

1.1 Senator moves to amend S.F. No. 482 as follows:

1.2 Page 2, line 4, before "A pharmacy" insert "(a)"

1.3 Page 2, after line 14, insert:

1.4 "(b) A health care provider must:

1.5 (1) consult with an enrollee prior to an administration of a drug regarding the requirements
1.6 of this paragraph. The consultation must be in clear and understandable language and include,
1.7 at a minimum, the following information:

1.8 (i) the applicable breakdown in the cost of administering the clinician-administered drug,
1.9 including any costs applied by the health care provider or facility above and beyond the
1.10 cost of obtaining the clinician-administered drug;

1.11 (ii) information on how the enrollee may be able to access the same clinician-administered
1.12 drug through an affiliated pharmacy and the costs of this option; and

1.13 (iii) the expected level of out-of-pocket cost to the enrollee if the enrollee chooses to
1.14 have a clinician-administered drug administered by the health care provider or a drug
1.15 obtained by an affiliated pharmacy; and

1.16 (2) provide the enrollee the option to obtain the drug from an affiliated pharmacy."
