S.F. No. 2669 – Providing for Classified Employees of the Minnesota Sentencing Guidelines Commission

Author: Senator Warren Limmer

Prepared by: Chris Turner, Fiscal Analyst (651/296-4350)

Date: February 1, 2022

Sentencing Guidelines Commission personnel consist of an executive director, one management analyst, and four research analysts. All six currently serve as unclassified state employees. The bill changes the employee status of the Commission staff (but not the executive director) from unclassified to classified, giving them certain protections in case of layoff that they do not have under unclassified status.

The bill has a July 1, 2022 effective date.
