3.11 **Sec. 4. COMMISSIONER OF HUMAN SERVICES; TEMPORARY STAFFING**
3.12 **POOL; APPROPRIATION.**

3.13 (a) The commissioner of human services may contract with third-party staffing entities
3.14 under master contract with the commissioner of administration in order to recruit, hire, train,
3.15 and employ a temporary staffing pool. Vendor contracts may include retention bonuses,
3.16 sign-on bonuses, and payment for hours on call.

3.17 (b) Temporary staff, at the request of the commissioner, may be deployed to long-term
3.18 care facilities and other congregate care residential facilities and programs experiencing an
3.19 emergency staffing crisis on or after the effective date of this section. Temporary staff must
3.20 be provided at no cost to the facility or program receiving the temporary staff.

3.21 (c) Members of the temporary staffing pool under this section are not state employees.

3.22 (d) The commissioner must coordinate the activities under this section with any other
3.23 impacted state agencies, to appropriately prioritize locations to deploy contracted temporary
3.24 staff.

3.25 (e) The commissioner must give priority for deploying staff to facilities and programs

3.28 adequately staffed care.

3.29 (f) A facility or program may seek assistance from the temporary staffing pool only after
3.30 the facility or program has used all resources available to obtain temporary staff but is unable
3.31 to meet the facility's or program's temporary staffing needs. A facility or program may
3.32 request temporary staff for up to 30 days along with a proposed plan for ensuring resident
3.33 safety at the end of that time period.

4.1 (g) As a condition of receiving staffing assistance from the temporary staffing pool, a
4.2 facility or program must attest it has provided employees a total of at least 80 hours of paid
4.3 leave, prorated for part-time employees, to be used if the employee must isolate or quarantine
4.4 due to COVID-19 infection or exposure, except as provided in paragraph (h). Paid leave
4.5 provided under this paragraph must be paid at the employee's regular salary or wages.

4.6 (h) An employee who has exhausted emergency paid sick leave provided under the
4.7 federal Families First Coronavirus Response Act is not entitled to paid leave under paragraph
4.8 (g). A facility or program shall not require an employee to use the employee's existing paid
4.9 or unpaid leave in lieu of the paid leave provided under paragraph (g), unless the facility
4.10 or program:

4.11 (1) already provides additional paid leave that is for the purpose of the paid leave provided
4.12 under paragraph (g);

4.13 (2) compensates the employee in an amount equal to or greater than the employee's
4.14 regular salary or wages; and

4.15 (3) provides paid leave that is in addition to the regular amount of paid leave provided
4.16 to the employee under the facility's or program's regular leave policies or applicable collective
4.17 bargaining agreement.

4.18 (i) Facilities and programs eligible to obtain temporary staff from the temporary staffing
4.19 pool include:

4.20 (1) nursing facilities;

4.21 (2) assisted living facilities;

4.22 (3) intermediate care facilities for persons with developmental disabilities;

4.23 (4) adult foster care or community residential settings;

4.24 (5) licensed substance use disorder treatment facilities;

5.14 (23) shelters for people experiencing domestic violence; and

5.15 (24) temporary isolation spaces for people who test positive for COVID-19.

5.16 (j) Notwithstanding any other law to the contrary, the commissioner may allocate funding
5.17 to maintain, extend, or renew contracts for temporary staffing entered into on or after
5.18 September 1, 2020. The commissioner may also allocate funding to enter into new contracts
5.19 with eligible entities and may allocate funding for the costs needed for temporary staff
5.20 deployed in the temporary staffing pool. The commissioner may use up to 6.5 percent of
5.21 this funding for the commissioner's costs related to administration of this program.

5.22 (k) The commissioner shall seek all allowable FEMA reimbursement for the costs of
5.23 this activity. If after receiving payment from the commissioner for a documented cost, the
5.24 provider is able to acquire payment from another source for that cost, the provider shall
5.25 reimburse the commissioner in the amount paid.

5.26 **EFFECTIVE DATE.** This section is effective the day following final enactment.
