### **Article 3 American Indian Education**

Section 1. **Private data; when disclosure is permitted.** Allows educational data to be disclosed to Tribal Nations about tribally enrolled or descendant students.

Section 2. **Standards development.** Requires the commissioner to consider advice from representatives from the Tribal Nations Education Committee (TNEC) and Minnesota's Tribal Nations for academic standards revision and development.

Section 3. **Revisions and review required.** Requires Indigenous education standards that include the contributions of American Indian Tribes and communities to be embedded into the state's academic standards and graduation requirements. Lays out expectations for Indigenous Education for All. Delays physical education standards review to 2026-27. Requires the commissioner to embed ethnic studies into state academic standards.

Section 4. **Indigenous education for all students.** Establishes requirements for the commissioner's development and implementation of Indigenous Education for All.

Section 5. **American Indian mascots prohibited.** Prohibits a school district or charter school from adopting a name, symbol, or image of an American Indian Tribe, custom, or tradition as a mascot, nickname, logo, letterhead, or team name for the district or school. Allows a district or school to seek an exemption from the prohibition through a written request to all eleven Tribal Nations and TNEC. If any of the Tribal Nations or TNEC opposes the exemption, it will be denied.

Section 6. **American Indian student.** Defines "American Indian student" for the purposes of the American Indian Education Act to mean a student who identifies as American Indian or Alaska Native, as defined by the state, instead of the federal definition.

Section 7. **Program described.** Clarifies that American Indian education programs are designed to support American Indian students.

Section 8. **Enrollment of other children; shared time enrollment.** Limits enrollment in American Indian education programs on a shared time basis to American Indian children.

Section 9. **Location of programs.** Modifies the settings where American Indian education programs may be offered daily.

Section 10. **American Indian culture and language classes.** Requires a district or Tribal contract school that conducts American Indian education programs under the American Indian Education Act and serves 100 or more state-identified American Indian students enrolled in the district to provide American Indian culture and language classes.

Section 11. **American Indian education program coordinators, paraprofessionals.** Requires districts receiving American Indian Education Aid and Tribal contract schools to employ a dedicated American Indian education program coordinator, rather than community coordinators or Indian home/school liaisons.

Section 12. **Parent and community participation.** Clarifies requirements and qualifications for American Indian Parent Advisory Committees (AIPAC). Includes districts, charter schools, and

Tribal contract schools in requirements relating to parent committees. Modifies requirements relating to American Indian parent advisory committee's vote of concurrence or nonconcurrence with offerings extended to American Indian students. Modifies eligibility for membership in American Indian parent advisory committee to be limited to parents or guardians of American Indian children. Adds the state definition of American Indian to AIPAC statute.

Section 13. **Technical assistance.** Directs the commissioner to use an annual report of American Indian student data that uses the state count when providing technical assistance.

Section 14. **Duties; powers.** Modifies the duties of the American Indian Education director at MDE and directs them to work collaboratively and in conjunction with the Tribal Liaison, TNEC, the 11 Tribal Nations in Minnesota, the Minnesota Chippewa Tribe, and the Minnesota Indian Affairs Council.

Section 15. **Graduation ceremonies; Tribal regalia and objects of cultural significance.** Requires a district or charter school to allow an American Indian student to wear American Indian regalia, Tribal regalia, or objects of cultural significance at graduation ceremonies.

Section 16. **Procedures.** Requires the state count to be used to determine whether a district, charter school, or Tribal contract school is eligible for American Indian aid.

Section 17. **Records.** Strikes "pilot" from description of American Indian education programs.

Section 18. **Tobacco products prohibited in public schools.** Allows an American Indian student to carry a medicine pouch containing loose tobacco intended as observance of traditional spiritual or cultural practices.

#### **Article 4 Charter Schools**

Section 1. **Definitions.** Defines "charter management organization" (CMO) as a nonprofit or for-profit entity that contracts with a charter school board to manage or oversee the school's education program or administrative functions. Defines "educational management organization" (EMO) as a nonprofit or for-profit entity that provides, manages, or oversees the education program or the school's administrative functions. Defines "market need and demand study."

Section 2. **Certain federal, state, and local requirements.** Requires charter schools to comply with statute on alternatives to suspension.

Section 3. **English learners.** Requires charter schools to comply with the Education for English Learners Act.

Section 4. **Application content.** Clarifies that the length of a charter authorizer's term is until they formally withdraw, or the commissioner revokes the organization's ability to authorize charter schools.

Section 5. **Withdrawal.** Clarifies authorizer withdrawal requirements.

Section 6. **Individuals eligible to organize.** Requires a charter school developer's application to the authorizer for approval to establish a charter school to include a market need and demand study.

Section 7. **Authorizer’s affidavit; approval process.** Requires an authorizer’s affidavit filed with the commissioner to include a market need and demand study.

Section 8. **Adding grades or sites.** Requires an authorizer approving a school’s application to add grades or primary enrollment sites to include a market need and demand study in the supplemental affidavit filed with the commissioner.

Section 9. **Contents.** Requires a charter school to include a statement of the specific school’s admission policies and procedures in the charter school contract.

Section 10. **Admission requirements and enrollment.** Requires charter school admission to be free to a resident of Minnesota and gives enrollment preference to Minnesota residents over out-of-state residents. Requires students enrolled in a charter school’s prekindergarten program to apply for entry into kindergarten without receiving an enrollment preference. Clarifies an inconsistency between section 124E.11, paragraphs (c) and (g), and the Pupil Fair Dismissal Act regarding enrollment preference for prekindergarten students in charter schools. Allows a charter school servicing at least 90 percent of enrolled students who are eligible for special education services and have a primary disability of deaf, deafblind, or hard-of-hearing to give enrollment preference to students who are eligible for special education services and have a primary disability of deaf, deafblind, or hard-of-hearing.

Section 11. **Teachers.** Corrects the definition of teacher to indicate that a teacher is either directly employed by the school or under contract with a cooperative.

Section 12. **Leased space.** Requires a charter school to lease space from the owner of the space instead of subleasing the space.

Section 13. **Affiliated nonprofit building corporation.** Prohibits an affiliated building corporation from supporting more than one charter school.

Section 14. **Reports.** Requires a charter school to include in its annual audit report a copy of a new management agreement or an amendment to a current agreement with a CMO or EMO. Establishes requirements for agreements between a charter school and a CMO or an EMO.

Section 15. **School closures; payments.** Strikes an obsolete reference.

## **Article 5**

### **Discipline, Restrictive Procedures, and Reporting Reform**

Section 1. **Education records.** Requires a school district, charter school, or a nonpublic school to include pupil withdrawals and services a pupil needs to prevent the inappropriate behavior from recurring in a student’s educational records transmissions.

Section 2. **Nonexclusionary disciplinary policies and practices; alternatives to pupil removal and dismissal.** Defines “nonexclusionary disciplinary policies and practices” as policies and practices that are alternatives to removing a pupil from class or dismissing a pupil from school.

Requires school officials to use nonexclusionary disciplinary policies and practices before removing a pupil from class or beginning dismissal proceedings.

Section 3. **Pupil withdrawal agreement.** Defines “pupil withdrawal agreement” as a verbal or written agreement between a school or district administrator and a pupil’s parent to withdraw a student from a school district to avoid expulsion or exclusion dismissal proceedings. Limits a pupil withdrawal agreement to 12 months.

Section 4. **Full and equitable participation in preschool and early learning.** Prohibits dismissal of a student in kindergarten through grade 3 unless nonexclusionary discipline options have been exhausted and there is an ongoing serious safety threat.

Section 5. **Provision of alternative programs.** Requires a school to use nonexclusionary disciplinary policies and practices before dismissal proceedings or pupil withdrawal agreements unless there is an immediate and substantial danger.

Section 6. **Provision of alternative education services; suspension pending expulsion or exclusion hearing.** Requires alternative education services be provided to a pupil who is suspended for more than five consecutive days.

Section 7. **Minimum education services.** Requires school administration to allow a suspended pupil the opportunity to complete all schoolwork assigned during the pupil’s suspension period and to receive full credit for completing assignments satisfactorily.

Section 8. **Written notice.** Requires written notice of intent to impose an expulsion that describes the nonexclusionary disciplinary practices used on the pupil to avoid expulsion. Requires a district advise a pupil’s parent or guardian that free or low-cost legal assistance may be available and that resources are posted on the Department of Education’s website.

Section 9. **Admission or readmission plan.** Requires an admission or readmission plan for any pupil who is excluded or expelled from school include measures to improve the pupil’s behavior, and lists some of the measures that may be included in the plan. Requires the plan to include parental involvement in the admission or readmission process.

Section 10. **Exclusions and expulsions; student withdrawals; physical assaults.** Requires a school board to report to the department each pupil withdrawal agreement within 30 days of the effective date of the pupil’s withdrawal. Requires the report to include a nonexclusionary disciplinary practices statement.

Section 11. **Policies to be established.** Requires each school board to adopt written policies and rules for dismissal that include nonexclusionary disciplinary policies and practices. Requires a district to ensure that a pupil undergoing expulsion and exclusion dismissal, or a pupil withdrawal agreement be on track for readmission with the pupil’s peers, continue to be eligible for school-based or school-linked mental health services in the district, and provide the parent or guardian information on accessing mental health services.

Section 12. **Corporal punishment; prone restraint; and certain physical holds.** Defines “prone restraint” as placing a child in a face-down position. Prohibits any district employee, a school resource office, or any contract employee from using prone restraint. Prohibits any form of physical holding that restricts or impairs a pupil’s ability to breath.

Section 13. **Required policy.** Requires a districtwide school discipline policy to include the discipline complaint procedure that any member of the school community may use to file a complaint and seek corrective action.

Section 14. **Policy components.** Requires each districtwide school discipline policy include any procedures determined appropriate for ensuring victims of bullying who respond with behavior not allowed under the school’s behavior policies have access to a remedial response, a prohibition on the use of exclusionary practices for early learners, and a prohibition on the use of exclusionary practices to address attendance and truancy issues.

Section 15. **Discipline complaint procedure.** Requires the discipline policy to contain procedures to file a complaint and seek corrective action when the requirements of sections 121A.40 to 121A.61 are not being implemented appropriately or are being discriminately applied. Requires the implemented policy include a list of minimum requirements.

Section 16. **Standards for Restrictive Procedures.**

Subdivision 1. **Restrictive procedures plan.** Requires a convened oversight committee that takes a quarterly review of the restrictive procedures to include any disproportionate use of restrictive procedures based on race, gender, or disability status; the role of the school resource office or police in emergencies; and documentation to determine if the standards for using restrictive procedures are met.

Subd. 2. **Restrictive procedures.** Modifies the requirement for an IEP meeting after the use of a restrictive procedure if a student has a disability.

Subd. 3. **Physical holding or seclusion.** Requires a school that uses physical holding or seclusion during an emergency to include in the documents a brief description of the post-use debriefing that occurred as a result of the use of the physical hold or seclusion.

Subd. 4. **Prohibitions.** Prohibits the use of seclusion on children from birth through prekindergarten.

Subd. 5. **Training for staff.** Requires the commissioner develop and maintain a list of experts to help individualized family service plan teams reduce the use of restrictive procedures.

Subd. 6. **Behavior supports; reasonable force.** Requires that any reasonable force used that limits a child’s movement be reported to the Department of Education as a restrictive procedure.

## Article 6

### Supporting Teacher Recruitment, Retention, Professional Experience

Section 1. **Definitions.** (e) Defines “ethnic studies curriculum” as the critical and interdisciplinary study of race, ethnicity, and indigeneity with a focus on the experiences and perspectives of People of Color within and beyond the United States.

(f) Defines “antiracist” as actively working to identify and eliminate racism in all forms so that power and resources are redistributed and shared equitably among racial groups.

(g) Defines “culturally sustaining” as integrating content and practices that infuse the culture and language of Black, Indigenous, and People of Color communities who have been and continue to be harmed and erased through schooling.

(h) Defines “institutional racism” as the structures, policies, and practices within and across institutions that produce outcomes that chronically favor white people and disadvantage those who are Black, Indigenous, and People of Color.

Section 2. **Adopting plans and budgets.** Requires a school board’s world’s best workforce strategic plan to include an assessment of its ethnic studies curriculum; antiracist and integration of culturally sustaining curriculum; a learning and work environment that supports and integrates cultural and community strengths; and a list of suggested and required materials for use in kindergarten through grade 12 that accurately reflect the diversity of the state.

Section 3. **District advisory committee.** Directs the district advisory committee to recommend to the school board strategies to ensure the curriculum is rigorous, accurate, antiracist, and culturally sustaining, and strategies to ensure curriculum and learning and work environments affirm, embrace, and integrate the cultural and community strengths of all racial and ethnic groups.

Section 4. **[120B.117] Increasing percentage of teachers of color and American Indian teachers in Minnesota.**

Subdivision 1. **Purpose.** States the purpose of the section as setting short-term and long-term attainment goals for increasing the percentage of teachers of color and American Indian teachers in Minnesota and for ensuring all students have equitable access to effective and racially and ethnically diverse teachers who reflect the diversity of students.

Subd. 2. **Equitable access to racially and ethnically diverse teachers.** Establishes a goal of increasing the percentage of teachers of color or American Indian teacher in Minnesota by at least two percentage points every year and to ensure all students have equitable access to effective and diverse teachers by 2040.

Subd. 3. **Rights not created.** Clarifies that attainment of the goal in subdivision 2, does not confer a right or create a claim for any person.

Subd. 4. **Reporting.** Requires the Professional Educator Licensing and Standards Board to collaborate with the Department of Education and the Office of Higher Education to publish a biennial summary report of programs that have or include an explicit purpose of instreaming the racial and ethnic diversity of the state’s teacher workforce to more reflect the diversity of the students. The report must include policy and funding recommendations related to programs to increase the recruitment, preparation, licensing, hiring, and retention of racially and ethnically diverse teachers. The report must include recommendations for state policy and funding needed to achieve the goals of this section. The 2024 report must include a recommendation regarding a state advisory council should be established to address the shortage of racially and ethnically diverse teachers and what the composition and charge of such an advisory council would be, if established. The report must be submitted to the chairs and raking minority members of the legislative committees having jurisdiction over education and higher education policy and finance.

Section 5. **Curriculum policy.** Requires a school board to adopt a written policy that prohibits discrimination or discipline for a teacher or principal on the basis of incorporating into curriculum contributions by persons in a protected class.

Section 6. **State model policy.** Requires the commissioner to develop and maintain resources to assist a district or school in implementing strategies for creating a positive school climate and use evidence-based, social-emotional learning to prevent and reduce discrimination.

Section 7. **Limitations on license.** Removes the prohibition on Tier 1 teachers joining a collective bargaining unit.

Section 8. **Coursework.** Eliminates the option that allows a candidate to receive a Tier 3 license if they have three years of teaching experience under a Tier 2 license. Allows current Tier 2 license holders to still use this option until June 30, 2026.

Section 9. **Tests.** Strikes the requirement for a candidate to have a passing score on a board-adopted examination of skills in reading, writing, and mathematics to receive a Tier 4 teaching license. Makes a Tier 3 or Tier 4 licensure candidate exempt from passing an examination of general pedagogical knowledge and licensure-specific content if the candidate has completed a board-approved preparation program, or a state-approved teacher preparation program in another state and passed licensure examinations in that state.

Section 10. **Exceptions.** Modifies which licensed teachers are part of the collective bargaining unit to include community education teachers.

Section 11. **Development, evaluation, and peer coaching for continuing contract teachers.** Requires the annual evaluation process for teachers to include a rubric of performance standards for teacher practice that is based on professional teaching standards established in rule, includes culturally responsive methodologies, and provides common descriptions of effectiveness using at least three levels of performance.

Section 12. **Development, evaluation, and peer coaching for continuing contract teachers.** Requires the annual evaluation process for teachers include a rubric of performance standards for teacher practice that is based on professional teaching standards established in rule, includes culturally responsive methodologies, and provides common descriptions of effectiveness using at least three levels of performance.

Section 13. **Duties; evaluation.** Amends the principal's evaluation to support and improve a principal's culturally responsive leadership practices that create inclusive and respectful teaching and learning environments.

Section 14. **Plan implementation; components.** Paragraphs (a) and (c) strike the Achievement and Integration plan components and restates them to include strategies to validate, affirm, embrace, and integrate cultural and community strengths of all students, families, and employees in the district's curriculum. Requires the plan to address issues of institutional racism in schools that create opportunity and achievement gaps for students, families, and staff who are of color or who are American Indian. Provides examples of institutional racism experience by students who are of color or who are American Indian.

Paragraph (d) directs school districts to use local data to develop plan components and strategies. District plans may include:

- (1) innovative and integrated prekindergarten through grade 12 learning environments that offer students school enrollment choices;
- (2) family engagement initiatives that involve families in their students' academic life and success, and improve relations between home and school;
- (3) opportunities for students, families, staff, and community members who are of color or American Indian to share their experiences in the school setting with school staff and administration and to inform the development of specific proposals for making school environments more validating, affirming, embracing, and integrating of their cultural and community strengths;
- (4) professional development opportunities focused on improving the academic achievement of all students, including knowledge, skills, and dispositions needed to be antiracist and culturally sustaining, for students who are from racially and ethnically diverse backgrounds;
- (5) recruitment and retention of teachers, administrators, cultural and family liaisons, paraprofessionals, and other staff from racial, ethnic, and linguistic backgrounds represented in the student population to strengthen relationships with all students, families, and other members of the community;
- (6) collection, examination, and evaluation of academic and discipline data for institutional racism in structures, policies, and practices that result in the education disparities, in order to propose antiracist changes that increase access, meaningful participation, representation, and positive outcomes for students of color and American Indian students;
- (7) increased programmatic opportunities and effective and more diverse instructors focused on rigor and college and career readiness for students who are impacted by racial, gender, linguistic, and economic disparities, including students enrolled in area learning centers or alternative learning programs, state-approved alternative programs, and contract alternative programs;
- (8) ethnic studies curriculum to provide all students with opportunities to learn about their own and others' cultures and historical experiences; or
- (9) examination and revision of district curricula in all subjects to be inclusive of diverse racial and ethnic groups while meeting state academic standards and being culturally sustaining, ensuring content being studied about any group is accurate and based in knowledge from that group.

## **Article 7**

### **Students with Disabilities, and Students in Need of Special Education Services**

**Section 1. Screening program.** Requires an early childhood developmental screening to include developmental assessments, including virtual developmental screening for families who make the request based on their immunocompromised health status or health conditions.

**Section 2. Placement in another district; responsibility.** Allows the district of residence or nonresident district for a child with a disability temporarily placed in another district for care and

treatment to utilize a state-approved online learning program in fulfilling its education program responsibility if agreed to by the child's parent or guardian.

Section 3. **Placement of children without disabilities; education and transportation.** Allows the district of residence or nonresident district for a child without a disability who has a short-term or temporary physical or emotional illness or disability and who is temporarily placed for care and treatment for that illness or disability to utilize a state-approved online learning program in fulfilling its education program responsibility if agreed to by the child's parent or guardian.

Section 4. **Responsibilities for providing education.** Allows the district of residence or nonresident district for a child in a residential facility to utilize a state-approved online learning program in fulfilling its education program responsibility if agreed to by the child's parent or guardian.

## **Article 8**

### **Early Childhood and Early Learning**

Section 1. **Lotteries.** Requires a district to give enrollment priority to students seeking enrollment into kindergarten who were open enrolled in voluntary prekindergarten or school readiness plus programs.

Section 2. **Termination of enrollment.** Allows a district to terminate the enrollment of a nonresident preschool student when the student meets age eligibility requirements for kindergarten or reaches age five by September 1.

Section 3. **Additional duties.** Strikes obsolete language related to the State Advisory Council on Early Childhood Education and Care. Requires the council to review and provide input on the recommendations and implementation timelines developed by the Great Start for All Minnesota Children Task Force.

Section 4. **Family eligibility.** Modifies the number of requirements a family needs before receiving an early learning scholarship. Adds having a child referred as in need of child protection services as an eligibility requirement for receiving an early learning scholarship.

Section 5. **Administration.** Modifies the priority list for early learning scholarships to children who are not yet four years of age, have been referred as in need of child protection service, or have an incarcerated parent. Modifies the time a family has before the scholarship cancels and the recipient must reapply from ten months to three months.

Section 6. **School of parents' choice.** Allows a parent of a student with a disability who is not yet enrolled in kindergarten and not open enrolled in a nonresident district to elect a school in the nonresident district.
