13 maltreated a resident prior to October 1, 1995, shall be held as
14 a contested case proceeding under the provisions of chapter 14.
15 Hearings requested under clause ~~(8)~~ (9) apply only to incidents
16 of maltreatment that occur on or after July 1, 1997. A hearing
17 for an individual or facility under clause ~~(8)~~ (9) is only
18 available when there is no juvenile court or adult criminal
19 action pending. If such action is filed in either court while
20 an administrative review is pending, the administrative review
21 must be suspended until the judicial actions are completed. If
22 the juvenile court action or criminal charge is dismissed or the
23 criminal action overturned, the matter may be considered in an
24 administrative hearing.

26 procedures are not an administrative appeal.

36 (i) an increase in the overall bed capacity at that site; (ii)

1 relocation of hospital beds from one physical site or complex to
2 another; or (iii) redistribution of hospital beds within the
3 state or a region of the state;

4 (8) relocation or redistribution of hospital beds within a
5 hospital corporate system that involves the transfer of beds
6 from a closed facility site or complex to an existing site or
7 complex provided that: (i) no more than 50 percent of the
8 capacity of the closed facility is transferred; (ii) the
9 capacity of the site or complex to which the beds are
10 transferred does not increase by more than 50 percent; (iii) the
11 beds are not transferred outside of a federal health systems
12 agency boundary in place on July 1, 1983; and (iv) the
13 relocation or redistribution does not involve the construction
14 of a new hospital building;

15 (9) a construction project involving up to 35 new beds in a
16 psychiatric hospital in Rice County that primarily serves
17 adolescents and that receives more than 70 percent of its
18 patients from outside the state of Minnesota;

19 (10) a project to replace a hospital or hospitals with a
20 combined licensed capacity of 130 beds or less if: (i) the new
21 hospital site is located within five miles of the current site;
22 and (ii) the total licensed capacity of the replacement
23 hospital, either at the time of construction of the initial
24 building or as the result of future expansion, will not exceed
25 70 licensed hospital beds, or the combined licensed capacity of
26 the hospitals, whichever is less;

27 (11) the relocation of licensed hospital beds from an
28 existing state facility operated by the commissioner of human
29 services to a new or existing facility, building, or complex
30 operated by the commissioner of human services; from one
31 regional treatment center site to another; or from one building
32 or site to a new or existing building or site on the same
33 campus;

34 (12) the construction or relocation of hospital beds
35 ~~operated-by-a-hospital~~ within or among hospitals having a
36 statutory obligation to provide hospital and medical services

1 for the indigent that does not result in a net increase in the
2 number of hospital beds;

3 (13) a construction project involving the addition of up to
4 31 new beds in an existing nonfederal hospital in Beltrami
5 County;

6 (14) a construction project involving the addition of up to
7 eight new beds in an existing nonfederal hospital in Otter Tail
8 County with 100 licensed acute care beds;

9 (15) a construction project involving the addition of 20
10 new hospital beds used for rehabilitation services in an
11 existing hospital in Carver County serving the southwest
12 suburban metropolitan area. Beds constructed under this clause
13 shall not be eligible for reimbursement under medical
14 assistance, general assistance medical care, or MinnesotaCare;

15 (16) a project for the construction or relocation of up to
16 20 hospital beds for the operation of up to two psychiatric
17 facilities or units for children provided that the operation of
18 the facilities or units have received the approval of the
19 commissioner of human services;

20 (17) a project involving the addition of 14 new hospital
21 beds to be used for rehabilitation services in an existing
22 hospital in Itasca County; or

23 (18) a project to add 20 licensed beds in existing space at
24 a hospital in Hennepin County that closed 20 rehabilitation beds
25 in 2002, provided that the beds are used only for rehabilitation
26 in the hospital's current rehabilitation building. If the beds
27 are used for another purpose or moved to another location, the
28 hospital's licensed capacity is reduced by 20 beds; or

29 (19) a critical access hospital established under section
30 144.1483, clause (10), and section 1820 of the federal Social
31 Security Act, United States Code, title 42, section 1395i-4,
32 that delicensed beds since enactment of the Balanced Budget Act
33 of 1997, Public Law 105-33, to the extent that the critical
34 access hospital does not seek to exceed the maximum number of
35 beds permitted such hospital under federal law.

36 Sec. 19. Minnesota Statutes 2004, section 144.562,

1 subdivision 2, is amended to read:

2 Subd. 2. [ELIGIBILITY FOR LICENSE CONDITION.] (a) A
3 hospital is not eligible to receive a license condition for
4 swing beds unless (1) it either has a licensed bed capacity of
5 less than 50 beds defined in the federal Medicare regulations,
6 Code of Federal Regulations, title 42, section 482.66, or it has
7 a licensed bed capacity of 50 beds or more and has swing beds
8 that were approved for Medicare reimbursement before May 1,
9 1985, or it has a licensed bed capacity of less than 65 beds and
10 the available nursing homes within 50 miles have had, in the
11 aggregate, an average occupancy rate of 96 percent or higher in
12 the most recent two years as documented on the statistical
13 reports to the Department of Health; and (2) it is located in a
14 rural area as defined in the federal Medicare regulations, Code
15 of Federal Regulations, title 42, section 482.66.

16 (b) Except for those critical access hospitals established
17 under section 144.1483, clause (10), and section 1820 of the
18 federal Social Security Act, United States Code, title 42,
19 section 1395i-4, that have an attached nursing home, eligible
20 hospitals are allowed a total of ~~17460~~ 2,000 days of swing bed
21 use per year, ~~provided that no more than ten hospital beds are~~
22 used as swing beds at any one time. Critical access hospitals
23 that have an attached nursing home are allowed swing bed use as
24 provided in federal law.

25 (c) Except for critical access hospitals that have an
26 attached nursing home, the commissioner of health must may
27 approve swing bed use beyond ~~17460~~ 2,000 days as long as there
28 are no Medicare certified skilled nursing facility beds
29 available within 25 miles of that hospital that are willing to
30 admit the patient. Critical access hospitals exceeding 2,000
31 swing bed days must maintain documentation that they have
32 contacted skilled nursing facilities within 25 miles to
33 determine if any skilled nursing facility beds are available
34 that are willing to admit the patient.

35 (d) After reaching 2,000 days of swing bed use in a year,
36 an eligible hospital to which this limit applies may admit six

1 additional patients to swing beds each year without seeking
2 approval from the commissioner or being in violation of this
3 subdivision. These six swing bed admissions are exempt from the
4 limit of 2,000 annual swing bed days for hospitals subject to
5 this limit.

6 (e) A health care system that is in full compliance with
7 this subdivision may allocate its total limit of swing bed days
8 among the hospitals within the system, provided that no hospital
9 in the system without an attached nursing home may exceed 2,000
10 swing bed days per year.

11 Sec. 20. [144.602] [DEFINITIONS.]

12 Subdivision 1. [APPLICABILITY.] For purposes of sections
13 144.601 to 144.608, the terms defined in this section have the
14 meanings given them.

15 Subd. 2. [COMMISSIONER.] "Commissioner" means the
16 commissioner of health.

17 Subd. 3. [MAJOR TRAUMA.] "Major trauma" means a sudden
18 severe injury or damage to the body caused by an external force
19 that results in potentially life-threatening injuries or that
20 could result in the following disabilities:

21 (1) impairment of cognitive or mental abilities;

22 (2) impairment of physical functioning; or

23 (3) disturbance of behavioral or emotional functioning.

24 Subd. 4. [TRAUMA HOSPITAL.] "Trauma hospital" means a
25 hospital that voluntarily meets the commissioner's criteria
26 under section 144.603 and that has been designated as a trauma
27 hospital under section 144.605.

28 Sec. 21. [144.603] [STATEWIDE TRAUMA SYSTEM CRITERIA.]

29 Subdivision 1. [CRITERIA ESTABLISHED.] The commissioner
30 shall adopt criteria to ensure that severely injured people are
31 promptly transported and treated at trauma hospitals appropriate
32 to the severity of injury. Minimum criteria shall govern
33 emergency medical service trauma triage and transportation
34 guidelines, designation of hospitals as trauma hospitals,
35 interhospital transfers, a trauma registry, and a trauma system
36 governance structure.

1 Subd. 2. [BASIS; VERIFICATION.] The commissioner shall
2 base the establishment, implementation, and modifications to the
3 criteria under subdivision 1 on the department-published
4 Minnesota comprehensive statewide trauma system plan. The
5 commissioner shall seek the advice of the Trauma Advisory
6 Council in implementing and updating the criteria, using
7 accepted and prevailing trauma transport, treatment, and
8 referral standards of the American College of Surgeons, the
9 American College of Emergency Physicians, the Minnesota
10 Emergency Medical Services Regulatory Board, the national Trauma
11 Resources Network, and other widely recognized trauma experts.
12 The commissioner shall adapt and modify the standards as
13 appropriate to accommodate Minnesota's unique geography and the
14 state's hospital and health professional distribution and shall
15 verify that the criteria are met by each hospital voluntarily
16 participating in the statewide trauma system.

17 Subd. 3. [RULE EXEMPTION AND REPORT TO LEGISLATURE.] In
18 developing and adopting the criteria under this section, the
19 commissioner of health is exempt from chapter 14, including
20 section 14.386. By September 1, 2009, the commissioner must
21 report to the legislature on implementation of the voluntary
22 trauma system, including recommendations on the need for
23 including the trauma system criteria in rule.

24 Sec. 22. [144.604] [TRAUMA TRIAGE AND TRANSPORTATION.]

25 Subdivision 1. [TRANSPORT REQUIREMENT.] Unless the
26 Emergency Medical Services Regulatory Board has approved a
27 licensed ambulance service's deviation from the guidelines under
28 section 144E.101, subdivision 14, the ambulance service must
29 transport major trauma patients from the scene to the highest
30 state-designated trauma hospital within 30 minutes' transport
31 time.

32 Subd. 2. [EXCEPTIONS.] Notwithstanding subdivision 1:
33 (1) patients with compromised airways must be transported
34 immediately to the nearest designated trauma hospital; and
35 (2) level II trauma hospitals capable of providing
36 definitive trauma care must not be bypassed to reach a level I

1 trauma hospital.

2 Subd. 3. [UNDESIGNATED HOSPITALS.] No major trauma patient
3 shall be transported to a hospital not participating in the
4 statewide trauma system unless no trauma hospital is available
5 within 30 minutes' transport time.

6 [EFFECTIVE DATE.] This section is effective July 1, 2009.

7 Sec. 23. [144.605] [DESIGNATING TRAUMA HOSPITALS.]

8 Subdivision 1. [NAMING PRIVILEGES.] Unless it has been
9 designated a trauma hospital by the commissioner, no hospital
10 shall use the term trauma center or trauma hospital in its name
11 or its advertising or shall otherwise indicate it has trauma
12 treatment capabilities.

13 Subd. 2. [DESIGNATION; REVERIFICATION.] The commissioner
14 shall designate four levels of trauma hospitals. A hospital
15 that voluntarily meets the criteria for a particular level of
16 trauma hospital shall apply to the commissioner for designation
17 and, upon the commissioner's verifying the hospital meets the
18 criteria, be designated a trauma hospital at the appropriate
19 level for a three-year period. Prior to the expiration of the
20 three-year designation, a hospital seeking to remain part of the
21 voluntary system must apply for and successfully complete a
22 reverification process, be awaiting the site visit for the
23 reverification, or be awaiting the results of the site visit.
24 The commissioner may extend a hospital's existing designation
25 for up to 18 months on a provisional basis if the hospital has
26 applied for reverification in a timely manner but has not yet
27 completed the reverification process within the expiration of
28 the three-year designation and the extension is in the best
29 interest of trauma system patient safety. To be granted a
30 provisional extension, the hospital must be:

31 (1) scheduled and awaiting the site visit for
32 reverification;

33 (2) awaiting the results of the site visit; or

34 (3) responding to and correcting identified deficiencies
35 identified in the site visit.

36 Subd. 3. [ACS VERIFICATION.] The commissioner shall grant

1 the appropriate level I, II, or III trauma hospital designation
2 to a hospital that successfully completes and passes the
3 American College of Surgeons (ACS) verification standards at the
4 hospital's cost, submits verification documentation to the
5 Trauma Advisory Council, and formally notifies the Trauma
6 Advisory Council of ACS verification.

7 Subd. 4. [LEVEL III DESIGNATION; NOT ACS VERIFIED.] (a)
8 The commissioner shall grant the appropriate level III trauma
9 hospital designation to a hospital that is not ACS verified but
10 that successfully completes the designation process under
11 paragraph (b).

12 (b) The hospital must complete and submit a self-reported
13 survey and application to the Trauma Advisory Council for
14 review, verifying that the hospital meets the criteria as a
15 level III trauma hospital. When the Trauma Advisory Council is
16 satisfied the application is complete, the commissioner shall
17 arrange a site review visit. Upon successful completion of the
18 site review, the review team shall make written recommendations
19 to the Trauma Advisory Council. If approved by the Trauma
20 Advisory Council, a letter of recommendation shall be sent to
21 the commissioner for final approval and designation.

22 Subd. 5. [LEVEL IV DESIGNATION.] (a) The commissioner
23 shall grant the appropriate level IV trauma hospital designation
24 to a hospital that successfully completes the designation
25 process under paragraph (b).

26 (b) The hospital must complete and submit a self-reported
27 survey and application to the Trauma Advisory Council for
28 review, verifying that the hospital meets the criteria as a
29 level IV trauma hospital. When the Trauma Advisory Council is
30 satisfied the application is complete, the council shall review
31 the application and, if the council approves the application,
32 send a letter of recommendation to the commissioner for final
33 approval and designation. The commissioner shall grant a level
34 IV designation and shall arrange a site review visit within
35 three years of the designation and every three years thereafter,
36 to coincide with the three-year reverification process.

1 Subd. 6. [CHANGES IN DESIGNATION.] Changes in a trauma
2 hospital's ability to meet the criteria for the hospital's level
3 of designation must be self-reported to the Trauma Advisory
4 Council and to other regional hospitals and local emergency
5 medical services providers and authorities. If the hospital
6 cannot correct its ability to meet the criteria for its level
7 within six months, the hospital may apply for redesignation at a
8 different level.

9 Subd. 7. [HIGHER DESIGNATION.] A trauma hospital may apply
10 for a higher trauma hospital designation one time during the
11 hospital's three-year designation by completing the designation
12 process for that level of trauma hospital.

13 Subd. 8. [LOSS OF DESIGNATION.] The commissioner may
14 refuse to designate or redesignate or may revoke a previously
15 issued trauma hospital designation if a hospital does not meet
16 the criteria of the statewide trauma plan, in the interests of
17 patient safety, or if a hospital denies or refuses a reasonable
18 request by the commissioner or the commissioner's designee to
19 verify information by correspondence or an on-site visit.

20 Sec. 24. [144.606] [INTERHOSPITAL TRANSFERS.]

21 Subdivision 1. [WRITTEN PROCEDURES REQUIRED.] A level III
22 or IV trauma hospital must have predetermined, written
23 procedures that direct the internal process for rapidly and
24 efficiently transferring a major trauma patient to definitive
25 care, including:

26 (1) clearly identified anatomic and physiologic criteria
27 that, if met, will immediately initiate transfer to definitive
28 care;

29 (2) a listing of appropriate ground and air transport
30 services, including primary and secondary telephone contact
31 numbers; and

32 (3) immediately available supplies, records, or other
33 necessary resources that will accompany a patient.

34 Subd. 2. [TRANSFER AGREEMENTS.] (a) A level III or IV
35 trauma hospital may transfer patients to a hospital with which
36 the trauma hospital has a written transfer agreement.

1 (b) Each agreement must be current and with a trauma
2 hospital or trauma hospitals capable of caring for major trauma
3 injuries.

4 (c) A level III or IV trauma hospital must have a current
5 transfer agreement with a hospital that has special capabilities
6 in the treatment of burn injuries and a transfer agreement with
7 a second hospital that has special capabilities in the treatment
8 of burn injuries, should the primary transfer hospital be unable
9 to accept a burn patient.

10 Sec. 25. [144.607] [TRAUMA REGISTRY.]

11 Subdivision 1. [REGISTRY PARTICIPATION REQUIRED.] A trauma
12 hospital must participate in the statewide trauma registry.

13 Subd. 2. [TRAUMA REPORTING.] A trauma hospital must report
14 major trauma injuries as part of the reporting for the traumatic
15 brain injury and spinal cord injury registry required in
16 sections 144.661 to 144.665.

17 Subd. 3. [APPLICATION OF OTHER LAW.] Sections 144.661 to
18 144.665 apply to a major trauma reported to the statewide trauma
19 registry, with the exception of sections 144.662, clause (2),
20 and 144.664, subdivision 3.

21 Sec. 26. [144.608] [TRAUMA ADVISORY COUNCIL.]

22 Subdivision 1. [TRAUMA ADVISORY COUNCIL ESTABLISHED.] (a)
23 A Trauma Advisory Council is established to advise, consult
24 with, and make recommendations to the commissioner on the
25 development, maintenance, and improvement of a statewide trauma
26 system.

27 (b) The council shall consist of the following members:

28 (1) a trauma surgeon certified by the American College of
29 Surgeons who practices in a level I or II trauma hospital;

30 (2) a general surgeon certified by the American College of
31 Surgeons whose practice includes trauma and who practices in a
32 designated rural area as defined under section 144.1501,
33 subdivision 1, paragraph (b);

34 (3) a neurosurgeon certified by the American Board of
35 Neurological Surgery who practices in a level I or II trauma
36 hospital;

1 (4) a trauma program nurse manager or coordinator
2 practicing in a level I or II trauma hospital;

3 (5) an emergency physician certified by the American
4 College of Emergency Physicians whose practice includes
5 emergency room care in a level I, II, III, or IV trauma
6 hospital;

7 (6) an emergency room nurse manager who practices in a
8 level III or IV trauma hospital;

9 (7) a family practice physician whose practice includes
10 emergency room care in a level III or IV trauma hospital located
11 in a designated rural area as defined under section 144.1501,
12 subdivision 1, paragraph (b);

13 (8) a nurse practitioner, as defined under section
14 144.1501, subdivision 1, paragraph (h), or a physician
15 assistant, as defined under section 144.1501, subdivision 1,
16 paragraph (j), whose practice includes emergency room care in a
17 level IV trauma hospital located in a designated rural area as
18 defined under section 144.1501, subdivision 1, paragraph (b);

19 (9) a pediatrician certified by the American Academy of
20 Pediatrics whose practice includes emergency room care in a
21 level I, II, III, or IV trauma hospital;

22 (10) an orthopedic surgeon certified by the American Board
23 of Orthopedic Surgery whose practice includes trauma and who
24 practices in a level I, II, or III trauma hospital;

25 (11) the state emergency medical services medical director
26 appointed by the Emergency Medical Services Regulatory Board;

27 (12) a hospital administrator of a level III or IV trauma
28 hospital located in a designated rural area as defined under
29 section 144.1501, subdivision 1, paragraph (b);

30 (13) a rehabilitation specialist whose practice includes
31 rehabilitation of patients with major trauma injuries or
32 traumatic brain injuries and spinal cord injuries as defined
33 under section 144.661;

34 (14) an attendant or ambulance director who is an EMT,
35 EMT-I, or EMT-P within the meaning of section 144E.001 and who
36 actively practices with a licensed ambulance service in a

1 primary service area located in a designated rural area as
2 defined under section 144.1501, subdivision 1, paragraph (b);
3 and

4 (15) the commissioner of public safety or the
5 commissioner's designee.

6 (c) Council members whose appointment is dependent on
7 practice in a level III or IV trauma hospital may be appointed
8 to an initial term based upon their statements that the hospital
9 intends to become a level III or IV facility by July 1, 2009.

10 Subd. 2. [COUNCIL ADMINISTRATION.] (a) The council must
11 meet at least twice a year but may meet more frequently at the
12 call of the chair, a majority of the council members, or the
13 commissioner.

14 (b) The terms, compensation, and removal of members of the
15 council are governed by section 15.059, except that the council
16 expires June 30, 2015.

17 (c) The council may appoint subcommittees and workgroups.
18 Subcommittees shall consist of council members. Workgroups may
19 include noncouncil members. Noncouncil members shall be
20 compensated for workgroup activities under section 15.059,
21 subdivision 3, but shall receive expenses only.

22 Subd. 3. [REGIONAL TRAUMA ADVISORY COUNCILS.] (a) Up to
23 eight regional trauma advisory councils may be formed as needed.

24 (b) Regional trauma advisory councils shall advise, consult
25 with, and make recommendation to the state Trauma Advisory
26 Council on suggested regional modifications to the statewide
27 trauma criteria that will improve patient care and accommodate
28 specific regional needs.

29 (c) Each regional advisory council must have no more than
30 15 members. The commissioner, in consultation with the
31 Emergency Medical Services Regulatory Board and the commissioner
32 of public safety, shall name the council members.

33 (d) Regional council members may receive expenses in the
34 same manner and amount as authorized by the plan adopted under
35 section 43A.18, subdivision 2.

36 Sec. 27. Minnesota Statutes 2004, section 144.9504,

1 subdivision 2, is amended to read:

2 Subd. 2. [LEAD RISK ASSESSMENT.] (a) An assessing agency
3 shall conduct a lead risk assessment of a residence according to
4 the venous blood lead level and time frame set forth in clauses
5 (1) to ~~(5)~~ (4) for purposes of secondary prevention:

6 (1) within 48 hours of a child or pregnant female in the
7 residence being identified to the agency as having a venous
8 blood lead level equal to or greater than ~~70~~ 60 micrograms of
9 lead per deciliter of whole blood;

10 (2) within five working days of a child or pregnant female
11 in the residence being identified to the agency as having a
12 venous blood lead level equal to or greater than 45 micrograms
13 of lead per deciliter of whole blood;

14 (3) within ten working days of a child in the residence
15 being identified to the agency as having a venous blood lead
16 level equal to or greater than ~~20~~ 15 micrograms of lead per
17 deciliter of whole blood; or

18 ~~(4) within-ten-working-days-of-a-child-in-the-residence~~
19 ~~being-identified-to-the-agency-as-having-a-venous-blood-lead~~
20 ~~level-that-persists-in-the-range-of-15-to-19-micrograms-of-lead~~
21 ~~per-deciliter-of-whole-blood-for-90-days-after-initial~~
22 ~~identification;-or~~

23 ~~(5)~~ within ten working days of a pregnant female in the
24 residence being identified to the agency as having a venous
25 blood lead level equal to or greater than ten micrograms of lead
26 per deciliter of whole blood.

27 (b) Within the limits of available local, state, and
28 federal appropriations, an assessing agency may also conduct a
29 lead risk assessment for children with any elevated blood lead
30 level.

31 (c) In a building with two or more dwelling units, an
32 assessing agency shall assess the individual unit in which the
33 conditions of this section are met and shall inspect all common
34 areas accessible to a child. If a child visits one or more
35 other sites such as another residence, or a residential or
36 commercial child care facility, playground, or school, the

1 assessing agency shall also inspect the other sites. The
2 assessing agency shall have one additional day added to the time
3 frame set forth in this subdivision to complete the lead risk
4 assessment for each additional site.

5 (d) Within the limits of appropriations, the assessing
6 agency shall identify the known addresses for the previous 12
7 months of the child or pregnant female with venous blood lead
8 levels of at least ~~20~~ 15 micrograms per deciliter for the child
9 or at least ten micrograms per deciliter for the pregnant
10 female; notify the property owners, landlords, and tenants at
11 those addresses that an elevated blood lead level was found in a
12 person who resided at the property; and give them primary
13 prevention information. Within the limits of appropriations,
14 the assessing agency may perform a risk assessment and issue
15 corrective orders in the properties, if it is likely that the
16 previous address contributed to the child's or pregnant female's
17 blood lead level. The assessing agency shall provide the notice
18 required by this subdivision without identifying the child or
19 pregnant female with the elevated blood lead level. The
20 assessing agency is not required to obtain the consent of the
21 child's parent or guardian or the consent of the pregnant female
22 for purposes of this subdivision. This information shall be
23 classified as private data on individuals as defined under
24 section 13.02, subdivision 12.

25 (e) The assessing agency shall conduct the lead risk
26 assessment according to rules adopted by the commissioner under
27 section 144.9508. An assessing agency shall have lead risk
28 assessments performed by lead risk assessors licensed by the
29 commissioner according to rules adopted under section 144.9508.
30 If a property owner refuses to allow a lead risk assessment, the
31 assessing agency shall begin legal proceedings to gain entry to
32 the property and the time frame for conducting a lead risk
33 assessment set forth in this subdivision no longer applies. A
34 lead risk assessor or assessing agency may observe the
35 performance of lead hazard reduction in progress and shall
36 enforce the provisions of this section under section 144.9509.

1 Deteriorated painted surfaces, bare soil, and dust must be
 2 tested with appropriate analytical equipment to determine the
 3 lead content, except that deteriorated painted surfaces or bare
 4 soil need not be tested if the property owner agrees to engage
 5 in lead hazard reduction on those surfaces. The lead content of
 6 drinking water must be measured if another probable source of
 7 lead exposure is not identified. Within a standard metropolitan
 8 statistical area, an assessing agency may order lead hazard
 9 reduction of bare soil without measuring the lead content of the
 10 bare soil if the property is in a census tract in which soil
 11 sampling has been performed according to rules established by
 12 the commissioner and at least 25 percent of the soil samples
 13 contain lead concentrations above the standard in section
 14 144.9508.

15 (f) Each assessing agency shall establish an administrative
 16 appeal procedure which allows a property owner to contest the
 17 nature and conditions of any lead order issued by the assessing
 18 agency. Assessing agencies must consider appeals that propose
 19 lower cost methods that make the residence lead safe. The
 20 commissioner shall use the authority and appeal procedure
 21 granted under sections 144.989 to 144.993.

22 (g) Sections 144.9501 to 144.9509 neither authorize nor
 23 prohibit an assessing agency from charging a property owner for
 24 the cost of a lead risk assessment.

25 Sec. 28. Minnesota Statutes 2004, section 144.98,

23 Minnesota, including, but not limited to:

24 (1) identifying and disseminating appropriate
25 evidence-based cervical cancer screening guidelines to be used
26 in Minnesota;

27 (2) increasing the use of appropriate screening based on

29 Minnesota and monitoring results of these medical groups; and

26 The commissioners of health and commerce shall, in
27 consultation with the commissioner of employee relations,
28 convene a work group regarding health plan coverage of routine
29 care associated with clinical trials. The work group must
30 explore what high-quality clinical trials beyond cancer-only
31 clinical trials should be covered by health plans. All other
32 types of clinical trials, disease-based or technology-based such
33 as drug trials or device trials should be considered. The work
34 group shall use the current, cancer-only model voluntary
35 agreement that includes definitions of high-quality clinical
36 trials, protocol induced costs, and routine care costs as a

1 starting point for discussions. As determined appropriate, the
2 work group shall establish model voluntary agreement guidelines
3 for health plan coverage of routine patient care costs incurred
4 by patients participating in high quality clinical trials. The
5 work group shall be made up of representatives of consumers,
6 patient advocates, health plan companies, fully insured and

18 public health information network report to the 2005 legislature
19 and the e-health initiative.

20 (b) The commissioner of health shall work with the
21 commissioner of human services to determine how data from care
22 systems can be utilized to assist with population health needs
23 assessments and targeted prevention efforts. The commissioner
24 of health shall incorporate these findings into the development
25 of a Minnesota public health information network and the
26 e-health initiative.

27 Sec. 48. [REPORT TO LEGISLATURE ON SWING BED USAGE.]

28 The commissioner of health shall review swing bed and
29 related data reported under Minnesota Statutes, sections

31 The commissioner shall report and make any appropriate
32 recommendations to the legislature by January 31, 2007, on:

33 (1) the use of swing bed days by all hospitals and by
34 critical access hospitals;

35 (2) occupancy rates in skilled nursing facilities within 25
36 miles of hospitals with swing beds; and

1 (3) information provided by rural providers on the use of
2 swing beds and the adequacy of rural services across the
3 continuum of care.

4 Sec. 49. [IMPLEMENTATION OF AN ELECTRONIC HEALTH RECORDS
5 SYSTEM.]

6 The commissioner of health, in consultation with the
7 electronic health record planning work group established in Laws
8 2004, chapter 288, article 7, section 7, shall develop a
9 statewide plan for all hospitals and physician group practices
10 to have in place an interoperable electronic health records
11 system by January 1, 2015. In developing the plan, the
12 commissioner shall consider:

13 (1) creating financial assistance to hospitals and
14 providers for implementing or updating an electronic health
15 records system, including, but not limited to, the establishment
16 of grants, financial incentives, or low-interest loans;

17 (2) addressing specific needs and concerns of safety-net
18 hospitals, community health clinics, and other health care
19 providers who serve low-income patients in implementing an
20 electronic records system within the hospital or practice; and

21 (3) providing assistance in the development of possible
22 alliances or collaborations among providers.

23 The commissioner shall provide preliminary reports to the
24 chairs of the senate and house committees with jurisdiction over
25 health care policy and finance biennially beginning January 15,
26 2007, on the status of reaching the goal for all hospitals and
27 physician group practices to have an interoperable electronic
28 health records system in place by January 1, 2015. The reports
29 shall include recommendations on statutory language necessary to
30 implement the plan, including possible financing options.

31 Sec. 50. [RULE AMENDMENT.]

11 ARTICLE 2

12 HEALTH CARE - DEPARTMENT OF HUMAN SERVICES

13 Section 1. Minnesota Statutes 2004, section 62D.12,
14 subdivision 19, is amended to read:

15 Subd. 19. [COVERAGE OF SERVICE.] A health maintenance
16 organization may not deny or limit coverage of a service which
17 the enrollee has already received solely on the basis of lack of
18 prior authorization or second opinion, to the extent that the
19 service would otherwise have been covered under the member's
20 contract by the health maintenance organization had prior
21 authorization or second opinion been obtained. This subdivision
22 does not apply to health maintenance organizations for services
23 provided in the prepaid health programs administered under
24 chapter 256B, 256D, or 256L.

25 Sec. 2. Minnesota Statutes 2004, section 62M.06,
26 subdivision 2, is amended to read:

27 Subd. 2. [EXPEDITED APPEAL.] (a) When an initial
28 determination not to certify a health care service is made prior
29 to or during an ongoing service requiring review and the
30 attending health care professional believes that the
31 determination warrants an expedited appeal, the utilization
32 review organization must ensure that the enrollee and the
33 attending health care professional have an opportunity to appeal
34 the determination over the telephone on an expedited basis. In
35 such an appeal, the utilization review organization must ensure
36 reasonable access to its consulting physician or health care

1 provider. For review of initial determinations not to certify a
2 service for prepaid health care programs under chapter 256B,
3 256D, or 256L, the health care provider conducting the review
4 must follow coverage policies adopted by the health plan company
5 that are based upon published evidence-based care guidelines as
6 established by a nonprofit Minnesota quality improvement
7 organization, a nationally recognized guideline development
8 organization, or by the professional association of the
9 specialty that typically provides the service.

10 (b) The utilization review organization shall notify the
11 enrollee and attending health care professional by telephone of
12 its determination on the expedited appeal as expeditiously as
13 the enrollee's medical condition requires, but no later than 72
14 hours after receiving the expedited appeal.

15 (c) If the determination not to certify is not reversed
16 through the expedited appeal, the utilization review
17 organization must include in its notification the right to
18 submit the appeal to the external appeal process described in
19 section 62Q.73 and the procedure for initiating the process.
20 This information must be provided in writing to the enrollee and
21 the attending health care professional as soon as practical.

22 Sec. 3. Minnesota Statutes 2004, section 62M.06,
23 subdivision 3, is amended to read:

24 Subd. 3. [STANDARD APPEAL.] The utilization review
25 organization must establish procedures for appeals to be made
26 either in writing or by telephone.

27 (a) A utilization review organization shall notify in
28 writing the enrollee, attending health care professional, and
29 claims administrator of its determination on the appeal within
30 30 days upon receipt of the notice of appeal. If the
31 utilization review organization cannot make a determination
32 within 30 days due to circumstances outside the control of the
33 utilization review organization, the utilization review
34 organization may take up to 14 additional days to notify the
35 enrollee, attending health care professional, and claims
36 administrator of its determination. If the utilization review

1 organization takes any additional days beyond the initial 30-day
2 period to make its determination, it must inform the enrollee,
3 attending health care professional, and claims administrator, in
4 advance, of the extension and the reasons for the extension.

5 (b) The documentation required by the utilization review
6 organization may include copies of part or all of the medical
7 record and a written statement from the attending health care
8 professional.

9 (c) Prior to upholding the initial determination not to
10 certify for clinical reasons, the utilization review
11 organization shall conduct a review of the documentation by a
12 physician who did not make the initial determination not to
13 certify. For review of initial determinations not to certify a
14 service for prepaid health care programs under chapter 256B,
15 256D, or 256L, the physician conducting the review must follow
16 coverage policies adopted by the health plan company that are
17 based upon publicly available evidence-based care guidelines as
18 established by a nonprofit Minnesota quality improvement
19 organization, a nationally recognized guideline development
20 organization, or by the professional association of the
21 specialty that typically provides the service.

22 (d) The process established by a utilization review
23 organization may include defining a period within which an
24 appeal must be filed to be considered. The time period must be
25 communicated to the enrollee and attending health care
26 professional when the initial determination is made.

27 (e) An attending health care professional or enrollee who
28 has been unsuccessful in an attempt to reverse a determination
29 not to certify shall, consistent with section 72A.285, be
30 provided the following:

- 31 (1) a complete summary of the review findings;
- 32 (2) qualifications of the reviewers, including any license,
33 certification, or specialty designation; and
- 34 (3) the relationship between the enrollee's diagnosis and
35 the review criteria used as the basis for the decision,
36 including the specific rationale for the reviewer's decision.

1 (f) In cases of appeal to reverse a determination not to
2 certify for clinical reasons, the utilization review
3 organization must ensure that a physician of the utilization
4 review organization's choice in the same or a similar specialty
5 as typically manages the medical condition, procedure, or
6 treatment under discussion is reasonably available to review the
7 case.

8 (g) If the initial determination is not reversed on appeal,
9 the utilization review organization must include in its
10 notification the right to submit the appeal to the external
11 review process described in section 62Q.73 and the procedure for
12 initiating the external process.

13 Sec. 4. Minnesota Statutes 2004, section 256.045,
14 subdivision 3a, is amended to read:

15 Subd. 3a. [PREPAID HEALTH PLAN APPEALS.] (a) All prepaid
16 health plans under contract to the commissioner under chapter
17 256B or 256D must provide for a complaint system according to
18 section 62D.11. When a prepaid health plan denies, reduces, or
19 terminates a health service or denies a request to authorize a
20 previously authorized health service, the prepaid health plan
21 must notify the recipient of the right to file a complaint or an
22 appeal. The notice must include the name and telephone number
23 of the ombudsman and notice of the recipient's right to request
24 a hearing under paragraph (b). ~~When a complaint is filed, the~~
25 ~~prepaid health plan must notify the ombudsman within three~~
26 ~~working days.~~ Recipients may request the assistance of the
27 ombudsman in the complaint system process. The prepaid health
28 plan must issue a written resolution of the complaint to the
29 recipient within 30 days after the complaint is filed with the
30 prepaid health plan. A recipient is not required to exhaust the
31 complaint system procedures in order to request a hearing under
32 paragraph (b).

33 (b) Recipients enrolled in a prepaid health plan under
34 chapter 256B or 256D may contest a prepaid health plan's denial,
35 reduction, or termination of health services, a prepaid health
36 plan's denial of a request to authorize a previously authorized

1 health service, or the prepaid health plan's written resolution
2 of a complaint by submitting a written request for a hearing
3 according to subdivision 3. A state human services referee
4 shall conduct a hearing on the matter and shall recommend an
5 order to the commissioner of human services. The referee may
6 not overturn a decision by a prepaid health plan to deny or
7 limit coverage for services if the prepaid health plan has used
8 coverage policies adopted by the health plan company that are
9 based upon published evidence-based criteria or guidelines in
10 making the determination unless the recipient can show by clear
11 and convincing evidence that the determination should be
12 overturned. The commissioner need not grant a hearing if the
13 sole issue raised by a recipient is the commissioner's authority
14 to require mandatory enrollment in a prepaid health plan in a
15 county where prepaid health plans are under contract with the
16 commissioner. The state human services referee may order a
17 second medical opinion from the prepaid health plan or may order
18 a second medical opinion from a nonprepaid health plan provider
19 at the expense of the prepaid health plan. Recipients may
20 request the assistance of the ombudsman in the appeal process.

21 (c) In the written request for a hearing to appeal from a
22 prepaid health plan's denial, reduction, or termination of a
23 health service, a prepaid health plan's denial of a request to
24 authorize a previously authorized service, or the prepaid health
25 plan's written resolution to a complaint, a recipient may
26 request an expedited hearing. If an expedited appeal is
27 warranted, the state human services referee shall hear the
28 appeal and render a decision within a time commensurate with the
29 level of urgency involved, based on the individual circumstances
30 of the case.

31 Sec. 5. Minnesota Statutes 2004, section 256.9365, is
32 amended to read:

17 individual plan premium does not exceed the estimated state cost
18 that would otherwise be incurred in the medical assistance or
19 general assistance medical care program. The commissioner shall
20 purchase the most cost-effective coverage available for eligible

35 (b) After January 1, 2008, a participating pharmacy, in
36 accordance with a valid prescription, must sell a covered

1 prescription drug to an enrolled individual at the medical
2 assistance rate, minus an amount that is equal to the rebate
3 amount described in subdivision 8, plus the amount of any switch
4 fee established by the commissioner under subdivision 10,
5 paragraph (b).

6 (c) Each participating pharmacy shall provide the
7 commissioner with all information necessary to administer the
8 program, including, but not limited to, information on
9 prescription drug sales to enrolled individuals and usual and
10 customary retail prices.

11 Subd. 7. [NOTIFICATION OF REBATE AMOUNT.] The commissioner
12 shall notify each participating manufacturer, each calendar
13 quarter or according to a schedule to be established by the
14 commissioner, of the amount of the rebate owed on the
15 prescription drugs sold by participating pharmacies to enrolled
16 individuals.

17 Subd. 8. [PROVISION OF REBATE.] To the extent that a
18 participating manufacturer's prescription drugs are prescribed
19 to a resident of this state, the manufacturer must provide a
20 rebate equal to the rebate provided under the medical assistance
21 program for any prescription drug distributed by the
22 manufacturer that is purchased by an enrolled individual at a
23 participating pharmacy. The participating manufacturer must
24 provide full payment within 38 days of receipt of the state
25 invoice for the rebate, or according to a schedule to be
26 established by the commissioner. The commissioner shall deposit
27 all rebates received into the Minnesota prescription drug
28 dedicated fund established under subdivision 11. The
29 manufacturer must provide the commissioner with any information
30 necessary to verify the rebate determined per drug.

31 Subd. 9. [PAYMENT TO PHARMACIES.] Beginning January 1,
32 2008, the commissioner shall distribute on a biweekly basis an
33 amount that is equal to an amount collected under subdivision 8
34 to each participating pharmacy based on the prescription drugs
35 sold by that pharmacy to enrolled individuals on or after
36 January 1, 2008.

1 Subd. 10. [ENROLLMENT FEE; SWITCH FEE.] (a) The
2 commissioner shall establish an annual enrollment fee that
3 covers the commissioner's expenses for enrollment, processing
4 claims, and distributing rebates under this program.

5 (b) The commissioner shall establish a reasonable switch
6 fee that covers expenses incurred by participating pharmacies in
7 formatting for electronic submission claims for prescription
8 drugs sold to enrolled individuals.

9 Subd. 11. [DEDICATED FUND; CREATION; USE OF FUND.] (a) The
10 Minnesota prescription drug dedicated fund is established as an
11 account in the state treasury. The commissioner of finance
12 shall credit to the dedicated fund all rebates paid under
13 subdivision 8, any federal funds received for the program, all
14 enrollment fees paid by the enrollees, and any appropriations or
15 allocations designated for the fund. The commissioner of
16 finance shall ensure that fund money is invested under section
17 11A.25. All money earned by the fund must be credited to the
18 fund. The fund shall earn a proportionate share of the total
19 state annual investment income.

20 (b) Money in the fund is appropriated to the commissioner
21 to reimburse participating pharmacies for prescription drugs the
22 rebate discount provided to enrolled individuals under
23 subdivision 6, paragraph (b); to reimburse the commissioner for
24 costs related to enrollment, processing claims, and distributing
25 rebates and for other reasonable administrative costs related to
26 administration of the prescription drug discount program; and to
27 repay the appropriation provided for this section. The
28 commissioner must administer the program so that the costs total
29 no more than funds appropriated plus the drug rebate proceeds.

30 [EFFECTIVE DATE.] This section is effective August 1, 2006,
31 or upon HealthMatch implementation, whichever is later.

32 Sec. 7. Minnesota Statutes 2004, section 256.969, is
33 amended by adding a subdivision to read:

34 Subd. 27. [ANNUAL NONMEDICAL ASSISTANCE PAYMENT.] (a) In
35 addition to any other payment under this section, the
36 commissioner shall make the following payments:

1 (1) for a hospital located in Minnesota and not eligible
2 for payments under subdivision 20, with a medical assistance
3 inpatient utilization rate greater than 19 percent of total
4 patient days during the base year, a payment equal to 13 percent
5 of the total of the operating and payment rates;

6 (2) for a hospital located in Minnesota in a specified
7 urban area outside of the seven-county metropolitan area and not
8 eligible for payments under subdivision 20, with a medical
9 assistance inpatient utilization rate less than or equal to 19
10 percent of total patient days during the base year, a payment
11 equal to ten percent of the total of the operating and property
12 payment rates. For purposes of this clause, the following
13 cities are specified urban areas: Detroit Lakes, Rochester,
14 Willmar, Hutchinson, Alexandria, Austin, Cambridge, Brainerd,
15 Hibbing, Mankato, Duluth, St. Cloud, Grand Rapids, Wyoming,
16 Fergus Falls, Albert Lea, Winona, Virginia, Thief River Falls,
17 and Wadena; and

18 (3) for a hospital located in Minnesota but not located in
19 a specified urban area under clause (2) and not eligible for
20 payments under subdivision 20, with a medical assistance
21 inpatient utilization rate less than or equal to 19 percent of
22 total patient days during the base year, a payment equal to five
23 percent of the total of the operating and property payment rates.

24 (b) The payments under paragraph (a) shall be 100 percent
25 state dollars derived from federal reimbursements to the
26 commissioner to reimburse nonstate expenditures reported under
27 section 256B.199.

28 (c) The payments under paragraph (a) shall be paid annually
29 on July 1, beginning July 1, 2005, or upon the receipt of
30 federal reimbursements under section 256B.199, whichever occurs
31 last, for services to be rendered in the fiscal year beginning
32 on July 1, based on services rendered in the previous calendar
33 year.

34 (d) The commissioner shall not adjust rates paid to a
35 prepaid health plan under contract with the commissioner to
36 reflect payments provided in paragraph (a).

1 (e) If federal reimbursements are not available under
2 section 256B.199 for all payments under paragraph (a), the
3 commissioner shall reduce payments under paragraph (a) on a pro
4 rata basis so that payments under paragraph (a) do not exceed
5 the federal reimbursements.

6 (f) For purposes of this subdivision, medical assistance
7 does not include general assistance medical care.

8 (g) The commissioner may ratably reduce or increase the
9 payments under this subdivision in order to ensure that these
10 total payments equal the amount of reimbursement received by the
11 commissioner under section 256B.199.

12 (h) The commissioner may, in consultation with the nonstate
13 entities identified in section 256B.199, adjust the amounts
14 reported by nonstate entities under section 256B.199 when
15 application for reimbursement is made to the federal government,
16 and otherwise adjust the provisions of this subdivision in order
17 to maximize payments to qualifying hospitals.

18 [EFFECTIVE DATE.] This section is effective the day
19 following final enactment. The commissioner of human services
20 shall submit necessary medical assistance plan amendments to
21 implement this section within 30 days of enactment.

22 Sec. 8. Minnesota Statutes 2004, section 256B.02,
23 subdivision 12, is amended to read:

24 Subd. 12. [THIRD-PARTY PAYER.] "Third-party payer" means a
25 person, entity, or agency or government program that has a
26 probable obligation to pay all or part of the costs of a medical
27 assistance recipient's health services. Third-party payer
28 includes an entity under contract with the recipient to cover
29 all or part of the recipient's medical costs.

30 Sec. 9. Minnesota Statutes 2004, section 256B.055, is
31 amended by adding a subdivision to read:

32 Subd. 14. [PERSONS DETAINED BY LAW.] (a) An inmate of a
33 correctional facility who is conditionally released as
34 authorized under section 241.26, 244.065, or 631.425 may be
35 eligible for medical assistance if the individual does not
36 require the security of a public detention facility and is

1 housed in a halfway house or community correction center, or
2 under house arrest and monitored by electronic surveillance in a
3 residence approved by the commissioner of corrections.

4 (b) An individual, regardless of age, who is considered an
5 inmate of a public institution as defined in Code of Federal
6 Regulations, title 42, section 435.1009, is not eligible for
7 medical assistance.

8 Sec. 10. Minnesota Statutes 2004, section 256B.056, is
9 amended by adding a subdivision to read:

10 Subd. 3d. [REDUCTION OF EXCESS ASSETS.] Assets in excess
11 of the limits in subdivisions 3 to 3c may be reduced to
12 allowable limits as follows:

13 (a) Assets may be reduced in any of the three calendar
14 months before the month of application in which the applicant
15 seeks coverage by:

16 (1) designating burial funds up to \$1,500 for each
17 applicant, spouse, and MA-eligible dependent child; and

18 (2) paying health service bills incurred in the retroactive
19 period for which the applicant seeks eligibility, starting with
20 the oldest bill. After assets are reduced to allowable limits,
21 eligibility begins with the next dollar of MA-covered health
22 services incurred in the retroactive period. Applicants
23 reducing assets under this subdivision who also have excess
24 income shall first spend excess assets to pay health service
25 bills and may meet the income spenddown on remaining bills.

26 (b) Assets may be reduced beginning the month of
27 application by:

28 (1) paying bills for health services that would otherwise
29 be paid by medical assistance; and

30 (2) using any means other than a transfer of assets for
31 less than fair market value as defined in section 256B.0595,
32 subdivision 1, paragraph (b).

33 Sec. 11. Minnesota Statutes 2004, section 256B.056,
34 subdivision 5, is amended to read:

35 Subd. 5. [EXCESS INCOME.] A person who has excess income
36 is eligible for medical assistance if the person has expenses

1 for medical care that are more than the amount of the person's
2 excess income, computed by deducting incurred medical expenses
3 from the excess income to reduce the excess to the income
4 standard specified in subdivision 5c. The person shall elect to
5 have the medical expenses deducted at the beginning of a
6 one-month budget period or at the beginning of a six-month
7 budget period. The commissioner shall allow persons eligible
8 for assistance on a one-month spenddown basis under this
9 subdivision to elect to pay the monthly spenddown amount in
10 advance of the month of eligibility to the state agency in order
11 to maintain eligibility on a continuous basis. If the recipient
12 does not pay the spenddown amount on or before the 20th last
13 business day of the month, the recipient is ineligible for this
14 option for the following month. The local agency shall code the
15 Medicaid Management Information System (MMIS) to indicate that
16 the recipient has elected this option. The state agency shall
17 convey recipient eligibility information relative to the
18 collection of the spenddown to providers through the Electronic
19 Verification System (EVS). A recipient electing advance payment
20 must pay the state agency the monthly spenddown amount on or
21 before noon on the 20th last business day of the month in order
22 to be eligible for this option in the following month.

23 [EFFECTIVE DATE.] This section is effective August 1, 2006,
24 or upon HealthMatch implementation, whichever is later.

26 subdivision 5a, is amended to read:

27 Subd. 5a. [INDIVIDUALS ON FIXED OR EXCLUDED INCOME.]
28 Recipients of medical assistance who receive only fixed unearned
29 or excluded income, when that income is excluded from
30 consideration as income or unvarying in amount and timing of
31 receipt throughout the year, shall report and verify their
32 income annually every 12 months. The 12-month period begins
33 with the month of application.

34 [EFFECTIVE DATE.] This section is effective August 1, 2006,
35 or upon HealthMatch implementation, whichever is later.

36 Sec. 13. Minnesota Statutes 2004, section 256B.056,

1 subdivision 5b, is amended to read:

2 Subd. 5b. [INDIVIDUALS WITH LOW INCOME.] Recipients of
3 medical assistance not residing in a long-term care facility who
4 have slightly fluctuating income which is below the medical
5 assistance income limit shall report and verify their income on
6 a-semiannual-basis every six months. The six-month period
7 begins the month of application.

8 [EFFECTIVE DATE.] This section is effective August 1, 2006,
9 or upon HealthMatch implementation, whichever is later.

10 Sec. 14. Minnesota Statutes 2004, section 256B.056,
11 subdivision 7, is amended to read:

12 Subd. 7. [PERIOD OF ELIGIBILITY.] Eligibility is available
13 for the month of application and for three months prior to
14 application if the person was eligible in those prior
15 months. Eligibility for months prior to application is
16 determined independently from eligibility for the month of
17 application and future months. A redetermination of eligibility
18 must occur every 12 months. The 12-month period begins with the
19 month of application.

20 [EFFECTIVE DATE.] This section is effective August 1, 2006,
21 or upon HealthMatch implementation, whichever is later.

22 Sec. 15. Minnesota Statutes 2004, section 256B.056, is
23 amended by adding a subdivision to read:

24 Subd. 9. [NOTICE.] The state agency must be given notice
25 of monetary claims against a person, entity, or corporation that
26 may be liable to pay all or part of the cost of medical care
27 when the state agency has paid or becomes liable for the cost of
28 that care. Notice must be given according to paragraphs (a) to
29 (d).

30 (a) An applicant for medical assistance shall notify the
31 state or local agency of any possible claims when the applicant
32 submits the application. A recipient of medical assistance
33 shall notify the state or local agency of any possible claims
34 when those claims arise.

35 (b) A person providing medical care services to a recipient
36 of medical assistance shall notify the state agency when the

1 person has reason to believe that a third party may be liable
2 for payment of the cost of medical care.

3 (c) A party to a claim that may be assigned to the state
4 agency under this section shall notify the state agency of its
5 potential assignment claim in writing at each of the following
6 stages of a claim:

7 (1) when a claim is filed;

8 (2) when an action is commenced; and

9 (3) when a claim is concluded by payment, award, judgment,
10 settlement, or otherwise.

11 (d) Every party involved in any stage of a claim under this
12 subdivision is required to provide notice to the state agency at
13 that stage of the claim. However, when one of the parties to
14 the claim provides notice at that stage, every other party to
15 the claim is deemed to have provided the required notice for
16 that stage of the claim. If the required notice under this
17 paragraph is not provided to the state agency, all parties to
18 the claim are deemed to have failed to provide the required
19 notice. A party to the claim includes the injured person or the
20 person's legal representative, the plaintiff, the defendants, or
21 persons alleged to be responsible for compensating the injured
22 person or plaintiff, and any other party to the cause of action
23 or claim, regardless of whether the party knows the state agency
24 has a potential or actual assignment claim.

25 Sec. 16. Minnesota Statutes 2004, section 256B.057,
26 subdivision 1, is amended to read:

27 Subdivision 1. [INFANTS AND PREGNANT WOMEN.] (a)~~(1)~~ An
28 infant less than one year of age is eligible for medical

25 Sec. 18. Minnesota Statutes 2004, section 256B.0625,
 26 subdivision 13e, as amended by 2005 S.F. No. 1879, article 13,
 27 section 7, subdivision 13e, if enacted, is amended to read:

28 Subd. 13e. [PAYMENT RATES.] (a) The basis for determining
 29 the amount of payment shall be the lower of the actual
 30 acquisition costs of the drugs plus a fixed dispensing fee; the
 31 maximum allowable cost set by the federal government or by the
 32 commissioner plus the fixed dispensing fee; or the usual and
 33 customary price charged to the public. The amount of payment
 34 basis must be reduced to reflect all discount amounts applied to
 35 the charge by any provider/insurer agreement or contract for
 36 submitted charges to medical assistance programs. The net

1 submitted charge may not be greater than the patient liability
2 for the service. The pharmacy dispensing fee shall be \$3.65,
3 except that the dispensing fee for intravenous solutions which
4 must be compounded by the pharmacist shall be \$8 per bag, \$14
5 per bag for cancer chemotherapy products, and \$30 per bag for
6 total parenteral nutritional products dispensed in one liter
7 quantities, or \$44 per bag for total parenteral nutritional
8 products dispensed in quantities greater than one liter. Actual
9 acquisition cost includes quantity and other special discounts
10 except time and cash discounts. The actual acquisition cost of
11 a drug shall be estimated by the commissioner, at average
12 wholesale price minus 11.5 percent, except that where a drug has
13 had its wholesale price reduced as a result of the actions of
14 the National Association of Medicaid Fraud Control Units, the
15 estimated actual acquisition cost shall be the reduced average
16 wholesale price, without the 11.5 percent deduction. The actual
17 acquisition cost of antihemophilic factor drugs shall be
18 estimated at the average wholesale price minus 30 percent. The
19 maximum allowable cost of a multisource drug may be set by the
20 commissioner and it shall be comparable to, but no higher than,
21 the maximum amount paid by other third-party payors in this
22 state who have maximum allowable cost programs. Establishment
23 of the amount of payment for drugs shall not be subject to the
24 requirements of the Administrative Procedure Act.

25 (b) An additional dispensing fee of \$.30 may be added to
26 the dispensing fee paid to pharmacists for legend drug
27 prescriptions dispensed to residents of long-term care
28 facilities when a unit dose blister card system, approved by the
29 department, is used. Under this type of dispensing system, the
30 pharmacist must dispense a 30-day supply of drug. The National
31 Drug Code (NDC) from the drug container used to fill the blister
32 card must be identified on the claim to the department. The
33 unit dose blister card containing the drug must meet the
34 packaging standards set forth in Minnesota Rules, part
35 6800.2700, that govern the return of unused drugs to the
36 pharmacy for reuse. The pharmacy provider will be required to

1 credit the department for the actual acquisition cost of all
2 unused drugs that are eligible for reuse. Over-the-counter
3 medications must be dispensed in the manufacturer's unopened
4 package. The commissioner may permit the drug clozapine to be
5 dispensed in a quantity that is less than a 30-day supply.

6 (c) Whenever a generically equivalent product is available,
7 payment shall be on the basis of the actual acquisition cost of
8 the generic drug, or on the maximum allowable cost established
9 by the commissioner.

10 (d) The basis for determining the amount of payment for
11 drugs administered in an outpatient setting shall be the lower
12 of the usual and customary cost submitted by the provider or the
13 amount established for Medicare by the United States Department
14 of Health and Human Services pursuant to title XVIII, section
15 1847a of the federal Social Security Act.

16 (e) The commissioner may negotiate lower reimbursement
17 rates for specialty pharmacy products than the rates specified
18 in paragraph (a). The commissioner may require individuals
19 enrolled in the health care programs administered by the
20 department to obtain specialty pharmacy products from providers
21 with whom the commissioner has negotiated lower reimbursement
22 rates. Specialty pharmacy products are defined as those used by
23 a small number of recipients or recipients with complex and
24 chronic diseases that require expensive and challenging drug
25 regimens. Examples of these conditions include, but are not
26 limited to: multiple sclerosis, HIV/AIDS, transplantation,
27 hepatitis C, growth hormone deficiency, Crohn's Disease,
28 rheumatoid arthritis, and certain forms of cancer. Specialty
29 pharmaceutical products include injectable and infusion
30 therapies, biotechnology drugs, high-cost therapies, and
31 therapies that require complex care. The commissioner shall
32 consult with the formulary committee to develop a list of
33 specialty pharmacy products subject to this paragraph. In
34 consulting with the formulary committee in developing this list,
35 the commissioner shall take into consideration the population
36 served by special pharmacy products, the current delivery system

1 and standard of care in the state, and any access to care issues
2 that lower reimbursement rates may create. The commissioner
3 shall have the discretion to adjust the reimbursement rate to
4 prevent access to care issues.

5 Sec. 19. Minnesota Statutes 2004, section 256B.0625,
6 subdivision 13f, is amended to read:

7 Subd. 13f. [PRIOR AUTHORIZATION.] (a) The Formulary
8 Committee shall review and recommend drugs which require prior
9 authorization. The Formulary Committee shall establish general
10 criteria to be used for the prior authorization of brand-name
11 drugs for which generically equivalent drugs are available, but
12 the committee is not required to review each brand-name drug for
13 which a generically equivalent drug is available.

14 (b) Prior authorization may be required by the commissioner
15 before certain formulary drugs are eligible for payment. The
16 Formulary Committee may recommend drugs for prior authorization
17 directly to the commissioner. The commissioner may also request
18 that the Formulary Committee review a drug for prior
19 authorization. Before the commissioner may require prior
20 authorization for a drug:

21 (1) the commissioner must provide information to the
22 Formulary Committee on the impact that placing the drug on prior
23 authorization may have on the quality of patient care and on
24 program costs, information regarding whether the drug is subject
25 to clinical abuse or misuse, and relevant data from the state
26 Medicaid program if such data is available;

27 (2) the Formulary Committee must review the drug, taking
28 into account medical and clinical data and the information
29 provided by the commissioner; and

30 (3) the Formulary Committee must hold a public forum and
31 receive public comment for an additional 15 days.
32 The commissioner must provide a 15-day notice period before
33 implementing the prior authorization.

34 (c) Prior authorization shall not be required or utilized
35 for any atypical antipsychotic drug prescribed for the treatment
36 of mental illness if:

- 1 (1) there is no generically equivalent drug available; and
- 2 (2) the drug was initially prescribed for the recipient
- 3 prior to July 1, 2003; or
- 4 (3) the drug is part of the recipient's current course of
- 5 treatment.

6 This paragraph applies to any multistate preferred drug list or
 7 supplemental drug rebate program established or administered by
 8 the commissioner.

9 (d) Prior authorization shall not be required or utilized
 10 for any antihemophilic factor drug prescribed for the treatment
 11 of hemophilia and blood disorders where there is no generically
 12 equivalent drug available if the prior authorization is used in
 13 conjunction with any supplemental drug rebate program or
 14 multistate preferred drug list established or administered by
 15 the commissioner. ~~This paragraph expires July 17, 2005.~~

16 (e) The commissioner may require prior authorization for
 17 brand name drugs whenever a generically equivalent product is
 18 available, even if the prescriber specifically indicates
 19 "dispense as written-brand necessary" on the prescription as
 20 required by section 151.21, subdivision 2.

21 [EFFECTIVE DATE.] This section is effective June 30, 2005.
 22 Sec. 20. Minnesota Statutes 2004, section 256B.0625, is
 23 amended by adding a subdivision to read:

24 Subd. 13h. [MEDICATION THERAPY MANAGEMENT CARE.] (a)
 25 Medical assistance covers medication therapy management services
 26 for a recipient taking four or more prescriptions to treat or
 27 prevent two or more chronic medical conditions, or a recipient
 28 with a drug therapy problem that is identified or prior
 29 authorized by the commissioner that has resulted or is likely to
 30 result in significant nondrug program costs. For purposes of
 31 this subdivision, "medication therapy management" means the
 32 provision of the following pharmaceutical care services by a
 33 licensed pharmacist to optimize the therapeutic outcomes of the
 34 patient's medications:

- 35 (1) performing or obtaining necessary assessments of the
- 36 patient's health status;

1 (2) formulating a medication treatment plan;
2 (3) monitoring and evaluating the patient's response to
3 therapy, including safety and effectiveness;

4 (4) performing a comprehensive medication review to
5 identify, resolve, and prevent medication-related problems,
6 including adverse drug events;

7 (5) documenting the care delivered and communicating
8 essential information to the patient's other primary care
9 providers;

10 (6) providing verbal education and training designed to
11 enhance patient understanding and appropriate use of the
12 patient's medications;

13 (7) providing information, support services, and resources
14 designed to enhance patient adherence with the patient's
15 therapeutic regimens; and

16 (8) coordinating and integrating medication therapy
17 management services within the broader health care management
18 services being provided to the patient.

19 Nothing in this subdivision shall be construed to expand or
20 modify the scope of practice of the pharmacist as defined in
21 section 151.01, subdivision 27.

22 (b) To be eligible for reimbursement for services under
23 this subdivision, a pharmacist must meet the following
24 requirements:

25 (1) have a valid license issued under chapter 151;

26 (2) have graduated from an accredited college of pharmacy
27 on or after May 1996 or completed a structured and comprehensive
28 education program approved by the Board of Pharmacy and the
29 American Council of Pharmaceutical Education for the provision
30 and documentation of pharmaceutical care management services
31 that has both clinical and didactic elements;

32 (3) be practicing in an ambulatory care setting as part of
33 a multidisciplinary team or have developed a structured patient
34 care process that is offered in a private or semiprivate patient
35 care area that is separate from the commercial business that
36 also occurs in the setting; and

1 (4) make use of an electronic patient record system that
2 meets state standards.

3 (c) For the purposes of reimbursement for medication
4 therapy management services, the commissioner may enroll
5 individual pharmacists as medical assistance providers. The
6 commissioner may also establish contact requirements between the
7 pharmacist and recipient, including limiting the number of
8 reimbursable consultations per recipient.

9 (d) The commissioner, after receiving recommendations from
10 professional medical associations, professional pharmacy
11 associations, and consumer groups shall convene an 11-member
12 Medication Therapy Management Advisory Committee, to advise the
13 commissioner on the implementation and administration of
14 medication therapy management services. The committee shall be
15 comprised of two licensed physicians; two licensed pharmacists;
16 two consumer representatives; two health plan representatives;
17 and three members with expertise in the area of medication
18 therapy management, who may be licensed physicians or licensed
19 pharmacists. The committee is governed by section 15.059,
20 except that committee members do not receive compensation or
21 reimbursement for expenses. The advisory committee shall expire
22 on June 30, 2007.

23 (e) The commissioner shall evaluate the effect of
24 medication therapy management on quality of care, patient
25 outcomes, and program costs, and shall include a description of
26 any savings generated in the medical assistance program that can
27 be attributable to this coverage. The evaluation shall be
28 submitted to the legislature by December 15, 2007. The
29 commissioner may contract with a vendor or an academic
30 institution that has expertise in evaluating health care
31 outcomes for the purpose of completing the evaluation.

32 Sec. 21. [256B.072] [PERFORMANCE REPORTING AND QUALITY
33 IMPROVEMENT PAYMENT SYSTEM.]

34 (a) The commissioner of human services shall establish a
35 performance reporting and payment system for health care
36 providers who provide health care services to public program

1 recipients covered under chapters 256B, 256D, and 256L.

2 (b) The measures used for the performance reporting and
3 payment system for medical groups or single-physician practices
4 shall include, but are not limited to, measures of care for
5 asthma, diabetes, hypertension, and coronary artery disease and
6 measures of preventive care services. The measures used for the
7 performance reporting and payment system for inpatient hospitals
8 shall include, but are not limited to, measures of care for
9 acute myocardial infarction, heart failure, and pneumonia, and
10 measures of care and prevention of surgical infections. In the
11 case of a medical group or single-physician practice, the
12 measures used shall be consistent with measures published by
13 nonprofit Minnesota or national organizations that produce and
14 disseminate health care quality measures or evidence-based
15 health care guidelines. In the case of inpatient hospital
16 measures, the commissioner shall appoint the Minnesota Hospital
17 Association and Stratis Health to develop the performance
18 measures to be used for hospital reporting. To enable a
19 consistent measurement process across the community, the
20 commissioner may use measures of care provided for patients in
21 addition to those identified in paragraph (a). The commissioner
22 shall ensure collaboration with other health care reporting
23 organizations so that the measures described in this section are
24 consistent with those reported by those organizations and used
25 by other purchasers in Minnesota.

26 (c) For recipients seen on or after January 1, 2007, the
27 commissioner shall provide a performance bonus payment to
28 providers who have achieved certain levels of performance
29 established by the commissioner with respect to the measures or
30 who have achieved certain rates of improvement established by
31 the commissioner with respect to the measures or whose rates of
32 achievement have increased over a previous period, as
33 established by the commissioner. The performance bonus payment
34 may be a fixed dollar amount per patient, paid quarterly or
35 annually, or alternatively payment may be made as a percentage
36 increase over payments allowed elsewhere in statute for the

1 recipients identified in paragraph (a). In order for providers
2 to be eligible for a performance bonus payment under this
3 section, the commissioner may require the providers to submit
4 information in a required format to a health care reporting
5 organization or to cooperate with the information collection
6 procedures of that organization. The commissioner may contract
7 with a reporting organization to assist with the collection of
8 reporting information and to prevent duplication of reporting.
9 The commissioner may limit application of the performance bonus
10 payment system to providers that provide a sufficiently large
11 volume of care to permit adequate statistical precision in the
12 measurement of that care, as established by the commissioner,
13 after consulting with other health care quality reporting
14 organizations.

15 (d) The performance bonus payments shall be funded with the
16 projected savings in the program costs due to improved results
17 of these measures with the eligible providers.

18 (e) The commissioner shall publish a description of the
19 proposed performance reporting and payment system for the
20 calendar year beginning January 1, 2007, and each subsequent
21 calendar year, at least three months prior to the beginning of
22 that calendar year.

23 (f) By April 1, 2007, and annually thereafter, the
24 commissioner shall report through a public Web site the results
25 by medical group, single-physician practice, and hospital of the
26 measures and the performance payments under this section, and
27 shall compare the results by medical group, single-physician
28 practice, and hospital for patients enrolled in public programs
29 to patients enrolled in private health plans. To achieve this
30 reporting, the commissioner may contract with a health care
31 reporting organization that operates a Web site suitable for
32 this purpose.

33 Sec. 22. Minnesota Statutes 2004, section 256B.0916, is
34 amended by adding a subdivision to read:

35 Subd. 10. [TRANSITIONAL SUPPORTS ALLOWANCE.] A
36 transitional supports allowance shall be available to all

1 persons under a home and community-based waiver who are moving
2 from a licensed setting to a community setting. "Transitional
3 supports allowance" means a onetime payment of up to \$3,000, to
4 cover the costs, not covered by other sources, associated with
5 moving from a licensed setting to a community setting. Covered
6 costs include:

7 (1) lease or rent deposits;

8 (2) security deposits;

9 (3) utilities set-up costs, including telephone;

10 (4) essential furnishings and supplies; and

11 (5) personal supports and transports needed to locate and
12 transition to community settings.

13 [EFFECTIVE DATE.] This section is effective upon federal
14 approval and to the extent approved as a federal waiver
15 amendment.

16 Sec. 23. [256B.0918] [EMPLOYEE SCHOLARSHIP COSTS AND
17 TRAINING IN ENGLISH AS A SECOND LANGUAGE.]

18 (a) For the fiscal year beginning July 1, 2005, the
19 commissioner shall provide to each provider listed in paragraph
20 (c) a scholarship reimbursement increase of two-tenths percent
21 of the reimbursement rate for that provider to be used:

22 (1) for employee scholarships that satisfy the following
23 requirements:

24 (i) scholarships are available to all employees who work an
25 average of at least 20 hours per week for the provider, except
26 administrators, department supervisors, and registered nurses;
27 and

28 (ii) the course of study is expected to lead to career
29 advancement with the provider or in long-term care, including
30 home care or care of persons with disabilities, including
31 medical care interpreter services and social work; and

32 (2) to provide job-related training in English as a second
33 language.

34 (b) A provider receiving a rate adjustment under this
35 subdivision with an annualized value of at least \$1,000 shall
36 maintain documentation to be submitted to the commissioner on a

1 schedule determined by the commissioner and on a form supplied
2 by the commissioner of the scholarship rate increase received,
3 including:

4 (1) the amount received from this reimbursement increase;

5 (2) the amount used for training in English as a second
6 language;

7 (3) the number of persons receiving the training;

8 (4) the name of the person or entity providing the
9 training; and

10 (5) for each scholarship recipient, the name of the
11 recipient, the amount awarded, the educational institution
12 attended, the nature of the educational program, the program
13 completion date, and a determination of the amount spent as a
14 percentage of the provider's reimbursement.

15 The commissioner shall report to the legislature annually,
16 beginning January 15, 2006, with information on the use of these
17 funds.

18 (c) The rate increases described in this section shall be
19 provided to home and community-based waived services for
20 persons with mental retardation or related conditions under
21 section 256B.501; home and community-based waived services for
22 the elderly under section 256B.0915; waived services under
23 community alternatives for disabled individuals under section
24 256B.49; community alternative care waived services under
25 section 256B.49; traumatic brain injury waived services under
26 section 256B.49; nursing services and home health services under
27 section 256B.0625, subdivision 6a; personal care services and
28 nursing supervision of personal care services under section
29 256B.0625, subdivision 19a; private duty nursing services under
30 section 256B.0625, subdivision 7; day training and habilitation
31 services for adults with mental retardation or related
32 conditions under sections 252.40 to 252.46; alternative care
33 services under section 256B.0913; adult residential program
34 grants under Minnesota Rules, parts 9535.2000 to 9535.3000;
35 semi-independent living services (SILS) under section 252.275,
36 including SILS funding under county social services grants

1 formerly funded under chapter 256I; community support services
 2 for deaf and hard-of-hearing adults with mental illness who use
 3 or wish to use sign language as their primary means of
 4 communication; the group residential housing supplementary
 5 service rate under section 256I.05, subdivision 1a; chemical
 6 dependency residential and nonresidential service providers
 7 under section 254B.03; and intermediate care facilities for
 8 persons with mental retardation under section 256B.5012.

9 (d) These increases shall be included in the provider's
 10 reimbursement rate for the purpose of determining future rates
 11 for the provider.

12 Sec. 24. [256B.199] [PAYMENTS REPORTED BY GOVERNMENTAL
 13 ENTITIES.]

14 (a) Hennepin County, Ramsey County, and the University of
 15 Minnesota shall annually report to the commissioner by June 1,
 16 beginning June 1, 2005, payments to Hennepin County Medical
 17 Center, Regions Hospital, and Fairview-University Medical Center
 18 respectively made during the previous calendar year that are
 19 certified public expenditures that may qualify for reimbursement
 20 under federal law. Subject to the reports due June 1, 2005, the
 21 amounts for calendar year 2004 are expected to be as follows:

- 22 (1) Hennepin County, \$60,000,000;
 23 (2) Ramsey County, \$27,000,000; and
 24 (3) University of Minnesota, \$18,000,000.

25 (b) Based on these reports, the commissioner shall apply
 26 for federal matching funds. These funds are appropriated to the
 27 commissioner for the annual payments under section 256.969,
 28 subdivision 27.

29 [EFFECTIVE DATE.] This section is effective the day
 30 following final enactment. The commissioner of human services
 31 shall submit necessary medical assistance plan amendments to
 32 implement this section within 30 days of enactment.

33 Sec. 25. Minnesota Statutes 2004, section 256B.69,
 34 subdivision 4, is amended to read:

35 Subd. 4. [LIMITATION OF CHOICE.] (a) The commissioner
 36 shall develop criteria to determine when limitation of choice

1 may be implemented in the experimental counties. The criteria
2 shall ensure that all eligible individuals in the county have
3 continuing access to the full range of medical assistance
4 services as specified in subdivision 6.

5 (b) The commissioner shall exempt the following persons
6 from participation in the project, in addition to those who do
7 not meet the criteria for limitation of choice:

8 (1) persons eligible for medical assistance according to
9 section 256B.055, subdivision 1;

10 (2) persons eligible for medical assistance due to
11 blindness or disability as determined by the Social Security
12 Administration or the state medical review team, unless:

13 (i) they are 65 years of age or older; or

14 (ii) they reside in Itasca County or they reside in a
15 county in which the commissioner conducts a pilot project under
16 a waiver granted pursuant to section 1115 of the Social Security
17 Act;

18 (3) recipients who currently have private coverage through
19 a health maintenance organization;

20 (4) recipients who are eligible for medical assistance by
21 spending down excess income for medical expenses other than the
22 nursing facility per diem expense;

23 (5) recipients who receive benefits under the Refugee
24 Assistance Program, established under United States Code, title
25 8, section 1522(e);

26 (6) children who are both determined to be severely
27 emotionally disturbed and receiving case management services
28 according to section 256B.0625, subdivision 20;

29 (7) adults who are both determined to be seriously and
30 persistently mentally ill and received case management services
31 according to section 256B.0625, subdivision 20;

32 (8) persons eligible for medical assistance according to
33 section 256B.057, subdivision 10; and

34 (9) persons with access to cost-effective
35 employer-sponsored private health insurance or persons enrolled
36 in an non-Medicare individual health plan determined to be

1 cost-effective according to section 256B.0625, subdivision 15.
2 Children under age 21 who are in foster placement may enroll in
3 the project on an elective basis. Individuals excluded under
4 clauses (1), (6), and (7) may choose to enroll on an elective
5 basis. The commissioner may enroll recipients in the prepaid
6 medical assistance program for seniors who are (1) age 65 and
7 over, and (2) eligible for medical assistance by spending down
8 excess income.

9 (c) The commissioner may allow persons with a one-month
10 spenddown who are otherwise eligible to enroll to voluntarily
11 enroll or remain enrolled, if they elect to prepay their monthly
12 spenddown to the state.

13 (d) The commissioner may require those individuals to
14 enroll in the prepaid medical assistance program who otherwise
15 would have been excluded under paragraph (b), clauses (1), (3),
16 and (8), and under Minnesota Rules, part 9500.1452, subpart 2,
17 items H, K, and L.

18 (e) Before limitation of choice is implemented, eligible
19 individuals shall be notified and after notification, shall be
20 allowed to choose only among demonstration providers. The
21 commissioner may assign an individual with private coverage
22 through a health maintenance organization, to the same health
23 maintenance organization for medical assistance coverage, if the
24 health maintenance organization is under contract for medical
25 assistance in the individual's county of residence. After
26 initially choosing a provider, the recipient is allowed to
27 change that choice only at specified times as allowed by the
28 commissioner. If a demonstration provider ends participation in
29 the project for any reason, a recipient enrolled with that
30 provider must select a new provider but may change providers
31 without cause once more within the first 60 days after
32 enrollment with the second provider.

33 (f) An infant born to a woman who is eligible for and
34 receiving medical assistance and who is enrolled in the prepaid
35 medical assistance program shall be retroactively enrolled to
36 the month of birth in the same managed care plan as the mother

1 once the child is enrolled in medical assistance unless the
2 child is determined to be excluded from enrollment in a prepaid
3 plan under this section.

4 Sec. 26. Minnesota Statutes 2004, section 256D.03,
5 subdivision 4, is amended to read:

6 Subd. 4. [GENERAL ASSISTANCE MEDICAL CARE; SERVICES.]

4 restrictive institutionalization;

5 (18) psychological services, medical supplies and
6 equipment, and Medicare premiums, coinsurance and deductible
7 payments;

8 (19) medical equipment not specifically listed in this
9 paragraph when the use of the equipment will prevent the need
10 for costlier services that are reimbursable under this
11 subdivision;

12 (20) services performed by a certified pediatric nurse
13 practitioner, a certified family nurse practitioner, a certified
14 adult nurse practitioner, a certified obstetric/gynecological
15 nurse practitioner, a certified neonatal nurse practitioner, or
16 a certified geriatric nurse practitioner in independent
17 practice, if (1) the service is otherwise covered under this
18 chapter as a physician service, (2) the service provided on an
19 inpatient basis is not included as part of the cost for
20 inpatient services included in the operating payment rate, and
21 (3) the service is within the scope of practice of the nurse
22 practitioner's license as a registered nurse, as defined in
23 section 148.171;

24 (21) services of a certified public health nurse or a
25 registered nurse practicing in a public health nursing clinic
26 that is a department of, or that operates under the direct

29 registered nurse, as defined in section 148.171; and

30 (22) telemedicine consultations, to the extent they are
31 covered under section 256B.0625, subdivision 3b.

32 (ii) Effective October 1, 2003, for a person who is
33 eligible under subdivision 3, paragraph (a), clause (2), item
34 (ii), general assistance medical care coverage is limited to
35 inpatient hospital services, including physician services
36 provided during the inpatient hospital stay. A \$1,000

1 deductible is required for each inpatient hospitalization.

2 (b) Gender reassignment surgery and related services are
3 not covered services under this subdivision unless the
4 individual began receiving gender reassignment services prior to
5 July 1, 1995.

6 (c) In order to contain costs, the commissioner of human
7 services shall select vendors of medical care who can provide
8 the most economical care consistent with high medical standards
9 and shall where possible contract with organizations on a
10 prepaid capitation basis to provide these services. The
11 commissioner shall consider proposals by counties and vendors
12 for prepaid health plans, competitive bidding programs, block
13 grants, or other vendor payment mechanisms designed to provide
14 services in an economical manner or to control utilization, with
15 safeguards to ensure that necessary services are provided.
16 Before implementing prepaid programs in counties with a county
17 operated or affiliated public teaching hospital or a hospital or
18 clinic operated by the University of Minnesota, the commissioner
19 shall consider the risks the prepaid program creates for the
20 hospital and allow the county or hospital the opportunity to
21 participate in the program in a manner that reflects the risk of
22 adverse selection and the nature of the patients served by the
23 hospital, provided the terms of participation in the program are
24 competitive with the terms of other participants considering the
25 nature of the population served. Payment for services provided
26 pursuant to this subdivision shall be as provided to medical
27 assistance vendors of these services under sections 256B.02,
28 subdivision 8, and 256B.0625. For payments made during fiscal
29 year 1990 and later years, the commissioner shall consult with
30 an independent actuary in establishing prepayment rates, but
31 shall retain final control over the rate methodology.

22 have coverage and the commissioner shall use cost avoidance
23 techniques to ensure coordination of any other health coverage
24 for eligible persons. The commissioner shall identify eligible
25 persons who may have coverage or benefits under other plans of

2 is approved received by the commissioner. The effective date of
3 coverage within the first six-month period of eligibility is as
4 provided in subdivision 3. Each new period of eligibility must
5 take into account any changes in circumstances that impact
6 eligibility and premium amount. An enrollee must provide all
7 the information needed to redetermine eligibility by the first
8 day of the month that ends the eligibility period. The premium
9 for the new period of eligibility must be received as provided

34 the program and shall be disenrolled by the commissioner.
35 Individuals enrolled in MinnesotaCare under section 256L.04,
36 subdivision 7, whose income increases above 175 percent of the

1 federal poverty guidelines are no longer eligible for the
2 program and shall be disenrolled by the commissioner. For
3 persons disenrolled under this subdivision, MinnesotaCare
4 coverage terminates the last day of the calendar month following
5 the month in which the commissioner determines that the income
6 of a family or individual exceeds program income limits.

7 (c)(1) Notwithstanding paragraph (b), families enrolled in
8 MinnesotaCare under section 256L.04, subdivision 1, may remain
9 enrolled in MinnesotaCare if ten percent of their annual income

19 as defined in section 256L.01, subdivision 4, is less than the
20 ~~annual~~ premium for a six-month policy with a \$500 deductible
21 available through the Minnesota Comprehensive Health
22 Association. Children who are no longer eligible for
23 MinnesotaCare under this clause shall be given a 12-month notice
24 period from the date that ineligibility is determined before
25 disenrollment. The premium for children remaining eligible
26 under this clause shall be the maximum premium determined under
27 section 256L.15, subdivision 2, paragraph (b).

28 (d) Effective July 1, 2003, notwithstanding paragraphs (b)
29 and (c), parents are no longer eligible for MinnesotaCare if

36 Subd. 3. [OTHER HEALTH COVERAGE.] (a) Families and

1 individuals enrolled in the MinnesotaCare program must have no
2 health coverage while enrolled or for at least four months prior
3 to application and renewal. Children enrolled in the original
4 children's health plan and children in families with income
5 equal to or less than 150 percent of the federal poverty
6 guidelines, who have other health insurance, are eligible if the
7 coverage:

8 (1) lacks two or more of the following:

9 (i) basic hospital insurance;

12 (iv) dental coverage; or

13 (v) vision coverage;

14 (2) requires a deductible of \$100 or more per person per
15 year; or

16 (3) lacks coverage because the child has exceeded the
17 maximum coverage for a particular diagnosis or the policy
18 excludes a particular diagnosis.

19 The commissioner may change this eligibility criterion for
20 sliding scale premiums in order to remain within the limits of
21 available appropriations. The requirement of no health coverage
22 does not apply to newborns.

23 (b) Medical assistance, general assistance medical care,
24 and the Civilian Health and Medical Program of the Uniformed
25 Service, CHAMPUS, or other coverage provided under United States

31 States Code, title 42, sections 1395c to 1395w-4, is considered

8 Sec. 40. Minnesota Statutes 2004, section 256L.07, is
9 amended by adding a subdivision to read:

10 Subd. 5. [VOLUNTARY DISENROLLMENT FOR MEMBERS OF
11 MILITARY.] Notwithstanding section 256L.05, subdivision 3b,
12 MinnesotaCare enrollees who are members of the military and
13 their families, who choose to voluntarily disenroll from the
14 program when one or more family members are called to active
15 duty, may reenroll during or following that member's tour of
16 active duty. Those individuals and families shall be considered
17 to have good cause for voluntary termination under section
18 256L.06, subdivision 3, paragraph (d). Income and asset
19 increases reported at the time of reenrollment shall be
20 disregarded. All provisions of sections 256L.01 to 256L.18,
21 shall apply to individuals and families enrolled under this
22 subdivision upon six-month renewal.

23 Sec. 41. Minnesota Statutes 2004, section 256L.12,
24 subdivision 6, is amended to read:

25 Subd. 6. [CO-PAYMENTS AND BENEFIT LIMITS.] Enrollees are
26 responsible for all co-payments in ~~sections~~ section 256L.03,
27 subdivision 5, ~~and-256L-0357,~~ and shall pay co-payments to the
28 managed care plan or to its participating providers. The
29 enrollee is also responsible for payment of inpatient hospital
30 charges which exceed the MinnesotaCare benefit limit.

31 Sec. 42. Minnesota Statutes 2004, section 256L.15,
32 subdivision 2, is amended to read:

33 Subd. 2. [SLIDING FEE SCALE TO DETERMINE PERCENTAGE OF
34 MONTHLY GROSS INDIVIDUAL OR FAMILY INCOME.] (a) The commissioner
35 shall establish a sliding fee scale to determine the percentage
36 of monthly gross individual or family income that households at

1 different income levels must pay to obtain coverage through the
2 MinnesotaCare program. The sliding fee scale must be based on
3 the enrollee's monthly gross individual or family income. The
4 sliding fee scale must contain separate tables based on
5 enrollment of one, two, or three or more persons. The sliding
6 fee scale begins with a premium of 1.5 percent of monthly gross
7 individual or family income for individuals or families with
8 incomes below the limits for the medical assistance program for
9 families and children in effect on January 1, 1999, and proceeds
10 through the following evenly spaced steps: 1.8, 2.3, 3.1, 3.8,
11 4.8, 5.9, 7.4, and 8.8 percent. These percentages are matched
12 to evenly spaced income steps ranging from the medical
13 assistance income limit for families and children in effect on
14 January 1, 1999, to 275 percent of the federal poverty
15 guidelines for the applicable family size, up to a family size
16 of five. The sliding fee scale for a family of five must be
17 used for families of more than five. Effective October 1, 2003,
18 the commissioner shall increase each percentage by 0.5
19 percentage points for enrollees with income greater than 100
20 percent but not exceeding 200 percent of the federal poverty
21 guidelines and shall increase each percentage by 1.0 percentage
22 points for families and children with incomes greater than 200
23 percent of the federal poverty guidelines. The sliding fee
24 scale and percentages are not subject to the provisions of
25 chapter 14. If a family or individual reports increased income
26 after enrollment, premiums shall not be adjusted until
27 eligibility renewal.

28 (b)(1) Enrolled families whose gross annual income
29 increases above 275 percent of the federal poverty guideline
30 shall pay the maximum premium. This clause expires effective
31 February 1, 2004.

32 (2) Effective February 1, 2004, children in families whose
33 gross income is above 275 percent of the federal poverty
34 guidelines shall pay the maximum premium.

35 (3) The maximum premium is defined as a base charge for
36 one, two, or three or more enrollees so that if all

1 MinnesotaCare cases paid the maximum premium, the total revenue
2 would equal the total cost of MinnesotaCare medical coverage and
3 administration. In this calculation, administrative costs shall
4 be assumed to equal ten percent of the total. The costs of
5 medical coverage for pregnant women and children under age two
6 and the enrollees in these groups shall be excluded from the
7 total. The maximum premium for two enrollees shall be twice the
8 maximum premium for one, and the maximum premium for three or
9 more enrollees shall be three times the maximum premium for one.

10 [EFFECTIVE DATE.] This section is effective August 1, 2006,
11 or upon HealthMatch implementation, whichever is later.

12 Sec. 43. Minnesota Statutes 2004, section 256L.15,
13 subdivision 3, is amended to read:

14 Subd. 3. [EXCEPTIONS TO SLIDING SCALE.] ~~An annual premium~~

12 coverage through the program. In order to participate, an
13 eligible employer must meet the following requirements:

14 (1) agrees to contribute toward the cost of the premium for
15 the employee and the employee's dependents according to
16 subdivision 4;

17 (2) certifies that at least 75 percent of its eligible
18 employees who do not have other creditable health coverage are
19 enrolled in the program;

20 (3) offers coverage to all eligible employees and the
21 dependents of eligible employees; and

22 (4) has not provided employer-subsidized health coverage as
23 an employee benefit during the previous 12 months, as defined in
24 section 256L.07, subdivision 2, paragraph (c).

25 Subd. 4. [PREMIUMS.] (a) The premium for MinnesotaCare
26 coverage provided under this section is equal to the maximum
27 premium regardless of the income of the eligible employee.

28 (b) For eligible employees without dependents with income
29 equal to or less than 175 percent of the federal poverty
30 guidelines and for eligible employees with dependents with
31 income equal to or less than 275 percent of the federal poverty
32 guidelines, the participating employer shall pay 50 percent of
33 the maximum premium for the eligible employee and any
34 dependents, if applicable.

35 (c) For eligible employees without dependents with income
36 over 175 percent of the federal poverty guidelines and for

1 eligible employees with dependents with income over 275 percent
2 of the federal poverty guidelines, the participating employer
3 shall pay the full cost of the maximum premium for the eligible
4 employee and any dependents, if applicable. The participating
5 employer may require the employee to pay a portion of the cost
6 of the premium so long as the employer pays 50 percent of the
7 cost. If the employer requires the employee to pay a portion of
8 the premium, the employee shall pay the portion of the cost to
9 the employer.

10 (d) The commissioner shall collect premium payments from
11 participating employers for eligible employees and their
12 dependents who are covered by the program as provided under this
13 section. All premiums collected shall be deposited in the
14 health care access fund.

15 Subd. 5. [COVERAGE.] The coverage offered to those
16 enrolled in the program under this section must include all
17 health services described under section 256L.03 and all
18 co-payments and coinsurance requirements under section 256L.03,
19 subdivision 5, apply.

20 Subd. 6. [ENROLLMENT.] Upon payment of the premium, in
21 accordance with this section and section 256L.06, eligible
22 employees and their dependents shall be enrolled in
23 MinnesotaCare. For purposes of enrollment under this section,
24 income eligibility limits established under sections 256L.04 and
25 256L.07, subdivision 1, and asset limits established under
26 section 256L.17 do not apply. The barriers established under
27 section 256L.07, subdivision 2 or 3, do not apply to enrollees
28 eligible under this section. The commissioner may require
29 eligible employees to provide income verification to determine
30 premiums.

31 [EFFECTIVE DATE.] This section is effective August 1, 2006,
32 or upon HealthMatch implementation, whichever is later.

33 Sec. 45. Minnesota Statutes 2004, section 549.02, is
34 amended by adding a subdivision to read:

35 Subd. 3. [LIMITATION.] Notwithstanding subdivisions 1 and
36 2, where the state agency is named or intervenes as a party to

1 enforce the agency's rights under section 256B.056, the agency
2 shall not be liable for costs to any prevailing defendant.

3 Sec. 46. Minnesota Statutes 2004, section 549.04, is
4 amended to read:

5 549.04 [DISBURSEMENTS; TAXATION AND ALLOWANCE.]

6 Subdivision 1. [GENERALLY.] In every action in a district
7 court, the prevailing party, including any public employee who
8 prevails in an action for wrongfully denied or withheld
9 employment benefits or rights, shall be allowed reasonable
10 disbursements paid or incurred, including fees and mileage paid
11 for service of process by the sheriff or by a private person.

12 Subd. 2. [LIMITATION.] Notwithstanding subdivision 1,
13 where the state agency is named or intervenes as a party to
14 enforce the agency's rights under section 256B.056, the agency
15 shall not be liable for disbursements to any prevailing
16 defendant.

17 Sec. 47. [EMPLOYER DISCLOSURE FOR MINNESOTA HEALTH CARE
18 PROGRAM.]

19 Subdivision 1. [DEFINITIONS.] (a) For purposes of this
20 section, the following definitions apply.

21 (b) "Commissioner" means the commissioner of human services.

22 (c) "Minnesota health care program" means the prescription
23 drug program under section 256.955, medical assistance under
24 chapter 256B, general assistance medical care under section
25 256D.03, subdivision 3, and MinnesotaCare under chapter 256L.

26 Subd. 2. [REPORT.] (a) By January 15, 2007, for the
27 previous fiscal year, the commissioner shall submit to the
28 legislature a report identifying all employers that employ 50 or
29 more employees who are Minnesota health care program
30 recipients. In determining whether the 50-employee threshold is
31 met, the commissioner shall include all employees employed by an
32 employer and its subsidiaries at all locations within the
33 state. The report shall include the following information:

34 (1) the name of the employer and, as appropriate, the names
35 of its subsidiaries that employ Minnesota health care program
36 recipients;

1 (2) the number of Minnesota health care program recipients
2 who are employees of the employer;

3 (3) the number of Minnesota health care program recipients
4 who are spouses or dependents of employees of the employer; and

5 (4) the cost to the state of providing health care benefits
6 for these employers' employees and enrolled dependents.

7 (b) In preparing and publishing the report, the
8 commissioner shall take reasonable precautions to protect the
9 identity of Minnesota health care program recipients:

10 (1) the report shall include only nonindividually
11 identifiable summary data as defined in section 13.02,
12 subdivision 19;

13 (2) the commissioner shall employ generally accepted
14 statistical and scientific principles and methods for rendering
15 information as not individually identifiable. The commissioner
16 must determine that there is an insignificant risk that
17 information in the report could be used, alone or in combination
18 with other reasonably available information, to identify any
19 Minnesota health care program recipient; and

20 (3) the commissioner shall comply with all other applicable
21 privacy and security provisions of the Health Insurance
22 Portability and Accountability Act of 1996, Public Law 104-191,
23 and its corresponding regulations, Code of Federal Regulations,
24 title 45, sections 160, 162, and 164; Minnesota Statutes,

26 federal law.

27 (c) The commissioner shall make the report available to the
28 public on the Department of Human Services' Web site, and shall
29 provide a copy of the report to any member of the public upon
30 request.

31 Sec. 48. [LIMITING COVERAGE OF HEALTH CARE SERVICES FOR
32 MEDICAL ASSISTANCE, GENERAL ASSISTANCE MEDICAL CARE, AND
33 MINNESOTACARE PROGRAMS.]

34 Subdivision 1. [PRIOR AUTHORIZATION OF SERVICES.] (a)
35 Effective July 1, 2005, prior authorization is required for the
36 services described in subdivision 2 for reimbursement under

1 chapters -256B, 256D, and 256L.

2 (b) Prior authorization shall be conducted under the
3 direction of the medical director of the Department of Human
4 Services in conjunction with a medical policy advisory council.
5 To the extent available, the medical director shall use publicly
6 available evidence-based guidelines developed by an independent,
7 nonprofit organization or by the professional association of the
8 specialty that typically provides the service or by a multistate
9 Medicaid evidence-based practice center. If the commissioner
10 does not have a medical director and medical policy director in
11 place, the commissioner shall contract prior authorization to a
12 Minnesota-licensed utilization review organization or to another
13 entity such as a peer review organization eligible to operate in
14 Minnesota.

15 (c) A prepaid health plan shall use prior authorization for
16 the services described in subdivision 2 unless the prepaid
17 health plan is otherwise using evidence-based practices to
18 address these services.

19 (d) This section expires July 1, 2007, or when a list is
20 established according to Minnesota Statutes, section 256B.0625,
21 subdivision 46, whichever is earlier.

22 Subd. 2. [SERVICES REQUIRING PRIOR AUTHORIZATION.] The
23 following services require prior authorization:

24 (1) elective outpatient high-technology imaging to include
25 positive emission tomography (PET) scans, magnetic resonance
26 imaging (MRI), computed tomography (CT), and nuclear cardiology;

27 (2) spinal fusion, unless in an emergency situation related
28 to trauma;

29 (3) bariatric surgery;

30 (4) chiropractic visits beyond ten visits;

31 (5) circumcision; and

32 (6) orthodontia.

33 Subd. 3. [RATE REDUCTION.] (a) Effective for the services
34 identified in subdivision 2, rendered on or after July 1, 2005,
35 the payment rate shall be reduced by ten percent from the rate
36 in effect on June 30, 2005.

1 (b) This subdivision shall expire on June 30, 2006, or upon
2 the completion of the prior authorization system required under
3 subdivision 1, paragraph (b), whichever is later.

4 Sec. 49. [ORAL HEALTH CARE SYSTEM PILOT PROJECT START-UP
5 GRANT.]

6 The commissioner of human services shall issue a request
7 for proposal for a two-year pilot project that shall provide
8 dental services for Minnesota health care program recipients
9 through a new oral health care delivery system. The request for
10 proposal shall be based upon the model designed by the Oral
11 HealthCare Solutions Project. The proposal must demonstrate the
12 capacity to obtain broad community support and to leverage the
13 state's start-up funding by attracting additional public and
14 private funding. The pilot project must include both urban and
15 rural regions of the state, and adhere to the financial and
16 delivery system requirements specified by the commissioner in
17 accordance with the Oral HealthCare Solutions Project design.

18 Sec. 50. [PLANNING PROCESS FOR MANAGED CARE.]

19 The commissioner of human services shall develop a planning
20 process for the purposes of implementing at least one additional
21 managed care arrangement to provide medical assistance services,
22 excluding continuing care services, to recipients enrolled in
23 the medical assistance fee-for-service program, effective
24 January 1, 2007. This planning process shall include an
25 advisory committee composed of current fee-for-service
26 consumers, consumer advocates, and providers, as well as
27 representatives of health plans and other provider organizations
28 qualified to provide basic health care services to persons with
29 disabilities. The commissioner shall seek any additional
30 federal authority necessary to provide basic health care
31 services through contracted managed care arrangements.

32 Sec. 51. [REPEALER.]

33 (a) Notwithstanding Minnesota Statutes, section 256B.69,
34 subdivision 5a, paragraph (b), Minnesota Statutes 2004, section
35 256L.035, is repealed effective July 1, 2005.

36 (b) Minnesota Statutes 2004, section 256B.0631, is repealed

1 effective January 1, 2006.

2 ARTICLE 3

3 HEALTH CARE COST CONTAINMENT

4 Section 1. Minnesota Statutes 2004, section 62A.65,
5 subdivision 3, is amended to read:

6 Subd. 3. [PREMIUM RATE RESTRICTIONS.] No individual health
7 plan may be offered, sold, issued, or renewed to a Minnesota
8 resident unless the premium rate charged is determined in
9 accordance with the following requirements:

10 (a) Premium rates must be no more than 25 percent above and
11 no more than 25 percent below the index rate charged to
12 individuals for the same or similar coverage, adjusted pro rata
13 for rating periods of less than one year. The premium
14 variations permitted by this paragraph must be based only upon
15 health status, claims experience, and occupation. For purposes
16 of this paragraph, health status includes refraining from
17 tobacco use or other actuarially valid lifestyle factors
18 associated with good health, provided that the lifestyle factor
19 and its effect upon premium rates have been determined by the
20 commissioner to be actuarially valid and have been approved by
21 the commissioner. Variations permitted under this paragraph
22 must not be based upon age or applied differently at different
23 ages. This paragraph does not prohibit use of a constant
24 percentage adjustment for factors permitted to be used under
25 this paragraph.

26 (b) Premium rates may vary based upon the ages of covered
27 persons only as provided in this paragraph. In addition to the
28 variation permitted under paragraph (a), each health carrier may
29 use an additional premium variation based upon age of up to plus
30 or minus 50 percent of the index rate.

31 (c) A health carrier may request approval by the
32 commissioner to establish no more than three geographic regions
33 and to establish separate index rates for each region, provided
34 that the index rates do not vary between any two regions by more
35 than 20 percent. Health carriers that do not do business in the
36 Minneapolis/St. Paul metropolitan area may request approval for

1 no more than two geographic regions, and clauses (2) and (3) do
2 not apply to approval of requests made by those health
3 carriers. The commissioner may grant approval if the following
4 conditions are met:

5 (1) the geographic regions must be applied uniformly by the
6 health carrier;

7 (2) one geographic region must be based on the
8 Minneapolis/St. Paul metropolitan area;

9 (3) for each geographic region that is rural, the index
10 rate for that region must not exceed the index rate for the
11 Minneapolis/St. Paul metropolitan area; and

12 (4) the health carrier provides actuarial justification
13 acceptable to the commissioner for the proposed geographic
14 variations in index rates, establishing that the variations are
15 based upon differences in the cost to the health carrier of
16 providing coverage.

17 (d) Health carriers may use rate cells and must file with
18 the commissioner the rate cells they use. Rate cells must be
19 based upon the number of adults or children covered under the
20 policy and may reflect the availability of Medicare coverage.
21 The rates for different rate cells must not in any way reflect
22 generalized differences in expected costs between principal
23 insureds and their spouses.

24 (e) In developing its index rates and premiums for a health
25 plan, a health carrier shall take into account only the
26 following factors:

27 (1) actuarially valid differences in rating factors
28 permitted under paragraphs (a) and (b); and

29 (2) actuarially valid geographic variations if approved by
30 the commissioner as provided in paragraph (c).

31 (f) All premium variations must be justified in initial
32 rate filings and upon request of the commissioner in rate
33 revision filings. All rate variations are subject to approval
34 by the commissioner.

35 (g) The loss ratio must comply with the section 62A.021
36 requirements for individual health plans.

1 (h) Notwithstanding paragraphs (a) to (g), the rates must
2 not be approved, unless the commissioner has determined that the
3 rates are reasonable. In determining reasonableness, the
4 commissioner shall ~~consider the growth rates applied under~~
5 section 62J.04, subdivision 1, paragraph (b) apply the premium
6 growth limits established under section 62J.04, subdivision 1b,
7 to the calendar year or years that the proposed premium rate
8 would be in effect, and shall consider actuarially valid changes
9 in risks associated with the enrollee populations, and
10 actuarially valid changes as a result of statutory changes in
11 Laws 1992, chapter 549.

12 Sec. 2. Minnesota Statutes 2004, section 62J.04, is
13 amended by adding a subdivision to read:

14 Subd. 1b. [PREMIUM GROWTH LIMITS.] (a) For calendar year
15 2005 and each year thereafter, the commissioner shall set annual
16 premium growth limits for health plan companies. The premium
17 limits set by the commissioner for calendar years 2005 to 2010
18 shall not exceed the regional Consumer Price Index for urban
19 consumers for the preceding calendar year plus two percentage
20 points and an additional one percentage point to be used to
21 finance the implementation of the electronic medical record
22 system. The commissioner shall ensure that the additional
23 percentage point is being used to provide financial assistance
24 to health care providers to implement electronic medical record
25 systems either directly or through an increase in reimbursement.

26 (b) For the calendar years beyond 2010, the rate of premium
27 growth shall be limited to the change in the Consumer Price
28 Index for urban consumers for the previous calendar year plus
29 two percentage points. The commissioners of health and commerce
30 shall make a recommendation to the legislature by January 15,
31 2009, regarding the continuation of the additional percentage
32 point to the growth limit described in paragraph (a). The
33 recommendation shall be based on the progress made by health
34 care providers in instituting an electronic medical record
35 system and in creating a statewide interactive electronic health
36 record system.

1 (c) The commissioner may add additional percentage points
2 as needed to the premium limit for a calendar year if a major
3 disaster, bioterrorism, or a public health emergency occurs that
4 results in higher health care costs. Any additional percentage
5 points must reflect the additional cost to the health care
6 system directly attributed to the disaster or emergency.

7 (d) The commissioner shall publish the annual premium
8 growth limits in the State Register by January 31 of the year
9 that the limits are to be in effect.

10 (e) For the purpose of this subdivision, premium growth is
11 measured as the percentage change in per member, per month
12 premium revenue from the current year to the previous year.
13 Premium growth rates shall be calculated for the following lines
14 of business: individual, small group, and large group. Data
15 used for premium growth rate calculations shall be submitted as
16 part of the cost containment filing under section 62J.38.

17 (f) For purposes of this subdivision, "health plan company"
18 has the meaning given in section 62J.041.

19 (g) A health plan company may reduce reimbursement to
20 providers in order to meet the premium growth limitations
21 required by this section.

22 Sec. 3. Minnesota Statutes 2004, section 62J.04,
23 subdivision 3, is amended to read:

24 Subd. 3. [COST CONTAINMENT DUTIES.] The commissioner shall:

25 (1) establish statewide and regional cost containment goals
26 for total health care spending under this section and collect
27 data as described in sections 62J.38 to 62J.41 to monitor
28 statewide achievement of the cost containment goals and premium
29 growth limits;

30 (2) divide the state into no fewer than four regions, with
31 one of those regions being the Minneapolis/St. Paul metropolitan
32 statistical area but excluding Chisago, Isanti, Wright, and
33 Sherburne Counties, for purposes of fostering the development of
34 regional health planning and coordination of health care
35 delivery among regional health care systems and working to
36 achieve the cost containment goals;

1 (3) monitor the quality of health care throughout the state
2 and take action as necessary to ensure an appropriate level of
3 quality;

4 (4) issue recommendations regarding uniform billing forms,
5 uniform electronic billing procedures and data interchanges,
6 patient identification cards, and other uniform claims and
7 administrative procedures for health care providers and private
8 and public sector payers. In developing the recommendations,
9 the commissioner shall review the work of the work group on
10 electronic data interchange (WEDI) and the American National
11 Standards Institute (ANSI) at the national level, and the work
12 being done at the state and local level. The commissioner may
13 adopt rules requiring the use of the Uniform Bill 82/92 form,
14 the National Council of Prescription Drug Providers (NCPDP) 3.2
15 electronic version, the Centers for Medicare and Medicaid
16 Services 1500 form, or other standardized forms or procedures;

17 (5) undertake health planning responsibilities;

18 (6) authorize, fund, or promote research and
19 experimentation on new technologies and health care procedures;

20 (7) within the limits of appropriations for these purposes,
21 administer or contract for statewide consumer education and
22 wellness programs that will improve the health of Minnesotans
23 and increase individual responsibility relating to personal
24 health and the delivery of health care services, undertake
25 prevention programs including initiatives to improve birth
26 outcomes, expand childhood immunization efforts, and provide
27 start-up grants for worksite wellness programs;

28 (8) undertake other activities to monitor and oversee the
29 delivery of health care services in Minnesota with the goal of
30 improving affordability, quality, and accessibility of health
31 care for all Minnesotans; and

32 (9) make the cost containment goal and premium growth limit
33 data available to the public in a consumer-oriented manner.

34 Sec. 4. Minnesota Statutes 2004, section 62J.041, is
35 amended to read:

2 Subdivision 1. [DEFINITIONS.] (a) For purposes of this

28 for the increase in net calendar year 2006, and each year
29 thereafter, for health care expenditures by each health plan
30 company for calendar years 1994, 1995, 1996, and 1997. ~~The cost~~
31 ~~containment goals must be the same as the annual cost~~

 12 month or cost per employee per month, and detailed information
 13 on revenues and reserves. The commissioner, to the extent
 14 possible, shall coordinate the submittal of the information
 15 required under this section with the submittal of the financial
 16 data required under chapter 62J, to minimize the administrative
 17 burden on health plan companies. The commissioner may adjust
 18 final expenditure figures for demographic changes, risk
 19 selection, changes in basic benefits, and legislative
 20 initiatives that materially change health care costs, as long as
 21 these adjustments are consistent with the methodology submitted
 22 by the health plan company to the commissioner, and approved by
 23 the commissioner as actuarially justified. ~~The methodology to~~
 24 ~~be used for adjustments and the election to meet one cost~~
 25 ~~containment goal for affiliated health plan companies must be~~

 34 ~~1996 and 1997. Changes to the adjustment methodology must be~~
 35 ~~received by September 17, 1996 and must be approved by the~~
 36 ~~commissioner.~~

1 Subd. 4. [MONITORING OF RESERVES.] (a) The commissioners
2 of health and commerce shall monitor health plan company
3 reserves and net worth as established under chapters 60A, 62C,
4 62D, 62H, and 64B, with respect to the health plan companies
5 that each commissioner respectively regulates to assess the
6 degree to which savings resulting from the establishment of cost
7 containment goals are passed on to consumers in the form of
8 lower premium rates.

9 (b) Health plan companies shall fully reflect in the
10 premium rates the savings generated by the cost containment
11 goals. No premium rate, currently reviewed by the Department of
12 Health or Commerce, may be approved for those health plan
13 companies unless the health plan company establishes to the
14 satisfaction of the commissioner of commerce or the commissioner
15 of health, as appropriate, that the proposed new rate would
16 comply with this paragraph.

17 (c) Health plan companies, except those licensed under
18 chapter 60A to sell accident and sickness insurance under
19 chapter 62A, shall annually before the end of the fourth fiscal
20 quarter provide to the commissioner of health or commerce, as
21 applicable, a projection of the level of reserves the company
22 expects to attain during each quarter of the following fiscal
23 year. These health plan companies shall submit with required
24 quarterly financial statements a calculation of the actual
25 reserve level attained by the company at the end of each quarter
26 including identification of the sources of any significant
27 changes in the reserve level and an updated projection of the
28 level of reserves the health plan company expects to attain by
29 the end of the fiscal year. In cases where the health plan
30 company has been given a certificate to operate a new health
31 maintenance organization under chapter 62D, or been licensed as
32 a community integrated service network under chapter 62N, or
33 formed an affiliation with one of these organizations, the
34 health plan company shall also submit with its quarterly
35 financial statement, total enrollment at the beginning and end
36 of the quarter and enrollment changes within each service area

1 of the new organization. The reserve calculations shall be
2 maintained by the commissioners as trade secret information,
3 except to the extent that such information is also required to
4 be filed by another provision of state law and is not treated as
5 trade secret information under such other provisions.

6 (d) Health plan companies in paragraph (c) whose reserves
7 are less than the required minimum or more than the required
8 maximum at the end of the fiscal year shall submit a plan of

22 provider. Capital costs and costs incurred must be recorded
23 according to standard accounting principles. The reports of
24 this data must also separately identify expenses for local,
25 state, and federal taxes, fees, and assessments. The

24 plan company or public health care program coverage for health
25 care services.

26 (c) "CPT code" means a code contained in the most current
27 edition of the Physician's Current Procedural Terminology (CPT)
28 manual published by the American Medical Association.

29 (d) "Dependent" has the meaning given under section 62L.02,
30 subdivision 11.

31 (e) "Health care service" has the meaning given under
32 section 62J.17, subdivision 2.

33 (f) "Health plan company" has the meaning given under
34 section 62Q.01, subdivision 4.

35 (g) "Person" means an individual, corporation, firm,

5 public health care plan or program.

6 (j) "Uninsured individual" means a person or dependent who
7 does not have health plan company coverage or who is not
8 otherwise covered by a third-party payer.

9 Subd. 2. [NOTICE TO UNINSURED.] (a) A provider may attempt
10 to obtain from a person or the person's representative
11 information about whether any third-party payer may fully or
12 partially cover the charges for health care services rendered by
13 the provider to the person.

14 (b) A provider shall inform each person, both orally and in
15 writing, immediately upon first meeting with that person, or as
16 soon as practicable thereafter, that uninsured individuals will
17 be charged or billed for health care services in amounts that do
18 not exceed the amounts described in subdivision 3.

19 (c) If, at the time health care services are provided, a
20 person has not provided proof of coverage by a third-party payer
21 or a provider otherwise determines that the person is an
22 uninsured individual, the provider, as part of any billing to
23 the person, shall provide the person with a clear and
24 conspicuous notice that includes:

25 (1) a statement of charges for health care services

35 Subd. 3. [PROVIDER CHARGES TO UNINSURED.] In billing or
36 charging an uninsured individual or the individual's

1 representative for medically necessary health care services, a
2 provider must bill by CPT code, or other billing identifier as
3 may be routinely used for billing that health care service. A
4 provider shall not bill or charge an uninsured individual or the
5 individual's representative more than the amount the provider is
6 paid for that service by the nongovernmental third-party payer
7 that provided the most revenue to the provider during the
8 previous calendar year, plus any applicable cost sharing
9 payments payable by an individual covered by that provider's
10 highest volume plan. After a bill or charge is issued under
11 this subdivision, a provider may not increase the bill or charge.

12 Subd. 4. [LIMITATIONS.] Notwithstanding any other
13 provision of law, the amounts paid by uninsured individuals for
14 health care services according to subdivision 3 does not
15 constitute a provider's uniform, published, prevailing, or
16 customary charges, or its usual fees to the general public, for
17 purposes of any payment limit under the Medicare or medical
18 assistance programs or any other federal or state financed
19 health care program.

20 Subd. 5. [RECOURSE LIMITED.] (a) Providers under agreement
21 with a health plan company or public health care plan or program
22 to provide health care services shall not have recourse against
23 covered individuals, or persons acting on their behalf, for
24 amounts above those specified in the evidence of coverage or
25 other plan or program document as co-payments or coinsurance for
26 health care services. This subdivision applies only to health
27 plans that provide coverage equivalent to or greater than a
28 number two qualified plan described under section 62E.08, and is
29 not limited to the following events:

30 (1) nonpayment by the health plan company;
31 (2) insolvency of the health plan company; and
32 (3) breach of the agreement between the health plan company
33 and the provider.

34 (b) This subdivision does not limit a provider's ability to
35 seek payment from any person other than the covered individual,
36 the covered individual's guardian or conservator, the covered

1 individual's immediate family members, or the covered
2 individual's legal representative in the event of nonpayment by
3 a health plan company.

4 Subd. 6. [REMEDIES.] A person may file an action in
5 district court seeking injunctive relief and damages for
6 violations of this section. In any such action, a person may
7 also recover costs and disbursements and reasonable attorney
8 fees.

9 Subd. 7. [GROUNDS FOR DISCIPLINARY ACTION.] Violations of
10 this section may be grounds for disciplinary or regulatory
11 action against a provider by the appropriate licensing board or
12 agency.

15 8.31. The attorney general may file an action for violations of

22 Subdivision 1. [REPORT; AVAILABILITY.] (a) Each health
23 care provider, as defined by section 62J.03, subdivision 8,
24 shall report annually to the commissioner of health, in a form
25 and manner specified by the commissioner, the following:

26 (1) the average and median allowable charge from private
27 third-party payers for the 20 services or procedures most

2 with one or more private, nonprofit organizations to make this
3 information available in an easily understood format that
4 promotes comparisons by integrated health care systems,
5 individual practice groups, single-provider practices, specialty
6 groups, and hospitals.

7 Subd. 3. [DETERMINATION OF MOST COMMON PROCEDURES.] The
8 commissioner may specify the 20 most common procedures by

17 restrictions defined in this chapter. Such demonstration must
18 include the allowable range of rates from the index rates and a
19 description of how the health carrier intends to use demographic
20 factors including case characteristics in calculating the
21 premium rates.

22 (b) Notwithstanding paragraph (a), the rates shall not be
23 approved, unless the commissioner has determined that the rates
24 are reasonable. In determining reasonableness, the commissioner
25 shall consider-the-growth-rates-applied-under-section-62J-04,
26 subdivision-17-paragraph-(b) apply the premium growth limits
27 established under section 62J.04, subdivision 1b, to the

32 549. For-premium-rates-proposed-to-go-into-effect-between-July
33 17-1993-and-December-31-1993, the pertinent growth rate is the
34 growth-rate-applied-under-section-62J-04-subdivision-17

2 Subd. 7. [HUMAN SERVICES.] (a) The commissioner of human
3 services shall implement this section in a manner that is
4 consistent with applicable federal laws and regulations and that

6 nationally recognized independent organization.

7 (b) By December 31 of each year, the commissioner shall
8 submit to the legislature a written report identifying the
9 number of audits performed by a nationally recognized
10 independent organization that were accepted, partially accepted,
11 or rejected by the commissioner under this section. The
12 commissioner shall provide the rationale for partial acceptance
13 or rejection. If the rationale for the partial acceptance or
14 rejection was based on the commissioner's determination that the
15 standards used in the audit were not equivalent to state law,
16 regulation, or contract requirement, the report must document
17 the variances between the audit standards and the applicable
18 state requirements.

25 (1) the home care services were required to treat an
26 emergency medical condition that if not immediately treated
27 could cause a recipient serious physical or mental disability,
28 continuation of severe pain, or death. The provider must
29 request retroactive authorization no later than five working
30 days after giving the initial service. The provider must be
31 able to substantiate the emergency by documentation such as
32 reports, notes, and admission or discharge histories;

33 (2) the home care services were provided on or after the
34 date on which the recipient's eligibility began, but before the
35 date on which the recipient was notified that the case was
36 opened. Authorization will be considered if the request is

1 submitted by the provider within 20 working days of the date the
2 recipient was notified that the case was opened;

3 (3) a third-party payor for home care services has denied
4 or adjusted a payment. Authorization requests must be submitted
5 by the provider within 20 working days of the notice of denial
6 or adjustment. A copy of the notice must be included with the
7 request;

8 (4) the commissioner has determined that a county or state
9 human services agency has made an error; or

10 (5) the professional nurse determines an immediate need for
11 up to 40 skilled nursing or home health aide visits per calendar
12 year and submits a request for authorization within 20 working
13 days of the initial service date, and medical assistance is
14 determined to be the appropriate payer.

15 (c) [RETROACTIVE AUTHORIZATION.] A request for retroactive
16 authorization will be evaluated according to the same criteria
17 applied to prior authorization requests.

18 (d) [ASSESSMENT AND SERVICE PLAN.] Assessments under
19 section 256B.0627, subdivision 1, paragraph (a), shall be
20 conducted initially, and at least annually thereafter, in person
21 with the recipient and result in a completed service plan using
22 forms specified by the commissioner. Within 30 days of
23 recipient or responsible party request for home care services,
24 the assessment, the service plan, and other information
25 necessary to determine medical necessity such as diagnostic or
26 testing information, social or medical histories, and hospital
27 or facility discharge summaries shall be submitted to the
28 commissioner. Notwithstanding the provisions of section
29 256B.0627, subdivision 12, the commissioner shall maximize
30 federal financial participation to pay for public health nurse
31 assessments for personal care services. For personal care
32 assistant services:

33 (1) The amount and type of service authorized based upon
34 the assessment and service plan will follow the recipient if the
35 recipient chooses to change providers.

36 (2) If the recipient's medical need changes, the

1 recipient's provider may assess the need for a change in service
2 authorization and request the change from the county public
3 health nurse. Within 30 days of the request, the public health
4 nurse will determine whether to request the change in services
5 based upon the provider assessment, or conduct a home visit to
6 assess the need and determine whether the change is
7 appropriate. If the change in service need is due to a change
8 in medical condition, a new physician's determination of medical
9 necessity, required by section 256B.0625, subdivision 19c, must
10 be obtained.

11 (3) To continue to receive personal care assistant services
12 after the first year, the recipient or the responsible party, in
13 conjunction with the public health nurse, may complete a service
14 update on forms developed by the commissioner according to
15 criteria and procedures in subdivision 1.

16 (e) [PRIOR AUTHORIZATION.] The commissioner, or the
17 commissioner's designee, shall review the assessment, service
18 update, request for temporary services, request for flexible use
19 option, service plan, and any additional information that is
20 submitted. The commissioner shall, within 30 days after
21 receiving a complete request, assessment, and service plan,
22 authorize home care services as follows:

23 (1) [HOME HEALTH SERVICES.] All home health services
24 provided by a home health aide must be prior authorized by the
25 commissioner or the commissioner's designee. Prior
26 authorization must be based on medical necessity and
27 cost-effectiveness when compared with other care options. When
28 home health services are used in combination with personal care
29 and private duty nursing, the cost of all home care services
30 shall be considered for cost-effectiveness. The commissioner
31 shall limit home health aide visits to no more than one visit
32 each per day. The commissioner, or the commissioner's designee,
33 may authorize up to two skilled nurse visits per day.

34 (2) [PERSONAL CARE ASSISTANT SERVICES.] (i) All personal
35 care assistant services and supervision by a qualified
36 professional, if requested by the recipient, must be prior

1 authorized by the commissioner or the commissioner's designee
2 except for the assessments established in paragraph (a). The
3 amount of personal care assistant services authorized must be
4 based on the recipient's home care rating. A child may not be
5 found to be dependent in an activity of daily living if because
6 of the child's age an adult would either perform the activity
7 for the child or assist the child with the activity and the
8 amount of assistance needed is similar to the assistance
9 appropriate for a typical child of the same age. Based on
10 medical necessity, the commissioner may authorize:

11 (A) up to two times the average number of direct care hours
12 provided in nursing facilities for the recipient's comparable
13 case mix level; or

14 (B) up to three times the average number of direct care
15 hours provided in nursing facilities for recipients who have
16 complex medical needs or are dependent in at least seven
17 activities of daily living and need physical assistance with
18 eating or have a neurological diagnosis; or

19 (C) up to 60 percent of the average reimbursement rate, as
20 of July 1, 1991, for care provided in a regional treatment
21 center for recipients who have Level I behavior, plus any
22 inflation adjustment as provided by the legislature for personal
23 care service; or

24 (D) up to the amount the commissioner would pay, as of July
25 1, 1991, plus any inflation adjustment provided for home care
26 services, for care provided in a regional treatment center for
27 recipients referred to the commissioner by a regional treatment
28 center preadmission evaluation team. For purposes of this
29 clause, home care services means all services provided in the
30 home or community that would be included in the payment to a
31 regional treatment center; or

32 (E) up to the amount medical assistance would reimburse for
33 facility care for recipients referred to the commissioner by a
34 preadmission screening team established under section 256B.0911
35 or 256B.092; and

36 (F) a reasonable amount of time for the provision of

1 supervision by a qualified professional of personal care
2 assistant services, if a qualified professional is requested by
3 the recipient or responsible party.

4 (ii) The number of direct care hours shall be determined
5 according to the annual cost report submitted to the department
6 by nursing facilities. The average number of direct care hours,
7 as established by May 1, 1992, shall be calculated and
8 incorporated into the home care limits on July 1, 1992. These
9 limits shall be calculated to the nearest quarter hour.

10 (iii) The home care rating shall be determined by the
11 commissioner or the commissioner's designee based on information
12 submitted to the commissioner by the county public health nurse
13 on forms specified by the commissioner. The home care rating
14 shall be a combination of current assessment tools developed
15 under sections 256B.0911 and 256B.501 with an addition for
16 seizure activity that will assess the frequency and severity of
17 seizure activity and with adjustments, additions, and
18 clarifications that are necessary to reflect the needs and
19 conditions of recipients who need home care including children
20 and adults under 65 years of age. The commissioner shall
21 establish these forms and protocols under this section and shall
22 use an advisory group, including representatives of recipients,
23 providers, and counties, for consultation in establishing and
24 revising the forms and protocols.

25 (iv) A recipient shall qualify as having complex medical
26 needs if the care required is difficult to perform and because
27 of recipient's medical condition requires more time than
28 community-based standards allow or requires more skill than
29 would ordinarily be required and the recipient needs or has one
30 or more of the following:

31 (A) daily tube feedings;

32 (B) daily parenteral therapy;

33 (C) wound or decubiti care;

34 (D) postural drainage, percussion, nebulizer treatments,
35 suctioning, tracheotomy care, oxygen, mechanical ventilation;

36 (E) catheterization;

1 (F) -ostomy care;

2 (G) quadriplegia; or

3 (H) other comparable medical conditions or treatments the
4 commissioner determines would otherwise require institutional
5 care.

6 (v) A recipient shall qualify as having Level I behavior if
7 there is reasonable supporting evidence that the recipient
8 exhibits, or that without supervision, observation, or
9 redirection would exhibit, one or more of the following
10 behaviors that cause, or have the potential to cause:

11 (A) injury to the recipient's own body;

12 (B) physical injury to other people; or

13 (C) destruction of property.

14 (vi) Time authorized for personal care relating to Level I
15 behavior in subclause (v), items (A) to (C), shall be based on
16 the predictability, frequency, and amount of intervention
17 required.

18 (vii) A recipient shall qualify as having Level II behavior
19 if the recipient exhibits on a daily basis one or more of the
20 following behaviors that interfere with the completion of

21 personal care assistant services under subdivision 4, paragraph

22 (a):

23 (A) unusual or repetitive habits;

24 (B) withdrawn behavior; or

25 (C) offensive behavior.

26 (viii) A recipient with a home care rating of Level II
27 behavior in subclause (vii), items (A) to (C), shall be rated as
28 comparable to a recipient with complex medical needs under
29 subclause (iv). If a recipient has both complex medical needs
30 and Level II behavior, the home care rating shall be the next
31 complex category up to the maximum rating under subclause (i),
32 item (B).

33 (3) [PRIVATE DUTY NURSING SERVICES.] All private duty
34 nursing services shall be prior authorized by the commissioner
35 or the commissioner's designee. Prior authorization for private
36 duty nursing services shall be based on medical necessity and

1 cost-effectiveness when compared with alternative care options.
2 The commissioner may authorize medically necessary private duty
3 nursing services in quarter-hour units when:

4 (i) the recipient requires more individual and continuous
5 care than can be provided during a nurse visit; or

6 (ii) the cares are outside of the scope of services that
7 can be provided by a home health aide or personal care assistant.

8 The commissioner may authorize:

9 (A) up to two times the average amount of direct care hours
10 provided in nursing facilities statewide for case mix
11 classification "K" as established by the annual cost report
12 submitted to the department by nursing facilities in May 1992;

13 (B) private duty nursing in combination with other home
14 care services up to the total cost allowed under clause (2);

15 (C) up to 16 hours per day if the recipient requires more
16 nursing than the maximum number of direct care hours as
17 established in item (A) and the recipient meets the hospital
18 admission criteria established under Minnesota Rules, parts
19 9505.0501 to 9505.0540.

20 The commissioner may authorize up to 16 hours per day of
21 medically necessary private duty nursing services or up to 24
22 hours per day of medically necessary private duty nursing
23 services until such time as the commissioner is able to make a
24 determination of eligibility for recipients who are
25 cooperatively applying for home care services under the
26 community alternative care program developed under section
27 256B.49, or until it is determined by the appropriate regulatory
28 agency that a health benefit plan is or is not required to pay
29 for appropriate medically necessary health care services.

30 Recipients or their representatives must cooperatively assist
31 the commissioner in obtaining this determination. Recipients
32 who are eligible for the community alternative care program may
33 not receive more hours of nursing under this section than would
34 otherwise be authorized under section 256B.49.

35 (4) [VENTILATOR-DEPENDENT RECIPIENTS.] If the recipient is
36 ventilator-dependent, the monthly medical assistance

1 authorization for home care services shall not exceed what the
2 commissioner would pay for care at the highest cost hospital
3 designated as a long-term hospital under the Medicare program.

4 For purposes of this clause, home care services means all
5 services provided in the home that would be included in the
6 payment for care at the long-term hospital.

7 "Ventilator-dependent" means an individual who receives
8 mechanical ventilation for life support at least six hours per
9 day and is expected to be or has been dependent for at least 30
10 consecutive days.

11 (f) [PRIOR AUTHORIZATION; TIME LIMITS.] The commissioner
12 or the commissioner's designee shall determine the time period
13 for which a prior authorization shall be effective and, if
14 flexible use has been requested, whether to allow the flexible
15 use option. If the recipient continues to require home care
16 services beyond the duration of the prior authorization, the
17 home care provider must request a new prior authorization.
18 Under no circumstances, other than the exceptions in paragraph
19 (b), shall a prior authorization be valid prior to the date the
20 commissioner receives the request or for more than 12 months. A
21 recipient who appeals a reduction in previously authorized home
22 care services may continue previously authorized services, other
23 than temporary services under paragraph (h), pending an appeal
24 under section 256.045. The commissioner must provide a detailed
25 explanation of why the authorized services are reduced in amount
26 from those requested by the home care provider.

27 (g) [APPROVAL OF HOME CARE SERVICES.] The commissioner or
28 the commissioner's designee shall determine the medical
29 necessity of home care services, the level of caregiver
30 according to subdivision 2, and the institutional comparison
31 according to this subdivision, the cost-effectiveness of
32 services, and the amount, scope, and duration of home care
33 services reimbursable by medical assistance, based on the
34 assessment, primary payer coverage determination information as
35 required, the service plan, the recipient's age, the cost of
36 services, the recipient's medical condition, and diagnosis or

1 disability. The commissioner may publish additional criteria
2 for determining medical necessity according to section 256B.04.

3 (h) [PRIOR AUTHORIZATION REQUESTS; TEMPORARY SERVICES.]

4 The agency nurse, the independently enrolled private duty nurse,
5 or county public health nurse may request a temporary
6 authorization for home care services by telephone. The
7 commissioner may approve a temporary level of home care services
8 based on the assessment, and service or care plan information,
9 and primary payer coverage determination information as required.
10 Authorization for a temporary level of home care services
11 including nurse supervision is limited to the time specified by
12 the commissioner, but shall not exceed 45 days, unless extended
13 because the county public health nurse has not completed the
14 required assessment and service plan, or the commissioner's
15 determination has not been made. The level of services
16 authorized under this provision shall have no bearing on a
17 future prior authorization.

18 (i) [PRIOR AUTHORIZATION REQUIRED IN FOSTER CARE SETTING.]

19 Home care services provided in an adult or child foster care
20 setting must receive prior authorization by the department
21 according to the limits established in paragraph (a).

22 The commissioner may not authorize:

23 (1) home care services that are the responsibility of the
24 foster care provider under the terms of the foster care
25 placement agreement and administrative rules;

26 (2) personal care assistant services when the foster care
27 license holder is also the personal care provider or personal
28 care assistant unless the recipient can direct the recipient's
29 own care, or case management is provided as required in section
30 256B.0625, subdivision 19a;

31 (3) personal care assistant services when the responsible
32 party is an employee of, or under contract with, or has any
33 direct or indirect financial relationship with the personal care
34 provider or personal care assistant, unless case management is
35 provided as required in section 256B.0625, subdivision 19a; or

36 (4) personal care assistant and private duty nursing

1 services when the number of foster care residents is greater
2 than four unless the county responsible for the recipient's
3 foster placement made the placement prior to April 1, 1992,
4 requests that personal care assistant and private duty nursing
5 services be provided, and case management is provided as
6 required in section 256B.0625, subdivision 19a.

7 Sec. 15. Minnesota Statutes 2004, section 256B.0627,
8 subdivision 9, is amended to read:

9 Subd. 9. [OPTION FOR FLEXIBLE USE OF PERSONAL CARE
10 ASSISTANT HOURS.] (a) "Flexible use option" means the scheduled
11 use of authorized hours of personal care assistant services,
12 which vary within ~~the length of the~~ a service authorization
13 period covering no more than six months, in order to more
14 effectively meet the needs and schedule of the
15 recipient. Authorized hours not used within the six-month
16 period may not be carried over to another time period. The
17 flexible use of personal care assistant hours for a six-month
18 period must be prior authorized by the commissioner, based on a
19 request submitted on a form approved by the commissioner. The
20 request must include the assessment and the annual service plan
21 prepared by the county public health nurse.

22 (b) The recipient or responsible party, together with the
23 case manager, if the recipient has case management services, and
24 the county public health nurse, shall determine whether flexible
25 use is an appropriate option based on the needs, abilities,
26 preferences, and history of service use of the recipient or
27 responsible party, and if appropriate, must ensure that the
28 allocation of hours covers the ongoing needs of the recipient
29 over an entire year divided into two six-month periods of
30 flexible use.

31 (c) If prior authorized, recipients may use their approved
32 hours flexibly within the service authorization period for
33 medically necessary covered services specified in the assessment
34 required in subdivision 1. The flexible use of authorized hours
35 does not increase the total amount of authorized hours available
36 to a recipient as determined under subdivision 5. The

1 commissioner shall not authorize additional personal care
2 assistant services to supplement a service authorization that is
3 exhausted before the end date under a flexible service use plan,
4 unless the county public health nurse determines a change in
5 condition and a need for increased services is established.

6 ~~(b)~~ (d) The personal care provider organization and the
7 recipient or responsible party, together with the provider, must
8 work to monitor and document the use of authorized hours and
9 ensure that a recipient is able to manage services effectively
10 throughout the authorized period. Upon request of the recipient
11 or responsible party, the provider must furnish regular updates
12 to the recipient or responsible party on the amount of personal
13 care assistant services used develop a written month-to-month
14 plan of the projected use of personal care assistant services
15 that is part of the care plan and ensures:

16 (1) that the health and safety needs of the recipient will
17 be met;

18 (2) that the total annual authorization will not be used
19 before the end of the authorization period; and

20 (3) monthly monitoring will be conducted of hours used as a
21 percentage of the authorized amount.

22 (e) The provider shall notify the recipient, the case
23 manager, if the recipient has case management services, and the
24 county public health nurse in advance and as soon as possible,
25 on a form approved by the commissioner, if the monthly amount of
26 hours authorized is likely to be exceeded for the month.

27 (f) The commissioner shall provide written notice to the
28 provider, the recipient or responsible party, the county case
29 manager, if the recipient has case management services, and the
30 county public health nurse, when a flexible use recipient
31 exceeds the personal care service authorization for the month by
32 an amount determined by the commissioner. If the use of hours
33 exceeds the monthly service authorization by the amount
34 determined by the commissioner for two months during any
35 three-month period, the commissioner shall notify the recipient
36 and the county public health nurse that the flexible use

1 authorization will be revoked beginning the following month.
2 The revocation will not become effective if, within ten working
3 days of the commissioner's notice of flexible use revocation,
4 the county public health nurse requests prior authorization for
5 an increase in the service authorization and continuation of the
6 flexible use option, or the recipient appeals and assistance
7 pending appeal is ordered. The commissioner shall determine
8 whether to approve the increase and continued flexible use.

9 (g) The recipient or responsible party may stop the
10 flexible use of hours by notifying the provider and county
11 public health nurse in writing.

12 (h) The recipient or responsible party may appeal the
13 commissioner's action according to section 256.045. The denial
14 or revocation of the flexible use option shall not affect the
15 recipient's authorized level of personal care assistant services
16 as determined under subdivision 5.

17 Sec. 16. Minnesota Statutes 2004, section 256B.0627, is
18 amended by adding a subdivision to read:

19 Subd. 18. [OVERSIGHT OF ENROLLED PERSONAL CARE ASSISTANT
20 SERVICES PROVIDERS.] The commissioner may request from providers
21 documentation of compliance with laws, rules, and policies
22 governing the provision of personal care assistant services. A
23 personal care assistant service provider must provide the
24 requested documentation to the commissioner within ten business
25 days of the request. Failure to provide information to
26 demonstrate substantial compliance with laws, rules, or policies
27 may result in suspension, denial, or termination of the provider
28 agreement.

29 Sec. 17. Minnesota Statutes 2004, section 256B.15,
30 subdivision 1, is amended to read:

31 Subdivision 1. [POLICY, APPLICABILITY, PURPOSE, AND
32 CONSTRUCTION; DEFINITION.] (a) It is the policy of this state
33 that individuals or couples, either or both of whom participate
34 in the medical assistance program, use their own assets to pay
35 their share of the total cost of their care during or after
36 their enrollment in the program according to applicable federal

1 law and the laws of this state. The following provisions apply:

2 (1) subdivisions lc to lk shall not apply to claims arising
3 under this section which are presented under section 525.313;

4 (2) the provisions of subdivisions lc to lk expanding the
5 interests included in an estate for purposes of recovery under
6 this section give effect to the provisions of United States
7 Code, title 42, section 1396p, governing recoveries, but do not
8 give rise to any express or implied liens in favor of any other
9 parties not named in these provisions;

10 (3) the continuation of a recipient's life estate or joint
11 tenancy interest in real property after the recipient's death
12 for the purpose of recovering medical assistance under this
13 section modifies common law principles holding that these
14 interests terminate on the death of the holder;

15 (4) all laws, rules, and regulations governing or involved
16 with a recovery of medical assistance shall be liberally
17 construed to accomplish their intended purposes;

18 (5) a deceased recipient's life estate and joint tenancy
19 interests continued under this section shall be owned by the
20 remaindermen or surviving joint tenants as their interests may
21 appear on the date of the recipient's death. They shall not be
22 merged into the remainder interest or the interests of the
23 surviving joint tenants by reason of ownership. They shall be
24 subject to the provisions of this section. Any conveyance,
25 transfer, sale, assignment, or encumbrance by a remainderman, a
26 surviving joint tenant, or their heirs, successors, and assigns
27 shall be deemed to include all of their interest in the deceased
28 recipient's life estate or joint tenancy interest continued
29 under this section; and

30 (6) the provisions of subdivisions lc to lk continuing a
31 recipient's joint tenancy interests in real property after the
32 recipient's death do not apply to a homestead owned of record,
33 on the date the recipient dies, by the recipient and the
34 recipient's spouse as joint tenants with a right of
35 survivorship. Homestead means the real property occupied by the
36 surviving joint tenant spouse as their sole residence on the

1 date the recipient dies and classified and taxed to the
2 recipient and surviving joint tenant spouse as homestead
3 property for property tax purposes in the calendar year in which
4 the recipient dies. For purposes of this exemption, real
5 property the recipient and their surviving joint tenant spouse
6 purchase solely with the proceeds from the sale of their prior
7 homestead, own of record as joint tenants, and qualify as
8 homestead property under section 273.124 in the calendar year in
9 which the recipient dies and prior to the recipient's death
10 shall be deemed to be real property classified and taxed to the
11 recipient and their surviving joint tenant spouse as homestead
12 property in the calendar year in which the recipient dies. The
13 surviving spouse, or any person with personal knowledge of the
14 facts, may provide an affidavit describing the homestead
15 property affected by this clause and stating facts showing
16 compliance with this clause. The affidavit shall be prima facie
17 evidence of the facts it states.

18 (b) The commissioner shall release liens arising under
19 notices of potential claims under this section and medical
20 assistance liens under sections 514.980 to 514.985, against life
21 estates and jointly owned interests a remainderman or surviving
22 joint tenant has in farm and income-producing property the
23 deceased recipient owned of record on the date of the
24 recipient's death under the following conditions:

25 (1) the farm property is real property for which all of the
26 following apply continuously for a period beginning at least
27 three years before the calendar year in which the recipient
28 first received long-term care medical assistance through the
29 date of the recipient's death:

30 (i) the remainderman or surviving joint tenant is a farmer,
31 as defined in section 500.24, subdivision 2, paragraph (n), and
32 is engaged in farming, as defined in section 500.24, subdivision
33 2, paragraph (a);

34 (ii) all of the land is a family farm as defined in section
35 500.24, subdivision 2, paragraph (b); and

36 (iii) all of the land is classified and taxed as class 2a

1 agricultural land under section 273.13, subdivision 23,
2 paragraph (a), for property tax purposes; and

3 (2) the income-producing property is real property for
4 which all of the following apply continuously for a period
5 beginning at least three years before the calendar year in which
6 the recipient first received long-term care medical assistance
7 through the date of the recipient's death:

8 (i) no part of the property is classified or taxed as
9 homestead property for property tax purposes, provided that if
10 the property is classified and taxed as both homestead and
11 nonhomestead property, the portion of the property classified
12 and taxed as nonhomestead property shall be considered to
13 satisfy this requirement;

14 (ii) all of the property is classified and taxed as class
15 1c property under section 273.13, subdivision 22, paragraph (c),
16 except that part of the class 1c property that is a dwelling
17 occupied as a homestead; class 3a or 3b commercial or industrial
18 property under section 273.13, subdivision 24; or as class 4a or
19 4c property classified under section 273.13, subdivision 25,
20 paragraphs (a) and (d), for property tax purposes; and

21 (iii) the business, profession, or occupation in which the
22 real property is used is the primary business, profession, or
23 occupation of the remainderman or surviving joint tenant and the
24 real property is used solely for that business, profession, or
25 occupation. A primary business, profession, or occupation is
26 one the ongoing operation of which provides at least 65 percent
27 of a person's gross income for federal income tax purposes for
28 the calendar year.

29 (c) For purposes of this section, "medical assistance"
30 includes the medical assistance program under this chapter and
31 the general assistance medical care program under chapter 256D
32 and but does not include the alternative care program for
33 nonmedical assistance recipients under section 256B.0913.

34 [EFFECTIVE DATE.] The amendments in this section relating
35 to the alternative care program are effective retroactively from
36 July 1, 2003, and apply to the estates of decedents who die on

1 or after that date. The remaining amendments in this section
2 are effective July 1, 2005, and apply to the estates of
3 decedents who die on or after that date.

4 Sec. 18. Minnesota Statutes 2004, section 256B.15,
5 subdivision 1a, is amended to read:

6 Subd. 1a. [ESTATES SUBJECT TO CLAIMS.] If a person
7 receives any medical assistance hereunder, on the person's
8 death, if single, or on the death of the survivor of a married
9 couple, either or both of whom received medical assistance, or
10 as otherwise provided for in this section, the total amount paid
11 for medical assistance rendered for the person and spouse shall
12 be filed as a claim against the estate of the person or the
13 estate of the surviving spouse in the court having jurisdiction
14 to probate the estate or to issue a decree of descent according
15 to sections 525.31 to 525.313.

16 A claim shall be filed if medical assistance was rendered
17 for either or both persons under one of the following
18 circumstances:

19 (a) the person was over 55 years of age, and received
20 services under this chapter, excluding alternative care;

21 (b) the person resided in a medical institution for six
22 months or longer, received services under this chapter,
23 excluding alternative care, and, at the time of
24 institutionalization or application for medical assistance,
25 whichever is later, the person could not have reasonably been
26 expected to be discharged and returned home, as certified in
27 writing by the person's treating physician. For purposes of
28 this section only, a "medical institution" means a skilled
29 nursing facility, intermediate care facility, intermediate care
30 facility for persons with mental retardation, nursing facility,
31 or inpatient hospital; or

32 (c) the person received general assistance medical care
33 services under chapter 256D.

34 The claim shall be considered an expense of the last
35 illness of the decedent for the purpose of section 524.3-805.
36 Any statute of limitations that purports to limit any county

1 agency or the state agency, or both, to recover for medical
 2 assistance granted hereunder shall not apply to any claim made
 3 hereunder for reimbursement for any medical assistance granted
 4 hereunder. Notice of the claim shall be given to all heirs and
 5 devisees of the decedent whose identity can be ascertained with
 6 reasonable diligence. The notice must include procedures and
 7 instructions for making an application for a hardship waiver
 8 under subdivision 5; time frames for submitting an application
 9 and determination; and information regarding appeal rights and
 10 procedures. Counties are entitled to one-half of the nonfederal
 11 share of medical assistance collections from estates that are
 12 directly attributable to county effort. ~~Counties are entitled~~
 13 ~~to ten percent of the collections for alternative care directly~~
 14 ~~attributable to county effort.~~

15 [EFFECTIVE DATE.] The amendments in this section relating
 16 to the alternative care program are effective retroactively from
 17 July 1, 2003, and apply to the estates of decedents who die on
 18 or after that date.

19 Sec. 19. Minnesota Statutes 2004, section 256B.15,
 20 subdivision 2, is amended to read:

21 Subd. 2. [LIMITATIONS ON CLAIMS.] The claim shall include
 22 only the total amount of medical assistance rendered after age
 23 55 or during a period of institutionalization described in
 24 subdivision 1a, clause (b), and the total amount of general
 25 assistance medical care rendered, and shall not include
 26 interest. Claims that have been allowed but not paid shall bear
 27 interest according to section 524.3-806, paragraph (d). A claim
 28 against the estate of a surviving spouse who did not receive
 29 medical assistance, for medical assistance rendered for the
 30 predeceased spouse, is limited to the value of the assets of the
 31 estate that were marital property or jointly owned property at
 32 any time during the marriage. ~~Claims for alternative care shall~~
 33 ~~be net of all premiums paid under section 256B.09137 subdivision~~
 34 ~~127 on or after July 17, 2003, and shall be limited to services~~
 35 ~~provided on or after July 17, 2003.~~

36 [EFFECTIVE DATE.] This section is effective retroactively

1 from July 1, 2003, for decedents dying on or after that date.

2 Sec. 20. Minnesota Statutes 2004, section 256B.431, is
3 amended by adding a subdivision to read:

4 Subd. 41. [NURSING FACILITY RATE INCREASES FOR SEPTEMBER
5 1, 2005, AND JULY 1, 2006.] (a) For the rate period beginning
6 September 1, 2005, and the rate year beginning July 1, 2006, the
7 commissioner shall make available to each nursing facility
8 reimbursed under this section or section 256B.434 an adjustment
9 equal to two percent of the total operating payment rate.

10 (b) Money resulting from the rate adjustment under
11 paragraph (a) must be used to increase wages and benefits and
12 pay associated costs for employees, except management fees, the
13 administrator, and central office staff. Except as provided in
14 paragraph (c), money received by a facility as a result of the
15 rate adjustment provided in paragraph (a) must be used only for
16 wage, benefit, and staff increases implemented on or after the
17 effective date of the rate increase each year, and must not be
18 used for increases implemented prior to that date.

19 (c) With respect only to the September 1, 2005, rate
20 increase, a hospital-attached nursing facility that incurred
21 costs for salary and employee benefit increases first provided
22 after July 1, 2003, may count those costs towards the amount
23 required to be spent on salaries and benefits under paragraph
24 (b). These costs must be reported to the commissioner in the
25 form and manner specified by the commissioner.

26 (d) Nursing facilities may apply for the rate adjustment
27 under paragraph (a). The application must be made to the
28 commissioner and contain a plan by which the nursing facility
29 will distribute the funds according to paragraph (b). For
30 nursing facilities in which the employees are represented by an
31 exclusive bargaining representative, an agreement negotiated and
32 agreed to by the employer and the exclusive bargaining
33 representative constitutes the plan. A negotiated agreement may
34 constitute the plan only if the agreement is finalized after the
35 date of enactment of all increases for the rate year and signed
36 by both parties prior to submission to the commissioner. The

1 commissioner shall review the plan to ensure that the rate
2 adjustments are used as provided in paragraph (b). To be
3 eligible, a facility must submit its distribution plan by
4 December 31 each year. If a facility's distribution plan is
5 effective after the first day of the applicable rate period that
6 the funds are available, the rate adjustments are effective the
7 same date as the facility's plan.

8 (e) A copy of the approved distribution plan must be made
9 available to all employees by giving each employee a copy or by
10 posting a copy in an area of the nursing facility to which all
11 employees have access. If an employee does not receive the wage
12 and benefit adjustment described in the facility's approved plan
13 and is unable to resolve the problem with the facility's
14 management or through the employee's union representative, the
15 employee may contact the commissioner at an address or telephone
16 number provided by the commissioner and included in the approved
17 plan.

18 Sec. 21. Minnesota Statutes 2004, section 256B.431, is
19 amended by adding a subdivision to read:

20 Subd. 42. [SINGLE-BED ROOM PAYMENT RATE.] (a) Beginning
21 July 1, 2005, the operating payment rate for nursing facilities
22 reimbursed under this section or section 256B.434 shall be
23 increased by five percent multiplied by the ratio of the number
24 of new single-bed rooms created divided by the number of active
25 beds on July 1, 2005, for each bed closure that results in the
26 creation of a single-bed room after July 1, 2005.

27 (b) A nursing facility is prohibited from discharging
28 residents for purposes of establishing single-bed rooms. A
29 nursing facility must retain a statement from any resident
30 discharged to another nursing facility between July 1, 2005, and
31 December 31, 2007, signed by the resident or the resident's
32 designated responsible party, certifying the resident requests
33 to move and is under no coercion to be discharged. This signed
34 statement must be witnessed and signed by the local ombudsman.
35 The commissioner shall assess a monetary penalty of \$5,000 per
36 occurrence against any nursing facility determined to have

1 discharged a resident for purposes of establishing single-bed
2 rooms.

3 (c) If after the date of enactment of this section and
4 before December 31, 2007, more than 4,000 nursing home beds are
5 removed from service, a portion of the appropriation for nursing
6 homes shall be transferred to the alternative care program. The
7 amount of this transfer shall equal the number of beds removed
8 from service less 4,000, multiplied by the average monthly
9 per-person cost for alternative care, multiplied by 12, and
10 further multiplied by 0.3.

11 (d) Savings that result from bed closures on or after July
12 1, 2005, that do not result in the establishment of single-bed
13 rooms and exceed the number of closures included in the February
14 2005 forecast shall not cancel to the general fund but are
15 appropriated to the commissioner for the medical assistance
16 costs of nursing home moratorium exceptions approved by the
17 commissioner of health under section 144A.073. The commissioner
18 of health, in consultation with the commissioner of human
19 services, shall publish a request for proposals under section
20 144A.073, subdivision 2, when, in the determination of the
21 commissioner of health, sufficient funds are available under
22 this paragraph. Money appropriated to the commissioner of human
23 services under this paragraph shall not cancel and shall be
24 available until expended.

25 (e) For the rate year beginning July 1, 2005, the amount
26 nursing facilities receive for medically necessary single-bed
27 rooms under Minnesota Rules, part 9549.0070, subpart 3, shall be
28 up to 114.365 percent of the established total payment rate for
29 the resident. For the rate year beginning July 1, 2006, the
30 amount nursing facilities receive for medically necessary
31 single-bed rooms under Minnesota Rules, part 9549.0070, subpart
32 3, shall be up to 114.75 percent of the established total
33 payment rate for the resident. For the rate years beginning on
34 or after July 1, 2007, the single-bed payment rate shall be up
35 to 115 percent of the established total payment rate for the
36 resident.

1 Sec. 22. Minnesota Statutes 2004, section 256B.434,
2 subdivision 4, is amended to read:

3 Subd. 4. [ALTERNATE RATES FOR NURSING FACILITIES.] (a) For
4 nursing facilities which have their payment rates determined
5 under this section rather than section 256B.431, the
6 commissioner shall establish a rate under this subdivision. The
7 nursing facility must enter into a written contract with the
8 commissioner.

9 (b) A nursing facility's case mix payment rate for the
10 first rate year of a facility's contract under this section is
11 the payment rate the facility would have received under section
12 256B.431.

13 (c) A nursing facility's case mix payment rates for the
14 second and subsequent years of a facility's contract under this
15 section are the previous rate year's contract payment rates plus
16 an inflation adjustment and, for facilities reimbursed under
17 this section or section 256B.431, an adjustment to include the
18 cost of any increase in Health Department licensing fees for the
19 facility taking effect on or after July 1, 2001. The index for
20 the inflation adjustment must be based on the change in the
21 Consumer Price Index-All Items (United States City average)
22 (CPI-U) forecasted by the commissioner of finance's national
23 economic consultant, as forecasted in the fourth quarter of the
24 calendar year preceding the rate year. The inflation adjustment
25 must be based on the 12-month period from the midpoint of the
26 previous rate year to the midpoint of the rate year for which
27 the rate is being determined. For the rate years beginning on
28 July 1, 1999, July 1, 2000, July 1, 2001, July 1, 2002, July 1,
29 2003, and July 1, 2004, July 1, 2005, and July 1, 2006, this
30 paragraph shall apply only to the property-related payment rate,
31 except that adjustments to include the cost of any increase in
32 Health Department licensing fees taking effect on or after July
33 1, 2001, shall be provided. In determining the amount of the
34 property-related payment rate adjustment under this paragraph,
35 the commissioner shall determine the proportion of the
36 facility's rates that are property-related based on the

1 facility's most recent cost report.

2 (d) The commissioner shall develop additional
3 incentive-based payments of up to five percent above the
4 standard contract rate for achieving outcomes specified in each
5 contract. The specified facility-specific outcomes must be
6 measurable and approved by the commissioner. The commissioner
7 may establish, for each contract, various levels of achievement
8 within an outcome. After the outcomes have been specified the
9 commissioner shall assign various levels of payment associated
10 with achieving the outcome. Any incentive-based payment cancels
11 if there is a termination of the contract. In establishing the
12 specified outcomes and related criteria the commissioner shall
13 consider the following state policy objectives:

14 (1) improved cost effectiveness and quality of life as
15 measured by improved clinical outcomes;

16 (2) successful diversion or discharge to community
17 alternatives;

18 (3) decreased acute care costs;

19 (4) improved consumer satisfaction;

20 (5) the achievement of quality; or

21 (6) any additional outcomes proposed by a nursing facility
22 that the commissioner finds desirable.

23 Sec. 23. Minnesota Statutes 2004, section 256B.434, is
24 amended by adding a subdivision to read:

25 Subd. 4f. [RATE INCREASE EFFECTIVE JULY 1, 2005.] For the
26 rate year beginning July 1, 2005, a facility in Ramsey County
27 licensed for 180 beds shall have its operating payment rate as
28 determined under this section and in effect on June 30, 2005,
29 increased by \$2.49. The increase under this subdivision shall
30 be included in the facility's total payment rates for the
31 purposes of determining future rates under this section or any
32 other section.

33 Sec. 24. Minnesota Statutes 2004, section 256B.440, is
34 amended by adding a subdivision to read:

35 Subd. 4. [CONTINUED SYSTEM DEVELOPMENT.] (a) The
36 commissioner shall continue developmental work on a new nursing

1 home reimbursement system and present recommendations for a new
2 system to the legislature by January 15, 2006. The new system
3 shall comply with subdivisions 1 and 2.

4 (b) Nursing facilities shall continue to file, and the
5 commissioner shall continue to collect and audit, annual cost
6 reports under the conditions specified in subdivision 3.

7 (c) Notwithstanding any contrary provisions of chapter 16C,
8 the commissioner may, within the limits of appropriations
9 specifically available for this purpose, extend contracts
10 previously negotiated for consulting work on development of the
11 new reimbursement system.

12 Sec. 25. Minnesota Statutes 2004, section 256B.5012, is
13 amended by adding a subdivision to read:

14 Subd. 6. [ICF/MR RATE INCREASES BEGINNING SEPTEMBER 1,
15 2005, AND JULY 1, 2006.] (a) For the rate periods beginning
16 September 1, 2005, and July 1, 2006, the commissioner shall make
17 available to each facility reimbursed under this section an
18 adjustment to the total operating payment rate of two percent.

19 (b) Money resulting from the rate adjustment under
20 paragraph (a) must be used to increase wages and benefits and
21 pay associated costs for employees, except for administrative
22 and central office employees. Money received by a facility as a
23 result of the rate adjustment provided in paragraph (a) must be
24 used only for wage, benefit, and staff increases implemented on
25 or after the effective date of the rate increase each year, and
26 must not be used for increases implemented prior to that date.

27 (c) For each facility, the commissioner shall make
28 available an adjustment using the percentage specified in
29 paragraph (a) multiplied by the total payment rate, excluding
30 the property-related payment rate, in effect on the preceding
31 day. The total payment rate shall include the adjustment
32 provided in section 256B.501, subdivision 12.

33 (d) A facility whose payment rates are governed by closure
34 agreements, receivership agreements, or Minnesota Rules, part
35 9553.0075, is not eligible for an adjustment otherwise granted
36 under this subdivision.

1 (e) A facility may apply for the payment rate adjustment
2 provided under paragraph (a). The application must be made to
3 the commissioner and contain a plan by which the facility will
4 distribute the funds according to paragraph (b). For facilities
5 in which the employees are represented by an exclusive
6 bargaining representative, an agreement negotiated and agreed to
7 by the employer and the exclusive bargaining representative
8 constitutes the plan. A negotiated agreement may constitute the
9 plan only if the agreement is finalized after the date of
10 enactment of all rate increases for the rate year. The
11 commissioner shall review the plan to ensure that the payment
12 rate adjustment per diem is used as provided in this
13 subdivision. To be eligible, a facility must submit its plan by
14 December 31 each year. If a facility's plan is effective for
15 its employees after the first day of the applicable rate period
16 that the funds are available, the payment rate adjustment per
17 diem is effective the same date as its plan.

18 (f) A copy of the approved distribution plan must be made
19 available to all employees by giving each employee a copy or by
20 posting it in an area of the facility to which all employees
21 have access. If an employee does not receive the wage and
22 benefit adjustment described in the facility's approved plan and
23 is unable to resolve the problem with the facility's management
24 or through the employee's union representative, the employee may
25 contact the commissioner at an address or telephone number
26 provided by the commissioner and included in the approved plan.

27 Sec. 26. Minnesota Statutes 2004, section 256B.69,
28 subdivision 23, is amended to read:

29 Subd. 23. [ALTERNATIVE INTEGRATED LONG-TERM CARE SERVICES;
30 ELDERLY AND DISABLED PERSONS.] (a) The commissioner may
31 implement demonstration projects to create alternative
32 integrated delivery systems for acute and long-term care
33 services to elderly persons and persons with disabilities as
34 defined in section 256B.77, subdivision 7a, that provide
35 increased coordination, improve access to quality services, and
36 mitigate future cost increases. The commissioner may seek

1 federal authority to combine Medicare and Medicaid capitation
2 payments for the purpose of such demonstrations. Medicare funds
3 and services shall be administered according to the terms and
4 conditions of the federal waiver and demonstration provisions.
5 For the purpose of administering medical assistance funds,
6 demonstrations under this subdivision are subject to
7 subdivisions 1 to 22. The provisions of Minnesota Rules, parts
8 9500.1450 to 9500.1464, apply to these demonstrations, with the
9 exceptions of parts 9500.1452, subpart 2, item B; and 9500.1457,
10 subpart 1, items B and C, which do not apply to persons
11 enrolling in demonstrations under this section. An initial open
12 enrollment period may be provided. Persons who disenroll from
13 demonstrations under this subdivision remain subject to
14 Minnesota Rules, parts 9500.1450 to 9500.1464. When a person is
15 enrolled in a health plan under these demonstrations and the
16 health plan's participation is subsequently terminated for any
17 reason, the person shall be provided an opportunity to select a
18 new health plan and shall have the right to change health plans
19 within the first 60 days of enrollment in the second health
20 plan. Persons required to participate in health plans under
21 this section who fail to make a choice of health plan shall not
22 be randomly assigned to health plans under these demonstrations.
23 Notwithstanding section 256L.12, subdivision 5, and Minnesota
24 Rules, part 9505.5220, subpart 1, item A, if adopted, for the
25 purpose of demonstrations under this subdivision, the
26 commissioner may contract with managed care organizations,
27 including counties, to serve only elderly persons eligible for
28 medical assistance, elderly and disabled persons, or disabled
29 persons only. For persons with primary diagnoses of mental
30 retardation or a related condition, serious and persistent
31 mental illness, or serious emotional disturbance, the
32 commissioner must ensure that the county authority has approved
33 the demonstration and contracting design. Enrollment in these
34 projects for persons with disabilities shall be voluntary. The
35 commissioner shall not implement any demonstration project under
36 this subdivision for persons with primary diagnoses of mental

1 retardation or a related condition, serious and persistent
2 mental illness, or serious emotional disturbance, without
3 approval of the county board of the county in which the
4 demonstration is being implemented.

5 (b) Notwithstanding chapter 245B, sections 252.40 to
6 252.46, 256B.092, 256B.501 to 256B.5015, and Minnesota Rules,
7 parts 9525.0004 to 9525.0036, 9525.1200 to 9525.1330, 9525.1580,
8 and 9525.1800 to 9525.1930, the commissioner may implement under
9 this section projects for persons with developmental
10 disabilities. The commissioner may capitate payments for ICF/MR
11 services, waived services for mental retardation or related
12 conditions, including case management services, day training and
13 habilitation and alternative active treatment services, and
14 other services as approved by the state and by the federal
15 government. Case management and active treatment must be
16 individualized and developed in accordance with a
17 person-centered plan. Costs under these projects may not exceed
18 costs that would have been incurred under fee-for-service.
19 Beginning July 1, 2003, and until two years after the pilot
20 project implementation date, subcontractor participation in the
21 long-term care developmental disability pilot is limited to a
22 nonprofit long-term care system providing ICF/MR services, home
23 and community-based waiver services, and in-home services to no
24 more than 120 consumers with developmental disabilities in
25 Carver, Hennepin, and Scott Counties. The commissioner shall
26 report to the legislature prior to expansion of the
27 developmental disability pilot project. This paragraph expires
28 two years after the implementation date of the pilot project.

29 (c) Before implementation of a demonstration project for
30 disabled persons, the commissioner must provide information to
31 appropriate committees of the house of representatives and
32 senate and must involve representatives of affected disability
33 groups in the design of the demonstration projects.

34 (d) A nursing facility reimbursed under the alternative
35 reimbursement methodology in section 256B.434 may, in
36 collaboration with a hospital, clinic, or other health care

1 entity provide services under paragraph (a). The commissioner
 2 shall amend the state plan and seek any federal waivers
 3 necessary to implement this paragraph.

4 (e) Notwithstanding section 256B.0621, health plans
 5 providing services under this section are responsible for home
 6 care targeted case management and relocation targeted case
 7 management. Services must be provided according to the terms of
 8 the waivers and contracts approved by the federal government.

9 Sec. 27. [501B.895] [PUBLIC HEALTH CARE PROGRAMS AND
 10 CERTAIN TRUSTS.]

11 (a) It is the public policy of this state that individuals
 12 use all available resources to pay for the cost of long-term
 13 care services, as defined in section 256B.0595, before turning
 14 to Minnesota health care program funds, and that trust
 15 instruments should not be permitted to shield available
 16 resources of an individual or an individual's spouse from such
 17 use. Any irrevocable inter vivos trust or any legal instrument,
 18 device, or arrangement similar to an irrevocable inter vivos
 19 trust created on or after July 1, 2005, containing assets or
 20 income of an individual or an individual's spouse, including
 21 those created by a person, court, or administrative body with
 22 legal authority to act in place of, at the direction of, upon
 23 the request of, or on behalf of the individual or individual's
 24 spouse, becomes revocable by operation of law for the sole
 25 purpose of a state or local human services agency determination
 26 on an application by the individual or the individual's spouse
 27 for payment of long-term care services through a Minnesota
 28 public health care program under chapter 256. For purposes of
 29 this section, any inter vivos trust and any legal instrument,
 30 device, or arrangement similar to an inter vivos trust:

31 (1) shall be deemed to be located in and subject to the
 32 laws of this state; and

33 (2) is created as of the date it is fully executed by or on
 34 behalf of all of the settlors or others.

35 (b) For purposes of this section, a legal instrument,
 36 device, or arrangement similar to an irrevocable inter vivos

1 trust means any instrument, device, or arrangement which
2 involves a grantor who transfers or whose property is
3 transferred by another including, but not limited to, any court,
4 administrative body, or anyone else with authority to act on
5 their behalf or at their direction, to an individual or entity
6 with fiduciary, contractual, or legal obligations to the grantor
7 or others to be held, managed, or administered by the individual
8 or entity for the benefit of the grantor or others. These legal
9 instruments, devices, or other arrangements are irrevocable
10 inter vivos trusts for purposes of this section.

11 (c) In the event of a conflict between this section and the
12 provisions of an irrevocable trust created on or after July 1,
13 2005, this section shall control.

14 (d) This section does not apply to trusts that qualify as
15 supplemental needs trusts under section 501B.89 or to trusts
16 meeting the criteria of United States Code, title 42, section
17 1396p (d)(4)(a) and (c) for purposes of eligibility for medical
18 assistance.

19 (e) This section applies to all trusts first created on or
20 after July 1, 2005, and to all interests in real or personal
21 property regardless of the date on which the interest was
22 created, reserved, or acquired.

23 Sec. 28. Minnesota Statutes 2004, section 514.981,
24 subdivision 6, is amended to read:

25 Subd. 6. [TIME LIMITS; CLAIM LIMITS; LIENS ON LIFE ESTATES
26 AND JOINT TENANCIES.] (a) A medical assistance lien is a lien on
27 the real property it describes for a period of ten years from
28 the date it attaches according to section 514.981, subdivision
29 2, paragraph (a), except as otherwise provided for in sections
30 514.980 to 514.985. The agency may renew a medical assistance
31 lien for an additional ten years from the date it would
32 otherwise expire by recording or filing a certificate of renewal
33 before the lien expires. The certificate shall be recorded or
34 filed in the office of the county recorder or registrar of
35 titles for the county in which the lien is recorded or filed.
36 The certificate must refer to the recording or filing data for

1 the medical assistance lien it renews. The certificate need not
2 be attested, certified, or acknowledged as a condition for
3 recording or filing. The registrar of titles or the recorder
4 shall file, record, index, and return the certificate of renewal
5 in the same manner as provided for medical assistance liens in
6 section 514.982, subdivision 2.

7 (b) A medical assistance lien is not enforceable against
8 the real property of an estate to the extent there is a
9 determination by a court of competent jurisdiction, or by an
10 officer of the court designated for that purpose, that there are
11 insufficient assets in the estate to satisfy the agency's
12 medical assistance lien in whole or in part because of the
13 homestead exemption under section 256B.15, subdivision 4, the
14 rights of the surviving spouse or minor children under section
15 524.2-403, paragraphs (a) and (b), or claims with a priority
16 under section 524.3-805, paragraph (a), clauses (1) to (4). For
17 purposes of this section, the rights of the decedent's adult
18 children to exempt property under section 524.2-403, paragraph
19 (b), shall not be considered costs of administration under
20 section 524.3-805, paragraph (a), clause (1).

21 (c) Notwithstanding any law or rule to the contrary, the
22 provisions in clauses (1) to (7) apply if a life estate subject
23 to a medical assistance lien ends according to its terms, or if
24 a medical assistance recipient who owns a life estate or any
25 interest in real property as a joint tenant that is subject to a
26 medical assistance lien dies.

27 (1) The medical assistance recipient's life estate or joint
28 tenancy interest in the real property shall not end upon the
29 recipient's death but shall merge into the remainder interest or
30 other interest in real property the medical assistance recipient
31 owned in joint tenancy with others. The medical assistance lien
32 shall attach to and run with the remainder or other interest in
33 the real property to the extent of the medical assistance
34 recipient's interest in the property at the time of the
35 recipient's death as determined under this section.

36 (2) If the medical assistance recipient's interest was a

1 life estate in real property, the lien shall be a lien against
2 the portion of the remainder equal to the percentage factor for
3 the life estate of a person the medical assistance recipient's
4 age on the date the life estate ended according to its terms or
5 the date of the medical assistance recipient's death as listed
6 in the Life Estate Mortality Table in the health care program's
7 manual.

8 (3) If the medical assistance recipient owned the interest
9 in real property in joint tenancy with others, the lien shall be
10 a lien against the portion of that interest equal to the
11 fractional interest the medical assistance recipient would have
12 owned in the jointly owned interest had the medical assistance
13 recipient and the other owners held title to that interest as
14 tenants in common on the date the medical assistance recipient
15 died.

16 (4) The medical assistance lien shall remain a lien against
17 the remainder or other jointly owned interest for the length of
18 time and be renewable as provided in paragraph (a).

19 (5) Subdivision 5, paragraph (a), clause (4), paragraph
20 (b), clauses (1) and (2); and subdivision 6, paragraph (b), do
21 not apply to medical assistance liens which attach to interests
22 in real property as provided under this subdivision.

23 (6) The continuation of a medical assistance recipient's
24 life estate or joint tenancy interest in real property after the
25 medical assistance recipient's death for the purpose of
26 recovering medical assistance provided for in sections 514.980
27 to 514.985 modifies common law principles holding that these
28 interests terminate on the death of the holder.

29 (7) Notwithstanding any law or rule to the contrary, no
30 release, satisfaction, discharge, or affidavit under section
31 256B.15 shall extinguish or terminate the life estate or joint
32 tenancy interest of a medical assistance recipient subject to a
33 lien under sections 514.980 to 514.985 on the date the recipient
34 dies.

35 (8) The provisions of clauses (1) to (7) do not apply to a
36 homestead owned of record, on the date the recipient dies, by

1 the recipient and the recipient's spouse as joint tenants with a
2 right of survivorship. Homestead means the real property
3 occupied by the surviving joint tenant spouse as their sole
4 residence on the date the recipient dies and classified and
5 taxed to the recipient and surviving joint tenant spouse as
6 homestead property for property tax purposes in the calendar
7 year in which the recipient dies. For purposes of this
8 exemption, real property the recipient and their surviving joint
9 tenant spouse purchase solely with the proceeds from the sale of
10 their prior homestead, own of record as joint tenants, and
11 qualify as homestead property under section 273.124 in the
12 calendar year in which the recipient dies and prior to the
13 recipient's death shall be deemed to be real property classified
14 and taxed to the recipient and their surviving joint tenant
15 spouse as homestead property in the calendar year in which the
16 recipient dies. The surviving spouse, or any person with
17 personal knowledge of the facts, may provide an affidavit
18 describing the homestead property affected by this clause and
19 stating facts showing compliance with this clause. The
20 affidavit shall be prima facie evidence of the facts it states.

21 (d) The commissioner shall release liens arising under
22 notices of potential claims under section 256B.15 and medical
23 assistance liens under sections 514.980 to 514.985, against life
24 estates and jointly owned interests a remainderman or surviving
25 tenant has in farm and income-producing property the deceased
26 recipient owned of record on the date of the recipient's death
27 under the following conditions:

28 (1) the farm property is real property for which all of the
29 following apply continuously for a period beginning at least
30 three years before the calendar year in which the recipient
31 first received long-term care medical assistance through the
32 date of the recipient's death:

33 (i) the remainderman or surviving joint tenant is a farmer,
34 as defined in section 500.24, subdivision 2, paragraph (n), and
35 is engaged in farming, as defined in section 500.24, subdivision
36 2, paragraph (a);

1 (ii) all of the land is a family farm as defined in section
2 500.24, subdivision 2, paragraph (b); and

3 (iii) all of the land is classified and taxed as class 2a
4 agricultural land under section 273.13, subdivision 23,
5 paragraph (a), for property tax purposes; and

6 (2) the income-producing property is real property for
7 which all of the following apply continuously for a period
8 beginning at least three years before the calendar year in which
9 the recipient first received long-term care medical assistance
10 through the date of the recipient's death:

11 (i) no part of the property is classified or taxed as
12 homestead property for property tax purposes, provided that if
13 the property is classified and taxed as both homestead and
14 nonhomestead property, the portion of the property classified
15 and taxed as nonhomestead property shall be considered to
16 satisfy this requirement;

17 (ii) all of the property is classified and taxed as class
18 1c property under section 273.13, subdivision 22, paragraph (c),
19 except that part of the class 1c property that is a dwelling
20 occupied as a homestead; class 3a or 3b commercial or industrial
21 property under section 273.13, subdivision 24; or as class 4a or
22 4c property classified under section 273.13, subdivision 25,
23 paragraphs (a) and (d), for property tax purposes; and

24 (iii) the business, profession, or occupation in which the
25 real property is used is the primary business, profession, or
26 occupation of the remainderman or surviving joint tenant and the
27 real property is used solely for that business, profession, or
28 occupation. A primary business, profession, or occupation is
29 one the ongoing operation of which provides at least 65 percent
30 of a person's gross income for federal income tax purposes for
31 the calendar year.

32 [EFFECTIVE DATE.] This section is effective July 1, 2005,
33 and applies to the estates of decedents who die on or after that
34 date.

20 (7) all other claims.

21 (b) No preference shall be given in the payment of any
22 claim over any other claim of the same class, and a claim due
23 and payable shall not be entitled to a preference over claims
24 not due, except that if claims for expenses of the last illness

2 from July 1, 2003, for decedents dying on or after that date.

3 METHODOLOGY.]

4 For persons using the home and community-based waiver for
5 persons with developmental disabilities whose Consumer-Directed
6 Community Supports budgets were reduced by the October 2004,
7 state-set budget methodology, the commissioner of human services
8 must allow exceptions to exceed the state-set budget formula up
9 to the daily average cost during calendar year 2004 or for
10 persons who graduated from school during 2004, the average daily
11 cost during July through December 2004, less one-half of case
12 management and home modifications over \$5,000 when the
13 individual's county of financial responsibility determines that:

14 (1) necessary alternative services will cost the same or
15 more than the person's current budget; and

16 (2) administrative expenses or provider rates will result
17 in fewer hours of needed staffing for the person than under the
18 Consumer-Directed Community Supports option. Any exceptions the
19 county grants must be within the county's allowable aggregate
20 amount for the home and community-based waiver for persons with
21 developmental disabilities.

22 [EFFECTIVE DATE.] This section is effective upon federal

6 services waivers for persons with disabilities under 65 years of
7 age:

9 stakeholder representatives through June 30, 2007;

26 Sec. 35. [IMMUNITY; REFUNDS BARRED.]

27 (a) The commissioner of human services, county agencies,
28 and elected officials and their employees are immune from all
29 liability for any action taken implementing those portions of
30 Laws 2003, First Special Session chapter 14, that extend medical
31 assistance lien policies to include the alternative care
32 program, as those laws existed at the time the action was taken.

33 (b) The legislature expressly intends that none of the
34 recoveries of alternative care payments the state or a local
35 agency made under Minnesota Statutes, sections 514.991 to
36 514.995, as they existed prior to the effective date of this

1 amendment, shall be refunded or repaid.

2 [EFFECTIVE DATE.] This section is effective retroactively
3 from August 1, 2003.

4 Sec. 36. [SKILLED NURSING FACILITIES IN FARIBAULT COUNTY.]

5 All skilled nursing facilities in Faribault County shall
6 have the inspection required under Minnesota Statutes, section
7 144A.10, conducted by the Department of Health's Mankato survey
8 team.

9 Sec. 37. [EXPIRATION DATE.]

10 Section 31 shall expire on the date the commissioner of
11 human services implements a new consumer-directed community
12 supports budget methodology that is based on reliable and
13 accurate information about the services and supports intensity
14 needs of persons using the option and that adequately accounts
15 for the increased costs of adults who graduate from school and
16 need services funded by the waiver during the day.

17 Sec. 38. [REPEALER.]

18 Minnesota Statutes 2004, sections 514.991; 514.992;

6 needs;

7 (3) cannot be effectively provided in the child's home; and

8 (4) provides a length of stay as short as possible

10 When a screening level of care determination is conducted,
11 the county board may not determine that referral or admission to

13 or acute care hospital is not appropriate solely because
14 services were not first provided to the child in a less
15 restrictive setting and the child failed to make progress toward

24 by the commissioner of human services. If a diagnostic
25 assessment ~~or including a functional assessment~~ has been
26 completed by a mental health professional within the past 180
27 days, a new diagnostic ~~or functional~~ assessment need not be
28 completed unless in the opinion of the current treating mental
29 health professional the child's mental health status has changed
30 markedly since the assessment was completed. The child's parent

32 the reasons. A copy of the notice shall be placed in the
33 child's file. Recommendations developed as part of
34 the screening level of care determination process shall include
35 specific community services needed by the child and, if
36 appropriate, the child's family, and shall indicate whether or

1 not these services are available and accessible to the child and
2 family.

3 During the screening level of care determination process,
4 the child, child's family, or child's legal representative, as
5 appropriate, must be informed of the child's eligibility for
6 case management services and family community support services
7 and that an individual family community support plan is being
8 developed by the case manager, if assigned.

9 Screening The level of care determination shall be in
10 compliance comply with section 260C.212. Wherever possible, the
11 parent shall be consulted in the screening process, unless
12 clinically inappropriate.

13 The screening-process level of care determination, and
14 placement decision, and recommendations for mental health
15 services must be documented in the child's record.

16 An alternate review process may be approved by the
17 commissioner if the county board demonstrates that an alternate
18 review process has been established by the county board and the
19 times of review, persons responsible for the review, and review
20 criteria are comparable to the standards in clauses (1) to (4).

14 (a) "Intensive nonresidential rehabilitative mental health
15 services" means adult rehabilitative mental health services as
16 defined in section 256B.0623, subdivision 2, paragraph (a),

19 community treatment, the Fairweather Lodge treatment model, as
20 defined by the standards established by the National Coalition
21 for Community Living, and other evidence-based practices, and

31 to live in a more independent setting. Services must be
32 directed toward a targeted discharge date with specified client
33 outcomes and must be consistent with the Fairweather Lodge
34 treatment model as defined in paragraph (a), and other
35 evidence-based practices.

19 served. Reimbursement is at the same rates and under the same
20 conditions that would otherwise apply to the service. The
21 interactive video equipment and connection must comply with
22 Medicare standards in effect at the time the service is provided.

16 discharge planning to meet the needs of the client, the client's
17 foster family, and the birth family, as specified in each
18 client's individual treatment plan.

28 others, after obtaining the recipient's permission.

29 (6) The treatment team must establish ongoing communication
30 and collaboration between the team, family, and significant
31 others and educate the family and significant others about
32 mental illness, symptom management, and the family's role in
33 treatment.

34 (7) The treatment team must provide interventions to
35 promote positive interpersonal relationships.

36 Subd. 7. [MEDICAL ASSISTANCE PAYMENT FOR INTENSIVE

1 REHABILITATIVE MENTAL HEALTH SERVICES.] (a) Payment for
2 nonresidential services in this section shall be based on one
3 daily rate per provider inclusive of the following services
4 received by an eligible recipient in a given calendar day: all
5 rehabilitative services under this section, staff travel time to
6 provide rehabilitative services under this section, and
7 nonresidential crisis stabilization services under section
8 256B.0944.

9 (b) Except as indicated in paragraph (c), payment will not
10 be made to more than one entity for each recipient for services
11 provided under this section on a given day. If services under
12 this section are provided by a team that includes staff from
13 more than one entity, the team must determine how to distribute
14 the payment among the members.

15 (c) The host county shall recommend to the commissioner one
16 rate for each entity that will bill medical assistance for
17 nonresidential intensive rehabilitative mental health services.
18 In developing these rates, the host county shall consider and
19 document:

20 (1) the cost for similar services in the local trade area;

21 (2) actual costs incurred by entities providing the
22 services;

23 (3) the intensity and frequency of services to be provided
24 to each recipient;

25 (4) the degree to which recipients will receive services
26 other than services under this section; and

27 (5) the costs of other services that will be separately
28 reimbursed.

29 (d) The rate for intensive rehabilitative mental health
30 services must exclude medical assistance room and board rate, as
31 defined in section 256I.03, subdivision 6, and services not
32 covered under this section, such as partial hospitalization and
33 inpatient services. Physician services are not a component of
34 the treatment team and may be billed separately. The county's
35 recommendation shall specify the period for which the rate will
36 be applicable, not to exceed two years.

1 (e) When services under this section are provided by an
2 assertive community team, case management functions must be an
3 integral part of the team.

4 (f) The rate for a provider must not exceed the rate
5 charged by that provider for the same service to other payors.

6 (g) The commissioner shall approve or reject the county's
7 rate recommendation, based on the commissioner's own analysis of
8 the criteria in paragraph (c).

9 Subd. 9. [PROVIDER ENROLLMENT; RATE SETTING FOR
10 COUNTY-OPERATED ENTITIES.] Counties that employ their own staff
11 to provide services under this section shall apply directly to
12 the commissioner for enrollment and rate setting. In this case,
13 a county contract is not required and the commissioner shall
14 perform the program review and rate setting duties which would
15 otherwise be required of counties under this section.

16 [EFFECTIVE DATE.] This section is effective July 1, 2006.

17 Sec. 17. Minnesota Statutes 2004, section 256B.19,
18 subdivision 1, is amended to read:

19 Subdivision 1. [DIVISION OF COST.] The state and county
20 share of medical assistance costs not paid by federal funds
21 shall be as follows:

22 (1) beginning January 1, 1992, 50 percent state funds and
23 50 percent county funds for the cost of placement of severely
24 emotionally disturbed children in regional treatment centers;

25 (2) beginning January 1, 2003, 80 percent state funds and
26 20 percent county funds for the costs of nursing facility
27 placements of persons with disabilities under the age of 65 that
28 have exceeded 90 days. This clause shall be subject to chapter
29 256G and shall not apply to placements in facilities not
30 certified to participate in medical assistance;

31 (3) beginning July 1, 2004, 80 percent state funds and 20
32 percent county funds for the costs of placements that have
33 exceeded 90 days in intermediate care facilities for persons
34 with mental retardation or a related condition that have seven
35 or more beds. This provision includes pass-through payments
36 made under section 256B.5015; and

1 (4) beginning July 1, 2004, when state funds are used to
2 pay for a nursing facility placement due to the facility's
3 status as an institution for mental diseases (IMD), the county
4 shall pay 20 percent of the nonfederal share of costs that have
5 exceeded 90 days. This clause is subject to chapter 256G; and
6 (5) beginning July 1, 2006, 50 percent state funds and 50
7 percent county funds for the cost of treatment foster care
8 services under section 256B.0946.

9 For counties that participate in a Medicaid demonstration
10 project under sections 256B.69 and 256B.71, the division of the
11 nonfederal share of medical assistance expenses for payments
12 made to prepaid health plans or for payments made to health
13 maintenance organizations in the form of prepaid capitation
14 payments, this division of medical assistance expenses shall be
15 95 percent by the state and five percent by the county of
16 financial responsibility.

17 In counties where prepaid health plans are under contract
18 to the commissioner to provide services to medical assistance
19 recipients, the cost of court ordered treatment ordered without
20 consulting the prepaid health plan that does not include
21 diagnostic evaluation, recommendation, and referral for
22 treatment by the prepaid health plan is the responsibility of
23 the county of financial responsibility.

24 Sec. 18. Minnesota Statutes 2004, section 256D.03,
25 subdivision 4, is amended to read:

26 Subd. 4. [GENERAL ASSISTANCE MEDICAL CARE; SERVICES.]

27 (a)(i) For a person who is eligible under subdivision 3,
28 paragraph (a), clause (2), item (i), general assistance medical
29 care covers, except as provided in paragraph (c):

35 through the process established in section 256B.0625,
36 subdivision 13;

- 11 (12) chiropractic services as covered under the medical
- 12 assistance program;
- 13 (13) podiatric services;

- 15 limitations specified in section 256B.0625, subdivision 9;
- 16 (15) outpatient services provided by a mental health center
- 17 or clinic that is under contract with the county board and is
- 18 established under section 245.62;
- 19 (16) day treatment services for mental illness provided
- 20 under contract with the county board;
- 21 (17) prescribed medications for persons who have been
- 22 diagnosed as mentally ill as necessary to prevent more
- 23 restrictive institutionalization;
- 24 (18) psychological services, medical supplies and
- 25 equipment, and Medicare premiums, coinsurance and deductible
- 26 payments;
- 27 (19) medical equipment not specifically listed in this
- 28 paragraph when the use of the equipment will prevent the need
- 29 for costlier services that are reimbursable under this
- 30 subdivision;
- 31 (20) services performed by a certified pediatric nurse
- 32 practitioner, a certified family nurse practitioner, a certified
- 33 adult nurse practitioner, a certified obstetric/gynecological
- 34 nurse practitioner, a certified neonatal nurse practitioner, or
- 35 a certified geriatric nurse practitioner in independent
- 36 practice, if (1) the service is otherwise covered under this

1 chapter as a physician service, (2) the service provided on an
2 inpatient basis is not included as part of the cost for
3 inpatient services included in the operating payment rate, and
4 (3) the service is within the scope of practice of the nurse
5 practitioner's license as a registered nurse, as defined in
6 section 148.171;

7 (21) services of a certified public health nurse or a
8 registered nurse practicing in a public health nursing clinic
9 that is a department of, or that operates under the direct
10 authority of, a unit of government, if the service is within the
11 scope of practice of the public health nurse's license as a
12 registered nurse, as defined in section 148.171; and

13 (22) telemedicine consultations, to the extent they are
14 covered under section 256B.0625, subdivision 3b; and

15 (23) mental health telemedicine and psychiatric
16 consultation as covered under section 256B.0625, subdivisions 46
17 and 48.

18 (ii) Effective October 1, 2003, for a person who is
19 eligible under subdivision 3, paragraph (a), clause (2), item
20 (ii), general assistance medical care coverage is limited to
21 inpatient hospital services, including physician services
22 provided during the inpatient hospital stay. A \$1,000
23 deductible is required for each inpatient hospitalization.

24 (b) Gender reassignment surgery and related services are
25 not covered services under this subdivision unless the
26 individual began receiving gender reassignment services prior to
27 July 1, 1995.

28 (c) In order to contain costs, the commissioner of human
29 services shall select vendors of medical care who can provide
30 the most economical care consistent with high medical standards
31 and shall where possible contract with organizations on a
32 prepaid capitation basis to provide these services. The
33 commissioner shall consider proposals by counties and vendors
34 for prepaid health plans, competitive bidding programs, block
35 grants, or other vendor payment mechanisms designed to provide
36 services in an economical manner or to control utilization, with

1 safeguards to ensure that necessary services are provided.
2 Before implementing prepaid programs in counties with a county
3 operated or affiliated public teaching hospital or a hospital or
4 clinic operated by the University of Minnesota, the commissioner
5 shall consider the risks the prepaid program creates for the
6 hospital and allow the county or hospital the opportunity to
7 participate in the program in a manner that reflects the risk of
8 adverse selection and the nature of the patients served by the
9 hospital, provided the terms of participation in the program are
10 competitive with the terms of other participants considering the
11 nature of the population served. Payment for services provided
12 pursuant to this subdivision shall be as provided to medical
13 assistance vendors of these services under sections 256B.02,
14 subdivision 8, and 256B.0625. For payments made during fiscal
15 year 1990 and later years, the commissioner shall consult with
16 an independent actuary in establishing prepayment rates, but
17 shall retain final control over the rate methodology.

18 (d) Recipients eligible under subdivision 3, paragraph (a),
19 clause (2), item (i), shall pay the following co-payments for
20 services provided on or after October 1, 2003:

21 (1) \$3 per nonpreventive visit. For purposes of this
22 subdivision, a visit means an episode of service which is
23 required because of a recipient's symptoms, diagnosis, or
24 established illness, and which is delivered in an ambulatory
25 setting by a physician or physician ancillary, chiropractor,
26 podiatrist, nurse midwife, advanced practice nurse, audiologist,
27 optician, or optometrist;

28 (2) \$25 for eyeglasses;

29 (3) \$25 for nonemergency visits to a hospital-based
30 emergency room;

31 (4) \$3 per brand-name drug prescription and \$1 per generic
32 drug prescription, subject to a \$20 per month maximum for
33 prescription drug co-payments. No co-payments shall apply to
34 antipsychotic drugs when used for the treatment of mental
35 illness; and

36 (5) 50 percent coinsurance on restorative dental services.

1 (e) Co-payments shall be limited to one per day per
2 provider for nonpreventive visits, eyeglasses, and nonemergency
3 visits to a hospital-based emergency room. Recipients of
4 general assistance medical care are responsible for all
5 co-payments in this subdivision. The general assistance medical
6 care reimbursement to the provider shall be reduced by the
7 amount of the co-payment, except that reimbursement for
8 prescription drugs shall not be reduced once a recipient has
9 reached the \$20 per month maximum for prescription drug
10 co-payments. The provider collects the co-payment from the
11 recipient. Providers may not deny services to recipients who
12 are unable to pay the co-payment, except as provided in
13 paragraph (f).

14 (f) If it is the routine business practice of a provider to
15 refuse service to an individual with uncollected debt, the
16 provider may include uncollected co-payments under this
17 section. A provider must give advance notice to a recipient
18 with uncollected debt before services can be denied.

19 (g) Any county may, from its own resources, provide medical
20 payments for which state payments are not made.

21 (h) Chemical dependency services that are reimbursed under
22 chapter 254B must not be reimbursed under general assistance
23 medical care.

24 (i) The maximum payment for new vendors enrolled in the
25 general assistance medical care program after the base year
26 shall be determined from the average usual and customary charge
27 of the same vendor type enrolled in the base year.

28 (j) The conditions of payment for services under this
29 subdivision are the same as the conditions specified in rules
30 adopted under chapter 256B governing the medical assistance
31 program, unless otherwise provided by statute or rule.

32 (k) Inpatient and outpatient payments shall be reduced by
33 five percent, effective July 1, 2003. This reduction is in
34 addition to the five percent reduction effective July 1, 2003,
35 and incorporated by reference in paragraph (i).

36 (l) Payments for all other health services except

1 inpatient, outpatient, and pharmacy services shall be reduced by
2 five percent, effective July 1, 2003.

3 (m) Payments to managed care plans shall be reduced by five
4 percent for services provided on or after October 1, 2003.

5 (n) A hospital receiving a reduced payment as a result of
6 this section may apply the unpaid balance toward satisfaction of
7 the hospital's bad debts.

8 [EFFECTIVE DATE.] This section is effective January 1, 2006.

9 Sec. 19. Minnesota Statutes 2004, section 256D.44,
10 subdivision 5, is amended to read:

11 Subd. 5. [SPECIAL NEEDS.] In addition to the state
12 standards of assistance established in subdivisions 1 to 4,
13 payments are allowed for the following special needs of
14 recipients of Minnesota supplemental aid who are not residents
15 of a nursing home, a regional treatment center, or a group
16 residential housing facility.

17 (a) The county agency shall pay a monthly allowance for
18 medically prescribed diets if the cost of those additional
19 dietary needs cannot be met through some other maintenance
20 benefit. The need for special diets or dietary items must be
21 prescribed by a licensed physician. Costs for special diets
22 shall be determined as percentages of the allotment for a
23 one-person household under the thrifty food plan as defined by
24 the United States Department of Agriculture. The types of diets
25 and the percentages of the thrifty food plan that are covered
26 are as follows:

27 (1) high protein diet, at least 80 grams daily, 25 percent
28 of thrifty food plan;

29 (2) controlled protein diet, 40 to 60 grams and requires
30 special products, 100 percent of thrifty food plan;

31 (3) controlled protein diet, less than 40 grams and
32 requires special products, 125 percent of thrifty food plan;

33 (4) low cholesterol diet, 25 percent of thrifty food plan;

34 (5) high residue diet, 20 percent of thrifty food plan;

35 (6) pregnancy and lactation diet, 35 percent of thrifty
36 food plan;

- 1 (7) gluten-free diet, 25 percent of thrifty food plan;
2 (8) lactose-free diet, 25 percent of thrifty food plan;
3 (9) antidumping diet, 15 percent of thrifty food plan;
4 (10) hypoglycemic diet, 15 percent of thrifty food plan; or
5 (11) ketogenic diet, 25 percent of thrifty food plan.

6 (b) Payment for nonrecurring special needs must be allowed
7 for necessary home repairs or necessary repairs or replacement
8 of household furniture and appliances using the payment standard
9 of the AFDC program in effect on July 16, 1996, for these
10 expenses, as long as other funding sources are not available.

11 (c) A fee for guardian or conservator service is allowed at
12 a reasonable rate negotiated by the county or approved by the
13 court. This rate shall not exceed five percent of the
14 assistance unit's gross monthly income up to a maximum of \$100
15 per month. If the guardian or conservator is a member of the
16 county agency staff, no fee is allowed.

17 (d) The county agency shall continue to pay a monthly
18 allowance of \$68 for restaurant meals for a person who was
19 receiving a restaurant meal allowance on June 1, 1990, and who
20 eats two or more meals in a restaurant daily. The allowance
21 must continue until the person has not received Minnesota
22 supplemental aid for one full calendar month or until the
23 person's living arrangement changes and the person no longer
24 meets the criteria for the restaurant meal allowance, whichever
25 occurs first.

26 (e) A fee of ten percent of the recipient's gross income or
27 \$25, whichever is less, is allowed for representative payee
28 services provided by an agency that meets the requirements under
29 SSI regulations to charge a fee for representative payee
30 services. This special need is available to all recipients of
31 Minnesota supplemental aid regardless of their living
32 arrangement.

33 (f) Notwithstanding the language in this subdivision, an
34 amount equal to the maximum allotment authorized by the federal
35 Food Stamp Program for a single individual which is in effect on
36 the first day of January of the previous year will be added to

1 the standards of assistance established in subdivisions 1 to 4
2 for individuals under the age of 65 who are relocating from an
3 institution, or an adult mental health residential treatment
4 program under section 256B.0622, and who are shelter needy. An
5 eligible individual who receives this benefit prior to age 65
6 may continue to receive the benefit after the age of 65.

7 "Shelter needy" means that the assistance unit incurs
8 monthly shelter costs that exceed 40 percent of the assistance
9 unit's gross income before the application of this special needs
10 standard. "Gross income" for the purposes of this section is
11 the applicant's or recipient's income as defined in section
12 256D.35, subdivision 10, or the standard specified in
13 subdivision 3, whichever is greater. A recipient of a federal
14 or state housing subsidy, that limits shelter costs to a
15 percentage of gross income, shall not be considered shelter
16 needy for purposes of this paragraph.

17 Sec. 20. Minnesota Statutes 2004, section 256L.03,
18 subdivision 1, is amended to read:

19 Subdivision 1. [COVERED HEALTH SERVICES.] For individuals
20 under section 256L.04, subdivision 7, with income no greater
21 than 75 percent of the federal poverty guidelines or for
22 families with children under section 256L.04, subdivision 1, all
23 subdivisions of this section apply. "Covered health services"
24 means the health services reimbursed under chapter 256B, with
25 the exception of inpatient hospital services, special education
26 services, private duty nursing services, adult dental care
27 services other than services covered under section 256B.0625,
28 subdivision 9, paragraph (b), orthodontic services, nonemergency
29 medical transportation services, personal care assistant and
30 case management services, nursing home or intermediate care
31 facilities services, inpatient mental health services, and
32 chemical dependency services. Outpatient mental health services
33 covered under the MinnesotaCare program are limited to
34 diagnostic assessments, psychological testing, explanation of
35 findings, mental health telemedicine, psychiatric consultation,
36 medication management by a physician, day treatment, partial

1 hospitalization, and individual, family, and group psychotherapy.

2 No public funds shall be used for coverage of abortion
3 under MinnesotaCare except where the life of the female would be
4 endangered or substantial and irreversible impairment of a major
5 bodily function would result if the fetus were carried to term;
6 or where the pregnancy is the result of rape or incest.

7 Covered health services shall be expanded as provided in
8 this section.

9 [EFFECTIVE DATE.] This section is effective January 1, 2006.

10 Sec. 21. [641.155] [DISCHARGE PLANS; OFFENDERS WITH
11 SERIOUS AND PERSISTENT MENTAL ILLNESS.]

12 The commissioner of corrections shall develop a model
13 discharge planning process for every offender with a serious and
14 persistent mental illness, as defined in section 245.462,
15 subdivision 20, paragraph (c), who has been convicted and
16 sentenced to serve three or more months and is being released
17 from a county jail or county regional jail.

18 An offender with a serious and persistent mental illness,
19 as defined in section 245.462, subdivision 20, paragraph (c),
20 who has been convicted and sentenced to serve three or more
21 months and is being released from a county jail or county
22 regional jail shall be referred to the appropriate staff in the
23 county human services department at least 60 days before being
24 released. The county human services department may carry out
25 provisions of the model discharge planning process such as:

26 (1) providing assistance in filling out an application for
27 medical assistance, general assistance medical care, or
28 MinnesotaCare;

29 (2) making a referral for case management as outlined under
30 section 245.467, subdivision 4;

31 (3) providing assistance in obtaining a state photo
32 identification;

33 (4) securing a timely appointment with a psychiatrist or
34 other appropriate community mental health providers; and

35 (5) providing prescriptions for a 30-day supply of all
36 necessary medications.

1 Sec. 22. [PRIORITY IN JANITORIAL CONTRACTS.]

2 When awarding contracts to provide the janitorial services
3 for the new Department of Human Services and Department of
4 Health buildings, the commissioner of administration shall give
5 priority to supported work vendors.

6 ARTICLE 6

8 Section 1. Minnesota Statutes 2004, section 119B.011, is
9 amended by adding a subdivision to read:

10 Subd. 23. [WORK PARTICIPATION RATE ENHANCEMENT
11 PROGRAM.] "Work participation rate enhancement program" means
12 the program established under section 256J.575.

13 Sec. 2. Minnesota Statutes 2004, section 119B.05,
14 subdivision 1, is amended to read:

15 Subdivision 1. [ELIGIBLE PARTICIPANTS.] Families eligible
16 for child care assistance under the MFIP child care program are:

17 (1) MFIP participants who are employed or in job search and
18 meet the requirements of section 119B.10;

28 their employment plan, or in appeals, hearings, assessments, or
29 orientations according to chapter 256J;

2 256.01, subdivision 2; and

3 ~~(7)~~ (8) families who are participating in the transition
4 year extension under section 119B.011, subdivision 20a.

5 Sec. 3. Minnesota Statutes 2004, section 252.27,
6 subdivision 2a, is amended to read:

7 Subd. 2a. [CONTRIBUTION AMOUNT.] (a) The natural or
8 adoptive parents of a minor child, including a child determined
9 eligible for medical assistance without consideration of
10 parental income, must contribute to the cost of services used by
11 making monthly payments on a sliding scale based on income,
12 unless the child is married or has been married, parental rights
13 have been terminated, or the child's adoption is subsidized
14 according to section 259.67 or through title IV-E of the Social
15 Security Act.

16 (b) For households with adjusted gross income equal to or
17 greater than 100 percent of federal poverty guidelines, the
18 parental contribution shall be computed by applying the
19 following schedule of rates to the adjusted gross income of the
20 natural or adoptive parents:

21 (1) if the adjusted gross income is equal to or greater
22 than 100 percent of federal poverty guidelines and less than 175
23 percent of federal poverty guidelines, the parental contribution
24 is \$4 per month;

25 (2) if the adjusted gross income is equal to or greater
26 than 175 percent of federal poverty guidelines and less than or
27 equal to 375 percent of federal poverty guidelines, the parental
28 contribution shall be determined using a sliding fee scale
29 established by the commissioner of human services which begins
30 at one percent of adjusted gross income at 175 percent of
31 federal poverty guidelines and increases to 7.5 percent of
32 adjusted gross income for those with adjusted gross income up to
33 375 percent of federal poverty guidelines;

34 (3) if the adjusted gross income is greater than 375
35 percent of federal poverty guidelines and less than 675 percent
36 of federal poverty guidelines, the parental contribution shall

1 be 7.5 percent of adjusted gross income;

2 (4) if the adjusted gross income is equal to or greater
3 than 675 percent of federal poverty guidelines and less than 975
4 percent of federal poverty guidelines, the parental contribution
5 shall be ten percent of adjusted gross income; and

6 (5) if the adjusted gross income is equal to or greater
7 than 975 percent of federal poverty guidelines, the parental
8 contribution shall be 12.5 percent of adjusted gross income.

9 If the child lives with the parent, the annual adjusted
10 gross income is reduced by \$2,400 prior to calculating the
11 parental contribution. If the child resides in an institution
12 specified in section 256B.35, the parent is responsible for the
13 personal needs allowance specified under that section in
14 addition to the parental contribution determined under this
15 section. The parental contribution is reduced by any amount
16 required to be paid directly to the child pursuant to a court
17 order, but only if actually paid.

18 (c) The household size to be used in determining the amount
19 of contribution under paragraph (b) includes natural and
20 adoptive parents and their dependents, including the child
21 receiving services. Adjustments in the contribution amount due
22 to annual changes in the federal poverty guidelines shall be
23 implemented on the first day of July following publication of
24 the changes.

25 (d) For purposes of paragraph (b), "income" means the
26 adjusted gross income of the natural or adoptive parents
27 determined according to the previous year's federal tax form,
28 except, effective retroactive to July 1, 2003, taxable capital
29 gains to the extent the funds have been used to purchase a
30 home and funds from early withdrawn qualified retirement
31 accounts under the Internal Revenue Code shall not be counted as
32 income.

33 (e) The contribution shall be explained in writing to the
34 parents at the time eligibility for services is being
35 determined. The contribution shall be made on a monthly basis
36 effective with the first month in which the child receives

1 services. - Annually upon redetermination or at termination of
2 eligibility, if the contribution exceeded the cost of services
3 provided, the local agency or the state shall reimburse that
4 excess amount to the parents, either by direct reimbursement if
5 the parent is no longer required to pay a contribution, or by a
6 reduction in or waiver of parental fees until the excess amount
7 is exhausted.

8 (f) The monthly contribution amount must be reviewed at
9 least every 12 months; when there is a change in household size;
10 and when there is a loss of or gain in income from one month to
11 another in excess of ten percent. The local agency shall mail a
12 written notice 30 days in advance of the effective date of a
13 change in the contribution amount. A decrease in the
14 contribution amount is effective in the month that the parent
15 verifies a reduction in income or change in household size.

16 (g) Parents of a minor child who do not live with each
17 other shall each pay the contribution required under paragraph
18 ~~(a) -- An amount equal to the annual, except that a court-ordered~~
19 child support payment actually paid on behalf of the child
20 receiving services shall be deducted from the ~~adjusted-gross~~
21 ~~income contribution~~ of the parent making the payment ~~prior to~~
22 ~~calculating the parental contribution under paragraph (b).~~

23 (h) The contribution under paragraph (b) shall be increased
24 by an additional five percent if the local agency determines
25 that insurance coverage is available but not obtained for the
26 child. For purposes of this section, "available" means the
27 insurance is a benefit of employment for a family member at an
28 annual cost of no more than five percent of the family's annual
29 income. For purposes of this section, "insurance" means health
30 and accident insurance coverage, enrollment in a nonprofit
31 health service plan, health maintenance organization,
32 self-insured plan, or preferred provider organization.

33 Parents who have more than one child receiving services
34 shall not be required to pay more than the amount for the child
35 with the highest expenditures. There shall be no resource
36 contribution from the parents. The parent shall not be required

1 to pay a contribution in excess of the cost of the services
2 provided to the child, not counting payments made to school
3 districts for education-related services. Notice of an increase
4 in fee payment must be given at least 30 days before the
5 increased fee is due.

6 (i) The contribution under paragraph (b) shall be reduced
7 by \$300 per fiscal year if, in the 12 months prior to July 1:

8 (1) the parent applied for insurance for the child;

9 (2) the insurer denied insurance;

10 (3) the parents submitted a complaint or appeal, in writing
11 to the insurer, submitted a complaint or appeal, in writing, to
12 the commissioner of health or the commissioner of commerce, or
13 litigated the complaint or appeal; and

14 (4) as a result of the dispute, the insurer reversed its
15 decision and granted insurance.

16 For purposes of this section, "insurance" has the meaning
17 given in paragraph (h).

18 A parent who has requested a reduction in the contribution
19 amount under this paragraph shall submit proof in the form and
20 manner prescribed by the commissioner or county agency,
21 including, but not limited to, the insurer's denial of
22 insurance, the written letter or complaint of the parents, court
23 documents, and the written response of the insurer approving
24 insurance. The determinations of the commissioner or county
25 agency under this paragraph are not rules subject to chapter 14.

26 (j) Within the available appropriation for the biennium
27 beginning July 1, 2005, the commissioner shall modify the
28 contribution amount under paragraph (a), giving priority to
29 reducing the parental contribution for the lowest income
30 parents. Notwithstanding paragraphs (a) to (i), the
31 commissioner shall implement the new parental fee formula as
32 soon as possible and request that the changes be codified in the
33 next legislative session.

34 Sec. 4. Minnesota Statutes 2004, section 256.01, is
35 amended by adding a subdivision to read:

36 Subd. 14b. [AMERICAN INDIAN CHILD WELFARE PROJECTS.] (a)

1 The commissioner of human services may authorize projects to
2 test tribal delivery of child welfare services to American
3 Indian children and their parents and custodians living on the
4 reservation. The commissioner has authority to solicit and
5 determine which tribes may participate in a project. Grants may
6 be issued to Minnesota Indian tribes to support the projects.
7 The commissioner may waive existing state rules as needed to
8 accomplish the projects. Notwithstanding section 626.556, the
9 commissioner may authorize projects to use alternative methods
10 of investigating and assessing reports of child maltreatment,
11 provided that the projects comply with the provisions of section
12 626.556 dealing with the rights of individuals who are subjects
13 of reports or investigations, including notice and appeal rights
14 and data practices requirements. The commissioner may seek any
15 federal approvals necessary to carry out the projects as well as
16 seek and use any funds available to the commissioner, including
17 use of federal funds, foundation funds, existing grant funds,
18 and other funds. The commissioner is authorized to advance
19 state funds as necessary to operate the projects. Federal
20 reimbursement applicable to the projects is appropriated to the
21 commissioner for the purposes of the projects. The projects
22 must be required to address responsibility for safety,
23 permanency, and well-being of children.

24 (b) For the purposes of this section, "American Indian
25 child" means a person from birth to 18 years of age who is a
26 tribal member or eligible for membership in one of the tribes
27 chosen for the project under this subdivision and who is
28 residing on the reservation of that tribe.

29 (c) In order to qualify for an American Indian child
30 welfare project, a tribe must:

31 (1) be one of the existing tribes with reservation land in
32 Minnesota;

33 (2) have a tribal court with jurisdiction over child
34 custody proceedings;

35 (3) have a substantial number of children for whom
36 determinations of maltreatment have occurred;

1 (4) have capacity to respond to reports of abuse and
2 neglect under section 626.556;

3 (5) provide a wide range of services to families in need of
4 child welfare services; and

5 (6) have a tribal-state title IV-E agreement in effect.

6 (d) Grants awarded under this section may be used for the
7 nonfederal costs of providing child welfare services to American
8 Indian children on the tribe's reservation, including costs
9 associated with:

10 (1) assessment and prevention of child abuse and neglect;

11 (2) family preservation;

12 (3) facilitative, supportive, and reunification services;

13 (4) out-of-home placement for children removed from the
14 home for child protective purposes; and

15 (5) other activities and services approved by the
16 commissioner that further the goals of providing safety,
17 permanency, and well-being of American Indian children.

18 (e) When a tribe has initiated a project and has been
19 approved by the commissioner to assume child welfare
20 responsibilities for American Indian children of that tribe
21 under this section, the affected county social service agency is
22 relieved of responsibility for responding to reports of abuse
23 and neglect under section 626.556 for those children during the
24 time the tribal project is in effect and receiving funding for
25 the project. The commissioner shall work with tribes and
26 affected counties to develop procedures for data collection,
27 evaluation, and clarification of the ongoing role and financial
28 responsibilities of the county and tribe for child welfare
29 services prior to initiation of the project. Children who have
30 not been identified by the tribe as participating in the project
31 shall remain the responsibility of the county. Nothing in this
32 section changes the responsibilities of the county law
33 enforcement agency or court services.

34 (f) The commissioner shall collect information on outcomes
35 relating to child safety, permanency, and well-being of American
36 Indian children who are served in the projects. Participating

1 tribes must provide information to the state in a format deemed
2 acceptable by the state to meet state and federal reporting
3 requirements.

4 (g) For counties with tribes participating in the American
5 Indian Child Welfare Project, five percent of the total cost of
6 the nonfederal share is to be paid by the county.

7 Sec. 5. Minnesota Statutes 2004, section 256J.021, is
8 amended to read:

9 256J.021 [SEPARATE STATE PROGRAM PROGRAMS FOR USE OF STATE
10 MONEY.]

11 (a) Beginning October 1, 2001, and each year thereafter,
12 the commissioner of human services must treat MFIP expenditures
13 made to or on behalf of any minor child under section 256J.02,
14 subdivision 2, clause (1), who is a resident of this state under
15 section 256J.12, and who is part of a two-parent eligible
16 household as expenditures under a separately funded state
17 program and report those expenditures to the federal Department
18 of Health and Human Services as separate state program
19 expenditures under Code of Federal Regulations, title 45,
20 section 263.5.

21 (b) Beginning October 1, 2005, and each year thereafter,
22 the commissioner of human services must treat MFIP expenditures
23 made to or on behalf of any minor child under section 256J.02,

25 section 256J.12, and who is part of a household participating in
26 the work participation rate enhancement program under section
27 256J.575 as expenditures under a separately funded state program
28 and report those expenditures to the federal Department of
29 Health and Human Services as separate state program expenditures
30 under Code of Federal Regulations, title 45, section 263.5.

31 Sec. 6. Minnesota Statutes 2004, section 256J.08,
32 subdivision 65, is amended to read:

33 Subd. 65. [PARTICIPANT.] "Participant" means a person who
34 is currently receiving cash assistance or the food portion
35 available through MFIP. A person who fails to withdraw or
36 access electronically any portion of the person's cash and food

1 assistance payment by the end of the payment month, who makes a
2 written request for closure before the first of a payment month
3 and repays cash and food assistance electronically issued for
4 that payment month within that payment month, or who returns any
5 uncashed assistance check and food coupons and withdraws from
6 the program is not a participant. A person who withdraws a cash
7 or food assistance payment by electronic transfer or receives
8 and cashes an MFIP assistance check or food coupons and is
9 subsequently determined to be ineligible for assistance for that
10 period of time is a participant, regardless whether that
11 assistance is repaid. The term "participant" includes the
12 caregiver relative and the minor child whose needs are included
13 in the assistance payment. A person in an assistance unit who
14 does not receive a cash and food assistance payment because the
15 case has been suspended from MFIP is a participant. A person
16 who receives cash payments under the diversionary work program
17 under section 256J.95 is a participant. A person who receives
18 cash payments under the work participation rate enhancement
19 program under section 256J.575 is a participant.

23 Subdivision 1. [ASSESSMENTS.] (a) For purposes of MFIP
24 employment services, assessment is a continuing process of
25 gathering information related to employability for the purpose
26 of identifying both participant's strengths and strategies for
27 coping with issues that interfere with employment. The job
28 counselor must use information from the assessment process to
29 develop and update the employment plan under subdivision 2 or 3,
30 as appropriate, and to determine whether the participant
31 qualifies for a family violence waiver including an employment
32 plan under subdivision 3, and to determine whether the
33 participant should be referred to the work participation rate
34 enhancement program under section 256J.575.

35 (b) The scope of assessment must cover at least the
36 following areas:

1 (1) basic information about the participant's ability to
2 obtain and retain employment, including: a review of the
3 participant's education level; interests, skills, and abilities;
4 prior employment or work experience; transferable work skills;
5 child care and transportation needs;

6 (2) identification of personal and family circumstances
7 that impact the participant's ability to obtain and retain
8 employment, including: any special needs of the children, the
9 level of English proficiency, family violence issues, and any
10 involvement with social services or the legal system;

11 (3) the results of a mental and chemical health screening
12 tool designed by the commissioner and results of the brief
13 screening tool for special learning needs. Screening tools for
14 mental and chemical health and special learning needs must be
15 approved by the commissioner and may only be administered by job
16 counselors or county staff trained in using such screening
17 tools. The commissioner shall work with county agencies to
18 develop protocols for referrals and follow-up actions after
19 screens are administered to participants, including guidance on
20 how employment plans may be modified based upon outcomes of
21 certain screens. Participants must be told of the purpose of
22 the screens and how the information will be used to assist the
23 participant in identifying and overcoming barriers to
24 employment. Screening for mental and chemical health and
25 special learning needs must be completed by participants who are
26 unable to find suitable employment after six weeks of job search
27 under subdivision 2, paragraph (b), and participants who are
28 determined to have barriers to employment under subdivision 2,
29 paragraph (d). Failure to complete the screens will result in
30 sanction under section 256J.46; and

31 (4) a comprehensive review of participation and progress
32 for participants who have received MFIP assistance and have not
33 worked in unsubsidized employment during the past 12 months.
34 The purpose of the review is to determine the need for
35 additional services and supports, including placement in
36 subsidized employment or unpaid work experience under section

1 256J.49, subdivision 13, or referral to the work participation
2 rate enhancement program under section 256J.575.

3 (c) Information gathered during a caregiver's participation
4 in the diversionary work program under section 256J.95 must be
5 incorporated into the assessment process.

6 (d) The job counselor may require the participant to
7 complete a professional chemical use assessment to be performed
8 according to the rules adopted under section 254A.03,
9 subdivision 3, including provisions in the administrative rules
10 which recognize the cultural background of the participant, or a
11 professional psychological assessment as a component of the
12 assessment process, when the job counselor has a reasonable
13 belief, based on objective evidence, that a participant's
14 ability to obtain and retain suitable employment is impaired by
15 a medical condition. The job counselor may assist the
16 participant with arranging services, including child care
17 assistance and transportation, necessary to meet needs
18 identified by the assessment. Data gathered as part of a
19 professional assessment must be classified and disclosed
20 according to the provisions in section 13.46.

21 Sec. 9. Minnesota Statutes 2004, section 256J.53,
22 subdivision 2, is amended to read:

23 Subd. 2. [APPROVAL OF POSTSECONDARY EDUCATION OR
24 TRAINING.] (a) In order for a postsecondary education or
25 training program to be an approved activity in an employment
26 plan, the participant must be working in unsubsidized employment
27 at least ~~20~~ ten hours per week.

28 (b) Participants seeking approval of a postsecondary
29 education or training plan must provide documentation that:

30 (1) the employment goal can only be met with the additional
31 education or training;

32 (2) there are suitable employment opportunities that
33 require the specific education or training in the area in which
34 the participant resides or is willing to reside;

35 (3) the education or training will result in significantly
36 higher wages for the participant than the participant could earn

1 without the education or training;

2 (4) the participant can meet the requirements for admission
3 into the program; and

4 (5) there is a reasonable expectation that the participant
5 will complete the training program based on such factors as the
6 participant's MFIP assessment, previous education, training, and
7 work history; current motivation; and changes in previous
8 circumstances.

9 (c) The hourly unsubsidized employment requirement does not
10 apply for intensive education or training programs lasting 12
11 weeks or less when full-time attendance is required.

12 (d) Participants with an approved employment plan in place
13 on July 1, 2003, which includes more than 12 months of
14 postsecondary education or training shall be allowed to complete
15 that plan provided that hourly requirements in section 256J.55,
16 subdivision 1, and conditions specified in paragraph (b), and
17 subdivisions 3 and 5 are met. A participant whose case is
18 subsequently closed for three months or less for reasons other
19 than noncompliance with program requirements and who returns to
20 MFIP shall be allowed to complete that plan provided that hourly
21 requirements in section 256J.55, subdivision 1, and conditions
22 specified in paragraph (b) and subdivisions 3 and 5 are met.

23 Sec. 10. [256J.575] [WORK PARTICIPATION RATE ENHANCEMENT
24 PROGRAM.]

25 Subdivision 1. [PURPOSE.] (a) The work participation rate
26 enhancement program (WORK PREP) is Minnesota's TANF program to
27 serve families who are not making significant progress within
28 MFIP due to a variety of barriers to employment.

29 (b) The goal of this program is to stabilize and improve
30 the lives of families at risk of long-term welfare dependency or
31 family instability due to employment barriers such as physical
32 disability, mental disability, age, and caring for a disabled
33 household member. WORK PREP provides services to promote and
34 support families to achieve the greatest possible degree of
35 self-sufficiency. Counties may provide supportive and other
36 allowable services funded by the MFIP consolidated fund under

1 section 256J.626 to eligible participants.

2 Subd. 2. [DEFINITIONS.] The terms used in this section
3 have the meanings given them in paragraphs (a) to (d).

4 (a) The "work participation rate enhancement program" means
5 the program established under this section.

6 (b) "Case management" means the services provided by or
7 through the county agency to participating families, including
8 assessment, information, referrals, and assistance in the
9 preparation and implementation of a family stabilization plan
10 under subdivision 5.

11 (c) "Family stabilization plan" means a plan developed by a
12 case manager and the participant, which identifies the
13 participant's most appropriate path to unsubsidized employment,
14 family stability, and barrier reduction, taking into account the
15 family's circumstances.

16 (d) "Family stabilization services" means programs,
17 activities, and services in this section that provide
18 participants and their family members with assistance regarding,
19 but not limited to:

20 (1) obtaining and retaining unsubsidized employment;

21 (2) family stability;

22 (3) economic stability; and

23 (4) barrier reduction.

24 The goal of the program is to achieve the greatest degree
25 of economic self-sufficiency and family well-being possible for
26 the family under the circumstances.

27 Subd. 3. [ELIGIBILITY.] (a) The following MFIP or DWP
28 participants are eligible for the program under this section:

29 (1) a participant identified under section 256J.561,
30 subdivision 2, paragraph (d), who has or is eligible for an
31 employment plan developed under section 256J.521, subdivision 2,
32 paragraph (c);

33 (2) a participant identified under section 256J.95,
34 subdivision 12, paragraph (b), as unlikely to benefit from the
35 diversionary work program;

36 (3) a participant who meets the requirements for or has

1 been granted a hardship extension under section 256J.425,
2 subdivision 2 or 3; and

3 (4) a participant who is applying for supplemental security
4 income or Social Security disability insurance.

5 (b) Families must meet all other eligibility requirements
6 for MFIP established in this chapter. Families are eligible for
7 financial assistance to the same extent as if they were
8 participating in MFIP.

9 Subd. 4. [UNIVERSAL PARTICIPATION.] All caregivers must
10 participate in family stabilization services as defined in
11 subdivision 2.

12 Subd. 5. [CASE MANAGEMENT; FAMILY STABILIZATION PLANS;
13 COORDINATED SERVICES.] (a) The county agency shall provide
14 family stabilization services to families through a case
15 management model. A case manager shall be assigned to each
16 participating family within 30 days after the family begins to
17 receive financial assistance as a participant of the work
18 participation rate enhancement program. The case manager, with
19 the full involvement of the family, shall recommend, and the
20 county agency shall establish and modify as necessary, a family
21 stabilization plan for each participating family.

22 (b) The family stabilization plan shall include:

23 (1) each participant's plan for long-term self-sufficiency,
24 including an employment goal where applicable;

25 (2) an assessment of each participant's strengths and
26 barriers, and any special circumstances of the participant's
27 family that impact, or are likely to impact, the participant's
28 progress towards the goals in the plan; and

29 (3) an identification of the services, supports, education,
30 training, and accommodations needed to overcome any barriers to
31 enable the family to achieve self-sufficiency and to fulfill
32 each caregiver's personal and family responsibilities.

33 (c) The case manager and the participant must meet within
34 30 days of the family's referral to the case manager. The
35 initial family stabilization plan shall be completed within 30
36 days of the first meeting with the case manager. The case

1 manager shall establish a schedule for periodic review of the
2 family stabilization plan that includes personal contact with
3 the participant at least once per month. In addition, the case
4 manager shall review and modify if necessary the plan under the
5 following circumstances:

6 (1) there is a lack of satisfactory progress in achieving
7 the goals of the plan;

8 (2) the participant has lost unsubsidized or subsidized
9 employment;

10 (3) a family member has failed to comply with a family
11 stabilization plan requirement;

12 (4) services required by the plan are unavailable; or

13 (5) changes to the plan are needed to promote the
14 well-being of the children.

15 (d) Family stabilization plans under this section shall be
16 written for a period of time not to exceed six months.

17 Subd. 6. [COOPERATION WITH PROGRAM REQUIREMENTS.] (a) To
18 be eligible, a participant must comply with paragraphs (b) to
19 (f).

20 (b) Participants shall engage in family stabilization plan
21 activities listed in clause (1) or (2) for the number of hours
22 per week that the activities are scheduled and available, unless
23 good cause exists for not doing so, as defined in section
24 256J.57, subdivision 1:

25 (1) in single-parent families with no children under six
26 years of age, the case manager and the participant must develop
27 a family stabilization plan that includes 30 to 35 hours per
28 week of activities; and

29 (2) in single-parent families with a child under six years
30 of age, the case manager and the participant must develop a
31 family stabilization plan that includes 20 to 35 hours per week
32 of activities.

33 (c) The case manager shall review the participant's
34 progress toward the goals in the family stabilization plan every
35 six months to determine whether conditions have changed,
36 including whether revisions to the plan are needed.

1 (d) When the participant has increased participation in
2 work-related activities sufficient to meet the federal
3 participation requirements of TANF, the county agency shall
4 refer the participant to the MFIP program and assign the
5 participant to a job counselor. The participant and the job
6 counselor must meet within 15 days of referral to MFIP to
7 develop an employment plan under section 256J.521. No
8 reapplication is necessary and financial assistance shall
9 continue without interruption.

10 (e) Participants who have not increased their participation
11 in work activities sufficient to meet the federal participation
12 requirements of TANF may request a referral to the MFIP program
13 and assignment to a job counselor after 12 months in the program.

14 (f) A participant's requirement to comply with any or all
15 family stabilization plan requirements under this subdivision
16 shall be excused when the case management services, training and
17 educational services, and family support services identified in
18 the participant's family stabilization plan are unavailable for
19 reasons beyond the control of the participant, including when
20 money appropriated is not sufficient to provide the services.

21 Subd. 7. [SANCTIONS.] (a) The financial assistance grant
22 of a participating family shall be reduced, according to section
23 256J.46, if a participating adult fails without good cause to
24 comply or continue to comply with the family stabilization plan
25 requirements in this subdivision, unless compliance has been
26 excused under subdivision 6, paragraph (f).

27 (b) Given the purpose of the work participation rate
28 enhancement program in this section and the nature of the
29 underlying family circumstances that act as barriers to both
30 employment and full compliance with program requirements,
31 sanctions are appropriate only when it is clear that there is
32 both ability to comply and willful noncompliance on the part of
33 the participant.

34 (c) Prior to the imposition of a sanction, the county
35 agency must review the participant's case to determine if the
36 family stabilization plan is still appropriate and meet with the

1 participants face-to-face. The participant may bring an
2 advocate to the face-to-face meeting. If a face-to-face meeting
3 is not conducted, the county agency must send the participant a
4 written notice that includes the information required under
5 clause (1):

6 (1) during the face-to-face meeting, the county agency must:

7 (i) determine whether the continued noncompliance can be
8 explained and mitigated by providing a needed family
9 stabilization service, as defined in subdivision 2, paragraph
10 (d);

11 (ii) determine whether the participant qualifies for a good
12 cause exception under section 256J.57, or if the sanction is for
13 noncooperation with child support requirements, determine if the
14 participant qualifies for a good cause exemption under section
15 256.741, subdivision 10;

16 (iii) determine whether activities in the family
17 stabilization plan are appropriate based on the family's
18 circumstances;

19 (iv) explain the consequences of continuing noncompliance;

20 (v) identify other resources that may be available to the
21 participant to meet the needs of the family; and

22 (vi) inform the participant of the right to appeal under
23 section 256J.40; and

24 (2) if the lack of an identified activity or service can
25 explain the noncompliance, the county must work with the
26 participant to provide the identified activity.

27 (d) After the requirements of paragraph (c) are met and
28 prior to imposition of a sanction, the county agency shall
29 provide a notice of intent to sanction under section 256J.57,
30 subdivision 2, and, when applicable, a notice of adverse action
31 as provided in section 256J.31.

32 (e) Section 256J.57 applies to this section except to the
33 extent that it is modified by this subdivision.

34 Sec. 11. [256J.621] [WORK PARTICIPATION BONUS.]

35 Upon exiting the diversionary work program (DWP) or upon
36 terminating MFIP cash assistance with earnings, a participant

1 who is employed and working 24 hours a week may be eligible for
2 transitional assistance of \$50 per month to assist in meeting
3 the family's basic needs as the participant continues to move
4 toward self-sufficiency.

5 To be eligible for a transitional assistance payment, the
6 participant must not receive MFIP cash assistance or
7 diversionary work program assistance during the month and must
8 be employed an average of at least 24 hours a week.

9 Transitional assistance shall be available for a maximum of 12
10 months from the date the participant exited the diversionary
11 work program or terminated MFIP cash assistance.

12 The commissioner shall establish policies and develop forms
13 to verify eligibility for transitional assistance. The forms
14 must contain all data elements required to meet federal TANF
15 reporting requirements.

16 Expenditures on the transitional assistance program shall
17 be state-funded and treated as segregated funds under the
18 state's TANF maintenance of effort requirement. Months in which
19 a participant receives transitional assistance under this
20 section shall not count toward the participant's MFIP 60-month
21 time limit.

22 This section shall take effect if federal law changes the
23 TANF work participation rates that states must meet and the
24 commissioner determines that implementation of this program will
25 enhance Minnesota's TANF work participation rates.

26 Sec. 12. Minnesota Statutes 2004, section 256J.626,
27 subdivision 1, is amended to read:

28 Subdivision 1. [CONSOLIDATED FUND.] The consolidated fund
29 is established to support counties and tribes in meeting their
30 duties under this chapter. Counties and tribes must use funds
31 from the consolidated fund to develop programs and services that
32 are designed to improve participant outcomes as measured in
33 section 256J.751, subdivision 2, and to provide case management
34 services to participants of the work participation rate
35 enhancement program. Counties may use the funds for any
36 allowable expenditures under subdivision 2. Tribes may use the

1 funds for any allowable expenditures under subdivision 2, except
2 those in clauses (1) and (6).

3 Sec. 13. Minnesota Statutes 2004, section 256J.626,
4 subdivision 2, is amended to read:

5 Subd. 2. [ALLOWABLE EXPENDITURES.] (a) The commissioner
6 must restrict expenditures under the consolidated fund to
7 benefits and services allowed under title IV-A of the federal
8 Social Security Act. Allowable expenditures under the
9 consolidated fund may include, but are not limited to:

10 (1) short-term, nonrecurring shelter and utility needs that
11 are excluded from the definition of assistance under Code of
12 Federal Regulations, title 45, section 260.31, for families who
13 meet the residency requirement in section 256J.12, subdivisions
14 1 and 1a. Payments under this subdivision are not considered
15 TANF cash assistance and are not counted towards the 60-month
16 time limit;

17 (2) transportation needed to obtain or retain employment or
18 to participate in other approved work activities or activities
19 under a family stabilization plan;

20 (3) direct and administrative costs of staff to deliver
21 employment services for MFIP or, the diversionary work
22 program, or the work participation rate enhancement program; to
23 administer financial assistance₇; and to provide specialized
24 services intended to assist hard-to-employ participants to
25 transition to work or transition from the work participation
26 rate enhancement program to MFIP;

27 (4) costs of education and training including functional
28 work literacy and English as a second language;

29 (5) cost of work supports including tools, clothing, boots,
30 and other work-related expenses;

31 (6) county administrative expenses as defined in Code of
32 Federal Regulations, title 45, section 260(b);

33 (7) services to parenting and pregnant teens;

34 (8) supported work;

35 (9) wage subsidies;

36 (10) child care needed for MFIP or, the diversionary work

1 program, or the work participation rate enhancement program
 2 participants to participate in social services;

3 (11) child care to ensure that families leaving MFIP or
 4 diversionary work program will continue to receive child care
 5 assistance from the time the family no longer qualifies for
 6 transition year child care until an opening occurs under the
 7 basic sliding fee child care program; and

8 (12) services to help noncustodial parents who live in
 9 Minnesota and have minor children receiving MFIP or DWP
 10 assistance, but do not live in the same household as the child,
 11 obtain or retain employment; and

12 (13) services to help families participating in the work
 13 participation rate enhancement program achieve the greatest
 14 possible degree of self-sufficiency.

15 (b) Administrative costs that are not matched with county
 16 funds as provided in subdivision 8 may not exceed 7.5 percent of
 17 a county's or 15 percent of a tribe's allocation under this
 18 section. The commissioner shall define administrative costs for
 19 purposes of this subdivision.

20 Sec. 14. Minnesota Statutes 2004, section 256J.626,
 21 subdivision 3, is amended to read:

22 Subd. 3. [ELIGIBILITY FOR SERVICES.] Families with a minor
 23 child, a pregnant woman, or a noncustodial parent of a minor
 24 child receiving assistance, with incomes below 200 percent of
 25 the federal poverty guideline for a family of the applicable
 26 size, are eligible for services funded under the consolidated
 27 fund. Counties and tribes must give priority to families
 28 currently receiving MFIP or, the diversionary work program, or
 29 the work participation rate enhancement program, and families at
 30 risk of receiving MFIP or diversionary work program.

31 Sec. 15. Minnesota Statutes 2004, section 256J.626,
 32 subdivision 4, is amended to read:

33 Subd. 4. [COUNTY AND TRIBAL BIENNIAL SERVICE AGREEMENTS.]

34 (a) Effective January 1, 2004, and each two-year period
 35 thereafter, each county and tribe must have in place an approved
 36 biennial service agreement related to the services and programs

1 in this chapter. In counties with a city of the first class
2 with a population over 300,000, the county must consider a
3 service agreement that includes a jointly developed plan for the
4 delivery of employment services with the city. Counties may
5 collaborate to develop multicounty, multitribal, or regional
6 service agreements.

7 (b) The service agreements will be completed in a form
8 prescribed by the commissioner. The agreement must include:

9 (1) a statement of the needs of the service population and
10 strengths and resources in the community;

11 (2) numerical goals for participant outcomes measures to be
12 accomplished during the biennial period. The commissioner may
13 identify outcomes from section 256J.751, subdivision 2, as core
14 outcomes for all counties and tribes;

15 (3) strategies the county or tribe will pursue to achieve
16 the outcome targets. Strategies must include specification of
17 how funds under this section will be used and may include
18 community partnerships that will be established or strengthened;
19 and

20 (4) strategies the county or tribe will pursue under the
21 work participation rate enhancement program; and

22 (5) other items prescribed by the commissioner in
23 consultation with counties and tribes.

24 (c) The commissioner shall provide each county and tribe
25 with information needed to complete an agreement, including:

26 (1) information on MFIP cases in the county or tribe; (2)
27 comparisons with the rest of the state; (3) baseline performance
28 on outcome measures; and (4) promising program practices.

29 (d) The service agreement must be submitted to the
30 commissioner by October 15, 2003, and October 15 of each second
31 year thereafter. The county or tribe must allow a period of not
32 less than 30 days prior to the submission of the agreement to
33 solicit comments from the public on the contents of the
34 agreement.

35 (e) The commissioner must, within 60 days of receiving each
36 county or tribal service agreement, inform the county or tribe

1 if the service agreement is approved. If the service agreement
2 is not approved, the commissioner must inform the county or
3 tribe of any revisions needed prior to approval.

4 (f) The service agreement in this subdivision supersedes
5 the plan requirements of section 116L.88.

6 Sec. 16. Minnesota Statutes 2004, section 256J.626,
7 subdivision 7, is amended to read:

8 Subd. 7. [PERFORMANCE BASE FUNDS.] (a) Beginning calendar
9 year 2005, each county and tribe will be allocated 95 100
10 percent of their initial calendar year allocation. Counties and
11 tribes will be allocated additional funds from federal TANF
12 bonus funds the state receives based on performance as follows:

13 (1) for calendar year 2005, a county or tribe that achieves
14 a 30 percent rate or higher on the MFIP participation rate under
15 section 256J.751, subdivision 2, clause (8), as averaged across
16 the four quarterly measurements for the most recent year for
17 which the measurements are available, will receive an additional

19 determined by the commissioner based upon available funds; and

20 (2) for calendar year 2006, a county or tribe that achieves
21 a 40 percent rate or a five percentage point improvement over
22 the previous year's MFIP participation rate under section

24 quarterly measurements for the most recent year for which the
25 measurements are available, will receive an additional

27 determined by the commissioner based upon available funds; and

28 (3) for calendar year 2007, a county or tribe that achieves
29 a 50 percent rate or a five percentage point improvement over

31 256J.751, subdivision 2, clause (8), as averaged across the four
32 quarterly measurements for the most recent year for which the
33 measurements are available, will receive an additional

 10 performance on the three-year self-support index under section
 11 256J.751, subdivision 2, clause (7), in both measurements in the
 12 preceding year will receive an additional allocation ~~equal-to~~
 13 ~~five-percent-of-its-initial-allocation~~ to be determined by the
 14 commissioner based upon available funds; or

15 (6) for calendar years 2005 and thereafter, a county or
 16 tribe that performs within its range of expected performance on
 17 the three-year self-support index under section 256J.751,
 18 subdivision 2, clause (7), in both measurements in the preceding
 19 year, or above the top of its range of expected performance in
 20 one measurement and within its expected range of performance in
 21 the other measurement, will receive an additional allocation
 22 ~~equal-to-2.5-percent-of-its-initial-allocation~~ to be determined
 23 by the commissioner based upon available funds.

24 (b) Funds remaining unallocated after the performance-based

1 Sec. 17. Minnesota Statutes 2004, section 256J.95,
2 subdivision 3, is amended to read:

3 Subd. 3. [ELIGIBILITY FOR DIVERSIONARY WORK PROGRAM.] (a)
4 Except for the categories of family units listed below, all
5 family units who apply for cash benefits and who meet MFIP
6 eligibility as required in sections 256J.11 to 256J.15 are
7 eligible and must participate in the diversionary work program.
8 Family units that are not eligible for the diversionary work
9 program include:

10 (1) child only cases;

11 (2) a single-parent family unit that includes a child under
12 12 weeks of age. A parent is eligible for this exception once
13 in a parent's lifetime and is not eligible if the parent has
14 already used the previously allowed child under age one
15 exemption from MFIP employment services;

16 (3) a minor parent without a high school diploma or its
17 equivalent;

18 (4) an 18- or 19-year-old caregiver without a high school

23 in the 12 months prior to the month the family applied for DWP,
24 except as provided in paragraph (c);

25 (7) family units with a caregiver who received MFIP within
26 the 12 months prior to the month the family unit applied for
27 DWP;

28 (8) a family unit with a caregiver who received 60 or more
29 months of TANF assistance; and

30 (9) a family unit with a caregiver who is disqualified from
31 DWP or MFIP due to fraud.

32 (b) A two-parent family must participate in DWP unless both
33 caregivers meet the criteria for an exception under paragraph

34 (a), clauses (1) through (5), or the family unit includes a
35 parent who meets the criteria in paragraph (a), clause (6), (7),
36 (8), or (9).

1 (c) Once DWP eligibility is determined, the four months run
2 consecutively. If a participant leaves the program for any
3 reason and reapplies during the four-month period, the county
4 must redetermine eligibility for DWP.

5 (d) Newly arrived refugees and asylees as defined in Code
6 of Federal Regulations, title 45, chapter IV, section 400.2, who
7 have arrived in the United States within the last two months
8 shall be exempt from mandatory participation in the diversionary
9 work program and may enroll directly into the MFIP program.

10 [EFFECTIVE DATE.] This section is effective the day
11 following final enactment.

12 Sec. 18. Minnesota Statutes 2004, section 256J.95,
13 subdivision 9, is amended to read:

14 Subd. 9. [PROPERTY AND INCOME LIMITATIONS.] The asset
15 limits and exclusions in section 256J.20 apply to applicants and

18 the diversionary work program. The county shall treat income as
19 outlined in section 256J.37~~7-except-for-subdivision-3a~~. The
20 initial income test and the disregards in section 256J.21,
21 subdivision 3, shall be followed for determining eligibility for
22 the diversionary work program.

23 Sec. 19. [REPEALER.]
24 Minnesota Statutes 2004, section 256J.37, subdivisions 3a
25 and 3b, are repealed effective July 1, 2005.

26 ARTICLE 7

27 MISCELLANEOUS

28 Section 1. [151.52] [MANUFACTURER PRICE REPORT.]

29 Subdivision 1. [REPORT.] All drug manufacturers registered
30 or licensed to do business in this state shall, on a quarterly
31 basis, report by National Drug Code the following pharmaceutical
32 pricing criteria to the commissioner of human services for each
33 of their drugs: average wholesale price, wholesale acquisition
34 cost, average manufacturer price as defined in United States
35 Code, title 42, chapter 7, subchapter XIX, section 1396r-8(k),
36 and best price as defined in United States Code, title 42,

1 chapter 7, subchapter XIX, section 1396r-8(c)(1)(C). The

3 cost shall be the net of all volume discounts, prompt payment
4 discounts, chargebacks, short-dated product discounts, cash
5 discounts, free goods, rebates, and all other price concessions
6 or incentives provided to a purchaser that result in a reduction
7 in the ultimate cost to the purchaser. When reporting average
8 wholesale price, wholesale acquisition cost, average
9 manufacturer price, and best price, manufacturers shall also
10 include a detailed description of the methodology by which the
11 prices were calculated. When a manufacturer reports average
12 wholesale price, wholesale acquisition cost, average
13 manufacturer price, or best price, the president or chief
14 executive officer of the manufacturer shall certify on a form
15 provided by the commissioner of human services, that the
16 reported prices are accurate. Any information reported under
17 this section shall be classified as nonpublic data under section

19 data in this section and subdivision 2, the Minnesota Attorney
20 General's Office, the federal Centers for Medicare and Medicaid
21 Services or another law enforcement agency may access and obtain
22 copies of the data required under this section and use that data
23 for law enforcement purposes.

25 may pursue the penalties and remedies available to the attorney
26 general under section 8.31 against any manufacturer who violates

32 Subd. 2. [ESTABLISHMENT.] The Board of Pharmacy shall
33 establish and maintain a cancer drug repository program, under
34 which any person may donate a cancer drug or supply for use by
35 an individual who meets the eligibility criteria specified under
36 subdivision 4. Under the program, donations may be made on the

1 premises of a medical facility or pharmacy that elects to
2 participate in the program and meets the requirements specified
3 under subdivision 3.

4 Subd. 3. [REQUIREMENTS FOR PARTICIPATION BY PHARMACIES AND
5 MEDICAL FACILITIES.] (a) To be eligible for participation in the
6 cancer drug repository program, a pharmacy or medical facility
7 must be licensed and in compliance with all applicable federal
8 and state laws and administrative rules.

9 (b) Participation in the cancer drug repository program is
10 voluntary. A pharmacy or medical facility may elect to
11 participate in the cancer drug repository program by submitting
12 the following information to the board, in a form provided by
13 the board:

14 (1) the name, street address, and telephone number of the

23 and the chosen level of participation under paragraph (c).

24 (c) A pharmacy or medical facility may fully participate in
25 the cancer drug repository program by accepting, storing, and
26 dispensing or administering donated drugs and supplies, or may
27 limit its participation to only accepting and storing donated
28 drugs and supplies. If a pharmacy or facility chooses to limit

31 according to subdivision 8.

32 (d) A pharmacy or medical facility may withdraw from
33 participation in the cancer drug repository program at any time
34 upon notification to the board. A notice to withdraw from
35 participation may be given by telephone or regular mail.

36 Subd. 4. [INDIVIDUAL ELIGIBILITY REQUIREMENTS.] Any

1 Minnesota resident who is diagnosed with cancer is eligible to
2 receive drugs or supplies under the cancer drug repository
3 program. Drugs and supplies shall be dispensed or administered
4 according to the priority given under subdivision 6, paragraph
5 (d).

6 Subd. 5. [DONATIONS OF CANCER DRUGS AND SUPPLIES.] (a) Any
7 one of the following persons may donate legally obtained cancer
8 drugs or supplies to a cancer drug repository, if the drugs or
9 supplies meet the requirements under paragraph (b) or (c) as
10 determined by a pharmacist who is employed by or under contract
11 with a cancer drug repository:

12 (1) an individual who is 18 years old or older; or
13 (2) a pharmacy, medical facility, drug manufacturer, or
14 wholesale drug distributor, if the donated drugs have not been
15 previously dispensed.

16 (b) A cancer drug is eligible for donation under the cancer
17 drug repository program only if the following requirements are
18 met:

20 donor form described under paragraph (d) that is signed by the
21 person making the donation or that person's authorized
22 representative;

23 (2) the drug's expiration date is at least six months later
24 than the date that the drug was donated;

25 (3) the drug is in its original, unopened, tamper-evident
26 unit dose packaging that includes the drug's lot number and
27 expiration date. Single-unit dose drugs may be accepted if the
28 single-unit-dose packaging is unopened; and

29 (4) the drug is not adulterated or misbranded.

30 (c) Cancer supplies are eligible for donation under the
31 cancer drug repository program only if the following
32 requirements are met:

33 (1) the supplies are not adulterated or misbranded;

34 (2) the supplies are in their original, unopened, sealed
35 packaging; and

36 (3) the donation is accompanied by a cancer drug repository

1 donor form described under paragraph (d) that is signed by the
2 person making the donation or that person's authorized
3 representative.

4 (d) The cancer drug repository donor form must be provided
5 by the board and shall state that to the best of the donor's
6 knowledge the donated drug or supply has been properly stored
7 and that the drug or supply has never been opened, used,
8 tampered with, adulterated, or misbranded. The board shall make
9 the cancer drug repository donor form available on the
10 Department of Health's Web site.

12 not meet the criteria under this subdivision are not eligible
13 for donation or acceptance under the cancer drug repository
14 program.

15 (f) Drugs and supplies may be donated on the premises of a
16 cancer drug repository to a pharmacist designated by the
17 repository. A drop box may not be used to deliver or accept
18 donations.

19 (g) Cancer drugs and supplies donated under the cancer drug
20 repository program must be stored in a secure storage area under
21 environmental conditions appropriate for the drugs or supplies
22 being stored. Donated drugs and supplies may not be stored with
23 nondonated inventory.

24 Subd. 6. [DISPENSING REQUIREMENTS.] (a) Drugs and supplies
25 must be dispensed by a licensed pharmacist pursuant to a
26 prescription by a practitioner or may be dispensed or
27 administered by a practitioner according to the requirements of
28 chapter 151 and within the practitioner's scope of practice.

29 (b) Cancer drugs and supplies shall be visually inspected
30 by the pharmacist or practitioner before being dispensed or
31 administered for adulteration, misbranding, and date of
32 expiration. Drugs or supplies that have expired or appear upon
33 visual inspection to be adulterated, misbranded, or tampered
34 with in any way may not be dispensed or administered.

35 (c) Before a cancer drug or supply may be dispensed or
36 administered to an individual, the individual must sign a cancer

1 drug repository recipient form provided by the board
2 acknowledging that the individual understands the information
3 stated on the form. The form shall include the following
4 information:

5 (1) that the drug or supply being dispensed or administered
6 has been donated and may have been previously dispensed;

7 (2) that a visual inspection has been conducted by the
8 pharmacist or practitioner to ensure that the drug has not
9 expired, has not been adulterated or misbranded, and is in its
10 original, unopened packaging; and

11 (3) that the dispensing pharmacist, the dispensing or
12 administering practitioner, the cancer drug repository, the
13 state Department of Health, and any other participant of the
14 cancer drug repository program cannot guarantee the safety of
15 the drug or supply being dispensed or administered and that the
16 pharmacist or practitioner has determined that the drug or
17 supply is safe to dispense or administer based on the accuracy
18 of the donor's form submitted with the donated drug or supply
19 and the visual inspection required to be performed by the
20 pharmacist or practitioner before dispensing or administering.
21 The board shall make the cancer drug repository form available
22 on the Department of Health's Web site.

23 (d) Drugs and supplies shall only be dispensed or
24 administered to individuals who meet the eligibility
25 requirements in subdivision 4 and in the following order of
26 priority:

27 (1) individuals who are uninsured;

28 (2) individuals who are enrolled in medical assistance,
29 general assistance medical care, MinnesotaCare, Medicare, or
30 other public assistance health care; and

31 (3) all other individuals who are otherwise eligible under
32 subdivision 4 to receive drugs or supplies from a cancer drug
33 repository.

34 Subd. 7. [HANDLING FEES.] A cancer drug repository may
35 charge the individual receiving a drug or supply a handling fee
36 of no more than 250 percent of the medical assistance program

1 dispensing fee for each cancer drug or supply dispensed or
2 administered.

3 Subd. 8. [DISTRIBUTION OF DONATED CANCER DRUGS AND
4 SUPPLIES.] (a) Cancer drug repositories may distribute drugs and
5 supplies donated under the cancer drug repository program to
6 other repositories if requested by a participating repository.

7 (b) A cancer drug repository that has elected not to
8 dispense donated drugs or supplies shall distribute any donated
9 drugs and supplies to a participating repository upon request of
10 the repository.

11 (c) If a cancer drug repository distributes drugs or
12 supplies under paragraph (a) or (b), the repository shall
13 complete a cancer drug repository donor form provided by the
14 board. The completed form and a copy of the donor form that was
15 completed by the original donor under subdivision 5 shall be
16 provided to the fully participating cancer drug repository at
17 the time of distribution.

18 Subd. 9. [RESALE OF DONATED DRUGS OR SUPPLIES.] Donated
19 drugs and supplies may not be resold.

20 Subd. 10. [RECORD-KEEPING REQUIREMENTS.] (a) Cancer drug
21 repository donor and recipient forms shall be maintained for at
22 least five years.

23 (b) A record of destruction of donated drugs and supplies
24 that are not dispensed under subdivision 6 shall be maintained
25 by the dispensing repository for at least five years. For each
26 drug or supply destroyed, the record shall include the following
27 information:

28 (1) the date of destruction;

29 (2) the name, strength, and quantity of the cancer drug
30 destroyed;

31 (3) the name of the person or firm that destroyed the drug;
32 and

33 (4) the source of the drugs or supplies destroyed.

34 Subd. 11. [LIABILITY.] A medical facility or pharmacy
35 participating in the program, a pharmacist dispensing a drug or
36 supply pursuant to the program, a practitioner dispensing or

1 administering a drug or supply pursuant to the program, or the
2 donor of a cancer drug or supply is immune from civil liability
3 for an act or omission relating to the quality of a cancer drug
4 or supply that causes injury to or the death of an individual to
5 whom the cancer drug or supply is dispensed or administered and
6 no disciplinary action shall be taken against a pharmacist or
7 practitioner so long as the drug or supply is donated, accepted,
8 distributed, and dispensed or administered according to the
9 requirements of this section. This immunity does not apply if
10 the act or omission involves reckless, wanton, or intentional
11 misconduct or malpractice unrelated to the quality of the
12 donated cancer drug or supply.

13 Sec. 3. Minnesota Statutes 2004, section 241.01, is
14 amended by adding a subdivision to read:

15 Subd. 10. [PURCHASING FOR PRESCRIPTION DRUGS.] In
16 accordance with section 241.021, subdivision 4, the commissioner
17 may contract with a separate entity to purchase prescription
18 drugs for persons confined in institutions under the control of
19 the commissioner. Local governments may participate in this
20 purchasing pool in order to purchase prescription drugs for
21 those persons confined in local correctional facilities in which
22 the local government has responsibility for providing health
23 care. If any county participates, the commissioner shall
24 appoint a county representative to any committee convened by the
25 commissioner for the purpose of establishing a drug formulary to
26 be used for state and local correctional facilities.

27 Sec. 4. Minnesota Statutes 2004, section 256.741,
28 subdivision 4, is amended to read:

29 Subd. 4. [EFFECT OF ASSIGNMENT.] Assignments in this
30 section take effect upon a determination that the applicant is
31 eligible for public assistance. The amount of support assigned
32 under this subdivision may not exceed the total amount of public
33 assistance issued or the total support obligation, whichever is
34 less. Child care support collections made according to an
35 assignment under subdivision 2, paragraph (c), must be
36 deposited, subject to any limitations of federal law, by-the

1 commissioner-of-human-services-in-the-child-support-collection
2 account-in-the-special-revenue-fund-and-appropriated-to-the
3 commissioner-of-education-for-child-care-assistance-under
4 section-119B.03.--These-collections-are-in-addition-to-state-and
5 federal-funds-appropriated-to-the-child-care in the general fund.

6 Sec. 5. [256.957] [HEALTH CARE QUALITY IMPROVEMENT
7 ACCOUNT.]

8 A health care quality improvement account is established in
9 the general fund.

10 Sec. 6. Minnesota Statutes 2004, section 256B.0625,
11 subdivision 13e, is amended to read:

12 Subd. 13e. [PAYMENT RATES.] (a) The basis for determining
13 the amount of payment shall be the lower of the actual
14 acquisition costs of the drugs plus a fixed dispensing fee; the
15 maximum allowable cost set by the federal government or by the
16 commissioner plus the fixed dispensing fee; or the usual and
17 customary price charged to the public. The amount of payment
18 basis must be reduced to reflect all discount amounts applied to
19 the charge by any provider/insurer agreement or contract for
20 submitted charges to medical assistance programs. The net
21 submitted charge may not be greater than the patient liability
22 for the service. The pharmacy dispensing fee shall be \$3.65,
23 except that the dispensing fee for intravenous solutions which
24 must be compounded by the pharmacist shall be \$8 per bag, \$14
25 per bag for cancer chemotherapy products, and \$30 per bag for
26 total parenteral nutritional products dispensed in one liter
27 quantities, or \$44 per bag for total parenteral nutritional
28 products dispensed in quantities greater than one liter. Actual
29 acquisition cost includes quantity and other special discounts
30 except time and cash discounts. The actual acquisition cost of
31 a drug shall be estimated by the commissioner, at average
32 wholesale price minus 11.5 percent, except that where a drug has
33 had its wholesale price reduced as a result of the actions of
34 the National Association of Medicaid Fraud Control Units, the
35 estimated actual acquisition cost shall be the reduced average
36 wholesale price, without the 11.5 percent deduction. The

1 maximum allowable cost of a multisource drug may be set by the
2 commissioner and it shall be comparable to, but no higher than,
3 the maximum amount paid by other third-party payors in this
4 state who have maximum allowable cost programs. Establishment
5 of the amount of payment for drugs shall not be subject to the
6 requirements of the Administrative Procedure Act.

7 (b) An additional dispensing fee of \$.30 may be added to
8 the dispensing fee paid to pharmacists for legend drug
9 prescriptions dispensed to residents of long-term care
10 facilities when a unit dose blister card system, approved by the
11 department, is used. Under this type of dispensing system, the
12 pharmacist must dispense a 30-day supply of drug. The National
13 Drug Code (NDC) from the drug container used to fill the blister
14 card must be identified on the claim to the department. The
15 unit dose blister card containing the drug must meet the
16 packaging standards set forth in Minnesota Rules, part
17 6800.2700, that govern the return of unused drugs to the
18 pharmacy for reuse. The pharmacy provider will be required to
19 credit the department for the actual acquisition cost of all
20 unused drugs that are eligible for reuse. Over-the-counter
21 medications must be dispensed in the manufacturer's unopened
22 package. The commissioner may permit the drug clozapine to be
23 dispensed in a quantity that is less than a 30-day supply.

24 (c) Whenever a generically equivalent product is available,
25 payment shall be on the basis of the actual acquisition cost of
26 the generic drug, or on the maximum allowable cost established
27 by the commissioner.

28 (d) The basis for determining the amount of payment for
29 drugs administered in an outpatient setting shall be the lower
30 of the usual and customary cost submitted by the provider, the
31 average wholesale price minus five percent, or the maximum
32 allowable cost set by the federal government under United States
33 Code, title 42, chapter 7, section 1396r-8(e), and Code of
34 Federal Regulations, title 42, section 447.332, or by the
35 commissioner under paragraphs (a) to (c).

36 (e) The commissioner may consider the prices reported under

1 section 151.52, when determining reimbursement payments under
2 this subdivision.

3 Sec. 7. Minnesota Statutes 2004, section 295.582, is
4 amended to read:

5 295.582 [AUTHORITY.]

6 Subdivision 1. [WHOLESALE DRUG DISTRIBUTOR TAX.] (a) A
7 hospital, surgical center, or health care provider that is
8 subject to a tax under section 295.52, or a pharmacy that has
9 paid additional expense transferred under this section by a
10 wholesale drug distributor, may transfer additional expense
11 generated by section 295.52 obligations on to all third-party
12 contracts for the purchase of health care services on behalf of
13 a patient or consumer. Nothing shall prohibit a pharmacy from
14 transferring the additional expense generated under section
15 295.52 to a pharmacy benefits manager. The additional expense
16 transferred to the third-party purchaser or a pharmacy benefits
17 manager must not exceed the tax percentage specified in section
18 295.52 multiplied against the gross revenues received under the
19 third-party contract, and the tax percentage specified in
20 section 295.52 multiplied against co-payments and deductibles
21 paid by the individual patient or consumer. The expense must
22 not be generated on revenues derived from payments that are
23 excluded from the tax under section 295.53. All third-party
24 purchasers of health care services including, but not limited
25 to, third-party purchasers regulated under chapter 60A, 62A,
26 62C, 62D, 62H, 62N, 64B, 65A, 65B, 79, or 79A, or under section
27 471.61 or 471.617, and pharmacy benefits managers must pay the
28 transferred expense in addition to any payments due under
29 existing contracts with the hospital, surgical center, pharmacy,
30 or health care provider, to the extent allowed under federal
31 law. A third-party purchaser of health care services includes,
32 but is not limited to, a health carrier or community integrated
33 service network that pays for health care services on behalf of
34 patients or that reimburses, indemnifies, compensates, or
35 otherwise insures patients for health care services. For
36 purposes of this section, a pharmacy benefits manager means an

1 entity that performs pharmacy benefits management. A
2 third-party purchaser or pharmacy benefits manager shall comply
3 with this section regardless of whether the third-party
4 purchaser or pharmacy benefits manager is a for-profit,
5 not-for-profit, or nonprofit entity. A wholesale drug
6 distributor may transfer additional expense generated by section
7 295.52 obligations to entities that purchase from the
8 wholesaler, and the entities must pay the additional expense.
9 Nothing in this section limits the ability of a hospital,
10 surgical center, pharmacy, wholesale drug distributor, or health
11 care provider to recover all or part of the section 295.52
12 obligation by other methods, including increasing fees or
13 charges.

14 (b) Each third-party purchaser regulated under any chapter
15 cited in paragraph (a) shall include with its annual renewal for
16 certification of authority or licensure documentation indicating
17 compliance with paragraph (a).

18 (c) Any hospital, surgical center, or health care provider
19 subject to a tax under section 295.52 or a pharmacy that has
20 paid additional expense transferred under this section by a
21 wholesale drug distributor may file a complaint with the
22 commissioner responsible for regulating the third-party
23 purchaser if at any time the third-party purchaser fails to
24 comply with paragraph (a).

25 (d) If the commissioner responsible for regulating the
26 third-party purchaser finds at any time that the third-party
27 purchaser has not complied with paragraph (a), the commissioner
28 may take enforcement action against a third-party purchaser
29 which is subject to the commissioner's regulatory jurisdiction
30 and which does not allow a hospital, surgical center, pharmacy,
31 or provider to pass-through the tax. The commissioner may by
32 order fine or censure the third-party purchaser or revoke or
33 suspend the certificate of authority or license of the
34 third-party purchaser to do business in this state if the
35 commissioner finds that the third-party purchaser has not
36 complied with this section. The third-party purchaser may

1 appeal the commissioner's order through a contested case hearing
2 in accordance with chapter 14.

3 Subd. 2. [AGREEMENT.] A contracting agreement between a
4 third-party purchaser or a pharmacy benefits manager and a
5 resident or nonresident pharmacy registered under chapter 151,
6 may not prohibit:

7 (1) a pharmacy that has paid additional expense transferred
8 under this section by a wholesale drug distributor from
9 exercising its option under this section to transfer such
10 additional expenses generated by the section 295.52 obligations
11 on to the third-party purchaser or pharmacy benefits manager; or

12 (2) a pharmacy that is subject to tax under section 295.52,
13 subdivision 4, from exercising its option under this section to
14 recover all or part of the section 295.52 obligations from the
15 third-party purchaser or a pharmacy benefits manager.

16 Sec. 8. Minnesota Statutes 2004, section 641.15,
17 subdivision 2, is amended to read:

18 Subd. 2. [MEDICAL AID.] Except as provided in section
19 466.101, the county board shall pay the costs of medical
20 services provided to prisoners. The amount paid by the Anoka
21 ~~county-board~~ and Dakota County boards for a medical service
22 shall not exceed the maximum allowed medical assistance payment
23 rate for the service, as determined by the commissioner of human
24 services. The county is entitled to reimbursement from the
25 prisoner for payment of medical bills to the extent that the
26 prisoner to whom the medical aid was provided has the ability to
27 pay the bills. The prisoner shall, at a minimum, incur
28 co-payment obligations for health care services provided by a
29 county correctional facility. The county board shall determine
30 the co-payment amount. Notwithstanding any law to the contrary,
31 the co-payment shall be deducted from any of the prisoner's
32 funds held by the county, to the extent possible. If there is a
33 disagreement between the county and a prisoner concerning the
34 prisoner's ability to pay, the court with jurisdiction over the
35 defendant shall determine the extent, if any, of the prisoner's
36 ability to pay for the medical services. If a prisoner is

1 covered by health or medical insurance or other health plan when
2 medical services are provided, the county providing the medical
3 services has a right of subrogation to be reimbursed by the
4 insurance carrier for all sums spent by it for medical services
5 to the prisoner that are covered by the policy of insurance or
6 health plan, in accordance with the benefits, limitations,
7 exclusions, provider restrictions, and other provisions of the
8 policy or health plan. The county may maintain an action to
9 enforce this subrogation right. The county does not have a
10 right of subrogation against the medical assistance program or
11 the general assistance medical care program.

12 Sec. 9. [LANGUAGE INTERPRETER SERVICES STUDY.]

13 The commissioner of commerce, in consultation with the
14 commissioners of health, human services, and employee relations,
15 and representatives of health plan companies, health care
16 providers, and limited-English-speaking communities, and
17 communities that communicate through sign language shall study
18 and make recommendations on providing language interpreter
19 services to limited-English-speaking patients and patients who
20 communicate through sign language in order to facilitate the
21 provision of health care services by health care providers and
22 health care facilities. The recommendations shall include:

23 (1) ways to address the needed availability of professional
24 interpreter services;

25 (2) an accreditation system for language interpreters,
26 including appropriate standards for education, training, and
27 credentialing; and

28 (3) criteria for determining financial responsibility for
29 providing interpreter services to patients, including the
30 responsible parties for arranging interpreter services and for
31 reimbursement for these services.

32 The commissioner of commerce shall submit these
33 recommendations to the legislature by January 15, 2006.

34 Sec. 10. [REBATE REVENUE RECAPTURE.]

35 Any money received by the state from a drug manufacturer
36 due to errors in the pharmaceutical pricing used by the

1 manufacturer in determining the prescription drug rebate shall
2 be deposited in the health care quality improvement account
3 established in Minnesota Statutes, section 256.957.

4 Sec. 11. [REPEALER.]

5 Minnesota Statutes 2004, section 119B.074, is repealed.

(3) \$6 for nonemergency visits to a hospital-based emergency room; and

(4) \$3 per brand-name drug prescription and \$1 per generic drug prescription, subject to a \$20 per month maximum for prescription drug co-payments. No co-payments shall apply to antipsychotic drugs when used for the treatment of mental illness.

(b) Recipients of medical assistance are responsible for all co-payments in this subdivision.

Subd. 2. Exceptions. Co-payments shall be subject to the following exceptions:

(1) children under the age of 21;

(2) pregnant women for services that relate to the pregnancy or any other medical condition that may complicate the pregnancy;

(3) recipients expected to reside for at least 30 days in a hospital, nursing home, or intermediate care facility for the mentally retarded;

(4) recipients receiving hospice care;

(5) 100 percent federally funded services provided by an Indian health service;

(6) emergency services;

(7) family planning services;

(8) services that are paid by Medicare, resulting in the medical assistance program paying for the coinsurance and deductible; and

(9) co-payments that exceed one per day per provider for nonpreventive visits, eyeglasses, and nonemergency visits to a hospital-based emergency room.

Subd. 3. Collection. The medical assistance reimbursement to the provider shall be reduced by the amount of

the co-payment, except that reimbursement for prescription drugs shall not be reduced once a recipient has reached the \$20 per month maximum for prescription drug co-payments. The provider collects the co-payment from the recipient. Providers may not deny services to recipients who are unable to pay the co-payment, except as provided in subdivision 4.

Subd. 4. **Uncollected debt.** If it is the routine business practice of a provider to refuse service to an individual with uncollected debt, the provider may include uncollected co-payments under this section. A provider must give advance notice to a recipient with uncollected debt before services can be denied.

256B.69 PREPAYMENT DEMONSTRATION PROJECT.

Subd. 5a. **Managed care contracts.** (a) Managed care contracts under this section and sections 256L.12 and 256D.03, shall be entered into or renewed on a calendar year basis beginning January 1, 1996. Managed care contracts which were in effect on June 30, 1995, and set to renew on July 1, 1995, shall be renewed for the period July 1, 1995 through December 31, 1995 at the same terms that were in effect on June 30, 1995. The commissioner may issue separate contracts with requirements specific to services to medical assistance recipients age 65 and older.

(b) A prepaid health plan providing covered health services for eligible persons pursuant to chapters 256B, 256D, and 256L, is responsible for complying with the terms of its contract with the commissioner. Requirements applicable to managed care programs under chapters 256B, 256D, and 256L, established after the effective date of a contract with the commissioner take effect when the contract is next issued or renewed.

(c) Effective for services rendered on or after January 1, 2003, the commissioner shall withhold five percent of managed care plan payments under this section for the prepaid medical assistance and general assistance medical care programs pending completion of performance targets. Each performance target must be quantifiable, objective, measurable, and reasonably attainable, except in the case of a performance target based on a federal or state law or rule. Criteria for assessment of each performance target must be outlined in writing prior to the contract effective date. The withheld funds must be returned no sooner than July of the following year if performance targets in the contract are achieved. The commissioner may exclude special demonstration projects under subdivision 23. A managed care plan or a county-based purchasing plan under section 256B.692 may include as admitted assets under section 62D.044 any amount withheld under this paragraph that is reasonably expected to be returned.

256J.37 TREATMENT OF INCOME AND LUMP SUMS.

Subd. 3a. **Rental subsidies; unearned income.** (a) Effective July 1, 2003, the county agency shall count \$50 of the value of public and assisted rental subsidies provided through the Department of Housing and Urban Development (HUD) as unearned income to the cash portion of the MFIP grant. The full amount of the subsidy must be counted as unearned income when the subsidy is less than \$50. The income from this subsidy shall be budgeted according to section 256J.34.

(b) The provisions of this subdivision shall not apply to an MFIP assistance unit which includes a participant who is:

- (1) age 60 or older;

APPENDIX
Repealed Minnesota Statutes for 05-4117

(2) a caregiver who is suffering from an illness, injury, or incapacity that has been certified by a qualified professional when the illness, injury, or incapacity is expected to continue for more than 30 days and prevents the person from obtaining or retaining employment; or

(3) a caregiver whose presence in the home is required due to the illness or incapacity of another member in the assistance unit, a relative in the household, or a foster child in the household when the illness or incapacity and the need for the participant's presence in the home has been certified by a qualified professional and is expected to continue for more than 30 days.

(c) The provisions of this subdivision shall not apply to an MFIP assistance unit where the parental caregiver is an SSI recipient.

(d) Prior to implementing this provision, the commissioner must identify the MFIP participants subject to this provision and provide written notice to these participants at least 30 days before the first grant reduction. The notice must inform the participant of the basis for the potential grant reduction, the exceptions to the provision, if any, and inform the participant of the steps necessary to claim an exception. A person who is found not to meet one of the exceptions to the provision must be notified and informed of the right to a fair hearing under section 256J.40. The notice must also inform the participant that the participant may be eligible for a rent reduction resulting from a reduction in the MFIP grant and encourage the participant to contact the local housing authority.

Subd. 3b. **Treatment of supplemental security income.** Effective July 1, 2003, the county shall reduce the cash portion of the MFIP grant by \$125 per SSI recipient who resides in the household, and who would otherwise be included in the MFIP assistance unit under section 256J.24, subdivision 2, but is excluded solely due to the SSI recipient status under section 256J.24, subdivision 3, paragraph (a), clause (1). If the SSI recipient receives less than \$125 of SSI, only the amount received shall be used in calculating the MFIP cash assistance payment. This provision does not apply to relative caregivers who could elect to be included in the MFIP assistance unit under section 256J.24, subdivision 4, unless the caregiver's children or stepchildren are included in the MFIP assistance unit.

256L.035 LIMITED BENEFITS COVERAGE FOR CERTAIN SINGLE ADULTS AND HOUSEHOLDS WITHOUT CHILDREN.

(a) "Covered health services" for individuals under section 256L.04, subdivision 7, with income above 75 percent, but not exceeding 175 percent, of the federal poverty guideline means:

(1) inpatient hospitalization benefits with a ten percent co-payment up to \$1,000 and subject to an annual limitation of \$10,000;

(2) physician services provided during an inpatient stay; and

(3) physician services not provided during an inpatient stay, outpatient hospital services, freestanding ambulatory surgical center services, chiropractic services, lab and diagnostic services, and prescription drugs, subject to an aggregate cap of \$2,000 per calendar year and the following co-payments:

(i) \$50 co-pay per emergency room visit;

(ii) \$3 co-pay per prescription drug; and

APPENDIX
Repealed Minnesota Statutes for 05-4117

(iii) \$5 co-pay per nonpreventive physician visit.

For purposes of this subdivision, "a visit" means an episode of service which is required because of a recipient's symptoms, diagnosis, or established illness, and which is delivered in an ambulatory setting by a physician or physician ancillary.

Enrollees are responsible for all co-payments in this subdivision.

(b) The November 2006 MinnesotaCare forecast for the biennium beginning July 1, 2007, shall assume an adjustment in the aggregate cap on the services identified in paragraph (a), clause (3), in \$1,000 increments up to a maximum of \$10,000, but not less than \$2,000, to the extent that the balance in the health care access fund is sufficient in each year of the biennium to pay for this benefit level. The aggregate cap shall be adjusted according to the forecast.

(c) Reimbursement to the providers shall be reduced by the amount of the co-payment, except that reimbursement for prescription drugs shall not be reduced once a recipient has reached the \$20 per month maximum for prescription drug co-payments. The provider collects the co-payment from the recipient. Providers may not deny services to recipients who are unable to pay the co-payment, except as provided in paragraph (d).

(d) If it is the routine business practice of a provider to refuse service to an individual with uncollected debt, the provider may include uncollected co-payments under this section. A provider must give advance notice to a recipient with uncollected debt before services can be denied.

326.45 STATE LICENSE; EXAMINATION; APPLICATION.

The provisions of sections 326.37 to 326.45 which require state licenses to engage in the work or business of plumbing, and the provisions which provide for the examination of applicants for such licenses, shall only apply in cities having a population of 5,000 or more.

APPENDIX

514.992 ALTERNATIVE CARE LIEN.

Subdivision 1. Property subject to lien; lien amount.

(a) Subject to sections 514.991 to 514.995, payments made by an alternative care agency to provide benefits to a recipient or to the recipient's spouse who owns property in this state constitute a lien in favor of the agency on all real property the recipient owns at and after the time the benefits are first paid.

(b) The amount of the lien is limited to benefits paid for services provided to recipients over 55 years of age and provided on and after July 1, 2003.

Subd. 2. Attachment. (a) A lien attaches to and becomes enforceable against specific real property as of the date when all of the following conditions are met:

- (1) the agency has paid benefits for a recipient;
- (2) the recipient has been given notice and an opportunity for a hearing under paragraph (b);
- (3) the lien has been filed as provided for in section 514.993 or memorialized on the certificate of title for the property it describes; and
- (4) all restrictions against enforcement have ceased to apply.

(b) An agency may not file a lien until it has sent the recipient, their authorized representative, or their legal representative written notice of its lien rights by certified mail, return receipt requested, or registered mail and there has been an opportunity for a hearing under section 256.045. No person other than the recipient shall have a right to a hearing under section 256.045 prior to the time the lien is filed. The hearing shall be limited to whether the agency has met all of the prerequisites for filing the lien and whether any of the exceptions in this section apply.

(c) An agency may not file a lien against the recipient's homestead when any of the following exceptions apply:

- (1) while the recipient's spouse is also physically present and lawfully and continuously residing in the homestead;
- (2) a child of the recipient who is under age 21 or who is blind or totally and permanently disabled according to supplemental security income criteria is also physically present on the property and lawfully and continuously residing on the property from and after the date the recipient first receives benefits;
- (3) a child of the recipient who has also lawfully and continuously resided on the property for a period beginning at least two years before the first day of the month in which the recipient began receiving alternative care, and who provided uncompensated care to the recipient which enabled the recipient to live without alternative care services for the two-year period;
- (4) a sibling of the recipient who has an ownership interest in the property of record in the office of the county recorder or registrar of titles for the county in which the real property is located and who has also continuously occupied the homestead for a period of at least one year immediately prior to the first day of the first month in which the recipient received benefits and continuously since that date.

(d) A lien only applies to the real property it describes.

Subd. 3. Continuation of lien. A lien remains effective from the time it is filed until it is paid, satisfied,

APPENDIX
Repealed Minnesota Statutes for 05-4117

discharged, or becomes unenforceable under sections 514.991 to 514.995.

Subd. 4. **Priority of lien.** (a) A lien which attaches to the real property it describes is subject to the rights of anyone else whose interest in the real property is perfected of record before the lien has been recorded or filed under section 514.993, including:

(1) an owner, other than the recipient or the recipient's spouse;

(2) a good faith purchaser for value without notice of the lien;

(3) a holder of a mortgage or security interest; or

(4) a judgment lien creditor whose judgment lien has attached to the recipient's interest in the real property.

(b) The rights of the other person have the same protections against an alternative care lien as are afforded against a judgment lien that arises out of an unsecured obligation and arises as of the time of the filing of an alternative care grant lien under section 514.993. The lien shall be inferior to a lien for property taxes and special assessments and shall be superior to all other matters first appearing of record after the time and date the lien is filed or recorded.

Subd. 5. **Settlement, subordination, and release.** (a) An agency may, with absolute discretion, settle or subordinate the lien to any other lien or encumbrance of record upon the terms and conditions it deems appropriate.

(b) The agency filing the lien shall release and discharge the lien:

(1) if it has been paid, discharged, or satisfied;

(2) if it has received reimbursement for the amounts secured by the lien, has entered into a binding and legally enforceable agreement under which it is reimbursed for the amount of the lien, or receives other collateral sufficient to secure payment of the lien;

(3) against some, but not all, of the property it describes upon the terms, conditions, and circumstances the agency deems appropriate;

(4) to the extent it cannot be lawfully enforced against the property it describes because of an error, omission, or other material defect in the legal description contained in the lien or a necessary prerequisite to enforcement of the lien; and

(5) if, in its discretion, it determines the filing or enforcement of the lien is contrary to the public interest.

(c) The agency executing the lien shall execute and file the release as provided for in section 514.993, subdivision 2.

Subd. 6. **Length of lien.** (a) A lien shall be a lien on the real property it describes for a period of ten years from the date it attaches according to subdivision 2, paragraph (a), except as otherwise provided for in sections 514.992 to 514.995. The agency filing the lien may renew the lien for one additional ten-year period from the date it would otherwise expire by recording or filing a certificate of renewal before the lien expires. The certificate of renewal shall be recorded or filed in the office of the county recorder or registrar of titles for the county in which the lien is recorded or filed. The certificate must refer to the recording or filing data for the lien it renews. The certificate need not be attested, certified, or acknowledged as a condition for recording or

APPENDIX
Repealed Minnesota Statutes for 05-4117

enforceable as provided for in sections 514.991 to 514.995 notwithstanding any laws limiting the enforceability of judgments.

Subd. 2. **Homestead exemption.** The lien may not be enforced against the homestead property of the recipient or the spouse while they physically occupy it as their lawful residence.

Subd. 3. **Agency claim or remedy.** Sections 514.992 to 514.995 do not limit the agency's right to file a claim against the recipient's estate or the estate of the recipient's spouse, do not limit any other claims for reimbursement the agency may have, and do not limit the availability of any other remedy to the agency.

514.995 AMOUNTS RECEIVED TO SATISFY LIEN.

Amounts the agency receives to satisfy the lien must be deposited in the state treasury and credited to the fund from which the benefits were paid.

13 applying for, receiving or having received public assistance,
14 medical care, or a program of social services granted by the
15 state agency or a county agency or the federal Food Stamp Act
16 whose application for assistance is denied, not acted upon with

31 law; (7) an applicant aggrieved by an adverse decision to an
32 application for a hardship waiver under section 256B.15; (8) an
33 applicant aggrieved by an adverse decision to an application or
4 redetermination for a Medicare Part D prescription drug subsidy
35 under section 256B.04, subdivision 4a; (9) except as provided
36 under chapter 245A, an individual or facility determined to have

1 maltreated a minor under section 626.556, after the individual
2 or facility has exercised the right to administrative
3 reconsideration under section 626.556; or ~~(9)~~ (10) except as
4 provided under chapter 245C, an individual disqualified under
5 sections 245C.14 and 245C.15, on the basis of serious or
6 recurring maltreatment; a preponderance of the evidence that the
7 individual has committed an act or acts that meet the definition
8 of any of the crimes listed in section 245C.15, subdivisions 1
9 to 4; or for failing to make reports required under section
10 626.556, subdivision 3, or 626.557, subdivision 3. Hearings
11 regarding a maltreatment determination under clause (4)
12 or ~~(8)~~ (9) and a disqualification under this clause in which the
13 basis for a disqualification is serious or recurring
14 maltreatment, which has not been set aside under sections
15 245C.22 and 245C.23, shall be consolidated into a single fair
16 hearing. In such cases, the scope of review by the human
17 services referee shall include both the maltreatment
18 determination and the disqualification. The failure to exercise
19 the right to an administrative reconsideration shall not be a
20 bar to a hearing under this section if federal law provides an
21 individual the right to a hearing to dispute a finding of
22 maltreatment. Individuals and organizations specified in this
23 section may contest the specified action, decision, or final
24 disposition before the state agency by submitting a written
25 request for a hearing to the state agency within 30 days after
26 receiving written notice of the action, decision, or final
27 disposition, or within 90 days of such written notice if the
28 applicant, recipient, patient, or relative shows good cause why
29 the request was not submitted within the 30-day time limit.

30 The hearing for an individual or facility under clause (4),
31 ~~(8)~~ (9), or ~~(9)~~ (10) is the only administrative appeal to the
32 final agency determination specifically, including a challenge
33 to the accuracy and completeness of data under section 13.04.
34 Hearings requested under clause (4) apply only to incidents of
35 maltreatment that occur on or after October 1, 1995. Hearings
36 requested by nursing assistants in nursing homes alleged to have

1 maltreated a resident prior to October 1, 1995, shall be held as
2 a contested case proceeding under the provisions of chapter 14.
3 Hearings requested under clause ~~(8)~~ (9) apply only to incidents
4 of maltreatment that occur on or after July 1, 1997. A hearing
5 for an individual or facility under clause ~~(8)~~ (9) is only
6 available when there is no juvenile court or adult criminal
7 action pending. If such action is filed in either court while
8 an administrative review is pending, the administrative review
9 must be suspended until the judicial actions are completed. If
10 the juvenile court action or criminal charge is dismissed or the
11 criminal action overturned, the matter may be considered in an
12 administrative hearing.

13 For purposes of this section, bargaining unit grievance
14 procedures are not an administrative appeal.

15 The scope of hearings involving claims to foster care
16 payments under clause (5) shall be limited to the issue of
17 whether the county is legally responsible for a child's
18 placement under court order or voluntary placement agreement
19 and, if so, the correct amount of foster care payment to be made
20 on the child's behalf and shall not include review of the
21 propriety of the county's child protection determination or
22 child placement decision.

23 (b) A vendor of medical care as defined in section 256B.02,
24 subdivision 7, or a vendor under contract with a county agency
25 to provide social services is not a party and may not request a
26 hearing under this section, except if assisting a recipient as
27 provided in subdivision 4.

28 (c) An applicant or recipient is not entitled to receive
29 social services beyond the services included in the amended
30 community social services plan.

31 (d) The commissioner may summarily affirm the county or
32 state agency's proposed action without a hearing when the sole
33 issue is an automatic change due to a change in state or federal
4 law."
