4.19 renewed annually by the registrant on or before the expiration date.

4.20 Subd. 3. **Application; surety bond.** (a) Each initial or renewal application must contain
4.21 a sworn certification by an owner; officer; director or manager of the applicant, if the
4.22 applicant is not a natural person; or by the applicant if the applicant is a natural person,
4.23 certifying that:

4.24 (1) the applicant has secured a surety bond payable to the state, has been issued a letter
4.25 of credit, or has posted a cash bond in the amount of \$50,000. The security device must be
4.26 in a form satisfactory to the commissioner and must run to the state for the benefit of any
4.27 payee claimant to secure the faithful performance of the obligation of the structured
4.28 settlement purchase company under the law; and

4.29 (2) the applicant shall comply with sections 549.30 to 549.41 when acting as a structured
4.30 settlement purchase company and filing structured settlement transfer proceedings.

4.32 effective concurrently with the registration of the applicant and must remain in effect for

5.1 not less than three years after the expiration or termination of the registration. The surety
5.2 bond, letter of credit, or cash bond must be renewed each year as needed to keep it
5.3 continuously in effect when the registration of the applicant is renewed.

5.4 Subd. 4. **Postjudgment notice.** No later than ten days after a judgment is obtained
5.5 against a structured settlement purchase company by a payee, the structured settlement
5.6 purchase company shall file a notice with the commissioner and, if applicable, the surety
5.7 which issued the surety bond used by the structured settlement purchase company to satisfy
5.8 the requirements under subdivision 3. The notice must contain:

5.9 (1) a copy of the judgment;

5.14 issued a surety bond used by a structured settlement purchase company to satisfy the
5.15 requirements under subdivision 3 must not be affected by a:

5.16 (1) breach of contract, breach of warranty, failure to pay a premium, or other act or
5.17 omission of the structured settlement purchase company; or

5.18 (2) insolvency or bankruptcy of the structured settlement purchase company.

5.20 of competent jurisdiction pursuant to section 549.40 constitutes a qualified order under
5.21 United States Code, title 26, section 5891. If a transferee to which the transfer order applies
5.22 is not registered as a structured settlement purchase company pursuant to this section at the
5.23 time the transfer order is signed, the transfer order does not constitute a qualified order
5.24 under United States Code, title 26, section 5891.

5.25 Subd. 6. **Cancellation or modification.** (a) A surety which issued a surety bond used
5.26 by a structured settlement purchase company to satisfy the requirements under subdivision
5.27 3 and the structured settlement purchase company which obtained the surety bond shall not
5.28 cancel or modify the surety bond during the term for which it is issued unless the surety or
5.29 the structured settlement purchase company provides written notice to the commissioner at
5.30 least 20 days before the effective date of the cancellation or modification.

5.31 (b) If a surety bond used by a structured settlement purchase company to satisfy the
5.32 requirements of subdivision 3 is modified so as to make the surety bond not comply with
5.33 any provision of sections 549.30 to 549.41, or the surety bond is canceled, the registration

6.1 of the structured settlement purchase company automatically expires on the effective date
6.2 of the modification or cancellation unless a new surety bond, letter of credit, or cash bond
6.3 which complies with sections 549.30 to 549.41, is filed with the commissioner on or before
6.4 the effective date of the modification or cancellation.

6.5 (c) A modification or cancellation of a surety bond used by a structured settlement
6.6 purchase company to satisfy the requirements of subdivision 3 does not affect any liability
6.7 of the bonded surety company incurred before the modification or cancellation of the surety
6.8 bond.

6.9 Subd. 7. **Exemptions.** (a) An assignee is not required to register as a structured settlement
6.10 purchase company to acquire structured settlement payment rights or to take security interest
6.11 in structured settlement payment rights that were transferred by the payee to a structured
6.12 settlement purchase company.

6.13 (b) An employee of a structured settlement purchase company, if acting on behalf of the
6.14 structured settlement purchase company in connection with a transfer, is not required to be
6.15 registered.

6.16 Sec. 19. **[549.36] PROHIBITED PRACTICES; PRIVATE RIGHT OF ACTION;**
6.17 **PENALTIES.**

6.18 Subdivision 1. **Prohibited practices.** A transferee or structured settlement purchase
6.19 company and an employee or other representative of a transferee or structured settlement
6.20 purchase company shall not engage in the following actions:

6.21 (1) pursue or complete a transfer with a payee without complying with all applicable
6.22 provisions of sections 549.30 to 549.41;

6.23 (2) refuse or fail to fund a transfer after court approval of the transfer;

6.24 (3) acquire structured settlement payment rights from a payee without complying with
6.25 all applicable provisions of sections 549.30 to 549.41, including obtaining court approval
6.26 of the transfer;

6.27 (4) intentionally file a structured settlement transfer proceeding in any court other than
6.28 the court specified in section 549.40, unless the transferee is required to file in a different
6.29 court by applicable law;

6.30 (5) except as otherwise provided in this paragraph, pay a commission or finder's fee to
6.31 any person for facilitating or arranging a structured settlement transfer with a payee. The

7.1 provisions of this paragraph do not prevent a structured settlement purchase company from
7.2 paying:

7.3 (i) a salary, commission, or other compensation to a person who is an employee of a
7.4 structured settlement purchase company; or

7.5 (ii) routine transfer expenses to third parties, including without limitation court filing
7.6 fees, escrow fees, lien recordation fees, judgment and lien search fees, attorney's fees, and
7.7 other similar fees relating to a transfer;

7.8 (6) intentionally advertise materially false or misleading information regarding the
7.9 products or services of the transferee or structured settlement purchase company;

7.10 (7) attempt to coerce, bribe, or intimidate a payee seeking to transfer structured settlement
7.11 payment rights including providing any gift, loan, extension of credit, advance, or other
7.12 forms of consideration paid to or given to the payee as an inducement to enter a transfer
7.13 agreement;

7.14 (8) attempt to defraud a payee or any party to a structured settlement transfer or any
7.15 interested party in a structured settlement transfer proceeding by means of forgery or false
7.16 identification;

7.17 (9) except as otherwise provided in this clause, intervene in a pending structured
7.18 settlement transfer proceeding if the transferee or structured settlement purchase company
7.19 is not a party to the proceeding or an interested party relative to the proposed transfer which
7.20 is the subject of the pending structured settlement transfer proceeding. The provisions of
7.21 this clause do not prevent a structured settlement purchase company from intervening in a
7.22 pending structured settlement transfer proceeding if the payee has signed a transfer agreement
7.23 with the structured settlement purchase company within 60 days before the filing of the
7.24 pending structured settlement transfer proceeding and the structured settlement purchase
7.25 company which filed the pending structured settlement transfer proceeding violated any
7.26 provision in sections 549.30 to 549.41 in connection with the proposed transfer that is the
7.27 subject of the pending structured settlement transfer proceeding;

7.28 (10) except as otherwise provided in this clause, knowingly contact a payee who has
7.29 signed a transfer agreement and is pursuing a proposed transfer with another structured
7.30 settlement purchase company for the purpose of inducing the payee into cancelling the
7.31 proposed transfer or transfer agreement with the other structured settlement purchase
7.32 company if a structured settlement transfer proceeding has been filed by the other structured
7.33 settlement purchase company and is pending. The provisions of this clause do not apply if

8.1 no hearing has been held in the pending structured settlement transfer proceeding within
8.2 90 days after the filing of the pending structured settlement transfer proceeding;

8.3 (11) fail to dismiss a pending structured settlement transfer proceeding at the request of
8.4 the payee. A dismissal of a structured settlement proceeding after a structured settlement
8.5 purchase company has violated the provisions of this clause does not exempt the structured
8.6 settlement purchase company from any liability under this section;

8.7 (12) instruct a payee to hire or directly refer a payee to seek independent professional
8.8 advice from a specific person, except that a structured settlement purchase company may
8.9 refer a payee to a state or local referral service, bar association, legal aid, or any other entity
8.10 unrelated to the structured settlement purchase company which assists people with locating
8.11 independent professional advice;

8.12 (13) solicit a prospective payee through the conveyance of a document which resembles
8.13 a check or other form of payment;

8.14 (14) contact a payee in violation of section 609.79; or

8.15 (15) provide a transfer agreement or related document that purports to give the transferee
8.16 the first choice or option to purchase any remaining structured settlement payments rights
8.17 belonging to the payee which are not subject to the structured settlement transfer proceeding.

8.18 Subd. 2. **Enforcement; remedies.** (a) A violation of this section is a deceptive practice
8.19 in violation of section 325F.69.

8.20 (b) A payee may file a motion in the district court in which the structured settlement
8.21 transfer proceeding was pending alleging a violation of subdivision 1 and may pursue all
8.22 rights and remedies to which the payee may be entitled pursuant to sections 549.30 to 549.41,
8.23 or any other applicable law.

8.24 (c) A structured settlement purchase company may file a motion in district court in which
8.25 the structured settlement transfer proceeding was pending to enforce subdivision 1, clauses
8.26 (4), (7), and (9) to (11), and may pursue all remedies to which the structured settlement
8.27 purchase company may be entitled pursuant to sections 549.30 to 549.41, or any other
8.28 applicable law.

8.29 (d) If a court finds that a structured settlement purchase company or transferee is in
8.30 violation of subdivision 1, the court may:

8.31 (1) revoke the registration of the structured settlement purchase company;

9.1 (2) suspend the registration of the structured settlement purchase company for a period
9.2 to be determined at the discretion of the court; and

9.3 (3) enjoin the structured settlement purchase company or transferee from filing new
9.4 structured settlement transfer proceedings in this state or otherwise pursuing transfers in
9.5 this state.

9.6 Sec. 20. **[549.37] REQUIRED DISCLOSURES TO PAYEE.**

9.7 Not less than ten days before the date on which a payee signs a transfer agreement, the
9.8 transferee shall provide to the payee a separate disclosure statement, in bold type no smaller
9.9 than 14-point font, setting forth the following:

9.10 (1) the amounts and due dates of the structured settlement payments to be transferred;

9.11 (2) the aggregate amount of such payments;

9.12 (3) the discounted present value of the payments to be transferred, which must be
9.13 identified as the "calculation of current value of the transferred structured settlement payments
9.14 under federal standards for valuing annuities", and the amount of the applicable federal rate
9.15 used in calculating such discounted present value;

9.16 (4) the gross advance amount;

9.17 (5) an itemized list of all applicable transfer expenses, other than attorney's fees and
9.18 related disbursements, payable in connection with the transferee's application for approval
9.19 of the transfer, and the transferee's best estimate of the amount of any such attorney's fees
9.20 and related disbursements;

9.21 (6) the effective annual interest rate, which must be disclosed in a statement in the
9.22 following form: "On the basis of the net amount that you will receive from us and the
9.23 amounts and timing of the structured settlement payments that you are transferring to us,
9.24 you will, in effect be paying interest to us at a rate of percent per year.";

9.25 (7) the net advance amount;

9.26 (8) the amount of any penalties or liquidated damages payable by the payee in the event
9.27 of any breach of the transfer agreement by the payee;

9.28 (9) that the payee has the right to cancel the transfer agreement, without penalty or further
9.29 obligation, until the transfer is approved by the court;

10.1 (10) that the payee has the right to seek and receive independent professional advice
10.2 regarding the proposed transfer and should consider doing so before agreeing to the transfer
10.3 of any structured settlement payment rights; and

10.4 (11) that the payee has the right to seek out and consider additional offers for transferring
10.5 the structured settlement payment rights and should do so.

10.6 **Sec. 21. [549.38] CONDITIONS AND APPROVAL OF TRANSFERS OF**
10.7 **STRUCTURED SETTLEMENT PAYMENT RIGHTS AND STRUCTURED**
10.8 **SETTLEMENT AGREEMENTS.**

10.9 (a) No direct or indirect transfer of structured settlement payment rights shall be effective
10.10 and no structured settlement obligor or annuity issuer shall be required to make any payment
10.11 directly or indirectly to any transferee or assignee of structured settlement payment rights
10.12 unless the transfer has been approved in advance in a final court order based on express
10.13 findings by the court that:

10.14 (1) the transfer is in the best interests of the payee, taking into account the welfare and
10.15 support of the payee's dependents, if any;

10.16 (2) the payee has been advised in writing by the transferee to seek independent
10.17 professional advice regarding the transfer and has either received advice or knowingly
10.18 waived in writing the opportunity to seek and receive advice; and

10.19 (3) the transfer does not contravene any applicable statute or order of any court or other
10.20 governmental authority.

10.21 (b) In determining whether a proposed transfer is in the best interests of the payee, taking
10.22 into the consideration the payee's dependents, if any, the court shall, among other things,
10.23 consider the following:

10.24 (1) the reasonable preference of the payee, in light of the payee's age, mental capacity,
10.25 maturity level, and stated purpose for the transfer;

10.26 (2) if the periodic payments were intended to cover future income loss or future medical
10.27 expenses, whether the payee has means of support aside from the structured settlement to
10.28 meet these obligations;

10.29 (3) whether the offered discount rate is in line with the market rate for similar transfers;

10.30 (4) whether the payee can meet the financial needs of, and obligations to, the payee's
10.31 dependents if the transfer is allowed to proceed, including child support and spousal
10.32 maintenance;

11.1 (5) whether the payee completed previous transactions involving the payee's structured
11.2 settlement payment rights and the timing, size, stated purpose, and actual use of the proceeds;

11.3 (6) the impact of the proposed transfer on current or future eligibility of the payee or
11.4 the payee's dependents for public benefits; and

11.5 (7) any other factors or facts the court determines are relevant and should be considered.

11.6 **Sec. 22. [549.39] EFFECTS OF TRANSFER OF STRUCTURED SETTLEMENT**
11.7 **PAYMENT RIGHTS.**

11.8 Following a transfer of structured settlement payment rights:

11.9 (1) the structured settlement obligor and the annuity issuer may rely on the court order
11.10 approving the transfer in redirecting periodic payments to an assignee or transferee in
11.11 accordance with the order approving the transfer and shall, as to all parties except the
11.12 transferee or an assignee designated by the transferee, be discharged and released from any
11.13 and all liability for the redirected payments and such discharge and release shall not be
11.14 affected by the failure of any party to the transfer to comply with this chapter or with the
11.15 court order approving the transfer;

11.16 (2) the transferee is liable to the structured settlement obligor and the annuity issuer:

11.17 (i) if the transfer contravenes the terms of the structured settlement, for any taxes incurred
11.18 by the structured settlement obligor or annuity issuer as a consequence of the transfer; and

11.19 (ii) for any other liabilities or costs, including reasonable costs and attorneys' fees, arising
11.20 from compliance by the structured settlement obligor or annuity issuer with the court order
11.21 or order of the responsible administrative authority approving the transfer or from the failure
11.22 of any party to the transfer to comply with sections 549.30 to 549.41;

11.23 (3) neither the annuity issuer nor the structured settlement obligor may be required to
11.24 divide any periodic payment between the payee and any transferee or assignee or between
11.25 two or more transferees or assignees; and

11.26 (4) any further transfer of structured settlement payment rights by the payee may be
11.27 made only after compliance with all of the requirements of sections 549.30 to 549.41.

11.28 **Sec. 23. [549.40] PROCEDURE FOR APPROVAL OF TRANSFERS.**

11.29 Subdivision 1. **Application; proof of registration.** An application under sections 549.30
11.30 to 549.41 for approval of a transfer of structured settlement payment rights must be made
11.31 by the transferee. The application must be brought in the district court of the county in which

12.1 the payee is domiciled, except that the application may be brought in the court in this state
12.2 that approved the structured settlement agreement if the structured settlement agreement
12.3 requires the application be brought in that court. At the time an application is made under
12.4 this section for the approval of a transfer of structured settlement payment rights, the
12.5 application of the transferee must include evidence that the transferee is registered to do
12.6 business in this state as a structured settlement purchase company pursuant to section 549.35.

12.7 Subd. 2. **Hearing.** A timely hearing must be held on an application for approval of a
12.8 transfer of structured settlement payment rights. The payee must appear in person at the
12.9 hearing, unless the court determines that good cause exists to excuse the payee from
12.10 appearing in person.

12.11 Subd. 3. **Notice.** Not less than 20 days before the scheduled hearing on any application
12.12 for approval of a transfer of structured settlement payment rights pursuant to sections 549.30
