Taoyatetuda

The Mdwakanton Leader

Year abt 1846 At 36 years of age

"Chief Little Crow"

A Great Leader, had all the tools to teach Young Soldiers despite permanently injured wrists, from a duel for chieftainship

His Father "Chief Big Thunder" or Little Crow IV influenced Minnesota Territory

Fort Snelling and his Village Kaposia 1830s working with migrants as a signer of the early treaties

His Father "Chief Cetanwakanmani" in the last decade of the eighteenth century

Regarding the S.F. File 1966

Mississippi River Learning Bill

History of Mdwakanton "Dakota "

Lived here, their home of

St Paul, Minnesota, Village of Kaposia and Pig's Eye Pig's Eye formerly was the outer village of Kaposia.

Here where the Mississippi River has always flowed, thanks to our Creator Tunkasila

Please get it right when we educate the living, of the Minnesota Native American history of Mdwakanton a Dakota of Minnesota

Pidamaya
Sincerely, Maria Cermak
