- Minnesota Department of Veterans Affairs to provide service bonuses to eligible Post-9/11 Veterans or their beneficiaries.
- Historically, the Minnesota Legislature has recognized Veterans' service in major wars, including WWI, WWII, the Korean War, Vietnam War, and the Persian Gulf War.
- In each of these previous conflicts, recognition has primarily been in the form of a monetary bonus to qualifying individuals.
- An estimated 48,603 Minnesota Veterans have served on federal active duty since September 11, 2001

Veterans Homelessness

Tenancy Supports and Landlord Engagement Activities

Dollars in thousands

	FY 2022-23	FY 2024-25
<i>General Fund Expenditures</i>	\$1,100	\$1,950

- Increased funding for removing barriers to permanent housing, including additional incentives for landlords who are renting units to Veterans experiencing homelessness.
 - Landlord Incentive - Any property manager willing to rent to a Veteran experiencing homelessness can be eligible for incentive payments.
 - Vacancy Relief - Property Managers strive to fill open rental units in a timely and efficient manner. The rental application process with Veterans sometimes requires a little more time. To offset this, property managers may be eligible for the Vacancy Relief Fund payments to make them whole.
 - Risk Mitigation - Designed to cover property loss at an apartment after a Veteran moves out of a rental property. This fund can cover up to \$2,000 beyond the security deposit, acting as an insurance policy if something does happen during the Veteran's first year lease.
- This program will add additional staffing for tenancy support services and landlord engagement. (5 contracted FTE through 3rd party nonprofit)

Veterans Homelessness

Low-Barrier, Affordable Permanent Supportive Housing

Dollars in thousands

	FY 2022-23	FY 2024-25
<i>General Fund Expenditures</i>	\$8,800	\$5,400

- Funding to establish permanent supportive housing options for Minnesota Veterans.
- These housing options will not have barriers to entry and will support the goal of ending chronic and long-term homelessness among Veterans.
- This proposal is intended to construct housing options for up to 100 Veterans in the seven-county metro area.
- These housing options will have permanent supportive services available & will be in the form of a grant to the Minnesota Assistance Council for Veterans (MACV).

Veterans Homelessness

Increased Engagement and Outreach Activities; Support Temporary Housing Options

Dollars in thousands

	FY 2022-23	FY 2024-25
<i>General Fund Expenditures</i>	\$1,714	\$3,428

- Additional funding is intended to reduce chronic and long-term homelessness and disparities within the response system for Minnesota Veterans.
- Hotel rooms have proven successful in increasing engagement and housing outcomes and reducing average days to housing.
- Additional outreach in encampments and shelters, and peer supports are needed to engage with individuals. Four additional contracted FTEs through competitive RFP.
- This proposal will provide continued support for temporary housing options and increase outreach capacity throughout Minnesota and will also provide additional staffing for outreach efforts.

Fargo VA Medical Center Fisher House Construction

Fargo VA Medical Center Fisher House Construction

Dollars in thousands

	FY 2022-23	FY 2024-25
<i>General Fund Expenditures</i>	\$500	\$0

- The Fisher House program constructs comfort homes to provide temporary lodging to families & dependents while military & Veterans receive medical care for injuries or illnesses sustained while on active duty.
- The Fargo VA Health Care System (Fargo VA HCS) covers one to the largest geographic footprints in the country, serving all of North Dakota in addition to 18 Counties in NW Minnesota (approx. 26,434 MN Veterans).
- The Fargo VA Fisher House would be available to those Minnesotans for stays in Fargo.
- This an \$8 million project with more than \$6.3 million already raised through private donations and contribution commitments from the State of North Dakota.
