# THE WALZ-FLANAGAN BUDGET TO MOVE MINNESOTA FORWARD

#### FY 2022-23 Supplemental Budget Recommendations

#### Walz-Flanagan 2022 Budget Priorities

- Expanding Economic Opportunity
- Supporting Children and Families
- Protecting Minnesotan's Health and Safety
- Housing and Homelessness

#### **DHS Supplemental Budget Package Summary**

	FY22-23 Biennium	FY24-25 Biennium
General Fund (GF)	\$321.9 million	\$1.489 billion
Health Care Access Fund (HCAF)	\$63.8 million	\$110.1 million
Federal Funds (CCDF)	\$75.3 million	
Temporary Assistance for Needy Families (TANF) Fund	\$26.5 million	\$140 million
Opioid Epidemic Response Account	\$539 thousand	\$3 million
Total	\$484.6 million	\$1.742 billion

#### **Budget overview**

#### **Caring Professions Workforce Program**

p. 5

Investment FY 2022-23: \$115 million

Personal care aides highest vacancies in state

- Revitalizes the state's behavioral health, direct support, and housing workforces by establishing a workforce incentive fund.
- Employers in these industries would be allowed to apply for grants to deliver incentives to employees who have been employed for six months or longer.

#### **Service Delivery Transformation Continuation**

p. 239

Investment FY 2022-23: \$77.5 million

Agencywide transition to a more agile IT

- Funding to support IT systems work to transform human service delivery to create an integrated, person-centered experience.
- This includes IT work on the MNbenefits application for expansion to additional programs, and investments to strengthen the state's existing IT infrastructure and new vendor supported systems.

#### **Direct Care and Treatment Electronic Health Record**

p. 251

Investment FY 2022-23: \$8.9 million FY 2024-25: \$7.6 million

DCT serves
12,000
patients/
clients per
year

- Continue the development of an electronic health record system for Direct Care and Treatment (DCT).
- This moves DCT towards compliance with a Department of Health mandate to have an electronic health record system.

#### **Continuous Improvement and Compliance Expansion**

p. 66

Investment FY 2022-23: \$1.5 million FY 2024-25: \$3.3 million

Improves business processes

- Additional resources for financial audits and contracting divisions will be used to hire additional auditors and contract staff to ensure compliance, auditing, and reports are carried out agency wide, leading to increased efficiency and reduced waste.
- Funds to cover subpoena expenses for pharmaceutical drug price litigation DHS is not a party to. This litigation has resulted in extensive document discovery requests that DHS must comply with.

#### **Critical Resources for Licensing**

p. 71

Investment FY 2022-23: \$2.9 million FY 2024-25: \$6.2 million

Ensures
health and
safety of
vulnerable
adults and
children

- Additional licensing staff are needed in order to respond to the growth in the number of foster care and home and community based licensed services (HCBS).
- Providing additional staff will decrease the time it takes to conduct HCBS licensing visits, increase the timeliness of foster care reviews, and support the agency meeting statutory timelines for maltreatment complaints.

#### **Emergency Background Study Credit**

p. 247

Investment FY 2022-23: \$3.6 million

Addresses 165,000 emergency studies

0 FTEs

 One-time funding to credit providers for costs incurred from emergency background studies conducted during the peacetime emergency following resubmission of studies for federal and state compliance.

## Opiate Epidemic Response

#### **Opiate Settlement and OERAC Updates**

p. 217

Investment FY 2022-23: \$408,000 FY 2024-25: \$816,000

Increases cultural responsivity of services

- Expands the membership of the Opiate Epidemic Response Advisory Council (OERAC) to include a representative from all 11 federally recognized American Indian tribes.
- Requires that at 40 percent of the OERAC grants are awarded to projects that have culturally responsive components.
- Continues existing funding for traditional healing grants in the base, starting in FY 2025, which are currently set to expire.
- Adds a reporting structure to measure how settlement dollars are used, including measuring outcomes through impact evaluations.

#### **Continuous MA Eligibility for Children Under 21**

p. 23

Investment FY 2022-23: \$6.4 million FY 2024-25: \$74.6 million

Would maintain MA eligibility for 15,888 kids per month 5.25 FTEs

- Changes Medical Assistance (MA) eligibility for children under 21 to offer children 12 months of continuous coverage.
- This change is expected to result in an average of an additional 15,888 children a month retaining their MA coverage.

#### **MA for Former Foster Youth**

p. 229

Investment FY 2022-23: \$792,000 FY 2024-25: \$316,000

Improves access to health care for former foster care youth

- Expands MA eligibility to include former foster care youth up to age 26 who were in foster care and enrolled in Medicaid in another state on their 18<sup>th</sup> birthday
- Minnesota has already adopted this expansion for former foster care youth who lived in Minnesota on their 18th birthday as part of the requirements of the Affordable Care Act.
- Complies with the federal SUPPORT Act

#### **Coverage for Undocumented Children**

p. 14

Investment FY 2022-23: \$1.5 million FY 2024-25: \$12.1 million

Would create eligibility for an average of 1,700 kids per month

0 FTEs

 Expands MinnesotaCare eligibility to provide coverage to children under the age of 19 who have undocumented immigration status

#### **Enhancing MHCP COVID-19 Vaccination Rates**

p. 224

Investment FY 2022-23: \$1.1 million

Includes a variety of outreach methods

1.5 FTEs

 Provides funding for community outreach grants to support trusted messenger programs and culturally informed community-based providers to encourage vaccination against COVID-19 and other communicable diseases.

#### Remove Doula Supervision Requirement

p. 235

Investment FY 2022-23: \$20,000 FY 2024-25: \$70,000

Can help O FTEs reduce

- Removes the requirement that doulas be supervised by a licensed provider to be eligible for payment under the Medical Assistance program.
- Expands access to doula care which is linked to better maternal and postpartum outcomes.

maternal and infant health

disparities

#### Improving Health Care Access and Affordability

p. 14

Investment FY 2022-23: \$47.8 million FY 2024-25: \$97.9 million

41 FTEs

294,000 Minnesotans remain

uninsured

- Creates an option for individuals whose income is too high to be eligible for regular MinnesotaCare to purchase into the program with a monthly premium.
- Makes a series of investments to improve the accessibility of affordable, comprehensive health care for Minnesotans.
  - Improving the applicant and enrollee experience
  - Premium simplification in the existing MinnesotaCare program
