3 and special sessions.

4 BE IT RESOLVED, by the Committee on Rules and Administration:

7 that year, and compensatory time earned in 2005 need not be used until December 31, 2006.

Senator moves to add a new Senate Policy 3.05 to read as follows:

3.05 Travel Approval and Expenses

Policy

The foundation for all policies and procedures related to legislative travel is public accountability. Travel will be approved for members and staff with strong consideration for the Senate's internal budgetary concerns. We will attempt to balance between the prudent expenditure of public money and the value of travel as a means of improving the Senate and government effectiveness generally, or improving a particular member's or staff person's base of knowledge or area of expertise within the context of their committee assignments and their jobs.

Travel must relate directly to the traveler's position in the Senate, committee assignments, work, and (for staff) job description.

Procedure

Expenses incurred by members and staff when traveling to attend conferences, seminars, committee meetings away from the Capitol, and on other Senate business, will be paid or reimbursed by the Senate if all the following conditions have been met:

Interim Budget Approval. Travel during the interim between annual sessions must be funded in a committee interim work plan approved by the Committee on Rules and Administration.

Travel Request Form. A request to travel must be received by the Rules Committee office at least 30 days before the departure date. Earlier requests, submitted in time to take advantage of airline, hotel, and conference registration discounts, will be preferred. Forms submitted less than 30 days before the departure date will not be approved unless airfare and other costs allow.

The request must be submitted on the appropriate Senate form and must contain the following:

- 1) an itemized list of the types and amounts of expenses for which reimbursement is being requested;
- 2) copies of documentation and informational materials about the conference being attended;
and
- 3) the signatures of the appropriate supervisors and Senators.

A request form submitted without the items listed above will not be approved. *Fill in all related expenses on the request form or it will be returned to you.*

Eligible Expenses. The Senate may pay for conference registration fees, round-trip coach airfare, reasonable transportation between airport and hotel, single-room accommodations, and other expenses covered in the Legislative Plan for Employee Benefits as adopted by the Senate.

Per diem must cover all meals for members.

Air Travel; Hotel Reservations. Airline and hotel reservations must be made by or with the approval of the Secretary of the Senate.

Car Rental. Car rental must be noted on the travel request form and approved before travel. Car rental will not be approved unless it is shown to be an economical alternative. Reimbursement will be limited to official state business.

Registration Fees. Registration fees should be billed to the Secretary of the Senate, if the sponsor will do so.

Prior Approval by Committee Chairs. The travel request must have been approved by the chair of the committee whose members or staff are traveling and by the Chair of the Committee on Rules and Administration before the travel begins.

Reimbursement Request Form. An expense reimbursement form, accompanied by necessary receipts, must be submitted to Fiscal Services no later than 60 days after expenses were incurred.
