S.F. No. 3468 – Data security account appropriation

Author: Senator Mark W. Koran

Prepared by: Stephanie James, Senate Counsel (651/296-0103)

Date: March 8, 2022

Section 1 [Minn. Stat. section 3.9741; Data security account; appropriation] creates a statutory appropriation of money in the data security account in the special revenue fund to the legislative auditor. Eliminates duties for the legislative auditor related to driver and vehicle services data and subscriptions for that data.
