S.F. No. 4050 – Permitting Hennepin County Commissioners to set reasonable allowance for members of boards

Author: Senator Warren Limmer

Prepared by: Joan White, Senate Counsel (651/296-3814)

Date: March 25, 2022

SF 4050 amends the county boards chapter of law, specifically the statute that allows all counties, except Hennepin County, to set reasonable expenses or per diems to pay members of advisory boards or committees. This bill removes the Hennepin County exception.
