Sec. 4. Minnesota Statutes 1994, section 16B.61, subdivision 1, is amended to read:

Subdivision 1. [ADOPTION OF CODE.] Subject to sections 16B.59 to ~~16B.73~~ 16B.75, the commissioner shall by rule establish a code of standards for the construction, reconstruction, alteration, and repair of ~~state-owned~~ buildings, governing matters of structural materials, design and construction, fire protection, health, sanitation, and safety. The code must conform insofar as practicable to model building codes generally accepted and in use throughout the United States. In the preparation of the code, consideration must be given to the existing statewide specialty codes presently in use in the state. Model codes with necessary modifications and statewide specialty codes may be adopted by reference. The code must be based on the application of scientific principles, approved tests, and professional judgment. To the extent possible, the code must be adopted in terms of desired results instead of the means of achieving those results, avoiding wherever possible the incorporation of specifications of particular methods or materials. To that end the code must encourage the use of new methods and new materials. Except as otherwise provided in sections 16B.59 to ~~16B.73~~ 16B.75, the commissioner shall administer and enforce the provisions of those sections.

Sec. 5. Minnesota Statutes 1994, section 16B.61, subdivision 2, is amended to read:

Subd. 2. [ENFORCEMENT BY CERTAIN BODIES.] Under the direction and supervision of the commissioner, the provisions of the code relating to electrical installations shall be enforced by the state board of electricity, pursuant to the Minnesota electrical act, the provisions relating to plumbing shall be enforced by the commissioner of health, the provisions relating to ~~fire protection~~ the Minnesota uniform fire code shall be enforced by the state fire marshal, the provisions relating to high pressure steam piping and appurtenances ~~and elevators~~ shall be enforced by the department of labor and industry~~, and the code as applied to public school buildings shall be enforced by the state board of education~~. Fees for inspections conducted by the state board of electricity shall be paid in accordance with the rules of the state board of electricity.

Sec. 6. Minnesota Statutes 1994, section 16B.61, subdivision 5, is amended to read:

Subd. 5. [ACCESSIBILITY.] (a) [PUBLIC BUILDINGS.] The code must provide for making public buildings constructed or remodeled after July 1, 1963, accessible to and usable by physically handicapped persons, although this does not require the remodeling of public buildings solely to provide accessibility and usability to the physically handicapped when remodeling would not otherwise be undertaken.

(b) [LEASED SPACE.] No agency of the state may lease space for agency operations in a non-state-owned building unless the building satisfies the requirements of the state building code for accessibility by the physically handicapped, or is eligible to display the state symbol of accessibility. This limitation applies to leases of 30 days or more for space of at least 1,000 square feet.

(c) [MEETINGS OR CONFERENCES.] Meetings or conferences for the public or for state employees which are sponsored in whole or in part by a state agency must be held in buildings that meet the state building code requirements relating to accessibility for physically handicapped persons. This subdivision does not apply to any classes, seminars, or training programs offered by a state university, the University of Minnesota, or a state community college. Meetings or conferences intended for specific individuals none of whom need the accessibility features for handicapped persons specified in the state building code need not comply with this subdivision unless a handicapped person gives reasonable advance notice of an intent to attend the meeting or conference. When sign language interpreters will be provided, meetings or conference sites must be chosen which allow hearing impaired participants to see their signing clearly.

(d) [EXEMPTIONS.] The commissioner may grant an exemption from the requirements of paragraphs (b) and (c) in advance if an agency has demonstrated that reasonable efforts were made to secure facilities which complied with those requirements and if the selected facilities are the best available for access for handicapped persons. Exemptions shall be granted using criteria developed by the commissioner in consultation with the council on disability.

(e) [SYMBOL INDICATING ACCESS.] The wheelchair symbol adopted by Rehabilitation International's Eleventh World Congress is the state symbol indicating buildings, facilities, and grounds which are accessible to and usable by handicapped persons. In the interests of uniformity, this symbol ~~in its white on blue format~~ is the sole symbol for display in or on all public or private buildings, facilities, and grounds which qualify for its use. The secretary of state shall obtain the symbol and keep it on file. No building, facility, or grounds may display the symbol unless it is in compliance with the rules adopted by the commissioner under subdivision 1. Before any rules are proposed for adoption under this paragraph, the commissioner shall consult with the council on disability. Rules adopted under this paragraph must be enforced in the same way as other accessibility rules of the state building code.

(f) [MUNICIPAL ENFORCEMENT.] Municipalities which have not adopted the state building code may enforce the building code requirements for handicapped persons by either entering into a joint powers agreement for enforcement with another municipality which has adopted the state building code; or contracting for enforcement with an individual certified under section 16B.65, subdivision 3, to enforce the state building code.

(g) [EQUIPMENT ALLOWED.] The code must allow the use of vertical wheelchair lifts and inclined stairway wheelchair lifts in public buildings. An inclined stairway wheelchair lift must be equipped with light or sound signaling device for use during operation of the lift. The stairway or ramp shall be marked in a bright color that clearly indicates the outside edge of the lift when in operation. The code shall not require a guardrail between the lift and the stairway or ramp. Compliance with this provision by itself does not mean other handicap accessibility requirements have been met.

Sec. 7. Minnesota Statutes 1994, section 16B.63, subdivision 3, is amended to read:

Subd. 3. [POWERS AND DUTIES.] The state building official may, with the approval of the commissioner, employ personnel necessary to carry out the inspector's function under sections 16B.59 to ~~16B.73~~ 16B.75. The state building official shall distribute without charge one copy of the code to each municipality within the state. Additional copies shall be made available to municipalities and interested parties for a fee prescribed by the commissioner. The state building official shall perform other duties in administering the code assigned by the commissioner.

Sec. 8. Minnesota Statutes 1994, section 16B.65, subdivision 1, is amended to read:

Subdivision 1. [APPOINTMENTS.] The governing body of each municipality shall, unless other means are already provided, appoint a ~~person~~ building official to administer the code ~~who shall be known as a building official~~. Two or more municipalities may combine in the appointment of a single building official for the purpose of administering the provisions of the code within their communities. In those municipalities for which no building officials have been appointed, the state building inspector, with the approval of the commissioner, may appoint building officials to serve until the municipalities have made an appointment. If unable to make an appointment, the state building inspector may use whichever state employees or state agencies are necessary to perform the duties of the building official. All costs incurred by virtue of an appointment by the state building inspector or services rendered by state employees must be borne by the involved municipality. Receipts arising from the appointment must be paid into the state treasury and credited to the general fund.

Sec. 9. Minnesota Statutes 1994, section 16B.65, subdivision 3, is amended to read:

Subd. 3. [CERTIFICATION.] The commissioner shall:

(1) prepare and conduct written and practical examinations to determine if a person is qualified pursuant to subdivision 2 to be a building official;

(2) accept documentation of successful completion of testing programs developed by nationally recognized testing agencies, as proof of qualification pursuant to subdivision 2; or

(3) determine qualifications by both clauses (1) and (2).

Upon a determination of qualification under clause (1), (2), or both of them, the commissioner shall issue a certificate to the building official stating that the official is certified. Each person applying for examination and certification pursuant to this section shall pay a nonrefundable fee of $70. The commissioner or a designee may establish classes of certification that will recognize the varying complexities of code enforcement in the municipalities within the state. Except as provided by subdivision 2, no person may act as a building official for a municipality unless the commissioner determines that the official is qualified. The commissioner shall provide educational programs designed to train and assist building officials in carrying out their responsibilities.

The department of employee relations may, at the request of the commissioner, provide statewide testing services.

Sec. 10. Minnesota Statutes 1994, section 16B.65, subdivision 4, is amended to read:

Subd. 4. [DUTIES.] Building officials shall, in the municipality for which they are appointed, attend to all aspects of code administration for which they are certified, including the issuance of all building permits and the inspection of all manufactured home installations. The commissioner may direct a municipality with a building official to perform services for another municipality, and in that event the municipality being served shall pay the municipality rendering the services the reasonable costs of the services. The costs may be subject to approval by the commissioner.

Sec. 11. Minnesota Statutes 1994, section 16B.65, subdivision 7, is amended to read:

Subd. 7. [CONTINUING EDUCATION.] Subject to sections 16B.59 to ~~16B.73~~ 16B.75, the commissioner may by rule establish or approve continuing education programs for municipal building officials dealing with matters of building code administration, inspection, and enforcement.

Effective January 1, 1985, each person certified as a building official for the state must satisfactorily complete applicable educational programs established or approved by the commissioner every three calendar years to retain certification.

Each person certified as a ~~state~~ building official must submit in writing to the commissioner an application for renewal of certification within 60 days of the last day of the third calendar year following the last certificate issued. Each application for renewal must be accompanied by proof of satisfactory completion of minimum continuing education requirements and the certification renewal fee established by the commissioner.

For persons certified prior to January 1, 1985, the first three-year period commences January 1, 1985.

Sec. 12. Minnesota Statutes 1994, section 16B.67, is amended to read:

16B.67 [APPEALS.]

A person aggrieved by the final decision of any municipality as to the application of the code, including any rules adopted under sections 471.465 to 471.469, may, within 180 days of the decision, appeal to the commissioner. Appellant shall submit a nonrefundable fee of $70, payable to the commissioner, with the request for appeal. An appeal must be heard as a contested case under chapter 14. The commissioner shall submit written findings to the parties. The party not prevailing shall pay the costs of the contested case hearing, including fees charged by the office of administrative hearings and the expense of transcript preparation. Costs under this section do not include attorney fees. Any person aggrieved by a ruling of the commissioner may appeal in accordance with chapter 14. For the purpose of this section "any person aggrieved" includes the council on disability. No fee or costs shall be required when the council on disability is the appellant.

Sec. 13. Minnesota Statutes 1994, section 16B.70, is amended to read:

16B.70 [SURCHARGE.]

Subdivision 1. [COMPUTATION.] To defray the costs of administering sections 16B.59 to ~~16B.73~~ 16B.75, a surcharge is imposed on all permits issued by municipalities in connection with the construction of or addition or alteration to buildings and equipment or appurtenances after June 30, 1971, as follows:

If the fee for the permit issued is fixed in amount the surcharge is equivalent to one-half mill (.0005) of the fee or 50 cents, whichever amount is greater. For all other permits, the surcharge is as follows:

(1) if the valuation of the structure, addition, or alteration is $1,000,000 or less, the surcharge is equivalent to one-half mill (.0005) of the valuation of the structure, addition, or alteration;

(2) if the valuation is greater than $1,000,000, the surcharge is $500 plus two-fifths mill (.0004) of the value between $1,000,000 and $2,000,000;

(3) if the valuation is greater than $2,000,000, the surcharge is $900 plus three-tenths mill (.0003) of the value between $2,000,000 and $3,000,000;

(4) if the valuation is greater than $3,000,000, the surcharge is $1,200 plus one-fifth mill (.0002) of the value between $3,000,000 and $4,000,000;

(5) if the valuation is greater than $4,000,000, the surcharge is $1,400 plus one-tenth mill (.0001) of the value between $4,000,000 and $5,000,000; and

(6) if the valuation exceeds $5,000,000, the surcharge is $1,500 plus one-twentieth mill (.00005) of the value that exceeds $5,000,000.

Subd. 2. [COLLECTION AND REPORTS.] All permit surcharges must be collected by each municipality and a portion of them remitted to the state. Each municipality having a population greater than 20,000 people shall prepare and submit to the commissioner once a month a report of fees and surcharges on fees collected during the previous month but shall retain the greater of two percent or that amount collected up to $25 to apply against the administrative expenses the municipality incurs in collecting the surcharges. All other municipalities shall submit the report and surcharges on fees once a quarter but shall retain the greater of four percent or that amount collected up to $25 to apply against the administrative expenses the municipalities incur in collecting the surcharges. The report, which must be in a form prescribed by the commissioner, must be submitted together with a remittance covering the surcharges collected by the 15th day following the month or quarter in which the surcharges are collected. All surcharges and other fees prescribed by sections 16B.59 to ~~16B.73~~ 16B.75, which are payable to the state, must be paid to the commissioner who shall deposit them in the state treasury for credit to ~~the general~~ a special revenue fund.

Sec. 14. [APPROPRIATION.]

$1,000,000 in fiscal year 1996 and $1,000,000 in fiscal year 1997 is appropriated from the special revenue fund for transfer by the commissioner of finance to the general fund.

ARTICLE 3

ZONING

Section 1. Minnesota Statutes 1994, section 366.10, is amended to read:

366.10 [ZONING REGULATIONS.]

The board of supervisors may submit to the legal voters of the town at an annual or special town meeting, the question whether the board shall adopt ~~building~~ land use and zoning regulations and restrictions in the town. The board in a town which has within its borders a hospital established in accordance with Laws 1955, chapter 227, may submit to the voters at an annual or special town meeting, the question whether the board shall adopt ~~building~~ land use and zoning regulations and restrictions in the town regulating the type of buildings that may be built or occupations carried on within a radius of one-half mile of the hospital.

Sec. 2. Minnesota Statutes 1994, section 366.12, is amended to read:

366.12 [REGULATIONS.]

If a majority of the voters voting on the question vote "Yes," the town board may regulate:

(1) the location, height, bulk, number of stories, size of buildings and other structures,

(2) the location of roads and schools,

(3) the percentage of lot which may be occupied,

(4) the sizes of yards and other open spaces,

(5) the density and distribution of population,

(6) the uses of buildings and structures for trade, industry, residence, recreation, public activities, or other purposes, and

(7) the uses of lands for trade, industry, residence, recreation, agriculture, forestry, soil conservation, water supply conservation, or other purposes.

To carry out this section it shall issue ~~building~~ land use or zoning permits or approvals. It shall be unlawful to erect, establish, alter, enlarge, use, occupy, or maintain a building, structure, improvement, or premises without having a ~~building~~ land use or zoning permit or approval.

Before adopting a regulation under this section the board shall hold a public hearing on the matter with notice as provided in section 366.15.

This section is subject to section 366.13.

Sec. 3. Minnesota Statutes 1994, section 366.16, is amended to read:

366.16 [TOWN ~~BUILDING~~ ZONING COMMISSIONER.]

The town board may enforce the regulations by withholding ~~building~~ land use or zoning permits or approvals, building permits issued under sections 16B.59 to 16B.75, or other permits or approvals. For the purposes of sections 366.10 to 366.18, it may establish the position of town ~~building~~ zoning commissioner and fix its compensation. If a building or structure is or is proposed to be erected, constructed, reconstructed, altered, or used or any land is or is proposed to be used in violation of sections 366.10 to 366.18 or a regulation or provision enacted or adopted by the board under sections 366.10 to 366.18, the board, the attorney of the county where the town is situated, the town attorney, the town ~~building~~ zoning commissioner, or any adjacent or neighboring property owner may institute any appropriate action to prevent, enjoin, abate, or remove the unlawful erection, construction, reconstruction, alteration, maintenance, or use.

Sec. 4. Minnesota Statutes 1994, section 394.33, subdivision 2, is amended to read:

Subd. 2. The board of supervisors of any town which has adopted or desires to adopt ~~building and~~ zoning regulations and restrictions pursuant to law shall have the authority granted the governing body of any municipality as provided in section 394.32.

Sec. 5. Minnesota Statutes 1994, section 394.361, subdivision 3, is amended to read:

Subd. 3. After an official map has been adopted and filed, the issuance of ~~building~~ land use or zoning permits or approvals by the county shall be subject to the provisions of this section. Whenever any street or highway is widened or improved or any new street is opened, or interests in lands for other public purposes are acquired by the county, it is not required in such proceedings to pay for any building or structure placed without a permit or approval or in violation of conditions of a permit or approval within the limits of the mapped street or highway or outside of any building line that may have been established upon the existing street or within any area thus identified for public purposes. The adoption of official maps does not give the county any right, title or interest in areas identified for public purposes thereon, but the adoption of a map does authorize the county to acquire such interests without paying compensation for buildings or

structures erected in such areas without a permit or approval or in violation of the conditions of a permit or approval. The provisions of this subdivision shall not apply to buildings or structures in existence prior to the filing of the official map.

Sec. 6. Minnesota Statutes 1994, section 462.358, subdivision 2a, is amended to read:

Subd. 2a. [TERMS OF REGULATIONS.] The standards and requirements in the regulations may address without limitation: the size, location, grading, and improvement of lots, structures, public areas, streets, roads, trails, walkways, curbs and gutters, water supply, storm drainage, lighting, sewers, electricity, gas, and other utilities; the planning and design of sites; access to solar energy; and the protection and conservation of flood plains, shore lands, soils, water, vegetation, energy, air quality, and geologic and ecologic features. The regulations shall require that subdivisions be consistent with the municipality's official map if one exists and its zoning ordinance, and may require consistency with other official controls and the comprehensive plan. The regulations may prohibit certain classes or kinds of subdivisions in areas where prohibition is consistent with the comprehensive plan and the purposes of this section, particularly the preservation of agricultural lands. The regulations may prohibit, restrict or control development for the purpose of protecting and assuring access to direct sunlight for solar energy systems. The regulations may prohibit, restrict, or control surface, above surface, or subsurface development for the purpose of protecting subsurface areas for existing or potential mined underground space development pursuant to sections 469.135 to 469.141, and access thereto. The regulations may prohibit the issuance of ~~building~~ permits or approvals for any tracts, lots, or parcels for which required subdivision approval has not been obtained.

The regulations may permit the municipality to condition its approval on the construction and installation of sewers, streets, electric, gas, drainage, and water facilities, and similar utilities and improvements or, in lieu thereof, on the receipt by the municipality of a cash deposit, certified check, irrevocable letter of credit, or bond in an amount and with surety and conditions sufficient to assure the municipality that the utilities and improvements will be constructed or installed according to the specifications of the municipality. Sections 471.345 and 574.26 do not apply to improvements made by a subdivider or a subdivider's contractor.

The regulations may permit the municipality to condition its approval on compliance with other requirements reasonably related to the provisions of the regulations and to execute development contracts embodying the terms and conditions of approval. The municipality may enforce such agreements and conditions by appropriate legal and equitable remedies.

Sec. 7. Minnesota Statutes 1994, section 462.358, subdivision 9, is amended to read:

Subd. 9. [UNPLATTED PARCELS.] Subdivision regulations adopted by municipalities may apply to parcels which are taken from existing parcels of record by metes and bounds descriptions, and the governing body or building authority may deny the issuance of ~~building~~ permits or approvals, building permits issued under sections 16B.59 to 16B.75, or other permits or approvals to any parcels so divided, pending compliance with subdivision regulations.

Sec. 8. Minnesota Statutes 1994, section 462.359, subdivision 4, is amended to read:

Subd. 4. [APPEALS.] If a land use or zoning permit or approval for a building in such location is denied, the board of appeals and adjustments shall have the power, upon appeal filed with it by the owner of the land, to grant a permit or approval for building in such location in any case in which the board finds, upon the evidence and the arguments presented to it, (a) that the entire property of the appellant of which such area identified for public purposes forms a part cannot yield a reasonable return to the owner unless such a permit or approval is granted, and (b) that balancing the interest of the municipality in preserving the integrity of the official map and of the comprehensive municipal plan and the interest of the owner of the property in the use of the property and in the benefits of ownership, the grant of such permit or approval is required by considerations of justice and equity. In addition to the notice of hearing required by section 462.354, subdivision 2, a notice shall be published in the official newspaper once at least ten days before the day of the hearing. If the board of appeals and adjustments authorizes the issuance of a permit or approval the governing body or other board or commission having jurisdiction shall have six months from the date of the decision of the board to institute proceedings to acquire such land or interest therein, and if no such proceedings are started within that time, the officer responsible

for issuing ~~building~~ permits or approvals shall issue the permit or approval if the application otherwise conforms to local ordinances. The board shall specify the exact location, ground area, height and other details as to the extent and character of the building for which the permit or approval is granted.

ARTICLE 4

INTERSTATE COMPACT

Section 1. Minnesota Statutes 1994, section 16B.75, is amended to read:

16B.75 [INTERSTATE COMPACT ON INDUSTRIALIZED/MODULAR BUILDINGS.]

The state of Minnesota ratifies and approves the following compact:

INTERSTATE COMPACT ON INDUSTRIALIZED/MODULAR BUILDINGS

ARTICLE I

FINDINGS AND DECLARATIONS OF POLICY

(1) The compacting states find that:

(a) Industrialized/modular buildings are constructed in factories in the various states and are a growing segment of the nation's affordable housing and commercial building stock.

(b) The regulation of industrialized/modular buildings varies from state to state and locality to locality, which creates confusion and burdens state and local building officials and the industrialized/modular building industry.

(c) Regulation by multiple jurisdictions imposes additional costs, which are ultimately borne by the owners and users of industrialized/modular buildings, restricts market access and discourages the development and incorporation of new technologies.

(2) It is the policy of each of the compacting states to:

(a) Provide the states which regulate the design and construction of industrialized/modular buildings with a program to coordinate and uniformly adopt and administer the states' rules and regulations for such buildings, all in a manner to assure interstate reciprocity.

(b) Provide to the United States Congress assurances that would preclude the need for a voluntary preemptive federal regulatory system for modular housing, as outlined in Section 572 of the Housing and Community Development Act of 1987, including development of model standards for modular housing construction, such that design and performance will insure quality, durability and safety; will be in accordance with life-cycle cost-effective energy conservation standards; all to promote the lowest total construction and operating costs over the life of such housing.

ARTICLE II

DEFINITIONS

As used in this compact, unless the context clearly requires otherwise:

(1) "Commission" means the interstate industrialized/modular buildings commission.

(2) "Industrialized/modular building" means any building which is of closed construction, i.e. constructed in such a manner that concealed parts or processes of manufacture cannot be inspected at the site, without disassembly, damage or destruction, and which is made or assembled in manufacturing facilities, off the building site, for installation, or assembly and installation, on the building site. "Industrialized/modular building" includes, but is not limited to, modular housing which is factory-built single-family and multifamily housing (including closed wall panelized housing) and other modular, nonresidential buildings. "Industrialized/modular building" does not include any structure subject to the requirements of the National Manufactured Home Construction and Safety Standards Act of 1974.

(3) "Interim reciprocal agreement" means a formal reciprocity agreement between a noncompacting state wherein the noncompacting state agrees that labels evidencing compliance with the model rules and regulations for industrialized/modular buildings, as authorized in Article VIII, section (9), shall be accepted by the state and its subdivisions to permit installation and use of industrialized/modular buildings. Further, the noncompacting state agrees that by legislation or regulation, and appropriate enforcement by uniform administrative procedures, the noncompacting state requires all industrialized/modular building manufacturers within that state to comply with the model rules and regulations for industrialized/modular buildings.

(4) "State" means a state of the United States, territory or possession of the United States, the District of Columbia, or the Commonwealth of Puerto Rico.

(5) "Uniform administrative procedures" means the procedures adopted by the commission (after consideration of any recommendations from the rules development committee) which state and local officials, and other parties, in one state, will utilize to assure state and local officials, and other parties, in other states, of the substantial compliance of industrialized/modular building construction with the construction standard of requirements of such other states; to assess the adequacy of building systems; and to verify and assure the competency and performance of evaluation and inspection agencies.

(6) "Model rules and regulations for industrialized/modular buildings" means the construction standards adopted by the commission (after consideration of any recommendations from the rules development committee) which govern the design, manufacture, handling, storage, delivery and installation of industrialized/modular buildings and building components. The construction standards and any amendments thereof shall conform insofar as practicable to model building codes and referenced standards generally accepted and in use throughout the United States.

ARTICLE III

CREATION OF COMMISSION

The compacting states hereby create the Interstate Industrialized/Modular Buildings Commission, hereinafter called commission. Said commission shall be a body corporate of each compacting state and an agency thereof. The commission shall have all the powers and duties set forth herein and such additional powers as may be conferred upon it by subsequent action of the respective legislatures of the compacting states.

ARTICLE IV

SELECTION OF COMMISSIONERS

The commission shall be selected as follows. As each state becomes a compacting state, one resident shall be appointed as commissioner. The commissioner shall be selected by the governor of the compacting state, being designated from the state agency charged with regulating industrialized/modular buildings or, if such state agency does not exist, being designated from among those building officials with the most appropriate responsibilities in the state. The commissioner may designate another official as an alternate to act on behalf of the commissioner at commission meetings which the commissioner is unable to attend.

Each state commissioner shall be appointed, suspended, or removed and shall serve subject to and in accordance with the laws of the state which said commissioner represents; and each vacancy occurring shall be filled in accordance with the laws of the state wherein the vacancy exists.

~~When~~ For every three state commissioners that have been appointed in the manner described, those state commissioners shall select one additional commissioner who shall be a representative of manufacturers of ~~industrial~~ residential- or commercial-use industrialized/modular buildings. ~~When~~ For every six state commissioners that have been appointed in the manner described, the state commissioners shall select ~~a second~~ one additional commissioner who shall be a representative of consumers of industrialized/modular buildings. ~~With each addition of three state commissioners, the state commissioners shall appoint one additional representative commissioner, alternating between a representative of manufacturers of industrialized/modular buildings and consumers of industrialized/modular buildings. The ratio between state commissioners and~~

~~representative commissioners shall be three to one.~~ In the event states withdraw from the compact or, for any other reason, the number of state commissioners is reduced, the state commissioners shall remove the last added representative commissioner as necessary to maintain a the ratio of state commissioners to representative commissioners ~~of three to one~~ described herein.

Upon a majority vote of the state commissioners, the state commissioners may remove, fill a vacancy created by, or replace any representative commissioner, provided that any replacement is made from the same representative group and ~~a three to one ratio~~ the ratio described herein is maintained. Unless provided otherwise, the representative commissioners have the same authority and responsibility as the state commissioners.

In addition, the commission may have as a member one commissioner representing the United States government if federal law authorizes such representation. Such commissioner shall not vote on matters before the commission. Such ~~commission~~ commissioner shall be appointed by the President of the United States, or in such other manner as may be provided by Congress.

ARTICLE V

VOTING

Each commissioner (except the commissioner representing the United States government) shall be entitled to one vote on the commission. A majority of the commissioners shall constitute a quorum for the transaction of business. Any business transacted at any meeting of the commission must be by affirmative vote of a majority of the quorum present and voting.

ARTICLE VI

ORGANIZATION AND MANAGEMENT

The commission shall elect annually, from among its members, a chairman, a vice chairman and a treasurer. The commission shall also select a secretariat, which shall provide an individual who shall serve as secretary of the commission. The commission shall fix and determine the duties and compensation of the secretariat. The commissioners shall serve without compensation, but shall be reimbursed for their actual and necessary expenses from the funds of the commission.

The commission shall adopt a seal.

The commission shall adopt bylaws, rules, and regulations for the conduct of its business, and shall have the power to amend and rescind these bylaws, rules, and regulations.

The commission shall establish and maintain an office at the same location as the office maintained by the secretariat for the transaction of its business and may meet at any time, but in any event must meet at least once a year. The chairman may call additional meetings and upon the request of a majority of the commissioners of three or more of the compacting states shall call an additional meeting.

The commission annually shall make the governor and legislature of each compacting state a report covering its activities for the preceding year. Any donation or grant accepted by the commission or services borrowed shall be reported in the annual report of the commission and shall include the nature, amount and conditions, if any, of the donation, gift, grant or services borrowed and the identity of the donor or lender. The commission may make additional reports as it may deem desirable.

ARTICLE VII

COMMITTEES

The commission will establish such committees as it deems necessary, including, but not limited to, the following:

(1) An executive committee which functions when the full commission is not meeting, as provided in the bylaws of the commission. The executive committee will ensure that proper procedures are followed in implementing the commission's programs and in carrying out the activities of the compact. The executive committee shall be elected by vote of the commission. It shall be comprised of at least three and no more than nine commissioners, selected from ~~those~~

~~commissioners who are representatives of the governor of their respective state~~ the state commissioners and one member of the industry commissioners and one member of the consumer commissioners.

(2) A rules development committee appointed by the commission. The committee shall be consensus-based and consist of not less than seven nor more than 21 members. Committee members will include state building regulatory officials; manufacturers of industrialized/modular buildings; private, third-party inspection agencies; and consumers. This committee may recommend procedures which state and local officials, and other parties, in one state, may utilize to assure state and local officials, and other parties, in other states, of the substantial compliance of industrialized/modular building construction with the construction standard requirements of such other states; to assess the adequacy of building systems; and to verify and assure the competency and performance of evaluation and inspection agencies. This committee may also recommend construction standards for the design, manufacture, handling, storage, delivery and installation of industrialized/modular buildings and building components. The committee will submit its recommendations to the commission, for the commission's consideration in adopting and amending the uniform administrative procedures and the model rules and regulations for industrialized/modular buildings. The committee may also review the regulatory programs of the compacting states to determine whether those programs are consistent with the uniform administrative procedures or the model rules and regulations for industrialized/modular buildings and may make recommendations concerning the states' programs to the commission. In carrying out its functions, the rules committee may conduct public hearings and otherwise solicit public input and comment.

Subd. 6. [REFERRING AGENCY.] "Referring agency" means a state agency~~, the University of Minnesota,~~ or a court that has entered into a debt qualification plan with the commissioner to refer debts to the commissioner for collection.

Sec. 4. Minnesota Statutes 1994, section 16D.02, is amended by adding a subdivision to read:

Subd. 8. [ENTERPRISE.] "Enterprise" means the Minnesota collection enterprise, a separate unit established to carry out the provisions of this chapter, pursuant to the commissioner's authority to contract with the commissioner of revenue for collection services under section 16D.04, subdivision 1.

Sec. 5. Minnesota Statutes 1994, section 16D.04, subdivision 1, is amended to read:

Subdivision 1. [DUTIES.] The commissioner shall provide services to the state and its agencies to collect debts owed the state. The commissioner is not a collection agency as defined by section 332.31, subdivision 3, and is not licensed, bonded, or regulated by the commissioner of commerce under sections 332.31 to 332.35 or 332.38 to 332.45. The commissioner is subject to section 332.37, except clause (9) or (10). The commissioner may contract with the commissioner of revenue for collection services, and may delegate to the commissioner of revenue any of the commissioner's duties and powers under this chapter. Debts referred to the commissioner of revenue for collection under this section or section 256.9792 may in turn be referred by the

commissioner of revenue to the enterprise. An audited financial statement may not be required as a condition of debt placement with a private agency if the private agency: (1) has errors and omissions coverage under a professional liability policy in an amount of at least $1,000,000; or (2) has a fidelity bond to cover actions of its employees, in an amount of at least $100,000. In cases of debts referred under section 256.9792, the provisions of this chapter and section 256.9792 apply to the extent they are not in conflict. If they are in conflict, the provisions of section 256.9792 control. For purposes of this chapter, the referring agency for such debts remains the department of human services.

Sec. 6. Minnesota Statutes 1994, section 16D.04, subdivision 3, is amended to read:

Subd. 3. [SERVICES.] The commissioner shall provide collection services for a state agency, and may provide for collection services for ~~the University of Minnesota or~~ a court, in accordance with the terms and conditions of a signed debt qualification plan.

Sec. 7. Minnesota Statutes 1994, section 16D.06, is amended to read:

16D.06 [DEBTOR INFORMATION.]

Subdivision 1. [ACCESS TO GOVERNMENT DATA NOT PUBLIC.] Notwithstanding chapter 13 or any other state law classifying or restricting access to government data, upon request from the commissioner or the attorney general, state agencies, political subdivisions, and statewide systems shall disseminate not public data to the commissioner or the attorney general for the sole purpose of collecting debt. Not public data disseminated under this subdivision is limited to financial data of the debtor or data related to the location of the debtor or the assets of the debtor.

Subd. 2. [DISCLOSURE OF DATA.] Data received, collected, created, or maintained by the commissioner or the attorney general to collect debts are classified as private data on individuals under section 13.02, subdivision 12, or nonpublic data under section 13.02, subdivision 9. The commissioner or the attorney general may disclose not public data:

(1) under section 13.05;

(2) under court order;

(3) under a statute specifically authorizing access to the not public data;

(4) to provide notices required or permitted by statute;

(5) to an agent of the commissioner, including a law enforcement person, attorney, or investigator acting for the commissioner in the investigation or prosecution of a criminal or civil proceeding relating to collection of a debt;

(6) to report names of debtors, amount of debt, date of debt, and the agency to whom debt is owed to credit bureaus and private collection agencies under contract with the commissioner; ~~and~~

(7) when necessary to locate the debtor, locate the assets of the debtor, or to enforce or implement the collection of a debt; and

(8) to the commissioner of revenue for tax administration purposes.

The commissioner and the attorney general may not disclose data that is not public to a private collection agency or other entity with whom the commissioner has contracted under section 16D.04, subdivision 4, unless disclosure is otherwise authorized by law.

Sec. 8. Minnesota Statutes 1994, section 16D.08, subdivision 2, is amended to read:

Subd. 2. [POWERS.] In addition to the collection remedies available to private collection agencies in this state, the commissioner, with legal assistance from the attorney general, may utilize any statutory authority granted to a referring agency for purposes of collecting debt owed to that referring agency. The commissioner may also use the tax collection remedies of the commissioner of revenue in sections 270.06, clauses (7) and (17), excluding the power to subpoena witnesses; 270.66; 270.69, excluding subdivisions 7 and 13; 270.70, excluding subdivision 14; 270.7001 to 270.72; and 290.92, subdivision 23, except that a continuous wage

levy under section 290.92, subdivision 23, is only effective for 70 days, unless no competing wage garnishments, executions, or levies are served within the 70-day period, in which case a wage levy is continuous until a competing garnishment, execution, or levy is served in the second or a succeeding 70-day period, in which case a continuous wage levy is effective for the remainder of that period. A debtor who qualifies for cancellation of the collection penalty under section 16D.11, subdivision 3, clause (1), can apply to the commissioner for reduction or release of a continuous wage levy, if the debtor establishes that the debtor needs all or a portion of the wages being levied upon to pay for essential living expenses, such as food, clothing, shelter, medical care, or expenses necessary for maintaining employment. The commissioner's determination not to reduce or release a continuous wage levy is appealable to district court. The word "tax" or "taxes" when used in the tax collection statutes listed in this subdivision also means debts referred under this chapter. For debts other than state taxes or child support, before any of the tax collection remedies listed in this subdivision can be used, except for the remedies in section 270.06, clauses (7) and (17), if the referring agency has not already obtained a judgment or filed a lien, the commissioner must first obtain a judgment against the debtor.

Sec. 9. [16D.11] [COLLECTION PENALTY.]

Subdivision 1. [IMPOSITION.] As determined by the commissioner, a penalty shall be added to the debts referred to the commissioner or private collection agency for collection. The penalty is collectible by the commissioner or private agency from the debtor at the same time and in the same manner as the referred debt. The referring agency shall advise the debtor of the penalty under this section and the debtor's right to cancellation of the penalty under subdivision 3 at the time the agency sends notice to the debtor under section 16D.07. If the commissioner or private agency collects an amount less than the total due, the payment is applied proportionally to the penalty and the underlying debt. Penalties collected by the commissioner under this subdivision or retained under subdivision 6 shall be deposited in the general fund as nondedicated receipts. Penalties collected by private agencies are appropriated to the referring agency to pay the collection fees charged by the private agency. Penalty collections in excess of collection agency fees must be deposited in the general fund as nondedicated receipts.

Subd. 2. [COMPUTATION.] Beginning July 1, 1995, at the time a debt is referred, the amount of the penalty is equal to 15 percent of the debt, or 25 percent of the debt remaining unpaid if the commissioner or private collection agency has to take enforced collection action by serving a summons and complaint on or entering judgment against the debtor, or by utilizing any of the remedies authorized under section 16D.08, subdivision 2, except for the remedies in sections 270.06, clause (7), and 270.66 or when referred by the commissioner for additional collection activity by a private collection agency. If, after referral of a debt to a private collection agency, the debtor requests cancellation of the penalty under subdivision 3, the debt must be returned to the commissioner for resolution of the request.

Subd. 3. [CANCELLATION.] The penalty imposed under subdivision 1 shall be canceled and subtracted from the amount due if:

(1) the debtor's household income as defined in section 290A.03, subdivision 5, excluding the exemption subtractions in subdivision 3, paragraph (3) of that section, for the 12 months preceding the date of referral is less than twice the annual federal poverty guideline under United States Code, title 42, section 9902, subsection (2);

(2) within 60 days after the first contact with the debtor by the enterprise or collection agency, the debtor establishes reasonable cause for the failure to pay the debt prior to referral of the debt to the enterprise;

(3) a good faith dispute as to the legitimacy or the amount of the debt is made, and payment is remitted or a payment agreement is entered into within 30 days after resolution of the dispute;

(4) good faith litigation occurs and the debtor's position is substantially justified, and if the debtor does not totally prevail, the debt is paid or a payment agreement is entered into within 30 days after the judgment becomes final and nonappealable; or

(5) penalties have been added by the referring agency and are included in the amount of the referred debt.

Subd. 4. [APPEAL.] Decisions of the commissioner denying an application to cancel the penalty under subdivision 3 are subject to the contested case procedure under chapter 14.

Subd. 5. [REFUND.] If a penalty is collected and then canceled, the amount of the penalty shall be refunded to the debtor within 30 days. The amount necessary to pay the refunds is annually appropriated to the commissioner.

Subd. 6. [CHARGE TO REFERRING AGENCY.] If the penalty is canceled under subdivision 3, an amount equal to the penalty is retained by the commissioner from the debt collected, and is accounted for and subject to the same provisions of this chapter as if the penalty had been collected from the debtor.

Subd. 7. [ADJUSTMENT OF RATE.] By June 1 of each year, the commissioner shall determine the rate of the penalty for debts referred to the enterprise during the next fiscal year. The rate is a percentage of the debts in an amount that most nearly equals the costs of the enterprise necessary to process and collect referred debts under this chapter. In no event shall the rate of the penalty when a debt is first referred exceed three-fifths of the maximum penalty, and in no event shall the rate of the maximum penalty exceed 25 percent of the debt. Determination of the rate of the penalty under this section is not rulemaking under chapter 14, and is not subject to the fee setting requirements of section 16A.1285.

Sec. 10. [16D.12] [PAYMENT OF COLLECTION AGENCY FEES.]

Unless otherwise expressly prohibited by law, a state agency may pay for the services of a state or private collection agency from the money collected. The portion of the money collected which must be paid to the collection agency as its collection fee is appropriated from the fund to which the collected money is due.

Sec. 11. [16D.13] [INTEREST.]

Subdivision 1. [AUTHORITY.] Unless otherwise provided by contract out of which the debt arises or by state or federal law, a state agency shall charge simple interest on debts owed to the state at the rate provided in subdivision 2 if notice has been given in accordance with this subdivision. Interest charged under this section begins to accrue on the 30th calendar day following the state agency's first written demand for payment that includes notification to the debtor that interest will begin to accrue on the debt in accordance with this section.

Subd. 2. [COMPUTATION.] Notwithstanding chapter 334, the rate of interest is the rate determined by the state court administrator under section 549.09, subdivision 1, paragraph (c).

Subd. 3. [EXCLUSION.] A state agency may not charge interest under this section on overpayments of assistance benefits under sections 256.031 to 256.0361, 256.72 to 256.87, chapters 256D and 256I, or the federal food stamp program. Notwithstanding this prohibition, any debts that have been reduced to judgment under these programs are subject to the interest charges provided under section 549.09.

Sec. 12. [16D.14] [VENUE.]

Subdivision 1. [AUTHORIZATION.] The commissioner or the attorney general may bring an action to recover debts owed to the state in Ramsey county district court or Ramsey county conciliation court at the discretion of the state. In order to bring a cause of action under this section in any county other than the county where the debtor resides or where the cause of action arose, the commissioner or the attorney general must notify the debtor as provided in subdivisions 2 to 4, unless that venue is authorized by other law.

Subd. 2. [CONCILIATION COURT; CLAIMS FOR $2,500 OR LESS.] (a) Before bringing a conciliation court action for a claim for $2,500 or less under this section in any county other than where the debtor resides or where the cause of action arose, the commissioner or the attorney general shall send a form by first class mail to the debtor's last known address notifying the debtor of the intent to bring an action in Ramsey county. The commissioner or attorney general must enclose a form for the debtor to use to request that the action not be brought in Ramsey county and a self-addressed, postage paid envelope. The form must advise the debtor of the right to request that the action not be brought in Ramsey county and that the debtor has 30 days from the date of the form to make this request.

(b) If the debtor timely returns the form requesting the action not be brought in Ramsey county, the commissioner or attorney general may only file the action in the county of the debtor's residence, the county where the cause of action arose, or as provided by other law. The commissioner or attorney general shall notify the debtor of the action taken. If the debtor does not timely return the form, venue is as chosen by the commissioner or attorney general as authorized under this section.

(c) If a judgment is obtained in Ramsey county conciliation court when the form was sent by first class mail under this subdivision and the debtor reasonably demonstrates that the debtor did not reside at the address where the form was sent or that the debtor did not receive the form, the commissioner or the attorney general shall vacate the judgment without prejudice and return any funds collected as a result of enforcement of the judgment. Evidence of the debtor's correct address include, but are not limited to, a driver's license, homestead declaration, school registration, utility bills, or a lease or rental agreement.

Subd. 3. [CONCILIATION COURT CLAIMS EXCEEDING $2,500.] (a) In order to bring a conciliation court claim that exceeds $2,500 under this section in a county other than where the debtor resides or where the cause of action arose, the commissioner or the attorney general shall serve with the conciliation court claim a change of venue form for the debtor to use to request that venue be changed and a self-addressed, postage paid return envelope. This form must advise the debtor that the form must be returned within 30 days of the date of service or venue will remain in Ramsey county.

(b) If the debtor timely returns the change of venue form requesting a change of venue, the commissioner or attorney general shall change the venue of the action to the county of the debtor's residence, the county where the cause of action arose, as provided by other law, or dismiss the action. The commissioner or attorney general must notify the debtor of the action taken. If the debtor does not timely return the form, venue is as chosen by the commissioner or attorney general as authorized under this section. The commissioner or the attorney general shall file the signed return receipt card or the proof of service with the court.

Subd. 4. [DISTRICT COURT.] (a) In order to bring a district court action under this section in any county other than where the debtor resides or where the cause of action arose, the commissioner or attorney general shall serve the change of venue form with the summons and complaint or petition commencing the collection action. Two copies of the form must be served along with a self-addressed, postage paid return envelope. The form must advise the debtor that the form must be returned within 20 days of the date of service or venue will remain in Ramsey county. If the debtor timely returns the change of venue form, the time to answer the summons and complaint or petition runs from the date of debtor's request for change of venue.

(b) If the debtor timely returns the change of venue form requesting that the action not be brought in Ramsey county, the commissioner or attorney general shall change the venue of the action to the county of the debtor's residence, the county where the cause of action arose, as provided by other law, or dismiss the action. The commissioner or attorney general shall notify the debtor of the action taken. If the debtor is served the form to change venue along with the district court summons and complaint or petition, in accordance with court rules, but does not return the form within the statutory timelines, venue is as chosen by the commissioner or attorney general as authorized under this section. The commissioner or attorney general shall file the proof of service along with the summons and complaint or petition commencing the lawsuit.

Subd. 5. [FEES.] No court filing fees, docketing fees, or release of judgment fees may be assessed against the state for collection actions filed under this chapter.

Sec. 13. [16D.15] [COMPROMISE OF DEBT.]

Unless expressly prohibited by other federal or state law, a state agency may compromise debts owed to the state, whether reduced to judgment or not, where the state agency determines that it is in the best interests of the state to do so.

Sec. 14. [16D.16] [SETOFFS.]

Subdivision 1. [AUTHORIZATION.] The commissioner or a state agency may automatically

deduct the amount of a debt owed to the state from any state payment due to the debtor, except tax refunds, earned income tax credit, child care tax credit, prejudgment debts of $5,000 or less, funds exempt under section 550.37, or funds owed an individual who receives assistance under the provisions of chapter 256 are not subject to setoff under this chapter. If a debtor has entered into a written payment plan with respect to payment of a specified debt, the right of setoff may not be used to satisfy that debt. Notwithstanding section 181.79, the state may deduct from the wages due or earned by a state employee to collect a debt, subject to the limitations in section 571.922.

Subd. 2. [NOTICE AND HEARING.] Before setoff, the commissioner or state agency shall mail written notice by certified mail to the debtor, addressed to the debtor's last known address, that the commissioner or state agency intends to set off a debt owed to the state by the debtor against future payments due the debtor from the state. For debts owed to the state that have not been reduced to judgment, if no opportunity to be heard or administrative appeal process has yet been made available to the debtor to contest the validity or accuracy of the debt, before setoff for a prejudgment debt, the notice to the debtor must advise that the debtor has a right to make a written request for a contested case hearing on the validity of the debt or the right to setoff. The debtor has 30 days from the date of that notice to make a written request for a contested case hearing to contest the validity of the debt or the right to setoff. The debtor's request must state the debtor's reasons for contesting the debt or the right to setoff. If the commissioner or state agency desires to pursue the right to setoff following receipt of the debtor's request for a hearing, the commissioner or state agency shall schedule a contested case hearing within 30 days of the receipt of the request for the hearing. If the commissioner or state agency decides not to pursue the right to setoff, the debtor must be notified of that decision.

Sec. 15. Minnesota Statutes 1994, section 491A.02, subdivision 4, is amended to read:

Subd. 4. [REPRESENTATION.] (a) A corporation, partnership, limited liability company, sole proprietorship, or association may be represented in conciliation court by an officer, manager, or partner or an agent in the case of a condominium, cooperative, or townhouse association, or may appoint a natural person who is an employee or commercial property manager to appear on its behalf or settle a claim in conciliation court. The state or a political subdivision of the state may be represented in conciliation court by an employee of the pertinent governmental unit without a written authorization. ~~This~~ Representation under this subdivision does not constitute the practice of law for purposes of section 481.02, subdivision 8. In the case of an officer, employee, commercial property manager, or agent of a condominium, cooperative, or townhouse association, an authorized power of attorney, corporate authorization resolution, corporate bylaw, or other evidence of authority acceptable to the court must be filed with the claim or presented at the hearing. This subdivision also applies to appearances in district court by a corporation or limited liability company with five or fewer shareholders or members and to any condominium, cooperative, or townhouse association, if the action was removed from conciliation court.

(b) "Commercial property manager" means a corporation, partnership, or limited liability company or its employees who are hired by the owner of commercial real estate to perform a broad range of administrative duties at the property including tenant relations matters, leasing, repairs, maintenance, the negotiation and resolution of tenant disputes, and related matters. In order to appear in conciliation court, a property manager's employees must possess a real estate license under section 82.20 and be authorized by the owner of the property to settle all disputes with tenants and others within the jurisdictional limits of conciliation court.

(c) A commercial property manager who is appointed to settle a claim in conciliation court may not charge or collect a separate fee for services rendered under paragraph (a).

Sec. 16. [PILOT PROGRAM.]

The commissioner of finance shall initiate a pilot program to compare effectiveness and efficiencies of the Minnesota collection enterprise and private collection agencies. The commissioner shall issue a request for proposals and place at least $35,000,000 of state debt with private collection agencies licensed by the commissioner of commerce under Minnesota Statutes, chapter 332 no later than January 1, 1996. For purposes of conducting this pilot, at least one-half of the private collection agencies selected must not be currently under contract with the commissioner. In placing debt with private collection agencies, the commissioner must consider

the following factors in comparison to the enterprise: age and size of the debt, type of debt, and direct and indirect costs of collecting the debt. The commissioner shall report back to the legislature by February 1, 1997.

Sec. 17. [EFFECTIVE DATE.]

Sections 1, 3 to 7, 13, 15, and 16 are effective the day following final enactment. Section 8 is effective for debts previously referred or referred on or after the day following final enactment. Section 9 is effective for debts referred on or after July 1, 1995."

"ARTICLE 1

METROPOLITAN LIVABLE COMMUNITIES ACT

Section 1. [473.25] [LIVABLE COMMUNITIES CRITERIA AND GUIDELINES.]

(a) The council shall establish criteria for uses of the fund provided in section 473.251 that are consistent with and promote the purposes of this article and the policies of the metropolitan development guide adopted by the council including, but not limited to:

(1) helping to change long-term market incentives that adversely impact creation and preservation of living-wage jobs in the fully developed area;

(2) creating incentives for developing communities to include a full range of housing opportunities;

(3) creating incentives to preserve and rehabilitate affordable housing in the fully developed area; and

(4) creating incentives for all communities to implement compact and efficient development.

(b) The council shall establish guidelines for the livable community demonstration account for

projects that the council would consider funding with either grants or loans. The guidelines must provide that the projects will:

(1) interrelate development or redevelopment and transit;

(2) interrelate affordable housing and employment growth areas;

(3) intensify land use that leads to more compact development or redevelopment;

(4) involve development or redevelopment that mixes incomes of residents in housing, including introducing or reintroducing higher value housing in lower income areas to achieve a mix of housing opportunities; or

(5) encourage public infrastructure investments which connect urban neighborhoods and suburban communities, attract private sector redevelopment investment in commercial and residential properties adjacent to the public improvement, and provide project area residents with expanded opportunities for private sector employment.

(c) The council shall establish guidelines governing who may apply for a grant or loan from the fund, providing priority for proposals using innovative partnerships between government, private for-profit, and nonprofit sectors.

(d) The council shall prepare an annual plan for distribution of the fund based on the criteria for project and applicant selection.

(e) The council shall prepare and submit to the legislature, as provided in section 3.195, an annual report on the metropolitan livable communities fund. The report must include information on the amount of money in the fund, the amount distributed, to whom the funds were distributed and for what purposes, and an evaluation of the effectiveness of the projects funded in meeting the policies and goals of the council. The report may make recommendations to the legislature on changes to this act.

Sec. 2. [473.251] [METROPOLITAN LIVABLE COMMUNITIES FUND.]

The metropolitan livable communities fund is created and consists of the following accounts:

(1) the tax base revitalization account;

(2) the livable communities demonstration account; and

(3) the local housing incentives account.

Sec. 3. [473.252] [TAX BASE REVITALIZATION ACCOUNT.]

Subdivision 1. [DEFINITION.] For the purposes of this section, "municipality" means a statutory or home rule charter city or town participating in the local housing incentives program under section 473.254, or a county in the metropolitan area.

Subd. 2. [SOURCES OF FUNDS.] The council shall credit to the tax base revitalization account within the fund the amount, if any, provided for under section 473.167, subdivision 3a, paragraph (b), and the amount, if any, distributed to the council under section 473F.08, subdivision 3b.

Subd. 3. [DISTRIBUTION OF FUNDS.] (a) The council must use the funds in the account to make grants to municipalities for the cleanup of polluted land in the metropolitan area. A grant to a metropolitan county must be used for a project in a participating municipality. The council shall prescribe and provide the grant application form to municipalities. The council must consider the probability of funding from other sources when making grants under this section.

(b)(1) The legislature expects that applications for grants will exceed the available funds and the council will be able to provide grants to only some of the applicant municipalities. If applications for grants for qualified sites exceed the available funds, the council shall make grants that provide the highest return in public benefits for the public costs incurred, that encourage commercial and industrial development that will lead to the preservation or growth of living-wage jobs and that enhance the tax base of the recipient municipality.

(2) In making grants, the council shall establish regular application deadlines in which grants will be awarded from the available money in the account. If the council provides for application cycles of less than six-month intervals, the council must reserve at least 40 percent of the receipts of the account for a year for application deadlines that occur in the second half of the year. If the applications for grants exceed the available funds for an application cycle, no more than one-half of the funds may be granted to projects in a statutory or home rule charter city and no more than three-quarters of the funds may be granted to projects located in cities of the first class.

(c) A municipality may use the grant to provide a portion of the local match requirement for project costs that qualify for a grant under sections 116J.551 to 116J.557.

Sec. 4. [473.253] [LIVABLE COMMUNITIES DEMONSTRATION ACCOUNT.]

Subdivision 1. [SOURCES OF FUNDS.] The council shall credit to the livable communities demonstration account the revenues provided in this subdivision. This tax shall be levied and collected in the manner provided by section 473.13. The levy shall not exceed the following amount for the years specified:

(a)(1) for taxes payable in 1996, 50 percent of (i) the metropolitan mosquito control commission's property tax levy for taxes payable in 1995 multiplied by (ii) an index for market valuation changes equal to the total market valuation of all taxable property located within the metropolitan area for the current taxes payable year divided by the total market valuation of all taxable property located in the metropolitan area for the previous taxes payable year; and

(2) for taxes payable in 1997 and subsequent years, the product of (i) the property tax levy limit under this subdivision for the previous year multiplied by (ii) an index for market valuation changes equal to the total market valuation of all taxable property located within the metropolitan area for the current taxes payable year divided by the total market valuation of all taxable property located in the metropolitan area for the previous taxes payable year.

For the purposes of this subdivision, "total market valuation" means the total market valuation of all taxable property within the metropolitan area without valuation adjustments for fiscal disparities under chapter 473F, tax increment financing under sections 469.174 to 469.179, and high voltage transmission lines under section 273.425.

(b) The metropolitan council, for the purposes of the fund, is considered a unique taxing jurisdiction for purposes of receiving aid pursuant to section 273.1398. For aid to be received in 1996, the fund's homestead and agricultural credit base shall equal 50 percent of the metropolitan mosquito control commission's certified homestead and agricultural credit aid for 1995, determined under section 273.1398, subdivision 2, less any permanent aid reduction under section 477A.0132. For aid to be received under section 273.1398 in 1997 and subsequent years, the fund's homestead and agricultural credit base shall be determined in accordance with section 273.1398, subdivision 1.

Subd. 2. [DISTRIBUTION OF FUNDS.] The council shall use the funds in the livable communities demonstration account to make grants or loans to municipalities participating in the local housing incentives program under section 473.254 or to metropolitan area counties to fund the initiatives specified in section 473.25, paragraph (b), in participating municipalities.

Sec. 5. [473.254] [LOCAL HOUSING INCENTIVES ACCOUNT.]

Subdivision 1. [PARTICIPATION.] (a) By November 15 of each year, a municipality may elect to participate in the local housing incentive account program. If a municipality does not elect to participate for the year, it is not subject to this section. For purposes of this section, municipality means a municipality electing to participate in the local housing incentive account program, unless the context indicates otherwise.

(b) A municipality that elects to participate may receive grants or loans from the tax base revitalization account, livable communities demonstration account, or the local housing incentive account. A municipality that does not participate is not eligible to receive a grant under sections 116J.551 to 116J.557. The council, when making discretionary funding decisions, shall give consideration to a municipality's participation in the local housing incentives program.

Subd. 2. [AFFORDABLE AND LIFE-CYCLE HOUSING GOALS.] The council shall negotiate with each municipality to establish affordable and life-cycle housing goals for that municipality that are consistent with and promote the policies of the metropolitan council as provided in the adopted metropolitan development guide. The council shall adopt, by resolution after a public hearing, the negotiated affordable and life-cycle housing goals for each municipality by January 15, 1996. By June 30, 1996, each municipality shall identify to the council the actions it plans to take to meet the established housing goals.

Subd. 3. [AFFORDABLE AND LIFE-CYCLE HOUSING OPPORTUNITIES AMOUNT.] (1) By July 1, 1996, each county assessor shall certify each municipality's average residential homestead limited market value for the 1994 assessment year, including the value of the farm house, garage, and one acre only in the case of farm homesteads, multiplied by a factor of two, as the municipality's "market value base amount." For 1997 and thereafter, the "market value base amount" shall be equal to the product of (i) the market value base amount for the previous year multiplied by (ii) the annual average United States Consumer Price Index for all urban consumers, United States average, as determined by the United States Department of Labor, for the previous year divided by that annual average for the year before the previous year.

(2) By July 1, 1996, and each succeeding year the county assessor shall determine which homesteads have market values in excess of the municipality's market value base amount and the county auditor shall certify the aggregate net tax capacity corresponding to the amount by which those homesteads' market values exceed the municipality's market value base amount as the "net tax capacity excess amount" for the assessment year corresponding to the current taxes payable year. By July 1, 1996, the county auditor shall also certify the net tax capacity excess amount for taxes payable in 1995.

(3) By July 1, 1996, and each succeeding year, the county auditor shall also certify each municipality's local tax rate for the current taxes payable year.

(4) By July 1, 1996, and each succeeding year, the county auditor shall certify for each municipality the amount equal to four percent of the municipality's current year total residential homestead tax capacity multiplied by the local tax rate.

(5) By August 1, 1996, and each succeeding year, the metropolitan council shall notify each municipality of its "affordable and life-cycle housing opportunities amount" for the following calendar year equal to the lesser of the amount certified under clause (4) or the amount, if any, by which the net tax capacity excess amount for the current year exceeds the amount for taxes payable in 1995, multiplied by the municipality's local tax rate certified in clause (3).

Subd. 4. [AFFORDABLE AND LIFE-CYCLE HOUSING REQUIREMENT.] (a) A municipality that is determined by the council to have met its affordable and life-cycle housing goals in the previous calendar year may retain the amount calculated under subdivision 3 to maintain existing affordable and life-cycle housing.

(b) In 1998, and thereafter, a municipality that is determined by the council not to have met the affordable and life-cycle housing goals in the previous calendar year, as negotiated and agreed to with the council, and not to have spent 85 percent of its affordable and life-cycle housing opportunities amount to create affordable and life-cycle housing opportunities in the previous calendar year must do one of the following with the affordable and life-cycle housing opportunities amount for the previous year as determined under subdivision 3:

(1) distribute it to the local housing incentives account; or

(2) distribute it to the housing and redevelopment authority of the city or county in which the municipality is located to create affordable and life-cycle housing opportunities in the municipality.

A municipality may enter into agreements with adjacent municipalities to cooperatively provide affordable and life-cycle housing. The housing may be provided in any of the cooperating municipalities, but must meet the combined housing goals of each participating municipality.

Subd. 5. [SOURCES OF FUNDS.] (a) The council shall credit to the local housing incentives account any revenues derived from municipalities under subdivision 4, paragraph (b), clause (1).

(b) The council shall credit $1,000,000 of the proceeds of solid waste bonds issued by the council under Minnesota Statutes, section 473.831, before its repeal, to the local housing incentives account in the metropolitan livable communities fund. In 1998 and each year thereafter, the council shall credit $1,000,000 of the revenues generated by the levy authorized in section 473.249 to the local housing incentives account.

(c) In 1997, and each year thereafter, the council shall transfer $500,000 from the livable communities demonstration account to the local housing incentives account.

Subd. 6. [DISTRIBUTION OF FUNDS.] The funds in the account must be distributed annually by the council to municipalities that:

(1) have not met their affordable and life-cycle housing goals as determined by the council; and

(2) are actively funding projects designed to help meet the goals.

The funds distributed by the council must be matched on a dollar-for-dollar basis by the municipality receiving the funds. When distributing funds in the account, the council must give priority to those municipalities that (1) have contribution net tax capacities that exceed their distribution net tax capacities by more than $200 per household, (2) demonstrate the proposed project will link employment opportunities with affordable and life-cycle housing, and (3) provide matching funds from a source other than the required amount under subdivision 3. For the purposes of this subdivision, "municipality" means a statutory or home rule charter city or town in the metropolitan area.

Subd. 7. [REPORTING REQUIREMENT.] Beginning January 15, 1998, and annually thereafter, each municipality must report to the council the following:

(1) the tax revenues defined in subdivision 3 that were levied in the prior year;

(2) the portion of the revenues that were spent on meeting the municipality's affordable and life-cycle housing goals; and

(3) information on how the expenditures directly support the municipality's efforts to meet its affordable and life-cycle housing goals.

The council shall verify each municipality's compliance with this subdivision.

Subd. 8. [LATER ELECTION TO PARTICIPATE.] If a municipality did not participate for one or more years and elects later to participate, the municipality must establish that it has spent or agrees to spend on affordable and life-cycle housing, or agrees to distribute to the local housing incentives account, an amount equivalent to what it would have spent on affordable and life-cycle housing had goals been established under this section for the period in which it was not participating. The council will determine which investments count toward the required cumulative investment amount by comparing the municipality to participating municipalities similar in terms of stage of development and demographics. If it determines it to be in the best interests of the region, the council may waive a reasonable portion of the cumulative investment amount.

Subd. 9. [REPORT TO THE LEGISLATURE.] By February 1 of each year, the council must report to the legislature the municipalities that have elected to participate and not to participate under subdivision 1. This report must be filed as provided in section 3.195.

Subd. 10. [COMPREHENSIVE REPORT CARD ON AFFORDABLE AND LIFE CYCLE HOUSING.] The metropolitan council shall present to the legislature and release to the public by November 15, 1996, and each year thereafter a comprehensive report card on affordable and life cycle housing in each municipality in the metropolitan area. The report card must include information on government, nonprofit, and marketplace efforts.

Sec. 6. [PROGRAM EVALUATION.]

The metropolitan council shall submit a report to the legislature by January 15, 2003, evaluating the metropolitan livable communities act. The report must include an accounting of the funds credited to the tax base revitalization account, the livable communities demonstration

account, and the local housing incentives account, a summary of how the funds were spent, an analysis of the costs and benefits of the program, and recommendations for future legislative action regarding the program.

Sec. 7. [2020 REPORT.]

The metropolitan council shall report to the legislature by January 15, 1996, on the probable development patterns in and affecting the metropolitan area by the year 2020 under various scenarios, including the present course of growth versus directed, compact, and efficient development. The report should consider impacts on the greater metropolitan region, including within it counties in which five percent or more of residents commute to employment in the present metropolitan region or which are part of the metropolitan area as defined by the U.S. Department of Commerce Standard Metropolitan Statistical Area.

Sec. 8. [APPLICATION.]

This article applies in the counties of Anoka, Carver, Dakota, Hennepin, Ramsey, Scott, and Washington.

Sec. 9. [EFFECTIVE DATE.]

This article is effective the day after final enactment. Section 4 is effective for taxes levied in 1995 and payable in 1996, and subsequent years.

ARTICLE 2

MISCELLANEOUS AMENDMENTS

Section 1. Minnesota Statutes 1994, section 116J.552, subdivision 2, is amended to read:

Subd. 2. [CLEANUP COSTS.] "Cleanup costs" or "costs" ~~mean~~ means the ~~cost~~ costs of developing and implementing ~~an approved~~ a response action plan, but does not include implementation costs incurred before the award of a grant unless the application for the grant was submitted within 180 days after the response action plan was approved by the commissioner of the pollution control agency.

Sec. 2. Minnesota Statutes 1994, section 116J.555, subdivision 2, is amended to read:

Subd. 2. [APPLICATION CYCLES; REPORTING TO LCWM.] (a) In making grants, the commissioner shall establish ~~regular~~ semiannual application deadlines in which grants will be authorized from all or part of the available appropriations of money in the account.

(b) After each semiannual cycle in which grants are awarded, the commissioner shall report to the legislative commission on waste management the grants awarded and appropriate supporting information describing each grant made. This report must be made within 30 days after the grants are awarded.

(c) The commissioner shall annually report to the legislative commission on the status of the cleanup projects undertaken under grants made under the programs. The commissioner shall include in the annual report information on the cleanup and development activities undertaken for the grants made in that and previous fiscal years. The commissioner shall make this report no later than 120 days after the end of the fiscal year.

Sec. 3. Minnesota Statutes 1994, section 116J.554, is amended by adding a subdivision to read:

Subd. 1a. [METROPOLITAN LIVABLE COMMUNITIES.] The commissioner may not make a grant to a municipality in the metropolitan area unless it is participating in the local housing incentives program under section 473.254.

Sec. 4. Minnesota Statutes 1994, section 116J.556, is amended to read:

116J.556 [LOCAL MATCH REQUIREMENT.]

(a) In order to qualify for a grant under sections 116J.551 to 116J.557, the municipality must pay for at least one-half of the project costs as a local match. The municipality shall pay an

amount of the project costs equal to at least ~~18~~ 12 percent of the cleanup costs from the municipality's general fund, a property tax levy for that purpose, or other unrestricted money available to the municipality (excluding tax increments). These unrestricted moneys may be spent for project costs, other than cleanup costs, and qualify for the local match payment equal to ~~18~~ 12 percent of cleanup costs. The rest of the local match may be paid with tax increments, regional, state, or federal money available for the redevelopment of brownfields or any other money available to the municipality.

(b) If the development authority establishes a tax increment financing district or hazardous substance subdistrict on the site to pay for part of the local match requirement, the district or subdistrict is not subject to the state aid reductions under section 273.1399. In order to qualify for the exemption from the state aid reductions, the municipality must elect, by resolution, on or before the request for certification is filed that all tax increments from the district or subdistrict will be used exclusively to pay (1) for project costs for the site and (2) administrative costs for the district or subdistrict. The district or subdistrict must be decertified when an amount of tax increments equal to no more than three times the costs of implementing the response action plan for the site and the administrative costs for the district or subdistrict have been received, after deducting the amount of the state grant.

Sec. 5. Minnesota Statutes 1994, section 473.167, subdivision 2, is amended to read:

Subd. 2. [LOANS FOR ACQUISITION.] The council may make loans to counties, towns, and statutory and home rule charter cities within the metropolitan area for the purchase of property within the right-of-way of a state trunk highway shown on an official map adopted pursuant to section 394.361 or 462.359 or for the purchase of property within the proposed right-of-way of a principal or intermediate arterial highway designated by the council as a part of the metropolitan highway system plan and approved by the council pursuant to subdivision 1. The loans shall be made by the council, from the fund established pursuant to this subdivision, for purchases approved by the council. The loans shall bear no interest. The council shall make loans only: (1) to accelerate the acquisition of primarily undeveloped property when there is a reasonable probability that the property will increase in value before highway construction, and to update an expired environmental impact statement on a project for which the right-of-way is being purchased; (2) to avert the imminent conversion or the granting of approvals which would allow the conversion of property to uses which would jeopardize its availability for highway construction; or (3) to advance planning and environmental activities on highest priority major metropolitan river crossing projects, under the transportation development guide chapter/policy plan. The council shall not make loans for the purchase of property at a price which exceeds the fair market value of the property or which includes the costs of relocating or moving persons or property. A private property owner may elect to receive the purchase price either in a lump sum or in not more than four annual installments without interest on the deferred installments. If the purchase agreement provides for installment payments, the council shall make the loan in installments corresponding to those in the purchase agreement. The recipient of an acquisition loan shall convey the property for the construction of the highway at the same price which the recipient paid for the property. The price may include the costs of preparing environmental documents that were required for the acquisition and that were paid for with money that the recipient received from the loan fund. Upon notification by the council that the plan to construct the highway has been abandoned or the anticipated location of the highway changed, the recipient shall sell the property at market value in accordance with the procedures required for the disposition of the property. All rents and other money received because of the recipient's ownership of the property and all proceeds from the conveyance or sale of the property shall be paid to the council. If a recipient is not permitted to include in the conveyance price the cost of preparing environmental documents that were required for the acquisition, then the recipient is not required to repay the council an amount equal to 40 percent of the money received from the loan fund and spent in preparing the environmental documents. The proceeds of the tax authorized by subdivision 3 and distributed to the right-of-way acquisition loan fund pursuant to subdivision 3a, paragraph (a), all money paid to the council by recipients of loans, and all interest on the proceeds and payments shall be maintained as a separate fund. For administration of the loan program, the council may expend from the fund each year an amount no greater than three percent of the amount of the ~~authorized levy~~ proceeds distributed to the right-of-way acquisition loan fund pursuant to subdivision 3a, paragraph (a), for that year.

Sec. 6. Minnesota Statutes 1994, section 473.167, subdivision 3, is amended to read:

Subd. 3. [TAX.] The council may levy a tax on all taxable property in the metropolitan area, as defined in section 473.121, to provide funds for loans made pursuant to subdivisions 2 and 2a and for the tax base revitalization account in the metropolitan livable communities fund, established under section 473.251. This tax for the right-of-way acquisition loan fund and the tax base revitalization account shall be certified by the council, levied, and collected in the manner provided by section 473.13. The tax shall be in addition to that authorized by section 473.249 and any other law and shall not affect the amount or rate of taxes which may be levied by the council or any metropolitan agency or local governmental unit. The amount of the levy shall be as determined and certified by the council~~, except as otherwise provided in this subdivision~~.

The property tax levied by the metropolitan council for the right-of-way acquisition loan fund and the tax base revitalization account shall not exceed the following amount for the years specified:

(a) for taxes payable in 1988, the product of 5/100 of one mill multiplied by the total assessed valuation of all taxable property located within the metropolitan area as adjusted by the provisions of Minnesota Statutes 1986, sections 272.64; 273.13, subdivision 7a; and 275.49;

(b) for taxes payable in 1989, except as provided in section 473.249, subdivision 3, the product of (1) the metropolitan council's property tax levy limitation for the right-of-way acquisition loan fund for the taxes payable year 1988 determined under clause (a) multiplied by (2) an index for market valuation changes equal to the assessment year 1988 total market valuation of all taxable property located within the metropolitan area divided by the assessment year 1987 total market valuation of all taxable property located within the metropolitan area;

(c) for taxes payable in 1990, an amount not to exceed $2,700,000; and

(d) for taxes payable in 1991 and subsequent years, the product of (1) the metropolitan council's property tax levy limitation for the right-of-way acquisition loan fund for the taxes payable in 1988 determined under clause (a) multiplied by (2) an index for market valuation changes equal to the total market valuation of all taxable property located within the metropolitan area for the current taxes payable year divided by the total market valuation of all taxable property located within the metropolitan area for taxes payable in 1988.

For the purpose of determining the metropolitan council's property tax levy limitation for the right-of-way acquisition loan fund and tax base revitalization account in the metropolitan livable communities fund, under section 473.251, for the taxes payable year 1988 and subsequent years under this subdivision, "total market valuation" means the total market valuation of all taxable property within the metropolitan area without valuation adjustments for fiscal disparities (chapter 473F), tax increment financing (sections 469.174 to 469.179), and high voltage transmission lines (section 273.425).

~~The property tax levied under this subdivision for taxes payable in 1988 and subsequent years shall not be levied at a rate higher than that determined by the metropolitan council to be sufficient, considering the other anticipated revenues of and disbursements from the right-of-way acquisition loan fund, to produce a balance in the loan fund at the end of the next calendar year equal to twice the amount of the property tax levy limitation for taxes payable in the next calendar year determined under this section.~~

Sec. 7. Minnesota Statutes 1994, section 473.167, is amended by adding a subdivision to read:

Subd. 3a. [DISTRIBUTION OF TAX PROCEEDS.] (a) Right-of-way acquisition loan fund. Tax proceeds shall first be deposited into the right-of-way acquisition loan fund in an amount determined by the metropolitan council to be sufficient, considering the other anticipated revenues of and disbursements from the right-of-way acquisition loan fund, to produce a balance in the loan fund at the end of the next calendar year equal to twice the amount of the property tax levy limitation for taxes payable in the next calendar year determined under subdivision 3.

(b) Metropolitan livable communities tax base revitalization account. Any tax proceeds not first deposited into the right-of-way acquisition loan fund shall be distributed to the tax base revitalization account in the metropolitan livable communities fund, established under section 473.251.

Sec. 8. Minnesota Statutes 1994, section 473.704, subdivision 18, is amended to read:

Subd. 18. The commission may establish a research program to evaluate the effects of control programs on other fauna. The purpose of the program is to identify the types and magnitude of the adverse effects of the control program on fish and wildlife and associated food chain invertebrates. The commission may conduct research through contracts with qualified outside researchers. The commission may finance the research program each year at a level up to 2.5 percent of its annual budget, until December 31, 1995.

Sec. 9. Minnesota Statutes 1994, section 473.711, subdivision 2, is amended to read:

Subd. 2. [BUDGET; TAX LEVY.] (a) Budget. The metropolitan mosquito control commission shall prepare an annual budget. The budget may provide for expenditures in an amount not exceeding the property tax levy limitation determined in this subdivision.

(b) Tax Levy. The commission may levy a tax on all taxable property in the district as defined in section 473.702 to provide funds for the purposes of sections 473.701 to 473.716. The tax shall not exceed the property tax levy limitation determined in this subdivision. A participating county may agree to levy an additional tax to be used by the commission for the purposes of sections 473.701 to 473.716 but the sum of the county's and commission's taxes may not exceed the county's proportionate share of the property tax levy limitation determined under this subdivision based on the ratio of its total net tax capacity to the total net tax capacity of the entire district as adjusted by section 270.12, subdivision 3. The auditor of each county in the district shall add the amount of the levy made by the district to other taxes of the county for collection by the county treasurer with other taxes. When collected, the county treasurer shall make settlement of the tax with the district in the same manner as other taxes are distributed to political subdivisions. No county shall levy any tax for mosquito, disease vectoring tick, and black gnat (Simuliidae) control except under ~~sections 473.701 to 473.716~~ this section. The levy shall be in addition to other taxes authorized by law.

The property tax levied by the metropolitan mosquito control commission shall not exceed the following amount for the years specified:

(i) for taxes payable in 1996, the product of (1) the commission's property tax levy limitation for ~~the previous year~~ taxes payable in 1995 determined under this subdivision minus 50 percent of the amount actually levied for taxes payable in 1995, multiplied by (2) an index for market valuation changes equal to the total market valuation of all taxable property located within the district for the current ~~assessment~~ taxes payable year divided by the total market valuation of all taxable property located within the district for the previous ~~assessment~~ taxes payable year; and

(ii) for taxes payable in 1997 and subsequent years, the product of (1) the commission's property tax levy limitation for the previous year determined under this subdivision multiplied by (2) an index for market valuation changes equal to the total market valuation of all taxable property located within the district for the current taxes payable year divided by the total market valuation of all taxable property located within the district for the previous taxes payable year.

For the purpose of determining the commission's property tax levy limitation under this subdivision, "total market valuation" means the total market valuation of all taxable property within the district without valuation adjustments for fiscal disparities (chapter 473F), tax increment financing (sections 469.174 to 469.179), and high voltage transmission lines (section 273.425).

(c) Homestead and Agricultural Credit Aid. For aids payable in 1996 and subsequent years, the commission's homestead and agricultural credit aid base under section 273.1398, subdivision 1, is permanently reduced by 50 percent of the amount certified to be received in 1995, less any permanent aid reduction in 1995 under section 477A.0132.

(d) Emergency Tax Levy. If the commissioner of the department of health declares a health emergency due to a threatened or actual outbreak of disease caused by mosquitos, disease vectoring ticks, or black gnats (Simuliidae), the commission may levy an additional tax not to exceed $500,000 on all taxable property in the district to pay for the required control measures.

(e) Optional County Levy. A participating county may levy a tax in an amount to be determined by the county board for mosquito, disease vectoring tick, and black gnat (Simuliidae) nuisance control. If the county levies the tax for nuisance control, it must contract with the commission to provide for nuisance control activities within the county. Section 1. Minnesota Statutes 1994, section 290.01, subdivision 19b, is amended to read:

Subd. 19b. [SUBTRACTIONS FROM FEDERAL TAXABLE INCOME.] For individuals, estates, and trusts, there shall be subtracted from federal taxable income:

(1) interest income on obligations of any authority, commission, or instrumentality of the United States to the extent includable in taxable income for federal income tax purposes but exempt from state income tax under the laws of the United States;

(2) if included in federal taxable income, the amount of any overpayment of income tax to Minnesota or to any other state, for any previous taxable year, whether the amount is received as a refund or as a credit to another taxable year's income tax liability;

(3) the amount paid to others not to exceed $650 for each dependent in grades kindergarten to 6 and $1,000 for each dependent in grades 7 to 12, for tuition, textbooks, and transportation of each dependent in attending an elementary or secondary school situated in Minnesota, North Dakota, South Dakota, Iowa, or Wisconsin, wherein a resident of this state may legally fulfill the state's compulsory attendance laws, which is not operated for profit, and which adheres to the provisions of the Civil Rights Act of 1964 and chapter 363. As used in this clause, "textbooks" includes books and other instructional materials and equipment used in elementary and secondary schools in teaching only those subjects legally and commonly taught in public elementary and secondary schools in this state. "Textbooks" does not include instructional books and materials used in the teaching of religious tenets, doctrines, or worship, the purpose of which is to instill such tenets, doctrines, or worship, nor does it include books or materials for, or transportation to, extracurricular activities including sporting events, musical or dramatic events, speech activities, driver's education, or similar programs. In order to qualify for the subtraction under this clause the taxpayer must elect to itemize deductions under section 63(e) of the Internal Revenue Code;

(4) to the extent included in federal taxable income, distributions from a qualified governmental pension plan, an individual retirement account, simplified employee pension, or qualified plan covering a self-employed person that represent a return of contributions that were included in Minnesota gross income in the taxable year for which the contributions were made but were deducted or were not included in the computation of federal adjusted gross income. The distribution shall be allocated first to return of contributions until the contributions included in Minnesota gross income have been exhausted. This subtraction applies only to contributions made in a taxable year prior to 1985;

(5) income as provided under section 290.0802;

(6) the amount of unrecovered accelerated cost recovery system deductions allowed under subdivision 19g;

(7) to the extent included in federal adjusted gross income, income realized on disposition of property exempt from tax under section 290.491; ~~and~~

(8) to the extent not deducted in determining federal taxable income, the amount paid for health insurance of self-employed individuals as determined under section 162(l) of the Internal Revenue Code, except that the 25 percent limit does not apply. If the taxpayer deducted insurance payments under section 213 of the Internal Revenue Code of 1986, the subtraction under this clause must be reduced by the lesser of:

(i) the total itemized deductions allowed under section 63(d) of the Internal Revenue Code, less state, local, and foreign income taxes deductible under section 164 of the Internal Revenue Code and the standard deduction under section 63(c) of the Internal Revenue Code; or

(ii) the lesser of (A) the amount of insurance qualifying as "medical care" under section 213(d) of the Internal Revenue Code to the extent not deducted under section 162(1) of the Internal Revenue Code or excluded from income or (B) the total amount deductible for medical care under section 213(a); and

(9) the exemption amount allowed under section 2, subdivision 3.

Sec. 2. [URBAN HOMESTEADING PROGRAM.]

Subdivision 1. [URBAN REVITALIZATION AND STABILIZATION ZONES.] By September 1, 1995, the metropolitan council shall designate one or more urban revitalization and stabilization zones in the metropolitan area, as defined in section 473.121, subdivision 2. The designated zones must contain no more than 1,000 single family homes in total. In designating urban revitalization and stabilization zones, the council shall choose areas that are in transition toward blight and poverty. The council shall use indicators that evidence increasing neighborhood distress such as declining residential property values, declining resident incomes, declining rates of owner-occupancy, and other indicators of blight and poverty in determining which areas are to be urban revitalization and stabilization zones.

Subd. 2. [PROGRAM ELIGIBILITY.] Any person buying and occupying a home within the boundaries of an urban revitalization and stabilization zone after September 1, 1995, is eligible to participate in the urban homesteading program. An owner may participate by filing an annual application with the county assessor of the county in which the homestead is located. On or before January 15 of the second year after the initial application and for a total of four subsequent years in which the owner continues to meet eligibility requirements under this subdivision, the assessor shall provide written verification that the homestead is within an urban revitalization and stabilization zone to the owner in a form and manner prescribed by the commissioner of revenue. The form shall include the date on which the owner purchased the property, the date on which the owner applied for the urban homesteading program, and shall indicate if the property has been found to be not in compliance with applicable building codes, and the dates of inspections. The assessor may charge a fee to the owner, not to exceed $10 per year, for the costs of processing the application. An owner shall become ineligible for the program if any of the following occurs:

(1) the property is sold or otherwise transferred to another party;

(2) the property is found not to be in compliance with applicable building codes, provided that at least three years have passed since the owner filed for participation in the program;

(3) the owner ceases to occupy the property; or

(4) any of the owners of the property are convicted of violating Minnesota Statutes, sections 152.021 to 152.025 or 152.0261, or committing any other felony-level violation.

The county assessor shall annually provide to the county attorney a list of the owners of property within the county who are currently in the program. The county attorney shall notify the assessor if any of the owners participating in the program have been convicted of violating a felony-level crime after the date on which they began participation in the program. The assessor shall notify the owners, by first class mail, of the loss of their eligibility of participation in the program for the following year and any subsequent years. The assessor shall at the same time notify the commissioner of revenue of the owners' loss of eligibility. The owners may appeal the

loss of eligibility to the tax court, but the appeal is limited to the factual question of whether the disqualifying event has actually occurred.

Subd. 3. [TAX BENEFITS.] Individuals participating in the urban homesteading program shall receive an exemption from Minnesota taxable income for each full tax year during which eligibility under subdivision 2 is mandated, beginning in the first full tax year following the filing of an application with the county assessor. Eligibility may continue for a maximum of five years, provided that the individual does not become ineligible for the program under subdivision 2. The maximum exemption amount shall equal $15,000 for married individuals filing joint returns and surviving spouses as defined in section 2(a) of the Internal Revenue Code, $10,000 for unmarried individuals, and $12,500 for unmarried individuals qualifying as a head of household as defined in section 2(b) of the Internal Revenue Code. The maximum exemption amount shall be reduced by two percent of the maximum exemption amount for each $1,000 of adjusted gross income or part thereof above an income threshold. For purposes of this subdivision, adjusted gross income means federal adjusted gross income as defined in section 62 of the Internal Revenue Code. The income threshold shall equal $60,000 for married individuals filing joint returns and surviving spouses, $40,000 for unmarried individuals, and $50,000 for unmarried individuals qualifying as a head of household. Participants shall claim the exemption by filing the form provided under subdivision 2 with the income tax return filed under chapter 290.

Subd. 4. [EXPIRATION.] Initial applications for the urban homesteading program shall not be accepted after July 1, 1997.

Subd. 5. [INFORMATION TO POTENTIAL BUYERS.] The metropolitan council shall market and promote the urban homestead program to the extent feasible, but such efforts shall at least include informing area realtors or realtor associations about the program.

Subd. 6. [REPORTS.] The metropolitan council shall make an initial report to the legislature by January 1, 1998, on the urban homesteading program. The initial report shall contain information on designation of zones, participation rates, and current and projected future costs of providing state income tax exemptions to program participants.

The metropolitan council shall make full reports to the legislature by January 1, 2000, and January 1, 2003, on the urban homesteading program. The full reports shall include information on those subjects covered by the initial report, as well as information on neighborhood impacts, property values, resident incomes, rates of owner-occupancy, and other indicators of poverty and blight.

that suspension from the computer records that are disclosed to persons or agencies outside the driver and vehicle services division of the department of public safety.

Sec. 11. [171.186] [SUSPENSION; NONPAYMENT OF SUPPORT.]

Subdivision 1. [SUSPENSION.] The commissioner shall suspend a person's driver's license or operating privileges without a hearing upon receipt of a court order or notice from a public authority responsible for child support enforcement that states that the driver is in arrears in court-ordered child support or maintenance payments, or both, in an amount equal to or greater than three times the obligor's total monthly support and maintenance payments, and is not in compliance with a written payment agreement regarding both current support and arrearages approved by a court, an administrative law judge, or the public authority responsible for child support enforcement, in accordance with section 518.551, subdivision 13.

Subd. 2. [NOTICE.] Upon suspending a driver's license or operating privileges under this section, the department shall immediately notify the licensee, in writing, by mailing a notice addressed to the licensee at the licensee's last known address.

Subd. 3. [DURATION.] A license or operating privilege must remain suspended and may not be reinstated, nor may a license be subsequently issued to the person, until the commissioner receives notice from the court, an administrative law judge, or public authority responsible for child support enforcement that the person is in compliance with all current orders of support or written payment agreements regarding both current support and arrearages. If the board finds that the person is licensed by the board and evidence of full payment of arrearages found to be due by the court or the public agency is not presented at the hearing, the board shall suspend the license unless it determines that probation is appropriate under subdivision 2. The only issues to be determined by the board are whether the person named in the court order or public agency notice is a licensee, whether the arrearages have been paid, and whether suspension or probation is appropriate. The board may not consider evidence with respect to the appropriateness of the underlying child support order or the ability of the person to comply with the order. The board may not lift the suspension until the licensee files with the board proof showing that the licensee is current in child support payments and maintenance~~ suspend the license as directed by the order or notice.

Sec. 13. Minnesota Statutes 1994, section 214.101, subdivision 4, is amended to read:

Subd. 4. [VERIFICATION OF PAYMENTS.] ~~Before~~ A board may ~~terminate probation, remove a suspension,~~ not issue, reinstate, or renew a license of a person who has been suspended ~~or placed on probation~~ or is the subject of an order or notice under this section~~, it shall contact~~ until it receives notification from the court, administrative law judge, or public ~~agency~~ authority that referred the matter to the board ~~to determine~~ confirming that the applicant is not in arrears ~~for~~ in either child support or maintenance ~~or both~~ payments, or confirming that the person is in compliance with a written payment plan regarding both current support and arrearages. ~~The board may not issue or renew a license until the applicant proves to the board's satisfaction that the applicant is current in support payments and maintenance.~~

Sec. 14. [256.996] [COOPERATION FOR THE CHILDREN PROGRAM.]

Subdivision 1. [ESTABLISHMENT.] The commissioner of human services, in consultation

with a representative from the office of administrative hearings and the office of the attorney general and with input from community groups, shall develop and implement the cooperation for the children program as an effort to promote parental relationships with children. The program must be designed with three distinct components:

(1) addressing the needs of parents for educational services pertaining to issues of child custody and visitation arrangements;

(2) providing a nonjudicial forum to aid in the resolution of custody and visitation issues through facilitation of written agreements; and

(3) providing mediation services to resolve conflicts related to custody and visitation issues, when appropriate.

Subd. 2. [PROGRAM DESIGN.] (a) The cooperation for the children program must be administered by the office of administrative hearings and, by contract, implemented in selected counties. The program may accept referrals from the district court, the child support administrative process, or self-referral by individuals. The program is voluntary to participants and must be designed to provide services to individuals who are parents by virtue of birth or adoption of a child, individuals adjudicated as parents through a paternity action or through the recognition of parentage process, or individuals who have experienced a marriage dissolution. The program must be designed to screen all referrals for domestic abuse. The program must coordinate with existing agencies, such as court services, to provide program services to parents. If a participating county operates a parenting education program, a nonjudicial conflict resolution program, or a mediation program, the cooperation for the children program must utilize the existing programs to the greatest extent possible in an effort to minimize costs.

(b) The voluntary issue resolution component of the cooperation for the children program must facilitate the parents' discussion of custody and visitation issues in dispute. If there are allegations or indications of domestic abuse, the program shall allow the parents to attend separate sessions with the program facilitator. If agreement of both parties is reached to the disputed issues through the program and the agreement contains a sufficient factual basis to support a finding that the terms are in the best interests of the children, the agreement may be incorporated into a proposed order by program counsel for submission to an administrative law judge or district court judge for execution as a court order.

(c) The mediation component of the program must utilize certified mediators who are competent in recognizing the dynamics of domestic abuse and sensitive to the cultural issues of the participants. To provide services through the cooperation for the children program, mediators must be approved by the court in the participating county. Relationships that involve allegations or indications of domestic abuse are not appropriate for mediation services through the cooperation for the children program.

(d) In cases where no agreement is voluntarily reached through the program, both parents must be provided with forms sufficient to allow them access to the district court to seek formal adjudication of the dispute.

Subd. 3. [DEMONSTRATION.] The commissioner shall contract with the office of administrative hearings and any county to administer and operate a demonstration project of the cooperation for the children program.

Subd. 4. [EVALUATION.] By January 15, 1997, and every two years after that, the office of administrative hearings shall submit a report to the legislature that identifies the following information relevant to the implementation of this section:

(1) the number of citizens offered and provided services by the program;

(2) the circumstances in which the program provided services, whether in paternity adjudications, situations involving recognition of parentage executions, dissolutions, or postdecree matters;

(3) the reduction in court actions, if any, resulting from the use of the program;

(4) the effect of the program, if any, on the average time period between case filing and final resolution in family law cases filed in court in a participating county; and

(5) the cost of implementation and operation of the program in the participating counties.

Sec. 15. [256.997] [CHILD SUPPORT OBLIGOR COMMUNITY SERVICE WORK EXPERIENCE PROGRAM.]

Subdivision 1. [AUTHORIZATION.] The commissioner of human services may contract with a county that operates a community work experience program or a judicial district department of corrections that operates a community work experience program to include child support obligors who are physically able to work and fail to pay child support as participants in the community work experience program.

Subd. 2. [LIMITATIONS.] (a) Except as provided in paragraph (f), a person ordered to participate in a work program under section 518.617 shall do so if services are available.

(b) A person may not be required to participate for more than 32 hours per week in the program under this section.

(c) A person may not be required to participate for more than six weeks for each finding of contempt.

(d) If a person is required by a governmental entity to participate in another work or training program, the person may not be required to participate in a program under this section in a week for more than 32 hours minus the number of hours the person is required to participate in the other work or training program in that week.

(e) If a person is employed, the person may not be required to participate in a program under this section in a week for more than 80 percent of the difference between 40 hours and the number of hours actually worked in the unsubsidized job during that week, to a maximum of 32 hours.

(f) A person who works an average of 32 hours or more per week in an unsubsidized job is not required to participate in a program under this section.

Subd. 3. [NOTICE TO COURT.] If a person does not complete six weeks of participation in a program under this section, the county operating the program shall inform the court administrator, by affidavit, of that noncompletion.

Subd. 4. [INJURY PROTECTION FOR WORK EXPERIENCE PARTICIPANTS.] (a) This subdivision applies to payment of any claims resulting from an alleged injury or death of a child support obligor participating in a community work experience program established and operated by a county or a judicial district department of corrections under this section.

(b) Claims that are subject to this section must be investigated by the county agency responsible for supervising the work to determine whether the claimed injury occurred, whether the claimed medical expenses are reasonable, and whether the loss is covered by the claimant's insurance. If insurance coverage is established, the county agency shall submit the claim to the appropriate insurance entity for payment. The investigating county agency shall submit all valid claims, in the amount net of any insurance payments, to the commissioner of human services.

(c) The commissioner of human services shall submit all claims for impairment compensation to the commissioner of labor and industry. The commissioner of labor and industry shall review all submitted claims and recommend to the commissioner of human services an amount of compensation comparable to what would be provided under the impairment compensation schedule of section 176.101, subdivision 3b.

(d) The commissioner of human services shall approve a claim of $1,000 of less for payment if appropriated funds are available, if the county agency responsible for supervising the work has made the determinations required by this section, and if the work program was operated in compliance with the safety provisions of this section. The commissioner shall pay the portion of an approved claim of $1,000 or less that is not covered by the claimant's insurance within three months of the date of submission. On or before February 1 of each year, the commissioner shall

submit to the appropriate committees of the senate and the house of representatives a list of claims of $1,000 or less paid during the preceding calendar year and shall be reimbursed by legislative appropriation for any claims that exceed the original appropriation provided to the commissioner to operate this program. Unspent money from this appropriation carries over to the second year of the biennium, and any unspent money remaining at the end of the second year must be returned to the general fund. On or before February 1 of each year, the commissioner shall submit to the appropriate committees of the senate and the house of representatives a list of claims in excess of $1,000 and a list of claims of $1,000 or less that were submitted to but not paid by the commissioner of human services, together with any recommendations of appropriate compensation. These claims shall be heard and determined by the appropriate committees of the senate and house of representatives and, if approved, paid under the legislative claims procedure.

(e) Compensation paid under this section is limited to reimbursement for reasonable medical expenses and impairment compensation for disability in like amounts as allowed in section 176.101, subdivision 3b. Compensation for injuries resulting in death shall include reasonable medical expenses and burial expenses in addition to payment to the participant's estate in an amount not to exceed the limits set forth in section 466.04. Compensation may not be paid under this section for pain and suffering, lost wages, or other benefits provided in chapter 176. Payments made under this section must be reduced by any proceeds received by the claimant from any insurance policy covering the loss. For the purposes of this section, "insurance policy" does not include the medical assistance program authorized under chapter 256B or the general assistance medical care program authorized under chapter 256D.

(f) The procedure established by this section is exclusive of all other legal, equitable, and statutory remedies against the state, its political subdivisions, or employees of the state or its political subdivisions. The claimant may not seek damages from any state or county insurance policy or self-insurance program.

(g) A claim is not valid for purposes of this subdivision if the local agency responsible for supervising the work cannot verify to the commissioner of human services:

(1) that appropriate safety training and information is provided to all persons being supervised by the agency under this subdivision; and

(2) that all programs involving work by those persons comply with federal Occupational Safety and Health Administration and state department of labor and industry safety standards.

A claim that is not valid because of failure to verify safety training or compliance with safety standards may not be paid by the commissioner of human services or through the legislative claims process and must be heard, decided, and paid, if appropriate, by the local government unit responsible for supervising the work of the claimant.

Subd. 5. [TRANSPORTATION EXPENSES.] A county shall reimburse a person for reasonable transportation costs incurred because of participation in a program under this section, up to a maximum of $25 per month.

Subd. 6. [PAYMENT TO COUNTY.] The commissioner shall pay a county $200 for each person who participates in the program under this section in that county. The county is responsible for any additional costs of the program.

Sec. 16. [256.9981] [WORK REPORTING SYSTEM.]

Subdivision 1. [DEFINITIONS.] (a) The definitions in this subdivision apply to this section.

(b) "Date of hiring" means the earlier of: (1) the first day for which an employee is owed compensation by an employer; or (2) the first day that an employee reports to work or performs labor or services for an employer.

(c) "Earnings" means payment owed by an employer for labor or services rendered by an employee.

(d) "Employee" means a person who resides or works in Minnesota and performs services for compensation, in whatever form, for an employer. Employee does not include persons hired for domestic service in the private home of the employer, as defined in the federal tax code.

(e) "Employer" means a person or entity located or doing business in this state that employs one or more employees for payment, and includes the state, political or other governmental subdivisions of the state, and the federal government.

(f) "Hiring" means engaging a person to perform services for compensation and includes the reemploying or return to work of any previous employee who was laid off, furloughed, separated, granted a leave without pay, or terminated from employment.

Subd. 2. [WORK REPORTING SYSTEM ESTABLISHED.] The commissioner of human services shall establish a centralized work reporting system for the purpose of receiving and maintaining information from employers on newly hired or rehired employees. The commissioner of human services shall take reasonable steps to inform the state's employers of the requirements of this section and the acceptable processes by which employers can comply with the requirements of this section.

Subd. 3. [DUTY TO REPORT.] Employers doing business in this state shall report to the commissioner of human services the hiring of any employee who resides or works in this state to whom the employer anticipates paying earnings. Employers shall submit reports required under this subdivision within 15 calendar days of the date of hiring of the employee.

Employers are not required to report the hiring of any person who will be employed for less than two months' duration; and will have gross earnings less than $250 per month.

Subd. 4. [MEANS TO REPORT.] Employers may report by delivering, mailing, or telefaxing a copy of the employee's federal W-4 form or W-9 form or any other document that contains the required information, submitting electronic media in a compatible format, toll-free telecommunication, or other means authorized by the commissioner of human services that will result in timely reporting.

Subd. 5. [REPORT CONTENTS.] Reports required under this section must contain:

(1) the employee's name, address, social security number, and date of birth when available, which can be handwritten or otherwise added to the W-4 form, W-9 form, or other document submitted; and

(2) the employer's name, address, and federal identification number.

Subd. 6. [SANCTIONS.] If an employer fails to report under this section, the commissioner of human services, by certified mail, shall send the employer a written notice of noncompliance requesting that the employer comply with the reporting requirements of this section. The notice of noncompliance must explain the reporting procedure under this section and advise the employer of the penalty for noncompliance. An employer who has received a notice of noncompliance and later incurs a second violation is subject to a civil penalty of $50 for each intentionally unreported employee. An employer who has received a notice of noncompliance and later incurs a third or subsequent violation is subject to a civil penalty of $500 for each intentionally unreported employee. These penalties may be imposed and collected by the commissioner of human services.

Subd. 7. [ACCESS TO DATA.] The commissioner of human services shall retain the information reported to the work reporting system for a period of six months. Data in the work reporting system may be disclosed to the public authority responsible for child support enforcement, federal agencies, and state and local agencies of other states for the purposes of enforcing state and federal laws governing child support.

Subd. 8. [AUTHORITY TO CONTRACT.] The commissioner may contract for services to carry out this section.

Subd. 9. [INDEPENDENT CONTRACTORS.] The state and all political subdivisions of the state, when acting in the capacity of an employer, shall report the hiring of any person as an independent contractor to the centralized work reporting system in the same manner as the hiring of an employee is reported.

The attorney general and the commissioner of human services shall work with representatives of the employment community and industries that utilize independent contractors in the regular

course of business to develop a plan to include the reporting of independent contractors by all employers to the centralized work reporting system by July 1, 1996. The attorney general and the commissioner of human services shall present the resulting plan in the form of proposed legislation to the legislature by February 1, 1996.

Sec. 17. Minnesota Statutes 1994, section 256H.02, is amended to read:

256H.02 [DUTIES OF COMMISSIONER.]

The commissioner shall develop standards for county and human services boards to provide child care services to enable eligible families to participate in employment, training, or education programs. Within the limits of available appropriations, the commissioner shall distribute money to counties to reduce the costs of child care for eligible families. The commissioner shall adopt rules to govern the program in accordance with this section. The rules must establish a sliding schedule of fees for parents receiving child care services. The rules shall provide that funds received as a lump sum payment of child support arrearages shall not be counted as income to a family in the month received but shall be prorated over the 12 months following receipt and added to the family income during those months. In the rules adopted under this section, county and human services boards shall be authorized to establish policies for payment of child care spaces for absent children, when the payment is required by the child's regular provider. The rules shall not set a maximum number of days for which absence payments can be made, but instead shall direct the county agency to set limits and pay for absences according to the prevailing market practice in the county. County policies for payment of absences shall be subject to the approval of the commissioner. The commissioner shall maximize the use of federal money under the AFDC employment special needs program in section 256.736, subdivision 8, and other programs that provide federal reimbursement for child care services for recipients of aid to families with dependent children who are in education, training, job search, or other activities allowed under those programs. Money appropriated under this section must be coordinated with the AFDC employment special needs program and other programs that provide federal reimbursement for child care services to accomplish this purpose. Federal reimbursement obtained must be allocated to the county that spent money for child care that is federally reimbursable under programs that provide federal reimbursement for child care services. The counties shall use the federal money to expand child care services. The commissioner may adopt rules under chapter 14 to implement and coordinate federal program requirements.

Sec. 18. Minnesota Statutes 1994, section 257.66, subdivision 4, is amended to read:

Subd. 4. [STATUTE OF LIMITATIONS.] Support judgments or orders ordinarily shall be for periodic payments which may vary in amount. In the best interest of the child, a lump sum payment may be ordered in lieu of periodic payments of support. The court shall limit the parent's liability for past support of the child to the proportion of the expenses that the court deems just, which were incurred in the two years immediately preceding the commencement of the action. In determining the amount of the parent's liability for past support, the court may deviate downward from the guidelines if:

(1) the child for whom child support is sought is more than five years old and the obligor discovered or was informed of the existence of the parent and child relationship within one year of commencement of the action seeking child support;

(2) the obligor is a custodian for or pays support for other children; and

(3) the obligor's family income is less than 175 percent of the federal poverty level.

Sec. 19. Minnesota Statutes 1994, section 518.171, subdivision 2a, is amended to read:

Subd. 2a. [EMPLOYER AND OBLIGOR ~~NOTICE~~ RESPONSIBILITY.] ~~If an individual is hired for employment, the employer shall request that the individual disclose whether the individual has court-ordered medical support obligations that are required by law to be withheld from income and the terms of the court order, if any. The employer shall request that the individual disclose whether the individual has been ordered by a court to provide health and dental dependent insurance coverage. The~~ An individual shall disclose ~~this information~~ at the time of hiring. ~~If an individual discloses that~~ if medical support is required to be withheld, ~~the~~. If an

employee discloses that medical support is required to be withheld, the employer shall begin withholding according to the terms of the order and pursuant to section 518.611, subdivision 8. If an individual discloses an obligation to obtain health and dental dependent insurance coverage and coverage is available through the employer, the employer shall make all application processes known to the individual upon hiring and enroll the employee and dependent in the plan pursuant to subdivision 3.

Sec. 20. Minnesota Statutes 1994, section 518.175, is amended by adding a subdivision to read:

Subd. 8. [CARE OF CHILD BY NONCUSTODIAL PARENT.] The court may allow additional visitation to the noncustodial parent to provide child care while the custodial parent is working if this arrangement is reasonable and in the best interests of the child, as defined in section 518.17, subdivision 1. In addition, the court shall consider:

(1) the ability of the parents to cooperate;

(2) methods for resolving disputes regarding the care of the child, and the parents' willingness to use those methods; and

(3) whether domestic abuse, as defined in section 518B.01, has occurred between the parties.

Sec. 21. Minnesota Statutes 1994, section 518.18, is amended to read:

518.18 [MODIFICATION OF ORDER.]

(a) Unless agreed to in writing by the parties, no motion to modify a custody order may be made earlier than one year after the date of the entry of a decree of dissolution or legal separation containing a provision dealing with custody, except in accordance with paragraph (c).

(b) If a motion for modification has been heard, whether or not it was granted, unless agreed to in writing by the parties no subsequent motion may be filed within two years after disposition of the prior motion on its merits, except in accordance with paragraph (c).

(c) The time limitations prescribed in paragraphs (a) and (b) shall not prohibit a motion to modify a custody order if the court finds that there is persistent and willful denial or interference with visitation, or has reason to believe that the child's present environment may endanger the child's physical or emotional health or impair the child's emotional development.

(d) If the court has jurisdiction to determine child custody matters, the court shall not modify a prior custody order unless it finds, upon the basis of facts, including unwarranted denial of, or interference with, a duly established visitation schedule, that have arisen since the prior order or that were unknown to the court at the time of the prior order, that a change has occurred in the circumstances of the child or the parties and that the modification is necessary to serve the best interests of the child. In applying these standards the court shall retain the custody arrangement established by the prior order unless:

(i) both parties agree to the modification;

(ii) the child has been integrated into the family of the petitioner with the consent of the other party; or

(iii) the child's present environment endangers the child's physical or emotional health or impairs the child's emotional development and the harm likely to be caused by a change of environment is outweighed by the advantage of a change to the child.

In addition, a court may modify a custody order under section 631.52.

(e) In deciding whether to modify a prior joint custody order, the court shall apply the standards set forth in paragraph (d) unless: (1) the parties agree in writing to the application of a different standard, or (2) the party seeking the modification is asking the court for permission to move the residence of the child to another state.

(f) If a custodial parent has been granted sole physical custody of a minor and the child subsequently lives with the noncustodial parent, and temporary sole physical custody has been

approved by the court or by a court-appointed referee, the court may suspend the noncustodial parent's child support obligation pending the final custody determination. The court's order denying the suspension of child support must include a written explanation of the reasons why continuation of the child support obligation would be in the best interests of the child.

Sec. 22. Minnesota Statutes 1994, section 518.24, is amended to read:

518.24 [SECURITY; SEQUESTRATION; CONTEMPT.]

In all cases when maintenance or support payments are ordered, the court may require sufficient security to be given for the payment of them according to the terms of the order. Upon neglect or refusal to give security, or upon failure to pay the maintenance or support, the court may sequester the obligor's personal estate and the rents and profits of real estate of the obligor, and appoint a receiver of them. The court may cause the personal estate and the rents and profits of the real estate to be applied according to the terms of the order. The obligor is presumed to have an income from a source sufficient to pay the maintenance or support order. A child support or maintenance order constitutes prima facie evidence that the obligor has the ability to pay the award. If the obligor disobeys the order, it is prima facie evidence of contempt. The court may cite the obligor for contempt under this section, section 518.617, or chapter 588.

Sec. 23. Minnesota Statutes 1994, section 518.551, subdivision 5, is amended to read:

Subd. 5. [NOTICE TO PUBLIC AUTHORITY; GUIDELINES.] (a) The petitioner shall notify the public authority of all proceedings for dissolution, legal separation, determination of parentage or for the custody of a child, if either party is receiving aid to families with dependent children or applies for it subsequent to the commencement of the proceeding. The notice must contain the full names of the parties to the proceeding, their social security account numbers, and their birth dates. After receipt of the notice, the court shall set child support as provided in this subdivision. The court may order either or both parents owing a duty of support to a child of the marriage to pay an amount reasonable or necessary for the child's support, without regard to marital misconduct. The court shall approve a child support stipulation of the parties if each party is represented by independent counsel, unless the stipulation does not meet the conditions of paragraph (i). In other cases the court shall determine and order child support in a specific dollar amount in accordance with the guidelines and the other factors set forth in paragraph (b) and any departure therefrom. The court may also order the obligor to pay child support in the form of a percentage share of the obligor's net bonuses, commissions, or other forms of compensation, in addition to, or if the obligor receives no base pay, in lieu of, an order for a specific dollar amount.

(b) The court shall derive a specific dollar amount for child support by multiplying the obligor's net income by the percentage indicated by the following guidelines:

Net Income Per Month of Obligor	Number of Children						
	1	2	3	4	5	6	7 or more
$550 and Below	Order based on the ability of the obligor to provide support at these income levels, or at higher levels, if the obligor has the earning ability.

$601 - 650	17%	21%	24%	27%	29%	32%	34%

or the amount
in effect under
paragraph (k)

Guidelines for support for an obligor with a monthly income in excess of the income limit currently in effect under paragraph (k) shall be the same dollar amounts as provided for in the guidelines for an obligor with a monthly income equal to the limit in effect.

Net Income defined as:

Total monthly income less	*(i) Federal Income Tax
	*(ii) State Income Tax
	(iii) Social Security Deductions
	(iv) Reasonable Pension Deductions
*Standard Deductions apply-use of tax tables recommended	(v) Union Dues
	(vi) Cost of Dependent Health Insurance Coverage
	(vii) Cost of Individual or Group Health/Hospitalization Coverage or an Amount for Actual Medical Expenses
	(viii) A Child Support or Maintenance Order that is Currently Being Paid.

"Net income" does not include:

(1) the income of the obligor's spouse, but does include in-kind payments received by the obligor in the course of employment, self-employment, or operation of a business if the payments reduce the obligor's living expenses; or

(2) compensation received by a party for employment in excess of a 40-hour work week, provided that:

(i) support is nonetheless ordered in an amount at least equal to the guidelines amount based on income not excluded under this clause; and

(ii) the party demonstrates, and the court finds, that:

(A) the excess employment began after the filing of the petition for dissolution;

(B) the excess employment reflects an increase in the work schedule or hours worked over that of the two years immediately preceding the filing of the petition;

(C) the excess employment is voluntary and not a condition of employment;

(D) the excess employment is in the nature of additional, part-time or overtime employment compensable by the hour or fraction of an hour; and

(E) the party's compensation structure has not been changed for the purpose of affecting a support or maintenance obligation.

The court shall review the work-related and education-related child care costs paid and shall allocate the costs to each parent in proportion to each parent's net income, as determined under this subdivision, after the transfer of child support and spousal maintenance, unless the allocation would be substantially unfair to either parent. There is a presumption of substantial unfairness if after the sum total of child support, spousal maintenance, and child care costs is subtracted from the noncustodial parent's income, the income is at or below 100 percent of the federal poverty

guidelines. The cost of child care for purposes of this paragraph is 75 percent of the actual cost paid for child care, to reflect the approximate value of state and federal tax credits available to the custodial parent. The actual cost paid for child care is the total amount received by the child care provider for the child or children of the obligor from the obligee or any public agency. The court shall require verification of employment or school attendance and documentation of child care expenses from the obligee and the public agency, if applicable. If child care expenses fluctuate during the year because of seasonal employment or school attendance of the obligee or extended periods of visitation with the obligor, the court shall determine child care expenses based on an average monthly cost. The amount allocated for child care expenses is considered child support but is not subject to a cost-of-living adjustment under section 518.641. The amount allocated for child care expenses terminates when ~~the child care costs end~~ either party notifies the public authority that the child care costs have ended and without any legal action on the part of either party. The public authority shall verify the information received under this provision before authorizing termination. The termination is effective as of the date of the notification. In other cases where there is a substantial increase or decrease in child care expenses, the parties may modify the order under section 518.64.

The court may allow the noncustodial parent to care for the child while the custodial parent is working, as provided in section 518.175, subdivision 8. Allowing the noncustodial parent to care for the child under section 518.175, subdivision 8, is not a reason to deviate from the guidelines.

(c) In addition to the child support guidelines, the court shall take into consideration the following factors in setting or modifying child support or in determining whether to deviate from the guidelines:

(1) all earnings, income, and resources of the parents, including real and personal property, but excluding income from excess employment of the obligor or obligee that meets the criteria of paragraph (b), clause (2)(ii);

(2) the financial needs and resources, physical and emotional condition, and educational needs of the child or children to be supported;

(3) the standards of living the child would have enjoyed had the marriage not been dissolved, but recognizing that the parents now have separate households;

(4) which parent receives the income taxation dependency exemption and what financial benefit the parent receives from it;

(5) the parents' debts as provided in paragraph (d); and

(6) the obligor's receipt of assistance under sections 256.72 to 256.87 or 256B.01 to 256B.40.

(d) In establishing or modifying a support obligation, the court may consider debts owed to private creditors, but only if:

(1) the right to support has not been assigned under section 256.74;

(2) the court determines that the debt was reasonably incurred for necessary support of the child or parent or for the necessary generation of income. If the debt was incurred for the necessary generation of income, the court shall consider only the amount of debt that is essential to the continuing generation of income; and

(3) the party requesting a departure produces a sworn schedule of the debts, with supporting documentation, showing goods or services purchased, the recipient of them, the amount of the original debt, the outstanding balance, the monthly payment, and the number of months until the debt will be fully paid.

(e) Any schedule prepared under paragraph (d), clause (3), shall contain a statement that the debt will be fully paid after the number of months shown in the schedule, barring emergencies beyond the party's control.

(f) Any further departure below the guidelines that is based on a consideration of debts owed to private creditors shall not exceed 18 months in duration, after which the support shall increase

automatically to the level ordered by the court. Nothing in this section shall be construed to prohibit one or more step increases in support to reflect debt retirement during the 18-month period.

(g) If payment of debt is ordered pursuant to this section, the payment shall be ordered to be in the nature of child support.

(h) Nothing shall preclude the court from receiving evidence on the above factors to determine if the guidelines should be exceeded or modified in a particular case.

(i) The guidelines in this subdivision are a rebuttable presumption and shall be used in all cases when establishing or modifying child support. If the court does not deviate from the guidelines, the court shall make written findings concerning the amount of the obligor's income used as the basis for the guidelines calculation and any other significant evidentiary factors affecting the determination of child support. If the court deviates from the guidelines, the court shall make written findings giving the amount of support calculated under the guidelines, the reasons for the deviation, and shall specifically address the criteria in paragraph (b) and how the deviation serves the best interest of the child. The court may deviate from the guidelines if both parties agree and the court makes written findings that it is in the best interests of the child, except that in cases where child support payments are assigned to the public agency under section 256.74, the court may deviate downward only as provided in paragraph (j). Nothing in this paragraph prohibits the court from deviating in other cases. The provisions of this paragraph apply whether or not the parties are each represented by independent counsel and have entered into a written agreement. The court shall review stipulations presented to it for conformity to the guidelines and the court is not required to conduct a hearing, but the parties shall provide the documentation of earnings required under subdivision 5b.

(j) If the child support payments are assigned to the public agency under section 256.74, the court may not deviate downward from the child support guidelines unless the court specifically finds that the failure to deviate downward would impose an extreme hardship on the obligor.

(k) The dollar amount of the income limit for application of the guidelines must be adjusted on July 1 of every even-numbered year to reflect cost-of-living changes. The supreme court shall select the index for the adjustment from the indices listed in section 518.641. The state court administrator shall make the changes in the dollar amount required by this paragraph available to courts and the public on or before April 30 of the year in which the amount is to change.

Sec. 24. Minnesota Statutes 1994, section 518.551, subdivision 12, is amended to read:

Subd. 12. [OCCUPATIONAL LICENSE SUSPENSION.] (a) Upon ~~petition~~ motion of an obligee, if the court finds that the obligor is or may be licensed by a licensing board listed in section 214.01 or other state agency or board that issues an occupational license and the obligor is in arrears in court-ordered child support or maintenance payments or both in an amount equal to or greater than three times the obligor's total monthly support and maintenance payments and is not in compliance with a written payment agreement regarding both current support and arrearages approved by the court, an administrative law judge, or the public authority, the administrative law judge, or the court ~~may~~ shall direct the licensing board or other licensing agency to ~~conduct a hearing~~ suspend the license under section 214.101 ~~concerning suspension of the obligor's license~~. The court's order must be stayed for 90 days in order to allow the obligor to execute a written payment agreement regarding both current support and arrearages. The payment agreement must be approved by either the court or the public authority responsible for child support enforcement. If the obligor has not executed or is not in compliance with a written payment agreement regarding both current support and arrearages after the 90 days expires, the court's order becomes effective. If the obligor is a licensed attorney, the court ~~may~~ shall report the matter to the lawyers professional responsibility board for appropriate action in accordance with the rules of professional conduct. The remedy under this subdivision is in addition to any other enforcement remedy available to the court.

(b) If a public ~~agency~~ authority responsible for child support enforcement finds that the obligor is or may be licensed by a licensing board listed in section 214.01 or other state agency or board that issues an occupational license and the obligor is in arrears in court-ordered child support or maintenance payments or both in an amount equal to or greater than three times the obligor's total

monthly support and maintenance payments and is not in compliance with a written payment agreement regarding both current support and arrearages approved by the court, an administrative law judge, or the public authority, the court, an administrative law judge, or the public ~~agency may~~ authority shall direct the licensing board or other licensing agency to ~~conduct a hearing~~ suspend the license under section 214.101 ~~concerning suspension of the obligor's license~~. If the obligor is a licensed attorney, the public ~~agency~~ authority may report the matter to the lawyers professional responsibility board for appropriate action in accordance with the rules of professional conduct. The remedy under this subdivision is in addition to any other enforcement remedy available to the public ~~agency~~ authority.

(c) At least 90 days before notifying a licensing authority or the lawyers professional responsibility board under paragraph (b), the public authority shall mail a written notice to the license holder addressed to the license holder's last known address that the public authority intends to seek license suspension under this subdivision and that the license holder must request a hearing within 30 days in order to contest the suspension. If the license holder makes a written request for a hearing within 30 days of the date of the notice, either a court hearing or a contested administrative proceeding must be held under section 518.5511, subdivision 4. Notwithstanding any law to the contrary, the license holder must be served with 14 days' notice in writing specifying the time and place of the hearing and the allegations against the license holder. The notice may be served personally or by mail. If the public authority does not receive a request for a hearing within 30 days of the date of the notice, and the obligor does not execute a written payment agreement regarding both current support and arrearages approved by the court, an administrative law judge or the public authority with 90 days of the date of the notice, the public authority shall direct the licensing board or other licensing agency to suspend the obligor's license under paragraph (b), or shall report the matter to the lawyers professional responsibility board.

(d) The administrative law judge, on behalf of the public authority, or the court shall notify the lawyers professional responsibility board for appropriate action in accordance with the rules of professional responsibility conduct or order the licensing board or licensing agency to suspend the license if the judge finds that:

(1) the person is licensed by a licensing board or other state agency that issues an occupational license;

(2) the person has not made full payment of arrearages found to be due by the public authority; and

(3) the person has not executed or is not in compliance with a payment plan approved by the court, an administrative law judge, or the public authority.

(e) Within 15 days of the date on which the obligor either makes full payment of arrearages found to be due by the court or public authority or executes and initiates good faith compliance with a written payment plan approved by the court, an administrative law judge, or the public authority, the court, an administrative law judge, or the public authority responsible for child support enforcement shall notify the licensing board or licensing agency or the lawyers professional responsibility board that the obligor is no longer ineligible for license issuance, reinstatement, or renewal under this subdivision.

Sec. 25. Minnesota Statutes 1994, section 518.551, is amended by adding a subdivision to read:

Subd. 13. [DRIVER'S LICENSE SUSPENSION.] (a) Upon motion of an obligee, which has been properly served on the obligor and upon which there has been an opportunity for hearing, if a court finds that the obligor has been or may be issued a driver's license by the commissioner of public safety and the obligor is in arrears in court-ordered child support or maintenance payments, or both, in an amount equal to or greater than three times the obligor's total monthly support and maintenance payments and is not in compliance with a written payment agreement regarding both current support and arrearages approved by the court, an administrative law judge, or the public authority, the court shall order the commissioner of public safety to suspend the obligor's driver's license. The court's order must be stayed for 90 days in order to allow the obligor to execute a written payment agreement regarding both current support and arrearages, which payment agreement must be approved by either the court or the public authority responsible for child support enforcement. If the obligor has not executed or is not in compliance with a written

payment agreement regarding both current support and arrearages after the 90 days expires, the court's order becomes effective and the commissioner of public safety shall suspend the obligor's driver's license. The remedy under this subdivision is in addition to any other enforcement remedy available to the court. An obligee may not bring a motion under this paragraph within 12 months of a denial of a previous motion under this paragraph.

(b) If a public authority responsible for child support enforcement determines that the obligor has been or may be issued a driver's license by the commissioner of public safety and the obligor is in arrears in court-ordered child support or maintenance payments or both in an amount equal to or greater than three times the obligor's total monthly support and maintenance payments and not in compliance with a written payment agreement regarding both current support and arrearages approved by the court, an administrative law judge, or the public authority, the public authority shall direct the commissioner of public safety to suspend the obligor's driver's license. The remedy under this subdivision is in addition to any other enforcement remedy available to the public authority.

(c) At least 90 days prior to notifying the commissioner of public safety pursuant to paragraph (b), the public authority must mail a written notice to the obligor at the obligor's last known address, that it intends to seek suspension of the obligor's driver's license and that the obligor must request a hearing within 30 days in order to contest the suspension. If the obligor makes a written request for a hearing within 30 days of the date of the notice, either a court hearing or a contested administrative proceeding must be held under section 518.5511, subdivision 4. Notwithstanding any law to the contrary, the obligor must be served with 14 days' notice in writing specifying the time and place of the hearing and the allegations against the obligor. The notice may be served personally or by mail. If the public authority does not receive a request for a hearing within 30 days of the date of the notice, and the obligor does not execute a written payment agreement regarding both current support and arrearages approved by the court, an administrative law judge, or the public authority within 90 days of the date of the notice, the public authority shall direct the commissioner of public safety to suspend the obligor's driver's license under paragraph (b).

(d) At a hearing requested by the obligor under paragraph (c), and on finding that the obligor is in arrears in court-ordered child support or maintenance payments or both in an amount equal to or greater than three times the obligor's total monthly support and maintenance payments, the district court or the administrative law judge shall order the commissioner of public safety to suspend the obligor's driver's license or operating privileges unless the court or administrative law judge determines that the obligor has executed and is in compliance with a written payment agreement regarding both current support and arrearages approved by the court, an administrative law judge, or the public authority.

(e) An obligor whose driver's license or operating privileges are suspended may provide proof to the court or the public authority responsible for child support enforcement that the obligor is in compliance with all written payment agreements regarding both current support and arrearages. Within 15 days of the receipt of that proof, the court or public authority shall inform the commissioner of public safety that the obligor's driver's license or operating privileges should no longer be suspended.

(f) On January 15, 1997, and every two years after that, the commissioner of human services shall submit a report to the legislature that identifies the following information relevant to the implementation of this section:

(1) the number of child support obligors notified of an intent to suspend a driver's license;

(2) the amount collected in payments from the child support obligors notified of an intent to suspend a driver's license;

(3) the number of cases paid in full and payment agreements executed in response to notification of an intent to suspend a driver's license;

(4) the number of cases in which there has been notification and no payments or payment agreements;

(5) the number of driver's licenses suspended; and

(6) the cost of implementation and operation of the requirements of this section.

Sec. 26. Minnesota Statutes 1994, section 518.551, is amended by adding a subdivision to read:

Subd. 14. [MOTOR VEHICLE LIEN.] (a) Upon motion of an obligee, if a court finds that the obligor is the registered owner of a motor vehicle and the obligor is a debtor for a judgment debt resulting from nonpayment of court-ordered child support or maintenance payments, or both, in an amount equal to or greater than three times the obligor's total monthly support and maintenance payments, the court shall order the commissioner of public safety to enter a lien in the name of the obligee or in the name of the state of Minnesota, as appropriate, in accordance with section 168A.05, subdivision 8, unless the court finds that the obligor is in compliance with a written payment agreement regarding both current support and arrearages approved by the court, an administrative law judge, or the public authority or that the obligor's interest in the motor vehicle is valued at less than $4,500. The court's order must be stayed for 90 days in order to allow the obligor to either execute a written payment agreement regarding both current support and arrearages, which agreement shall be approved by either the court or the public authority responsible for child support enforcement, or to allow the obligor to demonstrate that the ownership interest in the motor vehicle is valued at less than $4,500. If the obligor has not executed or is not in compliance with a written payment agreement regarding both current support and arrearages approved by the court, an administrative law judge, or the public authority or has not demonstrated that the ownership interest in the motor vehicle is valued at less than $4,500 within the 90-day period, the court's order becomes effective and the commissioner of public safety shall record the lien. The remedy under this subdivision is in addition to any other enforcement remedy available to the court.

(b) If a public authority responsible for child support enforcement determines that the obligor is the registered owner of a motor vehicle and the obligor is a debtor for judgment debt resulting from nonpayment of court-ordered child support or maintenance payments, or both, in an amount equal to or greater than three times the obligor's total monthly support and maintenance payments, the public authority shall direct the commissioner of public safety to enter a lien in the name of the obligee or in the name of the state of Minnesota, as appropriate, under section 168A.05, subdivision 8, unless the public authority determines that the obligor is in compliance with a written payment agreement regarding both current support and arrearages approved by the court, an administrative law judge, or the public authority or that the obligor's ownership interest in the motor vehicle is valued at less than $4,500. The remedy under this subdivision is in addition to any other enforcement remedy available to the public agency.

(c) At least 90 days prior to notifying the commissioner of public safety pursuant to paragraph (b), the public authority must mail a written notice to the obligor at the obligor's last known address, that it intends to record a lien on the obligor's motor vehicle certificate of title and that the obligor must request a hearing within 30 days in order to contest the action. If the obligor makes a written request for a hearing within 30 days of the date of the notice, either a court hearing or a contested administrative proceeding must be held under section 518.5511, subdivision 4. Notwithstanding any law to the contrary, the obligor must be served with 14 day's notice in writing specifying the time and place of the hearing and the allegations against the obligor. The notice may be served personally or by mail. If the public authority does not receive a request for a hearing within 30 days of the date of the notice and the obligor does not execute a written payment agreement regarding both current support and arrearages approved by the court, an administrative law judge, or the public authority or demonstrate to the public authority that the obligor's ownership interest in the motor vehicle is valued at less than $4,500 within 90 days of the date of the notice, the public authority shall direct the commissioner of public safety to record the lien under paragraph (b).

(d) At a hearing requested by the obligor under paragraph (c), and on finding that the obligor is in arrears in court-ordered child support or maintenance payments or both in an amount equal to or greater than three times the obligor's total monthly support and maintenance payments, the district court or the administrative law judge shall order the commissioner of public safety to record the lien unless the court or administrative law judge determines that:

(1) the obligor has executed and is in compliance with a written payment agreement regarding both current support and arrearages determined to be acceptable by the court, an administrative law judge, or the public authority; or

(2) the obligor has demonstrated that the ownership interest in the motor vehicle is valued at less than $4,500.

(e) An obligor who has had a lien recorded against a motor vehicle certificate of title may provide proof to the court or the public authority responsible for child support enforcement that the obligor is in compliance with all written payment agreements regarding both current support and arrearages. Within 15 days of the receipt of that proof, the court or public authority shall execute a release of security interest under section 168A.20, subdivision 4, and mail or deliver the release to the owner or other authorized person. The dollar amounts in this section shall change periodically in the manner provided in section 550.37, subdivision 4a.

Sec. 27. [518.553] [PAYMENT AGREEMENTS.]

In proposing or approving proposed written payment agreements for purposes of section 518.551, the court, an administrative law judge, or the public authority shall take into consideration the amount of the arrearages, the amount of the current support order, any pending request for modification, and the earnings of the obligor.

Sec. 28. Minnesota Statutes 1994, section 518.613, is amended by adding a subdivision to read:

Subd. 8. [INTEREST ON AMOUNT WRONGFULLY WITHHELD.] If an excessive amount of child support is wrongfully withheld from the obligor's income because of an error by the public authority, the public authority shall pay interest based on the rate under section 549.09 on the amount wrongfully withheld from the time of the withholding until it is repaid to the obligor.

Sec. 29. [518.616] [ADMINISTRATIVE SEEK EMPLOYMENT ORDERS.]

Subdivision 1. [COURT ORDER.] For any support order being enforced by the public authority, the public authority may seek a court order requiring the obligor to seek employment if:

(1) employment of the obligor cannot be verified;

(2) the obligor is in arrears in court-ordered child support or maintenance payments or both in an amount equal to or greater than three times the obligor's total monthly support and maintenance payments; and

(3) the obligor is not in compliance with a written payment plan.

Upon proper notice being given to the obligor, the court may enter a seek employment order if it finds that the obligor has not provided proof of gainful employment and has not consented to an order for income withholding under section 518.611 or 518.613 or entered into a written payment plan approved by the court, an administrative law judge, or the public authority.

Subd. 2. [CONTENTS OF ORDER.] The order to seek employment shall:

(1) order that the obligor seek employment within a determinate amount of time;

(2) order that the obligor file with the public authority on a weekly basis a report of at least five new attempts to find employment or of having found employment, which report must include the names, addresses, and telephone numbers of any employers or businesses with whom the obligor attempted to seek employment and the name of the individual contact to whom the obligor made application for employment or to whom an inquiry was directed;

(3) notify the obligor that failure to comply with the order is evidence of a willful failure to pay support under section 518.617;

(4) order that the obligor provide the public authority with verification of any reason for noncompliance with the order; and

(5) specify the duration of the order, not to exceed three months.

Sec. 30. [518.617] [CONTEMPT PROCEEDINGS FOR NONPAYMENT OF SUPPORT.]

Subdivision 1. [GROUNDS.] If a person against whom an order or decree for support has been entered under this chapter, chapter 256, or a comparable law from another jurisdiction, is in arrears in court-ordered child support or maintenance payments in an amount equal to or greater than three times the obligor's total monthly support and maintenance payments and is not in compliance with a written payment plan approved by the court, an administrative law judge, or the public authority, the person may be cited and punished by the court for contempt under section 518.64, chapter 588, or this section. Failure to comply with a seek employment order entered under section 518.616 is evidence of willful failure to pay support.

Subd. 2. [COURT OPTIONS.] (a) If a court cites a person for contempt under this section, and the obligor lives in a county that contracts with the commissioner of human services under section 256.997, the court may order the performance of community service work up to 32 hours per week for six weeks for each finding of contempt if the obligor:

(1) is able to work full time;

(2) works an average of less than 32 hours per week; and

(3) has actual weekly gross income averaging less than 40 times the federal minimum hourly wage under United States Code, title 29, section 206(a)(1), or is voluntarily earning less than the obligor has the ability to earn, as determined by the court.

An obligor is presumed to be able to work full time. The obligor has the burden of proving inability to work full time.

(b) A person ordered to do community service work under paragraph (a) may, during the six-week period, apply to the court, an administrative law judge, or the public authority to be released from the community service work requirement if the person:

(1) provides proof to the court, an administrative law judge, or the public authority that the person is gainfully employed and submits to an order for income withholding under section 518.611 or 518.613;

(2) enters into a written payment plan regarding both current support and arrearages approved by the court, an administrative law judge, or the public authority; or

(3) provides proof to the court, an administrative law judge, or the public authority that, subsequent to entry of the order, the person's circumstances have so changed that the person is no longer able to fulfill the terms of the community service order.

Subd. 3. [CONTINUING OBLIGATIONS.] The performance of community service work does not relieve a child support obligor of any unpaid accrued or accruing support obligation.

Sec. 31. Minnesota Statutes 1994, section 518.64, subdivision 2, is amended to read:

Subd. 2. [MODIFICATION.] (a) The terms of an order respecting maintenance or support may be modified upon a showing of one or more of the following: (1) substantially increased or decreased earnings of a party; (2) substantially increased or decreased need of a party or the child or children that are the subject of these proceedings; (3) receipt of assistance under sections 256.72 to 256.87 or 256B.01 to 256B.40; (4) a change in the cost of living for either party as measured by the federal bureau of statistics, any of which makes the terms unreasonable and unfair; (5) extraordinary medical expenses of the child not provided for under section 518.171; or (6) the addition of work-related or education-related child care expenses of the obligee or a substantial increase or decrease in existing work-related or education-related child care expenses.

It is presumed that there has been a substantial change in circumstances under clause (1), (2), or (4) and the terms of a current support order shall be rebuttably presumed to be unreasonable and unfair if the application of the child support guidelines in section 518.551, subdivision 5, to the current circumstances of the parties results in a calculated court order that is at least 20 percent and at least $50 per month higher or lower than the current support order.

(b) On a motion for modification of maintenance, including a motion for the extension of the duration of a maintenance award, the court shall apply, in addition to all other relevant factors, the factors for an award of maintenance under section 518.552 that exist at the time of the motion. On a motion for modification of support, the court:

(1) shall apply section 518.551, subdivision 5, and shall not consider the financial circumstances of each party's spouse, if any; and

(2) shall not consider compensation received by a party for employment in excess of a 40-hour work week, provided that the party demonstrates, and the court finds, that:

(i) the excess employment began after entry of the existing support order;

(ii) the excess employment is voluntary and not a condition of employment;

(iii) the excess employment is in the nature of additional, part-time employment, or overtime employment compensable by the hour or fractions of an hour;

(iv) the party's compensation structure has not been changed for the purpose of affecting a support or maintenance obligation;

(v) in the case of an obligor, current child support payments are at least equal to the guidelines amount based on income not excluded under this clause; and

(vi) in the case of an obligor who is in arrears in child support payments to the obligee, any net income from excess employment must be used to pay the arrearages until the arrearages are paid in full.

(c) A modification of support or maintenance may be made retroactive only with respect to any period during which the petitioning party has pending a motion for modification but only from the date of service of notice of the motion on the responding party and on the public authority if public assistance is being furnished or the county attorney is the attorney of record. However, modification may be applied to an earlier period if the court makes express findings that the party seeking modification was precluded from serving a motion by reason of a significant physical or mental disability, a material misrepresentation of another party, or fraud upon the court and that the party seeking modification, when no longer precluded, promptly served a motion. The court may provide that a reduction in the amount allocated for child care expenses based on a substantial decrease in the expenses is effective as of the date the expenses decreased.

(d) Except for an award of the right of occupancy of the homestead, provided in section 518.63, all divisions of real and personal property provided by section 518.58 shall be final, and may be revoked or modified only where the court finds the existence of conditions that justify reopening a judgment under the laws of this state, including motions under section 518.145, subdivision 2. The court may impose a lien or charge on the divided property at any time while the property, or subsequently acquired property, is owned by the parties or either of them, for the payment of maintenance or support money, or may sequester the property as is provided by section 518.24.

(e) The court need not hold an evidentiary hearing on a motion for modification of maintenance or support.

(f) Section 518.14 shall govern the award of attorney fees for motions brought under this subdivision.

Sec. 32. [PUBLIC EDUCATION CAMPAIGN.]

The commissioner of human services shall contract with the attorney general to continue the public service campaign established in Minnesota Statutes, section 8.35. The terms and conditions of the contract shall be established by the attorney general.

Sec. 33. [VISITATION STUDY.]

(a) The supreme court is requested to study whether there is a relationship between visitation and payment of child support in Minnesota. The study shall examine the extent to which:

(1) custodial parents deny noncustodial parents court-ordered visitation and other parental rights;

(2) noncustodial parents fail to exercise their court-ordered visitation;

(3) lack of access to the courts prevents timely resolution of visitation matters; and

(4) visitation impacts noncustodial parents' compliance with court-ordered child support.

(b) The study shall include recommendations on the following:

(1) methods for resolving visitation matters in an efficient, nonadversarial setting that is accessible to parties at the lowest possible cost;

(2) statutory changes that would encourage compliance with court-ordered visitation; and

(3) the effectiveness and impact of a policy linking visitation and payment of child support.

In conducting the study, the supreme court shall consult with custodial and noncustodial parents, private attorneys, judges, administrative law judges, county attorneys, legal services, court services, guardians ad litem, professionals who work with children, the department of human services, advocacy groups, and children. The supreme court shall report the study and recommendations to the legislature no later than January 15, 1997, and may make interim recommendations for the 1996 legislative session.

Sec. 34. [REPORT.]

The commissioner shall evaluate all child support programs and enforcement mechanisms. The evaluation must include a cost-benefit analysis of each program or enforcement mechanism, and information related to which programs produce the highest revenue, reduce arrears, avoid litigation, and result in the best outcome for children and their parents.

The reports related to the provisions in this chapter are due two years after the implementation date. All other reports on existing programs and enforcement mechanisms are due January 15, 1997.

Sec. 35. [WAIVERS.]

Subdivision 1. [CHILD SUPPORT ASSURANCE.] The commissioner of human services shall seek a waiver from the secretary of the United States Department of Health and Human Services to enable the department of human services to operate a demonstration project of child support assurance. The commissioner shall seek authority from the legislature to implement a demonstration project of child support assurance when enhanced federal funds become available for this purpose.

Subd. 2. [COOPERATION FOR THE CHILDREN.] The commissioner of human services shall seek a waiver from the secretary of the United States Department of Health and Human Services to enable the department of human services to operate the cooperation for the children demonstration project.

Subd. 3. [OBLIGOR COMMUNITY SERVICE.] The commissioner of human services shall seek a waiver from the secretary of the United States Department of Health and Human Services to enable the department of human services to operate the child support obligor community service work experience program.

Sec. 36. [REPEALER.]

Minnesota Statutes 1994, section 214.101, subdivisions 2 and 3, are repealed. Minnesota Statutes 1994, sections 518.561; and 518.611, subdivision 8, are repealed effective July 1, 1996.

Sec. 37. [EFFECTIVE DATE.]

Sections 2 to 11, 25, and 26 are effective January 1, 1996. Sections 1, 16, and 19 are effective July 1, 1996. Section 18 is effective the day following final enactment.

Subd. 4. [PAYMENT.] "Payment" means the payment of child support, medical support, maintenance, and related payments required by order of a tribunal, voluntary support, or statutory fees.

Subd. 5. [TRIBUNAL.] "Tribunal" has the meaning given in section 518C.101.

Sec. 2. [518.5852] [CENTRAL COLLECTIONS UNIT.]

The commissioner of human services shall create and maintain a central collections unit for the purpose of receiving, processing, and disbursing payments, and for maintaining a record of payments, in all cases in which:

(1) the state or county is a party;

(2) the state or county provides child support enforcement services to a party; or

(3) payment is collected through income withholding.

The commissioner of human services may contract for services to carry out these provisions.

Sec. 3. [518.5853] [MANDATORY PAYMENT OF OBLIGATIONS TO CENTRAL COLLECTIONS UNIT.]

Subdivision 1. [LOCATION OF PAYMENT.] All payments described in section 518.5852 must be made to the central collections unit.

Subd. 2. [AGENCY DESIGNATION OF LOCATION.] Each local child support agency shall provide a location within the agency to receive payments. A local agency receiving a payment shall transmit the funds to the central collections unit within one working day of receipt of the payment.

Subd. 3. [INCENTIVES.] Notwithstanding any rule to the contrary, incentives must be paid to the county providing services and maintaining the case to which the payment is applied. Incentive payments awarded for the collection of child support must be based solely upon payments processed by the central collections unit. Incentive payments received by the county under this subdivision shall be used for county child support collection efforts.

Subd. 4. [ELECTRONIC TRANSFER OF FUNDS.] The central collections unit is authorized to engage in the electronic transfer of funds for the receipt and disbursement of funds.

After the notice has been provided to the obligor or payor of funds, mailed payments received by a local child support agency must be forwarded to the central collections unit. A notice must be sent to the obligor or payor of funds stating that payment application may be delayed and provide directions to submit future payment to the central collections unit.

ARTICLE 3

CHILD SUPPORT DATA COLLECTION AND PUBLICATION

Section 1. Minnesota Statutes 1994, section 256.978, subdivision 1, is amended to read:

Subdivision 1. [REQUEST FOR INFORMATION.] The commissioner of human services, in order to locate a person to establish paternity, child support, or to enforce a child support obligation in arrears, may request information reasonably necessary to the inquiry from the records of all departments, boards, bureaus, or other agencies of this state, which shall, notwithstanding the provisions of section 268.12, subdivision 12, or any other law to the contrary, provide the information necessary for this purpose. Employers, utility companies, insurance companies, financial institutions, and labor associations doing business in this state shall provide information as provided under subdivision 2 upon written request by an agency responsible for child support enforcement regarding individuals owing or allegedly owing a duty to support within 30 days of the receipt of the written request made by the public authority. Information requested and used or transmitted by the commissioner pursuant to the authority conferred by this section may be made available only to public officials and agencies of this state and its political subdivisions and other states of the union and their political subdivisions who are seeking to enforce the support liability of parents or to locate parents. The commissioner may not release the information to an agency or political subdivision of another state unless the agency or political subdivision is directed to maintain the data consistent with its classification in this state. Information obtained under this section may not be released except to the extent necessary for the administration of the child support enforcement program or when otherwise authorized by law.

Sec. 2. Minnesota Statutes 1994, section 518.575, is amended to read:

518.575 [PUBLICATION OF NAMES OF DELINQUENT CHILD SUPPORT OBLIGORS.]

~~Every three months~~ Subdivision 1. [PUBLICATION OF NAMES.] Twice each year, the ~~department~~ commissioner of human services shall publish ~~in the newspaper of widest circulation in each county~~ a list of the names and last known addresses of each person who (1) is a child support obligor, (2) ~~resides in the county, (3)~~ is at least $3,000 in arrears, and ~~(4) has not made a child support payment, or has made only partial child support payments that total less than 25 percent of the amount of child support owed, for the last 12 months including any payments made through the interception of federal or state taxes. The rate charged for publication shall be the newspaper's lowest classified display rate, including all available discounts.~~

(3) is not in compliance with a written payment agreement regarding both current support and arrearages approved by the court, an administrative law judge, or the public authority. The commissioner of human services shall publish the name of each obligor in the newspaper or newspapers of widest circulation in the area where the obligor is most likely to be residing. For each publication, the commissioner shall release the list of all names being published not earlier than the first day on which names appear in any newspaper. An obligor's name may not be published if the obligor claims in writing, and the ~~department~~ commissioner of human services determines, there is good cause for the nonpayment of child support. Good cause includes the following: (i) there is a mistake in the obligor's identity or the amount of the obligor's arrears; (ii) arrears are reserved by the court or there is a pending legal action concerning the unpaid child support; or (iii) other circumstances as determined by the commissioner. The list must be based on the best information available to the state at the time of publication.

Before publishing the name of the obligor, the department of human services shall send a notice to the obligor's last known address which states the department's intention to publish the obligor's name and the amount of child support the obligor owes. The notice must also provide an opportunity to have the obligor's name removed from the list by paying the arrearage or by entering into an agreement to pay the arrearage, and the final date when the payment or agreement can be accepted.

The department of human services shall insert with the notices sent to the obligee, a notice stating the intent to publish the obligor's name, and the criteria used to determine the publication of the obligor's name.

Subd. 2. [NAMES PUBLISHED IN ERROR.] If the commissioner publishes a name under subdivision 1 which is in error, the commissioner must also offer to publish a printed retraction and apology acknowledging that the name was published in error. The retraction and apology must appear in each publication that included the original notice with the name listed in error, and it must appear in the same type size and appear the same number of times as the original notice.

Sec. 3. Minnesota Statutes 1994, section 518.611, subdivision 1, is amended to read:

Subdivision 1. [ORDER.] Whenever an obligation for support of a dependent child or maintenance of a spouse, or both, is determined and ordered by a court of this state, the amount of child support or maintenance as determined by court order must be withheld from the income, regardless of source, of the person obligated to pay the support or maintenance, and paid through the public authority. The court shall provide a copy of any order where withholding is ordered to the public authority responsible for support collections. Every order for maintenance or support must include:

(1) the obligor's social security number and date of birth and the name and address of the obligor's employer or other payor of funds; and

(2) provisions for the obligor to keep the public authority informed of the name and address of the obligor's current employer or payor of funds, and whether the obligor has access to employment-related health insurance coverage and, if so, the health insurance policy information.

Sec. 4. Minnesota Statutes 1994, section 518.611, subdivision 2, is amended to read:

Subd. 2. [CONDITIONS OF INCOME WITHHOLDING.] (a) Withholding shall result when:

(1) the obligor requests it in writing to the public authority;

(2) the custodial parent requests it by making a motion to the court; or

(3) the obligor fails to make the maintenance or support payments, and the following conditions are met:

(i) the obligor is at least 30 days in arrears;

(ii) the obligee or the public authority serves written notice of income withholding, showing arrearage, on the obligor at least 15 days before service of the notice of income withholding and a copy of the court's order on the payor of funds;

(iii) within the 15-day period, the obligor fails to move the court to deny withholding on the grounds that an arrearage of at least 30 days does not exist as of the date of the notice of income withholding, or on other grounds limited to mistakes of fact, and, ex parte, to stay service on the payor of funds until the motion to deny withholding is heard;

(iv) the obligee or the public authority ~~serves a copy of the notice of income withholding, a copy of the court's order or notice of order,~~ sends the payor of funds a notice of the withholding requirements and the provisions of this section ~~on the payor of funds~~; and

(v) the obligee serves on the public authority a copy of the notice of income withholding, a copy of the court's order, an application, and the fee to use the public authority's collection services.

For those persons not applying for the public authority's IV-D services, a monthly service fee of $15 must be charged to the obligor in addition to the amount of child support ordered by the court and withheld through automatic income withholding, or for persons applying for the public authority's IV-D services, the service fee under section 518.551, subdivision 7, applies. The county agency shall explain to affected persons the services available and encourage the applicant to apply for IV-D services.

(b) ~~To pay the arrearage specified in the notice of income withholding,~~ The employer or payor of funds shall withhold from the obligor's income an additional amount equal to 20 percent of the monthly child support or maintenance obligation until the arrearage is paid.

(c) The obligor may move the court, under section 518.64, to modify the order respecting the amount of maintenance or support.

(d) Every order for support or maintenance shall provide for a conspicuous notice of the provisions of this subdivision that complies with section 518.68, subdivision 2. An order without this notice remains subject to this subdivision.

(e) Absent a court order to the contrary, if an arrearage exists at the time an order for ongoing support or maintenance would otherwise terminate, income withholding shall continue in effect in an amount equal to the former support or maintenance obligation plus an additional amount equal to 20 percent of the monthly child support obligation, until all arrears have been paid in full.

Sec. 5. Minnesota Statutes 1994, section 518.611, subdivision 5, is amended to read:

Subd. 5. [ARREARAGE ORDER.] Nothing in this section shall prevent the court from ordering the payor of funds to withhold amounts to satisfy the obligor's previous arrearage in child support or maintenance payments, the obligor's liability for reimbursement of child support or of public assistance pursuant to sections 256.87 and 257.66, for pregnancy and confinement expenses and for blood test costs, and any service fees that may be imposed under section 518.551. This remedy shall not operate to exclude availability of other remedies to enforce judgments.

Sec. 6. Minnesota Statutes 1994, section 518.611, subdivision 6, is amended to read:

Subd. 6. [PRIORITY.] (a) An order for withholding under this section or execution or garnishment upon a judgment for child support arrearages or preadjudicated expenses shall have priority over an attachment, execution, garnishment, or wage assignment and shall not be subject to the statutory limitations on amounts levied against the income of the obligor. Amounts withheld from an employee's income must not exceed the maximum permitted under the Consumer Credit Protection Act, United States Code, title 15, section 1673(b)(2).

(b) If ~~there is more than one withholding order on~~ a single employee is subject to multiple withholding orders for the support of more than one child, the payor of funds shall comply with all of the orders to the extent that the total amount withheld from the payor's income does not exceed the limits imposed under the Consumer Credit Protection Act, giving priority to amounts designated in each order as current support as follows:

(1) if the total of the amounts designated in the orders as current support exceeds the amount available for income withholding, the payor of funds shall allocate to each order an amount for current support equal to the amount designated in that order as current support, divided by the total of the amounts designated in the orders as current support, multiplied by the amount of the income available for income withholding; and

(2) if the total of the amounts designated in the orders as current support does not exceed the amount available for income withholding, the payor of funds shall pay the amounts designated as current support, and shall allocate to each order an amount for past due support equal to the amount designated in that order as past due support, divided by the total of the amounts designated in the orders as past due support, multiplied by the amount of income remaining available for income withholding after the payment of current support.

(c) If more than one order exists involving the same obligor and child, the public authority shall enforce the most current order. Income withholding that has been implemented under a previous order pursuant to this section or section 518.613 shall be terminated as of the date of the most current order. The public authority shall notify the payor of funds to withhold under the most current order.

(d) Notwithstanding any law to the contrary, funds from income sources included in section 518.54, subdivision 6, whether periodic or lump sum, are not exempt from attachment or execution upon a judgment for child support arrearages.

Sec. 7. Minnesota Statutes 1994, section 518.611, subdivision 8a, is amended to read:

Subd. 8a. [LUMP SUM PAYMENTS.] ~~(a) Upon the~~ Before transmittal ~~of the last reimbursement payment~~ to the ~~employee, where~~ obligor of a lump sum payment including, but not limited to, severance pay, accumulated sick pay ~~or~~, vacation pay ~~is paid upon termination of employment, and where the employee is in arrears in making court ordered child support payments, the employer shall withhold an amount which is the lesser of (1) the amount in arrears or (2) that portion of the arrearages which is the product of the obligor's monthly court ordered support amount multiplied by the number of months of net income that the lump sum payment represents.~~

~~(b)~~ bonuses, commissions, or other pay or benefits:

(1) an employer, trustee, or other payor of funds who has been served with a notice of income withholding under subdivision 2 or section 518.613 must:

~~(1)~~ (i) notify the public authority of any lump sum payment of $500 or more that is to be paid to the obligor;

~~(2)~~ (ii) hold the lump sum payment for 30 days after the date on which the lump sum payment would otherwise have been paid to the obligor, notwithstanding sections 181.08, 181.101, 181.11, 181.13, and 181.145; ~~and~~

~~(3)~~ (iii) upon order of the court, pay any specified amount of the lump sum payment to the public authority for current support~~.~~ or reimbursement of support judgment, judgments, or arrearages; and

(iv) upon order of the court, and after a showing of past willful nonpayment of support, pay any specified amount of the lump sum payment to the public authority for future support; or

(2) upon service by United States mail of a sworn affidavit from the public authority or a court order stating:

(i) that a judgment entered pursuant to section 548.091, subdivision 1a, exists against the obligor, or that other support arrearages exist;

(ii) that a portion of the judgment, judgments, or arrearages remains unpaid; and

(iii) the current balance of the judgment, judgments, or arrearages, the payor of funds shall pay to the public authority the lesser of the amount of the lump sum payment or the total amount of judgments plus arrearages as stated in affidavit or court order, subject to the limits imposed under the consumer credit protection act.

Sec. 8. Minnesota Statutes 1994, section 518.613, subdivision 1, is amended to read:

Subdivision 1. [GENERAL.] Notwithstanding any provision of section 518.611, subdivision 2 or 3, to the contrary, whenever an obligation for child support or maintenance, enforced by the public authority, is initially determined and ordered or modified by the court ~~in a county in which this section applies~~, the amount of child support or maintenance ordered by the court and any fees assessed by the public authority responsible for child support enforcement must be withheld from the income and forwarded to the public authority, regardless of the source of income, of the person obligated to pay the support.

Sec. 9. Minnesota Statutes 1994, section 518.613, subdivision 2, is amended to read:

Subd. 2. [ORDER; COLLECTION SERVICES.] Every order for child support must include the obligor's social security number and date of birth and the name and address of the obligor's employer or other payor of funds. In addition, every order must contain provisions requiring the obligor to keep the public authority informed of the name and address of the obligor's current employer, or other payor of funds and whether the obligor has access to employment-related health insurance coverage and, if so, the health insurance policy information. Upon entry of the order for support or maintenance, the court shall ~~mail a copy of the court's automatic income withholding order and the provisions of section 518.611 and this section to the obligor's employer or other payor of funds and~~ provide a copy of the withholding order to the public authority responsible for child support enforcement. An obligee who is not a recipient of public assistance must decide to either apply for the IV-D collection services of the public authority or obtain income withholding only services when an order for support is entered unless the requirements of this section have been waived under subdivision 7. The supreme court shall develop a standard automatic income withholding form to be used by all Minnesota courts. This form shall be made a part of any order for support or decree by reference.

Sec. 10. Minnesota Statutes 1994, section 518.614, subdivision 1, is amended to read:

Subdivision 1. [STAY OF SERVICE.] If the court finds there is no arrearage in child support or maintenance as of the date of the court hearing, the court shall stay service of the order under section 518.613, subdivision 2, ~~in a county in which that section applies~~ if the obligor establishes a savings account for a sum equal to two months of the monthly child support or maintenance obligation and provides proof of the establishment to the court and the public authority on or before the day of the court hearing determining the obligation. This sum must be held in a financial institution in an interest-bearing account with only the public authority authorized as drawer of funds. Proof of the establishment must include the financial institution name and address, account number, and the amount of deposit.

Sec. 11. Minnesota Statutes 1994, section 518.64, subdivision 4, is amended to read:

Subd. 4. Unless otherwise agreed in writing or expressly provided in the order, provisions for the support of a child are not terminated ~~by emancipation of the child but not~~ by the death of a parent obligated to support the child. When a parent obligated to pay support dies, the amount of support may be modified, revoked, or commuted to a lump sum payment, to the extent just and appropriate in the circumstances.

Sec. 12. Minnesota Statutes 1994, section 518.64, is amended by adding a subdivision to read:

Subd. 4a. [AUTOMATIC TERMINATION OF SUPPORT.] (a) Unless a court order provides otherwise, a child support obligation in a specific amount per child terminates automatically and without any action by the obligor to reduce, modify, or terminate the order upon the emancipation of the child as provided under section 518.54, subdivision 2.

(b) A child support obligation for two or more children that is not a support obligation in a

specific amount per child continues in the full amount until the emancipation of the last child for whose benefit the order was made, or until further order of the court.

(c) The obligor may request a modification of the obligor's child support order upon the emancipation of a child if there are still minor children under the order. The child support obligation shall be determined based on the income of the parties at the time the modification is sought.

Sec. 13. Minnesota Statutes 1994, section 518C.310, is amended to read:

(2) maintain a register of tribunals and support enforcement agencies received from other states;

(3) forward to the appropriate tribunal in the place in this state in which the individual obligee or the obligor resides, or in which the obligor's property is believed to be located, all documents concerning a proceeding under this chapter received from an initiating tribunal or the state information agency of the initiating state; ~~and~~

(4) obtain information concerning the location of the obligor and the obligor's property within this state not exempt from execution, by such means as postal verification and federal or state locator services, examination of telephone directories, requests for the obligor's address from employers, and examination of governmental records, including, to the extent not prohibited by other law, those relating to real property, vital statistics, law enforcement, taxation, motor vehicles, driver's licenses, and social security~~.~~; and

(5) determine which foreign jurisdictions and Indian tribes have substantially similar procedures for issuance and enforcement of support orders. The state information agency shall compile and maintain a list, including addresses, of all these foreign jurisdictions and Indian tribes. The state information agency shall make this list available to all state tribunals and all support enforcement agencies.

Sec. 14. Minnesota Statutes 1994, section 548.15, is amended to read:

548.15 [DISCHARGE OF RECORD.]

Subdivision 1. [GENERAL.] Except as provided in subdivision 2, upon the satisfaction of a judgment, whether wholly or in part, or as to all or any of several defendants, the court administrator shall enter the satisfaction in the judgment roll, and note it, with its date, on the docket. If the docketing is upon a transcript from another county, the entry on the docket is sufficient. A judgment is satisfied when there is filed with the court administrator:

(1) an execution satisfied, to the extent stated in the sheriff's return on it;

(2) a certificate of satisfaction signed and acknowledged by the judgment creditor;

(3) a like certificate signed and acknowledged by the attorney of the creditor, unless that attorney's authority as attorney has previously been revoked and an entry of the revocation made upon the register; the authority of an attorney to satisfy a judgment ceases at the end of six years from its entry;

(4) an order of the court, made on motion, requiring the execution of a certificate of satisfaction, or directing satisfaction to be entered without it;

(5) where a judgment is docketed on transcript, a copy of either of the foregoing documents, certified by the court administrator in which the judgment was originally entered and in which the originals were filed.

A satisfaction made in the name of a partnership is valid if executed by a member of it while the partnership continues. The judgment creditor, or the creditor's attorney while the attorney's authority continues, may also satisfy a judgment of record by a brief entry on the register, signed by the creditor or the creditor's attorney and dated and witnessed by the court administrator, who shall note the satisfaction on the margin of the docket. Except as provided in subdivision 2, when a judgment is satisfied otherwise than by return of execution, the judgment creditor or the creditor's attorney shall file a certificate of it with the court administrator within ten days after the satisfaction or within 30 days of payment by check or other noncertified funds.

Subd. 2. [CHILD SUPPORT OR MAINTENANCE JUDGMENT.] In the case of a judgment for child support or spousal maintenance, an execution or certificate of satisfaction need not be filed with the court until the judgment is satisfied in full.

Sec. 15. Minnesota Statutes 1994, section 609.375, subdivision 1, is amended to read:

Subdivision 1. Whoever is legally obligated to provide care and support to a spouse ~~who is in necessitous circumstances,~~ or child, whether or not its custody has been granted to another, and knowingly omits and fails without lawful excuse to do so is guilty of a misdemeanor, and upon conviction may be sentenced to imprisonment for not more than 90 days or to payment of a fine of not more than $700, or both.

Sec. 16. [SUSPENSION OF PUBLICATIONS.]

Notwithstanding Minnesota Statutes, section 518.575, the commissioner of human services may not publish names of delinquent child support obligors until January 1, 1997; prior to January 1, 1997, a county may publish names in accordance with Minnesota Statutes, section 518.575, provided the publication is cost-neutral to the state.

Sec. 17. [REPEALER.]

Minnesota Statutes 1994, section 518.64, subdivision 6, is repealed.

Sec. 18. [EFFECTIVE DATE.]

Section 16 is effective the day following final enactment.

ARTICLE 4

RECOGNITION OF PARENTAGE; MN ENABL

Section 1. [145.9255] [MN ENABL, MINNESOTA EDUCATION NOW AND BABIES LATER.]

Subdivision 1. [ESTABLISHMENT.] The commissioner of health, in consultation with a representative from Minnesota planning, the commissioner of human services, and the commissioner of education, shall develop and implement the Minnesota education now and babies later (MN ENABL) program, targeted to adolescents ages 12 to 14, with the goal of reducing the incidence of adolescent pregnancy in the state. The program must provide a multifaceted, primary prevention, community health promotion approach to educating and supporting adolescents in the decision to postpone sexual involvement modeled after the ENABL program in California. The commissioner of health shall consult with the chief of the health education section of the California department of health services for general guidance in developing and implementing the program.

Subd. 2. [DEFINITION.] "Community-based local contractor" or "contractor" includes boards of health under section 145A.02, nonprofit organizations, or school districts. The community-based local contractors may provide the education component of MN ENABL in a variety of settings including, but not limited to, schools, religious establishments, local community centers, and youth camps.

Subd. 3. [DUTIES OF COMMISSIONER OF HEALTH.] The commissioner shall:

(1) manage the grant process, including awarding and monitoring grants to community-based local contractors, and may contract with community-based local contractors that can demonstrate at least a 25 percent local match and agree to participate in the four MN ENABL program components under subdivision 4;

(2) provide technical assistance to the community-based local contractors as necessary under subdivision 4;

(3) develop and implement the evaluation component, and provide centralized coordination at the state level of the evaluation process; and

(4) explore and pursue the federal funding possibilities and specifically request funding from the United States Department of Health and Human Services to supplement the development and implementation of the program.

Subd. 4. [PROGRAM COMPONENTS.] The program must include the following four major components:

(a) A community organization component in which the community-based local contractors shall include:

(1) use of a postponing sexual involvement education curriculum targeted to boys and girls ages 12 to 14 in schools and/or community settings;

(2) planning and implementing community organization strategies to convey and reinforce the MN ENABL message of postponing sexual involvement, including activities promoting awareness and involvement of parents and other primary caregivers/significant adults, schools, and community; and

(3) development of local media linkages.

(b) A statewide, comprehensive media and public relations campaign to promote changes in sexual attitudes and behaviors, and reinforce the message of postponing adolescent sexual involvement.

The commissioner of health, in consultation with the commissioner of education, shall contract with the attorney general's office to develop and implement the media and public relations campaign. In developing the campaign, the attorney general's office shall coordinate and consult with representatives from ethnic and local communities to maximize effectiveness of the social marketing approach to health promotion among the culturally diverse population of the state. The development and implementation of the campaign is subject to input and approval by the commissioner of health.

The local community-based contractors shall collaborate and coordinate efforts with other community organizations and interested persons to provide school and community-wide promotional activities that support and reinforce the message of the MN ENABL curriculum.

(c) An evaluation component which evaluates the process and the impact of the program.

The "process evaluation" must provide information to the state on the breadth and scope of the program. The evaluation must identify program areas that might need modification and identify local MN ENABL contractor strategies and procedures which are particularly effective. Contractors must keep complete records on the demographics of clients served, number of direct education sessions delivered and other appropriate statistics, and must document exactly how the program was implemented. The commissioner may select contractor sites for more in-depth case studies.

The "impact evaluation" must provide information to the state on the impact of the different components of the MN ENABL program and an assessment of the impact of the program on adolescent's related sexual knowledge, attitudes, and risk-taking behavior.

The commissioner shall compare the MN ENABL evaluation information and data with similar evaluation data from other states pursuing a similar adolescent pregnancy prevention program modeled after ENABL and use the information to improve MN ENABL and build on aspects of the program that have demonstrated a delay in adolescent sexual involvement.

(d) A training component requiring the commissioner of health, in consultation with the commissioner of education, to provide comprehensive uniform training to the local MN ENABL community-based local contractors and the direct education program staff.

The local community-based contractors may use adolescent leaders slightly older than the adolescents in the program to impart the message to postpone sexual involvement provided:

(1) the contractor follows a protocol for adult mentors/leaders and older adolescent leaders established by the commissioner of health;

(2) the older adolescent leader is accompanied by an adult leader; and

(3) the contractor uses the curriculum as directed and required by the commissioner of the department of health to implement this part of the program. The commissioner of health shall provide technical assistance to community-based local contractors.

Sec. 2. Minnesota Statutes 1994, section 256.87, subdivision 5, is amended to read:

Subd. 5. [CHILD NOT RECEIVING ASSISTANCE.] A person or entity having physical custody of a dependent child not receiving assistance under sections 256.031 to 256.0361, or 256.72 to 256.87 has a cause of action for child support against the child's absent parents. Upon a motion served on the absent parent, the court shall order child support payments from the absent parent under chapter 518. The absent parent's liability may include up to the two years immediately preceding the commencement of the action. This subdivision applies only if the person or entity has physical custody with the consent of a custodial parent or approval of the court.

Sec. 3. Minnesota Statutes 1994, section 257.34, is amended by adding a subdivision to read:

Subd. 4. [EXPIRATION OF AUTHORITY FOR DECLARATIONS.] No acknowledgment of parentage shall be entered into on or after August 1, 1995 under this section. The mother and father of a child born to a mother who was not married to the child's father when the child was conceived nor when the child was born may before, on, or after August 1, 1995, sign a recognition of parentage under section 257.75.

Sec. 4. Minnesota Statutes 1994, section 257.55, subdivision 1, is amended to read:

Subdivision 1. [PRESUMPTION.] A man is presumed to be the biological father of a child if:

(a) He and the child's biological mother are or have been married to each other and the child is born during the marriage, or within 280 days after the marriage is terminated by death, annulment, declaration of invalidity, dissolution, or divorce, or after a decree of legal separation is entered by a court;

(b) Before the child's birth, he and the child's biological mother have attempted to marry each other by a marriage solemnized in apparent compliance with law, although the attempted marriage is or could be declared void, voidable, or otherwise invalid, and,

(1) if the attempted marriage could be declared invalid only by a court, the child is born during the attempted marriage, or within 280 days after its termination by death, annulment, declaration of invalidity, dissolution or divorce; or

(2) if the attempted marriage is invalid without a court order, the child is born within 280 days after the termination of cohabitation;

(c) After the child's birth, he and the child's biological mother have married, or attempted to marry, each other by a marriage solemnized in apparent compliance with law, although the attempted marriage is or could be declared void, voidable, or otherwise invalid, and,

(1) he has acknowledged his paternity of the child in writing filed with the state registrar of vital statistics;

(2) with his consent, he is named as the child's father on the child's birth certificate; or

(3) he is obligated to support the child under a written voluntary promise or by court order;

(d) While the child is under the age of majority, he receives the child into his home and openly holds out the child as his biological child;

(e) He and the child's biological mother acknowledge his paternity of the child in a writing signed by both of them under section 257.34 and filed with the state registrar of vital statistics. If another man is presumed under this paragraph to be the child's father, acknowledgment may be effected only with the written consent of the presumed father or after the presumption has been rebutted;

(f) Evidence of statistical probability of paternity based on blood testing establishes the likelihood that he is the father of the child, calculated with a prior probability of no more than 0.5 (50 percent), is 99 percent or greater;

(g) He and the child's biological mother have executed a recognition of parentage in accordance with section 257.75 and another man is presumed to be the father under this subdivision; ~~or~~

(h) He and the child's biological mother have executed a recognition of parentage in accordance with section 257.75 and another man and the child's mother have executed a recognition of parentage in accordance with section 257.75; or

(i) He and the child's biological mother executed a recognition of parentage in accordance with section 257.75 when either or both of the signatories were less than 18 years of age.

Sec. 5. Minnesota Statutes 1994, section 257.57, subdivision 2, is amended to read:

Subd. 2. The child, the mother, or personal representative of the child, the public authority chargeable by law with the support of the child, the personal representative or a parent of the mother if the mother has died or is a minor, a man alleged or alleging himself to be the father, or the personal representative or a parent of the alleged father if the alleged father has died or is a minor may bring an action:

(1) at any time for the purpose of declaring the existence of the father and child relationship presumed under section 257.55, subdivision 1, paragraph (d), (e), (f), (g), or (h), or the nonexistence of the father and child relationship presumed under clause (d) of that subdivision;

(2) for the purpose of declaring the nonexistence of the father and child relationship presumed under section 257.55, subdivision 1, paragraph (e) or (g), only if the action is brought within three years after the date of the execution of the declaration or recognition of parentage; ~~or~~

(3) for the purpose of declaring the nonexistence of the father and child relationship presumed under section 257.55, subdivision 1, paragraph (f), only if the action is brought within three years after the party bringing the action, or the party's attorney of record, has been provided the blood test results; or

(4) for the purpose of declaring the nonexistence of the father and child relationship presumed under section 257.75, subdivision 9, only if the action is brought by the minor signatory within six months after the minor signatory reaches the age of 18. In the case of a recognition of parentage executed by two minor signatories, the action to declare the nonexistence of the father and child relationship must be brought within six months after the youngest signatory reaches the age of 18.

Sec. 6. Minnesota Statutes 1994, section 257.60, is amended to read:

257.60 [PARTIES.]

The child may be made a party to the action. If the child is a minor and is made a party, a general guardian or a guardian ad litem shall be appointed by the court to represent the child. The

child's mother or father may not represent the child as guardian or otherwise. The biological mother, each man presumed to be the father under section 257.55, and each man alleged to be the biological father, shall be made parties or, if not subject to the jurisdiction of the court, shall be given notice of the action in a manner prescribed by the court and shall be given an opportunity to be heard. The public agency responsible for support enforcement is joined as a party in each case in which rights are assigned under section 256.74, subdivision 5, and in each case in which the public agency is providing services pursuant to an application for child support services. A person who may bring an action under section 257.57 may be made a party to the action. The court may align the parties. The child shall be made a party whenever:

(1) the child is a minor and the case involves a compromise under section 257.64, subdivision 1, or a lump sum payment under section 257.66, subdivision 4, in which case the commissioner of human services shall also be made a party subject to department of human services rules relating to paternity suit settlements; or

(2) the child is a minor and the action is to declare the nonexistence of the father and child relationship; or

(3) an action to declare the existence of the father and child relationship is brought by a man presumed to be the father under section 257.55, or a man who alleges to be the father, and the mother of the child denies the existence of the father and child relationship.

Sec. 7. [257.651] [DEFAULT ORDER OF PARENTAGE.]

In an action to determine the existence of the father and child relationship under sections 257.51 to 257.74, if the alleged father fails to appear at a hearing after service duly made and proved, the court shall enter a default judgment or order of paternity.

Sec. 8. Minnesota Statutes 1994, section 257.67, subdivision 1, is amended to read:

Subdivision 1. If existence of the parent and child relationship is declared, or parentage or a duty of support has been acknowledged or adjudicated under sections 257.51 to 257.74 or under prior law, the obligation of the noncustodial parent may be enforced in the same or other proceedings by the custodial parent, the child, the public authority that has furnished or may furnish the reasonable expenses of pregnancy, confinement, education, support, or funeral, or by any other person, including a private agency, to the extent that person has furnished or is furnishing these expenses. Full faith and credit shall be given to a determination of paternity made by another state, whether established through voluntary acknowledgment or through administrative or judicial processes.

Sec. 9. Minnesota Statutes 1994, section 257.75, subdivision 3, is amended to read:

Subd. 3. [EFFECT OF RECOGNITION.] Subject to subdivision 2 and section 257.55, subdivision 1, paragraph (g) or (h), the recognition has the force and effect of a judgment or order determining the existence of the parent and child relationship under section 257.66. If the conditions in section 257.55, subdivision 1, paragraph (g) or (h), exist, the recognition creates only a presumption of paternity for purposes of sections 257.51 to 257.74. Until an order is entered granting custody to another, the mother has sole custody. The recognition is:

(1) a basis for bringing an action to award custody or visitation rights to either parent, establishing a child support obligation which may include up to the two years immediately preceding the commencement of the action, ordering a contribution by a parent under section 256.87, or ordering a contribution to the reasonable expenses of the mother's pregnancy and confinement, as provided under section 257.66, subdivision 3, or ordering reimbursement for the costs of blood or genetic testing, as provided under section 257.69, subdivision 2;

(2) determinative for all other purposes related to the existence of the parent and child relationship; and

(3) entitled to full faith and credit in other jurisdictions.

Sec. 10. Minnesota Statutes 1994, section 257.75, is amended by adding a subdivision to read:

Subd. 9. [EXECUTION BY A MINOR PARENT.] A recognition of parentage executed and filed in accordance with this section by a minor parent creates a presumption of paternity for the purposes of sections 257.51 to 257.74.

Sec. 11. Minnesota Statutes 1994, section 517.08, subdivision 1b, is amended to read:

Subd. 1b. [TERM OF LICENSE; FEE.] The court administrator shall examine upon oath the party applying for a license relative to the legality of the contemplated marriage. If at the expiration of a five-day period, on being satisfied that there is no legal impediment to it, the court administrator shall issue the license, containing the full names of the parties before and after marriage, and county and state of residence, with the district court seal attached, and make a record of the date of issuance. The license shall be valid for a period of six months. In case of emergency or extraordinary circumstances, a judge of the county court or a judge of the district court of the county in which the application is made, may authorize the license to be issued at any time before the expiration of the five days. The court administrator shall collect from the applicant a fee of ~~$65~~ $70 for administering the oath, issuing, recording, and filing all papers required, and preparing and transmitting to the state registrar of vital statistics the reports of marriage required by this section. If the license should not be used within the period of six months due to illness or other extenuating circumstances, it may be surrendered to the court administrator for cancellation, and in that case a new license shall issue upon request of the parties of the original license without fee. A court administrator who knowingly issues or signs a marriage license in any manner other than as provided in this section shall pay to the parties aggrieved an amount not to exceed $1,000.

Sec. 12. Minnesota Statutes 1994, section 517.08, subdivision 1c, is amended to read:

Sec. 13. [518.255] [PROVISION OF LEGAL SERVICES BY THE PUBLIC AUTHORITY.]

The provision of services under the child support enforcement program that includes services by an attorney or an attorney's representative employed by, under contract to, or representing the public authority does not create an attorney-client relationship with any party other than the public authority. Attorneys employed by or under contract with the public authority have an affirmative duty to inform applicants and recipients of services under the child support enforcement program that no attorney-client relationship exists between the attorney and the applicant or recipient. This section applies to all legal services provided by the child support enforcement program.

The written notice must inform the individual applicant or recipient of services that no attorney-client relationship exists between the attorney and the applicant or recipient; the rights of the individual as a subject of data under section 13.04, subdivision 2; and that the individual has a right to have an attorney represent the individual.

Data disclosed by an applicant for, or recipient of, child support services to an attorney employed by, or under contract with, the public authority is private data on an individual. However, the data may be disclosed under section 13.46, subdivision 2, clauses (1) to (3) and (6) to (19), and in order to obtain, modify or enforce child support, medical support, and parentage determinations.

An attorney employed by, or under contract with, the public authority may disclose additional information received from an applicant for, or recipient of, services for other purposes with the consent of the individual applicant for, or recipient of, child support services.

CHILD SUPPORT PROCEDURES

Section 1. Minnesota Statutes 1994, section 518.5511, subdivision 1, is amended to read:

Subdivision 1. [GENERAL.] (a) An administrative process is established to obtain, modify, and enforce child and medical support orders and parentage orders and modify maintenance if combined with a child support proceeding. All laws governing these actions apply insofar as they are not inconsistent with the provisions of this section and section 518.5512. Wherever other laws are inconsistent with this section and section 518.5512, the provisions in this section and section 518.5512 shall apply.

(b) All proceedings for obtaining, modifying, or enforcing child and medical support orders and modifying maintenance orders if combined with a child support proceeding, are required to be conducted in the administrative process when the public authority is a party or provides services to a party or parties to the proceedings. At county option, the administrative process may include contempt motions or actions to establish parentage. Nothing contained herein shall prevent a party, upon timely notice to the public authority, from commencing an action or bringing a motion for the establishment, modification, or enforcement of child support or modification of maintenance orders if combined with a child support proceeding in district court, if additional issues involving domestic abuse, establishment or modification of custody or visitation, property issues, or other issues outside the jurisdiction of the administrative process, are part of the motion or action, or from proceeding with a motion or action brought by another party containing one or more of these issues if it is pending in district court.

(c) A party may make a written request to the public authority to initiate an uncontested administrative proceeding. If the public authority denies the request, the public authority shall issue a summary ~~order~~ notice which denies the request for relief, states the reasons for the denial, and notifies the party of the right to commence an action for relief. If the party commences an action or serves and files a motion within 30 days after the public authority's denial and the party's action results in a modification of a child support order, the modification may be retroactive to the date the written request was received by the public authority.

(d) After August 1, 1994, all counties shall participate in the administrative process established in this section in accordance with a statewide implementation plan to be set forth by the commissioner of human services. No county shall be required to participate in the administrative process until after the county has been trained. The implementation plan shall include provisions for training the counties by region no later than July 1, 1995.

(e) For the purpose of the administrative process, all powers, duties, and responsibilities conferred on judges of district court to obtain and enforce child and medical support and parentage and maintenance obligations, subject to the limitations of this section are conferred on administrative law judges, including the power to issue subpoenas, orders to show cause, and bench warrants for failure to appear.

The administrative law judge has the authority to enter parentage orders in which the custody and visitation provisions are uncontested.

Sec. 2. Minnesota Statutes 1994, section 518.5511, subdivision 2, is amended to read:

Subd. 2. [UNCONTESTED ADMINISTRATIVE PROCEEDING.] (a) A party may petition the chief administrative law judge, the chief district court judge, or the chief family court referee to proceed immediately to a contested hearing upon good cause shown.

(b) The public authority shall give the parties written notice requesting the submission of information necessary for the public authority to prepare a proposed ~~child support~~ order. The written notice shall be sent by first class mail to the parties' last known addresses. The written notice shall describe the information requested, state the purpose of the request, state the date by which the information must be postmarked or received (which shall be at least 30 days from the

date of the mailing of the written notice), state that if the information is not postmarked or received by that date, the public authority will prepare a proposed order on the basis of the information available, and identify the type of information which will be considered.

(c) Following the submission of information or following the date when the information was due, the public authority shall, on the basis of all information available, complete and sign a proposed ~~child support~~ order and notice. In preparing the proposed ~~child support~~ order, the public authority will establish child support in the highest amount permitted under section 518.551, subdivision 5. The proposed order shall include written findings in accordance with section 518.551, subdivision 5, clauses (i) and (j). The notice shall state that the proposed ~~child support~~ order will be entered as a final and binding default order unless one of the parties requests a conference under subdivision 3 within ~~14~~ 21 days following the date of service of the proposed ~~child support~~ order. The method for requesting the conference shall be stated in the notice. The notice and proposed ~~child support~~ order shall be served under the rules of civil procedure. For the purposes of the contested hearing, and notwithstanding any law or rule to the contrary, the service of the proposed order pursuant to this paragraph shall be deemed to have commenced a proceeding and the judge, including an administrative law judge or a referee, shall have jurisdiction over the contested hearing.

(d) If a conference under subdivision 3 is not requested by a party within ~~14~~ 21 days after the date of service of the proposed ~~child support~~ order, the public authority may ~~enter~~ submit the proposed order as the default order. The default order becomes ~~effective 30 days after the date of service of the notice in paragraph (c)~~ enforceable upon signature by an administrative law judge, district court judge, or referee. The public authority may also prepare and serve a new notice and proposed ~~child support~~ order if new information is subsequently obtained. The default ~~child support~~ order shall be a final order, and shall be served under the rules of civil procedure.

The notice shall be served on the parties by first class mail at their last known addresses, and the method of service shall be documented in the public authority file.

(c) A party alleging domestic abuse by the other party shall not be required to participate in a conference. In such a case, the public authority shall meet separately with the parties in order to determine whether an agreement can be reached.

(d) If the party requesting the conference does not appear and fails to provide a written excuse (with supporting documentation if relevant) to the public authority within seven days after the date of the conference which constitutes good cause, the public authority may enter a default ~~child support~~ order through the uncontested administrative process. The public authority shall not enter the default order until at least seven days after the date of the conference.

For purposes of this section, misrepresentation, excusable neglect, or circumstances beyond the control of the person who requested the conference which prevented the person's appearance at the conference constitutes good cause for failure to appear. If the public authority finds good cause, the conference shall be rescheduled by the public authority and the public authority shall send notice as required under this subdivision.

(e) If the parties appear at the conference, the public authority shall seek agreement of the parties to the entry of a consent ~~child support~~ order which establishes child support in accordance

with applicable law. The public authority shall advise the parties that if a consent order is not entered, the matter will be scheduled for a hearing before an administrative law judge, or a district court judge or referee, and that the public authority will seek the establishment of child support at the hearing in accordance with the highest amount permitted under section 518.551, subdivision 5. If an agreement to enter the consent order is not reached at the conference, the public authority shall schedule the matter ~~before an administrative law judge, district court judge, or referee~~ for a contested hearing.

We, the undersigned conferees for S.F. No. 440, report that we have agreed upon the items in dispute and recommend as follows:

That the House recede from its amendments and that S.F. No. 440 be further amended as follows:

Delete everything after the enacting clause and insert:

"Section 1. Minnesota Statutes 1994, section 60A.06, subdivision 3, is amended to read:

Subd. 3. [LIMITATION ON COMBINATION POLICIES.] (a) Unless specifically authorized by subdivision 1, clause (4), it is unlawful to combine in one policy coverage permitted by subdivision 1, clauses (4) and (5)(a). This subdivision does not prohibit the simultaneous sale of these products, but the sale must involve two separate and distinct policies.

(b) This subdivision does not apply to group policies.

(c) This subdivision does not apply to policies permitted by subdivision 1, clause (4), that contain benefits providing acceleration of life, endowment, or annuity benefits in advance of the time they would otherwise be payable, or to long-term care policies as defined in section 62A.46, subdivision 2.

Sec. 2. Minnesota Statutes 1994, section 60A.085, is amended to read:

60A.085 [CANCELLATION OF GROUP COVERAGE; NOTIFICATION TO COVERED PERSONS.]

(a) No cancellation of any group life, group accidental death and dismemberment, group disability income, or group medical expense policy, plan, or contract regulated under chapter 62A or 62C is effective unless the insurer has made a good faith effort to notify all covered persons of the cancellation at least 30 days before the effective cancellation date. For purposes of this section, an insurer has made a good faith effort to notify all covered persons if the insurer has notified all the persons included on the list required by paragraph (b) at the home address given and only if the list has been updated within the last 12 months.

(b) At the time of the application for coverage subject to paragraph (a), the insurer shall obtain an accurate list of the names and home addresses of all persons to be covered.

(c) Paragraph (a) does not apply if the group policy, plan, or contract is replaced, or if the insurer has reasonable evidence to indicate that it will be replaced, by a substantially similar policy, plan, or contract.

(d) In no event shall this section extend coverage under a group policy, plan, or contract more than 120 days beyond the date coverage would otherwise cancel based on the terms of the group policy, plan, or contract.

(e) If coverage under the group policy, plan, or contract is extended by this section, then the time period during which affected members may exercise any conversion privilege provided for in the group policy, plan, or contract is extended for the same length of time, plus 30 days.

Sec. 3. Minnesota Statutes 1994, section 60A.111, subdivision 2, is amended to read:

Subd. 2. [PLAN.] If the commissioner determines that the required liabilities of any company are greater than its qualified assets and that the combined financial resources of the insurance company members of any insurance holding company system of which the company is a member are not adequate to counterbalance that fact, the commissioner may require the company to submit to the commissioner for approval a plan by which the company undertakes to bring the ratio of its ~~required liabilities to its~~ qualified assets to its required liabilities, expressed as a percentage, up to at least 110 percent within a reasonable period, usually not exceeding five years.

Sec. 4. Minnesota Statutes 1994, section 60A.124, is amended to read:

60A.124 [INDEPENDENT AUDIT.]

The audit report of the independent certified public accountant that performs the audit of an insurer's annual statement as required under section ~~60A.13~~ 60A.129, subdivision ~~3a~~ 3, paragraph (a), should contain a statement as to whether anything, in connection with their audit, came to their attention that caused them to believe that the insurer failed to adopt and consistently apply the valuation procedure as required by sections 60A.122 and 60A.123.

Sec. 5. Minnesota Statutes 1994, section 60A.23, subdivision 8, is amended to read:

Subd. 8. [SELF-INSURANCE OR INSURANCE PLAN ADMINISTRATORS WHO ARE VENDORS OF RISK MANAGEMENT SERVICES.] (1) [SCOPE.] This subdivision applies to any vendor of risk management services and to any entity which administers, for compensation, a self-insurance or insurance plan. This subdivision does not apply (a) to an insurance company authorized to transact insurance in this state, as defined by section 60A.06, subdivision 1, clauses (4) and (5); (b) to a service plan corporation, as defined by section 62C.02, subdivision 6; (c) to a health maintenance organization, as defined by section 62D.02, subdivision 4; (d) to an employer directly operating a self-insurance plan for its employees' benefits; ~~or~~ (e) to an entity which administers a program of health benefits established pursuant to a collective bargaining agreement between an employer, or group or association of employers, and a union or unions; or (f) to an entity which administers a self-insurance or insurance plan if a licensed Minnesota insurer is providing insurance to the plan and if the licensed insurer has appointed the entity administering the plan as one of its licensed agents within this state.

(2) [DEFINITIONS.] For purposes of this subdivision the following terms have the meanings given them.

(a) "Administering a self-insurance or insurance plan" means (i) processing, reviewing or paying claims, (ii) establishing or operating funds and accounts, or (iii) otherwise providing necessary administrative services in connection with the operation of a self-insurance or insurance plan.

(b) "Employer" means an employer, as defined by section 62E.02, subdivision 2.

(c) "Entity" means any association, corporation, partnership, sole proprietorship, trust, or other business entity engaged in or transacting business in this state.

(d) "Self-insurance or insurance plan" means a plan providing life, medical or hospital care, accident, sickness or disability insurance~~, as an employee fringe benefit~~ for the benefit of employees or members of an association, or a plan providing liability coverage for any other risk or hazard, which is or is not directly insured or provided by a licensed insurer, service plan corporation, or health maintenance organization.

(e) "Vendor of risk management services" means an entity providing for compensation actuarial, financial management, accounting, legal or other services for the purpose of designing and establishing a self-insurance or insurance plan for an employer.

(3) [LICENSE.] No vendor of risk management services or entity administering a self-insurance or insurance plan may transact this business in this state unless it is licensed to do so by the commissioner. An applicant for a license shall state in writing the type of activities it seeks authorization to engage in and the type of services it seeks authorization to provide. The license may be granted only when the commissioner is satisfied that the entity possesses the necessary organization, background, expertise, and financial integrity to supply the services sought to be offered. The commissioner may issue a license subject to restrictions or limitations upon the authorization, including the type of services which may be supplied or the activities which may be engaged in. The license fee is $100. All licenses are for a period of two years.

(4) [REGULATORY RESTRICTIONS; POWERS OF THE COMMISSIONER.] To assure that self-insurance or insurance plans are financially solvent, are administered in a fair and equitable fashion, and are processing claims and paying benefits in a prompt, fair, and honest manner, vendors of risk management services and entities administering insurance or

self-insurance plans are subject to the supervision and examination by the commissioner. Vendors of risk management services, entities administering insurance or self-insurance plans, and insurance or self-insurance plans established or operated by them are subject to the trade practice requirements of sections 72A.19 to 72A.30. In lieu of an unlimited guarantee from a parent corporation for a vendor of risk management services or an entity administering insurance or self-insurance plans, the commissioner may accept a ~~fidelity~~ surety bond in a form satisfactory to the commissioner in an amount equal to 120 percent of the total amount of claims handled by the applicant in the prior year. If at any time the total amount of claims handled during a year exceeds the amount upon which the bond was calculated, the administrator shall immediately notify the commissioner. The commissioner may require that the bond be increased accordingly.

(5) [RULEMAKING AUTHORITY.] To carry out the purposes of this subdivision, the commissioner may adopt rules, including emergency rules, pursuant to sections 14.001 to 14.69. These rules may:

(a) establish reporting requirements for administrators of insurance or self-insurance plans;

(b) establish standards and guidelines to assure the adequacy of financing, reinsuring, and administration of insurance or self-insurance plans;

(c) establish bonding requirements or other provisions assuring the financial integrity of entities administering insurance or self-insurance plans; or

(d) establish other reasonable requirements to further the purposes of this subdivision.

Sec. 6. [60A.235] [STANDARDS FOR DETERMINING WHETHER CONTRACTS ARE HEALTH PLAN CONTRACTS OR STOP LOSS CONTRACTS.]

Subdivision 1. [FINDINGS AND PURPOSE.] The purpose of this section is to establish a standard for the determination of whether an insurance policy or other evidence or coverage should be treated as a policy of accident and sickness insurance or a stop loss policy for the purpose of the regulation of the business of insurance. The laws regulating the business of insurance in Minnesota impose distinctly different requirements upon accident and sickness insurance policies and stop loss policies. In particular, the regulation of accident and sickness insurance in Minnesota includes measures designed to reform the health insurance market, to minimize or prohibit selective rating or rejection of employee groups or individual group members based upon health conditions, and to provide access to affordable health insurance coverage regardless of preexisting health conditions. The health care reform provisions enacted in Minnesota will only be effective if they are applied to all insurers and health carriers who in substance, regardless of purported form, engage in the business of issuing health insurance coverage to employees of an employee group. This section applies to insurance companies and health carriers and the policies or other evidence of coverage that they issue. This section does not apply to employers or the benefit plans they establish for their employees.

Subd. 2. [DEFINITIONS.] For purposes of this section, the terms defined in this subdivision have the meanings given.

(a) "Attachment point" means the claims amount beyond which the insurance company or health carrier incurs a liability for payment.

(b) "Direct coverage" means coverage under which an insurance company or health carrier assumes a direct obligation to an individual, under the policy or evidence of coverage, with respect to health care expenses incurred by the individual or a member of the individual's family.

(c) "Expected claims" means the amount of claims that, in the absence of a stop loss policy or other insurance or evidence of coverage, are projected to be incurred under an employer-sponsored plan covering health care expenses.

(d) "Expected plan claims" means the expected claims less the projected claims in excess of the specific attachment point, adjusted to be consistent with the employer's aggregate contract period.

(e) "Health plan" means a health plan as defined in section 62A.011 and includes group coverage regardless of the size of the group.

(f) "Health carrier" means a health carrier as defined in section 62A.011.

Subd. 3. [HEALTH PLAN POLICIES ISSUED AS STOP LOSS COVERAGE.] (a) An insurance company or health carrier issuing or renewing an insurance policy or other evidence of coverage, that provides coverage to an employer for health care expenses incurred under an employer-sponsored plan provided to the employer's employees, retired employees, or their dependents, shall issue the policy or evidence of coverage as a health plan if the policy or evidence of coverage:

(1) has a specific attachment point for claims incurred per individual that is lower than $10,000; or

(2) has an aggregate attachment point that is lower than the sum of:

(i) 140 percent of the first $50,000 of expected plan claims;

(ii) 120 percent of the next $450,000 of expected plan claims; and

(iii) 110 percent of the remaining expected plan claims.

(b) Where the insurance policy or evidence of coverage applies to a contract period of more than one year, the dollar amounts set forth in paragraph (a), clauses (1) and (2), must be multiplied by the length of the contract period expressed in years.

(c) The commissioner may adjust the constant dollar amounts provided in paragraph (a), clauses (1) and (2), on January 1 of any year, based upon changes in the medical component of the Consumer Price Index (CPI). Adjustments must be in increments of $100 and must not be made unless at least that amount of adjustment is required. The commissioner shall publish any change in these dollar amounts at least three months before their effective date.

(d) A policy or evidence of coverage issued by an insurance company or health carrier that provides direct coverage of health care expenses of an individual including a policy or evidence of coverage administered on a group basis is a health plan regardless of whether the policy or evidence of coverage is denominated as stop loss coverage.

Subd. 4. [COMPLIANCE.] (a) An insurance company or health carrier that is required to issue a policy or evidence of coverage as a health plan under this section shall, even if the policy or evidence of coverage is denominated as stop loss coverage, comply with all the laws of this state that apply to the health plan, including, but not limited to, chapters 62A, 62C, 62D, 62E, 62L, and 62Q.

(b) With respect to an employer who had been issued a policy or evidence of coverage denominated as stop loss coverage before the effective date of this section, compliance with this section is required as of the first renewal date occurring on or after the effective date of this section.

Sec. 7. [60A.236] [STOP LOSS REGULATION.]

A contract providing stop loss coverage, issued or renewed to a small employer, as defined in section 62L.02, subdivision 26, or to a plan sponsored by a small employer, must include a claim settlement period no less favorable to the small employer or plan than coverage of all claims incurred during the contract period regardless of when the claims are paid.

Sec. 8. Minnesota Statutes 1994, section 60A.26, is amended to read:

60A.26 [SUSPENSION OF INSURERS~~, NOTICE TO OTHER STATES~~; NOTIFICATIONS AND REPORTS.]

Subdivision 1. [OTHER STATES.] The commissioner of commerce shall notify the insurance departments of all other states whenever, under any law then in effect, the commissioner suspends the right of a foreign or domestic insurer to transact business in this state.

Subd. 2. [NAIC.] The commissioner of commerce shall report public regulatory actions, investigative information, and complaints to the appropriate reporting system or database of the National Association of Insurance Commissioners.

Sec. 9. Minnesota Statutes 1994, section 60A.951, subdivision 2, is amended to read:

Subd. 2. [AUTHORIZED PERSON.] "Authorized person" means the county attorney, sheriff, or chief of police responsible for investigations in the county where the suspected insurance fraud occurred; the superintendent of the bureau of criminal apprehension; the commissioner of commerce; the commissioner of labor and industry; the attorney general; or any duly constituted criminal investigative department or agency of the United States.

Sec. 10. Minnesota Statutes 1994, section 60A.951, subdivision 5, is amended to read:

Subd. 5. [INSURER.] "Insurer" means insurance company, risk retention group as defined in section 60E.02, service plan corporation as defined in section 62C.02, health maintenance organization as defined in section 62D.02, integrated service network as defined in section 62N.02, fraternal benefit society regulated under chapter 64B, township mutual company regulated under chapter 67A, joint self-insurance plan or multiple employer trust regulated under chapter 60F, 62H, or section 471.617, subdivision 2, and persons administering a self-insurance plan as defined in section 60A.23, subdivision 8, clause (2), paragraphs (a) and (d), and the workers' compensation reinsurance association established in section 79.34.

Sec. 11. Minnesota Statutes 1994, section 60A.954, subdivision 1, is amended to read:

Subdivision 1. [ESTABLISHMENT.] An insurer shall institute, implement, and maintain an antifraud plan. For the purpose of this section, the term insurer does not include reinsurers, the workers' compensation reinsurance association, self-insurers, and excess insurers. Within 30 days after instituting or modifying an antifraud plan, the insurer shall notify the commissioner in writing. The notice must include the name of the person responsible for administering the plan. An antifraud plan shall establish procedures to:

(1) prevent insurance fraud, including: internal fraud involving the insurer's officers, employees, or agents; fraud resulting from misrepresentations on applications for insurance; and claims fraud;

(2) report insurance fraud to appropriate law enforcement authorities; and

(3) cooperate with the prosecution of insurance fraud cases.

Sec. 12. Minnesota Statutes 1994, section 60A.955, is amended to read:

60A.955 [CLAIM FORMS TO CONTAIN FRAUD WARNING.]

All insurance claim forms issued by an insurer for use in submitting a claim for payment or a claim for any other benefit pursuant to a policy shall clearly contain a warning substantially as follows: "A person who ~~submits an application or~~ files a claim with intent to defraud or helps commit a fraud against an insurer is guilty of a crime." An insurer may comply with this section by including the warning on an addendum attached to the ~~application or~~ claim form. The absence of the required warning does not constitute a defense in a prosecution for a violation of chapter 609 or any other chapter of Minnesota Statutes.

Sec. 13. Minnesota Statutes 1994, section 60K.03, subdivision 7, is amended to read:

Subd. 7. [EXCEPTIONS.] The following are exempt from the general licensing requirements prescribed by this section:

(1) agents of township mutuals who are exempted pursuant to section 60K.04;

(2) fraternal benefit society representatives exempted pursuant to section 60K.05;

(c) [FALSE REPRESENTATION OF GOVERNMENT AFFILIATION.] No agent or person acting for an agent shall make any communication to a potential buyer that indicates or gives the impression that the agent is acting on behalf of a government agency.

Sec. 15. Minnesota Statutes 1994, section 61A.03, subdivision 1, is amended to read:

Subdivision 1. [GENERALLY.] No policy of life insurance may be issued in this state or by a life insurance company organized under the laws of this state unless it contains the following provisions:

(a) [PREMIUM.] A provision that all premiums are payable in advance either at the home office of the company, or to an agent of the company, upon delivery of a receipt signed by one or

more officers named in the policy and countersigned by the agent, but a policy may contain a provision that the policy itself is a receipt for the first premium;

(b) [GRACE PERIOD.] A provision for a one month grace period for the payment of every premium after the first, during which the insurance will continue in force. The provision may subject the late payment to a finance charge and contain a stipulation that if the insured dies during the grace period, the overdue premium will be deducted in any settlement under the policy;

(c) [ENTIRE CONTRACT.] A provision that the policy constitutes the entire contract between the parties and is incontestable after it has been in force during the lifetime of the insured for two years from its date, except for nonpayment of premiums and except for violations of the conditions of the policy relating to naval and military services in time of war; that at the option of the company, provisions relative to benefits in the event of total and permanent disability and provisions which grant additional insurance specifically against death by accident, may be excepted; and that a special form of policy may be issued on the life of a person employed in an occupation classified by the company as extra hazardous or as leading to hazardous employment, which provides that service in certain designated occupations may reduce the company's liability under the policy to a certain designated amount not less than the full policy reserve;

(d) [REPRESENTATIONS AND WARRANTIES.] A provision that, in the absence of fraud, all statements made by the insured are representations and not warranties, and that no statement voids the policy unless it is contained in a written application and a copy of the application is endorsed upon or attached to the policy when issued;

(e) [MISSTATEMENT OF AGE.] A provision that if the age of the insured is understated the amount payable under the policy will be the amount the premium would have purchased at the correct age;

(f) [DIVIDENDS ON PARTICIPATING POLICIES.] A provision that the policy will participate in the surplus of the company and that, beginning not later than the end of the third policy year, the company will annually determine and account for the portion of the divisible surplus accruing on the policy, and that the owner of the policy has the right, each year after the fifth, to have the current dividend arising from the participation paid in cash: If the policy provides other dividend options, it must specify which option is effective if the owner of the policy does not elect an option. The provision may condition any dividends payable during the first five years of the policy upon the payment of the next ensuing annual premium. This provision is not required in nonparticipating policies, in policies issued on under-average lives, or in insurance in exchange for lapsed or surrendered policies;

(g) [POLICY LOANS.] A provision (1) that after three full years' premiums have been paid, the company at any time while the policy is in force, will advance, on proper assignment of the policy, and on the sole security thereof, at a specified rate of interest, not to exceed eight percent per annum, or at an adjustable rate of interest as otherwise provided for in this section, a sum equal to, or, at the option of the owner of the policy, less than the loan value thereof; (2) that the loan value is the cash surrender value thereof at the end of the current policy year; (3) that the loan, unless made to pay premiums, may be deferred for not more than six months after the application for it is made; (4) that the company will deduct from the loan value any existing indebtedness on the policy and any unpaid balance of the premium for current policy year, and may collect interest in advance on the loan to the end of the current policy year; (5) that the failure to repay an advance or to pay interest does not void the policy unless the total indebtedness thereon to the company equals or exceeds the loan value at the time of the failure, nor until one month after notice has been mailed by the company to the last known address of the insured and of the assignee of record at the home office of the company; and (6) that no condition other than those provided in this section will be exacted as a prerequisite to an advance. This provision is not required in term insurance;

(h) [REINSTATEMENT.] A provision that if, in event of default in premium payments, the nonforfeiture value of the policy is applied to the purchase of other insurance, and if that insurance is in force and the original policy has not been surrendered to the company and canceled, the policy may be reinstated within three years after the default upon evidence of insurability satisfactory to the company and payment of arrears of premiums with interest;

(i) [PAYMENT OF CLAIMS.] A provision that, when a policy becomes a claim by the death of the insured, settlement will be made within two months after receipt of due proof of death;

(j) [SETTLEMENT OPTION.] A table showing the amount of installments in which the policy may provide its proceeds may be payable;

(k) [DESCRIPTION OF POLICY.] A title on the face and on the back of the policy briefly and correctly describing the policy in bold letters stating its general character, dividend periods, and other particulars, so that the holder will not be able to mistake the nature and scope of the contract;

(l) [FORM NUMBER.] A form number in the lower left-hand corner of the first page of each form, including riders and endorsements.

Any of the foregoing provisions or portions thereof relating to premiums not applicable to single premium policies must not be incorporated therein.

Sec. 16. Minnesota Statutes 1994, section 61A.071, is amended to read:

61A.071 [APPLICATIONS.]

No individual life insurance policy~~, except life insurance marketed on a direct response basis,~~ shall be issued or delivered in this state to a person age 65 or older unless a signed and completed copy of the application for insurance is left with the applicant at the time application is made. This requirement will not apply to life insurers who mail a copy of the signed, completed application to the applicant within 24 hours of receiving the application. However, where an individual life policy is marketed on a direct response basis, a copy of any application signed by the applicant shall be delivered to the insured along with, or as part of, the policy.

Sec. 17. Minnesota Statutes 1994, section 61A.092, subdivision 3, is amended to read:

Subd. 3. [NOTICE OF OPTIONS.] Upon termination of or layoff from employment of a covered employee, the employer shall inform the employee of:

(1) the employee's right to elect to continue the coverage;

(2) the amount the employee must pay monthly to the employer to retain the coverage;

(3) the manner in which and the office of the employer to which the payment to the employer must be made; and

(4) the time by which the payments to the employer must be made to retain coverage.

The employee has 60 days within which to elect coverage. The 60-day period shall begin to run on the date coverage would otherwise terminate or on the date upon which notice of the right to coverage is received, whichever is later.

If the covered employee or covered dependent dies during the 60-day election period and before the covered employee makes an election to continue or reject continuation, then the covered employee will be considered to have elected continuation of coverage. The estate of the former employee or covered dependent would then be entitled to a death benefit equal to the amount of insurance that could have been continued less any unpaid premium owing as of the date of death.

Notice must be in writing and sent by first class mail to the employee's last known address which the employee has provided to the employer.

A notice in substantially the following form is sufficient: "As a terminated or laid off employee, the law authorizes you to maintain your group insurance benefits, in an amount equal to the amount of insurance in effect on the date you terminated or were laid off from employment, for a period of up to 18 months. To do so, you must notify your former employer within 60 days of your receipt of this notice that you intend to retain this coverage and must make a monthly payment of $..... at ..... by the ..... of each month."

Sec. 18. Minnesota Statutes 1994, section 61A.092, subdivision 6, is amended to read:

Subd. 6. [APPLICATION.] This section applies to a policy, certificate of insurance, or similar evidence of coverage issued to a Minnesota resident or issued to provide coverage to a Minnesota resident. This section does not apply to: (1) a certificate of insurance or similar evidence of coverage that meets the conditions of section 61A.093, subdivision 2; or (2) a group life insurance policy that contains a provision permitting the certificate holder, upon termination or layoff from employment, to retain the coverage provided under the group policy by paying premiums directly to the insurer, provided that the employer shall give the employee notice of the employee's and each related certificate holder's right to continue the insurance by paying premiums directly to the insurer. A related certificate holder is an insured spouse of the employee.

Sec. 19. Minnesota Statutes 1994, section 61B.28, subdivision 8, is amended to read:

NOTICE CONCERNING POLICYHOLDER RIGHTS IN AN INSOLVENCY UNDER THE MINNESOTA LIFE AND HEALTH INSURANCE GUARANTY ASSOCIATION LAW

If the insurer that issued your life, annuity, or health insurance policy becomes impaired or insolvent, you are entitled to compensation for your policy from the assets of that insurer. The amount you recover will depend on the financial condition of the insurer.

In addition, residents of Minnesota who purchase life insurance, annuities, or health insurance from insurance companies authorized to do business in Minnesota are protected, SUBJECT TO LIMITS AND EXCLUSIONS, in the event the insurer becomes financially impaired or insolvent. This protection is provided by the Minnesota Life and Health Insurance Guaranty Association.

Minnesota Life and Health Insurance Guaranty Association
(insert current
address and telephone number)

The maximum amount the guaranty association will pay for all policies issued on one life by the same insurer is limited to $300,000. Subject to this $300,000 limit, the guaranty association will pay up to $300,000 in life insurance death benefits, $100,000 in net cash surrender and net cash withdrawal values for life insurance, $300,000 in health insurance benefits, including any net cash surrender and net cash withdrawal values, $100,000 in annuity net cash surrender and net cash withdrawal values, $300,000 in present value of annuity benefits for annuities which are part of a structured settlement or for annuities in regard to which periodic annuity benefits, for a period of not less than the annuitant's lifetime or for a period certain of not less than ten years, have begun to be paid on or before the date of impairment or insolvency, or if no coverage limit has been specified for a covered policy or benefit, the coverage limit shall be $300,000 in present value. Unallocated annuity contracts issued to retirement plans, other than defined benefit plans, established under section 401, 403(b), or 457 of the Internal Revenue Code of 1986, as amended through December 31, 1992, are covered up to $100,000 in net cash surrender and net cash withdrawal values, for Minnesota residents covered by the plan provided, however, that the association shall not be responsible for more than $7,500,000 in claims from all Minnesota residents covered by the plan. If total claims exceed $7,500,000, the $7,500,000 shall be prorated among all claimants. These are the maximum claim amounts. Coverage by the guaranty association is also subject to other substantial limitations and exclusions and requires continued residency in Minnesota. If your claim exceeds the guaranty association's limits, you may still recover a part or all of that amount from the proceeds of the liquidation of the insolvent insurer, if any exist. Funds to pay claims may not be immediately available. The guaranty association assesses insurers licensed to sell life and health insurance in Minnesota after the insolvency occurs. Claims are paid from this assessment.

THE COVERAGE PROVIDED BY THE GUARANTY ASSOCIATION IS NOT A SUBSTITUTE FOR USING CARE IN SELECTING INSURANCE COMPANIES THAT ARE WELL MANAGED AND FINANCIALLY STABLE. IN SELECTING AN INSURANCE COMPANY OR POLICY, YOU SHOULD NOT RELY ON COVERAGE BY THE GUARANTY ASSOCIATION.

THIS NOTICE IS REQUIRED BY MINNESOTA STATE LAW TO ADVISE POLICYHOLDERS OF LIFE, ANNUITY, OR HEALTH INSURANCE POLICIES OF THEIR RIGHTS IN THE EVENT THEIR INSURANCE CARRIER BECOMES FINANCIALLY INSOLVENT. THIS NOTICE IN NO WAY IMPLIES THAT THE COMPANY CURRENTLY HAS ANY TYPE OF FINANCIAL PROBLEMS. ALL LIFE, ANNUITY, AND HEALTH INSURANCE POLICIES ARE REQUIRED TO PROVIDE THIS NOTICE."

Additional language may be added to the notice if approved by the commissioner prior to its use in the form. This section does not apply to fraternal benefit societies regulated under chapter 64B.

Sec. 20. Minnesota Statutes 1994, section 61B.28, subdivision 9, is amended to read:

Subd. 9. [COMBINATION FIXED-VARIABLE POLICY.] The notice required in subdivision 8 must clearly describe what portions of a combination fixed-variable policy are not covered by the Minnesota life and health insurance guaranty association. The notice requirements specified in subdivision ~~8~~ 7, paragraph (c), do not apply to a combination fixed-variable policy.

Sec. 21. [62A.023] [NOTICE OF RATE CHANGE.]

A health insurer or service plan corporation must send written notice to its policyholders and contract holders at their last known address at least 30 days in advance of the effective date of a proposed rate change. This notice requirement does not apply to individual certificate holders covered by group insurance policies or group subscriber contracts.

Sec. 22. Minnesota Statutes 1994, section 62A.042, is amended to read:

62A.042 [FAMILY COVERAGE; COVERAGE OF NEWBORN INFANTS.]

Subdivision 1. [INDIVIDUAL FAMILY POLICIES; RENEWALS.] (a) No policy of individual accident and sickness insurance which provides for insurance for more than one person under section 62A.03, subdivision 1, clause (3), and no individual health maintenance contract which provides for coverage for more than one person under chapter 62D, shall be renewed to insure or cover any person in this state or be delivered or issued for delivery to any person in this state unless the policy or contract includes as insured or covered members of the family any newborn infants, including dependent grandchildren who reside with a covered grandparent, immediately from the moment of birth and thereafter which insurance or contract shall provide coverage for illness, injury, congenital malformation, or premature birth.

(b) The coverage under paragraph (a) includes benefits for inpatient or outpatient expenses arising from medical and dental treatment up to age 18, including orthodontic and oral surgery treatment, involved in the management of birth defects known as cleft lip and cleft palate. If orthodontic services are eligible for coverage under a dental insurance plan and another policy or contract, the dental plan shall be primary and the other policy or contract shall be secondary in regard to the coverage required under paragraph (a). Payment for dental or orthodontic treatment not related to the management of the congenital condition of cleft lip and cleft palate shall not be covered under this provision.

Subd. 2. [GROUP POLICIES; RENEWALS.] (a) No group accident and sickness insurance policy and no group health maintenance contract which provide for coverage of family members or other dependents of an employee or other member of the covered group shall be renewed to cover members of a group located in this state or delivered or issued for delivery to any person in this state unless the policy or contract includes as insured or covered family members or dependents any newborn infants, including dependent grandchildren who reside with a covered grandparent, immediately from the moment of birth and thereafter which insurance or contract shall provide coverage for illness, injury, congenital malformation, or premature birth.

(b) The coverage under paragraph (a) includes benefits for inpatient or outpatient expenses arising from medical and dental treatment up to age 18, including orthodontic and oral surgery treatment, involved in the management of birth defects known as cleft lip and cleft palate. If orthodontic services are eligible for coverage under a dental insurance plan and another policy or contract, the dental plan shall be primary and the other policy or contract shall be secondary in regard to the coverage required under paragraph (a). Payment for dental or orthodontic treatment not related to the management of the congenital condition of cleft lip and cleft palate shall not be covered under this provision.

Sec. 23. Minnesota Statutes 1994, section 62A.10, is amended to read:

62A.10 [GROUP INSURANCE.]

Subdivision 1. [REQUIREMENTS.] Group accident and health insurance ~~is hereby declared to be that form of accident and health insurance covering~~ may be issued to cover groups of not less than two employees nor less than ten members, and which may include the employee's or member's dependents, consisting of husband, wife, children, and actual dependents residing in the household~~, written under a~~. The master policy may be issued to any governmental corporation, unit, agency, or department thereof, or to any corporation, copartnership, individual, employer, or to any association as defined by section 60A.02, subdivision 1a, where officers, members, employees, or classes or divisions thereof, may be insured for their individual benefit.

Subd. 2. [GROUP ACCIDENTAL DEATH AND GROUP DISABILITY INCOME POLICIES.] Group accidental death insurance and group disability income insurance policies may be issued in connection with first real estate mortgage loans to cover groups of not less than ten debtors of a creditor written under a master policy issued to a creditor to insure its debtors in connection with first real estate mortgage loans, in amounts not to exceed the actual or scheduled amount of their indebtedness. No other accident and health coverages may be issued in connection with first real estate mortgage loans on a group basis to a debtor-creditor group.

Subd. 3. [AUTHORITY TO ISSUE.] Any insurer authorized to write accident and health insurance in this state shall have power to issue group accident and health policies.

Subd. ~~2~~ 4. [POLICY FORMS.] No policy of group accident and health insurance may be issued or delivered in this state unless the same has been approved by the commissioner in accordance with section 62A.02, subdivisions 1 to 6. These forms shall contain the standard provisions relating and applicable to health and accident insurance and shall conform with the other requirements of law relating to the contents and terms of policies of accident and sickness insurance in so far as they may be applicable to group accident and health insurance, and also the following provisions:

(1) [ENTIRE CONTRACT.] A provision that the policy and the application of the creditor, employer, or executive officer or trustee of any association, and the individual applications, if any, of the debtors, employees, or members, insured, shall constitute the entire contract between the parties, and that all statements made by the creditor, employer, or any executive officer or trustee ~~in~~ on behalf of the group to be insured, shall, in the absence of fraud, be deemed representations and not warranties, and that no such statement shall be used in defense to a claim under the policy, unless it is contained in the written application;

(2) [MASTER POLICY-CERTIFICATES.] A provision that the insurer will issue a master policy to the creditor, employer, or to the executive officer or trustee of the association; and the insurer shall also issue to the creditor, the employer, or to the executive officer or trustee of the association, for delivery to the debtor, employee, or member, who is insured under the policy, an individual certificate setting forth a statement as to the insurance protection to which the debtor, employee, or member is entitled and to whom payable, together with a statement as to when and where the master policy, or a copy thereof, may be seen for inspection by the individual insured~~;~~ ~~this~~. The individual certificate may contain the names of, and insure the dependents of, the employee, or member, as provided for herein;

(3) [NEW INSUREDS.] A provision that to the group or class thereof originally insured may be added, from time to time, all new employees of the employer ~~or~~, members of the association, or debtors of the creditor eligible to and applying for insurance in that group or class and covered or to be covered by the master policy.

(4) [CONVERSION PRIVILEGE.] In the case of accidental death insurance and disability income insurance issued to debtors of a creditor, the policy must contain a conversion privilege permitting an insured debtor to convert, without evidence of insurability, to an individual policy within 30 days of the date the insured debtor's group coverage is terminated, and not replaced with other group coverage, for any reason other than nonpayment of premiums. The individual policy must provide the same amount of insurance and be subject to the same terms and conditions as the group policy and the initial premium for the individual policy must be the same premium the insured debtor was paying under the group policy. This provision does not apply to a group policy which provides that the certificate holder may, upon termination of coverage under the group policy for any reason other than nonpayment of premium, retain coverage provided under the group policy by paying premiums directly to the insurer.

Sec. 24. Minnesota Statutes 1994, section 62A.135, is amended to read:

62A.135 [~~NONCOMPREHENSIVE~~ FIXED INDEMNITY POLICIES; MINIMUM LOSS RATIOS.]

~~(a) This section applies to individual or group policies, certificates, or other evidence of coverage designed primarily to provide coverage for hospital or medical expenses on a per diem, fixed indemnity, or nonexpense incurred basis offered, issued, or renewed, to provide coverage to a Minnesota resident.~~

~~(b) Notwithstanding section 62A.02, subdivision 3, relating to loss ratios, policies must return to Minnesota policyholders in the form of aggregate benefits under the policy, for each year, on the basis of incurred claims experience and earned premiums in Minnesota and in accordance with accepted actuarial principles and practices:~~

~~(1) at least 75 percent of the aggregate amount of premiums earned in the case of group policies; and~~

~~(2) at least 65 percent of the aggregate amount of premiums earned in the case of individual policies.~~

~~(c) An insurer may only issue or renew an individual policy on a guaranteed renewable or noncancelable basis.~~

~~(d) Noncomprehensive policies, certificates, or other evidence of coverage subject to the provisions of this section are also subject to the requirements, penalties, and remedies applicable to medicare supplement policies, as set forth in section 62A.36, subdivisions 1a, 1b, and 2.~~

~~The first supplement to the annual statement required to be filed pursuant to this paragraph must be for the annual statement required to be submitted on or after January 1, 1993.~~

Subdivision 1. [DEFINITIONS.] For purposes of this section, the following terms have the meanings given them:

(a) "fixed indemnity policy" is a policy form, other than a long-term care policy as defined in section 62A.46, subdivision 2, that pays a predetermined, specified, fixed benefit for services provided. Claim costs under these forms are generally not subject to inflation, although they may be subject to changes in the utilization of health care services. For policy forms providing both expense-incurred and fixed benefits, the policy form is a fixed indemnity policy if 50 percent or more of the total claims are for predetermined, specified, fixed benefits;

(b) "guaranteed renewable" means that, during the renewal period (to a specified age) renewal cannot be declined nor coverage changed by the insurer for any reason other than nonpayment of premiums, fraud, or misrepresentation, but the insurer can revise rates on a class basis upon approval by the commissioner;

(c) "noncancelable" means that, during the renewal period (to a specified age) renewal cannot be declined nor coverage changed by the insurer for any reason other than nonpayment of premiums, fraud, or misrepresentation and that rates cannot be revised by the insurer. This includes policies that are guaranteed renewable to a specified age, such as 60 or 65, at guaranteed rates; and

(d) "average annualized premium" means the average of the estimated annualized premium per covered person based on the anticipated distribution of business using all significant criteria having a price difference, such as age, sex, amount, dependent status, mode of payment, and rider frequency. For filing of rate revisions, the amount is the anticipated average assuming the revised rates have fully taken effect.

Subd. 2. [APPLICABILITY.] This section applies to individual or group policies, certificates, or other evidence of coverage meeting the definition of a fixed indemnity policy, offered, issued, or renewed, to provide coverage to a Minnesota resident.

Subd. 3. [MINIMUM LOSS RATIO STANDARDS.] Notwithstanding section 62A.02, subdivision 3, relating to loss ratios, the minimum loss ratios for fixed indemnity policies are:

(1) as shown in the following table:

Type of Coverage	Renewal Provision	
	Guaranteed Renewable	Noncancelable
Group	75%	70%
Individual	65%	60%

or

(2) for policies or certificates where the average annualized premium is less than $1,000, the average annualized premium less $30, multiplied by the required loss ratio in clause (1), divided by the average annualized premium. However, in no event may the minimum loss ratio be less than the required loss ratio from clause (1) minus ten percent.

The commissioner of commerce may adjust the constant dollar amounts provided in clause (2) on January 1 of any year, based upon changes in the CPI-U, the consumer price index for all urban consumers, published by the United States Department of Labor, Bureau of Labor Statistics. Adjustments must be in increments of $5 and must not be made unless at least that amount of adjustment is required to each amount.

All rate filings must include a demonstration that the rates are not excessive. Rates are not excessive if the anticipated loss ratio and the lifetime anticipated loss ratio meet or exceed the minimum loss ratio standard in this subdivision.

Subd. 4. [RENEWAL PROVISION.] An insurer may only issue or renew an individual policy on a guaranteed renewable or noncancelable basis.

Subd. 5. [SUPPLEMENT TO ANNUAL STATEMENTS.] Each insurer that has fixed indemnity policies in force in this state shall, as a supplement to the annual statement required by section 60A.13, submit, in a form prescribed by the commissioner, the experience data for the calendar year showing its incurred claims, earned premiums, incurred to earned loss ratio, and the ratio of the actual loss ratio to the expected loss ratio for each fixed indemnity policy form in force in Minnesota. The experience data must be provided on both a Minnesota only and a national basis. If in the opinion of the company's actuary, the deviation of the actual loss ratio from the expected loss ratio for a policy form is due to unusual reserve fluctuations, economic conditions, or other nonrecurring conditions, the insurer should also file that opinion with appropriate justification.

If the data submitted does not confirm that the insurer has satisfied the loss ratio requirements of this section, the commissioner shall notify the insurer in writing of the deficiency. The insurer shall have 30 days from the date of receipt of the commissioner's notice to file amended rates that comply with this section or a request for an exemption with appropriate justification. If the insurer fails to file amended rates within the prescribed time and the commissioner does not exempt the policy form from the need for a rate revision, the commissioner shall order that the insurer's filed rates for the nonconforming policy be reduced to an amount that would have resulted in a loss ratio that complied with this section had it been in effect for the reporting period of the supplement. The insurer's failure to file amended rates within the specified time of the issuance of the commissioner's order amending the rates does not preclude the insurer from filing an amendment of its rates at a later time.

Subd. 6. [PENALTIES.] Each sale of a policy that does not comply with the loss ratio requirements of this section is subject to the penalties in sections 72A.17 to 72A.32.

Subd. 7. [SOLICITATIONS BY MAIL OR MEDIA ADVERTISEMENT.] For purposes of this section, fixed indemnity policies issued without the use of an agent as a result of solicitations of individuals through the mail or mass media advertising, including both print and broadcast advertising, must be treated as group policies.

Sec. 25. Minnesota Statutes 1994, section 62A.136, is amended to read:

Sec. 26. Minnesota Statutes 1994, section 62A.14, is amended to read:

62A.14 [HANDICAPPED CHILDREN.]

Subdivision 1. [INDIVIDUAL FAMILY POLICIES.] An individual hospital or medical expense insurance policy delivered or issued for delivery in this state more than 120 days after May 16, 1969, or an individual health maintenance contract delivered or issued for delivery in this state after August 1, 1984, which provides that coverage of a dependent child shall terminate upon attainment of the limiting age for dependent children specified in the policy or contract shall also provide in substance that attainment of such limiting age shall not operate to terminate the coverage of such child while the child is and continues to be both (a) incapable of self-sustaining employment by reason of mental retardation, mental illness or disorder, or physical handicap and (b) chiefly dependent upon the policyholder for support and maintenance, provided proof of such incapacity and dependency is furnished to the insurer or health maintenance organization by the policyholder or enrollee within 31 days of the child's attainment of the limiting age and subsequently as may be required by the insurer or organization but not more frequently than annually after the two-year period following the child's attainment of the limiting age.

Subd. 2. [GROUP POLICIES.] A group hospital or medical expense insurance policy delivered or issued for delivery in this state more than 120 days after May 16, 1969, or a group health maintenance contract delivered or issued for delivery in this state after August 1, 1984, which provides that coverage of a dependent child of an employee or other member of the covered group shall terminate upon attainment of the limiting age for dependent children specified in the policy or contract shall also provide in substance that attainment of such limiting age shall not operate to terminate the coverage of such child while the child is and continues to be both (a) incapable of self-sustaining employment by reason of mental retardation, mental illness or disorder, or physical handicap and (b) chiefly dependent upon the employee or member for support and maintenance, provided proof of such incapacity and dependency is furnished to the insurer or organization by the employee or member within 31 days of the child's attainment of the limiting age and subsequently as may be required by the insurer or organization but not more frequently than annually after the two-year period following the child's attainment of the limiting age.

Sec. 27. Minnesota Statutes 1994, section 62A.141, is amended to read:

62A.141 [COVERAGE FOR HANDICAPPED DEPENDENTS.]

No group policy or group plan of health and accident insurance regulated under this chapter, chapter 62C, or 62D, which provides for dependent coverage may be issued or renewed in this state after August 1, 1983, unless it covers the handicapped dependents of the insured, subscriber, or enrollee of the policy or plan. For purposes of this section, a handicapped dependent is a person that is and continues to be both: (1) incapable of self-sustaining employment by reason of mental retardation, mental illness or disorder, or physical handicap; and (2) chiefly dependent upon the policyholder for support and maintenance. Consequently, the policy or plan shall not contain any provision concerning preexisting condition limitations, insurability, eligibility, or health underwriting approval concerning handicapped dependents.

If ordered by the commissioner of commerce, the insurer of a Minnesota-domiciled nonprofit

association which is composed solely of agricultural members may restrict coverage under this section to apply only to Minnesota residents.

Sec. 28. [62A.307] [BREAST CANCER COVERAGE.]

Subdivision 1. [SCOPE OF COVERAGE.] This section applies to all health plans as defined in section 62A.011.

Subd. 2. [REQUIRED COVERAGE.] Every health plan included in subdivision 1 must provide to each covered person who is a resident of Minnesota coverage for the treatment of breast cancer by high-dose chemotherapy with autologous bone marrow transplantation and for expenses arising from the treatment.

Subd. 3. [GREATER COINSURANCE OR COPAYMENT PROHIBITED.] Coverage under this section shall not be subject to any greater coinsurance or copayment than that applicable to any other coverage provided by the health plan.

Subd. 4. [GREATER DEDUCTIBLE PROHIBITED.] Coverage under this section shall not be subject to any greater deductible than that applicable to any other coverage provided by the health plan.

Sec. 29. Minnesota Statutes 1994, section 62A.31, subdivision 1h, is amended to read:

Subd. 1h. [LIMITATIONS ON DENIALS, CONDITIONS, AND PRICING OF COVERAGE.] No issuer of Medicare supplement policies, including policies that supplement Medicare issued by health maintenance organizations or those policies governed by section 1833 or 1876 of the federal Social Security Act, United States Code, title 42, section 1395, et seq., in this state may impose preexisting condition limitations or otherwise deny or condition the issuance or effectiveness of any Medicare supplement insurance policy form available for sale in this state, nor may it discriminate in the pricing of such a policy, because of the health status, claims experience, receipt of health care, ~~or~~ medical condition, or age of an applicant where an application for such insurance is submitted during the six-month period beginning with the first month in which an individual first enrolled for benefits under Medicare Part B. This paragraph applies regardless of whether the individual has attained the age of 65 years. If an individual who is enrolled in Medicare Part B due to disability status is involuntarily disenrolled due to loss of disability status, the individual is eligible for the six-month enrollment period provided under this subdivision if the individual later becomes eligible for and enrolls again in Medicare Part B.

Sec. 30. Minnesota Statutes 1994, section 62A.31, subdivision 1i, is amended to read:

Subd. 1i. [REPLACEMENT COVERAGE.] If a Medicare supplement policy or certificate replaces another Medicare supplement policy or certificate, the issuer of the replacing policy or certificate shall waive any time periods applicable to preexisting conditions, waiting periods, elimination periods, and probationary periods in the new Medicare supplement policy or certificate for benefits to the extent the time was spent under the original policy or certificate. For purposes of this subdivision, "Medicare supplement policy or certificate" means all coverage described in section 62A.011, subdivision 4, clause (10).

Sec. 31. Minnesota Statutes 1994, section 62A.46, subdivision 2, is amended to read:

Subd. 2. [LONG-TERM CARE POLICY.] "Long-term care policy" means an individual or group policy, certificate, subscriber contract, or other evidence of coverage that provides benefits for prescribed long-term care, including nursing facility services and home care services, pursuant to the requirements of sections 62A.46 to 62A.56. ~~A long-term care policy must contain a designation specifying whether the policy is a long-term care policy AA or A and a caption stating that the commissioner has established two categories of long-term care insurance and the minimum standards for each.~~

Sections 62A.46, 62A.48, and 62A.52 to 62A.56 do not apply to a long-term care policy issued to (a) an employer or employers or to the trustee of a fund established by an employer where only employees or retirees, and dependents of employees or retirees, are eligible for coverage or (b) to a labor union or similar employee organization. The associations exempted from the requirements of sections 62A.31 to 62A.44 under 62A.31, subdivision 1, clause (c) shall not be subject to the provisions of sections 62A.46 to 62A.56 until July 1, 1988.

Sec. 32. Minnesota Statutes 1994, section 62A.46, is amended by adding a subdivision to read:

Subd. 13. [BENEFIT DAY.] "Benefit day" means each day of confinement in a nursing facility or each visit for home care services. For purposes of section 62A.48, subdivision 1, if the policyholder receives more than one home care service visit within a 24-hour period, each visit constitutes one benefit day.

Sec. 33. Minnesota Statutes 1994, section 62A.48, subdivision 1, is amended to read:

Subdivision 1. [POLICY REQUIREMENTS.] No individual or group policy, certificate, subscriber contract, or other evidence of coverage of nursing home care or other long-term care services shall be offered, issued, delivered, or renewed in this state, whether or not the policy is issued in this state, unless the policy is offered, issued, delivered, or renewed by a qualified insurer and the policy satisfies the requirements of sections 62A.46 to 62A.56. A long-term care policy must cover prescribed long-term care in nursing facilities and at least the prescribed long-term home care services in section 62A.46, subdivision 4, clauses (1) to (5), provided by a home health agency. ~~Coverage under a long-term care policy AA must include: a maximum lifetime benefit limit of at least $100,000 for services, and nursing facility and home care coverages must not be subject to separate lifetime maximums.~~ Coverage under a long-term care policy ~~A~~ must include: a ~~maximum~~ minimum lifetime benefit limit of at least ~~$50,000~~ $25,000 for services, and nursing facility and home care coverages must not be subject to separate lifetime maximums. Prior hospitalization may not be required under a long-term care policy.

~~Coverage under either~~ The policy ~~designation~~ must cover preexisting conditions during the first six months of coverage if the insured was not diagnosed or treated for the particular condition during the 90 days immediately preceding the effective date of coverage. Coverage under ~~either~~ the policy ~~designation~~ may include a waiting period of up to 90 days before benefits are paid, but there must be no more than one waiting period per benefit period; for purposes of this sentence, "days" ~~means~~ can mean calendar or benefit days. If benefit days are used, an appropriate premium reduction and disclosure must be made. No policy may exclude coverage for mental or nervous disorders which have a demonstrable organic cause, such as Alzheimer's and related dementias. No policy may require the insured to be homebound or house confined to receive home care services. The policy must include a provision that the plan will not be canceled or renewal refused except on the grounds of nonpayment of the premium, provided that the insurer may change the premium rate on a class basis on any policy anniversary date. A provision that the policyholder may elect to have the premium paid in full at age 65 by payment of a higher premium up to age 65 may be offered. A provision that the premium would be waived during any period in which benefits are being paid to the insured during confinement in a nursing facility must be included. A nongroup policyholder may return a policy within 30 days of its delivery and have the premium refunded in full, less any benefits paid under the policy, if the policyholder is not satisfied for any reason.

No individual long-term care policy shall be offered or delivered in this state until the insurer has received from the insured a written designation of at least one person, in addition to the insured, who is to receive notice of cancellation of the policy for nonpayment of premium. The insured has the right to designate up to a total of three persons who are to receive the notice of cancellation, in addition to the insured. The form used for the written designation must inform the insured that designation of one person is required and that designation of up to two additional persons is optional and must provide space clearly designated for listing between one and three persons. The designation shall include each person's full name, home address, and telephone number. Each time an individual policy is renewed or continued, the insurer shall notify the insured of the right to change this written designation.

The insurer may file a policy form that utilizes a plan of care prepared as provided under section 62A.46, subdivision 5, clause (1) or (2).

Sec. 34. Minnesota Statutes 1994, section 62A.48, subdivision 2, is amended to read:

Subd. 2. [PER DIEM COVERAGE.] If benefits are provided on a per diem basis, the minimum daily benefit for care in a nursing facility must be the lesser ~~of $60 or actual charges under a long-term care policy AA or the lesser~~ of $40 or actual charges under a long-term care policy ~~A~~ and the minimum benefit per visit for home care under a long-term care policy ~~AA or A~~ must be

the lesser of $25 or actual charges. The home care services benefit must cover at least seven paid visits per week.

Sec. 35. Minnesota Statutes 1994, section 62A.50, subdivision 3, is amended to read:

Subd. 3. [DISCLOSURES.] No long-term care policy shall be offered or delivered in this state, whether or not the policy is issued in this state, and no certificate of coverage under a group long-term care policy shall be offered or delivered in this state, unless a statement containing at least the following information is delivered to the applicant at the time the application is made:

(1) a description of the benefits and coverage provided by the policy and the differences between this policy, a supplemental Medicare policy and the benefits to which an individual is entitled under parts A and B of Medicare ~~and the differences between policy designations A and AA~~;

(2) a statement of the exceptions and limitations in the policy including the following language, as applicable, in bold print: "THIS POLICY DOES NOT COVER ALL NURSING CARE FACILITIES OR NURSING HOME, HOME CARE, OR ADULT DAY CARE EXPENSES AND DOES NOT COVER RESIDENTIAL CARE. READ YOUR POLICY CAREFULLY TO DETERMINE WHICH FACILITIES AND EXPENSES ARE COVERED BY YOUR POLICY.";

(3) a statement of the renewal provisions including any reservation by the insurer of the right to change premiums;

(4) a statement that the outline of coverage is a summary of the policy issued or applied for and that the policy should be consulted to determine governing contractual provisions;

(5) an explanation of the policy's loss ratio including at least the following language: "This means that, on the average, policyholders may expect that $..... of every $100 in premium will be returned as benefits to policyholders over the life of the contract.";

(6) a statement of the out-of-pocket expenses, including deductibles and copayments for which the insured is responsible, and an explanation of the specific out-of-pocket expenses that may be accumulated toward any out-of-pocket maximum as specified in the policy;

(7) the following language, in bold print: "YOUR PREMIUMS CAN BE INCREASED IN THE FUTURE. THE RATE SCHEDULE THAT LISTS YOUR PREMIUM NOW CAN CHANGE.";

(8) the following language, if applicable, in bold print: "IF YOU ARE NOT HOSPITALIZED PRIOR TO ENTERING A NURSING HOME OR NEEDING HOME CARE, YOU WILL NOT BE ABLE TO COLLECT ANY BENEFITS UNDER THIS PARTICULAR POLICY."; and

(9) a signed and completed copy of the application for insurance is left with the applicant at the time the application is made.

Sec. 36. [62A.616] [COVERAGE FOR NURSING HOME CARE FOR TERMINALLY ILL AND OTHER SERVICES.]

An insurer may offer a health plan that covers nursing home care for the terminally ill, personal care attendants, and hospice care. For the purposes of this section, "terminally ill" means a diagnosis certified by a physician that a person has less than six months to live.

Sec. 37. Minnesota Statutes 1994, section 62C.14, subdivision 5, is amended to read:

Subd. 5. [HANDICAPPED DEPENDENTS.] A subscriber's individual contract or any group contract delivered or issued for delivery in this state and providing that coverage of a dependent child of the subscriber or a dependent child of a covered group member shall terminate upon attainment of a specified age shall also provide in substance that attainment of that age shall not terminate coverage while the child is (a) incapable of self-sustaining employment by reason of mental retardation, mental illness or disorder, or physical handicap, and (b) chiefly dependent upon the subscriber or employee for support and maintenance, provided proof of incapacity and dependency is furnished by the subscriber within 31 days of attainment of the age, and

subsequently as required by the corporation, but not more frequently than annually after a two year period following attainment of the age.

Sec. 38. Minnesota Statutes 1994, section 62C.14, subdivision 14, is amended to read:

Subd. 14. No subscriber's individual contract or any group contract which provides for coverage of family members or other dependents of a subscriber or of an employee or other group member of a group subscriber, shall be renewed, delivered, or issued for delivery in this state unless such contract includes as covered family members or dependents any newborn infants, including dependent grandchildren, immediately from the moment of birth and thereafter which insurance shall provide coverage for illness, injury, congenital malformation or premature birth.

Sec. 39. Minnesota Statutes 1994, section 62D.02, subdivision 8, is amended to read:

Subd. 8. "Health maintenance contract" means any contract whereby a health maintenance organization agrees to provide comprehensive health maintenance services to enrollees, provided that the contract may contain reasonable enrollee copayment provisions. An individual or group health maintenance contract may contain the copayment and deductible provisions specified in this subdivision. Copayment and deductible provisions in group contracts shall not discriminate on the basis of age, sex, race, length of enrollment in the plan, or economic status; and during every open enrollment period in which all offered health benefit plans, including those subject to the jurisdiction of the commissioners of commerce or health, fully participate without any underwriting restrictions, copayment and deductible provisions shall not discriminate on the basis of preexisting health status. In no event shall the sum of the annual ~~copayment~~ copayments and deductible exceed the maximum out-of-pocket expenses allowable for a number three qualified ~~insurance policy~~ plan under section 62E.06, nor shall that sum exceed $5,000 per family. The annual deductible must not exceed $1,000 per person. The annual deductible must not apply to preventive health services as described in Minnesota Rules, part 4685.0801, subpart 8. Where sections 62D.01 to 62D.30 permit a health maintenance organization to contain reasonable copayment provisions for preexisting health status, these provisions may vary with respect to length of enrollment in the plan. Any contract may provide for health care services in addition to those set forth in subdivision 7.

Sec. 40. Minnesota Statutes 1994, section 62E.02, subdivision 7, is amended to read:

Subd. 7. [DEPENDENT.] "Dependent" means a spouse or unmarried child under the age of 19 years, a dependent child who is a student under the age of 25 ~~and financially dependent upon the parent~~, or a dependent child of any age who is disabled.

Sec. 41. Minnesota Statutes 1994, section 62E.12, is amended to read:

62E.12 [MINIMUM BENEFITS OF COMPREHENSIVE HEALTH INSURANCE PLAN.]

The association through its comprehensive health insurance plan shall offer policies which provide the benefits of a number one qualified plan and a number two qualified plan, except that the maximum lifetime benefit on these plans shall be ~~$1,000,000~~ $1,500,000, and an extended basic plan and a basic Medicare plan as described in sections 62A.31 to 62A.44 and 62E.07. The requirement that a policy issued by the association must be a qualified plan is satisfied if the association contracts with a preferred provider network and the level of benefits for services provided within the network satisfies the requirements of a qualified plan. If the association uses a preferred provider network, payments to nonparticipating providers must meet the minimum requirements of section 72A.20, subdivision 15. They shall offer health maintenance organization contracts in those areas of the state where a health maintenance organization has agreed to make the coverage available and has been selected as a writing carrier. Notwithstanding the provisions of section 62E.06 the state plan shall exclude coverage of services of a private duty nurse other than on an inpatient basis and any charges for treatment in a hospital located outside of the state of Minnesota in which the covered person is receiving treatment for a mental or nervous disorder, unless similar treatment for the mental or nervous disorder is medically necessary, unavailable in Minnesota and provided upon referral by a licensed Minnesota medical practitioner.

Sec. 42. Minnesota Statutes 1994, section 62F.02, subdivision 2, is amended to read:

Subd. 2. [DIRECTORS.] The association shall have a board of directors composed of 11 persons chosen ~~annually~~ for a term of four years as follows: five persons elected by members of the association at a meeting called by the commissioner; three members who are health care providers appointed by the commissioner prior to the election by the association; and three public members, as defined in section 214.02, appointed by the governor prior to the election by the association.

Sec. 43. Minnesota Statutes 1994, section 62I.09, subdivision 2, is amended to read:

Subd. 2. [TERMS AND VACANCIES.] In the event of a member's inability to continue to serve, the commissioner shall appoint a replacement. The committee shall elect a chair and vice-chair from among the members. The term of each member is ~~one year commencing~~ four years beginning on June 1~~, except that the first members to be appointed to the committee shall serve from the date of their appointment until June 1 immediately following their appointment~~.

Sec. 44. Minnesota Statutes 1994, section 62L.02, subdivision 16, is amended to read:

Subd. 16. [HEALTH CARRIER.] "Health carrier" means an insurance company licensed under chapter 60A to offer, sell, or issue a policy of accident and sickness insurance as defined in section 62A.01; a health service plan licensed under chapter 62C; a health maintenance organization licensed under chapter 62D; a community integrated services network and an integrated service network operating under chapter 62N; a fraternal benefit society operating under chapter 64B; a joint self-insurance employee health plan operating under chapter 62H; and a multiple employer welfare arrangement, as defined in United States Code, title 29, section 1002(40), as amended. ~~For purposes of sections 62L.01 to 62L.12, but not for purposes of sections 62L.13 to 62L.22, "health carrier" includes a community integrated service network or integrated service network licensed under chapter 62N~~. Any use of this definition in another chapter by reference does not include a community integrated service network or integrated service network, unless otherwise specified. For the purpose of this chapter, companies that are affiliated companies or that are eligible to file a consolidated tax return must be treated as one health carrier, except that any insurance company or health service plan corporation that is an affiliate of a health maintenance organization located in Minnesota, or any health maintenance organization located in Minnesota that is an affiliate of an insurance company or health service plan corporation, or any health maintenance organization that is an affiliate of another health maintenance organization in Minnesota, may treat the health maintenance organization as a separate health carrier.

Sec. 45. Minnesota Statutes 1994, section 62L.03, subdivision 5, is amended to read:

Subd. 5. [CANCELLATIONS AND FAILURES TO RENEW.] (a) No health carrier shall cancel, decline to issue, or fail to renew a health benefit plan as a result of the claim experience or health status of the persons covered or to be covered by the health benefit plan. A health carrier may cancel or fail to renew a health benefit plan:

(1) for nonpayment of the required premium;

(2) for fraud or misrepresentation by the small employer, or, with respect to coverage of an individual eligible employee or dependent, fraud or misrepresentation by the eligible employee or dependent, with respect to eligibility for coverage or any other material fact;

(3) if eligible employee participation during the preceding calendar year declines to less than 75 percent, subject to the waiver of coverage provision in subdivision 3;

(4) if the employer fails to comply with the minimum contribution percentage required under subdivision 3;

(5) if the health carrier ceases to do business in the small employer market under section 62L.09;

(6) if a failure to renew is based upon the health carrier's decision to discontinue the health benefit plan form previously issued to the small employer, but only if the health carrier permits each small employer covered under the prior form to switch to its choice of any other health benefit plan offered by the health carrier, without any underwriting restrictions that would not have been permitted for renewal purposes; or

(7) for any other reasons or grounds expressly permitted by the respective licensing laws and regulations governing a health carrier, including, but not limited to, service area restrictions imposed on health maintenance organizations under section 62D.03, subdivision 4, paragraph (m), to the extent that these grounds are not expressly inconsistent with this chapter.

(b) A health carrier need not renew a health benefit plan, and shall not renew a small employer plan, if an employer ceases to qualify as a small employer as defined in section 62L.02. If a health benefit plan, other than a small employer plan, provides terms of renewal that do not exclude an employer that is no longer a small employer, the health benefit plan may be renewed according to its own terms. If a health carrier issues or renews a health plan to an employer that is no longer a small employer, without interruption of coverage, the health plan is subject to section 60A.082. Between July 1, 1994, and June 30, 1995, a health benefit plan in force during this time may be renewed, if the number of employees exceeds two, but does not exceed 49 employees.

Sec. 46. Minnesota Statutes 1994, section 65A.01, is amended by adding a subdivision to read:

Subd. 3b. [RESCISSION AND VOIDABILITY.] This policy must not be rescinded or voided except where the insured has willfully and with intent to defraud concealed or misrepresented a material fact or circumstance concerning this insurance or the subject of this insurance or the interests of the insured in this insurance. This provision must not operate to defeat a claim by a third party or a minor child of the named insured for damage or loss for which the policy provides coverage.

Sec. 47. Minnesota Statutes 1994, section 65B.06, subdivision 3, is amended to read:

Subd. 3. With respect to all automobiles not included in subdivisions 1 and 2, the facility shall provide:

(1) ~~Only the insurance~~ the minimum limits of coverage required by ~~law~~ section 65B.49, subdivisions 2, 3, 3a, and 4a, or higher limits of liability coverage as recommended by the governing committee and approved by the commissioner;

(2) for the equitable distribution of qualified applicants for this coverage among the members in accord with the applicable participation ratio, or among these insurance companies as selected under the provisions of the plan of operation; and

(3) for a school district or contractor transporting school children under contract with a school district, that amount of automobile liability insurance coverage, not to exceed $1,000,000, required by the school district by resolution or contract, or that portion of such $1,000,000 of coverage for which the school district or contractor applies and for which it is eligible under section 65B.10.

Sec. 48. Minnesota Statutes 1994, section 65B.08, subdivision 1, is amended to read:

Subdivision 1. [FILING.] As agent for members, the facility shall file with the commissioner all manuals of classification, all manuals of rules and rates, all rating plans, and any modifications of same, proposed for use for ~~private passenger nonfleet~~ automobile insurance placed through the facility. The classifications, rules and rates and any amendments thereto shall be subject to prior written approval by the commissioner. Rates, surcharge points, and increased limits factors filed by the facility shall not be excessive, inadequate, or unfairly discriminatory. No other entity, service or organization shall make filings for the facility or the members to apply to insurance placed through the facility.

Sec. 49. Minnesota Statutes 1994, section 65B.09, subdivision 1, is amended to read:

Subdivision 1. [AGENTS' RESPONSIBILITY.] Every person licensed under ~~chapter 60K~~ sections 60K.02 and 60K.03 who is authorized to solicit, negotiate or effect automobile insurance on behalf of any member shall:

(1) offer to place coverage through the facility for any qualified applicant who is ineligible or unacceptable for coverage in the insurer or insurers for whom the agent is authorized to solicit, negotiate or effect automobile insurance. Provided, that the failure of an agent to make such an offer to a qualified applicant shall not subject the agent to any liability to the applicant;

(2) forward to the facility all applications and any deposit premiums which are required by the plan of operation, rules and procedures of the facility, if the qualified applicant accepts the offer to have coverage placed through the facility;

(3) be entitled to receive compensation for placing insurance through the facility at the uniform rates of compensation as provided in the plan of operation, and all members shall pay such compensation.

Sec. 50. Minnesota Statutes 1994, section 65B.10, subdivision 3, is amended to read:

Subd. 3. [REVIEW OF INSUREDS.] At least annually, every member shall review every private passenger nonfleet applicant which it insures through the facility and determine whether or not such applicant is acceptable for voluntary insurance at a rate lower than the facility rate. If such applicant is acceptable, the member shall make an offer to insure the applicant under voluntary coverage at such lower rate.

Sec. 51. Minnesota Statutes 1994, section 65B.61, subdivision 1, is amended to read:

Subdivision 1. Basic economic loss benefits shall be primary with respect to benefits, except for those paid or payable under a workers' compensation law, which any person receives or is entitled to receive from any other source as a result of injury arising out of the maintenance or use of a motor vehicle. Where workers' compensation benefits paid or payable are primary, the reparation obligor shall make an appropriate rebate or reduction in the premiums of the plan of reparation security. The amount of the rebate or rate reduction shall be not less than the amount of the projected reduction in benefits and claims for which the reparation obligor will be liable on that class of risks. The projected reduction or rebate in benefits and claims shall be based upon sound actuarial principles.

Sec. 52. Minnesota Statutes 1994, section 72A.20, subdivision 13, is amended to read:

Subd. 13. [REFUSAL TO RENEW.] Refusing to renew, declining to offer or write, or charging differential rates for an equivalent amount of homeowner's insurance coverage, as defined by section 65A.27, for property located in a town or statutory or home rule charter city, in which the insurer offers to sell or writes homeowner's insurance, solely because:

(a) of the geographic area in which the property is located;

(b) of the age of the primary structure sought to be insured;

(c) the insured or prospective insured was denied coverage of the property by another insurer, whether by cancellation, nonrenewal or declination to offer coverage, for a reason other than those specified in section 65A.01, subdivision 3a, clauses (a) to (e); or

(d) the property of the insured or prospective insured has been insured under the Minnesota FAIR plan act, shall constitute an unfair method of competition and an unfair and deceptive act or practice.

This subdivision prohibits an insurer from filing or charging different rates for different zip code areas within the same town or statutory or home rule charter city.

This subdivision shall not prohibit the insurer from applying underwriting or rating standards which the insurer applies generally in all other locations in the state and which are not specifically prohibited by clauses (a) to (d). Such underwriting or rating standards shall specifically include but not be limited to standards based upon the proximity of the insured property to an extraordinary hazard or based upon the quality or availability of fire protection services or based upon the density or concentration of the insurer's risks. Clause (b) shall not prohibit the use of rating standards based upon the age of the insured structure's plumbing, electrical, heating or cooling system or other part of the structure, the age of which affects the risk of loss. Any insurer's failure to comply with section 65A.29, subdivisions 2 to 4, either (1) by failing to give an insured or applicant the required notice or statement or (2) by failing to state specifically a bona fide underwriting or other reason for the refusal to write shall create a presumption that the insurer has violated this subdivision.

Sec. 53. Minnesota Statutes 1994, section 72A.20, is amended by adding a subdivision to read:

Subd. 32. [SUITABILITY OF INSURANCE FOR CUSTOMER.] In recommending or issuing life, endowment, individual accident and sickness, long-term care, annuity, life-endowment, or Medicare supplement insurance to a customer, an insurer, either directly or through its agent, must have reasonable grounds for believing that the recommendation is suitable for the customer.

In the case of group insurance marketed on a direct response basis without the use of direct agent contact, this subdivision is satisfied if the insurer has reasonable grounds to believe that the insurance offered is generally suitable for the group to whom the offer is made.

Sec. 54. Minnesota Statutes 1994, section 72B.05, is amended to read:

72B.05 [NONRESIDENTS.]

A nonresident person may become licensed under sections 72B.01 to 72B.14, provided that the person meets all of the requirements of sections 72B.01 to 72B.14, and complies with their provisions, and, on a form prescribed by the commissioner, appoints the commissioner as the attorney upon whom may be served all legal process issued in connection with any action or proceeding brought or pending in this state against or involving the licensee and relating to transactions under the license; the appointment shall be irrevocable and shall continue so long as any such action or proceeding could arise or exist.

~~Duplicate copies~~ Service of process ~~shall be served upon the commissioner, accompanied by payment of the fee specified in section 60A.14, subdivision 1(3)(d). Upon receiving such service, the commissioner shall promptly forward a copy thereof by registered or certified mail, with return receipt requested, to the nonresident licensee at that person's last known address. Process served upon the commissioner in this manner shall for all purposes constitute personal service thereof upon the licensee~~ must be made in compliance with section 45.028, subdivision 2.

Sec. 55. Minnesota Statutes 1994, section 79.251, subdivision 5, is amended to read:

Subd. 5. [ASSESSMENTS.] The commissioner shall assess all insurers licensed pursuant to section 60A.06, subdivision 1, clause (5), paragraph (b) an amount sufficient to fully fund the obligations of the assigned risk plan, if the commissioner determines that the assets of the assigned risk plan are insufficient to meet its obligations. The assessment of each insurer shall be in a proportion equal to the proportion which the amount of compensation insurance written in this state during the preceding calendar year by that insurer bears to the total compensation insurance written in this state during the preceding calendar year by all licensed insurers.

Amounts assessed under this subdivision are considered a liability of the assigned risk plan, to be repaid upon dissolution of the plan.

Sec. 56. Minnesota Statutes 1994, section 79.251, is amended by adding a subdivision to read:

Subd. 8. [DISSOLUTION.] Upon the dissolution of the assigned risk plan, the commissioner shall proceed to wind up the affairs of the plan, settle its accounts, and dispose of its assets. The assets and property of the assigned risk plan must be applied and distributed in the following order of priority:

(1) to the establishment of reserves for claims under policies and contracts of coverage issued by the assigned risk plan before termination;

(2) to the payment of all debts and liabilities of the assigned risk plan, including the repayment of loans and assessments;

(3) to the establishment of reserves considered necessary by the commissioner for contingent liabilities or obligations of the assigned risk plan other than claims arising under policies and contracts of coverage; and

(4) to the state of Minnesota.

If the commissioner determines that the assets of the assigned risk plan are insufficient to meet

its obligations under clauses (1), (2), and (3), excluding the repayment of assessments, the commissioner shall assess all insurers licensed pursuant to section 60A.06, subdivision 1, clause (5), paragraph (b), an amount sufficient to fully fund these obligations.

Sec. 57. Minnesota Statutes 1994, section 79.34, subdivision 2, is amended to read:

Subd. 2. [LOSSES; RETENTION LIMITS.] The reinsurance association shall provide and each member shall accept indemnification for 100 percent of the amount of ultimate loss sustained in each loss occurrence relating to one or more claims arising out of a single compensable event, including aggregate losses related to a single event or occurrence which constitutes a single loss occurrence, under chapter 176 on and after October 1, 1979, in excess of ~~$300,000 or $100,000~~ a low, a high, or a super retention limit, at the option of the member. In case of occupational disease causing disablement on and after October 1, 1979, each person suffering disablement due to occupational disease is considered to be involved in a separate loss occurrence. ~~The lower retention limit shall be increased to the nearest $10,000, on January 1, 1982 and on each January 1 thereafter by the percentage increase in the statewide average weekly wage, as determined in accordance with section 176.011, subdivision 20. On January 1, 1982 and on each January 1 thereafter, the higher retention limit shall be increased by the amount necessary to retain a $200,000 difference between the two retention limits.~~ On January 1, 1995, the lower retention limit is $250,000, which shall also be known as the 1995 base retention limit. On each January 1 thereafter, the cumulative annual percentage changes in the statewide average weekly wage after October 1, 1994, as determined in accordance with section 176.011, subdivision 20, shall first be multiplied by the 1995 base retention limit, the result of which shall then be added to the 1995 base retention limit. The resulting figure shall be rounded to the nearest $10,000, yielding the low retention limit for that year, provided that the low retention limit shall not be reduced in any year. The high retention limit shall be two times the low retention limit and shall be adjusted when the low retention limit is adjusted. The super retention period shall be four times the low retention period and shall be adjusted when the low retention limit is adjusted. Ultimate loss as used in this section means the actual loss amount which a member is obligated to pay and which is paid by the member for workers' compensation benefits payable under chapter 176 and shall not include claim expenses, assessments, damages or penalties. For losses incurred on or after January 1, 1979, any amounts paid by a member pursuant to sections 176.183, 176.221, 176.225, and 176.82 shall not be included in ultimate loss and shall not be indemnified by the reinsurance association. A loss is incurred by the reinsurance association on the date on which the accident or other compensable event giving rise to the loss occurs, and a member is liable for a loss up to its retention limit in effect at the time that the loss was incurred, except that members which are determined by the reinsurance association to be controlled by or under common control with another member, and which are liable for claims from one or more employees entitled to compensation for a single compensable event, including aggregate losses relating to a single loss occurrence, may aggregate their losses and obtain indemnification from the reinsurance association for the aggregate losses in excess of the ~~higher~~ highest retention limit selected by any of the members in effect at the time the loss was incurred. Each member is liable for payment of its ultimate loss and shall be entitled to indemnification from the reinsurance association for the ultimate loss in excess of the member's retention limit in effect at the time of the loss occurrence.

A member that chooses the ~~higher~~ high or super retention limit shall retain the liability for all losses below the ~~higher~~ chosen retention limit itself and shall not transfer the liability to any other entity or reinsure or otherwise contract for reimbursement or indemnification for losses below its retention limit, except in the following cases: (a) when the reinsurance or contract is with another member which, directly or indirectly, through one or more intermediaries, control or are controlled by or are under common control with the member; (b) when the reinsurance or contract provides for reimbursement or indemnification of a member if and only if the total of all claims which the member pays or incurs, but which are not reimbursable or subject to indemnification by the reinsurance association for a given period of time, exceeds a dollar value or percentage of premium written or earned and stated in the reinsurance agreement or contract; (c) when the reinsurance or contract is a pooling arrangement with other insurers where liability of the member to pay claims pursuant to chapter 176 is incidental to participation in the pool and not as a result of providing workers' compensation insurance to employers on a direct basis under chapter 176; (d) when the reinsurance or contract is limited to all the claims of a specific insured of a member which are reimbursed or indemnified by a reinsurer which, directly or indirectly, through one or

more intermediaries, controls or is controlled by or is under common control with the insured of the member so long as any subsequent contract or reinsurance of the reinsurer relating to the claims of the insured of a member is not inconsistent with the bases of exception provided under clauses (a), (b) and (c); or (e) when the reinsurance or contract is limited to all claims of a specific self-insurer member which are reimbursed or indemnified by a reinsurer which, directly or indirectly, through one or more intermediaries, controls or is controlled by or is under common control with the self-insurer member so long as any subsequent contract or reinsurance of the reinsurer relating to the claims of the self-insurer member are not inconsistent with the bases for exception provided under clauses (a), (b) and (c).

Whenever it appears to the commissioner of labor and industry that any member that chooses the ~~higher~~ high or super retention limit has participated in the transfer of liability to any other entity or reinsured or otherwise contracted for reimbursement or indemnification of losses below its retention limit in a manner inconsistent with the bases for exception provided under clauses (a), (b), (c), (d), and (e), the commissioner may, after giving notice and an opportunity to be heard, order the member to pay to the state of Minnesota an amount not to exceed twice the difference between the reinsurance premium for the ~~higher and lower~~ high or super retention limit, as appropriate, and the low retention limit applicable to the member for each year in which the prohibited reinsurance or contract was in effect. Any member subject to this penalty provision shall continue to be bound by its selection of the ~~higher~~ high or super retention limit for purposes of membership in the reinsurance association.

Sec. 58. Minnesota Statutes 1994, section 79.35, is amended to read:

79.35 [DUTIES; RESPONSIBILITIES; POWERS.]

The reinsurance association shall do the following on behalf of its members:

(a) Assume 100 percent of the liability as provided in section 79.34;

(b) Establish procedures by which members shall promptly report to the reinsurance association each claim which, on the basis of the injury sustained, may reasonably be anticipated to involve liability to the reinsurance association if the member is held liable under chapter 176. Solely for the purpose of reporting claims, the member shall in all instances consider itself legally liable for the injury. The member shall advise the reinsurance association of subsequent developments likely to materially affect the interest of the reinsurance association in the claim;

(c) Maintain relevant loss and expense data relative to all liabilities of the reinsurance association and require each member to furnish statistics in connection with liabilities of the reinsurance association at the times and in the form and detail as may be required by the plan of operation;

(d) Calculate and charge to members a total premium sufficient to cover the expected liability which the reinsurance association will incur ~~in excess of the higher retention limit but less than the prefunded limit~~, together with incurred or estimated to be incurred operating and administrative expenses for the period to which this premium applies and actual claim payments to be made by members, during the period to which this premium applies, for claims in excess of the prefunded limit in effect at the time the loss was incurred. Each member shall be charged a premium established by the board as sufficient to cover the reinsurance association's incurred liabilities and expenses between the member's selected retention limit and the prefunded limit. The prefunded limit shall be ~~$2,500,000 on and after October 1, 1979, provided that the prefunded limit shall be increased on January 1, 1983 and on each January 1 thereafter by the percentage increase in the statewide average weekly wage, to the nearest $100,000, as determined in accordance with section 176.011, subdivision~~ 20 times the lower retention limit established in section 79.34, subdivision 2. Each member shall be charged a proportion of the total premium calculated for its selected retention limit in an amount equal to its proportion of the exposure base of all members during the period to which the reinsurance association premium will apply. The exposure base shall be determined by the board and is subject to the approval of the commissioner of labor and industry. In determining the exposure base, the board shall consider, among other things, equity, administrative convenience, records maintained by members, amenability to audit, and degree of risk refinement. ~~Each member exercising the lower retention option shall also be charged a premium established by the board as sufficient to cover incurred or estimated to be incurred claims~~

~~for the liability the reinsurance association is likely to incur between the lower and higher retention limits for the period to which the premium applies.~~ Each member shall also be charged a premium determined by the board to equitably distribute excess or deficient premiums from previous periods including any excess or deficient premiums resulting from a retroactive change in the prefunded limit. The premiums charged to members shall not be unfairly discriminatory as defined in section 79.074. All premiums shall be approved by the commissioner of labor and industry;

(e) Require and accept the payment of premiums from members of the reinsurance association;

(f) Receive and distribute all sums required by the operation of the reinsurance association;

(g) Establish procedures for reviewing claims procedures and practices of members of the reinsurance association. If the claims procedures or practices of a member are considered inadequate to properly service the liabilities of the reinsurance association, the reinsurance association may undertake, or may contract with another person, including another member, to adjust or assist in the adjustment of claims which create a potential liability to the association. The reinsurance association may charge the cost of the adjustment under this paragraph to the member, except that any penalties or interest incurred under sections 176.183, 176.221, 176.225, and 176.82 as a result of actions by the reinsurance association after it has undertaken adjustment of the claim shall not be charged to the member but shall be included in the ultimate loss and listed as a separate item; and

(h) Provide each member of the reinsurance association with an annual report of the operations of the reinsurance association in a form the board of directors may specify.

Sec. 59. Minnesota Statutes 1994, section 79A.01, is amended by adding a subdivision to read:

Subd. 10. [COMMON CLAIMS FUND.] "Common claims fund," with respect to group self-insurers, are the cash, cash equivalents, or investment accounts maintained by the group to pay its workers' compensation liabilities.

Sec. 60. Minnesota Statutes 1994, section 79A.02, subdivision 4, is amended to read:

Subd. 4. [RECOMMENDATIONS TO COMMISSIONER REGARDING REVOCATION.] After each fifth anniversary from the date each individual and group self-insurer becomes certified to self-insure, the committee shall review all relevant financial data filed with the department of commerce that is otherwise available to the public and make a recommendation to the commissioner about whether each self-insurer's certificate should be revoked. For group self-insurers who have been in existence for five years or more and have been granted renewal authority, a level of funding in the common claims fund must be maintained at not less than the greater of either: (1) one year's claim losses paid in the most recent year; or (2) one-third of the security deposit posted with the department of commerce according to section 79A.04, subdivision 2.

Sec. 61. Minnesota Statutes 1994, section 79A.03, is amended by adding a subdivision to read:

Subd. 4a. [EXCEPTIONS.] Notwithstanding the requirements of subdivisions 3 and 4, the commissioner, pursuant to a review of an existing self-insurer's financial data, may continue a self-insurer's authority to self-insure for one year if, in the commissioner's judgment based on all factors relevant to the self-insurer's financial status, the self-insurer will be able to meet its obligations under this chapter for the following year. The relevant factors to be considered must include, but must not be limited to, the liquidity ratios, leverage ratios, and profitability ratios of the self-insurer. Where a self-insurer's authority to self-insure is continued under this subdivision, the self-insurer may be required to post security in the amount equal to two times the amount of security required under section 79A.04, subdivision 2.

Sec. 62. Minnesota Statutes 1994, section 176.181, subdivision 2, is amended to read:

Subd. 2. [COMPULSORY INSURANCE; SELF-INSURERS.] (1) Every employer, except the state and its municipal subdivisions, liable under this chapter to pay compensation shall insure payment of compensation with some insurance carrier authorized to insure workers' compensation liability in this state, or obtain a written order from the commissioner of commerce exempting the

employer from insuring liability for compensation and permitting self-insurance of the liability. The terms, conditions and requirements governing self-insurance shall be established by the commissioner pursuant to chapter 14. The commissioner of commerce shall also adopt, pursuant to clause (2)(c), rules permitting two or more employers, whether or not they are in the same industry, to enter into agreements to pool their liabilities under this chapter for the purpose of qualifying as group self-insurers. With the approval of the commissioner of commerce, any employer may exclude medical, chiropractic and hospital benefits as required by this chapter. An employer conducting distinct operations at different locations may either insure or self-insure the other portion of operations as a distinct and separate risk. An employer desiring to be exempted from insuring liability for compensation shall make application to the commissioner of commerce, showing financial ability to pay the compensation, whereupon by written order the commissioner of commerce, on deeming it proper, may make an exemption. An employer may establish financial ability to pay compensation by providing financial statements of the employer to the commissioner of commerce. Upon ten days' written notice the commissioner of commerce may revoke the order granting an exemption, in which event the employer shall immediately insure the liability. As a condition for the granting of an exemption the commissioner of commerce may require the employer to furnish security the commissioner of commerce considers sufficient to insure payment of all claims under this chapter, consistent with subdivision 2b. If the required security is in the form of currency or negotiable bonds, the commissioner of commerce shall deposit it with the state treasurer. In the event of any default upon the part of a self-insurer to abide by any final order or decision of the commissioner of labor and industry directing and awarding payment of compensation and benefits to any employee or the dependents of any deceased employee, then upon at least ten days notice to the self-insurer, the commissioner of commerce may by written order to the state treasurer require the treasurer to sell the pledged and assigned securities or a part thereof necessary to pay the full amount of any such claim or award with interest thereon. This authority to sell may be exercised from time to time to satisfy any order or award of the commissioner of labor and industry or any judgment obtained thereon. When securities are sold the money obtained shall be deposited in the state treasury to the credit of the commissioner of commerce and awards made against any such self-insurer by the commissioner of commerce shall be paid to the persons entitled thereto by the state treasurer upon warrants prepared by the commissioner of commerce and approved by the commissioner of finance out of the proceeds of the sale of securities. Where the security is in the form of a surety bond or personal guaranty the commissioner of commerce, at any time, upon at least ten days notice and opportunity to be heard, may require the surety to pay the amount of the award, the payments to be enforced in like manner as the award may be enforced.

(2)(a) No association, corporation, partnership, sole proprietorship, trust or other business entity shall provide services in the design, establishment or administration of a group self-insurance plan under rules adopted pursuant to this subdivision unless it is licensed, or exempt from licensure, pursuant to section 60A.23, subdivision 8, to do so by the commissioner of commerce. An applicant for a license shall state in writing the type of activities it seeks authorization to engage in and the type of services it seeks authorization to provide. The license shall be granted only when the commissioner of commerce is satisfied that the entity possesses the necessary organization, background, expertise, and financial integrity to supply the services sought to be offered. The commissioner of commerce may issue a license subject to restrictions or limitations, including restrictions or limitations on the type of services which may be supplied or the activities which may be engaged in. The license is for a two-year period.

(b) To assure that group self-insurance plans are financially solvent, administered in a fair and capable fashion, and able to process claims and pay benefits in a prompt, fair and equitable manner, entities licensed to engage in such business are subject to supervision and examination by the commissioner of commerce.

(c) To carry out the purposes of this subdivision, the commissioner of commerce may promulgate administrative rules, including emergency rules, pursuant to sections 14.001 to 14.69. These rules may:

(i) establish reporting requirements for administrators of group self-insurance plans;

(ii) establish standards and guidelines consistent with subdivision 2b to assure the adequacy of the financing and administration of group self-insurance plans;

(iii) establish bonding requirements or other provisions assuring the financial integrity of entities administering group self-insurance plans;

(iv) establish standards, including but not limited to minimum terms of membership in self-insurance plans, as necessary to provide stability for those plans;

(v) establish standards or guidelines governing the formation, operation, administration, and dissolution of self-insurance plans; and

(vi) establish other reasonable requirements to further the purposes of this subdivision. ~~The rules may not require excessive cash payments to a common claims fund by group self insurers. However, a level of funding in the common claims fund must always be maintained at not less than one year's claim losses paid in the most recent year.~~

Sec. 63. Minnesota Statutes 1994, section 299F.053, subdivision 2, is amended to read:

Subd. 2. [AUTHORIZED PERSON.] "Authorized person" means:

(a) the state fire marshal when authorized or charged with the investigation of fires at the place where the fire actually took place;

(b) superintendent of the bureau of criminal apprehension;

(c) the prosecuting attorney responsible for prosecutions in the county where the fire occurred;

(d) the sheriff or chief of police responsible for investigation in the county where the fire occurred;

(e) the county attorney responsible for the prosecution in the county where the fire occurred;

(f) the Federal Bureau of Investigation or any other federal agency;

(g) the United States attorney's office when authorized or charged with investigation or prosecution of a case involving a fire loss; ~~or~~

(h) the chief administrative officer of the municipal arson squad; or

(i) the commissioner of commerce.

Sec. 64. Minnesota Statutes 1994, section 515A.3-112, is amended to read:

515A.3-112 [INSURANCE.]

(a) Commencing not later than the time of the first conveyance of a unit to a unit owner other than a declarant, the association shall maintain, to the extent reasonably available:

(1) Property insurance on the common elements and units, exclusive of land, excavations, foundations, and other items normally excluded from property policies, insuring against all risks of direct physical loss. The total amount of insurance after application of any deductibles shall be not less than 80 percent of the full insurable replacement cost of the insured property. The association or its authorized agent may enter a unit at reasonable times upon reasonable notice for the purpose of making appraisals for insurance purposes.

(2) Comprehensive general liability insurance, in an amount determined by the board of directors but not less than any amount specified in the declaration, covering all occurrences commonly insured against for death, bodily injury, and property damage arising out of or in connection with the use, ownership, or maintenance of the common elements.

(b) If the insurance described in subsection (a) is not maintained, the association shall immediately cause notice of that fact to be sent postage prepaid by United States mail to all unit owners at their respective units and other addresses provided to the association. The declaration may require the association to carry any other insurance, and the association in any event may carry any other insurance it deems appropriate to protect the association or the unit owners.

(c) Insurance policies carried pursuant to subsection (a) shall provide that:

(1) Each unit owner and holder of a vendor's interest in a contract for deed is an insured person under the policy with respect to liability arising out of ownership of an undivided interest in the common elements;

(2) The insurer waives its right to subrogation under the policy against any unit owner of the condominium or members of the unit owner's household and against the association and members of the board of directors;

(3) No act or omission by any unit owner or holder of an interest as security for an obligation, unless acting within the scope of authority on behalf of the association, shall void the policy or be a condition to recovery under the policy; and

(4) If, at the time of a loss under the policy, there is other insurance in the name of a unit owner covering the same property covered by the policy, the policy is primary insurance not contributing with the other insurance.

(d) Any loss covered by the property policy under subsection (a)(1) shall be adjusted with the association, but the insurance proceeds for that loss shall be payable to any insurance trustee designated for that purpose, or otherwise to the association. The insurance trustee or the association shall hold any insurance proceeds in trust for unit owners and holders of an interest as security for an obligation as their interests may appear. The proceeds shall be disbursed first for the repair or restoration of the damaged common elements and units, and unit owners and holders of an interest as security for an obligation are not entitled to receive payment of any portion of the proceeds unless there is a surplus of proceeds after the common elements and units have been completely repaired or restored, or the condominium is terminated.

(e) An insurance policy issued to the association does not prevent a unit owner from obtaining insurance for personal benefit.

(f) An insurer that has issued an insurance policy under this section shall issue certificates or memoranda of insurance, upon request, to any unit owner, or holder of an interest as security for an obligation. The insurance may not be canceled until ~~30~~ 60 days after notice of the proposed cancellation has been mailed to the association and to each unit owner and holder of an interest as security for an obligation to whom certificates of insurance have been issued.

(g) Any portion of the condominium damaged or destroyed shall be promptly repaired or replaced by the association unless (1) the condominium is terminated and the association votes not to repair or replace all or part thereof, (2) repair or replacement would be illegal under any state or local health or safety statute or ordinance, or (3) 80 percent of the unit owners, including every owner and first mortgagee of a unit or assigned limited common element which will not be rebuilt, vote not to rebuild. The cost of repair or replacement of a unit or the common area in excess of insurance proceeds and reserves shall be a common expense. If less than the entire condominium is repaired or replaced, (1) the insurance proceeds attributable to the damaged common elements shall be used to restore the damaged area to a condition compatible with the remainder of the condominium, (2) the insurance proceeds attributable to units and limited common elements which are not rebuilt shall be distributed to the owners of those units and the holders of an interest as security for an obligation of those units and the owners and holders of an interest as security for an obligation of the units to which those limited common elements were assigned, as their interests may appear, and (3) the remainder of the proceeds shall be distributed to all the unit owners and holders of an interest as security for an obligation as their interests may appear in proportion to their common element interest. In the event the unit owners vote not to rebuild a unit, that unit's entire common element interest, votes in the association, and common expense liability are automatically reallocated upon the vote as if the unit had been condemned under section 515A.1-107(a), and the association shall promptly prepare, execute and record an amendment to the declaration reflecting the reallocations. Notwithstanding the provisions of this subsection, if the condominium is terminated, insurance proceeds not used for repair or replacement shall be distributed in the same manner as sales proceeds pursuant to section 515A.2-120.

(h) The provisions of this section may be varied or waived in the case of a condominium all of the units of which are restricted to nonresidential use.

Sec. 65. Minnesota Statutes 1994, section 515B.3-113, is amended to read:

515B.3-113 [INSURANCE.]

(a) Commencing not later than the time of the first conveyance of a unit to a unit owner other than a declarant, the association shall maintain, to the extent reasonably available:

(1) subject to subsection (b), property insurance (i) on the common elements and, in a planned community, also on property that must become common elements, (ii) for broad form covered causes of loss, and (iii) in a total amount of not less than the full insurable replacement cost of the insured property, less deductibles, at the time the insurance is purchased and at each renewal date, exclusive of items normally excluded from property policies; and

(2) commercial general liability insurance against claims and liabilities arising in connection with the ownership, existence, use or management of the property in an amount, if any, specified by the common interest community instruments or otherwise deemed sufficient in the judgment of the board, insuring the board, the association, the management agent, and their respective employees, agents and all persons acting as agents. The declarant shall be included as an additional insured in its capacity as a unit owner or board member. The unit owners shall be included as additional insureds but only for claims and liabilities arising in connection with the ownership, existence, use or management of the common elements. The insurance shall cover claims of one or more insured parties against other insured parties.

(b) In the case of a common interest community that contains units sharing or having contiguous walls, siding or roofs, the insurance maintained under subsection (a)(1) shall include the units and the common elements. The insurance need not cover improvements and betterments to the units installed by unit owners, but if improvements and betterments are covered, any increased cost may be assessed by the association against the units affected. The association may, in the case of a claim for damage to a unit or units, (i) pay the deductible amount as a common expense, (ii) assess the deductible amount against the units affected in any reasonable manner, or (iii) require the unit owners of the units affected to pay the deductible amount directly.

(c) If the insurance described in subsections (a) and (b) is not reasonably available, the association shall promptly cause notice of that fact to be hand delivered or sent prepaid by United States mail to all unit owners. The declaration may require the association to carry any other insurance, and the association in any event may carry any other insurance it considers appropriate to protect the association, the unit owners or officers, directors or agents of the association.

(d) Insurance policies carried pursuant to subsections (a) and (b) shall provide that:

(1) each unit owner and secured party is an insured person under the policy with respect to liability arising out of the unit owner's interest in the common elements or membership in the association;

(2) the insurer waives its right to subrogation under the policy against any unit owner of the condominium or members of the unit owner's household and against the association and members of the board of directors;

(3) no act or omission by any unit owner or secured party, unless acting within the scope of authority on behalf of the association, shall void the policy or be a condition to recovery under the policy; and

(4) if at the time of a loss under the policy there is other insurance in the name of a unit owner covering the same property covered by the policy, the association's policy is primary insurance.

(e) Any loss covered by the property policy under subsection (a)(1) shall be adjusted by and with the association. The insurance proceeds for that loss shall be payable to the association, or to an insurance trustee designated by the association for that purpose. The insurance trustee or the association shall hold any insurance proceeds in trust for unit owners and secured parties as their interests may appear. The proceeds shall be disbursed first for the repair or restoration of the damaged common elements and units. Unit owners and secured parties are not entitled to receive any portion of the proceeds unless there is a surplus of proceeds after the common elements and units have been completely repaired or restored or the common interest community is terminated.

(f) Unit owners may obtain insurance for personal benefit in addition to insurance carried by the association.

(g) An insurer that has issued an insurance policy under this section shall issue certificates or memoranda of insurance, upon request, to any unit owner or secured party. The insurance may not be canceled until ~~30~~ 60 days after notice of the proposed cancellation has been mailed to the association, each unit owner and each secured party for an obligation to whom certificates of insurance have been issued.

(h) Any portion of the common interest community which is damaged or destroyed as the result of a loss covered by the association's insurance shall be promptly repaired or replaced by the association unless (i) the common interest community is terminated and the association votes not to repair or replace all or part thereof, (ii) repair or replacement would be illegal under any state or local health or safety statute or ordinance, or (iii) 80 percent of the unit owners, including every owner and holder of a first mortgage on a unit or assigned limited common element which will not be rebuilt, vote not to rebuild. The cost of repair or replacement of the common elements in excess of insurance proceeds and reserves shall be paid as a common expense, and the cost of repair of a unit in excess of insurance proceeds shall be paid by the respective unit owner.

(i) If less than the entire common interest community is repaired or replaced, (i) the insurance proceeds attributable to the damaged common elements shall be used to restore the damaged area to a condition compatible with the remainder of the common interest community, (ii) the insurance proceeds attributable to units and limited common elements which are not rebuilt shall be distributed to the owners of those units, including units to which the limited common elements were assigned, and the secured parties of those units, as their interests may appear, and (iii) the remainder of the proceeds shall be distributed to all the unit owners and secured parties as their interests may appear in proportion to their common element interest in the case of a condominium or in proportion to their common expense liability in the case of a planned community or cooperative.

(j) If the unit owners and holders of first mortgages vote not to rebuild a unit, that unit's entire common element interest, votes in the association, and common expense liability are automatically reallocated upon the vote as if the unit had been condemned under section 515B.1-107, and the association shall promptly prepare, execute and record an amendment to the declaration reflecting the reallocations. Notwithstanding the provisions of this subsection, if the common interest community is terminated, insurance proceeds not used for repair or replacement shall be distributed in the same manner as sales proceeds pursuant to section 515B.2-119.

(k) The provisions of this section may be varied or waived in the case of a common interest community in which all units are restricted to nonresidential use.

Sec. 66. [REPORT ON MANDATED INSURANCE DISCLOSURES AND NOTICES.]

The commissioner of commerce shall report to the legislature by February 1, 1996, on the status of insurance disclosures and notices that are required by law to be distributed with insurance applications, marketing materials, or claim forms. The report shall include recommendations on the disclosures or notices that are no longer necessary and a recommendation for consolidation of all legally required disclosures or notices on a single disclosure form.

Sec. 6. Minnesota Statutes 1994, section 518B.01, subdivision 14, is amended to read:

Subd. 14. [VIOLATION OF AN ORDER FOR PROTECTION.] (a) Whenever an order for protection is granted pursuant to this section, and the respondent or person to be restrained knows of the order, violation of the order for protection is a misdemeanor. Upon conviction, the defendant must be sentenced to a minimum of three days imprisonment and must be ordered to participate in counseling or other appropriate programs selected by the court. If the court stays imposition or execution of the jail sentence and the defendant refuses or fails to comply with the court's treatment order, the court must impose and execute the stayed jail sentence. A person is

guilty of a gross misdemeanor who violates this paragraph during the time period between a previous conviction under this paragraph; sections 609.221 to 609.224; 609.2241; 609.713, subdivision 1 or 3; 609.748, subdivision 6; 609.749; or a similar law of another state and the end of the five years following discharge from sentence for that conviction. Upon conviction, the defendant must be sentenced to a minimum of ten days imprisonment and must be ordered to participate in counseling or other appropriate programs selected by the court. Notwithstanding section 609.135, the court must impose and execute the minimum sentence provided in this paragraph for gross misdemeanor convictions.

(b) A peace officer shall arrest without a warrant and take into custody a person whom the peace officer has probable cause to believe has violated an order granted pursuant to this section restraining the person or excluding the person from the residence or the petitioner's place of employment, even if the violation of the order did not take place in the presence of the peace officer, if the existence of the order can be verified by the officer. The person shall be held in custody for at least 36 hours, excluding the day of arrest, Sundays, and holidays, unless the person is released earlier by a judge or judicial officer. A peace officer acting in good faith and exercising due care in making an arrest pursuant to this paragraph is immune from civil liability that might result from the officer's actions.

(c) A violation of an order for protection shall also constitute contempt of court and be subject to the penalties therefor.

(d) If the court finds that the respondent has violated an order for protection and that there is reason to believe that the respondent will commit a further violation of the provisions of the order restraining the respondent from committing acts of domestic abuse or excluding the respondent from the petitioner's residence, the court may require the respondent to acknowledge an obligation to comply with the order on the record. The court may require a bond sufficient to deter the respondent from committing further violations of the order for protection, considering the financial resources of the respondent, and not to exceed $10,000. If the respondent refuses to comply with an order to acknowledge the obligation or post a bond under this paragraph, the court shall commit the respondent to the county jail during the term of the order for protection or until the respondent complies with the order under this paragraph. The warrant must state the cause of commitment, with the sum and time for which any bond is required. If an order is issued under this paragraph, the court may order the costs of the contempt action, or any part of them, to be paid by the respondent. An order under this paragraph is appealable.

(e) Upon the filing of an affidavit by the petitioner, any peace officer, or an interested party designated by the court, alleging that the respondent has violated any order for protection granted pursuant to this section, the court may issue an order to the respondent, requiring the respondent to appear and show cause within 14 days why the respondent should not be found in contempt of court and punished therefor. The hearing may be held by the court in any county in which the petitioner or respondent temporarily or permanently resides at the time of the alleged violation. The court also shall refer the violation of the order for protection to the appropriate prosecuting authority for possible prosecution under paragraph (a).

(f) If it is alleged that the respondent has violated an order for protection issued under subdivision 6 and the court finds that the order has expired between the time of the alleged violation and the court's hearing on the violation, the court may grant a new order for protection under subdivision 6 based solely on the respondent's alleged violation of the prior order, to be effective until the hearing on the alleged violation of the prior order. If the court finds that the respondent has violated the prior order, the relief granted in the new order for protection shall be extended for a fixed period, not to exceed one year.

(g) The admittance into petitioner's dwelling of an abusing party excluded from the dwelling under an order for protection is not a violation by the petitioner of the order for protection.

A peace officer is not liable under section 609.43, clause (1), for a failure to perform a duty required by paragraph (b).

Sec. 7. Minnesota Statutes 1994, section 609.101, subdivision 2, is amended to read:

Subd. 2. [MINIMUM FINES.] Notwithstanding any other law:

(1) when a court sentences a person convicted of violating section 609.221, 609.267, or 609.342, it must impose a fine of not less than $500 nor more than the maximum fine authorized by law;

(2) when a court sentences a person convicted of violating section 609.222, 609.223, 609.2671, 609.343, 609.344, or 609.345, it must impose a fine of not less than $300 nor more than the maximum fine authorized by law; and

(3) when a court sentences a person convicted of violating section 609.2231, 609.224, 609.2241, or 609.2672, it must impose a fine of not less than $100 nor more than the maximum fine authorized by law.

The court shall collect the portion of the fine mandated by this subdivision and forward 70 percent of it to a local victim assistance program that provides services locally in the county in which the crime was committed. The court shall forward the remaining 30 percent to the commissioner of finance to be credited to the general fund. If more than one victim assistance program serves the county in which the crime was committed, the court may designate on a case-by-case basis which program will receive the fine proceeds, giving consideration to the nature of the crime committed, the types of victims served by the program, and the funding needs of the program. If no victim assistance program serves that county, the court shall forward 100 percent of the fine proceeds to the commissioner of finance to be credited to the general fund. Fine proceeds received by a local victim assistance program must be used to provide direct services to crime victims.

The minimum fine required by this subdivision is in addition to the surcharge or assessment required by subdivision 1 and is in addition to any sentence of imprisonment or restitution imposed or ordered by the court.

As used in this subdivision, "victim assistance program" means victim witness programs within county attorney offices or any of the following programs: crime victim crisis centers, victim-witness programs, battered women shelters and nonshelter programs, and sexual assault programs.

Sec. 8. Minnesota Statutes 1994, section 609.131, subdivision 2, is amended to read:

Subd. 2. A violation described in this subdivision must be treated as a misdemeanor unless the defendant consents to the certification of the violation as a petty misdemeanor.

Sec. 9. Minnesota Statutes 1994, section 609.135, subdivision 2, is amended to read:

Subd. 2. (a) If the conviction is for a felony the stay shall be for not more than four years or the maximum period for which the sentence of imprisonment might have been imposed, whichever is longer.

(b) If the conviction is for a gross misdemeanor violation of section 169.121 or 169.129, the stay shall be for not more than four years. The court shall provide for unsupervised probation for the last one year of the stay unless the court finds that the defendant needs supervised probation for all or part of the last one year.

(c) If the conviction is for a gross misdemeanor not specified in paragraph (b), the stay shall be for not more than two years.

(d) If the conviction is for any misdemeanor under section 169.121; 609.746, subdivision 1; 609.79; or 617.23; or for a misdemeanor under section 609.2241 or 609.224, subdivision 1, in which the victim of the crime was a family or household member as defined in section 518B.01, the stay shall be for not more than two years. The court shall provide for unsupervised probation for the second year of the stay unless the court finds that the defendant needs supervised probation for all or part of the second year.

(e) If the conviction is for a misdemeanor not specified in paragraph (d), the stay shall be for not more than one year.

(f) The defendant shall be discharged six months after the term of the stay expires, unless the stay has been revoked or extended under paragraph (g), or the defendant has already been discharged.

(g) Notwithstanding the maximum periods specified for stays of sentences under paragraphs (a) to (f), a court may extend a defendant's term of probation for up to one year if it finds, at a hearing conducted under subdivision 1a, that:

(1) the defendant has not paid court-ordered restitution or a fine in accordance with the payment schedule or structure; and

(2) the defendant is likely to not pay the restitution or fine the defendant owes before the term of probation expires.

This one-year extension of probation for failure to pay restitution or a fine may be extended by the court for up to one additional year if the court finds, at another hearing conducted under subdivision 1a, that the defendant still has not paid the court-ordered restitution or fine that the defendant owes.

Sec. 10. Minnesota Statutes 1994, section 609.135, subdivision 5a, is amended to read:

Subd. 5a. [DOMESTIC ABUSE VICTIMS; ELECTRONIC MONITORING.] (a) Until the commissioner of corrections has adopted standards governing electronic monitoring devices used to protect victims of domestic abuse, the court, as a condition of a stay of imposition or execution of a sentence, may not order an offender convicted of a crime described in paragraph (b) to use an electronic monitoring device to protect a victim's safety.

(b) This subdivision applies to the following crimes, if committed by the defendant against a family or household member as defined in section 518B.01, subdivision 2:

(1) violations of orders for protection issued under chapter 518B;

(2) assault in the first, second, third, or fifth degree under section 609.221, 609.222, 609.223, or 609.224; or domestic assault under section 609.2241;

(9) terroristic threats under section 609.713.

(c) Notwithstanding paragraph (a), the judges in the tenth judicial district may order, as a condition of a stay of imposition or execution of a sentence, a defendant convicted of a crime described in paragraph (b), to use an electronic monitoring device to protect the victim's safety. The judges shall make data on the use of electronic monitoring devices to protect a victim's safety in the tenth judicial district available to the commissioner of corrections to evaluate and to aid in development of standards for the use of devices to protect victims of domestic abuse.

Sec. 11. Minnesota Statutes 1994, section 609.1352, subdivision 3, is amended to read:

Subd. 3. [DANGER TO PUBLIC SAFETY.] The court shall base its finding that the offender is a danger to public safety on either of the following factors:

(1) the crime involved an aggravating factor that would justify a durational departure from the presumptive sentence under the sentencing guidelines; or

(2) the offender previously committed or attempted to commit a predatory crime or a violation of section 609.224 or 609.2241, including an offense committed as a juvenile that would have been a predatory crime or a violation of section 609.224 or 609.2241 if committed by an adult.

CHILD ABUSE VICTIM VIDEOTAPES

Section 1. Minnesota Statutes 1994, section 13.03, subdivision 6, is amended to read:

Subd. 6. [DISCOVERABILITY OF NOT PUBLIC DATA.] If a state agency, political subdivision, or statewide system opposes discovery of government data or release of data pursuant to court order on the grounds that the data are classified as not public, the party that seeks access to the data may bring before the appropriate presiding judicial officer, arbitrator, or administrative law judge an action to compel discovery or an action in the nature of an action to compel discovery.

The presiding officer shall first decide whether the data are discoverable or releasable pursuant to the rules of evidence and of criminal, civil, or administrative procedure appropriate to the action.

If the data are discoverable the presiding officer shall decide whether the benefit to the party seeking access to the data outweighs any harm to the confidentiality interests of the agency maintaining the data, or of any person who has provided the data or who is the subject of the data, or to the privacy interest of an individual identified in the data. In making the decision, the presiding officer shall consider whether notice to the subject of the data is warranted and, if warranted, what type of notice must be given. The presiding officer may fashion and issue any

protective orders necessary to assure proper handling of the data by the parties. If the data are a videotape of a child victim or alleged victim alleging, explaining, denying, or describing an act of physical or sexual abuse, the presiding officer shall consider the provisions of section 611A.90, subdivision 2, paragraph (b).

Sec. 2. [13.391] [VIDEOTAPES OF CHILD ABUSE VICTIMS.]

(a) Notwithstanding section 13.04, subdivision 3, an individual subject of data may not obtain a copy of a videotape in which a child victim or alleged victim is alleging, explaining, denying, or describing an act of physical or sexual abuse without a court order under section 13.03, subdivision 6, or 611A.90. The definitions of physical abuse and sexual abuse in section 626.556, subdivision 2, apply to this section, except that abuse is not limited to acts by a person responsible for the child's care or in a significant relationship with the child or position of authority.

(b) This section does not limit other rights of access to data by an individual under section 13.04, subdivision 3, other than the right to obtain a copy of the videotape, nor limit rights of access pursuant to discovery in a court proceeding.

Sec. 3. Minnesota Statutes 1994, section 13.82, subdivision 6, is amended to read:

Subd. 6. [ACCESS TO DATA FOR CRIME VICTIMS.] On receipt of a written request, the prosecuting authority shall release investigative data collected by a law enforcement agency to the victim of a criminal act or alleged criminal act or to the victim's legal representative unless the release to the individual subject of the data would be prohibited under section 13.391 or the prosecuting authority reasonably believes:

(a) that the release of that data will interfere with the investigation; or

(b) that the request is prompted by a desire on the part of the requester to engage in unlawful activities.

Sec. 4. Minnesota Statutes 1994, section 13.99, is amended by adding a subdivision to read:

Subd. 110. [CHILD ABUSE VIDEO TAPES.] Access to child abuse video tapes prepared as part of an investigation or evaluation is governed by sections 13.391 and 611A.90.

Sec. 5. Minnesota Statutes 1994, section 144.335, subdivision 2, is amended to read:

Subd. 2. [PATIENT ACCESS.] (a) Upon request, a provider shall supply to a patient complete and current information possessed by that provider concerning any diagnosis, treatment and prognosis of the patient in terms and language the patient can reasonably be expected to understand.

(b) Except as provided in paragraph (e), upon a patient's written request, a provider, at a reasonable cost to the patient, shall promptly furnish to the patient (1) copies of the patient's health record, including but not limited to laboratory reports, X-rays, prescriptions, and other technical information used in assessing the patient's health condition, or (2) the pertinent portion of the record relating to a condition specified by the patient. With the consent of the patient, the provider may instead furnish only a summary of the record. The provider may exclude from the health record written speculations about the patient's health condition, except that all information necessary for the patient's informed consent must be provided.

(c) If a provider, as defined in subdivision 1, clause (b)(1), reasonably determines that the information is detrimental to the physical or mental health of the patient, or is likely to cause the patient to inflict self harm, or to harm another, the provider may withhold the information from the patient and may supply the information to an appropriate third party or to another provider, as defined in subdivision 1, clause (b)(1). The other provider or third party may release the information to the patient.

(d) A provider as defined in subdivision 1, clause (b)(3), shall release information upon written request unless, prior to the request, a provider as defined in subdivision 1, clause (b)(1), has designated and described a specific basis for withholding the information as authorized by paragraph (c).

(e) A provider may not release a copy of a videotape of a child victim or alleged victim of physical or sexual abuse without a court order under section 13.03, subdivision 6, or as provided in section 611A.90. This paragraph does not limit the right of a patient to view the videotape.

Sec. 6. [611A.90] [RELEASE OF VIDEOTAPES OF CHILD ABUSE VICTIMS.]

Subdivision 1. [DEFINITION.] For purposes of this section, "physical abuse" and "sexual abuse" have the meanings given in section 626.556, subdivision 2, except that abuse is not limited to acts by a person responsible for the child's care or in a significant relationship with the child or position of authority.

Subd. 2. [COURT ORDER REQUIRED.] (a) A custodian of a videotape of a child victim or alleged victim alleging, explaining, denying, or describing an act of physical or sexual abuse as part of an investigation or evaluation of the abuse may not release a copy of the videotape without a court order, notwithstanding that the subject has consented to the release of the videotape or that the release is authorized under law.

(b) The court order may govern the purposes for which the videotape may be used, reproduction, release to other persons, retention and return of copies, and other requirements reasonably necessary for protection of the privacy and best interests of the child.

Subd. 3. [PETITION.] An individual subject of data, as defined in section 13.02, or a patient, as defined in section 144.335, who is seeking a copy of a videotape governed by this section may petition the district court in the county where the alleged abuse took place or where the custodian of the videotape resides for an order releasing a copy of the videotape under subdivision 2. Nothing in this section establishes a right to obtain access to a videotape by any other person nor limits a right of a person to obtain access if access is otherwise authorized by law or pursuant to discovery in a court proceeding.

Sec. 17. Minnesota Statutes 1994, section 16A.672, is amended by adding a subdivision to read:

Subd. 13. [CONTINUING DISCLOSURE AGREEMENTS.] The commissioner and any other officer of a state department or state agency charged with the responsibility of issuing bonds for or on behalf of the state department or agency, may enter into written agreements or contracts relating to the continuing disclosure of information necessary to comply with, or facilitate the issuance of bonds in accordance with, federal securities laws, rules, and regulations, including securities and exchange commission rules and regulations, section 240.15c2-12. An agreement may be in the form of covenants with purchasers and holders of bonds set forth in the order or resolution authorizing the issuance of the bonds, or a separate document authorized by the order or resolution.

Sec. 18. Minnesota Statutes 1994, section 16A.695, subdivision 1, is amended to read:

Subdivision 1. [DEFINITIONS.] (a) The definitions in this subdivision apply to this section.

(b) "State bond financed property" means property acquired or bettered in whole or in part with the proceeds of state general obligation bonds authorized to be issued under article XI, section 5, clause (a), of the Minnesota Constitution.

(c) "Public officer or agency" means a state officer or agency, the University of Minnesota, the Minnesota historical society, and any county, home rule charter or statutory city, school district, special purpose district, or other public entity, or any officer or employee thereof.

(d) "Fair market value" means, with respect to the sale of state bond financed property, the price that would be paid by a willing and qualified buyer to a willing and qualified seller as determined by an appraisal of the property, or the price bid by a purchaser under a public bid procedure after reasonable public notice.

(e) "Outstanding state bonds" means the dollar amount certified by the commissioner, upon the

request of a public officer or agency, to be the principal amount of state bonds, including any refunding bonds, issued with respect to the state bond financed property, less the principal amount of state bonds paid or defeased before the date of the request.

Sec. 19. Minnesota Statutes 1994, section 16A.695, subdivision 2, is amended to read:

Subd. 2. [LEASES AND MANAGEMENT CONTRACTS.] (a) A public officer or agency that is authorized by law to lease or enter into a management contract with respect to state bond financed property shall comply with this subdivision.

(b) The lease or management contract may be entered into for the express purpose of carrying out a governmental program established or authorized by law and established by official action of the contracting public officer or agency, in accordance with orders of the commissioner intended to ensure the legality and tax-exempt status of bonds issued to finance the property, and with the approval of the commissioner. A lease or management contract, including any renewals that are solely at the option of the lessee, must be for a term substantially less than the useful life of the property, but may allow renewal beyond that term upon a determination by the lessor that the use continues to carry out the governmental program. A lease or management contract must be terminable by the contracting public officer or agency if the other contracting party defaults under the contract or if the governmental program is terminated or changed, and must provide for program oversight by the contracting public officer or agency. Money received by the public officer or agency under the lease or management contract that is not needed to pay and not authorized to be used to pay operating costs of the property, or to pay the principal, interest, redemption premiums, and other expenses when due on debt related to the property other than state bonds, must be:

(1) paid to the commissioner in the same proportion as the state bond financing is to the total public debt financing for the property, excluding debt issued by a unit of government for which it has no financial liability;

(2) deposited in the state bond fund~~,~~; and

(3) used to pay or redeem or defease bonds issued to finance the property in accordance with the commissioner's order authorizing their issuance~~;~~.

The money paid to the commissioner is appropriated for this purpose.

(c) With the approval of the commissioner, a lease or management contract between a city and a nonprofit corporation under section 471.191, subdivision 1, need not require the lessee to pay rentals sufficient to pay the principal, interest, redemption premiums, and other expenses when due with respect to state bonds issued to acquire and better the facilities.

Sec. 20. Minnesota Statutes 1994, section 16A.695, subdivision 3, is amended to read:

Subd. 3. [SALE OF PROPERTY.] A public officer or agency shall not sell any state bond financed property unless the public officer or agency determines by official action that the property is no longer usable or needed by the public officer or agency to carry out the governmental program for which it was acquired or constructed, the sale is made as authorized by law, the sale is made for fair market value, and the sale is approved by the commissioner. If any state bonds issued to purchase or better the state bond financed property that is sold remain outstanding on the date of sale, the net proceeds of sale must be applied as follows:

(1) if the state bond financed property was acquired and bettered solely with state bond proceeds, the net proceeds of sale must be paid to the commissioner, deposited in the state bond fund, and used to pay or redeem or defease the outstanding state bonds in accordance with the commissioner's order authorizing their issuance, and the proceeds are appropriated for this purpose; or

(2) if the state bond financed property was acquired or bettered partly with state bond proceeds and partly with other money, the net proceeds of sale must ~~first~~ be used: first, to pay ~~or redeem or defease the state bonds as provided in clause (1), and~~ to the state the amount of state bond proceeds used to acquire or better the property; second, to pay in full any outstanding public or private debt incurred to acquire or better the property; and third, any excess over the amount

needed for ~~that purpose~~ those purposes must be divided in proportion to the shares contributed to ~~its~~ the acquisition or betterment of the property and paid to the interested public and private entities, other than any private lender already paid in full, and the proceeds are appropriated for this purpose.

When all of the net proceeds of sale have been applied as provided in this subdivision, this section no longer applies to the property.

Sec. 21. Minnesota Statutes 1994, section 16A.695, is amended by adding a subdivision to read:

Subd. 3a. [INVOLUNTARY SALE OF PROPERTY.] Notwithstanding subdivision 3, this subdivision applies to the sale of state bond financed property by a lender that has provided money to acquire or better the property. Purchase by the lender in a foreclosure sale, acceptance of a deed in lieu of foreclosure, or enforcement of a security interest in personal property, by the lender, is not a sale. Following purchase by the lender, the lender shall not operate the property in a manner inconsistent with the governmental program established as provided in subdivision 2, paragraph (b). The lender shall exercise its best efforts to sell the property to a third party as soon as feasible following acquisition of marketable title to the property by the lender. A sale by the lender must be made as authorized by law and must be made for fair market value.

Sec. 22. Minnesota Statutes 1994, section 124.431, subdivision 2, is amended to read:

Subd. 2. [DISTRICT REQUEST FOR REVIEW AND COMMENT.] A school district or a joint powers district that intends to apply for a capital loan must submit a proposal to the commissioner for review and comment according to section 121.15 on or before July 1 of an odd-numbered year. The commissioner must prepare a review and comment on the proposed facility, regardless of the amount of the capital expenditure required to construct the facility. In addition to the information provided under section 121.15, subdivision 7, the commissioner shall consider the following criteria in determining whether to make a positive review and comment.

(a) To grant a positive review and comment the commissioner must determine that all of the following conditions are met:

(1) the facilities are needed for pupils for whom no adequate facilities exist or will exist;

(2) the district will serve, on average, at least 80 pupils per grade or is eligible for sparsity revenue;

(3) no form of cooperation with another district would provide the necessary facilities;

(4) the facilities are comparable in size and quality to facilities recently constructed in other districts that have similar enrollments;

(5) the facilities are comparable in size and quality to facilities recently constructed in other districts that are financed without a capital loan;

(6) the district is projected to maintain or increase its average daily membership over the next five years or is eligible for sparsity revenue;

(7) the current facility poses a threat to the life, health, and safety of pupils, and cannot reasonably be brought into compliance with fire, health, or life safety codes;

(8) the district has made a good faith effort, as evidenced by its maintenance expenditures, to adequately maintain the existing facility during the previous ten years and to comply with fire, health, and life safety codes and state and federal requirements for handicapped accessibility;

(9) the district has made a good faith effort to encourage integration of social service programs within the new facility; and

(10) evaluations by school boards of adjacent districts have been received.

(b) The commissioner may grant a negative review and comment if:

(1) the state demographer has examined the population of the communities to be served by the facility and determined that the communities have not grown during the previous five years;

(2) the state demographer determines that the economic and population bases of the communities to be served by the facility are not likely to grow or to remain at a level sufficient, during the next ten years, to ensure use of the entire facility;

(3) the need for facilities could be met within the district or adjacent districts at a comparable cost by leasing, repairing, remodeling, or sharing existing facilities or by using temporary facilities;

(4) the district plans do not include cooperation and collaboration with health and human services agencies and other political subdivisions; or

(5) if the application is for new construction, an existing facility that would meet the district's needs could be purchased at a comparable cost from any other source within the area.

Sec. 23. Minnesota Statutes 1994, section 124.431, subdivision 5, is amended to read:

Subd. 5. [DISTRICT APPLICATION FOR CAPITAL LOAN.] The school board of a district desiring a capital loan shall adopt a resolution stating the amount proposed to be borrowed, the purpose for which the debt is to be incurred, and an estimate of the dates when the facilities for which the loan is requested will be contracted for and completed. Applications for loans must be accompanied by a copy of the adopted board resolution and copies of the adjacent district evaluations. The evaluation shall be retained by the commissioner as part of a permanent record of the district submitting the evaluation.

Applications must be in the form and accompanied by the additional data required by the commissioner. Applications must be received by the commissioner by ~~November~~ September 1 of an odd-numbered year. A district must resubmit an application each odd-numbered year. Capital loan applications that do not receive voter approval or are not approved in law cancel July 1 of the year following application. When an application is received, the commissioner shall obtain from the commissioner of revenue the information in the revenue department's official records that is required to be used in computing the debt limit of the district under section 475.53, subdivision 4.

Sec. 24. Minnesota Statutes 1994, section 124.431, subdivision 6, is amended to read:

Subd. 6. [STATE BOARD REVIEW; DISTRICT PROPOSALS.] By ~~January~~ November 1 of each odd-numbered year, the state board must review all applications for capital loans that have received a positive review and comment. When reviewing applications, the state board shall consider whether the criteria in subdivision 2 have been met. The state board may not approve an application if all of the required deadlines have not been met. The state board may either approve or reject an application for a capital loan.

Sec. 25. Minnesota Statutes 1994, section 124.431, subdivision 7, is amended to read:

Subd. 7. [RECOMMENDATIONS OF THE COMMISSIONER.] The commissioner shall examine and consider applications for capital loans that have been approved by the state board of education, and promptly notify any district rejected by the state board of the state board's decision.

The commissioner must not report a capital loan that has not received voter approval. Sec. 26. Minnesota Statutes 1994, section 124.431, subdivision 10, is amended to read:

Subd. 10. [DISTRICT REFERENDUM.] After receipt of the review and comment on the project and before ~~February~~ January 1 of the even-numbered year, the question authorizing the borrowing of money for the facilities must be submitted by the school board to the voters of the district at a regular or special election. The question submitted must state the total amount to be borrowed from all sources. Approval of a majority of those voting on the question is sufficient to

authorize the issuance of the obligations on public sale in accordance with chapter 475. The face of the ballot must include the following statement: "APPROVAL OF THIS QUESTION DOES NOT GUARANTEE THAT THE SCHOOL DISTRICT WILL RECEIVE A CAPITAL LOAN FROM THE STATE. THE LOAN MUST BE APPROVED BY THE STATE LEGISLATURE AND IS DEPENDENT ON AVAILABLE FUNDING." The district shall mail to the commissioner of education a certificate by the clerk showing the vote at the election.

(11) the joint powers board established under clause (2) discusses with technical colleges located in the area how vocational education space in the cooperative secondary facility could be jointly used for secondary and post-secondary purposes.

(b) To the extent possible, the joint powers board is encouraged to provide for severance pay or for early retirement incentives under section 125.611, for any teacher or administrator, as defined under section 125.12, subdivision 1, who is placed on unrequested leave as a result of the cooperative secondary facility agreement.

EXECUTIVE AND OFFICIAL COMMUNICATIONS

The following communication was received.

May 22, 1995

The Honorable Allan H. Spear
President of the Senate

Dear President Spear:

I have vetoed and I am returning Chapter 196, Senate File 537/House File 797, a bill requiring refund of certain license fees.

Under the provisions of this bill, the Department of Public Safety would have to refund any driver's license, instruction permit, duplicate license or state identification card not received within six weeks of application. A separate section adds a requirement that all contracts be reviewed for consistency with the authorizing law.

This bill is a knee-jerk, quick-fix reaction to the contract problems the Driver and Vehicle Services Division (DVS) experienced last summer in converting from the old manner of distributing licenses to a computer-based imaging system. It would be easy to assert that the department made a mistake and should therefore pay. But that would be fallacious.

The basic assumption that the Department of Public Safety receives all of the $18.50 cost of a driver's license - and thus should refund that money - is simply wrong. First of all, $3.50 off the top goes to Deputy Registrars across the state. The department receives 79 percent of the remaining $15, the remainder goes to to the Trunk Highway Fund. Out of $18.50, DPS receives $11.85. That money then goes to driver license issuance and funds various other vehicle services like driver training, evaluation and examinations, accident records, traffic and no-fault conviction entry.

This is the same as cutting the legislature's overall budget because one subcommittee made a process error. It is unreasonable and unacceptable to put the State at such a large financial risk. It would also harm too many good programs.

The causes for the delays need to be correctly brought to attention. Briefly, the unfortunate delays were caused by the combination of two events. One, the legislature mandated that there be a new system in place seven months after the bill was enacted. Two, a restraining order halted the project and prevented a gradual phase-in of the new system. Because it is long-standing administrative practice to make sure agencies comply with legislative intent, DVS was forced to go on-line with a system that had not been tested to meet the legislature's timeline. Without adequate time to test the system, undue strain was placed on the system and resulted in the delays.

This bill would not have prevented the delays. So the purported design of the legislation, making the department accountable, is not accomplished. Instead, had the bill been in place, roughly 878,000 refunds would have been made. It would have cost the department - and therefore the taxpayers - over $16 million. From where would that money come? The legislation is silent on any remedy. Would the legislature propose raising the fees by $5 or $10 to fill the hole? I do not feel the taxpayers would feel better if, because the $18.50 was refunded this year, it went up to $23 or $28 next year.

The provision relating to contract review is also unacceptable because, as stated above, it is current policy. It is superfluous language that just increases the size of our statutes. The delay in issuing licenses was regrettable. The department has done a good job in fixing the delays and ensuring that there were no additional cost to the State.

Warmest regards,
Arne H. Carlson, Governor

Ms. Reichgott Junge moved that S.F. No. 537 and the veto message thereon be laid on the table. The motion prevailed.

RECESS

Mr. Moe, R.D. moved that the Senate do now recess subject to the call of the President. The motion prevailed.

"Sec. 2. [CORRECTION 1.] Minnesota Statutes 1994, section 144A.071, subdivision 4a, as amended by 1995 S.F. No. 1110, article 7, section 11, if enacted, is amended to read:

Sec. 11. Minnesota Statutes 1994, section 144A.071, subdivision 4a, is amended to read:

Subd. 4a. [EXCEPTIONS FOR REPLACEMENT BEDS.] It is in the best interest of the state to ensure that nursing homes and boarding care homes continue to meet the physical plant licensing and certification requirements by permitting certain construction projects. Facilities should be maintained in condition to satisfy the physical and emotional needs of residents while allowing the state to maintain control over nursing home expenditure growth.

The commissioner of health in coordination with the commissioner of human services, may approve the renovation, replacement, upgrading, or relocation of a nursing home or boarding care home, under the following conditions:

(a) to license or certify beds in a new facility constructed to replace a facility or to make repairs in an existing facility that was destroyed or damaged after June 30, 1987, by fire, lightning, or other hazard provided:

(i) destruction was not caused by the intentional act of or at the direction of a controlling person of the facility;

(ii) at the time the facility was destroyed or damaged the controlling persons of the facility maintained insurance coverage for the type of hazard that occurred in an amount that a reasonable person would conclude was adequate;

(iii) the net proceeds from an insurance settlement for the damages caused by the hazard are applied to the cost of the new facility or repairs;

(iv) the new facility is constructed on the same site as the destroyed facility or on another site subject to the restrictions in section 144A.073, subdivision 5;

(v) the number of licensed and certified beds in the new facility does not exceed the number of licensed and certified beds in the destroyed facility; and

(vi) the commissioner determines that the replacement beds are needed to prevent an inadequate supply of beds.

Project construction costs incurred for repairs authorized under this clause shall not be considered in the dollar threshold amount defined in subdivision 2;

(b) to license or certify beds that are moved from one location to another within a nursing home facility, provided the total costs of remodeling performed in conjunction with the relocation of beds does not exceed 25 percent of the appraised value of the facility or $500,000, whichever is less;

(c) to license or certify beds in a project recommended for approval under section 144A.073;

(d) to license or certify beds that are moved from an existing state nursing home to a different state facility, provided there is no net increase in the number of state nursing home beds;

(e) to certify and license as nursing home beds boarding care beds in a certified boarding care facility if the beds meet the standards for nursing home licensure, or in a facility that was granted an exception to the moratorium under section 144A.073, and if the cost of any remodeling of the facility does not exceed 25 percent of the appraised value of the facility or $500,000, whichever is less. If boarding care beds are licensed as nursing home beds, the number of boarding care beds in the facility must not increase beyond the number remaining at the time of the upgrade in licensure. The provisions contained in section 144A.073 regarding the upgrading of the facilities do not apply to facilities that satisfy these requirements;

(f) to license and certify up to 40 beds transferred from an existing facility owned and operated by the Amherst H. Wilder Foundation in the city of St. Paul to a new unit at the same location as the existing facility that will serve persons with Alzheimer's disease and other related disorders. The transfer of beds may occur gradually or in stages, provided the total number of beds transferred does not exceed 40. At the time of licensure and certification of a bed or beds in the new unit, the commissioner of health shall delicense and decertify the same number of beds in the existing facility. As a condition of receiving a license or certification under this clause, the facility must make a written commitment to the commissioner of human services that it will not seek to receive an increase in its property-related payment rate as a result of the transfers allowed under this paragraph;

(g) to license and certify nursing home beds to replace currently licensed and certified boarding care beds which may be located either in a remodeled or renovated boarding care or nursing home facility or in a remodeled, renovated, newly constructed, or replacement nursing home facility within the identifiable complex of health care facilities in which the currently licensed boarding care beds are presently located, provided that the number of boarding care beds in the facility or complex are decreased by the number to be licensed as nursing home beds and further provided that, if the total costs of new construction, replacement, remodeling, or renovation exceed ten percent of the appraised value of the facility or $200,000, whichever is less, the facility makes a written commitment to the commissioner of human services that it will not seek to receive an increase in its property-related payment rate by reason of the new construction, replacement, remodeling, or renovation. The provisions contained in section 144A.073 regarding the upgrading of facilities do not apply to facilities that satisfy these requirements;

(h) to license as a nursing home and certify as a nursing facility a facility that is licensed as a boarding care facility but not certified under the medical assistance program, but only if the commissioner of human services certifies to the commissioner of health that licensing the facility as a nursing home and certifying the facility as a nursing facility will result in a net annual savings to the state general fund of $200,000 or more;

(i) to certify, after September 30, 1992, and prior to July 1, 1993, existing nursing home beds in a facility that was licensed and in operation prior to January 1, 1992;

(j) to license and certify new nursing home beds to replace beds in a facility condemned as part of an economic redevelopment plan in a city of the first class, provided the new facility is located within one mile of the site of the old facility. Operating and property costs for the new facility must be determined and allowed under existing reimbursement rules;

(k) to license and certify up to 20 new nursing home beds in a community-operated hospital and attached convalescent and nursing care facility with 40 beds on April 21, 1991, that suspended operation of the hospital in April 1986. The commissioner of human services shall provide the facility with the same per diem property-related payment rate for each additional licensed and certified bed as it will receive for its existing 40 beds;

(l) to license or certify beds in renovation, replacement, or upgrading projects as defined in section 144A.073, subdivision 1, so long as the cumulative total costs of the facility's remodeling projects do not exceed 25 percent of the appraised value of the facility or $500,000, whichever is less;

(m) to license and certify beds that are moved from one location to another for the purposes of converting up to five four-bed wards to single or double occupancy rooms in a nursing home that, as of January 1, 1993, was county-owned and had a licensed capacity of 115 beds;

(n) to allow a facility that on April 16, 1993, was a 106-bed licensed and certified nursing facility located in Minneapolis to layaway all of its licensed and certified nursing home beds. These beds may be relicensed and recertified in a newly-constructed teaching nursing home facility affiliated with a teaching hospital upon approval by the legislature. The proposal must be developed in consultation with the interagency committee on long-term care planning. The beds on layaway status shall have the same status as voluntarily delicensed and decertified beds, except that beds on layaway status remain subject to the surcharge in section 256.9657. This layaway provision expires July 1, 1997;

(o) to allow a project which will be completed in conjunction with an approved moratorium exception project for a nursing home in southern Cass county and which is directly related to that portion of the facility that must be repaired, renovated, or replaced, to correct an emergency plumbing problem for which a state correction order has been issued and which must be corrected by August 31, 1993;

(p) to allow a facility that on April 16, 1993, was a 368-bed licensed and certified nursing facility located in Minneapolis to layaway, upon 30 days prior written notice to the commissioner, up to 30 of the facility's licensed and certified beds by converting three-bed wards to single or double occupancy. Beds on layaway status shall have the same status as voluntarily delicensed and decertified beds except that beds on layaway status remain subject to the surcharge in section 256.9657, remain subject to the license application and renewal fees under section 144A.07 and shall be subject to a $100 per bed reactivation fee. In addition, at any time within three years of the effective date of the layaway, the beds on layaway status may be:

(1) relicensed and recertified upon relocation and reactivation of some or all of the beds to an existing licensed and certified facility or facilities located in Pine River, Brainerd, or International Falls; provided that the total project construction costs related to the relocation of beds from layaway status for any facility receiving relocated beds may not exceed the dollar threshold provided in subdivision 2 unless the construction project has been approved through the moratorium exception process under section 144A.073;

(2) relicensed and recertified, upon reactivation of some or all of the beds within the facility which placed the beds in layaway status, if the commissioner has determined a need for the reactivation of the beds on layaway status.

The property-related payment rate of a facility placing beds on layaway status must be adjusted by the incremental change in its rental per diem after recalculating the rental per diem as provided in section 256B.431, subdivision 3a, paragraph (d). The property-related payment rate for a facility relicensing and recertifying beds from layaway status must be adjusted by the incremental change in its rental per diem after recalculating its rental per diem using the number of beds after the relicensing to establish the facility's capacity day divisor, which shall be effective the first day of the month following the month in which the relicensing and recertification became effective. Any beds remaining on layaway status more than three years after the date the layaway status became effective must be removed from layaway status and immediately delicensed and decertified;

(q) to license and certify beds in a renovation and remodeling project to convert 13 three-bed

wards into 13 two-bed rooms and 13 single-bed rooms, expand space, and add improvements in a nursing home that, as of January 1, 1994, met the following conditions: the nursing home was located in Ramsey county; was not owned by a hospital corporation; had a licensed capacity of 64 beds; and had been ranked among the top 15 applicants by the 1993 moratorium exceptions advisory review panel. The total project construction cost estimate for this project must not exceed the cost estimate submitted in connection with the 1993 moratorium exception process;

(r) to license and certify beds in a renovation and remodeling project to convert 12 four-bed wards into 24 two-bed rooms, expand space, and add improvements in a nursing home that, as of January 1, 1994, met the following conditions: the nursing home was located in Ramsey county; had a licensed capacity of 154 beds; and had been ranked among the top 15 applicants by the 1993 moratorium exceptions advisory review panel. The total project construction cost estimate for this project must not exceed the cost estimate submitted in connection with the 1993 moratorium exception process;

(s) to license and certify up to 117 beds that are relocated from a licensed and certified 138-bed nursing facility located in St. Paul to a hospital with 130 licensed hospital beds located in South St. Paul, provided that the nursing facility and hospital are owned by the same or a related organization and that prior to the date the relocation is completed the hospital ceases operation of its inpatient hospital services at that hospital. After relocation, the nursing facility's status under section 256B.431, subdivision ~~2~~ 2j, shall be the same as it was prior to relocation. The nursing facility's property-related payment rate resulting from the project authorized in this paragraph shall become effective no earlier than April 1, 1996. For purposes of calculating the incremental change in the facility's rental per diem resulting from this project, the allowable appraised value of the nursing facility portion of the existing health care facility physical plant prior to the renovation and relocation may not exceed $2,490,000;

(t) to license and certify two beds in a facility to replace beds that were voluntarily delicensed and decertified on June 28, 1991;

(u) to allow 16 licensed and certified beds located on July 1, 1994, in a 142-bed nursing home and 21-bed boarding care home facility in Minneapolis, notwithstanding the licensure and certification after July 1, 1995, of the Minneapolis facility as a 147-bed nursing home facility after completion of a construction project approved in 1993 under section 144A.073, to be laid away upon 30 days' prior written notice to the commissioner. Beds on layaway status shall have the same status as voluntarily delicensed or decertified beds except that they shall remain subject to the surcharge in section 256.9657. The 16 beds on layaway status may be relicensed as nursing home beds and recertified at any time within five years of the effective date of the layaway upon relocation of some or all of the beds to a licensed and certified facility located in Watertown, provided that the total project construction costs related to the relocation of beds from layaway status for the Watertown facility may not exceed the dollar threshold provided in subdivision 2 unless the construction project has been approved through the moratorium exception process under section 144A.073.

The property-related payment rate of the facility placing beds on layaway status must be adjusted by the incremental change in its rental per diem after recalculating the rental per diem as provided in section 256B.431, subdivision 3a, paragraph (d). The property-related payment rate for the facility relicensing and recertifying beds from layaway status must be adjusted by the incremental change in its rental per diem after recalculating its rental per diem using the number of beds after the relicensing to establish the facility's capacity day divisor, which shall be effective the first day of the month following the month in which the relicensing and recertification became effective. Any beds remaining on layaway status more than five years after the date the layaway status became effective must be removed from layaway status and immediately delicensed and decertified; or

(v) to license and certify beds that are moved within an existing area of a facility or to a newly-constructed addition which is built for the purpose of eliminating three- and four-bed rooms and adding space for dining, lounge areas, bathing rooms, and ancillary service areas in a nursing home that, as of January 1, 1995, was located in Fridley and had a licensed capacity of 129 beds.

Sec. 10. [CORRECTION 11.] Minnesota Statutes 1994, section 256B.0625, subdivision 13, as amended by 1995 S.F. No. 1110, if enacted, is amended to read:

Subd. 13. [DRUGS.] (a) Medical assistance covers drugs if prescribed by a licensed practitioner and dispensed by a licensed pharmacist, by a physician enrolled in the medical assistance program as a dispensing physician, or by a physician or a nurse practitioner employed by or under contract with a community health board as defined in section 145A.02, subdivision 5, for the purposes of communicable disease control. The commissioner, after receiving recommendations from professional medical associations and professional pharmacist associations, shall designate a formulary committee to advise the commissioner on the names of drugs for which payment is made, recommend a system for reimbursing providers on a set fee or charge basis rather than the present system, and develop methods encouraging use of generic drugs when they are less expensive and equally effective as trademark drugs. The formulary committee shall consist of nine members, four of whom shall be physicians who are not employed by the department of human services, and a majority of whose practice is for persons paying privately or through health insurance, three of whom shall be pharmacists who are not employed by the department of human services, and a majority of whose practice is for persons paying privately or through health insurance, a consumer representative, and a nursing home representative. Committee members shall serve three-year terms and shall serve without compensation. Members may be reappointed once.

(b) The commissioner shall establish a drug formulary. Its establishment and publication shall not be subject to the requirements of the administrative procedure act, but the formulary committee shall review and comment on the formulary contents. The formulary committee shall review and recommend drugs which require prior authorization. The formulary committee may recommend drugs for prior authorization directly to the commissioner, as long as opportunity for public input is provided. Prior authorization may be requested by the commissioner based on medical and clinical criteria before certain drugs are eligible for payment. Before a drug may be considered for prior authorization at the request of the commissioner:

(1) the drug formulary committee must develop criteria to be used for identifying drugs; the development of these criteria is not subject to the requirements of chapter 14, but the formulary committee shall provide opportunity for public input in developing criteria;

(2) the drug formulary committee must hold a public forum and receive public comment for an additional 15 days; and

(3) the commissioner must provide information to the formulary committee on the impact that placing the drug on prior authorization will have on the quality of patient care and information regarding whether the drug is subject to clinical abuse or misuse. Prior authorization may be required by the commissioner before certain formulary drugs are eligible for payment. The formulary shall not include:

(i) drugs or products for which there is no federal funding;

(ii) over-the-counter drugs, except for antacids, acetaminophen, family planning products, aspirin, insulin, products for the treatment of lice, vitamins for adults with documented vitamin deficiencies, and vitamins for children under the age of seven and pregnant or nursing women;

(iii) any other over-the-counter drug identified by the commissioner, in consultation with the drug formulary committee, as necessary, appropriate, and cost-effective for the treatment of certain specified chronic diseases, conditions or disorders, and this determination shall not be subject to the requirements of chapter 14;

(iv) anorectics; and

(v) drugs for which medical value has not been established.

The commissioner shall publish conditions for prohibiting payment for specific drugs after considering the formulary committee's recommendations.

(c) The basis for determining the amount of payment shall be the lower of the actual acquisition costs of the drugs plus a fixed dispensing fee; the maximum allowable cost set by the federal government or by the commissioner plus the fixed dispensing fee; or the usual and customary price charged to the public. The pharmacy dispensing fee shall be $3.85. Actual acquisition cost includes quantity and other special discounts except time and cash discounts. The actual acquisition cost of a drug shall be estimated by the commissioner, at average wholesale price minus nine percent ~~effective January 1, 1994~~. The maximum allowable cost of a multisource drug may be set by the commissioner and it shall be comparable to, but no higher than, the maximum amount paid by other third-party payors in this state who have maximum allowable cost programs. Establishment of the amount of payment for drugs shall not be subject to the requirements of the administrative procedure act. An additional dispensing fee of $.30 may be added to the dispensing fee paid to pharmacists for legend drug prescriptions dispensed to residents of long-term care facilities when a unit dose blister card system, approved by the department, is used. Under this type of dispensing system, the pharmacist must dispense a 30-day supply of drug. The National Drug Code (NDC) from the drug container used to fill the blister card must be identified on the claim to the department. The unit dose blister card containing the drug must meet the packaging standards set forth in Minnesota Rules, part 6800.2700, that govern the return of unused drugs to the pharmacy for reuse. The pharmacy provider will be required to credit the department for the actual acquisition cost of all unused drugs that are eligible for reuse. Over-the-counter medications must be dispensed in the manufacturer's unopened package. The commissioner may permit the drug clozapine to be dispensed in a quantity that is less than a 30-day supply. Whenever a generically equivalent product is available, payment shall be on the basis of the actual acquisition cost of the generic drug, unless the prescriber specifically indicates "dispense as written - brand necessary" on the prescription as required by section 151.21, subdivision 2.

This aid reduction shall be in addition to the aid reduction required because of the increase pursuant to this subdivision of the levy recognition percent.

Sec. 13. Minnesota Statutes 1994, section 124.195, subdivision 10, is amended to read:

Subd. 10. [AID PAYMENT PERCENTAGE.] Except as provided in subdivisions 8, 9, and 11, each fiscal year, all education aids and credits in this chapter and chapters 121, 123, 124A, 124B, 125, 126, 134, and section 273.1392, shall be paid at 90 percent for districts operating a program under section 121.585 for grades 1 to 12 for all students in the district and 85 percent for other districts of the estimated entitlement during the fiscal year of the entitlement, unless a higher rate has been established according to section 121.904, subdivision 4d. Districts operating a program under section 121.585 for grades 1 to 12 for all students in the district shall receive 85 percent of the estimated entitlement plus an additional amount of general education aid equal to five percent of the estimated entitlement. Subd. 14. [EDUCATION AIDS CASH FLOW ACCOUNT.] (a) An education aids cash flow account is established in the state treasury for the purpose of ensuring the timely payment of state aids or credits to school districts as provided in this section. In the event the account balance in any appropriation from the general fund to the department of education for education aids or credits is insufficient to make the next scheduled payment or payments, the commissioner of education is authorized to transfer funds from the education aids cash flow account to the accounts that are insufficient.

(b) For purposes of this subdivision, an account may have an insufficient balance only as a result of some districts being overpaid based on revised estimates for the relevant annual aid or credit entitlements. When the overpayment amounts are recovered from the pertinent districts, the commissioner of education shall transfer those amounts to the education aids cash flow account. The commissioner shall determine when it is not feasible to recover the overpayments in a timely manner from the district's future aid payments and notify the district of the amount that is to be refunded to the state. School districts are encouraged to make such refunds promptly. The commissioner may approve a schedule for making a refund when a district demonstrates that its cash flow is inadequate to promptly make the refund in full.

(c) There is annually appropriated from the general fund to the education aids cash flow account the additional amount necessary to ensure the timely payment of state aids or credits to school districts as provided in this section. For any fiscal year, the appropriation authorized in this subdivision shall not exceed an amount equal to two-tenths of one percent of the total general fund appropriations in that year for education aids and credits. At the close of each fiscal year, the amount of actual transfers plus anticipated transfers required in paragraph (b) shall equal the authorized amounts transferred in paragraph (a) so that the net effect on total general fund spending for education aids and credits is zero.

The commissioner must prepare a review and comment on the proposed facility, regardless of the amount of the capital expenditure required to construct the facility. In addition to the information provided under section 121.15, subdivision 7, the commissioner shall consider the following criteria in determining whether to make a positive review and comment.

(a) To grant a positive review and comment the commissioner must determine that all of the following conditions are met:

(1) the facilities are needed for pupils for whom no adequate facilities exist or will exist;

(2) the district will serve, on average, at least 80 pupils per grade or is eligible for elementary or secondary sparsity revenue;

(3) no form of cooperation with another district would provide the necessary facilities;

(4) the facilities are comparable in size and quality to facilities recently constructed in other districts that have similar enrollments;

(5) the facilities are comparable in size and quality to facilities recently constructed in other districts that are financed without a capital loan;

(6) the district is projected to maintain or increase its average daily membership over the next five years or is eligible for elementary or secondary sparsity revenue;

(7) the current facility poses a threat to the life, health, and safety of pupils, and cannot reasonably be brought into compliance with fire, health, or life safety codes;

(8) the district has made a good faith effort, as evidenced by its maintenance expenditures, to adequately maintain the existing facility during the previous ten years and to comply with fire, health, and life safety codes and state and federal requirements for handicapped accessibility;

(9) the district has made a good faith effort to encourage integration of social service programs within the new facility; and

(10) evaluations by school boards of adjacent districts have been received.

(b) The commissioner may grant a negative review and comment if:

(1) the state demographer has examined the population of the communities to be served by the facility and determined that the communities have not grown during the previous five years;

(2) the state demographer determines that the economic and population bases of the communities to be served by the facility are not likely to grow or to remain at a level sufficient, during the next ten years, to ensure use of the entire facility;

(3) the need for facilities could be met within the district or adjacent districts at a comparable cost by leasing, repairing, remodeling, or sharing existing facilities or by using temporary facilities;

(4) the district plans do not include cooperation and collaboration with health and human services agencies and other political subdivisions; or

(5) if the application is for new construction, an existing facility that would meet the district's needs could be purchased at a comparable cost from any other source within the area.

The ballot shall state the maximum amount of the increased revenue per actual pupil unit, the estimated referendum tax rate as a percentage of market value in the first year it is to be levied, and that the revenue shall be used to finance school operations. The ballot may state that existing referendum levy authority is expiring. In this case, the ballot may also compare the proposed levy authority to the existing expiring levy authority, and express the proposed increase as the amount, if any, over the expiring referendum levy authority. The ballot shall designate the specific number of years, not to exceed ten, for which the referendum authorization shall apply. (b) The school board shall prepare and deliver by first class mail at least 15 days but no more than 30 days prior to the day of the referendum to each taxpayer a notice of the referendum and the proposed revenue increase. The school board need not mail more than one notice to any taxpayer. For the purpose of giving mailed notice under this subdivision, owners shall be those shown to be owners on the records of the county auditor or, in any county where tax statements are mailed by the county treasurer, on the records of the county treasurer. Every property owner whose name does not appear on the records of the county auditor or the county treasurer shall be deemed to have waived this mailed notice unless the owner has requested in writing that the county auditor or county treasurer, as the case may be, include the name on the records for this purpose. The notice must project the anticipated amount of tax increase in annual dollars and annual percentage for typical residential homesteads, agricultural homesteads, apartments, and commercial-industrial property within the school district.

A referendum to revoke or reduce the levy amount must be based upon the dollar amount, local tax rate, or amount per actual pupil unit, that was stated to be the basis for the initial authorization. Revenue approved by the voters of the district pursuant to paragraph (a) must be received at least once before it is subject to a referendum on its revocation or reduction for subsequent years. Only one revocation or reduction referendum may be held to revoke or reduce referendum revenue for any specific year and for years thereafter.

A referendum invoked by petition shall be held on the date specified in paragraph (a).

(e) The approval of 50 percent plus one of those voting on the question is required to pass a referendum authorized by this subdivision.

(f) At least 15 days prior to the day of the referendum, the district shall submit a copy of the notice required under paragraph (b) to the commissioner of education. Within 15 days after the results of the referendum have been certified by the school board, or in the case of a recount, the certification of the results of the recount by the canvassing board, the district shall notify the commissioner of education of the results of the referendum.

If a petition is filed, then the school board resolution has no effect and the amount of referendum revenue authority specified in the resolution cancels for taxes payable in the following year and thereafter. The school board shall schedule a referendum under section 124A.03, subdivision 2.

The city must notify the commissioner of education of the amount of the payment made to the school district for the year. The commissioner shall deduct from the school district's state education aid payments one-half of the amount received by the school district.

The program money paid to the school district by the city less any amount of state aid deducted by the commissioner must be expended for additional education programs and services in accordance with the program. The amounts expended by the school district may not replace existing services.

The money for social services must be paid to the county for the cost of the provision of social services under the plan, as approved by the policy board and the county board.

(c) The city must expend on housing programs and related purposes as provided by the program at least 75 percent of the program money, after deducting the payments to the school district and county.

This amount is added to the basic general education revenue in Minnesota Statutes, section 124A.22, subdivision 2, only for the purpose of computing additional basic general education aid. The additional aid shall not be included in the computation of any other aid or levy. The additional aid is not subject to the levy equity provision in Minnesota Statutes, section 124A.24. Permanent transfers may be made from the general fund to any other operating funds according to section 123.7045 or if the resources of the other fund are not adequate to finance approved expenditures from that other fund. Permanent transfers may also be made from the general fund to eliminate deficits in another fund when that other fund is being discontinued. When a district discontinues operation of a district-owned bus fleet or a substantial portion of a fleet, ~~permanent transfers must be made, on June 30 of the fiscal year that the operation is discontinued, from the fund balance account entitled "pupil transportation fund reserved for bus purchases" to the capital expenditure fund. [TRANSPORTATION.] A parent or guardian of a pupil enrolled in a course for secondary credit may apply to the pupil's district of residence for reimbursement for transporting the pupil between the secondary school in which the pupil is enrolled or the pupil's home and the post-secondary institution that the pupil attends. The commissioner shall establish guidelines for providing state aid to districts to reimburse the parent or guardian for the necessary transportation costs, which shall be based on financial need. The reimbursement may not exceed the pupil's actual cost of transportation or 15 cents per mile traveled, whichever is less. Reimbursement may not be paid for more than 250 miles per week. However, if the nearest post-secondary institution is more than 25 miles from the pupil's resident secondary school, the weekly reimbursement may not exceed the reimbursement rate per mile times the actual distance between the secondary school or the pupil's home and the nearest post-secondary institution times ten. The state shall pay aid to the district according to the guidelines established under this subdivision. Chapter 14 does not apply to the guidelines.

Sec. 3. Minnesota Statutes 1994, section 123.39, subdivision 1, is amended to read:

The board shall provide transportation to and from the home of a child with a disability not yet enrolled in kindergarten when special instruction and services under sections 120.17 and 120.1701 are provided in a location other than in the child's home. When transportation is provided, scheduling of routes, establishment of the location of bus stops, manner and method of transportation, control and discipline of school children and any other matter relating thereto shall be within the sole discretion, control, and management of the school board. ARTICLE 3

SPECIAL PROGRAMS

Section 1. Minnesota Statutes 1994, section 120.17, subdivision 3a, is amended to read:

Subd. 3a. [SCHOOL DISTRICT OBLIGATIONS.] Every district shall ensure that:

(1) all students with disabilities are provided the special instruction and services which are appropriate to their needs. Where the individual education plan team has determined appropriate goals and objectives based on the student's needs, including the extent to which the student can be

included in the least restrictive environment, and where there are essentially equivalent and effective instruction, related services, or assistive technology devices available to meet the student's needs, cost to the school district may be among the factors considered by the team in choosing how to provide the appropriate services, instruction, or devices that are to be made part of the student's individual education plan. The student's needs and the special education instruction and services to be provided shall be agreed upon through the development of an individual education plan. The plan shall address the student's need to develop skills to live and work as independently as possible within the community. By grade 9 or age 14, the plan shall address the student's needs for transition from secondary services to post-secondary education and training, employment, community participation, recreation, and leisure and home living. The plan must include a statement of the needed transition services, including a statement of the interagency responsibilities or linkages or both before secondary services are concluded;

(2) children with a disability under age five and their families are provided special instruction and services appropriate to the child's level of functioning and needs;

(3) children with a disability and their parents or guardians are guaranteed procedural safeguards and the right to participate in decisions involving identification, assessment and educational placement of children with a disability;

(4) to the maximum extent appropriate, children with a disability, including those in public or private institutions or other care facilities, are educated with children who are not disabled, and that special classes, separate schooling, or other removal of children with a disability from the regular educational environment occurs only when and to the extent that the nature or severity of the disability is such that education in regular classes with the use of supplementary services cannot be achieved satisfactorily;

(5) in accordance with recognized professional standards, testing and evaluation materials, and procedures utilized for the purposes of classification and placement of children with a disability are selected and administered so as not to be racially or culturally discriminatory; and

(6) the rights of the child are protected when the parents or guardians are not known or not available, or the child is a ward of the state.

Sec. 2. Minnesota Statutes 1994, section 120.17, subdivision 3b, is amended to read:

Subd. 3b. [PROCEDURES FOR DECISIONS.] Every district shall utilize at least the following procedures for decisions involving identification, assessment, and educational placement of children with a disability:

(a) Parents and guardians shall receive prior written notice of:

(1) any proposed formal educational assessment or proposed denial of a formal educational assessment of their child;

(2) a proposed placement of their child in, transfer from or to, or denial of placement in a special education program; or

(3) the proposed provision, addition, denial or removal of special education services for their child;

(b) The district shall not proceed with the initial formal assessment of a child, the initial placement of a child in a special education program, or the initial provision of special education services for a child without the prior written consent of the child's parent or guardian. The refusal of a parent or guardian to consent may be overridden by the decision in a hearing held pursuant to clause (e) at the district's initiative;

(c) Parents and guardians shall have an opportunity to meet with appropriate district staff in at least one conciliation conference, mediation, or other method of alternative dispute resolution that the parties agree to, if they object to any proposal of which they are notified pursuant to clause (a). The conciliation process or other form of alternative dispute resolution shall not be used to deny or delay a parent or guardian's right to a due process hearing. If the parent or guardian refuses efforts by the district to conciliate the dispute with the school district, the requirement of an opportunity

for conciliation or other alternative dispute resolution shall be deemed to be satisfied;. Notwithstanding other law, in any proceeding following a conciliation conference, the school district must not offer a conciliation conference memorandum into evidence, except for any portions that describe the district's final proposed offer of service. Otherwise, with respect to forms of dispute resolution, mediation, or conciliation, Minnesota Rule of Evidence 408 applies. The department of education may reimburse the districts or directly pay the costs of lay advocates, not to exceed $150 per dispute, used in conjunction with alternative dispute resolution.

(d) The commissioner shall establish a mediation process to assist parents, school districts, or other parties to resolve disputes arising out of the identification, assessment, or educational placement of children with a disability. The mediation process must be offered as an informal alternative to the due process hearing provided under clause (e), but must not be used to deny or postpone the opportunity of a parent or guardian to obtain a due process hearing.

(e) Parents, guardians, and the district shall have an opportunity to obtain an impartial due process hearing initiated and conducted by and in the school district responsible for assuring that an appropriate program is provided in accordance with state board rules, if the parent or guardian continues to object to:

(1) a proposed formal educational assessment or proposed denial of a formal educational assessment of their child;

(2) the proposed placement of their child in, or transfer of their child to a special education program;

(3) the proposed denial of placement of their child in a special education program or the transfer of their child from a special education program;

(4) the proposed provision or addition of special education services for their child; or

(5) the proposed denial or removal of special education services for their child.

~~At least five calendar~~ Within five business days ~~before~~ after the request for a hearing, or as directed by the hearing officer, the objecting party shall provide the other party with a brief written statement of particulars of the objection ~~and~~, the reasons for the objection, and the specific remedies sought. The other party shall provide the objecting party with a written response to the statement of objections within five business days of receipt of the statement.

The hearing shall take place before an impartial hearing officer mutually agreed to by the school board and the parent or guardian. If the school board and the parent or guardian are unable to agree on a hearing officer, the school board shall request the commissioner to appoint a hearing officer. The hearing officer shall not be a school board member or employee of the school district where the child resides or of the child's school district of residence, an employee of any other public agency involved in the education or care of the child, or any person with a personal or professional interest which would conflict with the person's objectivity at the hearing. A person who otherwise qualifies as a hearing officer is not an employee of the district solely because the person is paid by the district to serve as a hearing officer. If the hearing officer requests an independent educational assessment of a child, the cost of the assessment shall be at district expense. The proceedings shall be recorded and preserved, at the expense of the school district, pending ultimate disposition of the action.

(f) The decision of the hearing officer pursuant to clause (e) shall be rendered not more than 45 calendar days from the date of the receipt of the request for the hearing. A hearing officer may grant specific extensions of time beyond the 45-day period at the request of either party. The decision of the hearing officer shall be binding on all parties unless appealed to the hearing review officer by the parent, guardian, or the school board of the district where the child resides pursuant to clause (g).

The local decision shall:

(1) be in writing;

(2) state the controlling facts upon which the decision is made in sufficient detail to apprise the parties and the hearing review officer of the basis and reason for the decision;

(3) state whether the special education program or special education services appropriate to the child's needs can be reasonably provided within the resources available to the responsible district or districts;

(4) state the amount and source of any additional district expenditure necessary to implement the decision; and

(5) be based on the standards set forth in subdivision 3a and the rules of the state board.

(g) Any local decision issued pursuant to clauses (e) and (f) may be appealed to the hearing review officer within 30 calendar days of receipt of that written decision, by the parent, guardian, or the school board of the district responsible for assuring that an appropriate program is provided in accordance with state board rules.

If the decision is appealed, a written transcript of the hearing shall be made by the school district and shall be accessible to the parties involved within five calendar days of the filing of the appeal. The hearing review officer shall issue a final independent decision based on an impartial review of the local decision and the entire record within 30 calendar days after the filing of the appeal. The hearing review officer shall seek additional evidence if necessary and may afford the parties an opportunity for written or oral argument; provided any hearing held to seek additional evidence shall be an impartial due process hearing but shall be deemed not to be a contested case hearing for purposes of chapter 14. The hearing review officer may grant specific extensions of time beyond the 30-day period at the request of any party.

The final decision shall:

(1) be in writing;

(2) include findings and conclusions; and

(3) be based upon the standards set forth in subdivision 3a and in the rules of the state board.

(h) The decision of the hearing review officer shall be final unless appealed by the parent or guardian or school board to the court of appeals. The judicial review shall be in accordance with chapter 14.

(i) The commissioner of education shall select an individual who has the qualifications enumerated in this paragraph to serve as the hearing review officer:

(1) the individual must be knowledgeable and impartial;

(2) the individual must not have a personal interest in or specific involvement with the student who is a party to the hearing;

(3) the individual must not have been employed as an administrator by the district that is a party to the hearing;

(4) the individual must not have been involved in the selection of the administrators of the district that is a party to the hearing;

(5) the individual must not have a personal, economic, or professional interest in the outcome of the hearing other than the proper administration of the federal and state laws, rules, and policies;

(6) the individual must not have substantial involvement in the development of a state or local policy or procedures that are challenged in the appeal; and

(7) the individual is not a current employee or board member of a Minnesota public school district, education district, intermediate unit or regional education agency, the state department of education, the state board of education, or a parent advocacy organization or group.

(j) In all appeals, the parent or guardian of the pupil with a disability or the district that is a party to the hearing may challenge the impartiality or competence of the proposed hearing review officer by applying to the ~~state board of education~~ hearing review officer.

(k) Pending the completion of proceedings pursuant to this subdivision, unless the district and the parent or guardian of the child agree otherwise, the child shall remain in the child's current educational placement and shall not be denied initial admission to school.

(l) The child's school district of residence, a resident district, and providing district shall receive notice of and may be a party to any hearings or appeals under this subdivision.

(m) A school district is not liable for harmless technical violations of this subdivision or rules implementing this subdivision if the school district can demonstrate on a case-by-case basis that the violations did not harm the student's educational progress or the parent or guardian's right to notice, participation, or due process.

(n) Within ten calendar days after appointment, the hearing officer shall schedule and hold a prehearing conference. At that conference, or later, the hearing officer may take any appropriate action that a court might take under Rule 16 of Minnesota Rules of Civil Procedure including, but not limited to, scheduling, jurisdiction, and listing witnesses including expert witnesses.

(o) A hearing officer or hearing review officer appointed under this subdivision shall be deemed to be an employee of the state under section 3.732 for the purposes of section 3.736 only.

(p) In order to be eligible for selection, hearing officers and hearing review officers shall participate in training and follow procedures as designated by the commissioner.

Sec. 3. Minnesota Statutes 1994, section 120.17, is amended by adding a subdivision to read:

Subd. 3d. [INTERAGENCY SERVICES.] If at the time of initial referral for an educational assessment, or a reassessment, the school district determines that a child with disabilities who is age 3 through 21 may be eligible for interagency services, the district may request that the county of residence provide a representative to the initial assessment or reassessment team meeting or the first individual education plan team meeting following the assessment or reassessment. The district may request to have a county representative attend other individual education plan team meetings when it is necessary to facilitate coordination between district and county provided services. Upon request from a school district, the resident county shall provide a representative to assist the individual education plan team in determining the child's eligibility for existing health, mental health, or other support services administered or provided by the county. The individual education plan team and the county representative shall develop an interagency plan of care for an eligible child and the child's family to coordinate services required under the child's individual education plan with county services. The interagency plan of care shall include appropriate family information with the consent of the family, a description of how services will be coordinated between the district and county, a description of service coordinator responsibilities and services, and a description of activities for obtaining third-party payment for eligible services, including medical assistance payments.

Sec. 4. [120.175] [TARGETED NEEDS PROGRAM.]

Subdivision 1. [PURPOSE.] School districts shall implement targeted programs to meet the educational needs of learners whose progress toward meeting state or local content or performance standards is below the level that is appropriate for learners of their age. Any of the following may be provided to meet these learners needs:

(1) remedial or individualized instruction in reading, language arts, mathematics, other content areas, or study skills to improve the achievement level of these learners;

(2) additional teachers and teacher aides to provide more individualized instruction to these learners through individual tutoring, lower instructor-to-learner ratios, or team teaching;

(6) programs to increase learning opportunities and reduce the learning gap between learners living in high concentrations of poverty and their peers;

(8) bilingual programs, bicultural programs, and programs for learners of limited English proficiency; and

(9) substantial parent involvement in developing and implementing remedial education or intervention plans for a learner, including learning contracts between the school, the learner, and the parent that establish achievement goals and responsibilities of the learner and the learner's parent or guardian.

The delivery system shall provide a continuum of services for children birth to age 18, or birth through age 21 for individuals with disabilities. The collaborative shall describe the community plan for serving pregnant women and children from birth to age six.

(b) The outcome-based indicators developed in paragraph (a), clause (1), may include the number of low birth weight babies, the infant mortality rate, the number of children who are adequately immunized and healthy, require out-of-home placement or long-term special education services, and the number of minor parents.

Sec. 6. Minnesota Statutes 1994, section 123.3514, subdivision 7, is amended to read:

An institution may require the pupil to pay for fees, textbooks, and materials for a course taken for post-secondary credit.

Sec. 7. Minnesota Statutes 1994, section 123.3514, is amended by adding a subdivision to read:

Subd. 7b. [SUPPORT SERVICES.] The postsecondary institution shall inform the pupil of the support services available at that institution. If the student has an individual education plan that provides general education support and accommodations, the post-secondary institution shall provide the support services as described in the student's IEP and the post-secondary institution and the district shall negotiate an agreement on the rate to be charged for the services. Nothing in this section shall prevent the student from enrolling while the agreement is being developed. If the parties cannot agree on the services, on application of either party, the commissioner shall resolve the dispute in the same manner the commissioner fixes tuition rates under section 120.17, subdivision 4. The commissioner's decision is binding on both parties.

General laws applicable to independent school districts wholly or partly within cities of the first class shall not be applicable to the converted district. The provision of the statutes applicable only to teachers retirement fund associations in cities of the first class, limiting the amount of annuity to be paid from public funds, limiting the taxes to be levied to carry out the plan of such associations, and limiting the amount of annuities to be paid to beneficiaries, all as contained in Minnesota Statutes, Section 135.24, shall not be applicable to such converted district, but the statutes applicable to such special district prior to the conversion shall continue to be applicable and the pension plan in operation prior to the conversion shall continue in operation until changed in accordance with law, and the teacher tenure law applicable to the special district shall continue to apply to the converted district in the same manner and to the same extent to teachers in the converted district; provided further, where existing civil service provisions of any law or charter are applicable to special district employees, such provision ~~shall~~ may continue to be applicable in the same manner and to the same extent to employees of the converted district, at such time as the board and city governing body each adopt a resolution declaring that civil service bureau (city human resources department) functions would be more efficiently and effectively administered separately in each jurisdiction. Notwithstanding any contrary provision of Extra Session Laws 1959, Chapter 71, as amended, if there was in the special district a teachers retirement fund association operating and existing under the provisions of Laws 1909, Chapter 343, and all acts amendatory thereof, then such teachers retirement fund association shall continue to exist and operate in the converted district under and to be subject to the provisions of Laws 1909, Chapter 343, and all acts amendatory thereof, to the same extent and in the same manner as before the conversion, and, without limiting the generality of the foregoing, such teachers retirement fund association shall continue, after the conversion as before the conversion, to certify to the same authorities the amount necessary to raise by taxation in order to carry out its retirement plan, and it shall continue, after the conversion as before the conversion, to be the duty of said authorities to include in the tax levy for the ensuing year a tax in addition to all other taxes sufficient to produce so much of the sums so certified as said authorities shall approve, and such teachers retirement fund association shall not be subject after the conversion to any limitation on payments to any beneficiary from public funds or on taxes to be levied to carry out the plan of such association to which it was not subject before the conversion.

Sec. 15. Laws 1994, chapter 647, article 7, section 15, is amended to read:

Sec. 15. [TEACHER PREPARATION CURRICULUM.]

(a) Consistent with Laws 1993, chapter 224, article 12, section 34, the state board of teaching, with the assistance of ~~organizations representing diverse cultures,~~ the state American Indian education committee, shall ~~decide whether or not to~~ include in the curriculum for preparing all beginning elementary and social studies teachers ~~a study of anthropology that encompasses a study of the indigenous people of the midwest, and a study of~~ the history ~~of the indigenous people that encompasses a study of the Minnesota area in precolonial times through the twentieth century,~~ government, and culture of Minnesota based American Indian tribes.

(b) Consistent with Laws 1993, chapter 224, article 12, section 34, the state board of teaching shall ensure that the human relations curriculum of all teacher preparation programs includes components of American Indian language, history, government, and culture.

Sec. 16. [TEACHER COMPENSATION RESTRUCTURING GRANTS.]

Subdivision 1. [GRANT APPLICATION.] A teacher compensation restructuring grant program is established. Applications for the grant must be made jointly by the board and the exclusive bargaining representative for teachers defined in section 124A.22, subdivision 2a, of a school district. The form and manner of the application shall be determined by the commissioner. A successful application must meet the objectives in subdivision 2. Applicants must agree to negotiate on educational policies and matters of inherent managerial policy, and to accept a waiver of Minnesota Statutes, sections 125.12 and 125.17. A grant must not exceed $800 per full time equivalent teacher in the bargaining unit. The commissioner must determine eligible grant recipients within the available appropriation and must inform the applicant districts by October 1, 1995. The commissioner must determine within two weeks of receiving a copy of the signed contract whether the agreement meets the terms of the application. The commissioner may require that a copy of the agreement be filed with the department prior to ratification. State aid shall be paid to the district under section 124.195, except 100 percent of the aid shall be paid in the year of the appropriation. A grantee district shall receive a six-month extension of the contract deadline in Minnesota Statutes, section 124A.22, subdivision 2a. Minnesota Statutes, sections 125.12 and 125.17, are waived for grantees under this section, to take effect upon ratification of a master agreement.

Subd. 2. [OBJECTIVES.] The following objectives must be met by successful grantees:

(1) compensation based in part on group performance;

(2) compensation that promotes collaboration;

(3) compensation based on factors that include measurement of student results;

(4) compensation commensurate with responsibilities;

(5) continued nonperformance of individual teachers should be addressed through the evaluation and remediation process during which period salary increases should not be awarded;

(6) compensation includes more than money;

(7) a compensation system should support site, district, and state organizational goals; and

(8) a compensation system must attract and retain well-qualified and prepared personnel.

Sec. 17. [RETIREMENT INCENTIVE.]

(a) For the 1995-1996 and 1996-1997 school years only, a school board may offer early retirement incentives to licensed and nonlicensed staff of the school district who are under the age of 65. The early retirement incentive that the board may offer is the employer payment of the premiums for continued health insurance coverage under paragraph (b). This incentive may only be offered to employees who agree to terminate active employment with the school district. The board must determine the staff to whom the incentive is offered. Unilateral implementation of this section by a school board is not an unfair labor practice under Minnesota Statutes, chapter 179A.

(b) The board may offer a former employee who is at least age 50 continued employer-paid individual or dependent health insurance coverage. To be eligible for employer-paid health insurance under this section, the former employee must agree not to return to work in any capacity for the district that will provide the insurance coverage or any other district, except as a substitute teacher. Coverage may not extend beyond the age of 65 or the end of the first month in which the employee is eligible for employer-paid health insurance coverage from a new employer. For purposes of this section, "employer-paid health insurance coverage" means medical, hospitalization, or health insurance coverage provided through an insurance company that is licensed to do business in the state. The amount of the payment under this section shall be as agreed between the employee and the school board.

Sec. 18. [PPST TASK FORCE.]

The board of teaching shall convene a task force to consider authentic and qualitative assessments for teachers and alternative processes by which the skills examination requirement under Minnesota Statutes, section 125.05, subdivision 1a, might be met for persons who fail the examination. The board shall present their recommendations to the education committees of the legislature by February 15, 1996.

Sec. 19. [SARTELL CAPITAL LOAN.]

Notwithstanding any law to the contrary, the board of independent school district No. 748, Sartell, may, by resolution, raise the level of indebtedness of the district by an amount equal to the outstanding capital loan on June 30, 1995. This indebtedness may only be used to refund the loan. This does not constitute an impairment of any obligations issued by the district prior to the enactment of this act.

Sec. 20. [UNRECOVERED RAILROAD AID.]

Unrecovered railroad aid payments pursuant to Laws 1984, chapter 502, article 9, section 5, shall be adjusted from the school district's aid in fiscal year 1997. If the aid reduction required by this section cannot be made to the aid for fiscal year 1997, the reduction must be made from aid for subsequent fiscal years.

Sec. 21. [FUND TRANSFERS.]

Subdivision 1. [CONDITIONS.] (a) A district that transfers revenue from a health and safety account or a disabled access account may not, at a later date, receive health and safety revenue or disabled access revenue for the same project as the project for which the transferred revenue was received. The transfer request must identify the project that generated the balance to be transferred.

(b) Disabled access revenue that is transferred according to this section is included in the district's disabled access revenue limit established in Minnesota Statutes, section 124.84, subdivision 3.

(c) Amounts transferred from the health and safety account according to this section shall be considered to be approved health and safety expenditures for the purpose of computing a district's health and safety revenue according to Minnesota Statutes, section 124.83, subdivision 3.

(d) A district that transfers funds from its bus purchase account according to this section may not certify a bus purchase levy according to Minnesota Statutes, section 124.226, subdivision 6, for the next three years following the transfer.

Subd. 2. [PELICAN RAPIDS.] Notwithstanding Minnesota Statutes, sections 121.912 and 121.9121, on June 30, 1995, independent school district No. 548, Pelican Rapids, may permanently transfer an amount not to exceed $200,000 from its general fund to its capital expenditure fund.

an amount equal to the sum of the costs of instruction and residential programs per pupil calculated as if the pupil were attending the program under chapter 129C, less the revenue received for the student under subdivision 3. The amount of the scholarship may differ, based on the residential status of the student. The amount determined under chapter 129C shall be computed by the board established under that chapter.

Subd. 3. [GENERAL EDUCATION.] The school shall receive revenue for all students enrolled at the school in the same way as revenue is paid under section 124.248, subdivisions 1 and 2. The payment schedule shall be the same as under section 124.248, subdivision 4, paragraph (a).

Sec. 5. Minnesota Statutes 1994, section 124.91, subdivision 5, is amended to read:

Subd. 5. [INTERACTIVE TELEVISION.] (a) A school district with its central administrative office located within economic development region one, two, three, four, five, six, seven, eight, nine, and ten may apply to the commissioner of education for ITV revenue up to the greater of .5 percent of the adjusted net tax capacity of the district or $25,000 for the construction, maintenance, and lease costs of an interactive television system for instructional purposes. The approval by the commissioner of education and the application procedures set forth in subdivision 1 shall apply to the revenue in this subdivision. In granting the approval, the commissioner must consider whether the district is maximizing efficiency through peak use and off-peak use pricing structures.

(b) To obtain ITV revenue, a district may levy an amount not to exceed the district's ITV revenue times the lesser of one or the ratio of:

(1) the quotient derived by dividing the adjusted net tax capacity of the district for the year before the year the levy is certified by the actual pupil units in the district for the year to which the levy is attributable; to

(2) 100 percent of the equalizing factor as defined in section 124A.02, subdivision 8, for the year to which the levy is attributable.

(c) A district's ITV aid is the difference between its ITV revenue and the ITV levy.

(d) The revenue in the first year after reorganization for a district that has reorganized under section 122.22, 122.23, or 122.241 to 122.247 shall be the greater of:

(1) the revenue computed for the reorganized district under paragraph (a), or

(2)(i) for two districts that reorganized, 75 percent of the revenue computed as if the districts involved in the reorganization were separate, or

(ii) for three or more districts that reorganized, 50 percent of the revenue computed as if the districts involved in the reorganization were separate.

(e) The revenue in paragraph (d) is increased by the difference between the initial revenue and ITV lease costs for leases that had been entered into by the preexisting districts on the effective date of the consolidation or combination and with a term not exceeding ten years. This increased revenue is only available for the remaining term of the lease. However, in no case shall the revenue exceed the amount available had the preexisting districts received revenue separately.

Sec. 6. [124C.74] [TELECOMMUNICATION ACCESS GRANT AND STATEWIDE COORDINATION.]

Subdivision 1. [ESTABLISHMENT; PURPOSE.] The purpose of developing a statewide school district telecommunications network is to expand the availability of a broad range of courses and degrees to students throughout the state, to share information resources to improve access, quality, and efficiency, to improve learning, and distance cooperative learning opportunities, and to promote the exchange of ideas among students, parents, teachers, media generalists, librarians, and the public. In addition, through the development of this statewide telecommunications network emphasizing cost-effective, competitive connections, all Minnesotans will benefit by enhancing access to telecommunications technology throughout the state. Network connections for school districts and public libraries will be coordinated and fully

integrated into the existing state telecommunications and interactive television networks to achieve comprehensive and efficient interconnectivity of school districts and libraries to higher education institutions, state agencies, other governmental units, agencies, and institutions throughout Minnesota. A school district may apply to the commissioner for a grant under subdivision 2, and a regional public library may apply under subdivision 3. The Minnesota education telecommunication council established in section 8. shall establish priorities for awarding grants, making grant awards, and being responsible for the coordination of networks.

Subd. 2. [SCHOOL DISTRICT TELECOMMUNICATIONS GRANT.] (a) A school district may apply for a grant under this subdivision to: (1) establish connections among school districts, and between school districts and the MNet statewide telecommunications network administered by the department of administration under section 16B.465; or (2) if such a connection meeting minimum electronic connectivity standards is already established, enhance telecommunications capacity for a school district. The minimum standards of capacity are a 56 kilobyte data line and 768 kilobyte ITV connection, subject to change based on the recommendations by the Minnesota education telecommunications council. A district may submit a grant application for interactive television with higher capacity connections in order to maintain multiple simultaneous connections. To ensure coordination among school districts, a school district must submit its grant application to the council through an organization that coordinates the applications and connections of at least ten school districts or through an existing technology cooperative.

(b) The application must, at a minimum, contain information to document for each applicant school district the following:

(1) that the proposed connection meets the minimum standards and employs an open network architecture that will ensure interconnectivity and interoperability with other education institutions and libraries;

(2) that the proposed connection and system will be connected to MNet through the department of administration under section 16B.465 and that a network service and management agreement is in place;

(3) that the proposed connection and system will be connected to the higher education telecommunication network and that a governance agreement has been adopted which includes agreements between the school district system, a higher education regional council, libraries, and coordinating entities;

(4) the telecommunication vendor, which may be MNet, selected to provide service from the district to an MNet hub or to a more cost-effective connection point to MNet; and

(5) other information, as determined by the commissioner in consultation with the education telecommunications council, to ensure that connections are coordinated, meet state standards and are cost effective, and that service is provided in an efficient and cost-effective manner.

(c) A grant applicant shall obtain a grant proposal for network services from MNet. If MNet is not selected as the vendor, the application must provide the reasons for choosing an alternative vendor. A school district may include, in its grant application, telecommunications access for collaboration with nonprofit arts organizations for the purpose of educational programs, or access for a secondary media center that: (1) is a member of a multitype library system; (2) is open during periods of the year when classroom instruction is occurring; and (3) has licensed school media staff on site.

(d) The Minnesota education telecommunications council shall award grants and the funds shall be dispersed by the commissioner. The highest priority for these grants shall be to bring school districts up to the minimum connectivity standards. The telecommunications council shall also give priority to grant proposals from school districts with fewer than 1,000 students which do not have a data connection. A grant to enhance telecommunications capacity beyond the minimum connectivity standards shall be no more than 75 percent of the maximum grant under this subdivision. Grant applications for minimum connection and enhanced telecommunications capacity grants must be submitted to the commissioner by a coordinating organization including, but not limited to, service cooperatives and education districts. For the purposes of this section, a school district includes charter schools under section 120.064. Based on the award made by the

council, all grants under this subdivision shall be paid by the commissioner directly to a school district, (unless this application requests that the funds be paid to the coordinating agency).

(e) Money awarded under this section may be used only for the purposes explicitly stated in the grant application.

Subd. 3. [REGIONAL LIBRARY TELECOMMUNICATION GRANT.] (a) A regional public library system may apply for a telecommunication access grant. The grant must be used to create or expand the capacity of electronic data access and connect the library system with the MNet statewide telecommunications network administered by the department of administration under section 16B.465. Connections must meet minimum system standards of a 56 kilobyte data line and 768 kilobyte ITV connection. To be eligible for a telecommunications access grant, a regional public library system must: (1) meet the level of local support required under section 134.34; (2) be open at least 20 hours per week; and (3) provide a local match for the grant with local funds under section 134.46.

(b) Any grant award under this subdivision may not be used to substitute for any existing local funds allocated to provide electronic access, or equipment for library staff or the public, or local funds previously dedicated to other library operations.

(c) An application for a regional public library telecommunications access grant must, at a minimum, contain information to document the following:

(1) that the connection meets the minimum standards and employs an open network architecture that will ensure interconnectivity and interoperability with other libraries and the educational system;

(2) that the connection is being established through the most cost-effective means and that the public library has explored and coordinated connections through school districts or other governmental agencies;

(3) that the proposed connection and system will be connected to MNet through the department of administration under section 16B.465 and that a network service and management agreement is in place;

(4) that the proposed connection and system will be connected to the higher education and to the school district telecommunication networks subject to a governance agreement with one or more school districts and a higher education regional council specifying how the system will be coordinated;

(5) the telecommunication vendor, which may be MNet, selected to provide service from the library to an MNet hub or through a more cost-effective connection point to MNet; and

(6) other information, as determined by the commissioner, to ensure that connections are coordinated, meet state standards, are cost effective, and that service is provided in an efficient and cost-effective manner so that libraries throughout the state are connected in as seamless a manner as technically possible.

(d) A grant applicant shall obtain a grant proposal for network services from MNet. If MNet is not selected as the vendor, the application must provide the reasons for choosing an alternative vendor.

Subd. 4. [AWARD OF GRANTS.] The council shall develop application forms and procedures for school district minimum connectivity grants, enhanced telecommunications grants, and regional library telecommunication access grants. The council shall select the grant recipient and shall promptly notify any applicant that is found not to be qualified. The commissioner shall make the grant payments directly to the school district. At the request of the district, the commissioner may make the grant payment directly to the coordinating organization. If appropriations are insufficient to fund all applications, the commissioner shall first fully fund the minimum connectivity grants. Unsuccessful applicants may reapply for a grant.

Sec. 7. Minnesota Statutes 1994, section 237.065, is amended to read:

237.065 [RATES FOR SPECIAL SERVICE TO SCHOOLS.]

Each telephone company, including a company that has developed an incentive plan under section 237.625, that provides local telephone service in a service area that includes a ~~public~~ school that has classes within the range from kindergarten to 12th grade shall provide, upon request, additional service to the school that is sufficient to ensure access to basic telephone service from each classroom and other areas within the school, as determined by the school board. Each company shall set a flat rate for this additional service that is less than the company's flat rate for an access line for a business and the same as or greater than the company's flat rate for an access line for a residence in the same local telephone service exchange. When a company's flat rates for businesses and residences are the same, the company shall use the residential rate for service to schools under this section. The rate required under this section is available only for a school that installs additional service that includes access to basic telephone service from each classroom and other areas within the school, as determined by the school board.

Sec. 8. [MINNESOTA EDUCATION TELECOMMUNICATIONS COUNCIL.]

Subdivision 1. Sec. 2. Minnesota Statutes 1994, section 16A.152, subdivision 2, is amended to read:

Subd. 2. [ADDITIONAL REVENUES; PRIORITY.] If on the basis of a forecast of general fund revenues and expenditures the commissioner of finance determines that there will be a positive unrestricted budgetary general fund balance at the close of the biennium, the commissioner of finance must allocate money to the budget reserve ~~and cash flow account~~ until the total amount in the account ~~equals five percent of total general fund appropriations for the current biennium as established by the most recent legislative session. Beginning July 1, 1993, forecast unrestricted budgetary general fund balances are first appropriated to restore the budget reserve and cash flow account to $500,000,000~~ is $220,000,000. Additional biennial unrestricted budgetary general fund balances available after November 1 of every odd-numbered calendar year are appropriated in January of the following year to reduce the property tax levy recognition percent under section 121.904, subdivision 4a, to zero before additional money beyond ~~$500,000,000~~ $220,000,000 is allocated to the budget reserve ~~and cash flow~~ account. ~~$180,000,000 of the budget reserve and cash flow account shall be dedicated to elementary and secondary education.~~

(b) An additional deficit shall, with the approval of the governor, and after consulting the

legislative advisory commission, be made up by reducing unexpended allotments of any prior appropriation or transfer. Notwithstanding any other law to the contrary, the commissioner is empowered to defer or suspend prior statutorily created obligations which would prevent effecting such reductions.

(c) If the commissioner determines that probable receipts for any other fund, appropriation, or item will be less than anticipated, and that the amount available for the remainder of the term of the appropriation or for any allotment period will be less than needed, the commissioner shall notify the agency concerned and then reduce the amount allotted or to be allotted so as to prevent a deficit.

County boards, school boards, or governing boards of other grantees may elect not to consolidate funding for a program.

For grantees electing consolidation, the commissioner may, with the approval of the board of government innovation and cooperation, waive all provisions of rules inconsistent with the intent of this section. This waiver authority does not apply to rules governing client protections, due process, or inclusion of clients, parents, cultures, and ethnicities in decision making. Funding to a local grantee must be determined according to the funding formulas or allocation rules governing the individual programs listed in section 119A.04.

Subd. 2. [ACCOUNT.] A consolidated funding account is established under the control of the commissioner of children, families, and learning. The purpose of this account is to clearly identify and provide accountability for funds previously distributed to local grantees through the individual categorical grant programs in subdivision 5. (iv) indicators sufficient to measure improvement or decline in specified outcomes compared to baseline performance;

(4) conduct a public hearing on the funding consolidation plan under section 471.705;

(5) agree to periodically report information concerning progress in addressing outcomes, as provided for in guidelines to be published by the commissioner; and

responsibilities, obligations, and conditions consistent with this section. The agreement must state that the funds that are being locally consolidated will be used collectively only to achieve the objectives of the separate programs being locally consolidated.

Subd. 4. [GEOGRAPHIC AREA.] The geographic area for a local consolidated funding process must be an entire county, a multicounty area, or, with the approval of the county board and commissioner, a subcounty area, if county funds are used. The process may provide for coordination of service delivery in jurisdictions that extend across county boundaries.

Subd. 5. [PROGRAMS INCLUDED.] Grant programs transferred to the department of children, families, and learning in section 119A.04 and programs transferred from the abolished department of education are eligible for local funding consolidation. Eligibility of any federally funded programs for local funding consolidation is conditioned upon obtaining necessary federal waivers or changes in federal law.

Subd. 6. [ENTRY INTO PROGRAM.] Grantees who meet all requirements of this section may elect to begin using funding for a local consolidated funding process beginning January 1, 1996, or at each six-month interval. (5) the commissioner shall not use the federal reimbursement earned under this subdivision in determining the allocation or distribution of other funds to counties or collaboratives;

(6) the commissioner may suspend, reduce, or terminate the federal reimbursement to a provider that does not meet the reporting or other requirements of this subdivision;

(8) the commissioner shall establish criteria for the family services collaborative for the accounting and financial management system that will support claims for federal reimbursement.

(b) [FAMILY SERVICES COLLABORATIVE RESPONSIBILITIES.] The family services collaborative shall have the following authority and responsibilities regarding federal revenue enhancement:

(3) the family services collaborative must continue the base level of expenditures for education, social, health, or health-related services to families and children from any state, county, federal, or other public or private funding source which, in the absence of the new federal reimbursement earned under this subdivision, would have been available for those services, except as provided in subdivision 1, paragraph (a), clause (4). The base year for purposes of this subdivision shall be the four-quarter calendar year ending at least two calendar quarters before the first calendar quarter in which the new federal reimbursement is earned;

(4) the family services collaborative must use all new federal reimbursement resulting from federal revenue enhancement to expand expenditures for education, social, health, or health-related services to families and children beyond the base level, except as provided in subdivision 1, paragraph (a), clause (4);

(5) the family services collaborative must ensure that expenditures submitted for federal reimbursement are not made from federal funds or funds used to match other federal funds. Notwithstanding section 256B.19, subdivision 1, for the purposes of family services collaborative expenditures under agreement with the department, the nonfederal share of costs shall be provided by the family services collaborative from sources other than federal funds or funds used to match other federal funds;

(6) the family services collaborative must develop and maintain an accounting and financial management system adequate to support all claims for federal reimbursement, including a clear audit trail and any provisions specified in the agreement; and

(2) collaboration with other service providers; and

(3) collaboration with local nonprofit organizations, including churches and ecumenical organizations.

The two parts of the plan shall each provide information on the existence or nonexistence of efforts to integrate funding, collaborate governance, cross-train, coordinate information gathering and management, and provide a one-stop service center or community-based service delivery system to improve the provision of services offered to children and families. The plan must also address the barriers to collaboration.

Subd. 5. [COMMISSIONERS' REPORT.] For purposes of this section, the several commissioners shall provide one consolidated report to the legislature by January 1, 1996. The

report shall evaluate the pilot counties' single plan and shall provide the advantages and problems with consolidating the plans.

Sec. 10. [WORKER PROVISIONS.]

Subdivision 1. [LEGISLATIVE FINDINGS.] The legislature finds that the reorganization of state agencies, including the abolishment of agencies or their functions and the merger of agency functions to the extent possible, makes the best use of affected agency employees and improves the direct service capabilities of state employees to provide public services to citizens of the state and to customers of the agency. To assure that quality services are delivered to citizens of Minnesota, appointing authorities shall comply with this section.

Subd. 2. [RESTRUCTURING PROVISIONS.] The restructuring of agencies required by this act must be conducted in accordance with Minnesota Statutes, sections 15.039 and 43A.045.

Subd. 3. Each exclusive representative of employees shall select a committee member from each of its bargaining units in each affected agency. The head of each agency shall select an employee member from each unit of employees not represented by an exclusive representative. The agency head shall also appoint one or more committee members to represent the agency. The number of members appointed by the agency head, however, may not exceed the total number of members selected by exclusive representatives. The labor and management committee must be participatory and nonauthoritarian. Exclusive representatives must be directly involved in the work of the committee.

(b) The committee established under paragraph (a) shall:

Bargaining under this subdivision must have as its purpose the achievement of the highest possible degree of public service delivery to the citizens of Minnesota and the provision of appropriate incentives to state employees. Incentives may include, but are not limited to, early retirement incentives, negotiated options in place of layoff, methods to mitigate layoffs and the effect of layoffs, job training and retraining opportunities, and enhanced severance.

Subd. 5. [EMPLOYEE TRAINING AND RETRAINING.] The legislature recognizes that a well-trained and well-educated work force is needed to provide effective and efficient public service delivery and that training and retraining of state employees is a priority when merger and reorganization of state agencies occur. The labor and management committee required by subdivision 2 shall determine the employee training and retraining required because of agency reorganization. Employees whose job duties are affected by reorganization must be given the opportunity to take part in training or retraining for the new job duties. Existing employees must be trained or retrained for agency positions before new hiring takes place.

The functions identified by the commissioner-designate are transferred to the department of children, families, and learning under Minnesota Statutes, section 15.039, effective October 1, 1995.

The report shall make recommendations on the appropriate agency placement of the income maintenance and economic security programs reviewed.

Sec. 13. [REVISOR INSTRUCTION.]

The revisor of statutes shall identify in Minnesota Statutes and Minnesota Rules all references to the commissioner of education and the department of education and shall make the following terminology changes:

If an employer decides not to make the full employer contribution to the pension fund after July 1, 1995, it must notify any affected part-time teacher of this decision in writing within 30 days of the employer's decision. A teacher receiving this notice who wishes to return to work full time must notify the employer of intent to return to full-time employment within 30 days of receiving notice from the employer, and must return to full-time employment by the beginning of the next school year.

Sec. 13. Minnesota Statutes 1994, section 356.30, subdivision 1, is amended to read:

Subdivision 1. [ELIGIBILITY; COMPUTATION OF ANNUITY.] (1) Notwithstanding any provisions to the contrary of the laws governing the funds enumerated in subdivision 3, a person who has met the qualifications of clause (2) may elect to receive a retirement annuity from each fund in which the person has at least six months allowable service, based on the allowable service in each fund, subject to the provisions of clause (3).

(2) A person may receive upon retirement a retirement annuity from each fund in which the person has at least six months allowable service, and augmentation of a deferred annuity calculated under the laws governing each public pension plan or fund named in subdivision 3, from the date the person terminated all public service if:

(a) the person has allowable service totaling an amount that allows the person to receive an annuity in any two or more of the enumerated funds; and

(b) the person has not begun to receive an annuity from any enumerated fund or the person has made application for benefits from all funds and the effective dates of the retirement annuity with each fund under which the person chooses to receive an annuity are within a one-year period.

(3) The retirement annuity from each fund must be based upon the allowable service in each fund, except that:

(a) The laws governing annuities must be the law in effect on the date of termination from the last period of public service under a covered fund with which the person earned a minimum of one-half year of allowable service credit during that employment.

(b) The "average salary" on which the annuity from each covered fund in which the employee has credit in a formula plan shall be based on the employee's highest five successive years of covered salary during the entire service in covered funds.

(c) The formula percentages to be used by each fund must be those percentages prescribed by each fund's formula as continued for the respective years of allowable service from one fund to the next, recognizing all previous allowable service with the other covered funds.

(d) Allowable service in all the funds must be combined in determining eligibility for and the application of each fund's provisions in respect to actuarial reduction in the annuity amount for retirement prior to normal retirement.

(e) The annuity amount payable for any allowable service under a nonformula plan of a covered fund must not be affected but such service and covered salary must be used in the above calculation.

(f) This section shall not apply to any person whose final termination from the last public service under a covered fund is prior to May 1, 1975.

(g) For the purpose of computing annuities under this section the formula percentages used by any covered fund, except the basic program of the teachers retirement association, the public employees police and fire fund, must not exceed 2-1/2 percent per year of service for any year of service or fraction thereof. The formula percentage used by the public employees police and fire fund must not exceed 2.65 percent per year of service for any year of service or fraction thereof. The formula percentage used by the teachers retirement association must not exceed 2.63 percent per year of basic program service for any year of basic program service or fraction thereof.

(h) Any period of time for which a person has credit in more than one of the covered funds must be used only once for the purpose of determining total allowable service.

(j) If the period of duplicated service credit is less than six months, or when added to other service credit with that fund is less than six months, the service credit must be ignored and a refund of contributions made to the person in accord with that fund's refund provisions.

(b) The minimum portion of a refund repayment is one-third of the total service credit period of all refunds taken from a single plan.

(c) The cost of the partial refund repayment is the product of the cost of the total repayment multiplied by the ratio of the restored service credit to the total forfeited service credit. The total repayment amount includes interest at the annual rate of 8.5 percent, compounded annually, from the refund date to the date repayment is received.

(d) The restored service credit is allocated based on the relationship the restored service bears to the total service credit period for all refunds taken from a single pension plan.

(e) This section does not authorize a public pension plan member to repay a refund if the law governing the plan does not authorize the repayment of a refund of member contributions.

Sec. 15. Minnesota Statutes 1994, section 356.611, is amended to read:

356.611 [LIMITATION ON PUBLIC EMPLOYEE SALARIES FOR PENSION PURPOSES.]

If a teacher described in this paragraph wishes to obtain allowable service credit as if the teacher had been working full time for the period from July 1, 1994, to June 30, 1995, the teacher must:

(1) make a lump sum payment to the applicable pension fund within 60 days after the effective date of this section of the difference between the amount of the employer and employee contributions to the pension fund that would have been paid if the teacher had been working full time, and that amount that was actually paid for part-time service during that period; and

(2) submit to the association a letter or other document from the board of the teacher's employing district stating that the board would have agreed to the teacher's participation in the part-time mobility program during the 1994-1995 school year but for the requirement then in effect that the district make the full employer contribution to the retirement fund for teachers with 20 or more years of service, based on the compensation that would have been paid if the teacher had been employed on a full-time basis.

(b) An employer of a teacher covered by paragraph (a) must notify the teacher of the option available under paragraph (a) in writing within 30 days of the effective date of this section.

Sec. 17. [EARLY RETIREMENT INCENTIVE.]

The metropolitan council or the Minnesota historical society may offer its eligible employees the early retirement incentive provided in sections 17 to 25.

Sec. 18. [ELIGIBILITY.]

An employee of a public employer specified in section 17 is eligible to receive the early retirement incentive if the employee:

Sec. 19. [EARLY RETIREMENT INCENTIVE.]

Subdivision 1. [CHOICE.] An eligible employee may not choose both the incentive in subdivision 2 and the incentive in subdivision 3. The public employers specified in section 17 that choose to offer the early retirement incentive must offer included employees eligible for both incentives a choice between the incentive in subdivision 2 or 3.

Subd. 2. [FORMULA INCREASE OPTION.] For an employee covered by a retirement plan established in Minnesota Statutes, section 352.115, 352.116, 353.29, or 353.30, or chapter 354 or 422A, who selects the incentive under this subdivision, the multiplier percentage used to calculate the retirement annuity must be increased for each year of service credit up to 30 years. The amount of the increase is:

(1) .25 for each year of service credit calculated under Minnesota Statutes, section 352.115, 352.116, 353.29, or 353.30, or chapter 422A; and

(2) .10 for each year of service credit calculated under Minnesota Statutes, chapter 354 or 354A.

If an employee has more than 30 years of service credit, the increased multiplier applies only to the first 30 years.

Subd. 3. [INSURANCE OPTION.] For an employee who selects the incentive under this subdivision, the employer must pay for hospital, medical, and dental insurance under the following conditions and limitations. An employee is eligible for this employer-paid insurance only if the person:

(1) is eligible for employer-paid insurance under a collective bargaining agreement or personnel plan in effect on the day before the effective date of sections 17 to 25;

(2) has at least as many months of service with the current employer as the number of months younger than age 65 the person is at the time of retirement; and

(3) is under age 65.

Sec. 20. [LIMIT ON REHIRING.]

A public employer may not rehire an employee who retires under sections 17 to 25.

For purposes of sections 17 to 25, an employee retires when the employee terminates active employment and applies for retirement benefits.

Sec. 22. [CONDITIONS; INSURANCE COVERAGE.]

A retired employee is eligible for single and dependent insurance coverages and employer payments to which the employee was entitled immediately before retirement, subject to any changes in coverage and employer and employee payments through collective bargaining or

personnel plans for employees in positions equivalent to the position from which the employee retired. The retired employee is not eligible for employer-paid life insurance. Eligibility ceases when the retired employee attains the age of 65, chooses not to receive the retirement benefits for which the employee has applied, or becomes eligible for employer-paid health insurance from a new employer. Coverages must be coordinated with relevant health insurance benefits provided through the federally sponsored Medicare program.

Sec. 23. [INCLUSION.]

A public employer that offers incentives under sections 17 to 25 shall designate the positions or group of positions affected by downsizing or restructuring that will qualify for participation in its early retirement plan and may exclude otherwise eligible employees.

Sec. 24. [PAYMENT OF COST OF EARLY RETIREMENT INCENTIVE.]

(a) A public employer referenced in section 17 which offers an early retirement incentive under section 19 must make an additional employer contribution to the applicable retirement plan from which an employee retired under the incentive program.

(b) The additional employer contribution is an amount equal to the difference in the amount of the reserve transfer under Minnesota Statutes, section 11A.18, or 422A.06, subdivision 8, with the early retirement incentive under section 19, subdivision 2, and without the early retirement incentive. The additional employer contribution must be paid prior to July 1, 1997. The public employer shall also pay compound interest on the additional employer contribution at an annual rate of 8.5 percent from the effective date of the retirement to the date of the payment of the additional employer contribution.

Sec. 25. [APPLICATION OF OTHER LAWS.]

Unilateral implementation of sections 17 to 25 by a public employer is not an unfair labor practice for purposes of Minnesota Statutes, chapter 179A. The requirement in sections 17 to 25 for an employer to pay health insurance coverage costs for certain retired employees is not subject to the limits in Minnesota Statutes, section 179A.20, subdivision 2a.

Sec. 26. [REPEALER.]

Minnesota Statutes 1994, sections 3A.10, subdivision 2; and 352.021, subdivision 5, are repealed.

Subd. 2. [PRE-1995 CONSOLIDATIONS.] For any consolidation account in effect on July 1, 1995, the public employee police and fire fund benefit plan applicable to consolidation account members who have elected or will elect that benefit plan coverage under section 353A.08 is the pre-July 1, 1995, public employees police and fire fund benefit plan unless the applicable municipality approves the extension of the post-June 30, 1995, public employees police and fire fund benefit plan to the consolidation account.

Sec. 6. Minnesota Statutes 1994, section 356.30, subdivision 1, is amended to read:

Subdivision 1. [ELIGIBILITY; COMPUTATION OF ANNUITY.] (1) Notwithstanding any provisions to the contrary of the laws governing the funds enumerated in subdivision 3, a person who has met the qualifications of clause (2) may elect to receive a retirement annuity from each fund in which the person has at least six months allowable service, based on the allowable service in each fund, subject to the provisions of clause (3).

(2) A person may receive upon retirement a retirement annuity from each fund in which the person has at least six months allowable service, and augmentation of a deferred annuity calculated under the laws governing each public pension plan or fund named in subdivision 3, from the date the person terminated all public service if:

(a) the person has allowable service totaling an amount that allows the person to receive an annuity in any two or more of the enumerated funds; and

(b) the person has not begun to receive an annuity from any enumerated fund or the person has made application for benefits from all funds and the effective dates of the retirement annuity with each fund under which the person chooses to receive an annuity are within a one-year period.

(3) The retirement annuity from each fund must be based upon the allowable service in each fund, except that:

(a) The laws governing annuities must be the law in effect on the date of termination from the last period of public service under a covered fund with which the person earned a minimum of one-half year of allowable service credit during that employment.

(b) The "average salary" on which the annuity from each covered fund in which the employee has credit in a formula plan shall be based on the employee's highest five successive years of covered salary during the entire service in covered funds.

(c) The formula percentages to be used by each fund must be those percentages prescribed by each fund's formula as continued for the respective years of allowable service from one fund to the next, recognizing all previous allowable service with the other covered funds.

(d) Allowable service in all the funds must be combined in determining eligibility for and the application of each fund's provisions in respect to actuarial reduction in the annuity amount for retirement prior to normal retirement.

(e) The annuity amount payable for any allowable service under a nonformula plan of a covered fund must not be affected but such service and covered salary must be used in the above calculation.

(f) This section shall not apply to any person whose final termination from the last public service under a covered fund is prior to May 1, 1975.

(g) For the purpose of computing annuities under this section the formula percentages used by any covered fund, except the public employees police and fire fund and the state patrol retirement fund, must not exceed 2-1/2 percent per year of service for any year of service or fraction thereof. The formula percentage used by the public employees police and fire fund and the state patrol retirement fund must not exceed 2.65 percent per year of service for any year of service or fraction thereof.

(h) Any period of time for which a person has credit in more than one of the covered funds must be used only once for the purpose of determining total allowable service.

(i) If the period of duplicated service credit is more than six months, or the person has credit for more than six months with each of the funds, each fund shall apply its formula to a prorated service credit for the period of duplicated service based on a fraction of the salary on which deductions were paid to that fund for the period divided by the total salary on which deductions were paid to all funds for the period.

(j) If the period of duplicated service credit is less than six months, or when added to other service credit with that fund is less than six months, the service credit must be ignored and a refund of contributions made to the person in accord with that fund's refund provisions.

ARTICLE 5

HIGHER EDUCATION SYSTEM EARLY RETIREMENT EMPLOYER-PAID HEALTH INSURANCE PREMIUM INCENTIVE

Section 1. [STATE COLLEGE AND UNIVERSITY EARLY RETIREMENT INCENTIVES.]

Subdivision 1. [INTENT.] To avoid the disruptive effects of employee layoffs due to campus consolidations, mergers, and budget reductions resulting in downsizing within the Minnesota state colleges and universities and the higher education coordinating board, an employer-funded early retirement incentive is made available in this section to employees of the state universities, community colleges, technical colleges, the existing system central offices, and the higher education coordinating board.

Subd. 2. [EMPLOYER PARTICIPATION.] The early retirement incentives provided in this section may be offered to eligible employees in the state university, community college, technical college systems, the higher education board, and the higher education coordinating board. The incentives apply to personnel in any state university, community college, or technical college department being downsized or where a reduction in force has been declared by the president of the institution. In the case of personnel in the chancellor's office, a reduction in force must be declared by the chancellor or the chancellor's designee or the executive director of the higher education coordinating board. Positions that are not assigned to a specific department or support positions that are assigned campus-wide or to a specific department are considered to be campus-wide in jurisdiction and eligible for this incentive as part of the reduction-in-force declaration.

Subd. 3. [ELIGIBILITY.] A person identified in subdivision 2 is eligible to receive the incentives if the person:

(1) has at least 15 years of combined service credit in any Minnesota public pension plans governed by Minnesota Statutes, section 356.30, subdivision 3, and the plan governed by Minnesota Statutes, chapter 354B;

(2) upon retirement is immediately eligible for a retirement annuity from a defined benefit plan if the person is a member of a defined benefit plan;

(3) is at least 55 years of age; and

(4) either retires before January 31, 1996, or, for a person who first becomes eligible for this incentive between January 31, 1996, and December 31, 1996, retires before January 31, 1997.

Subd. 4. [INCENTIVE.] Persons who retire under this section are eligible to receive employer-paid hospital, medical, and dental insurance, subject to the conditions in subdivision 5 and at the level and under conditions existing at the time of retirement.

Subd. 5. [LIMITS ON REHIRING.] Persons retiring under the provisions of this section may not be reemployed by the state or hired under a professional technical contract in any capacity except:

(1) under conditions of a stated emergency, and then only if the rehire or contract is approved by the higher education board or the higher education coordinating board under procedures adopted by the boards; and

(2) if rehired as adjunct faculty as defined in the appropriate bargaining agreement, or, if rehired by another executive branch agency of state government, if the retired employee works only on a seasonal, temporary, or intermittent basis as defined in Minnesota Statutes, section 43A.02, subdivision 23, or 179A.03, subdivision 14, clause (f), for no more than 1,044 hours in any consecutive 12-month period.

Subd. 6. [CONDITIONS; INSURANCE COVERAGE.] (a) A retired employee is eligible for single and dependent insurance coverages and employer payments to which the person was entitled immediately before retirement, subject to any changes in coverage and employer and employee payments through collective bargaining or personnel plans for employees in positions equivalent to the position from which the employee retired. The retired employee is not eligible for employer-paid life insurance. Eligibility ceases when the retired employee reaches age 65, when the person chooses not to receive the retirement benefits for which the person has applied, or when the person is eligible for employer-paid health insurance from a new employer. Coverages must be coordinated with relevant health insurance benefits provided through the federally sponsored Medicare program.

(b) If an employing unit referenced in subdivision 1 offers the incentive under this section and is subsequently eliminated or reorganized, the successor organization, if any, is obligated to pay the insurance premium incentive.

Subd. 7. [APPLICATION OF OTHER LAWS.] Unilateral implementation of this section by a public employer is not an unfair labor practice for the purposes of Minnesota Statutes, chapter 179A. The requirement in this section for an employer to pay health insurance costs for certain retired employees is not subject to the limits in Minnesota Statutes, section 179A.20, subdivision 2a.

Sec. 2. [NOTIFICATION OF SUBSEQUENT HEALTH COVERAGE: PENALTY FOR NOTIFICATION FAILURE.]

(a) An employee who accepts the early retirement incentive benefit under section 1 agrees as a condition of receipt of the incentive to notify the higher education board or the higher education coordinating board within 30 days of the event that the person is eligible for employer-paid health insurance from subsequent employment.

(b) Failure to make the notification required in paragraph (a) obligates the person to reimburse the higher education board or the higher education coordinating board for any insurance premiums that it paid since the person became eligible for the subsequent employment health insurance coverage.

Sec. 3. [EFFECTIVE DATE.]

Sections 1 and 2 are effective on the day following final enactment.

(b) The board must have three officers, including a president, a secretary, and a treasurer. The membership of the consolidated volunteer firefighters relief association must elect the three officers from the nine board members. A board of trustees member may not hold more than one officer position at the same time.

Subd. 3. [SPECIAL AND GENERAL FUNDS.] (a) The consolidated volunteer firefighters relief association must establish and maintain a special fund and may establish and maintain a general fund.

(b) The special fund must be established and maintained as provided in Minnesota Statutes, section 424A.05.

(c) The general fund must be established and maintained as provided in Minnesota Statutes, section 424A.06.

Sec. 3. [CONSOLIDATION OF FORMER RELIEF ASSOCIATIONS.]

Subdivision 1. [EFFECTIVE DATE OF CONSOLIDATION.] On the first business day occurring 30 days after the establishment of the consolidated volunteer firefighters relief association under section 2, which is the effective date of consolidation, the administration, records, assets, and liabilities of the prior Crystal volunteer firefighters relief association and of the prior New Hope volunteer firefighters relief association transfer to the consolidated volunteer firefighters relief association and the Crystal volunteer firefighters relief association and the New Hope volunteer firefighters relief association cease to exist as legal entities.

Subd. 2. [TRANSFER OF ADMINISTRATION.] On the effective date of consolidation, the administration of the prior relief associations is transferred to the board of trustees of the consolidated volunteer firefighters relief association.

Subd. 3. [TRANSFER OF RECORDS.] On the effective date of consolidation, the secretary and the treasurer of the Crystal volunteer firefighters relief association and the secretary and the treasurer of the New Hope volunteer firefighters relief association shall transfer all records and documents relating to the prior relief associations to the secretary and the treasurer of the consolidated volunteer firefighters relief association.

Subd. 4. [TRANSFER OF SPECIAL FUND ASSETS AND LIABILITIES.] (a) On the effective date of consolidation, the secretary and the treasurer of the Crystal volunteer firefighters relief association and the secretary and the treasurer of the New Hope volunteer firefighters relief association shall cause to occur the transfer of the assets of the special fund of the applicable relief association to the special fund of the consolidated relief association. Unless the applicable secretary and treasurer decide otherwise, the assets may be transferred as investment securities rather than as cash. The transfer must include any accounts receivable. The applicable secretary shall settle any accounts payable from the special fund of the relief association before the effective date of consolidation.

(b) Upon the transfer of the assets of the special fund of a prior relief association, the pension liabilities of that special fund become the obligation of the special fund of the consolidated volunteer firefighters relief association.

(c) Upon the transfer of the prior relief association special fund assets, the board of trustees of the consolidated volunteer firefighters relief association has legal title to and management responsibility for the transferred assets as trustees for persons having a beneficial interest in those assets arising out of the benefit coverage provided by the prior relief association.

(d) The consolidated volunteer firefighters relief association is the successor in interest for all claims for and against the special funds of the prior Crystal volunteer firefighters relief association and the prior New Hope volunteer firefighters relief association, or the cities of Crystal and New Hope with respect to the special funds of the prior relief associations. The status of successor in interest does not apply to any claim against a prior relief association, the city in which that relief association is located, or any person connected with the prior relief association or the city, based on any act or acts that were not done in good faith and that constituted a breach of fiduciary responsibility under common law or Minnesota Statutes, chapter 356A.

Subd. 5. [DISSOLUTION OF PRIOR GENERAL FUND BALANCES.] Before the effective date of consolidation, the secretary of the Crystal volunteer firefighters relief association and the secretary of the New Hope volunteer firefighters relief association shall settle any accounts payable from the respective general fund or any other relief association fund in addition to the

relief association special fund. Any investments held by a fund of the prior relief associations in addition to the special fund must be liquidated before the effective date of consolidation as the bylaws of the relief association provide. Before consolidation, the respective relief associations shall pay all applicable general fund expenses from their respective general funds and any balance remaining in the general fund or in a fund other than the relief association special fund as of the effective date of consolidation must be paid to the new general fund of the consolidated volunteer relief association.

Subd. 6. [TERMINATION OF PRIOR RELIEF ASSOCIATIONS.] Following the transfer of administration, records, special fund assets, and special fund liabilities from the prior relief associations to the consolidated volunteer firefighters relief association, the Crystal volunteer firefighters relief association and the New Hope volunteer firefighters relief association cease to exist as legal entities. The city manager of the city of Crystal and the city manager of the city of New Hope must notify the following government officials of the termination of the respective relief associations and of the establishment of the consolidated volunteer firefighters relief association:

(1) Minnesota secretary of state;

(2) Minnesota state auditor;

(3) Minnesota commissioner of revenue; and

(4) commissioner of the federal Internal Revenue Service.

Sec. 4. [EFFECT ON PREVIOUS BENEFIT PLAN COVERAGE.]

Subdivision 1. [BENEFIT COVERAGE FOR CURRENT RETIRED MEMBERS.] (a) A person who is receiving a monthly service pension, a monthly disability benefit, or a monthly survivorship benefit from the Crystal volunteer firefighters relief association or from the New Hope volunteer firefighters relief association on the effective date of consolidation is entitled to a continuation of that pension or benefit, including any death benefit or monthly survivorship benefit provided for in the benefit plan document of the applicable prior relief association in effect on the day before the effective date of the consolidation, from the consolidated volunteer firefighters relief association. Unless paragraph (b) applies, the amount of the pension or benefit payable after the effective date of consolidation must be identical to the amount payable before the effective date of consolidation. The pension or benefit payable after the effective date of consolidation is subject to the same terms, conditions, and qualifications as were in effect before the effective date of consolidation.

(b) If the board of trustees of the consolidated volunteer firefighters relief association establishes the option, a pension or benefit recipient to whom paragraph (a) applies is entitled to elect an alternative pension or benefit amount as offered by the relief association board. To provide this alternative pension or benefit, the relief association board may arrange for a lump-sum payment or the purchase of an annuity contract for the pension or benefit recipient in place of a direct payment from the relief association to the person. The annuity contract may be purchased only from an insurance company that is licensed to do business in this state, regularly undertakes life insurance and annuity business, and is rated by a recognized national rating agency or organization as being among the top 25 percent of all insurance companies undertaking life insurance and annuity business. The alternative pension or benefit payable monthly may be in an amount greater than the pension or benefit payable before the effective date of consolidation, but may not exceed the maximum service pension or benefit payable under Minnesota Statutes, chapter 424A. In electing the alternative pension or benefit payable under an annuity contract from a qualified insurance company, the affected person must waive in writing the person's eligibility and entitlement to any direct future pension or benefit payments from the consolidated volunteer firefighters relief association.

Subd. 2. [BENEFIT COVERAGE FOR CURRENT DEFERRED MEMBERS.] (a) A person who is not an active member of the Crystal volunteer firefighters relief association or an active member of the New Hope volunteer firefighters relief association but who has sufficient service credit with one of the relief associations to be entitled to a future service pension from the appropriate relief association remains entitled to the receipt of that service pension, upon

application, when the person attains at least the minimum age for receipt of a service pension unless the person elects an alternative service pension under paragraph (b). A deferred member may transfer the member's current service pension to a member's individual account established under subdivision 3, paragraph (c), subject to the same conditions of individual accounts for active members, and remain entitled to receipt of a service pension when the member reaches the normal retirement age.

(b) If the board of trustees of the consolidated volunteer firefighters relief association establishes the option for benefit recipients under subdivision 1, the deferred service pensioner described in paragraph (a) may elect the same alternative service pension as established under subdivision 1, paragraph (b), except that the deferred service pensioner may not receive the alternative service pension at an age younger than the normal retirement age in effect for the prior applicable relief association.

Subd. 3. [BENEFIT COVERAGE FOR NEW FIREFIGHTERS AND CURRENT VESTED AND NONVESTED ACTIVE MEMBERS.] (a) The benefit coverage for persons who become firefighters for the joint fire department for the first time after the effective date of consolidation and for persons who are active members of the consolidated volunteer firefighters relief association as of the effective date of consolidation is a defined contribution plan governed under this subdivision and Minnesota Statutes, section 424A.02, subdivision 4.

(b) For an active member of the consolidated volunteer firefighters relief association as of the effective date of consolidation, that member's prior service as a firefighter in the prior Crystal fire department or the prior New Hope fire department must be converted into a dollar accumulation by multiplying each full year of prior service as a firefighter in the prior fire department of Crystal or the prior fire department of New Hope by not less than $3,000. A member's prior service of a partial year will be converted into a dollar accumulation by prorating the full year of prior service yearly amount by the number of months served in the partial year. The total calculated dollar accumulation must be credited to the member's individual account established under paragraph (c).

(c) For each active member of the consolidated volunteer firefighters relief association covered by the defined contribution plan, an individual account must be established, as provided in Minnesota Statutes, section 424A.02, subdivision 4, with an initial balance based on the conversion accumulation determined under paragraph (b), if applicable. Notwithstanding Minnesota Statutes, section 424A.02, subdivision 4, the amount of fire state aid and the amount of regular municipal contributions must be credited to individual active firefighter accounts as specified in section 6, subdivision 4.

Sec. 5. [ACTUARIAL VALUATIONS REQUIRED.]

(a) Unless all benefit recipients and deferred service pensioners elect alternative pensions or benefits under section 4, subdivisions 1, paragraph (b); and 2, paragraph (b), a special actuarial valuation of the consolidated volunteer firefighters relief association must be prepared as soon as practicable following the benefit selection under section 4, subdivision 1. The actuarial valuation must be prepared under the applicable provisions of Minnesota Statutes, sections 356.215 and 356.216.

(b) Subsequent actuarial valuations must be prepared as required under Minnesota Statutes, section 69.773, subdivisions 2 and 3, if any person is entitled or is reasonably anticipated to be entitled to a direct future monthly benefit from the consolidated relief association.

Sec. 6. [ANNUAL RELIEF ASSOCIATION FUNDING.]

Subdivision 1. [SOURCES.] In addition to investment income earned by the special fund, the sources of the annual funding of the consolidated volunteer firefighters relief association are the fire state aid received by the city of Crystal, the fire state aid received by the city of New Hope, the regular municipal contribution from the city of Crystal, and the regular municipal contribution from the city of New Hope.

Subd. 2. [FIRE STATE AID.] The fire state aid received by the city of Crystal and the fire state aid received by the city of New Hope must be deposited in the special fund of the consolidated volunteer firefighters relief association, for allocation as provided in subdivision 4.

Subd. 3. [REGULAR MUNICIPAL CONTRIBUTION.] (a) Annually, as part of the municipal budget setting process, the city council of the city of Crystal and the city council of the city of New Hope must jointly establish the amount of the regular municipal contribution by each city to the consolidated volunteer firefighters relief association.

(b) The regular municipal contribution in total must be at least equal to (1) the amount of the fire state aid received by the city of Crystal and the fire state aid received by the city of New Hope, plus (2) whatever additional amount is needed to equal the sum determined by multiplying $1,811 by the total of the number of active firefighters who are members of the consolidated volunteer firefighters relief association.

(c) The established amount for each city must be included in the budget of the respective city, and, if not payable from a municipal revenue source other than the city's property tax levy or fire state aid, must be included in the property tax levy of the respective city. The regular municipal contribution must be allocated in the manner specified in subdivision 4.

(d) If a direct service pension or entitlement is payable under section 4, subdivision 1, paragraph (a); or subdivision 2, paragraph (a), to a retiree or deferred retiree, the applicable city remains responsible for any amount of service pension that is payable beyond the relief association assets allocated for the retiree or deferred retiree. Following any actuarial valuation of the consolidated relief association, if there is a net mortality loss attributable to the applicable city, the city shall make a contribution in addition to the regular municipal contribution under paragraphs (a) to (c) equal to the amount of that net mortality loss. The municipal contribution under this paragraph is payable on or before the last business day of the month next following the completion of the actuarial valuation.

Subd. 4. [ALLOCATION OF FUNDING AMOUNTS.] (a) The annual fire state aid and the regular municipal contribution, after deduction for payment of administrative expenses as specified in subdivision 5, must be allocated to individual active firefighter accounts based on the level of firefighting services rendered by the individual active firefighter as stated in the bylaws of the consolidated volunteer firefighters relief association.

(b) Investment income earned by the special fund of the consolidated relief association must be allocated to each individual account based on the proportion of the total assets of the special fund represented by the account.

Subd. 5. [PAYMENT OF RELIEF ASSOCIATION ADMINISTRATIVE EXPENSES.] (a) The payment of authorized administrative expenses of the consolidated volunteer firefighters relief association shall be from the special fund of the relief association according to Minnesota Statutes, section 69.80, and as provided for in the bylaws of the consolidated relief association and approved by the board of trustees of the consolidated relief association. The allocation of these administrative expenses to the individual member accounts must occur as provided in the bylaws of the consolidated relief association.

(b) The payment of any other expenses of the consolidated relief association shall be from the general fund of the consolidated relief association according to Minnesota Statutes, section 69.80, and as provided for in the bylaws of the consolidated relief association and approved by the board of trustees of the consolidated relief association.

Sec. 7. [VALIDATION OF CURRENT BENEFIT PLANS AND PRIOR ACTIONS.]

Notwithstanding any provisions of Laws 1969, chapter 1088, as amended by Laws 1978, chapters 562, section 32, and 753; Laws 1979, chapter 201, section 44; or Laws 1981, chapter 224, section 250; or Laws 1971, chapter 114, as amended by Laws 1979, chapters 97, and 201, sections 27 and 44; and Laws 1981, chapter 224, section 254, the benefit plans of the Crystal volunteer firefighters relief association and of the New Hope volunteer firefighters relief association as reflected in each relief association's articles of incorporation and bylaws as of December 15, 1993, are hereby ratified and validated. Any acts previously taken by the Crystal volunteer firefighters relief association and by the New Hope volunteer firefighters relief association with those ratified articles of incorporation and bylaws are also ratified and validated.

Sec. 8. [REPEALER OF PRIOR SPECIAL LAWS.]

Sec. 9. [EFFECTIVE DATE.]

The tax on all previously registered vehicles shall be computed upon the base value thus determined taking into account the depreciation provisions of paragraph ~~(g)~~ (h).

~~(g)~~ (h) Except as provided in paragraph ~~(h)~~ (i), the annual additional tax computed upon the base value as provided herein, during the first and second years of vehicle life shall be computed upon 100 percent of the base value; for the third and fourth years, 90 percent of such value; for the

Sec. 6. Minnesota Statutes 1994, section 272.115, subdivision 1, is amended to read:

Subdivision 1. Whenever any real estate is sold for a consideration in excess of $1,000, whether by warranty deed, quitclaim deed, contract for deed or any other method of sale, the grantor,

grantee or the legal agent of either shall file a certificate of value with the county auditor in the county in which the property is located when the deed or other document is presented for recording. Contract for deeds are subject to recording under section 507.235, subdivision 1. Value shall, in the case of any deed not a gift, be the amount of the full actual consideration thereof, paid or to be paid, including the amount of any lien or liens assumed. The items and value of personal property transferred with the real property must be listed and deducted from the sale price. The certificate of value shall include the classification to which the property belongs for the purpose of determining the fair market value of the property. The certificate shall include financing terms and conditions of the sale which are necessary to determine the actual, present value of the sale price for purposes of the sales ratio study. The commissioner of revenue shall promulgate administrative rules specifying the financing terms and conditions which must be included on the certificate. Pursuant to the authority of the commissioner of revenue in section 270.066, the certificate of value must include the social security number or the federal employer identification number of the grantors and grantees. The identification numbers of the grantors and grantees are private data on individuals or nonpublic data as defined in section 13.02, subdivisions 9 and 12, but, notwithstanding that section, the private or nonpublic data may be disclosed to the commissioner of revenue for purposes of tax administration.

Sec. 7. Minnesota Statutes 1994, section 273.124, subdivision 1, is amended to read:

Subdivision 1. [GENERAL RULE.] (a) Residential real estate that is occupied and used for the purposes of a homestead by its owner, who must be a Minnesota resident, is a residential homestead.

Agricultural land, as defined in section 273.13, subdivision 23, that is occupied and used as a homestead by its owner, who must be a Minnesota resident, is an agricultural homestead.

Dates for establishment of a homestead and homestead treatment provided to particular types of property are as provided in this section.

Property of a trustee, beneficiary, or grantor of a trust is not disqualified from receiving homestead benefits if the homestead requirements under this chapter are satisfied.

The assessor shall require proof, as provided in subdivision 13, of the facts upon which classification as a homestead may be determined. Notwithstanding any other law, the assessor may at any time require a homestead application to be filed in order to verify that any property classified as a homestead continues to be eligible for homestead status.

When there is a name change or a transfer of homestead property, the assessor may reclassify the property in the next assessment unless a homestead application is filed to verify that the property continues to qualify for homestead classification.

(b) For purposes of this section, homestead property shall include property which is used for purposes of the homestead but is separated from the homestead by a road, street, lot, waterway, or other similar intervening property. The term "used for purposes of the homestead" shall include but not be limited to uses for gardens, garages, or other outbuildings commonly associated with a homestead, but shall not include vacant land held primarily for future development. In order to receive homestead treatment for the noncontiguous property, the owner shall apply for it to the assessor by July 1 of the year when the treatment is initially sought. After initial qualification for the homestead treatment, additional applications for subsequent years are not required.

(c) Residential real estate that is occupied and used for purposes of a homestead by a relative of the owner is a homestead but only to the extent of the homestead treatment that would be provided if the related owner occupied the property. For purposes of this paragraph and paragraph (f), "relative" means a parent, stepparent, child, stepchild, grandparent, grandchild, brother, sister, uncle, or aunt. This relationship may be by blood or marriage. Property ~~that was~~ classified as seasonal recreational residential property ~~at the time when treatment under this paragraph would first apply shall continue to be classified as seasonal recreational residential property for the first four assessment years beginning after the date when the relative of the owner occupies the property as a homestead~~ will not be reclassified as a homestead unless it is occupied as a homestead by the owner; this ~~delay~~ prohibition also applies to property that, in the absence of this paragraph, would have been classified as seasonal recreational residential property at the time

when the residence was constructed. Neither the related occupant nor the owner of the property may claim a property tax refund under chapter 290A for a homestead occupied by a relative. In the case of a residence located on agricultural land, only the house, garage, and immediately surrounding one acre of land shall be classified as a homestead under this paragraph, except as provided in paragraph (d).

(d) Agricultural property that is occupied and used for purposes of a homestead by a relative of the owner, is a homestead, only to the extent of the homestead treatment that would be provided if the related owner occupied the property, and only if all of the following criteria are met:

(1) the relative who is occupying the agricultural property is a son, daughter, father, or mother of the owner of the agricultural property or a son or daughter of the spouse of the owner of the agricultural property,

(2) the owner of the agricultural property must be a Minnesota resident,

(3) the owner of the agricultural property must not receive homestead treatment on any other agricultural property in Minnesota, and

(4) the owner of the agricultural property is limited to only one agricultural homestead per family under this paragraph.

Neither the related occupant nor the owner of the property may claim a property tax refund under chapter 290A for a homestead occupied by a relative qualifying under this paragraph. For purposes of this paragraph, "agricultural property" means the house, garage, other farm buildings and structures, and agricultural land.

Application must be made to the assessor by the owner of the agricultural property to receive homestead benefits under this paragraph. The assessor may require the necessary proof that the requirements under this paragraph have been met.

(e) In the case of property owned by a property owner who is married, the assessor must not deny homestead treatment in whole or in part if only one of the spouses occupies the property and the other spouse is absent due to: (1) marriage dissolution proceedings, (2) legal separation, (3) employment or self-employment in another location ~~as provided under subdivision 13, or~~ (4) residence in a nursing home or boarding care facility, or (5) other personal circumstances causing the spouses to live separately, not including an intent to obtain two homestead classifications for property tax purposes. To qualify under clause (3), the spouse's place of employment or self-employment must be at least 50 miles distant from the other spouse's place of employment, and the homesteads must be at least 50 miles distant from each other. Homestead treatment, in whole or in part, shall not be denied to the spouse of an owner if he or she previously occupied the residence with the owner and the absence of the owner is due to one of the exceptions provided in this paragraph.

(f) If an individual is purchasing property with the intent of claiming it as a homestead and is required by the terms of the financing agreement to have a relative shown on the deed as a coowner, the assessor shall allow a full homestead classification. This provision only applies to first-time purchasers, whether married or single, or to a person who had previously been married and is purchasing as a single individual for the first time. The application for homestead benefits must be on a form prescribed by the commissioner and must contain the data necessary for the assessor to determine if full homestead benefits are warranted.

Sec. 8. Minnesota Statutes 1994, section 273.124, subdivision 13, is amended to read:

Subd. 13. [HOMESTEAD APPLICATION.] (a) A person who meets the homestead requirements under subdivision 1 must file a homestead application with the county assessor to initially obtain homestead classification.

(b) On or before January 2, 1993, each county assessor shall mail a homestead application to the owner of each parcel of property within the county which was classified as homestead for the 1992 assessment year. The format and contents of a uniform homestead application shall be prescribed by the commissioner of revenue. The commissioner shall consult with the chairs of the house and senate tax committees on the contents of the homestead application form. The

application must clearly inform the taxpayer that this application must be signed by all owners who occupy the property or by the qualifying relative and returned to the county assessor in order for the property to continue receiving homestead treatment. The envelope containing the homestead application shall clearly identify its contents and alert the taxpayer of its necessary immediate response.

(c) Every property owner applying for homestead classification must furnish to the county assessor the social security number of each occupant who is listed as an owner of the property on the deed of record, the name and address of each owner who does not occupy the property, and the name and social security number of each owner's spouse who occupies the property. The application must be signed by each owner who occupies the property and by each owner's spouse who occupies the property, or, in the case of property that qualifies as a homestead under subdivision 1, paragraph (c), by the qualifying relative.

If a property owner occupies a homestead, the property owner's spouse may not claim another property as a homestead unless the property owner and the property owner's spouse file with the assessor an affidavit or other proof required by the assessor stating that the property ~~owner's spouse does not occupy the homestead because marriage dissolution proceedings are pending, the spouses are legally separated, or the spouse's employment or self-employment location requires the spouse to have a separate homestead. The assessor may require proof of employment or self-employment and employment or self-employment location, or proof of dissolution proceedings or legal separation~~ qualifies as a homestead under subdivision 1, paragraph (e).

~~If the social security number or affidavit or other proof is not provided, the county assessor shall classify the property as nonhomestead.~~ Owners or spouses occupying residences owned by their spouses and previously occupied with the other spouse, either of whom fail to include the other spouse's name and social security number of the homestead application or provide the affidavits or other proof requested, will be deemed to have elected to receive only partial homestead treatment of their residence. The remainder of the residence will be classified as nonhomestead residential. When an owner or spouse's name and social security number appear on homestead applications for two separate residences and only one application is signed, the owner or spouse will be deemed to have elected to homestead the residence for which the application was signed.

The social security numbers or affidavits or other proofs of the property owners and spouses are private data on individuals as defined by section 13.02, subdivision 12, but, notwithstanding that section, the private data may be disclosed to the commissioner of revenue, or, for purposes of proceeding under the revenue recapture act to recover personal property taxes owing, to the county treasurer.

(d) If residential real estate is occupied and used for purposes of a homestead by a relative of the owner and qualifies for a homestead under subdivision 1, paragraph (c), in order for the property to receive homestead status, a homestead application must be filed with the assessor. The social security number of each relative occupying the property and the social security number of each owner who is related to an occupant of the property shall be required on the homestead application filed under this subdivision. If a different relative of the owner subsequently occupies the property, the owner of the property must notify the assessor within 30 days of the change in occupancy. The social security number of a relative occupying the property is private data on individuals as defined by section 13.02, subdivision 12, but may be disclosed to the commissioner of revenue.

(e) The homestead application shall also notify the property owners that the application filed under this section will not be mailed annually and that if the property is granted homestead status for the 1993 assessment, or any assessment year thereafter, that same property shall remain classified as homestead until the property is sold or transferred to another person, or the owners, the spouse of the owner, or the relatives no longer use the property as their homestead. Upon the sale or transfer of the homestead property, a certificate of value must be timely filed with the county auditor as provided under section 272.115. Failure to notify the assessor within 30 days that the property has been sold, transferred, or that the owner, the spouse of the owner, or the relative is no longer occupying the property as a homestead, shall result in the penalty provided under this subdivision and the property will lose its current homestead status.

(f) If the homestead application is not returned within 30 days, the county will send a second application to the present owners of record. The notice of proposed property taxes prepared under section 275.065, subdivision 3, shall reflect the property's classification. Beginning with assessment year 1993 for all properties, If a homestead application has not been filed with the county by December 15, the assessor shall classify the property as nonhomestead for the current assessment year for taxes payable in the following year, provided that the owner may be entitled to receive the homestead classification by proper application under section 375.192.

(g) At the request of the commissioner, each county must give the commissioner a list that includes the name and social security number of each property owner and the property owner's spouse occupying the property, or relative of a property owner, applying for homestead classification under this subdivision. The commissioner shall use the information provided on the lists as appropriate under the law, including for the detection of improper claims by owners, or relatives of owners, under chapter 290A.

(h) If, in comparing the lists supplied by the counties, the commissioner finds that a property owner ~~is~~ may be claiming ~~more than one~~ a fraudulent homestead, the commissioner shall notify the appropriate counties. Within 90 days of the notification, the county assessor shall investigate to determine if the homestead classification was properly claimed. If the property owner does not qualify, the county assessor shall notify the county auditor who will determine the amount of homestead benefits that had been improperly allowed. For the purpose of this section, "homestead benefits" means the tax reduction resulting from the classification as a homestead under section 273.13, the taconite homestead credit under section 273.135, and the supplemental homestead credit under section 273.1391.

The county auditor shall send a notice to the owners of the affected property, demanding reimbursement of the homestead benefits plus a penalty equal to 100 percent of the homestead benefits. The property owners may appeal the county's determination by filing a notice of appeal with the Minnesota tax court within 60 days of the date of the notice from the county. If the amount of homestead benefits and penalty is not paid within 60 days, and if no appeal has been filed, the county auditor shall certify the amount of taxes and penalty to the succeeding year's tax list to be collected as part of the property taxes. In the case of a manufactured home, the amount shall be certified to the current year's tax list for collection.

(i) Any amount of homestead benefits recovered by the county from the property owner shall be distributed to the county, city or town, and school district where the property is located in the same proportion that each taxing district's levy was to the total of the three taxing districts' levy for the current year. Any amount recovered attributable to taconite homestead credit shall be transmitted to the St. Louis county auditor to be deposited in the taconite property tax relief account. The total amount of penalty collected must be deposited in the county general fund.

(j) If a property owner has applied for more than one homestead and the county assessors cannot determine which property should be classified as homestead, the county assessors will refer the information to the commissioner. The commissioner shall make the determination and notify the counties within 60 days.

(k) In addition to lists of homestead properties, the commissioner may ask the counties to furnish lists of all properties and the record owners.

Sec. 9. Minnesota Statutes 1994, section 273.13, subdivision 24, is amended to read:

Subd. 24. [CLASS 3.] (a) Commercial and industrial property and utility real and personal property, except class 5 property as identified in subdivision 31, clause (1), is class 3a. It has a class rate of three percent of the first $100,000 of market value for taxes payable in 1993 and thereafter, and 5.06 percent of the market value over $100,000. In the case of state-assessed commercial, industrial, and utility property owned by one person or entity, only one parcel has a reduced class rate on the first $100,000 of market value. In the case of other commercial, industrial, and utility property owned by one person or entity, only one parcel in each county has a reduced class rate on the first $100,000 of market value, except that:

(1) if the market value of the parcel is less than $100,000, and additional parcels are owned by the same person or entity in the same city or town within that county, the reduced class rate shall

be applied up to a combined total market value of $100,000 for all parcels owned by the same person or entity in the same city or town within the county;

(2) in the case of grain, fertilizer, and feed elevator facilities, as defined in section 18C.305, subdivision 1, or 232.21, subdivision 8, the limitation to one parcel per owner per county for the reduced class rate shall not apply, but there shall be a limit of $100,000 of preferential value per site of contiguous parcels owned by the same person or entity. Only the value of the elevator portion of each parcel shall qualify for treatment under this clause. For purposes of this subdivision, contiguous parcels include parcels separated only by a railroad or public road right-of-way; and

(3) in the case of property owned by a nonprofit charitable organization that qualifies for tax exemption under section 501(c)(3) of the Internal Revenue Code of 1986, as amended through December 31, 1993, if the property is used as a business incubator, the limitation to one parcel per owner per county for the reduced class rate shall not apply, provided that the reduced rate applies only to the first $100,000 of value per parcel owned by the organization. As used in this clause, a "business incubator" is a facility used for the development of nonretail businesses, offering access to equipment, space, services, and advice to the tenant businesses, for the purpose of encouraging economic development, diversification, and job creation in the area served by the organization.

To receive the reduced class rate on additional parcels under clause (1), (2), or (3), the taxpayer must notify the county assessor that the taxpayer owns more than one parcel that qualifies under clause (1), (2), or (3).

(b) Employment property defined in section 469.166, during the period provided in section 469.170, shall constitute class 3b and has a class rate of 2.3 percent of the first $50,000 of market value and 3.6 percent of the remainder, except that for employment property located in a border city enterprise zone designated pursuant to section 469.168, subdivision 4, paragraph (c), the class rate of the first $100,000 of market value and the class rate of the remainder is determined under paragraph (a), unless the governing body of the city designated as an enterprise zone determines that a specific parcel shall be assessed pursuant to the first clause of this sentence. The governing body may provide for assessment under the first clause of the preceding sentence only for property which is located in an area which has been designated by the governing body for the receipt of tax reductions authorized by section 469.171, subdivision 1.

(c) Structures which are (i) located on property classified as class 3a, (ii) constructed under an initial building permit issued after January 2, 1996, (iii) located in a transit zone as defined under section 473.3915, subdivision 3, (iv) located within the boundaries of a school district, and (v) not primarily used for retail or transient lodging purposes, shall have a class rate of four percent on that portion of the market value in excess of $100,000 and any market value under $100,000 that does not qualify for the three percent class rate under paragraph (a). As used in item (v), a structure is primarily used for retail or transient lodging purposes if over 50 percent of its square footage is used for those purposes. The four percent rate shall also apply to improvements to existing structures that meet the requirements of items (i) to (v) if the improvements are constructed under an initial building permit issued after January 2, 1996, even if the remainder of the structure was constructed prior to January 2, 1996. For the purposes of this paragraph, a structure shall be considered to be located in a transit zone if any portion of the structure lies within the zone. If any property once eligible for treatment under this paragraph ceases to remain eligible due to revisions in transit zone boundaries, the property shall continue to receive treatment under this paragraph for a period of three years.

Sec. 10. Minnesota Statutes 1994, section 273.13, subdivision 25, is amended to read:

Subd. 25. [CLASS 4.] (a) Class 4a is residential real estate containing four or more units and used or held for use by the owner or by the tenants or lessees of the owner as a residence for rental periods of 30 days or more. Class 4a also includes hospitals licensed under sections 144.50 to 144.56, other than hospitals exempt under section 272.02, and contiguous property used for hospital purposes, without regard to whether the property has been platted or subdivided. (b) Class 4b includes:

(1) residential real estate containing less than four units, other than seasonal residential, and recreational;

(2) manufactured homes not classified under any other provision;

(3) a dwelling, garage, and surrounding one acre of property on a nonhomestead farm classified under subdivision 23, paragraph (b).

Class 4b property has a class rate of 2.8 percent of market value for taxes payable in 1992, 2.5 percent of market value for taxes payable in 1993, and 2.3 percent of market value for taxes payable in 1994 and thereafter.

(c) Class 4c property includes:

(1) a structure that is:

(ii) situated on real property that is used for housing the elderly or for low- and moderate-income families as defined by the Minnesota housing finance agency law of 1971, as amended, or rules adopted by the agency pursuant thereto and financed by a loan made by the Minnesota housing finance agency pursuant to the provisions of the act.

This clause applies only to property of a nonprofit or limited dividend entity. Property is classified as class 4c under this clause for 15 years from the date of the completion of the original construction or substantial rehabilitation, or for the original term of the loan.

(2) a structure that is:

(i) situated upon real property that is used for housing lower income families or elderly or handicapped persons, as defined in section 8 of the United States Housing Act of 1937, as amended; and

Classification pursuant to this clause is limited to a term of 15 years. The public financing received must be from at least one of the following sources: government issued bonds exempt from taxes under section 103 of the Internal Revenue Code of 1986, as amended through December 31, 1993, the proceeds of which are used for the acquisition or rehabilitation of the building; programs under section 221(d)(3), 202, or 236, of Title II of the National Housing Act; rental housing program funds under Section 8 of the United States Housing Act of 1937 or the market rate family graduated payment mortgage program funds administered

For all properties described in clauses (1), (2), and (3) and in paragraph (d), the market value determined by the assessor must be based on the normal approach to value using normal unrestricted rents unless the owner of the property elects to have the property assessed under Laws 1991, chapter 291, article 1, section 55. If the owner of the property elects to have the market value determined on the basis of the actual restricted rents, as provided in Laws 1991, chapter 291, article 1, section 55, the property will be assessed at the rate provided for class 4a or class 4b property, as appropriate. Properties described in clauses (1)(ii), (3), and (4) may apply to the assessor for valuation under Laws 1991, chapter 291, article 1, section 55. The land on which these structures are situated has the class rate given in paragraph (b) if the structure contains fewer than four units, and the class rate given in paragraph (a) if the structure contains four or more units. This clause applies only to the property of a nonprofit or limited dividend entity.

(4) a parcel of land, not to exceed one acre, and its improvements or a parcel of unimproved land, not to exceed one acre, if it is owned by a neighborhood real estate trust and at least 60 percent of the dwelling units, if any, on all land owned by the trust are leased to or occupied by lower income families or individuals. This clause does not apply to any portion of the land or improvements used for nonresidential purposes. For purposes of this clause, property is devoted to a commercial purpose on a specific day if any portion of the property is used for residential occupancy, and a fee is charged for residential occupancy. Class 4c also includes commercial use real property used exclusively for recreational purposes in conjunction with class 4c property devoted to temporary and seasonal residential occupancy for recreational purposes, up to a total of two acres, provided the property is not devoted to commercial recreational use for more than 250 days in the year preceding the year of assessment and is located within two miles of the class 4c property with which it is used. Class 4c property classified in this clause also includes the remainder of class 1c resorts. Owners of real property devoted to temporary and seasonal residential occupancy for recreation purposes and all or a portion of which was devoted to commercial purposes for not more than 250 days in the year preceding the year of assessment desiring classification as class 1c or 4c, must submit a declaration to the assessor designating the cabins or units occupied for 250 days or less in the year preceding the year of assessment by January 15 of the assessment year. Those cabins or units and a proportionate share of the land on which they are located will be designated class 1c or 4c as otherwise provided. The remainder of the cabins or units and a proportionate share of the land on

which they are located will be designated as class 3a. The first $100,000 of the market value of the remainder of the cabins or units and a proportionate share of the land on which they are located shall have a class rate of three percent. The owner of property desiring designation as class 1c or 4c property must provide guest registers or other records demonstrating that the units for which class 1c or 4c designation is sought were not occupied for more than 250 days in the year preceding the assessment if so requested. The use of the property for social events open exclusively to members and their guests for periods of less than 24 hours, when an admission is not charged nor any revenues are received by the organization shall not be considered a revenue-producing activity;

(7) post-secondary student housing of not more than one acre of land that is owned by a nonprofit corporation organized under chapter 317A and is used exclusively by a student cooperative, sorority, or fraternity for on-campus housing or housing located within two miles of the border of a college campus; and

(8) manufactured home parks as defined in section 327.14, subdivision 3.

(ii) located in a municipality of less than 10,000 population; and

(iii) financed by a direct loan or insured loan from the Farmers Home Administration. Property is classified under this clause for 15 years from the date of the completion of the original construction or for the original term of the loan.

The class rates in paragraph (c), clauses (1), (2), and (3) and this clause apply to the properties described in them, only in proportion to occupancy of the structure by elderly or handicapped persons or low and moderate income families as defined in the applicable laws unless construction

of the structure had been commenced prior to January 1, 1984; or the project had been approved by the governing body of the municipality in which it is located prior to June 30, 1983; or financing of the project had been approved by a federal or state agency prior to June 30, 1983. For those properties, 4c or 4d classification is available only for those units meeting the requirements of section 273.1318.

Classification under this clause is only available to property of a nonprofit or limited dividend entity.

In the case of a structure financed or refinanced under any federal or state mortgage insurance or direct loan program exclusively for housing for the elderly or for housing for the handicapped, a unit shall be considered occupied so long as it is actually occupied by an elderly or handicapped person or, if vacant, is held for rental to an elderly or handicapped person.

(2) For taxes payable in 1992, 1993, and 1994, only, buildings and appurtenances, together with the land upon which they are located, leased by the occupant under the community lending model lease-purchase mortgage loan program administered by the Federal National Mortgage Association, provided the occupant's income is no greater than 60 percent of the county or area median income, adjusted for family size and the building consists of existing single family or duplex housing. The lease agreement must provide for a portion of the lease payment to be escrowed as a nonrefundable down payment on the housing. To qualify under this clause, the taxpayer must apply to the county assessor by May 30 of each year. The application must be accompanied by an affidavit or other proof required by the assessor to determine qualification under this clause.

(3) Qualifying buildings and appurtenances, together with the land upon which they are located, leased for a period of up to five years by the occupant under a lease-purchase program administered by the Minnesota housing finance agency or a housing and redevelopment authority authorized under sections 469.001 to 469.047, provided the occupant's income is no greater than 80 percent of the county or area median income, adjusted for family size, and the building consists of two or less dwelling units. The lease agreement must provide for a portion of the lease payment to be escrowed as a nonrefundable down payment on the housing. The administering agency shall verify the occupants income eligibility and certify to the county assessor that the occupant meets the income criteria under this paragraph. To qualify under this clause, the taxpayer must apply to the county assessor by May 30 of each year. For purposes of this section, "qualifying buildings and appurtenances" shall be defined as one or two unit residential buildings which are unoccupied and have been abandoned and boarded for at least six months.

Class 4d property has a class rate of two percent of market value except that property classified under clause (3), shall have the same class rate as class 1a property.

(e) Residential rental property that would otherwise be assessed as class 4 property under paragraph (a); paragraph (b), clauses (1) and (3); paragraph (c), clause (1), (2), (3), or (4), is assessed at the class rate applicable to it under Minnesota Statutes 1988, section 273.13, if it is found to be a substandard building under section 273.1316. Residential rental property that would otherwise be assessed as class 4 property under paragraph (d) is assessed at 2.3 percent of market value if it is found to be a substandard building under section 273.1316.

Sec. 11. Minnesota Statutes 1994, section 273.1398, subdivision 1, is amended to read:

Subdivision 1. [DEFINITIONS.] (a) In this section, the terms defined in this subdivision have the meanings given them.

(b) "Unique taxing jurisdiction" means the geographic area subject to the same set of local tax rates.

(c) "Net tax capacity" means the product of (i) the appropriate net class rates for the year in which the aid is payable, except that for aid payable in ~~1993~~ 1996 the class rate applicable to all class 4a shall be ~~3.5~~ 3.4 percent; ~~and the class rate applicable to class 4b shall be 2.65 percent; and for aid payable in 1994 the class rate applicable to class 4b shall be 2.4 percent and the class rate applicable to class 2a property over $115,000 market value and less than 320 acres is 1.15 percent,~~ and (ii) estimated market values for the assessment two years prior to that in which aid is payable.

~~The exclusion of the value of the house, garage, and one acre from the first tier of agricultural homestead property must not be considered in determining net tax capacity for purposes of this paragraph for aids payable in 1994.~~ "Total net tax capacity" means the net tax capacities for all property within the unique taxing jurisdiction. The total net tax capacity used shall be reduced by the sum of (1) the unique taxing jurisdiction's net tax capacity of commercial industrial property as defined in section 473F.02, subdivision 3, multiplied by the ratio determined pursuant to section 473F.08, subdivision 6, for the municipality, as defined in section 473F.02, subdivision 8, in which the unique taxing jurisdiction is located, (2) the net tax capacity of the captured value of tax increment financing districts as defined in section 469.177, subdivision 2, and (3) the net tax capacity of transmission lines deducted from a local government's total net tax capacity under section 273.425. For purposes of determining the net tax capacity of property referred to in clauses (1), (2), and (3), the net tax capacity shall be multiplied by the ratio of the highest class rate for class 3a property for taxes payable in the year in which the aid is payable to the highest class rate for class 3a property in the prior year. Net tax capacity cannot be less than zero.

(d) "Previous net tax capacity" means the product of the appropriate net class rates for the year previous to the year in which the aid is payable, and estimated market values for the assessment two years prior to that in which aid is payable. "Total previous net tax capacity" means the previous net tax capacities for all property within the unique taxing jurisdiction. The total previous net tax capacity shall be reduced by the sum of (1) the unique taxing jurisdiction's previous net tax capacity of commercial-industrial property as defined in section 473F.02, subdivision 3, multiplied by the ratio determined pursuant to section 473F.08, subdivision 6, for the municipality, as defined in section 473F.02, subdivision 8, in which the unique taxing jurisdiction is located, (2) the previous net tax capacity of the captured value of tax increment financing districts as defined in section 469.177, subdivision 2, and (3) the previous net tax capacity of transmission lines deducted from a local government's total net tax capacity under section 273.425. Previous net tax capacity cannot be less than zero.

(e) "Equalized market values" are market values that have been equalized by dividing the assessor's estimated market value for the second year prior to that in which the aid is payable by the assessment sales ratios determined by class in the assessment sales ratio study conducted by the department of revenue pursuant to section 124.2131 in the second year prior to that in which the aid is payable. The equalized market values shall equal the unequalized market values divided by the assessment sales ratio.

(f) "Equalized school levies" means the amounts levied for:

(1) general education under section 124A.23, subdivision 2;

(2) supplemental revenue under section 124A.22, subdivision 8a;

(3) capital expenditure facilities revenue under section 124.243, subdivision 3;

(4) capital expenditure equipment revenue under section 124.244, subdivision 2;

(5) basic transportation under section 124.226, subdivision 1; and

(6) referendum revenue under section 124A.03.

(g) "Current local tax rate" means the quotient derived by dividing the taxes levied within a unique taxing jurisdiction for taxes payable in the year prior to that for which aids are being calculated by the total previous net tax capacity of the unique taxing jurisdiction.

(h) For purposes of calculating and allocating homestead and agricultural credit aid authorized pursuant to subdivision 2 and the disparity reduction aid authorized in subdivision 3, "gross taxes levied on all properties," "gross taxes," or "taxes levied" means the total net tax capacity based taxes levied on all properties except that levied on the captured value of tax increment districts as defined in section 469.177, subdivision 2, and that levied on the portion of commercial industrial properties' assessed value or gross tax capacity, as defined in section 473F.02, subdivision 3, subject to the areawide tax as provided in section 473F.08, subdivision 6, in a unique taxing jurisdiction. "Gross taxes" are before any reduction for disparity reduction aid but "taxes levied" are after any reduction for disparity reduction aid. Gross taxes levied or taxes levied cannot be less than zero.

"Taxes levied" excludes equalized school levies.

(i) "Human services aids" means:

(1) aid to families with dependent children under sections 256.82, subdivision 1, and 256.935, subdivision 1;

(2) medical assistance under sections 256B.041, subdivision 5, and 256B.19, subdivision 1;

(3) general assistance medical care under section 256D.03, subdivision 6;

(4) general assistance under section 256D.03, subdivision 2;

(5) work readiness under section 256D.03, subdivision 2;

(6) emergency assistance under section 256.871, subdivision 6;

(11) general assistance claims processing, medical transportation and related costs; and

(12) medical assistance, medical transportation and related costs.

(j) "Household adjustment factor" means the number of households for the second most recent year preceding that in which the aids are payable divided by the number of households for the third most recent year. The household adjustment factor cannot be less than one.

(k) "Growth adjustment factor" means the household adjustment factor in the case of counties. In the case of cities, towns, school districts, and special taxing districts, the growth adjustment factor equals one. The growth adjustment factor cannot be less than one.

(l) For aid payable in 1992 and subsequent years, "homestead and agricultural credit base" means the previous year's certified homestead and agricultural credit aid determined under subdivision 2 less any permanent aid reduction in the previous year to homestead and agricultural credit aid under section 477A.0132, plus, for aid payable in 1992, fiscal disparity homestead and agricultural credit aid under subdivision 2b.

(m) "Net tax capacity adjustment" means (1) the total previous net tax capacity minus the total net tax capacity, multiplied by (2) the unique taxing jurisdiction's current local tax rate. The net tax capacity adjustment cannot be less than zero.

(n) "Fiscal disparity adjustment" means the difference between (1) a taxing jurisdiction's fiscal disparity distribution levy under section 473F.08, subdivision 3, clause (a), for taxes payable in the year prior to that for which aids are being calculated, and (2) the same distribution levy multiplied by the ratio of the highest class rate for class 3 property for taxes payable in the year prior to that for which aids are being calculated to the highest class rate for class 3 property for taxes payable in the second prior year to that for which aids are being calculated. In the case of school districts, the fiscal disparity distribution levy shall exclude that part of the levy attributable to equalized school levies.

Sec. 12. Minnesota Statutes 1994, section 273.37, is amended by adding a subdivision to read:

Subd. 3. Taxable wind energy conversion systems, as defined in section 216C.06, subdivision 12, which are not owned, operated, and exclusively controlled by the owner of the land upon which the system is situated, must be listed and assessed as personal property in the name of the owner of the system in the taxing district where it is situated.

Sec. 13. Minnesota Statutes 1994, section 274.01, subdivision 1, is amended to read:

Subdivision 1. [ORDINARY BOARD; MEETINGS, DEADLINES, GRIEVANCES.] (a) The town board of a town, or the council or other governing body of a city, is the board of review except in cities whose charters provide for a board of equalization. The county assessor shall fix a day and time when the board or the board of equalization shall meet in the assessment districts of the county. On or before February 15 of each year the assessor shall give written notice of the time to the city or town clerk. Notwithstanding the provisions of any charter to the contrary, the meetings must be held between April 1 and May 31 each year. The clerk shall give published and posted notice of the meeting at least ten days before the date of the meeting. If in any county, at least 25 percent of the total net tax capacity of a city or town is noncommercial seasonal residential recreational property classified under section 273.13, subdivision 25, the county must hold two county-wide informational meetings on Saturdays. The meetings will allow noncommercial seasonal residential recreational taxpayers to discuss their property valuation with the appropriate assessment staff. These Saturday informational meetings must be scheduled to allow the owner of the noncommercial seasonal residential recreational property the opportunity to attend one of the meetings prior to the scheduled board of review for their city or town. The Saturday meeting dates must be contained on the notice of valuation of real property under section 273.121. The board shall meet at the office of the clerk to review the assessment and classification of property in the town or city. No changes in valuation or classification which are intended to correct errors in judgment by the county assessor may be made by the county assessor after the board of review or the county board of equalization has adjourned; however, corrections of errors that are merely clerical in nature or changes that extend homestead treatment to property are permitted after adjournment until the tax extension date for that assessment year. The changes must be fully documented and maintained in the assessor's office and must be available for review by any person. A copy of the changes made during this period must be sent to the county board no later than December 31 of the assessment year.

(b) The board shall determine whether the taxable property in the town or city has been properly placed on the list and properly valued by the assessor. If real or personal property has been omitted, the board shall place it on the list with its market value, and correct the assessment so that each tract or lot of real property, and each article, parcel, or class of personal property, is entered on the assessment list at its market value. No assessment of the property of any person may be raised unless the person has been duly notified of the intent of the board to do so. On application of any person feeling aggrieved, the board shall review the assessment or classification, or both, and correct it as appears just.

(c) A local board of review may reduce assessments upon petition of the taxpayer but the total reductions must not reduce the aggregate assessment made by the county assessor by more than one percent. If the total reductions would lower the aggregate assessments made by the county assessor by more than one percent, none of the adjustments may be made. The assessor shall correct any clerical errors or double assessments discovered by the board of review without regard to the one percent limitation.

(d) A majority of the members may act at the meeting, and adjourn from day to day until they finish hearing the cases presented. The assessor shall attend, with the assessment books and papers, and take part in the proceedings, but must not vote. The county assessor, or an assistant delegated by the county assessor shall attend the meetings. The board shall list separately, on a form appended to the assessment book, all omitted property added to the list by the board and all items of property increased or decreased, with the market value of each item of property, added or changed by the board, placed opposite the item. The county assessor shall enter all changes made by the board in the assessment book.

(e) If a person fails to appear in person, by counsel, or by written communication before the board after being duly notified of the board's intent to raise the assessment of the property, or if a person feeling aggrieved by an assessment or classification fails to apply for a review of the assessment or classification, the person may not appear before the county board of equalization for a review of the assessment or classification. This paragraph does not apply if an assessment was made after the board meeting, as provided in section 273.01, or if the person can establish not having received notice of market value at least five days before the local board of review meeting.

(f) The board of review or the board of equalization must complete its work and adjourn within 20 days from the time of convening stated in the notice of the clerk, unless a longer period is

approved by the commissioner of revenue. No action taken after that date is valid. All complaints about an assessment or classification made after the meeting of the board must be heard and determined by the county board of equalization. A nonresident may, at any time, before the meeting of the board of review file written objections to an assessment or classification with the county assessor. The objections must be presented to the board of review at its meeting by the county assessor for its consideration.

Sec. 14. Minnesota Statutes 1994, section 275.065, subdivision 1, is amended to read:

Subdivision 1. [PROPOSED LEVY.] (a) Notwithstanding any law or charter to the contrary, on or before September 15, each taxing authority, other than a school district, shall adopt a proposed budget and ~~each taxing authority~~ shall certify to the county auditor the proposed or, in the case of a town, the final property tax levy for taxes payable in the following year.

(b) On or before September 30, each school district shall certify to the county auditor the proposed property tax levy for taxes payable in the following year. The school district may certify the proposed levy as (1) a specific dollar amount, or (2) an amount equal to the maximum levy limitation certified by the commissioner of education to the county auditor according to section 124.918, subdivision 1.

(c) If the board of estimate and taxation or any similar board that establishes maximum tax levies for taxing jurisdictions within a first class city certifies the maximum property tax levies for funds under its jurisdiction by charter to the county auditor by September 15, the city shall be deemed to have certified its levies for those taxing jurisdictions.

(d) For purposes of this section, "taxing authority" includes all home rule and statutory cities, towns, counties, school districts, and special taxing districts as defined in section 275.066. Intermediate school districts that levy a tax under chapter 124 or 136D, joint powers boards established under sections 124.491 to 124.495, and common school districts No. 323, Franconia, and No. 815, Prinsburg, are also special taxing districts for purposes of this section.

Sec. 15. Minnesota Statutes 1994, section 275.065, subdivision 3, is amended to read:

Subd. 3. [NOTICE OF PROPOSED PROPERTY TAXES.] (a) The county auditor shall prepare and the county treasurer shall deliver after November 10 and on or before November 24 each year, by first class mail to each taxpayer at the address listed on the county's current year's assessment roll, a notice of proposed property taxes and, in the case of a town, final property taxes.

(b) The commissioner of revenue shall prescribe the form of the notice.

(c) The notice must inform taxpayers that it contains the amount of property taxes each taxing authority other than a town proposes to collect for taxes payable the following year and, for a town, the amount of its final levy. It must clearly state that each taxing authority, including regional library districts established under section 134.201, and including the metropolitan taxing districts as defined in paragraph (i), but excluding all other special taxing districts and towns, will hold a public meeting to receive public testimony on the proposed budget and proposed or final property tax levy, or, in case of a school district, on the current budget and proposed property tax levy. It must clearly state the time and place of each taxing authority's meeting and an address where comments will be received by mail. ~~The notice must include the estimated percentage increase in Minnesota personal income, provided by the commissioner of revenue under section 275.064, in a way to facilitate comparison of the proposed budget and levy increases with the increase in personal income. For 1993, the notice must clearly state that each taxing authority holding a public meeting will describe the increases or decreases of the total budget, including employee and independent contractor compensation in the prior year, current year, and the proposed budget year.~~

(d) The notice must state for each parcel:

(1) the market value of the property as determined under section 273.11, and used for computing property taxes payable in the following year and for taxes payable in the current year; and, in the case of residential property, whether the property is classified as homestead or

nonhomestead. The notice must clearly inform taxpayers of the years to which the market values apply and that the values are final values;

(2) by county, city or town, school district excess referenda levy, remaining school district levy, regional library district, if in existence, the total of the metropolitan special taxing districts as defined in paragraph (i) and the sum of the remaining special taxing districts, and as a total of the taxing authorities, including all special taxing districts, the proposed or, for a town, final net tax on the property for taxes payable the following year and the actual tax for taxes payable the current year. For the purposes of this subdivision, "school district excess referenda levy" means school district taxes for operating purposes approved at referendums, including those taxes based on net tax capacity as well as those based on market value. "School district excess referenda levy" does not include school district taxes for capital expenditures approved at referendums or school district taxes to pay for the debt service on bonds approved at referenda. In the case of the city of Minneapolis, the levy for the Minneapolis library board and the levy for Minneapolis park and recreation shall be listed separately from the remaining amount of the city's levy. In the case of a parcel where tax increment or the fiscal disparities areawide tax applies, the proposed tax levy on the captured value or the proposed tax levy on the tax capacity subject to the areawide tax must each be stated separately and not included in the sum of the special taxing districts; and

(3) the increase or decrease in the amounts in clause (2) from taxes payable in the current year to proposed or, for a town, final taxes payable the following year, expressed as a dollar amount and as a percentage.

(e) The notice must clearly state that the proposed or final taxes do not include the following:

(1) special assessments;

(2) levies approved by the voters after the date the proposed taxes are certified, including bond referenda, school district levy referenda, and levy limit increase referenda;

(3) amounts necessary to pay cleanup or other costs due to a natural disaster occurring after the date the proposed taxes are certified;

(4) amounts necessary to pay tort judgments against the taxing authority that become final after the date the proposed taxes are certified; and

(5) the contamination tax imposed on properties which received market value reductions for contamination.

(f) Except as provided in subdivision 7, failure of the county auditor to prepare or the county treasurer to deliver the notice as required in this section does not invalidate the proposed or final tax levy or the taxes payable pursuant to the tax levy.

(g) If the notice the taxpayer receives under this section lists the property as nonhomestead and the homeowner provides satisfactory documentation to the county assessor that the property is owned and has been used as the owner's homestead prior to June 1 of that year, the assessor shall reclassify the property to homestead for taxes payable in the following year.

(h) In the case of class 4 residential property used as a residence for lease or rental periods of 30 days or more, the taxpayer must either:

(1) mail or deliver a copy of the notice of proposed property taxes to each tenant, renter, or lessee; or

(2) post a copy of the notice in a conspicuous place on the premises of the property.

(i) For purposes of this subdivision, subdivisions 5a and 6, "metropolitan special taxing districts" means the following taxing districts in the seven-county metropolitan area that levy a property tax for any of the specified purposes listed below:

(1) metropolitan council under section 473.132, 473.167, 473.249, 473.325, 473.446, 473.521, 473.547, or 473.834;

(2) metropolitan airports commission under section 473.667, 473.671, or 473.672; and

(3) metropolitan mosquito control commission under section 473.711.

For purposes of this section, any levies made by the regional rail authorities in the county of Anoka, Carver, Dakota, Hennepin, Ramsey, Scott, or Washington under chapter 398A shall be included with the appropriate county's levy and shall be discussed at that county's public hearing.

The notice must be mailed or posted by the taxpayer by November 27 or within three days of receipt of the notice, whichever is later. A taxpayer may notify the county treasurer of the address of the taxpayer, agent, caretaker, or manager of the premises to which the notice must be mailed in order to fulfill the requirements of this paragraph.

Sec. 16. Minnesota Statutes 1994, section 276.131, is amended to read:

276.131 [DISTRIBUTION OF PENALTIES, INTEREST, AND COSTS.]

The penalties, interest, and costs collected on special assessments and real and personal property taxes must be distributed as follows:

(1) all penalties and interest collected on special assessments against real or personal property must be distributed to the taxing jurisdiction that levied the assessment;

(2) 50 percent of all penalties and interest collected on real and personal property taxes must be distributed to the county in which the property is located, and the other 50 percent must be distributed to the school ~~district in which the property is located~~ districts within the county. The distribution to the school district must be in accordance with the provisions of section 124.10; and

(3) all costs collected by the county on special assessments and on delinquent real and personal property taxes must be distributed to the county in which the property is located.

Sec. 17. [276.20] [WIND ENERGY TAX; DEFINITIONS.]

Subdivision 1. [TERMS.] For the purposes of this section and section 276.21, the following terms shall have these meanings, unless otherwise provided to the contrary.

Subd. 2. [WIND ENERGY SYSTEM.] "Wind energy system" means a wind energy conversion system defined under section 216C.06, subdivision 12, which is used as an electric power source.

Subd. 3. [AREA.] "Area" means the counties of Lincoln and Pipestone.

Subd. 4. [HOME COUNTY.] "Home county" means the county of Pipestone.

Subd. 5. [MUNICIPALITY.] "Municipality" means any city or town that is located in the area.

Subd. 6. [QUALIFYING WIND ENERGY SYSTEM NET TAX CAPACITY.] "Qualifying wind energy system net tax capacity" means:

(a) the taxable portion of the net tax capacity of any wind energy system located in the area installed after January 1, 1995;

(b) the portion of the hypothetical net tax capacity of a wind energy system located in the area installed after January 1, 1991, and before January 2, 1995, that would be computed if the property were subject to taxation under section 272.02, subdivision 1, clause (21), paragraph (c).

Sec. 18. [276.21] [WIND ENERGY TAX.]

Subdivision 1. [DETERMINING LOCAL TAX RATES.] In determining the local tax rate under section 275.08 for the county and for any municipality in which one or more wind energy systems are located, the county auditor shall deduct the qualifying wind energy system net tax capacity as defined under section 276.20, subdivision 6, clause (a), from the total net tax capacity of the county and each municipality containing this property.

Subd. 2. [COUNTY WIND ENERGY TAX.] Each county auditor shall determine the county wind energy tax by multiplying the county tax rate times the net tax capacity of the taxable wind

energy system property located within the county. The sum of these amounts for each county in the area shall be called the "county wind energy distribution pool."

Subd. 3. [MUNICIPAL WIND ENERGY TAX.] Each county auditor shall determine the municipal wind energy tax by multiplying each municipality's tax rate times the net tax capacity of the taxable wind energy system property located within the municipality. The sum of these amounts for all municipalities in the area shall be called the "municipal wind energy distribution pool."

Subd. 4. [COUNTY WIND ENERGY DISTRIBUTION.] Each county within the area is entitled to receive a distribution from the county wind energy distribution pool equal to its proportion of qualifying wind energy system net tax capacity relative to the total for all counties in the area, provided that each county in the area shall be entitled to a distribution equal to the greater of (a) ten percent of the total county wind energy distribution pool, or (b) 50 percent of the county's wind energy tax.

Subd. 5. [MUNICIPAL WIND ENERGY DISTRIBUTION.] Each municipality within the area is entitled to receive a distribution from the municipal wind energy distribution pool equal to its proportion of qualifying wind energy system net tax capacity relative to the total for all municipalities in the area.

Subd. 6. [WIND ENERGY TAX SETTLEMENT; PAYMENT.] The home county auditor shall determine for each county in the area the difference between the amount of the county wind energy tax under subdivision 2 and the county wind energy distribution under subdivision 4. The home county auditor shall also determine for each municipality within each county in the area, the difference between the amount of the municipal wind energy tax under subdivision 3 and the municipal wind energy distribution under subdivision 5. On or before May 16 of each year, the home county shall certify the differences so determined to each county auditor in the area. In addition, the home county auditor shall certify to those county auditors in the area whose county and municipal wind energy tax exceeds the total county and municipal wind energy tax distribution, the settlement the county is to make to the other counties. On or before June 15 and November 15 of each year, each county treasurer in a county in the area having a total wind energy tax in excess of the total wind energy distribution shall pay one-half of the excess to the other counties in accordance with the home county auditor's certification. On or before June 25 and November 25 of each year, each county treasurer in the area shall pay the county and each municipality its wind energy distribution amount.

Sec. 19. Minnesota Statutes 1994, section 279.01, subdivision 1, is amended to read:

Subdivision 1. Except as provided in subdivision 3 or 4, on May 16 or 21 days after the postmark date on the envelope containing the property tax statement, whichever is later, a penalty shall accrue and thereafter be charged upon all unpaid taxes on real estate on the current lists in the hands of the county treasurer. The penalty shall be at a rate of two percent on homestead property until May 31 and four percent on June 1. The penalty on nonhomestead property shall be at a rate of four percent until May 31 and eight percent on June 1. This penalty shall not accrue until June 1 of each year, or 21 days after the postmark date on the envelope containing the property tax statements, whichever is later, on commercial use real property used for seasonal residential recreational purposes and classified as class 1c or 4c, and on other commercial use real property classified as class 3a, provided that over 60 percent of the gross income earned by the enterprise on the class 3a property is earned during the months of May, June, July, and August. Any property owner of such class 3a property who pays the first half of the tax due on the property after May 15 and before June 1, or 21 days after the postmark date on the envelope containing the property tax statement, whichever is later, shall attach an affidavit to the payment attesting to compliance with the income provision of this subdivision. Thereafter, for both homestead and nonhomestead property, on the first day of each month beginning July 1, up to and including October 1 following, an additional penalty of one percent for each month shall accrue and be charged on all such unpaid taxes provided that if the due date was extended beyond May 15 as the result of any delay in mailing property tax statements no additional penalty shall accrue if the tax is paid by the extended due date. If the tax is not paid by the extended due date, then all penalties that would have accrued if the due date had been May 15 shall be charged. When the taxes against any tract or lot exceed $50, one-half thereof may be paid prior to May 16 or 21 days after the postmark date

on the envelope containing the property tax statement, whichever is later; and, if so paid, no penalty shall attach; the remaining one-half shall be paid at any time prior to October 16 following, without penalty; but, if not so paid, then a penalty of two percent shall accrue thereon for homestead property and a penalty of four percent on nonhomestead property. Thereafter, for homestead property, on the first day of November an additional penalty of four percent shall accrue and on the first day of December following, an additional penalty of two percent shall accrue and be charged on all such unpaid taxes. Thereafter, for nonhomestead property, on the first day of November and December following, an additional penalty of four percent for each month shall accrue and be charged on all such unpaid taxes. If one-half of such taxes shall not be paid prior to May 16 or 21 days after the postmark date on the envelope containing the property tax statement, whichever is later, the same may be paid at any time prior to October 16, with accrued penalties to the date of payment added, and thereupon no penalty shall attach to the remaining one-half until October 16 following.

This section applies to payment of personal property taxes assessed against improvements to leased property, except as provided by section 277.01, subdivision 3.

A county may provide by resolution that in the case of a property owner that has multiple tracts or parcels with aggregate taxes exceeding $50, payments may be made in installments as provided in this subdivision.

The county treasurer may accept payments of more or less than the exact amount of a tax installment due. If the accepted payment is less than the amount due, payments must be applied first to the penalty accrued for the year the payment is made. Acceptance of partial payment of tax does not constitute a waiver of the minimum payment required as a condition for filing an appeal under section 278.03 or any other law, nor does it affect the order of payment of delinquent taxes under section 280.39.

Sec. 20. Minnesota Statutes 1994, section 279.01, is amended by adding a subdivision to read:

Subd. 4. [SEASONAL RESIDENTIAL RECREATIONAL PROPERTY.] In the case of class 4c seasonal residential recreational property not used for commercial purposes, penalties shall accrue and be charged on unpaid taxes at the times and at the rates provided in subdivision 1 for homestead property.

Sec. 21. [282.135] [DELEGATION BY COUNTY BOARD.]

This delegation includes, but is not limited to, the authority, power, and responsibility to classify tax-forfeited land as conservation or nonconservation property; set the appraisal values and terms of sale and sell at public auction; initiate legal proceedings to cancel purchase and repurchase contracts in default status; authorize reinstatement of canceled tax-forfeited contracts; and authorize former owners and other eligible parties to repurchase tax-forfeited land. If delegation is granted under this section, the county board shall prescribe the conditions for delegation and may revoke the delegation without good cause or prior notice. If the county auditor holds elective office, no delegation shall be made under this section unless the county auditor concurs in the delegation.

Sec. 22. Minnesota Statutes 1994, section 290A.03, subdivision 6, is amended to read:

Subd. 6. [HOMESTEAD.] "Homestead" means the dwelling occupied as the claimant's principal residence and so much of the land surrounding it, not exceeding ten acres, as is reasonably necessary for use of the dwelling as a home and any other property used for purposes of a homestead as defined in section 273.13, subdivision 22, except for agricultural land assessed as part of a homestead pursuant to section 273.13, subdivision 23, "homestead" is limited to 320 acres or, where the farm homestead is rented, one acre. The homestead may be owned or rented and may be a part of a multidwelling or multipurpose building and the land on which it is built. A manufactured home, as defined in section 273.125, subdivision 8, or a park trailer taxed as a manufactured home under section 168.012, subdivision 9, assessed as personal property may be a dwelling for purposes of this subdivision.

Sec. 23. Minnesota Statutes 1994, section 290A.03, subdivision 13, is amended to read:

Subd. 13. [PROPERTY TAXES PAYABLE.] "Property taxes payable" means the property tax exclusive of special assessments, penalties, and interest payable on a claimant's homestead before reductions made under section 273.13 but after deductions made under sections 273.135, 273.1391, 273.42, subdivision 2, and any other state paid property tax credits in any calendar year. In the case of a claimant who makes ground lease payments, "property taxes payable" includes the amount of the payments directly attributable to the property taxes assessed against the parcel on which the house is located. No apportionment or reduction of the "property taxes payable" shall be required for the use of a portion of the claimant's homestead for a business purpose if the claimant does not deduct any business depreciation expenses for the use of a portion of the homestead in the determination of federal adjusted gross income. For homesteads which are manufactured homes as defined in section 274.19, subdivision 8, and for homesteads which are park trailers taxed as manufactured homes under section 168.012, subdivision 9, "property taxes payable" shall also include the amount of the gross rent paid in the preceding year for the site on which the homestead is located, which is attributable to the net tax paid on the site. The amount attributable to property taxes shall be determined by multiplying the net tax on the parcel by a fraction, the numerator of which is the gross rent paid for the calendar year for the site and the denominator of which is the gross rent paid for the calendar year for the parcel. When a homestead is owned by two or more persons as joint tenants or tenants in common, such tenants shall determine between them which tenant may claim the property taxes payable on the homestead. If they are unable to agree, the matter shall be referred to the commissioner of revenue whose decision shall be final. Property taxes are considered payable in the year prescribed by law for payment of the taxes.

In the case of a claim relating to "property taxes payable," the claimant must have owned and occupied the homestead on January 2 of the year in which the tax is payable and (i) the property must have been classified as homestead property pursuant to section 273.13, subdivision 22 or 23, on or before December 15 of the assessment year to which the "property taxes payable" relate; or (ii) the claimant must provide documentation from the local assessor that application for homestead classification has been made on or before December 15 of the year in which the "property taxes payable" were payable and that the assessor has approved the application.

Sec. 24. Minnesota Statutes 1994, section 290A.04, subdivision 3, is amended to read:

Subd. 3. The commissioner of revenue shall construct and make available to taxpayers a comprehensive table showing the property taxes to be paid and refund allowed at various levels of income and assessment. The table shall follow the schedule of income percentages, maximums and other provisions specified in subdivision 2, except that the commissioner may graduate the transition between income brackets. All refunds shall be computed in accordance with tables prepared and issued by the commissioner of revenue.

The commissioner shall include on the form an appropriate space or method for the claimant to identify if the property taxes paid are for a manufactured home, as defined in section 273.125, subdivision 8, paragraph (c), or a park trailer taxed as a manufactured home under section 168.012, subdivision 9.

Sec. 25. Minnesota Statutes 1994, section 290A.07, subdivision 2a, is amended to read:

Subd. 2a. A claimant who is a renter or a homeowner who occupies a manufactured home, as defined in section 273.125, subdivision 8, paragraph (c), or a park trailer taxed as a manufactured home under section 168.012, subdivision 9, shall receive full payment after August 1 and before August 15 or 60 days after receipt of the application, whichever is later.

Sec. 26. Minnesota Statutes 1994, section 375.192, is amended by adding a subdivision to read:

Subd. 4. [DELEGATION BY COUNTY BOARD.] Notwithstanding any law to the contrary, the county board may delegate to the county auditor any authority, power, or responsibility assigned to the county board in this section. If delegation is granted under this subdivision, the county board shall prescribe the conditions for the delegation and may revoke delegation without good cause or prior notice. If the county auditor holds elective office, no delegation shall be made under this subdivision unless the county auditor concurs in the delegation.

Subd. 2. [PRIMARY OBJECTIVE.] The pilot project's primary objective is to ~~help stabilize costs for the conscientious, industrious landlord who is already providing safe, decent, and affordable housing. The property tax reduction provided by the program is intended to~~ give an incentive to ~~other~~ landlords to improve their tenant-occupied property and still offer affordable housing.

Subd. 3. [PROPERTY TAX TREATMENT.] (a) Single- and two-family nonhomestead property located in the city of Saint Paul and existing on the effective date of this section, that is classified under Minnesota Statutes, section 273.13, subdivision 25, paragraph (b), clause (1), and that meets the requirements of this section, is eligible for the property tax credit under subdivision 8.

(b) The program is not a housing or building code enforcement program.

(c) Participation in the program is voluntary.

(d) If reimbursements under subdivision 8 limit the number of participants in this program, priority shall be given to landlords who live in the city of Saint Paul.

Subd. 4. [NOTIFICATION TO OWNERS.] The city of Saint Paul shall notify the owner of each single- and two-family nonhomestead property located in the city that the property may be eligible to receive a property tax credit as provided in this section.

(d) ~~If the evaluator determines that repairs are necessary, the landlord must make the repairs and call for a reinspection by the evaluator.~~ To receive the property tax credit under subdivision 9, the evaluator must have determined that repairs were necessary, and the landlord must make the repairs and call for a reinspection by the evaluator.

If the evaluator identifies life or safety hazards, the evaluator must notify appropriate city officials, who shall take immediate action to require and enforce repair of the life or safety hazard items.

(f) The evaluator must submit a report on the property's evaluation to the appropriate city officials, the landlord, and the tenant. A filing fee must be paid at the time the report is submitted to the city.

(g) Appropriate city officials must review the report and approve it or issue orders for further repair. In so doing, city staff members may make an on-site review. The landlord may withdraw from the program at any time without making required repairs except those for life or safety hazards, which may be otherwise required. Property for which the evaluator's report is approved must be certified by the appropriate city officials to the county assessor. The city must limit the number of qualifying properties so that the credit payable under subdivision 8 will not, in the city's estimate, exceed $1,000,000.

(h) A landlord who chooses to participate must complete an application for certification by November 1, 1994, for taxes payable in 1995 and by September 1, 1995, for taxes payable in 1996.

Subd. 7. [CITY FEES.] The landlord must pay the housing evaluator a fee, as determined by the city, for the initial inspection and necessary reinspections. The evaluator must pay a filing fee, as determined by the city, to file the evaluator's report. The evaluator may be reimbursed by the landlord for this fee. The landlord must pay the city a fee, as determined by the city, to apply for recertification. If additional inspections are required, a reinspection fee, as determined by the city, must be paid by the landlord.

Subd. 8. [CREDIT AND REIMBURSEMENT.] (a) [CREDIT PROVIDED.] Property that meets the requirements under this section is eligible for a property tax credit equal to the difference between (1) the tax on the property and (2) the tax that would be payable if the property were classified under Minnesota Statutes, section 273.13, subdivision 22, paragraph (a).

(b) [PROPERTY TAX STATEMENTS.] The property tax statement provided under Minnesota Statutes, section 276.04, to an owner of property that receives the credit under this subdivision shall include information on the amount of the credit given to the property. The commissioner of revenue shall pay to each taxing district, other than school districts, its total payment for the year at the times provided in Minnesota Statutes, section 473H.10. The credit reimbursement to school districts must be certified to the commissioner of education and paid as provided under Minnesota Statutes, section 273.1392.

The reimbursement paid under this subdivision shall be made ~~only~~ in 1995 and in 1996, and is limited to a total amount of $1,000,000 for the two years. To the extent the amount of credit originally certified exceeds $1,000,000, reimbursements to the taxing districts shall be prorated according to the proportions of their levies so as not to exceed $1,000,000.

Any amount remaining of the $1,000,000 total appropriation, after the reimbursement for taxes payable in 1995 have been paid, is available for taxes payable in 1996 provided, however, that the total amount available for both taxes payable in 1995 and 1996 shall not exceed the total $1,000,000 appropriation for both years.

(b) A landlord who owns eligible property and who wishes to participate must arrange for a certified evaluator who is licensed by the city of Brooklyn Park to evaluate the property.

(d) The evaluator must evaluate the property using program guidelines adopted by resolution of the Brooklyn Park city council prior to implementation of the program under this section.

(e) To receive the property tax credit under subdivision 9, the evaluator must have determined that repairs were necessary, and the landlord must make the repairs and call for a reinspection by the evaluator. hazards, which may be otherwise required. Property for which the evaluator's report is approved must be certified by the appropriate city officials to the county assessor. The city must limit the number of qualifying properties so that the credit payable under subdivision 9 will not, in the city's estimate, exceed $350,000.

The landlord must pay the city a fee, as determined by the city, to apply for recertification. If additional inspections are required, a reinspection fee, as determined by the city, must be paid by the landlord.

Subd. 9. [CREDIT AND REIMBURSEMENT.] (a) [CREDIT PROVIDED.] Property that meets the requirements of this section is eligible for a property tax credit equal to the difference between (1) the tax on the property and (2) the tax that would be payable if the property were classified under Minnesota Statutes, section 273.13, subdivision 22, paragraph (a). For the purposes of determining the tax that would be payable if the property were classified under section 273.13, subdivision 22, paragraph (a), the first $72,000 of market value shall be applied to the parcel as a whole.

(b) [PROPERTY TAX STATEMENTS.] The property tax statement provided under Minnesota Statutes, section 276.04, to an owner of property that receives the credit under this subdivision shall include information on the amount of the credit given to the property. The Hennepin county treasurer shall notify the commissioner of revenue on how the county plans to modify the property tax statements to include the necessary information.

The commissioner of revenue shall review the certification to determine its accuracy and make changes in the certification as necessary or return the certification to the county auditor for corrections.

Based on current year tax data reported in the abstracts of tax lists, the commissioner of revenue shall determine the taxing district distribution of the amounts certified. The commissioner of revenue shall pay to each taxing district, other than school districts, its total payment for the year at the times provided in Minnesota Statutes, section 473H.10. The credit reimbursement to school districts must be certified to the commissioner of education and paid as provided under Minnesota Statutes, section 273.1392.

The reimbursement paid under this subdivision shall be made only in 1996, and is limited to $350,000. To the extent the amount of credit originally certified exceeds $350,000, reimbursements to the taxing districts shall be prorated according to the proportions of their levies so as not to exceed $350,000.

Subd. 10. [REPORT TO THE LEGISLATURE.] By January 15, 1997, the Brooklyn Park city council shall provide a report to the legislature as provided in Minnesota Statutes, section 3.195.

An owner or managing agent of a unit certified for participation in the rental equity project shall indicate that the unit was certified for participation on the rent certificate prescribed in Minnesota Statutes, section 290A.19, paragraph (a). In the event that the owner or managing agent fails to provide a rent certificate and the renter obtains a statement from the county treasurer, as prescribed in Minnesota Statutes, section 290A.19, paragraph (c), the county treasurer shall also indicate on the statement if the building was certified for participation in the rental equity project.

Sec. 45. [PROPERTY TAX REFUNDS; ST. PAUL RENTAL EQUITY PARTICIPANTS.]

For purposes of this paragraph, "improvements" shall exclude adding square footage or amenities to the building.

(b) The study should also consider other policy alternatives that could be considered by the legislature in trying to encourage improvements to deteriorating apartment properties throughout the state.

(c) The study must include an analysis of the administrative feasibility, policy implications, and state and local fiscal impacts of the specific proposal described in paragraph (a), the St. Paul and Brooklyn Park rental equity programs and any other options resulting from paragraph (b) alternatives.

(d) On or before February 15, 1996, the commissioner shall report the findings of the study to

ARTICLE 4

PROPERTY TAX REFUND AS DEDUCTION ON TAX STATEMENT

Section 1. Minnesota Statutes 1994, section 270A.03, subdivision 7, is amended to read:

Subd. 7. [REFUND.] "Refund" means an individual income tax refund or political contribution refund~~,~~ pursuant to chapter 290~~,~~; or a property tax credit or refund~~,~~ pursuant to chapter 290A, other than a refund which has been certified to or calculated by the county auditor under section 276.012.

For purposes of this chapter, lottery prizes, as set forth in section 349A.08, subdivision 8, shall be treated as refunds.

In the case of a joint property tax refund payable to spouses under chapter 290A, the refund shall be considered as belonging to each spouse in the proportion of the total refund that equals each spouse's proportion of the total income determined under section 290A.03, subdivision 3. The commissioner shall remit the entire refund to the claimant agency, which shall, upon the request of the spouse who does not owe the debt, determine the amount of the refund belonging to that spouse and refund the amount to that spouse.

Sec. 2. Minnesota Statutes 1994, section 270B.12, is amended by adding a subdivision to read:

Subd. 11. [PROPERTY TAX REFUNDS.] The commissioner may disclose to a county auditor and treasurer, and to their designated agents or employees, the property tax refund amounts for each parcel of homestead property in the county as determined by the commissioner under chapter 290A.

Sec. 3. Minnesota Statutes 1994, section 273.124, subdivision 13, is amended to read:

Subd. 13. [HOMESTEAD APPLICATION.] (a) A person who meets the homestead requirements under subdivision 1 must file a homestead application with the county assessor to initially obtain homestead classification.

(b) On or before January 2, 1993, each county assessor shall mail a homestead application to the owner of each parcel of property within the county which was classified as homestead for the 1992 assessment year. The format and contents of a uniform homestead application shall be prescribed by the commissioner of revenue. The commissioner shall consult with the chairs of the house and senate tax committees on the contents of the homestead application form. The application must clearly inform the taxpayer that this application must be signed by all owners who occupy the property or by the qualifying relative and returned to the county assessor in order for the property to continue receiving homestead treatment. The envelope containing the homestead application shall clearly identify its contents and alert the taxpayer of its necessary immediate response.

(c) Every property owner applying for homestead classification must furnish to the county assessor the social security number of each occupant who is listed as an owner of the property on the deed of record, the name and address of each owner who does not occupy the property, and the name and social security number of each owner's spouse who occupies the property. The application must be signed by each owner who occupies the property and by each owner's spouse

who occupies the property, or, in the case of property that qualifies as a homestead under subdivision 1, paragraph (c), by the qualifying relative.

If a property owner occupies a homestead, the property owner's spouse may not claim another property as a homestead unless the property owner and the property owner's spouse file with the assessor an affidavit or other proof required by the assessor stating that the property owner's spouse does not occupy the homestead because marriage dissolution proceedings are pending, the spouses are legally separated, or the spouse's employment or self-employment location requires the spouse to have a separate homestead. The assessor may require proof of employment or self-employment and employment or self-employment location, or proof of dissolution proceedings or legal separation.

If the social security number or affidavit or other proof is not provided, the county assessor shall classify the property as nonhomestead.

The social security numbers or affidavits or other proofs of the property owners and spouses are private data on individuals as defined by section 13.02, subdivision 12, but, notwithstanding that section, the private data may be disclosed to the commissioner of revenue, or, for purposes of proceeding under the revenue recapture act to recover personal property taxes owing, to the county treasurer.

(d) If residential real estate is occupied and used for purposes of a homestead by a relative of the owner and qualifies for a homestead under subdivision 1, paragraph (c), in order for the property to receive homestead status, a homestead application must be filed with the assessor. The social security number of each relative occupying the property and the social security number of each owner who is related to an occupant of the property shall be required on the homestead application filed under this subdivision. If a different relative of the owner subsequently occupies the property, the owner of the property must notify the assessor within 30 days of the change in occupancy. The social security number of a relative occupying the property is private data on individuals as defined by section 13.02, subdivision 12, but may be disclosed to the commissioner of revenue.

(e) The homestead application shall also notify the property owners that the application filed under this section will not be mailed annually and that if the property is granted homestead status for the 1993 assessment, or any assessment year thereafter, that same property shall remain classified as homestead until the property is sold or transferred to another person, or the owners or the relatives no longer use the property as their homestead. Upon the sale or transfer of the homestead property, a certificate of value must be timely filed with the county auditor as provided under section 272.115. Failure to notify the assessor within 30 days that the property has been sold, transferred, or that the owner or the relative is no longer occupying the property as a homestead, shall result in the penalty provided under this subdivision and the property will lose its current homestead status.

(f) If the homestead application is not returned within 30 days, the county will send a second application to the present owners of record. The notice of proposed property taxes prepared under section 275.065, subdivision 3, shall reflect the property's classification. Beginning with assessment year 1993 for all properties, If a homestead application has not been filed with the county by December 15, the assessor shall classify the property as nonhomestead for the current assessment year for taxes payable in the following year, provided that the owner may be entitled to receive the homestead classification by proper application under section 375.192.

(g) At the request of the commissioner, each county must give the commissioner a list that includes the name and social security number of each property owner and the property owner's spouse occupying the property, or relative of a property owner, applying for homestead classification under this subdivision. The commissioner shall use the information provided on the lists as appropriate under the law, including for the detection of improper claims by owners, or relatives of owners, under chapter 290A.

(h) If, in comparing the lists supplied by the counties, the commissioner finds that a property owner is claiming more than one homestead, the commissioner shall notify the appropriate counties. Within 90 days of the notification, the county assessor shall investigate to determine if the homestead classification was properly claimed. If the property owner does not qualify, the

county assessor shall notify the county auditor who will determine the amount of homestead benefits that had been improperly allowed. For the purpose of this section, "homestead benefits" means the tax reduction resulting from the classification as a homestead under section 273.13, the taconite homestead credit under section 273.135, ~~and~~ the supplemental homestead credit under section 273.1391, and the property tax refunds under chapter 290A deducted on the property tax statement.

The county auditor shall send a notice to the owners of the affected property, demanding reimbursement of the homestead benefits plus a penalty equal to 100 percent of the homestead benefits. The property owners may appeal the county's determination by filing a notice of appeal with the Minnesota tax court within 60 days of the date of the notice from the county. If the amount of homestead benefits and penalty is not paid within 60 days, and if no appeal has been filed, the county auditor shall certify the amount of taxes and penalty to the succeeding year's tax list to be collected as part of the property taxes. In the case of a manufactured home, the amount shall be certified to the current year's tax list for collection.

(i) Any amount of homestead benefits recovered by the county from the property owner shall be distributed to the county, city or town, and school district where the property is located in the same proportion that each taxing district's levy was to the total of the three taxing districts' levy for the current year. Any amount recovered attributable to property tax refunds reimbursed to the county by the state shall be paid to the commissioner of revenue for deposit in the fund from which it was paid. Any amount recovered attributable to taconite homestead credit shall be transmitted to the St. Louis county auditor to be deposited in the taconite property tax relief account. The total amount of penalty collected must be deposited in the county general fund.

(j) If a property owner has applied for more than one homestead and the county assessors cannot determine which property should be classified as homestead, the county assessors will refer the information to the commissioner. The commissioner shall make the determination and notify the counties within 60 days.

(k) In addition to lists of homestead properties, the commissioner may ask the counties to furnish lists of all properties and the record owners.

Sec. 4. Minnesota Statutes 1994, section 275.065, subdivision 3, is amended to read:

Subd. 3. [NOTICE OF PROPOSED PROPERTY TAXES.] (a) The county auditor shall prepare and the county treasurer shall deliver after November 10 and on or before November 24 each year, by first class mail to each taxpayer at the address listed on the county's current year's assessment roll, a notice of proposed property taxes and, in the case of a town, final property taxes.

(b) The commissioner of revenue shall prescribe the form of the notice.

(c) The notice must inform taxpayers that it contains the amount of property taxes each taxing authority other than a town proposes to collect for taxes payable the following year and, for a town, the amount of its final levy. It must clearly state that each taxing authority, including regional library districts established under section 134.201, and including the metropolitan taxing districts as defined in paragraph (i), but excluding all other special taxing districts and towns, will hold a public meeting to receive public testimony on the proposed budget and proposed or final property tax levy, or, in case of a school district, on the current budget and proposed property tax levy. It must clearly state the time and place of each taxing authority's meeting and an address where comments will be received by mail. The notice must include the estimated percentage increase in Minnesota personal income, provided by the commissioner of revenue under section 275.064, in a way to facilitate comparison of the proposed budget and levy increases with the increase in personal income. For 1993, the notice must clearly state that each taxing authority holding a public meeting will describe the increases or decreases of the total budget, including employee and independent contractor compensation in the prior year, current year, and the proposed budget year.

(d) The notice must state for each parcel:

(1) the market value of the property as determined under section 273.11, and used for

computing property taxes payable in the following year and for taxes payable in the current year; and, in the case of residential property, whether the property is classified as homestead or nonhomestead. The notice must clearly inform taxpayers of the years to which the market values apply and that the values are final values;

(2) by county, city or town, school district excess referenda levy, remaining school district levy, regional library district, if in existence, the total of the metropolitan special taxing districts as defined in paragraph (i) and the sum of the remaining special taxing districts, and as a total of the taxing authorities, including all special taxing districts, the proposed or, for a town, final net tax on the property for taxes payable the following year, including separate deductions for the property tax refunds under section 290A.04, subdivisions 2 and 2h, and the actual tax for taxes payable the current year, including separate deductions for the property tax refunds under section 290A.04, subdivisions 2 and 2h. For the purposes of this subdivision, "school district excess referenda levy" means school district taxes for operating purposes approved at referendums, including those taxes based on net tax capacity as well as those based on market value. "School district excess referenda levy" does not include school district taxes for capital expenditures approved at referendums or school district taxes to pay for the debt service on bonds approved at referenda. In the case of the city of Minneapolis, the levy for the Minneapolis library board and the levy for Minneapolis park and recreation shall be listed separately from the remaining amount of the city's levy. In the case of a parcel where tax increment or the fiscal disparities areawide tax applies, the proposed tax levy on the captured value or the proposed tax levy on the tax capacity subject to the areawide tax must each be stated separately and not included in the sum of the special taxing districts; and

(3) the increase or decrease in the amounts in clause (2) from taxes payable in the current year to proposed or, for a town, final taxes payable the following year, expressed as a dollar amount and as a percentage.

(e) The notice must clearly state that the proposed or final taxes do not include the following and that these items may increase the proposed tax shown on the notice:

(1) special assessments;

(2) levies approved by the voters after the date the proposed taxes are certified, including bond referenda, school district levy referenda, and levy limit increase referenda;

(3) amounts necessary to pay cleanup or other costs due to a natural disaster occurring after the date the proposed taxes are certified;

(4) amounts necessary to pay tort judgments against the taxing authority that become final after the date the proposed taxes are certified; and

(5) the contamination tax imposed on properties which received market value reductions for contamination.

The notice must state that the deduction for a property tax refund under section 290A.04, subdivision 2h, is contingent upon continuity in ownership of the property.

(f) Except as provided in subdivision 7, failure of the county auditor to prepare or the county treasurer to deliver the notice as required in this section does not invalidate the proposed or final tax levy or the taxes payable pursuant to the tax levy.

(g) If the notice the taxpayer receives under this section lists the property as nonhomestead and the homeowner provides satisfactory documentation to the county assessor that the property is owned and has been used as the owner's homestead prior to June 1 of that year, the assessor shall reclassify the property to homestead for taxes payable in the following year.

(h) In the case of class 4 residential property used as a residence for lease or rental periods of 30 days or more, the taxpayer must either:

(1) mail or deliver a copy of the notice of proposed property taxes to each tenant, renter, or lessee; or

(2) post a copy of the notice in a conspicuous place on the premises of the property.

(i) For purposes of this subdivision, subdivisions 5a and 6, "metropolitan special taxing districts" means the following taxing districts in the seven-county metropolitan area that levy a property tax for any of the specified purposes listed below:

(1) metropolitan council under section 473.132, 473.167, 473.249, 473.325, 473.446, 473.521, 473.547, or 473.834;

(2) metropolitan airports commission under section 473.667, 473.671, or 473.672; and

(3) metropolitan mosquito control commission under section 473.711.

For purposes of this section, any levies made by the regional rail authorities in the county of Anoka, Carver, Dakota, Hennepin, Ramsey, Scott, or Washington under chapter 398A shall be included with the appropriate county's levy and shall be discussed at that county's public hearing.

The notice must be mailed or posted by the taxpayer by November 27 or within three days of receipt of the notice, whichever is later. A taxpayer may notify the county treasurer of the address of the taxpayer, agent, caretaker, or manager of the premises to which the notice must be mailed in order to fulfill the requirements of this paragraph.

Sec. 5. [276.012] [COMPUTATION AND ADMINISTRATION OF PROPERTY TAX REFUNDS.]

(a) On or before October 1 each year, the commissioner of revenue shall certify to the county auditor the property tax refund amount under section 290A.04, subdivision 2, for each parcel of homestead property as defined in section 290A.03, subdivision 6, other than a manufactured home assessed under section 273.125, subdivision 8, paragraph (c), that qualifies for a refund relating to taxes payable in the current year.

(b) The county auditor shall compute the refund for purposes of the proposed property tax notice for each parcel of homestead property as defined in section 290A.03, subdivision 6, other than a manufactured home assessed under section 273.125, subdivision 8, paragraph (c), that may qualify for a refund under section 290A.04, subdivision 2h, for taxes payable in the subsequent year.

(c) After certification of the levies by taxing districts under section 275.07, the county auditor shall compute the refund for each parcel of homestead property as defined in section 290A.03, subdivision 6, other than a manufactured home assessed under section 273.125, subdivision 8, paragraph (c), that qualifies for a refund under section 290A.04, subdivision 2h, for taxes payable in the current year.

(d) The county auditor shall separately certify the amounts in paragraphs (a) and (c) to the county treasurer who shall reflect the amounts as property tax deductions on the property tax statement under section 276.04 for taxes payable in the current year, provided that to receive the refunds, the property must be classified as homestead property under section 273.13 for taxes payable in the year the refund is payable.

(e) The county auditor shall annually separately certify the costs of the property tax refunds under section 290A.04, subdivisions 2 and 2h, to the department of revenue with the abstract of tax lists under section 275.29.

Sec. 6. Minnesota Statutes 1994, section 276.04, subdivision 2, is amended to read:

Subd. 2. [CONTENTS OF TAX STATEMENTS.] (a) The treasurer shall provide for the printing of the tax statements. The commissioner of revenue shall prescribe the form of the property tax statement and its contents. The statement must contain the parcel identification number and a county identification number as specified by the commissioner. The statement must contain the qualifying tax amount to be used by the taxpayer in claiming a property tax refund under section 290A.04, subdivision 2, in the form and location determined by the commissioner of revenue. The statement must contain a tabulated statement of the dollar amount due to each taxing authority from the parcel of real property for which a particular tax statement is prepared. The dollar amounts due the county, township or municipality, the total of the metropolitan special taxing districts as defined in section 275.065, subdivision 3, paragraph (i), school district excess

referenda levy, remaining school district levy, and the total of other voter approved referenda levies based on market value under section 275.61 must be separately stated. The amounts due all other special taxing districts, if any, may be aggregated. For the purposes of this subdivision, "school district excess referenda levy" means school district taxes for operating purposes approved at referenda, including those taxes based on market value. "School district excess referenda levy" does not include school district taxes for capital expenditures approved at referendums or school district taxes to pay for the debt service on bonds approved at referenda. The amount of the tax on contamination value imposed under sections 270.91 to 270.98, if any, must also be separately stated. The dollar amounts, including the dollar amount of any special assessments, may be rounded to the nearest even whole dollar. For purposes of this section whole odd-numbered dollars may be adjusted to the next higher even-numbered dollar. The amount of market value excluded under section 273.11, subdivision 16, if any, must also be listed on the tax statement. The statement shall include the following sentence, printed in upper case letters in boldface print: "THE STATE OF MINNESOTA DOES NOT RECEIVE ANY PROPERTY TAX REVENUES. THE STATE OF MINNESOTA REDUCES YOUR PROPERTY TAX BY PAYING CREDITS AND REIMBURSEMENTS TO LOCAL UNITS OF GOVERNMENT."

(b) The property tax statements for manufactured homes and sectional structures taxed as personal property shall contain the same information that is required on the tax statements for real property.

(c) Real and personal property tax statements must contain the following information in the order given in this paragraph. The information must contain the current year tax information in the right column with the corresponding information for the previous year in a column on the left:

(1) the property's estimated market value under section 273.11, subdivision 1;

(2) the property's taxable market value after reductions under section 273.11, subdivisions 1a and 16;

(3) the property's gross tax, calculated by multiplying the property's gross tax capacity times the total local tax rate and adding to the result the sum of the aids enumerated in clause (3);

(4) a total of the following aids:

(i) education aids payable under chapters 124 and 124A;

(ii) local government aids for cities, towns, and counties under chapter 477A; and

(iii) disparity reduction aid under section 273.1398;

(5) for homestead residential and agricultural properties, the homestead and agricultural credit aid apportioned to the property. This amount is obtained by multiplying the total local tax rate by the difference between the property's gross and net tax capacities under section 273.13. This amount must be separately stated and identified as "homestead and agricultural credit." For purposes of comparison with the previous year's amount for the statement for taxes payable in 1990, the statement must show the homestead credit for taxes payable in 1989 under section 273.13, and the agricultural credit under section 273.132 for taxes payable in 1989;

(6) any credits received under sections 273.119; 273.123; 273.135; 273.1391; 273.1398, subdivision 4; 469.171; and 473H.10, except that the amount of credit received under section 273.135 must be separately stated and identified as "taconite tax relief"; ~~and~~

(7) the net tax payable in the manner required in paragraph (a)~~.~~;

(8) for eligible homestead properties, the property tax refunds under section 290A.04, subdivisions 2 and 2h, if any, shown separately as deductions on the statement; and

(9) the tax after deduction of the property tax refunds under clause (8).

(d) The commissioner of revenue shall certify to the county auditor the actual or estimated aids enumerated in clauses (3) and (4) that local governments will receive in the following year. ~~In the case of a county containing a city of the first class, for taxes levied in 1991, and for all counties for taxes levied in 1992 and thereafter,~~ The commissioner must certify this amount by September 1.

Sec. 7. Minnesota Statutes 1994, section 276.09, is amended to read:

The county auditor shall, within 30 days after the settlement, send an abstract of it to the state auditor in the form prescribed by the state auditor. At the settlement the treasurer shall make complete returns of the receipts on the current tax list, showing the amount collected on account of the several funds included in the list.

Settlement of receipts from the later of May 20 or the actual settlement date to December 31 of each year must be made as provided in section 276.111.

For purposes of this section, "receipts" includes all tax payments received by the county treasurer on or before the settlement date and all property tax refunds paid to the county treasurer under section 290A.07.

Sec. 8. Minnesota Statutes 1994, section 276.111, is amended to read:

276.111 [DISTRIBUTIONS AND FINAL YEAR-END SETTLEMENT.]

Within 14 business days after July 20, the county treasurer shall pay to each taxing district 100 percent of the estimated collections arising from taxes levied by and belonging to the taxing district from the settlement day determined in section 276.09 to July 25.

Within seven business days after October 15, the county treasurer shall pay to the school districts 50 percent of the estimated collections arising from taxes levied by and belonging to the school district from ~~the settlement day determined in section 276.09~~ July 25 to October 20. The remaining 50 percent of the estimated tax collections must be paid to the school district within the next seven business days. Within ten business days after November 15, the county treasurer shall pay to the school district 100 percent of the estimated collections arising from taxes levied by and belonging to the school districts from October 20 to November 20.

Within ten business days after November 15, the county treasurer shall pay to each taxing district, except any school district, 100 percent of the estimated collections arising from taxes levied by and belonging to each taxing district from ~~the settlement day determined in section 276.09~~ July 25 to November 20.

On or before January 5, the county treasurer shall make full settlement with the county auditor of all receipts collected from the settlement day determined in section 276.09 to December 31. After subtracting any tax distributions that have been made to the taxing districts in July, October, and November, the treasurer shall pay to each of the taxing districts on or before January 25, the balance of the tax amounts collected on behalf of each taxing district. Interest accrues at an annual rate of eight percent and must be paid to the taxing district if this final settlement amount is not paid by January 25. Interest must be paid upon appropriation from the general revenue fund of the county. If not paid, it may be recovered by the taxing district in a civil action.

Sec. 9. Minnesota Statutes 1994, section 289A.60, subdivision 12, is amended to read:

Subd. 12. [PENALTIES RELATING TO PROPERTY TAX REFUNDS.] (a) If the commissioner determines that a property tax refund claim is or was excessive and was filed with fraudulent intent, the claim must be disallowed in full. If the claim has been paid, the amount disallowed may be recovered by assessment and collection.

(b) If it is determined that a property tax refund claim is excessive and was negligently prepared, ten percent of the corrected claim must be disallowed. If the claim has been paid, the amount disallowed must be recovered by assessment and collection.

(c) An owner or managing agent who knowingly fails to give a certificate of rent constituting property tax to a renter, as required by section 290A.19, paragraph (a), is liable to the commissioner for a penalty of $100 for each failure.

(d) If the owner or managing agent knowingly gives rent certificates that report total rent constituting property taxes in excess of the amount of actual rent constituting property taxes paid on the rented part of a property, the owner or managing agent is liable for a penalty equal to the greater of (1) $100 or (2) 50 percent of the excess that is reported. An overstatement of rent constituting property taxes is presumed to be knowingly made if it exceeds by ten percent or more the actual rent constituting property taxes.

(e) No property tax refund claim based on rent paid, or on property taxes payable in the case of a manufactured home assessed under section 273.125, subdivision 8, paragraph (c), is allowed if the initial claim is filed more than one year after the original due date for filing the claim.

(f) Except as provided in paragraph (e), no property tax refund claim based on property taxes payable filed after the original due date for filing the claim may be paid. No extensions of time for filing may be granted.

Sec. 10. Minnesota Statutes 1994, section 290A.03, subdivision 13, is amended to read:

Subd. 13. [PROPERTY TAXES PAYABLE.] "Property taxes payable" means the property tax exclusive of special assessments, penalties, and interest payable on a claimant's homestead ~~before reductions made under section 273.13 but~~ after deductions made under sections 273.135, 273.1391, 273.42, subdivision 2, and any other state paid property tax credits in any calendar year other than property tax refunds determined under chapter 290A. In the case of a claimant who makes ground lease payments, "property taxes payable" includes the amount of the payments directly attributable to the property taxes assessed against the parcel on which the house is located. No apportionment or reduction of the "property taxes payable" shall be required for the use of a portion of the claimant's homestead for a business purpose if the claimant does not deduct any business depreciation expenses for the use of a portion of the homestead in the determination of federal adjusted gross income. For homesteads which are manufactured homes ~~as defined in section 274.19, subdivision 8~~ assessed under section 273.125, subdivision 8, paragraph (c), "property taxes payable" shall also include the amount of the gross rent paid in the preceding year for the site on which the homestead is located, which is attributable to the net tax paid on the site. The amount attributable to property taxes shall be determined by multiplying the net tax on the parcel by a fraction, the numerator of which is the gross rent paid for the calendar year for the site and the denominator of which is the gross rent paid for the calendar year for the parcel. When a homestead is owned by two or more persons as joint tenants or tenants in common, such tenants shall determine between them which tenant may claim the property taxes payable on the homestead. If they are unable to agree, the matter shall be referred to the commissioner of revenue whose decision shall be final. Property taxes are considered payable in the year prescribed by law for payment of the taxes.

In the case of a claim relating to "property taxes payable," the claimant must have owned and occupied the homestead on January 2 of the year ~~in which the tax is payable~~ to which the "property taxes payable" used in computing the refund relate, and (i) the property must have been classified as homestead property pursuant to section 273.13, subdivision 22 or 23, on or before December 15 of the assessment year to which the "property taxes payable" relate; or (ii) the claimant must provide documentation from the local assessor that application for homestead classification has been made on or before ~~December~~ August 15 of the year in which the "property taxes payable" were payable and that the assessor has approved the application.

No refunds under section 290A.04, subdivision 2 or 2h, may be deducted on the property tax statement unless the property is classified as homestead property for taxes payable in the year the property tax refund is paid.

Sec. 11. Minnesota Statutes 1994, section 290A.04, subdivision 2h, is amended to read:

Subd. 2h. (a) If the gross property taxes payable on a homestead increase more than 12 percent over the net property taxes payable in the prior year on the same property that is owned and occupied by the same owner on January 2 of both years, and the amount of that increase is $100 or more ~~for taxes payable in 1995 and 1996, a claimant who is~~, a homeowner shall be allowed an additional refund equal to 60 percent of the amount of the increase over the greater of 12 percent of the prior year's net property taxes payable or $100 ~~for taxes payable in 1995 and 1996~~. This subdivision shall not apply to any increase in the gross property taxes payable attributable to improvements made to the homestead after the assessment date for the prior year's taxes.

The maximum refund allowed under this subdivision is $1,000.

(b) For purposes of this subdivision, the following terms have the meanings given:

(1) "Net property taxes payable" means property taxes payable minus refund amounts for which the claimant qualifies pursuant to subdivision 2 and this subdivision.

(2) "Gross property taxes" means net property taxes payable determined without regard to the refund allowed under this subdivision.

~~(c) In addition to the other proofs required by this chapter, each claimant under this subdivision shall file with the property tax refund return a copy of the property tax statement for taxes payable in the preceding year or other documents required by the commissioner.~~

~~(d) On or before December 1, 1995, the commissioner shall estimate the cost of making the payments provided by this subdivision for taxes payable in 1996. Notwithstanding the open appropriation provision of section 290A.23, if the estimated total refund claims for taxes payable in 1996 exceed $5,500,000, the commissioner shall first reduce the 60 percent refund rate enough, but to no lower a rate than 50 percent, so that the estimated total refund claims do not exceed $5,500,000. If the commissioner estimates that total claims will exceed $5,500,000 at a 50 percent refund rate, the commissioner shall also reduce the $1,000 maximum refund amount by enough so that total estimated refund claims do not exceed $5,500,000.~~

~~The determinations of the revised thresholds by the commissioner are not rules subject to chapter 14.~~

~~(e) Upon request, the appropriate county official shall make available the names and addresses of the property taxpayers who may be eligible for the additional property tax refund under this section. The information shall be provided on a magnetic computer disk. The county may recover its costs by charging the person requesting the information the reasonable cost for preparing the data. The information may not be used for any purpose other than for notifying the homeowner of potential eligibility and assisting the homeowner, without charge, in preparing a refund claim.~~

Sec. 12. [290A.055] [PUBLIC DATA; NOTICE ON CLAIM FORM.]

The property tax refund claim form must contain a statement notifying claimants that the property tax refund amount is public data, and that it will appear on the property tax statement and on other county records.

Sec. 13. Minnesota Statutes 1994, section 290A.07, is amended to read:

290A.07 [TIME ~~FOR~~ AND MANNER OF PAYMENT.]

Subd. 2a. [PAYMENT TO CLAIMANT.] A claimant who is a renter or a homeowner who occupies a manufactured home, as defined in section 273.125, subdivision 8, paragraph (c), shall receive full payment after August 1 and before August 15 or 60 days after receipt of the application, whichever is later.

Subd. 3. [PAYMENT ~~TO COUNTY TREASURER~~ AS DEDUCTION ON PROPERTY TAX STATEMENT.] ~~A claimant~~ In the case of property not included in subdivision 2a ~~shall receive full payment after September 15 and before September 30.~~, payment of a refund under section 290A.04, subdivision 2, is made as a deduction on the property tax statement for the homestead for taxes payable the following year, and payment of a refund under section 290A.04, subdivision 2h, is made as a deduction on the property tax statement for the homestead for taxes payable in the current year.

Subd. 4. [PAYMENT TO COUNTY TREASURER.] Annually on or before July 20, the commissioner shall pay the amount of the property tax refunds under section 290A.04, subdivisions 2 and 2h, certified by the county auditor under section 276.012, paragraph (e), to the county treasurer for settlement and distribution under sections 276.09 to 276.111.

Sec. 14. Minnesota Statutes 1994, section 290A.15, is amended to read:

290A.15 [CLAIM APPLIED AGAINST OUTSTANDING LIABILITY.]

The amount of any claim otherwise payable under this chapter may be applied by the commissioner against any delinquent tax liability of the claimant or spouse of the claimant payable to the department of revenue. This section does not apply to (1) refunds under section 290A.04, subdivision 2, that have been certified by the commissioner of revenue to the county auditor under section 276.012, or (2) refunds under section 290A.04, subdivision 2h, determined by the county auditor under section 276.012.

Sec. 15. Minnesota Statutes 1994, section 290A.18, is amended to read:

290A.18 [RIGHT TO FILE CLAIM; RIGHT TO RECEIVE CREDIT.]

Subdivision 1. [CLAIM BY SURVIVING SPOUSE OR DEPENDENT.] Except as provided in subdivision 3, if a person entitled to relief under this chapter dies prior to receiving relief, the surviving spouse or dependent of the person shall be entitled to file the claim and receive relief. If there is no surviving spouse or dependent, the right to the credit shall lapse.

Subd. 2. [CLAIMANT CANNOT BE LOCATED.] Except as provided in subdivision 3, if the commissioner cannot locate the claimant within two years from the date that the original warrant was issued, or if a claimant to whom a warrant has been issued does not cash that warrant within two years from the date the warrant was issued, the right to the credit shall lapse, and the warrant shall be deposited in the general fund.

Subd. 3. [RIGHT TO RECEIVE REFUND NOT PERSONAL TO CLAIMANT.] Property tax refunds under section 290A.04, subdivisions 2 and 2h, are paid as a deduction on the property tax statement of the property as provided in section 290A.07, subdivision 3. The right to receive the deduction is not personal to the claimant or to a surviving spouse or dependent of the claimant.

Sec. 16. [290A.26] [APPROPRIATION; COUNTY COSTS.]

$2,650,000 is appropriated for fiscal year 1998, and $2,370,000 is appropriated for fiscal year 1999, and each year thereafter, to the commissioner of revenue to pay counties for the costs of implementing and administering the property tax refunds for homeowners. The commissioner shall make the payments annually on July 20. The commissioner, after consultation with the Minnesota Association of County Officers, shall apportion the available appropriation among the counties.

Sec. 17. [1997 LEVY; TRUTH IN TAXATION NOTICE.]

For taxes payable in 1998 only, the notice of proposed property taxes under Minnesota Statutes, section 275.065, subdivision 3, shall state that beginning with property taxes payable in 1998, the homestead property tax refund calculated under Minnesota Statutes, section 290A.04, subdivision 2, and the special refund for property tax increases under Minnesota Statutes, section 290A.04, subdivision 2h, shall be paid as a deduction from the net tax on the property for all qualifying properties other than manufactured homes assessed under Minnesota Statutes, section 273.125, subdivision 8, paragraph (c). The notice shall clearly notify the taxpayer that these deductions are shown on the notice of proposed taxes for taxes payable in 1998, and that the actual tax for taxes payable in 1998 may be greater than the amount shown on the notice if the ownership or classification of the property changes before the refunds are paid. The commissioner of revenue shall prescribe the form and wording of the statement required in this section. The commissioner may prescribe that the statement be included with the notice of proposed property taxes as a separate addendum. At least five working days before distribution to the counties, the notice prescribed by the commissioner of revenue under this section must be submitted to the chairs of the senate committee on taxes and tax laws and the house tax committee for their advice and approval.

The refund amounts under Minnesota Statutes, section 290A.04, subdivision 2, are the amounts that the county auditor shall show as a deduction on the property tax statement for taxes payable in 1998. The county auditor shall calculate the amounts of the refund under Minnesota Statutes, section 290A.04, subdivision 2h, for taxes payable in 1998, and show that amount as a deduction on the 1998 property tax statement.

[CAPTURED TAX CAPACITY ADJUSTMENT.] In calculating adjusted net tax capacity, the commissioner of revenue shall increase the adjusted net tax capacity of a school district containing a tax increment financing district for which an election is made under section 469.1782, subdivision 1, clause (1). The amount of the increase equals the captured net tax capacity of the tax increment financing district in the year preceding the first taxes payable year in which the special law permits collection beyond that permitted by the general law duration limit that otherwise would apply. The addition applies beginning for aid and levy for the first taxes payable year in which the special law permits collection of increment beyond that permitted by the general law duration limit that otherwise would apply. The addition continues to apply for each taxes payable year the district remains in effect.

(c) ~~"Qualified manufacturing district" means an economic development district that qualifies under section 469.176, subdivision 4c, paragraph (a), without regard to clauses (2) and (5), for which certification was requested after June 30, 1991, located in a home rule charter or statutory city that has a population under 10,000 according to the last federal census.~~

~~(d)~~ "Qualified housing district" means a housing district for a residential rental project or projects in which the only properties receiving assistance from revenues derived from tax

increments from the district meet all of the requirements for a low-income housing credit under section 42 of the Internal Revenue Code of 1986, as amended through December 31, 1992, regardless of whether the project actually receives a low-income housing credit.

~~(e) "Qualified hazardous substance subdistrict" means a hazardous substance subdistrict in which the municipality has made an election to make an alternative local contribution as provided under section 469.175, subdivision 7a.~~

Sec. 5. Minnesota Statutes 1994, section 273.1399, subdivision 2, is amended to read:

Subd. 2. [REPORTING.] ~~The county auditor shall calculate the qualifying captured net tax capacity amount for each municipal part of each school district in the county and report the amounts to the commissioner of revenue at the time and in the manner prescribed by the commissioner.~~ (a) The commissioner of revenue shall use the retained captured value, tax increment, and other information reported in the abstract of tax lists supplement in administering the provisions of this section.

(b) Each tax increment authority or municipality must by March 15 of each year submit to the commissioner of revenue a report on local contributions made to each tax increment district in the preceding year. The commissioner shall prescribe the form and content of the report, including the sources and amounts of contributions and any other information the commissioner requires. Submission of a local contribution report is required for a tax increment district to be exempt from the aid reduction provisions of this section.

Sec. 6. Minnesota Statutes 1994, section 273.1399, subdivision 6, is amended to read:

Subd. 6. [~~EXEMPTION; ETHANOL PROJECTS~~ EXEMPT DISTRICTS.] (a) The provisions of this section do not apply to exempt tax increment financing districts as specified by this subdivision.

(b) A tax increment financing district for an ethanol production facility that satisfies all of the following requirements is exempt:

(1) The district is an economic development district, that qualifies under section 469.176, subdivision 4c, paragraph (a), clause (1).

(2) The facility is certified by the commissioner of ~~revenue~~ agriculture to qualify for state payments for ethanol development under section 41A.09 to the extent funds are available.

(3) Increments from the district are used only to finance the qualifying ethanol development project located in the district or to pay for administrative costs of the district.

(4) The district is located outside of the seven-county metropolitan area, as defined in section 473.121.

(5) The tax increment financing plan was approved by a resolution of the county board.

(6) The exemption provided by this paragraph applies until the first year after the total amount of increment for the district ~~does not exceed $1,000,000~~ exceeds $1,500,000. The county auditor shall notify the commissioner of revenue of the expiration of the exemption by June 1 of the year in which the auditor projects the revenues from increments will exceed $1,500,000.

(c) A qualified housing district is exempt.

(d) A district is exempt if the municipality elects at the time of approving the tax increment financing plan for the district to make a qualifying local contribution. To qualify for the exemption in each year, the authority or the municipality must make a qualifying local contribution equal to the listed percentages of increment from the district or subdistrict:

(1) for an economic development district, a housing district, or a renewal and renovation district, ten percent;

(2) for a redevelopment district, a mined underground space district, a hazardous substance subdistrict, or a soils condition district, 7.5 percent.

The maximum local contribution for all districts in the municipality is limited to two percent of city net tax capacity as defined in section 477A.011, subdivision 20.

The amount of the local contribution must be made out of unrestricted money of the authority or municipality, such as the general fund, a property tax levy, or a federal or a state grant-in-aid which may be spent for general government purposes. The local contribution may not be made, directly or indirectly, with tax increments or developer payments as defined under section 469.1766. The local contribution must be used to pay project costs and cannot be used for general government purposes or for improvements or costs that the authority or municipality planned to incur absent the project. The authority or municipality may request contributions from other local government entities that will benefit from the district's activities. These contributions reduce the local contribution required of the municipality or authority by this paragraph. Cities, counties, towns, and schools may contribute to paying these costs, notwithstanding any other law to the contrary.

If the state contributes to the project costs through a direct grant or similar incentive, the required local contribution is reduced by one-half of the dollar amount of the state grant or other similar incentive.

Sec. 7. Minnesota Statutes 1994, section 273.1399, is amended by adding a subdivision to read:

Subd. 7. [EXEMPTION; AGRICULTURAL PROCESSING FACILITIES.] The provisions of this section do not apply to a tax increment financing district that satisfies all of the following requirements:

(1) the district is established to construct or expand an agricultural processing facility;

(2) the construction or expansion of the facility creates, or upon completion will create, a minimum of five permanent full-time jobs;

(3) the district is located outside of the seven-county metropolitan area, as defined in section 473.121;

(4) the tax increment financing plan was approved by a resolution of the county board;

(5) the municipality approving the tax increment financing plan agrees to make at least a five percent local contribution that meets the requirements of subdivision 6, paragraph (d), including the limitation to two percent of city tax capacity; and

(6) the commissioner of agriculture has certified to the county auditor that the requirements of this subdivision have been met.

The exemption provided by this subdivision applies until the first year after the total amount of increment for the district exceeds $1,500,000. The county auditor shall notify the commissioner of revenue of the expiration of the exemption by June 1 of the year in which the auditor projects the revenues from increment will exceed $1,500,000.

For purposes of this section, "agricultural processing facility" means land, buildings, structures, fixtures, and improvements used or operated primarily for the processing or production of marketable products from agricultural crops, including waste and residues from agricultural crops, and including livestock products, poultry products, and wood products, but not the raising of livestock or poultry.

Sec. 8. Minnesota Statutes 1994, section 273.1399, is amended by adding a subdivision to read:

Subd. 8. [APPLICATION TO EXTENSIONS BY SPECIAL LAW.] The provisions of this section apply to a tax increment financing district, notwithstanding the date on which the request for certification was made, if (1) the duration limit of the district under section 469.176 is extended by a special law and (2) the municipality elects under section 469.1782, subdivision 1, clause (2), that this section applies to the extension. The section applies beginning for the first taxes payable year after the district would have terminated under general law and the aid reduction is determined by using 100 percent of the captured tax capacity as the qualified captured tax capacity of the district. The exemption provided by subdivision 6, paragraph (d), does not apply.

Sec. 9. Minnesota Statutes 1994, section 375.83, is amended to read:

375.83 [ECONOMIC AND AGRICULTURAL DEVELOPMENT.]

A county board may appropriate ~~not more than $50,000 annually~~ money out of the general revenue fund of the county to be paid to any incorporated development society or organization of this state which, in the board's opinion, will use the money for the best interests of the county in promoting, advertising, improving, or developing the economic and agricultural resources of the county. ~~The limitation on appropriations in this section does not prohibit accumulation of amounts in excess of $50,000 in a fund to be used for the purposes of this section. The total amount accumulated in the fund must not exceed $300,000.~~

Sec. 10. Minnesota Statutes 1994, section 469.169, subdivision 9, is amended to read:

Subd. 9. [ADDITIONAL BORDER CITY ALLOCATIONS.] In addition to tax reductions authorized in subdivisions 7 and 8, the commissioner may allocate $1,100,000 for tax reductions to border city enterprise zones in cities located on the western border of the state, and $300,000 to the border city enterprise zone in the city of Duluth. The commissioner shall make allocations to zones in cities on the western border by evaluating which cities' applications for allocations relate to business prospects that have the greatest positive economic impact. Allocations made under this subdivision may be used for tax reductions as provided in section 469.171, or other offsets of taxes imposed on or remitted by businesses located in the enterprise zone, but only if the municipality determines that the granting of the tax reduction or offset is necessary in order to retain a business within or attract a business to the zone. Limitations on allocations under section 469.169, subdivision 7, do not apply to this allocation. Enterprise zones that receive allocations under this subdivision may continue in effect for purposes of those allocations through December 31, ~~1994~~ 1995.

Sec. 11. Minnesota Statutes 1994, section 469.169, is amended by adding a subdivision to read:

Subd. 10. [ADDITIONAL BORDER CITY ALLOCATIONS.] In addition to tax reductions authorized in subdivisions 7, 8, and 9, the commissioner may allocate $1,500,000 for tax reductions to border city enterprise zones in cities located on the western border of the state. The commissioner shall make allocations to zones in cities on the western border on a per capita basis. Allocations made under this subdivision may be used for tax reductions as provided in section 469.171, or other offsets of taxes imposed on or remitted by businesses located in the enterprise zone, but only if the municipality determines that the granting of the tax reduction or offset is necessary in order to retain a business within or attract a business to the zone. Limitations on allocations under section 469.169, subdivision 7, do not apply to this allocation. Enterprise zones that receive allocations under this subdivision may continue in effect for purposes of those allocations through December 31, 1996.

Sec. 12. Minnesota Statutes 1994, section 469.174, subdivision 4, is amended to read:

Subd. 4. [CAPTURED NET TAX CAPACITY.] "Captured net tax capacity" means the amount by which the current net tax capacity of a tax increment financing district or an extended subdistrict exceeds the original net tax capacity, including the value of property normally taxable as personal property by reason of its location on or over property owned by a tax-exempt entity. In the case of a hazardous substance subdistrict, except an extended subdistrict, "captured net tax capacity" means the amount by which the original net tax capacity of the portion of the tax increment financing district overlying the subdistrict exceeds the original net tax capacity of the subdistrict.

Sec. 13. Minnesota Statutes 1994, section 469.174, subdivision 19, is amended to read:

Subd. 19. [SOILS CONDITION DISTRICT.] (a) "Soils condition district" means a type of tax increment financing district consisting of a project, or portions of a project, within which the authority finds by resolution that the following conditions exist:

(1) ~~unusual terrain,~~ the presence of hazardous substances, pollution, or contaminants~~, or soil deficiencies for 80 percent of the acreage in the district require substantial filling, grading,~~ requires removal or remedial action~~, or other physical preparation~~ for use;

(2) the estimated cost of the ~~physical preparation under clause (1), but excluding costs directly related to roads as defined in section 160.01 and local improvements as described in sections 429.021, subdivision 1, clauses (1) to (7), (11), and (12), and 430.01,~~ proposed removal and remedial action exceeds the fair market value of the land before completion of the preparation.

The requirements of clause (2) need not be satisfied, if each parcel of property in the district either satisfies the requirements of clause (2) or the estimated costs of the proposed removal or remedial action exceeds $2 per square foot for the area of the parcel.

(b) ~~An area does not qualify as a soils condition district if it contains a wetland, as defined in section 103G.005, unless the development agreement prohibits draining, filling, or other alteration of the wetland or other binding legal assurances for preservation of the wetland are provided.~~

~~(c) If the district is located in the metropolitan area, the proposed development of the district in the tax increment financing plan must be consistent with the municipality's land use plan adopted in accordance with sections 473.851 to 473.872 and reviewed by the metropolitan council under section 473.175. If the district is located outside of the metropolitan area, the proposed development of the district must be consistent with the municipality's comprehensive municipal plan.~~ The proposed removal or remediation action must be specified in a development action response plan to satisfy the requirements of paragraph (a).

Sec. 14. Minnesota Statutes 1994, section 469.174, subdivision 21, is amended to read:

Subd. 21. [CREDIT ENHANCED BONDS.] "Credit enhanced bonds" means special obligation bonds that are:

(1) payable primarily from tax increments (i) derived from a tax increment financing district within which the activity, as defined in section 469.1763, subdivision 1, financed by at least ~~75 percent~~ the applicable in-district percentage of the bond proceeds is located and (ii) estimated on the date of issuance to be sufficient to pay when due the debt service on the bonds, and

(2) further secured by tax increments (i) derived from one or more tax increment financing districts and (ii) determined by the issuer to be necessary in order to make the marketing of the bonds feasible.

For purposes of this subdivision, "applicable in-district percentage" means the percentage under section 469.1763, subdivision 2, for the district.

Sec. 15. Minnesota Statutes 1994, section 469.174, is amended by adding a subdivision to read:

Subd. 23. [HAZARDOUS SUBSTANCE SUBDISTRICT.] "Hazardous substance subdistrict" or "subdistrict" means a hazardous substance subdistrict created under section 469.175, subdivision 7.

Sec. 16. Minnesota Statutes 1994, section 469.174, is amended by adding a subdivision to read:

Subd. 24. [EXTENDED SUBDISTRICT.] "Extended subdistrict" means a hazardous substance subdistrict, but only for any period during which the subdistrict remains in effect after the overlying tax increment district has terminated.

Sec. 17. Minnesota Statutes 1994, section 469.175, subdivision 1, is amended to read:

Subdivision 1. [TAX INCREMENT FINANCING PLAN.] (a) A tax increment financing plan shall contain:

(1) a statement of objectives of an authority for the improvement of a project;

(2) a statement as to the development program for the project, including the property within the project, if any, that the authority intends to acquire;

(3) a list of any development activities that the plan proposes to take place within the project, for which contracts have been entered into at the time of the preparation of the plan, including the names of the parties to the contract, the activity governed by the contract, the cost stated in the contract, and the expected date of completion of that activity;

(4) identification or description of the type of any other specific development reasonably expected to take place within the project, and the date when the development is likely to occur;

(5) estimates of the following:

(i) cost of the project, including administration expenses;

(ii) amount of bonded indebtedness to be incurred;

(iii) sources of revenue to finance or otherwise pay public costs;

(iv) the most recent net tax capacity of taxable real property within the tax increment financing district;

(v) the estimated captured net tax capacity of the tax increment financing district at completion; and

(vi) the duration of the tax increment financing district's existence;

(6) statements of the authority's alternate estimates of the impact of tax increment financing on the net tax capacities of all taxing jurisdictions in which the tax increment financing district is located in whole or in part. For purposes of one statement, the authority shall assume that the estimated captured net tax capacity would be available to the taxing jurisdictions without creation of the district, and for purposes of the second statement, the authority shall assume that none of the estimated captured net tax capacity would be available to the taxing jurisdictions without creation of the district;

(7) identification and description of studies and analyses used to make the determination set forth in subdivision 3, clause (2); and

(8) identification of all parcels to be included in the district or any subdistrict.

(b) For a housing district, redevelopment district, or a hazardous substance subdistrict, the authority may elect in the tax increment financing plan to provide for the identification of a minimum market value in the plan, development agreement, or assessment agreement, and provide that increment is first received by the authority when (1) the market value of the improvements as determined by the assessor reaches or exceeds the minimum market value, or (2) four years has elapsed from the date of certification of the original net tax capacity of the taxable real property in the district or subdistrict by the county auditor, whichever is earlier.

Sec. 18. Minnesota Statutes 1994, section 469.175, subdivision 3, is amended to read:

Subd. 3. [MUNICIPALITY APPROVAL.] A county auditor shall not certify the original net tax capacity of a tax increment financing district until the tax increment financing plan proposed for that district has been approved by the municipality in which the district is located. If an authority that proposes to establish a tax increment financing district and the municipality are not the same, the authority shall apply to the municipality in which the district is proposed to be located and shall obtain the approval of its tax increment financing plan by the municipality before the authority may use tax increment financing. The municipality shall approve the tax increment financing plan only after a public hearing thereon after published notice in a newspaper of general circulation in the municipality at least once not less than ten days nor more than 30 days prior to the date of the hearing. The published notice must include a map of the area of the district from which increments may be collected and, if the project area includes additional area, a map of the project area in which the increments may be expended. The hearing may be held before or after the approval or creation of the project or it may be held in conjunction with a hearing to approve the project. Before or at the time of approval of the tax increment financing plan, the municipality shall make the following findings, and shall set forth in writing the reasons and supporting facts for each determination:

(1) that the proposed tax increment financing district is a redevelopment district, a renewal or renovation district, a mined underground space development district, a housing district, a soils condition district, or an economic development district; if the proposed district is a redevelopment district or a renewal or renovation district, the reasons and supporting facts for the determination

that the district meets the criteria of section 469.174, subdivision 10, paragraph (a), clauses (1) and (2), or subdivision 10a, must be retained and made available to the public by the authority until the district has been terminated.

(2) that the proposed development or redevelopment, in the opinion of the municipality, would not reasonably be expected to occur solely through private investment within the reasonably foreseeable future and ~~therefore the use of tax increment financing is deemed necessary~~ that the increased market value of the site that could reasonably be expected to occur without the use of tax increment financing would be less than the increase in the market value estimated to result from the proposed development after subtracting the present value of the projected tax increments for the maximum duration of the district permitted by the plan. The requirements of this clause do not apply if the district is a qualified housing district, as defined in section 273.1399, subdivision 1.

(3) that the tax increment financing plan conforms to the general plan for the development or redevelopment of the municipality as a whole.

(4) that the tax increment financing plan will afford maximum opportunity, consistent with the sound needs of the municipality as a whole, for the development or redevelopment of the project by private enterprise.

(5) that the municipality elects the method of tax increment computation set forth in section 469.177, subdivision 3, clause (b), if applicable.

When the municipality and the authority are not the same, the municipality shall approve or disapprove the tax increment financing plan within 60 days of submission by the authority, or the plan shall be deemed approved. When the municipality and the authority are not the same, the municipality may not amend or modify a tax increment financing plan except as proposed by the authority pursuant to subdivision 4. Once approved, the determination of the authority to undertake the project through the use of tax increment financing and the resolution of the governing body shall be conclusive of the findings therein and of the public need for the financing.

Sec. 19. Minnesota Statutes 1994, section 469.175, subdivision 5, is amended to read:

Subd. 5. [ANNUAL DISCLOSURE.] For all tax increment financing districts, whether created prior or subsequent to August 1, 1979, on or before July 1 of each year, the authority shall submit to the county board, the county auditor, the school board, ~~the commissioner of revenue~~ state auditor and, if the authority is other than the municipality, the governing body of the municipality, a report of the status of the district. The report shall include the following information: the amount and the source of revenue in the account, the amount and purpose of expenditures from the account, the amount of any pledge of revenues, including principal and interest on any outstanding bonded indebtedness, the original net tax capacity of the district, the captured net tax capacity retained by the authority, the captured net tax capacity shared with other taxing districts, the tax increment received, and any additional information necessary to demonstrate compliance with any applicable tax increment financing plan. An annual statement showing the tax increment received and expended in that year, the original net tax capacity, captured net tax capacity, amount of outstanding bonded indebtedness, the amount of the district's increments paid to other governmental bodies, the amount paid for administrative costs, the sum of increments paid, directly or indirectly, for activities and improvements located outside of the district, and any additional information the authority deems necessary shall be published in a newspaper of general circulation in the municipality. If the fiscal disparities contribution for the district is computed under section 469.177, subdivision 3, paragraph (a), the annual statement must disclose that fact and indicate the amount of increased property tax imposed on other properties in the municipality as a result of the fiscal disparities contribution. The commissioner of revenue shall prescribe the form of this statement and the method for calculating the increased property taxes.

Sec. 20. Minnesota Statutes 1994, section 469.175, subdivision 6, is amended to read:

Subd. 6. [FINANCIAL REPORTING.] (a) The state auditor shall develop a uniform system of accounting and financial reporting for tax increment financing districts. The system of accounting and financial reporting shall, as nearly as possible:

(1) provide for full disclosure of the sources and uses of public funds in the district;

(2) permit comparison and reconciliation with the affected local government's accounts and financial reports;

(3) permit auditing of the funds expended on behalf of a district, including a single district that is part of a multidistrict project or that is funded in part or whole through the use of a development account funded with tax increments from other districts or with other public money;

(4) be consistent with generally accepted accounting principles.

(b) The authority must annually submit to the state auditor, on or before July 1, a financial report in compliance with paragraph (a). Copies of the report must also be provided to the county and school district boards and to the governing body of the municipality, if the authority is not the municipality. To the extent necessary to permit compliance with the requirement of financial reporting, the county and any other appropriate local government unit or private entity must provide the necessary records or information to the authority or the state auditor as provided by the system of accounting and financial reporting developed pursuant to paragraph (a).

(c) The annual financial report must also include the following items:

(1) the original net tax capacity of the district;

(2) the captured net tax capacity of the district, including the amount of any captured net tax capacity shared with other taxing districts;

(3) ~~the outstanding principal amount of bonds issued or other loans incurred to finance project costs in the district;~~

~~(4)~~ for the reporting period and for the duration of the district, the amount budgeted under the tax increment financing plan, and the actual amount expended for, at least, the following categories:

(i) acquisition of land and buildings through condemnation or purchase;

(ii) site improvements or preparation costs;

(iii) installation of public utilities, parking facilities, streets, roads, sidewalks, or other similar public improvements;

(iv) administrative costs, including the allocated cost of the authority;

(v) public park facilities, facilities for social, recreational, or conference purposes, or other similar public improvements; and

~~(5)~~ (4) for properties sold to developers, the total cost of the property to the authority and the price paid by the developer;

~~(6) the amount of tax-exempt obligations, other than those reported under clause (3), that were issued on behalf of private entities for facilities located in the district~~ (5) the amount of increments rebated or paid to developers or property owners for privately financed improvements or other qualifying costs.

(d) The reporting requirements imposed by this subdivision ~~are in lieu of the annual disclosure required by subdivision 5~~ apply to districts certified before, on, and after August 1, 1979.

Sec. 21. Minnesota Statutes 1994, section 469.175, subdivision 6a, is amended to read:

Subd. 6a. [REPORTING REQUIREMENTS.] (a) The municipality must annually report to the ~~commissioner of revenue~~ state auditor the following amounts for the entire municipality:

(1) the total principal amount of nondefeased tax increment financing bonds that are outstanding at the end of the previous calendar year; and

(2) the total annual amount of principal and interest payments that are due for the current

calendar year on (i) general obligation tax increment financing bonds, and (ii) other tax increment financing bonds.

(b) The municipality must annually report to the ~~commissioner of revenue~~ state auditor the following amounts for each tax increment financing district located in the municipality:

(1) the type of district, whether economic development, redevelopment, housing, soils condition, mined underground space, or hazardous substance site;

(2) the date on which the district is required to be decertified;

(3) the ~~captured tax capacity of the district, by property class as specified by the commissioner of revenue, for taxes payable in the current calendar year~~ amount of any payments and the value of in-kind benefits, such as physical improvements and the use of building space, that are financed with revenues derived from increments and are provided to another governmental unit (other than the municipality) during the preceding calendar year;

(4) the tax increment revenues for taxes payable in the current calendar year;

(5) whether the tax increment financing plan or other governing document permits increment revenues to be expended (i) to pay bonds, the proceeds of which were or may be expended on activities located outside of the district, (ii) for deposit into a common fund from which money may be expended on activities located outside of the district, or (iii) to otherwise finance activities located outside of the tax increment financing district; and

(6) any additional information that the ~~commissioner of revenue~~ state auditor may require.

(c) The report required by this subdivision must be filed with the ~~commissioner of revenue~~ state auditor on or before ~~March~~ July 1 of each year.

(d) The state auditor may provide for combining the reports required by this subdivision and subdivisions 5 and 6 so that only one report is made for each year to the auditor.

(e) This section applies to districts certified before, on, and after August 1, 1979.

Sec. 22. Minnesota Statutes 1994, section 469.176, is amended by adding a subdivision to read:

Subd. 1g. [EXTENSION TO RECOVER CLEANUP COSTS.] (a) The authority, with the approval of the municipality, may extend the duration of a district beyond the limit that otherwise applies under this section, if the following circumstances apply:

(1) after the district is established, contamination, hazardous substances, pollution, or other materials requiring removal or remediation are found in the district;

(2) the authority elects not to create a hazardous substance subdistrict; and

(3) the municipality pays for the cost of removal, cleanup, or remediation out of its general fund or other money of the municipality, except revenues from tax increments.

(b) The maximum duration extension permitted by this subdivision is the lesser of (1) ten years after the district otherwise would have terminated or (2) the number of additional years necessary to collect increment equal to the cleanup costs paid by the municipality out of funds other than tax increments. Cleanup costs are limited to the actual costs of removal and remediation, and do not include financing or interest costs. Cleanup costs do include testing and engineering costs. Cleanup costs must be reduced by any reimbursements or amounts recovered from private parties or other responsible parties.

Sec. 23. Minnesota Statutes 1994, section 469.176, subdivision 4b, is amended to read:

Subd. 4b. [SOILS CONDITION DISTRICTS.] Revenue derived from tax increment from a soils condition district ~~under section 469.174, subdivision 19,~~ may be used only to (1) acquire parcels on which the improvements described in clause (2) will occur; (2) pay for the cost of ~~correcting the unusual terrain or soil deficiencies and the additional cost of installing public improvements directly caused by the deficiencies~~ removal or remedial action; and (3) pay for the

administrative expenses of the authority allocable to the district, including the cost of preparation of the development action response plan. ~~The sale by the authority of a parcel acquired and improved as described in clauses (1) and (2) must be for a price that is no less than the cost of acquisition.~~

Sec. 24. Minnesota Statutes 1994, section 469.176, subdivision 4c, is amended to read:

Subd. 4c. [ECONOMIC DEVELOPMENT DISTRICTS.] (a) Revenue derived from tax increment from an economic development district may not be used to provide improvements, loans, subsidies, grants, interest rate subsidies, or assistance in any form to developments consisting of buildings and ancillary facilities, if more than 15 percent of the buildings and facilities (determined on the basis of square footage) are used for a purpose other than:

(1) the manufacturing or production of tangible personal property, including processing resulting in the change in condition of the property;

(2) warehousing, storage, and distribution of tangible personal property, excluding retail sales;

(3) research and development related to the activities listed in clause (1) or (2);

(4) telemarketing if that activity is the exclusive use of the property;

(5) tourism facilities; or

(6) space necessary for and related to the activities listed in clauses (1) to (5).

(b) Notwithstanding the provisions of this subdivision, revenue derived from tax increment from an economic development district may be used to ~~provide improvements, loans, subsidies, grants, interest rate subsidies, or assistance in any form for up to 5,000 square feet of commercial and retail facilities within the municipal jurisdiction of a home rule charter or statutory city that has a population of 5,000 or less. The 5,000 square feet limitation is cumulative and applies to all facilities in all the economic development districts within the municipal jurisdiction~~ pay for site preparation and public improvements, if the following conditions are met:

(1) bedrock soils conditions are present in 80 percent or more of the acreage of the district;

(2) the estimated cost of physical preparation of the site exceeds the fair market value of the land before completion of the preparation; and

(3) revenues from tax increments are expended only for the additional costs of preparing the site because of unstable soils and the bedrock soils condition, the additional cost of installing public improvements because of unstable soils or the bedrock soils condition, and reasonable administrative costs.

Sec. 25. Minnesota Statutes 1994, section 469.176, subdivision 7, is amended to read:

Subd. 7. [~~SUBSEQUENT~~ PARCELS NOT INCLUDABLE IN DISTRICTS.] ~~Except as provided in subdivision 6, for subsequent recertification of parcels eliminated from a district because of lack of development activity, no parcel that has been so eliminated subsequent to two years from the date of the original certification may be included in a tax increment district if, at any time during the 20 years prior to the date when certification of the district is requested pursuant to section 469.177, subdivision 1, that parcel had been included in an economic development district.~~ (a) The authority may not request inclusion in a tax increment financing district and the county auditor may not certify the original tax capacity of the following:

(1) a parcel or a part of a parcel that qualified under the provisions of section 273.111 or 273.112 or chapter 473H for taxes payable in any of the five calendar years before the filing of the request for certification, if the parcel is located in the metropolitan area, as defined in section 473.121; or

(2) a parcel or a part of a parcel, located outside of the metropolitan area, as defined in section 473.121, that qualified under the provisions of section 273.111 or 273.112 for taxes payable in any of the five calendar years before the request for certification, if the district is not a district in which

85 percent or more of the planned buildings and facilities (determined on the basis of square footage) are for manufacturing or production of tangible personal property, including processing resulting in the change in condition of the property.

Sec. 26. Minnesota Statutes 1994, section 469.1763, subdivision 2, is amended to read:

Subd. 2. [EXPENDITURES OUTSIDE DISTRICT.] (a) For each tax increment financing district, an amount equal to at least 75 percent of the revenue derived from tax increments paid by properties in the district must be expended on activities in the district or to pay bonds, to the extent that the proceeds of the bonds were used to finance activities in the district or to pay, or secure payment of, debt service on credit enhanced bonds. For districts, other than redevelopment districts for which the request for certification was made after June 30, 1995, the in-district percentage for purposes of the preceding sentence is 80 percent. Not more than 25 percent of the revenue derived from tax increments paid by properties in the district may be expended, through a development fund or otherwise, on activities outside of the district but within the defined geographic area of the project except to pay, or secure payment of, debt service on credit enhanced bonds. For districts, other than redevelopment districts for which the request for certification was made after June 30, 1995, the pooling percentage for purposes of the preceding sentence is 20 percent. The revenue derived from tax increments for the district that are expended on costs under section 469.176, subdivision 4h, paragraph (b), may be deducted first before calculating the percentages that must be expended within and without the district.

(b) In the case of a housing district, a housing project, as defined in section 469.174, subdivision 11, is an activity in the district.

(c) All administrative expenses are for activities outside of the district.

Sec. 27. Minnesota Statutes 1994, section 469.1763, subdivision 4, is amended to read:

Subd. 4. [USE OF REVENUES FOR DECERTIFICATION.] (a) Beginning with the sixth year following certification of the district, ~~75~~ the applicable in-district percent of the revenues derived from tax increments paid by properties in the district that remain after the expenditures permitted under subdivision 3 must be used only to pay:

(1) outstanding bonds, as defined in subdivision 3, paragraphs (a), clause (2), and (b);

(2) contracts, as defined in subdivision 3, paragraph (a), clauses (3) and (4); or

(3) credit enhanced bonds to which the revenues derived from tax increments are pledged, but only to the extent that revenues of the district for which the credit enhanced bonds were issued are insufficient to pay the bonds and to the extent that the increments from the ~~unrestricted 25~~ applicable pooling percent share for the district are insufficient.

(b) When the outstanding bonds have been defeased and when sufficient money has been set aside to pay contractual obligations as defined in subdivision 3, paragraph (a), clauses (3) and (4), the district must be decertified and the pledge of tax increment discharged.

Sec. 28. Minnesota Statutes 1994, section 469.177, subdivision 1, is amended to read:

Subdivision 1. [ORIGINAL NET TAX CAPACITY.] (a) Upon or after adoption of a tax increment financing plan, the auditor of any county in which the district is situated shall, upon request of the authority, certify the original net tax capacity of the tax increment financing district and that portion of the district overlying any subdistrict as described in the tax increment financing plan and shall certify in each year thereafter the amount by which the original net tax capacity has increased or decreased as a result of a change in tax exempt status of property within the district and any subdistrict, reduction or enlargement of the district or changes pursuant to subdivision 4.

(b) In the case of a mined underground space development district the county auditor shall certify the original net tax capacity as zero, plus the net tax capacity, if any, previously assigned to any subsurface area included in the mined underground space development district pursuant to section 272.04.

(c) For districts approved under section 469.175, subdivision 3, or parcels added to existing

districts after May 1, 1988, if the classification under section 273.13 of property located in a district changes to a classification that has a different assessment ratio, the original net tax capacity of that property must be redetermined at the time when its use is changed as if the property had originally been classified in the same class in which it is classified after its use is changed.

(d) The amount to be added to the original net tax capacity of the district as a result of previously tax exempt real property within the district becoming taxable equals the net tax capacity of the real property as most recently assessed pursuant to section 273.18 or, if that assessment was made more than one year prior to the date of title transfer rendering the property taxable, the net tax capacity assessed by the assessor at the time of the transfer. If substantial taxable improvements were made to a parcel after certification of the district and if the property later becomes tax exempt, in whole or part, as a result of the authority acquiring the property through foreclosure or exercise of remedies under a lease or other revenue agreement or as a result of tax forfeiture, the amount to be added to the original net tax capacity of the district as a result of the property again becoming taxable is the amount of the parcel's value that was included in original net tax capacity when the parcel was first certified. The amount to be added to the original net tax capacity of the district as a result of enlargements equals the net tax capacity of the added real property as most recently certified by the commissioner of revenue as of the date of modification of the tax increment financing plan pursuant to section 469.175, subdivision 4.

(e) For districts approved under section 469.175, subdivision 3, or parcels added to existing districts after May 1, 1988, if the net tax capacity of a property increases because the property no longer qualifies under the Minnesota agricultural property tax law, section 273.111; the Minnesota open space property tax law, section 273.112; or the metropolitan agricultural preserves act, chapter 473H, or because platted, unimproved property is improved or three years pass after approval of the plat under section 273.11, subdivision 1, the increase in net tax capacity must be added to the original net tax capacity.

(f) Each year the auditor shall also add to the original net tax capacity of each economic development district an amount equal to the original net tax capacity for the preceding year multiplied by the average percentage increase in the market value of all property included in the economic development district during the five years prior to certification of the district.

(g) The amount to be subtracted from the original net tax capacity of the district as a result of previously taxable real property within the district becoming tax exempt, or a reduction in the geographic area of the district, shall be the amount of original net tax capacity initially attributed to the property becoming tax exempt or being removed from the district. If the net tax capacity of property located within the tax increment financing district is reduced by reason of a court-ordered abatement, stipulation agreement, voluntary abatement made by the assessor or auditor or by order of the commissioner of revenue, the reduction shall be applied to the original net tax capacity of the district when the property upon which the abatement is made has not been improved since the date of certification of the district and to the captured net tax capacity of the district in each year thereafter when the abatement relates to improvements made after the date of certification. The county auditor may specify reasonable form and content of the request for certification of the authority and any modification thereof pursuant to section 469.175, subdivision 4.

(h) If a parcel of property contained a substandard building that was demolished or removed and if the authority elects to treat the parcel as occupied by a substandard building under section 469.174, subdivision 10, paragraph (b), the auditor shall certify the original net tax capacity of the parcel using the greater of (1) the current net tax capacity of the parcel, or (2) the estimated market value of the parcel for the year in which the building was demolished or removed, but applying the class rates for the current year.

Sec. 29. Minnesota Statutes 1994, section 469.177, subdivision 1a, is amended to read:

Subd. 1a. [ORIGINAL LOCAL TAX RATE.] At the time of the initial certification of the original net tax capacity for a tax increment financing district or a subdistrict, the county auditor shall certify the original local tax rate that applies to the district or subdistrict. The original local tax rate is the sum of all the local tax rates that apply to a property in the district or subdistrict. The local tax rate to be certified is the rate in effect for the same taxes payable year applicable to the tax capacity values certified as the district's or subdistrict's original tax capacity. The resulting tax capacity rate is the original local tax rate for the life of the district or subdistrict.

Sec. 30. Minnesota Statutes 1994, section 469.177, subdivision 2, is amended to read:

Subd. 2. [CAPTURED NET TAX CAPACITY.] The county auditor shall certify the amount of the captured net tax capacity to the authority each year, together with the proportion that the captured net tax capacity bears to the total net tax capacity of the real property within the tax increment financing district and any subdistrict for that year.

(a) An authority may choose to retain any part or all of the captured net tax capacity for purposes of tax increment financing according to one of the following options:

(1) If the plan provides that all the captured net tax capacity is necessary to finance or otherwise make permissible expenditures under section 469.176, subdivision 4, the authority may retain the full captured net tax capacity.

(2) If the plan provides that only a portion of the captured net tax capacity is necessary to finance or otherwise make permissible expenditures under section 469.176, subdivision 4, only that portion shall be set aside and the remainder shall be distributed among the affected taxing districts by the county auditor.

(b) The portion of captured net tax capacity that an authority intends to use for purposes of tax increment financing must be clearly stated in the tax increment financing plan.

Sec. 31. Minnesota Statutes 1994, section 469.177, subdivision 6, is amended to read:

Subd. 6. [REQUEST FOR CERTIFICATION OF NEW TAX INCREMENT FINANCING DISTRICT.] A request for certification of a new tax increment financing district pursuant to subdivision 1 or of a modification to an existing tax increment financing district pursuant to section 469.175, subdivision 4, received by the county auditor on or before ~~July 1~~ June 30 of the calendar year shall be recognized by the county auditor in determining local tax rates for the current and subsequent levy years. Requests received by the county auditor after ~~July 1~~ June 30 of the calendar year shall not be recognized by the county auditor in determining local tax rates for the current levy year but shall be recognized by the county auditor in determining local tax rates for subsequent levy years.

Sec. 32. Minnesota Statutes 1994, section 469.177, subdivision 9, is amended to read:

Subd. 9. [DISTRIBUTIONS OF EXCESS TAXES ON CAPTURED NET TAX CAPACITY.] (a) If the amount of tax paid on captured net tax capacity exceeds the amount of tax increment, the county auditor shall distribute the excess to the municipality, county, and school district as follows: each governmental unit's share of the excess equals

(1) the total amount of the excess for the tax increment financing district, multiplied by

(2) a fraction, the numerator of which is the current local tax rate of the governmental unit less the governmental unit's local tax rate for the year the original local tax rate for the district was certified (in no case may this amount be less than zero) and the denominator of which is the sum of the numerators for the municipality, county, and school district.

If the entire increase in the local tax rate is attributable to a taxing district, other than the municipality, county, or school district, then the excess must be distributed to the municipality, county, and school district in proportion to their respective local tax rates.

The school district's tax rate must be divided into the portion of the tax rate attributable (1) to state equalized levies, and (2) unequalized levies. ~~Equalized levies mean the levies identified in section 273.1398, subdivision 1, and~~ As used in this subdivision, "equalized levies" means the sum of the maximum amounts that may be levied for: (i) general education under section 124A.23, subdivision 2; (ii) supplemental revenue under section 124A.22, subdivision 8a; (iii) capital expenditure facilities revenue under section 124.243, subdivision 3; (iv) capital expenditure equipment revenue under section 124.244, subdivision 2; and (v) basic transportation under section 124.226, subdivision 1. Unequalized levies mean the rest of the school district's levies. The calculations under clause (2) must determine the amount of excess taxes attributable to each portion of the school district's tax rate. If one of the portions of the change in the school district tax rate is less than zero and the combined change is greater than zero, the combined rate must be used and all the school district's share of excess taxes allocated to that portion of the tax rate.

(b) The amounts distributed shall be deducted in computing the levy limits of the taxing district for the succeeding taxable year. In the case of a school district, only the proportion of the excess taxes attributable to unequalized levies that are subject to a fixed dollar amount levy limit shall be deducted from the levy limit.

(c) In the case of distributions to a school district that are attributable to state equalized levies, the county auditor shall report amounts distributed to the commissioner of education in the same manner as provided for excess increments under section 469.176, subdivision 2, and the distribution shall be deducted from the school district's state aid payments.

Sec. 33. Minnesota Statutes 1994, section 469.177, is amended by adding a subdivision to read:

Subd. 11. [DEDUCTION FOR ENFORCEMENT COSTS; APPROPRIATION.] (a) The county treasurer shall deduct an amount equal to 0.1 percent of any increment distributed to an authority or municipality. The county treasurer shall pay the amount deducted to the state treasurer for deposit in the state general fund.

(b) The amounts deducted and paid under paragraph (a) are appropriated to the state auditor for the cost of (1) the financial reporting of tax increment financing information and (2) the cost of examining and auditing of authorities' use of tax increment financing as provided under section 469.1771, subdivision 1. Notwithstanding section 16A.28 or any other law to the contrary, this appropriation does not cancel and remains available until spent.

Sec. 34. Minnesota Statutes 1994, section 469.1771, subdivision 1, is amended to read:

Subdivision 1. [ENFORCEMENT.] (a) The ~~commissioner of revenue shall enforce the provisions of sections 469.174 to 469.179. In addition, the~~ owner of taxable property located in the city, town, school district, or county in which the tax increment financing district is located may bring suit for equitable relief or for damages, as provided in subdivisions 3 and 4, arising out of a failure of a municipality or authority to comply with the provisions of sections 469.174 to 469.179, or related provisions of this chapter. The prevailing party in a suit filed under the preceding sentence is entitled to costs, including reasonable attorney fees.

(b) The ~~responsibility for financial and compliance auditing of~~ state auditor may examine and audit political subdivisions' use of tax increment financing ~~remains with the state auditor~~. Without previous notice, the state auditor may examine or audit accounts and records on a random basis as the auditor deems to be in the public interest. If the state auditor finds evidence that an authority or municipality has violated a provision of the law for which a remedy is provided under this section, the state auditor shall forward the relevant information to the ~~commissioner of revenue. The commissioner of revenue may audit an authority's use of tax increment financing~~ county attorney. The county attorney may bring an action to enforce the provisions of sections 469.174 to 469.179 or related provisions of this chapter, for matters referred by the state auditor or on behalf of the county.

(c) If the state auditor finds an authority is not in compliance with sections 469.174 to 469.179 or related provisions of law, the auditor shall notify the governing body of the municipality that approved the tax increment financing district of its findings. The governing body of the municipality must respond in writing to the state auditor within 60 days after receiving the notification. Its written response must state whether the municipality accepts, in whole or part, the auditor's findings. If the municipality does not accept the findings, the statement must indicate the basis for its disagreement. The state auditor shall annually summarize the responses it receives under this section and send the summary and copies of the responses to the chairs of the committees of the legislature with jurisdiction over tax increment financing.

Sec. 35. [469.1782] [SPECIAL LAW PROVISIONS.]

Subdivision 1. [ELECTION.] If a special law allows an extension of the duration limit of an existing tax increment financing district under section 469.176 or allows establishment of a new district with a longer duration limit than permitted by general law, the municipality must elect, by resolution, that the district is subject to either:

(1) the adjustment to adjusted net tax capacity for the school district under section 1; or

(2) the reduction in state tax increment financing aid under section 273.1399, subdivision 8.

This election is irrevocable and must be made before the extension is submitted by the municipality to the school district for approval under subdivision 2. If the municipality fails to make an election before submitting the matter to the school district, the municipality is deemed to have elected clause (2).

Subd. 2. [LOCAL APPROVAL OF SPECIAL LAWS.] (a) If a special law allows an extension of the duration limit of an existing tax increment financing district under section 469.176 or allows establishment of a new district with a longer duration limit than that permitted by general law, the "affected local government units," for purposes of section 645.021 and article XII, section 2, of the Minnesota Constitution, include the city or town, the school district, and the county in which the tax increment district is located. The town board may act to approve the special law.

(b) The chief clerical officer of the municipality must, as soon after the affected local units have approved the special law allowing an extension, file with the secretary of state a certificate stating the essential facts necessary to valid approval, including a copy of each of the resolutions of approval by the city or town, the school district, and the county. The attorney general shall prescribe the form of the certificate and the secretary of state shall furnish copies. If the municipality fails to file a certificate of approval before the first day of the next regular session of the legislature, the extension of the duration is deemed to be disapproved, unless the special law allows a longer period for approval. If the law contains other provisions besides an extension of the duration and the municipality otherwise complies with section 645.021, the rest of the law takes effect.

Sec. 36. [TAX INCREMENT FINANCING DISTRICT EXTENSION.]

Subdivision 1. [AUTHORIZATION.] Notwithstanding Minnesota Statutes, section 469.176, subdivision 1c, the St. Louis Park economic development authority may collect and expend tax increments from the Excelsior Boulevard Redevelopment Project and Oak Park Village tax increment financing districts (Hennepin county project numbers 1300 and 1301, respectively) located within the city of St. Louis Park, after April 1, 2001, for eligible activities within the redevelopment area. The authority under this section expires August 1, 2009.

The authority under this section expires December 31, 2006.

Subd. 2. [EFFECTIVE DATE.] This section is effective upon compliance with Minnesota Statutes, sections 469.1782, subdivision 2, and 645.021, subdivision 3.

Tax increment from district no. 1-1 will not be paid to the authority after August 1, 2009.

Subd. 2. [EFFECTIVE DATE.] This section is effective upon compliance with Minnesota Statutes, sections 469.1782, subdivision 2, and 645.021, subdivision 3.

Sec. 39. [SWIFT COUNTY RURAL DEVELOPMENT FINANCE AUTHORITY.]

Subdivision 1. [ESTABLISHMENT.] The Swift county board may, by adopting a written enabling resolution, establish a county rural development finance authority that, subject to subdivision 2, has the following powers: powers of an economic development authority under Minnesota Statutes, sections 469.090 to 469.107; and powers of a rural development financing authority under sections 469.142 to 469.151.

Subd. 2. [ECONOMIC DEVELOPMENT AUTHORITY POWERS.] If the county rural development finance authority exercises the powers of an economic development authority, the county may exercise all of the powers relating to an economic development authority granted to a city under Minnesota Statutes, sections 469.090 to 469.108, except for the authority to issue general obligation bonds under Minnesota Statutes, section 469.102. The levy imposed by the county board under Minnesota Statutes, section 469.107, may be levied in addition to levies otherwise authorized by law. The county rural development finance authority may create and define the boundaries of economic development districts at any place or places within the county. Minnesota Statutes, section 469.174, subdivision 10, and the contiguity requirement specified under Minnesota Statutes, section 469.101, subdivision 1, do not apply to limit the areas that may be designated as county economic development districts.

Subd. 3. [LIMIT OF POWERS.] (a) The enabling resolution may impose the following limits on the actions of the authority:

(1) that the authority may not exercise any of the powers contained in subdivision 1 unless those powers are specifically authorized in the enabling resolution; and

(2) any other limitation or control established by the county board by the enabling resolution.

(b) The enabling resolution may be modified at any time, but may not be applied in a manner that impairs contracts executed before the modification is made. All modifications to the enabling resolution must be by written resolution.

(c) Before the commencement of a project by the authority, the governing body of the municipality in which the project is to be located or the Swift county board, if the project is outside municipal corporate limits, shall by majority vote approve the project as recommended by the authority.

Subd. 4. [BOARD OF DIRECTORS.] (a) The authority consists of a board of seven directors. The directors shall be appointed by the Swift county board. Each director shall be appointed to serve for three years or until a successor is appointed and qualified. No director may serve more than two consecutive terms. The initial appointment of directors must be made so that no more than one-third of the directors' positions will require appointment in any one year due to fulfillment of their three-year appointment. The appointment of directors must be made to reflect representation of the entire county by population, appointing one director to represent each of the five county commissioner districts. The other two directors must be representatives of various county-based economic development organizations or be directors at-large. No more than two directors may reside in any one county commissioner district.

(b) Two of the directors initially appointed shall serve for terms of one year, two for two years, and three for three years. Each vacancy must be filled for the unexpired term in the manner in which the original appointment was made. A vacancy occurs if a director no longer resides in the county. No director shall be an officer, employee, director, shareholder, or member of any corporation, firm, or association with which the authority has entered into any operating lease, or other agreement. The directors may be removed by the county for the reasons and in the manner provided under Minnesota Statutes, section 469.010, and shall receive no compensation other than reimbursement for expenses incurred in the performance of their duties. Directors shall have no personal liability for obligations of the authority or the methods of enforcement and collection of the obligations.

The district is established under and subject to Minnesota Statutes, sections 469.174 to 469.178, except:

(1) the duration limit for the district and enlarged area is December 31, 2005; and

(2) the buildings to be constructed in the enlarged geographic area of the district may, notwithstanding the provisions of Minnesota Statutes, section 469.176, subdivision 4c, include space necessary for and related to the manufacturing facility located on parcels contiguous to the district. The maximum space for nonmanufacturing uses may not exceed 40 percent of the square footage of the buildings. This test may be applied based on a two-year test period.

Subd. 2. [EFFECTIVE DATE.] This section is effective after compliance with Minnesota Statutes, sections 469.1782, subdivision 2, and 645.021, subdivision 3.

Sec. 41. [CITY OF OAKDALE; TAX INCREMENT DISTRICTS.]

(b) Notwithstanding Minnesota Statutes, section 469.176, subdivisions 1 and 1b, tax increments from the city of Oakdale tax increment financing district number 9 may be collected and expended by the authority through December 31, 2004.

Subd. 2. [EFFECTIVE DATE.] This section is effective the day following final enactment.

Sec. 43. [CITY OF LAKEFIELD; TAX INCREMENT FINANCING DISTRICTS.]

Subdivision 1. [REDEVELOPMENT DISTRICT.] (a) The governing body of the city of Lakefield may establish a tax increment financing district that is a redevelopment district as defined in Minnesota Statutes, section 469.174, subdivision 10, for the purpose of developing the property previously used as the municipal hospital. The district is subject to Minnesota Statutes, sections 469.174 to 469.179.

(b) Notwithstanding Minnesota Statutes, section 469.177, subdivision 1, paragraph (d), for the district established under this subdivision, the original tax capacity of the previously tax exempt property comprising the municipal hospital equals the value of the land only, as determined by the assessor at the time of the transfer.

Subd. 2. [EFFECTIVE DATE.] This section is effective upon compliance by the governing body of the city of Lakefield with Minnesota Statutes, section 645.021, subdivision 3.

Sec. 44. [CITIES OF CRYSTAL, FRIDLEY, ST. PAUL, AND MINNEAPOLIS; HOUSING REPLACEMENT DISTRICTS; DEFINITIONS.]

Subdivision 1. [CAPTURED NET TAX CAPACITY.] "Captured net tax capacity" means the amount by which the current net tax capacity in a housing replacement district exceeds the original net tax capacity, including the value of property normally taxable as personal property by reason of its location on or over property owned by a tax-exempt entity.

Subd. 2. [ORIGINAL NET TAX CAPACITY.] "Original net tax capacity" means the net tax capacity of all taxable real property within a housing replacement district as certified by the commissioner of revenue for the previous assessment year less the net tax capacity attributable to existing improvements, provided that the request by the authority for certification of a new housing replacement district has been made to the county auditor by June 30. The original net tax capacity of housing replacement districts for which requests are filed after June 30 has an original net tax capacity based on the current assessment year. In any case, the original net tax capacity must be determined together with subsequent adjustments as set forth in Minnesota Statutes, section 469.177, subdivision 1, paragraph (c). In determining the original net tax capacity, the net tax capacity of real property exempt from taxation at the time of the request shall be zero, except for real property which is tax exempt by reason of public ownership by the requesting authority and which has been publicly owned for less than one year prior to the date of the request for certification, in which event the net tax capacity of the property shall be the net tax capacity as most recently determined by the commissioner of revenue.

Subd. 3. [PARCEL.] "Parcel" means a tract or plat of land established prior to the certification of the housing replacement district as a single unit for purposes of assessment.

Subd. 4. [AUTHORITY.] For housing replacement projects in the city of Crystal, "authority" means the Crystal economic development authority. For housing replacement projects in the city of Fridley, "authority" means the housing and redevelopment authority in and for the city of Fridley or a successor in interest. For housing replacement projects in the city of Minneapolis, "authority" means the Minneapolis community development agency. For housing replacement projects in the city of St. Paul, "authority" means the St. Paul housing and redevelopment authority.

Sec. 45. [ESTABLISHMENT OF HOUSING REPLACEMENT DISTRICTS.]

Subdivision 1. [CREATION OF PROJECTS.] (a) An authority may create a housing replacement project under sections 44 to 47, as provided in this section.

(b) For the cities of Crystal and Fridley, the authority may designate up to 50 parcels in the city to be included in a housing replacement district. No more than ten parcels may be included in year one of the district, with up to ten additional parcels added to the district in each of the following nine years. For the cities of Minneapolis and St. Paul, each authority may designate up to 100 parcels in the city to be included in a housing replacement district over the life of the district. The only parcels that may be included in a district are (1) vacant sites, (2) parcels containing vacant houses, or (3) parcels containing houses that are structurally substandard, as defined in Minnesota Statutes, section 469.174, subdivision 10.

(c) The city in which the authority is located must pay at least 25 percent of the housing replacement project costs from its general fund, a property tax levy, or other unrestricted money, not including tax increments.

(d) The housing replacement district plan must have as it sole object the acquisition of parcels for the purpose of preparing the site to be sold for market rate housing. As used in this section, "market rate housing" means housing that has a market value that does not exceed 150 percent of the average market value of single-family housing in that municipality.

Subd. 2. [HOUSING REPLACEMENT DISTRICT PLAN.] To establish a housing replacement district under sections 44 to 47, an authority shall adopt a housing replacement district plan which contains:

(1) a statement of the objectives and a description of the housing replacement projects proposed by the authority for the housing replacement district;

(2) a statement of the housing replacement district plan, demonstrating the coordination of that plan with the city's comprehensive plan;

(3) estimates of the following:

(i) cost of the program, including administrative expenses;

(ii) sources of revenue to finance or otherwise pay public costs;

(iii) the most recent net tax capacity of taxable real property within the housing replacement district; and

(iv) the estimated captured net tax capacity of the housing replacement district at completion;

(4) statements of the authority's alternate estimates of the impact of the housing replacement district on the net tax capacities of all taxing jurisdictions in which the housing replacement district is located in whole or in part. For purposes of one statement, the municipality shall assume that the estimated captured net tax capacity would be available to the taxing jurisdictions without creation of the housing replacement district, and for purposes of the second statement, the county shall assume that none of the estimated captured net tax capacity would be available to the taxing jurisdictions without creation of the housing replacement district; and

(5) identification of all parcels to be included in the district, to the extent known at the time the original housing replacement district plan is prepared. At a minimum, the parcels that will be included in the housing replacement district during its first year must be identified in the original housing replacement district plan. If parcels for subsequent years are not specifically identified, the original housing replacement district plan must include the criteria that will be used by the authority to select parcels to be included in the later years.

Subd. 3. [PROCEDURE.] The provisions of Minnesota Statutes, section 469.175, subdivisions 3, 4, 5, and 6, apply to the establishment and operation of the housing replacement districts created under sections 44 to 47, except as follows:

(1) the determination specified in Minnesota Statutes, section 469.175, subdivision 3, clause (1), is not required; and

(2) addition of parcels not identified in the original housing replacement district plan is not treated as a modification of that plan requiring an approval process provided that the parcels added are consistent with the criteria described in subdivision 2, clause (5).

Sec. 46. [LIMITATIONS.]

Subdivision 1. [DURATION LIMITS.] No tax increment may be paid to the authority on each parcel in a housing replacement district after 15 years from date of receipt by the county of the first tax increment from that parcel.

Subd. 2. [LIMITATION ON USE OF TAX INCREMENTS.] All revenues derived from tax increments must be used in accordance with the housing replacement district plan. The revenues must be used solely to pay the costs of site acquisition, relocation, demolition of existing structures, site preparation, and pollution abatement on parcels identified in the housing replacement district plan, as well as public improvements and administrative costs directly related to those parcels.

Sec. 47. [APPLICATION OF OTHER LAWS.]

Subdivision 1. [COMPUTATION OF TAX INCREMENT.] The provisions of Minnesota Statutes, section 469.177, subdivisions 1a, and 5 to 10, apply to the computation of tax increment for the housing replacement districts created under sections 44 to 47. The original local tax rate is the rate for the year a parcel is certified for inclusion in a housing replacement district.

Subd. 2. [OTHER PROVISIONS.] References in Minnesota Statutes to tax increment financing districts created and tax increments generated under Minnesota Statutes, sections 469.174 to 469.179, other than references in Minnesota Statutes, section 273.1399, include housing replacement districts and tax increments subject to sections 44 to 47, provided that Minnesota Statutes, sections 469.174 to 469.179, apply only to the extent specified in sections 44 to 47.

Subd. 3. [MINNEAPOLIS SPECIAL LAW.] Laws 1980, chapter 595, section 2, subdivision 2, does not apply to a district created under sections 44 to 47.

Sec. 48. [REPEALER.]

Minnesota Statutes 1994, section 469.175, subdivision 7a, is repealed.

Sec. 49. [EFFECTIVE DATE.]

Sections 1, 8, and 35, subdivision 1, are effective for special laws, if the enactment occurs on or after the enactment date of this act.

Sections 2 and 3 apply to state grants, state loans, and tax increment financing authorized on or after August 1, 1995.

Sections 4 to 6, and 48 apply to tax increment financing districts and additions of new areas to existing tax increment financing districts for which the request for certification was made after June 30, 1994, and to all hazardous substance subdistricts, regardless of when the request for certification was made. For districts for which the tax increment financing plan was approved before July 1, 1995, the governing body of the municipality must elect, by resolution, to be covered by the section by no later than December 31, 1995.

Section 7 is effective for new tax increment financing districts for which the request for certification is made after the day following final enactment.

Sections 9, 12, 15 to 17, and 28 to 31, are effective the day following final enactment.

Section 10 is effective January 1, 1995.

Sections 13, 14, 18, and 23 to 27, are effective June 30, 1995.

Sections 19 to 21, 33, and 34 are effective January 1, 1996, and apply to all tax increment financing districts regardless of when the request for certification was made, including requests made before August 1, 1979.

Section 22 is effective the day following final enactment and applies to all tax increment financing districts for which the request for certification was made after December 31, 1988.

Section 32 is effective beginning for taxes payable in 1994.

Section 35, subdivision 2, is effective for special laws that become effective two or more days after the day following final enactment.

Sections 44 to 47 are effective for the cities of Crystal and Fridley on the day following final enactment, for the cities of Minneapolis and St. Paul on June 1, 1996, and upon compliance by the governing bodies of the local units with Minnesota Statutes, section 645.021, subdivision 3.

ARTICLE 6

STATE FINANCE

Section 1. Minnesota Statutes 1994, section 16A.152, subdivision 1, is amended to read:

Subdivision 1. [~~BUDGET RESERVE AND~~ CASH FLOW ACCOUNT ESTABLISHED.] (a) A ~~budget reserve and~~ cash flow account is created in the general fund in the state treasury. The commissioner of finance shall restrict part or all of the balance before reserves in the general fund as may be necessary to fund the ~~budget reserve and~~ cash flow account as provided by law ~~from time to time~~.

(b) The commissioner of finance shall transfer the amount necessary to bring the total amount of the ~~budget reserve and~~ cash flow account~~, including any existing balance in the account on June 30, 1993,~~ to ~~$360,000,000~~ $350,000,000 on July 1, 1995. The amounts restricted shall remain in the account until drawn down ~~under subdivision 1 or increased under subdivision 2~~ and used to meet cash flow deficiencies resulting from uneven distribution of revenue collections and required expenditures during a fiscal year.

Sec. 2. [16A.67] [JUDGMENT BONDS.]

Subdivision 1. [AUTHORIZATION.] The commissioner of finance, upon request of the governor, is authorized to sell and issue state bonds to fund the judgment rendered against the state

by the Minnesota supreme court in Cambridge State Bank et. al. v. James, 514 N.W. 2d 565, on April 1, 1994, and interest accrued thereon to fund any bond reserve determined to be necessary, and to pay costs of issuance of the bonds. The proceeds of the bonds are appropriated for these purposes. The principal amount of the bonds shall not exceed $400,000,000. The bonds shall be sold and issued upon such terms and in such manner as the commissioner shall determine to be in the best interests of the state. The final maturity of the bonds shall be not later than June 30, 2005.

Subd. 2. [SECURITY; BONDS NOT PUBLIC DEBT.] The bonds and the interest thereon shall be payable solely from and secured by the revenues appropriated and transferred to the debt service fund established for this purpose in subdivision 4 and investment income thereon, and any bond reserve established for the bonds. The bonds are not public debt, and the full faith, credit, and taxing powers of the state are not pledged for their payment. The bonds and the interest thereon shall not be paid, directly or indirectly, in whole or in part, from a tax of statewide application on any class of property, income, transaction, or privilege.

Subd. 3. [SPECIAL REVENUE FUND.] There is established in the state treasury a separate and special revenue fund for deposit of the revenues from net proceeds of the lottery in accordance with section 349A.10, subdivision 5, money received for payment or reimbursement of health care costs in accordance with section 246.18, subdivision 7, state license and service fees as defined in section 16A.6701, and investment income thereon.

Subd. 4. [DEBT SERVICE FUND.] There is established in the state treasury a separate and special debt service fund. Money transferred or appropriated to the fund and investment income thereon on hand or required to be transferred to the fund shall be used and are irrevocably appropriated for the payment of the principal of and interest on the bonds authorized in this section when due.

Subd. 5. [COVENANTS; AGREEMENTS.] The commissioner may, for and on behalf of the state, enter into such covenants and agreements not inconsistent with subdivisions 1 to 4 and sections 246.18, subdivisions 4 and 6; and 349A.10, subdivision 5, as may be necessary or desirable to facilitate the sale and issuance of the bonds on terms favorable to the state, including, but not limited to, covenants and agreements relating to the payment of and security for the bonds, tax-exemption, and disclosure of information required by federal and state securities laws. Such covenants may not include covenants to continue to operate the state lottery but may include covenants to continue to seek payment by and reimbursement from nonstate sources of health care costs so long as any bonds issued pursuant to this section are outstanding. The provisions of sections 16A.672 and 16A.675 are applicable to the bonds.

Sec. 4. Minnesota Statutes 1994, section 246.18, subdivision 4, as amended by Laws 1995, chapter 207, article 8, section 28, is amended to read:

The commissioner shall ensure that the departmental financial reporting systems and internal accounting procedures comply with federal standards for reimbursement for program and administrative expenditures and fulfill the purpose of this paragraph.

Sec. 5. Minnesota Statutes 1994, section 246.18, is amended by adding a subdivision to read:

Subd. 7. [USE OF CERTAIN REIMBURSEMENT FUNDS.] Except as provided in subdivisions 2, 5, and 6, and unless otherwise required by federal law, during any period in which bonds are issued and outstanding under section 16A.67, all money received from the federal government or other nonstate source for payment or reimbursement of health care costs incurred at regional treatment centers, state nursing homes, and other state facilities as defined in section 246.50, subdivision 3, must be credited to the special revenue fund created in section 16A.67, subdivision 3. Money credited to the special revenue fund must be transferred to the debt service fund established in section 16A.67, subdivision 4, at the times and in the amounts determined by order of the commissioner of finance to be necessary to provide for the payment and security of bonds issued pursuant to section 16A.67. Sec. 7. [EFFECTIVE DATE.]

Sections 1 to 6 are effective July 1, 1995.

ARTICLE 7

TACONITE TAX

Section 1. Minnesota Statutes 1994, section 298.01, subdivision 4, is amended to read:

Subd. 4. [OCCUPATION TAX; IRON ORE; TACONITE CONCENTRATES.] A person engaged in the business of mining or producing of iron ore ~~or~~, taconite concentrates or direct reduced ore in this state shall pay an occupation tax to the state of Minnesota. The tax is determined in the same manner as the tax imposed by section 290.02, except that sections 290.05, subdivision 1, clause (a), and 290.17, subdivision 4, do not apply. The tax is in addition to all other taxes.

Sec. 2. Minnesota Statutes 1994, section 298.227, is amended to read:

298.227 [TACONITE ECONOMIC DEVELOPMENT FUND.]

An amount equal to that distributed pursuant to each taconite producer's taxable production and qualifying sales under section 298.28, subdivision 9a, shall be held by the iron range resources and rehabilitation board in a separate taconite economic development fund for each taconite and direct reduced ore producer. Money from the fund for each producer shall be released only on the written authorization of a joint committee consisting of an equal number of representatives of the salaried employees and the nonsalaried production and maintenance employees of that producer. The district 33 director of the United States Steelworkers of America, on advice of each local employee president, shall select the employee members. In nonorganized operations, the employee committee shall be elected by the nonsalaried production and maintenance employees. Each producer's joint committee may authorize release of the funds held pursuant to this section only for acquisition of equipment and facilities for the producer or for research and development in Minnesota on new mining, or taconite, iron, or steel production technology. Funds may be released only upon a majority vote of the representatives of the committee. If a taconite production facility is sold after operations at the facility had ceased, any money remaining in the fund for the former producer may be released to the purchaser of the facility on the terms otherwise applicable to the former producer under this section. Any portion of the fund which is not released by a joint committee within two years of its deposit in the fund shall be divided between the taconite environmental protection fund created in section 298.223 and the northeast Minnesota economic protection trust fund created in section 298.292 for placement in their respective special accounts. Two-thirds of the unreleased funds shall be distributed to the taconite environmental protection fund and one-third to the northeast Minnesota economic protection trust fund. This section is effective for taxes payable in 1993 and 1994.

Sec. 3. Minnesota Statutes 1994, section 298.24, subdivision 1, is amended to read:

Subdivision 1. (a) For concentrate produced in 1992, 1993, ~~and~~ 1994, and 1995 there is imposed upon taconite and iron sulphides, and upon the mining and quarrying thereof, and upon the production of iron ore concentrate therefrom, and upon the concentrate so produced, a tax of $2.054 per gross ton of merchantable iron ore concentrate produced therefrom.

(b) For concentrates produced in ~~1995~~ 1996 and subsequent years, the tax rate shall be equal to the preceding year's tax rate plus an amount equal to the preceding year's tax rate multiplied by

the percentage increase in the implicit price deflator from the fourth quarter of the second preceding year to the fourth quarter of the preceding year. "Implicit price deflator" for the gross national product means the implicit price deflator prepared by the bureau of economic analysis of the United States Department of Commerce.

(c) The tax shall be imposed on the average of the production for the current year and the previous two years. The rate of the tax imposed will be the current year's tax rate. This clause shall not apply in the case of the closing of a taconite facility if the property taxes on the facility would be higher if this clause and section 298.25 were not applicable.

(d) If the tax or any part of the tax imposed by this subdivision is held to be unconstitutional, a tax of $2.054 per gross ton of merchantable iron ore concentrate produced shall be imposed.

(e) Consistent with the intent of this subdivision to impose a tax based upon the weight of merchantable iron ore concentrate, the commissioner of revenue may indirectly determine the weight of merchantable iron ore concentrate included in fluxed pellets by subtracting the weight of the limestone, dolomite, or olivine derivatives or other basic flux additives included in the pellets from the weight of the pellets. For purposes of this paragraph, "fluxed pellets" are pellets produced in a process in which limestone, dolomite, olivine, or other basic flux additives are combined with merchantable iron ore concentrate. No subtraction from the weight of the pellets shall be allowed for binders, mineral and chemical additives other than basic flux additives, or moisture.

(f) (1) Notwithstanding any other provision of this subdivision, for ~~concentrates produced in 1994 through 1999~~ the first five years of a plant's production of direct reduced ore, the rate of the tax on direct reduced ore is determined under this paragraph. As used in this paragraph, "direct reduced ore" is ore that results in a product that has an iron content of at least 75 percent. The rate to be applied to direct reduced ore is 25 percent of the rate otherwise determined under this subdivision for the first 500,000 of taxable tons for the production year, and 50 percent of the rate otherwise determined for any remainder. If the taxpayer had no production in the two years prior to the the current production year, the tonnage eligible to be taxed at 25 percent of the rate otherwise determined under this subdivision is the first 166,667 tons. If the taxpayer had some production in the year prior to the current production year but no production in the second prior year, the tonnage eligible to be taxed at 25 percent of the rate otherwise determined under this subdivision is the first 333,333 tons.

(2) Production of direct reduced ore in this state is subject to the tax imposed by this section, but if that production is not produced by a producer of taconite or iron sulfides, the production of taconite or iron sulfides consumed in the production of direct reduced iron in this state is not subject to the tax imposed by this section on taconite or iron sulfides.

Sec. 4. Minnesota Statutes 1994, section 298.25, is amended to read:

298.25 [TAXES ADDITIONAL TO OTHER TAXES.]

The taxes imposed under section 298.24 shall be in addition to the occupation tax imposed upon the business of mining and producing iron ore. Except as herein otherwise provided, such taxes shall be in lieu of all other taxes upon such taconite ~~and~~, iron sulphides, and direct reduced ore or the lands in which they are contained, or upon the mining or quarrying thereof, or the production of concentrate or direct reduced ore therefrom, or upon the concentrate or direct reduced ore produced, or upon the machinery, equipment, tools, supplies and buildings used in such mining, quarrying or production, or upon the lands occupied by, or used in connection with, such mining, quarrying or production facilities. If electric or steam power for the mining, transportation or concentration of such taconite ~~or the~~, concentrates or direct reduced ore produced therefrom is generated in plants principally devoted to the generation of power for such purposes, the plants in which such power is generated and all machinery, equipment, tools, supplies, transmission and distribution lines used in the generation and distribution of such power, shall be considered to be machinery, equipment, tools, supplies and buildings used in the mining, quarrying, or production of taconite ~~and~~, taconite concentrates or direct reduced ore within the meaning of this section. If part of the power generated in such a plant is used for purposes other than the mining or concentration of taconite or direct reduced ore or the transportation or loading of taconite ~~or~~, the concentrates thereof or direct reduced ore, a proportionate share of the value of such generating facilities, equal to the proportion that the power used for such other purpose bears

to the generating capacity of the plant, shall be subject to the general property tax in the same manner as other property; provided, power generated in such a plant and exchanged for an equivalent amount of power which is used for the mining, transportation, or concentration of such taconite ~~or~~, concentrates or direct reduced ore produced therefrom, shall be considered as used for such purposes within the meaning of this section. Nothing herein shall prevent the assessment and taxation of the surface of reserve land containing taconite and not occupied by such facilities or used in connection therewith at the value thereof without regard to the taconite or iron sulphides therein, nor the assessment and taxation of merchantable iron ore or other minerals, or iron-bearing materials other than taconite or iron sulphides in such lands in the manner provided by law, nor the assessment and taxation of facilities used in producing sulphur or sulphur products from iron sulphide concentrates, or in refining such sulphur products, under the general property tax laws. Nothing herein shall except from general taxation or from taxation as provided by other laws any property used for residential or townsite purposes, including utility services thereto.

Sec. 5. Minnesota Statutes 1994, section 298.28, subdivision 9a, is amended to read:

Subd. 9a. [TACONITE ECONOMIC DEVELOPMENT FUND.] (a) ~~10.4 cents per ton for distributions in 1993 and~~ 15.4 cents per ton for distributions in 1994, 1995, ~~and~~ 1996, and 1997 shall be paid to the taconite economic development fund. No distribution shall be made under this paragraph in any year in which total industry production falls below 30 million tons.

(b) An amount equal to 50 percent of the tax under section 298.24 for concentrate sold in the form of pellet chips and fines not exceeding 5/16 inch in size and not including crushed pellets shall be paid to the taconite economic development fund. The amount paid shall not exceed $700,000 annually for all companies. If the initial amount to be paid to the fund exceeds this amount, each company's payment shall be prorated so the total does not exceed $700,000.

Sec. 6. Minnesota Statutes 1994, section 298.296, subdivision 4, is amended to read:

Subd. 4. [TEMPORARY LOAN AUTHORITY.] The board may recommend that up to $10,000,000 from the corpus of the trust may be used for loans as provided in this subdivision. Subd. 7. [SCOPE.] As used in sections 465.795 to 465.799 and sections 465.801 to ~~465.87~~ 465.88, the terms defined in this section have the meanings given them.

Sec. 2. Minnesota Statutes 1994, section 465.796, subdivision 2, is amended to read:

Subd. 2. [DUTIES OF BOARD.] The board shall:

(1) accept applications from local government units for waivers of administrative rules and temporary, limited exemptions from enforcement of procedural requirements in state law as provided in section 465.797, and determine whether to approve, modify, or reject the application;

(2) accept applications for grants to local government units and related organizations proposing to design models or plans for innovative service delivery and management as provided in section 465.798 and determine whether to approve, modify, or reject the application;

(3) accept applications from local government units for financial assistance to enable them to plan for cooperative efforts as provided in section 465.799, and determine whether to approve, modify, or reject the application;

(4) accept applications from eligible local government units for service-sharing grants as provided in section 465.801, and determine whether to approve, modify, or reject the application;

(5) accept applications from counties, cities, and towns proposing to combine under sections 465.81 to ~~465.87~~ 465.88, and determine whether to approve or disapprove the application; ~~and~~

(6) make recommendations to the legislature for the authorization of pilot projects for the implementation of innovative service delivery activities that require statutory authorization;

(7) make recommendations to the legislature regarding the elimination of state mandates that inhibit local government efficiency, innovation, and cooperation~~.~~ by prescribing specific processes for achieving a desired outcome;

(8) investigate and review the role of unfunded state mandates in intergovernmental relations and assess their impact on state and local government objectives and responsibilities;

(9) make recommendations to the governor and the legislature regarding:

(i) allowing flexibility for local units of government in complying with specific unfunded state mandates for which terms of compliance are unnecessarily rigid or complex;

(ii) reconciling any two or more unfunded state mandates that impose contradictory or inconsistent requirements;

(iii) terminating unfunded state mandates that are duplicative, obsolete, or lacking in practical utility;

(iv) suspending, on a temporary basis, unfunded state mandates that are not vital to public health and safety and that compound the fiscal difficulties of local units of government, including recommendations for initiating the suspensions;

(v) consolidating or simplifying unfunded state mandates or the planning or reporting requirements of the mandates, in order to reduce duplication and facilitate compliance by local units of government with those mandates; and

(vi) establishing common state definitions or standards to be used by local units of government in complying with unfunded state mandates that use different definitions or standards for the same terms or principles; and

(10) identify relevant unfunded state mandates.

The duties imposed under clauses (8) to (10) shall be performed to the extent possible given existing resources. Each recommendation under clause (9) shall, to the extent practicable, identify the specific unfunded state mandates to which the recommendation applies. The commissioners or directors of state agencies responsible for the promulgation or enforcement of the unfunded mandates addressed in clauses (7) to (10) shall assign staff to assist the board in carrying out the board's duties under this section.

~~The board may purchase services from the metropolitan council in reviewing requests for waivers and grant applications.~~

Sec. 3. Minnesota Statutes 1994, section 465.797, subdivision 5, is amended to read:

Subd. 5. [CONDITIONS OF AGREEMENTS.] (a) If the board grants a request for a waiver or exemption, the board and the local government unit shall enter into an agreement providing for the delivery of the service or program that is the subject of the application. The agreement must specify desired outcomes and the means of measurement by which the board will determine whether the outcomes specified in the agreement have been met. The agreement must specify the duration of the waiver or exemption~~, which~~. The duration of a waiver from an administrative rule may be for no less than two years and no more than four years, subject to renewal if both parties

agree. An exemption from enforcement of a law terminates ten days after adjournment of the regular legislative session held during the calendar year following the year when the exemption is granted, unless the legislature has acted to extend or make permanent the exemption.

(b) If the board grants a waiver or exemption, it must report the waiver or exemption to the legislature, including the chairs of the governmental operations and appropriate policy committees in the house and senate, and the governor within 30 days.

(c) The board may reconsider or renegotiate the agreement if the rule or law affected by the waiver or exemption is amended or repealed during the term of the original agreement. A waiver of a rule under this section has the effect of a variance granted by an agency under section 14.05, subdivision 4. A local unit of government that is granted an exemption from enforcement of a procedural requirement in state law under this section is exempt from that law for the duration of the exemption. The board may require periodic reports from the local government unit, or conduct investigations of the service or program.

Sec. 4. Minnesota Statutes 1994, section 465.798, is amended to read:

465.798 [SERVICE BUDGET MANAGEMENT MODEL GRANTS.]

One or more local units of governments, an association of local governments, the metropolitan council, a local unit of government acting in conjunction with an organization or a state agency, or an organization established by two or more local units of government under a joint powers agreement may apply to the board of government innovation and management for a grant to be used to develop models for innovative service budget management. The application to the board must state what other sources of funding have been considered by the local units of government to implement the project and explain why it is not possible to complete the project without assistance from the board. The board may not award a grant if it determines that the local units of government could complete the project without board assistance. A copy of the application must be provided by the units to the exclusive representatives certified under section 179A.12 to represent employees who provide the service or program affected by the application.

Proposed models may provide options to local governments, neighborhood or community organizations, or individuals for managing budgets for service delivery. A copy of the work product for which the grant was provided must be furnished to the board upon completion, and the board may disseminate it to other local units of government or interested groups. If the board finds that the model was not completed or implemented according to the terms of the grant agreement, it may require the grantee to repay all or a portion of the grant. The board shall award grants on the basis of each qualified applicant's score under the scoring system in section 465.802. The amount of a grant under this section may not exceed $50,000.

Sec. 5. Minnesota Statutes 1994, section 465.799, is amended to read:

465.799 [COOPERATION PLANNING GRANTS.]

Two or more local government units; an association of local governments; a local unit of government acting in conjunction with the metropolitan council, an organization, or a state agency; or an organization formed by two or more local units of government under a joint powers agreement may apply to the board of government innovation and cooperation for a grant to be used to develop a plan for intergovernmental cooperation in providing services. The application to the board must state what other sources of funding have been considered by the local units of government to implement the project and explain why it is not possible to complete the project without assistance from the board. The board may not award a grant if it determines that the local units of government could complete the project without board assistance. A copy of the application must be submitted by the applicants to the exclusive representatives certified under section 179A.12 to represent employees who provide the service or program affected by the application.

The plan may include model contracts or agreements to be used to implement the plan. A copy of the work product for which the grant was provided must be furnished to the board upon completion, and the board may disseminate it to other local units of government or interested groups. If the board finds that the grantee has failed to implement the plan according to the terms

of the agreement, it may require the grantee to repay all or a portion of the grant. The board shall award grants on the basis of each qualified applicant's score under the scoring system in section 465.802. The amount of a grant under this section may not exceed $50,000.

Sec. 6. Minnesota Statutes 1994, section 465.801, is amended to read:

465.801 [SERVICE SHARING GRANTS.]

Two or more local units of government; an association of local governments; a local unit of government acting in conjunction with the metropolitan council, an organization, or a state agency; or an organization established by two or more local units of government under a joint powers agreement may apply to the board of government innovation and cooperation for a grant to be used to meet the start-up costs of providing shared services or functions. Agreements solely to make joint purchases are not sufficient to qualify under this section. The application to the board must state what other sources of funding have been considered by the local units of government to implement the project and explain why it is not possible to complete the project without assistance from the board. The board may not award a grant if it determines that the local units of government could complete the project without board assistance. A copy of the application must be provided by the applicants to the exclusive representatives certified under section 179A.12 to represent employees who provide the service or program affected by the application.

The proposal must include plans fully to integrate a service or function provided by two or more local government units. A copy of the work product for which the grant was provided must be furnished to the board upon completion, and the board may disseminate it to other local units of government or interested groups. If the board finds that the grantee has failed to implement the plan according to the terms of the agreement, it may require the grantee to repay all or a portion of the grant. The board shall award grants on the basis of each qualified applicant's score under the scoring system in section 465.802. The amount of a grant under this section may not exceed $100,000.

Sec. 7. Minnesota Statutes 1994, section 465.81, subdivision 1, is amended to read:

Subdivision 1. [SCOPE.] Sections 465.81 to 465.87 establish procedures to be used by counties, cities, or towns that adopt by resolution an agreement providing a plan to provide combined services during an initial ~~two-year~~ cooperation period that may not exceed two years and then to merge into a single unit of government over the succeeding two-year period.

Sec. 8. Minnesota Statutes 1994, section 465.82, subdivision 2, is amended to read:

Subd. 2. [CONTENTS OF PLAN.] The plan ~~shall~~ must state:

(1) the specific cooperative activities the units will engage in during the first two years of the venture;

(2) the steps to be taken to effect the merger of the governmental units, ~~beginning in the third year of the process,~~ with completion no later than four years after the process begins;

(3) the steps by which a single governing body will be created~~. Notwithstanding any other law to the contrary, all current members of the governing bodies of the local government units that propose to combine under sections 465.81 to 465.87 may serve on the initial governing body of the combined unit, until a gradual reduction in membership is achieved by foregoing election of new members when terms expire until the number permitted by other law is reached~~;

(4) changes in services provided, facilities used, administrative operations and staffing to effect the preliminary cooperative activities and the final merger and a two-, five-, and ten-year projection of expenditures for each unit if it combined and if it remained separate;

(5) treatment of employees of the merging governmental units, specifically including provisions for reassigning employees, dealing with unions, and providing financial incentives to encourage early retirements;

(6) financial arrangements for the merger, specifically including responsibility for debt service on outstanding obligations of the merging entities;

(7) ~~two, five, and ten year projections prepared by the department of revenue at the request of the local government unit, of revenues, expenditures, and property taxes for each unit if it combined and if it remained separate~~ one- and two-year impact analysis, prepared by the granting state agency at the request of the local government unit, of major state aid revenues received for each unit if it combined and if it remained separate. This would also include an impact analysis, prepared by the department of revenue, of property tax revenue implications, if any, associated with tax increment financing districts and fiscal disparities resulting from the merger;

(8) procedures for a referendum to be held ~~prior to the year of~~ before the proposed combination to approve combining the local government units, specifically stating whether a majority of those voting in each district proposed for combination or a majority of those voting on the question in the entire area proposed for combination would be needed to pass the referendum; and

(9) a time schedule for implementation.

Notwithstanding clause (3) or any other law to the contrary, all current members of the governing bodies of the local governmental units that propose to combine under sections 465.81 to 465.88 may serve on the initial governing body of the combined unit until a gradual reduction in membership is achieved by foregoing election of new members when terms expire until the number permitted by other law is reached.

Sec. 9. Minnesota Statutes 1994, section 465.84, is amended to read:

465.84 [REFERENDUM.]

During the first or second year of cooperation, and after approval of the plan by the ~~department~~ board under section 465.83, a referendum on the question of combination ~~shall~~ must be conducted. The referendum ~~shall~~ must be on a date called by the governing bodies of the units that propose to combine. The referendum ~~shall~~ must be conducted according to the Minnesota election law, as defined in section 200.01. If the referendum fails, the same question or a modified question may be submitted the following year. If the referendum fails again, the same question may not be submitted. Referendums shall be conducted on the same date in all local government units.

Sec. 10. Minnesota Statutes 1994, section 465.85, is amended to read:

465.85 [COUNTY AUDITOR TO PREPARE PLAT.]

Upon the request of two or more local government units that have adopted a resolution to cooperate and combine, the county auditor shall prepare a plat. If the proposed combined local government unit is located in more than one county, the request ~~shall~~ must be submitted to the county auditor of the county that has the greatest land area in the proposed district. The plat must show:

(1) the boundaries of each of the present units;

(2) the boundaries of the proposed unit;

(3) the boundaries of proposed election districts, if requested; and

(4) other information deemed pertinent by the governing bodies or the county auditor.

Sec. 11. Minnesota Statutes 1994, section 465.87, is amended to read:

465.87 [AIDS TO COOPERATING AND COMBINING UNITS.]

Subdivision 1. [ELIGIBILITY.] A local government unit is eligible to apply for aid under this section if the board has approved its plan to cooperate and combine under section 465.83.

Subd. 1a. [ADDITIONAL ELIGIBILITY.] A local government unit is eligible to apply for aid under this section if it has combined with another unit of government in accordance with any process within chapter 414 that results in the elimination of at least one local government unit and a copy of the municipal board's order combining the two units of government is forwarded to the board. If two units of government cooperate in the orderly annexation of the entire area of a third unit of government which has a population of at least 8,000 people, the two units of government are each eligible for the amount of aid specified in subdivision 2.

Subd. 1b. [APPLICATION PROCEDURES.] A local government unit covered by subdivision 1 may submit an application to the board along with the final plan for cooperation and combination required by section 465.83. A local government unit covered by subdivision 1a may submit an application to the board after the issuance of the municipal board's order combining the two units of government. The application must be on a form prescribed by the board and must specify the total amount of aid requested up to the maximum authorized by subdivision 2. The application must also include a detailed explanation of the need for the aid and provide a budget indicating how the requested aid would be used.

Subd. 1c. [AID AWARD.] The board may grant or deny an application for aid made by a local government unit under subdivision 1b. The board may also grant aid to an applicant in an amount that is less than the amount requested by the applicant. The board shall base its decision on the following criteria:

(1) whether the local government unit has adequately demonstrated that the requested aid is essential to accomplishing the proposed combination;

(2) whether the activities to be funded by the requested aid are directly related to the combination;

(3) whether other sources of funding for the activities identified in the application, including short-term cost savings, are available to the applicant as a direct result of the combination; and

(4) whether there are competing needs for the funding available to the board that would provide a greater public benefit than would be realized by the combination or activities described in the application.

The board may award money to an applicant for a period not to exceed four years. Any funding awarded for a period beyond the biennium in which an award is made, however, is contingent on future appropriations to the board.

Subd. 2. [AMOUNT OF AID.] The annual amount of aid to be paid to each eligible local government unit ~~is equal to~~ may not exceed the following per capita amounts, based on the combined population of the units, ~~not to exceed $100,000 per year for any unit~~ as estimated by the state demographer, or $100,000, whichever is less.

Combined Population after Combination	Aid Per Capita
0 - 2,500	$25
2,500 - 5,000	20
5,000 - 20,000	15
over 20,000	10

Payments ~~shall~~ must be made on the dates provided for payments of local government aid under section 477A.013, beginning in the year during which substantial cooperative activities under the plan initially occur, unless those activities begin after July 1, in which case the initial aid payment ~~shall~~ must be made in the following calendar year. Payments to a local government unit that qualifies for aid under subdivision 1a must be made on the dates provided for payments of local government aids under section 477A.013, beginning in the calendar year during which a combination in any form is expected to be ordered by the Minnesota municipal board as evidenced in a resolution adopted by July 1 by the affected local government units declaring their intent to combine. The resolutions must certify that the combination agreement addressing all issues relative to the combination is substantially complete. The total amount of aid paid may not exceed the amount appropriated to the board for purposes of this section.

Subd. 3. [TERMINATION OF AID; RECAPTURE.] If a second referendum under section 465.84 fails, or if an initial referendum fails and the governing body does not schedule a second referendum within one year after the first has failed, or if one or more of the local government units that proposed to combine terminates its participation in the cooperation or combination, no

additional aid ~~will~~ may be paid under this section. The amount previously paid under this section to a unit must be repaid if the governing body of the unit acts to terminate its current level of participation in the plan. The amount previously paid to the unit must be repaid in annual installments equal to the total amount paid to the unit for all years under ~~subdivision~~ subdivisions 1c and 2, divided by the number of years when payments were made.

Sec. 12. [465.88] [PLANNING AID FOR CONSOLIDATION STUDIES.]

Two local units of government with a combined population of 2,500 or less based on the most recent decennial census may apply to the board for aid to assist in the study of a possible consolidation or combination. To be eligible for receipt of aid under this section, the two local units of government must be subject to a municipal board motion to form a consolidation commission under section 414.041, subdivision 2, or the governing bodies of the local units of government must have approved a resolution expressing their intent to develop and submit a combination plan for consideration by the board. The application must be on a form prescribed by the board and must provide a proposed budget detailing how the requested aid shall be used. The governing bodies of the local units of government must also approve resolutions certifying that the requested aid is essential for paying a portion of the costs associated with the consolidation or combination study. The board may grant up to $10,000 in aid for each application received.

Sec. 13. Minnesota Statutes 1994, section 477A.011, subdivision 36, is amended to read:

Subd. 36. [CITY AID BASE.] (a) Except as provided in paragraphs (b) and (c), "city aid base" means, for each city, the sum of the local government aid and equalization aid it was originally certified to receive in calendar year 1993 under Minnesota Statutes 1992, section 477A.013, subdivisions 3 and 5, and the amount of disparity reduction aid it received in calendar year 1993 under Minnesota Statutes 1992, section 273.1398, subdivision 3.

(b) For aids payable in 1996 and thereafter, a city that in 1992 or 1993 transferred an amount from governmental funds to its sewer and water fund, which amount exceeded its net levy for taxes payable in the year in which the transfer occurred, has a "city aid base" equal to the sum of (i) its city aid base, as calculated under paragraph (a), and (ii) one-half of the difference between its city aid distribution under section 477A.013, subdivision 9, for aids payable in 1995 and its city aid base for aids payable in 1995.

(c) The city aid base for any city with a population less than 500 is increased by $40,000 for aids payable in calendar year 1995 and thereafter, and the maximum amount of total aid it may receive under section 477A.013, subdivision 9, paragraph (c), is also increased by $40,000 for aids payable in calendar year 1995 only, provided that:

(i) the average total tax capacity rate for taxes payable in 1995 exceeds 200 percent;

(ii) the city portion of the tax capacity rate exceeds 100 percent; and

(iii) its city aid base is less than $60 per capita.

Sec. 14. Minnesota Statutes 1994, section 477A.0121, subdivision 4, is amended to read:

Subd. 4. [PUBLIC DEFENDER COSTS.] Each calendar year, ~~four~~ two percent of the total appropriation for this section shall be retained by the commissioner of revenue to make reimbursements to the commissioner of finance for payments made under section 611.27. The reimbursements shall be to defray the additional costs associated with court-ordered counsel under section 611.27. Any retained amounts not used for reimbursement in a year shall be included in the next distribution of county criminal justice aid that is certified to the county auditors for the purpose of property tax reduction for the next taxes payable year.

Sec. 15. Minnesota Statutes 1994, section 477A.0132, is amended to read:

477A.0132 [AID REDUCTIONS TO LOCAL GOVERNMENTS.]

Subdivision 1. [AFFECTED LOCAL GOVERNMENTS.] The following ~~permanent and nonpermanent~~ reductions shall be made in aids paid to the following local units of government:

(a) For aids payable in ~~1992~~ 1996, there shall be a ~~permanent~~ nonpermanent reduction in aids to counties, cities, towns, and special taxing districts of ~~$86,000,000. For purposes of this reduction, hospital districts are not considered special taxing districts~~ $16,000,000, provided that section 25, subdivision 1, is enacted; otherwise the reduction is $14,000,000.

(b) Aid reductions required under section 16A.711, subdivision 5, shall be nonpermanent reductions in aids to counties, cities, towns, and special taxing districts equal to the difference between the aid amounts certified to be paid and the amount of the appropriation to pay the aids.

(c) For aids payable in 1996 there shall be a permanent reduction in aids to counties of $10,000,000, provided that section 16 is enacted.

Subd. 2. [CALCULATION OF AID REDUCTION.] The aid reduction to each local government as provided under subdivision 1 will be equal to the product of the reduction percentage and its reduction base. The reduction base is defined as the following:

(a) For subdivision 1, clause (a), the reduction base is equal to the adjusted revenue base for ~~1992~~ 1996.

(b) For subdivision 1, clause (b), the reduction base is equal to the adjusted revenue base for the year in which the aid payment is to be made.

(c) For subdivision 1, clause (c), the reduction base is a county's aid in calendar year 1996 under section 477A.0121.

Reductions under subdivisions 1, paragraph (a), and 2, paragraph (a), to any individual county, city, or town are limited to an amount equal to 0.45 percent of the unit's 1994 adjusted net tax capacity. For this subdivision, "adjusted net tax capacity" means the political subdivision's net tax capacity calculated using the method for calculating city net tax capacity under section 477A.011, subdivision 20.

Subd. 3. [ORDER OF AID REDUCTIONS.] (a) The aid reduction to a local government calculated under subdivisions 1, paragraphs (a) and (c), and 2, paragraphs (a) and (c), is applied to homestead and agricultural credit aid under section 273.1398 only.

(b) The aid reduction to a local government as calculated under other paragraphs of subdivisions 1 and 2, is first applied to its local government aid under sections 477A.012 and 477A.013 excluding aid under section 477A.013, subdivision 5; then, if necessary, to its equalization aid under section 477A.013, subdivision 5; then if necessary, to its homestead and agricultural credit aid under section 273.1398, subdivision 2; and then, if necessary, to its disparity reduction aid under section 273.1398, subdivision 3. No aid payment may be less than $0. Aid reductions under this section in any given year shall be divided equally between the July and December aid payments unless specified otherwise.

Sec. 16. Minnesota Statutes 1994, section 477A.03, subdivision 2, is amended to read:

Subd. 2. [ANNUAL APPROPRIATION.] A sum sufficient to discharge the duties imposed by sections 477A.011 to 477A.014 is annually appropriated from the general fund to the commissioner of revenue. For aids payable in 1996 and thereafter, the total aids paid under sections 477A.013, subdivision 9, ~~477A.0121,~~ and 477A.0122 are the amounts certified to be paid in the previous year, adjusted for inflation as provided under subdivision 3. Aid payments to counties under section 477A.0121 are limited to $20,265,000 in 1996. For aid payable in 1997 and thereafter, the total aids paid under section 477A.0121 are the amounts certified to be paid in the previous year, adjusted for inflation as provided under subdivision 3.

Sec. 17. Laws 1994, chapter 587, article 3, section 21, is amended to read:

Sec. 21. [REPEALER.]

(a) Minnesota Statutes 1992, sections 3.862 and 477A.012, subdivision 6 are repealed.

(b) Minnesota Statutes 1992, sections 16A.711, 273.1381, and 273.1398, subdivision 7, ~~and 477A.0132, as amended by Laws 1994, chapter 416, article 1, section 60~~; and Minnesota Statutes

1993 Supplement, sections 16A.712, 256E.06, subdivision 12, 273.166, subdivision 4, 290A.23, subdivision 2, 477A.03, subdivision 1, and Laws 1973, chapter 650, article 24, section 6, as amended by Laws 1974, chapter 257, section 4 are repealed.

Sec. 18. [AID ADJUSTMENT.]

Homestead and agricultural credit aid under Minnesota Statutes, section 273.1398, subdivisions 2 and 8, for any statutory city incorporated after January 1, 1975, which is located in a county containing a city of the first class which is not a metropolitan county under Minnesota Statutes, section 473.121, subdivision 4, shall be permanently increased by $200,000, beginning with aids payable in 1996.

Sec. 19. [HACA REDUCTION; HENNEPIN COUNTY COURT EMPLOYEES.]

Subdivision 1. [HACA REDUCTION.] There shall be deducted from the homestead and agricultural credit aid payments to Hennepin county under Minnesota Statutes, section 273.1398, an amount equal to $180,000, which represents the cost to the state for the assumption of two Hennepin county staff attorneys whose job functions are that of court referees and whose positions should have been transferred to the state as part of the court takeover in Laws 1989, First Special Session chapter 1, article 4. One-half of the total amount shall be deducted from each of the aid payments made in 1995 to Hennepin county under Minnesota Statutes, section 273.1398. The amount of reduction made under this section shall be a permanent aid reduction.

Subd. 2. [EFFECTIVE DATE.] Subdivision 1 is effective for aid payments made to Hennepin county in 1995 provided, however, that the aid reduction made under subdivision 1 is contingent upon enactment of a law in 1995 which (i) transfers the Hennepin county positions, and (ii) provides from the general fund a funding to the state supreme court for the positions.

Sec. 20. [HACA ADJUSTMENT; DAKOTA COUNTY.]

Subdivision 1. [HACA ADJUSTMENT.] The homestead and agricultural credit aid offset for the 1996 public defender costs for Dakota county shall be changed from the $644,000 amount as contained in Minnesota Statutes 1994, section 477A.012, subdivision 7, paragraph (b), to a corrected amount of $492,000. The $152,000 adjustment results from an incorrect estimate of Dakota county's public defender costs which were transferred to the state under Laws 1994, chapter 636, article 11, section 1. The adjustment amount of $152,000 provided for under this section is a permanent aid increase to Dakota county made under Minnesota Statutes, section 273.1398, subdivision 2.

Subd. 2. [EFFECTIVE DATE.] Subdivision 1 is effective for homestead and agricultural credit aid paid to Dakota county beginning in calendar year 1996 and subsequent years.

Sec. 21. [HACA ADJUSTMENT; ANOKA COUNTY.]

Subdivision 1. [HACA ADJUSTMENT.] The homestead and agricultural credit aid offset for the 1996 public defender costs for Anoka county shall be changed from the $634,000 amount as contained in Minnesota Statutes 1994, section 477A.012, subdivision 7, paragraph (b), to a corrected amount of $472,000. The $162,000 adjustment results from an incorrect estimate of Anoka county's public defender costs which were transferred to the state under Laws 1994, chapter 636, article 11, section 1. The study shall also include a consideration of the rationalization of other internal boundaries of the state such as highway maintenance and regional economic districts.

The board shall report on the study to the appropriate committees of the legislature by January 15, 1997.

Sec. 25. [APPROPRIATION.]

Sec. 8. Minnesota Statutes, 1994, section 290.067, subdivision 1, as amended by Laws 1995, chapter 1, section 4, is amended to read:

Subdivision 1. [AMOUNT OF CREDIT.] (a) A taxpayer may take as a credit against the tax due from the taxpayer and a spouse, if any, under this chapter an amount equal to the dependent care credit for which the taxpayer is eligible pursuant to the provisions of section 21 of the Internal Revenue Code subject to the limitations provided in subdivision 2 except that in determining whether the child qualified as a dependent, income received as an aid to families with dependent children grant or allowance to or on behalf of the child must not be taken into account in determining whether the child received more than half of the child's support from the taxpayer, and the provisions of section 32(b)(1)(D) of the Internal Revenue Code do not apply.

(b) If a child who ~~is six years of age or less~~ has not attained the age of six years at the close of the taxable year is cared for at a licensed family day care home operated by the child's parent, the taxpayer is deemed to have paid employment-related expenses. If the child is 16 months old or younger at the close of the taxable year, the amount of expenses deemed to have been paid equals the maximum limit for one qualified individual under section 21(c) and (d) of the Internal

Revenue Code. If the child is older than 16 months of age but ~~not older than six years of age~~ has not attained the age of six years at the close of the taxable year, the amount of expenses deemed to have been paid equals the amount the licensee would charge for the care of a child of the same age for the same number of hours of care.

(c) If a married couple:

(1) has a child who has not attained the age of one year at the close of the taxable year;

(2) files a joint tax return for the taxable year; and

(3) does not participate in a dependent care assistance program as defined in section 129 of the Internal Revenue Code, in lieu of the actual employment related expenses paid for that child under paragraph (a) or the deemed amount under paragraph (b), the lesser of (i) the combined earned income of the couple or (ii) $2,400 will be deemed to be the employment related expense paid for that child. The earned income limitation of section 21(d) of the Internal Revenue Code shall not apply to this deemed amount. These deemed amounts apply regardless of whether any employment-related expenses have been paid.

(d) If the taxpayer is not required and does not file a federal individual income tax return for the tax year, no credit is allowed for any amount paid to any person unless:

(1) the name, address, and taxpayer identification number of the person are included on the return claiming the credit; or

(2) if the person is an organization described in section 501(c)(3) of the Internal Revenue Code and exempt from tax under section 501(a) of the Internal Revenue Code, the name and address of the person are included on the return claiming the credit.

In the case of a failure to provide the information required under the preceding sentence, the preceding sentence does not apply if it is shown that the taxpayer exercised due diligence in attempting to provide the information required.

In the case of a nonresident, part-year resident, or a person who has earned income not subject to tax under this chapter, the credit determined under section 21 of the Internal Revenue Code must be allocated based on the ratio by which the earned income of the claimant and the claimant's spouse from Minnesota sources bears to the total earned income of the claimant and the claimant's spouse.

Sec. 9. Minnesota Statutes 1994, section 290.191, subdivision 1, is amended to read:

Subdivision 1. [GENERAL RULE.] (a) Except as otherwise provided in section 290.17, subdivision 5, the net income from a trade or business carried on partly within and partly without this state must be apportioned to this state as provided in this section.

(b) For purposes of this section, "state" means a state of the United States, the District of Columbia, the commonwealth of Puerto Rico, or any territory or possession of the United States or any foreign country.

Sec. 10. Minnesota Statutes 1994, section 290.191, subdivision 5, is amended to read:

Subd. 5. [DETERMINATION OF SALES FACTOR.] For purposes of this section, the following rules apply in determining the sales factor.

(a) The sales factor includes all sales, gross earnings, or receipts received in the ordinary course of the business, except that the following types of income are not included in the sales factor:

(1) interest;

(2) dividends;

(3) sales of capital assets as defined in section 1221 of the Internal Revenue Code;

(4) sales of property used in the trade or business, except sales of leased property of a type which is regularly sold as well as leased;

(5) sales of debt instruments as defined in section 1275(a)(1) of the Internal Revenue Code or sales of stock; and

(6) royalties, fees, or other like income of a type which qualify for a subtraction from federal taxable income under section 290.01, subdivision 19(d)(11).

(b) Sales of tangible personal property are made within this state if the property is received by a purchaser at a point within this state, and the taxpayer is taxable in this state, regardless of the f.o.b. point, other conditions of the sale, or the ultimate destination of the property.

(c) Tangible personal property delivered to a common or contract carrier or foreign vessel for delivery to a purchaser in another state or nation is a sale in that state or nation, regardless of f.o.b. point or other conditions of the sale.

(d) Notwithstanding paragraphs (b) and (c), when intoxicating liquor, wine, fermented malt beverages, cigarettes, or tobacco products are sold to a purchaser who is licensed by a state or political subdivision to resell this property only within the state of ultimate destination, the sale is made in that state.

(e) Sales made by or through a corporation that is qualified as a domestic international sales corporation under section 992 of the Internal Revenue Code are not considered to have been made within this state.

(f) Sales, rents, royalties, and other income in connection with real property is attributed to the state in which the property is located.

(g) Receipts from the lease or rental of tangible personal property, including finance leases and true leases, must be attributed to this state if the property is located in this state and to other states if the property is not located in this state. Moving property including, but not limited to, motor vehicles, rolling stock, aircraft, vessels, or mobile equipment is located in this state if:

(1) the operation of the property is entirely within this state; or

(2) the operation of the property is in two or more states and the principal base of operations from which the property is sent out is in this state.

(h) Royalties and other income not described in paragraph (a), clause (6), received for the use of or for the privilege of using intangible property, including patents, know-how, formulas, designs, processes, patterns, copyrights, trade names, service names, franchises, licenses, contracts, customer lists, or similar items, must be attributed to the state in which the property is used by the purchaser. If the property is used in more than one state, the royalties or other income must be apportioned to this state pro rata according to the portion of use in this state. If the portion of use in this state cannot be determined, the royalties or other income must be excluded from both the numerator and the denominator. Intangible property is used in this state if the purchaser uses the intangible property or the rights therein in the regular course of its business operations in this state, regardless of the location of the purchaser's customers.

(i) Sales of intangible property are made within the state in which the property is used by the purchaser. If the property is used in more than one state, the sales must be apportioned to this state pro rata according to the portion of use in this state. If the portion of use in this state cannot be determined, the sale must be excluded from both the numerator and the denominator of the sales factor. Intangible property is used in this state if the purchaser used the intangible property in the regular course of its business operations in this state.

(j) Receipts from the performance of services must be attributed to the state ~~in which the benefits of~~ where the services are ~~consumed~~ received. ~~If the benefits are consumed in more than one state, the receipts from those benefits must be apportioned to this state pro rata according to the portion of the benefits consumed in this state. If the state where the services are received is not readily determinable or is a state where the corporation, partnership, or trust receiving the service does not have a fixed place of doing business, the services shall be

deemed to be ~~consumed~~ received at the location of the office of the customer from which the services were ordered in the regular course of the customer's trade or business. If the ordering office cannot be determined, the ~~benefits of the~~ services shall be deemed to be ~~consumed~~ received at the office of the customer to which the services are billed.

Sec. 11. Minnesota Statutes 1994, section 290.191, subdivision 6, is amended to read:

Subd. 6. [DETERMINATION OF RECEIPTS FACTOR FOR FINANCIAL INSTITUTIONS.] (a) For purposes of this section, the rules in this subdivision and ~~subdivisions 7 and~~ subdivision 8 apply in determining the receipts factor for financial institutions.

(b) "Receipts" for this purpose means gross income, including net taxable gain on disposition of assets, including securities and money market instruments, when derived from transactions and activities in the regular course of the taxpayer's trade or business.

(c) "Money market instruments" means federal funds sold and securities purchased under agreements to resell, commercial paper, banker's acceptances, and purchased certificates of deposit and similar instruments to the extent that the instruments are reflected as assets under generally accepted accounting principles.

(d) "Securities" means United States Treasury securities, obligations of United States government agencies and corporations, obligations of state and political subdivisions, corporate stock, bonds, and other securities, participations in securities backed by mortgages held by United States or state government agencies, loan-backed securities and similar investments to the extent the investments are reflected as assets under generally accepted accounting principles.

(e) Receipts from the lease or rental of real or tangible personal property, including both finance leases and true leases, must be attributed to this state if the property is located in this state. Tangible personal property that is characteristically moving property, such as motor vehicles, rolling stock, aircraft, vessels, mobile equipment, and the like, is considered to be located in a state if:

(1) the operation of the property is entirely within the state; or

(2) the operation of the property is in two or more states, but the principal base of operations from which the property is sent out is in the state.

(f) Interest income and other receipts from assets in the nature of loans that are secured primarily by real estate or tangible personal property must be attributed to this state if the security property is located in this state under the principles stated in paragraph (e).

(g) Interest income and other receipts from consumer loans not secured by real or tangible personal property that are made to residents of this state, whether at a place of business, by traveling loan officer, by mail, by telephone or other electronic means, must be attributed to this state.

(h) Interest income and other receipts from commercial loans and installment obligations that are unsecured by real or tangible personal property or secured by intangible property must be attributed to this state if the proceeds of the loan are to be applied in this state. If it cannot be determined where the funds are to be applied, the income and receipts are attributed to the state in which the office of the borrower from which the application would be made in the regular course of business is located. If this cannot be determined, the transaction is disregarded in the apportionment formula.

(i) Interest income and other receipts from a participating financial institution's portion of participation and syndication loans must be attributed under paragraphs (e) to (h). A participation loan is an arrangement in which a lender makes a loan to a borrower and then sells, assigns, or otherwise transfers all or a part of the loan to a purchasing financial institution. A syndication loan is a loan transaction involving multiple financial institutions in which all the lenders are named as parties to the loan documentation, are known to the borrower, and have privity of contract with the borrower.

(j) Interest income and other receipts including service charges from financial institution credit

card and travel and entertainment credit card receivables and credit card holders' fees must be attributed to the state to which the card charges and fees are regularly billed.

(k) Merchant discount income derived from financial institution credit card holder transactions with a merchant must be attributed to the state in which the merchant is located. In the case of merchants located within and outside the state, only receipts from merchant discounts attributable to sales made from locations within the state are attributed to this state. It is presumed, subject to rebuttal, that the location of a merchant is the address shown on the invoice submitted by the merchant to the taxpayer.

(l) Receipts from the performance of fiduciary and other services must be attributed to the state in which ~~the benefits of~~ the services are ~~consumed~~ received. ~~If the benefits are consumed in more than one state, the receipts from those benefits must be apportioned to this state pro rata according to the portion of the benefits consumed in this state.~~ For the purposes of this section, services provided to a corporation, partnership, or trust must be attributed to a state where it has a fixed place of doing business. If the ~~extent to which the benefits of~~ state where the services are ~~consumed in this state~~ received is not readily determinable or is a state where the corporation, partnership, or trust does not have a fixed place of doing business, the ~~benefits of the~~ services shall be deemed to be ~~consumed~~ received at the location of the office of the customer from which the services were ordered in the regular course of the customer's trade or business. If the ordering office cannot be determined, the ~~benefits of the~~ services shall be deemed to be ~~consumed~~ received at the office of the customer to which the services are billed.

(m) Receipts from the issuance of travelers checks and money orders must be attributed to the state in which the checks and money orders are purchased.

(n) Receipts from investments of a financial institution in securities and from money market instruments must be apportioned to this state based on the ratio that total deposits from this state, its residents, including any business with an office or other place of business in this state, its political subdivisions, agencies, and instrumentalities bear to the total deposits from all states, their residents, their political subdivisions, agencies, and instrumentalities. In the case of an unregulated financial institution subject to this section, these receipts are apportioned to this state based on the ratio that its gross business income, excluding such receipts, earned from sources within this state bears to gross business income, excluding such receipts, earned from sources within all states. For purposes of this subdivision, deposits made by this state, its residents, its political subdivisions, agencies, and instrumentalities must be attributed to this state, whether or not the deposits are accepted or maintained by the taxpayer at locations within this state.

(o) A financial institution's interest in property described in section 290.015, subdivision 3, paragraph (b), is included in the receipts factor in the same manner as assets in the nature of securities or money market instruments are included in paragraph (n).

As used in the preceding sentence, the term "employer" includes any corporation, individual, estate, trust, or organization which is exempt from taxation under section 290.05 and further includes, but is not limited to, officers of corporations who have legal control, either individually or jointly with another or others, of the payment of the wages.

ARTICLE 11

REVENUE POLICY INITIATIVES

PROPERTY TAX AND PROPERTY TAX REFUNDS

Section 1. Minnesota Statutes 1994, section 273.124, subdivision 1, is amended to read:

Subdivision 1. [GENERAL RULE.] (a) Residential real estate that is occupied and used for the purposes of a homestead by its owner, who must be a Minnesota resident, is a residential homestead.

Agricultural land, as defined in section 273.13, subdivision 23, that is occupied and used as a homestead by its owner, who must be a Minnesota resident, is an agricultural homestead.

Dates for establishment of a homestead and homestead treatment provided to particular types of property are as provided in this section.

Property of a trustee, beneficiary, or grantor of a trust is not disqualified from receiving homestead benefits if the homestead requirements under this chapter are satisfied.

The assessor shall require proof, as provided in subdivision 13, of the facts upon which

classification as a homestead may be determined. Notwithstanding any other law, the assessor may at any time require a homestead application to be filed in order to verify that any property classified as a homestead continues to be eligible for homestead status. Notwithstanding any other law to the contrary, the department of revenue may, upon request from an assessor, verify whether an individual who is requesting or receiving homestead classification has filed a Minnesota income tax return as a resident for the most recent taxable year for which the information is available.

When there is a name change or a transfer of homestead property, the assessor may reclassify the property in the next assessment unless a homestead application is filed to verify that the property continues to qualify for homestead classification.

(b) For purposes of this section, homestead property shall include property which is used for purposes of the homestead but is separated from the homestead by a road, street, lot, waterway, or other similar intervening property. The term "used for purposes of the homestead" shall include but not be limited to uses for gardens, garages, or other outbuildings commonly associated with a homestead, but shall not include vacant land held primarily for future development. In order to receive homestead treatment for the noncontiguous property, the owner shall apply for it to the assessor by July 1 of the year when the treatment is initially sought. After initial qualification for the homestead treatment, additional applications for subsequent years are not required.

(c) Residential real estate that is occupied and used for purposes of a homestead by a relative of the owner is a homestead but only to the extent of the homestead treatment that would be provided if the related owner occupied the property. For purposes of this paragraph, "relative" means a parent, stepparent, child, stepchild, grandparent, grandchild, brother, sister, uncle, or aunt. This relationship may be by blood or marriage. Property that was classified as seasonal recreational residential property at the time when treatment under this paragraph would first apply shall continue to be classified as seasonal recreational residential property for the first four assessment years beginning after the date when the relative of the owner occupies the property as a homestead; this delay also applies to property that, in the absence of this paragraph, would have been classified as seasonal recreational residential property at the time when the residence was constructed. Neither the related occupant nor the owner of the property may claim a property tax refund under chapter 290A for a homestead occupied by a relative. In the case of a residence located on agricultural land, only the house, garage, and immediately surrounding one acre of land shall be classified as a homestead under this paragraph, except as provided in paragraph (d).

(d) Agricultural property that is occupied and used for purposes of a homestead by a relative of the owner, is a homestead, only to the extent of the homestead treatment that would be provided if the related owner occupied the property, and only if all of the following criteria are met:

(1) the relative who is occupying the agricultural property is a son, daughter, father, or mother of the owner of the agricultural property or a son or daughter of the spouse of the owner of the agricultural property,

(2) the owner of the agricultural property must be a Minnesota resident,

(3) the owner of the agricultural property must not receive homestead treatment on any other agricultural property in Minnesota, and

(4) the owner of the agricultural property is limited to only one agricultural homestead per family under this paragraph.

Neither the related occupant nor the owner of the property may claim a property tax refund under chapter 290A for a homestead occupied by a relative qualifying under this paragraph. For purposes of this paragraph, "agricultural property" means the house, garage, other farm buildings and structures, and agricultural land.

Application must be made to the assessor by the owner of the agricultural property to receive homestead benefits under this paragraph. The assessor may require the necessary proof that the requirements under this paragraph have been met.

(e) In the case of property owned by a property owner who is married, the assessor must not

deny homestead treatment in whole or in part if only one of the spouses occupies the property and the other spouse is absent due to: (1) marriage dissolution proceedings, (2) legal separation, (3) employment or self-employment in another location as provided under subdivision 13, or (4) residence in a nursing home or boarding care facility.

Sec. 2. Minnesota Statutes 1994, section 273.124, subdivision 3, is amended to read:

Subd. 3. [COOPERATIVES AND CHARITABLE CORPORATIONS.] When one or more dwellings, or one or more buildings which each contain several dwelling units, are owned by a corporation or association organized under chapter 308A, and each person who owns a share or shares in the corporation or association is entitled to occupy a dwelling, or dwelling unit in the building, the corporation or association may claim homestead treatment for each dwelling, or for each unit in case of a building containing several dwelling units, for the dwelling or for the part of the value of the building occupied by a shareholder. Each dwelling or unit must be designated by legal description or number, and the net tax capacity of each dwelling that qualifies for assessment under this subdivision must include not more than one-half acre of land, if platted, nor more than 80 acres if unplatted. The net tax capacity of the building or buildings containing several dwelling units is the sum of the net tax capacities of each of the respective units comprising the building. To qualify for the treatment provided by this subdivision, the corporation or association must be wholly owned by persons having a right to occupy a dwelling or dwelling unit owned by the corporation or association. A charitable corporation organized under the laws of Minnesota and not otherwise exempt thereunder with no outstanding stock qualifies for homestead treatment with respect to member residents of the dwelling units who have purchased and hold residential participation warrants entitling them to occupy the units.

When dwelling units no longer qualify under this subdivision, the current owner must notify the assessor within 60 days. Failure to notify the assessor within 60 days shall result in the loss of benefits under this subdivision for taxes payable in the year that the failure is discovered. For these purposes, "benefits under this subdivision" means the difference in the net tax capacity of the units which no longer qualify as computed under this subdivision and as computed under the otherwise applicable law, times the local tax rate applicable to the building for that taxes payable year. Upon discovery of a failure to notify, the assessor shall inform the auditor of the difference in net tax capacity for the building or buildings in which units no longer qualify, and the auditor shall calculate the benefits under this subdivision. Such amount, plus a penalty equal to 100 percent of that amount, shall then be demanded of the building's owner. The property owner may appeal the county's determination by serving copies of a petition for review with county officials as provided in section 278.01 and filing a proof of service as provided in section 278.01 with the Minnesota tax court within 60 days of the date of the notice from the county. The appeal shall be governed by the tax court procedures provided in chapter 271, for cases relating to the tax laws as defined in section 271.01, subdivision 5; disregarding sections 273.125, subdivision 5, and 278.03, but including section 278.05, subdivision 2. If the amount of the benefits under this subdivision and penalty are not paid within 60 days, and if no appeal has been filed, the county auditor shall certify the amount of the benefit and penalty to the succeeding year's tax list to be collected as part of the property taxes on the affected buildings.

Sec. 3. Minnesota Statutes 1994, section 273.124, subdivision 6, is amended to read:

Subd. 6. [LEASEHOLD COOPERATIVES.] When one or more dwellings or one or more buildings which each contain several dwelling units is owned by a nonprofit corporation subject to the provisions of chapter 317A and qualifying under section 501(c)(3) or 501(c)(4) of the Internal Revenue Code of 1986, as amended through December 31, 1990, or a limited partnership which corporation or partnership operates the property in conjunction with a cooperative association, and has received public financing, homestead treatment may be claimed by the cooperative association on behalf of the members of the cooperative for each dwelling unit occupied by a member of the cooperative. The cooperative association must provide the assessor with the social security numbers of those members. To qualify for the treatment provided by this subdivision, the following conditions must be met:

(a) the cooperative association must be organized under chapter 308A and all voting members of the board of directors must be resident tenants of the cooperative and must be elected by the resident tenants of the cooperative;

(b) the cooperative association must have a lease for occupancy of the property for a term of at least 20 years, which permits the cooperative association, while not in default on the lease, to participate materially in the management of the property, including material participation in establishing budgets, setting rent levels, and hiring and supervising a management agent;

(c) to the extent permitted under state or federal law, the cooperative association must have a right under a written agreement with the owner to purchase the property if the owner proposes to sell it; if the cooperative association does not purchase the property it is offered for sale, the owner may not subsequently sell the property to another purchaser at a price lower than the price at which it was offered for sale to the cooperative association unless the cooperative association approves the sale;

(d) a minimum of 40 percent of the cooperative association's members must have incomes at or less than 60 percent of area median gross income as determined by the United States Secretary of Housing and Urban Development under section 142(d)(2)(B) of the Internal Revenue Code of 1986, as amended through December 31, 1991. For purposes of this clause, "member income" means the income of a member existing at the time the member acquires cooperative membership;

(e) if a limited partnership owns the property, it must include as the managing general partner a nonprofit organization operating under the provisions of chapter 317A and qualifying under section 501(c)(3) or 501(c)(4) of the Internal Revenue Code of 1986, as amended through December 31, 1990, and the limited partnership agreement must provide that the managing general partner have sufficient powers so that it materially participates in the management and control of the limited partnership;

(f) prior to becoming a member of a leasehold cooperative described in this subdivision, a person must have received notice that (1) describes leasehold cooperative property in plain language, including but not limited to the effects of classification under this subdivision on rents, property taxes and tax credits or refunds, and operating expenses, and (2) states that copies of the articles of incorporation and bylaws of the cooperative association, the lease between the owner and the cooperative association, a sample sublease between the cooperative association and a tenant, and, if the owner is a partnership, a copy of the limited partnership agreement, can be obtained upon written request at no charge from the owner, and the owner must send or deliver the materials within seven days after receiving any request;

(g) if a dwelling unit of a building was occupied on the 60th day prior to the date on which the unit became leasehold cooperative property described in this subdivision, the notice described in paragraph (f) must have been sent by first class mail to the occupant of the unit at least 60 days prior to the date on which the unit became leasehold cooperative property. For purposes of the notice under this paragraph, the copies of the documents referred to in paragraph (f) may be in proposed version, provided that any subsequent material alteration of those documents made after the occupant has requested a copy shall be disclosed to any occupant who has requested a copy of the document. Copies of the articles of incorporation and certificate of limited partnership shall be filed with the secretary of state after the expiration of the 60-day period unless the change to leasehold cooperative status does not proceed;

(h) the county attorney of the county in which the property is located must certify to the assessor that the property meets the requirements of this subdivision;

(i) the public financing received must be from at least one of the following sources:

(1) tax increment financing proceeds used for the acquisition or rehabilitation of the building or interest rate write-downs relating to the acquisition of the building;

(2) government issued bonds exempt from taxes under section 103 of the Internal Revenue Code of 1986, as amended through December 31, 1991, the proceeds of which are used for the acquisition or rehabilitation of the building;

(3) programs under section 221(d)(3), 202, or 236, of Title II of the National Housing Act;

(4) rental housing program funds under Section 8 of the United States Housing Act of 1937 or the market rate family graduated payment mortgage program funds administered by the Minnesota housing finance agency that are used for the acquisition or rehabilitation of the building;

(5) low-income housing credit under section 42 of the Internal Revenue Code of 1986, as amended through December 31, 1991;

(6) public financing provided by a local government used for the acquisition or rehabilitation of the building, including grants or loans from (i) federal community development block grants; (ii) HOME block grants; or (iii) residential rental bonds issued under chapter 474A; or

(7) other rental housing program funds provided by the Minnesota housing finance agency for the acquisition or rehabilitation of the building;

(j) at the time of the initial request for homestead classification or of any transfer of ownership of the property, the governing body of the municipality in which the property is located must hold a public hearing and make the following findings:

(1) that the granting of the homestead treatment of the apartment's units will facilitate safe, clean, affordable housing for the cooperative members that would otherwise not be available absent the homestead designation;

(2) that the owner has presented information satisfactory to the governing body showing that the savings garnered from the homestead designation of the units will be used to reduce tenant's rents or provide a level of furnishing or maintenance not possible absent the designation; and

(3) that the requirements of paragraphs (b), (d), and (i) have been met.

Homestead treatment must be afforded to units occupied by members of the cooperative association and the units must be assessed as provided in subdivision 3, provided that any unit not so occupied shall be classified and assessed pursuant to the appropriate class. No more than three acres of land may, for assessment purposes, be included with each dwelling unit that qualifies for homestead treatment under this subdivision.

When dwelling units no longer qualify under this subdivision, the current owner must notify the assessor within 60 days. Failure to notify the assessor within 60 days shall result in the loss of benefits under this subdivision for taxes payable in the year that the failure is discovered. For these purposes, "benefits under this subdivision" means the difference in the net tax capacity of the units which no longer qualify as computed under this subdivision and as computed under the otherwise applicable law, times the local tax rate applicable to the building for that taxes payable year. Upon discovery of a failure to notify, the assessor shall inform the auditor of the difference in net tax capacity for the building or buildings in which units no longer qualify, and the auditor shall calculate the benefits under this subdivision. Such amount, plus a penalty equal to 100 percent of that amount, shall then be demanded of the building's owner. The property owner may appeal the county's determination by serving copies of a petition for review with county officials as provided in section 278.01 and filing a proof of service as provided in section 278.01 with the Minnesota tax court within 60 days of the date of the notice from the county. The appeal shall be governed by the tax court procedures provided in chapter 271, for cases relating to the tax laws as defined in section 271.01, subdivision 5; disregarding sections 273.125, subdivision 5, and 278.03, but including section 278.05, subdivision 2. If the amount of the benefits under this subdivision and penalty are not paid within 60 days, and if no appeal has been filed, the county auditor shall certify the amount of the benefit and penalty to the succeeding year's tax list to be collected as part of the property taxes on the affected buildings.

Sec. 4. Minnesota Statutes 1994, section 273.124, subdivision 11, is amended to read:

Subd. 11. [LIMITATION ON HOMESTEAD CLASSIFICATION.] If the assessor has classified a property as both homestead and nonhomestead, the greater of the value attributable to the portion of the property classified as class 1 or class 2a or the value of the first tier of net class rates provided under section 273.13, subdivision 22, or 23, paragraph (a), is entitled to assessment as a homestead under section 273.13, subdivision 22 or 23. The limitation in this subdivision does not apply to buildings containing fewer than four residential units or to a single rented or leased dwelling unit located within or attached to a private garage or similar structure owned by the owner of a homestead and located on the premises of that homestead.

If the assessor has classified a property as both homestead and nonhomestead, ~~the homestead~~

~~credit provided in section 273.13, subdivisions 22 and 23, and~~ the reductions in tax provided under sections 273.135 and 273.1391 apply to the value of both the homestead and the nonhomestead portions of the property.

Sec. 5. Minnesota Statutes 1994, section 274.14, is amended to read:

274.14 [LENGTH OF SESSION; RECORD.]

The county board of equalization or the special board of equalization appointed by it shall meet during ~~the last two weeks in June that contain~~ the last ten meeting days~~,~~ in June. For this purpose, "meeting days" are defined as any day of the week excluding Saturday and Sunday. The board may meet on any ten consecutive meeting days in June, after the second Friday in June, if the actual meeting dates are contained on the valuation notices mailed to each property owner in the county under section 273.121. No action taken by the county board of review after June 30 is valid, except for corrections permitted in sections 273.01 and 274.01. The county auditor shall keep an accurate record of the proceedings and orders of the board. The record must be published like other proceedings of county commissioners. A copy of the published record must be sent to the commissioner of revenue, with the abstract of assessment required by section 274.16.

Sec. 6. Minnesota Statutes 1994, section 275.07, subdivision 1, is amended to read:

Subdivision 1. The taxes voted by cities, counties, school districts, and special districts shall be certified by the proper authorities to the county auditor on or before five working days after December 20 in each year. A town must certify the levy adopted by the town board to the county auditor by September 15 each year. If the town board modifies the levy at a special town meeting after September 15, the town board must recertify its levy to the county auditor on or before five working days after December 20. The taxes certified shall not be reduced by the county auditor by the aid received under ~~sections~~ section 273.1398, ~~subdivisions 2 and 3~~ subdivision 2, but shall be reduced by the county auditor by the aid received under section 273.1398, subdivision 3. If a city, town, county, school district, or special district fails to certify its levy by that date, its levy shall be the amount levied by it for the preceding year.

Sec. 7. Minnesota Statutes 1994, section 275.08, subdivision 1b, is amended to read:

Subd. 1b. The amounts certified under section 275.07 ~~after adjustment under section 275.07, subdivision 3,~~ by an individual local government unit, except for any amounts certified under sections 124A.03, subdivision 2a, and 275.61, shall be divided by the total net tax capacity of all taxable properties within the local government unit's taxing jurisdiction. The resulting ratio, the local government's local tax rate, multiplied by each property's net tax capacity shall be each property's tax for that local government unit before reduction by any credits.

Any amount certified to the county auditor under section 124A.03, subdivision 2a, or 275.61, after the dates given in those sections, shall be divided by the total estimated market value of all taxable properties within the taxing district. The resulting ratio, the taxing district's new referendum tax rate, multiplied by each property's estimated market value shall be each property's new referendum tax before reduction by any credits.

Sec. 8. Minnesota Statutes 1994, section 289A.60, subdivision 12, is amended to read:

Subd. 12. [PENALTIES RELATING TO PROPERTY TAX REFUNDS.] (a) If the commissioner determines that a property tax refund claim is or was excessive and was filed with fraudulent intent, the claim must be disallowed in full. If the claim has been paid, the amount disallowed may be recovered by assessment and collection.

(b) If it is determined that a property tax refund claim is excessive and was negligently prepared, ten percent of the corrected claim must be disallowed. If the claim has been paid, the amount disallowed must be recovered by assessment and collection.

(c) An owner ~~or managing agent~~ who ~~knowingly~~ without reasonable cause fails to give a certificate of rent constituting property tax to a renter, as required by section 290A.19, paragraph (a), is liable to the commissioner for a penalty of $100 for each failure.

(d) If the owner or managing agent knowingly gives rent certificates that report total rent

constituting property taxes in excess of the amount of actual rent constituting property taxes paid on the rented part of a property, the owner or managing agent is liable for a penalty equal to the greater of (1) $100 or (2) 50 percent of the excess that is reported. An overstatement of rent constituting property taxes is presumed to be knowingly made if it exceeds by ten percent or more the actual rent constituting property taxes.

(e) No claim is allowed if the initial claim is filed more than one year after the original due date for filing the claim.

Sec. 9. [EFFECTIVE DATE.]

Section 5 is effective for taxes payable in 1997 and thereafter. Sections 2 to 4 are effective January 1, 1996, and thereafter. Section 8 is effective for certificates of rent paid required after the date of final enactment.

Subdivision 1. [CONTRABAND DEFINED.] The following are declared to be contraband:

(1) All packages which do not have stamps affixed to them as provided in sections 297.01 to 297.13, including but not limited to (i) packages with illegible stamps and packages with stamps that are not complete or whole even if the stamps are legible, and (ii) all devices for the vending of cigarettes in which ~~such unstamped~~ packages as defined in item (i) are found, including all contents contained within the devices.

(2) Any device for the vending of cigarettes and all packages of cigarettes contained therein, where the device does not afford at least partial visibility of contents. Where any package exposed to view does not carry the stamp required by sections 297.01 to 297.13, it shall be presumed that all packages contained in the device are unstamped and contraband.

(3) Any device for the vending of cigarettes to which the commissioner or authorized agents have been denied access for the inspection of contents. In lieu of seizure, the commissioner or an agent may seal the device to prevent its use until inspection of contents is permitted.

(4) Any device for the vending of cigarettes which does not carry the name and address of the owner, plainly marked and visible from the front of the machine.

(5) Any device including, but not limited to, motor vehicles, trailers, snowmobiles, airplanes, and boats used with the knowledge of the owner or of a person operating with the consent of the owner for the storage or transportation of more than 5,000 cigarettes which are contraband under this subdivision. When cigarettes are being transported in the course of interstate commerce, or are in movement from either a public warehouse to a distributor upon orders from a manufacturer or distributor, or from one distributor to another, the cigarettes are not contraband, notwithstanding the provisions of clause (1).

(6) All packages obtained in violation of section 297.11, subdivision 6.

(7) All packages offered for sale or held as inventory in violation of section 297.11, subdivision 7.

Sec. 2. Minnesota Statutes 1994, section 297.08, subdivision 3, is amended to read:

Subd. 3. [INVENTORY; JUDICIAL DETERMINATION; APPEAL; DISPOSITION OF SEIZED PROPERTY.] Within two days after the seizure of any alleged contraband, the person making the seizure shall deliver an inventory of the property seized to the person from whom the seizure was made, if known, and file a copy with the commissioner. Within ten days after the date of service of the inventory, the person from whom the property was seized or any person claiming an ownership or security interest in the property may file with the commissioner a demand for a

judicial determination of the question as to whether the property was lawfully subject to seizure and forfeiture. The commissioner, within 30 days, shall institute an action in the district court of the county where the seizure was made to determine the issue of forfeiture. The only issue to be decided by the court is whether the alleged contraband is contraband, as defined in subdivision 1. The action shall be brought in the name of the state and shall be prosecuted by the county attorney or by the attorney general. The court shall hear the action without a jury and shall try and determine the issues of fact and law involved. Whenever a judgment of forfeiture is entered, the commissioner may, unless the judgment is stayed pending an appeal, either (1) deliver the forfeited property to the commissioner of human services for use by patients in state institutions; (2) cause it to be destroyed; or (3) cause it to be sold at public auction as provided by law. If a demand for judicial determination is made and no action is commenced as provided in this subdivision, the property shall be released by the commissioner and redelivered to the person entitled to it. If no demand is made, the property seized shall be deemed forfeited to the state by operation of law and may be disposed of by the commissioner as provided where there has been a judgment of forfeiture. ~~Whenever the commissioner is satisfied that any person from whom property is seized under sections 297.01 to 297.13 was acting in good faith and without intent to evade the tax imposed by sections 297.01 to 297.13, the commissioner shall release the property seized, without further legal proceedings.~~

Sec. 3. Minnesota Statutes 1994, section 297C.02, subdivision 2, is amended to read:

ARTICLE 13

REVENUE POLICY INITIATIVES

COLLECTIONS AND COMPLIANCE

Section 1. Minnesota Statutes 1994, section 60A.15, subdivision 12, is amended to read:

Subd. 12. [OVERPAYMENTS, CLAIMS FOR REFUND.] (1) [PROCEDURE, TIME LIMIT, APPROPRIATION.] A company who has paid, voluntarily or otherwise, or from whom there has been collected an amount of tax for any year in excess of the amount legally due for that year, may file with the commissioner of revenue a claim for a refund of the excess. Except as provided in subdivision 11, no claim or refund shall be allowed or made after ~~3 1/2 years from the date prescribed for filing the return (plus any extension of time granted for filing the return but only if filed within the extended time) or after two years from the date of overpayment, whichever period is longer, unless before the expiration of the period a claim is filed by the company~~ the period prescribed in section 289A.40, subdivision 1. For this purpose, a return or amended return claiming an overpayment constitutes a claim for refund.

Upon the filing of a claim, the commissioner shall examine it, shall make and file written findings denying or allowing the claim in whole or in part, and shall mail a notice thereof to the company at the address stated upon the return. If the claim is allowed in whole or in part, the commissioner shall issue a certificate for the refundment of the excess paid by the company, with interest at the rate specified in section 270.76 computed from the date of the payment of the tax until the date the refund is paid or the credit is made to the company. The commissioner of finance shall pay the refund out of the proceeds of the taxes imposed by this section, as other state moneys are expended. As much of the proceeds of the taxes as necessary are appropriated for that purpose.

(2) [DENIAL OF CLAIM, COURT PROCEEDINGS.] If the claim is denied in whole or in part, the commissioner shall mail an order of denial to the company in the manner prescribed in subdivision 8. An appeal from this order may be taken to the Minnesota tax court in the manner prescribed in section 271.06, or the company may commence an action against the commissioner to recover the denied overpayment. The action may be brought in the district court of the district in the county of its principal place of business, or in the district court for Ramsey county. The action in the district court must be commenced within 18 months following the mailing of the order of denial to the company. If a claim for refund is filed by a company and no order of denial is issued within six months of the filing, the company may commence an action in the district court as in the case of a denial, but the action must be commenced within two years of the date that the claim for refund was filed.

(3) [CONSENT TO EXTEND TIME.] If the commissioner and the company have, within the periods prescribed in clause (1), consented in writing to any extension of time for the assessment of the tax, the period within which a claim for refund may be filed, or a refund may be made or

allowed, if no claim is filed, shall be the period within which the commissioner and the company have consented to an extension for the assessment of the tax and six months thereafter. ~~The period within which a claim for refund may be filed shall not expire prior to two years after the tax was paid.~~

(4) [OVERPAYMENTS; REFUNDS.] If the amount determined to be an overpayment exceeds the taxes imposed by this section, the amount of excess shall be considered an overpayment. An amount paid as tax constitutes an overpayment even if in fact there was no tax liability with respect to which the amount was paid.

Notwithstanding any other provision of law to the contrary, in the case of any overpayment, the commissioner, within the applicable period of limitations, shall refund any balance of more than one dollar to the company if the company requests the refund.

Sec. 2. Minnesota Statutes 1994, section 60A.199, subdivision 8, is amended to read:

Subd. 8. [REFUND PROCEDURE; TIME LIMIT; APPROPRIATION.] A licensee which has paid, voluntarily or otherwise, or from which there was collected an amount of tax for any year in excess of the amount legally due for that year, may file with the commissioner of revenue a claim for a refund of the excess. Except as provided in subdivision 3, no claim or refund shall be allowed or made after ~~3 1/2 years from the date prescribed for filing the return (plus any extension of time granted for filing the return but only if filed within the extended time) or after two years from the date of overpayment, whichever period is longer, unless before the expiration of the period a claim is filed by the licensee~~ the period prescribed in section 289A.40, subdivision 1. For this purpose, a return or amended return claiming an overpayment constitutes a claim for refund.

Upon the filing of a claim the commissioner shall examine it, shall make written findings thereon denying or allowing the claim in whole or in part, and shall mail a notice thereof to the licensee at the address stated upon the return. If the claim is allowed in whole or in part, the commissioner shall issue a certificate for a refund of the excess paid by the licensee, with interest at the rate specified in section 270.76 computed from the date of the payment of the tax until the date the refund is paid or credit is made to the licensee. The commissioner of finance shall cause the refund to be paid as other state moneys are expended. So much of the proceeds of the taxes as is necessary are appropriated for that purpose.

Sec. 3. Minnesota Statutes 1994, section 60A.199, subdivision 10, is amended to read:

Subd. 10. [CONSENT TO EXTEND TIME.] If the commissioner and the licensee have, within the periods prescribed by this section, consented in writing to any extension of time for the assessment of the tax, the period within which a claim for refund may be filed, or a refund may be made or allowed, if no claim is filed, is the period within which the commissioner and the licensee have consented to an extension for the assessment of the tax and six months thereafter~~, the period within which a claim for refund may be filed shall not expire prior to two years after the tax was paid~~.

Sec. 4. [270.7002] [PERSONAL LIABILITY FOR FAILURE TO HONOR A LEVY.]

Subdivision 1. [SURRENDER OF PROPERTY SUBJECT TO LEVY.] A person who fails or refuses to surrender property or rights to property subject to a levy served on the person under section 270.70, 270.7001, or 290.92, subdivision 23, is liable in an amount equal to the value of the property or rights not surrendered, or the amount of taxes, penalties, and interest for the collection of which the levy was made, whichever is less. A financial institution need not surrender funds on deposit until ten days after service of the levy.

Subd. 2. [PENALTY.] In addition to the personal liability imposed by subdivision 1, if a person required to surrender property or rights to property fails to do so without reasonable cause, the person is liable for a penalty equal to 25 percent of the amount under subdivision 1.

Subd. 3. [PERSON DEFINED.] The term "person" as used in this section includes an officer or employee of a corporation or a member or employee of a partnership, who as such officer, employee, or member is under a duty to surrender the property or rights to property or to respond to the levy.

Subd. 4. [ORDER ASSESSING LIABILITY.] The liability imposed by this section may, after demand to honor a levy has been made, be assessed by the commissioner within 60 days after service of the demand. The assessment may be based on information available to the commissioner. The assessment is presumed to be valid, and the burden is on the person assessed to show it is incorrect or invalid. An order assessing liability for failure to honor a levy is reviewable administratively under section 289A.65, and is appealable to tax court under chapter 271. The amount assessed, plus interest at the rate specified in section 270.75, may be collected by any remedy available to the commissioner for the collection of taxes. The proceeds collected are applied first to the liability of the original taxpayer to the extent of the liability under subdivision 1 plus interest, and then to the penalty under subdivision 2.

Sec. 5. Minnesota Statutes 1994, section 270.72, subdivision 1, is amended to read:

Subdivision 1. [TAX CLEARANCE REQUIRED.] The state or a political subdivision of the state may not issue, transfer, or renew, and must revoke, a license for the conduct of a profession, occupation, trade, or business, if the commissioner notifies the licensing authority that the applicant owes the state delinquent taxes, penalties, or interest. The commissioner may not notify the licensing authority unless the applicant taxpayer owes $500 or more in delinquent taxes or has not filed returns. If the applicant taxpayer does not owe delinquent taxes but has not filed returns, the commissioner may not notify the licensing authority unless the taxpayer has been given 90 days' written notice to file the returns or show that the returns are not required to be filed. A licensing authority that has received a notice from the commissioner may issue, transfer, ~~or~~ renew, or not revoke the applicant's license only if (a) the commissioner issues a tax clearance certificate and (b) the commissioner or the applicant forwards a copy of the clearance to the authority. The commissioner may issue a clearance certificate only if the applicant does not owe the state any uncontested delinquent taxes, penalties, or interest and has filed all required returns.

Sec. 6. Minnesota Statutes 1994, section 270.72, subdivision 2, is amended to read:

Subd. 2. [DEFINITIONS.] For purposes of this section, the following terms have the meanings given.

(a) "Taxes" are all taxes payable to the commissioner including penalties and interest due on the taxes.

(b) "Delinquent taxes" do not include a tax liability if (i) an administrative or court action which contests the amount or validity of the liability has been filed or served, (ii) the appeal period to contest the tax liability has not expired, or (iii) the applicant has entered into a payment agreement and is current with the payments.

(c) "Applicant" means an individual if the license is issued to or in the name of an individual or the corporation or partnership if the license is issued to or in the name of a corporation or partnership. "Applicant" also means an officer of a corporation, a member of a partnership, or an individual who is liable for delinquent taxes, either for the entity for which the license is at issue or for another entity for which the liability was incurred, or personally as a licensee. In the case of a license transfer, "applicant" also means both the transferor and the transferee of the license. "Applicant" also means any holder of a license.

(d) "License" includes a contract for space rental at the Minnesota state fair.

(e) "Licensing authority" includes the Minnesota state fair board.

Sec. 7. Minnesota Statutes 1994, section 270.72, subdivision 3, is amended to read:

Subd. 3. [NOTICE AND HEARING.] (a) The commissioner, on notifying a licensing authority pursuant to subdivision 1 not to issue, transfer, or renew a license, must send a copy of the notice to the applicant. If the applicant requests, in writing, within 30 days of the date of the notice a hearing, a contested case hearing must be held. The hearing must be held within 45 days of the date the commissioner refers the case to the office of administrative hearings. Notwithstanding any law to the contrary, the applicant must be served with 20 days' notice in writing specifying the time and place of the hearing and the allegations against the applicant. The notice may be served personally or by mail.

(b) Prior to notifying a licensing authority pursuant to subdivision 1 to revoke a license, the commissioner must send a notice to the applicant of the commissioner's intent to require revocation of the license and of the applicant's right to a hearing under paragraph (a). A license is subject to revocation when 30 days have passed following the date of the notice in this paragraph without the applicant requesting a hearing, or, if a hearing is timely requested, upon final determination of the hearing under section 14.62, subdivision 1. A license shall be revoked by the licensing authority within 30 days after receiving notice from the commissioner to revoke.

(c) A hearing under this subdivision is in lieu of any other hearing or proceeding provided by law arising from any action taken under subdivision 1.

Sec. 8. [270.721] [REVOCATION OF CORPORATE CERTIFICATES OF AUTHORITY TO DO BUSINESS IN THIS STATE.]

When a foreign corporation authorized to do business in this state under chapter 303 fails to comply with any tax laws administered by the commissioner of revenue, the commissioner may serve the secretary of state with a certified copy of an order finding such failure to comply. The secretary of state, upon receipt of the order, shall revoke the certificate of authority of the corporation to do business in this state, and shall reinstate the certificate under section 303.19 only when the corporation has obtained from the commissioner an order finding that the corporation is in compliance with state tax law. An order requiring revocation of a certificate shall not be issued unless the commissioner gives the corporation 30 days' written notice of the proposed order, specifying the violations of state tax law, and affording the corporation an opportunity to request a contested case hearing under chapter 14.

Sec. 9. Minnesota Statutes 1994, section 270.79, subdivision 4, is amended to read:

Subd. 4. [REFUND PROCEDURES.] (a) If the commissioner determines that the cumulative refunds due all affected taxpayers will exceed $50,000,000, the refund procedures in this subdivision apply.

(b) The refunds due shall be paid in five installments ~~beginning after July 1 of~~. The first installment will be paid during the calendar year following the later of the filing of the refund claim or the final judicial determination and ~~ending in the fifth calendar year or at the time that the return for that calendar year is filed~~ subsequent installments will be paid at any time during each of the four succeeding calendar years.

(c) ~~The refunds shall be paid in the form of refundable credits claimed on the tax return for the tax type giving rise to the refund.~~

~~(d) In the case of annual returns the credit allowable must be claimed on the annual return. When returns are filed on other than an annual basis, the allowable credit must be claimed on the first return due after July 1 of a calendar year~~ The commissioner shall compute the annual refund installment due under this subdivision, and notify the taxpayer of the total amount of the claim for refund which has been allowed.

~~(e)~~ (d) The ~~credit allowed for~~ installment paid each year equals 20 percent of the ~~claimed~~ refund allowed unless the commissioner determines that the cumulative refunds due for a particular year under this section will exceed $150,000,000. If the refunds payable will exceed that amount, ~~the claimed refunds~~ they will be reduced pro rata with any balance remaining due payable with the final refund installment.

~~(f)~~ (e) Unless contrary to the provisions in this section, the provisions for refunds in the various tax types, including provisions related to the payment of interest, apply to the refunds subject to these provisions.

~~(g)~~ (f) The commissioner may establish a de minimis individual refund amount below which the installment provisions do not apply. The amount established under this paragraph is not subject to the provisions of chapter 14.

(g) If the commissioner of finance determines that it is in the best interest of the state, refunds payable under this section may be paid in fewer than five installments.

Sec. 10. Minnesota Statutes 1994, section 289A.26, subdivision 2a, is amended to read:

Subd. 2a. [ELECTRONIC FUNDS TRANSFER PAYMENTS.] If the aggregate amount of estimated tax payments made during a calendar year is equal to or exceeds ~~$80,000~~ $20,000, all estimated tax payments in the subsequent calendar year must be paid by means of a funds transfer as defined in section 336.4A-104, paragraph (a). The funds transfer payment date, as defined in section 336.4A-401, must be on or before the date the estimated tax payment is due. If the date the estimated tax payment is due is not a funds transfer business day, as defined in section 336.4A-105, paragraph (a), clause (4), the payment date must be on or before the funds transfer business day next following the date the estimated tax payment is due.

Sec. 11. Minnesota Statutes 1994, section 289A.40, subdivision 1, is amended to read:

Subdivision 1. Sec. 12. Minnesota Statutes 1994, section 289A.60, subdivision 2, is amended to read:

Subd. 2. [PENALTY FOR FAILURE TO MAKE AND FILE RETURN.] If a taxpayer fails to make and file a return other than an income tax return of an individual, a withholding return, or sales or use tax return, within the time prescribed or an extension, a penalty is added to the tax. The penalty is three percent of the amount of tax not paid on or before the date prescribed for payment of the tax including any extensions if the failure is for not more than 30 days, with an additional five percent of the amount of tax remaining unpaid during each additional 30 days or fraction of 30 days, during which the failure continues, not exceeding 23 percent in the aggregate.

~~If a taxpayer fails to file a return, other than an income tax return of an individual, within 60 days of the date prescribed for filing of the return (determined with regard to any extension of time for filing), the addition to tax under this subdivision must not be less than the lesser of: (1) $200; or (2) the greater of (a) 25 percent of the amount required to be shown as tax on the return without reduction for any payments made or refundable credits allowable against the tax, or (b) $50.~~

Sec. 13. Minnesota Statutes 1994, section 290.92, subdivision 23, is amended to read:

Subd. 23. [WITHHOLDING BY EMPLOYER OF DELINQUENT TAXES.] (1) The commissioner may, within five years after the date of assessment of the tax, or if a lien has been filed under section 270.69, within the statutory period for enforcement of the lien, give notice to any employer deriving income which has a taxable situs in this state regardless of whether the income is exempt from taxation, that an employee of that employer is delinquent in a certain amount with respect to any state taxes, including penalties, interest, and costs. The commissioner can proceed under this subdivision only if the tax is uncontested or if the time for appeal of the tax has expired. The commissioner shall not proceed under this subdivision until the expiration of 30 days after mailing to the taxpayer, at the taxpayer's last known address, a written notice of (a) the amount of taxes, interest, and penalties due from the taxpayer and demand for their payment, and (b) the commissioner's intention to require additional withholding by the taxpayer's employer pursuant to this subdivision. The effect of the notice shall expire 180 days after it has been mailed to the taxpayer provided that the notice may be renewed by mailing a new notice which is in accordance with this subdivision. The renewed notice shall have the effect of reinstating the

priority of the original claim. The notice to the taxpayer shall be in substantially the same form as that provided in section 571.72. The notice shall further inform the taxpayer of the wage exemptions contained in section 550.37, subdivision 14. If no statement of exemption is received by the commissioner within 30 days from the mailing of the notice, the commissioner may proceed under this subdivision. The notice to the taxpayer's employer may be served by mail or by delivery by an employee of the department of revenue and shall be in substantially the same form as provided in section 571.75. Upon receipt of notice, the employer shall withhold from compensation due or to become due to the employee, the total amount shown by the notice, subject to the provisions of section 571.922. The employer shall continue to withhold each pay period until the notice is released by the commissioner under section 270.709. Upon receipt of notice by the employer, the claim of the state of Minnesota shall have priority over any subsequent garnishments or wage assignments. The commissioner may arrange between the employer and the employee for withholding a portion of the total amount due the employee each pay period, until the total amount shown by the notice plus accrued interest has been withheld.

The "compensation due" any employee is defined in accordance with the provisions of section 571.921. The maximum withholding allowed under this subdivision for any one pay period shall be decreased by any amounts payable pursuant to a garnishment action with respect to which the employer was served prior to being served with the notice of delinquency and any amounts covered by any irrevocable and previously effective assignment of wages; the employer shall give notice to the department of the amounts and the facts relating to such assignments within ten days after the service of the notice of delinquency on the form provided by the department of revenue as noted in this subdivision.

(2) If the employee ceases to be employed by the employer before the full amount set forth in a notice of delinquency plus accrued interest has been withheld, the employer shall immediately notify the commissioner in writing of the termination date of the employee and the total amount withheld. No employer may discharge any employee by reason of the fact that the commissioner has proceeded under this subdivision. If an employer discharges an employee in violation of this provision, the employee shall have the same remedy as provided in section 571.927, subdivision 2.

(3) Within ten days after the expiration of such pay period, the employer shall remit to the commissioner, on a form and in the manner prescribed by the commissioner, the amount withheld during each pay period under this subdivision. ~~Should any employer, after notice, willfully fail to withhold in accordance with the notice and this subdivision, or willfully fail to remit any amount withheld as required by this subdivision, the employer shall be liable for the total amount set forth in the notice together with accrued interest which may be collected by any means provided by law relating to taxation. Any amount collected from the employer for failure to withhold or for failure to remit under this subdivision shall be credited to the employee's account in the following manner: penalties, interest, tax, and costs.~~

(4) Clauses (1), (2), and (3), except provisions imposing a liability on the employer for failure to withhold or remit, shall apply to cases in which the employer is the United States or any instrumentality thereof or this state or any municipality or other subordinate unit thereof.

(5) The commissioner shall refund to the employee excess amounts withheld from the employee under this subdivision. If any excess results from payments by the employer because of willful failure to withhold or remit as prescribed in clause (3), the excess attributable to the employer's payment shall be refunded to the employer.

(6) Employers required to withhold delinquent taxes, penalties, interest, and costs under this subdivision shall not be required to compute any additional interest, costs or other charges to be withheld.

(7) The collection remedy provided to the commissioner by this subdivision shall have the same legal effect as if it were a levy made pursuant to section 270.70.

Sec. 14. Minnesota Statutes 1994, section 294.09, subdivision 1, is amended to read:

Subdivision 1. [PROCEDURES; TIME LIMIT.] A company, joint stock association, copartnership, corporation, or individual who has paid, voluntarily or otherwise, or from whom there has been collected (other than by proceedings instituted by the attorney general under

Upon the filing of a claim the commissioner shall examine the same and shall make and file written findings thereon denying or allowing the claim in whole or in part and shall mail a notice thereof to such company, joint stock association, copartnership, corporation, or individual at the address stated upon the return. If such claim is allowed in whole or in part, the commissioner shall credit the amount of the allowance against any tax due the state from the claimant and for the balance of said allowance, if any, the commissioner shall issue a certificate for the refundment of the excess paid. The commissioner of finance shall cause such refund to be paid out of the proceeds of the gross earnings taxes imposed by Minnesota Statutes 1967, chapters 294 and 295 as other state moneys are expended. So much of the proceeds as may be necessary are hereby appropriated for that purpose. Any allowance so made by the commissioner shall include interest at the rate specified in section 270.76 computed from the date of payment or collection of the tax until the date the refund is paid to the claimant.

Sec. 15. Minnesota Statutes 1994, section 294.09, subdivision 4, is amended to read:

Sec. 2. Minnesota Statutes 1994, section 290.032, subdivision 2, is amended to read:

Subd. 2. The amount of tax imposed by subdivision 1 shall be computed in the same way as the tax imposed under section ~~402(e)~~ 402(d) of the Internal Revenue Code, except that the initial separate tax shall be an amount equal to five times the tax which would be imposed by section 290.06, subdivision 2c, if the recipient was an unmarried individual, and the taxable net income was an amount equal to one-fifth of the excess of

(i) the total taxable amount of the lump sum distribution for the year, over

(ii) the minimum distribution allowance, and except that references in section ~~402(e)~~ 402(d) of the Internal Revenue Code to paragraph (1)(A) thereof shall instead be references to subdivision 1, and the excess, if any, of the subtraction base amount over federal taxable income for a qualified individual as provided under section 290.0802, subdivision 2.

Sec. 3. Minnesota Statutes 1994, section 290A.04, subdivision 2h, is amended to read:

Subd. 2h. (a) If the gross property taxes payable on a homestead increase more than 12 percent over the net property taxes payable in the prior year on the same property that is owned and occupied by the same owner on January 2 of both years, and the amount of that increase is $100 or more for taxes payable in 1995 and 1996, a claimant who is a homeowner shall be allowed an additional refund equal to 60 percent of the amount of the increase over the greater of 12 percent of the prior year's net property taxes payable or $100 for taxes payable in 1995 and 1996. This subdivision shall not apply to any increase in the gross property taxes payable attributable to improvements made to the homestead after the assessment date for the prior year's taxes. This subdivision shall not apply to any increase in the gross property taxes payable attributable to the termination of valuation exclusions under section 273.11, subdivision 16.

The maximum refund allowed under this subdivision is $1,000.

(b) For purposes of this subdivision, the following terms have the meanings given:

(1) "Net property taxes payable" means property taxes payable minus refund amounts for which the claimant qualifies pursuant to subdivision 2 and this subdivision.

(2) "Gross property taxes" means net property taxes payable determined without regard to the refund allowed under this subdivision.

(c) In addition to the other proofs required by this chapter, each claimant under this subdivision shall file with the property tax refund return a copy of the property tax statement for taxes payable in the preceding year or other documents required by the commissioner.

(d) On or before December 1, 1995, the commissioner shall estimate the cost of making the payments provided by this subdivision for taxes payable in 1996. Notwithstanding the open appropriation provision of section 290A.23, if the estimated total refund claims for taxes payable in 1996 exceed $5,500,000, the commissioner shall first reduce the 60 percent refund rate enough, but to no lower a rate than 50 percent, so that the estimated total refund claims do not exceed $5,500,000. If the commissioner estimates that total claims will exceed $5,500,000 at a 50 percent refund rate, the commissioner shall also reduce the $1,000 maximum refund amount by enough so that total estimated refund claims do not exceed $5,500,000.

The determinations of the revised thresholds by the commissioner are not rules subject to chapter 14.

(e) Upon request, the appropriate county official shall make available the names and addresses of the property taxpayers who may be eligible for the additional property tax refund under this section. The information shall be provided on a magnetic computer disk. The county may recover its costs by charging the person requesting the information the reasonable cost for preparing the data. The information may not be used for any purpose other than for notifying the homeowner of potential eligibility and assisting the homeowner, without charge, in preparing a refund claim.

Subd. 6. [INFLATION ADJUSTMENT.] Beginning for property tax refunds payable in calendar year 1996, the commissioner shall annually adjust the dollar amounts of the income thresholds and the maximum refunds under subdivisions 2 and 2a for inflation. The commissioner shall make the inflation adjustments in accordance with section 290.06, subdivision 2d, except that for purposes of this subdivision the percentage increase shall be determined from the year ending on August 31, ~~1993~~ 1994, to the year ending on August 31 of the year preceding that in which the refund is payable. The commissioner shall use the appropriate percentage increase to annually adjust the income thresholds and maximum refunds under subdivisions 2 and 2a for inflation without regard to whether or not the income tax brackets are adjusted for inflation in that year. The commissioner shall round the thresholds and the maximum amounts, as adjusted to the nearest $10 amount. If the amount ends in $5, the commissioner shall round it up to the next $10 amount.

The commissioner shall annually announce the adjusted refund schedule at the same time provided under section 290.06. The determination of the commissioner under this subdivision is not a rule under the administrative procedure act.

Sec. 4. Minnesota Statutes 1994, section 270.494, is amended to read:

270.494 [CERTAIN TOWNSHIPS AND CITIES OPTION TO ELECT TO REINSTATE THE OFFICE OF ASSESSOR.]

Notwithstanding the provisions of ~~sections 270.49, 270.493, and~~ section 273.05, subdivision 1, a city or township in which the office of assessor has been eliminated because of ~~failure of the city or township to certify by resolution to the commissioner of revenue its intention to employ or continue to employ a certified assessor on or before April 1, 1972, pursuant to section 270.49, or failure to hire a certified assessor prior to June 15, 1975, pursuant to sections 270.493 and 270.50, or~~ failure to fill a vacancy in the office within 90 days pursuant to section 273.05, subdivision 1, may elect, with the approval of the commissioner, to have the office of assessor reinstated by hiring a certified or accredited assessor. This section shall not apply to Ramsey county or to cities and townships located in counties which have elected a county assessment system in accordance with section 273.055.

Sec. 5. Minnesota Statutes 1994, section 270.50, is amended to read:

270.50 [EMPLOYMENT OF LICENSED ASSESSORS.]

~~Commencing June 15, 1975,~~ No assessor shall be employed who has not been licensed as qualified by the board, provided the time to comply may be extended after application to the board upon a showing that licensed assessors are not available for employment. The board may license that a county or local assessor who has not received the training, but possesses the necessary qualifications for performing the functions of the office by the passage of an approved examination or may waive the examination if such person has demonstrated competence in performing the functions of the office for a period of time the board deems reasonable. The county or local assessing district shall assume the cost of training of its assessors in courses approved by the board for the purpose of obtaining the assessor's license to the extent of course fees, mileage, meals and lodging, and recognized travel expenses not paid by the state. If the governing body of any township or city fails to employ an assessor as required by sections 270.41 to 270.53, the assessment shall be made by the county assessor.

~~A town shall pay its assessor $20 for each day the assessor is attending approved courses or taking the examination. In addition, the town shall pay its assessor $10 for each approved course successfully completed and $20 upon licensure. The maximum payable to an assessor for successful completion of courses and licensure shall not exceed $50.~~

In the case of cities incorporated or townships organized after April 11, 1974 except cities or towns located in Ramsey county or which have elected a county assessor system in accordance with section 273.055, the board shall allow the city or town 90 days from ~~the latter of June 3, 1977 or~~ the date of incorporation or organization to employ a licensed assessor.

Sec. 6. Minnesota Statutes 1994, section 270.52, is amended to read:

270.52 [COSTS OF MAKING ASSESSMENTS.]

The county auditor shall certify the costs incurred to the appropriate governing body not later than ~~September~~ August 1 of each year, and if unpaid as of ~~October 10~~ September 1, the county auditor shall levy a tax upon the taxable property of such taxing district sufficient to pay such costs. The amount so collected shall be credited to the general revenue fund of the county.

Sec. 7. Minnesota Statutes 1994, section 270.53, is amended to read:

270.53 [EXISTING CONTRACTS FOR ASSESSMENT OF PROPERTY.]

Sections 270.41 to 270.53 shall not supersede existing contracts executed pursuant to section 273.072 or 471.59 except to the extent that such contracts may conflict with section ~~270.49 or~~ 270.50 nor preclude contracts between a taxing district and the county for the assessment of property by the county assessor.

Sec. 8. Minnesota Statutes 1994, section 272.121, subdivision 2, is amended to read:

Subd. 2. [EXCEPTIONS.] No certification of current tax paid is required when the land is being conveyed to the federal government, the state, or a home rule charter or statutory city or any other political subdivision~~, or~~. No certification of current tax paid is required under subdivision 1 for any sheriff's or referee's certificate of sale or other instrument if a certification of delinquent tax for the instrument is not required under section 272.12.

Sec. 9. Minnesota Statutes 1994, section 273.11, subdivision 16, is amended to read:

Subd. 16. [VALUATION EXCLUSION FOR CERTAIN IMPROVEMENTS.] Improvements to homestead property made before January 2, 2003, shall be fully or partially excluded from the value of the property for assessment purposes provided that (1) the house is at least 35 years old at the time of the improvement and (2) either (a) the assessor's estimated market value of the house on January 2 of the current year is equal to or less than $150,000, or (b) if the estimated market value of the house is over $150,000 market value but is less than $300,000 on January 2 of the current year, the property qualifies if

(i) it is located in a city or town in which 50 percent or more of the ~~homes~~ owner-occupied housing units were constructed before 1960 based upon the 1990 federal census, and

(ii) the city or town's median family income based upon the 1990 federal census is less than the statewide median family income based upon the 1990 federal census.

Any house which has an estimated market value of $300,000 or more on January 2 of the current year is not eligible to receive any property valuation exclusion under this section. For purposes of determining this eligibility, "house" means land and buildings.

The age of a residence is the number of years that the residence has existed at its present site. In the case of an owner-occupied duplex or triplex, the improvement is eligible regardless of which portion of the property was improved.

If the property lies in a jurisdiction which is subject to a building permit process, a building permit must have been issued prior to commencement of the improvement. Any improvement must add at least $1,000 to the value of the property to be eligible for exclusion under this subdivision. Only improvements to the structure which is the residence of the qualifying homesteader or construction of or improvements to no more than one two-car garage per residence qualify for the provisions of this subdivision. If an improvement was begun between January 2, 1992, and January 2, 1993, any value added from that improvement for the January 1994 and subsequent assessments shall qualify for exclusion under this subdivision provided that a building permit was obtained for the improvement between January 2, 1992, and January 2, 1993. Whenever a building permit is issued for property currently classified as homestead, the issuing jurisdiction shall notify the property owner of the possibility of valuation exclusion under this subdivision. The assessor shall require an application, including documentation of the age of the house from the owner, if unknown by the assessor. The application may be filed subsequent to the date of the building permit provided that the application is filed prior to the next assessment date.

After the adjournment of the 1994 county board of equalization meetings, no exclusion may be granted for an improvement by a local board of review or county board of equalization unless (1) a building permit was issued prior to the commencement of the improvement if the jurisdiction requires a building permit, and (2) an application was completed on a timely basis. No abatement of the taxes for qualifying improvements may be granted by a county board unless (1) a building permit was issued prior to commencement of the improvement if the jurisdiction requires a building permit, and (2) an application was completed on a timely basis.

The assessor shall note the qualifying value of each improvement on the property's record, and the sum of those amounts shall be subtracted from the value of the property in each year for ten years after the improvement has been made, at which time an amount equal to 20 percent of the qualifying value shall be added back in each of the five subsequent assessment years. The valuation exclusion shall terminate whenever (1) the property is sold, or (2) the property is reclassified to a class which does not qualify for treatment under this subdivision. Improvements made by an occupant who is the purchaser of the property under a conditional purchase contract

do not qualify under this subdivision unless the seller of the property is a governmental entity. The qualifying value of the property shall be computed based upon the increase from that structure's market value as of January 2 preceding the acquisition of the property by the governmental entity.

The total qualifying value for a homestead may not exceed $50,000. The total qualifying value for a homestead with a house that is less than 70 years old may not exceed $25,000. The term "qualifying value" means the increase in estimated market value resulting from the improvement if the improvement occurs when the house is at least 70 years old, or one-half of the increase in estimated market value resulting from the improvement otherwise. The $25,000 and $50,000 maximum qualifying value under this subdivision may result from up to three separate improvements to the homestead. The application shall state, in clear language, that if more than three improvements are made to the qualifying property, a taxpayer may choose which three improvements are eligible, provided that after the taxpayer has made the choice and any valuation attributable to those improvements has been excluded from taxation, no further changes can be made by the taxpayer.

If 50 percent or more of the square footage of a structure is voluntarily razed or removed, the valuation increase attributable to any subsequent improvements to the remaining structure does not qualify for the exclusion under this subdivision. If a structure is unintentionally or accidentally destroyed by a natural disaster, the property is eligible for an exclusion under this subdivision provided that the structure was not completely destroyed. The qualifying value on property destroyed by a natural disaster shall be computed based upon the increase from that structure's market value as determined on January 2 of the year in which the disaster occurred. A property receiving benefits under the homestead disaster provisions under section 273.123 is not disqualified from receiving an exclusion under this subdivision. If any combination of improvements made to a structure after January 1, 1993, increases the size of the structure by 100 percent or more, the valuation increase attributable to the portion of the improvement that causes the structure's size to exceed 100 percent does not qualify for exclusion under this subdivision.

Sec. 10. Minnesota Statutes 1994, section 273.1398, is amended by adding a subdivision to read:

Subd. 2d. [AIDS DETERMINED AS OF JUNE 30.] For aid amounts authorized under subdivisions 2 and 3, and section 273.166: (i) if the effective date for a municipal incorporation, consolidation, annexation, detachment, dissolution, or township organization is on or before June 30 of the year preceding the aid distribution year, the change in boundaries or form of government shall be recognized for aid determinations for the aid distribution year; (ii) if the effective date for a municipal incorporation, consolidation, annexation, detachment, dissolution, or township organization is after June 30 of the year preceding the aid distribution year, the change in boundaries or form of government shall not be recognized for aid determinations until the following year.

Sec. 11. Minnesota Statutes 1994, section 273.17, subdivision 2, is amended to read:

Subd. 2. In counties where the county auditor has elected to discontinue the preparation of assessment books as provided by section 273.03, subdivision 2, such changes as provided for in subdivision 1 of this section, shall be recorded in a separate record prepared under the direction of the county assessor and shall identify, by description or property identification number, or both, the real estate affected, the previous year's net tax capacities and the new market values and net tax capacities, provided that if only property identification numbers are used they shall be such that shall permit positive identification of the real estate to which they apply. Such record shall further indicate the total amount of increase or decrease in net tax capacity contained therein. The county assessor shall make return of such record to the county auditor who shall be the official custodian thereof.

Such record shall be known as "County assessor's changes in real estate valuations for the year ~~19.....~~". Such records on file in the county auditor's office may be destroyed when they are more than ~~20~~ ten years old pursuant to the conditions for destruction of government records contained in Minnesota Statutes ~~1961~~, ~~section 384.14~~ sections 138.161 to 138.25.

Sec. 12. Minnesota Statutes 1994, section 275.065, subdivision 6, is amended to read:

Subd. 6. [PUBLIC HEARING; ADOPTION OF BUDGET AND LEVY.] Between November 29 and December 20, the governing bodies of the city, county, metropolitan special taxing districts as defined in subdivision 3, paragraph (i), and regional library districts shall each hold a public hearing to discuss and seek public comment on its final budget and property tax levy for taxes payable in the following year, and the governing body of the school district shall hold a public hearing to review its current budget and proposed property tax levy for taxes payable in the following year. The metropolitan special taxing districts shall be required to hold only a single joint public hearing, the location of which will be determined by the affected metropolitan agencies.

At a subsequent hearing, each county, school district, city, and metropolitan special taxing district may amend its proposed property tax levy and must adopt a final property tax levy. Each county, city, and metropolitan special taxing district may also amend its proposed budget and must adopt a final budget at the subsequent hearing. A school district is not required to adopt its final budget at the subsequent hearing. The subsequent hearing of a taxing authority must be held on a date subsequent to the date of the taxing authority's initial public hearing, or subsequent to the date of its continuation hearing if a continuation hearing is held. The subsequent hearing may be held at a regularly scheduled board or council meeting or at a special meeting scheduled for the purposes of the subsequent hearing. The subsequent hearing of a taxing authority does not have to be coordinated by the county auditor to prevent a conflict with an initial hearing, a continuation hearing, or a subsequent hearing of any other taxing authority. All subsequent hearings must be held prior to five working days after December 20 of the levy year.

The time and place of the subsequent hearing must be announced at the initial public hearing or at the continuation hearing.

The property tax levy certified under section 275.07 by a city, county, metropolitan special taxing district, regional library district, or school district must not exceed the proposed levy determined under subdivision 1, except by an amount up to the sum of the following amounts:

(1) the amount of a school district levy whose voters approved a referendum to increase taxes under section 124.82, subdivision 3, 124A.03, subdivision 2, 124B.03, subdivision 2, or 136C.411, after the proposed levy was certified;

(2) the amount of a city or county levy approved by the voters after the proposed levy was certified;

(3) the amount of a levy to pay principal and interest on bonds issued or approved by the voters under section 475.58 after the proposed levy was certified;

(4) the amount of a levy to pay costs due to a natural disaster occurring after the proposed levy was certified, if that amount is approved by the commissioner of revenue under subdivision 6a;

(5) the amount of a levy to pay tort judgments against a taxing authority that become final after the proposed levy was certified, if the amount is approved by the commissioner of revenue under subdivision 6a;

(6) the amount of an increase in levy limits certified to the taxing authority by the commissioner of education after the proposed levy was certified; and

(7) the amount required under section 124.755.

At the hearing under this subdivision, the percentage increase in property taxes proposed by the taxing authority, if any, and the specific purposes for which property tax revenues are being increased must be discussed. ~~At the hearing held in 1993 only, specific information for previous year, current year, and proposed budget year must be presented on:~~

~~(i) percent of total proposed budget representing total compensation cost;~~

~~(ii) numbers of employees by general classification, and whether full or part time;~~

~~(iii) number and budgeted expenditures for independent contractors; and~~

~~(iv) the effect of budget increases or decreases on the proposed property tax levy.~~

During the discussion, the governing body shall hear comments regarding a proposed increase and explain the reasons for the proposed increase. The public shall be allowed to speak and to ask questions. At the subsequent hearing held as provided in this subdivision, the governing body, other than the governing body of a school district, shall adopt its final property tax levy prior to adopting its final budget.

If the hearing is not completed on its scheduled date, the taxing authority must announce, prior to adjournment of the hearing, the date, time, and place for the continuation of the hearing. The continued hearing must be held at least five business days but no more than 14 business days after the original hearing.

The hearing must be held after 5:00 p.m. if scheduled on a day other than Saturday. No hearing may be held on a Sunday. The governing body of a county shall hold a hearing on the second Tuesday in December each year, and may hold additional hearings on other dates before December 20 if necessary for the convenience of county residents. If the county needs a continuation of its hearing, the continued hearing shall be held on the third Tuesday in December. If the third Tuesday in December falls on December 21, the county's continuation hearing shall be held on Monday, December 20. The county auditor shall provide for the coordination of hearing dates for all cities and school districts within the county.

The metropolitan special taxing districts shall hold a joint public hearing on the first Monday of December. A continuation hearing, if necessary, shall be held on the second Monday of December.

By August 10, each school board and the board of the regional library district shall certify to the county auditors of the counties in which the school district or regional library district is located the dates on which it elects to hold its hearings and any continuations. If a school board or regional library district does not certify the dates by August 10, the auditor will assign the hearing date. The dates elected or assigned must not conflict with the hearing dates of the county ~~hearing dates~~ or the metropolitan special taxing districts. ~~The Ramsey county auditor shall coordinate with the metropolitan special taxing districts as defined in subdivision 3, paragraph (i), a date on which the metropolitan special taxing districts will hold their joint public hearing and any continuation. The metropolitan special taxing districts shall decide on mutually agreeable dates for their joint public hearing and for any continuation of that hearing and certify these dates to the Ramsey county auditor on or before July 25.~~ By August 20, the county auditor shall notify the clerks of the cities within the county of the dates on which school districts~~, metropolitan special taxing districts,~~ and regional library districts have elected to hold their hearings. At the time a city certifies its proposed levy under subdivision 1 it shall certify the dates on which it elects to hold its hearings and any continuations. The city must not select dates that conflict with the county hearing dates, metropolitan special taxing district dates, or with those elected by or assigned to the school districts or regional library district in which the city is located.

The county hearing dates and the city, metropolitan special taxing district, regional library district, and school district hearing dates must be designated on the notices required under subdivision 3. The continuation dates need not be stated on the notices.

This subdivision does not apply to towns and special taxing districts other than regional library districts and metropolitan special taxing districts.

Notwithstanding the requirements of this section, the employer is required to meet and negotiate over employee compensation as provided for in chapter 179A.

Sec. 13. Minnesota Statutes 1994, section 276.04, subdivision 2, is amended to read:

Subd. 2. [CONTENTS OF TAX STATEMENTS.] (a) The treasurer shall provide for the printing of the tax statements. The commissioner of revenue shall prescribe the form of the property tax statement and its contents. The statement must contain a tabulated statement of the dollar amount due to each taxing authority from the parcel of real property for which a particular tax statement is prepared. The dollar amounts due the county, township or municipality, the total of the metropolitan special taxing districts as defined in section 275.065, subdivision 3, paragraph

(i), school district excess referenda levy, remaining school district levy, and the total of other voter approved referenda levies based on market value under section 275.61 must be separately stated. The amounts due all other special taxing districts, if any, may be aggregated. For the purposes of this subdivision, "school district excess referenda levy" means school district taxes for operating purposes approved at referenda, including those taxes based on net tax capacity as well as those based on market value. "School district excess referenda levy" does not include school district taxes for capital expenditures approved at referendums or school district taxes to pay for the debt service on bonds approved at referenda. The amount of the tax on contamination value imposed under sections 270.91 to 270.98, if any, must also be separately stated. The dollar amounts, including the dollar amount of any special assessments, may be rounded to the nearest even whole dollar. For purposes of this section whole odd-numbered dollars may be adjusted to the next higher even-numbered dollar. The amount of market value excluded under section 273.11, subdivision 16, if any, must also be listed on the tax statement. The statement shall include the following sentence, printed in upper case letters in boldface print: "THE STATE OF MINNESOTA DOES NOT RECEIVE ANY PROPERTY TAX REVENUES. THE STATE OF MINNESOTA REDUCES YOUR PROPERTY TAX BY PAYING CREDITS AND REIMBURSEMENTS TO LOCAL UNITS OF GOVERNMENT."

(b) The property tax statements for manufactured homes and sectional structures taxed as personal property shall contain the same information that is required on the tax statements for real property.

(c) Real and personal property tax statements must contain the following information in the order given in this paragraph. The information must contain the current year tax information in the right column with the corresponding information for the previous year in a column on the left:

(1) the property's estimated market value under section 273.11, subdivision 1;

(2) the property's taxable market value after reductions under section 273.11, subdivisions 1a and 16;

(3) the property's gross tax, calculated by multiplying the property's gross tax capacity times the total local tax rate and adding to the result the sum of the aids enumerated in clause (3);

(4) a total of the following aids:

(i) education aids payable under chapters 124 and 124A;

(ii) local government aids for cities, towns, and counties under chapter 477A; and

(iii) disparity reduction aid under section 273.1398;

(5) for homestead residential and agricultural properties, the homestead and agricultural credit aid apportioned to the property. This amount is obtained by multiplying the total local tax rate by the difference between the property's gross and net tax capacities under section 273.13. This amount must be separately stated and identified as "homestead and agricultural credit." For purposes of comparison with the previous year's amount for the statement for taxes payable in 1990, the statement must show the homestead credit for taxes payable in 1989 under section 273.13, and the agricultural credit under section 273.132 for taxes payable in 1989;

(6) any credits received under sections 273.119; 273.123; 273.135; 273.1391; 273.1398, subdivision 4; 469.171; and 473H.10, except that the amount of credit received under section 273.135 must be separately stated and identified as "taconite tax relief"; and

(7) the net tax payable in the manner required in paragraph (a).

The commissioner of revenue shall certify to the county auditor the actual or estimated aids enumerated in clauses (3) and (4) that local governments will receive in the following year. In the case of a county containing a city of the first class, for taxes levied in 1991, and for all counties for taxes levied in 1992 and thereafter, the commissioner must certify this amount by September 1.

Sec. 14. Minnesota Statutes 1994, section 284.28, subdivision 2, is amended to read:

Subd. 2. Except as provided in subdivision 5, no cause of action or defense shall be asserted or maintained upon any claim adverse to the state, or its successors in interest, including but not limited to any claim based upon any failure, omission, error, or defect described in subdivision 1, respecting any lands claimed to have been forfeited to the state for taxes, unless such cause of action or defense is asserted in an action commenced within one year after the filing of the county auditor's certificate of forfeiture, as provided by section 281.23, subdivision ~~8~~ 9, and acts supplementary thereto, or by any other law hereafter enacted providing for the filing and recording of such certificates.

Sec. 15. Minnesota Statutes 1994, section 298.75, subdivision 2, is amended to read:

Subd. 2. A county shall impose upon every importer and operator a production tax equal to ten cents per cubic yard or seven cents per ton of aggregate material removed except that the county board may decide not to impose this tax if it determines that in the previous year operators removed less than 20,000 tons or 14,000 cubic yards of aggregate material from that county. The tax shall be imposed on aggregate material produced in the county when the aggregate material is transported from the extraction site or sold~~, when in the case of storage the~~. When aggregate material is stored in a stockpile ~~is~~ within the state of Minnesota and ~~the highways are~~ a public highway, road or street is not used for transporting the aggregate material, the tax shall be imposed either when the aggregate material is sold, or when it is transported from the stockpile site, or when it is used from the stockpile, whichever occurs first. The tax shall be imposed on an importer when the aggregate material is imported into the county that imposes the tax.

If the aggregate material is transported directly from the extraction site to a waterway, railway, or another mode of transportation other than a highway, road or street, the tax imposed by this section shall be apportioned equally between the county where the aggregate material is extracted and the county to which the aggregate material is originally transported. If that destination is not located in Minnesota, then the county where the aggregate material was extracted shall receive all of the proceeds of the tax.

Sec. 16. Minnesota Statutes 1994, section 428A.01, subdivision 5, is amended to read:

Subd. 5. [NET TAX CAPACITY.] Except as provided in section 428A.05, "net tax capacity" means the net tax capacity most recently certified by the county auditor under section 428A.03, subdivision 1a, before the effective date of the ordinance or resolution adopted under section 428A.02 or 428A.03.

Sec. 17. Minnesota Statutes 1994, section 428A.03, is amended by adding a subdivision to read:

Subd. 1a. [CERTIFICATION OF NET TAX CAPACITY.] Upon a request of the city, the county auditor must certify the most recent net tax capacity of the taxable property subject to service charges within the special service district.

Sec. 18. Minnesota Statutes 1994, section 428A.05, is amended to read:

428A.05 [COLLECTION OF SERVICE CHARGES.]

Service charges may be imposed on the basis of the net tax capacity of the property on which the service charge is imposed but must be spread only upon the net tax capacity of the taxable property located in the geographic area described in the ordinance. Service charges based on net tax capacity may be payable and collected at the same time and in the same manner as provided for payment and collection of ad valorem taxes. When made payable in the same manner as ad valorem taxes, service charges not paid on or before the applicable due date shall be subject to the same penalty and interest as in the case of ad valorem tax amounts not paid by the respective due date. The due date for a service charge payable in the same manner as ad valorem taxes is the due date given in law for the real or personal property tax for the property on which the service charge is imposed. Services charges imposed on net tax capacity which are to become payable in the following year must be certified to the county auditor by the date provided in section 429.061, subdivision 3, for the annual certification of special assessment installments. Other service charges imposed must be collected as provided by ordinance. Service charges based on net tax capacity collected under sections 428A.01 to 428A.10 are not included in computations under section

469.177, chapter 473F, or any other law that applies to general ad valorem levies. For the purpose of this section, "net tax capacity" means the net tax capacity most recently determined at the time that tax rates are determined under section 275.08.

Sec. 19. Minnesota Statutes 1994, section 473.446, subdivision 1, is amended to read:

Subdivision 1. [TAXATION WITHIN TRANSIT TAXING DISTRICT.] For the purposes of sections 473.404 to 473.449 and the metropolitan transit system, except as otherwise provided in this subdivision, the council shall levy each year upon all taxable property within the metropolitan transit taxing district, defined in subdivision 2, a transit tax consisting of:

(a) an amount which shall be used for payment of the expenses of operating transit and paratransit service and to provide for payment of obligations issued by the council under section 473.436, subdivision 6;

(b) an additional amount, if any, the council determines to be necessary to provide for the full and timely payment of its certificates of indebtedness and other obligations outstanding on July 1, 1985, to which property taxes under this section have been pledged; and

(c) an additional amount necessary to provide full and timely payment of certificates of indebtedness, bonds, including refunding bonds or other obligations issued or to be issued under section 473.39 by the council for purposes of acquisition and betterment of property and other improvements of a capital nature and to which the council has specifically pledged tax levies under this clause.

The property tax levied by the council for general purposes under clause (a) must not exceed the following amount for the years specified:

(1) for taxes payable in 1995, the council's property tax levy limitation for general transit purposes is equal to the former regional transit board's property tax levy limitation for general transit purposes under this subdivision, for taxes payable in 1994, multiplied by an index for market valuation changes equal to the total market valuation of all taxable property located within the metropolitan transit taxing district for the current ~~assessment~~ taxes payable year divided by the total market valuation of all taxable property located within the metropolitan transit taxing district for the previous ~~assessment~~ taxes payable year; and

(2) for taxes payable in 1996 and subsequent years, the product of (i) the council's property tax levy limitation for general transit purposes for the previous year determined under this subdivision multiplied by (ii) an index for market valuation changes equal to the total market valuation of all taxable property located within the metropolitan transit taxing district for the current taxes payable year divided by the total market valuation of all taxable property located within the metropolitan transit taxing district for the previous taxes payable year.

For the taxes payable year 1995, the index for market valuation changes shall be multiplied by an amount equal to the sum of the regional transit board's property tax levy limitation for the taxes payable year 1994 and $160,665. The $160,665 increase shall be a permanent adjustment to the levy limit base used in determining the regional transit board's property tax levy limitation for general purposes for subsequent taxes payable years.

For the purpose of determining the council's property tax levy limitation for general transit purposes under this subdivision, "total market valuation" means the total market valuation of all taxable property within the metropolitan transit taxing district without valuation adjustments for fiscal disparities (chapter 473F), tax increment financing (sections 469.174 to 469.179), and high voltage transmission lines (section 273.425).

The county auditor shall reduce the tax levied pursuant to this subdivision on all property within statutory and home rule charter cities and towns that receive full-peak service and limited off-peak service by an amount equal to the tax levy that would be produced by applying a rate of 0.510 percent of net tax capacity on the property. The county auditor shall reduce the tax levied pursuant to this subdivision on all property within statutory and home rule charter cities and towns that receive limited peak service by an amount equal to the tax levy that would be produced by applying a rate of 0.765 percent of net tax capacity on the property. The amounts so computed by

the county auditor shall be submitted to the commissioner of revenue as part of the abstracts of tax lists required to be filed with the commissioner under section 275.29. Any prior year adjustments shall also be certified in the abstracts of tax lists. The commissioner shall review the certifications to determine their accuracy and may make changes in the certification as necessary or return a certification to the county auditor for corrections. The commissioner shall pay to the council the amounts certified by the county auditors on the dates provided in section 273.1398. There is annually appropriated from the general fund in the state treasury to the department of revenue the amounts necessary to make these payments.

For the purposes of this subdivision, "full-peak and limited off-peak service" means peak period regular route service, plus weekday midday regular route service at intervals longer than 60 minutes on the route with the greatest frequency; and "limited peak period service" means peak period regular route service only.

For the purposes of property taxes payable in the following year, the council shall annually determine which cities and towns qualify for the 0.510 percent or 0.765 percent tax capacity rate reduction and shall certify this list to the county auditor of the county wherein such cities and towns are located on or before September 15. No changes may be made to the annual list after September 15.

Sec. 20. Minnesota Statutes 1994, section 473.711, subdivision 2, is amended to read:

Subd. 2. [BUDGET; TAX LEVY.] The metropolitan mosquito control commission shall prepare an annual budget. The budget may provide for expenditures in an amount not exceeding the property tax levy limitation determined in this subdivision. The commission may levy a tax on all taxable property in the district as defined in section 473.702 to provide funds for the purposes of sections 473.701 to 473.716. The tax shall not exceed the property tax levy limitation determined in this subdivision. A participating county may agree to levy an additional tax to be used by the commission for the purposes of sections 473.701 to 473.716 but the sum of the county's and commission's taxes may not exceed the county's proportionate share of the property tax levy limitation determined under this subdivision based on the ratio of its total net tax capacity to the total net tax capacity of the entire district as adjusted by section 270.12, subdivision 3. The auditor of each county in the district shall add the amount of the levy made by the district to other taxes of the county for collection by the county treasurer with other taxes. When collected, the county treasurer shall make settlement of the tax with the district in the same manner as other taxes are distributed to political subdivisions. No county shall levy any tax for mosquito, disease vectoring tick, and black gnat (Simuliidae) control except under sections 473.701 to 473.716. The levy shall be in addition to other taxes authorized by law.

The property tax levied by the metropolitan mosquito control commission shall not exceed the product of (1) the commission's property tax levy limitation for the previous year determined under this subdivision multiplied by (2) an index for market valuation changes equal to the total market valuation of all taxable property located within the district for the current ~~assessment~~ taxes payable year divided by the total market valuation of all taxable property located within the district for the previous ~~assessment~~ taxes payable year.

For the purpose of determining the commission's property tax levy limitation under this subdivision, "total market valuation" means the total market valuation of all taxable property within the district without valuation adjustments for fiscal disparities (chapter 473F), tax increment financing (sections 469.174 to 469.179), and high voltage transmission lines (section 273.425).

Sec. 21. [REPEALER.]

Minnesota Statutes 1994, sections 270.49; and 270.493; and Laws 1988, chapter 698, section 5, are repealed.

Sec. 22. [EFFECTIVE DATE.]

Sections 1 to 5, 7 to 9, 11 to 18, and 21 are effective the day following final enactment. Section 6 is effective for taxes payable in 1997 and thereafter. Section 10 is effective for aids payable in 1995 and thereafter. Sections 19 and 20 are effective for taxes payable in 1995 and thereafter.

(d) If a retailer has an average sales and use tax liability, including local sales and use taxes administered by the commissioner, equal to or less than $100 per month during a calendar year, and has substantially complied with the tax laws during that period, the retailer may request authorization to file and pay the taxes annually in subsequent years. The authorization remains in effect during the period in which the retailer's annual returns reflect sales and use tax liabilities of less than $1,200 and there is continued compliance with state tax laws.

Subd. 5. [PULL-TAB AND TIPBOARD FLARES.] (a) A manufacturer may not ship or cause to be shipped into this state or sell for use or resale in this state any deal of pull-tabs or tipboards that does not have its own individual flare as required for that deal by this subdivision and rule of the board. A person other than a manufacturer may not manufacture, alter, modify, or otherwise change a flare for a deal of pull-tabs or tipboards except as allowed by this chapter or board rules.

(b) A manufacturer must comply with either paragraphs (c) to (g) or (f) to (j) with respect to pull-tabs and tipboards sold by the manufacturer before January 1, 1995, for use or resale in Minnesota or shipped into or caused to be shipped into Minnesota by the manufacturer before January 1, 1995. A manufacturer must comply with paragraphs (f) to (j) with respect to pull-tabs and tipboards sold by the manufacturer on and after January 1, 1995, for use or resale in Minnesota or shipped into or caused to be shipped into Minnesota by the manufacturer on and after January 1, 1995. A manufacturer who manufactures a deal of pull-tabs must affix to the outside of the box containing that game the same bar code that is affixed to or imprinted at the bottom of a flare for that deal.

(g) No person may alter the bar code that appears on the outside of a box containing a deal of pull-tabs and tipboards. Possession of a box containing a deal of pull-tabs and tipboards that has a bar code different from the bar code of the deal inside the box is prima facie evidence that the possessor has altered the bar code on the box.

(h) The flare of each deal of pull-tabs and tipboards sold by a manufacturer for use or resale in Minnesota must have imprinted on it a symbol that is at least one inch high and one inch wide consisting of an outline of the geographic boundaries of Minnesota with the letters "MN" inside the outline. May 25, 1995

The Honorable Allan H. Spear
President of the Senate

Dear President Spear:

I have vetoed and I am returning Chapter 217, Senate File 529/House File 1064, legislation mandating the installation of fire sprinkler systems in certain commercial and residential high-rise buildings.

This bill would require high-rise building owners, whether they are local public housing agencies or private owners of apartment buildings and commercial structures, to retrofit existing buildings with fire sprinkler systems. This legislation is profoundly similar to that which I vetoed last year. The only apparent difference is the ability of public housing agencies and other owners of subsidized housing to receive extensions if public funds are not available to accomplish the mandatory installation.

This legislation creates no financing arrangement for financially strapped public housing agencies to install these expensive systems. Cost considerations for private owners are not addressed. While the legislation permits a 15-year installation schedule, it is arbitrary and impracticable without providing owners reasonable financial incentives.

Warmest regards,
Arne H. Carlson, Governor

May 25, 1995

The Honorable Allan H. Spear
President of the Senate

Dear President Spear:

I have vetoed and I am returning Chapter 209, Senate File 734/House File 1290, a bill that would mandate changes to switch telephone equipment.

Clearly this legislation would impose costs on a broad range of private businesses and public agencies. I am very disappointed that this bill arrived at my desk without a note describing its fiscal implication. I believe this proposed change could have a beneficial effect. It should be pursued in a future legislative session when there is a better understanding of the full extent of its cost.

Without a clear statement outlining the costs of this legislation, I can not sign it into law. Unfunded mandates are unacceptable; a mandate with no idea of the cost is irresponsible. It is my duty to maintain a balanced budget. I take that responsibility seriously and will continue to veto legislation that endangers the finances of the State of Minnesota.

Warmest regards,
Arne H. Carlson, Governor

May 25, 1995

The Honorable Allan H. Spear
President of the Senate

Dear President Spear:

I have vetoed and am returning Chapter 221, Senate File 255/House File 398, a bill relating to electricians, elevator construction and repair regulation.

The registration requirement contained in this bill would force persons who are already qualified to perform elevator installation and repair to go through an additional, duplicative process of education and registration. This necessarily puts another level of bureaucracy in place, a practice I am vehemently opposed to.

This legislation is supposedly aimed at lessening elevator safety problems; however, documentation to support the existence of such a problem is absent. This appears to be an effort to legislate competence by forcing a registration requirement. Since elevator installation work is fiercely competitive, I firmly believe we should let the market and the reputation of the firm dictate who performs these services.

Warmest regards,
Arne H. Carlson, Governor

May 25, 1995

The Honorable Allan H. Spear
President of the Senate

Dear President Spear:

I have vetoed and am returning Chapter 210, Senate File 381/House File 185, a bill regarding armory provisions modifications.

While this bill does contain certain provisions favorable to the Department of Military Affairs, it also includes an unfunded mandate resulting in a biennial cost of $800,000 to the Veterans Home Board. This mandate would require the Board to furnish chiropractic care to its residents but includes no appropriation to pay for such services.

I simply cannot sign into law a bill that would negatively impact the Board to such an extent.

Warmest regards,
Arne H. Carlson, Governor

May 25, 1995

The Honorable Allan H. Spear
President of the Senate

Dear President Spear:

I have vetoed and I am returning Chapter 237, Senate File 538/House File 796, a bill requiring refund of certain state agency license fees.

Promptness is clearly an issue and the intent of this bill contains considerable merit. Rest assured, that everything will be done to provide for administrative promptness relative to the public's needs. I do not believe that expensive legislation is in the best interest of the public. Nor do I think it proper for the legislature to mandate such penalties on the executive branch of government for tardiness while, at the same time, ignoring their own failure to conclude the public's business within the constitutional time frame.

Warmest regards,
Arne H. Carlson, Governor

The Honorable Allan H. Spear
President of the Senate

Dear President Spear:

It is my honor to inform you that I have received, approved, signed and deposited in the Office of the Secretary of State, S.F. No. 371, the omnibus transportation funding bill (with the exception of Article 2, section 2, page 10, lines 57-58 and Article 2, section 2, page 11, lines 1-36).

The 1994 Legislature authorized $200,000 to study and test road-powered electric vehicle technology by E-TRAN, Inc. Serious concerns have been raised by the evaluation panel members, consisting of MnDOT and the University of Minnesota staff. Those concerns include: Snowplows damaging the ground mounted power rail; loss of power during wet conditions; and small puddles of gasoline on the roads could be dangerous with sparks from ground mounted power rail.

Development of this technology does not appear practical for public transit. Because there is little promise of use on our public road system, continued subsidy and study would not be an appropriate use of trunk highway funds.

Warmest regards,
Arne H. Carlson, Governor
