**State of Minnesota**

**S.F. No. 3468 – Data security account appropriation**

**Author:** Senator Mark W. Koran

**Prepared by:** Stephanie James, Senate Counsel (651/296-0103)

**Date:** March 8, 2022

---

**Section 1 [Minn. Stat. section 3.9741; Data security account; appropriation]** creates a statutory appropriation of money in the data security account in the special revenue fund to the legislative auditor. Eliminates duties for the legislative auditor related to driver and vehicle services data and subscriptions for that data.
