

1.1 Senator moves to amend S.F. No. 2513 as follows:

1.2 Page 2, after line 8, insert:

1.3 "(f) By December 15 each year, the commissioner must report to the chairs and ranking
1.4 members of the legislative committees with jurisdiction over agriculture to provide an update
1.5 on the progress of projects funded by this appropriation. Each report must include how
1.6 much of this appropriation has been used, including the amount used for administration.
1.7 The commissioner may include additional information of interest or relevance to the
1.8 legislature. This paragraph expires December 31, 2031.

1.9 (g) By December 15, 2032, the commissioner must complete a final report to the chairs
1.10 and ranking members of the legislative committees with jurisdiction over agriculture
1.11 regarding the uses and impacts of this appropriation. The final report must include a list of
1.12 the grants awarded, the amount of the appropriation used for administration, the amount of
1.13 green fertilizer produced, and a summary of the economic and environmental impacts of
1.14 this production compared to the production and purchase of conventionally produced
1.15 fertilizer. The commissioner may include additional information of interest or relevance to
1.16 the legislature. This paragraph expires December 31, 2032."
