1.9   "Sec. 20. **[171.395] ONLINE DRIVER EDUCATION PROGRAM.**

1.10   Subdivision 1. **Authorization.** A licensed driver education program may provide online

1.11   driver education as provided in this section.

1.12   Subd. 2. **Curriculum and instruction requirements.** (a) An online driver education

1.13   program must:

1.14   (1) meet the requirements as provided in section 171.0701, subdivision 1, and Minnesota

1.15   Rules, chapter 7411, or successor rules;

1.16   (2) use videoconferencing, or another similar method, that provides live interactive

1.17   distance learning and ensures that student questions and comments can be addressed in real

1.18   time;

1.19   (3) use classroom instruction curriculum that is identical to the curriculum used by the

1.20   driver education program in an in-person setting;

1.21   (4) provide online instruction only to students who are specifically enrolled in the online

1.22   driver education program; and

1.23   (5) provide online interactive supplemental parental curriculum consistent with section

1.24   171.0701, subdivision 1a.

1.25   (b) A student may receive online instruction only if the driver education instructor

1.26   confirms that picture and sound allow the student to interact with the instructor in real time.

1.27   Subd. 3. **General requirements.** (a) An online driver education program must:

1.28   (1) include a means for the student to measure performance outcomes;

1.29   (2) use a pool of rotating quiz questions;

2.1   (3) incorporate accountability features to ensure the identity of the student while engaged

2.2   in the course of online study;

2.3   (4) measure the amount of time that the student spends in the course;

2.4   (5) provide technical support to customers;

2.5   (6) store course content and student data on a secure server that is protected against data

2.6   breaches and is regularly backed up;

2.7   (7) incorporate preventive measures to protect against access to private information;

2.8   (8) include the ability to update course content uniformly throughout the state; and

2.9   (9) have a location in Minnesota where program and student records are accessible.

2.10   (b) Before beginning online instruction, a driver education program must provide the

2.11   commissioner with the names and birth dates of all participating students, and must identify

2.12   the videoconferencing system that will be used.

2.13   (c) Except as required by this section, the commissioner is prohibited from imposing

2.14   requirements on online driver education programs that are not equally applicable to in-person

2.15   driver education programs."
