Dear Chair Frentz and Members of the Energy, Utilities, Environment and Climate Committee,
Center for Energy and Environment (“CEE”) respectfully submits this letter to express our strong support for the confirmation of Chair Katie Sieben, Commissioner John Tuma, and Commissioner Matthew Schuerger.

Throughout their previous terms on the Minnesota Public Utilities Commission, Chair Sieben, Commissioner Tuma, and Commissioner Schuerger have consistently made well-informed regulatory decisions to support Minnesota’s energy future. Each of these three Commissioners has paid special attention to the important economic, environmental, and equity-related impacts of our energy system in pursuit of an energy future that works for all Minnesotans.

We are honored to provide our support for Chair Sieben, Commissioner Tuma, and Commissioner Schuerger. We encourage you and your colleagues to vote to confirm these three Commissioners.

Sincerely,

Audrey Partridge
Director of Regulatory Policy
