

Minnesota National Guard

2021 Review

New Organizational Pillars

► Minnesota National Guard Vision:

Maintain highly trained Soldiers and Airmen capable of fighting our nation's wars, protecting our country, and responding to our state's emergencies, while remaining the most-trusted institution in Minnesota.

► Priorities:

People

- ▶ People are our greatest strength and the most valuable resource required to perform our mission.
- ▶ Enable People and Units
- ▶ The Minnesota National Guard's diversity in its ranks lends to diversity of thought which yield innovative and creative solutions for problems.

Modernization

- ▶ Provides the right forces, infrastructure, training spaces and systems
- ▶ As the Army and Air Force modernize it is imperative the MNGG is part of their modernization

Economic Impact

- ▶ \$62m - State Impact
- ▶ \$78m - Federal Master Cooperative Agreement Impact
- ▶ \$449m - Direct Federal Impact

Partnerships

▶ Croatia- 25 years!

▶ Norway - 2023 Celebrating 50 years!
