| Produce | 5,165,359 | \$ 1,100,000 | \$ - | \$ 1,100,000 | 100% |
| Milk | 1,782,765 | \$ 600,000 | \$ - | \$ 600,000 | 100% |

Key Notes:

- This grant is administered by Second Harvest Heartland on behalf of the six Feeding America food banks who serve MN. Each food bank is responsible for distributing the food to the counties they serve.
- Second Harvest Heartland had to find other funding sources to source over \$107,000 worth of produce in Q3 alone, due to F2F funds running out.
- The price of both milk products that are funded by this grant have increased by 14% since the beginning of the fiscal year.
- For produce grant fund reimbursements, Second Harvest Heartland claimed less than the maximum proportion of admin expenses from the grant funds. This allowed extra funding to go towards procuring more produce.
- While language was added to the Farm to Food Shelf program in 2021 allowing us to source protein, we did not receive additional funding to support this new sourcing stream. Produce funds were spent down more quickly than expected last year and therefore we didn't have the ability to use a portion of those funds to buy local protein.
