BARBARA STONE AND HER MOTHER, HELEN STONE
IN THE U.S. GUARDIAN GENOCIDE REGIME AND
INEXTRICABLY INTERTWINED RACKETS**

Barbara Stone Affidavit:

<https://tinyurl.com/stonegenocideaffidavit>

299. Barbara herself filed for guardianship of her mother, Helen Stone to protect her from documented abuse and financial exploitation by her son, Alan Stone and Barbara's sibling.
300. Barbara was forced to file guardianship after obtaining no relief from any law enforcement agency who criminally ignored their duty to protect Helen Stone; threatened Barbara when she filed complaints and treated crimes as if they were "civil matters."
301. The remedy of course was not to venally punish Barbara's mother for the crimes of her son by stripping/raping/murdering her rights and putting her in the "custody" of the U.S. Guardian Genocide Regime but to criminally indict and arrest Alan Stone.
302. Instead of being protected, Helen Stone was criminalized, her rights stripped, subjected to unthinkable U.S. Atrocity Crimes: forcibly disappeared and secreted in unknown location; deprived of food and medical attention and ruthlessly drugged with toxic illegal psychotropic drugs to incite litigation to pillage her life savings.
303. Mrs. Stone was **MURDERED** after being stripped all of her possessions and life savings.
304. Mrs. Stone was emergency hospitalized over 15 times with horrific conditions of abuse including malnutrition, dehydration, suspicious fractures, fungus and horrific infections which Barbara suspects were caused by sexual abuse.
305. Immediately after entrusting her mother to the court for protection, Barbara was threatened, terrorized and illegally gag ordered to prohibit her from reporting her mother's abuse.
306. Barbara was repeatedly falsely arrested and incarcerated "violating Nuremberg laws" to seek futile protection from government agencies for her mother and herself.
307. Barbara's story was reported world-wide ¹ with the result of NO REMEDY and escalated threats, danger and Atrocity Crimes.

309. Barbara was stripped of her law license in vicious retaliation and to deny her whistleblower protection after filing a criminal complaint against the judicial Perpetrators. Barbara was a retired attorney at the time, having no client complaints and received a letter of appreciation from the bar association for her many years of service. .
310. Barbara is now legally blind, having been forced to spend upwards of 20 hours a day on the computer filing pleadings seeking futile remedy to Atrocity Crimes to which she remains subjected. Barbara is unable to obtain medical remedy as her assets were embezzled.
311. Barbara's home, her life savings and all property has been embezzled and stolen from her by fraudulent lawsuits in Inextricably Intertwined Rackets.

AAAPG member *Beverly Newman* on ABC Action news in Tampa Florida, discussing *her father*, Al Katz, the abusive guardianship to which he was subjected by ..

343. Ms. Newman wrote a pleading letter to Florida attorney general Pam Bondi and Florida governor Rick Scott, the collusive governmental officials in the U.S. Guardian Genocide Regime seeking relief for the horrors to which her father was subjected.

344. Excerpts include:

“At least equally hideous to the abusive use of chemical restraints on the elderly is the forcible immobilization of them through physical restraints, tethering frail elderly women and men to beds and chairs, such that they cannot move their bodies or limbs.

On September 21, 2009, I personally witnessed both the chemical and physical restraint of my 89-year-old Father, Al Katz, at Manatee Memorial Hospital, against his will and mine. From September 21 through September 24, with an emergency room diagnosis of cardiac and respiratory distress, my Father, a Ward of the State of Florida, was repeatedly drugged with Haldol, a narcotic that caused him to suffer vivid flashbacks to the tortures he endured as a slave laborer for seven years in the Holocaust.

With each dosage of Haldol, Dad was infused with fear, which invariably led to what is known as four-point physical restraints on his wrists and ankles, **tying him to the bed** so that he could not move at all.

Despite my pleas to cease the pill mill administration of Haldol to my Dad and to loosen the rigid physical restraints on him, which were causing him untold cardiac and respiratory stress, the Hospital staff did not relent.”

345. This letter pleading for the life of her father from the U.S. Guardian Genocide Regime was ignored by all government officials who are accomplices, accessories and conspirators.

**J. U.S. ATROCITY CRIMES
AGAINST ILYA TSEGLIN AND HIS SON NATE TSEGLIN
IN THE U.S. CHILD TRAFFICKING REGIME**

346. The Tseglin family are Jewish family descendants of Holocaust survivors immigrated from Former Soviet Union to Chicago in 1989 with 2 elderly parents who miraculously avoided the death sentence by Nazi Germany Furer – Adolf Hitler.

347. Ilya and Riva have two sons Nate and Robert were born in Chicago in 1989 and 1990.

348. Nate was diagnosed with autism at age 2.

349. Nate significantly communication and social skills were improved and he was able to attend regular school when the family moved to California in 2000.

350. Nate’s parents requested assistant in developing social and communication skills for Nate from Public school special education department and Regional Center, and to deny assistance and to financially profit from the enslavement of their son, accusations against Ilya of Nate’s physical abuse.

351. In 2007, the following U.S. Atrocity Crimes occurred that are no different than Nazi Gestapo Atrocity Crimes:
- a. four police officers forced themselves into family's apartment,
 - b. discharged an electric gun into teenager's leg and hit him with their sticks on head until Nate felt unconscious
 - c. police then locked handcuffs on unconscious child and dragged him into the police car to place Nate at a hostage facility called by the euphemism/code word CAPS (Child and Adolescence Psychiatric Services).

353. Nate was delivered to 10 times by emergency to the nearest Hospital with condition jeopardizing his survival after being drugged, beaten, and with pocked eyes.
354. There Nate has been injected with monthly dose of psycho drugs and was delivered for resuscitation to the emergency room of the nearest Hospital.
355. After the judicial Predator ruled to reunite Nate with family in 2013 the Director of Orange County Regional Center - Larry Landauer disregarded the Judge order and instead of returning Nate to his family ordered to Lous Pena the felony owner of group home to place Nate in his group where Nate was condemned to isolation, physically, emotionally, and medically abused, deprived from his faith services, family's life, work and education but was mishandled to the point that needed resuscitation in E.R. special unit.
356. In 2015 Larry Landauer threatened the family to consent to forcing Nate be drugged with psychotropic drugs. When the family refused, Director of DDS filed the petition to Orange County Probate Court to remove conservatorship from family to Director of DDS work and live in Sacramento with an annual budget of \$8 billion of unsupervised Public Funding reserved for disabled services and treatment.

357. Despite requests by Nate and his family for Jury Trial and discovery, and considering that family has priority over governmental official to be appointed as a conservator judicial Perpetrator Judge Kim Hubbard from OC Probate Court declined the Jury trial, discovery, and Nate's request in the Court to appoint his father as conservator but appointed Director of DDS as a conservator in violation of Rules of Law, ethical and moral.
358. The family's attorney was stripped of his license after objecting to the U.S. Atrocity Crimes.
359. The family's doctor was jailed with false accusations.
360. Judicial Perpetrator Hubbard approved to place Nate into unlicensed group home owned by felon Lou Pena disregarding that Pena's staff broke Nate's arm.

363. The Police collaborates and covers abusive to Nate guards from the group home.
364. Nate compared his places outside of his home to Nazi Germany Concentration Camp.
365. Judicial Perpetrator Johnston ruled Nate's father and brother "vexatious" to deny them access to court.
366. When Nate's father filed the petition against Director of DDS Nancy Bargmann, Director of OCRC Larry Landauer and their proxies regarding the Public money laundering then attorney Julie Trinh under color of California Attorney General Office, and attorneys hired by Nancy Bargmann, Larry Landauer, and their proxies demanded the Judge to dismiss the petition until the parents submit the bond of \$400,000.
367. After Nate's mother Riva filed the petition for conservatorship over her son Nate, then Julie Trinh from California Attorney General office demanded from Probate Judge David Beltz sanctions of \$7,500 against mother and the Judge Beltz approved the sanctions.
368. Ilya's attorney is demoralized and threatened with sanctions if she submits to the Public the photos with evidences of Nate's neglect and abuse.

369. Like Ilya Tseglin's son, Ludmila Boiko's daughter is autistic.
370. Instead of being provided with the highest level of protection to which she is entitled as a vulnerable person, Ludila and her daughter are systemically criminalized.
371. Instead of being provided diagnostic testing and appropriate treatment at the San Andreas services for people with Autism their employees medically kidnapped Ludmila's daughter.

Judge Marigonda took his part to continue the terror of false criminal charges against my autistic daughter. I raised my daughter in Russia in different culture and supported her financially until she was medically kidnapped from me in her 29th. To isolate her from me was equal to put her alone on the different planet. Instead of help for diagnostic test and appropriate treatment at the San Andreas services for people with Autism, BHD employees, with no reason used their power to kidnap her away from me

and locked her up in crisis psychiatric facility in the different county Napa, far away from normal society, her family and set up conspiracy for secret chain of conservatorships damaging her immature mind and along with Public Guardian's power began to turn my daughter into BHD life time client. Judges' system of injustice easily disregarded the Rule of Law completely as a priority for family care, education and consolidation with family for strong support of vulnerable client. Judges' orders continued damaging autistic person by isolation far away from family and friends. That was indescribable torture for both of us, permanently disabled women, mother and daughter as a result of Judge decision to advance county employees unlimited power abuse. My daughter could be just fine and could finish her college education already if she won't violently disconnect from family. If teammate of Judge Marigonda, Judge Gallagher did not disregard my daughter's statement on October 26, 2017 at the hearing for case 15MH00017 in the basement of county building, that she wants me, her mother to be her conservator, my daughter could be just fine by this time. Statement that Judge Gallagher refused to hear, because his intention was to provide service to County Counsel, Behavioral Health Division (BHD) and Public Guardian. My daughter wanted me to be her conservator. Public Guardian and Mental Health System forced my daughter to enter long term homelessness since 2014 by very current 2020 year. When in 2014, after the first illegally obtained conservatorship of heavy brainwash for 8 months she was dropped homeless on dangerous Santa Cruz streets, she got lost and only I was looking for her and claimed her missing. At the same time, county employees arranged two false identical criminal cases one after each other in the row for no any actual crime, but for fabricated "obstructing police officers" 148(a), when she being found and evaluated of gravely disabled

condition as a result of heavy brainwash and neglect after their first violently obtained conservatorship in violation of procedure by County Counsel for Public Guardian. It was outrageous abuse to charge criminally lost in the woods, autistic person that was claimed by me as a missing person, but was arrested and brought to jail to cover up county employees intentional and outrageous neglect of her well-being and safety. I am deeply committed to ensuring that my daughter could get care that is essential to her life, but no authority likes it. Family has a priority for their own child and adult child too and not the corrupted, nothing good doing Public Guardian Vanessa Bertsche-Shelton and her

conservators Vivian Van Dal and Maureen Clawson. Who all was taken care that my daughter won't get benefits and won't be kept on the road to happy life ever. Unfortunately, Judge Gallagher was a Judge for case 15MH00017, who made his violent order against human rights of both mother and daughter, but always work hard helping powerful to enslave powerless. It is very scary to get into Judge's hands that without hesitation changing people's destinies by escalating his power to absolute power. My daughter's brain was destroyed because Judge Order to isolate my daughter against her wish from her family that would take good care of her and prevent ongoing damages. They try to make sure that I am going to watch my daughter dying slowly and surely. It is impossible to vocalize what torture they dragged my autistic daughter through inside of horrible psychiatric locked facilities. There is no doubt that entire court has working hard to prevent my daughter to get under real protection and care of family.

372. Marty Adair was forced into a fraudulent abusive conservatorship by her son Joe "Joey" Adair and wife Darian Mathias-Adair in 2019.
373. Their first attempt was against both parents in 2015 to take over the parents vast wealth and because they financially cut Joey off for non-payment of over \$500,000.00 in loans.

374. The law office of Eric Becker, the conservator Richard Huntington, and the GAL David Shaver were all part of the conspiracy to force Jodee's mom into conservatorship.
375. The motivation was self enrichment through horrendous billable hours. In 30 months, their fees are over \$1 million dollars.
376. Fiduciary Real Estate Services, husband/wife team Ruben Martinez and attorney Teresa Gorman were paid \$850,000.00 to sell Marty's property.
377. There is a "cabal" of attorneys, for profit Fiduciaries and this real estate team that have perpetuated this fraud in Southern California going back to 2009.
378. Jodee was able to keep her mom out of the lockdown "care" facility they set up.
379. Jodee's mom Marty escaped and fled to Texas where she now resides.
380. Marty left her \$16,700,000.00 from the sale of her property behind, for the corrupt conservator, now Trustee and his cohorts to pillage and drain.
381. Jodee is retaliated and attacked for being a "whistleblower" to U.S. Human Atrocities.

385. While Christian was falsely imprisoned and unable to protect his mother, HIS MOTHER WAS MURDERED BY ABUSE AND TOXIC DRUGGING.
386. Christian has lost his livelihood and lives in constant fear, terror and torment for his own life and that of his father who is forcibly disappeared and being relentlessly drugged.

**N. U.S. ATROCITY CRIMES AGAINST
BECKY HARBER AND HER HUSBAND HERSHEL HARBER**

387. Becky and Hershel Harber are Georgia residents who went to Florida for treatment at Mayo Clinic and sent to Daytona Select Specialty Hospital.
388. This story of horrors started with a false report by Select Specialty to DCF to cover up a potential lawsuit.
389. DCF, that has no criminal prosecutorial or investigative powers and with no investigation, or proof, concocted a convoluted story, filed a false charge against Mrs. Harber to strip her of her medical power of attorney for her husband, and obtain illegal "supervised" visitation.
390. Mr. and Mrs. Harber were held hostage at a state run facility Halifax hospital for 5 months.
391. Mrs. Harber was tortured and threatened repeatedly with false accusations, including a false incident report in which police were called for no reason and she was permanently barred from association with her husband.
392. They were told Mr. Harber was going to become a "ward" of the state of Florida.
393. The social worker blocked any transfer of a Medicare facility in Georgia by repeatedly making false accusations about Mrs. Harber to any new facility.
394. They were extorted to withdraw Mr. Hershel's 401k money in the amount of 210k to put him in a "private facility" in Georgia. There was no Medicare option.
395. Immediately upon arrival to TBI the private facility in Georgia, Mrs. Harber was no longer allowed to see her husband.
396. Four days after arrival in Georgia, her husband was in critical shape and had to be transferred to Henry Piedmont Hospital.
397. Mrs. Harber was told by the facility TBI that she has no rights to information about her husband and that his family had no rights. She was told by the hospital he was not there.
398. Mrs. Harber contacted the police and was told her husband was at the hospital and fought for information.
399. Mrs. Harber was not allowed to be with her husband nor were any family members.
400. Mrs. Harber sought clarification for visitation from a Judge in Florida, all to no avail.
401. Florida DCF worked in collusion with the Georgia courts to do their dirty work of keeping a lawsuit from being filed by Mrs. Harber by threatening her with false criminal accusations.
402. Georgia DCF filed an Emergency Temporary Guardianship based on a dismissed case in Fla and a false charge against Mrs. Harber and falsely arrested her.
403. The accusation was made up by a nurse who has 3 felony charges and the loss of a nurse's license twice.
404. Mrs. Harber was falsely arrested without being indicted.
405. Mrs. Harber has been prohibited from seeing her husband who is being terrorized and abused and slowly tortured to death from abuse and drugs.

406. Mr. Harber has been forcibly disappeared and Mrs. Harber does not know where her husband is being kept.
407. Mrs. Harber is being tortured by this depravity and suffering depression and hopelessness.
408. Mrs. Harber's husband has been "Sold" and "Stolen" from under her eyes by the U.S. Guardian Genocide Regime.
409. The DCF attorney bragged she not only wanted temporary guardianship as well as our life savings, but she would be applying for permanent Guardianship as well.
410. The judge and attorneys celebrated the "purchase" of Mr. Harber, Mrs. Harber's husband of 31 years, even listing the assets they embezzled to which they claim "entitlement."

**N. U.S. ATROCITY CRIMES AGAINSTS
JOYCE LACEY AND HER MOTHER JUNE LYNNE LACEY**

337. Joyce's mother was targeted for exploitation by Woodwinds Hospital in Minnesota.
338. Joyce later learned Woodwinds Hospital was going bankrupt.
339. They labeled Joyce's mother Vulnerable at the onset.
340. Joyce's mother was just crowned National Ms. Congeniality at the Ms. Senior USA pageant in Las Vegas weeks earlier. She was by no means incompetent.
341. While volunteering with the Alzheimer's Walk, her breathing wasn't so good, so Joyce took her to the ER. She had congestive heart failure, but people live with that every day.
342. They got her stabilized and insisted she stay in the hospital for observation. All they saw were \$\$\$\$\$\$\$\$\$\$\$\$\$\$. They saw an elderly woman they could exploit.
343. A doctor, social worker, hospice nurse and chaplain tried to convince Joyce, as POA, to change Joyce's mother to DNR, dump her in a nursing home and put her on Hospice.
344. When Joyce said "No", the hospitalist doctor (who had never seen Joyce's mother before) shook his finger at her and said she was a very poor POA. He said he had wasted 27 minutes on her and asked if Joyce was her mother's legal guardian? He was told no, her mother is not incompetent and has no need of a legal guardian and that "she wants to live". To which he replied, She doesn't know what she wants, she has dementia."
345. Joyce's mother did not have dementia. She was legally blind and somewhat hard of hearing.
346. They went over Joyce's instructions and got an emergency guardianship/conservatorship to steal Joyce's mother's honor, dignity, life savings and her very life itself.
347. Joyce's mother clearly stated "No, I don't want to go to a nursing home!" So they drugged her. When Joyce asked what was being done, the nurse replied that the guardian said to use any and all means necessary to get her to comply so they were giving her more morphine!
348. They trafficked Joyce's mother 215 miles from her home to a negligent nursing home, where she was treated worse than a prisoner.

349. She was denied a phone, forced to only use a bedpan her entire stay, drugged with harmful chemical restraints continuously, given only day old pirated food.
350. Joyce was threatened with arrest, if she so much as took her outside the door.
351. Within three weeks Joyce's mother got septic blood, pneumonia, a staph infection, bed sores, UTI, numerous bruises and a temperature of 102. She had to be taken to the hospital because she wasn't DNR. She fought all that with four IV antibiotics and was doing great in the hospital. Joyce found a reputable nursing home within two miles of the hospital, but the abusive, for-profit, fraudulent guardian forced her to travel 80 miles back to the torture chamber known as Frazee Care Center.
352. Joyce was removed by security when she refused to allow her mother to be forced 80 miles back to the negligent nursing home that nearly killed her in just three weeks. The trip alone could kill her - she was on a ventilator on Monday and forced to travel 80 miles back, sitting in a wheelchair, on Thursday.
353. When she got back to the prison, Joyce was only allowed two hour supervised visits Monday through Friday, leaving her isolated continuously.
354. The nursing home doctor then ordered Hospice and she was drugged to death with oxycodone and morphine.
355. Joyce's mother couldn't breathe or swallow on the oxycodone. The harmful drugs gave her migraine headaches and extreme constipation! The drugs gave her seizures, an irregular heartbeat and intense stomach and chest pain.
356. At a care meeting, the Hospice nurse wanted to take her off all the heart meds that she needed and leave her only on the harmful drugs, like oxycodone, that were killing her. The guardian agreed with the hospice nurse to only leave her on the drugs that were killing her. Joyce insisted she be allowed to remain on the meds she needed. Joyce was told by her sabotaging attorney, to keep her mouth shut.
357. When she got a bloodclot by the heart, which could have been treated, the guardian and Hospice nurse refused her medical attention. They gave her oxycodone and said it was heartburn, which the autopsy proved was really a bloodclot by the heart.
358. Joyce wrote Adult Protection 4 times and received 4 "No Action" letters refusing to investigate. Even the ombudsman refused to investigate. The local police officer said Joyce's mother would have more rights if she were a convicted criminal. At least they can refuse being drugged.
359. The last day the Hospice nurse said Joyce's mother's blood pressure was high. Joyce pleaded to take her mother to ER, but she refused to allow her to be seen by a competent physician. Joyce's mother stopped breathing, Joyce called 911 and was verbally attacked.

360. The paramedics came and resuscitated her, as Joyce's mother was still fighting to live, but the ER doctor refused to take her in because he said her pulse was too weak. They walked away and let her die. Five witnesses heard the paramedic refuse to take Joyce's mother.
361. Joyce has their signatures as the paramedic and hospital later lied on their report, to cover up the murder.

**O. U.S. ATROCITY CRIMES AGAINST
SHERRI ERWIN AND HER MOTHER DOROTHY SHARP**

Statement by Sherri Erwin to her attorney

<https://drive.google.com/file/d/1V2cPcG-aw-Cr9JjX7nh3NvjEwnX/view?usp=sharing>

362. My name is Sherri Erwin, 817-475-9302
363. Adult Protective Service agent Ron Horton came into my home on January 11, 2018 and ordered me to physically take my Mother out of my home to a "1" star rated nursing home by the name of Arlington Heights Rehabilitation Center, 4825 Wellesley St. Fort Worth, Texas 76107 that has a current contract with the Adult Protective Services. The adult protective service agent Ron Horton put my Mother in lock down that you have to have a code to get in, and my Mother cannot walk. My Mother was taken from my home due to an accidental bruise under her eye due to conditions brought on by aggressive behavior in her stages of severe Alzheimer's Disease and habitual urinary tract infections. She left my home with a small black eye and a skin tear on her right middle finger.
364. Within the next 10 days I have to watch my Mother get beat to an inch of her life. Walking in every day with the less than an hour supervised visit, I get to watch my Mother get big black and blue bruises on top of new bruises and skin tears all over her arms and hands, pretty much all over her body. She gets a total of 2 black eyes and 2 huge knots on her forehead and eyebrow and NO ONE will do anything to help me make the bruising and markings stop the on this very scared 85-year-old fragile woman that does not know what is going on around her, begging me to "please take me home with you."
365. I call Ron Horton the adult Protective Service agent numerous times with never not one phone call returned back. I text his phone number numerous times begging him to let me have my Mother back or could I please get a 24-hour nurse to come stay with her at our home or please move her.!!! With of course no reply back from him. During all this I am having to hire a very expensive incompetent attorney that is dragging his rear on the urgency of this matter as well. So, I am in front of Judge Brooke Allen in an emergency hearing and my expensive attorney Bob Leonard has already told me she does not like doing Guardianship hearings, so she dismisses my guardianship appeal request and leaves

- my Mother in that nursing home jail. My Mother is showing severe signs of dehydration and losing a lot of weight at this time begging to come home and eating like a starved pup.
366. I had supervised hour visits for the first 5 days as long as they had a cna available. Then on Tuesday, January 16 the nursing home bars me from coming in to see or tend to my Mother at all now. I called the police in there on Saturday, January 20, 2018 because of all the bruising and marking & unattended medical care with bleeding skin tears and then 2 days later my Mother comes up with a serious black eye on her right side with a knot on her eye brow that is swollen and a busted lip all across the front of her mouth and my inadequate attorney didn't even submit the pictures that I gave to him that happened to her THAT MORNING for the emergency court hearing to be reviewed. It was ridiculous. Neither my attorney or my Mothers attorney ad-litem said a thing and never made the adult protective services submit any court ordered papers for why they took my Mother out of my home.
367. The courts waited over 10+ days to require the adult protective services to produce any papers from her courts for why they actually removed my Mother from a home she was well taken care of.
368. Judge Brooke Allen was very perturbed by the fact that no paper work had gone through her approval so they took her without any court orders, claiming to ME they did and using a very large amount of scare tactic to me and all of my family and hired attendant aids, they refused me to be able to do as well. They would not even let me hire my own personal attendant to take care of Mother even at the facility. Ron Horton and the facility has barred all family and attendants and anyone who wants to come see or talk to her. THEY BAR EVERYONE FROM SEEING MY MOTHER AT THIS POINT. And I am begging everyone at hand, my attorney, Mothers attorney ad-litem and begging to get an appointment with the guardianship services to get up there and meet with me so I can see my Mother. All these people, the judge, the courts, my attorney, Mother's attorney ad-litem, ron horton, asana hospice and the doctor at hand in that holocaust of a nursing home are all claiming to have my Mothers best interest at heart.
369. Finally, after 10+ days my attorney makes additional charges to my account and finally arranges the guardianship service agent Cindy Brown to meet with me at the nursing home at 2:00pm. She already had her mind made up about me before even meeting me. It was the worse day of my entire life and I am not sure I will ever recover from this. She was rude, critical and bullying me into paying a large amount of my Mother's money to that place that just killed her. She threatened financial exploitation if I didn't pay the \$1065.00 for the month of February and my Mother died February 7.
370. And no money was refunded. So, after I walked in on my Mother looking like death and she was literally hanging onto life till someone in her family showed up, she died within 30

minutes of me getting there. We all walked in and I nearly fell out in the floor by the way my MOTHER LOOKED. So finally, after I get Cindy to open her eyes to the fact my Mother is dying we need to call 911 stat, she tells the doctor to call them. They argue for 30+ minutes on why to call the ambulance. The doctor says: "what's the point"?

371. After that horrific scene my Mother had to die in with all the hollering done by Cindy Brown in her orders and demands for me to stop loving and kissing my Mother she had done and then the final death of my Mother even sent her out of the room red as a beet and feeling floored. I wonder to this day what she would have done if that would have been her mother she was looking at and someone screaming at her to stop kissing and loving her parents on their death bed...
372. Yes, the hospice company was in there that morning and did not notify anyone in my family or me of this precious woman's condition. I get there at 4:30pm after being forced to pay \$1065.00 before they will let me see her and my MOTHER DIES IN MY ARMS.
373. All along that Cindy Brown throwing her already bullying assumptions about me around the room telling me not to kiss my Mother and stop loving on her and to GET UP FROM HER AND LISTEN TO WHAT THAT DOCTOR IS SAYING.... I AM AND HAVE BEEN SEVERELY TRAUMATIZED BY ALL OF THIS!!!! I WILL NEVER BE THE SAME!!!!
374. Oh, by the way, have I mentioned that adult protective services filed a case against me for the bruise under her left eye that landed us in all this torturous hell that ended my Mother's life and destroyed mine after the fact I made a report against him when I saw the condition my Mother was in under the care of his lack of observation and care.
375. I have recently received a letter from Family Services saying they DID NOT HAVE SUCH COURT ORDERS because they were merely assisting me in PLACING MY MOTHER!!!!!!!!!!!!!!
376. I DIDN'T WANT TO PLACE MY MOTHER. I had been taking care of her in my home for 5 straight years 24/7. She was my most prized possession. I had to watch them kill her and all the system made me stand back and watch it and watch her get BEAT TO AN INCH OF HER LIFE and then they starved her and dehydrated her in their care of less than 27 days and 22 days of BARRING me from seeing my MOTHER and for no reason!!! I know what they did was wrong and I would Love to bring Asana Hospice, Arlington Heights Nursing Home and Ron Horton, agent of the adult Protective Service agent to justice.
377. I had begged Ron Horton to move her or let me have her back or I would get a full time live in nurse, but he wouldn't do anything or answer my phone calls or text messages begging him. Asana never contacted me again after they took over at the nursing home jail.

378. The guardianship service lady Cindy Brown also made me pay \$1065.00 for the month of February and she died February 7, 2018 and they did not refund any of my money. The guardianship services and my attorney went longer than 10+ days to make it to where I could see my Mother also. No one has still made adult protective services produce any legal papers for taking my Mother out of my home. PLEASE PLEASE HELP ME.. THIS IS A VERY GOOD CHANCE TO BRING MANY HORRIBLE ACTS OF COMPLETE INSANITY TO JUSTICE.
379. I have MANY pictures, witnesses and everything that is needed to prove their violence against my Mother and my family. I called the cops on that place to get the ambulance to pick her up and take her to the ER and since it was a civil thing, they couldn't do anything about it. I also had an autopsy done.
380. I am waiting on the toxicology and histology of the part of the autopsy, which is due back any time. So as soon as that comes in I am going to be ready to pursue these barbaric mean cruel animals to full accountability. Thank you, Sherri Erwin.
381. PLEASE CALL ME FOR FURTHER DETAILS. THIS IS A GOOD CASE FOR BRINGING ACCOUNTABILITY FOR MORE THAN 5 PARTIES TO HAVE DONE SOMETHING DIFFERENTLY IN THEIR EFFORTS OF MURDERING MY MOTHER IN ALL CLAIMING TOTO BE DOING WHATS BEST FOR HER.

**P. U.S. ATROCITY CRIMES AGAINST
BRAD LAMB AND HIS CHILDREN
Statement from Brad Lamb**

382. This is an extremely well documented case of sexual & physical abuse of my two young children Isaiah, 7 years old, & Aria, 5 years old. Both children have reported sexual & physical abuse at the hands of their mother, Carist Washington, & half-brother, Orlando Simmons, who is now 18 years old. These were reported to Cook Children's Sexual Assault Nurse Examiner (SANE) in 2019. These interviews are with only Isaiah & the SANE nurse. There were reports made in 2018 as well. Isaiah & Aria have now also told all five court ordered supervisors, Ft Worth police officers, many family members, & friends.
383. My son, Isaiah, now 7 years old, made a sexual assault outcry July 1, 2019, at Cook Children's Hospital Ft Worth to a Sexual Assault Nurse Examiner (SANE) with detail of his assault. We were ordered the next day for my son to do a forensic interview at Alliance Center for Children & assigned Detective Joshua Rodriquez & Sgt. Rachel DeHoyos over our case who are with Crimes Against Children Unit (CACU). My son did make another outcry in this forensic interview in front of Detective Rodriquez. Det Rodriquez & Sgt DeHoyos did nothing but impede the investigation from the start, never speaking to any of

the SANE nurses, witnesses of the outcries, supervisors assigned to the case, play therapists assigned to the case. CACU issued a warrant for my arrest on July 31, 2019, the day before my recusal hearing of the judge on my case & 48-hour hold was placed on me in jail. This arrest was done by the Fugitive Task Force complete with the riot gear, machine guns, police cars parked all throughout our neighborhood, & roadblocks set up on our street. After missing this recusal due to being in jail, I was released with charges later dropped. Sgt DeHoyos & Det Rodriguez refused to show up for court subpoenas & also refused to release the forensic interview of my son.

384. My very first supervised visit, September 2019, was with Heather Moore & my son told her at the end of the visit "don't make me go back. My mommy still hits me in my face." Heather contacted CPS & reported this on the mother. The next day, at our visit, my daughter had a busted lip & said her mom did it. Heather took a picture & reported that to CPS to find out that CPS had already closed this case including this new report she was filing that day. Heather Moore went on to hear many outcries, she noted & testified to these. We have gone through 5 supervisors now who have all witnessed my children's bruises, knots, & outcries. My wife, Amanda, has lived with the children since Isaiah was 16 months old. She has witnessed all the pickups of my children along with all the bruises, knots, disturbing behavior, & disturbing accounts of what happens to them at their mother's house. It appears the only investigation that CACU did was to talk to the abuser herself & have me arrested (just so happened to be the day before the judge's recusal hearing).
385. FWPD installed a surveillance camera on a light post by our house on April 20, 2020. We have this order; it was issued for our address & was labeled as MHMR. The abuser, the mother, fled with my 2 kids, so we filed a missing person on August 5, 2021. Sgt. DeHoyos took over this missing person on August 9, 2021 & located my kids the next day. She sent me emails with both of my children's eyes black. She left my children there & cut off all contact with me. We have now found out that Sgt DeHoyos has been kicked out of CACU & is currently under investigation. No one will speak to us on this matter, nor will they meet with my wife & me. There have been many violations committed by CACU, even against their own Standard Operating Procedures, signed by Sgt. DeHoyos herself which we also have. These include not only improper investigation of a sexual assault on a child, going out of their way to impede any other agency from getting involved in the investigation (Sheriff's Dept, National Center for Missing & Exploited Children, US Military, FBI, Texas Rangers, & any other organization that has tried to help my children), but also includes ongoing police harassment, illegal arrest with excessive force, surveillance camera installed on a citizen's home for no reason. Please note that all the outcries, & there have been too many to count, have been made against the mother & half-brother, & I have never been accused or

had any allegations against me throughout any of these proceedings. CACU has completely covered up the crimes committed against my two children, & have put their lives in constant danger, & harassed my wife & I in every way possible. I have all the evidence to prove all that I have stated is the truth & factual, & there needs to be a thorough investigation on this matter with all involved & charges should be filed against these officers that did this to my family. CACU & Internal Affairs to this day will not call me back.

Q. MARIA PILAR MATE

Maria Pilar Maté – Summary of Events Docket ES09W2998WD – Essex Probate & Family Court, Salem, MA (US) March 21, 2022 1 My name is Maria, I was born and raised in Spain in 1972. My maiden name is Maria Pilar Gonzalez Caro. I became a US citizen on September 2012. I am currently married to Alberto Maté, who is also a citizen of Spain and the US. My daughter Sofia Gala Borges was born on April 13, 2009. Her father and I were never married. During the course of my pregnancy, Sofia's father, (David C. Borges) was continuously psychologically and emotionally abusive towards me and asked me repeated times to terminate the pregnancy, which I refused to do. When Sofia was 2 months old, I moved out of his residence as the toxicity of the relationship was unbearable for me and our little child. In December 2010 he staged a robbery and property destruction with the intent to put me behind bars and not pay child support. I am providing this court proof of this. For 8 years, I had sole physical custody of Sofia and shared legal custody with her father. I never abused our daughter in any way or form. During those 8 years, father made my life a living hell, by exercising the same abusive pattern on our child, who started to verbalize at the age of 6 the things that father was forcing her to do. I saw myself reflected on her statements and realized he was doing to her the same things he did to me when we were living together. On August 11, 2017, David C. Borges chased me, my current husband and Sofia in a parking lot while videotaping us against our consent, struck me in the face with his phone and refused to cease the videotaping. At some point, David C. Borges ripped his T-shirt and self-inflicted scratches. When the police arrived, they saw a battered man and his broken phone. Police failed to take DNA from his nails or my nails, failed to take photos of the scratches, didn't interview Sofia nor my current husband who was there during the entire incident. As a result of this I was arrested on charges of assault and battery. I was released out of jail after 6-8 hours with no bail as I had no previous criminal history. However, this arrest, was used by David C. Borges to quickly file a motion to change custody. I was placed on supervised visits for up to 2 hours a week. David C. Borges wanted to not only use our child as a tool to inflict emotional pain on me but also a tool to bleed me financially. A few months after that, David C. Borges asserted the 5th amendment right at the Quincy District court during the criminal trial. All my charges were dismissed, but it was too late, I already had lost Sofia. October 2, 2017 was the last time I

was able to kiss my child at bedtime. A custody trial was held in February 2019, with Judge Abbe L. Ross. During the trial all my witnesses testified to the horrors that my child lived with her father, among those witnesses: The Guardian ad Litem, the pediatrician, Sofia's therapist, several visit supervisors and Sofia's testimony through the Department of Children and Families. None of those testimonies were included in the judgement that was issued by Judge Abbe L. Ross. Judgement that is also included along with this summary. Maria Pilar Maté – Summary of Events Docket ES09W2998WD – Essex Probate & Family Court, Salem, MA (US) March 21, 2022 2 On May 2019, Judge Abbe L. Ross stripped me from every right in my daughter's life, imposed me to continue on supervised visits for the rest of my life, depriving Sofia from any contact with her maternal family (in Spain) and depriving Sofia from any contact with her little sister who was 5 years younger than her. Additionally, a few weeks after, when Judge Abbe L. Ross became aware that I filed an appeal on her decision, she sanctioned me with attorney fees for a total of \$29,749. Judge Ross tergiversated the testimony of father's witnesses, refused to include the testimony of all my witnesses including my own testimony. She eliminated me from my daughter's life with no path for reunification. In order to obtain justice, not only I appealed the case in the Massachusetts Appeals court, I also conducted an analysis of the judgement, defragmenting piece by piece every finding of fact and referenced to the exhibits presented and the trial court transcripts. This analysis was presented to the Commission of Judicial Conduct twice. This first one was immediately denied, the second one came back with an open investigation. I thought I was going to receive justice, however, a few months after that, I received a letter notifying me that the case was closed and that after interviewing "witnesses" they concluded there was no misconduct. The Commission for Judicial Conduct refused to provide the names of those "witnesses" and refuses to answer any phone calls. Howard V. Neff is the CJC Executive representative. He also refuses to answer any emails. During the past 4.5 years, David C. Borges has denied me at least 50 supervised visits, has denied me every possible avenue to communicate with my daughter, has denied me every single information regarding her life, her health, her academic progress. I have disappeared completely from my daughter's life, while still being obligated to pay \$350 a week in child support. I pay child support for a child I cant see, kiss or hug. Sofia's sister, Violet Mate, is now 7 years old and has experienced post-traumatic stress disorder for the past 4 years due to the loss of her sister, she has been in psychological treatment for months and asks me every day if she will be able to hug her sister one day. I am not a prostitute, I don't consume or sell drugs, I am not an alcoholic and I have never abused my daughters. There are no words to express the level of pain and emptiness I feel every morning and every night. Sofia G. Borges is not dead, Sofia is legally kidnapped, and I beg this court for your help restoring my ability to mother my daughter and be part of her life.
