardous waste in another participating state shall obtain a permit under the uniform program authorizing the transportation.

(b) The commissioner may refund fees paid under section 221.035, minus a proportional

amount calculated on a monthly basis for each month that a hazardous waste transporter license was valid, to a person who was issued a hazardous waste transporter license after May 5, 1994, who applied for a permit authorizing the transportation of hazardous waste under subdivisions 4 and 5 before October 1, 1994, and who was subsequently issued that permit under the uniform program.

Sec. 6. Minnesota Statutes 1994, section 221.0355, is amended by adding a subdivision to read:

Subd. 18. [DEPOSIT AND USE OF FEES.] Fees received by the commissioner for administrative processing and investigating information in a disclosure statement must be deposited in the state treasury and credited to the trunk highway fund. Registration fees collected under subdivisions 4, 5, 7, and 7a must be deposited in the state treasury, credited to the general fund, and used to cover the costs of hazardous materials incident response capability under sections 299A.48 to 299A.52 and 299K.095.

"Section 1. Minnesota Statutes 1994, section 62A.04, subdivision 2, is amended to read:

Subd. 2. [REQUIRED PROVISIONS.] Except as provided in subdivision 4 each such policy delivered or issued for delivery to any person in this state shall contain the provisions specified in this subdivision in the words in which the same appear in this section. The insurer may, at its option, substitute for one or more of such provisions corresponding provisions of different wording approved by the commissioner which are in each instance not less favorable in any respect to the insured or the beneficiary. Such provisions shall be preceded individually by the caption appearing in this subdivision or, at the option of the insurer, by such appropriate individual or group captions or subcaptions as the commissioner may approve.

(1) A provision as follows:

**ENTIRE CONTRACT; CHANGES:** This policy, including the endorsements and the attached papers, if any, constitutes the entire contract of insurance. No change in this policy shall be valid until approved by an executive officer of the insurer and unless such approval be endorsed hereon or attached hereto. No agent has authority to change this policy or to waive any of its provisions.

(2) A provision as follows:

**TIME LIMIT ON CERTAIN DEFENSES:** (a) After two years from the date of issue of this policy no misstatements, except fraudulent misstatements, made by the applicant in the application for such policy shall be used to void the policy or to deny a claim for loss incurred or disability (as defined in the policy) commencing after the expiration of such two year period.

The foregoing policy provision shall not be so construed as to affect any legal requirement for avoidance of a policy or denial of a claim during such initial two year period, nor to limit the application of clauses (1), (2), (3), (4) and (5), in the event of misstatement with respect to age or occupation or other insurance. A policy which the insured has the right to continue in force subject to its terms by the timely payment of premium (1) until at least age 50 or, (2) in the case of a policy issued after age 44, for at least five years from its date of issue, may contain in lieu of the foregoing the following provisions (from which the clause in parentheses may be omitted at the insurer's option) under the caption "INCONTESTABLE":

After this policy has been in force for a period of two years during the lifetime of the insured (excluding any period during which the insured is disabled), it shall become incontestable as to the statements contained in the application.

(b) No claim for loss incurred or disability (as defined in the policy) commencing after two years from the date of issue of this policy shall be reduced or denied on the ground that a disease or physical condition not excluded from coverage by name or specific description effective on the date of loss had existed prior to the effective date of coverage of this policy.

(3) A provision as follows:

**GRACE PERIOD:** A grace period of ..... (insert a number not less than "7" for weekly premium policies, "10" for monthly premium policies and "31" for all other policies) days will be granted for the payment of each premium falling due after the first premium, during which grace period the policy shall continue in force.

A policy which contains a cancellation provision may add, at the end of the above provision, subject to the right of the insurer to cancel in accordance with the cancellation provision hereof.

A policy in which the insurer reserves the right to refuse any renewal shall have, at the beginning of the above provision,

Unless not less than five days prior to the premium due date the insurer has delivered to the insured or has mailed to the insured's last address as shown by the records of the insurer written notice of its intention not to renew this policy beyond the period for which the premium has been accepted.

(4) A provision as follows:

**REINSTATEMENT:** If any renewal premium be not paid within the time granted the insured for payment, a subsequent acceptance of premium by the insurer or by any agent duly authorized by the insurer to accept such premium, without requiring in connection therewith an application for reinstatement, shall reinstate the policy. If the insurer or such agent requires an application for reinstatement and issues a conditional receipt for the premium tendered, the policy will be reinstated upon approval of such application by the insurer or, lacking such approval, upon the forty-fifth day following the date of such conditional receipt unless the insurer has previously notified the insured in writing of its disapproval of such application. For health plans as defined under section 62A.011, subdivision 3, clause (10), an insurer must accept payment of a renewal premium and reinstate the policy, unless:

(1) the insured has in the interim left the state or the insurer's service area; or

(2) the insured has applied for reinstatement on two or more prior occasions.

The reinstated policy shall cover only loss resulting from such accidental injury as may be sustained after the date of reinstatement and loss due to such sickness as may begin more than ten days after such date. In all other respects the insured and insurer shall have the same rights thereunder as they had under the policy immediately before the due date of the defaulted premium,

subject to any provisions endorsed hereon or attached hereto in connection with the reinstatement. Any premium accepted in connection with a reinstatement shall be applied to a period for which premium has not been previously paid, but not to any period more than 60 days prior to the date of reinstatement. The last sentence of the above provision may be omitted from any policy which the insured has the right to continue in force subject to its terms by the timely payment of premiums (1) until at least age 50, or, (2) in the case of a policy issued after age 44, for at least five years from its date of issue.

(5) A provision as follows:

**NOTICE OF CLAIM:** Written notice of claim must be given to the insurer within 20 days after the occurrence or commencement of any loss covered by the policy, or as soon thereafter as is reasonably possible. Notice given by or on behalf of the insured or the beneficiary to the insurer at ..... (insert the location of such office as the insurer may designate for the purpose), or to any authorized agent of the insurer, with information sufficient to identify the insured, shall be deemed notice to the insurer.

In a policy providing a loss-of-time benefit which may be payable for at least two years, an insurer may at its option insert the following between the first and second sentences of the above provision:

Subject to the qualifications set forth below, if the insured suffers loss of time on account of disability for which indemnity may be payable for at least two years, the insured shall, at least once in every six months after having given notice of claim, give to the insurer notice of continuance of said disability, except in the event of legal incapacity. The period of six months following any filing of proof by the insured or any payment by the insurer on account of such claim or any denial or liability in whole or in part by the insurer shall be excluded in applying this provision. Delay in the giving of such notice shall not impair the insured's right to any indemnity which would otherwise have accrued during the period of six months preceding the date on which such notice is actually given.

(6) A provision as follows:

**CLAIM FORMS:** The insurer, upon receipt of a notice of claim, will furnish to the claimant such forms as are usually furnished by it for filing proofs of loss. If such forms are not furnished within 15 days after the giving of such notice the claimant shall be deemed to have complied with the requirements of this policy as to proof of loss upon submitting, within the time fixed in the policy for filing proofs of loss, written proof covering the occurrence, the character and the extent of the loss for which claim is made.

(7) A provision as follows:

**PROOFS OF LOSS:** Written proof of loss must be furnished to the insurer at its said office in case of claim for loss for which this policy provides any periodic payment contingent upon continuing loss within 90 days after the termination of the period for which the insurer is liable and in case of claim for any other loss within 90 days after the date of such loss. Failure to furnish such proof within the time required shall not invalidate nor reduce any claim if it was not reasonably possible to give proof within such time, provided such proof is furnished as soon as reasonably possible and in no event, except in the absence of legal capacity, later than one year from the time proof is otherwise required.

(8) A provision as follows:

**TIME OF PAYMENT OF CLAIMS:** Indemnities payable under this policy for any loss other than loss for which this policy provides periodic payment will be paid immediately upon receipt of due written proof of such loss. Subject to due written proof of loss, all accrued indemnities for loss for which this policy provides periodic payment will be paid ..... (insert period for payment which must not be less frequently than monthly) and any balance remaining unpaid upon the termination of liability will be paid immediately upon receipt of due written proof.

(9) A provision as follows:

**PAYMENT OF CLAIMS:** Indemnity for loss of life will be payable in accordance with the

beneficiary designation and the provisions respecting such payment which may be prescribed herein and effective at the time of payment. If no such designation or provision is then effective, such indemnity shall be payable to the estate of the insured. Any other accrued indemnities unpaid at the insured's death may, at the option of the insurer, be paid either to such beneficiary or to such estate. All other indemnities will be payable to the insured.

The following provisions, or either of them, may be included with the foregoing provision at the option of the insurer:

If any indemnity of this policy shall be payable to the estate of the insured, or to an insured or beneficiary who is a minor or otherwise not competent to give a valid release, the insurer may pay such indemnity, up to an amount not exceeding \$..... (insert an amount which shall not exceed \$1,000), to any relative by blood or connection by marriage of the insured or beneficiary who is deemed by the insurer to be equitably entitled thereto. Any payment made by the insurer in good faith pursuant to this provision shall fully discharge the insurer to the extent of such payment.

Subject to any written direction of the insured in the application or otherwise all or a portion of any indemnities provided by this policy on account of hospital, nursing, medical, or surgical services may, at the insurer's option and unless the insured requests otherwise in writing not later than the time of filing proofs of such loss, be paid directly to the hospital or person rendering such services; but it is not required that the service be rendered by a particular hospital or person.

(10) A provision as follows:

**PHYSICAL EXAMINATIONS AND AUTOPSY:** The insurer at its own expense shall have the right and opportunity to examine the person of the insured when and as often as it may reasonably require during the pendency of a claim hereunder and to make an autopsy in case of death where it is not forbidden by law.

(11) A provision as follows:

**LEGAL ACTIONS:** No action at law or in equity shall be brought to recover on this policy prior to the expiration of 60 days after written proof of loss has been furnished in accordance with the requirements of this policy. No such action shall be brought after the expiration of three years after the time written proof of loss is required to be furnished.

(12) A provision as follows:

**CHANGE OF BENEFICIARY:** Unless the insured makes an irrevocable designation of beneficiary, the right to change of beneficiary is reserved to the insured and the consent of the beneficiary or beneficiaries shall not be requisite to surrender or assignment of this policy or to any change of beneficiary or beneficiaries, or to any other changes in this policy. The first clause of this provision, relating to the irrevocable designation of beneficiary, may be omitted at the insurer's option."

"Section 1. Minnesota Statutes 1994, section 256F.09, subdivision 1, is amended to read:

Subdivision 1. [PURPOSE.] The commissioner shall issue a request for proposals from existing local nonprofit, nongovernmental, or governmental organizations, to use existing local facilities as pilot children's safety centers supervised visitation facilities, which may also be used for visitation exchanges. The commissioner shall award grants in amounts up to \$50,000 for the purpose of creating or maintaining children's safety centers supervised visitation facilities in an effort to reduce children's vulnerability to violence and trauma related to family visitation, where there has been a history of domestic violence or abuse within the family. At least one of the pilot projects shall be located in the seven county metropolitan area and at least one of the projects shall be located outside the seven county metropolitan area, and The commissioner shall award the grants to provide the greatest possible number of safety centers children's supervised visitation facilities and to locate them to provide for the broadest possible geographic distribution of the centers facilities throughout the state.

Each children's safety center supervised visitation facility must use existing local facilities to provide a healthy interactive environment for parents who are separated or divorced and for parents with children in foster homes to visit with their children. The centers facilities must be available for use by district courts who may order visitation to occur at a safety center supervised visitation facility.

The centers facilities may also be used as drop-off sites, so that parents who are under court order to have no contact with each other can exchange children for visitation at a neutral site. Each center facility must provide sufficient security to ensure a safe visitation environment for children and their parents. A grantee must demonstrate the ability to provide a 25 percent local match, which may include in-kind contributions.

Sec. 2. Minnesota Statutes 1994, section 256F.09, is amended by adding a subdivision to read:

Subd. 1a. [COUNTY INVOLVEMENT.] Each county or group of counties is encouraged to provide supervised visitation services in an effort to fill the gap in the court system that orders supervised visitation, but does not provide a facility to accomplish the supervised visitation as ordered. Each county or group of counties is encouraged to either financially contribute to an existing supervised visitation center in the area, or establish a new facility if there is not one in the area, possibly through county social services. In creating a new facility, the county may collaborate with other counties, other supervised visitation facilities, family services collaboratives, court services, and any other entity or organization. The goal is to provide supervised visitation facilities statewide. The county shall apply for funding that may be available through the federal government, specifically for family preservation or family reunification purposes, or any other source of funding that will aid in developing and maintaining this vital service.

Sec. 3. Minnesota Statutes 1994, section 256F.09, subdivision 2, is amended to read:

Subd. 2. [PRIORITIES FUNDING.] The commissioner may award grants to create or maintain children's supervised visitation facilities.

In awarding grants to maintain a children's supervised visitation facility, the commissioner may award a grant to a facility that can demonstrate a 35 percent local match, provided the facility is diligently exploring and pursuing all available funding options in an effort to become self-sustaining, and those efforts are reported to the commissioner.

In awarding grants under the program to create a children's supervised visitation facility, the commissioner shall give priority to:

(1) areas of the state where no other children's safety center supervised visitation facility or similar facility exists;

(2) applicants who demonstrate that private funding for the ~~center~~ facility is available and will continue; and

(3) facilities that are adapted for use to care for children, such as day care centers, religious institutions, community centers, schools, technical colleges, parenting resource centers, and child care referral services.

Sec. 4. Minnesota Statutes 1994, section 256F.09, subdivision 3, is amended to read:

Subd. 5. [ADMINISTRATION.] In administering the grants authorized by this section, the commissioner shall ensure that the term "children's supervised visitation facility" is used in all future applications, publicity releases, requests for proposals, and other materials of like nature. Materials published prior to the enactment of this legislation which use different terms may be distributed by the commissioner until supplies are gone.

By January 1, 1996, the board of trustees of the Minnesota state colleges and universities and the board of regents of the University of Minnesota shall provide the education committees of the legislature with recommendations to reduce the number of statutory sections relating to higher education, including, but not limited to, recommendations regarding statutory sections that could be incorporated in board policies or procedures, and regarding statutory sections that are obsolete.

Sec. 62. [EARLY SEPARATION INCENTIVES.]

Subdivision 1. [EMPLOYER PARTICIPATION; HIGHER EDUCATION AGENCIES.] (a) In order to minimize the disruptive effects of layoffs or reorganization attributable to the merger of the state universities, community colleges, and technical colleges, and the restructuring of the higher education coordinating board, employees of the higher education coordinating board, the state university, community college, and technical college systems, and employees of local school districts, joint technical districts, and intermediate districts assigned to a technical college position, who are employed in positions that are to be eliminated in the merger and restructuring, as certified by the chancellor of the higher education board or the executive director of the higher education coordinating board, are entitled to elect an early separation incentive set forth in subdivision 3.

(b) The higher education board and the higher education coordinating board must determine those specific positions to be permanently eliminated as part of the merger or restructuring and identify the employees who may elect one of the early separation incentives established by this section.

Subd. 2. [ELIGIBILITY.] A person employed by the employing units identified in subdivision 1 is eligible to elect the incentive if the person:

(1) is an employee of the higher education coordinating board, a state university, community college, or technical college, or an administrative employee of a local school district, joint technical district and intermediate district assigned to a technical college position whose position is to be eliminated;

(2) is at least age 55 but is not yet age 65;

(3) is employed in a permanent position and in active work status at the time the incentive is elected;

(4) upon retirement, termination, or separation is immediately eligible for a retirement annuity from a defined benefit Minnesota public employee pension plan or a distribution from a defined contribution Minnesota public employee pension plan;

(5) retires, separates, or is terminated from an eligible position after June 30, 1994, but before July 1, 1996; and

(6) has been certified by the chancellor of the higher education board or the executive director of the higher education coordinating board as eligible to elect an early separation incentive.

Subd. 3. [INCENTIVES.] (a) Eligible employees may elect one of the following incentives but may not elect both.

(b) Retirement under this section means permanent separation or termination from employment with or under the control of the higher education board, the higher education coordinating board, or the higher education systems to be merged.

(c) Employees who separate, terminate, or retire with the early retirement incentive under paragraph (e) may not be rehired by the state in any employment position under the control of the higher education board or the higher education coordinating board.

(d) An eligible employee who receives a termination notice after July 1, 1994, may elect to take a six-month retraining leave in order to complete a course of study that is approved by the higher education board or the higher education coordinating board and which is designed to prepare the employee to assume a faculty position at a state university, community college, or technical college. The retraining leave must be at the full salary level that the person received immediately before the termination notice, including fringe benefits. The leave must be completed no later than June 30, 1996. Employees who seek to return to teaching must satisfy the qualifications established by applicable collective bargaining agreements. Any subsequent faculty appointments must be in accordance with collective bargaining agreements and policies of the higher education board. The individual's pretermination notice employment ceases at the conclusion of the retraining leave. Individual employee eligibility for severance payments must be made in accordance with the policies of the employing unit in effect at the time the incentive was elected. Notice of election of this incentive must be made before April 1, 1996, on forms prescribed by the higher education board.

(e) An eligible employee may elect the following instead of the incentive in paragraph (d):

(1) state-paid hospital, medical, and dental insurance to age 65. An employee who retires, is terminated, or is separated is eligible for single or dependent insurance coverages, whichever applies, and any employer payments to which the person was entitled immediately before retirement, termination, or separation subject to any changes in coverage and employer and employee payments through collective bargaining or personnel plans in positions equivalent to the position from which the employee retired, terminated, or separated. The employee is not eligible for employer-paid life insurance. If the employee is not yet age 65 at the time of retirement or

separation, the employee is eligible for employer-paid insurance under the provisions of a personnel plan and has at least as many months service with the current employer and as the number of months the individual is under age 65 at the time of retirement; and

(2) if the eligible employee has at least 15 years of combined service credit in a Minnesota public pension plan, a one-time opportunity to purchase up to two years of service credit in or to make not more than two years of additional member contributions to the public pension plan that the employee is a member of at the time of retirement or separation as follows:

(i) Eligible employees may have the additional payment made on the basis of the employee's base salary in the year of separation as denoted in the salary schedule in the applicable employer personnel policy and at the rate and in the manner specified in section 352.04, 353.27, 354.42, or 354A.12, whichever applies. The employee payment must include interest at the rate of 8.5 percent. The employer shall make the required employer contribution and employer additional contribution to the retirement fund as specified in section 352.04, 353.27, 354.42, or 354A.12, whichever applies for an employee who elects this option. Both the required employee and employer payments must be made to the fund before the employee's date of retirement or separation, whichever is earlier.

(ii) Defined contribution plan members in plans established by chapter 352D or 354B must have additional employee and employer contributions made on the basis of the employee's base salary in the year of retirement as denoted in the salary schedule in the applicable employer personnel policy and at the rate and in the manner specified in section 352D.04, subdivision 2, or 354B.04, as applicable. The additional contributions must be made before the employee's date of retirement or separation, whichever is earlier."

Delete everything after the enacting clause and insert:

"Section 1. Minnesota Statutes 1994, section 3.842, subdivision 2, is amended to read:

Subd. 2. [JURISDICTION.] The jurisdiction of the commission includes all rules as defined in section 14.02, subdivision 4. The commission also has jurisdiction of rules which are filed with the

secretary of state in accordance with ~~section~~ sections 14.38, subdivisions 5, 6, 7, 8, 9, and 11 ~~or were filed with the secretary of state in accordance with the provisions of section 14.38, subdivisions 5 to 9, which were in effect on the date the rules were filed;~~ 14.386; and 14.388.

The commission may periodically review statutory exemptions to the rulemaking provisions of this chapter.

Sec. 2. Minnesota Statutes 1994, section 3.842, subdivision 4, is amended to read:

Subd. 4. [SUSPENSIONS.] (a) The commission may, on any of the grounds listed in paragraph (b) and on the basis of the testimony received at the public hearings, suspend any rule complained of by the affirmative vote of at least six members provided the provisions of section 3.844 have been met. If any rule is suspended, the commission shall as soon as possible place before the legislature, at the next year's session, a bill to repeal the suspended rule. If the bill is not enacted in that year's session, the rule is effective upon adjournment of the session unless the agency has repealed it. If the bill is enacted, the rule is repealed.

(b) A rule suspension under paragraph (a) must be based on one or more of the following reasons:

- (1) an absence of statutory authority;
- (2) an emergency relating to public health, safety, or welfare;
- (3) a failure to comply with legislative intent;
- (4) a conflict with state law;
- (5) a change in circumstances since enactment of the earliest law upon which the rule is based;
- (6) arbitrariness and capriciousness, or imposition of an undue hardship.

(c) This section authorizes the commission to suspend a rule only when the vote to suspend is taken, and the effective date of the suspension occurs, at a time when the legislature could not enact a bill to repeal the rule.

Sec. 3. Minnesota Statutes 1994, section 3.842, is amended by adding a subdivision to read:

Subd. 4a. [OBJECTIONS TO RULES.] (a) If the legislative commission to review administrative rules objects to all or some portion of a rule because the commission considers it to be beyond the procedural or substantive authority delegated to the agency, including a proposed rule submitted under section 14.15, subdivision 4, or 14.26, subdivision 3, paragraph (c), the commission may file that objection in the office of the secretary of state. The filed objection must contain a concise statement of the commission's reasons for its action. An objection to a proposed rule submitted under section 14.15, subdivision 4, or 14.26, subdivision 3, paragraph (c), may not be filed before the rule is adopted.

(b) The secretary of state shall affix to each objection a certification of the date and time of its filing and as soon after the objection is filed as practicable shall transmit a certified copy of it to the agency issuing the rule in question and the revisor of statutes. The secretary of state shall also maintain a permanent register open to public inspection of all objections by the commission.

(c) The legislative commission to review administrative rules shall publish and index an objection filed under this section in the next issue of the State Register. The revisor of statutes shall indicate its existence adjacent to the rule in question when that rule is published in Minnesota Rules.

(d) Within 14 days after the filing of an objection by the commission to a rule, the issuing agency shall respond in writing to the commission. After receipt of the response, the commission may withdraw or modify its objection.

(e) After the filing of an objection by the commission that is not subsequently withdrawn, the burden is upon the agency in any proceeding for judicial review or for enforcement of the rule to establish that the whole or portion of the rule objected to is valid.

(f) The failure of the commission to object to a rule is not an implied legislative authorization of its validity.

(g) Pursuant to sections 14.44 and 14.45, the commission may petition for a declaratory judgment to determine the validity of any rule objected to by the commission.

This action must be started within two years after an objection is filed in the office of the secretary of state.

(h) The commission may intervene in litigation arising from agency action. For purposes of this paragraph, agency action means the whole or part of a rule, or the failure to issue a rule.

Sec. 4. Minnesota Statutes 1994, section 14.04, is amended to read:

14.04 [AGENCY ORGANIZATION; GUIDEBOOK.]

To assist interested persons dealing with it, each agency shall, in a manner prescribed by the commissioner of administration, prepare a description of its organization, stating the process whereby general course and method of its operations and where and how the public may obtain information or make submissions or requests. The commissioner of administration shall publish these descriptions at least once every four years commencing in 1981 in a guidebook of state agencies. Notice of the publication of the guidebook shall be published in the State Register and given in newsletters, newspapers, or other publications, or through other means of communication.

Sec. 5. Minnesota Statutes 1994, section 14.05, subdivision 2, is amended to read:

Subd. 2. [AUTHORITY TO MODIFY PROPOSED RULE.] (a) An agency may modify a proposed rule in accordance with the procedures of the administrative procedure act. However, an agency may not modify a proposed rule so that it is substantially different from the proposed rule in the notice of intent to adopt rules or notice of hearing.

(b) A modification does not make a proposed rule substantially different if:

(1) the differences are within the scope of the matter announced in the notice of intent to adopt or notice of hearing and are in character with the issues raised in that notice;

(2) the differences are a logical outgrowth of the contents of the notice of intent to adopt or notice of hearing and the comments submitted in response to the notice; and

(3) the notice of intent to adopt or notice of hearing provided fair warning that the outcome of that rulemaking proceeding could be the rule in question.

(c) In determining whether the notice of intent to adopt or notice of hearing provided fair warning that the outcome of that rulemaking proceeding could be the rule in question the following factors must be considered:

(1) the extent to which persons who will be affected by the rule should have understood that the rulemaking proceeding on which it is based could affect their interests;

(2) the extent to which the subject matter of the rule or issues determined by the rule are different from the subject matter or issues contained in the notice of intent to adopt or notice of hearing; and

(3) the extent to which the effects of the rule differ from the effects of the proposed rule contained in the notice of intent to adopt or notice of hearing.

Sec. 6. Minnesota Statutes 1994, section 14.05, is amended by adding a subdivision to read:

Subd. 5. [REVIEW AND REPEAL OF RULES.] By December 1 of each year, an agency shall submit a list of all the rules of the agency to the governor, the legislative commission to review administrative rules, and the revisor of statutes. The list must identify any rules that are obsolete and should be repealed. The list must also include an explanation of why the rule is obsolete and the agency's timetable for repeal.

Sec. 7. Minnesota Statutes 1994, section 14.06, is amended to read:

14.06 [REQUIRED RULES.]

(a) Each agency shall adopt rules, in the form prescribed by the revisor of statutes, setting forth the nature and requirements of all formal and informal procedures related to the administration of official agency duties to the extent that those procedures directly affect the rights of or procedures available to the public.

(b) Upon the request of any person, and as soon as feasible and to the extent practicable, each agency shall adopt rules to supersede those principles of law or policy lawfully declared by the agency as the basis for its decisions in particular cases it intends to rely on as precedents in future cases.

Sec. 8. Minnesota Statutes 1994, section 14.08, is amended to read:

14.08 [~~REVISOR OF STATUTES~~ APPROVAL OF RULE AND RULE FORM; COSTS.]

(a) Two copies of a rule adopted pursuant to ~~the provisions of section 14.26 or 14.32~~ shall be submitted by the agency to the ~~attorney general~~ chief administrative law judge. The ~~attorney general~~ chief administrative law judge shall send one copy of the rule to the revisor on the same day as it is submitted by the agency under section 14.26 ~~or 14.32~~. Within five days after receipt of the rule, excluding weekends and holidays, the revisor shall either return the rule with a certificate of approval of the form of the rule to the ~~attorney general~~ chief administrative law judge or notify the ~~attorney general~~ chief administrative law judge and the agency that the form of the rule will not be approved.

If the ~~attorney general~~ chief administrative law judge disapproves a rule, the agency may modify it and the agency shall submit two copies of the modified rule to the ~~attorney general~~ chief administrative law judge who shall send a copy to the revisor for approval as to form as described in this paragraph.

(b) One copy of a rule adopted after a public hearing shall be submitted by the agency to the revisor for approval of the form of the rule. Within five working days after receipt of the rule, the revisor shall either return the rule with a certificate of approval to the agency or notify the agency that the form of the rule will not be approved.

(c) If the revisor refuses to approve the form of the rule, the revisor's notice shall revise the rule so it is in the correct form.

(d) The ~~attorney general~~ chief administrative law judge shall assess an agency for the ~~attorney general's~~ actual cost of processing rules under this section. ~~The agency shall pay the attorney general's assessments using the procedures of section 8.15.~~ Each agency shall include in its budget money to pay the ~~attorney general's~~ assessments. Receipts from the assessment must be deposited in the ~~state treasury and credited to the general fund~~ administrative hearings account created in section 14.54.

Sec. 9. Minnesota Statutes 1994, section 14.09, is amended to read:

14.09 [PETITION FOR ADOPTION OF RULE.]

Any ~~interested~~ person may petition an agency requesting the adoption, ~~suspension~~, amendment, or repeal of any rule. The petition shall be specific as to what action is requested and the need for the action. Upon receiving a petition an agency shall have 60 days in which to make a specific and detailed reply in writing as to its planned disposition of the request and the reasons for its planned disposition of the request. If the agency states its intention to hold a public hearing on the subject of the request, it shall proceed according to sections 14.05 to ~~14.36~~ 14.28. The ~~attorney general~~ chief administrative law judge shall prescribe by rule the form for all petitions under this section and ~~may prescribe further procedures for their submission, consideration, and disposition.~~

Sec. 10. [14.101] [ADVICE ON POSSIBLE RULES.]

Subdivision 1. [REQUIRED NOTICE.] In addition to seeking information by other methods

designed to reach persons or classes of persons who might be affected by the proposal, an agency, before publication of a notice of intent to adopt or a notice of hearing, shall solicit comments from the public on the subject matter of a possible rulemaking proposal under active consideration within the agency by causing notice to be published in the State Register. The notice must include a description of the subject matter of the proposal, the types of groups and individuals likely to be affected, and indicate where, when, and how persons may comment on the proposal and whether and how drafts of any proposal may be obtained from the agency.

Subd. 2. [ADVISORY COMMITTEES.] Each agency may also appoint committees to comment, before publication of a notice of intent to adopt or a notice of hearing, on the subject matter of a possible rulemaking under active consideration within the agency. The membership of those committees must be published at least annually in the State Register.

Subd. 3. [EFFECT OF GOOD FAITH COMPLIANCE.] If an agency has made a good faith effort to comply with this section, a rule may not be invalidated on the grounds that the contents of this notice are insufficient or inaccurate.

**Sec. 11. [14.125] [TIME LIMIT ON AUTHORITY TO ADOPT, AMEND, OR REPEAL RULES.]**

An agency shall publish a notice of intent to adopt rules or a notice of hearing within 18 months of the effective date of the law authorizing or requiring rules to be adopted, amended, or repealed. If the notice is not published within the time limit imposed by this section, the authority for the rules expires. The agency shall not use other law in existence at the time of the expiration of rulemaking authority under this section as authority to adopt, amend, or repeal these rules.

An agency that publishes a notice of intent to adopt rules or a notice of hearing within the time limit specified in this section may subsequently amend or repeal the rules without additional legislative authorization.

Sec. 12. Minnesota Statutes 1994, section 14.131, is amended to read:

**14.131 [STATEMENT OF NEED AND REASONABLENESS.]**

Before the agency orders the publication of a rulemaking notice required by section 14.14, subdivision 1a, the agency must prepare, review, and make available for public review a statement of the need for and reasonableness of the rule ~~and a fiscal note if required by section 3.982.~~ The statement of need and reasonableness must be prepared under rules adopted by the chief administrative law judge and must include the following:

(1) a description of the classes of persons who probably will be affected by the proposed rule, including classes that will bear the costs of the proposed rule and classes that will benefit from the proposed rule;

(2) the probable costs to the agency and to any other agency of the implementation and enforcement of the proposed rule and any anticipated effect on state revenues;

(3) a determination of whether there are less costly methods or less intrusive methods for achieving the purpose of the proposed rule;

(4) a description of any alternative methods for achieving the purpose of the proposed rule that were seriously considered by the agency and the reasons why they were rejected in favor of the proposed rule;

(5) the probable costs of complying with the proposed rule; and

(6) an assessment of any differences between the proposed rule and existing federal regulations and a specific analysis of the need for and reasonableness of each difference.

For rules setting, adjusting, or establishing regulatory, licensure, or other charges for goods and services, the statement of need and reasonableness must include the comments and recommendations of the commissioner of finance and must address any fiscal and policy concerns raised during the review process, as required by section 16A.1285.

The statement must also describe the agency's efforts to provide additional notification to persons or classes of persons who may be affected by the proposed rule or must explain why these efforts were not made.

The agency shall send a copy of the statement of need and reasonableness to the legislative commission to review administrative rules when it becomes available for public review.

Sec. 13. Minnesota Statutes 1994, section 14.14, subdivision 1a, is amended to read:

Subd. 1a. [NOTICE OF RULE HEARING.] Each agency shall maintain a list of all persons who have registered with the agency for the purpose of receiving notice of rule hearings proceedings. The agency may inquire as to whether those persons on the list wish to maintain their names thereon and may remove names for which there is a negative reply or no reply within 60 days. The agency shall, at least 30 days prior to the date set for the hearing, give notice of its intention to adopt rules by United States mail to all persons on its list, and by publication in the State Register. The mailed notice shall include either a copy of the proposed rule or a description of the nature and effect of the proposed rule and an announcement that a free copy of the proposed rule is available on request from the agency. Each agency may, at its own discretion, also contact persons not on its list ~~and may give~~ who may be affected by the rule being proposed. In addition, each agency shall make reasonable efforts to notify persons or classes of persons who may be affected by the rule being proposed by giving notice of its intention in newsletters, newspapers, or other publications, or through other means of communication. The notice in the State Register must include the proposed rule or an amended rule in the form required by the revisor under section 14.07, together with a citation to the most specific statutory authority for the proposed rule, a statement of the place, date, and time of the public hearing, a statement that persons may register with the agency for the purpose of receiving notice of rule proceedings and notice that a rule has been adopted, and other information as required by law or rule. When an entire rule is proposed to be repealed, the agency need only publish that fact, giving the citation to the rule to be repealed in the notice.

Sec. 14. Minnesota Statutes 1994, section 14.15, subdivision 3, is amended to read:

Subd. 3. [FINDING OF SUBSTANTIAL ~~CHANGE DIFFERENCE~~.] If the report contains a finding that a rule has been modified in a way which makes it substantially different, as determined under section 14.05, subdivision 2, from that which was originally proposed, or that the agency has not met the requirements of sections 14.131 to 14.18, it shall be submitted to the chief administrative law judge for approval. If the chief administrative law judge approves the finding of the administrative law judge, the chief administrative law judge shall advise the agency and the revisor of statutes of actions which will correct the defects. The agency shall not adopt the rule until the chief administrative law judge determines that the defects have been corrected or, if applicable, that the agency has satisfied the rule requirements for the adoption of a substantially different rule.

Sec. 15. Minnesota Statutes 1994, section 14.15, subdivision 4, is amended to read:

Subd. 4. [NEED OR REASONABLENESS NOT ESTABLISHED.] If the chief administrative law judge determines that the need for or reasonableness of the rule has not been established pursuant to section 14.14, subdivision 2, and if the agency does not elect to follow the suggested actions of the chief administrative law judge to correct that defect, then the agency shall submit the proposed rule to the legislative commission to review administrative rules for the commission's advice and comment. The agency shall not adopt the rule until it has received and considered the advice of the commission. However, the agency is not required to ~~delay adoption longer~~ wait for the commission's advice for more than 30 60 days after the commission has received the agency's submission. ~~Advice of the commission shall not be binding on the agency.~~

Sec. 16. Minnesota Statutes 1994, section 14.16, subdivision 1, is amended to read:

Subdivision 1. [REVIEW OF MODIFICATIONS.] If the report of the administrative law judge finds no defects, the agency may proceed to adopt the rule. After receipt of the administrative law judge's report, if the agency makes any modifications to the rule other than those recommended by the administrative law judge, it must return the rule to the chief administrative law judge for a review on the issue of substantial change whether the rule as modified is substantially different, as

determined under section 14.05, subdivision 2, from the rule as originally proposed. If the chief administrative law judge determines that the modified rule is substantially different from that which was originally proposed, the chief administrative law judge shall advise the agency of actions which will correct the defects. The agency shall not adopt the modified rule until the chief administrative law judge determines that the defects have been corrected or, if applicable, that the agency has satisfied the rule requirements for the adoption of a substantially different rule.

The agency shall give notice to all persons who requested to be informed that the rule has been adopted and filed with the secretary of state. This notice shall be given on the same day that the rule is filed.

Sec. 17. Minnesota Statutes 1994, section 14.19, is amended to read:

14.19 [DEADLINE TO COMPLETE RULEMAKING.]

The agency shall, within 180 days after issuance of the administrative law judge's report, submit its notice of adoption, amendment, ~~suspension~~, or repeal to the State Register for publication. If the agency has not submitted its notice to the State Register within 180 days, the rule is automatically withdrawn. The agency shall not adopt the withdrawn rules without again following the procedures of sections 14.05 to 14.36. It shall report to the legislative commission to review administrative rules, other appropriate committees of the legislature, and the governor its failure to adopt rules and the reasons for that failure. The 180-day time limit of this section does not include any days used for review by the chief administrative law judge, ~~the attorney general~~, or the legislative commission to review administrative rules if the review is required by law.

Sec. 18. Minnesota Statutes 1994, section 14.22, subdivision 1, is amended to read:

Subdivision 1. [CONTENTS.] Unless an agency proceeds directly to a public hearing on a proposed rule and gives the notice prescribed in section 14.14, subdivision 1a, the agency shall give notice of its intention to adopt a rule without public hearing. The notice shall be given by publication in the State Register and by United States mail to persons who have registered their names with the agency pursuant to section 14.14, subdivision 1a. The mailed notice shall include either a copy of the proposed rule or a description of the nature and effect of the proposed rule and an announcement that a free copy of the proposed rule is available on request from the agency. Each agency may, at its own discretion, also contact persons not on its list who may be affected by the rule being proposed. In addition, each agency shall make reasonable efforts to notify persons or classes of persons who may be affected by the rule by giving notice of its intention in newsletters, newspapers, or other publications, or through other means of communication. When an entire rule is proposed to be repealed, the notice need only state that fact, giving the citation to the rule to be repealed in the notice. The notice shall include a statement advising the public:

(1) that they have 30 days in which to submit comment in support of or in opposition to the proposed rule and that comment is encouraged;

(2) that each comment should identify the portion of the proposed rule addressed, the reason for the comment, and any change proposed;

(3) that if 25 or more persons submit a written request for a public hearing within the 30-day comment period, a public hearing will be held;

(4) of the manner in which persons shall request a public hearing on the proposed rule;

(6) that the proposed rule may be modified if the modifications are supported by the data and views submitted; and

(7) that if a hearing is not required, notice of the date of submission of the proposed rule to the ~~attorney general~~ chief administrative law judge for review will be mailed to any person requesting to receive the notice.

In connection with the statements required in clauses (1) and (3), the notice must also include the date on which the 30-day comment period ends.

Sec. 19. Minnesota Statutes 1994, section 14.23, is amended to read:

14.23 [STATEMENT OF NEED AND REASONABLENESS.]

Before the date of the section 14.22 notice, the agency shall prepare a statement of need and reasonableness which shall be available to the public. The statement of need and reasonableness must include the analysis required in section 14.131 and the comments and recommendations of the commissioner of finance, and must address any fiscal and policy concerns raised during the review process, as required by section 16A.1285. The statement must also describe the agency's efforts to provide additional notification to persons or classes of persons who may be affected by the proposed rules or must explain why these efforts were not made. For at least 30 days following the notice, the agency shall afford all interested persons the public an opportunity to request a public hearing and to submit data and views on the proposed rule in writing.

The agency shall send a copy of the statement of need and reasonableness to the legislative commission to review administrative rules when it becomes available to the public.

Sec. 20. Minnesota Statutes 1994, section 14.24, is amended to read:

14.24 [MODIFICATIONS OF PROPOSED RULE.]

The proposed rule may be modified if the modifications are supported by the data and views submitted to the agency and do not result in a substantial change substantially different rule, as determined under section 14.05, subdivision 2, from the rule as originally proposed. An agency may adopt a substantially different rule after satisfying the rule requirements for the adoption of a substantially different rule.

Sec. 21. Minnesota Statutes 1994, section 14.25, is amended to read:

14.25 [PUBLIC HEARING ~~REQUIRED~~.]

Subdivision 1. [REQUESTS FOR HEARING.] If, during the 30-day period allowed for comment, 25 or more persons submit to the agency a written request for a public hearing of the proposed rule, the agency shall proceed under the provisions of sections 14.14 to 14.20. The written request must include: (1) the name and address of the person requesting the public hearing; and (2) the portion or portions of the rule to which the person objects or a statement that the person opposes the entire rule. A notice of the public hearing must be published in the State Register and mailed to those persons who submitted a written request for the public hearing. Unless the agency has modified the proposed rule, the notice need not include the text of the proposed rule but only a citation to the State Register pages where the text appears.

A written request for a public hearing that does not comply with the requirements of this section is invalid and must not be counted by the agency for purposes of determining whether a public hearing must be held.

Subd. 2. [WITHDRAWAL OF HEARING REQUESTS.] If a request for a public hearing has been withdrawn, the agency must give written notice of that fact to all persons who have requested the public hearing. The notice must explain why the request is being withdrawn, and must include a description of any action the agency has taken or will take that affected or may have affected the decision to withdraw the request. The notice must also invite persons to submit written comments to the agency relating to the withdrawal. The notice and any written comments received by the agency is part of the rulemaking record submitted to the administrative law judge under section 14.14 or 14.26. The administrative law judge shall review the notice and any comments received and determine whether the withdrawal is consistent with section 14.001, clauses (2), (4), and (5).

Sec. 22. Minnesota Statutes 1994, section 14.26, is amended to read:

14.26 [ADOPTION OF PROPOSED RULE; SUBMISSION TO ATTORNEY GENERAL ADMINISTRATIVE LAW JUDGE.]

The agency shall give notice to all persons who requested to be informed that these materials have been submitted to the ~~attorney general~~ administrative law judge. This notice shall be given on the same day that the record is submitted. ~~If the proposed rule has been modified, the notice shall state that fact, and shall state that a free copy of the proposed rule, as modified, is available upon request from the agency. The rule and these materials shall be submitted to the attorney general administrative law judge within 180 days of the day that the comment period for the rule is over or the rule is automatically withdrawn. The agency shall report its failure to adopt the rules and the reasons for that failure to the legislative commission to review administrative rules, other appropriate legislative committees, and the governor.~~

Subd. 2. [RESUBMISSION.] Even if the 180-day period expires while the ~~attorney general~~ administrative law judge reviews the rule, if the ~~attorney general~~ administrative law judge rejects the rule, the agency may resubmit it after taking corrective action. The resubmission must occur within 30 days of when the agency receives written notice of the disapproval. If the rule is again disapproved, the rule is withdrawn. An agency may resubmit at any time before the expiration of the 180-day period. If the agency withholds some of the proposed rule, it may not adopt the withheld portion without again following the procedures of sections 14.14 to 14.28, ~~or 14.29 to 14.36.~~

Subd. 3. [REVIEW.] (a) ~~The attorney general administrative law judge shall, within 14 days, approve or disapprove the rule as to its legality and its form to the extent the form relates to legality, including the issue issues of substantial change whether the rule if modified is substantially different, as determined under section 14.05, subdivision 2, from the rule as originally proposed, and determine whether the agency has the authority to adopt the rule, and whether the record demonstrates a rational basis for the need for and reasonableness of the proposed rule within 14 days. If the rule is approved, the attorney general administrative law judge shall promptly file two copies of it in the office of the secretary of state. The secretary of state shall forward one copy of each rule to the revisor of statutes. If the rule is disapproved, the attorney general administrative law judge shall state in writing the reasons and make recommendations to overcome the deficiencies, and defects.~~

(b) ~~The written disapproval must be submitted to the chief administrative law judge for approval. If the chief administrative law judge approves of the findings of the administrative law judge, the chief administrative law judge shall send the statement of the reasons for disapproval of the rule to the agency, the legislative commission to review administrative rules, and the revisor of statutes and advise the agency and the revisor of statutes of actions that will correct the defects. The rule shall not be filed in the office of the secretary of state, nor published until the deficiencies chief administrative law judge determines that the defects have been overcome corrected or, if applicable, that the agency has satisfied the rule requirements for the adoption of a substantially different rule. The attorney general shall send a statement of reasons for disapproval of the rule to the agency, the chief administrative law judge, the legislative commission to review administrative rules, and to the revisor of statutes.~~

(c) ~~If the chief administrative law judge determines that the need for or reasonableness of the rule has not been established, and if the agency does not elect to follow the suggested actions of the chief administrative law judge to correct that defect, then the agency shall submit the proposed rule to the legislative commission to review administrative rules for the commission's advice and comment. The agency shall not adopt the rule until it has received and considered the advice of the commission. However, the agency is not required to wait for the commission's advice for more than 60 days after the commission has received the agency's submission.~~

(d) ~~The attorney general administrative law judge shall disregard any error or defect in the proceeding due to the agency's failure to satisfy any procedural requirements imposed by law or rule if the attorney general administrative law judge finds:~~

(1) that the failure did not deprive any person or entity of an opportunity to participate meaningfully in the rulemaking process; or

(2) that the agency has taken corrective action to cure the error or defect so that the failure did not deprive any person or entity of an opportunity to participate meaningfully in the rulemaking process.

Subd. 4. [COSTS.] The ~~attorney general~~ office of administrative hearings shall assess an agency for the actual cost of processing rules under this section. ~~The agency shall pay the attorney general's assessments using the procedures of section 8.15.~~ Each agency shall include in its budget money to pay the ~~attorney general's~~ assessment. Receipts from the assessment must be deposited in the ~~state treasury and credited to the general fund~~ administrative hearings account created in section 14.54.

Subd. 2. [REVIEW.] The attorney general shall review the proposed emergency rule as to its legality, review its form to the extent the form relates to legality, and shall approve or disapprove the proposed emergency rule and any modifications on the tenth working day following the date of receipt of the proposed emergency rule from the commissioner. (2) that the commissioner has taken corrective action to cure the error or defect so that the failure did not deprive any person or entity of an opportunity to participate meaningfully in the rulemaking process.

Subd. 3. [COSTS.] The attorney general shall assess the commissioner for the actual cost of processing rules under this section. Receipts from the assessment must be deposited in the state treasury and credited to the general fund.

Sec. 40. [97A.0456] [EFFECTIVE DATE OF EMERGENCY RULE.]

The emergency rule takes effect five working days after approval by the attorney general. The attorney general shall file two copies of the approved emergency rule with the secretary of state. The secretary of state shall forward one copy of each approved and filed emergency rule to the revisor of statutes. Failure of the attorney general to approve or disapprove a proposed emergency rule within ten working days is approval.

Sec. 41. [97A.0457] [PUBLICATION OF APPROVAL.]

As soon as practicable, notice of the attorney general's decision must be published in the State Register and the adopted rule must be published in the manner as provided for adopted rules in section 14.18.

The emergency rules may be continued in effect for an additional period of up to 180 days if the commissioner gives notice of continuation by publishing notice in the State Register and mailing the same notice to all persons registered with the commissioner to receive notice of any rulemaking proceedings. The continuation is not effective until these notices have been mailed. No emergency rule may remain in effect on a date 361 days after its original effective date. The emergency rules may not be continued in effect after 360 days without following the procedure of sections 14.14 to 14.28.

Sec. 43. [97A.0459] [APPROVAL OF FORM OF EMERGENCY RULE.]

No approved emergency rule shall be filed with the secretary of state or published in the State Register unless the revisor of statutes has certified that the emergency rule's form is approved.

Sec. 44. [APPROPRIATION.]

(a) \$35,000 is appropriated from the general fund to the administrative hearings account in Minnesota Statutes, section 14.54, for the purposes of section 45. The appropriation is available until spent. The approved complement of the office of administrative hearings is increased by three positions in the classified service.

(b) The office of the attorney general shall transfer \$15,000 in fiscal year 1996 to the office of administrative hearings.

(c) \$78,000 is appropriated from the general fund to the legislative commission to review administrative rules for fiscal year 1996.

Sec. 45. [TRANSFER OF RULE REVIEW AUTHORITY.]

Reports the same back with the recommendation that the bill be amended as follows:

Delete everything after the enacting clause and insert:

"Section 1. Minnesota Statutes 1994, section 3.842, subdivision 2, is amended to read:

Subd. 2. [JURISDICTION.] The jurisdiction of the commission includes all rules as defined in

section 14.02, subdivision 4. The commission also has jurisdiction of rules which are filed with the secretary of state in accordance with ~~section~~ sections 14.38, subdivisions 5, 6, 7, 8, 9, and 11 ~~or~~ were filed with the secretary of state in accordance with the provisions of section 14.38, subdivisions 5 to 9, which were in effect on the date the rules were filed, 14.386; and 14.388.

The commission may periodically review statutory exemptions to the rulemaking provisions of this chapter.

Sec. 2. Minnesota Statutes 1994, section 3.842, subdivision 4, is amended to read:

Subd. 4. [SUSPENSIONS.] (a) The commission may, on any of the grounds listed in paragraph (b) and on the basis of the testimony received at the public hearings, suspend any rule complained of by the affirmative vote of at least six members provided the provisions of section 3.844 have been met. If any rule is suspended, the commission shall as soon as possible place before the legislature, at the next year's session, a bill to repeal the suspended rule. If the bill is not enacted in that year's session, the rule is effective upon adjournment of the session unless the agency has repealed it. If the bill is enacted, the rule is repealed.

(b) A rule suspension under paragraph (a) must be based on one or more of the following reasons:

- (1) an absence of statutory authority;
- (2) an emergency relating to public health, safety, or welfare;
- (3) a failure to comply with legislative intent;
- (4) a conflict with state law;
- (5) a change in circumstances since enactment of the earliest law upon which the rule is based;
- (6) arbitrariness and capriciousness, or imposition of an undue hardship.

(c) This section authorizes the commission to suspend a rule only when the vote to suspend is taken, and the effective date of the suspension occurs, at a time when the legislature could not enact a bill to repeal the rule.

Sec. 3. Minnesota Statutes 1994, section 3.842, is amended by adding a subdivision to read:

Subd. 4a. [OBJECTIONS TO RULES.] (a) If the legislative commission to review administrative rules objects to all or some portion of a rule because the commission considers it to be beyond the procedural or substantive authority delegated to the agency, including a proposed rule submitted under section 14.15, subdivision 4, or 14.26, subdivision 3, paragraph (c), the commission may file that objection in the office of the secretary of state. The filed objection must contain a concise statement of the commission's reasons for its action. An objection to a proposed rule submitted under section 14.15, subdivision 4, or 14.26, subdivision 3, paragraph (c), may not be filed before the rule is adopted.

(b) The secretary of state shall affix to each objection a certification of the date and time of its filing and as soon after the objection is filed as practicable shall transmit a certified copy of it to the agency issuing the rule in question and the revisor of statutes. The secretary of state shall also maintain a permanent register open to public inspection of all objections by the commission.

(c) The legislative commission to review administrative rules shall publish and index an objection filed under this section in the next issue of the State Register. The revisor of statutes shall indicate its existence adjacent to the rule in question when that rule is published in Minnesota Rules.

(d) Within 14 days after the filing of an objection by the commission to a rule, the issuing agency shall respond in writing to the commission. After receipt of the response, the commission may withdraw or modify its objection.

(e) After the filing of an objection by the commission that is not subsequently withdrawn, the burden is upon the agency in any proceeding for judicial review or for enforcement of the rule to establish that the whole or portion of the rule objected to is valid.

(f) The failure of the commission to object to a rule is not an implied legislative authorization of its validity.

(g) Pursuant to sections 14.44 and 14.45, the commission may petition for a declaratory judgment to determine the validity of any rule objected to by the commission.

This action must be started within two years after an objection is filed in the office of the secretary of state.

(h) The commission may intervene in litigation arising from agency action. For purposes of this paragraph, agency action means the whole or part of a rule, or the failure to issue a rule.

Sec. 4. Minnesota Statutes 1994, section 14.04, is amended to read:

14.04 [AGENCY ORGANIZATION; GUIDEBOOK.]

To assist interested persons dealing with it, each agency shall, in a manner prescribed by the commissioner of administration, prepare a description of its organization, stating the process whereby general course and method of its operations and where and how the public may obtain information or make submissions or requests. The commissioner of administration shall publish these descriptions at least once every four years commencing in 1981 in a guidebook of state agencies. Notice of the publication of the guidebook shall be published in the State Register and given in newsletters, newspapers, or other publications, or through other means of communication.

Sec. 5. Minnesota Statutes 1994, section 14.05, subdivision 2, is amended to read:

Subd. 2. [AUTHORITY TO MODIFY PROPOSED RULE.] (a) An agency may modify a proposed rule in accordance with the procedures of the administrative procedure act. However, an agency may not modify a proposed rule so that it is substantially different from the proposed rule in the notice of intent to adopt rules or notice of hearing.

(b) A modification does not make a proposed rule substantially different if:

(1) the differences are within the scope of the matter announced in the notice of intent to adopt or notice of hearing and are in character with the issues raised in that notice;

(2) the differences are a logical outgrowth of the contents of the notice of intent to adopt or notice of hearing and the comments submitted in response to the notice; and

(3) the notice of intent to adopt or notice of hearing provided fair warning that the outcome of that rulemaking proceeding could be the rule in question.

(c) In determining whether the notice of intent to adopt or notice of hearing provided fair warning that the outcome of that rulemaking proceeding could be the rule in question the following factors must be considered:

(1) the extent to which persons who will be affected by the rule should have understood that the rulemaking proceeding on which it is based could affect their interests;

(2) the extent to which the subject matter of the rule or issues determined by the rule are different from the subject matter or issues contained in the notice of intent to adopt or notice of hearing; and

(3) the extent to which the effects of the rule differ from the effects of the proposed rule contained in the notice of intent to adopt or notice of hearing.

Sec. 6. Minnesota Statutes 1994, section 14.05, is amended by adding a subdivision to read:

Subd. 5. [REVIEW AND REPEAL OF RULES.] By December 1 of each year, an agency shall submit a list of all the rules of the agency to the governor, the legislative commission to review administrative rules, and the revisor of statutes. The list must identify any rules that are obsolete and should be repealed. The list must also include an explanation of why the rule is obsolete and the agency's timetable for repeal.

Sec. 7. Minnesota Statutes 1994, section 14.06, is amended to read:

14.06 [REQUIRED RULES.]

(a) Each agency shall adopt rules, in the form prescribed by the revisor of statutes, setting forth the nature and requirements of all formal and informal procedures related to the administration of official agency duties to the extent that those procedures directly affect the rights of or procedures available to the public.

(b) Upon the request of any person, and as soon as feasible and to the extent practicable, each agency shall adopt rules to supersede those principles of law or policy lawfully declared by the agency as the basis for its decisions in particular cases it intends to rely on as precedents in future cases.

Sec. 8. Minnesota Statutes 1994, section 14.08, is amended to read:

14.08 [~~REVISOR OF STATUTES~~ APPROVAL OF RULE AND RULE FORM; COSTS.]

(a) Two copies of a rule adopted pursuant to ~~the provisions of section 14.26 or 14.32~~ shall be submitted by the agency to the ~~attorney general~~ chief administrative law judge. The ~~attorney general~~ chief administrative law judge shall send one copy of the rule to the revisor on the same day as it is submitted by the agency under section 14.26 ~~or 14.32~~. Within five days after receipt of the rule, excluding weekends and holidays, the revisor shall either return the rule with a certificate of approval of the form of the rule to the ~~attorney general~~ chief administrative law judge or notify the ~~attorney general~~ chief administrative law judge and the agency that the form of the rule will not be approved.

If the ~~attorney general~~ chief administrative law judge disapproves a rule, the agency may modify it and the agency shall submit two copies of the modified rule to the ~~attorney general~~ chief administrative law judge who shall send a copy to the revisor for approval as to form as described in this paragraph.

(b) One copy of a rule adopted after a public hearing shall be submitted by the agency to the revisor for approval of the form of the rule. Within five working days after receipt of the rule, the revisor shall either return the rule with a certificate of approval to the agency or notify the agency that the form of the rule will not be approved.

(c) If the revisor refuses to approve the form of the rule, the revisor's notice shall revise the rule so it is in the correct form.

(d) The ~~attorney general~~ chief administrative law judge shall assess an agency for the ~~attorney general's~~ actual cost of processing rules under this section. ~~The agency shall pay the attorney general's assessments using the procedures of section 8.15.~~ Each agency shall include in its budget money to pay the ~~attorney general's~~ assessments. Receipts from the assessment must be deposited in the ~~state treasury and credited to the general fund~~ administrative hearings account created in section 14.54.

Sec. 9. Minnesota Statutes 1994, section 14.09, is amended to read:

14.09 [PETITION FOR ADOPTION OF RULE.]

Any interested person may petition an agency requesting the adoption, ~~suspension,~~ amendment, or repeal of any rule. The petition shall be specific as to what action is requested and the need for the action. Upon receiving a petition an agency shall have 60 days in which to make a specific and detailed reply in writing as to its planned disposition of the request and the reasons for its planned disposition of the request. If the agency states its intention to hold a public hearing on the subject of the request, it shall proceed according to sections 14.05 to 14.36 ~~14.28~~. The ~~attorney general~~ chief administrative law judge shall prescribe by rule the form for all petitions under this section and may prescribe further procedures for their submission, consideration, and disposition.

Sec. 10. [14.101] [ADVICE ON POSSIBLE RULES.]

Subdivision 1. [REQUIRED NOTICE.] In addition to seeking information by other methods

designed to reach persons or classes of persons who might be affected by the proposal, an agency, before publication of a notice of intent to adopt or a notice of hearing, shall solicit comments from the public on the subject matter of a possible rulemaking proposal under active consideration within the agency by causing notice to be published in the State Register. The notice must include a description of the subject matter of the proposal, the types of groups and individuals likely to be affected, and indicate where, when, and how persons may comment on the proposal and whether and how drafts of any proposal may be obtained from the agency.

Subd. 2. [ADVISORY COMMITTEES.] Each agency may also appoint committees to comment, before publication of a notice of intent to adopt or a notice of hearing, on the subject matter of a possible rulemaking under active consideration within the agency. The membership of those committees must be published at least annually in the State Register.

Subd. 3. [EFFECT OF GOOD FAITH COMPLIANCE.] If an agency has made a good faith effort to comply with this section, a rule may not be invalidated on the grounds that the contents of this notice are insufficient or inaccurate.

Sec. 11. [14.125] [TIME LIMIT ON AUTHORITY TO ADOPT, AMEND, OR REPEAL RULES.]

An agency shall publish a notice of intent to adopt rules or a notice of hearing within 18 months of the effective date of the law authorizing or requiring rules to be adopted, amended, or repealed. If the notice is not published within the time limit imposed by this section, the authority for the rules expires. The agency shall not use other law in existence at the time of the expiration of rulemaking authority under this section as authority to adopt, amend, or repeal these rules.

An agency that publishes a notice of intent to adopt rules or a notice of hearing within the time limit specified in this section may subsequently amend or repeal the rules without additional legislative authorization.

Sec. 12. Minnesota Statutes 1994, section 14.131, is amended to read:

14.131 [STATEMENT OF NEED AND REASONABLENESS.]

Before the agency orders the publication of a rulemaking notice required by section 14.14, subdivision 1a, the agency must prepare, review, and make available for public review a statement of the need for and reasonableness of the rule ~~and a fiscal note if required by section 3.982~~. The statement of need and reasonableness must be prepared under rules adopted by the chief administrative law judge, and must include the following:

(1) a description of the classes of persons who probably will be affected by the proposed rule, including classes that will bear the costs of the proposed rule and classes that will benefit from the proposed rule;

(2) the probable costs to the agency and to any other agency of the implementation and enforcement of the proposed rule and any anticipated effect on state revenues;

(3) a determination of whether there are less costly methods or less intrusive methods for achieving the purpose of the proposed rule;

(5) the probable costs of complying with the proposed rule; and

(6) an assessment of any differences between the proposed rule and existing federal regulations and a specific analysis of the need for and reasonableness of each difference.

For rules setting, adjusting, or establishing regulatory, licensure, or other charges for goods and services, the statement of need and reasonableness must include the comments and recommendations of the commissioner of finance and must address any fiscal and policy concerns raised during the review process, as required by section 16A.1285.

The statement must also describe the agency's efforts to provide additional notification to persons or classes of persons who may be affected by the proposed rule or must explain why these efforts were not made.

The agency shall send a copy of the statement of need and reasonableness to the legislative commission to review administrative rules when it becomes available for public review.

Sec. 13. Minnesota Statutes 1994, section 14.14, subdivision 1a, is amended to read:

Subd. 1a. [NOTICE OF RULE HEARING.] Each agency shall maintain a list of all persons who have registered with the agency for the purpose of receiving notice of rule ~~hearings~~ proceedings. The agency may inquire as to whether those persons on the list wish to maintain their names thereon and may remove names for which there is a negative reply or no reply within 60 days. The agency shall, at least 30 days prior to the date set for the hearing, give notice of its intention to adopt rules by United States mail to all persons on its list, and by publication in the State Register. The mailed notice shall include either a copy of the proposed rule or a description of the nature and effect of the proposed rule and an announcement that a free copy of the proposed rule is available on request from the agency. Each agency may, at its own discretion, also contact persons not on its list ~~and may give~~ who may be affected by the rule being proposed. In addition, each agency shall make reasonable efforts to notify persons or classes of persons who may be affected by the rule being proposed by giving notice of its intention in newsletters, newspapers, or other publications, or through other means of communication. The notice in the State Register must include the proposed rule or an amended rule in the form required by the revisor under section 14.07, together with a citation to the most specific statutory authority for the proposed rule, a statement of the place, date, and time of the public hearing, a statement that persons may register with the agency for the purpose of receiving notice of rule proceedings and notice that a rule has been adopted, and other information as required by law or rule. When an entire rule is proposed to be repealed, the agency need only publish that fact, giving the citation to the rule to be repealed in the notice.

Sec. 14. Minnesota Statutes 1994, section 14.15, subdivision 3, is amended to read:

Subd. 3. [FINDING OF SUBSTANTIAL ~~CHANGE~~ DIFFERENCE.] If the report contains a finding that a rule has been modified in a way which makes it substantially different, as determined under section 14.05, subdivision 2, from that which was originally proposed, or that the agency has not met the requirements of sections 14.131 to 14.18, it shall be submitted to the chief administrative law judge for approval. If the chief administrative law judge approves the finding of the administrative law judge, the chief administrative law judge shall advise the agency and the revisor of statutes of actions which will correct the defects. The agency shall not adopt the rule until the chief administrative law judge determines that the defects have been corrected or, if applicable, that the agency has satisfied the rule requirements for the adoption of a substantially different rule.

Sec. 15. Minnesota Statutes 1994, section 14.15, subdivision 4, is amended to read:

Subd. 4. [NEED OR REASONABLENESS NOT ESTABLISHED.] If the chief administrative law judge determines that the need for or reasonableness of the rule has not been established pursuant to section 14.14, subdivision 2, and if the agency does not elect to follow the suggested actions of the chief administrative law judge to correct that defect, then the agency shall submit the proposed rule to the legislative commission to review administrative rules for the commission's advice and comment. The agency shall not adopt the rule until it has received and considered the advice of the commission. However, the agency is not required to ~~delay adoption longer~~ wait for the commission's advice for more than 30 60 days after the commission has received the agency's submission. ~~Advice of the commission shall not be binding on the agency.~~

Sec. 16. Minnesota Statutes 1994, section 14.16, subdivision 1, is amended to read:

Subdivision 1. [REVIEW OF MODIFICATIONS.] If the report of the administrative law judge finds no defects, the agency may proceed to adopt the rule. After receipt of the administrative law judge's report, if the agency makes any modifications to the rule other than those recommended by the administrative law judge, it must return the rule to the chief administrative law judge for a review on the issue of ~~substantial change~~ whether the rule as modified is substantially different, as

determined under section 14.05, subdivision 2, from the rule as originally proposed. If the chief administrative law judge determines that the modified rule is substantially different from that which was originally proposed, the chief administrative law judge shall advise the agency of actions which will correct the defects. The agency shall not adopt the modified rule until the chief administrative law judge determines that the defects have been corrected or, if applicable, that the agency has satisfied the rule requirements for the adoption of a substantially different rule.

The agency shall give notice to all persons who requested to be informed that the rule has been adopted and filed with the secretary of state. This notice shall be given on the same day that the rule is filed.

Sec. 17. Minnesota Statutes 1994, section 14.19, is amended to read:

14.19 [DEADLINE TO COMPLETE RULEMAKING.]

The agency shall, within 180 days after issuance of the administrative law judge's report, submit its notice of adoption, amendment, ~~suspension~~, or repeal to the State Register for publication. If the agency has not submitted its notice to the State Register within 180 days, the rule is automatically withdrawn. The agency shall not adopt the withdrawn rules without again following the procedures of sections 14.05 to 14.36. It shall report to the legislative commission to review administrative rules, other appropriate committees of the legislature, and the governor its failure to adopt rules and the reasons for that failure. The 180-day time limit of this section does not include any days used for review by the chief administrative law judge, ~~the attorney general~~, or the legislative commission to review administrative rules if the review is required by law.

Sec. 18. Minnesota Statutes 1994, section 14.22, subdivision 1, is amended to read:

Subdivision 1. [CONTENTS.] Unless an agency proceeds directly to a public hearing on a proposed rule and gives the notice prescribed in section 14.14, subdivision 1a, the agency shall give notice of its intention to adopt a rule without public hearing. The notice shall be given by publication in the State Register and by United States mail to persons who have registered their names with the agency pursuant to section 14.14, subdivision 1a. The mailed notice shall include either a copy of the proposed rule or a description of the nature and effect of the proposed rule and an announcement that a free copy of the proposed rule is available on request from the agency. Each agency may, at its own discretion, also contact persons not on its list who may be affected by the rule being proposed. In addition, each agency shall make reasonable efforts to notify persons or classes of persons who may be affected by the rule by giving notice of its intention in newsletters, newspapers, or other publications, or through other means of communication. The notice in the State Register shall include the proposed rule or the amended rule in the form required by the revisor under section 14.07, ~~and~~ a citation to the most specific statutory authority for the proposed rule, a statement that persons may register with the agency for the purpose of receiving notice of rule proceedings and notice that a rule has been submitted to the chief administrative law judge, and other information as required by law or rule. When an entire rule is proposed to be repealed, the notice need only state that fact, giving the citation to the rule to be repealed in the notice. The notice shall include a statement advising the public:

(1) that they have 30 days in which to submit comment in support of or in opposition to the proposed rule and that comment is encouraged;

(2) that each comment should identify the portion of the proposed rule addressed, the reason for the comment, and any change proposed;

(3) that if 25 or more persons submit a written request for a public hearing within the 30-day comment period, a public hearing will be held;

(4) of the manner in which persons shall request a public hearing on the proposed rule;

(6) that the proposed rule may be modified if the modifications are supported by the data and views submitted; and

(7) that if a hearing is not required, notice of the date of submission of the proposed rule to the attorney general chief administrative law judge for review will be mailed to any person requesting to receive the notice.

In connection with the statements required in clauses (1) and (3), the notice must also include the date on which the 30-day comment period ends.

Sec. 19. Minnesota Statutes 1994, section 14.23, is amended to read:

14.23 [STATEMENT OF NEED AND REASONABLENESS.]

Before the date of the section 14.22 notice, the agency shall prepare a statement of need and reasonableness which shall be available to the public. The statement of need and reasonableness must include the analysis required in section 14.131 and the comments and recommendations of the commissioner of finance, and must address any fiscal and policy concerns raised during the review process, as required by section 16A.1285. The statement must also describe the agency's efforts to provide additional notification to persons or classes of persons who may be affected by the proposed rules or must explain why these efforts were not made. For at least 30 days following the notice, the agency shall afford all interested persons the public an opportunity to request a public hearing and to submit data and views on the proposed rule in writing.

The agency shall send a copy of the statement of need and reasonableness to the legislative commission to review administrative rules when it becomes available to the public.

Sec. 20. Minnesota Statutes 1994, section 14.24, is amended to read:

14.24 [MODIFICATIONS OF PROPOSED RULE.]

The proposed rule may be modified if the modifications are supported by the data and views submitted to the agency and do not result in a substantial change substantially different rule, as determined under section 14.05, subdivision 2, from the rule as originally proposed. An agency may adopt a substantially different rule after satisfying the rule requirements for the adoption of a substantially different rule.

Sec. 21. Minnesota Statutes 1994, section 14.25, is amended to read:

14.25 [PUBLIC HEARING REQUIRED.]

Subdivision 1. [REQUESTS FOR HEARING.] If, during the 30-day period allowed for comment, 25 or more persons submit to the agency a written request for a public hearing of the proposed rule, the agency shall proceed under the provisions of sections 14.14 to 14.20. The written request must include: (1) the name and address of the person requesting the public hearing; and (2) the portion or portions of the rule to which the person objects or a statement that the person opposes the entire rule. A notice of the public hearing must be published in the State Register and mailed to those persons who submitted a written request for the public hearing. Unless the agency has modified the proposed rule, the notice need not include the text of the proposed rule but only a citation to the State Register pages where the text appears.

A written request for a public hearing that does not comply with the requirements of this section is invalid and must not be counted by the agency for purposes of determining whether a public hearing must be held.

Subd. 2. [WITHDRAWAL OF HEARING REQUESTS.] If a request for a public hearing has been withdrawn, the agency must give written notice of that fact to all persons who have requested the public hearing. The notice must explain why the request is being withdrawn, and must include a description of any action the agency has taken or will take that affected or may have affected the decision to withdraw the request. The notice must also invite persons to submit written comments to the agency relating to the withdrawal. The notice and any written comments received by the agency is part of the rulemaking record submitted to the administrative law judge under section 14.14 or 14.26. Sec. 22. Minnesota Statutes 1994, section 14.26, is amended to read:

14.26 [ADOPTION OF PROPOSED RULE; SUBMISSION TO ATTORNEY GENERAL ADMINISTRATIVE LAW JUDGE.]

Subdivision 1. [SUBMISSION.] If no hearing is required, the agency shall submit to the ~~attorney general~~ an administrative law judge assigned by the chief administrative law judge the proposed rule and notice as published, the rule as proposed for adoption, any written comments received by the agency, and a statement of need and reasonableness for the rule. The agency shall give notice to all persons who requested to be informed that these materials have been submitted to the ~~attorney general~~ administrative law judge. This notice shall be given on the same day that the record is submitted. If the proposed rule has been modified, the notice shall state that fact, and shall state that a free copy of the proposed rule, as modified, is available upon request from the agency. The rule and these materials shall be submitted to the ~~attorney general~~ administrative law judge within 180 days of the day that the comment period for the rule is over or the rule is automatically withdrawn. The agency shall report its failure to adopt the rules and the reasons for that failure to the legislative commission to review administrative rules, other appropriate legislative committees, and the governor.

Subd. 2. [RESUBMISSION.] Even if the 180-day period expires while the ~~attorney general~~ administrative law judge reviews the rule, if the ~~attorney general~~ administrative law judge rejects the rule, the agency may resubmit it after taking corrective action. The resubmission must occur within 30 days of when the agency receives written notice of the disapproval. If the rule is again disapproved, the rule is withdrawn. An agency may resubmit at any time before the expiration of the 180-day period. If the agency withholds some of the proposed rule, it may not adopt the withheld portion without again following the procedures of sections 14.14 to 14.28, ~~or 14.29 to 14.36.~~

Subd. 3. [REVIEW.] (a) The ~~attorney general~~ administrative law judge shall, within 14 days, approve or disapprove the rule as to its legality and its form to the extent the form relates to legality, including the ~~issue~~ issues of substantial change whether the rule if modified is substantially different, as determined under section 14.05, subdivision 2, from the rule as originally proposed, and determine whether the agency has the authority to adopt the rule, and whether the record demonstrates a rational basis for the need for and reasonableness of the proposed rule within 14 days. If the rule is approved, the ~~attorney general~~ administrative law judge shall promptly file two copies of it in the office of the secretary of state. The secretary of state shall forward one copy of each rule to the revisor of statutes. If the rule is disapproved, the ~~attorney general~~ administrative law judge shall state in writing the reasons and make recommendations to ~~overcome the deficiencies, and defects.~~

(b) The written disapproval must be submitted to the chief administrative law judge for approval. If the chief administrative law judge approves of the findings of the administrative law judge, the chief administrative law judge shall send the statement of the reasons for disapproval of the rule to the agency, the legislative commission to review administrative rules, and the revisor of statutes and advise the agency and the revisor of statutes of actions that will correct the defects. ~~The rule shall not be filed in the office of the secretary of state, nor published until the deficiencies~~ chief administrative law judge determines that the defects have been ~~overcome~~ corrected or, if applicable, that the agency has satisfied the rule requirements for the adoption of a substantially different rule. ~~The attorney general shall send a statement of reasons for disapproval of the rule to the agency, the chief administrative law judge, the legislative commission to review administrative rules, and to the revisor of statutes.~~

(c) If the chief administrative law judge determines that the need for or reasonableness of the rule has not been established, and if the agency does not elect to follow the suggested actions of the chief administrative law judge to correct that defect, then the agency shall submit the proposed rule to the legislative commission to review administrative rules for the commission's advice and comment. The agency shall not adopt the rule until it has received and considered the advice of the commission. However, the agency is not required to wait for the commission's advice for more than 60 days after the commission has received the agency's submission.

(d) The ~~attorney general~~ administrative law judge shall disregard any error or defect in the proceeding due to the agency's failure to satisfy any procedural requirements imposed by law or rule if the ~~attorney general~~ administrative law judge finds:

(1) that the failure did not deprive any person or entity of an opportunity to participate meaningfully in the rulemaking process; or

(2) that the agency has taken corrective action to cure the error or defect so that the failure did not deprive any person or entity of an opportunity to participate meaningfully in the rulemaking process.

Subd. 4. [COSTS.] The ~~attorney-general~~ office of administrative hearings shall assess an agency for the actual cost of processing rules under this section. ~~The agency shall pay the attorney general's assessments using the procedures of section 8.15.~~ Each agency shall include in its budget money to pay the ~~attorney-general's~~ assessment. (2) that the commissioner has taken corrective action to cure the error or defect so that the failure did not deprive any person or entity of an opportunity to participate meaningfully in the rulemaking process.

Subd. 3. [COSTS.] The attorney general shall assess the commissioner for the actual cost of processing rules under this section. The commissioner shall include in the department's budget money to pay the attorney general's assessment. Receipts from the assessment must be deposited in the state treasury and credited to the general fund.

The emergency rule takes effect five working days after approval by the attorney general. The attorney general shall file two copies of the approved emergency rule with the secretary of state. The secretary of state shall forward one copy of each approved and filed emergency rule to the revisor of statutes. Failure of the attorney general to approve or disapprove a proposed emergency rule within ten working days is approval.

Sec. 41. [97A.0457] [PUBLICATION OF APPROVAL.]

As soon as practicable, notice of the attorney general's decision must be published in the State Register and the adopted rule must be published in the manner as provided for adopted rules in section 14.18.

The continuation is not effective until these notices have been mailed. No emergency rule may remain in effect on a date 361 days after its original effective date. The emergency rules may not be continued in effect after 360 days without following the procedure of sections 14.14 to 14.28.

Sec. 43. [97A.0459] [APPROVAL OF FORM OF EMERGENCY RULE.]

(c) \$78,000 is appropriated from the general fund to the legislative commission to review administrative rules for fiscal year 1996.

Sec. 45. [TRANSFER OF RULE REVIEW AUTHORITY.]

(a) The rule review duties of the office of the attorney general are transferred to the office of administrative hearings on January 1, 1996. Minnesota Statutes, section 15.039, does not apply to this transfer.

(b) Proposed rules for which a notice under Minnesota Statutes, section 14.22 or 14.30, has been published in the State Register before January 1, 1996, shall continue to be reviewed by the attorney general under the rule review authority transferred by this act and are governed by Minnesota Statutes 1994, chapter 14, and Minnesota Rules, chapter 2010.

(c) Except as otherwise provided in paragraph (b), Minnesota Rules, chapter 2010, shall be enforced by the office of administrative hearings until it is amended or repealed by that office.

Sec. 46. [REVISOR INSTRUCTION.]

The revisor of statutes shall correct or remove the references in Minnesota Statutes and Minnesota Rules to the statutory sections repealed in this act.

The revisor of statutes shall change the terms "office of attorney general," "attorney general," or similar terms to "office of administrative hearings," "chief administrative law judge," "administrative law judge," or similar terms in Minnesota Rules, chapter 2010, to reflect the intent of the legislature to transfer the attorney general's rule review functions in the manner provided in this act.

Sec. 47. [REPEALER.]

"Sec. 10. [WORKER PROVISIONS.]

Subdivision 1. [LEGISLATIVE FINDINGS.] The legislature finds that the reorganization of state agencies, including the abolishment of agencies or their functions and the merger of agency functions to the extent possible, makes the best use of affected agency employees and improves the direct service capabilities of state employees to provide public services to citizens of the state and to customers of the agency. To assure that quality services are delivered to citizens of Minnesota, appointing authorities shall comply with this section.

Subd. 2. [RESTRUCTURING PROVISIONS.] The restructuring of agencies required by this act must be conducted in accordance with Minnesota Statutes, sections 15.039 and 43A.045.

Subd. 3. [WORKER PARTICIPATION COMMITTEES.] (a) After the commissioner-designate of children, families, and learning has been appointed, before the restructuring of executive branch agencies under this act, a labor and management committee including representatives of employees and employers must be established and given adequate time to perform the activities prescribed by paragraph (b). Each exclusive representative of employees shall select a committee member from each of its bargaining units in each affected agency. The head of each agency shall select an employee member from each unit of employees not represented by an exclusive representative. The agency head shall also appoint one or more committee members to represent the agency. The number of members appointed by the agency head, however, may not exceed the total number of members selected by exclusive representatives. The labor and management committee must be participatory and nonauthoritarian. Exclusive representatives must be directly involved in the work of the committee.

(b) The committee established under paragraph (a) shall:

(1) in cooperation with the commissioner of education and the commissioner-designate, review and reevaluate the powers and duties of the department of education and identify those that are consistent with the purpose and goals of the department of children, families, and learning;

(2) identify tasks related to agency reorganization and adopt plans for addressing those tasks;

(3) identify other employer and employee issues related to reorganization and adopt plans for addressing those issues;

(4) adopt plans for implementing this act, including detailed plans for providing retraining for affected employees; and

(5) guide the implementation of the reorganization.

Subd. 4. [EMPLOYEE JOB SECURITY.] The head of an agency that is scheduled to be restructured shall meet and negotiate with the exclusive representatives of affected employees of the agency in the event that employees are at risk of being laid off due to restructuring or significant change in the activities of the agency. Bargaining under this subdivision must have as its purpose the achievement of the highest possible degree of public service delivery to the citizens of Minnesota and the provision of appropriate incentives to state employees. Incentives may include, but are not limited to, early retirement incentives, negotiated options in place of layoff, methods to mitigate layoffs and the effect of layoffs, job training and retraining opportunities, and enhanced severance.

Subd. 5. [EMPLOYEE TRAINING AND RETRAINING.] The legislature recognizes that a well-trained and well-educated work force is needed to provide effective and efficient public service delivery and that training and retraining of state employees is a priority when merger and reorganization of state agencies occur. The labor and management committee required by subdivision 3 shall determine the employee training and retraining required because of agency reorganization. Employees whose job duties are affected by reorganization must be given the opportunity to take part in training or retraining for the new job duties. Existing employees must be trained or retrained for agency positions before new hiring takes place.

Sec. 11. [APPOINTMENT; TRANSFERS OF EDUCATION FUNCTIONS.]

By July 1, 1995, the governor shall appoint a commissioner-designate of the department of children, families, and learning. The person appointed becomes the governor's appointee as commissioner on the effective date of Minnesota Statutes, sections 119A.01, subdivision 2, and 119A.03. The commissioner-designee, in cooperation with the commissioner of education, shall review and reevaluate the powers and duties of the department of education and identify those that are consistent with the purpose and goals of the department of children, families, and learning. The functions identified by the commissioner-designate are transferred to the department of children, families, and learning under Minnesota Statutes, section 15.039, effective October 1, 1995."

Sec. 7. [260A.01] [TRUANCY PROGRAMS AND SERVICES.]

The programs in this chapter are designed to provide a continuum of intervention and services

to support families and children in keeping children in school and combating truancy and educational neglect. School districts, county attorneys, and law enforcement may establish the programs and coordinate them with other community-based truancy services in order to provide the necessary and most effective intervention for children and their families. This continuum of intervention and services involves progressively intrusive intervention, beginning with strong service-oriented efforts at the school and community level and involving the court's authority only when necessary.

Subdivision 1. [SCOPE.] The definition in this section applies to this chapter.

Subd. 2. [CONTINUING TRUANT.] "Continuing truant" means a child who is subject to the compulsory instruction requirements of section 120.101 and is absent from instruction in a school, as defined in section 120.05, without valid excuse within a single school year for:

(2) four or more class periods on three days if the child is in middle school, junior high school, or high school.

Nothing in this section shall prevent a school district from notifying a truant child's parent or legal guardian of the child's truancy or otherwise addressing a child's attendance problems prior to the child becoming a continuing truant.

**Sec. 9. [260A.03] [NOTICE TO PARENT OR GUARDIAN WHEN CHILD IS A CONTINUING TRUANT.]**

Upon a child's initial classification as a continuing truant, the school attendance officer or other designated school official shall notify the child's parent or legal guardian, by first-class mail or other reasonable means, of the following:

(1) that the child is truant;

(2) that the parent or guardian should notify the school if there is a valid excuse for the child's absences;

(3) that the parent or guardian is obligated to compel the attendance of the child at school pursuant to section 120.101 and parents or guardians who fail to meet this obligation may be subject to prosecution under section 127.20;

(4) that this notification serves as the notification required by section 127.20;

(5) that alternative educational programs and services may be available in the district;

(6) that the parent or guardian has the right to meet with appropriate school personnel to discuss solutions to the child's truancy;

(7) that if the child continues to be truant, the parent and child may be subject to juvenile court proceedings under chapter 260;

(8) that if the child is subject to juvenile court proceedings, the child may be subject to suspension, restriction, or delay of the child's driving privilege pursuant to section 260.191; and

(2) referral to other community-based services for the child and family, such as individual or family counseling, educational testing, psychological evaluations, tutoring, mentoring, and mediation;

Sec. 11. [260A.05] [COUNTY ATTORNEY TRUANCY MEDIATION PROGRAM.]

Subdivision 1. [ESTABLISHMENT; REFERRALS.] A county attorney may establish a truancy mediation program for the purpose of resolving truancy problems without court action. A

Subd. 2. [MEETING; NOTICE.] The county attorney may request the parent or legal guardian and the child referred under subdivision 1 to attend a meeting in the county attorney's office to discuss the possible legal consequences of the minor's truancy. The notice of the meeting must be served personally or by certified mail at least five days before the meeting on each person required to attend the meeting. The notice must include:

After the meeting the county attorney may file a petition or issue a citation under chapter 260 if the county attorney determines that available community resources cannot resolve the truancy problem, or if the student or the parent or guardian fail to cooperate or respond to services provided or to the directives of the school or the county attorney.

Grants must be awarded for the implementation of programs in the 1995-96 school year. At minimum, each applicant group must have a plan for implementing an early intervention truancy program at the school district or building level, as well as a county attorney truancy mediation program under section 11.

Subd. 4. [EVALUATION.] The attorney general shall make a preliminary report on the effectiveness of the pilot programs as part of its 1996 annual report under article 2, section 1, and a final report as part of its 1997 annual report under article 2, section 1.

Section 1. [8.36] [ANNUAL REPORT ON SCHOOL SAFETY.]

On or before January 15 of each year, the attorney general shall prepare a report on safety in secondary and post-secondary schools. The report must include an assessment and evaluation of the impact of existing laws and programs on school safety and antiviolenace and include recommendations for changes in law or policy that would increase the safety of schools and curb violence. The report must be submitted to the chairs of the senate and house of representatives committees with jurisdiction over education and crime issues.

Sec. 2. Minnesota Statutes 1994, section 120.73, is amended by adding a subdivision to read:

Subd. 2b. [SCHOOL UNIFORMS.] Notwithstanding section 120.74, a school board may require students to furnish or purchase clothing that constitutes a school uniform if the board has adopted a uniform requirement or program for the student's school. In adopting a uniform requirement, the board shall promote student, staff, parent, and community involvement in the program and account for the financial ability of students to purchase uniforms.

Sec. 3. [123.953] [SCHOOL DISTRICT EMPLOYEES; BACKGROUND CHECKS.]

Subdivision 1. [BACKGROUND CHECK REQUIRED.] A school district shall request a criminal history background check from the superintendent of the bureau of criminal apprehension on all individuals who are offered employment in the school district. In order to be eligible for employment, an individual who is offered employment must provide an executed criminal history consent form and a money order or cashier's check payable to the bureau of criminal apprehension for the fee for conducting the criminal history background check. A school district may charge a person offered employment an additional fee of up to \$2 to cover the school district's costs under this section. The superintendent shall perform the background check by retrieving criminal history data maintained in the criminal justice information system computers.

Subd. 2. [CONDITIONAL HIRING; DISCHARGE.] A school district may hire an individual pending completion of a background check under subdivision 1 but shall notify the individual that the individual's employment may be terminated based on the result of the background check. A school district is not liable for failing to hire or for terminating an individual's employment based on the result of a background check under this section.

Sec. 4. Minnesota Statutes 1994, section 125.05, is amended by adding a subdivision to read:

Subd. 8. [BACKGROUND CHECKS.] (a) The board of teaching and the state board of education shall request a criminal history background check from the superintendent of the bureau of criminal apprehension on all applicants for initial licenses under their jurisdiction. (b) The superintendent of the bureau of criminal apprehension shall perform the background check required under paragraph (a) by retrieving criminal history data maintained in the criminal justice information system computers and shall also conduct a search of the national criminal records repository, including the criminal justice data communications network. The superintendent is authorized to exchange fingerprints with the Federal Bureau of Investigation for purposes of the criminal history check. The superintendent shall recover the cost to the bureau of a background check through the fee charged to the applicant under paragraph (a).

Sec. 5. Minnesota Statutes 1994, section 125.09, subdivision 1, is amended to read:

Subdivision 1. [GROUNDS FOR REVOCATION, SUSPENSION, OR DENIAL.] The board of teaching or the state board of education, whichever has jurisdiction over a teacher's licensure, may, on the written complaint of the school board employing a teacher, ~~or of a teacher organization, or of any other interested person,~~ which complaint shall specify the nature and character of the charges, refuse to issue, refuse to renew, suspend, or revoke such a teacher's license to teach for any of the following causes:

- (1) Immoral character or conduct;
- (2) Failure, without justifiable cause, to teach for the term of the teacher's contract;
- (3) Gross inefficiency or willful neglect of duty; or
- (4) Failure to meet licensure requirements; or
- (5) Fraud or misrepresentation in obtaining a license.

For purposes of this subdivision, the board of teaching is delegated the authority to suspend or revoke coaching licenses under the jurisdiction of the state board of education.

Sec. 6. [127.282] [EXPULSION FOR POSSESSION OF FIREARM.]

Notwithstanding the time limitation in section 127.27, subdivision 5, a school board must expel for a period of at least one year a pupil who is determined to have brought a firearm to school except the board may modify this expulsion requirement for a pupil on a case-by-case basis. For the purposes of this section, firearm is as defined in United States Code, title 18, section 921.

Sec. 7. [127.47] [SCHOOL LOCKER POLICY.]

Subdivision 1. [POLICY.] It is the policy of the state of Minnesota that:

"School lockers are the property of the school district. At no time does the school district relinquish its exclusive control of lockers provided for the convenience of students. Inspection of the interior of lockers may be conducted by school authorities for any reason at any time, without notice, without student consent, and without a search warrant. The personal possessions of students within a school locker may be searched only when school authorities have reasonable grounds to suspect that the search will uncover evidence of a violation of law or school rules."

Subd. 2. [DISSEMINATION.] The locker policy must be disseminated to parents and students in the way that other policies of general application to students are disseminated. A copy of the policy must be provided to a student the first time after the policy is effective that the student is given the use of a locker.

Sec. 8. Minnesota Statutes 1994, section 260.161, subdivision 3, is amended to read:

Subd. 3. [PEACE OFFICER RECORDS OF CHILDREN.] (a) Except for records relating to an offense where proceedings are public under section 260.155, subdivision 1, peace officers' records of children who are or may be delinquent or who may be engaged in criminal acts shall be kept

separate from records of persons 18 years of age or older and are private data but shall be disseminated: (1) by order of the juvenile court, (2) as required by section 126.036, (3) as authorized under section 13.82, subdivision 2, (4) to the child or the child's parent or guardian unless disclosure of a record would interfere with an ongoing investigation, or (5) as otherwise provided in this subdivision. Except as provided in paragraph (c), no photographs of a child taken into custody may be taken without the consent of the juvenile court unless the child is alleged to have violated section 169.121 or 169.129. Peace officers' records containing data about children who are victims of crimes or witnesses to crimes must be administered consistent with section 13.82, subdivisions 2, 3, 4, and 10. Any person violating any of the provisions of this subdivision shall be guilty of a misdemeanor.

In the case of computerized records maintained about juveniles by peace officers, the requirement of this subdivision that records about juveniles must be kept separate from adult records does not mean that a law enforcement agency must keep its records concerning juveniles on a separate computer system. Law enforcement agencies may keep juvenile records on the same computer as adult records and may use a common index to access both juvenile and adult records so long as the agency has in place procedures that keep juvenile records in a separate place in computer storage and that comply with the special data retention and other requirements associated with protecting data on juveniles.

(b) Nothing in this subdivision prohibits the exchange of information by law enforcement agencies if the exchanged information is pertinent and necessary to the requesting agency in initiating, furthering, or completing a criminal investigation.

(c) A photograph may be taken of a child taken into custody pursuant to section 260.165, subdivision 1, clause (b), provided that the photograph must be destroyed when the child reaches the age of 19 years. The commissioner of corrections may photograph juveniles whose legal custody is transferred to the commissioner. Photographs of juveniles authorized by this paragraph may be used only for institution management purposes, case supervision by parole agents, and to assist law enforcement agencies to apprehend juvenile offenders. The commissioner shall maintain photographs of juveniles in the same manner as juvenile court records and names under this section.

(d) Traffic investigation reports are open to inspection by a person who has sustained physical harm or economic loss as a result of the traffic accident. Identifying information on juveniles who are parties to traffic accidents may be disclosed as authorized under section 13.82, subdivision 4, and accident reports required under section 169.09 may be released under section 169.09, subdivision 13, unless the information would identify a juvenile who was taken into custody or who is suspected of committing an offense that would be a crime if committed by an adult, or would associate a juvenile with the offense, and the offense is not a minor traffic offense under section 260.193.

(e) A law enforcement agency shall notify the principal or chief administrative officer of a juvenile's school of an incident occurring within the agency's jurisdiction if:

(1) the agency has probable cause to believe that the juvenile has committed an offense that would be a crime if committed as an adult, that the victim of the offense is a student or staff member of the school, and that notice to the school is reasonably necessary for the protection of the victim; or

(2) the agency has probable cause to believe that the juvenile has committed an offense described in subdivision 1b, paragraph (a), clauses (1) to (3), that would be a crime if committed by an adult, regardless of whether the victim is a student or staff member of the school.

A law enforcement agency is not required to notify the school under this paragraph if the agency determines that notice would jeopardize an ongoing investigation. Notwithstanding section 138.17, data from a notice received from a law enforcement agency under this paragraph must be destroyed when the juvenile graduates from the school or at the end of the academic year when the juvenile reaches age 23, whichever date is earlier. For purposes of this paragraph, "school" means a public or private elementary, middle, or secondary school.

(f) In any county in which the county attorney operates or authorizes the operation of a juvenile

prepetition or pretrial diversion program, a law enforcement agency or county attorney's office may provide the juvenile diversion program with data concerning a juvenile who is a participant in or is being considered for participation in the program.

(g) Upon request of a local social service agency, peace officer records of children who are or may be delinquent or who may be engaged in criminal acts may be disseminated to the agency to promote the best interests of the subject of the data.

Sec. 9. Minnesota Statutes 1994, section 260.315, is amended to read:

260.315 [CONTRIBUTING TO NEED FOR PROTECTION OR SERVICES OR DELINQUENCY; PARENT'S DUTY TO EXERCISE CONTROL.]

(a) Any person who by act, word, or omission encourages, causes, or contributes to the need for protection or services or delinquency of a child, or to a child's status as a juvenile petty offender, is guilty of a misdemeanor. This section does not apply to licensed social service agencies and outreach workers who, while acting within the scope of their professional duties, provide services to runaway children.

(b) A parent or legal guardian to any person under the age of 18 years has the duty to exercise reasonable care, supervision, protection, and control over the minor child. This duty requires a good faith effort by a parent or legal guardian to exercise this care, supervision, protection, and control. A parent or legal guardian grossly negligent in carrying out this duty is guilty of a misdemeanor.

Sec. 10. Minnesota Statutes 1994, section 364.09, is amended to read:

364.09 [EXCEPTIONS.]

(a) This chapter does not apply to the licensing process for peace officers; to law enforcement agencies as defined in section 626.84, subdivision 1, paragraph (h); to fire protection agencies; to eligibility for a private detective or protective agent license; to eligibility for a family day care license, a family foster care license, or a home care provider license; to eligibility for school bus driver endorsements; or to eligibility for special transportation service endorsements. This chapter also shall not apply to eligibility for a license issued or renewed by the board of teaching or state board of education or to eligibility for juvenile corrections employment, where the offense involved child physical or sexual abuse or criminal sexual conduct.

(b) This chapter does not apply to a school district or to eligibility for a license issued or renewed by the board of teaching or the state board of education.

(c) Nothing in this section precludes the Minnesota police and peace officers training board or the state fire marshal from recommending policies set forth in this chapter to the attorney general for adoption in the attorney general's discretion to apply to law enforcement or fire protection agencies.

Sec. 11. Minnesota Statutes 1994, section 466.03, is amended by adding a subdivision to read:

Subd. 18. [SCHOOL BUILDING SECURITY.] Any claim based on injury arising out of a decision by a school or school district to obtain a fire code variance for purposes of school building security, if the decision was made in good faith and in accordance with applicable law governing variances.

Sec. 12. Minnesota Statutes 1994, section 609.605, subdivision 4, is amended to read:

Subd. 4. [TRESPASSES ON SCHOOL PROPERTY.] (a) It is a misdemeanor for a person to enter or be found in a public or nonpublic elementary, middle, or secondary school building unless the person:

(1) is an enrolled student in, a parent or guardian of an enrolled student in, or an employee of the school or school district;

(2) has permission or an invitation from a school official to be in the building;

(3) is attending a school event, class, or meeting to which the person, the public, or a student's family is invited; or

(4) has reported the person's presence in the school building in the manner required for visitors to the school.

(b) It is a gross misdemeanor for a group of three or more persons to enter or be found in a public or nonpublic elementary, middle, or secondary school building unless one of the persons:

(1) is an enrolled student in, a parent or guardian of an enrolled student in, or an employee of the school or school district;

(2) has permission or an invitation from a school official to be in the building;

(3) is attending a school event, class, or meeting to which the person, the public, or a student's family is invited; or

(4) has reported the person's presence in the school building in the manner required for visitors to the school.

(c) It is a misdemeanor for a person to enter or be found on school property within six months after being told by the school principal or the principal's designee to leave the property and not to return, unless the principal or the principal's designee has given the person permission to return to the property. As used in this paragraph, "school property" has the meaning given in section 152.01, subdivision 14a, clauses (1) and (3).

(d) A school principal or a school employee designated by the school principal to maintain order on school property, who has reasonable cause to believe that a person is violating this subdivision may detain the person in a reasonable manner for a reasonable period of time pending the arrival of a peace officer. A school principal or designated school employee is not civilly or criminally liable for any action authorized under this paragraph if the person's action is based on reasonable cause.

(e) A peace officer may arrest a person without a warrant if the officer has probable cause to believe the person violated this subdivision within the preceding four hours. The arrest may be made even though the violation did not occur in the peace officer's presence.

(f) A company may not invest more than 25 percent of its total admitted assets in real estate. The cost of any parcel of real estate held for both the accommodation of business and for the production of income must be allocated between the two uses annually. No more than ten percent of a company's total admitted assets may be invested in real estate held under paragraph (b). No more than 15 percent of a company's total admitted assets may be invested in real estate held under paragraph (c). No more than three percent of its total admitted assets may be invested in real estate held under paragraph (e). An inmate of an adult correctional facility under the control of the commissioner is subject to actions for the enforcement of support obligations and reimbursement of any public assistance rendered the dependent family and relatives. The commissioner may conditionally release an inmate who is a party to an action under this subdivision and provide for the inmate's detention in a local detention facility convenient to the place of the hearing when the inmate is not engaged in preparation and defense.

Upon a finding by the court that the action is not of a frivolous nature, the court shall allow the person to proceed in forma pauperis if the affidavit is substantially in the language required by this subdivision and is not found by the court to be untrue. Persons meeting the requirements of this subdivision include, but are not limited to, a person who is receiving public assistance, who is represented by an attorney on behalf of a civil legal services program or a volunteer attorney program based on indigency, or who has an annual income not greater than 125 percent of the poverty line established under United States Code, title 42, section 9902(2), except as otherwise provided by section 563.02.

Sec. 5. [563.02] [INMATE LIABILITY FOR FEES AND COSTS.]

Subdivision 1. [DEFINITION.] For purposes of this section, "inmate" means a person convicted of a felony who is committed to the custody of the commissioner of corrections and is:

- (1) confined in a state correctional facility; or
- (2) released from a state correctional facility under section 244.065 or 244.07.

Subd. 2. [INMATE REQUEST TO PROCEED IN FORMA PAUPERIS.] (a) An inmate who wishes to commence a civil action by proceeding in forma pauperis must meet the following requirements, in addition to the requirements of section 563.01, subdivision 3:

(2) include the following information in an affidavit submitted under section 563.01:

(i) a statement that the inmate's claim is not substantially similar to a previous claim brought by the inmate against the same party and arising from the same operative facts;

(ii) complete information on the inmate's identity, the nature and amount of the inmate's income, spouse's income, if available to the inmate, real property owned by the inmate, and the inmate's bank accounts, debts, monthly expenses, and number of dependents; and

(iii) the most recent monthly statement provided by the commissioner of corrections showing the balance in the inmate's inmate account.

The inmate shall also attach a written authorization for the court to obtain at any time during pendency of the present action, without further authorization from the inmate, a current statement of the inmate's inmate account balance, if needed to determine eligibility to proceed with bringing a civil action in forma pauperis. An inmate who has no funds in an inmate account satisfies the requirement of section 563.01, subdivision 3, clause (c).

(b) An inmate who seeks to proceed as a plaintiff in forma pauperis and who is not represented by counsel must file with the court the affidavit under this section and the complaint in the action before serving the complaint on an opposing party.

(c) An inmate who has funds in an inmate account may only proceed as a plaintiff in a civil action by paying the lesser of:

(ii) 50 percent of the balance shown in the inmate's account according to the statement filed with the court under this subdivision, consistent with the requirements of section 243.23, subdivision 3.

If an inmate elects to proceed under this paragraph, the court shall notify the commissioner of corrections to withdraw from the inmate's inmate account the amount required under this paragraph and forward it to the court administrator in the county where the action was

commenced. The court shall also notify the commissioner of corrections of the amount of the filing fee remaining unpaid. The commissioner shall continue making withdrawals from the inmate's account and forwarding the amounts withdrawn to the court administrator at intervals as the applicable funds in the inmate's account equal at least \$10, until the entire filing fee and any costs have been paid in full.

Subd. 3. [DISMISSAL OF ACTION.] (a) The court may, as provided by this subdivision, dismiss, in whole or in part, an action in which an affidavit has been filed under section 563.01 by an inmate seeking to proceed as a plaintiff. The action shall be dismissed without prejudice on a finding that the allegation of financial inability to pay fees, costs, and security for costs is false. The action shall be dismissed with prejudice if it is frivolous or malicious. In determining whether an action is frivolous or malicious, the court may consider whether:

- (1) the claim has no arguable basis in law or fact; or
- (2) the claim is substantially similar to a previous claim that was brought against the same party and arises from the same operative facts.

An order dismissing the action or specific claims asserted in the action may be entered before or after service of process, and with or without holding a hearing.

If the court dismisses a specific claim in the action, it shall designate any issue and defendant on which the action is to proceed without the payment of fees and costs. An order under this subdivision is not subject to interlocutory appeal.

(b) To determine whether the allegation of financial inability to pay fees, costs, and security for costs is false or whether the claim is frivolous or malicious, the court may:

- (1) request the commissioner of corrections to file a report under oath responding to the issues described in paragraph (a), clause (1) or (2);
- (2) order the commissioner of corrections to furnish information on the balance in the inmate's inmate account, if authorized by the inmate under subdivision 2; or
- (3) hold a hearing at the correctional facility where the inmate is confined on the issue of whether the allegation of financial inability to pay is false, or whether the claim is frivolous, or malicious.

Subd. 4. [DEFENSE WITHOUT FEES OR COSTS.] A natural person who is named as a defendant in a civil action brought by an inmate may appear and defend the action, including any appeal in the action, without prepayment of the filing fee. If the natural person prevails in the action, the inmate is liable for the person's fees and costs, including reasonable attorney fees."

(b) "New construction" means new buildings and structures and includes new buildings and structures that are constructed as additions to existing buildings and structures.

Subd. 2. [SCOPE OF EXEMPTION.] A portion of the market value of qualified property is exempt from taxation for a period of up to five years. If property ceases to be qualified property at any time during that period, the full amount of the market value of the property will be subject to taxation beginning with the first assessment year after the property ceases to be qualified property. Subd. 3. [APPLICATIONS.] The owner of property for which an exemption is sought under this section shall file an application with the assessor by January 2 of the assessment year following substantial completion of the new construction. The commissioner of revenue shall provide forms for the application, which must require the information necessary to determine whether property is eligible for the exemption."

The commissioner shall publish quarterly the names and locations of the facilities for which a report has been submitted under section 7, subdivision 2, and, if a performance schedule has been submitted, the proposed time period for completing performance.

#### Sec. 10. [ENFORCEMENT.]

Subdivision 1. [DEFERRED ENFORCEMENT.] The state must defer for at least 90 days any action to enforce an environmental requirement against the owner or operator of a facility if a report that meets the requirements of section 7, subdivision 2, has been submitted to the commissioner. If the report includes a performance schedule, and the performance schedule is approved under section 8, the state must defer enforcement for the term of the approved performance schedule unless the facility fails to meet an interim performance date contained in the schedule.

Subd. 2. [PENALTIES WAIVED.] (a) If, within 90 days after the report required in section 7, subdivision 2, is received by the commissioner or within the time specified in an approved performance schedule, the owner or operator of a facility corrects the violations identified in the audit or self-evaluation and certifies to the commissioner that the violations have been corrected:

- (1) the state may not impose any administrative, civil, or criminal penalties against the owner or operator of the facility for the reported violations; and
- (2) the petroleum tank release compensation board may not reduce the amount of reimbursement under Minnesota Statutes, section 115C.09, subdivision 3, based on the reported violations, except as provided in paragraph (b).

(b) The petroleum tank release compensation board may reduce the amount of reimbursement under Minnesota Statutes, section 115C.09, subdivision 3, based on violations identified in an environmental audit or self-evaluation that the commissioner determines contributed to a release.

Subd. 3. [EXCEPTIONS.] Notwithstanding subdivisions 1 and 2, the state may at any time bring:

(1) a criminal enforcement action against any person who commits a knowing violation under Minnesota Statutes, section 609.671;

(2) a civil enforcement action, which may include a penalty, under Minnesota Statutes, section 115.071 or 116.072, against the owner or operator of a facility if:

- (i) less than one year has elapsed since the final resolution of a notice of violation, an

administrative penalty order, or a civil or criminal lawsuit that resulted in an enforcement action being taken against the owner or operator of a facility for a violation of a requirement that was also shown as having been violated in the report required under section 7, subdivision 2; or

(ii) a violation caused serious harm to public health or the environment; or

(3) an action against the owner or operator of a facility to enjoin an imminent and substantial threat of serious harm to public health or the environment.

Subd. 4. [GOOD FAITH CONSIDERATION.] If the state finds that one of the conditions in subdivision 3 exists, the state must take into account the good faith efforts of the regulated entity to comply with environmental requirements in deciding whether to pursue an enforcement action, whether an enforcement action should be civil or criminal, and what, if any, penalty should be imposed. In determining whether the regulated entity has acted in good faith, the state must consider whether:

(1) when noncompliance was discovered, the regulated entity took corrective action that was timely under the circumstances;

(2) the regulated entity exercised reasonable care in attempting to prevent the violations and ensure compliance with environmental requirements;

(3) the noncompliance resulted in significant economic benefit to the regulated entity;

(4) prior to implementing the audit or self-evaluation program the regulated entity had a history of good faith efforts to comply with the environmental requirements; and

(5) the regulated entity demonstrated good faith efforts to achieve compliance since implementing an environmental auditing or self-evaluation program.

Subd. 5. [VIOLATIONS DISCOVERED BY THE STATE.] Nothing in this act precludes the state from taking any enforcement action the state is authorized to take with respect to violations discovered by the state prior to the time a facility has submitted to the commissioner a report that meets the requirements of section 7, subdivision 2.

#### Sec. 11. [GREEN STAR EMBLEM.]

A regulated entity that qualifies for participation in the environmental improvement program under section 7 may display at a facility a "green star" emblem designed by the commissioner if the regulated entity certifies that all violations that were identified in the audit or self-evaluation of the facility were corrected within 90 days or within the time specified in an approved performance schedule or certifies that no violations were identified in the audit or self-evaluation. The emblem may be displayed for a period of two years from the time that the regulated entity submits the certification to the commissioner. A facility that is subject to enforcement under section 9, subdivision 3, may not display the emblem.

#### Sec. 12. [ACCESS TO DOCUMENTS.]

Subdivision 1. [PUBLIC ACCESS.] The state may not request, inspect, or seize any documents relating to an environmental audit or self-evaluation, other than the report required in section 7, subdivision 2, except in accordance with the agency's policy on environmental auditing, as adopted by the agency on January 17, 1995.

Subd. 2. [THIRD-PARTY ACCESS.] After receipt by the commissioner of a report that complies with section 7, subdivision 2, any documents relating to the environmental audit or self-evaluation covered by the report are privileged as to all persons other than the state.

Subd. 3. [NONWAIVER OF PROTECTIONS.] Participation by a regulated entity in the environmental improvement program does not waive, minimize, reduce, or otherwise adversely affect the level of protection or confidentiality that exists, under current or developing common or statutory law, with respect to any other documents relating to an environmental audit or self-evaluation.

**Sec. 13. [REPORTING REQUIRED BY LAW.]**

Nothing in this chapter alters the obligation of any regulated entity to report releases, violations, or other matters that are required to be reported by state or federal law, rule, permit, or enforcement action.

**Sec. 14. [REPORT.]**

The commissioner, in consultation with the attorney general and after solicitation of public comment, shall submit a report to the chairs of the environment and natural resources committees of the senate and the house of representatives by December 31, 1998, that evaluates the effectiveness of the environmental improvement program and includes any recommendations for program changes.

**Sec. 15. [REPEALER.]**

(b) A licensed practitioner that dispenses for profit a legend drug that is to be administered orally, is ordinarily dispensed by a pharmacist, and is not a vaccine, must file with the practitioner's licensing board a statement indicating that the practitioner dispenses legend drugs for profit, the general circumstances under which the practitioner dispenses for profit, and the types of legend drugs generally dispensed. It is unlawful to dispense legend drugs for profit after July 31, 1990, unless the statement has been filed with the appropriate licensing board. For purposes of this paragraph, "profit" means (1) any amount received by the practitioner in excess of the acquisition cost of a legend drug for legend drugs that are purchased in prepackaged form, or (2) any amount received by the practitioner in excess of the acquisition cost of a legend drug plus the cost of making the drug available if the legend drug requires compounding, packaging, or other treatment. The statement filed under this paragraph is public data under section 13.03. This paragraph does not apply to a licensed doctor of veterinary medicine or a registered pharmacist. Any person other than a licensed practitioner with the authority to prescribe, dispense, and administer a legend drug under paragraph (a) shall not dispense for profit. To dispense for profit does not include dispensing by a community health clinic when the profit from dispensing is used to meet operating expenses."

entry of private property by government officials; requiring notice; proposing coding for new law in Minnesota Statutes, chapter 566.

Reports the same back with the recommendation that the bill be amended as follows:

Delete everything after the enacting clause and insert:

"Section 1. [566.001] [PROCEDURES FOR ENTRY OF PROPERTY BY GOVERNMENT OFFICIALS.]

Subdivision 1. [DEFINITIONS.] (a) The definitions in this subdivision apply to this section.

(b) "Government official" means an employee or agent of the state or a political subdivision of the state.

(c) "Official business" means a government official acting within the scope of employment or other authority granted by the state or a political subdivision of the state.

(d) "Owner" means the record owner, the owner's agent, or lawful occupant of private property or, if the property is used for commercial purposes, the owner of a business or place of employment within the property that is the subject of an inspection or investigation. "Owner" includes a manager or other employee who is operating or in charge of a business or place of employment at the time of the inspection or investigation.

(e) "Peace officer" has the meaning given in section 626.84.

(f) "Private property" means a privately-owned building or land.

Subd. 2. [NOTICE AT TIME OF ENTRY.] (a) On or before the time that a government official enters private property on official business, the government official shall give the owner a written or oral notice that includes:

(1) the government official's name and the government agency or entity that the official represents;

(2) the reason for the entry and the specific statutory or legal authority authorizing the entry; and

(3) the right, if any, of the owner to deny or restrict the entry and the possible consequences of a denial or restriction.

(b) The notice under paragraph (a) must be given to the owner at the time of the entry or as soon as practicable after the time of the entry. Upon request, the government official shall provide proof of identification. The owner has the right to accompany the government official, unless this is not practical or would jeopardize an inspection or investigation. In the case of land that is not occupied by the owner at the time of the entry, a written notice must be mailed to the owner as soon as practicable after the entry. Notice is not required if the government official was not able to conduct an inspection or investigation because the owner was not present or if the owner could not be identified or located.

Subd. 3. [NOTICE AFTER ENTRY.] Upon request of an owner, as soon as practicable, a government official shall provide an oral or written summary of the results of an entry and itemize any property that was seized. This subdivision does not require the release of confidential investigative data under section 13.39 or 13.82.

Subd. 4. [EXCEPTIONS.] (a) Subdivisions 2 and 3 do not apply to the extent that the government official reasonably determines that notice would jeopardize an inspection or investigation, provided that:

(1) the government official is entering property or a portion of property in which the owner has no reasonable expectation of privacy; and

(2) the notices required under subdivisions 2 and 3 are given as soon as practicable after the government official leaves the property, unless the government official determines that notice would jeopardize future inspections or investigations.

(b) Subdivisions 2 and 3 do not apply to:

(1) an entry by a licensed peace officer, except for an entry under chapter 103G, or by a probation officer or corrections agent acting under authority granted by a court or the commissioner of corrections;

(2) government officials acting on behalf of a municipality or municipal power or gas agency that produces or furnishes water, gas, or electric service;

(3) assessors acting under section 273.20 and land surveyors acting under section 117.041 or 505.31;

(4) government officials acting in an emergency situation or in response to a request by an owner;

(5) an entry for purposes of inspecting a building under construction or for a public health hazard abatement procedure;

(6) an entry made only for the purpose of crossing open land or a view of property made without physical entry onto the land; and

(7) an entry for the purpose of the collection of general information not related to the possession or use of the property that is entered, except that notice under subdivision 2 must be given to the owner if the owner is present at the time of the entry.

Subd. 5. [RELATIONSHIP TO OTHER LAWS.] Subdivisions 2 and 3 do not prohibit other law from imposing other requirements on entry of private property by a government official. Subdivisions 2 and 3 do not apply to the extent that other law specifically controls the notice of entry in a manner inconsistent with subdivisions 2 and 3. Nothing in this section authorizes an entry or seizure not otherwise permissible under law.

Subd. 6. [EVIDENCE NOT EXCLUDED.] Observations made or evidence obtained through an investigation or inspection governed by this section may not be excluded as evidence in any proceeding because of the violation of this section.

Subd. 7. [PENALTY.] A government official who knowingly violates this section is guilty of a petty misdemeanor."

This paragraph applies until the codes described in paragraph (c) are available and feasible to use, as determined by the commissioner.

(c) A two-part code, consisting of 11 characters and modeled after the National Association of Insurance Commissioners company code shall be assigned to each group purchaser and used as the unique identification number for group purchasers. The first six characters, or prefix, shall contain the numeric code, or company code, assigned by the National Association of Insurance Commissioners. The last five characters, or suffix, which is optional, shall contain further codes that will enable group purchasers to further route electronic transaction in their internal systems.

(d) The unique group purchaser identifier shall be used for purposes of submitting and receiving claims, and in conjunction with other data collection and reporting functions.

Subd. 4. [UNIQUE PATIENT IDENTIFICATION NUMBER.] (a) On and after January 1, 1996 1998, all group purchasers and health care providers in Minnesota shall use a unique identification number to identify each patient who receives health care services in Minnesota, except as provided in paragraph (e).

(b) Except as provided in paragraph (d), following the recommendation of the workgroup for electronic data interchange, the social security number of the patient shall be used as the unique patient identification number.

(c) The unique patient identification number shall be used by group purchasers and health care providers for purposes of submitting and receiving claims, and in conjunction with other data collection and reporting functions.

(d) The commissioner shall develop an alternate numbering system for patients who do not have or refuse to provide a social security number. This provision does not require that patients provide their social security numbers and does not require group purchasers or providers to demand that patients provide their social security numbers. Group purchasers and health care providers shall establish procedures to notify patients that they can elect not to have their social security number used as the unique patient identification number.

(e) The state and federal health care programs administered by the department of human services shall use the unique person master index (PMI) identification number assigned to clients participating in programs administered by the department of human services."

[CHILD NOT RECEIVING ASSISTANCE.] A person or entity having physical custody of a dependent child not receiving assistance under sections 256.031 to 256.0361, or 256.72 to 256.87 has a cause of action for child support against the child's absent parents. Upon a motion served on the absent parent, the court shall order child support payments from the absent parent under chapter 518. The absent parent's liability may include up to the two years immediately preceding the commencement of the action. This subdivision applies only if the person or entity has physical custody with the consent of a custodial parent or approval of the court.

Sec. 2. Minnesota Statutes 1994, section 257.34, subdivision 1, is amended to read:

Subdivision 1. The declaration may provide that any such child born to the mother at any time before ~~or up to ten months after~~ the date of execution of the declaration is the biological child of the signatories. Execution of the declaration shall:

(a) have the same consequences as an acknowledgment by the signatories of parentage of the child for the purposes of sections 62A.041 and 62C.14, subdivision 5a;

(b) be conclusive evidence that the signatories are parents of the child for the purposes of sections 176.111, 197.75, and 197.752;

(c) create a presumption that the signatory is the biological father of the child for the purposes of sections 257.51 to 257.74;

(d) when timely filed with the division of vital statistics of the Minnesota department of health as provided in section 259.51, qualify as an affidavit stating the intention of the signatories to retain parental rights as provided in section 259.51 if it contains the information required by section 259.51 or rules promulgated thereunder;

Sec. 3. Minnesota Statutes 1994, section 257.34, is amended by adding a subdivision to read:

Subd. 4. [EXPIRATION OF AUTHORITY FOR DECLARATIONS.] An acknowledgment of parentage under this section may not be entered into on or after August 1, 1995. (a) He and the child's biological mother are or have been married to each other and the child is born during the marriage, or within 280 days after the marriage is terminated by death, annulment, declaration of invalidity, dissolution, or divorce, or after a decree of legal separation is entered by a court;

(b) Before the child's birth, he and the child's biological mother have attempted to marry each other by a marriage solemnized in apparent compliance with law, although the attempted marriage is or could be declared void, voidable, or otherwise invalid, and,

(1) if the attempted marriage could be declared invalid only by a court, the child is born during the attempted marriage, or within 280 days after its termination by death, annulment, declaration of invalidity, dissolution or divorce; or

(2) if the attempted marriage is invalid without a court order, the child is born within 280 days after the termination of cohabitation;

(c) After the child's birth, he and the child's biological mother have married, or attempted to marry, each other by a marriage solemnized in apparent compliance with law, although the attempted marriage is or could be declared void, voidable, or otherwise invalid, and,

(1) he has acknowledged his paternity of the child in writing filed with the state registrar of vital statistics;

(2) with his consent, he is named as the child's father on the child's birth certificate; or

(3) he is obligated to support the child under a written voluntary promise or by court order;

(d) While the child is under the age of majority, he receives the child into his home and openly holds out the child as his biological child;

(e) He and the child's biological mother acknowledge his paternity of the child in a writing signed by both of them under section 257.34 and filed with the state registrar of vital statistics. If another man is presumed under this paragraph to be the child's father, acknowledgment may be effected only with the written consent of the presumed father or after the presumption has been rebutted;

(f) Evidence of statistical probability of paternity based on blood testing establishes the likelihood that he is the father of the child, calculated with a prior probability of no more than 0.5 (50 percent), is 99 percent or greater;

(g) He and the child's biological mother have executed a recognition of parentage in accordance with section 257.75 and another man is presumed to be the father under this subdivision; or

Subd. 2. The child, the mother, or personal representative of the child, the public authority chargeable by law with the support of the child, the personal representative or a parent of the mother if the mother has died or is a minor, a man alleged or alleging himself to be the father, or the personal representative or a parent of the alleged father if the alleged father has died or is a minor may bring an action:

(1) at any time for the purpose of declaring the existence of the father and child relationship presumed under section 257.55, subdivision 1, paragraph (d), (e), (f), (g), or (h), or the nonexistence of the father and child relationship presumed under clause (d) of that subdivision;

(2) for the purpose of declaring the nonexistence of the father and child relationship presumed under section 257.55, subdivision 1, paragraph (e) or (g), only if the action is brought within three years after the date of the execution of the declaration or recognition of parentage; or

(3) for the purpose of declaring the nonexistence of the father and child relationship presumed under section 257.55, subdivision 1, paragraph (f), only if the action is brought within three years

after the party bringing the action, or the party's attorney of record, has been provided the blood test results; or

(4) for the purpose of declaring the nonexistence of the father and child relationship presumed under section 257.75, subdivision 9, only if the action is brought by the minor signatory within six months after the minor signatory reaches the age of 18. In the case of a recognition of parentage executed by two minor signatories, the action to declare the nonexistence of the father and child relationship must be brought within six months after the youngest signatory reaches the age of 18.

Sec. 6. Minnesota Statutes 1994, section 257.60, is amended to read:

257.60 [PARTIES.]

The child may be made a party to the action. If the child is a minor and is made a party, a general guardian or a guardian ad litem shall be appointed by the court to represent the child. The child's mother or father may not represent the child as guardian or otherwise. The biological mother, each man presumed to be the father under section 257.55, and each man alleged to be the biological father, shall be made parties or, if not subject to the jurisdiction of the court, shall be given notice of the action in a manner prescribed by the court and shall be given an opportunity to be heard. The public agency responsible for support enforcement is joined as a party in each case in which rights are assigned under section 256.74, subdivision 5, and in each case in which the public agency is providing services pursuant to an application for child support services. A person who may bring an action under section 257.57 may be made a party to the action. The court may align the parties. The child shall be made a party whenever:

(1) the child is a minor and the case involves a compromise under section 257.64, subdivision 1, or a lump sum payment under section 257.66, subdivision 4, in which case the commissioner of human services shall also be made a party subject to department of human services rules relating to paternity suit settlements; or

(2) the child is a minor and the action is to declare the nonexistence of the father and child relationship; or

(3) an action to declare the existence of the father and child relationship is brought by a man presumed to be the father under section 257.55, or a man who alleges to be the father, and the mother of the child denies the existence of the father and child relationship.

Sec. 7. Minnesota Statutes 1994, section 257.75, subdivision 3, is amended to read:

Subd. 3. [EFFECT OF RECOGNITION.] Subject to subdivision 2 and section 257.55, subdivision 1, paragraph (g) or (h), the recognition has the force and effect of a judgment or order determining the existence of the parent and child relationship under section 257.66. If the conditions in section 257.55, subdivision 1, paragraph (g) or (h), exist, the recognition creates only a presumption of paternity for purposes of sections 257.51 to 257.74. Until an order is entered granting custody to another, the mother has sole custody. The recognition is:

(1) a basis for bringing an action to award custody or visitation rights to either parent, establishing a child support obligation which may include up to the two years immediately preceding the commencement of the action, ordering a contribution by a parent under section 256.87, or ordering a contribution to the reasonable expenses of the mother's pregnancy and confinement, as provided under section 257.66, subdivision 3, or ordering reimbursement for the costs of blood or genetic testing, as provided under section 257.69, subdivision 2;

(2) determinative for all other purposes related to the existence of the parent and child relationship; and

(3) entitled to full faith and credit in other jurisdictions.

Sec. 8. [257.651] [DEFAULT ORDER OF PARENTAGE.]

In an action to determine the existence of the father and child relationship under sections 257.51 to 257.74, if the alleged father fails to appear at a hearing after service duly made and proved, the court shall enter a default judgment or order of paternity.

Sec. 9. Minnesota Statutes 1994, section 257.67, subdivision 1, is amended to read:

Subdivision 1. If existence of the parent and child relationship is declared, or parentage or a duty of support has been acknowledged or adjudicated under sections 257.51 to 257.74 or under prior law, the obligation of the noncustodial parent may be enforced in the same or other proceedings by the custodial parent, the child, the public authority that has furnished or may furnish the reasonable expenses of pregnancy, confinement, education, support, or funeral, or by any other person, including a private agency, to the extent that person has furnished or is furnishing these expenses. Full faith and credit shall be given to a determination of paternity made by another state, whether established through voluntary acknowledgment or through administrative or judicial processes.

Sec. 10. Minnesota Statutes 1994, section 257.75, is amended by adding a subdivision to read:

Subd. 9. [EXECUTION BY A MINOR PARENT.] A recognition of parentage executed and filed in accordance with this section by a minor parent creates a presumption of paternity for the purposes of sections 257.51 to 257.74.

Sec. 11. [518.255] [PROVISION OF LEGAL SERVICES BY THE PUBLIC AUTHORITY.]

The provision of services under the child support enforcement program that includes services by an attorney or an attorney's representative employed by, under contract to, or representing the public authority does not create an attorney-client relationship with any party other than the public authority. Attorneys employed by or under contract with the public authority have an affirmative duty to inform applicants and recipients of services in writing under the child support enforcement program that no attorney-client relationship exists between the attorney and the applicant or recipient. The written notice must inform the individual applicant or recipient of services that no attorney-client relationship exists between the attorney and the applicant or recipient, the rights of the individual as a subject of data under section 13.04, subdivision 2, and that the individual has a right to have an attorney represent the individual. This section applies to all legal services provided by the child support enforcement program.

## ARTICLE 2

### CHILD SUPPORT PROCEDURES

Section 1. Minnesota Statutes 1994, section 518.5511, subdivision 1, is amended to read:

Subdivision 1. [GENERAL.] (a) An administrative process is established to obtain, modify, and enforce child and medical support orders and parentage orders and modify maintenance if combined with a child support proceeding. All laws governing these actions apply insofar as they are not inconsistent with the provisions of this section and section 518.5512. Wherever other laws are inconsistent with this section and section 518.5512, the provisions in this section and section 518.5512 shall apply.

(b) All proceedings for obtaining, modifying, or enforcing child and medical support orders and modifying maintenance orders if combined with a child support proceeding, are required to be conducted in the administrative process when the public authority is a party or provides services to a party or parties to the proceedings. At county option, the administrative process may include contempt motions or actions to establish parentage. Nothing contained herein shall prevent a party, upon timely notice to the public authority, from commencing an action or bringing a motion for the establishment, modification, or enforcement of child support or modification of maintenance orders if combined with a child support proceeding in district court, if additional issues involving domestic abuse, establishment or modification of custody or visitation, property issues, or other issues outside the jurisdiction of the administrative process, are part of the motion or action, or from proceeding with a motion or action brought by another party containing one or more of these issues if it is pending in district court.

(c) A party may make a written request to the public authority to initiate an uncontested administrative proceeding. If the public authority denies the request, the public authority shall issue a summary ~~order~~ notice which denies the request for relief, states the reasons for the denial, and notifies the party of the right to commence an action for relief. If the party commences an action or serves and files a motion within 30 days after the public authority's denial and the

party's action results in a modification of a child support order, the modification may be retroactive to the date the written request was received by the public authority.

(d) After August 1, 1994, all counties shall participate in the administrative process established in this section in accordance with a statewide implementation plan to be set forth by the commissioner of human services. No county shall be required to participate in the administrative process until after the county has been trained. The implementation plan shall include provisions for training the counties by region no later than July 1, 1995.

(e) For the purpose of the administrative process, all powers, duties, and responsibilities conferred on judges of district court to obtain and enforce child and medical support and parentage and maintenance obligations, subject to the limitations of this section are conferred on administrative law judges, including the power to issue subpoenas, orders to show cause, and bench warrants for failure to appear.

The administrative law judge has the authority to approve parentage orders that contain uncontested custody and visitation provisions.

Sec. 2. Minnesota Statutes 1994, section 518.5511, subdivision 2, is amended to read:

Subd. 2. [UNCONTESTED ADMINISTRATIVE PROCEEDING.] (a) A party may petition the chief administrative law judge, the chief district court judge, or the chief family court referee to proceed immediately to a contested hearing upon good cause shown.

(b) The public authority shall give the parties written notice requesting the submission of information necessary for the public authority to prepare a proposed ~~child support~~ order. The written notice shall be sent by first class mail to the parties' last known addresses. The written notice shall describe the information requested, state the purpose of the request, state the date by which the information must be postmarked or received (which shall be at least 30 days from the date of the mailing of the written notice), state that if the information is not postmarked or received by that date, the public authority will prepare a proposed order on the basis of the information available, and identify the type of information which will be considered.

(c) Following the submission of information or following the date when the information was due, the public authority shall, on the basis of all information available, complete and sign a proposed ~~child support~~ order and notice. In preparing the proposed ~~child support~~ order, the public authority will establish child support in the highest amount permitted under section 518.551, subdivision 5. The proposed order shall include written findings in accordance with section 518.551, subdivision 5, clauses (i) and (j). The notice shall state that the proposed ~~child support~~ order will be entered as a final and binding default order unless one of the parties requests a conference under subdivision 3 within 14 days following the date of service of the proposed ~~child support~~ order. The method for requesting the conference shall be stated in the notice. The notice and proposed ~~child support~~ order shall be served under the rules of civil procedure. For the purposes of the contested hearing, and notwithstanding any law or rule to the contrary, the service of the proposed order pursuant to this paragraph shall be deemed to have commenced a proceeding and the judge, including an administrative law judge or a referee, shall have jurisdiction over the contested hearing.

(d) If a conference under subdivision 3 is not requested by a party within 14 days after the date of service of the proposed ~~child support~~ order, the public authority may ~~enter~~ submit the proposed order as the default order. The notice shall be served on the parties by first class mail at their last known addresses, and the method of service shall be documented in the public authority file.

In counties not designated by the commissioner, contested hearings shall be conducted in district court in accordance with the rules of civil procedure and the rules of family court.

(b) An administrative law judge may conduct hearings and approve a stipulation reached on a contempt motion brought by the public authority. Any stipulation that involves a finding of contempt and a jail sentence, whether stayed or imposed, shall require the review and signature of a district court judge.

(c) For the purpose of this process, all powers, duties, and responsibilities conferred on judges of the district court to obtain and enforce child and medical support and maintenance obligations, subject to the limitation set forth herein, are conferred on the administrative law judge conducting the proceedings, including the power to issue subpoenas, to issue orders to show cause, and to issue bench warrants for failure to appear. For matters not initiated under section 518.5511, subdivision 2, documents from the moving party shall be served and filed at least 14 days prior to the hearing and the opposing party shall serve and file documents raising new issues at least ten days prior to the hearing. In all contested administrative proceedings, the administrative law judge may limit the extent and timing of discovery. Except as provided under this section, other aspects of the case, including, but not limited to, pleadings, discovery, and motions, shall be conducted under the rules of family court, the rules of civil procedure, and chapter 518.

(f) Pursuant to a contested administrative hearing, the administrative law judge shall make findings of fact, conclusions, and a final decision and issue an order. Orders issued by an administrative law judge may be enforceable by the contempt powers of the district courts.

(g) At the time the matter is scheduled for a contested hearing, the public authority shall file in the district court copies of all relevant documents sent to or received from the parties, in addition to the documents filed under subdivision 2, paragraph (e). For matters scheduled for a contested hearing which were not initiated under section 518.5511, subdivision 2, the public authority shall obtain any income information available to the public authority through the department of economic security and serve this information on all parties and file the information with the court at least five days prior to the hearing.

Sec. 6. Minnesota Statutes 1994, section 518.5511, subdivision 7, is amended to read:

Subd. 7. [PUBLIC AUTHORITY LEGAL ADVISOR.] At all stages of the administrative process ~~prior to the contested hearing~~, the county attorney, or other attorney under contract, shall act as the legal advisor for the public authority, but shall not play an active role in the review of information ~~and~~, the preparation of default and consent orders, and the contested hearings unless the nonattorney employee of the public authority requests the appearance of the county attorney.

### ARTICLE 3

### CHILD SUPPORT COLLECTION

Section 1. Minnesota Statutes 1994, section 518.611, subdivision 5, is amended to read:

Subd. 5. [ARREARAGE ORDER.] Nothing in this section shall prevent the court from ordering the payor of funds to withhold amounts to satisfy the obligor's previous arrearage in child support or maintenance payments, the obligor's liability for reimbursement of child support or of public assistance pursuant to sections 256.87 and 257.66, for pregnancy and confinement expenses and for blood test costs, and any service fees that may be imposed under section 518.551. This remedy shall not operate to exclude availability of other remedies to enforce judgments.

Sec. 2. Minnesota Statutes 1994, section 518.64, subdivision 4, is amended to read:

Subd. 4. Unless otherwise agreed in writing or expressly provided in the order, provisions for the support of a child are not terminated by ~~emancipation of the child but not~~ by the death of a parent obligated to support the child. When a parent obligated to pay support dies, the amount of support may be modified, revoked, or commuted to a lump sum payment, to the extent just and appropriate in the circumstances.

Sec. 3. Minnesota Statutes 1994, section 518.64, is amended by adding a subdivision to read:

Subd. 4a. [AUTOMATIC TERMINATION OF SUPPORT.] (a) Unless a court order provides otherwise, a child support obligation in a specific amount per child terminates automatically and without any action by the obligor to reduce, modify, or terminate the order upon the emancipation of the child as provided under section 518.54, subdivision 2.

(b) A child support obligation for two or more children that is not a support obligation in a specific amount per child continues in the full amount until the emancipation of the last child for whose benefit the order was made, or until further order of the court.

(c) The obligor may request a modification of his or her child support order upon the emancipation of a child if there are still minor children under the order. The child support obligation shall be determined based on the income of the parties at the time the modification is sought. The court may provide that a modification order made under this paragraph is effective as of the date that the child was emancipated.

The length limitation does not apply to the transportation of telegraph poles, telephone poles, electric light and power poles, piling, or pole length pulpwood, and is subject to the following further exceptions: the length limitations do not apply to vehicles transporting pipe or other objects by a public utility when required for emergency or repair of public service facilities or when operated under special permits as provided in this subdivision, but with respect to night transportation, a vehicle and the load must be equipped with a sufficient number of clearance lamps and marker lamps on both sides and upon the extreme ends of a projecting load to clearly mark the dimensions of the load. Mount combinations may be drawn but the combinations may not exceed ~~65~~ 75 feet in length. The limitation on the number of units does not apply to vehicles used for transporting milk from point of production to point of first processing, in which case no combination of vehicles coupled together unladen or with load, including truck-tractor and semitrailers, may consist of more than three units and no combination of those vehicles may exceed a total length of 65 feet. Notwithstanding other provisions of this section, and except as provided in paragraph (b), no combination of vehicles consisting of a truck-tractor and semitrailer designed and used exclusively for the transportation of motor vehicles or boats may exceed 65 feet in length. The load may extend a total of seven feet, but may not extend more than three feet beyond the front or four feet beyond the rear, and in no case may the overall length of the combination of vehicles, unladen or with load, exceed 65 feet. In no instance shall the combination be prohibited from operating on the federal interstate and designated highway system and on any access highways connecting within two miles those highways to terminals, to facilities for fuel, repair, or rest, to points of loading and unloading, or to other points for purposes of continuity of route:~~

- (1) a truck-tractor and semitrailer not exceeding ~~65~~ 75 feet in length;
- (2) a combination of vehicles with an overall length exceeding 55 feet and including a truck-tractor and semitrailer drawing one additional semitrailer which may be equipped with an auxiliary dolly;
- (3) a combination of vehicles with an overall length not exceeding ~~55~~ 75 feet and including a truck-tractor and semitrailer drawing one full trailer;
- (4) a truck-tractor and semitrailer designed and used exclusively for the transportation of motor vehicles or boats and not exceeding an overall length of ~~65~~ 75 feet including the load except as restricted by applicable federal law; and
- (5) a truck or truck-tractor transporting similar vehicles by having the front axle of the transported vehicle mounted onto the center or rear part of the preceding vehicle, defined in Code of Federal Regulations, title 49, sections 390.5 and 393.5 as drive-away saddlemount combinations or drive-away saddlemount vehicle transporter combinations, when the overall length ~~exceeds 65~~ does not exceed 75 feet.

Reports the same back with the recommendation that the bill be amended as follows:

Delete everything after the enacting clause and insert:

"Section 1. [145.9255] [MN ENABL, MINNESOTA EDUCATION NOW AND BABIES LATER.]

Subdivision 1. [ESTABLISHMENT.] The commissioner of education, in consultation with the director of the office of strategic and long-range planning and the commissioner of health, shall develop and implement the Minnesota education now and babies later (MN ENABL) program, targeted to adolescents ages 12 to 14, with the goal of reducing the incidence of adolescent pregnancy in the state. The program must provide a multifaceted, primary prevention, community

health promotion approach to educating and supporting adolescents in the decision to postpone sexual involvement, modeled after the ENABL program in California. The commissioner of education shall consult with the health education section of the California department of health services for general guidance in developing and implementing the program.

Subd. 1a. [DEFINITION.] "Community-based local contractor" or "contractor" includes boards of health under section 145A.02, Indian tribal governments, nonprofit organizations, family collaboratives, or school districts. The community-based local contractors may provide the education component of MN ENABL in a variety of settings including, but not limited to, schools, religious establishments, local community centers, and youth camps.

Subd. 2. [DUTIES OF THE COMMISSIONER OF EDUCATION.] The commissioner of education shall:

(1) manage the grant process, including awarding and monitoring grants to community-based local contractors, and may contract with community-based local contractors that can demonstrate at least a 25 percent local match and agree to participate in the four MN ENABL program components under subdivision 3;

(2) provide technical assistance to the community-based local contractors as necessary under subdivision 3;

(3) develop and implement the evaluation component, and provide centralized coordination at the state level of the evaluation process; and

(4) explore and pursue the federal funding possibilities and specifically request funding from the United States Department of Health and Human Services to supplement the development and implementation of the program.

Subd. 3. [PROGRAM COMPONENTS.] The program must include the following four major components:

(a) A community organization component in which the community-based local contractors shall include:

(1) use of a postponing sexual involvement education curriculum targeted to boys and girls ages 12 to 14 in schools and/or community settings;

(2) planning and implementing community organization strategies to convey and reinforce the MN ENABL message of postponing sexual involvement, including activities promoting awareness and involvement of parents and other primary caregivers/significant adults, schools, and community; and

(3) develop local media linkages.

(b) A statewide, comprehensive media and public relations campaign to promote changes in sexual attitudes and behaviors and reinforce the message of postponing adolescent sexual involvement.

The commissioner of education, in consultation with the commissioner of health, shall contract with the attorney general's office to develop and implement the media and public relations campaign. In developing the campaign, the attorney general's office shall coordinate and consult with representatives from ethnic and local communities to maximize effectiveness of the social marketing approach to health promotion among the culturally diverse population of the state. The development and implementation of the campaign is subject to input and approval by the commissioners of health and education.

The local community-based contractors shall collaborate and coordinate efforts with other community organizations and interested persons to provide school and community-wide promotional activities that support and reinforce the message of the MN ENABL curriculum.

(c) An evaluation component which evaluates the process and the impact of the program.

The "process evaluation" must provide information to the state on the breadth and scope of the program. The evaluation must identify program areas that might need modification and identify local MN ENABL contractor strategies and procedures which are particularly effective. Contractors must keep complete records on the demographics of clients served, number of direct education sessions delivered, and other appropriate statistics and must document exactly how the program was implemented. The commissioner may select contractor sites for more in-depth case studies.

The "impact evaluation" must provide information to the state on the impact of the different components of the MN ENABL program and an assessment of the impact of the program on adolescents' related sexual knowledge, attitudes, and risk-taking behavior.

The commissioner shall compare the MN ENABL evaluation information and data with similar evaluation data from other states pursuing a similar adolescent pregnancy prevention program modeled after ENABL, use the information to improve MN ENABL, and build on aspects of the program that have demonstrated a delay in adolescent sexual involvement.

(d) A training component requiring the commissioner of education, in consultation with the commissioner of health, to provide comprehensive uniform training to the local MN ENABL community-based local contractors and the direct education program staff.

The local community-based contractors may use adolescent leaders slightly older than the adolescents in the program to impart the message to postpone sexual involvement provided:

(1) the contractor follows a protocol for adult mentors/leaders and older adolescent leaders established by the commissioner of education;

(2) the older adolescent leader is accompanied by an adult leader; and

(3) the contractor uses the curriculum as directed and required by the commissioner of the department of education to implement this part of the program. The commissioner of education shall provide technical assistance to community-based local contractors.

Sec. 12. Minnesota Statutes 1994, section 626.557, is amended by adding a subdivision to read:

Subd. 9b. [RESPONSE TO REPORTS.] Law enforcement is the primary agency to conduct investigations of any incident in which there is reason to believe a crime has been committed. Each lead agency shall develop guidelines for prioritizing reports for investigation.

Sec. 13. Minnesota Statutes 1994, section 626.557, is amended by adding a subdivision to read:

Subd. 9c. [LEAD AGENCY; NOTIFICATIONS, DISPOSITIONS, AND DETERMINATIONS.] (a) Upon request of the reporter, the lead agency shall notify the reporter that it has received the report, and provide information on the initial disposition of the report within five business days of receipt of the report, provided that the notification will not endanger the vulnerable adult or hamper the investigation.

(b) Upon conclusion of every investigation it conducts, the lead agency shall make a final disposition as defined in section 626.5572, subdivision 8.

(c) When determining whether the facility or individual is the responsible party for substantiated maltreatment, the lead agency shall consider at least the following mitigating factors:

(1) whether the actions of the facility or the individual caregivers were in accordance with, and followed the terms of, an erroneous physician order, prescription, resident care plan, or directive. This is not a mitigating factor when the facility or caregiver is responsible for the issuance of the erroneous order, prescription, plan, or directive or knows or should have known of the errors and took no reasonable measures to correct the defect before administering care;

(2) the comparative responsibility between the facility, other caregivers, and requirements placed upon the employee, including but not limited to, the facility's compliance with related regulatory standards and factors such as the adequacy of facility policies and procedures, the adequacy of facility training, the adequacy of an individual's participation in the training, the adequacy of caregiver supervision, the adequacy of facility staffing levels, and a consideration of the scope of the individual employee's authority; and

(3) whether the facility or individual followed professional standards in exercising professional judgment.

(d) The lead agency shall complete its final disposition within 60 calendar days. If the lead agency is unable to complete its final disposition within 60 calendar days, the lead agency shall notify the vulnerable adult or the vulnerable adult's legal guardian, when known, and the facility, where applicable, of the reason for the delay and the projected completion date, provided that the notification will not endanger the vulnerable adult or hamper the investigation. If the lead agency is unable to complete its final disposition by a subsequent projected completion date, the lead agency shall again notify the vulnerable adult or the vulnerable adult's legal guardian, when known, and the facility, where applicable, of the reason for the delay and the revised projected completion date provided that the notification will not endanger the vulnerable adult or hamper the investigation. The lead agency is not required to notify the vulnerable adult or the vulnerable adult's legal guardian under this paragraph unless the lead agency knows that the vulnerable adult or the guardian is aware of the investigation. A lead agency's inability to complete the final disposition within 60 calendar days or by any projected completion date does not invalidate the final disposition.

(e) Within ten calendar days of completing the final disposition, the lead agency shall provide a copy of the public investigation memorandum under subdivision 12b, paragraph (b), clause (1), when required to be completed under this section, to the following persons: (1) the vulnerable adult, or the vulnerable adult's legal guardian, if known, unless the lead agency knows this notification would not endanger the well-being of the vulnerable adult; (2) the reporter, if the reporter requested notification when making the report, unless the lead agency knows this notification would not endanger the well-being of the vulnerable adult; (3) the alleged perpetrator, if known; (4) the facility; and (5) the ombudsman for long-term care, or the ombudsman for mental health and mental retardation, as appropriate.

(f) The lead agency shall notify the vulnerable adult who is the subject of the report or the vulnerable adult's legal guardian, if known, and any person or facility determined to have maltreated a vulnerable adult, of their appeal rights under this section.

(g) If the lead agency does not complete the investigation by the projected completion date, the lead agency shall again notify the vulnerable adult or the vulnerable adult's legal guardian, when known, and the facility, where applicable, of the delay and the revised projected completion date.

(h) The lead agency shall routinely provide investigation memoranda for substantiated reports to the appropriate licensing boards. These reports must include the names of substantiated perpetrators. The lead agency may not provide investigative memoranda for inconclusive or false reports to the appropriate licensing boards unless the lead agency's investigation gives reason to believe that there may have been a violation of the applicable professional practice laws. If the investigation memorandum is provided to a licensing board, the subject of the investigation memorandum shall be notified and receive a summary of the investigative findings.

(i) In order to avoid duplication, licensing boards shall consider the findings of the lead agency in their investigations if they choose to investigate. This does not preclude licensing boards from considering other information.

(j) The lead agency must provide to the commissioner of human services its final dispositions, including the names of all substantiated perpetrators. The commissioner of human services shall establish records to retain the names of substantiated perpetrators.

Sec. 14. Minnesota Statutes 1994, section 626.557, is amended by adding a subdivision to read:

Subd. 9d. [ADMINISTRATIVE RECONSIDERATION OF THE FINAL DISPOSITION.] Any individual or facility which a lead agency determines has maltreated a vulnerable adult, or the vulnerable adult or vulnerable adult's legal guardian, regardless of the lead agency's determination, who contests the lead agency's final disposition of an allegation of maltreatment, may request the lead agency to reconsider its final disposition. The request for reconsideration must be submitted in writing to the lead agency within 15 calendar days after receipt of notice of final disposition.

If the lead agency denies the request or fails to act upon the request within 15 calendar days after receiving the request for reconsideration, the person or facility entitled to a fair hearing under section 256.045, may submit to the commissioner of human services a written request for a hearing under that statute.

If, as a result of the reconsideration, the lead agency changes the final disposition, it shall notify the parties specified in subdivision 9c, paragraph (d).

(e) Each lead agency investigator must complete the education program specified by this subdivision within the first 12 months of work as a lead agency investigator.

A lead agency investigator employed when these requirements take effect must complete the program within the first year after training is available or as soon as training is available.

All lead agency investigators having responsibility for investigation duties under this section must receive a minimum of eight hours of continuing education or in-service training each year specific to their duties under this section.

- (3) receives services from a home care provider required to be licensed under section 144A.46; or from a person or organization that exclusively offers, provides, or arranges for personal care assistant services under the medical assistance program as authorized under sections 256B.04, subdivision 16, 256B.0625, subdivision 19a, and 256B.0627; or
- (4) regardless of residence or whether any type of service is received, possesses a physical or mental infirmity or other physical, mental, or emotional dysfunction:
  - (i) that impairs the individual's ability to provide adequately for the individual's own care without assistance, including the provision of food, shelter, clothing, health care, or supervision; and
  - (ii) because of the dysfunction or infirmity and the need for assistance, the individual has an impaired ability to protect the individual from maltreatment.

### Sec. 3. [609.2325] [CRIMINAL ABUSE.]

Subdivision 1. [CRIMES.] (a) A caregiver who, with intent to produce physical or mental pain or injury to a vulnerable adult, subjects a vulnerable adult to any aversive or deprivation procedure, unreasonable confinement, or involuntary seclusion, is guilty of criminal abuse and may be sentenced as provided in subdivision 3.

This paragraph does not apply to therapeutic conduct.

(b) A caregiver, facility staff person, or person providing services in a facility who engages in sexual contact, as defined in section 609.341, under circumstances other than those described in sections 609.342 to 609.3451, with a resident, patient, or client of the facility is guilty of criminal abuse and may be sentenced as provided in subdivision 3.

Subd. 2. [EXEMPTIONS.] For the purposes of this section, a vulnerable adult is not abused for the sole reason that:

(1) the vulnerable adult or a person with authority to make health care decisions for the vulnerable adult, under section 144.651, 144A.44, chapter 145B, 145C, or 252A, or section 253B.03 or 525.539 to 525.6199, refuses to consent or withdraws consent, within the boundary of reasonable medical practice, to any therapeutic conduct, including any care, service, or procedure to diagnose, maintain, or treat the physical or mental condition of the vulnerable adult or to provide nutrition and hydration parenterally or through intubation; this clause does not affect the authority of other persons to make decisions regarding the provision of health care or nutrition or hydration;

(2) the vulnerable adult, a person with authority to make health care decisions for the vulnerable adult, or a caregiver in good faith selects and depends upon spiritual means or prayer for treatment or care of disease or remedial care of the vulnerable adult in lieu of medical care, provided that this is consistent with the prior practice or belief of the vulnerable adult or with the expressed intentions of the vulnerable adult; or

(3) the vulnerable adult, who is not impaired in judgment or capacity by mental or emotional dysfunction or undue influence, engages in consensual sexual contact with: (i) a person, including a facility staff person, when a consensual sexual personal relationship existed prior to the caregiving relationship; or (ii) a personal care attendant, regardless of whether the consensual sexual personal relationship existed prior to the caregiving relationship. Nothing in this section is intended to prohibit sexual contact between a vulnerable adult and the vulnerable adult's spouse or domestic partner.

Subd. 3. [PENALTIES.] (a) A person who violates subdivision 1, paragraph (a), may be sentenced as follows:

(1) if the act results in the death of a vulnerable adult, imprisonment for not more than 15 years or payment of a fine of not more than \$30,000, or both;

(2) if the act results in great bodily harm, imprisonment for not more than ten years or payment of a fine of not more than \$20,000, or both;

(3) if the act results in substantial bodily harm or the risk of death, imprisonment for not more than five years or payment of a fine of not more than \$10,000, or both; or

(4) in other cases, imprisonment for not more than one year or payment of a fine of not more than \$3,000, or both.

(b) A person who violates subdivision 1, paragraph (b), may be sentenced to imprisonment for not more than one year or to payment of a fine of not more than \$3,000, or both.

#### Sec. 4. [609.233] [CRIMINAL NEGLECT.]

Subdivision 1. [CRIME.] (a) A caregiver or operator who commits any of the acts or omissions listed in paragraph (b) is guilty of criminal neglect and may be sentenced as provided in subdivision 3, if the act or omission constitutes a conscious disregard for danger to human life and reckless indifference to the risk of harm.

(b) This subdivision applies to the following acts or omissions:

(1) the failure or omission to supply a vulnerable adult with care or services, including but not limited to food, clothing, shelter, health care, or supervision when the care or services are reasonable and necessary to obtain or maintain the vulnerable adult's physical or mental health or safety, considering the physical or mental capacity or dysfunction of the vulnerable adult, and the failure or omission is not therapeutic conduct; or

(2) knowingly permitting conditions to exist by failing to take corrective action within the scope of that person's authority, resulting in the abuse, as defined in section 626.5572, subdivision 2, or neglect, as defined in section 626.5572, subdivision 17, of a vulnerable adult.

Subd. 2. [EXEMPTIONS.] A vulnerable adult is not neglected for the sole reason that:

(1) the vulnerable adult or a person with authority to make health care decisions for the vulnerable adult, under section 144.651, 144A.44, chapter 145B, 145C, or 252A, or section 253B.03 or 525.539 to 525.6199, refuses to consent or withdraws consent, within the boundary of reasonable medical practice, to any therapeutic conduct, including any care, service, or procedure to diagnose, maintain, or treat the physical or mental condition of the vulnerable adult or to provide nutrition and hydration parenterally or through intubation; this clause does not affect the authority of other persons to make decisions regarding the provision of health care or nutrition or hydration;

(2) the vulnerable adult, a person with authority to make health care decisions for the vulnerable adult, or a caregiver in good faith selects and depends upon spiritual means or prayer for treatment or care of disease or remedial care of the vulnerable adult in lieu of medical care, provided that this is consistent with the prior practice or belief of the vulnerable adult or with the expressed intentions of the vulnerable adult; or

(3) the vulnerable adult, who is not impaired in judgment or capacity by mental or emotional dysfunction or undue influence, engages in consensual sexual contact with: (i) a person including a facility staff person when a consensual sexual personal relationship existed prior to the caregiving relationship; or (ii) a personal care attendant, regardless of whether the consensual sexual personal relationship existed prior to the caregiving relationship. Nothing in this section is intended to prohibit sexual contact between a vulnerable adult and the vulnerable adult's spouse or domestic partner.

Subd. 3. [CRIMINAL PENALTIES.] A person who violates this section may be sentenced as follows:

(1) if the act results in great bodily harm, imprisonment for not more than ten years or to payment of a fine of not more than \$20,000, or both;

(2) if the act results in substantial bodily harm or the risk of death, imprisonment for not more than five years or payment of a fine of not more than \$10,000, or both; or

(3) otherwise, imprisonment for not more than one year or payment of a fine of not more than \$3,000, or both.

Subd. 4. [DEFENSES.] Nothing in this section requires a caregiver, if regulated, to provide services in excess of those required by the caregiver's license, certification, registration, or other regulation.

Sec. 5. [609.2335] [FINANCIAL EXPLOITATION OF A VULNERABLE ADULT.]

Subdivision 1. [CRIME.] Whoever does any of the following acts commits the crime of financial exploitation:

(1) in breach of a fiduciary obligation recognized elsewhere in law, including pertinent regulations, contractual obligations, documented consent by a competent person, or the obligations of a responsible party under section 144.6501, intentionally fails to use the financial resources of the vulnerable adult to provide food, clothing, shelter, health care, therapeutic conduct, or supervision for the vulnerable adult; or

(ii) forces, compels, coerces, or entices a vulnerable adult against the vulnerable adult's will to perform services for the profit or advantage of another.

Subd. 2. [DEFENSES.] Nothing in this section requires a facility or caregiver to provide financial management or supervise financial management for a vulnerable adult except as otherwise required by law.

Subd. 3. [CRIMINAL PENALTIES.] A person who violates subdivision 1, clause (1) or clause (2), item (i), may be sentenced as provided in section 609.52, subdivision 3. A person who violates subdivision 1, clause (2), item (ii), may be sentenced to imprisonment for not more than one year or to payment of a fine of not more than \$3,000, or both.

Sec. 6. [609.234] [FAILURE TO REPORT.]

Any mandated reporter who is required to report under section 626.557, who knows or has reason to believe that a vulnerable adult is being or has been maltreated, as defined in section 626.5572, subdivision 15, and who does any of the following is guilty of a misdemeanor:

- (1) intentionally fails to make a report;
- (2) knowingly provides information which is false, deceptive, or misleading; or

### ARTICLE 3

#### OTHER LAWS AFFECTING VULNERABLE ADULTS

Section 1. Minnesota Statutes 1994, section 13.82, is amended by adding a subdivision to read:

Subd. 5c. [VULNERABLE ADULT IDENTITY DATA.] Active or inactive investigative data that identify a victim of vulnerable adult maltreatment under section 626.557 are private data on individuals. Active or inactive investigative data that identify a reporter of vulnerable adult maltreatment under section 626.557 are private data on individuals.

Sec. 2. Minnesota Statutes 1994, section 13.82, is amended by adding a subdivision to read:

Subd. 5d. [INACTIVE VULNERABLE ADULT MALTREATMENT DATA.] Investigative data that becomes inactive under subdivision 5, paragraph (a) or (b), and that relate to the alleged maltreatment of a vulnerable adult by a caregiver or facility are private data on individuals.

Sec. 3. Minnesota Statutes 1994, section 13.82, subdivision 10, is amended to read:

Subd. 10. [PROTECTION OF IDENTITIES.] A law enforcement agency or a law enforcement dispatching agency working under direction of a law enforcement agency may withhold public access to data on individuals to protect the identity of individuals in the following circumstances:

- (a) when access to the data would reveal the identity of an undercover law enforcement officer;
- (b) when access to the data would reveal the identity of a victim of criminal sexual conduct or of a violation of section 617.246, subdivision 2;
- (c) when access to the data would reveal the identity of a paid or unpaid informant being used by the agency if the agency reasonably determines that revealing the identity of the informant would threaten the personal safety of the informant;

(d) when access to the data would reveal the identity of a victim of or witness to a crime if the victim or witness specifically requests not to be identified publicly, and the agency reasonably determines that revealing the identity of the victim or witness would threaten the personal safety or property of the individual;

(e) when access to the data would reveal the identity of a deceased person whose body was unlawfully removed from a cemetery in which it was interred;

(f) when access to the data would reveal the identity of a person who placed a call to a 911 system or the identity or telephone number of a service subscriber whose phone is used to place a call to the 911 system and: (1) the agency determines that revealing the identity may threaten the personal safety or property of any person; or (2) the object of the call is to receive help in a mental health emergency. For the purposes of this paragraph, a voice recording of a call placed to the 911 system is deemed to reveal the identity of the caller; or

(g) when access to the data would reveal the identity of a juvenile witness and the agency reasonably determines that the subject matter of the investigation justifies protecting the identity of the witness; or

(h) when access to the data would reveal the identity of a mandated reporter under sections 626.556 and 626.557.

Data concerning individuals whose identities are protected by this subdivision are private data about those individuals. Law enforcement agencies shall establish procedures to acquire the data and make the decisions necessary to protect the identity of individuals described in clauses (d) and (g).

#### Sec. 4. [144.057] [BACKGROUND STUDIES ON LICENSEES.]

Subdivision 1. [BACKGROUND STUDIES REQUIRED.] The commissioner of health shall contract with the commissioner of human services to conduct background studies on individuals providing services which allow direct contact, as defined under section 245A.04, subdivision 3, with patients and residents in hospitals, boarding care homes, outpatient surgical centers licensed under sections 144.50 to 144.58; nursing homes and home care agencies licensed under chapter 144A; residential care homes licensed under chapter 144B; and board and lodging establishments that are registered to provide supportive or health supervision services under section 157.031. If a facility or program is licensed by the department of human services and subject to the background study provisions of chapter 245A and is also licensed by the department of health, the department of human services is solely responsible for the background studies of individuals in the jointly licensed programs.

Subd. 2. [RESPONSIBILITIES OF THE DEPARTMENT OF HUMAN SERVICES.] The commissioner of human services shall conduct the background studies required by subdivision 1 in compliance with the provisions of chapter 245A and Minnesota Rules, parts 9543.3000 to 9543.3090. For the purpose of this section, the term "residential program" shall include all facilities described in subdivision 1. The commissioner of human services shall provide necessary forms and shall conduct the necessary background studies of individuals, and shall provide notification of the results of the studies to the facilities, individuals, and the commissioner of health. Individuals shall be disqualified under the provisions of chapter 245A and Minnesota Rules, parts 9543.3000 to 9543.3090. If an individual is disqualified, the commissioner of human services shall notify the facility and the individual and shall inform the individual of the right to request a reconsideration of the disqualification by submitting the request to the commissioner of health.

Subd. 3. [RECONSIDERATIONS.] The commissioner of health shall review and decide reconsideration requests in accordance with the procedures and criteria contained in chapter 245A and Minnesota Rules, parts 9543.3000 to 9543.3090. The commissioner's decision shall be provided to the individual, the facility, and to the commissioner of human services. The commissioner's decision to grant or deny a reconsideration of disqualification is the final administrative agency action.

Subd. 4. [RESPONSIBILITIES OF FACILITIES.] Facilities described in subdivision 1 shall be

responsible for cooperating with the departments in implementing the provisions of this section. The responsibilities imposed on applicants and licensees under chapter 245A and Minnesota Rules, parts 9453.3000 to 9453.3090, shall apply to these facilities. The provision of section 245A, subdivision 3, paragraph (d), shall apply to an applicant's, a licensee's, or an individual's refusal to cooperate with the completion of the background studies.

Sec. 5. Minnesota Statutes 1994, section 245A.04, subdivision 3, is amended to read:

Subd. 3. [STUDY OF THE APPLICANT.] (a) Before the commissioner issues a license, the commissioner shall conduct a study of the individuals specified in clauses (1) to (4) (5) according to rules of the commissioner. The applicant, license holder, the bureau of criminal apprehension, the commissioner of health, and county agencies, after written notice to the individual who is the subject of the study, shall help with the study by giving the commissioner criminal conviction data and reports about abuse or neglect of adults in licensed programs substantiated under section 626.557 and the maltreatment of minors in licensed programs substantiated under section 626.556. The individuals to be studied shall include:

- (1) the applicant;
- (2) persons over the age of 13 living in the household where the licensed program will be provided;
- (3) current employees or contractors of the applicant who will have direct contact with persons served by the program; ~~and~~
- (4) volunteers who have direct contact with persons served by the program to provide program services, if the contact is not directly supervised by the individuals listed in clause (1) or (3); and
- (5) any person who, as an individual or as a member of an organization, exclusively offers, provides, or arranges for personal care assistant services under the medical assistance program as authorized under sections 256B.04, subdivision 16, and 256B.0625, subdivision 19.

The juvenile courts shall also help with the study by giving the commissioner existing juvenile court records on individuals described in clause (2) relating to delinquency proceedings held within either the five years immediately preceding the application or the five years immediately preceding the individual's 18th birthday, whichever time period is longer. The commissioner shall destroy juvenile records obtained pursuant to this subdivision when the subject of the records reaches age 23.

For purposes of this subdivision, "direct contact" means providing face-to-face care, training, supervision, counseling, consultation, or medication assistance to persons served by a program. For purposes of this subdivision, "directly supervised" means an individual listed in clause (1) ~~or~~, (3), or (5) is within sight or hearing of a volunteer to the extent that the individual listed in clause (1) ~~or~~, (3), or (5) is capable at all times of intervening to protect the health and safety of the persons served by the program who have direct contact with the volunteer.

A study of an individual in clauses (1) to (4) (5) shall be conducted at least upon application for initial license and reapplication for a license. No applicant, license holder, or individual who is the subject of the study shall pay any fees required to conduct the study.

(b) The individual who is the subject of the study must provide the applicant or license holder with sufficient information to ensure an accurate study including the individual's first, middle, and last name; home address, city, county, and state of residence; zip code; sex; date of birth; and driver's license number. The applicant or license holder shall provide this information about an individual in paragraph (a), clauses (1) to (4) (5), on forms prescribed by the commissioner. The commissioner may request additional information of the individual, which shall be optional for the individual to provide, such as the individual's social security number or race.

(c) Except for child foster care, adult foster care, and family day care homes, a study must include information from the county agency's record of substantiated abuse or neglect of adults in licensed programs, and the maltreatment of minors in licensed programs, information from juvenile courts as required in paragraph (a) for persons listed in paragraph (a), clause (2), and information from the bureau of criminal apprehension. For child foster care, adult foster care, and

family day care homes, the study must include information from the county agency's record of substantiated abuse or neglect of adults, and the maltreatment of minors, information from juvenile courts as required in paragraph (a) for persons listed in paragraph (a), clause (2), and information from the bureau of criminal apprehension. The commissioner may also review arrest and investigative information from the bureau of criminal apprehension, the commissioner of health, a county attorney, county sheriff, county agency, local chief of police, other states, the courts, or a national criminal record repository if the commissioner has reasonable cause to believe the information is pertinent to the disqualification of an individual listed in paragraph (a), clauses (1) to (4) (5).

(d) An applicant's or license holder's failure or refusal to cooperate with the commissioner is reasonable cause to deny an application or immediately suspend, suspend, or revoke a license. Failure or refusal of an individual to cooperate with the study is just cause for denying or terminating employment of the individual if the individual's failure or refusal to cooperate could cause the applicant's application to be denied or the license holder's license to be immediately suspended, suspended, or revoked.

(e) The commissioner shall not consider an application to be complete until all of the information required to be provided under this subdivision has been received.

(f) No person in paragraph (a), clause (1), (2), (3), or (4), or (5) who is disqualified as a result of this section may be retained by the agency in a position involving direct contact with persons served by the program.

(g) Termination of persons in paragraph (a), clause (1), (2), (3), or (4), or (5) made in good faith reliance on a notice of disqualification provided by the commissioner shall not subject the applicant or license holder to civil liability.

(h) The commissioner may establish records to fulfill the requirements of this section.

(i) The commissioner may not disqualify an individual subject to a study under this section because that person has, or has had, a mental illness as defined in section 245.462, subdivision 20.

(j) An individual who is subject to an applicant background study under this section and whose disqualification in connection with a license would be subject to the limitations on reconsideration set forth in subdivision 3b, paragraph (c), shall be disqualified for conviction of the crimes specified in the manner specified in subdivision 3b, paragraph (c). The commissioner of human services shall amend Minnesota Rules, part 9543.3070, to conform to this section.

(k) An individual must be disqualified if it has been determined that the individual failed to make required reports under sections 626.556, subdivision 3, or 626.557, subdivision 3, for incidents in which: (1) the final disposition under section 626.556 or 626.557 was substantiated maltreatment, and (2) the maltreatment was recurring or serious as defined in Minnesota Rules, part 9543.3020, subpart 10.

(l) An individual subject to disqualification under this subdivision has the applicable rights in subdivision 3a, 3b, or 3c.

Sec. 6. Minnesota Statutes 1994, section 256.045, subdivision 1, is amended to read:

Subdivision 1. [POWERS OF THE STATE AGENCY.] The commissioner of human services may appoint one or more state human services referees to conduct hearings and recommend orders in accordance with subdivisions 3, 3a, 3b, 4a, and 5. Human services referees designated pursuant to this section may administer oaths and shall be under the control and supervision of the commissioner of human services and shall not be a part of the office of administrative hearings established pursuant to sections 14.48 to 14.56.

Sec. 7. Minnesota Statutes 1994, section 256.045, subdivision 3, is amended to read:

Subd. 3. [STATE AGENCY HEARINGS.] Any person applying for, receiving or having received public assistance or a program of social services granted by the state agency or a county agency under sections 252.32, 256.031 to 256.036, and 256.72 to 256.879, chapters 256B, 256D, 256E, 261, or the federal Food Stamp Act whose application for assistance is denied, not acted

upon with reasonable promptness, or whose assistance is suspended, reduced, terminated, or claimed to have been incorrectly paid, or any patient or relative aggrieved by an order of the commissioner under section 252.27, or a party aggrieved by a ruling of a prepaid health plan, or any individual or facility determined by a lead agency to have maltreated a vulnerable adult under section 626.557 after they have exercised their right to administrative reconsideration under section 626.557, may contest that action or, decision, or final disposition before the state agency by submitting a written request for a hearing to the state agency within 30 days after receiving written notice of the action or, decision, or final disposition, or within 90 days of such written notice if the applicant, recipient, patient, or relative shows good cause why the request was not submitted within the 30-day time limit.

The hearing for an individual or facility under section 626.557 is the only administrative appeal to the final lead agency disposition specifically, including a challenge to the accuracy and completeness of data under section 13.04.

For purposes of this section, bargaining unit grievance procedures are not an administrative appeal.

Except for a prepaid health plan, a vendor of medical care as defined in section 256B.02, subdivision 7, or a vendor under contract with a county agency to provide social services under section 256E.08, subdivision 4, is not a party and may not request a hearing under this section.

An applicant or recipient is not entitled to receive social services beyond the services included in the amended community social services plan developed under section 256E.081, subdivision 3, if the county agency has met the requirements in section 256E.081.

Sec. 8. Minnesota Statutes 1994, section 256.045, is amended by adding a subdivision to read:

Subd. 3b. [STANDARD OF EVIDENCE FOR MALTREATMENT HEARINGS.] The state human services referee shall determine that maltreatment has occurred if a preponderance of evidence exists to support the final disposition under section 626.557.

The state human services referee shall recommend an order to the commissioner of health or human services, as applicable, who shall issue a final order. The commissioner shall affirm, reverse, or modify the final disposition. Any order of the commissioner issued in accordance with this subdivision is conclusive upon the parties unless appeal is taken in the manner provided in subdivision 7. In any licensing appeal under chapter 245A and sections 144.50 to 144.58 and 144A.02 to 144A.46, the commissioner's findings as to whether maltreatment occurred is conclusive.

Sec. 9. Minnesota Statutes 1994, section 256.045, subdivision 4, is amended to read:

Subd. 4. [CONDUCT OF HEARINGS.] (a) All hearings held pursuant to subdivision 3, 3a, 3b, or 4a shall be conducted according to the provisions of the federal Social Security Act and the regulations implemented in accordance with that act to enable this state to qualify for federal grants-in-aid, and according to the rules and written policies of the commissioner of human services. County agencies shall install equipment necessary to conduct telephone hearings. A state human services referee may schedule a telephone conference hearing when the distance or time required to travel to the county agency offices will cause a delay in the issuance of an order, or to promote efficiency, or at the mutual request of the parties. Hearings may be conducted by telephone conferences unless the applicant, recipient, or former recipient, person, or facility contesting maltreatment objects. The hearing shall not be held earlier than five days after filing of the required notice with the county or state agency. The state human services referee shall notify all interested persons of the time, date, and location of the hearing at least five days before the date of the hearing. Interested persons may be represented by legal counsel or other representative of their choice at the hearing and may appear personally, testify and offer evidence, and examine and cross-examine witnesses. The applicant, recipient, or former recipient, person, or facility contesting maltreatment shall have the opportunity to examine the contents of the case file and all documents and records to be used by the county agency at the hearing at a reasonable time before the date of the hearing and during the hearing. In cases alleging discharge for maltreatment, either party may subpoena the private data relating to the investigation memorandum prepared by the lead agency under section 626.557, provided the name of the reporter may not be disclosed.

(b) The private data must be subject to a protective order which prohibits its disclosure for any other purpose outside the hearing provided for in this section without prior order of the district court. Disclosure without court order is punishable by a sentence of not more than 90 days imprisonment or a fine of not more than \$700, or both. These restrictions on the use of private data do not prohibit access to the data under section 13.03, subdivision 6. Upon request, the county agency shall provide reimbursement for transportation, child care, photocopying, medical assessment, witness fee, and other necessary and reasonable costs incurred by the applicant, recipient, or former recipient in connection with the appeal, except in appeals brought under subdivision 3b. All evidence, except that privileged by law, commonly accepted by reasonable people in the conduct of their affairs as having probative value with respect to the issues shall be submitted at the hearing and such hearing shall not be "a contested case" within the meaning of section 14.02, subdivision 3.

Sec. 10. Minnesota Statutes 1994, section 256.045, subdivision 5, is amended to read:

Subd. 5. [ORDERS OF THE COMMISSIONER OF HUMAN SERVICES.] This subdivision does not apply to appeals under subdivision 3b. A state human services referee shall conduct a hearing on the appeal and shall recommend an order to the commissioner of human services. The recommended order must be based on all relevant evidence and must not be limited to a review of the propriety of the state or county agency's action. A referee may take official notice of adjudicative facts. The commissioner of human services may accept the recommended order of a state human services referee and issue the order to the county agency and the applicant, recipient, former recipient, or prepaid health plan. The commissioner on refusing to accept the recommended order of the state human services referee, shall notify the county agency and the applicant, recipient, former recipient, or prepaid health plan of that fact and shall state reasons therefor and shall allow each party ten days' time to submit additional written argument on the matter. After the expiration of the ten-day period, the commissioner shall issue an order on the matter to the county agency and the applicant, recipient, former recipient, or prepaid health plan.

A party aggrieved by an order of the commissioner may appeal under subdivision 7, or request reconsideration by the commissioner within 30 days after the date the commissioner issues the order. The commissioner may reconsider an order upon request of any party or on the commissioner's own motion. A request for reconsideration does not stay implementation of the commissioner's order. Upon reconsideration, the commissioner may issue an amended order or an order affirming the original order.

Any order of the commissioner issued under this subdivision shall be conclusive upon the parties unless appeal is taken in the manner provided by subdivision 7. Any order of the commissioner is binding on the parties and must be implemented by the state agency or a county agency until the order is reversed by the district court, or unless the commissioner or a district court orders monthly assistance or aid or services paid or provided under subdivision 10.

Except for a prepaid health plan, a vendor of medical care as defined in section 256B.02, subdivision 7, or a vendor under contract with a county agency to provide social services under section 256E.08, subdivision 4, is not a party and may not request a hearing or seek judicial review of an order issued under this section.

Sec. 11. Minnesota Statutes 1994, section 256.045, subdivision 6, is amended to read:

Subd. 6. [ADDITIONAL POWERS OF THE COMMISSIONER; SUBPOENAS.] (a) The commissioner of human services, or the commissioner of health for matters within the commissioner's jurisdiction under subdivision 3b, may initiate a review of any action or decision of a county agency and direct that the matter be presented to a state human services referee for a hearing held under subdivision 3, 3a, 3b, or 4a. In all matters dealing with human services committed by law to the discretion of the county agency, the commissioner's judgment may be substituted for that of the county agency. The commissioner may order an independent examination when appropriate.

(b) Any party to a hearing held pursuant to subdivision 3, 3a, 3b, or 4a may request that the commissioner issue a subpoena to compel the attendance of witnesses at the hearing. The issuance, service, and enforcement of subpoenas under this subdivision is governed by section 357.22 and the Minnesota Rules of Civil Procedure.

(c) The commissioner may issue a temporary order staying a proposed demission by a residential facility licensed under chapter 245A while an appeal by a recipient under subdivision 3 is pending or for the period of time necessary for the county agency to implement the commissioner's order.

Sec. 12. Minnesota Statutes 1994, section 256.045, subdivision 7, is amended to read:

Subd. 7. [JUDICIAL REVIEW.] Any party who is aggrieved by an order of the commissioner of human services, or the commissioner of health in appeals within the commissioner's jurisdiction under subdivision 3b, may appeal the order to the district court of the county responsible for furnishing assistance, or, in appeals under subdivision 3b, the county where the maltreatment occurred, by serving a written copy of a notice of appeal upon the commissioner and any adverse party of record within 30 days after the date the commissioner issued the order, the amended order, or order affirming the original order, and by filing the original notice and proof of service with the court administrator of the district court. Service may be made personally or by mail; service by mail is complete upon mailing; no filing fee shall be required by the court administrator in appeals taken pursuant to this subdivision, with the exception of appeals taken under subdivision 3b. The commissioner may elect to become a party to the proceedings in the district court. Except for appeals under subdivision 3b, any party may demand that the commissioner furnish all parties to the proceedings with a copy of the decision, and a transcript of any testimony, evidence, or other supporting papers from the hearing held before the human services referee, by serving a written demand upon the commissioner within 30 days after service of the notice of appeal. Any party aggrieved by the failure of an adverse party to obey an order issued by the commissioner under subdivision 5 may compel performance according to the order in the manner prescribed in sections 586.01 to 586.12.

Sec. 13. Minnesota Statutes 1994, section 256.045, subdivision 8, is amended to read:

Subd. 8. [HEARING.] Any party may obtain a hearing at a special term of the district court by serving a written notice of the time and place of the hearing at least ten days prior to the date of the hearing. Except for appeals under subdivision 3b, the court may consider the matter in or out of chambers, and shall take no new or additional evidence unless it determines that such evidence is necessary for a more equitable disposition of the appeal.

Sec. 14. Minnesota Statutes 1994, section 256.045, subdivision 9, is amended to read:

Subd. 9. [APPEAL.] Any party aggrieved by the order of the district court may appeal the order as in other civil cases. Except for appeals under subdivision 3b, no costs or disbursements shall be taxed against any party nor shall any filing fee or bond be required of any party.

Sec. 15. Minnesota Statutes 1994, section 268.09, subdivision 1, is amended to read:

Subdivision 1. [DISQUALIFYING CONDITIONS.] An individual separated from any employment under paragraph (a), (b), or (d) shall be disqualified for waiting week credit and benefits. For separations under paragraphs (a) and (b), the disqualification shall continue until four calendar weeks have elapsed following the individual's separation and the individual has earned eight times the individual's weekly benefit amount in insured work.

(a) [VOLUNTARY LEAVE.] The individual voluntarily and without good cause attributable to the employer discontinued employment with such employer. For the purpose of this paragraph, a separation from employment by reason of its temporary nature or for inability to pass a test or for inability to meet performance standards necessary for continuation of employment shall not be deemed voluntary.

A separation shall be for good cause attributable to the employer if it occurs as a consequence of sexual harassment. Sexual harassment means unwelcome sexual advances, requests for sexual favors, sexually motivated physical contact or other conduct or communication of a sexual nature when: (1) the employee's submission to such conduct or communication is made a term or condition of the employment, (2) the employee's submission to or rejection of such conduct or communication is the basis for decisions affecting employment, or (3) such conduct or communication has the purpose or effect of substantially interfering with an individual's work performance or creating an intimidating, hostile, or offensive working environment and the

employer knows or should know of the existence of the harassment and fails to take timely and appropriate action.

(b) [DISCHARGE FOR MISCONDUCT.] The individual was discharged for misconduct, not amounting to gross misconduct connected with work or for misconduct which interferes with and adversely affects employment.

(c) [EXCEPTIONS TO DISQUALIFICATION.] An individual shall not be disqualified under paragraphs (a) and (b) under any of the following conditions:

(1) the individual voluntarily discontinued employment to accept employment offering substantially better conditions or substantially higher wages or both;

(2) the individual is separated from employment due to personal, serious illness provided that such individual has made reasonable efforts to retain employment.

An individual who is separated from employment due to the individual's illness of chemical dependency which has been professionally diagnosed or for which the individual has voluntarily submitted to treatment and who fails to make consistent efforts to maintain the treatment the individual knows or has been professionally advised is necessary to control that illness has not made reasonable efforts to retain employment.

(3) the individual accepts work from a base period employer which involves a change in location of work so that said work would not have been deemed to be suitable work under the provisions of subdivision 2 and within a period of 13 weeks from the commencement of said work voluntarily discontinues employment due to reasons which would have caused the work to be unsuitable under the provision of said subdivision 2;

(4) the individual left employment because of reaching mandatory retirement age and was 65 years of age or older;

(5) the individual is terminated by the employer because the individual gave notice of intention to terminate employment within 30 days. This exception shall be effective only through the calendar week which includes the date of intended termination, provided that this exception shall not result in the payment of benefits for any week for which the individual receives the individual's normal wage or salary which is equal to or greater than the weekly benefit amount;

(6) the individual is separated from employment due to the completion of an apprenticeship program, or segment thereof, approved pursuant to chapter 178;

(7) the individual voluntarily leaves part-time employment with a base period employer while continuing full-time employment if the individual attempted to return to part-time employment after being separated from the full-time employment, and if substantially the same part-time employment with the base period employer was not available for the individual;

(8) the individual is separated from employment based solely on a provision in a collective bargaining agreement by which an individual has vested discretionary authority in another to act on behalf of the individual;

(9) except as provided in paragraph (d), separations from part-time employment will not be disqualifying when the claim is based on sufficient full-time employment to establish a valid claim from which the claimant has been separated for nondisqualifying reasons; or

(10) the individual accepts employment which represents a substantial departure from the individual's customary occupation and experience and would not be deemed suitable work as defined under subdivision 2, paragraphs (a) and (b), and within a period of 30 days from the commencement of that work voluntarily discontinues the employment due to reasons which would have caused the work to be unsuitable under the provisions of subdivision 2 or, if in commission sales, because of a failure to earn gross commissions averaging an amount equal to or in excess of the individual's weekly benefit amount. Other provisions notwithstanding, applying this provision precludes the use of these wage credits to clear a disqualification.

(d) [DISCHARGE FOR GROSS MISCONDUCT.] The individual was discharged for gross

misconduct connected with work or gross misconduct which interferes with and adversely affects the individual's employment. For a separation under this clause, the commissioner shall impose a total disqualification for the benefit year and cancel all of the wage credits from the last employer from whom the individual was discharged for gross misconduct connected with work.

For the purpose of this paragraph "gross misconduct" is defined as misconduct involving assault and battery or the malicious destruction of property or arson or sabotage or embezzlement or any other act, including theft, the commission of which amounts to a felony or gross misdemeanor. For an employee of a ~~health-care facility~~, as defined in section 626.5572, gross misconduct also includes misconduct involving an act of patient or resident abuse, financial exploitation, or recurring or serious neglect, as defined in section ~~626.557, subdivision 2, clause (d) 626.5572~~ and applicable rules.

If an individual is convicted of a felony or gross misdemeanor for the same act or acts of misconduct for which the individual was discharged, the misconduct is conclusively presumed to be gross misconduct if it was connected with the individual's work.

(e) [LIMITED OR NO CHARGE OF BENEFITS.] Benefits paid subsequent to an individual's separation under any of the foregoing paragraphs, excepting paragraphs (c)(3), (c)(5), and (c)(8), shall not be used as a factor in determining the future contribution rate of the employer from whose employment such individual separated.

Benefits paid subsequent to an individual's failure to accept an offer of suitable reemployment or to accept reemployment which offered substantially the same or better hourly wages and conditions of work as were previously provided by that employer, but was deemed unsuitable under subdivision 2, shall not be used as a factor in determining the future contribution rate of the employer whose offer of reemployment was not accepted or whose offer of reemployment was refused solely due to the distance of the available work from the individual's residence, the individual's own serious illness, the individual's other employment at the time of the offer, or if the individual is in training with the approval of the commissioner.

Benefits paid by another state as a result of Minnesota transferring wage credits under the federally required combined wage agreement shall not be directly charged to either the taxpaying or reimbursing employer.

(f) [ACTS OR OMISSIONS.] An individual who was employed by an employer shall not be disqualified for benefits under this subdivision for any acts or omissions occurring after separation from employment with the employer.

(g) [DISCIPLINARY SUSPENSIONS.] An individual shall be disqualified for waiting week credit and benefits for the duration of any disciplinary suspension of 30 days or less resulting from the individual's own misconduct. Disciplinary suspensions of more than 30 days shall constitute a discharge from employment.

#### Sec. 16. [APPLICATION.]

The provision of section 7 that eliminates certain challenges to the accuracy and completeness of data under Minnesota Statutes, section 13.04, does not apply if the individual initiated a challenge under Minnesota Statutes, section 13.04, before the effective date of section 7.

(b) The annual report required under paragraph (a), due January 15, 1996, shall advise the legislature regarding possible additional steps in insurance reform that would be helpful in progressing toward universal coverage. (c) The annual report due required under paragraph (a), required on January 15, 1996, shall advise the legislature regarding possible changes in the individual insurance market. The report shall consider initiatives regarding purchasing pools, including specific design details of a state-run or state-initiated purchasing pool for individuals, specific legislative reforms needed to encourage the formation of purchasing pools, and point-by-point consideration of the obstacles to enactment of these purchasing pools, including adverse selection. The report shall consider the creation of a standard and objective definition of eligibility for the comprehensive health association, and whether the enactment of such a definition could be coupled with guaranteed issuance for the remainder of the individual market. The report should include all other considerations of the commission as to the optimal reforms of the individual market.

(d) The annual report required under paragraph (a), due January 15, 1998, must include an evaluation of the reduction and elimination of the standard deduction required under section 62Q.166 and an assessment of any additional steps that may be necessary to achieve universal coverage as defined in this section.

(e) To the extent possible, the health care commission shall utilize existing information, including information collected by other state or federal agencies and organizations, to complete the studies and reports in this subdivision. State agencies and organizations shall provide information, technical and analytic support, and other assistance to the commission as possible, to ensure the timely and efficient completion of the studies and reports in this subdivision. Staff from the appropriate state agencies shall participate with the commission executive director no later

than June 15 each year in initial planning and coordination for the annual reports and studies of this subdivision. Following this initial planning, the executive director shall report to the legislative oversight commission on health care access by July 1 each year on the initial study plan, and on any commission tasks or studies which may not be completed as scheduled due to such constraints as lack of sufficient available information or resources."

Sec. 6. [62J.301] [RESEARCH AND DATA INITIATIVES.]

Subdivision 1. [DEFINITIONS.] For purposes of sections 62J.2930 to 62J.42, the following definitions apply:

(a) "Health outcomes data" means data used in research designed to identify and analyze the outcomes and costs of alternative interventions for a given clinical condition, in order to determine the most appropriate and cost-effective means to prevent, diagnose, treat, or manage the condition, or in order to develop and test methods for reducing inappropriate or unnecessary variations in the type and frequency of interventions.

(b) "Encounter level data" means data related to the utilization of health care services by, and the provision of health care services to individual patients, enrollees, or insureds, including claims data, abstracts of medical records, and data from patient interviews and patient surveys.

Subd. 2. [STATEMENT OF PURPOSE.] The commissioner of health shall conduct data and research initiatives in order to monitor and improve the efficiency and effectiveness of health care in Minnesota.

Subd. 3. [GENERAL DUTIES.] The commissioner shall:

(1) collect and maintain data which enable population-based monitoring and trending of the access, utilization, quality, and cost of health care services within Minnesota;

(2) collect and maintain data for the purpose of estimating total Minnesota health care expenditures and trends;

(3) collect and maintain data for the purposes of setting limits under section 62J.04, and measuring growth limit compliance;

(4) conduct applied research using existing and new data and promote applications based on existing research;

(5) develop and implement data collection procedures to ensure a high level of cooperation from health care providers and health plan companies, as defined in section 62Q.01, subdivision 4;

(6) work closely with health plan companies and health care providers to promote improvements in health care efficiency and effectiveness; and

(7) participate as a partner or sponsor of private sector initiatives that promote publicly disseminated applied research on health care delivery, outcomes, costs, quality, and management.

Subd. 4. [INFORMATION TO BE COLLECTED.] (a) The data collected may include health outcomes data, patient functional status, and health status. The data collected may include information necessary to measure and make adjustments for differences in the severity of patient condition across different health care providers, and may include data obtained directly from the patient or from patient medical records, as provided in section 62J.321, subdivision 1.

(b) The commissioner may:

(1) collect the encounter level data required for the research and data initiatives of sections 62J.301 to 62J.42, using, to the greatest extent possible, standardized forms and procedures; and

(2) process the data collected to ensure validity, consistency, accuracy, and completeness, and as appropriate, merge data collected from different sources.

(c) For purposes of estimating total health care spending and forecasting rates of growth in health care spending, the commissioner may collect from health care providers data on patient revenues and health care spending during a time period specified by the commissioner. The commissioner may also collect data on health care revenues and spending from group purchasers of health care. Health care providers and group purchasers doing business in the state shall provide the data requested by the commissioner at the times and in the form specified by the commissioner. Professional licensing boards and state agencies responsible for licensing, registering, or regulating providers and group purchasers shall cooperate fully with the commissioner in achieving compliance with the reporting requirements.

Subd. 5. [NONLIMITING.] Nothing in this section shall be construed to limit the powers granted to the commissioner of health under chapter 62D, 62N, 144, or 144A.

Sec. 7. [62J.311] [ANALYSIS AND USE OF DATA.]

Subdivision 1. [DATA ANALYSIS.] The commissioner shall analyze the data collected to:

(1) assist the state in developing and refining its health policy in the areas of access, utilization, quality, and cost;

(2) assist the state in promoting efficiency and effectiveness in the financing and delivery of health services;

(3) monitor and track accessibility, utilization, quality, and cost of health care services within the state;

(4) evaluate the impact of health care reform activities;

(5) assist the state in its public health activities; and

(6) evaluate and determine the most appropriate methods for ongoing data collection.

Subd. 2. [CRITERIA FOR DATA AND RESEARCH INITIATIVES.] (a) Data and research initiatives by the commissioner must:

(1) serve the needs of the general public, public sector health care programs, employers and other purchasers of health care, health care providers, including providers serving large numbers of people with low-income, and health plan companies as applicable;

(2) be based on scientifically sound and statistically valid methods;

(3) be statewide in scope, to the extent feasible, in order to benefit health care purchasers and providers in all parts of Minnesota and to ensure broad and representative health care data for research comparisons and applications;

(4) emphasize data that is useful, relevant, and nonredundant of existing data. The initiatives may duplicate existing private data collection activities, if necessary to ensure that the data collected will be in the public domain;

(5) be structured to minimize the administrative burden on health plan companies, health care providers, and the health care delivery system, and minimize any privacy impact on individuals; and

(6) promote continuous improvement in the efficiency and effectiveness of health care delivery.

(b) Data and research initiatives related to public sector health care programs must:

(1) assist the state's current health care financing and delivery programs to deliver and purchase health care in a manner that promotes improvements in health care efficiency and effectiveness;

(2) assist the state in its public health activities, including the analysis of disease prevalence and trends and the development of public health responses;

(3) assist the state in developing and refining its overall health policy, including policy related to health care costs, quality, and access; and

(4) provide data that allows the evaluation of state health care financing and delivery programs.

#### Sec. 8. [62J.321] [DATA COLLECTION AND PROCESSING PROCEDURES.]

Subdivision 1. [DATA COLLECTION.] (a) The commissioner shall collect data from health care providers, health plan companies, and individuals in the most cost-effective manner, which does not unduly burden them. The commissioner may require health care providers and health plan companies to collect and provide patient health records and claim files, and cooperate in other ways with the data collection process. The commissioner may also require health care providers and health plan companies to provide mailing lists of patients. Patient consent shall not be required for the release of data to the commissioner pursuant to sections 62J.301 to 62J.42 by any group purchaser, health plan company, health care provider, or agent, contractor, or association acting on behalf of a group purchaser or health care provider. Any group purchaser, health plan company, health care provider, or agent, contractor, or association acting on behalf of a group purchaser or health care provider, that releases data to the commissioner in good faith pursuant to sections 62J.301 to 62J.42 shall be immune from civil liability and criminal prosecution.

(b) When a group purchaser, health plan company, or health care provider submits patient identifying data, as defined in section 62J.451, to the commissioner pursuant to sections 62J.301 to 62J.42, and the data is submitted to the commissioner in electronic form, or through other electronic means including, but not limited to, the electronic data interchange system defined in section 62J.451, the group purchaser, health plan company, or health care provider shall submit the patient identifying data in encrypted form, using an encryption method specified by the commissioner. Submission of encrypted data as provided in this paragraph satisfies the requirements of section 144.335, subdivision 3b.

(c) The commissioner shall require all health care providers, group purchasers, and state agencies to use a standard patient identifier and a standard identifier for providers and health plan companies when reporting data under this chapter. The commissioner must encrypt patient identifiers to prevent identification of individual patients and to enable release of otherwise private data to researchers, providers, and group purchasers in a manner consistent with chapter 13 and sections 62J.55 and 144.335. This encryption must ensure that any data released must be in a form that makes it impossible to identify individual patients.

Subd. 2. [FAILURE TO PROVIDE DATA.] The intentional failure to provide the data requested under this chapter is grounds for disciplinary or regulatory action against a regulated provider or group purchaser. The commissioner may assess a fine against a provider or group purchaser who refuses to provide data required by the commissioner. If a provider or group purchaser refuses to provide the data required, the commissioner may obtain a court order requiring the provider or group purchaser to produce documents and allowing the commissioner to inspect the records of the provider or group purchaser for purposes of obtaining the data required.

Subd. 3. [DATA COLLECTION AND REVIEW.] Data collection must continue for a sufficient time to permit: adequate analysis by researchers and appropriate providers, including providers who will be impacted by the data; feedback to providers; monitoring for changes in practice patterns; and the data and research criteria of section 62J.311, subdivision 2, to be fulfilled.

Subd. 4. [USE OF EXISTING DATA.] (a) The commissioner shall negotiate with private sector organizations currently collecting health care data of interest to the commissioner to obtain required data in a cost-effective manner and minimize administrative costs. The commissioner shall attempt to establish links between the health care data collected to fulfill sections 62J.301 to 62J.42 and existing private sector data and shall consider and implement methods to streamline data collection in order to reduce public and private sector administrative costs.

(b) The commissioner shall use existing public sector data, such as those existing for medical assistance and Medicare, to the greatest extent possible. The commissioner shall establish links between existing public sector data and consider and implement methods to streamline public sector data collection in order to reduce public and private sector administrative costs.

Subd. 5. [DATA CLASSIFICATION.] (a) Data collected to fulfill the data and research initiatives authorized by sections 62J.301 to 62J.42 that identify individual patients or providers are private data on individuals. Data not on individuals are nonpublic data. The commissioner shall establish procedures and safeguards to ensure that data released by the commissioner is in a form that does not identify specific patients, providers, employers, individual or group purchasers, or other specific individuals and organizations, except with the permission of the affected individual or organization, or as permitted elsewhere in this chapter.

(b) Raw unaggregated data collected from household and employer surveys used by the commissioner to monitor the number of uninsured individuals, reasons for lack of insurance coverage, and to evaluate the effectiveness of health care reform, are subject to the same data classifications as data collected pursuant to sections 62J.301 to 62J.42.

(c) Notwithstanding sections 13.03, subdivisions 6 to 8; 13.10, subdivisions 1 to 4; and 138.17, data received by the commissioner pursuant to sections 62J.301 to 62J.42, shall retain the classification designated under this section and shall not be disclosed other than pursuant to this section.

(d) Summary data collected to fulfill the data and research initiatives authorized by sections 62J.301 to 62J.42 may be disseminated under section 13.05, subdivision 7. For the purposes of this section, summary data includes nonpublic data not on individuals.

(e) Notwithstanding paragraph (a), the commissioner may publish nonpublic or private data collected pursuant to sections 62J.301 to 62J.42 on health care costs and spending, quality and outcomes, and utilization for health care institutions, individual health care professionals and groups of health care professionals, group purchasers, and integrated service networks, with a description of the methodology used for analysis. The commissioner may not make public any patient identifying information except as specified in law. The commissioner shall not reveal the

name of an institution, group of professionals, individual health care professional, group purchaser, or integrated service network until after the institution, group of professionals, individual health care professional, group purchaser, or integrated service network has had 21 days to review the data and comment. The commissioner shall include comments received in the release of the data.

(f) A provider or group purchaser may contest whether the data meets the criteria of section 62J.311, subdivision 2, paragraph (a), clause (2), in accordance with a contested case proceeding as set forth in sections 14.57 to 14.62, subject to appeal in accordance with sections 14.63 to 14.68. To obtain a contested case hearing, the provider or group purchaser must make a written request to the commissioner before the end of the time period for review and comment. Within ten days of the assignment of an administrative law judge, the provider or group purchaser shall make a clear showing to the administrative law judge of probable success in a hearing on the merits and likely irreparable injury to the provider or group purchaser if the data is published. If the administrative law judge determines that the provider or group purchaser has made such a showing, the data shall remain private or nonpublic during the contested case proceeding and appeal. If the administrative law judge determines that the provider or group purchaser has not made such a showing, the commissioner may publish the data immediately, with comments received in the release of the data. The contested case proceeding and subsequent appeal is not an exclusive remedy and any person may seek a remedy pursuant to section 13.08, subdivisions 1 to 4, or as otherwise authorized by law.

Subd. 6. [RULEMAKING.] The commissioner may adopt rules to implement sections 62J.301 to 62J.452. In adopting rules under this subdivision, in addition to the statement of need and reasonableness required by section 14.131, the commissioner shall prepare a written regulatory analysis of each proposed rule. The regulatory analysis must contain:

(1) a description of the classes of persons who will be affected by the proposed rule, including classes that will bear the costs of the proposed rule and classes that will benefit from the proposed rule;

(2) a description of the probable short-term and long-term quantitative and qualitative impact of the proposed rule, economic or otherwise, upon affected classes of person;

(3) the probable costs to the department of the implementation and enforcement of the proposed rule;

(4) a comparison of the probable costs and benefits of the proposed rule to the probable costs and benefits of inaction;

(5) a determination of whether there are less costly methods or less intrusive methods for achieving the purpose of the proposed rule; and

(6) a description of any alternative methods for achieving the purpose of the proposed rules that were seriously considered by the agency and the reasons why they were rejected in favor of the proposed rule.

Subd. 7. [FEDERAL AND OTHER GRANTS.] The commissioner may seek federal funding, and funding from private and other nonstate sources, for data and research initiatives.

Subd. 8. [CONTRACTS AND GRANTS.] To carry out the duties assigned in sections 62J.301 to 62J.42, the commissioner may contract with or provide grants to private sector entities. Any contract or grant must require the private sector entity to maintain the data which it receives according to the statutory provisions applicable to the data.

#### Sec. 9. [62J.322] [PROVIDER INFORMATION PILOT STUDY.]

The commissioner shall develop a pilot study to collect comparative data from health care providers on opportunities and barriers to the provision of quality, cost-effective health care. The provider information pilot study shall include providers in community integrated service networks, integrated service networks, health maintenance organizations, preferred provider organizations, indemnity insurance plans, public programs, and other health plan companies. Health plan companies and group purchasers shall provide to the commissioner providers' names, health plan

assignment, and other appropriate data necessary for the commissioner to conduct the study. The provider information pilot study shall examine factors that increase and hinder access to the provision of quality, cost-effective health care. The study may examine:

- (1) administrative barriers and facilitators;
- (2) time spent obtaining permission for appropriate and necessary treatments;
- (3) latitude to order appropriate and necessary tests, pharmaceuticals, and referrals to specialty providers;
- (4) assistance available for decreasing administrative and other routine paperwork activities;
- (5) continuing education opportunities provided;
- (6) access to readily available information on diagnoses, diseases, outcomes, and new technologies;
- (7) continuous quality improvement activities;
- (8) inclusion in administrative decision making;
- (9) access to social services and other services that facilitate continuity of care;
- (10) economic incentives and disincentives;
- (11) peer review procedures; and
- (12) the prerogative to address public health needs.

In selecting additional data for collection, the commissioner shall consider the: (i) statistical validity of the data; (ii) public need for the data; (iii) estimated expense of collecting and reporting the data; and (iv) usefulness of the data to identify barriers and opportunities to improve quality care provision within health plan companies.

Sec. 10. Minnesota Statutes 1994, section 62J.37, is amended to read:

**62J.37 [COST CONTAINMENT DATA FROM INTEGRATED SERVICE NETWORKS.]**

Sec. 15. [62J.451] [MINNESOTA HEALTH DATA INSTITUTE.]

Subdivision 1. [STATEMENT OF PURPOSE.] It is the intention of the legislature to create a partnership between the public and the private sectors for the coordination of efforts related to the collection, analysis, and dissemination of cost, access, quality, utilization, and other performance data, to the extent administratively efficient and effective.

The Minnesota health data institute shall be a partnership between the commissioner of health and a board of directors representing group purchasers, health care providers, and consumers.

Subd. 2. [DEFINITIONS.] For purposes of this section and section 62J.452, the following definitions apply.

(a) "Analysis" means the identification of selected data elements, a description of the methodology used to select or analyze those data elements, and any other commentary, conclusions, or other descriptive material that the health data institute determines is appropriately included, all of which is undertaken by the health data institute for one or more of the purposes or objectives set forth in subdivisions 1 and 3, or by other authorized researchers pursuant to section 62J.452, subdivision 6.

(b) "Board" means the board of directors of the health data institute.

"Roster data" with regard to a patient of a provider means the patient's name, address, telephone number, date of birth, gender, and date or dates treated, including, if applicable, the date of admission and the date of discharge.

Subd. 3. [OBJECTIVES OF THE HEALTH DATA INSTITUTE.] (a) The health data institute shall:

(1) develop a data collection plan that provides coordination for public and private sector data collection efforts related to the performance measurement and improvement of the health care delivery system;

(2) establish an electronic data interchange system that may be used by the public and private sectors to exchange health care data in a cost-efficient manner;

(3) develop a mechanism to collect, analyze, and disseminate information for comparing the cost and quality of health care delivery system components, including health plan companies and provider organizations;

(4) develop policies and procedures to protect the privacy of individual-identifiable data, and to assure appropriate access to and disclosure of information specific to individual health plan companies and provider organizations collected pursuant to this section; and

(5) use and build upon existing data sources and performance measurement efforts, and improve upon these existing data sources and measurement efforts through the integration of data systems and the standardization of concepts, to the greatest extent possible.

(b) In carrying out its responsibilities, the health data institute may contract with private sector organizations currently collecting data on specific health-related areas of interest to the health data institute, in order to achieve maximum efficiency and cost-effectiveness. The health data institute

may establish links between the data collected and maintained by the health data institute and private sector data through the health data institute's electronic data interchange system, and may implement methods to streamline data collection in order to reduce public and private sector administrative costs. The health data institute may use or establish links with public sector data, such as that existing for medical assistance and Medicare, to the extent permitted by state and federal law. The health data institute may also recommend methods to streamline public sector data collection in order to reduce public and private sector administrative costs.

(c) Any contract with a private sector entity must require the private sector entity to maintain the data collected according to the applicable data privacy provisions, as provided in section 62J.452.

Subd. 4. [DATA COLLECTION PLAN.] (a) The health data institute shall develop a plan that:

(1) identifies the health care data needs of consumers, group purchasers, providers, and the state regarding the performance of health care delivery system components including health plan companies and provider organizations;

(2) specifies data collection objectives, strategies, priorities, cost estimates, administrative and operational guidelines, and implementation timelines for the health data institute; and

(3) identifies the data needed for the health data institute to carry out the duties assigned in this section. The plan must take into consideration existing data sources and data sources that can easily be made uniform for links to other data sets.

(b) This plan shall be updated on an annual basis.

Subd. 5. [HEALTH CARE ELECTRONIC DATA INTERCHANGE SYSTEM.] (a) The health data institute shall establish an electronic data interchange system that electronically transmits, collects, archives, and provides users of data with the data necessary for their specific interests, in order to promote a high quality, cost-effective, consumer-responsive health care system. This public-private information system shall be developed to make health care claims processing and financial settlement transactions more efficient and to provide an efficient, unobtrusive method for meeting the shared electronic data interchange needs of consumers, group purchasers, providers, and the state.

(b) The health data institute shall operate the Minnesota center for health care electronic data interchange established in section 62J.57, and shall integrate the goals, objectives, and activities of the center with those of the health data institute's electronic data interchange system.

Subd. 6. [PERFORMANCE MEASUREMENT INFORMATION.] (a) The health data institute shall develop and implement a performance measurement plan to analyze and disseminate health care data to address the needs of consumers, group purchasers, providers, and the state for performance measurement at various levels of the health care system in the state. The plan shall include a mechanism to:

(1) provide comparative information to consumers, purchasers, and policymakers for use in performance assessment of health care system components, including health plan companies and provider organizations;

(2) complement and enhance, but not replace, existing internal performance improvement efforts of health care providers and plans; and

(3) reduce unnecessary administrative costs in the health care system by eliminating duplication in the collection of data for both evaluation and improvement efforts.

(b) Performance measurement at the provider organization level may be conducted on a condition-specific basis. Criteria for selecting conditions for measurement may include:

(1) relevance to consumers and purchasers;

(2) prevalence of conditions;

  - (5) evidence of variability in management;
  - (6) existence of risk adjustment methodologies to control for patient and other risk factors contributing to variation in cost and quality;
  - (7) existence of practice guidelines related to the condition; and
  - (8) relevance of the condition to public health goals.
- (c) Performance measurement on a condition-specific basis may consider multiple dimensions of performance, including, but not limited to:

- (1) accessibility;
- (2) appropriateness;
- (3) effectiveness, including clinical outcomes, patient satisfaction, and functional status; and
- (4) efficiency.

(d) Collection of data for condition-specific performance measurement may be conducted at the patient level. Encounter-level data collected for this purpose may include unique identifiers for patients, providers, payers, and employers in order to link episodes of care across care settings and over time. The health data institute must encrypt patient identifiers to prevent identification of individual patients and to enable release of otherwise private data to researchers, providers, and group purchasers in a manner consistent with chapter 13 and sections 62J.452 and 144.335.

Subd. 6a. [HEALTH PLAN COMPANY PERFORMANCE MEASUREMENT.] As part of the performance measurement plan specified in subdivision 6, the health data institute shall develop a mechanism to assess the performance of health plan companies, and to disseminate this information through reports and other means to consumers, purchasers, policymakers, and other interested parties, consistent with the data policies specified in section 62J.452.

[CONSUMER SURVEYS.] (a) The health data institute shall develop and implement a mechanism for collecting comparative data on consumer perceptions of the health care system, including consumer satisfaction, through adoption of a standard consumer survey. This survey shall include enrollees in community integrated service networks, integrated service networks, health maintenance organizations, preferred provider organizations, indemnity insurance plans, public programs, and other health plan companies. The health data institute, in consultation with the health care commission, shall determine a mechanism for the inclusion of the uninsured. This consumer survey may be conducted every two years. A focused survey may be conducted on the off years. Health plan companies and group purchasers shall provide to the health data institute roster data as defined in subdivision 2, including the names, addresses, and telephone numbers of enrollees and former enrollees and other data necessary for the completion of this survey. This roster data provided by the health plan companies and group purchasers is classified as provided under section 62J.452. The health data institute may analyze and prepare findings from the raw, unaggregated data, and the findings from this survey may be included in the health plan company performance reports specified in subdivision 6a, and in other reports developed and disseminated by the health data institute and the commissioner. The raw, unaggregated data is classified as provided under section 62J.452, and may be made available by the health data institute to the extent permitted under section 62J.452. The health data institute shall provide raw, unaggregated data to the commissioner. The survey may include information on the following subjects:

- (1) enrollees' overall satisfaction with their health care plan;
- (2) consumers' perception of access to emergency, urgent, routine, and preventive care, including locations, hours, waiting times, and access to care when needed;
- (3) premiums and costs;

- (4) technical competence of providers;
- (5) communication, courtesy, respect, reassurance, and support;
- (6) choice and continuity of providers;
- (7) continuity of care;
- (8) outcomes of care;
- (9) services offered by the plan, including range of services, coverage for preventive and routine services, and coverage for illness and hospitalization;
- (10) availability of information; and

(b) The health data institute shall appoint a consumer advisory group which shall consist of 13 individuals, representing enrollees from public and private health plan companies and programs and two uninsured consumers, to advise the health data institute on issues of concern to consumers. The advisory group must have at least one member from each regional coordinating board region of the state. The advisory group expires June 30, 1996.

Subd. 6c. [PROVIDER ORGANIZATION PERFORMANCE MEASUREMENT.] As part of the performance measurement plan specified in subdivision 6, the health data institute shall develop a mechanism to assess the performance of hospitals and other provider organizations, and to disseminate this information to consumers, purchasers, policymakers, and other interested parties, consistent with the data policies specified in section 62J.452. Data to be collected may include structural characteristics including staff-mix and nurse-patient ratios. In selecting additional data for collection, the health data institute may consider:

- (1) feasibility and statistical validity of the indicator;
- (2) purchaser and public demand for the indicator;
- (3) estimated expense of collecting and reporting the indicator; and
- (4) usefulness of the indicator for internal improvement purposes.

Subd. 7. [DISSEMINATION OF REPORTS; OTHER INFORMATION.] (a) The health data institute shall establish a mechanism for the dissemination of reports and other information to consumers, group purchasers, health plan companies, providers, and the state. When applicable, the health data institute shall coordinate its dissemination of information responsibilities with those of the commissioner, to the extent administratively efficient and effective.

(b) The health data institute may require those requesting data from its databases to contribute toward the cost of data collection through the payments of fees.

(c) The health data institute shall not allow a group purchaser or health care provider to use or have access to the electronic data interchange system or to access data under section 62J.452, subdivision 6 or 7, unless the group purchaser or health care provider cooperates with the data collection efforts of the health data institute by submitting or making available through the EDI system or other means all data requested by the health data institute. The health data institute shall prohibit group purchasers and health care providers from transferring, providing, or sharing data obtained from the health data institute under section 62J.452, subdivision 6 or 7, with a group purchaser or health care provider that does not cooperate with the data collection efforts of the health data institute.

Subd. 2. [DATA CLASSIFICATIONS.] (a) Data collected, obtained, received, or created by the health data institute shall be private or nonpublic, as applicable, unless given a different classification in this subdivision. Data classified as private or nonpublic under this subdivision may be released or disclosed only as permitted under this subdivision and under the other subdivisions referenced in this subdivision. For purposes of this section, data that identify individual patients or industry participants are private data on individuals or nonpublic data, as appropriate. Data not on individuals are nonpublic data. Notwithstanding sections 13.03, subdivisions 6 to 8; 13.10, subdivisions 1 to 4; and 138.17, data received by the health data institute shall retain the classification designated under this chapter and shall not be disclosed other than pursuant to this chapter. Nothing in this subdivision prevents patients from gaining access to their health record information pursuant to section 144.335.

(b) When industry participants, as defined in section 62J.451, are required by statute to provide patient identifying data to the commissioner pursuant to this chapter or to the health data institute pursuant to section 62J.451, they shall be able to provide the data with or without patient consent, and may not be held liable for doing so.

(c) When an industry participant submits patient identifying data to the health data institute, and the data is submitted to the health data institute in electronic form, or through other electronic means including, but not limited to, the electronic data interchange system defined in section 62J.451, the industry participant shall submit the patient identifying data in encrypted form, using an encryption method supplied or specified by the health data institute. Submission of encrypted data as provided in this paragraph satisfies the requirements of section 144.335, subdivision 3b.

(e) Industry participant identifying data which is not patient identifying data may be disclosed only by being made public in an analysis as permitted under subdivisions 4 and 5 or through access to an approved researcher, industry participant, or contractor as permitted under subdivision 6 or 7.

(f) Data that is not patient identifying data and not industry participant identifying data is public data.

(g) Data that describes the finances, governance, internal operations, policies, or operating procedures of the health data institute, and that does not identify patients or industry participants or identifies them only in connection with their involvement with the health data institute, is public data.

Subd. 3. [PATIENT IDENTIFYING DATA.] (a) The health data institute must not make public any analysis that contains patient identifying data.

(b) The health data institute may disclose patient identifying data only as follows:

(1) to research organizations that meet the requirements set forth in subdivision 6, paragraph (a), but only to the extent that such disclosure is also permitted by section 144.335, subdivision 3a, paragraph (a); or

(2) to a contractor of, or vendor of services to the health data institute for the purposes of conducting a survey or analysis, provided that such contractor or vendor agrees to comply with all data privacy requirements applicable to the health data institute, and to destroy or return to the health data institute all copies of patient identifying data in the possession of such contractor or vendor upon completion of the contract.

Subd. 4. [ANALYSIS TO BE MADE PUBLIC BY THE HEALTH DATA INSTITUTE.] (a) Notwithstanding the classification under subdivision 2 or other provision of state law of data included or used in an analysis, the health data institute may make public data in an analysis pursuant to this subdivision and subdivision 5. Such analysis may include industry participant identifying data but must not include patient identifying data. In making its determination as to whether to make an analysis or the data used in the analysis public, the health data institute shall consider and determine, in accordance with policies and criteria developed by the health data institute, that the data and analysis are sufficiently accurate, complete, reliable, valid, and as appropriate, case-mixed and severity adjusted, and statistically and clinically significant.

(b) Prior to making an analysis public, the health data institute must provide to any industry participant identified in the analysis an opportunity to use the fair hearing procedure established under subdivision 5.

(c) Accompanying an analysis made public by the health data institute, the health data institute shall also make public descriptions of the database used in the analysis, the methods of adjusting for case mix and severity, and assuring accuracy, completeness, reliability, and statistical and clinical significance, as appropriate, and appropriate uses of the analysis and related analytical data, including precautionary statements regarding the limitations of the analysis and related analytical data.

Subd. 5. [FAIR HEARING PROCEDURE PRIOR TO MAKING AN ANALYSIS PUBLIC.] (a) The health data institute may not make public an analysis that identifies an industry participant unless the health data institute first complies with this subdivision. A draft of the portion of the analysis that identifies an industry participant must be furnished upon an industry participant's request to that industry participant prior to making that portion of the analysis public. Such draft analysis is private or nonpublic, as applicable. The industry participants so identified have the right to a hearing, at which the industry participants may object to or seek modification of the analysis. The cost of the hearing shall be borne by the industry participant requesting the hearing.

(b) The health data institute shall establish the hearing procedure in writing. The hearing procedure shall include the following:

(1) the provision of reasonable notice of the health data institute's intention to make such analysis public;

(2) an opportunity for the identified industry participants to submit written statements to the health data institute board of directors or its designate, to be represented, and to append a statement to such analysis to be included with it when and if the analysis is made public; and

(3) access by the identified industry participants to industry participant identifying data, but only as permitted by subdivision 6 or 7.

(c) The health data institute shall make the hearing procedure available in advance to industry participants which are identified in an analysis. The written hearing procedure is public data. The following data related to a hearing is public:

(1) the parties involved;

(2) the dates of the hearing; and

(3) a general description of the issue and the results of the hearing; all other data relating to the hearing is private or nonpublic.

Subd. 6. [ACCESS BY APPROVED RESEARCHERS TO DATA THAT IDENTIFIES INDUSTRY PARTICIPANTS BUT DOES NOT IDENTIFY PATIENTS.] (a) The health data institute shall provide access to industry participant identifying data, but not patient identifying data, once those data are in analyzable form, upon request to research organizations or individuals that:

(1) have as explicit goals research purposes that promote individual or public health and the release of research results to the public as determined by the health data institute according to standards it adopts for evaluating such goals;

(2) enforce strict and explicit policies which protect the confidentiality and integrity of data as determined by the health data institute according to standards it adopts for evaluating such policies;

(3) agree not to make public, redisclose, or transfer the data to any other individual or organization, except as permitted under paragraph (b);

(4) demonstrate a research purpose for the data that can be accomplished only if the data are provided in a form that identifies specific industry participants as determined by the health data institute according to standards it adopts for evaluating such research purposes; and

(5) agree to disclose analysis in a public forum or publication only pursuant to subdivisions 4 and 5 and other applicable statutes and the health data institute's operating rules governing the making of an analysis public by the health data institute.

(b) Contractors of entities that have access under paragraph (a) may also have access to industry participant identifying data, provided that the contract requires the contractor to comply with the confidentiality requirements set forth in this section and under any other statute applicable to the entity.

Subd. 7. [ACCESS BY INDUSTRY PARTICIPANTS TO DATA THAT IDENTIFIES INDUSTRY PARTICIPANTS BUT DOES NOT IDENTIFY PATIENTS.] (a) The health data institute may provide, to an industry participant, data that identifies that industry participant or other industry participants, to the extent permitted under this subdivision. An employer or an employer purchasing group may receive data relating to care provided to patients for which that employer acts as the payer. A health plan company may receive data relating to care provided to enrollees of that health plan company. A provider may receive data relating to care provided to patients of that provider.

These data must be provided by the health data institute only with appropriate authorization from all industry participants identified.

(c) The health data institute must not provide access to any data under this subdivision that is patient identifying data as defined in section 62J.451, subdivision 2, paragraph (l), even if providing that data would otherwise be allowed under this subdivision.

(d) To receive data under this subdivision, an industry participant must cooperate with the health data institute as provided under section 62J.451, subdivision 7, paragraph (c).

(e) Contractors of entities that have access under paragraph (b) may have access to industry participant identifying data, provided that the contract requires the contractor to comply with the confidentiality requirements set forth in this section and under any other statute applicable to the entity.

The commissioner shall identify a geographic area or areas, including both urban and rural areas, where access to dental services has been inadequate, in which to conduct demonstration projects. The commissioner shall seek any federal waivers or approvals necessary to implement this section from the secretary of health and human services.

The commissioner may exclude from participation in the demonstration project any or all groups currently excluded from participation in the prepaid medical assistance program under section 256B.69. The commissioner shall select either multiple dental plans or a single dental plan in a designated area. A dental plan under contract with the department must serve both medical assistance recipients and general assistance medical care recipients in a designated geographic area and may serve MinnesotaCare recipients. and enrollment activities; dental plan compliance with this section; dental plan performance under other contracts with the department to serve medical assistance, general assistance medical care, or MinnesotaCare recipients; or any other factors necessary to provide the most economical care consistent with high standards of dental care.

For purposes of this section, "dental plan" means an organization licensed under chapter 62C, 62D, or 62N that contracts with the department to provide covered dental care services to recipients on a prepaid capitation basis. "Emergency services" has the meaning given in section 256B.0625, subdivision 4. "Multiple dental plan area" means a designated area in which more than one dental plan is offered. "Participating provider" means a dentist or dental clinic who is employed by or under contract with a dental plan to provide dental care services to recipients. Sec. 21. Minnesota Statutes 1994, section 256B.037, is amended by adding a subdivision to read:

Subd. 1a. [MULTIPLE DENTAL PLAN AREAS.] After the department has executed contracts with dental plans to provide covered dental care services in a multiple dental plan area, the department shall:

An infant less than two years of age or a pregnant woman who has written verification of a positive pregnancy test from a physician or licensed registered nurse, is eligible for medical assistance if countable family income is equal to or less than 275 percent of the federal poverty guideline for the same family size. For purposes of this subdivision, "countable family income" means the amount of income considered available using the methodology of the AFDC program, except for the earned income disregard and employment deductions. An amount equal to the amount of earned income exceeding 275 percent of the federal poverty guideline, up to a maximum of the amount by which the combined total of 185 percent of the federal poverty guideline plus the earned income disregards and deductions of the AFDC program exceeds 275 percent of the federal poverty guideline will be deducted for pregnant women and infants less than two years of age. Eligibility for a pregnant woman or infant less than two years of age under this subdivision must be determined without regard to asset standards established in section 256B.056, subdivision 3.

An infant born on or after January 1, 1991, to a woman who was eligible for and receiving medical assistance on the date of the child's birth shall continue to be eligible for medical assistance without redetermination until the child's second birthday, as long as the child remains in the woman's household.

Subd. 2b. [NO ASSET TEST FOR CHILDREN AND THEIR PARENTS; EXPANSION.] This subdivision supersedes subdivision 2a as long as the Minnesota health care reform waiver remains in effect. When the waiver expires, this subdivision expires and the commissioner of human services shall publish a notice in the State Register and notify the revisor of statutes. Eligibility for medical assistance for a person under age 21, and the person's parents or relative caretakers as defined in the aid to families with dependent children program according to chapter 256, who are eligible under section 256B.055, subdivision 3, and who live in the same household as the person eligible under age 21, must be determined without regard to asset standards established in section 256B.056."

"Sec. 37. Minnesota Statutes 1994, section 256B.0625, subdivision 30, is amended to read:

Subd. 30. [OTHER CLINIC SERVICES.] (a) Medical assistance covers rural health clinic services, federally qualified health center services, nonprofit community health clinic services, public health clinic services, and the services of a clinic meeting the criteria established in rule by the commissioner. Rural health clinic services and federally qualified health center services mean services defined in United States Code, title 42, section 1396d(a)(2)(B) and (C). Payment for rural health clinic and federally qualified health center services shall be made according to applicable federal law and regulation.

(b) A federally qualified health center that is beginning initial operation shall submit an estimate of budgeted costs and visits for the initial reporting period in the form and detail required by the commissioner. A federally qualified health center that is already in operation shall submit an initial report using actual costs and visits for the initial reporting period. Within 90 days of the end of its reporting period, a federally qualified health center shall submit, in the form and detail required by the commissioner, a report of its operations, including allowable costs actually incurred for the period and the actual number of visits for services furnished during the period, and other information required by the commissioner. Federally qualified health centers that file Medicare cost reports shall provide the commissioner with a copy of the most recent Medicare cost report filed with the Medicare program intermediary for the reporting year which support the costs claimed on their cost report to the state.

(c) In order to continue cost-based payment under the medical assistance program according to paragraphs (a) and (b), a federally qualified health center or rural health clinic must apply for designation as an essential community provider within six months of final adoption of rules by the department of health according to section 62Q.19, subdivision 7. For those federally qualified health centers and rural health clinics that have applied for essential community provider status within the six month time prescribed, medical assistance payments will continue to be made according to paragraphs (a) and (b) for the first three years of essential community provider status. For federally qualified health centers and rural health clinics that either do not apply within the time specified above, that are denied essential community provider status by the department of health, or who have had essential community provider status for three years, medical assistance payments for health services provided by these entities shall be according to the same rates and conditions applicable to the same service provided by health care providers that are not federally qualified health centers or rural health clinics.

This paragraph remains in effect for as long as the Minnesota health care reform waiver remains in effect. When the waiver expires, this paragraph expires, and the commissioner of human services shall publish a notice in the State Register and notify the revisor of statutes.

Sec. 38. [256B.0645] [PROVIDER PAYMENTS; RETROACTIVE CHANGES IN ELIGIBILITY.]

Payment to a provider for a health care service provided to a general assistance medical care recipient who is later determined eligible for medical assistance or MinnesotaCare according to section 256.9367 for the period in which the health care service was provided, shall be considered payment in full, and shall not be adjusted due to the change in eligibility. This section applies to both fee-for-service payments and payments made to health plans on a prepaid capitated basis.

Sec. 39. Minnesota Statutes 1994, section 256B.69, subdivision 2, is amended to read:

Subd. 2. [DEFINITIONS.] For the purposes of this section, the following terms have the meanings given.

(a) "Commissioner" means the commissioner of human services. For the remainder of this section, the commissioner's responsibilities for methods and policies for implementing the project will be proposed by the project advisory committees and approved by the commissioner.

(b) "Demonstration provider" means an individual, agency, organization, or group of these entities that participates in the demonstration project according to criteria, standards, methods, and other requirements established for the project and approved by the commissioner.

(c) "Eligible individuals" means those persons eligible for medical assistance benefits as defined in sections 256B.055, 256B.056, and 256B.06.

(d) "Limitation of choice" means suspending freedom of choice while allowing eligible individuals to choose among the demonstration providers.

(e) This paragraph supersedes paragraph (c) as long as the Minnesota health care reform waiver remains in effect. When the waiver expires, this paragraph expires and the commissioner of human services shall publish a notice in the State Register and notify the revisor of statutes. "Eligible individuals" means those persons eligible for medical assistance benefits as defined in sections 256B.055, 256B.056, and 256B.06. Notwithstanding sections 256B.055, 256B.056, and 256B.06, an individual who becomes ineligible for the program because of failure to submit income reports or recertification forms in a timely manner, shall remain enrolled in the prepaid health plan and shall remain eligible to receive medical assistance coverage through the last day of the month following the month in which the enrollee became ineligible for the medical assistance program.

Sec. 40. Minnesota Statutes 1994, section 256B.69, subdivision 4, is amended to read:

Subd. 4. [LIMITATION OF CHOICE.] The commissioner shall develop criteria to determine when limitation of choice may be implemented in the experimental counties. The criteria shall ensure that all eligible individuals in the county have continuing access to the full range of medical assistance services as specified in subdivision 6. The commissioner shall exempt the following persons from participation in the project, in addition to those who do not meet the criteria for limitation of choice: (1) persons eligible for medical assistance according to section 256B.055, subdivision 1, and children under age 21 who are in foster placement; (2) persons eligible for medical assistance due to blindness or disability as determined by the social security administration or the state medical review team, unless they are 65 years of age or older, or unless they reside in Itasca county or they reside in a county in which the commissioner conducts a pilot project under a waiver granted pursuant to section 1115 of the Social Security Act; (3) recipients who currently have private coverage through a health maintenance organization; and (4) recipients who are eligible for medical assistance by spending down excess income for medical expenses other than the nursing facility per diem expense. Before limitation of choice is implemented, eligible individuals shall be notified and after notification, shall be allowed to choose only among demonstration providers. After initially choosing a provider, the recipient is allowed to change that choice only at specified times as allowed by the commissioner. If a demonstration provider ends participation in the project for any reason, a recipient enrolled with that provider must select a new provider but may change providers without cause once more within the first 60 days after enrollment with the second provider.

Sec. 41. [WAIVER REQUEST.]

(a) The commissioner shall seek federal approval to add the benefit of drug coverage for qualified Medicare beneficiaries as described in section 36 and to charge a copayment for this benefit.

(b) The commissioner shall report to the legislature by January 15, 1996, on the status of the waiver request so that the legislature may appropriate money to implement the expansion of this program.

(c) If the waiver request is granted, the commissioner may consider expanding access of this program by allowing determination of eligibility to occur at the state level as well as at the county level.

(o) agricultural land owned or leased by a corporation prior to August 1, 1978, including normal expansion of such ownership or leasehold interest, to be exercised at a rate not to exceed 20 percent of the amount of land owned or leased on August 1, 1978, and the additional ownership reasonably necessary to meet requirements of pollution control rules, provided that nothing herein shall reduce any exemption contained under the provisions of Laws 1975, chapter 324, section 1, subdivision 2;

(p) an interest in the title to agricultural land acquired by a pension fund or family trust established by the owners of a family farm, authorized farm corporation or family farm corporation, but limited to the farm on which one or more of those owners or shareholders have resided or have been actively engaged in farming as required by subdivision 2, clause (b), (c), or (d);

Subd. 2b. [AGRICULTURAL USE.] "Agricultural use" has the meaning given in section 40A.02, subdivision 3.

Sec. 3. Minnesota Statutes 1994, section 103G.221, subdivision 1, is amended to read:

Subdivision 1. [DRAINAGE OF PUBLIC WATERS WETLANDS GENERALLY PROHIBITED WITHOUT REPLACEMENT.] Except as provided in this subdivision and in subdivisions 2 and 3, public waters wetlands may not be drained, and a permit authorizing drainage of public waters wetlands may not be issued, unless the public waters wetlands to be drained are replaced by wetlands that will have equal or greater public value. Road authorities may repair and maintain roads within the road right-of-way, including replacement of culverts, which result in drainage of public waters wetlands without replacement of wetlands, provided the public waters wetlands are not drained to a greater extent than when the road was constructed or when the culvert was working.

Sec. 4. Minnesota Statutes 1994, section 103G.222, is amended to read:

103G.222 [REPLACEMENT OF WETLANDS.]

(a) After the effective date of the rules adopted under section 103B.3355 or 103G.2242, whichever is later, wetlands must not be drained or filled, wholly or partially, unless replaced by restoring or creating wetland areas of at least equal public value under a replacement plan approved as provided in section 103G.2242, a replacement plan under a local governmental unit's comprehensive wetland protection and management plan ~~approved by the board adopted under section 103G.2242, subdivision 1, paragraph (c) 1a,~~ or, if a permit to mine is required under section 93.481, under a mining reclamation plan approved by the commissioner under the permit to mine. Mining reclamation plans shall apply the same principles and standards for replacing wetlands by restoration or creation of wetland areas that are applicable to mitigation plans approved as provided in section 103G.2242.

(b) Except as provided in paragraph (l), replacement must be guided by the following principles in descending order of priority:

(1) avoiding the direct or indirect impact of the activity that may destroy or diminish the wetland;

(2) minimizing the impact by limiting the degree or magnitude of the wetland activity and its implementation;

(3) rectifying the impact by repairing, rehabilitating, or restoring the affected wetland environment;

(4) reducing or eliminating the impact over time by preservation and maintenance operations during the life of the activity; and

(5) compensating for the impact by replacing or providing substitute wetland resources or environments.

(c) If a wetland is located in a cultivated field, then replacement must be accomplished through restoration only without regard to the priority order in paragraph (b), provided that a deed restriction is placed on the altered wetland prohibiting nonagricultural use for at least ten years.

(d) Restoration and replacement of wetlands must be accomplished in accordance with the ecology of the landscape area affected.

(e) Replacement shall be within the same watershed or county as the impacted wetlands, as based on the wetland evaluation in section 103G.2242, subdivision 2, except that counties or watersheds in which 80 percent or more of the presettlement wetland acreage is intact may accomplish replacement in counties or watersheds in which 50 percent or more of the presettlement wetland acreage has been filled, drained, or otherwise degraded. Wetlands impacted by public transportation projects may be replaced statewide, provided they are approved by the commissioner under an established wetland banking system, or under the rules for wetland banking as provided for under section 103G.2242.

(f) Except as provided in paragraph (g), for a wetland located on nonagricultural land, replacement must be based on the public value or in the ratio of two acres of replaced wetland for each acre of drained or filled wetland.

(g) For a wetland located on agricultural land or in counties or watersheds in which 80 percent or more of the presettlement wetland acreage exists, replacement must be based on the public value or in the ratio of one acre of replaced wetland for each acre of drained or filled wetland.

(h) Wetlands that are restored or created as a result of an approved replacement plan are subject to the provisions of this section for any subsequent drainage or filling.

(i) Except in counties or watersheds where 80 percent or more of the presettlement wetlands are intact, only wetlands that have been restored from previously drained or filled wetlands, wetlands created by excavation in nonwetlands, wetlands created by dikes or dams along public or private drainage ditches, or wetlands created by dikes or dams associated with the restoration of previously drained or filled wetlands may be used in a statewide banking program established in rules adopted under section 103G.2242, subdivision 1. Modification or conversion of nondegraded naturally occurring wetlands from one type to another are not eligible for enrollment in a statewide wetlands bank.

(j) The technical evaluation panel established under section 103G.2242, subdivision 2, shall ensure that sufficient time has occurred for the wetland to develop wetland characteristics of soils, vegetation, and hydrology before recommending that the wetland be deposited in the statewide wetland bank. If the technical evaluation panel has reason to believe that the wetland characteristics may change substantially, the panel shall postpone its recommendation until the wetland has stabilized.

(k) This section and sections 103G.223 to 103G.2242, 103G.2364, and 103G.2365 apply to the state and its departments and agencies.

(l) A local government unit may make a sequencing determination and, after consideration, deviate from the provisions of paragraph (b), without a written alternatives analysis from the applicant, for projects involving the draining or filling of less than:

(1) 2,000 square feet of wetlands in the building setback of shoreland areas in all counties;

(2) 10,000 square feet of wetlands in counties with 80 percent or less of their presettlement wetlands remaining; and

(3) 20,000 square feet of wetlands in counties with more than 80 percent of their presettlement wetlands remaining.

(m) For projects involving draining or filling of wetlands outside of the building setback of shoreland areas, a person may satisfy replacement requirements under this section by paying an amount equal to the fair market value of the upland created by the draining or filling activity, as determined by the county assessor. The payment must be made to the local government unit if it has established a wetland bank that is approved by the board. The local government unit shall use any money received under this paragraph for making withdrawals from the wetland bank administered by the local government unit for the purpose of replacing lost wetland values.

Sec. 6. [120.1811] [EDUCATION PROGRAMS FOR STUDENTS IN RESIDENTIAL TREATMENT FACILITIES.]

Subdivision 1. [YEAR-ROUND SCHOOL REQUIRED.] Secure and nonsecure residential treatment facilities licensed by the department of human services or the department of corrections shall provide year-round education programs for a minimum of 250 days during a calendar year to juveniles in their care who are subject to section 120.101, subdivision 5. Each facility shall provide instruction for at least six hours per day throughout the year, including during the summer months, for all students, including students with disabilities. Each facility shall provide elementary, secondary, or vocational programs that are consistent with state board of education standards and also shall provide instruction designed to prepare students to pass the GED test. Special education services shall be provided as required by a student's individual education plan.

Subd. 2. [EDUCATIONAL SCREENING.] Each facility identified in subdivision 1 shall screen each juvenile who is held in a facility for at least 72 hours, excluding weekends or holidays, using an educational screening tool identified by the department of education, unless the facility determines that the juvenile has a current individual education plan and obtains a copy of the IEP. The department of education shall develop or identify an education screening tool for use in residential facilities. The tool must include a life skills development component.

Subd. 3. [RULEMAKING.] The state board of education may make or amend rules relating to education programs in residential treatment facilities, if necessary, to implement this section. Rules under this section shall be adopted jointly with the commissioners of corrections and human services.

Sec. 7. Minnesota Statutes 1994, section 124.18, is amended by adding a subdivision to read:

Subd. 4. [STATE PAYMENT.] (a) The state shall reimburse a nonresident district for the actual cost of providing instruction required under section 120.181, excluding the cost of transportation, to a nonresident pupil placed in a residential treatment program pursuant to a court order. The state shall also pay to the nonresident district for capital expenditures and debt service the greater of \$10 or the average expenditure for capital expenditures and debt service per pupil unit in average daily membership in the district times the number of nonresident pupil units. The nonresident district may claim general education aid for the pupil for the period the nonresident district provides instruction. The amount of general education aid and any other aid earned on behalf of the child shall be subtracted from the amount of the reimbursement.

(b) The state shall reimburse a resident district providing services to a pupil placed in a residential program according to section 120.181, pursuant to a court order. The amount of the state reimbursement shall equal the actual cost of providing instruction minus the amount of general education revenue and any other revenue received on behalf of the pupil.

(c) This subdivision does not apply to a child placed in a foster home or a foster group home.

Sec. 8. Minnesota Statutes 1994, section 124.32, subdivision 6, is amended to read:

Subd. 6. [FULL STATE PAYMENT.] (a) The state shall pay each district the actual cost incurred in providing instruction and services for a child with a disability whose ~~district of residence has been determined by section 120.17, subdivision 8a,~~ and who is temporarily placed in a state institution or a licensed residential facility for care and treatment when the child's district of residence has been determined by section 120.17, subdivision 8a, or where the state is required to reimburse the district of placement under section 120.17, subdivisions 6, 6a, and 7. This section does not apply to a child placed in a foster home or a foster group home.

(b) Upon following the procedure specified by the commissioner of education, the district may bill the state the actual cost incurred in providing the services including ~~transportation costs and~~ a proportionate amount of capital expenditures and debt service, minus the amount of the basic revenue, as defined in section 124A.22, subdivision 2, of the district for the child and the special education aid, ~~transportation aid,~~ and any other aid earned on behalf of the child. The nonresident district providing instruction to a child under section 120.17, subdivisions 6 and 7, may claim general education aid for the child. When a child's district of residence has been determined by section 120.17, subdivision 8a, the providing district may also bill the state for transportation costs less any transportation aid earned on behalf of the child. The limit set forth in subdivision 4 shall apply to aid paid pursuant to this subdivision.

(c) A resident district serving a child under section 120.17, subdivision 6a, may bill the state for the actual cost of providing services, minus the amount of general education revenue, special education revenue, transportation revenue, or any other revenue earned on behalf of the child.

(d) To the extent possible, the commissioner shall obtain reimbursement from another state for the cost of serving any child whose parent or guardian resides in that state. The commissioner may contract with the appropriate authorities of other states to effect reimbursement. All money received from other states shall be paid to the state treasury and placed in the general fund.

Sec. 9. Minnesota Statutes 1994, section 242.31, subdivision 1, is amended to read:

Subdivision 1. Whenever a person who has been committed to the custody of the commissioner of corrections upon conviction of a crime following certification ~~to district court~~ under the provisions of section 260.125 is finally discharged by order of the commissioner, that discharge shall restore the person to all civil rights and, if so ordered by the commissioner of corrections, also shall have the effect of setting aside the conviction, nullifying it and purging the person of it. The commissioner shall file a copy of the order with the district court of the county in which the conviction occurred; upon receipt, the court shall order the conviction set aside. An order setting aside a conviction for a crime of violence as defined in section 624.712, subdivision 5, must provide that the person is not entitled to ship, transport, possess, or receive a firearm until ten years have elapsed since the order was entered and during that time the person was not convicted of any other crime of violence. A person whose conviction was set aside under this section and who thereafter has received a relief of disability under United States Code, title 18, section 925, shall not be subject to the restrictions of this subdivision.

Sec. 10. [260.042] [ORIENTATION AND EDUCATIONAL PROGRAM.]

The juvenile court shall make an orientation and educational program available for juveniles and their families in accordance with the program established, if any, by the supreme court.

Sec. 11. Minnesota Statutes 1994, section 260.115, subdivision 1, is amended to read:

Subdivision 1. [TRANSFERS REQUIRED.] Except where a juvenile court has certified an alleged violation ~~to district court~~ in accordance with the provisions of section 260.125, the child is alleged to have committed murder in the first degree after becoming 16 years of age, or a court has original jurisdiction of a child who has committed an adult court traffic offense, as defined in section 260.193, subdivision 1, clause (c), a court other than a juvenile court shall immediately transfer to the juvenile court of the county the case of a minor who appears before the court on a charge of violating any state or local law or ordinance and who is under 18 years of age or who was under 18 years of age at the time of the commission of the alleged offense.

Sec. 12. Minnesota Statutes 1994, section 260.125, is amended to read:

260.125 [CERTIFICATION TO ~~DISTRICT COURT~~.]

Subdivision 1. When a child is alleged to have committed, after becoming 14 years of age, an offense that would be a felony if committed by an adult, the juvenile court may enter an order certifying the proceeding ~~to the district court for action under the criminal laws~~ under the laws and court procedures controlling adult criminal violations.

Subd. 2. [ORDER OF CERTIFICATION; REQUIREMENTS.] Except as provided in subdivision 3a or 3b, the juvenile court may order a certification ~~to district court~~ only if:

- (1) a petition has been filed in accordance with the provisions of section 260.131;
- (2) a motion for certification has been filed by the prosecuting authority;
- (3) notice has been given in accordance with the provisions of sections 260.135 and 260.141;
- (4) a hearing has been held in accordance with the provisions of section 260.155 within 30 days of the filing of the certification motion, unless good cause is shown by the prosecution or the child as to why the hearing should not be held within this period in which case the hearing shall be held within 90 days of the filing of the motion;

(5) the court finds that there is probable cause, as defined by the rules of criminal procedure promulgated pursuant to section 480.059, to believe the child committed the offense alleged by delinquency petition; and

(6) the court finds either:

(i) that the presumption of certification created by subdivision 2a applies and the child has not rebutted the presumption by clear and convincing evidence demonstrating that retaining the proceeding in the juvenile court serves public safety; or

(ii) that the presumption of certification does not apply and the prosecuting authority has demonstrated by clear and convincing evidence that retaining the proceeding in the juvenile court does not serve public safety. If the court finds that the prosecutor has not demonstrated by clear and convincing evidence that retaining the proceeding in juvenile court does not serve public safety, the court shall retain the proceeding in juvenile court.

Subd. 2a. [PRESUMPTION OF CERTIFICATION.] It is presumed that a proceeding involving an offense committed by a child will be certified to ~~district court~~ if:

(1) the child was 16 or 17 years old at the time of the offense; and

(2) the delinquency petition alleges that the child committed an offense that would result in a presumptive commitment to prison under the sentencing guidelines and applicable statutes, or that the child committed any felony offense while using, whether by brandishing, displaying, threatening with, or otherwise employing, a firearm.

If the court determines that probable cause exists to believe the child committed the alleged offense, the burden is on the child to rebut this presumption by demonstrating by clear and convincing evidence that retaining the proceeding in the juvenile court serves public safety. If the court finds that the child has not rebutted the presumption by clear and convincing evidence, the court shall certify the ~~child to district court~~ proceeding.

Subd. 2b. [PUBLIC SAFETY.] In determining whether the public safety is served by certifying a ~~child to district court~~ the matter, the court shall consider the following factors:

(1) the seriousness of the alleged offense in terms of community protection, including the existence of any aggravating factors recognized by the sentencing guidelines, the use of a firearm, and the impact on any victim;

(2) the culpability of the child in committing the alleged offense, including the level of the child's participation in planning and carrying out the offense and the existence of any mitigating factors recognized by the sentencing guidelines;

(3) the child's prior record of delinquency;

(4) the child's programming history, including the child's past willingness to participate meaningfully in available programming;

(5) the adequacy of the punishment or programming available in the juvenile justice system; and

(6) the dispositional options available for the child.

In considering these factors, the court shall give greater weight to the seriousness of the alleged offense and the child's prior record of delinquency than to the other factors listed in this subdivision.

Subd. 3a. [PRIOR CERTIFICATION; EXCEPTION.] Notwithstanding the provisions of subdivisions 2, 2a, and 2b, the court shall order a certification in any felony case if the prosecutor shows that the child has been previously prosecuted on a felony charge by an order of certification issued pursuant to either a hearing held under subdivision 2 or pursuant to the waiver of the right to such a hearing, other than a prior certification in the same case.

This subdivision only applies if the child is convicted of the offense or offenses for which the

child was prosecuted pursuant to the order of certification or of a lesser-included offense which is a felony.

This subdivision does not apply to juvenile offenders who are subject to criminal court jurisdiction under section 609.055.

Subd. 3b. [ADULT CHARGED WITH JUVENILE OFFENSE.] The juvenile court has jurisdiction to hold a certification hearing on motion of the prosecuting authority to certify the matter ~~to district court~~ if:

(1) an adult is alleged to have committed an offense before the adult's 18th birthday; and

(2) a petition is filed under section 260.131 before expiration of the time for filing under section 628.26.

The court may not certify the matter ~~to district court~~ under this subdivision if the adult demonstrates that the delay was purposefully caused by the state in order to gain an unfair advantage.

Subd. 4. [EFFECT OF ORDER.] When the juvenile court enters an order certifying an alleged violation ~~to district court~~, the prosecuting authority shall proceed with the case as if the jurisdiction of the juvenile court had never attached.

Subd. 5. [WRITTEN FINDINGS; OPTIONS.] The court shall decide whether to order certification ~~to district court~~ within 15 days after the certification hearing was completed, unless additional time is needed, in which case the court may extend the period up to another 15 days. If the juvenile court orders certification, and the presumption described in subdivision 2a does not apply, the order shall contain in writing, findings of fact and conclusions of law as to why public safety is not served by retaining the proceeding in the juvenile court. If the juvenile court, after a hearing conducted pursuant to subdivision 2, decides not to order certification ~~to district court~~, the decision shall contain, in writing, findings of fact and conclusions of law as to why certification is not ordered. If the juvenile court decides not to order certification in a case in which the presumption described in subdivision 2a applies, the court shall designate the proceeding an extended jurisdiction juvenile prosecution and include in its decision written findings of fact and conclusions of law as to why the retention of the proceeding in juvenile court serves public safety, with specific reference to the factors listed in subdivision 2b. If the court decides not to order certification in a case in which the presumption described in subdivision 2a does not apply, the court may designate the proceeding an extended jurisdiction juvenile prosecution, pursuant to the hearing process described in section 260.126, subdivision 2.

Subd. 6. [FIRST-DEGREE MURDER.] When a motion for certification has been filed in a case in which the petition alleges that the child committed murder in the first degree, the prosecuting authority shall present the case to the grand jury for consideration of indictment under chapter 628 within 14 days after the petition was filed.

Subd. 7. [INAPPLICABILITY TO CERTAIN OFFENDERS.] This section does not apply to a child excluded from the definition of delinquent child under section 260.015, subdivision 5, paragraph (b).

Sec. 13. Minnesota Statutes 1994, section 260.126, subdivision 5, is amended to read:

Subd. 5. [EXECUTION OF ADULT SENTENCE.] When it appears that a person convicted as an extended jurisdiction juvenile has violated the conditions of the stayed sentence, or is alleged to have committed a new offense, the court may, without notice, revoke the stay and probation and direct that the offender be taken into immediate custody. The court shall notify the offender in writing of the reasons alleged to exist for revocation of the stay of execution of the adult sentence. If the offender challenges the reasons, the court shall hold a summary hearing on the issue at which the offender is entitled to be heard and represented by counsel. After the hearing, if the court finds that reasons exist to revoke the stay of execution of sentence, the court shall treat the offender as an adult and order any of the adult sanctions authorized by section 609.14, subdivision 3. If the offender was convicted of an offense described in subdivision 1, clause (2), and the court finds that reasons exist to revoke the stay, the court must order execution of the previously

imposed sentence unless the court makes written findings regarding the mitigating factors that justify continuing the stay. Upon revocation, the offender's extended jurisdiction status is terminated and juvenile court jurisdiction is terminated. The ongoing jurisdiction for any adult sanction, other than commitment to the commissioner of corrections, is with the adult court.

Sec. 14. Minnesota Statutes 1994, section 260.131, subdivision 4, is amended to read:

Subd. 4. [DELINQUENCY PETITION; EXTENDED JURISDICTION JUVENILE.] When a prosecutor files a delinquency petition alleging that a child committed a felony offense for which there is a presumptive commitment to prison according to the sentencing guidelines and applicable statutes or in which the child used a firearm, after reaching the age of 16 years, the prosecutor shall indicate in the petition whether the prosecutor designates the proceeding an extended jurisdiction juvenile prosecution. When a prosecutor files a delinquency petition alleging that a child aged 14 to 17 years committed a felony offense, the prosecutor may request that the court designate the proceeding an extended jurisdiction juvenile prosecution.

Sec. 15. Minnesota Statutes 1994, section 260.181, subdivision 4, is amended to read:

Subd. 4. [TERMINATION OF JURISDICTION.] (a) The court may dismiss the petition or otherwise terminate its jurisdiction on its own motion or on the motion or petition of any interested party at any time. Unless terminated by the court, and except as otherwise provided in this subdivision, the jurisdiction of the court shall continue until the individual becomes 19 years of age if the court determines it is in the best interest of the individual to do so. Court jurisdiction under section 260.015, subdivision 2a, clause (12), may not continue past the child's 17th birthday.

(b) The jurisdiction of the court over an extended jurisdiction juvenile, with respect to the offense for which the individual was convicted as an extended jurisdiction juvenile, extends until the offender becomes 21 years of age, unless the court terminates jurisdiction before that date.

(c) The juvenile court has jurisdiction to designate the proceeding an extended jurisdiction juvenile prosecution, to hold a certification hearing, or to conduct a trial, receive a plea, or impose a disposition under section 260.126, subdivision 4, if:

(1) an adult is alleged to have committed an offense before the adult's 18th birthday; and

(2) a petition is filed under section 260.131 before expiration of the time for filing under section 628.26 and before the adult's 21st birthday.

The juvenile court lacks jurisdiction under this paragraph if the adult demonstrates that the delay was purposefully caused by the state in order to gain an unfair advantage.

(d) The district court has original and exclusive jurisdiction over a proceeding:

(1) that involves an adult who is alleged to have committed an offense before the adult's 18th birthday; and

(2) in which a criminal complaint is filed before expiration of the time for filing under section 628.26 and after the adult's 21st birthday.

The juvenile court retains jurisdiction if the adult demonstrates that the delay in filing a criminal complaint was purposefully caused by the state in order to gain an unfair advantage.

(e) The juvenile court has jurisdiction over a person who has been adjudicated delinquent until the person's 21st birthday if the person fails to appear at any juvenile court hearing or fails to appear at or absconds from any placement under a juvenile court order. The juvenile court has jurisdiction over a convicted extended jurisdiction juvenile who fails to appear at any juvenile court hearing or fails to appear at or absconds from any placement under section 260.126, subdivision 4. The juvenile court lacks jurisdiction under this paragraph if the adult demonstrates that the delay was purposefully caused by the state in order to gain an unfair advantage.

Sec. 16. Minnesota Statutes 1994, section 260.185, is amended by adding a subdivision to read:

Subd. 1b. [COMMITMENT TO SECURE FACILITY; LENGTH OF STAY; TRANSFERS.]

An adjudicated juvenile may not be placed in a licensed juvenile secure treatment facility unless the placement is approved by the juvenile court. However, the program administrator may determine the juvenile's length of stay in the secure portion of the facility. The administrator shall notify the court of any movement of juveniles from secure portions of facilities. However, the court may, in its discretion, order that the juveniles be moved back to secure portions of the facility.

Sec. 17. Minnesota Statutes 1994, section 260.185, is amended by adding a subdivision to read:

Subd. 1c. [PLACEMENT OF JUVENILES IN SECURE FACILITIES; REQUIREMENTS.] Prior to a postadjudication placement of a juvenile in a secure treatment facility either inside or outside the state, the court may:

(1) consider whether the juvenile has been adjudicated for a felony offense against the person or that in addition to the current adjudication, the juvenile has failed to appear in court on one or more occasions or has run away from home on one or more occasions;

(2) conduct a subjective assessment to determine whether the child is a danger to self or others or would abscond from a nonsecure facility or if the child's health or welfare would be endangered if not placed in a secure facility;

(3) conduct a culturally appropriate psychological evaluation which includes a functional assessment of anger and abuse issues; and

(4) conduct an educational and physical assessment of the juvenile.

In determining whether to order secure placement, the court shall consider the necessity of:

(1) protecting the public;

(2) protecting program residents and staff; and

(3) preventing juveniles with histories of absconding from leaving treatment programs.

Sec. 18. Minnesota Statutes 1994, section 260.185, subdivision 6, is amended to read:

Subd. 6. [OUT-OF-STATE PLACEMENTS.] (a) Prior to August 1, 1997, a court may not place a preadjudicated delinquent, an adjudicated delinquent, or a convicted extended jurisdiction juvenile in a residential or detention facility outside Minnesota unless the commissioner of corrections has certified that the facility:

(1) meets or exceeds the standards for Minnesota residential treatment programs set forth in rules adopted by the commissioner of human services and the standards for juvenile residential facilities set forth in rules adopted by the commissioner of corrections or the standards for juvenile detention facilities set forth in rules adopted by the commissioner of corrections; and

(2) provides education, health, dental, and other necessary care equivalent to that which the child would receive if placed in a Minnesota facility licensed by the commissioner of corrections or commissioner of human services.

(b) After August 1, 1997, a court may not place a preadjudicated delinquent, an adjudicated delinquent, or a convicted extended jurisdiction juvenile in a residential or detention facility outside Minnesota unless the court determines that the specialized programmatic needs of the juvenile are not available in a facility within Minnesota and the out-of-state facility has been certified by the commissioner of corrections under paragraph (a), clauses (1) and (2). For purposes of this subdivision, "specialized programmatic needs" does not include concerns about security.

(c) The interagency licensing agreement between the commissioners of corrections and human services shall be used to determine which rule shall be used for certification purposes under this subdivision.

(e) (d) The commissioner of corrections may charge each facility evaluated a reasonable amount. Money received is annually appropriated to the commissioner of corrections to defray the costs of the certification program.

Sec. 19. Minnesota Statutes 1994, section 260.193, subdivision 4, is amended to read:

Subd. 4. [ORIGINAL JURISDICTION; JUVENILE COURT.] The juvenile court shall have original jurisdiction ~~if the child is alleged to have committed both major and adult court traffic offenses in the same behavioral incident over:~~

- (1) all juveniles age 15 and under alleged to have committed any traffic offense; and
- (2) 16- and 17-year-olds alleged to have committed any major traffic offense, except that the adult court has original jurisdiction over:
  - (i) petty traffic misdemeanors not a part of the same behavioral incident of a misdemeanor being handled in juvenile court; and
  - (ii) violations of sections 169.121 (drivers under the influence of alcohol or controlled substance) and 169.129 (aggravated driving while intoxicated), and any other misdemeanor or gross misdemeanor level traffic violations committed as part of the same behavioral incident of a violation of section 169.121 or 169.129.

Sec. 20. Minnesota Statutes 1994, section 260.215, subdivision 1, is amended to read:

Subdivision 1. [CERTAIN VIOLATIONS NOT CRIMES.] A violation of a state or local law or ordinance by a child before becoming 18 years of age is not a crime unless the juvenile court:

- (1) certifies the matter ~~to the district court~~ in accordance with the provisions of section 260.125;
- (2) transfers the matter to a court in accordance with the provisions of section 260.193; or
- (3) convicts the child as an extended jurisdiction juvenile and subsequently executes the adult sentence under section 260.126, subdivision 5.

Sec. 21. Minnesota Statutes 1994, section 260.291, subdivision 1, is amended to read:

Subdivision 1. [PERSONS ENTITLED TO APPEAL; PROCEDURE.] (a) An appeal may be taken by the aggrieved person from a final order of the juvenile court affecting a substantial right of the aggrieved person, including but not limited to an order adjudging a child to be in need of protection or services, neglected and in foster care, delinquent, or a juvenile traffic offender. The appeal shall be taken within 30 days of the filing of the appealable order. The court administrator shall notify the person having legal custody of the minor of the appeal. Failure to notify the person having legal custody of the minor shall not affect the jurisdiction of the appellate court. The order of the juvenile court shall stand, pending the determination of the appeal, but the reviewing court may in its discretion and upon application stay the order.

(b) An appeal may be taken by an aggrieved person from an order of the juvenile court on the issue of certification of a ~~child to district court~~ matter for prosecution under the laws and court procedures controlling adult criminal violations. Certification appeals shall be expedited as provided by applicable rules.

Sec. 22. Minnesota Statutes 1994, section 609.055, subdivision 2, is amended to read:

Subd. 2. [ADULT PROSECUTION.] (a) Except as otherwise provided in paragraph (b), children of the age of 14 years or over but under 18 years may be prosecuted for a felony offense if the alleged violation is duly certified ~~to the district court~~ for prosecution under the laws and court procedures controlling adult criminal violations or may be designated an extended jurisdiction juvenile in accordance with the provisions of chapter 260. A child who is 16 years of age or older but under 18 years of age is capable of committing a crime and may be prosecuted for a felony if:

- (1) the child has been previously certified ~~to the district court~~ on a felony charge pursuant to a hearing under section 260.125, subdivision 2, or pursuant to the waiver of the right to such a hearing, or prosecuted pursuant to this subdivision; and
- (2) the child was convicted of the felony offense or offenses for which the child was prosecuted or of a lesser included felony offense.

(b) A child who is alleged to have committed murder in the first degree after becoming 16 years of age is capable of committing a crime and may be prosecuted for the felony. This paragraph does not apply to a child alleged to have committed attempted murder in the first degree after becoming 16 years of age.

Sec. 23. Minnesota Statutes 1994, section 611A.19, subdivision 1, is amended to read:

Subdivision 1. [TESTING ON REQUEST OF VICTIM.] (a) The sentencing court ~~may~~ shall issue an order requiring a person, including adjudicated juveniles, convicted of a violent crime, as defined in section 609.152, or a juvenile adjudicated delinquent for violating section 609.342, 609.343, 609.344, or 609.345, to submit to testing to determine the presence of human immunodeficiency virus (HIV) antibody if:

(1) the prosecutor moves for the test order in camera;

(2) the victim requests the test; ~~and~~ or

(3) evidence exists that the broken skin or mucous membrane of the victim was exposed to or had contact with the offender's semen or blood during commission of the crime in a manner which has been demonstrated epidemiologically to transmit the HIV virus.

(b) If the court grants the prosecutor's motion, the court shall order that the test be performed by an appropriate health professional who is trained to provide the counseling described in section 144.763, and that no reference to the test, the motion requesting the test, the test order, or the test results may appear in the criminal record or be maintained in any record of the court or court services.

Sec. 24. Minnesota Statutes 1994, section 641.14, is amended to read:

641.14 [JAILS; SEPARATION OF PRISONERS.]

The sheriff of each county is responsible for the operation and condition of the jail. If construction of the jail permits, the sheriff shall maintain strict separation of prisoners to the extent that separation is consistent with prisoners' security, safety, health, and welfare. The sheriff shall not keep in the same room or section of the jail:

(1) a minor under 18 years old and a prisoner who is 18 years old or older, unless:

(i) the minor has been committed to the commissioner of corrections under section 609.105 or;

(ii) the minor has been referred for adult prosecution and the prosecuting authority has filed a notice of intent to prosecute the matter for which the minor is being held under section 260.125; or

(iii) the minor is 16 or 17 years old and has been indicted for murder in the first degree; and

(2) a female prisoner and a male prisoner; and

(3) a minor under 18 years old and an extended jurisdiction juvenile 18 years old or older who is alleged to have violated the conditions of the stay of execution.

Sec. 25. [AMENDMENTS TO RULES DIRECTED.]

The commissioners of corrections and human services shall jointly amend their licensing rules to:

(1) allow residential facilities to admit 18- and 19-year-old extended jurisdiction juveniles;

(2) require licensed facilities to develop policies and procedures for appropriate programming and housing separation of residents according to age; and

(3) allow the commissioners the authority to approve the policies and procedures authorized by clause (2) for the facilities over which they have licensing authority.

Sec. 26. [COMMISSIONERS TO ADOPT RULES REGARDING SECURE TREATMENT FACILITIES.]

The commissioners of corrections and human services shall jointly adopt licensing rules requiring all facilities to develop operating policies and procedures for the continued use of secure treatment placement. These policies and procedures must include timelines for the review of individual cases to determine the continuing need for secure placement and criteria for movement of juveniles to less restrictive parts of the facilities.

Sec. 27. [EDUCATIONAL PROGRAM FOR JUVENILE COURT PROCESS.]

The supreme court is requested to establish, by January 1, 1997, an educational program explaining the juvenile court system for use in juvenile courts under Minnesota Statutes, section 260.042.

Sec. 28. [JUVENILE FEMALE OFFENDERS.]

The commissioner of corrections shall collaborate with the commissioners of human services, health, economic security, planning, education, and public safety and with representatives of the private sector to develop a comprehensive continuum of care to address the gender-specific needs of juvenile female offenders.

Sec. 29. [SECURE AND NONSECURE RESIDENTIAL TREATMENT FACILITIES.]

Subdivision 1. [RULES REQUIRED; COMMITTEE ESTABLISHED.] The commissioners of corrections and human services shall jointly adopt licensing and programming rules for the secure and nonsecure residential treatment facilities that they license and shall establish an advisory committee to develop these rules. The committee shall develop consistent general licensing requirements for juvenile residential care, enabling facilities to provide appropriate services to juveniles with single or multiple problems. The rules shall establish program standards with an independent auditing process by July 1997.

Subd. 2. [STANDARDS.] The standards to be developed in the rules must require:

(1) standards for the management of the program including:

(i) a board of directors or advisory committee for each facility which represents the interests, concerns, and needs of the clients and community being served;

(ii) appropriate grievance and appeal procedures for clients and families; and

(iii) use of an ongoing internal program evaluation and quality assurance effort at each facility to monitor program effectiveness and guide the improvement of services provided, evaluate client and family satisfaction with each facilities' services, and collect demographic information on clients served and outcome measures relative to the success of services; and

(2) standards for programming including:

(i) specific identifiable criteria for admission and discharge;

(ii) written measurable goals for each client;

(iii) development of a no-eject policy by which youths are discharged based on successful completion of individual goals and not automatically discharged for behavioral transgressions;

(iv) individual plans for transitional services that involve youths, their families, and community resources to accomplish community integration and family reunification where appropriate;

(v) cultural sensitivity, including the provision of interpreters and English language skill development to meet the needs of the facilities' population;

(vi) use of staff who reflect the ethnicity of the clients served, wherever possible;

(vii) provision of staff training in cultural sensitivity and disability awareness;

(viii) capability to respond to persons with disabilities; and

(ix) uniform education programs consistent with Minnesota Statutes, section 120.1811; and

(3) a program audit procedure which requires regular unbiased program audits and reviews to determine if the facilities continue to meet the standards established in statute and rule and the needs of the clients and community.

Subd. 3. [MEMBERSHIP.] The commissioners of corrections and human services or their designee shall serve as co-chairs of the rulemaking committee. The co-chairs shall invite individuals who have demonstrated experience in the juvenile justice field to serve on the committee; including, but not limited to, representatives or designees of the departments of corrections, human services, and education, the private sector, and other juvenile facility stakeholders. The commissioners shall ensure that family members of juveniles, representatives of communities of color, and members of advocacy groups serve on the rulemaking committee and shall schedule committee meetings at times and places that ensure representation by these individuals.

Subd. 4.
