# The WHY

- At least 363 youth (grades K-6) and 151 youth (grades 7-12) may participate in a Boys & Girls Club in Hibbing (BGC Survey distributed to Hibbing schools, 2021).
- Almost 90% of Hibbing's families identified lack of positive, affordable activities as a challenge facing children in the community (BGC Survey, 2021).
- 64% of Hibbing's 5th graders reported being home alone or somewhere unsupervised after school one or more days per week (MN Student Survey, 2019).
- Over 4 in 5 youth in Hibbing report that they do not participate in non-athletic activities after school (MN Student Survey, 2019).
- Over 1,000 Hibbing students are eligible for free and reduced price lunch
- Nearly 1 in 5 families in Hibbing live below the poverty level (MN Dept.

Public Health, 2016).

- of Education; American Community Survey, 5-year estimates, 2012-2016).
- By the time these children reach 6th grade, they have experienced an average of 6,000 fewer hours of out-of-school learning time than their peers (Expanded Schools).
- Boys & Girls Clubs are proven to drive improved outcomes in academic success, character and leadership, and healthy lifestyles (Boys & Girls Club, 2020 National Outcomes Report).
- A national study found that every dollar invested in Boys & Girls Clubs returns \$9.60 in current and future earnings, as well as cost-savings, to the community.

The biggest benefits are from Club members' improved grades and reduced alcohol use and their parents' earnings (University of Michigan, School of

# The HOW

- **ENVIRONMENT:** BGC Hibbing would offer a safe place during out-of-school time where ALL young people can learn, grow, have fun, and succeed.
- **RELATIONSHIPS:** BGC Hibbing would build deeply powerful relationships with the youth we serve and open avenues of opportunity for young people across our community.
- **EXPERIENCES:** BGC Hibbing would provide quality programming that ensures success is within reach of every young person who enters our doors, with emphasis on the following:
