

Dear Senators,

I am in opposition to the amendment to SF 1311 and ask you strike the language on lines 19.8 through 19.11 of the original version of SF-1311 which states: An eligible institution must not require a faith statement during the application process or base any part of the admission decision on a student's gender or sexual orientation or religious beliefs or affiliations. All schools, regardless of faith, should be allowed to participate in PSEO.

My children attended Southwest Christian High School and Bethel University. Both participated in PSEO courses. I have seen the education they received at both schools and have witnessed the wonderful young adults these schools are adding to our communities. Please strike this language so these schools may continue to uplift our state.

Sincerely,

Mike
