Environmental	Non-Dedic Receipt	0	3	5	5
Health Care Access	Non-Dedic Receipt	0	10	20	20

This proposal imposes a penalty for failing to provide records or documents that support items on a return when requested to do so in writing by the Department of Revenue. The penalty is the greater of \$500 or 25 percent of the additional tax resulting from the failure to provide the requested documents. The penalty would not be imposed if the failure to provide is due to reasonable cause.

General	Expenditure		(380)	(613)	(613)	(613)
General	Transfer In		24	23	0	0
Special Revenue	Transfer Out		24	23	0	0

This recommendation reduces the general fund operating budget and special revenue budget by 3 percent of unspent funds in FY 2010 and FY 2011. General fund reductions include 3 percent reductions to the Board of Teaching and Board of School Administrators, capturing early childhood carryforward balances, a reduction of 6.5 full-time equivalent positions, and a reduction in supplies and equipment. Special revenue reductions are a one-time transfer of carryforward funds to the general fund.

This reduces grant funding that provide This funding is in addition to other federal		hile their homes un	dergo lead aba	tement.	
Reduce SHIP Funding					
Health Care Access	Expenditure	0	(10,000)	0	0
This reduces funding for Statewide He	alth Improvement Program (SHIP) g	rants by \$10 million	in FY 2011.		
Operating Budget Reduction					
General	Expenditure	(612)	(401)	(667)	(667)
Health Care Access	Expenditure	(431)	(278)	(319)	(199)
State Government Special Rev	Expenditure	(1,300)	(722)	0	0

This is a 3 percent reduction to the department's unspent operating budget in FY 2010-11. Savings in the general fund is achieved through one-time shifts of activities to federal funding, and realigning and holding positions vacant. Savings in the health care access fund is achieved through hiring delays, shifting costs to federal funds, and reducing ongoing reporting activities. Savings in the state government special revenue fund is achieved by one-time delays in hiring. These changes result in the elimination of 3 full-time equivalents in the general fund, and 1.5 full-time equivalents in the health care access fund.

February 15, 2010

This item reduces DEED's general fund operating budget by approximately 3 percent in FY 2010-2011. To meet these reduction amounts, DEED will hold positions vacant, reduce investments in technology and reduce contract and other operating expenses. The programs affected include: business and community development, extended employment,

services for the blind, administration and the office of science and technology.

Operating Budget Reduction

General	Expenditure	0	(327)	(327)	(327)
General	Transfer In	216	0	0	0
Central Stores	Transfer Out	209	0	0	0
Special Revenue	Transfer Out	7	0	0	0

The proposal reduces the Department of Administrations's FY 2010 and FY 2011 operating budget by 3 percent of the unspent funds that are not related to internal service funds. The agency proposes to meet the FY 2010 target through a one-time transfer to the general fund of \$209,000 in contributed capital from the office supply connection fund. The FY 2011 reduction would be accomplished through reducing the general fund budget of the state recycling center. This proposal also reduces by 3 percent the balance for utility rebates and eliminates the balances in the special revenue fund related to the commuter van program, which has been discontinued, and archaeology burial. The total savings from these other funds is \$7,000, which is transferred to the general fund as a one-time transfer.
