Re: Mora Lake Outlet Project

Dear Ms. Segelstrom,

This letter is to express Kanabec County's support for the Mora Lake Outlet project. This project will provide necessary flood relief to City property and help protect residents affected by flooding events. In addition, this project would benefit MnDOT Trunk Highway No. 65 which has been closed numerous times due to flooding of Mora Lake.

It is essential this project gets funded as it is necessary in order to complete two associated County projects. SP 033-606-023 – STIP Seq No. 543 and SAP 033-606-025, both projects on CSAH 6 from Trunk Highway No. 47 to Mora. These projects, scheduled for 2025, need to be completed in coordination with the Mora Lake Outlet construction.

Sincerely,

Chad T. Gramentz, PE  
Kanabec County Engineer
