Section 3. **Enforcement.** Specifies that radon licensing activities that are being transferred to DLI will be enforced under Ch. 326B (Construction Codes and Licensing).

Section 4. **Appropriation.** Appropriates money to DLI for the radon licensing activities required by the transfer of responsibilities.

Section 5. **Reduction in appropriation.** Makes a corresponding reduction to the Department of Health for radon licensing in relation to the appropriation in section 4.

Section 6. **Revisor's instructions.** Instructs the revisor of statutes to recode the section accordingly.
