

House and Senate proposed Military Pay subtractions (not federal conformity military items)

Subtraction for active service outside of Minnesota (replaces current nonresident treatment)

Cost and intent are same in both bills. Provisions needed are:

- ▶ Exempt military pay from filing requirement – needed to avoid restoring withholding and filing requirement for full-time military who are MN residents in active service outside MN – House Art. 5, sec. 2
- ▶ Remove military in active service outside MN from definition of nonresident – House Art. 5, sec. 14 (part); Senate Art. 5, sec. 2
- ▶ Allow subtraction for military pay for active service performed outside MN – House Art. 5, sec. 17 (part); Sen. Art. 5, sec. 4 (part)
- ▶ Coordinate new subtraction with dependent care and working family credits, to avoid disallowing credits for filers who claim the subtraction – House Art. 5, secs. 21 and 23
- ▶ Allow new subtraction to apply to the alternative minimum tax (AMT), to avoid shifting filers who claim the subtraction onto the AMT – House Art. 5, sec. 29 (part)
- ▶ Limit to MN residents to avoid ambiguity with respect to new federally required subtraction for active service performed by non residents (in federal update article) – language recommended by DOR

Cost is \$1,930,000 in FY 2006-2007, and \$1,970,000 in FY 2008-2009

Subtraction for active service in Minnesota (new)

Limited to active service (i.e. floods, tornadoes, missing persons, airport security); does not apply to regular training or to Active Guard Reserve (adjutant general and staff)

Cost and intent are same in both bills. Provisions needed are:

- ▶ Allow subtraction for military pay for active service performed in MN – House Art. 5, sec. 17 (part); Sen. Art. 5, sec. 4 (part)
- ▶ Coordinate new subtraction with dependent care and working family credits, to avoid disallowing credits for filers who claim the subtraction – House Art. 5, secs. 21 and 23; Sen. Art. 6, secs. 11 and 13
- ▶ Allow new subtraction to apply to the alternative minimum tax (AMT), to avoid shifting filers who claim the subtraction onto the AMT – House Art. 5, sec. 29 (part)

Cost is \$84,000 in FY 2006-2007, and \$84,000 in FY 2008-2009

Handout #2

House and Senate Military Income Provisions

Provision	Summary	Bill, House	Bill, Senate	Recommendation
Definition of a nonresident. Removes military members on active duty outside MN from the definition of nonresident status. Instead, taxpayers would subtract military pay from income.	Page 32	Art. 5, sec 14 (part).	Art 5, sec. 2 (TAX2)	Senate. (House provision includes separate unresolved issues.)
New subtraction for active duty military service. (1) Federal- or state-funded service outside this state. (Revenue impact —\$1.93 million FY 2006-07, —\$1.97 million FY 2008-09.)	Page 33	Art. 5, Sec. 14 (part), Clause 12.	Art. 5, Sec. sec. 4, Clause 14.	House (with DOR clarification).
(2) Service performed in MN. (Revenue impact —\$84,000 FY 2006-07, —\$84,000 FY 2008-09.)	Page 33	Art. 5, Sec. 17 (part), Clause 11. Does not apply to pay for regular training or drills; does not include certain full-time National Guard officers on state service.	Art. 5, Sec. sec. 4, Clause 13.	DOR recommendation: limit to MN residents (to coordinate with federal conformity, the exclusion for nonresidents); and adopt House provisions for refundable credits and AMT (below).
Refundable credits. Recognizes subtracted military income as assignable/qualifying income for the dependent care and working family income tax credits.	Page 36	Art. 6, sec 21 Dependent care credit, & 23 (part) Working Family Credit.	Art. 6, sec. 11, 13.	House.
AMT Exclusion. Prevents military members who use the subtraction and have MN taxable income, from being shifted onto the AMT.	Page 38	Art. 5, sec. 29 (part).	(Omitted inadvertently.)	House.
Filing requirements. Eliminates military pay from filing requirements, so full-time military members serving outside the state need not file a Minnesota return when nonmilitary MN income is less than the filing threshold.	Page 31	Art 5, sec 2	(No provision.)	House.

SENATE

1 Sec. 7. Minnesota Statutes 2004, section 645.44, is
2 amended by adding a subdivision to read:

3 Subd. 19. [FEE AND TAX.] (a) "Tax" means any fee, charge,
4 surcharge, or assessment imposed by a governmental entity on an
5 individual, person, entity, transaction, good, service, or other
6 thing. It excludes:

7 (1) a price that an individual or entity chooses
8 voluntarily to pay in return for receipt of goods or services
9 provided by the governmental entity; and

10 (2) a fine or penalty imposed for violation of a state or
11 local law or ordinance.

12 A government good or service does not include access to or the
13 authority to engage in private market transactions with a
14 nongovernmental party, such as licenses to engage in a trade,
15 profession, or business or to improve private property.

16 (b) For purposes of applying the laws of this state, a
17 "fee," "charge," or other similar term that satisfies the
18 functional requirements of paragraph (a) must be treated as a
19 tax for all purposes, regardless of whether the statute or law
20 names or describes it as a tax. The provisions of this
21 subdivision do not preempt or supersede limitations under law
22 that apply to fees, charges, or assessments.

23 (c) This subdivision is not intended to extend or limit the
24 application of article 4, section 18, of the Constitution of

1 Minnesota.

2 [EFFECTIVE DATE.] This section is effective the day

3 following final enactment.

Comparison of House and Senate Provisions Relating to Class 1c Homestead Resorts

Sec.	House Article 2	Senate Articles 8 and 22								
14	<p>Class 1c homestead resorts. Provides that for the 2005 assessment, the market value for class 1c property cannot increase by more than the greater of (1) 30 percent of the value of its 2003 assessment, or (2) 40 percent of the difference between its 2005 assessment and its 2003 assessment.</p> <p>For the 2006 through 2008 assessment (assuming LMV is extended), the valuation increase will be determined using the same schedule as for all other property subject to the limitation. Effective day following final enactment.</p>	<p>Art. 8, Sec. 29 (TAX2). Class 1c homestead resorts. Provides that for the 2005 assessment, the market value on class 1c property cannot increase by more than the greater of (1) 15 percent of the 2003 assessment or (2) 25 percent of the difference between the 2005 assessment and the 2003 assessment.</p> <p>For the 2006 and subsequent assessments, homestead resorts will be included in the classes which receive the regular limited market value treatment. Effective the day following final enactment.</p>								
	No comparable provision.	<p>Art. 8, Sec. 34 (TAX2). Homestead resorts valuation and deferment. Establishes a valuation and tax deferment program for class 1c homesteaded resorts similar to the agricultural "Green Acres" program. The taxes imposed are based on the use as a resort, and when the property no longer qualifies, the property is subject to additional taxes for the current year and for the six previous years. The amount due for each of those years is the difference between the amount of taxes actually paid and the amount that would have been paid if the valuation and deferment program had not existed. Special local assessments levied after June 30, 2005, are deferred (with interest) until the property no longer qualifies. Effective for taxes levied in 2005, payable in 2006 and thereafter.</p>								
21	<p>Class 1; homestead resorts (1c).</p> <p>Homestead resorts. Restructures the classification and taxation of homestead resort (1c) property. Provides a different limit for the amount of property value eligible to be included in class 1c. Currently, class 1c is at a uniform class rate of one percent and rather than limited by value is limited by area—all property value within an area of 800 feet by 500 feet in depth measured away from the lakeshore, but not exceeding 100 feet of lakeshore for each cabin or campsite, qualifies as class 1c, with the remaining value classified as 4c. This section replaces the area-based limit for class 1c with a limit based on value.</p> <p>Class Rate Changes</p> <table border="1" data-bbox="386 2021 727 2290"> <thead> <tr> <th>House</th> </tr> </thead> <tbody> <tr> <td>1st \$300,000 market at 0.55 percent</td> </tr> <tr> <td>Next \$1,500,000 market at 1.0 percent</td> </tr> <tr> <td>Excess over \$1,800,000 is class 4c</td> </tr> </tbody> </table>	House	1 st \$300,000 market at 0.55 percent	Next \$1,500,000 market at 1.0 percent	Excess over \$1,800,000 is class 4c	<p>Art. 8, Sec. 39 (TAX2).</p> <p>Similar provision.</p> <table border="1" data-bbox="1075 2021 1416 2290"> <thead> <tr> <th>Senate</th> </tr> </thead> <tbody> <tr> <td>1st \$600,000 market at 0.55 percent</td> </tr> <tr> <td>Next \$1,000,000 market at 1.0 percent</td> </tr> <tr> <td>Excess over \$1,600,000 is class 4c</td> </tr> </tbody> </table>	Senate	1 st \$600,000 market at 0.55 percent	Next \$1,000,000 market at 1.0 percent	Excess over \$1,600,000 is class 4c
House										
1 st \$300,000 market at 0.55 percent										
Next \$1,500,000 market at 1.0 percent										
Excess over \$1,800,000 is class 4c										
Senate										
1 st \$600,000 market at 0.55 percent										
Next \$1,000,000 market at 1.0 percent										
Excess over \$1,600,000 is class 4c										
	No comparable provision.	<p>Art. 8, Secs. 53 to 55 (TAX2). Resort tax due date. Provides that property taxes may be paid on class 1c or 4c resort properties by June 15 without incurring a penalty. Under current law, the taxes must be paid by May 15. The change is effective for taxes payable in 2006 and 2007 only.</p>								

Sec.	House Article 2	Senate Articles 8 and 22
26	<p>Note: These changes affect any portion of the homestead resorts that are classified as 4c, since class 4c property pays the state general tax.</p> <p>Apportionment and levy of the state general tax. Provides that the state general tax will be permanently apportioned into a commercial-industrial share at 95 percent and a seasonal recreational share at 5 percent. This is the approximate breakout of the state general tax for taxes payable in 2002, the first year of the state general tax. Class 4c is included in the seasonal recreational share; hence, that property would benefit from this proposed change.</p> <p>(The breakout for taxes payable in 2005 is 92.8 percent commercial-industrial versus 7.2 percent seasonal recreational.)</p>	<p>Art. 22, Sec. 10 (TAX3). State general levy; tax rate. Fixes the tax rate of the state property tax levy on commercial industrial property at the tax rate imposed for taxes payable in 2002, which was 57.933.</p> <p>The amount of the state levy on seasonal recreational property would continue to be increased based on the rate of inflation as under current law. (Class 4c is included in this group.) The payable 2005 tax rate is 51.121.</p> <p>Beginning with taxes payable in 2008, the Commissioner of Finance is required to deposit the increase in the state general levy over the amount levied in 2002 in the Education Reserve Account.</p>

1 moves to amend .. F. No., as follows:

2 Page .., after line .., insert:

3 "Sec. ... Minnesota Statutes 2004, section 272.02, is
4 amended by adding a subdivision to read:

5 Subd. 68. [ELDERLY LIVING FACILITY.] An elderly living
6 facility is exempt from taxation if it meets all of the
7 following requirements:

8 (1) the facility is located in a city of the first class
9 with a population of more than 350,000;

10 (2) the facility is owned and operated by a nonprofit
11 organization;

12 (3) the facility consists of 157 living units;

13 (4) the facility is located across the street from a public
14 park and a community college;

15 (5) the residents of the facility must be at least 62 years
16 of age;

17 (6) the facility provides the residents with social and
18 physical support; and

19 (7) the residents of the facility meet the income test for
20 qualified low-income housing projects under 42(g) of the
21 Internal Revenue Code.

22 Provided that the property continues to meet all of the
23 above criteria, the property is exempt for the term of the
24 facility's financing, as of May 1, 2005, or January 1, 2030,
