S.F. No. 3376 – Supplemental 2023 County Aid

Author: Senator Ann H. Rest

Prepared by: Bjorn Arneson, Legislative Analyst (651/296-3812)

Date: February 21, 2022

This bill proposes to pay one-time supplemental 2023 aid to counties in which the county program aid certified for payment in 2023 is less than the amount paid in 2022. Under current projections, 45 counties would qualify for the supplemental aid, totaling approximately \$2.2 million.

The aid would be paid concurrently with county program aid in calendar 2023 and the state general fund cost would be recognized in fiscal year 2024.
