The district advisory committee shall must recommend to the school board: rigorous academic standards; student achievement goals and measures consistent with subdivision 1a and sections 120B.022, subdivisions 1a and 1b, and 120B.35; district assessments; means to improve students' equitable access to effective and more diverse teachers; strategies to ensure the curriculum is rigorous, accurate, antiracist, and culturally sustaining; strategies to ensure that curriculum and learning and work environments validate, affirm, embrace, and integrate the cultural and community strengths of all racial and ethnic groups; and program evaluations. School sites may expand upon district evaluations of instruction, curriculum, assessments, or programs. Whenever possible, parents and other community residents shall must comprise at least two-thirds of advisory committee members.

Sec. 4. [120B.113] CLOSING EDUCATIONAL OPPORTUNITY GAPS GRANTS.

Subdivision 1. Grant program established. The commissioner of education must establish a grant program to support implementation of world's best workforce strategies under section 120B.11, subdivision 2, clauses (4) and (6), and collaborative efforts that address opportunity gaps resulting from curricular, environmental, and structural inequities in schools experienced by students, families, and staff who are of color or who are American Indian.

- Subd. 2. **Definitions.** (a) For purposes of this section, the following terms have the meanings given.
- (b) "Antiracist" means actively working to identify and eliminate racism in all forms so that power and resources are redistributed and shared equitably among racial groups.
 - (c) "Curricular" means curriculum resources used and content taught as well as access to levels of coursework or types of learning opportunities.

Sec. 4. 4

5.1	(d) "Environmental" means relating to the climate and culture of a school.
5.2	(e) "Equitable" means fairness by providing curriculum, instruction, support, and other
5.3	resources for learning based on the needs of individual students and groups of students to
5.4	succeed at school rather than treating all students the same despite the students having
5.5	different needs.
5.6	(f) "Institutional racism" means policies and practices within and across institutions that
5.7	produce outcomes that chronically favor white people and disadvantage those who are
5.8	Black, Indigenous, and People of Color.
5.9	(g) "Opportunity gap" means the inequitable distribution of resources that impacts
5.10	inequitable opportunities that contribute to or perpetuate learning gaps for certain groups
5.11	of students.
5.12	(h) "Structural" means relating to the organization and systems of a school that have
5.13	been created to manage a school.
5.14	Subd. 3. Applications and grant awards. The commissioner must determine application
5.15	procedures and deadlines, select districts and charter schools to participate in the grant
5.16	program, and determine the award amount and payment process of the grants. To the extent
5.17	that there are sufficient applications, the commissioner must award an approximately equal
5.18	number of grants between districts in greater Minnesota and those in the Twin Cities
5.19	metropolitan area. If there are an insufficient number of applications received for either
5.20	geographic area, then the commissioner may award grants to meet the requests for funds
5.21	wherever a district is located.
5.22	Subd. 4. Description. The grant program must provide funding that supports collaborative
5.23	efforts that close opportunity gaps by:
5.24	(1) ensuring school environments and curriculum validate, affirm, embrace, and integrate
5.25	cultural and community strengths of students, families, and employees from all racial and
5.26	ethnic backgrounds; and
5.27	(2) addressing institutional racism with equitable school policies, structures, practices,
5.28	and curricular offerings, consistent with the requirements for long-term plans under section
5.29	124D.861, subdivision 2, paragraph (c).
5.30	Subd. 5. Report. Grant recipients must annually report to the commissioner by a date
5.31	and in a form and manner determined by the commissioner on efforts planned and
5.32	implemented that engaged students, families, educators, and community members of diverse
5.33	racial and ethnic backgrounds in making improvements to school climate and curriculum.

5 Sec. 4.

The report must assess the impact of those efforts as perceived by racially and ethnically diverse stakeholders, and must identify any areas needed for further continuous improvement.

The commissioner must publish a report for the public summarizing the activities of grant recipients and what was done to promote sharing of effective practices among grant recipients

Sec. 5. [120B.117] INCREASING PERCENTAGE OF TEACHERS OF COLOR AND AMERICAN INDIAN TEACHERS IN MINNESOTA.

Subdivision 1. Purpose. This section sets short-term and long-term attainment goals for increasing the percentage of teachers of color and who are American Indian teachers in Minnesota and for ensuring all students have equitable access to effective and racially and ethnically diverse teachers who reflect the diversity of students. The goals and report required under this section are important for meeting attainment goals for the world's best workforce under section 120B.11, achievement and integration under section 124D.861, and higher education attainment under section 135A.012, all of which have been established to close persistent opportunity and achievement gaps that limit students' success in school and life and impede the state's economic growth.

Subd. 2. Equitable access to racially and ethnically diverse teachers. The percentage of teachers in Minnesota who are of color or who are American Indian should increase at least two percentage points per year to have a teaching workforce that more closely reflects the state's increasingly diverse student population and to ensure all students have equitable access to effective and diverse teachers by 2040.

Subd. 3. **Rights not created.** The attainment goal in this section is not to the exclusion of any other goals and does not confer a right or create a claim for any person.

Subd. 4. Reporting. Beginning in 2024 and every even-numbered year thereafter, the Professional Educator Licensing and Standards Board must collaborate with the Department of Education and the Office of Higher Education to publish a summary report of each of the programs they administer and any other programs receiving state appropriations that have or include an explicit purpose of increasing the racial and ethnic diversity of the state's teacher workforce to more closely reflect the diversity of students. The report must include programs under sections 122A.59, 122A.63, 122A.635, 122A.70, 122A.73, 124D.09, 124D.861, 136A.1274, 136A.1276, and 136A.1791, along with any other programs or initiatives that receive state appropriations to address the shortage of teachers of color and American Indian teachers. Education and Department of Education, provide policy and funding recommendations related to state-funded programs to increase the recruitment, preparation, licensing, hiring, and retention of racially and ethnically diverse teachers and the state's progress toward meeting or exceeding the goals of this section. The report must include recommendations for state policy and funding needed to achieve the goals of this section, plans for sharing the report and activities of grant recipients, and opportunities among grant recipients of various programs to share effective practices with each other. The 2024 report must include a recommendation of whether a state advisory council should be established to address the shortage of racially and ethnically diverse teachers and what the composition and charge of such an advisory council would be if established. The board must consult with the Indian Affairs Council and other ethnic councils along with other community partners, including students of color and American Indian students, in developing the report. By November 3 of each odd-numbered year, the board must submit the report to the chairs and ranking minority members of the legislative committees with jurisdiction over education and higher education policy and finance. The report must be available to the public on the board's website.

EFFECTIVE DATE. This section is effective the day following final enactment.

Sec. 6. [120B.25] CURRICULUM POLICY.

A school board must adopt a written policy that prohibits discrimination or discipline for a teacher or principal on the basis of incorporating into curriculum contributions by persons in a federally protected class or protected class under section 363A.13, consistent with local collective bargaining agreements.

- Sec. 7. Minnesota Statutes 2022, section 121A.031, subdivision 6, is amended to read:
- Subd. 6. **State model policy.** (a) The commissioner, in consultation with the commissioner of human rights, shall develop and maintain a state model policy. 18.11	(3) the percent of racially and ethnically diverse teacher candidates enrolled in the
18.12	institution compared to:
18.13	(i) the total percent of students of color and American Indian students enrolled at the

18.26	institution;
18.27	(iii) providing academic tutoring or support to help teacher candidates pass required

19.1	(b) The board must give priority in awarding grants under this section to institutions that
19.2	received grants under Laws 2017, First Special Session chapter 5, article 2, section 57,
19.3	subdivision 27, and have demonstrated continuing success at recruiting, retaining, graduating,

19.11	outside of the Twin Cities metropolitan area. If the board awards a competitive grant based

a lower average amount per candidate and the institution may decide to award less per candidate or provide financial assistance to fewer candidates within the allowable range.

Additionally, an institution may use up to 25 percent of the awarded grant funds to provide programmatic support as described in paragraph (a), clause (3). If the board does not award an applicant institution's full request, the board must allow the institution to modify how it uses grant funds to maximize program outcomes consistent with the requirements of this section.

- Subd. 3. **Grant program administration.** (a) The Professional Educator Licensing and Standards Board may enter into an interagency agreement with the Office of Higher Education. The agreement may include a transfer of funds to the Office of Higher Education to help establish and administer the competitive grant process. The board must award grants to institutions located in various economic development regions throughout the state, but must not predetermine the number of institutions to be awarded grants under this section or set a limit for the amount that any one institution may receive as part of the competitive grant application process.

To determine the range, the board may collect de-identified data from institutions that received a grant during the previous grant period and calculate the average scholarship amount awarded to all candidates across all institutions using the most recent fiscal year data available. The calculation may be used to determine a scholarship range that is no more than 25 percent than this amount and no less than half the average of this amount. The purpose of direct financial assistance is to assist candidates matriculating through completing licensure programs if they demonstrate financial need after considering other grants and scholarships provided.
- (c) All grants must be awarded by August 15 of the fiscal year in which the grants are to be used except that, for initial competitive grants awarded for fiscal year 2020, grants must be awarded by September 15. An institution that receives a grant under this section may use the grant funds over a two- to four-year period to sustain support for teacher candidates at any stage from recruitment and program admission to graduation and licensure application.
- Subd. 4. **Report.** (a) By <u>January August</u> 15 of each year, an institution awarded a grant under this section must prepare for the <u>legislature and the</u> board a detailed report regarding the expenditure of grant funds, including the amounts used to recruit, retain, and induct

Plan components may include: innovative and integrated prekindergarten through grade 12 learning environments that offer students school enrollment choices; family engagement initiatives that involve families in their students' academic life and success; professional development opportunities for teachers and administrators focused on improving the academic achievement of all students, including teachers and administrators who are members of populations underrepresented among the licensed teachers or administrators in the district or school and who reflect the diversity of students under section 120B.35, subdivision 3, paragraph (b), clause (2), who are enrolled in the district or school; increased programmatic opportunities and effective and more diverse instructors focused on rigor and college and career readiness for underserved students, including students enrolled in alternative learning centers under section 123A.05, public alternative programs under section 126C.05, subdivision 15, and contract alternative programs under section 124D.69, among other underserved students; or recruitment and retention of teachers and administrators with diverse racial and ethnic backgrounds.

(b) The plan must contain goals for:

REVISOR

- (1) reducing the disparities in academic achievement and in equitable access to effective and more diverse teachers among all students and specific categories of students under section 120B.35, subdivision 3, paragraph (b), excluding the student categories of gender, disability, and English learners; and
 - (2) increasing racial and economic diversity and integration in schools and districts.
- (c) The plan must include strategies to validate, affirm, embrace, and integrate cultural and community strengths of all students, families, and employees in the district's curriculum as well as learning and work environments. The plan must address issues of institutional racism as defined in section 120B.11, subdivision 1, in schools that create opportunity and achievement gaps for students, families, and staff who are of color or who are American Indian. Examples of institutional racism experienced by students who are of color or who are American Indian include policies and practices that intentionally or unintentionally result in disparate discipline referrals and suspension, inequitable access to advanced coursework, overrepresentation in lower-level coursework, inequitable participation in cocurricular activities, inequitable parent involvement, and lack of equitable access to racially and ethnically diverse teachers who reflect the racial or ethnic diversity of students because it has not been a priority to hire or retain such teachers.
- (d) School districts must use local data, to the extent practicable, to develop plan components and strategies. Plans may include:
