

Dear Senator

I am a double graduate from the University of Minnesota (undergrad and masters degree). I find the process and behavior of the administration OUR University is very questionable and needs to have the eye of the Legislature. They continue to outspend every single dollar given to them by the State, with no accountability?

The hearing on Feb 15 is tentative and I want to make sure that it happens. Please know that I am carefully watching and want to see positive movement toward sports reintroduced.

Sincerely,

Chad
