Sen. Murphy called the meeting to order at 3:16 pm. He explained that the purpose of the meeting was to discuss the Minneapolis-St. Paul International Airport "2020 Vision" Expansion Plan. He also welcomed Sen. Day, Sen. Senjem, and Sen. Vickerman to the committee. Sen. Murphy also mentioned that Northwest Airlines had been invited to the hearing, but that they had declined the invitation (Handout A). Handouts B, C, D, E, and F from Sen. Murphy were distributed before the hearing began.

Vicki Tigwell, the Chair of the Metropolitan Airports Commission (MAC), testified in support of the Airport Expansion Plan. She stated that delaying the expansion of the MSP Airport would threaten future growth in the Twin Cities.

After her presentation, Ms. Tigwell and Jeff Hamiel, Executive Director of the MAC, answered questions from the committee regarding the MAC's role in the 2020 Expansion Plan.

Next, Mayor R.T. Rybak from the City of Minneapolis testified in opposition to the way NWA and the MAC were handling the Expansion Plan. He argued that too few people were working on a plan that could jeopardize many jobs and many of the state's citizens. Following Mayor Rybak, Duluth Mayor Herb Bergson and Apple Valley Mayor Mary Hamann-Roland both testified in opposition to the quick progress the Expansion Plan had made, and they both called for the MAC and NWA to slow down their plans.

Following their testimony, all three Mayors answered several committee member's questions.

Ted Ludwig, Vice President of the Aircraft Mechanics Fraternal Association Local #33, 8101 34<sup>th</sup> Ave S., Suite 380, Bloomington, MN, 55425, then testified in opposition to the Airport Expansion Plan. He discussed Handouts G and H.

Sen. Murphy adjourned the meeting at 5:40.

Senator Steve Murphy, Chair

Beau Berentson, Committee Secretary
