To Whom It May Concern:

Please accept this letter of commitment on behalf of the Hibbing School Board. The Hibbing Public Schools strongly support the creation of a Boys and Girls Club in Hibbing.

As a testament to this commitment, the Hibbing School District is prepared to provide, at no cost, classroom and space to the Boys and Girls Club within its schools, and also at no cost, provide Hibbing Students transportation to the after school locations on regularly scheduled school days.

The Hibbing Public Schools are very excited to assist in the creation of this desperately needed programming within our community. Please feel free to contact me with any questions you may have.

Sincerely,

Richard Aldrich
Superintendent of Schools
