Senate Committee,

I oppose the amendment to SF 1311 and ask that you strike the language on lines 19.8 through 19.11 of the original version of SF-1311 which states: ***An eligible institution must not require a faith statement during the application process or base any part of the admission decision on a student's gender or sexual orientation or religious beliefs or affiliations.***

My family takes advantage of the opportunities presented with PSEO. This will enable my student to have less student loan debt. Amending the wording will only hinder this pursuit. These institutions can make their own requirements. Please do not infringe upon their ability to do so.

Sincerely,

Aimee Hulsing
