

General government

Elections

- Support improved efficiency of election administration through the use of e-poll books with electronic signature, automatic voter registration and improvements to absentee voting procedures and timelines.
- Expand absentee voter outreach opportunities.
- Support state-level standards and equipment for ranked choice voting.
- Prohibit intimidation of voters and election officials, and interference with election administration.
- Support efficient election administration by removing the statutory requirement for a witness when casting absentee ballots.

Operations and administration

- Clarify and modernize marriage license application and reporting statute language, make authority to accept remote marriage license applications permanent, and increase marriage license, motor vehicle, and driver's license filing fees to make deputy registrars' offices more self-sufficient.
- Make permanent the ability for people to remotely apply for marriage licenses.
- Standardize and clarify the process by which marriage license applicants with a felony conviction can change their names.
- Authorize the expansion of services at the North Minneapolis Service Center to include motor vehicle and DNR services.
- Support revenue sharing with the state's Driver and Vehicle Services for online transactions.
- Support efforts of others to obtain state funding for Public Land Survey System (PLSS) remonumentation and perpetuation.

- Increase bid limits for small business enterprise (SBE) contracts.
- Support changes in state law to eliminate the Municipal Building Commission.

Data practices

- Support efforts of others to amend statutory requirements and allow the Commissioner of Public Safety discretion in determining the penalty for accessing driver's license data without ill intent.
- Oppose changes to the Minnesota Data Practices Act that require audit logs or audit trails that impose an undue financial or resource management burden on local units of government.
