

Dear Senators Clausen, Putnam, Rarick, Goggin, Tomassoni and Jasinski,

I'm writing to you today as a former member of the University of Minnesota's Men's Track and Field team and concerned citizen. There is an upcoming *tentative* hearing on 2/15/22 that Minnesota Athletics Director Mark Coyle is trying to cancel. Please **make sure the hearing takes place**. I, along with the many former Minnesota graduates and thousands of other Minnesota citizens, are carefully watching and want to see positive movement towards sports reintroduced.

Sincerely,

Aaron Sailer
