

STATE OF MINNESOTA

Executive Department

Governor Tim Walz

Emergency Executive Order 19-07

Providing Assistance to the State of Nebraska

I, Tim Walz, Governor of the State of Minnesota, by the authority vested in me by the Constitution and applicable statutes, issue the following Executive Order:

Beginning on March 12, 2019 rapid snowmelt floodwaters inundated large portions of Nebraska, severely impacting communities across the state. Dangerous conditions are endangering life and property.

The resources of affected local, county, and state governments are inadequate to meet the demands caused by the historic flooding and the Governor of Nebraska declared a peacetime emergency.

The State of Nebraska requests Minnesota Army National Guard helicopter support under the Emergency Management Assistance Compact.

For these reasons, I order that:

1. The Adjutant General order to state active duty on March 19, 2019 the people, equipment, and facilities needed to support emergency aerial operations in Nebraska.
2. The Adjutant General is authorized to procure the goods and services needed to accomplish the mission.
3. The costs of this assistance will be paid from the general fund as allowed by Minnesota Statutes 2018, section 192.52.

This Executive Order is effective immediately under Minnesota Statutes 2018, section 4.035, subdivision 2, and remains in effect until the emergency flood conditions in Nebraska subside or it expires in accordance with Minnesota Statutes 2018, section 12.31, subdivision 2.

Signed on March 20, 2019

Tim Walz
Governor
