**Author:** Senator Jason Rarick  
**Prepared by:** Joan White, Senate Counsel (651/296-3814)

**Senate File No. 2248** allows the city of Mora to increase membership of the city’s Public Utilities Commission to five members, two of which may be city council members. Current law limits membership to three members, one of which may be a city council member. In accordance with the statutory requirements related to special laws, which are laws that enable a local government unit to exercise authority not granted in general law, the effective date requires the special law to be approved by the affected local unit of government and filed with the secretary of state.
