6. Allina
7. Lake Street Council
8. Neighborhood Development Center (NDC)

Architect team: 4MU+LA

Interior design team: Perkins and Will

This project will allow:

- Increase in access by 40%
- Greater care coordination (a back to school visit for a child: physical and immunizations, dental cleaning, vision check, behavioral health consultation, resources for other needs—all in 1!)
- Evening hours, weekend hours
- Better meet the needs of people
- Better visibility being right on Lake Street
- Easier access to public transport
- A state of the art facility that matches the exceptional quality of care our patients receive and that our staff deserve to work in
- Greater opportunity for collaboration with community partners
