**S.F. No. 391 – Debit card use for raffle tickets purchase by telephone – as proposed to be amended by the A-1 Delete Everything amendment**

**Author:** Senator Karin Housley

**Prepared by:** Stephanie James, Senate Counsel (651/296-0103)

**Date:** March 21, 2022

---

**Section 1 [349.173; Conduct of Raffles]** authorizes an organization that is licensed to conduct lawful gambling to accept payment for a raffle entry by check or debit card over the telephone. The organization is required to confirm that the purchaser is 18 years of age and, for a debit card transaction, must check the debit card against a nationally recognized database of bank identification numbers to confirm the card is a debit card.
