

Dear Senator Rarick,

I am an alumni of the University of Minnesota track and cross country teams. I care deeply about the future of track and field at the U because I truly believe that the Track and Field program gives opportunities to and produces outstanding athletes and people.

The hearing on Feb 15 is tentative and I want to make sure that it happens. Please know that I am carefully watching and want to see positive movement toward sports reintroduced.

Sincerely,

Zetta Mason (she/her/hers)
