N/C = Not comparable

Grapevine files prior to FY03 do not include data for the technical colleges administered by the Georgia Department of Technical and Adult Education. Therefore, the FY05 total for Georgia is not comparable with the totals for FY00 or FY95. The 5-year percent change in appropriations (FY00 to FY05) for the institutions administered by the Regents of the University System of Georgia (excluding the technical colleges) is 6.6%; the 10-year percent change (FY95 to FY05) is 47.2%

**Grapevine files prior to FY03 do not include Louisiana appropriations for the state's Tuition Opportunity Program for Students (TOPS). Therefore, the FY05 total for Louisiana is not comparable with the totals for FY00 or FY95. Factoring out appropriations for TOPS, the 5-year percent change in appropriations (FY00 to FY05) for Louisiana is 30.1%; the 10-year percent change is 95.6%.

***The 10-year percent gain for Texas is overstated, because FY95 Texas data did not include indirectly appropriated fringe benefits.

Kansas as No. 1

Retiring to the sofa after turkey dinner tomorrow, most Americans may feel they have little in common with the Pilgrims of Plymouth Rock. But one defining feature of 17th-century Americans remains: We still migrate for freedom.

American mobility is legendary and the notion that it is driven by a desire for liberty is the basis for the methodology behind the Pacific Research Institute's U.S. Economic Freedom Index released last week. Kansas is America's freest state while New York—home of the Statue of Liberty—ranks at the bottom.

The Index uses five categories—fiscal, regulatory, judicial, government size and welfare—to measure and compare economic freedom in the 50 states. Among the variables are tax rates, state spending, occupation licensing, environmental regulations, income redistribution, right-to-work laws, minimum wage and tort law. Co-author Lawrence McQuillian

writes that Kansas won the top spot "largely due to its respect for property rights: It engages in less income redistribution and attracts less tort litigation than most states."

Along with the Heritage Foundation, we publish a world-wide index that over the years has underscored the essential link between economic freedom and prosperity. And sure enough, the Pacific Research Institute study finds that a 10% improvement in a state's economic freedom score yields, on average, about a half-percent increase in annual per-capita income. If all states were as free as Kansas, the annual income of the average American worker would increase 4.42%,

or \$1,161. Over a 40-year period, that would add \$87,541 to a lifetime income.

The Index highlights one of the great attributes of America that we can all be thankful for. States have to compete for their human capital and when they fail Americans can vote with their feet.

20 ARTICLE 1

21 APPROPRIATIONS AND RELATED LANGUAGE

22 Section 1. [CAPITAL IMPROVEMENT APPROPRIATIONS.]

23 The sums in the column under "APPROPRIATIONS" are
24 appropriated from the bond proceeds fund, or another named fund,
25 to the state agencies or officials indicated, to be spent for
26 public purposes. Appropriations of bond proceeds must be spent
27 as authorized by the Minnesota Constitution, article XI, section
28 5, paragraph (a), to acquire and better public land and
29 buildings and other public improvements of a capital nature, or
30 as authorized by the Minnesota Constitution, article XI, section
31 5, paragraphs (b) to (j), or article XIV. Unless otherwise
32 specified, the appropriations in this act are available until

1 the project is completed or abandoned subject to Minnesota
 2 Statutes, section 16A.642.

9 Subd. 7. University Share

10 Except for higher education asset
11 preservation and replacement, the
12 appropriations in this section are
13 intended to cover approximately
14 two-thirds of the cost of each
15 project. The remaining costs must be
16 paid from university sources.

17 Subd. 8. Contingencies

18 The commissioner of finance must
19 combine into one account, under the
20 control of the Board of Regents, the
21 portion of each appropriation in this
22 section that is attributable to the
23 amount budgeted for contingencies for
24 projects in this section. The board
25 must manage the account to pay for
26 exceptional but necessary costs of
27 projects authorized in this section.
28 Upon substantial completion or
29 abandonment of all projects authorized
30 in this section, the board must use any
31 funds remaining in the contingency
32 account for HEAPR under Minnesota
33 Statutes, section 135A.046. The Board
34 of Regents must report by February 1 of
35 each even-numbered year to the chairs
36 of the house and senate committees with
37 jurisdiction over capital investments
38 and higher education finance, and to
39 the chairs of the house Ways and Means

17 laboratories, and related offices.

18 Subd. 25. Systemwide

19 (a) Science Lab Renovations 9,668,000

20 To design, renovate, furnish, and equip
21 science laboratories at campuses
22 statewide.

23 (b) Workforce Training Classrooms 6,083,000

24 To design, renovate, furnish, and equip
25 classroom space at campuses statewide
26 into space designed to address emerging
27 workforce training needs.

28 (c) Technology Updated Classrooms 4,019,000

29 To renovate and equip with learning
30 technology classrooms at campuses
31 statewide.

32 (d) Demolition Initiative 1,625,000

33 To demolish obsolete buildings on ten
34 campuses.

35 (e) Program Consolidation 2,173,000

36 To design, renovate, furnish, and equip
37 spaces to allow for program
38 consolidation from one campus to
39 another.

40 (f) Land Acquisition 2,173,000

41 To acquire real property near the state
42 college and university campuses.

43 Subd. 26. Debt Service

44 (a) The board shall pay the debt
45 service on one-third of the principal
46 amount of state bonds sold to finance
47 projects authorized by this section,
48 except for higher education asset
49 preservation and replacement, except
50 that, where a nonstate match is
51 required, the debt service is due on a
52 principal amount equal to one-third of

1 the total project cost, less the match
 2 committed before the bonds are sold.
 3 After each sale of general obligation
 4 bonds, the commissioner of finance
 5 shall notify the board of the amounts
 6 assessed for each year for the life of
 7 the bonds.

8 (b) The commissioner shall reduce the
 9 board's assessment each year by
 10 one-third of the net income from
 11 investment of general obligation bond
 12 proceeds in proportion to the amount of
 13 principal and interest otherwise
 14 required to be paid by the board. The
 15 board shall pay its resulting net
 16 assessment to the commissioner of
 17 finance by December 1 each year. If
 18 the board fails to make a payment when
 19 due, the commissioner of finance shall
 20 reduce allotments for appropriations
 21 from the general fund otherwise
 22 available to the board and apply the
 23 amount of the reduction to cover the
 24 missed debt service payment. The
 25 commissioner of finance shall credit
 26 the payments received from the board to
 27 the bond debt service account in the
 28 state bond fund each December 1 before
 29 money is transferred from the general
 30 fund under Minnesota Statutes, section
 31 16A.641, subdivision 10.

32 Sec. 4. EDUCATION

33 Subdivision 1. To the commissioner of
 34 education for the purposes specified in
 35 this section

28,780,000

36 Subd. 2. Duluth Grant School
 37 Youth and Community Center

1,157,000

38 For a grant to Independent School
 39 District No. 709, Duluth, to design,
 40 construct, furnish, and equip an
 41 addition to the Grant Magnet School for
 42 expansion of successful youth and
 43 community programming. The addition
 44 will include a gymnasium, performance
 45 stage, multipurpose classrooms, and
 46 will expand cafeteria seating.

47 Subd. 3. Independent School
 48 District No. 38 - Red Lake

24,040,000

49 This appropriation is from the maximum
 50 effort school loan fund for a capital
 51 loan to Independent School District No.
 52 38, Red Lake, as provided in Minnesota
 53 Statutes, sections 126C.60 to 126C.72,
 54 to design, construct, renovate,
 55 furnish, and equip middle school and
 56 high school facilities. This capital
 57 loan is approved as required in
 58 Minnesota Statutes, section 126C.69,
 59 subdivision 10.

60 The commissioner shall review the
 61 proposed plan and budget of the project
 62 and may reduce the amount of the loan
 63 to ensure that the project will be

1 economical. The commissioner may
 2 recover the cost incurred by the
 3 commissioner for any professional
 4 services associated with the final
 5 review and construction by reducing the
 6 proceeds of the loan paid by the
 7 district. The commissioner shall
 8 report to the legislature any
 9 reductions to the appropriations in
 10 this subdivision by January 10, 2006.

11 Subd. 4. East Metro Magnet
 12 School - Crosswinds Middle School 1,083,000

13 For a grant to Joint Powers District
 14 No. 6067, East Metro Integration
 15 District, to repay a loan from
 16 Independent School District No. 625,
 17 St. Paul, that was used to complete
 18 acquiring land for the site of
 19 Crosswinds Arts and Science Middle
 20 School. This appropriation is added to
 21 the appropriations in Laws 1998,
 22 chapter 404, section 5, subdivision 5;
 23 Laws 1999, chapter 240, article 1,
 24 section 3; Laws 2000, chapter 492,
 25 article 1, section 5, subdivision 2;
 26 and Laws 2001, First Special Session
 27 chapter 12, section 2, subdivision 2,
 28 for the same project.

29 Subd. 5. Library
 30 Improvement Grants 2,000,000

31 For library improvement grants under
 32 new Minnesota Statutes, section 134.45,
 33 subdivision 5b.

 35 and Child Protection Facilities 500,000

36 For grants to rehabilitate facilities
 37 for programs under Minnesota Statutes,
 38 section 119A.45, except that a grant
 39 may not exceed \$75,000 per program and
 40 \$200,000 per facility.

41 Sec. 5. MINNESOTA STATE ACADEMIES

42 Subdivision 1. To the commissioner
 43 of administration for the purposes
 44 specified in this section 5,841,000

45 Subd. 2. Asset Preservation 4,255,000

46 For asset preservation capital
 47 improvements on both campuses of the
 48 Minnesota State Academies.

49 Subd. 3. West Wing Noyes - Phase 2 1,586,000

50 To complete renovation of the
 51 auditorium.

52 Sec. 6. PERPICH CENTER FOR ARTS EDUCATION

53 Subdivision 1. To the commissioner
 54 of administration for the purposes
 55 specified in this section 1,983,000

56 Subd. 2. Campus Asset Preservation 558,000

1 For asset preservation capital
2 improvements on the campus, including,
3 but not limited to, construction or
4 repair of perimeter fencing, sidewalks,
5 roads, sewers, the addition of an air
6 conditioning chiller, and mold
7 abatement.

8 Subd. 3. Beta Building Demolition 525,000

9 To demolish the Beta Building on the
10 Perpich Center Campus, dispose of any
11 hazardous materials, and fill the site.

12 Subd. 4. Alpha Building Renovation 810,000

13 To renovate and remodel the Alpha
14 Building on the Perpich Center Campus
15 for use as a storage facility.

16 Subd. 5. Theater Capital Improvement 90,000

17 To replace lighting in the theater and
18 to reconstruct the stage to allow its
19 use for both teaching and performances.

20 Sec. 7. NATURAL RESOURCES

21 Subdivision 1. To the
22 commissioner of natural resources
23 for the purposes specified
24 in this section 117,779,000

25 Subd. 2. Flood Hazard Mitigation
26 Grants 32,180,000

27 For the state share of flood hazard
28 mitigation grants for publicly owned
29 capital improvements to prevent or
30 alleviate flood damage under Minnesota
31 Statutes, section 103F.161.

32 This appropriation includes money for
33 the following projects:

34 (a) Ada \$ 500,000

35 (b) Austin 2,000,000

36 For identified capital improvement
37 projects, and any other authorized
38 federal or state flood mitigation
39 projects providing all or part of the
40 100-year flood protection for the
41 cities in the area designated under
42 Presidential Declaration of Major
43 Disaster, DR-1569, whether included in
44 the original declaration or added later
45 by federal government action. The area
46 currently included in DR-1569 includes
47 territory within the counties of Dodge,
48 Faribault, Freeborn, Martin, Mower,
49 Olmsted, and Steele.

50 (c) Breckenridge 3,250,000

51 (d) Canisteo Mine 1,000,000

52 (e) Dawson 200,000

53 (f) East Grand Forks 11,000,000

1	(g) Golden Valley	300,000
2	(h) Grand Marais Creek	2,600,000
3	(i) Granite Falls	2,600,000
4	(j) Green Meadow Dam	100,000
5	(k) Inver Grove Heights	500,000
6	(l) Little McDonald Lake	250,000
7	(m) Malung	110,000
8	(n) Manston Slough	200,000
9	(o) Minneapolis	200,000
10	(p) Montevideo	1,980,000
11	(q) Oakport	3,000,000
12	(r) Palmville	323,000
13	(s) Roseau River	367,000
14	(t) St. Louis Park	1,000,000
15	(u) Two River Ross Impoundment	100,000
16	(v) Warren	400,000
17	(w) Whiskey Creek	200,000

18 For any project listed in this
 19 paragraph that is not ready to proceed,
 20 the commissioner may allocate that
 21 project's money to the next project on
 22 the commissioner's priority list, or
 23 may allocate up to \$180,000 to the
 24 project in Cannon Falls.

25 To the extent that the cost of a
 26 project in Ada, Austin, Breckenridge,
 27 Dawson, East Grand Forks, Granite
 28 Falls, Montevideo, Oakport Township,
 29 Roseau, or Warren exceeds two percent
 30 of the median household income in the
 31 municipality multiplied by the number
 32 of households in the municipality, this
 33 appropriation is also for the local
 34 share of the project.

35 There is no local share required for
 36 the Canisteo Mine project.

37 For grants for Roseau River, Palmville,
 38 and Malung, the state share must be \$3
 39 for each \$1 of nonstate contribution.

40 Notwithstanding the grant expiration
 41 date of June 30, 2002, the commissioner
 42 of natural resources shall extend until
 43 June 30, 2007, the expiration date of a
 44 grant made to the city of Stillwater
 45 under Minnesota Statutes, section
 46 103F.161, used to match certain federal
 47 appropriations for flood hazard
 48 mitigation.

49 Subd. 3. Dam Renovation and

1	Removal	1,000,000
2	To renovate or remove publicly owned	
3	dams. The commissioner shall determine	
4	project priorities as appropriate under

6 above the Meeker Island lock historic
7 site.
- 8 \$1,750,000 is for a grant to the city
9 of St. Paul to acquire the Henry Park
10 portion of the Mississippi River
11 critical area.
- 12 \$5,676,000 is for a grant to the city
13 of St. Paul to design and construct
14 river's edge improvements at Raspberry
15 Island and Upper Landing and redevelop
16 a public park on Raspberry Island. Of
17 this amount, \$676,000 is the local
18 match for an Upper Landing federal
19 TEA-21 grant.
- 20 \$5,000,000 is for a grant to the city
21 of South St. Paul for the closure,
22 capping, and remediation of
23 approximately 80 acres of the Port
24 Crosby construction and demolition
25 debris landfill in South St. Paul, as
26 the fourth phase of converting the land
27 into parkland, and to restore

35 Subd. 2. RIM and CREP Conservation
 36 Easements 23,000,000

37 This appropriation is to acquire
 38 conservation easements from landowners
 39 on marginal lands to protect soil and
 40 water quality and to support fish and
 41 wildlife habitat as provided in
 42 Minnesota Statutes, section 103F.515.

43 \$3,000,000 is to administer the program.

44 Subd. 3. Wetland Replacement
 45 Due to Public Road Projects 4,362,000

46 To acquire land for wetlands or restore
 47 wetlands to be used to replace wetlands
 48 drained or filled as a result of the
 49 repair, maintenance, or rehabilitation
 50 of existing public roads as required by
 51 Minnesota Statutes, section 103G.222,
 52 subdivision 1, paragraphs (k) and (l).

53 The purchase price paid for acquisition

1 of land, fee, or perpetual easement
 2 must be the fair market value as
 3 determined by the board. The board may
 4 enter into agreements with the federal
 5 government, other state agencies,
 6 political subdivisions, and nonprofit
 7 organizations or fee owners to acquire
 8 land and restore and create wetlands
 9 and to acquire existing wetland banking
 10 credits with money provided by this
 11 appropriation. Acquisition of or the
 12 conveyance of land may be in the name
 13 of the political subdivision.

14 Subd. 4. Streambank, Lakeshore, and
 15 Roadside Erosion Control 500,000

16 To acquire conservation easements in
 17 environmentally sensitive lake and
 18 river shoreland areas from private
 19 landowners, to correct severely eroded
 20 lake and river stream banks through the
 21 installation of permanent erosion
 22 control structures and practices, and
 23 to reduce flood damages through the
 24 installation of road retention
 25 projects. The board may award grants
 26 to local soil and water conservation
 27 districts and participating local units
 28 of government to acquire conservation
 29 easements in accordance with Minnesota
 30 Statutes, section 103F.225.

33 For grants to assist local governments
 34 in Area II of the Minnesota River Basin
 35 to acquire, design, and construct
 36 floodwater retention systems.

37 The grants are not available until the
 38 board determines that \$1 has been
 39 committed to the project from nonstate
 40 sources for every \$3 of state grant.

41 Subd. 6. Prairie Farm Education
 42 and Exhibit Center 935,000

43 For a grant to the city of Canby to
 44 acquire, design, construct, furnish,
 45 and equip the Prairie Farm Preservation
 46 Education and Exhibit Center

47 Sec. 11. AGRICULTURE

48 Subdivision 1. To the commissioner of
 49 agriculture or other named agencies for
 50 the purposes specified in this section 864,000

51 Subd. 2. Joint Plant Pathology
 52 Research Facility 245,000

53 To complete the equipping of the
 54 existing Biological Control Containment
 55 Facility through the purchase and
 56 installation of a plant growth chamber.

57 Subd. 3. Agriculture Water Management
 58 Research Partnership 619,000

1 To the Board of Regents of the
2 University of Minnesota to establish or
3 expand agricultural water management
4 projects at the Crookston, Morris,
5 Lamberton, and Waseca Research and
6 Outreach Centers in partnership with
7 the Department of Agriculture.

8 Sec. 12. MINNESOTA ZOOLOGICAL
9 GARDEN

10 Subdivision 1. To the Minnesota
11 Zoological Garden for the purposes
12 specified in this section 12,000,000

13 Subd. 2. Phase 1 of Master Plan 6,000,000

14 To design and construct, furnish, and
15 equip zoo facilities consistent with
16 the current Master Plan for the Gateway
17 to the North exhibit.

18 Subd. 3. Asset Preservation 6,000,000

19 For capital asset preservation
20 improvements and betterments to roofs,
21 mechanical and utility systems, roads
22 and pathways, building envelopes, storm
23 water systems, exhibits, and safety and
24 code compliance upgrades.

31 To be spent in accordance with
32 Minnesota Statutes, section 16A.632.

33 Subd. 3. Asset Preservation 4,000,000

34 For asset preservation projects in
35 properties managed by the Department of
36 Administration.

37 Subd. 4. Parking 1,724,000

38 (a) Of this amount, \$1,637,000 is for
39 renovation of the Central Park Parking
40 Ramp, located east and adjacent to the
41 Centennial Office Building in St. Paul,
42 to accommodate additional parking
43 stalls and for capital costs to expand
44 Capitol Parking Lot Q, located at Cedar
45 Street and Sherburne Avenue in St.
46 Paul, to accommodate additional parking
47 stalls.

48 (b) Of this amount, \$87,000 is to
49 remove deficient retaining walls and
50 stairs and to regrade portions of Cass
51 Gilbert Park, located east and adjacent
52 to Lot Q.

53 (c) The bond debt in paragraph (a) will
54 be user financed from parking fees
55 collected and deposited into the state

1 parking account under Minnesota
2 Statutes, section 16A.643.

3 Subd. 5. Workers' Memorial 400,000

4 To design and construct a workers'
5 memorial on the Capitol grounds.

6 Sec. 14. CAPITOL AREA ARCHITECTURAL
7 AND PLANNING BOARD

8 Subdivision 1. To the commissioner of
9 administration for the purposes specified
10 in this section 3,570,000

11 Subd. 2. Capitol Interior Renovation 1,200,000

12 To complete schematic design for the
13 phased renovation and restoration of
14 the Capitol's interior, including all
15 floors, ceremonial and public spaces,
16 office suites, and spaces currently
17 serving as hearing rooms.

18 The appropriation in this subdivision
19 may not be spent on any project that
20 affects space under the control of the
21 senate without the approval of the
22 secretary of the senate nor on any
23 project that affects space under the
24 control of the house of representatives
25 without the approval of the chief clerk
26 of the house.

27 Subd. 3. Capitol Third Floor and Dome 2,370,000

28 To repair and restore the public
29 corridors, walls, and ceilings of the
30 third floor and the dome of the Capitol
31 Building in St. Paul.

32 Sec. 15. AMATEUR SPORTS COMMISSION

33 National Volleyball
34 Center - Phase 2 3,200,000

35 To the Amateur Sports Commission for a
36 grant to the city of Rochester to
37 design, construct, furnish, and equip
38 the phase 2 expansion of the National
39 Volleyball Center in Rochester, subject
40 to Minnesota Statutes, section 16A.695.

41 Sec. 16. MILITARY AFFAIRS

42 Subdivision 1. To the adjutant
43 general for the purposes specified
44 in this section 5,000,000

45 Subd. 2. Asset Preservation 4,000,000

46 For asset preservation improvements,
47 Americans With Disabilities Act
48 upgrades, and betterments of a capital
49 nature at military affairs facilities
50 statewide.

51 Subd. 3. Facility Life-Safety
52 Improvements 1,000,000

53 For life-safety improvements, Americans

1 With Disabilities Act upgrades, and
 2 betterments of a capital nature at

4 Sec. 17. VETERANS AFFAIRS 670,000

5 To the commissioner of administration
 6 to complete construction of the World
 7 War II Veterans' Memorial on the
 8 Capitol Mall. This is the final state
 9 appropriation for the project and is
 10 contingent on sufficient nonstate funds
 11 being received and deposited into a
 12 segregated account for perpetual
 13 maintenance of the memorial. The
 14 design is subject to approval by the
 15 Capitol Area Architectural and Planning
 16 Board.

17 Sec. 18. PUBLIC SAFETY

18 Subdivision 1. To the commissioner of
 19 public safety for the purposes specified
 20 in this section 1,269,000

 40 the purposes specified in this section 107,040,000

41 Subd. 2. Local Bridge Replacement
 42 and Rehabilitation 40,000,000

43 This appropriation is from the bond
 44 proceeds account in the state
 45 transportation fund as provided in
 46 Minnesota Statutes, section 174.50, to
 47 match federal money and to replace or
 48 rehabilitate local deficient bridges.

49 Political subdivisions may use grants
 50 made under this section to construct or
 51 reconstruct bridges, including:

52 (1) matching federal-aid grants to
 53 construct or reconstruct key bridges;

54 (2) paying the costs of preliminary
 55 engineering and environmental studies
 56 authorized under Minnesota Statutes,

- 1 section 174.50, subdivision 6a;
- 2 (3) paying the costs to abandon an
3 existing bridge that is deficient and
4 in need of replacement, but where no
5 replacement will be made; and
- 6 (4) paying the costs to construct a
7 road or street to facilitate the
8 abandonment of an existing bridge
9 determined by the commissioner to be
10 deficient, if the commissioner
11 determines that construction of the
12 road or street is more cost efficient
13 than the replacement of the existing
14 bridge.
- 15 Subd. 3. Local Road Improvement Program 10,000,000
- 16 \$5,000,000 is for construction,
17 reconstruction, or reconditioning of
18 local roads with statewide or regional
19 significance under Minnesota Statutes,
20 section 174.52, subdivision 4.
- 21 \$5,000,000 is for grants to counties to
22 assist in paying the costs of capital
23 improvement projects on county
24 state-aid highways that are intended
25 primarily to reduce traffic crashes,
26 deaths, injuries, and property damage,
27 under new Minnesota Statutes, section
28 174.52, subdivision 4a.
- 29 Subd. 4. Rail Service Improvement 3,000,000
- 30 For transfer to the rail service
31 improvement account under Minnesota
32 Statutes, section 222.49.
- 33 \$1,500,000 is to provide the state's
34 share for a railroad bypass in or near
35 the city of Willmar and is not
36 available until the commissioner has
37 determined that at least an equal
38 amount has been committed from nonstate
39 sources.
- 40 Subd. 5. Port Development Assistance 3,700,000
- 41 For grants under Minnesota Statutes,
42 sections 457A.01 to 457A.06. Any
43 improvements made with the proceeds of
44 these grants must be publicly owned.
- 45 Subd. 6. Northstar Commuter Rail 37,500,000
- 46 For final design and project management
47 of a commuter rail line serving Big
48 Lake to downtown Minneapolis; to
49 acquire land for stations, maintenance
50 facilities, and park and ride lots; and
51 for final design and project management
52 of an extension of the Hiawatha Light
53 Rail Transit Line from its terminus in
54 downtown Minneapolis to a new terminus
55 near Fifth Avenue North adjacent to the
56 proposed downtown Minneapolis commuter
57 rail station.
- 58 This appropriation is not available

1 until \$37,500,000 has been committed by
2 local governments and approval to
3 proceed to final design has been
4 authorized by the Federal Transit
5 Administration.

6 Up to \$10,000,000 of this appropriation
7 may be used for final design and
8 project management.

9 After a full-funding grant agreement
10 has been executed with the Federal
11 Transit Administration for the
12 Northstar Commuter Rail Project, the
13 remaining balance of this appropriation
14 not committed for final design and
15 project management or committed to
16 acquire land shall be available to
17 construct, furnish, and equip the
18 Northstar Commuter Rail Line and to
19 construct, furnish, and equip the
20 extension of the light rail transit
21 line.

22 Subd. 7. Duluth Aerial
23 Lift Bridge 1,000,000

24 For a grant to the city of Duluth for
25 capital restoration of the aerial lift
26 bridge. This appropriation is
27 available when matched by \$1 of money
28 secured or provided by the city of
29 Duluth for each \$1 of state money.

30 Subd. 8. Lake County -
31 Forest Highway 11 590,000

32 For a grant to Lake County to match
33 federal funding for bridge and highway
34 replacement, rehabilitation, and repair
35 to Forest Highway 11.

36 Subd. 9. Central Corridor Transit Way 5,250,000

37 To the Metropolitan Council for final
38 environmental impact statement and
39 preliminary engineering of the Central
40 Corridor Transit Way between St. Paul
41 and the city of Minneapolis.

42 Subd. 10. Rush Line
43 Corridor Bus Way 1,000,000

44 To match federal money for right-of-way
45 acquisition and engineering for the
46 Rush Line Corridor Bus Way between St.
47 Paul and Hinckley and for related
48 construction of park-and-pool and
49 park-and-ride facilities for the bus
50 way.

51 Subd. 11. Red Rock
52 Corridor Transit Way 1,000,000

53 To the Metropolitan Council for
54 preliminary engineering and
55 environmental review of the Red Rock
56 corridor transit way between Hastings
57 through St. Paul to Minneapolis.

58 Subd. 12. St. Cloud Airport 2,000,000

1 For a grant to the city of St. Cloud to
2 acquire additional land to enable
3 increased operations at the St. Cloud
4 Regional Airport.

5 This appropriation is not available
6 until the commissioner has determined
7 that at least an equal amount has been
8 committed from nonstate sources.

9 Subd. 13. St. Paul - Holman Field
10 Flood Protection 2,000,000

11 For a grant to the Metropolitan
12 Airports Commission to construct a
13 permanent flood control perimeter dike
14 along the east and south edges of the
15 St. Paul Downtown Airport/Holman Field.

48 Renovation and Replacement 1,014,000

49 For renovation and replacement of roofs
50 at Department of Human Services
51 facilities statewide.

52 Subd. 5. Systemwide Asset
53 Preservation 4,000,000

54 For asset preservation improvements and
55 betterments of a capital nature at

1 state regional treatment centers.

2 Subd. 6. Grave Markers at
3 Regional Treatment Centers 300,000

4 To purchase and place grave markers or
5 memorial monuments that include the
6 available names of individuals at
7 cemeteries located at regional
8 treatment centers operated or formerly
9 operated by the commissioner of human
10 services. Individual monuments must
11 not be placed if the family of the
12 deceased resident objects to the
13 placement of the monument.

14 Subd. 7. Secure Forensic
15 State Nursing Facility 1,600,000

16 To predesign and design and construct,
17 furnish, and equip renovation of
18 existing space or construction of new
19 space for skilled nursing home bed
20 capacity for forensic treatment
21 programs operated by state-operated
22 services. The commissioner shall
23 update the members of the Health and
24 Human Services Budget Division every
25 three months.

1,347,000

6 For the state's portion of the master
7 plan, including renovation of existing
8 space and an addition to the nursing
9 home facility.

10 Subd. 7. Willmar
11 Veterans Home

1,000,000

12 \$100,000 is to predesign a veterans
13 nursing home on the Willmar Regional
14 Treatment Center campus, including a
15 60-bed skilled nursing facility in the
16 medical treatment center annex building
17 (building 24) and possibly new
18 construction for a veterans geriatric
19 behavioral program.

20 \$900,000 is to demolish buildings
21 numbered 20, 21, and 25 to 40; to
22 predesign, design, renovate, construct,
23 furnish, and equip buildings numbered 8
24 to 11 and 14; and to renovate campus
25 support buildings and campus
26 infrastructure, including tunnels.
27 These projects are to develop the
28 Willmar Regional Treatment Center
29 campus for health care, mental health,
30 chemical dependency, housing, and other
31 public purposes and must be implemented
32 consistent with the recommendations in
33 the final Willmar Regional Treatment
34 Center Master Plan and Reuse Study
35 prepared and approved under Laws 2003,
36 First Special Session chapter 14,
37 article 6, section 64, subdivision 2,
38 unless expressly provided otherwise.

 10 new 24-bed prefabricated building.

11 Sec. 24. EMPLOYMENT AND ECONOMIC DEVELOPMENT

12 Subdivision 1. To the commissioner of
 13 employment and economic development or other
 14 named agency for the purposes
 15 specified in this section 183,683,000

16 Subd. 2. State Match for
 17 Federal Grants 14,380,000

18 (a) To the Public Facilities Authority:

19 (1) to match federal grants to the
 20 water pollution control revolving fund
 21 under Minnesota Statutes, section
 22 446A.07; and

23 (2) to match federal grants to the
 24 drinking water revolving fund under
 25 Minnesota Statutes, section 446A.081.

26 (b) The expenditure and allocation of
 27 state matching money between funds
 28 described in paragraph (a), clauses (1)
 29 and (2), must be based on the amount of
 30 federal money appropriated to the funds.

31 (c) This appropriation must be used for
 32 qualified capital projects.

33 Subd. 3. Wastewater Infrastructure
 34 Funding Program 30,600,000

35 (a) To the Public Facilities Authority
 36 for the purposes specified in this
 37 subdivision. \$30,000,000 of this
 38 appropriation is for grants and loans
 39 to eligible municipalities under the
 40 wastewater infrastructure program
 41 established in Minnesota Statutes,
 42 section 446A.072.

43 To the greatest practical extent, the
 44 authority must use the appropriation
 45 for projects on the 2005 project
 46 priority list in priority order to
 47 qualified applicants that submit plans
 48 and specifications to the Pollution
 49 Control Agency or receive a funding
 50 commitment from USDA Rural Economic and
 51 Community Development before December
 52 1, 2006.

53 \$600,000 of this appropriation is to
 54 administer the wastewater
 55 infrastructure program.

1 (b) The grants listed in this paragraph
2 are not subject to the 2005 project
3 priority list nor to the limitations on
4 grant amounts set forth in Minnesota
5 Statutes, section 446A.072, subdivision
6 5c.

7 \$1,500,000 is for a grant to the city
8 of Aurora to reconstruct its wastewater
9 treatment plant, damaged in an
10 explosion May 5, 2004.

11 \$1,700,000 is for a grant to the
12 Central Iron Range Sanitary Sewer
13 District Authority to predesign and
14 design the necessary facilities to
15 collect, treat, and dispose of sewage
16 in the district, including a
17 pump-storage facility and a wind-energy
18 facility.

19 Up to \$5,000,000 may be used as grants
20 to the cities of Dunnell, Dumont,
21 Henriette, Lewisville, McGrath, and
22 Ostrander to undertake corrective
23 action on systems built since 2001 with
24 federal money from USDA Rural Economic
25 and Community Development. A grant
26 must not exceed the amount of federal
27 money used in the construction of
28 systems that incorporated sand filter
29 treatment, fixed activated sludge
30 treatment, or mechanical package plant
31 treatment technologies.

32 \$4,950,000 is for a grant to the city

6 Sec. 28. BOND SALE EXPENSES 1,038,000

7 To the commissioner of finance for bond
8 sale expenses under Minnesota Statutes,
9 section 16A.641, subdivision 8.

10 Sec. 29. BOND SALE SCHEDULE

11 The commissioner of finance shall
12 schedule the sale of state general
13 obligation bonds so that, during the
14 biennium ending June 30, 2007, no more
15 than \$.....,000 will need to be
16 transferred from the general fund to
17 the state bond fund to pay principal
18 and interest due and to become due on
19 outstanding state general obligation
20 bonds. During the biennium, before
21 each sale of state general obligation
22 bonds, the commissioner of finance
23 shall calculate the amount of debt
24 service payments needed on bonds
25 previously issued and shall estimate
26 the amount of debt service payments
27 that will be needed on the bonds
28 scheduled to be sold. The commissioner
29 shall adjust the amount of bonds
30 scheduled to be sold so as to remain
31 within the limit set by this section.
32 The amount needed to make the debt
33 service payments is appropriated from
34 the general fund as provided in
35 Minnesota Statutes, section 16A.641.

36 Sec. 30. [BOND SALE AUTHORIZATION.]

37 Subdivision 1. [BOND PROCEEDS FUND.] To provide the money
38 appropriated in this act from the bond proceeds fund, the
39 commissioner of finance shall sell and issue bonds of the state
40 in an amount up to \$974,800,000 in the manner, upon the terms,
41 and with the effect prescribed by Minnesota Statutes, sections
42 16A.631 to 16A.675, and by the Minnesota Constitution, article
43 XI, sections 4 to 7.

44 Subd. 2. [MAXIMUM EFFORT SCHOOL LOAN FUND.] To provide the
45 money appropriated in this act from the maximum effort school
46 loan fund, the commissioner of finance shall sell and issue
47 bonds of the state in an amount up to \$24,040,000 in the manner,
48 upon the terms, and with the effect prescribed by Minnesota
49 Statutes, sections 16A.631 to 16A.675, and by the Minnesota
50 Constitution, article XI, sections 4 to 7. The proceeds of the
51 bonds, except accrued interest and any premium received on the

1 sale of the bonds, must be credited to a bond proceeds account
2 in the maximum effort school loan fund.

3 Subd. 3. [TRANSPORTATION FUND BOND PROCEEDS ACCOUNT.] To
4 provide the money appropriated in this act from the state
5 transportation fund, the commissioner of finance shall sell and
6 issue bonds of the state in an amount up to \$40,000,000 in the
7 manner, upon the terms, and with the effect prescribed by
8 Minnesota Statutes, sections 16A.631 to 16A.675, and by the
9 Minnesota Constitution, article XI, sections 4 to 7. The
10 proceeds of the bonds, except accrued interest and any premium
11 received on the sale of the bonds, must be credited to a bond
12 proceeds account in the state transportation fund.

13 Sec. 31. Minnesota Statutes 2004, section 16A.671,
14 subdivision 3, is amended to read:

15 Subd. 3. [DEFINITIONS.] As used in this section, the terms
16 defined in this subdivision have the meanings given them:

17 (a) "General fund" means all cash and investments from time
18 to time received and held in the treasury, except proceeds of
19 state bonds and amounts received and held in special or
20 dedicated funds created by the Constitution, or by or pursuant
21 to federal laws or regulations, or by bond or trust instruments,
22 pension contracts, or other agreements of the state or its
23 agencies with private persons, entered into under state law.

24 (b) "Maximum current cash flow requirement" means the
25 commissioner's written estimate of the largest of the amounts by
26 which, on a particular designated date in each month of the term
27 for which certificates are to be issued, the sum of (1) the
28 warrants then outstanding against the general fund plus (2)
29 ~~those-that-must-be-drawn-on-the-fund-before-the-same-date-in-the~~
30 ~~following-month,-in-payment-of-claims-due-for-expenditure-under~~
31 ~~all-appropriations-and-allotments,-will-exceed-the-amount-of~~
32 ~~cash-or-cash-equivalent-assets-held-in-the-general-fund-on-the~~
33 ~~first-of-these-dates~~ an amount equal to five percent of the
34 actual working capital expenditures from the general fund in the
35 preceding fiscal year, will exceed the amount of cash or cash
36 equivalent assets held in the general fund, excluding the

1 proceeds of the certificates to be issued.

2 Sec. 32. Minnesota Statutes 2004, section 116.182,
3 subdivision 2, is amended to read:

4 Subd. 2. [APPLICABILITY.] This section governs the
5 commissioner's certification of projects seeking financial
6 assistance under section 103F.725, subdivision 1a~~7~~; 446A.07~~7-er~~;
7 446A.072; or 446A.073.

8 Sec. 33. Minnesota Statutes 2004, section 116J.571, is
9 amended to read:

10 116J.571 [CREATION OF ACCOUNTS.]

11 Two ~~greater-Minnesota~~ redevelopment accounts are created,
12 one in the general fund and one in the bond proceeds fund.
13 Money in the accounts may be used to make grants as provided in
14 section 116J.575. Money in the bond proceeds fund may only be
15 used for eligible costs for publicly owned property. Money in
16 the general fund may be used to pay for the commissioner's costs
17 in reviewing the applications.

18 Sec. 34. Minnesota Statutes 2004, section 116J.572,
19 subdivision 2, is amended to read:

20 Subd. 2. [DEVELOPMENT AUTHORITY.] "Development authority"
21 includes a statutory or home rule charter city, county, housing
22 and redevelopment authority, economic development authority, or
23 port authority ~~located-outside-the-seven-county-metropolitan~~
24 ~~area-as-defined-in-section-473-1217-subdivision-2.~~

25 Sec. 35. Minnesota Statutes 2004, section 116J.573,
26 subdivision 1, is amended to read:

27 Subdivision 1. [ACCOUNTS.] Criteria for use of the
28 accounts created in section 116J.571 must be consistent with and
29 promote the purposes of sections 116J.571 to 116J.575. They
30 include, but are not limited to:

31 (1) creating and preserving living wage jobs ~~in-greater~~
32 ~~Minnesota;~~

33 (2) creating incentives for communities to include a full
34 range of housing opportunities;

35 (3) creating incentives for all communities to implement
36 compact, efficient, and mixed-use development; and

1 (4) creating incentives to assist communities in
2 maintaining a unique sense of place by preserving local,
3 cultural assets.

4 Sec. 36. Minnesota Statutes 2004, section 116J.573,
5 subdivision 2, is amended to read:

6 Subd. 2. [PROJECTS.] To be eligible for funding by the
7 ~~greater-Minnesota~~ redevelopment account, a project must:

8 (1) interrelate redevelopment with other public investments
9 in transportation, housing, schools, energy, utilities
10 information infrastructure, and other public services;

11 (2) interrelate affordable housing and employment growth
12 areas;

13 (3) intensify land use that leads to more compact
14 redevelopment;

15 (4) involve redevelopment that mixes incomes of residents
16 in housing, including introducing or reintroducing higher value
17 housing in lower income areas to achieve a mix of housing
18 opportunities;

19 (5) involve participation from citizens and the business
20 community in the planning and development of the proposed
21 redevelopment plan;

22 (6) encourage public infrastructure investments which
23 attract private sector redevelopment investment in commercial,
24 industrial, and residential properties adjacent to public
25 improvements, and provide project area residents with expanded
26 opportunities for private sector employment; or

27 (7) be sustainable at the local level and reduce the
28 probability of future requests for state development,
29 maintenance, or replacement assistance.

30 Sec. 37. Minnesota Statutes 2004, section 116J.573,
31 subdivision 5, is amended to read:

32 Subd. 5. [ANNUAL REPORT.] The commissioner shall prepare
33 and submit to the legislature an annual report on the ~~greater~~
34 ~~Minnesota~~ redevelopment account. The report must include
35 information on the amount of money in the account, the amount
36 distributed, to whom the grants were distributed and for what

1 purposes, and an evaluation of the effectiveness of the projects
2 funded in meeting the policies and goals of the program.

3 Sec. 38. Minnesota Statutes 2004, section 116J.575,
4 subdivision 1, is amended to read:

5 Subdivision 1. [COMMISSIONER DISCRETION.] The commissioner
6 may make a grant for up to 50 percent of the eligible costs of a
7 project. The commissioner shall, in each grant cycle, make
8 grants so that at least 50 percent of the dollar value of grants
9 for that cycle are for projects located outside of the
10 seven-county metropolitan area as defined in section 473.121,
11 subdivision 2. The determination of whether to make a grant for
12 a site is within the discretion of the commissioner, subject to
13 this section and sections 116J.571 to 116J.574 and available
14 unencumbered money in the ~~greater-Minnesota~~ redevelopment
15 account. The commissioner's decisions and application of the
16 priorities under this section are not subject to judicial
17 review, except for abuse of discretion.

18 Sec. 39. Minnesota Statutes 2004, section 134.45, is
19 amended to read:

20 134.45 [LIBRARY ACCESSIBILITY AND IMPROVEMENT GRANTS.]

21 Subdivision 1. [APPLICATION; DEFINITION.] Public library
22 jurisdictions may apply to the commissioner of education for
23 grants ~~to-improve~~ for improvements and accessibility to their
24 library facilities. For the purposes of this section, "public
25 library jurisdictions" means regional public library systems,
26 regional library districts, cities, and counties operating
27 libraries under chapter 134.

28 Subd. 2. [APPROVAL BY COMMISSIONER.] The commissioner of
29 education, in consultation with the state Council on Disability,
30 may approve or disapprove applications under this section. The
31 grant money must be used ~~only~~ to remove architectural barriers
32 from a building or site, to renovate or expand an existing
33 building for use as a library, or to construct a new library
34 building.

35 Subd. 3. [APPLICATION FORMS.] The commissioner of
36 education shall prepare application forms and establish

1 application dates.

2 Subd. 4. [MATCH.] A public library jurisdiction applying
3 for a grant under this section must match the grant with local
4 funds.

5 Subd. 5. [QUALIFICATION; ACCESSIBILITY GRANTS.] A public
6 library jurisdiction may apply for a grant in an amount up to
7 ~~\$150,000~~ \$200,000 or 50 percent of the approved costs of
8 removing architectural barriers from a building or site,
9 whichever is less. Grants may be made only for projects in
10 existing buildings used as a library, or to prepare another
11 existing building for use as a library. Renovation of an
12 existing building may include an addition to the building if the
13 additional space is necessary to provide accessibility or if
14 relocating public spaces to the ground level provides improved
15 overall accessibility. Grants must not be used to pay part of
16 the cost of meeting accessibility requirements in a new building.

17 Subd. 5a. [PROHIBITION ON PORNOGRAPHIC USE OF INTERNET.] A
18 public library jurisdiction is not eligible for a grant under
19 this section unless it has adopted a policy to prohibit library
20 users from using the library's Internet access to view, print,
21 or distribute material that is obscene within the meaning of
22 section 617.241.

23 Subd. 5b. [QUALIFICATION; IMPROVEMENT GRANTS.] A public
24 library jurisdiction may apply for a grant in an amount up to
25 \$1,000,000 or 50 percent, whichever is less, of the approved
26 costs of renovating or expanding an existing library building,
27 or to construct a new library building.

28 Subd. 6. [AWARD OF GRANTS.] The commissioner, in
29 consultation with the state Council on Disability, shall examine
30 and consider all applications for grants. If a public library
31 jurisdiction is found not qualified, the commissioner shall
32 promptly notify it. The commissioner shall prioritize grants on
33 the following bases: the degree of collaboration with other
34 public or private agencies, the public library jurisdiction's
35 tax burden, the long-term feasibility of the project, the
36 suitability of the project, and the need for the project. If

1 the total amount of the applications exceeds the amount that is
2 or can be made available, the commissioner shall award grants
3 according to the commissioner's judgment and discretion and
4 based upon a ranking of the projects according to the factors
5 listed in this subdivision. The commissioner shall promptly
6 certify to each public library jurisdiction the amount, if any,
7 of the grant awarded to it.

8 Subd. 7. [PROJECT BUDGET.] A public library jurisdiction
9 that receives a grant must provide the commissioner with the
10 project budget and any other information the commissioner
11 requests.

12 Sec. 40. Minnesota Statutes 2004, section 136F.60, is
13 amended by adding a subdivision to read:

14 Subd. 5. [DISPOSITION OF SURPLUS PROPERTY.] (a) The board
15 may declare state lands under its control that are no longer
16 needed by the Minnesota State Colleges and Universities system
17 to be surplus and may offer for public sale or otherwise dispose
18 of the lands in a manner consistent with the procedures set
19 forth in sections 94.10 to 94.14 for disposition of state lands
20 by the commissioner of administration.

21 (b) Proceeds from the sale or disposition of land under
22 this subdivision, after paying all expenses incurred in selling
23 or disposing of the land and then paying any amounts due under
24 section 16A.695, are appropriated to the board.

25 Sec. 41. Minnesota Statutes 2004, section 174.52, is
26 amended by adding a subdivision to read:

27 Subd. 4a. [RURAL ROAD SAFETY ACCOUNT; APPROPRIATION.] (a)
28 A rural road safety account is established in the local road
29 improvement fund. Money in the account is annually appropriated
30 to the commissioner of transportation for expenditure as
31 specified in this subdivision. Money in the account must be
32 used as grants to counties to assist in paying the costs of
33 capital improvement projects on county state-aid highways that
34 are intended primarily to reduce traffic crashes, deaths,
35 injuries, and property damage.

36 (b) The commissioner shall establish procedures for

1 counties to apply for grants from the rural road safety account
2 and criteria to be used to select projects for funding. The
3 commissioner shall establish these procedures and criteria in
4 consultation with representatives appointed by the Association
5 of Minnesota Counties. Eligibility for project selection must
6 be based on the ability of each proposed project to reduce the
7 frequency and severity of crashes.

8 (c) Money in the account must be allocated in each fiscal
9 year as follows:

10 (1) one-half of money in the account must be used for
11 projects in the counties of Anoka, Chisago, Carver, Dakota,
12 Hennepin, Ramsey, Scott, and Washington; and

13 (2) the remainder must be used for projects elsewhere in
14 the state.

15 Sec. 42. [446A.073] [TOTAL MAXIMUM DAILY LOAD GRANTS.]

16 Subdivision 1. [PROGRAM ESTABLISHED.] The authority must
17 make grants to municipalities to cover one-half the cost of
18 wastewater treatment projects made necessary by wasteload
19 reductions under total maximum daily load plans required by
20 section 303(d) of the federal Clean Water Act, United States
21 Code, title 33, section 1313(d).

22 Subd. 2. [GRANT APPLICATION.] Application for a grant must
23 be made to the authority on forms prescribed by the authority
24 for the total maximum daily load grant program, with additional
25 information as required by the authority. In accordance with
26 section 116.182, the Pollution Control Agency shall:

27 (1) calculate the essential project component percentage,
28 which must be multiplied by the total project cost to determine
29 the eligible project cost; and

30 (2) review and certify approved projects to the authority.

31 Subd. 3. [PROJECT PRIORITIES.] When money is appropriated
32 for grants under this program, the authority shall reserve money
33 for projects in the order that their total maximum daily load
34 plan was approved by the United States Environmental Protection
35 Agency and in an amount based on their most recent cost
36 estimates submitted to the authority or the as-bid costs,

1 whichever is less.

2 Subd. 4. [GRANT APPROVAL.] The authority must make a grant
3 to a municipality, as defined in section 116.182, subdivision 1,
4 only after:

5 (1) the commissioner of the Minnesota Pollution Control
6 Agency has certified to the United States Environmental
7 Protection Agency a total maximum daily load plan for identified
8 waters of this state that includes a point source wasteload
9 allocation;

10 (2) the Environmental Protection Agency has approved the
11 plan;

12 (3) a municipality affected by the plan has estimated the
13 cost to it of wastewater treatment projects necessary to comply
14 with the point source wasteload allocation;

15 (4) the Pollution Control Agency has approved the cost
16 estimate; and

17 (5) the authority has determined that the additional
18 financing necessary to complete the project has been committed
19 from other sources.

20 Subd. 5. [GRANT DISBURSEMENT.] Disbursement of a grant
21 must be made for eligible project costs as incurred by the
22 municipality and in accordance with a project financing
23 agreement and applicable state and federal laws and rules
24 governing the payments.

25 Sec. 43. [641.015] [REGIONAL ADULT DETENTION FACILITY;
26 AUTHORITY OF COUNTIES TO ENTER INTO JOINT POWERS AGREEMENT.]

27 Notwithstanding section 387.11 or any law to the contrary,
28 a group of two or more counties may enter into a joint powers
29 agreement under section 471.59 to construct and operate a
30 regional adult detention facility to serve multiple counties and
31 house criminal offenders preconviction or postconviction, or
32 both.

33 Sec. 44. Laws 2000, chapter 492, article 1, section 7,
34 subdivision 21, is amended to read:

35 Subd. 21. Harbor of Refuge at Two Harbors 1,000,000

36 To develop the harbor of refuge and

1 marina at Two Harbors, including public
2 access improvements, marina slips,
3 parking facilities, utilities, a fuel
4 dock, and an administration building.

5 This appropriation is not available
6 until the commissioner has determined
7 that at least \$500,000 has been
8 committed from federal
9 sources. Notwithstanding Minnesota
10 Statutes, section 16A.642, this
11 appropriation and its corresponding
12 bond authorization do not cancel until
13 June 30, 2006.

14 Sec. 45. Laws 2002, chapter 393, section 13, subdivision
15 7, as amended by Laws 2002, chapter 400, section 13, is amended
16 to read:

17 Subd. 7. Health, Agriculture, and Human
18 Services Office and Parking Facilities

19 The commissioner of administration may
20 enter into one or more long-term
21 lease-purchase agreements with the St.
22 Paul port authority or any other
23 governmental entity, for terms of up to
24 25 years, for the development of office
25 and parking facilities in St. Paul for
26 the departments of health, agriculture,
27 and human services. The commissioner
28 must submit each agreement to the
29 legislative commission on planning and
30 fiscal policy for its recommendation.
31 If the commission does not provide the
32 commissioner with a recommendation
33 within 30 days of receiving the
34 agreement, the recommendation is
35 considered to be positive. A
36 recommendation is advisory only. The
37 lease-purchase agreements are exempt
38 from Minnesota Statutes, sections
39 15.50, subdivision 2, paragraph (e);
40 and 16B.24, subdivisions 6 and 6a. The
41 lease-purchase agreements must not be
42 terminated except for nonappropriation
43 of money. The lease-purchase
44 agreements must provide the state with
45 a unilateral right to purchase the
46 leased premises at specified times for
47 specified amounts. The office facility
48 for the department of human services
49 must not have more gross square feet of
50 space than the department occupies as
51 of the effective date of this section
52 for offices that will be moved to the
53 new facility. The parking facility for
54 the Department of Human Services must
55 include at least 14 spaces for
56 employees of the St. Paul Fire
57 Department to lease at rates comparable
58 to those for state employees.

59 Sec. 46. Laws 2002, chapter 393, section 19, subdivision
60 2, is amended to read:

61 Subd. 2. Northwest Busway

20,000,000

1 To design and construct a portion of a
 2 busway in the northwest metropolitan
 3 area between-downtown-Minneapolis-and
 4 Rogers. This appropriation may be used
 5 to design all or a portion of the
 6 busway from downtown Minneapolis to
 7 Rogers along CSAH 81; to design,
 8 construct, and equip up to 19 stations,
 9 including 36 passenger shelters in
 10 Minneapolis, Robbinsdale, and Crystal
 11 as well as at Hennepin Technical
 12 College and North Hennepin Community
 13 College located in Brooklyn Park; to
 14 acquire necessary rights-of-way in
 15 Minneapolis, Robbinsdale, Crystal, and
 16 Brooklyn Park to accommodate station
 17 and park and ride locations, and
 18 adjacent to CSAH 81 between Highway 100
 19 and Brooklyn Boulevard to accommodate
 20 queue jump lanes for buses; to design
 21 and construct two park and ride
 22 facilities adjacent to CSAH 81 at its
 23 intersections with 63rd Avenue North
 24 and with Brooklyn Boulevard; and to
 25 design and construct queue jump lanes
 26 between Highway 100 and Brooklyn
 27 Boulevard. This appropriation is
 28 contingent on \$12,000,000 from Hennepin
 29 county for roadway design, property
 30 acquisition, and road construction
 31 between Lowry Avenue in Minneapolis and
 32 Bass Lake Road in Crystal and
 33 \$5,000,000 from the metropolitan
 34 council for the-project fleet
 35 acquisition and station equipment.

 45 Statutes, sections 383B.158 to
 46 383B.1586,-may-be-used-for-implementing
 47 this-project.

48 Sec. 47. Laws 2003, First Special Session chapter 20,
 49 article 1, section 11, is amended to read:

50 Sec. 11. HEALTH 775,000

51 For transfer to the Board of Trustees
 52 of the Minnesota State Colleges and
 53 Universities to design and, construct,
 54 and equip a community dental clinic at
 55 Lake Superior Community College in
 56 Duluth and design and, renovate, and
 57 equip the Northwest-Technical
 58 College Minnesota State Community and
 59 Technical Colleges dental hygiene
 60 clinic in Moorhead, subject to
 61 Minnesota Statutes, section 16A.695.

62 Sec. 48. [REENACTMENT.]

63 Laws 2002, chapter 393, section 45, subdivisions 1 to 4,
 64 are reenacted effective June 30, 2004.

1 Sec. 49. [UNIVERSITY OF MINNESOTA; DULUTH PARKING.]

2 The Board of Regents of the University of Minnesota is
3 encouraged to expand the parking facilities at the University of
4 Minnesota, Duluth campus through the purchase of land and
5 property from willing sellers.

6 Sec. 50. [CONVEYANCE OF SURPLUS STATE LAND; KANDIYOHI
7 COUNTY.]

8 (a) Notwithstanding Minnesota Statutes, sections 16B.281 to
9 16B.287, or other law, administrative rule, or commissioner's
10 order to the contrary, the commissioner of administration may
11 convey to a local unit of government for no consideration all or
12 part of the real property at the Willmar Regional Treatment
13 Center for public purposes consistent with the master plan and
14 reuse study. The conveyance shall be in a form approved by the
15 attorney general and subject to Minnesota Statutes, section
16 16A.695.

17 (b) The commissioner of administration may require the
18 local unit of government to reimburse the state for all or part
19 of any campus redevelopment funded under section 1 and completed
20 by the state.

21 (c) Notwithstanding Minnesota Statutes, section 16C.23, the
22 commissioner of administration may convey to a local unit of
23 government for no consideration all or part of the personal
24 property determined by the commissioner of human services to be
25 no longer needed for its operations.

26 (d) If the local unit of government sells any property
27 conveyed under this section to a private entity, the sale must
28 be at a fair market value.

29 Sec. 51. [TRANSFER OF MHFA BONDING AUTHORITY TO HESO.]

30 Notwithstanding Minnesota Statutes, section 474A.03,
31 subdivision 2a, paragraph (b), the Minnesota Housing Finance
32 Agency may enter into an agreement with the Higher Education
33 Services Office under which the Higher Education Services Office
34 issues qualified student loan bonds, up to \$50,000,000 of which
35 are issued pursuant to bonding authority allocated to the
36 Minnesota Housing Finance Agency in 2005 under Minnesota

1 Statutes, section 474A.03, subdivision 2a, paragraph (a). This
 2 amount is in addition to the bonding authority otherwise
 3 allocated to the Higher Education Services Office under
 4 Minnesota Statutes, chapter 474A. Notwithstanding Minnesota
 5 Statutes, section 474A.04, subdivision 1a, 474A.061, or
 6 474A.091, subdivision 2, bonding authority carried forward by
 7 the Minnesota Housing Financing Agency from its allocation for
 8 2004 under Minnesota Statutes, section 474A.03, subdivision 2a,
 9 paragraph (b), are exempt from the requirement that the bonding
 10 authority be permanently issued by December 31 of the next
 11 succeeding calendar year.

15 ADJUSTMENT OF GENERAL
 16 OBLIGATION BOND AUTHORIZATIONS

17 Section 1. [TABLE OF ORIGINAL AND ADJUSTED
 18 AUTHORIZATIONS.]

19 Column A lists the citation to each law authorizing general
 20 obligation bonds since Laws 1983, chapter 323, section 6, to
 21 which a further adjustment is being made in this section.

22 The original authorization amount in each law is shown in
 23 column B opposite the citation of the law it appears in.

24 The original authorization amount in column B is hereby
 25 adjusted to the amount shown in column C. The adjustments
 26 resulting in the column C amount reflect specific changes to an
 27 authorization in law, executive vetoes sustained or not
 28 challenged, administrative action reflecting cancellation and
 29 abandonment of all or the unused balance from specific projects
 30 for which the proceeds of authorized bonds were intended to be
 31 used, and other action pursuant to law resulting in the adjusted
 32 authorizations shown in column C. The amounts shown in column C
 33 are validated as the lawful adjusted authorization for the cited
 34 law as of January 1, 2005, for all purposes for which the
 35 authorization is required or used.

S.F. No. 1 - Capital Improvements

Author: Senator Keith Langseth

Prepared by: Peter S. Wattson, Senate Counsel (651/296-3812) *PSW*

Date: January 20, 2005

S.F. No. 1, as amended by the Committee on Capital Investment, appropriates \$1.039 billion for capital improvements to state and local facilities.

Major projects financed by the bill include \$110 million for higher education asset preservation at the University of Minnesota and the Minnesota State Colleges and Universities; \$71 million to expand the Minnesota Correctional Facility at Faribault; \$40 million to replace and rehabilitate local bridges; \$37.5 million for Northstar Commuter Rail; \$31 million for wastewater infrastructure grants; \$32 million for flood hazard mitigation grants; \$24 million to construct the Minnesota Planetarium; \$23 million for the conservation reserve enhancement program (CREP); \$24 million to construct and renovate middle school and high school facilities on the Red Lake Indian Reservation; \$22 million for a biotechnology research facility for the University of Minnesota and Mayo Clinic; \$20 million for housing for the homeless; and \$22 million for improvements to metropolitan parks.

The appropriations are detailed in a related spreadsheet. This summary will focus only on the language of the bill that goes beyond describing the various projects for which the appropriations are made.

Section 2. University of Minnesota.

Page 4, subdivision 7, provides that, except for higher education asset preservation and replacement, the appropriations in this section represent approximately two-thirds of the cost of each project and that the remaining costs must be paid from university sources.

Page 4, subdivision 8, requires the Commissioner of Finance to create an account for amounts budgeted for contingencies for projects in this section. Once the projects have been completed or abandoned, any remaining money must be used for higher education asset preservation and replacement.

Section 3. Minnesota State Colleges and Universities.

Page 5, lines 44 to 47, require a nonstate match of \$200,000 for improvements at Dakota Technical College.

Pages 8 and 9, subdivision 26, requires that the board of trustees pay one-third of the debt service on projects in this section, except for higher education asset preservation and replacement, with a credit for the amount that they raise in the form of nonstate match.

Section 4. Education.

Page 9, line 60, to page 10, line 10, require the Commissioner of Education to review the proposed school construction at Independent School District No. 38 - Red Lake, to ensure that the project will be economical and report to the Legislature by January 10, 2005, on any reductions made as a result of that review.

Page 10, lines 38 to 40, modify the statutory limits on grants to rehabilitate facilities for early childhood learning and child protection programs from \$200,000 per program and \$500,000 per facility down to \$75,000 per program and \$200,000 per facility.

Section 7. Natural Resources.

Page 12, lines 18 to 24, provide that if a flood hazard mitigation project for which money has been appropriated is not ready to proceed, the Commissioner of Natural Resources may allocate that project's money to the next project on the commissioner's priority list or may allocate up to \$180,000 to the project in Cannon Falls.

Page 12, lines 25 to 34, authorize state grants for flood hazard mitigation to be used to pay the local share of project costs for certain projects in the Red River and Minnesota River Valleys, to the extent that the local share exceeds two percent of the median household income in the municipality multiplied by the number of households in the municipality.

Page 12, lines 35 and 36, forgive the local match requirement for the Canisteo Mine project.

Page 12, lines 37 to 39, increase the state share of flood hazard mitigation grants for Roseau River, Palmville, and Malung from 50 percent to 75 percent.

Page 12, lines 40 to 48, grant a five-year extension to a grant to the city of Stillwater for flood hazard mitigation.

Page 14, lines 21 to 26, require the Commissioner of Natural Resources to consult with representatives of local units of government, nonprofit organizations, and other interested parties in setting priorities for metro greenways and natural areas.

Section 10. Board of Water and Soil Resources.

Page 19, line 53, to page 20, line 13, require that the purchase price paid for wetlands to replace those lost due to public road projects must be the fair market value as determined by the Board of Water and Soil Resources and authorize the Board to enter into agreements with public and private entities to acquire and restore and create wetlands and to acquire existing wetland banking credits.

Page 20, lines 37 to 40, require a 25 percent local match for grants to develop flood water retention systems in Area II of the Minnesota River Basin.

Section 13. Administration.

Page 21, line 53, to page 22, line 2, provide that the debt service on bonds sold for improvements to state parking facilities will be paid from parking fees.

Section 14. Capitol Area Architectural and Planning Board.

Page 22, lines 18 to 26, require that the appropriation to renovate the interior of the Capitol Building not be spent on any project that affects space under the control of the Senate without the approval of the Secretary of the Senate nor on any project that affects space under the control of the House of Representatives without the approval of the Chief Clerk of the House.

Section 17. Veterans Affairs.

Page 23, lines 8 to 16, require that the appropriation for the World War II Veteran's Memorial on the Capitol Mall be the final appropriation for the project and make it contingent on sufficient nonstate money being received and deposited into a segregated account for perpetual maintenance of the memorial. The design is subject to approval by the Capitol Area Architectural and Planning Board.

Section 19. Transportation.

Page 24, lines 33 to 39, require an equal match for the \$1.5 million appropriated for a railroad bypass in or near the city of Willmar.

Page 24, line 58, to page 25, line 5, require that the state appropriation for the Northstar Commuter Rail Line be matched by \$37.5 million from local governments and provide that approval to proceed to final design must have been authorized by the Federal Transit Administration.

Page 25, lines 26 to 29, require a one-to-one match by the city of Duluth for the appropriation of \$1 million for restoration of the aerial lift bridge.

Page 26, lines 5 to 8, require an equal match for the \$2 million appropriated for the St. Cloud Regional Airport.

Section 20. Health.

Page 34, lines 4 to 7, require a one-to-one match for an appropriation of \$400,000 to design and construct exhibits and facility improvements at the Lake Superior Zoo.

Page 34, lines 14 to 18, require an equal match for a \$375,000 appropriation for a grant to the city of Gaylord to develop the Gaylord Multicultural and Lifelong Learning Center.

Page 34, lines 50 to 54, require an equal match for the \$2 million appropriation for the Colin Powell Youth Leadership Center.

Page 35, lines 13 to 17, authorize the city of Minneapolis to enter into a lease or a management agreement to operate the Minnesota Shubert Center.

Page 35, lines 29 to 33, require an equal match for the \$1 million appropriation to the city of Moorhead for asset preservation at the Heritage Hjemkomst Center.

Page 35, lines 47 to 53, require the three floors of the Stabile Building that constitute the Mayo Clinic's Biotechnology Research Facility to be owned by the University of Minnesota and leased to the Mayo Clinic.

Page 36, lines 8 to 13, authorize the city of St. Paul to operate a performing arts center and enter into a lease or management agreement for the Ordway Center for the Performing Arts.

Page 36, lines 29 to 32, require an equal match for the \$250,000 appropriation for a grant to the city of Winona to predesign facilities for the Great River Shakespeare Festival.

Section 26. Iron Range Resources and Rehabilitation Board.

Page 37, lines 25 to 28, require a match of \$800,000 for the \$1.8 million appropriation complete construction of Mesabi Station along the Mesabi Trail.

Section 27. Minnesota Historical Society.

Page 38, lines 1 to 5, require an equal match for the \$150,000 appropriation for a grant to the city of Maplewood to complete restoration of the Bruentrup Farm in Maplewood.

Section 29 limits the amount of bonds to be issued during the next biennium, including the bonds authorized in this bill so that no more than a certain amount will be needed from the general fund for debt service.

Section 30 authorizes the sale of bonds to fund the various appropriations in the bill from the bond proceeds fund, the maximum effort school loan fund, and the transportation fund.

Section 31 updates the limitation on the amount of certificates of indebtedness the State may sell to meet cash flow requirements by conforming to the current federal arbitrage limitations contained in the Code of Federal Regulations, title 26, section 1.148-6(d)(3)(iii)(B). That limitation is five percent of the actual working capital expenditures from the general fund in the preceding fiscal year.

Section 32 adds a cross-reference to new Minnesota Statutes, section 446A.073, which authorizes the Public Facilities Authority to make grants to municipalities or wastewater treatment projects made necessary by wasteload reductions under total maximum daily load plans. These grants will

be reviewed by the Commissioner of the Pollution Agency using the same procedures as for other wastewater treatment grants.

Sections 33 to 37 expand the area covered by the Greater Minnesota redevelopment account to include the entire State, as the predecessor redevelopment account did until 2002.

Section 38 requires that in each grant cycle the Commissioner of Employment and Economic Development make grants so that at least 50 percent of the dollar value of grants for that cycle is for projects located outside of the seven-county metropolitan area.

Section 39 expands the library access grant program to include improvements in addition to removing architectural barriers to people with disabilities. The maximum amount of a grant to improve accessibility is increased from \$150,00 to \$200,000. The maximum amount of a grant for other renovation or expansion of a library or construction of a new library is set at \$1 million or 50 percent of the approved cost, whichever is less.

Section 40 authorizes the Board of Trustees of the Minnesota State Colleges and Universities to sell lands the Board has declared to be surplus and to keep the proceeds of the sale for college and university purposes.

Section 41 creates a rural road safety account in the local road improvement fund to make grants to counties to assist in paying the costs of capital improvement projects on county state-aid highways that are intended primarily to reduce traffic crashes, deaths, injuries, and property damage. One-half the money in the account must be used for projects in the seven-county metro area and the remainder must be used for projects elsewhere.

Section 42 creates a program of grants by the Public Facilities Authority to municipalities to cover one-half the cost of wastewater treatment projects made necessary by wasteload reductions under total maximum daily load plans required by the federal Clean Air Act. The Pollution Control Agency would calculate the eligible project cost as it does for other wastewater treatment grants. Grants would be made in order of approval by the United States Environmental Protection Agency of a total maximum daily load plan and only after the Public Facilities Authority has determined that the additional financing necessary to complete the project has been committed from other sources.

Section 43 authorizes two or more counties to enter into a joint powers agreement to construct and operate a regional adult detention facility to serve multiple counties.

Section 44 postpones until June 30, 2006, cancellation of a \$1 million appropriation made in 2000 for a harbor of refuge at Two Harbors.

Section 45 requires that the parking facility for the Department of Human Services being constructed in St. Paul at the former Capitol Square site must include at least 14 spaces for employees of the St. Paul Fire Department to lease at rates comparable to those for state employees.

Section 46 specifies in detail the permitted uses of the \$20 million appropriation made in 2002 to construct a portion of the northwest bus way from downtown Minneapolis to Rogers.

Section 47 transfers from the Department of Health to the Board of Trustees of the Minnesota State Colleges and Universities a \$775,000 appropriation made in 2003 to construct a community dental clinic at Lake Superior Community College in Duluth and a dental hygiene clinic in Moorhead.

Section 48 reenacts the shoreland protection program, which expired June 30, 2004, but for which \$500,000 is appropriated by article 1, section 10, subdivision 4, of this bill.

Section 49 encourages the Board of Regents of the University of Minnesota to expand the parking facilities at the University of Minnesota, Duluth campus through the purchase of land and property from willing sellers.

Section 50 authorizes the Commissioner of Administration to convey real and personal property at the Willmar Regional Treatment Center to a local unit of government for no consideration.

Section 51 transfers \$50 million of bonding authority from the Housing Finance Agency to the Higher Education Service Office.

Section 52 makes the article effective the day following final enactment.

Article 2

Adjustment of General Obligation Bond Authorizations

Section 1 reduces bond authorizations in prior laws to reflect amounts that have been canceled since the original authorization was made.

Section 2 makes the article effective the day following final enactment.
