Sen. Murphy called the meeting to order at 3:15 pm.

Greg Isakson, Goodhue County Engineer, presented an overview of the Needs Subcommittee report (Handouts A-C).

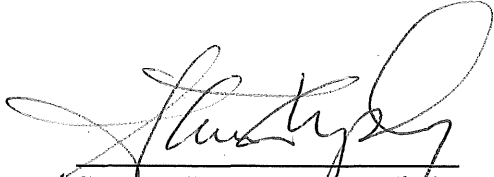

Tim Worke of the Associated General Contractors of Minnesota followed with a brief presentation outlining the recommendations of the Subcommittee on Systems Efficiency (Handout D).

Bob Vanasek of the Metropolitan Inter-County Association provided a summary of the Subcommittee on Funding Formulas findings (Handout E).

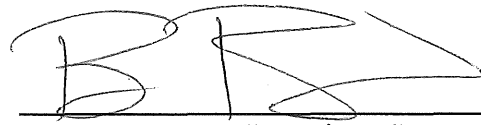

Kathy Swanson from the Office of Traffic Safety, Department of Public Safety, presented the report prepared by the Subcommittee on Road Safety (Handout F).

Peter McLaughlin, Hennepin County Commissioner, concluded the presentations with a brief outline of the work compiled by the Subcommittee on Transit (Handouts G-H).

Sen. Murphy adjourned the meeting at 5:27 pm.

Senator Steve Murphy, Chair

Beau Berentson, Committee Secretary
