S.F. No. 4158 – Extending Property Tax Exemption for Certain Tribal-Owned Property

Author: Senator Roger C. Chamberlain

Prepared by: Eric Silvia, Senate Counsel (651/296-1771)

Date: April 5, 2022

SF 4158 extends, by ten years, a property tax exemption enacted in 2013 for property located in Minneapolis and owned by an Indian Tribe. Without an extension, the exemption expires with property taxes payable in 2034. This proposal also exempts this property from the requirement that the property reapply for the exemption every three years.

Effective for taxes payable in 2022.
