# **EFFECTIVE DATE.** This section is effective the day following final enactment.

- Sec. 4. Minnesota Statutes 2021 Supplement, section 16A.152, subdivision 2, is amended to read:
- Subd. 2. **Additional revenues; priority.** (a) If on the basis of a forecast of general fund revenues and expenditures, the commissioner of management and budget determines that there will be a positive unrestricted budgetary general fund balance at the close of the biennium, the commissioner of management and budget must allocate money to the following accounts and purposes in priority order:
- 11.11 (1) the cash flow account established in subdivision 1 until that account reaches \$350,000,000;
- 11.13 (2) the budget reserve account established in subdivision 1a until that account reaches \$2,377,399,000 \$2,655,745,000;
  - (3) the amount necessary to increase the aid payment schedule for school district aids and credits payments in section 127A.45 to not more than 90 percent rounded to the nearest tenth of a percent without exceeding the amount available and with any remaining funds deposited in the budget reserve; and
  - (4) the amount necessary to restore all or a portion of the net aid reductions under section 127A.441 and to reduce the property tax revenue recognition shift under section 123B.75, subdivision 5, by the same amount;.
    - (5) the amount necessary to increase the Minnesota 21st century fund by not more than the difference between \$5,000,000 and the sum of the amounts credited and canceled to it in the previous 12 months under Laws 2020, chapter 71, article 1, section 11, until the sum of all transfers under this section and all amounts credited or canceled under Laws 2020, chapter 71, article 1, section 11, equals \$20,000,000; and
    - (6) for a forecast in November only, the amount remaining after the transfer under clause (5) must be used to reduce the percentage of accelerated June liability sales tax payments required under section 289A.20, subdivision 4, paragraph (b), until the percentage equals zero, rounded to the nearest tenth of a percent. By March 15 following the November forecast, the commissioner must provide the commissioner of revenue with the percentage of accelerated June liability owed based on the reduction required by this clause. By April

15 each year, the commissioner of revenue must certify the percentage of June liability owed by vendors based on the reduction required by this clause.

- (b) The amounts necessary to meet the requirements of this section are appropriated from the general fund within two weeks after the forecast is released or, in the case of transfers under paragraph (a), clauses (3) and (4), as necessary to meet the appropriations schedules otherwise established in statute.
- (c) The commissioner of management and budget shall certify the total dollar amount of the reductions under paragraph (a), clauses (3) and (4), to the commissioner of education. The commissioner of education shall increase the aid payment percentage and reduce the property tax shift percentage by these amounts and apply those reductions to the current fiscal year and thereafter.

- The commissioner may sell and issue debt under either or both of sections 16A.98 and section 16A.99, but the net proceeds of bonds issued and sold under those sections together that section must not exceed \$640,000,000 during fiscal years 2012 and 2013.
- Sec. 6. Minnesota Statutes 2020, section 16A.99, subdivision 4, is amended to read:
  - Subd. 4. **Refunding bonds.** The commissioner from time to time may issue appropriation bonds for the purpose of refunding any appropriation bonds or tobaceo securitization bonds authorized under section 16A.98 then outstanding, including the payment of any redemption premiums on the bonds, any interest accrued or to accrue to the redemption date, and costs related to the issuance and sale of the refunding bonds. The proceeds of any refunding bonds may, in the discretion of the commissioner, be applied to the purchase or payment at maturity of the appropriation bonds to be refunded, to the redemption of the outstanding bonds on any redemption date, or to pay interest on the refunding bonds and may, pending application, be placed in escrow to be applied to the purchase, payment, retirement, or redemption. Any escrowed proceeds, pending such use, may be invested and reinvested in obligations that are authorized investments under section 11A.24. The income earned or realized on the investment may also be applied to the payment of the bonds to be refunded or interest or premiums on the refunded bonds, or to pay interest on the refunding bonds. After the terms of the escrow have been fully satisfied, any balance of the proceeds and any investment
