Staff recommends Senate. House 47/Senate 69 have technical differences. Staff recommends House. House 48/Senate 70 have technical differences. Staff recommends Senate with House effective date.			

House section (Art. 2)	Senate section (Art. 2)	Revisor pages	Description	Comparison	Amdts	Proposed motion	Adopted
				House 62/Senate 76 have technical differences. Staff recommends Senate. House 63/Senate 77 have technical differences. Staff recommends House amended to include “of human services” on line 80.3 after “commissioner”			
	6, 7, 8	R5	Providing for 245D licensing compliance education and modifications to orders of conditional license for 245D providers	Senate only			
5, 6, 24, 25, 26, 49, 50	9, 10, 18, 31, 32, 33, 34, 35, 36, 71, 72, 86, 87, 91	R7-R10, R39-R44, R87-R88, R99, R102	EIDBI provisional licensure and related modifications to EIDBI enrollment requirements and provider requirements	House 5/Senate 9 are different. House 6/Senate 10 are similar. House cross-references EIDBI background study requirement in the provisional licensing proposal; Senate does not. Senate 31 and 32 are Senate only.			

House section (Art. 2)	Senate section (Art. 2)	Revisor pages	Description	Comparison	Amdts	Proposed motion	Adopted
				House 24/Senate 33 have technical differences; staff recommends Senate. House 25/Senate 34 are different. Senate requires: • EIDBI agencies prior to licensure to designate a compliance officer • an EIDBI agency to demonstrate compliance with service delivery and billing laws • EIDBI agencies to have specified business practices and written procedures • EIDBI agencies to provide DHS with certain information upon request; House does not. Senate requires one hour of clinical supervision for every			

House section (Art. 2)	Senate section (Art. 2)	Revisor pages	Description	Comparison	Amdts	Proposed motion	Adopted
				20 hours of treatment; House requires one hour of supervision for every ten hours of treatment. House includes language related to clinical supervision standards; Senate does not. Senate permits remote monthly EIDBI intervention observation and direction for two consecutive months; House does not. House 26 is House only Senate 36, 86, and 87 are Senate only House 49/Senate 71 are the same House 50/Senate 72 are similar. Senate includes explicit language related to unlicensed EIDBI providers; different effective dates.			

House section (Art. 2)	Senate section (Art. 2)	Revisor pages	Description	Comparison	Amdts	Proposed motion	Adopted
7, 8, 60	11, 12, 81	R10-R13, R92	Modifies positive support provider qualifications	Different, but see HF2115-3			
9	14	R14-R16	Out of home respite for children exemption for unlicensed settings	Same, except technical differences Staff recommends House			
	15, 17, 56, 84, 85	R16, R17, R73, R98	Establishes swimming lessons for children under 12 as an allowable use of family support grants and consumer support grant funding and as a covered service under	Senate only			
	16, 29	R17, R33	requires the commissioner to establish and maintain a team of certified MnCHOICES assessors	Senate only			
10	75	R19-R21	Establishes the disability services technology and advocacy expansion grant	Similar. House codifies grant and Senate does not. Senate requires the grantee to work with the STAR program and House does not. Other technical differences.			
12, 13, 15, 16, 22	20, 21, 23, 28	R25-R26, R27-R28, R32	Permitting lead agencies to contract with hospitals to perform assessments of patients and assessment backlog reporting by lead agency	House 12, 13, and 15/Senate 20, 21, and 23 are the same. House 16 is House only			

House section (Art. 2)	Senate section (Art. 2)	Revisor pages	Description	Comparison	Amdts	Proposed motion	Adopted
				House 22/Senate 28 have technical differences; staff recommends House			
14	22	R26-R27	Modifies MnCHOICES certified assessor qualifications	Same			
17-19, 21	24-26	R28-R29, R31-R32	MnChoices reassessment changes: increasing permitted frequency of consecutive remote assessments from 2 years to 4; permitting alternatives to required recipient signatures on reassessments; permitting attestation to no change in condition;	House 17/Senate 24 are the same. House 18/Senate 25 are similar. House permits an alternative to verbal attestation and requires written attestation or signature within 30 days of completion of a reassessment; Senate does not. House 19/Senate 26 are similar. Technical differences in paragraph (a); staff recommends Senate. House provides appeal rights for denial of attestation of no change; Senate does not. House 21 is House only			

House section (Art. 2)	Senate section (Art. 2)	Revisor pages	Description	Comparison	Amdts	Proposed motion	Adopted
23	30	R33-R35	Specifies Tribes are allowable providers of VA/DD targeted case management	Same			
27		R44-R45	Imposes a 33% county share for all disability waiver services received by an individual who is receiving a DWRS rate exception	House only			
	38	R45	Modifications of CADI service authorizations NOTE: due to a drafting error – this section was included here and not in Senate only Article 3.	Senate only See Senate Only Article 3			
28, 30, 36	39, 41, 50	R47-R49, R49-R51, R64-R66	Establishes asleep and awake night supervision service rates under DWRS	House 28/Senate 39 have technical differences; staff recommends Senate. House 30/Senate 41 are the same. House 36/Senate 50 are the same except for paragraph (c). Senate temporarily increases the competitive workforce factor for unit-based services without programming under DWRS; House does not.			
29, 31	40, 42	R49, R51-52	Modifies future DWRS inflationary adjustments	Different. Senate temporarily suspends updates to BLS			

House section (Art. 2)	Senate section (Art. 2)	Revisor pages	Description	Comparison	Amdts	Proposed motion	Adopted
				data; House makes this change permanent. Senate temporarily updates the base wage index based on CPI-U before returning to BLS wage data updates of the base wage index; House permanently changes to biennial adjustments based on CPI-U. House limits biennial inflationary adjustments to 8%; Senate does not.			
	43 - 50	R52-R64	Temporarily increases competitive workforce factor	Senate only			
32, 33, 34		R52-R57	Removes the absence and utilization factor from the DWRS formula for residential services See Senate sections 43 to 45 – amend the same statutory sections but by temporarily increasing the competitive workforce factor for residential services; different effective dates.	House only			
35	49	R62-R64	Imposes a daily cap on individualized home supports with training	Similar. House effective date is January 1, 2027, and Senate effective date is January 1,			

House section (Art. 2)	Senate section (Art. 2)	Revisor pages	Description	Comparison	Amdts	Proposed motion	Adopted
			Senate language also temporarily increases the competitive workforce factor for residential services.	2026. House daily limit is eight hours; Senate daily limit is nine hours.			
37	51	R66-R67	Establishes additional criteria for evaluating requests for DWRS rate exceptions and annual renewals of existing rate exceptions	Similar. Senate limits circumstances for rate exceptions to the absence and utilization factor; House does not. Senate requires federal approval; House does not. Other technical differences.			
38	52	R67	Subjects DWRS payments to MA sanctions and monetary recovery requirements	Same			
	53, 54, 55, 56, 59, 60, 61, 63	R68-R74, R77-R79, R82	Technical changes to consultation services	Senate only			
51, 52, 61, 64	73, 74	R88-R90, R102	Waiver reimagine modifications; requiring individualized budget exceptions to allow for assessed needs for home care nursing	House 51/Senate 73 are different. House delays implementation of Waiver Reimage by one year compared with current			

House section (Art. 2)	Senate section (Art. 2)	Revisor pages	Description	Comparison	Amdts	Proposed motion	Adopted
				expected implementation; Senate does not. House moves the online support planning tool to this section; Senate does not. House 52 is House only (modifies Waiver Reimagine legislative report) House 61 is House only (establishes an Advisory Task Force on Waiver Reimagine) Senate 74 is Senate only (modifies online support planning tool) House 64 is House only (repeals Waiver Reimagine Advisory Council and online support planning tool)			
53 – 57, and 59		R90-R91	Delay by two years until 1/1/2028 the implementation of the HCBS life-sharing services and the commissioner established rates for both family residential services and life sharing.	House only But see Senate section 88			

House section (Art. 2)	Senate section (Art. 2)	Revisor pages	Description	Comparison	Amdts	Proposed motion	Adopted
58	See Senate Article 11, section 2	R91	Delays the supported-decision-making grants report to the legislature	See Senate article 11, section 2 Different. House delays report 2 years; Senate 1 year.			
	79	R96	requires the commissioner of human services to both review the data collection requirements for providers reimbursed under DWRS and review the medical assistance direct support professional compensation requirements for providers reimbursed under DWRS	Senate only			
	80	R97	permits medical assistance reimbursement for CFSS services provided while participant is receiving acute inpatient hospital services	Senate only			
	82	R97	requires the commissioner to consult with interested parties to develop draft legislation to codify in Minnesota statute the standards and requirements for integrated community supports provided under the disability waivers	Senate only			
	88	R100	increases the previously established but not yet effective rates for family residential services	Senate only But see House sections 53 – 57, and 59			

House section (Art. 2)	Senate section (Art. 2)	Revisor pages	Description	Comparison	Amdts	Proposed motion	Adopted
	89	R100	Requires the commissioner to conduct a rate study for waiver case management rates. The study must also include an evaluation of waiver case management service delivery.	Senate only			
	90	R101	Requires DHS to conduct a business process analysis of and redesign of its licensing activities, particularly its licensing activities related to 245D providers in order to improve efficiencies and timeliness of issuing licenses.	Senate only			
64	91	R102	Repealer	Different. House repeals the Waiver Reimagine Advisory Committee and online planning support tool (this language is moved to another section); Senate does not. Senate repeals obsolete HCBS licensing provisions; direct care provider premiums; the Legislative Task Force on Guardianship; and EIDBI revision of treatment modalities; House does not.			

House section (Art. 2)	Senate section (Art. 2)	Revisor pages	Description	Comparison	Amdts	Proposed motion	Adopted

House Article 3 – Health Care**Senate Article 6 of UEH2434-1– Health Care**

House section (Art. 3)	Senate section (Art. 6)	Revisor pages	Description	Comparison	Amdts	Proposed motion	Adopted
1-14, and 16		R1 to R6 and R11-R12	Governor’s proposal to reinstate TEFRA parental fees for parents with income equal to or greater than 675% of the federal poverty guidelines	House only			
15	1	R6	Enhances Medicaid disability determinations	Same see sch2115A10			
	2	R6	Requires the commissioner to establish a process and designate staff to implement an expedited disability determination process within the existing state medical review team.	Senate only			
	3	R7	Increases the NEMT base rate for protected transport	Senate only

	1-3 see also Art 2, section 38	R1-R2 R45A2	Modifies processes for CADI waiver service plan authorization by requiring case manager training on appropriate service authorizations, requiring supervisor approval of service plans prior to service plans being submitted to DHS for approval; and DHS staff to manually reauthorize CADI service plans with proposed authorized amounts that exceed enacted rate increases based on information submitted by the lead agency.	Senate only			
	4	R2	Requires the commissioner to convene a working group to develop LTSS reform proposals to submit to the legislature that would save \$135 million in the 28.29 biennium if enacted by the legislature. If the legislature did not enact the proposals sufficient to save this amount, the commissioner is	Senate only			

	Senate section (Art. 3)	Revisor pages	Description	Comparison	Amdts	Proposed motion	Adopted
			authorized to reduce rates under DWRS by an amount sufficient to save that amount.				
	5	R4	Requires the commissioner to convene a working group to identify cost-savings proposals to submit to the legislature that would save \$135 million in the 28.29 biennium if enacted by the legislature. If the legislature did not enact the proposals sufficient to save this amount, the commissioner is authorized to reduce rates under DWRS by an amount sufficient to save that amount.	Senate only			
	6	R5	Requires the commissioner to consider amending the CFSS plan to allow consultation services to be optional for those individuals who are already receiving waiver case management.	Senate only			
	7	R5	Requires the commissioner to develop an alternative payment methodology for MnCHOICES assessments that will save at least \$18 million dollars in the 28/29 biennium, and if the legislature does not enact provisions sufficient to save this amount, the commissioner is authorized to reduce reimbursement to lead agencies by an amount sufficient to achieve the net savings required.	Senate only			
	8	R6	Requires the commissioner to estimate the amount of savings during the 28/29 biennium attributable to the modifications of the CADI waiver service plan authorizations and offset by that amount the savings required under the previous provision related to MnCHOICES payment methodology reform.	Senate only			

Senate Only Article 5 of UEH2434-1 – Housing Supports
